AN ACT to amend the environmental conservation law, in relation to reducing emissions of air pollutants from petroleum bulk storage facilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 17-1016 to read as follows:

§ 17-1016. Reduction of air pollution from petroleum bulk storage facilities.

1. For purposes of this section, the terms below shall have the following meaning:

a. "Shell color" shall mean the color and shade combination of the paint on the sides or shell of a tank.

b. "Roof color" shall mean the color and shade combination of the paint on the roof of a tank.

c. "Tank" shall have the meaning set forth in section 17-1003 of this title except that for purposes of this section "tank" means an above-ground tank and does not include associated pipes, lines, fixtures or other ancillary equipment.

2. Tank coloring. a. No person shall own or operate a facility containing a tank that does not meet the color requirements of this subdivision. Such color requirements shall apply to every tank at a facility regardless of whether the tank is in active use for storage.

b. A tank shall have a shell color and roof color of either white or beige/cream.

§ 2. This act shall take effect January 1, 2024.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
