11 § 1001. Hours worked and full-time employment. The following shall
12 apply for the purposes of certifying employment for the purposes of the
13 public service loan forgiveness program only and shall have no other
14 applicability for public service employers and their employees.

15 1. For faculty or teacher employees, a public service employer shall

35 to the U.S. department of education or its agents the information
36 necessary for employment certification.

37 2. If a public service employer does not directly certify employment
38 with the U.S. department of education pursuant to subdivision one of

40 of renewal and a copy of the public service loan forgiveness form with
41 the employer information and employment certification sections of the
42 form already completed to:

43 a. an employee who requests a public service loan forgiveness form;
44 b. any current employee for whom the public service employer has
45 previously certified employment; and
46 c. an employee who is ending his or her work with the public service
47 employer.

48 The partially completed form should reflect employment for the prior
49 calendar year, and may reflect longer periods of employment, as neces-
50 sary.

51 3. A public service employer shall not unreasonably delay in certify-
52 ing employment.

53 4. Nothing in this section shall prevent a public service employer
54 from seeking permission from its employees prior to certifying their
55 employment.

1 § 1003. Tax consequences of cancellation. Notwithstanding any other
2 provision of law, debt cancellation through the public service loan
3 forgiveness program shall not be subject to taxation and shall not be
