9539

IN SENATE

August 22, 2022

Introduced by Sen. HOYLMAN -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the social services law, in relation to the provision of and payment for violence prevention programs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The social services law is amended by adding a new section
2	367-x to read as follows:
3	§ 367-x. Payment for violence prevention programs. 1. As used in this
4	section, the following terms shall have the following definitions:
5	(a) "Community violence" means intentional acts of interpersonal
б	violence committed by individuals who are not intimately related to the
7	victim.
8	(b) "Community violence prevention services" means evidence-informed,
9	trauma-informed, culturally responsive, supportive and non-psychothera-
10	peutic services provided by a qualified violence prevention profes-
11	sional, within or outside of a clinical setting, for the purpose of
12	promoting improved health outcomes, trauma recovery, and positive behav-
13	ioral change, preventing injury recidivism and reducing the likelihood
14	that individuals who are victims of community violence will commit or
15	promote violence themselves. "Community violence prevention services"
16	may include the provision of peer support and counseling, mentorship,
17	conflict mediation, crisis intervention, targeted case management,
18	referrals to certified or licensed health care professionals or social
19	services providers, case management, community and school support
20	services, patient education or screening services to victims of communi-
21	ty violence.
22	(c) "Prevention professional" means an individual who works in
23	programs aimed to address specific patient needs, such as suicide
24	prevention, violence prevention, alcohol avoidance, drug avoidance, and
25	tobacco prevention. The goal of such individual's work is to reduce the
26	risk of relapse, injury, or re-injury of the patient. Prevention profes-
27	sionals work in a variety of settings and provide appropriate case
28	management, mediation, referral, and mentorship services.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD16222-02-2

S. 9539

1	
	(d) "Qualified violence prevention professional" means a prevention
2	professional who meets all of the conditions specified in subdivision
3	five of this section.
4	2. Within thirty days of the effective date of this section, the
5	commissioner, in conjunction with the commissioner of health, shall
6	amend the Medicaid state plan to make community violence prevention
7	services available, to the extent permitted by federal law, to any Medi-
8	caid beneficiary who has:
9	(a) been exposed to community violence, or has a personal history of
10	injury sustained as a result of an act of community violence; and
11	(b) been referred by a certified or licensed health care provider or
12	social services provider to receive community violence prevention
13	services from a qualified violence prevention professional, after such
14	provider determines such beneficiary to be at elevated risk of a violent
15	injury or retaliation resulting from another act of community violence.
16	3. The commissioner, in conjunction with the commissioner of health,
17^{-1}	shall seek any federal approvals necessary to implement this section,
18	including, but not limited to, any state plan amendments or federal
19	waivers by the federal Centers for Medicare and Medicaid Services.
20	<u>4. The commissioner, in conjunction with the commissioner of health,</u>
21	shall, in consultation with the Health Alliance for Violence Inter-
22	vention (HAVI) and local community-based and hospital-based violence
23	prevention programs:
24	(a) issue guidance on the use of community violence prevention
25	services for beneficiaries who access these services under the medical
26	assistance program; and
27	(b) determine maximum allowable rates for community violence
28	prevention services based upon the medical assistance program fee-for-
29	service outpatient rates for the same or similar services, or any other
30	data deemed reliable and relevant by the commissioner.
31	5. Any prevention professional seeking certification as a qualified
32	violence prevention professional shall:
33	(a) complete at least six months of full-time equivalent experience in
34	muchiding community violance provention conviged on verthe development
	providing community violence prevention services or youth development
35	services through employment, volunteer work or as part of an internship

S. 9539

1	ing body shall approve programs that such body determines, in its
2	<u>discretion, will adequately prepare individuals to provide community</u>
3	violence prevention services to individuals who are victims of community
4	violence. Such programs shall include at least thirty-five hours of
5	training, collectively addressing all of the following:
б	<u>(a) the profound effects of trauma and violence and the basics of</u>
7	trauma-informed care; and
8	(b) community violence prevention strategies, including, but not
9	limited to, conflict mediation and retaliation prevention related to
10	community violence; case management and advocacy practices; and patient
11	privacy and the federal Health Insurance Portability and Accountability
12	<u>Act of 1996, P.L. 104-191, as amended from time to time, (HIPAA).</u>
13	7. Any entity that employs or contracts with a qualified violence
14	prevention professional to provide community violence prevention
15	services shall:
16	<u>(a) maintain documentation that the qualified violence prevention</u>
17	professional has met all of the conditions described in subdivision six
18	of this section; and
19	(b) ensure that the qualified violence prevention professional is
20	providing community violence prevention services in compliance with any
21	<u>applicable standards of care, rules, regulations and governing law of</u>
22	the state or federal government.
23	8. Nothing in this section shall alter the scope of practice for any
24	health care professional or authorize the delivery of health care
25	services in a setting or in a manner that is not currently authorized.
26	9. This section shall be implemented only to the extent that federal
27	financial participation is available, and any necessary federal
28	approvals have been obtained.
29	§ 2. This act shall take effect immediately.
