

STATE OF NEW YORK

8641

IN SENATE

March 24, 2022

Introduced by Sen. BORRELLO -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to requiring instruction in agriculture

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 817 to
2 read as follows:

3 § 817. Instruction in agriculture. 1. Beginning in the two thousand
4 twenty-three--two thousand twenty-four school year, and in each school
5 year thereafter, the officer, board or commission authorized or required
6 to prescribe courses of instruction shall cause instruction to be given
7 in every elementary, middle, and high school under state control or
8 supported wholly or partly by public money of the state, in the disci-
9 plines necessary to be a successful farmer for the purposes of ensuring
10 children understand the origin, by-products, and farm-to-market proc-
11 esses of their food, nutrients, and clothes. Such instruction shall
12 include topic matters such as resource conservation and management
13 including food, water, forest, and land, city agriculture management,
14 food-to-table processes, sustainability practices, waste management,
15 textile production, career choices in the agriculture industry, the
16 daily life of a farmer, and culture in rural farming communities. Such
17 instruction shall be for such period of time during each school year as
18 the board of regents may prescribe and may be joined with work in the
19 sciences, mathematics, history, and/or business. Such courses of
20 instruction shall be approved by both the department of education and
21 the department of agriculture and markets.

22 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
