Introduced by Sen. BROUK -- read twice and ordered printed, and when printed to be committed to the Committee on Women's Issues

AN ACT to amend the public health law, in relation to informational leaflets for maternity patients

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 2803-j of the public health law, as amended by chapter 66 of the laws of 2021, is amended to read as follows:

1. The commissioner shall require that every hospital and birth center shall prepare in printed or photocopied form and distribute at the time of pre-booking directly to each prospective maternity patient and, upon request, to the general public an informational leaflet. Such leaflet shall be designed by the commissioner and shall contain brief definitions of maternity related procedures and practices as specified in subdivision two of this section and such other material as deemed appropriate by the commissioner. Hospitals and birth centers may also elect to distribute additional explanatory material along with the maternity patients informational leaflet. The commissioner shall make the information contained in the leaflet available on the department's website **and shall present all annual statistical information compiled pursuant to subdivision three of this section on the department's website for the most recent five years for which such data is available**.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
