

STATE OF NEW YORK

8953

IN SENATE

May 2, 2022

Introduced by Sen. KAPLAN -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to authorizing the village of Floral Park in the county of Nassau to establish a residential parking system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature finds that
2 a lack of parking for residents of certain areas of the village of
3 Floral Park, Nassau county, has resulted in traffic hazards, congestion
4 and air and noise pollution. In addition, such lack of parking poses a
5 hazard to residents and other pedestrians in such areas.

6 The legislature further finds that a residential parking system within
7 such areas would be in the public interest. The legislature further
8 finds that a residential parking system within such areas will reduce
9 such hazards and will reduce pollution levels as well. The legislature,
10 therefore, hereby declares the necessity of this act to authorize the
11 village of Floral Park to adopt a residential parking permit system in
12 accordance with the provisions of this act.

13 § 2. The vehicle and traffic law is amended by adding a new section
14 1640-r to read as follows:

17 the contrary, the village board of the village of Floral Park may, by
18 adoption of a local law or ordinance, provide for a residential parking
19 permit system and fix and require the payment of fees applicable to
20 parking within the area in which such parking system is in effect in
21 accordance with the provisions of this section.

22 2. Such residential parking permit system may only be established
23 within the area of the village which shall mean that area generally
24 bounded by the following:
