Introduced by Sen. LIU -- read twice and ordered printed, and when printed to be committed to the Committee on New York City Education

AN ACT to amend the education law, in relation to the number and duties of assistant principals to be assigned to the schools in the city school district of the city of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 2 of section 2590-i of the education law is  
2 amended by adding three new paragraphs (d), (e) and (f) to read as  
3 follows:

4 (d) An assistant principal shall be assigned to each elementary  
5 school. Two assistant principals shall be assigned to each middle  
6 school. Two assistant principals shall be assigned to each high school.

7 (i) For any elementary, middle or high school with an enrollment in  
8 excess of seven hundred and fifty pupils, an additional assistant prin-  
9 cipal shall be assigned.

10 (ii) The chancellor shall, after consideration of the needs of  
11 students who receive services pursuant to article eighty-nine of this  
12 chapter, assign additional assistant principals to any school as deemed  
13 appropriate to ensure the safety and proper management of the school.

14 (iii) All assistant principals shall be licensed as such. In the  
15 alternative, a licensed school-based intermediate supervisor may be  
16 substituted for a licensed assistant principal.

17 (e) Assistant principals shall be responsible for the safe operation  
18 of the school on occasions when the principal is not present.

19 (f) Assistant principals may be required by the chancellor or the  
20 superintendent to provide or participate in training or other forms of  
21 staff development or to address identified areas of educational need and  
22 promote student achievement and school performance.

23 § 2. This act shall take effect on the first of July next succeeding  
24 the date on which it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
