3 subsection (d-2) to read as follows:

4 (d-2) Alternative tax table benefit recapture. Notwithstanding the  
5 provisions of subsection (d) or (d-1) of this section, for taxable years  
6 beginning on or after two thousand twenty-one and before two thousand  
7 twenty-two, there is hereby imposed a supplemental tax in addition to  
8 the tax imposed under subsections (a), (b) and (c) of this section for  
9 the purpose of recapturing the benefit of the tax tables contained in  
10 such subsections. During these taxable years, any reference in this  
11 chapter to subsection (d) or (d-1) of this section shall be read as a  
12 reference to this subsection.

13 (1) For resident married individuals filing joint returns and resident  
14 surviving spouses:

15 (A) If New York adjusted gross income is greater than \$107,650, but  
16 not over \$25,000,000:

17 (i) the recapture base and incremental benefit shall be determined by  
18 New York taxable income as follows:

<u>Greater than</u>	<u>Not over</u>	<u>Recapture Base</u>	<u>Incremental Benefit</u>
<u>\$43,000</u>	<u>\$161,550</u>	<u>\$0</u>	<u>\$474</u>
<u>\$161,550</u>	<u>\$323,200</u>	<u>\$474</u>	<u>\$582</u>
<u>\$323,200</u>	<u>\$2,155,350</u>	<u>\$1,056</u>	<u>\$1,680</u>

34 which shall be the lesser of fifty thousand dollars or the applicable  
35 amount and the denominator of which shall be fifty thousand dollars; and

36 (iv) the supplemental tax due shall equal the sum of the recapture  
37 base and the product of (i) the incremental benefit and (ii) the phase-  
38 in fraction. Provided, however, that if the New York taxable income of  
39 the taxpayer is less than forty-three thousand dollars, the supplemental  
40 tax shall equal the difference between the product of 5.97 percent and  
41 New York taxable income and the tax table computation on the New York  
42 taxable income set forth in paragraph one of subsection (a) of this  
43 section, multiplied by a fraction, the numerator of which is the lesser  
44 of fifty thousand dollars or New York adjusted gross income minus one  
45 hundred seven thousand six hundred fifty dollars, and the denominator of  
46 which is fifty thousand dollars.

47 (B) If New York adjusted gross income is greater than twenty-five

 25 subsection (b) of this section, multiplied by a fraction, the numerator  
 26 of which is the lesser of fifty thousand dollars or New York adjusted

 43 base and the product of (i) the incremental benefit and (ii) the phase-  
 44 in fraction. Provided, however, that if the New York taxable income of  
 45 the taxpayer is less than one hundred seven thousand six hundred fifty  
 46 dollars, the supplemental tax shall equal the difference between the  
 47 product of 6.00 percent and New York taxable income and the tax table  
 48 computation on the New York taxable income set forth in paragraph one of  
 49 subsection (b) of this section, multiplied by a fraction, the numerator  
 50 of which is the lesser of fifty thousand dollars or New York adjusted

14 (ii) the applicable amount shall be determined by New York taxable  
 15 income as follows:

29 two thousand eighteen and before January first, two thousand nineteen,  
30 the amount of the credit allowed under this section shall be equal to

5 SUBPART C

6 Section 1. Subdivision (f) of section 42 of the tax law, as added by  
7 section 1 of part RR of chapter 60 of the laws of 2016, is amended to  
8 read as follows:

9 (f) A taxpayer claiming the credit allowed under this section shall  
10 not be allowed to claim any other tax credit allowed under this chapter,  
11 except the credit allowed under section forty-two-a of this article,  
12 with respect to any eligible farm employee included in the total number  
13 of eligible farm employees used to determine the amount of the credit  
14 allowed under this section.

15 § 2. The tax law is amended by adding a new section 42-a to read as  
16 follows:

17 § 42-a. Farm employer overtime credit. (a) Notwithstanding subdivision  
18 (f) of section forty-two of this article, a taxpayer that is a farm  
19 employer or an owner of a farm employer shall be eligible for a credit  
20 against the tax imposed under article nine-A or twenty-two of this chap-  
21 ter, pursuant to the provisions referenced in subdivision (i) of this  
22 section.

23 (b) A farm employer is a corporation (including a New York S corpo-  
24 ration), a sole proprietorship, a limited liability company or a part-  
25 nership that is an eligible farmer.

26 (c) For purposes of this section, the term "eligible farmer" means a  
27 taxpayer whose federal gross income from farming as defined in  
28 subsection (n) of section six hundred six of this chapter for the taxa-  
29 ble year is at least two-thirds of excess federal gross income. Excess  
30 federal gross income means the amount of federal gross income from all  
31 sources for the taxable year in excess of thirty thousand dollars. For  
32 purposes of this section, payments from the state's farmland protection  
33 program, administered by the department of agriculture and markets,  
34 shall be included as federal gross income from farming for otherwise  
35 eligible farmers.

36 (d) An eligible farm employee is an individual who meets the defi-  
37 inition of a "farm laborer" under section two of the labor law who is  
38 employed by a farm employer in New York state, but excluding general  
39 executive officers of the farm employer.

40 (e) Eligible overtime is the aggregate number of hours of work  
41 performed during the taxable year by an eligible farm employee that in  
42 any calendar week exceeds the overtime work threshold set by the commis-  
43 sioner of labor pursuant to the recommendation of the farm laborers wage  
44 board, provided that work performed in such calendar week in excess of  
45 sixty hours shall not be included.

46 (f) Special rules. If more than fifty percent of such eligible farm-  
47 er's federal gross income from farming is from the sale of wine from a  
48 licensed farm winery as provided for in article six of the alcoholic  
49 beverage control law, or from the sale of cider from a licensed farm  
50 cidery as provided for in section fifty-eight-c of the alcoholic bever-  
51 age control law, then an eligible farm employee of such eligible farmer  
52 shall be included for purposes of calculating the amount of credit  
53 allowed under this section only if such eligible farm employee is  
54 employed by such eligible farmer on qualified agricultural property as

1 defined in paragraph four of subsection (n) of section six hundred six  
2 of this chapter.

3 (g) The amount of the credit allowed under this section shall be equal  
4 to the aggregate amount of such credit allowed per eligible farm employ-  
5 ee, as follows. The amount of the credit allowed per eligible farm  
6 employee shall be equal to one hundred eighteen percent of the product  
7 of (1) the eligible overtime worked during the taxable year by the  
8 eligible farm employee and (2) the overtime rate paid by the farm  
9 employer to the eligible farm employee less such employee's regular rate  
10 of pay.

11 (h)(1) Taxpayers shall have the option to request an advance payment  
12 of the portion of the amount of tax credit they are allowed under this  
13 section for the amount of eligible overtime that the farm employer paid  
14 from January first through July thirty-first. To be eligible for the  
15 advance payment, the farm employer must submit by September thirtieth a  
16 properly completed application to the department of agriculture and  
17 markets, in a form prescribed by the commissioner of agriculture and  
18 markets, that demonstrates how much the farm employer paid in eligible  
19 overtime during that period. After reviewing a farm employer's completed  
20 application for the advance payment of a portion of the amount of tax  
21 credit allowed under this section, the department of agriculture and  
22 markets may issue to that farm employer a certificate of tax credit that  
23 specifies the exact amount of the tax credit under this article that a  
24 taxpayer may claim as an advance payment pursuant to this subdivision.

25 (2) A taxpayer must submit a request to the department in the manner  
26 prescribed by the commissioner after it has been issued a certificate of  
27 tax credit by the department of agriculture and markets pursuant to  
28 paragraph one of this subdivision (or such certificate has been issued  
29 to a partnership, limited liability company or subchapter S corporation  
30 in which it is a partner, member or shareholder, respectively, that is a  
31 farm employer), but such request must be submitted no later than Novem-  
32 ber first of the taxable year for which the credit is being claimed. For  
33 those taxpayers who have requested an advance payment and for whom the  
34 commissioner has determined to be eligible for this credit, the commis-  
35 sioner shall advance a payment of the portion of the amount of tax cred-  
36 it allowed to the taxpayer. The taxpayer will claim on the taxpayers'  
37 return for the taxable year the portion of the amount of tax credit  
38 allowed for eligible overtime paid by the farm employer from August  
39 first through December thirty-first. The taxpayer must properly recon-  
40 cile the advance payment of tax credit allowed under this subdivision on  
41 the taxpayer's return.

42 (3) If a taxpayer that has received an advance payment is not an  
43 eligible farmer for the taxable year for which it received an advance  
44 payment, the taxpayer shall be required to add back as tax the amount of  
45 advance payment the taxpayer received during the taxable year.

46 (4) Notwithstanding any provision of this chapter, employees of the  
47 department of agriculture and markets and the department shall be  
48 allowed to share and exchange:

49 (i) information derived from tax returns or reports that is relevant  
50 to a taxpayer's eligibility for the credit allowed by this section;

51 (ii) information regarding the credit applied for, allowed or claimed  
52 pursuant to this section and regarding taxpayers that are applying for  
53 the credit or that are claiming the credit; and

54 (iii) information collected by the department of agriculture and  
55 markets and exchanged between the department of agriculture and markets

1 and the department pursuant to this section shall not be subject to  
 2 disclosure or inspection under the state's freedom of information law.

3 (i) Cross references: For application of the credit provided in this  
 4 section, see the following provisions of this chapter:

5 (1) Article 9-A: Section 210-B, subdivision 58.

6 (2) Article 22: Section 606, subsection (nnn).

7 § 3. Section 210-B of the tax law is amended by adding a new subdivi-  
 8 sion 58 to read as follows:

9 58. Farm employer overtime credit. (a) Allowance of credit. A taxpay-  
 10 er shall be allowed a credit, to be computed as provided in section  
 11 forty-two-a of this chapter, against the tax imposed by this article.

12 (b) Application of credit. The credit allowed under this subdivision  
 13 for any taxable year shall not reduce the tax due for such year to less  
 14 than the amount prescribed in paragraph (d) of subdivision one of  
 15 section two hundred ten of this article. However, if the amount of cred-  
 16 it allowed under this subdivision for any taxable year reduces the tax  
 17 to such amount or if the taxpayer otherwise pays tax based on the fixed  
 18 dollar minimum amount, any amount of credit thus not deductible in such  
 19 taxable year shall be treated as an overpayment of tax to be credited or  
 20 refunded in accordance with the provisions of section one thousand  
 21 eighty-six of this chapter. Provided, however, the provisions of  
 22 subsection (c) of section one thousand eighty-eight of this chapter  
 23 notwithstanding, no interest shall be paid thereon.

24 § 4. Subparagraph (B) of paragraph 1 of subsection (i) of section 606  
 25 of the tax law is amended by adding a new clause (xlix) to read as  
 26 follows:

27 <u>(xlix) Farm employer overtime</u>	<u>Amount of credit under</u>
28 <u>credit under subsection (nnn)</u>	<u>subdivision fifty-eight of</u>
29	<u>section two hundred ten-B</u>

30 § 5. Section 606 of the tax law is amended by adding a new subsection  
 31 (nnn) to read as follows:

32 (nnn) Farm employer overtime credit. (1) A taxpayer shall be allowed a  
 33 credit, to be computed as provided in section forty-two-a of this chap-  
 34 ter, against the tax imposed by this article.

35 (2) Application of credit. If the amount of credit allowed under this  
 36 subsection for any taxable year exceeds the taxpayer's tax for such  
 37 year, the excess shall be treated as an overpayment of tax to be credit-  
 38 ed or refunded in accordance with the provision of section six hundred  
 39 eighty-six of this article, provided, however, that no interest shall be  
 40 paid thereon.

41 § 6. This act shall take effect immediately and shall apply to taxable  
 42 years beginning on or after January 1, 2022.

43 § 2. This act shall take effect immediately provided, however, that  
 44 the applicable effective date of Subparts A through C of this act shall  
 45 be as specifically set forth in the last section of such Subparts.

2 under this chapter.

3 (b) Eligibility. To be eligible for the COVID-19 capital costs tax  
4 credit, the taxpayer shall have been issued a certificate of tax credit  
5 by the department of economic development pursuant to subdivision three  
6 of section four hundred eighty-four of the economic development law,  
7 which certificate shall set forth the amount of the credit that may be  
8 claimed for the taxable year. The taxpayer shall be allowed to claim  
9 only the amount listed on the certificate of tax credit for that taxable

52 for the taxable year shall not reduce the tax due for such year to less  
53 than the amount prescribed in paragraph (d) of subdivision one of  
54 section two hundred ten of this article. However, if the amount of cred-  
55 it allowed under this subdivision for the taxable year reduces the tax  
56 to such amount or if the taxpayer otherwise pays tax based on the fixed

dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest will be paid thereon.

§ 4. Section 606 of the tax law is amended by adding a new subsection (nnn) to read as follows:

14 first day of the next year. If the total amount of allocated tax credits  
15 applied for under this paragraph at the conclusion of any year is less  
16 than five million dollars, the remainder shall be treated as part of the  
17 annual allocation made available to the program pursuant to paragraph  
18 four of subdivision (e) of this section. However, in no event may the  
19 total of the credits allocated under this paragraph and the credits

18 fied as Subparts A, C, D and E. The effective date for each particular  
19 provision contained within such Subpart is set forth in the last section  
20 of such Subpart. Any provision in any section contained within a  
21 Subpart, including the effective date of the Subpart, which makes refer-  
22 ence to a section of "this act", when used in connection with that  
23 particular component, shall be deemed to mean and refer to the corre-  
24 sponding section of the Subpart in which it is found. Section two of

30 (a-2) Notwithstanding any provision of law to the contrary, where an

34 file the application by that date, the owner may, no later than the last  
35 day for paying school taxes without incurring interest or penalty,  
36 submit a written request to the commissioner asking him or her to extend  
37 the filing deadline and grant the exemption. Such request shall contain

44 (ii) the applicant is otherwise entitled to the exemption. The commis-  
45 sioner shall mail notice of his or her determination to such owner and  
46 the assessor. If the determination states that the commissioner has  
47 granted the exemption, the assessor shall thereupon be authorized and  
48 directed to correct the assessment roll accordingly, or, if another  
49 person has custody or control of the assessment roll, to direct that  
50 person to make the appropriate corrections. ~~If the correction is not~~  
51 ~~made before school taxes are levied, the school district authorities~~  
52 ~~shall be authorized and directed to take account of the fact that the~~

~~commissioner has granted the exemption by correcting the applicant's tax bill and/or issuing a refund accordingly]~~ Provided, however, that if the assessment roll cannot be corrected in time for the exemption to appear on the applicant's school tax bill, the commissioner shall be authorized to remit directly to the applicant the tax savings that the STAR exemption would have yielded if it had appeared on the applicant's tax bill. The amounts so payable shall be paid from the account established for the payment of STAR benefits to late registrants pursuant to subparagraph (iii) of paragraph (a) of subdivision fourteen of this section.

§ 2. This act shall take effect immediately.

31 subsection (g-4) to read as follows:

32 (g-4) Geothermal energy systems credit. (1) General. An individual  
33 taxpayer shall be allowed a credit against the tax imposed by this arti-  
34 cle equal to twenty-five percent of qualified geothermal energy system  
35 expenditures, except as provided in subparagraph (D) of paragraph two of  
36 this subsection, not to exceed five thousand dollars.

37 (2) Qualified geothermal energy systems expenditures. (A) The term  
38 "qualified geothermal energy system expenditures" means expenditures  
39 for:

40 (i) the purchase of geothermal energy system equipment which is  
41 installed in connection with residential property which is (I) located  
42 in this state and (II) which is the taxpayer's residence at the time the  
43 geothermal energy system is placed in service; or

44 (ii) the lease of geothermal energy system equipment under a written  
45 agreement that spans at least ten years where such equipment owned by a  
46 person other than the taxpayer is installed in connection with residen-  
47 tial property which is (I) located in this state and (II) which is the  
48 taxpayer's residence at the time the geothermal energy system equipment  
49 is placed in service.

50 (B) Such qualified expenditures shall include expenditures for materi-  
51 als, labor costs properly allocable to on-site preparation, assembly and  
52 original installation, architectural and engineering services, and  
53 designs and plans directly related to the construction or installation  
54 of the geothermal energy system equipment.

1 (C) Such qualified expenditures for the purchase of geothermal energy  
2 system equipment shall not include interest or other finance charges or  
3 costs that have been used to qualify for any other credit.

4 (D) Such qualified expenditures for the lease of geothermal energy  
5 system equipment under an agreement described in clause (ii) of subpara-  
6 graph (A) of this paragraph shall include an amount equal to all  
7 payments made during the taxable year under such agreement. Provided,  
8 however, such credits shall only be allowed for fourteen years after the  
9 first taxable year in which such credit is allowed. Provided further,  
10 however, the twenty-five percent limitation in paragraph one of this  
11 subsection shall only apply to the total aggregate amount of all  
12 payments to be made pursuant to an agreement referenced in clause (ii)  
13 of subparagraph (A) of this paragraph, and shall not apply to individual  
14 payments made during a taxable year under such agreement except to the  
15 extent such limitation on an aggregate basis has been reached.

16 (3) Geothermal energy system equipment. The term "geothermal energy  
17 system equipment" shall mean a system whose original use begins with the  
18 taxpayer; which meets the eligibility criteria, if any, prescribed by  
19 the department; and which is a ground coupled solar thermal system that  
20 utilizes the solar thermal energy stored in the ground or in bodies of  
21 water to produce heat, and which is commonly known as or referred to as  
22 a ground source heat pump system.

23 (4) Multiple taxpayers. Where geothermal energy system equipment is  
24 purchased and installed in a residence shared by two or more taxpayers,  
25 the amount of the credit allowable under this subsection for each such  
26 taxpayer shall be prorated according to the percentage of the total  
27 expenditure for such geothermal energy system equipment contributed by  
28 each taxpayer.

29 (5) Proportionate share. Where geothermal energy system equipment is  
30 purchased and installed by a condominium management association or a  
31 cooperative housing corporation, a taxpayer who is a member of the  
32 condominium management association or who is a tenant-stockholder in the  
33 cooperative housing corporation may for the purpose of this subsection  
34 claim a proportionate share of the total expense as the expenditure for  
35 the purposes of the credit attributable to the taxpayer's residence.

36 (6) Grants. For purposes of determining the amount of the expenditure  
37 incurred in purchasing and installing geothermal energy system equip-  
38 ment, the amount of any federal, state or local grant received by the  
39 taxpayer, which was used for the purchase and/or installation of such  
40 equipment and which was not included in the federal gross income of the  
41 taxpayer, shall not be included in the amount of such expenditures.

42 (7) Limitation. The credit shall only be allowed for geothermal energy  
43 system equipment installed in connection with residential property used  
44 exclusively for personal purposes by the taxpayer. No credit shall be  
45 allowed for geothermal energy system equipment installed in connection  
46 with residential property that is rented at any time during the taxable  
47 year for which the credit is being claimed.

48 (8) When credit allowed. The credit provided for herein shall be  
49 allowed with respect to the taxable year in which the geothermal energy  
50 system equipment is placed in service and shall be allowed only for  
51 geothermal energy system equipment placed into service after January  
52 first, two thousand twenty-two. However, the taxpayer shall be allowed a  
53 credit for only one such system in any taxable year.

54 (9) Carryover of credit. If the amount of the credit, and carryovers  
55 of such credit, allowable under this subsection for any taxable year  
56 shall exceed the taxpayer's tax for such year, such excess amount may be

1 carried over to the five taxable years next following the taxable year  
2 with respect to which the credit is allowed and may be deducted from the  
3 taxpayer's tax for such year or years.

4 § 2. This act shall take effect immediately and shall apply to taxable  
5 years commencing on and after January 1, 2022.

7 PART II

8 Section 1. The administrative code of the city of New York is amended  
9 by adding a new section 11-144 to read as follows:

10 § 11-144 Child care credit against certain business income taxes. a.  
11 Definitions. For purposes of this section:

12 1. Child care program. The term "child care program" means a child  
13 care program for which a permit to operate such program has been issued  
14 by the department of health and mental hygiene pursuant to article  
15 forty-seven of the health code.

16 2. Child care rate. The term "child care rate" means the weekly child  
17 care subsidy market rates, based on the sixty-ninth percentile of the  
18 2017-18 New York state child care market rate survey, for infant and  
19 toddler care provided by a permitted day care center in county cluster  
20 five, as reflected in the 2019 child care market rate survey report  
21 published by the New York state office of children and family services  
22 in compliance with section 98.45 of title forty-five of the code of  
23 federal regulations, provided that the department of finance may, by  
24 rule, revise such rates based on subsequent editions of the child care  
25 market rate survey report, as published by such office, or any other  
26 similar report published by such office in compliance with such section.

27 3. Child care seats. The term "child care seats" means the maximum  
28 number of children to be allowed on the premises of a child care program  
29 at any time that such program is in operation as specified on the permit  
30 issued for such program by the department of health and mental hygiene.

31 4. Child care seats that are occupied. The term "child care seats that  
32 are occupied" means, for each service year in which a child care program  
33 is in operation, the average daily number of children in attendance on  
34 the premises of such child care program.

35 5. Creates child care. The term "creates child care" means the making  
36 available of child care seats in a child care program by a taxpayer,  
37 directly or through a third party, for employees of such taxpayer, where  
38 such child care program was not available prior to April first, two  
39 thousand twenty-two, provided that the costs imposed on such employees  
40 for such child care program do not exceed forty percent of the child  
41 care rate.

42 6. Expands child care. The term "expands child care" means the  
43 increase in the number of child care seats in a child care program made  
44 available by a taxpayer, directly or through a third party, for employ-  
45 ees of such taxpayer, provided that such increase requires a new or  
46 amended permit issued by the department of health and mental hygiene  
47 pursuant to article forty-seven of the health code on or after April  
48 first, two thousand twenty-two, and, provided, further, that the costs  
49 imposed on such employees for such child care program do not exceed  
50 forty percent of the child care rate.

51 7. Service year. The term "service year" means the twelve-month period  
52 commencing on October first and ending on September thirtieth in the  
53 subsequent calendar year.

1 b. Credit allowed. A taxpayer that creates child care or expands child  
2 care shall be allowed a credit against the tax imposed by chapter five,  
3 or by subchapter two or three-a of chapter six, of this title to be  
4 credited or refunded, without interest, in accordance with the  
5 provisions of subdivision (q) of section 11-503, subdivision twenty-  
6 three of section 11-604 and subdivision twenty-three of section 11-654  
7 of this title. The amount of such credit shall be, for the portion of  
8 the service year in which the child care program was in operation, the  
9 sum of: (i) the product of the number of infant child care seats that  
10 have been created or expanded and twenty percent of the child care rate  
11 for such infant child care seats; and (ii) the product of the number of  
12 toddler child care seats that have been created or expanded and twenty  
13 percent of the child care rate for such toddler child care seats;  
14 provided that such infant and toddler child care seats are child care  
15 seats that are occupied. Notwithstanding the preceding sentence, a cred-  
16 it shall not be allowed for more than twenty-five child care seats that  
17 are occupied, and the amount of such credit may be reduced as a result  
18 of an allocation of available funds, as described in subdivision e of  
19 this section, for such credit.

20 c. Application process. A taxpayer must submit an application for such  
21 credit by November first of the calendar year in which the service year  
22 has ended.

23 1. Such application shall include but not be limited to:

24 (a) a permit issued by the department of health and mental hygiene to  
25 operate a child care center indicating the number of child care seats  
26 or, in the case of a child care center that has experienced an expansion  
27 of child care seats, a permit issued by such department demonstrating  
28 such expansion; and

29 (b) a certification from an independent certified public accountant  
30 that provides:

31 (1) the total number of child care seats that are child care seats  
32 that are occupied during such service year;

33 (2) of such total number of child care seats that are occupied, the  
34 number of infant child care seats that are occupied and the number of  
35 toddler child care seats that are occupied; and

36 (3) to the extent the taxpayer has expanded child care, the number of  
37 child care seats in existence before such expansion and the number of  
38 such child care seats that were occupied before such expansion.

39 2. No later than January thirty-first of the calendar year following  
40 the calendar year in which the application was submitted, the department  
41 of finance shall approve or deny such application and provide a calcu-  
42 lation of the amount of such credit as determined by subdivision e of  
43 this section for any application that has been approved.

44 d. Application of credit to tax year. The credit, as approved and  
45 calculated by the department of finance pursuant to paragraph two of  
46 subdivision c of this section, shall be applied to the tax year in which  
47 the service year concludes, except that: (i) for a taxpayer whose tax  
48 year concludes on or after September thirtieth and before December thir-  
49 ty-first, the credit shall be applied to the tax year immediately  
50 following the tax year in which the service year concludes; and (ii) to  
51 provide the credit in a tax year consistent with this subdivision, the  
52 department of finance may establish procedures governing the application  
53 of such credit where the tax year of a taxpayer who has applied for such  
54 credit is less than twelve months, or where such tax year varies in  
55 accordance with subsection f of section four hundred forty-one of the  
56 internal revenue code.

1 e. Maximum amount of credit available. For each of the three tax years  
2 in which the credit authorized by this section is available, the aggregate  
3 amount of such credit shall be a maximum of twenty-five million  
4 dollars. To the extent that the department of finance has determined  
5 that the aggregate amount of such credit, as calculated pursuant to  
6 subdivision b of this section, would exceed twenty-five million dollars,  
7 such department shall reduce the amount of credit to be granted to each  
8 taxpayer who has applied for such credit in accordance with a process to  
9 be developed in rules promulgated by such department. In developing such  
10 process, the department may consider factors including, but not limited  
11 to, the date of application, the number of child care seats in a child  
12 care program that are occupied, and the extent to which the taxpayer  
13 bears the cost of the child care that is provided to the employees of  
14 such taxpayer.

15 § 2. Section 11-503 of the administrative code of the city of New York  
16 is amended by adding a new subdivision (q) to read as follows:

17 (q) Credit for the provision of child care. In addition to any other  
18 credit allowed under this section, a taxpayer whose application for a  
19 credit authorized by section 11-144 of this title has been approved by  
20 the department of finance shall be allowed a credit against the tax  
21 imposed by this chapter. The amount of the credit shall be determined as  
22 provided in such section. To the extent the amount of the credit allowed  
23 by this subdivision exceeds the amount of tax due pursuant to this chap-  
24 ter, as calculated without such credit, such excess amount shall be  
25 treated as an overpayment of tax to be credited or refunded in accord-  
26 ance with the provisions of section 11-526 of this chapter, provided,  
27 however, that notwithstanding the requirements of section 11-528 of this  
28 chapter to the contrary, no interest shall be paid thereon.

29 § 3. Section 11-604 of the administrative code of the city of New York  
30 is amended by adding a new subdivision 23 to read as follows:

31 (23) Credit for the provision of child care. In addition to any other  
32 credit allowed under this section, a taxpayer whose application for a  
33 credit authorized by section 11-144 of this title has been approved by  
34 the department of finance shall be allowed a credit against the tax  
35 imposed by this chapter. The amount of the credit shall be determined as  
36 provided in such section. To the extent the amount of the credit allowed  
37 by this subdivision exceeds the amount of tax due pursuant to this  
38 subchapter, as calculated without such credit, such excess amount shall  
39 be treated as an overpayment of tax to be credited or refunded in  
40 accordance with the provisions of section 11-677 of this chapter,  
41 provided, however, that notwithstanding the requirements of section  
42 11-679 of this chapter to the contrary, no interest shall be paid there-  
43 on.

44 § 4. Section 11-654 of the administrative code of the city of New York  
45 is amended by adding a new subdivision 23 to read as follows:

46 (23) Credit for the provision of child care. In addition to any other  
47 credit allowed under this section, a taxpayer whose application for a  
48 credit authorized by section 11-144 of this title has been approved by  
49 the department of finance shall be allowed a credit against the tax  
50 imposed by this chapter. The amount of the credit shall be determined as  
51 provided in such section. To the extent the amount of the credit allowed  
52 by this subdivision exceeds the amount of tax due pursuant to this  
53 subchapter, as calculated without such credit, such excess amount shall  
54 be treated as an overpayment of tax to be credited or refunded in  
55 accordance with the provisions of section 11-677 of this chapter,  
56 provided, however, that notwithstanding the requirements of section

1 11-679 of this chapter to the contrary, no interest shall be paid there-  
2 on.

3 § 5. This act shall take effect immediately, provided that the credit  
4 authorized by section 11-144 of the administrative code of the city of  
5 New York, as added by section one of this act, shall be available to be  
6 applied to the tax year beginning between January 1, 2023 and December  
7 31, 2023, inclusive of those dates, and to the two tax years immediately  
8 following such initial tax year.

3 PART KK

4 Section 1. Section 472 of the economic development law is amended by  
5 adding a new subdivision 4-a to read as follows:

6 4-a. "Certificate of additional tax credit" means the document issued  
7 to a business entity by the department after the department has verified  
8 that the business entity has met all applicable eligibility criteria in  
9 this article. The certificate shall specify the exact amount of the tax  
10 credit under this article that a business entity may claim pursuant to  
11 section four hundred seventy-five-a of this article.

12 § 2. Subdivisions 1 and 3 of section 474 of the economic development  
13 law, as added by section 1 of subpart A of part PP of chapter 59 of the  
14 laws of 2021, are amended and a new subdivision 4 is added to read as  
15 follows:

16 1. A business entity must submit a complete application as prescribed  
17 by the commissioner for the restaurant return-to-work credit and the  
18 additional restaurant return-to-work credit.

19 3. The application for the tax credit allowed under section four  
20 hundred seventy-five of this article must be submitted by May first, two  
21 thousand twenty-two. After reviewing a business entity's completed final  
22 application for the restaurant return-to-work credit and determining  
23 that the business entity meets the eligibility criteria as set forth in  
24 this article, the department may issue to that business entity a certif-  
25 icate of tax credit. A business entity may claim the tax credit in the  
26 taxable year that includes December thirty-first, two thousand twenty-  
27 one.

28 4. The application for the tax credit allowed under section four  
29 hundred seventy-five-a of this article must be submitted by July first,  
30 two thousand twenty-two. After reviewing a business entity's completed  
31 final application for the additional restaurant return-to-work credit  
32 and determining that the business entity meets the eligibility criteria  
33 as set forth in this article, the department may issue to that business  
34 entity a certificate of additional tax credit. A business entity may  
35 claim the tax credit in the taxable year that includes December thirty-  
36 first, two thousand twenty-two.

37 § 3. The economic development law is amended by adding a new section  
38 475-a to read as follows:

39 § 475-a. Additional restaurant return-to-work tax credit. 1. A busi-  
40 ness entity in the restaurant return-to-work tax credit program that  
41 applies for the additional restaurant return-to-work credit pursuant to  
42 section four hundred seventy-four of this article may be eligible to  
43 claim a credit equal to five thousand dollars per each full-time equiv-  
44 alent net employee increase above ten, not to exceed twenty, as defined  
45 in subdivision eight of section four hundred seventy-two of this arti-  
46 cle. The amount of the business entity's additional restaurant return-  
47 to-work tax credit shall be calculated by using the date the business  
48 entity chose to calculate its average ending full-time employment as  
49 described in subdivision three of section four hundred seventy-two of  
50 this article. Provided, however, that in calculating the full-time  
51 equivalent net employee increase above ten, the jobs must continue to  
52 exist as of March thirty-first, two thousand twenty-two. A business  
53 entity in the restaurant return-to-work program that ceased operations

1 on or before March thirty-first, two thousand twenty-two, is not eligi-  
2 ble for the credit provided by this section.

3 2. A business entity, including a partnership, limited liability  
4 company and subchapter S corporation, may not receive in excess of fifty  
5 thousand dollars in tax credits under this program.

6 3. The credit shall be allowed as provided in section forty-six-a,  
7 subdivision fifty-six-a of section two hundred ten-B and subsection  
8 (nnn) of section six hundred six of the tax law.

9 § 4. The tax law is amended by adding a new section 46-a to read as  
10 follows:

11 § 46-a. Additional restaurant return-to-work tax credit. (a) Allowance  
12 of credit. A taxpayer subject to tax under article nine-A or twenty-two  
13 of this chapter shall be allowed a credit against such tax, pursuant to  
14 the provisions referenced in subdivision (f) of this section. The amount  
15 of the credit is equal to the amount determined pursuant to section four  
16 hundred seventy-five-a of the economic development law. No cost or  
17 expense paid or incurred by the taxpayer which is included as part of  
18 the calculation of this credit shall be the basis of any other tax cred-  
19 it allowed under this chapter.

20 (b) Eligibility. To be eligible for the additional restaurant return-  
21 to-work tax credit, the taxpayer shall have been issued a certificate of  
22 additional tax credit by the department of economic development pursuant  
23 to subdivision four of section four hundred seventy-four of the economic  
24 development law, which certificate shall set forth the amount of the  
25 credit that may be claimed for the taxable year. The taxpayer shall be  
26 allowed to claim only the amount listed on the certificate of additional  
27 tax credit for that taxable year. A taxpayer that is a partner in a  
28 partnership, member of a limited liability company or shareholder in a  
29 subchapter S corporation that has received a certificate of additional  
30 tax credit shall be allowed its pro rata share of the credit earned by  
31 the partnership, limited liability company or subchapter S corporation.  
32 However, the taxpayer must be a partner, member or shareholder of such  
33 partnership, limited liability company or subchapter S corporation as of  
34 April first, two thousand twenty-two.

35 (c) Tax return requirement and advance payment option. (1) The taxpay-  
36 er shall be required to attach to its tax return in the form prescribed  
37 by the commissioner, proof of receipt of its certificate of additional  
38 tax credit issued by the commissioner of the department of economic  
39 development.

40 (2) Taxpayers shall have the option to request an advance payment of  
41 the amount of tax credit they are allowed under this section. A taxpayer  
42 must submit such request to the department in the manner prescribed by  
43 the commissioner after it has been issued a certificate of additional  
44 tax credit by the department of economic development pursuant to subdivi-  
45 vision four of section four hundred seventy-four of the economic devel-  
46 opment law (or such certificate has been issued to a partnership, limit-  
47 ed liability company or subchapter S corporation in which it is a  
48 partner, member or shareholder, respectively), but such request must be  
49 submitted no later than September thirtieth, two thousand twenty-two.  
50 For those taxpayers who have requested an advance payment and for whom  
51 the commissioner has determined eligible for this credit, the commis-  
52 sioner shall advance a payment of the tax credit allowed to the taxpay-  
53 er. However, in the case of a taxpayer subject to article nine-A of this  
54 chapter, such payment shall be equal to the amount of credit allowed to  
55 the taxpayer less twenty-five dollars. Such twenty-five dollars shall  
56 represent a partial payment of tax owed by the taxpayer under article

1 nine-A, including any fixed dollar minimum owed under paragraph (d) of  
2 subdivision one of section two hundred ten of this chapter. When a  
3 taxpayer files its return for the taxable year, such taxpayer shall  
4 properly reconcile the advance payment and any partial payment of fixed  
5 dollar minimum tax, if applicable, on the taxpayer's return.

6 (d) Information sharing. Notwithstanding any provision of this chap-  
7 ter, employees of the department of economic development and the depart-  
8 ment shall be allowed and are directed to share and exchange:

9 (1) information derived from tax returns or reports that are relevant  
10 to a taxpayer's eligibility to participate in the restaurant return-to-  
11 work tax credit program;

12 (2) information regarding the credit applied for, allowed, or claimed  
13 pursuant to this section and taxpayers that are applying for the credit  
14 or that are claiming the credit; and

15 (3) information contained in or derived from credit claim forms  
16 submitted to the department and applications for admission into the  
17 restaurant return-to-work tax credit program. Except as provided in  
18 paragraph two of this subdivision, all information exchanged between the  
19 department of economic development and the department shall not be

3 amend, modify or otherwise alter local laws imposing or relating to the  
4 taxes payable to the authority pursuant to subsection (d) of section  
5 eight hundred seventy-three or section thirteen hundred thirteen of the
