33 (B) A group policyholder shall not be required under this subsection
34 to give notice to a group policy member if substantially similar cover-

30 network company or TNC vehicle as defined in article forty-four-B of the
31 vehicle and traffic law, taxi-cab, rental vehicle as defined in section

33 vehicle solely because the shared vehicle owner allows such vehicle to
34 be used for peer-to-peer car sharing, or as such for the duration of the
35 car sharing period, provided that: (a) the peer-to-peer car sharing is
36 compliant with a peer-to-peer car sharing program as provided in this
37 article; (b) if the car sharing program does not prohibit shared vehicle
38 drivers from using shared vehicles for commercial uses, the insurance
39 maintained by the car sharing program does not exclude coverage for such
40 commercial uses; and (c) the car sharing program does not knowingly
41 place the shared vehicle into use as a commercial vehicle or as a vehi-
42 cle for-hire or as a transportation network company vehicle by a shared
43 vehicle driver while engaged in peer-to-peer car sharing, unless the
44 shared vehicle driver or owner, as applicable, is in compliance with
45 other laws applied to the commercial use or to use as a vehicle for-hire
46 or as a transportation network company vehicle.

47 2. A peer-to-peer car sharing program administrator, during each peer-
48 to-peer car sharing period for each shared vehicle that it facilitates
49 the use and operation of, shall maintain insurance that provides finan-
50 cial responsibility coverage as follows:

51 (a) provide insurance coverage that satisfies the financial responsi-
52 bility requirements set forth in section three thousand four hundred
53 twenty of the insurance law, article fifty-one of the insurance law and
54 such other requirements, rules or regulations that may apply for the
55 purposes of satisfying the financial responsibility requirements with
56 respect to the use or operation of a motor vehicle;

(b) maintain additional insurance against loss from the liability imposed by law for damages during the car sharing period, including damages for care and loss of services, because of bodily injury to or death of any person and injury to or destruction of property arising out of the ownership, maintenance, use or operation of a specific personal vehicle or vehicles within the state, or elsewhere in the United States or Canada, subject to a limit, exclusive of interest and costs, with respect to each such occurrence, of at least one million two hundred fifty thousand dollars because of bodily injury to or death of any person, and injury to or destruction of property; ~~and~~

(c) provide coverage in accordance with subsection (f) of section three thousand four hundred twenty of the insurance law, providing supplementary uninsured/underinsured motorist insurance for bodily injury, subject to a limit per occurrence in the amount of one million two hundred fifty thousand dollars because of bodily injury or death of any person~~;~~;

(d) the insurance required under this subdivision need not be coterminous with the registration period of the shared vehicle insured~~;~~; ~~and~~

(e) For purposes of article fifty-one of the insurance law, 11 NYCRR Part 65 and general liability claims, notice to the shared vehicle owner, shared vehicle driver, peer-to-peer car sharing program administrator, or any insurer of the shared vehicle owner, shared vehicle driver, or peer-to-peer car sharing program administrator of any claim shall be deemed notice to all appropriate parties and insurers. Any shared vehicle owner, shared vehicle driver, peer-to-peer car sharing program administrator, or any insurer of the shared vehicle owner, shared vehicle driver, or peer-to-peer car sharing program administrator receiving such notice shall provide such notice to all appropriate parties.

3. The insurance requirements provided in subdivision two of this section may be satisfied by insurance provided through a group policy maintained by the peer-to-peer car sharing program administrator on the shared vehicle, shared vehicle owner, and shared vehicle driver pursuant to this article. Provided that the peer-to-peer car sharing ~~program's~~ program administrator's group liability insurance policy shall be primary during each car sharing period, pursuant to section nine hundred ~~three~~ two of this ~~chapter~~ article, nothing shall be deemed to preclude an insurer from providing excess or umbrella coverage for the shared vehicle owner or shared vehicle driver if such shared vehicle owner or shared vehicle driver chooses to do so by contract or endorsement.

4. A peer-to-peer car sharing program administrator shall, during each peer-to-peer car sharing period for each shared vehicle that it facilitates the use and operation of, perform the following:

(a) provide shared vehicle owners with proof of insurance coverage satisfying subdivision two of this section and such shared vehicle owner or shared vehicle driver shall carry such proof of coverage with him or her at all times during his or her operation of a shared vehicle during a peer-to-peer car sharing period. Such proof of coverage shall be in such form as the commissioner of motor vehicles shall prescribe, which may be in the form of an insurance identification card as defined in section three hundred eleven of the vehicle and traffic law. Any insurance identification card issued pursuant to the provisions of this article shall be in addition to the insurance identification card required pursuant to article six of the vehicle and traffic law, and nothing contained in this article shall be deemed to supersede the provisions of article six of the vehicle and traffic law. Whenever the production of

1 an insurance identification card is required by law, a shared vehicle
2 owner or shared vehicle driver shall: (i) produce the insurance iden-
3 tification card pursuant to article six of the vehicle and traffic law;
4 and (ii) if such shared vehicle owner or shared vehicle driver was oper-
5 ating such vehicle during a peer-to-peer car sharing period, such shared
6 vehicle owner or shared vehicle driver shall also produce the insurance
7 identification card required pursuant to this article. A shared vehicle
8 owner or shared vehicle driver who, while operating a shared vehicle
9 during a peer-to-peer car sharing period, has in effect the insurance
10 required pursuant to this article, shall not be deemed to be in
11 violation of insurance requirements under article six of the vehicle and
12 traffic law during such time as he or she was operating such vehicle
13 during such period.

14 (b) provide the following for each shared vehicle driver, for each
15 peer-to-peer car sharing period:

16 (i) an insurance identification card as defined in subdivision ten of
17 section three hundred eleven of the vehicle and traffic law, or other
18 documentation, whether printed or electronic, which the shared vehicle
19 driver shall carry and have available in the vehicle at all times during
20 the peer-to-peer car sharing period and clearly demonstrates that the
21 security insurance referred to in subdivision two of this section is in
22 full force and effect; and

23 (ii) a toll-free number, electronic mail, or other such form of commu-
24 nication by which a law enforcement police officer, representative of
25 the department of motor vehicles, or other officer of this state or any
26 political subdivision thereof with relevant job responsibilities may
27 confirm that the insurance provided for in subdivision two of this
28 section is in full force and effect.

29 (c) collect, maintain, and make available to the shared vehicle owner,
30 the shared vehicle owner's primary motor vehicle liability insurer in
31 connection with a claimed loss, the shared vehicle driver's primary
32 motor vehicle liability insurer in connection with a claimed loss, any
33 excess or umbrella insurers in connection with a claimed loss, third
34 parties directly involved in motor vehicle incidents with a shared vehi-
35 cle in connection with a claimed loss, and any government agency as
36 required by law, within ten business days of a request, or as reasonably
37 practicable thereafter the following information pertaining to incidents
38 which occurred during the peer-to-peer car sharing period:

39 (i) available records of the peer-to-peer car sharing period for each
40 shared vehicle involved, and to the extent available, verifiable elec-
41 tronic records of the time, initial and final locations of the vehicle,
42 and, to the extent mileage is collected, miles driven;

43 (ii) in instances where an insurance claim has been filed with a group
44 insurer, all information relevant to the claim, to the extent such
45 information is available, including but not limited to, payments by the
46 program concerning accidents, damages and injuries; and

47 (iii) For purposes of article fifty-one of the insurance law, 11 NYCRR
48 Part 65 and general liability claims, notice to the shared vehicle
49 owner, shared vehicle driver, peer-to-peer car sharing program adminis-
50 trator, or any insurer of the shared vehicle owner, shared vehicle driv-
51 er, or peer-to-peer car sharing program administrator of any claim shall
52 be deemed notice to all appropriate parties and insurers. Any shared
53 vehicle owner, shared vehicle driver, peer-to-peer car sharing program
54 administrator, or any insurer of the shared vehicle owner, shared vehi-
55 cle driver, or peer-to-peer car sharing program administrator receiving
56 such notice shall provide such notice to all appropriate parties.

(d) ensure that the shared vehicle owner and shared vehicle driver are given reasonable notice prior to the first use or operation of a shared vehicle pursuant to a peer-to-peer car sharing program agreement that:

(i) during the peer-to-peer car sharing period, the shared vehicle owner's ~~[personal motor vehicle]~~ policy of liability ~~[insurer]~~ insurance or other motor vehicle insurance may exclude any and all coverage afforded under ~~[its]~~ the policy, provided the shared vehicle owner's insurer notified its insured that it shall have no duty to indemnify or defend any person or ~~[organization]~~ entity for liability for any loss, death, or injury that occurs during the peer-to-peer car sharing period; and

(ii) any insurance or physical damage protection offered pursuant to paragraph (b) of subdivision two of this section or ~~[subsection (e) of]~~ section three thousand four hundred fifty-eight of the insurance law, shall not be valid or collectible for damages ~~[or]~~, losses, deaths, or injuries that occur outside of the peer-to-peer car sharing period.

(e) ensure that the shared vehicle owner acknowledges upon or before enrollment in a peer-to-peer car sharing program, and is notified in plain conspicuous language before each car sharing period, that state law may impose liability for injuries to person or property resulting from the negligence in the use or operation of the shared vehicle by shared vehicle drivers for judgments exceeding the coverage limits of insurance in effect during the car sharing period. The subsequent notice required under this subsection may be provided electronically, including by electronic mail and hyperlink to a website explaining insurance coverages and vicarious liability or other substantially similar means of notice.

5. At the time a vehicle is enrolled in the peer-to-peer car sharing program, the peer-to-peer car sharing ~~[platform]~~ program administrator shall file with the commissioner of motor vehicles, in such form and manner as such commissioner may require, a statement identifying the shared vehicle and proof of a group policy applicable to such shared vehicle pursuant to section three thousand four hundred seven of the insurance law. The commissioner of motor vehicles shall identify the vehicle as enrolled in the peer-to-peer car sharing program and provide proof of a group policy applicable to such shared vehicle pursuant to the insurance law in such vehicle or registration record in a manner accessible to the public. Failure of a peer-to-peer car sharing ~~[platform]~~ program administrator to comply with the provisions of this article may result in penalties ~~[which may include suspension or revocation of license as provided by law]~~.

6. (a) Except as provided in paragraph (b) of this subdivision, a group policy maintained by a program shall be placed with an insurer authorized to write insurance in this state.

(b) If a program is unable to purchase a group policy because such insurance is unavailable from authorized insurers, the program may acquire such group insurance with an excess line broker pursuant to section two thousand one hundred eighteen of the insurance law;

(c) The obligation to determine whether the insurance required by this section is unavailable from insurers authorized to write insurance in this state shall be made prior to the initial placement and at each renewal of a policy.

(d) Compliance with the excess ~~[and surplus]~~ line statutes and regulations of this state shall be performed with respect to the group as a whole and not with respect to individual group members.

(e) A group policy provided for in this section shall not include a mandatory arbitration clause in a policy issued pursuant to this section. Nothing in this section supersedes the mandatory arbitration requirements contained in section five thousand one hundred five of the insurance law.

7. A peer-to-peer car sharing program administrator shall, upon entering into a peer-to-peer car sharing agreement with a shared vehicle owner and prior to the shared vehicle owner making a shared vehicle available for sharing in the program, provide notice in plain conspicuous language to the shared vehicle owner that he or she may need additional insurance coverage including motor vehicle physical damage coverage as described in paragraph nineteen of subsection (a) of section one thousand one hundred thirteen of the insurance law if the shared vehicle is subject to a lease or loan. A program shall also post this notice on its website in a prominent place and provide contact information for the department of financial services.

§ 902. Program liability. 1. Notwithstanding any other provision of law, or any provision in a shared vehicle owner's policy of motor vehicle liability insurance, in the event of a loss, death, or injury that shall occur during the peer-to-peer car sharing period, the peer-to-peer car sharing program insurers providing coverages under section nine hundred ~~[two]~~ one of this article shall provide financial responsibility for any bodily injury, death, or damage to property in amounts not to exceed those stated in the peer-to-peer car sharing program agreement and not less than those amounts required in section nine hundred ~~[two]~~ one of this article, and the peer-to-peer car sharing ~~[program]~~ administrator shall retain such liability irrespective of a lapse in the group policy or any other insurance policy or financial security maintained by the ~~[program]~~ administrator.

2. The insurer or insurers providing group liability insurance to the peer-to-peer car sharing program pursuant to section nine hundred ~~[two]~~ one of this article shall be primary during each car sharing period. Provided however, where: (a) a good faith dispute exists regarding who was in control of the vehicle when the loss, death, or injury occurred giving rise to such claim or whether the loss, death, or injury occurred outside of the car sharing period; and (b) the peer-to-peer car sharing program administrator does not have available, did not retain, or is otherwise unable to provide information demonstrating who was in possession or control at the time of the loss, death, or injury or whether the loss, death, or injury occurred outside of the car sharing period, the shared vehicle owner's private motor vehicle insurer shall indemnify insurer or insurers providing group liability insurance, to the extent of its obligation under the applicable insurance policy, if it is determined that the loss, death, or injury occurred outside of the peer-to-peer car sharing period. The peer-to-peer car sharing program administrator shall notify the ~~[registered]~~ shared vehicle owner's insurer of any such dispute within fifteen days of becoming aware that such a dispute exists.

3. In the event that the shared vehicle owner or the shared vehicle owner's personal motor vehicle insurer is named as a defendant in a civil action for a loss, death, or injury that occurs during any time within the peer-to-peer car sharing period, or otherwise under the direct and immediate control of a peer-to-peer car sharing program, the peer-to-peer car sharing program administrator shall have the duty to defend and indemnify the shared vehicle owner and the shared vehicle owner's insurer subject to the provisions of this section, section nine

1 hundred ~~[two]~~ one of this article and section three thousand four
2 hundred fifty-eight of the insurance law.

3 4. A motor vehicle liability insurer who defends or indemnifies a
4 claim against a shared vehicle which is excluded under the terms of its
5 policy shall have the right to seek contribution against the peer-to-
6 peer car sharing ~~[program's]~~ program administrator's insurer, if the
7 claim is made against the shared vehicle owner, the shared vehicle driv-
8 er or authorized ~~[operator]~~ driver for loss, death, or injury which
9 occurs during the car sharing period.

10 5. A peer-to-peer car sharing program administrator may contractually
11 assume the risk of loss due to physical damage to shared vehicles during
12 the time that such shared vehicles are in the custody of the shared
13 vehicle driver or peer-to-peer car sharing program, and that such
14 assumption of risk:

15 (a) shall not be deemed to be physical damage insurance;

16 (b) that the terms of such contractual assumption may provide that the
17 program assumes the risk of physical damage loss to the vehicle in
18 excess of a sum certain; and

19 (c) if the terms of such contractual assumption include a separately
20 itemized fee charged to the shared vehicle driver solely for the
21 contractual assumption of the risk of loss due to physical damage, then
22 it shall be provided under the terms set forth in this article.

23 6. To the extent not otherwise prohibited by state or federal law, in
24 a claims coverage investigation, a peer-to-peer car sharing program
25 administrator shall cooperate to facilitate the exchange of relevant
26 information with directly involved parties and any insurer of a shared
27 vehicle owner's or shared vehicle driver's participation in a peer-to-
28 peer car sharing program.

29 7. In addition to other remedies available at law, the attorney gener-
30 al shall have authority to enforce this article as authorized by law,
31 including injunctive and other legal and equitable relief for non-com-
32 pliance by a car sharing program administrator or any other party
33 through civil proceedings.

34 8. Any provision in a peer-to-peer car sharing agreement designated by
35 the courts of another jurisdiction as the exclusive forum for resolving
36 disputes shall be deemed void as against public policy with respect to
37 the use of a peer-to-peer car sharing ~~[platform]~~ program or shared vehi-
38 cle in this state.

39 9. A peer-to-peer car sharing program administrator shall be deemed to
40 have received notice of injuries to or death of persons or losses of
41 property covered under the insurance and financial security requirements
42 of this article at the earlier of notice received by the peer-to-peer
43 car sharing program administrator or notice received by the shared vehi-
44 cle owner. A shared vehicle owner shall promptly give actual notice to
45 the peer-to-peer car sharing program administrator and its insurers,
46 including notice in the form and manner as required in the peer-to-peer
47 car sharing agreement, of any injuries to or death of persons or losses
48 of property potentially covered by insurance maintained by the peer-to-
49 peer car sharing program administrator. A peer-to-peer car sharing
50 program administrator or its insurers shall be deemed to have received
51 actual notice when a shared vehicle owner notifies the peer-to-peer car
52 sharing program administrator or its insurers when the shared vehicle
53 owner provided notice in the form and manner required in the peer-to-
54 peer car sharing agreement.

55 10. For purposes of article fifty-one of the insurance law, 11 NYCRR
56 Part 65 and general liability claims, notice to the shared vehicle

owner, shared vehicle driver, peer-to-peer car sharing program adminis-
trator or any insurer of the shared vehicle owner, shared vehicle driv-
er, or peer-to-peer car sharing program administrator of any claim shall
be deemed notice to all appropriate parties and insurers. Any shared
vehicle owner, shared vehicle driver, peer-to-peer car sharing program
administrator or any insurer of the shared vehicle owner, shared vehicle
driver, or peer-to-peer car sharing program administrator receiving such
notice shall provide such notice to all appropriate parties.

§ 903. Lien implications; notification. When a vehicle owner first
registers as a shared vehicle owner [~~en~~] in a peer-to-peer car sharing
program and prior to such time as when the shared vehicle owner makes a
shared vehicle available for peer-to-peer car sharing [~~en~~] in the peer-
to-peer car sharing program, the peer-to-peer car sharing program admin-
istrator shall notify in plain conspicuous language the shared vehicle
owner that, if the shared vehicle shall have a lien against it, the use
of the shared vehicle through a peer-to-peer car sharing program,
including use without physical damage coverage, may violate the terms of
the contract with the lienholder.

§ 904. Insurable interest. 1. Notwithstanding any other provision of
law to the contrary, a peer-to-peer car sharing program administrator
shall have an insurable interest in a shared vehicle during the peer-to-
peer car sharing period.

2. Nothing in this section shall create an obligation for a peer-to-
peer car sharing program administrator to provide insurance beyond the
requirement to ensure financial security pursuant to the provisions of
subdivision two of section nine hundred [~~two~~] one of this article.

§ 905. Disclosures. 1. Each peer-to-peer car sharing program agreement
made in [~~the~~] this state shall disclose and separately state or itemize
to the shared vehicle owner and the shared vehicle driver:

(a) the daily rate, fees, and, if applicable, any insurance or
protection package costs that shall be charged to the shared vehicle
owner or the shared vehicle driver; and

(b) an emergency telephone number to contact personnel capable of
providing roadside assistance and handling other customer service
inquiries.

2. No peer-to-peer car sharing program administrator shall accept a
reservation unless the shared vehicle driver has received a final quoted
rate that includes all charges which the shared vehicle driver shall pay
to obtain access to the vehicle, provided, however, that a peer-to-peer
car sharing program administrator may separately state itemized optional
items and/or services or any mileage below the final quoted rate in the
same font and on the same page or webpage on which the rate quote is
provided.

§ 906. Driver's license verification; data retention. 1. A peer-to-
peer car sharing program administrator shall not enter into a peer-to-
peer car sharing program agreement with a driver unless the driver who
will operate the shared vehicle furnishes proof, by electronic means or
otherwise, of:

(a) a valid New York driver's license which authorizes the driver to
operate vehicles of the class of the shared vehicle;

(b) a valid driver's license issued by the state or country of the
driver's residence which authorizes the driver in such state or country
to drive vehicles of the class of the shared vehicle and is the age
required of a New York resident to operate that class of vehicle; or

(c) being otherwise specifically authorized by a valid license to
operate vehicles of the class of the shared vehicle.

1 2. A peer-to-peer car sharing program administrator shall keep a
2 record of:

3 (a) the name and address of the shared vehicle driver;

4 (b) the identification number of the driver's license of the shared
5 vehicle driver and each other person, if any, who shall operate the
6 shared vehicle; and

7 (c) the date and place of issuance of the driver's license for each
8 such vehicle operator.

9 § 907. Data privacy protections. Notwithstanding any other provision
10 of the law to the contrary, all trip data, personal information, images,
11 videos, and other recorded images collected by any peer-to-peer car
12 sharing program ~~[which]~~ administrator that is authorized to operate
13 pursuant to this article shall be for the exclusive use of such peer-to-
14 peer car sharing program and shall not be sold, distributed, or other-
15 wise made accessible except:

16 1. to the person who is the subject of such data information or
17 record, or to enable or facilitate such person's use of the car sharing
18 program in accordance with the peer-to-peer car sharing agreement;

19 2. to respond to, process, facilitate, adjust, or defend an insurance
20 claim; or

21 3. if necessary to comply with a lawful court order, judicial warrant
22 signed by a judge appointed pursuant to article three of the United
23 States Constitution, or subpoena for individual data, information or
24 records properly issued pursuant to the criminal procedure law or the
25 civil practice law and rules.

26 Provided, however, that nothing contained in this paragraph shall be
27 deemed to preclude the exchange of anonymized trip data, information, or
28 recorded images solely for the purpose of administering such authorized
29 ~~[shared]~~ car sharing program, and provided further that aggregated
30 anonymized trip data may be shared with ~~[the]~~ this state or any of its
31 political subdivisions for non-commercial transportation research or
32 traffic management purposes. Any such exchanges or sharing shall exclude
33 personal information, images, videos, and other recorded images
34 collected by any peer-to-peer car sharing program administrator. For
35 the purposes of this section, "personal information" shall mean informa-
36 tion that identifies an individual, including but not limited to name,
37 address, telephone number, and the type and form of payment including
38 credit card number, debit card number, or other payment method.

39 § 908. Responsibility for equipment. A peer-to-peer car sharing
40 program administrator shall have sole responsibility for any equipment,
41 such as a global positioning system, or GPS, or other special equipment
42 which is put in or on such shared vehicle to monitor or facilitate the
43 peer-to-peer car sharing transaction, and shall agree to indemnify and
44 hold harmless the shared vehicle owner for any damage to or theft of
45 such equipment during the peer-to-peer car sharing period not caused by
46 such shared vehicle owner. There shall be a rebuttable presumption that
47 damage claimed during the peer-to-peer car sharing period was not caused
48 by the shared vehicle owner. The peer-to-peer car sharing program
49 administrator shall have the right to seek indemnity from the shared
50 vehicle driver for any loss or damage to such equipment that shall occur
51 during the peer-to-peer car sharing period.

52 § 909. Safety recalls. 1. At the time when a shared vehicle owner
53 registers a shared vehicle ~~[on]~~ in a peer-to-peer car sharing program,
54 and prior to the time when the shared vehicle owner makes a shared vehi-
55 cle available for car sharing ~~[on]~~ in the peer-to-peer car sharing

1 program, and no less than annually thereafter, the peer-to-peer car
2 sharing program administrator shall:

3 (a) verify that the shared vehicle is not subject to any open safety
4 recalls appearing on the National Highway Traffic Safety Administration
5 recall database created under 49 C.F.R. 573.15 for which the recall
6 repair has not been made and shall not permit a shared vehicle to be
7 shared in a peer-to-peer car sharing program unless the vehicle recall
8 repair has been made; and

9 (b) notify such shared vehicle owner of the requirements under subdi-
10 vision two of this section.

11 2. (a) If the shared vehicle owner has received notice of a safety
12 recall on a shared vehicle, before it is enrolled in a peer-to-peer car
13 sharing program such shared vehicle owner shall not make such vehicle
14 available as a shared vehicle ~~on~~ in a peer-to-peer car sharing program
15 until the necessary safety recall repair has been made.

16 (b) If a shared vehicle owner has received notice of a safety recall
17 on a shared vehicle while the shared vehicle is available on a peer-to-
18 peer car sharing program, the shared vehicle owner shall remove the
19 shared vehicle from such peer-to-peer car sharing program, as soon as
20 practicable, and in no case longer than seventy-two hours after receipt
21 of such notice, and it shall not be made available thereafter until the
22 necessary repairs under the safety recall shall have been completed.

23 (c) If a shared vehicle owner has received notice of a safety recall
24 on a shared vehicle while such shared vehicle is in the possession of a
25 shared vehicle driver, the shared vehicle owner shall notify the peer-
26 to-peer car sharing program administrator about the safety recall as
27 soon as practicable, and in no case longer than forty-eight hours after
28 receipt of such notice, so that the shared vehicle driver can be noti-
29 fied and the shared vehicle can be removed from the peer-to-peer car
30 sharing program until the necessary safety recall repair has been made.

31 (d) A shared vehicle owner shall not enroll a vehicle in a peer-to-
32 peer car sharing program unless such vehicle has been issued a valid
33 safety inspection in compliance with article five of the vehicle and

15 ing program administrator.

16 (e) In connection with any such application, the attorney general is
17 authorized to take proof, make a determination of the relevant facts and
18 to issue subpoenas in accordance with the civil practice law and rules.
19 If the attorney general shall bring an action or proceeding under this
20 section, such authorization shall not terminate due to such action or
21 proceeding being brought.

22 (f) (i) A peer-to-peer car sharing program administrator shall imple-
23 ment a zero-tolerance policy regarding a shared vehicle driver's or
24 shared vehicle owner's activities while accessing the peer-to-peer car
25 sharing program's digital network.

26 (ii) A peer-to-peer car sharing program shall adopt a policy of non-
27 discrimination on the basis of residence or geographic location, race,
28 color, national origin, religious belief, practice or affiliation, sex,

49 program administrator shall not impose additional charges for providing
50 services to persons with physical disabilities because of those disabil-
51 ities.

52 (vi) The New York state division of human rights shall be authorized

§ 913. Optional vehicle protection; requirements. 1. (a) (i) A peer-to-peer car sharing program administrator shall not charge a separately itemized fee solely for optional vehicle protection, except as follows:

(A) the fee charged by a peer-to-peer car sharing program administrator shall represent the ~~[program's]~~ administrator's good-faith estimate of a daily charge, as calculated by the ~~[program]~~ administrator, to recover the actual, total annual expenses, incurred by the ~~[program]~~ administrator, together with a commercially reasonable allowance for the contractual risks assumed by the ~~[program]~~ administrator, for the ~~[program's]~~ administrator's agreement with shared vehicle drivers to contractually assume liability for all or part of any damage or loss to the shared vehicle during the ~~[care]~~ car sharing period;

(B) if the total amount of optional vehicle protection fees collected by a peer-to-peer car sharing program administrator under this section in any calendar year exceeds the ~~[program's]~~ administrator's actual costs, the ~~[program]~~ administrator shall:

(1) retain the excess amount; and

(2) adjust the estimated, average per day optional vehicle protection fee for the following calendar year by a corresponding amount.

(ii) Nothing in this section shall prevent a peer-to-peer car sharing program administrator from making adjustment to the optional vehicle protection fee during the calendar year.

(b) A peer-to-peer car sharing program administrator shall not sell optional vehicle protection unless the shared vehicle driver or shared vehicle owner agrees to the purchase of such protection in writing at or prior to the time the peer-to-peer car sharing agreement is executed.

(c) A peer-to-peer car sharing program administrator shall not void optional vehicle protection contractually assumed from the shared vehicle owner except for one or more of the following reasons:

(i) the damage or loss is caused intentionally or as a result of willful, wanton, or reckless conduct of the shared vehicle driver;

(ii) the damage or loss arises out of the shared vehicle driver's use or operation of the shared vehicle while intoxicated or unlawfully impaired by the use of alcohol or drugs;

(iii) the peer-to-peer car sharing program administrator entered into the peer-to-peer car sharing agreement based on fraudulent or materially false information supplied by the shared vehicle driver;

(iv) the damage or loss arises out of the use or operation of the shared vehicle while engaged in the commission of a crime other than a traffic infraction;

(v) the damage or loss arises out of the use or operation of the shared vehicle to carry persons or property for hire, as a transportation network company or TNC vehicle as defined in article forty-four-B of the vehicle and traffic law, to push or tow anything, while engaged in a speed contest, operating off-road, or for driver's training;

4 shared vehicle owner and the peer-to-peer car sharing agreement;

5 (vii) the damage or loss arises out of the use or operation of the
6 shared vehicle outside of the United States when that use or operation
7 is not specifically authorized by the peer-to-peer car sharing agree-

9 (viii) the shared vehicle driver or his or her spouse, child over the
10 age of eighteen or a parent or parent-in-law of the shared vehicle driv-

13 (ix) the shared vehicle owner knowingly provided erroneous or inaccu-

15 in connection with any reservation for which the shared vehicle owner
16 has agreed that the peer-to-peer car sharing program will contractually
17 assume the risk of loss for physical damage to the shared vehicle;

18 (x) the shared vehicle owner fails to submit a claim for physical
19 damage in accordance with the terms and conditions of the peer-to-peer
20 car sharing program agreement; or

21 (xi) where the shared vehicle owner fails to make the shared vehicle
22 available for inspection when a shared vehicle driver or the shared
23 vehicle driver's insurer requests to inspect the shared vehicle in
24 accordance with this article.

25 (d) A shared vehicle driver may void optional vehicle protection prior
26 to the beginning of the car sharing period within twenty-four hours of
27 purchase provided that the [~~customer~~] shared vehicle driver: (i) has
28 entered into a peer-to-peer car sharing agreement with a term of two or
29 more days; (ii) appears in person before the shared vehicle owner
30 together with the shared vehicle that shall be subject to inspection;
31 and (iii) signs a cancellation form provided by the peer-to-peer car
32 sharing program administrator.

33 (e) After twenty-four hours of purchase, a [~~customer~~] shared vehicle
34 driver may prospectively terminate optional vehicle protection prior to
35 the beginning of the car sharing period, provided the [~~customer~~] shared
36 vehicle driver: (i) appears in person before the shared vehicle owner
37 together with the shared vehicle that shall be subject to inspection;
38 (ii) voids the optional vehicle protection in writing; and (iii) pays
39 the optional vehicle protection charge for any full or partial day or
40 portion of a day during which the optional vehicle protection was in
41 effect.

42 2. Subject to the provisions of subdivisions six, seven, and eight of
43 this section, a peer-to-peer car sharing program administrator may hold
44 a shared vehicle driver liable for actual damage to, or loss of, a
45 shared vehicle, provided that:

46 (a) any claim for such damage shall be based on a physical inspection
47 and shall be made upon the return of such shared vehicle; and

48 (b) any charge for repair of such damage shall be limited to actual
49 and reasonable costs and shall be assessed and billed separately and
50 apart from the peer-to-peer car sharing agreement.

51 3. (a) Any peer-to-peer car sharing program [~~which~~] administrator that
52 states or permits to be stated the costs of a shared vehicle in any
53 advertisement shall state conspicuously, in plain language and in
54 conjunction with the advertised cost of the shared vehicle and the daily
55 rate of the applicable optional vehicle protection, that the rate
56 constitutes an additional daily charge to the shared vehicle driver,

1 that the purchase of such protection is optional, if such rate can be
2 ascertained at the time of purchase and that prospective shared vehicle
3 drivers should examine their credit card protections and [~~automobile~~]
4 motor vehicle insurance policies for coverage.

5 (b) Where a written advertisement, including all print media, contains
6 the statement of the cost of the shared vehicle, the disclosure required
7 by this section shall be printed in type no less than size twelve-point
8 font.

9 (c) When the website of a peer-to-peer car sharing program administra-
10 tor or the video presentation of a television or internet advertisement
11 by such peer-to-peer car sharing program administrator contains the
12 written statement of the cost of a shared vehicle, the depiction of such
13 cost of the optional vehicle protection shall be clear and conspicuous.

14 (d) When a radio advertisement or the audio presentation of a tele-
15 vision advertisement contains the statement of the cost of a shared
16 vehicle, the oral statement of such cost shall immediately be accompa-
17 nied by an oral statement of the cost of the optional vehicle protection
18 if offered as a separately itemized product.

19 (e) When a telephone, internet or other inquiry for the cost of a
20 shared vehicle is made to a peer-to-peer car sharing program [~~which~~]
21 administrator that involves an interaction with a representative of a
22 peer-to-peer car sharing program administrator, the representative of
23 such peer-to-peer car sharing program administrator shall, in response
24 to the inquiry, advise that additional optional products that may be
25 offered by such peer-to-peer car sharing program administrator shall not
26 be included in the daily rate. If an inquiry is made regarding optional
27 vehicle protection, the representative shall provide the cost of the
28 optional vehicle protection and state that the purchase of such
29 protection is optional and that the shared vehicle driver's personal
30 [~~automobile~~] motor vehicle insurance or credit card may provide cover-
31 age.

32 (f) Any peer-to-peer car sharing program administrator that offers
33 optional vehicle protection to a shared vehicle driver shall disclose to
34 such [~~person~~] driver the following information on its website:

35 "NOTICE: THE FOLLOWING IS A GENERAL SUMMARY OF SHARED DRIVERS' RIGHTS
36 AND OBLIGATIONS. FOR COMPLETE DETAILS, REFER TO THE PEER-TO-PEER CAR
37 SHARING AGREEMENT. OPTIONAL VEHICLE PROTECTION (OVP): This contract
38 offers, for an additional charge, OVP to cover your financial responsi-
39 bility for damage or loss to the shared vehicle. OVP is also commonly
40 referred to as a "collision damage waiver". The purchase of OVP is
41 optional and may be declined. Before deciding whether to purchase OVP,
42 you may wish to determine whether your credit card, or the motor vehicle
43 insurance maintained by yourself or someone in your household, affords
44 you any coverage for damage to the shared vehicle, and the amount of
45 deductible under any such coverage. OVP - WHEN VOID: OVP is void and
46 shall not apply to the following situations:

47 1. If the damage or loss is caused as a result of the shared vehicle
48 driver's intentional acts; willful, wanton, or reckless conduct of the
49 driver; or the use or operation of the shared vehicle while intoxicated
50 or unlawfully impaired by the use of alcohol or drugs;

51 2. The peer-to-peer car sharing program administrator entered into the
52 peer-to-peer sharing agreement based on fraudulent or materially false
53 information supplied by the shared vehicle driver;

54 3. The damage or loss arises out of the use or operation of the shared
55 vehicle:

1 (a) while engaged in the commission of a crime, other than a traffic
2 infraction;

3 (b) to carry persons or property for hire, as a transportation network
4 company or TNC vehicle as defined in article forty-four-B of the vehicle
5 and traffic law, to push or tow anything, while engaged in a speed
6 contest, operating off road, or for driver's training;

7 (c) by a person other than: (1) the shared vehicle driver; (2) the
8 shared vehicle driver's spouse, child over the age of eighteen or a
9 parent or parent-in-law of the shared vehicle driver, provided such
10 spouse, child, parent or parent-in-law is properly licensed to operate a
11 motor vehicle and resides in the same household as the shared vehicle
12 driver; ~~or~~ (3) a parking valet or parking garage attendant for compen-
13 sation and in the normal course of employment; (4) any person who uses
14 or operates the motor vehicle through a program during an emergency
15 situation to a medical facility; or (5) any person licensed to drive who
16 expressly is authorized to use or operate the motor vehicle by both the
17 shared vehicle owner and the peer-to-peer car sharing agreement;

18 (d) outside of the ~~continental~~ United States when not specifically
19 authorized by the peer-to-peer car sharing agreement;

20 (e) where the shared vehicle driver, or his or her spouse, child over
21 the age of eighteen or a parent or parent-in-law of such shared vehicle
22 driver failed to comply with the requirements for reporting damage or
23 loss as set forth in law. OVP - DAMAGE REPORTING REQUIREMENTS: If the
24 shared vehicle sustains damage or loss, the shared vehicle driver is
25 required to complete and return an incident report notice to the peer-
26 to-peer car sharing program administrator. OVP - RIGHT TO INSPECT VEHI-
27 CLE DAMAGES: The shared vehicle driver and his or her insurer have the
28 right to request an inspection of the shared vehicle damages within
29 seventy-two hours of the return of the vehicle. Failure of the shared
30 vehicle driver or his or her insurer to request such inspection within
31 seventy-two hours of return shall be deemed a waiver of such person or
32 entity's right to inspect the damaged vehicle. THEFT OF THE SHARED VEHI-
33 CLE: If the shared vehicle is stolen during the term of a peer-to-peer
34 car sharing agreement, a shared vehicle driver must report the theft of
35 the shared vehicle to the peer-to-peer car sharing program administrator
36 and a law enforcement agency within twelve hours of learning of such
37 theft."

38 (f) The following disclosure notice shall be made on the face of the
39 peer-to-peer car sharing agreement either by stamp, label or as part of
40 the written contract or on any other written document provided to the
41 shared vehicle driver upon execution of such contract, and shall be set
42 apart in boldface type and in no smaller print than twelve-point font:
43 "NOTICE: This agreement offers, for an additional charge, optional vehi-
44 cle protection to cover your financial responsibility for damage or loss
45 to the shared vehicle. The purchase of optional vehicle protection is
46 optional and may be declined. You are advised to carefully consider
47 whether to purchase this protection if you have coverage provided by
48 your credit card or ~~automobile~~ motor vehicle insurance policy that
49 will cover the shared vehicle. Before deciding whether to purchase
50 optional vehicle protection, you may wish to determine whether your
51 credit card or your motor vehicle insurance affords you coverage for
52 damage to the shared vehicle and the amount of deductible under such
53 coverage."

54 (g) The peer-to-peer car sharing agreement shall also include in bold-
55 face type and in no smaller print than twelve-point font and, in plain
56 language, the conditions and exclusions set forth in paragraph (c) of

subdivision one of this section. Upon identification by the shared vehicle owner or the peer-to-peer car sharing program administrator of damage to the shared vehicle, such peer-to-peer car sharing program administrator shall inform such shared vehicle driver of his or her right to inspect the vehicle, and the procedures and time-frames for doing so, pursuant to paragraphs (b) and (c) of subdivision five of this section.

4. (a) Upon identification of damage by the shared vehicle owner or peer-to-peer car sharing program administrator at the time of return of the shared vehicle, termination of the peer-to-peer car sharing agreement, or within ten days if an inspection for damage is precluded because the shared vehicle is returned by automation, returned after-hours, or recovered by the shared vehicle owner or peer-to-peer car sharing program administrator, the peer-to-peer car sharing program administrator shall furnish an incident report form and a notice, pursuant to this subdivision, of the obligation of the shared vehicle driver to execute and return to the peer-to-peer car sharing program administrator a complete and accurate incident report describing any physical and/or mechanical damage. If the shared vehicle is returned by automation, returned after-hours, or recovered by the shared vehicle owner or peer-to-peer car sharing program administrator, such incident report form and notice shall be mailed by overnight delivery service or certified mail, return receipt requested, and another copy of such notification shall be sent by regular mail. The peer-to-peer car sharing program administrator shall retain a copy of such notice and the certified mail return receipt for a period of six years.

(b) Within seventy-two hours of receipt of the incident report form and notice, either the shared vehicle driver or his or her insurer shall notify or send notice to the peer-to-peer car sharing program administrator that either he, she, or the insurer wishes to inspect the damaged vehicle. If the shared vehicle driver or his or her insurer does not notify or send a request for this inspection within the seventy-two-hour period, he, she, or the insurer shall be deemed to have waived such right.

(c) If the shared vehicle driver shall decline or fail to complete and return the incident report required pursuant to paragraph (a) of this subdivision, the peer-to-peer car sharing program administrator shall, no sooner than ten days after the mailing of notification pursuant to such paragraph (a), mail another copy of the incident report together with a letter stating that the shared vehicle driver has declined or otherwise failed to complete and return the incident report. Such mailing shall be by overnight delivery service or certified mail, return receipt requested, and another copy of such notification by regular mail, with proof of mailing by production of a certificate of mailing from the post office. When a request to inspect the vehicle shall have been timely made by the shared vehicle driver or his or her insurer, the inspection shall be completed within seven days of such request. If the peer-to-peer car sharing program administrator determines the damaged vehicle to be a total loss and subject to salvage, such seventy-two hour period for notification or waiver of the wish to inspect the damaged vehicle shall not apply, and the shared vehicle driver or his or her insurer shall have ten business days from the shared vehicle driver's receipt of notification from the peer-to-peer car sharing program administrator pursuant to paragraph (a) of this subdivision to inspect the damaged vehicle, which shall be made available by the shared vehicle owner. Within the limits provided in this paragraph, the peer-to-peer

1 car sharing program administrator shall identify the repairer of, and
2 provide access to, the damaged vehicle, in order to verify the nature
3 and extent of damages, repairs and repair costs, and/or repair esti-
4 mates.

5 (d) All notices shall be mailed to the address of the shared vehicle
6 driver as stated on his or her license, or other address as designated
7 by him or her in the peer-to-peer car sharing agreement.

8 (e) The shared vehicle driver shall complete and return the incident
9 report required by paragraph (a) of this subdivision within ten days of
10 the receipt of the notice required by such paragraph.

11 (f) The notice required by this subdivision shall be in at least
12 twelve-point bold face type and shall contain the statement: "Failure to
13 completely and accurately fill out and return an incident report within
14 ten days of receipt of this notice may make the shared vehicle driver
15 liable for damages sustained to the shared vehicle. Except where the
16 damaged vehicle is determined to be a total loss and subject to salvage,
17 the shared vehicle driver or his or her insurer has seventy-two hours
18 from the return or recovery of the vehicle to notify the peer-to-peer
19 car sharing program administrator that he or she wishes to inspect the
20 damaged vehicle. The inspection shall be completed within seven business
21 days of the request to inspect the shared vehicle. If the peer-to-peer
22 car sharing program administrator does not receive notification from the
23 shared vehicle driver or his or her insurer requesting such inspection
24 within the seventy-two-hour period, the shared vehicle driver and his or
25 her insurer will be deemed to have waived this right. If the peer-to-
26 peer car sharing program administrator determines the damaged vehicle to
27 be a total loss and subject to salvage, such seventy-two-hour period for
28 notification or waiver of the wish to inspect the damaged vehicle shall
29 not apply, and such right to inspect the damaged vehicle shall expire
30 ten business days from the shared vehicle driver's receipt of this
31 notice from the peer-to-peer car sharing company program administrator.
32 Upon request of the shared vehicle driver or his or her insurer, we will
33 provide a copy of the professional estimate of the costs of repairing
34 the damaged motor vehicle." Information that is provided in response to
35 a request by a peer-to-peer car sharing program administrator, but that
36 is not provided on an incident report form, shall satisfy any reporting
37 obligation of a shared vehicle driver if such response substantially
38 complies with the applicable requirements of this section. If additional
39 information is reasonably required by the peer-to-peer car sharing
40 program administrator in order to adjust any claim of loss, same shall
41 be requested of the shared vehicle driver as soon as reasonably practi-
42 cable, who shall respond to same as soon as reasonably practicable.

43 (g) (i) For purposes of this subdivision, each of the following shall
44 constitute an "incident report form":

45 (A) a motor vehicle accident report pursuant to section six hundred
46 five of the vehicle and traffic law; or

47 (B) any similar appropriate form furnished by the peer-to-peer car
48 sharing program administrator.

49 (ii) An incident report form described in clause (B) of subparagraph
50 (i) of this paragraph:

51 (A) shall be sent or given to a shared vehicle driver with a request
52 that he or she provide information pursuant to this section concerning
53 damage to a vehicle possessed by a shared vehicle driver; and

54 (B) such form may also be made available as a fill-in form on the
55 peer-to-peer car sharing [~~program's~~] program administrator's website,
56 and the shared vehicle driver shall be advised of the availability of

1 such web-based fill-in form when a request for incident information is
2 made pursuant to this subdivision.

3 (h) If the shared vehicle driver is physically incapable of completing
4 the report, the requirements of this subdivision shall lapse until after
5 he or she is able to complete the report and is notified that he or she
6 shall complete and return the report as required by paragraph (b) of
7 this subdivision.

8 (i) The peer-to-peer car sharing program administrator shall, at least
9 twenty days prior to commencing an action against the shared vehicle
10 driver, provide him or her an additional opportunity to complete and
11 submit the incident report by providing a second notice, along with
12 another incident report form, by certified mail, return receipt
13 requested, and another copy of such notice and report form by regular
14 mail, with proof of mailing by production of a certificate of mailing.
15 If such shared vehicle driver sends the peer-to-peer car sharing program
16 administrator a completed incident report within fifteen days of the
17 receipt of the notice, the provisions of this subdivision shall be
18 deemed satisfied.

19 5. (a) A peer-to-peer car sharing program administrator may hold a
20 shared vehicle driver liable to the extent permitted under this [~~chap-~~
21 ~~ter~~] section for physical or mechanical damage to the shared vehicle
22 that occurs during the time the shared vehicle is used or operated under
23 the peer-to-peer car sharing agreement; provided, however, that a shared
24 vehicle driver shall not be liable for any normal wear and tear or
25 mechanical damage that could reasonably be expected from normal use or
26 operation of the vehicle. For the purposes of this subdivision, the term
27 "normal wear and tear" shall mean the deterioration of the condition of
28 the vehicle or its component parts due to repetitive use and does not
29 include damage that materially diminishes the value of the vehicle and
30 arises from a specific occurrence or accident during the time the shared
31 vehicle is subject to the peer-to-peer car sharing agreement; and the
32 term "actual and reasonable costs" shall mean the cost to repair the
33 shared vehicle including all discounts and price adjustments available
34 to the peer-to-peer car sharing program administrator and shall include
35 costs for towing, storage, and impound fees where applicable.

36 (b) The total liability of a shared vehicle driver under paragraph (a)
37 of this subdivision for damage to a shared vehicle shall not exceed the
38 lesser of:

39 (i) the actual and reasonable costs that the peer-to-peer car sharing
40 program administrator incurred to repair the motor vehicle or that the
41 peer-to-peer car sharing program administrator would have incurred if
42 the motor vehicle had been repaired, which shall reflect any discounts,
43 price reductions, or adjustments available to the peer-to-peer car shar-
44 ing program administrator; or

45 (ii) the fair market value of the shared vehicle immediately before
46 the damage occurred, as determined in the applicable market for the
47 retail sale of the shared vehicle, less any net disposal proceeds.

48 (c) The total liability of a shared vehicle driver under paragraph (a)
49 of this subdivision for loss of a shared vehicle shall not exceed
50 reasonable costs incurred by the peer-to-peer car sharing program admin-
51 istrator for such loss due to theft of such shared vehicle up to its
52 fair market value, as determined by the applicable market for the retail
53 sale of such vehicle if it is established that such shared vehicle driv-
54 er committed, or aided or abetted in the commission of, the theft of
55 such shared vehicle.

(d) Damages incurred for the loss of use or operation of a shared vehicle and related administrative fees shall not be recovered from any shared vehicle driver or his or her insurer.

(e) A peer-to-peer car sharing program administrator shall not hold a shared vehicle driver liable for any amounts that the peer-to-peer car sharing program administrator recovers from any other party.

(f) A peer-to-peer car sharing program administrator shall not collect or attempt to collect the amount described in paragraph (b) of this subdivision unless the peer-to-peer car sharing program administrator:

(i) obtains an estimate from a repair company or an appraiser in the business of providing such appraisals regarding the cost of repairing such shared vehicle;

(ii) provides a copy of such estimate and photographic evidence upon request to such shared vehicle driver, as applicable who shall be liable under paragraph (a) of this subdivision, and the insurer of such shared vehicle driver; and

(iii) submits a copy of such estimate with any claim to collect the amount described in paragraph (b) of this subdivision.

(g) A claim against a shared vehicle driver resulting from damage or loss to a shared vehicle shall be reasonable and reflect the value of the actual damage or loss incurred. A peer-to-peer car sharing program administrator shall mitigate damages where possible and shall not assert or collect any claim for physical damage which exceeds the amount authorized under paragraph (b) of this subdivision.

(h) If insurance coverage exists under an applicable insurance policy of the shared vehicle driver [~~of a shared vehicle~~], such driver may require that the peer-to-peer car sharing program administrator submit any claims to such driver's insurance carrier. Upon the request of a shared vehicle driver, the peer-to-peer car sharing program administra-

1 a claim to a shared vehicle driver and his or her insurer pursuant to
2 other provisions of this section.

3 (d) Causes of action concerning the existence of, liability for, and
4 extent and cost of damage to such vehicle shall, where appropriate, be
5 commenced by a peer-to-peer car sharing program administrator in a court

21 give actual notice, via regular and certified mail, return receipt
22 requested. Nothing contained herein shall prohibit a peer-to-peer car
23 sharing program administrator and a shared vehicle driver or his or her
24 insurer from entering into an agreement after a claim of loss to submit
25 the matter to arbitration or mediation.

26 7. No peer-to-peer car sharing program administrator shall hold any
27 shared vehicle driver liable for any damage to, or loss of, a shared
28 vehicle, as provided by this section, unless such peer-to-peer car shar-
29 ing program prominently discloses, in the peer-to-peer car sharing
30 agreement, in at least twelve point bold face display, the nature and
31 extent of such liability and such driver's rights and responsibilities
32 pursuant to paragraph (c) of subdivision one of this section and para-

52 administrator shall not use information from any global positioning
53 system technology to determine or impose any costs, fees, charges, or
54 penalties on a shared vehicle driver for such driver's use of a shared
55 vehicle. The use of global positioning technology shall not limit the
56 right of such peer-to-peer car sharing program administrator to impose

1 costs, fees, charges, or penalties to recover a vehicle that is lost,
2 misplaced, or stolen. The provisions of this subdivision shall not be
3 construed to modify or supersede any other provision of law.

4 § 916. Notice. In accordance with any applicable federal law or rule,
5 every peer-to-peer car sharing program shall display the following
6 notice prominently and in a clear and conspicuous location on its

15 is unlawful for any peer-to-peer car sharing program administrator to
16 refuse to allow participation in the program to any person solely on the
17 requirement of ownership of a credit card."

18 § 917. Electronic notice authorized. 1. Notwithstanding any other
19 provision of this article, and the peer-to-peer car sharing act, includ-
20 ing, without limitation, sections two thousand three hundred five, three
21 thousand four hundred fifty-nine, three thousand four hundred sixty, and

26 article, and the peer-to-peer car sharing act, including, without limi-
27 tation, sections two thousand three hundred five, three thousand four
28 hundred fifty-nine, three thousand four hundred sixty, and five thousand
29 one hundred six of the insurance law, shall also be deemed timely and

31 is provided or delivered electronically to the shared vehicle owner
32 and/or driver at or before the time required, provided that such shared
33 vehicle owner and/or driver has given his or her express consent to
34 receive such notice or disclosure in such a manner.

35 2. Electronic or written acceptance shall hereby be deemed a valid
36 form of acceptance of any such notice, statement, certificate, or
37 disclosure, and acceptance shall remain effective until such time as
38 acceptance is affirmatively withdrawn by such shared vehicle driver.
39 Notices, statements, certificates, and disclosures made electronically
40 pursuant to this subdivision shall be exempt from any placement or styl-

Such provisions shall apply with the same force and effect as if the language of those provisions had been set forth in full in this article except to the extent that any provision is either inconsistent with a provision of this article or is not relevant to the taxes imposed by this article.
