9 to a purpose of the department required to be accomplished by statute or  
10 executive order or otherwise necessary to act upon an application for  
11 benefits submitted by the person who is the subject of the particular  
12 record;

13 (ii) officers or employees of another governmental unit, or agent or  
14 contractors of another governmental unit at the request or direction of  
15 such governmental unit, if the information sought to be disclosed is  
16 necessary to act upon an application for benefits submitted by the  
17 person who is the subject of the particular record;

18 (iii) a judicial or administrative officer or employee in connection  
19 with an administrative or judicial proceeding if the information sought  
20 to be disclosed is necessary to act upon an application for benefits  
21 submitted by the person who is the subject of the particular record; and

22 (iv) a person engaged in bona fide statistical research, including but  
23 not limited to actuarial studies and health and safety investigations,  
24 which are authorized by statute or regulation of the department or other  
25 governmental agency. Individually identifiable information shall not be  
26 disclosed unless the researcher has entered into an agreement not to  
27 disclose any individually identifiable information which contains  
28 restrictions no less restrictive than the restrictions set forth in this  
29 section and which includes an agreement that any research findings shall  
30 not disclose individually identifiable information.

31 (c) Notwithstanding the restrictions on disclosure set forth in para-  
32 graphs (a) and (b) of this subdivision, an applicant may authorize the  
33 release, re-release or publication of his or her record to a specific  
34 person not otherwise authorized to receive such record, by submitting  
35 written authorization for such release to the department on a form  
36 prescribed by the commissioner or by a notarized original authorization  
37 specifically directing the department to release the applicant's records  
38 to such person; provided, however, that no such authorization directing  
39 disclosure of records to a prospective employer shall be valid, nor  
40 shall an authorization permitting disclosure of records in connection  
41 with assessing fitness or capability for employment be valid, and no  
42 disclosure of records shall be made pursuant thereto. It shall be unlaw-  
43 ful for any person to consider for the purpose of assessing eligibility  
44 for benefits, or as the basis for an employment-related action, an indi-  
45 vidual's failure to provide authorization under this paragraph.

46 (d) For the purposes of this section, whenever disclosure of records  
47 is sought pursuant to a lawful court order, judicial warrant signed by a  
48 judge pursuant to Article III of the United States Constitution, or  
49 subpoena for individual records properly issued pursuant to the criminal  
50 procedure law or the civil practice law and rules or pursuant to this  
51 subdivision, such specifically sought records may be disclosed, and any  
52 such disclosure shall be limited only to such records as are necessary  
53 to fulfill the purpose of such disclosure.

54 (e) The commissioner shall require any person or entity that receives  
55 or has access to records to certify that, before such receipt or access,  
56 such person or entity shall not:

(i) use such records or information for civil immigration purposes; or  
(ii) disclose such records or information to any agency that primarily enforces immigration law or to any employee or agent of any such agency unless such disclosure is pursuant to a cooperative arrangement between city, state and federal agencies which arrangement does not enforce immigration law and which disclosure is limited to the specific records or information being sought pursuant to such arrangement. Violation of such certification shall be a class A misdemeanor. In addition to any records required to be kept pursuant to subdivision (c) of section 2721 of title 18 of the United States code, any person or entity certifying pursuant to this paragraph shall keep for a period of five years records of all uses and identifying each person or entity that primarily enforces immigration law that received department records or information from such certifying person or entity. Such records shall be maintained in a manner and form prescribed by the commissioner and shall be available for inspection by the commissioner or his or her designee upon his or her request.

(iii) For purposes of this paragraph, the term "agency that primarily enforces immigration law" shall include, but not be limited to, the United States immigration and customs enforcement and United States customs and border protection, and any successor agencies having similar duties.

(iv) Failure to maintain records as required by this paragraph shall be a class E felony.

(f) Except as otherwise provided by this subdivision, any person who knowingly and willfully obtains records which contain individually identifiable information under false pretenses or otherwise violates this subdivision shall be guilty of a class E felony.

(g) In addition to or in lieu of any criminal proceeding available pursuant to this subdivision, whenever there shall be a violation of this subdivision, application may be made by the attorney general in the name of the people of the state of New York to a court or justice having jurisdiction by a special proceeding to issue an injunction, and upon notice to the defendant of not less than five days, to enjoin and restrain the continuance of such violations; and if it shall appear to the satisfaction of the court or justice that the defendant has, in fact, violated this subdivision, an injunction may be issued by such court or justice, enjoining and restraining any further violation, without requiring proof that any person has, in fact, been injured or damaged thereby. In any such proceeding, the court may make allowances to the attorney general as provided in paragraph six of subdivision (a) of section eighty-three hundred three of the civil practice law and rules, and direct restitution. Whenever the court shall determine that a violation of this subdivision has occurred, the court may impose a civil penalty of not more than five hundred dollars for the first violation, and not more than one thousand dollars for the second or subsequent violation within a three-year period. In connection with any such proposed application, the attorney general is authorized to take proof and make a determination of the relevant facts and to issue subpoenas in accordance with the civil practice law and rules.

8. Notwithstanding any law, rule, or regulation to the contrary, general operating funds required by the department shall not be reduced due to monies expended from or by the excluded worker unemployment program fund established pursuant to section ninety-five-k of the state finance law.

§ 3. The state finance law is amended by adding a new section 95-k to read as follows:

§ 95-k. Excluded worker unemployment program fund. 1. There is hereby established in the joint custody of the commissioner of taxation and finance and the state comptroller a special fund to be known as the "excluded worker unemployment program fund".

2. Moneys in such fund shall consist of all moneys appropriated for the purposes of such fund and all moneys appropriated, credited or transferred thereto from any other fund or source pursuant to law. Any interest received by the comptroller on money on deposit in the fund shall be retained in and become part of the fund.

3. All moneys collected as contributions and interest relating to wage replacement to workers and families unable to access traditional worker wage insurance or assistance programs shall be deposited in a bank, trust company or industrial bank designated by the state comptroller. Moneys so deposited shall be credited immediately to the account of the excluded worker unemployment program fund and shall be used for the purposes set forth in section five hundred ninety-one-b of the labor law. Moneys in such fund may be invested by the state comptroller in accordance with the provisions of section ninety-eight of this article, and shall only be used for the purposes specified herein.

4. Moneys in the fund shall be used exclusively for the purpose of providing wage replacement to workers that do not qualify for unemployment insurance or other worker wage assistance programs and who have lost a major source of income due to lost work. The moneys shall be paid out of the fund on the audit and warrant of the state comptroller on vouchers certified or approved by such commissioner or his or her duly designated officer. Any balance in such fund shall not lapse at any time but shall remain continuously available for such purposes.

5. Moneys of the fund shall not be used in whole or in part for any purpose or in any manner which would (a) permit its substitution for, or a corresponding reduction in, federal funds that would be available in its absence to finance expenditures for the administration of this article; or (b) cause the appropriate agency of the United States government to withhold any part of an administrative grant which would otherwise be made.

§ 4. The sum of eight hundred million dollars (\$800,000,000) is hereby appropriated from any moneys in the state treasury in the general fund to the credit of the state purposes account for the excluded worker unemployment program fund in carrying out the provisions of this act. Such sum shall be payable on the audit and warrant of the state comptroller on vouchers certified or approved in the manner provided by law. No expenditure shall be made from this appropriation until a certificate of approval of availability shall have been issued by the director of the budget and filed with the state comptroller and a copy filed with the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

§ 5. Severability Clause. If any clause, sentence, paragraph, subdivision, section, or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or

1 part thereof directly involved in the controversy in which such judgment  
2 shall have been rendered. It is hereby declared to be the intent of the  
3 legislature that this act would have been enacted even if such invalid  
4 provisions had not been included herein.  
5 § 6. This act shall take effect immediately.
