## STATE OF NEW YORK

890

2021-2022 Regular Sessions

## IN SENATE

## (Prefiled)

January 6, 2021

Introduced by Sen. KAMINSKY -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the environmental conservation law, in relation to the unlawful disposing of construction and demolition debris

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 15 of section 71-2702 of the environmental 2 conservation law, as added by a chapter of the laws of 2020 amending the 3 environmental conservation law relating to the disposal of construction 4 and demolition waste and amending the penal law relating to creating the 5 crime of scheme to defraud by disposal of solid waste, as proposed in 6 legislative bills numbers S. 6758-B and A. 10803-A, is amended to read 7 as follows:

8 15. For the purposes of section 27-3101 of this chapter and subdivi-9 sion five of section 71-2712, subdivisions seven, eight and nine of 10 section 71-2713 and subdivision three of section 71-2714 of this title:

(a) ["property of another" shall include all property in which another
 person has an ownership interest, whether or not a person who disposes
 on such property, or any other person, may also have an interest in such
 property; and

(b) "construction and demolition waste" shall mean waste resulting from the alteration, construction, destruction, rehabilitation, or repair of any man-made structure, including houses, buildings, industrial or commercial facilities and readways and restricted or limited use fill and shall not include municipal solid waste.] "construction and demolition debris" shall mean waste resulting from construction, remodeling, repair and demolition of structures, buildings and roads, including but not limited to excavated material. Construction and demolition debris shall not include, even if generated from construction, remodeling, repair and demolition activities, municipal solid waste and such

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

S. 890

1	other materials that may be listed for exclusion from this definition
2	pursuant to regulations promulgated by the department.
3	(b) "excavated material" means excess soil, rock, fill, or other mate-
4	rial excavated during construction or maintenance activities. "Fill"
5	shall include soil or other granular, compactible material that is
б	authorized for use pursuant to regulations promulgated by the depart-
7	ment.
8	§ 2. Subdivision 5 of section 71-2712 of the environmental conserva-
9	tion law, as added by a chapter of the laws of 2020 amending the envi-
10	ronmental conservation law relating to the disposal of construction and
11	demolition waste and amending the penal law relating to creating the
12	crime of scheme to defraud by disposal of solid waste, as proposed in
13	legislative bills numbers S. 6758-B and A. 10803-A, is amended to read
14	as follows:
15	5. With intent to dispose of construction and demolition [waste on the
16	property of another and having no right to do so nor any reasonable
17	grounds to believe he or she has such right, he or she unlawfully
18	disposes] debris, he or she intentionally engages in conduct that causes
19	the unlawful disposal or release of either ten cubic yards or more, or
20	twenty thousand pounds or more, of construction and demolition [waste]
21	debris, as defined in section 71-2702 of this title[, on such property].
22	§ 3. Subdivisions 7, 8 and 9 of section 71-2713 of the environmental
23	conservation law, as added by a chapter of the laws of 2020 amending the
24	environmental conservation law relating to the disposal of construction
25	and demolition waste and amending the penal law relating to creating the
26	crime of scheme to defraud by disposal of solid waste, as proposed in
27	legislative bills numbers S. 6758-B and A. 10803-A, are amended to read
28	as follows:
	7. With intent to dispose of construction and demolition [waste on the
29	. With intene to dispose of construction and demotition ["dote on the
29 30	property of another and having no right to do so nor any reasonable
30	property of another and having no right to do so nor any reasonable grounds to believe he or she has such right] debris, he or she [unlaw- fully disposes] intentionally engages in conduct that causes the unlaw-

The title heading of title 31 of article 27 of the environmental 1 S 2 conservation law, as added by a chapter of the laws of 2020 amending the 3 environmental conservation law relating to the disposal of construction and demolition waste and amending the penal law relating to creating the 4 5 crime of scheme to defraud by disposal of solid waste, as proposed in б legislative bills numbers S. 6758-B and A. 10803-A, is amended to read 7 as follows: 8

8 CONSTRUCTION AND DEMOLITION [WASTE] DEBRIS 9 § 6. Section 27-3101 of the environmental conservation law, as added 10 by a chapter of the laws of 2020 amending the environmental conservation 11 law relating to the disposal of construction and demolition waste and 12 amending the penal law relating to creating the crime of scheme to 13 defraud by disposal of solid waste, as proposed in legislative bills 14 numbers S. 6758-B and A. 10803-A, is amended to read as follows: 15 § 27-3101. Waste tracking documents.

16 1. All generators in a city with a population of one million or more 17 that generate construction and demolition [waste] debris, as defined in 18 section 71-2702 of this chapter, shall provide waste transporters with a 19 waste tracking document for each construction and demolition [waste] 20 debris shipment, in a form prescribed or approved by the department, 21 specifying the quantity and type of construction and demolition [waste] debris, and signed and dated by an authorized representative of the 22 generator and with a certification in a form prescribed by the depart-23 24 ment, which shall contain a certification by the generator that the information therein is true, accurate and complete. [The waste tracking 25 26 documentation shall state: "I certify, under penalty of law, that the 27 information provided in this waste tracking document has been prepared under my direction and supervision and further certify that the informa-28 tion contained herein is true and accurate. I am aware that any false 29 30 statement made on this form is punishable pursuant to section 210.45 of 31 the Penal Law."]

32 2. All transporters of construction and demolition [waste] debris
33 generated in a city with a population of one million or more shall:
34 (a) not accept a shipment of [waste] debris that does not match the

35 quantity or type listed on the [waste] debris tracking document;

36 (b) have the [waste] debris tracking document signed by the receiving 37 location or facility upon delivery of the solid [waste] debris and 38 provide a copy of the tracking document to the receiving location or 39 facility.

40 3. Failure to maintain such tracking documents is a class A misdemea-41 nor.

§ 7. This act shall take effect on the same date and in the same manner as a chapter of the laws of 2020 amending the environmental conservation law relating to the disposal of construction and demolition waste and amending the penal law relating to creating the crime of scheme to defraud by disposal of solid waste, as proposed in legislative bills numbers S. 6758-B and A. 10803-A, takes effect.
