AN ACT authorizing the alienation of certain parkland required to support the redevelopment of the historic Glenwood Power Plant, uniquely located on the Hudson River in the City of Yonkers, which site lacks any land for parking, and which project was contemplated in the approved May 2009 City of Yonkers Alexander Street Master Plan with a new road network connecting Alexander Street to the south past the Glenwood Power Plant through John F. Kennedy Marina and Trevor Park north to provide increased public access to the Hudson River and enhance said parks through the development of a new sustainable riverfront, transit-oriented project by enhancing the existing parks with new amenities; and to amend chapter 125 of the laws of 2013, relating to authorizing the alienation of certain parkland required to support the redevelopment of the historic Glenwood Power Plant, uniquely located on the Hudson River in the City of Yonkers, which site lacks any land for parking, and which project was contemplated in the approved May 2009 City of Yonkers Alexander Street Master Plan with a new road network connecting Alexander Street to the south past the Glenwood Power Plant through John F. of 2013 and has therefore satisfied the conditions set forth in section 1 three of such chapter of the laws of 2013. The city of Yonkers, in 2 consultation with The Plant Powerhouse LLC, the successor to Glenwood 3 4 POH, LLC, has determined that due to a redesign of the project only 5 5.17321 acres are now required to be alienated to support such redevel-6 opment project and therefore 9.01 acres of the parkland temporarily 7 alienated pursuant to chapter 125 of the laws of 2013 shall revert to 8 the city of Yonkers for exclusive park and recreational purposes. 9 Because the project, as authorized pursuant to chapter 125 of the laws 10 of 2013 and modified herein, will continue the use of the J.F. Kennedy 11 Marina Park as a publicly accessible park, the alienations by such chap-12 ter of the laws of 2013 and this act will not implicate any reverter provision or any other rights of the city of Yonkers pursuant to the 13 14 1964 letters patent. The purpose of this act is to amend the alienation 15 authorization so that the City of Yonkers, acting by and through its governing body, is authorized to alienate the parcels that are necessary 16 17 to the redevelopment of the historic Glenwood Power Plant, the construction of a public parking garage and the creation of other 18 19 improvements related to providing access to the redeveloped Glenwood 20 Power Plant and the surrounding parkland areas and to eliminate the 21 authorization to alienate parkland that is not necessary for those 22 purposes.

23 § 2. (a) Subject to the provisions of this act, the city of Yonkers, 24 in the county of Westchester, acting by and through its governing body, 25 is hereby authorized to temporarily discontinue the use of the munici-26 pally owned parklands described in section four of chapter 125 of the 27 laws of 2013, as amended by section three of this act that are no longer 28 needed for park purposes and to convey by lease, license or easement those parcels for a term of not to exceed forty years, to The Plant 29 Powerhouse, LLC, the Yonkers Economic Development Corporation, and/or 30 31 the City of Yonkers Industrial Development Agency in connection with the 32 redevelopment of the historic Glenwood Power Plant, the construction of 33 a public parking garage and the creation of other improvements related 34 to access to the redeveloped Glenwood Power Plant and the surrounding 35 parkland areas.

36 (b) Subject to the provisions of this act, the 9.01 acres of the 37 14.257 acres of the parkland that were temporarily discontinued pursuant 38 a lease authorized by chapter 125 of the laws of 2013 that are no longer 39 needed for the purposes set forth in sections one and two of such chap-40 ter of the laws of 2013 shall hereby revert to the city of Yonkers for 41 exclusive park and recreational purposes.

42 3. Sections 1, 2 and 4 of chapter 125 of the laws of 2013, relating § 43 to authorizing the leasing of certain parkland in the city of Yonkers 44 relating to authorizing the alienation of certain parkland required to 45 support the redevelopment of the historic Glenwood Power Plant, uniquely 46 located on the Hudson River in the City of Yonkers, which site lacks any 47 land for parking, and which project was contemplated in the approved May 48 2009 City of Yonkers Alexander Street Master Plan with a new road network connecting Alexander Street to the south past the Glenwood Power 49 50 Plant through John F. Kennedy Marina and Trevor Park north to provide increased public access to the Hudson River and enhance said parks 51 52 through the development of a new sustainable riverfront, transit-orient-53 project by enhancing the existing parks with new amenities, are ed 54 amended to read as follows:

55 Section 1. Subject to the provisions of this act, the city of Yonkers, 56 in the county of Westchester, acting by and through its [mayor] govern-

ing body, is hereby authorized to discontinue the use of the municipally 1 owned parkland described in section four of this act that are no longer 2 3 needed for park purposes. § 2. Subject to the provisions of this act, the city of Yonkers, in 4 5 the county of Westchester, acting by and through its [mayor] governing 6 body, is hereby authorized to temporarily discontinue use of the parkland described in section four of this act for the purpose of [leasing] 7 conveying by lease, license or easement the land under such park to 8 9 Plant Powerhouse LLC, a successor entity to Glenwood POH LLC, the Yonk-10 ers Economic Development Corporation, and/or the City of Yonkers Industrial Development Agency, for a term not to exceed [thirty] forty years, 11 to facilitate the building of a public parking garage and a public park. 12 The fair market value of such lease shall be dedicated by the city of 13 14 Yonkers for the acquisition of additional parkland and/or improvements 15 to existing parkland. § 4.
