35 transit agency, school district, board of cooperative educational
36 services, municipality or private school bus company shall create and
37 implement a workforce development report that: (i) forecasts the number
38 of jobs provided by existing school buses, rolling stock, vehicles or
39 equipment that would be eliminated or substantially changed after the
40 purchase, as well as the number of jobs expected to be created at the
41 transit provider by the proposed purchase over a five-year period from
42 the date of the publication of the workforce development report; (ii)
43 identifies gaps in skills needed to operate and maintain the new zero-
44 emission school buses, charging infrastructure, vehicles or equipment;

 34 not be aidable as transportation expense~~[-]; and~~

35 f. Approved costs relating to the lease, purchase, construction, or
 36 installation of zero-emission school bus electric charging or hydrogen
 37 fueling stations. For the purposes of this section, a zero-emission
 38 school bus electric charging station is a station that delivers elec-
 39 tricity from a source outside a zero-emission school bus into one or
 40 more zero-emission school buses. An electric school bus charging station
 41 may include several charge points simultaneously connecting several
 42 zero-emission school buses to the station and any related equipment
 43 needed to facilitate charging plug-in zero-emission school buses. Any
 44 work related to the construction or installation of zero-emission school
 45 bus electric charging or hydrogen fueling stations shall be considered
 46 public work, regardless of public ownership, and subject to section two
 47 hundred twenty, two hundred twenty-a, two hundred twenty-b, two hundred

 52 2005, is amended to read as follows:

53 e. In determining approved transportation capital, debt service and

5 pursuant to paragraph d of this subdivision. Such assumed amortization
6 shall be for a period of five years, and for the two thousand twenty-
7 two--two thousand twenty-three school year and thereafter such assumed
8 amortization for zero-emission school buses as defined in section thir-
9 ty-six hundred thirty-eight of this chapter and related costs pursuant
10 to paragraph f of subdivision two of section thirty-six hundred twenty-
11 three-a of this chapter shall be for a period of fifteen years, and
12 shall commence twelve months after the school district enters into a
13 purchase contract[7] or lease of the school bus, charging station,
14 hydrogen refueling station, or equipment, or a general contract for the
15 construction, reconstruction, lease or purchase of a transportation
16 storage facility or site in an amount less than ten thousand dollars[7
17 ~~except that where expenses were incurred for the purchase or lease of a~~
18 ~~school bus or equipment or the construction, reconstruction, lease or~~
19 ~~purchase of a transportation storage facility or site prior to July~~
20 ~~first, two thousand five and debt service was still outstanding or the~~
21 ~~lease was still in effect as of such date, the assumed amortization~~
22 ~~shall commence as of July first, two thousand five and the period of the~~
23 ~~amortization shall be for a period equal to five years less the number~~
24 ~~of years, rounded to the nearest year, elapsed from the date upon which~~
25 ~~the school district first entered into such purchase contract or general~~
26 ~~contract and July first, two thousand five, as determined by the commis-~~
27 ~~sioner, or the remaining term of the lease as of such date]. Such
28 assumed amortization shall provide for equal semiannual payments of
29 principal and interest based on an assumed interest rate established by
30 the commissioner pursuant to this paragraph. By the first day of Septem-
31 ber of the current year commencing with the two thousand five--two thou-
32 sand six school year, each school district shall provide to the commis-
33 sioner in a format prescribed by the commissioner such information as
34 the commissioner shall require for all capital debt incurred by such
35 school district during the preceding school year for expenses allowable
36 pursuant to subdivision two of section thirty-six hundred twenty-three-a
37 of this article. Based on such reported amortizations and a methodology
38 prescribed by the commissioner in regulations, the commissioner shall
39 compute an assumed interest rate that shall equal the average of the
40 interest rates applied to all such debt issued during the preceding
41 school year. The assumed interest rate shall be the interest rate of
42 each such school district applicable to the current year for the
43 purposes of this paragraph and shall be expressed as a decimal to five
44 places rounded to the nearest eighth of one-one hundredth.~~

50 electricity used to charge or hydrogen used to refuel zero-emission
51 school buses for the aidable transportation of pupils, but shall not
52 include electricity or hydrogen used for other purposes;

53 § 5. Clause (a) of subdivision 29 of paragraph a of section 11.00 of
54 the local finance law, as amended by chapter 300 of the laws of 1971, is

8 extension board or from any other source, under the conditions specified
9 in this subdivision. No such agreement for the lease of a motor vehicle
10 or vehicles shall be for a term of more than one school year, provided
11 that when authorized by a vote of the qualified voters of the district
12 such lease may have a term of up to five years, or fifteen years for the
13 lease of zero-emission school buses as defined in section thirty-six
14 hundred thirty-eight of this chapter. Where the trustee or board of
15 trustees enter into a lease of a motor vehicle or vehicles pursuant to

34 as defined in section thirty-six hundred thirty-eight of this chapter.
35 Where the board of education enters a lease of a motor vehicle or vehi-
36 cles pursuant to this paragraph for a term of one school year or less,
37 such board shall not be authorized to enter into another lease of the
38 same or an equivalent replacement vehicle or vehicles, as determined by
39 the commissioner, without obtaining approval of the voters.

54 17-c to read as follows:

1 § 17-c. Zero-emission buses. 1. No later than January first, two thou-
2 sand twenty-nine, every public transportation system eligible to receive
3 operating assistance under the provisions of section eighteen-b of this
4 article shall be required to purchase only zero-emission buses and
5 related equipment and facilities as part of the normal replacement of
6 its fleet. No later than January first, two thousand thirty-five, any
7 hydrogen fuel cell zero-emission bus shall be powered by hydrogen
8 derived from zero-emission electricity.

9 2. For purposes of this section "zero-emission bus" shall mean a motor
10 vehicle that has a seating capacity of fifteen or more passengers in
11 addition to the driver and used for the transportation of persons; is
12 propelled by an electric motor and associated power electronics which
13 provide acceleration torque to the drive wheels during normal vehicle
14 operation and draws electricity from a hydrogen fuel cell or from a
15 battery which is capable of being recharged from an external source of
16 electricity; or otherwise operates without direct emission of atmospher-
17 ic pollutants. Provided, however, that for purposes of this section,
18 zero-emission buses shall include paratransit vehicles specifically
19 designated by public transportation systems to serve the needs of
20 persons who cannot use fixed route transit buses, subways or rapid tran-
21 sit.

23 rights or benefits, including terms and conditions of employment, and
24 protection of civil service and collective bargaining status of all
25 existing employees of authorized entities shall be preserved and

29 work, wages, or employment benefits) or result in the impairment of
30 existing collective bargaining agreements; (ii) transfer of existing
31 duties and functions related to maintenance and operations currently
32 performed by existing employees of authorized entities to a contracting
33 entity; or (iii) transfer of future duties and functions ordinarily

37 cipality shall create and implement a workforce development report that
38 (i) forecasts the number of jobs provided by existing omnibuses, rolling
39 stock, vehicles or equipment that would be eliminated or substantially
40 changed after the purchase, as well as the number of jobs expected to be
41 created at the transit provider by the proposed purchase over a six-year
42 period from the date of the publication of the workforce development
43 report, (ii) identifies gaps in skills needed to operate and maintain
44 the new zero-emission buses, rolling stock, vehicles or related equip-
45 ment, (iii) includes a comprehensive plan to transition, train, or
46 retrain employees that are impacted by the proposed purchase, and (iv)
47 contains an estimated budget to transition, train, or retrain employees
48 that are impacted by the proposed purchase.

49 (c) Nothing contained herein shall be construed to affect (i) the
50 existing rights of employees pursuant to an existing collective bargain-
51 ing agreement, or (ii) the existing representational relationships among
52 employee organizations or the bargaining relationships between the
53 employer and an employee organization. Prior to beginning the procure-
54 ment process for new zero-emission buses, rolling stock, vehicles or
55 related equipment, the transit authority, agency or municipality shall
56 inform the respective collective bargaining agent of any potential jobs

1 that may be affected, altered, or eliminated as a result of the
2 purchase, and it shall be a mandatory subject for collective bargaining.

3 4. (a) Beginning in two thousand twenty-eight and every five years
4 thereafter until a public transportation system has transitioned entire-
5 ly to using zero-emission buses, every public transportation system
6 covered pursuant to this section shall submit to the department a tran-
7 sition plan for complying with the two thousand twenty-nine procurement
8 requirement and for transitioning to zero-emission buses. Such plan
9 shall include without limitation:

10 (i) A list or report of the policies and practices to comply with the
11 two thousand twenty-nine requirement to procure only zero-emission buses
12 and a goal to fully transition to zero-emission fleets by two thousand
13 forty, including other relevant procurement targets and performance
14 metrics, including without limitation an interim goal of converting to
15 fifty percent zero-emission buses by two thousand thirty-five.

16 (ii) Identification of barriers, constraints, and risks to one hundred
17 percent transition based on a public transportation system's specific
18 routes and unique circumstances, and strategies to address those issues.

19 (iii) Identification of the types of buses a public transportation
20 system plans to deploy, and a schedule of zero-emission and combustion
21 bus purchase and lease options, and zero-emission bus retrofits if
22 applicable.

23 (iv) A schedule for the construction of facilities and infrastructure
24 modifications or upgrades, including but not limited to charging, fuel-

35 seventy-eight-a of the public authorities law, and section one hundred
36 four of the general municipal law.

37 (viii) Cost estimates to implement the zero-emission bus transition,
38 and identification of existing funding sources available that could be
39 used to transition to one hundred percent zero-emission buses.

40 (ix) An analysis of specific strategies, constraints, and needs
41 related to the procurement of zero-emission buses for paratransit oper-
42 ations and, if relevant, intercity bus service or bus service that is
43 intended to satisfy longer distance travel demand between cities,
44 villages and unincorporated urban places.

45 (x) Identification of fuel sources used to fuel hydrogen fuel cell
46 buses, and a plan to ensure all hydrogen fuel cell zero-emission buses
47 will use hydrogen derived from zero-emission electricity by two thousand

1 (ii) Provided additionally that public transportation systems shall
2 consult with the department and with the New York state energy research
3 and development authority in developing their transition plans.

4 (iii) The department, in consultation with the New York state energy
5 research and development authority pursuant to sections eighteen hundred
6 fifty-four and eighteen hundred eighty-four of the public authorities
7 law and any other relevant sections, shall provide technical assistance

20 duties.

21 (d) The department shall publish transition plans on their publicly
22 accessible website within thirty days of the plans being finalized with
23 the department.

24 § 2. The transportation law is amended by adding a new section 18-c to

26 § 18-c. Capital plan requirements. In formulating the five-year
27 department of transportation capital plans, the department shall: (a)
28 consider the requirement of section seventeen-c of this article in its
29 disbursement of payment for the costs of mass transportation capital
30 projects and facilities and give preference in the form of payments to
31 public transportation systems eligible to receive operating assistance
32 under the provisions of section eighteen-b of this article that are able
33 to demonstrate commitments made towards purchasing and retrofitting
34 zero-emission buses and related equipment and facilities; and (b) facil-
35 itate for purposes of meeting the requirement of section seventeen-c of
36 this article the coordination of purchasing, installation and sharing
37 services between public transportation systems serving primarily outside
38 the city of New York.

39 § 3. Section 2878-a of the public authorities law is amended by adding

41 3. (a) A transportation authority established under this chapter may,
42 by resolution approved by a two-thirds vote of its members then in
43 office, or by a declaration that competitive bidding is impractical or
44 inappropriate with respect to electric-powered omnibuses, rolling stock,
45 vehicles or other related equipment because the item is available
46 through an existing contract between a vendor and (i) another public
47 authority provided that such other authority utilized a process of
48 competitive bidding or a process of competitive requests for proposals
49 to award such contracts, or (ii) the state of New York, or (iii) a poli-
50 tical subdivision of the state of New York, provided that in any case
51 when under this subdivision the authority determines that obtaining such
52 item thereby would be in the public interest and sets forth the reasons
53 for such determination. The authority shall accept sole responsibility
54 for any payment due the vendor as a result of the authority's order. In
55 each case where the authority declares competitive bidding impractical
56 or inappropriate, it shall state the reason therefor in writing and

1 summarize any negotiations that have been conducted. The authority shall

15 tronics which provide acceleration torque to the drive wheels during
16 normal vehicle operation and draws electricity from a hydrogen fuel cell
17 or from a battery which is capable of being recharged from an external
18 source of electricity; or otherwise operates without direct emission of
19 atmospheric pollutants.

20 (b) (i) Notwithstanding any provision of law to the contrary, all
21 rights or benefits, including terms and conditions of employment, and
22 protection of civil service and collective bargaining status of all
23 existing employees of authorized entities shall be preserved and
24 protected. Nothing in this section shall result in the: (1) displacement
25 of any currently employed worker or loss of position, including partial
26 displacement such as a reduction in the hours of non-overtime work,
27 wages, or employment benefits, or result in the impairment of existing
28 collective bargaining agreements; (2) transfer of existing duties and
29 functions related to maintenance and operations currently performed by
30 existing employees of authorized entities to a contracting entity; or
31 (3) transfer of future duties and functions ordinarily performed by
32 employees of authorized entities to a contracting entity.

33 (ii) At least one year prior to the beginning of the procurement proc-

40 purchase over a six-year period from the date of the publication of the
41 workforce development report, (2) identifies gaps in skills needed to
42 operate and maintain the new electric-powered omnibuses, rolling stock,
43 vehicles or related equipment, (3) includes a comprehensive plan to
44 transition, train, or retrain employees that are impacted by the
45 proposed purchase, and (4) contains an estimated budget to transition,
46 train, or retrain employees that are impacted by the proposed purchase.

47 (c) Nothing contained herein shall be construed to affect (i) the
48 existing rights of employees pursuant to an existing collective bargain-
49 ing agreement, or (ii) the existing representational relationships among
50 employee organizations or the bargaining relationships between the
51 employer and an employee organization. Prior to beginning the procure-
52 ment process for new electric-powered omnibuses, rolling stock, vehicles
53 or related equipment, the transit agency or municipality shall inform
54 the respective collective bargaining agent of any potential jobs that

4 this article or of any other general, special or local law, any chief
5 executive officer of a political subdivision or agency which operates a
6 public transportation system is authorized to make purchases of elec-

12 requests for proposals to award such contracts, or (ii) the state of New
13 York, or (iii) a political subdivision of the state of New York,
14 provided that in any case when under this subdivision the political
15 subdivision determines that obtaining such item thereby would be in the
16 public interest and sets forth the reasons for such determination. The
17 political subdivision shall not award any contract pursuant to this
18 subdivision earlier than thirty days from the date on which the poli-
19 tical subdivision declares that competitive bidding is impractical or
20 inappropriate. All purchases shall be subject to audit and inspection by
21 the political subdivision for which made, in addition to the department
22 of audit and control of New York state. For purposes of this subdivi-
23 sion, "political subdivision or agency which operates a public transpor-
24 tation system" shall not include transportation authorities governed
25 under titles nine, nine-A and eleven of article five of the public
26 authorities law or title three of article three of the public authori-
27 ties law. For the purposes of this subdivision, "electric-powered omni-
28 buses" shall include any bus owned, leased, rented or otherwise
29 controlled by the political subdivision that otherwise meets the defi-

34 or from a battery which is capable of being recharged from an external
35 source of electricity; or otherwise operates without direct emission of
36 atmospheric pollutants.

37 (b) (i) Notwithstanding any provision of law to the contrary, all
38 rights or benefits, including terms and conditions of employment, and
39 protection of civil service and collective bargaining status of all
40 existing employees of authorized entities shall be preserved and
41 protected. Nothing in this section shall result in the: (1) displacement
42 of any currently employed worker or loss of position, including
43 partial displacement such as a reduction in the hours of non-overtime
44 work, wages, or employment benefits, or result in the impairment of
45 existing collective bargaining agreements; (2) transfer of existing
46 duties and functions related to maintenance and operations currently
47 performed by existing employees of authorized entities to a contracting
48 entity; or (3) transfer of future duties and functions ordinarily

33 thirty days after resubmission, or earlier upon the department's

35 2. Any not-for-profit college or university that meets the criteria

20 7. The commissioner shall establish and maintain a database, accessi-

39 PART K

40 Section 1. Section 1503 of the business corporation law is amended by
41 adding a new paragraph (h) to read as follows:

42 (h) Any firm established for the business purpose of incorporating as
43 a professional service corporation formed to lawfully engage in the
44 practice of public accountancy, as such practice is respectively defined
45 under article one hundred forty-nine of the education law shall be
46 required to show (1) that a simple majority of the ownership of the
47 firm, in terms of financial interests, and voting rights held by the
48 firm's owners, belongs to individuals licensed to practice public
49 accountancy in some state, and (2) that all shareholders of a profes-
50 sional service corporation whose principal place of business is in this
51 state, and who are engaged in the practice of public accountancy in this
52 state, hold a valid license issued under section seventy-four hundred
53 four of the education law. For purposes of this paragraph, "financial
54 interest" means capital stock, capital accounts, capital contributions,

1 capital interest, or interest in undistributed earnings of a business
2 entity. Although firms may include non-licensee owners, the firm and
3 its owners must comply with rules promulgated by the state board of
4 regents. Notwithstanding the foregoing, a firm incorporated under this
5 section may not have non-licensee owners if the firm's name includes the
6 words "certified public accountant," or "certified public accountants,"
7 or the abbreviations "CPA" or "CPAs". Each non-licensee owner of a firm
8 that is incorporated under this section shall be a natural person who
9 actively participates in the business of the firm or its affiliated
10 entities. For purposes of this paragraph, "actively participate" means
11 to provide services to clients or to otherwise individually take part in
12 the day-to-day business or management of the firm. Such a firm shall
13 have attached to its certificate of incorporation a certificate or
14 certificates demonstrating the firm's compliance with this paragraph, in
15 lieu of the certificate or certificates required by subparagraph (ii) of
16 paragraph (b) of this section.

17 § 2. Section 1507 of the business corporation law is amended by adding
18 a new paragraph (c) to read as follows:

19 (c) Any firm established for the business purpose of incorporating as
20 a professional service corporation pursuant to paragraph (h) of section
21 fifteen hundred three of this article may issue shares to individuals
22 who are authorized by law to practice in this state the profession which
23 such corporation is authorized to practice and who are or have been
24 engaged in the practice of such profession in such corporation or a
25 predecessor entity, or who will engage in the practice of such profes-
26 sion in such corporation within thirty days of the date such shares are
27 issued and may also issue shares to employees of the corporation not
28 licensed as certified public accountants, provided that:

29 (i) at least fifty-one percent of the outstanding shares of stock of
30 the corporation are owned by certified public accountants,

31 (ii) at least fifty-one percent of the directors are certified public
32 accountants,

33 (iii) at least fifty-one percent of the officers are certified public
34 accountants,

35 (iv) the president, the chairperson of the board of directors and the
36 chief executive officer or officers are certified public accountants.
37 No shareholder of a firm established for the business purpose of incor-
38 porating as a professional service corporation pursuant to paragraph (h)
39 of section fifteen hundred three of this article shall enter into a
40 voting trust agreement, proxy or any other type of agreement vesting in
41 another person, other than another shareholder of the same corporation,
42 the authority to exercise voting power of any or all of his or her
43 shares. All shares issued, agreements made or proxies granted in
44 violation of this section shall be void.

45 § 3. Section 1508 of the business corporation law is amended by adding
46 a new paragraph (c) to read as follows:

47 (c) The directors and officers of any firm established for the busi-
48 ness purpose of incorporating as a professional service corporation
49 pursuant to paragraph (h) of section fifteen hundred three of this arti-
50 cle may include individuals who are not licensed to practice public
51 accountancy, provided however that at least fifty-one percent of the
52 directors, at least fifty-one percent of the officers and the president,
53 the chairperson of the board of directors and the chief executive offi-
54 cer or officers are authorized by law to practice in any state the
55 profession which such corporation is authorized to practice, and are

1 either shareholders of such corporation or engaged in the practice of
2 their professions in such corporation.

3 § 4. Section 1509 of the business corporation law, as amended by chap-
4 ter 550 of the laws of 2011, is amended to read as follows:

5 § 1509. Disqualification of shareholders, directors, officers and
6 employees.

7 If any shareholder, director, officer or employee of a professional
8 service corporation, including a design professional service corpo-
9 ration, who has been rendering professional service to the public
10 becomes legally disqualified to practice his or her profession within
11 this state, he or she shall sever all employment with, and financial
12 interests (other than interests as a creditor) in, such corporation
13 forthwith or as otherwise provided in section 1510 of this article. All
14 provisions of law regulating the rendering of professional services by a
15 person elected or appointed to a public office shall be applicable to a
16 shareholder, director, officer and employee of such corporation in the
17 same manner and to the same extent as if fully set forth herein. Such
18 legal disqualification to practice his or her profession within this
19 state shall be deemed to constitute an irrevocable offer by the disqual-
20 ified shareholder to sell his or her shares to the corporation, pursuant
21 to the provisions of section 1510 of this article or of the certificate
22 of incorporation, by-laws or agreement among the corporation and all
23 shareholders, whichever is applicable. Compliance with the terms of such
24 offer shall be specifically enforceable in the courts of this state. A
25 professional service corporation's failure to enforce compliance with
26 this provision shall constitute a ground for forfeiture of its certif-
27 icate of incorporation and its dissolution.

28 § 5. Paragraph (a) of section 1511 of the business corporation law, as
29 amended by chapter 550 of the laws of 2011, is amended and a new para-
30 graph (c) is added to read as follows:

31 (a) No shareholder of a professional service corporation [~~e~~], includ-
32 ing a design professional service corporation, may sell or transfer his
33 or her shares in such corporation except to another individual who is
34 eligible to have shares issued to him or her by such corporation or
35 except in trust to another individual who would be eligible to receive
36 shares if he or she were employed by the corporation. Nothing herein
37 contained shall be construed to prohibit the transfer of shares by oper-
38 ation of law or by court decree. No transferee of shares by operation
39 of law or court decree may vote the shares for any purpose whatsoever
40 except with respect to corporate action under sections 909 and 1001 of
41 this chapter. The restriction in the preceding sentence shall not apply,
42 however, where such transferee would be eligible to have shares issued
43 to him or her if he or she were an employee of the corporation and, if
44 there are other shareholders, a majority of such other shareholders
45 shall fail to redeem the shares so transferred, pursuant to section 1510
46 of this article, within sixty days of receiving written notice of such
47 transfer. Any sale or transfer, except by operation of law or court
48 decree or except for a corporation having only one shareholder, may be
49 made only after the same shall have been approved by the board of direc-
50 tors, or at a shareholders' meeting specially called for such purpose by
51 such proportion, not less than a majority, of the outstanding shares as
52 may be provided in the certificate of incorporation or in the by-laws of
53 such professional service corporation. At such shareholders' meeting the
54 shares held by the shareholder proposing to sell or transfer his or her
55 shares may not be voted or counted for any purpose, unless all share-
56 holders consent that such shares be voted or counted. The certificate of

1 incorporation or the by-laws of the professional service corporation, or
2 the professional service corporation and the shareholders by private
3 agreement, may provide, in lieu of or in addition to the foregoing
4 provisions, for the alienation of shares and may require the redemption
5 or purchase of such shares by such corporation at prices and in a manner
6 specifically set forth therein. The existence of the restrictions on the
7 sale or transfer of shares, as contained in this article and, if appli-
8 cable, in the certificate of incorporation, by-laws, stock purchase or
9 stock redemption agreement, shall be noted conspicuously on the face or
10 back of every certificate for shares issued by a professional service
11 corporation. Any sale or transfer in violation of such restrictions
12 shall be void.

13 (c) A firm established for the business purpose of incorporating as a
14 professional service corporation pursuant to paragraph (h) of section
15 fifteen hundred three of this article, shall purchase or redeem the
16 shares of a non-licensed professional shareholder in the case of his or
17 her termination of employment within thirty days after such termination.
18 A firm established for the business purpose of incorporating as a
19 professional service corporation pursuant to paragraph (h) of section
20 fifteen hundred three of this article, shall not be required to purchase
21 or redeem the shares of a terminated non-licensed professional share-
22 holder if such shares, within thirty days after such termination, are
23 sold or transferred to another employee of the corporation pursuant to
24 this article.

25 § 6. Section 1514 of the business corporation law is amended by adding
26 a new paragraph (c) to read as follows:

27 (c) Each firm established for the business purpose of incorporating as
28 a professional service corporation pursuant to paragraph (h) of section
29 fifteen hundred three of this article shall, at least once every three
30 years on or before the date prescribed by the licensing authority,
31 furnish a statement to the licensing authority listing the names and
32 residence addresses of each shareholder, director and officer of such
33 corporation and certify as the date of certification and at all times
34 over the entire three year period that:

35 (i) at least fifty-one percent of the outstanding shares of stock of
36 the corporation are and were owned by certified public accountants,

37 (ii) at least fifty-one percent of the directors are and were certi-
38 fied public accountants,

39 (iii) at least fifty-one percent of the officers are and were certi-
40 fied public accountants,

41 (iv) the president, the chairperson of the board of directors and the
42 chief executive officer or officers are and were certified public
43 accountants.

44 The statement shall be signed by the president or any certified public
45 accountant vice-president and attested to by the secretary or any
46 assistant secretary of the corporation.

47 § 7. Paragraph (d) of section 1525 of the business corporation law, as
48 added by chapter 505 of the laws of 1983, is amended to read as follows:

50 service corporation, whether or not denominated as such, organized under
51 the laws of a jurisdiction other than this state, all of the sharehold-
52 ers, directors and officers of which are authorized and licensed to
53 practice the profession for which such corporation is licensed to do
54 business; except that all shareholders, directors and officers of a

6 firm's owners, belongs to individuals licensed to practice public
7 accountancy in some state, and (2) that all shareholders of a foreign

17 under this section may not have non-licensee owners if the firm's name
18 includes the words "certified public accountant," or "certified public

PART GG

Section 1. Legislative findings and intent. The legislature hereby finds that as New York's immigrant population continues to grow, inability to access documents translated into languages that community members read and lack of interpretation of government services and resources into languages that community members speak are major barriers to the advancement of the state's immigrant population. However, currently New York only requires translation services into six languages, based on an Executive Order signed in 2011, leaving many New Yorkers without access to translation in languages they speak, and none of the current six languages are widely spoken among immigrants from the African continent or the Middle East. Translation is also only mandatory in a handful of executive specific agencies, instead of across all subdivisions of state and county government. The legislature believes language access improves the lives of immigrants by increasing opportunities for employment, business ownership, and other vital services, while making staff time at state agencies and authorities more efficient, benefiting all of New York.

§ 2. The executive law is amended by adding a new article 49-C to read as follows:

ARTICLE 49-C
LANGUAGE ACCESS

Section 996. Language access.

§ 996. Language access. 1. Each state agency that provides direct public services shall translate vital documents, including essential public documents such as forms and instructions provided to or completed by program beneficiaries or participants. Such translation shall be available in the twelve most common non-English languages spoken by limited English proficient immigrants of five years or less according to the American community survey, as published by the United States census bureau.

2. Each such agency shall additionally make such translations available within each region of the state, as established by article eleven of the economic development law, in the three most common non-English languages which are spoken in that region by limited English proficient immigrants of five years or less, according to the American community survey, as published by the United States census bureau, which are not already included among the twelve languages specified in subdivision one of this section.

3. The list of most common languages shall be updated every two years, based on the most recent American community survey data, as published by the United States census bureau.

4. Each agency shall provide interpretation services between the agency and an individual in their primary language with respect to the provision of services or benefits.

5. Within ninety days of the effective date of this section, each agency shall publicly publish a language access plan which reflects how the agency will comply with the language access requirements of this section, and shall set forth, at a minimum:

1 (a) when and by what means the agency will provide or is already
2 providing language access services;

3 (b) the titles of all available translated documents and the languages
4 into which they have been translated;

39 than ninety percent of the fair market rent for the rental area in which
40 it is located. Fair market rent for a rental area shall be published
41 not less than annually by the commissioner and shall be made available
42 on the website of New York state homes and community renewal.

43 § 626. Leases and tenancy. Each housing assistance payment contract
44 entered into by a housing access voucher local administrator and the
45 owner of a dwelling unit shall provide:

46 1. that the lease between the tenant and the owner shall be for a term
47 of not less than one year, except that the housing access voucher local
48 administrator may approve a shorter term for an initial lease between
49 the tenant and the dwelling unit owner if the housing access voucher
50 local administrator determines that such shorter term would improve
51 housing opportunities for the tenant and if such shorter term is consid-
52 ered to be a prevailing local market practice;

53 2. that the dwelling unit owner shall offer leases to tenants assisted
54 under this article that:

55 (a) are in a standard form used in the locality by the dwelling unit

9 is an immediate successor in interest pursuant to foreclosure during the
10 term of the lease vacating the property prior to sale shall not consti-

13 (i) will occupy the unit as a primary residence; and

14 (ii) has provided the tenant a notice to vacate at least ninety days
15 before the effective date of such notice;

16 (d) shall provide that any termination of tenancy under this section
17 shall be preceded by the provision of written notice by the owner to the
18 tenant specifying the grounds for that action, and any relief shall be

20 3. that any unit under an assistance contract originated under this
21 article shall only be occupied by the individual or family designated in
22 said contract and shall be the designated individual or family's primary

25 transfer their voucher to a different unit under a new contract pursuant
26 to this article;

27 4. that an owner shall not charge more than a reasonable rent as
28 defined in section six hundred twenty-one of this article.

29 § 627. Rental obligation. 1. The monthly rental obligation for an
30 individual or family receiving housing assistance pursuant to the hous-
31 ing access voucher program shall be the greater of:

32 (a) thirty percent of the monthly adjusted income of the family or
33 individual; or

34 (b) If the family or individual is receiving payments for welfare
35 assistance from a public agency and a part of those payments, adjusted
36 in accordance with the actual housing costs of the family, is specif-
37 ically designated by that agency to meet the housing costs of the fami-
38 ly, the portion of those payments that is so designated. These payments
39 include, but are not limited to any shelter assistance or housing
40 assistance administered by any federal, state or local agency.

41 2. If the rent for the individual or family (including the amount
42 allowed for tenant-paid utilities) exceeds the applicable payment stand-
43 ard established under subdivision three of section six hundred twenty-
44 eight of this article, the monthly assistance payment for the family
45 shall be equal to the amount by which the applicable payment standard
46 exceeds the greater of amounts under paragraphs (a) and (b) of subdivi-
47 sion one of this section.

48 § 628. Monthly assistance payment. 1. The amount of the monthly
49 assistance payment with respect to any dwelling unit shall be the
50 difference between the maximum monthly rent which the contract provides
51 that the owner is to receive for the unit and the rent the individual or
52 family is required to pay under section six hundred twenty-seven of this
53 article. Reviews of income shall be made no less frequently than annual-
54 ly.

55 2. The commissioner shall establish maximum rent levels for different
56 sized rentals in each rental area in a manner that promotes the use of

1 the program in all localities based on the fair market rental of the
2 rental area. Rental areas shall be delineated by county, excepting that
3 the city of New York shall be considered one rental area. The commis-
4 sioner may rely on data or other information promulgated by any other
5 state or federal agency in determining the rental areas and fair market
6 rent.

7 3. The payment standard for each size of dwelling unit in a rental
8 area shall not be less than ninety percent and shall not exceed one
9 hundred ten percent of the fair market rent established in section six
10 hundred twenty-one of this article for the same size of dwelling unit in
11 the same rental area, except that the commissioner shall not be required
12 as a result of a reduction in the fair market rent to reduce the payment
13 standard applied to a family continuing to reside in a unit for which
14 the family was receiving assistance under this article at the time the
15 fair market rent was reduced.

16 § 629. Inspection of units. 1. Initial inspection.

17 (a) For each dwelling unit for which a housing assistance payment
18 contract is established under this article, the housing access voucher
19 local administrator (or other entity pursuant to section six hundred
20 thirty-two of this article) shall inspect the unit before any assistance
21 payment is made to determine whether the dwelling unit meets the housing
22 quality standards under subdivision two of this section, except as
23 provided in paragraph (b) or (c) of this subdivision.

24 (b) In the case of any dwelling unit that is determined, pursuant to
25 an inspection under paragraph (a) of this subdivision, not to meet the
26 housing quality standards under subdivision two of this section, assist-
27 ance payments may be made at the discretion of a housing access voucher
28 local administrator for the unit notwithstanding subdivision three of
29 this section if failure to meet such standards is a result only of non-
30 life-threatening conditions, as such conditions are established by the
31 commissioner. A housing access voucher local administrator making
32 assistance payments pursuant to this paragraph for a dwelling unit
33 shall, thirty days after the beginning of the period for which such
34 payments are made, withhold any assistance payments for the unit if any
35 deficiency resulting in noncompliance with the housing quality standards
36 has not been corrected by such time. The housing access voucher local
37 administrator shall recommence assistance payments when such deficiency
38 has been corrected, and may use any payments withheld to make assistance
39 payments relating to the period during which payments were withheld.

40 (c) In the case of any property that within the previous twenty-four
41 months has met the requirements of an inspection that qualifies as an
42 alternative inspection method pursuant to subdivision five of this
43 section, a housing access voucher local administrator may authorize
44 occupancy before the inspection under paragraph (a) of this subdivision
45 has been completed, and may make assistance payments retroactive to the
46 beginning of the lease term after the unit has been determined pursuant
47 to an inspection under paragraph (a) of this subdivision to meet the
48 housing quality standards under subdivision two of this section. This
49 paragraph may not be construed to exempt any dwelling unit from compli-
50 ance with the requirements of subdivision four of this section.

51 2. The housing quality standards under this subdivision shall be stan-
52 dards for safe and habitable housing established:

53 (a) by the commissioner for purposes of this subdivision; or

54 (b) by local housing codes or by codes adopted by the housing access
55 voucher local administrator that:

1 (i) meet or exceed housing quality standards, except that the commis-
2 sioner may waive the requirement under this subparagraph to significant-
3 ly increase access to affordable housing and to expand housing opportu-
4 nities for families assisted under this article, except where such
5 waiver could adversely affect the health or safety of families assisted
6 under this article; and

7 (ii) do not severely restrict housing choice.

8 3. The determination required under subdivision one of this section
9 shall be made by the housing access voucher local administrator (or
10 other entity, as provided in section six hundred thirty-two of this
11 article) pursuant to an inspection of the dwelling unit conducted before
12 any assistance payment is made for the unit. Inspections of dwelling
13 units under this subdivision shall be made before the expiration of the
14 fifteen day period beginning upon a request by the resident or landlord
15 to the housing access voucher local administrator or, in the case of any
16 housing access voucher local administrator that provides assistance
17 under this article on behalf of more than one thousand two hundred fifty
18 families, before the expiration of a reasonable period beginning upon
19 such request. The performance of the housing access voucher local admin-
20 istrator in meeting the fifteen day inspection deadline shall be taken
21 into consideration in assessing the performance of the housing access
22 voucher local administrator.

23 4. (a) Each housing access voucher local administrator providing
24 assistance under this article (or other entity, as provided in section
25 six hundred thirty-two of this article) shall, for each assisted dwell-
26 ing unit, make inspections not less often than annually during the term
27 of the housing assistance payments contract for the unit to determine
28 whether the unit is maintained in accordance with the requirements under
29 subdivision one of this section.

30 (b) The requirements under paragraph (a) of this subdivision may be
31 complied with by use of inspections that qualify as an alternative
32 inspection method pursuant to subdivision five of this section.

33 (c) The housing access voucher local administrator (or other entity)
34 shall retain the records of the inspection for a reasonable time, as
35 determined by the commissioner.

36 5. An inspection of a property shall qualify as an alternative
37 inspection method for purposes of this subdivision if:

38 (a) the inspection was conducted pursuant to requirements under a
39 federal, state, or local housing program; and

40 (b) pursuant to such inspection, the property was determined to meet
41 the standards or requirements regarding housing quality or safety appli-
42 cable to properties assisted under such program, and, if a non-state
43 standard or requirement was used, the housing access voucher local
44 administrator has certified to the commissioner that such standard or
45 requirement provides the same (or greater) protection to occupants of
46 dwelling units meeting such standard or requirement as would the housing
47 quality standards under subdivision two of this section.

48 6. Upon notification to the housing access voucher local administra-
49 tor, by an individual or family (on whose behalf tenant-based rental
50 assistance is provided under this article) or by a government official,
51 that the dwelling unit for which such assistance is provided does not
52 comply with the housing quality standards under subdivision two of this
53 section, the housing access voucher local administrator shall inspect
54 the dwelling unit:

55 (a) in the case of any condition that is life-threatening, within
56 twenty-four hours after the housing access voucher local administrator's

1 receipt of such notification, unless waived by the commissioner in
2 extraordinary circumstances; and

3 (b) in the case of any condition that is not life-threatening, within
4 a reasonable time frame, as determined by the commissioner.

5 In conducting such an inspection, the housing access voucher local
6 administrator may, at its discretion, require evidence from the owner of
7 the physical condition of a unit, including, but not limited to photo-
8 graphs, signed work orders, and contractor bills in lieu of the housing
9 access voucher local administrator conducting a physical inspection.

10 7. The commissioner shall establish procedural guidelines and perform-
11 ance standards to facilitate inspections of dwelling units and conform
12 such inspections with practices utilized in the private housing market.
13 Such guidelines and standards shall take into consideration variations
14 in local laws and practices and shall provide flexibility to the housing
15 access voucher local administrator appropriate to facilitate efficient
16 provision of assistance under this section.

17 § 630. Rent. 1. The rent for dwelling units for which a housing
18 assistance payment contract is established under this article shall be
19 reasonable in comparison with rents charged for comparable dwelling
20 units in the private, unassisted local market.

21 2. A housing access voucher local administrator (or other entity, as
22 provided in section six hundred thirty-two of this article) shall, at
23 the request of an individual or family receiving tenant-based assistance
24 under this article, assist that individual or family in negotiating a
25 reasonable rent with a dwelling unit owner. A housing access voucher
26 local administrator (or other such entity) shall review the rent for a
27 unit under consideration by the individual or family (and all rent
28 increases for units under lease by the individual or family) to deter-
29 mine whether the rent (or rent increase) requested by the owner is
30 reasonable. If a housing access voucher local administrator (or other
31 such entity) determines that the rent (or rent increase) for a dwelling
32 unit is not reasonable, the housing access voucher local administrator
33 (or other such entity) shall not make housing assistance payments to the
34 owner under this subdivision with respect to that unit.

35 3. If a dwelling unit for which a housing assistance payment contract
36 is established under this article is exempt from local rent control
37 provisions during the term of that contract, the rent for that unit
38 shall be reasonable in comparison with other units in the rental area
39 that are exempt from local rent control provisions.

40 4. Each housing access voucher local administrator shall make timely
41 payment of any amounts due to a dwelling unit owner under this section,
42 subject to appropriation of funds for this purpose. The housing assist-
43 ance payment contract between the owner and the housing access voucher
44 local administrator may provide for penalties for the late payment of
45 amounts due under the contract, which shall be imposed on the housing
46 access voucher local administrator in accordance with generally accepted
47 practices in the local housing market.

48 5. Unless otherwise authorized by the commissioner, each housing
49 access voucher local administrator shall pay any penalties from adminis-
50 trative fees collected by the housing access voucher local administra-
51 tor, except that no penalty shall be imposed if the late payment is due
52 to factors that the commissioner determines are beyond the control of
53 the housing access voucher local administrator.

54 § 631. Vacated units. If an assisted family vacates a dwelling unit
55 for which rental assistance is provided under a housing assistance
56 payment contract before the expiration of the term of the lease for the

1 unit, rental assistance pursuant to such contract may not be provided
2 for the unit after the month during which the unit was vacated.

3 § 632. Leasing of units owned by a housing access voucher local admin-
4 istrator. 1. If an eligible individual or family assisted under this
5 article leases a dwelling unit (other than a public housing dwelling
6 unit) that is owned by a housing access voucher local administrator
7 administering assistance to that individual or family under this
8 section, the commissioner shall require the unit of general local
9 government or another entity approved by the commissioner, to make
10 inspections required under section six hundred twenty-nine of this arti-
11 cle and rent determinations required under section six hundred thirty of
12 this article. The housing access voucher local administrator shall be
13 responsible for any expenses of such inspections and determinations,
14 subject to the appropriation of funds for this purpose.

15 2. For purposes of this section, the term "owned by a housing access
16 voucher local administrator" means, with respect to a dwelling unit,
17 that the dwelling unit is in a project that is owned by such administra-
18 tor, by an entity wholly controlled by such administrator, or by a
19 limited liability company or limited partnership in which such adminis-
20 trator (or an entity wholly controlled by such administrator) holds a
21 controlling interest in the managing member or general partner. A dwell-
22 ing unit shall not be deemed to be owned by a housing access voucher
23 local administrator for purposes of this section because such adminis-
24 trator holds a fee interest as ground lessor in the property on which
25 the unit is situated, holds a security interest under a mortgage or deed
26 of trust on the unit, or holds a non-controlling interest in an entity
27 which owns the unit or in the managing member or general partner of an
28 entity which owns the unit.

29 § 633. Verification of income. The commissioner shall establish proce-
30 dures which are appropriate and necessary to assure that income data
31 provided to the housing access voucher local administrator and owners by
32 individuals and families applying for or receiving assistance under this
33 article is complete and accurate. In establishing such procedures, the
34 commissioner shall randomly, regularly, and periodically select a sample
35 of families to authorize the commissioner to obtain information on these
36 families for the purpose of income verification, or to allow those fami-
37 lies to provide such information themselves. Such information may
38 include, but is not limited to, data concerning unemployment compen-
39 sation and federal income taxation and data relating to benefits made
40 available under the social security act, 42 U.S.C. 301 et seq., the food
41 and nutrition act of 2008, 7 U.S.C. 2011 et seq., or title 38 of the
42 United State Code. Any such information received pursuant to this
43 section shall remain confidential and shall be used only for the purpose
44 of verifying incomes in order to determine eligibility of individuals
45 and families for benefits (and the amount of such benefits, if any)
46 under this article.

47 § 634. Division of an assisted family. 1. In those instances where a
48 family assisted under this article becomes divided into two otherwise
49 eligible individuals or families due to divorce, legal separation or the
50 division of the family, where the new units cannot agree as to which new
51 unit should continue to receive the assistance, and where there is no
52 determination by a court, the public housing authority shall consider
53 the following factors to determine which of the individuals or families
54 will continue to be assisted:

55 (a) which of the new units has custody of dependent children;

- 1 (b) which family member was the head of household when the voucher was
 2 initially issued as listed on the initial application;
 3 (c) the composition of the new units and which unit includes elderly
 4 or disabled members;
 5 (d) whether domestic violence was involved in the breakup of the fami-
 6 ly unit;
 7 (e) which family members remain in the unit; and
 8 (f) recommendations of social service professionals.

9 2. Documentation of these factors will be the responsibility of the
 10 requesting parties. If documentation is not provided, the housing access
 11 voucher local administrator will terminate assistance on the basis of
 12 failure to provide information necessary for a recertification.

13 § 635. Maintenance of effort. Any funds made available pursuant to
 14 this article shall not be used to offset or reduce the amount of funds
 15 previously expended for the same or similar programs in a prior year in
 16 any county or in the city of New York, but shall be used to supplement
 17 any prior year's expenditures. The commissioner may grant an exception
 18 to this requirement if any county, municipality, or other governmental
 19 entity or public body can affirmatively show that such amount of funds
 20 previously expended is in excess of the amount necessary to provide
 21 assistance to all individuals and families within the area in which the
 22 funds were previously expended who are homeless or facing an imminent
 23 loss of housing.

24 § 636. Vouchers statewide. Notwithstanding section six hundred twen-
 25 ty-six of this article, any voucher issued pursuant to this article may
 26 be used for housing anywhere in the state. The commissioner shall inform
 27 voucher holders that a voucher may be used anywhere in the state and, to
 28 the extent practicable, the commissioner shall assist voucher holders in
 29 finding housing in the area of their choice.

30 § 637. Applicable codes. Housing eligible for participation in the
 31 housing access voucher program shall comply with applicable state and
 32 local health, housing, building and safety codes.

33 § 638. Housing choice. 1. The commissioner shall administer the hous-
 34 ing access voucher program under this article to promote housing choice
 35 for voucher holders. The commissioner shall affirmatively promote fair
 36 housing to the extent possible under this program.

37 2. Nothing in this article shall lessen or abridge any fair housing
 38 obligations promulgated by municipalities, localities, or any other
 39 applicable jurisdiction.

40 § 2. This act shall take effect on the first of April next succeeding
 41 the date on which it shall have become a law. Effective immediately, the
 42 addition, amendment and/or repeal of any rule or regulation necessary
 43 for the implementation of this act on its effective date are authorized
 44 to be made and completed on or before such effective date.

45

PART 00

46 Section 1. This Part enacts into law major components of legislation
 47 in relation to utility ratepayer burden relief. Each component is wholly
 48 contained within a Subpart identified as Subparts A and B. The effective
 49 date for each particular provision contained within such Subpart is set
 50 forth in the last section of such Subpart. Any provision in any section
 51 contained within a Subpart, including the effective date of the Subpart,
 52 which makes reference to a section of "this act", when used in
 53 connection with that particular component, shall be deemed to mean and
 54 refer to the corresponding section of the Subpart in which it is found.

1 Section two contains a severability clause for all provisions contained
2 in each Subpart of this Part.

3 Section three of this act sets forth the general effective date of
4 this Part.

5 SUBPART A

6 Section 1. Subdivision 1 of section 97 of the social services law, as
7 added by chapter 785 of the laws of 1983, is amended to read as follows:

8 1. The department is authorized to develop and submit to the governor
9 the application and plan required by title twenty-six of the federal
10 omnibus budget reconciliation act of nineteen hundred eighty-one, and to
11 amend and to take whatever other action may be necessary with respect to
12 such plan, including, but not limited to, acting for the state in any
13 negotiations relative to the submission of such plan, and making such
14 arrangements and taking such action, not inconsistent with law, as may
15 be required to submit, implement, administer and operate such plan, and
16 to secure for the state the benefits available under such act; provided,
17 however, that the state shall provide in such plan, if authorized by the
18 federal government, the use of net income for income calculations; cate-
19 gorical eligibility for households in which one household member
20 receives supplemental security income, temporary assistance for needy
21 families, supplemental nutrition assistance program benefits, or means-
22 tested veterans programs; priority eligibility for cooling assistance
23 for elderly individuals, disabled individuals, young children, and
24 households with high energy burdens; and priority eligibility for crisis
25 assistance for elderly individuals, disabled individuals, young chil-
26 dren, and households with high energy burdens.

27 § 2. This act shall take effect immediately.

28 SUBPART B

29 Section 1. The office of temporary and disability assistance shall
30 develop program materials which will be made available to utilities and
31 community agencies for the purpose of informing the public about the
32 availability of existing and new utility assistance programs. Local
33 social service districts may contract for the provision of an outreach
34 program to inform potentially eligible households of the availability of
35 assistance pursuant to section 131-s of the social services law.

36 § 2. This act shall take effect immediately.

37 § 2. Severability. If any clause, sentence, paragraph, subdivision,
38 section or subpart contained in any part of this act shall be adjudged
39 by any court of competent jurisdiction to be invalid, such judgment
40 shall not affect, impair, or invalidate the remainder thereof, but shall
41 be confined in its operation to the clause, sentence, paragraph, subdi-
42 vision, section or subpart contained in any part thereof directly
43 involved in the controversy in which such judgment shall have been
44 rendered. It is hereby declared to be the intent of the legislature that
45 this act would have been enacted even if such invalid provisions had not
46 been included herein.

47 § 3. This act shall take effect immediately, provided, however, that
48 the applicable effective date of Subparts A and B of this act shall be
49 as specifically set forth in the last section of such Subparts.

50 PART PP

1 Section 1. Paragraph (a) of subdivision 2 of section 106 of the social
2 services law, as amended by section 1 of part 00 of chapter 56 of the
3 laws of 2021, is amended to read as follows:

4 (a) Notwithstanding subdivision one of this section, if, prior to the
5 effective date of the chapter of the laws of two thousand twenty-one
6 that amended this section, a social services official accepted a deed of
7 real property and/or a mortgage on behalf of the social services
8 district for the assistance of a person at public expense, such social
9 services official shall not assert any claim under any provision of this
10 section to recover:

11 (1) any payments of public assistance made on or after April first,
12 two thousand twenty-two;

13 (2) payments made as part of Supplemental Nutrition Assistance Program
14 (SNAP), child care services, Emergency Assistance to Adults or the Home
15 Energy Assistance Program (HEAP);

16 [~~2~~] (3) payments of public assistance if such payments were reim-
17 bursed by child support collections;

18 [~~3~~] (4) payments of public assistance unless, before a deed or mort-
19 gage was accepted from an applicant or recipient, the official first
20 received a signed acknowledgment from the applicant or recipient
21 acknowledging that:

22 A. benefits provided as part of Supplemental Nutrition Assistance
23 Program (SNAP), child care services, Emergency Assistance to Adults or
24 the Home Energy Assistance Program (HEAP) may not be included as part of
25 the recovery to be made under the mortgage or lien; and

26 B. if the applicant or recipient declines to provide the lien or mort-
27 gage the children in the household shall remain eligible for public
28 assistance.

29 § 2. Subdivision 2 of section 106 of the social services law is
30 amended by adding four new paragraphs (g), (h), (i) and (j) to read as
31 follows:

32 (g) Where a mortgage has been taken in accordance with the provisions
33 of this section prior to the effective date of the chapter of the laws
34 of two thousand twenty-one that amended this section, and the property
35 covered by the deed or mortgage is occupied, in whole or in part, by the
36 responsible relative who gave such deed or mortgage to the social
37 services official or, by a child for whose benefit the aid was granted,
38 the social services official shall not sell the property or assign or
39 enforce the mortgage without the written consent of the department; and,
40 when the property is occupied by such child, such consent shall not be
41 given unless it appears reasonably certain that the sale or other dispo-
42 sition of the property will not materially adversely affect the welfare
43 of such child.

44 (h) The net amount recovered by the social services department from
45 such property, less any expenditures approved by the department for the
46 burial of the relative or the child who dies while in receipt of aid
47 under this title, shall be used to repay the social services district,
48 the state and the federal government their proportionate share of the
49 cost of family assistance granted. The state and federal share shall be
50 paid by the social services district to the state and the manner and
51 amount of such payment shall be determined in accordance with the regu-
52 lations of the department.

53 (i) If any balance remains it shall belong to the estate of the legal-
54 ly responsible relative or relatives and the public welfare district
55 shall forthwith credit the same accordingly, and, provided they claim it
56 within four years thereafter, pay it to the persons entitled thereto. If

1 not so claimed within four years, it shall be deemed abandoned property
2 and be paid to the state comptroller pursuant to section thirteen
3 hundred five of the abandoned property law.

4 (j) Such property shall not be considered public property and shall
5 remain on the tax rolls and such deed or mortgage shall be subject to
6 redemption as provided in subparagraph one of paragraph (d) of this
7 subdivision.

8 § 3. This act shall take effect on the same date and in the same
9 manner as section 3 of part 00 of chapter 56 of the laws of 2021, takes
10 effect.

11 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
12 sion, section or part of this act shall be adjudged by any court of
13 competent jurisdiction to be invalid, such judgment shall not affect,
14 impair, or invalidate the remainder thereof, but shall be confined in
15 its operation to the clause, sentence, paragraph, subdivision, section
16 or part thereof directly involved in the controversy in which such judg-
17 ment shall have been rendered. It is hereby declared to be the intent of
18 the legislature that this act would have been enacted even if such
19 invalid provisions had not been included herein.

20 § 3. This act shall take effect immediately provided, however, that
21 the applicable effective date of Parts A through PP of this act shall be
22 as specifically set forth in the last section of such Parts.
