AN ACT to amend the public service law, in relation to requiring the emergency response plan of an electric corporation to include plans for how the communication and coordination of efforts shall occur

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph (a) of subdivision 21 of section 66 of the public service law, as added by section 4 of part X of chapter 57 of the laws of 2013, is amended to read as follows:

(a) Each electric corporation subject to section twenty-five-a of this 5 chapter shall annually, on or before December fifteenth, submit to the commission an emergency response plan for review and approval. The emergency response plan shall be designed for the reasonably prompt restora-8 tion of service in the case of an emergency event, defined for purposes 9 of this subdivision as an event where widespread outages have occurred 10 in the service territory of the company due to storms or other causes 11 beyond the control of the company. The emergency response plan shall include, but need not be limited to, the following: (i) the identification of management staff responsible for company operations during an 13 emergency; (ii) a communications system with customers during an emer-14 gency that extends beyond normal business hours and business conditions; 15 (iii) identification of and outreach plans to customers who had docu-16 17 mented their need for essential electricity for medical needs; (iv) 18 identification of and outreach plans to customers who had documented 19 their need for essential electricity to provide critical telecommuni-20 cations, critical transportation, critical fuel distribution services or 21 other large-load customers identified by the commission; (v) designation 22 of company staff to communicate with local officials and appropriate
