Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Social Services

AN ACT to amend the social services law, in relation to directing the New York state interagency task force on human trafficking to investigate connections between social media and human trafficking

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision (b) of section 483-ee of the social services law, as amended by chapter 413 of the laws of 2016, is amended to read as follows:

(b) The task force shall: (1) collect and organize data on the nature and extent of trafficking in persons in the state; (2) identify available federal, state and local programs that provide services to victims of trafficking, including but not limited to case management, housing, health care, mental health counseling, drug addiction screening and treatment, language interpretation and translation services, English language instruction, job training and placement assistance, post-employment services for job retention, and services to assist the individual and any of his or her family members to establish a permanent residence in New York state or the United States; (3) consult with governmental and non-governmental organizations in developing recommendations to strengthen state and local efforts to prevent trafficking, protect and assist victims of trafficking and prosecute traffickers; (4) establish interagency protocols and collaboration between federal, state, and local law enforcement, state and governmental agencies, child welfare agencies, and non-governmental organizations; (5) evaluate approaches to increase public awareness about trafficking and make recommendations on such approaches; (6) evaluate the effectiveness of training programs on human trafficking that have been designed for law enforcement personnel, criminal defense attorneys, social service providers and non-governmental organizations, and make recommendations for improving the quality and effectiveness of such programs; (7) measure and evaluate the progress of the state in preventing trafficking, protecting and providing assistance to victims of trafficking, and pros-
