The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1. Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
and are appropriated in accordance with the provisions of section 93 of the state finance law.

b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

c) The several amounts specified in this chapter as capital projects - reappropriations, or so much thereof as shall be sufficient to accomplish the purpose of the appropriations, as appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects, being the undisbursed and/or unexpended balances of the prior year's appropriations, are reappropriated and unless otherwise amended or repealed in part or total in this chapter shall continue to be available for the same purposes as the prior appropriations or as otherwise amended for the fiscal year beginning April 1, 2022.

The capital projects reappropriations contained in this chapter may be amended by repealing the items set forth in brackets and by adding thereto the underscored material. Certain reappropriations in this chapter are shown using abbreviated text, with three leader dots (an ellipsis) followed by three spaces (...   ) used to indicate where existing law that is being continued is not shown. However, unless a change is clearly indicated by the use of brackets [ ] for deletions and underscores for additions, the purpose, amounts, funding source and all other aspects pertinent to each item of appropriation shall be as last appropriated.

For the purpose of complying with section 25 of the state finance law, the year, chapter and section of the last act reappropriating a former original appropriation or any part thereof is, unless otherwise indicated, chapter 54, section 1, of the laws of 2021.

d) No moneys appropriated by this chapter shall be available for payment until a certificate of approval has been issued by the director of the budget, who shall file such certificate with the department of audit and control, the chairperson of the senate finance committee and the chairperson of the assembly ways and means committee.

e) The appropriations contained in this chapter shall be available for the fiscal year beginning on April 1, 2022 except as otherwise noted.
For the comprehensive construction programs, purposes and projects as herein specified in accordance with the following:

By chapter 54, section 1, of the laws of 2019:
The amounts appropriated herein, shall be made available to the state and local boards of elections, including the New York city board of elections for initial technology costs of electronic poll books as authorized in 2019 voter reform legislation. The state board of elections shall develop a plan for the distribution of such funds which may include amounts needed for state board of elections implementation costs. The remaining funds shall be made available to local boards of elections for reimbursement of eligible costs, including, but not limited to, electronic poll books and associated
software, on-demand ballot printers and cyber security software required to implement early voting provided that such reimbursement shall be apportioned based on the number of registered voters in a county. The plan shall include a listing of allowable costs and details of the reimbursement claims process and timeframes, provided that local boards of election claims shall include such information as necessary to support state financing mechanisms. Notwithstanding any other law to the contrary, all or a portion of the amounts hereby appropriated may be suballocated or transferred to any department, agency or public authority (EL011908) (23523) .................

Bond Proceeds Purpose

The sum of $4,200,000,000, or so much thereof as may be necessary and available, is hereby appropriated from the clean water, clean air, and green jobs environmental bond act bond fund as established by section 97-tttt of the state finance law in accordance with the provisions of such section, as added by a chapter of the laws of 2022, for payment to the capital projects fund in order to reimburse such fund for disbursements certified by the state comptroller as bondable under the provisions of the environmental bond act of 2022 "clean water, clean air, and green jobs environmental bond act".

The director of the budget is hereby authorized to designate to the state comptroller
specific appropriations made from the capital projects fund for purposes for which clean water, clean air, and green jobs environmental bond act expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations so designated by the director of the budget from the capital projects fund for such purposes for the month preceding such certification and such certification shall not exceed in the aggregate the moneys hereby appropriated. A copy of each such certificate shall also be delivered to departments, agencies, and public authorities to which such capital project fund appropriations are made available.

Notwithstanding the provisions of any general or special law, no moneys shall be available from the clean water, clean air, and green jobs environmental bond act bond fund until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate of approval filed with the state comptroller, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee.

Grand Total of Appropriations .......... $21,229

50 By chapter 54, section 3, of the laws of 1977, as amended by chapter 54, section 1, of the laws of 2002:
The state share of the cost of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1977, in accordance with the provisions of title three of article fifty-one of the environmental conservation law as amended for projects included in the following schedule, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts expended from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification.

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54,
section 1, of the laws of 2002:
For the state share of the costs of construction of water quality
improvement projects, including the payment of liabilities incurred
prior to April 1, 1990, in accordance with the provisions of title 3
of article 51 of the environmental conservation law as amended, to
provide state matching funds for projects scheduled to receive
construction grants from federal fiscal years 1989 and 1990 funds,
including costs incidental and appurtenant thereto, hereinafter
referred to as "Water Quality Improvement Disbursements."
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall be available for water quality
improvement expenditures for eligible water quality improvement
projects as defined by section 51-0303 of the environmental conser-
vation law upon the issuance of a certificate of approval of avail-
ability by the director of the division of the budget. No such
certificates of approval of availability shall be issued for or
include funds for projects which have not received a federal grant
for the construction of sewage treatment related facilities.
Notwithstanding the provisions of any general or special law, the
amounts hereby appropriated shall have all disbursements reimbursed
from the Pure Waters Bond Act proceeds authorizations and are
contingent upon the partial repeal of existing capital projects fund
authorizations elsewhere in this chapter. The state comptroller
shall at the commencement of each month certify to the director of
the division of the budget, the commissioner of environmental
conservation, the chairman of the senate finance committee, and the
chairman of the assembly ways and means committee the amounts
dischursed from this appropriation for Water Quality Improvement
Disbursements for the month preceding such certification (09019057)

By chapter 54, section 1, of the laws of 1988, as amended by chapter 55,
section 1, of the laws of 2003:
For the state share of the costs of construction of water quality
improvement projects, including the payment of liabilities incurred
prior to April 1, 1988, in accordance with the provisions of title 3
of article 51 of the environmental conservation law as amended, to
provide a reserve to supplement or fund additional phases of
projects previously appropriated and scheduled on or after May 12,
1965.
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall be available for water quality
improvement expenditures for any project scheduled in appropriation
bills on or after May 12, 1965.
Notwithstanding the provisions of any general or special law, the
amounts hereby appropriated shall be made available from the Pure
Waters Bond Act authorizations and are contingent upon the repeal of
existing authorizations elsewhere in this chapter.

Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall not be made available until the
director of the division of the budget issues a certificate of
approval of availability with a schedule of approved and previously
authorized projects for which such funds shall be used. No such
certificates of approval of availability shall be issued for or
include funds for projects which have not received a federal grant
for the construction of sewage treatment related facilities. The
state comptroller shall at the commencement of each month certify to
the director of the division of the budget, the commissioner of
environmental conservation, the chairman of the senate finance
committee, and the chairman of the assembly ways and means committee
the amounts disbursed from this appropriation for Water Quality
Improvement Disbursements for the month preceding such certification

For services and expenses of a quality program for adult care facilities. Such program shall be targeted at facilities with a high population of residents who receive supplemental security income, as defined in subchapter XVI of chapter 7 of title 42 of the United States Code, state supplemental payments, Medicaid (with respect to residents in an assisted living program), or safety net assistance, as
defined in section 159 of the social
services law, and used to support capital
improvement projects that will enhance the
physical environment of the facility and
promote a higher quality of life for resi-
dents, in accordance with a plan approved
by the residents' council, the department,
and the director of the budget, provided
however that such expenditures shall not
be used to supplant the obligations of
facility operator to provide a safe
comfortable living environment for resi-
dents in a good state of repair and sani-
tation. The department, subject to the
approval of the director of the division
of budget, shall develop an allocation
methodology taking into account financial
status of the facility, resident needs,
and the population of residents who
receive supplemental security income,
state supplemental payments, Medicaid
(with respect to residents in an assisted

HEALTH CARE FACILITY TRANSFORMATION PROGRAM (CCP)

Capital Projects Funds - Other
Capital Projects Fund - 30000
Health Care System Improvement Purpose

By chapter 54, section 1, of the laws of 2018, as amended by chapter 314, section 1, of the laws of 2019:
For payments and grants to support health care facility transformation statewide. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to $5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined
by the commissioner of health for the purposes that strengthen and
protect continued access to health care services in communities
including but not limited to children's residential treatment facil-
ities. Such purposes may include debt retirement and capital
projects or non-capital projects that facilitate health care trans-
formation activities including, merger, consolidation, acquisition
or other activities intended to: create financially sustainable
systems of care; preserve or expand essential health care services;
modernize obsolete facility physical plants and infrastructure;
foster participation in alternative payment arrangements, including
but not limited to contracts with managed care plans and accountable
care organizations; increase the quality of resident care or experi-
ence in residential health care facilities; or improve health infor-
mation technology infrastructure, including telehealth, to strength-
en the acute, post-acute care, primary care, and longterm care
continuum. Grants shall not be available to support general operat-
ing expenses.

The commissioner and the president of the dormitory authority of the
state of New York shall enter into an agreement, subject to the
approval of the director of the budget, and subject to section
1680-r of the public authorities law, for the purposes of awarding,
distributing, and administering the funds made available pursuant to
this appropriation.

In determining awards for eligible applicants under this appropi-
ration, the commissioner of health shall consider criteria including,
but not limited to:
(a) The extent to which the proposed project will contribute to the
integration of health care services or the long term sustainability
of the applicant or preservation of essential health services in the
community or communities served by the applicant;
(b) The extent to which the proposed project or purpose is aligned
with delivery system reform incentive payment ("DSRIP") program
goals and objectives;
(c) The geographic distribution of funds;
(d) The relationship between the proposed project and identified
community need;
(e) The extent to which the applicant has access to alternative
financing;
(f) The extent to which the proposed project furthers the development
of primary care and other outpatient services;
(g) The extent to which the proposed project benefits medicaid enrol-
lees and uninsured individuals;
(h) The extent to which the applicant has engaged the community
affected by the proposed project and the manner in which community
engagement has shaped such project; and
(i) The extent to which the proposed project addresses potential risk
to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and
upon approval of the director of the budget, the commissioner may
award up to $300,000,000 of the funds made available pursuant to
this appropriation for unfunded project applications submitted in
response to the request for applications number 17648 issued by the
department on January 8, 2018 pursuant to section 2825-e of the
public health law.

Authorized amounts to be awarded pursuant to applications submitted in
response to the request for application number 17648 shall be
awarded no later than September 1, 2019.

The department shall provide a report on a quarterly basis to the
chairs of the senate finance, assembly ways and means, and senate
health and assembly health committees, until such time as the
department determines that the projects that receive funding pursu-
ant to this appropriation are substantially complete. Such reports
shall be submitted no later than sixty days after the close of the
quarter, and shall include, for each award, the name of the appli-
cant, a description of the project or purpose, the amount of the
award, disbursement date, and status of achievement of process and
performance metrics and milestones pursuant to subdivision 6 of
section 2825-f of the public health law.

Within amounts appropriated herein, a minimum of $45,000,000 shall be
made available for grant awards to residential health care facili-
ties, up to $20,000,000 may be made available for grant awards made
pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l
of the social services law, pursuant to criteria to be determined by
the commissioner and a minimum of $60,000,000 shall be made avail-
able for grant awards to community-based health care providers which
shall be defined as a diagnostic and treatment center licensed or
granted an operating certificate under article 28 of the public
health law, a mental health clinic licensed or granted an operating
certificate under article 31 of the mental hygiene law, a substance
use disorder treatment clinic licensed or granted an operating
certificate under article 32 of the mental hygiene law, a primary
care provider, a home care provider certified or licensed pursuant
to article 36 of the public health law, a facility granted an oper-
at ing certificate under article 16 of the mental hygiene law or
hospices licensed or granted an operating certificate pursuant to
article 40 of the public health law.

The dormitory authority may issue bonds for such purposes up to the
amount appropriated herein. No expenditures may be made from this
appropriation to a facility until a facility specific plan has been
submitted to the department of health and has been approved by the
director of the budget (12SW18HE) (26668) .........................

services. Grants shall not be available to support general operating
expenses.
The commissioner and the president of the dormitory authority of the
state of New York shall enter into an agreement, subject to the
approval of the director of the budget, and subject to section
1680-r of the public authorities law, for the purposes of awarding,
distributing, and administering the funds made available pursuant to
this appropriation.
In determining awards for eligible applicants under this appropri-
atation, the commissioner of health shall consider stakeholder, commu-
nity, and legislative input pursuant to subdivision 4-a of section
2825-e of the public health law criteria including, but not limited
to:
(a) the extent to which the proposed project will contribute to the
integration of health care services or the long term sustainability
of the applicant or preservation of essential health services in the
community or communities served by the applicant;
(b) The extent to which the proposed project or purpose is aligned
with delivery system reform incentive payment ("DSRIP") program
goals and objectives;
(c) Consideration of geographic distribution of funds;
(d) The relationship between the proposed project and identified
community need;
(e) The extent to which the applicant has access to alternative
financing;
(f) The extent that the proposed project furthers the development of
primary care and other outpatient services;
(g) The extent to which the proposed project benefits medicaid enrol-
lees and uninsured individuals;
(h) The extent to which the applicant has engaged the community
affected by the proposed capital project and the manner in which
community engagement has shaped such capital project; and
(i) The extent to which the proposed project addresses potential risk
to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and
upon approval of the director of the budget, the commissioner of
health may award up to $300,000,000 of the funds made available
pursuant to this appropriation for unfunded project applications
submitted in response to the request for applications number
1607010255 issued by the department on July 20, 2016 pursuant to
section 2825-d of the public health law.
The department shall provide a report on a quarterly basis to the
chairs of the senate finance, assembly ways and means, and senate
health and assembly health committees. Such reports shall be submit-
ted no later than 60 days after the close of the quarter, and shall
include, for each award, the name of the applicant, a description of
the project or purpose, the amount of the award, disbursement date,
and status of achievement of process and performance metrics and
milestones pursuant to subdivision 5 of section 2825-e of the public
health law.
Within amounts appropriated herein, the director of the budget is
authorized to make a determination to fund up to $200,000,000 for
grant awards which are not eligible to be funded with the proceeds
of bonds issued pursuant to section 1680-r of the public authorities
law.
Within amounts appropriated herein, $50,000,000 shall be made avail-
able for grant awards to Montefiore medical center, and a minimum of
$75,000,000 shall be made available for grant awards to community-
based health care providers which shall be defined as a diagnostic
and treatment center licensed or granted an operating certificate
under article 28 of the public health law, a mental health clinic
licensed or granted an operating certificate under article 31 of the
mental hygiene law, an alcohol and substance abuse treatment clinic
licensed or granted an operating certificate under article 32 of the
mental hygiene law, a primary care provider, or a home care provider
certified or licensed pursuant to article 36 of public health law.
The dormitory authority may issue bonds for such purposes up to the
amount appropriated herein. No expenditures may be made from this
appropriation to a facility until a facility specific plan has been
submitted to the department of health and has been approved by the
director of the budget (12SW17HE) (26668) .........................

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54,
section 1, of the laws of 2017:
For payments and grants to support health care facility transformation
statewide for capital, non-operational works. Notwithstanding
section 163 of the state finance law or any other provision of law
to the contrary, this appropriation may be used to fund payments and
or grants made by the commissioner of health in his or her sole
discretion, without a competitive bid or request for proposal proc-
ess, to eligible applicants as determined by the commissioner of
health for purposes in support of essential health care services.
Such purposes may include renovating or replacing inefficient or
outdated facilities as part of a merger, consolidation, acquisition
or other significant corporate restructuring activity that is part
of an overall transformation plan intended to create a financially
sustainable system of care that promotes a patient-centered model of
health care delivery aimed at improving the overall health and well-
being of a community. Eligible applicants shall be those deemed by
the commissioner to be a provider that fulfills or will fulfill a
health care need for acute inpatient, outpatient, primary, home care
or residential health care services in a community. The commissioner
and the president of the dormitory authority of the state of New
York shall enter into an agreement, subject to the approval of the
director of the budget, and subject to section 1680-r of the public
authorities law, for the purposes of awarding, distributing, and
administering the funds made available pursuant to this appropri-
ation. In determining awards for eligible applicants under this
appropriation, the commissioner of health and the president of the
authority shall consider criteria including, but not limited to:
(a) the extent to which the proposed capital project will contribute
to the integration of health care services and long term sustaina-
bility of the applicant or preservation of essential health services
in the community or communities served by the applicant;
(b) the extent to which the proposed project or purpose is aligned
with delivery system reform incentive payment ("DSRIP") program
goals and objectives;
(c) consideration of geographic distribution of funds;
(d) the relationship between the proposed capital project and identi-
fied community need;
(e) the extent to which the applicant has access to alternative
financing;
(f) the extent that the proposed capital project furthers the develop-
ment of primary care and other outpatient services;
(g) the extent to which the proposed capital project benefits medicaid
enrollees and uninsured individuals;
(h) the extent to which the applicant has engaged the community
affected by the proposed capital project and the manner in which
community engagement has shaped such capital project; and
(i) the extent to which the proposed capital project addresses poten-
tial risk to patient safety and welfare.
Disbursement of awards made pursuant to this appropriation shall be
conditioned on the awardee achieving certain process and performance
metrics and milestones as determined in the sole discretion of the commis-
sioner. Such metrics and milestones shall be structured to
ensure that the health care transformation and provider sustainabil-
ity goals of the project are achieved, and such metrics and mile-
stones shall be included in grant disbursement agreements or other
contractual documents as required by the commissioner.
The department shall provide a report on a quarterly basis to the
chairs of the senate finance, assembly ways and means, senate health
and assembly health committees. Such reports shall be submitted no
later than sixty days after the close of the quarter, and shall
include, for each award, the name of the applicant, a description of
the project or purpose, the amount of the award, disbursement date,
and status of achievement of process and performance metrics and
milestones pursuant to subdivision 5 of section 2825-b of the public
health law. Within amounts appropriated herein, up to $5,000,000 may
be made available for the purchase of mammography equipped vehicles,
and a minimum of $30,000,000 shall be made available for community-
based health care providers which shall be defined as a diagnostic
treatment center licensed or granted an operating certificate
under article twenty-eight of the public health law, a mental health
clinic licensed or granted an operating certificate under article
thirty-one of the mental hygiene law, an alcohol and substance abuse
treatment clinic licensed or granted an operating certificate under
article thirty-two of the mental hygiene law, primary care provid-
ers, or a home care provider certified or licensed pursuant to arti-
cle 36 of the Public Health Law. The dormitory authority may issue

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2021:
In support of a comprehensive, statewide multi-year housing program.
The commissioner shall provide, in electronic excel format or as requested by the Legislature, an annual report to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.
Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than $344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional $246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process. Notwithstanding any provisions of law to the contrary, the commissioner of a state agency or authority holding an empire state supportive housing initiative contract, shall be authorized, subject to the approval of the director of the budget, to continue contracts which were executed on or before March 31, 2021 with entities providing supportive housing services, without any additional requirements that such contracts be subject to competitive bidding, a request for proposal process or other administrative procedures.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial
or moderate rehabilitation of site-specific multi-family rental
housing currently under a regulatory agreement or extended use
agreement with the division of housing and community renewal or
another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$75,000,000 shall be made available for the purpose of providing
capital subsidies to preserve and improve Mitchell-Lama properties
in the state.

8. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$125,000,000 shall be made available for the purpose of substantial
or moderate rehabilitation and/or the demolition and replacement
through new construction of site-specific multi-family rental hous-
ing currently owned by public housing authorities outside of New
York city. The distribution of any funds which the division of hous-
ing and community renewal or other appropriate state agencies or
authorities authorizes to be used as part of a federal housing
program, shall require the division of housing and community renewal
to monitor and ensure that any affected public housing tenants are
properly informed regarding participation in the federal housing
program and that appropriate documents related to participation in
such federal housing program are made publicly available and are
posted on each applicable housing authority's website in a timely
manner to properly inform such public housing authority tenants. The
residents of public housing that receives and uses such funds to
participate in such federal program shall be provided a uniform
lease agreement that provides, at a minimum, terms and conditions
consistent with those found in the public housing lease they had
prior to the public housing having received any such funds. Public
housing authorities that receive and use such funds shall be
required to: provide resident education, which shall include compre-
hensive information about any anticipated changes to the public
housing; provide language assistance to residents with limited
English proficiency; recognize the right of residents to form a
resident organization; require resident participation funding
commensurate to the funding that was being allocated to residents
already; develop a set of procedures for resident grievances and
lease termination proceedings that apply to residents following the
use of such funds, which shall be consistent with any existing
procedures, can provide stronger resident protections, and conform
with any other applicable federal rules and/or regulations. In cases
when there is a property manager other than the public housing
authority that receives these funds, then such property manager
shall be required to take actions including, but not limited to,
providing clear and accessible information to residents before,
during, and after becoming the property manager; provide language
assistance to residents with limited English proficiency; and recog-
nize a legitimate resident organization as the residents' represen-
tative, invite such resident organization to all resident engage-
ments, and meet regularly with the resident organization to discuss
emerging property-wide issues.

annual report shall be cumulative and shall include an itemized list
of each project utilizing funds appropriated by the 2016-17 and
2017-18 state fiscal year housing program (ccp), including a brief
description of the project, street address, county, awardee, total
budget, amount of capital subsidy appropriated by the housing
program (ccp), relevant section of the housing program (ccp), bonded
or cash, amount of each additional public funding source, funding
program, number of units, area median income requirements if appli-
cable, month and year construction will commence, projected date of
occupancy, and project phase (in development, engineering,
construction, complete, defunded). Such annual report shall continue
to be provided until such time as the final disbursement of funds
appropriated in the 2016-17 and 2017-18 state fiscal year housing
program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropri-
ated herein may be suballocated to any state department, agency, or
public authority for the purposes stated herein. Notwithstanding
section 40 of the state finance law or any other law to the contra-
y, all assistance appropriations made from this account shall
remain in full force and effect in accordance, in the aggregate,
with the following schedule: not more than $303,384,000 for the
period April 1, 2017 through and past March 31, 2018, not more than
an additional $354,715,000 for the period April 1, 2018 through and
past March 31, 2019, not more than an additional $359,565,000 for
the period April 1, 2019 through and past March 31, 2020, and not
more than an additional $365,811,000 for the period April 1, 2020
through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$950,000,000 shall be made available for the purpose of providing
capital and operating subsidies for the development of 6,000 or more
supportive housing units throughout the state over the next five
years, as determined by a competitive selection process.

2. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$472,025,000 shall be made available for the purpose of providing
capital subsidies for the new construction or adaptive reuse of
rental housing affordable to households that earn up to 60 percent
of area median income (AMI) and that advance one or more of the
specific housing priorities of the state. Up to 5 percent of the
funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$125,000,000 shall be made available for the purpose of developing
or rehabilitating one hundred percent senior rental affordable hous-
ing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$45,000,000 for purposes of the rural and urban community investment
fund program created pursuant to article XXVII of the private hous-
ing finance law.
5. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$150,000,000 shall be made available for the purpose of providing
capital subsidies for the new construction, adaptive reuse, or
reconstruction of rental housing affordable to households that earn
between 60 percent and 130 percent of AMI and that advance one or
more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$146,000,000 shall be made available for the purpose of substantial
or moderate rehabilitation of site-specific multi-family rental
housing currently under a regulatory agreement or extended use
agreement with the division of housing and community renewal or
another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$75,000,000 shall be made available for the purpose of providing
capital subsidies to preserve and improve Mitchell-Lama properties
in the state.

8. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$125,000,000 shall be made available for the purpose of substantial
or moderate rehabilitation and/or the demolition and replacement
through new construction of site-specific multi-family rental hous-
ing currently owned by public housing authorities outside of New
York city. The distribution of any funds which the division of hous-
ing and community renewal or other appropriate state agencies or
authorities authorizes to be used as part of a federal housing
program, shall require the division of housing and community renewal
to monitor and ensure that any affected public housing tenants are
properly informed regarding participation in the federal housing
program and that appropriate documents related to participation in
such federal housing program are made publicly available and are
posted on each applicable housing authority's website in a timely
manner to properly inform such public housing authority tenants. The
residents of public housing that receives and uses such funds to
participate in such federal program shall be provided a uniform
lease agreement that provides, at a minimum, terms and conditions
consistent with those found in the public housing lease they had
prior to the public housing having received any such funds. Public
housing authorities that receive and use such funds shall be
required to: provide resident education, which shall include compre-
hensive information about any anticipated changes to the public
housing; provide language assistance to residents with limited
English proficiency; recognize the right of residents to form a
resident organization; require resident participation funding
commensurate to the funding that was being allocated to residents
already; develop a set of procedures for resident grievances and
lease termination proceedings that apply to residents following the
use of such funds, which shall be consistent with any existing
procedures, can provide stronger resident protections, and conform
with any other applicable federal rules and/or regulations. In cases
when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority; provided further to the extent practicable, the New York city housing authority in its administration of such funds shall include employment opportunities for NYCHA tenants consistent with section 3 of the housing and urban development act of 1968.

14. section 1, of the laws of 2020:
For the acquisition of property, design, construction and/or rehabilitation
of facilities to expand substance abuse supports and
services, including treatment, recovery and prevention services to
support efforts to develop, expand, and/or operate substance abuse
supports and services for treatment, recovery, and prevention of
heroin and opiate use and addiction disorders including but not
limited to the provision of housing services for affected popu-
lations. No expenditure shall be made from this appropriation until
a spending plan for the proposed projects has been submitted by the
commissioner of the office of addiction services and supports and
approved by the director of the budget. Notwithstanding sections 112
and 163 of the state finance law and section 142 of the economic
development law, or any other inconsistent provision of law, funds
available for expenditure pursuant to this appropriation for the
development, expansion, and/or operation of treatment, recovery,

------------------
For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall

For state aid to municipal corporations, private airports as author-
ized by section 14-h of the transportation law and for payment of
the state share of federally aided projects at Stewart and Republic
Airports, for the acquisition, construction, reconstruction, and
improvement of airport or aviation capital projects, including the
acquisition of real property, pursuant to the transportation capital
facilities development act of 1967 notwithstanding any inconsistent
provisions of law, in accordance with the schedule set forth below.
The moneys hereby appropriated are to be made available for payment
of state aid to municipal corporations, private airports as author-
ized by section 14-h of the transportation law and for payment of
the state share of federally aided projects at Stewart and Republic
Airports, including payment of liabilities incurred prior to April
1, 1991, as defined in the transportation capital facilities devel-
opment act of 1967. The items shown in the project schedule below
shall be for projects with a common purpose and may be interchanged
without limitation subject to the approval of the director of the
division of the budget.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each airport or aviation project
progressed under the program categories listed in the schedule below
has received federal approval and the federally authorized level of
financial assistance.
No funds shall be allocated for projects at Stewart Airport that are
directly related to a private facility until the commissioner of
transportation enters into a written agreement, subject to the
approval of the director of the budget, with such private entity
providing that such entity is committed to locate its facilities at
Stewart airport and has arranged financing for the costs of
construction of such facilities.
Funds shall not be allocated for projects at Stewart airport from this
appropriation for infrastructure improvements or other development
purposes not directly related to a private facility until the
commissioner of transportation has provided the director of the
budget with the following projections to support any such allocation
of funds: (a) effect on Stewart airport net operating revenues; (b)
effect on new jobs for the state of New York; and (c) effect on net
revenues of amortization of state capital expenditures. It is
acknowledged that funds provided herein pursuant to the transporta-
tion capital facilities development act of 1967 are made available
by repealing a portion of an appropriation for the payment of the
state's share to the Niagara frontier transportation authority for
capital projects at Buffalo international airport. It is the intent
of the legislature that the repeal of such funds appropriated to the
Niagara frontier transportation authority does not void the state's
commitment to provide alternative state share funding sources to the
authority to complete the airport or aviation capital projects at
Buffalo international airport as originally provided by chapter 54,
section 1, of the laws of 1982, as amended by chapter 54, section 3,
of the laws of 1988. It is further the intent of the legislature
that such alternative state share funding be provided to the author-
ty no later than March 31, 1993 (17439114) (53271) ................

RAIL AND RAPID TRANSIT

By chapter 369, section 2, of the laws of 1979, as amended by chapter
54, section 3, of the laws of 1988, for:

The acquisition, construction, reconstruction, establishment, improve-
ment and rehabilitation of urban, commuter and intercity rail
passenger and rapid transit systems and rail freight capital facili-
ties, for the acquisition of real property and interests in real
property required or expected to be required therefor, and for any
capital equipment to be used in connection therewith, including all
costs incidental thereto in accordance with the following schedule:
(01395012) (53110) ... ............................ (re. $148,000)
The commissioner of transportation shall prepare and submit to the
governor as part of his annual budget request submission a report
which shall make findings and recommendations with respect to the
state's intercity rail passenger service and rail service energy
conservation programs. Such report shall include, in addition to any
other information the commissioner shall determine appropriate, the
following: (a) the impact and effectiveness of the state's programs
to continue and preserve rail passenger and rail freight services,
including federal and state operating subsidy payments actually made
and projected to be made during each of the two next succeeding
state fiscal years; and (b) the development of operating, pricing
and fare guidelines and standards of service and equipment and
facility maintenance standards that may be applied in evaluating the
cost and quality of service on those rail lines receiving state
and/or federal operating and/or capital assistance.

Capital Projects Funds - Other
Capital Projects Fund - 30000
Non-MTA Capital Purpose

By chapter 54, section 1, of the laws of 2021:
For the payment of the costs of mass transportation capital projects
and facilities including replacement of buses meeting federal stand-
ards for replacement, related bus equipment and the acquisition,
design and construction, including engineering and consulting costs,
of mass transit bus garages or other mass transportation projects
and facilities approved by the commissioner of transportation in a
program of projects. Such funding may be part of a total project of
which a portion is federally funded but shall not be used in substi-
tution for the required non-federal matching shares of the federal-
ly-funded portion of the project to which it is added. The moneys
hereby appropriated are to be made available for projects undertaken
by mass transit systems other than those mass transit operating 
agencies which receive money from the metropolitan transportation 
authority dedicated tax fund (17NM2131) (53253) .................

By chapter 54, section 1, of the laws of 1993, as amended by chapter 295, part A, section 1, of the laws of 2001:
For the payment of the costs, including the payment of liabilities incurred prior to April 1, 1993, of state highways, parkways, bridges, the New York State Thruway, Indian reservation roads, and facilities for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and the acquisition of property.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state nonfederally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective. Federal aid and state matching funds saved as a result of the use of non-federal aid funds for local bridge projects shall be made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available to local
bridge projects shall not exceed $2,500,000 in state fiscal year 1993-94.

For the payment of reimbursements to the engineering services fund for the cost of administrative services of the department of transportation and the cost of services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects (17029322) (53164) .................. 1,042,787,000 ........................................ eof as may be necessary is hereby appropriated from the rail preser-
vation and development fund pursuant to the energy conservation
through improved transportation bond act of nineteen hundred seven-
ty-nine for payment to the local assistance account for disburse-
ments from such fund pursuant to an appropriation for the recon-
struction, improvement, reconditioning and preservation of highways
and bridges of the state highway system, for the acquisition of real
property and interest in real property required or expected to be
required therefor by any county, city, town or village, or two or
more of the foregoing acting jointly.

Notwithstanding the provisions of any general or special law, no
moneys shall be available from the rail preservation and development
fund until a certificate of approval of availability shall have been
issued by the director of the budget, and a copy of such certificate
filed with the state comptroller, the chairman of the senate finance
committee, and the chairman of the assembly ways and means commit-
tee. Such certificate may be amended from time to time by the direc-
tor of the budget, and a copy of each such amendment shall be filed
with the state comptroller, the chairman of the senate finance
committee and the chairman of the assembly ways and means committee.
The director of the budget is hereby authorized to designate to the
state comptroller specific appropriations made from the local
assistance fund for purposes for which rail preservation and devel-
opment fund expenditures are authorized. The state comptroller shall
at the commencement of each month certify to the director of the
budget, the chairman of the senate finance committee and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations designated by the director of the budget from the local assistance account for these disbursements pursuant to appropriations from such fund for such purposes for the month preceding such certification and such certification shall not exceed in the aggregate the moneys hereby appropriated (01371210) (80925) .

By chapter 54, section 1, of the laws of 1993, as amended by chapter 55, section 1, of the laws of 1996:

The sum of $810,000, or so much thereof as may be necessary, is hereby appropriated from the transportation infrastructure renewal fund as established by section 74 of the state finance law in accordance with the provisions of section 7 of chapter 836 of the laws of 1983 for payment, notwithstanding the provisions of any law, to the capital projects fund, in order to reimburse such fund for disbursements certified by the state comptroller as bondable under the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983 for payment from the port, marine terminal, canal and waterway account.

The director of the budget is hereby authorized to designate to the state comptroller specific appropriations made from the capital projects fund for purposes for which transportation infrastructure renewal fund expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations so designated by the director of the budget from the capital projects fund for such purposes for the month preceding such certification and such certification shall not
exceed in the aggregate the moneys hereby appropriated. A copy of
each such certificate shall also be delivered to state departments
and agencies to which such capital projects fund appropriations are
made available.
Notwithstanding the provisions of any general or special law, no
moneys shall be available from the transportation infrastructure
renewal fund until a certificate of approval of availability shall
have been issued by the director of the budget, and a copy of such
certificate of approval filed with the state comptroller, the chair-
man of the senate finance committee and the chairman of the assembly
ways and means committee. Such certificate may be amended from time
to time by the director of the budget, and a copy of each such
amendment shall be filed with the state comptroller, the chairman of

NONPROFIT INFRASTRUCTURE CAPITAL INVESTMENT PROGRAM (CCP) ... 50,000,000

The sum of $50,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this
appropriation shall be made available through a competitive process that shall include representatives from multiple state agencies to be determined by the director of the budget and the guidelines for the program and competitive process and such process shall also ensure that such funding is made available for uses throughout the state, and shall be subject to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a necessary improvement or upgrade to continue to serve the nonprofit human services organization's target population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured. Such representatives from state agencies shall include, but not be limited to, the Office of Children and Family Services, the Office of Temporary and Disability Assistance, the Office for People with Developmental Disabilities, the Office of Mental Health, and for purposes of this appropriation, shall also include the Dormitory Authority of the State of New York and, notwithstanding any inconsistent provision of law, the Dormitory Authority shall be authorized to administer this program. For services and expenses related to the empire state poverty reduction initiative. Funds appropriated herein shall be made available for sixteen local anti-poverty task forces in municipalities, or a borough, with high rates of poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate: Albany, the Bronx, Binghamton, Buffalo, Elmira, Hempstead, Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester, Syracuse, Troy, Utica and Watertown. Provided that, except in municipalities where a state-funded anti-poverty task force or initiative already exists and is receiving or has received State funding for such purpose, the mayor of each municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that provides services in the municipality, or in the case of the Bronx, the borough, to serve as the local coordinator of each such local task force. Provided further that, except in municipalities where a state-funded antipoverty task force or initiative already exists and is receiving or has received funding, each such taskforce shall make efforts to be comprised of, but not limited to, the following members: representatives from municipal, county, and/or state government; individuals who have lived in or currently live in households in poverty; individuals and advocates representing local not-for-profit and community organizations; representatives from local school districts; and representatives from local social services districts. Of the funds appropriated herein, the amount available for each local anti-poverty task force shall be determined based on the number of people in each municipality, or a borough, who are living in poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate provided that each local anti-poverty task force shall be eligible to receive funding in the following amounts: municipalities with fewer than 5,000 individuals in poverty shall each be eligible to receive $500,000; municipalities with between 5,000 and 10,000 individuals in poverty shall each be eligible to receive $1,000,000; municipalities with between 10,000 and 40,000 individuals in poverty shall each be eligible to receive $1,500,000; and municipalities, or a borough, with more than 40,000 individuals in poverty shall each be eligible to receive $2,750,000. Funds appropriated herein shall be available to support the work of each anti-poverty task force and such work shall be divided into two phases. During the first phase, the mayor of the municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that has demonstrated successful performance working with community stakeholders and achieving objectives specified herein, to coordinate the local antipoverty task force. The not-for-profit organization serving as coordinator will assemble the antipoverty task force using the criteria outlined above. Provided further that, with guidance and oversight of the commissioner of the office of temporary and disability assistance, each local anti-poverty task force
shall use data to identify high need issues and neighborhoods within
the municipality, or in the case of the Bronx, the borough; identify
problems that are common in neighborhoods throughout the munici-
pality, or in the case of the Bronx, the borough; receive input from
local residents; use data and resident input to select one or more
focus areas related to either one or more issues or one or more
neighborhoods; and develop a plan for how funding will be targeted
toward the identified issues or neighborhoods. Such focus areas may
include, but are not limited to childhood poverty and homelessness.
Activities included in such plan may include, but are not limited
to: providing public assistance recipients opportunities to partic-
ipate in enhanced work activities that either provide recognized
credentialing or enhanced career readiness or job training for
better linkage to potential employment; assisting families in pover-
ty through services provided to parents and children; and addressing
chronic homelessness or housing insecurity. Such plan must include
measurable objectives and a timeframe for completion and shall be
submitted for approval to the commissioner of the office of tempo-
rary and disability assistance. Of the total amount made available
to each anti-poverty task force, the lesser of $300,000 or 20
percent of the total award may be used to carry out planning and
administration, provided however, that the amount used for planning
and administration may exceed such limitation if such amount is
approved by the commissioner of the office of temporary and disabil-
ity assistance as part of the plan required herein. Upon receiving
approval from the commissioner of the office of temporary and disa-
bility assistance, each such anti-poverty task force shall commence
the second phase of its work, which will support the implementation
of the plan developed during the first phase. Funding appropriated
herein shall be made available to the not-for-profit organization
serving as coordinator and its use shall be restricted to purposes
or initiatives that do not necessitate ongoing state financial
support. Such anti-poverty task forces shall be encouraged to secure
match funding from private sector and foundation sources to supple-
ment the funds appropriated herein and provided further that any
funding provided from this appropriation shall not be used to
supplant funding for programs already in existence. Such funds may
be made available pursuant to a plan approved by the director of the
budget (931A16SP) (79994) ... 25,000,000 ........... (re. $1,814,000)
Notwithstanding any inconsistent provision of law, in support of a
comprehensive statewide multi-year housing program to prevent and
address homelessness across the State, funds appropriated herein may
be used in conjunction with other resources made available as part
of the state fiscal year 2016-17 and 2017-18 local assistance, capi-
tal and state operations budget to support various programs to
support homeless individuals and youth or individuals and youth at
risk of becoming homeless, including but not limited to, a statewide
multiagency supportive housing program to provide housing and
support services for vulnerable New Yorkers including but not limit-
ed to seniors, veterans, victims of domestic violence, formerly
incarcerated individuals, individuals diagnosed with HIV/AIDS and homeless individuals with copresenting health conditions, eligible services to runaway and homeless youth, and for services to meet the emergency needs of homeless individuals and families (931116SP) (79993) ... 50,000,000 ......................... (re. $15,122,000)
Municipal consolidation competition, for payments for capital and other expenses related to the implementation of: consolidations, dissolutions, mergers, or other permanent changes in governing structures; shared services, cooperation agreements, or other efficiencies; or other actions that reduce operational costs or property tax burdens on a permanent basis, as selected through a competitive application process developed by the secretary of state (931016SP) (79991) ... 20,000,000 ......................... (re. $12,926,000)

The appropriation made by chapter 54, section 1, of the laws of 2015, as amended by chapter 54, section 1, of the laws of 2020, is hereby amended and reappropriated to read:
For services and expenses, loans, grants, and costs associated with program administration, of projects and purposes authorized by section 93-b of the state finance law to receive funding from the dedicated infrastructure investment fund - infrastructure investment account, including the payment of liabilities incurred prior to April 1, 2015; provided however, that loans or grants under this appropriation to a private corporation, association or enterprise shall only be made or given by a public corporation or authority; and provided further however, notwithstanding the foregoing, and notwithstanding section 163 of the state finance law or any other law to the contrary, grants may also be given under this appropriation by the department of agriculture and markets to farm owners and related industries, not for profit conservation organizations and local governments to protect, maintain, develop and grow farm, agricultural and related industries located in the southern tier and hudson valley, as defined by the commissioner of agriculture and markets. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority, according to the following:
New NY broadband initiative, to support the development of infrastructure to bring high-speed internet access to unserved and underserved regions throughout the state, and to support the development of other telecommunications infrastructure; provided however that priority shall be given to projects that bring high-speed internet access to unserved areas of the state, public libraries, and educational opportunity centers; provided further that the New York state urban development corporation shall submit a report before June 30, 2016 to the director of the division of the budget, the temporary president of the senate, the speaker of the assembly, the minority leader of the senate and the minority leader of the assembly detailing: (a) the total amount of public funds committed by this program annually; (b) total amount of private funds committed annually and, if applicable, the amount of such funds that has been invested by
such parties; (c) the location of each area receiving investments under this program and the goals for each such area; (d) planned future investments by both public and private parties; and (e) such other information as the corporation deems necessary (930115SP) (80617) ... 500,000,000 ......................... (re. $189,716,000)

Municipal restructuring, for payments to local governments, school districts, and other municipal entities for capital and other expenses related to the implementation of local government and school district shared services, cooperation agreements, mergers, and other actions that reduce operational costs and related property tax burdens on a permanent basis, as selected through an application process developed by the secretary of state, provided, however, that school districts' expenditures of the funds appropriated herein shall not be eligible for aid under any provision of the education law; for payments related to a downtown revitalization program designed and executed by the department of state and the division of housing and community renewal for transformative housing, economic development, transportation and community projects including those designed to increase the property tax base, of which up to $500,000 may be made available to fund projects consistent with the purposes of the healthy food / healthy communities initiative pursuant to section 16-s of the urban development corporation act, provided such projects are included in a strategic plan submitted for funding under the downtown revitalization program; and for payments of grants, awards, and aid provided through the local government efficiency grant program, the citizen empowerment tax credit, local government citizens reorganization empowerment grant program, and the local government performance and efficiency program, as authorized by section 54 of the state finance law (930215SP) (80618) ..... 150,000,000 .......................... (re. $73,025,000)

Grants to essential health care providers shall be available upon determination of the commissioner of health without a competitive bid or request for proposal process to support debt retirement and capital projects or non-capital projects that facilitate health care transformation, including mergers, consolidation, acquisition or other significant corporate restructuring activities intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery. Grants shall not be available to support general operating expenses. For purposes of this appropriation, an essential health care provider is a hospital or hospital system that, in the discretion of the commissioner of health, offers health services within a defined and isolated geographic region where such services would otherwise be unavailable to the population of such region.

Notwithstanding any other provision of law to the contrary, up to $83,500,000 appropriated herein may be available for the health facility restructuring program pursuant to section 2815 of the public health law.

Notwithstanding any other provision of the laws to the contrary, amounts appropriated herein, including the $83,500,000 which may be
transferred from the department to the dormitory authority, shall be available net of disallowances, refunds, reimbursements and credits (930315SP) (80619) ... 355,000,000 ............... (re. $60,228,000)

For the acquisition of information technology systems, electronic health records, billing systems, or other hardware as well as any other infrastructure costs associated with the inclusion of behavioral health services in the medicaid managed care benefit package. Such funds shall be available to not-for-profit agencies licensed, certified or approved by the office of mental health, the office for addiction services and supports, or the office for people with developmental disabilities. A portion of these funds may be used to support training and technical assistance during the transition period (93H315SP) (80348) ... 10,000,000 ............ (re. $255,000)

To prepare for, prevent, deter, or respond to acts of terrorism; natural or man-made disasters, including severe weather events; risks to public safety, health, and/or other emergencies. Of the amounts appropriated herein, $10,000,000 shall be available for grants to local governments and local law enforcement agencies to support the provision of safety and other related equipment.
