## IN SENATE

January 25, 2022

Introduced by Sen. BRESLIN -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance

AN ACT to amend the insurance law, in relation to certain charitable annuities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subsection (a) of section 1110 of the insurance law, as amended by chapter 199 of the laws of 2004, is amended to read as follows: (a) The superintendent may, in his <u>or her</u> discretion, issue a special

5 permit to make annuity agreements with donors to any duly organized б domestic or foreign non-stock corporation or association conducted with-7 out profit and engaged in active operation for at least ten years prior thereto solely in bona fide charitable, religious, missionary, educa-8 tional or philanthropic activities. The permit shall authorize such 9 10 corporation or association to receive gifts of cash and other property 11 conditioned upon, or in return for, its agreement to pay an annuity to 12 the donor, or his or her nominee, and to make and carry out such annuity agreement. Every such corporation or association shall, before making 13 such agreement, file with the superintendent copies of its forms of 14 agreements with annuitants and a schedule of its maximum annuity rates, 15 16 which shall be computed [on the basis of the annuity standard adopted by 17 it for calculating its reserves ] so as to return to it upon the annuitant's death a residue at least equal to one-half the original gift 18 or other consideration for such annuity. The maximum annuity rates may 19 be unisex in nature and shall be computed on the basis of currently 20 applicable mortality tables for calculating the reserves for individual 21 22 annuities pursuant to section four thousand two hundred seventeen of 23 this chapter. The yield of the ten year treasury bond yield plus two 24 percent as of April thirtieth, rounded to the nearest 0.25%, shall be used to calculate the maximum annuity rates to become effective as of 25 26 July first of the same year and the ten year treasury bond yield plus 27 two percent as of October thirty-first, rounded to the nearest 0.25%, shall be used to calculate the maximum annuity rates to become effective 28

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
