1 provided, however, that the cemetery board may determine that circum-
2 stances necessitate an unequal distribution due to specific needs and
3 may provide for such distribution. For purposes of this section, the
4 maintenance of abandoned cemeteries may include the construction of
5 cemetery fences, placement of cemetery lights, removal of grass and
6 weeds, demolition or restoration of any buildings or structures in
7 disrepair, the refilling of graves, the repair or removal of monuments
8 or other markers not owned by the cemetery corporation that have fallen
9 into disrepair or dilapidation so as to create a dangerous condition,
10 and replacement of cemetery doors and locks. For the purposes of this
11 paragraph, the term "abandoned cemetery" may include cemeteries in immi-

13 board.

14 (4) Authorization for payments by the fund for maintenance of an aban-

32 corporation, or the solvent not-for-profit cemetery corporation that
33 merges with an abandoned cemetery in a city pursuant to section fifteen

35 cemetery shall always be deemed an abandoned cemetery.

37 damage shall be made by the secretary of state only on approval by the
38 New York state cemetery board which shall determine:

39 (i) that an act of vandalism to the extent described by the cemetery
40 corporation did take place;

41 (ii) that either a written report of the vandalism was filed with the
42 local police or sheriff's department, or, that the cemetery, upon
43 consent of the division, made a determination not to file the report
44 because the publicity generated by filing the report would have adverse
45 consequences for the cemetery;

46 (iii) that the cost of repairs is fair and reasonable; and

47 (iv) that the cemetery corporation has been unable to obtain funds
48 from the lot owner, his spouse, devisees or descendants within a reason-
49 able period of time nor are there adequate funds in the cemetery corpo-
50 rations monument maintenance fund, if such a fund has been established
51 by the cemetery.

53 of monuments or other markers not owned by the cemetery corporation
54 shall be made by the secretary of state only on approval by the New York

1 (i) that the monuments or markers are so badly out of repair or dila-

4 (iii) that the cemetery corporation has given not less than sixty days
5 notice to the last known owner to repair or remove the monument or other
6 marker and the said owner has failed to do so within the time prescribed
7 in said notice.

8 (7) The New York state cemetery board shall promulgate rules defining
9 standards of maintenance, as well as what type of vandalism or out of
10 repair or dilapidated monuments or other markers shall qualify for
11 payment of repair or removal by the fund and the method and amount of
12 payment of contributions described in subparagraph two of this paragraph
13 upon the recommendation of the state cemetery board citizens advisory
14 council created by section fifteen hundred seven-a of this article
15 (State cemetery board citizens advisory council). The New York state
16 cemetery board shall approve or deny any application made pursuant to
17 this section no later than sixty days after receipt of a completed
18 application.

19 (8) Nothing contained in this paragraph is to be construed as giving a
20 cemetery corporation an "insurable interest" in monuments or other
21 embellishments on a plot, lot or part thereof, nor is it meant to imply
22 that the cemetery corporation has any responsibility for repairing
23 vandalism damage not covered by this fund, nor for repairing or removing
24 out of repair or dilapidated monuments or other markers not owned by the
25 cemetery corporation, nor shall it constitute the doing of an insurance
26 business.

27 § 2. Section 1506-d of the not-for-profit corporation law is amended
28 by adding a new subdivision (d) to read as follows:

29 (d) Any cemetery corporation which assumes management and operation of
30 a cemetery located in any city through merger as authorized by this
31 section, shall be discharged from repayment of any payments due from the
32 city cemetery to its own funds from previous operations and loans to
33 itself including but not limited to any permanent maintenance fund
34 loans.

35 § 3. This act shall take effect immediately.
