

STATE OF NEW YORK

8071

IN SENATE

January 24, 2022

Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Banks

AN ACT to amend the banking law, the tax law, the executive law, the estates, powers and trusts law, the public health law and the real property law, in relation to providing for the remote conduct of certain practices and procedures

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 11 of the banking law is amended by adding a new
2 subdivision 5 to read as follows:

3 5. Notwithstanding any provision of law to the contrary, any instru-
4 ment which is signed and delivered to the superintendent pursuant to any
5 provision of this chapter, and is required to be verified or acknowl-
6 edged pursuant to the provisions of this chapter, may be verified or
7 acknowledged by including the standard verification or acknowledgment
8 language in such instrument and transmitting a legible copy of the
9 signed instrument by fax or electronic means. The superintendent shall
10 promulgate all rules and regulations necessary for the implementation of
11 the provisions of this subdivision.

12 § 2. Section 171 of the tax law is amended by adding a new subdivision
13 twenty-ninth to read as follows:

14 Twenty-ninth. Have the authority to accept electronic signatures in
15 lieu of handwritten signatures on documents related to the determination
16 or collection of tax liability. The commissioner may promulgate rules
17 and regulations regarding which documents shall be accepted with elec-
18 tronic signatures and the requirements for such electronic signatures.

19 § 3. The executive law is amended by adding a new section 137-b to
20 read as follows:

21 § 137-b. Notary services provided utilizing communication technology.
22 1. For purposes of this section, the following terms shall have the
23 following meanings:

24 (a) "Communication technology" means an electronic device or process
25 that: (1) allows a notary public and a remotely located individual to
26 communicate with each other simultaneously by sight and sound; and (2)

1 when necessary and consistent with other applicable law, facilitates
2 communication with a remotely located individual who has a vision, hear-
3 ing, or speech impairment.

4 (b) "Identity proofing" means a process or service by which a third
5 person provides a notary public with a means to verify the identity of a
6 remotely located individual by a review of personal information from
7 public and private data sources.

8 (c) "Outside the United States" means a location outside the geograph-
9 ic boundaries of the United States, Puerto Rico, the United States
10 Virgin Islands, and any territory, insular possession, or other location
11 subject to the jurisdiction of the United States.

12 (d) "Remotely located individual" means an individual who is not in
13 the physical presence of the notary public who performs a notarial act.

14 2. A remotely located individual may use communication technology to
15 appear before a notary public.

16 3. A notary public located in this state may perform a notarial act
17 using communication technology for a remotely located individual if:

18 (a) the notary public:

19 (1) has personal knowledge of the identity of the remotely located
20 individual; or

21 (2) has obtained satisfactory evidence of the identity of a remotely
22 located individual using at least two different types of identity proof-
23 ing;

24 (b) the notary public is able to clearly and conspicuously confirm
25 that a record before the notary public is the same record in which the
26 remotely located individual made a statement or on which such individual
27 executed a signature;

28 (c) the notary public, or person acting on behalf of the notary
29 public, creates an audio-visual recording of the performance of the
30 notarial act, and such audio-visual recording shall be recorded and
31 electronically stored securely for seven years;

32 (d) for a remotely located individual located outside the United
33 States:

34 (1) the record:

35 (i) is to be filed with or relates to a matter before a public offi-
36 cial or court, governmental entity, or other entity subject to the
37 jurisdiction of the United States; or

38 (ii) involves property located in the territorial jurisdiction of the
39 United States or involves a transaction substantially connected with the
40 United States; and

41 (2) the act of making the statement or signing the record is not
42 prohibited by the foreign state in which the remotely located individual
43 is located; and

44 (e) the notarial certificate includes a statement substantially as
45 follows: "This notarial act involved the use of communication technolo-
46 gy."

47 4. The secretary of state may adopt rules under this section regarding
48 performance of a notarial act. The rules may:

49 (a) prescribe the means of performing a notarial act involving a
50 remotely located individual using communication technology;

51 (b) establish standards for communication technology and identity
52 proofing;

53 (c) establish requirements or procedures to approve providers of
54 communication technology and the process of identity proofing;

(d) establish standards and a period for the retention of an audio-visual recording created pursuant to paragraph (c) of subdivision three of this section; and

(e) prescribe the fees a notary public shall be entitled to for performing a notarial act involving a remotely located individual using communication technology.

5. Before adopting, amending, or repealing any rule governing performance of a notarial act with respect to a remotely located individual, the secretary of state shall consider:

(a) the most recent standards regarding the performance of a notarial act with respect to a remotely located individual promulgated by national standard-setting organizations and the recommendations of the National Association of Secretaries of State;

(b) standards, practices, and customs of other jurisdictions that have laws substantially similar to this section; and

(c) the views of governmental officials and entities and other interested persons.

6.(a) A notary public or other individual authorized to perform a notarial act may certify that a tangible copy of an electronic record is an accurate copy of the electronic record.

(b) A county clerk or city registrar where applicable shall accept for recording a tangible copy of an electronic record and that is otherwise eligible to be recorded under the laws of this state if the record has been certified by a notary public or other individual authorized to perform a notarial act under paragraph (a) of this subdivision.

(c) A certification in substantially the following form is sufficient for the purposes of paragraphs (a) and (b) of this subdivision:
