IN SENATE

March 1, 2022

Introduced by Sens. REICHLIN-MELNICK, MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Elections

AN ACT to amend the election law, in relation to objections to designating and nominating petitions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 6-154 of the election law is amended by adding a
2 new subdivision 2-a to read as follows:

3 2-a. (a) When ruling on objections to designating and nominating
4 petitions, the officer or board with whom such objection is filed shall
5 construe all election laws, rules, and regulations liberally so as not
6 to deprive an individual of their right to run for office, or the voters
7 of their right to elect a candidate of their choice.

8 (b) The officer or board making a determination as to the sufficiency
9 of a petition shall abide by the following when making such determi-
10 nation:

11 (i) Objections related to a voter or witness statement address shall
12 not be valid if the voter or witness and the address are reasonably
13 ascertainable by the officer or board making a determination.

14 (ii) Objections shall not be valid simply because a voter or witness
15 writes in the name of the village, hamlet, or census designated place in
16 which such voter or witness lives rather than the city or town in which
17 such voter or witness lives. In the city of New York, an objection shall
18 not be valid simply because a voter or witness writes in the name of the
19 borough in which such voter or witness lives rather than the county in
20 which such voter or witness lives.

21 (iii) Objections related to pagination errors shall not be a basis for
22 invalidating a petition.

23 (iv) A petition shall not be invalidated because the signature count
24 appearing on the cover sheet is misstated. Only the number of signatures
25 actually appearing on the petition shall be counted.

26 (v) A petition shall not be invalidated because the stated number of
27 signatures that appear in the witness statement is inaccurate. Only the

1 number of signatures actually appearing on the petition shall be count-
2 ed.

3 (vi) An objection to a petition premised on the public office for
4 which a candidate was designated for nomination being inaccurately stat-
5 ed shall be valid only if a reasonable voter would be confused by the
6 description of such misstated office.

7 (vii) When the date appearing on the witness statement is earlier than
8 the stated date of some voter signatures, only the voter signatures that
9 bear a date that is later than the date borne by the witness statement
10 shall be invalid.

11 (viii) A petition may be rejected by the board of elections if such
12 petition does not meet the minimum number of signatures required pursu-
13 ant to section 6-136 of this article.

14 § 2. Section 16-102 of the election law is amended by adding a new
15 subdivision 2-a to read as follows:

16 2-a. (a) When ruling on objections to designating and nominating
17 petitions, the court shall construe all election laws, rules, and regu-
18 lations liberally so as not to deprive an individual of their right to
19 run for office, or the voters of their right to elect a candidate of
20 their choice.

21 (b) The court shall abide by the following when making such determi-
22 nation:

23 (i) Objections related to a voter or witness statement address shall
24 not be valid if the voter or witness and the address are reasonably
25 ascertainable by the officer or board making a determination.

26 (ii) Objections shall not be valid simply because a voter or witness
27 writes in the name of the village, hamlet, or census designated in which
28 such voter or witness lives rather than the city or town in which such
29 voter or witness lives. In the city of New York, an objection shall not
30 be valid simply because a voter or witness writes in the name of the
31 borough in which such voter or witness lives rather than the county in
32 which such voter or witness lives.

33 (iii) Objections related to pagination errors shall not be a basis for
34 invalidating a petition.

35 (iv) A petition shall not be invalidated because the signature count
36 appearing on the cover sheet is misstated. Only the number of signatures
37 actually appearing on the petition shall be counted.

38 (v) A petition shall not be invalidated because the stated number of
39 signatures that appear in the witness statement is inaccurate. Only the
40 number of signatures actually appearing on the petition shall be count-
41 ed.

42 (vi) An objection to a petition premised on the public office for
43 which a candidate was designated for nomination being inaccurately stat-
44 ed shall be valid only if a reasonable voter would be confused by the
45 description of such misstated office.

46 (vii) When the date appearing on the witness statement is earlier than
47 the stated date of some voter signatures, only the voter signatures that
48 bear a date that is later than the date borne by the witness statement
49 shall be invalid.

50 (viii) A petition may be rejected by the board of elections if such
51 petition does not meet the minimum number of signatures required pursu-
52 ant to section 6-136 of this chapter.

53 § 3. This act shall take effect immediately.
