AN ACT to authorize the county of Broome to offer an optional twenty year retirement plan to Joshua Quinn, a deputy sheriff employed by such county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1     Section 1. Notwithstanding any other provision of law to the contrary,  
2 Joshua Quinn, a member of the optional twenty-five year retirement plan  
3 for certain sheriffs, undersheriffs, deputy sheriffs and correction  
4 officers pursuant to section 89-m of the retirement and social security  
5 law, who was employed by Broome county as a corrections officer as of  
6 February 2, 2015, who was then promoted to deputy sheriff on March 3,  
7 2015, and who through no fault of his own, failed to file a timely  
8 application to participate in the special twenty year retirement plan  
9 contained in section 552 of the retirement and social security law at  
10 the time of his promotion to deputy sheriff resulting in the crediting  
11 of his service with the county of Broome in the retirement plan  
12 contained in section 89-m of such law, shall be given full credit in the  
13 section 552 twenty year retirement plan for such service as a deputy  
14 sheriff upon the election of the county of Broome to assume the addi-  
15 tional cost of such service and his election to participate in such  
16 plan. The county of Broome may so elect within one year of the effective  
17 date of this act, by filing with the state comptroller a resolution of  
18 its local legislative body together with certification that such member  
19 did not bar himself from participation in such retirement plan as a  
20 result of his own negligence.

21     § 2. Such deputy sheriff may elect to be covered by the provisions of  
22 section 552 of the retirement and social security law and shall be enti-  
23 tled to the full rights and benefits associated with coverage under such  
24 section by filing a request to that effect with the state comptroller  
25 within eighteen months of the effective date of this act.

1     § 3. All employer past service costs associated with the implementa-  
2     tion of this act shall be borne by Broome county, and may be amortized  
3     over a period of five years.

4     § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Joshua Quinn, a current member of the New York State and Local Employees' Retirement System employed as a deputy sheriff by Broome County and covered under the 25-year retirement plan of section 89-M of the Retirement and Social Security Law (RSSL), to elect to be covered under the 20-year plan of section 552 of the RSSL.

If this bill is enacted during the 2022 legislative session, we anticipate that there will be an increase of approximately \$3,600 in the annual contributions of Broome County for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of Joshua Quinn change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$44,500 which will be borne by Broome County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023. If Broome County elects to amortize this cost over a 5-year period, the cost for the first year including interest would be \$9,940.
