Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to prohibiting the use of residential automatic pesticide misting systems

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 33-1301 of the environmental conservation law is amended by adding a new subdivision 13 to read as follows:

13. For any person, on and after the first of January next succeeding the effective date of this subdivision, to install or utilize any residential automatic pesticide misting system in this state. For purposes of this subdivision, "residential automatic pesticide misting system" means any device that is designed to be installed on, near or around the exterior of any residential dwelling or the grounds of such residential dwelling and to automatically spray any pesticide solution at timed intervals.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
