12 § 3. 1. As a condition of the lower slot machine tax rate in region
13 five provided by this act, such gaming facility shall provide an initial
14 report to the governor, the speaker of the assembly, the temporary pres-
15 ident of the senate, and the commission detailing the projected use of
16 funds resulting from such tax adjustment and a plan that prescribes the
17 manner in which the licensed gaming facility receiving the reduction in
18 its slot machine tax rate will rebuild their economic infrastructure
19 through the rehiring of laid-off employees or capital improvements
20 designed to create revenue and create new jobs. Such plan shall also
21 clearly establish quarterly and annual employment goals of increasing

40 applicable slot tax rate shall be adjusted at the discretion of the
41 commission as follows:

42 (1) If the actual employment number is more than fifty percent less
43 than the employment goal, then the slot tax rate shall be increased by
44 ten percentage points.

45 (2) If the actual employment number is more than forty percent less
46 than the employment goal, then the slot tax rate shall be increased by
47 eight percentage points.

49 than the employment goal, then the slot tax rate shall be increased by
50 six percentage points.

51 (4) If the actual employment number is more than twenty percent less
52 than the employment goal, then the slot tax rate shall be increased by
53 four percentage points.

54 (5) If the actual employment number is more than ten percent less than
55 the employment goal, then the slot tax rate shall be increased by two
56 percentage points.

1 (b) Such finding and the reasoning thereof shall occur no later than
2 thirty days following submission of the written affirmation.
3 § 4. This act shall take effect immediately and shall expire and be

6 wagering and breeding law made by section one of this act shall be
7 subject to the expiration and reversion of such subdivision when upon
8 such date the provisions of section two of this act shall take effect.
