AN ACT to direct the department of environmental conservation and other state departments and agencies to conduct a study on the quality of life and human health impacts at John F. Kennedy international airport and LaGuardia airport

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The department of environmental conservation, with the
2 assistance of the department of health, the department of transporta-
3 tion, and any other state agencies the governor deems appropriate, shall
4 conduct a study describing the environmental, noise, and human health
5 impacts caused by runways, including new runways, and air traffic at
6 John F. Kennedy international airport and LaGuardia airport. In conduct-
7 ing this study, such departments and state agencies shall monitor actual
8 noise levels experienced in 2022 and 2023 and shall pay particular
9 attention to the impact of noise pollution and air pollution including
10 but not limited to volatile organic compounds and nitrogen dioxide,
11 particulate matter 2.5, ultrafine particulates, black carbon, and fluids
12 by aircraft, and similar factors on the quality of life and health of
13 persons who live under and adjacent to flight paths used by aircraft at
14 John F. Kennedy international airport and LaGuardia airport. Funding to
15 conduct this study may include \$500,000 appropriated in chapter 54 of
