The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. This act shall be known and may be cited as the "marihuana regulation and taxation act".

§ 2. Chapter 7-A of the consolidated laws is enacted, to read as follows:

CHAPTER 7-A OF THE CONSOLIDATED LAWS
CANNABIS LAW
ARTICLE 1
SHORT TITLE; LEGISLATIVE FINDINGS AND INTENT;
DEFINITIONS

Section 1. Short title.
2. Legislative findings and intent.
3. Definitions.

Section 1. Short title. This chapter shall be known and may be cited and referred to as the "cannabis law".
§ 2. Legislative findings and intent. The legislature finds that existing marihuana laws have not been beneficial to the welfare of the general public. Existing laws have been ineffective in reducing or curbing marihuana use and have instead resulted in devastating collateral consequences including mass incarceration and other complex generational trauma, that inhibit an otherwise law-abiding citizen's ability to access housing, employment opportunities, and other vital services. Existing laws have also created an illicit market which represents a threat to public health and reduces the ability of the legislature to deter the accessing of marihuana by minors. Existing marihuana laws have disproportionately impacted African-American and Latinx communities.

The intent of this act is to regulate, control, and tax marihuana, heretofore known as cannabis, generate significant new revenue, make substantial investments in communities and people most impacted by marihuana criminalization to address the collateral consequences of such criminalization, prevent access to cannabis by those under the age of twenty-one years, reduce the illegal drug market and reduce violent crime, reduce participation of otherwise law-abiding citizens in the illicit market, end the racially disparate impact of existing cannabis laws, create new industries and increase employment and strengthen New York's agriculture sector.

Nothing in this act is intended to limit the authority of any district government agency or office or employers to enact and enforce policies pertaining to cannabis in the workplace, to allow driving under the influence of cannabis, to allow individuals to engage in conduct that endangers others, to allow smoking cannabis in any location where smoking tobacco is prohibited, or to require any individual to engage in any conduct that violates federal law or to exempt anyone from any requirement of federal law or pose any obstacle to the federal enforcement of federal law.

The legislature further finds and declares that it is in the best interest of the state to regulate medical cannabis, adult-use cannabis, cannabinoid hemp and hemp extracts under independent entities, known as the cannabis control board and the office of cannabis management.

labels shall be affixed to those products when sold, pursuant to rules 
and regulations that the board may adopt.

2. The board may, by rules and regulations, require processors to

may require an appropriate fact panel that incorporates data regarding 
serving sizes and potency thereof.

3. The packaging, sale, or possession of products derived from canna-

reporting such laboratory testing results. The board has authority to
require licensees to submit any cannabinoid hemp, hemp extract or product derived therefrom, processed or offered for sale within the state, for testing by the board. This section shall not obligate the board, in any way, to perform any testing on hemp, cannabinoid hemp, hemp extract or product derived therefrom.

No registered organization, licensee, or permittee or other entity under the jurisdiction of the board shall employ, or permit to be employed, or shall allow to work, on any premises registered or licensed for retail sale hereunder, any person under the age of twenty-one years in any capacity where the duties of such person require or permit such person to sell, dispense or handle cannabis.

4. No registered organization, licensee, or permittee, or other entity under the jurisdiction of the board, shall sell, deliver or give away, or cause, permit or procure to be sold, delivered or given away any cannabis, cannabis product, or medical cannabis on credit; except that a registered organization, licensee or permittee may accept third party credit cards for the sale of any cannabis, cannabis product, or medical cannabis for which it is registered, licensed or permitted to dispense or sell to patients or cannabis consumers. This includes, but is not limited to, any consignment sale of any kind.

5. No registered organization, licensee, or permittee, or other entity under the jurisdiction of the board, shall cease to be operated as a bona fide or legitimate premises within the contemplation of the registration, license, or permit issued for such premises, as determined within the judgment of the board.

6. No registered organization, licensee, or permittee, or other entity under the jurisdiction of the board, shall refuse, nor any person holding a registration, license, or permit refuse, nor any officer or director of any corporation or organization holding a registration, license, or permit refuse, to appear and/or testify under oath at an inquiry or hearing held by the board, with respect to any matter bearing upon the registration, license, or permit, the conduct of any people at the
licensed premises, or bearing upon the character or fitness of such
registrant, licensee, or permittee, or other entity under the jurisdic-
tion of the board, to continue to hold any registration, license, or
permit. Nor shall any of the above offer false testimony under oath at
such inquiry or hearing.

7. No registered organization, licensee, or permittee, or other entity
under the jurisdiction of the board, shall engage, participate in, or
aid or abet any violation of any provision of this chapter, or the rules
or regulations of the board.

8. It shall be the responsibility of the registered organization,
licensee or permittee, or other entity under the jurisdiction of the
board, to exercise adequate supervision over the registered, licensed or
permitted location. Persons registered, licensed, or permitted shall be
held strictly accountable for any and all violations that occur upon any
registered, licensed, or permitted premises, and for any and all
violations committed by or permitted by any manager, agent or employee
of such registered, licensed, or permitted person.

9. It shall be unlawful for any person, partnership or corporation
operating a place for profit or pecuniary gain, with a capacity for the
assemblage of twenty or more persons to permit a person or persons to
come to the place of assembly for the purpose of cultivating, process-
ing, distributing, or retail distribution or sale of cannabis or canna-
abis products on said premises. This includes, but is not limited, to,
cannabis or cannabis products that are either provided by the operator
of the place of assembly, their agents, servants or employees, or canna-
abis that is brought onto said premises by the person or persons assembl-
ing at such place, unless an appropriate registration, license, or
permit has first been obtained from the board by the operator of said
place of assembly.

10. No adult-use cannabis or medical cannabis may be imported to, or
exported out of, New York state by a registered organization, licensee
or person holding a license and/or permit pursuant to this chapter,
until such time as it may become legal to do so under federal law.
Should it become legal to do so under federal law, the board may promul-
gate such rules and regulations as it deems necessary to protect the
public and the policy of the state, including to prioritize and promote
New York cannabis. Further, all such cannabis or cannabis products must
be distributed in a manner consistent with the provisions of this chap-
ter.

11. No registered organization, licensee or any of its agents, serv-
ants or employees shall sell any cannabis product, or medical cannabis
from house to house by means of a truck or otherwise, where the sale is
consummated and delivery made concurrently at the residence or place of
business of a cannabis consumer. This subdivision shall not prohibit the
delivery by a registered organization to certified patients or their
designated caregivers, pursuant to article three of this chapter.

12. No licensee shall employ any canvasser or solicitor for the
purpose of receiving an order from a certified patient, designated care-
giver or cannabis consumer for any cannabis product, or medical cannabis
at the residence or place of business of such patient, caregiver or
consumer, nor shall any licensee receive or accept any order, for the
sale of any cannabis product, or medical cannabis which shall be solic-
itated at the residence or place of business of a patient, caregiver or
consumer. This subdivision shall not prohibit the solicitation by a
distributor of an order from any licensee at the licensed premises of
such licensee.
§ 126. License to be confined to premises licensed; premises for which no license shall be granted; transporting cannabis. 1. A registration, license, or permit issued to any person, pursuant to this chapter, for any registered, licensed, or permitted premises shall not be transferable to any other person, to any other location or premises, or to any other building or part of the building containing the licensed premises except in the discretion of the office. All privileges granted by any registration, license, or permit shall be available only to the person therein specified, and only for the premises licensed and no other except if authorized by the board. Provided, however, that the provisions of this section shall not be deemed to prohibit the amendment of a registration or license as provided for in this chapter. A violation of this section shall subject the registration, license, or permit to revocation for cause.

2. Where a registration or license for premises has been revoked, the board in its discretion may refuse to issue a registration, license, or permit under this chapter, for a period of up to five years after such revocation, for such premises or for any part of the building containing such premises and connected therewith.

3. In determining whether to issue such a proscription against granting any registration, license, or permit for such five-year period, in addition to any other factors deemed relevant to the board, the board shall, in the case of a license revoked due to the sale of cannabis to a person under the age of twenty-one not otherwise authorized by this chapter, determine whether the proposed subsequent licensee has obtained such premises through an arm's length transaction, and, if such transaction is not found to be an arm's length transaction, the office shall deny the issuance of such license.

4. For purposes of this section, "arm's length transaction" shall mean a sale of a fee of all undivided interests in real property, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, or any part thereof, in the open market, between an informed and willing buyer and seller where neither is under any compulsion to participate in the transaction, unaffected by any unusual conditions indicating a reasonable possibility that the sale was made for the purpose of permitting the original licensee to avoid the effect of the revocation. The following sales shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of the revocation:

(a) a sale between relatives;
(b) a sale between related companies or partners in a business; or
(c) a sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, affected by other facts or circumstances that would indicate that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, is entered into for the primary purpose of permitting the original licensee to avoid the effect of the revocation.

5. No registered organization, licensee or permittee shall transport cannabis products or medical cannabis except in vehicles owned and operated by such registered organization, licensee or permittee, or hired and operated by such registered organization, licensee or permittee from a trucking or transportation company permitted and registered with the board.
6. No common carrier or person operating a transportation facility in this state, other than the United States government, shall knowingly receive for transportation or delivery within the state any cannabis products or medical cannabis unless the shipment is accompanied by copy of a bill of lading, or other document, showing the name and address of the consignor, the name and address of the consignee, the date of the shipment, and the quantity and kind of cannabis products or medical cannabis contained therein.

§ 127. Protections for the use of cannabis; unlawful discriminations prohibited. 1. No person, registered organization, licensee or permittee, employees, or their agents shall be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to civil liability or disciplinary action by a business or occupational or professional licensing board or office, solely for conduct permitted under this chapter. For the avoidance of doubt, the appellate division of the supreme court of the state of New York, and any disciplinary or character and fitness committees established by law are occupational and professional licensing boards within the meaning of this section. State or local law enforcement agencies shall not cooperate with or provide assistance to the government of the United States or any agency thereof in enforcing the federal controlled substances act solely for actions consistent with this chapter, except as pursuant to a valid court order.

2. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for conduct authorized under this chapter, except as exempted:

(a) if failing to do so would cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations;
(b) if the institution has adopted a code of conduct prohibiting cannabis use on the basis of religious belief; or
(c) if a property is registered with the New York smoke-free housing registry, it is not required to permit the smoking of cannabis products on its premises.

3. For the purposes of medical care, including organ transplants, a certified patient's authorized use of medical cannabis must be considered the equivalent of the use of any other medication under the direction of a practitioner and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

4. (a) No employer shall take adverse employment action against an employee for using cannabis, unless (i) such employee's usage is governed by state or local law or rule, or a collective bargaining agreement that: (1) limits or prohibits the usage of cannabis while performing the employee's job duties; (2) limits or prohibits the usage of cannabis as a condition of attaining or maintaining a license, certification, or professional status required for employment; or (3) governs the testing and disciplinary procedures related to the use of cannabis by employees; and (ii) the employee's usage is in violation of such state or local law or rules, or collective bargaining agreement.

(b) Employees whose usage of medical cannabis is governed by state or local law or rules, or a collective bargaining agreement that: (i) limits or prohibits the usage of cannabis while performing the employee's job duties; (ii) limits or prohibits the usage of cannabis as a condition of attaining or maintaining a license, certification, or professional status required for employment; or (iii) governs the testing and disciplinary procedures related to the use of cannabis by
employees, shall be afforded the same rights, procedures and protections
that are available and applicable to injured workers under the workers'
compensation law, or any rules or regulations promulgated thereunder,
when such injured workers are prescribed medications that may prohibit,
restrict, or require the modification of the performance of their
duties.

(c) Employees shall not face adverse employment actions for usage of
cannabis, as such conduct is permitted under this chapter, prior to the
beginning or after the conclusion of the employee's work hours, and off
of the employer's premises and without use of the employer's equipment
or other property.

(d) No employer shall take adverse employment action against an appli-
cant for employment, or otherwise discriminate against or refuse to
interview an applicant for employment, for using cannabis as such
conduct is permitted under this chapter.

5. Nothing in this section shall interfere with an employer's obli-
gation to provide a safe and healthy work place, free from recognized
hazards, as required by state and federal occupation safety and health
law or require an employer to commit any act that would cause the
employer to be in violation of any other federal law, or that would
result in the loss of a federal contract or federal funding.

6. Nothing in this section shall restrict an employer's ability to
prohibit or take adverse employment action for the possession or use of
intoxicating substances during work hours, or require an employer to
commit any act that would cause the employer to be in violation of
federal law, or that would result in the loss of a federal contract or
federal funding. For the purposes of this section, an employer may
consider an employee's ability to perform the employee's job responsi-
bilities to be impaired when the employee manifests specific articulable
symptoms while working that decrease or lessen the employee's perform-
ance of the duties or tasks of the employee's job position.

7. As used in this section, "adverse employment action" means refusing
to hire or employ, barring or discharging from employment, requiring a
person to retire from employment, or discriminating against in compen-
sation or in terms, conditions, or privileges of employment.

8. No person may be denied custody of or visitation or parenting time
with a minor, for conduct allowed under section 222.05 of the penal law,
unless the child's physical, mental or emotional condition has been
impaired, or is in imminent danger of becoming impaired as a result of
the person's behavior as established by a fair preponderance of the
evidence. For the purposes of this section, this determination cannot be
based solely on whether, when, and how often a person uses cannabis
without separate evidence of harm.

§ 128. Permits, registrations and licenses. 1. No permit, registra-
tion or license shall be transferable or assignable except that notwith-
standing any other provision of law, the permit, registration or license
of a sole proprietor converting to corporate form, where such proprietor
becomes the sole stockholder and only officer and director of such new
corporation, may be transferred to the subject corporation if all
requirements of this chapter remain the same with respect to such
permit, registration or license as transferred and, further, the regis-
tered organization or licensee shall transmit to the board, within ten
days of the transfer of license allowable under this subdivision, on a
form prescribed by the board, notification of the transfer of such
license.
2. No permit, registration or license shall be pledged or deposited as collateral security for any loan or upon any other condition; and any such pledge or deposit, and any contract providing therefor, shall be void.

3. Permits, registrations and licenses issued under this chapter shall contain, in addition to any further information or material to be prescribed by the rules and regulations of the board, the following information:
   (a) name of the person to whom the license is issued;
   (b) type of license and what type of cannabis commerce is thereby permitted;
   (c) description by street and number, or otherwise, of licensed premises; and
   (d) a statement in substance that such license shall not be deemed a property or vested right, and that it may be revoked at any time pursuant to law.

§ 129. Laboratory testing permits. 1. The board shall approve and permit one or more independent cannabis testing laboratories to test medical cannabis, adult-use cannabis and/or cannabinoid hemp or hemp extract.

2. To be permitted as an independent cannabis laboratory, a laboratory must apply to the board, on a form and in a manner prescribed by the office, and must demonstrate the following to the satisfaction of the board:
   (a) the owners and directors of the laboratory are of good moral character;
   (b) the laboratory and its staff has the skills, resources and expertise needed to accurately and consistently perform all of the testing required for adult-use cannabis, medical cannabis and/or cannabinoid hemp or hemp extract;
   (c) the laboratory has in place and will maintain adequate policies, procedures, and facility security to ensure proper: collection, labeling, accessioning, preparation, analysis, result reporting, disposal and storage of adult-use cannabis, and/or medical cannabis;
   (d) the laboratory is physically located in New York state;
   (e) the laboratory has been approved by the department of health pursuant to Part 55-2 of Title 10 of the New York Codes, Rules and Regulations, pertaining to laboratories performing environmental analysis; and
   (f) the laboratory meets any and all requirements prescribed by this chapter and by the board in regulation.

3. The owner of a laboratory testing permit under this section shall not hold a permit, registration or license in any category of this chapter and shall not have any direct or indirect ownership interest in such registered organization or licensee. No board member, officer, manager, owner, partner, principal stakeholder or member of a registered organization or licensee under this chapter, or such person's immediate family member, shall have an interest or voting rights in any laboratory testing permittee.

4. The board shall require that the permitted laboratory report testing results to the board in a manner, form and timeframe as determined by the office.

5. The board is authorized to promulgate regulations, requiring permitted laboratories to perform certain tests and services.
6. A laboratory granted a laboratory testing permit under this chapter shall not required to be licensed by the federal drug enforcement agency.

§ 130. Special use permits. The board is hereby authorized to issue the following kinds of permits for carrying on activities consistent with the policy and purpose of this chapter with respect to cannabis. The board has the authority to set fees for all permits issued pursuant to this section, to establish the periods during which permits are authorized, and to make rules and regulations, including emergency regulations, to implement this section.

1. Industrial cannabis permit - to purchase cannabis from one of the entities licensed by the board for use in the manufacture and sale of any of the following, when such cannabis is not otherwise suitable for consumption purposes, namely: (a) apparel, energy, paper, and tools; (b) scientific, chemical, mechanical and industrial products; or (c) any other industrial use as determined by the board in regulation.

2. Trucking permit - to allow for the trucking or transportation of cannabis products, or medical cannabis by a person other than a registered organization or licensee under this chapter.

3. Warehouse permit - to allow for the storage of cannabis, cannabis products, or medical cannabis at a location not otherwise registered or licensed by the office.

4. Packaging permit - to authorize a licensed cannabis distributor to sort, package, label and bundle cannabis products from one or more registered organizations or licensed processors, on the premises of the licensed cannabis distributor or at a warehouse for which a permit has been issued under this section.

§ 131. Local opt-out; municipal control and preemption. 1. The provisions of article four of this chapter authorizing the retail sale of adult-use cannabis to cannabis consumers shall not be applicable to a town, city or village which, after a mandatory referendum held pursuant to section twenty-three of the municipal home rule law, adopts a local law to prohibit the establishment or operation of retail dispensary licenses contained in article four of this chapter, within the jurisdiction of the town, city or village. Provided, however, that any town law shall apply to the area of the town outside of any village within such town.

2. Except as provided for in subdivision one of this section, all county, town, city and village governing bodies are hereby preempted from adopting any rule, ordinance, regulation or prohibition pertaining to the operation or licensure of registered organizations, adult-use cannabis licenses or hemp licenses. However, municipalities may pass local laws and ordinances governing the time, place and manner of licensed adult-use cannabis retail dispensaries, provided such ordinance or regulation does not make the operation of such licensed retail dispensaries unreasonably impracticable as determined by the board in consultation with the state cannabis advisory board.

§ 132. Penalties for violation of this chapter. 1. Any person who cultivates for sale or sells cannabis, cannabis products, or medical cannabis without having an appropriate registration, license or permit therefor, or whose registration, license, or permit has been revoked, surrendered or cancelled, may be subject to prosecution in accordance with article two hundred twenty-two of the penal law.

2. Any registered organization or licensee, who has received notification of a registration or license suspension pursuant to the provisions of this chapter, who sells cannabis, cannabis products, medical cannabis
or cannabinoid hemp or hemp extract during the suspension period, shall be subject to prosecution as provided in article two hundred twenty-two of the penal law, and upon conviction thereof under this section may be subject to a civil penalty of not more than five thousand dollars.

3. Any person who shall knowingly make any material false statement in the application for a registration, license or a permit under this chapter may be subject to a civil penalty of not more than two thousand dollars.

4. Any person under the age of twenty-one found to be in possession of cannabis or cannabis products who is not a certified patient pursuant to article three of this chapter shall be in violation of this chapter and shall be subject to the following penalty:

   (a) (i) The person shall be subject to a civil penalty of not more than fifty dollars. The civil penalty shall be payable to the office of cannabis management.

   (ii) Any identifying information provided by the enforcement agency for the purpose of facilitating payment of the civil penalty shall not be shared or disclosed under any circumstances with any other agency or law enforcement division.

   (b) The person shall, upon payment of the required civil penalty, be provided with information related to the dangers of underage use of cannabis and information related to cannabis use disorder by the office.

   (c) The issuance and subsequent payment of such civil penalty shall in no way qualify as a criminal accusation, admission of guilt, or a criminal conviction and shall in no way operate as a disqualification of any such person from holding public office, attaining public employment, or as a forfeiture of any right or privilege.

5. Cannabis recovered from individuals who are found to be in violation of this chapter may after notice and opportunity for a hearing be considered a nuisance and shall be disposed of or destroyed.

§ 133. Revocation of registrations, licenses and permits for cause; procedure for revocation or cancellation. 1. Any registration, license or permit issued pursuant to this chapter may be revoked, cancelled, suspended and/or subjected to the imposition of a civil penalty for cause, and there shall be a rebuttable presumption of revocation for the following causes:

   (a) conviction of the registered organization, licensee, permittee or his or her agent or employee for selling any illicit cannabis on the premises registered, licensed or permitted; or

   (b) for transferring, assigning or hypothecating a registration, license or permit without prior written approval of the office.

2. Notwithstanding the issuance of a registration, license or permit by way of renewal, the board may revoke, cancel or suspend such registration, license or permit and/or may impose a civil penalty against any holder of such registration, license or permit, as prescribed by this section, for causes or violations occurring during the license period immediately preceding the issuance of such registration, license or permit.

3. (a) As used in this section, the term "for cause" shall also include the existence of a sustained and continuing pattern of misconduct, failure to adequately prevent diversion or disorder on or about the registered, licensed or permitted premises, or in the area in front of or adjacent to the registered or licensed premises, or in any parking lot provided by the registered organization or licensee for use by registered organization or licensee's patrons, which significantly adversely affects or tends to significantly adversely affect the
(b) (i) As used in this section, the term "for cause" shall also include deliberately misleading the board or office of cannabis management:

(A) as to the nature and character of the business to be operated by the registered organization, licensee or permittee; or

(B) by substantially altering the nature or character of such business during the registration or licensing period without seeking appropriate approvals from the board.

(ii) As used in this subdivision, the term "substantially altering the nature or character" of such business shall mean any significant and material alteration in the scope of business activities conducted by a registered organization, licensee or permittee that would require obtaining an alternate form of registration, license or permit.

4. As used in this chapter, the existence of a sustained and continuing pattern of misconduct, failure to adequately prevent diversion or disorder on or about the premises may be presumed upon the sixth incident reported to the board by a law enforcement agency, or discovered by the board during the course of any investigation, of misconduct, diversion or disorder on or about the premises or related to the operation of the premises, absent clear and convincing evidence of either fraudulent intent on the part of any complainant or a factual error with respect to the content of any report concerning such complaint relied upon by the board.

5. Notwithstanding any other provision of this chapter to the contrary, a suspension imposed under this section against the holder of a registration issued pursuant to article three of this chapter, shall only suspend the licensed activities related to the type of cannabis, medical cannabis or adult-use cannabis involved in the violation resulting in the suspension.

6. Any registration, license or permit issued by the board pursuant to this chapter may be revoked, cancelled or suspended and/or subjected to the imposition of a monetary penalty set forth in this chapter in the manner prescribed by this section.

7. The board may on its own initiative, or on complaint of any person, institute proceedings to revoke, cancel or suspend any adult-use cannabis retail dispensary license or adult-use cannabis on-site consumption license and may impose a civil penalty against the licensee after a hearing at which the licensee shall be given an opportunity to be heard. Such hearing shall be held in such manner and upon such notice as may be prescribed in regulation by the board.

8. All other registrations, licenses or permits issued under this chapter may be revoked, cancelled, suspended and/or made subject to the imposition of a civil penalty by the office after a hearing to be held in such manner and upon such notice as may be prescribed in regulation by the board.

9. Where a licensee or permittee is convicted of two or more qualifying offenses within a five-year period, the office, upon receipt of notification of such second or subsequent conviction, shall, in addition to any other sanction or civil or criminal penalty imposed pursuant to this chapter, impose on such licensee a civil penalty not to exceed ten thousand dollars. For purposes of this subdivision, a qualifying offense shall mean the sale of cannabis to a person under the age of twenty-one not otherwise authorized by this chapter. For purposes of this subdivi-
§ 134. Lawful actions pursuant to this chapter. 1. Contracts related to the operation of registered organizations, licenses and permits under this chapter shall be lawful and shall not be deemed unenforceable on the basis that the actions permitted pursuant to the registration, license or permit are prohibited by federal law.

2. The following actions are not unlawful as provided under this chapter, shall not be an offense under any state or local law, and shall not result in any civil penalty, fine, seizure, or forfeiture of assets, or be the basis for detention or search against any person acting in accordance with this chapter:
   (a) Actions of a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the board.
   (b) Actions of those who allow property to be used by a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the board.
   (c) Actions of any person or entity, their employees, or their agents providing a service to a registered organization, licensee, permittee or a potential registered organization, licensee, or permittee, as permitted by this chapter and consistent with rules and regulations of the office, relating to the formation of a business.
   (d) The purchase, cultivation, possession, or consumption of cannabis, and medical cannabis, as permitted by law, and consistent with rules and regulations of the board.

§ 135. Review by courts. An action by the board shall be subject to review by the supreme court in the manner provided in article seventy-eight of the civil practice law and rules including, but not limited to:
   (a) Refusal by the board to issue a registration, license, or a permit.
   (b) The revocation, cancellation or suspension of a registration, license, or permit by the board.
   (c) The failure or refusal by the board to render a decision upon any application or hearing submitted to or held by the board within sixty days after such submission or hearing.
   (d) The transfer by the board of a registration, license, or permit to any other entity or premises, or the failure or refusal by the board to approve such a transfer.
   (e) Refusal to approve alteration of premises.
   (f) Refusal to approve a corporate change in stockholders, stockholdings, officers or directors.

§ 136. Illicit cannabis. 1. "Illicit cannabis" means and includes any cannabis product or medical cannabis that is owned, cultivated, distributed, bought, sold, packaged, rectified, blended, treated, fortified, mixed, processed, warehoused, possessed or transported for which any tax required to have been paid under any applicable state law has not been paid.

2. Any person holding a license, permit or registration under this chapter who shall knowingly possess or have under his or her control any cannabis known by the person to be illicit cannabis is guilty of a class B misdemeanor.
3. Any person holding a license, permit or registration pursuant to this chapter who shall knowingly barter, exchange, give or sell, or offer to barter, exchange, give or sell any cannabis known by the person to be illicit cannabis is guilty of a misdemeanor.

4. Any person holding a license, permit or registration pursuant to this chapter who shall knowingly possess or have under his or her control or transport any cannabis known by the person to be illicit cannabis with intent to barter, exchange, give or sell such cannabis is guilty of a class B misdemeanor.

5. Any person who, being the owner, lessee or occupant of any room, shed, tenement, booth, building, float, vessel or part thereof knowingly permits the same to be used for the cultivation, processing, distribution, purchase, sale, warehousing, transportation or storage of any illicit cannabis is guilty of a violation.

§ 137. Persons forbidden to traffic cannabis; certain officials not to be interested in manufacture or sale of cannabis products. 1. The following are forbidden to traffic in cannabis except in extraordinary circumstances as determined by the board:

(a) An individual who has been convicted of an offense related to the functions or duties of owning and operating a business within three years of the application date, except that if the board determines that the owner or licensee is otherwise suitable to be issued a license, and the board determines granting the license is not inconsistent with public safety, the board shall conduct a thorough review of the nature of the crime, conviction, circumstances and evidence of rehabilitation of the owner in accordance with article twenty-three-A of the correction law, and shall evaluate the suitability of the owner or licensee to be issued a license based on the evidence found through the review. In determining which offenses are substantially related to the functions or duties of owning and operating a business, the board shall include, but not be limited to, the following:

(i) a felony conviction within the past five years involving fraud, money laundering, forgery and other unlawful conduct related to owning and operating a business; and

(ii) a felony conviction within the past five years for hiring, employing, or using a minor in transporting, carrying, selling, giving away, preparing for sale, or peddling, any controlled substance to a minor; or selling, offering to sell, furnishing, offering to furnish, administering, or giving any controlled substance to a minor.

(b) A person under the age of twenty-one years;

(c) A partnership or a corporation, unless each member of the partnership, or each of the principal officers and directors of the corporation, is a citizen of the United States or a person lawfully admitted for permanent residence in the United States, not less than twenty-one years of age; provided however that a corporation which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and more than one-half of its directors are citizens of the United States or persons lawfully admitted for permanent residence in the United States; and provided further that a corporation organized under the not-for-profit corporation law or the education law which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and directors are not less than twenty-one years of age; and provided, further, that a corporation organized under the not-for-profit corporation law or the education law and located on the premises of a college as defined by section two of the education law which otherwise conforms
to the requirements of this section and chapter may be licensed if each of its principal officers and each of its directors are not less than twenty-one years of age;

(d) A person who shall have had any registration or license issued under this chapter revoked for cause, until the expiration of one year from the date of such revocation;

(e) A person not registered or licensed under the provisions of this chapter, who has been convicted of a misdemeanor or felony in violation of this chapter, until the expiration of one year from the date of such conviction; or

(f) A corporation or partnership, if any officer and director or any partner, while not licensed under the provisions of this chapter, has been convicted of a misdemeanor or felony in violation of this chapter, or has had a registration or license issued under this chapter revoked for cause, until the expiration of up to one year from the date of such conviction or revocation as determined by the board.

2. Except as may otherwise be provided for in regulation, it shall be unlawful for any chief of police, police officer or subordinate of any police department in the state, to be either directly or indirectly interested in the cultivation, processing, distribution, or sale of cannabis products or to offer for sale, or recommend to any registered organization or licensee any cannabis products. A person may not be denied any registration or license granted under the provisions of this chapter solely on the grounds of being the spouse or domestic partner of a public servant described in this section. The solicitation or recommendation made to any registered organization or licensee, to purchase any cannabis products by any police official or subordinate as hereinafter described, shall be presumptive evidence of the interest of such official or subordinate in the cultivation, processing, distribution, or sale of cannabis products.

3. No elected village officer shall be subject to the limitations set forth in subdivision two of this section unless such elected village officer shall be assigned duties directly relating to the operation or management of the police department.

§ 138. Access to criminal history information through the division of criminal justice services. In connection with the administration of this chapter, the board is authorized to request, receive and review criminal history information through the division of criminal justice services with respect to any person seeking a registration, license, permit or authorization to cultivate, process, distribute or sell medical cannabis, adult-use cannabis, cannabinoid hemp or hemp extract. Upon or after arraignment in a local criminal court upon an information, a prosecutor's information or a misdemeanor complaint, where the sole remaining count or counts charge a violation or violations of section 221.05, 221.10, 221.15, 221.35 or 221.40 of the penal law, or upon summons for a nuisance offense under section sixty-five-c of the alcoholic beverage control law and before the entry of a plea of guilty thereto or
1. When a person is serving a sentence for a conviction in this state, whether by trial verdict or guilty plea, under former article two hundred twenty-one of the penal law, and such person's conduct as alleged in the accusatory instrument and/or shown by the guilty plea or trial verdict would not have been a crime under article two hundred twenty-two of the penal law, had such article two hundred twenty-two rather than former article two hundred twenty-one of the penal law been in effect at the time of such conduct, then the chief administrative judge of the state of New York shall, in accordance with this section, automatically vacate, dismiss and expunge such conviction in accordance with section 160.50 of this chapter, and the office of court administration shall immediately notify the state division of criminal justice services, state department of corrections and community supervision and the appropriate local correctional facility which shall immediately effectuate the appropriate relief. Such notification to the division of criminal justice services shall also direct that such agency notify all relevant police and law enforcement agencies of their duty to destroy and/or mark records related to such case in accordance with section 160.50 of this chapter. Nothing in this section shall prevent a person who believes his or her sentence is required by this section to be vacated, dismissed and/or expunged from filing a petition with the court to effectuate all appropriate relief.

2. (a) When a person is serving or has completed serving a sentence for a conviction in this state, whether by trial verdict or guilty plea, under former article two hundred twenty-one of the penal law, and such person's conduct as alleged in the accusatory instrument and/or shown by the guilty plea or trial verdict, or shown by other information: (i) would not have been a crime under article two hundred twenty-two of the penal law, and such person's conduct as alleged in the accusatory instrument and/or shown by the guilty plea or trial verdict, or shown by other information: (i)
penal law, had such article two hundred twenty-two rather than former article two hundred twenty-one of the penal law been in effect at the time of such conduct; or (ii) under such circumstances such person would have been guilty of a lesser or potentially less onerous offense under such article two hundred twenty-two than such former article two hundred twenty-one of the penal law; then such person may petition the court of conviction pursuant to this article for vacatur of such conviction.

(b) Upon receiving a served and filed motion under paragraph (a) of this subdivision, the court shall presume the movant satisfies the criteria in such paragraph (a) and shall grant the motion to vacate such conviction unless the party opposing the motion proves, by clear and convincing evidence, that the movant does not satisfy the criteria. If the movant satisfies the criteria, the court shall grant the motion to vacate the conviction: (i) if the conviction was by plea of guilty, on grounds that such plea was not knowing, voluntary and intelligent owing to ongoing consequences; and (ii) if the conviction was by verdict or otherwise, on grounds that such conviction and sentence constitutes cruel and unusual punishment under the state constitution owing to such ongoing consequences; and may, if the petition meets the criteria in subparagraph (i) of paragraph (a) of this subdivision, after affording the parties an opportunity to be heard and present evidence, substitute, unless it is not in the interests of justice to do so, a conviction for an appropriate lesser offense under article two hundred twenty-two of the penal law.

(c) In the event of any vacatur and/or substitution pursuant to this subdivision, the office of court administration shall immediately notify the state division of criminal justice services concerning such determination. Such notification to the division of criminal justice services shall also direct that such agency notify all relevant police and law enforcement agencies of their duty to destroy and/or mark records related to such case in accordance with section 160.50 of this chapter or, where conviction for a crime is substituted pursuant to this subdivision, update such agencies' records accordingly.

3. Under no circumstances may substitution under this section result in the imposition of a term of imprisonment or sentencing term, obligation or condition that is in any way either harsher than the original sentence or harsher than the sentence authorized for any substituted lesser offense.

4. (a) If the judge who originally sentenced the movant for such offense is not reasonably available, then the presiding judge for such court shall designate another judge authorized to act in the appropriate jurisdiction to determine the petition or application.

(b) Unless requested by the movant, no hearing is necessary to grant an application filed under subdivision two of this section.

(c) When a felony conviction is vacated pursuant to this section and a lesser offense that is a misdemeanor or violation is substituted for such conviction, such lesser offense shall be considered a misdemeanor or violation, as the case may be, for all purposes. When a misdemeanor conviction is vacated pursuant to this section and a lesser offense that is a violation is substituted for such conviction, such lesser offense shall be considered a violation for all purposes.

(d) Nothing in this section is intended to or shall abrogate any rights or remedies otherwise available to a defendant, petitioner or applicant. Relief under this section is available notwithstanding that the judgment was for a violation of former sections 221.05, 221.10, 221.15, 221.20, 221.35 or 221.40 of the penal law in
effect prior to the effective date of this paragraph and that the under-
lying action or proceeding has already been vacated, dismissed and
expunged.

(e) Nothing in this and related sections of law is intended to dimin-
ish or abrogate the finality of judgments in any case not falling within
the purview of this section.

(f) The provisions of this section shall be available, used and
applied in parallel fashion by the family court and the criminal courts
to juvenile delinquency adjudications, adolescent offender adjudications

sixty days following the effective date of this section. All sentences
eligible for automatic vacatur, dismissal and expungement pursuant to
subdivision one of this section shall be identified and the required

§ 36. Intentionally omitted.

§ 37. Section 490 of the tax law, as added by chapter 90 of the laws of 2014, is amended to read as follows:

§ 490. [Definitions] Excise tax on medical cannabis. 1. (a) [All definitions of terms applicable to title five-A of article thirty-three
of the public health law shall apply to this article.]
For purposes of this article, the terms "medical cannabis," "registered organization," "certified patient," and "designated caregiver" shall have the same definitions as in section three of the cannabis law.

(b) As used in this section, where not otherwise specifically defined and unless a different meaning is clearly required "gross receipt" means the amount received in or by reason of any sale, conditional or otherwise, of medical [marihuana] cannabis or in or by reason of the furnishing of medical [marihuana] cannabis from the sale of medical [marihuana] cannabis provided by a registered organization to a certified patient or designated caregiver. Gross receipt is expressed in money, whether paid in cash, credit or property of any kind or nature, and shall be determined without any deduction therefrom on account of the cost of the service sold or the cost of materials, labor or services used or other costs, interest or discount paid, or any other expenses whatsoever.

"Amount received" for the purpose of the definition of gross receipt, as the term gross receipt is used throughout this article, means the amount charged for the provision of medical [marihuana] cannabis.

2. There is hereby imposed an excise tax on the gross receipts from the sale of medical [marihuana] cannabis by a registered organization to a certified patient or designated caregiver, to be paid by the registered organization, at the rate of seven percent. The tax imposed by this article shall be charged against and be paid by the registered organization and shall not be added as a separate charge or line item on any sales slip, invoice, receipt or other statement or memorandum of the price given to the retail customer.

3. The commissioner may make, adopt and amend rules, regulations, procedures and forms necessary for the proper administration of this article.

4. Every registered organization that makes sales of medical [marihuana] cannabis subject to the tax imposed by this article shall, on or before the twentieth date of each month, file with the commissioner a return on forms to be prescribed by the commissioner, showing its receipts from the retail sale of medical [marihuana] cannabis during the preceding calendar month and the amount of tax due thereon. Such returns shall contain such further information as the commissioner may require. Every registered organization required to file a return under this section shall, at the time of filing such return, pay to the commissioner the total amount of tax due on its retail sales of medical [marihuana] cannabis for the period covered by such return. If a return is not filed when due, the tax shall be due on the day on which the return is required to be filed.

5. Whenever the commissioner shall determine that any moneys received under the provisions of this article were paid in error, he may cause the same to be refunded, with interest, in accordance with such rules and regulations as he may prescribe, except that no interest shall be allowed or paid if the amount thereof would be less than one dollar. Such interest shall be at the overpayment rate set by the commissioner pursuant to subdivision twenty-sixth of section one hundred seventy-one of this chapter, or if no rate is set, at the rate of six percent per annum, from the date when the tax, penalty or interest to be refunded was paid to a date preceding the date of the refund check by not more than thirty days. Provided, however, that for the purposes of this subdivision, any tax paid before the last day prescribed for its payment shall be deemed to have been paid on such last day. Such moneys received under the provisions of this article which the commissioner shall deter-
mine were paid in error, may be refunded out of funds in the custody of the comptroller to the credit of such taxes provided an application therefor is filed with the commissioner within two years from the time the erroneous payment was made.

6. The provisions of article twenty-seven of this chapter shall apply to the tax imposed by this article in the same manner and with the same force and effect as if the language of such article had been incorporated in full into this section and had expressly referred to the tax imposed by this article, except to the extent that any provision of such article is either inconsistent with a provision of this article or is not relevant to this article.

7. All taxes, interest and penalties collected or received by the commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter, provided that an amount equal to one hundred percent collected under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid by the comptroller to the credit of the medical [marihuana] cannabis trust fund established by section eighty-nine-h of the state finance law.

8. A registered organization that dispenses medical [marihuana] cannabis shall provide to the department information on where the medical [marihuana] cannabis was dispensed and where the medical [marihuana] cannabis was manufactured. A registered organization that obtains [marihuana] cannabis from another registered organization shall obtain from such registered organization information on where the medical [marihuana] cannabis was manufactured.

§ 38. Section 491 of the tax law, as added by chapter 90 of the laws of 2014, subdivision 1 as amended by section 1 of part II of chapter 60 of the laws of 2016, is amended to read as follows:

§ 491. Returns to be secret. 1. Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person engaged or retained by such department on an independent contract basis or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known in any manner the contents or any other information relating to the business of a distributor, owner or other person contained in any return or report required under this article. The officers charged with the custody of such returns or reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the [state, the state department of health] cannabis control board, or the commissioner in an action or proceeding under the provisions of this chapter or on behalf of the state or the commissioner in any other action or proceeding involving the collection of a tax due under this chapter to which the state or the commissioner is a party or a claimant or on behalf of any party to any action or proceeding under the provisions of this article, when the returns or the reports or the facts shown thereby are directly involved in such action or proceeding, or in an action or proceeding relating to the regulation or taxation of medical [marihuana] cannabis on behalf of officers to whom information shall have been supplied as
provided in subdivision two of this section, in any of which events the
court may require the production of, and may admit in evidence so much
of said returns or reports or of the facts shown thereby as are perti-
nent to the action or proceeding and no more. Nothing herein shall be
construed to prohibit the commissioner, in his or her discretion, from
allowing the inspection or delivery of a certified copy of any return or
report filed under this article or of any information contained in any
such return or report by or to a duly authorized officer or employee of
the state department of health cannabis control board; or by or to the
attorney general or other legal representatives of the state when an
action shall have been recommended or commenced pursuant to this chapter
in which such returns or reports or the facts shown thereby are directly
involved; or the inspection of the returns or reports required under
this article by the comptroller or duly designated officer or employee
of the state department of audit and control, for purposes of the audit
of a refund of any tax paid by a registered organization or other person
under this article; nor to prohibit the delivery to a registered organ-
ization, or a duly authorized representative of such registered organ-
ization, a certified copy of any return or report filed by such regis-
tered organization pursuant to this article, nor to prohibit the
publication of statistics so classified as to prevent the identification
of particular returns or reports and the items thereof. This section
shall also not be construed to prohibit the disclosure, for tax adminis-
tration purposes, to the division of the budget and the office of the
state comptroller, of information aggregated from the returns filed by
all the registered organizations making sales of, or manufacturing,
medical [marihuana] cannabis in a specified county, whether the number
of such registered organizations is one or more. Provided further that,
notwithstanding the provisions of this subdivision, the commissioner
may, in his or her discretion, permit the proper officer of any county
entitled to receive an allocation, following appropriation by the legis-
lature, pursuant to this article and section eighty-nine-h of the state
finance law, or the authorized representative of such officer, to
inspect any return filed under this article, or may furnish to such
officer or the officer's authorized representative an abstract of any
such return or supply such officer or such representative with informa-
tion concerning an item contained in any such return, or disclosed by
any investigation of tax liability under this article.

2. The commissioner, in his or her discretion and pursuant to such
rules and regulations as he or she may adopt, may permit [the commis-
sioneer of internal revenue of the United States, or] the appropriate
officers of any other state which regulates or taxes medical [marihuana]
cannabis, or the duly authorized representatives of such commissioners
or of any such officers, to inspect returns or reports made pursuant to
this article, or may furnish to such [commissioner or] other officers,
or duly authorized representatives, a copy of any such return or report
or an abstract of the information therein contained, or any portion
thereof, or may supply [such commissioner or] any such officers or such
representatives with information relating to the business of a regis-
tered organization making returns or reports hereunder. The commissioner
may refuse to supply information pursuant to this subdivision [to the
commissioner of internal revenue of the United States or] to the offi-
cers of any other state if the statutes [of the United States, or] of
the state represented by such officers, do not grant substantially simi-
lar privileges to the commissioner, but such refusal shall not be manda-
tory. Information shall not be supplied to [the commissioner of internal
the appropriate officers of any other state which regulates or taxes medical cannabis, or the duly authorized representatives of such commissioner of any of such officers, unless such officer or other representatives shall agree not to divulge or make known in any manner the information so supplied, but such officers may transmit such information to their employees or legal representatives when necessary, who in turn shall be subject to the same restrictions as those hereby imposed upon such officer or other representatives.

3. (a) Any officer or employee of the state who willfully violates the provisions of subdivision one or two of this section shall be dismissed from office and be incapable of holding any public office in this state for a period of five years thereafter.

(b) Cross-reference: For criminal penalties, see article thirty-seven of this chapter.

§ 39. The tax law is amended by adding a new article 20-C to read as follows:

ARTICLE 20-C
TAX ON ADULT-USE CANNABIS PRODUCTS

Section 492. Definitions.

493. Tax on cannabis.
494. Registration and renewal.
495. Returns and payment of tax.
496. Returns to be kept secret.

§ 492. Definitions. For purposes of this article, the following definitions shall apply:

(a) "Cannabis" shall have the same meaning as in section three of the cannabis law. For purposes of this article, cannabis does not include medical cannabis or cannabinoid hemp and hemp extract as defined in section three of the cannabis law.

(b) "Cannabis product" or "adult-use cannabis product" means a cannabis product as defined in section three of the cannabis law. For purposes of this article, under no circumstances shall adult-use cannabis product include medical cannabis or cannabinoid hemp and hemp extract as defined in section three of the cannabis law.

(c) "Person" means every individual, partnership, limited liability company, society, association, joint stock company, corporation, estate, receiver, trustee, assignee, referee, and any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, and any combination of the foregoing.

(d) "Retail dispensary" means a dispensary licensed to sell adult-use cannabis products pursuant to section seventy-two of the cannabis law.

(e) "Transfer" means to grant, convey, hand over, assign, sell, exchange or barter, in any manner or by any means, with or without consideration.

(f) "Sale" means any transfer of title, possession or both, exchange or barter, rental, lease or license to use or consume, conditional or otherwise, in any manner or by any means whatsoever for a consideration or any agreement therefor.

§ 493. Tax on cannabis. (a) There is hereby imposed a tax on the sale or transfer of adult-use cannabis products by any person to a retail dispensary at the rate of eighteen percent of the amount charged by such person for adult-use cannabis products, which shall accrue at the time of such sale or transfer. Where the retail dispensary is operated by a person licensed under the cannabis law as a registered organiza-
tion, such tax shall be paid by the retail dispensary at the rate of
eighteen percent of the price charged to the retail customer and shall
accrue at the time of such sale.

(b) In addition to the taxes imposed by subdivision (a) of this
section, there is hereby imposed a tax on the sale or transfer of
adult-use cannabis products by any person to a retail dispensary at the
rate of one percent of the amount charged by such person for such
adult-use cannabis products, which shall accrue at the time of such sale
or transfer. The tax imposed by this subdivision shall be in trust for
and on account of a city having a population of one million or more, or
a county, other than a county wholly within such a city, in which the
retail dispensary is located. Where the retail dispensary is operated by
a person licensed under the cannabis law as a registered organization,
such tax shall be paid by the retail dispensary at the rate of one
percent of the price charged to the retail customer.

(c) In addition to the taxes imposed by subdivisions (a) and (b) of
this section, there is hereby imposed a tax on the sale or transfer of
adult-use cannabis products by any person to a retail dispensary at the
rate of three percent of the amount charged by such person for such
adult-use cannabis products, which shall accrue at the time of such sale
or transfer. The tax imposed by this subdivision shall be in trust for
and on account of the town, village, or city in which the retail dispen-
sary is located. Where the retail dispensary is operated by a person
licensed under the cannabis law as a registered organization, such tax
shall be paid by the retail dispensary at the rate of three percent of
the price charged to the retail customer.

(d) It shall be presumed that all adult-use cannabis products within
the state are subject to tax until the contrary is established, and the
burden of proof that the taxes imposed by subdivisions (a), (b) and (c)
of this section have been paid shall be upon the person in possession
thereof where such person holds any license under the cannabis law.
Every person holding a license under the cannabis law who possesses
adult-use cannabis products upon which such taxes have not been paid
shall be liable for the payment of such taxes, and the failure of such
person to produce to the commissioner or his or her authorized represen-
tative upon demand an invoice for any adult-use cannabis products in his
or her possession shall be presumptive evidence that the tax thereon has
not been paid and that such person is liable for the tax thereon, unless
evidence of such invoice or payment is later produced.

(e) Notwithstanding any other provision of law to the contrary, the
taxes imposed by article twenty of this chapter shall not apply to any
product subject to tax under this article.

§ 494. Registration and renewal. (a) Every person to whom adult-use
cannabis products are sold or transferred, and every person licensed as
a microbusiness, cooperative or registered organization under the canna-
bis law must file with the commissioner a properly completed application
for a certificate of registration before engaging in business. In order
to apply for such certificate of registration, such person must first be
in possession of a valid license from the office of cannabis management.
An application for a certificate of registration must be submitted elec-
tronically, on a form prescribed by the commissioner, and must be accom-
panied by a non-refundable application fee of six hundred dollars. A
certificate of registration shall not be assignable or transferable and
shall be destroyed immediately upon such person ceasing to do business
as specified in such certificate, or in the event that such business
never commenced.
(b) The commissioner shall refuse to issue a certificate of registration to any applicant and shall revoke the certificate of registration of any such person who does not possess a valid license from the office of cannabis management. The commissioner may refuse to issue a certificate of registration to any applicant where such applicant: (1) has a past-due liability as that term is defined in section one hundred seventy-one-v of this chapter; (2) has had a certificate of registration under this article, a license from the office of cannabis management, or any license or registration provided for in this chapter revoked within one year from the date on which such application was filed; (3) has had a certificate of registration under this article, a license from the office of cannabis management, or any license or registration provided for in this chapter suspended where the suspension is in effect on the date the application is filed or ended less than one year from such date; (4) has been convicted of a crime provided for in this chapter within one year from the date on which such application was filed or the certificate was issued as applicable; (5) willfully fails to file a report or return required by this article; (6) willfully files, causes to be filed, gives or causes to be given a report, return, certificate or affidavit required by this article which is false; or (7) willfully fails to collect or truthfully account for or pay over any tax imposed by this article.

(c) A certificate of registration shall be valid for the period specified thereon, unless earlier suspended or revoked. Upon the expiration of the term stated on a certificate of registration, such certificate shall be null and void.

(d) Every holder of a certificate of registration must notify the commissioner of changes to any of the information stated on the certificate, or of changes to any information contained in the application for the certificate of registration. Such notification must be made on or before the last day of the month in which a change occurs and must be made electronically on a form prescribed by the commissioner.

(e) Every holder of a certificate of registration under this article shall be required to reapply prior to such certificate's expiration, during a reapplication period established by the commissioner. Such reapplication period shall not occur more frequently than every two years. Such reapplication shall be subject to the same requirements and conditions as an initial application, including grounds for refusal and the payment of the application fee.

(f) Any person who is required to obtain a certificate of registration under subdivision (a) of this section who possesses adult-use cannabis products without such certificate shall be subject to a penalty of five hundred dollars for each month or part thereof during which adult-use cannabis products are possessed without such certificate, not to exceed ten thousand dollars in the aggregate.

§ 495. Returns and payment of tax. (a) 1. Every person to whom adult-use cannabis products are sold or transferred, and every person licensed as a microbusiness, cooperative or registered organization under the cannabis law shall, on or before the twentieth day of the month, file with the commissioner a return on forms to be prescribed by the commissioner, the total amount of tax due thereon in the preceding calendar month, and the total amount of tax due under subdivisions (a), (b) and (c) of section four hundred ninety-three of this article on its sales to a retail dispensary during the preceding calendar month, along with such other information as the commissioner may require. Every person required to file a return under this section shall, at the time
of filing such return, pay to the commissioner the total amount of tax
due for the period covered by such return. If a return is not filed when
due, the tax shall be due on the day on which the return is required to
be filed.

2. Every person to whom adult-use cannabis products are sold or trans-
ferred, and every person licensed as a microbusiness, cooperative or
registered organization under the cannabis law shall maintain complete
and accurate records in such form as the commissioner may require
including, but not limited to, such items as the geographic location of
every retail dispensary to which such person sold or transferred adult-
use cannabis products; and any other record or information required by
the commissioner. Such records must be preserved for a period of three
years after the filing of the return to which such records relate and
must be provided to the commissioner upon request.

(b) The provisions of article twenty-seven of this chapter shall apply
to the tax imposed by this article in the same manner and with the same
force and effect as if the language of such article had been incorpo-
rated in full into this section and had expressly referred to the tax
imposed by this article, except to the extent that any provision of such
article is either inconsistent with a provision of this article or is
not relevant to this article.

(c) 1. All taxes, interest, and penalties collected or received by the
commissioner under this article shall be deposited and disposed of
pursuant to the provisions of section one hundred seventy-one-a of this
chapter, provided that an amount equal to one hundred percent collected
under this article less any amount determined by the commissioner to be
reserved by the comptroller for refunds or reimbursements shall be paid
by the comptroller to the credit of the cannabis revenue fund estab-
lished by section ninety-nine-ii of the state finance law. Of the total
revenue collected or received under this article, the comptroller shall
retain such amount as the commissioner may determine to be necessary for
refunds. The commissioner is authorized and directed to deduct from the
registration fees under subdivision (a) of section four hundred ninety-
four of this article, before deposit into the cannabis revenue fund
designated by the comptroller, a reasonable amount necessary to effectu-
ate refunds of appropriations of the department to reimburse the depart-

§ 496. Returns to be kept secret. (a) Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known in any manner the content or any other information related to the business of the wholesaler contained in any return or report required under this article. Nothing herein shall be construed to prohibit the commissioner, in his or her discretion, from allowing the inspection or delivery of a certified copy of any return or report filed under this article or of any information contained in any such return or report by or to a duly authorized officer or employee of the cannabis control board or by or to the attorney general or other legal representatives of the state when an action shall have been recommended or commenced pursuant to this chapter in which such returns or reports or the facts shown thereby are directly involved; or the inspection of the returns or reports required under this article by the comptroller or duly designated officer or employee of the state department of audit and control, for purposes of the audit of a refund of any tax paid by the wholesaler under this article; nor to prohibit the delivery to such person or a duly authorized representative of such person, a certified copy of any return or report filed by such person pursuant to this article, nor to prohibit the publication of statistics so classified as to prevent the identification of particular returns or reports and the items thereof. This section shall also not be construed to prohibit the disclosure, for tax administration purposes, to the division of the budget and the office of the state comptroller, of information aggregated from the returns filed by all wholesalers purchasing and selling such products in the state, whether the number of such persons is one or more. Provided further that, notwithstanding the provisions of this subdivision, the commissioner may in his or her discretion, permit the proper officer of any county entitled to receive
any distribution of the monies received on account of the tax imposed by
subdivisions (b) and (c) of section four hundred ninety-three of this

any return filed under this article, or may furnish to such officer or
the officer's authorized representative an abstract of any such return

by such officers do not grant substantially similar privileges to the
commissioner, but such refusal shall not be mandatory. Information shall
not be supplied to the appropriate officers of any state that regulates
taxes cannabis, or the duly authorized representatives of such
commissioner or of any such officers, unless such commissioner, officer,
or other representatives shall agree not to divulge or make known in any
manner the information so supplied, but such officers may transmit such
information to their employees or legal representatives when necessary,
who in turn shall be subject to the same restrictions as those hereby
imposed upon such commissioner, officer or other representatives.
