15 Notwithstanding the foregoing provisions, the state may convey to the

26 certain land owned by such town in the town of Arietta. Notwithstanding  
27 the foregoing provisions and subject to legislative approval of the  
28 tracts to be exchanged prior to the actual transfer of title, the state,  
29 in order to consolidate its land holdings for better management, may  
30 convey to International Paper Company approximately eight thousand five  
31 hundred acres of forest preserve land located in townships two and three  
32 of Totten and Crossfield Purchase and township nine of the Moose River  
33 Tract, Hamilton county, and in exchange therefore International Paper  
34 Company shall convey to the state for incorporation into the forest  
35 preserve approximately the same number of acres of land located within  
36 such townships and such County on condition that the legislature shall  
37 determine that the lands to be received by the state are at least equal  
38 in value to the lands to be conveyed by the state. Notwithstanding the  
39 foregoing provisions and subject to legislative approval of the tracts  
40 to be exchanged prior to the actual transfer of title and the conditions  
41 herein set forth, the state, in order to facilitate the preservation of  
42 historic buildings listed on the national register of historic places by

53 in value to the lands and buildings to be conveyed by the state and that  
54 the natural and historic character of the lands and buildings conveyed  
55 by the state will be secured by appropriate covenants and restrictions  
56 and that the lands and buildings conveyed by the state will reasonably

1 be available for public visits according to agreement between Sagamore  
2 Institute, Inc. and the state. Notwithstanding the foregoing provisions  
3 the state may convey to the town of Arietta fifty acres of forest

20 ty to be received by the state is at least equal in value to the land to  
21 be conveyed by the state.

23 approval prior to actual transfer of title, because there is no viable  
24 alternative to using forest preserve lands for the siting of drinking  
25 water wells and necessary appurtenances and because such wells are  
26 necessary to meet drinking water quality standards, the state may convey  
27 to the town of Long Lake, Hamilton county, one acre of forest preserve  
28 land within such town for public use as the site of such drinking water  
29 wells and necessary appurtenances for the municipal water supply for the  
30 hamlet of Raquette Lake. In exchange therefor, the town of Long Lake  
31 shall convey to the state at least twelve acres of land located in

43 10 acres of forest land owned by National Grid in St. Lawrence county,  
44 on condition that the legislature shall determine that the property to  
45 be received by the state is at least equal in value to the land conveyed  
46 by the state.

47 Notwithstanding the foregoing provisions, the legislature may author-  
48 ize the settlement, according to terms determined by the legislature, of  
49 title disputes in township forty, Totten and Crossfield purchase in the  
50 town of Long Lake, Hamilton county, to resolve longstanding and compet-  
51 ing claims of title between the state and private parties in said town-  
52 ship, provided that prior to, and as a condition of such settlement,  
53 land purchased without the use of state-appropriated funds, and suitable  
54 for incorporation in the forest preserve within the Adirondack park,  
55 shall be conveyed to the state on the condition that the legislature  
56 shall determine that the property to be conveyed to the state shall

1 provide a net benefit to the forest preserve as compared to the township  
2 forty lands subject to such settlement.

3 Notwithstanding the foregoing provisions, the state may authorize NYCO  
4 Minerals, Inc. to engage in mineral sampling operations, solely at its  
5 expense, to determine the quantity and quality of wollastonite on  
6 approximately 200 acres of forest preserve land contained in lot 8,  
7 Stowers survey, town of Lewis, Essex county provided that NYCO Minerals,  
8 Inc. shall provide the data and information derived from such drilling  
9 to the state for appraisal purposes. Subject to legislative approval of  
10 the tracts to be exchanged prior to the actual transfer of title, the  
11 state may subsequently convey said lot 8 to NYCO Minerals, Inc., and, in  
12 exchange therefor, NYCO Minerals, Inc. shall convey to the state for  
13 incorporation into the forest preserve not less than the same number of  
14 acres of land, on condition that the legislature shall determine that  
15 the lands to be received by the state are equal to or greater than the  
16 value of the land to be conveyed by the state and on condition that the  
17 assessed value of the land to be conveyed to the state shall total not  
18 less than one million dollars. When NYCO Minerals, Inc. terminates all  
19 mining operations on such lot 8 it shall remediate the site and convey  
20 title to such lot back to the state of New York for inclusion in the  
21 forest preserve. In the event that lot 8 is not conveyed to NYCO  
22 Minerals, Inc. pursuant to this paragraph, NYCO Minerals, Inc. never-  
23 theless shall convey to the state for incorporation into the forest  
24 preserve not less than the same number of acres of land that is  
25 disturbed by any mineral sampling operations conducted on said lot 8  
26 pursuant to this paragraph on condition that the legislature shall  
27 determine that the lands to be received by the state are equal to or  
28 greater than the value of the lands disturbed by the mineral sampling  
29 operations.

30 Notwithstanding the foregoing provisions and subject to legislative  
31 approval prior to actual transfer of title, a total of no more than two  
32 hundred fifty acres of forest preserve land shall be used for the estab-  
33 lishment of a health and safety land account. Where no viable alterna-  
34 tive exists and other criteria developed by the legislature are satis-  
35 fied, a town, village or county may apply, pursuant to a process  
36 determined by the legislature, to the health and safety land account for  
37 projects limited to: address bridge hazards or safety on county high-  
38 ways, and town highways listed on the local highway inventory maintained  
39 by the department of transportation, dedicated, and in existence on  
40 January first, two thousand fifteen, and annually plowed and regularly  
41 maintained; elimination of the hazards of dangerous curves and grades on

45 regularly maintained; relocation and reconstruction and maintenance of  
46 county highways, and town highways listed on the local highway inventory  
47 maintained by the department of transportation, dedicated, and in exist-

49 regularly maintained, provided further that no single relocated portion  
50 of any such highway shall exceed one mile in length; and water wells and  
51 necessary appurtenances when such wells are necessary to meet drinking  
52 water quality standards and are located within five hundred thirty feet  
53 of state highways, county highways, and town highways listed on the  
54 local highway inventory maintained by the department of transportation,  
55 dedicated, and in existence on January first, two thousand fifteen, and  
56 annually plowed and regularly maintained. As a condition of the creation

1 of such health and safety land account the state shall acquire two  
2 hundred fifty acres of land for incorporation into the forest preserve,  
3 on condition that the legislature shall approve such lands to be added  
4 to the forest preserve.

5 Notwithstanding the foregoing provisions and subject to legislative  
6 approval of the tracts to be exchanged prior to the actual transfer of  
7 title and the conditions herein set forth, the state, in order to facil-  
8 itate the preservation of historic buildings listed on the national  
9 register of historic places may convey to Debar Pond Institute, Inc., a  
10 not-for-profit corporation, approximately six acres of land including  
11 Debar Pond Lodge and associated buildings with rights of ingress and

20 that the lands to be received by the state are at least equal in value  
21 to the lands and buildings to be conveyed by the state, that the lands  
22 and buildings conveyed by the state will be reasonably available for  
23 public use and visits, and that the natural and historic character of  
24 the lands and buildings conveyed by the state will be secured by a  
25 lawful conservation easement held by the state of New York.
