9 (h) Notwithstanding the provisions of subdivisions (b) and (c) of this 10 section, a person convicted of a traffic infraction for a violation of any ordinance, order, rule, regulation or local law adopted pursuant to 11 12 or more of the following provisions of this chapter: paragraphs two one 13 and nine of subdivision (a) of section sixteen hundred twenty-one; 14 subdivision three of section sixteen hundred thirty; or subdivision five 15 of section seventy-one of the transportation law, prohibiting the operation on a highway or parkway of a motor vehicle registered as a commer-16 17 cial vehicle and having a gross vehicle weight rating of at least ten 18 thousand pounds but no more than twenty-six thousand pounds shall, for a 19 first conviction thereof, be punished by a fine of not more than [three 20 **hundred fifty**] one thousand dollars or by imprisonment of not more than fifteen days or by both such fine and imprisonment; for a conviction of 21 a second violation, both of which were committed within a period of 22 23 eighteen months, such person shall be punished by a fine of not more 24 than [seven] fifteen hundred dollars or by imprisonment for not more 25 than forty-five days or by both such fine and imprisonment; upon a 26 conviction of a third or subsequent violation, all of which were commit-27 ted within a period of eighteen months, such person shall be punished by 28 a fine of not more than [one] two thousand five hundred dollars or by 29 imprisonment of not more than ninety days or by both such fine and 30 imprisonment; provided, however, the provisions of this subdivision 31 shall not apply to a commercial motor vehicle as such term is defined in 32 paragraph (a) of subdivision four of section five hundred one-a of this 33 chapter.

34 (i) Notwithstanding the provisions of subdivisions (b) and (c) of this 35 section, a person convicted of a traffic infraction for a violation of any ordinance, order, rule, regulation or local law adopted pursuant to 36 37 one or more of the following provisions of this chapter: paragraphs two 38 and nine of subdivision (a) of section sixteen hundred twenty-one; subdivision three of section sixteen hundred thirty; or subdivision five 39 of section seventy-one of the transportation law, prohibiting the opera-40 41 tion on a highway or parkway of a commercial motor vehicle as defined in 42 paragraph (a) of subdivision four of section five hundred one-a of this 43 chapter, for a first conviction thereof, be punished by a fine of not 44 more than [seven hundred] five thousand dollars or by imprisonment of 45 not more than fifteen days or by both such fine and imprisonment; for a 46 conviction of a second violation, both of which were committed within a 47 period of eighteen months, such person shall be punished by a fine of 48 not more than [one] seven thousand five hundred dollars or by imprison-49 ment for not more than forty-five days or by both such fine and impri-50 sonment; upon a conviction of a third or subsequent violation, all of 51 which were committed within a period of eighteen months, such person 52 shall be punished by a fine of not more than [two] ten thousand dollars 53 or by imprisonment of not more than ninety days or by both such fine and 54 imprisonment. In addition to the penalties provided for in this subdivi-

sion, the registration of the vehicle may be suspended for a period not 1 to exceed one year whether at the time of the violation the vehicle was 2 in charge of the owner or his agent. The provisions of section five 3 4 hundred ten of this chapter shall apply to such suspension except as 5 otherwise provided herein. б § 2. Subdivision 18-a of section 385 of the vehicle and traffic law, 7 as added by section 2 of part B of chapter 58 of the laws of 2020, is 8 amended to read as follows: 9 18-a. A violation of the provisions of subdivisions two or fourteen of 10 this section, where the violation relates to the height of the vehicle, 11 including a violation related to the operation, within a city not wholly 12 included within one county, of a vehicle which exceeds the limitations provided for in the rules and regulations of the city department of 13 14 transportation of such city, shall be punishable by a fine of not more 15 than [ono ] five thousand dollars, or by imprisonment for not more than thirty days, or by both such fine and imprisonment, for the first 16 17 offense; by a fine of not more than [two] seven thousand five hundred dollars, or by imprisonment for not more than sixty days, or by both 18 such fine and imprisonment, for the second or subsequent offense; 19 20 provided that a sentence or execution thereof for any violation under 21 this subdivision may not be suspended. For any violation of the 22 provisions of subdivisions two or fourteen of this section where the violation relates to the height of the vehicle, including a violation 23 related to the operation, within a city not wholly included within one 24 25 county, of a vehicle which exceeds the limitations provided for in the rules and regulations of the city department of transportation of such 26 27 city, the registration of the vehicle may be suspended for a period not 28 to exceed one year whether at the time of the violation the vehicle was in charge of the owner or his agent. The provisions of section five 29 30 hundred ten of this chapter shall apply to such suspension except as 31 otherwise provided herein. 32 § 3. Subdivision 54 of section 375 of the vehicle and traffic law, as 33 amended by chapter 473 of the laws of 2021, is amended to read as 34 follows: 35 54. Stretch limousine [and], charter bus, and commercial motor vehicle 36 commercial GPS. (a) Every stretch limousine [and], charter bus, and 37 commercial motor vehicle registered in this state shall be equipped with 38 commercial global positioning system (GPS) technology within no later 39 than one year of the date upon which the national highway traffic safety 40 administration promulgates final regulations establishing standards for 41 commercial GPS. 42 (b) It shall be unlawful to operate or cause to be operated a stretch 43 limousine [er], charter bus, or commercial motor vehicle registered in this state on any public highway or private road open to public motor 44 45 vehicle traffic unless such stretch limousine [or], charter bus, or 46 commercial motor vehicle is equipped with commercial global positioning 47 system (GPS) technology as required by this subdivision and such commer-48 cial global positioning system (GPS) technology is used. The presence in such stretch limousine [or], charter bus, or commercial motor vehicle of 49 commercial global positioning system (GPS) technology connected to a 50 51 power source and in an operable condition is presumptive evidence of its 52 use by any person operating such stretch limousine [er], charter bus, or 53 commercial motor vehicle. Such presumption may be rebutted by any cred-54 ible and reliable evidence which tends to show that such commercial 55 global positioning system (GPS) technology was not in use.

56 (c) For the purposes of this subdivision:

(i) "Stretch limousine" shall mean an altered motor vehicle having a 1 seating capacity of nine or more passengers, including the driver, 2 commonly referred to as a "stretch limousine" and which is used in the 3 4 business of transporting passengers for compensation; 5 (ii) "Charter bus" shall mean a bus transporting passengers for б compensation in a chartered party; 7 (iii) "Chartered party" shall mean a group of persons who, pursuant to 8 a common purpose and under a single contract and at a fixed charge, have acquired exclusive use of a bus to travel together as a group to a 9 10 specific destination or for a particular itinerary either agreed upon in 11 advance or modified after having left the place of origin by such group; 12 [and] 13 (iv) "Commercial motor vehicle" shall mean a motor vehicle or combina-14 tion of vehicles having a gross combination weight rating of more than 15 ten thousand pounds used in commerce to transport property or persons and shall include a tow truck with a gross vehicle weight rating of at 16 17 least eighty-six hundred pounds; and (v) "Commercial global positioning system (GPS) technology" shall mean 18 19 global positioning system (GPS) technology which has been specifically 20 designed to assist in the navigation of commercial motor vehicles. 21 The vehicle and traffic law is amended by adding a new section S 4. 22 509-vv to read as follows: 23 § 509-vv. The use of non-commercial global positioning systems. One 24 year following the date upon which the national highway traffic safety 25 administration promulgates final regulations establishing standards for commercial global positioning systems (GPS), the use of non-commercial 26 27 global positioning systems (GPS) by any commercial driver or commercial 28 motor carrier, while engaged in the operation or directing the operation of any commercial vehicle, is prohibited. For purposes of this section, 29 30 non-commercial global position system (GPS) shall mean any global posi-31 tioning technology which has not been specifically designed to assist in 32 the navigation of commercial vehicles. § 5. The vehicle and traffic law is amended by adding a new section 33 34 509-vvv to read as follows: 509-vvv. Parkways notification. Commercial carriers must notify, 35 S 36 in writing, all commercial drivers in their employ of the prohibition 37 against operating commercial motor vehicles on parkways. The vehicle and traffic law is amended by adding a new section 38 §б. 39 509-ii to read as follows: 40 § 509-ii. The use of non-commercial global positioning systems. One year following the date upon which the national highway traffic safety 41 42 administration promulgates final regulations establishing standards for 43 commercial global positioning systems (GPS), the use of non-commercial 44 global positioning systems (GPS) by any bus driver or motor carrier, 45 while engaged in the operation or directing the operation of any bus, is 46 For purposes of this section, non-commercial global posiprohibited. 47 tion system (GPS) shall mean any global positioning technology which has 48 not been specifically designed to assist in the navigation of commercial 49 vehicles. 50 § 7. The vehicle and traffic law is amended by adding a new section 51 509-iii to read as follows: 52 <u>§ 509-iii. Parkways notification. Motor carriers must notify, in</u> 53 writing, all bus drivers in their employ of the prohibition against 54 operating commercial motor vehicles on parkways. 55 § 8. The general business law is amended by adding a new section 396-

56 zz to read as follows:

1	§ 396-zz. Commercial vehicle owner notifications of parkway prohibi-
2	tions. (a) All rental vehicle companies, as defined in section three
3	hundred ninety-six-z of this article, must notify in writing all author-
4	ized drivers or renters, as defined in section three hundred
5	ninety-six-z of this article, of the prohibition against commercial
б	motor vehicles operating on parkways for any rentals or leases of
7	commercial motor vehicles. For purposes of this section "commercial
8	motor vehicle" shall mean a motor vehicle or combination of vehicles
9	having a gross combination weight rating of more than ten thousand
10	pounds used to transport property or persons and shall include a tow
11	truck with a gross vehicle weight rating of at least eighty-six hundred
12	pounds.
13	(b) A conviction for a violation of this section shall be punishable
14	by a fine of not more than one thousand dollars.
15	§ 9. Severability. If any clause, sentence, subdivision, paragraph,
16	section or part of this act be adjudged by any court of competent juris-
17	diction to be invalid, or if any federal agency determines in writing
18	that this act would render New York state ineligible for the receipt of
19	federal funds, such judgment or written determination shall not affect,
20	impair or invalidate the remainder thereof, but shall be confined in its
21	operation to the clause, sentence, subdivision, paragraph, section or
22	part thereof directly involved in the controversy in which such judgment
23	or written determination shall have been rendered.
24	§ 10. This act shall take effect on the one hundred eightieth day
25	after it shall have become a law; provided, however, that if chapter 473
26	of the laws of 2021 shall not have taken effect on or before such date
27	then section three of this act shall take effect on the same date and in
28	the same manner as such chapter of the laws of 2021 takes effect;
29	provided further that this act shall be deemed repealed if any federal
30	agency determines in writing that this act would render New York state
31	ineligible for the receipt of federal funds or any court of competent
32	jurisdiction finally determines that this act would render New York
33	state out of compliance with federal law or regulation; and provided
34	that the commissioner of transportation shall notify the legislative
35	bill drafting commission upon the occurrence of the provisions of this
36	act in order that the commission may maintain an accurate and timely
37	effective data base of the official text of the laws of the state of New
38	York in furtherance of effectuating the provisions of section 44 of the
39	legislative law and section 70-b of the public officers law; and
40	provided further, however, that with respect to sections four and six of
41	this act, the commissioner of transportation shall notify the legisla-
42	tive bill drafting commission upon the occurrence of the provisions of
43	sections four and six of this act, in order that the commission may
44	maintain an accurate and timely effective data base of the official text
45	of the laws of the state of New York in furtherance of effectuating the
46	provisions of section 44 of the legislative law and section 70-b of the
47	public officers law. Effective immediately, the addition, amendment
48	and/or repeal of any rule or regulation necessary for the implementation
49	of this act on its effective date are authorized to be made and
50	completed on or before such effective date.

## SUBPART F

52 Section 1. Section 52 of the highway law, as amended by chapter 297 of 53 the laws of 1972, the fourth undesignated paragraph as amended by chap-54 ter 643 of the laws of 1998 and the closing paragraph as amended by

1 section 14 of part EE of chapter 63 of the laws of 2000, is amended to 2 read as follows:

3 52. Permits for work within the state highway right of way. 1. § Except in connection with the construction, reconstruction, maintenance 4 5 or improvement of a state highway, no person, firm, corporation, munici-6 pality, or state department or agency shall construct or improve, within 7 the state highway right of way an entrance or connection to such highway, or construct within the state highway right of way any works, 8 9 structure or obstruction, or any overhead or underground crossing there-10 of, or lay or maintain therein underground wires or conduits or drain-11 age, sewer or water pipes, except in accordance with the terms and conditions of a work permit issued by the commissioner of transportation 12 13 or his duly designated agent, notwithstanding any consent or franchise 14 granted by any town or county superintendent, or by any other municipal 15 authority. Any municipal corporation may enter upon any state highway 16 for the purpose of widening the pavement or for any other purpose 17 authorized by this section, but only after securing a permit as provided herein. Notwithstanding the limitations in any general or special law, 18 19 every municipal corporation shall have and is hereby given authority to 20 deposit with the department of transportation, such a sum of money or a 21 security bond as may be required by the commissioner of transportation 22 a condition precedent to the granting of the permit provided in this as 23 section.

24 2. (a) The commissioner of transportation shall establish regulations 25 governing the issuance of highway work permits, including the fees to be charged therefor, a system of deposits of money or bonds guaranteeing 26 27 the performance of the work and requirements of insurance to protect the 28 interests of the state during performance of the work pursuant to a 29 highway work permit. With respect to driveway entrance permits, the 30 regulations shall take into consideration the prospective character of 31 the development, the traffic which will be generated by the facility 32 within the reasonably foreseeable future, the design and frequency of 33 access to the facility, the effect of the facility upon drainage as 34 related to existing drainage systems, the extent to which such facility impair the safety and traffic carrying capacity of the existing 35 may 36 state highway and any proposed improvement thereto within the reasonably 37 foreseeable future, and any standards governing access, non-access or 38 limited access which have been established by the department of trans-39 portation.

40 (b) Upon completion of the work within the state highway right of way, 41 authorized by the work permit, the person, firm, corporation, munici-42 pality, or state department or agency, and his or its successors in 43 interest, shall be responsible for the maintenance and repair of such 44 work or portion of such work as set forth within the terms and condi-45 tions of the work permit.

46 3. An advertising sign, display or device, or any part thereof, 47 erected or maintained in violation of this section shall be removed from 48 the state highway right of way by the owner or the party responsible for its erection and maintenance. The commissioner of transportation shall 49 make a demand by mail, to the last known address of the owner, apparent 50 owner or party responsible for the erection and maintenance of such 51 advertising sign, display or device, for its removal and, if it is not 52 53 removed within thirty days from the date of the mailing of such demand, 54 the commissioner of transportation may remove any such advertising sign, display or device, or any part thereof, from the state highway right of 55 56 way. Any such legally permitted, erected and maintained sign, display or

device may be maintained by its owner in accordance with the provisions 1 2 of this section upon the approval of the permit issuing office on the same terms and conditions as may exist for the granting of such 3 approvals generally. Where such approvals are for permits to control 4 5 vegetation, the permit issuing office shall approve no more than two 6 hundred fifty permits per annum. The commissioner of transportation may 7 also order the approval of additional permits to control vegetation on 8 an individual basis upon demonstration of acute need.

9 4. The term "state highway right of way" shall, for the purposes of 10 this section, mean the entire width between the boundary line of all 11 property which has been purchased or appropriated by the state for state 12 highway purposes, all property over which the commissioner of transportation or his predecessors has assumed jurisdiction for state highway 13 14 purposes, all property over which the commissioner of transportation has 15 assumed jurisdiction during the period of construction, reconstruction 16 or improvement and all property which has become part of the state high-17 way system through dedication or use.

18 5. Any person, firm or corporation violating this section shall be 19 liable [to] for a fine of not [less than twenty-five dollars nor] more than [one] twenty-five thousand dollars for each day of violation to be 20 21 recovered by the commissioner of transportation. All fees, fines or 22 penalties collected or recovered by the commissioner pursuant to this section shall be deposited by the comptroller into the special obli-23 gation reserve and payment account of the dedicated highway and bridge 24 25 trust fund established pursuant to section eighty-nine-b of the state finance law, excepting monies deposited with the state on account of 26 27 betterments performed pursuant to subdivision twenty-seven or subdivi-28 sion thirty-five of section ten of this chapter.

29 § 2. This act shall take effect immediately.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivi-30 31 sion, section or Subpart of this Part shall be adjudged by any court of 32 competent jurisdiction to be invalid, such judgment shall not affect, 33 impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, 34 section 35 Subpart thereof directly involved in the controversy in which such or 36 judgment shall have been rendered. It is hereby declared to be the 37 intent of the legislature that this Part would have been enacted even if 38 such invalid provisions had not been included herein.

39 § 3. This act shall take effect immediately; provided, however, that 40 the applicable effective date of Subparts A through F of this Part shall 41 be as specifically set forth in the last section of such Subparts.

42

### PART B

43 Section 1. Paragraph (e) of subdivision 4 of section 10-c of the high-44 way law, as amended by section 1 part A of chapter 58 of the laws of 45 2020, is amended to read as follows:

46 allocated for local street or highway projects under this (e) Funds 47 subdivision shall be used to undertake work on a project either with the municipality's own forces or by contract, provided however, that whenev-48 49 er the estimate for the construction contract work exceeds one hundred 50 thousand dollars but does not exceed [three] seven hundred fifty thou-51 sand dollars such work must be performed either with the municipality's 52 own forces or by contract let by competitive bid in accordance with the 53 provisions of section one hundred three of the general municipal law and 54 provided further, however, that whenever the estimate for the

construction contract work exceeds [three] seven hundred fifty thousand 1 2 dollars such work must be performed by contract let by competitive bid 3 in accordance with the provisions of section one hundred three of the 4 general municipal law. § 2. This act shall take effect immediately. 5 б PART C 7 Section 1. Section 14-1 of the transportation law, as added by 8 section 2 of part H of chapter 413 of the laws of 1999, paragraph (f) of 9 subdivision 2 as amended by section 1 of subpart XX of chapter 59 of the 10 laws of 2021, is amended to read as follows: § 14-1. Airport improvement and revitalization. 1. Notwithstanding any 11 12 other provision of law to the contrary, an airport improvement and revi-13 talization grant [and loan] program is established. Such program is 14 established to provide assistance for the revitalization of public use 15 airports through funding of projects or portions thereof, for which sufficient federal capital assistance and required non-federal matching 16 17 funding is not available and provided the project is consistent with the 18 airport layout plan approved by the department or the Federal Aviation 19 Administration. The funding of capital improvements pursuant to this 20 section shall not be used to provide the non-federal matching share for 21 federal airport capital improvement grants. 2. (a) Assistance may consist of grants [and loans] for capital 22 23 improvements and technical assistance provided by the department pursu-24 ant to this section. 25 [Leans and grants] Grants pursuant to this section may be made to any 26 municipal corporation, public authority, public benefit corporation or any combination thereof, or to other owners of a public use airport for 27 28 the purpose of improving a public use airport. A county, pursuant to a written agreement, may act on behalf of one or more cities, towns or 29 30 villages for the purposes of this section. No such assistance shall be 31 provided to any airport operated by a bi-state authority. 32 (b) Improvements pursuant to this section may be made for the follow-33 ing purposes: 34 (i) construction, reconstruction, improvement, reconditioning and 35 preservation of capital facilities where the service life of the project is at least ten years, and related engineering services provided, howev-36 37 er, that for pavement management projects the service life of the 38 project shall be at least five years; and 39 (ii) purchase of airport equipment, including navigational aids, 40 acquisition of land and easements [ + and 41 (iii) technical appiptance for airports including, but not limited to, 42 preparation of studies to attract, retain or improve air carrier or air 43 cargo services including low fare commercial service air carrier services, airport business plans, activities to inform the general 44 45 public or public and private organizations of the availability and 46 economic impact of the airport and the aviation services at the airport 47 on the community]. 48 (c) Assistance pursuant to this section shall be provided pursuant to 49 contract with the commissioner. Contracts for capital improvements shall 50 insure the availability to the public of any airport improved hereunder for the useful life of such improvement as defined in section sixty-one 51 the state finance law. The commissioner shall establish standards 52 of governing the form, content and submission of applications for partic-53 54 ipation in this program. Such standards shall include, but not be limit-

ed to, the requirement that, with respect to applications submitted by 1 2 owners of privately-owned airports, the commissioner shall make a deter-3 mination that a request submitted by such owners will serve a public 4 [and such applications are accompanied by]. Before any funding purpose 5 under this section may be accepted or disbursed, the commissioner must 6 be provided with a resolution from the governing body of the county in 7 which such privately-owned airport is located formally endorsing the 8 project for which assistance is requested. The commissioner shall not 9 approve an application for a grant [or loan] unless the applicant can 10 demonstrate commitment of sufficient funds to provide the match set 11 forth in paragraph (d) of this subdivision. 12 [All loans shall be repaid within ten years and bear such rate interest as shall be established therefor by the commissioner upon the 13 14 issuance of the loan; provided, however, such rate shall not exceed six percent per annum. Payments on all loans shall be made to the department 15 and credited to the airport improvement and revitalization fund estab-16 lished pursuant to section eighty-eight-d of the state finance law.] 17 (d) Matching ratios. [(i)] Capital grants [and loans]. State assist-18 19 ance for the program shall cover the following share of the project 20 cost: for general aviation airports and commercial service airports with 21 less than fifty thousand annual enplanements, up to ninety percent; for 22 commercial service airports with fifty thousand or more but less than seven hundred thousand annual enplanements, up to eighty percent; 23 and for commercial service airports with annual enplanements of seven 24 25 hundred thousand or more, up to seventy percent. 26 [(ii) Technical assistance. Technical assistance may be up to eighty 27 percent of the project cost. Funding for technical assistance shall be 28 limited to general aviation airports and commercial service airports with less than two hundred fifty thousand annual enplanements, provided, 29 however, that such funding may be granted to general aviation airports 30 31 and commercial service airports, regardless of the number of annual 32 enplanements, for the preparation of studies to attract, retain or 33 improve low fare commercial service air carrier services. The entire 34 cost of regional or statewide studies conducted by or on behalf of the 35 department may be funded.] 36 (e) Funds for assistance pursuant to this section shall be from the 37 improvement and revitalization fund established pursuant to airport section eighty-eight-d of the state finance law. No funds shall be paid 38 39 pursuant to this section unless the applicant for assistance provides for the required non-state funded share of the costs of a project. 40 41 (f) No grant [or loan] to any eligible applicant shall exceed the sum 42 [two] <u>five</u> million [five hundred thousand] dollars, and no part of of 43 any such grant [or loan] shall be used for salaries or for services 44 regularly provided by the applicant for administrative costs in 45 connection with such grant [or loan]. 46 (g) On or before May first each year, the commissioner shall submit a 47 report on the immediately preceding fiscal year to the governor, tempo-48 rary president of the senate and speaker of the assembly showing the 49 total funds available for assistance pursuant to this section, and itemization of assistance provided[, and the repayments of loans]. 50 (h) No provision of this section shall be deemed to make any applicant 51 52 ineligible for assistance otherwise available pursuant to section four-53 teen-h or fourteen-k of this article. 54 (i) The commissioner may promulgate rules and regulations for the 55 implementation of this section. 56 § 2. This act shall take effect immediately.

### PART D

2 Section 1. Section 45 of the highway law, as amended by chapter 1110 3 of the laws of 1971, is amended to read as follows:

§ 45. Entry upon adjacent lands and streams. Lands adjacent to a state highway or adjoining or in the bed or beds of any streams or creeks may be entered upon and occupied by the commissioner of transportation, his or her representatives and employees, or by a contractor or any of his or her agents or employees when directed by the commissioner of transportation or his or her representative:

10 1. to open, maintain or construct an existing ditch or drain or for 11 making surveys and for digging a new ditch or drain, or a section there-12 of, for the free passage of water for the drainage of such highways.

13 2. to perform such work of construction, reconstruction, improvement 14 or maintenance in order to keep the waters of such streams or creeks 15 within their proper channels and to prevent their encroachment upon 16 state highways or bridges thereon.

17 3. to remove or change the position of a fence or other obstruction 18 which, in the judgment of the commissioner of transportation, prevents 19 the free flow of water under or through a state highway, bridge or 20 culvert.

4. to remove any fence or other obstruction which, in the judgment of the commissioner of transportation, causes snow to drift in and upon a state highway, and to erect snow fences or other devices upon such lands to prevent the drifting of snow in or upon any such highway.

5. to inspect trees for the purpose of determining whether any are in such a condition as to constitute a danger to users of the adjacent highway and to remove or prune those trees or parts thereof which in the judgment of the commissioner constitute such a danger.

6. on a temporary basis, when determined to be necessary in the discretion of the commissioner, to perform emergency repairs to provide for the safe functionality and operation of state highways and bridges when such functionality or operation is impacted by storm damage, landslide, or retaining wall or drainage failure, and may pose a threat to the traveling public.

35 Notwithstanding the provisions of any general, special or local law or 36 of any inconsistent provision of this chapter, claims for any damage caused by such entry and work and not exceeding three hundred and fifty 37 dollars may be adjusted by agreement by the commissioner of transporta-38 tion without appropriating any property. Upon making any such agreement 39 and adjustment, and upon the approval thereof by the department of audit 40 41 and control, the commissioner of transportation shall deliver to the 42 comptroller such agreement and a certificate stating the amount due such 43 owner for damage caused by such entry and work and the amount so fixed 44 shall be paid out of the state treasury from moneys appropriated for the 45 maintenance and repair of state highways.

46 § 2. This act shall take effect immediately.

## PART E

48 Section 1. Section 1 of part I of chapter 413 of the laws of 1999, 49 relating to providing for mass transportation payments, as amended by 50 section 1 of part D of chapter 58 of the laws of 2015, is amended to 51 read as follows:

52 Section 1. Notwithstanding any other law, rule or regulation to the 53 contrary, payment of mass transportation operating assistance pursuant 1 to section 18-b of the transportation law shall be subject to the 2 provisions contained herein and the amounts made available therefor by 3 appropriation.

4 In establishing service and usage formulas for distribution of mass 5 transportation operating assistance, the commissioner of transportation 6 may combine and/or take into consideration those formulas used to 7 distribute mass transportation operating assistance payments authorized 8 by separate appropriations in order to facilitate program administration 9 and to ensure an orderly distribution of such funds.

10 To improve the predictability in the level of funding for those 11 systems receiving operating assistance payments under service and usage 12 formulas, the commissioner of transportation is authorized with the 13 approval of the director of the budget, to provide service payments 14 based on service and usage statistics of the preceding year.

In the case of a service payment made, pursuant to section 18-b of the transportation law, to a regional transportation authority on account of mass transportation services provided to more than one county (considering the city of New York to be one county), the respective shares of the matching payments required to be made by a county to any such authority shall be as follows:

8 Notwithstanding any other inconsistent provisions of section 18-b of 9 the transportation law or any other law, any moneys provided to a public 10 benefit corporation constituting a transportation authority or to other public transportation systems in payment of state operating assistance 11 such lesser amount as the authority or public transportation system 12 or 13 shall make application for, shall be paid by the commissioner of transportation to such authority or public transportation system in lieu, and 14 15 in full satisfaction, of any amounts which the authority would otherwise 16 be entitled to receive under section 18-b of the transportation law.

17 Notwithstanding the reporting date provision of section 17-a of the transportation law, the reports of each regional transportation authori-18 19 ty and other major public transportation systems receiving mass trans-20 portation operating assistance shall be submitted on or before July 15 21 of each year in the format prescribed by the commissioner of transporta-22 tion. Copies of such reports shall also be filed with the chairpersons the senate finance committee and the assembly ways and means commit-23 of tee and the director of the budget. The commissioner of transportation 24 25 may withhold future state operating assistance payments to public trans-26 portation systems or private operators that do not provide such reports. 27 Payments may be made in quarterly installments as provided in subdivi-28 sion 2 of section 18-b of the transportation law or in such other manner 29 and at such other times as the commissioner of transportation, with the approval of the director of the budget, may provide; and where payment 30 31 is not made in the manner provided by such subdivision 2, the matching 32 payments required of any city, county, Indian tribe or intercity bus 33 company shall be made within 30 days of the payment of state operating 34 assistance pursuant to this section or on such other basis as may be 35 agreed upon by the commissioner of transportation, the director of the 36 budget, and the chief executive officer of such city, county, Indian 37 tribe or intercity bus company.

38 The commissioner of transportation shall be required to annually eval-39 uate the operating and financial performance of each major public transportation system. Where the commissioner's evaluation process has iden-40 41 tified a problem related to system performance, the commissioner may 42 request the system to develop plans to address the performance deficien-43 cies. The commissioner of transportation may withhold future state oper-44 ating assistance payments to public transportation systems or private 45 operators that do not provide such operating, financial, or other infor-46 mation as may be required by the commissioner to conduct the evaluation 47 process.

48 Payments shall be made contingent upon compliance with regulations 49 deemed necessary and appropriate, as prescribed by the commissioner of 50 transportation and approved by the director of the budget, which shall 51 promote the economy, efficiency, utility, effectiveness, and coordinated service delivery of public transportation systems. The chief executive 52 of each public transportation system receiving a payment shall 53 officer certify to the commissioner of transportation, in addition to informa-54 tion required by section 18-b of the transportation law, such other 55

information as the commissioner of transportation shall determine is
 necessary to determine compliance and carry out the purposes herein.

Counties, municipalities or Indian tribes that propose to allocate 3 4 service payments to operators on a basis other than the amount earned by 5 the service payment formula shall be required to describe the proposed 6 method of distributing governmental operating aid and submit it one 7 month prior to the start of the operator's fiscal year to the commis-8 sioner of transportation in writing for review and approval prior to the 9 distribution of state aid. The commissioner of transportation shall only 10 approve alternate distribution methods which are consistent with the 11 transportation needs of the people to be served and ensure that the 12 system of private operators does not exceed established maximum service payment limits. Copies of such approvals shall be submitted to the 13 14 chairpersons of the senate finance and assembly ways and means commit-15 tees.

16 Notwithstanding the provisions of subdivision 4 of section 18-b of the 17 transportation law, the commissioner of transportation is authorized to continue to use prior quarter statistics to determine current quarter 18 19 payment amounts, as initiated in the April to June quarter of 1981. In 20 the event that actual revenue passengers and actual total number of 21 vehicle, nautical or car miles are not available for the preceding quar-22 ter, estimated statistics may be used as the basis of payment upon approval by the commissioner of transportation. In such event, the 23 succeeding payment shall be adjusted to reflect the difference between 24 25 the actual and estimated total number of revenue passengers and vehicle, 26 nautical or car miles used as the basis of the estimated payment. The 27 chief executive officer may apply for less aid than the system is eligi-28 ble to receive. Each quarterly payment shall be attributable to operating expenses incurred during the quarter in which it is received, unless 29 otherwise specified by such commissioner. 30 In the event that a public 31 transportation system ceases to participate in the program, operating 32 assistance due for the final quarter that service is provided shall be based upon the actual total number of revenue passengers and the actual 33 34 total number of vehicle, nautical or car miles carried during that quar-35 ter.

36 Payments shall be contingent on compliance with audit requirements 37 determined by the commissioner of transportation.

38 In the event that an audit of a public transportation system or 39 private operator receiving funds discloses the existence of an overpay-40 ment of state operating assistance, regardless of whether such an overpayment results from an audit of revenue passengers and the actual 41 42 number of revenue vehicle miles statistics, or an audit of private oper-43 ators in cases where more than a reasonable return based on equity or 44 operating revenues and expenses has resulted, the commissioner of trans-45 portation, in addition to recovering the amount of state operating 46 assistance overpaid, shall also recover interest, as defined by the 47 department of taxation and finance, on the amount of the overpayment. 48 Notwithstanding any other law, rule or regulation to the contrary, 49 whenever the commissioner of transportation is notified by the comp-50 troller that the amount of revenues available for payment from an

51 account is less than the total amount of money for which the public mass 52 transportation systems are eligible pursuant to the provisions of 53 section 88-a of the state finance law and any appropriations enacted for 54 these purposes, the commissioner of transportation shall establish a 55 maximum payment limit which is proportionally lower than the amounts set 56 forth in appropriations. Notwithstanding paragraphs (b) of subdivisions 5 and 7 of section 88-a of the state finance law and any other general or special law, payments may be made in quarterly installments or in such other manner and at such other times as the commissioner of transportation, with the approval of the director of the budget may prescribe.

6 § 2. This act shall take effect immediately and shall be deemed to 7 have been in full force and effect on and after April 1, 2022.

### PART F

9 Section 1. Subdivision 1 of section 359 of the public authorities law, 10 as amended by section 6 of part TT of chapter 54 of the laws of 2016, is 11 amended to read as follows:

12 1. On assuming jurisdiction of a thruway section or connection or any 13 part thereof, or of a highway connection, the authority shall proceed 14 with the construction, reconstruction or improvement thereof. All such 15 work shall be done pursuant to a contract or contracts which shall be let to the lowest responsible bidder, by sealed proposals publicly 16 17 opened, or by electronically secure proposal submission as permitted by 18 the authority and electronically posted for public view, after public 19 advertisement and upon such terms and conditions as the authority shall 20 require; provided, however, that the authority may reject any and all proposals and may advertise for new proposals, as herein provided, if in 21 its opinion, the best interests of the authority will thereby be promoted; provided further, however, that at the request of the authori-22 23 24 ty, all or any portion of such work, together with any engineering 25 required by the authority in connection therewith, shall be performed by the commissioner and his subordinates in the department of transporta-26 tion as agents for, and at the expense of, the authority. 27 28 § 2. This act shall take effect immediately.

29

### PART G

30 Section 1. Section 359-a of the public authorities law, as amended by 31 section 7 of part TT of chapter 54 of the laws of 2016, is amended to 32 read as follows:

33 § 359-a. Procurement contracts. For the purposes of section twentyeight hundred seventy-nine of this chapter as applied to the authority, 34 the term "procurement contract" shall mean any written agreement for the 35 36 acquisition of goods or services of any kind by the authority in the actual or estimated amount of [fifteen] fifty thousand dollars or more. 37 38 The authority may utilize a procurement contract let by any department, 39 agency or instrumentality of the United States government and/or any 40 department, agency, office, political subdivision or instrumentality of 41 any state or states. The authority shall document in the procurement record its rationale for the use of such a contract. Such rationale 42 43 shall include, but need not be limited to, a determination of need, a 44 consideration of the procurement method by which the contract was 45 awarded, an analysis of alternative procurement sources including an 46 explanation why a competitive procurement or the use of a centralized contract let by the commissioner of the office of general services is 47 48 not in the best interest of the authority, and the reasonableness of 49 cost. The authority shall accept sole responsibility for any payment 50 due the vendor or contractor as a result of the authority's use of the 51 contract.

### PART H

3 Section 1. Subdivision 1 of section 1264 of the public authorities 4 law, as amended by section 2 of subpart B of part ZZZ of chapter 59 of 5 the laws of 2019, is amended to read as follows:

§ 2. This act shall take effect immediately.

б 1. The purposes of the authority shall be the continuance, further 7 development and improvement of commuter transportation and other 8 services related thereto within the metropolitan commuter transportation 9 district, including but not limited to such transportation by railroad, 10 omnibus, marine and air, in accordance with the provisions of this title. It shall be the further purpose of the authority, consistent with 11 12 status as the ex officio board of both the New York city transit its 13 authority and the triborough bridge and tunnel authority, to develop and implement a unified mass transportation policy for such district in an 14 15 efficient and cost-effective manner that includes the use of designbuild contracting on all projects over [twenty five] two hundred million 16 dollars in cost for new construction and all projects over four hundred 17 million dollars in cost for projects that are predominantly rehabili-18 19 tation or replacement of existing assets except where a waiver is grant-20 ed by the New York state budget director pursuant to a request in writing from the metropolitan transportation authority. For purposes of 21 granting a waiver pursuant to this section, such review shall consider 22 whether the design build contracting method is appropriate for the 23 24 project that such waiver is sought for, and the amount of savings and 25 efficiencies that could be achieved using such method. The determination 26 for such waiver shall be made in writing within forty-five days from 27 request or shall be deemed granted.

28 § 2. This act shall take effect immediately.

### PART I

30 Section 1. Paragraph (b) of subdivision 7 of section 1209 of the 31 public authorities law, as amended by section 3 of subpart C of part ZZZ 32 of chapter 59 of the laws of 2019, is amended to read as follows:

33 (b) Section twenty-eight hundred seventy-nine of this chapter shall apply to the authority's acquisition of goods or services of any kind, 34 35 in the actual or estimated amount of fifteen thousand dollars or more, provided that (i) a contract for services in the actual or estimated 36 amount of one million dollars or less shall not require approval by the 37 38 board of the authority regardless of the length of the period over which 39 the services are rendered, and provided further that a contract for 40 services in the actual or estimated amount in excess of one million dollars shall require approval by the board of the authority regardless 41 the length of the period over which the services are rendered unless 42 of 43 such a contract is awarded to the lowest responsible bidder after obtaining sealed bids and (ii) the board of the authority may by resol-44 ution adopt guidelines that authorize the award of contracts to small 45 46 business concerns, to service disabled veteran owned businesses certi-47 fied pursuant to article seventeen-B of the executive law, or minority 48 women-owned business enterprises certified pursuant to article or 49 fifteen-A of the executive law, or purchases of goods or technology that 50 are recycled or remanufactured, in an amount not to exceed one million five hundred thousand dollars without a formal competitive process and 51 without further board approval. The board of the authority shall adopt 52

1 guidelines which shall be made publicly available for the awarding of 2 such contract without a formal competitive process.

3 § 2. Paragraph (a) of subdivision 8 of section 1209 of the public 4 authorities law, as amended by chapter 725 of the laws of 1993, is 5 amended to read as follows:

б (a) Advertisement for bids, when required by this section, shall be 7 published at least once in a newspaper of general circulation in the 8 area served by the authority and in the procurement opportunities news-9 letter published pursuant to article four-C of the economic development 10 law provided that, notwithstanding the provisions of article four-C of 11 the economic development law, an advertisement shall only be required 12 when required by this section. Publication in a newspaper of general circulation in the area served or in the procurement opportunities news-13 14 letter shall not be required if bids for contracts for supplies, materi-15 als or equipment are of a type regularly purchased by the authority and are to be solicited from a list of potential suppliers, if such list is 16 17 or has been developed consistent with the provisions of subdivision eleven of this section. Any such advertisement shall contain a statement 18 19 of: (i) the time and place where bids received pursuant to any notice 20 requesting sealed bids will be publicly opened and read; (ii) the name 21 of the contracting agency; (iii) the contract identification number; 22 (iv) a brief description of the public work, supplies, materials, or equipment sought, the location where work is to be performed, goods are 23 to be delivered or services provided and the contract term; (v) the 24 25 address where bids or proposals are to be submitted; (vi) the date when bids or proposals are due; (vii) a description of any eligibility or 26 27 qualification requirement or preference; (viii) a statement as to wheth-28 er the contract requirements may be fulfilled by a subcontracting, joint 29 venture, or co-production arrangement; (ix) any other information deemed useful to potential contractors; and (x) the name, address, and tele-30 phone number of the person to be contacted for additional information. 31 32 At least [fifteen] ten business days shall elapse between the first 33 publication of such advertisement or the solicitation of bids, as the 34 case may be, and the date of opening and reading of bids provided that 35 at least fifteen business days shall elapse between the first publica-36 tion of such advertisement or the solicitation of bids, as the case may 37 be, and the date of opening and reading of bids for public work 38 contracts.

39 § 3. Paragraph (e) of subdivision 9 of section 1209 of the public 40 authorities law, as added by chapter 929 of the laws of 1986, is amended 41 to read as follows:

42 (e) the item is available through an existing contract [between a 43 vendor and (i) another public authority provided that such other author-44 ity utilized a process of competitive bidding or a process of compet-45 itive requests for proposals to award such contract or (ii) the state of New York or the city of New York, provided that in any case when the 46 47 authority under this paragraph determines that obtaining such item thereby would be in the public interest and sets forth the reasons for 48 49 such determination ] let by any department, agency or instrumentality of the United States government and/or any department, agency, office, 50 political subdivision or instrumentality of any state or states. The 51 52 authority shall document in the procurement record its rationale for the 53 use of such a contract. Such rationale shall include, but need not be 54 limited to, a determination of need, a consideration of the procurement method by which the contract was awarded, an analysis of alternative 55 56 procurement sources including an explanation why a competitive procure-

ment or the use of a centralized contract let by the commissioner of the 1 office of general services is not in the best interest of the authority, 2 and the reasonableness of cost. The authority shall accept sole respon-3 sibility for any payment due the vendor as a result of the authority's 4 5 order; or б § 4. Subdivision 10 of section 1209 of the public authorities law, as 7 added by chapter 929 of the laws of 1986, is amended to read as follows: 8 10. Upon the adoption of a resolution by the authority stating, for 9 reasons of efficiency, economy, compatibility or maintenance reliabil-10 ity, that there is a need for standardization, the authority may estab-11 lish procedures whereby particular supplies, materials or equipment are 12 identified on a qualified products list. Such procedures shall provide for products or vendors to be added to or deleted from such list and 13 14 shall include provisions for public advertisement of the manner in which 15 such lists are compiled. The authority shall review such list no less than [twice] once a year for the purpose of making modifications there-16 17 to. Contracts for particular supplies, materials or equipment identified on a qualified products list may be awarded by the authority to the 18 19 lowest responsible bidder after obtaining sealed bids in accordance with this section or without competitive sealed bids in instances when the 20 21 item is available from only a single source, except that the authority 22 may dispense with advertising provided that it mails copies of the invitation to bid to all vendors of the particular item on the qualified 23 24 products list. 25 5. Paragraph (b) of subdivision 2 of section 1265-a of the public 8 authorities law, as amended by section 3-a of subpart C of part ZZZ 26 of 27 chapter 59 of the laws of 2019, is amended to read as follows: 28 (b) Section twenty-eight hundred seventy-nine of this chapter shall 29 apply to the authority's acquisition of goods or services of any kind, 30 in the actual or estimated amount of fifteen thousand dollars or more, 31 provided (i) that a contract for services in the actual or estimated 32 amount of one million dollars or less shall not require approval by the 33 board of the authority regardless of the length of the period over which 34 the services are rendered, and provided further that a contract for services in the actual or estimated amount in excess of one million 35 dollars shall require approval by the board of the authority regardless 36 37 of the length of the period over which the services are rendered unless 38 such a contract is awarded to the lowest responsible bidder after 39 obtaining sealed bids, and (ii) the board of the authority may by resol-40 ution adopt guidelines that authorize the award of contracts to small business concerns, to service disabled veteran owned businesses certi-41 fied pursuant to article seventeen-B of the executive law, or minority 42 43 or women-owned business enterprises certified pursuant to article 44 fifteen-A of the executive law, or purchases of goods or technology that are recycled or remanufactured, in an amount not to exceed one million 45 46 five hundred thousand dollars without a formal competitive process and 47 without further board approval. The board of the authority shall adopt guidelines which shall be made publicly available for the awarding of 48 such contract without a formal competitive process. 49 6. Paragraph (a) of subdivision 3 of section 1265-a of the public 50 S 51 authorities law, as amended by chapter 494 of the laws of 1990, is 52 amended to read as follows:

53 (a) Advertisement for bids, when required by this section, shall be 54 published at least once in a newspaper of general circulation in the 55 area served by the authority and in the procurement opportunities news-56 letter published pursuant to article four-C of the economic development

law provided that, notwithstanding the provisions of article four-C of 1 2 the economic development law, an advertisement shall only be required 3 for a purchase contract for supplies, materials or equipment when required by this section. Publication in a newspaper of general circu-4 5 lation in the area served or in the procurement opportunities newsletter 6 shall not be required if bids for contracts for supplies, materials or 7 equipment are of a type regularly purchased by the authority and are to 8 be solicited from a list of potential suppliers, if such list is or has 9 been developed consistent with the provisions of subdivision six of this 10 section. Any such advertisement shall contain a statement of: (i) the 11 time and place where bids received pursuant to any notice requesting 12 sealed bids will be publicly opened and read; (ii) the name of the contracting agency; (iii) the contract identification number; (iv) a 13 brief description of the public work, supplies, materials, or equipment 14 15 sought, the location where work is to be performed, goods are to be 16 delivered or services provided and the contract term; (v) the address 17 where bids or proposals are to be submitted; (vi) the date when bids or proposals are due; (vii) a description of any eligibility or qualifica-18 19 tion requirement or preference; (viii) a statement as to whether the 20 contract requirements may be fulfilled by a subcontracting, joint 21 venture, or co-production arrangement; (ix) any other information deemed 22 useful to potential contractors; and (x) the name, address, and telephone number of the person to be contacted for additional information. 23 At least [fifteen] ten business days shall elapse between the first 24 25 publication of such advertisement or the solicitation of bids, as the 26 case may be, and the date of opening and reading of bids provided that 27 at least fifteen business days shall elapse between the first publica-28 tion of such advertisement or the solicitation of bids, as the case may be, and the date of opening and reading of bids for public work 29 30 contracts. 31 § 7. Paragraph (e) of subdivision 4 of section 1265-a of the public 32 authorities law, as added by chapter 929 of the laws of 1986, is amended 33 to read as follows: 34 (e) the item is available through an existing contract [between a 35 vendor and (i) another public authority provided that such other author-36 ity utilized a process of competitive bidding or a process of compet-37 itive requests for proposals to award such contracts or (ii) Nassau 38 county, or (iii) the state of New York or (iv) the city of New York, 39 provided that in any case when under this paragraph the authority determines that obtaining such item thereby would be in the public interest 40 and sets forth the reasons for such determination] let by any depart-41 42 ment, agency or instrumentality of the United States government and/or 43 any department, agency, office, political subdivision or instrumentality 44 of any state or states. The authority shall document in the procurement record its rationale for the use of such a contract. Such rationale 45 46 shall include, but need not be limited to, a determination of need, a 47 consideration of the procurement method by which the contract was 48 awarded, an analysis of alternative procurement sources including an 49 explanation why a competitive procurement or the use of a centralized contract let by the commissioner of the office of general services is 50 not in the best interest of the authority, and the reasonableness of 51 52 cost. The authority shall accept sole responsibility for any payment due 53 the vendor as a result of the authority's order; or 54 § 8. Subdivision 5 of section 1265-a of the public authorities law, as 55 added by chapter 929 of the laws of 1986, is amended to read as follows:

5. Upon the adoption of a resolution by the authority stating, for 1 2 reasons of efficiency, economy, compatibility or maintenance reliability, that there is a need for standardization, the authority may estab-3 lish procedures whereby particular supplies, materials or equipment are 4 5 identified on a qualified products list. Such procedures shall provide 6 for products or vendors to be added to or deleted from such list and 7 shall include provisions for public advertisement of the manner in which 8 such lists are compiled. The authority shall review such list no less than [twice] once a year for the purpose of making such modifications. 9 10 Contracts for particular supplies, materials or equipment identified on 11 a qualified products list may be awarded by the authority to the lowest 12 responsible bidder after obtaining sealed bids in accordance with this section or without competitive sealed bids in instances when the item is 13 14 available from only a single source, except that the authority may 15 dispense with advertising provided that it mails copies of the invita-16 tion to bid to all vendors of the particular item on the qualified 17 products list.

18 § 9. This act shall take effect immediately; provided, however, that 19 the amendments to paragraph (b) of subdivision 7 of section 1209 of the 20 public authorities law made by section one of this act shall not affect 21 the expiration of such subdivision and shall be deemed to expire there-22 with; and provided further, however, that the amendments to paragraph 23 (b) of subdivision 2 of section 1265-a of the public authorities law made by section five of this act shall not affect the expiration of such 24 25 paragraph and shall be deemed to expire therewith.

#### PART K

40 Section 1. Section 1266 of the public authorities law is amended by 41 adding a new subdivision 12-b to read as follows:

42 12-b. Whenever in connection with the improvement, construction, 43 reconstruction or rehabilitation of a transportation facility the 44 authority determines that the pipes, mains, conduits or other infrastructure of any public service corporation and any fixtures and appli-45 ances connected therewith or attached thereto must be removed, relocated 46 or otherwise protected or replaced, either temporarily or permanently 47 48 ("the required work"), the following provisions shall apply. 49 (a) The design for the required work may be prepared by the authority

50 or the authority's contractor. Such designs shall be subject to the 51 review and approval of the public service corporation, which shall not 52 be unreasonably withheld. Such review and approval shall be completed

1	within a reasonable period of time as may be determined by the authority
2	after consultation with the public service corporation.
3	(b) In reviewing and approving designs for the required work, a public
4	service corporation may not require the authority to provide for antic-
5	ipated future service increases or other betterments, other than to
б	comply with current standards or ensure reliability as determined by the
7	department of public service, without the authority's agreement, which
8	shall not be unreasonably withheld.
9	(c) Where the public service corporation determines that it will
10	perform any portion of the required work, that portion of the required
11	work shall be performed according to a schedule determined by the
12	authority after consultation with the public service corporation,
13	provided that the schedule is reasonable and practicable.
$14^{13}$	§ 2. This act shall take effect immediately.

### PART M

38 Section 1. The vehicle and traffic law is amended by adding a new 39 section 1111-c-1 to read as follows:

<u>§ 1111-c-1. Owner liability for failure of operator to comply with bus</u> 40 41 operation-related local law or regulation traffic restrictions. (a) 42 Notwithstanding any other provision of law, in accordance with the provisions of this section, the city of New York is hereby authorized 43 44 and empowered to impose monetary liability on the owner of a vehicle for 45 failure of an operator thereof to comply with the applicable local laws 46 and regulations of the city of New York regarding bus operation-related 47 traffic restrictions. The department of transportation of the city of 48 New York and/or an applicable mass transit agency, shall operate photo devices that may be stationary or mobile and shall be activated at 49 50 locations determined by such department of transportation and/or on 51 buses selected by the applicable mass transit agency. 52 (b) Any image or images captured by photo devices shall be inadmissi-

53 <u>ble in any disciplinary proceeding convened by the applicable mass tran-</u> 54 <u>sit agency or any subsidiary thereof and any proceeding initiated by the</u>

1	department involving licensure privileges of bus operators. Any mobile
2	bus photo device mounted on a bus shall be directed outwardly from such
3	bus to capture images of vehicles operated in violation of the local
4	laws and regulations relating to bus operation traffic restrictions, and
5	images produced by such device shall not be used for any other purpose
6	in the absence of a court order requiring such images to be produced.
7	(c) The city of New York shall adopt and enforce measures to protect
8	the privacy of drivers, passengers, pedestrians and cyclists whose iden-
9	tity and identifying information may be captured by a photo device
10	pursuant to this section. Such measures shall include:
11	1. utilization of necessary technologies to ensure, to the extent
12	practicable, that images produced by such photo devices shall not
13	include images that identify the driver, the passengers, or the contents
14	of a vehicle, provided, however, that no notice of liability issued
15	pursuant to this section shall be dismissed solely because an image
16	allows for the identification of the driver, the passengers or other
17	contents of a vehicle;
18	2. a prohibition on the use or dissemination of vehicles' license
19	plate information and other information and images captured by photo
20	devices except:
21	(i) as required to establish liability under this section or collect
22	payment of penalties;
23	(ii) as required by court order;
24	(iii) as required pursuant to a search warrant issued in accordance
25	with the criminal procedure law or a subpoena; or
26	(iv) as otherwise required by law;
27	3. the installation of signage that is clearly visible to drivers at
28	regular intervals along and adjacent to bus lanes stating that mobile
29 20	and stationary photo devices are used to enforce restrictions relating to bus operation traffic restrictions including stopping, standing,
30 31	parking and turning movements; and
32	4. oversight procedures to ensure compliance with the privacy
33	protection measures under this subdivision.
34	(d) Warning notices of violation shall be issued during the first
35	sixty days that photo device enforcement pursuant to this section is
36	active.
37	(e) The owner of a vehicle shall be liable for a penalty imposed
38	pursuant to this section if such vehicle was used or operated with the
39	permission of the owner, express or implied, in violation of any appli-
40	cable bus operation-related local law or regulation traffic restrictions
41	and such violation is evidenced by information obtained from a photo
42	device; provided however that no owner of a vehicle shall be liable for
43	a penalty imposed pursuant to this section where the operator of such
44	vehicle has been convicted of the underlying violation of such applica-
45	ble local law or regulation.
46	(f) For purposes of this section the following terms shall have the
47	following meanings:
48	1. "owner" shall have the meaning provided in article two-B of this
49	chapter.
50	2. "photo device" shall mean a mobile or stationary device that is
51	capable of operating independently of an enforcement officer and produc-
52	es one or more images of each vehicle at the time it is in violation of
53	an applicable local law or regulation.
54	3. "applicable bus operation-related local law or regulation traffic
55	restrictions" shall mean the restrictions set forth in chapter four of

56 title thirty-four of the rules of the city of New York affecting bus

operations including but not limited to the following: 4-08(f)(4), 1 general no standing zones, bus lanes; 4-08(c)(3), violation of posted no 2 standing rules prohibited, bus stop; 4-08(f)(1), general no standing 3 4 zones, double parking; 4-08(k)(2), special rules for commercial vehi-5 cles, no standing except trucks loading and unloading; 4-07(b)(1) and 6 4-08(e)(11), stopping prohibited; 4-08(e)(4), general no stopping zones, 7 intersections; 4-08(e)(5), general no stopping zones, crosswalks; 4-08(e)(12), general no stopping zones, obstructing traffic at inter-8 9 section; and 4-05 and 4-07(h)(2), turns. 10 4. "lessor" means any person, corporation, firm, partnership, agency, 11 association or organization engaged in the business of renting or leas-12 ing vehicles to any lessee or bailee under a rental agreement, lease or otherwise, wherein the said lessee or bailee has the exclusive use of 13 14 said vehicle for any period of time. 5. "lessee" means any person, corporation, firm, partnership, agency, 15 association or organization that rents, bails, leases or contracts for 16 17 the use of one or more vehicles and has the exclusive use thereof for 18 any period of time. (g) A certificate, sworn to or affirmed by a technician employed by 19 20 the city in which the charged violation occurred, or a facsimile there-21 of, based upon inspection of photographs, microphotographs, videotape or 22 other recorded images produced by a photo device, shall be prima facie evidence of the facts contained therein. Any photographs, microphoto-23 graphs, videotape or other recorded images evidencing such a violation 24 25 shall be available for inspection in any proceeding to adjudicate the liability for such violation pursuant to this section. 26 27 (h) An owner liable for a violation under this section shall be liable 28 for monetary penalties in accordance with a schedule of fines and penalties promulgated by the parking violations bureau of the city of New 29 30 York; provided, however, that the monetary penalty for a first offense 31 of a provision of local law or regulation of the city of New York relat-32 ing to stopping, standing, parking and turning movement violations pursuant to this section shall not exceed one hundred twenty-five 33 34 dollars for a first offense, one hundred fifty dollars for a second offense within a twelve-month period, two hundred dollars for a third 35 36 offense within a twelve-month period, two hundred fifty dollars for a 37 fourth offense within a twelve-month period, and three hundred fifty dollars for each subsequent offense within a twelve-month period; and 38 39 provided, further, that an owner shall be liable for an additional penalty not to exceed twenty-five dollars for each violation for the 40 failure to respond to a notice of liability within the prescribed time 41 period set forth in the notice of violation. 42 43 (i) An imposition of liability pursuant to this section shall not be 44 deemed a conviction of an operator and shall not be made part of the 45 operating record of the person upon whom such liability is imposed, nor 46 shall it be used for insurance purposes in the provision of motor vehi-47 cle insurance coverage. 48 (j) 1. A notice of liability pursuant to this section shall be sent by 49 first class mail to each person alleged to be liable as an owner for a violation under this section. Personal delivery to the owner shall not 50 be required. A manual or automatic record of mailing prepared in the 51 52 ordinary course of business shall be prima facie evidence of the facts 53 contained in such record of mailing. 54 2. A notice of liability pursuant to this section shall contain the 55 name and address of the person alleged to be liable as an owner for a violation, the registration number of the vehicle involved in such 56

1	violation, the location where such violation took place including the
2	street address or cross streets, one or more images identifying the
3	violation, the date and time of such violation, the identification
4	number of the photo device which recorded the violation or other docu-
5	ment locator number, and whether the device was stationary or mobile. If
6	the photo device was mobile, an identity of the vehicle containing such
7	photo device shall be included in the notice.
8	3. A notice of liability pursuant to this section shall contain infor-
9	mation advising the person charged of the manner and the time in which
10	he or she may contest the liability alleged in the notice. Such notice
11	of liability shall also contain a warning to advise the persons charged
12	that failure to contest in the manner and time provided shall be deemed
13	an admission of liability and that a default judgment may be entered
14	thereon.
15	4. A notice of liability pursuant to this section shall be prepared
16	and mailed by the agency or agencies designated by the city of New York,
17	or any other entity authorized by such city to prepare and mail such
18	notification of violation.
19	(k) Adjudication of the liability imposed upon owners by this section
20	shall be conducted by the New York city parking violations bureau.
21	(1) If an owner of a vehicle receives a notice of liability pursuant
22	to this section for any time period during which such vehicle was
23 24	reported to the police department as having been stolen, it shall be a valid defense to an allegation of liability that the vehicle had been
24 25	reported to the police as stolen prior to the time the violation
26	occurred and had not been recovered by such time. For purposes of
20 27	asserting the defense under this subdivision, it shall be sufficient
28	that a certified copy of the police report on the stolen vehicle be sent
29	by first class mail to the parking violations bureau of the city of New
30	York.
31	(m) 1. An owner who is a lessor of a vehicle to which a notice of
32	liability was issued pursuant to this section shall not be liable for
33	the violation of an applicable bus operation-related local law or requ-
34	lation traffic restriction, provided that:
35	(i) prior to such violation, the lessor has filed with the parking
36	violations bureau of the city of New York in accordance with the
37	provisions of section two hundred thirty-nine of this chapter; and
38	(ii) within thirty-seven days after receiving notice from the parking
39	violations bureau of the city of New York of the date and time of a
40	liability, together with the other information contained in the original
41	notice of liability, the lessor submits to such bureau the correct name
42	and address of the lessee of the vehicle identified in the notice of
43	liability at the time of such violation, together with such other addi-
44	tional information contained in the rental, lease or other contract
45	document, as may be reasonably required by such bureau pursuant to regu-
46	lations that may be promulgated for such purpose. Failure to timely
47	submit such information shall render the lessor liable for the penalty
48	prescribed in this section.
49	2. Where the lessor complies with the provisions of subparagraph (i)
50	of paragraph one of this subdivision, the lessee of such vehicle on the
51	date of such violation shall be deemed to be the owner of such vehicle
52	for purposes of this section, shall be subject to liability for such
53 E4	violation pursuant to this section and shall be sent a notice of liabil-
54 55	ity pursuant to subdivision (j) of this section.
55 56	(n) If the owner liable for a violation under this section was not the operator of the vehicle at the time of such violation, such owner may
50	OPETATOL OF THE VEHICLE AT THE TIME OF SUCH VIOLATION, SUCH OWNER MAY

33

1	maintain an action for indemnification against the operator of the vehi-
2	cle at the time of such violation.
3	(o) Nothing in this section shall be construed to limit the liability
4	of an operator of a vehicle for any violation of an applicable local law
5	or regulation.
6	(p) The city of New York and the applicable mass transit agency shall
7	submit a report on the results of the use of photo devices pursuant to
8	this section to the governor, the temporary president of the senate, and
9	the speaker of the assembly by April first, within twelve months of
10	operation of such photo devices and every two years thereafter. Such
11	report shall include, but not be limited to:
12	1. a description of the locations and/or buses where photo devices
13	were used under this section;
14	2. the total number of violations under this section recorded on a
15	monthly and annual basis;
16	3. the total number of notices of liability issued under this section;
17	4. the number of fines and total amount of fines paid after the first
18	notice of liability under this section;
19	5. the number of violations under this section adjudicated and results
20	of such adjudications including breakdowns of dispositions made;
21	6. the total amount of revenue realized by the city of New York and
22	any participating mass transit agency under this section;
23	7. the quality of the adjudication process under this section and its
24	results;
25	8. the total number of cameras by type of camera used under this
26	section; and
27	9. the total cost to the city of New York and the total cost to any
28	participating mass transit agency under this section.
29	(q) Any revenue from fines and penalties collected pursuant to this
30	section from mobile bus photo devices shall be remitted by the city of
31	New York to the applicable mass transit agency on a quarterly basis to
32	be deposited in the general transportation account of the New York city
33	transportation assistance fund established pursuant to section twelve hundred seventy-i of the public authorities law.

53 Section 1. Subdivision 3 of section 165.15 of the penal law is amended 54 to read as follows:

3. With intent to obtain railroad, subway, bus, air, taxi or any other 1 2 public transportation service or to use any toll highway, parkway, road, bridge or tunnel or to enter or remain in the tolled central business 3 4 district described in section seventeen hundred four of the vehicle and 5 traffic law without payment of the lawful charge or toll therefor, or to 6 avoid payment of the lawful charge or toll for such transportation 7 service which has been rendered to him or her or for such use of any 8 toll highway, parkway, road, bridge or tunnel or for such entering or 9 remaining in such tolled central business district, he or she obtains or attempts to obtain such service or to use any toll highway, parkway, 10 11 road, bridge or tunnel or to enter or remain in a tolled central busi-12 ness district or avoids or attempts to avoid payment therefor by force, 13 intimidation, stealth, deception or mechanical tampering, or by unjusti-14 fiable failure or refusal to pay; or 15 § 2. Paragraph (b) of subdivision 1 of section 402 of the vehicle and 16 traffic law, as amended by chapter 451 of the laws of 2021, is amended 17 and a new paragraph (c) is added to read as follows: 18 (b) (i) Number plates shall be kept clean and in a condition so as to be easily readable and shall not be covered by glass or any plastic 19 20 material. 21 (ii) Number plates shall not be knowingly covered or coated with any 22 artificial or synthetic material or substance that conceals or obscures 23 such number plates or that distorts a recorded or photographic image of 24 such number plates. (iii) The view of such number plates shall not be obstructed by any 25 part of the vehicle or by anything carried thereon[, except for a 26 27 receiver-transmitter issued by a publicly owned tolling facility in connection with electronic toll collection when such receiver-transmit-28 ter is affixed to the exterior of a vehicle in accordance with mounting 29 30 instructions provided by the tolling facility]. 31 (c) It shall be unlawful for any person to operate, drive or park a 32 motor vehicle on a toll highway, bridge and/or tunnel facility or enter 33 or remain in the tolled central business district described in section seventeen hundred four of this chapter, under the jurisdiction of the 34 tolling authority, if such number plate is not easily readable, nor 35 36 shall any number plate be covered by glass or any plastic material, and 37 shall not be knowingly covered or coated with any artificial or synthetic material or substance that conceals or obscures such number plates or 38 39 that distorts a recorded or photographic image of such number plates, 40 and the view of such number plates shall not be obstructed by any part of the vehicle or by anything carried thereon, except for a receiver-41 42 transmitter issued by a publicly owned tolling authority in connection 43 with electronic toll collection when such receiver-transmitter is 44 affixed to the exterior of a vehicle in accordance with mounting instructions provided by the tolling authority. For purposes of this 45 46 paragraph, "tolling authority" shall mean every public authority which 47 operates a toll highway, bridge and/or tunnel or a central business 48 district tolling program, as well as the port authority of New York and 49 New Jersey, a bi-state agency created by compact set forth in chapter 50 one hundred fifty-four of the laws of nineteen hundred twenty-one, as 51 amended. 52 3. Subdivision 8 of section 402 of the vehicle and traffic law, as S 53 amended by chapter 451 of the laws of 2021, is amended to read as 54 follows: 55 8. A violation of this section shall be punishable by a fine of not

56 less than twenty-five nor more than two hundred dollars, except that:

(a) a violation of subparagraph (ii) or subparagraph (iii) of paragraph 1 2 (b) of subdivision one of this section shall be punishable by a fine of 3 less than fifty nor more than three hundred dollars; and (b) a not 4 violation of paragraph (c) of subdivision one of this section shall be 5 punishable by a fine of not less than one hundred nor more than five 6 hundred dollars. 7 § 4. Subdivision 5-a of section 401 of the vehicle and traffic law is 8 amended by adding a new paragraph d to read as follows: 9 d. It shall be unlawful for any person to register, reregister, renew, 10 replace or transfer the registration, change the name, address or other 11 information of the registered owner, or change the registration classi-12 fication of any vehicle whose vehicle identification number is associated with a vehicle whose registration has been suspended, or is subject 13 14 a pending request from a tolling authority to suspend the registrato 15 tion, under paragraph d of subdivision three of section five hundred ten of this chapter and 15 NYCRR 127.14. The commissioner or the commission-16 17 er's agent shall impose a vehicle identification number block and deny the registration, reregistration, renewal, replacement or transfer of 18 the registration for such vehicle and vehicle identification number 19 20 until the tolling authority advises, in such form and manner as the 21 commissioner shall prescribe, that notices of violation have been 22 responded to and any unpaid tolls, fees or other charges associated with the vehicle and the vehicle identification number have been paid to the 23 tolling authority. Where an application is denied pursuant to this 24 25 paragraph, the commissioner may, in the commissioner's discretion, deny a registration, reregistration, renewal, replacement or transfer of the 26 27 registration for any other motor vehicle registered in the name of the 28 applicant where the commissioner has determined that such registrant's intent has been to evade the purposes of this paragraph and where the 29 30 commissioner has reasonable grounds to believe that such registration, 31 reregistration, renewal, replacement or transfer of registration will 32 have the effect of defeating the purposes of this paragraph. Such vehi-33 cle identification number block and denial shall only remain in effect 34 until the tolling authority advises, in such form and manner as the commissioner shall prescribe, that notices of violation have been 35 responded to and any unpaid tolls, fees or other charges associated with 36 37 the vehicle and the vehicle identification number have been paid to the 38 tolling authority. 39 § 5. Paragraph d of subdivision 3 of section 510 of the vehicle and 40 traffic law, as amended by chapter 173 of the laws of 1990, is amended 41 to read as follows: 42 d. for habitual or persistent violation of any of the provisions of 43 this chapter, or of any lawful ordinance, rule or regulation made by 44 local authorities in relation to traffic, including violations of any 45 statute, ordinance, rule or regulation pertaining to a tolling 46 authority; 47 § 6. Subdivision 4-d of section 510 of the vehicle and traffic law, as 48 added by chapter 379 of the laws of 1992, is amended to read as follows: 4-d. Suspension of registration for failure to answer or pay penalties 49 with respect to certain violations. Upon the receipt of a notification 50 51 from a court or an administrative tribunal that an owner of a motor 52 vehicle failed to appear on the return date or dates or a new subsequent adjourned date or dates or failed to pay any penalty imposed by a court 53 or failed to comply with the rules and regulations of an administrative 54 tribunal following entry of a final decision or decisions, in response 55 56 to [five] three or more notices of liability or other process, issued

within [an eighteen month] a five year period charging such owner with a 1 violation of toll collection regulations in accordance with the 2 provisions of section two thousand nine hundred eighty-five of the 3 public authorities law or sections sixteen-a, sixteen-b and sixteen-c of 4 5 chapter seven hundred seventy-four of the laws of nineteen hundred 6 fifty, the commissioner or his agent shall suspend the registration of 7 the vehicle or vehicles involved in the violation or the privilege of 8 operation of any motor vehicle owned by the registrant. Such suspension 9 shall take effect no less than thirty days from the date on which notice 10 thereof is sent by the commissioner to the person whose registration or 11 privilege is suspended and shall remain in effect until such registrant 12 has appeared in response to such notices of liability or has paid such penalty or in the case of an administrative tribunal, the registrant has 13 14 complied with the rules and regulations following the entry of a final 15 decision or decisions.

16 § 7. Section 1704-a of the vehicle and traffic law is amended by 17 adding a new subdivision 5 to read as follows:

18 5. (a) Any person who knowingly makes a false statement, or falsifies or permits to be falsified any record or records of the central business 19 20 district tolling program, for the purpose of fraudulently obtaining an 21 exemption from the central business district toll under subdivision two 22 this section for a qualifying vehicle transporting a person with of disabilities, shall be quilty of a misdemeanor, and shall also be 23 subject to a civil penalty not to exceed five thousand dollars and the 24 stated value of the claim for each such violation. 25

### PART V

29 Section 1. Paragraph (a) of subdivision 5-b of section 16 of the agri-30 culture and markets law, as amended by chapter 530 of the laws of 2013, 31 is amended to read as follows:

32 [Establish] Administer, in cooperation with the commissioner of (a) education, a farm-to-school program to facilitate and promote the 33 34 purchase of New York farm products by schools, universities and other 35 educational institutions [under the jurisdiction of the education department] and the National School Lunch Act and related food programs. 36 37 The department shall solicit information from the education department regarding school districts and other educational institutions interested 38 in purchasing New York farm products, including but not limited to, the 39 40 type and amount of such products schools wish to purchase and the name 41 of the appropriate contact person from the interested school district. 42 The department shall make this information readily available to inter-43 ested New York farmers, farm organizations and businesses that market 44 New York farm products. The department shall provide information to the 45 education department and interested school districts and other educational institutions about the availability of New York farm products, 46 including but not limited to, the types and amount of products, and the 47 names and contact information of farmers, farm organizations and busi-48 nesses marketing such products. The commissioner shall report to the 49 50 legislature on the need for changes in law to facilitate the purchases 51 of such products by schools and educational institutions.

52 The department shall also coordinate with the education department, 53 and school food service, education, health and nutrition, farm, and 54 other interested organizations in establishing a promotional event, to

1 be known as New York Harvest For New York Kids Week, in early October 2 each year, that will promote New York agriculture and foods to children 3 through school meal programs and the classroom, at farms and farmers' 4 markets and other locations in the community.

5 § 2. Subdivision 32 of section 16 of the agriculture and markets law, 6 as added by chapter 297 of the laws of 1961, is amended to read as 7 follows:

8 32. Receive and disburse federal moneys allotted to the state by or 9 pursuant to the federal agricultural marketing act of nineteen hundred 10 forty-six as amended, or any other act of the congress making appropri-11 ation for the allocation among the states for research into basic laws 12 and principles relating to agriculture [and], to improve and facilitate the marketing and distribution of agricultural products, [and] or for 13 14 any other purpose relating to agriculture or marketing agricultural 15 products; on behalf of the state, to adopt, execute and administer plans and programs and to put into effect such measures as may be necessary 16 17 for such research [into basic laws and principles], plans, or programs relating to agriculture and to improve and facilitate the marketing and 18 distribution of agricultural products; on behalf of the state, to make 19 20 and execute such contracts, agreements, covenants or conditions, not 21 inconsistent with law, as may be necessary or required by any duly 22 constituted agency of the federal government as a condition precedent to 23 receiving such funds or in connection with such research; to cooperate with all federal, state or local authorities, or other agencies, author-24 ized under such acts of congress to carry out the purposes thereof; to 25 adopt and from time to time to amend such rules and regulations and to 26 27 prescribe such conditions, not inconsistent with law, as may be neces-28 sary to make available to the people of the state the benefits afforded by such acts of congress; and to enforce all the provisions of this 29 30 subdivision and the rules adopted pursuant hereto. The department of 31 taxation and finance is designated as custodian of all federal-aid funds 32 allotted to the state for the purposes of this subdivision by the United 33 States and such funds shall be payable only on the audit and warrant of 34 the comptroller on certificate of the commissioner as provided in 35 section one hundred ten of the state finance law.

36 § 3. Paragraph (v) of subdivision c of section 1 of chapter 537 of the 37 of 1976, relating to paid, free and reduced price breakfast for laws 38 eligible pupils in certain school districts, as separately amended by 39 chapters 260 and 615 of the laws of 1993, is amended to read as follows: 40 (v) Any school not offering a breakfast program on the dates specified in this section, which would be required under the provisions of para-41 42 graph (i), (ii), (iii) or (iv) of this subdivision to implement such 43 program in September of the same year, may apply to the commissioner of 44 [education] agriculture and markets for an exemption from the provisions 45 of this act. Such an exemption shall not be granted by such commissioner unless a school demonstrates with good cause: (1) that there is no 46 47 need for such breakfast program because of low enrollment or documented 48 projections of low participation or (2) that economic hardship or other good cause makes the establishment of such a program impractical. Such 49 50 commissioner shall establish explicit good cause criteria in regulations 51 pursuant to this act and annually review the basis for such exemptions. 52 Such commissioner may also grant a waiver for up to one year from the provisions of this subdivision to allow adequate time for planning and 53 implementation of a breakfast program 54

§ 4. Subdivisions d and e of section 1 of chapter 537 of the laws of 1 1976, relating to paid, free and reduced price breakfast for eligible 2 pupils in certain school districts, are amended to read as follows: 3 4 d. In accordance with subsections (c) and (d) of section seventeen 5 hundred seventy-three of title forty-two of the United States Code and 6 derivative regulations, the commissioner of [education] agriculture and 7 markets shall determine which participating school facilities are finan-8 cially unable to support the service of free and reduced price break-9 fasts and therefore are considered "especially needy" school facilities. 10 Such school facilities subsequently shall be assigned the appropriate 11 increased "especially needy" per meal reimbursement calculated pursuant 12 to such code and regulations in support of the cost of free and reduced 13 price breakfasts. 14 e. In the provision of free and reduced price meals for the school 15 breakfast programs, the [state commissioner of education] commissioner of agriculture and markets shall prescribe maximum eligibility standards 16 17 permissible under section nine of the National School Lunch Act and section four of the Child Nutrition Act. 18 § 5. Section 3 of chapter 537 of the laws of 1976, relating to paid, 19 20 free and reduced price breakfast for eligible pupils in certain school 21 districts, is amended to read as follows: 22 § 3. The [state commissioner of education] commissioner of agriculture 23 <u>markets</u> hereby is directed to request the bureau of school food and management to provide any additional information and assistance which 24 may be required by the schools and school districts to aid them in 25 26 developing and implementing the various school food programs. 27 § 6. Subdivisions a, d and e of section 4 of chapter 537 of the laws 28 of 1976, relating to paid, free and reduced price breakfast for eligible 29 pupils in certain school districts, as added by section 2 of part B of 30 chapter 56 of the laws of 2018, are amended to read as follows: 31 a. All public elementary or secondary schools in this state, not 32 including a charter school authorized by article 56 of the education 33 law, with at least seventy percent or more of its students eligible for 34 free or reduced-price meals under the federal National School Lunch 35 Program as determined by the [State Education Department] Department of 36 Agriculture and Markets based upon data submitted by schools through the 37 basic educational data system (BEDS) and provided by the State Education Department to the Department of Agriculture and Markets for the prior 38 39 school year and, shall be required to offer all students a school break-40 fast after the instructional day has begun. d. Any school identified pursuant to this section may apply to the 41 42 commissioner of [education] agriculture and markets for a waiver from 43 establishing a school breakfast program after the instructional day has 44 bequn. Such waiver may be granted by the commissioner of [education] agriculture and markets upon the school demonstrating: 45 46 i. A lack of need for a school breakfast program after the instruc-47 tional day has begun because of a successful existing breakfast program; 48 or 49 ii. Providing a school breakfast program after the instructional day 50 has begun would cause economic hardship for the school. 51 The commissioner of [education] agriculture and markets shall annually 52 review the basis for waivers granted to schools. 53 e. The [State Education Department] Department of Agriculture and 54 Markets shall: 55 i. [on or before May 1, 2018] commencing on the first May 1 following

the department's receipt of authority to administer the programs herein, 56

and on or before May 1 of each year thereafter preceding each school 1 year, publish on its website a list of the public schools that meet the 2 3 requirements for operating such programs, and provide notification to 4 such schools; 5 ii. develop and distribute guidelines for the implementation of such б programs, which shall be in the compliance with all applicable federal 7 and state laws governing the School Breakfast Program; 8 iii. provide technical assistance relating to the implementation of 9 such program and submission of claims for reimbursement under the School 10 Breakfast Program; and [annually publish by December 2019] commencing on the first 11 iv. Such information shall include, 17 but not be limited to: the school name, service delivery models implemented, student enrollment, the free and reduced-price lunch percentage, 18 19 the average daily breakfast participation rate. 20 § 7. Subdivisions a, b and c of section 5 of chapter 537 of the laws 21 of 1976, relating to paid, free and reduced price breakfast for eligible 22 pupils in certain school districts, as added by section 2 of part B of 23 chapter 56 of the laws of 2018, are amended to read as follows: 24 a. Notwithstanding any monetary limitations with respect to school 25 lunch programs contained in any law or regulation, for school lunch 26 meals served in the school year commencing [July 1, 2019 and] on the 27 first July 1 following the department's receipt of authority to adminis-28 ter the programs herein and each July 1 thereafter, a school food authority shall be eligible for a lunch meal State subsidy of twenty-29 30 five cents, which shall include any annual State subsidy received by 31 such school food authority under any other provision of State law, for 32 any school lunch meal served by such school food authority; provided 33 that the school food authority certifies to the [State Education Depart-34 ment ] Department of Agriculture and Markets through the application submitted pursuant to subdivision b of this section that such food 35 36 authority has purchased at least thirty percent of its total cost of 37 food products for its school lunch service program from New York state 38 farmers, growers, producers or processors in the preceding school year. 39 b. The [State Education Department, in cooperation with the] Department of Agriculture and Markets $[\tau]$  shall develop an application for 40 41 school food authorities to seek an additional State subsidy pursuant to 42 this section in a timeline and format prescribed by [the commissioner of 43 education shall include, but not be 44 limited to, documentation demonstrating the school food authority's 45 total food purchases for its school lunch service program, and documen-46 tation demonstrating its total food purchases and percentages for such 47 program from New York State farmers, growers, producers or processors in 48 the preceding school year. The application shall also include an attestation from the school food authority's chief operating officer that it 49 purchased at least thirty percent of its total cost of food products for 50 51 its school lunch service program from New York State farmers, growers, 52 producers or processors in the preceding school year in order to meet 53 the requirements for this additional State subsidy. School food authori-54 ties shall be required to annually apply for this subsidy. 55 c. [The State Education Department] Commencing on the first September 1 following the Department of Agriculture and Markets' receipt of 56

authority to administer the programs herein and on or before each 1 September 1 thereafter, the department shall annually publish informa-2 tion on its website [commencing on September 1, 2019 and each September 3 **1** thereafter, relating to each school food authority that applied for 4 5 and received this additional State subsidy, including but not limited 6 to: the school food authority name, student enrollment, average daily 7 lunch participation, total food costs for its school lunch service program, total cost of food products for its school lunch service 8 program purchased from New York State farmers, growers, producers or 9 10 processors, and the percent of total food costs that were purchased from 11 New York State farmers, growers, producers or processors for its school 12 lunch service program. § 8. 1. Transfer of functions. All of the functions and powers 13 14 possessed by and the obligations and duties of the State Department of 15 Education in connection with the administration of the National School 16 Lunch Program and related programs are hereby transferred to the Depart-17 ment of Agriculture and Markets. 18 Transfer of employees. (a) Upon the transfer of functions, powers, 2. duties and obligations of the State Department of Education's Child 19 Nutrition Program Administration relating to the National School Lunch 20 21 Program and related programs to the Department of Agriculture and 22 Markets pursuant to this section, provisions shall be made for the transfer to the Department of Agriculture and Markets such employees of 23 24 State Education Department who are substantially engaged in the the 25 performance of the functions herein. Employees so transferred shall be 26 transferred without further examination or qualification and shall 27 retain their respective civil service classifications and status. For 28 the purpose of determining the employees holding permanent appointments in competitive class positions to be transferred, such employees shall 29 selected within each class of positions in the order of their 30 be 31 original appointment, with due regard to the right of preference in 32 retention of disabled and non-disabled veterans. Any such employee who, 33 at the time of such transfer, has a temporary or provisional appointment 34 shall be transferred subject to the same right of removal, examination termination as though such transfer had not been made. Employees 35 or 36 holding permanent appointments in competitive class positions who are 37 not transferred pursuant to this section shall have their names entered 38 upon an appropriate preferred list for reinstatement pursuant to the 39 civil service law. 40 (b) A transferred employee shall remain in the same collective bargaining unit as was the case prior to his or her transfer; successor 41

41 bargaining unit as was the case prior to his or her transfer; successor 42 employees to the positions held by such transferred employees shall, 43 consistent with the provisions of article fourteen of the civil service 44 law, be included in the same unit as their predecessors. Employees other 45 than management or confidential persons as defined in article fourteen 46 of the civil service law serving positions in newly created titles shall 47 be assigned to the appropriate bargaining unit. Nothing contained in 48 this section shall be construed to affect:

49 (i) the rights of employees pursuant to a collective bargaining agree-50 ment;

51 (ii) the representational relationships among employee organizations 52 or the bargaining relationships between the state and an employee organ-53 ization; or

(iii) existing law with respect to an application to the public semployment relations board; provided, however, that the merger of such negotiating units of employees shall be effected only with the consent 1 of the recognized and certified representative of such units and of the 2 department of law.

3 § 9. 36	local laws, regulations, codes and requirements; and
37	(v) not owe any federal, state or local taxes, or have an approved
38	repayment, deferral plan, or agreement with appropriate federal, state,
39	and local taxing authorities.
40	(b) Grants awarded from this program shall be available to eligible
41	micro-businesses and small businesses that do not qualify for business
42	assistance grant programs under the federal American Rescue Plan Act of
43	2021 or any other available federal COVID-19 economic recovery or busi-
44	ness assistance grant programs, including loans forgiven under the
45	federal Paycheck Protection Program, or are unable to obtain sufficient
46	business assistance from such federal programs, with priority given to
47	socially and economically disadvantaged business owners including, but
48	not limited to, minority and women-owned business enterprises, service-
49	disabled veteran-owned businesses, and veteran-owned businesses, or
50	businesses located in communities that were economically distressed
51	prior to March 1, 2020, as determined by the most recent census data.
52	5. Eligible costs. (a) Eligible costs considered for micro-businesses
53 E4	and small businesses under this program must have been incurred between
54 55	March 1, 2019 and January 1, 2022.

56	businesses, shall be considered eligible under the program at a minimum:

1	payroll costs; costs of rent or mortgage as provided for in subparagraph
2	(ii) of this paragraph; costs of repayment of local property or school
3	taxes associated with such small business's location as provided for in
4	subparagraph (iii) of this paragraph; insurance costs; utility costs;
5	costs of personal protection equipment (PPE) necessary to protect worker
б	and consumer health and safety; heating, ventilation, and air condition-
7	ing (HVAC) costs, or other machinery or equipment costs, or supplies and
8	materials necessary for compliance with COVID-19 health and safety
9	protocols, and other documented COVID-19 costs as approved by the corpo-
10	ration.
11	(ii) Mortgage payments or commercial rent shall be considered eligible
12	<u>costs.</u>
13	(iii) Payment of local property taxes and school taxes shall be
14	considered eligible costs.
15	(c) Grants awarded under the program shall not be used to re-pay or
16	pay down any portion of a loan obtained through a federal coronavirus
17	relief package for business assistance or any New York state business
18	assistance programs.
19	6. Application and approval process. (a) An eligible micro-business,
20	small business shall submit a complete application in a form and manner
21	prescribed by the corporation.
22	(b) The corporation shall establish the procedures and time period for
23	micro-businesses and small businesses to submit applications to the
24	program. As part of the application each micro-business and small busi-
25	ness shall provide sufficient documentation in a manner prescribed by
26	the corporation to demonstrate hardship, and prevent fraud, waste, and
27	abuse.
28	7. Technical assistance and outreach. The corporation may offer or
29	make available to all applicants, regardless of approval status, direct
30	or indirect access to financial and business planning, legal consulta-
31	tion, language assistance services, mentoring services for post-pandemic
32	planning, reopening planning assistance and other assistance and support
33	as determined by the corporation. Assistance, support, outreach and
34	other services may be provided by or through partner organizations,
35	including but not limited to chambers of commerce, local business devel-
36	opment corporations, trade associations and other community organiza-
37	tions that have expertise and background in providing technical assist-

54

38 ance, at the discretion of the corporation.

39 § 2. This act shall take effect immediately.

Section 1. Paragraph (b) of subdivision 2 of section 1676 of the 1 public authorities law is amended by adding a new undesignated paragraph 2 3 to read as follows: 4 Any not-for-profit corporation or collaboration of not-for-profit 5 corporations, for capital projects located in New York state related to 6 physical infrastructure with a total cost of not less than five million 7 dollars. For the purposes of this paragraph "not-for-profit corporation" 8 shall mean a domestic corporation or authorized foreign corporation as 9 defined in section one hundred two of the not-for-profit corporation 10 law. Any such not-for-profit corporation shall possess the requisite 11 credit standing to secure such funding in the private or public capital 12 markets to be eligible to obtain a loan from the authority pursuant to subdivision three of section sixteen hundred eighty of this title. 13 2. Subdivision 1 of section 1680 of the public authorities law is 14 S 15 amended by adding a new undesignated paragraph to read as follows: 16 Any not-for-profit corporation or collaboration of not-for-profit 17 corporations, for capital projects located in New York state related to physical infrastructure with a total cost of not less than five million 18 dollars. For the purposes of this paragraph "not-for-profit corpo-19 20 ration" shall mean a domestic corporation or authorized foreign corpo-21 ration as defined in section one hundred two of the not-for-profit 22 corporation law. Any such not-for-profit corporation shall possess the requisite credit standing to secure such funding in the private or 23 public capital markets to be eligible to obtain a loan from the authori-24 25 ty pursuant to subdivision three of this section. § 3. Nothing in this act is intended to limit, impair, or affect the 26 27 legal authority of the Dormitory Authority of the state of New York under any other provision of law. 28 29 § 4. This act shall take effect immediately. 30 PART FF 31 Section 1. Section 1678 of the public authorities law is amended by 32 adding a new subdivision 30 to read as follows: 33 30. (a) Notwithstanding any law, rule or regulation to the contrary, 34 when awarding a contract for public work, the authority may establish 35 guidelines governing the qualifications of bidders seeking to bid or enter into such contracts. If the authority maintains an appropriate 36 37 list of qualified bidders, the bidding shall be restricted to those who have qualified prior to the receipt of bids according to standards fixed 38 39 by the authority. In determining whether a prospective bidder qualifies 40 for inclusion on a list of prequalified bidders, the authority shall 41 consider the experience and record of performance of the prospective 42 bidder in the particular type of work, as well as: (i) the prospective bidder's ability to undertake the particular type and complexity of 43 44 work; (ii) the financial capability, responsibility and reliability of 45 the prospective bidder for such type and complexity of work; (iii) the

record of the prospective bidder in complying with existing labor stand-

ards and maintaining harmonious labor relations; (iv) the prospective

bidder's compliance with equal employment opportunity requirements and anti-discrimination laws, and demonstrated commitment to working with

minority and women-owned businesses through joint ventures or subcontractor relationships; and (v) the record of the prospective bidder in

protecting the health and safety of workers on public works projects and

job sites as demonstrated by the prospective bidder's experience modifi-

54 cation rate for each of the last three years.

1 2	(b) The authority shall, not less than annually, publish in a newspa- per of general circulation or post in the New York State Contract Repor-
3	ter an advertisement requesting prospective bidders to submit qualifica-
4	tion statements. Lists of prequalified bidders may be established on a
5	project-specific basis. Prequalified lists shall include all bidders
	that qualify; provided, however, that any such list shall have no less
6	
7	than five bidders but shall remain open for all additional qualified
8	bidders. The authority's procedures for prequalifying bidders shall
9	include an appeals process for those denied a place on a prequalified
10	list. Any denial must be based upon substantial evidence, cannot be
11	arbitrary or capacious, and shall be subject to judicial review pursuant
12	to article seventy-eight of the civil practice law and rules. The
13	authority may move forward on the contract award during such appeals.
14	§ 2. This act shall take effect immediately.

31	Section 1. Section 1678 of the public authorities law is amended by
32	adding a new subdivision 30 to read as follows:
33	30. To enter into a design and construction management agreement with
34	any state authority, pursuant to which one or more facilities are to be
35	planned, designed, constructed, reconstructed, rehabilitated, improved,
36	furnished, or equipped for such state authority. Any such design and
37	construction management agreement entered into pursuant to this subdivi-
38	sion shall provide for the following; the scope of design and
39	construction management services to be provided, the fees to be charged
40	by the dormitory authority and the sources of funds for the projects. No
41	design-build contract as defined in part F of chapter fifty-six of the
42	laws of two thousand eleven shall be awarded pursuant to this subdivi-
43	sion except if the state authority is otherwise authorized to utilize a
44	design-build contract. For the purposes of this subdivision the term
45	"state authority" shall have the same meaning as defined pursuant to
46	section two of this chapter.
47	§ 2. This act shall take effect immediately.
48	PART II
49	Section 1. Section 99-ii of the state finance law is amended by adding
50	a new subdivision 2-a to read as follows:

2-a. Revenues deposited into this fund pursuant to section fifteen of 1 the cannabis law shall first be used to reimburse the state for any 2 funds deposited into this fund from the state general fund and used to 3 4 support expenditures authorized under paragraph (c) of subdivision three 5 of this section. б § 2. Subparagraph (c) of subdivision 3 of section 99-ii of the state 7 finance law, as added by chapter 92 of the laws of 2021, is amended to 8 read as follows: 9 (c) Actual and necessary costs incurred by the office of cannabis 10 management and the cannabis control board, and the urban development 11 corporation, related to the administration of incubators and other 12 assistance to qualified social and economic equity applicants including the administration, capitalization, and provision of low and zero inter-13 14 est loans to such applicants pursuant to section sixteen-ee of the urban 15 development corporation act[...such] and the funding of, whether directly or indirectly by investment in a private debt or equity fund formed for 16 17 the limited purpose of funding the fixed capital costs associated with establishing adult-use cannabis retail dispensaries for operation by 18 social and economic equity applicants duly licensed pursuant to article 19 four of the cannabis law. Such fixed capital costs shall include, but 20 21 are not limited to, all costs related to the acquisition, leasing, 22 purchasing, planning, design, construction, reconstruction, rehabilitation, improvement, furnishing, or equipping of such adult-use cannabis 23 retail dispensaries, whether such work has been undertaken or costs for 24 25 such work incurred by (i) the office of cannabis management and the cannabis control board, (ii) the dormitory authority of the state of New 26 27 York, or any subsidiary thereof, under agreement with the office of 28 cannabis management and the cannabis control board, or with the private 29 debt or equity fund formed for the limited purpose of funding the fixed 30 capital costs associated with establishing such adult-use cannabis 31 retail dispensaries, or (iii) the private debt or equity fund formed for 32 the limited purpose of funding the fixed capital costs associated with 33 establishing such adult-use cannabis retail dispensaries. Payments for 34 the fixed capital costs to establish such adult-use cannabis retail dispensaries, including any investment in a private debt or equity fund 35 36 formed for the limited purpose of funding such fixed capital costs, and 37 any repayments of these amounts may be deposited in the New York state 38 cannabis revenue fund or such other account as determined by the direc-39 tor of the division of the budget. All above referenced costs shall be paid out of revenues received, including, but not limited to, from 40 special one-time fees paid by registered organizations pursuant to 41 42 section sixty-three of the cannabis law. 43 § 3. Section 1678 of the public authorities law is amended by adding 44 two new subdivisions 30 and 31 to read as follows: 45 30. To enter into one or more agreements with the office of cannabis 46 management, the cannabis control board, or any private debt or equity 47 fund, in which the state or any state agency, public authority, public benefit corporation, or division thereof has invested and is formed for 48 49 the limited purpose of funding the fixed capital costs associated with establishing adult-use cannabis retail dispensaries for operation by 50 social and economic equity applicants duly licensed pursuant to article 51 52 four of the cannabis law, for the following purposes: 53 (a) To acquire by purchase, condemnation, gift, devise, lease, or 54 other agreement such real property or an interest therein as may be necessary or convenient for the acquisition, construction, recon-55 struction, rehabilitation, improvement, or provision of adult-use canna-56

1	bis retail dispensaries for operation by social and economic equity
2	<u>licensees;</u>
3	(b) To prepare or cause to be prepared plans, specifications, designs,
4	and estimates of costs for the design, construction, reconstruction,
5	rehabilitation, improvement, furnishing or equipping of adult-use canna-
б	bis retail dispensaries for operation by social and economic equity
7	<u>licensees;</u>
8	<u>(c) To design, construct, reconstruct, rehabilitate, or improve</u>
9	adult-use cannabis retail dispensaries for operation by social and
10	economic equity licensees and to enter into contracts to cause such
11	facilities to be designed, constructed, reconstructed, rehabilitated,
12	improved, furnished, or equipped;
13	(d) To enter, as lessor or as agent for the lessor, into leases,
14	subleases, or other agreements with the social and economic equity
15	licensees operating the adult-use cannabis retail dispensaries;
16	(e) To enter, as lender or as agent for the lender, into loan or other
17	agreements with the social and economic equity licensees operating the
18	adult-use cannabis retail dispensaries; and
19	(f) To sell, convey, lease, sublease or otherwise transfer any real
20	property or interest therein held by the authority to any person, firm,
21	association, corporation, or agency, including a public body, for the
22	purpose of constructing an adult-use cannabis retail dispensary,
23	provided that, simultaneously therewith, the authority enters into an
24	agreement for the reconveyance, purchase, lease, sublease, or other
25	acquisition of such dispensary.
26	31. (a) To form one or more subsidiaries for the purpose of limiting
27	the potential liability of the authority when exercising the powers and
28	duties conferred upon the authority by subdivision thirty of this
29	section in connection with certain work performed on behalf of the
30 31	office of cannabis management, the cannabis control board, or any private debt or equity fund in which the state or any state agency,
32	public authority, public benefit corporation, or division thereof has
33	invested and is formed for the limited purpose of funding the fixed
34	capital costs associated with establishing adult-use cannabis retail
35	dispensaries for operation by social and economic equity applicants duly
36	licensed pursuant to article four of the cannabis law. Such subsidiary
37	created pursuant to this subdivision may exercise and perform one or
38	more of the purposes, powers, duties, functions, rights and responsibil-
39	ities of the authority other than the issuance of indebtedness, in
40	connection with real and personal property with respect to which the
41	authority holds title or a leasehold interest including, but not limited
42	to: (i) bidding for, taking, holding, selling, conveying, assigning or
43	transferring title to such property; (ii) entering into leases,
44	subleases, or other arrangements with regard to such property and acting
45	in a manner consistent with the rights, obligations or responsibilities
46	of the owner, landlord or tenant of such property pursuant to such lease
47	or sublease agreements; (iii) servicing loan payments; (iv) furnishing
48	property management services; and (v) providing general operational and
49	administrative support services.
50	(b) Such subsidiary authorized by paragraph (a) of this subdivision
51	shall be established in the form of a public benefit corporation by
52	executing and filing with the secretary of state a certificate of incor-
53	poration which shall identify the authority as the entity organizing
54	such subsidiary and set forth the name of such subsidiary public benefit
55	corporation, its duration, the location of its principal office and its
56	corporate purposes as provided in this subdivision and which certificate

1	may be amended from time to time by the filing of amendments thereto
2	with the secretary of state. Such subsidiary shall be organized as a
3	public benefit corporation, shall be a body politic and corporate, and
4	shall have all the privileges, immunities, tax exemptions and other
5	exemptions of the authority. The members of such subsidiary shall be the
б	same as the members of the authority and the provisions of subdivision
7	two of section sixteen hundred ninety-one of this title shall in all
8	respects apply to such members when acting in such capacity.
9	(c) Nothing in this subdivision shall be construed to impose any
10	liabilities, obligations, or responsibilities of such subsidiary upon
11	the authority and the authority shall have no liability or responsibil-
12	ity therefor unless the authority expressly agrees to assume the same.
13	(d) Such subsidiary created pursuant to this subdivision shall be
14	subject to any other provision of this chapter pertaining to subsid-
15	<u>iaries of public authorities.</u>
16	§ 4. Paragraph (b) of subdivision 2 of section 1676 of the public
17	authorities law is amended by adding three undesignated paragraphs to
18	read as follows:
19	the office of cannabis management.
20	the cannabis control board.
21	any private debt or equity fund in which the state or any state agen-
22	cy, public authority or public benefit corporation, or division thereof,
23	has invested and is formed for the limited purpose of funding the fixed
24	capital costs associated with establishing adult-use cannabis retail
25	dispensaries for operation by social and economic equity applicants duly
26	licensed pursuant to article four of the cannabis law.
27	§ 5. Subdivision 1 of section 1680 of the public authorities law is
28	amended by adding three undesignated paragraphs to read as follows:
29	the office of cannabis management.
30	the cannabis control board.
31	any private debt or equity fund in which the state or any agency,
32	authority or division thereof has invested and is formed for the limited
33	purpose of funding the fixed capital costs associated with establishing
34	adult-use cannabis retail dispensaries for operation by social and
35	economic equity applicants, duly licensed pursuant to article four of
36	the cannabis law.
37	§ 6. This act shall take effect immediately.

39	Section 1. Subdivision 24-e of section 10 of the highway law, as added
40	by section 1 of part RRR of chapter 59 of the laws of 2019, is amended
41	to read as follows:
42	24-e. The commissioner of transportation is hereby authorized to enter
43	into an agreement with any fiber optic utility for use and occupancy of
44	the state right of way for the purposes of installing, modifying, relo-
45	cating, repairing, operating, or maintaining fiber optic facilities.
46	Such agreement may include a fee for use and occupancy of the right of
47	way, provided, however, such fee shall not be greater than fair market
48	value. Any provider using or occupying a right of way in fulfillment of
49	a state grant award through <u>either</u> the New NY Broadband Program <u>or any</u>
50	successor office shall not be subject to a fee for such use or occupan-
	· · · · · · · · · · · · · · · · · · ·

51 cy. <u>Such exemption shall be applied to the entirety of an award recipi-</u> 52 <u>ent's built footprint, and no portion of such footprint, notwithstanding</u>

53 current status as it relates to access to broadband and other connectiv-

ity infrastructure, shall be subject to a fee for use and occupancy. Any 1 fee for use or occupancy charged to a fiber optic utility shall not be 2 3 passed through in whole or in part as a fee, charge, increased service 4 cost, or by any other means by a fiber optic utility to any person or 5 entity that contracts with such fiber optic utility for service. Any 6 compensation received by the state pursuant to such agreement shall be 7 deposited by the comptroller into the special obligation reserve and payment account of the dedicated highway and bridge trust fund estab-8 9 lished pursuant to section eighty-nine-b of the state finance law. Nothing herein shall impair, inhibit, or otherwise affect the ability of any 10 11 municipality to regulate zoning, land use, or any other power or author-12 ity granted under the law. For purposes of this subdivision, "munici-13 pality" shall include a county, city, village, or town. 14 2. Section 7 of the transportation corporations law, as added by S 15 section 2 of part RRR of chapter 59 of the laws of 2019, is amended to read as follows: 16 17 § 7. Agreement for fiber optic utility use and occupancy of state 18 right of way. The commissioner of transportation is hereby authorized to 19 enter into an agreement with any fiber optic utility for use and occu-20 pancy of the state right of way for the purposes of installing, modify-21 ing, relocating, repairing, operating, or maintaining fiber optic facil-22 ities. Such agreement may include a fee for use and occupancy of the right of way, provided, however, such fee shall not be greater than fair 23 24 market value. Any provider using or occupying a right of way in fulfill-25 ment of a state grant award through either the New NY Broadband Program 26 or any successor office shall not be subject to a fee for such use or 27 occupancy. Such exemption shall be applied to the entirety of an award 28 recipient's built footprint, and no portion of such footprint, notwith-29 standing current status as it relates to access to broadband and other 30 connectivity infrastructure, shall be subject to a fee for use and occu-31 pancy. Any fee for use or occupancy charged to a fiber optic utility 32 shall not be passed through in whole or in part as a fee, charge, 33 increased service cost, or by any other means by a fiber optic utility 34 to any person or entity that contracts with such fiber optic utility for 35 service. Any compensation received by the state pursuant to such agree-36 ment shall be deposited by the comptroller into the special obligation 37 reserve and payment account of the dedicated highway and bridge trust fund established pursuant to section eighty-nine-b of the state finance 38 39 law. Nothing herein shall impair, inhibit, or otherwise affect the ability of any municipality to regulate zoning, land use, or any other power 40 or authority granted under the law. For purposes of this section, "muni-41 42 cipality" shall include a county, city, village, or town.

§ 3. This act shall take effect immediately; provided that the amendments to subdivision 24-e of section 10 of the highway law and section 7 of the transportation corporations law made by this act shall not affect the repeal of such subdivision and section and shall expire and be deemed repealed therewith.

49 Section 1. Subdivision 2 of section 27-1207 of the environmental 50 conservation law, as amended by section 7 of part AA of chapter 58 of 51 the laws of 2018, is amended to read as follows:

52 2. [The] Appropriations for the solid waste mitigation program [shall 53 receive no more than twenty-five million dollars] from the clean water 54 infrastructure act of 2017 [and] shall be made available to the depart-

ment and the department of health, as applicable, for the following 1 2 purposes: 3 a. enumeration and assessment of solid waste sites; 4 b. investigation and environmental characterization of solid waste 5 sites, including environmental sampling; б c. mitigation and remediation of solid waste sites; 7 d. monitoring of solid waste sites; and 8 e. administration and enforcement of the requirements of section 9 27-1203 of this title. 10 § 2. This act shall take effect immediately. 11 PART LL 12 Section 27-1405 of the environmental conservation law is Section 1. 13 amended by adding three new subdivisions 32, 33 and 34 to read as 14 follows: 15 32. "Conforming BOA site" shall mean a site located within an area designated by the secretary of state as a brownfield opportunity area 16 17 pursuant to section nine hundred seventy-r of the general municipal law 18 and for which the secretary of state has issued an affirmative conform-19 ance determination pursuant to subdivision ten of such section. 20 33. "Disadvantaged community" shall mean a community that is identi-21 fied pursuant to section 75-0111 of this chapter. 34. "Renewable energy facility site" shall mean real property: (a) 22 23 that is primarily used for any renewable energy system, as defined in 24 section sixty-six-p of the public service law; (b) any co-located system 25 storing energy generated from such a renewable energy system prior to 26 delivering it to the bulk transmission, sub-transmission, or distrib-27 ution system; or (c) any standalone system storing energy interconnected 28 into New York's bulk transmission system or an Investor Owned Utility's 29 (IOU) transmission or distribution system providing distribution 30 services, wholesale market energy, ancillary services, and/or capacity 31 services, including all associated appurtenances to electric plants as 32 defined under section two of the public service law. 33 § 2. The opening paragraph of subdivision 1-a of section 27-1407 of 34 the environmental conservation law, as added by section 3 of part BB of 35 chapter 56 of the laws of 2015, is amended to read as follows: If the person is also seeking a determination that the site is eligi-36 37 ble for the tangible property credit component of the brownfield redevelopment tax credit pursuant to paragraph three of subdivision (a) of 38 section twenty-one of the tax law for a site located in a city having a 39 40 population of one million or more, such person shall submit information 41 sufficient to demonstrate that: (a) at least half of the site area is 42 located in an environmental zone as defined in section twenty-one of the 43 tax law; (b) the property is upside down or underutilized; [or] (c) the 44 project is an affordable housing project: (d) the project is a conform-45 ing BOA site; or (e) the project is being developed as a renewable ener-46 gy facility site. An applicant may request an eligibility determination 47 for tangible property credits at any time from application until the 48 site receives a certificate of completion pursuant to section 27-1419 of 49 this title except for sites seeking eligibility under the underutilized 50 category. 51 3. Section 27-1409 of the environmental conservation law is amended § 52 by adding a new subdivision 13 to read as follows: 53 13. After acceptance by the department, an executed brownfield cleanup 54 agreement shall be submitted and returned to the department with payment

of a nonrefundable program fee in the amount of fifty thousand dollars, 1 which shall be deposited to the credit of the oversight and assistance 2 account of the hazardous waste remedial fund pursuant to section nine-3 4 ty-seven-b of the state finance law. The department may reduce or waive 5 such fee upon a demonstration of financial hardship by the applicant. б Program fees shall not qualify for any of the tax credits available for 7 brownfield sites under sections twenty-one, twenty-two, and twenty-three 8 of the tax law. 9 § 4. Paragraph 2 of subdivision (a) of section 21 of the tax law, as 10 amended by section 1 of part H of chapter 577 of the laws of 2004, is 11 amended to read as follows: 12 (2) Site preparation credit component. The site preparation credit 13 component shall be equal to the applicable percentage of the site prepa-14 ration costs paid or incurred by the taxpayer with respect to a quali-15 fied site. The credit component amount so determined with respect to a site's qualification for a certificate of completion shall be allowed 16 17 for the taxable year in which the effective date of the certificate of completion occurs. The credit component amount determined other than 18 19 with respect to such qualification shall be allowed for the taxable year 20 in which the improvement to which the applicable costs apply is placed 21 service for up to five taxable years after the issuance of such in 22 certificate of completion; provided, however, that for any qualified site to which a certificate of completion is issued on or after March 23 twentieth, two thousand fifteen but on or before June twenty-fourth, two 24 25 thousand twenty-one, the site preparation credit component for such 26 costs shall be allowed for up to seven taxable years after the issuance 27 of such certificate of completion. 28 § 5. 23 § 10. This act shall take effect immediately.

# PART MM

25 Section 1. Subdivision 1 and the opening paragraph of subdivision 2 of 26 section 27-1905 of the environmental conservation law, as amended by 27 section 1 of part E of chapter 58 of the laws of 2019, are amended to 28 read as follows:

29 1. Until December thirty-first, two thousand [twenty-two] 30 twenty-seven, accept from a customer, waste tires of approximately the 31 same size and in a quantity equal to the number of new tires purchased 32 or installed by the customer; and

33 Until December thirty-first, two thousand [twenty-two] twenty-seven, 34 post written notice in a prominent location, which must be at least 35 eight and one-half inches by fourteen inches in size and contain the 36 following language:

37 § 2. Subdivisions 1, 2, 3 and paragraph (a) of subdivision 6 of 38 section 27-1913 of the environmental conservation law, as amended by 39 section 2 of part E of chapter 58 of the laws of 2019, are amended to 40 read as follows:

41 1. Until December thirty-first, two thousand [<del>twenty-two</del>] 42 twenty-seven, a waste tire management and recycling fee of two dollars 43 and fifty cents shall be charged on each new tire sold. The fee shall be 44 paid by the purchaser to the tire service at the time the new tire or 45 new motor vehicle is purchased.

46 The waste tire management and recycling fee does not apply to:

47 (a) recapped or resold tires;

48 (b) mail-order sales; or

49 (c) the sale of new motor vehicle tires to a person solely for the 50 purpose of resale provided the subsequent retail sale in this state is 51 subject to such fee.

52 2. Until December thirty-first, two thousand [twenty-two] 53 twenty-seven, the tire service shall collect the waste tire management 54 and recycling fee from the purchaser at the time of the sale and shall

remit such fee to the department of taxation and finance with the quar-1 2 terly report filed pursuant to subdivision three of this section. 3 (a) The fee imposed shall be stated as an invoice item separate and 4 distinct from the selling price of the tire. 5 (b) The tire service shall be entitled to retain an allowance of twenб ty-five cents per tire from fees collected. 7 3. [Until March thirty-first, two thousand twenty-three, each] Each tire service maintaining a place of business in this state shall make a 8 9 return to the department of taxation and finance on a quarterly basis, 10 with the return for December, January, and February being due on or 11 before the immediately following March thirty-first; the return for March, April, and May being due on or before the immediately following 12 June thirtieth; the return for June, July, and August being due on or 13 14 before the immediately following September thirtieth; and the return for 15 September, October, and November being due on or before the immediately 16 following December thirty-first. 17 (a) Each return shall include: 18 (i) the name of the tire service; (ii) the address of the tire service's principal place of business and 19 20 the address of the principal place of business (if that is a different 21 address) from which the tire service engages in the business of making 22 retail sales of tires; 23 (iii) the name and signature of the person preparing the return; 24 (iv) the total number of new tires sold at retail for the preceding 25 quarter and the total number of new tires placed on motor vehicles prior to original retail sale; 26 27 (v) the amount of waste tire management and recycling fees due; and 28 (vi) such other reasonable information as the department of taxation 29 and finance may require. 30 (b) Copies of each report shall be retained by the tire service for 31 three years. 32 If a tire service ceases business, it shall file a final return and 33 remit all fees due under this title with the department of taxation and 34 finance not more than one month after discontinuing that business. 35 (a) Until December thirty-first, two thousand [twonty-two] twenty-sev-36 en, any additional waste tire management and recycling costs of the tire 37 service in excess of the amount authorized to be retained pursuant to paragraph (b) of subdivision two of this section may be included in the 38 published selling price of the new tire, or charged as a separate per-39 tire charge on each new tire sold. When such costs are charged as a 40 separate per-tire charge: (i) such charge shall be stated as an invoice 41 42 item separate and distinct from the selling price of the tire; (ii) the 43 invoice shall state that the charge is imposed at the sole discretion of 44 the tire service; and (iii) the amount of such charge shall reflect the 45 actual cost to the tire service for the management and recycling of waste tires accepted by the tire service pursuant to section 27-1905 of 46 47 this title, provided however, that in no event shall such charge exceed 48 two dollars and fifty cents on each new tire sold. 3. Subdivision 3 of section 27-1913 of the environmental conserva-49 § 50 tion law, as amended by section two of this act, is amended to read as 51 follows: 52 3. Each tire service maintaining a place of business in this state 53 shall make a return to the department of taxation and finance [on a 54 quarterly basis, with the return for December, January, and February

55 being due on or before the immediately following March thirty-first; the

56 return for March, April, and May being due on or before the immediately

following June thirtieth; the return for June, July, and August being 1 due on or before the immediately following September thirtieth; and the 2 3 return for September, October, and November being due on or before the 4 immediately following December thirty-first. 5 (a) Each return shall include: б (i) the name of the tire service; 7 (ii) the address of the tire service's principal place of business and 8 the address of the principal place of business (if that is a different 9 address) from which the tire service engages in the business of making 10 retail sales of tires; (iii) the name and signature of the person preparing the return; 11 12 (iv) the total number of new tires sold at retail for the preceding quarter and the total number of new tires placed on motor vehicles prior 13 14 to original retail sale; 15 (v) the amount of waste tire management and recycling fees due; and (vi) such other reasonable information as the department of taxation 16 17 and finance may require. (b) Copies of each report shall be retained by the tire service for 18 19 three years. If a tire service ceases business, it shall file a final return and 20 21 remit all fees due under this title with the department of taxation and finance not more than one month after discontinuing that business] on 22 such form and including such information as the commissioner of taxation 23 and finance may require. Such returns shall be due at the same time and 24 25 for the same periods as the sales tax return of such tire service, in accordance with section eleven hundred thirty-six of the tax law, and 26 27 payment of all fees due for such periods shall be remitted with such 28 returns. 29 § 4. Subdivision 5 of section 27-1913 of the environmental conserva-30 tion law, as added by section 2 of part E of chapter 686 of the laws of 31 2003, is amended to read as follows: 32 5. (a) The provisions of article [twenty-seven] twenty-eight of the 33 tax law, including the provisions relating to definitions, exemptions, 34 returns, personal liability for the tax, collection of tax from the customer, payment of tax and the administration of the tax imposed, 35 36 shall apply to the provisions of this section in the same manner and 37 with the same force and effect as if the language of such article had been incorporated in full into this section and had expressly referred 38 to the fee under this section, except to the extent that any provision 39 such article is either inconsistent with a provision of this section 40 of or is not relevant to this section. For purposes of this section, any 41 42 reference to a tax or the taxes imposed by article twenty-eight of the 43 tax law shall be deemed also to refer to the waste tire management and recycling fee imposed under the authority of this section unless a 44 45 different meaning is clearly required. 46 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-47 sion, the exemptions provided in section eleven hundred sixteen of the 48 tax law shall not apply to this section except with respect to the entities described in paragraphs one, two, three and six of subdivision (a) 49 50 of such section. 51 § 5. This act shall take effect immediately; provided that sections 52 three and four of this act shall take effect on March 1, 2023; provided, further, that the return for the quarterly period ending on the last day 53 of February, 2023 shall be due on March 31, 2023, and any fees required 54 to be collected and paid for such period must be remitted with such 55 56 return.

PART NN 1 2 Section 1. Sections 1, 2, and 3 of section 1 and section 2 of part TT of chapter 59 of the laws of 2021 authorizing the creation of state debt 3 in the amount of three billion dollars, in relation to creating the 4 5 environmental bond act of 2022 "restore mother nature" for the purposes б of environmental improvements that preserve, enhance, and restore New 7 York's natural resources and reduce the impact of climate change; and 8 providing for the submission to the people of a proposition or question 9 therefor to be voted upon at the general election to be held in Novem-10 ber, 2022, are amended to read as follows: 11 § 1. Short title. This act shall be known and may be cited as the 12 "<u>clean water, clean air, and green jobs</u> environmental bond act of 2022 13 [restore mother nature]". 14 § 2. Creation of state debt. The creation of state debt in an amount 15 not exceeding in the aggregate [three] four billion dollars 16 [<del>(\$3,000,000,000)</del>] <u>(\$4,000,000,000)</u> is hereby authorized to provide 17 moneys for the single purpose of making environmental improvements that 18 preserve, enhance, and restore New York's natural resources and reduce 19 the impact of climate change by funding capital projects for: restora-20 tion and flood risk reduction not less than one billion two hundred 21 million dollars [(\$1,000,000,000)] (\$1,200,000,000); open space land conservation and recreation up to [five] six hundred fifty million 22 dollars [(\$550,000,000)] (\$650,000,000); climate change mitigation up to 23 [seven hundred] one billion one hundred million dollars [(\$700,000,000)] 24 25 (\$1,100,000,000); and, water quality improvement and resilient infras-26 tructure not less than [five] six hundred fifty million dollars 27 [<del>(\$550,000,000)</del>] <u>(\$650,000,000)</u>. 28 § 3. Bonds of the state. The state comptroller is hereby authorized

29 and empowered to issue and sell bonds of the state up to the aggregate 30 of billion amount [<del>three</del>] four dollars [<del>(\$3,000,000,000)</del>] 31 (\$4,000,000,000) for the purposes of this act, subject to the provisions 32 of article 5 of the state finance law. The aggregate principal amount of 33 [ three ] such bonds shall not exceed four billion dollars 34 [<del>(\$3,000,000,000)</del>] (\$4,000,000,000) excluding bonds issued to refund or 35 otherwise repay bonds heretofore issued for such purpose; provided, however, that upon any such refunding or repayment, the total aggregate 36 37 principal amount of outstanding bonds may be greater than [three] four billion dollars [(\$3,000,000,000)] (\$4,000,000,000) only if the present 38 value of the aggregate debt service of the refunding or repayment bonds 39 to be issued shall not exceed the present value of the aggregate debt 40 41 service of the bonds to be refunded or repaid. The method for calculat-42 ing present value shall be determined by law.

43 § 2. This act shall take effect immediately, provided that the 44 provisions of section one of this act shall not take effect unless and 45 until this act shall have been submitted to the people at the general 46 election to be held in November 2022 and shall have been approved by a 47 majority of all votes cast for and against it at such general election. Upon approval by the people, section one of this act shall take effect 48 49 immediately. The ballots to be furnished for the use of voters upon submission of this act shall be in the form prescribed by the election 50 51 law and the proposition or question to be submitted shall be printed thereon in the following form, namely "To address and combat the impact 52 of climate change and damage to the environment, the "Clean Water, Clean 53 Air, and Green Jobs Environmental Bond Act of 2022 ["Restore Mother 54 55 **Nature**]" authorizes the sale of state bonds up to [three] four billion

dollars to fund environmental protection, natural restoration, resilien-1 cy, and clean energy projects. Shall the Environmental Bond Act of 2022 2 3 be approved?". § 2. This act shall take effect immediately. 4 5 PART OO б Section 1. The article heading of article 58 of the environmental 7 conservation law, as added by section 1 of part UU of chapter 59 of the 8 laws of 2021, is amended to read as follows: IMPLEMENTATION OF THE ENVIRONMENTAL BOND ACT OF 2022 "[RESTORE MOTHER 9 10 NATURE] CLEAN WATER, CLEAN AIR, AND GREEN JOBS" 2. Subdivision 1 of section 58-0101 of the environmental conserva-11 § 12 tion law, as added by section 1 of part UU of chapter 59 of the laws of 13 2021, is amended to read as follows: "Bonds" shall mean general obligation bonds issued pursuant to the 14 1. 15 environmental bond act of 2022 "[restore mother nature] clean water, clean air, and green jobs " in accordance with article VII of the New 16 York state constitution and article five of the state finance law. 17 18 § 3. Section 58-0103 of the environmental conservation law, as added 19 by section 1 of part UU of chapter 59 of the laws of 2021, is amended to 20 read as follows: § 58-0103. Allocation of moneys. 21 The moneys received by the state from the sale of bonds pursuant to 22 the environmental bond act of 2022 shall be disbursed in the following 23 24 amounts pursuant to appropriations as specifically provided for in 25 titles three, five, seven, and nine of this article: <u>two hundred million</u> 26 1. Not less than one billion dollars [(\$1,000,000,000)] (\$1,200,000,000) for restoration and flood risk 27 28 reduction as set forth in title three of this article. 29 Up to [five] six hundred fifty million dollars [(\$550,000,000)] 30 (\$650,000,000) for open space land conservation and recreation as set 31 forth in title five of this article. 3. Up to [seven] one billion dollars 32 one hundred million [<del>(\$700,000,000)</del>] <u>(\$1,100,000,000)</u> for climate change mitigation as set 33 34 forth in title seven of this article. 35 4. Not less than [five] six fifty million hundred dollars 36 [(\$550,000,000)] (\$650,000,000) for water quality improvement and resilient infrastructure as set forth in title nine of this article. 37 § 4. Subdivision 1 of section 58-0105 of the environmental conserva-38 tion law, as added by section 1 of part UU of chapter 59 of the laws of 39 40 2021, is amended to read as follows: 41 1. Administer funds generated pursuant to the environmental bond act 42 of 2022 "[restore mother nature] clean water, clean air, and green 43 jobs". 44 § Section 58-0301 of the environmental conservation law, as added 5. 45 by section 1 of part UU of chapter 59 of the laws of 2021, is amended to 46 read as follows: 47 § 58-0301. Allocation of moneys. 48 Of the moneys received by the state from the sale of bonds pursuant to the environmental bond act of 2022, not less than one billion two 49 hundred million dollars [(\$1,000,000,000)] (\$1,200,000,000) shall be 50 available for disbursements for restoration and flood risk reduction 51 52 projects developed pursuant to section 58-0303 of this title. Not more 53 than two hundred fifty million dollars (\$250,000,000) of this amount

shall be available for projects pursuant to subdivision two of section 1 58-0303 of this title and not less than one hundred million dollars 2 (\$100,000,000) each shall be available for coastal rehabilitation and 3 4 shoreline restoration projects and projects which address inland flood-5 ing, pursuant to paragraph a of subdivision one of section 58-0303 of б this title. 7 § 6. Section 58-0501 of the environmental conservation law, as added 8 by section 1 of part UU of chapter 59 of the laws of 2021, is amended to 9 read as follows: 10 § 58-0501. Allocation of moneys. 11 Of the moneys received by the state from the sale of bonds pursuant to 12 the environmental bond act of 2022 to be used for open space land conservation and recreation projects, up to [five] six hundred fifty 13 million dollars [<del>(\$550,000,000)</del>] <u>(\$650,000,000)</u> shall be available for 14 15 programs, plans, and projects developed pursuant to section 58-0503 of 16 this title, however, not more than seventy-five million dollars 17 (\$75,000,000) shall be made available for the creation of a fish hatchery, or the improvement, expansion, repair or maintenance of existing 18 19 fish hatcheries, not less than two hundred million dollars 20 (\$200,000,000) shall be made available for open space land conservation 21 projects pursuant to paragraph a of subdivision one of section 58-0503 22 of this title and not less than one hundred million dollars 23 (\$100,000,000) shall be made available for farmland protection pursuant 24 to paragraph b of subdivision one of section 58-0503 of this title. 25 § 7. Section 58-0701 of the environmental conservation law, as added by section 1 of part UU of chapter 59 of the laws of 2021, is amended to 26 27 read as follows: 28 § 58-0701. Allocation of moneys. 29 Of the moneys received by the state from the sale of bonds pursuant to 30 environmental bond act of 2022, up to [seven] one billion one the 31 hundred million dollars [(\$700,000,000)] (\$1,100,000,000) shall be made 32 available for disbursements for climate change mitigation projects 33 developed pursuant to section 58-0703 of this title. Not less than three 34 hundred fifty million dollars (\$350,000,000) of this amount shall be 35 available for green buildings projects. 36 § 8. Section 58-0901 of the environmental conservation law, as added 37 by section 1 of part UU of chapter 59 of the laws of 2021, is amended to 38 read as follows: 39 § 58-0901. Allocation of moneys. 40 Of the moneys received by the state from the sale of bonds pursuant to the environmental bond act of 2022 for disbursements for state assist-41 42 ance for water quality improvement projects as defined by title one of 43 this article, not less than [five] six hundred fifty million dollars 44 [<del>(\$550,000,000)</del>] <u>(\$650,000,000)</u> shall be available for water quality improvement projects developed pursuant to section 58-0903 of this 45 46 title. Not less than two hundred million dollars (\$200,000,000) of this 47 amount shall be available for wastewater infrastructure projects under-48 taken pursuant to the New York state water infrastructure improvement act of 2017 pursuant to paragraph e of subdivision one of section 49 58-0903 of this title, and not less than one hundred million dollars 50 (\$100,000,000) shall be available for municipal stormwater projects 51 52 pursuant to paragraph a of subdivision one of section 58-0903 of this 53 title. 54 § 9. Subdivision 1 of section 58-1103 of the environmental conserva-55 tion law, as added by section 1 of part UU of chapter 59 of the laws of 56 2021, is amended to read as follows:

1. No later than sixty days following the end of each fiscal year, 1 each department, agency, public benefit corporation, and public authori-2 3 ty receiving an allocation or allocations of appropriation financed from 4 the [restore mother nature] clean water, clean air, and green jobs envi-5 ronmental bond act of 2022 shall submit to the commissioner in a manner 6 and form prescribed by the department, the following information as of 7 March thirty-first of such fiscal year, within each category listed in 8 this title: the total appropriation; total commitments; year-to-date 9 disbursements; remaining uncommitted balances; and a description of each 10 project. 11 10. Section 97-tttt of the state finance law, as added by section 2 § 12 of part UU of chapter 59 of the laws of 2021, is amended to read as 13 follows: 14 § 97-tttt. [Restore mother nature] Clean water, clean air, and green 15 jobs bond fund. 1. There is hereby established in the joint custody of the state comptroller and the commissioner of taxation and finance a 16 special fund to be known as the "[restore mother nature] clean water, 17 clean air, and green jobs bond fund". 18 The state comptroller shall deposit into the [restore mother 19 2. nature] clean water, clean air, and green jobs bond fund all moneys 20 21 received by the state from the sale of bonds and/or notes for uses 22 eligible pursuant to section four of the environmental bond act of 2022 23 "[restore mother nature] clean water, clean air, and green jobs". 3. Moneys in the [restore mother nature] clean water, clean air, and 24 25 green jobs bond fund, following appropriation by the legislature and allocation by the director of the budget, shall be available only for 26 27 reimbursement of expenditures made from appropriations from the capital 28 projects fund for the purpose of the [restore mother nature] clean 29 water, clean air, and green jobs bond fund, as set forth in the environmental bond act of 2022 "[restore mother nature] clean water, clean air, 30 31 <u>and green jobs</u>". 32 4. No moneys received by the state from the sale of bonds and/or notes 33 sold pursuant to the environmental bond act of 2022 "[restore mother 34 **nature**] <u>clean water, clean air, and green jobs</u>" shall be expended for any project until funds therefor have been allocated pursuant to the 35 36 provisions of this section and copies of the appropriate certificates of 37 approval filed with the chair of the senate finance committee, the chair 38 of the assembly ways and means committee and the state comptroller. 39 § 11. Subdivision 32 of section 61 of the state finance law, as added by section 3 of part UU of chapter 59 of the laws of 2021, is amended to 40 41 read as follows: 42 32. Thirty years. For the payment of "[restore mother nature] clean 43 water, clean air, and green jobs " projects, as defined in article 44 fifty-eight of the environmental conservation law and undertaken pursu-45 ant to a chapter of the laws of two thousand twenty-one, enacting and 46 constituting the environmental bond act of 2022 "[restore mother nature] 47 clean water, clean air, and green jobs". Thirty years for flood control 48 infrastructure, other environmental infrastructure, wetland and other habitat restoration, water quality projects, acquisition of land, 49 including acquisition of real property, and renewable energy projects. 50 51 Notwithstanding the foregoing, for the purposes of calculating annual 52 debt service, the state comptroller shall apply a weighted average peri-53 od of probable life of [restore mother nature] clean water, clean air, 54 and green jobs projects, including any other works or purposes to be financed with state debt. Weighted average period of probable life shall 55 56 be determined by computing the sum of the products derived from multi-

33

1 plying the dollar value of the portion of the debt contracted for each 2 work or purpose (or class of works or purposes) by the probable life of 3 such work or purpose (or class of works or purposes) and dividing the 4 resulting sum by the dollar value of the entire debt after taking into 5 consideration any original issue premium or discount.

6 § 12. Section 5 of part UU of chapter 59 of the laws of 2021 amending 7 the environmental conservation law and the state finance law relating to 8 the implementation of the environmental bond act of 2022 "restore mother 9 nature", is amended to read as follows:

10 § 5. This act shall take effect only in the event that section 1 of 11 part TT of the chapter of the laws of 2021 enacting the environmental 12 bond act of 2022 "[restore mother nature] clean water, clean air, and green jobs" is submitted to the people at the general election to be 13 14 held in November 2022 and is approved by a majority of all votes cast 15 for and against it at such election. Upon such approval, this act shall 16 take effect immediately; provided that the commissioner of environmental 17 conservation shall notify the legislative bill drafting commission upon the occurrence of the enactment of section 1 of part TT of the chapter 18 19 of the laws of 2021 enacting the environmental bond act of 2022 20 "[restore mother nature] clean water, clean air, and green jobs", in 21 order that the commission may maintain an accurate and timely effective 22 data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legisla-23 tive law and section 70-b of the public officers law. Effective imme-24 diately, the addition, amendment, and/or repeal of any rule or regu-25 lation necessary for the implementation of the foregoing sections of 26 this act are authorized [and directed] to be made and completed on or 27 28 before such effective date.

§ 13. This act shall take effect immediately; provided, however that sections one, two, three, four, five, six, seven, eight, nine, ten and eleven of this act shall take effect on the same date and in the same manner as part UU of chapter 59 of the laws of 2021, takes effect.

### PART PP

34 Section 1. Subdivision (a) of section 1421 of the tax law, as amended 35 by section 4 of part 000 of chapter 59 of the laws of 2019, is amended 36 to read as follows:

37 (a) From the taxes, interest and penalties attributable to the tax 38 imposed pursuant to section fourteen hundred two of this article, the amount of one hundred ninety-nine million three hundred thousand dollars 39 40 shall be deposited by the comptroller in the environmental protection 41 fund established pursuant to section ninety-two-s of the state finance 42 law for the fiscal year beginning April first, two thousand nine; the 43 amount of one hundred nineteen million one hundred thousand dollars 44 shall be deposited in such fund for the fiscal year beginning April 45 first, two thousand ten; the amount of two hundred fifty-seven million three hundred fifty thousand dollars shall be deposited into such fund 46 for the fiscal year beginning April first, two thousand twenty-two; and 47 for each fiscal year thereafter. On or before June twelfth, nineteen 48 49 hundred ninety-five and on or before the twelfth day of each month ther-50 eafter (excepting the first and second months of each fiscal year), the 51 comptroller shall deposit into such fund from the taxes, interest and penalties collected pursuant to such section fourteen hundred two of 52 this article which have been deposited and remain to the comptroller's 53 54 credit in the banks, banking houses or trust companies referred to in

section one hundred seventy-one-a of this chapter at the close of busi-1 2 ness on the last day of the preceding month, an amount equal to onetenth of the annual amount required to be deposited in such fund pursu-3 4 ant to this section for the fiscal year in which such deposit is 5 required to be made. In the event such amount of taxes, interest and 6 penalties so remaining to the comptroller's credit is less than the 7 amount required to be deposited in such fund by the comptroller, an 8 amount equal to the shortfall shall be deposited in such fund by the 9 comptroller with subsequent deposits, as soon as the revenue is avail-10 able. Beginning April first, nineteen hundred ninety-seven, the comp-11 troller shall transfer monthly to the clean water/clean air fund estab-12 lished pursuant to section ninety-seven-bbb of the state finance law, all moneys remaining from such taxes, interest and penalties collected 13 14 that are not required for deposit in the environmental protection fund. 15 § 2. This act shall take effect immediately.

## PART QQ

17 Section 1. Subdivisions 2, 3 and 7 of section 24-0105 of the environ-18 mental conservation law, as added by chapter 614 of the laws of 1975, 19 subdivision 7 as renumbered by chapter 654 of the laws of 1977, are 20 amended to read as follows:

2. Considerable acreage of freshwater wetlands in the state of New
 22 York has been lost, despoiled or impaired by unregulated draining,
 23 dredging, filling, excavating, building, pollution or other [acts]
 24 activities inconsistent with the natural uses of such areas. [Other
 25 freshwater wetlands are in jeopardy of being lost, despoiled
 26 or impaired by such [unrelated acts]

3. Recurrent flooding aggravated or caused by the loss of freshwater wetlands has serious effects upon natural ecosystems <u>and communities</u>. <u>The increasing severity and duration of storm-related flooding due to</u> climate change, which has caused billions of dollars of property damage across the state, makes protection of all freshwater wetlands in the state of vital importance.

33 7. Any loss of freshwater wetlands deprives the people of the state of 34 some or all of the many and multiple benefits to be derived from 35 wetlands, to wit:

36 (a) flood and storm control by the hydrologic absorption and storage 37 capacity of freshwater wetlands;

(b) wildlife habitat by providing breeding, nesting and feeding grounds and cover for many forms of wildlife, wildfowl and shorebirds, including migratory wildfowl and rare, endangered or threatened species [such as the bald eagle and osprey];

42 (c) protection of subsurface water resources and provision for valu-43 able watersheds and recharging ground water supplies;

(d) recreation by providing areas for hunting, fishing, boating,hiking, bird watching, photography, camping and other uses;

46 (e) pollution treatment by serving as biological and chemical oxida-47 tion basins;

48 (f) erosion control by serving as sedimentation areas and filtering 49 basins, absorbing silt and organic matter and protecting channels and 50 harbors;

(g) education and scientific research by providing readily accessible outdoor bio-physical laboratories, living classrooms and vast training and education resources; [and]

(h) open space and aesthetic appreciation by providing often the only 1 2 remaining open areas along crowded river fronts and coastal Great Lakes 3 regions; [and] 4 (i) sources of nutrients in freshwater food cycles and nursery grounds 5 and sanctuaries for freshwater fish[+]; 6 (i) supporting a diversity of plant species that are rare, endangered 7 or threatened, or exploitably vulnerable as defined in section 9-1503 of 8 this chapter; and 9 (k) supporting a diversity of communities of plants and animals that 10 are deemed by the commissioner to be rare in the state or in a region of 11 the state. 12 2. The opening paragraph and paragraphs (c) and (d) of subdivision § 1, and subdivisions 2, 3 and 8 of section 24-0107 of the environmental 13 14 conservation law, as amended by chapter 654 of the laws of 1977, are 15 amended and two new subdivisions 9 and 10 are added to read as follows: "Freshwater wetlands" means lands and waters of the state [<del>as shown on</del> 16 17 the freshwater wetlands map ] that have an area of at least twelve and four-tenths acres or, if less than twelve and four-tenths acres in size, 18 are of unusual importance, and which contain any or all of the follow-19 20 ing: 21 (c) lands and waters substantially enclosed by aquatic or semi-aquatic 22 vegetation as set forth in paragraph (a) of this subdivision or by dead vegetation as set forth in paragraph (b) of this subdivision, the regu-23 lation of which is necessary to protect and preserve the aquatic and 24 25 semi-aquatic vegetation; and 26 (d) the waters overlying the areas set forth in **<u>paragraphs</u>** (a) and (b) 27 of this subdivision and the lands underlying paragraph (c) of this 28 subdivision. 29 2. "Freshwater wetlands map" shall mean a map promulgated by the department pursuant to section 24-0301 of this article on which are 30 indicated the boundaries of any freshwater wetlands. Freshwater wetland 31 32 maps depict the approximate location of wetlands and are not necessarily 33 determinative as to whether a permit is required pursuant to section 34 24-0701 of this article. There is a rebuttable presumption that mapped and unmapped areas meeting the definition of a freshwater wetland in 35 36 this section are regulated and subject to permit requirements. This 37 presumption may be rebutted by presenting information to the department that the area does not meet the definition contained in this section. A 38 39 wetland delineation by the department, or a verification by the depart-40 ment of a wetland delineation by another party, is required to identify the regulated freshwater wetland boundary in a particular location. 41 42 "Boundaries of a freshwater wetland" shall mean the outer limit of 3. 43 the vegetation specified in paragraphs (a) and (b) of subdivision one of 44 this section [24-0107] and of the lands and waters specified in para-45 graph (c) of such subdivision. 46 "Pollution" shall mean the presence in the environment of [man-in-8. 47 duced] human-induced conditions, or contaminants in quantities or char-48 acteristics which are or may be injurious to human, plant or wildlife, 49 or other animal life or to property. 9. "Unusual importance" shall mean a freshwater wetland, regardless of 50 size, that possesses one or more of the following characteristics as 51 52 determined by the department: (a) it is located in a watershed that has experienced significant 53 54 flooding in the past, or is expected to experience significant flooding 55 in the future from severe storm events related to climate change;

1	(b) it is located within an urbanized area, as defined by the United
2	States census bureau;
3	(c) it contains a plant species occurring in fewer than thirty-five
4	sites statewide or having fewer than five thousand individuals state-
5	wide;
6	(d) it contains habitat for an essential behavior of an endangered or
7	threatened species or a species of special concern as defined under
8	section 11-0535 of this chapter or listed as a species of greatest
9	conservation need in New York's wildlife action plan;
10	(e) it is classified by the department as a Class I wetland;
11	(f) it was previously classified and mapped by the department as a
12	wetland of unusual local importance; or
13	(q) it is determined by the commissioner to be of significant impor-
$14^{13}$	tance to protecting the state's water quality.
15	10. "Delineation" shall mean a precise representation of a regulated
16	freshwater wetland as defined in subdivisions one and three of this
$10 \\ 17$	section.
18	§ 3. Subdivisions 1, 2, 3, 4 and 5 of section 24-0301 of the environ-
19	mental conservation law are REPEALED.
20	§ 4. Subdivisions 6, 7 and 8 of section 24-0301 of the environmental
20 21	conservation law, subdivision 6 as amended by chapter 16 of the laws of
22	2010 and subdivision 7 as amended and subdivision 8 as added by chapter
22	654 of the laws of 1977, are amended to read as follows:
23 24	[6-] <u>1.</u> Except as provided in subdivision [eight] <u>three</u> of this
24 25	section, the commissioner shall supervise the maintenance of [such boun-
26	dary] <u>freshwater wetlands</u> maps, which shall be available to the public
20 27	[for inspection and examination at the regional office of the department
28	in which the wetlands are wholly or partly located and in the office of
28 29	the clerk of each county in which each such wetland or a portion thereof
30	is located] on the department's website. The commissioner may readjust
31	the map [thereafter to clarify the boundaries of the wetlands, to
32	correct any errors on the map, to effect any additions, deletions or
33	technical changes on the map, and to reflect changes as have occurred as
34	a result of the granting of permits pursuant to section 24-0703 of this
35	article, or natural changes which may have occurred through erosion,
36	accretion, or otherwise. Notice of such readjustment shall be given in
37	the same manner as set forth in subdivision five of this section for the
38	promulgation of final freshwater wetlands maps. In addition, at the time
39	notice is provided pursuant to subdivision five of this section, the
40	commissioner shall update any digital image of the map posted on the
41	department's website to reflect such readjustment] at any time to more
42	accurately depict the approximate location of wetlands.
43	[7.] <u>2.</u> Except as provided in subdivision [eight] three of this
44	section, the commissioner may, upon [his] their own initiative, and
45	shall, upon a written request by a landowner whose land or a portion
46	thereof may be included within a wetland, or upon the written request of
47	another person or persons or an official body whose interests are shown
48	to be affected, cause to be delineated [more precisely] the boundary
49	line or lines of a freshwater wetland or a portion thereof. [Such more
49 50	precise delineation of a freshwater wetland boundary line or lines shall
50 51	be of appropriate scale and sufficient clarity to permit the ready iden-
51 52	tification of individual buildings and of other major man-made struc-
5⊿ 53	tures or facilities or significant geographical features with respect to
53 54	the boundary of any freshwater wetland. The commissioner shall under-
54 55	take to delineate the boundary of a particular wetland or wetlands, or a
55 56	particular part of the boundary thereof only upon a showing by the
00	partitular part of the boundary thereof only upon a showing by the

applicant therefor of good cause for such [more precise] delineation and 1 2 the establishment of such [more precise] line. [8-] 3. The supervision of the maintenance of any freshwater wetlands 3 4 map or portion thereof applicable to wetlands within the Adirondack 5 park, the readjustment and precise delineation of wetland boundary lines 6 and the other functions and duties ascribed to the commissioner by 7 subdivisions [six and seven] one and two of this section shall be performed by the Adirondack park agency, which shall make such maps 8 9 available [for public inspection and examination at its headquarters] on 10 the agency's website. § 5. Subdivisions 1 and 4 of section 24-0701 of the environmental 11 12 conservation law, subdivision 1 as amended by chapter 654 of the laws of 1977 and subdivision 4 as amended by chapter 697 of the laws of 1979, 13 14 are amended to read as follows: 15 1. [After issuance of the official freshwater wetlands map of the state, or of any selected section or region thereof, any person 16 17 desiring to conduct activities on freshwater wetlands [as so designated thereon any of the regulated activities set forth in subdivision two of 18 this section], or the regulated areas adjacent to these wetlands set 19 forth in subdivision two of this section, must obtain a permit as 20 21 provided in this title. 22 4. [The] On lands in active agricultural use, the activities of farm-23 ers and other landowners in grazing and watering livestock, making reasonable use of water resources, harvesting natural products of the 24 25 wetlands, selectively cutting timber, draining land or wetlands for growing agricultural products and otherwise engaging in the use of 26 27 wetlands or other land for growing agricultural products shall be 28 excluded from regulated activities and shall not require a permit under subdivision one [hereof] of this section, except that structures not 29 30 required for enhancement or maintenance of the agricultural productivity 31 of the land and any filling activities shall not be excluded hereunder, 32 and provided that the use of land [designated as a freshwater wetland 33 upon the freshwater wetlands map at the effective date thereof ] that 34 meets the definition of a freshwater wetland in section 24-0107 of this 35 **article** for uses other than those referred to in this subdivision shall 36 be subject to the provisions of this article. All activities on lands 37 that meet the definition of a freshwater wetland shall be subject to the provisions of this article once agricultural activities cease. 38 39 § 6. Subdivision 5 of section 24-0703 of the environmental conserva-40 tion law, as amended by section 38 of part D of chapter 60 of the laws 41 of 2012, is amended to read as follows: 42 5. [Prior to the promulgation of the final freshwater wetlands map in 43 a particular area and the implementation of a freshwater wetlands 44 protection law or ordinance, no person shall conduct, or cause to be 45 conducted, any activity for which a permit is required under section 24-0701 of this title on any freshwater wetland unless he has obtained a 46 47 permit from the commissioner under this section. ] Any person may inquire 48 of the department as to whether or not a given parcel of land [will be designated ] includes a freshwater wetland subject to regulation or a 49 regulated freshwater wetland adjacent area. The department shall give a 50 51 definite answer in writing within [thirty] sixty days of such request as 52 [whether] the status of such parcel [will or will not be so desigto **nated**]. Provided that, in the event that weather or ground conditions 53 prevent the department from making a determination within [thirty] sixty 54 days, it may extend such period until a determination can be made. Such 55 56 answer in the affirmative shall be reviewable; such an answer in the

negative shall be a complete defense to the enforcement of this article 1 as to such parcel of land for a period of five years from the date the 2 department issues the negative answer. [The commissioner may by regu-3 lation adopted after public hearing exempt categories or classes of 4 5 wetlands or individual wetlands which he determines not to be critical б to the furtherance of the policies and purposes of this article.] § 7. Subdivision 1 of section 24-0901 of the environmental conserva-7 8 tion law, as added by chapter 614 of the laws of 1975, is amended to 9 read as follows: 10 1. [Upon completion of the freshwater wetlands map, the] The commissioner shall confer with local government officials in each region in 11 12 which the inventory has been conducted to establish a program for the protection of the freshwater wetlands of the state. 13 14 § 8. Subdivisions 1 and 5 of section 24-0903 of the environmental 15 conservation law, as added by chapter 614 of the laws of 1975, are 16 amended to read as follows: 17 1. [Upon completion of the freshwater wetlands map of the state, or of any selected section or region thereof, the ] The commissioner shall 18 [proceed to] classify freshwater wetlands so designated thereon accord-19 20 ing to their most appropriate uses, in light of the values set forth in 21 section 24-0105 of this article and the present conditions of such 22 wetlands. The commissioner shall determine what uses of such wetlands 23 are most compatible with the foregoing and shall prepare minimum land 24 use regulations to permit only such compatible uses. The classifications 25 may cover freshwater wetlands in more than one governmental subdivision. 26 Permits pursuant to section 24-0701 of this article are required whether 27 or not a classification has been promulgated. 28 5. Prior to the adoption of any land use regulations governing fresh-29 water wetlands, the commissioner shall hold a public hearing thereon in 30 the area in which the affected freshwater wetlands are located, and give 31 fifteen days prior notice thereof by posting on the department's website 32 or by publication at least once in a newspaper having general circu-33 lation in the area of the local government involved. The commissioner 34 shall promulgate the regulations within thirty days of such hearing and 35 post such order on the department's website or publish such order [at 36 **least once**] in a newspaper having general circulation in the area of the 37 local government affected and make such plan available for public inspection and review; such order shall not take effect until thirty 38 39 days after the filing thereof with the clerk of the county in which such wetland is located. 40 Section 24-1305 of the environmental conservation law, as added 41 § 9. by chapter 771 of the laws of 1976, is amended to read as follows: 42 43 § 24-1305. Applicability. 44 The provisions of this article shall not apply to any land use, 45 improvement or development for which final approval shall have been obtained prior to the effective date of this article from the local 46 47 governmental authority or authorities having jurisdiction over such land 48 use. As used in this section, the term "final approval" shall mean[+ 49 (a) in the case of the subdivision of land, conditional approval of a final plat as the term is defined in section two hundred seventy-six of 50 the town law, and approval as used in section 7-728 of the village law 51 52 and section thirty-two of the general cities law; 53 (b) in the case of a site plan not involving the subdivision of land, 54 approval by the appropriate body or office of a city, village or town of 55 the site plan; and

in those cases not covered by subdivision (a) or (b) above, ] the 1 <del>(a)</del> issuance of a building permit or other authorization for the commence-2 3 ment of the use, improvement or development for which such permit or authorization was issued or in those local governments which do not 4 5 require such permits or authorizations, the actual commencement of the 6 use, improvement or development of the land. 7 § 10. Subdivision 2 of section 34-0104 of the environmental conserva-8 tion law, as added by chapter 841 of the laws of 1981, is amended to 9 read as follows: 10 2. Upon completion of a preliminary identification of an erosion hazard area, the commissioner or [his] their designated hearing officer 11 12 shall hold a public hearing in a place reasonably accessible to residents of the affected area in order to afford an opportunity for any 13 14 person to propose changes in such preliminary identification. The 15 commissioner shall [give notice of such hearing to each owner of record, as shown on the latest completed tax assessment rolls, of lands included 16 within such area, and also to the chief executive officer and clerk of 17 each local government within the boundaries of which any portion of such 18 area may be located, by certified mail at least thirty days prior to the 19 date set for such hearing, and shall insure ] ensure that a copy of the 20 21 preliminary identification is available for public inspection at a 22 convenient location [in such local government]. The commissioner shall also cause notice of such hearing to be published at least once, not 23 more than thirty days nor fewer than ten days before the date set for 24 such hearing, in at least one newspaper having general circulation in 25 the area involved and in the environmental notice publication provided 26 27 for under section 3-0306 of this chapter. 28 § 11. Subdivision 3 of section 34-0104 of the environmental conserva-29 tion law, as added by chapter 841 of the laws of 1981, is amended to 30 read as follows: 31 3. After considering the testimony given at such hearings and the 32 potential erosion hazard in accordance with the purposes and policies of 33 this article, and after consultation with affected local governments, 34 the commissioner shall issue the final identification of the erosion hazard areas. Such final identification shall not be made less than 35 36 sixty days from the date of the public hearing required by subdivision 37 two hereof. A copy of such final identification shall be filed in the office of the clerk of each local government in which such area or any 38 39 portion thereof is located. Notice [that such final identification has been made shall be given each owner of lands included within the erosion 40 hazard area, as such ownership is shown on the latest completed tax 41 assessment rolls, by certified mail in any case where a notice by certi-42 fied mail was not sent purguant to subdivision two of this section, and 43 44 in all other cases by first class mail. Such notice ] shall also be given at such time to the chief executive officer of each local government 45 46 within the boundaries of which such erosion hazard area or any portion 47 thereof is located. 48 § 12. Subdivision 8 of section 70-0117 of the environmental conservation law, as added by section 1 of part AAA of chapter 59 of the laws of 49 50 2009, is amended to read as follows: 51 8. (a) All persons required to obtain a permit from the department 52 pursuant to section 24-0701 of this chapter shall submit to the depart-53 ment an application fee in an amount not to exceed the following: 54 (i) [fifty] one hundred dollars per application for a [permit for 55 minor project as defined in this article or ] modification to any exist-56 ing permit issued pursuant to section 24-0701 of this chapter;

(ii) [fifty] three hundred dollars per application for [a permit for a 1 residential project defined as associated with one new single family 2 3 dwelling and customary appurtenances thereto; 4 [one] <u>five</u> hundred dollars per application for <u>new multiple</u> (iii) 5 single family dwellings, new multiple family dwelling and customary б appurtenances thereto; 7 (iv) [two] one thousand dollars per application for new commercial or 8 industrial structures or improvements; 9 (v) one hundred dollars per application for a permit for any other 10 project as defined in this article. 11 (b) All persons required to obtain a permit from the department pursu-12 ant to section 25-0402 of this chapter shall submit to the department an 13 application fee in an amount not to exceed the following: 14 (i) [two] three hundred dollars per application for a permit for a 15 minor project as defined in this article or modification to any existing permit issued pursuant to section 25-0402 of this chapter; 16 17 (ii) [nine hundred] two thousand dollars per application for subdivi-18 sion of land or new commercial or industrial structures or improvements; (iii) one thousand dollars per application for a permit for a project 19 20 as defined in this article. 21 (c) [All fees] Fees collected pursuant to [this] paragraph (a) of this 22 subdivision shall be deposited [into the environmental protection fund pursuant to section ninety-two-s of the state finance law] to the credit 23 of the conservation fund. Fees collected pursuant to paragraph (b) of 24 25 this subdivision shall be deposited to the credit of the marine 26 resources account of the conservation fund. 27 (d) Application fees required pursuant to this subdivision will not be 28 required for any state department. 29 § 13. Subdivisions 1 and 2 of section 71-2303 of the environmental 30 conservation law, as amended by chapter 99 of the laws of 2010, are 31 amended to read as follows: 32 1. [Administrative] Civil sanctions. a. Any person who violates, diso-33 beys or disregards any provision of article twenty-four, including title five and section 24-0507 thereof or any rule or regulation, local law or 34 35 ordinance, permit or order issued pursuant thereto, shall be liable to 36 the people of the state for a civil penalty of not to exceed eleven 37 thousand dollars for every such violation, to be assessed, after a hearing or opportunity to be heard upon due notice and with the rights to 38 specification of the charges and representation by counsel at such hear-39 ing, by the commissioner or local government or in an action initiated 40 by the attorney general pursuant to section 71-2305 of this title or on 41 42 the attorney general's own initiative. Each violation shall be a sepa-43 rate and distinct violation and, in the case of a continuing violation, 44 each day's continuance thereof shall be deemed a separate and distinct 45 violation. Such penalty assessed by the commissioner or local government 46 may be recovered in an action brought by the attorney general at the 47 request and in the name of the commissioner or local government in any 48 court of competent jurisdiction. Such civil penalty may be released or compromised by the commissioner or local government before the matter 49 50 has been referred to the attorney general; and where such matter has 51 been referred to the attorney general, any such penalty may be released 52 or compromised and any action commenced to recover the same may be 53 settled and discontinued by the attorney general with the consent of the 54 commissioner or local government. In addition, the commissioner or local government shall have power, following a hearing held in conformance 55 56 with the procedures set forth in section 71-1709 of this article, to

direct the violator to cease [his violation of] violating the act and to 1 restore the affected freshwater wetland to its condition prior to the 2 violation, insofar as that is possible within a reasonable time and 3 4 under the supervision of the commissioner or local government. Any such 5 order of the commissioner or local government shall be enforceable in an 6 action brought by the attorney general at the request and in the name of 7 the commissioner or local government in any court of competent jurisdic-8 tion. Any civil penalty or order issued by the commissioner or local 9 government pursuant to this subdivision shall be reviewable in a 10 proceeding pursuant to article seventy-eight of the civil practice law 11 and rules. 12 b. Upon determining that significant damage to the functions and benefits of a freshwater wetland is occurring or is imminent as a result of 13 14 any violation of article twenty-four of this chapter, including but not 15 limited to (i) activity taking place requiring a permit under article twenty-four of this chapter but for which no permit has been granted or 16 17 (ii) failure on the part of a permittee to adhere to permit conditions, the commissioner or local government shall have power to direct the 18 violator to cease and desist from violating the act. In such cases the 19 20 violator shall be provided an opportunity to be heard within ten days of 21 receipt of the notice to cease and desist. 22 2. Criminal sanctions. Any person who violates any provision of arti-23 cle twenty-four of this chapter, including any rule or regulation, local law or ordinance, permit or order issued pursuant thereto, shall, in 24 25 addition, for the first offense, be guilty of a violation punishable by 26 a fine of not less than two thousand nor more than [four] five thousand 27 dollars; for a second and each subsequent offense he shall be quilty of 28 a misdemeanor punishable by a fine of not less than four thousand nor more than [seven] ten thousand dollars or a term of imprisonment of not 29 30 less than fifteen days nor more than six months or both. [Instead of] In 31 addition to these punishments, any offender may be punishable by being 32 ordered by the court to restore the affected freshwater wetland to its condition prior to the offense, insofar as that is possible. The court 33 34 shall specify a reasonable time for the completion of such restoration, 35 which shall be effected under the supervision of the commissioner or 36 local government. Each offense shall be a separate and distinct offense 37 and, in the case of a continuing offense, each day's continuance thereof 38 shall be deemed a separate and distinct offense. 39 § 14. Subdivision 1 of section 71-2305 of the environmental conserva-40 tion law, as added by chapter 614 of the laws of 1975, is amended to 41 read as follows: 42 1. The attorney general, upon [his] their own initiative or upon 43 complaint of the commissioner or local government, shall prosecute persons alleged to have violated [any such order of the commissioner or 44 45 **local government pursuant to**] article twenty-four **of this chapter**. 46 § 15. The title heading of title 25 of article 71 of the environmental 47 conservation law, as added by chapter 182 of the laws of 1975, is 48 amended to read as follows:

ENFORCEMENT OF ARTICLE 25 AND ARTICLE 34

50 § 16. Section 71-2501 of the environmental conservation law, as added 51 by chapter 182 of the laws of 1975, is amended to read as follows: 52 § 71-2501. Applicability of this title.

53 The provisions of this title shall be applicable to the enforcement of 54 article twenty-five <u>and article thirty-four</u>.

§ 17. Section 71-2503 of the environmental conservation law, as 1 amended by chapter 666 of the laws of 1989, is amended to read as 2 3 follows: 4 § 71-2503. Violation; penalties. 5 1. Administrative sanctions. б a. Any person who violates, disobeys or disregards any provision of 7 article twenty-five including any rule or regulation, local law or ordi-8 nance, permit or order issued pursuant thereto, or article thirty-four 9 shall be liable to the people of the state for a civil penalty of not to 10 exceed ten thousand dollars for every such violation, to be assessed, 11 after a hearing or opportunity to be heard, by the commissioner. Each 12 violation shall be a separate and distinct violation and, in the case of a continuing violation, each day's continuance thereof shall be deemed a 13 14 separate and distinct violation. The penalty may be recovered in an 15 action brought by the commissioner in any court of competent jurisdic-16 tion. Such civil penalty may be released or compromised by the commis-17 sioner before the matter has been referred to the attorney general; and where such matter has been referred to the attorney general, any such 18 penalty may be released or compromised and any action commenced to 19 20 recover the same may be settled and discontinued by the attorney general 21 with the consent of the commissioner. 22 b. Upon determining that significant damage to the functions and bene-23 fits of tidal wetlands or coastal erosion hazard areas is occurring or is imminent as a result of any violation of article twenty-five or arti-24 25 cle thirty-four, including but not limited to (i) activity taking place requiring a permit under article twenty-five or article thirty-four but 26 27 for which no permit has been granted or (ii) failure on the part of a 28 permittee to adhere to permit conditions, the [commissioner] department 29 shall have power to direct the violator to cease and desist from violat-30 ing the act. In such cases the violator shall be provided an opportunity 31 to be heard within ten days of receipt of the notice to cease and 32 desist. 33 c. Following a hearing held pursuant to section 71-1709 of this arti-34 cle, the commissioner shall have power to direct the violator to cease 35 and desist from violating the act and to restore the affected tidal 36 wetland or area immediately adjacent thereto or coastal erosion hazard 37 area to its condition prior to the violation, insofar as that is possible within a reasonable time and under the supervision of the commis-38 39 sioner. Any order of the commissioner shall be enforceable in an action 40 brought by the commissioner in any court of competent jurisdiction. Any civil penalty or order issued by the commissioner under this subdivision 41 42 shall be reviewable in a proceeding under article seventy-eight of the 43 civil practice law and rules. 44 2. Criminal sanctions. Any person who violates any provision of arti-45 cle twenty-five or article thirty-four shall, in addition, for the first 46 offense, be guilty of a violation punishable by a fine of not less than 47 five hundred nor more than five thousand dollars; for a second and each 48 subsequent offense such person shall be guilty of a misdemeanor punishable by a fine of not less than one thousand nor more than ten thousand 49 dollars or a term of imprisonment of not less than fifteen days nor more 50 51 than six months or both. In addition to or instead of these punishments, 52 any offender shall be punishable by being ordered by the court to 53 restore the affected tidal wetland or area immediately adjacent thereto 54 or coastal erosion hazard area to its condition prior to the offense, 55 insofar as that is possible. The court shall specify a reasonable time 56 for the completion of the restoration, which shall be effected under the

supervision of the commissioner. Each offense shall be a separate and 1 distinct offense and, in the case of a continuing offense, each day's 2 3 continuance thereof shall be deemed a separate and distinct offense. 4 3. The proceeds of any penalty or fine assessed under this section 5 shall be deposited to the credit of the marine resources account of the б conservation fund. 7 S 18. Section 71-2505 of the environmental conservation law, as 8 amended by chapter 249 of the laws of 1997, is amended to read as 9 follows: 10 § 71-2505. Enforcement. 11 The attorney general, on [his] their own initiative or at the request 12 of the commissioner, shall prosecute persons who violate article twenty-five or article thirty-four. In addition the attorney general, on 13 14 [his] their own initiative or at the request of the commissioner, shall 15 have the right to recover a civil penalty of up to ten thousand dollars for every violation of any provision of such [article] articles, and to 16 17 seek equitable relief to restrain any violation or threatened violation of such [article] articles and to require the restoration of any 18 affected tidal wetland or area immediately adjacent thereto or coastal 19 20 erosion hazard area to its condition prior to the violation, insofar as 21 that is possible, within a reasonable time and under the supervision of 22 the commissioner. In the case of a continuing violation, each day's 23 continuance thereof shall be deemed a separate and distinct violation. 24 § 19. Section 71-2507 of the environmental conservation law, as added 25 by chapter 182 of the laws of 1975, is amended to read as follows: § 71-2507. Pollution of tidal wetlands or coastal erosion hazard areas. 26 27 Where any tidal wetlands or coastal erosion hazard areas are subject to pollution, the commissioner and attorney general shall take all 28 appropriate action to abate the pollution. In addition, the commissioner 29 30 may restrict or order cessation of solid waste disposal, deep well 31 disposal, or liquid waste disposal where such is polluting a given area 32 of tidal wetland or coastal erosion hazard area. Where pesticides, chem-33 ical products, or fertilizer residues are the polluting agents, the 34 commissioner shall confer with other appropriate public officials to 35 limit the use of such substances at their source; after appropriate 36 consultations, the commissioner may make such rules and regulations as 37 [he deems] they deem necessary under section 3-0301 of [the environmental conservation law] this chapter. 38 39 § 20. 2 3	cle on which a deposit is required to be initiated; (v) packaging that is used exclusively in industrial or manufacturing
4	processes;
5	(vi) medical devices and packaging, or paper used to contain and which
6	are included with products regulated as a drug, medical device or
7	dietary supplement by the U.S. Food and Drug Administration under the
8	Federal Food, Drug, and Cosmetic Act, 21 U.S.C. 321 et seq., sec. 3.2(e)
9	of 21 U.S. Code of Federal Regulations or the Dietary Supplement Health
10	and Education Act;
11	(vii) animal biologics, including vaccines, bacterins, antisera, diag-
12	nostic kits, and other products of biological origin, and other covered
13	materials regulated by the United States Department of Agriculture under
$14^{-1}$	the Virus, Serum, Toxin Act, 21 U.S.C. 151-159; and
15	(viii) packaging products used to contain, and paper products which
16	are included with, substances hazardous to the environment, regulated
17	pursuant to section 37-0103 of this chapter, or packaging products requ-
18	lated by the federal insecticide, fungicide, and rodenticide act, 7
19	U.S.C. sec. 136 et seq. or other applicable federal law, rule or regu-
20	lation.
21	6. "Municipality" means any county, city, town, village, local public
22	authority or benefit corporation, or solid waste management district
23	within the state of New York.
24	7. "Post-consumer recycled content" means the content of a product
25	made of recycled materials derived from post-consumer recycled materials
26	or feedstock.
27	8. (a) "Producer" means an entity that shall be determined to be the
28	producer, for the purposes of this title, based on the following hierar-
29	<u>chy:</u>
30	(i) the person who manufactures the packaging or paper product under
31	such person's own name or brand and who sells or offers for sale the
32	packaging or paper product in the state; or
33	(ii) the person who imports the packaging or paper product as the
34	owner or licensee of a trademark or brand under which the packaging or
35	paper products are sold or distributed in the state; or
36	(iii) the person or company that offers for sale, sells, or distrib-
37	utes the packaging or paper product in the state.
38	(b) For purposes of this title, a producer shall not include those
39	that:
40	(i) generate less than one million dollars in annual gross revenue;
41	(ii) generate less than one ton of packaging and paper products
42	supplied to New York state consumers per year;
43	(iii) operate as a single point of retail sale and are not supplied or
44	operated as part of a franchise; or
45	(iv) are a municipality or a local government planning unit, or a
46	registered 501(c)(3) charitable organization or 501(c)(4) social welfare
47	organization.
48	(c) If more than one person is a producer of a brand of packaging or
49 50	paper product, any such person may assume responsibility for obligations
50 51	of a producer of that brand under this title. If none of those persons
51 52	assume responsibility for the obligations of a producer under this
52 52	title, any and all such persons jointly and severally may be considered
53 54	the responsible producer of that brand for purposes of this title. 9. "Producer responsibility organization" means a not-for-profit
54 55	<u>9. "Producer responsibility organization" means a not-for-profit</u> organization designated by a group of producers to act as an agent on
55 56	behalf of each participating producer to develop and implement a produc-
50	Denair or each partitionating producer to develop and imprement a produc-

er responsibility program. To the extent applicable, a producer respon-1 sibility organization shall have a governing board that represents the 2 3 diversity of producers and the covered materials and product types, and 4 such board shall include non-voting members representing a diversity of 5 material trade associations. 6 10. "Readily-recyclable" means packaging that can be sorted by enti-7 ties processing recyclables from New York and for which, during the previous two calendar years, there was a consistent market, meaning 8 9 recyclers were willing to pay for fully sorted material at the door of 10 their facilities in quantities equal to or in excess of material supply. 11 This does not include material types that recyclers accept in low quan-12 tities or sort out of material during additional processing steps; if material recyclers do not desire a full bale of a specific material 13 14 type, that material type is not readily-recyclable. 15 11. "Recovery rate" means the amount of packaging or paper products 16 collected and recovered for reuse or recycling over a program year by 17 material type, divided by the amount of packaging or paper products sold into the state, by material type, expressed as percentages. 18 19 12. "Recycling" means the processing of source-separated packaging and 20 paper products to produce a marketable product or secondary raw materi-21 al. Recycling does not include thermal treatment processes that produce 22 fuel or fuel products without substantial production of a marketable 23 non-fuel product or secondary raw material. 13. "Recycling collection" means a recycling program that serves resi-24 25 dential units, schools, federal, state or local agencies, businesses, or institutions, where such schools, federal, state or local agencies, 26 27 businesses, or institutions were eligible to be served under a contract with a municipality by a municipality or a private sector hauler as of 28 the effective date of this title, and such recycling program is operated 29 30 by a municipality or pursuant to a contract with the municipality, private sector hauler, or other public agency or through approved local 31 32 solid waste management plans. 33 14. "Recycling rate" means the amount of discarded packaging and paper 34 products that is managed through recycling, as defined by this title, 35 and is computed by dividing the amount of discarded packaging and paper 36 products collected and recycled, by material type, by the total amount 37 of discarded packaging and paper products collected over a program year, 38 by material type, expressed as percentages. 39 15. "Retailer" means a person who sells or offers for sale a product to a consumer, including sales made through an internet transaction to 40 be delivered to a consumer in the state. 41 16. "Reuse" means returning, donating or selling a discarded packaging 42 43 or paper product back into the market for its original intended use, 44 when the discarded packaging or paper product retains its original 45 performance characteristics and can be used for its original purpose. 46 § 27-3303. Needs assessment and establishment of a packaging and paper 47 products program. 48 1. б	§ 27-3305. Advisory committee.
7	1. The commissioner of the department shall appoint members to the
8	advisory committee, which shall be comprised of an odd number of
9	members, with at least one member representing each of the following
10	disciplines, with each discipline having equal representation:
11	(a) an association representing municipalities and an additional
12	municipal representative from a city with a population of one million or
13	more residents;
14	(b) a municipality operating a recycling program;
15	<u>(c) a statewide environmental organization;</u>
16	(d) a representative of an environmental justice community or organ-
17	ization;
18	(e) a statewide waste disposal association;
19	(f) a recyclables handling and recovery facility located within the
20	state of New York;
21	(g) a recycling collection provider;
22	(h) a manufacturer of packaging materials utilizing post-consumer
23	recycled content;
24	(i) a manufacturer of paper materials utilizing post-consumer recycled
25	content;
26	<u>(j) a consumer advocate;</u>
27	(k) a retail organization; and
28	(1) a producer of packaging products, producer of paper products, and
29	a representative from a producer responsibility organization established
30	under this title as non-voting members.
31	2. The advisory committee shall select a chair from among the
32	members. The chair will be responsible for selecting secretarial support
33	for the advisory committee.
34	3. The advisory committee shall be consulted as needed, but at least
35	once, during the development of the producer responsibility program
36	plan, prior to any update to the producer responsibility program plan,
37	and prior to the submission of an annual report.
38	4. The advisory committee shall use the findings from the statewide
39	needs assessment to inform its producer or producer responsibility
40	organization program plan recommendations.
41	5. The advisory committee shall work with all producers implementing
42	an individual extended producer responsibility program and all producer
43	responsibility organizations to ensure consistent messaging and coordi-
44	nation across program plans.
45	6. The advisory committee shall review the producer responsibility
46	program plans required under this title and prepare specific written
47	recommendations on all portions of the producer responsibility program
48	plans and on all updates or revisions to approved producer responsibil-
49	ity program plans. Such recommendation shall be approved by a majority
50	of the advisory committee's members. The producer implementing an indi-
51	vidual extended producer responsibility program or producer responsibil-
52	ity organization shall consider and respond to those written recommenda-
53	tions in writing, and such recommendations and responses shall be
54	provided to the department at the time of plan submission.
55	7. By April first, two thousand twenty-four, the advisory committee
56	shall recommend to the department annual minimum recovery rates, recycl-

1	
1	ing rates, and post-consumer recycled content rates, by material type,
2	over a five-year timeframe beginning in two thousand twenty-six. Such
3	rate setting recommendation shall be informed by the needs assessment
4	and approved by the department.
5	8. By October first, two thousand twenty-five, the department shall
6	adopt regulations setting forth initial annual minimum recovery rates,
7	recycling rates, and post-consumer recycled content rates, by material
8	type, over a five-year timeframe beginning in two thousand twenty-six.
9	9. (a) The advisory committee shall make recommendations to the
10	department at the time of producer or producer responsibility organiza-
11	tion annual report submittal, as to whether any adjustments to the
12	initially adopted minimum recovery rates, recycling rates, and post-con-
13	sumer recycled content rates are necessary. The advisory committee, in
14	consideration of a recommendation to adjust any rates, shall consider:
15	(i) changes in market conditions, including supply and demand for
16	post-consumer recycled plastics, both domestically and globally;
17	(ii) current recycling rates;
18	(iii) the availability of recycled materials suitable to meet the
19	minimum recycled content goals, including the availability of high-qual-
20	ity recycled materials, and food-grade recycled materials;
21	(iv) the capacity of recycling or processing infrastructure;
22	(v) utilization rates of the material; and
23	(vi) the progress made by producers in meeting the post-consumer recy-
24	cled targets by material type.
25	(b) If an adjustment is recommended, the advisory committee shall
26	provide a detailed basis for justification.
27	10. Members of the advisory committee shall be reimbursed for any
28	necessary travel expenses, related to participating on the advisory
29	committee, by the producer implementing an individual extended producer
30	responsibility program or producer responsibility organization, and the
31	department shall be responsible for monitoring these expenses. Members
32	of the advisory committee shall receive no salary from a producer imple-
33	menting an individual extended producer responsibility program or
34	producer responsibility organization. The costs for secretarial support
35	to the advisory committee shall be paid for by the producer implementing
36	an individual extended producer responsibility program or producer
37	responsibility organization, and the department shall be responsible for
38	monitoring these expenses.
39	11. Members shall serve on the advisory committee for at least three
40	years.
41	§ 27-3307. Producer responsibility program plan.
42	1. By April first, two thousand twenty-five, any producer implementing
43	an individual extended producer responsibility program or any producer
44	responsibility organization, shall submit to the department a producer
45	responsibility program plan, detailing its proposed collection and recy-
46	cling program for packaging and paper products.
47	2. The producer responsibility program plan shall be valid for five
48	years and shall be reviewed and updated every five years following the
49	approval of the original plan. The department shall have the discretion
50	to require the plan to be reviewed or revised prior to the five-year
51	period if the department has cause to believe the minimum post-consumer
52	recycled content rates, minimum recovery rates, minimum recycling rates,
53	as specified by the department in regulation, or other factors of the
54	plan are not being met or followed by the producer or producer responsi-
55	bility organization, or if there has been a change in circumstances that
56	warrants revision of the plan.

1	3. The submitted plan shall, at a minimum, address the following:
2	(a) Contact information. Contact information, including the name,
3	electronic and physical address, and telephone number of the authorized
4	representative of the producer implementing an individual extended
5	producer responsibility program or producer responsibility organization.
6	(b) Participating producer or producers. Identify the producer or
7	producers participating in the submitted producer responsibility program
8	plan.
9	(c) Advisory committee recommendations. A description of how the
10	recommendations from the advisory committee were considered and
11	addressed in the development of the plan.
12	(d) Types and brands of packaging and paper products. A list of the
13 14	types and brands of packaging and paper products for which the producer or producer responsibility organization is responsible for.
14	
15 16	(e) Funding mechanism. A description of the proposed funding mechanism
16	that is necessary to meet the requirements of this title and is suffi- cient to cover the cost of operating the program, updating the plan, and
17 10	maintaining a financial reserve sufficient to operate the program in a
18	
19 20	fiscally prudent and responsible manner. The department may promulgate regulations necessary for a producer implementing an individual extended
	producer responsibility program or a producer responsibility organiza-
21 22	tion to develop and manage a funding mechanism and activity-based costs.
23	The following funding mechanism details shall be provided in the produc-
23 24	er responsibility plan:
25	(i) proposed program charges for producers, listed by producer, which
26	shall be sufficient to cover all program costs;
27	(ii) eco-modulation. For purposes of this title, "eco-modulation"
28	shall provide that program charges are structured to provide producers
29	with financial incentives that reward waste and source reduction and
30	recycling compatibility innovations and practices, reward producers of
31	packaging and paper products that can be easily reused, and that disin-
32	centivize designs or practices that increase costs of managing the pack-
33	aging and paper products. The producer responsibility organization may
34	adjust charges to be paid by participating producers, or the producers
35	may be provided a credit, based on factors that affect system costs. At
36	a minimum, charges shall be variable based on:
37	(A) costs to provide recycling collection or other form of consumer
38	service that is, at minimum, as convenient as the previous waste
39	collection schema in the particular jurisdiction for all consumers;
40	(B) costs to process a producer's packaging and paper products for
41	sale to secondary material markets;
42	(C) whether the packaging or paper product would typically be readi-
43	ly-recyclable except that as a consequence of the product's design, the
44	product has the effect of disrupting recycling processes or the product
45	includes labels, inks, or adhesives containing heavy metals that would
46	contaminate the recycling process;
47	(D) whether the packaging and paper products are nonfood contact pack-
48	aging that is specifically designed to be reusable or refillable and has
49	a high reuse or refill rate;
50	(E) the commodity value of packaging and paper products; and
51	(F) contributions to greenhouse gas emissions from the production,
52	use, collection, processing, and marketing of the packaging or paper
53	product.
54	(iii) a proposed special assessment charge on specific categories of
55	covered packaging and paper products at the request of responsible enti-
	ties representing and approved by the advisory committee if the nature

of the covered packaging and paper product imposes unusual costs in 1 collection or processing or requires special actions to address effec-2 3 tive access to recycling or successful processing in municipal recycling 4 facilities. The revenue from the special assessment shall be used to 5 make system improvements for the specific covered packaging and paper 6 products on which the special assessment was applied; 7 (iv) how charges shall be adjusted based upon the percentage of post-8 consumer recycled content and such percentage of post-consumer recycled content shall be verified either by the producer responsibility organ-9 10 ization or by an independent party designated by the department to 11 ensure that such percentage meets or exceeds the minimum requirements in 12 the packaging or paper product, as long as the recycled content does not disrupt the potential for future recycling; and 13 14 (v) how activity-based costs are calculated and dispersed for services 15 utilized by a producer implementing an individual extended producer responsibility program or producer responsibility organization if the 16 17 waste haulers, recyclables handling and recovery facilities, recyclers, and municipalities, and other service providers elect to participate and 18 be compensated by the producer implementing an individual extended 19 20 producer responsibility program or producer responsibility organization 21 in the recovery, recycling, and processing of packaging and paper 22 products. The activity-based cost mechanism shall be based on the cost of consumer recycling collection, on-site processing cost for each read-23 ily-recyclable material, processing cost of non-readily recyclable mate-24 25 rial types, transportation cost of recycling for each material type, disposal costs for any residual or non-recyclable material, and any 26 27 other cost factors as determined by the advisory committee or depart-28 ment. 29 (f) Municipal and private entity reimbursement. A description of the 30 process for municipalities or private entities (such as solid waste collection, transportation, sorting, and processing companies, and other 31 32 participating service providers) operating under the producer or produc-33 er responsibility organization's plan, to recoup reasonable costs from 34 the producer or producer responsibility organization for the activity-35 based costs, including, as applicable, any administrative, collection, 36 sorting, transportation, capital improvement, or processing costs. The 37 municipality or private entity may not pass on to the consumer costs for which it has been paid by the producer or producer responsibility organ-38 39 ization. To facilitate the producer's or producer responsibility organization's determination of activity-based costs, participating munici-40 palities and private entities shall report data related to their costs 41 42 and the value of materials to the producer or producer responsibility 43 organization. Cost calculations shall account for revenue generated from 44 recyclable materials. (g) Outreach and education. A description of the producer's or produc-45 46 er responsibility organization's public outreach and education program 47 for consumers and other stakeholders. 48 (i) The plan shall address how the outreach and education program will: 49 50 (A) be designed to achieve the management goals of packaging and paper products extended producer responsibility under this title, including 51 52 the prevention of contamination of products; (B) be coordinated across producer and producer responsibility organ-53 54 ization programs to avoid confusion for consumers; and 55 (C) consult with municipalities and other stakeholders, coordinate 56 with and assist local municipal programs, municipal contracted programs,

1	solid waste collection companies, and other entities providing services,
2	and develop and provide outreach and education to the diverse popu-
3	lations in the state, including utilizing a variety of outreach and
4	education tools and ensuring materials are accessible to all persons and
5	<u>are provided in multiple languages.</u>
6	(ii) Participating producers shall label or mark packaging and paper
7	products in accordance with current labeling rules, laws, or regulations
8	with information to assist consumers in responsibly managing and recycl-
9	ing packaging and paper products, responsibly composting packaging and
10	paper products, and educating consumers about the percentage of post-
11	consumer recycled content.
12	(iii) Details on the following components of the outreach and educa-
13	tion program shall be provided in the plan, and available to consumers
14	and other stakeholders on the producer's or producer responsibility
15	organization's public education program website:
16	(A) proper end-of-life management of packaging, paper products and
17	beverage containers;
18	(B) the location and availability of recycling collection; (C) how to prevent litter of packaging, paper products, and beverage
19	
20 21	<u>containers;</u> (D) information on how consumers can reduce their consumption for
21 22	single-use packaging and paper products in favor of more reusable mate-
23	rials;
24	(E) recycling and composting instructions that are: consistent state-
25	wide, except as necessary to take into account differences among local
26	laws and processing capabilities; easy to understand; and easily acces-
27	sible; and
28	(F) a description of the process for answering stakeholder questions
29	and resolving any issues.
30	(iv) A producer implementing an individual extended producer responsi-
31	bility program or producer responsibility organization shall undertake
32	outreach, education, and communications that assist in attaining or
33	exceeding the minimum post-consumer content, minimum recovery rates, and
34	minimum recycling rates, as specified by the department in regulation.
35	(h) Existing infrastructure. How the producer implementing an individ-
36	ual extended producer responsibility program or the producer responsi-
37	bility organization will work with existing waste haulers, recyclables
38	handling and recovery facilities, recyclers, and municipalities to oper-
39	ate or expand current collection programs to address material collection
40	methods.
41	(i) Convenience. A description of how the producer implementing an
42	individual extended producer responsibility program or producer respon-
43	sibility organization intends to meet the convenience requirements set
44	forth as follows:
45	(i) A producer implementing an individual extended producer responsi-
46	bility program or producer responsibility organization shall provide for
47	widespread, free, convenient, and equitable consumer access to
48	collection opportunities for the packaging and paper products identified
49	under the producer or producer responsibility organization's program
50	plan.
51	(ii) A producer implementing an individual extended producer responsi-

52 <u>bility program or producer responsibility organization shall ensure</u> 53 <u>services, that are at least as convenient as the previous collection</u>

54 schema in a particular jurisdiction, continue for all consumers as of 55 the effective date of this title.

1	(iii) A producer implementing an individual extended producer respon-
2	sibility program or producer responsibility organization shall ensure
3	services that collect covered packaging and paper products generated by
4	business establishments are at least as orderly and efficient as the
5	previous collection schema as of the effective date of this title.
б	(iv) A producer implementing an individual extended producer responsi-
7	bility program or producer responsibility organization may rely on a
8	range of means to collect various categories of packaging and paper
9	products including, but not limited to, curbside collection, facility
10	drop-off, and events, so long as packaging and paper products collection
11	options include recycling collection services if:
12	(A) The category of packaging and paper products is suitable for recy-
13	cling collection and can be effectively sorted by the facilities receiv-
14	ing the collected material;
15	(B) The provider of the recycling collection service agrees to include
16	the category of packaging and paper products as an accepted material;
17	(C) The packaging and paper products category is not handled through a
18	deposit and return scheme, other extended producer responsibility
19	program, or buy back system that relies on a collection system other
20	than recycling collection; and
21	(D) The provider of the recycling collection service agrees to the
22	producer implementing an individual extended producer responsibility
23	program's or producer responsibility organization's activity-based costs
24	arrangement.
25	<u>(v) Where recycling collection is not available and drop-off</u>
26	collection facilities are utilized, consumers shall have free and equi-
27	table access to facilities that are within fifteen miles of at least
28	ninety-five percent of the jurisdiction's population unserved by recycl-
29	ing collection.
30	(j) Minimum recycling, recovery and content rates. A description of
31	how the producer implementing an individual extended producer responsi-
32	<u>bility program or producer responsibility organization intends to meet</u>
33	or exceed the minimum recycling rate, minimum recovery rate, and minimum
34	post-consumer recycled content rates for packaging or paper products, by
35	material type, as specified by the department in regulation.
36	(k) End-of-life management processes. A description of the process for
37	end-of-life management, including recycling and disposal, for each
38	component material, using environmentally sound management practices.
39	(1) A description of how the producer responsibility organization
40	shall provide the option to purchase recycled materials from processors
41	on behalf of producer members interested in obtaining recycled feedstock
42	in order to achieve post-consumer recycled content objectives.
43	(m) A description of how the producer responsibility organization will
44	work with producers to help reduce a producer's total amount of non-
45	reusable packaging.
46	(n) Packaging and paper products reduction. A description of how a
47	producer responsibility organization will work with producers to reduce
48	packaging and paper products through product design and program inno-
49 50	vations.
50 51	(o) Consumer concerns process. A process to address concerns and ques-
51 52	tions from consumers.
5∠ 53	(p) Additional information. Any other information as specified by the
53 54	<u>department.</u> <u>4. (a) No later than ninety days after the submission of the producer</u>
54 55	responsibility plan, the department shall determine whether to approve
5	responsibility plan, the department shall determine whether to approve

1	the plan as submitted; approve the plan with conditions; or deny the
2	plan.
3	(b) The department shall consider the following in determining whether
4	to approve a plan:
5	(i) whether the plan adequately addresses all elements described in
6	this section;
7	(ii) whether the producer has undertaken satisfactory consultation
8	with the advisory committee and has provided an opportunity for advisory
9	committee input in the development of the plan prior to submission of
10	the plan;
11	(iii) whether the plan adequately provides for:
12	(A) the producer responsibility organization collecting and funding
13	the costs of collecting and processing packaging and paper products
14	covered by the plan and reimbursing a municipality or private entity;
15	(B) the funding mechanism to cover the entire cost of the producer
16	responsibility organization's program;
17	(C) convenient and free consumer access to collection facilities or
18	collection services;
19	(D) an evaluation system for the program charge structure, which shall
20	be evaluated on an annual basis by the producer responsibility organiza-
21	tion and advisory committee and resubmitted to the department annually;
22	and
23	(E) effective consumer outreach and education.
24	(iv) whether the plan satisfactorily provides for how the producer
25	implementing an individual extended producer responsibility program or
26	the producer responsibility organization will meet the minimum post-con-
27	sumer content rates, recovery rates, and recycling rates, as specified
28	by the department in regulation, which will create or enhance markets
29	for recycled materials; and
30	(v) whether the plan creates a convenient system for consumers to
31	recycle covered packaging and paper products that meets or exceeds the
32	convenience criteria set forth in paragraph (i) of subdivision three of
33	section 27-3307 of this title.
34	(c) The department may deny a plan. (i) If a plan is denied, the
35	department shall inform the producer implementing an individual extended
36	producer responsibility program or producer responsibility organization
37	in writing as to any deficiencies in said plan. A producer implementing
38	an individual extended producer responsibility program or producer
39	responsibility organization shall amend and resubmit any denied plans
40	for reconsideration within sixty days of notification of the denial of
41	said plan. The department shall approve or deny said plan within thirty
42	days of resubmission.
43	(ii) If a plan is denied a second time, the department will provide
44	the producer implementing an individual extended producer responsibility
45	program or producer responsibility organization with direction for meet-
46	ing any additional required elements of the plan it deems necessary.
47	(d) The department may rescind the approval of an approval plan at any
48	time for just cause. If a plan is rescinded, the department shall
49	inform the producer implementing an individual extended producer respon-
50	sibility program or producer responsibility organization in writing as
51	to any and all reasons why the plan was rescinded. A producer implement-
52	ing an individual extended producer responsibility program or producer
53	responsibility organization shall amend and resubmit any rescinded plans
54	for reconsideration within sixty days of notification of the rescission
55	of said plan. The department shall approve or reject said plan within
ГC	thinks down of womenhairs

56 thirty days of resubmission.

1	5. The producer implementing an individual extended producer responsi-
2	bility program or producer responsibility organization shall notify the
3	department of any modification to the program. If the department deter-
4	mines that the producer responsibility plan has been substantially modi-
5	fied, the producer implementing an individual extended producer respon-
б	sibility program or producer responsibility organization, after
7	consultation with the advisory committee, shall submit a proposed plan
8	amendment describing the changes to the department within ninety days of
9	the determination. Within ninety days of receipt of a proposed amended
10	plan, the department shall determine whether the amended plan complies
11	with this title. The department shall send a letter notifying the
12	producer implementing an individual extended producer responsibility
13	program or producer responsibility organization of: (a) approval; or (b)
14	disapproval, including the reasons for rejecting the plan. The producer
15	implementing an individual extended producer responsibility program or
16	producer responsibility organization shall provide the department's
17	letter of disapproval to the advisory committee. The producer imple-
18	menting an individual extended producer responsibility program or
19	producer responsibility organization shall submit a revised plan within
20	sixty days after receipt of the letter of disapproval.
21	6. The producer implementing an individual extended producer responsi-
22	bility program or producer responsibility organization shall reimburse
23 24	the department annually at the time of annual reporting for all adminis- trative costs associated with oversight of the program, which shall be
24 25	deposited to the credit of the stewardship organization fund established
26	pursuant to section ninety-two-kk of the state finance law.
20	§ 27-3309. Reporting requirements and audits.
28	<u>1. Fifteen months after the first plan of a producer implementing an</u>
29	individual extended producer responsibility program or producer respon-
30	sibility organization is implemented, and annually thereafter, each
31	producer implementing an individual extended producer responsibility
32	program, or each producer responsibility organization, shall submit a
33	report to the department that details the prior calendar year's program.
34	The report shall be posted on the website of the producer implementing
35	an individual extended producer responsibility program or producer
36	responsibility organization.
37	2. Such annual report shall include:
38	(a) a detailed description of the methods used to collect, transport,
39	and process packaging and paper products including detailing collection
40	methods made available to consumers and an evaluation of the program's
41	collection convenience;
42	(b) a detailed description of the amount of packaging and paper
43	products sold, offered for sale, or distributed to consumers in the
44	state on an annual basis, including a percentage of packaging and paper
45	products sold, offered for sale, or distributed to consumers in the
46	state through internet transactions;
47	(c) the weight of packaging and paper products collected for reuse or
48	recycling in the state, by material type;
49	(d) the weight, by material type, of packaging and paper products
50	collected for reuse or recycling in the state by the method of disposi-
51	tion;
52	(e) the total cost of implementing the program;
53	(f) financial statements detailing all deposits received and
54 55	reimbursements paid by the producers covered by the approved plan;
55 56	(g) a detailed accounting of how the program compensated munici-
56	palities, solid waste collection, transportation, sorting, and reproc-

1	essing companies, and other entities, for their recycling efforts and
1 2	
	<u>other related services;</u> (h) a description of investments made in infrastructure and market
3 4	
	development in New York state as related to the needs identified,
5	including the amount spent expressed as a percentage of the program's
6	total annual expenditures;
7	(i) a description of investment made and an evaluation of the effec-
8	tiveness of outreach and education efforts to determine whether changes
9	are necessary to improve those outreach and education efforts. If the
10	department determines improvements are necessary, the producer imple-
11	menting an individual extended producer responsibility program or
12	producer responsibility organization shall develop new and improved
13	outreach and education methods for approval by the department;
14	(j) samples of all educational materials provided to consumers or
15	other entities;
16	(k) a detailed list of efforts undertaken and an evaluation of the
17	methods used to disseminate such materials including recommendations, if
18	any, for how the educational component of the program can be improved;
19 20	(1) the achieved post-consumer recycled content rates, recovery rates,
20	and recycling rates for packaging and paper product material types, how
21	the rates were derived, and a discussion of how these rates may be
22	improved. If, upon consultation with the advisory committee, there is
23	reason to adjust minimum rates, the annual report shall include suggestions and justifications for the department to consider revision
24 25	
25 26	of such rates in regulation;
20 27	(m) a detailed description of any efforts undertaken to reduce the amount of packaging used; changes in material types used in packaging
27 28	that have helped to improve recyclability, post-consumer recycled
20 29	content rates, recovery rates, recycling rates for packaging, greenhouse
30	gas emissions, and the result on program implementation costs through
31	such efforts;
32	(n) a discussion on the feasibility to increase consumer convenience
33	through curbside collection, facility drop-off, events or other alterna-
34	tives, and to expand the program, for example, to include additional
35	service to consumers without previous access to recycling collection,
36	and public spaces, as well as a discussion on how the producer imple-
37	menting an individual extended producer responsibility program or
38	producer responsibility organization plans for continuous improvement;
39	and
40	(o) an evaluation of the feasibility and recommendation for adding
41	beverages in beverage containers as defined in title ten of this article
42	to the covered packaging and paper products definition of this title.
43	3. Prior to the submission of the annual report, all data and informa-
44	tion that is material to the department's review of the program's
45	compliance with the requirements of this title shall be annually audited
46	and verified by an independent third-party auditor, approved by the
47	department. This includes, but is not limited to, a review and verifica-
48	tion of all financial documentation and all information related to the
49	material recycling rates, recovery rates, and the post-consumer recycled
50	content rates. A copy of the independent audit shall be included in the
51	annual report.
52	4. The department shall not require public reporting of any confiden-
53	tial information that the department determines to be trade secrets,
54	confidential commercial information or critical infrastructure informa-
55	tion, in accordance with article six of the public officers law and the

56 <u>department's rules and regulations promulgated pursuant thereto.</u>

§ 27-3311. Antitrust protections. 1 A producer implementing an individual extended producer responsibility 2 3 program or producer responsibility organization that organizes the 4 collection, transportation, and processing of packaging and paper 5 products, in accordance with a producer responsibility program plan 6 approved under this title, shall not be liable for any claim of a 7 violation of antitrust, restraint of trade, or unfair trade practice 8 arising from conduct undertaken in accordance with the program pursuant 9 to this title; provided, however, this section shall not apply to any 10 agreement establishing or affecting the price of packaging or a paper 11 product, or the output or production of any agreement restricting the 12 geographic area or customers to which packaging or a paper product will 13 be sold. 14 § 27-3313. Penalties. 15 1. Except as otherwise provided in this section, any person or entity 16 that violates any provision of or fails to perform any duty imposed 17 pursuant to this title or any rule or regulation promulgated pursuant thereto, or any final determination or order of the commissioner made 18 pursuant to this article or article seventy-one of this chapter shall be 19 20 liable for a civil penalty not to exceed five hundred dollars for each violation and an additional penalty of not more than five hundred 21 22 dollars for each day during which such violation continues. 23 2. (a) Any producer or producer responsibility organization who violates any provision of or fails to perform any duty imposed pursuant 24 25 to this title or any rule or regulation promulgated pursuant thereto, or any term or condition of any registration or permit issued pursuant 26 27 thereto, or any final determination or order of the commissioner made 28 pursuant to this article or article seventy-one of this chapter shall be liable for a civil penalty not to exceed five thousand dollars for each 29 30 violation and an additional penalty of not more than one thousand five hundred dollars for each day during which such violation continues. For 31 32 a second violation committed within twelve months of a prior violation, 33 the producer implementing an individual extended producer responsibility 34 program or producer responsibility organization shall be liable for a civil penalty not to exceed ten thousand dollars and an additional 35 36 penalty of not more than three thousand dollars for each day during 37 which such violation continues. For a third or subsequent violation committed within twelve months of any prior violation, the producer 38 39 implementing an individual extended producer responsibility program or 40 producer responsibility organization shall be liable for a civil penalty not to exceed twenty thousand dollars and an additional penalty of six 41 thousand dollars for each day during which such violation continues. 42 43 (b) All producers participating in a producer responsibility organiza-44 tion shall be jointly and severally liable for any penalties assessed 45 against the producer responsibility organization pursuant to this title 46 and article seventy-one of this chapter. 47 3. Civil penalties under this section shall be assessed by the depart-48 ment after an opportunity to be heard pursuant to the provisions of 49 section 71-1709 of this chapter, or by the court in any action or proceeding pursuant to section 71-2727 of this chapter, and in addition 50 51 thereto, such person or entity may by similar process be enjoined from 52 continuing such violation and any permit, registration or other approval 53 issued by the department may be revoked or suspended or a pending 54 renewal denied. 55 4. The department and the attorney general are hereby authorized to

56 enforce the provisions of this title and all monies collected shall be

1	deposited to the credit of the environmental protection fund as estab-
2	lished pursuant to section ninety-two-s of the state finance law.
3	§ 27-3315. State preemption.
4	<u>Jurisdiction in all matters pertaining to activity-based costs and</u>
5	funding mechanisms of producer responsibility organizations relating to
6	the recovery of packaging and paper products by this title, is vested
7	exclusively in the state. Any provision of any local law or ordinance,
8	or any rule or regulation promulgated thereto, governing packaging and
9	paper products recycling shall, upon the effective date of this title,
10	be preempted; provided however, that nothing in this section shall
11	preclude a person from coordinating, for recycling or reuse, the
12	collection of packaging and paper products.
13	§ 27-3317. Authority to promulgate rules and regulations.
14	The department shall have the authority to promulgate rules and regu-
15	lations necessary and appropriate for the administration of this title.
16	§ 27-3319. Extended producer responsibility reporting to the governor
17	and legislature.
18	1. (a) By November first, two thousand twenty-four, and biennially
19	thereafter, the department shall submit to the governor and legislature
20	a report that includes the following:
21	(i) a review and evaluation of the performance of existing extended
22	producer responsibility programs in the state;
23	(ii) recommendations the department would propose through legislation
24	to improve existing extended producer responsibility programs;
25	(iii) recommendations the department would propose through legislation
26	to promote the reduction targets through the promotion of reusable
27	products or source reduction; and
28	(iv) draft legislation required to amend an existing extended producer
29	responsibility program based on recommendations in paragraph (b) of this
30	subdivision.
31	(b) The report submitted in accordance with this section shall fulfill
32	the requirements found in subdivision four of section 27-1807, subdivi-
33	sion two of section 27-2005, and subdivision four of section 27-2617 of
34	this article, and future biennial reports on extended producer responsi-
35	bility programs required of the department to be provided to the gover-
36	nor and legislature.
37	2. The department shall collect information available in the public
38	domain regarding potential products in the waste stream to assist in
39	designating products or product categories for extended producer respon-
40	sibility programs in accordance with this title. At the department's
41	discretion, a report shall be submitted to the governor and legislature
42	which shall contain the following:
43	(a) Recommendations for establishing new extended producer responsi-
44	bility programs. The department may identify a potential product or
45	product category as a candidate for an extended producer responsibility
46	program if it is determined after evaluation of each of the following
47	that:
48	(i) the potential product or product category is found to contain
49 50	toxins that pose the risk of an adverse impact to the environment or
50 E 1	public health and safety; or
51 52	(ii) an extended producer responsibility program for the potential
52 52	product or product category will increase the recovery of materials for
53 54	reuse and recycling and reduce the need for use of virgin materials; or (iii) an extended producer responsibility program for the potential
54 55	product or product category will reduce the costs of waste management to
55	product or product category will reduce the costs of waste management to

56 local governments and taxpayers; or

1	(iv) an extended producer responsibility program for the potential
2	product or product category will enhance energy conservation or mitigate
3	climate change impacts; or
4	(v) an extended producer responsibility program for the potential
5	product or product category will be beneficial for existing and new
6	businesses and infrastructure to manage the products and lead to the
7	<u>development of new industries to utilize the recovered materials; or</u>
8	(vi) there exists public demand for an extended producer responsibil-
9	ity program for the potential product or product category; or
10	(vii) there is success in collecting and processing similar types of
11	products in programs in other states or countries; or
12	(viii) existing voluntary extended producer responsibility programs
13	for the potential product or product category in the state are not
$14^{-1}$	effective in achieving the policy of this chapter; and
15	(b) Draft legislation required to implement and enforce an extended
16	producer responsibility program for a potential product or product cate-
17	gory recommended in paragraph (a) of this subdivision.
18	3. At least thirty days prior to submitting the report pursuant to
19	subdivision two of this section to the governor and legislature, the
20	department shall post the report on its publicly accessible website.
21	Within that period, a person may submit to the department written
22	comments regarding the report. The department shall submit all public
23	comments received to the governor and legislature with the report.
24	<u>§ 27-3321. Severability.</u>
25	The provisions of this title shall be severable and if any phrase,
26	clause, sentence or provision of this title or the applicability thereof
27	to any person or circumstance shall be held invalid, the remainder of
28	this title and the application thereof shall not be affected thereby.
29	§ 3. The state finance law is amended by adding a new section 92-kk to
30	read as follows:
31	§ 92-kk. Stewardship organization fund. 1. There is hereby established
32	in the joint custody of the state comptroller and the commissioner of
33	the department of taxation and finance, a special fund to be known as
34	the "stewardship organization fund".
35	2. The stewardship organization fund shall consist of all revenue
36	collected from fees pursuant to title thirty-three of article twenty-
37	seven of the environmental conservation law and any cost recoveries or
38	other revenues collected pursuant to title thirty-three of article twen-
39	ty-seven of the environmental conservation law, and any other monies
40	deposited into the fund pursuant to law.
41	<u>3. Moneys of the fund, following appropriation by the legislature,</u>
42	shall be used for execution of the program pursuant to title thirty-
43	three of article twenty-seven of the environmental conservation law, and
44	expended for the purposes as set forth in title thirty-three of article
45	twenty-seven of the environmental conservation law.
46	§ 4. This act shall take effect immediately.
47	PART SS
48	Section 1. Title 2 of article 37 of the environmental conservation law
49	is REPEALED and a new title 2 is added to read as follows:
50	TITLE 2
51	TOXICS IN PACKAGING ACT
52	Section 37-0201. Legislative findings and intent.
53	37-0203. Short title and definitions.
54	37-0205. Prohibitions.

	37-0207. Certificate of compliance.
2	37-0209. Violations.
3	37-0211. Regulations.
4	<u>37-0213. Severability.</u>
5	§ 37-0201. Legislative findings and intent.
6	The legislature finds and declares that:
7	1. The management of solid waste can pose a wide range of hazards to
8	public health and safety and to the environment; and
9	2. Packaging comprises a significant percentage of the overall solid
10	waste stream; and
11	3. The presence of chemicals, such as heavy metals, in packaging is a
12	part of the total concern in light of their likely presence in emissions
13	or ash when packaging is incinerated, or in leachate when packaging is
14	landfilled; and
15	4. Lead, mercury, cadmium, hexavalent chromium, PFAS, and phthalates,
16	on the basis of available scientific and medical evidence, are of
17	particular concern; and
18	5. It is desirable as a first step in reducing the toxicity of packag-
19	ing waste to eliminate the addition of these chemicals to packaging; and
20	6. The intent of this title is to achieve this reduction in toxicity
21	without impeding or discouraging the expanded use of post-consumer mate-
22	rials in the production of packaging and its components.
23	§ 37-0203. Short title and definitions.
24	1. This title shall be known as and may be cited as the "toxics in
25	packaging act".
26	2. For the purpose of this title, the term:
27	a. "Distribute" means to offer for sale, barter, exchange, give, or

10	of organic chemicals that are esters of phthalic acid and that contain
11	two carbon chains located in the ortho position.
12	§ 37-0205. Prohibitions.
13	1. No person shall distribute a package or packaging component, or any
14	product that incorporates such package or packaging component, in which
15	lead, cadmium, mercury, or hexavalent chromium are present, individually
16	or in combination, in amounts exceeding 100 parts per million by weight.
17	2. Beginning December 31, 2024, no person shall distribute a package
18	or packaging component, or any product that incorporates such package or
19	packaging component, in which phthalates are present, individually or in
20	combination, in amounts exceeding 100 parts per million by weight (0.01%).

28	nent, or any product that incorporates such package or packaging compo-
29	nent, in which PFAS is present, individually or in combination, in
30	amounts exceeding 100 parts per million by weight (0.01%).
31	§ 37-0207. Certificate of compliance.
32	No person who distributes a package or packaging component, or any
33	product that incorporates such package or packaging component, shall be
34	held in violation of this title if they can show that they relied in
35	good faith on the written assurance of the manufacturer or distributor
36	of such package or packaging component that such a package or packaging
37	component met the requirements of this title. Such written assurance
38	shall take the form of a certificate of compliance, in a form and manner
39	prescribed by the department, stating that such a package or packaging
40	component is in compliance with the requirements of this title. The
41	certificate of compliance shall be signed by an authorized officer of
42	the manufacturer or distributor of such package or packaging component.
43	A copy of the certificate of compliance shall be kept on file by the
44	manufacturer or distributor of the package or packaging component, and
45	shall be provided to the department, upon request.
46	§ 37-0209. Violations. A violation of any of the provisions of this title or any rule or
47 10	regulation promulgated pursuant thereto shall be punishable in the case
48 49	of a first violation, by a civil penalty not to exceed ten thousand
50	dollars. In the case of a second and any further violation, the liabil-
51	ity shall be for a civil penalty not to exceed twenty-five thousand
52	dollars for each violation per day. The commissioner shall deposit all
53	money recovered or received by the department in satisfaction of penal-
54	ties assessed for violations of this title or any rule or regulation
55	promulgated pursuant thereto to the credit of the environmental regula-
56	tory account.

1 § 37-0211. Regulations. The department is authorized to promulgate any other such rules and 2 regulations as it shall deem necessary to implement the provisions of 3 4 this title. The department is authorized to evaluate other chemicals to 5 review for potential regulation under this title. The department may 6 provide a report based upon that evaluation to the governor and legisla-7 ture which may contain recommendations to add other chemicals contained 8 in a package or packaging component to regulate in order to further 9 reduce the toxicity of packaging waste. 10 § 37-0213. Severability. 11 If any clause, sentence, paragraph, section or part of this title 12 shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder ther-13 14 eof, but shall be confined in its operation to the clause, sentence, 15 paragraph, section or part thereof directly involved in the controversy 16 in which such judgment shall have been rendered. 17 § 2. Subdivisions 1 and 2 of section 72-1009 of the environmental conservation law, subdivision 1 as amended by chapter 60 of the laws of 18 1993 and subdivision 2 as added by chapter 166 of the laws of 1991, are 19 20 amended to read as follows: 21 1. The environmental regulatory account shall be credited with all 22 moneys received from fees and fee interest collected; all other moneys collected by the department pursuant to title twenty-seven of article 23 twenty-three of this chapter, except as identified under article six of 24 the public officers law; all moneys collected or received by the depart-25 26 ment pursuant to title two of article thirty-seven of this chapter; and 27 any other contributions or donations by the public to such account. 28 2. Moneys in the account, following appropriation by the legislature, 29 shall be allocated upon the certification of approval for availability 30 by the director of the budget for the administration and enforcement of 31 title twenty-seven of article twenty-three and title two of article 32 thirty-seven of this chapter, including but not limited to monitoring, 33 surveillance, enforcement, training, research, administration and coop-34 eration with any federal, state or local agency. 35 § 3. This act shall take effect immediately.

### PART TT

37 Section 1. Short title. This act shall be known and may be cited as the 38 "Suffolk County water quality restoration act".

§ 2. Legislative intent. The county of Suffolk ("county"), with a 39 40 population of one million five hundred thousand persons, has in excess 41 of three hundred eighty thousand existing onsite systems, comprised 42 mostly of cesspools and septic systems, with two hundred nine thousand 43 of these onsite systems in environmentally sensitive areas which could 44 benefit from nitrogen-reducing technologies. The United States Environ-45 mental Protection Agency recognizes Long Island as having a sole source 46 aquifer system for its drinking water supply. Suffolk county has an imminent need to preserve this valuable water resource by reducing the 47 48 amount of nitrogen discharged into the groundwater by onsite systems. 49 The full water cycle is impacted by increasing quantities of nutrients, 50 pathogens, pesticides, volatile organic contaminants and saltwater 51 intrusion, as well as a number of emerging threats such as prescription 52 drugs and sea level rise.

The Suffolk county subwatersheds wastewater plan ("SWP"), certified by 1 department of environmental conservation as a Nine Elements 2 the Watershed (9E) plan, has documented the devastating effects of high 3 levels of nitrogen pollution, not only on the drinking water quality, 4 5 but also on coastal ecosystems, dissolved oxygen, water clarity, 6 eelgrass, wetlands, shellfish, coastal resilience and in triggering 7 harmful algal blooms. The Suffolk county subwatersheds wastewater plan, 8 or SWP, is a long-term plan to address the need for wastewater treatment 9 infrastructure throughout the county comprehensively over a period of 10 fifty years. The SWP delineates the source and concentration of nitrogen 11 loading in one hundred ninety-one subwatersheds throughout the county, 12 and established nitrogen reduction goals for each watershed.

For many areas of the county, installing or connecting sewers is not a 13 14 practical or cost-effective method of treating wastewater. For that 15 reason, the SWP prescribes a hybrid approach that relies on sewering 16 where feasible, and the replacement of cesspools and septic systems with 17 innovative/alternative onsite wastewater treatment systems. The consolidation of any or all of the twenty-seven county sewer districts, as 18 well as unsewered areas of the county, into a county-wide wastewater 19 20 management district allows for the implementation of a much needed inte-21 grated long-term wastewater solution for the county through comprehen-22 sive planning and management, the establishment of a water quality 23 restoration fund and county-wide district board of trustees to monitor progress and the allocation of resources consistent with the goals of 24 25 the SWP.

The purpose of this act is to create a water quality restoration fund to finance projects for the protection, preservation, and rehabilitation of groundwater and surface waters as recommended by the SWP. This act would allow the funding of projects that will mitigate wastewater pollutants utilizing the best available technology consistent with the SWP.

31 A county-wide wastewater management district, supported by a dedicated 32 and recurring revenue source, will provide an integrated and efficient 33 approach to managing wastewater services across the county; allow the 34 county to enhance and expand its incentive program to property owners to 35 upgrade their wastewater treatment systems without risk of adverse 36 personal income tax consequences; to manage, monitor and enforce nitro-37 gen reduction programs throughout the county; to complete additional 38 sewer extension projects; and provide an opportunity to consolidate and 39 streamline the county's existing sewer district system and normalize the 40 inequitable rate structure that has long existed.

41 § 3. The county law is amended by adding a new section 256-b to read 42 as follows:

43 256-b. Suffolk county wastewater management district. 1. (a) S 44 Notwithstanding the provisions of any general, special or local law to the contrary, including this article, the county legislature of Suffolk 45 46 county is hereby authorized to establish by resolution a Suffolk county 47 wastewater management district, hereinafter referred to in this section 48 as the "district", which shall include all powers of a sewer district and a wastewater disposal district as provided in section two hundred 49 50 fifty of this article and as set forth in this subdivision, pursuant to the procedure contained in this section. 51 52 (b) In addition to the powers provided in section two hundred fifty of

53 this article, the district shall have the power, as determined by the 54 county legislature, to: (i) consolidate all of the original sewer 55 districts within the county as well as unsewered areas of the county, 56 under the jurisdiction of the district; (ii) establish one or more zones

of assessment within the district based upon territorial boundaries, the 1 method of wastewater collection, treatment and disposal, existing or 2 proposed, or both, and make changes to such zones of assessments; (iii) 3 4 acquire interests in real property which may be completed by the trans-5 fer of property of original sewer districts to the district, necessary 6 for the installation and maintenance of district facilities; (iv) prior-7 itize district projects in accordance with the Suffolk county subwat-8 ershed wastewater plan (SWP) adopted by the county legislature, and any 9 amendments thereto; (v) receive funds from the county or the water qual-10 ity restoration fund, as established by subdivision twelve of this 11 section, and distribute grant proceeds within the district in accordance 12 with the goals established in the Suffolk county subwatershed wastewater plan; (vi) assume and pay any remaining indebtedness of each original 13 14 sewer district; (vii) establish and provide for the collection of charg-15 es, rates, taxes or assessments to provide for the costs of operation, 16 expenses, interest payments, maintenance and improvements of the 17 district, including but not limited to: (A) special assessment as defined in subdivision fifteen of section one hundred two of the real 18 property tax law; (B) special ad valorem levy as defined in subdivision 19 20 fourteen of section one hundred two of the real property tax law; (C) 21 sewer rent as provided under article fourteen-F of the general municipal 22 law; and (viii) distribute grant proceeds within the district in accordance with the goals established in the SWP. 23 2. Boundaries. The boundaries of the district shall coincide with the 24 25 territorial boundaries of the county of Suffolk. 3. County agency review and report. The county legislature shall 26 27 direct the county agency, appointed or established pursuant to section two hundred fifty-one of this article, to review and report thereon to 28 the county legislature on the creation of the district and the merger 29 30 therewith of any or all existing county sewer districts in accordance with this section and such other details as may be directed by the coun-31 32 ty legislature consistent with this article. When the agency has caused 33 such report to be prepared, it shall transmit it to the county legisla-34 ture. Upon receipt of the report, the county legislature shall call a 35 public hearing pursuant to subdivision five of this section to create a 36 Suffolk county wastewater management district in accordance with this 37 section. Such report shall be filed in the office of the clerk of the 38 legislature of Suffolk county. 39 4. Resolution. The county legislature of Suffolk county may adopt a resolution calling a public hearing upon the proposed creation of the 40 41 district. 42 5. Notice. The clerk of the county legislature shall give notice of 43 the hearing described in subdivision four of this section in such news-44 papers and within such time period as set forth in section two hundred 45 fifty-four of this article. Such notice shall specify the time, date 46 and location of such hearing and, in general terms, describe the 47 proposed establishment of the district and the proposed basis of the 48 future assessment of all costs of operation, maintenance and improve-49 ments of the district. 50 6. Hearing and resolution to establish. (a) The county legislature 51 shall meet at the time, date and location specified in such notice and 52 hear all persons interested in the subject matter thereof concerning the same. If the county legislature determines that it is in the public 53 interest to establish the district as specified in such notice, the 54 county legislature may adopt a resolution, subject to a mandatory refer-55

56 endum, establishing the district.

(b) The permission of the state comptroller shall not be required to 1 2 establish a district created pursuant to this section. 7. Notice of adoption of resolution. Within ten days after the 3 4 adoption by the county legislature of the resolution to establish the 5 district described in subdivision six of this section, the county legis-6 lature shall give notice thereof, at the expense of the county, by the 7 publication of a notice in such newspapers and within such time period 8 as set forth in section one hundred of this chapter. Such notice shall 9 set forth the date of adoption of the resolution and contain an abstract 10 of such resolution, describing, in general terms, the district, the 11 basis for the future assessment of all costs of operation, maintenance 12 and improvements, and that such resolution was adopted subject to a 13 mandatory referendum. 8. Assessments, levys and charges. After the establishment of the 14 15 district in accordance with this section, the county is hereby authorized by resolution approved by majority vote of the total membership of 16 17 the county legislature to assess, levy and collect upon each lot or parcel of land subject to taxation within the district: (a) special 18 assessment as that term is defined in subdivision fifteen of section one 19 20 hundred two of the real property tax law; (b) special ad valorem levy as 21 that term is defined in subdivision fourteen of section one hundred two 22 of the real property tax law; and (c) sewer rents as provided by article fourteen-F of the general municipal law. Such costs and expenses may 23 include, but shall not be limited to, the amount of money required to 24 25 pay the annual expenses of maintenance, operation, personnel services of the district and the sums sufficient to pay the annual installment of 26 27 principal of, and interest on, obligations for improvements of the 28 district. Such sums so levied shall be collected by the local tax collectors or receivers of taxes and assessments and shall be paid over 29 30 to the chief fiscal officer of the county, in the same manner and at the same time as taxes levied for general county purposes. The chief fiscal 31 32 officer shall keep a separate account of such moneys and they shall be 33 used only for purposes set forth in this section, and in addition, all 34 monies collected from each zone of assessment established or amended in accordance with this section shall be further segregated and shall not 35 36 be commingled with monies of other zones of assessment except upon 37 approval by resolution of the county legislature upon recommendation of the district board of trustees established in accordance with the 38 39 Suffolk county water quality restoration act. 8-a. Recording determination. The clerk of the county legislature 40 shall within ten days after the effective date of the resolution creat-41 ing the district cause a certified copy to be recorded in the office of 42 43 the clerk of the county and when so recorded such order shall be 44 presumptive evidence of the regularity of the proceedings for the creation of the district and of all other action taken by the county 45 46 legislature pursuant to this section. A certified copy shall also be 47 filed in the office of the state department of audit and control in 48 Albany, New York. 9. Other laws. All provisions of the real property tax law and the 49 Suffolk county tax act, as the same may be amended from time to time, 50 not inconsistent with the provisions of this article, relating to the 51 52 assessing, levy and collection and enforcement of special assessments, ad valorem levies and sewer rents in the county shall apply and be of 53 equal force and applicability to special assessments, ad valorem levies 54 and sewer rents authorized pursuant to this section. 55

1	10. Towns and villages. This section shall not be construed as merging
2	the sewer districts of towns and villages within the county of Suffolk
3	into the district created by this section, however the merger of any
4	town or village sewer district with the district shall be in accordance
5	with section two hundred seventy-seven of this article.
6	11. Water quality restoration fee. (a) Notwithstanding any provision
7	of law to the contrary, the county of Suffolk is authorized to establish
8	a water quality restoration fund pursuant to subdivision twelve of this
9	section, to be financed by the water quality restoration fee as provided
10	by this subdivision. Said fund shall be enacted by local law, subject
11	to mandatory referendum, pursuant to section twenty-three of the munici-
12	pal home rule law.
13	(b) For each residential dwelling unit, the fee shall be five dollars
14	per month. For all other properties, the fee shall be five dollars per
15	month for each "equivalent dwelling unit" (EDU). An EDU shall be defined
16	as three hundred gallons of wastewater generated per day. The number of
17	EDUs for each property shall be determined by the actual amount of
18	wastewater generated per day. Where such amount of actual wastewater
19	generated per day cannot be determined for a property, the county, by
20	local law, shall establish a schedule of EDUs for each category of land
21	use consistent with the Suffolk County Sanitary Code. The local law may
22	provide for subcategories for each land use.
23	(c) Such fee shall be collected on all properties in the county of
24	Suffolk except as provided herein. Water usage on public land shall be
25	excluded from such fee. Land utilized as part of a farm operation: (i)
26	located in an agricultural district; or (ii) benefitted by an agricul-
27	tural assessment, pursuant to article twenty-five-AA of the agriculture
28	and markets law; or (iii) subject to a government purchase of develop-
29	ment rights program; or (iv) otherwise protected for agricultural
30	purposes shall be exempt from the fee. For the purposes of this act
31	"public land" shall mean any land exempt from real property taxation
32	pursuant to title one of article four of the real property tax law. For
33	the purposes of this section, "farm operation" shall have the same mean-
34	ing as provided for in section three hundred one of the agriculture and
35	markets law.
36	(d) The local law shall also provide for an exemption from the water
37	restoration fee based upon substantial financial hardship.
38	(e) The county, by local law, shall determine the criteria for estab-
39	lishing such substantial financial hardship. The county, by local law,
40	shall determine the means and manner of collection for the fee author-
41	ized pursuant to this section.
42	12. Water quality restoration fund. (a) Notwithstanding any provision
43	of law to the contrary, the net collections from the fee imposed pursu-
44	ant to subdivision eleven of this section shall be deposited in a
45	special fund by the county of Suffolk, to be designated as the water
46	quality restoration fund, to be created by said county therefor, sepa-
47	rate and apart from any other funds and accounts of the county. In no
48	event shall monies deposited in the fund be transferred to any other
49	account. Deposits into the fund may include revenues of Suffolk county
50	from whatever source and shall include, at a minimum, all net revenues
51	from the water quality restoration fee imposed pursuant to subdivision
52	eleven of this section. The fund shall also be authorized to accept
53	gifts of funds. Interest accrued by monies deposited into the fund shall
54	be credited to the fund. Nothing contained in this section shall be
55	construed to prevent the financing in whole or in part, pursuant to the
56	local finance law, of any project authorized pursuant to this section.

Monies from the fund may be utilized to repay any indebtedness or obli-1 gations incurred pursuant to the local finance law consistent with 2 effectuating the purposes of this section. Where Suffolk county finances 3 4 a project, in whole, or in part, pursuant to the local finance law, the 5 resolution authorizing such indebtedness shall be accompanied by a 6 report from the county executive demonstrating how said indebtedness 7 will be repaid by the fund. Said report shall include an estimate of projected revenues of the fund during the period of indebtedness. The 8 9 report shall also provide an accounting of all other indebtedness 10 incurred against the fund to be repaid for the same period. The county 11 legislature shall make findings by resolution that there will be suffi-12 cient revenue to repay such indebtedness in its entirety from the fund before authorizing such indebtedness. Monies in said fund may be appro-13 14 priated from or expended in any fiscal year to implement the powers set forth in this section and to repay any indebtedness or obligations 15 incurred pursuant to the local finance law for the purposes authorized 16 17 pursuant to this section. (b) (i) For purposes of this section: "water quality improvement 18 project" shall mean the planning, design, construction, acquisition, 19 enlargement, extension, or alteration of a wastewater treatment facili-20 ty, including individual hookups, or an individual septic system, 21 22 including an alternative wastewater treatment facility or an individual septic system with active treatment, to treat, neutralize, stabilize, 23 eliminate or partially eliminate sewage or reduce pollutants, including 24 25 permanent or pilot demonstration wastewater treatment projects, or equipment or furnishings thereof. Such projects shall have as their 26 27 purpose the remediation of existing water quality to meet specific water 28 quality standards consistent with the SWP. Projects consistent with or 29 listed in the SWP that are part of a plan adopted by a local government 30 resulting in a net nitrogen reduction shall be eligible for consider-31 ation by the district board of trustees, established in accordance with 32 subdivision six of this section. Projects designed primarily to increase density shall not be included within this definition. Of the annual 33 34 collections of the fund, seventy-five percent of the annual funds shall be used toward individual septic systems purposes, inclusive of: (A) the 35 preparation of an annual SWP implementation action plan to protect, 36 37 preserve, and rehabilitate groundwater, surface water, and drinking water; (B) the construction of water quality improvement projects; (C) 38 39 the establishment of a program for residents of the county of Suffolk for grants and low-interest loans as incentives to construct individual 40 septic systems which qualify as water quality improvement projects; and 41 42 (D) administration of the county wastewater management district not to 43 exceed ten percent of the annual funds. 44 (ii) Other than for the payment of indebtedness or obligations incurred as set forth in paragraph (a) of this subdivision, and except 45 46 for the preparation of the annual SWP implementation plan, itself, no 47 monies may be expended until the annual SWP implementation plan has been prepared and approved as provided for in this section. 48 49 (c) (i) Within the local law establishing the water quality restoration fund, the county shall establish a district board of trustees of 50 51 seventeen members to review and approve the action plan for submission 52 to the county executive and county legislature. Such approval shall be 53 in addition to all other approvals required by law. The board of trus-54 tees shall consist of: (A) a representative from the department of environmental conservation; (B) a representative from the East End supervi-55

56 sors and mayors association; (C) a representative of the Suffolk town

107

supervisors association; (D) a representative of the Suffolk County 1 Village Officials Association; (E) a town representative from the State 2 3 Central Pine Barrens Joint Planning and Policy Commission to be desig-4 nated by the commission; (F) a municipal representative from the Peconic 5 Estuary Partnership; (G) a municipal representative from the State South 6 Shore Estuary Reserve; (H) a municipal representative from the Long 7 Island Sound Estuary; (I) a representative of the Long Island Federation 8 of Labor; (J) a representative of Building and Construction Trades Coun-9 cil of Nassau & Suffolk counties; (K) a representative from a regional 10 environmental organization; (L) the chair of the Suffolk county planning 11 commission; (M) the county executive or designee; (N) the presiding 12 officer of the county legislature or designee; (0) the minority leader of the county legislature or designee; (P) the county department of 13 14 public works commissioner or designee; and (Q) the county department of 15 health services commissioner or designee. (ii) The powers and duties of the district board of trustees shall 16 17 include auditing fiscal allocations as it relates to the goals of the Suffolk county subwatersheds wastewater plan, making prudent recommenda-18 19 tions for resource allocations for county-approved alternative wastewa-20 ter treatment technologies not contemplated in the Suffolk county 21 subwatersheds wastewater plan and long-term progress monitoring of the 22 implementation of the Suffolk county subwatersheds wastewater plan regarding achievements of nitrogen load reductions and ecological 23 24 endpoints. 25 (d) Water quality restoration citizens advisory committee. Within the local law establishing the district board of trustees, the county is 26 27 authorized to establish a water quality restoration citizens advisory 28 committee ("advisory committee") to actively assist and advise the board of trustees in the preparation, adoption and implementation of the annu-29 30 al SWP implementation plan. The committee shall consist of not more 31 than twenty-five members which shall include representatives of environ-32 mental groups, economic development and real estate interests, farmers, 33 water suppliers, civic groups, planners, biologists, and water quality 34 scientists and recreational interests. The members of the committee shall serve without compensation. The committee by a majority vote shall 35 36 elect a chairperson. The advisory committee shall meet periodically with 37 the board of trustees, make available working drafts of such plan and other documents, and shall provide services to the district board of 38 39 trustees, as are necessary and appropriate to carry out its functions 40 under this section. The county by resolution of the county legislature, shall appoint the members of the advisory committee. 41 42 (e) Annual SWP implementation plan. The water quality restoration fund 43 and district board of trustees shall prepare, review and approve and 44 submit to the county executive the annual SWP implementation plan within 45 one year of the effective date of this section, and in every year there-46 after in a like manner. The board of trustees shall conduct a public 47 hearing on said plan before its adoption or subsequent amendment. Each 48 year, said plan shall list every water quality restoration project which 49 the county plans to undertake pursuant to the fund and shall state how such project would improve existing water quality. Funds may only be 50 expended pursuant to this section for projects which have been included 51 52 in said plan. Said plan shall be consistent with state, federal, county, 53 and local government land use and wastewater management plans. After 54 submission and approval by the county executive, such plan shall be submitted to the county legislature. Such plan shall not become effec-55 tive until approved by local law. 56

1	(f) Annual audit. The county shall annually commission an independent
2	audit of the fund. The audit shall be conducted by an independent certi-
3	fied public accountant or an independent public accountant. Said audit
4	shall be performed by a certified public accountant or an independent
5	public accountant other than the one that performs the general audit of
6	the county's finances. Such audit shall be an examination of the fund
7	and shall determine whether the fund has been administered consistent
8	with the provisions of this section and all other applicable provisions
9	of state law. Said audit shall be initiated within sixty days of the
10	close of the fiscal year of the county and shall be completed within one
11	hundred twenty days of the close of the fiscal year. A copy of the
12	audit shall be submitted annually to the state comptroller and the coun-
13	ty comptroller. A copy of the audit shall be made available to the
14	public within thirty days of its completion. A notice of the completion
15	of the audit shall be published in the official newspaper of the county
16	and shall also be posted on the internet website for the county. The
17	and of the sudit way he a shares to the fund

# PART UU

37 Paragraph h of subdivision 1 of section 17-1909 of the Section 1. 38 environmental conservation law, as added by chapter 565 of the laws of 39 1989, is amended to read as follows:

40 h. "Municipality" means any county, city, town, village, district 41 corporation, county or town improvement district, school district, Indi-42 an reservation wholly within New York state, any public benefit corpo-43 ration or public authority established pursuant to the laws of New York 44 or any agency of New York state which is empowered to construct and 45 operate an eligible project, or any two or more of the foregoing which 46 are acting jointly in connection with an eligible project. 47

§ 2. This act shall take effect immediately.

### PART VV

Section 1. Subdivisions 2, 3, 4 and 5 of section 381 of the executive 49 50 law, as added by chapter 707 of the laws of 1981, subdivision 2 as 51 amended by chapter 560 of the laws of 2010, are amended, subdivision 6 1 is renumbered subdivision 8, and two new subdivisions 6 and 7 are added 2 to read as follows:

3 Except as may be provided in regulations of the secretary pursuant 2. 4 to subdivision one of this section, every local government shall admin-5 ister and enforce the uniform fire prevention and building code and the 6 state energy conservation construction code on and after the first day 7 of January, nineteen hundred eighty-four, provided, however, that a 8 local government may enact a local law prior to the first day of July in 9 any year providing that it will not enforce such codes on and after the 10 first day of [January] April next succeeding. In such event the county 11 in which said local government is situated shall administer and enforce 12 such codes within such local government from and after the first day of [January] April next succeeding the effective date of such local law, in 13 14 accordance with the provisions of paragraph b of subdivision five of 15 this section unless the county shall have previously enacted a local law providing that it will not enforce such codes within that county. In 16 17 such event the secretary in the place and stead of the local government shall, directly or by [contract] using the services of any contractors 18 or other third-party providers as the secretary may deem to be 19 20 gualified, administer and enforce the uniform code and the state energy 21 conservation construction code within such local government on and after 22 the first day of April next succeeding. A county that is responsible for administering and enforcing such codes within a local government pursu-23 ant to the foregoing provisions of this subdivision may enact a local 24 25 law prior to the first day of October in any year providing that it will not enforce such codes within such local government on and after the 26 27 first day of April next succeeding. In such event, the secretary, in the 28 place and stead of such local government, shall, directly or by using 29 the services of any contractors or other third-party providers as the 30 secretary may deem to be qualified, administer and enforce such codes in 31 such local government from and after the first day of April next 32 succeeding. A local government that adopts a local law providing that it 33 will not enforce such codes on and after the first day of April next 34 succeeding shall promptly notify the county in which such local government is located and the secretary of the adoption of such local law. A 35 36 county that adopts a local law providing that it will not enforce such 37 codes on and after the first day of April next succeeding shall promptly notify each local government in which such county is administering and 38 39 enforcing such codes and the secretary of the adoption of such local law. A local government or a county may repeal a local law which 40 provides that it will not enforce such codes and shall thereafter admin-41 42 ister and enforce such codes as provided above. Two or more local 43 governments may provide for joint administration and enforcement of the 44 uniform code, the state energy conservation construction code, or both, 45 by agreement pursuant to article five-G of the general municipal law. 46 Any local government may enter into agreement with the county in which 47 such local government is situated to administer and enforce the uniform 48 code, the state energy conservation construction code, or both, within 49 such local government. Local governments or counties that administer 50 and enforce the uniform code, the state energy conservation construction code, or both, may charge and collect fees to defray the costs of admin-51 52 istration and enforcement. Where the secretary is responsible for 53 administration and enforcement of the uniform code and state energy conservation construction code within a local government pursuant to 54 this subdivision or pursuant to paragraph e of subdivision four of this 55 56 section, (a) the secretary shall administer and enforce the codes in

accordance with the provisions of rules and regulations promulgated 1 pursuant to subdivision one of this section; (b) any person or entity 2 3 who knowingly violates any provision of such rules and regulations shall 4 be punishable by a fine not to exceed one thousand dollars per day of 5 violation, imprisonment not to exceed one year, or both, and (c) the 6 secretary may charge and collect fees to defray the costs of adminis-7 tration and enforcement. 8 3. <u>a.</u> On and after the first day of July, nineteen hundred eighty-9 five, the secretary shall have power to investigate [and conduct hear-10 ings relative to] whether administration and enforcement of the uniform 11 fire prevention and building code and the state energy conservation 12 construction code complies with the minimum standards promulgated pursu-13 ant to subdivision one of this section. In connection with any such investigation, the secretary shall have the power to issue subpoenas 14 15 compelling the testimony of witnesses, the production of documents, or both, and the power, at the secretary's discretion, to conduct one or 16 more hearings. At least ten days written notice of any such hearing 17 shall be provided to the elective or appointive chief executive officer 18 or, if there be none, the chairman of the legislative body of the local 19 20 government or county whose administration and enforcement of the uniform 21 code and state energy conservation construction code is at issue. 22 The elective or appointive chief executive officer or, if there be b. 23 none, the chairman of the legislative body of a county may, with approval of a majority vote of the legislative body of such county, 24 25 submit to the secretary a written notice requesting the secretary to authorize such county to investigate whether administration and enforce-26 27 ment of the uniform fire prevention and building code and the state 28 energy conservation construction code by a local government located in 29 such county complies with the minimum standards promulgated pursuant to 30 subdivision one of this section. Upon receipt of such notice, the secre-31 tary may authorize such county to conduct such investigation and to 32 provide a written report upon completion of such investigation to the 33 secretary. In connection with any such investigation, the county shall 34 have the power to issue subpoenas compelling the testimony of witnesses, the production of documents, or both, and the power, at the county's 35 36 discretion, to conduct one or more hearings. At least ten days written 37 notice of any such hearing shall be provided to the elective or appointive chief executive officer or, if there be none, the chairman of the 38 39 legislative body of the local government whose administration and enforcement of the uniform code and state energy conservation 40 construction code is at issue. Upon receipt of the county's report, the 41 42 secretary may issue a determination based on such report, conduct 43 further investigations, or take such other action as the secretary deems 44 appropriate, and the secretary shall notify the county and the local 45 government of the actions to be taken by the secretary. Nothing in this 46 paragraph shall limit or impair the secretary's power to investigate, 47 issue subpoenas, and conduct hearings as provided in paragraph a of this subdivision. Nor shall the power of the secretary to investigate, issue 48 49 subpoenas, and conduct hearings as provided in paragraph a of this 50 subdivision be diminished or otherwise affected by reason of a county 51 submitting, or not submitting, a notice pursuant to this paragraph. 52 4. If the secretary determines that a local government has failed to 53 administer and enforce the uniform fire prevention and building code 54 and/or the state energy conservation construction code in accordance with the minimum standards promulgated pursuant to subdivision one of 55

this section, the secretary shall take any of the following actions, 1 2 either individually or in combination in any sequence: 3 The secretary may issue an order compelling compliance by such a. 4 local government with the minimum standards [for administration and 5 enforcement of the uniform code ] promulgated pursuant to subdivision one 6 of this section. 7 b. The secretary may appoint and remove any person deemed qualified by the secretary as an oversight officer, who shall have the power and 8 9 authority to do any or all of the following, at the discretion of the 10 oversight officer and at the expense of such local government: 11 (i) observe and report on compliance by such local government with the 12 minimum standards promulgated pursuant to subdivision one of this 13 section; 14 (ii) direct all or any part of the code enforcement activities of the 15 local government's code enforcement personnel; (iii) hire, contract for, or otherwise obtain the services of quali-16 17 fied third parties to review building permit applications and plans and specifications submitted therewith, conduct construction inspections and 18 periodic fire safety and property maintenance inspections, and perform 19 20 other code enforcement activities within the local government; 21 (iv) issue notices of violation, appearance tickets, orders to remedy, 22 and other instruments related to code violations within the local government, or direct the local government to do so, and refer such 23 violations to counsel for the local government or the district attorney 24 25 for the county in which the local government is located for appropriate prosecution; and 26 27 (v) take any other steps deemed by the oversight officer to be neces-28 sary or appropriate to ensure that the uniform code and state energy conservation construction code are administered and enforced within such 29 30 local government in a due and proper manner and in compliance with the 31 minimum standards promulgated pursuant to subdivision one of this 32 section. Any person who is appointed as an oversight officer pursuant to this paragraph shall be deemed to be a state officer under section 33 34 two of the public officers law. 35 c. The secretary may ask the attorney general to institute in the name 36 of the secretary an action or proceeding seeking appropriate legal or 37 equitable relief to require such local government to administer and enforce the uniform code and state energy conservation construction code 38 39 in a due and proper manner and in compliance with the minimum standards promulgated pursuant to subdivision one of this section, including but 40 not limited to requiring such local government to take specific remedial 41 42 actions, such as establishing and enforcing an effective code enforce-43 ment program, conducting fire safety and property maintenance 44 inspections, increasing the frequency of fire safety and property main-45 tenance inspections, and taking enforcement actions that are timely and 46 responsive to circumstances associated with the property in question 47 when violations are identified. 48 [c. the] d. The secretary may designate the county in which such local 49 government is located, or any other local government that adjoins or is 50 reasonably proximate to such local government, to administer and enforce 51 the uniform code and state energy conservation construction code in such 52 local government. In the case of such designation, the provisions of 53 subdivision five of this section shall apply. 54 [d.] e. The secretary may, in the place and stead of the local govern-55 ment, directly or by using the services of any contractors or other 56 third-party providers as the secretary may deem to be qualified, admin-

ister and enforce the uniform code and state energy conservation 1 construction code in such local government in accordance with the mini-2 3 mum standards promulgated pursuant to subdivision one of this section. 4 In such event, the provisions of subdivision five of this section shall 5 apply. б f. The secretary may designate the county in which such local govern-7 ment is located, any other local government that adjoins or is reasonably proximate to such local government, or the department of state to 8 9 perform within such local government such types and classes of code 10 enforcement activities, such as permit application review and approval, 11 construction inspections, and fire safety and property maintenance 12 inspections, as the secretary may specify. In the case of such designation, the provisions of subdivision seven of this section shall apply. 13 14 5. Where the secretary has designated a county or adjoining or reasonably proximate local government to administer and enforce the uniform 15 16 fire prevention and building code and state energy conservation 17 construction code within a local government pursuant to paragraph d of subdivision four of this section, or has assumed authority for adminis-18 tration and enforcement of the uniform fire prevention and building code 19 20 and state energy conservation construction code within a local govern**ment** pursuant to [**subdivision two or**] paragraph [**d**] **e** of subdivision 21 22 four of this section: 23 [Such] The local government [or county government] that is not a. 24 administering or enforcing the uniform code and state energy conserva-25 tion construction code in accordance with minimum standards shall not administer and enforce the uniform code or state energy conservation 26 27 construction code, and shall not charge or collect fees for such admin-28 istration and enforcement. 29 b. [Such] The designated county or local government or the secretary 30 shall administer and enforce the uniform code within [such] the local 31 government whose administration and enforcement of the uniform code and 32 state energy conservation construction code has not met the minimum 33 standards from and after the date of such designation or assumption. 34 Such administration and enforcement shall apply the minimum standards promulgated by the secretary pursuant to subdivision one of this 35 36 section. Notwithstanding any other provisions of law, such designated 37 county or local government or the secretary shall have full power to administer and enforce the uniform code [in accordance with such] and 38 39 state energy conservation construction code in the local government whose administration and enforcement of the uniform code and state ener-40 gy conservation construction code has not met the minimum standards, 41 42 including the power to charge and collect fees for such administration 43 and enforcement. 44 с. The secretary shall designate the local government [or county 45 government] whose administration and enforcement of the uniform code and 46 state energy conservation construction code did not meet the minimum 47 standards to resume administration and enforcement of the uniform code 48 when the secretary is satisfied that such local government [or county] will provide such administration and enforcement in compliance with the 49 50 minimum standards promulgated pursuant to subdivision one of this 51 section. 52 d. The provisions of subdivisions three and four of this section shall apply to counties [which have been designated to administer and enforce 53 54 the uniform code in such local government ] that are responsible for administration and enforcement of the uniform code and state energy 55 conservation construction code within a local government pursuant to 56

subdivision two of this section, to counties that have been designated 1 to administer and enforce the uniform code and state energy conservation 2 3 construction code within a local government pursuant to paragraph d of 4 subdivision four of this section, and to local governments that have 5 been designated to administer and enforce the uniform code and state 6 energy conservation construction code within another local government 7 pursuant to paragraph d of subdivision four of this section. Where the 8 provisions of subdivisions three and four of this section are applicable to a county, references in those subdivisions to a local government 9 10 whose administration and enforcement of the uniform code and state ener-11 gy conservation construction code have been determined by the secretary 12 to have not met the minimum standards shall be construed as references 13 to such county. 14 6. Where the secretary has designated a county, another local govern-15 ment, or the department to perform specified types and classes of code enforcement activities within a local government pursuant to paragraph f 16 17 of subdivision four of this section: a. The local government whose administration and enforcement of the 18 19 uniform code and state energy conservation construction code has not met 20 the minimum standards shall not perform the types and classes of code 21 enforcement activities specified in such designation and shall accept 22 performance of such types and classes of code enforcement activities by 23 the designee; b. The local government whose administration and enforcement of the 24 25 uniform code and state energy conservation construction code has not met the minimum standards shall reimburse the designee for the costs and 26 27 expenses incurred by the designee in performing the designated types and 28 classes of code enforcement activities; and 29 c. The secretary shall designate the local government whose adminis-30 tration and enforcement of the uniform code and state energy conservation construction code has not met the minimum standards to resume 31 32 performance of the designated types and classes of code enforcement 33 activities when the secretary is satisfied that such local government 34 will perform such activities in a due and proper manner and will otherwise provide administration and enforcement of the uniform code and 35 36 state energy conservation construction code in compliance with the mini-37 mum standards promulgated pursuant to subdivision one of this section. 7. a. The term "authority having jurisdiction" as used in this subdi-38 39 vision shall mean a local government or county that is responsible for administering and enforcing the uniform code and/or the energy code 40 within such local government; the term "default code enforcement 41 42 program" shall mean the code enforcement program established by the 43 rules and regulations promulgated pursuant to paragraph b of this subdi-44 vision; and the term "required features" shall mean the features 45 required by the rules and regulations promulgated pursuant to subdivi-46 sion one of this section to be included in a code enforcement program. 47 b. The secretary is authorized to promulgate, and to amend from time 48 to time, rules and regulations establishing a default code enforcement 49 program. Such default code enforcement program shall include provisions establishing the required features and such other provisions as the 50 secretary may deem to be appropriate for inclusion in a code enforcement 51 52 program. Such default code enforcement program shall also establish fees to be charged by any authority having jurisdiction that administers and 53 enforces the uniform code and/or energy code in accordance with the 54 provisions of the default code enforcement program. 55

c. Any authority having jurisdiction that has not established its own 1 code enforcement program shall administer and enforce the uniform code 2 3 and/or energy code in accordance with the provisions of the default code 4 enforcement program. 5 d. Any authority having jurisdiction that administers and enforces the 6 uniform code and/or energy code in accordance with the provisions of the 7 default code enforcement program pursuant to paragraph c of this subdi-8 vision shall, through its chief executive officer, have full power and 9 authority to designate the public officer or agency authorized to issue 10 an appearance ticket, and a public officer who, by virtue of office, 11 title or position, is authorized or required to enforce the provisions 12 of the uniform code and the state energy conservation construction code and the provisions of the default code enforcement program as fully and 13 with the same force and effect as such authority having jurisdiction 14 15 would have to enforce provisions established by a local law, ordinance, or regulation enacted or adopted by such authority having jurisdiction. 16 17 The designation authorized by this paragraph shall not take effect until it has been filed with the department of state, and must be maintained 18 on the website of such authority having jurisdiction unless and until 19 20 such authority having jurisdiction passes a local law delegating the 21 enforcement authority referenced in this paragraph. 22 e. Where an authority having jurisdiction is administering and enforcing the uniform code and/or energy code in accordance with the 23 provisions of the default code enforcement program pursuant to paragraph 24 25 c of this subdivision, any person or entity who knowingly violates any applicable provision of the default code enforcement program shall be 26 27 punishable by a fine of not more than one thousand dollars per day of 28 violation, or imprisonment not exceeding one year, or both. 29 § 2. Section 382 of the executive law is amended by adding two new 30 subdivisions 5 and 6 to read as follows: 31 5. Notwithstanding any other provision of law, all fines imposed and 32 collected for any violation of this section shall be paid at least 33 monthly into the treasury of the local government in which such 34 violation occurred, unless: (i) the county is administering and enforcing the uniform fire prevention and building code and state energy 35 36 conservation construction code in such local government as provided by 37 subdivision two or four of section three hundred eighty-one of this article, in which case such fines and penalties collected in cases aris-38 39 ing out of the violation of this section shall be paid at least monthly into the treasury of the county, (ii) an adjoining or reasonably proxi-40 mate local government is administering and enforcing the uniform fire 41 42 prevention and building code and state energy conservation construction 43 code in such local government as provided by subdivision four of section 44 three hundred eighty-one of this article, in which case such fines and penalties collected in cases arising out of the violation of this 45 46 section shall be paid at least monthly into the treasury of such adjoin-47 ing or reasonably proximate local government, or (iii) the secretary is 48 administering and enforcing the uniform fire prevention and building 49 code and state energy conservation construction code in such local government as provided by subdivision two or four of section three 50 51 hundred eighty-one of this article, in which case such fines and penal-52 ties collected in cases arising out of the violation of this section 53 shall be paid at least monthly into the general fund established by 54 section seventy-two of the state finance law. Where two or more local governments have provided for joint administration and enforcement of 55 56 the uniform code, the state energy conservation construction code, or

both, by agreement pursuant to article five-G of the general municipal 1 law, such local governments may provide in such agreement for a differ-2 3 ent distribution of such fines. 6. The civil penalties provided in subdivision four of this section 4 5 may be recovered in an appropriate action or proceeding commenced by the 6 local government, county, or state agency responsible for administration 7 and enforcement of the uniform code with respect to the building that 8 was altered in violation of any provision of the uniform code or any 9 lawful order obtained thereunder, and shall be payable to the treasury 10 of such local government, the treasury of such county, or the general 11 fund of the state of New York, as applicable. 12 § 3. This act shall take effect immediately. 13 PART WW Section 1. Subdivision 3 of section 2251 of the vehicle and traffic 14 15 law, as amended by section 5 of part G of chapter 59 of the laws of 2009, is amended to read as follows: 16 3. Fees. The triennial fee for registration of a vessel shall be: 17 twenty-two dollars and fifty cents [and a vessel surcharge of three 18 19 dollars and seventy-five cents, ] if less than sixteen feet in length; 20 forty-five dollars [and a vessel surcharge of twelve dollars and fifty **cents**, ] if sixteen feet or over but less than twenty-six feet in length; 21 seventy-five dollars [and a vessel surcharge of eighteen dollars and 22 seventy-five cents, ] if twenty-six feet or over. This act shall take effect immediately. 16 PART DDD Section 1. Paragraph (a) of subdivision 17 of section 1005 of the 17 public authorities law, as amended by chapter 494 of the laws of 2011, 18 19 is amended to read as follows: 20 (a) As deemed feasible and advisable by the trustees, to finance and design, develop, construct, implement, provide and administer energy-re-21 lated projects, programs and services for any public entity, any inde-22 pendent not-for-profit institution of higher education within the state, 23 24 any general hospital located in the state, and any recipient of the 25 economic development power, expansion power, replacement power, preservation power, high load factor power, municipal distribution agency 26 power, power for jobs, and recharge New York power programs administered 27 28 by the authority. In establishing and providing high performance and 29 sustainable building programs and services authorized by this subdivi-30 sion, the authority is authorized to consult standards, guidelines, 31 rating systems, and/or criteria established or adopted by other organ-32 izations, including but not limited to the United States green building council under its leadership in energy and environmental design (LEED) 33 34 programs, the green building initiative's green globes rating system, 35 and the American National Standards Institute. The source of any financing and/or loans provided by the authority for the purposes of this 36 37 subdivision may be the proceeds of notes issued pursuant to section one thousand nine-a of this title, the proceeds of bonds issued pursuant to 38 section one thousand ten of this title, or any other available authority 39 40 funds. 41 § 2. Paragraph (b) of subdivision 17 of section 1005 of the public 42 authorities law is amended by adding a new subparagraph 3-a to read as 43 follows: 44 (3-a) "General hospital" has the same meaning ascribed to such term in 45 subdivision ten of section twenty-eight hundred one of the public health 46 law. 47 § 3. This act shall take effect immediately. 48 PART EEE 49 Section 1. This act shall be known and may be cited as the "advanced 50 building codes, appliance and equipment efficiency standards, and build-

51 ing benchmarking act of 2022".

§ 2. Subdivision 2 of section 3-101 of the energy law, as amended by 1 chapter 253 of the laws of 2013, is amended to read as follows: 2 3 2. to encourage conservation of energy and to promote the clean energy 4 and climate agenda, including but not limited to greenhouse gas 5 reduction, set forth within chapter one hundred six of the laws of two 6 thousand nineteen, also known as the New York state climate leadership 7 and community protection act, in the construction and operation of new 8 commercial, industrial, agricultural and residential buildings, and in 9 the rehabilitation of existing structures, through heating, cooling, 10 ventilation, lighting, insulation and design techniques and the use of 11 energy audits and life-cycle costing analysis; 12 § 3. Subdivisions 3 and 9 of section 11-102 of the energy law, as added by chapter 560 of the laws of 2010, are amended, subdivisions 11, 13 14 12, 13, 14, and 15 are renumbered to be subdivisions 12, 13, 14, 15, and 15 16, and a new subdivision 11 is added to read as follows: ANSI/ASHRAE/IESNA] "ASHRAE 16 3. [<del>"ASHRAE 90.1-2007."</del> 90.1." 17 ANSI/ASHRAE/IES Standard [90.1-2007] 90.1, entitled "Energy [Standards] Standard for Buildings Except Low-Rise Residential Buildings, " published 18 19 by American Society of Heating, Refrigerating and Air-Conditioning Engi-20 neers, Inc. 21 9. "Historic building." Any building or structure that is one or more 22 the following: (a) listed, or certified as eligible for listing, on of the national register of historic places or on the state register of 23 historic places, (b) [determined by the commissioner of parks, recre-24 25 ation and historic preservation to be eligible for listing on the state register of historic places] designated as historic under applicable 26 27 state or local law, or (c) [determined by the commissioner of parks, 28 recreation and historic preservation to be a contributing building to an historic district that is listed or eligible for listing on the state or 29 national registers of historic places, or (d) otherwise defined as an 30 historic building in regulations adopted by the state fire prevention 31 32 and building code council] certified as a contributing resource within a 33 national register-listed, state register-listed, or locally designated 34 historic district. 35 11. "Life-cycle cost." An estimate of the total cost of acquisition, 36 operation, maintenance, and construction of any system within or related 37 to a structure over the design life of the structure. "Life-cycle cost" includes, but is not limited to, the cost of fuel, materials, machinery, 38 39 ancillary devices, labor, service, replacement, and repairs. § 4. Paragraph (b) of subdivision 1 and subdivisions 2 and 3 of 40 section 11-103 of the energy law, paragraph (b) of subdivision 1 as 41 42 added and subdivision 2 as amended by chapter 560 of the laws of 2010 43 and subdivision 3 as amended by chapter 292 of the laws of 1998, are 44 amended to read as follows: 45 (b) The code shall apply to the construction of any new building. The 46 code shall also apply to an addition to, and alteration of, any existing 47 building or building system; provided, however, that the code shall not 48 be interpreted to require any unaltered portion of the existing building 49 or building system to comply with the code. The code shall [not apply to 50 the following provided that the energy use of the building is not 51 increased: 52 (1) storm windows installed over existing fenestration; 53 (2) glass only replacements in an existing sash and frame; 54 (3) existing ceiling, wall or floor cavities exposed during 55 construction provided that these cavities are filled with insulation;

(4) construction where the existing roof, wall or floor cavity 1 is -not 2 exposed; 3 (5) reroofing for roofs where neither the sheathing nor the insulation 4 is exposed; roofs without insulation in the cavity and where the sheath-5 ing or insulation is exposed during reroofing shall be insulated either б above or below the sheathing; 7 (6) replacement of existing doors that separate conditioned space from 8 the exterior shall not require the installation of a vestibule or 9 revolving door, provided, however, that an existing vestibule that sepa-10 rates such conditioned space from the exterior shall not be removed; (7) alterations that replace less than fifty percent of the luminaires 11 in a space, provided that such alterations do not increase the installed 12 13 interior lighting power; 14 (8) alterations that replace only the bulb and ballast within the 15 existing luminaires in a space provided that the alteration does not increase the installed interior lighting power; and 16 17 (9) any other exception ] be subject to such other exceptions as may be adopted by the state fire prevention and building code council provided 18 that such [exception will] exceptions shall not prevent the attainment 19 of the compliance goals set forth in section 410(2)(c) of the American 20 21 Recovery and Reinvestment Act of 2009. 22 2. (a) The state fire prevention and building code council is author-23 ized, from time to time as it deems appropriate and consistent with the purposes of this article, to review and amend the code, or adopt a new 24 25 code, through rules and regulations provided that the code remains cost effective with respect to building construction in the state. In deter-26 27 mining whether the code remains cost effective, the code council shall 28 consider [whether the cost of materials and their installation to meet its standards would be equal to or less than the present value of energy 29 30 savings that could be expected over a ten year period in the building in 31 which such materials are installed ] (i) whether complying with the code 32 would reduce or maintain overall life-cycle costs under a life-cycle 33 cost analysis performed under methodology as established by the New York 34 state energy research and development authority from time to time, and 35 (ii) secondary or societal effects, such as reductions in greenhouse gas 36 emissions. The methodology for assessing cost-effectiveness, including 37 secondary or societal effects, shall be developed through an open and transparent public process. For residential buildings, the code shall 38 39 meet or exceed the then most recently published International Energy 40 Conservation Code, or achieve equivalent or greater energy savings; and for commercial buildings, the code shall meet or exceed the then most 41 42 recently published ASHRAE [90.1-2007] 90.1, or achieve equivalent or 43 greater energy savings. 44 (b) When adopting the first amended version of the code next following 45 the effective date of the chapter of the laws of two thousand twenty-two 46 that added this paragraph, and any subsequent codes, the state fire 47 prevention and building code council shall use its best efforts to adopt 48 provisions for residential buildings that achieve energy savings greater 49 than energy savings achieved by the then most recently published Inter-50 national Energy Conservation Code and to meet the goals of the New York 51 state climate leadership and community protection act pursuant to chap-52 ter one hundred six of the laws of two thousand nineteen and to adopt 53 provisions for commercial buildings that achieve energy savings greater 54 than energy savings achieved by the then most recently published ASHRAE 55 90.1 and to meet the goals of the New York state climate leadership and 56 community protection act pursuant to chapter one hundred six of the laws

1	of two thousand nineteen, both at levels recommended by the New York
2	state energy research and development authority, provided that the state
3	fire prevention and building code council determines that such advanced
4	energy savings can be achieved while still meeting the cost effective-
5	ness considerations contemplated by this subdivision.
б	3. Notwithstanding any other provision of law, the state fire
7	prevention and building code council in accordance with the mandate
8	under this article shall have exclusive authority among state agencies
9	to promulgate a construction code incorporating energy conservation
10	features and clean energy features, including but not limited to green-
11	house gas reduction. Any other code, rule or regulation heretofore
12	promulgated or enacted by any other state agency, incorporating specific
13	energy conservation and clean energy requirements applicable to the
14	construction of any building, shall be superseded by the code promulgat-
15	ed pursuant to this section. The New York state energy research and
16	development authority shall provide meaningful opportunities for public
17	comment from all segments of the population that will be impacted by
18	the promulgated codes, rules, or regulations, including persons living
19	in disadvantaged communities as identified by the climate justice work-
20	ing group established under section 75-0111 of the environmental conser-
21	vation law.
22	§ 5. Subdivision 5 of section 11-104 of the energy law, as amended by
23	chapter 560 of the laws of 2010, is amended and a new subdivision 6 is
24	added to read as follows:
25	5. The [code shall exempt from such uniform standards and requirements
26	any historic building as defined in section 11-102 of this article]
27 28	state fire prevention and building code council, in consultation with the commissioner of the department of parks, recreation, and historic
20 29	preservation, is authorized to provide exemptions to such uniform stand-
30	ards and requirements for historic buildings as defined in section
31	11-102 of this article, to the extent that the uniform standards and
32	requirements would threaten, degrade, or destroy the historic form,
33	fabric, or function of such historic buildings.
34	6. To the fullest extent feasible, the code shall require new
35	construction statewide to have zero onsite greenhouse gas emissions no
36	later than the year two thousand twenty-seven to help achieve the
37	state's clean energy and climate agenda, including but not limited to
38	greenhouse gas reduction, set forth within chapter one hundred six of
39	the laws of two thousand nineteen, also known as the New York state
40	climate leadership and community protection act, and as further identi-
41	fied by the New York state climate action council established pursuant
42	to section 75-0103 of the environmental conservation law.
43	§ 6. The article heading of article 16 of the energy law, as added by
44	chapter 431 of the laws of 2005, is amended to read as follows:
45	APPLIANCE AND EQUIPMENT [ENERGY] EFFICIENCY STANDARDS
46 47	§ 7. Subdivision 4-a of section 16-102 of the energy law, as added by chapter 222 of the laws of 2010, is amended to read as follows:
47 48	4-a. ["Bottle-type water dispenser" means a water dispenser that uses
49	a bottle or reservoir as the source of potable water. The following
50	definitions refer to water coolers:
51	(a) "Bottle-type" means a water dispenser that uses a bottle or reser-
52	voir as the source of potable water.
53	(b) "Water cooler" means a freestanding device that consumes energy to
54	cool and/or heat potable water.
55	(c) "Cold only units" means units that dispense cold water only.

1	(d) "Hot and cold units" means units that dispense both hot and cold
2	water. Some units may also offer room-temperature water.
3	(e) "Cook and cold units" means units that dispense both cold and
4	room-temperature water.
5	(f) "Point of use (POU)" means the water cooler is connected to a
б	pressurized water source.
7	(q) "Conversion-type" means a unit that ships as either bottle-type or
8	POU and includes a conversion kit intended to convert the water cooler
9	from a bottle-type unit to a POU unit or to convert a POU unit to a
10	bottle-type unit.
11	(h) "Storage-type" means thermally conditioned water is stored in a
12	tank in the water cooler and is available instantaneously.
13	(i) "On demand" means the water cooler heats water as it is requested,
14	which typically takes a few minutes to deliver.
15	§ 8. Subdivision 11 of section 16-102 of the energy law, as added by
16	chapter 431 of the laws of 2005, is amended to read as follows:
17	11. "Consumer audio and video product" means [televisions,] <u>a mains-</u>
18	connected product that amplifies audio, offers optical, disc player
19	functionality, and/or receives and plays audio and/or video content.
20	Examples of consumer audio and video products include compact audio
21	products, digital versatile disc players, digital versatile disc record-
22	ers, [and] digital television adapters and streaming media players.
23	Televisions are specifically excluded from consumer audio and video
23 24	products.

4	§ 11. Subdivision 29-a of section 16-102 of the energy law, as added
5	by chapter 222 of the laws of 2010, is amended to read as follows:
6	29-a. "[Residential] Replacement dedicated-purpose pool pump motor"
7	means [a product which is designed or used to circulate and filter resi-
8	dential swimming pool water in order to maintain clarity and sanitation
9	and which consists in part of a motor and an impeller] an electric motor
10	that:
11	(a) is single-phase or polyphase;
12	(b) has a dedicated purpose pool pump motor total horsepower of less
	than or equal to five horsepower;
13	
14	(c) is marketed for use as a replacement motor in self-priming pool
15	filter pump, non-self-priming pool filter pump or pressure cleaner
16	booster pump applications; and
17	(d) excludes polyphase replacement dedicated-purpose pool pump motors
18	capable of operating without a drive, and is sold or offered for sale
19	without a drive that converts single-phase power to polyphase power.
20	$\S$ 12. Subdivision 33 of section 16-102 of the energy law, as added by
21	chapter 431 of the laws of 2005, is amended to read as follows:
22	33. "Television (TV)" means [a commercially available electronic prod-
23	uct consisting of a tuner/receiver and a monitor encased in a single
24	housing, which is ] an analog or digital device primarily designed to
25	receive and display [an analog or digital video television signal broad-
26	cast by an antenna, satellite, cable, or broadband source] terrestrial,
27	satellite, cable, Internet Protocol TV (IPTV), or other broadcast or
28	recorded transmissions of analog or digital video and audio signals. TVs
29	include combination TVs, television monitors, component TVs, and any
30	unit that is marketed to the consumer as a TV. "Television" does not
31	include [multifunction TVs which have VCR, DVD, DVR, or EPC functions]
32	<u>computer monitors</u> .
33	§ 13. Section 16-102 of the energy law is amended by adding thirty-
34	eight new subdivisions 18-a, 18-b, 21-c, 21-d, 38, 39, 40, 41, 41-a, 42,

37	18-a. "Greenhouse gas" means carbon dioxide, methane, nitrous oxide,
38	hydrofluorocarbons, perfluorocarbons, sulfur hexafluoride, and any other
39	substance emitted into the air that may be reasonably anticipated to
40	cause or contribute to anthropogenic climate change.

"Light Emitting Diode (LED) lamp" means a lamp capable of producing light with Duv between -0.012 and 0.012, and that has an E12, E17, E26, or GU-24 base, including LED lamps that are designed for

light with a correlated color temperature between two thousand two 1 hundred Kelvin and seven thousand Kelvin. 2 3 38. The following definitions refer to air compressors: 4 (a) "Air compressor" means a compressor designed to compress air that 5 has an inlet open to the atmosphere or other source of air, and is made 6 up of a compression element (bare compressor), driver or drivers mechan-7 ical equipment to drive the compressor element, and any ancillary equip-8 ment. 9 "Compressor" means a machine or apparatus that converts different (b) 10 types of energy into the potential energy of gas pressure for displace-11 ment and compression of gaseous media to any higher-pressure values above atmospheric pressure and has a pressure ratio at full-load operat-12 ing pressure greater than 1.3. 13 14 39. The following definitions refer to air purifiers: 15 (a) "Air purifier", also known as "room air cleaner", means an elec-16 tric, cord-connected, portable appliance with the primary function of 17 removing particulate matter from the air and which can be moved from 18 room to room. (b) "Industrial air purifier" means an indoor air cleaning device 19 20 manufactured, advertised, marketed, labeled, and used solely for indus-21 trial use that are marketed solely through industrial supply outlets or businesses and prominently labeled as "Solely for industrial use. Poten-22 tial health hazard: emits ozone." 23 40. "Commercial dishwasher" means a machine designed to clean and 24 25 sanitize plates, pots, pans, glasses, cups, bowls, utensils, and trays by applying sprays of detergent solution (with or without blasting media 26 27 granules) and a sanitizing rinse and is not a "compact dishwasher" or "standard dishwasher" (capacity less than eight place settings plus six 28 serving pieces as specified in ANSI/AHAM DW-1 using the test load speci-29 30 fied in section 2.7 of appendix C in subpart B of 10 CFR 430.2). 31 41. "Commercial fryer" means an appliance for non-residential use, 32 including a cooking vessel, in which oil is placed to such a depth that 33 the cooking food is essentially supported by displacement of the cooking fluid rather than by the bottom of the vessel. Heat is delivered to the 34 35 cooking fluid by means of an immersed electric element of band-wrapped 36 vessel (electric fryers) or by heat transfer from gas burners through either the walls of the fryer or through tubes passing through the cook-37 38 ing fluid (gas fryers). 39 41-a. "Commercial oven" means a chamber designed for heating, roasting, or baking food by conduction, convection, radiation, and/or elec-40 tromagnetic energy. 41 42 42. "Commercial steam cooker" also known as "compartment steamer", 43 means a device for non-residential use with one or more food-steaming 44 compartments in which the energy in the steam is transferred to the food by direct contact. Models may include countertop models, wall-mounted 45 models, and floor models mounted on a stand, pedestal, or cabinet-style 46 47 base. 48 "Commercial hot food holding cabinet" means a heated, fully 42-a. 49 enclosed compartment, with one or more solid or partial glass doors, that is designed to maintain the temperature of hot food that has been 50 cooked in a separate appliance. "Commercial hot food holding cabinet" 51 52 does not include heated glass merchandising cabinets, drawer warmers or 53 cook-and-hold appliances. 54 43. "Computer" means a device that performs logical operations and processes data. A computer includes both stationary and portable units 55 56 and includes a desktop computer, a portable all-in-one, a notebook

1	computer, a mobile gaming system, a high-expandability computer, a
2	small-scale server, a thin client, and a workstation. Although a comput-
3	er is capable of using input devices and displays, such devices are not
4	required to be included with the computer when the computer is shipped.
5	A computer is composed of, at a minimum, (a) a central processing unit
6	(CPU) to perform operations or, if no CPU is present, then the device
7	must function as a client gateway to a server, and the server acts as a
8	computational CPU; (b) the ability to support user input devices such as
9	a keyboard, mouse, or touch pad; and (c) an integrated display screen or
10	the ability to support an external display screen to output information.
11	The term "computer" does not include a tablet, a game console, a tele-
12	vision, a device with an integrated and primary display that has a
13	screen size of twenty square inches or less, a server other than a
14	small-scale server, or an industrial computer.
15	43-a. "Computer monitor" means an analog or digital device of size
16	greater than or equal to seventeen inches and less than or equal to sixty-one inches, that has a pixel density of greater than five thousand
17 10	pixels per square inch, and that is designed primarily for the display
18 19	of computer-generated signals for viewing by one person in a desk-based
20	environment. A computer monitor is composed of a display screen and
20	associated electronics. A computer monitor does not include, (a)
22	displays with integrated or replaceable batteries designed to support
23	primary operation without AC mains or external DC power (e.g. electronic
24	readers, mobile phones, portable tablets, battery-powered digital
25	picture frames); or (b) a television or signage display.
26	44. "General service lamp" shall include the following definitions:
27	(a) "Compact fluorescent lamp (CFL)" means an integrated or non-inte-
28	grated single-base, low-pressure mercury, electric-discharge source in
29	which a fluorescing coating transforms some of the ultraviolet energy
30	generated by the mercury discharge into light; this term shall not
31	<u>include circline or U-shaped lamps.</u>
32	(b) "General service incandescent lamp" means a standard incandescent
33	or halogen type lamp that is intended for general service applications,
34	has a medium screw base, has a lumen range of not less than three
35	hundred ten lumens and not more than two thousand six hundred lumens, or
36	in the case of a modified spectrum lamp, not less than two hundred thir-
37	ty-two lumens and not more than one thousand nine hundred fifty lumens,
38	and is capable of being operated at a voltage range at least partially
39	within one hundred ten and one hundred thirty volts; provided, however,
40	that this definition shall not apply to the following incandescent
41	lamps:
42	(i) Appliance lamps;
43	(ii) Black light lamps;
44 45	(iii) Bug lamps;
45 46	(iv) Colored lamps; (v) G shape lamps (as defined in ANSI C78.20 and C79.1-2002) with a
40 47	diameter of five inches or more;
47 48	(vi) Infrared lamps;
40 49	(vii) Left-hand thread lamps;
50	(viii) Marine lamps;
51	(ix) Marine signal service lamps;
52	(x) Mine service lamps;
53	(xi) Plant light lamps;
54	(xii) Reflector lamps;
55	(xiii) Sign service lamps;
56	(xiv) Silver bowl lamps;
-	

1	
1	(xv) Showcase lamps;
2	(xvi) Rough service lamps;
3 4	(xvii) Shatter-resistant lamps (including shatter-proof lamps and shatter-protected lamps);
5	(xviii) 3-way incandescent lamps;
6	(xix) Vibration service lamps;
7	(xx) AB, BA, CA, F, G16-1/2, G-25, G30, S, or M-14 lamps (as defined
8	in ANSI C79.1-2002 and ANSI C78.20) of forty watts or less;
9	(xxi) T shape lamps (as defined in ANSI C78.20 and ANSI C79.1-2002)
10	and that uses not more than forty watts or has a length of more than ten
11	inches; and
12	(xxii) Traffic signal lamps.
13	(c) "General service lamp" means a lamp that has an ANSI base, is able
14	to operate at a voltage of twelve volts or twenty-four volts, at or
15	between one hundred to one hundred thirty volts, at or between two
16	hundred twenty to two hundred forty volts, or of two hundred seventy-
17	seven volts for integrated lamps, or is able to operate at any voltage
18	for non-integrated lamps, has an initial lumen output of greater than or
19	equal to three hundred ten lumens (or two hundred thirty-two lumens for
20	modified spectrum general service incandescent lamps) and less than or
21	equal to three thousand three hundred lumens, is not a light fixture, is
22	not an LED downlight retrofit kit, and is used in general lighting
23	applications. General service lamps shall include, but not be limited
24	to, general service incandescent lamps, incandescent reflector lamps,
25	<u>compact fluorescent lamps, general service light emitting diode lamps,</u>
26	and general service organic light emitting diode lamps. General service
27	lamps shall not include:
28	(i) Appliance lamps;
29	(ii) Black light lamps;
30	<u>(iii) Bug lamps;</u>
31	(iv) Colored lamps;
32	(v) G shape lamps with a diameter of five inches or more as defined in
33	<u>ANSI C79.1-2002;</u>
34	(vi) General service fluorescent lamps;
35	(vii) High intensity discharge lamps;
36	(viii) Infrared lamps;
37	(ix) J, JC, JCD, JCS, JCV, JCX, JD, JS, and JT shape lamps that do not
38	have Edison screw bases;
39	(x) Lamps that have a wedge base or prefocus base;
40	(xi) Left-hand thread lamps;
41	(xii) Marine lamps;
42	(xiii) Marine signal service lamps;
43	(xiv) Mine service lamps;
44	(xv) MR shape lamps that have a first number symbol equal to sixteen
45 46	(diameter equal to two inches) as defined in ANSI C79.1-2002, operate at
40 47	twelve volts and have a lumen output greater than or equal to 800; (xvi) Other fluorescent lamps;
47 48	(xvi) Plant light lamps;
40 49	(xviii) R20 short lamps;
49 50	(xix) Reflector lamps that have a first number symbol less than
51	sixteen (diameter less than two inches) as defined in ANSI C79.1-2002
52	and that do not have $E26/E24$ , $E26d$ , $E26/50x39$ , $E26/53x39$ , $E29/28$ ,
53	E29/53x39, $E39$ , $E39d$ , $EP39$ , or $EX39$ bases;
54	(xx) S shape or G shape lamps that have a first number symbol less
55	than or equal to 12.5 (diameter less than or equal to 1.5625 inches) as
56	defined in ANSI C79.1-2002;

1	<u>(xxi) Sign service lamps;</u>
2	(xxii) Silver bowl lamps;
3	(xxiii) Showcase lamps;
4	(xxiv) Specialty MR lamps;
5	(xxv) T shape lamps that have a first number symbol less than or equal
б	to 8 (diameter less than or equal to one inch) as defined in ANSI
7	C79.1-2002, nominal overall length less than twelve inches, and that are
8	not compact fluorescent lamps; and
9	(xxvi) Traffic signal lamps.
10	(d) "General service light-emitting diode (LED) lamp" means an inte-
11	grated or non-integrated LED lamp designed for use in general lighting
12	applications and that uses light-emitting diodes as the primary source
13	of light.
14	(e) "General service organic light-emitting diode (OLED) lamp" means a
15	thin-film light-emitting device that typically consists of a series of
16	organic layers between two electrical contacts (electrodes).
17	(f) "Incandescent reflector lamp" or "reflector lamp" means any lamp
18	in which light is produced by a filament heated to incandescence by an
19	electric current, which: contains an inner reflective coating on the
20	outer bulb to direct the light; is not colored; is not designed for
21	rough or vibration service applications; is not an R20 short lamp; has
22	an R, PAR, ER, BR, BPAR, or similar bulb shapes with an E26 medium screw
23	base; has a rated voltage or voltage range that lies at least partially
24	in the range of one hundred fifteen and one hundred thirty volts; has a
25	diameter that exceeds 2.25 inches; and has a rated wattage that is forty
26	watts or higher.
27	45. "Federally exempt fluorescent lamp" means any linear lamps
28	excluded from the definition of general service fluorescent lamps in 10
29	CFR 430.32(n). Federally exempt fluorescent lamps include high-CRI line-
30	ar fluorescent lamps, impact-resistant linear fluorescent lamps, cold-
31	temperature linear fluorescent lamps, and less than four-foot linear
32	fluorescent lamps.
33	46. The following definitions refer to portable air conditioners:
34	(a) "Portable air conditioner" means a portable encased assembly,
35	other than a packaged terminal air conditioner, room air conditioner, or
36	dehumidifier, that delivers cooled, conditioned air to an enclosed
37	space, and is powered by single-phase electric current. Such portable
38	air conditioner includes a source of refrigeration and may include addi-
39	tional means for air circulation and heating and may be a single-duct or
40	a dual-duct portable air conditioner.
41	(b) "Single-duct portable air conditioner" means a portable air condi-
42	tioner that draws all of the condenser inlet air from the conditioned
43	space without the means of a duct and discharges the condenser outlet
44	air outside the conditioned space through a single-duct attached to an
45	adjustable window bracket.
46	(c) "Dual-duct portable air conditioner" means a portable air condi-
47	tioner that draws some or all of the condenser inlet air from outside
48	the conditioned space through a duct attached to an adjustable window
49 50	bracket, may draw additional condenser inlet air from the conditioned space, and discharges the condenser outlet air outside the conditioned
50 E 1	
51 52	space by means of a separate duct attached to an adjustable window
52 53	<u>bracket.</u> <u>46-a. "Residential ventilating fan" means a fan with the purpose to</u>
53 54	actively supply air to or remove air from the inside of a residence.
54 55	This includes ceiling and wall-mounted fans or remotely mounted in-line
55 56	fans designed to be used in a bathroom or utility room, supply fans
50	Tamp approved to be used in a bachitoom of attiticy foom, supply fails

1	designed to provide air to indoor space and kitchen range hoods. Supply
1 2	fans may also be designed to filter incoming air.
3 ⊿	47. "Telephone" means an electronic product whose primary purpose is
4 5	to transmit and receive sound over a distance using a voice or data
	<u>network.</u>
6	48. The following definitions refer to faucets and showerheads:
7	(a) "Faucet" means a lavatory faucet, kitchen faucet, metering faucet,
8	public lavatory faucet, or replacement aerator for a lavatory, public
9	lavatory or kitchen faucet.
10	(b) "Public lavatory faucet" means a fitting intended to be installed
11	in nonresidential bathrooms that are exposed to walk-in traffic.
12	(c) "Metering faucet" means a faucet that, when turned on, will gradu-
13	ally shut itself off over a period of several seconds.
14	(d) "Replacement aerator" means an aerator sold as a replacement,
15	separate from the faucet to which it is intended to be attached.
16	(e) "Showerhead" means a device through which water is discharged for
17	a shower bath and includes a hand-held showerhead but does not include a
18	safety shower showerhead.
19	(f) "Hand-held showerhead" means a showerhead that can be held or
20	fixed in place for the purpose of spraying water onto a bather and that
21	is connected to a flexible hose.
22	49. The following definitions refer to urinals and water closets:
23	(a) "Plumbing fixture" means an exchangeable device, which connects to
24	a plumbing system to deliver and drain away water and waste.
25	(b) "Urinal" means a plumbing fixture that receives only liquid body
26	waste and, conveys the waste through a trap into a drainage system.
27	(c) "Water closet" means a plumbing fixture having a water-containing
28	receptor that receives liquid and solid body waste through an exposed
29	integral trap into a drainage system.
30	(d) "Dual-flush effective flush volume" means the average flush volume
31	of two reduced flushes and one full flush.
32	(e) "Dual-flush water closet" means a water closet incorporating a
33	feature that allows the user to flush the water closet with either a
34	reduced or a full volume of water.
35	(f) "Trough-type urinal" means a urinal designed for simultaneous use
36	by two or more persons.
37	50. The following definitions refer to spray sprinkler bodies:
38	(a) "Pressure regulator" means a device that maintains constant oper-
30 39	ating pressure immediately downstream from the device, given higher
40	pressure upstream.
41	(b) "Spray sprinkler body" means the exterior case or shell of a
42	sprinkler incorporating a means of connection to the piping system
43	designed to convey water to a nozzle or orifice.
44	51. "Uninterruptable power supply" means a battery charger consisting
45	of a combination of convertors, switches and energy storage devices
46	(such as batteries), constituting a power system for maintaining conti-
47	nuity of load power in case of input power failure.
48	52. "Commercial battery charger system (BCS)" or "state-regulated BCS"
49	means a battery charger coupled with its batteries or battery chargers
50	coupled with their batteries, which together are referred to as state-
51	regulated battery charger systems. This term covers all rechargeable
52	batteries or devices incorporating a rechargeable battery and the char-
53	gers used with them. Battery charger systems include, but are not
54	limited to:

1	(a) electronic devices with a battery that are normally charged from
2	AC line voltage or DC input voltage through an internal or external
3	power supply and a dedicated battery charger;
4	(b) the battery and battery charger components of devices that are
5	designed to run on battery power during part or all of their operations;
б	(c) dedicated battery systems primarily designed for electrical or
7	emergency backup; and
8	(d) devices whose primary function is to charge batteries, along with
9	the batteries they are designed to charge. These units include chargers
10	for power tool batteries and chargers for automotive, AA, AAA, C, D, or
11	9V rechargeable batteries, as well as chargers for batteries used in
12	larger industrial motive equipment and a la carte chargers.
13	The charging circuitry of battery charger systems may or may not be
14	located within the housing of the end-use device itself. In many cases,
15	the battery may be charged with a dedicated external charger and power
16	supply combination that is separate from the device that runs on power
17	from the battery. State-regulated battery charger systems do not include
18	federally regulated battery chargers that are covered under standards in
19	<u>10 C.F.R. section 430.32(z).</u>
20	53. "Gas fireplace" means a decorative gas fireplace or a heating gas
21	<u>fireplace.</u>
22	(a) "Decorative gas fireplace" means a vented fireplace, including
23	appliances that are freestanding, recessed, zero clearance, or a gas
24	fireplace insert, that is fueled by natural gas or propane, is marked
25	for decorative use only, and is not equipped with a thermostat or
26	intended for use as a heater.
27	(b) "Heating gas fireplace" means a vented fireplace, including
28	appliances that are freestanding, recessed, zero clearance, or a gas
29	fireplace insert, that is fueled by natural gas or propane and is not a
30	<u>decorative fireplace</u>
31	54. "Manufactured home" has the meaning ascribed to that term by
32	subdivision seven of section six hundred one of the executive law.
33	55. "Recreational vehicle" means a van or utility vehicle used for
34	recreational purposes.
35	56. "Uniform code" means the New York state uniform fire prevention
36	and building code adopted pursuant to article eighteen of the executive
37	law.
38	57. "Energy code" means the New York state energy conservation
39	construction code adopted pursuant to article eleven of this chapter.
40	58. "Electric vehicle supply equipment (EVSE)" means equipment that
41	supplies electricity in an appropriate form to storage devices, includ-
42	ing batteries and super capacitators, that are part of electric vehi-
43	cles. Such term shall include equipment that performs this function and
44	equipment that is embedded in electric vehicles.
45	59. "Electric vehicle" means an on-road vehicle that draws electricity
46	for propulsion from a traction battery with a least five kilowatt-hours
47	(kWh) of capacity, and uses an external source of energy to recharge the
48	battery. Such term shall include a plug-in hybrid electric vehicle
49	(PHEV) with a second source of energy for propulsion, and a battery
50	electric vehicle (BEV), which is powered solely by externally supplied
51	electricity stored on-board such electric vehicle.
52	60. "Commercial clothes dryer" means a clothes dryer designed to dry
53	fabrics in a tumble-type drum with forced air circulation and is
54	designed for use in:

1	(a) Applications in which the occupants of more than one household
2	
2	will be using the clothes dryer, including multi-family housing common
3	areas and coin laundries; or
4	(b) Other commercial applications.
5	61. "Commercial and industrial fans and blowers" means a rotary-bladed
6	machine used to convert power to air power, with a brake horsepower
7	greater than or equal to either one kilowatt or one horsepower, and an
8	air horsepower less than or equal to one hundred fifty, and used for
9	commercial and industrial purposes.
10	62. "Imaging equipment" means copiers, printers, scanners, fax
11	machines, and multifunction devices used both in homes and businesses.
12	63. "Landscape irrigation controller" means a device intended to
13	remotely control valves to operate an irrigation system for landscapes,
14	which may consist of grass, shrubs, trees and/or other vegetation. This
15	term shall not include devices that are typically sold separately and
16	used primarily for other purposes, such as a network router, and may be
17	used incidentally for a landscape irrigation controller. This term shall
	not include battery powered hose-end timers or devices used primarily in
18	
19	agricultural applications.
20	64. "Outdoor lighting" means electrical lighting used to illuminate
21	outdoor areas, including parking lots, streetlights, highways and area
22	luminaires.
23	65. "Plug-in luminous signs" means a self-contained, luminous sign
24	unit that plugs into 120V AC building mains power and is intended for
25	indoor use only. Signs may be intended for use in commercial outlets in
26	<u>business establishments or in residences.</u>
27	66. "Small network equipment" means a device whose primary function is
28	to pass internet protocol (IP) traffic among various network interfaces
29	or ports intended for use in residential and small business settings.
30	67. "Tub spout diverters" means the following definitions:
31	(a) A bath and shower diverter whose diverter mechanism is located in
32	the tub spout; and/or
33	(b) Bath and shower diverter means a device used to direct the flow of
34	
	water either toward a tup spoul of toward a secondary outret intended

commercial dishwashers; (w) commercial fryers; (x) commercial steam 1 cookers; (y) computers and computer monitors; (z) general service lamps; 2 (aa) federally exempt fluorescent lamps; (bb) portable air conditioners; 3 4 (cc) residential ventilating fans; (dd) telephones; (ee) faucets; (ff) 5 showerheads; (gg) urinals; (hh) water closets; (ii) sprinkler bodies; 6 (jj) uninterruptable power supplies; (kk) light emitting diode lamps; 7 (11) electric vehicle supply equipment; (mm) commercial battery charger systems; (nn) commercial ovens; (oo) commercial clothes dryers; (pp) 8 9 commercial and industrial fans and blowers; (qq) imaging equipment; (rr) 10 landscape irrigation controllers; (ss) outdoor lighting; (tt) plug-in 11 luminous signs; (uu) small network equipment; (vv) tub spout diverters; 12 (ww) commercial hot food holding cabinets; (xx) gas fireplaces; (yy) products for which efficiency standards shall have been established 13 pursuant to paragraph (b) or (c) of subdivision one of section 16-106 of 14 15 this article; and (zz) products that are subject to any federal efficiency standard referred to in section 16-105 of this article that shall 16 17 have been adopted in this state pursuant to such section 16-105. 18 2. No person shall sell[ $\tau$ ] or offer for sale, lease or offer to lease, 19 or rent or offer to rent, or install or offer to install in New York 20 state any new product of the types enumerated in paragraphs (a) through 21 (xx) of subdivision one of this section, or any [of the] new [products 22 identified product for which efficiency standards shall have been established pursuant to paragraph (b) or (c) of subdivision [four] one 23 of section 16-106 of this article, [unless: (a) the product meets mini-24 25 mum energy performance standards adopted pursuant to this article upon the effective date of such standards; and, if required by regulations 26 27 promulgated] or any new product that is subject to any federal efficiency standard that shall have been adopted in this state pursuant to 28 [this] section[, (b) the manufacturer of such product certifies that the 29 30 product meets said minimum energy performance standards.] 16-105 of this 31 article, unless: 32 (a) the product meets the efficiency standards applicable to such 33 product as of the date of manufacture of such product or as of such 34 other date as may be determined in accordance with the regulation estab-35 lishing the standard for such product; and 36 (b) if required by regulations adopted pursuant to this article, the 37 manufacturer of such product certifies that the product meets said effi-38 ciency standards. As used within this subdivision, reference to any new 39 product means any individual product subject to the requirements of this 40 <u>article.</u> 3. The prohibitions contained in [<del>subdivisions one and</del>] <u>subdivision</u> 41 42 two of this section shall not apply to: 43 (a) products manufactured in the state and sold outside the state; 44 (b) products manufactured outside the state and sold at wholesale 45 inside the state for final retail sale outside the state; 46 (c) products installed in [mobile] manufactured homes at the time of 47 construction; [<del>or</del>] 48 (d) products designed expressly for installation and use in recre-49 ational vehicles[-]; or 50 (e) urinals and water closets designed and marketed exclusively for 51 use at prisons or mental health care facilities. 52 § 15. The energy law is amended by adding a new section 16-105 to read 53 as follows: 54 16-105. Adoption of certain federal efficiency standards. 1. The S 55 federal efficiency standard established in 10CFR Parts 430 and 431, as 56 in effect on January first, two thousand eighteen shall be applicable to

1	products which are subject to such federal efficiency standards and
2	which are sold, offered for sale, or installed in New York state. So
3	long as such federal efficiency standards remain in effect as federal
4	efficiency standards, they shall be enforced as provided by federal law.
5	2. If any federal efficiency standard referred to in subdivision one
6	of this section is withdrawn, repealed, voided, or otherwise ceases to
7	remain in effect as a federal efficiency standard:
8	(a) such efficiency standard shall be deemed to be continued in this
9	state and shall be deemed to be an efficiency standard adopted pursuant
10	to this article;
11	(b) the president shall file with the secretary a written description
12	of such efficiency standard, the terms and conditions of such efficiency
13	standard, and the product or products that are subject to such efficien-
14	cy standard, such description to be in a format consistent with the
15	regulations adopted pursuant to this article and in form acceptable to
16	the secretary, together with a certificate, in form acceptable to the
17	secretary, signed and dated by the president and certifying that such
18 19	efficiency standard is no longer in effect as a federal efficiency stan- dard, that such efficiency standard continues in effect in this state
20	pursuant to this section, and that such efficiency standard is adopted
21	pursuant to this section; and that such efficiency standard is adopted
22	(c) the secretary shall cause such written description and certif-
23	ication to be published in the state register, and shall cause the offi-
24	cial compilation of codes, rules and regulations of the state of New
25	York to include such written description;
26	(d) the president shall be authorized to adopt regulations establish-
27	ing procedures for testing the energy reduction, water conservation,
28	greenhouse gas reduction, and/or increased demand flexibility associated
29	with such product. In adopting the flexible demand appliance standards,
30	the New York state energy research and development authority shall
31	consider the National Institute of Standards and Technology's reliabil-
32	ity and cybersecurity protocols, relevant New York cybersecurity laws,
33	regulations, and advisories, or other cybersecurity protocols that are
34	equally or more protective, and shall adopt, at a minimum, the North
35	American Electric Reliability Corporation's Critical Infrastructure
36	Protection standards;
37	(e) the president shall be authorized to adopt regulations establish-
38	ing procedures for manufacturers of such product to certify that such
39	product meets such efficiency standard, if the president determines that
40	such manufacturer's certifications should be required; and
41	(f) the president shall be authorized to adopt regulations amending
42	such efficiency standard from time to time, including regulations that
43	repeal such efficiency standard or increase the stringency of such effi-
44	ciency standard.
45	3. The actions to be taken pursuant to paragraphs (b) and (c) of
46	subdivision two of this section to confirm that a federal efficiency
47	standard that shall have been withdrawn, repealed, voided, or that
48 49	otherwise shall have ceased to remain in effect as a federal efficiency standard, continues to be applicable in this state, and is adopted
49 50	pursuant to this section, shall be exempt from the provisions of the
51	state administrative procedure act, and the certification to be filed
52	pursuant to paragraph (c) of subdivision two of this section shall so
53	state.
54	4. This section shall not apply to any federal efficiency standard set
55	aside by a court upon the petition of a person who will be adversely
55	

56 affected, as provided in 42 U.S.C. § 6306(b).

§ 16. Section 16-106 of the energy law, as added by chapter 431 of the 1 laws of 2005, paragraph (c) of subdivision 2 as added by chapter 222 of 2 3 the laws of 2010 and subdivision 4 as amended by chapter 69 of the laws 4 of 2020, is amended to read as follows: 5 § 16-106. [Administration of article] Powers and duties of the presi-6 dent and the secretary. 1. The [secretary, in consultation with the] 7 president[7] in consultation with the secretary shall have and be enti-8 tled to exercise the following powers and duties: 9 (a) To [establish energy] adopt regulations establishing efficiency [performance] standards for the products listed in paragraphs (a) 10 through (xx) of subdivision one of section 16-104 of this article, 11 12 including but not limited to, establishing [energy] efficiency [performance] standards for power supplies in the active mode and no-load mode 13 14 or other such products while in the active mode and in the standby-pas-15 sive-mode[-16 (b) To promulgate regulations to achieve the purposes of this article provided however that no energy efficiency performance standard shall become effective for a product less than one hundred eighty days after 17 18 it shall become final, provided, however, that no standard adopted pursuant to this article shall go into effect if federal government 19 20 21 energy efficiency performance standards regarding such product preempt 22 state standards unless preemption has been waived pursuant to federal 23 law; 24 (c) To administer and enforce the provisions of this article and any rule or regulation promulgated thereunder or order issued pursuant ther-25 26 eto; 27 (d) To order, pursuant to section 16-104 of this article, the immedi-28 ate cessation of any distribution, sale or offer for sale, import or installation of any product for which the secretary, in consultation 29 with the president, determines that the certification of such product 30 31 listed in subdivision one of section 16-104 of this article was achieved 32 in violation of section 16-108 of this article]; 33 (b) To adopt regulations establishing efficiency standards for products other than motor vehicles not specifically listed in paragraphs 34 35 (a) through (xx) of subdivision one of section 16-104 of this article, 36 provided that the president determines that establishing such efficiency 37 standards would serve to promote energy reduction, water conservation, greenhouse gas reduction, and/or increased demand flexibility associated 38 39 with the regulated product categories in this state. Any regulation adopted pursuant to this paragraph may include provisions establishing 40 procedures for testing the efficiency of the covered products and 41 42 provisions establishing procedures for manufacturers of such product to 43 certify that such products meet the efficiency standards, if the presi-44 dent determines that such manufacturer's certifications should be 45 <u>required;</u> 46 (c) To review efficiency standards as adopted from time to time by 47 other states for products other than motor vehicles not listed in paragraphs (a) through (xx) of subdivision one of section 16-104 of this 48 49 article, and to adopt regulations establishing efficiency standards 50 similar to those adopted by any other state for such products, provided 51 that the president determines that establishing such efficiency stand-52 ards would serve to promote energy reduction, water conservation, green-53 house gas reduction, and/or increased demand flexibility associated with the regulated product categories in this state. Any regulation adopted 54 pursuant to this paragraph may include provisions establishing proce-55 56 dures for testing the efficiency of the covered products and provisions

establishing procedures for manufacturers of such product to certify 1 that such products meet the efficiency standards, if the president 2 3 determines that such manufacturer's certifications should be required; 4 (d) To adopt regulations to achieve the purposes of this article 5 through an open and transparent process to provide meaningful opportu-6 nities for public comment from all segments of the population that 7 will be impacted by the promulgated codes, rules, or regulations, 8 including persons living in disadvantaged communities as identified by 9 the climate justice working group established in section 75-0111 of the 10 environmental conservation law; 11 To conduct investigations, test, and obtain data with respect to (e) 12 research experiments and demonstrations, and to collect and disseminate information regarding the purposes to be achieved pursuant to this arti-13 14 cle; 15 (f) To accept grants or funds for purposes of administration and 16 enforcement of this article. Notwithstanding any other provision of law 17 to the contrary, the president is hereby authorized to accept grants or funds, including funds directed through negotiated settlements or 18 consent orders pursuant to this article, and is authorized to establish 19 20 the appliance standards administration account to be administered by the 21 New York state energy research and development authority, in consulta-22 tion with the secretary, and maintained in a segregated account in the custody of the commissioner of taxation and finance. All funds accepted 23 by the president for the purposes of this article shall be deposited in 24 25 the efficiency standards administration account established by the New York state energy research and development authority and maintained in a 26 27 segregated account in the custody of the commissioner of taxation and 28 finance. All expenditures from the efficiency standards administration 29 account pursuant to this article shall be made by the New York state 30 energy research and development authority to carry out studies, investi-31 gations, research, expenses to provide for expert witness, consultant, 32 enforcement, administrative and legal fees, including disbursements to 33 the department of state to support enforcement activities authorized by 34 the secretary pursuant to this section, and other related expenses pursuant to this article. All deposits made to the efficiency standards 35 36 administration account made by the New York state energy research and 37 development authority, all funds maintained in the efficiency standards administration account, and disbursements therefrom, made pursuant to 38 39 this article shall be subject to an annual independent audit as part of 40 such authority's audited financial statements, and such authority shall prepare an annual report summarizing efficiency standards administration 41 42 account balance and activities for each fiscal year ending March thir-43 ty-first and provide such report to the secretary no later than ninety 44 days after commencement of such fiscal year; 45 (g) [To impose a fine and/or impose injunctive relief for any 46 violation of this article after notice and an opportunity to be heard; 47 (h) The secretary and the president shall consult with the appropriate federal agencies, including, but not limited to, the federal department 48 of energy, industry and other potentially affected parties in carrying 49 out the provisions of this article] To consult with the appropriate 50 federal agencies, including, but not limited to, the federal department 51 52 of energy, the federal department of industry and other potentially 53 affected parties in carrying out the provisions of this article; and 54 (h) To conduct investigations, in consultation with the secretary, to 55 determine if products covered by standards adopted pursuant to this article comply with such standards; to conduct tests to determine if 56

products covered by standards adopted pursuant to this article comply 1 with such standards; to prepare written reports of the results of such 2 investigations and tests; to provide such reports to the secretary; in 3 4 consultation with the secretary, to negotiate settlement agreements with 5 any person that violates the provisions of subdivision two of section 6 16-104 of this article, or fails to perform any duty imposed by this 7 article, or violates or fails to comply with any rule, regulation, 8 determination, or order adopted, made, or issued by the president or the 9 secretary pursuant to this article, pursuant to which such person shall 10 agree to cease such violation and to pay such civil penalty as may be 11 specified in such agreement, the terms of which will be incorporated 12 into a consent order signed by such person, the president, and the secretary; to consult with the secretary in connection with determi-13 nations made by the secretary pursuant to paragraph (b) of subdivision 14 15 five of this section; and to cooperate with the secretary in enforcement proceedings conducted by the secretary pursuant to this article. 16 17 1-a. Notwithstanding any other provision of this article, no efficien-18 cy standard adopted pursuant to paragraph (a) of subdivision one of this section shall become effective less than one hundred eighty days after 19 20 publication of the notice of adoption of such standard in the state 21 register; no efficiency standard adopted pursuant to paragraph (b) or 22 (c) of subdivision one of this section shall become effective less than one year after publication of the notice of adoption of such efficiency 23 standard in the state register; no amendment of any efficiency standard 24 25 adopted pursuant to this article or of any efficiency standard continued in this state pursuant to section 16-105 of this article shall become 26 27 effective less than one hundred eighty days after publication of the 28 notice of adoption of such amendment in the state register; and no new 29 or amended efficiency standard, or water conservation standard adopted 30 pursuant to this article shall go into effect if federal government 31 efficiency standards regarding such product preempt state standards 32 unless preemption has been waived pursuant to federal law. 33 2. (a) On or before [<del>June thirtieth</del>] <u>January first</u>, two thousand [<del>six</del>] twenty-three, the [secretary, in consultation with the] president, in 34 consultation with the secretary, shall adopt regulations in accordance 35 36 with the provisions of this article establishing: 37 (i) [energy] efficiency [performance] standards for new products of the types [set forth] referred to in paragraphs (a) through [(n)] (f) 38 39 and paragraphs (h) through (y), paragraphs (aa) through (jj) and paragraphs (mm) through (xx) of subdivision one of section 16-104 of this 40 article[, with the exception of such paragraph (g) (incandescent reflec-41 42 tor lamps)]; 43 (ii) procedures for testing the [energy] efficiency of the new products [covered by] of the types referred to in paragraphs (a) through 44 45 [(n)] (f) and paragraphs (h) through (xx) of subdivision one of section 46 16-104 of this article; 47 (iii) procedures for manufacturers to certify that **new** products 48 [covered under] of the types referred to in paragraphs (a) through (f) 49 and paragraphs (h) through (xx) of subdivision one of section 16-104 of 50 this article meet the [energy] efficiency standards to be [promulgated under this article] adopted pursuant to this article, if the president 51 52 determines that such manufacturer's certifications should be required; and 53 54 (iv) such further matters as are necessary to insure the proper imple-

55 mentation and enforcement of the provisions of this article.

1	(b) With respect to [incandescent reflector lamps, included] the types
2	of products referred to in [paragraph] paragraphs (g), (z) or (kk) of
3	subdivision one of section 16-104 of this article (incandescent reflec-
4	tor lamps, general service lamps, and light emitting diode lamps), the
5	[secretary, in consultation with the] president[,] shall conduct a study
6	by December thirty-first, two thousand twenty-two to determine whether
7	an [ <del>energy</del> ] efficiency [ <del>performance</del> ] standard for such [ <del>product</del> ]
8	products should be established, taking into account factors including
9	the potential impact on electricity usage, product availability and
10	consumer and environmental benefits. If [it is determined] the president
11	determines based on this study that such a standard would reduce energy
12	use and would not be preempted by the federal law, the [secretary, in
13	<b>consultation with the</b> ] president[7] shall adopt regulations in accord-
14	ance with the provisions of this article establishing [energy perform-
15	ance] efficiency standards for such [product on or before January first,
16	two thousand eight] products.
17	[ <del>(b) With respect to the products defined in subdivision seven of</del>
18	section 16-102 of this article (very large commercial package air condi-
19	tioning and heating equipment), subdivision nine of section 16-102 of
20	this article (commercial refrigerators, freezers and refrigerator-freez-
21	ers), subdivision twenty-three of section 16-102 of this article (metal
22	halide lamp fixtures) and subdivision three of section 16-102 of this
23	article ( automatic commercial ice-cube makers), the secretary shall
24	issue regulations pursuant to paragraph a of this subdivision establish-
25	ing energy efficiency performance standards for such products at the
26	following levels and with the following compliance dates:
27	(i) very large commercial package air conditioning and heating equip-
28	ment. Each very large commercial package air conditioning and heating
29	equipment sold, offered for sale or installed in New York state on or
30	after January first, two thousand ten shall, when tested according to
31	the test standard specified in Air-Conditioning and Refrigeration Insti-
32	tute standard 340/360-2004, meet the following standards:
33	(A) The minimum energy efficiency ratio of air-cooled central air
34	conditioners at or above two hundred forty thousand BTU per hour (cool-
35	ing capacity) and less than seven hundred sixty thousand BTU per hour
36	(cooling capacity) shall be
37	(I) 10.0 for equipment with no heating or electric resistance heating
38	and;
39	(II) 9.8 for equipment with all other heating system types that are
40	integrated into the equipment (at a standard rating of ninety-five
41	degrees Fahrenheit dB).
42	(B) the minimum energy efficiency ratio of air-cooled central air
43	conditioner heat pumps at or above two hundred forty thousand BTU per
44	hour (cooling capacity) and less than seven hundred sixty thousand BTU
45	<del>per hour (cooling capacity) shall be</del>
46	(I) 9.5 for equipment with no heating or electric registance heating;
47	and
48	(II) 9.3 for equipment with all other heating system types that are
49	integrated into the equipment (at a standard rating of ninety-five
50	degrees Fahrenheit dB).
51	(C) the minimum coefficient of performance in the heating mode of
52	air-cooled central air conditioning heat pumps at or above two hundred
53	forty thousand BTU per hour (cooling capacity) and less than seven
54	hundred sixty thousand BTU per hour (cooling capacity) shall be 3.2 (at

55 a high temperature rating of forty-seven degrees Fahrenheit dB);

(ii) commercial refrigerators and freezers. (A) Each commercial 1 refrigerator, freezer, and refrigerator-freezer with a self-contained 2 3 condensing unit designed for holding temperature applications sold, 4 offered for sale or installed in New York state on or after January 5 first, two thousand ten shall have a daily energy consumption (in kilo-6 watt hours per day) not to exceed: 7 (I) refrigerators with solid doors 0.10 V + 2.04 8 (II) refrigerators with transparent doors 0.12 V + 3.34 9 (III) freezers with solid doors 0.40 V + 1.38 10 (IV) freezers with transparent doors 0.75 V + 4.10 11 (V) refrigerators/freezers with solid doors thegreater -of + 12 0.27AV-0.71 or 0.70. (B) Each commercial refrigerator with a self-contained condensing unit 13 14 designed for pull-down temperature applications sold, offered for sale 15 or installed in New York state on or after January first, two thousand ten shall have a daily energy consumption (in kilowatt hours per day) 16 17 not to exceed: refrigerators with transparent doors 0.126 V + 3.51. (iii) metal halide lamp fixtures. Each metal halide lamp fixture that 18 sold, offered for sale or installed in New York state on or after 19 20 January first, two thousand eight and that operates a lamp in a vertical position (including fixtures that operate lamps rated for use within 21 fifteen degrees of vertical) and that is capable of operating lamps 22 rated equal to or greater than one hundred fifty Watts and less than or 23 equal to five hundred Watts shall not contain a probe start metal-halide 24 25 ballast. (iv) automatic commercial ice-cube maker. Each automatic commercial 26 27 ice-cube maker, that produces cube-type ice with capacities between fifty and two thousand five hundred pounds per twenty-four hour period 28 sold, offered for sale or installed in New York state on or after Janu-29 30 ary first, two thousand ten, when tested according to the test standard 31 specified in air-conditioning and refrigeration institute standard 810-32 2003, as in effect on January first, two thousand five, shall meet the 33 following standard levels: 34 (A) H means the harvest rate in pounds per twenty-four hours. For 35 water-cooled equipment, water use is for the condenser only and does not 36 include potable water used to make ice. 37 (B) For ice making head water-cooled equipment the maximum condenser water use in gal/one hundred pounds of ice shall be 200-0.022H and the 38 maximum energy use with a harvest rate of: 39 (I) < 500 shall be 7.8-0.0055H; 40 41 (II) 500 and < 1,436 shall be 5.58-0.0044H 42 (III) 1,436 and < 2,500 shall be 4.0 43 (C) For ice making head air-cooled equipment the maximum energy use 44 with a harvest rate of: 45 (I) < 450 shall be 10.26-0.0086H; 46 (II) 450 and < 2,500 shall be 6.89-0.0011H 47 (D) For remote condensing but not remote compressor air-cooled equip-48 ment the maximum energy use with a harvest rate of: 49 (I) < 1,000 shall be 8.85 - 0.0038H; 50 (II) 1,000 and < 2,500 shall be 5.10 51 (E) For remote condensing and remote compressor air cooled equipment 52 the maximum energy use with a harvest rate of: (I) < 934 lbs shall be 8.85 - 0.0038H; 53 54 (II) 934 and < 2,500 shall be 5.3

(F) For self-contained water-cooled equipment the maximum 1 -condenser water use in gal/100 lbs of Ice shall be 191 - 0.0315H and the maximum 2 3 energy use with a harvest rate of: (I) < 200 shall be 0.019H; 4 (II) 200 and < 2,500 shall be 7.6 5 б (C) For self-contained air-cooled equipment the maximum energy use 7 with a harvest rate of: 8 (I) < 175 shall be 18.0 - 0.0469H (II) 175 and < 2,500 shall be 9.8 9 10 (a) On or before December thirty-first, two thousand ten, the secretary, in consultation with the president, shall adopt regulations in 11 12 accordance with the provisions of this article establishing: (i) energy efficiency performance standards for new products of the types set forth 13 14 paragraphs (o) through (s) of subdivision one of section 16-104 of 15 this article; (ii) procedures for testing the energy efficiency of the products covered by paragraphs (c) through (s) of subdivision one of 16 17 section 16-104 of this article; (iii) procedures for manufacturers to certify that products covered by paragraphs (o) through (s) of subdivi-18 sion one of section 16-104 of this article meet the energy efficiency 19 standards promulgated under this article; and (iv) such further matters 20 21 as are necessary to insure the proper implementation and enforcement of 22 the provisions of this article with respect to the products covered by 23 paragraphs (c) through (s) of subdivision one of section 16-104 of this 24 article.] 25 3. 2	with such efficiency standards; and to request the president's cooper-
3	ation in connection with enforcement proceedings conducted by the secre-
4	tary pursuant to this article;
5	(ii) To order the immediate cessation of any distribution, sale or
б	offer for sale, lease or offer to lease, rent or offer to rent, import,
7	or offer to import, or installation or offer of installation of any
8	product listed in paragraphs (a) through (xx) of subdivision one of
9	section 16-104 of this article, or of any product for which efficiency
10	standards shall have been established pursuant to paragraph (b) or (c)
11	of subdivision one of this section, or any product that is subject to a
12	federal efficiency standard that shall have been continued in this state
13	pursuant to section 16-105 of this article, if the secretary, in consul-
14	tation with the president, determines that such product does not meet
15	the applicable efficiency standard or if such product does not satisfy
16	the testing procedures or manufacturer's certification procedures
17	adopted pursuant to the regulations authorized by this article;
18	(iii) To accept grants or funds for purposes of administration and
19	enforcement of this article;

21	penalties and/or injunctive relief for any violation of this article or
22	any regulation adopted pursuant to this article. Any penalties collected
23	by the secretary under this section shall be placed in the account
24	established under section ninety-seven-www of the state finance law,
25	relating to the consumer protection account; and
26	(v) To adopt such rules and regulations as the secretary may deem
27	necessary or appropriate for the purpose of carrying out the powers and
28	duties granted to the secretary by this article.
29	(b) The secretary may exercise the powers and authority granted to the
30	secretary by this subdivision, or by any other provision of this arti-
31	cle, through the consumer protection division established by the secre-
32	tary pursuant to section ninety-four-a of the executive law or through
33	such other divisions, officers, or employees of the department of state
34	as the secretary may designate from time to time.
35	§ 17. The energy law is amended by adding a new section 16-107 to read
36	as follows:
37	§ 16-107. Subpoenas, information and document production, enforcement
38	procedures, referrals. 1. (a) In addition to all other powers provided
39	by this article, the secretary or his or her designee shall have the
40	power and authority to subpoena any person doing business in this state
41	and bring such person before such officer or person in the department of
42	state as may be designated in such subpoena, and to administer an oath
43	to and take testimony of any person or cause any person's deposition to
44	be taken.
45	(b) In addition to all other powers provided by this article, the
46	president or his or her designee shall have the power and authority to
47	subpoena any person in this state to compel testimony, the protection of
48	documents, or both, and bring such person before such officer or person
49	in the authority as may be designated in such subpoena, and to adminis-

Any person that sells or offers for sale, leases or offers for 1 lease, rents or offers for rent, or installs or offers to install, manu-2 3 factures or tests in New York state any new product of a type listed in 4 paragraphs (a) through (xx) of subdivision one of section 16-104 of this 5 article, or any new product for which efficiency standards shall have 6 been established pursuant to paragraph (b) or (c) of subdivision one of 7 section 16-106 of this article, or any product that is subject to federal efficiency standards that shall have been continued in this state 8 9 pursuant to section 16-105 of this article, shall be obliged, on the 10 request of the secretary or his or her designee, or the request of the 11 president or his or her designee, to supply the secretary and/or the 12 president with such information and documentation as may be required concerning such person's business, business practices, or business meth-13 14 ods, or proposed business practices or methods. The obligations 15 contained in this subdivision shall not apply to any person that sells or offers for sale, leases or offers for lease, rents or offers for 16 17 rent, or installs or offers to install only products described in subdivision three of section 16-104 of this article. The power to make infor-18 mation and document requests is in addition to and not in limitation of 19 20 the power to issue subpoenas. 21 3. A subpoena may be issued pursuant to subdivision one of this 22 section, and a request for information and documentation may be made pursuant to subdivision two of this section, at any time and in any 23 situation, without regard to whether such subpoena or request is or is 24 25 not issued or made in connection with an investigation conducted by the president or an enforcement proceeding conducted by the secretary. 26 27 4. The secretary shall, before ordering the immediate cessation of any 28 distribution, sale or offer for sale, lease or offer to lease, rent or offer to rent, import or offer to import, or installation or offer of 29 30 installation of any product, or imposing any civil penalty, injunctive 31 relief, or other relief pursuant to this article upon any person who is 32 alleged to be in violation of any provision of this article or of any 33 regulation adopted pursuant to this article, and at least ten days prior 34 to the date set for the hearing, notify in writing and shall afford such 35 person an opportunity to be heard in person or by counsel in reference 36 thereto. Such written notice may be served by delivery of same 37 personally, or by mailing same by certified mail to the last known business address of such person, or by any method authorized by the civil 38 39 practice law and rules. The hearing on such charges shall be at such time and place as the department of state shall prescribe. A hearing 40 held by this subdivision shall be held pursuant to the state administra-41 42 tive procedure act, and any applicable regulations adopted by the secre-43 tary. 44 5. A final action of the secretary in imposing a civil penalty, or 45 other order, may be subject to review by a proceeding instituted under 46 article seventy-eight of the civil practice law and rules at the 47 instance of the person aggrieved. Final actions that may be subject to judicial review under article seventy-eight of the civil practice law 48 49 and rules include: 50 (a) a determination that a person is in violation of any provision of 51 this article or of any regulation adopted under this article; 52 (b) an order directing the immediate cessation of the sale or offer for sale, installation or offer to install, lease or offer to lease, 53 rent or offer to rent, or import any product in violation of any 54 provision of this article or of any regulation adopted under this arti-55 56 <u>cle;</u>

1	(c) an order granting or imposing any other type of injunctive relief;
1	
2	and
3	(d) the imposition of a civil penalty, excluding any consent order,
4	any determination made in a consent order and any civil penalty and/or
5	injunctive relief imposed by a consent order.
6	6. In addition to all other powers provided by this article, the
7	secretary and the president, are authorized, individually or jointly, to
8	refer the results of any investigation conducted by the president pursu-
9	ant to this article to the attorney general and to request the attorney
10	general to institute, in the name of the secretary and/or the president,
11	an action or proceeding to enforce the provisions of this article. The
12	attorney general shall, at the request of the secretary or president, or
13	may, on his or her own initiative, institute proceedings to enforce the
14	provisions of this article including the imposition of civil penalties
15	or injunctive relief. Nothing in this subdivision shall limit or impair
16	the power and authority of the secretary to conduct enforcement
17	proceedings, to issue orders pursuant to paragraph (b) of subdivision
18	five of section 16-106 of this article, and to impose penalties pursuant
19	to section 16-108 of this article.
20	§ 18. Section 16-108 of the energy law, as added by chapter 431 of the
21	laws of 2005, is amended to read as follows:

(b) Notwithstanding the provisions of any other law to the contrary, a 16 17 majority, but no fewer than seven, of the members of the council then in office, gathered together in the presence of each other or through the 18 use of videoconferencing, at a meeting duly held at a time fixed by law 19 20 or by any by-law duly adopted by the council, or at any meeting duly 21 held upon reasonable notice to all members of the council then in 22 office, or at any duly adjourned meeting of such meeting, shall constitute a quorum, and a majority, but no fewer than seven, of the members 23 of the council then in office may perform and exercise any power, 24 25 authority, or duty of the council at any such meeting or adjourned meet-26 ing. 27 § 22. Subdivision 2 of section 97-www of the state finance law, as 28 amended by section 53 of part A of chapter 62 of the laws of 2011, is 29 amended to read as follows: 30 2. Such account shall consist of all penalties received by the depart-31 ment of state pursuant to section three hundred ninety-nine-z of the 32 general business law, section 16-106 of the energy law and any addi-33 tional monies appropriated, credited or transferred to such account by 34 the Legislature. Any interest earned by the investment of monies in such account shall be added to such account, become part of such account, and 35 36 be used for the purposes of such account. 37 A building code or other requirement applicable to commercial § 23. 38 or residential buildings or construction may not prohibit the use of a 39 substance authorized pursuant to 42 U.S.C. 7671k. Substances under review but not yet listed by the United States Environmental Protection 40 Agency pursuant to 42 U.S.C. 7671k may be allowed for use provided that 41 42 such substance and the refrigeration or air conditioning system or other 43 equipment or products utilizing such substance are designed, installed, 44 and used in accordance with nationally recognized published standards 45 that protect building occupant safety and reduce fire risks. 46 § 24. Section 17-101 of the energy law is amended by adding twenty new 47 subdivisions 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 48 21, 22, 23 and 24 to read as follows: 49 5. "Authority" means the New York state energy research and develop-50 ment authority. 51 6. "Benchmark" means inputting and submitting the total energy and 52 water consumed for a property for the previous calendar year and other descriptive information for such property as required by the benchmark-53 54 ing tool. Total energy and water consumption shall not include separately metered uses that are not integral to building operations, such as 55 56 broadcast antennas, as determined by the president.

-	
1	7. "Benchmarking information" means information generated by the
2	benchmarking tool and descriptive information about the physical proper-
3	ty and its ownership, management, and operational characteristics.
4	8. "Public benchmarking information" means information generated by
5	the benchmarking tool and descriptive information about the physical
6	property and its operational characteristics that is disclosed to the
7	public. The public benchmarking information shall include, but shall not
8	be limited to:
9	(a) descriptive information, including property address; primary use
10	type; gross floor area as defined by the benchmarking tool glossary;
11	(b) output information, including site and source energy use intensi-
12	ty; weather normalized site and source energy use intensity; total annu-
13	al greenhouse gas emissions; water use per gross square foot; the Energy
14	Star score, where available;
15	(c) compliance or noncompliance with this law; and
16	(d) a comparison of the annual summary statistics across calendar
17	years for all years since annual reporting and disclosure has been
18	required for the covered property.
19	9. "Benchmarking submission" means a subset of:
20	(a) information input into the benchmarking tool; and
21	(b) benchmarking information generated by the benchmarking tool, as
22	determined by the president.
23	10. "Benchmarking tool" means the portfolio manager or any similar
24	tool may as determined by the president to be reasonably comparable, and
25	any additional tools specified in regulations adopted by the president.

27	building's energy use, tracking that use over time, and comparing
28	<u>performance to similar buildings nationwide.</u>
29	12. "Covered property" means: on and after the first day of January,
30	two thousand twenty-three, any property that has one or more buildings
31	that together exceed twenty-five thousand gross square feet in total
32	combined floor area.
33	13. "Energy" means electricity, natural gas, steam, hot or chilled
34	water, fuel oil, kerosene, propane, or other fuel product for use in a
35	building, or on-site electricity generation, including renewable and
36	storage technologies for purposes of providing heating, cooling, light-
37	ing, water heating, or for powering or fueling other end-uses in the
38	building and related facilities.
39	14. "Energy Star score" means the one through one hundred (1-100)
40	numeric rating generated by the Energy Star portfolio manager tool.
41	15. "Energy use intensity" means the kBTUs (one thousand British Ther-
42	mal Units) used per square foot of gross floor area.
43	16. "Exempt municipality" means a municipality with a benchmarking
44	requirement in effect that meets or exceeds the benchmarking rules
45	established by the authority.
46	17. "Gross floor area" means the total number of enclosed square feet
47	measured between the exterior surfaces of the fixed walls within any
48	structure used or intended for supporting or sheltering any use or occu-
49	pancy.
50	18. "Owner" means:
51	(a) an individual or entity possessing title to a covered property;
52	(b) the net lessee in the case of a property subject to a triple net
53	lease;
54	(c) the board of managers in the case of a condominium;
55	(d) the board of directors in the case of a cooperative apartment
56	corporation;

1	(e) an agent authorized to act on behalf of any of the above; or
2	(f) the entity in physical possession of the property or having bene-
3	ficial use and occupancy of the property in the case of a covered prop-
4	erty with title possessed by a state entity solely for purposes of
5	securing bonds, notes or other obligations issued by such state entity,
6	in which case, the state entity will not also be deemed the owner here-
7	under. For the purpose of this subparagraph, a "state entity" shall mean
8	any state agency, state authority or subsidiary of a state authority.
9	19. "Portfolio manager" means the Energy Star portfolio manager, the
10	internet-based tool developed and maintained by the United States Envi-
11	ronmental Protection Agency to track and assess the relative energy
12	performance of buildings nationwide, or successor.

31	of a building, part of a building or premises pursuant to a rental
32	agreement.
33	<u>24. "Utility" means an entity that distributes and sells energy to</u>
34	covered properties.
35	§ 25. The energy law is amended by adding a new section 17-107 to read
36	as follows:
37	§ 17-107. Benchmarking applicability and submission. 1. No later than
38	the first day of May, two thousand twenty-three, and no later than the
39	first day of May of every year thereafter, each owner shall ensure that
40	such owner's covered properties shall be benchmarked for the previous
41	calendar year and the benchmarking submission shall be provided to the
42	authority as directed by the president.
43	2. The president or the president's designee may temporarily exempt
44	from the benchmarking requirement the owner of a covered property that
45	submits documentation establishing, to the satisfaction of the president
46	or the president's designee, any of the following:
47	(a) the covered property has characteristics that make benchmarking
48	impracticable, including buildings that do not fit any of the property
49	types, definitions or use details listed in the portfolio manager;
50	(b) the covered property had average physical occupancy of less than
51	fifty percent throughout the calendar year for which benchmarking is
52	required;
53	(c) the covered property is a new construction and the covered proper-
54	ty's certificate of occupancy or temporary certificate of occupancy was
55	issued during the calendar year for which benchmarking is required;

1	(d) the covered property experienced qualifying financial distress
2	during the year for which benchmarking is required; or
3	(e) the covered property has been issued a full demolition permit for
4	the prior calendar year, provided that demolition work has commenced,
5	some energy-related systems have been compromised and legal occupancy is
6	no longer possible prior to the first day of May of the year in which
7	the benchmarking report is due.
8	3. The president or the president's designee may exempt from the
9	benchmarking requirement the owners of all covered properties located
10	within an exempt municipality that comply with the municipality's bench-
11	marking requirement.
12	4. The president or the president's designee may exempt from the
13	benchmarking requirement related to water the owner of a covered proper-
14	ty in jurisdictions where whole building water use data is not available
15	in increments required by the benchmarking tool or as defined by the
16	president or the president's designee.
17	5. The president or the president's designee may grant an extension of
18	time if the owner of the covered property demonstrates, to the satisfac-
19	tion of the president or the president's designee, that despite good
20	faith efforts, the owner could not satisfy the requirements of this
21	article by the imposed deadlines.
22	6. The president or the president's designee may require that data be
23	validated by a qualified benchmarker or that benchmarking be performed
24	by a qualified benchmarker.
25	§ 26. The energy law is amended by adding a new section 17-108 to read
26	as follows:
27	§ 17-108. Benchmarking notification and posting. 1. Between September
28	first and December thirty-first of each year, the authority shall notify
29	owners of their obligation to benchmark pursuant to section 17-107 of
30	this article.
31	2. By December first of each year, the authority shall post the list
32	of the addresses of covered properties on the authority's website.
33	§ 27. The energy law is amended by adding a new section 17-109 to read
34	as follows:
35	§ 17-109. Disclosure, analysis, and publication of benchmarking infor-
36	mation. 1. No later than the thirty-first day of December, two thousand
37	twenty-three and by the fifteenth day of September of each year there-
38	after, the authority shall publish public benchmarking information
39	regarding all covered properties for the previous calendar year; except
40	that public benchmarking information regarding a covered property for
41	such property's first year of required compliance, other than whether or
42	not the property complied, shall not be published by the authority.
43	2. In addition to the publishing of public benchmarking information
44	required by subdivision one of this section, the authority shall annual-
45	ly publish:
46	(a) summary statistics and trend analyses regarding energy consumption
47	for covered properties derived from aggregation of benchmarking informa-
48	tion; and
49	(b) information regarding how each covered property compares with
50	comparable covered properties in New York State, and how each covered
51	property's performance has changed over time.
52	3. No later than the thirty-first day of December, two thousand twen-
53	ty-two, and no later than the fifteenth day of September of each year
54	thereafter, each exempted municipality shall make available to the
55	authority, in a form as required by the authority, any benchmarking
56	information possessed by such municipality.

-	
1	4. Any analysis or possession of information concerning covered prop-
2	erties by the authority is subject to rules regarding personal, private
3	or sensitive information as defined by the New York state office of
4	information technology services and article six of the public officers
5	law.
6	5. The authority may provide an owner or manager of a covered property
7	with benchmarking information related to such covered building that is
8	not public benchmarking information.
9	6. Nothing in this section should be construed to supersede sections
10	eighty-four through section ninety of the public officers law, except
11	with respect to the authority's publishing of public benchmarking infor-
12	mation as required in this section.
13	§ 28. The energy law is amended by adding a new section 17-110 to read
14	as follows:
15 16	§ 17-110. Maintenance of benchmarking records. 1. Owners shall main-
16	tain records sufficient to provide for the reporting of public bench- marking information to the authority. Such records shall be preserved
17	for a period of at least three years. At the request of the president
18	
19 20	such records shall be made available for inspection and audit.
20	2. At the time legal title of any covered property is transferred, the
21 22	buyer and seller shall arrange for the seller to provide to the buyer, at or before closing, all information necessary for the buyer to report
22 23	benchmarking information for the entire year in a timely manner.
23 24	§ 29. The energy law is amended by adding a new section 17-111 to read
	as follows:
25 26	§ 17-111. Benchmarking enforcement and administration. 1. The presi-
26	
27	dent may promulgate rules and regulations necessary for the adminis-
28 29	tration and enforcement of the requirements of this article.
29 30	2. It shall be unlawful for any entity or person to fail to comply with the requirements of this article or any rule or regulation promul-
30 31	gated by the authority of this article or to misrepresent any material
31 32	fact in a document required to be prepared or disclosed pursuant to this
33	article or any rule or regulation promulgated by the authority of this
33 34	article.
35	3. Any person or entity who violates the benchmarking provisions of
36	this article, not including sections 17-103 and 17-105 of this article,
	shall be subject to a civil penalty not to exceed five thousand dollars
37 20	per violation.
38 39	4. The attorney general may bring an action to recover the civil
40	penalties provided by subdivision three of this section and for such
41	other relief as may be deemed necessary.
42	§ 30. This act shall take effect immediately; provided, however, that
43	sections six through twenty and section twenty-two of this act shall
43 44	take effect on the one hundred eightieth day after it shall have become
45	a law; provided, however, that the amendments to subdivision 4 of
45 46	-
40 47	section 16-106 of the energy law made by section sixteen of this act shall not affect the repeal of such subdivision and shall be deemed
	repealed therewith. Effective immediately, the addition, amendment,
48 ∕10	
49 50	
50 51	mentation of this act on or before its effective date are hereby author-
51	ized to be made and completed on or before such effective date.

53 Section 1. Section 1005 of the public authorities law is amended by 54 adding a new subdivision 29 to read as follows:

1	29. Notwithstanding any other provision of law, the authority is
2	further authorized, as deemed feasible and advisable by the trustees, to
3	lease or otherwise dispose of interests in excess capacity in the
4	authority's broadband technologies and infrastructure to other instru-
5	mentalities of the state to support broadband and other initiatives of
б	the state.
7	§ 2. This act shall take effect immediately and shall be deemed to
8	have been in full force and effect on and after April 1, 2022.
9	§ 2. Severability clause. If any clause, sentence, paragraph, subdivi-
10	sion, section or part of this act shall be adjudged by any court of
11	competent jurisdiction to be invalid, such judgment shall not affect,
12	impair, or invalidate the remainder thereof, but shall be confined in
13	its operation to the clause, sentence, paragraph, subdivision, section
14	or part thereof directly involved in the controversy in which such judg-
15	ment shall have been rendered. It is hereby declared to be the intent of
16	the legislature that this act would have been enacted even if such
17	invalid provisions had not been included herein.
18	§ 3. This act shall take effect immediately; provided, however, that
10	the emplicable offective date of Denta & through EEE of this est shall

19 the applicable effective date of Parts A through FFF of this act shall 20 be as specifically set forth in the last section of such Parts.
