Introduced by Sen. RAMOS -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the social services law, in relation to written material provided to human trafficking victims regarding available social and legal services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision (c) of section 483-cc of the social services law, as added by a chapter of the laws of 2021 amending the social services law relating to advising human trafficking victims of the availability of social and legal services, as proposed in legislative bills numbers S. 924 and A. 3331, is amended to read as follows:

(c) Promptly upon an encounter with a person who reasonably appears to a law enforcement agency or district attorney's office to be a human trafficking victim, or a person who identifies himself or herself as a human trafficking victim, such law enforcement agency or district attorney's office shall advise such person of the availability of the services of specific, established providers of social and legal services to human trafficking victims. Each local department of social services shall maintain and shall update, at least once annually, a list of established providers of social and legal services to human trafficking victims within the social services district, which shall be provided, at least once annually, to law enforcement agencies and district attorney's offices within the district. In order to communicate effectively with such person, the law enforcement agency or district attorney's office may provide such individual with a brochure or other written material**, including by informing the individual where such written materials are available online,** translated into the six most common non-English languages spoken by individuals with limited English proficiency in the state or in the applicable county, city, or town; provided, however, where such person is not proficient in one of such languages, the law enforcement agency or district attorney's office shall make reasonable efforts to communicate effectively with such person, using an interpreter or interpretation services, where practicable. Unless, after receiv-
