STATE OF NEW YORK

7763

IN SENATE

January 11, 2022

Introduced by Sen. SANDERS -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend a chapter of the laws of 2021 relating to directing the department of environmental conservation to study alternative municipal uses for recycled glass, as proposed in legislative bills numbers A. 6333 and S. 4094, in relation to conducting a study on glass collection, processing and recycling

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Sections 1 and 2 of a chapter of the laws of 2021 relating to directing the department of environmental conservation to study alternative municipal uses for recycled glass, as proposed in legislative bills numbers A. 6333 and S. 4094, are amended to read as follows:

Section 1. The department of environmental conservation[~~, in consultation with the department of transportation,~~] shall conduct a study on [~~alternative municipal uses for recycled glass~~] **glass collection, processing, and recycling** including, but not limited to, [~~the use of crushed glass in asphalt, concrete, drainage, roadway subgrade, and for the purposes of beach nourishment~~] **potential markets for glass, waste reduction, and product substitutions**.

§ 2. The department of environmental conservation shall issue a report containing the findings of the study [~~to the temporary president of the senate, the speaker of the assembly, the chair of the senate environmental conservation committee, and the chair of the assembly environmental conservation committee no later than one year after the effective date of this act and shall submit with this report such legislative proposals as it deems necessary to implement its recommendations. Such report shall also be published on such department's website~~] **on or before December 31, 2023. The report shall be posted on the department's website**.

§ 2. This act shall take effect on the same date and in the same manner as a chapter of the laws of 2021 relating to directing the department of environmental conservation to study alternative municipal uses for recycled glass, as proposed in legislative bills numbers A. 6333 and S. 4094, takes effect.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
