IN SENATE

(Prefiled)

January 6, 2021

Introduced by Sen. FELDER -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the general business law, in relation to creating a Crohn's and colitis identification card; and to repeal certain provisions of the public health law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Article 19 of the public health law, as added by a chapter of the laws of 2020 amending the public health law relating to creating a Crohn's and colitis identification card, as proposed in legislative bills numbers S.6226 and A.8146, is REPEALED.

- § 2. Section 492 of the general business law, as added by chapter 42 of the laws of 2018, is amended to read as follows:
- § 492. Access to restroom facilities. 1. A place of business open to the general public for the sale of goods or services that has a toilet facility for its employees shall allow any individual who is lawfully on the premises of such place of business to use that toilet facility during normal business hours, even if the place of business does not 12 normally make the employee toilet facility available to the public, provided that all of the following conditions are met:
 - $[\frac{1}{4\pi}]$ (a) the individual requesting the use of the employee toilet facility has an eligible medical condition or utilizes an ostomy device, provided that the place of business may require the individual to present reasonable evidence that the individual has an eligible medical condition or uses an ostomy device;
- [2-] (b) two or more employees of the place of business are working at 20 the time the individual requests use of the employee toilet facility;
- [3-] (c) the employee toilet facility is not located in an area where 22 providing access would create an obvious health or safety risk to the
