The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 9 of section 730.10 of the criminal procedure
2 law, as added by section 1 of part Q of chapter 56 of the laws of 2012,
3 is amended to read as follows:

4 9. "Appropriate institution" means: (a) a hospital operated by the
5 office of mental health or a developmental center operated by the office
6 for people with developmental disabilities; or (b) a hospital licensed
7 by the department of health which operates a psychiatric unit licensed
8 by the office of mental health, as determined by the commissioner
9 provided, however, that any such hospital that is not operated by the
10 state shall qualify as an "appropriate institution" only pursuant to the
11 terms of an agreement between the commissioner and the hospital, or
12 between the commissioner and a jail-based facility pursuant to subdivi-
13 sion seven of section 730.60 of this article. Nothing in this article
14 shall be construed as requiring a hospital to consent to providing care
15 and treatment to an incapacitated person at such hospital.

17 law, subdivision 1 as amended by chapter 231 of the laws of 2008 and

1 this section, in which the defendant is to be placed, provided, however,
2 that the commissioner may designate an appropriate hospital for place-
3 ment of a defendant for whom a final order of observation has been
4 issued, where such hospital is licensed by the office of mental health
5 and has agreed to accept, upon referral by the commissioner, defendants
6 subject to final orders of observation issued under this subdivision.
7 The sheriff must hold the defendant in custody pending such designation
8 by the commissioner, and when notified of the designation, the sheriff
9 must deliver the defendant to the superintendent of such institution.
10 The superintendent must promptly inform the appropriate director of the
11 mental hygiene legal service of the defendant's admission to such insti-
12 tution. If a defendant escapes from the custody of the commissioner, the
13 escape shall interrupt the period prescribed in any order of observa-
14 tion, commitment or retention, and such interruption shall continue
15 until the defendant is returned to the custody of the commissioner.

16 2. Except as otherwise provided in subdivisions four and five of this
17 section, when a defendant is in the custody of the commissioner pursuant
18 to a temporary order of observation or an order of commitment or an
19 order of retention, or a county jail-based competency restoration
20 program pursuant to subdivision seven of this section, the criminal
21 action pending against the defendant in the court that issued such order
22 is suspended until the superintendent of the institution in which the
23 defendant is confined or a clinical psychiatrist for a county jail-based
24 competency restoration program pursuant to subdivision seven of this
25 section determines that he is no longer an incapacitated person. In that
26 event, the court that issued such order and the appropriate district
27 attorney must be notified, in writing, by the superintendent of his
28 determination. The court must thereupon proceed in accordance with the
29 provisions of subdivision two of section 730.30 of this [~~chapter~~] arti-
30 cle; provided, however, if the court is satisfied that the defendant
31 remains an incapacitated person, and upon consent of all parties, the
32 court may order the return of the defendant to the institution in which
33 he had been confined for such period of time as was authorized by the
34 prior order of commitment or order of retention. Upon such return, the
35 defendant shall have all rights and privileges accorded by the
36 provisions of this article.

37 7. (a) The office of mental health shall promulgate rules and regu-
38 lations for the development and implementation of a program allowing for
39 county jails to provide competency restoration services to inmates of
40 such facilities in no more than five counties in the state. County
41 participation in a jail-based restoration program shall be voluntary.

42 (b) Each county may provide competency restoration services either
43 directly or through contract.

44 (c) Counties participating in a jail-based restoration program may
45 appoint a working group to develop rules, guidance and policies for such
46 program. The workgroup may include the following:

47 (1) one member who is a sheriff;

48 (2) one member who represents a local mental health authority;

49 (3) one member who is a county commissioner, county judge, or elected
50 county officer;

51 (4) one member who is a district attorney or county attorney with
52 criminal jurisdiction;

53 (5) one member who is a defense attorney;

54 (6) one member who is a judge of a district criminal court or county
55 criminal court;

56 (7) two members who are mental health advocates; and

1 (8) any other member the department considers appropriate to appoint
2 to the stakeholder workgroup.

3 (d) Providers of jail-based restoration services must:

4 (1) have provided such services in jail-based settings for at least
5 two years; and

6 (2) be a local mental health organization with prior experience
7 providing such services.

8 (e) A jail-based restoration program must:

9 (1) use a multidisciplinary team including an advanced psychiatric
10 provider, a qualified forensic examiner, mental health professional, and
11 competency educator;

12 (2) be directed toward the goal of restoring a defendant's fitness to
13 stand trial; and

14 (3) provide services similar to those provided in a hospital.

15 (f) A county participating in a jail-based restoration program shall:

16 (1) ensure the safety of defendants who participate in the jail-based
17 restoration of competency pilot program;

18 (2) designate a separate space in the jail for the provider to conduct
19 the pilot program;

20 (3) provide the same basic care to the participants as is provided to
21 other inmates of a jail;

22 (4) supply clinically appropriate psychoactive medications as
23 warranted; and

24 (5) have in place an agreement with a hospital possessing a valid
25 operating certificate issued pursuant to article twenty-eight of the
26 public health law that can petition the court for and enforce treatment
27 over objection for individuals court ordered to restoration services who
28 refuse medication.

29 (g) If at any time during a defendant's participation in the jail-
30 based restoration pilot program the psychiatrist or psychologist for the
31 provider determines that the defendant has attained fitness to proceed:

32 (1) the psychiatrist or psychologist for the provider shall promptly
33 issue and send to the court a report demonstrating that fact; and

34 (2) the court shall consider that report as the report of an expert
35 stating an opinion that the defendant has been restored to fitness.

36 (h) If at any time during a defendant's participation in the jail-
37 based restoration pilot program the psychiatrist or psychologist for the
38 provider determines that the defendant's fitness to stand trial is
39 unlikely to be restored in the foreseeable future, the psychiatrist or
40 psychologist for the provider shall promptly issue and send to the court
41 a report demonstrating that fact.

42 (i) If the psychiatrist or psychologist for the provider determines
43 that a defendant ordered to participate in the pilot program has not
44 been restored to fitness, but is believed to be restorable to fitness
45 with additional treatment by the end of the ninetieth day after the date
46 the defendant began to participate in the pilot program, the defendant
47 shall be transferred, without unnecessary delay, to the first available
48 facility that is appropriate for that defendant pursuant to subdivision
49 nine of section 730.10 of this article.

50 § 3. This act shall take effect immediately.
