Introduced by Sen. THOMAS -- read twice and ordered printed, and when printed to be committed to the Committee on Codes

AN ACT to amend the penal law, in relation to unlawful dissemination or publication of files or instructions for the digital manufacture of a firearm or components

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The penal law is amended by adding a new section 265.65 to 2 read as follows:

- 3 § 265.65 Unlawful dissemination or publication of files or instructions 4 for the digital manufacture of a firearm or components.
- 5 <u>1. A person is guilty of unlawful dissemination or publication of</u> 6 <u>files or instructions for the digital manufacture of a firearm or compo-</u> 7 <u>nents when:</u>
- 8 (a) he or she disseminates or publishes files or instructions for the
 9 digital manufacture of a firearm or components without being licensed as
 10 a gunsmith or dealer in firearms under article four hundred of this
 11 chapter; or
- 12 (b) he or she disseminates or publishes files or instructions for the
 13 digital manufacture of a firearm or components without performing a
 14 background check on the purchaser or downloader of such instructions
 15 through the National Instant Criminal Background Check System (NICS), or
 16 its successor.
- 2. For purposes of this section "firearm" means the same as section 18 265.00 of this article.
- 3. For purposes of this section "digital manufacture of a firearm or components" means the production of any firearm or the major component of a firearm, rifle or shotgun using additive manufacturing or digital manufacturing technologies including, but not limited to, computer numerical control mills, three-dimensional printers, and laser cutting machines.
- 4. Nothing in this section shall be construed to limit, or to enlarge, the protections that 47 U.S.C § 230 confers on an interactive computer

service for content provided by another information content provider, as such terms are defined in 47 U.S.C. § 230.

Unlawful dissemination or publication of files or instructions for the digital manufacture of a firearm or components is a class C felony.

- § 2. Subdivision 3 of section 265.00 of the penal law, as amended by chapter 189 of the laws of 2000, is amended to read as follows:
- 7 3. "Firearm" means (a) any pistol or revolver; or (b) a shotgun having 8 one or more barrels less than eighteen inches in length; or (c) a rifle having one or more barrels less than sixteen inches in length; or (d) 9 10 any weapon made from a shotgun or rifle whether by alteration, modifica-11 tion, or otherwise if such weapon as altered, modified, or otherwise has 12 an overall length of less than twenty-six inches; or (e) an assault weapon; or (f) a digitally manufactured firearm or component of a 13 firearm, rifle or shotgun as defined in section 265.65 of this article. 14 15 For the purpose of this subdivision the length of the barrel on a shotgun or rifle shall be determined by measuring the distance between the 16 17 muzzle and the face of the bolt, breech, or breechlock when closed and when the shotgun or rifle is cocked; the overall length of a weapon made 18 from a shotgun or rifle is the distance between the extreme ends of the 19 20 weapon measured along a line parallel to the center line of the bore.
- Firearm does not include an antique firearm. 22 § 3. This act shall take effect immediately.
