44 An election under this paragraph must be made by the taxpayer on or

38 section to be taxable under subchapter two of this chapter from revoking
39 that election in accordance with subdivision (d) of this section. For
40 purposes of this paragraph, a corporation shall be considered to be

48 this part for such taxable year. A corporation that was in existence
49 before January first, two thousand fourteen but first becomes a taxpayer
50 in a taxable year beginning on or after January first, two thousand
51 fourteen and before January first, two thousand seventeen, shall be
52 considered for purposes of this paragraph to have been subject to tax
53 under subchapter two of this chapter for its last taxable year beginning
54 before January first, two thousand fourteen if such corporation would
55 have been subject to tax under such subchapter for such taxable year if
56 it had been a taxpayer during such taxable year. A corporation that was

1 in existence before January first, two thousand fourteen but first
2 becomes a taxpayer in a taxable year beginning on or after January
3 first, two thousand fourteen and before January first, two thousand

22 to the authority of such section or (ii) it is a financial subsidiary.
23 An election under this paragraph may not be made by a corporation
24 described in paragraphs one through eight of subdivision (a) of this
25 section or in subdivision (e) of this section. In addition, an election
26 under this paragraph may not be made by a corporation that is a party to
27 a reorganization, as defined in subsection (a) of section three hundred
28 sixty-eight of the internal revenue code of nineteen hundred eighty-six,

32 the reorganization.

33 An election under this paragraph must be made by the taxpayer on or

37 by the taxpayer by filing the return required pursuant to subdivision
38 one of section 11-605 of this chapter and the election to be taxed under
39 this subchapter shall be made by the taxpayer by filing the return
40 required pursuant to subdivision (a) of section 11-646 of this part. Any
41 election made pursuant to this paragraph shall be irrevocable and shall
42 apply to each subsequent taxable year beginning on or after January
43 first, two thousand fourteen and before January first, two thousand

8 deduction from entire net income, the portion of any gain or loss on
9 such sale which equals the difference in such basis.

10 (2) In case of property of a taxpayer, other than a savings bank,
11 acquired prior to January first, nineteen hundred sixty-six, and

15 the fair market price or value on January first, nineteen hundred
16 sixty-six, exceeds the value realized;

17 (ii) no loss shall be deemed to have been sustained if either the cost
18 or the fair market price or value on January first, nineteen hundred
19 sixty-six, is less than the value realized;

20 (iii) where both the cost and the fair market price or value on Janu-
21 ary first, nineteen hundred sixty-six, are less than the value realized,
22 the basis for computing gain shall be the cost or the fair market price
23 or value on such date, whichever is higher;

24 (iv) where both the cost and the fair market price or value on January
25 first, nineteen hundred sixty-six, are in excess of the value realized,
26 the basis for computing loss shall be the cost or the fair market price
27 or value on such date, whichever is lower.

28 (3) In case of property of a savings bank acquired prior to January
29 first, nineteen hundred sixty-six, and disposed of thereafter, in
30 computing entire net income the basis of such property shall be the fair
31 market price or value on January first, nineteen hundred sixty-six.

32 (d) Entire net income shall not include any refund or credit of a tax
33 for which no exclusion or deduction was allowed in determining the
34 taxpayer's entire net income under this subchapter or subchapter two of
35 this chapter, or imposed by article twenty-three of the tax law for any
36 prior year.

37 (e) There shall be allowed as a deduction in determining entire net
38 income, to the extent not deductible in determining federal taxable

53 hundred eighty-one, except with respect to property which is a qualified
54 mass commuting vehicle described in subparagraph (D) of paragraph eight
55 of subsection (f) of section one hundred sixty-eight of the internal
56 revenue code, relating to qualified mass commuting vehicles, any amount

1 which is included in the taxpayer's federal taxable income solely as a
2 result of an election made pursuant to the provisions of such paragraph
3 eight as it was in effect for agreements entered into prior to January
4 first, nineteen hundred eighty-four,

5 (6) for taxable years beginning after December thirty-first, nineteen
6 hundred eighty-one, except with respect to property which is a qualified
7 mass commuting vehicle described in subparagraph (D) of paragraph eight
8 of subsection (f) of section one hundred sixty-eight of the internal
9 revenue code, relating to qualified mass commuting vehicles, any amount
10 which the taxpayer could have excluded from federal taxable income had
11 it not made the election provided for in such paragraph eight as it was
12 in effect for agreements entered into prior to January first, nineteen
13 hundred eighty-four,

14 (7) in the case of property placed in service in taxable years begin-

28 applied to property placed in service on December thirty-first, nineteen
29 hundred eighty,

30 (8) upon the disposition of property to which paragraph seven of this
31 subdivision applies, the amount, if any, by which the aggregate of the

52 (12) twenty-two and one-half percent of interest income on obligations
53 of New York state, or of any political subdivision thereof, or on obli-

28 report or return under subchapter two or part four of subchapter three
29 of this chapter.

30 (f) Provided the taxpayer has not made an election pursuant to para-
31 graph two of subdivision (b) of section 11-642 of this part, there shall
32 be allowed as a deduction in determining entire net income, to the
33 extent not deductible in determining federal taxable income, the
34 adjusted eligible net income of an international banking facility deter-
35 mined as follows:

36 (1) The eligible net income of an international banking facility shall
37 be the amount remaining after subtracting from the eligible gross income
38 the applicable expenses.

39 (2) Eligible gross income shall be the gross income derived by an
40 international banking facility from:

41 (A) making, arranging for, placing or servicing loans to foreign
42 persons, provided, however, that in the case of a foreign person which
43 is an individual, or which is a foreign branch of a domestic corpo-
44 ration, other than a bank, or which is a foreign corporation or foreign
45 partnership which is eighty per centum or more owned or controlled,
46 either directly or indirectly, by one or more domestic corporations,
47 other than banks, domestic partnerships or resident individuals,
48 substantially all the proceeds of the loan are intended for use outside
49 of the United States;

50 (B) making or placing deposits with foreign persons which are banks or
51 foreign branches of banks, including foreign subsidiaries or foreign
52 branches of the taxpayer, or with other international banking facili-
53 ties; or

54 (C) entering into foreign exchange trading or hedging transactions
55 related to any of the transactions described in this paragraph.

1 (3) Applicable expenses shall be any expenses or other deductions
2 attributable, directly or indirectly, to the eligible gross income
3 described in paragraph two of this subdivision.

4 (4) Adjusted eligible net income shall be determined by subtracting
5 from eligible net income the ineligible funding amount, and by subtract-
6 ing from the amount then remaining the floor amount.

7 (5) The ineligible funding amount shall be the amount, if any, deter-
8 mined by multiplying eligible net income by a fraction, the numerator of
9 which is the average aggregate amount for the taxable year of all
10 liabilities, including deposits, and other sources of funds of the
11 international banking facility which were not owed to or received from
12 foreign persons, and the denominator of which is the average aggregate
13 amount for the taxable year of all liabilities, including deposits and
14 other sources of funds of the international banking facility.

15 (6) The floor amount shall be the amount, if any, determined by multi-
16 plying the amount remaining after subtracting the ineligible funding
17 amount from the eligible net income by a fraction, not greater than one,
18 which is determined as follows:

19 (A) The numerator shall be

20 (i) the percentage, as set forth in subparagraph (C) of this para-
21 graph, of the average aggregate amount of the taxpayer's loans to
22 foreign persons and deposits with foreign persons which are banks or
23 foreign branches of banks, including foreign subsidiaries or foreign
24 branches of the taxpayer, which loans and deposits were recorded in the
25 financial accounts of the taxpayer for its branches, agencies and
26 offices within the state for taxable years nineteen hundred seventy-
27 five, nineteen hundred seventy-six and nineteen hundred seventy-seven,
28 minus

29 (ii) the average aggregate amount of such loans and such deposits for
30 the taxable year of the taxpayer, other than such loans and deposits of
31 an international banking facility, provided, however, that in no case
32 shall the amount determined in this clause exceed the amount determined
33 in clause (i) of this subparagraph; and

34 (B) The denominator shall be the average aggregate amount of the loans
35 to foreign persons and deposits with foreign persons which are banks or
36 foreign branches of banks, including foreign subsidiaries or foreign
37 branches of the taxpayer, which loans and deposits were recorded in the
38 financial accounts of the taxpayer's international banking facility for
39 the taxable year.

40 (C) The percentage shall be one hundred percent for the first taxable
41 year in which the taxpayer establishes an international banking facility
42 and for the next succeeding four taxable years. The percentage shall be
43 eighty percent for the fifth, sixty percent for the sixth, forty percent
44 for the seventh, and twenty percent for the eighth taxable year next
45 succeeding the year such taxpayer establishes such international banking
46 facility, and zero in the ninth succeeding year and thereafter.

47 (7) In the event adjusted eligible net income is a loss, such loss
48 shall be added to entire net income.

49 (8) For purposes of this subdivision, the term "foreign person" means:

50 (A) an individual who is not a resident of the United States,

51 (B) a foreign corporation, a foreign partnership or a foreign trust,
52 as defined in section seventy-seven hundred one of the internal revenue
53 code, other than a domestic branch thereof,

54 (C) a foreign branch of a domestic corporation, including the taxpay-
55 er,

1 (D) a foreign government or an international organization or an agency
2 of either, or

3 (E) an international banking facility.

4 For purposes of this paragraph, the terms "foreign" and "domestic"
5 shall have the same meaning as set forth in section seventy-seven
6 hundred one of the internal revenue code.

7 (g) Entire net income shall be computed without regard to the
8 reduction in the basis of property that is required by section three
9 hundred sixty-two of the internal revenue code, because of any amount of
10 money or other property received from the federal deposit insurance
11 corporation pursuant to subsection (c) of section thirteen of the feder-
12 al deposit insurance act, as amended, or from the federal savings and
13 loan insurance corporation pursuant to paragraph one, two, three or four
14 of subsection (f) of section four hundred six of the federal national
15 housing act, as amended.

16 (h)(1) For purposes of this subdivision, a "thrift institution" is a
17 banking corporation which satisfies the requirements of subparagraphs
18 (A) and (B) of this paragraph.

19 (A) Such banking corporation must be (i) a banking corporation as
20 defined in paragraph one of subdivision (a) of section 11-640 of this
21 part created or authorized to do business under article six or ten of
22 the banking law, (ii) a banking corporation as defined in paragraph two
23 or seven of subdivision (a) of section 11-640 of this part which is
24 doing a business substantially similar to the business which a corpo-
25 ration or association may be created to do under article six or ten of
26 the banking law or any business which a corporation or association is
27 authorized by such article to do, or (iii) a banking corporation as
28 defined in paragraph four or five of subdivision (a) of section 11-640
29 of this part.

30 (B) At least sixty percent of the amount of the total assets, at the
31 close of the taxable year, of such banking corporation must consist of
32 (i) cash; (ii) obligations of the United States or of a state or poli-
33 tical subdivision thereof, and stock or obligations of a corporation
34 which is an instrumentality of the United States or of a state or poli-
35 tical subdivision thereof, but not including obligations the interest on
36 which is excludable from gross income under section one hundred three of
37 the internal revenue code; (iii) loans secured by a deposit or share of
38 a member; (iv) loans secured by an interest in real property which is,
39 or from the proceeds of the loan, will become, residential real property
40 or real property used primarily for church purposes, loans made for the
41 improvement of residential real property or real property used primarily
42 for church purposes, provided that for purposes of this clause, residen-

44 ities in residential developments dedicated to public use or property
45 used on a nonprofit basis for residents, and mobile homes not used on a
46 transient basis; (v) property acquired through the liquidation of
47 defaulted loans described in clause (iv) of this subparagraph; (vi) any

49 section eight hundred sixty-D of the internal revenue code and any regu-
50 lar interest in a FASIT, as such term is defined in section eight
51 hundred sixty-L of the internal revenue code, but only in the proportion
52 which the assets of such REMIC or FASIT consist of property described in
53 clauses (i) through (v) of this subparagraph, except that if ninety-five
54 percent or more of the assets of such REMIC or FASIT are assets
55 described in clauses (i) through (v) of this subparagraph, the entire
56 interest in the REMIC or FASIT shall qualify; (vii) any mortgage-backed

1 security which represents ownership of a fractional undivided interest
2 in a trust, the assets of which consist primarily of mortgage loans,
3 provided that the real property which serves as security for the loans
4 is, or from the proceeds of the loan, will become, the type of property
5 described in clause (iv) of this subparagraph and any collateralized
6 mortgage obligation, the security for which consists primarily of mort-
7 gage loans, provided that the real property which serves as security for
8 the loans is, or from the proceeds of the loan, will become, the type of
9 property described in clause (iv) of this subparagraph; (viii) certifi-
10 cates of deposit in, or obligations of, a corporation organized under a
11 state law which specifically authorizes such corporation to insure the
12 deposits or share accounts of member associations; (ix) loans secured by

17 as amended, or located within any area covered by a program eligible for
18 assistance under section one hundred three of the Demonstration Cities

20 amended, and loans made for the improvement of any such real property;
21 (x) loans secured by an interest in educational, health, or welfare

24 care, employees, or members of the staff of such institutions or facili-
25 ties; (xi) loans made for the payment of expenses of college or univer-
26 sity education or vocational training; (xii) property used by the
27 taxpayer in the conduct of business which consists principally of
28 acquiring the savings of the public and investing in loans; (xiii) loans
29 for which the taxpayer is the creditor and which are wholly secured by
30 loans described in clause (iv) of this subparagraph, but excluding loans
31 for which the taxpayer is the creditor to any banking corporation
32 described in paragraphs one through seven of subdivision (a) of section
33 11-640 of this part or a real estate investment trust, as such term is
34 defined in section eight hundred fifty-six of the internal revenue code,
35 and excluding loans which are treated by the taxpayer as subsidiary
36 capital for purposes of the deductions provided by paragraph eleven of
37 subdivision (e) of this section; (xiv) small business loans or small
38 farm loans located in low-income or moderate-income census tracts or
39 block numbering areas delineated by the United States bureau of the
40 census in the most recent decennial census; and (xv) community develop-
41 ment loans or community development investments. For purposes of clause
42 (xv) of this subparagraph, a "community development loan" is a loan that
43 (I) has as its primary purpose community development, (II) has not been
44 reported or collected by the taxpayer for consideration in the taxpay-
45 er's community reinvestment act evaluation pursuant to the federal
46 community reinvestment act of nineteen hundred seventy-seven, as
47 amended, or section twenty-eight-b of the banking law as a mortgage loan
48 described in clause (iv) of this subparagraph or a small business loan,
49 small farm loan, or consumer loan, (III) benefits the taxpayer's assess-
50 ment area or areas for purposes of the federal community reinvestment
51 act of nineteen hundred seventy-seven, as amended or section twenty-
52 eight-b of the banking law or a broader statewide or regional area that
53 includes the taxpayer's assessment area, and (IV) is identified in the
54 taxpayer's books and records as a community development loan for
55 purposes of its community reinvestment act evaluation pursuant to the
56 federal community reinvestment act of nineteen hundred seventy-seven, as

1 amended or section twenty-eight-b of the banking law. For purposes of
2 clause (xv) of this subparagraph, a "community development investment"
3 is an investment in a security which has as its primary purpose communi-
4 ty development and which is identified in the taxpayer's books and
5 records as a qualified investment for purposes of its community rein-
6 vestment act evaluation pursuant to the federal community reinvestment
7 act of nineteen hundred seventy-seven, as amended or section twenty-
8 eight-b of the banking law. For purposes of this subparagraph, "communi-
9 ty development" means (I) affordable housing, including multifamily
10 rental housing for low-income or moderate-income individuals; (II)
11 community services targeted to low-income or moderate-income individ-
12 uals; (III) activities that promote economic development by financing
13 businesses or farms that meet the size eligibility standards of the
14 small business administration's development company or small business
15 investment company programs or have gross annual revenues of one million
16 dollars or less; (IV) activities that revitalize or stabilize low-income
17 or moderate-income census tracts or block numbering areas delineated by
18 the United States bureau of the census in the most recent decennial
19 census; or (V) activities that seek to prevent defaults and/or foreclo-
20 sures in loans included in items (I) and (III) of this subclause.

21 (C) At the election of the taxpayer, the percentage specified in
22 subparagraph (B) of this paragraph shall be applied on the basis of the
23 average assets outstanding during the taxable year, in lieu of the close
24 of the taxable year. For purposes of clause (iv) of subparagraph (B) of
25 this paragraph, if a multifamily structure securing a loan is used in
26 part for nonresidential use purposes, the entire loan is deemed a resi-
27 dential real property loan if the planned residential use exceeds eighty
28 percent of the property's planned use, determined as of the time the
29 loan is made. Also, for purposes of clause (iv) of subparagraph (B) of
30 this paragraph, loans made to finance the acquisition or development of
31 land shall be deemed to be loans secured by an interest in residential
32 real property if there is a reasonable assurance that the property will
33 become residential real property within a period of three years from the
34 date of acquisition of such land; but this shall not apply for any taxa-
35 ble year unless, within such three year period, such land becomes resi-
36 dential real property. For purposes of determining whether any interest
37 in a REMIC qualifies under clause (vi) of subparagraph (B) of this para-
38 graph, any regular interest in another REMIC held by such REMIC shall be
39 treated as a loan described in clauses (i), (ii), (iii), (iv) or (v) of
40 subparagraph (B) of this paragraph under principles similar to the prin-
41 ciple of such clause (vi); except that if such REMICS are part of a
42 tiered structure, they shall be treated as one REMIC for purposes of
43 such clause (vi).

44 (2) For taxable years beginning before January first, two thousand
45 ten, a thrift institution must exclude from the computation of its
46 entire net income any amount allowed as a deduction for federal income
47 tax purposes pursuant to section one hundred sixty-six, five hundred
48 eight-five or five hundred ninety-three of the internal revenue code.

49 (3) For taxable years beginning before January first, two thousand
50 ten, a thrift institution shall be allowed as a deduction in computing
51 entire net income the amount of a reasonable addition to its reserve for
52 bad debts. This amount shall be equal to the sum of:

53 (A) the amount determined to be a reasonable addition to the reserve
54 for losses on nonqualifying loans, computed in the same manner as is
55 provided with respect to additions to the reserves for losses on loans
56 of banks under paragraph one of subdivision (i) of this section, plus

1 (B) the amount determined by the taxpayer to be a reasonable addition
2 to the reserve for losses on qualifying real property loans, but such
3 amount shall not exceed the amount determined under paragraph four or
4 five of this subdivision, whichever is the larger, but the amount deter-
5 mined under this subparagraph shall in no case be greater than the larg-
6 er of:

7 (i) the amount determined under paragraph five of this subdivision, or
8 (ii) the amount which, when added to the amount determined under
9 subparagraph (A) of this paragraph, equals the amount by which twelve
10 percent of the total deposits or withdrawable accounts of depositors of
11 the taxpayer at the close of such year exceeds the sum of its surplus,
12 undivided profits and reserves at the beginning of such year, taking
13 into account any portion thereof attributable to the period before the
14 first taxable year beginning after December thirty-first, nineteen
15 hundred fifty-one.

16 The taxpayer must include in its tax return for each year a computa-
17 tion of the amount of the addition to the bad debt reserve determined
18 under this subdivision. The use of a particular method in the return for
19 a taxable year is not a binding election by the taxpayer.

20 (4)(A) Subject to subparagraphs (B) and (C) of this paragraph, the
21 amount determined under this paragraph for the taxable year shall be an
22 amount equal to thirty-two percent of the entire net income for such
23 year.

24 (B) The amount determined under subparagraph (A) of this paragraph
25 shall be reduced, but not below zero, by the amount determined under
26 subparagraph (A) of paragraph three of this subdivision.

27 (C) The amount determined under this paragraph shall not exceed the
28 amount necessary to increase the balance at the close of the taxable
29 year of the reserve for losses on qualifying real property loans to six
30 percent of such loans outstanding at such time.

31 (D) For purposes of this paragraph, entire net income shall be
32 computed

33 (i) by excluding from income any amount included therein by reason of
34 subparagraph (B) of paragraph eight of this subdivision,

35 (ii) without regard to any deduction allowable for any addition to the
36 reserve for bad debts, and

37 (iii) by excluding from income an amount equal to the net gain for the
38 taxable year arising from the sale or exchange of stock of a corporation
39 or of obligations the interest on which is excludable from gross income
40 under section one hundred three of the internal revenue code.

41 (iv) Whenever a thrift institution is properly includable in a
42 combined return, entire net income, for purposes of this paragraph,
43 shall not exceed the lesser of the thrift institution's separately
44 computed entire net income as adjusted pursuant to clauses (i) through
45 (iii) of this subparagraph or the combined group's entire net income as
46 adjusted pursuant to clauses (i) through (iii) of this subparagraph.

47 (5) The amount determined under this paragraph for the taxable year
48 shall be computed in the same manner as is provided under paragraph one
49 of subdivision (i) of this section with respect to additions to reserves
50 for losses on loans of banks. Provided, however, that for any taxable
51 year beginning after nineteen hundred ninety-five, for purposes of such
52 computation, the base year shall be the later of (A) the last taxable
53 year beginning in nineteen hundred ninety-five or (B) the last taxable
54 year before the current year in which the amount determined under the
55 provisions of subparagraph (B) of paragraph three of this subdivision
56 exceeded the amount allowable under this paragraph.

1 (6) (A) (i) Each taxpayer described in paragraph one of this subdivi-
2 sion shall establish and maintain a New York reserve for losses on qual-
3 ifying real property loans, a New York reserve for losses on nonqualify-
4 ing loans and a supplemental reserve for losses on loans. Such reserves
5 shall be maintained for all subsequent taxable years that this subdivi-
6 sion applies to the taxpayer.

7 (ii) For purposes of this subdivision, such reserves shall be treated
8 as reserves for bad debts, but no deduction shall be allowed for any
9 addition to the supplemental reserve for losses on loans.

10 (iii) Except as provided in this clause, the balances of each such
11 reserve at the beginning of the first day of the first taxable year
12 beginning after December thirty-first, nineteen hundred ninety-five
13 shall be the same as the balances maintained for federal income tax
14 purposes in accordance with paragraph one of subdivision (c) of section
15 five hundred ninety-three of the internal revenue code as in existence
16 on December thirty-first, nineteen hundred ninety-five for the last day
17 of the last tax year beginning before January first, nineteen hundred
18 ninety-six. A taxpayer which maintained a New York reserve for loan
19 losses on qualifying real property loans in the last tax year beginning
20 before January first, nineteen hundred ninety-six shall have a continua-
21 tion of such New York reserve balance in lieu of the amount determined
22 under this clause.

23 (iv) Notwithstanding clause (ii) of this subparagraph, any amount
24 allocated to the reserve for losses on qualifying real property loans
25 pursuant to paragraph five of subdivision (c) of section five hundred
26 ninety-three of the internal revenue code as in effect immediately prior
27 to the enactment of the Tax Reform Act of nineteen hundred seventy six
28 shall not be treated as a reserve for bad debts for any purpose other
29 than determining the amount referred to in subparagraph (B) of paragraph
30 three of this subdivision, and for such purpose such amount shall be
31 treated as remaining in such reserve.

32 (B) Any debt becoming worthless or partially worthless in respect of a
33 qualifying real property loan shall be charged to the reserve for losses
34 on such loans and any debt becoming worthless or partially worthless in
35 respect of a nonqualifying loan shall be charged to the reserve for
36 losses on nonqualifying loans, except that any such debt may, at the
37 election of the taxpayer, be charged in whole or in part to the supple-
38 mental reserve for losses on loans.

39 (C) The New York reserve for losses on qualifying real property loans
40 shall be increased by the amount determined under subparagraph (B) of
41 paragraph three of this subdivision and the New York reserve for losses
42 on nonqualifying loans shall be increased by the amount determined under
43 subparagraph (A) of paragraph three of this subdivision.

44 (7)(A) For purposes of this subdivision, the term "qualifying real
45 property loan" shall mean any loan secured by an interest in improved
46 real property or secured by an interest in real property which is to be
47 improved out of the proceeds of the loan. Such term shall include any
48 mortgage-backed security which represents ownership of a fractional
49 undivided interest in a trust, the assets of which consist primarily of
50 mortgage loans, provided that the real property which serves as security
51 for the loans is, or from the proceeds of the loan, will become, the
52 type of property described in clauses (i) through (v) of subparagraph
53 (B) of paragraph one of this subdivision. However, such term shall not
54 include: (i) any loan evidenced by a security, as defined in subpara-
55 graph (C) of paragraph two of subdivision (g) of section one hundred
56 sixty-five of the internal revenue code; (ii) any loan, whether or not

1 evidenced by a security, as defined in such subparagraph (C) of para-
2 graph two of subdivision (g) of section one hundred sixty-five, the
3 primary obligor of which is (I) a government or political subdivision or
4 instrumentality thereof, (II) a banking corporation, or (III) any corpo-
5 ration sixty-five percent or more of whose voting stock is owned or
6 controlled, directly or indirectly, by the taxpayer or by a banking
7 corporation or bank holding company that owns or controls, directly or
8 indirectly, sixty-five percent or more of the voting stock of the
9 taxpayer; (iii) any loan, to the extent secured by a deposit in or share
10 of the taxpayer; or (iv) any loan which, within a sixty-day period
11 beginning in one taxable year of the creditor and ending in its next
12 taxable year, is made or acquired and then repaid or disposed of, unless
13 the transactions by which such loan was made or acquired and then repaid
14 or disposed of are established to be for bona fide business purposes.

15 (B) For purposes of this subdivision, the term "nonqualifying loan"
16 shall mean any loan which is not a qualifying real property loan.

17 (C) For purposes of this subdivision, the term "loan" shall mean debt,
18 as the term "debt" is used in section one hundred sixty-six of the
19 internal revenue code.

20 (D) A regular or residual interest in a REMIC, as such term is defined
21 in section eight hundred sixty-D of the internal revenue code, shall be
22 treated as a qualifying real property loan, except that, if less than
23 ninety-five percent of the assets of such REMIC are qualifying real
24 property loans, determined as if the taxpayer held the assets of the
25 REMIC, such interest shall be so treated only in the proportion which
26 the assets of such REMIC consist of such loans. For purposes of deter-
27 mining whether any interest in a REMIC qualifies under the provisions of
28 this paragraph, any interest in another REMIC held by such REMIC shall
29 be treated as a qualifying real property loan under principles similar
30 to the principles of this paragraph, except that if such REMICS are part
31 of a tiered structure, they shall be treated as one REMIC for purposes
32 of this paragraph.

33 (8)(A) Any distribution of property, as defined in subdivision (a) of
34 section three hundred seventeen of the internal revenue code, by a
35 thrift institution to a shareholder with respect to its stock, if such
36 distribution is not allowable as a deduction under section five hundred
37 ninety-one of such code, shall be treated as made

38 (i) first out of its New York earnings and profits accumulated in
39 taxable years beginning after December thirty-first, nineteen hundred
40 fifty-one, to the extent thereof,

41 (ii) then out of the New York reserve for losses on qualifying real
42 property loans, to the extent additions to such reserve exceed the addi-
43 tions which would have been allowed under paragraph five of this subdivi-
44 sion,

45 (iii) then out of the supplemental reserve for losses on loans, to the
46 extent thereof,

47 (iv) then out of such other accounts as may be proper.

48 This subparagraph shall apply in the case of any distribution in redemp-
49 tion of stock or in partial or complete liquidation of a thrift institu-
50 tion, except that any such distribution shall be treated as made first
51 out of the amount referred to in clause (ii) of this subparagraph,
52 second out of the amount referred to in clause (iii) of this subpara-
53 graph, third out of the amount referred to in clause (i) of this subpar-
54 agraph and then out of such other accounts as may be proper. This
55 subparagraph shall not apply to any transaction to which section three
56 hundred eighty-one of such code, relating to carryovers and certain

1 corporate acquisitions, applies, or to any distribution to the federal
2 savings and loan insurance corporation or the federal deposit insurance
3 corporation in redemption of an interest in an association or institu-
4 tion, if such interest was originally received by the federal savings
5 and loan insurance corporation or the federal deposit insurance corpo-
6 ration in exchange for financial assistance pursuant to subdivision (f)
7 of section four hundred six of the federal national housing act or
8 pursuant to subsection (c) of section thirteen of the federal deposit
9 insurance act.

10 (B) If any distribution is treated under subparagraph (A) of this
11 paragraph as having been made out of the reserves described in clauses
12 (ii) and (iii) of such subparagraph, the amount charged against such
13 reserve shall be the amount which, when reduced by the amount of tax
14 imposed under the internal revenue code and attributable to the inclu-
15 sion of such amount in gross income, is equal to the amount of such
16 distribution; and the amount so charged against such reserve shall be
17 included in the entire net income of the taxpayer.

18 (C) (i) For purposes of clause (ii) of subparagraph (A) of this para-
19 graph, additions to the New York reserve for losses on qualifying real
20 property loans for the taxable year in which the distribution occurs
21 shall be taken into account.

22 (ii) For purposes of computing under this subdivision the amount of a
23 reasonable addition to the New York reserve for losses on qualifying
24 real property loans for any taxable year, the amount charged during any
25 year to such reserve pursuant to the provisions of subparagraph (B) of
26 this paragraph shall not be taken into account.

27 (9) A taxpayer which maintains a New York reserve for losses on quali-
28 fying real property loans and which ceases to meet the definition of a
29 thrift institution as defined in paragraph one of this subdivision, must
30 include in its entire net income for the last taxable year such para-
31 graph applied the excess of its New York reserve for losses on qualify-
32 ing real property loans over the greater of (A) its reserve for losses
33 on qualifying real property loans as of the last day of the last taxable
34 year such reserve is maintained for federal income tax purposes or (B)
35 the balance of the New York reserve for losses on qualifying real prop-
36 erty loans which would be allowable to the taxpayer for the last taxable
37 year such taxpayer met such definition of a thrift institution if the
38 taxpayer had computed its reserve balance pursuant to the method
39 described in subparagraph (A) of paragraph one of subdivision (i) of
40 this section.

41 (i) (1) For taxable years beginning before January first, two thousand
42 ten, a taxpayer subject to the provisions of subdivision (c) of section
43 five hundred eighty-five of the internal revenue code and not subject to
44 subdivision (h) of this section may, in computing entire net income,
45 deduct an amount equal to or less than the amount determined pursuant to
46 subparagraph (A) of this paragraph or subparagraph (B) of this para-
47 graph, whichever is greater. Provided, however, in no event shall the
48 deduction be less than the amount determined pursuant to such subpara-
49 graph (A).

50 (A) The amount determined pursuant to this subparagraph shall be the
51 amount necessary to increase the balance of its New York reserve for
52 losses on loans, at the close of the taxable year, to the amount which
53 bears the same ratio to loans outstanding at the close of the taxable
54 year as (i) the total bad debts sustained during the taxable year and
55 the five preceding taxable years, or, with the approval of the commis-
56 sioner of finance, a shorter period, adjusted for recoveries of bad

1 debts during such period, bears to (ii) the sum of the loans outstanding
2 at the close of such six or fewer taxable years.

3 (B)(i) The amount determined pursuant to this subparagraph shall be
4 the amount necessary to increase the balance of its New York reserve for
5 losses on loans, at the close of the taxable year, to the lower of:

6 (I) the balance of the reserve at the close of the base year, or

7 (II) if the amount of loans outstanding at the close of the taxable
8 year is less than the amount of loans outstanding at the close of the
9 base year, the amount which bears the same ratio to loans outstanding at
10 the close of the taxable year as the balance of the reserve at the close
11 of the base year bears to the amount of loans outstanding at the close
12 of the base year.

13 (ii) For purposes of this paragraph, the base year shall be (I) for
14 taxable years beginning in nineteen hundred eighty-seven, the last tax-
15 able year before the most recent adoption of the experience method for
16 federal income tax purposes or for purposes of this part, whichever is
17 earlier, and (II) for taxable years beginning after nineteen hundred
18 eighty-seven, the last taxable year beginning before nineteen hundred
19 eighty-eight.

20 (2) (A) For taxable years beginning before January first, two thousand
21 ten, each taxpayer described in paragraph one of this subdivision shall
22 establish and maintain a New York reserve for losses on loans. Such
23 reserve shall be maintained for all subsequent taxable years. The
24 balance of the New York reserve for losses on loans at the beginning of
25 the first day of the first taxable year the taxpayer becomes subject to
26 this subdivision shall be the same as the balance at the beginning of
27 such day of the reserve for losses on loans maintained for federal
28 income tax purposes. The New York reserve for losses on loans shall be
29 reduced by an amount equal to the deduction allowed, but not more than
30 the amount allowable, for worthless debts for federal income tax
31 purposes pursuant to section one hundred sixty-six of the internal
32 revenue code plus the amount, if any, charged against its reserve for
33 losses on loans pursuant to paragraph four of subdivision (c) of section
34 five hundred eighty-five of such code.

35 (B) For purposes of subparagraph (A) of this paragraph, a taxpayer
36 which had previously been subject to the provisions of subdivision (h)
37 of this section shall establish a New York reserve for losses on loans
38 equal to the sum of (i) the greater of (I) the balance of its federal
39 reserve for losses on qualifying real property loans as of the first day
40 of the first taxable year the taxpayer becomes subject to the provisions
41 of this subdivision or (II) the greater of the amounts determined under
42 subparagraphs (A) and (B) of paragraph nine of subdivision (h) of this
43 section in the year such paragraph applied to the taxpayer, (ii) the
44 greater of (I) the balance in its federal reserve for losses on nonqual-
45 ifying loans as of the first day of the first taxable year the taxpayer
46 becomes subject to this subdivision or (II) the balance in its New York
47 reserve for losses on nonqualifying loans as of the last date the
48 taxpayer was subject to the provisions of subdivision (h) of this
49 section, and (iii) the balance in its supplemental reserve for losses on
50 loans as of the last date the taxpayer was subject to the provisions of
51 subdivision (h) of this section.

52 (3) The determination and treatment of the New York reserve balance,
53 including any additions thereto, subtractions therefrom, or recapture
54 thereof, for:

1 (A) any banking corporation which was subject to tax for federal
2 income tax purposes but not subject to tax under this part for prior
3 taxable years,

4 (B) any taxpayer which ceases to be subject to tax under this part, or

5 (C) any other unusual circumstances,

6 shall be determined by the commissioner of finance. Provided, however,
7 any banking corporation which was subject to tax for federal income tax
8 purposes but not subject to tax under this part for prior taxable years
9 shall have as its opening New York reserve for losses on loans the
10 amount determined by applying the provisions of subparagraph (A) of
11 paragraph one of this subdivision to loans outstanding at the close of
12 its last taxable year for federal income tax purposes ending prior to
13 the first taxable year for which the taxpayer is subject to tax under
14 this part and provided, further, that the provisions of subparagraph (B)
15 of paragraph one of this subdivision shall not apply.

16 (j) (1) For any taxable year beginning in nineteen hundred seventy-
17 three or for any period for which a tax is imposed under subdivision (b)
18 of section 11-639 of this part, entire net income shall be computed
19 without regard to the amount allowable as a deduction for bad debts or
20 an addition to a reserve for bad debts in computing federal taxable
21 income for the taxable year, but, in lieu thereof, a deduction shall be
22 allowed to the extent and in the manner authorized by subdivision five
23 of section 11-621 or subdivision (e) of section 11-629 of this subchap-
24 ter as if such provisions were set forth in full in this part and by
25 treating such provisions as applicable under this part.

26 (2) In the case of property placed in service prior to January first,
27 nineteen hundred seventy-three, for which the taxpayer properly adopted
28 a different method of computing depreciation under section 11-621 or
29 section 11-629 of this subchapter than was adopted for federal income
30 tax purposes with respect to such property, entire net income under this
31 part shall be computed without regard to the amount allowable as a
32 deduction for depreciation of such property in computing federal taxable
33 income for the taxable year but, in lieu thereof, shall be computed as
34 if such deduction were determined by the method of depreciation adopted
35 with respect to such property under section 11-621 or 11-629 of this
36 subchapter.

37 (3) In computing entire net income, the amount allowable as a
38 deduction for charitable contributions for federal income tax purposes
39 shall be: (a) increased for the first taxable year or period beginning
40 in nineteen hundred seventy-three by the amount of any contributions
41 made during such taxable year or period which were not allowable as a
42 deduction for charitable contributions for federal income tax purposes
43 for such taxable year or period because of an election pursuant to para-
44 graph two of subsection (a) of section one hundred seventy of the inter-
45 nal revenue code and which were not deductible in computing the tax due
46 under part one or two of this subchapter, and (b) decreased by any
47 amount allowed as a deduction for federal income tax purposes for the
48 taxable year under section one hundred seventy of the internal revenue
49 code as a carryover of excess contributions which are not made in such
50 taxable year and which were deductible in computing the tax due under
51 part one or two of this subchapter.

52 (4) There shall be excluded from the computation of entire net income
53 any amount allowed as a deduction for federal income tax purposes for
54 the taxable year under section twelve hundred twelve of the internal
55 revenue code as a capital loss carry forward to the taxable year, which

1 was deductible as a loss in computing the tax due under part one or two
2 of this subchapter.

3 (5) There shall be excluded from the computation of entire net income
4 the amount of any income or gain from the sale of real or personal prop-
5 erty which is includible in determining federal taxable income for the
6 taxable year pursuant to the installment method under section four
7 hundred fifty-three of the internal revenue code, to the extent that
8 such income or gain was includible in the computation of the tax due
9 under part one or two of this subchapter.

10 (6) To the extent not otherwise provided in this part, there shall be
11 excluded from entire net income the amount necessary to prevent the
12 taxation under this part of any other amount of income or gain which was
13 properly included in income or gain and was taxable under part one or
14 two of this subchapter and there shall be disallowed as a deduction in
15 computing entire net income any amount which was allowed as a deduction
16 in computing the tax due under such parts.

17 (k) (1) At the election of the taxpayer, there shall be deducted from
18 the portion of its entire net income allocated within the city, depreci-
19 ation with respect to any property such as described in paragraph two of
20 this subdivision, not exceeding twice the depreciation allowed with
21 respect to the same property for federal income tax purposes. Such
22 deduction shall be allowed only upon condition that entire net income be
23 computed without any deduction for depreciation or amortization of the
24 same property, and the total of all deductions allowed under parts one
25 and two of this subchapter three and this part in any taxable year or
26 years with respect to the depreciaton of any such property shall not
27 exceed its cost or other basis.

28 (2) Such deduction shall be allowed only with respect to tangible
29 property which is depreciable pursuant to section one hundred sixty-sev-
30 en of the internal revenue code, having a situs in this city and used in
31 the taxpayer's business, (i) constructed, reconstructed or erected after
32 December thirty-first, nineteen hundred sixty-five, pursuant to a
33 contract which was, on or before December thirty-first, nineteen hundred
34 sixty-seven, and at all times thereafter, binding on the taxpayer or,
35 property, the physical construction, reconstruction or erection of which
36 began on or before December thirty-first, nineteen hundred sixty-seven
37 or which began after such date pursuant to an order placed on or before
38 December thirty-first, nineteen hundred sixty-seven, and then only with
39 respect to that portion of the basis thereof which is properly attribut-
40 able to such construction, reconstruction or erection after December
41 thirty-first, nineteen hundred sixty-five, or (ii) acquired after Decem-
42 ber thirty-first, nineteen hundred sixty-five, pursuant to a contract
43 which was, on or before December thirty-first, nineteen hundred sixty-
44 seven, and at all times thereafter, binding on the taxpayer or pursuant
45 to an order placed on or before December thirty-first, nineteen hundred
46 sixty-seven, by purchase as defined in subdivision (d) of section one
47 hundred seventy-nine of the internal revenue code, if the original use
48 of such property commenced with the taxpayer, commenced in this city and
49 commenced after December thirty-first, nineteen hundred sixty-five, or
50 (iii) acquired, constructed, reconstructed, or erected subsequent to
51 December thirty-first, nineteen hundred sixty-seven, if such acquisi-
52 tion, construction, reconstruction or erection is pursuant to a plan of
53 the taxpayer which was in existence December thirty-first, nineteen
54 hundred sixty-seven and not thereafter substantially modified, and such
55 acquisition, construction, reconstruction or erection would qualify
56 under the rules in paragraph four, five or six of subsection (h) of

1 section forty-eight of the internal revenue code provided all references
2 in such paragraphs four, five and six to the dates October nine, nine-
3 teen hundred sixty-six, and October ten, nineteen hundred sixty-six,
4 shall be read as December thirty-first, nineteen hundred sixty-seven. A
5 taxpayer shall be allowed a deduction under clause (i), (ii) or (iii) of
6 this paragraph only if the tangible property shall be delivered or the
7 construction, reconstruction or erection shall be completed on or before
8 December thirty-first, nineteen hundred sixty-nine, except in the case
9 of tangible property which is acquired, constructed, reconstructed or
10 erected pursuant to a contract which was, on or before December thirty-
11 first, nineteen hundred sixty-seven, and at all times thereafter, bind-
12 ing on the taxpayer. Provided, however, for any taxable year beginning
13 on or after January first, nineteen hundred sixty-eight, a taxpayer
14 shall not be allowed a deduction under paragraph one of this subdivision
15 with respect to tangible personal property leased by it to any other
16 person or corporation, provided, that any contract or agreement to lease
17 or rent or for a license to use such property shall be considered a
18 lease. With respect to property which the taxpayer uses itself for
19 purposes other than leasing for part of a taxable year and leases for a
20 part of a taxable year, the taxpayer shall be allowed a deduction under
21 paragraph one of this subdivision in proportion to the part of the year
22 it uses such property.

23 (3) If the deduction allowable for any taxable year pursuant to this
24 subdivision exceeds the portion of the taxpayer's entire net income
25 allocated to this city for such year, the excess may be carried over to
26 the following taxable year or years and may be deducted from the portion
27 of the taxpayer's entire net income allocated to this city for such year
28 or years.

29 (4) In any taxable year when property is sold or otherwise disposed
30 of, with respect to which a deduction has been allowed pursuant to this
31 subdivision, subdivision twelve of section 11-621 or subdivision (j) of
32 section 11-629 of this subchapter, the gain or loss entering into the
33 computation of federal taxable income shall be disregarded in computing
34 entire net income, and there shall be added or subtracted from the
35 portion of entire net income allocated within the city the gain or loss
36 upon such sale or other disposition. In computing such gain or loss the
37 basis of the property sold or disposed of shall be adjusted to reflect
38 the deduction allowed with respect to such property pursuant to para-
39 graph one of this subdivision. Provided, however, that no loss shall be
40 recognized for the purposes of this paragraph with respect to a sale or
41 other disposition of property to a person whose acquisition thereof is
42 not a purchase as defined in subdivision (d) of section one hundred
43 seventy-nine of the internal revenue code.

44 (k-1) A net operating loss deduction shall be allowed which shall be
45 presumably the same as the net operating loss deduction allowed under
46 section one hundred seventy-two of the internal revenue code, except
47 that in every instance where such deduction is allowed under this
48 subchapter:

49 (1) any net operating loss included in determining such deduction
50 shall be adjusted to reflect the inclusions and exclusions from entire
51 net income required by the other provisions of this section;

52 (2) such deduction shall not include any net operating loss sustained
53 during any taxable year beginning prior to January first, two thousand
54 nine, or during any taxable year in which the taxpayer was not subject
55 to the tax imposed by this subchapter;

1 (3) such deduction shall not exceed the deduction for the taxable year
2 allowed under section one hundred seventy-two of the internal revenue
3 code augmented by the excess of the amount allowed as a deduction pursu-
4 ant to subdivision (h) or (i) of this section, whichever is applicable,
5 over the amount allowed as a deduction pursuant to section one hundred
6 sixty-six or five hundred eighty-five of the internal revenue code, for
7 each taxable year in which the taxpayer had a net operating loss which
8 is carried to the taxable year of the deduction under this provision, in
9 the aggregate, except to the extent such excess was previously deducted
10 in computing entire net income; and

11 (4) the net operating loss deduction allowed under section one hundred
12 seventy-two of the internal revenue code shall for purposes of this
13 subdivision be determined as if the taxpayer had elected under such
14 section to relinquish the entire carryback period with respect to net
15 operating losses.

16 (k-2) Notwithstanding any other provision of this section to the
17 contrary, for taxable years beginning before January first, two thousand
18 twenty-one, any amendment to section one hundred seventy-two of the
19 internal revenue code made after March first, two thousand twenty shall
20 not apply to this part.

21 (1) If the period covered by a return under this part is other than
22 the period covered by the return to the United States treasury depart-
23 ment, entire net income and alternative entire net income shall be
24 determined by multiplying the taxable income reported to such depart-
25 ment, as adjusted pursuant to the provisions of this part, by the number
26 of calendar months or major parts thereof covered by the return under
27 this part and dividing by the number of calendar months or major parts
28 thereof covered by the return to such department. If it shall appear
29 that such method of determining entire net income or alternative entire
30 net income does not properly reflect the taxpayer's income during the
31 period covered by the return under this part, the commissioner of
32 finance shall be authorized in his or her discretion to determine such
33 entire net income or alternative entire net income solely on the basis
34 of the taxpayer's income during the period covered by its return under
35 this part.

36 (m) The commissioner of finance, may, whenever necessary in order to
37 properly reflect the entire net income of any taxpayer, determine the
38 year or period in which any item of income or deduction shall be
39 included, without regard to the method of accounting employed by the
40 taxpayer.

41 (n) Notwithstanding any other provision of this subchapter, for taxa-
42 ble years beginning on or after August first, two thousand two, in the
43 case of a taxpayer that is a partner in a partnership subject to the tax
44 imposed by chapter eleven of this title as a utility, as defined in
45 subdivision six of section 11-1101 of such chapter, entire net income
46 shall not include the taxpayer's distributive or pro rata share for
47 federal income tax purposes of any item of income, gain, loss or
48 deduction of such partnership, or any item of income, gain, loss or
49 deduction of such partnership that the taxpayer is required to take into
50 account separately for federal income tax purposes.

51 (n-1) for taxable years ending after September tenth, two thousand
52 one, in the case of qualified property described in paragraph two of
53 subsection k of section one hundred sixty-eight of the internal revenue
54 code, other than qualified resurgence zone property described in subdi-
55 vision (p) of this section, and other than qualified New York Liberty
56 Zone property described in paragraph two of subsection b of section

1 fourteen hundred-L of the internal revenue code, without regard to
2 clause (i) of subparagraph (C) of such paragraph, a taxpayer shall be
3 allowed with respect to such property the depreciation deduction allow-
4 able under section one hundred sixty-seven as such section would have
5 applied to such property had it been acquired by the taxpayer on Septem-
6 ber tenth, two thousand one, provided, however, that for taxable years
7 beginning on or after January first, two thousand four, in the case of a
8 passenger motor vehicle or a sport utility vehicle subject to the
9 provisions of subdivision (r) of this section, the limitation under
10 clause (i) of subparagraph (A) of paragraph one of subdivision (a) of
11 section two hundred eighty-F of the internal revenue code applicable to
12 the amount allowed as a deduction under this paragraph shall be deter-
13 mined as of the date such vehicle was placed in service and not as of
14 September tenth, two thousand one.

15 (o) for taxable years ending after September tenth, two thousand one,
16 upon the disposition of property to which subdivision (n) of this
17 section applies, the amount of any gain or loss includible in entire net
18 income shall be adjusted to reflect the inclusions and exclusions from
19 entire net income pursuant to paragraph thirteen of subdivision (b) and
20 subdivision (n) of this section attributable to such property.

21 (p) for purposes of subdivisions (n) and (o) of this section, quali-
22 fied resurgence zone property shall mean qualified property described in
23 paragraph two of subsection k of section one hundred sixty-eight of the
24 internal revenue code substantially all of the use of which is in the
25 resurgence zone, as defined below, and is in the active conduct of a
26 trade or business by the taxpayer in such zone, and the original use of
27 which in the resurgence zone commences with the taxpayer after September

49 sixty-five of the internal revenue code, except that "fifty percent"
50 shall be substituted for "ten percent".

51 (B) Effective rate of tax. "Effective rate of tax" means, as to any
52 city, the maximum statutory rate of tax imposed by the city on or meas-
53 ured by a related member's net income multiplied by the apportionment
54 percentage, if any, applicable to the related member under the laws of
55 said jurisdiction. For purposes of this definition, the effective rate
56 of tax as to any city is zero where the related member's net income tax

1 liability in said city is reported on a combined or consolidated return
2 including both the taxpayer and the related member where the reported
3 transactions between the taxpayer and the related member are eliminated
4 or offset. Also, for purposes of this definition, when computing the
5 effective rate of tax for a city in which a related member's net income
6 is eliminated or offset by a credit or similar adjustment that is
7 dependent upon the related member either maintaining or managing intan-
8 gible property or collecting interest income in that city, the maximum
9 statutory rate of tax imposed by said city shall be decreased to reflect
10 the statutory rate of tax that applies to the related member as effec-

13 to the acquisition, use, maintenance or management, ownership, sale,
14 exchange, or any other disposition of licenses, trademarks, copyrights,
15 trade names, trade dress, service marks, mask works, trade secrets,
16 patents and any other similar types of intangible assets as determined
17 by the commissioner of finance, and include amounts allowable as inter-
18 est deductions under section one hundred sixty-three of the internal
19 revenue code to the extent such amounts are directly or indirectly for,
20 related to or in connection with the acquisition, use, maintenance or
21 management, ownership, sale, exchange or disposition of such intangible
22 assets.

23 (D) Valid business purpose. A valid business purpose is one or more
24 business purposes, other than the avoidance or reduction of taxation,
25 which alone or in combination constitute the primary motivation for some
26 business activity or transaction, which activity or transaction changes
27 in a meaningful way, apart from tax effects, the economic position of
28 the taxpayer. The economic position of the taxpayer includes an increase
29 in the market share of the taxpayer, or the entry by the taxpayer into
30 new business markets.

31 (2) Royalty expense add backs. (A) For the purpose of computing entire
32 net income, a taxpayer must add back royalty payments directly or indi-
33 rectly paid, accrued, or incurred in connection with one or more direct
34 or indirect transactions with one or more related members during the
35 taxable year to the extent deductible in calculating federal taxable
36 income.

37 (B) Exceptions. (i) The adjustment required in this subdivision shall
38 not apply to the portion of the royalty payment that the taxpayer estab-
39 lishes, by clear and convincing evidence of the type and in the form
40 specified by the commissioner of finance, meets all of the following
41 requirements: (I) the related member was subject to tax in this city or
42 another city within the United States or a foreign nation or some combi-

44 accrued or incurred by the taxpayer; (II) the related member during the
45 same taxable year directly or indirectly paid, accrued or incurred such
46 portion to a person that is not a related member; and (III) the trans-
47 action giving rise to the royalty payment between the taxpayer and the
48 related member was undertaken for a valid business purpose.

49 (ii) The adjustment required in this subdivision shall not apply if
50 the taxpayer establishes, by clear and convincing evidence of the type
51 and in the form specified by the commissioner of finance, that: (I) the
52 related member was subject to tax on or measured by its net income in
53 this city or another city within the United States, or some combination
54 thereof; (II) the tax base for such tax included the royalty payment
55 paid, accrued or incurred by the taxpayer; and (III) the aggregate
56 effective rate of tax applied to the related member in those jurisdic-

1 tions is no less than eighty percent of the statutory rate of tax that
2 applied to the taxpayer under section 11-643.5 of this part for the
3 taxable year.

4 (iii) The adjustment required in this subdivision shall not apply if
5 the taxpayer establishes, by clear and convincing evidence of the type
6 and in the form specified by the commissioner of finance, that: (I) the
7 royalty payment was paid, accrued or incurred to a related member organ-

11 the related member was subject to tax in a foreign nation on a tax base
12 that included the royalty payment paid, accrued or incurred by the
13 taxpayer; (IV) the related member's income from the transaction was
14 taxed in such country at an effective rate of tax at least equal to that

16 incurred pursuant to a transaction that was undertaken for a valid busi-
17 ness purpose and using terms that reflect an arm's length relationship.

18 (iv) The adjustment required in this subdivision shall not apply if
19 the taxpayer and the commissioner of finance agree in writing to the
20 application or use of alternative adjustments or computations. The
21 commissioner of finance may, in his or her discretion, agree to the
22 application or use of alternative adjustments or computations when he or
23 she concludes that in the absence of such agreement the income of the
24 taxpayer would not be properly reflected.

25 (r) For taxable years beginning on or after January first, two thou-
26 sand four, in the case of a taxpayer that is not an eligible farmer as
27 defined in subsection (n) of section six hundred six of the tax law, a
28 taxpayer shall be allowed with respect to a sport utility vehicle that
29 is not a passenger automobile as defined in paragraph five of subsection
30 (d) of section two hundred eighty-F of the internal revenue code, the
31 deductions allowable under sections one hundred seventy-nine, one

38 subdivision attributable to such property.

39 (t) Entire net income shall not include the amount of any grant
40 received through either the COVID-19 pandemic small business recovery
41 grant program, pursuant to section sixteen-ff of the New York state
42 urban development corporation act, or the small business resilience
43 grant program administered by the department of small business services,

52 section 11-642 of this part with respect to the modification provided
53 for in subdivision (f) of section 11-641 of this part shall be deemed to
54 have been made for purposes of computing alternative entire net income.

56 income, alternative entire net income, or taxable assets are derived

1 from business carried on within and without the city, the taxpayer shall
2 for purposes of computing allocation percentages compute payroll,
3 receipts, and deposits percentages in accordance with the following

7 during the taxable year of employees within the city, except wages,

27 the city shall be presumed to be properly so attributed provided that
28 such presumption may be rebutted if the commissioner of finance demon-
29 strates that the greater portion of income producing activity related to
30 the loan or financing lease did not occur at such branch. Where such
31 presumption has been rebutted, the loan or financing lease shall be
32 presumed to be within the city if the taxpayer had a branch within the
33 city at the time the loan or financing lease was made. The taxpayer may
34 rebut such presumption by demonstrating that the greater portion of
35 income producing activity related to the loan or financing lease did not
36 occur within the city. In the case of a loan or financing lease which is
37 recorded on the books of a place without the city which is not a branch,
38 it shall be presumed that the greater portion of income producing activ-
39 ity related to such loan or financing lease occurred within the city if
40 the taxpayer had a branch within the city at the time the loan or
41 financing lease was made. The taxpayer may rebut such presumption by
42 demonstrating that the greater portion of income producing activity
43 related to the loan or financing lease did not occur within the city.

44 (ii) In the case of a taxpayer described in paragraph six or nine of
45 subdivision (a) of section 11-640 of this part, a loan or financing

48 presumption may be rebutted if the commissioner of finance demonstrates
49 that the greater portion of income producing activity related to the
50 loan or financing lease did not occur without the city.

51 (C) Receipts from lease transactions other than financing leases
52 referred to in subparagraph (B) are located where the property subject

32 ment company's taxable year for federal income tax purposes which
33 taxable year ends within the taxable year of the taxpayer, but excluding
34 any month during which the investment company had no outstanding shares.
35 The monthly percentage for each such month is determined by dividing (i)
36 the number of shares in the investment company which are owned on the
37 last day of the month by shareholders that are domiciled in the city by

29 (vi) For purposes of this subparagraph, the term "administration
30 services" includes clerical, accounting, bookkeeping, data processing,
31 internal auditing, legal and tax services performed for an investment
32 company but only if the provider of such service or services during the
33 taxable year in which such service or services are sold also sells
34 management or distribution services, as defined in clause (v) of this
35 subparagraph, to such investment company.

36 (H) All receipts from the performance of services not described in

47 alternative entire net income is derived from business carried on both
48 within and without the city, the portion thereof which is derived from
49 business carried on within the city shall be determined by multiplying
50 its alternative entire net income by the alternative entire net income
51 allocation percentage determined as follows:

52 (1) Recompute the payroll percentage under paragraph one of subdivi-
53 sion (a) of this section without giving consideration to the phrase
54 "eighty percent of," add to the resulting percentage the percentages
55 ascertained under paragraphs two and three of such subdivision, and
56 divide the result by the number of percentages so added together.

1 (2) When an election has been made pursuant to paragraph two of subdi-
2 vision (b) of this section, relating to international banking facili-
3 ties, the taxpayer shall make the modifications described in such para-
4 graph for purposes of its alternative entire net income allocation
5 percentage.

6 (d) Allocation of taxable assets. If the taxpayer's taxable assets are
7 derived from business carried on both within and without the city, the
8 portion thereof which is derived from business carried on within the
9 city shall be determined by multiplying its taxable assets by an asset
10 allocation percentage determined in the same manner as the income allo-
11 cation percentage under subdivision (b) of this section is determined
12 when the election provided for in paragraph two of such subdivision has
13 been made, except that the modifications described in clauses (i), (ii)
14 and (iii) of subparagraph (A) of such paragraph shall not be made.

15 § 11-643 Computation of tax for taxable years ending on or before
16 December thirty-first, nineteen hundred seventy-three. For taxable
17 years ending on or before December thirty-first, nineteen hundred seven-
18 ty-three, the tax imposed by section 11-639 of this part shall be the
19 greater of the following computations:

20 (a) Basic tax. Five and sixty-three one-hundredths percent of the
21 taxpayer's entire net income, or the portion thereof allocated to this
22 city, for the taxable year or part thereof.

23 (b) Alternative minimum tax. If the tax under subdivision (a) of this
24 section is less than any of the following amounts, the tax shall be the
25 largest of the following amounts:

26 (1) Except for a savings bank and savings and loan association, one
27 and one-quarter mills upon each dollar of such part of the taxpayer's
28 issued capital stock on the last day of the taxable year, at its face
29 value, but if such taxpayer has stock without par value, such stock
30 shall be taken at its actual or market value, and not less than five
31 dollars per share, as may be determined by the commissioner of finance,
32 as the gross income of such taxpayer derived from business carried on
33 within the city, during such taxable year, bears to its gross income
34 derived from all business, both within and without the city during said
35 year; except that if the period covered by the return is other than
36 twelve months, the tax shall be prorated on the basis of the number of
37 months or major portions thereof included in the return. For purposes of
38 this paragraph, the term "gross income" shall have the same meaning as
39 it has in the laws of the United States relating to federal income
40 taxes.

41 (2) For a savings bank and savings and loan association, one and
42 forty-three one-hundredths percent of the interest or dividends credited
43 by it to depositors or shareholders during the taxable year, provided
44 that, in determining such amount, each interest or dividend credit to a
45 depositor or shareholder shall be deemed to be the interest or dividend
46 actually credited or the interest or dividend which would have been
47 credited if it had been computed and credited at the rate of three and
48 one-half percent per annum, whichever is less.

49 (3) Twelve and one-half dollars.

50 § 11-643.1 Computation of tax for taxable years beginning on or after
51 January first, nineteen hundred seventy-four and ending on or before
52 December thirty-first, nineteen hundred seventy-four. For taxable years
53 beginning on or after January first, nineteen hundred seventy-four and
54 ending on or before December thirty-first, nineteen hundred seventy-
55 four, the tax imposed by section 11-639 of this part shall be the great-
56 er of the following computations:

1 (a) Basic tax. Six and seven hundred fifty-six one-thousandths
2 percent of the taxpayer's entire net income, or the portion thereof
3 allocated to this city, for the taxable year, or part thereof.

4 (b) Alternative minimum tax. If the tax under subdivision (a) of
5 this section is less than any of the following amounts, the tax shall be
6 the largest of the following amounts:

7 (1) Except for a savings bank and savings and loan association, one
8 and one-half mills upon each dollar of such part of the taxpayer's
9 issued capital stock on the last day of the taxable year, at its face
10 value, but if such taxpayer has stock without par value, such stock
11 shall be taken at its actual or market value, and not less than five
12 dollars per share, as may be determined by the commissioner of finance,
13 as the gross income of such taxpayer derived from business carried on
14 within the city, during such taxable year bears to its gross income
15 derived from all business, both within and without the city during said
16 year; except that if the period covered by the return is other than
17 twelve months, the tax shall be prorated on the basis of the number of
18 months or major portions thereof included in the return. For purposes
19 of this paragraph, the term "gross income" shall have the same meaning
20 as it has in the laws of the United States relating to federal income
21 taxes.

22 (2) For a savings bank and savings and loan association, one and seven
23 hundred sixteen one-thousandths percent of the interest or dividends
24 credited by it to depositors or shareholders during the taxable year,
25 provided that, in determining such amount, each interest or dividend
26 credit to a depositor or shareholder shall be deemed to be the interest
27 or dividend actually credited or the interest or dividend which would
28 have been credited if it had been computed and credited at the rate of
29 three and one-half percent per annum, whichever is less.

30 (3) Fifteen dollars.

31 § 11-643.2 Computation of tax for taxable years beginning in nineteen
32 hundred seventy-three and ending in nineteen hundred seventy-four. For
33 each taxable year beginning in nineteen hundred seventy-three and ending
34 in nineteen hundred seventy-four, two tentative taxes shall be computed,
35 the first as provided in section 11-643 and the second as provided in
36 section 11-643.1 of this part, and the tax for each such year shall be
37 the sum of that proportion of each tentative tax which the number of
38 days in nineteen hundred seventy-three and the number of days in nine-
39 teen hundred seventy-four, respectively, which fall within the taxable
40 year, bears to the number of days in the entire taxable year.

41 § 11-643.3 Computation of tax for taxable years beginning on or after
42 January first, nineteen hundred seventy-five and before January first,
43 nineteen hundred eighty-five. For taxable years beginning on or after
44 January first, nineteen hundred seventy-five and before January first,
45 nineteen hundred eighty-five, the tax imposed by section 11-639 of this
46 part shall be the greater of the following computations:

47 (a) Basic tax. (1) Except for a savings bank and savings and loan
48 association, thirteen and eight hundred twenty-three one-thousandths
49 percent of the taxpayer's entire net income, or the portion thereof
50 allocated to this city, for the taxable year, or part thereof.

51 (2) For a savings bank and savings and loan association, twelve and
52 one hundred thirty-four thousandths percent of the taxpayer's entire net
53 income, or the portion thereof allocated to this city, for the taxable
54 year, or part thereof.

1 (b) Alternative minimum tax. If the tax under subdivision (a) of
2 this section is less than any of the following amounts, the tax shall be
3 the largest of the following amounts:

4 (1) Except for a savings bank and savings and loan association, two
5 and six-tenths mills upon each dollar of such part of the taxpayer's
6 issued capital stock on the last day of the taxable year, at its face
7 value, but if such taxpayer has stock without par value, such stock
8 shall be taken at its actual or market value, and not less than five
9 dollars per share, as may be determined by the commissioner of finance,
10 as the gross income of such taxpayer derived from business carried on
11 within the city during such taxable year bears to its gross income
12 derived from all business, both within and without the city during said
13 year; except that if the period covered by the return is other than
14 twelve months, the tax shall be prorated on the basis of the number of
15 months or major portions thereof included in the return. For purposes
16 of this paragraph, the term "gross income" shall have the same meaning
17 as it has in the laws of the United States relating to federal income
18 taxes.

19 (2) Except as otherwise provided in paragraph three of this subdivi-
20 sion, for a savings bank and savings and loan association, two and five
21 hundred seventy-four one-thousandths percent of the interest or divi-
22 dends credited by it to depositors or shareholders during any taxable
23 year, provided that, in determining such amount, each interest or divi-
24 dend credit to a depositor or shareholder shall be deemed to be the
25 interest or dividend actually credited or the interest or dividend which
26 would have been credited if it had been computed and credited at the
27 rate of three and one-half percent per annum, whichever is less.

28 (3) (i) For a savings bank and savings and loan association, for any
29 quarterly accounting period in which such savings bank or savings and
30 loan association credits or pays dividends to its depositors or share-
31 holders on or after the first day of October, nineteen hundred eighty-
32 one but before the first day of July, nineteen hundred eighty-six, and
33 after such credit or payment the net worth of such savings bank or
34 savings and loan association is less than five percent of the amount due
35 depositors, one and eight hundred twenty-four one-thousandths percent of
36 the interest or dividends credited by it to a depositor or shareholder
37 during such accounting period, provided that, in determining such
38 amount, each interest or dividend credit to depositors or shareholders
39 shall be deemed to be the interest or dividend actually credited or the
40 interest or dividend which would have been credited if it had been
41 computed and credited at the rate of three and one-half percent per
42 annum, whichever is less. In determining the lesser of the amount of
43 interest or dividends actually credited to depositors or shareholders or
44 the amount of interest or dividends which would have been credited if
45 such interest or dividends had been computed and credited at the rate of
46 three and one-half percent per annum, the provisions of subparagraph
47 (ii) of this paragraph shall not be considered.

48 (ii) For purposes of the computation provided for in subparagraph (i)
49 of this paragraph, except where the tax computed under subparagraph (i)
50 of this paragraph is computed as if the interest or dividends were
51 computed and credited at the rate of three and one-half percent per
52 annum, that portion of the interest or dividends credited on or after
53 the first day of October, nineteen hundred eighty-one but before the
54 first day of July, nineteen hundred eighty-six by:

55 (A) a savings bank to a depositor or shareholder which is attributable
56 to an increase or a deemed increase in the gross earnings, surplus fund,

1 or net worth of the savings bank, which increase became available for
2 interest or dividends upon the prior written approval of the superinten-
3 dent of banks pursuant to the provisions of subdivision four of section
4 two hundred forty-four of the banking law; or

5 (B) a savings and loan association to a depositor or shareholder which
6 is attributable to an increase or a deemed increase in gross income,
7 undivided profits, surplus account or net worth of the savings and loan
8 association, which increase became available for interest or dividends
9 upon the prior written approval of the superintendent of banks pursuant
10 to the provisions of subdivision two of section three hundred eighty-
11 seven of the banking law; or

12 (C) a federal savings bank or a federal savings and loan association
13 to a depositor or shareholder, which would have required and received
14 prior written approval of the superintendent of banks in respect to
15 increases in gross income, gross earnings, undivided profits, surplus
16 funds, surplus accounts or net worth available for dividends pursuant to
17 the provisions of subdivision four of section two hundred forty-four of
18 the banking law and subdivision two of section three hundred eighty-sev-
19 en of the banking law, respectively, were the provisions of sections two
20 hundred forty-four and three hundred eighty-seven of the banking law
21 applicable to federal savings banks and federal savings and loan associ-
22 ations shall not be considered to have been credited to depositors or
23 shareholders. Where the tax computed under subparagraph (i) of this
24 paragraph is computed as if the interest or dividends were computed and
25 credited at the rate of three and one-half percent per annum, the amount
26 of interest or dividends which shall not be considered to have been
27 credited to depositors or shareholders is an amount which bears the same
28 ratio to the interest or dividends which would have been credited at the
29 rate of three and one-half percent per annum as the amount of that
30 portion of the interest or dividends paid or credited on or after the
31 first day of October, nineteen hundred eighty-one but before the first
32 day of July, nineteen hundred eighty-six, which is attributable to an
33 increase or deemed increase in gross income, gross earnings, undivided
34 profits, surplus funds, surplus account or net worth available for divi-
35 dends pursuant to the provisions of subdivision four of section two
36 hundred forty-four of the banking law or subdivision two of section
37 three hundred eighty-seven of the banking law, bears to the amount of
38 interest or dividends actually credited. For purposes of this clause,
39 the determination of whether a federal savings bank or federal savings
40 and loan association would have required and received prior written
41 approval of the superintendent of banks shall be made by the superinten-
42 dent of banks, upon application and upon such forms as he or she may
43 require, by applying the provision of subdivision four of section two
44 hundred forty-four of the banking law, as if such provisions were appli-
45 cable to federal savings banks, and subdivision two of section three
46 hundred eighty-seven of the banking law, as if such provisions were
47 applicable to federal savings and loan associations, and the superinten-
48 dent of banks may require and examine such information as he or she may
49 deem necessary to make such determinations.

50 (4) (i) Except for a savings bank and savings and loan association,
51 twenty-five dollars.

52 (ii) For a savings bank and savings and loan association, twenty
53 dollars.

54 § 11-643.4 Computation of tax for taxable years beginning in nineteen
55 hundred seventy-four and ending in nineteen hundred seventy-five. For
56 each taxable year beginning in nineteen hundred seventy-four and ending

1 in nineteen hundred seventy-five, two tentative taxes shall be computed,
2 the first as provided in section 11-643.1 and the second as provided in
3 section 11-643.3 of this part, and the tax for each such year shall be
4 the sum of that proportion of each tentative tax which the number of
5 days in nineteen hundred seventy-four and the number of days in nineteen
6 hundred seventy-five, respectively, which fall within the taxable year,
7 bears to the number of days in the entire taxable year.

8 § 11-643.5 Computation of tax for taxable years beginning on or after
9 January first, nineteen hundred eighty-five. For taxable years beginning
10 on or after January first, nineteen hundred eighty-five, the tax imposed
11 by section 11-639 of this part shall be the greater of the following
12 computations:

13 (a) Basic tax. Nine percent of the taxpayer's entire net income, or
14 the portion thereof allocated to the city, for the taxable year or part
15 thereof.

16 (b) Alternative minimum tax. If the tax under subdivision (a) of this
17 section is less than any of the following amounts, the tax shall be the
18 larger of the following amounts:

19 (1) For taxable years beginning before two thousand eleven, except in
20 the case of a corporation organized under the laws of a country other
21 than the United States, one-tenth of a mill upon each dollar of taxable
22 assets, or the portion thereof allocated to the city. For taxable years
23 beginning after two thousand ten, except in the case of a taxpayer
24 described in clause (i), (ii), or (iii) of this subparagraph, one-tenth
25 of a mill upon each dollar of taxable assets, or the portion thereof
26 allocated to the city.

27 (i) In the case of a taxpayer whose net worth ratio is less than five
28 percent but greater than or equal to four percent and whose total assets
29 are comprised of thirty-three percent or more of mortgages, one-twenty-
30 fifth of a mill upon each dollar of taxable assets, or the portion ther-
31 eof allocated to the city.

32 (ii) In the case of a taxpayer whose net worth ratio is less than four
33 percent and whose total assets are comprised of thirty-three percent or
34 more of mortgages, one-fiftieth of a mill upon each dollar of taxable
35 assets, or the portion thereof allocated to the city.

36 (iii) A taxpayer, whether or not a qualified institution as defined in
37 subparagraph (B) of paragraph five of subsection (f) of section four
38 hundred six of the federal national housing act, as amended, or as
39 defined in paragraph two of subsection (i) of section thirteen of the
40 federal deposit insurance act, as amended, shall not be subject to the
41 provisions of this paragraph for that portion of the taxable year in
42 which it had outstanding net worth certificates issued in accordance
43 with paragraph five of subsection (f) of section four hundred six of the
44 federal national housing act, as amended, or issued in accordance with
45 subsection (i) of section thirteen of the federal deposit insurance act,
46 as amended.

47 (iv) For the purposes of this part: (A) the term "taxable assets"
48 shall mean the average value of total assets reduced by any amount of
49 money or other property received from or attributable to amounts
50 received from the federal deposit insurance corporation pursuant to
51 subsection (c) of section thirteen of the federal deposit insurance act,
52 as amended, or the federal savings and loan insurance corporation pursu-
53 ant to paragraph one, two, three or four of subsection (f) of section
54 four hundred six of the federal national housing act, as amended. Total
55 assets are those assets which are properly reflected on a balance sheet
56 the income or expenses of which are properly reflected, or would have

1 been properly reflected if not fully depreciated or expensed or depreci-
2 ated or expensed to a nominal amount, in the computation of alternative
3 entire net income for the taxable year or in the computation of the
4 eligible net income of the taxpayer's international banking facility for
5 the taxable year.

6 (B) The term "net worth ratio" shall mean the percentage of net worth
7 to assets on the last day of the taxable year. The term "net worth"
8 means the sum of preferred stock, common stock, surplus, capital
9 reserves, undivided profits, mutual capital certificates, reserve for
10 contingencies, reserve for loan losses and reserve for security losses
11 minus assets classified loss. The term "assets" means the sum of mort-
12 gage loans, nonmortgage loans, repossessed assets, real estate held for
13 development or investment or resale, cash, deposits, investment securi-
14 ties, fixed assets and other assets, such as financial futures, goodwill
15 and other intangible assets, minus assets classified loss. In no event
16 shall assets be reduced by reserves for losses.

17 (C) The term "mortgages" shall mean loans secured by real property
18 within or without the state, participations in and securities collater-
19 alized by pools of residential mortgages, whether or not issued or guar-
20 anteed by a United States government agency, and loans secured by stock
21 in a cooperative housing corporation. The percentage of total assets
22 comprised of mortgages shall be an amount equal to the ratio of the
23 average of the four quarterly balances of such mortgages ending within
24 the taxable year, to the average of the four quarterly balances of all
25 assets ending within the taxable year. Such quarterly balances shall be
26 computed in the same manner as the report of condition required for
27 federal deposit insurance corporation or federal savings and loan insur-
28 ance corporation purposes, whether or not such report is required. For
29 taxable periods of less than one year, the taxpayer shall compute such
30 ratio using the number of such quarterly balances ending within such
31 taxable period.

32 (2) For taxable years beginning before two thousand eleven, in the
33 case of a corporation organized under the laws of a country other than
34 the United States, (i) two and six-tenths mills upon each dollar of such
35 part of the taxpayer's issued capital stock on the last day of the taxa-
36 ble year, at its face value, but if such taxpayer has stock without par
37 value, such stock shall be taken at its actual or market value, and not
38 less than five dollars per share, as may be determined by the commis-
39 sioner of finance, or (ii) if the taxpayer does not have issued capital
40 stock, two and six-tenths mills upon each dollar of such part of the
41 amount by which its average total assets exceeds its average total
42 liabilities, as the gross income of such taxpayer derived from business
43 carried on within the city during such taxable year bears to its gross
44 income derived from all business, both within and without the city
45 during said year; except that if the period covered by the return is
46 other than twelve months, the tax shall be prorated on the basis of the
47 number of months or major portions thereof included in the return. For
48 purposes of this paragraph, the term "gross income" shall have the same
49 meaning as it has in the laws of the United States relating to federal
50 income taxes.

51 (3) Three percent of the taxpayer's alternative entire net income, or
52 portion thereof allocated to the city, for the taxable year, or part
53 thereof.

54 (4) One hundred twenty-five dollars.

55 § 11-643.7. Relocation and employment assistance credit. (a) In addi-
56 tion to any other credit allowed by this part, a taxpayer that has

1 obtained the certifications required by chapter six-B of title twenty-
2 two of the code of the preceding municipality shall be allowed a credit
3 against the tax imposed by this part. The amount of the credit shall be
4 the amount determined by multiplying five hundred dollars or, in the
5 case of a taxpayer that has obtained pursuant to chapter six-B of such
6 title twenty-two a certification of eligibility dated on or after July
7 first, nineteen hundred ninety-five, one thousand dollars or, in the
8 case of an eligible business that has obtained pursuant to chapter six-B
9 of such title twenty-two a certification of eligibility dated on or
10 after July first, two thousand, for a relocation to eligible premises
11 located within a revitalization area defined in subdivision (n) of
12 section 22-621 of the code of the preceding municipality, three thousand
13 dollars, by the number of eligible aggregate employment shares main-
14 tained by the taxpayer during the taxable year with respect to partic-
15 ular premises to which the taxpayer has relocated; provided, however,
16 with respect to a relocation for which no application for a certificate
17 of eligibility is submitted prior to July first, two thousand three to
18 eligible premises that are not within a revitalization area, if the date
19 of such relocation as determined pursuant to subdivision (j) of section
20 22-621 of the code of the preceding municipality is before July first,
21 nineteen hundred ninety-five, the amount to be multiplied by the number
22 of eligible aggregate employment shares shall be five hundred dollars,
23 and with respect to a relocation for which no application for a certif-
24 icate of eligibility is submitted prior to July first, two thousand
25 three, to eligible premises that are within a revitalization area, if
26 the date of such relocation as determined pursuant to subdivision (j) of
27 such section is before July first, nineteen hundred ninety-five, the
28 amount to be multiplied by the number of eligible aggregate employment
29 shares shall be five hundred dollars, and if the date of such relocation
30 as determined pursuant to subdivision (j) of such section is on or after
31 July first, nineteen hundred ninety-five, and before July first, two
32 thousand, one thousand dollars; provided, however, that no credit shall
33 be allowed for the relocation of any retail activity or hotel services;
34 and provided that in the case of an eligible business that has obtained
35 pursuant to chapter six-B of such title twenty-two certifications of
36 eligibility for more than one relocation, the portion of the total
37 amount of eligible aggregate employment shares to be multiplied by the
38 dollar amount specified in this subdivision for each such certification
39 of a relocation shall be the number of total attributed eligible aggre-
40 gate employment shares determined with respect to such relocation pursu-
41 ant to subdivision (o) of section 22-621 of the code of the preceding
42 municipality. For purposes of this section, the terms "eligible aggre-
43 gate employment shares," "relocate," "retail activity" and "hotel
44 services" shall have the meanings ascribed by section 22-621 of the code
45 of the preceding municipality.

46 (b) The credit allowed under this section with respect to eligible
47 aggregate employment shares maintained with respect to particular prem-
48 ises to which the taxpayer has relocated shall be allowed for the first
49 taxable year during which such eligible aggregate employment shares are
50 maintained with respect to such premises and for any of the twelve
51 succeeding taxable years during which eligible aggregate employment
52 shares are maintained with respect to such premises; provided that the
53 credit allowed for the twelfth succeeding taxable year shall be calcu-
54 lated by multiplying the number of eligible aggregate employment shares
55 maintained with respect to such premises in the twelfth succeeding taxa-
56 ble year by the lesser of one and a fraction the numerator of which is

1 such number of days in the taxable year of relocation less the number of
2 days the eligible business maintained employment shares in the eligible
3 premises in the taxable year of relocation and the denominator of which
4 is the number of days in such twelfth succeeding taxable year during
5 which such eligible aggregate employment shares are maintained with
6 respect to such premises. Except as provided in subdivision (d) of this
7 section, if the amount of the credit allowable under this section for
8 any taxable year exceeds the tax imposed for such year, the excess may
9 be carried over, in order, to the five immediately succeeding taxable
10 years and, to the extent not previously deductible, may be deducted from
11 the taxpayer's tax for such years.

12 (c) The credit allowable under this section shall be deducted after
13 the credit allowed by section 11-643.8, but prior to the deduction of
14 any other credit allowed by this part.

15 (d) In the case of a taxpayer that has obtained a certification of
16 eligibility pursuant to chapter six-B of title twenty-two of the code of
17 the preceding municipality dated on or after July first, two thousand
18 for a relocation to eligible premises located within the revitalization
19 area defined in subdivision (n) of section 22-621 of the code of the
20 preceding municipality, the credits allowed under this section, or in
21 the case of a taxpayer that has relocated more than once, the portion of
22 such credits attributed to such certification of eligibility pursuant to
23 subdivision (a) of this section, against the tax imposed by this chapter
24 for the taxable year of such relocation and for the four taxable years
25 immediately succeeding the taxable year of such relocation, shall be
26 deemed to be overpayments of tax by the taxpayer to be credited or
27 refunded, without interest, in accordance with the provisions of section
28 11-677 of this chapter. For such taxable years, such credits or portions
29 thereof may not be carried over to any succeeding taxable year;
30 provided, however, that this subdivision shall not apply to any relo-
31 cation for which an application for a certification of eligibility was
32 not submitted prior to July first, two thousand three, unless the date
33 of such relocation is on or after July first, two thousand.

34 § 11-643.8 Credit relating to certain distributions from partnerships.

35 (a) If a banking corporation is a partner in an unincorporated business
36 taxable under chapter five of this title, and is required to include in
37 entire net income its distributive share of income, gain, loss and
38 deductions of, or guaranteed payments from, such unincorporated busi-
39 ness, such banking corporation shall be allowed a credit against the tax
40 imposed by this part equal to the lesser of the amounts determined in
41 paragraphs one and two of this subdivision:

42 (1) The amount determined in this paragraph is the product of (A) the
43 sum of (i) the tax imposed by chapter five of this title on the unincor-
44 porated business for its taxable year ending within or with the taxable
45 year of the banking corporation and paid by the unincorporated business
46 and (ii) the amount of any credit or credits taken by the unincorporated
47 business under section 11-503 of this title, except the credit allowed
48 by subdivision (b) of such section, for its taxable year ending within
49 or with the taxable year of the banking corporation, to the extent that
50 such credits do not reduce such unincorporated business's tax below
51 zero, and (B) a fraction, the numerator of which is the net total of the
52 banking corporation's distributive share of income, gain, loss and
53 deductions of, and guaranteed payments from, the unincorporated business
54 for such taxable year and the denominator of which is the sum, for such
55 taxable year, of the net total distributive shares of income, gain, loss
56 and deductions of, and guaranteed payments to, all partners of the unin-

1 corporated business for whom or which such net total, as separately
2 determined for each partner, is greater than zero.

3 (2) The amount determined in this paragraph is the product of (A) the
4 excess of (i) the basic tax computed pursuant to subdivision (a) of
5 section 11-643.5 of this part, without allowance of any credits allowed
6 by this part, over (ii) the basic tax so computed, determined as if the
7 banking corporation had no such distributive share or guaranteed
8 payments with respect to the unincorporated business, and (B) a frac-
9 tion, the numerator of which is four and the denominator of which is
10 nine, provided, however, that the amounts computed in clauses (i) and
11 (ii) of this paragraph shall be computed with the following modifica-
12 tions:

13 (I) if, prior to taking into account any distributive share or guaran-
14 teed payments from any unincorporated business, the entire net income of
15 the partner is less than zero, such entire net income shall be treated
16 as zero; and

17 (II) if such partner's net total distributive share of income, gain,
18 loss and deductions of, and guaranteed payments from any unincorporated
19 business is less than zero, such net total shall be treated as zero.

20 The amount determined in this paragraph shall not be less than zero.

21 (b) (1) Notwithstanding anything to the contrary in subdivision (a) of
22 this section, in the case of a banking corporation that, before the
23 application of this section or any other credit allowed by this part, is
24 liable for the basic tax computed under subdivision (a) of section
25 11-643.5 of this part, the credit or the sum of the credits that may be
26 taken by such banking corporation for a taxable year under this section
27 with respect to an unincorporated business or unincorporated businesses
28 in which it is a partner shall not exceed the tax so computed, without
29 allowance of any credits allowed by this part, multiplied by a fraction
30 the numerator of which is four and the denominator of which is nine. If
31 the credit allowed under this subdivision or the sum of such credits
32 exceeds the product of such tax and such fraction, the amount of the
33 excess may be carried forward, in order, to each of the seven immediate-
34 ly succeeding taxable years and, to the extent not previously taken,
35 shall be allowed as a credit in each of such years. In applying such
36 provisions, the credit determined for the taxable year under subdivision
37 (a) of this section shall be taken before taking any credit carryforward
38 pursuant to this paragraph and the credit carryforward attributable to
39 the earliest taxable year shall be taken before taking a credit carry-
40 forward attributable to a subsequent taxable year.

41 (2) Notwithstanding anything to the contrary in subdivision (a) of
42 this section, in the case of a banking corporation that, before the
43 application of this section or any other credit allowed by this part, is
44 liable for the alternative minimum tax on alternative entire net income
45 under paragraph three of subdivision (b) of section 11-643.5 of this
46 part, the maximum credit that may be taken in any taxable year is the
47 amount that will reduce the tax so computed, without allowance of any
48 credits allowed by this part, to zero. For purposes of this paragraph
49 each dollar of credit shall be applied so as to reduce such tax by
50 seventy-five cents. If the amount of credit allowed under this section
51 or the sum of such credits exceeds the amount that may be taken against
52 such tax, the amount of the excess may be carried forward, in order, to
53 each of the seven immediately succeeding taxable years and, to the
54 extent not previously taken, shall be allowed as a credit in each of
55 such years. In applying such provisions, the credit determined for the
56 taxable year under subdivision (a) of this section shall be taken before

1 taking any credit carryforward pursuant to this subdivision and the
2 credit carryforward attributable to the earliest taxable year shall be
3 taken before taking a credit carryforward attributable to a subsequent
4 taxable year.

5 (3) No credit under this section may be taken in a taxable year by a
6 taxpayer that, in the absence of such credit, would be liable for the
7 tax computed on the basis of taxable assets under paragraph one of this
8 subdivision, the tax computed on the basis of issued capital stock under
9 paragraph two of this subdivision or the fixed-dollar minimum tax under
10 paragraph four of subdivision (b) of section 11-643.5 of this part.

11 (c) For banking corporations that file a report on a combined basis
12 pursuant to subdivision (f) of section 11-646 of this part, the credit
13 allowed by this section shall be computed as if the combined group were
14 the partner in each unincorporated business from which any of the
15 members of such group had a distributive share or guaranteed payments,
16 provided, however, if more than one member of the combined group is a
17 partner in the same unincorporated business, for purposes of the calcu-
18 lation required in paragraph one of subdivision (a) of this section, the
19 numerator of the fraction described in subparagraph (B) of such para-
20 graph one shall be the sum of the net total distributive shares of
21 income, gain, loss and deductions of, and guaranteed payments from, the
22 unincorporated business of all of the partners of the unincorporated
23 business within the combined group for which such net total, as sepa-
24 rately determined for each partner, is greater than zero, and the denom-
25 inator of such fraction shall be the sum of the net total distributive
26 shares of income, gain, loss and deductions of, and guaranteed payments
27 from, the unincorporated business of all partners in the unincorporated
28 business for whom or which such net total, as separately determined for
29 each partner, is greater than zero.

30 (d) The credit allowed by this section shall not be allowed to a part-
31 ner in an unincorporated business with respect to any tax paid by the
32 unincorporated business under chapter five of this title for any taxable
33 year beginning before July first, nineteen hundred ninety-four.

34 (e) Notwithstanding any other provisions of this part, the credit
35 allowable under this section shall be taken prior to the taking of any
36 other credit allowed by this part. Notwithstanding any other provisions
37 of this part, the application of this section shall not change the basis
38 on which the taxpayer's tax is computed under subdivision (a) or (b) of
39 section 11-643.5 of this part.

40 § 11-644 Declarations of estimated tax. (a) Requirements of declara-
41 tion. Every taxpayer subject to the tax imposed by subdivision (a) of
42 section 11-639 of this part shall make a declaration of its estimated
43 tax for the current taxable year, containing such information as the
44 commissioner of finance may prescribe by regulations or instructions, if
45 such estimated tax can reasonably be expected to exceed one thousand
46 dollars.

47 (b) Definition of estimated tax. The term "estimated tax" means the
48 amount which a taxpayer estimates to be the tax imposed by subdivision
49 (a) of section 11-639 of this part for the current taxable year, less
50 the amount which it estimates to be the sum of any credits allowable
51 against the tax.

52 (c) Time for filing declaration. A declaration of estimated tax shall
53 be filed on or before June fifteenth of the current taxable year in the
54 case of a taxpayer which reports on the basis of a calendar year, except
55 that if the requirements of subdivision (a) of this section are first
56 met:

1 (1) after May thirty-first and before September first of such current
2 taxable year, the declaration shall be filed on or before September
3 fifteenth, or

4 (2) after August thirty-first and before December first of such
5 current taxable year, the declaration shall be filed on or before Decem-
6 ber fifteenth.

7 (d) Amendments of declaration. A taxpayer may amend a declaration
8 under regulations of the commissioner of finance.

9 (e) Return as declaration. If, on or before February fifteenth of the
10 succeeding year in the case of a taxpayer whose taxable year is a calen-
11 dar year, a taxpayer files its return for the year for which the decla-
12 ration is required, and pays therewith the balance, if any, of the full
13 amount of the tax shown to be due on the return:

14 (1) such return shall be considered as its declaration if no declara-
15 tion was required to be filed during the taxable year for which the tax
16 was imposed, but is otherwise required to be filed on or before December
17 fifteenth pursuant to paragraph two of subdivision (c) of this section,
18 and

19 (2) such return shall be considered as the amendment permitted by
20 subdivision (d) of this section to be filed on or before December
21 fifteenth if the tax shown on the return is greater than the estimated
22 tax shown on a declaration previously made.

23 (f) Fiscal year. This section shall apply to taxable years of twelve
24 months other than a calendar year by the substitutions of the months of
25 such fiscal year for the corresponding months specified in this section.

26 (g) Short taxable period. If the taxable period for which a tax is
27 imposed by subdivision (a) of section 11-639 of this part is less than
28 twelve months, every taxpayer required to make a declaration of esti-
29 mated tax for such taxable period shall make such a declaration in
30 accordance with regulations of the commissioner of finance.

31 (h) Extension of time. The commissioner of finance may grant a
32 reasonable extension of time, not to exceed three months, for the filing
33 of any declaration required pursuant to this section, on such terms and
34 conditions as the commissioner may require.

35 § 11-645 Payments of estimated tax. (a) Every taxpayer subject to
36 the tax imposed by section 11-639 of this part shall pay an amount equal
37 to twenty-five percent of the preceding year's tax, if such preceding
38 year's tax exceeded one thousand dollars. Such amount shall be paid
39 with the return required to be filed for the preceding taxable year or
40 with an application for the extension of the time for filing such
41 return. Provided, however, that for the first taxable year or period
42 commencing on or after January first, nineteen hundred seventy-three,
43 the installment required by this subdivision shall be paid with the
44 return required to be filed for the tax imposed pursuant to part one or
45 two of this subchapter three computed on the basis of net income for the
46 calendar year nineteen hundred seventy-two, or under the minimum tax
47 provisions of section 11-612 of this subchapter.

48 (b) Other installments. The estimated tax for each taxable year with
49 respect to which a declaration of estimated tax is required to be filed
50 under this part shall be paid, in the case of a taxpayer which reports
51 on the basis of a calendar year, as follows:

52 (1) If the declaration is filed on or before June fifteenth, the esti-
53 mated tax shown thereon, after applying thereto the amount, if any, paid
54 during the same taxable year pursuant to subdivision (a) of this
55 section, shall be paid in three equal installments. One of such
56 installments shall be paid at the time of the filing of the declaration,

1 one shall be paid on the following September fifteenth, and one on the
2 following December fifteenth.

3 (2) If the declaration is filed after June fifteenth and not after
4 September fifteenth of such taxable year, and is not required to be
5 filed on or before June fifteenth of such year, the estimated tax shown
6 on such declaration, after applying thereto the amount, if any, paid
7 during the same taxable year pursuant to subdivision (a) of this
8 section, shall be paid in two equal installments. One of such install-
9 ments shall be paid at the time of the filing of the declaration and one
10 shall be paid on the following December fifteenth.

11 (3) If the declaration is filed after September fifteenth of such
12 taxable year, and is not required to be filed on or before September
13 fifteenth of such year, the estimated tax shown on such declaration,
14 after applying thereto the amount, if any, paid in respect of such year
15 pursuant to subdivision (a) of this section, shall be paid in full at
16 the time of the filing of the declaration.

17 (4) If the declaration is filed after the time prescribed therefor,
18 or after the expiration of any extension of time therefor, paragraphs
19 two and three of this subdivision shall not apply and there shall be
20 paid at the time of such filing all installments of estimated tax paya-
21 ble at or before such time, and the remaining installments shall be paid
22 at the times at which, and in the amounts in which, they would have been
23 payable if the declaration had been filed when due.

24 (c) Amendments of declarations. If any amendment of a declaration is
25 filed, the remaining installments, if any, shall be ratably increased or
26 decreased, as the case may be, to reflect any increase or decrease in
27 the estimated tax by reason of such amendment, and if any amendment is
28 made after September fifteenth of the taxable year, any increase in the
29 estimated tax by reason thereof shall be paid at the time of making such
30 amendment.

31 (d) Application of installments based on the preceding year's tax.
32 Any amount paid pursuant to subdivision (a) of this section shall be
33 applied as a first installment against the estimated tax of the taxpayer
34 for the taxable year shown on the declaration required to be filed
35 pursuant to section 11-644 of this part, or if no declaration of esti-
36 mated tax is required to be filed by the taxpayer pursuant to such
37 section, any such amount shall be considered a payment on account of the
38 tax shown on the return required to be filed by the taxpayer for such
39 taxable year.

40 (e) Interest on certain installments based on the preceding year's
41 tax. Notwithstanding the provisions of section 11-679 of this chapter or
42 of section three-a of the general municipal law, if an amount paid
43 pursuant to subdivision (a) of this section exceeds the tax shown on the
44 return required to be filed by the taxpayer for the taxable year during
45 which the amount was paid, interest shall be allowed and paid on the
46 amount by which the amount so paid pursuant to such subdivision exceeds
47 such tax, at the overpayment rate set by the commissioner of finance
48 pursuant to section 11-687 of this chapter, or, if no rate is set, at
49 the rate of six percent per annum from the date of payment of the amount
50 so paid pursuant to such subdivision to the fifteenth day of the third
51 month following the close of the taxable year, provided, however, that
52 no interest shall be allowed or paid under this subdivision if the
53 amount thereof is less than one dollar.

54 (f) The preceding year's tax defined. As used in this section, "the
55 preceding year's tax" means the tax imposed upon the taxpayer by subdi-
56 vision (a) of section 11-639 of this part for the preceding taxable

1 year, or, for purposes of computing the first installment of estimated
2 tax when an application has been filed for extension of the time for
3 filing the return required to be filed for such preceding taxable year,
4 the amount properly estimated pursuant to paragraph one of subdivision b
5 of section 11-647 of this part as the tax imposed upon the taxpayer for
6 such taxable year. Provided, however, that for the first taxable year
7 or period commencing on or after January first, nineteen hundred seven-
8 ty-three, the term "preceding year's tax" as used in this section shall
9 mean the tax imposed upon the taxpayer pursuant to part one or two of
10 this subchapter three which was computed on the basis of net income for
11 the calendar year nineteen hundred seventy-two, or under the minimum tax
12 provisions of subdivision two of section 11-612 of this subchapter, or
13 for purposes of computing the first installment of estimated tax for
14 such first taxable year or period when an application has been filed for
15 an extension of the time for filing the return required to be filed for
16 the tax imposed pursuant to part one or two of this subchapter three
17 which was computed on the basis of net income for the calendar year
18 nineteen hundred seventy-two, or under the minimum tax provisions of
19 section 11-612 of this subchapter, the amount of tax properly estimated
20 for purposes of such part one or two pursuant to section 11-635 of this
21 subchapter.

22 (g) Application to short taxable period. This section shall apply to
23 a taxable period of less than twelve months in accordance with regu-
24 lations of the commissioner of finance.

25 (h) Fiscal year. The provisions of this section shall apply to taxa-
26 ble years of twelve months other than a calendar year by the substi-
27 tution of the months of such fiscal year for the corresponding months
28 specified in such provisions.

29 (i) Extension of time. The commissioner of finance may grant a
30 reasonable extension of time, not to exceed six months, for payment of
31 any installment of estimated tax required pursuant to this section, on
32 such terms and conditions as the commissioner may require, including the
33 furnishing of a bond or other security by the taxpayer in an amount not
34 exceeding twice the amount for which any extension of time for payment
35 is granted, provided, however that interest at the underpayment rate set
36 by the commissioner of finance pursuant to section 11-687 of this chap-
37 ter, or, if no rate is set, at the rate of seven and one-half percent
38 per annum for the period of the extension shall be charged and collected
39 on the amount for which any extension of time for payment is granted
40 under this subdivision.

41 (j) Payment of installments in advance. A taxpayer may elect to pay
42 any installment of estimated tax prior to the date prescribed in this
43 section for payment thereof.

44 § 11-646 Returns. (a) Every taxpayer shall annually on or before
45 the fifteenth day of the third month following the close of each of its
46 taxable years transmit to the commissioner of finance a return in a form
47 prescribed by the commissioner setting forth such information as the
48 commissioner of finance may prescribe and every taxpayer which ceases to
49 exercise its franchise in the city or to be subject to the tax imposed
50 by this part shall transmit to the commissioner of finance a return on
51 the date of such cessation or at such other time as the commissioner of
52 finance may require covering each year or period for which no return was
53 therefore filed.

54 (b) Every taxpayer shall also transmit such other returns and such
55 facts and information as the commissioner of finance may require in the
56 administration of this part.

1 (c) The commissioner of finance may grant a reasonable extension of
2 time for filing returns whenever good cause exists. An automatic exten-
3 sion of six months for the filing of its annual return shall be allowed
4 any taxpayer, if within the time prescribed by subdivision (a) of this
5 section, such taxpayer files with the commissioner of finance an appli-
6 cation for extension in such form as said commissioner of finance may
7 prescribe by regulation and pays on or before the date of such filing
8 the amount properly estimated as its tax.

9 (d) Every return shall have annexed thereto a certification by the
10 president, vice president, treasurer, assistant treasurer, chief
11 accounting officer or any other officer of the taxpayer duly authorized
12 so to act to the effect that the statements contained therein are true.
13 The fact that an individual's name is signed on a certification of the
14 return shall be prima facie evidence that such individual is authorized
15 to sign and certify the return on behalf of the corporation.

16 (e) If the amount of taxable income, alternative minimum taxable
17 income or other basis of tax for any year of any taxpayer, or of any
18 shareholder of any taxpayer that has elected to be taxed under subchap-
19 ter s of chapter one of the internal revenue code or of any shareholder
20 of any taxpayer with respect to which an election has been made to be
21 treated as a qualified subchapter s subsidiary under paragraph three of
22 subsection (b) of section thirteen hundred sixty-one of the internal
23 revenue code as returned to the United States treasury department or the
24 New York state commissioner of taxation and finance is changed or
25 corrected by the commissioner of internal revenue or other officer of
26 the United States or the New York state commissioner of taxation and
27 finance or other competent authority, or if a taxpayer or such share-
28 holder of a taxpayer, pursuant to subsection (d) of section sixty-two
29 hundred thirteen of the internal revenue code, executes a notice of
30 waiver of the restrictions provided in subsection (a) of said section,
31 or if a taxpayer or such shareholder of a taxpayer, pursuant to
32 subsection (f) of section one thousand eighty-one of the tax law,
33 executes a notice of waiver of the restrictions provided in subsection
34 (c) of such section, such taxpayer shall report such changed or
35 corrected taxable income, alternative minimum taxable income or other
36 basis of tax or such execution of such notice of waiver and the changes
37 or corrections of the taxpayer's federal or New York state taxable
38 income, alternative minimum taxable income or other basis of tax on
39 which it is based, within ninety days, or one hundred twenty days, in
40 the case of a taxpayer making a combined return under this subchapter
41 for such year, after such execution or the final determination of such
42 change or correction, or as required by the commissioner of finance, and
43 shall concede the accuracy of such determination or state wherein it is
44 erroneous. The allowance of a tentative carryback adjustment based upon
45 a net capital loss carryback pursuant to section sixty-four hundred
46 eleven of the internal revenue code, shall be treated as a final deter-
47 mination for purposes of this subdivision. Any taxpayer filing an
48 amended return with such department shall also file within ninety days,
49 or one hundred twenty days, in the case of a taxpayer making a combined
50 return under this subchapter for such year, thereafter an amended return
51 with the commissioner of finance which shall contain such information as
52 the commissioner shall require.

53 (f) (1) For purposes of this subdivision, the term "bank holding
54 company" means any corporation subject to article three-A of the banking
55 law, or registered under the federal bank holding company act of nine-
56 teen hundred fifty-six, as amended, or registered as a savings and loan

1 holding company, but excluding a diversified savings and loan holding
2 company, under the federal national housing act, as amended.

3 (2) (i) Any banking corporation or bank holding company which is doing
4 business in the city in a corporate or organized capacity, and

5 (A) which owns or controls, directly or indirectly, eighty percent or
6 more of the voting stock of one or more banking corporations or bank
7 holding companies, or

8 (B) whose voting stock is eighty percent or more owned or controlled,
9 directly or indirectly, by a banking corporation or a bank holding
10 company,

11 shall make a return on a combined basis under this part covering
12 itself and such corporations described in clause (A) or (B) of this
13 subparagraph and shall set forth such information as the commissioner of
14 finance may require unless the taxpayer or the commissioner of finance
15 shows that the inclusion of such a corporation in the combined return
16 fails to properly reflect the tax liability of such corporation under
17 this part. Provided, however, that no banking corporation or bank hold-
18 ing company not a taxpayer shall be subject to the requirements of this
19 subparagraph unless the commissioner of finance deems that the applica-
20 tion of such requirements is necessary in order to properly reflect the
21 tax liability under this part, because of intercompany transactions or
22 some agreement, understanding, arrangement or transaction of the type
23 referred to in subdivision (g) of this section.

24 (ii) In the discretion of the commissioner of finance, any banking
25 corporation or bank holding company which is doing business in the city
26 in a corporate or organized capacity, and

27 (A) which owns or controls, directly or indirectly, sixty-five percent
28 or more of the voting stock of one or more banking corporations or bank
29 holding companies, or

30 (B) whose voting stock is sixty-five percent or more owned or
31 controlled, directly or indirectly, by a banking corporation or a bank
32 holding company, may be required or permitted to make a return on a
33 combined basis under this part covering itself and such corporations
34 described in clause (A) or (B) of this subparagraph and shall set forth
35 such information as the commissioner of finance may require; provided,
36 however, that no combined return shall be required or permitted unless
37 the commissioner of finance deems such report necessary in order to
38 properly reflect the tax liability under this part of any one or more of
39 such banking corporations or bank holding companies.

40 (iii) In the discretion of the commissioner of finance, banking corpo-
41 rations or bank holding companies which are each sixty-five percent or
42 more owned or controlled, directly or indirectly, by the same interest
43 may be permitted or required to make a return on a combined basis under
44 this part and shall set forth such information as the commissioner of
45 finance may require, if at least one such banking corporation or bank
46 holding company is doing business in the city in a corporate or organ-
47 ized capacity. No combined return shall be required or permitted unless
48 the commissioner of finance deems such report necessary in order to
49 properly reflect the tax liability under this part of any one or more of
50 such banking corporations or bank holding companies.

51 (iv) (A) Notwithstanding any provision of this paragraph, any bank
52 holding company exercising its corporate franchise or doing business in
53 the city may make a return on a combined basis without seeking the
54 permission of the commissioner with any banking corporation exercising
55 its corporate franchise or doing business in the city in a corporate or
56 organized capacity sixty-five percent or more of whose voting stock is

1 owned or controlled, directly or indirectly, by such bank holding compa-
2 ny, for the first taxable year beginning on or after January first, two
3 thousand and before January first, two thousand twenty during which such
4 bank holding company registers for the first time under the federal bank
5 holding company act, as amended, and also elects to be a financial hold-
6 ing company. In addition, for each subsequent taxable year beginning
7 after January first, two thousand and before January first, two thousand
8 twenty, any such bank holding company may file on a combined basis with-
9 out seeking the permission of the commissioner with any banking corpo-
10 ration that is exercising its corporate franchise or doing business in
11 the city and sixty-five percent or more of whose voting stock is owned
12 or controlled, directly or indirectly, by such bank holding company if
13 either such banking corporation is exercising its corporate franchise or
14 doing business in the city in a corporate or organized capacity for the
15 first time during such subsequent taxable year, or sixty-five percent or
16 more of the voting stock of such banking corporation is owned or
17 controlled, directly or indirectly, by such bank holding company for the
18 first time during such subsequent taxable year. Provided however, for
19 each subsequent taxable year beginning after January first, two thousand
20 and before January first, two thousand twenty, a banking corporation
21 described in this clause which filed on a combined basis with any such
22 bank holding company in a previous taxable year, must continue to file
23 on a combined basis with such bank holding company if such banking
24 corporation, during such subsequent taxable year, continues to exercise
25 its corporate franchise or do business in the city in a corporate or
26 organized capacity and sixty-five percent or more of such banking corpo-
27 ration's voting stock continues to be owned or controlled, directly or
28 indirectly, by such bank holding company, unless the permission of the
29 commissioner has been obtained to file on a separate basis for such
30 subsequent taxable year. Provided further, however, for each subsequent
31 taxable year beginning after January first, two thousand and before
32 January first, two thousand twenty, a banking corporation described in
33 this clause which did not file on a combined basis with any such bank
34 holding company in a previous taxable year, may not file on a combined
35 basis with such bank holding company during any such subsequent taxable
36 year unless the permission of the commissioner has been obtained to file
37 on a combined basis for such subsequent taxable year.

38 (B) Notwithstanding any provision of this paragraph other than clause
39 (A) of this subparagraph, the commissioner may not require a bank hold-
40 ing company which, during a taxable year beginning on or after January
41 first, two thousand and before January first, two thousand twenty,
42 registers for the first time during such taxable year under the federal
43 bank holding company act, as amended, and also elects to be a financial
44 holding company, to make a return on a combined basis for any taxable
45 year beginning on or after January first, two thousand and before Janu-
46 ary first, two thousand twenty with a banking corporation sixty-five
47 percent or more of whose voting stock is owned or controlled, directly
48 or indirectly, by such bank holding company.

49 (v)(A) For purposes of this subparagraph, the term "closest control-
50 ling stockholder" means the corporation that indirectly owns or controls
51 over fifty percent of the voting stock of a captive REIT or captive RIC,
52 is subject to tax under this subchapter or otherwise required to be
53 included in a combined return under this chapter and is the fewest tiers
54 of corporations away in the ownership structure from the captive REIT or
55 captive RIC. The commissioner is authorized to prescribe by regulation

1 or published guidance the criteria for determining the closest control-
2 ling stockholder.

3 (B) A captive REIT or a captive RIC must be included in a combined
4 return with the banking corporation or bank holding company that direct-
5 ly owns or controls over fifty percent of the voting stock of the
6 captive REIT or captive RIC if that banking corporation or bank holding
7 company is subject to tax or required to be included in a combined
8 return under this subchapter.

9 (C) If over fifty percent of the voting stock of a captive REIT or
10 captive RIC is not directly owned or controlled by a banking corporation
11 or bank holding company that is subject to tax or required to be
12 included in a combined return under this subchapter, then the captive
13 REIT or captive RIC must be included in a combined return with the
14 corporation that is the closest controlling stockholder of the captive
15 REIT or captive RIC. If the closest controlling stockholder of the
16 captive REIT or captive RIC is a banking corporation or bank holding
17 company that is subject to tax or otherwise required to be included in a
18 combined return under this subchapter, then the captive REIT or captive
19 RIC must be included in a combined return under this subchapter.

20 (D) If the corporation which directly owns or controls the voting
21 stock of the captive REIT or captive RIC is described in subparagraph
22 (ii) of paragraph four of this subdivision as a corporation not permit-
23 ted to make a combined return, then the provisions in clause (C) of this
24 subparagraph must be applied to determine the corporation in whose
25 combined return the captive REIT or captive RIC should be included. If,
26 under clause (C) of this subparagraph, the corporation that is the clos-
27 est controlling stockholder of the captive REIT or captive RIC is
28 described in subparagraph (ii) or (iv) of paragraph four of this subdivi-
29 sion as a corporation not permitted to make a combined return, then
30 that corporation is deemed to not be in the ownership structure of the
31 captive REIT or captive RIC, and the closest controlling stockholder
32 will be determined without regard to that corporation.

33 (E) If a captive REIT owns the stock of a qualified REIT subsidiary,
34 as defined in paragraph two of subsection (i) of section eight hundred
35 fifty-six of the internal revenue code, then the qualified REIT subsid-
36 iary must be included in any combined return required to be made by the
37 captive REIT that owns its stock.

38 (F) If a captive REIT or a captive RIC is required under this subpara-
39 graph to be included in a combined return with another corporation, and
40 that other corporation is required to be included in a combined return
41 with another corporation under other provisions of this subdivision, the
42 captive REIT or captive RIC must be included in that combined return
43 with those corporations.

44 (G) If the banking corporation or bank holding company that directly
45 or indirectly owns or controls over fifty percent of the voting stock of
46 the captive REIT or captive RIC and is the closest controlling stock-
47 holder of the captive REIT or captive RIC is a member of an affiliated
48 group (1) that does not include any corporation that is engaged in a
49 business that a subsidiary of a bank holding company would not be
50 permitted to engage in, unless such business is de minimis, and (2)
51 whose members own assets the combined average value of which does not
52 exceed eight billion dollars, then the captive REIT or captive RIC must
53 not be included in a combined return under this subchapter. In that
54 instance, the captive REIT or captive RIC is subject to the provisions
55 of subdivision seven or eight of section 11-603 of this chapter. The
56 term "affiliated group" means "affiliated group" as defined in section

1 fifteen hundred four of the internal revenue code, but without regard to
2 the exceptions provided for in subsection (b) of such section.

3 (vi) For taxable years beginning on or after January first two thou-
4 sand eleven, a banking corporation doing business in the city solely
5 because it meets one or more of the tests in subparagraphs (i) through
6 (v) of paragraph one of subdivision (c) of section 11-639 of this chap-
7 ter, referred to in this subparagraph as the "credit card bank", will
8 not be included in a combined return pursuant to subparagraph (i) of
9 this paragraph with another banking corporation or bank holding company
10 which is doing business in the city unless the credit card bank or the
11 commissioner shows that the inclusion of the credit card bank in the
12 combined return is necessary to properly reflect the tax liability of
13 the credit card bank, the banking corporation or bank holding company
14 under this subchapter. However, any banking corporation that meets one
15 or more of the tests in subparagraphs (i) through (v) of paragraph one
16 of subsection (c) of section 11-639 of this chapter and was included in
17 a combined return for its last taxable year beginning before January
18 first, two thousand eleven may continue to be included in a combined
19 return for future taxable years, provided that once that banking corpo-
20 ration has been included in a combined return for any taxable year
21 beginning on or after January first, two thousand eleven, it must
22 continue to be included in a combined return until it obtains the
23 consent of the commissioner to cease being included in a combined return
24 because the combined return no longer properly reflects the tax liabil-
25 ity under this subchapter of any of the corporations included in the
26 combined return. Further, the credit card bank will be included in a
27 combined return with (A) any banking corporation not subject to tax
28 under this subchapter sixty-five percent or more of whose voting stock
29 is owned or controlled, directly or indirectly, by the credit card bank,
30 or (B) any banking corporation or bank holding company not subject to
31 tax under this subchapter which owns or controls, directly or indirect-
32 ly, sixty-five percent or more of the voting stock of the credit card
33 bank, or (C) any banking corporation not subject to tax under this
34 subchapter sixty-five percent or more of the voting stock of which is
35 owned or controlled, directly or indirectly, by the same corporation or
36 corporations that own or control, directly or indirectly, sixty-five
37 percent or more of the voting stock of the credit card bank, if the
38 corporation or corporations described in clauses (A), (B) and (C) of
39 this subparagraph provide services for or support to the credit card
40 bank's operations, unless the credit card bank or the commissioner shows
41 that the inclusion of any of those corporations in the combined return
42 fails to properly reflect the tax liability of the credit card bank. For
43 purposes of this subparagraph, services for or support to the credit
44 card bank's operations include such activities as billing, credit inves-
45 tigation and reporting, marketing, research, advertising, mailing,
46 customer service, information technology, lending and financing
47 services, and communications services, but will not include accounting,
48 legal or personnel services.

49 (3) (i) In the case of a combined return, the tax shall be measured by
50 the combined entire net income, combined alternative entire net income
51 or combined assets of all the corporations included in the return,
52 including any captive REIT or captive RIC. The allocation percentage
53 shall be computed based on the combined factors with respect to all the
54 corporations included in the combined return. In computing combined
55 entire net income and alternative entire net income intercorporate divi-
56 dends and all other intercorporate transactions shall be eliminated and

1 in computing combined assets intercorporate stockholdings and intercorporate bills, notes and accounts receivable and payable and other intercorporate indebtedness shall be eliminated.

4 (ii) In the case of a captive REIT required under this subdivision to be included in a combined return, "entire net income" means "real estate investment trust taxable income" as defined in paragraph two of subdivision (b) of section eight hundred fifty-seven, as modified by section eight hundred fifty-eight, of the internal revenue code, plus the amount taxable under paragraph three of subdivision (b) of section eight hundred fifty-seven of that code, subject to the modifications required by section 11-641 of this chapter. In the case of a captive RIC required under this subdivision to be included in a combined return, "entire net income" means "investment company taxable income" as defined in paragraph two of subdivision (b) of section eight hundred fifty-two, as modified by section eight hundred fifty-five, of the internal revenue code, plus the amount taxable under paragraph three of subdivision (b) of section eight hundred fifty-two of such code, subject to the modifications required by section 11-641 of this chapter. However, the deduction under the internal revenue code for dividends paid by the captive REIT or captive RIC to any member of the affiliated group that includes the corporation that directly or indirectly owns over fifty percent of the voting stock of the captive REIT or captive RIC shall be limited to twenty-five percent for taxable years beginning on or after January first, two thousand nine and before January first, two thousand eleven and shall not be allowed for taxable years beginning on or after January first, two thousand eleven. The term "affiliated group" means "affiliated group" as defined in section fifteen hundred four of the internal revenue code, but without regard to the exceptions provided for in subsection (b) of such section.

30 (4) (i) In no event shall an item of income or expense of a corporation organized under the laws of a country other than the United States be included in a combined return unless it is includible in entire net income or alternative entire net income, as the case may be, nor shall an asset of such a corporation be included in a combined return unless it is included in taxable assets.

36 (ii) In no event shall a corporation organized under the laws of the United States, this state or any other state, be included in a combined return with a corporation organized under the laws of a country other than the United States.

40 (iii) In no event shall a corporation which has made an election pursuant to subdivision (d) of section 11-640 of this part to be subject to the tax imposed by subchapter two of this chapter be included in a combined return for those taxable years for which it is subject to the tax imposed by subchapter two of this chapter.

45 (5) Tax liability under this part may be deemed to be improperly reflected because of intercompany transactions or some agreement, understanding, arrangement or transaction referred to in subdivision (g) of this section.

49 (g) In case it shall appear to the commissioner of finance that any agreement, understanding or arrangement exists between the taxpayer and any other corporation or any person or firm, whereby the activity, business, income or assets of the taxpayer within the city is improperly or inaccurately reflected, the commissioner of finance is authorized and empowered, in his or her discretion and in such manner as he or she may determine, to adjust items of income or deductions in computing entire net income or alternative entire net income and to adjust assets, and to

1 adjust wages, salaries and other personal service compensation, receipts
2 or deposits in computing any allocation percentage, provided only that
3 entire net income or alternative entire net income be adjusted accord-
4 ingly and that any asset directly traceable to the elimination of any
5 receipt be eliminated from assets so as to accurately determine the tax.
6 If however, in the determination of the commissioner of finance, such
7 adjustments do not, or cannot effectively provide for the accurate
8 determination of the tax, the commissioner of finance shall be author-
9 ized to require the filing of a combined report by the taxpayer and any
10 such other corporations. Where (1) any taxpayer conducts its activity or
11 business under any agreement, arrangement or understanding in such
12 manner as either directly or indirectly to benefit its members or stock-
13 holders, or any of them, or any person or persons directly or indirectly
14 interested in such activity or business, by entering into any trans-
15 action at more or less than a fair price which, but for such agreement,
16 arrangement or understanding, might have been paid or received therefor,
17 or (2) any taxpayer enters into any transaction with another corporation
18 on such terms as to create an improper loss or net income, the commis-
19 sioner of finance may include in the entire net income or alternative
20 entire net income of the taxpayer the fair profits which, but for such
21 agreement, arrangement or understanding, the taxpayer might have derived
22 from such transaction.

23 § 11-647 Payment of tax. (a) To the extent the tax imposed for
24 section 11-639 of this part shall not have been previously paid pursuant
25 to section 11-645 of this part:

26 (1) such tax, or the balance thereof, shall be payable to the commis-
27 sioner of finance in full at the time its return is required to be
28 filed, and

29 (2) such tax, or the balance thereof, imposed on any taxpayer which
30 ceased to exercise its franchise or to be subject to the tax imposed by
31 this part shall be payable to the commissioner of finance at the time
32 the return is required to be filed, provided such tax of a domestic
33 corporation which continues to possess its franchise shall be subject to
34 adjustment as the circumstances may require; all other taxes of any such
35 taxpayer, which pursuant to the provisions of this subdivision would
36 otherwise be payable subsequent to the time such return is required to
37 be filed, shall nevertheless be payable at such time.

38 (b) If the taxpayer, within the time prescribed by subdivision (c) of
39 section 11-646 of this part, shall have applied for an automatic exten-
40 sion of time to file its annual return and shall have paid to the
41 commissioner of finance on or before the date of such application is
42 filed an amount properly estimated as provided by said subdivision the
43 only amount payable in addition to the tax shall be interest at the
44 underpayment rate set by the commissioner of finance pursuant to section
45 11-687 of this chapter, or, if no rate is set, at the rate of seven and
46 one-half percent per annum upon the amount by which the tax, or portion
47 thereof payable on or before the date the return was required to be
48 filed, exceeds the amount so paid, provided that:

49 (1) an amount so paid shall be deemed properly estimated if it is
50 either: (i) not less than ninety per cent of the tax as finally deter-
51 mined, or (ii) not less than the tax shown on the taxpayer's return for
52 the preceding taxable year, if such preceding year was a taxable year of
53 twelve months; and

54 (2) the time when a return is required to be filed shall be determined
55 without regard to any extension of time for filing such return.

1 (c) The commissioner of finance may grant a reasonable extension of
 2 time for payment of any tax imposed by this part under such conditions
 3 as the commissioner deems just and proper.

19 § 11-651 Applicability. 1. Notwithstanding anything to the contrary in
 20 this chapter, this subchapter shall apply to corporations for tax years
 21 commencing on or after January first, two thousand fifteen, except that
 22 it shall not apply to any corporation that (a) has an election in effect
 23 under subsection (a) of section thirteen hundred sixty-two of the inter-
 24 nal revenue code, as amended, or (b) is a qualified subchapter S subsid-
 25 iary within the meaning of paragraph three of subsection (b) of section
 26 thirteen hundred sixty-one of the internal revenue code, as amended, in
 27 any tax year commencing on or after such date. Subchapters two and three
 28 of this chapter shall not apply to corporations to which this subchapter
 29 applies for tax years commencing on or after January first, two thousand
 30 fifteen, except to the extent provided in this subchapter and to the
 31 extent that the effect of the application of subchapters two and three
 32 to tax years commencing prior to January first, two thousand fifteen
 33 carries over to tax years commencing on or after January first, two
 34 thousand fifteen.

35 2. Each reference in the tax law or this code to subchapters two or
 36 three of this chapter, or any of the provisions thereof, shall be deemed
 37 a reference also to this subchapter, and any of the applicable
 38 provisions thereof, where appropriate and with all necessary modifica-
 39 tions.

40 § 11-652 Definitions. 1. (a) The term "corporation" includes (1) an
 41 association within the meaning of paragraph three of subsection (a) of
 42 section seventy-seven hundred one of the internal revenue code, includ-
 43 ing, when applicable, a limited liability company, (2) a joint-stock
 44 company or association, (3) a publicly traded partnership treated as a
 45 corporation for purposes of the internal revenue code pursuant to
 46 section seventy-seven hundred four thereof and (4) any business
 47 conducted by a trustee or trustees wherein interest or ownership is
 48 evidenced by certificate or other written instrument;

49 (b) (1) Notwithstanding paragraph (a) of this subdivision, an unincor-
 50 porated organization that (i) is described in subparagraph one or three
 51 of paragraph (a) of this subdivision, (ii) was subject to the provisions
 52 of chapter five of this title for its taxable year beginning in nineteen
 53 hundred ninety-five, and (iii) made a one-time election not to be treat-
 54 ed as a corporation and, instead, to continue to be subject to the
 55 provisions of chapter five of this title for its taxable years beginning

1 in nineteen hundred ninety-six and thereafter, shall continue to be
2 subject to the provisions of chapter five of this title for its taxable
3 years beginning in nineteen hundred ninety-six.

4 (2) An election under this paragraph shall continue to be in effect
5 until revoked by the unincorporated organization. An election under this
6 paragraph shall be revoked by the filing of a return under this subchap-
7 ter for the first taxable year with respect to which revocation is
8 to be effective. Such return shall be filed on or before the due date,
9 determined with regard to extensions, for filing such return. In no
10 event shall such election or revocation be for a part of a taxable year.

11 (c) Notwithstanding paragraph (a) of this subdivision, a corporation
12 shall not include an entity classified as a partnership for federal
13 income tax purposes.

14 2. The term "subsidiary" means a corporation of which over fifty per
15 centum of the number of shares of stock entitling the holders thereof to
16 vote for the election of directors or trustees is owned by the taxpayer.

17 2-a. The term "taxpayer" means any corporation subject to tax under
18 this subchapter.

19 3. Intentionally omitted.

20 3-a. The term "stock" means an interest in a corporation that is
21 treated as equity for federal income tax purposes.

22 4. (a) The term "investment capital" means investments in stocks that:
23 (i) satisfy the definition of a capital asset under section one thousand
24 two hundred twenty-one of the internal revenue code at all times the
25 taxpayer owned such stocks during the taxable year; (ii) are held by the
26 taxpayer for investment for more than one year; (iii) the dispositions
27 of which are, or would be, treated by the taxpayer as generating long-
28 term capital gains or losses under the internal revenue code; (iv) for
29 stocks acquired on or after January first, two thousand fifteen, at any
30 time after the close of the day in which they are acquired, have never
31 been held for sale to customers in the regular course of business; and
32 (v) before the close of the day on which the stock was acquired, are
33 clearly identified in the taxpayer's records as stock held for invest-
34 ment in the same manner as required under paragraph one of subdivision
35 (a) of section one thousand two hundred thirty-six of the internal
36 revenue code for the stock of a dealer in securities to be eligible for
37 capital gain treatment, whether or not the taxpayer is a dealer of secu-
38 rities subject to section one thousand two hundred thirty-six, provided,
39 however, that for stock acquired prior to October first, two thousand
40 fifteen that was not subject to subdivision (a) of section one thousand
41 two hundred thirty-six of the internal revenue code, such identification
42 in the taxpayer's records must occur before October first, two thousand
43 fifteen. Stock in a corporation that is conducting a unitary business
44 with the taxpayer, stock in a corporation that is included in a combined
45 report with the taxpayer pursuant to the commonly owned group election
46 in subdivision three of section 11-654.3 of this subchapter, and stock
47 issued by the taxpayer shall not constitute investment capital. For
48 purposes of this subdivision, if the taxpayer owns or controls, directly
49 or indirectly, less than twenty percent of the voting power of the stock
50 of a corporation, that corporation will be presumed to be conducting a
51 business that is not unitary with the business of the taxpayer.

52 (b) There shall be deducted from investment capital any liabilities
53 which are directly or indirectly attributable to investment capital. If
54 the amount of those liabilities exceeds the amount of investment capi-
55 tal, the amount of investment capital shall be zero.

1 (c) Investment capital shall not include any such investments the
2 income from which is excluded from entire net income pursuant to the
3 provisions of paragraph (c-1) of subdivision eight of this section, and
4 that investment capital shall be computed without regard to liabilities
5 directly or indirectly attributable to such investments, but only if air
6 carriers organized in the United States and operating in the foreign
7 country or countries in which the taxpayer has its major base of oper-
8 ations and in which it is organized, resident or headquartered, if not
9 in the same country as its major base of operations, are not subject to
10 any tax based on or measured by capital imposed by such foreign country
11 or countries or any political subdivision thereof, or if taxed, are
12 provided an exemption, equivalent to that provided for herein, from any
13 tax based on or measured by capital imposed by such foreign country or
14 countries and from any such tax imposed by any political subdivision
15 thereof.

16 (d) If a taxpayer acquires stock that is a capital asset under section
17 one thousand two hundred twenty-one of the internal revenue code during
18 the taxable year and owns that stock on the last day of the taxable
19 year, it will be presumed, solely for the purposes of determining wheth-
20 er that stock should be classified as investment capital after it is
21 acquired, that the taxpayer held that stock for more than one year.
22 However, if the taxpayer does not in fact own that stock at the time it
23 actually files its original report for the taxable year in which it
24 acquired the stock, then such presumption shall not apply and the actual
25 period of time during which the taxpayer owned the stock shall be used
26 to determine whether the stock should be classified as investment capi-
27 tal after it is acquired. If the taxpayer relies on such presumption but
28 does not own the stock for more than one year, the taxpayer must
29 increase its total business capital in the immediately succeeding taxa-
30 ble year by the amount included in investment capital for that stock,
31 net of any liabilities attributable to that stock computed as provided
32 in paragraph (b) of this subdivision and must increase its business
33 income in the immediately succeeding taxable year by the amount of
34 income and net gains, but not less than zero, from that stock included
35 in investment income, less any interest deductions directly or indirect-
36 ly attributable to that stock, as provided in subdivision five of this
37 section.

38 (e) When income or gain from a debt obligation or other security
39 cannot be allocated to the city using the business allocation percentage
40 as a result of the United States constitutional principles, the debt
41 obligation or other security will be included in investment capital.

42 5. (a)(i) The term "investment income" means income, including capital
43 gains in excess of capital losses, from investment capital, to the
44 extent included in computing entire net income, less, in the discretion
45 of the commissioner of finance, any interest deductions allowable in
46 computing entire net income which are directly or indirectly attribut-
47 able to investment capital or investment income, provided, however, that
48 in no case shall investment income exceed entire net income.

49 (ii) If the amount of interest deductions subtracted under subpara-
50 graph (i) of this paragraph exceeds investment income, the excess of
51 such amount over investment income must be added back to entire net
52 income.

53 (iii) If the taxpayer's investment income determined without regard to
54 the interest deductions subtracted under subparagraph (i) of this para-
55 graph comprises more than eight percent of the taxpayer's entire net
56 income, investment income determined without regard to such interest

1 deductions cannot exceed eight percent of the taxpayer's entire net
2 income.

3 (b) In lieu of subtracting from investment income the amount of those
4 interest deductions, the taxpayer may make a revocable election to
5 reduce its total investment income, determined after applying the limi-
6 tation in subparagraph (iii) of paragraph (a) of this subdivision, by
7 forty percent. If the taxpayer makes this election, the taxpayer must
8 also make the elections provided for in paragraphs (b) and (c) of subdivi-
9 sion five-a of this section. If the taxpayer subsequently revokes this
10 election, the taxpayer must revoke the elections provided for in para-
11 graphs (b) and (c) of subdivision five-a of this section. A taxpayer
12 that does not make this election because it has no investment capital
13 will not be precluded from making those other elections.

14 (c) Investment income shall not include any amount treated as divi-
15 dends pursuant to section seventy-eight of the internal revenue code.

16 5-a. (a) The term "other exempt income" means the sum of exempt CFC
17 income and exempt unitary corporation dividends.

18 (b) "Exempt CFC income" means (i) except to the extent described in
19 subparagraph (ii) of this paragraph, the income required to be included
20 in the taxpayer's federal gross income pursuant to subsection (a) of
21 section nine hundred fifty-one of the internal revenue code, received
22 from a corporation that is conducting a unitary business with the
23 taxpayer but is not included in a combined report with the taxpayer, and
24 (ii) such income required to be included in the taxpayer's federal gross
25 income pursuant to subsection (a) of such section nine hundred fifty-one
26 of the internal revenue code by reason of subsection (a) of section nine
27 hundred sixty-five of the internal revenue code, as adjusted by
28 subsection (b) of section nine hundred sixty-five of the internal reven-
29 ue code, and without regard to subsection (c) of such section, received
30 from a corporation that is not included in a combined report with the
31 taxpayer, less, (iii) in the discretion of the commissioner of finance,
32 any interest deductions directly or indirectly attributable to that
33 income. In lieu of subtracting from its exempt CFC income the amount of
34 those interest deductions, the taxpayer may make a revocable election to
35 reduce its total exempt CFC income by forty percent. If the taxpayer
36 makes this election, the taxpayer must also make the elections provided
37 for in paragraph (b) of subdivision five of this section and paragraph
38 (c) of this subdivision. If the taxpayer subsequently revokes this
39 election, the taxpayer must revoke the elections provided for in para-
40 graph (b) of subdivision five of this section and paragraph (c) of this
41 subdivision. A taxpayer which does not make this election because it has
42 no exempt CFC income will not be precluded from making those other
43 elections. The income described in subparagraph (ii) of this paragraph
44 shall not constitute investment income.

45 (c) "Exempt unitary corporate dividends" means those dividends from a
46 corporation that is conducting a unitary business with the taxpayer but
47 is not included in a combined report with the taxpayer, less, in the
48 discretion of the commissioner of finance, any interest deductions
49 directly or indirectly attributable to such income. Other than dividend
50 income received from corporations that are taxable under chapter eleven
51 of this title, except for vendors of utility services that are also
52 taxable under this subchapter, or would be taxable under chapter eleven
53 of this title, except for vendors of utility services that are also
54 taxable under this subchapter, if subject to tax and corporations that
55 would have been taxable as insurance corporations under former part IV,
56 title R, chapter forty-six of the administrative code of the city of New

1 York as in effect on June thirtieth, nineteen hundred seventy-four, in
2 lieu of subtracting from this dividend income those interest deductions,
3 the taxpayer may make a revocable election to reduce the total amount of
4 this dividend income by forty percent. If the taxpayer makes this
5 election, the taxpayer must also make the elections provided for in
6 paragraph (b) of subdivision five of this section and paragraph (b) of
7 this subdivision. If the taxpayer subsequently revokes this election,
8 the taxpayer must revoke the elections provided for in paragraph (b) of
9 subdivision five of this section and paragraph (b) of this subdivision.
10 A taxpayer that does not make this election because it has not received
11 any exempt unitary corporation dividends or is precluded from making
12 this election for dividends received from corporations that are taxable
13 under chapter eleven of this title, except for vendors of utility
14 services that are also taxable under this subchapter, or would be taxa-
15 ble under chapter eleven of this title if subject to tax, except for
16 vendors of utility services that are also taxable under this subchapter,
17 shall not be precluded from making those other elections.

18 (d) If the taxpayer attributes interest deductions to other exempt
19 income and the amount deducted exceeds other exempt income, the excess
20 of the interest deductions over other exempt income must be added back
21 to entire net income. In no case shall other exempt income exceed entire
22 net income.

23 (e) Other exempt income shall not include any amount treated as divi-
24 dends pursuant to section seventy-eight of the internal revenue code.

24 provisions of section eight hundred eighty-three of the internal revenue
25 code, (ii) income without the United States which is derived from the

50 the annual charge for the retirement of such bonds or obligations at
51 maturity.

52 (f) Intentionally omitted.

53 (g) At the election of the taxpayer, a deduction shall be allowed for
54 expenditures paid or incurred during the taxable year for the

1 (1)(i) The term "industrial waste treatment facilities" shall mean
2 facilities for the treatment, neutralization or stabilization of indus-
3 trial waste, as the term "industrial waste" is defined in section
4 17-0105 of the environmental conservation law, from a point immediately
5 preceding the point of such treatment, neutralization or stabilization
6 to the point of disposal, including the necessary pumping and transmit-

8 purpose of salvaging materials which are usable in the manufacturing
9 process or are marketable.

10 (ii) The term "air pollution control facilities" shall mean facilities
11 which remove, reduce, or render less noxious air contaminants emitted
12 from an air contamination source, as the terms "air contaminant" and
13 "air contamination source" are defined in section 19-0107 of the envi-
14 ronmental conservation law, from a point immediately preceding the point
15 of such removal, reduction or rendering to the point of discharge of
16 air, meeting emission standards as established by the air pollution
17 control board, but excluding such facilities installed for the primary
18 purpose of salvaging materials which are usable in the manufacturing
19 process or are marketable and excluding those facilities which rely for
20 their efficacy on dilution, dispersion or assimilation of air contam-
21 inants in the ambient air after emission.

22 (2) However, such deduction shall be allowed only (i) with respect to
23 tangible property which is depreciable, pursuant to section one hundred
24 sixty-seven of the internal revenue code, having a situs in the city and
25 used in the taxpayer's trade or business, the construction, recon-
26 struction, erection or improvement of which, in the case of industrial
27 waste treatment facilities, is initiated on or after January first,
28 nineteen hundred sixty-six, and only for expenditures paid or incurred
29 prior to January first, nineteen hundred seventy-two, or which, in the
30 case of air pollution control facilities, is initiated on or after Janu-
31 ary first, nineteen hundred sixty-six, and

32 (ii) on condition that such facilities have been certified by the
33 state commissioner of environmental conservation or the state commis-
34 sioner's designated representative, in the same manner as provided for
35 in section 17-0707 or 19-0309 of the environmental conservation law, as
36 applicable, as complying with applicable provisions of the environmental
37 conservation law, the state sanitary code and regulations, permits or
38 orders issued pursuant thereto, and

39 (iii) on condition that entire net income for the taxable year and all
40 succeeding taxable years be computed without any deductions for such
41 expenditures or for depreciation of the same property other than the
42 deductions allowed by this paragraph except to the extent that the basis
43 of the property may be attributable to factors other than such expendi-
44 tures, or in case a deduction is allowable pursuant to this paragraph
45 for only a part of such expenditures, on condition that any deduction
46 allowed for federal income tax purposes for such expenditures or for
47 depreciation of the same property be proportionately reduced in comput-
48 ing entire net income for the taxable year and all succeeding taxable
49 years, and

50 (iv) where the election provided for in paragraph (d) of subdivision
51 three of section 11-604 of this chapter or the election provided for in
52 subdivision (k) of section 11-641 of this chapter has not been exercised
53 in respect to the same property.

54 (3)(i) If expenditures in respect to an industrial waste treatment
55 facility or an air pollution control facility have been deducted as
56 provided herein and if within ten years from the end of the taxable year

1 in which such deduction was allowed such property or any part thereof is
2 used for the primary purpose of salvaging materials which are usable in
3 the manufacturing process or are marketable, the taxpayer shall report
4 such change of use in its report for the first taxable year during which
5 it occurs, and the commissioner of finance may recompute the tax for the
6 year or years for which such deduction was allowed and any carryback or
7 carryover year, and may assess any additional tax resulting from such
8 recomputation within the time fixed by paragraph (h) of subdivision
9 three of section 11-674 of this chapter.

10 (ii) If a deduction is allowed as herein provided for expenditures
11 paid or incurred during any taxable year on the basis of a temporary
12 certificate of compliance issued pursuant to the environmental conserva-
13 tion law and if the taxpayer fails to obtain a permanent certificate of
14 compliance upon completion of the facilities with respect to which such
15 temporary certificate was issued, the taxpayer shall report such failure
16 in its report for the taxable year during which such facilities are
17 completed, and the commissioner of finance may recompute the tax for the
18 year or years for which such deduction was allowed and any carryback or
19 carryover year, and may assess any additional tax resulting from such
20 recomputation within the time fixed by paragraph (h) of subdivision
21 three of section 11-674 of this chapter.

22 (4) In any taxable year when property is sold or otherwise disposed
23 of, with respect to which a deduction has been allowed pursuant to this
24 paragraph, such deduction shall be disregarded in computing gain or
25 loss, and the gain or loss on the sale or other disposition of such
26 property shall be the gain or loss entering into the computation of
27 entire taxable income which the taxpayer is required to report to the
28 United States treasury for such taxable year;

29 (h) With respect to gain derived from the sale or other disposition of
30 any property acquired prior to January first, nineteen hundred sixty-
31 six; which had a federal adjusted basis on such date, or on the date of
32 its sale or other disposition prior to January first, nineteen hundred
33 sixty-six, lower than its fair market value on January first, nineteen
34 hundred sixty-six or the date of its sale or other disposition prior
35 thereto, except property described in subsections one and four of
36 section twelve hundred twenty-one of the internal revenue code, there
37 shall be deducted from entire net income, the difference between (1) the
38 amount of the taxpayer's federal taxable income, and (2) the amount of
39 the taxpayer's federal taxable income, if smaller than the amount
40 described in subparagraph one of this paragraph, computed as if the
41 federal adjusted basis of each such property, on the sale or other
42 disposition of which gain was derived, on the date of the sale or other
43 disposition had been equal to either (i) its fair market value on Janu-
44 ary first, nineteen hundred sixty-six or the date of its sale or other
45 disposition prior to January first, nineteen hundred sixty-six, plus or
46 minus all adjustments to basis made with respect to such property for
47 federal income tax purposes for periods on and after January first,
48 nineteen hundred sixty-six or (ii) the amount realized from its sale or
49 disposition, whichever is lower; provided, however, that the total
50 modification provided by this paragraph shall not exceed the amount of
51 the taxpayer's net gain from the sale or other disposition of all such
52 property.

53 (i) If the period covered by a report under this subchapter is other
54 than the period covered by the report of the United States treasury
55 department, entire net income shall be determined by multiplying the
56 federal taxable income, as adjusted pursuant to the provisions of this

1 subchapter, by the number of calendar months or major parts thereof
2 covered by the report under this subchapter and dividing by the number
3 of calendar months or major parts thereof covered by the report to such
4 department. If it shall appear that such method of determining entire
5 net income does not properly reflect the taxpayer's income during the
6 period covered by the report under this subchapter, the commissioner of
7 finance shall be authorized in his or her discretion to determine such
8 entire net income solely on the basis of the taxpayer's income during
9 the period covered by its report under this subchapter.

10 (j) In the case of property placed in service in taxable years begin-
11 ning before nineteen hundred ninety-four, for taxable years beginning
12 after December thirty-first, nineteen hundred eighty-one, except with
13 respect to property subject to the provisions of section two hundred
14 eighty-F of the internal revenue code and property subject to the
15 provisions of section one hundred sixty-eight of the internal revenue
16 code which is placed in service in this state in taxable years beginning
17 after December thirty-first, nineteen hundred eighty-four, and provided
18 a deduction has not been excluded from entire net income pursuant to
19 subparagraph nine of paragraph (b) of this subdivision, a taxpayer shall
20 be allowed with respect to property which is subject to the provisions
21 of section one hundred sixty-eight of the internal revenue code the
22 depreciation deduction allowable under section one hundred sixty-seven
23 of the internal revenue code as such section would have applied to prop-
24 erty placed in service on December thirty-first, nineteen hundred
25 eighty. This paragraph shall not apply to property of a taxpayer prin-
26 cipally engaged in the conduct of an aviation, steamboat, ferry or navi-
27 gation business, or two or more of such businesses, which is placed in
28 service before taxable years beginning in nineteen hundred eighty-nine.

29 (k) In the case of qualified property described in paragraph two of
30 subsection (k) of section one hundred sixty-eight of the internal reven-
31 ue code, other than qualified resurgence zone property described in
32 paragraph (m) of this subdivision, and other than qualified New York
33 Liberty Zone property described in paragraph two of subsection (b) of
34 section fourteen hundred-L of the internal revenue code, without regard
35 to clause (i) of subparagraph (C) of such paragraph, the depreciation
36 deduction allowable under section one hundred sixty-seven as such
37 section would have applied to such property had it been acquired by the
38 taxpayer on September tenth, two thousand one, provided, however, that
39 for taxable years beginning on or after January first, two thousand
40 four, in the case of a passenger motor vehicle or a sport utility vehi-
41 cle subject to the provisions of paragraph (o) of this subdivision, the
42 limitation under clause (i) of subparagraph (A) of paragraph one of
43 subdivision (a) of section two hundred eighty-F of the internal revenue
44 code applicable to the amount allowed as a deduction under this para-
45 graph shall be determined as of the date such vehicle was placed in
46 service and not as of September tenth, two thousand one.

47 (l) Upon the disposition of property to which paragraph (k) of this
48 subdivision applies, the amount of any gain or loss includible in entire
49 net income shall be adjusted to reflect the inclusions and exclusions
50 from entire net income pursuant to subparagraph twelve of paragraph (a)
51 and subparagraph sixteen of paragraph (b) of this subdivision attribut-
52 able to such property.

53 (m) For purposes of this paragraph and paragraph (l) of this subdivi-
54 sion, qualified resurgence zone property shall mean qualified property
55 described in paragraph two of subsection (k) of section one hundred
56 sixty-eight of the internal revenue code substantially all of the use of

1 which is in the resurgence zone, as defined below, and is in the active
2 conduct of a trade or business by the taxpayer in such zone, and the
3 original use of which in the resurgence zone commences with the taxpayer
4 after September tenth, two thousand one. The resurgence zone shall mean
5 the area of New York county bounded on the south by a line running from
6 the intersection of the Hudson River with the Holland Tunnel, and
7 running thence east to Canal Street, then running along the centerline
8 of Canal Street to the intersection of the Bowery and Canal Street,
9 running thence in a southeasterly direction diagonally across Manhattan
10 Bridge Plaza, to the Manhattan Bridge, and thence along the centerline
11 of the Manhattan Bridge to the point where the centerline of the Manhat-
12 tan Bridge would intersect with the easterly bank of the East River, and
13 bounded on the north by a line running from the intersection of the
14 Hudson River with the Holland Tunnel and running thence north along West
15 Avenue to the intersection of Clarkson Street then running east along
16 the centerline of Clarkson Street to the intersection of Washington
17 Avenue, then running south along the centerline of Washington Avenue to
18 the intersection of West Houston Street, then east along the centerline
19 of West Houston Street, then at the intersection of the Avenue of the
20 Americas continuing east along the centerline of East Houston Street to
21 the easterly bank of the East River.

22 (n) Related members expense add back. (1) For purposes of this para-
23 graph: (i) "Related member" means a related person as defined in subpar-
24 agraph (c) of paragraph three of subsection (b) of section four hundred
25 sixty-five of the internal revenue code, except that "fifty percent"
26 shall be substituted for "ten percent".

27 (ii) "Effective rate of tax" means, as to any city, the maximum statu-
28 tory rate of tax imposed by the city on or measured by a related
29 member's net income multiplied by the allocation percentage, if any,
30 applicable to the related member under the laws of said jurisdiction.
31 For purposes of this definition, the effective rate of tax as to any
32 city is zero where the related member's net income tax liability in said
33 city is reported on a combined or consolidated return including both the
34 taxpayer and the related member where the reported transactions between
35 the taxpayer and the related member are eliminated or offset. Also, for
36 purposes of this definition, when computing the effective rate of tax
37 for a city in which a related member's net income is eliminated or
38 offset by a credit or similar adjustment that is dependent upon the
39 related member either maintaining or managing intangible property or
40 collecting interest income in that city, the maximum statutory rate of
41 tax imposed by said city shall be decreased to reflect the statutory
42 rate of tax that applies to the related member as effectively reduced by
43 such credit or similar adjustment.

44 (iii) Royalty payments are payments directly connected to the acquisi-
45 tion, use, maintenance or management, ownership, sale, exchange, or any
46 other disposition of licenses, trademarks, copyrights, trade names,
47 trade dress, service marks, mask works, trade secrets, patents and any
48 other similar types of intangible assets as determined by the commis-
49 sioner of finance, and include amounts allowable as interest deductions
50 under section one hundred sixty-three of the internal revenue code to
51 the extent such amounts are directly or indirectly for, related to or in
52 connection with the acquisition, use, maintenance or management, owner-
53 ship, sale, exchange or disposition of such intangible assets.

54 (iv) A valid business purpose is one or more business purposes, other
55 than the avoidance or reduction of taxation, which alone or in combina-
56 tion constitute the primary motivation for some business activity or

1 transaction, which activity or transaction changes in a meaningful way,
2 apart from tax effects, the economic position of the taxpayer. The
3 economic position of the taxpayer includes an increase in the market
4 share of the taxpayer, or the entry by the taxpayer into new business
5 markets.

6 (2) Royalty expense add backs. (i) Except where a taxpayer is included
7 in a combined report pursuant to section 11-654.3 of this subchapter
8 with the applicable related member, for the purpose of computing entire
9 net income or other applicable taxable basis, a taxpayer must add back
10 royalty payments directly or indirectly paid, accrued, or incurred in
11 connection with one or more direct or indirect transactions with one or
12 more related members during the taxable year to the extent deductible in
13 calculating federal taxable income.

14 (ii) Exceptions. (A) The adjustment required in this paragraph shall
15 not apply to the portion of the royalty payment that the taxpayer estab-
16 lishes, by clear and convincing evidence of the type and in the form
17 specified by the commissioner of finance, meets all of the following
18 requirements: (I) the related member was subject to tax in this city or
19 another city within the United States or a foreign nation or some combi-
20 nation thereof on a tax base that included the royalty payment paid,
21 accrued or incurred by the taxpayer; (II) the related member during the
22 same taxable year directly or indirectly paid, accrued or incurred such
23 portion to a person that is not a related member; and (III) the trans-
24 action giving rise to the royalty payment between the taxpayer and the
25 related member was undertaken for a valid business purpose.

26 (B) The adjustment required in this paragraph shall not apply if the
27 taxpayer establishes, by clear and convincing evidence of the type and
28 in the form specified by the commissioner of finance, that: (I) the
29 related member was subject to tax on or measured by its net income in
30 this city or another city within the United States, or some combination
31 thereof; (II) the tax base for said tax included the royalty payment
32 paid, accrued or incurred by the taxpayer; and (III) the aggregate
33 effective rate of tax applied to the related member in those jurisdic-
34 tions is no less than eighty percent of the statutory rate of tax that
35 applied to the taxpayer under section 11-604 of this chapter for the
36 taxable year.

37 (C) The adjustment required in this paragraph shall not apply if the
38 taxpayer establishes, by clear and convincing evidence of the type and
39 in the form specified by the commissioner of finance, that: (I) the
40 royalty payment was paid, accrued or incurred to a related member organ-
41 ized under the laws of a country other than the United States; (II) the
42 related member's income from the transaction was subject to a comprehen-
43 sive income tax treaty between such country and the United States; (III)
44 the related member was subject to tax in a foreign nation on a tax base
45 that included the royalty payment paid, accrued or incurred by the
46 taxpayer; (IV) the related member's income from the transaction was
47 taxed in such country at an effective rate of tax at least equal to that
48 imposed by this city; and (V) the royalty payment was paid, accrued or
49 incurred pursuant to a transaction that was undertaken for a valid busi-
50 ness purpose and using terms that reflect an arm's length relationship.

51 (D) The adjustment required in this paragraph shall not apply if the
52 taxpayer and the commissioner of finance agree in writing to the appli-
53 cation or use of alternative adjustments or computations. The commis-
54 sioner of finance may, in his or her discretion, agree to the applica-
55 tion or use of alternative adjustments or computations when he or she

1 concludes that in the absence of such agreement the income of the
2 taxpayer would not be properly reflected.

3 (o) In the case of a taxpayer that is not an eligible farmer as
4 defined in subsection (n) of section six hundred six of the tax law, the
5 deductions allowable under sections one hundred seventy-nine, one
6 hundred sixty-seven and one hundred sixty-eight of the internal revenue
7 code with respect to a sport utility vehicle that is not a passenger
8 automobile as defined in paragraph five of subsection (d) of section two
9 hundred eighty-F of the internal revenue code, determined as if such
10 sport utility vehicle were a passenger automobile as defined in such
11 paragraph five. For purposes of subparagraph sixteen of paragraph (b)
12 and paragraph (k) of this subdivision, the terms qualified resurgence
13 zone property and qualified New York Liberty Zone property described in
14 paragraph two of subsection b of section fourteen hundred-L of the
15 internal revenue code shall not include any sport utility vehicle that
16 is not a passenger automobile as defined in paragraph five of subsection
17 (d) of section two hundred eighty-F of the internal revenue code.

18 (p) Upon the disposition of property to which paragraph (o) of this
19 subdivision applies, the amount of any gain or loss includible in entire
20 net income shall be adjusted to reflect the inclusions and exclusions
21 from entire net income pursuant to subparagraph thirteen of paragraph
22 (a) and subparagraph seventeen of paragraph (b) of this subdivision
23 attributable to such property.

24 (q) Subtraction modification for community banks and small thrifts.
25 (1) A taxpayer that is a qualified community bank as defined in subpara-
26 graph two of this paragraph or a small thrift institution as defined in
27 subparagraph two-a of this paragraph shall be allowed a deduction in
28 computing entire net income equal to the amount computed under subpara-
29 graph three of this paragraph.

30 (2) To be a qualified community bank, a taxpayer must satisfy the
31 following conditions:

32 (i) It is a bank or trust company organized under or subject to the
33 provisions of article three of the banking law or a comparable provision
34 of the laws of another state, or a national banking association.

35 (ii) The average value during the taxable year of the assets of the
36 taxpayer, or, if the taxpayer is included in a combined report, the
37 assets of the combined reporting group of the taxpayer under section
38 11-654.3 of this subchapter, must not exceed eight billion dollars.

39 (2-a) To be a small thrift institution, a taxpayer must satisfy the
40 following conditions:

41 (i) It is a savings bank, a savings and loan association, or other
42 savings institution chartered and supervised as such under federal or
43 state law.

44 (ii) The average value during the taxable year of the assets of the
45 taxpayer, or, if the taxpayer is included in a combined report, the
46 assets of the combined reporting group of the taxpayer under section
47 11-654.3 of this subchapter, must not exceed eight billion dollars.

48 (3)(i) The subtraction modification shall be computed as follows:

49 (A) Multiply the taxpayer's net interest income from loans during the
50 taxable year by a fraction, the numerator of which is the gross interest
51 income during the taxable year from qualifying loans and the denominator
52 of which is the gross interest income during the taxable year from all
53 loans.

54 (B) Multiply the amount determined in subclause (A) of this clause by
55 fifty percent. This product is the amount of the deduction allowed under
56 this paragraph.

1 (ii)(A) Net interest income from loans shall mean gross interest
2 income from loans less gross interest expense from loans. Gross interest
3 expense from loans is determined by multiplying gross interest expense
4 by a fraction, the numerator of which is the average total value of
5 loans owned by the thrift institution or community bank during the taxa-
6 ble year and the denominator of which is the average total assets of the
7 thrift institution or community bank during the taxable year.

8 (B) Measurement of assets. For purposes of this clause: (I) Total
9 assets are those assets that are properly reflected on a balance sheet,
10 computed in the same manner as is required by the banking regulator of
11 the taxpayers included in the combined return. In addition, total assets
12 includes leased real property that is not properly reflected on a
13 balance sheet.

14 (II) Assets will only be included if the income or expenses of which
15 are properly reflected, or would have been properly reflected if not
16 fully depreciated or expensed, or depreciated or expensed to a nominal
17 amount, in the computation of the taxpayer's entire net income for the
18 taxable year. Assets will not include deferred tax assets and intangible
19 assets identified as "goodwill".

20 (III) Tangible real and personal property, such as buildings, land,
21 machinery, and equipment, shall be valued at cost. Leased real property
22 that is not properly reflected on the balance sheet will be valued at
23 the annual lease payment multiplied by eight. Intangible property, such
24 as loans and investments, shall be valued at book value exclusive of
25 reserves.

26 (IV) Average assets are computed using the assets measured on the
27 first day of the taxable year, and on the last day of each subsequent
28 quarter of the taxable year or month or day during the taxable year.

29 (iii) A qualifying loan is a loan that meets the conditions specified
30 in subclause (A) of this clause and subclause (B) of this clause.

31 (A) The loan is originated by the qualified community bank or small
32 thrift institution or purchased by the qualified community bank or small
33 thrift institution immediately after its origination in connection with
34 a commitment to purchase made by the bank or thrift institution prior to
35 the loan's origination.

36 (B) The loan is a small business loan or a residential mortgage loan,
37 the principal amount of which loan is five million dollars or less, and
38 either the borrower is located in this city as determined under section
39 11-654.2 of this subchapter and the loan is not secured by real proper-
40 ty, or the loan is secured by real property located in the city.

41 (C) A loan that meets the definition of a qualifying loan in a prior
42 taxable year, including years prior to the effective date of this para-
43 graph, remains a qualifying loan in taxable years during and after which
44 such loan is acquired by another corporation in the taxpayer's combined
45 reporting group under section 11-654.3 of this subchapter.

46 (r) A small thrift institution or a qualified community bank, as
47 defined in paragraph (q) of this subdivision, that maintained a captive
48 REIT on April first, two thousand fourteen shall utilize a REIT
49 subtraction equal to one hundred sixty percent of the dividends paid
50 deductions allowed to that captive REIT for the taxable year for federal
51 income tax purposes and shall not be allowed to utilize the subtraction
52 modification for community banks and small thrifts under paragraph (q)
53 of this subdivision or the subtraction modification for qualified resi-
54 dential loan portfolios under paragraph (s) of this subdivision in any
55 tax year in which such thrift institution or community bank maintains
56 that captive REIT.

1 (s) Subtraction modification for qualified residential loan portfo-
2 lios. (1)(i) A taxpayer that is either a thrift institution as defined
3 in subparagraph three of this paragraph or a qualified community bank as
4 defined in subparagraph two of paragraph (q) of this subdivision and
5 maintains a qualified residential loan portfolio as defined in subpara-
6 graph two of this paragraph shall be allowed as a deduction in computing
7 entire net income the amount, if any, by which (A) thirty-two percent of
8 its entire net income determined without regard to this paragraph
9 exceeds (B) the amounts deducted by the taxpayer pursuant to sections
10 one hundred sixty-six and five hundred eighty-five of the internal
11 revenue code less any amounts included in federal taxable income as a
12 result of a recovery of a loan.

13 (ii)(A) If the taxpayer is in a combined report under section 11-654.3
14 of this subchapter, this deduction will be computed on a combined basis.
15 In that instance, the entire net income of the combined reporting group
16 for purposes of this paragraph shall be multiplied by a fraction, the
17 numerator of which is the average total assets of all the thrift insti-
18 tutions and qualified community banks included in the combined report
19 and the denominator of which is the average total assets of all the
20 corporations included in the combined report.

21 (B) Measurement of assets. For purposes of this paragraph: (I) Total
22 assets are those assets that are properly reflected on a balance sheet,
23 computed in the same manner as is required by the banking regulator of
24 the taxpayers included in the combined return. In addition, total assets
25 includes leased real property that is not properly reflected on a
26 balance sheet.

27 (II) Assets will only be included if the income or expenses of which
28 are properly reflected, or would have been properly reflected if not
29 fully depreciated or expensed, or depreciated or expensed to a nominal
30 amount, in the computation of the combined group's entire net income for
31 the taxable year. Assets will not include deferred tax assets and intan-
32 gible assets identified as "goodwill".

33 (III) Tangible real and personal property, such as buildings, land,
34 machinery, and equipment shall be valued at cost. Leased real property
35 that is not properly reflected on a balance sheet will be valued at the
36 annual lease payment multiplied by eight. Intangible property, such as
37 loans and investments, shall be valued at book value exclusive of
38 reserves.

39 (IV) Intercorporate stockholdings and bills, notes and accounts
40 receivable, and other intercorporate indebtedness between the corpo-
41 rations included in the combined report shall be eliminated.

42 (V) Average assets are computed using the assets measured on the first
43 day of the taxable year, and on the last day of each subsequent quarter
44 of the taxable year or month or day during the taxable year.

45 (2) Qualified residential loan portfolio. (i) A taxpayer maintains a
46 qualified residential loan portfolio if at least sixty percent of the
47 amount of the total assets at the close of the taxable year of the
48 thrift institution or qualified community bank consists of the assets
49 described in subclauses (A) through (L) of this clause, with the appli-
50 cation of the rule in the last undesignated subclause of this clause. If
51 the taxpayer is a member of a combined group, the determination of
52 whether there is a qualified residential loan portfolio will be made by
53 aggregating the assets of the thrift institutions and qualified communi-
54 ty banks that are members of the combined group. Assets: (A) cash, which
55 includes cash and cash equivalents including cash items in the process
56 of collection, deposits with other financial institutions, including

1 corporate credit unions, balances with federal reserve banks and federal
2 home loan banks, federal funds sold, and cash and cash equivalents on
3 hand. Cash shall not include any balances serving as collateral for
4 securities lending transactions; (B) obligations of the United States or
5 of a state or political subdivision thereof, and stock or obligations of
6 a corporation which is an instrumentality or a government sponsored
7 enterprise of the United States or of a state or political subdivision
8 thereof; (C) loans secured by a deposit or share of a member; (D) loans
9 secured by an interest in real property which is, or, from the proceeds
10 of the loan, will become, residential real property or real property
11 used primarily for church purposes, loans made for the improvement of
12 residential real property or real property used primarily for church
13 purposes, provided that for purposes of this subclause, residential real
14 property shall include single or multi-family dwellings, facilities in
15 residential developments dedicated to public use or property used on a
16 nonprofit basis for residents, and mobile homes not used on a transient
17 basis; (E) property acquired through the liquidation of defaulted loans
18 described in subclause (D) of this clause; (F) any regular or residual
19 interest in a REMIC, as such term is defined in section eight hundred
20 sixty-D of the internal revenue code, but only in the proportion which
21 the assets of such REMIC consist of property described in subclauses (A)
22 through (E) of this clause, except that if ninety-five percent or more
23 of the assets of such REMIC are assets described in such subclauses, the
24 entire interest in the REMIC shall qualify; (G) any mortgage-backed
25 security which represents ownership of a fractional undivided interest
26 in a trust, the assets of which consist primarily of mortgage loans,
27 provided that the real property which serves as security for the loans
28 is, or from the proceeds of the loan, will become, the type of property
29 described in subclause (D) of this clause and any collateralized mort-
30 gage obligation, the security for which consists primarily of mortgage
31 loans that maintain as security the type of property described in
32 subclause (D) of this clause; (H) certificates of deposit in, or obli-
33 gations of, a corporation organized under a state law which specifically
34 authorizes such corporation to insure the deposits or share accounts of
35 member associations; (I) loans secured by an interest in educational,
36 health, or welfare institutions or facilities, including structures
37 designed or used primarily for residential purposes for students, resi-
38 dents, and persons under care, employees, or members of the staff of
39 such institutions or facilities; (J) loans made for the payment of
40 expenses of college or university education or vocational training; (K)
41 property used by the taxpayer in support of business which consists
42 principally of acquiring the savings of the public and investing in
43 loans; and (L) loans for which the taxpayer is the creditor and which
44 are wholly secured by loans described in subclause (D) of this clause.

45 The value of accrued interest receivable and any loss-sharing commit-
46 ment or other loan guaranty by a governmental agency will be considered
47 part of the basis in the loans to which the accrued interest or loss
48 protection applies.

49 (ii) At the election of the taxpayer, the percentage specified in
50 clause (i) of this subparagraph shall be applied on the basis of the
51 average assets outstanding during the taxable year, in lieu of the close
52 of the taxable year. The taxpayer can elect to compute an average using
53 the assets measured on the first day of the taxable year and on the last
54 day of each subsequent quarter, or month or day during the taxable year.
55 This election may be made annually.

1 (iii) For purposes of subclause (D) of clause (i) of this subpara-
2 graph, if a multifamily structure securing a loan is used in part for
3 nonresidential use purposes, the entire loan is deemed a residential
4 real property loan if the planned residential use exceeds eighty percent
5 of the property's planned use, measured, at the taxpayer's election, by
6 using square footage or gross rental revenue, and determined as of the
7 time the loan is made.

8 (iv) For purposes of subclause (D) of clause (i) of this subparagraph,
9 loans made to finance the acquisition or development of land shall be
10 deemed to be loans secured by an interest in residential real property
11 if there is a reasonable assurance that the property will become resi-
12 dential real property within a period of three years from the date of
13 acquisition of such land; provided, however, this shall not apply for
14 any taxable year unless, within such three-year period, such land
15 becomes residential real property. For purposes of determining whether
16 any interest in a REMIC qualifies under subclause (F) of clause (i) of
17 this subparagraph, any regular interest in another REMIC held by such
18 REMIC shall be treated as a loan described in subclauses (A) through (E)
19 under principles similar to the principle of such subclause (F), except
20 that if such REMICs are part of a tiered structure, they shall be treat-
21 ed as one REMIC for purposes of such subclause (F).

22 (3) For purposes of this paragraph, a "thrift institution" is a
23 savings bank, a savings and loan association, or other savings institu-
24 tion chartered and supervised as such under federal or state law.

25 (t) Subtraction modification for qualified affordable housing and low
26 income community loans.

27 (1) A taxpayer that owns a qualifying loan within the meaning of
28 clause (iii) of subparagraph two of this paragraph shall be allowed a
29 deduction in computing entire net income equal to the amount computed
30 under subparagraph two of this paragraph.

31 (2)(i) The deduction allowed in subparagraph one of this paragraph
32 shall be equal to:

33 (A) if the total average value during the taxable year of the assets
34 of the taxpayer, or if the taxpayer is included in a combined report,
35 the assets of the combined reporting group of the taxpayer under section
36 11-654.3 of this subchapter, does not exceed one hundred billion
37 dollars, the taxpayer's net interest income from qualifying loans, or

38 (B) if the total average value during the taxable year of the assets
39 of the taxpayer, or if the taxpayer is included in a combined report,
40 the assets of the combined reporting group of the taxpayer under section
41 11-654.3 of this subchapter, exceeds one hundred billion dollars but is
42 less than one hundred fifty billion dollars, the taxpayer's net interest
43 income from qualifying loans multiplied by a fraction, the numerator of
44 which is one hundred fifty billion dollars minus the total average value
45 during the taxable year of the assets of the taxpayer, or if the taxpay-
46 er is included in a combined report, the assets of the combined report-
47 ing group of the taxpayer under section 11-654.3 of this subchapter, and
48 the denominator of which is fifty billion dollars.

49 (ii)(A) Net interest income from qualifying loans shall mean the
50 taxpayer's net interest income from loans during the taxable year multi-
51 plied by a fraction, the numerator of which is the gross interest income
52 during the taxable year from qualifying loans and the denominator of
53 which is the gross interest income from all loans.

54 (B) Net interest income from loans shall mean gross interest income
55 during the taxable year from loans less gross interest expense from
56 loans. Gross interest expense from loans is determined by multiplying

1 gross interest expense by a fraction, the numerator of which is the
2 average total value of loans owned by the taxpayer during the taxable
3 year and the denominator of which is the average total assets of the
4 taxpayer for the year.

5 (C) Measurement of assets. For purposes of this paragraph:

6 (I) Total assets are those assets that are properly reflected on a
7 balance sheet, computed in the same manner as is required by the banking
8 regulator, if applicable, of the taxpayers included in the combined
9 return. In addition, total assets includes leased real property that is
10 not properly reflected on a balance sheet.

11 (II) Assets will only be included if the income or expenses of which
12 are properly reflected, or would have been properly reflected if not
13 fully depreciated or expensed, or depreciated or expensed to a nominal
14 amount, in the computation of the taxpayer's entire net income for the
15 taxable year. Assets will not include deferred tax assets and intangible
16 assets identified as "goodwill".

17 (III) Tangible real and personal property, such as buildings, land,
18 machinery, and equipment, shall be valued at cost. Leased real property
19 that is not properly reflected on a balance sheet will be valued at the
20 annual lease payment multiplied by eight. Intangible property, such as
21 loans and investments, shall be valued at book value exclusive of
22 reserves.

23 (IV) Average assets are computed using the assets measured on the
24 first day of the taxable year, and on the last day of each subsequent
25 quarter of the taxable year or month or day during the taxable year.

26 (iii) A qualifying loan is a loan that meets the conditions specified
27 in subclause (A) through subclause (E) of this clause.

28 (A) The loan is originated by the taxpayer lender or purchased by the
29 taxpayer immediately after its origination in connection with a commit-
30 ment to purchase made by the taxpayer prior to the loan's origination.

31 (B) Satisfies conditions of item (I) or (II) of this subclause.

32 (I) The loan is secured by a housing accommodation located within the
33 city, where there are rental units in such housing accommodation that
34 are qualifying units, which for purposes of this subclause, means units
35 subject to rent control, rent stabilization or to a regulatory agree-
36 ment, provided that, each such loan will be considered a qualifying loan
37 for purposes of this paragraph only in proportion to a percentage equal
38 to the number of qualifying units divided by the total number of all
39 residential and commercial units located on the site of the real prop-
40 erty securing the loan, as determined as of the date the loan is made.

41 (II) To the extent not included in item (I) of this subclause, loans
42 secured by residential real property located in a low-income community.
43 For purposes of this paragraph, low-income community areas are census
44 tracts within the city in which the poverty rate for such tract is at
45 least twenty percent and the median family income for such tract does
46 not exceed eighty percent of metropolitan area median family income.
47 This determination will be made by reference to the poverty and median
48 family income census data for application of section forty-five-D of the
49 internal revenue code.

44 commissioner of finance may prescribe other means or methods of deter-

19 allocated within the city as hereinafter provided, subject to any
20 modification required by paragraphs (d) and (e) of subdivision three of
21 this section;

38 materials into wares suitable for use or (B) which gives new shapes, new
39 qualities or new combinations to matter which already has gone through
40 some artificial process, by the use of machinery, tools, appliances and
41 other similar equipment. Moreover, in the case of a combined report, a
42 combined group shall be considered a "manufacturing corporation" for
43 purposes of this subparagraph only if the combined group during the
44 taxable year is principally engaged in the activities set forth in this
45 paragraph, or any combination thereof. A taxpayer or, in the case of a
46 combined report, a combined group, shall be "principally engaged" in
47 activities described in this subparagraph if, during the taxable year,
48 more than fifty percent of the gross receipts of the taxpayer or
49 combined group, respectively, are derived from receipts from the sale of
50 goods produced by such activities. In computing a combined group's gross
51 receipts, intercorporate receipts shall be eliminated.

52 (ii) A "qualified New York manufacturing corporation" is a manufactur-
53 ing corporation that has property in the state that is described in
54 subparagraph five of this paragraph and either (A) the adjusted basis of
55 such property for New York state tax purposes at the close of the taxa-

1 ble year is at least one million dollars or (B) more than fifty percent
2 of its real and personal property is located in the state.

3 (5) For purposes of subclause (A) of clause (ii) of subparagraph four
4 of this paragraph, property includes tangible personal property and
5 other tangible property, including buildings and structural components
6 of buildings, which are: depreciable pursuant to section one hundred
7 sixty-seven of the internal revenue code, have a useful life of four
8 years or more, are acquired by purchase as defined in subsection (d) of
9 section one hundred seventy-nine of the internal revenue code, have a

11 production of goods by manufacturing. Property used in the production of
12 goods shall include machinery, equipment or other tangible property
13 which is principally used in the repair and service of other machinery,
14 equipment or other tangible property used principally in the production
15 of goods and shall include all facilities used in the production opera-
16 tion, including storage of material to be used in production and of the
17 products that are produced.

18 2. The amount of investment capital and business capital shall be
19 determined by taking the average value of the gross assets included
20 therein, less liabilities deductible therefrom pursuant to the
21 provisions of subdivisions four and six of section 11-652 of this
22 subchapter, and, if the period covered by the report is other than a
23 period of twelve calendar months, by multiplying such value by the
24 number of calendar months or major parts thereof included in such peri-
25 od, and dividing the product thus obtained by twelve. For purposes of
26 this subdivision, real property and marketable securities shall be
27 valued at fair market value and the value of personal property other
28 than marketable securities shall be the value thereof shown on the books
29 and records of the taxpayer in accordance with generally accepted
30 accounting principles.

31 3. The portion of the business income of a taxpayer to be allocated to
32 the city shall be determined as follows:

33 (a) multiply its business income by a business allocation percentage
34 to be determined by:

35 (1) ascertaining the percentage which the average value of the taxpay-
36 er's real and tangible personal property, whether owned or rented to it,
37 within the city during the period covered by its report bears to the
38 average value of all the taxpayer's real and tangible personal property,
39 whether owned or rented to it, wherever situated during such period. For
40 the purpose of this subparagraph, the term "value of the taxpayer's real
41 and tangible personal property" shall mean the adjusted bases of such
42 properties for federal income tax purposes, except that in the case of
43 rented property such value shall mean the product of (i) eight and (ii)
44 the gross rents payable for the rental of such property during the taxa-
45 ble year; provided, however, that the taxpayer may make a one-time,
46 revocable election, pursuant to regulations promulgated by the commis-
47 sioner of finance to use fair market value as the value of all of its
48 real and tangible personal property, provided that such election is made
49 on or before the due date for filing a report under section 11-655 of
50 this subchapter for the taxpayer's first taxable year commencing on or
51 after January first, two thousand fifteen and provided that such
52 election shall not apply to any taxable year with respect to which the
53 taxpayer is included on a combined report unless each of the taxpayers
54 included on such report has made such an election which remains in
55 effect for such year or to any taxpayer that was subject to tax under
56 subchapter two of this chapter and did not have an election in effect

1 under subparagraph one of paragraph (a) of subdivision three of section
2 11-604 of this chapter on December thirty-first, two thousand fourteen;
3 (2) ascertaining the percentage determined under section 11-654.2 of
4 this subchapter;
5 (3) ascertaining the percentage of the total wages, salaries and other
6 personal service compensation, similarly computed, during such period of
7 employees within the city, except general executive officers, to the
8 total wages, salaries and other personal service compensation, similarly
9 computed, during such period of all the taxpayer's employees within and
10 without the city, except general executive officers; and
11 (4) adding together the percentages so determined and dividing the
12 result by the number of percentages.

19 the business allocation percentage, to the extent that it is computed by
20 reference to the percentages determined under subparagraphs one, two and
21 three of this paragraph, shall be computed in the manner set forth in
22 this subparagraph.
23 (i) Intentionally omitted.
24 (ii) Intentionally omitted.

33 subparagraph one of this paragraph;
34 (B) the product of eighty percent and the percentage determined under
35 subparagraph two of this paragraph; and
36 (C) the product of ten percent and the percentage determined under

44 under subparagraph two of this paragraph; and
45 (C) the product of six and one-half percent and the percentage deter-
46 mined under subparagraph three of this paragraph.
47 (ix) For taxable years beginning in two thousand seventeen, the busi-

49 following percentages:
50 (A) the product of three and one-half percent and the percentage
51 determined under subparagraph one of this paragraph;
52 (B) the product of ninety-three percent and the percentage determined
53 under subparagraph two of this paragraph; and
54 (C) the product of three and one-half percent and the percentage
55 determined under subparagraph three of this paragraph.

1 (x) For taxable years beginning after two thousand seventeen, the
2 business allocation percentage shall be the percentage determined under
3 subparagraph two of this paragraph.

4 (xi) The commissioner of finance shall promulgate rules necessary to
5 implement the provisions of this subparagraph under such circumstances
6 where any of the percentages to be determined under subparagraph one,
7 two or three of this paragraph cannot be determined because the taxpayer
8 has no property, receipts or wages within or without the city.

9 (xii) Notwithstanding the provisions of clauses (viii), (ix), and (x)
10 of this subparagraph, for taxable years beginning on or after January
11 first, two thousand eighteen, a taxpayer that has fifty million dollars
12 or less of receipts allocated to the city as determined under section

14 combined group, a combined group that has fifty million dollars or less
15 of receipts allocated to the city as determined under section 11-654.2
16 of this subchapter, may make a one-time election to determine its busi-
17 ness allocation percentage by adding together the following percentages:

18 (A) the product of three and one-half percent and the percentage
19 determined under subparagraph one of this paragraph;

29 the taxpayer, or if the taxpayer is included in a combined group, the
30 combined group. An election shall be revoked under this clause on an
31 original or amended report filed pursuant to section 11-655 of this
32 subchapter for the taxpayer's, or if the taxpayer is included in a
33 combined group, the combined group's, first taxable year with respect to
34 which such revocation is to be effective. If the taxpayer is a member of
35 a combined group, an election or revocation by the taxpayer under this
36 clause shall apply to all members of the combined group.

37 (11) A foreign air carrier described in the first sentence of subpara-

39 this subchapter shall determine its business allocation percentage
40 pursuant to subparagraphs one through four of this paragraph, as modi-

42 and denominators involved in such computation shall exclude property to
43 the extent employed in generating income excluded from entire net income
44 for the taxable year pursuant to paragraph (c-1) of subdivision eight of
45 section 11-652 of this subchapter, exclude such receipts as are excluded
46 from entire net income for the taxable year pursuant to paragraph (c-1)

51 eight of section 11-652 of this subchapter.

52 (b) Intentionally omitted.

53 (c) Intentionally omitted.

54 (d) In any taxable year when property is sold or otherwise disposed
55 of, with respect to which a deduction has been allowed pursuant to
56 subparagraph one or two of paragraph (d) of subdivision three of section

1 11-604 of this chapter or subdivision (k) of section 11-641 of this
2 chapter in any period in which the taxpayer was subject to tax under
3 subchapter two of this chapter, the gain or loss thereon entering into
4 the computation of federal taxable income shall be disregarded in
5 computing entire net income, and there shall be added to or subtracted
6 from the portion of entire net income allocated within the city the gain
7 or loss upon such sale or other disposition. In computing such gain or
8 loss the basis of the property sold or disposed of shall be adjusted to
9 reflect the deduction allowed with respect to such property pursuant to
10 subparagraph one or two of paragraph (d) of subdivision three of section
11 11-604 of this chapter. Provided, however, that no loss shall be recog-
12 nized for the purposes of this subparagraph with respect to a sale or
13 other disposition of property to a person whose acquisition thereof is
14 not a purchase as defined in subsection (d) of section one hundred
15 seventy-nine of the internal revenue code.

16 (e) In any taxable year when property is sold or otherwise disposed
17 of, with respect to which a deduction has been allowed pursuant to
18 subparagraph one or two of paragraph (e) of subdivision three of section
19 11-604 of this chapter in any period the taxpayer was subject to tax
20 under subchapter two of this chapter, the gain or loss thereon entering
21 into the computation of federal taxable income shall be disregarded in
22 computing entire net income, and there shall be added to or subtracted
23 from the portion of entire net income allocated within the city the gain
24 or loss upon such sale or other disposition. In computing such gain or
25 loss the basis of the property sold or disposed of shall be adjusted to
26 reflect the deduction allowed with respect to such property pursuant to
27 subparagraph one or two of paragraph (e) of subdivision three of section
28 11-604 of this chapter. Provided, however, that no loss shall be recog-
29 nized for the purposes of this subparagraph with respect to a sale or

34 within the city shall be determined by multiplying the amount thereof by
35 the business allocation percentage determined as hereinabove provided.

36 4-a. A corporation that is a partner in a partnership shall compute
37 tax under this subchapter using any method required or permitted in
38 regulations of the commissioner of finance.

40 6. Intentionally omitted.

41 7. Intentionally omitted.

42 8. Intentionally omitted.

43 9. If it shall appear to the commissioner of finance that any business
44 allocation percentage determined as hereinabove provided does not prop-
45 erly reflect the activity, business, income or capital of a taxpayer
46 within the city, the commissioner of finance shall be authorized in his
47 or her discretion to adjust it, or the taxpayer may request that the
48 commissioner of finance adjust it, by (a) excluding one or more of the
49 factors therein, (b) including one or more other factors, such as
50 expenses, purchases, contract values, minus subcontract values, (c)
51 excluding one or more assets in computing such allocation percentage,
52 provided the income therefrom, is also excluded in determining entire
53 net income, or (d) any other similar or different method calculated to
54 effect a fair and proper allocation of the income and capital reasonably
55 attributable to the city. The party seeking the adjustment shall bear
56 the burden of proof to demonstrate that the business allocation percent-

1 age determined pursuant to this section does not result in a proper
2 reflection of the taxpayer's income or capital within the city and that
3 the proposed adjustment is appropriate. The commissioner of finance from
4 time to time shall publish all rulings of general public interest with
5 respect to any application of the provisions of this subdivision.

7 11. Intentionally omitted.

8 12. Intentionally omitted.

9 13. (a) In addition to any other credit allowed by this section, a
10 taxpayer shall be allowed a credit against the tax imposed by this
11 subchapter to be credited or refunded without interest, in the manner
12 hereinafter provided in this section.

13 (1)(i) Where a taxpayer shall have relocated to the city from a
14 location outside the state, and by such relocation shall have created a
15 minimum of one hundred industrial or commercial employment opportu-

17 for the relocation premises, the terms of which lease provide for
18 increased additional payments to the landlord which are based solely and
19 directly upon any increase or addition in real estate taxes imposed on
20 the leased premises, the taxpayer upon approval and certification by the
21 industrial and commercial incentive board as hereinafter provided shall
22 be entitled to a credit against the tax imposed by this subchapter. The
23 amount of such credit shall be an amount equal to the annual increased
24 payments actually made by the taxpayer to the landlord which are solely
25 and directly attributable to an increase or addition to the real estate
26 tax imposed upon the leased premises. Such credit shall be allowed only
27 to the extent that the taxpayer has not otherwise claimed said amount as
28 a deduction against the tax imposed by this subchapter.

29 (ii) The industrial and commercial incentive board in approving and
30 certifying to the qualifications of the taxpayer to receive such tax
31 credit shall first determine that the applicant has met the requirements
32 of this section, and further, that the granting of the tax credit to the
33 applicant is in the "public interest". In determining that the granting
34 of the tax credit is in the public interest, the board shall make affir-
35 mative findings that: the granting of the tax credit to the applicant
36 will not effect an undue hardship on similar taxpayers already located
37 within the city; the existence of this tax incentive has been instru-
38 mental in bringing about the relocation of the applicant to the city;
39 and the granting of the tax credit will foster the economic recovery and
40 economic development of the city.

41 (iii) The tax credit, if approved and certified by the industrial and
42 commercial incentive board, must be utilized annually by the taxpayer
43 for the length of the term of the lease or for a period not to exceed
44 ten years from the date of relocation whichever period is shorter.

45 (2) When used in this subdivision:

46 (i) "Employment opportunity" means the creation of a full time posi-

10 ited or refunded, without interest, in accordance with the provisions of
11 section 11-677 of this chapter.

12 14. (a) In addition to any other credit allowed by this section, a
13 taxpayer shall be allowed a credit against the tax imposed by this
14 subchapter to be credited or refunded without interest, in the manner
15 hereinafter provided in this section. The amount of such credit shall
16 be:

17 (1) A maximum of three hundred dollars for each commercial employment
18 opportunity and a maximum of five hundred dollars for each industrial
19 employment opportunity relocated to the city from an area outside the
20 state. Such credit shall be allowed to a taxpayer who relocates a mini-
21 mum of ten employment opportunities. The credit shall be allowed against
22 employment opportunity relocation costs incurred by the taxpayer. Such
23 credit shall be allowed only to the extent that the taxpayer has not
24 claimed a deduction for allowable employment opportunity relocation
25 costs. The credit allowed hereunder may be taken by the taxpayer in
26 whole or in part in the year in which the employment opportunity is
27 relocated by such taxpayer or either of the two years succeeding such
28 event, provided, however, no credit shall be allowed under this subdivi-
29 sion to a taxpayer for industrial employment opportunities relocated to
30 premises (i) that are within an industrial business zone established
31 pursuant to section 22-626 of the code of the preceding municipality and
32 (ii) for which a binding contract to purchase or lease was first entered
33 into by the taxpayer on or after July first, two thousand five.

53 incurred by the taxpayer in moving furniture, files, papers and office

55 incurred by the taxpayer in the moving and installation of machinery and
56 equipment into the city from a location outside the state; the costs of

1 installation of telephones and other communications equipment required
2 as a result of the relocation to the city from a location outside the
3 state; the cost incurred in the purchase of office furniture and
4 fixtures required as a result of the relocation to the city from a
5 location outside the state; and the cost of renovation of the premises
6 to be occupied as a result of the relocation; provided, however, that
7 such renovation costs shall be allowable only to the extent that they do
8 not exceed seventy-five cents per square foot of the total area utilized
9 by the taxpayer in the occupied premises.

10 (b) The credit allowed under this section for any taxable year shall
11 be deemed to be an overpayment of tax by the taxpayer to be credited or
12 refunded without interest in accordance with the provisions of section
13 11-677 of this chapter.

14 (c) Notwithstanding any other provision of this subdivision to the
15 contrary, in the case of a taxpayer that has received, in a taxable year
16 beginning before January first, two thousand fifteen, the credit set
17 forth in subdivision fourteen of section 11-604 of this chapter for an
18 eligible employment relocation, a credit shall be allowed to the taxpay-
19 er under this subdivision for any tax year beginning on or after January
20 first, two thousand fifteen, in the same amount and to the same extent
21 that a credit, or the unused portion thereof, would have been allowed
22 under subdivision fourteen of section 11-604 of this chapter, as in
23 effect on December thirty-first, two thousand fourteen, if such subdivi-
24 sion continued to apply to the taxpayer for such taxable year.

25 15. Intentionally omitted.

26 16. Intentionally omitted.

27 17. (a) In addition to any other credit allowed by this section, a
28 taxpayer that has obtained the certifications required by chapter six-B
29 of title twenty-two of the code of the preceding municipality shall be
30 allowed a credit against the tax imposed by this subchapter. The amount
31 of the credit shall be the amount determined by multiplying five hundred
32 dollars or, in the case of a taxpayer that has obtained pursuant to
33 chapter six-B of such title twenty-two a certification of eligibility
34 dated on or after July first, nineteen hundred ninety-five, one thousand
35 dollars or, in the case of an eligible business that has obtained pursu-
36 ant to chapter six-B of such title twenty-two a certification of eligi-
37 bility dated on or after July first, two thousand, for a relocation to
38 eligible premises located within a revitalization area defined in subdivi-

40 three thousand dollars, by the number of eligible aggregate employment
41 shares maintained by the taxpayer during the taxable year with respect
42 to particular premises to which the taxpayer has relocated; provided,
43 however, with respect to a relocation for which no application for a
44 certificate of eligibility is submitted prior to July first, two thou-

50 five hundred dollars, and with respect to a relocation for which no
51 application for a certificate of eligibility is submitted prior to July
52 first, two thousand three, to eligible premises that are within a revi-

54 to subdivision (j) of such section is before July first, nineteen
55 hundred ninety-five, the amount to be multiplied by the number of eligi-
56 ble aggregate employment shares shall be five hundred dollars, and if

1 the date of such relocation as determined pursuant to subdivision (j) of
2 such section is on or after July first, nineteen hundred ninety-five,
3 and before July first, two thousand, one thousand dollars; provided,
4 however, that no credit shall be allowed for the relocation of any
5 retail activity or hotel services; provided, further, that no credit
6 shall be allowed under this subdivision to any taxpayer that has elected
7 pursuant to subdivision (d) of section 22-622 of the code of the preced-
8 ing municipality to take such credit against a gross receipts tax
9 imposed by chapter eleven of this title; and provided that in the case
10 of an eligible business that has obtained pursuant to chapter six-B of
11 such title twenty-two certifications of eligibility for more than one
12 relocation, the portion of the total amount of eligible aggregate
13 employment shares to be multiplied by the dollar amount specified in
14 this subdivision for each such certification of a relocation shall be
15 the number of total attributed eligible aggregate employment shares
16 determined with respect to such relocation pursuant to subdivision (o)
17 of section 22-621 of the code of the preceding municipality. For
18 purposes of this subdivision, the terms "eligible aggregate employment
19 shares," "relocate," "retail activity" and "hotel services" shall have
20 the meanings ascribed by section 22-621 of the code of the preceding
21 municipality.

22 (b) The credit allowed under this subdivision with respect to eligible
23 aggregate employment shares maintained with respect to particular prem-
24 ises to which the taxpayer has relocated shall be allowed for the first
25 taxable year during which such eligible aggregate employment shares are
26 maintained with respect to such premises and for any of the twelve
27 succeeding taxable years during which eligible aggregate employment
28 shares are maintained with respect to such premises; provided that the
29 credit allowed for the twelfth succeeding taxable year shall be calcu-
30 lated by multiplying the number of eligible aggregate employment shares
31 maintained with respect to such premises in the twelfth succeeding taxa-
32 ble year by the lesser of one and a fraction the numerator of which is
33 such number of days in the taxable year of relocation less the number of
34 days the eligible business maintained employment shares in the eligible
35 premises in the taxable year of relocation and the denominator of which
36 is the number of days in such twelfth succeeding taxable year during
37 which such eligible aggregate employment shares are maintained with
38 respect to such premises. Except as provided in paragraph (d) of this
39 subdivision, if the amount of the credit allowable under this subdivi-
40 sion for any taxable year exceeds the tax imposed for such year, the
41 excess may be carried over, in order, to the five immediately succeeding
42 taxable years and, to the extent not previously deductible, may be
43 deducted from the taxpayer's tax for such years.

44 (c) The credit allowable under this subdivision shall be deducted
45 after the credit allowed by subdivision eighteen of this section, but
46 prior to the deduction of any other credit allowed by this section.

47 (d) In the case of a taxpayer that has obtained a certification of
48 eligibility pursuant to chapter six-B of title twenty-two of the code of
49 the preceding municipality dated on or after July first, two thousand
50 for a relocation to eligible premises located within the revitalization
51 area defined in subdivision (n) of section 22-621 of the code of the
52 preceding municipality, the credits allowed under this subdivision, or
53 in the case of a taxpayer that has relocated more than once, the portion
54 of such credits attributed to such certification of eligibility pursuant
55 to paragraph (a) of this subdivision, against the tax imposed by this
56 chapter for the taxable year of such relocation and for the four taxable

1 years immediately succeeding the taxable year of such relocation, shall
2 be deemed to be overpayments of tax by the taxpayer to be credited or
3 refunded, without interest, in accordance with the provisions of section
4 11-677 of this chapter. For such taxable years, such credits or portions
5 thereof may not be carried over to any succeeding taxable year;
6 provided, however, that this paragraph shall not apply to any relocation
7 for which an application for a certification of eligibility was not
8 submitted prior to July first, two thousand three, unless the date of
9 such relocation is on or after July first, two thousand.

10 (e) Notwithstanding any other provision of this subdivision to the
11 contrary, in the case of a taxpayer that has obtained, pursuant to chap-
12 ter six-B of title twenty-two of the code of the preceding municipality,
13 a certification of eligibility and has received, in a taxable year
14 beginning before January first, two thousand fifteen, the credit set
15 forth in subdivision seventeen of section 11-604 of this chapter or
16 section 11-643.7 of this chapter for the relocation of an eligible busi-
17 ness, a credit shall be allowed under this subdivision to the taxpayer
18 for any taxable year beginning on or after January first, two thousand
19 fifteen in the same amount and to the same extent that a credit would
20 have been allowed under subdivision seventeen of section 11-604 of this
21 chapter or section 11-643.7 of this chapter, as in effect on December
22 thirty-first, two thousand fourteen, if such subdivision continued to
23 apply to the taxpayer for such taxable year.

24 17-a. Intentionally omitted.

25 17-b. (a) In addition to any other credit allowed by this section, an
26 eligible business that first enters into a binding contract on or after
27 July first, two thousand five to purchase or lease eligible premises to
28 which it relocates shall be allowed a one-time credit against the tax
29 imposed by this subchapter to be credited or refunded in the manner
30 hereinafter provided in this subdivision. The amount of such credit
31 shall be one thousand dollars per full-time employee; provided, however,
32 that the amount of such credit shall not exceed the lesser of actual
33 relocation costs or one hundred thousand dollars.

33 section 11-677 of this chapter.

34 (d) The number of full-time employees for the purposes of calculating
35 an industrial business tax credit shall be the average number of full-
36 time employees, calculated on a weekly basis, employed in the eligible
37 premises by the eligible business in the fifty-two week period imme-
38 diately following the earlier of (1) the date of the completion of the
39 relocation to eligible premises or (2) ninety days from the commencement
40 of the relocation to the eligible premises.

41 (e) The credit allowed under this subdivision must be taken by the
42 taxpayer in the taxable year in which such twelve month period selected
43 by the taxpayer ends.

44 (f) For the purposes of calculating entire net income in the taxable
45 year that an industrial business tax credit is allowed, a taxpayer must
46 add back the amount of the credit allowed under this subdivision, to the
47 extent of any relocation costs deducted in the current taxable year or a
48 prior taxable year in calculating federal taxable income.

49 (g) The credit allowed under this subdivision shall not be granted for
50 an eligible business for more than one relocation, provided, however, an

54 program administered by the business relocation assistance corporation,
55 or through the New York city printers relocation fund grant.

1 (h) The commissioner of finance is authorized to promulgate rules and
2 regulations and to prescribe forms necessary to effectuate the purposes
3 of this subdivision.

4 18. (a) If a corporation is a partner in an unincorporated business
5 taxable under chapter five of this title, and is required to include in
6 entire net income its distributive share of income, gain, loss and
7 deductions of, or guaranteed payments from, such unincorporated busi-
8 ness, such corporation shall be allowed a credit against the tax imposed
9 by this subchapter equal to the lesser of the amounts determined in
10 subparagraphs one and two of this paragraph:

11 (1) The amount determined in this subparagraph is the product of (i)
12 the sum of (A) the tax imposed by chapter five of this title on the
13 unincorporated business for its taxable year ending within or with the
14 taxable year of the corporation and paid by the unincorporated business
15 and (B) the amount of any credit or credits taken by the unincorporated
16 business under section 11-503 of this title, except the credit allowed
17 by subdivision (b) of section 11-503 of this title, for its taxable year
18 ending within or with the taxable year of the corporation, to the extent
19 that such credits do not reduce such unincorporated business's tax below
20 zero, and (ii) a fraction, the numerator of which is the net total of
21 the corporation's distributive share of income, gain, loss and
22 deductions of, and guaranteed payments from, the unincorporated business
23 for such taxable year, and the denominator of which is the sum, for such
24 taxable year, of the net total distributive shares of income, gain, loss
25 and deductions of, and guaranteed payments to, all partners in the unin-
26 corporated business for whom or which such net total, as separately
27 determined for each partner, is greater than zero.

28 (2) The amount determined in this subparagraph is the product of (i)
29 the excess of (A) the tax computed under clause (i) of subparagraph one
30 of paragraph (e) of subdivision one of this section, without allowance
31 of any credits allowed by this section, over (B) the tax so computed,
32 determined as if the corporation had no such distributive share or guar-
33 anteed payments with respect to the unincorporated business, and (ii) a
34 fraction, the numerator of which is four and the denominator of which is
35 eight and eighty-five one-hundredths, except that in the case of a
36 financial corporation as defined in clause (i) of subparagraph one of
37 paragraph (e) of subdivision one of this section, such denominator is
38 nine, and in the case of a taxpayer that is subject to paragraph (j) or
39 (k) of subdivision one of this section, such denominator shall be the
40 rate of tax as determined by such paragraph (j) or (k) for the taxable
41 year; provided that the amounts computed in subclauses (A) and (B) of
42 clause (i) of this subparagraph shall be computed with the following
43 modifications:

44 (A) such amounts shall be computed without taking into account any
45 carryforward or carryback by the partner of a net operating loss or a
46 prior net operation loss conversion subtraction;

47 (B) if, prior to taking into account any distributive share or guaran-
48 teed payments from any unincorporated business or any net operating loss
49 carryforward or carryback, the entire net income of the partner is less
50 than zero, such entire net income shall be treated as zero; and

51 (C) if such partner's net total distributive share of income, gain,
52 loss and deductions of, and guaranteed payments from, any unincorporated
53 business is less than zero, such net total shall be treated as zero. The
54 amount determined in this subparagraph shall not be less than zero.

55 (b) (1) Notwithstanding anything to the contrary in paragraph (a) of
56 this subdivision, in the case of a corporation that, before the applica-

tion of this subdivision or any other credit allowed by this section, is liable for the tax on business income under clause (i) of subparagraph one of paragraph (e) of subdivision one of this section, the credit or the sum of the credits that may be taken by such corporation for a taxable year under this subdivision with respect to an unincorporated business or unincorporated businesses in which it is a partner shall not exceed the tax so computed, without allowance of any credits allowed by this section, multiplied by a fraction the numerator of which is four and the denominator of which is eight and eighty-five one-hundredths, except that in the case of a financial corporation as defined in clause (i) of subparagraph one of paragraph (e) of subdivision one of this section, such denominator is nine, and in the case of a taxpayer that is subject to paragraph (j) or (k) of subdivision one of this section, such denominator shall be the rate of tax as determined by such paragraph (j) or (k) for the taxable year. If the credit allowed under this subdivision or the sum of such credits exceeds the product of such tax and such fraction, the amount of the excess may be carried forward, in order, to each of the seven immediately succeeding taxable years and, to the extent not previously taken, shall be allowed as a credit in each of such years. In applying such provisions, the credit determined for the taxable year under paragraph (a) of this subdivision shall be taken before taking any credit carryforward pursuant to this paragraph and the credit carryforward attributable to the earliest taxable year shall be taken before taking a credit carryforward attributable to a subsequent taxable year.

(2) Intentionally omitted.

(2-a) Notwithstanding any other provision of this subdivision to the contrary, in the case of a taxpayer that has received, in a taxable year beginning before January first, two thousand fifteen, the credit set forth in subdivision eighteen of section 11-604 of this chapter or in section 11-643.8 of this chapter for a tax paid under chapter five of this title in a taxable year beginning before January first, two thousand fifteen, the taxpayer may carry forward the unused portion of such credit under this subdivision to any taxable year beginning on or after January first, two thousand fifteen in the same amount and to the same extent, including the same limitations, that the credit, or the unused portion thereof, would have been allowed to be carried forward under subparagraph one of paragraph (b) of subdivision eighteen of section 11-604 of this chapter or paragraph one of subdivision (b) of section 11-643.8 of this chapter, as in effect on December thirty-first, two thousand fourteen, if such subdivision continued to apply to the taxpayer for such taxable year.

(3) No credit allowed under this subdivision may be taken in a taxable year by a taxpayer that, in the absence of such credit, would be liable for the tax computed on the basis of business capital under clause (ii) of subparagraph one of paragraph (e) of subdivision one of this section or the fixed-dollar minimum tax under clause (iv) of subparagraph one of paragraph (e) of subdivision one of this section.

(c) For corporations that file a report on a combined basis pursuant to section 11-654.3 of this subchapter, the credit allowed by this subdivision shall be computed as if the combined group were the partner in each unincorporated business from which any of the members of such group had a distributive share or guaranteed payments, provided, however, if more than one member of the combined group is a partner in the same unincorporated business, for purposes of the calculation required in subparagraph one of paragraph (a) of this subdivision, the numerator

1 of the fraction described in clause (ii) of such subparagraph one shall
2 be the sum of the net total distributive shares of income, gain, loss
3 and deductions of, and guaranteed payments from, the unincorporated
4 business of all of the partners of the unincorporated business within
5 the combined group for which such net total, as separately determined
6 for each partner, is greater than zero, and the denominator of such
7 fraction shall be the sum of the net total distributive shares of
8 income, gain, loss and deductions of, and guaranteed payments from, the
9 unincorporated business of all partners in the unincorporated business
10 for whom or which such net total, as separately determined for each
11 partner, is greater than zero.

12 (d) Notwithstanding any other provision of this subchapter, the credit
13 allowable under this subdivision shall be taken prior to the taking of
14 any other credit allowed by this section. Notwithstanding any other
15 provision of this subchapter, the application of this subdivision shall
16 not change the basis on which the taxpayer's tax is computed under para-
17 graph (e) of subdivision one of this section.

18 19. Lower Manhattan relocation and employment assistance credit. (a)
19 In addition to any other credit allowed by this section, a taxpayer that
20 has obtained the certifications required by chapter six-C of title twen-
21 ty-two of the code of the preceding municipality shall be allowed a
22 credit against the tax imposed by this subchapter. The amount of the
23 credit shall be the amount determined by multiplying three thousand
24 dollars by the number of eligible aggregate employment shares maintained
25 by the taxpayer during the taxable year with respect to eligible prem-
26 ises to which the taxpayer has relocated; provided, however, that no
27 credit shall be allowed for the relocation of any retail activity or
28 hotel services; provided, further, that no credit shall be allowed under
29 this subdivision to any taxpayer that has elected pursuant to subdivi-
30 sion (d) of section 22-624 of the code of the preceding municipality to
31 take such credit against a gross receipts tax imposed under chapter
32 eleven of this title. For purposes of this subdivision, the terms
33 "eligible aggregate employment shares," "eligible premises," "relocate,"
34 "retail activity" and "hotel services" shall have the meanings ascribed
35 by section 22-623 of the code of the preceding municipality.

36 (b) The credit allowed under this subdivision with respect to eligible
37 aggregate employment shares maintained with respect to eligible premises
38 to which the taxpayer has relocated shall be allowed for the taxable
39 year of the relocation and for any of the twelve succeeding taxable
40 years during which eligible aggregate employment shares are maintained
41 with respect to eligible premises; provided that the credit allowed for
42 the twelfth succeeding taxable year shall be calculated by multiplying
43 the number of eligible aggregate employment shares maintained with
44 respect to eligible premises in the twelfth succeeding taxable year by
45 the lesser of one and a fraction the numerator of which is such number
46 of days in the taxable year of relocation less the number of days the
47 taxpayer maintained employment shares in eligible premises in the tax-
48 able year of relocation and the denominator of which is the number of
49 days in such twelfth taxable year during which such eligible aggregate
50 employment shares are maintained with respect to such premises.

51 (c) Except as provided in paragraph (d) of this subdivision, if the
52 amount of the credit allowable under this subdivision for any taxable
53 year exceeds the tax imposed for such year, the excess may be carried
54 over, in order, to the five immediately succeeding taxable years and, to
55 the extent not previously deductible, may be deducted from the taxpay-
56 er's tax for such years.

1 (d) The credits allowed under this subdivision, against the tax
2 imposed by this chapter for the taxable year of the relocation and for
3 the four taxable years immediately succeeding the taxable year of such
4 relocation, shall be deemed to be overpayments of tax by the taxpayer to
5 be credited or refunded, without interest, in accordance with the
6 provisions of section 11-677 of this chapter. For such taxable years,
7 such credits or portions thereof may not be carried over to any succeed-
8 ing taxable year.

9 (e) The credit allowable under this subdivision shall be deducted
10 after the credits allowed by subdivisions seventeen and eighteen of this
11 section, but prior to the deduction of any other credit allowed by this
12 section.

13 (f) Notwithstanding any other provision of this subdivision to the
14 contrary, in the case of a taxpayer that has obtained, pursuant to chap-
15 ter six-C of title twenty-two of the code of the preceding municipality,
16 a certification of eligibility and has received, in a taxable year
17 beginning before January first, two thousand fifteen, the credit set
18 forth in subdivision nineteen of section 11-604 of this chapter or
19 section 11-643.9 of this chapter for the relocation of an eligible busi-
20 ness, a credit shall be allowed under this subdivision to the taxpayer
21 for any taxable year beginning on or after January first, two thousand
22 fifteen in the same amount and to the same extent that a credit would
23 have been allowed under subdivision nineteen of section 11-604 of this
24 chapter or section 11-643.9 of this chapter, as in effect on December
25 thirty-first, two thousand fourteen, if such subdivision continued to
26 apply to the taxpayer for such taxable year.

27 20. Intentionally omitted.

28 21. Biotechnology credit. (a) (1) A taxpayer that is a qualified
29 emerging technology company, engages in biotechnologies, and meets the
30 eligibility requirements of this subdivision, shall be allowed a credit
31 against the tax imposed by this subchapter. The amount of credit shall
32 be equal to the sum of the amounts specified in subparagraphs three,
33 four and five of this paragraph, subject to the limitations in subpara-
34 graphs six and seven of this paragraph, paragraph (b) of this subdivi-
35 sion, and paragraph three of subdivision (d) of section twelve hundred
36 one-a of the tax law. For the purposes of this subdivision, "qualified
37 emerging technology company" shall mean a company located in the city:
38 (i) whose primary products or services are classified as emerging tech-
39 nologies and whose total annual product sales are ten million dollars or
40 less; or

41 (ii) a company that has research and development activities in the
42 city and whose ratio of research and development funds to net sales
43 equals or exceeds the average ratio for all surveyed companies classi-
44 fied as determined by the National Science Foundation in the most recent
45 published results from its Survey of Industry Research and Development,
46 or any comparable successor survey as determined by the department of
47 finance, and whose total annual product sales are ten million dollars or
48 less. For the purposes of this subdivision, the definition of research
49 and development funds shall be the same as that used by the National
50 Science Foundation in the aforementioned survey. For the purposes of
51 this subdivision, "biotechnologies" shall mean the technologies involv-
52 ing the scientific manipulation of living organisms, especially at the
53 molecular and/or the sub-molecular genetic level, to produce products
54 conducive to improving the lives and health of plants, animals, and
55 humans; and the associated scientific research, pharmacological, mechan-
56 ical, and computational applications and services connected with these

1 improvements. Activities included with such applications and services
2 shall include, but not be limited to, alternative mRNA splicing, DNA
3 sequence amplification, antigenetic switching bioaugmentation, bioen-
4 richment, bioremediation, chromosome walking, cytogenetic engineering,
5 DNA diagnosis, fingerprinting, and sequencing, electroporation, gene
6 translocation, genetic mapping, site-directed mutagenesis, bio-transduc-
7 tion, bio-mechanical and bio-electrical engineering, and bio-informat-
8 ics.

9 (2) An eligible taxpayer shall (i) have no more than one hundred full-
10 time employees, of which at least seventy-five percent are employed in
11 the city, (ii) have a ratio of research and development funds to net
12 sales, as referred to in section thirty-one hundred two-e of the public
13 authorities law, which equals or exceeds six percent during the calendar
14 year ending with or within the taxable year for which the credit is
15 claimed, and (iii) have gross revenues, along with the gross revenues of
16 its "affiliates" and "related members" not exceeding twenty million
17 dollars for the calendar year immediately preceding the calendar year
18 ending with or within the taxable year for which the credit is claimed.
19 For the purposes of this subdivision, "affiliates" shall mean those
20 corporations that are members of the same affiliated group, as defined
21 in section fifteen hundred four of the internal revenue code, as the
22 taxpayer. For the purposes of this subdivision, the term "related
23 members" shall mean a person, corporation, or other entity, including an
24 entity that is treated as a partnership or other pass-through vehicle
25 for purposes of federal taxation, whether such person, corporation or
26 entity is a taxpayer or not, where one such person, corporation or enti-
27 ty, or set of related persons, corporations or entities, directly or
28 indirectly owns or controls a controlling interest in another entity.
29 Such entity or entities may include all taxpayers under chapters five,
30 eleven and seventeen of this title, and this subchapter and subchapters
31 two and three of this chapter. A controlling interest shall mean, in the
32 case of a corporation, either thirty percent or more of the total
33 combined voting power of all classes of stock of such corporation, or
34 thirty percent or more of the capital, profits or beneficial interest in
35 such voting stock of such corporation; and in the case of a partnership,
36 association, trust or other entity, thirty percent or more of the capi-
37 tal, profits or beneficial interest in such partnership, association,
38 trust or other entity.

39 (3) An eligible taxpayer shall be allowed a credit for eighteen per
40 centum of the cost or other basis for federal income tax purposes of
41 research and development property that is acquired by the taxpayer by
42 purchase as defined in subsection (d) of section one hundred seventy-
43 nine of the internal revenue code and placed in service during the
44 calendar year that ends with or within the taxable year for which the
45 credit is claimed. Provided, however, for the purposes of this paragraph
46 only, an eligible taxpayer shall be allowed a credit for such percentage
47 of the (i) cost or other basis for federal income tax purposes for prop-
48 erty used in the testing or inspection of materials and products, (ii)
49 the costs or expenses associated with quality control of the research
50 and development, (iii) fees for use of sophisticated technology facili-
51 ties and processes, and (iv) fees for the production or eventual commer-
52 cial distribution of materials and products resulting from the activ-
53 ities of an eligible taxpayer as long as such activities fall under
54 activities relating to biotechnologies. The costs, expenses and other
55 amounts for which a credit is allowed and claimed under this paragraph
56 shall not be used in the calculation of any other credit allowed under

1 this subchapter. For the purposes of this subdivision, "research and
2 development property" shall mean property that is used for purposes of
3 research and development in the experimental or laboratory sense. Such
4 purposes shall not be deemed to include the ordinary testing or
5 inspection of materials or products for quality control, efficiency
6 surveys, management studies, consumer surveys, advertising, promotions,
7 or research in connection with literary, historical or similar projects.

8 (4) An eligible taxpayer shall be allowed a credit for nine per centum
9 of qualified research expenses paid or incurred by the taxpayer in the
10 calendar year that ends with or within the taxable year for which the
11 credit is claimed. For the purposes of this subdivision, "qualified
12 research expenses" shall mean expenses associated with in-house research
13 and processes, and costs associated with the dissemination of the
14 results of the products that directly result from such research and
15 development activities; provided, however, that such costs shall not
16 include advertising or promotion through media. In addition, costs asso-
17 ciated with the preparation of patent applications, patent application
18 filing fees, patent research fees, patent examinations fees, patent post
19 allowance fees, patent maintenance fees, and grant application expenses
20 and fees shall qualify as qualified research expenses. In no case shall
21 the credit allowed under this subparagraph apply to expenses for liti-
22 gation or the challenge of another entity's intellectual property
23 rights, or for contract expenses involving outside paid consultants.

24 (5) An eligible taxpayer shall be allowed a credit for qualified high-
25 technology training expenditures as described in this subparagraph paid
26 or incurred by the taxpayer during the calendar year that ends with or
27 within the taxable year for which the credit is claimed.

28 (i) The amount of credit shall be one hundred percent of the training
29 expenses described in clause (iii) of this subparagraph, subject to a
30 limitation of no more than four thousand dollars per employee per calen-
31 dar year for such training expenses.

32 (ii) Qualified high-technology training shall include a course or
33 courses taken and satisfactorily completed by an employee of the taxpay-
34 er at an accredited, degree granting post-secondary college or universi-
35 ty in the city that (A) directly relates to biotechnology activities,
36 and (B) is intended to upgrade, retrain or improve the productivity or
37 theoretical awareness of the employee. Such course or courses may
38 include, but are not limited to, instruction or research relating to
39 techniques, meta, macro, or micro-theoretical or practical knowledge
40 bases or frontiers, or ethical concerns related to such activities. Such
41 course or courses shall not include classes in the disciplines of
42 management, accounting or the law or any class designed to fulfill the
43 discipline specific requirements of a degree program at the associate,
44 baccalaureate, graduate or professional level of these disciplines.
45 Satisfactory completion of a course or courses shall mean the earning
46 and granting of credit or equivalent unit, with the attainment of a
47 grade of "B" or higher in a graduate level course or courses, a grade of
48 "C" or higher in an undergraduate level course or courses, or a similar
49 measure of competency for a course that is not measured according to a
50 standard grade formula.

51 (iii) Qualified high-technology training expenditures shall include
52 expenses for tuition and mandatory fees, software required by the insti-
53 tution, fees for textbooks or other literature required by the institu-
54 tion offering the course or courses, minus applicable scholarships and
55 tuition or fee waivers not granted by the taxpayer or any affiliates of
56 the taxpayer, that are paid or reimbursed by the taxpayer. Qualified

1 high-technology expenditures do not include room and board, computer
2 hardware or software not specifically assigned for such course or cours-
3 es, late-charges, fines or membership dues and similar expenses. Such
4 qualified expenditures shall not be eligible for the credit provided by
5 this section unless the employee for whom the expenditures are disbursed
6 is continuously employed by the taxpayer in a full-time, full-year posi-
7 tion primarily located at a qualified site during the period of such
8 coursework and lasting through at least one hundred eighty days after
9 the satisfactory completion of the qualifying course-work. Qualified
10 high-technology training expenditures shall not include expenses for
11 in-house or shared training outside of a city higher education institu-
12 tion or the use of consultants outside of credit granting courses,
13 whether such consultants function inside of such higher education insti-
14 tution or not.

15 (iv) If a taxpayer relocates from an academic business incubator
16 facility partnered with an accredited post-secondary education institu-
17 tion located within the city, which provides space and business support
18 services to taxpayers, to another site, the credit provided in this
19 subdivision shall be allowed for all expenditures referenced in clause
20 (iii) of this subparagraph paid or incurred in the two preceding calen-
21 dar years that the taxpayer was located in such an incubator facility
22 for employees of the taxpayer who also relocate from said incubator
23 facility to such city site and are employed and primarily located by the
24 taxpayer in the city. Such expenditures in the two preceding years shall
25 be added to the amounts otherwise qualifying for the credit provided by
26 this subdivision that were paid or incurred in the calendar year that
27 the taxpayer relocates from such a facility. Such expenditures shall
28 include expenses paid for an eligible employee who is a full-time, full-
29 year employee of said taxpayer during the calendar year that the taxpay-
30 er relocated from an incubator facility notwithstanding (A) that such
31 employee was employed full or part-time as an officer, staff-person or
32 paid intern of the taxpayer when such taxpayer was located at such incu-
33 bator facility or (B) that such employee was not continuously employed
34 when such taxpayer was located at the incubator facility during the one
35 hundred eighty day period referred to in clause (iii) of this subpara-
36 graph, provided such employee received wages or equivalent income for at
37 least seven hundred fifty hours during any twenty-four month period when
38 the taxpayer was located at the incubator facility. Such expenditures
39 shall include payments made to such employee after the taxpayer has
40 relocated from the incubator facility for qualified expenditures if such
41 payments are made to reimburse an employee for expenditures paid by the
42 employee during such two preceding years. The credit provided under
43 this paragraph shall be allowed in any taxable year that the taxpayer
44 qualifies as an eligible taxpayer.

45 (v) For purposes of this subdivision the term "academic year" shall
46 mean the annual period of sessions of a post-secondary college or
47 university.

48 (vi) For the purposes of this subdivision the term "academic incubator
49 facility" shall mean a facility providing low-cost space, technical
50 assistance, support services and educational opportunities, including
51 but not limited to central services provided by the manager of the
52 facility to the tenants of the facility, to an entity located in the
53 city. Such entity's primary activity must be in biotechnologies, and
54 such entity must be in the formative stage of development. The academic
55 incubator facility and the entity must act in partnership with an
56 accredited post-secondary college or university located in the city. An

1 academic incubator facility's mission shall be to promote job creation,
2 entrepreneurship, technology transfer, and provide support services to
3 incubator tenants, including, but not limited to, business planning,
4 management assistance, financial-packaging, linkages to financing
5 services, and coordinating with other sources of assistance.

6 (6) An eligible taxpayer may claim credits under this subdivision for
7 three consecutive years. In no case shall the credit allowed by this
8 subdivision to a taxpayer exceed two hundred fifty thousand dollars per
9 calendar year for eligible expenditures made during such calendar year.

10 (7) The credit allowed under this subdivision for any taxable year
11 shall not reduce the tax due for such year to less than the amount
12 prescribed in clause (iv) of subparagraph one of paragraph (e) of subdi-
13 vision one of this section. Provided, however, if the amount of credit
14 allowed under this subdivision for any taxable year reduces the tax to
15 such amount, any amount of credit not deductible in such taxable year
16 shall be treated as an overpayment of tax to be credited or refunded in
17 accordance with the provisions of section 11-677 of this chapter;
18 provided, however, that notwithstanding the provisions of section 11-679
19 of this chapter, no interest shall be paid thereon.

20 (8) The credit allowed under this subdivision shall only be allowed
21 for taxable years beginning before January first, two thousand nineteen.

22 (b) (1) The percentage of the credit allowed to a taxpayer under this
23 subdivision in any calendar year shall be:

24 (i) If the average number of individuals employed full time by a
25 taxpayer in the city during the calendar year that ends with or within
26 the taxable year for which the credit is claimed is at least one hundred
27 five percent of the taxpayer's base year employment, one hundred
28 percent, except that in no case shall the credit allowed under this
29 clause exceed two hundred fifty thousand dollars per calendar year.
30 Provided, however, the increase in base year employment shall not apply
31 to a taxpayer allowed a credit under this subdivision that was, (A)
32 located outside of the city, (B) not doing business, or (C) did not have
33 any employees, in the year preceding the first year that the credit is
34 claimed. Any such taxpayer shall be eligible for one hundred percent of
35 the credit for the first calendar year that ends with or within the
36 taxable year for which the credit is claimed, provided that such taxpay-
37 er locates in the city, begins doing business in the city or hires
38 employees in the city during such calendar year and is otherwise eligi-
39 ble for the credit pursuant to the provisions of this subdivision.

40 (ii) If the average number of individuals employed full time by a
41 taxpayer in the city during the calendar year that ends with or within
42 the taxable year for which the credit is claimed is less than one
43 hundred five percent of the taxpayer's base year employment, fifty
44 percent, except that in no case shall the credit allowed under this
45 clause exceed one hundred twenty-five thousand dollars per calendar
46 year. In the case of an entity located in the city receiving space and
47 business support services by an academic incubator facility, if the
48 average number of individuals employed full time by such entity in the
49 city during the calendar year in which the credit allowed under this
50 subdivision is claimed is less than one hundred five percent of the
51 taxpayer's base year employment, the credit shall be zero.

52 (2) For the purposes of this subdivision, "base year employment" means
53 the average number of individuals employed full-time by the taxpayer in
54 the city in the year preceding the first calendar year that ends with or
55 within the taxable year for which the credit is claimed.

1 (3) For the purposes of this subdivision, average number of individ-
2 uals employed full-time shall be computed by adding the number of such
3 individuals employed by the taxpayer at the end of each quarter during
4 each calendar year or other applicable period and dividing the sum so
5 obtained by the number of such quarters occurring within such calendar
6 year or other applicable period.

7 (4) Notwithstanding anything contained in this section to the contra-
8 ry, the credit provided by this subdivision shall be allowed against the
9 taxes authorized by this chapter for the taxable year after reduction by
10 all other credits permitted by this chapter.

11 (c) Notwithstanding any other provision of this subdivision to the
12 contrary, in the case of a taxpayer that has received, in a taxable year
13 beginning before January first, two thousand fifteen, the credit set
14 forth in subdivision twenty-one of section 11-604 of this chapter for an
15 eligible acquisition of property and/or expense paid or incurred, a
16 credit shall be allowed to the taxpayer under this subdivision for any
17 tax year beginning on or after January first, two thousand fifteen in
18 the same amount and to the same extent that a credit would have been
19 allowed under subdivision twenty-one of section 11-604 of this chapter,
20 as in effect on December thirty-first, two thousand fourteen, if such
21 subdivision continued to apply to the taxpayer for such taxable year.

22 22. Beer production credit. (a) A taxpayer subject to tax under this
23 subchapter, that is registered as a distributor under article eighteen
24 of the tax law, and that produces sixty million or fewer gallons of beer
25 in this state in the taxable year, shall be allowed a credit against the
26 tax imposed by this subchapter in the amount specified in paragraph (b)
27 of this subdivision. Provided, however, that no credit shall be allowed
28 for any beer produced in excess of fifteen million five hundred thousand
29 gallons in the taxable year. Notwithstanding anything in this title to
30 the contrary, if a partnership is allowed a credit under subdivision (p)
31 of section 11-503 of this title, a taxpayer that is a partner in such
32 partnership shall not be allowed a credit under this subdivision for any
33 taxable year that includes the last day of the taxable year for which
34 the partnership is allowed such credit.

35 (b) The amount of the credit per taxpayer per taxable year for each
36 gallon of beer produced in the city of New York on or after January
37 first, two thousand seventeen shall be determined as follows:

38 (1) for the first five hundred thousand gallons of beer produced in
39 the city of New York in the taxable year, the credit shall equal twelve
40 cents per gallon; and

41 (2) for each gallon of beer produced in the city of New York in the
42 taxable year in excess of five hundred thousand gallons, the credit
43 shall equal three and eighty-six one-hundredths cents per gallon. In no
44 event shall the credit allowed under this subdivision for any taxable
45 year reduce the tax due for such year to less than the amount prescribed
46 in subparagraph one of paragraph (e) of subdivision one of this section.
47 However, if the amount of credit allowed under this subdivision for any
48 taxable year reduces the tax to such amount, any amount of credit thus
49 not deductible in such taxable year shall be treated as an overpayment
50 of tax to be credited or refunded in accordance with the provisions of
51 section 11-677 of this chapter; provided, however, that notwithstanding
52 the provisions of section 11-679 of this chapter, no interest shall be
53 paid thereon.

54 23. Credit for the provision of child care. In addition to any other
55 credit allowed under this section, a taxpayer whose application for a
56 credit authorized by section 11-144 of this title has been approved by

1 the department of finance shall be allowed a credit against the tax
2 imposed by this chapter. The amount of the credit shall be determined as
3 provided in such section. To the extent the amount of the credit allowed
4 by this subdivision exceeds the amount of tax due pursuant to this
5 subchapter, as calculated without such credit, such excess amount shall
6 be treated as an overpayment of tax to be credited or refunded in
7 accordance with the provisions of section 11-677 of this chapter,
8 provided, however, that notwithstanding the requirements of section
9 11-679 of this chapter to the contrary, no interest shall be paid there-
10 on.

11 § 11-654.1 Net operating loss. 1. In computing the business income
12 subject to tax, taxpayers shall be allowed both a prior net operating
13 loss conversion subtraction under subdivision two of this section and a
14 net operating loss deduction under subdivision three of this section.
15 The prior net operating loss conversion subtraction computed under
16 subdivision two of this section shall be applied against business income
17 before the net operating loss deduction computed under subdivision three
18 of this section.

19 2. Prior net operating loss conversion subtraction. (a) Definitions.

20 (1) "Base year" means the last taxable year beginning on or after Janu-
21 ary first, two thousand fourteen and before January first, two thousand
22 fifteen.

23 (2) "Unabsorbed net operating loss" means the unabsorbed portion of
24 net operating loss as calculated under paragraph (f) of subdivision
25 eight of section 11-602 of this chapter or subdivision (k-1) of section
26 11-641 of this chapter, as such sections were in effect on December
27 thirty-first, two thousand fourteen, that was not deductible in previous
28 taxable years and was eligible for carryover on the last day of the base
29 year subject to the limitations for deduction under such sections,
30 including any net operating loss sustained by the taxpayer during the
31 base year.

32 (3) "Base year BAP" means the taxpayer's business allocation percent-
33 age as calculated under paragraph (a) of subdivision three of section
34 11-604 of this chapter for the base year, or the taxpayer's allocation
35 percentage as calculated under section 11-642 of this chapter for
36 purposes of calculating entire net income for the base year, as such
37 sections were in effect on December thirty-first, two thousand fourteen.

38 (4) "Base year tax rate" means the taxpayer's tax rate for the base
39 year as applied to entire net income and calculated under subdivision
40 one of section 11-604 of this chapter or subdivision (a) of section
41 11-643.5 of this chapter, as such provisions were in effect on December
42 thirty-first, two thousand fourteen.

43 (b) The prior net operating loss conversion subtraction shall be
44 calculated as follows:

45 (1) The taxpayer shall first calculate the tax value of its unabsorbed
46 net operating loss for the base year. The value is equal to the product
47 of (i) the amount of the taxpayer's unabsorbed net operating loss, (ii)
48 the taxpayer's base year BAP, and (iii) the taxpayer's base year tax
49 rate.

50 (2) The product determined under subparagraph one of this paragraph
51 shall then be divided by eight and eighty-five one-hundredths per centum
52 or, in the case of a financial corporation, as defined in clause (i) of
53 subparagraph one of paragraph (e) of subdivision one of section 11-654
54 of this subchapter, the product determined under subparagraph one of
55 this paragraph shall then be divided by nine per centum. This result

1 shall equal the taxpayer's prior net operating loss conversion
2 subtraction pool.

3 (3) The taxpayer's prior net operating loss conversion subtraction for
4 the taxable year shall equal one-tenth of its prior net operating loss
5 conversion subtraction pool, plus any amount of unused prior net operat-
6 ing loss conversion subtraction from preceding taxable years.

7 (4) In lieu of the prior net operating loss conversion subtraction
8 described in subparagraph three of this paragraph, if the taxpayer so
9 elects, the taxpayer's prior net operating loss conversion subtraction
10 for its taxable years beginning on or after January first, two thousand
11 fifteen and before January first, two thousand seventeen shall equal, in
12 each year, not more than one-half of its prior net operating loss
13 conversion subtraction pool until the pool is exhausted. If the pool is
14 not exhausted at the end of such time period, the remainder of the pool
15 shall be forfeited. The taxpayer shall make such election, which shall
16 be revocable, on its first return for the tax year beginning on or after
17 January first, two thousand fifteen and before January first, two thou-
18 sand sixteen by the due date for such return, determined with regard to
19 extensions.

20 (c) (1) Where a taxpayer was properly included or required to be
21 included in a combined report for the base year pursuant to section
22 11-605 of this chapter or a combined return for the base year pursuant
23 to section 11-646 of this chapter, as such sections were in effect on
24 December thirty-first, two thousand fourteen, and the members of the
25 combined group for the base year are the same as the members of the
26 combined group for the taxable year immediately succeeding the base
27 year, the combined group shall calculate its prior net operating loss
28 conversion subtraction pool using the combined group's total unabsorbed
29 net operating loss, base year BAP, and base year tax rate.

30 (2) If a combined group includes additional members in the taxable
31 year immediately succeeding the base year that were not included in the
32 combined group during the base year, each base year combined group and
33 each taxpayer that filed separately for the base year but is included in
34 the combined group in the taxable year succeeding the base year shall
35 calculate its prior net operating loss conversion subtraction pool, and
36 the sum of the pools shall be the combined prior net operating loss
37 conversion subtraction pool of the combined group.

38 (3) If a taxpayer was properly included in a combined report for the
39 base year and files a separate report for a subsequent taxable year,
40 then the amount of remaining prior net operating loss conversion
41 subtraction allowed to the taxpayer filing such separate report shall be
42 proportionate to the amount that such taxpayer contributed to the prior
43 net operating loss conversion subtraction pool on a combined basis, and
44 the remaining prior net operating loss conversion subtraction allowed to
45 the remaining members of the combined group shall be reduced accord-
46 ingly.

47 (4) If a taxpayer filed a separate report for the base year and is
48 properly included in a combined report for a subsequent taxable year,
49 then the prior net operating loss conversion subtraction pool of the
50 combined group shall be increased by the amount of the remaining prior
51 net operating loss conversion subtraction allowed to the taxpayer at the
52 time the taxpayer is properly included in the combined group.

53 (d) The prior net operating loss conversion subtraction may be used to
54 reduce the taxpayer's tax on allocated business income to the higher of
55 the tax on business capital under clause (ii) of subparagraph one of
56 paragraph (e) of subdivision one of section 11-654 of this subchapter or

1 the fixed dollar minimum under clause (iv) of subparagraph one of para-
2 graph (e) of subdivision one of section 11-654 of this subchapter.
3 Unless the taxpayer has made the election provided for in subparagraph
4 four of paragraph (b) of this subdivision, any amount of unused prior
5 net operating loss conversion subtraction shall be carried forward to a
6 subsequent tax year or subsequent tax years until the prior net operat-
7 ing loss conversion subtraction pool is exhausted, but for no longer
8 than twenty taxable years or the taxable year beginning on or after
9 January first, two thousand thirty-five but before January first, two
10 thousand thirty-six, whichever comes first. Such amount carried forward
11 shall not be subject to the one-tenth limitation for the subsequent tax
12 year or years under subparagraph three of paragraph (b) of this subdivi-
13 sion. However, if the taxpayer elects to compute its prior net operat-
14 ing loss conversion subtraction pursuant to subparagraph four of para-
15 graph (b) of this subdivision, the taxpayer shall not carry forward any
16 unused amount of such prior net operating loss conversion subtraction to
17 any tax year beginning on or after January first, two thousand seven-
18 teen.

19 3. In computing business income, a net operating loss deduction shall
20 be allowed. A net operating loss deduction shall be the amount of net
21 operating loss or losses from one or more taxable years that are carried
22 forward or carried back to a particular taxable year. A net operating
23 loss shall be the amount of a business loss incurred in a particular tax
24 year multiplied by the business allocation percentage for that year as
25 determined under subdivision three of section 11-654 of this subchapter.
26 The maximum net operating loss deduction that is allowed in a taxable
27 year shall be the amount that reduces the taxpayer's tax on allocated
28 business income to the higher of the tax on business capital under
29 clause (ii) of subparagraph one of paragraph (e) of subdivision one of
30 section 11-654 of this subchapter or the fixed dollar minimum amount
31 under clause (iv) of subparagraph one of paragraph (e) of subdivision
32 one of section 11-654 of this subchapter. Such net operating loss
33 deduction and net operating loss shall be determined in accordance with
34 the following:

35 (a) Such net operating loss deduction shall not be limited to the
36 amount allowed under section one hundred seventy-two of the internal
37 revenue code or the amount that would have been allowed if the taxpayer
38 did not have an election under subchapter S of chapter one of the inter-
39 nal revenue code in effect for the applicable tax year.

40 (b) Such net operating loss deduction shall not include any net oper-
41 ating loss incurred during any taxable year beginning prior to January
42 first, two thousand fifteen, or during any taxable year in which the
43 taxpayer was not subject to the tax imposed by this subchapter.

44 (c) A taxpayer that files as part of a federal consolidated return but
45 on a separate basis for purposes of this subchapter shall compute its
46 deduction and loss as if it were filing on a separate basis for federal
47 income tax purposes.

48 (d) A net operating loss may be carried back three taxable years
49 preceding the taxable year of the loss except that no loss may be
50 carried back to a taxable year beginning before January first, two thou-
51 sand fifteen. The loss first shall be carried to the earliest of the
52 three taxable years preceding the taxable year of the loss. If it is not
53 entirely used in that year, it shall be carried to the second taxable
54 year preceding the taxable year of the loss, and any remaining amount
55 shall be carried to the taxable year immediately preceding the taxable
56 year of the loss. Any unused amount of loss then remaining may be

1 carried forward for as many as twenty taxable years following the tax-
2 ble year of the loss. Losses carried forward are carried forward first
3 to the taxable year immediately following the taxable year of the loss,
4 then to the second taxable year following the taxable year of the loss,
5 and then to the next immediately subsequent taxable year or years until
6 the loss is used up or the twentieth taxable year following the taxable
7 year of the loss, whichever comes first.

8 (e) Such net operating loss deduction shall not include any net oper-
9 ating loss incurred during any taxable year commencing after January
10 first, two thousand fifteen if the taxpayer was subject to tax under
11 subchapter two or three of this chapter in that year; provided, however,
12 any year commencing after January first, two thousand fifteen that the
13 taxpayer was subject to tax under subchapter two or three of this chap-
14 ter in that year must be treated as a taxable year for purposes of
15 determining the number of taxable years to which a net operating loss
16 may be carried forward.

17 (f) Where there are two or more allocated net operating losses, or
18 portions thereof, carried back or carried forward to be deducted in one
19 particular tax year from allocated business income, the earliest allo-
20 cated loss incurred must be applied first.

21 (g) A taxpayer may elect to waive the entire carryback period with
22 respect to a net operating loss. Such election must be made on the
23 taxpayer's original timely filed return, determined with regard to
24 extensions, for the taxable year of the net operating loss for which the
25 election is to be in effect. Once an election is made for a taxable
26 year, it shall be irrevocable for that taxable year. A separate election
27 must be made for each taxable year of the loss. This election applies to
28 all members of a combined group.

29 § 11-654.2 Receipts allocation. 1. The percentage of receipts of the
30 taxpayer to be allocated to the city for purposes of subparagraph two of
31 paragraph (a) of subdivision three of section 11-654 of this subchapter
32 shall be equal to the receipts fraction determined pursuant to this
33 section. The receipts fraction is a fraction, determined by including
34 only those receipts, net income, net gains, and other items described in
35 this section that are included in the computation of the taxpayer's
36 business income, determined without regard to the modification provided
37 in subparagraph fourteen of paragraph (a) of subdivision eight of
38 section 11-652 of this subchapter, for the taxable year. The numerator
39 of the receipts fraction shall be equal to the sum of all the amounts
40 required to be included in the numerator pursuant to the provisions of
41 this section and the denominator of the receipts fraction shall be equal
42 to the sum of all the amounts required to be included in the denominator
43 pursuant to the provisions of this section.

44 2. (a) Receipts from sales of tangible personal property where ship-
45 ments are made to points within the city or the destination of the prop-
46 erty is a point within the city shall be included in the numerator of
47 the receipts fraction. Receipts from sales of tangible personal property
48 where shipments are made to points within and without the city or the
49 destination is within and without the city shall be included in the
50 denominator of the receipts fraction.

51 (b) Receipts from sales of electricity delivered to points within the
52 city shall be included in the numerator of the receipts fraction.
53 Receipts from sales of electricity delivered to points within and with-
54 out the city shall be included in the denominator of the receipts frac-
55 tion.

1 (c) Receipts from sales of tangible personal property and electricity
2 that are traded as commodities as the term "commodity" is defined in
3 section four hundred seventy-five of the internal revenue code, shall be
4 included in the receipts fraction in accordance with clause (ix) of
5 subparagraph two of paragraph (a) of subdivision five of this section.

6 (d) Net gains, not less than zero, from the sales of real property
7 located within the city shall be included in the numerator of the
8 receipts fraction. Net gains, not less than zero, from the sales of real
9 property located within and without the city shall be included in the
10 denominator of the receipts fraction.

11 3. (a) Receipts from rentals of real and tangible personal property
12 located within the city shall be included in the numerator of the
13 receipts fraction. Receipts from rentals of real and tangible personal
14 property located within and without the city shall be included in the
15 denominator of the receipts fraction.

16 (b) Receipts of royalties from the use of patents, copyrights, trade-
17 marks, and similar intangible personal property within the city shall be
18 included in the numerator of the receipts fraction. Receipts of royal-
19 ties from the use of patents, copyrights, trademarks, and similar intan-
20 gible personal property within and without the city shall be included in
21 the denominator of the receipts fraction. A patent, copyright, trade-
22 mark, or similar intangible personal property is used within the city to
23 the extent that the activities thereunder are carried on within the
24 city.

25 (c) Receipts from the sales of rights for closed-circuit and cable
26 television transmissions of an event, other than events occurring on a
27 regularly scheduled basis, taking place within the city as a result of
28 the rendition of services by employees of the corporation, as athletes,
29 entertainers or performing artists, shall be included in the numerator
30 of the receipts fraction to the extent that such receipts are attribut-
31 able to such transmissions received or exhibited within the city.
32 Receipts from all sales of rights for closed-circuit and cable tele-
33 vision transmissions of an event, other than events occurring on a regu-
34 larly scheduled basis, shall be included in the denominator of the
35 receipts fraction.

36 4. (a) For purposes of determining the receipts fraction under this
37 section, the term "digital product" means any property or service, or
38 combination thereof, of whatever nature delivered to the purchaser
39 through the use of wire, cable, fiber-optic, laser, microwave, radio
40 wave, satellite or similar successor media, or any combination thereof.
41 Digital product includes, but is not limited to, an audio work, audi-
42 ovisual work, visual work, book or literary work, graphic work, game,
43 information or entertainment service, storage of digital products and
44 computer software by whatever means delivered. The term "delivered to"
45 includes furnished or provided to or accessed by. A digital product
46 shall not include legal, medical, accounting, architectural, research,
47 analytical, engineering or consulting services provided by the taxpayer.

48 (b) Receipts from the sale of, license to use, or granting of remote
49 access to digital products within the city, determined according to the
50 hierarchy of methods set forth in subparagraphs one through four of
51 paragraph (c) of this subdivision, shall be included in the numerator of
52 the receipts fraction. Receipts from the sale of, license to use, or
53 granting of remote access to digital products within and without the
54 city shall be included in the denominator of the receipts fraction. The
55 taxpayer must exercise due diligence under each method described in
56 paragraph (c) of this subdivision before rejecting it and proceeding to

1 the next method in the hierarchy, and must base its determination on
2 information known to the taxpayer or information that would be known to
3 the taxpayer upon reasonable inquiry. If the receipt for a digital prod-
4 uct is comprised of a combination of property and services, it cannot be
5 divided into separate components and shall be considered to be one
6 receipt regardless of whether it is separately stated for billing
7 purposes. The entire receipt must be allocated by this hierarchy.

8 (c) The hierarchy of sourcing methods is as follows: (1) the custom-
9 er's primary use location of the digital product; (2) the location where
10 the digital product is received by the customer, or is received by a
11 person designated for receipt by the customer; (3) the receipts fraction
12 determined pursuant to this subdivision for the preceding taxable year
13 for such digital product; or (4) the receipts fraction in the current
14 taxable year for those digital products that can be sourced using the
15 hierarchy of sourcing methods in subparagraphs one and two of this para-
16 graph.

17 5. (a) A financial instrument is a "nonqualified financial instrument"
18 if it is not a qualified financial instrument. A qualified financial
19 instrument means a financial instrument that is of a type described in
20 any of clauses (i), (ii), (iii), (iv), (vii), (viii) or (ix) of subpara-
21 graph two of this paragraph and that has been marked to market in the
22 taxable year by the taxpayer under section four hundred seventy-five or
23 section one thousand two hundred fifty-six of the internal revenue code.
24 Further, if the taxpayer has in the taxable year marked to market a
25 financial instrument of the type described in any of clauses (i), (ii),
26 (iii), (iv), (vii), (viii) or (ix) of subparagraph two of this para-
27 graph, then any financial instrument within that type described in the
28 above specified clause or clauses that has not been marked to market by
29 the taxpayer under section four hundred seventy-five or section one
30 thousand two hundred fifty-six of the internal revenue code is a quali-
31 fied financial instrument in the taxable year, provided, however, (i) a
32 loan secured by real property shall not be a qualified financial instru-
33 ment, (ii) if the only loans that are marked to market by the taxpayer
34 under section four hundred seventy-five or section one thousand two
35 hundred fifty-six of the internal revenue code are loans secured by real
36 property, then no loans shall be qualified financial instruments, (iii)
37 stock that is investment capital as defined in paragraph (a) of subdivi-
38 sion four of section 11-652 of this subchapter shall not be a qualified
39 financial instrument, and (iv) stock that generates other exempt income
40 as defined in subdivision five-a of section 11-652 of this subchapter
41 and that is not marked to market under section four hundred seventy-five
42 or section one thousand two hundred fifty-six of the internal revenue
43 code shall not constitute a qualified financial instrument with respect
44 to the income from that stock that is described in such subdivision
45 five-a. If a corporation is included in a combined report, the defi-
46 nition of qualified financial instrument shall be determined on a
47 combined basis. In the case of RIC or a REIT that is not a captive RIC
48 or a captive REIT, a qualified financial instrument means a financial
49 instrument that is of a type described in any of clauses (i), (ii),
50 (iii), (iv), (vii), (viii) or (ix) of subparagraph two of this para-
51 graph, other than (i) a loan secured by real property, (ii) stock that
52 is investment capital as defined in paragraph (a) of subdivision four of
53 section 11-652 of this subchapter, and (iii) stock that generates other
54 exempt income as defined in subdivision five-a of section 11-652 of this
55 subchapter with respect to the income from that stock that is described
56 in such subdivision five-a.

1 (1) In determining the inclusion of receipts and net gains from quali-
2 fied financial instruments in the receipts fraction, taxpayers may elect
3 to use the fixed percentage method described in this subparagraph for
4 qualified financial instruments. The election is irrevocable, applies to
5 all qualified financial instruments, and must be made on an annual basis
6 on the taxpayer's original, timely filed return, determined with regard
7 to extensions. If the taxpayer elects the fixed percentage method, then
8 all income, gain or loss, including marked to market net gains as
9 defined in clause (x) of subparagraph two of this paragraph, from quali-
10 fied financial instruments constitute business income, gain or loss. If
11 the taxpayer does not elect to use the fixed percentage method, then
12 receipts and net gains are included in the receipts fraction in accord-
13 ance with the customer sourcing method described in subparagraph two of
14 this paragraph. Under the fixed percentage method, eight percent of all
15 net income, not less than zero, from qualified financial instruments
16 shall be included in the numerator of the receipts fraction. All net
17 income, not less than zero, from qualified financial instruments shall
18 be included in the denominator of the receipts fraction.

19 (2) Receipts and net gains from qualified financial instruments, in
20 cases where the taxpayer did not elect to use the fixed percentage meth-
21 od described in subparagraph one of this paragraph, and from nonquali-
22 fied financial instruments shall be included in the receipts fraction in
23 accordance with this subparagraph. For purposes of this paragraph, an
24 individual is deemed to be located within the city if his or her billing
25 address is within the city. A business entity is deemed to be located
26 within the city if its commercial domicile is located within the city.

27 (i)(A) Receipts constituting interest from loans secured by real prop-
28 erty located within the city shall be included in the numerator of the
29 receipts fraction. Receipts constituting interest from loans secured by
30 real property located within and without the city shall be included in
31 the denominator of the receipts fraction.

32 (B) Receipts constituting interest from loans not secured by real
33 property shall be included in the numerator of the receipts fraction if
34 the borrower is located within the city. Receipts constituting interest
35 from loans not secured by real property, whether the borrower is located
36 within or without the city, shall be included in the denominator of the
37 receipts fraction.

38 (C) Net gains, not less than zero, from sales of loans secured by real
39 property shall be included in the numerator of the receipts fraction as
40 provided in this subclause. The amount of net gains from the sales of
41 loans secured by real property included in the numerator of the receipts
42 fraction shall be determined by multiplying the net gains by a fraction,
43 the numerator of which shall be the amount of gross proceeds from sales
44 of loans secured by real property located within the city and the denom-
45 inator of which shall be the gross proceeds from sales of loans secured
46 by real property located within and without the city. Gross proceeds
47 shall be determined after the deduction of any cost incurred to acquire
48 the loans but shall not be less than zero. Net gains, not less than
49 zero, from sales of loans secured by real property located within and
50 without the city shall be included in the denominator of the receipts
51 fraction.

52 (D) Net gains, not less than zero, from sales of loans not secured by
53 real property shall be included in the numerator of the receipts frac-
54 tion as provided in this subclause. The amount of net gains from the
55 sales of loans not secured by real property included in the numerator of
56 the receipts fraction shall be determined by multiplying the net gains

1 by a fraction, the numerator of which shall be the amount of gross
2 proceeds from sales of loans not secured by real property to purchasers
3 located within the city and the denominator of which shall be the amount
4 of gross proceeds from sales of loans not secured by real property to
5 purchasers located within and without the city. Gross proceeds shall be
6 determined after the deduction of any cost incurred to acquire the loans
7 but shall not be less than zero. Net gains, not less than zero, from
8 sales of loans not secured by real property shall be included in the
9 denominator of the receipts fraction.

10 (E) For purposes of this subdivision, a loan is secured by real prop-
11 erty if fifty percent or more of the value of the collateral used to
12 secure the loan, when valued at fair market value as of the time the
13 loan was entered into, consists of real property.

14 (ii) Federal, state, and municipal debt. Receipts constituting inter-
15 est and net gains from sales of debt instruments issued by the United
16 States, any state, or political subdivision of a state shall not be
17 included in the numerator of the receipts fraction. Receipts constitut-
18 ing interest and net gains, not less than zero, from sales of debt
19 instruments issued by the United States and the state of New York or its
20 political subdivisions, including the city, shall be included in the
21 denominator of the receipts fraction. Fifty percent of the receipts
22 constituting interest and net gains, not less than zero, from sales of
23 debt instruments issued by other states or their political subdivisions
24 shall be included in the denominator of the receipts fraction.

25 (iii) Asset backed securities and other government agency debt. Eight
26 percent of the interest income from asset backed securities or other
27 securities issued by government agencies, including but not limited to
28 securities issued by the government national mortgage association
29 (GNMA), the federal national mortgage association (FNMA), the federal
30 home loan mortgage corporation (FHLMC), or the small business adminis-
31 tration, or eight percent of the interest income from asset backed secu-
32 rities issued by other entities shall be included in the numerator of
33 the receipts fraction. Eight percent of the net gains, not less than
34 zero, from (A) sales of asset backed securities or other securities
35 issued by government agencies, including but not limited to securities
36 issued by GNMA, FNMA, FHLMC, or the small business administration, or
37 (B) sales of other asset backed securities that are sold through a
38 registered securities broker or dealer or through a licensed exchange,
39 shall be included in the numerator of the receipts fraction. The amount
40 of net gains, not less than zero, from sales of other asset backed secu-
41 rities not referenced in subclause (A) or (B) of this clause included in
42 the numerator of the receipts fraction shall be determined by multiply-
43 ing such net gains by a fraction, the numerator of which shall be the
44 amount of gross proceeds from such sales to purchasers located in the
45 city and the denominator of which shall be the amount of gross proceeds
46 from such sales to purchasers located within and without the city.
47 Receipts constituting interest income from asset backed securities and
48 other securities referenced in this clause and net gains, not less than
49 zero, from sales of asset backed securities and other securities refer-
50 enced in this clause shall be included in the denominator of the
51 receipts fraction. Gross proceeds shall be determined after the
52 deduction of any cost to acquire the securities but shall not be less
53 than zero.

54 (iv) Receipts constituting interest from corporate bonds shall be
55 included in the numerator of the receipts fraction if the commercial
56 domicile of the issuing corporation is within the city. Eight percent of

1 the net gains, not less than zero, from sales of corporate bonds sold
2 through a registered securities broker or dealer or through a licensed
3 exchange shall be included in the numerator of the receipts fraction.
4 The amount of net gains, not less than zero, from other sales of corpo-
5 rate bonds included in the numerator of the receipts fraction shall be
6 determined by multiplying such net gains by a fraction, the numerator of
7 which is the amount of gross proceeds from such sales to purchasers
8 located within the city and the denominator of which is the amount of
9 gross proceeds from sales to purchasers located within and without the
10 city. Receipts constituting interest from corporate bonds, whether the
11 issuing corporation's commercial domicile is within or without the city,
12 and net gains, not less than zero, from sales of corporate bonds to
13 purchasers within and without the city shall be included in the denomi-
14 nator of the receipts fraction. Gross proceeds shall be determined after
15 the deduction of any cost to acquire the bonds but shall not be less
16 than zero.

17 (v) Eight percent of net interest income, not less than zero, from
18 reverse repurchase agreements and securities borrowing agreements shall
19 be included in the numerator of the receipts fraction. Net interest
20 income, not less than zero, from reverse repurchase agreements and secu-
21 rities borrowing agreements shall be included in the denominator of the
22 receipts fraction. Net interest income from reverse repurchase agree-
23 ments and securities borrowing agreements shall be determined for
24 purposes of this subdivision after the deduction of the interest expense
25 from the taxpayer's repurchase agreements and securities lending agree-
26 ments but shall not be less than zero. For this calculation, the amount
27 of such interest expense shall be the interest expense associated with
28 the sum of the value of the taxpayer's repurchase agreements where it is
29 the seller/borrower plus the value of the taxpayer's securities lending
30 agreements where it is the securities lender, provided such sum is
31 limited to the sum of the value of the taxpayer's reverse repurchase
32 agreements where it is the purchaser/lender plus the value of the
33 taxpayer's securities lending agreements where it is the securities
34 borrower.

35 (vi) Eight percent of the net interest, not less than zero, from
36 federal funds shall be included in the numerator of the receipts frac-
37 tion. The net interest, not less than zero, from federal funds shall be
38 included in the denominator of the receipts fraction. Net interest from
39 federal funds shall be determined after deduction of interest expense
40 from federal funds.

41 (vii) Dividends from stock, net gains, not less than zero, from sales
42 of stock and net gains, not less than zero, from sales of partnership
43 interests shall not be included in either the numerator or denominator
44 of the receipts fraction unless the commissioner of finance determines
45 pursuant to subdivision eleven of this section that inclusion of such
46 dividends and net gains, not less than zero, is necessary to properly
47 reflect the business income or capital of the taxpayer.

48 (viii)(A) Receipts constituting interest from other financial instru-
49 ments shall be included in the numerator of the receipts fraction if the
50 payor is located within the city. Receipts constituting interest from
51 other financial instruments, whether the payor is within or without the
52 city, shall be included in the denominator of the receipts fraction.

53 (B) Net gains, not less than zero, from sales of other financial
54 instruments and other income, not less than zero, from other financial
55 instruments where the purchaser or payor is located within the city
56 shall be included in the numerator of the receipts fraction, provided

1 that, if the purchaser or payor is a registered securities broker or
2 dealer or the transaction is made through a licensed exchange, then
3 eight percent of the net gains, not less than zero, or other income, not
4 less than zero, shall be included in the numerator of the receipts frac-
5 tion. Net gains, not less than zero, from sales of other financial
6 instruments and other income, not less than zero, from other financial
7 instruments shall be included in the denominator of the receipts frac-
8 tion.

9 (ix) Net income, not less than zero, from sales of physical commod-
10 ities shall be included in the numerator of the receipts fraction as
11 provided in this clause. The amount of net income from sales of physical
12 commodities included in the numerator of the receipts fraction shall be
13 determined by multiplying the net income from sales of physical commod-
14 ities by a fraction, the numerator of which shall be the amount of
15 receipts from sales of physical commodities actually delivered to points
16 within the city or, if there is no actual delivery of the physical
17 commodity, sold to purchasers located within the city, and the denomina-
18 tor of which shall be the amount of receipts from sales of physical
19 commodities actually delivered to points within and without the city or,
20 if there is no actual delivery of the physical commodity, sold to
21 purchasers located within and without the city. Net income, not less
22 than zero, from sales of physical commodities shall be included in the
23 denominator of the receipts fraction. Net income, not less than zero,
24 from sales of physical commodities shall be determined after the
25 deduction of the cost to acquire or produce the physical commodities.

26 (x)(A) For purposes of this subdivision, "marked to market" means that
27 a financial instrument is, under section four hundred seventy-five or
28 section twelve hundred fifty-six of the internal revenue code, treated
29 by the taxpayer as sold for its fair market value on the last business
30 day of the taxpayer's taxable year. "Marked to market gain or loss"
31 means the gain or loss recognized by the taxpayer under section four
32 hundred seventy-five or section twelve hundred fifty-six of the internal
33 revenue code because the financial instrument is treated as sold for its
34 fair market value on the last business day of the taxpayer's taxable
35 year.

36 (B) The amount of marked to market net gains, not less than zero, from
37 each type of financial instrument that is marked to market included in
38 the numerator of the receipts fraction shall be determined by multiply-
39 ing the marked to market net gains, not less than zero, from such type
40 of financial instrument by a fraction, the numerator of which shall be
41 the numerator of the receipts fraction for net gains from that type of
42 financial instrument determined under the applicable clause of this
43 subparagraph and the denominator of which shall be the denominator of
44 the receipts fraction for net gains from that type of financial instru-
45 ment determined under the applicable clause of this subparagraph. Marked
46 to market net gains, not less than zero, from financial instruments for
47 which the numerator of the receipts fraction for net gains is determined
48 under this subparagraph shall be included in the denominator of the
49 receipts fraction.

50 (C) If the type of financial instrument that is marked to market is
51 not otherwise sourced by the taxpayer under this subparagraph, or if the
52 taxpayer has a net loss from the sales of that type of financial instru-
53 ment under the applicable clause of this subparagraph, the amount of
54 marked to market net gains, not less than zero, from that type of finan-
55 cial instrument included in the numerator of the receipts fraction shall
56 be determined by multiplying the marked to market net gains, but not

1 less than zero, from that type of financial instrument by a fraction,
2 the numerator of which shall be the sum of the amount of receipts
3 included in the numerator of the receipts fraction under clauses (i)
4 through (ix) of this subparagraph and subclause (B) of this clause, and
5 the denominator of which shall be the sum of the amount of receipts
6 included in the denominator of the receipts fraction under clauses (i)
7 through (ix) of this subparagraph and subclause (B) of this clause.
8 Marked to market net gains, not less than zero, for which the amount to
9 be included in the numerator of the receipts fraction is determined
10 under this subparagraph shall be included in the denominator of the
11 receipts fraction.

12 (b) Receipts of a registered securities broker or dealer from securi-
13 ties or commodities broker or dealer activities described in this para-
14 graph shall be deemed to be generated within the city as described in
15 subparagraphs one through eight of this paragraph. Receipts from such
16 activities generated within the city shall be included in the numerator
17 of the receipts fraction. Receipts from such activities generated within
18 and without the city shall be included in the denominator of the
19 receipts fraction. For the purposes of this paragraph, the term "securi-
20 ties" shall have the same meaning as in paragraph two of subsection (c)
21 of section four hundred seventy-five of the internal revenue code and
22 the term "commodities" shall have the same meaning as in paragraph two
23 of subsection (e) of section four hundred seventy-five of the internal
24 revenue code.

25 (1) Receipts constituting brokerage commissions derived from the
26 execution of securities or commodities purchase or sales orders for the
27 accounts of customers shall be deemed to be generated within the city if
28 the mailing address in the records of the taxpayer of the customer who
29 is responsible for paying such commissions is within the city.

30 (2) Receipts constituting margin interest earned on behalf of broker-
31 age accounts shall be deemed to be generated within the city if the
32 mailing address in the records of the taxpayer of the customer who is
33 responsible for paying such margin interest is within the city.

34 (3) (i) Receipts constituting fees earned by the taxpayer for advisory
35 services to a customer in connection with the underwriting of securities
36 for such customer, such customer being the entity that is contemplating
37 issuing or is issuing securities, or fees earned by the taxpayer for
38 managing an underwriting shall be deemed to be generated within the city
39 if the mailing address in the records of the taxpayer of such customer
40 who is responsible for paying such fees is within the city.

41 (ii) Receipts constituting the primary spread of selling concession
42 from underwritten securities shall be deemed to be generated within the
43 city if the customer is located within the city.

44 (iii) The term "primary spread" means the difference between the price
45 paid by the taxpayer to the issuer of the securities being marketed and
46 the price received from the subsequent sale of the underwritten securi-
47 ties at the initial public offering price, less any selling concession
48 and any fees paid to the taxpayer for advisory services or any manager's
49 fees, if such fees are not paid by the customer to the taxpayer sepa-
50 rately. The term "public offering price" means the price agreed upon by
51 the taxpayer and the issuer at which the securities are to be offered to
52 the public. The term "selling concession" means the amount paid to the
53 taxpayer for participating in the underwriting of a security where the
54 taxpayer is not the lead underwriter.

55 (4) Receipts constituting account maintenance fees shall be deemed to
56 be generated within the city if the mailing address in the records of

1 the taxpayer of the customer who is responsible for paying such account
2 maintenance fees is within the city.

3 (5) Receipts constituting fees for management or advisory services,
4 including fees for advisory services in relation to merger or acquisi-
5 tion activities, but excluding fees paid for services described in para-
6 graph (d) of this subdivision, shall be deemed to be generated within
7 the city if the mailing address in the records of the taxpayer of the
8 customer who is responsible for paying such fees is within the city.

9 (6) Receipts constituting interest earned by the taxpayer on loans and
10 advances made by the taxpayer to a corporation affiliated with the
11 taxpayer but with which the taxpayer is not permitted or required to
12 file a combined report pursuant to section 11-654.3 of this subchapter
13 shall be deemed to arise from services performed at the principal place
14 of business of such affiliated corporation.

15 (7) If the taxpayer receives any of the receipts enumerated in subpar-
16 agraphs one through four of this paragraph as a result of a securities
17 correspondent relationship such taxpayer has with another broker or
18 dealer with the taxpayer acting in this relationship as the clearing
19 firm, such receipts shall be deemed to be generated within the city to
20 the extent set forth in each of such subparagraphs. The amount of such
21 receipts shall exclude the amount the taxpayer is required to pay to the
22 correspondent firm for such correspondent relationship. If the taxpayer
23 receives any of the receipts enumerated in subparagraphs one through
24 four of this paragraph as a result of a securities correspondent
25 relationship such taxpayer has with another broker or dealer with the
26 taxpayer acting in this relationship as the introducing firm, such
27 receipts shall be deemed to be generated within the city to the extent
28 set forth in each of such subparagraphs.

29 (8) If, for the purposes of subparagraph one, subparagraph two, clause
30 (i) of subparagraph three, subparagraph four, or subparagraph five of
31 this paragraph, the taxpayer is unable from its records to determine the
32 mailing address of the customer, eight percent of the receipts shall be
33 included in the numerator of the receipts fraction.

34 (c) Receipts relating to the bank, credit, travel, and entertainment
35 card activities described in this paragraph shall be deemed to be gener-
36 ated within the city as described in subparagraphs one through four of
37 this paragraph. Receipts from such activities generated within the city
38 shall be included in the numerator of the receipts fraction. Receipts
39 from such activities generated within and without the city shall be
40 included in the denominator of the receipts fraction.

41 (1) Receipts constituting interest, and fees and penalties in the
42 nature of interest, from bank, credit, travel and entertainment card
43 receivables shall be deemed to be generated within the city if the mail-
44 ing address of the card holder in the records of the taxpayer is within
45 the city;

46 (2) Receipts from service charges and fees from such cards shall be
47 deemed to be generated within the city if the mailing address of the
48 card holder in the records of the taxpayer is within the city;

49 (3) Receipts from merchant discounts shall be deemed to be generated
50 within the city if the merchant is located within the city. In the case
51 of a merchant with locations both within and without the city, only
52 receipts from merchant discounts attributable to sales made from
53 locations within the city are allocated to the city. It shall be
54 presumed that the location of the merchant is the address of the
55 merchant shown on the invoice submitted by the merchant to the taxpayer;
56 and

1 (4) Receipts from credit card authorization processing, and clearing
2 and settlement processing received by a credit card processor shall be
3 deemed to be generated within the city if the location where the credit
4 card processor's customer accesses the credit card processor's network
5 is located within the city. The amount of all other receipts received by
6 a credit card processor not specifically addressed in subdivisions one
7 through nine or subdivision twelve of this section deemed to be gener-
8 ated within the city shall be determined by multiplying the total amount
9 of such other receipts by the average of (i) eight percent and (ii) the
10 percent of Staten Island access points. The percent of Staten Island
11 access points shall be the number of locations in Staten Island from
12 which the credit card processor's customers access the credit card
13 processor's network divided by the total number of locations in the
14 United States where the credit card processor's customers access the
15 credit card processor's network.

16 (d) Receipts received from an investment company arising from the sale
17 of management, administration or distribution services to such invest-
18 ment company shall be included in the denominator of the receipts frac-
19 tion. The portion of such receipts included in the numerator of the
20 receipts fraction, such portion referred to herein as the Staten Island
21 portion, shall be determined as provided in this paragraph.

22 (1) The Staten Island portion shall be the product of the total of
23 such receipts from the sale of such services and a fraction. The numera-
24 tor of that fraction shall be the sum of the monthly percentages, as
25 defined hereinafter, determined for each month of the investment compa-
26 ny's taxable year for federal income tax purposes which taxable year
27 ends within the taxable year of the taxpayer, but excluding any month
28 during which the investment company had no outstanding shares. The
29 monthly percentage for each such month shall be determined by dividing
30 the number of shares in the investment company that are owned on the
31 last day of the month by shareholders that are located in the city by
32 the total number of shares in the investment company outstanding on that
33 date. The denominator of the fraction shall be the number of such month-
34 ly percentages.

35 (2)(i) For purposes of this paragraph, an individual, estate or trust
36 shall be deemed to be located within the city if his, her or its mailing
37 address in the records of the investment company is located within the
38 city. A business entity is deemed to be located within the city if its
39 commercial domicile is located within the city.

40 (ii) For purposes of this paragraph, the term "investment company"
41 means a regulated investment company, as defined in section eight
42 hundred fifty-one of the internal revenue code, and a partnership to
43 which subsection (a) of section seven thousand seven hundred four of the
44 internal revenue code applies, by virtue of paragraph three of
45 subsection (c) of section seven thousand seven hundred four of such
46 code, and that meets the requirements of subsection (b) of section eight
47 hundred fifty-one of such code. The provisions of this subparagraph
48 shall be applied to the taxable year for federal income tax purposes of
49 the business entity that is asserted to constitute an investment company
50 that ends within the taxable year of the taxpayer.

51 (iii) For purposes of this paragraph, the term "receipts received from
52 an investment company" includes amounts received directly from an
53 investment company as well as amounts received from the shareholders in
54 such investment company, in their capacity as such.

55 (iv) For purposes of this paragraph, the term "management services"
56 means the rendering of investment advice to an investment company,

1 making determinations as to when sales and purchases of securities are
2 to be made on behalf of an investment company, or the selling or
3 purchasing of securities constituting assets of an investment company,
4 and related activities, but only where such activity or activities are
5 performed pursuant to a contract with the investment company entered
6 into pursuant to subsection (a) of section fifteen of the federal
7 investment company act of nineteen hundred forty, as amended.

8 (v) For purposes of this paragraph, the term "distribution services"
9 means the services of advertising, servicing investor accounts, includ-
10 ing redemptions, marketing shares or selling shares of an investment
11 company, but, in the case of advertising, servicing investor accounts,
12 including redemptions, or marketing shares, only where such service is
13 performed by a person who is, or was, in the case of a closed end compa-
14 ny, also engaged in the service of selling such shares. In the case of
15 an open end company, such service of selling shares must be performed
16 pursuant to a contract entered into pursuant to subsection (b) of
17 section fifteen of the federal investment company act of nineteen
18 hundred forty, as amended.

19 (vi) For purposes of this paragraph, the term "administration
20 services" includes clerical, accounting, bookkeeping, data processing,
21 internal auditing, legal and tax services performed for an investment
22 company but only if the provider of such service or services during the
23 taxable year in which such service or services are sold also sells
24 management or distribution services, as defined in subparagraph (v) of
25 this paragraph, to such investment company.

26 (e) For purposes of this subdivision, a taxpayer shall use the follow-
27 ing hierarchy to determine the commercial domicile of a business entity,
28 based on the information known to the taxpayer or information that would
29 be known upon reasonable inquiry: (1) the seat of management and control
30 of the business entity; and (2) the billing address of the business
31 entity in the taxpayer's records. The taxpayer must exercise due dili-
32 gence before rejecting the first method in this hierarchy and proceeding
33 to the next method.

34 (f) For purposes of this subdivision, the term "registered securities
35 broker or dealer" means a broker or dealer registered as such by the
36 securities and exchange commission or a broker or dealer registered as
37 such by the commodities futures trading commission, and shall include an
38 OTC derivatives dealer as defined under regulations of the securities
39 and exchange commission at title 17, part 240, section 3b-12 of the code
40 of federal regulations (17 CFR 240.3b-12).

41 5-a. Notwithstanding any other provision of this section, net global
42 intangible low-taxed income shall be included in the receipts fraction
43 as provided in this subdivision. Receipts constituting net global intan-
44 gible low-taxed income shall not be included in the numerator of the
45 receipts fraction. Receipts constituting net global intangible low-taxed
46 income shall be included in the denominator of the receipts fraction.
47 For purposes of this subdivision, the term "net global intangible low-
48 taxed income" means the amount required to be included in the taxpayer's
49 federal gross income pursuant to subsection (a) of section nine hundred
50 fifty-one-D of the internal revenue code less the amount of the
51 deduction allowed under clause (i) of subparagraph (B) of paragraph one
52 of subdivision (a) of section two hundred fifty of such code.

53 6. Receipts from the conduct of a railroad business, including surface
54 railroad, whether or not operated by steam, subway railroad, elevated
55 railroad, palace car or sleeping car business, or a trucking business
56 shall be included in the numerator of the receipts fraction as follows.

1 The amount of receipts from the conduct of a railroad business or a
2 trucking business included in the numerator of the receipts fraction
3 shall be determined by multiplying the amount of receipts from such
4 business by a fraction, the numerator of which shall be the miles in
5 such business within the city during the period covered by the taxpay-
6 er's report and the denominator of which shall be the miles in such
7 business within and without the city during such period. Receipts from
8 the conduct of the railroad business or a trucking business shall be
9 included in the denominator of the receipts fraction.

10 7. (a) Receipts of a taxpayer acting as principal from the activity of
11 air freight forwarding and like indirect air carrier receipts arising
12 from such activity shall be included in the numerator of the receipts
13 fraction as follows: one hundred percent of such receipts if both the
14 pickup and delivery associated with such receipts are made within the
15 city and fifty percent of such receipts if either the pickup or delivery
16 associated with such receipts is made within this city. Such receipts,
17 whether the pickup or delivery associated with the receipts is within or
18 without the city, shall be included in the denominator of the receipts
19 fraction.

20 (b)(1)(i) The portion of receipts of a taxpayer from aviation
21 services, other than services described in paragraph (a) of this subdivi-
22 sion, but including the receipts of a qualified air freight forwarder,
23 to be included in the numerator of the receipts fraction shall be deter-
24 mined by multiplying its receipts from such aviation services by a
25 percentage which is equal to the arithmetic average of the following
26 three percentages:

27 (A) the percentage determined by dividing the aircraft arrivals and
28 departures within the city by the taxpayer during the period covered by
29 its report by the total aircraft arrivals and departures within and
30 without the city during such period; provided, however, arrivals and
31 departures solely for maintenance or repair, refueling, where no debar-
32 kation or embarkation of traffic occurs, arrivals and departures of
33 ferry and personnel training flights or arrivals and departures in the
34 event of emergency situations shall not be included in computing such
35 arrival and departure percentage; provided, further, the commissioner of
36 finance may also exempt from such percentage aircraft arrivals and
37 departures of all non-revenue flights including flights involving the
38 transportation of officers or employees receiving air transportation to
39 perform maintenance or repair services or where such officers or employ-
40 ees are transported in conjunction with an emergency situation or the
41 investigation of an air disaster, other than on a scheduled flight;
42 provided, however, that arrivals and departures of flights transporting
43 officers and employees receiving air transportation for purposes other
44 than specified above, without regard to remuneration, shall be included
45 in computing such arrival and departure percentage;

46 (B) the percentage determined by dividing the revenue tons handled by
47 the taxpayer at airports within the city during such period by the total
48 revenue tons handled by it at airports within and without the city
49 during such period; and

50 (C) the percentage determined by dividing the taxpayer's originating
51 revenue within the city for such period by its total originating revenue
52 within and without the city for such period.

53 (ii) As used herein the term "aircraft arrivals and departures" means
54 the number of landings and takeoffs of the aircraft of the taxpayer and
55 the number of air pickups and deliveries by the aircraft of such taxpay-
56 er; the term "originating revenue" means revenue to the taxpayer from

1 the transportation of revenue passengers and revenue property first
2 received by the taxpayer either as originating or connecting traffic at
3 airports; and the term "revenue tons handled by the taxpayer at
4 airports" means the weight in tons of revenue passengers, at two hundred
5 pounds per passenger, and revenue cargo first received either as origi-
6 nating or connecting traffic or finally discharged by the taxpayer at
7 airports.

8 (2) All such receipts of a taxpayer from aviation services described
9 in this paragraph shall be included in the denominator of the receipts
10 fraction.

11 (3) A corporation is a qualified air freight forwarder with respect to
12 another corporation:

13 (i) if it owns or controls either directly or indirectly all of the
14 capital stock of such other corporation, or if all of its capital stock
15 is owned or controlled either directly or indirectly by such other
16 corporation, or if all of the capital stock of both corporations is
17 owned or controlled either directly or indirectly by the same interests;

18 (ii) if it is principally engaged in the business of air freight
19 forwarding; and

20 (iii) if its air freight forwarding business is carried on principally
21 with the airline or airlines operated by such other corporation.

22 8. (a) The amount of receipts from sales of advertising in newspapers
23 or periodicals included in the numerator of the receipts fraction shall
24 be determined by multiplying the total of such receipts by a fraction,
25 the numerator of which shall be the number of newspapers and periodicals
26 delivered to points within the city and the denominator of which shall
27 be the number of newspapers and periodicals delivered to points within
28 and without the city. The total of such receipts from sales of advertis-
29 ing in newspapers or periodicals shall be included in the denominator of
30 the receipts fraction.

31 (b) The amount of receipts from sales of advertising on television or
32 radio included in the numerator of the receipts fraction shall be deter-
33 mined by multiplying the total of such receipts by a fraction, the
34 numerator of which shall be the number of viewers or listeners within
35 the city and the denominator of which shall be the number of viewers or
36 listeners within and without the city. The total of such receipts from
37 sales of advertising on television or radio shall be included in the
38 denominator of the receipts fraction.

39 (c) The amount of receipts from sales of advertising not described in
40 paragraph (a) or (b) of this subdivision that is furnished, provided or
41 delivered to, or accessed by the viewer or listener through the use of
42 wire, cable, fiber-optic, laser, microwave, radio wave, satellite or
43 similar successor media or any combination thereof, included in the
44 numerator of the receipts fraction shall be determined by multiplying
45 the total of such receipts by a fraction, the numerator of which shall
46 be the number of viewers or listeners within the city and the denomina-
47 tor of which shall be the number of viewers or listeners within and
48 without the city. The total of such receipts from sales of advertising
49 described in this paragraph shall be included in the denominator of the
50 receipts fraction.

51 9. Receipts from the transportation or transmission of gas through
52 pipes shall be included in the numerator of the receipts fraction as
53 follows. The amount of receipts from the transportation or transmission
54 of gas through pipes included in the numerator of the receipts fraction
55 shall be determined by multiplying the total amount of such receipts by
56 a fraction, the numerator of which shall be the taxpayer's transporta-

1 tion units within the city and the denominator of which shall be the
2 taxpayer's transportation units within and without the city. A transpor-
3 tation unit is the transportation of one cubic foot of gas over a
4 distance of one mile. The total amount of receipts from the transporta-
5 tion or transmission of gas through pipes shall be included in the
6 denominator of the receipts fraction.

7 10. (a) Receipts from services not addressed in subdivisions one
8 through nine or subdivision twelve of this section and other business
9 receipts not addressed in such subdivisions shall be included in the
10 numerator of the receipts fraction if the location of the customer is
11 within the city. Such receipts from customers within and without the
12 city shall be included in the denominator of the receipts fraction.
13 Whether the receipts are included in the numerator of the receipts frac-
14 tion shall be determined according to the hierarchy of methods set forth
15 in paragraph (b) of this subdivision. The taxpayer must exercise due
16 diligence under each method described in such paragraph before rejecting
17 it and proceeding to the next method in the hierarchy, and must base its
18 determination on information known to the taxpayer or information that
19 would be known to the taxpayer upon reasonable inquiry.

20 (b) The hierarchy of methods is as follows: (1) the benefit is
21 received in the city; (2) delivery destination; (3) the receipts frac-
22 tion for such receipts within the city determined pursuant to this
23 subdivision for the preceding taxable year; or (4) the receipts fraction
24 in the current taxable year determined pursuant to this subdivision for
25 those receipts that can be sourced using the hierarchy of sourcing meth-
26 ods in subparagraphs one and two of this paragraph.

27 11. If it shall appear that the receipts fraction determined pursuant
28 to this section does not result in a proper reflection of the taxpayer's
29 business income or capital within the city, the commissioner of finance
30 is authorized in his or her discretion to adjust it, or the taxpayer may
31 request that the commissioner of finance adjust it, by (a) excluding one
32 or more items in such determination, (b) including one or more other
33 items in such determination, or (c) any other similar or different meth-
34 od calculated to effect a fair and proper allocation of the business
35 income and capital reasonably attributed to the city. The party seeking
36 the adjustment shall bear the burden of proof to demonstrate that the
37 receipts fraction determined pursuant to this section does not result in
38 a proper reflection of the taxpayer's business income or capital within
39 the city and that the proposed adjustment is appropriate.

40 12. Receipts from the operation of vessels shall be included in the
41 numerator of the receipts fraction as follows. The amount of receipts
42 from the operation of vessels included in the numerator of the receipts
43 fraction shall be determined by multiplying the amount of such receipts
44 by a fraction, the numerator of which shall be the aggregate number of
45 working days of the vessels owned or leased by the taxpayer in territo-
46 rial waters of the city during the period covered by the taxpayer's
47 report and the denominator of which shall be the aggregate number of
48 working days of all vessels owned or leased by the taxpayer during such
49 period. Receipts from the operation of vessels shall be included in the
50 denominator of the receipts fraction.

51 § 11-654.3 Combined reports. 1. (a) The tax on a combined report shall
52 be the highest of (1) the combined business income multiplied by the tax
53 rate specified in clause (i) of subparagraph one of paragraph (e) of
54 subdivision one of section 11-654 of this subchapter; (2) the combined
55 capital multiplied by the tax rate specified in clause (ii) of subpara-
56 graph one of paragraph (e) of subdivision one of section 11-654 of this

1 subchapter, but not exceeding the limitation provided for in such clause
2 (ii); or (3) the fixed dollar minimum that is attributable to the desig-
3 nated agent of the combined group. In addition, the tax on a combined
4 report shall include the fixed dollar minimum tax specified in clause
5 (iv) of subparagraph one of paragraph (e) of subdivision one of section
6 11-654 of this subchapter for each member of the combined group, other
7 than the designated agent, that is a taxpayer.

8 (b) The combined business income base is the amount of the combined
9 business income of the combined group that is allocated to the city,
10 reduced by any prior net operating loss conversion subtraction and any
11 net operating loss deduction for the combined group. The combined capi-
12 tal base is the amount of the combined capital of the combined group
13 that is allocated to the city.

14 2. (a) Except as provided in paragraph (c) of this subdivision, any
15 taxpayer (1) which owns or controls either directly or indirectly more
16 than fifty percent of the voting power of the capital stock of one or
17 more other corporations, or (2) more than fifty percent of the voting
18 power of the capital stock of which is owned or controlled either
19 directly or indirectly by one or more other corporations, or (3) more
20 than fifty percent of the voting power of the capital stock of which and
21 the capital stock of one or more other corporations, is owned or
22 controlled, directly or indirectly, by the same interests, and (4) that
23 is engaged in a unitary business with those corporations, hereinafter
24 referred to as "related corporations", shall make a combined report with
25 those other corporations.

26 (b) A corporation required to make a combined report within the mean-
27 ing of this section shall also include (1) a captive REIT and a captive
28 RIC; (2) a combinable captive insurance company; and (3) an alien corpo-
29 ration that satisfies the conditions in paragraph (a) of this subdivi-
30 sion if (i) under any provision of the internal revenue code, that
31 corporation is treated as a "domestic corporation" as defined in section
32 seven thousand seven hundred one of the internal revenue code, or (ii)
33 it has effectively connected income for the taxable year pursuant to
34 clause (iii) of the opening paragraph of subdivision eight of section
35 11-652 of this subchapter.

36 (c) A corporation required or permitted to make a combined report
37 under this section does not include (1) a corporation that is taxable
38 under a tax imposed by subchapter two or three of this chapter or chap-
39 ter eleven of this title, except for a vendor of utility services that
40 is taxable under both chapter eleven of this title and this subchapter,
41 or would be taxable under a tax imposed by subchapter two or three of
42 this chapter or chapter eleven of this title, except for a vendor of
43 utility services that is taxable under both chapter eleven of this title
44 and this subchapter, or would have been taxable as an insurance corpo-
45 ration under the former part IV, title R, chapter forty-six of the
46 administrative code as in effect on June thirtieth, nineteen hundred
47 seventy-four; (2) a REIT that is not a captive REIT, and a RIC that is
48 not a captive RIC; or (3) an alien corporation that under any provision
49 of the internal revenue code is not treated as a "domestic corporation"
50 as defined in section seven thousand seven hundred one of such code and
51 has no effectively connected income for the taxable year pursuant to
52 clause (iii) of the opening paragraph of subdivision eight of section
53 11-652 of this subchapter. If a corporation is subject to tax under this
54 subchapter solely as a result of its ownership of a limited partner
55 interest in a limited partnership that is doing business, employing
56 capital, owning or leasing property, or maintaining an office in this

1 city, and none of the corporation's related corporations are subject to
2 tax under this subchapter, such corporation shall not be required or
3 permitted to file a combined report under this section with such related
4 corporations.

5 (d) A combined report shall be filed by the designated agent of the
6 combined group as determined under subdivision seven of this section.

7 3. (a) Subject to the provisions of paragraph (c) of subdivision two
8 of this section, a taxpayer may elect to treat as its combined group all
9 corporations that meet the ownership requirements described in paragraph
10 (a) of subdivision two of this section, such corporations collectively
11 referred to in this subdivision as the "commonly owned group". If that
12 election is made, the commonly owned group shall calculate the combined
13 business income, combined business capital, and fixed dollar minimum
14 amount of all members of the group in accordance with paragraph four of
15 this subdivision, whether or not that business income or business capi-
16 tal is from a single unitary business.

17 (b) The election under this subdivision shall be made on an original,
18 timely filed return, determined with regard to extensions, of the
19 combined group. Any corporation entering a commonly owned group subse-
20 quent to the year of election shall be included in the combined group
21 and is considered to have waived any objection to its inclusion in the
22 combined group.

23 (c) The election shall be irrevocable, and binding for and applicable
24 to the taxable year for which it is made and for the next six taxable
25 years. The election will automatically be renewed for another seven
26 taxable years after it has been in effect for seven taxable years unless
27 it is affirmatively revoked. The revocation shall be made on an
28 original, timely filed return, determined with regard to extensions, for
29 the first taxable year after the completion of a seven year period for
30 which an election under this subdivision was in place. In the case of a
31 revocation, a new election under this subdivision shall not be permitted
32 in any of the immediately following three taxable years. In determining
33 the seven and three year periods described in this paragraph, short
34 taxable years shall not be considered or counted.

35 4. (a) In computing the tax bases for a combined report, the combined
36 group shall generally be treated as a single corporation, except as
37 otherwise provided, and subject to any regulations or guidance issued by
38 the commissioner of finance or the department of finance.

39 (b)(1) In computing combined business income, all intercorporate divi-
40 dends shall be eliminated, and all other intercorporate transactions
41 shall be deferred in a manner similar to the United States treasury
42 department regulations relating to intercompany transactions under
43 section fifteen hundred two of the internal revenue code.

44 (2) In computing combined capital, all intercorporate stockholdings,
45 intercorporate bills, intercorporate notes receivable and payable,
46 intercorporate accounts receivable and payable, and other intercorporate
47 indebtedness, shall be eliminated.

48 (c) Qualification for credits, including any limitations thereon,
49 shall be determined separately for each of the members of the combined
50 group, and shall not be determined on a combined group basis, except as
51 otherwise provided. However, the credits shall be applied against the
52 combined tax of the group. To the extent that a provision of section
53 11-654 of this subchapter, or any other applicable section of this
54 subchapter, limits a credit to the fixed dollar minimum amount
55 prescribed in clause (iv) of subparagraph one of paragraph (e) of subdi-
56 vision one of section 11-654 of this subchapter, such fixed dollar mini-

1 mum amount shall be the fixed dollar minimum amount that is attributable
2 to the designated agent of the combined group.

3 (d)(1) A net operating loss deduction is allowed in computing the
4 combined business income base. Such deduction may reduce the tax on the
5 combined business income base to the higher of the tax on the combined
6 capital or the fixed dollar minimum amount that is attributable to the
7 designated agent of the combined group. A combined net operating loss
8 deduction is equal to the amount of combined net operating loss or loss-
9 es from one or more taxable years that are carried forward or carried
10 back to a particular taxable year. A combined net operating loss is the
11 combined business loss incurred in a particular taxable year multiplied
12 by the combined business allocation percentage for that year determined
13 as provided in subdivision five of this section.

14 (2) The combined net operating loss deduction and combined net operat-
15 ing loss are also subject to the provisions contained in paragraphs (a)
16 through (g) of subdivision three of section 11-654.1 of this subchapter.

17 (3) In the case of a corporation that files a combined report, either
18 in the year the net operating loss is incurred or in the year in which a
19 deduction is claimed on account of the loss, the combined net operating
20 loss deduction is determined as if the combined group is a single corpo-
21 ration and, to the extent possible and not otherwise inconsistent with
22 this subdivision, is subject to the same limitations that would apply
23 for federal income tax purposes under the internal revenue code and the
24 code of federal regulations as if such corporation had filed for such
25 taxable year a consolidated federal income tax return with the same
26 corporations included in the combined report. If a corporation files a
27 combined report, regardless of whether it filed a separate return or
28 consolidated return for federal income tax purposes, the net operating
29 loss and net operating loss deduction for the combined group must be
30 computed as if the corporation had filed a consolidated return for the
31 same corporations for federal income tax purposes.

32 (4) In general, any net operating loss carryover from a year in which
33 a combined report was filed shall be based on the combined net operating
34 loss of the group of corporations filing such report. The portion of the
35 combined loss attributable to any member of the group that files a sepa-
36 rate report for a succeeding taxable year will be an amount bearing the
37 same relation to the combined loss as the net operating loss of such
38 corporation bears to the total net operating loss of all members of the
39 group having such losses to the extent that they are taken into account
40 in computing the combined net operating loss.

41 (d-1) A prior net operating loss conversion subtraction is allowed in
42 computing the combined business income base, as provided in subdivisions
43 one and two of section 11-654.1 of this subchapter. Such subtraction may
44 reduce the tax on combined business income to the higher of the tax on
45 combined capital or the fixed dollar minimum amount that is attributable
46 to the designated agent of the combined group.

47 (e)(i) Any election made pursuant to paragraph (b) of subdivision
48 five, paragraphs (b) and (c) of subdivision five-a of section 11-652 of
49 this subchapter, and paragraph (g) of subdivision three of section
50 11-654.1 of this subchapter shall apply to all members of the combined
51 group.

52 (ii) The determination of whether or not the limitation on investment
53 income provided in subparagraph (iii) of paragraph (a) of subdivision
54 five of section 11-652 of this subchapter to the combined group shall be
55 based on the investment income of the combined group, determined without

1 regard to interest expenses attributable to investment capital or
2 investment income, and the entire net income of the combined group.

3 (f)(1) In the case of a captive REIT or captive RIC required under
4 this section to be included in a combined report, entire net income
5 shall be computed as required under subdivision seven, in the case of a
6 captive REIT, or subdivision eight, in the case of a captive RIC, of
7 section 11-653 of this subchapter. However, the deduction under the
8 internal revenue code for dividends paid by the captive REIT or captive
9 RIC to any member of the affiliated group that includes the corporation
10 that directly or indirectly owns over fifty percent of the voting stock
11 of the captive REIT or captive RIC shall not be allowed. For purposes of
12 this subparagraph, the term "affiliated group" means "affiliated group"
13 as defined in section fifteen hundred four of the internal revenue code,
14 but without regard to the exceptions provided for in subsection (b) of
15 that section.

16 (2) In the case of a combinable captive insurance company required
17 under this section to be included in a combined report, entire net
18 income shall be computed as required by subdivision eight of section
19 11-652 of this subchapter.

20 (g) If more than one member of a combined group is eligible for any of
21 the modifications described in paragraphs (q), (r) or (s) of subdivision
22 eight of section 11-652 of this subchapter, all such members must
23 utilize the same modification.

24 5. (a) In determining the business allocation percentage for a
25 combined report, the receipts, net income, net gains and other items of
26 each member of the combined group, whether or not they are a taxpayer,
27 are included and intercorporate receipts, income and gains are elimi-
28 nated. Receipts, net income, net gains and other items are sourced, and
29 the amounts allowed in the receipts fraction are determined, as provided
30 in section 11-654.2 of this subchapter.

31 (b) An election made to allocate income and gains from qualifying
32 financial instruments pursuant to subparagraph one of paragraph (a) of
33 subdivision five of section 11-654.2 of this subchapter shall apply to
34 all members of the combined group.

35 6. Every member of the combined group that is subject to tax under
36 this article shall be jointly and severally liable for the tax due
37 pursuant to a combined report.

38 7. Each combined group shall appoint a designated agent for the
39 combined group, which shall be a taxpayer. Only the designated agent may
40 act on behalf of the members of the combined group for matters relating
41 to the combined report.

42 § 11-655 Reports. 1. Every corporation having an officer, agent or
43 representative within the city, shall annually on or before March
44 fifteenth for taxable years beginning before January first, two thousand
45 sixteen, and annually on or before April fifteenth for taxable years
46 beginning on or after January first, two thousand sixteen, transmit to
47 the commissioner of finance a report in a form prescribed by the commis-
48 sioner of finance, setting forth such information as the commissioner of
49 finance may prescribe, except that a corporation that reports on the
50 basis of a fiscal year shall transmit such report, for taxable years
51 beginning before January first, two thousand sixteen, within two and
52 one-half months after the close of its fiscal year, and, for taxable
53 years beginning after January first, two thousand sixteen, within three
54 and one-half months after the close of its fiscal year. Every taxpayer
55 that ceases to do business in the city or to be subject to the tax
56 imposed by this subchapter shall transmit to the commissioner of finance

1 a report on the date of such cessation or at such other time as the
2 commissioner of finance may require covering each year or period for
3 which no report was theretofore filed. Every taxpayer shall also trans-
4 mit such other reports and such facts and information as the commis-
5 sioner of finance may require in the administration of this subchapter. The
6 commissioner of finance may grant a reasonable extension of time for
7 filing reports whenever good cause exists.

8 An automatic extension of six months for the filing of its annual
9 report shall be allowed any taxpayer if, within the time prescribed by
10 the opening paragraph of this subdivision, whichever is applicable, such
11 taxpayer files with the commissioner of finance an application for
12 extension in such form as the commissioner of finance may prescribe by
13 regulation and pays on or before the date of such filing the amount
14 properly estimated as its tax.

15 2. Every report shall have annexed thereto a certification by the
16 president, vice-president, treasurer, assistant treasurer, chief
17 accounting officer or another officer of the taxpayer duly authorized so
18 to act to the effect that the statements contained therein are true. In
19 the case of an association, within the meaning of paragraph three of
20 section (a) of section seventy-seven hundred one of the internal revenue
21 code, a publicly-traded partnership treated as a corporation for
22 purposes of the internal revenue code pursuant to section seventy-seven
23 hundred four thereof and any business conducted by a trustee or trustees
24 wherein interest or ownership is evidenced by certificates or other
25 written instruments, such certification shall be made by any person duly
26 authorized so to act on behalf of such association, publicly-traded
27 partnership or business. The fact that an individual's name is signed on
28 a certification of the report shall be prima facie evidence that such
29 individual is authorized to sign and certify the report on behalf of the
30 corporation. Blank forms of reports shall be furnished by the commis-
31 sioner of finance, on application, but failure to secure such a blank
32 shall not release any corporation from the obligation of making any
33 report required by this subchapter.

34 2-a. The commissioner of finance may prescribe regulations and
35 instructions requiring returns of information to be made and filed in
36 conjunction with the reports required to be filed pursuant to this
37 section, relating to payments made to shareholders owning, directly or
38 indirectly, individually or in the aggregate, more than fifty percent of
39 the issued capital stock of the taxpayer, where such payments are treat-
40 ed as payments of interest in the computation of entire net income
41 reported on such reports.

42 3. If the amount of taxable income or other basis of tax for any year
43 of any taxpayer as returned to the United States treasury department or
44 the New York state commissioner of taxation and finance is changed or
45 corrected by the commissioner of internal revenue or other officer of
46 the United States or the New York state commissioner of taxation and
47 finance or other competent authority, or where a renegotiation of a
48 contract or subcontract with the United States or the state of New York
49 results in a change in taxable income or other basis of tax, or where a
50 recovery of a war loss results in a computation or recomputation of any
51 tax imposed by the United States or the state of New York, or if a
52 taxpayer, pursuant to subsection (d) of section sixty-two hundred thir-
53 teen of the internal revenue code, executes a notice of waiver of the
54 restrictions provided in subsection (a) of said section, or if a taxpay-
55 er, pursuant to subsection (f) of section one thousand eighty-one of the
56 tax law, executes a notice of waiver of the restrictions provided in

1 subsection (c) of said section, such taxpayer shall report such changed
2 or corrected taxable income or other basis of tax, or the results of
3 such renegotiation, or such computation, or recomputation, or such
4 execution of such notice of waiver and the changes or corrections of the
5 taxpayer's federal or New York state taxable income or other basis of
6 tax on which it is based, within ninety days, or one hundred twenty
7 days, in the case of a taxpayer making a combined report under this
8 subchapter for such year, after such execution or the final determi-
9 nation of such change or correction or renegotiation, or such computa-
10 tion, or recomputation, or as required by the commissioner of finance,
11 and shall concede the accuracy of such determination or state wherein it
12 is erroneous. The allowance of a tentative carryback adjustment based
13 upon a net operating loss carryback or net capital loss carryback pursu-
14 ant to section sixty-four hundred eleven of the internal revenue code
15 shall be treated as a final determination for purposes of this subdivi-
16 sion. Any taxpayer filing an amended return with such department shall
17 also file within ninety days, or one hundred twenty days, in the case of
18 a taxpayer making a combined report under this subchapter for such year,
19 thereafter an amended report with the commissioner of finance.

20 4. The provisions of section 11-654.3 of this subchapter shall apply
21 to combined reports.

22 5. In case it shall appear to the commissioner of finance that any
23 agreement, understanding or arrangement exists between the taxpayer and
24 any other corporation or any person or firm, whereby the activity, busi-
25 ness, income or capital of the taxpayer within the city is improperly or
26 inaccurately reflected, the commissioner of finance is authorized and
27 empowered, in its discretion and in such manner as it may determine, to
28 adjust items of income, deductions and capital, and to eliminate assets
29 in computing any allocation percentage provided only that any income
30 directly traceable thereto be also excluded from entire net income, so
31 as equitably to determine the tax. Where (a) any taxpayer conducts its
32 activity or business under any agreement, arrangement or understanding
33 in such manner as either directly or indirectly to benefit its members
34 or stockholders, or any of them, or any person or persons directly or
35 indirectly interested in such activity or business, by entering into any
36 transaction at more or less than a fair price which, but for such agree-
37 ment, arrangement or understanding, might have been paid or received
38 therefor, or (b) any taxpayer, a substantial portion of whose capital
39 stock is owned either directly or indirectly by another corporation,
40 enters into any transaction with such other corporation on such terms as
41 to create an improper loss or net income, the commissioner of finance
42 may include in the entire net income of the taxpayer the fair profits,
43 which, but for such agreement, arrangement or understanding, the taxpay-
44 er might have derived from such transaction. Where any taxpayer owns,
45 directly or indirectly, more than fifty percent of the capital stock of
46 another corporation subject to tax under section fifteen hundred two-a
47 of the tax law and fifty percent or less of whose gross receipts for the
48 taxable year consist of premiums, the commissioner of finance may
49 include in the entire net income of the taxpayer, as a deemed distrib-
50 ution, the amount of the net income of the other corporation that is in
51 excess of its net premium income.

52 6. An action may be brought at any time by the corporation counsel at
53 the instance of the commissioner of finance to compel the filing of
54 reports due under this subchapter.

55 7. Reports shall be preserved for five years, and thereafter until the
56 commissioner of finance orders them to be destroyed.

1 8. Where the New York state commissioner of taxation and finance
2 changes or corrects a taxpayer's sales and compensating use tax liabil-
3 ity with respect to the purchase or use of items for which a sales or
4 compensating use tax credit against the tax imposed by this subchapter
5 was claimed, the taxpayer shall report such change or correction to the
6 commissioner of finance within ninety days of the final determination of
7 such change or correction, or as required by the commissioner of
8 finance, and shall concede the accuracy of such determination or state
9 wherein it is erroneous. Any taxpayer filing an amended return or report
10 relating to the purchase or use of such items shall also file within
11 ninety days thereafter a copy of such amended return or report with the
12 commissioner of finance.

13 § 11-656 Payment and lien of tax. 1. To the extent the tax imposed by
14 section 11-653 of this subchapter shall not have been previously paid
15 pursuant to section 11-658 of this subchapter:

16 (a) such tax, or the balance thereof, shall be payable to the commis-
17 sioner of finance in full at the time the report is required to be
18 filed; and

19 (b) such tax, or the balance thereof, imposed on any taxpayer which
20 ceases to do business in the city or to be subject to the tax imposed by
21 this subchapter shall be payable to the commissioner of finance at the
22 time the report is required to be filed; all other taxes of any such
23 taxpayer, which pursuant to the this subdivision would otherwise be
24 payable subsequent to the time such report is required to be filed,
25 shall nevertheless be payable at such time. If the taxpayer, within the
26 time prescribed by section 11-655 of this subchapter, shall have applied
27 for an automatic extension of time to file its annual report and shall
28 have paid to the commissioner of finance on or before the date such
29 application is filed an amount properly estimated as provided by said
30 section, the only amount payable in addition to the tax shall be inter-
31 est at the underpayment rate set by the commissioner of finance pursuant
32 to section 11-687 of this chapter, or, if no rate is set, at the rate of
33 seven and one-half percent per annum upon the amount by which the tax,
34 or the portion thereof payable on or before the date the report was
35 required to be filed, exceeds the amount so paid, provided that:

36 (1) an amount so paid shall be deemed properly estimated if it is
37 either: (i) not less than ninety percent of the tax as finally deter-
38 mined, or (ii) not less than the tax shown on the taxpayer's report for
39 the preceding taxable year, if such preceding year was a taxable year of
40 twelve months; and

41 (2) the time when a report is required to be filed shall be determined
42 without regard to any extension of time for filing such report.

43 2. The commissioner of finance may grant a reasonable extension of
44 time for payment of any tax imposed by this subchapter under such condi-
45 tions as the commissioner of finance deems just and proper.

46 3. Intentionally omitted.

47 § 11-657 Declaration of estimated tax. 1. Every taxpayer subject to
48 the tax imposed by section 11-653 of this subchapter shall make a decla-
49 ration of its estimated tax for the current privilege period, containing
50 such information as the commissioner of finance may prescribe by regu-
51 lations or instructions, if such estimated tax can reasonably be
52 expected to exceed one thousand dollars.

53 2. The term "estimated tax" means the amount which a taxpayer esti-
54 mates to be the tax imposed by section 11-653 of this subchapter for the
55 current privilege period, less the amount which it estimates to be the
56 sum of any credits allowable against the tax.

1 3. In the case of a taxpayer which reports on the basis of a calendar
2 year, a declaration of estimated tax shall be filed on or before June
3 fifteenth of the current privilege period, except that if the require-
4 ments of subdivision one of this section are first met:

5 (a) after May thirty-first and before September first of such current
6 privilege period, the declaration shall be filed on or before September
7 fifteenth; or

8 (b) after August thirty-first and before December first of such
9 current privilege period, the declaration shall be filed on or before
10 December fifteenth.

11 4. A taxpayer may amend a declaration under regulations of the commis-
12 sioner of finance.

13 5. If, on or before February fifteenth of the succeeding year in the
14 case of a taxpayer which reports on the basis of a calendar year, a
15 taxpayer files its report for the year for which the declaration is
16 required, and pays therewith the balance, if any, of the full amount of
17 the tax shown to be due on the report:

18 (a) such report shall be considered as its declaration if no declara-
19 tion is required to be filed during the calendar or fiscal year for
20 which the tax was imposed, but is otherwise required to be filed on or
21 before December fifteenth pursuant to subdivision three of this section;
22 and

23 (b) such report shall be considered as the amendment permitted by
24 subdivision four of this section to be filed on or before December
25 fifteenth if the tax shown on the report is greater than the estimated
26 tax shown on a declaration previously made.

27 6. This section shall apply to privilege periods of twelve months
28 other than a calendar year by the substitution of the months of such
29 fiscal year for the corresponding months specified in this section.

30 7. If the privilege period for which a tax is imposed by section
31 11-653 of this subchapter is less than twelve months, every taxpayer
32 required to make a declaration of estimated tax for such privilege peri-
33 od shall make such a declaration in accordance with regulations of the
34 commissioner of finance.

35 8. The commissioner of finance may grant a reasonable extension of
36 time, not to exceed three months, for the filing of any declaration
37 required pursuant to this section, on such terms and conditions as it
38 may require.

39 § 11-658 Payments on account of estimated tax. 1. For taxable years
40 beginning before January first, two thousand sixteen, every taxpayer
41 subject to the tax imposed by section 11-653 of this subchapter shall
42 pay with the report required to be filed for the preceding privilege
43 period, if any, or with an application for extension of the time and
44 filing such report, an amount equal to twenty-five per centum of the
45 preceding year's tax if such preceding year's tax exceeded one thousand
46 dollars. For taxable years beginning on or after January first, two
47 thousand sixteen, every taxpayer subject to the tax imposed by section
48 11-653 of this subchapter shall pay on or before the fifteenth day of
49 March next succeeding the close of each such calendar year, or, in the
50 case of a taxpayer that reports on the basis of a fiscal year, within
51 two and one-half months after the close of each such fiscal year an
52 amount equal to twenty-five per centum of the second preceding year's
53 tax if the second preceding year's tax exceeded one thousand dollars.

54 2. The estimated tax with respect to which a declaration for such
55 privilege period is required shall be paid, in the case of a taxpayer
56 which reports on the basis of a calendar year, as follows:

1 (a) If the declaration is filed on or before June fifteenth, the esti-
2 mated tax shown thereon, after applying thereto the amount, if any, paid
3 during the same privilege period pursuant to subdivision one of this
4 section, shall be paid in three equal installments. One of such install-
5 ments shall be paid at the time of the filing of the declaration, one
6 shall be paid on the following September fifteenth, and one on the
7 following December fifteenth.

8 (b) If the declaration is filed after June fifteenth and not after
9 September fifteenth of such privilege period, and is not required to be
10 filed on or before June fifteenth of such period, the estimated tax
11 shown on such declaration, after applying thereto the amount, if any,
12 paid during the same privilege period pursuant to subdivision one of
13 this section, shall be paid in two equal installments. One of such
14 installments shall be paid at the time of the filing of the declaration
15 and one shall be paid on the following December fifteenth.

16 (c) If the declaration is filed after September fifteenth of such
17 privilege period, and is not required to be filed on or before September
18 fifteenth of such privilege period, the estimated tax shown on such
19 declaration, after applying thereto the amount, if any, paid in respect
20 to such privilege period pursuant to subdivision one of this section,
21 shall be paid in full at the time of the filing of the declaration.

22 (d) If the declaration is filed after the time prescribed therefor, or
23 after the expiration of any extension of time therefor, paragraphs (b)
24 and (c) of this subdivision shall not apply, and there shall be paid at
25 the time of such filing all installments of estimated tax payable at or
26 before such time, and the remaining installments shall be paid at the
27 times at which, and in the amounts in which, they would have been paya-
28 ble if the declaration had been filed when due.

29 3. If any amendment of a declaration is filed, the remaining install-
30 ments, if any, shall be ratably increased or decreased, as the case may
31 be, to reflect any increase or decrease in the estimated tax by reason
32 of such amendment, and if any amendment is made after September
33 fifteenth of the privilege period, any increase in the estimated tax by
34 reason thereof shall be paid at the time of making such amendment.

35 4. Any amount paid shall be applied after payment as a first install-
36 ment against the estimated tax of the taxpayer for the current privilege
37 period shown on the declaration required to be filed pursuant to section
38 11-657 of this subchapter or, if no declaration of estimated tax is
39 required to be filed by the taxpayer pursuant to such section, any such
40 amount shall be considered a payment on account of the tax shown on the
41 report required to be filed by the taxpayer for such privilege period.

42 5. Notwithstanding the provisions of section 11-679 of this chapter or
43 of section three-a of the general municipal law, if an amount paid
44 pursuant to subdivision one of this section exceeds the tax shown on the
45 report required to be filed by the taxpayer for the privilege period
46 during which the amount was paid, interest shall be allowed and paid on
47 the amount by which the amount so paid pursuant to such subdivision
48 exceeds such tax, at the overpayment rate set by the commissioner of
49 finance pursuant to section 11-687 of this chapter, or, if no rate is
50 set, at the rate of four percent per annum from the date of payment of
51 the amount so paid pursuant to such subdivision to the fifteenth day of
52 the third month following the close of the privilege period, provided,
53 however, that no interest shall be allowed or paid under this subdivi-
54 sion if the amount thereof is less than one dollar or if such interest
55 becomes payable solely because of a carryback of a net operating loss in
56 a subsequent privilege period.

1 6. As used in this section, "the preceding year's tax" means the tax
2 imposed upon the taxpayer by section 11-653 of this subchapter for the
3 preceding calendar or fiscal year, or, for purposes of computing the
4 first installment of estimated tax when either the mandatory first
5 installment is paid pursuant to subdivision one of this section or an
6 application has been filed for extension of the time for filing the
7 report required to be filed for such preceding calendar or fiscal year,
8 the amount properly estimated pursuant to section 11-657 of this
9 subchapter as the tax imposed upon the taxpayer for such calendar or
10 fiscal year. As used in this section, "the second preceding year's tax"
11 means the tax imposed upon the taxpayer by section 11-653 of this
12 subchapter for the second preceding calendar or fiscal year.

13 7. This section shall apply to a privilege period of less than twelve
14 months in accordance with regulations of the commissioner of finance.

15 8. The provisions of this section shall apply to privilege periods of
16 twelve months other than a calendar year by the substitution of the
17 months of such fiscal year for the corresponding months specified in
18 such provisions.

19 9. The commissioner of finance may grant a reasonable extension of
20 time, not to exceed six months, for payment of any installment of esti-
21 mated tax required pursuant to this section, on such terms and condi-
22 tions as the commissioner of finance may require including the furnish-
23 ing of a bond or other security by the taxpayer in an amount not
24 exceeding twice the amount for which any extension of time for payment
25 is granted, provided, however, that interest at the underpayment rate
26 set by the commissioner of finance pursuant to section 11-687 of this
27 subchapter, or, if no rate is set, at the rate of seven and one-half
28 percent per annum for the period of the extension shall be charged and
29 collected on the amount for which any extension of time for payment is
30 granted under this subdivision.

31 10. A taxpayer may elect to pay any installment of estimated tax prior
32 to the date prescribed in this section for payment thereof.

33 11. Intentionally omitted.

34 § 11-659 Collection of taxes. Every foreign corporation, other than a
35 moneyed corporation, subject to the provisions of this subchapter,
36 except a corporation having authority to do business by virtue of
37 section thirteen hundred five of the business corporation law, shall
38 file in the department of state a certificate of designation in its
39 corporate name, signed and acknowledged by its president or a vice-pre-
40 sident or its secretary or treasurer, under its corporate seal, desig-
41 nating the secretary of state as its agent upon whom process in any
42 action provided for by this subchapter may be served within this state,
43 and setting forth an address to which the secretary of state shall mail
44 a copy of any such process against the corporation which may be served
45 upon the secretary of state. In case any such corporation shall have
46 failed to file such certificate of designation, it shall be deemed to
47 have designated the secretary of state as its agent upon whom such proc-
48 ess against it may be served; and until a certificate of designation
49 shall have been filed the corporation shall be deemed to have directed
50 the secretary of state to mail copies of process served upon him or her
51 to the corporation at its last known office address within or without
52 the state. When a certificate of designation has been filed by such
53 corporation the secretary of state shall mail copies of process there-
54 after served upon the secretary of state to the address set forth in
55 such certificate. Any such corporation, from time to time, may change
56 the address to which the secretary of state is directed to mail copies

1 of process, by filing a certificate to that effect executed, signed and
2 acknowledged in like manner as a certificate of designation as herein
3 provided. Service of process upon any such corporation or upon any
4 corporation having a certificate of authority under section eight
5 hundred five of the limited liability company law or having authority to
6 do business by virtue of section thirteen hundred five of the business
7 corporation law, in any action commenced at any time pursuant to the
8 provisions of this subchapter, may be made by either: (a) personally
9 delivering to and leaving with the secretary of state, a deputy secre-
10 tary of state or with any person authorized by the secretary of state to
11 receive such service duplicate copies thereof at the office of the
12 department of state in the city of Albany, in which event the secretary
13 of state shall forthwith send by registered mail, return receipt
14 requested, one of such copies to the corporation at the address desig-
15 nated by it or at its last known office address within or without the
16 state, or (b) personally delivering to and leaving with the secretary of
17 state, a deputy secretary of state or with any person authorized by the
18 secretary of state to receive such service, a copy thereof at the office
19 of the department of state in the city of Albany and by delivering a
20 copy thereof to, and leaving such copy with, the president, vice-presi-
21 dent, secretary, assistant secretary, treasurer, assistant treasurer, or
22 cashier of such corporation, or the officer performing corresponding
23 functions under another name, or a director or managing agent of such
24 corporation, personally without the state. Proof of such personal
25 service without the state shall be filed with the clerk of the court in
26 which the action is pending within thirty days after such service, and
27 such service shall be complete ten days after proof thereof is filed.

28 § 11-660 Limitations of time. The provisions of the civil practice law
29 and rules relative to the limitation of time enforcing a civil remedy
30 shall not apply to any proceeding or action taken to levy, appraise,
31 assess, determine or enforce the collection of any tax or penalty
32 prescribed by this subchapter, provided, however, that as to real estate
33 in the hands of persons who are owners thereof who would be purchasers
34 in good faith but for such tax or penalty and as to the lien on real
35 estate of mortgages held by persons who would be holders thereof in good
36 faith but for such tax or penalty, all such taxes and penalties shall
37 cease to be a lien on such real estate as against such purchasers or
38 holders after the expiration of ten years from the date such taxes
39 became due and payable. The limitations herein provided for shall not
40 apply to any transfer from a corporation to a person or corporation with
41 intent to avoid payment of any taxes, or where with like intent the
42 transfer is made to a grantee corporation, or any subsequent grantee
43 corporation, controlled by such grantor or which has any community of
44 interest with it, either through stock ownership or otherwise.

SUBCHAPTER 4
TRANSPORTATION CORPORATION TAX

47 § 11-662 Tax on transportation corporations and associations. 1.
48 The term "corporation" as used in this subchapter shall include any
49 business conducted by a trustee or trustees wherein interest or owner-
50 ship is evidenced by certificates or other written instruments.
51 2. For the privilege of doing business or holding property in the
52 city every corporation, joint-stock company or association formed for or
53 principally engaged in the conduct of aviation, steamboat, ferry, except
54 a ferry company operating between the city of Staten Island and any of

1 the boroughs of the city of New York under a lease granted by the city
2 of New York, or navigation business, or formed for or principally
3 engaged in the conduct of two or more of such businesses, except a
4 corporation, joint-stock company or association subject to taxation
5 under chapter eleven of this title, shall pay, in advance, an annual tax
6 to be computed upon the basis of the amount of its capital stock within
7 the city during the preceding year, and upon each dollar of such amount.

8 3. The measure of the amount of capital stock in the city, except as
9 hereinafter provided, shall be such a portion of the issued capital
10 stock as the gross assets, exclusive of obligations issued by the United
11 States and cash on hand and on deposit, employed in any business within
12 the city, bear to the gross assets, exclusive of obligations issued by
13 the United States and cash on hand and on deposit, wherever employed in
14 business. Provided, however, that in the case of a corporation taxable
15 hereunder only for the privilege of holding property, the measure shall
16 be such a portion of the issued capital stock as the gross assets,
17 exclusive of obligations issued by the United States and cash on hand
18 and on deposit, located within the city, bear to the gross assets,
19 exclusive of obligations issued by the United States and cash on hand
20 and on deposit, wherever located. The capital of a corporation invested
21 in the stock of another corporation shall be deemed to be assets located
22 where the assets of the issuing corporation, other than patents, copy-
23 rights, trademarks, contracts and good will, are located.

24 4. Every corporation, joint-stock company or association subject to
25 taxation under this section shall, in any event, pay annually, for taxa-
26 ble years ending on or before December thirty-first, nineteen hundred
27 seventy-four, a minimum tax of not less than ten dollars nor less than
28 one mill, and for taxable years beginning on or after January first,
29 nineteen hundred seventy-five, a minimum tax of not less than fifteen
30 dollars nor less than one and one-half mills, on each dollar of such a
31 portion of the net value of its issued capital stock, which net value
32 for the purposes of this section shall be deemed to be not less than
33 five dollars per share, as may be determined upon such of the bases
34 herein provided for the measurement thereof as is applicable. The term
35 "net value" as used in this section shall be construed to mean not less
36 than the difference between a corporation's assets and liabilities, and
37 not less than the average price at which such stock sold during the year
38 covered by the report which forms the basis for the tax. But if the
39 dividends paid on the par value of any kind of capital stock during any
40 year ending with the thirty-first day of December amounts to six or more
41 than six per centum, the tax upon such kind of capital stock shall be at
42 the rate of one-quarter of a mill for taxable years ending on or before
43 December thirty-first, nineteen hundred seventy-four, and at the rate of
44 four-tenths of a mill for taxable years beginning on or after January
45 first, nineteen hundred seventy-five for each one per centum of divi-
46 dends paid and shall be computed upon the par value of such capital
47 stock, unless such a tax be less than the minimum tax hereinbefore
48 provided in this section and the commissioner of finance shall, for such
49 purpose, make a fair and equitable apportionment of the assets of the
50 corporation, joint-stock company or association, between or among the
51 different kinds of stock.

52 5. If such corporation, joint-stock company or association shall have
53 more than one kind of capital stock, and upon one of such kinds of stock
54 a dividend or dividends amounting to six or more than six per centum
55 upon the par value thereof, has been paid, and upon the other no divi-
56 dend has been paid, or the dividend or dividends paid thereon amount to

1 less than six per centum upon the par value thereof, then the tax shall
2 be fixed upon each kind as hereinbefore provided.

3 6. The dividend rate for a corporation having stock without nominal or
4 par value shall be determined by dividing the amount paid as a dividend
5 or dividends during the year by the amount paid in on such stock and, if
6 the rate is six per centum or more, then for taxable years ending on or
7 before December thirty-first, nineteen hundred seventy-four, the rate of
8 one-quarter of a mill for each one per centum of dividends shall be
9 applied to the amount paid in on such stock, and for taxable years
10 beginning on or after January first, nineteen hundred seventy-five, the
11 rate of four-tenths of a mill for each one per centum of dividends shall
12 be applied to the amount paid in on such stock, unless such tax be less
13 than the minimum tax hereinbefore in this section provided for. Any
14 consideration given by a corporation for the purchase of its own stock
15 in excess of the consideration received by it for the issuance of such
16 stock shall for the purposes of this section, be considered as a divi-
17 dend.

18 7. The owning or holding in the city by any corporation of property,
19 other than property exclusively in interstate or foreign commerce, shall
20 constitute carrying on business within the city within the intent of
21 this section, except that a corporation having no property in the city
22 other than a bank balance or stocks or bonds, or one or more of such
23 kinds of property, either held for safe keeping or pledged as collateral
24 security shall not be taxable under this section, and further provided
25 that any corporation having only office furniture or fixtures, a bank
26 balance, and stocks or bonds pledged as collateral security or merely
27 deposited for safe keeping, shall not be taxable under this section.

28 8. The measure of the amount of capital stock in the city of an
29 aviation corporation shall be a portion of the issued capital stock
30 determined by applying thereto the arithmetical average of the following
31 three ratios: (a) the ratio which the aircraft arrivals and departures
32 within the city scheduled by any such corporation during the preceding
33 calendar year bear to the total aircraft arrivals and departures within
34 and without the city scheduled by it during the same period, provided
35 that in the case of non-scheduled operations all arrivals and departures
36 shall be substituted for scheduled arrivals and departures; (b) the
37 ratio which the revenue tons handled by such corporation at airports
38 within the city during the preceding calendar year bear to the total
39 revenue tons handled by it at airports within and without the city
40 during the same period; and (c) the ratio which such corporation's orig-
41 inating revenue within the city for the preceding calendar years bears
42 to its total originating revenue within and without the city for the
43 same period. As used in this section, the term "aircraft arrivals and
44 departures" means the number of scheduled landings and takeoffs of the
45 aircraft of an aviation corporation, and the number of scheduled air
46 pickups and deliveries by the aircraft of such corporation, and in the
47 case of non-scheduled operations shall include all landings and
48 takeoffs, pickups and deliveries; the term "originating revenue" means
49 revenue to any such corporation from the transportation of revenue
50 passengers and revenue property first received by such corporation
51 either as originating or connecting traffic at airports; and the term
52 "revenue tons handled" by any such corporation at an airport means the
53 weight in tons of revenue passengers, at two hundred pounds per passen-
54 ger, and revenue cargo first received either as originating or connect-
55 ing traffic or finally discharged by such corporation at such airport.

1 9. The measure of the capital stock in the city of a corporation
2 engaged in the operation of vessels in foreign commerce shall be such
3 portion of the issued capital stock as the aggregate number of working
4 days in territorial waters of the city of all such vessels bears to the
5 aggregate number of working days of all such vessels. The dividend rate
6 for such a corporation shall be determined by dividing the amount paid
7 as a dividend or dividends on all classes of stock during the year by
8 the amount of paid-in capital and, if the rate is six per centum or
9 more, then for taxable years ending on or before December thirty-first,
10 nineteen hundred seventy-four, the rate of one-quarter of a mill for
11 each one per centum of dividends shall be applied to the amount of such
12 paid-in capital, and for taxable years beginning on or after January
13 first, nineteen hundred seventy-five, the rate of four-tenths of a mill
14 for each one per centum of dividends shall be applied to the amount of
15 such paid-in capital.

16 § 11-663 Additional tax on transportation corporations and associ-
17 ations. Every corporation, joint-stock company or association formed
18 for or principally engaged in the conduct of aviation, steamboat, ferry,
19 except a ferry company operating between the city of Staten Island and
20 any of the boroughs of the city of New York under a lease granted by the
21 city of New York, or navigation business or formed for or principally
22 engaged in the conduct of two or more of such businesses, except a
23 corporation, joint-stock company or association subject to taxation
24 under chapter eleven of this title, shall pay for the privilege of
25 carrying on its business in the city, a tax which shall be equal to
26 five-tenths of one per centum for taxable years ending on or before
27 December thirty-first, nineteen hundred seventy-four, and seventy-five
28 hundredths of one per centum for taxable years beginning on or after
29 January first, nineteen hundred seventy-five upon its gross earnings
30 from all sources within the city, excluding earnings derived from busi-
31 ness of a character other than wholly intra-city. Provided, however,
32 gross earnings from transportation business both originating and termi-
33 nating within the city and traversing both the city and any other city,
34 any state or states or any country shall be subject to the tax imposed
35 by this section and such earnings shall be allocated to the city in the
36 same ratio that the mileage within the city bears to the total mileage
37 of such business.

38 § 11-664 Receivers, etc., conducting corporate business. Any receiv-
39 er, liquidator, referee, trustee, assignee, or other fiduciary or offi-
40 cer or agent appointed by any court, who conducts the business of any
41 corporation, joint-stock company or association shall be subject to the
42 tax or taxes imposed by this subchapter in the same manner and to the
43 same extent as if the business were conducted by the agents or officers
44 of such corporation, joint-stock company or association. A dissolved
45 corporation, joint-stock company or association which continues to
46 conduct business shall also be subjected to the tax imposed by this
47 subchapter.

48 § 11-665 Service of process; limitation of time. 1. Every foreign
49 corporation, other than a moneyed corporation, subject to the provisions
50 of this subchapter, except a corporation having authority to do business
51 by virtue of section thirteen hundred five of the business corporation
52 law, shall file in the department of state a certificate of designation
53 in its corporate name, signed and acknowledged by its president or vice-
54 president or its secretary or treasurer, under its corporate seal,
55 designating the secretary of state as its agent upon whom process in any
56 action provided for by this subchapter or subchapter five of this chap-

1 ter may be served within this state, and setting forth an address to
2 which the secretary of state shall mail a copy of any such process
3 against the corporation which may be served upon the secretary of state.
4 In case any such corporation shall have failed to file such certificate
5 of designation, it shall be deemed to have designated the secretary of
6 state as its agent upon whom such process against it may be served; and
7 until a certificate of designation shall have been filed the corporation
8 shall be deemed to have directed the secretary of state to mail copies
9 of process served upon the secretary of state to the corporation at its
10 last known office address within or without the state. When a certif-
11 icate of designation has been filed by such corporation the secretary of
12 state shall mail copies of process thereafter served upon the secretary
13 of state to the address set forth in such certificate. Any such corpo-
14 ration, from time to time, may change the address to which the secretary
15 of state is directed to mail copies of process, by filing a certificate
16 to that effect executed, signed and acknowledged in like manner as a
17 certificate of designation as herein provided. Service of process upon
18 any such corporation or upon any corporation having authority to do
19 business by virtue of section thirteen hundred five of the business
20 corporation law, in any action commenced at any time pursuant to the
21 provisions of this subchapter or subchapter five of this chapter may be
22 made by either: (1) personally delivering to and leaving with the secre-
23 tary of state, a deputy secretary of state or with any person authorized
24 by the secretary of state to receive such service duplicate copies ther-
25 eof at the office of the department of state in the city of Albany, in
26 which event the secretary of state shall forthwith send by registered
27 mail, return receipt requested, one of such copies to the corporation at
28 the address designated by it or at its last known office address within
29 or without the state, or (2) personally delivering to and leaving with
30 the secretary of state, a deputy secretary of state or with any person
31 authorized by the secretary of state to receive such service, a copy
32 thereof at the office of the department of state in the city of Albany
33 and by delivering a copy hereof to, and leaving such copy with, the
34 president, vice-president, secretary, assistant secretary, treasurer,
35 assistant treasurer, or cashier of such corporation, or the officer
36 performing corresponding functions under another name, or a director or
37 managing agent of such corporation, personally without the state. Proof
38 of such personal service without the state shall be filed with the clerk
39 of the court in which the action is pending within thirty days after
40 such service, and such service shall be complete ten days after proof
41 thereof is filed.

42 2. The provisions of the civil practice law and rules relative to the
43 limitation of time of enforcing a civil remedy shall not apply to any
44 proceeding or action taken to levy, appraise, assess, determine or
45 enforce the collection of any tax or penalty prescribed by this subchap-
46 ter or subchapter five of this chapter, provided, however, that as to
47 real estate in the hands of persons who are owners thereof who would be
48 purchasers in good faith but for such tax or penalty and as to the lien
49 on real estate of mortgages held by persons who would be holders thereof
50 in good faith but for such tax or penalty, all such taxes and penalties
51 shall cease to be a lien on such real estate as against such purchasers
52 or holders after the expiration of ten years from the date such taxes
53 become due and payable. The limitations provided for in this subdivi-
54 sion shall not apply to any transfer from a corporation to a person or
55 corporation with intent to avoid payment of any taxes, or where with
56 like intent the transfer is made to a grantee corporation, or any subse-

1 quent grantee corporation controlled by such grantor or which has any
2 community of interest with it, either through stock ownership or other-
3 wise.

4 § 11-666 Exemption of corporations owned by a municipality. The
5 provisions of this subchapter shall not apply to any corporation all of
6 the capital stock of which is owned by a municipal corporation of this
7 state.

8 § 11-667 Reports of corporations. Corporations liable to pay a tax
9 under this subchapter shall report as follows:

10 1. Every corporation, association or joint-stock company liable to pay
11 a tax under section 11-662 of this subchapter shall, on or before March
12 first in each year, make a written report to the commissioner of finance
13 of its condition at the close of its business on the preceding December
14 thirty-first, stating the amount of its authorized capital stock, the
15 amount of stock paid-in, the date and rate per centum of each dividend
16 paid by it during the year ending with such day, the entire amount of
17 the capital of such corporation, and the capital employed by it in the
18 city during such year.

19 2. Every corporation, joint-stock company or association liable to pay
20 an additional tax under section 11-663 of this subchapter shall also, on
21 or before February fifteenth, May fifteenth, August fifteenth and Novem-
22 ber fifteenth in each year, make a written report to the commissioner of
23 finance of the amount of its gross earnings subject to the tax imposed
24 by said section for the quarter year ended on the last day of the second
25 month preceding that in which the report is required to be filed. Any
26 such corporation, joint-stock company or association which ceases to be
27 subject to the tax imposed by section 11-663 of this subchapter by
28 reason of a liquidation, dissolution, merger or consolidation with any
29 other corporation, or any other cause, shall, on the date of such cessa-
30 tion or at such other time as the commissioner of finance may require,
31 make a written report to the commissioner of finance of the amount of
32 its gross earnings subject to the tax imposed by section 11-663 of this
33 subchapter for any period for which no report was therefor filed.

34 3. The commissioner of finance may for good cause shown extend the
35 time within which any corporation is required to report by this subchap-
36 ter.

37 4. Every report required by this subchapter shall have annexed thereto
38 a certification by the president, vice-president, treasurer, assistant
39 treasurer, or chief accounting officer or any other officer of the
40 corporation, association or joint-stock company duly authorized so to
41 act, or of the person or one of the persons, or the members of the part-
42 nership making the same, to the effect that the statements contained
43 therein are true. The fact that an individual's name is signed on a
44 certification attached to a corporate report shall be prima facie
45 evidence that such individual is authorized to certify the report on
46 behalf of the corporation. Such reports shall contain any other data,
47 information or matter which the commissioner of finance may require to
48 be included therein, and it may prescribe the form in which such reports
49 shall be made. When so prescribed such forms shall be used in making
50 the report. The commissioner of finance may require at any time a
51 further or supplemental report under this subchapter which shall contain
52 information and data upon such matters as the commissioner of finance
53 may specify. Reports shall be preserved for five years, and thereafter
54 until the commissioner of finance orders them to be destroyed.

55 § 11-668 Payment of tax and penalties. 1. The taxes imposed by
56 sections 11-662 and 11-663 of this subchapter shall be due and payable

1 at the time of the filing of the report required by section 11-667 of
2 this subchapter or, in case such a report is not filed when due, on the
3 last day specified for the filing thereof, except that the tax upon
4 dividends imposed by section 11-663 of this subchapter shall be due and
5 payable at the time of filing the report for the period ending June
6 thirtieth, or, in case such report is not filed when due, on the last
7 day specified for the filing thereof.

8 2. Where an application for consent to dissolution, as provided by
9 section one thousand four of the business corporation law, is filed with
10 the commissioner of finance prior to the commencement of any tax year or
11 period by a corporation subject to tax under this subchapter, such
12 corporation shall not be liable for any tax imposed by this subchapter
13 for such following year or period, except as may be otherwise provided
14 in section 11-664 of this subchapter, provided that the certificate of
15 dissolution for such corporation is duly filed in the office of the
16 secretary of state within twenty days after the filing of such applica-
17 tion.

18 3. Notwithstanding any other provision of this subchapter, the commis-
19 sioner of finance may grant a reasonable extension of time for payment
20 of any tax imposed by this subchapter under such conditions as the
21 commissioner deems just and proper.

22 § 11-669 Taxable years to which taxes apply. The taxes imposed by
23 this subchapter are imposed for each taxable year or period beginning
24 with taxable years or periods ending in or with the calendar year nine-
25 teen hundred sixty-six, provided, however, no tax shall be imposed
26 pursuant to this subchapter for any taxable year or period ending after
27 December thirty-first, nineteen hundred eighty-eight.

28 § 11-670 First reports for payments for nineteen hundred sixty-six.
29 If any report under this subchapter is due prior to September eleventh,
30 nineteen hundred sixty-six, such report and the payments therewith shall
31 be filed and paid by such date.

32 SUBCHAPTER 5
33 CORPORATE TAX PROCEDURE AND ADMINISTRATION

34 § 11-671 Application of subchapter. 1. General. The provisions of
35 this subchapter shall apply to the administration of and the procedures
36 with respect to the taxes imposed by subchapters two, three, three-A and
37 four of this chapter.

38 2. Definitions. As used in this subchapter: (a) the term "named
39 subchapters" means subchapters two, three, three-A and four of this
40 chapter;

41 (b) The term "return" means a report or return of tax, but does not
42 include a declaration of estimated tax;

43 (c) The term "corporation" includes a corporation, association, joint-
44 stock company or other entity subject to tax under any of the named
45 subchapters; and

46 (d) The term "person" includes a corporation, association, company,
47 partnership, estate, trust, liquidator, fiduciary or other entity or
48 individual liable for the tax imposed by any of the named subchapters or
49 under a duty to perform an act under any of the named subchapters. Upon
50 notice to the commissioner of finance that any person is acting for any
51 corporation in a fiduciary capacity, such fiduciary shall assume the
52 powers, rights, duties and privileges of such corporation in respect of
53 a tax imposed by any of the named subchapters, except as otherwise
54 specifically provided and except that the tax shall be collected from

1 the estate or other assets of such corporation in the hands of such
2 fiduciary, until notice is given that the fiduciary capacity has termi-
3 nated.

4 § 11-672 Notice of deficiency. 1. General. If upon examination of a
5 taxpayer's return, the commissioner of finance determines that there is
6 a deficiency of tax, the commissioner may mail a notice of deficiency to
7 the taxpayer. If a taxpayer fails to file a tax return, the commissioner
8 of finance is authorized to estimate the taxpayer's city tax liability
9 from any information in the commissioner's possession, and to mail a
10 notice of deficiency to the taxpayer. A notice of deficiency shall be
11 mailed by certified or registered mail to the taxpayer, at its last
12 known address in or out of the city. If the taxpayer has terminated its
13 existence, a notice of deficiency may be mailed to its last known
14 address in or out of the city, and such notice shall be sufficient for
15 purposes of this subchapter. If the commissioner of finance has received
16 notice that a person is acting for the taxpayer in a fiduciary capacity,
17 a copy of such notice shall also be mailed to the fiduciary named in
18 such notice.

19 2. Notice of deficiency as assessment. After ninety days from the
20 mailing of a notice of deficiency or, if the commissioner of finance has
21 established a conciliation procedure pursuant to section 11-124 of this
22 title and the taxpayer has requested a conciliation conference in
23 accordance therewith, after ninety days from the mailing of the concil-
24 iation decision or the date of the commissioner's confirmation of the
25 discontinuance of the conciliation proceeding, such notice shall be an
26 assessment of the amount of tax specified therein, together with the
27 interest, additions to tax and penalties stated in such notice, except
28 only for any such tax or other amounts as to which the taxpayer has
29 within such ninety day period filed with the tax appeals tribunal a
30 petition under section 11-680 of this subchapter. If the notice of defi-
31 ciency or conciliation decision is addressed to a taxpayer whose last
32 known address is outside of the United States, such period shall be one
33 hundred fifty days instead of ninety days.

34 3. Restrictions on assessment and levy. No assessment of a deficiency
35 in tax and no levy or proceeding in court for its collection shall be
36 made, begun or prosecuted, except as otherwise provided in section
37 11-685 of this subchapter, until a notice of deficiency has been mailed
38 to the taxpayer, nor until the expiration of the time for filing a peti-
39 tion with the tax appeals tribunal contesting such notice, nor, if a
40 petition with respect to the taxable year has been both served on the
41 commissioner of finance and filed with the tax appeals tribunal, until
42 the decision of the tax appeals tribunal has become final. For excep-
43 tion in the case of judicial review of the decision of the tax appeals
44 tribunal, see subdivision three of section 11-681 of this subchapter.

45 4. Exceptions for mathematical errors. If a mathematical error appears
46 on a return, including an overstatement of the amount paid as estimated
47 tax, the commissioner of finance shall notify the taxpayer that an
48 amount of tax in excess of that shown upon the return is due, and that
49 such excess has been assessed. Such notice shall not be considered as a
50 notice of deficiency for the purposes of this section, subdivision six
51 of section 11-678, limiting credits or refunds after petition to the tax
52 appeals tribunal, or subdivision two of section 11-680 of this subchap-
53 ter, authorizing the filing of a petition with the tax appeals tribunal
54 based on a notice of deficiency, nor shall such assessment or collection
55 be prohibited by the provisions of subdivision three of this section.

1 5. Exception where federal or New York state change or correction is
2 not reported.

3 (a) If the taxpayer fails to comply with subchapter two, three or
4 three-A of this chapter in not reporting a change or correction or rene-
5 gotiation, or computation or recomputation of tax, increasing or
6 decreasing its federal or New York state taxable income, alternative
7 minimum taxable income or other basis of tax as reported on its federal
8 or New York state income tax return or in not reporting a change or
9 correction or renegotiation, or computation or recomputation of tax,
10 which is treated in the same manner as if it were a deficiency for
11 federal or New York state income tax purposes or in not filing an
12 amended return or in not reporting the execution of a notice of waiver
13 executed pursuant to subsection (d) of section six thousand two hundred
14 thirteen of the internal revenue code or pursuant to subdivision (f) of
15 section one thousand eighty-one of the tax law, instead of the mode and
16 time of assessment provided for in subdivision two of this section, the
17 commissioner of finance may assess a deficiency based upon such
18 increased or decreased federal or New York state taxable income, alter-
19 native minimum taxable income or other basis of tax by mailing to the
20 taxpayer a notice of additional tax due specifying the amount of the
21 deficiency, and such deficiency, together with the interest, additions
22 to tax and penalties stated in such notice, shall be deemed assessed on
23 the date such notice is mailed unless within thirty days after the mail-
24 ing of such notice a report of the federal or New York state change or
25 correction or renegotiation, or computation or recomputation of tax, or
26 an amended return, where such return was required by subchapter two or
27 three of this chapter, is filed accompanied by a statement showing wher-
28 ein such federal or New York state determination and such notice of
29 additional tax due are erroneous.

30 (b) Such notice shall not be considered as a notice of deficiency for
31 the purposes of this section, subdivision six of section 11-678, limit-
32 ing credits or refunds after petition to the tax appeals tribunal, or
33 subdivision two of section 11-680 of this subchapter, authorizing the
34 filing of a petition with the tax appeals tribunal based on a notice of
35 deficiency, nor shall such assessment or the collection thereof be
36 prohibited by the provisions of subdivision three of this section.

37 (c) If the taxpayer has terminated its existence, a notice of addi-
38 tional tax due may be mailed to the taxpayer's last known address in or
39 out of the city, and such notice shall be sufficient for purposes of
40 this subchapter. If the commissioner of finance has received notice that
41 a person is acting for the taxpayer in a fiduciary capacity, a copy of
42 such notice shall also be mailed to the fiduciary named in such notice.

43 6. Waiver of restrictions. The taxpayer shall at any time, whether or
44 not a notice of deficiency has been issued, have the right to waive the
45 restrictions on assessment and collection of the whole or any part of
46 the deficiency by a signed notice in writing filed with the commissioner
47 of finance.

48 7. Two or more corporations. In case of a combined return under
49 subchapter two or three-A or a consolidated return under subchapter
50 three of two or more corporations, the commissioner of finance may
51 determine a deficiency of tax under subchapter two, three or three-A of
52 this chapter with respect to the entire tax due upon such return against
53 any taxpayer included therein. In the case of a taxpayer which might
54 have been included in such a return under subchapter two, three or
55 three-A of this chapter when the tax was originally reported, the
56 commissioner of finance may determine a deficiency of tax under subchap-

1 ter two, three or three-A of this chapter against such taxpayer and
2 against any other taxpayers which might have been included in such a
3 return.

4 8. Deficiency defined. For the purposes of this subchapter, a defi-
5 ciency means the amount of the tax imposed by the named subchapters, or
6 any of them, less: (a) the amount shown as the tax upon the taxpayer's
7 return, whether the return was made or the tax computed by it or by the
8 commissioner of finance, and less (b) the amounts previously assessed,
9 or collected without assessment, as a deficiency and plus (c) the amount
10 of any rebates. For the purpose of this definition, the tax imposed by
11 subchapter two, three or three-A of this chapter and the tax shown on
12 the return shall both be determined without regard to any payment of
13 estimated tax; and a rebate means so much of an abatement, credit,
14 refund or other repayment, whether or not erroneous, as was made on the
15 ground that the amounts entering into the definition of a deficiency
16 showed a balance in favor of the taxpayer.

17 9. Exception where change or correction of sales and compensating use
18 tax liability is not reported.

19 (a) If a taxpayer fails to comply with subchapter two or three-A of
20 this chapter in not reporting a change or correction of its sales and
21 compensating use tax liability or in not filing a copy of an amended
22 return or report relating to its sales and compensating use tax liabil-
23 ity, instead of the mode and time of assessment provided for in subdivi-
24 sion two of this section, the commissioner of finance may assess a defi-
25 ciency based upon such changed or corrected sales and compensating use
26 tax liability, as same relates to credits claimed under subchapter two
27 or three-A of this chapter, by mailing to the taxpayer a notice of addi-
28 tional tax due specifying the amount of the deficiency, and such defi-
29 ciency, together with the interest, additions to tax and penalties stat-
30 ed in such notice, shall be deemed assessed on the date such notice is
31 mailed unless within thirty days after the mailing of such notice a
32 report of the state change or correction or a copy of an amended return
33 or report, where such copy was required by subchapter two or three-A, is
34 filed accompanied by a statement showing wherein such state determi-
35 nation and such notice of additional tax due are erroneous.

36 (b) Such notice shall not be considered as a notice of deficiency for
37 the purposes of this section, subdivision six of section 11-678, limit-
38 ing credits or refunds after petition to the tax appeals tribunal, or
39 subdivision two of section 11-680, authorizing the filing of a petition
40 with the tax appeals tribunal based on a notice of deficiency, nor shall
41 such assessment or the collection thereof be prohibited by the
42 provisions of subdivision three of this section.

43 (c) If the taxpayer has terminated its existence, a notice of addi-
44 tional tax due may be mailed to its last known address in or out of the
45 city, and such notice shall be sufficient for purposes of this subchap-
46 ter. If the commissioner of finance has received notice that a person is
47 acting for the taxpayer in a fiduciary capacity, a copy of such notice
48 shall also be mailed to the fiduciary named in such notice.

49 § 11-673 Assessment. 1. Assessment date. The amount of tax which a
50 return shows to be due, or the amount of tax which a return would have
51 shown to be due but for a mathematical error, shall be deemed to be
52 assessed on the date of filing of the return, including any amended
53 return showing an increase of tax. If a notice of deficiency has been
54 mailed, the amount of the deficiency shall be deemed to be assessed on
55 the date specified in subdivision two of section 11-672 of this subchap-
56 ter if no petition is both served on the commissioner of finance and

1 filed with the tax appeals tribunal, or if a petition is so served and
2 filed, then upon the date when a decision of the tax appeals tribunal
3 establishing the amount of the deficiency becomes final. If a report or
4 an amended return filed pursuant to subchapter two, three or three-A of
5 this chapter concedes the accuracy of a federal or New York state
6 adjustment or change or correction or renegotiation or computation or
7 recomputation of tax, any deficiency in tax under subchapter two, three
8 or three-A of this chapter resulting therefrom shall be deemed to be
9 assessed on the date of filing such report or amended return, and such
10 assessment shall be timely notwithstanding section 11-674 of this
11 subchapter.

12 If a report filed pursuant to subchapter two of this chapter concedes
13 the accuracy of a state change or correction of sales and compensating
14 use tax liability, any deficiency in tax under subchapter two or three-A
15 of this chapter resulting therefrom shall be deemed assessed on the date
16 of filing such report, and such assessment shall be timely notwithstand-
17 ing section 11-674 of this subchapter.

18 If a notice of additional tax due, as prescribed in subdivision five
19 of section 11-672 of this subchapter, has been mailed, the amount of the
20 deficiency shall be deemed to be assessed on the date specified in such
21 subdivision unless within thirty days after the mailing of such notice a
22 report of the federal or New York state adjustment or change or
23 correction or renegotiation or computation or recomputation of tax, or
24 an amended return, where such return was required by subchapter two,
25 three or three-A of this chapter, is filed accompanied by a statement
26 showing wherein such federal or New York state determination and such
27 notice of additional tax due are erroneous.

28 If a notice of additional tax due, as prescribed in subdivision nine
29 of section 11-672 of this subchapter, has been mailed, the amount of the
30 deficiency shall be deemed to be assessed on the date specified in such
31 subdivision unless within thirty days after the mailing of such notice a
32 report of the state change or correction, or a copy of an amended return
33 or report, where such copy was required by subchapter two or three-A of
34 this chapter, is filed accompanied by a statement showing wherein such
35 state determination and such notice of additional tax due are erroneous.

36 Any amount paid as a tax or in respect of a tax, other than amounts
37 paid as estimated tax, shall be deemed to be assessed upon the date of
38 receipt of payment notwithstanding any other provisions.

39 2. Other assessment powers. If the mode or time for the assessment of
40 any tax under the named subchapters, including interest, additions to
41 tax and assessable penalties, is not otherwise provided for, the commis-
42 sioner of finance may establish the same by regulations.

43 3. Estimated tax. No unpaid amount of estimated tax under subchapter
44 two, three or three-A of this chapter shall be assessed.

45 4. Supplemental assessment. The commissioner of finance may, at any
46 time within the period described for assessment, make a supplemental
47 assessment, subject to the provisions of section 11-672 of this subchap-
48 ter where applicable, whenever it is ascertained that any assessment is
49 imperfect or incomplete in any material respect.

50 5. Cross reference. For assessment in case of jeopardy, see section
51 11-685 of this subchapter.

52 § 11-674 Limitations on assessment. 1. General. Except as otherwise
53 provided in this section, any tax under the named subchapters shall be
54 assessed within three years after the return was filed, whether or not
55 such return was filed on or after the date prescribed.

1 2. Time return deemed filed. For the purposes of this section, a
2 return of tax filed before the last day prescribed by law or by regu-
3 lations promulgated pursuant to law for the filing thereof shall be
4 deemed to be filed on such last day.

5 3. Exceptions.

6 (a) Assessment at any time. The tax may be assessed at any time if:

7 (1) no return is filed,

8 (2) a false or fraudulent return is filed with intent to evade tax,

9 (3) in the case of the tax imposed under subchapter two, three or
10 three-A of this chapter, the taxpayer fails to file a report or amended
11 return required thereunder, in respect of an increase or decrease in
12 federal or New York state taxable income, alternative minimum taxable
13 income or other basis of tax or federal or New York state tax, or in
14 respect of a change or correction or renegotiation or in respect of the
15 execution of a notice of waiver report of which is required thereunder,
16 or computation or recomputation of tax, which is treated in the same
17 manner as if it were a deficiency for federal or New York state income
18 tax purposes, or

19 (4) in the case of the tax imposed under subchapter two or three-A of
20 this chapter, the taxpayer fails to file a report or amended return or
21 report required thereunder, in respect of a change or correction of
22 sales and compensating use tax liability, relating to the purchase or
23 use of items for which a sales or compensating use tax credit against
24 the tax imposed by subchapter two or three-A was claimed.

25 (b) Extension by agreement. Where, before the expiration of the time
26 prescribed in this section for the assessment of tax, both the commis-
27 sioner of finance and the taxpayer have consented in writing to its
28 assessment after such time, the tax may be assessed at any time prior to
29 the expiration of the period agreed upon. The period so agreed upon may
30 be extended by subsequent agreements in writing made before the expira-
31 tion of the period previously agreed upon.

32 (c) Report of federal or New York state change or correction. In the
33 case of the tax imposed under subchapter two, three or three-A of this
34 chapter, if the taxpayer files a report or amended return required ther-
35 eunder, in respect of an increase or decrease in federal or New York
36 state taxable income, alternative minimum taxable income or other basis
37 of tax or federal or New York state tax, or in respect of a change or
38 correction or renegotiation, or in respect of the execution of a notice
39 of waiver report of which is required thereunder, or computation or
40 recomputation of tax, which is treated in the same manner as if it were
41 a deficiency for federal or New York state income tax purposes, the
42 assessment, if not deemed to have been made upon the filing of the
43 report or amended return may be made at any time within two years after
44 such report or amended return was filed. The amount of such assessment
45 of tax shall not exceed the amount of the increase in city tax attribut-
46 able to such federal or New York state change or correction or renegoti-
47 ation, or computation or recomputation of tax. The provisions of this
48 paragraph shall not affect the time within which or the amount for which
49 an assessment may otherwise be made.

50 (d) Deficiency attributable to net operating loss carryback. If a
51 deficiency of tax under subchapter two or three-A of this chapter is
52 attributable to the application to taxpayer of a net operating loss
53 carryback or a capital loss carryback, it may be assessed at any time
54 that a deficiency for the taxable year of the loss may be assessed.

55 (e) Recovery of erroneous refund. An erroneous refund shall be
56 considered an underpayment of tax on the date made, and an assessment of

1 a deficiency arising out of an erroneous refund may be made at any time
2 within two years from the making of the refund, except that the assess-
3 ment may be made within five years from the making of the refund if it
4 appears that any part of the refund was induced by fraud or misrepresen-
5 tation of a material fact.

6 (f) Request for prompt assessment. The tax shall be assessed within
7 eighteen months after written request therefor, made after the return is
8 filed, by the taxpayer or by a fiduciary representing the taxpayer, but
9 not more than three years after the return was filed, except as other-
10 wise provided in this subdivision and subdivision four of this section.
11 This subdivision shall not apply unless:

12 (1) (A) such written request notifies the commissioner of finance that
13 the taxpayer contemplates dissolution at or before the expiration of
14 such eighteen-month period, (B) the dissolution is in good faith begun
15 before the expiration of such eighteen-month period, (C) the dissolution
16 is completed;

17 (2) (A) such written request notifies the commissioner of finance that
18 a dissolution has in good faith been begun, and (B) the dissolution is
19 completed; or

20 (3) a dissolution has been completed at the time such written request
21 is made.

22 (g) Change of the allocation of taxpayer's income or capital. (1)
23 With regard to taxable years beginning before January first, two thou-
24 sand fifteen, no change of the allocation of income or capital upon
25 which the taxpayer's return, or any additional assessment, was based
26 shall be made where an assessment of tax is made during the additional
27 period of limitation under subparagraph three or four of paragraph (a)
28 of this subdivision, or under paragraph (c), (d) or (i) of this subdivi-
29 sion; and where any such assessment has been made, or where a notice of
30 deficiency has been mailed to the taxpayer on the basis of any such
31 proposed assessment, no change of the allocation of income or capital
32 shall be made in a proceeding on the taxpayer's claim for refund of such
33 assessment or on the taxpayer's petition for redetermination of such
34 deficiency.

35 (2) With regard to taxable years beginning on or after January first,
36 two thousand fifteen, no change of the allocation of income or capital
37 upon which the taxpayer's return, or any additional assessment, was
38 based shall be made where an assessment of tax is made during the addi-
39 tional period of limitation under subparagraph three or four of para-
40 graph (a) or under paragraph (c), (d) or (i) of this subdivision, except
41 to the extent such assessment is based on an increase or decrease in New
42 York state taxable income or other basis of tax or New York state tax,
43 or based on a change, correction or renegotiation of tax, or based on
44 the execution of a notice of waiver report which is required there-
45 under, or computation or recomputation of tax, which is treated in the
46 same manner as if it were a deficiency for New York state income tax
47 purposes; and where any such assessment has been made, or where a notice
48 of deficiency has been mailed to the taxpayer on the basis of any such
49 proposed assessment, no change of the allocation of income or capital
50 shall be made in a proceeding on the taxpayer's claim for refund of
51 such assessment or on the taxpayer's petition for redetermination of
52 such deficiency, except to the extent such assessment is based on an
53 increase or decrease in New York state taxable income or other basis of
54 tax or New York state tax, or based on a change or correction or renego-
55 tiation of tax, or based on the execution of a notice of waiver report
56 which is required thereunder, or computation or recomputation of tax,

1 which is treated in the same manner as if it were an overpayment for New
2 York state income tax purposes.

3 (h) Report concerning waste treatment facility. Under the circum-
4 stances described in subparagraph three of paragraph (g) of subdivision
5 eight of section 11-602 of this chapter or in subparagraph three of
6 paragraph (g) of subdivision eight of section 11-652 of this chapter,
7 the tax may be assessed within three years after the filing of the
8 report containing the information required by such paragraph.

9 (i) Report of changed or corrected sales and compensating use tax
10 liability. In the case of a tax imposed under subchapter two or three-A
11 of this chapter, if the taxpayer files a report or amended return or
12 report required thereunder, in respect of a change or correction of
13 sales and compensating use tax liability, the assessment, if not deemed
14 to have been made upon the filing of the report, may be made at any time
15 within two years after such report or amended return or report was
16 filed. The amount of such assessment of tax shall not exceed the amount
17 of the increase in city tax attributable to such state change or
18 correction. The provisions of this paragraph shall not affect the time
19 within which or the amount for which an assessment may otherwise be
20 made.

21 4. Omission of income on return. The tax may be assessed at any time
22 within six years after the return was filed if a taxpayer omits from
23 gross income required to be reported on a return under any of the named
24 subchapters an amount properly includable therein which is in excess of
25 twenty-five per centum of the amount of gross income stated in the
26 return.

27 For the purposes of this subdivision:

28 (a) the term "gross income" means gross income for federal income tax
29 purposes as reportable on a return under subchapter two or three-A of
30 this chapter and "gross earnings", "gross income," "gross operating
31 income" and "gross direct premiums less return premiums," as those terms
32 are used in whichever of the named subchapters is applicable;

33 (b) there shall not be taken into account any amount which is omitted
34 in the return if such amount is disclosed in the return, or in a state-
35 ment attached to the return, in a manner adequate to apprise the commis-
36 sioner of finance of the nature and amount of such item.

37 5. Suspension of running of period of limitations. The running of the
38 period of limitations on assessment or collection of tax or other
39 amount, or of a transferee's liability, shall, after the mailing of a
40 notice of deficiency, be suspended for the period during which the
41 commissioner of finance is prohibited under subdivision three of section
42 11-672 of this subchapter from making the assessment or from collecting
43 by levy.

44 § 11-675 Interest on underpayment. 1. General. If any amount of tax
45 is not paid on or before the last date prescribed in whichever of the
46 named subchapters is applicable for payment, interest on such amount at
47 the underpayment rate set by the commissioner of finance pursuant to
48 section 11-687 of this subchapter, or, if no rate is set, at the rate of
49 seven and one-half percent per annum shall be paid for the period from
50 such last date to the date paid, whether or not any extension of time
51 for payment was granted. Interest under this subdivision shall not be
52 paid if the amount thereof is less than one dollar.

53 2. Exception as to estimated tax. This section shall not apply to any
54 failure to pay estimated tax under subchapter two, three or three-A of
55 this chapter.

1 3. Exception for mathematical error. No interest shall be imposed on
2 any underpayment of tax due solely to mathematical error if the taxpayer
3 files a return within the time prescribed in whichever of the named
4 subchapters is applicable, including any extension of time, and pays the
5 amount of underpayment within three months after the due date of such
6 return, as it may be extended.

7 4. Suspension of interest on deficiencies. If a waiver of
8 restrictions on assessment of a deficiency has been filed by the taxpay-
9 er, and if notice and demand by the commissioner of finance for payment
10 of such deficiency is not made within thirty days after the filing of
11 such waiver, interest shall not be imposed on such deficiency for the
12 period beginning immediately after such thirtieth day and ending with
13 the date of notice and demand.

14 5. Tax reduced by carryback. If the amount of tax under subchapter
15 two or three-A for any taxable year is reduced by reason of a carryback
16 of a net operating loss or a capital loss, such reduction in tax shall
17 not affect the computation of interest under this section for the period
18 ending with the filing date for the taxable year in which the net oper-
19 ating loss or capital loss arises. Such filing date shall be determined
20 without regard to extensions of time to file.

21 6. Interest treated as tax. Interest under this section shall be paid
22 upon notice and demand and shall be assessed, collected and paid in the
23 same manner as the taxes under the named subchapters. Any reference in
24 this subchapter to the tax imposed by the named subchapters, or any of
25 them, shall be deemed also to refer to interest imposed by this section
26 on such tax.

27 7. Interest on penalties or addition to tax. Interest shall be
28 imposed under subdivision one in respect to any assessable penalty or
29 addition to tax only if such assessable penalty or addition to tax is
30 not paid within ten days from the date of the notice and demand therefor
31 under subdivision two of section 11-683 of this subchapter in such case
32 interest shall be imposed only for the period from such date of the
33 notice and demand to the date of payment.

34 8. Payment within ten days after notice and demand. If notice and
35 demand is made for payment of any amount under subdivision two of
36 section 11-683 of this subchapter, and if such amount is paid within ten
37 days after the date of such notice and demand, interest under this
38 section on the amount so paid shall not be imposed for the period after
39 the date of such notice and demand.

40 9. Limitation on assessment and collection. Interest prescribed under
41 this section may be assessed and collected at any time during the period
42 within which the tax or other amount to which such interest relates may
43 be assessed and collected respectively.

44 10. Interest on erroneous refund. Any portion of tax or other amount
45 which has been erroneously refunded, and which is recoverable by the
46 commissioner of finance, shall bear interest at the underpayment rate
47 set by the commissioner of finance pursuant to section 11-687 of this
48 subchapter, or, if no rate is set, at the rate of seven and one-half
49 percent per annum from the date of the payment of the refund, but only
50 if it appears that any part of the refund was induced by fraud or a
51 misrepresentation of a material fact.

52 11. Satisfaction by credits. If any portion of a tax is satisfied by
53 credit of an overpayment, then no interest shall be imposed under this
54 section on the portion of the tax so satisfied for any period during
55 which, if the credit had not been made, interest would have been allow-
56 able with respect to such overpayment.

1 § 11-676 Additions to tax and civil penalties. 1. (a) Failure to file
2 return. (A) In case of failure to file a return under the named
3 subchapters on or before the prescribed date, determined with regard to
4 any extension of time for filing, unless it is shown that such failure
5 is due to reasonable cause and not due to willful neglect, there shall
6 be added to the amount required to be shown as tax on such return five
7 percent of the amount of such tax if the failure is for not more than
8 one month, with an additional five percent for each additional month or
9 fraction thereof during which such failure continues, not exceeding
10 twenty-five percent in the aggregate.

11 (B) In the case of a failure to file a return of tax within sixty days
12 of the date prescribed for filing of such return, determined with regard
13 to any extension of time for filing, unless it is shown that such fail-
14 ure is due to reasonable cause and not due to willful neglect, the addi-
15 tion to tax under subparagraph (A) of this paragraph shall not be less
16 than the lesser of one hundred dollars or one hundred percent of the
17 amount required to be shown as tax on such return.

18 (C) For purposes of this paragraph, the amount of tax required to be
19 shown on the return shall be reduced by the amount of any part of the
20 tax which is paid on or before the date prescribed for payment of the
21 tax and by the amount of any credit against the tax which may be claimed
22 upon the return.

23 (b) Failure to pay tax shown on return. In case of failure to pay the
24 amounts shown as tax on any return required to be filed under the named
25 subchapters on or before the prescribed date, determined with regard to
26 any extension of time for payment, unless it is shown that such failure
27 is due to reasonable cause and not due to willful neglect, there shall
28 be added to the amount shown as tax on such return one-half of one
29 percent of the amount of such tax if the failure is not for more than
30 one month, with an additional one-half of one percent for each addi-
31 tional month or fraction thereof during which such failure continues,
32 not exceeding twenty-five percent in the aggregate. For the purpose of
33 computing the addition for any month the amount of tax shown on the
34 return shall be reduced by the amount of any part of the tax which is
35 paid on or before the beginning of such month and by the amount of any
36 credit against the tax which may be claimed upon the return. If the
37 amount of tax required to be shown on a return is less than the amount
38 shown as tax on such return, this paragraph shall be applied by substi-
39 tuting such lower amount.

40 (c) Failure to pay tax required to be shown on return. In case of
41 failure to pay any amount in respect of any tax required to be shown on
42 a return required to be filed under the named subchapters which is not
43 so shown, including an assessment made pursuant to subdivision one of
44 section 11-673 of this subchapter, within ten days of the date of a
45 notice and demand therefor, unless it is shown that such failure is due
46 to reasonable cause and not due to willful neglect, there shall be added
47 to the amount of tax stated in such notice and demand one-half of one
48 percent of such tax if the failure is not for more than one month, with
49 an additional one-half of one percent for each additional month or frac-
50 tion thereof during which such failure continues, not exceeding twenty-
51 five percent in the aggregate. For the purpose of computing the addition
52 for any month, the amount of tax stated in the notice and demand shall
53 be reduced by the amount of any part of the tax which is paid before the
54 beginning of such month.

55 (d) Limitations on additions.

1 (A) With respect to any return, the amount of the addition under para-
2 graph (a) of this subdivision shall be reduced by the amount of the
3 addition under paragraph (b) of this subdivision for any month to which
4 an addition applies under both paragraphs (a) and (b). In any case
5 described in subparagraph (B) of paragraph (a) of this subdivision, the
6 amount of the addition under such paragraph (a) shall not be reduced
7 below the amount provided in such subparagraph.

8 (B) With respect to any return, the maximum amount of the addition
9 permitted under paragraph (c) of this subdivision shall be reduced by
10 the amount of the addition under paragraph (a) of this subdivision,
11 determined without regard to subparagraph (B) of such paragraph (a),
12 which is attributable to the tax for which the notice and demand is made
13 and which is not paid within ten days of such notice and demand.

14 2. Deficiency due to negligence. (a) If any part of a deficiency is
15 due to negligence or intentional disregard of this subchapter or any of
16 the named subchapters or rules or regulations thereunder, but without
17 intent to defraud, there shall be added to the tax an amount equal to
18 five percent of the deficiency.

19 (b) There shall be added to the tax, in addition to the amount deter-
20 mined under paragraph (a) of this subdivision, an amount equal to fifty
21 percent of the interest payable under subdivision one of section 11-675
22 with respect to the portion of the deficiency described in such para-
23 graph (a) which is attributable to the negligence or intentional disre-
24 gard referred to in such paragraph (a), for the period beginning on the
25 last date prescribed by law for payment of such deficiency, determined
26 without regard to any extension, and ending on the date of the assess-
27 ment of the tax, or, if earlier, the date of the payment of the tax.

28 (c) If any payment is shown on a return made by a payor with respect
29 to dividends, patronage dividends and interest under subsection (a) of
30 section six thousand forty-two, subsection (a) of section six thousand
31 forty-four or subsection (a) of section six thousand forty-nine of the
32 internal revenue code of nineteen hundred fifty-four, respectively, and
33 the payee fails to include any portion of such payment in gross income,
34 as that term is defined in paragraph (a) of subdivision four of section
35 11-674, any portion of an underpayment attributable to such failure
36 shall be treated, for purposes of this subdivision, as due to negligence
37 in the absence of clear and convincing evidence to the contrary. If any
38 addition to tax is imposed under this subdivision by reason of the
39 preceding sentence, the amount of the addition to tax imposed by para-
40 graph (a) of this subdivision shall be five percent of the portion of
41 the underpayment which is attributable to the failure described in this
42 paragraph.

43 3. Failure to file declaration or underpayment of estimated tax. If
44 any taxpayer fails to file a declaration of estimated tax under subchap-
45 ter two, three or three-A of this chapter, or fails to pay all or any
46 part of an amount which is applied as an installment against such esti-
47 mated tax, it shall be deemed to have made an underpayment of estimated
48 tax. There shall be added to the tax for the taxable year an amount at
49 the underpayment rate set by the commissioner of finance pursuant to
50 section 11-687 of this subchapter, or, if no rate is set, at the rate of
51 seven and one-half percent per annum upon the amount of the underpayment
52 for the period of the underpayment but not beyond the fifteenth day of
53 the fourth month following the close of the taxable year. Provided,
54 however, that, for taxable years beginning on or after January first,
55 two thousand seventeen and before January first, two thousand eighteen,
56 no amount shall be added to the tax with respect to the portion of such

1 tax related to the amount of any interest deductions directly or indi-
2 rectly attributable to the amount included in exempt CFC income pursuant
3 to subparagraph (ii) of paragraph (b) of subdivision five-a of section
4 11-652 of this chapter or the forty percent reduction of such exempt CFC
5 income in lieu of interest attribution if the election described in
6 paragraph (b) of subdivision five-a of such section is made. The amount
7 of the underpayment shall be, with respect to any installment of esti-
8 mated tax computed on the basis of either the preceding year's tax or
9 the second preceding year's tax, the excess of the amount required to be
10 paid over the amount, if any, paid on or before the last day prescribed
11 for such payment or, with respect to any other installment of estimated
12 tax, the excess of the amount of the installment which would be required
13 to be paid if the estimated tax were equal to ninety percent of the tax
14 shown on the return for the taxable year, or if no return was filed,
15 ninety percent of the tax for such year, over the amount, if any, of the
16 installment paid on or before the last day prescribed for such payment.
17 In any case in which there would be no underpayment if "eighty percent"
18 were substituted for "ninety percent" each place it appears in this
19 subdivision, the addition to the tax shall be equal to seventy-five
20 percent of the amount otherwise determined. No underpayment shall be
21 deemed to exist with respect to a declaration or installment otherwise
22 due on or after the termination of existence of the taxpayer.

23 4. Exception to addition for underpayment of estimated tax. The addi-
24 tion to tax under subdivision three of this section with respect to any
25 underpayment of any amount which is applied as an installment against
26 estimated tax under subchapter two, three or three-A of this chapter
27 shall not be imposed if the total amount of all payments of estimated
28 tax made on or before the last date prescribed for the payment of any
29 such amount equals or exceeds the amount which would have been required
30 to be paid on or before such date if the estimated tax were whichever of
31 the following is the least:

32 (a) The tax shown on the return of the taxpayer for the preceding
33 taxable year, if a return showing a liability for tax was filed by the
34 taxpayer for the preceding taxable year and such preceding year was a
35 taxable year of twelve months, or

36 (b) An amount equal to the tax computed at the rates applicable to the
37 taxable year, but otherwise on the basis of the facts shown on the
38 return of the taxpayer for, and the law applicable to, the preceding
39 taxable year, or

40 (c) (i) An amount equal to ninety per centum of the tax for the taxa-
41 ble year computed by placing on an annualized basis the taxable income:

42 (1) for the first three months or the first five months of the taxable
43 year, in the case of the installment required to be paid in the sixth
44 month,

45 (2) for the first six months or the first eight months of the taxable
46 year, in the case of the installment required to be paid in the ninth
47 month, and

48 (3) for the first nine months or the first eleven months of the taxa-
49 ble year, in the case of the installment required to be paid in the
50 twelfth month.

51 (ii) For purposes of subparagraph (i) of this paragraph the taxable
52 income shall be placed on an annualized basis by:

53 (1) multiplying it by twelve, or, in the case of a taxable year of
54 less than twelve months, the number of months in the taxable year, and

1 (2) dividing the resulting amount by the number of months in the taxa-
2 ble year, three, five, six, eight, nine or eleven, as the case may be,
3 referred to in subparagraph (i) of this paragraph, or

4 (d) (i) If the base period percentage for any six consecutive months
5 of the taxable year equals or exceeds seventy percent, an amount equal
6 to ninety percent of the tax determined in the following manner:

7 (A) take the taxable income for all months during the taxable year
8 preceding the filing month,

9 (B) divide such amount by the base period percentage for all months
10 during the taxable year preceding the filing month,

11 (C) determine the tax on the amount determined under clause (B) of
12 this subparagraph, and

13 (D) multiply the tax determined under clause (C) of this subparagraph
14 by the base period percentage for the filing month and all months during
15 the taxable year preceding the filing month.

16 (ii) For purposes of subparagraph (i) of this paragraph:

17 (A) the base period percentage for any period of months shall be the
18 average percent which the taxable income for the corresponding months in
19 each of the three preceding taxable years bears to the taxable income
20 for the three preceding taxable years. The commissioner of finance may
21 by regulations provide for the determination of the base period percent-
22 age in the case of reorganizations, new corporations, and other similar
23 circumstances, and

24 (B) the term "filing month" means the month in which the installment
25 is required to be paid.

26 5. (a) Except as provided in paragraph (b) of this subdivision, para-
27 graphs (a) and (b) of subdivision four of this section shall not apply
28 in the case of any corporation, or any predecessor corporation, which
29 had entire net income, or the portion thereof allocated within the city,
30 of one million dollars or more for any taxable year during the three
31 taxable years immediately preceding the taxable year involved.

32 (b) The amount treated as the estimated tax under paragraphs (a) and
33 (b) of subdivision four of this section shall in no event be less than
34 seventy-five percent of the tax shown on the return for the taxable year
35 beginning in nineteen hundred eighty-three or, if no return was filed,
36 seventy-five percent of the tax for such year.

37 6. Deficiency due to fraud. (a) If any part of a deficiency is due to
38 fraud, there shall be added to the tax an amount equal to two times the
39 deficiency.

40 (b) The addition to tax under this subdivision shall be in lieu of any
41 other addition to tax imposed by subdivision one or two of this section.

42 7. Additional penalty. Any person who with fraudulent intent shall
43 fail to pay under the named subchapters any tax, or to make, render,
44 sign or certify any return or declaration of estimated tax, or to supply
45 any information within the time required by or under any of the named
46 subchapters, shall be liable to penalty of not more than one thousand
47 dollars, in addition to any other amounts required under this subchapter
48 to be imposed, assessed and collected by the commissioner of finance.
49 The commissioner of finance shall have the power, in his or her
50 discretion, to waive, reduce or compromise any penalty under this subdivi-
51 sion.

52 8. Additions treated as tax. The additions to tax and penalties
53 provided by this section shall be paid upon notice and demand and shall
54 be assessed, collected and paid in the same manner as taxes, and any
55 reference in this subchapter to tax imposed by any of the named subchap-
56 ters shall be deemed also to refer to the additions to tax and penalties

1 provided by this section. For purposes of section 11-672 of this
2 subchapter, this subdivision shall not apply to:

3 (a) any addition to tax under subdivision one of this section except
4 as to that portion attributable to a deficiency;

5 (b) any addition to tax under subdivision three or fourteen of this
6 section; and

7 (c) any additional penalties under subdivisions seven and twelve of
8 this section.

9 9. Determination of deficiency. For purposes of subdivisions two and
10 six of this section the amount shown as the tax by the taxpayer upon its
11 return shall be taken into account in determining the amount of the
12 deficiency only if such return was filed on or before the last day
13 prescribed for the filing of such return, determined with regard to any
14 extension of time for such filing.

15 10. Person defined. For purposes of subdivisions seven and twelve of
16 this section, the term "person" includes an individual, corporation or
17 partnership or an officer or employee of any corporation, including a
18 dissolved corporation, or a member or employee of any partnership, who
19 as such officer, employee, or member is under a duty to perform the act
20 in respect of which the violation occurs.

21 11. Substantial understatement of liability. If there is a substantial
22 understatement of tax for any taxable year, there shall be added to the
23 tax an amount equal to ten percent of the amount of any underpayment
24 attributable to such understatement. For purposes of this subdivision,
25 there is a substantial understatement of tax for any taxable year if the
26 amount of the understatement for the taxable year exceeds the greater of
27 ten percent of the tax required to be shown on the return for the taxa-
28 ble year or five thousand dollars. For purposes of this subdivision, the
29 term "understatement" means the excess of the amount of the tax required
30 to be shown on the return for the taxable year, over the amount of the
31 tax imposed which is shown on the return, reduced by any rebate, within
32 the meaning of subdivision eight of section 11-672 of this subchapter.
33 The amount of such understatement shall be reduced by that portion of
34 the understatement which is attributable to the tax treatment of any
35 item by the taxpayer if there is or was substantial authority for such
36 treatment, or any item with respect to which the relevant facts affect-
37 ing the item's tax treatment are adequately disclosed in the return or
38 in a statement attached to the return. The commissioner of finance may
39 waive all or any part of the addition to tax provided by this subdivi-
40 sion on a showing by the taxpayer that there was reasonable cause for
41 the understatement, or part thereof, and that the taxpayer acted in good
42 faith.

43 12. Aiding or assisting in the giving of fraudulent returns, reports,
44 statements or other documents. (a) Any person who, with the intent that
45 tax be evaded, shall, for a fee or other compensation or as an incident
46 to the performance of other services for which such person receives
47 compensation, aid or assist in, or procure, counsel, or advise the prep-
48 aration or presentation under, or in connection with any matter arising
49 under this chapter of any return, report, declaration, statement or
50 other document which is fraudulent or false as to any material matter,
51 or supply any false or fraudulent information, whether or not such
52 falsity or fraud is with the knowledge or consent of the person author-
53 ized or required to present such return, report, declaration, statement
54 or other document shall pay a penalty not exceeding ten thousand
55 dollars.

1 (b) For purposes of paragraph (a) of this subdivision, the term
2 "procures" includes ordering, or otherwise causing, a subordinate to do
3 an act, and knowing of, and not attempting to prevent, participation by
4 a subordinate in an act. The term "subordinate" means any other person,
5 whether or not a director, officer, employee, or agent of the taxpayer
6 involved, over whose activities the person has direction, supervision,
7 or control.

8 (c) For purposes of paragraph (a) of this subdivision, a person
9 furnishing typing, reproducing, or other mechanical assistance with
10 respect to a document shall not be treated as having aided or assisted
11 in the preparation of such document by reason of such assistance.

12 (d) The penalty imposed by this subdivision shall be in addition to
13 any other penalty provided by law.

14 13. Failure to file report of information relating to certain interest
15 payments. In case of failure to file the report of information required
16 under either subdivision two-a of section 11-605 of this chapter or
17 subdivision two-a of section 11-655 of this chapter, unless it is shown
18 that such failure is due to reasonable cause and not due to willful
19 neglect, there shall be added to the tax a penalty of five hundred
20 dollars.

21 14. Failure to include on return information relating to issuer's
22 allocation percentage. Where a return is filed but does not contain (1)
23 the information necessary to compute the taxpayer's issuer's allocation
24 percentage, as defined in subparagraph one of paragraph (b) of subdivi-
25 sion three of section 11-604 of this chapter, where the same is called
26 for on the return, or, (2) the taxpayer's issuer's allocation percent-
27 age, where the same is called for on the return but where all of the
28 information necessary for the computation of such percentage is not
29 called for on the return, then unless it is shown that such failure is
30 due to reasonable cause and not due to willful neglect there shall be
31 added to the tax a penalty of five hundred dollars.

32 15. False or fraudulent document penalty. Any taxpayer that submits a
33 false or fraudulent document to the department shall be subject to a
34 penalty of one hundred dollars per document submitted, or five hundred
35 dollars per tax return submitted. Such penalty shall be in addition to
36 any other penalty or addition provided by law.

37 § 11-677 Overpayment. 1. General. The commissioner of finance,
38 within the applicable period of limitations, may credit an overpayment
39 of tax and interest on such overpayment against any liability in respect
40 of any tax imposed by this title on the taxpayer who made the overpay-
41 ment, and the balance shall be refunded out of the proceeds of the tax.
42 Such credit of an overpayment shall be applied before such overpay-
43 ment, or any portion thereof, is paid to the state commissioner of taxa-
44 tion and finance pursuant to section one hundred seventy-one-m of the
45 tax law.

46 2. Credits against estimated tax. The commissioner of finance may
47 prescribe regulations providing for the crediting against the estimated
48 tax under subchapter two, three or three-A of this chapter for any taxa-
49 ble year of the amount determined to be an overpayment of tax under any
50 such subchapter for a preceding taxable year. If any overpayment of tax
51 is so claimed as a credit against estimated tax for the succeeding taxa-
52 ble year, such amount shall be considered as a payment of the tax under
53 subchapter two, three or three-A of this chapter for the succeeding
54 taxable year, whether or not claimed as a credit in the declaration of
55 estimated tax for such succeeding taxable year, and no claim for credit

1 or refund of such overpayment shall be allowed for the taxable year for
2 which the overpayment arises.

3 3. Rule where no tax liability. If there is no tax liability for a
4 period in respect of which an amount is paid as tax, such amount shall
5 be considered an overpayment.

6 4. Assessment and collection after limitation period. If any amount
7 of tax is assessed or collected after the expiration of the period of
8 limitations properly applicable thereto, such amount shall be considered
9 an overpayment.

10 5. Assignment of overpayment. A credit for an overpayment of tax
11 under any of the named subchapters may be assigned by the taxpayer to a
12 corporation liable to pay taxes under any of the named subchapters, and
13 the assignee of the whole or any part of such credit, on filing such
14 assignment with the commissioner of finance, shall thereupon be entitled
15 to credit upon the books of the commissioner of finance for the amount
16 thereof on its current account for taxes, in the same manner and to the
17 same effect as though the credit had originally been allowed in its
18 favor.

19 6. Notwithstanding article fifty-two of the civil practice law and
20 rules or any other provision of law to the contrary, the procedures for
21 the enforcement of money judgments shall not apply to the department of
22 finance, or to any officer or employee of such department, as a garnish-
23 ee, with respect to any amount of money to be refunded or credited to a
24 taxpayer under this chapter.

25 § 11-678 Limitations on credit or refund. 1. General. Claim for
26 credit or refund of an overpayment of tax under any of the named
27 subchapters shall be filed by the taxpayer within three years from the
28 time the return was filed or two years from the time the tax was paid,
29 whichever of such periods expires the later, or if no return was filed
30 within two years from the time the tax was paid. If the claim is filed
31 within the three year period, the amount of the credit or refund shall
32 not exceed the portion of the tax paid within the three years immediat-
33 ely preceding the filing of the claim plus the period of any extension of
34 time for filing the return. If the claim is not filed within the three
35 year period, but is filed within the two year period, the amount of the
36 credit or refund shall not exceed the portion of the tax paid during the
37 two years immediately preceding the filing of the claim. Except as
38 otherwise provided in this section, if no claim is filed, the amount of
39 a credit or refund shall not exceed the amount which would be allowable
40 if a claim had been filed on the date the credit or refund is allowed.
41 For special restriction in a proceeding on a claim for refund of tax
42 paid pursuant to an assessment made as a result of: (a) a net operating
43 loss carryback, or (b) an increase or decrease in federal or New York
44 state taxable income or other basis of tax or federal or New York state
45 tax, or (c) a federal or New York state change or correction or renego-
46 tiation, or computation or recomputation of tax, which is treated in the
47 same manner as if it were a deficiency for federal or New York state
48 income tax purposes, see paragraph (g) of subdivision three of section
49 11-674 of this subchapter.

50 2. Extension of time by agreement. If any agreement under the
51 provisions of paragraph (b) of subdivision three of section 11-674 of
52 this subchapter, extending the period of assessment of tax, is made
53 within the period prescribed in subdivision one of this section for the
54 filing of a claim for credit or refund, the period for filing a claim
55 for credit or refund, or for making credit or refund if no claim is
56 filed, shall not expire prior to six months after the expiration of the

1 period within which an assessment may be made pursuant to the agreement
2 or any extension thereof. The amount of such credit or refund shall not
3 exceed the portion of the tax paid after the execution of the agreement
4 and before the filing of the claim or the making of the credit or
5 refund, as the case may be, plus the portion of the tax paid within the
6 period which would be applicable under subdivision one if a claim had
7 been filed on the date the agreement was executed.

8 3. Notice of change or correction of federal or New York state income
9 or other basis of tax. If a taxpayer is required by subchapter two,
10 three or three-A of this chapter to file a report or amended return in
11 respect of (a) a decrease or increase in federal or New York state taxa-
12 ble income, alternative minimum taxable income or other basis of tax or
13 federal or New York state tax, (b) a federal or New York state change or
14 correction or renegotiation, or computation or recomputation of tax,
15 which is treated in the same manner as if it were an overpayment for
16 federal or New York state income tax purposes, claim for credit or
17 refund of any resulting overpayment of tax shall be filed by the taxpay-
18 er within two years from the time such report or amended return was
19 required to be filed with the commissioner of finance. If the report or
20 amended return required by subchapter two, three or three-A of this
21 chapter is not filed within the ninety day period therein specified, no
22 interest shall be payable on any claim for credit or refund of the over-
23 payment attributable to the federal or New York state change or
24 correction. The amount of such credit or refund: (c) shall, (i) for
25 taxable years beginning before January first, two thousand fifteen, be
26 computed without change of the allocation of income or capital upon
27 which the taxpayer's return, or any additional assessment, was based,
28 and, (ii) for taxable years beginning on or after January first, two
29 thousand fifteen, be computed without change of the allocation of
30 income or capital upon which the taxpayer's return, or any additional
31 assessment, was based to the extent that the claim for refund arises
32 from a decrease or increase in federal taxable income or other basis
33 of tax or federal tax, or from a federal change, correction, renegoti-
34 ation, computation or recomputation of tax, which is treated in the
35 same manner as if it were an overpayment for federal income tax
36 purposes, and (d) shall not exceed the amount of the reduction in tax
37 attributable to such decrease or increase in federal or New York state
38 taxable income, alternative minimum taxable income or other basis of tax
39 or federal or New York state tax or to such federal or New York state
40 change or correction or renegotiation, or computation or recomputation
41 of tax.

42 This subdivision shall not affect the time within which or the amount
43 for which a claim for credit or refund may be filed apart from this
44 subdivision.

45 4. Overpayment attributable to net operating loss carryback or capital
46 loss carryback. A claim for credit or refund of so much of an overpay-
47 ment under subchapter two or three-A of this chapter as is attributable
48 to the application to the taxpayer of a net operating loss carryback or
49 a capital loss carryback shall be filed within three years from the time
50 the return was due, including extensions thereof, for the taxable year
51 of the loss, or within the period prescribed in subdivision two of this
52 section in respect of such taxable year, or within the period prescribed
53 in subdivision three of this section, where applicable, in respect to
54 the taxable year to which the net operating loss or capital loss is
55 carried back, whichever expires the latest. Where such claim for credit
56 or refund is filed after the expiration of the period prescribed in

1 subdivision one or in subdivision two of this section where applicable,
2 in respect to the taxable year to which the net operating loss is
3 carried back, the amount of such credit or refund shall be computed
4 without change of the allocation of income or capital upon which the
5 taxpayer's return, or any additional assessment, was based.

6 5. Failure to file claim within prescribed period. No credit or
7 refund shall be allowed or made, except as provided in subdivision six
8 of this section or subdivision four of section 11-681 of this subchap-
9 ter, after the expiration of the applicable period of limitation speci-
10 fied in this subchapter, unless a claim for credit or refund is filed by
11 the taxpayer within such period. Any later credit shall be void and
12 any later refund erroneous. No period of limitations specified in any
13 other law shall apply to the recovery by a taxpayer of moneys paid in
14 respect of taxes under the named subchapters.

15 6. Effect of a petition to tax appeals tribunal. If a notice of defi-
16 ciency for a taxable year has been mailed to the taxpayer under section
17 11-672 of this subchapter and if the taxpayer files a timely petition
18 with the tax appeals tribunal under section 11-680 of this subchapter,
19 the tax appeals tribunal may determine that the taxpayer has made an
20 overpayment for such year, whether or not it also determines a deficien-
21 cy for such year. No separate claim for credit or refund for such year
22 shall be filed, and no credit or refund for such year shall be allowed
23 or made, except:

24 (a) as to overpayment determined by a decision of the tax appeals
25 tribunal which has become final; and

26 (b) as to any amount collected in excess of an amount computed in
27 accordance with the decision of the tax appeals tribunal which has
28 become final; and

29 (c) as to any amount collected after the period of limitation upon the
30 making of levy for collection has expired; and

31 (d) as to any amount claimed as a result of a change or correction
32 described in subdivision three of this section.

33 7. Limit on amount of credit or refund. The amount of overpayment
34 determined under subdivision six of this section shall, when the deci-
35 sion of the tax appeals tribunal has become final, be credited or
36 refunded in accordance with subdivision one of section 11-677 of this
37 subchapter and shall not exceed the amount of tax which the tax appeals
38 tribunal determines as part of its decision was paid:

39 (a) after the mailing of the notice of deficiency, or

40 (b) within the period which would be applicable under subdivision one,
41 two or three of this section, if on the date of the mailing of the
42 notice of deficiency a claim had been filed, whether or not filed, stat-
43 ing the ground upon which the tax appeals tribunal finds that there is
44 an overpayment.

45 For special restriction on credit or refund in a proceeding on a peti-
46 tion for redetermination of a deficiency where the notice of deficiency
47 is issued as a result of (i) a net operating loss carryback, or (ii) an
48 increase or decrease in federal or New York state taxable income or
49 other basis of tax or federal or New York state tax, or (iii) a federal
50 or New York state change or correction or renegotiation, or computation
51 or recomputation of tax, which is treated in the same manner as if it
52 were a deficiency for federal or New York state income tax purposes, see
53 paragraph (g) of subdivision three of section 11-674 of this subchapter.

54 8. Early return. For purposes of this section, any return filed
55 before the last day prescribed for the filing thereof shall be consid-

1 ered as filed on such last day, determined without regard to any exten-
2 sion of time granted the taxpayer.

3 9. Prepaid tax. For purposes of this section, any tax paid by the
4 taxpayer before the last day prescribed for its payment, including any
5 amount paid by the taxpayer as estimated tax for a taxable year, shall
6 be deemed to have been paid by it on the fifteenth day of the third
7 month following the close of the taxable year the income of which is the
8 basis for tax under subchapter two, three or three-A of this chapter, or
9 on the last day prescribed in part one of subchapter three or subchapter
10 four of this chapter for the filing of a final return for such taxable
11 year, or portion thereof, determined in all cases without regard to any
12 extension of time granted the taxpayer.

13 10. Cross reference. For provision barring refund of overpayment
14 credited against tax of a succeeding year, see subdivision two of
15 section 11-677 of this subchapter.

16 11. Notice of change or correction of sales and compensating use tax
17 liability. (a) If a taxpayer is required by subchapter two or three-A of
18 this chapter to file a report or amended return in respect of a change
19 or correction of its sales and compensating use tax liability, claim for
20 credit or refund of any resulting overpayment of tax shall be filed by
21 the taxpayer within two years from the time such report or amended
22 return was required to be filed with the commissioner of finance. The
23 amount of such credit or refund shall be computed without change of the
24 allocation of income or capital upon which the taxpayer's return, or any
25 additional assessment, was based, and shall not exceed the amount of the
26 reduction in tax attributable to such change or correction of sales and
27 compensating use tax liability.

28 (b) This subdivision shall not affect the time within which or the
29 amount for which a claim for credit or refund may be filed apart from
30 this subdivision.

31 § 11-679 Interest on overpayment. 1. General. Notwithstanding the
32 provisions of section three-a of the general municipal law, interest
33 shall be allowed and paid as follows at the overpayment rate set by the
34 commissioner of finance pursuant to section 11-687 of this subchapter,
35 or, if no rate is set, at the rate of six percent per annum upon any
36 overpayment in respect to the tax imposed by any of the named subchap-
37 ters:

38 (a) from the date of the overpayment to the due date of an amount
39 against which a credit is taken;

40 (b) from the date of the overpayment to a date, to be determined by
41 the commissioner of finance, preceding the date of a refund check by not
42 more than thirty days, whether or not such refund check is accepted by
43 the taxpayer after tender of such check to the taxpayer. The acceptance
44 of such check shall be without prejudice to any right of the taxpayer to
45 claim any additional overpayment and interest thereon.

46 (c) Late and amended returns and claims for credit or refund.
47 Notwithstanding paragraph (a) or (b) of this subdivision, in the case of
48 an overpayment claimed on a return of tax which is filed after the last
49 date prescribed for filing such return, determined with regard to exten-
50 sions, or claimed on an amended return of tax or claimed on a claim for
51 credit or refund, no interest shall be allowed or paid for any day
52 before the date on which such return or claim is filed.

53 (d) Interest on certain refunds. To the extent provided for in regu-
54 lations promulgated by the commissioner of finance, if an item of
55 income, gain, loss, deduction or credit is changed from the taxable year
56 or period in which it is reported to the taxable year or period in which

1 it belongs and the change results in an underpayment in a taxable year
2 or period and an overpayment in some other taxable year or period, the
3 provisions of paragraph (c) of this subdivision with respect to an over-
4 payment shall not be applicable to the extent that the limitation in
5 such paragraph on the right to interest would result in a taxpayer not
6 being allowed interest for a length of time with respect to an overpay-
7 ment while being required to pay interest on an equivalent amount of the
8 related underpayment. However, this paragraph shall be not construed as
9 limiting or mitigating the effect of any statute of limitations or any
10 other provision of law relating to the authority of such commissioner to
11 issue a notice of deficiency or to allow a credit or refund of an over-
12 payment.

13 (e) Amounts of less than one dollar. No interest shall be allowed or
14 paid if the amount thereof is less than one dollar.

15 2. Advance payment of tax and estimated tax. The provisions of subdi-
16 visions eight and nine of section 11-678 of this subchapter applicable
17 in determining the date of payment of tax for purposes of determining
18 the period of limitations on credit or refund, shall be applicable in
19 determining the date of payment for purposes of this section.

20 3. Tax refund within three months of claim for overpayment. If any
21 overpayment of tax imposed by any of the named subchapters is credited
22 or refunded within three months after the last date prescribed, or
23 permitted by extension of time, for filing the return of such tax on
24 which such overpayment was claimed or within three months after such
25 return was filed, whichever is later, or within three months after an
26 amended return was filed claiming such overpayment or within three
27 months after a claim for credit or refund was filed on which such over-
28 payment was claimed, no interest shall be allowed under this section on
29 any such overpayment. For purposes of this subdivision, any amended
30 return or claim for credit or refund filed before the last day
31 prescribed, or permitted by extension of time, for the filing of the
32 return of tax for such year or period shall be considered as filed on
33 such last day.

34 4. Refund of tax caused by carryback. For purposes of this section,
35 if any overpayment of tax imposed by subchapter two or three-A of this
36 chapter results from a carryback of a net operating loss or a net capi-
37 tal loss, such overpayment shall be deemed not to have been made prior
38 to the filing date for the taxable year in which such net operating loss
39 or net capital loss arises. Such filing date shall be determined without
40 regard to extensions of time to file. For purposes of subdivision three
41 of this section any overpayment described herein shall be treated as an
42 overpayment for the loss year and such subdivision shall be applied with
43 respect to such overpayment by treating the return for the loss year as
44 not filed before claim for such overpayment is filed. The term "loss
45 year" means the taxable year in which such loss arises.

46 5. No interest until return in processible form.

47 (a) For purposes of subdivisions one and three of this section, a
48 return shall not be treated as filed until it is filed in processible
49 form.

50 (b) For purposes of paragraph (a) of this subdivision, a return is in
51 a processible form if:

52 (A) such return is filed on a permitted form, and

53 (B) such return contains:

54 (i) the taxpayer's name; address, and identifying number and the
55 required signatures, and

1 (ii) sufficient required information, whether on the return or on
2 required attachments, to permit the mathematical verification of tax
3 liability shown on the return.

4 6. Cross reference. For provision with respect to interest after
5 failure to file a report of federal or New York state change or
6 correction or amended return under subchapter two, three or three-A, see
7 subdivision three of section 11-678 of this subchapter.

8 § 11-680 Petition to tax appeals tribunal. 1. General. The form of a
9 petition to the tax appeals tribunal, and further proceedings before the
10 tax appeals tribunal in any case initiated by the filing of a petition,
11 shall be governed by such rules as the tax appeals tribunal shall
12 prescribe. No petition shall be denied in whole or in part without
13 opportunity for a hearing on reasonable prior notice. Such hearing and
14 any appeal to the tribunal sitting en banc from the decision rendered in
15 such hearing shall be conducted in the manner and subject to the
16 requirements prescribed by the tax appeals tribunal pursuant to sections
17 one hundred sixty-eight through one hundred seventy-two of the charter
18 of the preceding municipality as it existed January first, nineteen
19 hundred ninety-four. A decision of the tax appeals tribunal shall be
20 rendered, and notice thereof shall be given, in the manner provided by
21 section one hundred seventy-one of the charter of the preceding munici-
22 pality as it existed January first, nineteen hundred ninety-four.

23 2. Petition for redetermination of a deficiency. Within ninety days,
24 or one hundred fifty days if the notice is addressed to a taxpayer whose
25 last known address is outside of the United States, after the mailing of
26 the notice of deficiency authorized by section 11-672 of this subchap-
27 ter, or if the commissioner of finance has established a conciliation
28 procedure pursuant to section 11-124 of this title and the taxpayer has
29 requested a conciliation conference in accordance therewith, after nine-
30 ty days from the mailing of the conciliation decision or the date of the
31 commissioner's confirmation of the discontinuance of the conciliation
32 proceeding, the taxpayer may file a petition with the tax appeals tribu-
33 nal for redetermination of the deficiency. Such petition may also assert
34 a claim for refund for the same taxable year or years, subject to the
35 limitations of subdivision seven of section 11-678 of this subchapter.
36 For special restriction where the notice of deficiency relates to a
37 proposed assessment made as a result of: (a) a net operating loss carry-
38 back or a capital loss carryback, (b) an increase or decrease in federal
39 or New York state taxable income or other basis of tax or federal or New
40 York state tax, or (c) a federal or New York state change or correction
41 or renegotiation, or computation or recomputation of tax, which is
42 treated in the same manner as if it were a deficiency for federal or New
43 York state income tax purposes, see paragraph (g) of subdivision three
44 of section 11-674 of this subchapter.

45 3. Petition for refund. A taxpayer may file a petition with the tax
46 appeals tribunal for the amounts asserted in a claim for refund if:

47 (a) the taxpayer has filed a timely claim for refund with the commis-
48 sioner of finance,

49 (b) the taxpayer has not previously filed with the tax appeals tribu-
50 nal a timely petition under subdivision two of this section for the same
51 taxable year unless the petition under this subdivision relates to a
52 separate claim for credit or refund properly filed under subdivision six
53 of section 11-678 of this subchapter, and

54 (c) either: (1) six months have expired since the claim was filed, or
55 (2) the commissioner of finance has mailed to the taxpayer, by regis-

1 tered or certified mail, a notice of disallowance of such claim in whole
2 or in part.

3 No petition under this subdivision shall be filed more than two years
4 after the date of mailing of a notice of disallowance, unless prior to
5 the expiration of such two year period it has been extended by written
6 agreement between the taxpayer and the commissioner of finance. If a
7 taxpayer files a written waiver of the requirement that the taxpayer be
8 mailed a notice of disallowance, the two year period prescribed by this
9 subdivision for filing a petition for refund shall begin on the date
10 such waiver is filed.

11 (d) If the commissioner of finance has established a conciliation
12 procedure pursuant to section 11-124 of this title, a taxpayer which is
13 eligible to file a petition for refund with the tax appeals tribunal
14 pursuant to this subdivision may request a conciliation conference prior
15 to filing such petition, provided the request is made within the time
16 prescribed for filing the petition. Notwithstanding anything in this
17 subdivision to the contrary, if the taxpayer has requested a concil-
18 iation conference in accordance with the procedure established pursuant
19 to section 11-124 of this title, a petition for refund may be filed no
20 later than ninety days from the mailing of the conciliation decision or
21 the date of the commissioner's confirmation of the discontinuance of the
22 conciliation proceeding.

23 4. Assertion of deficiency after filing petition.

24 (a) Petition for redetermination of deficiency. If a taxpayer files
25 with the tax appeals tribunal a petition for redetermination of a defi-
26 ciency, the tax appeals tribunal shall have power to determine a greater
27 deficiency than asserted in the notice of deficiency and to determine if
28 there should be assessed any addition to tax or penalty provided in
29 section 11-676 of this subchapter, if claim therefor is asserted at or
30 before the hearing under rules of the tax appeals tribunal.

31 (b) Petition for refund. If the taxpayer files with the tax appeals
32 tribunal a petition for credit or refund for a taxable year, the tax
33 appeals tribunal may:

34 (1) determine a deficiency for such year as to any amount of deficien-
35 cy asserted at or before the hearing under rules of the tax appeals
36 tribunal and within the period in which an assessment would be timely
37 under section 11-674 of this subchapter, or

38 (2) deny so much of the amount for which credit or refund is sought in
39 the petition, as is offset by other issues pertaining to the same taxa-
40 ble year which are asserted at or before the hearing under rules of the
41 tax appeals tribunal.

42 (c) Opportunity to respond. A taxpayer shall be given a reasonable
43 opportunity to respond to any matters asserted by the commissioner of
44 finance under this subdivision.

45 (d) Restriction on further notices of deficiency. If the taxpayer
46 files a petition with the tax appeals tribunal under this section, no
47 notice of deficiency under section 11-672 of this subchapter may there-
48 after be issued by the commissioner of finance for the same taxable
49 year, except in case of fraud or with respect to an increase or decrease
50 in federal or New York state taxable income, alternative minimum taxable
51 income or other basis of tax or federal or New York state tax or a
52 federal or New York state change or correction or renegotiation, or
53 computation or recomputation of tax, which is treated in the same manner
54 as if it were a deficiency for federal or New York state income tax
55 purposes, required to be reported under subchapter two, three or three-A
56 of this chapter or with respect to a state change or correction of sales

1 and compensating use tax liability required to be reported under
2 subchapter two or three-A of this chapter.

3 5. Burden of proof. In any case before the tax appeals tribunal under
4 this subchapter, the burden of proof shall be upon the petitioner except
5 for the following issues, as to which the burden of proof shall be upon
6 the commissioner of finance:

7 (a) whether the petitioner has been guilty of fraud with intent to
8 evade tax;

9 (b) whether the petitioner is liable as the transferee of property of
10 a taxpayer, but not to show that the taxpayer was liable for the tax;

11 (c) whether the petitioner is liable for any increase in a deficiency
12 where such increase is asserted initially after a notice of deficiency
13 was mailed and a petition under this section filed, unless such increase
14 in deficiency is the result of an increase or decrease in federal or New
15 York state taxable income, alternative minimum taxable income or other
16 basis of tax or federal or New York state tax or a federal or New York
17 state change or correction or renegotiation, or computation or recompu-
18 tation of tax, which is treated in the same manner as if it were a defi-
19 ciency for federal or New York state income tax purposes, required to be
20 reported under subchapter two, three or three-A of this chapter, and of
21 which increase, decrease, change or correction or renegotiation, or
22 computation or recomputation, the commissioner of finance had no notice
23 at the time he or she mailed the notice of deficiency or unless such
24 increase in deficiency is the result of a change or correction of sales
25 and compensating use tax liability required to be reported under
26 subchapter two or three-A of this chapter, and of which change or
27 correction the commissioner of finance had no notice at the time he or
28 she mailed the notice of deficiency; and

29 (d) whether any person is liable for a penalty under subdivision
30 twelve of section 11-676 of this subchapter.

31 6. Evidence of related federal or state determination. Evidence of a
32 federal or state determination relating to issues raised in a case
33 before the tax appeals tribunal under this section shall be admissible,
34 under rules established by the tax appeals tribunal.

35 7. Jurisdiction over other years. The tax appeals tribunal shall
36 consider such facts with relation to the taxes for other years as may be
37 necessary correctly to determine the tax for the taxable year, but in so
38 doing shall have no jurisdiction to determine whether or not the tax for
39 any other year has been overpaid or underpaid.

40 § 11-681 Review of tax appeals tribunal's decision. 1. General. A
41 decision of the tax appeals tribunal sitting en banc shall be subject to
42 judicial review at the instance of any taxpayer affected thereby in the
43 manner provided by law for the review of a final decision or action of
44 administrative agencies of the city. An application by a taxpayer for
45 such review must be made within four months after notice of the decision
46 is sent by certified mail, return receipt requested, to the taxpayer and
47 the commissioner of finance.

48 2. Judicial review exclusive remedy. The review of a decision of the
49 tax appeals tribunal provided by this section shall be the exclusive
50 remedy available to any taxpayer for the judicial determination of the
51 liability of the taxpayer for the taxes imposed by the named subchap-
52 ters.

53 3. Assessment pending review; review bond. Irrespective of any
54 restrictions on the assessment and collection of deficiencies, the
55 commissioner of finance may assess a deficiency determined by the tax
56 appeals tribunal in a decision rendered pursuant to section one hundred

1 seventy-one of the charter of the preceding municipality as it existed
2 January first, nineteen hundred ninety-four after the expiration of the
3 period specified in subdivision one, notwithstanding that an application
4 for judicial review in respect of such deficiency has been duly made by
5 the taxpayer unless the taxpayer, at or before the time the taxpayer's
6 application for review is made, has paid the deficiency, has deposited
7 with the commissioner of finance the amount of the deficiency, or has
8 filed with the commissioner of finance a bond, which may be a jeopardy
9 bond under subdivision eight of section 11-685 of this subchapter, in
10 the amount of the portion of the deficiency, including interest and
11 other amounts, in respect of which the application for review is made
12 and all costs and charges which may accrue against the taxpayer in the
13 prosecution of the proceeding, including costs of all appeals, and with
14 surety approved by a justice of the supreme court of the state, condi-
15 tioned upon the payment of the deficiency, including interest and other
16 amounts, as finally determined and such costs and charges. If, as a
17 result of a waiver of the restrictions on the assessment and collection
18 of a deficiency, any part of the amount determined by the tax appeals
19 tribunal is paid after the filing of the review bond, such bond shall,
20 at the request of the taxpayer, be proportionately reduced.

21 4. Credit, refund or abatement after review. If the amount of a defi-
22 ciency determined by the tax appeals tribunal is disallowed in whole or
23 in part by the court of review, the amount so disallowed shall be cred-
24 ited or refunded to the taxpayer, without the making of claim therefor,
25 or, if payment has not been made, shall be abated.

26 5. Date of finality of tax appeals tribunal decision. A decision of
27 the tax appeals tribunal shall become final upon the expiration of the
28 period specified in subdivision one of this section for making an appli-
29 cation for review, if no such application has been duly made within such
30 time, or if such application has been duly made, upon expiration of the
31 time for all further judicial review, or upon the rendering by the tax
32 appeals tribunal of a decision in accordance with the mandate of the
33 court on review provided, however, for the purpose of making an applica-
34 tion for review, the decision of the tax appeals tribunal shall be
35 deemed final on the date the notice of decision is sent by certified
36 mail to the taxpayer and the commissioner of finance.

37 § 11-682 Mailing rules; holidays; miscellaneous. 1. Timely mailing.
38 (a) If any return, declaration of estimated tax, claim, statement,
39 notice, petition, or other document required to be filed, or any payment
40 required to be made, within a prescribed period or on or before a
41 prescribed date under authority of any provision of this subchapter or
42 of the named subchapters is, after such period or such date, delivered
43 by United States mail to the commissioner of finance, tax appeals tribu-
44 nal, bureau, office, officer or person with which or with whom such
45 document is required to be filed, or to which or to whom such payment is
46 required to be made, the date of the United States postmark stamped on
47 the envelope shall be deemed to be the date of delivery. This subdivi-
48 sion shall apply only if the postmark date falls within the prescribed
49 period or on or before the prescribed date for the filing of such docu-
50 ment, or for making the payment, including any extension granted for
51 such filing or payment, and only if such document or payment was depos-
52 ited in the mail, postage prepaid, properly addressed to the commission-
53 er of finance, tax appeals tribunal, bureau, office, officer or person
54 with which or with whom the document is required to be filed or to which
55 or to whom such payment is required to be made. If any document is sent
56 by United States registered mail, such registration shall be prima facie

1 evidence that such document was delivered to the commissioner of
2 finance, tax appeals tribunal, bureau, office, officer or person to
3 which or to whom addressed. To the extent that the commissioner of
4 finance or, where relevant, the tax appeals tribunal shall prescribe by
5 regulation, certified mail may be used in lieu of registered mail under
6 this subdivision. Except as provided in paragraph (b) of this subdivi-
7 sion, this subdivision shall apply in the case of postmarks not made by
8 the United States postal service only if and to the extent provided by
9 regulations of the commissioner of finance or, where relevant, the tax
10 appeals tribunal.

11 (b) (i) Any reference in paragraph (a) of this subdivision to the
12 United States mail shall be treated as including a reference to any
13 delivery service designated by the secretary of the treasury of the
14 United States pursuant to section seventy-five hundred two of the inter-
15 nal revenue code and any reference in paragraph (a) of this subdivision
16 to a United States postmark shall be treated as including a reference to
17 any date recorded or marked in the manner described in section seventy-
18 five hundred two of the internal revenue code by a designated delivery
19 service. If the commissioner of finance finds that any delivery service
20 designated by such secretary is inadequate for the needs of the city,
21 the commissioner may withdraw such designation for purposes of this
22 title. The commissioner may also designate additional delivery services
23 meeting the criteria of section seventy-five hundred two of the internal
24 revenue code for purposes of this title, or may withdraw any such desig-
25 nation if the commissioner of finance finds that a delivery service so
26 designated is inadequate for the needs of the city. Any reference in
27 paragraph (a) of this subdivision to the United States mail shall be
28 treated as including a reference to any delivery service designated by
29 the commissioner of finance and any reference in paragraph (a) of this
30 subdivision to a United States postmark shall be treated as including a
31 reference to any date recorded or marked in the manner described in
32 section seventy-five hundred two of the internal revenue code by a
33 delivery service designated by the commissioner of finance, provided,
34 however, any withdrawal of designation or additional designation by the
35 commissioner of finance shall not be effective for purposes of service
36 upon the tax appeals tribunal, unless and until such withdrawal of
37 designation or additional designation is ratified by the president of
38 the tax appeals tribunal.

39 (ii) Any equivalent of registered or certified mail designated by the
40 United States secretary of the treasury, or as may be designated by the
41 commissioner of finance pursuant to the same criteria used by such
42 secretary for such designations pursuant to section seventy-five hundred
43 two of the internal revenue code, shall be included within the meaning
44 of registered or certified mail as used in paragraph (a) of this subdivi-
45 sion. If the commissioner of finance finds that any equivalent of
46 registered or certified mail designated by such secretary or the commis-
47 sioner of finance is inadequate for the needs of the city, the commis-
48 sioner of finance may withdraw such designation for purposes of this
49 title, provided, however, any withdrawal of designation or additional
50 designation by the commissioner of finance shall not be effective for
51 purposes of service upon the tax appeals tribunal, unless and until such
52 withdrawal of designation or additional designation is ratified by the
53 president of the tax appeals tribunal.

54 2. Last known address. For purposes of this subchapter, a taxpayer's
55 last known address shall be the address given in the last return filed

1 by it, unless subsequently to the filing of such return the taxpayer
2 shall have notified the commissioner of finance of a change of address.

3 3. Last day a Saturday, Sunday or legal holiday. When the last day
4 prescribed under authority of this subchapter or the named subchapters,
5 including any extension of time, for performing any act falls on a
6 Saturday, Sunday, or legal holiday in the state, the performance of such
7 act shall be considered timely if it is performed on the next succeeding
8 day which is not a Saturday, Sunday or legal holiday.

9 4. Certificate; unfiled return. For purposes of this subchapter and
10 sections one hundred sixty-eight through one hundred seventy-two of the
11 charter of the preceding municipality as it existed January first, nine-
12 teen hundred ninety-four, the certificate of the commissioner of finance
13 to the effect that a tax has not been paid, that a return or declaration
14 of estimated tax has not been filed, or that information has not been
15 supplied, as required by or under the provisions of this chapter, shall
16 be prima facie evidence that such tax has not been paid, that such
17 return or declaration has not been filed, or that such information has
18 not been supplied.

19 § 11-683 Collection, levy and liens. 1. Collection procedures. The
20 taxes imposed by the named subchapters shall be collected by the commis-
21 sioner of finance, and he or she may establish the mode or time for the
22 collection of any amount due him or her thereunder if not otherwise
23 specified. The commissioner of finance shall, upon request, give a
24 receipt for any sum collected thereunder. The commissioner of finance
25 may authorize banks or trust companies which are depositaries or finan-
26 cial agents of the city to receive and give a receipt for any tax
27 imposed under the named subchapters in such manner, at such times, and
28 under such conditions as the commissioner of finance may prescribe; and
29 the commissioner of finance shall prescribe the manner, times and condi-
30 tions under which the receipt of such tax by such banks and trust compa-
31 nies is to be treated as payment of such tax to the commissioner of
32 finance.

33 2. Notice and demand for tax. The commissioner of finance shall as
34 soon as practicable give notice to each taxpayer liable for any amount
35 of tax, addition to tax, penalty or interest, which has been assessed
36 but remains unpaid, stating the amount and demanding payment thereof.
37 Such notice shall be left at the principal office of the taxpayer in the
38 city or shall be sent by mail to such taxpayer's last known address.
39 Except where the commissioner of finance determines that collection
40 would be jeopardized by delay, if any tax is assessed prior to the last
41 date, including any date fixed by extension, prescribed for payment of
42 such tax, payment of such tax shall not be demanded until after such
43 date.

44 3. Issuance of warrant after notice and demand. If any corporation or
45 other person liable under the named subchapters for the payment of any
46 tax, addition to tax, penalty or interest neglects or refuses to pay the
47 same within ten days after notice and demand therefor is given to such
48 corporation or other person under subdivision two of this section, the
49 commissioner of finance may within six years after the date of such
50 assessment issue a warrant directed to the sheriff of any county of the
51 state, or to any officer or employee of the department of finance,
52 commanding him or her to levy upon and sell the real and personal prop-
53 erty of such corporation or other person for the payment of the amount
54 assessed, with the cost of executing the warrant, and to return such
55 warrant to the commissioner of finance, and pay to the commissioner the
56 money collected by virtue thereof within sixty days after the receipt of

1 the warrant. If the commissioner of finance finds that the collection
2 of the tax or other amount is in jeopardy, notice and demand for immedi-
3 ate payment of such tax may be made by the commissioner of finance and
4 upon failure or refusal to pay such tax or other amount the commissioner
5 of finance may issue a warrant without regard to the ten-day period
6 provided in this subdivision.

7 4. Copy of warrant to be filed and lien to be created. Any sheriff or
8 officer or employee who receives a warrant under subdivision three of
9 this section shall within five days thereafter file a copy with the
10 clerk of the appropriate county. The clerk shall thereupon enter in the
11 judgment docket, in the column for judgment debtors, the name of the
12 taxpayer mentioned in the warrant, and in appropriate columns the tax or
13 other amounts for which the warrant is issued and the date when such
14 copy is filed; and such amount shall thereupon be a binding lien upon
15 the real, personal and other property of the taxpayer.

16 5. Judgment. When a warrant has been filed with the county clerk the
17 commissioner of finance shall, on behalf of the city, be deemed to have
18 obtained judgment against the taxpayer for the tax or other amounts.

19 6. Execution. The sheriff or officer or employee shall thereupon
20 proceed upon the judgment in all respects, with like effect, and in the
21 same manner prescribed by law in respect to executions issued against
22 property upon judgments of a court of record, and a sheriff shall be
23 entitled to the same fees for his or her services in executing the
24 warrant, to be collected in the same manner. An officer or employee of
25 the department of finance may proceed in any county or counties of this
26 state and shall have all the powers of execution conferred by law upon
27 sheriffs, but shall be entitled to no fee or compensation in excess of
28 actual expenses paid in connection with the execution of the warrant.

29 7. Foreign corporations. Where a notice and demand under subdivision
30 two of this section shall have been given to a foreign corporation or
31 other person who is not then a resident, and it appears to the commis-
32 sioner of finance that it is not practicable to find in the state prop-
33 erty of such foreign corporation or nonresident person sufficient to pay
34 the entire balance of tax or other amount owing by such foreign corpo-
35 ration or nonresidential person, the commissioner of finance may, in
36 accordance with subdivision three of this section, issue a warrant
37 directed to an officer or employee of the department of finance, a copy
38 of which warrant shall be mailed by certified or registered mail to such
39 foreign corporation or nonresident person at its last known address,
40 subject to the rules of mailing provided in subdivision one of section
41 11-672 of this subchapter. Such warrant shall command the officer or
42 employee to proceed in Richmond county, and he or she shall, within five
43 days after receipt of the warrant, file the warrant and obtain a judg-
44 ment in accordance with this section. Thereupon the commissioner of
45 finance may authorize the institution of any action or proceeding to
46 collect or enforce the judgment in any place and by any procedure that a
47 civil judgment of the supreme court of the state of New York could be
48 collected or enforced. The commissioner of finance may also, in his or
49 her discretion, designate agents or retain counsel for the purpose of
50 collecting, outside the state, any unpaid taxes, additions to tax,
51 penalties or interest which have been assessed under this subchapter or
52 under any of the named subchapters, against foreign corporations or
53 other non-resident persons, may fix the compensation of such agents and
54 counsel to be paid out of money appropriated or otherwise lawfully
55 available for payment thereof, and may require of them bonds or other
56 security for the faithful performance of their duties, in such form and

1 in such amount as the commissioner of finance shall deem proper and
2 sufficient.

3 8. Action by city for recovery of taxes. Action may be brought by the
4 corporation counsel of the city at the instance of the commissioner of
5 finance to recover the amount of any unpaid taxes, additions to tax,
6 penalties or interest which have been assessed under this subchapter or
7 under the named subchapters within six years prior to the date the
8 action is commenced.

9 9. Release of lien. The commissioner of finance, if he or she finds
10 that the interests of the city will not thereby be jeopardized, and upon
11 such conditions as it may require, may release any property from the
12 lien of any warrant filed under subdivision four or seven of this
13 section for unpaid taxes, additions to tax, penalties and interest filed
14 pursuant to this section, and such release or vacating of the warrant
15 may be recorded in the office of any recording officer in which such
16 warrant has been filed. The clerk shall thereupon cancel and discharge
17 as of the original date of docketing the vacated warrant.

18 10. Lien from due date of return. (a) In addition to any other lien
19 provided for in this section, each tax imposed by the named subchapters
20 shall become a lien on the date on which the return is required to be
21 filed, without regard to any extension of time for filing such return,
22 except that such tax shall become a lien not later than the date the
23 taxpayer ceases to be subject to the tax imposed by any of the named
24 subchapters, or to do business in this state in a corporate or organized
25 capacity. Each such tax shall be a lien and binding upon the real and
26 personal property of the taxpayer, or of a transferee liable to pay the
27 same, until the same is paid in full, except that no lien for any addi-
28 tional tax assessed pursuant to this subchapter shall be enforceable
29 against property which prior to the issuance to the taxpayer of a notice
30 of deficiency under section 11-672 of this subchapter had been trans-
31 ferred in good faith to a bona fide transferee for value. But the lien
32 of each such tax shall be subject to the lien of any mortgage indebt-
33 edness existing against real property previous to the time when the tax
34 became a lien and where such mortgage indebtedness has been incurred in
35 good faith and was not given, directly or indirectly, to any officer or
36 stockholder of the corporation owning such real property, whether as a
37 purchase money mortgage or otherwise, and shall also be subject to the
38 lien of local taxes and assessments, without regard to when the lien for
39 such taxes and assessments may have accrued. If the return is filed and
40 the tax shown on the report to be due is paid on or before the date on
41 which the report is required to be filed, without regard to any exten-
42 sions of time for filing such report, the lien shall not be enforceable
43 against the interest of any purchaser or mortgagee in property which is
44 thereafter, but prior to the issuance to the taxpayer of a notice of
45 deficiency under section 11-672 of this subchapter transferred to a bona
46 fide purchaser for value, or mortgaged where the mortgage indebtedness
47 is incurred in good faith and the mortgage is not given, directly or
48 indirectly, to any officer or stockholder of the corporation. In any
49 action to foreclose any such mortgage, or to foreclose the lien of local
50 taxes or assessments, to which the people of the state, or the city
51 shall have been made a party defendant by reason of the existence of a
52 lien for any such tax, or if no such tax was due or was a lien at the
53 time of the commencement of such action and the filing of the notice of
54 pendency thereof but such a tax becomes due or becomes a lien subsequent
55 to the time of the commencement of such action and the filing of the
56 notice of pendency thereof, such real property shall be sold and

1 conveyed in such action free from any such tax lien, and any such tax
2 lien may become a lien on any surplus moneys which may result from such
3 sale, to be determined in the proceedings for the distribution of such
4 surplus moneys. Where title to real property passes from an individual,
5 or from a corporation owing no tax, to another corporation which is in
6 default for such tax, the lien herein provided shall not be enforceable
7 except as to any equity after the prior mortgage or purchase money mort-
8 gage encumbrance.

9 (b) The commissioner of finance may, upon application made to the
10 commissioner and the payment of a fee of twenty-five dollars, release
11 any real property from the lien under this subdivision, provided payment
12 be made to the commissioner of finance of such a sum as the commissioner
13 of finance shall deem adequate consideration for such release, or depos-
14 it be made of such security or such bond be filed as the commissioner of
15 finance shall deem proper to secure payment of any such tax. The appli-
16 cation for such release shall contain an accurate description of the
17 property to be released together with such information as the commis-
18 sioner of finance may require. Such release may be recorded in any
19 office in which conveyances of real estate are entitled to be recorded.

20 (c) All taxes, additions to tax, penalties and interest which have
21 become a lien under this subdivision shall cease to be a lien after the
22 expiration of twenty years from the date they become due and payable,
23 except that taxes, additions to tax, penalties and interest which have
24 become a lien under this subdivision (1) as to real estate in the hands
25 of persons who are owners thereof who would be purchasers in good faith
26 but for such taxes, additions to tax, penalties or interest and (2) as
27 to the lien on real estate of mortgages held by persons who would be
28 holders thereof in good faith but for such taxes, additions to tax,
29 penalties or interest, as against such purchasers or holders, shall
30 cease to be a lien after the expiration of ten years from the date they
31 become due and payable. The limitations herein provided for shall not
32 apply to any transfer from a corporation to a person or corporation with
33 intent to avoid payment of any taxes, or where with like intent the
34 transfer is made to a grantee corporation, or any subsequent grantee
35 corporation, controlled by such grantor or which has any community of
36 interest with it, either through stock ownership or otherwise.

37 § 11-684 Transferees. 1. General. The liability, at law or in equi-
38 ty, of a transferee of property of a taxpayer for any tax, additions to
39 tax, penalty or interest due the commissioner of finance under this
40 subchapter or under the named subchapters, shall be assessed, paid, and
41 collected in the same manner and subject to the same provisions and
42 limitations as in the case of the tax to which the liability relates,
43 except that the period of limitations for assessment against the trans-
44 feree shall be extended by one year for each successive transfer, in
45 order, from the original taxpayer to the transferee involved, but not by
46 more than three years in the aggregate. The term transferee includes,
47 in case of successive transfers, donee, heir, legatee, devisee, distri-
48 butee, and successor by merger, consolidation or other reorganization.

49 2. Exceptions.

50 (a) If before the expiration of the period of limitations for assess-
51 ment of liability of the transferee, a claim has been filed by the
52 commissioner of finance in any court against the original taxpayer or
53 the last preceding transferee based upon the liability of the original
54 taxpayer, then the period of limitation for assessment of liability of
55 the transferee shall in no event expire prior to one year after such
56 claim has been finally allowed, disallowed or otherwise disposed of.

1 (b) If, before the expiration of the time prescribed in subdivision
2 one or paragraph (a) of this subdivision for the assessment of the
3 liability, the commissioner of finance and the transferee have both
4 consented in writing to its assessment after such time, the liability
5 may be assessed at any time prior to the expiration of the period agreed
6 upon. The period so agreed upon may be extended by subsequent agree-
7 ments in writing made before the expiration of the period previously
8 agreed upon. For the purpose of determining the period of limitation on
9 credit or refund to the transferee or overpayments of tax made by such
10 transferee or overpayments of tax made by the transferor as to which the
11 transferee is legally entitled to credit or refund, such agreement and
12 any extension thereof shall be deemed an agreement and extension thereof
13 referred to in subdivision two of section 11-678 of this subchapter. If
14 the agreement is executed after the expiration of the period of limita-
15 tion for assessment against the original taxpayer, then in applying the
16 limitations under subdivision two of section 11-678 of this subchapter
17 on the amount of the credit or refund, the period specified in subdivi-
18 sion one of section 11-678 of this subchapter shall be increased by the
19 period from the date of such expiration to the date of the agreement.

20 3. Period for assessment against certain transferors. For purposes of
21 this section, if any person is deceased or is a corporation which has
22 terminated its existence, the period of limitation for assessment
23 against such person or corporation shall be the period that would be in
24 effect had death or termination of existence not occurred.

25 4. Evidence. The commissioner of finance shall use his or her powers
26 to make available to the transferee evidence necessary to enable the
27 transferee to determine the liability of the original taxpayer and of
28 any preceding transferees, but without undue hardship to the original
29 taxpayer or preceding transferee. See subdivision five of section
30 11-680 of this subchapter for rule as to burden of proof.

31 § 11-685 Jeopardy assessments. 1. Authority for making. If the commis-
32 sioner of finance believes that the assessment or collection of a defi-
33 ciency will be jeopardized by delay, the commissioner shall, notwith-
34 standing the provisions of section 11-672 of this subchapter immediately
35 assess such deficiency, together with all interest, penalties and addi-
36 tions to tax provided for by law, and notice and demand shall be made by
37 the commissioner of finance for the payment thereof.

38 2. Notice of deficiency. If the jeopardy assessment is made before any
39 notice in respect of the tax to which the jeopardy assessment relates
40 has been mailed under section 11-672 of this subchapter, then the
41 commissioner of finance shall mail a notice under such section within
42 sixty days after the making of the assessment.

43 3. Amount assessable before decision of the tax appeals tribunal. The
44 jeopardy assessment may be made in respect of a deficiency greater or
45 less than that of which notice is mailed to the taxpayer and whether or
46 not the taxpayer has theretofore filed a petition with the tax appeals
47 tribunal. The commissioner of finance may, at any time before tax
48 appeals tribunal renders its decision, abate such assessment, or any
49 unpaid portion thereof, to the extent that the commissioner believes the
50 assessment to be excessive in amount. The tax appeals tribunal may in
51 its decision redetermine the entire amount of the deficiency and of all
52 amounts assessed at the same time in connection therewith.

53 4. Amounts assessable after decision of the tax appeals tribunal. If
54 the jeopardy assessment is made after the decision of the tax appeals
55 tribunal is rendered, such assessment may be made only in respect of the
56 deficiency determined by the tax appeals tribunal in its decision.

1 5. Expiration of right to assess. A jeopardy assessment may not be
2 made after the decision of the tax appeals tribunal has become final or
3 after the taxpayer has made an application for review of the decision of
4 the tax appeals tribunal.

5 6. Collection of unpaid amounts. When a petition has been filed with
6 the tax appeals tribunal and when the amount which should have been
7 assessed has been determined by a decision of the tax appeals tribunal
8 which has become final, then any unpaid portion, the collection of which
9 has been stayed by bond, shall be collected as part of the tax upon
10 notice and demand from the commissioner of finance, and any remaining
11 portion of the assessment shall be abated. If the amount already
12 collected exceeds the amount determined as the amount which should have
13 been assessed, such excess shall be credited or refunded to the taxpayer
14 as provided in section 11-677 of this subchapter without the filing of
15 claim therefor. If the amount determined as the amount which should
16 have been assessed is greater than the amount actually assessed, then
17 the difference shall be assessed and shall be collected as part of the
18 tax upon notice and demand from the tax appeals tribunal.

19 7. Abatement if jeopardy does not exist. The commissioner of finance
20 may abate the jeopardy assessment if the commissioner finds that jeopar-
21 dy does not exist. Such abatement may not be made after a decision of
22 the tax appeals tribunal in respect of the deficiency has been rendered
23 or, if no petition is filed with the tax appeals tribunal, after the
24 expiration of the period for filing such petition. The period of limita-
25 tion on the making of assessments and levy or a proceeding for
26 collection, in respect of any deficiency, shall be determined as if the
27 jeopardy assessment so abated had not been made, except that the running
28 of such period shall in any event be suspended for the period from the
29 date of such jeopardy assessment until the expiration of the tenth day
30 after the day on which such jeopardy assessment is abated.

31 8. Bond to stay collection. The collection of the whole or any amount
32 of any jeopardy assessment may be stayed by filing with the commissioner
33 of finance, within such time as may be fixed by regulation, a bond in an
34 amount equal to the amount as to which the stay is desired, conditioned
35 upon the payment of the amount, together with interest thereon, the
36 collection of which is stayed at the time of which, but for the making
37 of the jeopardy assessment, such amount would be due. Upon the filing
38 of the bond the collection of so much of the amount assessed as is
39 covered by the bond shall be stayed. The taxpayer shall have the right
40 to waive such stay at any time in respect of the whole or any part of
41 the amount covered by the bond, and if as a result of such waiver any
42 part of the amount covered by the bond is paid, then the bond shall at
43 the request of the taxpayer, be proportionately reduced. If any portion
44 of the jeopardy assessment is abated, or if a notice of deficiency under
45 section 11-672 of this subchapter is mailed to the taxpayer in a lesser
46 amount, the bond shall, at the request of the taxpayer, be proportion-
47 ately reduced.

48 9. Petition to tax appeals tribunal. If the bond is given before the
49 taxpayer has filed its petition under section 11-680 of this subchapter,
50 the bond shall contain a further condition that if a petition is not
51 filed within the period provided in such section, then the amount, the
52 collection of which is stayed by the bond, will be paid on notice and
53 demand at any time after the expiration of such period, together with
54 interest thereon from the date of the jeopardy notice and demand to the
55 date of notice and demand under this subdivision. The bond shall be
56 conditioned upon the payment of so much of such assessment, collection

1 of which is stayed by the bond, as is not abated by a decision of the
2 tax appeals tribunal which has become final. If the tax appeals tribunal
3 determines that the amount assessed is greater than the amount which
4 should have been assessed, then the bond shall, at the request of the
5 taxpayer, be proportionately reduced when the decision of the tax
6 appeals tribunal is rendered.

7 10. Stay of sale of seized property pending tax appeals tribunal's
8 decision. Where a jeopardy assessment is made, the property seized for
9 the collection of the tax shall not be sold:

10 (a) if subdivision two of this section is applicable, prior to the
11 issuance of the notice of deficiency and the expiration of the time
12 provided in section 11-680 of this subchapter for filing a petition with
13 the tax appeals tribunal, and

14 (b) if a petition is filed with the tax appeals tribunal, whether
15 before or after the making of such jeopardy assessment, prior to the
16 expiration of the period during which the assessment of the deficiency
17 would be prohibited if subdivision one of this section were not applica-
18 ble.

19 Such property may be sold if the taxpayer consents to the sale, or if
20 the commissioner of finance determines that the expenses of conservation
21 and maintenance will greatly reduce the net proceeds, or if the property
22 is perishable.

23 11. Interest. For the purpose of subdivision one of section 11-675 of
24 this subchapter, the last date prescribed for payment shall be deter-
25 mined without regard to any notice and demand for payment issued under
26 this section prior to the last date otherwise prescribed for such
27 payment.

28 12. Early termination of taxable year. If the commissioner of finance
29 finds that a taxpayer designs quickly to remove its property from this
30 state, or to conceal its property therein, or to do any other act tend-
31 ing to prejudice or to render wholly or partly ineffectual proceedings
32 to collect the tax for the current or the preceding taxable year unless
33 such proceedings be brought without delay, the commissioner of finance
34 shall declare the taxable period for such taxpayer immediately termi-
35 nated, and shall cause notice of such finding and declaration to be
36 given the taxpayer, together with a demand for immediate payment of the
37 tax for the taxable period so declared terminated and of the tax for the
38 preceding taxable year so much of such tax as is unpaid, whether or not
39 the time otherwise allowed by law for filing return and paying the tax
40 has expired; and such taxes shall thereupon become immediately due and
41 payable. In any proceeding brought to enforce payment of taxes made due
42 and payable by virtue of the provisions of this subdivision, the finding
43 of the commissioner of finance made as herein provided, whether made
44 after notice to the taxpayer or not, shall be for all purposes presump-
45 tive evidence of jeopardy.

46 13. Reopening of taxable period. Notwithstanding the termination of
47 the taxable period of the taxpayer by the commissioner of finance, as
48 provided in subdivision twelve of this section, the commissioner of
49 finance may reopen such taxable period each time the taxpayer is found
50 by the commissioner of finance to have received income, within the
51 current taxable year, since the termination of such period. A taxable
52 period so terminated by the commissioner of finance may be reopened by
53 the taxpayer if it files with the commissioner of finance a true and
54 accurate return under any of the named subchapters for such taxable
55 period, together with such other information as the commissioner of
56 finance may by regulations prescribe.

1 14. Furnishing of bond where taxable year is closed by the commission-
2 er of finance. Payment of taxes shall not be enforced by any proceedings
3 under the provisions of subdivision twelve of this section prior to the
4 expiration of the time otherwise allowed for paying such taxes if the
5 taxpayer furnishes, under regulations prescribed by the commissioner of
6 finance, a bond to insure the timely making of returns with respect to,
7 and payment of, such taxes or any taxes for prior years.

8 § 11-686 Criminal penalties; cross-reference. For criminal penalties,
9 see chapter forty of this title.

10 § 11-687 General powers of the commissioner of finance. 1. General.
11 The commissioner of finance shall administer and enforce the tax imposed
12 by the named subchapters and the commissioner is authorized to make such
13 rules and regulations, and to require such facts and information to be
14 reported, as the commissioner may deem necessary to enforce the
15 provisions of this subchapter and of the named subchapters; and the
16 commissioner may delegate the commissioner's powers and functions under
17 all subchapters of this chapter to one of the commissioner's deputies or
18 to any employee or employees of his or her department.

19 2. Examination of books and witnesses. The commissioner of finance,
20 for the purpose of ascertaining the correctness of any return, or for
21 the purpose of making an estimate of tax liability of any corporation,
22 shall have power to examine or to cause to have examined, by any agent
23 or representative designated by the commissioner for that purpose, any
24 books, papers, records or memoranda bearing upon the matters required to
25 be included in the return, and may require the attendance of the corpo-
26 ration rendering the return through any officer or employee of such
27 corporation, or the attendance of any other person having knowledge in
28 the premises, and may take testimony and require proof material for the
29 commissioner's information, with power to administer oaths to such
30 person or persons.

31 3. Abatement authority. The commissioner of finance, of the commis-
32 sioner's own motion, may abate any small unpaid balance of an assessment
33 of tax, or any liability in respect thereof, if the commissioner of
34 finance determines under uniform rules prescribed by the commissioner
35 that the administration and collection costs involved would not warrant
36 collection of the amount due. The commissioner may also abate, of his
37 or her own motion, the unpaid portion of the assessment of any tax or
38 any liability in respect thereof, which is excessive in amount, or is
39 assessed after the expiration of the period of limitation properly
40 applicable thereto, or is erroneously or illegally assessed. No claim
41 for abatement under this subdivision shall be filed by a taxpayer.

42 4. Special refund authority. Where no questions of fact or law are
43 involved and it appears from the records of the commissioner of finance
44 that any moneys have been erroneously or illegally collected from any
45 taxpayer or other person, or paid by such taxpayer or other person under
46 a mistake of facts, pursuant to the provisions of this subchapter or any
47 of the named subchapters, the commissioner of finance at anytime, with-
48 out regard to any period of limitations, shall have the power, upon
49 making a record of his or her reasons therefor in writing, to cause such
50 moneys so paid and being erroneously and illegally held to be refunded.

51 5. (a) Authority to set interest rates. The commissioner of finance
52 shall set the overpayment and underpayment rates of interest to be paid
53 pursuant to sections 11-606, 11-608, 11-645, 11-647, 11-656, 11-658,
54 11-675, 11-676, and 11-679 of this chapter, but if no such rate or rates
55 of interest are set, such overpayment rate shall be deemed to be set at
56 six percent per annum and such underpayment rate shall be deemed to be

1 set at seven and one-half percent per annum. Such overpayment and
2 underpayment rates shall be the rates prescribed in paragraph (b) of
3 this subdivision but the underpayment rate shall not be less than seven
4 and one-half percent per annum. Any such rates set by the commissioner
5 of finance shall apply to taxes, or any portion thereof, which remain or
6 become due or overpaid on or after the date on which such rates become
7 effective and shall apply only with respect to interest computed or
8 computable for periods or portions of periods occurring in the period
9 during which such rates are in effect.

10 (b) General rule. (A) Overpayment rate. The overpayment rate set under
11 this subdivision shall be the sum of (i) the federal short-term rate as
12 provided under paragraph (c) of this subdivision, plus (ii) two percent-
13 age points.

14 (B) Underpayment rate. The underpayment rate set under this subdivi-
15 sion shall be the sum of (i) the federal short-term rate as provided
16 under paragraph (c) of this subdivision, plus (ii) seven percentage
17 points.

18 (c) Federal short-term rate. For purposes of this subdivision:

19 (A) The federal short-term rate for any month shall be the federal
20 short-term rate determined by the United States secretary of the treas-
21 ury during such month in accordance with subsection (d) of section
22 twelve hundred seventy-four of the internal revenue code for use in
23 connection with section six thousand six hundred twenty-one of the
24 internal revenue code. Any such rate shall be rounded to the nearest
25 full percent, or, if a multiple of one-half of one percent, such rate
26 shall be increased to the next highest full percent.

27 (B) Period during which rate applies.

28 (i) In general. Except as provided in clause (ii) of this subpara-
29 graph, the federal short-term rate for the first month in each calendar
30 quarter shall apply during the first calendar quarter beginning after
31 such month.

32 (ii) Special rule for the month of September, nineteen hundred eight-
33 y-nine. The federal short-term rate for the month of April, nineteen
34 hundred eighty-nine shall apply with respect to setting the overpayment
35 and underpayment rates for the month of September, nineteen hundred
36 eighty-nine.

37 (d) Publication of interest rates. The commissioner of finance shall
38 cause to be published in the city record, and give other appropriate
39 general notice of, the interest rates to be set under this subdivision
40 no later than twenty days preceding the first day of the calendar quar-
41 ter during which such interest rates apply. The setting and publication
42 of such interest rates shall not be included within paragraph (a) of
43 subdivision five of section one thousand forty-one of the city charter
44 relating to the definition of a rule.

45 (e) Cross-reference. For provisions relating to the power of the
46 commissioner of finance to abate small amounts of interest, see subdivi-
47 sion three of this section.

48 6. In computing the amount of any interest required to be paid under
49 this subchapter or any of the named subchapters by the commissioner of
50 finance or by the taxpayer, or any other amount determined by reference
51 to such amount of interest, such interest and such amount shall be
52 compounded daily. The preceding sentence shall not apply for purposes of
53 computing the amount of any addition to tax for failure to pay estimated
54 tax under subdivision three of section 11-676 of this subchapter.

55 § 11-688 Secrecy required of official; penalty for violation. 1.
56 Except in accordance with proper judicial order or as otherwise provided

1 by law, it shall be unlawful for the commissioner of finance, the
2 department of finance of the city, any officer or employee of the
3 department of finance of the city, the tax appeals tribunal, any commis-
4 sioner or employee of such tribunal, any person who, pursuant to this
5 section, is permitted to inspect any report or return, or to whom any
6 information contained in any report or return is furnished, any person
7 engaged or retained by such department on an independent contract basis,
8 or any person who in any manner may acquire knowledge of the contents of
9 a report filed pursuant to this chapter, to divulge or make known in any
10 manner the amount of income or any particulars set forth or disclosed in
11 any report or return, under this chapter. The officers charged with the
12 custody of such reports and returns shall not be required to produce any
13 of them or evidence of anything contained in them in any action or
14 proceeding in any court, except on behalf of the city in an action or
15 proceeding involving the collection of a tax due under this chapter to
16 which the city is a party or a claimant, or on behalf of any party to
17 any action or proceeding under the provisions of this chapter when the
18 reports, returns or facts shown thereby are directly involved in such
19 action or proceeding, in any of which events the court may require the
20 production of, and may admit in evidence, so much of said reports or
21 returns or of facts shown thereby as are pertinent to the action or
22 proceeding, and no more. Nothing herein shall be construed to prohibit
23 the delivery to a taxpayer or its duly authorized representative of a
24 copy of any report filed by it, nor to prohibit the publication of
25 statistics so classified as to prevent the identification of particular
26 reports or returns and the items thereof, or the inspection by the
27 corporation counsel or other legal representatives of the city of the
28 report or return of any taxpayer which shall bring action to set aside
29 or review the tax based thereon, or against which an action or proceed-
30 ing under this chapter or under any local law of the city imposed as
31 authorized by the act authorizing the adoption of this chapter has been
32 recommended by the commissioner of finance or the corporation counsel or
33 has been instituted, or the inspection of the reports or returns of any
34 taxpayer by the duly designated officers or employees of the city for
35 purposes of an audit under this chapter or an audit authorized by the
36 act authorizing the adoption of this chapter; and nothing in this
37 subchapter or chapter eleven of this title shall be construed to prohib-
38 it the publication of the issuer's allocation percentage, as defined in
39 subparagraph one of paragraph (b) of subdivision three of section 11-604
40 of this chapter, of any corporation which may be required to be allo-
41 cated within the city for purposes of the tax imposed by any of the
42 named subchapters or chapter eleven of this title.

43 2. (a) Any officer or employee of the state or city who willfully
44 violates the provisions of subdivision one of this section shall be
45 dismissed from office and be incapable of holding any public office in
46 the city or this state for a period of five years thereafter.

47 (b) Cross-reference: For criminal penalties, see chapter forty of this
48 title.

49 3. Notwithstanding any provisions of this section, the commissioner of
50 finance may permit the secretary of the treasury of the United States or
51 his or her delegates, or the proper officer of this or any other state
52 charged with tax administration, or the authorized representative of
53 either such officer, to inspect the returns or reports filed under any
54 of the named subchapters, or may furnish to such officer or his or her
55 authorized representative an abstract of any such return or report or
56 supply information concerning an item contained in any such return or

1 report, or supply him or her with information concerning an item
2 contained in any such return or report, or disclosed by an investigation
3 of tax liability under any of the named subchapters, but such permission
4 shall be granted or such information furnished to such officer or his or
5 her representative only if the laws of the United States or of such
6 state, as the case may be, grant substantially similar privileges to the
7 commissioner of finance and such information is to be used for tax
8 purposes only; and provided further the commissioner of finance may
9 furnish to the secretary of the treasury of the United States or his or
10 her delegates or to the tax commission of the state of New York or its
11 delegates such returns or reports filed under any of the named subchap-
12 ters and other tax information, as he or she may consider proper, for
13 use in court actions or proceedings under the internal revenue code or
14 the tax law of the state of New York, whether civil or criminal, where a
15 written request therefor has been made to the commissioner of finance by
16 the secretary of the treasury or by such tax commission or by their
17 delegates, provided the laws of the United States or the laws of the
18 state of New York grant substantially similar powers to the secretary of
19 the treasury or his or her delegates or to such tax commission or its
20 delegates. Where the commissioner of finance has so authorized use of
21 returns, reports or other information in such actions or proceedings,
22 officers and employees of the department of finance may testify in such
23 actions or proceedings in respect to such returns, reports of other
24 information.

25 4. Notwithstanding the provisions of subdivision one of this section,
26 the commissioner of finance, in his or her discretion, may require or
27 permit any or all persons liable for any tax imposed by this chapter to
28 make payments on account of estimated tax and payment of any tax, penal-
29 ty or interest imposed by this chapter to banks, banking houses or trust
30 companies designated by the commissioner of finance and to file declara-
31 tions of estimated tax, applications for automatic extensions of time to
32 file reports, and reports with such banks, banking houses or trust
33 companies as agents of the commissioner of finance, in lieu of making
34 any such payment directly to the commissioner of finance. However, the
35 commissioner of finance shall designate only such banks, banking houses
36 or trust companies as are depositories or financial agents of the city.

37 5. This section shall be deemed a state statute for purposes of para-
38 graph (a) of subdivision two of section eighty-seven of the public offi-
39 cers law.

40 6. Notwithstanding anything in subdivision one of this section to the
41 contrary, if a taxpayer has petitioned the tax appeals tribunal for
42 administrative review as provided in section one hundred seventy of the
43 charter of the preceding municipality as it existed January first, nine-
44 teen hundred ninety-four, the commissioner of finance shall be author-
45 ized to present to the tribunal any report or return of such taxpayer,
46 or any information contained therein or relating thereto, which may be
47 material or relevant to the proceeding before the tribunal. The tax
48 appeals tribunal shall be authorized to publish a copy or a summary of
49 any decision rendered pursuant to section one hundred seventy-one of the
50 charter of the preceding municipality as it existed January first, nine-
51 teen hundred ninety-four.

52 7. Notwithstanding anything in subdivision one of this section, the
53 commissioner of finance may disclose to a taxpayer or a taxpayer's
54 related member, as defined in paragraph (n) of subdivision eight of
55 section 11-602, paragraph (n) of subdivision eight of section 11-652 or
56 paragraph one of subdivision (q) of section 11-641 of this chapter,

1 information relating to any royalty paid, incurred or received by such
2 taxpayer or related member to or from the other, including the treatment
3 of such payments by the taxpayer or the related member in any report or
4 return transmitted to the commissioner of finance under this title.

5 § 11-689 Disposition of revenues. All revenues resulting from the
6 imposition of the taxes under this chapter shall be paid into the treas-
7 ury of the city and shall be credited to and deposited in the general
8 fund of the city, but no part of such revenues may be expended unless
9 appropriated in the annual budget of the city.

10 § 11-690 Inconsistencies with other laws. If any provision of this

15 that such presumptive base rent or any portion thereof is not included
16 in the measure of the tax imposed by this chapter shall be on the
17 tenant.

18 b. Where a tenant uses premises both for residential purposes and as
19 taxable premises and the tenant pays an undivided rent for the premises
20 so used, it shall be conclusively presumed against such tenant that the
21 rent ascribable to so much of such premises as is used as taxable prem-
22 ises shall be the amount which such tenant deducts as rent for such
23 premises in determining the tenant's federal income tax, as reduced by

15 the tax year of relocation and the number of days in such tax year of
16 relocation commencing with and following the date of relocation, and
17 provided, further, that there shall be no such reduction with respect to
18 premises used for retail activity or hotel services.

19 2. (i) For purposes of this subdivision, the terms "eligible area,"
20 "eligible aggregate employment shares," "relocate," "retail activity"
21 and "hotel services" shall have the meanings ascribed by section 22-621
22 of the code of the preceding municipality, provided that whenever the
23 term "taxable year " appears in such section 22-621, such term shall be
24 read as "tax year," as the term "tax year" is defined in subdivision
25 twelve of section 11-701 of this chapter except when the taxable year
26 referred to is the taxable year immediately preceding the taxable year
27 during which such tenant relocates.

28 (ii) For purposes of this subdivision, the term "eligible business"
29 shall have the meaning ascribed by section 22-621 of the code of the

45 extent, permitted by regulations promulgated by the commissioner of
46 finance.

47 4. No tenant shall be authorized to receive a reduction in base rent
48 subject to tax under the provisions of this subdivision, until the prem-

51 obtained a certification of eligibility from the mayor or an agency
52 designated by the mayor, and an annual certification from the mayor or
53 an agency designated by the mayor as to the number of eligible aggregate
54 employment shares maintained by such tenant which may qualify for
55 obtaining a base rent reduction for the tenant's tax year. Any written

21 thirty-six months or, in a case in which the expenditures made for the
22 improvements specified in clause two of this subparagraph are in excess
23 of fifty million dollars within seventy-two months from the date of
24 submission of such preliminary application; or

25 (b) (1) not later than June thirtieth, two thousand ten, such business
26 has purchased, leased or entered into a contract to purchase or lease
27 particular premises wholly contained in a building in which at least an
28 aggregate of forty per centum or two hundred thousand square feet,
29 whichever is less, of the nonresidential floor area of such building has
30 been purchased or leased by a business or businesses which meet or will
31 meet the requirements of subparagraph (a) of this paragraph with respect
32 to such floor area and which are or will become certified as eligible to

46 g. Whenever the rent paid by a tenant for his or her occupancy of
47 taxable premises is measured in whole or in part by the gross receipts
48 from the tenant's sales within such place, the tenant's rent, to the
49 extent paid on the basis of such gross receipts, shall be deemed not to
50 exceed fifteen percent of such gross receipts.

51 h. (1) In the case of any taxable premises located in the borough of
52 Manhattan north of the center line of ninety-sixth street or in the
53 boroughs of the Bronx, Brooklyn, Queens and Staten Island, the base rent
54 for such premises shall be reduced by ten percent for the period begin-
55 ning on January first, nineteen hundred eighty-six and ending May thir-
56 ty-first, nineteen hundred eighty-seven, by twenty percent for the peri-

19 ninety-eight and thereafter, such reduction to be made after all other
20 exemptions and deductions authorized by this chapter have been taken.

21 i. (1) (a) (i) For purposes of, and to the extent relevant to, this
22 subdivision, the following terms shall, except to the extent hereinafter
23 modified, have the definitions assigned to such terms in section four
24 hundred ninety-nine-a of the real property tax law, and such definitions
25 shall apply with the same force and effect as if they had been set forth
26 in full in this subdivision: "abatement zone," "aggregate floor area,"
27 "applicant," "department of finance," "eligible building," "eligibility
28 period," "eligible premises," "expansion premises," "expansion tenant,"
29 "governmental agency," "landlord," "lease commencement date," "mixed-use
30 building," "new tenant," "person," "relocation area," "renewal tenant,"
31 "rent commencement date," "subtenant" and "tenant."

33 clause (i) of this subparagraph to the terms "eligible premises,"
34 "expansion tenant," "landlord," "new tenant" and "renewal tenant" shall
35 be modified as follows: (A) whenever the term "eligible building"
36 appears in any of such definitions, such term, notwithstanding anything
37 to the contrary, shall be deemed to include an eligible government-owned
38 building and, for purposes of subparagraph (b-2) of paragraph two of
39 subdivision i of this section, a non-residential or mixed-use building
40 located south of the center line of Canal Street in the borough of
41 Manhattan, regardless of when it received its initial certificate of
42 occupancy or initial temporary certificate of occupancy and regardless
43 of when it was constructed and shall be deemed to include an eligible
44 government-owned building; and (B) a reference in any of such defi-
45 nitions to a lease which meets the eligibility requirements of section
46 four hundred ninety-nine-c of the real property tax law shall be deemed
47 to include, in the case of a lease of premises in an eligible govern-
48 ment-owned building, a lease which meets the eligibility requirements of
49 paragraph four of this subdivision.

50 (b) When used in this subdivision, the following terms shall mean or
51 include: (i) "Eligible government-owned building." A building that
52 would be an eligible building, as such term is defined in section four
53 hundred ninety-nine-a of the real property tax law, but for the fact
54 that it is owned by a governmental agency.

55 (ii) "Eligible taxable premises." Taxable premises that are eligible
56 premises or expansion premises.

1 (iii) "Eligible tenant." A tenant with respect to whose lease of
2 eligible taxable premises there has been issued a certificate of abate-

11 law.

12 (vii) "Certificate of eligibility." The certificate of eligibility

17 with respect to the rent for such eligible taxable premises for a period
18 not exceeding sixty months or, with respect to a lease commencing on or
19 after April first, nineteen hundred ninety-seven with an initial lease
20 term of less than five years, but not less than three years, for a peri-

22 date applicable to such eligible taxable premises, provided, however,
23 that in no event shall any special reduction be allowed for any period
24 beginning after March thirty-first, two thousand thirty-four. For
25 purposes of applying such special reduction, the base rent for the base
26 year shall, where necessary to determine the amount of the special
27 reduction allowable with respect to any number of months falling within
28 a tax period, be prorated by dividing the base rent for the base year by
29 twelve and multiplying the result by such number of months.

30 (a-1) Notwithstanding paragraph one of this subdivision, for purposes
31 of, and to the extent relevant to, the special reduction allowed by this
32 subparagraph, the definitions set forth in section four hundred ninety-
33 nine-aa of the real property tax law shall apply with the same force and
34 effect as if they had been set forth in full in this subdivision, except
35 as such definitions are hereinafter modified. An eligible tenant of

45 eligibility period applicable to the abatement zone defined in paragraph
46 (c) of subdivision two of section four hundred ninety-nine-aa of the
47 real property tax law, (iv) the lease for such eligible taxable premises
48 has an initial lease term of at least three years and (v) such special

51 law, applicable to a lease commencing on or after July first, two thou-
52 sand five for eligible premises located within the abatement zone
53 defined in paragraph (c) of subdivision two of section four hundred
54 ninety-nine-aa of the real property tax law.

55 (a-2) The amount of the special reduction allowed by subparagraph
56 (a-1) of this paragraph shall be determined as follows: (i) For the

1 base year the amount of such special reduction shall be equal to the
2 base rent for the base year.

3 (ii) For the first through ninth twelve-month periods following the
4 base year the amount of such special reduction shall be equal to the
5 lesser of (A) the base rent for each such twelve-month period or (B) the
6 base rent for the base year.

7 (a-3) When used in this subdivision, for purposes of the special
8 reduction allowed by subparagraph (a-1) of this paragraph, the following
9 terms shall mean or include: (i) "Eligible taxable premises." Taxable
10 premises that are eligible premises or expansion premises.

11 (ii) "Eligible tenant." A tenant with respect to whose lease of eligi-

16 taxable premises for the base year, determined without the special
17 reduction allowed by subparagraph (a-1) of this paragraph.

18 (v) "Certificate of abatement." The certificate of abatement issued
19 pursuant to section four hundred ninety-nine-dd of the real property tax
20 law.

21 (b) Except as provided in subparagraphs (b-1) and (b-2) of this para-
22 graph, the amount of the special reduction allowed by this subdivision
23 shall be determined as follows: (i) For the base year the amount of
24 such special reduction shall be equal to the base rent for the base
25 year.

26 (ii) For the first and second twelve-month periods following the base
27 year the amount of such special reduction shall be equal to the lesser
28 of (A) the base rent for each such twelve-month period or (B) the base
29 rent for the base year.

30 (iii) For the third twelve-month period following the base year the
31 amount of such special reduction shall be equal to two-thirds of the
32 lesser of (A) the base rent for such twelve-month period or (B) the base
33 rent for the base year.

34 (iv) For the fourth twelve-month period following the base year the
35 amount of such special reduction shall be equal to one-third of the
36 lesser of (A) the base rent for such twelve-month period or (B) the base
37 rent for the base year.

38 (b-1) The amount of the special reduction allowed by this subdivision
39 with respect to a lease commencing on or after April first, nineteen
40 hundred ninety-seven with an initial lease term of less than five years,
41 but not less than three years, shall be determined as follows: (i) For
42 the base year the amount of such special reduction shall be equal to the
43 base rent for the base year.

44 (ii) For the first twelve-month period following the base year the
45 amount of such special reduction shall be equal to two-thirds of the
46 lesser of (A) the base rent for such twelve-month period or (B) the base
47 rent for the base year.

48 (iii) For the second twelve-month period following the base year the
49 amount of such special reduction shall be equal to one-third of the
50 lesser of (A) the base rent for such twelve-month period or (B) the base
51 rent for the base year.

52 (b-2) The amount of the special reduction allowed by this subdivision
53 with respect to a lease other than a sublease commencing between July
54 first, two thousand five and June thirtieth, two thousand twenty-seven
55 with an initial or renewal lease term of at least five years shall be

1 determined as follows: (i) For the base year the amount of such special
2 reduction shall be equal to the base rent for the base year.

3 (ii) For the first, second, third and fourth twelve-month periods
4 following the base year the amount of such special reduction shall be
5 equal to the lesser of (A) the base rent for each such twelve-month
6 period or (B) the base rent for the base year.

7 (c) For purposes of determining (i) whether a tenant is, pursuant to
8 the provisions of paragraph two of subdivision b of this section, exempt
9 from payment of the tax imposed by this chapter with respect to the base
10 rent for eligible taxable premises or (ii) whether, and the extent to
11 which, a tenant is eligible for the credit allowed pursuant to the
12 provisions of section 11-704.3 of this chapter with respect to eligible
13 taxable premises, the term "base rent" as used in such provisions shall
14 be the base rent as determined prior to the allowance of any special
15 reduction allowed by this subdivision.

16 (d) Notwithstanding anything to the contrary, for purposes of this
17 subdivision, expansion premises shall be treated as separate and
18 distinct from any other premises of the expansion tenant in the same
19 eligible building.

20 (3) The special reduction allowed by this subdivision shall be allowed
21 commencing on the rent commencement date; however, if the date of the
22 certificate of abatement or certificate of eligibility is later than the
23 rent commencement date, the tenant shall not, in the first instance,
24 claim the special reduction on any return required to be filed for a tax
25 period ending prior to the date of such certificate of abatement or
26 certificate of eligibility. If the date of such certificate of abatement
27 or certificate of eligibility falls in a tax period subsequent to the
28 tax period in which the rent commencement date falls, but both such
29 dates fall within the same tax year, the special reduction that was not
30 claimed in the first instance for any period preceding the date of such
31 certificate of abatement or certificate of eligibility shall be
32 reflected in the final return for the tax year. If the date of the
33 certificate of abatement or certificate of eligibility falls in the tax
34 year following the tax year in which the rent commencement date falls,
35 an amended final return shall be filed for such earlier tax year in
36 which shall be reflected any special reduction allowable for such tax
37 year; in addition, the final return for such later tax year shall
38 reflect any special reduction that was not claimed in the first instance
39 for any period in such tax year preceding the date of the certificate of
40 abatement or certificate of eligibility.

41 (4) (a) With respect to premises located in an eligible government-
42 owned building, no special reduction shall be allowed under this subdivi-
43 sion unless: (i) the landlord enters into a lease for eligible prem-
44 ises with a new tenant or a renewal tenant and: (A) the lease
45 commencement date is within the eligibility period; and (B) (I) if, by
46 the sixtieth day following the rent commencement date, such new or
47 renewal tenant employs fifty or fewer employees in the eligible prem-
48 ises, the initial lease term is for a period of at least five years,
49 provided, however, that with respect to a lease commencing on or after
50 July first, nineteen hundred ninety-six if, by the sixtieth day follow-
51 ing the rent commencement date, such new or renewal tenant employs one
52 hundred twenty-five or fewer employees in the eligible premises, the
53 initial lease term is for a period of at least five years, and provided,
54 further, that with respect to a lease commencing on or after April
55 first, nineteen hundred ninety-seven if, by the sixtieth day following
56 the rent commencement date, such new or renewal tenant employs one

2 initial lease term is for a period of at least three years, or (II) if,
3 by the sixtieth day following the rent commencement date, such new or
4 renewal tenant employs more than fifty employees in the eligible prem-
5 ises, the initial lease term is for a period of at least ten years,
6 provided, however, that with respect to a lease commencing on or after
7 July first, nineteen hundred ninety-six if, by the sixtieth day follow-
8 ing the rent commencement date, such new or renewal tenant employs more
9 than one hundred twenty-five employees in the eligible premises, the
10 initial lease term is for a period of at least ten years; or

11 (ii) the landlord enters into a lease with an expansion tenant for
12 expansion premises and: (A) the lease commencement date is within the
13 eligibility period; (B) if the expansion premises are located in the
14 eligible building previously occupied by such expansion tenant, the
15 lease term for the premises in the eligible building previously occupied
16 by such expansion tenant will expire no earlier than the expiration date
17 of the initial lease term for the expansion premises, provided that
18 where such expansion tenant occupies premises in the eligible building
19 under more than one lease, the provisions of this subclause shall be
20 applied with reference to the lease for the premises containing the
21 largest amount of square feet, provided, however, that this subclause
22 shall not apply to a lease commencing on or after July first, nineteen
23 hundred ninety-six; and (C) (I) if, by the sixtieth day following the
24 rent commencement date, such expansion tenant employs fifty or fewer
25 employees in the eligible building in which the expansion premises are
26 located, the initial lease term for the expansion premises is for a
27 period of at least five years, provided, however, that with respect to a
28 lease commencing on or after July first, nineteen hundred ninety-six if,
29 by the sixtieth day following the rent commencement date, such expansion
30 tenant employs one hundred twenty-five or fewer employees in the expan-
31 sion premises, the initial lease term for the expansion premises is for
32 a period of at least five years, and provided, further, that with
33 respect to a lease commencing on or after April first, nineteen hundred
34 ninety-seven if, by the sixtieth day following the rent commencement
35 date, such expansion tenant employs one hundred twenty-five or fewer
36 employees in the expansion premises, the initial lease term for the
37 expansion premises is for a period of at least three years, or (II) if,
38 by the sixtieth day following the rent commencement date, such expansion
39 tenant employs more than fifty employees in such eligible building, the
40 initial lease term for the expansion premises is for a period of at
41 least ten years, provided, however, that with respect to a lease
42 commencing on or after July first, nineteen hundred ninety-six if, by
43 the sixtieth day following the rent commencement date, such expansion
44 tenant employs more than one hundred twenty-five employees in the expan-
45 sion premises, the initial lease term for the expansion premises is for
46 a period of at least ten years.

47 (b) Notwithstanding anything in this subdivision to the contrary, with
48 respect to premises located in an eligible government-owned building, no
49 certificate of eligibility shall be issued and no special reduction
50 shall be allowed under this subdivision if: (i) the tenant has relo-
51 cated to such premises from any area in the borough of Manhattan north
52 of the center line of 96th street or from any portion of the boroughs of
53 the Bronx, Brooklyn, Queens, or Staten Island; or (ii) the lease for
54 such premises provides that during the initial lease term required under
55 subparagraph (a) of this paragraph either the landlord or the tenant may
56 terminate such lease prior to the expiration of such required initial

1 lease term, provided that such lease may provide that either the land-
2 lord or the tenant may terminate such lease if (A) the other party is in
3 default of any of such party's obligations under the lease, (B) the
4 eligible premises are damaged or destroyed by fire or other casualty,
5 (C) the eligible premises are rendered unusable for any reason not
6 attributable to any act or failure to act of either tenant or landlord
7 or (D) the eligible premises are acquired by eminent domain.

8 (c) For purposes of this paragraph, the expiration date of a lease
9 shall be determined by the expiration date set forth in such lease,
10 without giving effect to any rights of the landlord or the tenant to
11 terminate such lease prior to the expiration date set forth therein.

12 (5) (a) (i) With respect to premises located in an eligible govern-
13 ment-owned building, an application for a certificate of eligibility
14 entitling a tenant to claim the special reduction allowed by this subdivi-
15 sion shall be filed by such tenant with the department of finance on
16 or after the date on which the lease for the eligible premises is
17 executed by the landlord and tenant but in no event more than one
18 hundred eighty days following the later of the rent commencement date or
19 the date that chapter four of the laws of nineteen hundred ninety-five
20 became a law, and no such certificate of eligibility shall be issued
21 unless such application is filed within such time.

22 (ii) Notwithstanding clause (i) of this subparagraph and any other
23 provision of law to the contrary, with respect to a lease commencing on
24 or after July first, nineteen hundred ninety-six in premises located in
25 an eligible government-owned building, an application for a certificate
26 of eligibility entitling a tenant to claim the special reduction allowed
27 by this subdivision shall be filed by such tenant with the department of
28 finance on or after the date on which the lease for the eligible prem-
29 ises is executed by the landlord and tenant but in no event more than
30 one hundred eighty days following the rent commencement date or sixty
31 days following the date that the chapter of the laws of nineteen hundred
32 ninety-seven that added this clause became a law, whichever is later,
33 and no such certificate of eligibility shall be issued unless such
34 application is filed within such time.

35 (iii) Notwithstanding any other provisions of law to the contrary, an
36 application for the special reduction allowed by subparagraph (b-2) of
37 paragraph two of this subdivision shall be considered timely filed if
38 filed by such tenant with the department of finance on or after the date
39 on which the lease for the eligible premises is executed by the landlord
40 and tenant but in no event more than one hundred eighty days following
41 the rent commencement date or by May thirtieth, two thousand fourteen,
42 whichever is later, and no such special reduction shall be permitted
43 unless such application is filed within such time.

44 (b) In addition to any other information required by the department of
45 finance, such application for a certificate of eligibility shall include
46 (i) an abstract of the lease for the eligible taxable premises, which
47 shall include the lease commencement date, the rent commencement date
48 and the expiration date of such lease, (ii) a statement as to the number
49 of persons employed by the tenant in the eligible taxable premises and,
50 where applicable, in the eligible building containing such premises, by
51 the sixtieth day following the rent commencement date, (iii) a statement
52 as to the location of all office or retail space in the city occupied by
53 the tenant prior to the execution of the lease for the eligible taxable
54 premises and the commencement and expiration dates of all leases for
55 such office or retail space located in the abatement zone. Such applica-

1 subject to such rules as may be issued from time to time by the depart-
2 ment of finance.

3 (c) The department of finance shall issue a certificate of eligibility
4 upon determining that an application filed pursuant to this paragraph
5 meets the requirements set forth in this subdivision, provided, however,
6 that no such certificate of eligibility shall be issued if any payments
7 in lieu of taxes, water or sewer charges or other lienable charges are
8 due and owing with respect to such eligible government-owned building at
9 the time such application is pending, unless such payments in lieu of
10 taxes or charges are at such time being paid in timely installments
11 pursuant to a written agreement with the department of finance or other
12 appropriate agency.

13 (d) The burden of proof shall be on the tenant to show by clear and
14 convincing evidence that the requirements for granting a certificate of
15 eligibility have been satisfied. The department of finance shall have
16 the authority to require that statements in connection with applications
17 pursuant to this paragraph be made under oath.

18 (e) The department of finance may provide by rule for the payment by
19 tenants of premises in eligible government-owned buildings of reasonable
20 administrative charges or fees necessary to defray expenses in
21 connection with the determination of initial and continuing eligibility
22 for the special reduction allowed by this subdivision.

23 (6) (a) If an eligible tenant (i) sublets any portion of the eligible
24 taxable premises to any other person, or (ii) otherwise ceases to occupy
25 or use any portion of the premises as eligible taxable premises, such
26 tenant shall, immediately upon the occurrence of any such event, cease
27 to be eligible for the special reduction allowed by this subdivision
28 with respect to the portion of the premises which is sublet or which
29 ceases to be occupied or used by such tenant as eligible taxable prem-
30 ises, and for any period following the occurrence of any such event, the
31 special reduction otherwise allowed by this subdivision shall be reduced
32 by an amount determined by multiplying the amount of such special
33 reduction by the percentage of the premises which is sublet or which has
34 ceased to be occupied or used as eligible taxable premises.

35 Such tenant shall give written notice of the occurrence of any such
36 event to the department of finance within thirty days thereof. If the
37 tenant fails to give such notice, an assessment of any additional tax
38 that may become due as a result of the occurrence of any such event may
39 be made at any time, notwithstanding anything in section 11-717 of this
40 chapter to the contrary.

41 (b) Notwithstanding anything in this chapter to the contrary, a tenant
42 claiming the special reduction allowed by this subdivision shall file a
43 return for each tax period with respect to which such special reduction
44 is claimed. Each such return shall contain a certification by the
45 tenant, in such form as the department of finance may prescribe, to the
46 effect that such tenant meets all the requirements of this subdivision,
47 and no special reduction shall be allowed if such return does not
48 contain such certification by such tenant.

49 (c) If any special reduction allowed under this subdivision was
50 obtained by a tenant as a result of having made a false or misleading
51 statement as to a material fact or having omitted to state any material
52 fact necessary in order to make such statement not false or misleading,
53 no such special reduction shall be allowed and any additional tax that
54 becomes due as a result of such disallowance may be assessed at any
55 time, notwithstanding anything in section 11-717 of this chapter to the
56 contrary. In addition, the department of finance may declare any such

1 tenant to be ineligible to claim any special reduction under this subdivi-
2 vision in the future with respect to the same or any other premises.

3 7. A determination by the department of finance pursuant to subdivi-
4 sion six of section four hundred ninety-nine-f of the real property tax

6 pursuant to title four of article four of the real property tax law
7 based on the relationship between the landlord and the tenant shall not
8 be dispositive of whether such tenant is eligible for a special
9 reduction under this subdivision. The department of finance may deter-
10 mine that such tenant is eligible for a special reduction under this
11 subdivision and may issue a certificate of eligibility to such tenant in
12 accordance with the procedures and pursuant to the standards applicable
13 to a tenant of premises located in an eligible government-owned build-
14 ing, provided, however, that any application filed pursuant to paragraph
15 five of this subdivision by a tenant whose application for a certificate
16 of abatement pursuant to title four of article four of the real property
17 tax law was denied by the department of finance pursuant to subdivision
18 six of section four hundred ninety-nine-f of the real property tax law
19 based on the relationship between the landlord and the tenant, or by a
20 tenant whose application for a certificate of abatement pursuant to
21 title four of article four of the real property tax law was granted by
22 the department of finance, but whose abatement was terminated or revoked
23 by the department of finance pursuant to subdivision six of section four
24 hundred ninety-nine-f of the real property tax law based on the
25 relationship between the landlord and the tenant, may be deemed by the
26 department of finance to have been filed on the date the application for
27 such certificate of abatement was filed. This paragraph shall only apply
28 to leases commencing on or after April first, nineteen hundred ninety-
29 seven.

30 § 11-704.2 Special credit. A tenant whose base rent for the tax year

37 year. Where the base rent of a tenant is for a period of less than one
38 year, such base rent shall, for purposes of this section, be determined
39 as if it had been on an equivalent basis for the entire year. The credit
40 allowed under this section shall be deducted prior to the deduction of

 33 nine hundred ninety-nine dollars, no credit shall be allowed under this
 34 paragraph. For purposes of this paragraph, 'base rent' shall be calcu-

49	\$130,000	\$139,999	20%

1 If the tenant's annualized base rent for such period is over one
 2 hundred thirty-nine thousand nine hundred ninety-nine dollars, no credit
 3 shall be allowed under this paragraph. For purposes of this paragraph
 4 'base rent' shall be calculated without regard to any reduction in base
 5 rent allowed by paragraph two of subdivision h of section 11-704 of this
 6 chapter.

7 (5) For the period beginning December first, two thousand and ending
 8 May thirty-first, two thousand one, a credit shall be allowed against
 9 the tax imposed by this chapter, such credit to be determined in accord-
 10 ance with the following table:

 23 'base rent' shall be calculated without regard to any reduction in base
 24 rent allowed by paragraph two of subdivision h of section 11-704 of this
 25 chapter.

26 (6) For each tax year beginning on or after June first, two thousand
 27 one, a credit shall be allowed against the tax imposed by this chapter
 28 as follows: a tenant whose base rent is at least two hundred and fifty
 29 thousand dollars but not more than three hundred thousand dollars shall
 30 be allowed a credit in an amount determined by multiplying three and
 31 nine-tenths percent of base rent by a fraction the numerator of which is
 32 three hundred thousand dollars minus the amount of base rent and the
 33 denominator of which is fifty thousand dollars. If the tenant's base
 34 rent is over three hundred thousand dollars, no credit shall be allowed
 35 under this paragraph. For purposes of this paragraph, 'base rent' shall
 36 be calculated without regard to any reduction in base rent allowed by
 37 paragraph two of subdivision h of section 11-704 of this chapter.

38 (b) (1) Where the base rent of a tenant is for a period of less than
 39 one year, such base rent shall, for purposes of this section, be deter-

 41 credits allowed under this section shall be deducted prior to the
 42 deduction of any credit allowable under section 11-704.1 of this chap-
 43 ter.

44 (2) For purposes of paragraphs four and five of subdivision (a) of
 45 this section, base rent for the period specified in each of such para-
 46 graphs shall be separately annualized as if it had been on an equivalent
 47 basis for an entire year, irrespective of the actual base rent for the
 48 tax year including the period specified in such paragraph.

49 § 11-704.4. Small business tax credit. a. As used in this section, the
 50 following terms have the following meanings:

51 1. Income factor. The term "income factor" shall mean:

52 (i) for a tenant with total income of not more than five million
 53 dollars, one;

1 (ii) for a tenant with total income of more than five million dollars
2 but not more than ten million dollars, a fraction the numerator of which
3 is ten million dollars minus the amount of total income and the denomi-
4 nator of which is five million dollars; and

5 (iii) for a tenant with total income of more than ten million dollars,
6 zero.

7 2. Rent factor. The term "rent factor" shall mean:

8 (i) for a tenant whose small business tax credit base rent is less
9 than five hundred thousand dollars, one; and

10 (ii) for a tenant whose small business tax credit base rent is at
11 least five hundred thousand dollars but not more than five hundred fifty
12 thousand dollars, a fraction the numerator of which is five hundred
13 fifty thousand dollars minus the amount of small business tax credit
14 base rent and the denominator of which is fifty thousand dollars.

15 3. Small business tax credit base rent. The term "small business tax
16 credit base rent" shall mean the base rent calculated without regard to
17 any reduction in base rent allowed by paragraph two of subdivision h of
18 section 11-704 of this chapter.

19 4. Total income. The term "total income" shall mean the amount
20 reported by a person, as defined by section seven thousand seven hundred
21 one of the internal revenue code, to the internal revenue service for
22 the purpose of the federal income tax in the tax year immediately
23 preceding the period for which the tenant is applying for the credit set
24 forth in subdivision b that is equal to the gross receipts or sales of
25 the person minus any returns and allowances, minus the cost of goods
26 sold plus the amount of any dividends, interest, gross rents, gross
27 royalties, capital gain net income, net gain or loss from the sale of
28 business property, net farm profit or loss, ordinary income or loss from
29 other partnerships, estates or trusts or other income or loss; except
30 that, if the tenant is a limited liability company or other business
31 entity that is not separate from its owner for federal income tax
32 purposes under section 301.7701-2(c)(2) of title 26 of the code of
33 federal regulations, total income as defined in this section shall mean
34 the total income of the person that reports the activities of the tenant
35 as its sole owner for federal income tax purposes.

36 b. Beginning on June first, two thousand eighteen and for each tax
37 year beginning thereafter, a credit shall be allowed against the tax
38 imposed by this chapter as follows: a tenant whose small business tax
39 credit base rent is at least two hundred fifty thousand dollars but not
40 more than five hundred fifty thousand dollars shall be allowed a credit
41 in the amount determined by multiplying the tax imposed on the tenant
42 pursuant to section 11-702 of this chapter minus any allowable credits
43 or exemptions set forth outside this section by the income factor and by
44 the rent factor. If the tenant's small business tax credit base rent is
45 over five hundred fifty thousand dollars, no credit shall be allowed
46 under this section.

47 c. The department of finance may promulgate any rules necessary to
48 implement the provisions of this section, including, but not limited to,
49 rules that prevent abuse of this section by related parties.

50 § 11-705 Returns. a. Every tenant subject to tax under this chapter
51 shall file with the commissioner of finance a return with respect to the
52 taxes payable for the three month periods ending on the last days of
53 August, November and February of each year and a final return with
54 respect to the taxes payable for the tax year ending on the last day of
55 May of each year. Such returns shall be filed within twenty days from
56 the expiration of the period covered thereby. A tenant who is exempt

1 from the tax by reason of paragraph two of subdivision b of section
2 11-704 of this chapter shall nevertheless be required to file a final
3 return, provided, however, that for tax years beginning on or after June
4 first, nineteen hundred ninety-five and ending on or before May thirty-
5 first, nineteen hundred ninety-seven, no such final return shall be
6 required from such exempt tenant with respect to taxable premises if (1)
7 the tenant's rent for such premises, determined without regard to any
8 deduction from or reduction in rent or base rent allowed by this chap-
9 ter, does not exceed fifteen thousand dollars for the tax year and (2)
10 in the case of a tenant who has more than one taxable premises, the
11 aggregate rents for all such premises, determined without regard to any
12 deduction from or reduction in rent or base rent allowed by this chap-
13 ter, do not exceed fifteen thousand dollars for the tax year. For tax
14 years beginning on June first, nineteen hundred ninety-seven and ending
15 on or before May thirty-first, two thousand one, no such final return
16 shall be required from such exempt tenant with respect to any taxable
17 premises if (1) the tenant's rent for such premises, determined without
18 regard to any deduction from or reduction in rent or base rent allowed
19 by this chapter, does not exceed seventy-five thousand dollars for the
20 tax year and (2) the amount of rent received or due from any subtenant
21 of such exempt tenant with respect to such premises does not exceed
22 seventy-five thousand dollars for the tax year. For tax years beginning
23 on or after June first, two thousand one, no such final return shall be
24 required from such exempt tenant with respect to any taxable premises if
25 (1) the tenant's rent for such premises, determined without regard to
26 any deduction from or reduction in rent or base rent allowed by this
27 chapter, does not exceed two hundred thousand dollars for the tax year
28 and (2) the amount of rent received or due from any subtenant of such
29 exempt tenant with respect to such premises does not exceed two hundred
30 thousand dollars for the tax year. Notwithstanding anything in this
31 subdivision to the contrary, for tax periods beginning on or after
32 September first, nineteen hundred ninety-five, no return shall be
33 required pursuant to this subdivision with respect to any taxable prem-
34 ises located in that part of the city specified in paragraph one of
35 subdivision h of section 11-704 of this chapter, and no such taxable
36 premises shall be taken into account for purposes of clause two of this
37 subparagraph. The commissioner of finance may permit or require returns,
38 including final returns, to be made for other periods and upon such
39 dates as the commissioner may specify and if he or she deems it neces-
40 sary, in order to insure the payment of the tax imposed by this chapter,
41 the commissioner may require such returns to be made for shorter periods
42 than those prescribed by this subdivision of this section, and upon such
43 dates as he or she may specify.

44 b. The commissioner of finance may by regulation require the filing
45 of information returns and supplemental information returns by landlords
46 and by tenants of taxable premises, whether or not they are required to
47 pay the tax imposed by this chapter, upon such dates or at such times as
48 the commissioner may specify if he or she deems the filing of such
49 information returns necessary for proper administration of this chapter.

50 c. The form of returns and information returns shall be prescribed by
51 the commissioner of finance and shall contain such information as the
52 commissioner may deem necessary for the proper administration of this
53 chapter. The commissioner of finance may require amended returns or
54 amended information returns to be filed within twenty days after notice
55 and to contain the information specified in the notice.

1 d. If a return or information return is not filed, or if a return of
2 any kind when filed is incorrect or insufficient on its face, the
3 commissioner of finance shall take the necessary steps to enforce the
4 filing of such a return or of a corrected return.

5 § 11-706 Payment of tax. a. The tax imposed by this chapter shall be
6 due and payable on or before the twentieth day of the calendar month
7 following the end of each tax period and shall be paid to the commis-
8 sioner of finance, as follows: The tax to be paid at such time shall be
9 based on the base rent for such tax period and the rate of tax shall be
10 the one which would be applicable if the base rent for such period were
11 the same for each tax period during the tax year, except that the
12 payment required to be made together with the final return or at the
13 time that the final return should be filed shall be the amount by which
14 the actual tax for the tax year exceeds the amounts previously paid for
15 the tax year.

16 b. Where the final return shows that the amount of tax paid for the
17 tax year exceeds the actual tax for such year, the commissioner of
18 finance shall make the appropriate refund as promptly as possible,
19 provided, however, that where the commissioner of finance has reason to
20 believe that the final return is inaccurate, the commissioner may with-
21 hold the refund in whole or in part. The making of a refund pursuant to
22 this subdivision shall not prevent the commissioner of finance from
23 making a determination that additional tax is due or from pursuing any
24 other method to recover the full amount of the actual tax due for the
25 tax year.

26 c. Where a tenant ceases to do business the tax, as measured by the
27 tenant's base rent for the prior part of the tax year, shall be due
28 immediately, and the tenant shall file a final return, but, should the
29 tenant continue to pay rent for the taxable premises, the tenant shall
30 file the normally required returns and a final return for the tax year,
31 provided, however, that any such tax payment shall be applied in
32 reduction of the tax payments required to be made with such returns or
33 with the final return for such tax year.

34 § 11-707 Records to be kept. Every landlord of taxable premises and
35 every tenant of taxable premises shall keep records of rent paid and
36 received by him or her in such form as the commissioner of finance may
37 by regulation require, all leases or agreements which fix the rents or
38 rights of tenants of taxable premises, and such other records, receipts
39 and other papers relevant to the ascertainment of the tax due under this
40 chapter as the commissioner of finance may by regulation require. Such
41 records shall be offered for inspection and examination at any time upon
42 demand by the commissioner of finance. Such records, unless the commis-
43 sioner of finance consents to a sooner destruction or requires that they
44 be kept for a longer time, shall be preserved for a period of three
45 years except that leases or agreements which fix the rents or rights of
46 a tenant shall be kept for a period of three years after the expiration
47 of the tenancy thereunder.

48 § 11-708 Determination of tax. If a return required by this chapter is
49 not filed, or if a return when filed is incorrect or insufficient, the
50 commissioner of finance shall determine the amount of tax due from such
51 information as may be obtainable and, if necessary, may estimate the tax
52 on the basis of external indices. Notice of such determination shall be
53 given to the person liable for the payment of the tax. Such determi-
54 nation shall finally and irrevocably fix the tax unless the person
55 against whom it is assessed, within ninety days after the giving of
56 notice of such determination or, if the commissioner of finance has

1 established a conciliation procedure pursuant to section 11-124 of this
2 title and the taxpayer has requested a conciliation conference in
3 accordance therewith, within ninety days from the mailing of a concil-
4 iation decision or the date of the commissioner's confirmation of the
5 discontinuance of the conciliation proceeding, both (1) serves a peti-
6 tion upon the commissioner of finance and (2) files a petition with the
7 tax appeals tribunal for a hearing, or unless the commissioner of
8 finance of the commissioner's own motion shall redetermine the same.
9 Such hearing and any appeal to the tax appeals tribunal sitting en banc
10 from the decision rendered in such hearing shall be conducted in the
11 manner and subject to the requirements prescribed by the tax appeals
12 tribunal pursuant to sections one hundred sixty-eight through one
13 hundred seventy-two of the charter of the preceding municipality as it
14 existed January first, nineteen hundred ninety-four. After such hearing
15 the tax appeals tribunal shall give notice of its decision to the person
16 against whom the tax is assessed and to the commissioner of finance. A
17 decision of the tax appeals tribunal sitting en banc shall be reviewable
18 for error, illegality or unconstitutionality or any other reason whatso-
19 ever by a proceeding under article seventy-eight of the civil practice
20 law and rules if application therefor is made to the supreme court by
21 the person against whom the tax was assessed within four months after
22 the giving of the notice of such tax appeals tribunal decision,
23 provided, however, that any such proceeding under article seventy-eight
24 of the civil practice law and rules shall not be instituted by a taxpay-
25 er unless: (a) the amount of any tax sought to be reviewed, with inter-
26 est and penalties thereon, if any, shall be first deposited and there is
27 filed an undertaking with the commissioner of finance, issued by a sure-
28 ty company authorized to transact business in this state and approved by
29 the superintendent of insurance of this state as to solvency and respon-
30 sibility, in such amount as a justice of the supreme court shall approve
31 to the effect that if such proceeding be dismissed or the tax confirmed
32 the taxpayer will pay all costs and charges which may accrue in the
33 prosecution of such proceeding or (b) at the option of the taxpayer such
34 undertaking may be in a sum sufficient to cover the taxes, interest and
35 penalties stated in such decision plus the costs and charges which may
36 accrue against it in the prosecution of the proceeding, in which event
37 the taxpayer shall not be required to pay such taxes, interest or penal-
38 ties as a condition precedent to the application.

39 § 11-709 Refunds. a. In the manner provided in this section the
40 commissioner of finance shall refund or credit, without interest, any
41 tax, penalty or interest erroneously, illegally or unconstitutionally
42 collected or paid, if written application to the commissioner of finance
43 for such refund shall be made within eighteen months from the date fixed
44 by this chapter for filing the return on which such payment was based or
45 within six months of the payment thereof, whichever of such periods
46 expire the later. Whenever a refund or credit is made or denied, the
47 commissioner of finance shall state his or her reason therefor and give
48 notice thereof to the taxpayer in writing. The commissioner of finance
49 may, in lieu of any refund required to be made, allow credit therefor on
50 payments due from the applicant.

51 b. Any determination of the commissioner of finance denying a refund
52 or credit pursuant to subdivision a of this section shall be final and
53 irrevocable unless the applicant for such refund or credit, within nine-
54 ty days from the mailing of notice of such determination, or, if the
55 commissioner of finance has established a conciliation procedure pursu-
56 ant to section 11-124 of this title and the applicant has requested a

1 conciliation conference in accordance therewith, within ninety days from
2 the mailing of a conciliation decision or the date of the commissioner's
3 confirmation of the discontinuance of the conciliation proceeding, both
4 (1) serves a petition upon the commissioner of finance and (2) files a
5 petition with the tax appeals tribunal for a hearing. Such petition for
6 a refund or credit, made as herein provided, shall be deemed an applica-
7 tion for a revision of any tax, penalty or interest complained of. Such
8 hearing of any appeal to the tax appeals tribunal sitting en banc from
9 the decision rendered in such hearing shall be conducted in the manner
10 and subject to the requirements prescribed by the tax appeals tribunal
11 pursuant to section one hundred sixty-eight through one hundred seven-
12 ty-two of the charter of the preceding municipality as it existed Janu-
13 ary first, nineteen hundred ninety-four. After such hearing, the tax
14 appeals tribunal shall give notice of its decision to the applicant and
15 to the commissioner of finance. The applicant shall be entitled to
16 institute a proceeding pursuant to article seventy-eight of the civil
17 practice law and rules to review a decision of the tax appeals tribunal
18 sitting en banc if application to the supreme court be made therefor
19 within four months after the giving of notice of such decision, and
20 provided, in the case of an application by a taxpayer, that a final
21 determination of tax due was not previously made. Such a proceeding
22 shall not be instituted by a taxpayer unless an undertaking shall first
23 be filed with the commissioner of finance, in such amount and with such
24 sureties as a justice of the supreme court shall approve, to the effect
25 that if such proceeding be dismissed or the tax confirmed, the taxpayer
26 will pay all costs and charges which may accrue in the prosecution of
27 the proceeding.

28 c. A person shall not be entitled to a revision, refund or credit
29 under this section of a tax, interest or penalty which had been deter-
30 mined to be due pursuant to the provisions of section 11-708 of this
31 chapter where such person has had a hearing or an opportunity for a
32 hearing, as provided in said section, or has failed to avail himself or
33 herself of the remedies therein provided. No refund or credit shall be
34 made of a tax, interest or penalty paid after a determination by the
35 commissioner of finance made pursuant to section 11-708 of this chapter
36 unless it be found that such determination was erroneous, illegal or
37 unconstitutional, or otherwise improper, by the tax appeals tribunal
38 after a hearing, or, if such tax appeals tribunal affirms in whole or in
39 part the determination of the commissioner of finance, in a proceeding
40 under article seventy-eight of the civil practice law and rules, pursu-
41 ant to the provisions of said section, in which event refund or credit
42 without interest shall be made of the tax, interest or penalty found to
43 have been overpaid.

44 § 11-710 Remedies exclusive. The remedies provided by this chapter
45 shall be the exclusive remedies available to any person for the review
46 of tax liability imposed by this chapter; and no determination or
47 proposed determination of tax or determination on any application for
48 refund by the commissioner of finance, nor any decision by the tax
49 appeals tribunal or any of its administrative law judges, shall be
50 enjoined or reviewed by an action for declaratory judgment, an action
51 for money had and received or by any action or proceeding other than, in
52 the case of a decision by the tax appeals tribunal sitting en banc, a
53 proceeding under article seventy-eight of the civil practice law and
54 rules; provided, however, that a taxpayer may proceed by declaratory
55 judgment if he or she institutes suit within thirty days after a defi-
56 ciency assessment is made and pays the amount of the deficiency assess-

1 ment to the commissioner of finance prior to the institution of such
2 suit and posts a bond for costs as provided in section 11-708 of this
3 chapter.

4 § 11-711 Reserves. In cases where the taxpayer has applied for a
5 refund and has instituted a proceeding under article seventy-eight of
6 the civil practice law and rules to review a determination adverse to
7 the taxpayer on his or her application for refund, the comptroller shall
8 set up appropriate reserves to meet any decision adverse to the city.

9 § 11-712 Proceedings to recover tax. a. Whenever any person shall
10 fail to pay any tax or penalty or interest imposed by this chapter as
11 herein provided, the corporation counsel shall, upon the request of the
12 commissioner of finance, bring or cause to be brought an action to
13 enforce payment of the same against the person liable for the same on
14 behalf of the city of Staten Island in any court of the state of New
15 York or of any other state or of the United States. If, however, the
16 commissioner of finance in his or her discretion believes that a
17 taxpayer subject to the provisions of this chapter is about to cease
18 business, leave the state or remove or dissipate the assets out of which
19 tax or penalties might be satisfied and that any such tax or penalty
20 will not be paid when due, he or she may declare such tax or penalty to
21 be immediately due and payable and may issue a warrant immediately.

22 b. As an additional or alternate remedy, the commissioner of finance
23 may issue a warrant, directed to the city sheriff commanding the sheriff
24 to levy upon and sell the real and personal property of such person
25 which may be found within the city, for the payment of the amount there-
26 of, with any penalties and interest, and the cost of executing the
27 warrant, and to return such warrant to the commissioner of finance and
28 to pay to the commissioner the money collected by virtue thereof within
29 sixty days after the receipt of such warrant. The city sheriff shall,
30 within five days after the receipt of the warrant, file with the county
31 clerk a copy thereof, and thereupon such clerk shall enter in the judg-
32 ment docket the name of the person mentioned in the warrant and the
33 amount of the tax, penalties and interest for which the warrant is
34 issued and the date when such copy is filed. Thereupon the amount of
35 such warrant so docketed shall become a lien upon the title to and
36 interest in real and personal property of the person against whom the
37 warrant is issued. The city sheriff shall then proceed upon the warrant
38 in the same manner and with like effect as that provided by law in
39 respect to executions issued against property upon judgments of a court
40 of record, and for services in executing the warrant the sheriff shall
41 be entitled to the same fees which the sheriff may collect in the same
42 manner. In the discretion of the commissioner of finance a warrant of
43 like terms, force and effect may be issued and directed to any officer
44 or employee of the department of finance, and in the execution thereof
45 such officer or employee shall have all the powers conferred by law upon
46 sheriffs, but he or she shall be entitled to no fee or compensation in
47 excess of the actual expenses paid in the performance of such duty. If
48 a warrant is returned not satisfied in full, the commissioner of finance
49 may from time to time issue new warrants and shall also have the same
50 remedies to enforce the amount due thereunder as if the city had recov-
51 ered judgment therefor and execution thereon had been returned unsatis-
52 fied.

53 c. Whenever there is made a sale, transfer or assignment in bulk of
54 any part or the whole of a stock of merchandise or of fixtures, or
55 merchandise and of fixtures pertaining to the conducting of the business
56 of the seller, transferor or assignor, otherwise than in the ordinary

1 course of trade and in the regular prosecution of said business, the
2 purchaser, transferee or assignee shall at least ten days before taking
3 possession of such merchandise, fixtures, or merchandise and fixtures,
4 or paying therefor, notify the commissioner of finance by registered
5 mail of the proposed sale and of the price, terms and conditions thereof
6 whether or not the seller, transferor or assignor, has represented to,
7 or informed the purchaser, transferee or assignee that it owes any tax
8 pursuant to this chapter and whether or not the purchaser, transferee or
9 assignee has knowledge that such taxes are owing, and whether any such
10 taxes are in fact owing.

11 Whenever the purchaser, transferee or assignee shall fail to give
12 notice to the commissioner of finance as required by the opening para-
13 graph of this subdivision, or whenever the commissioner of finance shall
14 inform the purchaser, transferee or assignee that a possible claim for
15 such tax or taxes exists, any sums of money, property or choses in
16 action, or other consideration, which the purchaser, transferee or
17 assignee is required to transfer over to the seller, transferor or
18 assignor shall be subject to a first priority right and lien for any
19 such taxes theretofore or thereafter determined to be due from the sell-
20 er, transferor or assignor to the city, and the purchaser, transferee or
21 assignee is forbidden to transfer to the seller, transferor or assignor
22 any such sums of money, property or choses in action to the extent of
23 the amount of the city's claim. For failure to comply with the
24 provisions of this subdivision, the purchaser, transferee or assignee,
25 in addition to being subject to the liabilities and remedies imposed
26 under the provisions of former section forty-four of the personal prop-
27 erty law, shall be personally liable for the payment to the city of any
28 such taxes theretofore or thereafter determined to be due to the city
29 from the seller, transferor or assignor, and such liability may be
30 assessed and enforced in the same manner as the liability for tax under
31 this chapter.

32 d. The commissioner of finance, if he or she finds that the interests
33 of the city will not thereby be jeopardized, and upon such conditions as
34 the commissioner of finance may require, may release any property from
35 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
36 tions to tax, penalties and interest filed pursuant to subdivision b of
37 this section, and such release or vacating of the warrant may be
38 recorded in the office of any recording officer in which such warrant
39 has been filed. The clerk shall thereupon cancel and discharge as of the
40 original date of docketing the vacated warrant.

41 § 11-713 General powers of the commissioner of finance. In addition
42 to the powers granted to the commissioner of finance in this chapter,
43 the commissioner is hereby authorized and empowered:

44 1. To make, adopt and amend rules and regulations appropriate to the
45 carrying out of this chapter and the purposes thereof;

46 2. To extend, for cause shown, the time for filing any return for a
47 period not exceeding ninety days; and to compromise disputed claims in
48 connection with the taxes hereby imposed;

49 3. To request information from the tax commission of the state on New
50 York or the treasury department of the United States relative to any
51 person; and to afford information to such tax commission or such treas-
52 ury department relative to any person;

53 4. To delegate the commissioner's functions pursuant to this section
54 to a deputy commissioner of finance or other employee or employees of
55 the commissioner's department;

1 5. To assess, determine, revise and adjust the taxes imposed under
2 this chapter;

3 6. To require any tenant who uses premises for both residential
4 purposes and as taxable premises and who pays an undivided rent for the
5 entire premises so used to provide the commissioner with a signed and
6 notarized request to the United States director of internal revenue for
7 photostatic copies of the tenant's income tax return for any year when
8 the commissioner deems such income tax return necessary to determine the
9 rent ascribable to so much of such premises as is used as taxable prem-
10 ises; and, if the tenant refuses to provide the commissioner with such a
11 signed written request, to treat the rent for the entire premises as the
12 rent for so much as is used as taxable premises;

13 7. To prescribe methods for determining how much of any tenant's base
14 rent is ascribable to a use which results in a reduction of the base
15 rent or for determining any other division of rent or of use of premises
16 necessary for the determination of the base rent or the amount of base
17 rent subject to tax under this chapter;

18 8. To authorize banks or trust companies which are depositories or
19 financial agents of the city to receive and give a receipt for any tax
20 imposed under this chapter in such manner, at such times, and under such
21 conditions as the commissioner of finance may prescribe; and the commis-
22 sioner of finance shall prescribe the manner, times and conditions under
23 which the receipt of such tax by such banks and trust companies is to be
24 treated as payment of such tax to the commissioner of finance.

25 § 11-714 Administration of oaths and compelling testimony. a. The
26 commissioner of finance, the commissioner's employees duly designated
27 and authorized by the commissioner, the tax appeals tribunal and any of
28 its duly designated and authorized employees shall have power to admin-
29 ister oaths and take affidavits in relation to any matter or proceeding
30 in the exercise of their powers and duties under this chapter. The
31 commissioner of finance and the tax appeals tribunal shall have power to
32 subpoena and require the attendance of witnesses and the production of
33 books, papers and documents to secure information pertinent to the
34 performance of the duties of the commissioner or of the tax appeals
35 tribunal hereunder and of the enforcement of this chapter and to examine
36 them in relation thereto, and to issue commissions for the examination
37 of witnesses who are out of the state or unable to attend before the
38 commissioner or the tax appeals tribunal or excused from attendance.

39 b. A justice of the supreme court either in court or at chambers shall
40 have power summarily to enforce by proper proceedings the attendance and
41 testimony of witnesses and the production and examination of books,
42 papers and documents called for by the subpoena of the commissioner of
43 finance or the tax appeals tribunal under this chapter.

44 c. Cross-reference; criminal penalties. For failure to obey subpoenas
45 or for testifying falsely, see section 11-4007 of this title; for
46 supplying false or fraudulent information, see section 11-4002 of this
47 title.

48 d. The officers who serve the summons or subpoena of the commissioner
49 of finance or the tax appeals tribunal hereunder and witnesses attending
50 in response thereto shall be entitled to the same fees as are allowed to
51 officers and witnesses in civil cases in courts of record, except as
52 herein otherwise provided. Such officers shall be the city sheriff, and
53 the sheriff's duly appointed deputies or any officers or employees of
54 the department of finance or the tax appeals tribunal, designated to
55 serve such process.

1 § 11-715 Interest and penalties. (a) Interest on underpayment; quar-
2 terly return. If any amount of tax required to be paid together with a
3 return, other than the final return for a tax year, is not paid on or
4 before the last date prescribed for payment, without regard to any
5 extension of time granted for payment, interest on such amount at the
6 rate set by the commissioner of finance pursuant to subdivision (h) of
7 this section, or, if no rate is set, at the rate of seven and one-half
8 percent per annum, shall be paid for the period from such last date
9 until twenty days after the end of the tax year during which such
10 payments were due or until such prior time as the tax paid for the tax
11 year equals seventy-five percent of the full tax required to be paid for
12 the tax year. Such interest shall be paid with the final return for the
13 tax year to which it relates. In computing the amount of interest to be
14 paid, such interest shall be compounded daily. Interest under this
15 subdivision shall not be paid if the amount thereof is less than one
16 dollar.

17 (b) Interest on underpayment; final return. If any amount of tax
18 required to be paid together with the final return for a tax year is not
19 paid on or before the last date prescribed for payment, without regard
20 to any extension of time granted for payment, interest on such amount at
21 the rate set by the commissioner of finance pursuant to subdivision (h)
22 of this section, or, if no rate is set, at the rate of seven and one-
23 half percent per annum, shall be paid for the period from such last date
24 to the date of payment. In computing the amount of interest to be paid,
25 such interest shall be compounded daily. Interest under this subdivision
26 shall not be paid if the amount thereof is less than one dollar.

27 (c) (1) Failure to file final return. (A) In case of failure to file
28 a final return under this chapter on or before the prescribed date,
29 determined with regard to any extension of time for filing, unless it is
30 shown that such failure is due to reasonable cause and not due to will-
31 ful neglect, there shall be added to the amount required to be shown as
32 tax on such return five percent of the amount of such tax if the failure
33 is for not more than one month, with an additional five percent for each
34 additional month or fraction thereof during which such failure contin-
35 ues, not exceeding twenty-five percent in the aggregate, and, in addi-
36 tion thereto, where a tenant, with respect to any taxable premises, is
37 exempt from tax by reason of paragraph two of subdivision b of section
38 11-704 of this chapter, there shall be imposed a penalty of one hundred
39 dollars.

40 (B) In the case of a failure to file a return of tax within sixty days
41 of the date prescribed for filing of such return, determined with regard
42 to any extension of time for filing, unless it is shown that such fail-
43 ure is due to reasonable cause and not due to willful neglect, the addi-
44 tion to tax under subparagraph (A) of this paragraph shall not be less
45 than the lesser of one hundred dollars or one hundred percent of the
46 amount required to be shown as tax on such return.

47 (C) For purposes of this paragraph, the amount of tax required to be
48 shown on the return shall be reduced by the amount of any part of the
49 tax which is paid on or before the date prescribed for payment of the
50 tax and by the amount of any credit against the tax which may be claimed
51 upon the return.

52 (2) Failure to pay tax shown on final return. In case of failure to
53 pay the amount shown as tax on a final return required to be filed under
54 this chapter on or before the prescribed date, determined with regard to
55 any extension of time for payment, unless it is shown that such failure
56 is due to reasonable cause and not due to willful neglect, there shall

1 be added to the amount shown as tax on such return one-half of one
2 percent of the amount of such tax if the failure is not for more than
3 one month, with an additional one-half of one percent for each addi-
4 tional month or fraction thereof during which such failure continues,
5 not exceeding twenty-five percent in the aggregate. For the purpose of
6 computing the addition for any month the amount of tax shown on the
7 return shall be reduced by the amount of any part of the tax which is
8 paid on or before the beginning of such month and by the amount of any
9 credit against the tax which may be claimed upon the return. If the
10 amount of tax required to be shown on a return is less than the amount
11 shown as tax on such return, this paragraph shall be applied by substi-
12 tuting such lower amount.

13 (3) Failure to pay tax required to be shown on final return. In case
14 of failure to pay any amount in respect of any tax required to be shown
15 on a final return required to be filed under this chapter which is not
16 so shown, including a determination made pursuant to section 11-708 of
17 this chapter, within ten days of the date of a notice and demand there-
18 for, unless it is shown that such failure is due to reasonable cause and
19 not due to willful neglect, there shall be added to the amount of tax
20 stated in such notice and demand one-half of one percent of such tax if
21 the failure is not for more than one month, with an additional one-half
22 of one percent for each additional month or fraction thereof during
23 which such failure continues, not exceeding twenty-five percent in the
24 aggregate. For the purpose of computing the addition for any month, the
25 amount of tax stated in the notice and demand shall be reduced by the
26 amount of any part of the tax which is paid before the beginning of such
27 month.

28 (4) Limitations on additions.

29 (A) With respect to any final return, the amount of the addition under
30 paragraph one of this subdivision shall be reduced by the amount of the
31 addition under paragraph two of this subdivision for any month to which
32 an addition applies under both such paragraphs one and two. In any case
33 described in subparagraph (B) of paragraph one of this subdivision, the
34 amount of the addition under such paragraph one shall not be reduced
35 below the amount provided in such subparagraph.

36 (B) With respect to any final return, the maximum amount of the addi-
37 tion permitted under paragraph three of this subdivision shall be
38 reduced by the amount of the addition under paragraph one of this subdivi-
39 sion, determined without regard to subparagraph (B) of such paragraph
40 one, which is attributable to the tax for which the notice and demand is
41 made and which is not paid within ten days of such notice and demand.

42 (d) Underpayment due to negligence. (1) If any part of an underpayment
43 of tax is due to negligence or intentional disregard of this chapter or
44 any rules or regulations hereunder, but without intent to defraud, there
45 shall be added to the tax a penalty equal to five percent of the under-
46 payment.

47 (2) There shall be added to the tax, in addition to the amount deter-
48 mined under paragraph one of this subdivision, an amount equal to fifty
49 percent of the interest payable under subdivision (b) of this section
50 with respect to the portion of the underpayment described in such para-
51 graph one which is attributable to the negligence or intentional disre-
52 gard referred to in such paragraph one, for the period beginning on the
53 last date prescribed by law for payment of such underpayment, determined
54 without regard to any extension, and ending on the date of the assess-
55 ment of the tax, or, if earlier, the date of the payment of the tax.

1 (e) Underpayment due to fraud. (1) If any part of an underpayment of
2 tax is due to fraud, there shall be added to the tax a penalty equal to
3 fifty percent of the underpayment.

4 (2) There shall be added to the tax, in addition to the penalty deter-
5 mined under paragraph one of this subdivision, an amount equal to fifty
6 percent of the interest payable under subdivision (b) of this section
7 with respect to the portion of the underpayment described in such para-
8 graph one which is attributable to fraud, for the period beginning on
9 the last date prescribed by law for payment of such underpayment, deter-
10 mined without regard to any extension, and ending on the date of the
11 assessment of the tax, or, if earlier, the date of the payment of the
12 tax.

13 (3) The penalty under this subdivision shall be in lieu of any other
14 addition to tax imposed by subdivision (c) or (d) of this section.

15 (f) Additional penalty. Any person who, with fraudulent intent, shall
16 fail to pay any tax imposed by this chapter, or to make, render, sign or
17 certify any return, or to supply any information within the time
18 required by or under this chapter, shall be liable for a penalty of not
19 more than one thousand dollars, in addition to any other amounts
20 required under this chapter to be imposed, assessed and collected by the
21 commissioner of finance. The commissioner of finance shall have the
22 power, in his or her discretion, to waive, reduce or compromise any
23 penalty under this subdivision.

24 (g) The interest and penalties imposed by this section shall be paid
25 and disposed of in the same manner as other revenues from this chapter.
26 Unpaid interest and penalties may be enforced in the same manner as the
27 tax imposed by this chapter.

28 (h) (1) Authority to set interest rates. The commissioner of finance
29 shall set the rate of interest to be paid pursuant to subdivisions (a)
30 and (b) of this section, but if no such rate of interest is set, such
31 rate shall be deemed to be set at seven and one-half percent per annum.
32 Such rate shall be the same for each subdivision and shall be the rate
33 prescribed in paragraph two of this subdivision but shall not be less
34 than seven and one-half percent per annum. Any such rate set by the
35 commissioner of finance shall apply to taxes, or any portion thereof,
36 which remain or become due on or after the date on which such rate
37 becomes effective and shall apply only with respect to interest computed
38 or computable for periods or portions of periods occurring in the period
39 in which such rate is in effect.

40 (2) General rule. The rate of interest set under this subdivision
41 shall be the sum of (i) the federal short-term rate as provided under
42 paragraph three of this subdivision, plus (ii) seven percentage points.

43 (3) Federal short-term rate. For purposes of this subdivision:

44 (A) The federal short-term rate for any month shall be the federal
45 short-term rate determined by the United States secretary of the treas-
46 ury during such month in accordance with subsection (d) of section
47 twelve hundred seventy-four of the internal revenue code for use in
48 connection with section six thousand six hundred twenty-one of the
49 internal revenue code. Any such rate shall be rounded to the nearest
50 full percent, or, if a multiple of one-half of one percent, such rate
51 shall be increased to the next highest full percent.

52 (B) Period during which rate applies.

53 (i) In general. Except as provided in clause (ii) of this subpara-
54 graph, the federal short-term rate for the first month in each calendar
55 quarter shall apply during the first calendar quarter beginning after
56 such month.

1 (ii) Special rule for the month of September, nineteen hundred eight-
2 y-nine. The federal short-term rate for the month of April, nineteen
3 hundred eighty-nine shall apply with respect to setting the rate of
4 interest for the month of September, nineteen hundred eighty-nine.

5 (4) Publication of interest rate. The commissioner of finance shall
6 cause to be published in the City Record, and give other appropriate
7 general notice of, the interest rate to be set under this subdivision
8 later than twenty days preceding the first day of the calendar quarter
9 during which such interest rate applies. The setting and publication of
10 such interest rate shall not be included within paragraph (a) of subdi-
11 vision five of section one thousand forty-one of the city charter of the
12 preceding municipality as it existed January first, nineteen hundred
13 ninety-four relating to the definition of a rule.

14 (i) Miscellaneous. (1) The certificate of the commissioner of finance
15 to the effect that a tax has not been paid, that a return has not been
16 filed, or that information has not been supplied pursuant to the
17 provisions of this chapter shall be prima facie evidence thereof.

18 (2) Cross-reference: For criminal penalties, see chapter forty of
19 this title.

20 (j) Substantial understatement of liability. If there is a substan-
21 tial understatement of tax for any tax year, there shall be added to the
22 tax an amount equal to ten percent of the amount of any underpayment
23 attributable to such understatement. For purposes of this subdivision,
24 there is a substantial understatement of tax for any tax year if the
25 amount of the understatement for the tax year exceeds the greater of ten
26 percent of the tax required to be shown on the final return for the tax
27 year or five thousand dollars. For purposes of this subdivision, the
28 term "understatement" means the excess of the amount of the tax required
29 to be shown on the final return for the tax year, over the amount of the
30 tax imposed which is shown on the return, reduced by any rebate. The
31 amount of such understatement shall be reduced by that portion of the
32 understatement which is attributable to the tax treatment of any item by
33 the taxpayer if there is or was substantial authority for such treat-
34 ment, or any item with respect to which the relevant facts affecting the
35 item's tax treatment are adequately disclosed in the return or in a
36 statement attached to the return. The commissioner of finance may waive
37 all or any part of the addition to tax provided by this subdivision on a
38 showing by the taxpayer that there was reasonable cause for the under-
39 statement, or part thereof, and that the taxpayer acted in good faith.

40 (k) Aiding or assisting in the giving of fraudulent returns, reports,
41 statements or other documents. (1) Any person who, with the intent that
42 tax be evaded, shall, for a fee or other compensation or as an incident
43 to the performance of other services for which such person receives
44 compensation, aid or assist in, or procure, counsel, or advise the prep-
45 aration or presentation under, or in connection with any matter arising
46 under this chapter of any return, report, statement or other document
47 which is fraudulent or false as to any material matter, or supply any
48 false or fraudulent information, whether or not such falsity or fraud is
49 with the knowledge or consent of the person authorized or required to
50 present such return, report, statement or other document shall pay a
51 penalty not exceeding ten thousand dollars.

52 (2) For purposes of paragraph one of this subdivision, the term
53 "procures" includes ordering, or otherwise causing, a subordinate to do
54 an act, and knowing of, and not attempting to prevent, participation by
55 a subordinate in an act. The term "subordinate" means any other person,
56 whether or not a director, officer, employee, or agent of the taxpayer

1 involved, over whose activities the person has direction, supervision,
2 or control.

3 (3) For purposes of paragraph one of this subdivision, a person
4 furnishing typing, reproducing, or other mechanical assistance with
5 respect to a document shall not be treated as having aided or assisted
6 in the preparation of such document by reason of such assistance.

7 (4) The penalty imposed by this subdivision shall be in addition to
8 any other penalty provided by law.

9 § 11-716 Returns to be secret. a. Except in accordance with proper
10 judicial order or as otherwise provided by law, it shall be unlawful for
11 the commissioner of finance, the department of finance of the city, any
12 officer or employee of the department of finance of the city, any person
13 engaged or retained by such department on an independent contract basis,
14 the tax appeals tribunal, any commissioner or employee of such tribunal,
15 or any person who, pursuant to this section, is permitted to inspect any
16 return or to whom a copy, an abstract or a portion of any return is
17 furnished, or to whom any information contained in any return is
18 furnished, to divulge or make known in any manner any information relat-
19 ing to the business of a taxpayer contained in any return required under
20 this chapter. The officers charged with the custody of such returns
21 shall not be required to produce any of them or evidence of anything
22 contained in them in any action or proceeding in any court, except on
23 behalf of the commissioner of finance in an action or proceeding under
24 the provisions of this chapter, or on behalf of any party to any action
25 or proceeding under the provisions of this chapter when the returns or
26 facts shown thereby are directly involved in such action or proceeding,
27 in either of which events the courts may require the production of, and
28 may admit in evidence so much of said returns or of the facts shown
29 thereby, as are pertinent to the action or proceeding and no more.
30 Nothing in this subdivision shall be construed to prohibit the delivery
31 to a taxpayer or the taxpayer's duly authorized representative of a
32 certified copy of any return filed in connection with his or her tax;
33 nor to prohibit the delivery of such a certified copy of such return or
34 of any information contained in or relating thereto, to the United
35 States of America or any department thereof, the state of New York or
36 any department thereof, any agency or any department of the city of
37 Staten Island provided the same is requested for official business; nor
38 to prohibit the inspection for official business of such returns by the
39 corporation counsel or other legal representatives of the city or by the
40 district attorney of the county of Richmond; nor to prohibit the publi-
41 cation of statistics so classified as to prevent the identification of
42 particular returns or items thereof.

43 b. (1) Any officer or employee of the city who willfully violates the
44 provisions of subdivision a of this section shall be dismissed from
45 office and be incapable of holding any public office in this city for a
46 period of five years thereafter.

47 (2) Cross-reference: For criminal penalties, see chapter forty of this
48 title.

49 c. This section shall be deemed a state statute for purposes of para-
50 graph (a) of subdivision two of section eighty-seven of the public offi-
51 cers law.

52 d. Notwithstanding anything in subdivision a of this section to the
53 contrary, if a taxpayer has petitioned the tax appeals tribunal for
54 administrative review as provided in section one hundred seventy of the
55 charter of the preceding municipality as it existed January first, nine-
56 teen hundred ninety-four, the commissioner of finance shall be author-

1 ized to present to the tribunal any report or return of such taxpayer,
2 or any information contained therein or relating thereto, which may be
3 material or relevant to the proceeding before the tribunal. The tax
4 appeals tribunal shall be authorized to publish a copy or a summary of
5 any decision rendered pursuant to section one hundred seventy-one of the
6 charter of the preceding municipality as it existed January first, nine-
7 teen hundred ninety-four.

8 § 11-717 Notices and limitation of time. a. Any notice authorized or
9 required under the provisions of this chapter may be given to the person
10 for whom it is intended by mailing it in a postpaid envelope addressed
11 to such person at the address given in the last return filed by such
12 person pursuant to the provisions of this chapter or in any application
13 made by such person or if no return has been filed or application made,
14 then to such address as may be obtainable. The mailing of a notice as in
15 this paragraph provided for shall be presumptive evidence of the receipt
16 of the same by the person to whom addressed. Any period of time which is
17 determined according to the provisions of this chapter by the giving of
18 notice shall commence to run from the date of mailing of such notice as
19 in this subdivision provided.

20 b. The provisions of the civil practice law and rules or any other law
21 relative to limitations of time for the enforcement of a civil remedy
22 shall not apply to any proceeding or action taken by the city to levy,
23 appraise, assess, determine or enforce the collection of any tax or
24 penalty provided by this chapter. However, except in the case of a
25 wilfully false or fraudulent return with intent to evade the tax, no
26 assessment of additional tax shall be made after the expiration of more
27 than three years from the date of the final return for the tax year to
28 which the assessment relates; provided, however, that where no return
29 has been made as provided by law, the tax may be assessed at any time.

30 c. Where before the expiration of the period prescribed herein for the
31 assessment of an additional tax, a person has consented in writing that
32 such period be extended, the amount of such additional tax due may be
33 determined at any time within such extended period. The period so
34 extended may be further extended by subsequent consents in writing made
35 before the expiration of the extended period.

36 d. If any return, claim, statement, notice, application, or other
37 document required to be filed, or any payment required to be made, with-
38 in a prescribed period or on or before a prescribed date under authority
39 of any provision of this chapter is, after such period or such date,
40 delivered by United States mail to the commissioner of finance, the tax
41 appeals tribunal, bureau, office, officer or person with which or with
42 whom such document is required to be filed, or to which or to whom such
43 payment is required to be made, the date of the United States postmark
44 stamped on the envelope shall be deemed to be the date of delivery. This
45 subdivision shall apply only if the postmark date falls within the
46 prescribed period or on or before the prescribed date for the filing of
47 such document, or for making the payment, including any extension grant-
48 ed for such filing or payment, and only if such document or payment was
49 deposited in the mail, postage prepaid, properly addressed to the
50 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
51 cer or person with which or with whom the document is required to be
52 filed or to which or to whom such payment is required to be made. If any
53 document is sent by United States registered mail, such registration
54 shall be prima facie evidence that such document was delivered to the
55 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
56 cer or person to which or to whom addressed, and the date of registra-

1 tion shall be deemed the postmark date. The commissioner of finance or,
2 where relevant, the tax appeals tribunal is authorized to provide by
3 regulation the extent to which the provisions of this subdivision with
4 respect to prima facie evidence of delivery and the postmark date shall
5 apply to certified mail. Except as provided in subdivision f of this
6 section, this subdivision shall apply in the case of postmarks not made
7 by the United States postal service only if and to the extent provided
8 by regulation of the commissioner of finance or, where relevant, the tax
9 appeals tribunal.

10 e. When the last day prescribed under authority of this chapter,
11 including any extension of time, for performing any act falls on a
12 Saturday, Sunday or legal holiday in the state, the performance of such
13 act shall be considered timely if it is performed on the next succeeding
14 day which is not a Saturday, Sunday or legal holiday.

15 f. (1) Any reference in subdivision d of this section to the United
16 States mail shall be treated as including a reference to any delivery
17 service designated by the secretary of the treasury of the United States
18 pursuant to section seventy-five hundred two of the internal revenue
19 code and any reference in subdivision d of this section to a United
20 States postmark shall be treated as including a reference to any date
21 recorded or marked in the manner described in section seventy-five
22 hundred two of the internal revenue code by a designated delivery
23 service. If the commissioner of finance finds that any delivery service
24 designated by such secretary is inadequate for the needs of the city,
25 the commissioner of finance may withdraw such designation for purposes
26 of this title. The commissioner of finance may also designate additional
27 delivery services meeting the criteria of section seventy-five hundred
28 two of the internal revenue code for purposes of this title, or may
29 withdraw any such designation if the commissioner of finance finds that
30 a delivery service so designated is inadequate for the needs of the
31 city. Any reference in subdivision d of this section to the United
32 States mail shall be treated as including a reference to any delivery
33 service designated by the commissioner of finance and any reference in
34 subdivision d of this section to a United States postmark shall be
35 treated as including a reference to any date recorded or marked in the
36 manner described in section seventy-five hundred two of the internal
37 revenue code by a delivery service designated by the commissioner of
38 finance. Notwithstanding the foregoing, any withdrawal of designation or
39 additional designation by the commissioner of finance shall not be
40 effective for purposes of service upon the tax appeals tribunal, unless
41 and until such withdrawal of designation or additional designation is
42 ratified by the president of the tax appeals tribunal.

43 (2) Any equivalent of registered or certified mail designated by the
44 United States secretary of the treasury, or as may be designated by the
45 commissioner of finance pursuant to the same criteria used by such
46 secretary for such designations pursuant to section seventy-five hundred
47 two of the internal revenue code, shall be included within the meaning
48 of registered or certified mail as used in subdivision d of this
49 section. If the commissioner of finance finds that any equivalent of
50 registered or certified mail designated by such secretary or the commis-
51 sioner of finance is inadequate for the needs of the city, the commis-
52 sioner of finance may withdraw such designation for purposes of this
53 title. Notwithstanding the provisions of this paragraph, any withdrawal
54 of designation or additional designation by the commissioner of finance
55 shall not be effective for purposes of service upon the tax appeals

1 tribunal, unless and until such withdrawal of designation or additional
2 designation is ratified by the president of the tax appeals tribunal.

3 § 11-718 Construction and enforcement. This chapter shall be construed
4 in conformity with chapter two hundred fifty-seven of the laws of nine-
5 teen hundred sixty-three, pursuant to which it is enacted.

7 twenty-five, and every September first thereafter, the department of
8 finance shall submit to the mayor and speaker of the council, and make
9 publicly available online, a report on the commercial rent tax. Such

35 11-704.4 of this chapter; and

31 shall be paid annually for each tax year beginning June first, nineteen
32 hundred sixty, a tax on the use in the city of motor vehicles to be paid
33 by the owners of such vehicles as follows:

34 1. (A) For tax years ending on or before May thirty-first, nineteen
35 hundred seventy-two, on commercial vehicles, twenty dollars for each
36 such vehicle having a maximum gross weight of five tons or less, and
37 thirty dollars for each such vehicle having a maximum gross weight of
38 more than five tons, provided, however, that for each such vehicle
39 having a registration fee prescribed in the vehicle and traffic law of
40 the state of New York which is less than twenty dollars, the tax shall
41 be an amount equal to such registration fee;

42 (B) For tax years beginning on and after June first, nineteen hundred
43 seventy-two but before June first, nineteen hundred ninety, on commer-
44 cial vehicles, forty dollars for each such vehicle having a maximum
45 gross weight of five tons or less, and sixty dollars for each such vehi-
46 cle having a maximum gross weight of more than five tons, provided,
47 however, that for each such vehicle having a registration fee prescribed
48 in the vehicle and traffic law of the state of New York which is less
49 than forty dollars, the tax shall be an amount equal to such registra-
50 tion fee.

51 (C) For tax years beginning on and after June first, nineteen hundred
52 ninety, on commercial vehicles, forty dollars for each such vehicle
53 having a maximum gross weight of ten thousand pounds or less, two
54 hundred dollars for each such vehicle having a maximum gross weight of
55 more than ten thousand pounds but not more than twelve thousand five
56 hundred pounds, two hundred seventy-five dollars for each such vehicle

1 having a maximum gross weight of more than twelve thousand five hundred
2 pounds but not more than fifteen thousand pounds and three hundred
3 dollars for each such vehicle having a maximum gross weight of more than
4 fifteen thousand pounds, provided, however, that for each such vehicle
5 having a registration fee prescribed in the vehicle and traffic law of
6 the state of New York which is less than forty dollars, the tax shall be
7 an amount equal to such registration fee.

8 2. (A) For tax years ending on or before May thirty-first, nineteen
9 hundred ninety, on motor vehicles for the transportation of passengers
10 other than medallion taxicabs, and for tax years ending on or before May

22 teen, on all motor vehicles for transportation of passengers, including
23 medallion taxicabs, four hundred dollars for each such vehicle.

24 b. To the extent that the tax as imposed by subdivision a of this
25 section may be invalid solely because it is based on the use in the city
26 of the motor vehicles, the tax shall also be deemed to be based on the
27 privilege of using the public highways or streets of the city by such
28 motor vehicle. Under such circumstances the rate of tax shall be the
29 same and all other provisions of this chapter shall be equally applica-
30 ble.

31 c. If the first use of any motor vehicle subject to the tax imposed
32 under this chapter occurs on or after December first and before March
33 first in any tax year, the tax for that year shall be one-half of the
34 tax hereinabove provided; and, if the first such use occurs on or after
35 March first in any tax year, the tax for that tax year shall be one-
36 fourth of such tax.

37 d. In applying the tax on commercial motor vehicles with respect to
38 tractors, trailers and semi-trailers, the tax shall be measured by the
39 weight of the tractor plus the maximum gross weight of the trailer or
40 semi-trailer with the greatest such maximum gross weight to be drawn by
41 such tractor. No trailer or semi-trailer shall be subject to any sepa-
42 rate or additional tax under this chapter.

43 § 11-803 Exemptions. The provisions of this chapter shall not apply
44 to motor vehicles owned and operated, or leased for their exclusive use
45 by:

46 1. The state of New York, or any public corporation, including a
47 corporation created pursuant to agreement or compact with another state
48 or the Dominion of Canada, improvement district or other political
49 subdivision of the state;

50 2. The United States of America;

51 3. The United Nations or other world-wide international organizations
52 of which the United States of America is a member;

54 or foundation, organized and operated exclusively for religious, chari-
55 table or educational purposes, or for the prevention of cruelty to chil-
56 dren or animals, and no part of the net earnings of which inures to the

1 benefit of any private shareholder or individual and no substantial part
2 of the activities of which is carrying on propaganda, or otherwise
3 attempting to influence legislation; provided, however, that nothing in
4 this subdivision shall include an organization operated for the primary
5 purpose of carrying on a trade or business for profit, whether or not
6 all of its profits are payable to one or more organizations described in
7 this subdivision;

8 5. Any foreign nation or representative of a foreign nation with
9 respect to motor vehicles for which they need not pay a registration fee
10 under the provisions of the vehicle and traffic law;

12 vehicle is confined solely to demonstrations to prospective customers or
13 to delivery by or to the dealer and the vehicle bears dealer's license
14 plates.

15 § 11-804 Presumption and burden of proof. For the purpose of the
16 proper administration of this chapter and to prevent evasion of the tax
17 hereby imposed, it shall be presumed that all motor vehicles used in the
18 city of the types described in paragraphs (a), (b) and (c) of subdivi-
19 sion three of section 11-801 of this chapter are used principally in the
20 city or used principally in connection with a business carried on within
21 the city and are subject to the tax until the contrary is established;
22 and it shall be presumed that all motor vehicles used in the city of the
23 types described in paragraphs (a) and (b) of subdivision four of section
24 11-801 of this chapter are used regularly, even though not principally
25 in the city and are subject to the tax until the contrary is estab-
26 lished. The burden of proving that a motor vehicle is not taxable under
27 this chapter shall be on the owner of the motor vehicle.

28 § 11-805 Records to be kept. Every owner of a motor vehicle subject
29 to tax under this chapter shall keep such records of his or her vehicles
30 and of their use in the city in such form as the commissioner of finance
31 may by regulation require. Such records shall be offered for inspection
32 and examination at any time upon demand by the commissioner of finance
33 or the commissioner's duly authorized agent or employee and shall be
34 preserved for a period of three years except that the commissioner of
35 finance may consent to their destruction within that period or may
36 require that they be kept longer.

37 § 11-806 Registration. a. By July thirteenth, nineteen hundred sixty
38 or, upon acquiring any motor vehicle subject to tax hereunder after such
39 date, within two days of such acquisition, every owner shall file with
40 the commissioner of finance a certificate of registration in such form
41 as prescribed by the commissioner of finance.

42 b. In order to determine whether motor vehicles are subject to the tax
43 under this chapter and to facilitate administration thereof an informa-
44 tion registration certificate in such form as is prescribed by the
45 commissioner of finance shall be filed with the commissioner of finance
46 by any person who owns or acquires:

47 1. A motor vehicle of a type described in paragraph (a), (b) or (c) of
48 subdivision three of section 11-801 of this chapter which is registered
49 in the city under the vehicle and traffic law or is used in the city in
50 connection with a business carried on within the city; or

51 2. A motor vehicle of the type described in paragraphs (a) and (b) of
52 subdivision four of section 11-801 of this chapter which is registered
53 in the city under the vehicle and traffic law or is used in the city.

54 Such an information registration certificate shall be filed by July
55 thirteenth, nineteen hundred sixty or, if a motor vehicle is acquired
56 after such date, within two days after such acquisition. An information

1 registration certificate, however, need not be filed with respect to any
2 motor vehicle for which a registration certificate has been filed pursu-
3 ant to subdivision a of this section. The commissioner of finance may,
4 by regulation, provide that information registration certificates need
5 not be filed with respect to a type of motor vehicle or with respect to
6 any general group within a type of motor vehicle.

7 § 11-807 Returns. a. On or before the twentieth day of June in each
8 year commencing with the year nineteen hundred sixty, every owner of a
9 motor vehicle subject to tax under this chapter shall file a return with
10 the commissioner of finance. A supplemental return shall also be filed
11 by every owner with regard to each motor vehicle subject to tax acquired
12 during any tax year at a time subsequent to the filing of the owner's
13 regular return. Such supplemental return shall be filed with the
14 commissioner of finance within a stated time, as fixed by regulation of
15 the commissioner of finance, after the acquisition of the motor vehicle.
16 An owner who acquires a motor vehicle subject to the tax after the
17 commencement of a tax year and who has not filed a return or supple-
18 mental return with respect to such motor vehicle shall file a return
19 with respect to it within two days after its acquisition by the owner.

20 b. The commissioner of finance, by regulation, may require that each
21 person required under this chapter to file an information registration
22 certificate file an information return with the commissioner of finance
23 annually or at such other times as the commissioner deems appropriate
24 for proper administration of this chapter. The commissioner of finance
25 may, by regulation, provide that information returns need not be filed
26 or that they be filed at different times with respect to a type of motor
27 vehicle or with respect to any general group within a type of motor
28 vehicle or with respect to any particular circumstances.

29 c. The commissioner of finance may permit or require returns, supple-
30 mental returns or information returns to be filed at times other than
31 those specified in the commissioner's regulations. If the commissioner
32 deems it necessary in order to insure payment of the tax imposed by this
33 chapter, the commissioner of finance may require any return, supple-
34 mental return or information return to be filed with him or her at a
35 time other than that fixed by such commissioner.

36 d. The form of returns, supplemental returns and information returns
37 shall be prescribed by the commissioner of finance and shall contain
38 such information as the commissioner may deem necessary for the proper
39 administration of this chapter. The commissioner of finance may require
40 amended returns, amended supplemental returns or amended information
41 returns to be filed within twenty days after notice and to contain the
42 information specified in the notice.

43 e. If a return, supplemental return or information return is not
44 filed, or if a return of any kind when filed is incorrect or insuffi-
45 cient on its face, the commissioner of finance shall take the necessary
46 steps to enforce the filing of such a return or of a corrected return.

47 § 11-808 Payment of tax. a. At the time of filing a return or supple-
48 mental return the owner shall pay to the commissioner of finance the tax
49 imposed by this chapter. Such tax shall be due and payable on the last
50 day on which such return or supplemental return is required to be filed,
51 regardless of whether such a return is filed or whether the return which
52 is filed correctly indicates the amount of tax due.

53 b. Where an owner of a motor vehicle subject to tax under this chapter
54 replaces it with another motor vehicle during a tax year, the owner
55 shall be entitled, upon approval by the commissioner of finance, to have
56 any tax paid with respect to the replaced vehicle credited toward the

1 tax payable with respect to the replacement vehicle for the balance of
2 such tax year, and the owner shall pay no additional tax for such tax
3 year with respect to it unless its nature or its maximum gross weight
4 requires the payment of a higher amount of tax than that paid with
5 respect to the replaced vehicle. A supplemental return, where required,
6 shall be filed with respect to a replacement vehicle irrespective of
7 whether additional tax is payable. Upon the grant of a waiver of tax by
8 the commissioner of finance a purchaser of a motor vehicle subject to
9 tax under this chapter who purchases it during a tax year from an owner
10 who has paid the tax shall not be required to pay the tax with respect
11 to such motor vehicle for the balance of such tax year if, and only if,
12 the owner obtains, and submits to the commissioner of finance together
13 with his or her return or supplemental return, a certificate or its
14 equivalent, as prescribed by the commissioner of finance, signed by the
15 prior owner to the effect that the prior owner has not had the tax paid
16 credited toward any replacement vehicle and will not seek to obtain such
17 a credit for any replacement vehicle purchased in the future. Nothing
18 contained in this subdivision shall be deemed to authorize a refund
19 merely because a motor vehicle with respect to which the tax has been
20 paid is sold or otherwise disposed of during the course of the tax year.

21 c. Notwithstanding any other provision of law to the contrary, the tax
22 imposed on medallion taxicabs pursuant to subparagraph (C) of paragraph
23 two of subdivision a of section 11-802 of this chapter shall be due and
24 payable in two equal installments, the first of which shall be due and
25 payable on or before the last day on which the return or supplemental
26 return for the tax year is required to be filed, and the second of which
27 shall be due and payable on or before the first day of December in such
28 tax year; provided, however, that if a medallion taxicab is acquired
29 subsequent to the first day of November in such tax year, the full
30 amount of the tax imposed for the tax year shall be due and payable on
31 or before the last day on which the supplemental return with respect to
32 such medallion taxicab is required to be filed.

33 d. Notwithstanding any other provision of law to the contrary, the tax
34 imposed on medallion taxicabs pursuant to subparagraph (B) of paragraph
35 two of subdivision a of section 11-802 of this chapter shall, to the
36 extent not previously paid, be due and payable on or before December
37 first, nineteen hundred eighty-nine; provided, however, that if the tax
38 imposed on a medallion taxicab would, but for the provisions of this
39 subdivision, be due and payable subsequent to December first, nineteen
40 hundred eighty-nine, the due date of such tax shall be determined with-
41 out regard to this subdivision; and provided, further, that nothing in
42 this subdivision shall be deemed to extend the date for payment of any
43 tax imposed by paragraph two of subdivision a of section 11-802 of this
44 chapter.

45 e. Notwithstanding any provision of this chapter or of chapter five of
46 title nineteen of the code of the preceding municipality to the contra-
47 ry, the taxi and limousine commission may require by rule the payment of
48 the tax imposed on medallion taxicabs pursuant to this chapter as a
49 condition precedent of the licensing or license renewal of such medal-
50 lion taxicabs, and the taxi and limousine commission shall have the
51 authority to deny the license or the renewal thereof for any medallion
52 taxicab that fails to pay such tax.

53 § 11-809 Stamps and other indicia of payment. a. The commissioner of
54 finance may, by regulation, provide that the payment of the tax imposed
55 by this chapter shall be evidenced by suitable stamps or other indicia
56 of payment in a form prescribed by the commissioner of finance and that

1 every owner shall affix such stamps or other indicia of payment in the
2 manner prescribed by regulation to each motor vehicle for which a tax
3 had been paid, or shall otherwise keep the indicia of payment with the
4 vehicle, readily available for inspection, in the manner prescribed by
5 regulation. The owner or driver of the vehicle, upon demand, shall
6 exhibit the indicia of payment to the commissioner of finance or the
7 commissioner's duly authorized agent or employee or to any police offi-
8 cer of this city or state. The commissioner of finance may, by regu-
9 lation, make similar provision for the use of stamps or other indicia
10 that no tax is payable with respect to particular motor vehicles.

11 b. An owner who sells a motor vehicle shall not transfer any stamp or
12 other indicia of payment to the purchaser except on a sale to a purchas-
13 er to whom the owner has properly given the certificate provided for in
14 section 11-808 of this chapter with regard to not obtaining a credit
15 toward any tax payable with respect to a replacement vehicle. The
16 commissioner of finance shall, by regulation, provide for the
17 destruction of the stamp or other indicia of payment or its return to
18 the commissioner of finance upon all sales except where transfer to the
19 purchaser is permitted and, where the motor vehicle sold has been
20 replaced, for the issuance of replacement stamps or indicia of payment.

21 § 11-809.1 Collection of tax by commissioner of motor vehicles. a.
22 Notwithstanding any provision of this chapter to the contrary, the tax
23 imposed by this chapter on any commercial motor vehicle with a maximum
24 gross weight of ten thousand pounds or less and on any motor vehicle for
25 transportation of passengers, other than a medallion taxicab, shall be
26 collected by the commissioner of motor vehicles, provided that any such
27 motor vehicle is registered or required to be registered pursuant to any
28 provision of section four hundred one of the vehicle and traffic law.

29 The owner of each such motor vehicle shall pay the tax due thereon to
30 the commissioner of motor vehicles on or before the date upon which such
31 owner registers or renews the registration of such motor vehicle or is
32 required to register or renew the registration thereof pursuant to
33 section four hundred one of the vehicle and traffic law.

34 b. Notwithstanding any provision of section four hundred of the vehi-
35 cle and traffic law to the contrary, payment of the tax with respect to
36 a motor vehicle described in subdivision a of this section shall be a
37 condition precedent to the registration or renewal thereof of such motor
38 vehicle and to the issuance of any certificate of registration and
39 plates or removable date tag in accordance with the vehicle and traffic
40 law and the rules and regulations promulgated thereunder, and no such
41 certificate of registration, plates or tag shall be issued unless such
42 tax has been paid. If the registration period applicable to any such
43 vehicle is a period of not less than two years, as a result of the
44 application of the provisions of paragraph c of subdivision five of
45 section four hundred one of the vehicle and traffic law, the tax
46 required to be paid pursuant to this section shall be the annual tax
47 specified in section 11-802 of this chapter multiplied by the number of
48 years in the registration period. The commissioner of motor vehicles,
49 upon payment of the tax pursuant to this section or upon the application
50 of any person exempt therefrom, shall furnish to each taxpayer paying
51 the tax a receipt for such tax and to each other taxpayer or exempt
52 person a statement, document or other form prescribed by the commission-
53 er of motor vehicles, showing that such tax has been paid or is not due
54 with respect to such motor vehicle.

55 c. Notwithstanding the definition of the term "tax year" contained in
56 subdivision fourteen of section 11-801 of this chapter, for purposes of

1 the taxes payable to the commissioner of motor vehicles pursuant to this
2 section, "tax year" shall mean the twelve-month registration period
3 applicable to the subject motor vehicle under the vehicle and traffic
4 law and, in the case of a registration period of at least two years,
5 shall mean each succeeding twelve-month period falling within such
6 registration period.

7 d. Where the tax imposed by this chapter has been paid to the commis-
8 sioner of finance with respect to a motor vehicle for a tax year
9 described in subdivision fourteen of section 11-801 of this chapter, and
10 subsequent thereto but within such tax year the same taxpayer pays a tax
11 to the commissioner of the motor vehicles with respect to such motor
12 vehicle pursuant to this section, such taxpayer shall be entitled to a
13 refund or credit from the commissioner of finance for the portion of the
14 tax paid to the commissioner of finance which is attributable to the
15 period beginning on the first day of the first tax year, as the term
16 "tax year" is defined in subdivision c of this section, for which the
17 tax is paid to the commissioner of motor vehicles and ending on the
18 following May thirty-first, provided, however, that no such refund or
19 credit shall be allowed if the amount thereof is less than five dollars.

20 Any refund or credit to which a taxpayer is entitled pursuant to this
21 subdivision shall be promptly refunded or credited, without interest, by
22 the commissioner of finance, and the commissioner of finance may promul-
23 gate such rules as he or she deems necessary to carry out the provisions
24 of this subdivision. Any amount for which the taxpayer is entitled to a
25 refund or credit pursuant to this subdivision may be allowed as a credit
26 against the tax payable to the commissioner of motor vehicles pursuant
27 to this section to the extent and in the manner provided for in the
28 agreement authorized by subdivision k of this section.

29 e. Whenever any fee or portion of a fee paid for the registration of a
30 motor vehicle under the provisions of the vehicle and traffic law is
31 refunded pursuant to the provisions of subdivision one or one-a of
32 section four hundred twenty-eight thereof, the amount of any tax paid to
33 the commissioner of motor vehicles pursuant to this section upon such
34 registration shall also be refunded by the commissioner of motor vehi-
35 cles, provided that where a fee is refunded pursuant to subdivision
36 one-a of such section four hundred twenty-eight, the amount of tax to be
37 refunded shall be limited to the tax paid for a tax year commencing
38 subsequent to the end of the first twelve-month period of such registra-
39 tion.

40 f. Where the annual registration period applicable to a particular
41 class of motor vehicle begins and ends on the same dates for all motor
42 vehicles within such class, the tax payable to the commissioner of motor
43 vehicles pursuant to this section with respect to a motor vehicle within
44 such class which is registered or required to be registered after the
45 commencement of such annual registration period shall be determined for
46 such period as follows:

47 1. If such motor vehicle is registered or required to be registered
48 before the first day of the seventh month of such period, the tax shall
49 be the amount specified in subdivision a of section 11-802 of this chap-
50 ter.

51 2. If such motor vehicle is registered or required to be registered on
52 or after the first day of the seventh month of such period but before
53 the first day of the tenth month of such period, the tax shall be one-
54 half of the amount specified in subdivision a of section 11-802 of this
55 chapter.

1 3. If such motor vehicle is registered or required to be registered on
2 or after the first day of the tenth month of such period, the tax shall
3 be one-fourth of the amount specified in subdivision a of section 11-802
4 of this chapter.

5 g. The provisions of subdivision b of section 11-808 of this chapter
6 shall apply to this section with such modifications or adaptations as
7 are necessary to carry out the purposes of this section and to ensure
8 collection of the appropriate annual tax specified in subdivision a of
9 section 11-802 of this chapter, and with due regard to the respective
10 responsibilities of the commissioner of finance and the commissioner of
11 motor vehicles under this section and to the definitions of "tax year"
12 contained in subdivision c of this section and subdivision fourteen of
13 section 11-801 of this chapter. The agreement between the commissioner
14 of finance and the commissioner of motor vehicles authorized by subdivi-
15 sion k of this section may contain such provisions concerning the divi-
16 sion of responsibility for collection of the taxes imposed by this chap-
17 ter and the granting of refunds or credits as are consistent with this
18 section and subdivision b of section 11-808 of this chapter, and the
19 commissioner of finance and the commissioner of motor vehicles may also
20 adopt such rules as they deem necessary for such purposes.

21 h. Notwithstanding any provision of section 11-807 of this chapter to
22 the contrary, at the time a tax is required to be paid to the commis-
23 sioner of motor vehicles pursuant to this section, the person required
24 to pay such tax shall file a return with the commissioner of motor vehi-
25 cles in such form and containing such information as he or she may
26 prescribe. The taxpayer's application for registration or the renewal
27 thereof shall constitute the return required under this subdivision
28 unless the commissioner of motor vehicles shall otherwise provide by
29 rule. A return filed pursuant to this subdivision with respect to a
30 motor vehicle for a tax year or years shall be in lieu of any return
31 otherwise required to be filed with respect thereto pursuant to section
32 11-807 of this chapter.

33 i. In any case in which the tax imposed by this chapter is required to
34 be paid to the commissioner of motor vehicles but is not so paid, the
35 commissioner of finance shall collect such tax and all of the provisions
36 of this chapter relating to collection of taxes by the commissioner of
37 finance shall apply with respect thereto.

38 j. Notwithstanding any provision of section four hundred of the vehi-
39 cle and traffic law to the contrary, in those cases in which the commis-
40 sioner of finance is responsible for collecting the tax imposed by this
41 chapter, the commissioner of motor vehicles shall not issue a certif-
42 icate of registration, plates or removable date tag for any motor vehi-
43 cle subject to such tax with respect to which the commissioner of
44 finance has notified the commissioner of motor vehicles that such tax
45 has not been paid, unless the registrant submits proof, in a form
46 approved by the commissioner of motor vehicles, that such tax has been
47 paid, or is not due, with respect to such motor vehicle.

48 k. The commissioner of finance is hereby authorized and empowered to
49 enter into an agreement with the commissioner of motor vehicles to
50 govern the collection of the taxes imposed by this chapter which are
51 required to be paid to the commissioner of motor vehicles pursuant to
52 this section. Such agreement shall provide for the exclusive method of
53 collection, custody and remittal to the commissioner of finance of the
54 proceeds of any such tax; for the payment by the city of the reasonable
55 expenses incurred by the department of motor vehicles in connection with
56 the collection of any such tax; for the commissioner of finance, or a

1 duly designated representative, upon his or her request, not more
2 frequently than once in each calendar year at a time agreed upon by the
3 state comptroller, to audit the accuracy of the payments, distributions
4 and remittances to the city; and for such other matters as may be neces-
5 sary and proper to effectuate the purposes of such agreement. Such
6 agreement shall have the force and effect of a rule or regulation of the
7 commissioner of motor vehicles and shall be filed and published in
8 accordance with any statutory requirements relating thereto.

9 1. The commissioner of motor vehicles shall promptly notify the corpo-
10 ration counsel of the city of any litigation instituted against such
11 commissioner which challenges the constitutionality or validity of any
12 provision of this chapter, or of the enabling act pursuant to which it
13 was adopted, or which attempts to limit or question the application of
14 either such law, and such notification shall include copies of the
15 papers served upon such commissioner.

16 m. The commissioner of motor vehicles shall begin to collect taxes in
17 accordance with the provisions of this section at such time as is speci-
18 fied in the agreement between the commissioner of motor vehicles and the
19 commissioner of finance provided for in subdivision k of this section.

20 n. In addition to any other powers granted to the commissioner of
21 motor vehicles in this chapter or any other law, he or she is hereby
22 authorized and empowered: 1. to adopt and amend rules appropriate to
23 the carrying out of his or her responsibilities under this chapter; 2.
24 to request information concerning motor vehicles and persons subject to
25 the provisions of this chapter from the department of motor vehicles of
26 any other state, the treasury department of the United States or the
27 appropriate officials of any city or county of the state of New York;
28 and to afford such information to such department of motor vehicles,
29 treasury department or officials of such city or county, any provision
30 of this chapter to the contrary notwithstanding; 3. to delegate his or
31 her functions under this section to a deputy commissioner in the depart-
32 ment of motor vehicles or any employee of such department or to any
33 county clerk or other officer who acts as the agent of such commissioner
34 in the registration of motor vehicles; 4. to require all persons owning
35 motor vehicles with respect to which the tax imposed by this chapter is
36 payable to the commissioner of motor vehicles to keep such records as he
37 or she may prescribe and to furnish such information upon his or her
38 request; and 5. to extend, for cause shown, the time for filing any
39 return required to be filed with the commissioner of motor vehicles for
40 a period not exceeding sixty days.

41 o. To the extent that any provision of this section is in conflict
42 with any other provision of this chapter, the provisions of this section
43 shall be controlling, but in all other respects such other provisions of
44 this chapter shall remain fully applicable with respect to the imposi-
45 tion, administration and collection of the taxes imposed by this chap-
46 ter.

47 § 11-809.2 Collection of tax by the taxi and limousine commission on
48 behalf of the commissioner of finance. a. Notwithstanding any provision
49 of this chapter to the contrary, the tax imposed by this chapter on any
50 designated licensed vehicle, as defined in this subdivision, shall be
51 collected by the taxi and limousine commission on behalf of the commis-
52 sioner of finance. Except as otherwise provided by subdivision m of this
53 section, the owner of each such designated licensed vehicle shall pay
54 the tax due thereon to the taxi and limousine commission on or before
55 the date upon which such owner licenses or renews the license of such
56 designated licensed vehicle or is required to license or renew the

1 license thereof pursuant to chapter five of title nineteen of the code
2 of the preceding municipality. For purposes of this section, the term
3 "designated licensed vehicle" shall mean a motor vehicle for the trans-
4 portation of passengers, other than a medallion taxicab, the tax on
5 which is not collected by the commissioner of motor vehicles pursuant to
6 section 11-809.1 of this chapter and which is licensed or required to be
7 licensed by the taxi and limousine commission pursuant to any provision
8 of chapter five of title nineteen of the code of the preceding munici-
9 pality.

10 b. Notwithstanding any provision of chapter five of title nineteen of
11 the code of the preceding municipality to the contrary, payment of the
12 tax with respect to a designated licensed vehicle shall be a condition
13 precedent to the licensing or license renewal of such designated
14 licensed vehicle with the taxi and limousine commission, and no such
15 license or renewal thereof shall be issued unless such tax has been
16 paid. Except as provided in subdivisions f and m of this section, if the
17 license period applicable to any such designated licensed vehicle is a
18 period of more than one year, the tax required to be paid pursuant to
19 this section shall be the annual tax specified in section 11-802 of this
20 chapter multiplied by the number of years in the license period. The
21 taxi and limousine commission, upon payment of the tax pursuant to this
22 section or upon the application of any person exempt therefrom, shall
23 furnish to each taxpayer paying the tax a receipt for such tax and to
24 each other taxpayer or exempt person a statement, document or other form
25 prescribed by the taxi and limousine commission, showing that such tax
26 has been paid or is not due with respect to such designated licensed
27 vehicle.

28 c. For purposes of this section, the term "tax period" shall mean the
29 license period applicable to the designated licensed vehicle under chap-
30 ter five of title nineteen of the code of the preceding municipality
31 and, in the case of a license period of other than one year, shall mean
32 the number of twelve-month periods and any period of less than twelve
33 months within such license period. The term "tax period" shall also
34 include any periods described in subparagraph (A) of paragraph one of
35 subdivision m of this section.

36 d. Except as provided in subdivision m of this section, where the tax
37 imposed by this chapter has been paid to the commissioner of finance
38 with respect to a motor vehicle for a tax year described in subdivision
39 fourteen of section 11-801 of this chapter, and subsequent thereto but
40 within such tax year the same taxpayer pays a tax to the taxi and limou-
41 sine commission with respect to such motor vehicle pursuant to this
42 section, such taxpayer shall be entitled to a refund or credit from the
43 commissioner of finance for the portion of the tax paid to the commis-
44 sioner of finance that is attributable to the period beginning on the
45 first day of the first tax period for which the tax is paid to the taxi
46 and limousine commission and ending on the following May thirty-first,
47 provided, however, that no such refund or credit shall be allowed if the
48 amount thereof is less than five dollars. Any refund or credit to which
49 a taxpayer is entitled pursuant to this subdivision shall be promptly
50 refunded or credited, without interest, by the commissioner of finance,
51 and the commissioner of finance may promulgate such rules as he or she
52 deems necessary to carry out the provisions of this subdivision.

53 e. If the license for the designated licensed vehicle is transferred,
54 surrendered or terminated for reasons other than revocation, and the
55 applicable license period under chapter five of title nineteen of the
56 code of the preceding municipality is for more than one year, and the

1 tax paid to the taxi and limousine commission was for a tax period of
2 more than twelve months, except as otherwise provided in the agreement
3 between the taxi and limousine commission and the commissioner of
4 finance authorized pursuant to subdivision k of this section, the
5 commissioner of finance shall refund the tax paid for any twelve-month
6 period commencing subsequent to the transfer, surrender or other termi-
7 nation of the license described in this subdivision.

8 f. Except as provided in subdivision m of this section, for designated
9 licensed vehicles whose license period is a two year period that begins
10 and ends on the same dates, the tax payable to the taxi and limousine
11 commission pursuant to this section with respect to a designated
12 licensed vehicle that is licensed or required to be licensed after the
13 commencement of such license period shall be determined as follows:

14 1. If such designated licensed vehicle is licensed or required to be
15 licensed before the first day of the seventh month of such period, the
16 tax shall be the amount determined pursuant to subdivision b of this
17 section.

18 2. If such designated licensed vehicle is licensed or required to be
19 licensed on or after the first day of the seventh month of such period
20 but before the first day of the thirteenth month of such period, the tax
21 shall be three-fourths of the amount determined pursuant to subdivision
22 b of this section.

23 3. If such designated licensed vehicle is licensed or required to be
24 licensed on or after the first day of the thirteenth month but before
25 the first day of the nineteenth month of such period, the tax shall be
26 one-half of the amount determined pursuant to subdivision b of this
27 section.

28 4. If such designated licensed vehicle is licensed or required to be
29 licensed on or after the first day of the nineteenth month of such peri-
30 od, the tax shall be one-fourth of the amount determined pursuant to
31 subdivision b of this section.

32 5. When the license period described in this section is for a period
33 of less than two years, the commissioner of finance shall have the
34 authority to provide by rule the amount to be payable under this subdi-
35 vision.

36 g. The provisions of subdivision b of section 11-808 of this chapter
37 shall apply to this section with such modifications or adaptations as
38 are necessary to carry out the purposes of this section and to ensure
39 collection of the appropriate annual tax specified in subdivision a of
40 section 11-802 of this chapter, and with due regard to the respective
41 responsibilities of the commissioner of finance and the taxi and limou-
42 sine commission under this section and to the definition of "tax year"
43 contained in subdivision fourteen of section 11-801 of this chapter and
44 to the definition of "tax period" contained in subdivision c of this
45 section. The agreement between the commissioner of finance and the taxi
46 and limousine commission authorized by subdivision k of this section may
47 contain such provisions concerning the division of responsibility for
48 collection of the taxes imposed by this chapter and the granting of
49 refunds or credits as are consistent with this section and subdivision b
50 of section 11-808 of this chapter, and the commissioner of finance and
51 the taxi and limousine commission may also adopt such rules as they deem
52 necessary for such purposes.

53 h. Notwithstanding any provision of section 11-807 of this chapter to
54 the contrary, at the time a tax is required to be paid to the taxi and
55 limousine commission pursuant to this section, the person required to
56 pay such tax shall file a return with the taxi and limousine commission

1 in such form and containing such information as the taxi and limousine
2 commission may prescribe. The taxpayer's application for a license or
3 the renewal thereof shall constitute the return required under this
4 subdivision unless the taxi and limousine commission shall otherwise
5 provide by rule. A return filed pursuant to this subdivision with
6 respect to a designated licensed vehicle for a tax period or periods
7 shall be in lieu of any return otherwise required to be filed with
8 respect thereto pursuant to section 11-807 of this chapter. Unless the
9 taxi and limousine commission otherwise requires, the filing of a return
10 shall not be required for the tax periods described in subparagraph (A)
11 of paragraph one of subdivision m of this section.

12 i. In any case in which the tax imposed by this chapter is required to
13 be paid to the taxi and limousine commission but is not so paid, the
14 commissioner of finance shall collect such tax and all of the provisions
15 of this chapter relating to collection of taxes by the commissioner of
16 finance shall apply with respect thereto.

17 j. Notwithstanding any provision of chapter five of title nineteen of
18 the code of the preceding municipality to the contrary, in those cases
19 in which the commissioner of finance is responsible for collecting the
20 tax imposed by this chapter, the taxi and limousine commission shall not
21 issue or renew a license for any designated licensed vehicle subject to
22 such tax with respect to which the commissioner of finance has notified
23 the taxi and limousine commission that such tax has not been paid,
24 unless the applicant for such license or renewal submits proof, in a
25 form approved by the taxi and limousine commission, that such tax has
26 been paid, or is not due, with respect to such designated licensed vehi-
27 cle.

28 k. The commissioner of finance is hereby authorized and empowered to
29 enter into an agreement with the taxi and limousine commission to govern
30 the collection of the taxes imposed by this chapter which are required
31 to be paid to the taxi and limousine commission pursuant to this
32 section. Such agreement may provide for the exclusive method of
33 collection, custody and remittal to the commissioner of finance of the
34 proceeds of any such tax; for the payment by the commissioner of finance
35 of reasonable expenses incurred by the taxi and limousine commission in
36 connection with the collection of any such tax; for the commissioner of
37 finance, or a duly designated representative, upon his or her request,
38 not more frequently than once in each calendar year at a time agreed
39 upon by the city comptroller, to audit the accuracy of the payments,
40 distributions and remittances to the commissioner of finance; and for
41 such other matters as may be necessary and proper to effectuate the
42 purposes of such agreement.

43 l. The taxi and limousine commission shall promptly notify the corpo-
44 ration counsel of the city and the commissioner of finance of any liti-
45 gation instituted against such commission which challenges the constitu-
46 tionality or validity of any provision of this chapter, or which
47 attempts to limit or question the application of this chapter, and such
48 notification shall include copies of the papers served upon such commis-
49 sion.

50 m. Except as otherwise provided in the agreement between the taxi and
51 limousine commission and the commissioner of finance authorized by
52 subdivision k of this section, or with respect to the periods described
53 in paragraph two of this subdivision, the taxi and limousine commission
54 shall begin to collect taxes in accordance with the provisions of this
55 section on the first day of April in the year two thousand twelve as
56 follows:

1 1. The tax due on a designated licensed vehicle, the license for which
2 expires on or after the first day of June in the year two thousand
3 twelve and before the first day of June in the year two thousand four-
4 teen, shall be determined as follows:

5 (A) For a designated licensed vehicle whose license expires on or
6 after the first day of June in the year two thousand twelve and before
7 the first day of June in the year two thousand fourteen, the amount of
8 tax for the tax period between the first day of June in the year two
9 thousand twelve and the date the license shall expire for such desig-
10 nated licensed vehicle pursuant to chapter five of title nineteen of the
11 code of the preceding municipality shall be the sum of (i) the annual
12 tax specified in subparagraph (C) of paragraph two of subdivision a of
13 section 11-802 of this chapter for any twelve-month period within such
14 tax period, and (ii) the amount determined under subparagraph (B) of
15 this paragraph for any period of less than twelve months within such tax
16 period. The amount of tax so determined shall be payable on or before
17 the first day of June in the year two thousand twelve. In the event the
18 amount of tax due and payable under this subparagraph shall not have
19 been paid within thirty days of the first day of June in the year two
20 thousand twelve, the taxi and limousine commission shall suspend the
21 license for such designated licensed vehicle, and the license for any
22 such designated licensed vehicle which has expired shall not be renewed
23 until such time as such tax is paid.

24 (B) For purposes of subparagraph (A) of this paragraph, the amount of
25 tax for a period of less than twelve months shall be determined as
26 follows: (i) if such period is nine months or more, the amount for such
27 period shall be the full amount of annual tax provided in subparagraph
28 (C) of paragraph two of subdivision a of section 11-802 of this chapter;
29 (ii) if such period is more than six months but less than nine months,
30 the amount for such period shall be three-fourths of the amount of annu-
31 al tax provided in subparagraph (C) of paragraph two of subdivision a of
32 section 11-802 of this chapter; (iii) if such period is more than three
33 months but less than six months, the amount for such period shall be
34 one-half of the amount of annual tax provided in subparagraph (C) of
35 paragraph two of subdivision a of section 11-802 of this chapter; and
36 (iv) if such period is less than three months, the amount for such peri-
37 od shall be one-fourth of the amount of annual tax provided in subpara-
38 graph (C) of paragraph two of subdivision a of section 11-802 of this
39 chapter.

40 2. Upon the date for payment set forth in subparagraph (A) of para-
41 graph one of this subdivision, the taxi and limousine commission shall
42 require the taxpayer to provide a proof of payment of the tax to the
43 commissioner of finance for the period beginning on the first day of
44 June in the year two thousand eleven and ending on the thirty-first day
45 of May in the year two thousand twelve or any part of such period for
46 which the taxpayer was subject to the tax. In the event the taxpayer has
47 not paid such tax to the commissioner of finance: (i) the license for
48 any designated licensed vehicle described in subparagraph (A) of this
49 paragraph shall not be renewed until such time as such tax, together
50 with any applicable interest or penalties, has been paid to the commis-
51 sioner of finance and (ii) if such tax remains unpaid as of the end of
52 the thirty-day period set forth in subparagraph (A) of paragraph one of
53 this subdivision, the license for any designated licensed vehicle
54 described in subparagraph (A) of paragraph one of this subdivision shall
55 be suspended until such time as such tax, together with any applicable
56 interest or penalties, is paid to the commissioner of finance.

1 n. In addition to any other powers granted to the taxi and limousine
2 commission in this chapter or any other law, the taxi and limousine
3 commission is hereby authorized and empowered:

4 1. to adopt and amend rules appropriate to the carrying out of its
5 responsibilities under this chapter;

6 2. to request information concerning motor vehicles and persons
7 subject to the provisions of this chapter from the commissioner of motor
8 vehicles, the department of motor vehicles of any other state, the trea-
9 sury department of the United States or the appropriate officials of any
10 city or county of the state of New York; and to afford such information
11 to such department of motor vehicles, treasury department or officials
12 of such city or county, any provision of this chapter to the contrary
13 notwithstanding;

14 3. to delegate its functions under this section to any commissioner or
15 employee of such commission;

16 4. to require any person who is an owner, as defined in chapter five
17 of title nineteen of the code of the preceding municipality, of a desig-
18 nated licensed vehicle to keep such records as it prescribes and to
19 furnish such information upon its request; and

20 5. to extend, for cause shown, the time for filing any return required
21 to be filed with the taxi and limousine commission for a period not
22 exceeding sixty days.

23 o. To the extent that any provision of this section is in conflict
24 with any other provision of this chapter, the provisions of this section
25 shall be controlling, but in all other respects such other provisions of
26 this chapter shall remain fully applicable with respect to the imposi-
27 tion, administration and collection of the taxes imposed by this chap-
28 ter.

29 § 11-810 Determination of tax. If a return required by this chapter is
30 not filed, or if a return when filed is incorrect or insufficient, the
31 commissioner of finance shall determine the amount of tax due from such
32 information as may be obtainable and, if necessary, may estimate the tax
33 on the basis of external indices such as motor vehicle registration with
34 the department of motor vehicles and/or any other factors. Notice of
35 such determination shall be given to the person liable for the payment
36 of the tax. Such determination shall finally and irrevocably fix the tax
37 unless the person against whom it is assessed, within ninety days after
38 the giving of notice of such determination or, if the commissioner of
39 finance has established a conciliation procedure pursuant to section
40 11-124 of this title and the taxpayer has requested a conciliation
41 conference in accordance therewith, within ninety days from the mailing
42 of a conciliation decision or the date of the commissioner's confirma-
43 tion of the discontinuance of the conciliation proceeding, both (1)
44 serves a petition upon the commissioner of finance and (2) files a peti-
45 tion with the tax appeals tribunal for a hearing, or unless the commis-
46 sioner of finance of his or her own motion shall redetermine the same.
47 Such hearing and any appeal to the tax appeals tribunal sitting en banc
48 from the decision rendered in such hearing shall be conducted in the
49 manner and subject to the requirements prescribed by the tax appeals
50 tribunal pursuant to sections one hundred sixty-eight through one
51 hundred seventy-two of the charter of the preceding municipality as it
52 existed January first, nineteen hundred ninety-four. After such hearing
53 the tax appeals tribunal shall give notice of its decision to the person
54 against whom the tax is assessed and to the commissioner of finance. A
55 decision of the tax appeals tribunal sitting en banc shall be reviewable
56 for error, illegality or unconstitutionality or any other reason whatso-

1 ever by a proceeding under article seventy-eight of the civil practice
2 law and rules if application therefor is made to the supreme court by
3 the person against whom the tax was assessed within four months after
4 the giving of the notice of such tax appeals tribunal decision. A
5 proceeding under article seventy-eight of the civil practice law and
6 rules shall not be instituted by a taxpayer unless: (a) the amount of
7 any tax sought to be reviewed, with penalties and interest thereon, if
8 any, shall be first deposited with the commissioner of finance and there
9 shall be filed with the commissioner of finance an undertaking, issued
10 by a surety company authorized to transact business in this state and
11 approved by the superintendent of insurance of this state as to solvency
12 and responsibility, in such amount and with such sureties as a justice
13 of the supreme court shall approve, to the effect that if such proceed-
14 ing be dismissed or the tax confirmed, the taxpayer will pay all costs
15 and charges which may accrue in the prosecution of the proceeding, or
16 (b) at the option of the taxpayer such undertaking filed with the
17 commissioner of finance may be in a sum sufficient to cover the taxes,
18 penalties and interest thereon stated in such decision plus the costs
19 and charges which may accrue against it in the prosecution of the
20 proceeding, in which event the taxpayer shall not be required to deposit
21 such taxes, penalties and interest as a condition precedent to the
22 application.

23 § 11-811 Refunds. a. In the manner provided in this section the
24 commissioner of finance shall refund or credit, without interest, any
25 tax, penalty or interest erroneously, illegally or unconstitutionally
26 collected or paid, if written application to the commissioner of finance
27 for such refund shall be made within one year from the payment thereof.
28 Whenever a refund or credit is made or denied, the commissioner of
29 finance shall state his or her reason therefor and give notice thereof
30 to the taxpayer in writing. The commissioner of finance may, in lieu of
31 any refund required to be made, allow credit therefor on payments due
32 from the applicant.

33 b. Any determination of the commissioner of finance denying a refund
34 or credit pursuant to subdivision a of this section shall be final and
35 irrevocable unless the applicant for such refund or credit, within nine-
36 ty days from the mailing or notice of such determination, or, if the
37 commissioner of finance has established a conciliation procedure pursu-
38 ant to section 11-124 of this title and the applicant has requested a
39 conciliation conference in accordance therewith, within ninety days from
40 the mailing of a conciliation decision or the date of the commissioner's
41 confirmation of the discontinuance of the conciliation proceeding, both
42 (1) serves a petition upon the commissioner of finance and (2) files a
43 petition with the tax appeals tribunal for a hearing. Such petition for
44 a refund or credit, made as herein provided, shall be deemed an applica-
45 tion for a revision of any tax, penalty or interest complained of. Such
46 hearing and any appeal to the tax appeals tribunal sitting en banc from
47 the decision rendered in such hearing shall be conducted in the manner
48 and subject to the requirements prescribed by the tax appeals tribunal
49 pursuant to sections one hundred sixty-eight through one hundred seven-
50 ty-two of the charter of the preceding municipality as it existed Janu-
51 ary first, nineteen hundred ninety-four. After such hearing, the tax
52 appeals tribunal shall give notice of its decision to the applicant and
53 to the commissioner of finance. The applicant shall be entitled to
54 institute a proceeding pursuant to article seventy-eight of the civil
55 practice law and rules to review a decision of the tax appeals tribunal
56 sitting en banc if application to the supreme court be made therefor

1 within four months after the giving of notice of such decision, and
2 provided, in the case of an application by a taxpayer, that a final
3 determination of tax due was not previously made. Such a proceeding
4 shall not be instituted by a taxpayer, unless an undertaking shall first
5 be filed with the commissioner of finance in such amount and with such
6 sureties as a justice of the supreme court shall approve, to the effect
7 that if such proceeding be dismissed or the tax confirmed, the taxpayer
8 will pay all costs and charges which may accrue in the prosecution of
9 the proceeding.

10 c. A person shall not be entitled to a revision, refund or credit
11 under this section of a tax, interest or penalty which had been deter-
12 mined to be due pursuant to the provisions of section 11-810 of this
13 chapter where such person has had a hearing or an opportunity for a
14 hearing, as provided in said section, or has failed to avail himself or
15 herself of the remedies therein provided. No refund or credit shall be
16 made of a tax, interest or penalty paid after a determination by the
17 commissioner of finance made pursuant to section 11-810 of this chapter
18 unless it be found that such determination was erroneous, illegal or
19 unconstitutional or otherwise improper, by the tax appeals tribunal
20 after a hearing or on the commissioner's own motion, or, if such tax
21 appeals tribunal affirms in whole or in part the determination of the
22 commissioner of finance, in a proceeding under article seventy-eight of
23 the civil practice law and rules, pursuant to the provisions of said
24 section, in which event refund or credit without interest shall be made
25 of the tax, interest or penalty found to have been overpaid.

26 § 11-812 Remedies exclusive. The remedies provided by this chapter
27 shall be the exclusive remedies available to any person for the review
28 of tax liability imposed by this chapter; and no determination or
29 proposed determination of tax or determination on any application for
30 refund by the commissioner of finance, nor any decision by the tax
31 appeals tribunal or any of its administrative law judges, shall be
32 enjoined or reviewed by an action for declaratory judgment, an action
33 for money had and received or by any action or proceeding other than, in
34 the case of a decision by the tax appeals tribunal sitting en banc, a
35 proceeding under article seventy-eight of the civil practice law and
36 rules; provided, however, that a taxpayer may proceed by declaratory
37 judgment if the taxpayer institutes suit within thirty days after a
38 deficiency assessment is made and pays the amount of the deficiency
39 assessment to the commissioner of finance prior to the institution of
40 such suit and posts a bond for costs as provided in section 11-810 of
41 this chapter.

42 § 11-813 Reserves. In cases where the taxpayer has applied for a
43 refund and has instituted a proceeding under article seventy-eight of
44 the civil practice law and rules to review a determination adverse to
45 the taxpayer on his or her application for refund, the comptroller shall
46 set up appropriate reserves to meet any decision adverse to the city.

47 § 11-814 Proceedings to recover tax. a. Whenever any person shall
48 fail to pay any tax or penalty or interest imposed by this chapter as
49 herein provided, the corporation counsel shall, upon the request of the
50 commissioner of finance, bring or cause to be brought an action to
51 enforce payment of the same against the person liable for the same on
52 behalf of the city of Staten Island in any court of the state of New
53 York or of any other state or of the United States. If, however, the
54 commissioner of finance in his or her discretion believes that a taxpay-
55 er subject to the provisions of this chapter is about to cease business,
56 leave the state or remove or dissipate the assets out of which tax or

1 penalties might be satisfied and that any such tax or penalty will not
2 be paid when due, the commissioner may declare such tax or penalty to be
3 immediately due and payable and may issue a warrant immediately.

4 b. As an additional or alternate remedy, the commissioner of finance
5 may issue a warrant, directed to the city sheriff commanding the sheriff
6 to levy upon and sell the real and personal property of such person
7 which may be found within the city, for the payment of the amount there-
8 of, with any penalties and interest, and the cost of executing the
9 warrant, and to return such warrant to the commissioner of finance and
10 to pay to the commissioner the money collected by virtue thereof within
11 sixty days after the receipt of such warrant. The city sheriff shall,
12 within five days after the receipt of the warrant, file with the county
13 clerk a copy thereof, and thereupon such clerk shall enter in the judge-
14 ment docket the name of the person mentioned in the warrant and the
15 amount of the tax, penalties and interest for which the warrant is
16 issued and the date when such copy is filed. Thereupon the amount of
17 such warrant so docketed shall become a lien upon the title to and
18 interest in real and personal property of the person against whom the
19 warrant is issued. The city sheriff shall then proceed upon the warrant
20 in the same manner and with like effect as that provided by law in
21 respect to executions issued against property upon judgments of a court
22 of record, and for services in executing the warrant the sheriff shall
23 be entitled to the same fees which he or she may collect in the same
24 manner. In the discretion of the commissioner of finance a warrant of
25 like terms, force and effect may be issued and directed to any officer
26 or employee of the department of finance, and in the execution thereof
27 such officer or employee shall have all the powers conferred by law upon
28 sheriffs, but such officer or employee shall be entitled to no fee or
29 compensation in excess of the actual expenses paid in the performance of
30 such duty. If a warrant is returned not satisfied in full, the commis-
31 sioner of finance may from time to time issue new warrants and shall
32 also have the same remedies to enforce the amount due thereunder as if
33 the city had recovered judgment therefor and execution thereon had been
34 returned unsatisfied.

35 c. Whenever there is made a sale, transfer or assignment in bulk of
36 any part or the whole of a stock of merchandise or of fixtures, or
37 merchandise and of fixtures pertaining to the conducting of the business
38 of the seller, transferor or assignor, otherwise than in the ordinary
39 course of trade and in the regular prosecution of said business, the
40 purchaser, transferee or assignee shall at least ten days before taking
41 possession of such merchandise, fixtures, or merchandise and fixtures,
42 or paying therefor, notify the commissioner of finance by registered
43 mail of the proposed sale and of the price, terms and conditions thereof
44 whether or not the seller, transferor or assignor, has represented to,
45 or informed the purchaser, transferee or assignee that it owes any tax
46 pursuant to this chapter and whether or not the purchaser, transferee or
47 assignee has knowledge that such taxes are owing, and whether any such
48 taxes are in fact owing.

49 Whenever the purchaser, transferee or assignee shall fail to give
50 notice to the commissioner of finance as required by the opening para-
51 graph of this subdivision, or whenever the commissioner of finance shall
52 inform the purchaser, transferee or assignee that a possible claim for
53 such tax or taxes exists, any sums of money, property or choses in
54 action, or other consideration, which the purchaser, transferee or
55 assignee is required to transfer over to the seller, transferor or
56 assignor shall be subject to a first priority right and lien for any

1 such taxes theretofore or thereafter determined to be due from the sell-
2 er, transferor or assignor to the city, and the purchaser, transferee or
3 assignee is forbidden to transfer to the seller, transferor or assignor
4 any such sums of money, property or choses in action to the extent of
5 the amount of the city's claim. For failure to comply with the
6 provisions of this subdivision, the purchaser, transferee or assignee,
7 in addition to being subject to the liabilities and remedies imposed
8 under the provisions of former section forty-four of the personal prop-
9 erty law, shall be personally liable for the payment to the city of any
10 such taxes theretofore or thereafter determined to be due to the city
11 from the seller, transferor or assignor, and such liability may be
12 assessed and enforced in the same manner as the liability for tax under
13 this chapter.

14 d. The commissioner of finance, if he or she finds that the interests
15 of the city will not thereby be jeopardized, and upon such conditions as
16 the commissioner of finance may require, may release any property from
17 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
18 tions to tax, penalties and interest filed pursuant to subdivision b of
19 this section, and such release or vacating of the warrant may be
20 recorded in the office of any recording officer in which such warrant
21 has been filed. The clerk shall thereupon cancel and discharge as of the
22 original date of docketing the vacated warrant.

23 § 11-815 General powers of the commissioner of finance. In addition
24 to all other powers granted to the commissioner of finance in this chap-
25 ter, the commissioner is hereby authorized and empowered:

26 1. To make, adopt and amend rules and regulations appropriate to the
27 carrying out of this chapter and the purposes thereof;

28 2. To extend, for cause shown, the time for filing any kind of return
29 for a period not exceeding sixty days; and to compromise disputed claims
30 in connection with the taxes hereby imposed;

31 3. To request information concerning motor vehicles and persons
32 subject to the provisions of this chapter from the department of motor
33 vehicles and from the department of taxation and finance of the state of
34 New York or any successor to their duties, or the treasury department of
35 the United States relative to any person; and to afford information to
36 such department of motor vehicles, department of taxation and finance or
37 any successor to their duties, or to such treasury department relative
38 to any person, any other provision of this chapter to the contrary
39 notwithstanding;

40 4. To delegate the commissioner's functions hereunder to a deputy
41 commissioner of finance or any employee or employees of the department
42 of finance;

43 5. To assess, reassess, determine, revise and readjust the taxes
44 imposed under this chapter;

45 6. To provide methods for identifying motor vehicles not subject to or
46 exempt from the tax imposed under this chapter;

47 7. To provide that a certificate of registration need not be filed
48 with respect to any or all types of motor vehicles, or to provide that
49 such certificate of registration with respect to any or all types of
50 motor vehicles shall be contained on or combined with any return or
51 supplemental return required to be filed under this chapter.

52 § 11-816 Administration of oaths and compelling testimony. a. The
53 commissioner of finance, the commissioner's employees duly designated
54 and authorized by the commissioner, the tax appeals tribunal and any of
55 its duly designated and authorized employees shall have power to admin-
56 ister oaths and take affidavits in relation to any matter or proceeding

1 in the exercise of their powers and duties under this chapter. The
2 commissioner of finance and the tax appeals tribunal shall have power to
3 subpoena and require the attendance of witnesses and the production of
4 books, papers and documents to secure information pertinent to the
5 performance of the duties of the commissioner or of the tax appeals
6 tribunal hereunder and of the enforcement of this chapter and to examine
7 them in relation thereto, and to issue commissions for the examination
8 of witnesses who are out of the state or unable to attend before the
9 commissioner or the tax appeals tribunal or excused from attendance.

10 b. A justice of the supreme court either in court or at chambers shall
11 have power summarily to enforce by proper proceedings the attendance and
12 testimony of witnesses and the production and examination of books,
13 papers and documents called for by the subpoena of the commissioner of
14 finance or the tax appeals tribunal under this chapter.

15 c. Cross-reference; criminal penalties. For failure to obey subpoenas
16 or for testifying falsely, see section 11-4007 of the code of the
17 preceding municipality; for supplying false or fraudulent information,
18 see section 11-4009 of the code of the preceding municipality.

19 d. The officers who serve the summons or subpoena of the commissioner
20 of finance or the tax appeals tribunal hereunder and witnesses attending
21 in response thereto shall be entitled to the same fees as are allowed to
22 officers and witnesses in civil cases in courts of record, except as
23 herein otherwise provided. Such officers shall be the city sheriff, and
24 the sheriff's duly appointed deputies or any officers or employees of
25 the department of finance or the tax appeals tribunal, designated to
26 serve such process.

27 § 11-817 Interest and penalties. (a) Interest on underpayments. If
28 any amount of tax is not paid on or before the last date prescribed for
29 payment, without regard to any extension of time granted for payment,
30 interest on such amount at the rate set by the commissioner of finance
31 pursuant to subdivision (g) of this section, or, if no rate is set, at
32 the rate of seven and one-half percent per annum, shall be paid for the
33 period from such last date to the date of payment. In computing the
34 amount of interest to be paid, such interest shall be compounded daily.
35 Interest under this subdivision shall not be paid if the amount thereof
36 is less than one dollar.

37 (b) (1) Failure to file return. (A) In case of failure to file a
38 return under this chapter on or before the prescribed date, determined
39 with regard to any extension of time for filing, unless it is shown that
40 such failure is due to reasonable cause and not due to willful neglect,
41 there shall be added to the amount required to be shown as tax on such
42 return five percent of the amount of such tax if the failure is for not
43 more than one month, with an additional five percent for each additional
44 month or fraction thereof during which such failure continues, not
45 exceeding twenty-five percent in the aggregate.

46 (B) In the case of a failure to file a return of tax within sixty days
47 of the date prescribed for filing of such return, determined with regard
48 to any extension of time for filing, unless it is shown that such fail-
49 ure is due to reasonable cause and not due to willful neglect, the addi-
50 tion to tax under subparagraph (A) of this paragraph shall not be less
51 than the lesser of one hundred dollars or one hundred percent of the
52 amount required to be shown as tax on such return.

53 (C) For purposes of this paragraph, the amount of tax required to be
54 shown on the return shall be reduced by the amount of any part of the
55 tax which is paid on or before the date prescribed for payment of the

1 tax and by the amount of any credit against the tax which may be claimed
2 upon the return.

3 (2) Failure to pay tax shown on return. In case of failure to pay the
4 amount shown as tax on a return required to be filed under this chapter
5 on or before the prescribed date, determined with regard to any exten-
6 sion of time for payment, unless it is shown that such failure is due to
7 reasonable cause and not due to willful neglect, there shall be added to
8 the amount shown as tax on such return one-half of one percent of the
9 amount of such tax if the failure is not for more than one month, with
10 an additional one-half of one percent for each additional month or frac-
11 tion thereof during which such failure continues, not exceeding twenty-
12 five percent in the aggregate. For the purpose of computing the addition
13 for any month the amount of tax shown on the return shall be reduced by
14 the amount of any part of the tax which is paid on or before the begin-
15 ning of such month and by the amount of any credit against the tax which
16 may be claimed upon the return. If the amount of tax required to be
17 shown on a return is less than the amount shown as tax on such return,
18 this paragraph shall be applied by substituting such lower amount.

19 (3) Failure to pay tax required to be shown on return. In case of
20 failure to pay any amount in respect of any tax required to be shown on
21 a return required to be filed under this chapter which is not so shown,
22 including a determination made pursuant to section 11-810 of this chap-
23 ter, within ten days of the date of a notice and demand therefor, unless
24 it is shown that such failure is due to reasonable cause and not due to
25 willful neglect, there shall be added to the amount of tax stated in
26 such notice and demand one-half of one percent of such tax if the fail-
27 ure is not for more than one month, with an additional one-half of one
28 percent for each additional month or fraction thereof during which such
29 failure continues, not exceeding twenty-five percent in the aggregate.
30 For the purpose of computing the addition for any month, the amount of
31 tax stated in the notice and demand shall be reduced by the amount of
32 any part of the tax which is paid before the beginning of such month.

33 (4) Limitations on additions.

34 (A) With respect to any return, the amount of the addition under para-
35 graph one of this subdivision shall be reduced by the amount of the
36 addition under paragraph two of this subdivision for any month to which
37 an addition applies under both such paragraphs one and two. In any case
38 described in subparagraph (B) of paragraph one of this subdivision, the
39 amount of the addition under such paragraph one shall not be reduced
40 below the amount provided in such subparagraph.

41 (B) With respect to any return, the maximum amount of the addition
42 permitted under paragraph three of this subdivision shall be reduced by
43 the amount of the addition under paragraph one of this subdivision,
44 determined without regard to subparagraph (B) of such paragraph one,
45 which is attributable to the tax for which the notice and demand is made
46 and which is not paid within ten days of such notice and demand.

47 (c) Underpayment due to negligence. (1) If any part of an underpayment
48 of tax is due to negligence or intentional disregard of this chapter or
49 any rules or regulations hereunder, but without intent to defraud, there
50 shall be added to the tax a penalty equal to five percent of the under-
51 payment.

52 (2) There shall be added to the tax, in addition to the amount deter-
53 mined under paragraph one of this subdivision, an amount equal to fifty
54 percent of the interest payable under subdivision (a) of this section
55 with respect to the portion of the underpayment described in such para-
56 graph one which is attributable to the negligence or intentional disre-

1 gard referred to in such paragraph one, for the period beginning on the
2 last date prescribed by law for payment of such underpayment, determined
3 without regard to any extension, and ending on the date of the assess-
4 ment of the tax, or, if earlier, the date of the payment of the tax.

5 (d) Underpayment due to fraud. (1) If any part of an underpayment of
6 tax is due to fraud, there shall be added to the tax a penalty equal to
7 fifty percent of the underpayment.

8 (2) There shall be added to the tax, in addition to the penalty deter-
9 mined under paragraph one of this subdivision, an amount equal to fifty
10 percent of the interest payable under subdivision (a) of this section
11 with respect to the portion of the underpayment described in such para-
12 graph one which is attributable to fraud, for the period beginning on
13 the last day prescribed by law for payment of such underpayment, deter-
14 mined without regard to any extension, and ending on the date of the
15 assessment of the tax, or, if earlier, the date of the payment of the
16 tax.

17 (3) The penalty under this subdivision shall be in lieu of any other
18 addition to tax imposed by subdivision (b) or (c) of this section.

19 (e) Additional penalty. Any person who, with fraudulent intent, shall
20 fail to pay any tax imposed by this chapter, or to make, render, sign or
21 certify any return, or to supply any information within the time
22 required by or under this chapter, shall be liable for a penalty of not
23 more than one thousand dollars, in addition to any other amounts
24 required under this chapter to be imposed, assessed and collected by the
25 commissioner of finance. The commissioner of finance shall have the
26 power, in his or her discretion, to waive, reduce or compromise any
27 penalty under this subdivision.

28 (f) The interest and penalties imposed by this section shall be paid
29 and disposed of in the same manner as other revenues from this subchap-
30 ter. Unpaid interest and penalties may be enforced in the same manner as
31 the tax imposed by this chapter.

32 (g) (1) Authority to set interest rates. The commissioner of finance
33 shall set the rate of interest to be paid pursuant to subdivision (a) of
34 this section, but if no such rate of interest is set, such rate shall be
35 deemed to be set at seven and one-half percent per annum. Such rate
36 shall be the rate prescribed in paragraph two of this subdivision but
37 shall not be less than seven and one-half percent per annum. Any such
38 rate set by the commissioner of finance shall apply to taxes, or any
39 portion thereof, which remain or become due on or after the date on
40 which such rate becomes effective and shall apply only with respect to
41 interest computed or computable for periods or portions of periods
42 occurring in the period in which such rate is in effect.

43 (2) General rule. The rate of interest set under this subdivision
44 shall be the sum of (i) the federal short-term rate as provided under
45 paragraph three of this subdivision, plus (ii) seven percentage points.

46 (3) Federal short-term rate. For purposes of this subdivision:

47 (A) The federal short-term rate for any month shall be the federal
48 short-term rate determined by the United States secretary of the treas-
49 ury during such month in accordance with subsection (d) of section
50 twelve hundred seventy-four of the internal revenue code for use in
51 connection with section six thousand six hundred twenty-one of the
52 internal revenue code. Any such rate shall be rounded to the nearest
53 full percent, or, if a multiple of one-half of one percent, such rate
54 shall be increased to the next highest full percent.

55 (B) Period during which rate applies.

1 (i) In general. Except as provided in clause (ii) of this subpara-
2 graph, the federal short-term rate for the first month in each calendar
3 quarter shall apply during the first calendar quarter beginning after
4 such month.

5 (ii) Special rule for the month of September, nineteen hundred eight-
6 y-nine. The federal short-term rate for the month of April, nineteen
7 hundred eighty-nine shall apply with respect to setting the rate of
8 interest for the month of September, nineteen hundred eighty-nine.

9 (4) Publication of interest rate. The commissioner of finance shall
10 cause to be published in the City Record, and give other appropriate
11 general notice of, the interest rate to be set under this subdivision no
12 later than twenty days preceding the first day of the calendar quarter
13 during which such interest rate applies. The setting and publication of
14 such interest rate shall not be included within paragraph (a) of subdi-
15 vision five of section one thousand forty-one of the city charter of the
16 preceding municipality as it existed January first, nineteen hundred
17 ninety-four relating to the definition of a rule.

18 (h) Miscellaneous. (1) The certificate of the commissioner of finance
19 to the effect that a tax has not been paid, that a motor vehicle has not
20 been registered, that a return has not been filed, or that information
21 has not been supplied pursuant to the provisions of this chapter, shall
22 be presumptive evidence thereof.

23 (2) Cross-reference: For criminal penalties, see chapter forty of this
24 title.

25 § 11-818 Information and records to be secret. a. Except in accord-
26 ance with proper judicial order, or as otherwise provided by law, it
27 shall be unlawful for the commissioner of finance, the tax appeals
28 tribunal, any other agency, officer or employee of the city, the commis-
29 sioner of motor vehicles, any officer or employee of the department of
30 motor vehicles, any agent of the commissioner of motor vehicles, or any
31 other person who, pursuant to this section, is permitted to inspect any
32 registration or return filed pursuant to this chapter, or to whom a
33 copy, an abstract or portion of any registration or return filed pursu-
34 ant to this chapter is furnished, or to whom any information contained
35 in any registration or return filed pursuant to this chapter is
36 furnished, to divulge or make known in any manner any information relat-
37 ing to or contained in any registration or any kind of return filed
38 pursuant to this chapter. The officers charged with the custody of such
39 registration and returns pertaining to the tax assessed pursuant to this
40 chapter shall not be required to produce any of them or evidence of
41 anything contained in them in any action or proceeding in any court,
42 except on behalf of the city, the commissioner of finance, the state or
43 the commissioner of motor vehicles, in an action or proceeding under the
44 provisions of this chapter, or on behalf of any party to any action or
45 proceeding under the provisions of this chapter when the registration,
46 return or facts shown therein are directly involved in such action or
47 proceeding, in either of which events, the court may require the
48 production of, and may admit in evidence, so much of said registration,
49 return, or of the facts shown therein, as are pertinent to the action or
50 proceeding and no more. The commissioner of finance may, nevertheless,
51 publish a copy or a summary of any determination or decision rendered
52 after a formal hearing held pursuant to section 11-810 or 11-811 of this
53 chapter. Nothing herein shall be construed to prohibit the delivery to a
54 person or such person's duly authorized representative of a certified
55 copy of any registration or return filed by such person; nor to prohibit
56 the delivery of any original return, with any notation that the commis-

1 sioner of finance or the commissioner of motor vehicles may cause to be
2 made thereon, to the person filing the return, whether such person files
3 the return on his or her own behalf or on behalf of another, or to the
4 person on whose behalf the return is filed; nor to prohibit the commis-
5 sioner of finance from providing by rule for the display or production
6 of any original return, as an indicium of payment of the tax imposed by
7 this chapter; nor to prohibit the publication of statistics so classi-
8 fied as to prevent the identification of particular registrations and
9 returns and the items thereof; nor to prohibit the delivery of a certi-
10 fied copy of any registration or return to the United States of America
11 or any department thereof, the state of New York or any department ther-
12 eof, the city of New York or any department thereof provided it is
13 requested for official business, nor to prohibit the inspection by the
14 corporation counsel or other legal representatives of the city, the
15 attorney general of the state of New York or other legal representatives
16 of the department of motor vehicles, or by the district attorney of any
17 county within the city of the registration or return of any person who
18 shall bring action to set aside or review any tax assessed pursuant to
19 this section, or against whom an action or proceeding under this chapter
20 is instituted. Returns, or reproductions thereof, pertaining to any
21 motor vehicle registered pursuant to this section shall be preserved for
22 three years and thereafter until the commissioner of finance or the
23 commissioner of motor vehicles permits them to be destroyed.

24 b. (1) Any officer or employee of the city or the state of New York
25 who willfully violates the provisions of subdivision a of this section
26 shall be dismissed from office and be incapable of holding any public
27 office in this city or the state of New York for a period of five years
28 thereafter.

29 (2) Cross-reference: For criminal penalties, see chapter forty of this
30 title.

31 c. This section shall be deemed a state statute for purposes of para-
32 graph (a) of subdivision two of section eighty-seven of the public offi-
33 cers law.

34 d. Notwithstanding anything in subdivision a of this section to the
35 contrary, if a taxpayer has petitioned the tax appeals tribunal for
36 administrative review as provided in section one hundred seventy of the
37 charter of the preceding municipality as it existed January first, nine-
38 teen hundred ninety-four, the commissioner of finance shall be author-
39 ized to present to the tribunal any report or return of such taxpayer,
40 or any information contained therein or relating thereto, which may be
41 material or relevant to the proceeding before the tribunal. The tax
42 appeals tribunal shall be authorized to publish a copy or a summary of
43 any decision rendered pursuant to section one hundred seventy-one of the
44 charter of the preceding municipality as it existed January first, nine-
45 teen hundred ninety-four.

46 § 11-819 Notices and limitations of time. a. Any notice authorized or
47 required under the provisions of this chapter may be given to the person
48 for whom it is intended by mailing it in a postpaid envelope addressed
49 to such person at the address given in the last registration of a motor
50 vehicle filed by such person pursuant to the provisions of this chapter,
51 or in any application made by such person, or if no such registration
52 has been filed or application made, then to such address as may be
53 obtainable. The mailing of a notice as in this subdivision provided for
54 shall be presumptive evidence of the receipt of the same by the person
55 to whom addressed. Any period of time which is determined according to
56 the provisions of this chapter by the giving of notice shall commence to

1 run from the date of mailing of such notice as in this subdivision
2 provided.

3 b. The provisions of the civil practice law and rules or any other law
4 relative to limitations of time for the enforcement of a civil remedy
5 shall not apply to any proceeding or action taken by the city to levy,
6 appraise, assess, determine or enforce the collection of any tax or
7 penalty provided by this chapter. However, except in the case of a
8 wilfully false or fraudulent registration or return with intent to evade
9 the tax, no assessment of additional tax shall be made after the expira-
10 tion of more than three years from the date of such return; provided,
11 however, that where no registration or no return has been made as
12 provided by law, the tax may be assessed at any time.

13 c. Where before the expiration of the period prescribed in this
14 section for the assessment of an additional tax, a person has consented
15 in writing that such period be extended, the amount of such additional
16 tax due may be determined at any time within such extended period. The
17 period so extended may be further extended by subsequent consents in
18 writing made before the expiration of the extended period.

19 d. If any return, claim, statement, notice, application, or other
20 document required to be filed, or any payment required to be made, with-
21 in a prescribed period or on or before a prescribed date under authority
22 of any provision of this chapter is, after such period or such date,
23 delivered by United States mail to the commissioner of finance, commis-
24 sioner of motor vehicles, the tax appeals tribunal, bureau, office,
25 officer or person with which or with whom such document is required to
26 be filed, or to which or to whom such payment is required to be made,
27 the date of the United States postmark stamped on the envelope shall be
28 deemed to be the date of delivery. This subdivision shall apply only if
29 the postmark date falls within the prescribed period or on or before the
30 prescribed date for the filing of such document, or for making the
31 payment, including any extension granted for such filing or payment, and
32 only if such document or payment was deposited in the mail, postage
33 prepaid, properly addressed to the commissioner of finance, commissioner
34 of motor vehicles, the tax appeals tribunal, bureau, office, officer or
35 person with which or with whom the document is required to be filed or
36 to which or to whom such payment is required to be made. If any document
37 is sent by United States registered mail, such registration shall be
38 prima facie evidence that such document was delivered to the commis-
39 sioner of finance, commissioner of motor vehicles, the tax appeals tribunal,
40 bureau, office, officer or person to which or to whom addressed, and the
41 date of registration shall be deemed the postmark date. The commissioner
42 of finance or, where relevant, the tax appeals tribunal is authorized to
43 provide by regulation the extent to which the provisions of this subdivi-
44 sion with respect to prima facie evidence of delivery and the postmark
45 date shall apply to certified mail. Except as provided in subdivision f
46 of this section, this subdivision shall apply in the case of postmarks
47 not made by the United States postal service only if and to the extent
48 provided by rule of the commissioner of finance or, where relevant, the
49 tax appeals tribunal.

50 e. When the last day prescribed under authority of this chapter,
51 including any extension of time, for performing any act falls on a
52 Saturday, Sunday or legal holiday in the state of New York, the perform-
53 ance of such act shall be considered timely if it is performed on the
54 next succeeding day which is not a Saturday, Sunday or legal holiday.

55 f. (1) Any reference in subdivision d of this section to the United
56 States mail shall be treated as including a reference to any delivery

1 service designated by the secretary of the treasury of the United States
2 pursuant to section seventy-five hundred two of the internal revenue
3 code and any reference in subdivision d of this section to a United
4 States postmark shall be treated as including a reference to any date
5 recorded or marked in the manner described in section seventy-five
6 hundred two of the internal revenue code by a designated delivery
7 service. If the commissioner of finance finds that any delivery service
8 designated by such secretary is inadequate for the needs of the city,
9 the commissioner of finance may withdraw such designation for purposes
10 of this title. The commissioner of finance may also designate additional
11 delivery services meeting the criteria of section seventy-five hundred
12 two of the internal revenue code for purposes of this title, or may
13 withdraw any such designation if the commissioner of finance finds that
14 a delivery service so designated is inadequate for the needs of the
15 city. Any reference in subdivision d of this section to the United
16 States mail shall be treated as including a reference to any delivery
17 service designated by the commissioner of finance and any reference in
18 subdivision d of this section to a United States postmark shall be
19 treated as including a reference to any date recorded or marked in the
20 manner described in section seventy-five hundred two of the internal
21 revenue code by a delivery service designated by the commissioner of
22 finance. Notwithstanding the provisions of this paragraph, any with-
23 drawal of designation or additional designation by the commissioner of
24 finance shall not be effective for purposes of service upon the tax
25 appeals tribunal, unless and until such withdrawal of designation or
26 additional designation is ratified by the president of the tax appeals
27 tribunal.

28 (2) Any equivalent of registered or certified mail designated by the
29 United States secretary of the treasury, or as may be designated by the
30 commissioner of finance pursuant to the same criteria used by such
31 secretary for such designations pursuant to section seventy-five hundred
32 two of the internal revenue code, shall be included within the meaning
33 of registered or certified mail as used in subdivision d of this
34 section. If the commissioner of finance finds that any equivalent of
35 registered or certified mail designated by such secretary or the commis-
36 sioner of finance is inadequate for the needs of the city, the commis-
37 sioner of finance may withdraw such designation for purposes of this
38 title. Notwithstanding the provisions of this paragraph, any withdrawal
39 of designation or additional designation by the commissioner of finance
40 shall not be effective for purposes of service upon the tax appeals
41 tribunal, unless and until such withdrawal of designation or additional
42 designation is ratified by the president of the tax appeals tribunal.

43 § 11-820 Construction and enforcement. This chapter shall be
44 construed and enforced in conformity with chapter one thousand thirty-
45 two of the laws of nineteen hundred sixty, pursuant to which it is
46 enacted.

22 to all other powers granted to the commissioner of finance under this
23 chapter, the commissioner is hereby authorized and empowered:

24 1. To make, adopt and amend rules and regulations appropriate to the
25 carrying out of this chapter and the purposes thereof.

26 2. To compromise disputed claims in connection with taxes hereby
27 imposed.

28 3. To delegate his or her functions hereunder to any officer or

30 4. To prescribe reasonable methods, approved by the New York state
31 superintendent of insurance, for determining the amounts of premiums

33 5. To require any foreign or alien insurer subject to the tax to keep

37 6. To assess, determine, revise and adjust the tax imposed under this
38 chapter.

39 7. To audit the reports of any insurer.

40 8. To allow an extension of time not in excess of thirty days for

42 the taxpayer requests such extension in writing prior to the date
43 prescribed for such filing and such payment by sections 11-904 and
44 11-903 of this chapter.

45 § 11-903 Tax on premiums on policies of foreign and alien insurers.
46 There shall be paid to the department of finance for the use and benefit
47 of the fire department of the city, on or before the first day of March,
48 in each year by every foreign and alien fire insurance corporation,
49 association or individuals which insure property against loss or damage
50 by fire, the sum of two percent of all gross direct premiums less return
51 premiums which, during the year ending on the preceding thirty-first day
52 of December, shall have been received by any such insurer for any insur-
53 ance against loss or damage by fire in the city. Any such insurer which
54 in any year shall cease or terminate doing business in the city shall
55 pay the tax for such year within thirty days after such cessation or
56 termination.

1 § 11-904 Report of premiums by insurers. Each insurer required to pay
2 a tax under this chapter shall, at the time such tax is paid or payable,
3 whichever is sooner, render to the commissioner of finance a verified
4 report setting forth such information as may be required by the commis-
5 sioner for the determination of the tax and the proper administration of
6 this chapter. The commissioner of finance shall prescribe the form and
7 furnish the necessary forms to enable such insurers to make such
8 reports. The commissioner or the commissioner's designated represen-
9 tative or the tax appeals tribunal or its designated representative
10 shall have power to examine any such insurer under oath and to require
11 the production by such insurer of all books and papers as the commis-
12 sioner or the tax appeals tribunal may deem necessary. All expenses of
13 collecting such tax shall be paid by the commissioner of finance from
14 the funds received under this chapter prior to the distribution thereof
15 as hereinafter authorized.

16 § 11-905 Interest and penalties. (a) Interest on underpayments. If any
17 amount of tax is not paid on or before the last date prescribed for
18 payment, without regard to any extension of time granted for payment,
19 interest on such amount at the underpayment rate set by the commissioner
20 of finance pursuant to subdivision (g) of this section, or, if no rate
21 is set, at the rate of seven and one-half percent per annum, shall be
22 paid for the period from such last date to the date of payment. In
23 computing the amount of interest to be paid, such interest shall be
24 compounded daily. Interest under this subdivision shall not be paid if
25 the amount thereof is less than one dollar.

26 (b) (1) Failure to file return. (A) In case of failure to file a
27 return under this chapter on or before the prescribed date, determined
28 with regard to any extension of time for filing, unless it is shown that
29 such failure is due to reasonable cause and not due to willful neglect,
30 there shall be added to the amount required to be shown as tax on such
31 return five percent of the amount of such tax if the failure is for not
32 more than one month, with an additional five percent for each additional
33 month or fraction thereof during which such failure continues, not
34 exceeding twenty-five percent in the aggregate.

35 (B) In the case of a failure to file a return of tax within sixty days
36 of the date prescribed for filing of such return, determined with regard
37 to any extension of time for filing, unless it is shown that such fail-
38 ure is due to reasonable cause and not due to willful neglect, the addi-
39 tion to tax under subparagraph (A) of this paragraph shall not be less
40 than the lesser of one hundred dollars or one hundred percent of the
41 amount required to be shown as tax on such return.

42 (C) For purposes of this paragraph, the amount of tax required to be
43 shown on the return shall be reduced by the amount of any part of the
44 tax which is paid on or before the date prescribed for payment of the
45 tax and by the amount of any credit against the tax which may be claimed
46 upon the return.

47 (2) Failure to pay tax shown on return. In case of failure to pay the
48 amount shown as tax on a return required to be filed under this chapter
49 on or before the prescribed date, determined with regard to any exten-
50 sion of time for payment, unless it is shown that such failure is due to
51 reasonable cause and not due to willful neglect, there shall be added to
52 the amount shown as tax on such return one-half of one percent of the
53 amount of such tax if the failure is not for more than one month, with
54 an additional one-half of one percent for each additional month or frac-
55 tion thereof during which such failure continues, not exceeding twenty-
56 five percent in the aggregate. For the purpose of computing the addition

1 for any month the amount of tax shown on the return shall be reduced by
2 the amount of any part of the tax which is paid on or before the begin-
3 ning of such month and by the amount of any credit against the tax which
4 may be claimed upon the return. If the amount of tax required to be
5 shown on a return is less than the amount shown as tax on such return,
6 this paragraph shall be applied by substituting such lower amount.

7 (3) Failure to pay tax required to be shown on return. In case of
8 failure to pay any amount in respect of any tax required to be shown on
9 a return required to be filed under this chapter which is not so shown,
10 including a determination made pursuant to section 11-906 of this chap-
11 ter, within ten days of the date of a notice and demand therefor, unless
12 it is shown that such failure is due to reasonable cause and not due to
13 willful neglect, there shall be added to the amount of tax stated in
14 such notice and demand one-half of one percent of such tax if the fail-
15 ure is not for more than one month, with an additional one-half of one
16 percent for each additional month or fraction thereof during which such
17 failure continues, not exceeding twenty-five percent in the aggregate.
18 For the purpose of computing the addition for any month, the amount of
19 tax stated in the notice and demand shall be reduced by the amount of
20 any part of the tax which is paid before the beginning of such month.

21 (4) Limitations on additions.

22 (A) With respect to any return, the amount of the addition under para-
23 graph one of this subdivision shall be reduced by the amount of the
24 addition under paragraph two of this subdivision for any month to which
25 an addition applies under both paragraphs one and two of this subdivi-
26 sion. In any case described in subparagraph (B) of paragraph one of
27 this subdivision, the amount of the addition under such paragraph one
28 shall not be reduced below the amount provided in such subparagraph.

29 (B) With respect to any return, the maximum amount of the addition
30 permitted under paragraph three of this subdivision shall be reduced by
31 the amount of the addition under paragraph one of this subdivision,
32 determined without regard to subparagraph (B) of such paragraph one
33 which is attributable to the tax for which the notice and demand is made
34 and which is not paid within ten days of such notice and demand.

35 (c) Underpayment due to negligence. (1) If any part of an underpayment
36 of tax is due to negligence or intentional disregard of this chapter or
37 any rules and regulations hereunder, but without intent to defraud,
38 there shall be added to the tax a penalty equal to five percent of the
39 underpayment.

40 (2) There shall be added to the tax, in addition to the amount deter-
41 mined under paragraph one of this subdivision an amount equal to fifty
42 percent of the interest payable under subdivision (a) of this section
43 with respect to the portion of the underpayment described in such para-
44 graph one which is attributable to the negligence or intentional disre-
45 gard referred to in such paragraph one, for the period beginning on the
46 last date prescribed by law for payment of such underpayment, determined
47 without regard to any extension, and ending on the date of the assess-
48 ment of the tax, or, if earlier, the date of the payment of the tax.

49 (d) Underpayment due to fraud. (1) If any part of an underpayment of

32 effective and shall apply only with respect to interest computed or
33 computable for periods or portions of periods occurring in the period in
34 which such rates are in effect.

20 wilfully false or fraudulent report, no assessment of additional tax,
21 interest or penalty shall be made after the expiration of more than
22 three years from the date of the filing of a report, provided, however,
23 that where no report has been filed as provided by law the tax may be

12 article seventy-eight of the civil practice law and rules if such
13 proceeding is commenced by the person against whom the tax was assessed
14 within four months after the giving of the notice of such tax appeals
15 tribunal decision. Such proceeding shall not be commenced by the taxpay-
16 er unless: (1) the amount of any tax assessed and sought to be reviewed
17 with penalties and interest thereon, if any, shall be first deposited
18 with the commissioner of finance and there shall be filed with the
19 commissioner of finance an undertaking in such amount and with such
20 sureties as a justice of the supreme court shall approve, to the effect
21 that if such proceeding be dismissed or the decision confirmed, the
22 taxpayer will pay all costs and charges which may accrue against the
23 taxpayer in the prosecution of the proceeding, or (2) in the case of a
24 review of a decision assessing any taxes, penalties and interest, at the
25 option of the taxpayer, such undertaking may be in a sum sufficient to
26 cover all of the taxes, penalties and interest assessed by such decision
27 plus the costs and charges which may accrue against the taxpayer in the
28 prosecution of the proceeding, in which event the taxpayer shall not be
29 required to deposit such taxes, penalties and interest as a condition

50 change or termination. Any insurer who fails or neglects to make such
51 report within the time limited therefor shall be subject to a penalty of
52 one hundred dollars and, in addition thereto, fifty dollars for each
53 month or part thereof during which such report is not made. The total
54 of such penalties shall not exceed one thousand dollars.

55 § 11-908 Suits for violations. The tax provided to be paid by this

18 be administered as provided by the fire commissioner, as trustee of such
19 fund, for the benefit of indigent volunteer firefighters, their surviv-
20 ing spouses and orphans.

21 b. Persons entitled to benefits from fund. All funds received by the
22 fire commissioner as trustee under this paragraph shall be expended by
23 the fire commissioner for the relief of:

24 (i) all indigent volunteer firefighters who served as such for a peri-

47 borough a report on such person's service and indigency. Such report
48 shall be solely for the information of the fire commissioner and shall
49 not be binding upon the fire commissioner in arriving at a determination
50 as to eligibility. In the event that such report is not submitted within
51 ten days from the date of request, the fire commissioner shall determine
52 eligibility on the basis of the facts developed in the fire commis-
53 sioner's own investigation.

54 g. Excess moneys. In the event that the benefits paid by the fire

6 state of New York, or an agricultural co-operative organized under the
7 authority of the federal government.

8 4. That the premises are occupied by the state of New York, or any
9 public corporation, including a public corporation created pursuant to
10 agreement or compact with another state or the dominion of Canada,
11 improvement district or other political subdivision of the state where
12 it is the purchaser, user or consumer.

13 5. That the premises are occupied by the United Nations or other
14 world-wide international organizations of which the United States of
15 America is a member.

16 6. That the premises are occupied by a corporation, or association, or
17 trust, or community chest, fund or foundation, organized and operated
18 exclusively for religious, charitable, or educational purposes, or for
19 the prevention of cruelty to children or animals, no part of the net
20 earnings of which inures to the benefit of any private shareholder or
21 individual, and no substantial part of the activities of which is carry-
22 ing on propaganda, or otherwise attempting to influence legislation;
23 provided, however, that nothing in this subdivision shall include an
24 organization operated for the primary purpose of carrying on a trade or
25 business for profit, whether or not all of its profits are payable to
26 one or more organizations described in this subdivision.

27 7. That the premises are occupied by the United States of America
28 under circumstances which make the premises immune from taxation.

29 § 11-1007 Returns; payment of taxes. On or before the twentieth day
30 of June in each year, every person subject to a tax hereunder, shall
31 file a return with the commissioner of finance on the form to be
32 furnished by the commissioner of finance. At the time of filing such
33 return each person shall pay to the commissioner of finance the tax
34 imposed pursuant to this chapter. Such tax shall be due and payable
35 annually upon the twentieth day of June, whether or not a return is
36 filed.

37 § 11-1008 Presumption and burden of proof. It shall be presumed that
38 the occupant of any premises is subject to the tax until the contrary is
39 established, and the burden of proving that any occupation of premises
40 is exempt from taxation shall be upon such occupant.

41 § 11-1009 Determination of tax by the commissioner of finance. a. If
42 a return required by this chapter is not filed, or if a return when
43 filed is incorrect or insufficient and the maker fails to file a
44 corrected or sufficient return within twenty days after it is required
45 by a notice from the commissioner of finance, the commissioner of
46 finance shall tentatively determine the amount of tax due from such
47 information as he or she may be able to obtain and, if necessary, may
48 estimate the tax on the basis of external indices. The commissioner of
49 finance shall give notice of the amount so fixed to the person liable
50 for the tax. Unless the person against whom the tax is assessed shall
51 within fifteen days after the giving of such notice apply in writing to
52 the commissioner of finance for a hearing to correct such assessment,
53 such notice shall constitute a final and irrevocable determination of
54 the tax. After such hearing the commissioner of finance shall give
55 notice of his or her decision to the person liable for the tax.

1 b. Such determination and the decision of the commissioner of finance
2 upon any application to correct may be reviewed for error, illegality or
3 unconstitutionality or for any reason whatsoever by a proceeding under
4 article seventy-eight of the civil practice law and rules in the nature
5 of a certiorari proceeding if application therefor is made to the
6 supreme court within thirty days after the giving of notice thereof.
7 Whenever under this chapter a proceeding to review is instituted, it
8 shall not be allowed unless the amount of any tax sought to be reviewed,
9 with penalties thereon, if any, shall be first deposited with the
10 commissioner of finance, and an undertaking filed with the commissioner
11 of finance, in such amount and with such sureties as a justice of the
12 supreme court shall approve, to the effect that if such proceeding be
13 dismissed or the tax confirmed, such person will pay all costs and
14 charges which may accrue in the prosecution of such proceeding.

15 § 11-1010 Refunds. The commissioner of finance shall refund any tax
16 erroneously, illegally or unconstitutionally collected by or paid to him
17 or her, under protest in writing, stating in detail the ground or
18 grounds of the protest, if application therefor shall be made to the
19 commissioner of finance within one year from the payment thereof. For
20 like cause and within the same period a refund may be made on the initi-
21 ative of the commissioner of finance. Whenever a refund is made the
22 commissioner of finance shall state his or her reasons therefor in writ-
23 ing. A person shall not be entitled to a hearing in connection with any
24 application for a refund if he or she has already been given the oppor-
25 tunity of a hearing as provided in section 11-1009 of this chapter. No
26 refund shall be made of a tax or penalty paid pursuant to a determi-
27 nation of the commissioner of finance as provided in section 11-1009 of
28 this chapter, unless the commissioner of finance, after a hearing as in
29 said section provided, or of his or her own motion, shall have reduced
30 the tax or penalty, or it shall have been established in a proceeding
31 under article seventy-eight of the civil practice law and rules that
32 such determination was erroneous, illegal, unconstitutional, or other-
33 wise improper, in which event a refund with interest shall be made as
34 provided upon the determination of such proceeding. An application for
35 a refund made as provided in this chapter shall be deemed an application
36 for a revision of any tax or penalty complained of and the commissioner
37 of finance may receive evidence with respect thereto. After making his
38 or her determination the commissioner of finance shall give notice ther-
39 eof to the person interested who shall be entitled to review such deter-
40 mination by a proceeding under article seventy-eight of the civil prac-
41 tice law and rules if application to the supreme court be made therefor
42 within thirty days after such determination and an undertaking shall
43 first be filed with the commissioner of finance in such amount and with
44 such sureties as a justice of the supreme court shall approve, to the
45 effect that if such order be dismissed or the tax confirmed, the appli-
46 cant for the order will pay all costs and charges which may accrue in
47 the prosecution of the certiorari proceeding.

48 § 11-1011 Remedies exclusive. The remedies provided by section
49 11-1009 of this chapter shall be the exclusive remedies available to any
50 person for the review of tax liability imposed by this chapter; and no
51 determination of tax or determination on an application for refund shall
52 be enjoined or reviewed by an action for declaratory judgment, an action
53 for money had and received or by any legal or equitable action or
54 proceeding other than one under article seventy-eight of the civil prac-
55 tice law and rules.

1 § 11-1012 Reserves. In cases where the taxpayer has paid any tax
2 under written protest stating in detail the ground or grounds therefor,
3 or has applied for a refund and an order under article seventy-eight of
4 the civil practice law and rules to review a determination adverse to
5 the taxpayer on the taxpayer's application for refund, or has deposited
6 the amount of tax assessed in connection with a proceeding under section
7 11-1009 of this chapter the commissioner of finance shall set up appro-
8 priate reserves to meet any decision adverse to the city.

9 § 11-1013 Proceeding to recover tax. a. The commissioner of finance
10 may issue a warrant directed to any officer or employee of the depart-
11 ment of finance commanding him or her to levy upon and sell the real and
12 personal property of the person from whom the tax is due for the payment
13 of the amount thereof, with penalties, and the cost of executing the
14 warrants, and to return such warrant to the commissioner of finance and
15 to pay to him or her the money collected by virtue thereof, and in the
16 execution thereof such officer or employee shall have all the powers
17 conferred by law upon sheriffs, but he or she shall be entitled to no
18 fee or compensation in excess of the actual expenses paid in the
19 performance of such duty. If a warrant is returned not satisfied in
20 full, the commissioner of finance may from time to time issue new
21 warrants and shall also have the same remedies to enforce the amount due
22 pursuant to this section as if the city had recovered judgment therefor
23 and the execution thereon had been returned not satisfied. A copy of
24 any warrant issued may be filed with the county clerk in Richmond county
25 and thereupon such clerk shall enter in the judgment docket the name of
26 the person mentioned in the warrant and the amount of the tax and penal-
27 ty for which the warrant is issued and the date when such copy is filed.
28 Thereupon the amount of such warrant so docketed shall become a lien
29 upon the title to and interest in the real and personal property of the
30 person against whom the warrant is issued.

31 b. As an additional or alternate remedy the commissioner of finance
32 may request the corporation counsel to bring an action in the name of
33 the city to enforce payment of a tax or penalty which any person has
34 failed to pay.

35 c. The commissioner of finance, if he or she finds that the interests
36 of the city will not thereby be jeopardized, and upon such conditions as
37 the commissioner of finance may require, may release any property from
38 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
39 tions to tax, penalties and interest filed pursuant to subdivision a of
40 this section, and such release or vacating of the warrant may be
41 recorded in the office of any recording officer in which such warrant
42 has been filed. The clerk shall thereupon cancel and discharge as of the
43 original date of docketing the vacated warrant.

44 § 11-1014 Notices and limitation of time. a. Any notice authorized or
45 required under the provisions of this chapter may be given by mailing
46 the same to the person for whom it is intended in a post paid envelope
47 addressed to such person at the address given in the return filed by
48 such person pursuant to the provisions of this chapter or if no return
49 has been filed then to such address as may be obtainable. The mailing
50 of such notice shall be presumptive evidence of the receipt of the same
51 by the person to whom addressed. Any period of time which is determined
52 according to the provisions of this chapter by the giving of notice
53 shall commence to run from the date of mailing of such notice.

54 b. The provisions of the civil practice law and rules relative to
55 limitations of time for the enforcement of a civil remedy shall not
56 apply to any proceeding or action by the city taken to levy, appraise,

1 assess, determine or enforce the collection of any tax or penalty
2 provided by this chapter.

3 § 11-1015 Penalties and interest. a. Any person failing to file a
4 return or corrected return or to pay any tax or any portion thereof that
5 may be required by this chapter shall be subject to a penalty of five
6 times the amount of the tax due, plus five per centum of such tax for
7 each month of delay or fraction thereof, but the commissioner of
8 finance, if satisfied that the delay was excusable, may remit all or any
9 part of such penalty, but not interest. Penalties shall be paid to the
10 commissioner of finance and disposed of in the manner as other receipts
11 under this chapter. Unpaid penalties may be enforced in the same manner
12 as the tax imposed by this chapter.

13 b. Any person filing or causing to be filed any return, certificate,
14 affidavit or statement required or authorized by this chapter, which is
15 wilfully false and any person who shall fail to file a return or to
16 furnish a statement or other information as required under this chapter,
17 shall be guilty of a misdemeanor, punishment for which shall be a fine
18 of not more than one thousand dollars or imprisonment for not more than
19 one year, or both such fine and imprisonment.

20 A certificate of the commissioner of finance to the effect that a tax
21 has not been paid, that a return has not been filed, or that information
22 has not been supplied pursuant to the provisions of this chapter, shall
23 be prima facie evidence thereof.

24 § 11-1016 General powers of the commissioner of finance. In the
25 administration of this chapter, the commissioner of finance is author-
26 ized to:

27 1. Make and publish reasonable rules and regulations as may be neces-
28 sary for the exercise of the commissioner's powers and the performance
29 of the commissioner's duties under this chapter.

30 2. Assess the tax authorized to be imposed under this chapter.

31 3. Subpoena and require the attendance of witnesses and the production
32 of books, papers and other documents, and to take testimony and proofs,
33 under oath, with reference to any matter within the line of the commis-
34 sioner's official duty under this chapter.

35 4. Delegate the commissioner's functions hereunder to a deputy commis-
36 sioner of finance or other employee or employees of the department of
37 finance.

38 5. Prescribe methods for determining the rental values of premises,
39 the occupant of which is taxable pursuant to the provisions of this
40 chapter.

41 6. Require any person who receives or is entitled to receive a consid-
42 eration for the occupation of premises to furnish a statement to the
43 commissioner of finance, upon his or her request, containing information
44 as to the name of each occupant and rental value of each for the occupa-
45 tion of such premises.

46 7. Nothing contained in section 11-1017 of this chapter or in any
47 other provision of this chapter shall be construed to limit the authori-
48 ty of the commissioner of finance, hereby authorized, to furnish any
49 information, whether or not contained in a return, to the tax commission
50 or any other agency or department of the state of New York, or to the
51 treasury department of the United States, or to any agency of the city
52 of Staten Island, or to the district attorney of Richmond county.

53 8. To extend, for cause shown, the time for filing any return for a
54 period not exceeding twenty days.

55 § 11-1017 Returns to be secret. Except in accordance with judicial
56 order, or upon subpoena issued by a court of competent jurisdiction, it

1 shall be unlawful for the commissioner of finance or any officer or
2 employee of the city to divulge or make known in any manner, any infor-
3 mation contained in any return required under this chapter. Nothing in
4 this section shall be construed to prohibit the delivery to a taxpayer
5 of a certified copy of any return filed by the taxpayer, nor to prohibit
6 the publication of statistics so classified as to prevent the identifi-
7 cation of particular returns, or the inspection by the corporation coun-
8 sel of the return to any taxpayer who shall bring action or proceeding
9 to set aside or review the tax based thereon, or against whom an action
10 or proceeding has been instituted or is contemplated for the collection
11 of a tax or penalty. Returns shall be preserved for three years and
12 thereafter until the commissioner of finance orders them to be
13 destroyed.

14 § 11-1018 Disposition of revenue. All revenues and moneys heretofore
15 or hereafter collected resulting from the imposition of taxes and penal-
16 ties imposed by this chapter shall be deposited in the city treasury,
17 and credited to a separate account. During each fiscal year, an amount
18 not in excess of the amount of the subsidies to be made, and the amount
19 of indebtedness incurred for low rent or slum clearance projects to be
20 paid, during such fiscal year shall be charged to such account and cred-
21 ited to the general fund. No other payments shall be charged to such an
22 account. The mayor may contract to make capital or periodic subsidies
23 to the city housing authority in aid of a low rent project, or may incur
24 indebtedness for a low rent slum clearance project, but such periodic
25 subsidies shall not be contracted for a period longer than the life of
26 such project and in no event for more than fifty years. If the amount
27 of any such periodic subsidy shall be equal to or greater than the
28 interest on and the amounts required annually for the payment of the
29 indebtedness contracted by the authority on account of such project in
30 each year, such contract shall constitute a guarantee of the principal
31 of and the interest on such indebtedness, and such contract and the
32 payments thereunder may be pledged by the authority as security in addi-
33 tion to all other security which the authority may give for such bonds.
34 No such contract or periodic subsidies shall be made until the plan for
35 such project shall have been approved in the manner provided by the
36 public housing law.

37 § 11-1019 Application; construction. If any provision of this chapter
38 shall be adjudged by any court of competent jurisdiction to be invalid,
39 such judgment shall not affect, impair or invalidate the remainder ther-
40 eof, but shall be confined in its operation to the provision directly
41 involved in the controversy in which such judgment shall have been
42 rendered. This chapter shall be construed in conformity with the public
43 housing law.

26 24. "Reseller." A provider who purchases telecommunications services
27 from another telecommunications service provider and then resells, uses
28 as a component part of, or integrates the purchased services into a
29 mobile telecommunications service. The term reseller does not include a

31 services to its customers outside the home service provider's licensed
32 service area.

33 25. "Serving carrier." A facilities-based carrier providing mobile

40 corporation for industrial, commercial, or residential heating or cool-
41 ing purposes; or (ii) a cogeneration facility, as defined in clause (i)
42 of this subparagraph, that has been replaced by any other facility used
43 to generate electricity and steam or other forms of useful energy, such

55 § 11-1102 Imposition of excise tax. a. Notwithstanding any other
56 provisions of law to the contrary, for the privilege of exercising its

1 franchise or franchises, or of holding property, or of doing business in
2 the city, on or after August first, nineteen hundred sixty-five, every
3 utility shall pay to the commissioner of finance an excise tax which
4 shall be equal to two per centum of its gross income until and including
5 December thirty-first, nineteen hundred sixty-five, and shall be equal
6 to two and thirty-five hundredths per centum thereafter, except that the
7 rate as to persons engaged in the business of operating omnibuses with a
8 carrying capacity of more than seven persons shall be one per centum
9 until and including December thirty-first, nineteen hundred sixty-five,
10 and one and seventeen hundredths per centum thereafter, and except that
11 as to persons engaged in the business of operating or leasing sleeping
12 and parlor railroad cars or of operating railroads other than street
13 surface, rapid transit, subway and elevated railroads, the rate shall be
14 three per centum until and including December thirty-first, nineteen
15 hundred sixty-five, and three and fifty-two one hundredths per centum
16 thereafter, and every vendor of utility services in the city shall pay
17 to the commissioner of finance an excise tax which shall be equal to two
18 per centum of its gross operating income until and including December
19 thirty-first, nineteen hundred sixty-five, and shall be equal to two and
20 thirty-five one hundredths per centum thereafter, except that as to
21 persons engaged in the business of operating omnibuses with a carrying
22 capacity of more than seven persons other than omnibuses used exclu-
23 sively for the transportation of children to and from schools operated
24 under contracts made pursuant to the provisions of the education law,
25 and not subject to the jurisdiction of the department of public service,
26 the rate shall be one per centum of its gross operating income until and
27 including December thirty-first, nineteen hundred sixty-five, and one
28 and seventeen hundredths per centum thereafter. Such tax shall be in
29 addition to any and all other taxes, charges and fees imposed by any
30 other provision of law and shall be paid at the time and in the manner
31 provided in this section, but any person to the extent that it is
32 subject to tax pursuant to this section shall not be liable to any tax
33 under any other of the local laws of the preceding municipality as it
34 existed January first, nineteen hundred ninety-four enacted pursuant to
35 chapter ninety-three of the laws of nineteen hundred sixty-five as
36 amended, or the former article two-b of the general city law, with
37 respect to its gross income or gross operating income taxed pursuant to
38 this section, as the case may be.

39 b. So much of the gross income of a utility shall be excluded from the
40 measure of the tax imposed by this chapter, as is derived from sales for
41 resale to vendors of utility services validly subject to the tax imposed
42 by this chapter, except to the extent that such gross income is derived
43 from sales of gas, electricity, steam, water or refrigeration or sales
44 or rendering of gas, electric, steam, water or refrigeration service to
45 a vendor of utility services for resale to its tenants as an incident to
46 such vendor's activity of renting premises to tenants.

47 c. For the purpose of proper administration of this chapter and to
48 prevent evasion of the tax imposed by this section, it shall be presumed
49 that the gross income or gross operating income of any person taxable
50 pursuant to this section is taxable and is derived from business
51 conducted wholly within the territorial limits of the city until the
52 contrary is established, and the burden of proving that any part of its
53 gross income or gross operating income is not so derived shall be upon
54 such person. Notwithstanding anything to the contrary in this subdivi-
55 sion or in any provision of section twenty-b of the general city law or
56 any other provision of law, for taxable periods beginning on or after

1 August first, two thousand two, gross income and gross operating income
2 derived from the provision of mobile telecommunications services shall
3 be deemed to be derived from business conducted wholly within the terri-
4 torial limits of the city where the place of primary use of the mobile
5 telecommunications services is within the territorial limits of the
6 city.

7 d. The tax imposed by this chapter shall be inapplicable to the gross
8 income received by a limited fare omnibus company until and including
9 August thirty-first, nineteen hundred eighty. Thereafter, such tax shall
10 be applicable to such gross income received as follows: (1) for gross
11 income received from commuter service from September first, nineteen
12 hundred eighty until and including December thirty-first, nineteen
13 hundred eighty-three, the rate of tax shall be one hundredth of one per
14 centum; (2) for gross income received from commuter service from January
15 first, nineteen hundred eighty-four and thereafter, the rate of tax
16 shall be one tenth of one per centum; and (3) for gross income received
17 from all other sources, the rate of tax shall be as provided in subdivi-
18 sion a of this section.

19 e. The gross operating income of a vendor of utility services derived
20 from sales to its tenants of gas, electricity, steam, water, or refrig-
21 eration or sales or rendering to its tenants of gas, electric, steam,
22 water or refrigeration service, as an incident to such vendor's activity
23 of renting premises to tenants, shall be excluded from the measure of
24 the tax imposed by this chapter, but, with regard to sales to its
25 tenants of gas, electricity, or steam or sales or rendering to its
26 tenants of gas, electric or steam service, only to the extent that the
27 tax imposed by this chapter has been validly paid or accrued with
28 respect to a prior sale of such gas, electricity or steam or sale or
29 rendering of gas, electric or steam service.

30 f. (1) Notwithstanding anything contained in this chapter to the
31 contrary, for taxable periods beginning on or after August first, two
32 thousand two, if a partnership is subject to the tax imposed by this
33 chapter as a utility or as a vendor of utility services, no person who
34 is a partner in such a partnership shall be subject to the tax imposed
35 by this chapter on such partner's distributive share of the gross income
36 or gross operating income of such partnership.

37 (2) If a person is a partner in a partnership subject to the tax
38 imposed by this chapter and that person is separately subject to the
39 supervision of the state department of public service or is a utility or
40 a vendor of utility services based on its activities exclusive of any
41 activities of such partnership, for taxable periods beginning on or
42 after August first, two thousand two, such person shall be subject to
43 the tax imposed by this chapter only on its separate gross income or
44 separate gross operating income, which shall not include such person's
45 distributive share of the gross income or gross operating income of such
46 partnership.

47 (3) For purposes of this subdivision, the term "partner" shall include
48 a person who receives a distributive share of the gross income or gross
49 operating income, directly or indirectly through one or more tiers of
50 partnerships, of a partnership subject to the tax imposed by this chap-
51 ter.

52 g. Notwithstanding anything else contained in this chapter to the
53 contrary, for the taxable periods beginning on or after January first,
54 two thousand six, if a cooperative corporation containing at least
55 fifteen hundred apartments furnishes or sells electricity, steam,
56 refrigeration or water, or furnishes or sells electric, steam, refriger-

1 ation or water services that are (i) metered, (ii) generated or produced
2 by a cogeneration facility owned or operated by such cooperative corpo-
3 ration, and (iii) such electricity, steam, refrigeration or water and/or
4 electric, steam, refrigeration or water services are distributed to
5 tenants and/or occupants of a cooperative corporation, then such cooper-
6 ative corporation shall pay to the commissioner of finance an excise tax
7 which shall be equal to zero per centum of its gross income or its gross
8 operating income, as the case may be.

9 § 11-1103 Records to be kept. Every person subject to tax pursuant to
10 this chapter shall keep records of its business and in such form as the
11 commissioner of finance may by regulation require. Such records shall
12 be offered for inspection and examination at any time upon demand by
13 such commissioner or his or her duly authorized agent or employee and
14 shall be preserved for a period of three years, except that the commis-
15 sioner of finance may consent to their destruction within that period or
16 may require that they be kept longer.

17 § 11-1104 Returns; requirements as to. a. Except as otherwise
18 provided in subdivision e of this section with respect to taxable peri-
19 ods beginning after nineteen hundred ninety-eight, on or before the
20 twenty-fifth day of September, nineteen hundred sixty-five, and on or
21 before the twenty-fifth day of every month thereafter, every person
22 subject to tax pursuant to this chapter shall file a return with the
23 commissioner of finance on a form to be prescribed by such commissioner.
24 Such return shall state the gross income or gross operating income as
25 the case may be for the preceding calendar month, and shall contain any
26 other data, information or other matter which the commissioner of
27 finance may require to be included therein. The commissioner of finance
28 may require at any further time a supplemental return, which shall
29 contain any data upon such matters as such commissioner may specify.
30 Notwithstanding the provisions of this subdivision and notwithstanding
31 the provisions of subdivision e of this section, a vendor of utility
32 services, all of whose gross operating income is excluded from the meas-
33 ure of the tax imposed by this chapter pursuant to subdivision e of
34 section 11-1102 of this chapter during any taxable period, shall not be
35 required to file a return for such taxable period, provided, however,
36 that on or before the first day of September of each year, any such
37 vendor of utility services who was not required to file a return for any
38 taxable period during the period covered by the statement required to be
39 filed by such date pursuant to subdivision a of section 11-208.1 of this
40 title shall file an information return covering such period in such form
41 and containing such information as the commissioner of finance may spec-
42 ify.

43 b. The commissioner of finance may require amended returns to be filed
44 within twenty days after notice and to contain the information specified
45 in the notice.

46 c. If a return required by this chapter is not filed or if a return
47 when filed is incorrect or insufficient on its face, the commissioner of
48 finance shall take the necessary steps to enforce the filing of such
49 return or of a corrected return.

50 d. Where the state tax commission changes or corrects a taxpayer's
51 sales and compensating use tax liability with respect to the purchase or
52 use of items for which a sales or compensating use tax credit against
53 the tax imposed by this chapter was claimed, the taxpayer shall report
54 such change or correction to the commissioner of finance within ninety
55 days of the final determination of such change or correction, or as
56 required by the commissioner of finance, and shall concede the accuracy

1 of such determination or state wherein it is erroneous. Any taxpayer
2 filing an amended return or report with the state tax commission relat-
3 ing to the purchase or use of such items shall also file within ninety
4 days thereafter a copy of such amended return or report with the commis-
5 sioner of finance.

6 e. With respect to taxable periods beginning after nineteen hundred
7 ninety-eight, notwithstanding the provisions of subdivision a of this
8 section, if the amount of tax imposed pursuant to this section on any
9 person in the base year does not exceed one hundred thousand dollars,
10 the taxable period for which such person is required to file a return is
11 the semiannual period described in paragraph i of subdivision fourteen
12 of section 11-1101 of this chapter, and such person shall file a return
13 for each semiannual period of the first calendar year beginning after
14 the base year on or before the twenty-fifth day of the month following
15 the end of each such taxable period. Such return shall be filed with the
16 commissioner of finance on a form to be prescribed by such commissioner.

17 Such return shall state the gross income or gross operating income as
18 the case may be for the preceding taxable period and shall contain any
19 other data, information or other matter which the commissioner of
20 finance may require to be included therein. The commissioner of finance
21 may require at any further time a supplemental return, which shall
22 contain any data upon such matters as such commissioner may specify. For
23 the purposes of this subdivision, if the amount of tax imposed pursuant
24 to this chapter on such person in the base year is for a period of less
25 than one year, the amount of tax imposed on such person shall be annual-
26 ized by multiplying the amount of tax imposed by a fraction, the denomi-
27 nator of which is the number of months or parts thereof during which the
28 person was subject to the tax imposed pursuant to this chapter and the
29 numerator of which is twelve. Notwithstanding the provisions of this
30 subdivision, a person that first becomes subject to the tax pursuant to
31 this chapter shall file a return for each month in the calendar year in
32 which such person first becomes subject to such tax in accordance with
33 subdivision a of this section.

34 § 11-1105 Payment of tax; credit for certain sales and compensating
35 use taxes. a. At the time of filing each return, as provided under
36 section 11-1104 of this chapter, each person taxable pursuant to this
37 chapter shall pay to the commissioner of finance the taxes imposed by
38 this chapter upon its gross income or gross operating income, as the
39 case may be, for the taxable period covered by such return, less any
40 credit to which such person may be entitled under subdivision b of this
41 section. Such taxes shall be due and payable on the last day on which
42 the return for such period is required to be filed, regardless of wheth-
43 er a return is filed or whether the return which is filed correctly
44 indicates the amount of tax due.

45 b. (1) A taxpayer shall be allowed a credit against the taxes imposed
46 by this chapter for the amount of sales and compensating use taxes
47 imposed by section eleven hundred seven of the tax law which became
48 legally due on or after, and which were paid on or after, July first,
49 nineteen hundred seventy-seven but within the taxable period for which a
50 credit is claimed, with respect to the purchase or use by the taxpayer
51 of machinery or equipment for use or consumption directly and predomi-
52 nantly in the production of steam for sale, by manufacturing, process-
53 ing, generating, assembling, refining, mining or extracting, or tele-
54 phone central office equipment or station apparatus or comparable
55 telegraph equipment for use directly and predominantly in receiving at
56 destination or initiating and switching telephone or telegraph communi-

1 cation, but not including parts with a useful life of one year or less
2 or tools or supplies used in connection with such machinery, equipment
3 or apparatus.

4 (2) The amount of the credit provided in paragraph one of this subdi-
5 vision shall be limited to the amount of such sales and compensating use
6 taxes paid during the taxable period covered by the return under this
7 chapter on which the credit is taken less the amount of any credit or
8 refund of such sales and compensating use taxes during such taxable
9 period. If such credit exceeds the amount of tax under this chapter
10 payable for the taxable period in question, such excess amount shall be
11 refunded or credited except in the case of a vendor of utility services
12 who is entitled to a credit and/or refund for such sales and compensat-
13 ing use taxes under chapter five or six of this title. The credit
14 allowed under this subdivision shall be deemed an erroneous payment of
15 tax by the taxpayer to be credited or refunded in accordance with the
16 provisions of section 11-1108 of this chapter, except as otherwise
17 provided in this paragraph.

18 (3) Where the taxpayer receives a refund or credit of any tax imposed
19 under section eleven hundred seven of the tax law for which the taxpayer
20 has claimed a credit under the provisions of this subdivision in a prior
21 taxable period, the amount of such refund or credit shall be added to
22 the tax imposed by section 11-1102 of this chapter of the taxable period
23 in which such refund or credit of tax under section eleven hundred seven
24 of the tax law is received.

25 § 11-1105.1 Credit for rebates of charges for energy. A taxpayer shall
26 be allowed a credit against the amount of taxes imposed by this chapter
27 for the amount of special rebates and discounts made in accordance with
28 the provisions of section 22-602 of the code of the preceding municipi-
29 pality and for the amount of special rebates and discounts made in
30 accordance with the provisions of section twenty-five-bb of the general
31 city law. Such credit shall be applied against the amount of tax other-
32 wise required to be paid as provided in subdivision a of section 11-1105
33 of this chapter and shall be claimed for the taxable period immediately
34 succeeding the taxable period in which such rebates or discounts are
35 made.

36 § 11-1105.2 Relocation and employment assistance program credit. (a) A
37 taxpayer that has obtained the certifications required by chapter six-B
38 of title twenty-two of the code of the preceding municipality shall be
39 allowed a credit against the tax imposed by this chapter, provided,
40 however, that a taxpayer that is a vendor of utility services shall not
41 be allowed the credit against the tax imposed by this chapter unless it
42 elects as provided in subdivision (d) of section 22-622 of the code of
43 the preceding municipality to take the credit against the tax imposed by
44 this chapter. The amount of the credit shall be the amount determined by
45 multiplying one thousand dollars or, in the case of an eligible business
46 that has obtained pursuant to chapter six-B of such title twenty-two a
47 certification of eligibility dated on or after July first, two thousand,
48 for a relocation to eligible premises located within a revitalization
49 area defined in subdivision (n) of section 22-621 of the code of the
50 preceding municipality, three thousand dollars, by the number of eligi-
51 ble aggregate employment shares maintained by the taxpayer during the
52 calendar year with respect to particular premises to which the taxpayer
53 has relocated; provided, however, with respect to a relocation for which
54 no application for a certificate of eligibility is submitted prior to
55 July first, two thousand three, to eligible premises that are within a
56 revitalization area, if the date of such relocation as determined pursu-

1 ant to subdivision (j) of section 22-621 of the code of the preceding
2 municipality is on or after January first, nineteen hundred ninety-nine,
3 and before July first, two thousand, the amount to be multiplied by the
4 number of eligible aggregate employment shares shall be one thousand
5 dollars; provided, however, that no credit shall be allowed for the
6 relocation of any retail activity or hotel services; and provided that
7 in the case of an eligible business that has obtained pursuant to chap-
8 ter six-B of such title twenty-two certifications of eligibility for
9 more than one relocation, the portion of the total amount of eligible
10 aggregate employment shares to be multiplied by the dollar amount speci-
11 fied in this subdivision for each such certification of a relocation
12 shall be the number of total attributed eligible aggregate employment
13 shares determined with respect to such relocation pursuant to subdivi-
14 sion (o) of section 22-621 of the code of the preceding municipality.
15 For purposes of this subdivision, the terms "eligible aggregate employ-
16 ment shares", "relocate", "retail activity" and "hotel services" shall
17 have the meanings ascribed by section 22-621 of the code of the preced-
18 ing municipality.

19 (b) The credit allowed under this subdivision with respect to eligible
20 aggregate employment shares maintained with respect to particular prem-
21 ises to which the taxpayer has relocated shall be allowed for the taxa-
22 ble periods in the first calendar year during which such eligible aggre-
23 gate employment shares are maintained with respect to such premises and
24 for taxable periods in any of the twelve succeeding calendar years
25 during which eligible aggregate employment shares are maintained with
26 respect to such premises, provided that the credit allowed for the taxa-
27 ble periods in the twelfth succeeding calendar year shall be calculated
28 by multiplying the number of eligible aggregate employment shares main-
29 tained with respect to such premises in the twelfth succeeding calendar
30 year by the lesser of one and a fraction the numerator of which is the
31 number of days in the calendar year of relocation less the number of
32 days the eligible business maintained employment shares in the eligible
33 premises in the calendar year of relocation and the denominator of which
34 is the number of days in such twelfth succeeding year during which such
35 eligible aggregate employment shares are maintained with respect to such
36 premises. The credit allowable under this section shall be applied
37 against the amount of tax otherwise required to be paid for the last
38 taxable period of the calendar year as provided in subdivision a of
39 section 11-1105 of this chapter, shall be deducted from the taxpayer's
40 tax prior to the deduction of the credit provided in subdivision b of
41 such section, and shall be claimed on the tax return for the last taxa-
42 ble period of the calendar year. Except as provided in subdivision (c)
43 of this section, if the amount of the credit allowable under this subdivi-
44 sion for any calendar year exceeds the tax imposed for such last taxa-
45 ble period in such calendar year, the excess may be carried over, in
46 order, to the immediately succeeding taxable periods in the five imme-
47 diately succeeding calendar years and, to the extent not previously
48 allowable, shall be applied against the tax otherwise required to be
49 paid for such periods. Such carryover credit shall be deducted from the
50 taxpayer's tax prior to the deduction of the credit provided in subdivi-
51 sion b of section 11-1105 of this chapter. With respect to the last
52 taxable period in a calendar year, the credit for such calendar year
53 shall be taken prior to any carryover credit. If in any period there are
54 carryover credits available from more than one year, such credits shall
55 be applied against the tax in the order in which they were earned with
56 the oldest available credit being taken first.

1 (c) In the case of a taxpayer that has obtained a certification of
2 eligibility pursuant to chapter six-B of title twenty-two of the code of
3 the preceding municipality dated on or after July first, two thousand
4 for a relocation to eligible premises located within the revitalization
5 area defined in subdivision (n) of section 22-621 of the code of the
6 preceding municipality, the credits allowed under this section, or in
7 the case of a taxpayer that has relocated more than once, the portion of
8 such credits attributed to such certification of eligibility pursuant to
9 subdivision (a) of this section, against the tax imposed by this chapter
10 for the calendar year of such relocation and for the four calendar years
11 immediately succeeding the calendar year of such relocation, shall be
12 deemed to be erroneous payments of tax by the taxpayer to be credited or
13 refunded, in accordance with the provisions of section 11-1108 of this
14 chapter. For such calendar years, such credits or portions thereof may
15 not be carried over to any succeeding taxable year; provided, however,
16 that this subdivision shall not apply to any relocation for which an
17 application for a certification of eligibility was not submitted prior
18 to July first, two thousand three unless the date of such relocation is
19 on or after July first, two thousand.

20 § 11-1105.3 Lower Manhattan relocation employment assistance credit.
21 (a) A taxpayer that has obtained the certifications required by chapter
22 six-C of title twenty-two of the code of the preceding municipality
23 shall be allowed a credit against the tax imposed by this chapter,
24 provided, however, that a taxpayer that is a vendor of utility services
25 shall not be allowed the credit against the tax imposed by this chapter
26 unless it elects as provided in subdivision (d) of section 22-624 of the
27 code of the preceding municipality to take the credit against the tax
28 imposed by this chapter. The amount of the credit shall be the amount
29 determined by multiplying three thousand dollars by the number of eligi-
30 ble aggregate employment shares maintained by the taxpayer during the
31 calendar year with respect to eligible premises to which the taxpayer
32 has relocated; provided, however, that no credit shall be allowed for
33 the relocation of any retail activity or hotel services. For purposes of
34 this subdivision, the terms "eligible aggregate employment shares",
35 "eligible premises", "relocate", "retail activity" and "hotel services"
36 shall have the meanings ascribed by section 22-623 of the code of the
37 preceding municipality.

38 (b) The credit allowed under this section with respect to eligible
39 aggregate employment shares maintained with respect to eligible premises
40 to which the taxpayer has relocated shall be allowed for the taxable
41 period in which the relocation to eligible premises takes place and for
42 succeeding taxable periods in the calendar year of the relocation and in
43 any of the twelve succeeding calendar years during which eligible aggre-
44 gate employment shares are maintained with respect to eligible premises,
45 provided that the credit allowed for the taxable periods in the twelfth
46 succeeding calendar year shall be calculated by multiplying the number
47 of eligible aggregate employment shares maintained with respect to
48 eligible premises in the twelfth succeeding calendar year by the lesser
49 of one and a fraction the numerator of which is the number of days in
50 the calendar year of relocation less the number of days the taxpayer
51 maintained employment shares in eligible premises in the calendar year
52 of relocation and the denominator of which is the number of days in such
53 twelfth succeeding calendar year during which such eligible aggregate
54 employment shares are maintained with respect to such premises. The
55 credit allowable under this section shall be applied against the amount
56 of tax otherwise required to be paid for the last taxable period of the

1 calendar year as provided in subdivision a of section 11-1105 of this
2 chapter, shall be deducted from the taxpayer's tax prior to the
3 deduction of the credit provided in subdivision b of such section but
4 after the credit provided for in section 11-1105.2 of this chapter, and
5 shall be claimed on the tax return for the last taxable period of the
6 calendar year. Except as provided in subdivision (c) of this section, if
7 the amount of the credit allowable under this subdivision for any calen-
8 dar year exceeds the tax imposed for such last taxable period in such
9 calendar year, the excess may be carried over, in order, to the imme-
10 diately succeeding taxable periods in the five immediately succeeding
11 calendar years and, to the extent not previously allowable, shall be
12 applied against the tax otherwise required to be paid for such periods.
13 Such carryover credit shall be deducted from the taxpayer's tax prior to
14 the deduction of the credit provided in subdivision b of section 11-1105
15 of this chapter but after the credit provided for in section 11-1105.2
16 of this chapter. With respect to the last taxable period in a calendar
17 year, the credit for such calendar year shall be taken prior to any
18 carryover credit. If in any period there are carryover credits available
19 from more than one year, such credits shall be applied against the tax
20 in the order in which they were earned with the oldest available credit
21 being taken first.

22 (c) The credits allowed under this section, against the tax imposed by
23 this chapter for the calendar year of the relocation and for the four
24 taxable years immediately succeeding the calendar year of such relo-
25 cation, shall be deemed to be overpayments of tax by the taxpayer to be
26 credited or refunded, without interest, in accordance with the
27 provisions of section 11-1108 of this chapter. For such calendar years,
28 such credits or portions thereof may not be carried over to any succeed-
29 ing calendar year.

30 § 11-1106 Determination of tax. In case the return required by this
31 chapter shall be insufficient or unsatisfactory or if such return is not
32 filed, the commissioner of finance shall determine the amount of the tax
33 due from such information as is obtainable, and if necessary the tax may
34 be estimated upon the basis of external indices. Notice of such determi-
35 nation shall be given to the person liable for the payment of the tax.
36 Such determination shall finally and irrevocably fix such tax unless the
37 person against whom it is assessed, within ninety days after the giving
38 of notice of such determination or, if the commissioner of finance has
39 established a conciliation procedure pursuant to section 11-124 of this
40 title and the taxpayer has requested a conciliation conference in
41 accordance therewith, within ninety days from the mailing of a concil-
42 iation decision or the date of the commissioner's confirmation of the
43 discontinuance of the conciliation proceeding, both (1) serves a peti-
44 tion upon the commissioner of finance and (2) files a petition with the
45 tax appeals tribunal for a hearing, or unless such commissioner of his
46 or her own motion shall redetermine the same. Such hearing and any
47 appeal to the tax appeals tribunal sitting en banc from the decision
48 rendered in such hearing shall be conducted in the manner and subject to
49 the requirements prescribed by the tax appeals tribunal pursuant to
50 sections one hundred sixty-eight through one hundred seventy-two of the
51 charter of the preceding municipality as it existed January first, nine-
52 teen hundred ninety-four. After such hearing the tax appeals tribunal
53 shall give notice of its decision to the person against whom the tax is
54 assessed and to the commissioner of finance. A decision of the tax
55 appeals tribunal sitting en banc shall be reviewable for error, illegal-
56 ity, unconstitutionality or any other reason whatsoever by a proceeding

1 under article seventy-eight of the civil practice law and rules if
2 instituted by the person against whom the tax was assessed within four
3 months after the giving of the notice of such tax appeals tribunal deci-
4 sion. A proceeding under such article of such law and rules shall not be
5 instituted by a taxpayer unless (a) the amount of any tax sought to be
6 reviewed with penalties and interest thereon, if any, shall first be
7 deposited with the commissioner of finance and there shall be filed with
8 such commissioner an undertaking, issued by a surety company authorized
9 to transact business in this state and approved by the superintendent of
10 insurance of this state as to solvency and responsibility, in such
11 amount and with such sureties as a justice of the supreme court shall
12 approve, to the effect that if such proceeding be dismissed or the tax
13 confirmed, the taxpayer will pay all costs and charges which may accrue
14 in the prosecution of the proceeding, or (b) at the option of the
15 taxpayer such undertaking filed with the commissioner of finance may be
16 in a sum sufficient to cover the taxes, penalties and interest thereon
17 stated in such decision, plus the costs and charges which may accrue
18 against it in the prosecution of the proceeding, in which event the
19 taxpayer shall not be required to deposit such taxes, penalties and
20 interest as a condition precedent to the application.

21 § 11-1107 Assessment of tax where change or correction of sales and
22 compensating use tax liability involved. a. If a taxpayer fails to
23 comply with subdivision d of section 11-1104 of this chapter in not
24 reporting a change or correction of its sales and compensating use tax
25 liability or in not filing a copy of an amended return or report relat-
26 ing to its sales and compensating use tax liability, instead of the mode
27 and time of assessment provided for in section 11-1106 of this chapter,
28 the commissioner of finance may assess a deficiency based upon such
29 changed or corrected sales and compensating use tax liability, as same
30 relates to credits claimed under this chapter, by mailing to the taxpay-
31 er a notice of additional tax due specifying the amount of the deficien-
32 cy, and such deficiency, together with the interest and penalties stated
33 in such notice, shall be deemed assessed on the date such notice is
34 mailed unless within thirty days after the mailing of such notice a
35 report of the state change or correction or a copy of an amended return
36 or report, where such copy was required, is filed accompanied by a
37 statement showing wherein such state determination and such notice of
38 additional tax due are erroneous. Such notice shall not be considered as
39 a notice of determination for the purposes of section 11-1106 of this
40 chapter.

41 b. If a report filed pursuant to subdivision d of section 11-1104 of
42 this chapter concedes the accuracy of a state change or correction of
43 sales and compensating use tax liability, any deficiency in tax result-
44 ing therefor shall be deemed assessed on the date of filing such report.

45 § 11-1108 Refunds. a. In the manner provided in this section the
46 commissioner of finance shall refund or credit, without interest, any
47 tax, penalty or interest erroneously, illegally or unconstitutionally
48 collected or paid, if application for such refund shall be made to the
49 commissioner of finance within three years from the time the return was
50 filed or two years from the time the tax was paid, whichever of such
51 periods expires later, or if no return was filed, within two years from
52 the time the tax was paid. If the claim is filed within the three-year
53 period, the amount of the credit or refund shall not exceed the portion
54 of the tax paid within the three years immediately preceding the filing
55 of the claim plus the period of any extension of time for filing the
56 return. Whenever a refund or credit is made or denied by the commission-

1 er of finance, he or she shall state his or her reason therefor and give
2 notice thereof to the taxpayer in writing. The commissioner of finance
3 may, in lieu of any refund required to be made, allow credit therefor on
4 payments due from the applicant.

5 b. Any determination of the commissioner of finance denying a refund
6 or credit pursuant to subdivision a of this section shall be final and
7 irrevocable unless the applicant for such refund or credit, within nine-
8 ty days from the mailing of notice of such determination, or, if the
9 commissioner of finance has established a conciliation procedure pursu-
10 ant to section 11-124 of this title and the applicant has requested a
11 conciliation conference in accordance therewith, within ninety days from
12 the mailing of a conciliation decision or the date of the commissioner's
13 confirmation of the discontinuance of the conciliation proceeding, both
14 (1) serves a petition upon the commissioner of finance and (2) files a
15 petition with the tax appeals tribunal for a hearing. Such petition for
16 a refund or credit, made as provided in this section, shall be deemed an
17 application for a revision of any tax, penalty or interest complained
18 of. Such hearing and any appeal to the tax appeals tribunal sitting en
19 banc from the decision rendered in such hearing shall be conducted in
20 the manner and subject to the requirements prescribed by the tax appeals
21 tribunal pursuant to sections one hundred sixty-eight through one
22 hundred seventy-two of the charter of the preceding municipality as it
23 existed January first, nineteen hundred ninety-four. After such hearing,
24 the tax appeals tribunal shall give notice of its decision to the appli-
25 cant and to the commissioner of finance. The applicant shall be entitled
26 to institute a proceeding under article seventy-eight of the civil prac-
27 tice law and rules to review a decision of the tax appeals tribunal
28 sitting en banc if application to the supreme court be made therefor
29 within four months after the giving of notice of such decision, and
30 provided, in the case of an application by a taxpayer, a final determi-
31 nation of tax due was not previously made.

32 c. If a taxpayer is required by subdivision d of section 11-1104 of
33 this chapter to file a report or amended return in respect of a change
34 or correction of its sales and compensating use tax liability, claim for
35 credit or refund of any resulting overpayment of tax shall be filed by
36 the taxpayer within one year from the time such report or amended return
37 was required to be filed with the commissioner of finance. This subdivi-
38 sion shall not affect the time within which or the amount for which a
39 claim for credit or refund may be filed apart from this subdivision.

40 d. A person shall not be entitled to a revision, refund or credit
41 under this section of a tax, interest or penalty which had been deter-
42 mined to be due pursuant to the provisions of section 11-1106 or 11-1107
43 of this chapter where he or she has had a hearing or an opportunity for
44 a hearing, as provided in such sections, or has failed to avail himself
45 or herself of the remedies therein provided. No refund or credit shall
46 be made of a tax, interest or penalty paid after a determination by the
47 commissioner of finance made pursuant to section 11-1106 or 11-1107 of
48 this chapter unless it be found that such determination was erroneous,
49 illegal or unconstitutional or otherwise improper, by the tax appeals
50 tribunal after a hearing or of the commissioner of finance's own motion
51 or, if such tax appeals tribunal affirms in whole or in part the deter-
52 mination of the commissioner of finance, in a proceeding under article
53 seventy-eight of the civil practice law and rules pursuant to the
54 provisions of said section, in which event refund or credit without
55 interest shall be made of the tax, interest or penalty found to have
56 been overpaid.

1 § 11-1109 Reserves. In cases where the taxpayer has applied for a
2 refund and has instituted a proceeding under article seventy-eight of
3 the civil practice law and rules to review a determination adverse to
4 him or her on his or her application for refund, the comptroller shall
5 set up appropriate reserves to meet any decision adverse to the city.

6 § 11-1110 Remedies exclusive. The remedies provided by this chapter
7 shall be the exclusive remedies available to any person for the review
8 of tax liability imposed by this chapter; and no determination or
9 proposed determination of tax or determination on any application for
10 refund by the commissioner of finance, nor any decision by the tax
11 appeals tribunal or any of its administrative law judges, shall be
12 enjoined or reviewed by an action for declaratory judgment, an action
13 for money had and received or by any action or proceeding other than, in
14 the case of a decision by the tax appeals tribunal sitting en banc, a
15 proceeding under article seventy-eight of the civil practice law and
16 rules; provided, however, that a taxpayer may proceed by a declaratory
17 judgment if he or she institutes suit within thirty days after a defi-
18 ciency assessment is made and pays the amount of the deficiency assess-
19 ment to the commissioner of finance prior to the institution of such
20 suit and posts a bond for costs as provided in section 11-1106 of this
21 chapter.

22 § 11-1111 Proceedings to recover tax. a. Whenever any person shall
23 fail to pay any tax or penalty or interest imposed by this chapter as
24 provided in this section, the corporation counsel shall, upon the
25 request of the commissioner of finance, bring or cause to be brought an
26 action to enforce payment of the same against the person liable for the
27 same on behalf of the city of Staten Island in any court of the state of
28 New York or of any other state or of the United States. If, however,
29 such commissioner in his or her discretion believes that a taxpayer
30 subject to the provisions of this chapter is about to cease business,
31 leave the state or remove or dissipate the assets out of which tax or
32 penalties might be satisfied and that any such tax or penalty will not
33 be paid when due, he or she may declare such tax or penalty to be imme-
34 diately due and payable and may issue a warrant immediately.

35 b. As a further additional or alternate remedy, the commissioner of
36 finance may issue a warrant, directed to the city sheriff, commanding
37 him or her to levy upon and sell the real and personal property of such
38 person which may be found within the city, for the payment of the amount
39 thereof, with any penalties and the cost of executing the warrant and to
40 return such warrant to such commissioner and to pay to him or her the
41 money collected by virtue thereof within sixty days after the receipt of
42 such warrant. The city sheriff shall, within five days after the
43 receipt of the warrant, file with the county clerk a copy thereof and
44 thereupon such clerk shall enter in the judgment docket the name of the
45 person mentioned in the warrant and the amount of the tax and penalties
46 for which the warrant is issued and the date when such copy is filed.
47 Thereupon the amount of such warrant so docketed shall have the full
48 force and effect of a judgment and shall become a lien upon the title to
49 and interest in real and personal property of the person against whom
50 the warrant is issued. The city sheriff shall then proceed upon the
51 warrant in the same manner and with like effect as that provided by law
52 in respect to executions against property upon judgments of a court of
53 record, and for services in executing the warrant he or she shall be
54 entitled to the same fees which he or she may collect in the same
55 manner. In the discretion of the commissioner of finance a warrant of
56 like terms, force and effect may be issued and directed to any officer

1 or employee of the department of finance and in the execution thereof
2 such officer or employee shall have all the power conferred by law upon
3 sheriffs, but he or she shall be entitled to no fee or compensation in
4 excess of the actual expenses paid in the performance of such duty. If
5 a warrant is returned not satisfied in full, the commissioner of finance
6 may from time to time issue new warrants and shall also have the same
7 remedies to enforce the amount due thereunder as if the city had recover-
8 ed judgment therefor and execution thereon had been returned unsatis-
9 fied.

10 c. Whenever there is made a sale, transfer or assignment in bulk of
11 any part or the whole of a stock of merchandising or of fixtures, or
12 merchandise and of fixtures pertaining to the conducting of the business
13 of the seller, transferor or assignor, otherwise than in the ordinary
14 course of trade and in the regular prosecution of said business, the
15 purchaser, transferee or assignee shall at least ten days before taking
16 possession of such merchandise, fixtures, or merchandise and fixtures,
17 or paying therefor, notify the commissioner of finance by registered
18 mail of the proposed sale and of the price, terms and conditions there-
19 of, whether or not the seller, transferor or assignor, has represented
20 to, or informed the purchaser, transferee or assignee that it owes any
21 tax pursuant to this chapter, whether or not the purchaser, transferee
22 or assignee has knowledge that such taxes are owing, and whether or not
23 any such taxes are in fact owing.

24 Whenever the purchaser, transferee or assignee shall fail to give the
25 notice to the commissioner of finance required by this subdivision, or
26 whenever such commissioner shall inform the purchaser, transferee or
27 assignee that a possible claim for such tax or taxes exists, any sums of
28 money, property or choses in action, or other consideration, which the
29 purchaser, transferee or assignee is required to transfer over to the
30 seller, transferor or assignor shall be subject to a first priority
31 right and lien for any such taxes theretofore or thereafter determined
32 to be due from the seller, transferor or assignor to the city, and the
33 purchaser, transferee or assignee is forbidden to transfer to the sell-
34 er, transferor or assignor any such sums of money, property or choses in
35 action to the extent of the amount of the city's claim. For failure to
36 comply with the provisions of this subdivision the purchaser, transferee
37 or assignee, in addition to being subject to the liabilities and reme-
38 dies imposed under the provisions of former article six of the uniform
39 commercial code shall be personally liable for the payment to the city
40 of any such taxes theretofore or thereafter determined to be due to the
41 city from the seller, transferor or assignor and such liability may be
42 assessed and enforced in the same manner as the liability for tax is
43 imposed under this chapter.

44 d. The commissioner of finance, if he or she finds that the interests
45 of the city will not thereby be jeopardized, and upon such conditions as
46 the commissioner of finance may require, may release any property from
47 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
48 tions to tax, penalties and interest filed pursuant to subdivision b of
49 this section, and such release or vacating of the warrant may be
50 recorded in the office of any recording officer in which such warrant
51 has been filed. The clerk shall thereupon cancel and discharge as of the
52 original date of docketing the vacated warrant.

53 § 11-1112 General powers of the commissioner of finance. In addition
54 to the powers granted to the commissioner of finance in this chapter, he
55 or she is hereby authorized and empowered:

1 1. To make, adopt and amend rules and regulations appropriate to the
2 carrying out of this chapter and the purposes thereof; and to prescribe
3 the form of blanks, reports and other records relating to the enforce-
4 ment and administration of this chapter;

5 2. To prescribe methods for determining the amount of "gross income"
6 and "gross operating income" received by a person subject to tax pursu-
7 ant to this chapter;

8 3. To request information from the tax commission of the state of New
9 York or treasury department of the United States relative to any person;
10 and to afford returns, reports and other information to such tax commis-
11 sion or such treasury department relative to any person, any other
12 provision in this chapter to the contrary notwithstanding;

13 4. To extend, for cause shown, the time for filing any return for a
14 period not exceeding thirty days; and to compromise disputed claims in
15 connection with the taxes imposed pursuant to this chapter;

16 5. To delegate his or her functions hereunder to a deputy commis-
17 sioner of finance or other employee or employees of the department of
18 finance of the city;

19 6. To assess, determine, revise and readjust the taxes imposed under
20 this chapter.

21 § 11-1113 Administration of oaths and compelling testimony. a. The
22 commissioner of finance, his or her employees duly designated and
23 authorized by him or her, the tax appeals tribunal and any of its duly
24 designated and authorized employees shall have power to administer oaths
25 and take affidavits in relation to any matter or proceedings in the
26 exercise of their powers and duties under this chapter. Such commis-
27 sioner and the tax appeals tribunal shall have power to subpoena and
28 require the attendance of witnesses and the production of books, papers
29 and documents to secure information pertinent to the performance of the
30 duties of such commissioner or of the tax appeals tribunal hereunder and
31 of the enforcement of this chapter, and to examine them in relation
32 thereto, and to issue commissions for the examination of witnesses who
33 are out of the state or unable to attend before the commissioner or the
34 tax appeals tribunal or excused from attendance.

35 b. A justice of the supreme court either in court or at chambers shall
36 have power summarily to enforce by proper proceedings the attendance and
37 testimony of witnesses and the production and examination of books,
38 papers and documents called for by the subpoena of the commissioner of
39 finance or the tax appeals tribunal under this chapter.

40 c. Cross-reference; criminal penalties. For failure to obey subpoenas
41 or for testifying falsely, see section 11-4007 of this title; for
42 supplying false or fraudulent information, see section 11-4002 of this
43 title.

44 d. The officers who serve the summons or subpoena of the commissioner
45 of finance or the tax appeals tribunal and witnesses attending in
46 response thereto shall be entitled to the same fees as are allowed to
47 officers and witnesses in civil cases in courts of record, except as
48 herein otherwise provided. Such officers shall be the city sheriff, and
49 his or her duly appointed deputies or any officers or employees of the
50 department of finance or the tax appeals tribunal, designated to serve
51 such process.

52 § 11-1114 Interest and penalties. (a) Interest on underpayments. If
53 any amount of tax is not paid on or before the last date prescribed for
54 payment, without regard to any extension of time granted for payment,
55 interest on such amount at the rate set by the commissioner of finance
56 pursuant to subdivision (g) of this section, or, if no rate is set, at

1 the rate of seven and one-half percent per annum, shall be paid for the
2 period from such last date to the date of payment. In computing the
3 amount of interest to be paid, such interest shall be compounded daily.
4 Interest under this subdivision shall not be paid if the amount thereof
5 is less than one dollar.

6 (b) (1) Failure to file return. (A) In case of failure to file a
7 return under this chapter on or before the prescribed date, determined
8 with regard to any extension of time for filing, unless it is shown that
9 such failure is due to reasonable cause and not due to willful neglect,
10 there shall be added to the amount required to be shown as tax on such
11 return five percent of the amount of such tax if the failure is for not
12 more than one month, with an additional five percent for each additional
13 month or fraction thereof during which such failure continues, not
14 exceeding twenty-five percent in the aggregate.

15 (B) In the case of a failure to file a return of tax within sixty days
16 of the date prescribed for filing of such return, determined with regard
17 to any extension of time for filing, unless it is shown that such fail-
18 ure is due to reasonable cause and not due to willful neglect, the addi-
19 tion to tax under subparagraph (A) of this paragraph shall not be less
20 than the lesser of one hundred dollars or one hundred percent of the
21 amount required to be shown as tax on such return.

22 (C) For purposes of this paragraph, the amount of tax required to be
23 shown on the return shall be reduced by the amount of any part of the
24 tax which is paid on or before the date prescribed for payment of the
25 tax and by the amount of any credit against the tax which may be claimed
26 upon the return.

27 (2) Failure to pay tax shown on return. In case of failure to pay the
28 amount shown as tax on a return required to be filed under this chapter
29 on or before the prescribed date, determined with regard to any exten-
30 sion of time for payment, unless it is shown that such failure is due to
31 reasonable cause and not due to willful neglect, there shall be added
32 to the amount shown as tax on such return one-half of one percent of the
33 amount of such tax if the failure is not for more than one month, with
34 an additional one-half of one percent for each additional month or frac-
35 tion thereof during which such failure continues, not exceeding twenty-
36 five percent in the aggregate. For the purpose of computing the addition
37 for any month the amount of tax shown on the return shall be reduced by
38 the amount of any part of the tax which is paid on or before the begin-
39 ning of such month and by the amount of any credit against the tax which
40 may be claimed upon the return. If the amount of tax required to be
41 shown on a return is less than the amount shown as tax on such return,
42 this paragraph shall be applied by substituting such lower amount.

43 (3) Failure to pay tax required to be shown on return. In case of
44 failure to pay any amount in respect of any tax required to be shown on
45 a return required to be filed under this chapter which is not so shown,
46 including a determination made pursuant to section 11-1106 of this chap-
47 ter, within ten days of the date of a notice and demand therefor, unless
48 it is shown that such failure is due to reasonable cause and not due to
49 willful neglect, there shall be added to the amount of tax stated in
50 such notice and demand one-half of one percent of such tax if the fail-
51 ure is not for more than one month, with an additional one-half of one
52 percent for each additional month or fraction thereof during which such
53 failure continues, not exceeding twenty-five percent in the aggregate.
54 For the purpose of computing the addition for any month, the amount of
55 tax stated in the notice and demand shall be reduced by the amount of
56 any part of the tax which is paid before the beginning of such month.

1 (4) Limitations on additions.

2 (A) With respect to any return, the amount of the addition under para-
3 graph one of this subdivision shall be reduced by the amount of the
4 addition under paragraph two of this subdivision for any month to which
5 an addition applies under both paragraphs one and two of this subdivi-
6 sion. In any case described in subparagraph (B) of paragraph one of
7 this subdivision, the amount of the addition under such paragraph one
8 shall not be reduced below the amount provided in such subparagraph.

9 (B) With respect to any return, the maximum amount of the addition
10 permitted under paragraph three of this subdivision shall be reduced by
11 the amount of the addition under paragraph one of this subdivision,
12 determined without regard to subparagraph (B) of such paragraph one
13 which is attributable to the tax for which the notice and demand is made
14 and which is not paid within ten days of such notice and demand.

15 (c) Underpayment due to negligence. (1) If any part of an underpayment
16 of tax is due to negligence or intentional disregard of this chapter or
17 any rules or regulations hereunder, but without intent to defraud, there
18 shall be added to the tax a penalty equal to five percent of the under-
19 payment.

20 (2) There shall be added to the tax, in addition to the amount deter-
21 mined under paragraph one of this subdivision, an amount equal to fifty
22 percent of the interest payable under subdivision (a) of this section
23 with respect to the portion of the underpayment described in such para-
24 graph one which is attributable to the negligence or intentional disre-
25 gard referred to in such paragraph one, for the period beginning on the
26 last date prescribed by law for payment of such underpayment, determined
27 without regard to any extension, and ending on the date of the assess-
28 ment of the tax, or, if earlier, the date of the payment of the tax.

29 (3) If any payment is shown on a return made by a payor with respect
30 to dividends, patronage dividends and interest under subsection (a) of
31 section six thousand forty-two, subsection (a) of section six thousand
32 forty-four or subsection (a) of section six thousand forty-nine of the
33 internal revenue code of nineteen hundred fifty-four, respectively, and
34 the payee fails to include any portion of such payment in gross income
35 or gross operating income, when required under this chapter to be so
36 included, any portion of an underpayment attributable to such failure
37 shall be treated, for purposes of this subdivision, as due to negligence
38 in the absence of clear and convincing evidence to the contrary. If any
39 penalty is imposed under this subdivision by reason of this paragraph,
40 the amount of the penalty imposed by paragraph one of this subdivision
41 shall be five percent of the portion of the underpayment which is
42 attributable to the failure described in this paragraph.

43 (d) Underpayment due to fraud. (1) If any part of an underpayment of
44 tax is due to fraud, there shall be added to the tax a penalty equal to
45 two times of the underpayment.

46 (2) The penalty under this subdivision shall be in lieu of any other
47 addition to tax imposed by subdivision (b) or (c) of this section.

48 (e) Additional penalty. Any person who, with fraudulent intent, shall
49 fail to pay any tax imposed by this chapter, or to make, render, sign or
50 certify any return, or to supply any information within the time
51 required by or under this chapter, shall be liable for a penalty of not
52 more than one thousand dollars, in addition to any other amounts
53 required under this chapter to be imposed, assessed and collected by the
54 commissioner of finance. The commissioner of finance shall have the
55 power, in his or her discretion, to waive, reduce or compromise any
56 penalty under this subdivision.

1 (f) The interest and penalties imposed by this section shall be paid
2 and disposed of in the same manner as other revenues from this chapter.
3 Unpaid interest and penalties may be enforced in the same manner as the
4 tax imposed by this chapter.

5 (g) (1) Authority to set interest rates. The commissioner of finance
6 shall set the rate of interest to be paid pursuant to subdivision (a) of
7 this section, but if no such rate of interest is set, such rate shall be
8 deemed to be set at seven and one-half percent per annum. Such rate
9 shall be the rate prescribed in paragraph two of this subdivision but
10 shall not be less than seven and one-half percent per annum. Any such
11 rate set by the commissioner of finance shall apply to taxes, or any
12 portion thereof, which remain or become due on or after the date on
13 which such rate becomes effective and shall apply only with respect to
14 interest computed or computable for periods or portions of periods
15 occurring in the period in which such rate is in effect.

16 (2) General rule. The rate of interest set under this subdivision
17 shall be the sum of (i) the federal short-term rate as provided under
18 paragraph three of this subdivision, plus (ii) seven percentage points.

19 (3) Federal short-term rate. For purposes of this subdivision:

20 (A) The federal short-term rate for any month shall be the federal
21 short-term rate determined by the United States secretary of the treas-
22 ury during such month in accordance with subsection (d) of section
23 twelve hundred seventy-four of the internal revenue code for use in
24 connection with section six thousand six hundred twenty-one of the
25 internal revenue code. Any such rate shall be rounded to the nearest
26 full percent, or, if a multiple of one-half of one percent, such rate
27 shall be increased to the next highest full percent.

28 (B) Period during which rate applies.

29 (i) In general. Except as provided in clause (ii) of this subpara-
30 graph, the federal short-term rate for the first month in each calendar
31 quarter shall apply during the first calendar quarter beginning after
32 such month.

33 (ii) Special rule for the month of September, nineteen hundred eight-
34 y-nine. The federal short-term rate for the month of April, nineteen
35 hundred eighty-nine shall apply with respect to setting the rate of
36 interest for the month of September, nineteen hundred eighty-nine.

37 (4) Publication of interest rate. The commissioner of finance shall
38 cause to be published in the City Record, and give other appropriate
39 general notice of, the interest rate to be set under this subdivision no
40 later than twenty days preceding the first day of the calendar quarter
41 during which such interest rate applies. The setting and publication of
42 such interest rate shall not be included within paragraph (a) of subdi-
43 vision five of section one thousand forty-one of the city charter of the
44 preceding municipality as it existed January first, nineteen hundred
45 ninety-four relating to the definition of a rule.

46 (h) Miscellaneous. (1) The certificate of the commissioner of finance
47 to the effect that a tax has not been paid, that a return has not been
48 filed, or that information has not been supplied pursuant to the
49 provisions of this chapter shall be prima facie evidence thereof.

50 (2) Cross-reference: For criminal penalties, see chapter forty of this
51 title.

52 (i) Substantial understatement of liability. If there is a substantial
53 understatement of tax for any taxable period, there shall be added to
54 the tax an amount equal to ten percent of the amount of any underpayment
55 attributable to such understatement. For purposes of this subdivision,
56 there is a substantial understatement of tax for any taxable period if

1 the amount of the understatement for the taxable period exceeds the
2 greater of ten percent of the tax required to be shown on the return for
3 the taxable period or five thousand dollars. For purposes of this subdivi-
4 sion, the term "understatement" means the excess of the amount of the
5 tax required to be shown on the return for the taxable period, over the
6 amount of the tax imposed which is shown on the return, reduced by any
7 rebate. The amount of such understatement shall be reduced by that
8 portion of the understatement which is attributable to the tax treatment
9 of any item by the taxpayer if there is or was substantial authority for
10 such treatment, or any item with respect to which the relevant facts
11 affecting the item's tax treatment are adequately disclosed in the
12 return or in a statement attached to the return. The commissioner of
13 finance may waive all or any part of the addition to tax provided by
14 this subdivision on a showing by the taxpayer that there was reasonable
15 cause for the understatement, or part thereof, and that the taxpayer
16 acted in good faith.

17 (j) Aiding or assisting in the giving of fraudulent returns, reports,
18 statements or other documents. (1) Any person who, with the intent that
19 tax be evaded, shall, for a fee or other compensation or as an incident
20 to the performance of other services for which such person receives
21 compensation, aid or assist in, or procure, counsel, or advise the prep-
22 aration or presentation under, or in connection with any matter arising
23 under this title of any return, report, statement or other document
24 which is fraudulent or false as to any material matter, or supply any
25 false or fraudulent information, whether or not such falsity or fraud is
26 with the knowledge or consent of the person authorized or required to
27 present such return, report, statement or other document shall pay a
28 penalty not exceeding ten thousand dollars.

29 (2) For purposes of paragraph one of this subdivision, the term
30 "procures" includes ordering, or otherwise causing, a subordinate to do
31 an act, and knowing of, and not attempting to prevent, participation by
32 a subordinate in an act. The term "subordinate" means any other person,
33 whether or not a director, officer, employee, or agent of the taxpayer
34 involved, over whose activities the person has direction, supervision,
35 or control.

36 (3) For purposes of paragraph one of this subdivision, a person
37 furnishing typing, reproducing, or other mechanical assistance with
38 respect to a document shall not be treated as having aided or assisted
39 in the preparation of such document by reason of such assistance.

40 (4) The penalty imposed by this subdivision shall be in addition to
41 any other penalty provided by law.

42 (k) Failure to include on return information relating to issuer's
43 allocation percentage. Where a return is filed but does not contain (1)
44 the information necessary to compute the taxpayer's issuer's allocation
45 percentage, as defined in subparagraph one of paragraph (b) of subdivi-
46 sion three of section 11-604 of this title, where the same is called for
47 on the return, or, (2) the taxpayer's issuer's allocation percentage,
48 where the same is called for on the return but where all of the informa-
49 tion necessary for the computation of such percentage is not called for
50 on the return, then unless it is shown that such failure is due to
51 reasonable cause and not due to willful neglect there shall be added to
52 the tax a penalty of five hundred dollars.

53 (l) False or fraudulent document penalty. Any taxpayer that submits a
54 false or fraudulent document to the department shall be subject to a
55 penalty of one hundred dollars per document submitted, or five hundred

1 dollars per tax return submitted. Such penalty shall be in addition to
2 any other penalty or addition provided by law.

3 § 11-1115 Notices and limitations of time. a. Any notice authorized
4 or required under the provisions of this chapter may be given by mailing
5 the same to the person for whom it is intended in a postpaid envelope
6 addressed to such person at the address given in the last return filed
7 by such person pursuant to the provisions of this chapter or in any
8 application made by him or her, or, if no return has been filed or
9 application made, then to such address as may be obtainable. The mail-
10 ing of such notice shall be presumptive evidence of the receipt of the
11 same by the person to whom addressed. Any period of time which is
12 determined according to the provisions of this chapter by the giving of
13 notice shall commence to run from the date of mailing of such notice.

14 b. The provisions of the civil practice law and rules or any other law
15 relative to limitations of time for the enforcement of a civil remedy
16 shall not apply to any proceeding or action by the city taken to levy,
17 appraise, assess, determine or enforce the collection of any tax or
18 penalty provided by this chapter. However, except in the case of a
19 wilfully false or fraudulent return with intent to evade the tax, no
20 assessment of additional tax imposed under a local law for the preceding
21 municipality enacted subsequent to July first, nineteen hundred thirty-
22 eight, shall be made after the expiration of more than three years from
23 the date of the filing of a return, provided, however, that where no
24 return has been filed, or where the taxpayer fails to file a report or
25 return in respect of a change or correction in the amount of sales and
26 compensating use tax liability as provided by law, the tax may be
27 assessed at any time. Where the taxpayer files a report or return in
28 respect of a change or correction in sales and compensating use tax
29 liability, as required by subdivision d of section 11-1104 of this chap-
30 ter, an assessment may be made at any time within two years after such
31 report or return was filed, provided, however, that this sentence shall
32 not affect the time within which an assessment may otherwise be made.

33 c. Where, before the expiration of the period prescribed herein for
34 the assessment of an additional tax, a taxpayer has consented in writing
35 that such period be extended, the amount of such additional tax due may
36 be determined at any time within such extended period. The period so
37 extended may be further extended by subsequent consents in writing made
38 before the expiration of the extended period.

39 d. If any return, claim, statement, notice, application, or other
40 document required to be filed, or any payment required to be made, with-
41 in a prescribed period or on or before a prescribed date under authority
42 of any provision of this chapter is, after such period or such date,
43 delivered by United States mail to the commissioner of finance, the tax
44 appeals tribunal, bureau, office, officer or person with which or with
45 whom such document is required to be filed, or to which or to whom such
46 payment is required to be made, the date of the United States postmark
47 stamped on the envelope shall be deemed to be the date of delivery. This
48 subdivision shall apply only if the postmark date falls within the
49 prescribed period or on or before the prescribed date for the filing of
50 such document, or for making the payment, including any extension grant-
51 ed for such filing or payment, and only if such document or payment was
52 deposited in the mail, postage prepaid, properly addressed to the
53 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
54 cer or person with which or with whom the document is required to be
55 filed or to which or to whom such payment is required to be made. If any
56 document is sent by United States registered mail, such registration

1 shall be prima facie evidence that such document was delivered to the
2 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
3 cer or person to which or to whom addressed, and the date of registra-
4 tion shall be deemed the postmark date. The commissioner of finance or,
5 where relevant, the tax appeals tribunal is authorized to provide by
6 regulation the extent to which the provisions such with respect to prima
7 facie evidence of delivery and the postmark date shall apply to certi-
8 fied mail. Except as provided in subdivision f of this section, this
9 subdivision shall apply in the case of postmarks not made by the United
10 States postal service only if and to the extent provided by regulation
11 of the commissioner of finance or where relevant, the tax appeals tribu-
12 nal.

13 e. When the last day prescribed under authority of this chapter,
14 including any extension of time, for performing any act falls on a
15 Saturday, Sunday or legal holiday in the state, the performance of such
16 act shall be considered timely if it is performed on the next succeeding
17 day which is not a Saturday, Sunday or legal holiday.

18 f. (1) Any reference in subdivision d of this section to the United
19 States mail shall be treated as including a reference to any delivery
20 service designated by the secretary of the treasury of the United States
21 pursuant to section seventy-five hundred two of the internal revenue
22 code and any reference in subdivision d of this section to a United
23 States postmark shall be treated as including a reference to any date
24 recorded or marked in the manner described in section seventy-five
25 hundred two of the internal revenue code by a designated delivery
26 service. If the commissioner of finance finds that any delivery service
27 designated by such secretary is inadequate for the needs of the city,
28 the commissioner of finance may withdraw such designation for purposes
29 of this title. The commissioner of finance may also designate additional
30 delivery services meeting the criteria of section seventy-five hundred
31 two of the internal revenue code for purposes of this title, or may
32 withdraw any such designation if the commissioner of finance finds that
33 a delivery service so designated is inadequate for the needs of the
34 city. Any reference in subdivision d of this section to the United
35 States mail shall be treated as including a reference to any delivery
36 service designated by the commissioner of finance and any reference in
37 subdivision d of this section to a United States postmark shall be
38 treated as including a reference to any date recorded or marked in the
39 manner described in section seventy-five hundred two of the internal
40 revenue code by a delivery service designated by the commissioner of
41 finance; provided, however, any withdrawal of designation or additional
42 designation by the commissioner of finance shall not be effective for
43 purposes of service upon the tax appeals tribunal, unless and until such
44 withdrawal of designation or additional designation is ratified by the
45 president of the tax appeals tribunal.

46 (2) Any equivalent of registered or certified mail designated by the
47 United States secretary of the treasury, or as may be designated by the
48 commissioner of finance pursuant to the same criteria used by such
49 secretary for such designations pursuant to section seventy-five hundred
50 two of the internal revenue code, shall be included within the meaning
51 of registered or certified mail as used in subdivision d of this
52 section. If the commissioner of finance finds that any equivalent of
53 registered or certified mail designated by such secretary or the commis-
54 sioner of finance is inadequate for the needs of the city, the commis-
55 sioner of finance may withdraw such designation for purposes of this
56 title. Notwithstanding the foregoing, any withdrawal of designation or

1 additional designation by the commissioner of finance shall not be
2 effective for purposes of service upon the tax appeals tribunal, unless
3 and until such withdrawal of designation or additional designation is
4 ratified by the president of the tax appeals tribunal.

5 § 11-1116 Returns to be secret. a. Except in accordance with proper
6 judicial order or as otherwise provided by law, it shall be unlawful for
7 the commissioner of finance, the tax appeals tribunal, or any officer or
8 employee of the department of finance or the tax appeals tribunal to
9 divulge or make known in any manner, the receipts or any other informa-
10 tion relating to the business of a taxpayer contained in any return
11 required under this chapter. The officers charged with the custody of
12 such returns shall not be required to produce any of them or evidence of
13 anything contained in them in any action or proceeding in any court,
14 except on behalf of the city or the commissioner of finance, or on
15 behalf of any party to any action or proceeding under the provisions of
16 this chapter when the returns or facts shown thereby are directly
17 involved in such action or proceeding, in either of which events, the
18 court may require the production of, and may admit in evidence, so much
19 of said returns or of the facts shown thereby, as are pertinent to the
20 action or proceeding and no more. Nothing in this subdivision shall be
21 construed to prohibit the delivery to a taxpayer or his or her duly
22 authorized representative of a certified copy of any return filed in
23 connection with his or her tax, nor to prohibit the publication of
24 statistics so classified as to prevent the identification of particular
25 returns and the items thereof, or the inspection by the corporation
26 counsel of the city or other legal representatives of such city of the
27 return of any taxpayer who shall bring action or proceeding to set aside
28 or review the tax based thereon, or against whom an action or proceeding
29 has been instituted or is contemplated for the collection of a tax,
30 penalty or interest. Returns shall be preserved for three years and
31 thereafter until the commissioner of finance permits them to be
32 destroyed.

33 b. (1) Any officer or employee of the city who willfully violates the
34 provisions of subdivision a of this section shall be dismissed from
35 office and be incapable of holding any public office in this city for a
36 period of five years thereafter.

37 (2) Cross-reference: For criminal penalties, see chapter forty of this
38 title.

39 c. This section shall be deemed a state statute for purposes of para-
40 graph (a) of subdivision two of section eighty-seven of the public offi-
41 cers law.

42 d. Notwithstanding anything in subdivision a of this section to the
43 contrary, if a taxpayer has petitioned the tax appeals tribunal for
44 administrative review as provided in section one hundred seventy of the
45 charter of the preceding municipality as it existed January first, nine-
46 teen hundred ninety-four, the commissioner of finance shall be author-
47 ized to present to the tribunal any report or return of such taxpayer,
48 or any information contained therein or relating thereto, which may be
49 material or relevant to the proceeding before the tribunal. The tax
50 appeals tribunal shall be authorized to publish a copy or a summary of
51 any decision rendered pursuant to section one hundred seventy-one of the
52 charter of the preceding municipality as it existed January first, nine-
53 teen hundred ninety-four.

54 § 11-1117 Construction and enforcement. This chapter shall be
55 construed and enforced in conformity with chapter ninety-three of the

1 laws of nineteen hundred sixty-five, as amended, pursuant to which it is
2 enacted.

3 § 11-1118 Disposition of revenues. All revenues resulting from the
4 imposition of the tax under this chapter shall be paid into the treasury
5 of the city and shall be credited to and deposited in the general fund
6 of the city, but no part of such revenues may be expended unless appro-
7 priated in the annual budget of the city.

8 § 11-1119 Determinations of place of primary use of wireless telecom-
9 munications services. a. A home service provider shall be responsible
10 for obtaining and maintaining the customer's place of primary use as
11 defined in subdivision twenty of section 11-1101 of this chapter. Except
12 as provided in subdivision b of this section, if the home service
13 provider's reliance on the information provided by its customer is in
14 good faith: (1) the home service provider can rely on the applicable
15 residential or business street address supplied by the home service
16 provider's customer; and (2) the home service provider shall not be held
17 liable for any additional taxes under this chapter based on a different
18 determination of the place of primary use.

19 b. The commissioner of finance, or the commissioner of taxation and
20 finance of the state of New York on behalf of the commissioner of
21 finance, may determine that the address used by a home service provider
22 for purposes of this chapter does not meet the definition of place of
23 primary use as defined in subdivision twenty of section 11-1101 of this
24 chapter and may give binding notice to the home service provider to
25 change the place of primary use on a prospective basis from the date of
26 notice of determination if:

27 (1) where the determination is made by the commissioner of finance,
28 such commissioner obtains the consent of all affected taxing jurisdic-
29 tions within this state before giving such notice of determination; and

30 (2) before the commissioner of finance or the commissioner of taxation
31 and finance of the state of New York gives such notice of determination,
32 the customer is given an opportunity to demonstrate, in accordance with
33 applicable procedures established by the commissioner of finance making
34 the determination, that that address is the customer's place of primary
35 use.

36 c. Except as provided in subdivision b of this section, a home service
37 provider may treat the address used by the home service provider for
38 purposes of this chapter for the last taxable period beginning before
39 August first, two thousand two, for any customer under a service
40 contract or agreement in effect on July twenty-eighth, two thousand two
41 as that customer's place of primary use for the remaining term of such
42 service contract or agreement, excluding any extension or renewal of
43 such service contract or agreement.

44 § 11-1120 Assignment of place of primary use of telecommunications
45 services to the city. a. If an electronic database meeting the require-
46 ments of subsection a of section one hundred nineteen of title four of
47 the United States Code is provided by the state of New York, or by a
48 designated database provider as defined in subsection three of section
49 one hundred twenty-four of such title, and the requirements of
50 subsection b of such section one hundred nineteen are met, a home
51 service provider shall use that database to determine whether the
52 customer's place of primary use is within the territorial limits of the
53 city and shall reflect changes to such database in accordance with
54 subsection c of such section one hundred nineteen.

55 b. A home service provider using the data contained in an electronic
56 database described in subdivision a of this section shall be held harm-

1 less from any tax liability that otherwise would be due under this chap-
2 ter solely as a result of any error or omission in such database
3 provided the home service provider has properly reflected changes to
4 such database in accordance with subsection c of section one hundred
5 nineteen of title four of the United States Code.

6 c. (1) If no electronic database is provided as described in subdivi-
7 sion a of this section, a home service provider shall be held harmless
8 from any tax liability under this chapter that otherwise would be due
9 solely as a result of an assignment of a street address to an incorrect
10 taxing jurisdiction if, subject to subdivision d of this section, the
11 home service provider employs an enhanced zip code to assign each street
12 address to a specific taxing jurisdiction for each level of taxing
13 jurisdiction and exercises due diligence at each level of taxing juris-
14 diction to ensure that each such street address is assigned to the
15 correct taxing jurisdiction. If an enhanced zip code overlaps boundaries
16 of taxing jurisdictions of the same level, the home service provider
17 must designate one specific jurisdiction within such enhanced zip code
18 for use in taxing the activity for such enhanced zip code for each level
19 of taxing jurisdiction. Any enhanced zip code assignment changed in
20 accordance with subdivision d of this section is deemed to be in compli-
21 ance with this subdivision. For purposes of this subdivision, there is a
22 rebuttable presumption that a home service provider has exercised due
23 diligence if such home service provider demonstrates that it has: (i)
24 expended reasonable resources to implement and maintain an appropriately
25 detailed electronic database of street address assignments to taxing
26 jurisdictions; (ii) implemented and maintained reasonable internal
27 controls to promptly correct misassignments of street addresses to
28 taxing jurisdictions; and (iii) used all reasonably obtainable and
29 usable data pertaining to municipal annexations, incorporations, reor-
30 ganizations and any other changes in jurisdictional boundaries that
31 materially affect the accuracy of such database.

32 (2) Paragraph one of this subdivision applies to a home service
33 provider that is in compliance with the requirements of such paragraph
34 until the later of: (i) eighteen months after the nationwide standard
35 numeric code described in subsection (a) of section one hundred nineteen
36 of title four of the United States Code has been approved by the feder-
37 ation of tax administrators and the multistate tax commission; or (ii)
38 six months after the state of New York or a designated database provider
39 provides a database as prescribed in subdivision a of this section.

40 d. The commissioner of finance, or the commissioner of taxation and
41 finance of the state of New York on behalf of the commissioner of
42 finance, may determine that the assignment of a street address to a
43 taxing jurisdiction by a home service provider under subdivision c of
44 this section does not reflect the correct taxing jurisdiction and give
45 binding notice to the home service provider to change the assignment on
46 a prospective basis from the date of notice of determination if: (1)
47 where the determination is made by the commissioner of finance, such
48 commissioner obtains the consent of all affected taxing jurisdictions
49 within this state before giving such notice of determination; and (2)
50 the home service provider is given an opportunity to demonstrate in
51 accordance with applicable procedures established by the commissioner of
52 finance making the determination that the assignment reflects the
53 correct taxing jurisdiction.

§ 11-1202 Imposition of tax. A tax is hereby imposed on all admissions to running horse race meetings conducted at race meeting grounds or enclosures located wholly or partly within the city of Staten Island at the rate of three percent of the admission price. The racing association or corporation conducting a running horse race meeting shall, in addition to the admission price, collect such tax on all tickets sold or otherwise disposed of to patrons for admission with the sole exception of those issued free passes, cards or badges in accordance with the specific authority of the laws of the state of New York. In case of failure to collect such tax the tax shall be imposed on the racing corporation or association conducting such meeting.

§ 11-1203 Payment of the tax. a. The tax imposed by this chapter shall be paid by the racing corporation or association to the commissioner of finance daily after each day of each race meeting, by depositing it to the account of the city in such bank or banks as may be designated by the city in accordance with the provisions of section four hundred twenty-one of the charter of the preceding municipality as it existed January first, nineteen hundred ninety-four or at such regular intervals as the commissioner of finance may require.

b. The amount of the tax paid on admissions pursuant to this chapter shall be the property of the city of Staten Island and shall be held by the racing corporation or association as trustee for and on account of the city of Staten Island and the racing corporation or association shall be liable for the tax. Officers of the racing corporation or association shall be personally liable for the tax collected or required to be collected hereunder.

c. Every racing corporation or association conducting running horse race meetings at race meeting grounds or enclosures located wholly or partly within the city of Staten Island shall, on or before April first,

1 nineteen hundred fifty-two and annually thereafter, before the opening
2 of any race meeting in each year, execute and file with the commissioner
3 of finance a bond issued by a surety company authorized to transact
4 business in this state and approved by the superintendent of insurance
5 of this state as to solvency and responsibility in an amount sufficient
6 to secure the payment of the taxes and/or penalties and interest due or
7 which may become due pursuant to this section, to be fixed by the
8 commissioner of finance.

9 § 11-1204 Returns. a. Every racing corporation or association
10 shall file with the commissioner of finance daily after each day of each
11 race meeting or at such regular intervals as the commissioner of finance
12 may require and upon such forms as shall be prescribed by the commis-
13 sioner of finance a return showing the taxes collected pursuant to this
14 chapter and the number of persons admitted to meetings conducted by the
15 racing corporation or association during the periods covered by the
16 return, together with any and all other information which the commis-
17 sioner of finance shall require to be included and reported in such
18 return. The commissioner of finance may require at any time supple-
19 mental or amended returns of such additional information or data as he
20 or she may specify.

21 b. Every return required pursuant to this section shall have annexed
22 thereto an affidavit of an officer of the racing corporation or associ-
23 ation to the effect that the statements contained therein are true.

24 § 11-1205 Records to be kept and audits by commissioner of finance.
25 Every racing corporation or association shall keep such records as may
26 be prescribed by the commissioner of finance, of all admissions and
27 taxes collected pursuant to this chapter. Such records shall be avail-
28 able for inspection and examination at any time upon demand by the
29 commissioner of finance or the commissioner's duly authorized agents or
30 employees, and such records shall be preserved for a period of three
31 years, except that the commissioner of finance may consent to their
32 destruction within that period, and may require that they be kept longer
33 than three years.

34 § 11-1206 Determination of tax. If a return required by this chapter
35 is not filed, or if a return when filed is incorrect or insufficient the
36 amount of tax due shall be determined by the commissioner of finance
37 from such information as may be obtainable and, if necessary, the tax
38 may be estimated on the basis of external indices, such as number of
39 race meetings held, admissions, paid attendance, and/or other factors.
40 Notice of such determination shall be given to the person liable for the
41 collection and/or payment of the tax. Such determination shall finally
42 and irrevocably fix the tax unless the person against whom it is
43 assessed, within ninety days after giving the notice of such determi-
44 nation, or, if the commissioner of finance has established a concil-
45 iation procedure pursuant to section 11-124 of this title and the
46 taxpayer has requested a conciliation conference in accordance there-
47 with, within ninety days from the mailing of a conciliation decision or
48 the date of the commissioner's confirmation of the discontinuance of the
49 conciliation proceeding, both (1) serves a petition upon the commis-
50 sioner of finance and (2) files a petition with the tax appeals tribunal for
51 a hearing, or unless the commissioner of finance of his or her own
52 motion shall redetermine the same. Such hearing and any appeal to the
53 tax appeals tribunal sitting en banc from the decision rendered in such
54 hearing shall be conducted in the manner and subject to the requirements
55 prescribed by the tax appeals tribunal pursuant to sections one hundred
56 sixty-eight through one hundred seventy-two of the charter of the

1 preceding municipality as it existed January first, nineteen hundred
2 ninety-four. After such hearing the tax appeals tribunal shall give
3 notice of its decision to the person liable for the tax and to the
4 commissioner of finance. A decision of the tax appeals tribunal sitting
5 en banc shall be reviewable for error, illegality or unconstitutionality
6 or any other reason whatsoever by a proceeding under article seventy-
7 eight of the civil practice law and rules if application therefor is
8 made to the supreme court by the person against whom the tax was
9 assessed within four months after the giving of the notice of such tax
10 appeals tribunal decision. A proceeding under article seventy-eight of
11 the civil practice law and rules shall not be instituted by a person
12 liable for the tax unless the amount of any tax sought to be reviewed
13 with interest and penalties thereon, if any, shall be first deposited
14 with the commissioner of finance and there shall be filed with the
15 commissioner of finance an undertaking, issued by a surety company
16 authorized to transact business in this state and approved by the super-
17 intendent of insurance of this state as to solvency and responsibility,
18 in such amount as a justice of the supreme court shall approve to the
19 effect that if such proceeding be dismissed or the tax confirmed, such
20 person will pay all costs and charges which may accrue in the prose-
21 cution of the proceeding, or at the option of such person such undertak-
22 ing filed with the commissioner of finance may be in a sum sufficient to
23 cover the taxes, penalties and interest thereon stated in such decision
24 plus the costs and charges which may accrue against it in the prose-
25 cution of the proceeding, in which event such person shall not be
26 required to deposit such taxes, penalties and interest as a condition
27 precedent to the application.

28 § 11-1207 Refunds. a. In the manner provided in this section the
29 commissioner of finance shall refund or credit, without interest, any
30 tax, penalty or interest erroneously, illegally, or unconstitutionally
31 collected or paid if application to the commissioner of finance for such
32 refund shall be made within one year from the payment thereof. Whenever
33 a refund or credit is made or denied by the commissioner of finance, he
34 or she shall state his or her reason therefor and give notice thereof to
35 the applicant in writing. The commissioner of finance may, in lieu of
36 any refund required to be made, allow credit therefor on payments due
37 from the applicant.

38 b. Any determination of the commissioner of finance denying a refund
39 or credit pursuant to subdivision a of this section shall be final and
40 irrevocable unless the applicant for such refund or credit, within nine-
41 ty days from the mailing of notice of such determination, or, if the
42 commissioner of finance has established a conciliation procedure, pursu-
43 ant to section 11-124 of this title and the applicant has requested a
44 conciliation conference in accordance therewith, within ninety days of
45 the mailing of a conciliation decision or the date of the commissioner's
46 confirmation of the discontinuance of the conciliation proceeding, both
47 (1) serves a petition upon the commissioner of finance and (2) files a
48 petition with the tax appeals tribunal for a hearing. Such petition for
49 a refund or credit, made as provided under this section, shall be deemed
50 an application for a revision of any tax, penalty or interest complained
51 of. Such hearing and any appeal to the tax appeals tribunal sitting en
52 banc from the decision rendered in such hearing shall be conducted in
53 the manner and subject to the requirements prescribed by the tax appeals
54 tribunal pursuant to section one hundred sixty-eight through one hundred
55 seventy-two of the charter of the preceding municipality as it existed
56 January first, nineteen hundred ninety-four. After such hearing, the tax

1 appeals tribunal shall give notice of its decision to the applicant and
2 to the commissioner of finance. The applicant shall be entitled to
3 institute a proceeding pursuant to article seventy-eight of the civil
4 practice law and rules to review a decision of the tax appeals tribunal
5 sitting en banc, provided such proceeding is instituted within four
6 months after the giving of the notice of such decision, and provided, in
7 the case of an application by a person liable for the tax, that a final
8 determination of tax due was not previously made. Such a proceeding
9 shall not be instituted by a person liable for the tax unless an under-
10 taking is filed with the commissioner of finance in such amount and with
11 such sureties as a justice of the supreme court shall approve to the
12 effect that if such proceeding be dismissed or the tax confirmed, such
13 person will pay all costs and charges which may accrue in the prose-
14 cution of such proceeding.

15 c. A person shall not be entitled to a revision, refund or credit
16 under this section of a tax, interest or penalty which has been deter-
17 mined to be due pursuant to the provisions of section 11-1206 of this
18 chapter where such person has had a hearing or an opportunity for a
19 hearing, as provided in said section, or has failed to avail himself or
20 herself of the remedies therein provided. No refund or credit shall be
21 made of a tax, interest or penalty paid after a determination by the
22 commissioner of finance made pursuant to section 11-1206 of this chapter
23 unless it be found that such determination was erroneous, illegal or
24 unconstitutional or otherwise improper, by the tax appeals tribunal
25 after a hearing or of the commissioner's own motion, or, if such tax
26 appeals tribunal affirms in whole or in part the determination of the
27 commissioner of finance, in a proceeding under article seventy-eight of
28 the civil practice law and rules, pursuant to the provisions of said
29 section, in which event refund or credit without interest shall be made
30 of the tax, interest or penalty found to have been overpaid.

31 § 11-1208 Reserves. In cases where a person has applied for a
32 refund and has instituted a proceeding under article seventy-eight of
33 the civil practice law and rules to review a determination adverse to
34 such person on his or her application for refund, the comptroller shall
35 set up appropriate reserves to meet any decision adverse to the city.

36 § 11-1209 Remedies exclusive. The remedies provided by sections
37 11-1206 and 11-1207 of this chapter shall be exclusive remedies avail-
38 able to any person for the review of tax liability imposed by this chap-
39 ter, and no determination or proposed determination of tax or determi-
40 nation on any application for refund by the commissioner of finance, nor
41 any decision by the tax appeals tribunal or any of its administrative
42 law judges, shall be enjoined or reviewed by an action for declaratory
43 judgment, an action for money had and received or by any action or
44 proceeding other than, in the case of a decision by the tax appeals
45 tribunal sitting en banc, a proceeding in the nature of a certiorari
46 proceeding under article seventy-eight of the civil practice law and
47 rules; provided, however, that such person may proceed by declaratory
48 judgment if such person institutes suit within ninety days after a defi-
49 ciency assessment is made and pays the amount of the deficiency assess-
50 ment to the commissioner of finance prior to the institution of such
51 suit and posts a bond for costs as provided in section 11-1206 of this
52 chapter.

53 § 11-1210 Proceedings to recover tax. a. Whenever any racing
54 corporation or association or any of its officers or any other person
55 shall fail to collect and pay over any tax or to pay any tax, penalty or
56 interest imposed by this chapter as therein provided, the corporation

1 counsel shall, upon the request of the commissioner of finance bring or
2 cause to be brought an action to enforce the payment of the same on
3 behalf of the city of Staten Island in any court of the state of New
4 York or of any other state or of the United States. If, however, the
5 commissioner of finance in his or her discretion believes that a person
6 subject to the provisions of this chapter is about to cease business,
7 leave the state or remove or dissipate the assets out of which the tax
8 or penalties might be satisfied, and that any such tax or penalty will
9 not be paid when due, the commissioner of finance may declare such tax
10 or penalty to be immediately due and payable and may issue a warrant
11 immediately.

12 b. As an additional or alternate remedy, the commissioner of finance
13 may issue a warrant, directed to the city sheriff commanding the sheriff
14 to levy upon and sell the real and personal property of the racing
15 corporation or association or its officers or any other person which may
16 be found within the city, for the payment of the amount thereof, with
17 any penalties and interest, and the cost of executing the warrant, and
18 to return such warrant to the commissioner of finance and to pay to the
19 commissioner of finance the money collected by virtue thereof within
20 sixty days after the receipt of such warrant. The city sheriff shall
21 within five days after the receipt of the warrant file with the county
22 clerk a copy thereof, and thereupon such clerk shall enter in the judg-
23 ment docket the name of the person mentioned in the warrant and the
24 amount of the tax, penalties and interest for which the warrant is
25 issued and the date when such copy is filed. Thereupon the amount of
26 such warrant so docketed shall become a lien upon the title to and
27 interest in real and personal property of the person against whom the
28 warrant is issued. The city sheriff shall then proceed upon the warrant
29 in the same manner, and with like effect, as that provided by law in
30 respect to executions issued against property upon judgments of a court
31 of record and for services in executing the warrants the city sheriff
32 shall be entitled to the same fees, which the city sheriff may collect
33 in the same manner. In the discretion of the commissioner of finance a
34 warrant of like terms, force and effect may be issued and directed to
35 any officer or employee of the department of finance, and in the
36 execution thereof such officer or employee shall have all the powers
37 conferred by law upon sheriffs, but shall be entitled to no fee or
38 compensation in excess of the actual expenses paid in the performance of
39 such duty. If a warrant is returned not satisfied in full, the commis-
40 sioner of finance may from time to time issue new warrants and shall
41 also have the same remedies to enforce the amount due thereunder as if
42 the city had recovered judgment therefor and execution thereon had been
43 returned unsatisfied.

44 c. Whenever a corporation or association shall make a sale, transfer
45 or assignment in bulk or any part or the whole of its race meeting
46 grounds or enclosures and the building and structures thereon, or its
47 lease, license or other agreement or right to possess or operate such
48 race meeting grounds or enclosures or of the equipment, machinery,
49 fixtures or supplies, or of the said race meeting grounds or enclosures
50 and the building and structures thereon, or lease, license or other
51 agreement or right to possess or operate such race meeting grounds or
52 enclosures, and the equipment, machinery, fixtures or supplies pertain-
53 ing to the conduct or the operation of the said race meeting grounds or
54 enclosures, otherwise than in the ordinary course of trade and in the
55 regular prosecution of said business, the purchaser, transferee or
56 assignee shall at least ten days before taking possession of such race

1 meeting grounds or enclosures and the building and structures thereon,
2 or lease, license or other agreement or right to possess or operate such
3 race meeting grounds or enclosures or the equipment, machinery, fixtures
4 or supplies, or of the said race meeting grounds or enclosures and the
5 building and structures thereon, or lease, license or other agreement or
6 right to possess or operate such race meeting grounds or enclosures, and
7 the equipment, machinery, fixtures or supplies or paying thereof, notify
8 the commissioner of finance by registered mail of the proposed sale and
9 of the price, terms and conditions thereof whether or not the seller,
10 transferor or assignor, has represented to, or informed the purchaser,
11 transferee or assignee that it owes any tax pursuant to this chapter and
12 whether or not the purchaser, transferee or assignee has knowledge that
13 such taxes are owing, and whether any such taxes are in fact owing.

14 Whenever the purchaser, transferee or assignee shall fail to give
15 notice to the commissioner of finance as required by the opening para-
16 graph of this subdivision, or whenever the commissioner of finance shall
17 inform the purchaser, transferee or assignee that a possible claim for
18 such tax or taxes exists, any sums of money, property or choses in
19 action, or other consideration, which the purchaser, transferee or
20 assignee is required to transfer over to the seller, transferor or
21 assignor shall be subject to a first priority right and lien for any
22 such taxes theretofore or thereafter determined to be due from the sell-
23 er, transferor or assignor to the city, and the purchaser, transferee or
24 assignee is forbidden to transfer to the seller, transferor or assignor
25 any such sums of money, property or choses in action to the extent of
26 the amount of the city's claim. For failure to comply with the
27 provisions of this subdivision, the purchaser, transferee or assignee,
28 in addition to being subject to the liabilities and remedies imposed
29 under the provisions of former article six of the uniform commercial
30 code, shall be personally liable for the payment to the city of any such
31 taxes theretofore or thereafter determined to be due to the city from
32 the seller, transferor or assignor, and such liability may be assessed
33 and enforced in the same manner as the liability for tax under this
34 chapter.

35 d. The commissioner of finance, if he or she finds that the interests
36 of the city will not thereby be jeopardized, and upon such conditions as
37 the commissioner of finance may require, may release any property from
38 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
39 tions to tax, penalties and interest filed pursuant to subdivision b of
40 this section, and such release or vacating of the warrant may be
41 recorded in the office of any recording officer in which such warrant
42 has been filed. The clerk shall thereupon cancel and discharge as of the
43 original date of docketing the vacated warrant.

44 § 11-1211 General powers of the commissioner of finance. In addition
45 to the powers granted to the commissioner of finance in this chapter,
46 such commissioner is hereby authorized and empowered:

47 1. To make, adopt and amend rules and regulations appropriate to the
48 carrying out of this chapter and the purposes thereof;

49 2. To extend, for cause shown, the time for filing any return for a
50 period not exceeding thirty days; and to compromise disputed claims in
51 connection with the taxes hereby imposed;

52 3. To request information from the racing commission and the tax
53 commission of the state of New York, or any other state or the treasury
54 department of the United States relative to any person; and to afford
55 information to such commission or such treasury department relative to

1 any person, any other provision of this chapter to the contrary notwith-
2 standing;

3 4. To delegate his or her functions under this section to a deputy
4 commissioner of finance or any employee or employees of the department
5 of finance;

6 5. To prescribe methods for determining the amount of the admissions
7 and for determining the tax;

8 6. To require racing corporations or associations to keep detailed
9 records of all race meetings and all attendance thereat, and to furnish
10 such information upon request to the commissioner of finance;

11 7. To require that the amount of the tax be printed, separate from
12 the price of admission, on tickets of admission.

13 § 11-1212 Administration of oaths and compelling testimony. a. The
14 commissioner of finance, his or her employees or agents duly designated
15 and authorized by the commissioner of finance, the tax appeals tribunal
16 and any of its duly designated and authorized employees or agents shall
17 have power to administer oaths and take affidavits in relation to any
18 matter or proceeding in the exercise of their powers and duties under
19 this chapter. The commissioner of finance and the tax appeals tribunal
20 shall have power to subpoena and require the attendance of witnesses and
21 the production of books, papers and documents to secure information
22 pertinent to the performance of the duties of the commissioner or of the
23 tax appeals tribunal under this section and of the enforcement of this
24 chapter and to examine them in relation thereto, and to issue commis-
25 sions for the examination of witnesses who are out of the state or
26 unable to attend before the commissioner of finance or the tax appeals
27 tribunal or excused from attendance.

28 b. A justice of the supreme court either in court or at chambers shall
29 have power summarily to enforce by proper proceedings the attendance and
30 testimony of witnesses and the production and examination of books,
31 papers and documents called for by the subpoena of the commissioner of
32 finance or the tax appeals tribunal under this chapter.

33 c. Cross-reference; criminal penalties. For failure to obey subpoenas
34 or for testifying falsely, see section 11-4007 of this title; for
35 supplying false or fraudulent information, see section 11-4009 of this
36 title.

37 d. The officers who serve the summons or subpoena of the commissioner
38 of finance or the tax appeals tribunal and witnesses attending in
39 response thereto shall be entitled to the same fees as are allowed to
40 officers and witnesses in civil cases in courts of record, except as
41 herein otherwise provided. Such officers shall be the city sheriff and
42 his or her duly appointed deputies, or any officers or employees of the
43 department of finance or the tax appeals tribunal, designated to serve
44 such process.

45 § 11-1213 Interest and penalties. (a) Interest on underpayments. If
46 any amount of tax is not paid over or paid on or before the last date
47 prescribed for payment, without regard to any extension of time granted
48 for payment, interest on such amount at the rate set by the commissioner
49 of finance pursuant to subdivision (g) of this section, or, if no rate
50 is set, at the rate of seven and one-half percent per annum, shall be
51 paid for the period from such last date to the date of payment. In
52 computing the amount of interest to be paid, such interest shall be
53 compounded daily. Interest under this subdivision shall not be paid if
54 the amount thereof is less than one dollar.

55 (b) (1) Failure to file return. (A) In case of failure to file a
56 return under this chapter on or before the prescribed date, determined

1 with regard to any extension of time for filing, unless it is shown that
2 such failure is due to reasonable cause and not due to willful neglect,
3 there shall be added to the amount required to be shown as tax on such
4 return five percent of the amount of such tax if the failure is for not
5 more than one month, with an additional five percent for each additional
6 month or fraction thereof during which such failure continues, not
7 exceeding twenty-five percent in the aggregate.

8 (B) In the case of a failure to file a return of tax within sixty days
9 of the date prescribed for filing of such return, determined with regard
10 to any extension of time for filing, unless it is shown that such fail-
11 ure is due to reasonable cause and not due to willful neglect, the addi-
12 tion to tax under subparagraph (A) of this paragraph shall not be less
13 than the lesser of one hundred dollars or one hundred percent of the
14 amount required to be shown as tax on such return.

15 (C) For purposes of this paragraph, the amount of tax required to be
16 shown on the return shall be reduced by the amount of any part of the
17 tax which is paid on or before the date prescribed for payment of the
18 tax and by the amount of any credit against the tax which may be claimed
19 upon the return.

20 (2) Failure to pay tax shown on return. In case of failure to pay the
21 amount shown as tax on a return required to be filed under this chapter
22 on or before the prescribed date, determined with regard to any exten-
23 sion of time for payment, unless it is shown that such failure is due to
24 reasonable cause and not due to willful neglect, there shall be added to
25 the amount shown as tax on such return one-half of one percent of the
26 amount of such tax if the failure is not for more than one month, with
27 an additional one-half of one percent for each additional month or frac-
28 tion thereof during which such failure continues, not exceeding twenty-
29 five percent in the aggregate. For the purpose of computing the addition
30 for any month the amount of tax shown on the return shall be reduced by
31 the amount of any part of the tax which is paid on or before the begin-
32 ning of such month and by the amount of any credit against the tax which
33 may be claimed upon the return. If the amount of tax required to be
34 shown on a return is less than the amount shown as tax on such return,
35 this paragraph shall be applied by substituting such lower amount.

36 (3) Failure to pay tax required to be shown on return. In case of
37 failure to pay any amount in respect of any tax required to be shown on
38 a return required to be filed under this chapter which is not so shown,
39 including a determination made pursuant to section 11-1206 of this chap-
40 ter, within ten days of the date of a notice and demand therefor, unless
41 it is shown that such failure is due to reasonable cause and not due to
42 willful neglect, there shall be added to the amount of tax stated in
43 such notice and demand one-half of one percent of such tax if the fail-
44 ure is not for more than one month, with an additional one-half of one
45 percent for each additional month or fraction thereof during which such
46 failure continues, not exceeding twenty-five percent in the aggregate.
47 For the purpose of computing the addition for any month, the amount of
48 tax stated in the notice and demand shall be reduced by the amount of
49 any part of the tax which is paid before the beginning of such month.

50 (4) Limitations on additions. (A) With respect to any return, the
51 amount of the addition under paragraph one of this subdivision shall be
52 reduced by the amount of the addition under paragraph two of this subdivi-
53 sion for any month to which an addition applies under both paragraphs
54 one and two. In any case described in subparagraph (B) of paragraph one
55 of this subdivision, the amount of the addition under such paragraph one
56 shall not be reduced below the amount provided in such subparagraph.

1 (B) With respect to any return, the maximum amount of the addition
2 permitted under paragraph three of this subdivision shall be reduced by
3 the amount of the addition under paragraph one of this subdivision,
4 determined without regard to subparagraph (B) of such paragraph one,
5 which is attributable to the tax for which the notice and demand is made
6 and which is not paid within ten days of such notice and demand.

7 (c) Underpayment due to negligence. (1) If any part of an underpay-
8 ment of tax is due to negligence or intentional disregard of this chap-
9 ter or any rules or regulations hereunder, but without intent to
10 defraud, there shall be added to the tax a penalty equal to five percent
11 of the underpayment.

12 (2) There shall be added to the tax, in addition to the amount deter-
13 mined under paragraph one of this subdivision, an amount equal to fifty
14 percent of the interest payable under subdivision (a) of this section
15 with respect to the portion of the underpayment described in such para-
16 graph one which is attributable to the negligence or intentional disre-
17 gard referred to in such paragraph one, for the period beginning on the
18 last date prescribed by law for payment of such underpayment, determined
19 without regard to any extension, and ending on the date of the assess-
20 ment of the tax, or, if earlier, the date of the payment of the tax.

21 (d) Underpayment due to fraud. (1) If any part of an underpayment of
22 tax is due to fraud, there shall be added to the tax a penalty equal to
23 fifty percent of the underpayment.

24 (2) There shall be added to the tax, in addition to the penalty deter-
25 mined under paragraph one of this subdivision, an amount equal to fifty
26 percent of the interest payable under subdivision (a) of this section
27 with respect to the portion of the underpayment described in such para-
28 graph one which is attributable to fraud, for the period beginning on
29 the last day prescribed by law for payment of such underpayment, deter-
30 mined without regard to any extension, and ending on the date of the
31 assessment of the tax, or, if earlier, the date of the payment of the
32 tax.

33 (3) The penalty under this subdivision shall be in lieu of any other
34 addition to tax imposed by subdivision (b) or (c) of this section.

35 (e) Additional penalty. Any person who, with fraudulent intent, shall
36 fail to pay any tax imposed by this chapter, or to make, render, sign or
37 certify any return, or to supply any information within the time
38 required by or under this chapter, shall be liable for a penalty of not
39 more than one thousand dollars, in addition to any other amounts
40 required under this chapter to be imposed, assessed and collected by the
41 commissioner of finance. The commissioner of finance shall have the
42 power, in his or her discretion, to waive, reduce or compromise any
43 penalty under this subdivision.

44 (f) The interest and penalties imposed by this section shall be paid
45 and disposed of in the same manner as other revenues from this chapter.
46 Unpaid interest and penalties may be enforced in the same manner as the
47 tax imposed by this chapter.

48 (g)(1) Authority to set interest rates. The commissioner of finance
49 shall set the rate of interest to be paid pursuant to subdivision (a) of
50 this section, but if no such rate of interest is set, such rate shall be
51 deemed to be set at seven and one-half percent per annum. Such rate
52 shall be the rate prescribed in paragraph two of this subdivision but
53 shall not be less than seven and one-half percent per annum. Any such
54 rate set by the commissioner of finance shall apply to taxes, or any
55 portion thereof, which remain or become due on or after the date on
56 which such rate becomes effective and shall apply only with respect to

1 interest computed or computable for periods or portions of periods
2 occurring in the period in which such rate is in effect.

3 (2) General rule. The rate of interest set under this subdivision
4 shall be the sum of (i) the federal short-term rate as provided under
5 paragraph three of this subdivision, plus (ii) seven percentage points.

6 (3) Federal short-term rate. For purposes of this subdivision:

7 (A) The federal short-term rate for any month shall be the federal
8 short-term rate determined by the United States secretary of the treas-
9 ury during such month in accordance with subsection (d) of section
10 twelve hundred seventy-four of the internal revenue code for use in
11 connection with section six thousand six hundred twenty-one of the
12 internal revenue code. Any such rate shall be rounded to the nearest
13 full percent, or, if a multiple of one-half of one percent, such rate
14 shall be increased to the next highest full percent.

15 (B) Period during which rate applies.

16 (i) In general. Except as provided in clause (ii) of this subpara-
17 graph, the federal short-term rate for the first month in each calendar
18 quarter shall apply during the first calendar quarter beginning after
19 such month.

20 (ii) Special rule for the month of September, nineteen hundred eight-
21 y-nine. The federal short-term rate for the month of April, nineteen
22 hundred eighty-nine shall apply with respect to setting the rate of
23 interest for the month of September, nineteen hundred eighty-nine.

24 (4) Publication of interest rate. The commissioner of finance shall
25 cause to be published in the City Record, and give other appropriate
26 general notice of, the interest rate to be set under this subdivision no
27 later than twenty days preceding the first day of the calendar quarter
28 during which such interest rate applies. The setting and publication of
29 such interest rate shall not be included within paragraph (a) of subdi-
30 vision five of section one thousand forty-one of the city charter of the
31 preceding municipality as it existed January first, nineteen hundred
32 ninety-four relating to the definition of a rule.

33 (h) Miscellaneous. (1) Officers of a racing corporation or association
34 shall be personally liable for the tax collected or required to be
35 collected under this chapter, and subject to the penalties imposed by
36 this section.

37 (2) The certificate of the commissioner of finance to the effect that
38 a tax has not been paid, that a return or bond has not been filed, or
39 that information has not been supplied pursuant to the provisions of
40 this chapter, shall be presumptive evidence thereof.

41 (3) Cross-reference: For criminal penalties, see chapter forty of this
42 title.

43 § 11-1214 Returns to be secret. a. Except in accordance with proper
44 judicial order, or as otherwise provided by law, it shall be unlawful
45 for the commissioner of finance or the tax appeals tribunal or any offi-
46 cer or employee of the department of finance to divulge or make known in
47 any manner any of the information relating to the business of any person
48 contained in any return required under this chapter. The officers
49 charged with the custody of such returns shall not be required to
50 produce any of them or evidence of anything contained in them in any
51 action or proceeding in any court, except on behalf of the commissioner
52 of finance in an action or proceeding under the provisions of this chap-
53 ter, or on behalf of any party to any action or proceeding under the
54 provisions of this chapter, when the returns or facts shown thereby are
55 directly involved in such action or proceeding, in either of which
56 events the courts may require the production of, and may admit in

1 evidence, so much of said returns or of the facts shown thereby, as are
2 pertinent to the action or proceeding and no more. The commissioner of
3 finance may, nevertheless, publish a copy or a summary of any determi-
4 nation or decision rendered after a formal hearing held pursuant to
5 section 11-1206 or 11-1207 of this chapter. Nothing in this section
6 shall be construed to prohibit the delivery to a person or such person's
7 duly authorized representative of a certified copy of any return filed
8 by such person nor to prohibit the publication of statistics so classi-
9 fied as to prevent the identification of particular returns and the
10 items thereof, or the inspection by the corporation counsel or other
11 legal representatives of the city, or by the district attorney of Rich-
12 mond county, of the return of any person who shall bring action to set
13 aside or review the tax based thereon, or against whom an action or
14 proceeding has been instituted for the collection of a tax or penalty.
15 Returns shall be preserved for three years and thereafter until the
16 commissioner of finance permits them to be destroyed.

17 b. (1) Any officer or employee of the city who willfully violates the
18 provisions of subdivision a of this section shall be dismissed from
19 office and be incapable of holding any public office in this city for a
20 period of five years thereafter.

21 (2) Cross-reference: For criminal penalties, see chapter forty of this
22 title.

23 c. This section shall be deemed a state statute for purposes of para-
24 graph (a) of subdivision two of section eighty-seven of the public offi-
25 cers law.

26 d. Notwithstanding anything in subdivision a of this section to the
27 contrary, if a taxpayer has petitioned the tax appeals tribunal for
28 administrative review as provided in section one hundred seventy of the
29 charter of the preceding municipality as it existed January first, nine-
30 teen hundred ninety-four, the commissioner of finance shall be author-
31 ized to present to the tribunal any report or return of such taxpayer,
32 or any information contained therein or relating thereto, which may be
33 material or relevant to the proceeding before the tribunal. The tax
34 appeals tribunal shall be authorized to publish a copy or a summary of
35 any decision rendered pursuant to section one hundred seventy-one of the
36 charter of the preceding municipality as it existed January first, nine-
37 teen hundred ninety-four.

38 § 11-1215 Notices and limitations of time. a. Any notice author-
39 ized or required under the provisions of this chapter may be given by
40 mailing the same to the person for whom it is intended in a postpaid
41 envelope addressed to such person at the address given in the last
42 return filed by such person pursuant to the provisions of this chapter
43 or in any application made by such person or if no return has been filed
44 or application made, then to such address as may be obtainable. The
45 mailing of such notice shall be presumptive evidence of the receipt of
46 the same by the person to whom addressed. Any period of time which is
47 determined according to the provisions of this chapter by the giving of
48 notice shall commence to run from the date of mailing of such notice.

49 b. The provisions of the civil practice law and rules or any other
50 law relative to limitations of time for the enforcement of a civil reme-
51 dy shall not apply to any proceeding or action taken by the city to
52 levy, appraise, assess, determine or enforce the collection of any tax
53 or penalty provided by this chapter. However, except in the case of a
54 wilfully false or fraudulent return with intent to evade the tax, no
55 assessment of additional tax shall be made after the expiration of more
56 than three years from the date of the filing of a return, provided, that

1 where no return has been filed as provided by law the tax may be
2 assessed at any time.

3 c. Where, before the expiration of the period prescribed under this
4 section for the assessment of an additional tax, a person has consented
5 in writing that such period be extended, the amount of such additional
6 tax due may be determined at any time within such extended period. The
7 period so extended may be further extended by subsequent consents in
8 writing made before the expiration of the extended period.

9 d. If any return, claim, statement, notice, application, or other
10 document required to be filed, or any payment required to be made, with-
11 in a prescribed period or on or before a prescribed date under authority
12 of any provision of this chapter is, after such period or such date,
13 delivered by United States mail to the commissioner of finance, the tax
14 appeals tribunal, bureau, office, officer or person with which or with
15 whom such document is required to be filed, or to which or to whom such
16 payment is required to be made, the date of the United States postmark
17 stamped on the envelope shall be deemed to be the date of delivery. This
18 subdivision shall apply only if the postmark date falls within the
19 prescribed period or on or before the prescribed date for the filing of
20 such document, or for making the payment, including any extension grant-
21 ed for such filing or payment, and only if such document or payment was
22 deposited in the mail, postage prepaid, properly addressed to the
23 commissioner of finance, bureau, office, officer or person with which or
24 with whom the document is required to be filed or to which or to whom
25 such payment is required to be made. If any document is sent by United
26 States registered mail, such registration shall be prima facie evidence
27 that such document was delivered to the commissioner of finance, the tax
28 appeals tribunal, bureau, office, officer or person to which or to whom
29 addressed, and the date of registration shall be deemed the postmark
30 date. The commissioner of finance or, where relevant, the tax appeals
31 tribunal is authorized to provide by regulation the extent to which the
32 provisions of the preceding sentence with respect to prima facie
33 evidence of delivery and the postmark date shall apply to certified
34 mail. Except as provided in subdivision f of this section, this subdivi-
35 sion shall apply in the case of postmarks not made by the United States
36 postal service only if and to the extent provided by regulation of the
37 commissioner of finance or, where relevant, the tax appeals tribunal.

38 e. When the last day prescribed under authority of this chapter,
39 including any extension of time, for performing any act falls on a
40 Saturday, Sunday or legal holiday in the state, the performance of such
41 act shall be considered timely if it is performed on the next succeeding
42 day which is not a Saturday, Sunday or legal holiday.

43 f. (1) Any reference in subdivision d of this section to the United
44 States mail shall be treated as including a reference to any delivery
45 service designated by the secretary of the treasury of the United States
46 pursuant to section seventy-five hundred two of the internal revenue
47 code and any reference in subdivision d of this section to a United
48 States postmark shall be treated as including a reference to any date
49 recorded or marked in the manner described in section seventy-five
50 hundred two of the internal revenue code by a designated delivery
51 service. If the commissioner of finance finds that any delivery service
52 designated by such secretary is inadequate for the needs of the city,
53 the commissioner of finance may withdraw such designation for purposes
54 of this title. The commissioner of finance may also designate additional
55 delivery services meeting the criteria of section seventy-five hundred
56 two of the internal revenue code for purposes of this title, or may

1 withdraw any such designation if the commissioner of finance finds that
2 a delivery service so designated is inadequate for the needs of the
3 city. Any reference in subdivision d of this section to the United
4 States mail shall be treated as including a reference to any delivery
5 service designated by the commissioner of finance and any reference in
6 subdivision d of this section to a United States postmark shall be
7 treated as including a reference to any date recorded or marked in the
8 manner described in section seventy-five hundred two of the internal
9 revenue code by a delivery service designated by the commissioner of
10 finance. Notwithstanding the provisions of this paragraph, any with-
11 drawal of designation or additional designation by the commissioner of
12 finance shall not be effective for purposes of service upon the tax
13 appeals tribunal, unless and until such withdrawal of designation or
14 additional designation is ratified by the president of the tax appeals
15 tribunal.

16 (2) Any equivalent of registered or certified mail designated by the
17 United States secretary of the treasury, or as may be designated by the
18 commissioner of finance pursuant to the same criteria used by such
19 secretary for such designations pursuant to section seventy-five hundred
20 two of the internal revenue code, shall be included within the meaning
21 of registered or certified mail as used in subdivision d of this
22 section. If the commissioner of finance finds that any equivalent of
23 registered or certified mail designated by such secretary or the commis-
24 sioner of finance is inadequate for the needs of the city, the commis-
25 sioner of finance may withdraw such designation for purposes of this
26 title. Notwithstanding the foregoing, any withdrawal of designation or
27 additional designation by the commissioner of finance shall not be
28 effective for purposes of service upon the tax appeals tribunal, unless
29 and until such withdrawal of designation or additional designation is
30 ratified by the president of the tax appeals tribunal.

31 § 11-1216 Disposition of revenues. All revenues resulting from the
32 imposition of the tax under this chapter at race meeting grounds or
33 enclosures located wholly within the city of Staten Island shall be
34 credited and deposited in the general fund of the city.

18 university or hospital, and is not offered for sale or sold to consumers
19 for any purpose.

20 § 11-1302 Imposition of tax. a. There is hereby imposed and shall
21 be paid a tax on:

22 1. All cigarettes possessed in the city for sale except as provided
23 in this section;

24 2. The use of all cigarettes in the city except as provided in this
25 section;

26 3. It is intended that the ultimate incidence of and liability for the
27 tax shall be upon the consumer, and that any agent, distributor or deal-
28 er who shall pay the tax to the commissioner of finance shall collect
29 the tax from the purchaser or consumer. Such tax shall be at the rate of
30 four cents for each ten cigarettes or fraction thereof, provided, howev-
31 er, that if a package of cigarettes contains more than twenty ciga-
32 rettes, the rate of tax on the cigarettes in such package in excess of
33 twenty shall be two cents for each five cigarettes or fraction thereof.
34 Provided further, however, that on and after July second, two thousand
35 two, such tax shall be at the rate of seventy-five cents for each ten
36 cigarettes or fraction thereof, provided, however, that if a package of
37 cigarettes contains more than twenty cigarettes, the rate of tax on the

48 tive agency of the United States;

49 4. Cigarettes possessed in the city by any agent or wholesale dealer
50 for sale to a dealer outside the city or for sale and shipment to any
51 person in another state for use there, provided such agent or wholesale
52 dealer complies with the regulations relating thereto.

53 c. The tax imposed under this section shall be in addition to any and
54 all other taxes.

55 d. It shall be presumed that all sales or uses mentioned in this
56 section are subject to tax until the contrary is established, and the

1 burden of proof that a sale or use is not taxable under this section
2 shall be upon the vendor or the purchaser.

3 e. Except as provided in this section, the tax shall be advanced and
4 paid by the agent or distributor. The agent shall be liable for the
5 collection and payment of the tax to the commissioner of finance by

21 as provided in this section shall be added to and collected as part of
22 the sales price of the cigarettes.

23 i. The commissioner of finance, notwithstanding any other provision
24 of this chapter, may, subject to the approval of the state commissioner
25 of taxation and finance, provide by regulation that the tax imposed by
26 this section shall be collected without the use of stamps.

27 § 11-1302.1. Imposition of tax on tobacco products. a. In accordance
28 with section one hundred ten of the public housing law, an excise tax on
29 the sale of tobacco products is hereby imposed and shall be paid on all
30 tobacco products possessed in the city for sale, except as provided
31 under this section. It is intended that the ultimate incidence of and
32 liability for the tax shall be upon the consumer. Any dealer or distrib-
33 utor who pays the tax to the commissioner of finance shall collect the
34 tax from the purchaser or consumer. Such tax shall be at the rate of ten
35 percent of the price floor for a package of the specified category of
36 tobacco product, exclusive of sales tax, set forth in the following
37 table, which shall be consistent with the price floors described in

18 b. The tax imposed hereunder shall not apply to:

19 1. The state of New York, or any public corporation, including a
20 public corporation created pursuant to agreement or compact with another
21 state or the Dominion of Canada, improvement district or other political
22 subdivision of the state where it is the purchaser, user or consumer;

23 2. The United States of America, in so far as it is immune from taxa-
24 tion;

25 3. The United Nations or other world-wide international organizations
26 of which the United States of America is a member;

27 4. Any corporation, or association, or trust, or community chest, fund
28 or foundation, organized and operated exclusively for religious, chari-
29 table, or educational purposes, or for the prevention of cruelty to
30 children or animals, no part of the net earnings of which inures to the
31 benefit of any private shareholder or individual, and no substantial
32 part of the activities of which is carrying on propaganda, or otherwise
33 attempting to influence legislation; provided, however, that nothing in
34 this paragraph shall include an organization operated for the primary
35 purpose of carrying on a trade or business for profit, whether or not
36 all of its profits are payable to one or more organizations described in
37 this paragraph; and

38 5. Tobacco products possessed in the city by any dealer for sale
39 outside the city or for sale and shipment to any person in another state
40 for use there, provided such dealer complies with the regulations relat-
41 ing thereto.

42 c. Nothing in subdivision b of this section shall exempt sales by any
43 shop or store operated by any college, university or other public or
44 private institution for higher education from the taxes described in
45 this section.

46 d. The tax imposed under this section shall be in addition to any and
47 all other taxes.

48 e. It shall be presumed that all sales mentioned in this section are
49 subject to tax until the contrary is established, and the burden of
50 proof that a sale is not taxable under this section shall be upon the
51 dealer or the purchaser.

1 f. 1. Except as provided in this subdivision, the tax shall be
2 advanced and paid by the wholesale dealer. The wholesale dealer shall be
3 liable for the collection and payment of the tax to the commissioner of
4 finance as required under subdivision g of this section. The commission-
5 er may require the wholesale dealer to keep tobacco products for which
6 the tax has not yet been paid separately from tobacco products for which
7 the tax has been paid. For purposes of this chapter, retention by the
8 wholesale dealer of any tobacco products beyond the time prescribed for
9 payment under this section, without having made the requisite payment,
10 or storing any such products in violation of any separation requirements
11 prescribed by the commissioner, shall be presumptive evidence that such
12 tobacco products are possessed in violation of the provisions of this
13 chapter.

14 2. Every retail dealer shall be liable for the tax on all tobacco
15 products in his or her possession at any time, upon which tax has not
16 been paid, and the failure of any retail dealer to produce and exhibit
17 to the commissioner of finance or such commissioner's duly authorized
18 representatives upon demand, an invoice by a licensed wholesale dealer
19 for any tobacco products in his or her possession, shall be presumptive
20 evidence the tax thereon has not been paid, that such retail dealer is
21 liable for the tax thereon, and the tobacco products are possessed in
22 violation of this chapter, unless evidence of such invoice or payment
23 shall later be produced.

24 g. 1. Each wholesale dealer shall file with the commissioner of
25 finance a return, on a form required by such commissioner, indicating
26 the amount of tax due pursuant to this section and any other information
27 the commissioner may require, on a monthly basis, or on such other regu-
28 lar interval as such commissioner may prescribe. Each wholesale dealer
29 shall file the return on the twentieth day of the month following the
30 end of the month or other interval covered by the return, unless the
31 commissioner of finance prescribes a greater number of days following
32 the end of the month or a different reporting interval. Each wholesale
33 dealer shall pay the amount of tax due upon filing the return unless the
34 commissioner prescribes a different date or time for such payment.

35 2. The commissioner of finance may:

36 (A) Authorize another person, including a distributor as defined in
37 subdivision twelve of section four hundred seventy of the tax law, who
38 is not a wholesale dealer, to advance and pay the tax imposed under this
39 section;

40 (B) Exempt wholesale dealers from the requirements of this subdivi-
41 sion, upon such conditions as may be imposed by such commissioner, if he
42 or she is satisfied the tax on the tobacco products has been or is being
43 advanced and paid by another wholesale dealer or a distributor author-
44 ized under this subdivision.

45 h. The amount of taxes advanced and paid by the wholesale dealer
46 pursuant to this section shall be added to and collected as part of the
47 sales price of the tobacco products.

48 § 11-1303 License. a. License required of wholesale and retail deal-
49 ers. 1. It shall be unlawful for a person to engage in business as a
50 wholesale or retail dealer without a license as prescribed in this
51 section or subchapter one of chapter two of title twenty of the code of
52 the preceding municipality, whichever is applicable.

53 2. It shall be unlawful for a person to permit any premises under such
54 person's control to be used by any other person in violation of para-
55 graph one of subdivision a of this section.

1 b. Application for license. 1. Wholesale tobacco license. In order to
2 obtain a license to engage in business as a wholesale dealer, a person
3 shall file application with the commissioner of finance for one license
4 for each place of business that he or she desires to have for the sale
5 of cigarettes or tobacco products in the city. Every application for a
6 wholesale tobacco license shall be made upon a form prescribed and
7 prepared by the commissioner of finance and shall set forth such infor-
8 mation as the commissioner shall require. The commissioner of finance
9 may, for cause, refuse to issue a wholesale tobacco license. Upon
10 approval of the application, the commissioner of finance shall grant and
11 issue to the applicant a wholesale tobacco license for each place of
12 business within the city set forth in the application. Wholesale tobacco
13 licenses shall not be assignable and shall be valid only for the persons
14 in whose names such licenses have been issued and for the transaction of
15 business in the places designated therein and shall at all times be
16 conspicuously displayed at the places for which issued.

17 2. Retail tobacco license. In order to obtain a license to engage in
18 business as a retail dealer, a person shall file application with the
19 commissioner of consumer affairs and worker protection in accordance
20 with the provisions of section 20-202 of the code of the preceding muni-
21 cipality.

22 c. Duplicate licenses. Whenever any license issued by the commissioner
23 of finance under the provisions of this section is defaced, destroyed or
24 lost, the commissioner of finance shall issue a duplicate license to the
25 holder of the defaced, destroyed or lost license upon the payment of a
26 fee of fifteen dollars. A duplicate retail dealer license may be
27 obtained from the commissioner of consumer and worker protection as
28 provided in section 20-204 of the code of the preceding municipality.

29 d. Suspension or revocation of licenses. (1) After a hearing, the
30 commissioner of finance may suspend or revoke a wholesale tobacco
31 license and the commissioner of consumer and worker protection, upon
32 notice from the commissioner of finance, may suspend or revoke a retail
33 tobacco license whenever the commissioner of finance finds that the
34 holder thereof has failed to comply with any of the provisions of this
35 chapter or any rules of the commissioner of finance prescribed, adopted
36 and promulgated under this chapter.

37 (2) The commissioner of finance may also suspend or revoke a wholesale
38 tobacco license in accordance with the requirements of any other
39 sections of this code or any rules promulgated thereunder which author-
40 izes the suspension or revocation of a wholesale tobacco license.

41 (3) The commissioner of consumer and worker protection may also
42 suspend or revoke a retail tobacco license in accordance with the
43 requirements of any other section of this code or any rules promulgated
44 thereunder which authorize suspension or revocation of a retail tobacco
45 license.

46 (4) Upon suspending or revoking any wholesale tobacco license, the
47 commissioner of finance shall direct the holder thereof to surrender to
48 the commissioner of finance immediately all wholesale tobacco licenses
49 or duplicates thereof issued to such holder and the holder shall surren-
50 der promptly all such licenses to the commissioner of finance as
51 directed. Before the commissioner of finance suspends or revokes a
52 wholesale tobacco license or notifies the commissioner of consumer and
53 worker protection of a finding of a violation of this chapter with
54 respect to a retail tobacco license pursuant to paragraph one of this
55 subdivision, the commissioner of finance shall notify the holder and the
56 holder shall be entitled to a hearing, if desired, if the holder, within

1 ninety days from the date of such notification, or, if the commissioner
2 of finance has established a conciliation procedure pursuant to section
3 11-124 of this title and the taxpayer has requested a conciliation
4 conference in accordance therewith, within ninety days from the mailing
5 of a conciliation decision or the date of the commissioner's confirma-
6 tion of the discontinuance of the conciliation proceeding, both (A)
7 serves a petition upon the commissioner of finance and (B) files a peti-
8 tion with the tax appeals tribunal for a hearing. After such hearing,
9 the commissioner of finance, good cause appearing therefor, may suspend
10 or revoke the wholesale tobacco license, and, in the case of a retail
11 tobacco license, notify the commissioner of consumer and worker
12 protection of a violation of this chapter or any rules promulgated ther-
13 eunder. Upon such notification, the commissioner of consumer and worker
14 protection may suspend or revoke a retail cigarette license as provided
15 in subdivision b of section 20-206 of the code of the preceding munici-
16 pality. The commissioner of finance may, by rule, provide for granting a
17 similar hearing to an applicant who has been refused a wholesale ciga-
18 rette license by the commissioner of finance.

19 e. Prohibited sales and purchases. No agent or dealer shall sell ciga-
20 rettes or tobacco products to an unlicensed wholesale or retail dealer,
21 or to a wholesale or retail dealer whose license has been suspended or
22 revoked.

23 No dealer shall purchase cigarettes or tobacco products from any
24 person other than a manufacturer or a licensed wholesale dealer.

25 f. Retail dealers. The commissioner of finance may, after hearing,
26 issue an order prohibiting a retail dealer from selling cigarettes, for
27 such period as the order shall specify, for failure to comply with any
28 of the provisions of this chapter or any rules or regulations of the
29 commissioner of finance prescribed, adopted and promulgated under this
30 chapter.

31 g. License fees; numbering and registering of licenses; term. 1. The
32 annual fee for a wholesale dealer's license shall be six hundred
33 dollars, and the annual fee for a retail dealer's license shall be as
34 provided in subdivision c of section 20-202 of the code of the preceding
35 municipality.

36 2. Wholesale tobacco licenses shall be regularly numbered and duly
37 registered.

38 3. Wholesale tobacco licenses shall expire on January thirty-first
39 next succeeding the date of issuance unless sooner suspended or revoked.

40 § 11-1304 Preparation and sale of stamps; commissions. a. The
41 commissioner of finance shall, subject to the approval of the state tax
42 commission, prescribe, prepare and furnish stamps of such denominations
43 and quantities as may be necessary for the payment of the tax imposed by
44 this chapter, and may, from time to time, provide for the issuance and
45 exclusive use of stamps of a new design and forbid the use of stamps of
46 any other design. Such stamps shall be in the form of a single stamp
47 for the payment of the tax imposed by this chapter or, in lieu thereof,
48 a joint single stamp to be prepared and issued by the state of New York
49 and the city for the payment of the tax imposed by this chapter and the
50 taxes imposed by article twenty of the tax law. The commissioner of
51 finance may make such arrangements with the state tax commission for the
52 method of acquiring and the manner of sharing the costs of such joint
53 single stamps as he or she deems appropriate. The commissioner of
54 finance, subject to the approval of the state commissioner of taxation
55 and finance, shall make provisions for the sale of such stamps at such

1 places as he or she may deem necessary, and may appoint fiscal agents
2 for such purpose.

3 b. The commissioner of finance may appoint wholesale dealers of ciga-
4 rettes and any other person within or without the city as agents to
5 affix stamps to be used in paying the tax hereby imposed, but an agent
6 shall at all times have the right to appoint the person in his or her
7 employ who is to affix the stamps to any cigarettes under the agent's
8 control. Whenever the commissioner of finance shall sell, consign or
9 deliver to any such agent any such stamps, such agent shall be entitled
10 to receive as compensation for his or her services and expenses in
11 affixing such stamps, and to retain out of the moneys to be paid by the
12 agent for such stamps, a commission on the par value thereof. The
13 commissioner of finance is hereby authorized to prescribe a schedule of
14 commissions not exceeding five per centum, allowable to such agent for
15 affixing such stamps; provided, however, that the commissioner of
16 finance may authorize commissions to agents and temporary agents not
17 exceeding ten per centum for a special period not exceeding fifteen days
18 immediately following the enactment of this chapter to cover the initial
19 stamping of packages of cigarettes. Such schedule shall be uniform for
20 each type and denomination of stamp used, and may be on a graduated
21 scale with respect to the number of stamps purchased. In the event that
22 a joint stamp is issued, the commissions allowed shall be determined
23 jointly by the state commissioner of taxation and finance and the
24 commissioner of finance and shall be based on the full par value of such
25 stamp. The extent to which the city and the state of New York shall
26 bear the expense of such commissions shall be determined by agreement
27 between the commissioner of taxation and finance and the commissioner
28 of finance. The commissioner of finance may in his or her discretion
29 permit an agent to pay for such stamps within thirty days after the date
30 of sale, consignment or delivery of such stamps to such agents, and may
31 require any such agent to file with the commissioner of finance a bond,
32 issued by a surety company approved by the superintendent of insurance
33 as to solvency and responsibility and authorized to transact business in
34 the state, in such amounts as the commissioner of finance may fix, to
35 secure the payment of any sums from such agent pursuant to this chapter.

36 c. The commissioner of finance may redeem unused stamps lawfully in
37 the possession of any person. No person shall sell or offer for sale
38 any stamp issued under this chapter, except by written permission of the
39 commissioner of finance. The commissioner of finance may prescribe
40 rules and regulations concerning refunds, sales of stamps and redemp-
41 tions under the provisions of this chapter.

42 d. (1) Except as provided in this subdivision, it shall be unlawful
43 for any person to sell, offer for sale, possess or transport any affixed
44 or unaffixed false, altered or counterfeit cigarette tax stamps,
45 imprints or impressions.

46 (2) Paragraph one of this subdivision shall not apply to:

47 (A) a person, other than a retail dealer, in possession of twenty or
48 fewer affixed tax stamps;

49 (B) public officers or employees in the performance of their official
50 duties requiring possession or control of affixed or unaffixed false,
51 altered or counterfeit cigarette tax stamps, imprints or impressions; or

52 (C) any person authorized by the commissioner of finance or the
53 commissioner of the department of taxation and finance of the state of
54 New York to perform law enforcement functions.

55 § 11-1305 Affixation and cancellation of stamps; presumptions. a.
56 Each agent shall affix to each package of cigarettes stamps evidencing

1 the payment of tax imposed by this chapter and shall cancel such stamps
2 prior to delivery of such cigarettes to any dealer in the city, unless
3 stamps have been affixed to such packages of cigarettes and cancelled
4 before such agent received them.

5 b. Each dealer, other than an agent, in the city shall immediately
6 upon the receipt of any cigarettes at his or her place of business mark
7 in ink on each unopened box, carton or other container of such ciga-
8 rettes the word "received" and the year, month, day and hour of such
9 receipt and shall affix his or her signature thereto or shall mark them
10 in any other manner prescribed by the commissioner of finance. In addi-
11 tion, each retail dealer shall, within twenty-four hours after receipt
12 of any cigarettes at his or her place of business and prior to exposing
13 for sale or sale by such retail dealer of such cigarettes, open such
14 box, carton or other container and, unless such stamps have been previ-
15 ously affixed, immediately notify the dealer from whom he or she
16 purchased such cigarettes and arrange for the replacement by the dealer
17 of such cigarettes by cigarettes with such stamps affixed within twen-
18 ty-four hours.

19 c. Stamps shall be cancelled in the manner prescribed by regulation.

20 d. Whenever any cigarettes are found in the place of business of a
21 dealer without the stamps affixed and cancelled, or not marked as having
22 been received within the preceding twenty-four hours, the prima facie
23 presumption shall arise that such cigarettes are kept therein in
24 violation of the provisions of this chapter.

25 e. Stamps shall be affixed to each package of cigarettes of an aggre-
26 gate denomination not less than the amount of the tax upon the contents
27 therein, and shall be affixed in such manner as to be visible to the
28 purchaser.

29 § 11-1306 Possession and transportation of unstamped cigarettes.
30 Every person who shall possess or transport upon the public highways,
31 roads or streets of this city more than four hundred cigarettes in
32 unstamped packages, shall be required to have in his or her actual
33 possession invoices or delivery tickets for such cigarettes. All such
34 invoices or delivery tickets shall show the true name and address of the
35 consignor or seller, the true name and address of the consignee or
36 purchaser and the quantity and brands of the cigarettes transported.
37 The absence of such invoices or delivery tickets shall be prima facie
38 evidence that such person is a dealer in cigarettes in the city and
39 subject to the provisions of this chapter.

40 § 11-1307 Records to be kept; examination. a. 1. At the time of
41 delivering cigarettes to any person in the city, each agent or wholesale
42 dealer shall make a true duplicate invoice showing the date of delivery,
43 the number of packages and the number of cigarettes contained therein in
44 each shipment of cigarettes delivered, and the name of the purchaser to
45 whom delivery is made, and shall retain the same for a period of three
46 years subject to the use and inspection of the commissioner of finance.
47 Each dealer shall procure and retain invoices showing the number of
48 packages and the number of cigarettes contained therein in each shipment
49 of cigarettes received by such dealer, the date thereof, and the name of
50 the shipper, and shall retain the same for a period of three years
51 subject to the use and inspection of the commissioner of finance.

52 2. At the time of delivering tobacco products to any person in the
53 city, each wholesale dealer shall make a true duplicate invoice showing
54 the date of delivery, the number of packages and the number of tobacco
55 products contained therein as well as any tobacco products not in pack-
56 ages in each shipment of tobacco products delivered, and the name of the

1 purchaser to whom delivery is made and shall retain the same for a peri-
2 od of three years subject to the use and inspection of the commissioner
3 of finance. Each dealer shall procure and retain invoices showing the
4 number of packages and the number of tobacco products contained therein
5 as well as any tobacco products not in packages in each shipment of
6 tobacco products received by such dealer, the date thereof, and the name
7 of the shipper, and shall retain the same for a period of three years
8 subject to the use and inspection of the commissioner of finance.

9 3. Each dealer shall retain any other records and in such form as may
10 be required by the commissioner of finance indicating proof of the
11 payment of the tax imposed under section 11-1302.1 of this chapter. Any
12 failure to provide such records upon request by the commissioner of
13 finance or such commissioner's duly authorized representatives shall be
14 presumptive evidence that the dealer has violated the provisions of this
15 chapter.

16 b. The commissioner of finance by regulation may provide that whenever
17 cigarettes or tobacco products are shipped into the city, the railroad
18 company, express company, trucking company, or carrier transporting any
19 shipment thereof shall file with the commissioner of finance a copy of
20 the freight bill within ten days after the delivery in the city of each
21 shipment.

22 c. All dealers shall maintain and keep for a period of three years
23 such other records of cigarettes or tobacco products received or sold
24 within the city as may be required by the commissioner of finance. All
25 wholesale dealers shall maintain and keep for a period of three years
26 such other records of cigarettes or tobacco products delivered within
27 the city.

28 d. Without limiting the powers granted the commissioner of consumer
29 and worker protection pursuant to title twenty of the code of the
30 preceding municipality and any rules promulgated thereunder, the commis-
31 sioner of finance or the commissioner's duly authorized representatives
32 are hereby authorized to examine the books, papers, invoices and other
33 records, and stock of cigarettes or tobacco products in and upon any
34 premises where the same are placed, stored and sold, and equipment of
35 any such agent or dealer pertaining to the sale and delivery of ciga-
36 rettes or tobacco products taxable under this chapter. To verify the
37 accuracy of the tax imposed and assessed by this chapter, each such
38 person is hereby directed and required to give to the commissioner of
39 finance or the commissioner's duly authorized representatives, the
40 means, facilities and opportunity for such examinations as are herein
41 provided for and required.

42 e. The commissioner of finance shall investigate any failure to pay
43 the tax required by this chapter or any other failure to comply with
44 this chapter or the rules or regulations promulgated thereunder, and
45 shall take the necessary steps to enforce compliance therewith.

46 § 11-1308 General powers of the commissioner of finance. In addition
47 to the powers granted to the commissioner of finance in this chapter, he
48 or she is hereby authorized and empowered:

49 1. To make, adopt and amend rules and regulations appropriate to the
50 carrying out of this chapter and the purposes thereof; and to require
51 the filing of reports by agents and/or dealers;

52 2. To prescribe the method and the means to be used in the cancella-
53 tion of stamps;

54 3. To fix the denominations and the method of sale of stamps;

55 4. To delegate his or her powers to a deputy or other employee or
56 employees of the department of finance;

1 5. To extend, for cause shown, the time for filing any return or
2 reports for a period not exceeding thirty days; and to compromise
3 disputed claims in connection with the taxes hereby imposed;

4 6. To assess, determine, revise and adjust the taxes imposed under
5 this chapter;

6 7. To request information from the state commissioner of taxation and
7 finance, the treasury department of the United States or the taxing
8 officials of any other state or city that imposes a similar tax to any
9 tax imposed by this chapter, and to afford information to such commis-
10 sion, department or other taxing official, any other provision of this
11 chapter to the contrary notwithstanding;

12 8. To enter into an arrangement with the state commissioner of taxa-
13 tion and finance with respect to cooperative collection, auditing or
14 administration of the taxes imposed by this chapter and the taxes
15 imposed by article twenty of the tax law of the state of New York.

16 9. To prescribe forms to be filled out by the vendor or purchaser, or
17 both, in each instance in which a sale is made by an agent or wholesale
18 dealer to a person outside the state or the city or to a dealer in the
19 city for purposes of resale outside the state or the city.

20 10. To appoint any dealer as a temporary agent to buy and affix
21 stamps for a period not in excess of fifteen days.

22 11. In furtherance of the purposes of paragraph three of subdivision
23 a of section 11-1302 of this chapter, to provide by appropriate regu-
24 lation for the maintenance of such differentials in wholesale and retail
25 prices of cigarettes sold by any vendor, other than the manufacturer, so
26 as to reflect the amounts of tax attributable to the tar and nicotine
27 content of cigarettes sold. In so doing he or she may use and consider
28 the factory price of various brands of cigarettes. In addition, the
29 commissioner may consider the mode or method by which retail sales are
30 effected and limit his or her regulations so as to affect any one or
31 more or all of such modes or methods.

32 § 11-1309 Notifying taxpayers of assessments. a. The owner of any
33 lot, piece or parcel of land in the city of Staten Island or any person
34 interested in such lot, piece or parcel, may file with the bureau of
35 city collections a statement containing a brief description of such
36 land, together with the section, block and lot number thereof, or such
37 other designation as at the time is established by the department of
38 finance, and a statement of the applicant's interest therein, together
39 with a written request that such lot, piece or parcel of land be regis-
40 tered in such bureau, in the name of the applicant. In such statement
41 the applicant shall designate a post office address to which notifica-
42 tions addressed to such applicant shall be sent. A brief description of
43 such lot, piece or parcel of land corresponding to the description ther-
44 eof in the statement so filed, together with the name of the applicant
45 and his or her post office address and the date of such application,
46 shall thereupon be registered in the offices of such bureau as herein-
47 after provided.

48 b. As soon as any assessment for a local improvement shall have been
49 confirmed, including assessments confirmed by a court of record, and the
50 list thereof shall have been entered and filed in the bureau of city
51 collections, such assessment list shall be examined and thereupon, with-
52 in twenty days after such entry there shall be mailed a notice addressed
53 to each person in whose name any lot, piece or parcel of land, affected
54 by such assessment, is registered, at the post office address registered
55 in the records of such bureau, which notice shall contain the brief
56 description of the lot, piece or parcel of land registered in the name

1 of the person to whom such notice is addressed, together with the amount
2 assessed thereon, date of entry, and title of the improvement for which
3 such assessment is made, and a statement of the rate of interest or
4 penalty imposed for the nonpayment of such assessment, and the date from
5 which the interest or penalty will be computed. Failure to comply with
6 the provisions of this section, however, shall in no manner affect the
7 validity or collectibility of any assessment heretofore or hereafter
8 confirmed, nor shall any claim arise or exist against the comptroller,
9 the commissioner of finance, the city collector or any officer of the
10 city by reason of such failure.

11 c. The city collector shall for the purpose of this section provide
12 appropriate records for each section of the city as the same shall
13 appear upon the tax maps of the city.

14 § 11-1310 Determination of tax. If any person fails to pay the tax, or
15 to file a return required by this chapter or if a return, when filed, is
16 insufficient and the maker fails to file a corrected or sufficient
17 return within ten days after the same may be required by notice from the
18 commissioner of finance, the commissioner of finance shall determine the
19 amount of tax due from such information as may be obtainable or on the
20 basis of external indices, such as number of cigarettes purchased or
21 sold, number of tobacco products purchased or sold, stock on hand,
22 volume of sales by similar dealers or other factors. Notice of such
23 determination shall be given to the person liable for the payment of the
24 tax. Such determination shall finally and irrevocably fix the tax unless
25 the person against whom it is assessed shall, within ninety days of the
26 giving of such notice, or, if the commissioner of finance has estab-
27 lished a conciliation procedure pursuant to section 11-124 of this title
28 and the person liable for the tax has requested a conciliation confer-
29 ence in accordance therewith, within ninety days from the mailing of a
30 conciliation decision or the date of the commissioner's confirmation of
31 the discontinuance of the conciliation proceeding, both (1) serves a
32 petition upon the commissioner of finance and (2) files a petition with
33 the tax appeals tribunal for a hearing, or unless the commissioner of
34 finance shall of his or her own motion redetermine such tax. Such hear-
35 ing and any appeal to the tax appeals tribunal sitting en banc from the
36 decision rendered in such hearing shall be conducted in the manner and
37 subject to the requirements prescribed by the tax appeals tribunal
38 pursuant to sections one hundred sixty-eight through one hundred seven-
39 ty-two of the charter of the preceding municipality as it existed Janu-
40 ary first, nineteen hundred ninety-four. After such hearing the tax
41 appeals tribunal shall give notice of its decision to the person liable
42 for the tax and to the commissioner of finance. A decision of the tax
43 appeals tribunal sitting en banc shall be reviewable for error, illegal-
44 ity, unconstitutionality or any other reason whatsoever by a proceeding
45 under article seventy-eight of the civil practice law and rules if
46 instituted by the person against whom the tax was assessed within four
47 months after the giving of the notice of such tax appeals tribunal deci-
48 sion; provided however, that if such decision regards the tax imposed
49 under section 11-1302.1 of this chapter, such proceeding must be insti-
50 tuted by the person against whom the tax was assessed within thirty days
51 after the giving of the notice of such tax appeals tribunal decision.
52 Such proceeding shall not be instituted by a person liable for the tax
53 unless the amount of any tax sought to be reviewed with interest and
54 penalties thereon, if any, shall have first been deposited with the
55 commissioner of finance and an undertaking filed with the commissioner
56 of finance in such amount and with such sureties as a justice of the

1 supreme court shall approve, to the effect that if such proceeding be
2 dismissed or the tax confirmed, such person will pay all costs and
3 charges which may accrue in the prosecution of the proceeding.

4 § 11-1311 Refunds. a. In the manner provided in this subdivision the
5 commissioner of finance shall refund, without interest, any tax, inter-
6 est or penalty erroneously, illegally or unconstitutionally collected or
7 paid. In addition, whenever any cigarettes upon which stamps have been
8 affixed have been sold and shipped to a dealer outside the city for sale
9 there or to any person in another state for use there, or have become
10 unfit for use and consumption or unsalable, or have been destroyed, the
11 dealer shall be entitled to a refund of the amount of tax paid, less the
12 applicable commission, with respect to such cigarettes.

13 In any event no refund shall be granted unless application to the
14 commissioner of finance therefor is made within two years after the
15 stamps were affixed to such cigarettes or the tax was paid, except if a
16 person has consented in writing to an extension of the period for
17 assessment of additional tax pursuant to subdivision c of section
18 11-1315 of this chapter, and such consent is given within the two-year
19 period for making a refund application provided in this subdivision, the
20 period for making a refund application shall not expire prior to six
21 months after the expiration of the period within which an assessment
22 could be made pursuant to such consent or any extension thereof.

23 Whenever a refund is made or denied by the commissioner of finance,
24 the commissioner shall state his or her reasons therefor and give notice
25 thereof to the applicant in writing. A person shall not be entitled to a
26 hearing in connection with such application for a refund if such person
27 has already had a hearing or had been given the opportunity of a hearing
28 as provided in section 11-1310 of this chapter or has failed to avail
29 himself or herself of the remedies therein provided. No refund shall be
30 made of a tax, interest or penalty paid pursuant to a determination of
31 the commissioner of finance as provided in section 11-1310 of this chap-
32 ter, unless the tax appeals tribunal, after a hearing as in said section
33 provided or the commissioner of finance, of his or her own motion, shall
34 have reduced the tax or penalty, or it shall have been established in a
35 proceeding, pursuant to article seventy-eight of the civil practice law
36 and rules that such determination was erroneous, illegal, unconstitu-
37 tional or otherwise improper, in which event a refund without interest
38 shall be made as provided upon the determination of such proceeding. Any
39 determination of the commissioner of finance denying a refund pursuant
40 to this subdivision shall be final and irrevocable unless the applicant
41 for such refund, within ninety days from the mailing of notice of such
42 determination, or, if the commissioner of finance has established a
43 conciliation procedure pursuant to section 11-124 of this title and the
44 applicant has requested a conciliation conference in accordance there-
45 with, within ninety days from the mailing of a conciliation decision or
46 the date of the commissioner's confirmation of the discontinuance of the
47 conciliation proceeding, both (1) serves a petition upon the commission-
48 er of finance and (2) files a petition with the tax appeals tribunal for
49 a hearing.

50 Such petition for a refund made as provided in this subdivision shall
51 be deemed an application for a revision of any tax, penalty or interest
52 complained of. Such hearing and any appeal to the tax appeals tribunal
53 sitting en banc from the decision rendered in such hearing shall be
54 conducted in the manner and subject to the requirements prescribed by
55 the tax appeals tribunal pursuant to sections one hundred sixty-eight
56 through one hundred seventy-two of the charter of the preceding municipi-

1 pality. After such hearing, the tax appeals tribunal shall give notice
2 of its decision to the applicant and to the commissioner of finance.
3 The applicant shall be entitled to maintain a proceeding under article
4 seventy-eight of the civil practice law and rules to review a decision
5 of the tax appeals tribunal sitting en banc, provided, however, that
6 such proceeding is instituted within four months after such decision,
7 provided however, that if such decision regards the tax imposed under
8 section 11-1302.1 of this chapter, such proceeding must be instituted
9 within thirty days after such decision, and provided, further, in the
10 case of an application by a person liable for the tax, that a final
11 determination of tax due was not previously made, and that an undertak-
12 ing shall first be filed by such person with the commissioner of finance
13 in such amount and with such sureties as a justice of the supreme court
14 shall approve, to the effect that if such proceeding be dismissed or the
15 tax confirmed such person will pay all costs and charges which may
16 accrue in the prosecution of such proceeding.

17 b. If the commissioner of finance is satisfied that any dealer is
18 entitled to a refund the commissioner shall issue to such dealer stamps
19 of sufficient value to cover the refund or to make such refund.

20 § 11-1312 Reserves. In cases where the taxpayer has applied for a
21 refund and has instituted proceedings under article seventy-eight of the
22 civil practice law and rules to review a determination adverse to the
23 taxpayer on his or her application for refund or has deposited the
24 amount of tax assessed in connection with proceedings under section
25 11-1310 of this chapter, the comptroller shall set up appropriate
26 reserves to meet any decision adverse to the city.

27 § 11-1313 Remedies exclusive. The remedies provided by sections
28 11-1310 and 11-1311 of this chapter shall be the exclusive remedies
29 available to any person for the review of tax liability imposed by this
30 chapter; and no determination or proposed determination of tax or deter-
31 mination on an application for refund by the commissioner of finance,
32 nor any decision by the tax appeals tribunal or any of its administra-
33 tive law judges, shall be enjoined or reviewed by an action for declara-
34 tory judgment, an action for money had and received, or by any legal or
35 equitable action or proceeding other than, in the case of a decision by
36 the tax appeals tribunal sitting en banc, a proceeding under article
37 seventy-eight of the civil practice law and rules; provided, however,
38 that a taxpayer may proceed by declaratory judgment if the taxpayer
39 institutes suit within thirty days after a deficiency assessment is made
40 and pays the amount of the deficiency assessment to the commissioner of
41 finance prior to the institution of such suit and posts a bond for costs
42 as provided in section 11-1310 of this chapter.

43 § 11-1314 Proceedings to recover tax. a. Whenever any person shall
44 fail to pay any tax, penalty or interest imposed by this chapter as
45 herein provided, the corporation counsel shall, upon the request of the
46 commissioner of finance, bring or cause to be brought an action to
47 enforce the payment of the same on behalf of the city in any court of
48 the state of New York or of any other state or of the United States.
49 If, however, the commissioner of finance in his or her discretion
50 believes that a taxpayer subject to the provisions of this chapter is
51 about to cease business, leave the state or remove or dissipate the
52 assets out of which the tax, interest or penalties might be satisfied
53 and that any such tax, interest or penalty will not be paid when due, he
54 or she may declare such tax, interest or penalty to be immediately due
55 and payable and may issue a warrant immediately.

1 b. In addition to all other remedies for the collection of any taxes,
2 penalties or interest due under the provisions of this chapter, the
3 commissioner of finance may with respect to any tax imposed under
4 section 11-1302 of this chapter or any penalties or interest related
5 thereto issue a warrant, directed to the city sheriff commanding the
6 sheriff to levy upon and sell the real and personal property of the
7 person liable for the tax which may be found within the city, for the
8 payment of the amount thereof, with any penalties and interest and the
9 cost of executing the warrant, and to return such warrant to the commis-
10 sioner of finance and to pay to the commissioner the money collected by
11 virtue thereof within sixty days after the receipt of such warrant. The
12 city sheriff shall within five days after the receipt of the warrant
13 file with the county clerk a copy thereof, and thereupon such clerk
14 shall enter in the judgment docket the name of the person mentioned in
15 the warrant and the amount of the taxes, penalty and interest for which
16 the warrant is issued and the date when such copy is filed. Thereupon
17 the amount of such warrant shall become a lien upon the title to and
18 interest in real and personal property of the person against whom the
19 warrant is issued. The city sheriff shall then proceed upon the warrant
20 in the same manner and with like effect as that provided by law in
21 respect to executions issued against property upon judgments of a court
22 of record, and for services in executing the warrant the city sheriff
23 shall be entitled to the same fees which he or she may collect in the
24 same manner. In the discretion of the commissioner of finance a warrant
25 of like terms, force and effect may be issued and directed to any offi-
26 cer or employee of the department of finance, and in the execution ther-
27 eof such officer or employee shall have all the powers conferred by law
28 upon sheriffs, but shall be entitled to no fee or compensation in excess
29 of the actual expenses paid in the performance of such duty. If a
30 warrant is returned not satisfied in full, the commissioner of finance
31 may from time to time issue new warrants and shall have the same reme-
32 dies to enforce the amount due thereunder as if the city had recovered
33 judgment therefor and execution thereon had been returned unsatisfied.

34 c. The commissioner of finance, if he or she finds that the interests
35 of the city will not thereby be jeopardized, and upon such conditions as
36 the commissioner of finance may require, may release any property from
37 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
38 tions to tax, penalties and interest filed pursuant to subdivision b of
39 this section, and such release or vacating of the warrant may be
40 recorded in the office of any recording officer in which such warrant
41 has been filed. The clerk shall thereupon cancel and discharge as of the
42 original date of docketing the vacated warrant.

43 § 11-1315 Notices and limitations of time. a. Any notice author-
44 ized or required under the provisions of this chapter may be given by
45 mailing the same to the person for whom it is intended in a postpaid
46 envelope addressed to such person at the address given in the last
47 return filed by such person pursuant to the provisions of this chapter
48 or in any application made by such person or, if no return has been
49 filed or application made, then to such address as may be obtainable.
50 The mailing of such notice shall be presumptive evidence of the receipt
51 of the same by the person to whom addressed. Any period of time which
52 is determined according to the provisions of this chapter by the giving
53 of notice shall commence to run from the date of mailing of such notice.

54 b. The provisions of the civil practice law and rules or any other
55 law relative to limitations of time for the enforcement of a civil reme-
56 dy shall not apply to any proceeding or action taken by the city to

1 levy, appraise, assess, determine or enforce the collection of any tax,
2 interest or penalty provided by this chapter. However, except in the
3 case of a wilfully false or fraudulent return with intent to evade the
4 tax, no assessment of additional tax shall be made after the expiration
5 of more than three years from the date of the filing of a return,
6 provided, that where no return has been filed as provided by law the tax
7 may be assessed at any time.

8 c. Where, before the expiration of the period prescribed herein for
9 the assessment of an additional tax, a person has consented in writing
10 that such period be extended, the amount of such additional tax due may
11 be determined at any time within such extended period. The period so
12 extended may be further extended by subsequent consents in writing made
13 before the expiration of the extended period.

14 d. If any return, claim, statement, notice, application, or other
15 document required to be filed, or any payment required to be made, with-
16 in a prescribed period or on or before a prescribed date under authority
17 of any provision of this chapter is, after such period or such date,
18 delivered by United States mail to the commissioner of finance, the tax
19 appeals tribunal, bureau, office, officer or person with which or with
20 whom such document is required to be filed, or to which or to whom such
21 payment is required to be made, the date of the United States postmark
22 stamped on the envelope shall be deemed to be the date of delivery. This
23 subdivision shall apply only if the postmark date falls within the
24 prescribed period or on or before the prescribed date for the filing of
25 such document, or for making the payment, including any extension grant-
26 ed for such filing or payment, and only if such document or payment was
27 deposited in the mail, postage prepaid, properly addressed to the
28 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
29 cer or person with which or with whom the document is required to be
30 filed or to which or to whom such payment is required to be made. If any
31 document is sent by United States registered mail, such registration
32 shall be prima facie evidence that such document was delivered to the
33 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
34 cer or person to which or to whom addressed, and the date of registra-
35 tion shall be deemed the postmark date. The commissioner of finance or,
36 where relevant, the tax appeals tribunal is authorized to provide by
37 regulation the extent to which the provisions of this subdivision with
38 respect to prima facie evidence of delivery and the postmark date shall
39 apply to certified mail. Except as provided in subdivision f of this
40 section, this subdivision shall apply in the case of postmarks not made
41 by the United States postal service only if and to the extent provided
42 by regulation of the commissioner of finance or, where relevant, the tax
43 appeals tribunal.

44 e. When the last day prescribed under authority of this chapter,
45 including any extension of time, for performing any act falls on a
46 Saturday, Sunday or legal holiday in the state, the performance of such
47 act shall be considered timely if it is performed on the next succeeding
48 day which is not a Saturday, Sunday or legal holiday.

49 f. (1) Any reference in subdivision d of this section to the United
50 States mail shall be treated as including a reference to any delivery
51 service designated by the secretary of the treasury of the United States
52 pursuant to section seventy-five hundred two of the internal revenue
53 code and any reference in subdivision d of this section to a United
54 States postmark shall be treated as including a reference to any date
55 recorded or marked in the manner described in section seventy-five
56 hundred two of the internal revenue code by a designated delivery

1 service. If the commissioner of finance finds that any delivery service
2 designated by such secretary is inadequate for the needs of the city,
3 the commissioner of finance may withdraw such designation for purposes
4 of this title. The commissioner of finance may also designate additional
5 delivery services meeting the criteria of section seventy-five hundred
6 two of the internal revenue code for purposes of this title, or may
7 withdraw any such designation if the commissioner of finance finds that
8 a delivery service so designated is inadequate for the needs of the
9 city. Any reference in subdivision d of this section to the United
10 States mail shall be treated as including a reference to any delivery
11 service designated by the commissioner of finance and any reference in
12 subdivision d of this section to a United States postmark shall be
13 treated as including a reference to any date recorded or marked in the
14 manner described in section seventy-five hundred two of the internal
15 revenue code by a delivery service designated by the commissioner of
16 finance, provided, however, any withdrawal of designation or additional
17 designation by the commissioner of finance shall not be effective for
18 purposes of service upon the tax appeals tribunal, unless and until such
19 withdrawal of designation or additional designation is ratified by the
20 president of the tax appeals tribunal.

21 (2) Any equivalent of registered or certified mail designated by the
22 United States secretary of the treasury, or as may be designated by the
23 commissioner of finance pursuant to the same criteria used by such
24 secretary for such designations pursuant to section seventy-five hundred
25 two of the internal revenue code, shall be included within the meaning
26 of registered or certified mail as used in subdivision d of this
27 section. If the commissioner of finance finds that any equivalent of
28 registered or certified mail designated by such secretary or the commis-
29 sioner of finance is inadequate for the needs of the city, the commis-
30 sioner of finance may withdraw such designation for purposes of this
31 title, provided, however, any withdrawal of designation or additional
32 designation by the commissioner of finance shall not be effective for
33 purposes of service upon the tax appeals tribunal, unless and until such
34 withdrawal of designation or additional designation is ratified by the
35 president of the tax appeals tribunal.

36 § 11-1317 Penalties and interest. a. (1) Any person failing to pay a
37 tax payable under section 11-1302 of this chapter when due shall be
38 subject to a penalty of fifty per centum of the amount of tax due, but
39 the commissioner of finance, if satisfied that the delay was excusable,
40 may remit all or any part of such penalty. Such penalty shall be paid
41 and disposed of in the same manner as other revenues under this chapter.
42 Unpaid penalties may be enforced in the same manner as the tax imposed
43 by section 11-1302 of this chapter.

44 (2) Any person failing to pay a tax payable under section 11-1302.1 of
45 this chapter when due shall be subject to a penalty of three hundred per
46 centum of the amount of tax due, but the commissioner of finance, if
47 satisfied that the delay was excusable, may remit all or any part of
48 such penalty. Such penalty shall be paid and disposed of in the same
49 manner as other revenues from the tax imposed under section 11-1302.1 of
50 this chapter. Unpaid penalties may be enforced in the same manner as the
51 tax imposed by section 11-1302.1 of this chapter.

52 b. (1) In addition to any other penalty imposed by this section, the
53 commissioner of finance may (a) impose a penalty of not more than one
54 hundred dollars for each two hundred cigarettes or fraction thereof in
55 excess of one thousand cigarettes in unstamped or unlawfully stamped
56 packages in the possession or under the control of any person and (b)

1 impose a penalty of not more than two hundred dollars for each ten
2 affixed or unaffixed false, altered or counterfeit cigarette tax stamps,
3 imprints or impressions, or fraction thereof, in excess of one hundred
4 affixed or unaffixed false, altered or counterfeit cigarette tax stamps,
5 imprints or impressions in the possession or under the control of any
6 person. Such penalty shall be determined as provided in section 11-1310
7 of this chapter, and may be reviewed only pursuant to such section. Such
8 penalty may be enforced in the same manner as the tax imposed by this
9 chapter. The commissioner of finance, in his or her discretion, may
10 remit all or part of such penalty. Such penalty shall be paid and
11 disposed of in the same manner as other revenues under this chapter.

12 (2) The penalties imposed by this paragraph may be imposed by the
13 commissioner of finance in addition to any other penalty imposed by this
14 section, but in lieu of the penalties imposed by subparagraph (a) of
15 paragraph one of this subdivision: (a) not less than thirty dollars but
16 not more than two hundred dollars for each two hundred cigarettes, or
17 fraction thereof, in excess of one thousand cigarettes but less than or
18 equal to five thousand cigarettes in unstamped or unlawfully stamped
19 packages knowingly in the possession or knowingly under the control of
20 any person; (b) not less than seventy-five dollars but not more than two
21 hundred dollars for each two hundred cigarettes, or fraction thereof, in
22 excess of five thousand cigarettes but less than or equal to twenty
23 thousand cigarettes in unstamped or unlawfully stamped packages know-
24 ingly in the possession or knowingly under the control of any person; and
25 (c) not less than one hundred dollars but not more than two hundred
26 dollars for each two hundred cigarettes, or fraction thereof, in excess
27 of twenty thousand cigarettes in unstamped or unlawfully stamped pack-
28 ages, knowingly in the possession or knowingly under the control of any
29 person. Such penalty shall be determined as provided in section 11-1310
30 of this chapter, and may be reviewed only pursuant to such section. Such
31 penalty may be enforced in the same manner as the tax imposed by this
32 chapter. The commissioner of finance, in his or her discretion, may
33 remit all or part of such penalty. Such penalty shall be paid and
34 disposed of in the same manner as other revenues under this chapter.

35 c. (1) The possession within the city of more than four hundred ciga-
36 rettes in unstamped or unlawfully stamped packages shall be presumptive
37 evidence that such cigarettes are subject to tax as provided by this
38 chapter.

39 (2) Nothing in this section shall apply to common or contract carriers
40 or warehousemen while engaged in lawfully transporting or storing
41 unstamped packages of cigarettes as merchandise, nor to any employee of
42 such carrier or warehouseman acting within the scope of his or her
43 employment, nor to public officers or employees in the performance of
44 their official duties requiring possession or control of unstamped or
45 unlawfully stamped packages of cigarettes, nor to temporary incidental
46 possession by employees or agents of persons lawfully entitled to
47 possession, nor to persons whose possession is for the purpose of aiding
48 police officers in performing their duties.

49 d. (1) If any amount of tax is not paid on or before the last date
50 prescribed for payment, without regard to any extension of time granted
51 for payment, interest on such amount at the rate set by the commissioner
52 of finance pursuant to paragraph two of this subdivision, or, if no rate
53 is set, at the rate of seven and one-half percent per annum, shall be
54 paid for the period from such last date to the date of payment. In
55 computing the amount of interest to be paid, such interest shall be
56 compounded daily. Interest under this subdivision shall not be paid if

1 the amount thereof is less than one dollar. The interest imposed by this
2 subdivision shall be paid and disposed of in the same manner as other
3 revenues from this chapter. Unpaid interest may be enforced in the same
4 manner as the tax imposed by this chapter.

5 (2) (A) The commissioner of finance shall set the rate of interest to
6 be paid pursuant to paragraph one of this subdivision, but if no such
7 rate of interest is set, such rate shall be deemed to be set at seven
8 and one-half percent per annum. Such rate shall be the rate prescribed
9 in subparagraph (B) of this paragraph but shall not be less than seven
10 and one-half percent per annum. Any such rate set by the commissioner of
11 finance shall apply to taxes, or any portion thereof, which remain or
12 become due on or after the date on which such rate becomes effective and
13 shall apply only with respect to interest computed or computable for
14 periods or portions of periods occurring in the period in which such
15 rate is in effect.

16 (B) General rule. The rate of interest set under this subdivision
17 shall be the sum of (i) the federal short-term rate as provided under
18 paragraph three of this subdivision, plus (ii) seven percentage points.

19 (3) Federal short-term rate. For purposes of this subdivision:

20 (A) The federal short-term rate for any month shall be the federal
21 short-term rate determined by the United States secretary of the treas-
22 ury during such month in accordance with subsection (d) of section
23 twelve hundred seventy-four of the internal revenue code for use in
24 connection with section six thousand six hundred twenty-one of the
25 internal revenue code. Any such rate shall be rounded to the nearest
26 full percent, or, if a multiple of one-half of one percent, such rate
27 shall be increased to the next highest full percent.

28 (B) Period during which rate applies.

29 (i) In general. Except as provided in clause (ii) of this subpara-
30 graph, the federal short-term rate for the first month in each calendar
31 quarter shall apply during the first calendar quarter beginning after
32 such month.

33 (ii) Special rule for the month of September, nineteen hundred eight-
34 y-nine. The federal short-term rate for the month of April, nineteen
35 hundred eighty-nine shall apply with respect to setting the rate of
36 interest for the month of September, nineteen hundred eighty-nine.

37 (4) Publication of interest rate. The commissioner of finance shall
38 cause to be published in the City Record, and give other appropriate
39 general notice of, the interest rate to be set under this subdivision no
40 later than twenty days preceding the first day of the calendar quarter
41 during which such interest rate applies. The setting and publication of
42 such interest rate shall not be included within paragraph (a) of subdi-
43 vision five of section one thousand forty-one of the charter of the
44 preceding municipality as it existed January first, nineteen hundred
45 ninety-four relating to the definition of a rule.

46 e. Cross-reference: For criminal penalties, see chapter forty of this
47 title.

48 § 11-1318 Disposition of revenues. a. All revenues resulting from the
49 imposition of the tax under section 11-1302 of this chapter shall be
50 paid into the treasury of the city and shall be credited to and deposit-
51 ed in the general fund of the city, except that, after the payment of
52 refunds with respect to such tax, effective on and after July second,
53 two thousand two, forty-six and one-half percent and, effective on and
54 after April first, two thousand three, forty-six percent of such reven-
55 ues, including taxes, interest and penalties, collected or received
56 shall be paid to the state comptroller.

1 (b) All revenues resulting from the imposition of the tax under
2 section 11-1302.1 of this chapter during a fiscal year, including any
3 interest and penalties, shall be paid into the treasury of the city in
4 accordance with section one hundred twelve of the public housing law,
5 and shall be payable from the city to the New York city housing authori-
6 ty in such fiscal year.

30 § 11-1403 Payment of tax. The tax imposed by this chapter shall be

39 has been paid. All moneys received as such payments by the taxi and

21 4. Any corporation, or association, or trust, or community chest, fund
22 or foundation, organized and operated exclusively for religious, chari-
23 table, or educational purposes, or for the prevention of cruelty to
24 children or animals, and no part of the net earnings of which inures to
25 the benefit of any private shareholder or individual, and no substantial
26 part of the activities of which is carrying on propaganda, or otherwise
27 attempting to influence legislation; provided, however, that nothing in

30 all of its profits are payable to one or more organizations described in
31 this subdivision.

32 b. The tax imposed by this chapter shall not apply to the transfer of
33 a taxicab license or interest therein by means of a lease, license or
34 other rental arrangement, where the term of such lease, license or other
35 rental arrangement, including the maximum period for which it can be
36 extended or renewed, does not exceed six months.

37 § 11-1406 Determination of tax. If a return required by this chapter
38 is not filed, or if a return when filed is incorrect or insufficient,
39 the amount of tax due shall be determined by the commissioner of finance
40 from external indices and such other information as may be obtainable.
41 Notice of such determination shall be given to the person liable for the
42 tax. Such determination shall finally and irrevocably fix the tax unless
43 the person against whom it is assessed, within ninety days after the
44 giving of notice of such determination, or, if the commissioner of
45 finance has established a conciliation procedure pursuant to section
46 11-124 of this title and the taxpayer has requested a conciliation
47 conference in accordance therewith, within ninety days from the mailing
48 of a conciliation decision or the date of the commissioner's confirma-
49 tion of the discontinuance of the conciliation proceeding, both (1)
50 serves a petition upon the commissioner of finance and (2) files a peti-
51 tion with the tax appeals tribunal for a hearing, or unless the commis-
52 sioner of finance of his or her own motion shall redetermine the same.
53 Such hearing and any appeal to the tax appeals tribunal sitting en banc
54 from the decision rendered in such hearing shall be conducted in the
55 manner and subject to the requirements prescribed by the tax appeals
56 tribunal pursuant to sections one hundred sixty-eight through one

1 hundred seventy-two of the charter of the preceding municipality as it
2 existed January first, nineteen hundred ninety-four. After such hearing
3 the tax appeals tribunal shall give notice of its decision to the person
4 against whom the tax is assessed and to the commissioner of finance. A
5 decision of the tax appeals tribunal sitting en banc shall be reviewable
6 for error, illegality or unconstitutionality or any other reason whatso-
7 ever by a proceeding under article seventy-eight of the civil practice
8 law and rules if application therefor is made to the supreme court by
9 the person against whom the tax was assessed within four months after
10 the giving of the notice of such tax appeals tribunal decision. A
11 proceeding under article seventy-eight of the civil practice law and
12 rules shall not be instituted by a taxpayer unless: (a) the amount of
13 any tax sought to be reviewed, with penalties and interest thereon, if
14 any, shall be first deposited with the commissioner of finance and there
15 shall be filed with the commissioner of finance an undertaking, issued
16 by a surety company authorized to transact business in this state and
17 approved by the superintendent of insurance of this state as to solvency
18 and responsibility, in such amount and with such sureties as a justice
19 of the supreme court shall approve, to the effect that if such proceed-
20 ing be dismissed or the tax confirmed, the taxpayer will pay all costs
21 and charges which may accrue in the prosecution of the proceeding; or
22 (b) at the option of the taxpayer such undertaking filed with the
23 commissioner of finance may be in a sum sufficient to cover the taxes,
24 penalties and interest thereon stated in such decision plus the costs
25 and charges which may accrue against it in the prosecution of the
26 proceeding, in which event the taxpayer shall not be required to deposit
27 such taxes, penalties and interest as a condition precedent to the
28 application.

29 § 11-1407 Refunds. a. In the manner provided in this section the
30 commissioner of finance shall refund or credit, without interest, any
31 tax, penalty or interest erroneously, illegally or unconstitutionally
32 collected or paid if application to the commissioner of finance for such
33 refund shall be made within one year from the payment thereof. Whenever
34 a refund is made or denied by the commissioner of finance, the commis-
35 sioner shall state his or her reason therefor and give notice thereof to
36 the taxpayer in writing. Such application may be made by the transferee
37 or transferor who has actually paid the tax. The commissioner of
38 finance may, in lieu of any refund required to be made, allow credit
39 therefor on payments due from the applicant.

40 b. Any determination of the commissioner of finance denying a refund
41 or credit pursuant to subdivision a of this section shall be final and
42 irrevocable unless the applicant for such refund or credit, within nine-
43 ty days from the mailing of notice of such determination, or, if the
44 commissioner of finance has established a conciliation procedure pursu-
45 ant to section 11-124 of this title and the applicant has requested a
46 conciliation conference in accordance therewith, within ninety days from
47 the mailing of a conciliation decision or the date of the commissioner's
48 confirmation of the discontinuance of the conciliation proceeding, both
49 (1) serves a petition upon the commissioner of finance and (2) files a
50 petition with the tax appeals tribunal for a hearing. Such petition for
51 a refund or credit, made pursuant to this section, shall be deemed an
52 application for a revision of any tax, penalty or interest complained
53 of. Such hearing and any appeal to the tax appeals tribunal sitting en
54 banc from the decision rendered in such hearing shall be conducted in
55 the manner and subject to the requirements prescribed by the tax appeals
56 tribunal pursuant to sections one hundred sixty-eight through one

1 hundred seventy-two of the charter of the preceding municipality as it
2 existed January first, nineteen hundred ninety-four. After such hearing,
3 the tax appeals tribunal shall give notice of its decision to the appli-
4 cant and to the commissioner of finance. The applicant shall be entitled
5 to review a decision of the tax appeals tribunal sitting en banc by a
6 proceeding pursuant to article seventy-eight of the civil practice law
7 and rules, provided such proceeding is instituted within four months
8 after the giving of notice of such decision, and provided, in the case
9 of an application by a taxpayer, that a final determination of tax due
10 was not previously made. Such a proceeding shall not be instituted by a
11 taxpayer unless an undertaking is filed with the commissioner of finance
12 in such amount and with such sureties as a justice of the supreme court
13 shall approve to the effect that if such proceeding be dismissed or the
14 tax confirmed, the taxpayer will pay all costs and charges which may
15 accrue in the prosecution of such proceeding.

16 c. A person shall not be entitled to a revision, refund or credit
17 under this section of a tax, or penalty which had been determined to be
18 due pursuant to the provisions of section 11-1406 of this chapter where
19 such person has had a hearing or an opportunity for a hearing, as
20 provided in said section, or has failed to avail himself or herself of
21 the remedies therein provided. No refund or credit shall be made of a
22 tax, interest or penalty paid after a determination by the commissioner
23 of finance made pursuant to section 11-1406 of this chapter unless it be
24 found that such determination was erroneous, illegal or unconstitutional
25 or otherwise improper, by the tax appeals tribunal after a hearing, or
26 on the commissioner's own motion, or, is such tax appeals tribunal
27 affirms in whole or in part the determination of the commissioner of
28 finance, in a proceeding under article seventy-eight of the civil prac-
29 tice law and rules, pursuant to the provisions of said section, in which
30 event refund or credit without interest shall be made of the tax, inter-
31 est or penalty found to be overpaid.

32 § 11-1408 Reserves. In cases where the transferee or transferor has
33 applied for a refund and has instituted a proceeding under article
34 seventy-eight of the civil practice law and rules to review a determi-
35 nation adverse to the transferee or transferor on his or her application
36 for refund, the comptroller shall set up appropriate reserves to meet
37 any decisions adverse to the city.

38 § 11-1409 Remedies exclusive. The remedies provided by sections
39 11-1406 and 11-1407 of this chapter shall be the exclusive remedies
40 available to any person for the review of tax liability imposed by this
41 chapter; and no determination or proposed determination of tax or deter-
42 mination on any application for refund by the commissioner of finance,
43 nor any decision by the tax appeals tribunal or any of its administra-
44 tive law judges shall be enjoined or reviewed by an action for declara-
45 tory judgment, an action for money had and received or by any action or
46 proceeding other than, in the case of a decision by the tax appeals
47 tribunal sitting en banc, a proceeding in the nature of a certiorari
48 proceeding under article seventy-eight of the civil practice law and
49 rules; provided, however, that a taxpayer may proceed by declaratory
50 judgment if the taxpayer institutes suit within thirty days after a
51 deficiency assessment is made and pays the amount of the deficiency
52 assessment to the commissioner of finance prior to the institution of
53 such suit and posts a bond for costs as provided in section 11-1406 of
54 this chapter.

55 § 11-1410 Proceedings to recover tax. a. Whenever any transferee or
56 transferor shall fail to pay any tax, penalty or interest imposed by

1 this chapter as herein provided, the corporation counsel shall, upon the
2 request of the commissioner of finance bring or cause to be brought an
3 action to enforce the payment of the same on behalf of the city of
4 Staten Island in any court of the state of New York or of any other
5 state or of the United States. If, however, the commissioner of finance
6 in his or her discretion believes that any such transferee or transferor
7 subject to the provisions of this chapter is about to cease business,
8 leave the state or remove or dissipate the assets out of which the tax
9 or penalty might be satisfied, and that any such tax or penalty will not
10 be paid when due, the commissioner may declare such tax or penalty to be
11 immediately due and payable and may issue a warrant immediately.

12 b. As an additional or alternate remedy, the commissioner of finance
13 may issue a warrant, directed to the city sheriff commanding the sheriff
14 to levy upon and sell the real and personal property of the transferee
15 or transferor or other person liable for the tax which may be found
16 within the city, for the payment of the amount thereof, with any penalty
17 and interest, and the cost of executing the warrant, and to return such
18 warrant to the commissioner of finance and to pay to the commissioner
19 the money collected by virtue thereof within sixty days after the
20 receipt of such warrant. The city sheriff shall within five days after
21 the receipt of the warrant file with the county clerk a copy thereof,
22 and thereupon such clerk shall enter in the judgment docket the name of
23 the person mentioned in the warrant and the amount of the tax, penalty
24 and interest for which the warrant is issued and the date when such copy
25 is filed. Thereupon the amount of such warrant so docketed shall become
26 a lien upon the title to and the interest in real and personal property
27 of the person against whom the warrant is issued. The city sheriff shall
28 then proceed upon the warrant in the same manner, and with like effect,
29 as that provided by law in respect to executions issued against property
30 upon judgments of a court of record and for services in executing the
31 warrant the sheriff shall be entitled to the same fees, which he or she
32 may collect in the same manner. In the discretion of the commissioner of
33 finance a warrant of like terms, force and effect may be issued and
34 directed to an officer or employee of the department of finance, and in
35 the execution thereof such officer or employee shall have all the powers
36 conferred by law upon sheriffs, but shall be entitled to no fee or
37 compensation in excess of the actual expenses paid in the performance of
38 such duty. If a warrant is returned not satisfied in full, the commis-
39 sioner of finance may from time to time issue new warrants and shall
40 also have the same remedies to enforce the amount due thereunder as if
41 the city had recovered judgment therefor and execution thereon had been
42 returned unsatisfied.

43 c. Whenever there is made a sale, transfer or assignment in bulk or
44 any part of the whole of a stock of merchandise or of fixtures, or
45 merchandise and of fixtures pertaining to the conducting of the business
46 of the seller, transferor or assignor, otherwise than in the ordinary
47 course of trade and in the regular prosecution of said business, the
48 purchaser, transferee or assignee shall at least ten days before taking
49 possession of such merchandise, fixtures, or merchandise and fixtures,
50 or paying therefor, notify the commissioner of finance by registered
51 mail of the proposed sale and of the price, terms and conditions thereof
52 whether or not the seller, transferor or assignor, has represented to,
53 or informed the purchaser, transferee or assignee that it owes any tax
54 pursuant to this chapter and whether or not the purchaser, transferee or
55 assignee has knowledge that such taxes are owing, and whether any such
56 taxes are in fact owing.

1 d. Whenever, the purchaser, transferee or assignee shall fail to give
2 notice to the commissioner of finance as required by subdivision c of
3 this section, or whenever the commissioner of finance shall inform the
4 purchaser, transferee or assignee that a possible claim for such tax or
5 taxes exists, any sums of money, property or choses in action, or other
6 consideration, which the purchaser, transferee or assignee is required
7 to transfer over to the seller or assignor shall be subject to a first
8 priority right and lien for any such taxes theretofore or thereafter
9 determined to be due from the seller, transferor or assignor to the
10 city, and the purchaser, transferee or assignee is forbidden to transfer
11 to the seller, transferor or assignor any such sums of money, property
12 or choses in action to the extent of the amount of the city's claim. For
13 failure to comply with the provisions of this subdivision, the purchas-
14 er, transferee or assignee shall be personally liable for the payment to
15 the city of any such taxes theretofore or thereafter determined to be
16 due to the city from the seller, transferor or assignor, and such
17 liability may be assessed and enforced in the same manner as the liabil-
18 ity for tax under this chapter.

19 e. The commissioner of finance, if he or she finds that the interests
20 of the city will not thereby be jeopardized, and upon such conditions as
21 the commissioner of finance may require, may release any property from
22 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
23 tions to tax, penalties and interest filed pursuant to subdivision b of
24 this section, and such release or vacating of the warrant may be
25 recorded in the office of any recording officer in which such warrant
26 has been filed. The clerk shall thereupon cancel and discharge as of the
27 original date of docketing the vacated warrant.

28 § 11-1411 General powers of the commissioner of finance. In addition
29 to the powers granted to the commissioner of finance in this chapter, he
30 or she is hereby authorized and empowered:

31 1. To make, adopt and amend rules and regulations appropriate to the
32 carrying out of this chapter and the purposes thereof;

33 2. To extend, for cause shown, the time for filing any return for a
34 period not exceeding ninety days; and to compromise disputed claims in
35 connection with the taxes imposed under this chapter;

36 3. To request information from the taxi and limousine commission, the
37 tax commission of the state of New York or the treasury department of
38 the United States relative to any person; and to afford returns, reports
39 and other information to such taxi and limousine commission, tax commis-
40 sion or treasury department relative to any person, any other provision
41 of this chapter to the contrary notwithstanding;

42 4. To delegate his or her functions hereunder to a deputy commissioner
43 of finance or any employee or employees of the department of finance;

44 5. To prescribe the methods for determining the consideration subject
45 to the tax, and if there is a transfer of a taxicab or other property in
46 conjunction with the transfer of a taxicab license or interest therein,
47 to prescribe rules and methods for determining the fair market value of
48 such taxicab or other property;

49 6. To require any transferee or transferor to keep such records, and
50 for such lengths of time as may be required for the proper adminis-
51 tration of this chapter and to furnish such records to the commissioner
52 of finance or the taxi and limousine commission upon request;

53 7. To assess, determine, revise and adjust the taxes imposed under
54 this chapter.

55 § 11-1412 Administration of oaths and compelling testimony. a. The
56 commissioner of finance, the employees or agents duly designated by him

1 or her, the tax appeals tribunal and any of its duly designated and
2 authorized employees or agents shall have power to administer oaths and
3 take affidavits in relation to any matter or proceeding in the exercise
4 of their powers and duties under this chapter. The commissioner of
5 finance and the tax appeals tribunal shall have power to subpoena and
6 require the attendance of witnesses and the production of books, papers
7 and documents to secure information pertinent to the performance of the
8 duties of the commissioner or of the tax appeals tribunal hereunder and
9 of the enforcement of this chapter and to examine them in relation ther-
10 eto, and to issue commissions for the examination of witnesses who are
11 out of the state or unable to attend before the commissioner or the tax
12 appeals tribunal or excused from attendance.

13 b. A justice of the supreme court either in court or at chambers shall
14 have power summarily to enforce by proper proceedings the attendance and
15 testimony of witnesses and the production and examination of books,
16 papers and documents called for by the subpoena of the commissioner of
17 finance or the tax appeals tribunal under this chapter.

18 c. Cross-reference; criminal penalties. For failure to obey subpoenas
19 or for testifying falsely, see section 11-4007 of this title; for
20 supplying false or fraudulent information, see section 11-4009 of this
21 title.

22 d. The officers who serve the summons or subpoena of the commissioner
23 of finance or the tax appeals tribunal and witnesses attending in
24 response thereto shall be entitled to the same fees as are allowed to
25 officers and witnesses in civil cases in courts of record, except as
26 herein otherwise provided. Such officers shall be the city sheriff and
27 his or her duly appointed deputies or any officers or employees of the
28 department of finance or the tax appeals tribunal, designated to serve
29 such process.

30 § 11-1413 Interest and penalties. (a) Interest on underpayments. If
31 any amount of tax is not paid on or before the last date prescribed for
32 payment, without regard to any extension of time granted for payment,
33 interest on such amount at the rate set by the commissioner of finance
34 pursuant to subdivision (g) of this section, or, if no rate is set, at
35 the rate of seven and one-half percent per annum, shall be paid for the
36 period from such last date to the date of payment. In computing the
37 amount of interest to be paid, such interest shall be compounded daily.
38 Interest under this subdivision shall not be paid if the amount thereof
39 is less than one dollar.

40 (b) (1) Failure to file return. (A) In case of failure to file a
41 return under this chapter on or before the prescribed date, determined
42 with regard to any extension of time for filing, unless it is shown that
43 such failure is due to reasonable cause and not due to willful neglect,
44 there shall be added to the amount required to be shown as tax on such
45 return five percent of the amount of such tax if the failure is for not
46 more than one month, with an additional five percent for each additional
47 month or fraction thereof during which such failure continues, not
48 exceeding twenty-five percent in the aggregate.

49 (B) In the case of a failure to file a return of tax within sixty days
50 of the date prescribed for filing of such return, determined with regard
51 to any extension of time for filing, unless it is shown that such fail-
52 ure is due to reasonable cause and not due to willful neglect, the addi-
53 tion to tax under subparagraph (A) of this paragraph shall not be less
54 than the lesser of one hundred dollars or one hundred percent of the
55 amount required to be shown as tax on such return.

1 (C) For purposes of this paragraph, the amount of tax required to be
2 shown on the return shall be reduced by the amount of any part of the
3 tax which is paid on or before the date prescribed for payment of the
4 tax and by the amount of any credit against the tax which may be claimed
5 upon the return.

6 (2) Failure to pay tax shown on return. In case of failure to pay the
7 amount shown as tax on a return required to be filed under this chapter
8 on or before the prescribed date, determined with regard to any exten-
9 sion of time for payment, unless it is shown that such failure is due to
10 reasonable cause and not due to willful neglect, there shall be added to
11 the amount shown as tax on such return one-half of one percent of the
12 amount of such tax if the failure is not for more than one month, with
13 an additional one-half of one percent for each additional month or frac-
14 tion thereof during which such failure continues, not exceeding twenty-
15 five percent in the aggregate. For the purpose of computing the addition
16 for any month the amount of tax shown on the return shall be reduced by
17 the amount of any part of the tax which is paid on or before the begin-
18 ning of such month and by the amount of any credit against the tax which
19 may be claimed upon the return. If the amount of tax required to be
20 shown on a return is less than the amount shown as tax on such return,
21 this paragraph shall be applied by substituting such lower amount.

22 (3) Failure to pay tax required to be shown on return. In case of
23 failure to pay any amount in respect of any tax required to be shown on
24 a return required to be filed under this chapter which is not so shown,
25 including a determination made pursuant to section 11-1406 of this chap-
26 ter, within ten days of the date of a notice and demand therefor, unless
27 it is shown that such failure is due to reasonable cause and not due to
28 willful neglect, there shall be added to the amount of tax stated in
29 such notice and demand one-half of one percent of such tax if the fail-
30 ure is not for more than one month, with an additional one-half of one
31 percent for each additional month or fraction thereof during which such
32 failure continues, not exceeding twenty-five percent in the aggregate.
33 For the purpose of computing the addition for any month, the amount of
34 tax stated in the notice and demand shall be reduced by the amount of
35 any part of the tax which is paid before the beginning of such month.

36 (4) Limitations on additions.

37 (A) With respect to any return, the amount of the addition under para-
38 graph one of this subdivision shall be reduced by the amount of the
39 addition under paragraph two of this subdivision for any month to which
40 an addition applies under both paragraphs one and two. In any case
41 described in subparagraph (B) of paragraph one of this subdivision, the
42 amount of the addition under such paragraph one shall not be reduced
43 below the amount provided in such subparagraph.

44 (B) With respect to any return, the maximum amount of the addition
45 permitted under paragraph three of this subdivision shall be reduced by
46 the amount of the addition under paragraph one of this subdivision,
47 determined without regard to subparagraph (B) of such paragraph one,
48 which is attributable to the tax for which the notice and demand is made
49 and which is not paid within ten days of such notice and demand.

50 (c) Underpayment due to negligence. (1) If any part of an underpay-
51 ment of tax is due to negligence or intentional disregard of this chap-
52 ter or any rules or regulations hereunder, but without intent to
53 defraud, there shall be added to the tax a penalty equal to five percent
54 of the underpayment.

55 (2) There shall be added to the tax, in addition to the amount deter-
56 mined under paragraph one of this subdivision, an amount equal to fifty

1 percent of the interest payable under subdivision (a) of this section
2 with respect to the portion of the underpayment described in such para-
3 graph one which is attributable to the negligence or intentional disre-
4 gard referred to in such paragraph one, for the period beginning on the
5 last date prescribed by law for payment of such underpayment, determined
6 without regard to any extension, and ending on the date of the assess-
7 ment of the tax, or, if earlier, the date of the payment of the tax.

8 (d) Underpayment due to fraud. (1) If any part of an underpayment of
9 tax is due to fraud, there shall be added to the tax a penalty equal to
10 fifty percent of the underpayment.

11 (2) There shall be added to the tax, in addition to the penalty deter-
12 mined under paragraph one of this subdivision, an amount equal to fifty
13 percent of the interest payable under subdivision (a) of this section
14 with respect to the portion of the underpayment described in such para-
15 graph one which is attributable to fraud, for the period beginning on
16 the last day prescribed by law for payment of such underpayment, deter-
17 mined without regard to any extension, and ending on the date of the
18 assessment of the tax, or, if earlier, the date of the payment of the
19 tax.

20 (3) The penalty under this subdivision shall be in lieu of any other
21 addition to tax imposed by subdivision (b) or (c) of this section.

22 (e) Additional penalty. Any person who, with fraudulent intent, shall
23 fail to pay any tax imposed by this chapter, or to make, render, sign or
24 certify any return, or to supply any information within the time
25 required by or under this chapter, shall be liable for a penalty of not
26 more than one thousand dollars, in addition to any other amounts
27 required under this chapter to be imposed, assessed and collected by the
28 commissioner of finance. The commissioner of finance shall have the
29 power, in his or her discretion, to waive, reduce or compromise any
30 penalty under this subdivision.

31 (f) The interest and penalties imposed by this section shall be paid
32 and disposed of in the same manner as other revenues from this chapter.
33 Unpaid interest and penalties may be enforced in the same manner as the
34 tax imposed by this chapter.

35 (g)(1) Authority to set interest rates. The commissioner of finance
36 shall set the rate of interest to be paid pursuant to subdivision (a) of
37 this section, but if no such rate of interest is set, such rate shall be
38 deemed to be set at seven and one-half percent per annum. Such rate
39 shall be the rate prescribed in paragraph two of this subdivision but
40 shall not be less than seven and one-half percent per annum. Any such
41 rate set by the commissioner of finance shall apply to taxes, or any
42 portion thereof, which remain or become due on or after the date on
43 which such rate becomes effective and shall apply only with respect to
44 interest computed or computable for periods or portions of periods
45 occurring in the period in which such rate is in effect.

46 (2) General rule. The rate of interest set under this subdivision
47 shall be the sum of (i) the federal short-term rate as provided under
48 paragraph three of this subdivision, plus (ii) seven percentage points.

49 (3) Federal short-term rate. For purposes of this subdivision:

50 (A) The federal short-term rate for any month shall be the federal
51 short-term rate determined by the United States secretary of the treas-
52 ury during such month in accordance with subsection (d) of section
53 twelve hundred seventy-four of the internal revenue code for use in
54 connection with section six thousand six hundred twenty-one of the
55 internal revenue code. Any such rate shall be rounded to the nearest

1 full percent, or, if a multiple of one-half of one percent, such rate
2 shall be increased to the next highest full percent.

3 (B) Period during which rate applies.

4 (i) In general. Except as provided in clause (ii) of this subpara-
5 graph, the federal short-term rate for the first month in each calendar
6 quarter shall apply during the first calendar quarter beginning after
7 such month.

8 (ii) Special rule for the month of September, nineteen hundred eight-
9 y-nine. The federal short-term rate for the month of April, nineteen
10 hundred eighty-nine shall apply with respect to setting the rate of
11 interest for the month of September, nineteen hundred eighty-nine.

12 (4) Publication of interest rate. The commissioner of finance shall
13 cause to be published in the City Record, and give other appropriate
14 general notice of, the interest rate to be set under this subdivision no
15 later than twenty days preceding the first day of the calendar quarter
16 during which such interest rate applies. The setting and publication of
17 such interest rate shall not be included within paragraph (a) of subdi-
18 vision five of section one thousand forty-one of the charter of the
19 preceding municipality as it existed January first, nineteen hundred
20 ninety-four relating to the definition of a rule.

21 (h) Miscellaneous. (1) The certificate of the commissioner of finance
22 to the effect that a tax has not been paid or that information has not
23 been supplied pursuant to the provisions of this chapter shall be
24 presumptive evidence thereof.

25 (2) Cross-reference: For criminal penalties, see chapter forty of this
26 title.

27 § 11-1414 Returns to be secret. a. Except in accordance with proper
28 judicial order or as otherwise provided by law, it shall be unlawful for
29 the commissioner of finance, the chairperson of the taxi and limousine
30 commission, the tax appeals tribunal or any officer or employee of the
31 department of finance or taxi and limousine commission or the tax
32 appeals tribunal, to divulge or make known in any manner any information
33 contained in or relating to any return provided for by this chapter. The
34 officers charged with the custody of such returns shall not be required
35 to produce any of them or evidence of anything contained in them in any
36 action or proceeding in any court, except on behalf of the commissioner
37 of finance in an action or proceeding under the provisions of this chap-
38 ter, or on behalf of any party to an action or proceeding under the
39 provisions of this chapter when the returns or facts shown thereby are
40 directly involved in such action or proceeding, in either of which
41 events the court may require the production of, and may admit in
42 evidence, so much of said returns or of the facts shown thereby, as are
43 pertinent to the action or proceeding and no more. Nothing in this
44 section shall be construed to prohibit the delivery to a transferee or
45 transferor or to the duly authorized representative of either of them of
46 a certified copy of any return filed in connection with the tax imposed
47 by this chapter; nor to prohibit the delivery of such a certified copy
48 of such return or of any information contained in or relating thereto to
49 the United States of America or any department thereof, the state of New
50 York or any department thereof, the city of Staten Island or any depart-
51 ment thereof provided the same is required for official business; nor to
52 prohibit the inspection for official business of such returns by the
53 chairperson of the taxi and limousine commission, the corporation coun-
54 sel or other legal representatives of the city or by the district attor-
55 ney of Richmond county; nor to prohibit the publication of statistics so

1 classified as to prevent the identification of particular returns or
2 items thereof.

3 b. (1) Any officer or employee of the city who willfully violates the
4 provisions of subdivision a of this section shall be dismissed from
5 office and be incapable of holding any public office in this city for a
6 period of five years thereafter.

7 (2) Cross-reference: For criminal penalties, see chapter forty of this
8 title.

9 c. This section shall be deemed a state statute for purposes of para-
10 graph (a) of subdivision two of section eighty-seven of the public offi-
11 cers law.

12 d. Notwithstanding anything in subdivision a of this section to the
13 contrary, if a taxpayer has petitioned the tax appeals tribunal for
14 administrative review as provided in section one hundred seventy of the
15 charter of the preceding municipality as it existed January first, nine-
16 teen hundred ninety-four, the commissioner of finance shall be author-
17 ized to present to the tribunal any report or return of such taxpayer,
18 or any information contained therein or relating thereto, which may be
19 material or relevant to the proceeding before the tribunal. The tax
20 appeals tribunal shall be authorized to publish a copy or a summary of
21 any decision rendered pursuant to section one hundred seventy-one of the
22 charter of the preceding municipality as it existed January first, nine-
23 teen hundred ninety-four.

24 § 11-1415 Notices and limitations of time. a. Any notice authorized
25 or required under the provisions of this chapter may be given by mailing
26 the same to the person for whom it is intended in a postpaid envelope
27 addressed to such person at the address given in the last return filed
28 by such person pursuant to the provisions of this chapter, in any appli-
29 cation made by such person, or in the records maintained by the taxi and
30 limousine commission, or, if no return has been filed or application
31 made or address found in the records of the taxi and limousine commis-
32 sion, then to such address as may be obtainable. The mailing of such
33 notice shall be presumptive evidence of the receipt of the same by the
34 person to whom addressed. Any period of time which is determined accord-
35 ing to the provisions of this chapter by the giving of notice shall
36 commence to run from the date of mailing of such notice.

37 b. The provisions of the civil practice law and rules or any other law
38 relative to limitations of time for the enforcement of a civil remedy
39 shall not apply to any proceeding or action taken by the city to levy,
40 appraise, assess, determine or enforce the collection of any tax or
41 penalty provided by this chapter. However, except in the case of a
42 wilfully false or fraudulent return with intent to evade the tax, no
43 assessment of additional tax shall be made after the expiration of more
44 than three years from the date of the filing of a return; provided,
45 however, that where no return has been filed as provided by law the tax
46 may be assessed at any time.

47 c. Where, before the expiration of the period prescribed herein for
48 the assessment of an additional tax, a taxpayer has consented in writing
49 that such period be extended, the amount of such additional tax due may
50 be determined at any time within such extended period. The period so
51 extended may be further extended by subsequent consents in writing made
52 before the expiration of the extended period.

53 d. If any return, claim, statement, notice, application, or other
54 document required to be filed, or any payment required to be made, with-
55 in a prescribed period or on or before a prescribed date under authority
56 of any provision of this chapter is, after such period or such date,

1 delivered by United States mail to the commissioner of finance, the tax
2 appeals tribunal, bureau, office, officer or person with which or with
3 whom such document is required to be filed, or to which or to whom such
4 payment is required to be made, the date of the United States postmark
5 stamped on the envelope shall be deemed to be the date of delivery. This
6 subdivision shall apply only if the postmark date falls within the
7 prescribed period or on or before the prescribed date for the filing of
8 such document, or for making the payment, including any extension grant-
9 ed for such filing or payment, and only if such document or payment was
10 deposited in the mail, postage prepaid, properly addressed to the
11 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
12 cer or person with which or with whom the document is required to be
13 filed or to which or to whom such payment is required to be made. If any
14 document is sent by United States registered mail, such registration
15 shall be prima facie evidence that such document was delivered to the
16 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
17 cer or person to which or to whom addressed, and the date of registra-
18 tion shall be deemed the postmark date. The commissioner of finance and,
19 where relevant, the tax appeals tribunal are authorized to provide by
20 regulation the extent to which such provisions with respect to prima
21 facie evidence of delivery and the postmark date shall apply to certi-
22 fied mail. Except as provided in subdivision f of this section, this
23 subdivision shall apply in the case of postmarks not made by the United
24 States postal service only if and to the extent provided by regulation
25 of the commissioner of finance or, where relevant, the tax appeals
26 tribunal.

27 e. When the last day prescribed under authority of this chapter,
28 including any extension of time, for performing any act falls on a
29 Saturday, Sunday or legal holiday in the state, the performance of such
30 act shall be considered timely if it is performed on the next succeeding
31 day which is not a Saturday, Sunday or legal holiday.

32 f. (1) Any reference in subdivision d of this section to the United
33 States mail shall be treated as including a reference to any delivery
34 service designated by the secretary of the treasury of the United States
35 pursuant to section seventy-five hundred two of the internal revenue
36 code and any reference in subdivision d of this section to a United
37 States postmark shall be treated as including a reference to any date
38 recorded or marked in the manner described in section seventy-five
39 hundred two of the internal revenue code by a designated delivery
40 service. If the commissioner of finance finds that any delivery service
41 designated by such secretary is inadequate for the needs of the city,
42 the commissioner of finance may withdraw such designation for purposes
43 of this title. The commissioner of finance may also designate additional
44 delivery services meeting the criteria of section seventy-five hundred
45 two of the internal revenue code for purposes of this title, or may
46 withdraw any such designation if the commissioner of finance finds that
47 a delivery service so designated is inadequate for the needs of the
48 city. Any reference in subdivision d of this section to the United
49 States mail shall be treated as including a reference to any delivery
50 service designated by the commissioner of finance and any reference in
51 subdivision d of this section to a United States postmark shall be
52 treated as including a reference to any date recorded or marked in the
53 manner described in section seventy-five hundred two of the internal
54 revenue code by a delivery service designated by the commissioner of
55 finance, provided, however, any withdrawal of designation or additional
56 designation by the commissioner of finance shall not be effective for

1 purposes of service upon the tax appeals tribunal, unless and until such
2 withdrawal of designation or additional designation is ratified by the
3 president of the tax appeals tribunal.

4 (2) Any equivalent of registered or certified mail designated by the
5 United States secretary of the treasury, or as may be designated by the
6 commissioner of finance pursuant to the same criteria used by such
7 secretary for such designations pursuant to section seventy-five hundred
8 two of the internal revenue code, shall be included within the meaning
9 of registered or certified mail as used in subdivision d of this
10 section. If the commissioner of finance finds that any equivalent of
11 registered or certified mail designated by such secretary or the commis-
12 sioner of finance is inadequate for the needs of the city, the commis-
13 sioner of finance may withdraw such designation for purposes of this
14 title, provided, however, any withdrawal of designation or additional
15 designation by the commissioner of finance shall not be effective for
16 purposes of service upon the tax appeals tribunal, unless and until such
17 withdrawal of designation or additional designation is ratified by the
18 president of the tax appeals tribunal.

19 § 11-1416 Construction and enforcement. This chapter shall be
20 construed and enforced in conformity with subdivision (j) of section
21 twelve hundred one of the tax law.

22 § 11-1417 Disposition of revenues. All revenues resulting from the
23 imposition of the tax under this chapter shall be paid into the treasury
24 of the city and shall be credited to and deposited in the general fund
25 of the city, but no part of such revenue may be expended unless appro-
26 priated in the annual budget of the city.

18 ter, the commissioner is hereby authorized and empowered:

19 1. To make, adopt and amend rules and regulations appropriate to the
20 carrying chapter and the purposes thereof;

21 2. To extend, for cause shown, the time of filing any return for a
22 period not exceeding thirty days; and for cause shown, to remit penal-

25 imposed;

26 3. To request information from the tax commission of the state of New
27 York or the treasury department of the United States relative to any

30 ter to the contrary notwithstanding;

31 4. To delegate the commissioner's functions under this section to an
32 assistant commissioner or deputy commissioner in the department of
33 finance or to any employee or employees of the commissioner of finance;

34 5. To prescribe methods for determining the containers sold or
35 supplied or purchased and to determine which are taxable and nontaxable;

36 6. To require sellers and suppliers and retailers within the city to
37 keep detailed records with respect to containers bought, sold, used,
38 manufactured or produced, and stock and production records with respect
39 to such containers whether or not subject to the tax imposed by this
40 chapter, and to furnish any information with respect thereto upon
41 request to the commissioner of finance;

42 7. To assess, determine, revise and readjust the taxes imposed under
43 this chapter.

44 § 11-1603 Administration of oaths and compelling testimony. a. The
45 commissioner of finance or the commissioner's employees or agents duly
46 designated and authorized by the commissioner shall have power to admin-
47 ister oaths and take affidavits in relation to any matter or proceeding
48 in the exercise of their powers and duties under this chapter. The
49 commissioner of finance shall have power to subpoena and require the
50 attendance of witnesses and the production of books, papers and docu-
51 ments to secure information pertinent to the performance of the commis-
52 sioner's duties hereunder and of the enforcement of this chapter and to
53 examine them in relation thereto, and to issue commissions for the exam-
54 ination of witnesses who are out of the state or unable to attend before
55 the commissioner or excused from attendance.

1 b. A justice of the supreme court either in court or at chambers shall
2 have power summarily to enforce by proper proceedings the attendance and
3 testimony of witnesses and the production and examination of books,
4 papers and documents called for by the subpoena of the commissioner of
5 finance under this chapter.

6 c. Any person who shall refuse to testify or to produce books or
7 records or who shall testify falsely in any material matter pending
8 before the commissioner of finance under this chapter shall be guilty of
9 a misdemeanor, punishment for which shall be a fine of not more than one
10 thousand dollars or imprisonment for not more than one year, or both
11 such fine and imprisonment.

12 d. The officers who serve the summons or subpoena of the commissioner
13 of finance and witnesses attending in response thereto shall be entitled
14 to the same fees as are allowed to officers and witnesses in civil cases
15 in courts of record, except as otherwise provided. Such officers shall
16 be the city sheriff and the city sheriff's duly appointed deputies or
17 any officers or employees of the commissioner of finance, designated to
18 serve such process.

19 § 11-1604 Imposition of tax. 1. On and after July first, nineteen
20 hundred seventy-one, there is hereby imposed within the city and there
21 shall be paid a tax upon every sale of a plastic container at the rate
22 of two cents for each container sold.

23 2. A credit shall be allowed against the taxes imposed by this chap-
24 ter of one cent for each taxable container if manufactured with a mini-
25 mum of thirty percent of recycled material.

26 § 11-1605 Presumptions and burden of proof. For the purpose of
27 proper administration of this chapter and to prevent evasion of the tax
28 hereby imposed, it shall be presumed that all sales of plastic contain-
29 ers are taxable, and not entitled to any credit allowed against the
30 taxes imposed. Such presumptions shall prevail until the contrary is
31 established and the burden of proving the contrary shall be upon the
32 taxpayer.

33 § 11-1606 Payment of the tax. The tax imposed pursuant to this
34 chapter shall be paid by the seller or supplier. However, where the tax
35 has not been paid on a sale by such seller or supplier, the retailer
36 shall be liable for tax thereon upon purchasing the container. Should
37 sellers and suppliers having no business situs in the city, who sell
38 containers to retailers within the city, pay the tax, the retailer
39 purchasing the containers shall not be liable for the tax.

40 § 11-1607 Records to be kept. Every seller or supplier and every
41 retailer shall keep records of all plastic containers taxed pursuant to
42 this chapter and of all purchases and sales thereof and of the taxes due
43 and payable on the sale or on the purchase thereof, in such form as the
44 commissioner of finance may by regulation require. Such records shall
45 be available for inspection and examination at any time upon demand by
46 the commissioner of finance or the commissioner's duly authorized agent
47 or employee and shall be preserved for a period of three years, except
48 that the commissioner of finance may consent to their destruction within
49 that period or may require that they be kept longer.

50 § 11-1608 Exemptions. 1. The following shall be exempt from the
51 payment of the tax imposed by this chapter:

52 (a) The state of New York, or any of its agencies, instrumentalities,
53 public corporations, including a public corporation created pursuant to
54 agreement or compact with another state or Canada, or political subdivi-
55 sions where it is the purchaser, user or consumer;

1 (b) The United States of America, and any of its agencies and instru-
2 mentalities insofar as it is immune from taxation where it is the
3 purchaser, user or consumer;

4 (c) The United Nations or other international organizations of which
5 the United States of America is a member; and

6 (d) Any corporation, or association, or trust, or community chest,
7 fund or foundation, organized and operated exclusively for religious,
8 charitable, or educational purposes, or for the prevention of cruelty to
9 children or animals, and no part of the net earnings of which inures to
10 the benefit of any private shareholder or individual, and no substantial
11 part of the activities of which is carrying on propaganda, or otherwise
12 attempting to influence legislation; provided, however, that nothing in
13 this paragraph shall include an organization operated for the primary
14 purpose of carrying on a trade or business for profit, whether or not
15 all of its profits are payable to one or more organizations described in
16 this paragraph.

17 2. The following containers shall be exempt from the tax imposed by
18 this chapter: a. Containers sold or furnished containing products
19 intended for use in manufacturing processes and not for final retail
20 sale.

21 b. Containers used as receptacles for food, food products, beverages,
22 dietary foods and health supplements, sold for human consumption but not
23 including: (i) candy and confectionery, (ii) fruit drinks which contain
24 less than seventy percent of natural fruit juice, (iii) soft drinks,
25 sodas and beverages such as are ordinarily dispensed at soda fountains
26 or in connection therewith, other than coffee, tea and cocoa, and (iv)
27 beer, wine or other alcoholic beverages.

28 § 11-1609 Returns. 1. Every seller or supplier shall file with the
29 commissioner of finance a return of containers sold and of the taxes due
30 and payable thereon for the period from July first, nineteen hundred
31 seventy-one until the last day of September, nineteen hundred seventy-
32 one and thereafter for each of the four-monthly periods ending on the
33 last day of January, May and September of each year.

34 2. Every retailer shall file with the commissioner of finance a
35 return of containers purchased by such retailer from sellers or suppli-
36 ers having no situs within the city and of the taxes due thereon for the
37 same periods provided in subdivision one of this section.

38 3. The returns shall be filed within twenty days after the end of the
39 periods covered thereby. The commissioner of finance may permit or
40 require returns to be made for other periods and upon such dates as the
41 commissioner may specify. If the commissioner of finance deems it
42 necessary in order to insure the payment of the tax imposed by this
43 chapter, the commissioner may require returns to be made for shorter
44 periods than those prescribed pursuant to the provisions of this subdivi-
45 sion and upon such dates as he or she may specify.

46 4. The forms of returns shall be prescribed by the commissioner of
47 finance and shall contain such information as the commissioner may deem
48 necessary for the proper administration of this chapter. The commis-
49 sioner of finance may require amended returns to be filed within twenty
50 days after notice and to contain the information specified in the
51 notice.

52 5. If a return required by this chapter is not filed or if a return
53 when filed is incorrect or insufficient on its face the commissioner of
54 finance shall take the necessary steps to enforce the filing of such a
55 return or a corrected return.

1 § 11-1610 Determination of tax. If a return required by this chapter
2 is not filed, or if a return when filed is incorrect or insufficient,
3 the amount of tax due shall be determined by the commissioner of finance
4 from such information as may be obtainable and, if necessary, the tax
5 may be estimated on the basis of external indices, such as volume of
6 sales, inventories, purchases of containers, or of raw materials,
7 production figures, or other factors. Notice of such determination shall
8 be given to the person liable for the collection or payment of the tax.
9 Such determination shall finally and irrevocably fix the tax unless the
10 person against whom it is assessed, within thirty days after giving
11 notice of such determination, shall apply to the commissioner of finance
12 for a hearing, or unless the commissioner of finance of his or her own
13 motion shall redetermine the same. After such hearing the commissioner
14 of finance shall give notice of his or her determination to the person
15 against whom the tax is assessed. The determination of the commissioner
16 of finance shall be reviewable for error, illegality or unconstitution-
17 ality or any other reason whatsoever by a proceeding under article
18 seventy-eight of the civil practice law and rules if application there-
19 for is made to the supreme court within four months after the giving of
20 the notice of such determination. A proceeding under article seventy-
21 eight of the civil practice law and rules shall not be instituted
22 unless: (a) the amount of any tax sought to be reviewed, with penalties
23 and interest thereon, if any, shall be first deposited with the commis-
24 sioner of finance and there shall be filed with the commissioner of
25 finance an undertaking, issued by a surety company authorized to trans-
26 act business in this state and approved by the superintendent of insur-
27 ance of this state as to solvency and responsibility, in such amount as
28 a justice of the supreme court shall approve to the effect that if such
29 proceeding be dismissed or the tax confirmed, the petitioner will pay
30 all costs and charges which may accrue in the prosecution of the
31 proceeding; or (b) at the option of the applicant such undertaking filed
32 with the commissioner of finance may be in a sum sufficient to cover the
33 taxes, penalties and interest thereon stated in such determination plus
34 the costs and charges which may accrue against it in the prosecution of
35 the proceeding, in which event the applicant shall not be required to
36 deposit such taxes, penalties and interest as a condition precedent to
37 the application.

38 § 11-1611 Refunds. a. In the manner provided in this section the
39 commissioner of finance shall refund or credit, without interest, any
40 tax, penalty or interest erroneously, illegally or unconstitutionally
41 collected or paid if application to the commissioner of finance for such
42 refund shall be made within one year from the payment thereof. Whenever
43 a refund is made by the commissioner of finance, the commissioner shall
44 state his or her reasons therefor in writing. Such application may be
45 made by the seller or supplier or the retailer or other person who has
46 actually paid the tax. The commissioner of finance may, in lieu of any
47 refund required to be made, allow credit therefor on payments due from
48 the applicant.

49 b. An application for a refund or credit made as herein provided shall
50 be deemed an application for revision of any tax, penalty or interest
51 complained of. If the commissioner of finance, prior to any hearing
52 held, initially denies the application for refund, the commissioner
53 shall give notice of such determination of denial to the applicant. Such
54 determination shall be final and irrevocable unless the applicant, with-
55 in thirty days after the giving of notice of such determination, shall
56 apply to the commissioner of finance for a hearing, or unless the

1 commissioner of finance of his or her own motion shall redetermine the
2 same. After such hearing the commissioner of finance shall give notice
3 of his or her determination to the applicant, who shall be entitled to
4 review such determination by a proceeding pursuant to article seventy-
5 eight of the civil practice law and rules, provided such proceeding is
6 instituted within four months after the giving of the notice of such
7 determination, and provided that a final determination of tax was not
8 previously made. Such a proceeding shall not be instituted unless an
9 undertaking is filed with the commissioner of finance in such amount and
10 with such sureties as a justice of the supreme court shall approve to
11 the effect that if such proceeding be dismissed or the tax confirmed,
12 the petitioner shall pay all costs and charges which may accrue in the
13 prosecution of such proceeding.

14 c. A person shall not be entitled to a revision, refund or credit
15 under this section of a tax, interest or penalty which had been deter-
16 mined to be due pursuant to the provisions of section 11-1610 of this
17 chapter where such person has had a hearing or an opportunity for a
18 hearing, as provided in said section, or has failed to avail himself or
19 herself of the remedies therein provided. No refund or credit shall be
20 made of a tax, interest or penalty paid after a determination by the
21 commissioner of finance made pursuant to section 11-1609 of this chapter
22 unless it be found that such determination was erroneous, illegal or
23 unconstitutional or otherwise improper, by the commissioner of finance
24 after a hearing or of the commissioner's own motion, or in a proceeding
25 under article seventy-eight of the civil practice law and rules, pursu-
26 ant to the provisions of said section, in which event refund or credit
27 without interest shall be made of the tax, interest or penalty found to
28 have been overpaid.

29 § 11-1612 Reserves. In cases where the seller or supplier or the
30 retailer has applied for a refund and has instituted a proceeding under
31 article seventy-eight of the civil practice law and rules to review a
32 determination adverse to him or her on his or her application for
33 refund, the comptroller shall set up appropriate reserves to meet any
34 decision adverse to the city.

35 § 11-1613 Remedies exclusive. The remedies provided by sections
36 11-1610 and 11-1611 of this chapter shall be the exclusive remedies
37 available to any person for the review of tax liability imposed by this
38 chapter; and no determination or proposed determination of tax or deter-
39 mination on any application for refund shall be enjoined or reviewed by
40 an action for declaratory judgment, an action for money had and received
41 or by any action or proceeding other than a proceeding in the nature of
42 a certiorari proceeding under article seventy-eight of the civil prac-
43 tice law and rules; provided, however, that a taxpayer may proceed by
44 declaratory judgment if such taxpayer institutes suit within thirty days
45 after a deficiency assessment is made and pays the amount of the defi-
46 ciency assessment to the commissioner of finance prior to the institu-
47 tion of such suit and posts a bond for costs as provided in section
48 11-1610 of this chapter.

49 § 11-1614 Proceedings to recover tax. a. Whenever any seller or
50 supplier or retailer or other person shall fail to pay any tax, penalty
51 or interest imposed by this chapter, the corporation counsel shall, upon
52 the request of the commissioner of finance bring or cause to be brought
53 an action to enforce the payment of the same on behalf of the city of
54 Staten Island in any court of the state of New York or of any other
55 state or of the United States. If, however, the commissioner of finance
56 in his or her discretion believes that any such seller or supplier or

1 retailer or other person is about to cease business, leave the state or
2 remove or dissipate the assets out of which the tax, penalties or inter-
3 est might be satisfied, and that any such tax, penalty or interest will
4 not be paid when due, the commissioner of finance may declare such tax,
5 penalty or interest to be immediately due and payable and may issue a
6 warrant immediately.

7 b. As an additional or alternate remedy, the commissioner of finance
8 may issue a warrant, directed to the city sheriff commanding the city
9 sheriff to levy upon and sell the real and personal property of the
10 seller or supplier or retailer or other person liable for the tax, which
11 may be found within the city, for the payment of the amount thereof,
12 with any penalties and interest, and the cost of executing the warrant,
13 and to return such warrant to the commissioner of finance and to pay to
14 the commissioner of finance the money collected by virtue thereof within
15 sixty days after the receipt of such warrant. The city sheriff shall
16 within five days after the receipt of the warrant file with the county
17 clerk a copy thereof, and thereupon such clerk shall enter in the judg-
18 ment docket the name of the person mentioned in the warrant and the
19 amount of the tax, penalties and interest for which the warrant is
20 issued and the date when such copy is filed. Thereupon the amount of
21 such warrant so docketed shall become a lien upon the title to and
22 interest in real and personal property of the person against whom the
23 warrant is issued. The city sheriff shall then proceed upon the warrant,
24 in the same manner, and with like effect, as that provided by law in
25 respect to executions issued against property upon judgments of a court
26 of record, and for services in executing the warrant the city sheriff
27 shall be entitled to the same fees, which he or she may collect in the
28 same manner. In the discretion of the commissioner of finance a warrant
29 of like terms, force and effect may be issued and directed to any offi-
30 cer or employee of the department of finance, and in the execution ther-
31 eof such officer or employee shall have all the powers conferred by law
32 upon sheriffs, but shall be entitled to no fee or compensation in excess
33 of the actual expenses paid in the performance of such duty. If a
34 warrant is returned not satisfied in full, the commissioner of finance
35 may from time to time issue new warrants and shall also have the same
36 remedies to enforce the amount due thereunder as if the city had recov-
37 ered judgment therefor and execution thereon had been returned unsatis-
38 fied.

39 c. Whenever a seller or supplier or the retailer shall make a sale,
40 transfer, or assignment in bulk of any part of the whole of his or her
41 fixtures, or of his or her stock of merchandise, or of stock or merchan-
42 dise and of fixtures pertaining to the conduct or operation of business
43 of the seller or supplier or the retailer, otherwise than in the ordi-
44 nary course of trade and regular prosecution of business, the purchaser,
45 transferee or assignee shall at least ten days before taking possession
46 of the subject of said sale, transfer or assignment, or paying therefor,
47 notify the commissioner of finance by registered mail of the proposed
48 sale and of the price, terms and conditions thereof whether or not the
49 seller, transferor or assignor, has represented to, or informed the
50 purchaser, transferee or assignee that it owes any tax pursuant to this
51 chapter, and whether or not the purchaser, transferee or assignee has
52 knowledge that such taxes are owing, and whether any such taxes are in
53 fact owing.

54 Whenever the purchaser, transferee or assignee shall fail to give
55 notice to the commissioner of finance as required by the opening para-
56 graph of this subdivision, or whenever the commissioner of finance shall

1 inform the purchaser, transferee or assignee that a possible claim for
2 such tax or taxes exists, any sums of money, property or chooses in
3 action, or other consideration, which the purchaser, transferee or
4 assignee is required to transfer over to the seller, transferor or
5 assignor shall be subject to a first priority right and lien for any
6 such taxes theretofore or thereafter determined to be due from the sell-
7 er, transferor or assignor to the city, and the purchaser, transferee or
8 assignee is forbidden to transfer to the seller, transferor or assignor
9 any such sums of money, property or chooses in action to the extent of
10 the amount of the city's claim. For failure to comply with the
11 provisions of this subdivision, the purchaser, transferee or assignee,
12 in addition to being subject to the liabilities and remedies imposed
13 under the provisions of article six of the uniform commercial code,
14 shall be personally liable for the payment to the city of any such taxes
15 theretofore or thereafter determined to be due to the city from the
16 seller, transferor or assignor, and such liability may be assessed and
17 enforced in the same manner as the liability for tax under this chapter.

18 d. The commissioner of finance, if he or she finds that the interests
19 of the city will not thereby be jeopardized, and upon such conditions as
20 the commissioner of finance may require, may release any property from
21 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
22 tions to tax, penalties and interest filed pursuant to subdivision b of
23 this section, and such release or vacating of the warrant may be
24 recorded in the office of any recording officer in which such warrant
25 has been filed. The clerk shall thereupon cancel and discharge as of the
26 original date of docketing the vacated warrant.

27 § 11-1615 Penalties and interest. a. Any person failing to file a
28 return or to pay any tax to the commissioner of finance within the time
29 required by this chapter shall be subject to a penalty of five percent
30 of the amount of tax due; plus interest at the rate of one percent of
31 such tax for each month of delay excepting the first month after such
32 return was required to be filed or such tax became due; but the commis-
33 sioner of finance if satisfied that the delay was excusable, may remit
34 all or any part of such penalty, but not interest at the rate of six
35 percent per year. Such penalties and interest shall be paid and disposed
36 of in the same manner as other revenues from this chapter. Unpaid penal-
37 ties and interest may be enforced in the same manner as the tax imposed
38 by this chapter.

39 b. Any seller or supplier or any retailer or any officer of a corpo-
40 rate seller or supplier or retailer, failing to file a return as
41 required by this chapter, or filing or causing to be filed or making or
42 causing to be made or given or causing to be given any return, certifi-
43 cate, affidavit, representation, information, testimony or statement
44 required or authorized by this chapter which is willfully false, and any
45 seller or supplier or any retailer or any officer of a corporate seller
46 or supplier or retailer failing to keep the records required by subdivi-
47 sion six of section 11-1602 of this chapter, shall, in addition to the
48 penalties under this subdivision or elsewhere prescribed, be guilty of a
49 misdemeanor, punishment for which shall be a fine of not more than one
50 thousand dollars or imprisonment for not more than one year, or both
51 such fine and imprisonment. It shall not be any defense to a prosecution
52 under this subdivision that the failure to file a return or that the
53 actions or failures to act mentioned in this subdivision was uninten-
54 tional or not willful.

55 c. The certificate of the commissioner of finance to the effect that a
56 tax has not been paid, that a return has not been filed, or that infor-

8 to inspect any return or to whom a copy, an abstract or a portion of any
9 return is furnished, or to whom any information contained in any return
10 is furnished, to divulge or make known in any manner any information
11 contained in or relating to any return required under this chapter. The
12 officers charged with the custody of such returns shall not be required
13 to produce any of them or evidence of anything contained in them in any
14 action or proceeding in any court, except on behalf of the commissioner
15 of finance in an action or proceeding under the provisions of this chap-
16 ter, or on behalf of any party to any action or proceeding under the
17 provisions of this chapter, when the returns or facts shown thereby are
18 directly involved in such action or proceeding, in either of which
19 events the court may require the production of, and may admit in
20 evidence, so much of said returns or of the facts shown thereby, as are
21 pertinent to the action or proceeding and no more. Nothing under this
22 subdivision shall be construed to prohibit the delivery to a taxpayer or
23 such taxpayer's duly authorized representative of a certified copy of
24 any return filed in connection with such taxpayer's tax; nor to prohibit
25 the delivery of such a certified copy of such return or of any informa-

27 any department thereof, to the state of New York or any department ther-

29 provided the same is requested for official business; nor to prohibit
30 the inspection for official business of such returns by the corporation
31 counsel or other legal representatives of the city or by the district
32 attorney of Richmond county; nor to prohibit the publication of statis-
33 tics so classified as to prevent the identification of particular
34 returns and the items thereof. Returns shall be preserved for three
35 years and thereafter until the commissioner of finance permits them to
36 be destroyed.

48 or in any application made by such person or, if no return has been
49 filed or application made, then to such address as may be obtainable.
50 The mailing of such notice shall be presumptive evidence of the receipt
51 of the same by the person to whom addressed. Any period of time which
52 is determined according to the provisions of this chapter by the giving
53 of notice shall commence to run from the date of mailing of such notice.

54 b. The provisions of the civil practice law and rules or any other
55 law relative to limitations of time for the enforcement of a civil reme-

1 levy, appraise, assess, determine or enforce the collection of any tax
2 or penalty provided by this chapter. However, except in the case of a
3 willfully false or fraudulent return with intent to evade the tax, no
4 assessment of additional tax shall be made after the expiration of more
5 than three years from the date of the filing of a return; provided,
6 however, that where no return has been filed as provided by law the tax
7 may be assessed at any time.

8 c. Where, before the expiration of the period prescribed under this
9 section for assessment of an additional tax, a taxpayer has consented in
10 writing that such period be extended, the amount of such additional tax

12 period so extended may be further extended by subsequent consents in
13 writing made before the expiration of the extended period.

44 program for public schools within the city and a supplemental capital
45 rehabilitation program for such schools, to the extent that such appli-
46 cation is necessary for the timely implementation of such programs in
47 accordance with the memorandum of understanding executed pursuant to
48 paragraph two of subdivision (d) of this section and any modifications
49 thereto.

20 tax determined pursuant to section 11-1701 of this subchapter is based
21 on city taxable income over ninety thousand dollars, then the additional
22 tax shall be the sum of 5.25% of such tax on city taxable income up to
23 and including ninety thousand dollars and 12.25% of such tax on city
24 taxable income in excess of ninety thousand dollars.

28 shall be determined as follows: (A) If the tax determined pursuant to
29 section 11-1701 of this subchapter is based on city taxable income equal

46 be determined as follows: (A) If the tax determined pursuant to section
47 11-1701 of this subchapter is based on city taxable income equal to or

53 12.25% of such tax on city taxable income in excess of fifty thousand
54 dollars.

55 (b) The additional tax imposed pursuant to this section shall be
56 administered, collected and distributed by the commissioner of taxation

1 and finance in the same manner as the other taxes imposed pursuant to
2 this chapter, and all of the provisions of this chapter, including
3 sections 11-1706, 11-1721 and 11-1773, shall apply to the additional tax
4 imposed by this section.

5 § 11-1705 General provisions and definitions. (a) Accounting periods
6 and methods. (1) Accounting periods. A taxpayer's taxable year under
7 this chapter shall be the same as his or her taxable year for federal
8 income tax purposes.

9 (2) Change of accounting periods. If a taxpayer's taxable year is
10 changed for federal income tax purposes, his or her taxable year for
11 purposes of this chapter shall be similarly changed. If a taxable year
12 of less than twelve months results from a change of taxable year, the
13 city standard deduction and the city exemptions shall be prorated under
14 regulations of the tax commission.

15 (3) Accounting methods. A taxpayer's method of accounting under this
16 chapter shall be the same as his or her method of accounting for federal
17 income tax purposes. In the absence of any method of accounting for
18 federal income tax purposes, city taxable income shall be computed under
19 such method as in the opinion of the tax commission clearly reflects
20 income.

21 (4) Change of accounting methods. (A) If a taxpayer's method of
22 accounting is changed for federal income tax purposes, his or her method
23 of accounting for purposes of this chapter shall be similarly changed.

24 (B) If a taxpayer's method of accounting is changed, other than from
25 an accrual to an installment method, any additional tax which results
26 from adjustments determined to be necessary solely by reason of the
27 change shall not be greater than if such adjustments were ratably allo-
28 cated and included for the taxable year of the change and the preceding
29 taxable years, not in excess of two, during which the taxpayer used the
30 method of accounting from which the change is made.

31 (C) If a taxpayer's method of accounting is changed from an accrual to
32 an installment method, any additional tax for the year of such change of
33 method and for any subsequent year which is attributable to the receipt
34 of installment payments properly accrued in a prior year, shall be
35 reduced by the portion of tax for any prior taxable year attributable to
36 the accrual of such installment payments, in accordance with regulations
37 of the tax commission.

38 (b) City resident and city nonresident defined. (1) City resident
39 individual. A city resident individual means an individual:

40 (A) who is domiciled in this city, unless (i) the taxpayer maintains
41 no permanent place of abode in this city, maintains a permanent place of
42 abode elsewhere, and spends in the aggregate not more than thirty days
43 of the taxable year in this city, or (ii) (I) within any period of five
44 hundred forty-eight consecutive days the taxpayer is present in a
45 foreign country or countries for at least four hundred fifty days, and
46 (II) during the period of five hundred forty-eight consecutive days the
47 taxpayer, the taxpayer's spouse, unless such spouse is legally sepa-
48 rated, and the taxpayer's minor children are not present in this city
49 for more than ninety days, and (III) during any period of less than
50 twelve months, which would be treated as a separate taxable period
51 pursuant to section 11-1754 of this chapter, and which period is
52 contained within the period of five hundred forty-eight consecutive
53 days, the taxpayer is present in this city for a number of days which
54 does not exceed an amount which bears the same ratio to ninety as the
55 number of days contained in that period of less than twelve months bears
56 to five hundred forty-eight, or

1 (B) who maintains a permanent place of abode in this city and spends
2 in the aggregate more than one hundred eighty-three days of the taxable
3 year in this city, whether or not domiciled in this city for any portion
4 of the taxable year, unless such individual is in active service in the
5 armed forces of the United States.

6 (2) City nonresident individual. A city nonresident individual means
7 an individual who is not a city resident.

8 (3) City resident estate or trust. A city resident estate or trust
9 means:

10 (A) the estate of a decedent who at his or her death was domiciled in
11 this city,

12 (B) a trust, or a portion of a trust, consisting of property trans-
13 ferred by will of a decedent who at his or her death was domiciled in
14 this city, or

15 (C) a trust, or portion of a trust, consisting of the property of:

16 (i) a person domiciled in this city at the time such property was
17 transferred to the trust, if such trust or portion of a trust was then
18 irrevocable, or if it was then revocable and has not subsequently become
19 irrevocable; or

20 (ii) a person domiciled in this city at the time such trust, or
21 portion of a trust, became irrevocable, if it was revocable when such
22 property was transferred to the trust but has subsequently become irrev-
23 ovable.

24 For the purposes of this paragraph, a trust or portion of a trust is
25 revocable if it is subject to a power, exercisable immediately or at any
26 future time, to revest title in the person whose property constitutes
27 such trust or portion of a trust, and a trust or portion of a trust
28 becomes irrevocable when the possibility that such power may be exer-
29 cised has been terminated.

30 (D) (i) Provided, however, a resident trust is not subject to tax
31 under this article if all of the following conditions are satisfied:

32 (I) all the trustees are domiciled outside the city of New York; (II)
33 the entire corpus of the trusts, including real and tangible property,
34 is located outside the city of New York; and (III) all income and gains
35 of the trust are derived from or connected with sources outside of the
36 city of New York, determined as if the trust were a non-resident trust.

37 (ii) For purposes of item (II) of clause (i) of this subparagraph,
38 intangible property shall be located in this city if one or more of the
39 trustees are domiciled in the city of New York.

40 (iii) Provided further, that for the purposes of item (I) of clause
41 (i) of this subparagraph, a trustee which is a banking corporation as
42 defined in subdivision (a) of section 11-640 of this title and which is
43 domiciled outside the city of New York at the time it becomes a trustee
44 of the trust shall be deemed to continue to be a trustee domiciled
45 outside the city of New York notwithstanding that it thereafter other-
46 wise becomes a trustee domiciled in the city of New York by virtue of
47 being acquired by, or becoming an office or branch of, a corporate trust-
48 tee domiciled within the city of New York.

49 For the purposes of this subparagraph, a trust or portion of a trust
50 is revocable if it is subject to a power, exercisable immediately or at
51 any future time, to revest title in the person whose property consti-
52 tutes such trust or portion of a trust, and a trust or portion of a
53 trust becomes irrevocable when the possibility that such power may be
54 exercised has been terminated.

(4) City nonresident estate or trust. A city nonresident estate or trust means an estate or trust which is not a city resident estate or trust.

(5) Cross reference. For effect of a change of resident status, see section 11-1754 of this chapter.

§ 11-1706 Credits against tax. (a) Credit relating to net capital gain. For taxable years beginning in nineteen hundred eighty-seven, a credit against the tax imposed under section 11-1701 of this subchapter shall be allowed. The amount of the credit shall be one-half of one percent of net capital gain includible in city adjusted gross income for the taxable year. The credit allowed by this subdivision shall not exceed the tax imposed by section 11-1701 of this subchapter reduced by the credits permitted under section 11-1721 of this chapter and subdivision (b) of this section.

(b) Household credit. (1) For taxable years beginning after nineteen hundred eighty-six, a credit against the city personal income tax imposed by section 11-1701 of this subchapter shall be allowed. The credit, computed as described in paragraph two of this subdivision, shall not exceed the tax imposed by section 11-1701 of this subchapter, reduced by the credit permitted under section 11-1721 of this chapter.

(2) (A) For any individual who is not married nor the head of a household nor a surviving spouse, the amount of the credit shall be determined in accordance with the following table:

If household gross income is:	The credit shall be:	
	For taxable years beginning after 1986 and before 1996	For taxable years beginning after 1995
Not over \$7,500	\$15	\$15
Over \$7,500 but not over \$10,000	\$10	\$15
Over \$10,000 but not over \$12,500	\$0	\$10

(B) For any husband and wife, head of household or surviving spouse, the amount of the credit shall be determined by multiplying the number of exemptions for which the taxpayer, or in the case of a husband and wife, taxpayers, is entitled to a deduction for the taxable year for federal income tax purposes under subsections (b) and (c) of section one hundred fifty-one of the internal revenue code by the credit factor for the taxable year as specified in the following table:

If household gross income is:	The credit factor is:	
	For taxable years beginning in 1987 1988 1989 through 1995	For taxable years beginning after 1995

1 -----

2	Not over \$12,500	\$30	\$50	\$50	\$30
3	Over \$12,500 but not				
4	over \$15,000	\$20	\$40	\$50	\$30
5	Over \$15,000 but not				
6	over \$17,500	\$10	\$20	\$25	\$25
7	Over \$17,500 but not				
8	over \$20,000	\$0	\$15	\$15	\$15
9	Over \$20,000 but not				
10	over \$22,500	\$0	\$0	\$0	\$10

11 (3) For purposes of this subdivision:

12 (A) "Household gross income" shall mean the aggregate federal adjusted
13 gross income of a household, as the term household is defined in subpar-
14 agraph (B) of this paragraph, for the taxable year.

15 (B) "Household" means a husband and wife, a head of household, a
16 surviving spouse, or an individual who is not married nor the head of a
17 household nor a surviving spouse nor a taxpayer with respect to whom a
18 deduction under subsection (c) of section one hundred fifty-one of the
19 internal revenue code is allowable to another taxpayer for the taxable
20 year.

21 (C) "Household gross income of a husband and wife" shall be the aggre-
22 gate of their federal adjusted gross incomes for the taxable year irre-
23 spective of whether joint or separate city income tax returns are filed.
24 Provided, however, that a husband or wife who is required to file a
25 separate city income tax return shall be permitted one-half the credit
26 otherwise allowed his or her household, except as limited by paragraph
27 one of this subdivision.

28 (D) "Household gross income" shall be computed in all cases as if each
29 member of the household were a resident for the entire taxable year.

30 (E) If a taxpayer changes his or her status during his or her taxable
31 year from resident to nonresident, or from nonresident to resident, the
32 household credit shall be prorated according to the number of months in
33 the period of residence. In the case of a husband and wife, if either or
34 both changes his or her status from resident to nonresident or from
35 nonresident to resident and separate returns are filed, the credit
36 computed for the entire year shall be divided first as provided in
37 subparagraph (C) of this paragraph and then prorated according to the
38 number of months in the period of residence.

39 (c) State school tax reduction credit.

40 (1) For taxable years beginning after nineteen hundred ninety-seven
41 and ending before two thousand sixteen, a state school tax reduction
42 credit shall be allowed as provided in the following tables. The credit
43 shall be allowed against the taxes authorized by this article reduced by
44 the credits permitted by this article. If the credit exceeds the tax as
45 so reduced, the taxpayer may receive, and the comptroller, subject to a
46 certificate of the commissioner, shall pay as an overpayment, without
47 interest, the amount of such excess. For purposes of this subdivision,
48 no credit shall be granted to an individual with respect to whom a
49 deduction under subsection (c) of section one hundred fifty-one of the
50 internal revenue code is allowable to another taxpayer for the taxable
51 year.

52 (2) The amount of the credit under this paragraph shall be determined
53 based upon the taxpayer's income as defined in subparagraph (ii) of

1 paragraph (b) of subdivision four of section four hundred twenty-five of
 2 the real property tax law. For purposes of this paragraph, any taxpayer
 3 under subparagraphs (A) and (B) of this paragraph with income of more
 4 than two hundred fifty thousand dollars shall not receive a credit.

5 Beginning in the two thousand ten tax year and each tax year thereaft-
 6 er through two thousand fifteen, the "more than two hundred fifty thou-
 7 sand dollar" income limitation shall be adjusted by applying the
 8 inflation factor set forth herein, and rounding each result to the near-
 9 est multiple of one hundred dollars. The department shall establish the
 10 income limitation to be associated with each subsequent tax year by
 11 applying the inflation factor set forth herein to the figures that
 12 define the income limitation that were applicable to the preceding tax
 13 year, as determined pursuant to this subdivision, and rounding each
 14 result to the nearest multiple of one hundred dollars. Such determi-
 15 nation shall be made no later than March first, two thousand ten and
 16 each year thereafter.

17 (A) Married individuals filing joint returns and surviving spouses. In
 18 the case of a husband and wife who make a single return jointly and of a
 19 surviving spouse:

20 For taxable years beginning:	The credit shall be:
21 in 2001-2005	\$125
22 in 2006	\$230
23 in 2007-2008	\$290
24 in 2009-2015	\$125

25 (B) All others. In the case of an unmarried individual, a head of a
 26 household or a married individual filing a separate return:

27 For taxable years beginning:	The credit shall be:
28 in 2001-2005	\$62.50
29 in 2006	\$115
30 in 2007-2008	\$145
31 in 2009-2015	\$62.50

32 (4) Husband and wife who make a joint return. If a husband and wife
 33 make a single return jointly, the credit under this subdivision shall be
 34 determined under paragraph two of this subdivision, if either of them
 35 has attained the age of sixty-five on or before the close of the taxable
 36 year.

37 (5) Part-year residents. If a taxpayer changes status during the taxa-
 38 ble year from resident to nonresident, or from nonresident to resident,
 39 the state school tax reduction credit shall be prorated according to the
 40 number of months in the period of residence.

41 (c) Credit for unincorporated business taxes paid. (1) A city resident
 42 individual, estate or trust whose city adjusted gross income includes
 43 income, gain, loss or deductions from one or more unincorporated busi-
 44 nesses conducted by such city resident individual, estate or trust that
 45 are subject to the tax imposed by chapter five of this title, or a
 46 distributive share of income, gain, loss and deductions of, or guaran-
 47 teed payments from, one or more partnerships that are subject to the tax
 48 imposed by such chapter, shall be allowed a credit as provided in para-
 49 graph two of this subdivision against the tax otherwise due under
 50 sections 11-1701, 11-1703, 11-1704 and 11-1704.1 of this subchapter.

51 (2) (A) Subject to the limitation set forth in subparagraph (B) of
 52 this paragraph, the credit allowed to a taxpayer for a taxable year
 53 under this subdivision shall be determined as follows:

54 (i) For taxable years beginning on or after January first, nineteen
 55 hundred ninety-seven and before January first, two thousand seven:

1 (I) If the city taxable income is forty-two thousand dollars or less,
2 the credit shall be sixty-five percent of the amount determined in para-
3 graph three of this subdivision.

4 (II) If the city taxable income is greater than forty-two thousand
5 dollars but not greater than one hundred forty-two thousand dollars, the
6 amount of the credit shall be a percentage of the amount determined in
7 paragraph three of this subdivision, such percentage to be determined by
8 subtracting from sixty-five percent, one-tenth of a percentage point
9 (.001) for every increment of two hundred dollars, or fractional part
10 thereof, of city taxable income in excess of forty-two thousand dollars.

11 (III) If the city taxable income is greater than one hundred forty-two
12 thousand dollars, the credit shall be fifteen percent of the amount
13 determined in paragraph three of this subdivision.

14 (ii) For taxable years beginning on or after January first, two thou-
15 sand seven:

16 (I) If the city taxable income is forty-two thousand dollars or less,
17 the credit shall be one hundred percent of the amount determined in
18 paragraph three of this subdivision.

19 (II) If the city taxable income is greater than forty-two thousand
20 dollars but less than one hundred forty-two thousand dollars, the amount
21 of the credit shall be a percentage of the amount determined in para-
22 graph three of this subdivision, such percentage to be determined by
23 subtracting from one hundred percent, a percentage determined by
24 subtracting forty-two thousand dollars from city taxable income, divid-
25 ing the result by one hundred thousand dollars and multiplying by seven-
26 ty-seven percent.

27 (III) If the city taxable income is one hundred forty-two thousand
28 dollars or greater, the credit shall be twenty-three percent of the
29 amount determined in paragraph three of this subdivision.

30 (B) Notwithstanding anything to the contrary in subparagraph (A) of
31 this paragraph, the credit allowed to a taxpayer for a taxable year
32 under this subdivision shall not exceed the sum of the taxes that would
33 otherwise be imposed by sections 11-1701, 11-1703, 11-1704 and 11-1704.1
34 of this subchapter on such taxpayer for such taxable year after the
35 allowance of any other credits allowed by this section or section
36 11-1721 of this chapter.

37 (3) Subject to the provisions of subparagraph (C) of this paragraph,
38 the amount determined in this paragraph is the sum of:

39 (A) for each unincorporated business conducted by the taxpayer, the
40 tax imposed by chapter five of this title on such unincorporated busi-
41 ness for its taxable year ending with the taxable year of the taxpayer
42 and paid by the unincorporated business; and

43 (B) for each unincorporated business in which the taxpayer is a part-
44 ner, the product of:

45 (i) the sum of (I) the tax imposed by chapter five of this title on
46 such unincorporated business for its taxable year ending within or with
47 the taxable year of the partner and paid by the unincorporated business
48 and (II) the amount of any credit or credits taken by the unincorporated
49 business under subdivision (j) of section 11-503 of this title for its
50 taxable year ending within or with the taxable year of the partner; and

51 (ii) a fraction, the numerator of which is the net total of the part-
52 ner's distributive share of income, gain, loss and deductions of, and
53 guaranteed payments from, the unincorporated business for such taxable
54 year, and the denominator of which is the sum, for such taxable year, of
55 the net total distributive shares of income, gain, loss and deductions
56 of, and guaranteed payments to, all partners in the unincorporated busi-

1 ness for whom or which such net total, as separately determined for each
2 partner, is greater than zero.

3 (C) For a taxpayer that changes its status from a city resident to a
4 city nonresident or from a city nonresident to a city resident during
5 the taxable year:

6 (i) the amount determined in subparagraph (A) of this paragraph shall
7 be, with respect to each unincorporated business conducted by the
8 taxpayer, the tax imposed by chapter five of this title on such unincor-
9 porated business for its taxable year ending with the taxable year of
10 the taxpayer and paid by the unincorporated business, multiplied by a
11 fraction, the numerator of which is that portion of the income, gain,
12 loss and deductions of the unincorporated business included in the
13 taxpayer's adjusted gross income for the portion of the taxable year
14 during which the taxpayer was a city resident, and the denominator of
15 which is the total, for such taxable year, of the income, gain, loss and
16 deductions of the unincorporated business, and

17 (ii) the amount determined in clause (ii) of subparagraph (B) of this
18 paragraph shall be a fraction, the numerator of which is that portion of
19 the taxpayer's net total distributive share of income, gain, loss and
20 deductions of, and that portion of guaranteed payments from, the unin-
21 corporated business included in the taxpayer's city adjusted gross
22 income for the portion of the taxable year during which the taxpayer was
23 a city resident, and the denominator of which is the sum, for such taxa-
24 ble year, of the net total distributive shares of income, gain, loss and
25 deductions of, and guaranteed payments to, all partners in the unincor-
26 porated business, for whom or which such net total, as separately deter-
27 mined for each partner, is greater than zero.

28 (4) For purposes of subdivision (c) of section 11-1902 of this title,
29 in determining the amount of tax that a nonresident would be required to
30 pay if such nonresident were a resident of the city and subject to the
31 tax on personal income of residents, the credit allowed by this subdivi-
32 sion shall be taken into account.

33 (d) Earned income tax credit. (1) For taxable years beginning after
34 two thousand three, a credit against the city personal income tax shall
35 be allowed, equal to five percent of the earned income credit allowed
36 under section thirty-two of the internal revenue code for the same taxa-
37 ble year, and, for taxable years beginning after two thousand twenty-
38 one, a credit against the city personal income tax shall be allowed,
39 equal to a percentage determined pursuant to subparagraphs (A) through
40 (I) of this paragraph, of the earned income credit allowed under section
41 thirty-two of the internal revenue code for the same taxable year. For
42 purposes of this paragraph, "adjusted gross income" means New York
43 adjusted gross income as determined pursuant to article twenty-two of
44 the tax law. The percentage shall be:

45 (A) thirty percent, where the taxpayer's adjusted gross income for
46 such taxable year is less than five thousand dollars;

47 (B) thirty percent reduced by the product of two-tenths of a percent-
48 age point (0.002) and the amount of the taxpayer's adjusted gross income
49 for such taxable year in excess of four thousand nine hundred ninety-
50 nine dollars, where such taxpayer's adjusted gross income for such taxa-
51 ble year is equal to or greater than five thousand dollars and less than
52 seven thousand five hundred dollars;

53 (C) twenty-five percent, where the taxpayer's adjusted gross income
54 for such taxable year is equal to or greater than seven thousand five
55 hundred dollars and less than fifteen thousand dollars;

1 (D) twenty-five percent reduced by the product of two-tenths of a
2 percentage point (0.002) and the amount of the taxpayer's adjusted gross
3 income for such taxable year in excess of fourteen thousand nine hundred
4 ninety-nine dollars, where such taxpayer's adjusted gross income for
5 such taxable year is equal to or greater than fifteen thousand dollars
6 and less than seventeen thousand five hundred dollars;

7 (E) twenty percent, where the taxpayer's adjusted gross income for
8 such taxable year is equal to or greater than seventeen thousand five
9 hundred dollars and less than twenty thousand dollars;

10 (F) twenty percent reduced by the product of two-tenths of a percent-
11 age point (0.002) and the amount of such taxpayer's adjusted gross
12 income for such taxable year in excess of nineteen thousand nine hundred
13 ninety-nine dollars, where the taxpayer's adjusted gross income for such
14 taxable year is equal to or greater than twenty thousand dollars and
15 less than twenty-two thousand five hundred dollars;

16 (G) fifteen percent, where the taxpayer's adjusted gross income for
17 such taxable year is equal to or greater than twenty-two thousand five
18 hundred dollars and less than forty thousand dollars;

19 (H) fifteen percent reduced by the product of two-tenths of a percent-
20 age point (0.002) and the amount of the taxpayer's adjusted gross income
21 for such taxable year in excess of thirty-nine thousand nine hundred
22 ninety-nine dollars, where such taxpayer's adjusted gross income for
23 such taxable year is equal to or greater than forty thousand dollars and
24 less than forty-two thousand five hundred dollars; and

25 (I) ten percent where the taxpayer's adjusted gross income for such
26 taxable year is equal to or greater than forty-two thousand five hundred
27 dollars.

28 (2) In the case of a resident taxpayer, the credit provided by this
29 subdivision shall be allowed against the taxes authorized by this chap-
30 ter for the taxable year reduced by the credits permitted by this chap-
31 ter. If the credit exceeds the tax as so reduced, the taxpayer may
32 receive, and the state comptroller, subject to a certificate of the
33 commissioner of the state department of taxation and finance, shall pay
34 as an overpayment, without interest, the amount of such excess.

35 (3) If a taxpayer changes his or her status during the taxable year
36 from city resident to city nonresident, or from city nonresident to city
37 resident, the credit determined under this subdivision shall be limited
38 to the amount determined by multiplying the amount of such credit by a
39 fraction, the numerator of which is such taxpayer's city adjusted gross
40 income, for the period of residence, and the denominator of which is
41 such taxpayer's city adjusted gross income determined as if he or she
42 were a city resident for the entire taxable year. City adjusted gross
43 income shall be adjusted as provided in section 11-1754 of this chapter.
44 The credit as so limited shall be applied as provided in paragraph two
45 of this subdivision.

46 (4) Subject to the provisions of paragraph three of this subdivision,
47 in the case of a husband and wife who file a joint return, but who are
48 required to determine their city personal income taxes separately, the
49 credit authorized pursuant to this subdivision may be applied against
50 the tax of either or divided between them as they may elect. In the case
51 of a husband and wife who are not required to file a federal return, the
52 credit under this subsection shall be allowed only if such taxpayers
53 file a joint city personal income tax return.

54 (5) If the state commissioner of taxation and finance determines that
55 the taxpayer is eligible to receive the credit provided under this
56 subdivision but has not claimed such credit on his or her return, the

1 state commissioner of taxation and finance shall compute and issue any
2 refund for the allowable credit amount provided under this subdivision.
3 Any refund paid pursuant to this paragraph shall be deemed to be a
4 refund of an overpayment of tax as provided in section 11-1786 of this
5 chapter, provided, however, that no interest shall be paid thereon.

6 (e) Credit for certain household and dependent care services necessary
7 for gainful employment. (1) For taxable years beginning on or after
8 January first, two thousand seven, a taxpayer shall be allowed a credit
9 as provided herein equal to the applicable percentage of the credit
10 allowed under subsection (c) of section six hundred six of the tax law
11 with respect to qualifying individuals as defined in paragraph one of
12 subsection (b) of section twenty-one of the internal revenue code, with-
13 out regard to whether the taxpayer in fact claimed the credit under such
14 section twenty-one for the taxable year, who are dependents of the
15 taxpayer and who have not attained the age of four as of the end of the
16 taxable year. The applicable percentage shall be determined as follows:

17 (A) If household gross income as defined in subparagraph (A) of para-
18 graph three of subdivision (b) of this section is twenty-five thousand
19 dollars or less, the applicable percentage shall be seventy-five
20 percent.

21 (B) If such household gross income is greater than twenty-five thou-
22 sand dollars but not greater than thirty thousand dollars, the applica-
23 ble percentage shall be seventy-five percent multiplied by one minus a
24 fraction, the numerator of which is such household gross income less
25 twenty-five thousand dollars and the denominator of which is five thou-
26 sand dollars.

27 (C) If such household gross income is greater than thirty thousand
28 dollars, the applicable percentage shall be zero.

29 (2) The credit under this subdivision shall be allowed against the
30 taxes imposed by this chapter reduced by the credits permitted by this
31 chapter. If the credit exceeds the tax as so reduced, the taxpayer may
32 receive, and the state comptroller, subject to the certificate of the
33 state commissioner of taxation and finance, shall pay as an overpayment,
34 without interest, the amount of such excess, provided, however, in the
35 case of a taxpayer who is a part-year resident of New York city any such
36 overpayment under this paragraph shall be limited to the amount of such
37 excess multiplied by a fraction, the numerator of which is federal
38 adjusted gross income for the period of residence, computed as if the
39 taxable year for federal income tax purposes were limited to the period
40 of residence, and the denominator of which is federal adjusted gross
41 income for the taxable year.

42 (3) In the case of a husband and wife who filed a joint federal
43 return, but who are required to determine their New York city taxes
44 separately, the credit allowed pursuant to this subdivision may only be
45 applied against the tax imposed on the spouse with the lower taxable
46 income, computed without regard to such credit, provided, however, if
47 the spouse with the lower taxable income is a nonresident of the city,
48 no credit shall be allowed under this subdivision. In the case of a
49 husband and wife who are not required to file a federal return, the
50 credit under this subdivision shall be allowed only if such taxpayers
51 file a joint New York city income tax return.

52 (f) Credit for general corporation tax paid. (1) A city resident indi-
53 vidual, estate or trust whose city adjusted gross income includes a pro
54 rata share of income, loss and deductions described in paragraph one of
55 subsection (a) of section thirteen hundred sixty-six of the internal
56 revenue code, from one or more New York S corporations as defined in

1 subdivision one-A of section two hundred eight of the tax law, or from
2 one or more QSSSSs as defined in subdivision one-B of section two hundred
3 eight of the tax law, that are exempt QSSSSs by reason of clause (A) of
4 subparagraph one of paragraph (k) of subdivision nine of section two
5 hundred eight of the tax law, on which a tax is imposed by subchapter
6 two of chapter six of this title, shall be allowed a credit as provided
7 in paragraph two of this subdivision against the tax otherwise due under
8 sections 11-1701, 11-1703, 11-1704 and 11-1704.1 of this chapter.

9 (2) (A) Subject to the limitations set forth in subparagraphs (B) and
10 (C) of this paragraph, the credit allowed to a taxpayer for a taxable
11 year under this subdivision shall be determined as follows:

12 (i) For taxable years beginning on or after January first, two thou-
13 sand fourteen and before July first, two thousand nineteen:

14 (I) If the city taxable income is thirty-five thousand dollars or
15 less, the amount of the credit shall be one hundred percent of the
16 amount determined in paragraph three of this subdivision.

17 (II) If the city taxable income is greater than thirty-five thousand
18 dollars but less than one hundred thousand dollars, the amount of the
19 credit shall be a percentage of the amount determined in paragraph three
20 of this subdivision, such percentage to be determined by subtracting
21 from one hundred percent, a percentage determined by subtracting thir-
22 ty-five thousand dollars from city taxable income, dividing the result
23 by sixty-five thousand dollars and multiplying by one hundred percent.

24 (III) If the city taxable income is one hundred thousand dollars or
25 greater, no credit shall be allowed.

26 (IV) Provided further that for any taxable year of a taxpayer for
27 which this credit is effective that encompasses days occurring after
28 June thirtieth, two thousand nineteen, the amount of the credit deter-
29 mined in item (I) or (II) of this clause shall be multiplied by a frac-
30 tion, the numerator of which is the number of days in the taxpayer's
31 taxable year occurring on or before June thirtieth, two thousand nine-
32 teen, and the denominator of which is the number of days in the taxpay-
33 er's taxable year.

34 (B) Notwithstanding anything to the contrary in subparagraph (A) of
35 this paragraph, the credit allowed to a taxpayer for a taxable year
36 under this subdivision shall not exceed the sum of the taxes that would
37 otherwise be imposed by sections 11-1701, 11-1703, 11-1704 and 11-1704.1
38 of this subchapter on such taxpayer for such taxable year after the
39 allowance of any other credits allowed by subdivisions (a), (b) and (c)
40 of this section, and section 11-1721 of this chapter.

41 (C) Notwithstanding anything to the contrary in subparagraph (A) of
42 this paragraph, no credit shall be allowed for any amount of tax
43 imposed, or credit allowed, by subchapter two of chapter six of this
44 title on, or to, a combined group of corporations including a New York S
45 corporation or an exempt QSSS, except where the combined group consists
46 exclusively of one or more New York S corporations and one or more
47 exempt QSSSSs of such corporations as described in paragraph one of this
48 subdivision, provided that each of the New York S corporations included
49 in the group is wholly owned by the same interests and in the same
50 proportions as each other New York S corporation included in the group.

51 (3) Subject to the provisions of subparagraph (B) of this paragraph
52 and subparagraph (C) of paragraph two of this subdivision, the amount
53 determined in this paragraph is the sum of the taxpayer's pro rata share
54 of the amounts determined in subparagraph (A) of this paragraph for each
55 New York S corporation, or exempt QSSS, described in paragraph one of
56 this subdivision, a pro rata share of whose income, loss and deductions

1 described in paragraph one of subsection (a) of section thirteen hundred
2 sixty-six of the internal revenue code, is included in the taxpayer's
3 city adjusted gross income.

4 (A) The amount determined in this subparagraph is the sum of:

5 (i) the taxes imposed by subchapter two of chapter six of this title
6 on such corporation, or a combined group including such corporation, for
7 its taxable year ending within or with the taxable year of the taxpayer
8 and paid by such corporation, or combined group; and

9 (ii) the amount of any credit or credits taken by such corporation, or
10 a combined group including such corporation, under subdivision eighteen
11 of section 11-604 of this title for its taxable year ending within or
12 with the taxable year of the taxpayer.

13 (B) For purposes of this subdivision, the taxpayer's pro rata share of
14 the amount in subparagraph (A) of this paragraph for the taxable year
15 shall be the amount determined with respect to the taxpayer:

16 (i) by assigning an equal portion of the amount in subparagraph (A) of
17 this paragraph to each day of the corporation's taxable year on which
18 the corporation has shares outstanding,

19 (ii) then by dividing that portion pro rata among the shares outstand-
20 ing on that day; provided, however,

21 (iii) if the taxable year of such corporation for purposes of chapter
22 six of this title is different from its New York S year or S short year
23 as defined in subdivision one-A of section two hundred eight of the tax
24 law, only those portions that are assigned to days of the taxable year
25 that are also days of the New York S year or S short year shall be taken
26 into account in determining the shareholder's pro rata share of the
27 amount determined in subparagraph (A) of this paragraph.

28 (g) Credit for city pass-through entity tax. (1) A taxpayer who is a
29 partner or member of an electing city partnership and a taxpayer share-
30 holder of an electing city resident S corporation subject to tax under
31 article twenty-four-B of the tax law shall be entitled to a credit
32 against the tax imposed by such article. For purposes of this subdivi-
33 sion, the terms "electing city partnership," "electing city resident S
34 corporation," "city pass-through entity tax," and "direct share of city
35 pass-through entity tax" shall have the same meanings as used in article
36 twenty-four-B of the tax law.

37 (2) The amount of the credit shall be equal to the partner's, member's
38 or shareholder's direct share of the city pass-through entity tax.

39 (3) If a taxpayer is a partner, member or shareholder in more than one
40 electing city partnership and/or electing city resident S corporation
41 that is subject to tax pursuant to article twenty-four-B of the tax law,
42 the amount of the credit of such taxpayer shall be equal to the sum of
43 the amounts of such credits calculated pursuant to paragraph two of this
44 subdivision with regard to each entity in which such taxpayer has a
45 direct ownership interest.

46 (4) If the amount of the credit allowable pursuant to this subdivision
47 for any taxable year exceeds the tax due for such year pursuant to arti-
48 cle twenty-four-B of the tax law, the excess amount shall be treated as
49 an overpayment, to be credited or refunded, without interest.

50 (5) Limitation on credit. No credit shall be allowed to a taxpayer
51 under this subdivision unless the electing city partnership or electing
52 city resident S corporation provided sufficient information to identify
53 such taxpayer on its city pass-through entity tax return as required
54 under paragraph two of subsection (c) of section eight hundred seventy-
55 two of the tax law for an electing city partnership or paragraph two of
56 subsection (d) of section eight hundred seventy-two of the tax law for

1 an electing city resident S corporation. The credit allowed to a taxpay-
2 er under this subdivision shall not exceed the direct share of city
3 pass-through entity tax reported by such electing city partnership or
4 electing city resident S corporation attributable to such taxpayer on
5 such electing city partnership's or such electing city resident S corpo-
6 ration's return filed pursuant to section eight hundred seventy-two of
7 the tax law.

8 § 11-1707 Meaning of terms. (a) General. Any term used in this chap-
9 ter shall have the same meaning as when used in a comparable context in
10 the laws of the United States relating to federal income taxes, unless a
11 different meaning is clearly required but such meaning shall be subject
12 to the exceptions or modifications prescribed in this chapter or by
13 statute. Any reference in this chapter to the laws of the United States
14 shall mean the provisions of the internal revenue code of nineteen
15 hundred eighty-six, unless a reference to the internal revenue code of
16 nineteen hundred fifty-four is clearly intended, and amendments thereto,
17 and other provisions of the laws of the United States relating to feder-
18 al income taxes, as the same may be or become effective at any time or
19 from time to time for the taxable year, as included and quoted in the
20 appendices, including any supplements and additions thereto, to this
21 chapter. Provided however, for taxable years beginning before January
22 first, two thousand twenty-two, any amendments made to the internal
23 revenue code of nineteen hundred eighty-six after March first, two thou-
24 sand twenty shall not apply to this chapter. Such quotation of the
25 aforesaid laws of the United States is intended to make them a part of
26 this chapter and to avoid constitutional uncertainties which might
27 result if such laws were merely incorporated by reference. The quotation
28 of a provision of the internal revenue code or of any other law of the
29 United States in such appendices shall not necessarily mean that it is
30 applicable or has relevance to this chapter.

31 (b) Marital or other status. An individual's marital or other status
32 under section 11-1701 of this chapter and section 11-1714 of this chap-
33 ter shall be the same as his or her marital or other status for purposes
34 of establishing the applicable federal income tax rates.

35 (c) "City" and "this city" as used in this chapter means the city of
36 Staten Island; "tax commission" as used in this chapter means the tax
37 commission of the state of New York; and "state" or "this state" as used
38 in this chapter means the state of New York.

1 (A) their tax shall be determined on their joint city taxable income,
2 or

4 incomes if they both so elect.

5 (4) If either husband or wife is a resident and the other is a nonres-
6 ident, a separate tax shall be determined on the city taxable income of
7 the resident spouse on a separate form unless such husband and wife
8 determine their federal taxable income jointly and both elect to deter-
9 mine their joint city taxable income as if both were residents.

10 § 11-1712 City adjusted gross income of a city resident individual.

11 (a) General. The city adjusted gross income of a city resident indi-

30 S corporation, with respect to taxes imposed upon or payable by the
31 corporation, the term "income taxes" in subparagraph (A) of this para-
32 graph shall also include the tax imposed under article nine-A of the tax
33 law, regardless of the measure of such tax, but shall not otherwise
34 include taxes imposed by this or any other state of the United States,
35 or any political subdivision of this or any other state, or the District

7 contributions are paid under more than one plan to which this paragraph
8 applies or under a plan, contributions to which on his or her behalf are

10 hundred four of the internal revenue code, this paragraph shall apply
11 with respect to the aggregate of the contributions paid on his or her

25 additional mortgage recording taxes imposed by subdivision one-a of
26 section two hundred fifty-three of the tax law in determining federal
27 adjusted gross income for such taxable year.

28 (16) Unless the credit allowed pursuant to subsection (f) of section
29 six hundred six of the tax law is reflected in the computation of the
30 gain or loss so as to result in an increase in such gain or decrease in
31 such loss, for federal income tax purposes, from the sale or other
32 disposition of the property with respect to which the special additional
33 mortgage recording tax imposed pursuant to subdivision one-a of section
34 two hundred fifty-three of such law was paid, the amount of the special
35 additional mortgage recording tax imposed by subdivision one-a of
36 section two hundred fifty-three of such law which was paid and which is
37 reflected in the computation of the basis of the property so as to

10 of the internal revenue code which represent income not previously
11 subject to tax under this chapter because the election provided for in
12 subsection (a) of section six hundred sixty of the tax law had not been
13 made. Any such distribution treated in the manner described in paragraph
14 two of subsection (b) of section thirteen hundred sixty-eight of the

28 mass commuting vehicle described in subparagraph (D) of paragraph eight
29 of subsection (f) of section one hundred sixty-eight of the internal
30 revenue code, relating to qualified mass commuting vehicles, any amount
31 which the taxpayer claimed as a deduction in computing its federal

19 determined under the provisions of paragraph five of subsection (d) of
20 section one hundred five of the internal revenue code as such provisions
21 were in effect immediately prior to the repeal of such subsection, but
22 shall be attributed for city income tax purposes to the spouse who would

24 had determined their federal income taxes separately.

25 (iii) Where a husband and wife file a joint city income tax return,
26 the twenty thousand dollar limitation provided in subparagraph (i) of
27 this paragraph shall be applied as if they were filing separate city

29 ter.

30 (e) Modifications of partners and shareholders of S corporations. (1)
31 Partners and shareholders of S corporations which are not New York C
32 corporations. The amounts of modifications required to be made under
33 this section by a partner or by a shareholder of an S corporation, other

42 In the case of a shareholder of an S corporation which is a New York C
43 corporation, the modifications under this section which relate to the
44 corporation's items of income, loss and deduction shall not apply,
45 except for the modifications provided under paragraph nineteen of subdivi-

52 internal revenue code, shall be adjusted in the same manner that the S
53 corporation's items are adjusted under subdivision (s) of this section.

54 (f) Husband and wife. If husband and wife determine their federal
55 income tax on a joint return but are required to determine their city
56 income taxes separately, they shall determine their city adjusted gross

1 incomes separately as if their federal adjusted gross incomes had been
2 determined separately.

3 (g) Optional modifications. Subject to the conditions provided in
4 paragraphs three and four of this subdivision, at the election of the
5 taxpayer there shall also be subtracted from federal adjusted gross
6 income either or both of the items set forth in paragraphs one and two
7 of this subdivision, except that only one of such items shall be
8 subtracted with respect to any one item of property, and except that a
9 subtraction of the item set forth in such paragraph two may not be taken
10 with respect to taxable years commencing on or after January first,
11 nineteen hundred eighty-nine.

12 (1) Depreciation with respect to any property such as described in
13 paragraph three or four of this subdivision, and subject to the condi-
14 tions provided therein, not exceeding twice the depreciation allowed
15 with respect to the same property for federal income tax purposes. Such
16 modification shall be allowed only upon condition that any depreciation
17 or amortization allowed with respect to the same property in determining
18 federal adjusted gross income shall be added to federal adjusted gross
19 income pursuant to paragraph six of subdivision (b) of this section.
20 The total of all deductions allowed pursuant to this paragraph in any
21 taxable year or years with respect to any property described in para-
22 graph three of this subdivision shall not exceed its cost or other basis
23 and, with respect to property described in paragraph four of this subdi-

30 (2) Expenditures paid or incurred during the taxable year for the
31 construction, reconstruction, erection or acquisition of any property
32 such as described in paragraph three or four of this subdivision, and
33 subject to the conditions provided therein, which is used or to be used
34 for purposes of research and development in the experimental or labora-

36 testing or inspection of materials or products for quality control,
37 efficiency surveys, management studies, consumer surveys, advertising,

47 and for the taxable year and all succeeding taxable years, any
48 deductions allowed for federal income tax purposes on account of such
49 expenditures or on account of depreciation of the same property, except
50 to the extent that its basis may be attributable to factors other than
51 such expenditures, shall be added to federal adjusted gross income
52 pursuant to paragraph six of subdivision (b) of this section, or in case
53 a modification is allowable pursuant to this paragraph for only a part
54 of such expenditures, on condition that a proportionate part of any such
55 deductions allowed for federal income tax purposes be added to federal
56 adjusted gross income. With respect to property which is used or to be

1 used for research and development only in part, or during only part of
2 its useful life, the modification allowable pursuant to this paragraph
3 shall be limited to a proportionate part of the expenditures relating
4 thereto. If a modification shall have been allowed pursuant to this
5 paragraph for all or part of such expenditures with respect to any prop-
6 erty, and such property is used for purposes other than research and
7 development to a greater extent than originally reported, the taxpayer
8 shall report such use in his or her return for the first taxable year
9 during which it occurs, and the tax commission may recompute the tax for
10 the year or years for which such deduction was allowed, and may assess
11 any additional tax resulting from such recomputation within the time
12 fixed by subdivision (c) of section 11-1783 of this chapter.

13 (3) For purposes of this paragraph, such modifications shall be
14 allowed only with respect to tangible property which is depreciable
15 pursuant to section one hundred sixty-seven of the internal revenue
16 code, having a situs in this state and used in the taxpayer's trade or
17 business: (A) constructed, reconstructed or erected after December thir-
18 ty-first, nineteen hundred sixty-three, pursuant to a contract which
19 was, on or before December thirty-first, nineteen hundred sixty-seven,
20 and at all times thereafter, binding on the taxpayer or, property, the
21 physical construction, reconstruction or erection of which began on or
22 before December thirty-first, nineteen hundred sixty-seven or which
23 began after such date pursuant to an order placed on or before December
24 thirty-first, nineteen hundred sixty-seven, and then only with respect
25 to that portion of the basis thereof or the expenditures relating there-
26 to which is properly attributable to such construction, reconstruction
27 or erection after December thirty-first, nineteen hundred sixty-three,
28 or (B) acquired after December thirty-first, nineteen hundred sixty-
29 three, pursuant to a contract which was, on or before December thirty-
30 first, nineteen hundred sixty-seven, and at all times thereafter, bind-
31 ing on the taxpayer or pursuant to an order placed on or before December
32 thirty-first, nineteen hundred sixty-seven, by purchase as defined in
33 subsection (d) of section one hundred seventy-nine of the internal
34 revenue code, if the original use of such property commenced with the
35 taxpayer, commenced in this state and commenced after December thirty-
36 first, nineteen hundred sixty-three, or (C) acquired, constructed,
37 reconstructed, or erected subsequent to December thirty-first, nineteen
38 hundred sixty-seven, if such acquisition, construction, reconstruction
39 or erection is pursuant to a plan of the taxpayer which was in existence
40 December thirty-first, nineteen hundred sixty-seven and not thereafter
41 substantially modified, and such acquisition, construction, recon-
42 struction or erection would qualify under the rules in paragraph four,
43 five or six of subdivision (h) of section forty-eight of the internal
44 revenue code provided all references in such paragraphs four, five and
45 six to the dates October nine, nineteen hundred sixty-six, and October
46 ten, nineteen hundred sixty-six, shall be read as December thirty-first,
47 nineteen hundred sixty-seven. A taxpayer shall be allowed a deduction
48 under clause (A), (B) or (C) of this paragraph only if the tangible
49 property shall be delivered or the construction, reconstruction or
50 erection shall be completed on or before December thirty-first, nineteen
51 hundred sixty-nine, except in the case of tangible property which is
52 acquired, constructed, reconstructed or erected pursuant to a contract
53 which was, on or before December thirty-first, nineteen hundred sixty-
54 seven, and at all times thereafter, binding on the taxpayer. However,
55 for any taxable year beginning on or after January first, nineteen
56 hundred sixty-eight, a taxpayer shall not be allowed a modification

1 under paragraph one of this subdivision with respect to tangible
2 personal property leased to any other person or corporation, provided,
3 any contract or agreement to lease or rent or for a license to use such
4 property shall be considered a lease. With respect to property which a
5 taxpayer uses for purposes other than leasing for part of a taxable year
6 and leases for a part of a taxable year, a modification under paragraph
7 one of this subdivision shall be allowed in proportion to the part of
8 the year such property is used by the taxpayer.

9 (4) For purposes of this paragraph, such modifications shall be
10 allowed only with respect to tangible property which is depreciable
11 pursuant to section one hundred sixty-seven of the internal revenue
12 code, having a situs in this state and used in the taxpayer's trade or
13 business. The modifications provided for in paragraph one of this
14 subdivision shall be allowed only with respect to tangible property
15 which is: (A) constructed, reconstructed or erected after December thir-
16 ty-first, nineteen hundred sixty-seven, pursuant to a contract which
17 was, on or before December thirty-first, nineteen hundred sixty-eight,
18 and at all times thereafter, binding on the taxpayer or, property, the
19 physical construction, reconstruction or erection of which began on or
20 before December thirty-first, nineteen hundred sixty-eight or which
21 began after such date pursuant to an order placed on or before December
22 thirty-first, nineteen hundred sixty-eight, and then only with respect
23 to that portion of the basis thereof or the expenditures relating there-
24 to which is properly attributable to such construction, reconstruction
25 or erection after December thirty-first, nineteen hundred sixty-three,
26 or (B) acquired after December thirty-first, nineteen hundred sixty-sev-
27 en, pursuant to a contract which was, on or before December thirty-
28 first, nineteen hundred sixty-eight, and at all times thereafter, bind-
29 ing on the taxpayer or pursuant to an order placed on or before December
30 thirty-first, nineteen hundred sixty-eight, by purchase as defined in
31 section one hundred seventy-nine (d) of the internal revenue code, if
32 the original use of such property commenced with the taxpayer, commenced
33 in this state and commenced after December thirty-first, nineteen
34 hundred sixty-seven, or (C) acquired, constructed, reconstructed, or
35 erected subsequent to December thirty-first, nineteen hundred sixty-
36 eight, if such acquisition, construction, reconstruction or erection is
37 pursuant to a plan of the taxpayer which was in existence December thir-
38 ty-first, nineteen hundred sixty-eight, and not thereafter substantially
39 modified, and such acquisition, construction, reconstruction or erection
40 would qualify under the rules in paragraph four, five or six of subdivi-
41 sion (h) of section forty-eight of the internal revenue code provided
42 all references in such paragraphs four, five and six to the dates Octo-
43 ber nine, nineteen hundred sixty-six, and October ten, nineteen hundred
44 sixty-six, shall be read as December thirty-first, nineteen hundred
45 sixty-eight. A taxpayer shall be allowed a deduction under clause (A),
46 (B) or (C) of the preceding sentence of this paragraph only if the
47 tangible property shall be delivered or the construction, reconstruction
48 or erection shall be completed on or before December thirty-first, nine-
49 teen hundred seventy, except in the case of tangible property which is
50 acquired, constructed, reconstructed or erected pursuant to a contract
51 which was, on or before December thirty-first, nineteen hundred sixty-
52 eight, and at all times thereafter binding on the taxpayer. The modifi-
53 cation provided for in paragraph two of this subdivision shall be
54 allowed only with respect to tangible property: (A) the construction,
55 reconstruction or erection of which is completed after December thirty-
56 first, nineteen hundred sixty-seven, and then only with respect to that

1 portion of the basis thereof or the expenditures relating thereto which
2 is properly attributable to such construction, reconstruction or
3 erection after December thirty-first, nineteen hundred sixty-three, or
4 (B) acquired after December thirty-first, nineteen hundred sixty-seven,
5 by purchase as defined in section one hundred seventy-nine (d) of the
6 internal revenue code, if the original use of such property commenced
7 with the taxpayer, commenced in this state and commenced after December
8 thirty-first, nineteen hundred sixty-three. Provided, however, a
9 modification under paragraph one of this subdivision shall be allowed
10 with respect to property described in this paragraph only on condition
11 that such property shall be principally used by the taxpayer in the
12 production of goods by manufacturing; processing; assembling; refining;
13 mining; extracting; farming; agriculture; horticulture; floriculture;
14 viticulture; or commercial fishing. Manufacturing shall mean the proc-
15 ess of working raw materials into wares suitable for use or which gives
16 new shapes, new qualities or new combinations to matter which already
17 has gone through some artificial process by the use of machinery, tools,
18 appliances and other similar equipment. Property used in the production
19 of goods shall include machinery, equipment or other tangible property
20 which is principally used in the repair and service of other machinery,
21 equipment or other tangible property used principally in the production
22 of goods and shall include all facilities used in the manufacturing
23 operation, including storage of material to be used in manufacturing and
24 of the products that are manufactured. At the option of the taxpayer,
25 air and water pollution control facilities which qualify for elective
26 deductions under subdivision (h) of this section may be treated, for
27 purposes of this paragraph, as tangible property principally used in the
28 production of goods by manufacturing; processing; assembling; refining;
29 mining; extracting; farming; agriculture; horticulture; floriculture;
30 viticulture; or commercial fishing, in which event, a deduction shall
31 not be allowed under such subdivision (h). However, for any taxable
32 year beginning on or after January first, nineteen hundred sixty-eight,
33 a taxpayer shall not be allowed a modification under paragraph one of
34 this subdivision with respect to tangible personal property leased to
35 any other person or corporation, provided, any contract or agreement to
36 lease or rent or for a license to use such property shall be considered
37 a lease. With respect to property which a taxpayer uses for purposes
38 other than leasing for part of a taxable year and leases for a part of a
39 taxable year, a modification under paragraph one of this subdivision
40 shall be allowed in proportion to the part of the year such property is
41 used by the taxpayer.

42 (5) If the modifications allowable for any taxable year pursuant to
43 this subdivision exceed the taxpayer's city adjusted gross income,
44 determined without the allowance of such modifications, the excess may
45 be carried over to the following taxable year or years and may be
46 subtracted from federal adjusted gross income for such year or years.

47 (6) In any taxable year when property is sold or otherwise disposed
48 of, with respect to which a modification has been allowed pursuant to
49 paragraph one or two of this subdivision, the basis of such property
50 shall be adjusted to reflect the modifications so allowed, and if the
51 basis as so adjusted is lower than the adjusted basis of the same prop-
52 erty for federal income tax purposes, there shall be added to federal
53 adjusted gross income the amount of the difference between such adjusted
54 bases.

55 (h) Optional modification for waste treatment facility expenditures.
56 For taxable years commencing prior to January first, nineteen hundred

1 eighty-nine, at the election of the taxpayer, there shall also be
2 subtracted from federal adjusted gross income expenditures paid or
3 incurred during the taxable year for the construction, reconstruction,
4 erection or improvement of industrial waste treatment facilities and air
5 pollution control facilities.

6 (1)(A) The term "industrial waste treatment facilities" shall mean
7 facilities for the treatment, neutralization, or stabilization of indus-
8 trial waste, as the term "industrial waste" is defined in section
9 17-0105 of the environmental conservation law, from a point immediately
10 preceding the point of such treatment, neutralization or stabilization
11 to the point of disposal, including the necessary pumping and transmit-
12 ting facilities, but excluding such facilities installed for the primary
13 purpose of salvaging materials which are usable in the manufacturing
14 process or are marketable.

15 (B) The term "air pollution control facilities" shall mean facilities
16 which remove, reduce, or render less noxious air contaminants emitted
17 from an air contamination source, as the terms "air contaminant" and
18 "air contamination source" are defined in section 19-0107 of the envi-
19 ronmental conservation law, from a point immediately preceding the point
20 of such removal, reduction or rendering to the point of discharge of
21 air, meeting emission standards as established by the air pollution
22 control board, but excluding such facilities installed for the primary
23 purpose of salvaging materials which are usable in the manufacturing
24 process or are marketable and excluding those facilities which rely for
25 their efficacy on dilution, dispersion or assimilation of air contam-
26 inants in the ambient air after emission.

27 (2) Such modifications shall be allowed only:

28 (A) with respect to tangible property which is depreciable, pursuant
29 to section one hundred sixty-seven of the internal revenue code, having
30 a situs in this state and used in the taxpayer's trade or business, the
31 construction, reconstruction, erection or improvement of which, in the
32 case of industrial waste treatment facilities, is initiated on or after
33 January first, nineteen hundred sixty-five, or which, in the case of air
34 pollution control facilities, is initiated on or after January first,
35 nineteen hundred sixty-six, and

36 (B) on condition that such facilities have been certified by the
37 commissioner of environmental conservation or his or her designated
38 representative, in the same manner as provided for in section 17-0707 or
39 19-0309 of the environmental conservation law, as applicable, as comply-
40 ing with the provisions of such environmental conservation law, the
41 state sanitary code and regulations, permits or orders promulgated
42 pursuant thereto, and

43 (C) on condition that for the taxable year and all succeeding taxable
44 years, any deductions allowed for federal income tax purposes for such
45 expenditures or for depreciation or amortization of the same property,
46 except to the extent that its basis may be attributable to factors other
47 than such expenditures, be added to federal adjusted gross income pursu-
48 ant to paragraph five of subdivision (b) of this section, or in case a
49 modification is allowable pursuant to this paragraph for only a part of
50 such expenditures, on condition that a proportionate amount of any such
51 deductions allowed for federal income tax purposes be added to federal
52 adjusted gross income, and

53 (D) where the election provided for in subdivision (g) of this
54 section has not been exercised in respect to the same property.

55 (3)(A) If expenditures in respect to an industrial waste treatment
56 facility or an air pollution control facility have been allowed as a

1 modification as provided herein and if within ten years from the end of
2 the taxable year in which such modification was allowed such property or
3 any part thereof is used for the primary purpose of salvaging materials
4 which are usable in the manufacturing process or are marketable, the
5 taxpayer shall report such change of use in its return for the first
6 taxable year during which it occurs, and the tax commission may recom-
7 pute the tax for the year or years for which such modification was
8 allowed, and may assess any additional tax resulting from such recompu-
9 tation within the time fixed by paragraph eight of subdivision (c) of
10 section 11-1783 of this chapter.

11 (B) If a modification is allowed as herein provided for expenditures
12 paid or incurred during any taxable year on the basis of a temporary
13 certificate of compliance issued pursuant to the environmental conserva-
14 tion law, and if the taxpayer fails to obtain a permanent certificate of
15 compliance upon completion of the facilities with respect to which such
16 temporary certificate was issued, the taxpayer shall report such failure
17 in its report for the taxable year during which such facilities are
18 completed, and the tax commission may recompute the tax for the year or
19 years for which such modification was allowed, and may assess any addi-
20 tional tax resulting from such recomputation within the time fixed by
21 paragraph eight of subdivision (c) of section 11-1783 of this chapter.

22 (C) If a modification is allowed as herein provided for expenditures
23 paid or incurred during any taxable year in respect to an air pollution
24 control facility on the basis of a certificate of compliance issued
25 pursuant to the environmental conservation law and the certificate is
26 revoked pursuant to section 19-0309 of the environmental conservation
27 law, the tax commission may recompute the tax for the year or years for
28 which the facility is not or was not in compliance with the applicable
29 provisions of the environmental conservation law, the state sanitary
30 code or codes, rules, regulations, permits or orders issued pursuant
31 thereto, and for which a modification was allowed, and may assess any
32 additional tax resulting from such recomputation within the time fixed
33 by paragraph eight of subdivision (c) of section 11-1783 of this chap-
34 ter.

35 (4) In any taxable year when property is sold or otherwise disposed
36 of, with respect to which a modification has been allowed pursuant to
37 this paragraph, such modification shall be disregarded in computing gain
38 or loss, and the gain or loss on the sale or other disposition of such
39 property shall be the gain or loss entering into the computation of
40 federal adjusted gross income for such taxable year.

41 (i) In the case of mines, oil and gas wells and other natural depos-
42 its, any allowance for percentage depletion pursuant to section six
43 hundred thirteen or section six hundred thirteen-A of the internal
44 revenue code, shall be added to federal adjusted gross income. However,
45 with respect to the property as to which such addition to federal
46 adjusted gross income is required, an allowance for depletion shall be
47 subtracted from federal adjusted gross income in the amount that would
48 be deductible under section six hundred eleven of such code if the
49 deduction for an allowance for depletion were computed without reference
50 to such section six hundred thirteen or section six hundred thirteen-A.
51 With respect to the computation of depletion pursuant to this subdivi-
52 sion, the basis for such computation shall be the basis for state income
53 tax purposes provided for in subsection (i) of section six hundred
54 twelve of the tax law. The portion of any gain from the sale or other
55 disposition of such property having a higher adjusted basis for city
56 income tax purposes than for federal income tax purposes, that does not

1 exceed such difference in basis, shall be subtracted from federal
 2 adjusted gross income.

3 (j) Modification for nonpublic school tuition. (1) General. An indi-
 4 vidual shall be entitled to subtract from his or her federal adjusted
 5 gross income an amount shown in the table set forth in this paragraph
 6 for his or her city adjusted gross income for the taxable year, computed
 7 without the benefit of this modification, multiplied by the number of
 8 his or her dependents, not exceeding three, attending a nonpublic school
 9 on a full-time basis for at least four months during the regular school
 10 year for the education of such dependent in grades one through twelve,
 11 provided such individual is allowed an exemption under section 11-1716
 12 of this chapter for such dependent. Provided, further, that the modifi-
 13 cation under this paragraph may be taken only if such individual has
 14 paid at least fifty dollars for each such dependent in tuition to such
 15 nonpublic school for such education of such dependent. No taxpayer
 16 shall be entitled to the modification provided for in this paragraph if
 17 he or she claims a tuition reimbursement payment pursuant to article
 18 twelve-A of the education law.

19 If city adjusted	The amount allowable
20 gross income is:	for each dependent is:

31 (2) Husband and wife. In determining the applicable city adjusted
 32 gross income of a husband and wife for purposes of the table set forth
 33 in paragraph one of this subdivision, the city adjusted gross income of
 34 a husband and wife shall be the aggregate of their city adjusted gross
 35 incomes for the taxable year, determined without the benefit of the
 36 modification provided for in this subdivision, and the number of depen-
 37 dents with respect to which this modification may be claimed shall be no
 38 more than three in the aggregate.

39 (3) Definitions. (A) "Tuition", as used in this subdivision, shall
 40 mean the amount actually paid during the taxable year by the taxpayer
 41 for the enrollment of a dependent during the regular school year at a
 42 nonpublic school.

43 (B) "Nonpublic school", as used in this subdivision, shall mean any
 44 non-profit elementary or secondary school in the state of New York,
 45 other than a public school, which: (i) is providing instruction in
 46 accordance with article seventeen and section thirty-two hundred four of
 47 the education law, (ii) has not been found to be in violation of title
 48 VI of the civil rights act of nineteen hundred sixty-four, 78 Stat. 252,
 49 42 U.S.C. § 2000(d) and (iii) which is entitled to a tax exemption under
 50 sections five hundred one (a) and five hundred one (c) (3) of the feder-
 51 al internal revenue code of nineteen hundred fifty-four, as amended.
 52 The commissioner of education shall furnish to the tax commission by
 53 February first of each year, a certified list of nonpublic schools which
 54 comply with clause (i) of this subparagraph for the preceding calendar

1 year and shall provide such other assistance with respect to whether
2 nonpublic schools come within clause (i) as the tax commission may
3 require.

4 (C) "Regular school year", as used in this subdivision, shall mean the
5 months of the taxable year exclusive of July and August.

6 (4) Additional information. Any claim for a modification under this
7 subdivision shall be accompanied by such information as the tax commis-
8 sion may require.

9 (k) Modification for contributions to a qualified higher education
10 fund. (1) A taxpayer may subtract from his or her federal adjusted
11 gross income amounts which during the taxable year are contributed by
12 him or her to a qualified higher education fund, as defined in paragraph
13 three of this subdivision, established by him or her, limited to the
14 product of seven hundred fifty dollars and the number of eligible bene-
15 ficiaries, as defined in subparagraph (C) of paragraph three of this
16 subdivision, as of the first or last day of the taxable year, whichever
17 yields the higher limit. Provided, however, that a taxpayer whose taxa-
18 ble year began on January first, nineteen hundred seventy-eight may
19 subtract from his or her federal adjusted gross income for such taxable
20 year, amounts contributed by him or her to a qualified higher education
21 fund during the fifteen month period beginning January first, nineteen
22 hundred seventy-eight and ending April fifteenth, nineteen hundred
23 seventy-nine. Contributions to a qualified higher education fund made
24 during the period beginning January first, nineteen hundred seventy-nine
25 and ending April fifteenth, nineteen hundred seventy-nine and subtracted
26 from a taxpayer's federal adjusted gross income for the taxable year
27 beginning January first, nineteen hundred seventy-eight shall be deemed
28 to have been made during such taxable year. However, such number of
29 eligible beneficiaries shall not include any individual who was a
30 student at an institution of higher education during the previous taxa-
31 ble year. For purposes of this paragraph, the term "student" shall have
32 the same meaning as that ascribed to it by paragraph four of subsection
33 (e) of section one hundred fifty-one of the internal revenue code,
34 except that the reference therein to "5 calendar months" shall be deemed
35 to be a reference to "3 calendar months."

36 (2) A taxpayer who establishes a qualified higher education fund may
37 subtract from his or her federal adjusted gross income amounts included
38 in gross income for federal income tax purposes by reason of any income
39 realized by the fund or because of any payment by the fund to, or on
40 behalf of, an eligible beneficiary for the purpose specified in clause
41 (i) of subparagraph (A) of paragraph three of this subdivision.

42 (3) For purposes of this subdivision, a qualified higher education
43 fund is a fund established pursuant to a written plan described in
44 subparagraph (A) of this paragraph, but only if the fund meets the
45 requirements of subparagraph (B) of this paragraph.

46 (A) For purposes of this subdivision a "plan" means a plan estab-
47 lished:

48 (i) solely for the purpose of defraying costs associated with attend-
49 ance subsequent to graduation or separation from secondary school at an
50 institution of higher education, as defined in subparagraph (F) of this
51 paragraph, of one or more eligible beneficiaries, as defined in subpara-
52 graph (C) of this paragraph, such costs to include: (I) applicable
53 tuition and fees, exclusive of fees levied as a penalty for laboratory
54 breakage, dormitory damage and similar fees, (II) room and board as
55 charged by the institution pursuant to a contract entered into by the
56 institution and a student or, if no such contract is entered into, an

1 amount not exceeding one thousand five hundred dollars per year, which
2 amount shall include any expenses of transportation, and (III) books,
3 supplies and equipment,

4 (ii) which provides that no distribution shall be made by the fund,
5 except upon termination thereof, other than to, or on behalf of, eligi-
6 ble beneficiaries for the purpose specified in clause (i) of this
7 subparagraph,

8 (iii) which provides that upon termination of the fund all assets of
9 the fund shall be distributed to the creator of the fund, to his or her
10 estate or to a trust established for the purpose of making contributions
11 to the fund, and

12 (iv) which prohibits contributions to the fund in excess of amounts
13 which may be subtracted from federal adjusted gross income under para-
14 graph one of this subdivision.

15 (B) A fund meets the requirements of this subparagraph only if:

16 (i) it constitutes a custodial account, the assets of which are held
17 by a bank, as defined in paragraph one of subsection (d) of section four
18 hundred one of the internal revenue code, an insurance company qualified
19 to do business in this state, or another person who demonstrates, to the
20 satisfaction of the tax commission, that the manner in which he or she
21 will hold the assets will be consistent with the requirements of this
22 subdivision, or

23 (ii) it is a trust.

24 In the case of a trust referred to in clause (ii) of this subpara-
25 graph, the assets may be held by a bank or other person who demonstrates
26 to the satisfaction of the tax commission that the manner in which he or
27 she will administer the trust will be consistent with the requirements
28 of this subdivision. Such a trust shall not be disqualified under this
29 subparagraph merely because a person other than the trustee so adminis-
30 tering the trust may be granted, under the trust instrument, the power
31 to control the investment of the trust funds either by directing invest-
32 ments, including reinvestments, disposals and exchanges, or by disap-
33 proving proposed investments, including reinvestments, disposals and
34 exchanges. Such a trust may use annuity, endowment or life insurance
35 contracts of a life insurance company exclusively as the funding media
36 of the trust, if so provided by regulations of the state tax commis-
37 sion, and if the life insurance company supplies annually such informa-
38 tion about trust transactions as the tax commission shall by regulations
39 prescribe. For purposes of this subdivision, the term "bank" shall have
40 the same meaning ascribed to it by the last sentence of paragraph one of
41 subsection (d) of section four hundred one of the internal revenue code.

42 (C) For purposes of this subdivision, the term "eligible beneficiary"
43 means a person:

44 (i) having a relationship to the creator of the fund specified in
45 paragraphs one, two, three or six of subsection (a) of section one
46 hundred fifty-two of the internal revenue code,

47 (ii) who is a dependent of the creator of the fund pursuant to section
48 one hundred fifty-two of the internal revenue code, or is a member of
49 the armed forces of the United States on active duty, is a volunteer in
50 the peace corps, or is a full-time volunteer under the domestic volun-
51 teer service act of 1973, and

52 (iii) who either: (I) has not attained the age of twenty-one, except
53 that where his or her twenty-first birthday falls within a taxable year
54 with respect to which a modification based on contributions to a quali-
55 fied higher education fund with respect to which he or she is a benefi-
56 ciary is allowed to a taxpayer, for purposes of this subclass such

1 beneficiary shall be deemed not to have attained the age of twenty-one
2 until the day next succeeding the last day of such taxable year, or (II)
3 is a student, as defined in paragraph four of subsection (e) of section
4 one hundred fifty-one of the internal revenue code or, for a period of
5 up to four years, is a member of the armed forces of the United States
6 on active duty, is a volunteer in the peace corps, or is a full-time
7 volunteer under the domestic volunteer service act of 1973. Where the
8 determination of an individual's status as a student is required for a
9 purpose other than determining the permissibility of a modification
10 under this subdivision, an individual shall be deemed not to be a
11 student as of the last day of any calendar year during which he or she
12 fails to satisfy the requirements of subparagraphs (A) and (B) of para-
13 graph four of subsection (e) of section one hundred fifty-one of the
14 internal revenue code during each of five calendar months during such
15 calendar year.

16 (D) A person who meets the requirements of subparagraph (C) of this
17 paragraph shall cease to be an eligible beneficiary:

18 (i) if payments by the fund to him or her, or on his or her behalf,
19 for the purpose specified in clause (i) of subparagraph (A) of this
20 paragraph do not commence within five years after the date on which such
21 person was graduated or separated from secondary school, excluding any
22 period of up to four years during which an otherwise eligible benefi-
23 ciary was a member of the armed forces of the United States on active
24 duty, a volunteer in the peace corps, or in service as a full-time
25 volunteer under the domestic volunteer service act of 1973, or

26 (ii) after the expiration of ten years from the date of such gradu-
27 ation or separation, excluding any period of up to four years during
28 which an otherwise eligible beneficiary was a member of the armed forces
29 of the United States on active duty, a volunteer in the peace corps, or
30 in service as a full-time volunteer under the domestic volunteer service
31 act of 1973, or

32 (iii) if within six months after either his or her eighteenth birthday
33 or the date on which such fund is established, whichever is later, he or
34 she does not file with the tax commission, on a form and in the manner
35 prescribed by regulation, a notice of consent relating to the tax treat-
36 ment of payments from a qualified higher education fund imposed under
37 paragraph fourteen of subdivision (b) of this section.

38 (E) Where a fund is continued subsequent to its creator's death, an
39 individual shall not cease to be an eligible beneficiary by reason of
40 failure to fulfill the requirement set forth in clause (ii) of subpara-
41 graph (C) of this paragraph.

42 (F) For purposes of this subdivision, the term "institution of higher
43 education" means an educational organization described in clause (ii) of
44 subparagraph (A) of paragraph one of subsection (b) of section one
45 hundred seventy of the internal revenue code,

46 (i) which provides an educational program for which it awards an asso-
47 ciate, baccalaureate or higher degree or provides a program which is
48 acceptable for full credit toward such a degree,

49 (ii) contributions to or for the use of which constitute charitable
50 contributions within the meaning of section one hundred seventy (c) of
51 the internal revenue code,

52 (iii) which is legally authorized to provide and does provide a
53 program of postsecondary education, and

54 (iv) which is accredited by a nationally recognized accrediting agency
55 or association listed by the United States commissioner of education.

56 (4) A qualified higher education fund shall terminate:

1 (A) if a contribution is made to the fund in excess of the amount
2 allowable as a subtraction from federal adjusted gross income under
3 paragraph one of this subdivision,

4 (B) if a distribution is made by the fund other than to, or on behalf
5 of, an eligible beneficiary for the purpose specified in clause (i) of
6 subparagraph (A) of paragraph three of this subdivision,

7 (C) if the plan ceases to have an eligible beneficiary, or

8 (D) in the absence of a testamentary disposition or inter vivos trust
9 provision to the contrary, upon the death of the creator of the fund, or

10 (E) if the fund is otherwise terminated under the tax law.

11 (5) The tax commission may by regulation require the filing of a
12 report annually by the creator of a qualified higher education fund or
13 other person designated by such regulation, such report to set forth the
14 amounts contributed to a qualified higher education fund, as well as the
15 amount, purpose and beneficiary of each disbursement made therefrom.
16 The tax commission may also by regulation require written notification
17 annually to each beneficiary of such disbursements made on his or her
18 behalf.

19 (6) The provisions of subparagraph (B) of paragraph four of this
20 subdivision shall not apply in the case of a rollover. A rollover occurs
21 where the creator of a qualified higher education fund withdraws all of
22 the assets of such fund and not later than sixty days subsequent to such
23 withdrawal establishes a new qualified higher education fund and depos-
24 its therein an amount equal to the value of the assets so withdrawn.
25 Such deposit shall not constitute a contribution within the meaning of
26 this subdivision. This paragraph shall not apply if at any time during
27 the one year period ending on the date of such withdrawal from the qual-
28 ified higher education fund the creator had made a similar withdrawal
29 from another qualified higher education fund, both such funds having at
30 least one beneficiary in common, where such prior withdrawal was
31 followed by the establishment of a new qualified higher education fund
32 such that a rollover was effected pursuant to the provisions of this
33 paragraph.

34 (1) Qualified higher education fund. (1) Upon termination of a
35 qualified higher education fund under subparagraph (A), (B) or (E) of
36 paragraph four of subdivision (k) of this section, a taxpayer to whom
37 the assets of the fund are required to be distributed pursuant to clause
38 (iii) of subparagraph (A) of paragraph three of subdivision (k) of this
39 section shall add to his or her federal adjusted gross income for the
40 taxable year during which the terminating event occurs an amount equal
41 to one hundred ten per centum of an amount which bears the same ratio to
42 the value of the assets of such fund immediately prior to termination as
43 the total contributions made to such fund by a city resident individual,
44 estate or trust bears to the total contributions made to such fund. For
45 purposes of this subdivision the value of the assets of the fund imme-
46 diately prior to termination shall include the value of any distrib-
47 utions made to or on behalf of an eligible beneficiary who subsequently
48 ceased to be an eligible beneficiary pursuant to clause (iii) of subpar-
49 agraph (D) of paragraph three of subdivision (k) of this section.

50 (2) Payments made to or on behalf of an eligible beneficiary from a
51 qualified higher education fund for the purpose specified in clause (i)
52 of subparagraph (A) of paragraph three of subdivision (k) of this
53 section shall be added to the federal adjusted gross income of the indi-
54 vidual taxpayer to whom or on whose behalf the payment is made, in
55 accordance with the following. For the first taxable year of such
56 taxpayer in which no payment described in this paragraph is made with

1 respect to him or her and during which such taxpayer is not a student,
2 as defined in paragraph four of subsection (e) of section one hundred
3 fifty-one of the internal revenue code, treating the terms "individual"
4 and "taxpayer" therein as referring to such taxpayer, or, for a period
5 of up to four years, a member of the armed forces of the United States
6 on active duty, a volunteer in the peace corps, or a full-time volunteer
7 under the domestic volunteer service act of 1973, which taxable year
8 commences after the last day of the first calendar year in which such a
9 payment is made, one-fifth of the aggregate of all such payments there-
10 tofore made, such aggregate amount pro-rated, pursuant to regulations
11 promulgated by the tax commission, according to the portion of the total
12 contributions made to the fund prior to the first day of such taxable
13 year which constitute amounts contributed by a city resident individual,
14 estate or trust, shall be added to the federal adjusted gross income of
15 such taxpayer for such taxable year and for each of the four succeeding
16 taxable years in which no such payment is made and in which such taxpay-
17 er is not a student, as defined above, or, for a period of up to four
18 years, a member of the armed forces of the United States on active duty,
19 a volunteer in the peace corps, or a full-time volunteer under the
20 domestic volunteer service act of 1973. If in a taxable year subsequent
21 to a taxable year in which such addition to federal adjusted gross
22 income is required, a payment described in this paragraph is made, one-
23 fifth of the amount of such payment, pro-rated, pursuant to regulations
24 promulgated by the tax commission, according to the portion of the total
25 contributions made to the fund prior to the first day of such taxable
26 year which constitute amounts contributed by a city resident individual,
27 estate or trust, shall be added to the federal adjusted gross income of
28 such taxpayer for each of the five immediately succeeding taxable years
29 in which no such payment is made and in which such taxpayer is not a
30 student, as defined above, or, for a period of up to four years, a
31 member of the armed forces of the United States on active duty, a volun-
32 teer in the peace corps, or a full-time volunteer under the domestic
33 volunteer service act of 1973.

34 (n) Where gain or loss is recognized for federal income tax purposes
35 upon the disposition of stock or indebtedness of a corporation electing
36 under subchapter s of chapter one of the internal revenue code:

37 (1) There shall be added to federal adjusted gross income the amount
38 of increase in basis with respect to such stock or indebtedness pursuant
39 to subsection (a) of section thirteen hundred seventy-six of the inter-
40 nal revenue code as such section was in effect for taxable years begin-
41 ning before January first, nineteen hundred eighty-three and subpara-
42 graphs (A) and (B) of paragraph one of subsection (a) of section
43 thirteen hundred sixty-seven of such code, for each taxable year of the
44 corporation beginning, in the case of a corporation taxable under arti-
45 cle nine-A of the tax law, after December thirty-first, nineteen hundred
46 eighty, for which the election provided for in subsection (a) of section
47 six hundred sixty of the tax law was not in effect, and

48 (2) There shall be subtracted from federal adjusted gross income:

49 (A) the amount of reduction in basis with respect to such stock or
50 indebtedness pursuant to subsection (b) of section thirteen hundred
51 seventy-six of the internal revenue code as such section was in effect
52 for taxable years beginning before January first, nineteen hundred
53 eighty-three and subparagraphs (B) and (C) of paragraph two of
54 subsection (a) of section thirteen hundred sixty-seven of such code, for
55 each taxable year of the corporation beginning, in the case of a corpo-
56 ration taxable under article nine-A of the tax law, after December thir-

1 ty-first, nineteen hundred eighty, for which the election provided for
2 in subsection (a) of section six hundred sixty of the tax law was not in
3 effect and

4 (B) the amount of any modifications to federal gross income with
5 respect to such stock pursuant to paragraph twenty-one of subdivision
6 (b) of this section.

7 (o) Modifications for new business investment gains and certain new
8 business investments.

9 1. For purposes of this subdivision, the following definitions shall
10 apply:

11 (A) "New business investment gain" means gain from the sale of a new
12 business investment issued to the taxpayer before January first, nine-
13 teen hundred eighty-eight, if:

14 (i) such new business investment is, in the hands of the person sell-
15 ing the same, whether or not the taxpayer, a capital asset as defined in
16 section twelve hundred twenty-one of the internal revenue code of nine-
17 teen hundred fifty-four, as amended, and

18 (ii) such new business investment was held by such person for the
19 period specified in paragraph two of this subdivision.

20 (B) "New business" means a corporation or partnership organized or
21 formed under the laws of any state which:

22 (i) adopts a plan on or after July first, nineteen hundred eighty-one
23 and before January first, nineteen hundred eighty-eight, to conduct a
24 new business within the meaning and intent of this section and to issue
25 new business investments, as defined in this subdivision, and

26 (ii) is, at the date of adoption of such plan, subject to taxation,
27 whether or not any amount is owing, under section one hundred eighty-
28 three or one hundred eighty-four of article nine of the tax law, or
29 under article nine-A of the tax law or article twenty-three of the tax
30 law, or would have been subject to tax under article twenty-three of
31 such law, as such article was in effect on January first, nineteen
32 hundred eighty, if such article were still in effect, and the first
33 taxable period for which such new business became subject to such taxa-
34 tion commenced on or after July first, nineteen hundred eighty-one and
35 before January first, nineteen hundred eighty-eight, and such first
36 taxable period includes the date of adoption of such plan; if not so
37 subject to taxation, the new business must be subject to taxation under
38 such sections or articles for the first time within one year from the
39 date of adoption of such plan, and

40 (iii) is conducted, or will be conducted, as evidenced by such plan,
41 whereby at least ninety percent of the assets, valued at original cost,
42 are located and employed in this state and eighty percent of the employ-
43 ees, in addition, in the case of a partnership, excluding partners, are
44 principally employed in this state during each taxable period, or part
45 thereof, as required by clause (iv) of this subparagraph, and

46 (iv) within ninety days after adoption of such plan, or, if a return
47 is required, as part of such return, under such article nine, article
48 nine-A or article twenty-three of the tax law, whichever is sooner,
49 shall file a new business certificate with the tax commission attesting
50 to whether it meets, if subject to taxation under such articles, or
51 intends to meet, if not so subject, all of the conditions stated in
52 clauses (i), (ii) and (iii) of this subparagraph within the time set
53 forth therein. Thereafter, during the first four taxable years of such
54 new business, along with, and as part of, any return required under such
55 articles, such new business shall make and file a new business certif-
56 icate for the period covered by such return attesting to whether it has

1 met the conditions specified in this subparagraph during the taxable
2 period covered by such return. If no return is required under such arti-
3 cles, such certificate shall be filed annually on or before the
4 fifteenth day of March which shall cover the twelve consecutive calendar
5 month period ending on the last day of December immediately preceding
6 such March fifteenth. If such new business fails to meet such conditions
7 specified in this subparagraph, it shall, in addition, give notice of
8 this fact, within the time prescribed by the tax commission, to the
9 holders of its "new business investments." The tax commission shall
10 prescribe the form and content of such new business certification and
11 may require a new business to file such certificate for periods, even if
12 no return is filed or required, but for this section, covering up to
13 eight years from the date of adoption of such plan, as in its
14 discretion, it deems the same necessary for the enforcement of this
15 section, and

16 (v) Special rules:

17 (1) For any taxable period, in order to constitute a new business, a
18 business enterprise must have derived more than sixty percent of its
19 aggregate gross receipts from sources other than royalties, rents, divi-
20 dends, interest, annuities and sales or exchanges of stock or securi-
21 ties.

22 (2) A new business does not include: (i) any new business of which
23 twenty-five percent or more of the number of shares of stock that enti-
24 tle the holders thereof to vote for the election of directors or trus-
25 tees is owned, directly or indirectly, by a taxpayer subject to tax
26 under section one hundred eighty-three, one hundred eighty-four, former
27 section one hundred eighty-five or former section one hundred eighty-six
28 of article nine of the tax law, or under article nine-A, or thirty-three
29 of the tax law or (ii) any new business substantially similar in opera-
30 tion and in ownership, directly or indirectly, to a business entity, or
31 entities, taxable, or previously taxable, under such section, such arti-
32 cle, article twenty-three of the tax law or which would have been
33 subject to tax under such article twenty-three, as such article was in
34 effect on January first, nineteen hundred eighty, or the income, or
35 losses, of which is, or was, includible under article twenty-two of such
36 tax law whereby the intent and purpose of this section would be evaded.

37 (C) "New business investment" means and includes the following invest-
38 ments issued before January first, nineteen hundred eighty-eight by a
39 new business pursuant to a plan described in clause (i) of subparagraph
40 (B) of this paragraph for money or other property, other than stock or
41 securities, on or before the expiration of the third taxable year of
42 such new business, excluding any short period immediately preceding such
43 taxable year because the new business was not in existence for an entire
44 taxable year, or forty-two months from the adoption of such plan, which-
45 ever is sooner: (i) original issuance capital stock as part of a new
46 issue, (ii) other original issuance securities of a new issue of a like
47 nature as stocks which are designed as a means of investment and issued
48 for the purpose of financing corporate enterprises and providing for a
49 distribution of rights in such enterprises, (iii) debt obligations such
50 as bonds and debentures for a term of at least one year, whether
51 secured or unsecured, and (iv) certificates and other instruments
52 representing proprietary interests, whether limited or otherwise, in and
53 assumption of general liabilities, whether limited or otherwise, of a
54 partnership enterprise.

1 2. A taxpayer may subtract from his federal adjusted gross income a
 2 portion of an amount constituting a new business investment gain, as
 3 follows:

4	If new business	The modification is equal to the
5	investment held for:	following proportion of the gain
6		includible in federal
7		adjusted gross income:

8 At least four years, but

9 less than five years

twenty-five percent

10 At least five years, but

11 less than six years

fifty percent

12 At least six years

one hundred percent

13 3. Where, within six months of the realization of a new business
 14 investment gain allowable as the basis of a modification under paragraph
 15 two of this subdivision, such modification is equal to less than one
 16 hundred percent of the portion of the gain includible in federal
 17 adjusted gross income and the taxpayer purchases a new business invest-
 18 ment which is then held for a period of at least six months, the taxpay-
 19 er may subtract from his or her federal adjusted gross income ten
 20 percent, but not an amount that will reduce the portion of such gain
 21 included in his or her New York income below zero, of the amount of such
 22 gain where the purchase price of the new business investment is equal to
 23 or greater than the proceeds of the sale giving rise to such gain. Where
 24 the purchase price of the new business investment is less than an amount
 25 equal to the proceeds of such sale, the modification allowable under
 26 this paragraph shall be equal to ten percent of an amount equal to the
 27 product of: (A) the amount of the gain and (B) a fraction the numerator
 28 of which is the purchase price of the new investment and the denominator
 29 of which is an amount equal to the proceeds of such sale. The modifica-
 30 tion allowable under this paragraph may be utilized, at the option of
 31 the taxpayer, with respect to the taxable year in which the new business
 32 investment gain is realized or the year containing the last day of the
 33 six-month retention period described in this paragraph.

34 4. The tax commission may prescribe such rules and regulations as may
 35 be necessary to carry out the purposes of this subdivision.

36 (p) New business investment deferral. For taxable years beginning
 37 before January first, nineteen hundred eighty-eight, at the option of
 38 the taxpayer, there may be subtracted from federal adjusted gross income
 39 a reinvested amount of long-term capital gain realized in a taxable year
 40 from the sale of a capital asset, as such term is defined in section
 41 twelve hundred twenty-one of the internal revenue code, which is not a
 42 new business investment. A reinvested amount of long-term capital gain
 43 shall mean an amount which bears the same ratio to the long-term capital
 44 gain realized from the sale of a capital asset which was includible in
 45 New York adjusted gross income as that portion of the sale proceeds
 46 which is reinvested, within one year from date of sale, in a New York
 47 new business bears to the total sale proceeds. For the purposes of this
 48 subdivision, a New York new business is a business enterprise which: (1)
 49 has been a taxpayer under article nine-A, twenty-two, or thirty-three of
 50 the tax law for no more than three taxable years, including short taxa-
 51 ble years, (2) over fifty percent of the number of shares of stock that
 52 entitle the holders thereof to vote for the election of directors or
 53 trustees is not owned, directly or indirectly, by a taxpayer subject to
 54 tax under section one hundred eighty-three, one hundred eighty-four or
 55 one hundred eighty-five of article nine of the tax law, or under article
 56 nine-A, thirty-two or thirty-three of the tax law, (3) is not substan-

1 tially similar in operation or ownership, directly or indirectly, to a
2 business entity, or entities taxable, or previously taxable, under such
3 sections, such articles, article twenty-three of the tax law or which
4 would have been subject to tax under article twenty-three, as such arti-
5 cle was in effect on January first, nineteen hundred eighty, or the
6 income, or losses, of which is, or was, includible under article twen-
7 ty-two of the tax law whereby the intent and purpose of this subdivision
8 would be evaded, (4) locates and employs at least ninety percent of its
9 assets in the state, (5) employs principally in the state eighty percent
10 of its employees, and (6) derives less than forty percent of its gross
11 income from dividends, interest, royalties, other than mineral, oil, or
12 gas royalties or copyright royalties, annuities and (7) reports at least
13 twenty-five hundred dollars in gross income in any taxable year. The
14 reinvested amount must qualify as a capital asset as defined pursuant to
15 section twelve hundred twenty-one of the internal revenue code and must
16 be retained by the taxpayer for at least twelve months. The modification
17 allowable under this subdivision shall be utilized with respect to the
18 taxable year in which the twelve month retention period ends.

19 (q) An amount deferred under subdivision (p) of this section shall be
20 added to federal adjusted gross income when the reinvestment in the New
21 York new business which qualified a taxpayer for such deferral is sold.

22 (r) In the case of a sale or other disposition of property acquired
23 from a decedent and valued by the executor of the estate of such dece-
24 dent for the purposes of the tax under article twenty-six of the tax law
25 pursuant to paragraph two of subsection (b) of section nine hundred
26 fifty-four of the tax law, where such estate was insufficient to require
27 the filing of a federal estate tax return, the amount necessary to prop-
28 erly reflect the gain or loss from such sale or other disposition which
29 would have been realized under this chapter, had, in the case of clause
30 (i) of this subdivision, a federal estate tax return been filed similar-
31 ly valuing such property pursuant to section two thousand thirty-two of
32 the internal revenue code, or in the case of clause (ii) of this subdivi-
33 sion, pursuant to section two thousand thirty-two-A of such code.

34 (s) New York S termination year. (1) General. In the case of a New
35 York S termination year, the amount of any item of S corporation income,
36 loss and deduction included in the shareholder's federal adjusted gross
37 income and any reductions for taxes, as described in paragraphs two and
38 three of subsection (f) of section thirteen hundred sixty-six of the
39 internal revenue code, shall be adjusted in accordance with the treat-
40 ment provided in paragraph two or three of this subdivision.

41 (2) Pro rata allocation. Unless paragraph three of this subdivision
42 applies, an equal portion of each S corporation item shall be assigned
43 to each day of the S corporation's taxable year for federal income tax
44 purposes. The portion of each such item thereby assigned to the S short
45 year shall be treated as an item of a New York S corporation, and the
46 portion of each such item thereby assigned to the C short year shall be
47 treated as an item of an S corporation which is a New York C corpo-
48 ration.

49 (3) Normal tax accounting. The portion of each S corporation item
50 assigned to the S short year and the C short year shall be determined
51 using normal tax accounting rules if:

52 (A) there is a sale or exchange of fifty percent or more of the stock
53 in such corporation during the New York S termination year or

54 (B) the corporation so elects, as provided in subparagraph (B) of
55 paragraph two of subsection (s) of section six hundred twelve of the tax
56 law.

1 (t) Related members expense add back. (1) Definitions. (A) Related
2 member. "Related member" means a related person as defined in subpara-
3 graph (c) of paragraph three of subsection (b) of section four hundred
4 sixty-five of the internal revenue code, except that "fifty percent"
5 shall be substituted for "ten percent".

6 (B) Effective rate of tax. "Effective rate of tax" means, as to any
7 city, the maximum statutory rate of tax imposed by the city on or meas-
8 ured by a related member's net income multiplied by the apportionment
9 percentage, if any, applicable to the related member under the laws of
10 said jurisdiction. For purposes of this definition, the effective rate
11 of tax as to any city is zero where the related member's net income tax
12 liability in said city is reported on a combined or consolidated return
13 including both the taxpayer and the related member where the reported
14 transactions between the taxpayer and the related member are eliminated
15 or offset. Also, for purposes of this definition, when computing the
16 effective rate of tax for a city in which a related member's net income
17 is eliminated or offset by a credit or similar adjustment that is
18 dependent upon the related member either maintaining or managing intan-
19 gible property or collecting interest income in that city, the maximum
20 statutory rate of tax imposed by said city shall be decreased to reflect
21 the statutory rate of tax that applies to the related member as effec-
22 tively reduced by such credit or similar adjustment.

23 (C) Royalty payments. Royalty payments are payments directly connected
24 to the acquisition, use, maintenance or management, ownership, sale,
25 exchange, or any other disposition of licenses, trademarks, copyrights,
26 trade names, trade dress, service marks, mask works, trade secrets,
27 patents and any other similar types of intangible assets as determined
28 by the state commissioner of taxation and finance, and include amounts
29 allowable as interest deductions under section one hundred sixty-three
30 of the internal revenue code to the extent such amounts are directly or
31 indirectly for, related to or in connection with the acquisition, use,
32 maintenance or management, ownership, sale, exchange or disposition of
33 such intangible assets.

34 (D) Valid business purpose. A valid business purpose is one or more
35 business purposes, other than the avoidance or reduction of taxation,
36 which alone or in combination constitute the primary motivation for some
37 business activity or transaction, which activity or transaction changes
38 in a meaningful way, apart from tax effects, the economic position of
39 the taxpayer. The economic position of the taxpayer includes an increase
40 in the market share of the taxpayer, or the entry by the taxpayer into
41 new business markets.

42 (2) Royalty expense add backs. (A) For the purpose of computing city
43 adjusted gross income, a taxpayer must add back royalty payments direct-
44 ly or indirectly paid, accrued, or incurred in connection with one or
45 more direct or indirect transactions with one or more related members
46 during the taxable year to the extent deductible in calculating federal
47 taxable income.

48 (B) Exceptions. (i) The adjustment required in this subdivision shall
49 not apply to the portion of the royalty payment that the taxpayer estab-
50 lishes, by clear and convincing evidence of the type and in the form
51 specified by the commissioner of finance, meets all of the following
52 requirements: (I) the related member was subject to tax in this city or
53 another city within the United States or a foreign nation or some combi-
54 nation thereof on a tax base that included the royalty payment paid,
55 accrued or incurred by the taxpayer; (II) the related member during the
56 same taxable year directly or indirectly paid, accrued or incurred such

1 portion to a person that is not a related member; and (III) the trans-
2 action giving rise to the royalty payment between the taxpayer and the
3 related member was undertaken for a valid business purpose.

4 (ii) The adjustment required in this subdivision shall not apply if
5 the taxpayer establishes, by clear and convincing evidence of the type
6 and in the form specified by the commissioner of finance, that: (I) the
7 related member was subject to tax on or measured by its net income in
8 this city or another city within the United States, or some combination
9 thereof; (II) the tax base for said tax included the royalty payment
10 paid, accrued or incurred by the taxpayer; and (III) the aggregate
11 effective rate of tax applied to the related member in those jurisdic-
12 tions is no less than eighty percent of the statutory rate of tax that
13 applied to the taxpayer under section 11-1701 of this chapter for the
14 taxable year.

15 (iii) The adjustment required in this subdivision shall not apply if
16 the taxpayer establishes, by clear and convincing evidence of the type
17 and in the form specified by the commissioner of finance, that: (I) the
18 royalty payment was paid, accrued or incurred to a related member organ-
19 ized under the laws of a country other than the United States; (II) the
20 related member's income from the transaction was subject to a comprehen-
21 sive income tax treaty between such country and the United States; (III)
22 the related member was subject to tax in a foreign nation on a tax base
23 that included the royalty payment paid, accrued or incurred by the
24 taxpayer; (IV) the related member's income from the transaction was
25 taxed in such country at an effective rate of tax at least equal to that
26 imposed by this city; and (V) the royalty payment was paid, accrued or
27 incurred pursuant to a transaction that was undertaken for a valid busi-
28 ness purpose and using terms that reflect an arm's length relationship.

29 (iv) The adjustment required in this subdivision shall not apply if
30 the taxpayer and the commissioner of finance agree in writing to the
31 application or use of alternative adjustments or computations. The
32 commissioner of finance may, in his or her discretion, agree to the
33 application or use of alternative adjustments or computations when he or
34 she concludes that in the absence of such agreement the income of the
35 taxpayer would not be properly reflected.

36 (u) Alimony modifications. (1) In the case of applicable alimony or
37 separate maintenance payments, the following modifications shall apply:

38 (A) There shall be subtracted from federal adjusted gross income any
39 applicable alimony or separate maintenance payments made by the taxpayer
40 during the taxable year.

41 (B) There shall be added to federal adjusted gross income any applica-
42 ble alimony or separate maintenance payments received by the taxpayer
43 during the taxable year.

44 (2) (A) The term "alimony or separate maintenance payments" means
45 payments as defined under section seventy-one of the internal revenue
46 code in effect immediately prior to the enactment of Public Law 115-97.

47 (B) The term "applicable alimony or separate maintenance payments"
48 means payments made under an alimony or separation instrument, as
49 defined in section seventy-one of the internal revenue code in effect
50 immediately prior to the enactment of Public Law 115-97, that was
51 executed after December thirty-first, two thousand eighteen, and any
52 divorce or separation instrument executed on or before such date and
53 modified after such date if the modification expressly provides that the
54 amendments made by this section apply to such modification.

1 (v) Qualified moving expense reimbursement and moving expenses. (1) In
2 the case of applicable qualified moving expense reimbursement and moving
3 expenses, the following modifications shall apply:

4 (A) There shall be subtracted from federal adjusted gross income any
5 applicable qualified moving expense reimbursement received by the
6 taxpayer during the taxable year.

7 (B) There shall be subtracted from federal adjusted gross income any
8 applicable moving expenses paid by the taxpayer during the taxable year.

9 (2) Applicable qualified moving expense reimbursement and moving
10 expenses are those deductions as allowed by paragraph (g) of section one
11 hundred thirty-two and section two hundred seventeen, respectfully, of
12 the internal revenue code immediately prior to the enactment of Public
13 Law 115-97.

14 § 11-1713 City deduction of a resident individual. The city
15 deduction of a city resident individual shall be his or her city stand-

18 11-1715 of this chapter.

19 § 11-1714 City standard deduction of a city resident individual. (a)
20 Unmarried individual. For taxable years beginning after nineteen hundred
21 ninety-five, the city standard deduction of a city resident individual
22 who is not married nor the head of a household nor a surviving spouse

43 hundred ninety-five, the city standard deduction of an individual who is

17 § 11-1715 City itemized deduction of a city resident individual.

18 (a) General. If federal taxable income of a city resident individual
19 is determined by itemizing deductions or claiming the federal standard
20 deduction from his or her federal adjusted gross income, such resident
21 individual may elect to deduct his or her city itemized deduction or
22 claim his or her city standard deduction.

23 The city itemized deduction of a city resident individual means the
24 total amount of his or her deductions from federal adjusted gross income
25 allowed, other than federal deductions for personal exemptions, as
26 provided in the laws of the United States for the taxable year, as such

33 both elect to take city itemized deductions.

34 (2) The total of the city itemized deductions of a husband and wife
35 whose federal taxable income is determined on a joint return, but whose

37 divided between them as if their federal taxable incomes had been deter-
38 mined separately.

39 (c) Modifications reducing federal itemized deductions. The total
40 amount of deductions from federal adjusted gross income shall be reduced
41 by the amount of such federal deductions for:

48 section six hundred six of the tax law.

49 (e) Modification of partners and shareholders of S corporations. (1)
50 Partners and shareholders of S corporations which are not New York C

56 section 11-1717 of this subchapter.

8 section which relate to the S corporation's items of deduction shall be
9 adjusted in the same manner that the S corporation's items are adjusted
10 under subdivision (s) of section 11-1712 of this subchapter.

11 (f) Except as otherwise provided under subdivision (g) of this
12 section, the city itemized deduction otherwise allowable under this
13 section shall be reduced by the sum of the amounts determined under
14 paragraphs one and two of this subdivision.

15 (1) An amount equal to the city itemized deduction otherwise allowable
16 under subdivision (a) of this section, multiplied by a percentage, such
17 percentage to be determined by multiplying, for taxable years beginning
18 in nineteen hundred eighty-eight, ten percent, and for taxable years
19 beginning after nineteen hundred eighty-eight, twenty-five percent, by a
20 fraction,

21 (A) in the case of an unmarried individual or married individual

25 fifty thousand dollars;

26 (B) in the case of a married individual filing a joint return or a

41 fifty thousand dollars or the excess of such individual's city adjusted
42 gross income over four hundred seventy-five thousand dollars and the
43 denominator of which is fifty thousand dollars.

44 (g) Notwithstanding subdivision (a) of this section, the city itemized
45 deduction for charitable contributions shall be the amount allowed under
46 section one hundred seventy of the internal revenue code, as limited by
47 this subdivision. (1) With respect to an individual whose New York
48 adjusted gross income is over one million dollars but no more than ten
49 million dollars, the New York itemized deduction shall be an amount
50 equal to fifty percent of any charitable contribution deduction allowed
51 under section one hundred seventy of the internal revenue code for taxa-
52 ble years beginning after two thousand nine and before two thousand
53 twenty-five. With respect to an individual whose New York adjusted gross
54 income is over one million dollars, the New York itemized deduction

8 ending before two thousand twenty-five.

9 § 11-1716 City exemptions of a city resident individual. (a) Gener-
10 al. For taxable years beginning after nineteen hundred eighty-seven, a
11 city resident individual shall be allowed a city exemption of one thou-
12 sand dollars for each exemption for which such resident individual is
13 entitled to a deduction for the taxable year under subsection (c) of
14 section one hundred fifty-one of the internal revenue code; and for
15 taxable years beginning in nineteen hundred eighty-seven, a city resi-
16 dent individual other than a taxpayer whose federal exemption amount is
17 zero shall be allowed a city exemption of nine hundred dollars for each
18 exemption for which he or she is entitled to a deduction for the taxable
19 year for federal income tax purposes.

20 (b) Husband and wife. If the city income taxes of a husband and wife
21 are required to be separately determined but their federal income tax is
22 determined on a joint return, each of them shall be separately entitled
23 to the city exemptions under subdivision (a) of this section to which
24 each would be separately entitled for the taxable year if their federal
25 income taxes had been determined on separate returns.

26 § 11-1717 Resident partners and shareholders of S corporations. (a)
27 Partner's and shareholder's modifications. In determining city adjusted
28 gross income and city taxable income of a city resident partner or a
29 city resident shareholder of an S corporation, other than an S corpo-
30 ration which is a New York C corporation, any modification described in
31 subdivision (b), (c) or (d) of section 11-1712 of this subchapter, or
32 subdivision (c) of section 11-1715 of this subchapter or paragraph two
33 or three of subdivision (d) of such section, which relates to an item of
34 partnership or S corporation income, gain, loss or deduction shall be
35 made in accordance with the partner's distributive share or the share-
36 holder's pro rata share, for federal income tax purposes, of the item to
37 which the modification relates. Where a partner's distributive share or
38 a shareholder's pro rata share of any such item is not required to be
39 taken into account separately for federal income tax purposes, the part-
40 ner's or shareholder's share of such item shall be determined in accord-
41 ance with his or her share, for federal income tax purposes, of partner-
42 ship or S corporation taxable income or loss generally. In the case of
43 a New York S termination year, his or her pro rata share of any such
44 item shall be determined under subdivision (s) of section 11-1712 of
45 this subchapter.

46 (b) Character of items. Each item of partnership and S corporation
47 income, gain, loss, or deduction shall have the same character for a
48 partner or shareholder under this subchapter as for federal income tax
49 purposes. Where an item is not characterized for federal income tax
50 purposes, it shall have the same character for a partner or shareholder
51 as if realized directly from the source from which realized by the part-
52 nership or S corporation or incurred in the same manner as incurred by
53 the partnership or S corporation.

54 (c) City tax avoidance or evasion. Where a partner's distributive
55 share of an item of partnership income, gain, loss or deduction is
56 determined for federal income tax purposes by special provision in the

1 partnership agreement with respect to such item, and where the principal
2 purpose of such provision is the avoidance or evasion of tax under this
3 chapter, the partner's distributive share of such item, and any modifi-
4 cation required with respect thereto, shall be determined as if the
5 partnership agreement made no special provision with respect to such
6 item.

7 § 11-1717.1 Residents; special provisions. Notwithstanding any other
8 provisions of this chapter, the city adjusted gross income and the city
9 taxable income of a resident individual or partner of a partnership
10 doing an insurance business as a member of the New York insurance
11 exchange described in section six thousand two hundred one of the insur-
12 ance law, shall not include any item of income, gain, loss or deduction
13 of such business, which is the individual's distributive or pro rata
14 share for federal income tax purposes or which the individual is
15 required to take into account separately for federal income tax
16 purposes. Provided however, such individual's city adjusted gross
17 income shall include his or her distributive or pro rata share of the
18 allocated entire net income as determined by such business under
19 sections fifteen hundred three and fifteen hundred four of the tax law.
20 In the event such allocated entire net income is a loss, there shall not
21 be subtracted from federal adjusted gross income in computing city
22 adjusted gross income such individual's distributive share of such loss.

23 § 11-1718 City taxable income of a city resident estate or trust.
24 The city taxable income of a city resident estate or trust means its
25 federal taxable income as defined in the laws of the United States for
26 the taxable year, with the following modifications:

28 graphs four and five of subdivision (c) of section 11-1712 of this
29 subchapter, with respect to gains from the sale or other disposition of
30 property, to the extent such gains are excluded from federal distribut-
31 able net income of the estate or trust.

32 (3) There shall be added or subtracted, as the case may be, the share
33 of the estate or trust in the city fiduciary adjustment determined under
34 section 11-1719 of this subchapter.

35 (4) There shall be added or subtracted, as the case may be, the
36 modifications described in paragraphs six, ten, seventeen, eighteen,
37 nineteen, twenty, twenty-one, twenty-two, twenty-three, twenty-four,
38 twenty-five, twenty-six, twenty-seven, twenty-nine, thirty-four and
39 thirty-five of subdivision (b) and in paragraphs eleven, thirteen,
40 fifteen, nineteen, twenty, twenty-one, twenty-two, twenty-three, twen-
41 ty-four, twenty-five, twenty-six and twenty-eight of subdivision (c) of
42 section 11-1712 of this subchapter.

43 (5) In the case of a trust, there shall be added the amount of any
44 includible gain, reduced by any deductions properly allocable thereto,
45 upon which tax is imposed for the taxable year pursuant to section six
46 hundred forty-four of the internal revenue code.

47 § 11-1719 Share of a resident estate, trust or beneficiary in city
48 fiduciary adjustment. (a) General. An adjustment shall be made in
49 determining city taxable income of a city resident estate or trust under
50 section 11-1718 of this subchapter, or city adjusted gross income of a
51 city resident beneficiary of any estate or trust under subdivision (d)
52 of section 11-1712 of this subchapter, in the amount of the share of
53 each in the city fiduciary adjustment as determined in this section.

54 (b) Definition. The city fiduciary adjustment shall be the net
55 amount of the modifications described in section 11-1712 of this
56 subchapter, including subdivision (d) if the estate or trust is a bene-

1 ficiary of another estate or trust, in subdivision (c) and paragraphs
2 two and three of subdivision (d) of section 11-1715 of this subchapter,
3 and in subdivision (e) of this section, which relate to items of income,
4 gain, loss or deduction of an estate or trust. The net amount of such
5 modifications shall not include:

6 (1) Any modification described in paragraphs one and two of subdivi-
7 sion (b) and paragraphs one, two, four, five, six, and seven of subdivi-
8 sion (c) of section 11-1712 of this subchapter with respect to any
9 amount which, pursuant to the terms of the governing instrument, is paid
10 or permanently set aside for a charitable purpose during the taxable
11 year, and

12 (2) Any modification described in paragraph four or five of subdivi-
13 sion (c) of section 11-1712 of this subchapter, with respect to gains

16 trust.

17 (c) Shares of city fiduciary adjustment.

18 (1) The respective shares of an estate or trust and its benefici-
19 aries, including, solely for the purpose of this allocation, nonresident
20 beneficiaries, in the city fiduciary adjustment shall be in proportion
21 to their respective shares of federal distributable net income of the
22 estate or trust.

23 (2) If the estate or trust has no federal distributable net income
24 for the taxable year, the share of each beneficiary in the city fiduci-
25 ary adjustment shall be in proportion to his or her share of the estate
26 or trust income for such year, under local law or the governing instru-
27 ment, which is required to be distributed currently and any other
28 amounts of such income distributed in such year. Any balance of the
29 city fiduciary adjustment shall be allocated to the estate or trust.

30 (d) Alternate attribution of modifications. The tax commission may
31 by regulation establish such other method or methods of determining to
32 whom the items comprising the fiduciary adjustment shall be attributed,
33 as may be appropriate and equitable. Such method may be used by the
34 fiduciary in his or her discretion whenever the allocation of the fidu-
35 ciary adjustment pursuant to subdivision (c) of this section would
36 result in an inequity which is substantial both in amount and in
37 relation to the amount of the fiduciary adjustment.

38 (e) Additional modifications. (1) For any taxable year beginning after
39 December thirty-first, two thousand seventeen, and before January first,
40 two thousand twenty-six, to the extent that the estate or trust claimed
41 a deduction for taxes under section one hundred sixty-four of the inter-
42 nal revenue code that was limited to ten thousand dollars as provided in
43 subparagraph (B) of paragraph six of subdivision (b) of such section one
44 hundred sixty-four or was denied as a result of subparagraph (A) of
45 paragraph six of subdivision (b) of such section one hundred sixty-four,
46 there shall be subtracted the taxes paid or accrued in that taxable year
47 by an estate or trust that the estate or trust was not able to deduct
48 for federal income tax purposes because of such limitation or denial,
49 other than state and local sales taxes and income taxes described in
50 paragraph one of subdivision (c) of section 11-1715 of this subchapter.
51 In determining the makeup of the ten thousand dollars of deduction
52 claimed by the estate or trust under section one hundred sixty-four of
53 the internal revenue code, it shall be presumed that the ten thousand
54 dollars of deduction first comprises the state and local sales taxes or
55 income taxes the estate or trust accrued or paid during the taxable
56 year.

1 (2) For any taxable year beginning after December thirty-first, two
2 thousand seventeen, and before January first, two thousand twenty-six,
3 there shall be subtracted the miscellaneous itemized deductions as
4 described in and limited by section sixty-seven of the internal revenue
5 code, but excluding the deductions described in subsection (e) of
6 section sixty-seven of such code, but determined without regard to
7 subsection (g) of such section.

8 (3) For any taxable year, there shall be added the amount of any
9 deduction allowed pursuant to section one hundred ninety-nine-A of the
10 internal revenue code.

11 § 11-1721 Credits to trust beneficiary receiving accumulation distrib-
12 ution. (a) General. A city resident beneficiary of a trust whose city
13 adjusted gross income includes all or part of an accumulation distrib-
14 ution by such trust, as defined in section six hundred sixty-five of the
15 internal revenue code, including a beneficiary who is required to make
16 the modification required by paragraph thirty-six of subdivision (b) of
17 section 11-1712 of this subchapter, shall be allowed (1) a credit
18 against the tax otherwise due under this chapter for all or a propor-
19 tionate part of any tax paid by the trust under this chapter or under
20 former title T of chapter forty-six of the code of the preceding munici-
21 pality, as it was in effect prior to September first, nineteen hundred
22 eighty-six, for any preceding taxable year which would not have been
23 payable if the trust had in fact made distributions to its beneficiaries
24 at the times and in the amounts specified in section six hundred sixty-
25 six of the internal revenue code; and (2) a credit against the taxes
26 imposed by this chapter for the taxable year for any income tax imposed
27 for the taxable year or any prior taxable year by another state of the
28 United States, a political subdivision thereof, or the District of
29 Columbia, upon income both derived therefrom and subject to tax under
30 this chapter, provided that the amount of the credit shall not exceed
31 the percentage of the tax otherwise due under this chapter determined by
32 dividing the portion of the income that is both taxable to the trust in
33 such other jurisdiction and taxable to the beneficiary under this chap-
34 ter by the total amount of the beneficiary's New York city income.

35 (b) Limitation. The credits under this section shall not reduce the
36 tax otherwise due from the beneficiary under this chapter to an amount
37 less than would have been due if the accumulation distribution or his or
38 her part thereof were excluded from his or her city adjusted gross
39 income.

41 of lump sum distributions received by city resident individuals, estates
42 and trusts. (a) Amount of separate tax. The amount of tax imposed under
43 section 11-1703 of this chapter for any taxable year, with respect to
44 the ordinary income portion of a lump sum distribution received by a
45 city resident individual, estate or trust is an amount equal to five
46 times the tax which would be imposed by section 11-1701 of this chapter
47 at the rate set forth in paragraph three of subdivision (a) or (b),
48 whichever may be applicable, if the recipient of such lump sum distrib-
49 ution were an individual referred to in such subdivision and the city
50 taxable income were an amount equal to one-fifth of the excess of:

51 (1) the total taxable amount of the lump sum distribution for the
52 taxable year, over

53 (2) the minimum distribution allowance.

54 (b) Minimum distribution allowance. For purposes of this section, the
55 minimum distribution allowance shall be that which is calculated accord-

1 ing to subparagraph (C) of paragraph one of subsection (e) of section
2 four hundred two of the internal revenue code.

3 (c) Multiple distributions and distributions of annuity contracts.
4 For purposes of this section, the rules concerning multiple distrib-

8 (A)" shall be deemed to be references to this section, and except that
9 only lump sum distributions, or portions thereof, and distributions of
10 annuity contracts subject to tax under this chapter shall be included,
11 and except that references to the secretary shall be deemed to be refer-

20 gains, as specified in paragraphs three, four, five and six of
21 subsection (h) of section eleven hundred twenty-two of the tax reform
22 act of nineteen hundred eighty-six as enacted by public law 99-514, but
23 (i) in the event that paragraph three of such subsection is applicable,
24 clause (ii) of subparagraph (B) of such paragraph shall be applied using
25 a rate of one and seventy-two hundredths percent, and (ii) in the event
26 that paragraph five of such subsection is applicable, the words "five"
27 and "one-fifth" in subdivision (a) of this section shall be read as
28 "ten" and "one-tenth", respectively, and subdivision (a) of this section
29 shall be applied by using the rate of tax specified in subdivision (a)
30 of section 11-1702 of this chapter as such subdivision was in effect for

34 § 11-1751 Returns and liabilities. (a) General. On or before the
35 fifteenth day of the fourth month following the close of a taxable year,
36 an income tax return under this chapter shall be made and filed by or
37 for every city resident individual, estate or trust required to file a
38 New York state personal income tax, including a separate tax on the
39 ordinary income portion of lump sum distributions, return for the taxa-
40 ble year.

41 (b) Husband and wife. (1) If the New York state personal income tax
42 liability of husband and wife is determined on a separate return, their
43 city personal income tax liabilities and returns shall be separate.

44 (2) If the New York state personal income tax liabilities of husband
45 and wife, other than a husband and wife described in paragraph three of
46 this subdivision, are determined on a joint return, they shall file a
47 joint city personal income tax return, and their tax liabilities shall
48 be joint and several except as provided in paragraphs four and five of
49 this subdivision and in subsection (e) of section six hundred eighty-
50 five of the tax law.

51 (3) If the New York state personal income tax liabilities of husband
52 and wife, other than a husband and wife described in paragraph three of
53 this subdivision are determined on a joint return, they shall file a
54 joint city personal income tax return, and their tax liabilities shall

1 be joint and several except as provided in paragraph five of this subdivi-
2 vision, section 11-1755 of this subchapter and subsection (e) of section
3 six hundred eighty-five of the tax law.

4 (4) If either husband or wife is a city resident and the other is a
5 city nonresident, and their New York state personal income tax liabil-
6 ities are determined on a joint return:

7 (A) they may elect to file a joint city personal income tax return as
8 if both were residents, in which case their city personal income tax

10 four and five of this subdivision and in subsection (e) of section six
11 hundred eighty-five of the tax law, or

12 (B) they may elect to file a joint city personal income tax return as
13 if both were residents, in which case their city personal income tax
14 liabilities shall be joint and several except as provided in paragraph
15 five of this subdivision, section 11-1755 of this subchapter and
16 subsection (e) of section six hundred eighty-five of the tax law, or

17 (C) the resident spouse may elect to file a separate city personal
18 income tax return, in which case his or her city personal income tax
19 liability shall be determined as if he or she were filing a separate New
20 York state personal income tax return.

21 (5) If a joint return has been made under this subdivision for a taxa-
22 ble year and only one spouse is liable for past-due support, or a past-
23 due legally enforceable debt, or a city of New York tax warrant judgment
24 debt, or an amount of a default in repayment of a guaranteed student,
25 state university or city university loan of which the state commissioner
26 of taxation and finance has been notified pursuant to section one
27 hundred seventy-one-c, one hundred seventy-one-d, one hundred seventy-
28 one-e, one hundred seventy-one-f or one hundred seventy-one-l of the tax

31 enforceable debt, or a city of New York tax warrant judgment debt, or
32 such amount of a default in repayment of a guaranteed student, state
33 university or city university loan, unless the spouse not liable for
34 such past-due support, or a past-due legally enforceable debt, or a city
35 of New York tax warrant judgment debt, or such amount of a default in
36 repayment of a guaranteed student, state university or city university
37 loan demands, on a declaration made in accordance with regulations or
38 instructions prescribed by the state commissioner of taxation and
39 finance, that the portion of the overpayment and interest attributable
40 to such spouse not be credited against the past-due support, or a past-
41 due legally enforceable debt, or a city of New York tax warrant judgment
42 debt, or amount of a default in repayment of a guaranteed student, state
43 university or city university loan owed by the other spouse. Upon such
44 demand, the state commissioner of taxation and finance shall determine
45 the amount of the overpayment attributable to each spouse in accordance
46 with regulations prescribed by the state commissioner of taxation and
47 finance and credit only that portion of the overpayment and interest
48 thereon attributable to the spouse liable for past-due support, or a
49 past-due legally enforceable debt, or a city of New York tax warrant
50 judgment debt, or amount of a default in repayment of a guaranteed
51 student, state university or city university loan against such past-due
52 support, or a past-due legally enforceable debt, or a city of New York
53 tax warrant judgment debt, or such amount of a default in repayment of a
54 guaranteed student, state university or city university loan. Such
55 demand may be filed (A) with the return of the spouse not liable for
56 past-due support or past-due legally enforceable debt, or a city of New

1 York tax warrant judgment debt, or default in repayment of a guaranteed
2 student, state university, or city university loan or (B) with the

7 of section one hundred seventy-one-e, subdivision seven of section one
8 hundred seventy-one-f or subdivision six of section one hundred seven-
9 ty-one-1 of the tax law.

10 (6) The state commissioner of taxation and finance shall clearly alert
11 married taxpayers, on all appropriate publications and instructions,
12 that their liability for tax will be joint and several if they file
13 joint income tax returns. The state commissioner of taxation and finance
14 shall include notice of an individual's right to relief from joint and
15 several liability pursuant to section six hundred fifty-four of the tax
16 law in the disclosure of rights statement required by section three
17 thousand four of the tax law and in any notice regarding collection of
18 tax due with respect to a liability on a joint return.

19 (c) Decedents. The return for any deceased individual shall be made
20 and filed by his or her executor, administrator, or other person charged
21 with his or her property. If a final return of a decedent is for a
22 fractional part of a year, the due date of such return shall be the
23 fifteenth day of the fourth month following the close of the twelve-
24 month period which began with the first day of such fractional part of
25 the year.

26 (d) Individuals under a disability. The return for an individual who
27 is unable to make a return by reason of minority or other disability
28 shall be made and filed by his or her guardian, committee, fiduciary or

37 or penalty thereon, shall, from the time it is due and payable, be a
38 personal debt of the person liable to pay the same, to the city of New
39 York.

40 (i) Cross reference. For provisions as to information returns by part-
41 nerships, employers and other persons, see section 11-1758 of this
42 subchapter.

43 § 11-1752 Time and place for filing returns and paying tax. (a)
44 Except as provided in subdivision (b) of this section, a person required
45 to make and file a return under this chapter shall, without assessment,
46 notice or demand, pay any tax due thereon to the commissioner of taxa-
47 tion and finance on or before the date fixed for filing such return,
48 determined without regard to any extension of time for filing the
49 return. The commissioner shall prescribe by regulation the place for
50 filing any return, statement, or other document required pursuant to
51 this chapter and for payment of any tax.

52 (b) The commissioner of taxation and finance may allow individuals who
53 have income only from wages, salaries, tips and like remuneration for
54 services performed as an employee, interest, dividends and unemployment
55 compensation to elect to have the commissioner compute the tax due. To
56 provide for expeditious and uniform administration of the tax computa-

1 tions which involve numerous variables, the commissioner may further
2 qualify, with regard to period of residency, deductions, credits,
3 exemptions, amount and character of gross income, and any other appro-
4 priate factors relative to calculation of tax, those individuals who may
5 elect to have their taxes computed by the commissioner. Any such
6 election shall be made on the form prescribed by the commissioner for
7 this purpose. If a qualified taxpayer elects to have the commissioner
8 compute the tax, the amount determined by the commissioner shall be paid
9 (i) within ten days from the date of the issuance of a notice and demand
10 therefor or (ii) on the date fixed for filing such return, determined
11 without regard to any extension of time for filing, whichever is later.

12 § 11-1753 Signing of returns and other documents. (a) General. Any
13 return, statement or other document required to be made pursuant to this
14 chapter shall be signed in accordance with regulations or instructions
15 prescribed by the tax commission. The fact that an individual's name is
16 signed to a return, statement, or other document, shall be prima facie
17 evidence for all purposes that the return, statement or other document
18 was actually signed by such individual.

19 (b) Partnerships. Any return, statement or other document required of
20 a partnership shall be signed by one or more partners. The fact that a
21 partner's name is signed to a return, statement, or other document,
22 shall be prima facie evidence for all purposes that such partner is
23 authorized to sign on behalf of the partnership.

24 (c) Certifications. The making or filing of any return, statement or
25 other document or copy thereof required to be made or filed pursuant to
26 this chapter, including a copy of a federal return, shall constitute a
27 certification by the person making or filing such return, statement or
28 other document or copy thereof that the statements contained therein are
29 true and that any copy filed is a true copy.

30 § 11-1754 Change of resident status during year. (a) General. If an
31 individual changes his or her status during his or her taxable year from
32 city resident to city nonresident, or from city nonresident to city
33 resident, such individual shall file one return as a resident for the
34 portion of the year during which he or she is a city resident, and a
35 return under chapter nineteen of this title, for the portion of the year
36 during which he or she is a city nonresident, subject to such exceptions
37 as the tax commission may prescribe by regulation.

38 (b) City taxable income as city resident. The city taxable income for
39 the portion of the year during which he or she is a city resident shall
40 be determined, except as provided in subdivision (c) of this section, as
41 if his or her taxable year for federal income tax purposes were limited
42 to the period of his or her city resident status.

43 (c) Special accruals.

44 (1) If an individual changes his or her status from city resident to
45 city nonresident, he or she shall, regardless of his or her method of
46 accounting, accrue for the portion of the taxable year prior to such
47 change of status any items of income, gain, loss or deduction accruing
48 prior to the change of status, if not otherwise properly includible,
49 whether or not because of an election to report on an installment basis,
50 or allowable for city income tax purposes for such portion of the taxa-
51 ble year or for a prior taxable year. The amounts of such accrued items
52 shall be determined with the applicable modifications described in
53 sections 11-1712 and 11-1715 of this chapter as if such accrued items
54 were includible or allowable for federal income tax purposes.

55 (2) If an individual changes his or her status from city nonresident
56 to city resident, he or she shall, regardless of his or her method of

1 accounting, accrue for the portion of the taxable year prior to such
2 change of status any items of income, gain, loss or deduction accruing
3 prior to the change of status, other than items derived from or
4 connected with New York state sources, if not otherwise properly inclu-
5 dible, whether or not because of an election to report on an installment
6 basis, or allowable for federal income tax purposes for such portion of
7 the taxable year or for a prior taxable year. The amounts of such
8 accrued items shall be determined with the applicable modifications
9 described in sections 11-1712 and 11-1715 of this chapter as if such
10 accrued items were includible or allowable for federal income tax
11 purposes.

12 (3) No item of income, gain, loss or deduction which is accrued under
13 this subdivision shall be taken into account in determining city
14 adjusted gross income or the city itemized deduction for any subsequent
15 taxable period.

16 (4) The accruals under this subdivision shall not be required if the
17 individual files with the tax commission a bond or other security
18 acceptable to the tax commission, conditioned upon the inclusion of
19 amounts accruable under this subdivision in city adjusted gross income
20 for one or more subsequent taxable years as if the individual had not
21 changed his or her resident status.

22 (5) The provisions of subdivisions (a), (b) and paragraphs one through
23 four of this subdivision shall apply if an individual changes his or her
24 status from a city resident to city nonresident or from a city nonresi-
25 dent to a city resident during a taxable year, or at the beginning of a
26 taxable year, as a result of a change of domicile or as a result of
27 becoming a city resident or city nonresident based on the definition
28 contained in subparagraph (B) of paragraph one of subdivision (b) of
29 section 11-1705 of this chapter.

30 (6) Except as provided in this paragraph, where an individual who is a
31 member of a partnership or shareholder of an S corporation changes
32 status from city resident to city nonresident, or from city nonresident
33 to city resident, the portion of the distributive or pro rata share of
34 income, gain and loss, less deductions attributable thereto, from a
35 partnership or S corporation shall be allocated to the resident and
36 nonresident periods of the partner or shareholder on a proportionate
37 basis throughout the taxable year of the partnership or S corporation.

38 In such event, the portion of the distributive or pro rata share allo-
39 cated to the period of residency shall be determined based on the number
40 of days of residency within the reporting period of the partnership or S
41 corporation over the total number of days in the reporting period of the
42 partnership or S corporation. Provided, however, that the commissioner
43 may require, or the individual may elect, to accrue to the period of
44 residence, and the period of nonresidence, the portion of the distribu-
45 tive or pro rata share of partnership or S corporation income, gain and
46 loss, less deductions attributable thereto, accruing during the individ-
47 ual's respective resident and nonresident periods in a manner that
48 reflects the date of accrual of said income, gain and loss by the part-
49 nership or S corporation.

50 (7) Except as provided in this paragraph, where an individual who is a
51 beneficiary of an estate or trust changes status from city resident to
52 city nonresident, or from city nonresident to city resident, the portion
53 of any estate or trust income credited, distributable, payable or
54 required to be distributed to such beneficiary shall be allocated to the
55 resident and nonresident periods of the beneficiary on a proportionate
56 basis throughout the taxable year of the estate or trust. In such event,

1 the portion of such estate or trust income allocated to the period of
2 residency shall be determined based on the number of days of residency
3 within the reporting period of the estate or trust over the total number
4 of days in the reporting period of the estate or trust. Provided, howev-
5 er, that the commissioner may require, or the beneficiary may elect, to
6 accrue to the period of residence, and the period of nonresidence, the
7 portion of such estate or trust income accruing during the beneficiary's
8 respective resident and nonresident periods in a manner that reflects
9 the date of accrual of said estate or trust income by the estate or
10 trust.

11 (d) City minimum tax. Where two returns are required under this
12 section, the total of the taxes due thereon shall not be less than would
13 be due if the city taxable incomes reportable on the two returns were
14 included in one return.

15 (e) Proration. Where a return is required under this section, the
16 city personal exemptions allowable under section 11-1716 of this chapter
17 shall be prorated, under regulations of the tax commission, to reflect
18 the portions of the entire taxable year during which the individual was
19 a resident.

20 (f) Standard deduction. Where a return is required under this
21 section, the city standard deduction allowable on such return shall be
22 the amount allowed pursuant to the provisions of section 11-1714 of this
23 chapter, prorated according to the period covered by the return.

24 (g) Trusts. If the status of a trust changes during its taxable year
25 from city resident to city nonresident, or from city nonresident to city
26 resident, the fiduciary shall file one return as a city resident trust
27 for the portion of the year during which the trust is a city resident
28 trust, and one return under chapter nineteen of this title for the
29 portion of the year during which the trust is a city nonresident trust,
30 subject to such exceptions as the tax commission may prescribe by regu-
31 lations. The provisions of subdivisions (b), (c), (d) and (e) of this
32 section shall apply for the purposes of this subdivision, except to the
33 extent that any of such provisions may be inconsistent with the
34 provisions of section 11-1718 of this chapter, and except that the term
35 "individual" shall be read as "trust", the term "city adjusted gross
36 income" shall be read as "city taxable income", reference to "gain"
37 shall include any modification for includible gain under subdivision
38 five of section 11-1718 of this chapter, and the phrase "personal
39 exemptions allowable under section 11-1716 of this chapter" shall be
40 read as "city exemptions allowable under section 11-1718 of this chap-
41 ter."

42 (h) Lump sum distributions. If the status of a taxpayer changes
43 during his or her taxable year from city resident to city nonresident,
44 or from city nonresident to city resident, the taxpayer shall, regard-
45 less of his method of accounting, accrue for the portion of the taxable
46 year prior to such change of status the total taxable amount of a lump
47 sum distribution accruing prior to the change of status, if the ordinary
48 income portion thereof is not otherwise subject to tax under section
49 11-1703 of this chapter for such portion of the taxable year or for a
50 prior taxable year. No ordinary income portion of a lump sum distrib-
51 ution the total taxable amount of which is accrued under this subdivi-
52 sion shall be subject to tax under section 11-1703 of this chapter for
53 any subsequent taxable period. The accrual under this subdivision shall
54 not be required if the taxpayer files with the tax commission a bond or
55 other security acceptable to the tax commission, conditioned upon the
56 payment of tax under section 11-1703 of this chapter, with respect to

1 such amount accruable under this subdivision, for a subsequent taxable
2 year as if the taxpayer had not changed its resident status.

3 (i) Deduction for two-earner married couples. Where a return is
4 required under this section, the amount of deduction under paragraph
5 twenty-nine of subdivision (c) of section 11-1712 of this chapter shall
6 be equal to ten percent of the lesser of:

7 (1) thirty thousand dollars, pro rated according to the period covered
8 by the return or

9 (2) the qualified earned income of the spouse with the lower qualified
10 earned income for the period covered by the return.

11 § 11-1755 Relief from joint and several liability on joint return.

12 (a) General. The provisions of section six thousand fifteen of the
13 internal revenue code applicable to the liability of individuals who
14 file joint income tax returns shall apply to the same extent as if such
15 section of such code were contained in and made part of this section,
16 except to the extent that any provision of such section is either incon-
17 sistent with or not relevant to this chapter and except as modified in
18 subdivision (b) of this section, or with such other modifications as may
19 be necessary to adapt the language of such provisions to the provisions
20 of this chapter.

21 (b) Modifications. Section six thousand fifteen of the internal reven-
22 ue code shall be read as modified by this subdivision.

23 (1) "Secretary" shall be read as "state commissioner of taxation and
24 finance".

25 (2) "Internal revenue service" shall be read as "department of taxa-
26 tion and finance".

27 (3) "Tax court" shall be read as "division of tax appeals".

28 (4) In the heading of subsection (a) and in clause (ii) of subpara-
29 graph (A) of paragraph three of subsection (c), the phrase "section
30 6013(d)(3)" shall be read as "paragraphs two and three of subdivision
31 (b) of section 11-1751 of this chapter".

32 (5) In paragraph three of subsection (b), the phrase "section
33 6662(d)(2)(A)" shall be read as "subdivision (p) of section 11-1785 of
34 this chapter".

35 (6) In subparagraph (B) of paragraph two of subsection (d), the phrase
36 "section 1 or 55" shall be read as "section 11-1701 of this chapter".

37 (7) In clause (i) of subparagraph (B) of paragraph one of subsection
38 (e), the phrase "section 6851 or 6861" shall be read as "section 11-1794
39 of this chapter" and "section 7485" shall be read as "subdivision (c) of
40 section 11-1790 of this chapter".

41 (8) In paragraph two of subsection (e), the phrase "section 6502"
42 shall be read as "section one hundred seventy-four-a of the tax law and
43 section 11-1792 of this chapter".

44 (9) In subparagraph (A) of paragraph three of subsection (e), the
45 phrase "section 6512(b), 7121, or 7122" shall be read as "subdivision
46 fifteenth, eighteenth, eighteenth-a or eighteenth-d of section one
47 hundred seventy-one of the tax law and subdivision (b) of section
48 11-1789 of this chapter".

49 (10) The following provisions of such section six thousand fifteen
50 shall be disregarded: (A) The phrase "notwithstanding the provisions of
51 section 7421(a)" contained in clause (ii) of subparagraph (B) of para-
52 graph one of subsection (e); and (B) subparagraph (C) of paragraph three
53 of subsection (e).

54 (c) Federal determination. If an individual is relieved of a federal
55 income tax liability pursuant to subsection (b) of section six thousand
56 fifteen of the internal revenue code, there shall be a rebuttable

1 presumption that such individual shall also be entitled to equivalent
2 relief from liability under this section, to the extent that such indi-
3 vidual has an understatement of tax under this chapter for the same
4 taxable year that is attributable to the same erroneous item or items to
5 which the individual's federal income tax liability was attributable.

6 § 11-1757 Extensions of time. (a) General. The commissioner of taxa-
7 tion and finance may grant a reasonable extension of time for payment of
8 tax or estimated tax, or any installment, or for filing any return,
9 statement, or other document required pursuant to this chapter, on such
10 terms and conditions as it may require. Except for a taxpayer who is
11 outside the United States or who intends to claim nonresident status
12 pursuant to clause (ii) of subparagraph (A) of paragraph one of subdivi-
13 sion (b) of section 11-1705 of this chapter, no such extension for
14 filing any return, statement or other document, shall exceed six months.

15 (b) Furnishing of security. If any extension of time is granted for
16 payment of any amount of tax, the tax commission may require the taxpay-
17 er to furnish a bond or other security in an amount not exceeding twice
18 the amount for which the extension of time for payment is granted on
19 such terms and conditions as the tax commission may require.

20 § 11-1758 Requirements concerning returns, notices, records and state-
21 ments. (a) General. The tax commission may prescribe regulations as to
22 the keeping of records, the content and form of returns and statements,
23 and the filing of copies of federal income tax returns and determi-
24 nations. The tax commission may require any person, by regulation or
25 notice served upon such person, to make such returns, render such state-
26 ments, or keep such records, as the tax commission may deem sufficient
27 to show whether or not such person is liable under this chapter for tax
28 or for collection of tax.

29 (b) Identifying numbers. (1) When required by regulations prescribed
30 by the tax commission:

31 (A) Inclusion in returns. Any person required under the authority of
32 this chapter to make a return, statement, or other document shall
33 include in such return, statement or other document such identifying
34 number as may be prescribed for securing proper identification of such
35 person.

36 (B) Furnishing number to other persons. Any person with respect to
37 whom a return, statement or other document is required under the author-
38 ity of this chapter to be made by another person shall furnish to such
39 other person such identifying number as may be prescribed for securing
40 his or her proper identification.

41 (C) Furnishing number of another person. Any person required under the
42 authority of this chapter to make a return, statement, or other document
43 with respect to another person shall request from such other person, and
44 shall include in any such return, statement, or other document, such
45 identifying number as may be prescribed for securing proper identifica-
46 tion of such other person.

47 (2) Limitation.

48 (A) Except as provided in subparagraph (B) of this paragraph, a return
49 of any person with respect to his or her liability for tax, or any
50 statement or other document in support thereof, shall not be considered
51 for purposes of subparagraphs (B) and (C) of paragraph one of this
52 subdivision as a return, statement or other document with respect to
53 another person.

54 (B) For purposes of subparagraphs (B) and (C) of paragraph one of this
55 subdivision, a return of an estate or trust with respect to its liabil-
56 ity for tax, and any statement or other document in support thereof,

1 shall be considered as a return, statement, or other document with
2 respect to each beneficiary of such estate or trust.

3 (3) Requirement of information. For purposes of this section, the tax
4 commission is authorized to require such information as may be necessary
5 to assign an identifying number to any person.

6 (c) Partnerships and S corporations.

7 (1) Partnerships. Every partnership having a city resident partner
8 shall make a return for the taxable year setting forth all items of
9 income, gain, loss and deduction and such other pertinent information as
10 the tax commission may by regulations and instructions prescribe. Such
11 return shall be filed on or before the fifteenth day of the fourth month
12 following the close of each taxable year except that the due date for
13 the return of a partnership consisting entirely of nonresident aliens
14 shall be the date prescribed for the filing of its federal partnership
15 return for the taxable year. For purposes of this paragraph, "taxable
16 year" means a year or a period which would be a taxable year of the
17 partnership if it were subject to tax under this chapter.

18 (2) S corporations. Every S corporation for which the election
19 provided for in subsection (a) of section six hundred sixty of the tax
20 law is in effect shall make a return setting forth all items of income,
21 loss and deduction and such other pertinent information as the tax
22 commission may by regulations and instructions prescribe. Such return
23 shall be filed on or before the fifteenth day of the third month follow-
24 ing the close of each taxable year.

25 (d) Information at source. The tax commission may prescribe regu-
26 lations and instructions requiring returns of information to be made and
27 filed on or before February twenty-eighth of each year as to the payment
28 or crediting in any calendar year of amounts of six hundred dollars or
29 more to any taxpayer under this chapter. Such returns may be required of
30 any persons, including lessees or mortgagors of real or personal proper-
31 ty, fiduciaries, employers, and all officers and employees of this
32 state, or of any municipal corporation or political subdivision of this
33 state, having the control, receipt, custody, disposal or payment of
34 interest, rents, salaries, wages, premiums, annuities, compensations,
35 remunerations, emoluments or other fixed or determinable gains, profits
36 or income, except interest coupons payable to bearer. A duplicate of the
37 statement as to tax withheld on wages, required to be furnished by an
38 employer to an employee, shall constitute the return of information
39 required to be made under this section with respect to such wages.

40 (e) Notice of qualification as receiver, etc. Every receiver, trustee
41 in bankruptcy, assignee for benefit of creditors, or other like fiduci-
42 ary shall give notice of his or her qualification as such to the tax
43 commission, as may be required by regulation.

44 (g) Requirements applicable to tax return preparer.

45 (1) Signature of tax return preparer. Any individual who is a tax
46 return preparer and prepares any return or claim for refund, shall sign
47 such return or claim for refund in accordance with regulations or
48 instructions prescribed by the commissioner of taxation and finance.

49 (2) Furnishing identifying numbers. Any return or claim for refund
50 which is prepared by a tax return preparer shall include the identifying
51 number of the preparer required by paragraph one of this subdivision to
52 sign such return or claim for refund. In addition, where such individual
53 preparer is an employee of an employer which is a tax return preparer
54 with respect to such return or claim for refund, or where such preparer
55 is a partner in a partnership which is a tax return preparer with
56 respect to such return or claim for refund, then such return or claim

1 for refund shall also include the identifying number of such employer or
2 partnership. Such identifying numbers shall be as prescribed by the
3 commissioner of taxation and finance in order to secure the proper iden-
4 tification of such individual preparer, partnership or employer. The
5 responsibility for the inclusion of such identifying numbers shall be as
6 set forth in paragraph two of subdivision (t) of section 11-1785 of this
7 chapter.

8 (3) Furnishing copy to taxpayer. Any person who is a tax return
9 preparer with respect to any return or claim for refund shall furnish a
10 completed copy of such return or claim for refund to the taxpayer not
11 later than the time such return or claim for refund is presented for
12 such taxpayer's signature.

13 (4) Copy or list to be retained by tax return preparer. Any person who
14 is a tax return preparer with respect to any return or claim for refund
15 shall for a three year retention period described in paragraph nine of
16 this subdivision:

17 (A) retain a completed copy of such return or claim for refund, or
18 retain, on a list, the name and identification number of the taxpayer
19 for whom such return or claim was prepared, and

20 (B) make such copy or list available for inspection upon request by
21 the commissioner of taxation and finance.

22 (5) Tax return preparer defined. For purposes of this chapter, the
23 term "tax return preparer" means any person who prepares for compen-
24 sation, or who employs or engages one or more persons to prepare for
25 compensation any return or claim for refund. The preparation of a
26 substantial portion of a return or claim for refund shall be treated as
27 if it were the preparation of such return or claim for refund. Where an
28 employer and one or more employees of such employer are tax return
29 preparers with respect to the same return or claim for refund, or where
30 a partnership and one or more partners in such partnership are tax
31 return preparers with respect to the same return or claim for refund,
32 for purposes of paragraphs three and four of this subdivision, such
33 employer or such partnership shall be deemed to be the sole tax return
34 preparer. A person shall not be a "tax return preparer" merely because
35 such person:

36 (A) furnishes typing, reproducing, or other mechanical assistance,

37 (B) prepares a return or claim for refund of the employer, or of an
38 officer or employee of the employer, by whom he or she is regularly and
39 continuously employed, or

40 (C) prepares as a fiduciary a return or claim for refund for any
41 person.

42 (6) Person defined. For purposes of this subdivision, the term
43 "person" includes an individual, corporation, including a dissolved
44 corporation, or partnership.

45 (7) Return defined. For purposes of this subdivision, the term
46 "return" shall mean any return required under this chapter.

47 (8) Claim for refund defined. For purposes of this subdivision, the
48 term "claim for refund" shall mean a claim for refund of or credit
49 against any tax imposed under this chapter, and shall include any claim
50 for refund of any credit treated as an overpayment of tax under this
51 chapter.

52 (9) Retention period defined. For purposes of this subdivision, the
53 term "retention period" shall mean:

54 (A) in the case of a tax return, the period ending the later of three
55 years after the due date of such return, without regard to extensions,

1 or three years after the date such return was presented to the taxpayer
2 for such taxpayer's signature, and

3 (B) in the case of a claim for refund, the period ending three years
4 after such claim for refund was presented to the taxpayer for such
5 taxpayer's signature.

6 (10) Mandatory electronic filing by certain tax return preparers.

7 (A)(i) If a tax return preparer prepared more than two hundred original
8 returns during the calendar year beginning on January first, two thou-
9 sand five, and if, in the calendar year beginning on January first, two
10 thousand six, such tax return preparer prepares one or more authorized
11 returns using tax software, then, for such calendar year two thousand
12 six and for each subsequent calendar year thereafter, all authorized
13 returns prepared by such tax return preparer shall be filed electron-
14 ically, in accordance with instructions prescribed by the commissioner
15 of taxation and finance.

16 (ii) If a tax return preparer prepared more than one hundred original
17 returns during any calendar year beginning on or after January first,
18 two thousand six, and if, in any succeeding calendar year such tax
19 return preparer prepares one or more authorized returns using tax soft-
20 ware, then, for such succeeding calendar year and for each subsequent
21 calendar year thereafter, all authorized returns prepared by such tax
22 return preparer shall be filed electronically, in accordance with
23 instructions prescribed by the commissioner of taxation and finance.

24 (B) For purposes of this paragraph: (i) "Electronic" means computer
25 technology; provided, however, that the commissioner of taxation and
26 finance may, in instructions, provide that use of barcode technology
27 will also satisfy the mandatory electronic filing requirements of this
28 section.

29 (ii) "Authorized return" means any return required under this article
30 which the commissioner of taxation and finance has authorized to be
31 filed electronically.

32 (iii) "Original return" means a return required under this article
33 that is filed, without regard to extensions, during the calendar year
34 for which that return is required to be filed.

35 (iv) "Tax software" means any computer software program intended for
36 tax return preparation purposes.

37 § 11-1759 Report of federal changes, corrections or disallowances. If
38 the amount of a taxpayer's federal taxable income, total taxable amount
39 or ordinary income portion of a lump sum distribution or includible gain
40 of a trust reported on his federal income tax return for any taxable
41 year, or the amount of any claim of right adjustment, is changed or
42 corrected by the United States internal revenue service or other compe-
43 tent authority, or as the result of a renegotiation of a contract or
44 subcontract with the United States or the amount an employer is required
45 to deduct and withhold from wages for federal income tax withholding
46 purposes is changed or corrected by such service or authority or if a
47 taxpayer's claim for credit or refund of federal income tax is disal-
48 lowed in whole or in part, the taxpayer or employer shall report such
49 change or correction or disallowance within ninety days after the final
50 determination of such change, correction, renegotiation, or disallow-
51 ance, or as otherwise required by the commissioner, and shall concede
52 the accuracy of such determination or state wherein it is erroneous. The
53 allowance of a tentative carryback adjustment based upon a net operating
54 loss carryback pursuant to section sixty-four hundred eleven of the
55 internal revenue code shall be treated as a final determination for
56 purposes of this section. Any taxpayer filing an amended federal income

1 tax return and any employer filing an amended federal return of income
2 tax withheld shall also file within ninety days thereafter an amended
3 return under this chapter, and shall give such information as the
4 commissioner may require. The commissioner may by regulation prescribe
5 such exceptions to the requirements of this section as he or she deems
6 appropriate. For purposes of this section, (i) the term "taxpayer" shall
7 include a partnership having a resident partner or having any income
8 derived from New York sources, and a corporation with respect to which
9 the taxable year of such change, correction, disallowance or amendment
10 is a year with respect to which the election provided for in subsection
11 (a) of section six hundred sixty of the tax law is in effect, and (ii)
12 the term "federal income tax return" shall include the returns of income
13 required under sections six thousand thirty-one and six thousand thir-
14 ty-seven of the internal revenue code. In the case of such a corpo-
15 ration, such report shall also include any change or correction of the
16 taxes described in paragraphs two and three of subsection (f) of section
17 thirteen hundred sixty-six of the internal revenue code. Reports made
18 under this section by a partnership or corporation shall indicate the
19 portion of the change in each item of income, gain, loss or deduction,
20 and, in the case of a corporation, of each change in, or disallowance of
21 a claim for credit or refund of such tax, allocable to each partner or
22 shareholder and shall set forth such identifying information with
23 respect to such partner or shareholder as may be prescribed by the
24 commissioner.

25 § 11-1761 Change of election. Any election expressly authorized by
26 this chapter may be changed on such terms and conditions as the tax
27 commission may prescribe by regulation.

28 § 11-1762 Computation of tax where taxpayer restores substantial
29 amount held under claim of right. (a) General. If:

30 (1) an item was included in city adjusted gross income for a prior
31 taxable year, or years, because it appeared that the taxpayer had an
32 unrestricted right to such item, and

33 (2) for the current taxable year the provisions of paragraph five of
34 subsection (a) of section thirteen hundred forty-one of the internal
35 revenue code apply to such item, then the tax imposed by this chapter
36 for the taxable year shall be an amount equal to

37 (3) the tax for the taxable year computed without regard to this
38 section, minus

39 (4) the decrease in tax under this chapter for the prior taxable year,
40 or years, which would result solely from the exclusion of such item, or
41 portion thereof, from city adjusted gross income for such prior taxable
42 year, or years.

43 (b) Special rules. If the decrease in tax ascertained under paragraph
44 four of subdivision (a) of this section exceeds the tax imposed by this
45 chapter for the taxable year, such excess shall be considered a payment
46 of tax on the last day prescribed by law for the payment of tax for the
47 taxable year, and shall be refunded or credited in the same manner as if
48 it were an overpayment for such taxable year.

49
50

SUBCHAPTER 4 WITHHOLDING OF TAX

51 § 11-1771 Requirement of withholding tax from wages. (a) General. (1)
52 Every employer maintaining an office or transacting business within this
53 city or state and making payment on and after January first, nineteen
54 hundred seventy-seven of any wages taxable under this chapter, or under

1 section two of chapter eight hundred eighty-two of the laws of nineteen
2 hundred seventy-five, as amended by chapter eight hundred eighty-six of
3 the laws of nineteen hundred seventy-five, shall deduct and withhold
4 from such wages for each payroll period a tax computed in such manner as
5 to result, so far as practicable, in withholding from the employee's
6 wages during each calendar year an amount substantially equivalent to
7 the tax reasonably estimated to be due under this chapter or such
8 section two resulting from the inclusion in the employee's city adjusted
9 gross income of his or her wages received during such calendar year.
10 The method of determining the amount to be withheld shall be prescribed
11 by regulations of the tax commission, with due regard to the city with-
12 holding exemptions of the employee and the sum of any credits allowable
13 against his or her tax. The section shall not apply to payments by the
14 United States for service in the armed forces of the United States so
15 long as the right to require deduction and withholding of tax from such
16 payments is prohibited by the laws of the United States. Service in the
17 armed forces of the United States shall have the same meaning as when
18 used in a comparable context in the laws of the United States relating
19 to withholding of city income taxes.

20 (2) The tax commission may provide, by regulations, for withholding:

21 (A) from remuneration for services performed by an employee for his or
22 her employer which does not constitute wages, and

23 (B) from remuneration for services performed by an employee for his or
24 her employer which does not constitute wages, and (B) from any other
25 type of payment, with respect to which the tax commission finds that
26 withholding would be appropriate under the provisions of this chapter,
27 if the employer and the employee, or in the case of any other type of
28 payment the person making and the person receiving the payment, agree to
29 such withholding. Such agreement shall be made in such form and manner
30 as the tax commission may by regulations provide. For purposes of this
31 chapter, remuneration or other payments with respect to which such
32 agreement is made shall be treated as if they were wages paid by an
33 employer to an employee to the extent that such remuneration is paid or
34 other payments are made during the period for which the agreement is in
35 effect.

36 (3) The tax commission shall provide by regulation for an exemption
37 from withholding for: (i) employees under eighteen years of age, (ii)
38 employees under twenty-five years of age who are full-time students and
39 (iii) employees over sixty-five years of age, provided such employees
40 had no income tax liability in the prior year and can reasonably antic-
41 ipate none in the current year.

42 (b) Extension of withholding to certain periodic payments and gambling
43 winnings.

44 (1) For purposes of this chapter, any payment subject to withholding,
45 within the meaning of paragraph two of this subdivision, shall be treat-
46 ed as if it were wages paid by an employer to an employee.

47 (2) Payments subject to withholding. For purposes of paragraph one of
48 this subdivision, a payment subject to withholding means:

49 (A) Any supplemental unemployment compensation benefit paid to an
50 individual to the extent includible in such individual's city adjusted
51 gross income.

52 (B) Any member or employee contributions to a retirement system or
53 pension fund picked up by the employer pursuant to subdivision f of
54 section five hundred seventeen or subdivision d of section six hundred
55 thirteen of the retirement and social security law or section 13-225.1,
56 13-327.1, 13-125.1, 13-125.2 or 13-521.1 of the code of the preceding

1 municipality or subdivision nineteen of section twenty-five hundred
2 seventy-five of the education law.

3 (C) Any payment of an annuity to an individual to the extent includi-
4 ble in such individual's city adjusted gross income, if at the time the
5 payment is made a request that such annuity be subject to withholding
6 under this chapter is in effect.

7 (D) Any payment of winnings from a wager placed in a lottery conducted
8 by the division of the lottery, if the proceeds from such wager exceed
9 five thousand dollars and such proceeds are payable pursuant to a prize
10 claim made by an individual who was a resident of the city at the time
11 of the selection of the prize winning lottery ticket.

12 (F) Any amount deducted or deferred from an employee's salary under a
13 flexible benefits program established pursuant to section twenty-three
14 of the general municipal law or section one thousand two hundred ten-a
15 of the public authorities law.

16 (G) Any amount by which an employee's salary is reduced pursuant to
17 the provisions of subdivision b of section 12-126.1 and subdivision b of
18 section 12-126.2 of the code of the preceding municipality.

19 (3) Additional provisions applicable to this subdivision.

20 (A) Request for annuity withholding. A request that an annuity be
21 subject to withholding under this chapter shall be made by the payee in
22 writing to the person making the annuity payments.

23 Such a request may, notwithstanding any provision of law to the
24 contrary, be terminated by furnishing to the person making the payments
25 a written statement of termination. Such a request for withholding or
26 statement of termination shall take effect in such manner as the commis-
27 sioner of taxation and finance shall prescribe.

28 (B) Withholding on lottery winnings upon change of residence. If a
29 payee of lottery winnings subject to the provisions of subparagraph (D)
30 of paragraph two of this subdivision changes status from resident to
31 nonresident, withholding in accordance with such subparagraph shall
32 constitute other security acceptable to the commissioner of taxation and
33 finance within the meaning of paragraph four of subdivision (c) of
34 section 11-1754 of this chapter, unless such payee elects, in such
35 manner as the commissioner of taxation and finance shall prescribe, to
36 apply the provisions of paragraph one of such subdivision (c) to the
37 proceeds, in which case withholding under this subdivision shall no
38 longer apply to such proceeds.

39 (C) Proceeds. For purposes of subparagraphs (D) and (E) of paragraph
40 two of this subdivision, proceeds from a wager shall be determined by
41 reducing the amount received by the amount of the wager.

42 (D) Taxes withheld at maximum rate. The tax withheld on any payment
43 subject to withholding under subparagraph (D) or (E) of paragraph two of
44 this subdivision shall be withheld at the highest rate of tax on city
45 taxable income, without any allowance for deductions or exemptions, in
46 effect under this chapter for the taxable year in which the payment is
47 made.

48 (E) Determination of residence. For purposes of applying the
49 provisions of subparagraphs (D) and (E) of paragraph two of this subdivi-
50 sion, any payor of proceeds shall determine the residence of the payee
51 of such proceeds in accordance with regulations or instructions of the
52 commissioner of taxation and finance or, in the absence of any such
53 regulations or instructions, in accordance with the address of the payee
54 required under the provisions of paragraph six of subsection (q) of
55 section thirty-four hundred two of the internal revenue code.

1 (b) Extension of withholding to unemployment compensation benefits,
2 annuity payments, and lottery winnings.

3 (1) For purposes of this chapter:

4 (A) any supplemental unemployment compensation benefit paid to an
5 individual to the extent includible in such individual's city adjusted
6 gross income,

7 (B) any payment of an annuity to an individual to the extent includi-
8 ble in such individual's city adjusted gross income, if at the time the
9 payment is made a request that such annuity be subject to withholding
10 under this chapter is in effect, and

11 (C) any periodic payment (but only where such payment is part of a
12 series of payments extending over a period greater than one year), of
13 lottery winnings by the division of the lottery, if at the time the
14 payment is made a request that such lottery winnings be subject to with-
15 holding under this chapter is in effect, shall be treated as if it were
16 a payment of wages by an employer to an employee for a payroll period.

17 (D) any member or employee contributions to a retirement system or
18 pension fund picked up or paid by the employer for members of the
19 Manhattan and Bronx surface transportation authority pension plan and
20 treated as employer contributions in determining income tax treatment
21 under subdivision (h) of section four hundred fourteen of the Internal
22 Revenue Code.

23 (2) Request for withholding. A request that an annuity be subject to
24 withholding under this chapter shall be made by the payee in writing to
25 the person making the annuity payments, and a request that lottery
26 winnings be subject to withholding under this chapter shall be made by
27 the payee in writing to the division of the lottery, in the manner
28 prescribed by the commissioner of taxation and finance. A request that
29 an annuity be subject to withholding may, notwithstanding any provision
30 of law to the contrary, be terminated by furnishing to the person making
31 the payments a written statement of termination. A request that lottery
32 winnings be subject to withholding under this chapter shall not be revo-
33 cable while the payee is a nonresident, and shall constitute other secu-
34 rity acceptable to the tax commission within the meaning of paragraph
35 four of subdivision (c) of section 11-1754 of this chapter.

36 Such a request for withholding or statement of termination shall take
37 effect in such manner as the commissioner of taxation and finance shall
38 provide by regulation.

39 (c) Withholding exemptions. For purposes of this section:

40 (1) The number of city withholding exemptions which an employee
41 receiving wages taxable under this chapter may claim shall not exceed
42 the number of city exemptions allowed pursuant to the provisions of
43 section 11-1716 of this chapter and such additional city withholding
44 exemptions as may be prescribed by regulations or instructions of the
45 commissioner of taxation and finance, taking into account the applicable
46 standard deduction and such other factors as he or she finds appropri-
47 ate.

48 (2) The amount of each city withholding exemption shall be the amount
49 of the city exemption allowed pursuant to the provisions of section
50 11-1716 of this chapter.

51 (3) Withholding exemption certificate. An employee shall be required
52 to file with his or her employer a withholding exemption certificate in
53 accordance with regulations or instructions prescribed by the commis-
54 sioner of taxation and finance.

55 § 11-1772 Information statement for employee. Every employer required
56 to deduct and withhold tax under this chapter from the wages of an

1 employee, or who would have been required so to deduct and withhold tax
2 if the employee had claimed no more than one withholding exemption,
3 shall furnish to each such employee in respect of the wages paid by such
4 employer to such employee during the calendar year on or before February
5 fifteenth of the succeeding year, or, if his or her employment is termi-
6 nated before the close of such calendar year, within thirty days from
7 the date on which the last payment of the wages is made, a written
8 statement as prescribed by the tax commission showing the amount of
9 wages paid by the employer to the employee, the amount deducted and
10 withheld as tax, and such other information as the tax commission shall
11 prescribe.

12 § 11-1773 Credit for tax withheld. Wages upon which tax is required
13 to be withheld shall be taxable under this chapter as if no withholding
14 were required, but any amount of tax actually deducted and withheld
15 under this chapter in any calendar year shall be deemed to have been
16 paid to the tax commission on behalf of the person from whom withheld,
17 and such person shall be credited with having paid that amount of tax
18 for the taxable year beginning in such calendar year.

19 For a taxable year of less than twelve months, the credit shall be
20 made under regulations of the tax commission.

21 § 11-1774 Employer's return and payment of withheld taxes. (a) Gener-
22 al. Every employer required to deduct and withhold tax under this chap-
23 ter shall file a withholding return and pay over to the tax commission
24 or to a depository designated by the tax commission, the taxes so
25 required to be deducted and withheld, as hereafter prescribed.

26 (1) If, after having made a payroll, an employer has been required to
27 deduct and withhold, but has not paid over, a cumulative aggregate
28 amount of seven hundred dollars or more of tax during a calendar quar-
29 ter, such employer shall file a return and pay over the tax. If an
30 employer was required to remit a cumulative aggregate amount of less
31 than fifteen thousand dollars in withholding tax during the calendar
32 year which precedes the previous calendar year, the tax shall be paid
33 over on or before the fifth business day following the date of making
34 such a payroll. If an employer was required to remit a cumulative aggre-
35 gate amount more than or equal to fifteen thousand dollars in withhold-
36 ing tax during the calendar year which precedes the previous calendar
37 year, the tax shall be paid over on or before the third business day
38 following the date of making such a payroll. In the case of an "educa-
39 tional organization" as defined in paragraph two of subsection (a) of
40 section nine of the tax law or a "health care provider" as defined in
41 paragraph four of subsection (a) of section nine of the tax law, the tax
42 shall be paid over on or before the fifth business day following the
43 date of making such a payroll.

44 (2) If, at the close of any calendar quarter, an employer has been
45 required to deduct and withhold, but has not paid over, a cumulative
46 aggregate amount of less than seven hundred dollars of tax during such
47 calendar quarter, such employer shall pay over the tax with the quarter-
48 ly combined withholding, wage reporting and unemployment insurance
49 return required to be filed for such quarter by paragraph four of this
50 subdivision, on or before the last date prescribed by such paragraph for
51 filing such return.

52 (3) If an employer makes more than one payroll per week, then such
53 employer shall determine the applicability of the rules described in
54 paragraphs one and two of this subdivision measured by the last payroll
55 made within the week by such employer; provided, however, that in any
56 week in which the end of a quarter occurs between the making of payrolls

1 by an employer, any tax required to be deducted and withheld in a
2 payroll or payrolls made during such week prior to or on the end of the
3 quarter shall be paid over. If an employer was required to remit a cumu-
4 lative aggregate amount of less than fifteen thousand dollars in with-
5 holding tax during the calendar year preceding the previous calendar
6 year, the tax shall be paid over on or before the fifth business day
7 following the date of making the last payroll in such quarter. If an
8 employer was required to remit a cumulative aggregate amount more than
9 or equal to fifteen thousand dollars in withholding tax during the
10 calendar year preceding the previous calendar year, the tax shall be
11 paid over on or before the third business day following the date of
12 making the last payroll in such quarter. In the case of an "educational
13 organization" as defined in paragraph two of subsection (a) of section
14 nine of the tax law or a "health care provider" as defined in paragraph
15 four of subsection (a) of section nine of the tax law, the tax shall be
16 paid over on or before the fifth business day following the date of
17 making such a payroll. For purposes of this paragraph, the term "week"
18 shall mean the period Sunday through Saturday.

19 (4)(A) All employers described in paragraph one of subdivision (a) of
20 section 11-1771 of this subchapter, including those whose wages paid are
21 not sufficient to require the withholding of tax from the wages of any
22 of their employees, all employers required to provide the wage reporting
23 information for the employees described in subdivision one of section
24 one hundred seventy-one-a of the tax law, and all employers liable for
25 unemployment insurance contributions or for payments in lieu of such
26 contributions pursuant to article eighteen of the labor law, shall file
27 a quarterly combined withholding, wage reporting and unemployment insur-
28 ance return with the department of taxation and finance detailing the
29 preceding calendar quarter's withholding tax transactions, such quar-
30 ter's wage reporting information, such quarter's unemployment insurance
31 contributions, and such other related information as the commissioner of
32 taxation and finance or the commissioner of labor, as applicable, may
33 prescribe. In addition, the return covering the last calendar quarter of
34 each year shall also include withholding reconciliation information for
35 such calendar year. Such returns shall be filed no later than the last
36 day of the month following the last day of each calendar quarter;
37 provided, however, that an employer may provide the wage reporting
38 information covering the last calendar quarter of each year, and the
39 withholding reconciliation information for such year no later than
40 February twenty-eighth of the succeeding year.

41 (B) An employer shall, at the time prescribed by subparagraph (A) of
42 this paragraph for filing each quarterly combined withholding, wage
43 reporting and unemployment insurance return, pay over, in a single
44 remittance, the unemployment insurance contributions and aggregate with-
45 holding taxes required to be paid over with such return.

46 Notwithstanding any provision of law to the contrary, an overpayment
47 of unemployment insurance contributions or of aggregate withholding
48 taxes made by an employer with the quarterly combined withholding, wage
49 reporting and unemployment insurance return for a calendar quarter may
50 be only credited by such employer against such employer's liability for
51 unemployment insurance contributions or aggregate withholding taxes,
52 respectively.

53 (5) The tax commission may, if it believes such action necessary for
54 the protection of the revenues, require any employer to make such return
55 and pay to it the tax deducted and withheld at any time, or from time to
56 time.

1 (6) "Aggregate amount" as used in paragraphs one, two and three of
2 this subdivision means the aggregate of the aggregate amounts of New
3 York state personal income tax, city personal income tax on residents
4 and city earnings tax on nonresidents authorized to be deducted and
5 withheld.

6 (b) Deposit in trust for tax commission. Whenever any employer fails
7 to collect, truthfully account for, pay over the tax, or make returns of
8 the tax as required in this section, the tax commission may serve a
9 notice requiring such employer to collect the taxes which become collec-
10 tible after service of such notice, to deposit such taxes in a bank
11 approved by the tax commission, in a separate account, in trust for and
12 payable to the tax commission, and to keep the amount of such tax in
13 such account until payment over to the tax commission. Such notice
14 shall remain in effect until a notice of cancellation is served by the
15 tax commission.

16 § 11-1775 Employer's liability for withheld taxes. Every employer
17 required to deduct and withhold tax under this chapter is hereby made
18 liable for such tax. For purposes of assessment and collection, any
19 amount required to be withheld and paid over to the tax commission, and
20 any additions to tax, penalties and interest with respect thereto, shall
21 be considered the tax of the employer. Any amount of tax actually
22 deducted and withheld under this chapter shall be held to be a special
23 fund in trust for the tax commission. No employee shall have any right
24 of action against his or her employer in respect to any moneys deducted
25 and withheld from his or her wages and paid over to the tax commission
26 in compliance or in intended compliance with this chapter.

27 § 11-1776 Employer's failure to withhold. If an employer fails to
28 deduct and withhold tax as required, and thereafter the tax against
29 which such tax may be credited is paid, the tax so required to be
30 deducted and withheld shall not be collected from the employer, but the
31 employer shall not be relieved from liability for any penalties, inter-
32 est, or additions to the tax otherwise applicable in respect of such
33 failure to deduct and withhold.

34 § 11-1777 Designation of third parties to perform acts required of
35 employers. In case a fiduciary, agent, or other person has the control,
36 receipt, custody, or disposal of, or pays the wages of an employee or
37 group of employees, employed by one or more employers, the tax commis-
38 sion, under regulations promulgated by it, is authorized to designate
39 such fiduciary, agent, or other person to perform such acts as are
40 required of employers under this chapter and as the tax commission may
41 specify. Except as may be otherwise prescribed by the tax commission,
42 all provisions of law, including penalties, applicable in respect of an
43 employer shall be applicable to a fiduciary, agent, or other person so
44 designated but, except as so provided, the employer for whom such fidu-
45 ciary, agent, or other person acts shall remain subject to the
46 provisions of law, including penalties, applicable in respect of employ-
47 ers.

48 § 11-1778 Liability of third parties paying or providing for wages.

49 (a) Direct payment by third party. If a lender, surety or other person,
50 who is not an employer with respect to an employee or group of employ-
51 ees, pays wages directly to such an employee or group of employees,
52 employed by one or more employers, or to an agent on behalf of such
53 employee or employees, such lender, surety or other person shall be
54 liable for the amount of taxes, together with interest, required to be
55 deducted and withheld from such wages by the employer.

1 (b) Funds supplied to employer by third parties. If a lender, surety
2 or other person supplies funds to or for the account of an employer for
3 the specific purpose of paying wages of the employees of such employer,
4 with actual notice or knowledge that such employer does not intend to or
5 will not be able to make timely payment or deposit of the amounts of tax
6 required by this chapter to be deducted and withheld by such employer
7 from such wages, such lender, surety or other person shall be liable for
8 the amount of the taxes, together with interest, which are not paid over
9 to the tax commission by such employer with respect to such wages.
10 However, the liability of such lender, surety or other person shall be
11 limited to an amount equal to twenty-five percent of the amount so
12 supplied to or for the account of such employer for such purpose.

13 (c) Effect of payment. Any amounts paid to the tax commission pursuant
14 to this section shall be credited against the liability of the employer.

15 SUBCHAPTER 5

16 PROCEDURE AND ADMINISTRATION

17 § 11-1781 Notice of deficiency. (a) General. If upon examination of a
18 taxpayer's return under this chapter the tax commission determines that
19 there is a deficiency of income tax, it may mail a notice of deficiency
20 to the taxpayer. If a taxpayer fails to file an income tax return
21 required under this chapter, the tax commission is authorized to esti-
22 mate the taxpayer's city taxable income and tax thereon, from any infor-
23 mation in its possession, and to mail a notice of deficiency to the
24 taxpayer. A notice of deficiency shall be mailed by certified or regis-
25 tered mail to the taxpayer at his or her last known address in or out of
26 this state. If a husband and wife are jointly liable for tax, a notice
27 of deficiency may be a single joint notice, except that if the tax
28 commission has been notified by either spouse that separate residences
29 have been established, then, in lieu of the single joint notice, a
30 duplicate original of the joint notice shall be mailed to each spouse at
31 his or her last known address in or out of this state. If the taxpayer
32 is deceased or under a legal disability, a notice of deficiency may be
33 mailed to his or her last known address in or out of this state, unless
34 the tax commission has received notice of the existence of a fiduciary
35 relationship with respect to the taxpayer.

36 (b) Notice of deficiency as assessment. After ninety days from the
37 mailing of a notice of deficiency, such notice shall be an assessment of
38 the amount of tax specified in such notice, together with the interest,
39 additions to tax and penalties stated in such notice, except only for
40 any such tax or other amounts as to which the taxpayer has within such
41 ninety day period filed with the tax commission a petition under section
42 11-1789 of this subchapter. If the notice of deficiency is addressed to
43 a person outside of the United States, such period shall be one hundred
44 fifty days instead of ninety days.

45 (c) Restrictions on assessment and levy. No assessment of a deficiency
46 in tax and no levy or proceeding in court for its collection shall be
47 made, begun or prosecuted, except as otherwise provided in section
48 11-1794 of this subchapter, until a notice of deficiency has been mailed
49 to the taxpayer, nor until the expiration of the time for filing a peti-
50 tion contesting such notice, nor, if a petition with respect to the
51 taxable year has been filed with the tax commission, until the decision
52 of the tax commission has become final. For exception in the case of
53 judicial review of the decision of the tax commission, see subdivision
54 (c) of section 11-1790 of this subchapter.

55 (d) Exceptions for mathematical errors. If a mathematical error
56 appears on a return, including an overstatement of the credit for income

1 tax withheld at the source, or of the amount paid as estimated income
2 tax, the tax commission shall notify the taxpayer that an amount of tax
3 in excess of that shown upon the return is due, and that such excess has
4 been assessed. Such notice shall not be considered as a notice of defi-
5 ciency for the purposes of this section, subdivision (f) of section
6 11-1787 of this subchapter, limiting credits or refunds after petition
7 to the tax commission, or subdivision (b) of section 11-1789 of this
8 subchapter, authorizing the filing of a petition with the tax commission
9 based on a notice of deficiency, nor shall such assessment or collection
10 be prohibited by the provisions of subdivision (c) of this section.

11 (e) Exceptions where federal changes, corrections or disallowances are
12 not reported. (1) If the taxpayer or employer fails to comply with
13 section 11-1759 of this chapter, instead of the mode and time of assess-
14 ment provided for in subdivision (b) of this section, the tax commission
15 may assess a deficiency based upon such federal change, correction or
16 disallowance by mailing to the taxpayer a notice of additional tax due
17 specifying the amount of the deficiency, and such deficiency, together
18 with the interest, additions to tax and penalties stated in such notice,
19 shall be deemed assessed on the date such notice is mailed unless within
20 thirty days after the mailing of such notice a report of the federal
21 change, correction or disallowance or an amended return, where such
22 return was required by section 11-1759 of this chapter, is filed accom-
23 panied by a statement showing wherein such federal determination and
24 such notice of additional tax due are erroneous.

25 (2) Such notice shall not be considered as a notice of deficiency for
26 the purposes of this section, subdivision (f) of section 11-1787 of this
27 subchapter, limiting credits or refunds after petition to the tax
28 commission, or subdivision (b) of section 11-1789 of this subchapter,
29 authorizing the filing of a petition with the tax commission based on a
30 notice of deficiency, nor shall such assessment or the collection there-
31 of be prohibited by the provisions of subdivision (c) of this section.

32 (3) If a husband and wife are jointly liable for tax, a notice of
33 additional tax due may be a single joint notice, except that if the tax
34 commission has been notified by either spouse that separate residences
35 have been established, then, in lieu of the joint notice, a duplicate
36 original of the joint notice shall be mailed to each spouse at his or
37 her last known address in or out of this state. If the taxpayer is
38 deceased or under a legal disability, a notice of additional tax due may
39 be mailed to his or her last known address in or out of this state,
40 unless the tax commission has received notice of the existence of a
41 fiduciary relationship with respect to the taxpayer.

42 (f) Waiver of restrictions. The taxpayer shall at any time, whether or
43 not a notice of deficiency has been issued, have the right to waive the
44 restrictions on assessment and collection of the whole or any part of
45 the deficiency by a signed notice in writing filed with the tax commis-
46 sion.

47 (g) Deficiency defined. For purposes of this chapter, a deficiency
48 means the amount of the tax imposed by this chapter, less (i) the amount
49 shown as the tax upon the taxpayer's return, whether the return was made
50 or the tax computed by such taxpayer or by the tax commission, and less
51 (ii) the amounts previously assessed, or collected without assessment,
52 as a deficiency and plus (iii) the amount of any rebates. For the
53 purpose of this definition, the tax imposed by this chapter and the tax
54 shown on the return shall both be determined without regard to payments
55 on account of estimated tax or the credit for withholding tax; and a
56 rebate means so much of an abatement, credit, refund or other repayment,

1 whether or not erroneous, made on the ground that the amounts entering
2 into the definition of a deficiency showed a balance in favor of the
3 taxpayer.

4 § 11-1782 Assessment. (a) Assessment date. The amount of tax which a
5 return shows to be due, or the amount of tax which a return would have
6 shown to be due but for a mathematical error, shall be deemed to be
7 assessed on the date of filing of the return, including any amended
8 return showing an increase of tax. In the case of a return properly
9 filed without computation of tax, the tax computed by the tax commission
10 shall be deemed to be assessed on the date on which payment is due. If
11 a notice of deficiency has been mailed, the amount of the deficiency
12 shall be deemed to be assessed on the date specified in subdivision (b)
13 of section 11-1781 of this subchapter if no petition to the tax commis-
14 sion is filed, or if a petition is filed, then upon the date when a
15 decision of the tax commission establishing the amount of the deficiency
16 becomes final. If an amended return or report filed pursuant to section
17 11-1759 of this chapter concedes the accuracy of a federal change or
18 correction, any deficiency in tax under this chapter resulting therefrom
19 shall be deemed to be assessed on the date of filing such report or
20 amended return, and such assessment shall be timely notwithstanding
21 section 11-1783 of this subchapter. If a notice of additional tax due,
22 as prescribed in subdivision (e) of section 11-1781 of this subchapter,
23 has been mailed, the amount of the deficiency shall be deemed to be
24 assessed on the date specified in such subdivision unless within thirty
25 days after the mailing of such notice a report of the federal change or
26 correction or an amended return, where such return was required by
27 section 11-1759 of this chapter, is filed accompanied by a statement
28 showing wherein such federal determination and such notice of additional
29 tax due are erroneous. Any amount paid as a tax or in respect of a tax,
30 other than amounts withheld at the source or paid as estimated income
31 tax, shall be deemed to be assessed upon the date of receipt of payment,
32 notwithstanding any other provisions.

33 (b) Other assessment powers. If the mode or time for the assessment of
34 any tax under this chapter, including interest, additions to tax and
35 assessable penalties, is not otherwise provided for, the tax commission
36 may establish the same by regulations.

37 (c) Estimated income tax. No unpaid amount of estimated tax shall be
38 assessed.

39 (d) Omission of income, item of tax preference, total taxable amount
40 or ordinary income portion of a lump sum distribution on return. The tax
41 may be assessed at any time within six years after the return was filed
42 if: (1) an individual omits from his city adjusted gross income, the
43 sum of his items of tax preference, or the total taxable amount or ordi-
44 nary income portion of a lump sum distribution an amount properly inclu-
45 dible therein which is in excess of twenty-five percent of the amount of
46 city adjusted gross income, the sum of the items of tax preference or
47 the total taxable amount or ordinary income portion of a lump sum
48 distribution stated in the return, or (2) an estate or trust omits from
49 its city adjusted gross income, the sum of its items of tax preference,
50 or the total taxable amount or ordinary income portion of a lump sum
51 distribution an amount properly includible therein which is in excess of
52 twenty-five percent of the amount stated in the return of city adjusted
53 gross income, or the sum of the items of tax preference, or the total
54 taxable amount or ordinary income portion of a lump sum distribution,
55 respectively. For purposes of this paragraph, city adjusted gross income

1 means New York adjusted gross income as determined under paragraph four
2 of subsection (e) of section six hundred one of the tax law.

3 For purposes of this subdivision there shall not be taken into account
4 any amount which is omitted in the return if such amount is disclosed in
5 the return, or in a statement attached to the return, in a manner
6 adequate to apprise the commissioner of the nature and amount of the
7 item of income, tax preference, the total taxable amount or ordinary
8 income portion of a lump sum distribution.

9 (e) Cross reference. For assessment in case of jeopardy, see section
10 11-1794 of this subchapter.

11 § 11-1783 Limitations on assessment. (a) General. Except as otherwise
12 provided in this section, any tax under this chapter shall be assessed
13 within three years after the return was filed, whether or not such
14 return was filed on or after the date prescribed.

15 (b) Time return deemed filed.

16 (1) Early return. For purposes of this section a return of income tax,
17 except withholding tax, filed before the last day prescribed by law or
18 by regulations promulgated pursuant to law for the filing thereof, shall
19 be deemed to be filed on such last day.

20 (2) Return of withholding tax. For purposes of this section, if a
21 return of withholding tax for any period ending with or within a calen-
22 dar year is filed before April fifteenth of the succeeding calendar
23 year, such return shall be deemed to be filed on April fifteenth of such
24 succeeding calendar year.

25 (c) Exceptions.

26 (1) Assessment at any time. The tax may be assessed at any time if:

27 (A) no return is filed,

28 (B) a false or fraudulent return is filed with intent to evade tax, or

29 (C) the taxpayer or employer fails to comply with section 11-1759 of
30 this chapter.

31 (2) Extension by agreement. Where, before the expiration of the time
32 prescribed in this section for the assessment of tax, both the tax
33 commission and the taxpayer have consented in writing to its assessment
34 after such time, the tax may be assessed at any time prior to the expi-
35 ration of the period agreed upon. The period so agreed upon may be
36 extended by subsequent agreements in writing made before the expiration
37 of the period previously agreed upon.

38 (3) Report of federal changes, corrections or disallowances. If the
39 taxpayer or employer complies with section 11-1759 of this chapter, the
40 assessment, if not deemed to have been made upon the filing of the
41 report or amended return, may be made at any time within two years after
42 such report or amended return was filed. The amount of such assessment
43 of tax shall not exceed the amount of the increase in city tax attribut-
44 able to such federal change or correction. The provisions of this para-
45 graph shall not affect the time within which or the amount for which an
46 assessment may otherwise be made.

47 (4) Deficiency attributable to net operating loss carryback. If a
48 deficiency is attributable to the application to the taxpayer of a net
49 operating loss carryback, it may be assessed at any time that a defi-
50 ciency for the taxable year of the loss may be assessed.

51 (5) Recovery of erroneous refund. An erroneous refund shall be consid-
52 ered an underpayment of tax on the date made, and an assessment of a
53 deficiency arising out of an erroneous refund may be made at any time
54 within two years from the making of the refund, except that the assess-
55 ment may be made within five years from the making of the refund if it

1 appears that any part of the refund was induced by fraud or misrepresenta-
2 tion of a material fact.

3 (6) Request for prompt assessment. If a return is required for a dece-
4 dent or for a decedent's estate during the period of administration, the
5 tax shall be assessed within eighteen months after written request
6 therefor, made after the return is filed, by the executor, administrator
7 or other person representing the estate of such decedent, but not more
8 than three years after the return was filed, except as otherwise
9 provided in this subdivision and subdivision (d) of this section.

10 (7) Report on use of certain property. Under the circumstances
11 described in paragraph two of subdivision (g) of section 11-1712 of this
12 chapter, the tax may be assessed within three years after the filing of
13 a return reporting that property has been used for purposes other than
14 research and development to a greater extent than originally reported.

15 (8) Report concerning waste treatment facility, air pollution control
16 facility or eligible business facility. Under the circumstances
17 described in paragraph three of subdivision (h) of section 11-1712 of
18 this chapter, the tax may be assessed within three years after filing of
19 the return containing the information required by such paragraph, or, if
20 a certificate of compliance in respect to an air pollution control
21 facility shall be revoked, within three years after the tax commission
22 shall receive notice of such revocation from the taxpayer or as required
23 by section 19-0309 of the environmental conservation law, whichever
24 notice is received earlier.

25 (9) Except as otherwise provided in paragraph three of this subdivi-
26 sion, or as otherwise provided in this section where a longer period of
27 time may apply, if a taxpayer files an amended return, an assessment of
28 tax, if not deemed to have been made upon the filing of the amended
29 return, including recovery of a previously paid refund, attributable to
30 a change or correction on the amended return from a prior return may be
31 made at any time within one year after such amended return is filed.

32 (d) Omission of income, total taxable amount or ordinary income
33 portion of a lump sum distribution on return. The tax may be assessed at
34 any time within six years after the return was filed if:

35 (1) an individual omits from his city adjusted gross income the total
36 taxable amount or ordinary income portion of a lump sum distribution an
37 amount properly includible therein which is in excess of twenty-five
38 percent of the amount of city adjusted gross income or the total taxable
39 amount or ordinary income portion of a lump sum distribution stated in
40 the return, or

41 (2) an estate or trust omits from its city adjusted gross income, or
42 the total taxable amount or ordinary income portion of a lump sum
43 distribution an amount properly includible therein which is in excess of
44 twenty-five percent of the amount stated in the return of city adjusted
45 gross income, or the total taxable amount or ordinary income portion of
46 a lump sum distribution, respectively. For purposes of this paragraph,
47 city adjusted gross income means New York adjusted gross income as
48 determined under paragraph four of subsection (e) of section six hundred
49 one of the tax law.

50 For purposes of this subdivision there shall not be taken into account
51 any amount which is omitted in the return if such amount is disclosed in
52 the return, or in a statement attached to the return, in a manner
53 adequate to apprise the commissioner of the nature and amount of the
54 item of income, the total taxable amount or ordinary income portion of a
55 lump sum distribution.

1 (e) Suspension of running of period of limitation. The running of the
2 period of limitations on assessment or collection of tax or other
3 amount, or of a transferee's liability, shall, after the mailing of a
4 notice of deficiency, be suspended for the period during which the tax
5 commission is prohibited under subdivision (c) of section 11-1781 of
6 this subchapter from making the assessment or from collecting by levy.

7 § 11-1784 Interest on underpayment. (a) General. If any amount of
8 income tax is not paid on or before the last date prescribed in this
9 chapter for payment, interest on such amount at the underpayment rate
10 set by the commissioner of taxation and finance pursuant to section
11 11-1797 of this subchapter, or if no rate is set, at the rate of seven
12 and one-half percent per annum shall be paid for the period from such
13 last date to the date paid, whether or not any extension of time for
14 payment was granted. Interest under this subdivision shall not be paid
15 if the amount thereof is less than one dollar. If the time for filing of
16 a return of tax withheld by an employer is extended, the employer shall
17 pay interest for the period for which the extension is granted and may
18 not charge such interest to the employee.

19 (b) Exception as to estimated tax. This section shall not apply to any
20 failure to pay estimated tax.

21 (c) Exception for mathematical error. No interest shall be imposed on
22 any underpayment of tax due solely to mathematical error if the taxpayer
23 files a return within the time prescribed in this chapter, including any
24 extension of time, and pays the amount of underpayment within three
25 months after the due date of such return, as it may be extended.

26 (d) Suspension of interest on deficiencies. If a waiver of
27 restrictions on assessment of a deficiency has been filed by the taxpay-
28 er, and if notice and demand by the tax commission for payment of such
29 deficiency is not made within thirty days after the filing of such waiv-
30 er, interest shall not be imposed on such deficiency for the period
31 beginning immediately after such thirtieth day and ending with the date
32 of notice and demand.

33 (e) Tax reduced by carryback. If the amount of tax for any taxable
34 year is reduced by reason of a carryback of a net operating loss, such
35 reduction in tax shall not affect the computation of interest under this
36 section for the period ending with the filing date for the taxable year
37 in which the net operating loss arises. Such filing date shall be deter-
38 mined without regard to extensions of time to file.

39 (f) Interest treated as tax. Interest under this section shall be paid
40 upon notice and demand and shall be assessed, collected and paid in the
41 same manner as income tax. Any reference in this chapter to the tax
42 imposed by this chapter shall be deemed also to refer to interest
43 imposed by this section on such tax.

44 (g) Interest on penalties or additions to tax. Interest shall be
45 imposed under subdivision (a) of this section in respect of any assessa-
46 ble penalty or addition to tax only if such assessable penalty or addi-
47 tion to tax is not paid within twenty-one calendar days from the date of
48 the notice and demand therefor under subdivision (b) of section 11-1792
49 of this subchapter, ten business days if the amount for which such
50 notice and demand is made equals or exceeds one hundred thousand
51 dollars, and in such case interest shall be imposed only for the period
52 from such date of the notice and demand to the date of payment.

53 (h) Payment within specified period after notice and demand. If notice
54 and demand is made for payment of any amount under subdivision (b) of
55 section 11-1792 of this subchapter, and if such amount is paid within
56 twenty-one calendar days, ten business days if the amount for which such

1 notice and demand is made equals or exceeds one hundred thousand
2 dollars, after the date of such notice and demand, interest under this
3 section on the amount so paid shall not be imposed for the period after
4 the date of such notice and demand.

5 (i) Limitation on assessment and collection. Interest prescribed under
6 this section may be assessed and collected, at any time during the peri-
7 od within which the tax or other amount to which such interest relates
8 may be assessed and collected, respectively.

9 (j) Interest on erroneous refund. Any portion of tax or other amount
10 which has been erroneously refunded, and which is recoverable by the
11 commissioner of taxation and finance, shall bear interest at the under-
12 payment rate set by such commissioner pursuant to section 11-1797 of
13 this subchapter, or if no rate is set, at the rate of seven and one-half
14 percent per annum from the date of the payment of the refund, but only
15 if it appears that any part of the refund was induced by fraud or a
16 misrepresentation of a material fact.

17 (k) Satisfaction by credits. If any portion of a tax is satisfied by
18 credit of an overpayment, then no interest shall be imposed under this
19 section on the portion of the tax so satisfied for any period during
20 which, if the credit had not been made, interest would have been allow-
21 able with respect to such overpayment.

22 § 11-1785 Additions to tax and civil penalties. (a) (1) Failure to
23 file tax return. (A) In case of failure to file a tax return under this
24 chapter on or before the prescribed date, determined with regard to any
25 extension of time for filing, unless it is shown that such failure is
26 due to reasonable cause and not due to willful neglect, there shall be
27 added to the amount required to be shown as tax on such return five
28 percent of the amount of such tax if the failure is for not more than
29 one month, with an additional five percent for each additional month or
30 fraction thereof during which such failure continues, not exceeding
31 twenty-five percent in the aggregate.

32 (B) In the case of a failure to file a return of tax within sixty days
33 of the date prescribed for filing of such return, determined with regard
34 to any extension of time for filing, unless it is shown that such fail-
35 ure is due to reasonable cause and not due to willful neglect, the addi-
36 tion to tax hereunder shall not be less than the lesser of one hundred
37 dollars or one hundred percent of the amount required to be shown as tax
38 on such return.

39 (C) For purposes of this paragraph, the amount of tax required to be
40 shown on the return shall be reduced by the amount of any part of the
41 tax which is paid on or before the date prescribed for payment of the
42 tax and by the amount of any credit against the tax which may be claimed
43 upon the return.

44 (2) Failure to pay tax shown on return. In case of failure to pay the
45 amounts shown as tax on any return required to be filed under this chap-
46 ter on or before the prescribed date, determined with regard to any
47 extension of time for payment, unless it is shown that such failure is
48 due to reasonable cause and not due to willful neglect, there shall be
49 added to the amount shown as tax on such return one-half of one percent
50 of the amount of such tax if the failure is not for more than one month,
51 with an additional one-half of one percent for each additional month or
52 fraction thereof during which such failure continues, not exceeding
53 twenty-five percent in the aggregate. For the purpose of computing the
54 addition for any month, the amount of tax shown on the return shall be
55 reduced by the amount of any part of the tax which is paid on or before
56 the beginning of such month and by the amount of any credit against the

1 tax which may be claimed upon the return. If the amount of tax required
2 to be shown on a return is less than the amount shown as tax on such
3 return, this paragraph shall be applied by substituting such lower
4 amount.

5 (3) Failure to pay tax required to be shown on return. In case of
6 failure to pay any amount in respect of any tax required to be shown on
7 a return required to be filed under this chapter which is not so shown,
8 including an assessment made pursuant to subdivision (a) of section
9 11-1782 of this subchapter, within twenty-one calendar days of the date
10 of a notice and demand therefor, ten business days if the amount for
11 which such notice and demand is made equals or exceeds one hundred thou-
12 sand dollars, unless it is shown that such failure is due to reasonable
13 cause and not due to willful neglect, there shall be added to the amount
14 of tax stated in such notice and demand one-half of one percent of such
15 tax if the failure is not for more than one month, with an additional
16 one-half of one percent for each additional month or fraction thereof
17 during which such failure continues, not exceeding twenty-five percent
18 in the aggregate. For the purpose of computing the addition for any
19 month, the amount of tax stated in the notice and demand shall be
20 reduced by the amount of any part of the tax which is paid before the
21 beginning of such month.

22 (4) Limitations on additions. (A) With respect to any return, the
23 amount of the addition under paragraph one of this subdivision shall be
24 reduced by the amount of the addition under paragraph two of this subdivi-
25 sion for any month to which an addition applies under both paragraphs
26 one and two of this subdivision. In any case described in subparagraph
27 (B) of such paragraph one of this subdivision, the amount of the addi-
28 tion under such paragraph one shall not be reduced below the amount
29 provided in such subparagraph.

30 (B) With respect to any return, the maximum amount of the addition
31 permitted under paragraph three of this subdivision shall be reduced by
32 the amount of the addition under paragraph one of this subdivision,
33 determined without regard to subparagraph (B) of such paragraph, which
34 is attributable to the tax for which the notice and demand is made and
35 which is not paid within ten days of such notice and demand.

36 (b) Deficiency due to negligence. (1) If any part of a deficiency is
37 due to negligence or intentional disregard of this chapter or rules or
38 regulations established pursuant to such chapter, but without intent to
39 defraud, there shall be added to the tax an amount equal to five percent
40 of the deficiency.

41 (2) There shall be added to the tax, in addition to the amount deter-
42 mined under paragraph one of this subdivision, an amount equal to fifty
43 percent of the interest payable under section 11-1784 of this subchapter
44 with respect to the portion of the underpayment described in such para-
45 graph one which is attributable to the negligence or intentional disre-
46 gard referred to in such paragraph, for the period beginning on the last
47 date prescribed by law for payment of such underpayment, determined
48 without regard to any extension, and ending on the date of the assess-
49 ment of the tax, or, if earlier, the date of the payment of the tax.

50 (3) If any payment is shown on a return made by a payor with respect
51 to dividends, patronage dividends and interest under subsection (a) of
52 section six thousand forty-two, subsection (a) of section six thousand
53 forty-four or subsection (a) of section six thousand forty-nine of the
54 internal revenue code, respectively, and the payee fails to include any
55 portion of such payment in city adjusted gross income, any portion of an
56 underpayment attributable to such failure shall be treated, for purposes

1 of this subdivision, as due to negligence in the absence of clear and
2 convincing evidence to the contrary. If any penalty is imposed under
3 this subdivision by reason of this paragraph, the amount of the penalty
4 imposed by paragraph one of this subdivision shall be five percent of
5 the portion of the underpayment which is attributable to the failure
6 described in this paragraph.

7 (c) Failure by individual to pay estimated income tax. (1) Addition
8 to the tax. Except as otherwise provided in this subdivision and subdivi-
9 sion (d) of this section, in the case of any underpayment of estimated
10 tax by an individual, there shall be added to the tax under this chapter
11 for the taxable year an amount determined by applying the underpayment
12 rate established under section 11-1797 of this subchapter, or if no rate
13 is set, at the rate of seven and one-half percent per annum, to the
14 amount of the underpayment for the period of the underpayment. Such
15 period shall run from the due date for the required installment to the
16 earlier of the fifteenth day of the fourth month following the close of
17 the taxable year or, with respect to any portion of the underpayment,
18 the date on which such portion is paid. For purposes of determining such
19 date, a payment of estimated tax shall be credited against unpaid
20 required installments in the order in which such installments are
21 required to be paid. There shall be four required installments for each
22 taxable year, due on April fifteenth, June fifteenth and September
23 fifteenth of such taxable year and on January fifteenth of the following
24 taxable year.

25 (2) Amount of underpayment. For purposes of paragraph one of this
26 subdivision, the amount of the underpayment shall be the excess of the
27 required installment over the amount, if any, of the installment paid on
28 or before the due date for the installment.

29 (3) Required installment. (A) Except as provided in paragraph four of
30 this subdivision, the amount of any required installment shall be twen-
31 ty-five percent of the required annual payment.

32 (B) The required annual payment is the lesser of

33 (i) ninety percent of the tax shown on the return for the taxable
34 year, or, if no return is filed, ninety percent of the tax for such
35 year, or

36 (ii) one hundred percent of the tax shown on the return of the indi-
37 vidual for the preceding taxable year. Provided, however, that the tax
38 shown on such return for taxable years beginning in two thousand eight
39 shall be calculated as if paragraph three of subdivision (f) of section
40 11-1715 of this chapter was in effect for taxable years beginning in two
41 thousand eight. Provided, however, that the tax shown on such return for
42 taxable years beginning in two thousand nine shall be calculated as if
43 paragraph two of subdivision (g) of section 11-1715 of this chapter was
44 in effect for taxable years beginning in two thousand nine.

45 Clause (ii) of this subparagraph shall not apply if the preceding
46 taxable year was not a taxable year of twelve months or if the individ-
47 ual did not file a return for such preceding taxable year.

48 (C) Limitation on use of preceding year's tax.

49 (i) General. If the city adjusted gross income shown on the return of
50 the individual for the preceding taxable year exceeds one hundred fifty
51 thousand dollars, clause (ii) of subparagraph (B) of this paragraph
52 shall be applied by substituting "one hundred ten percent" for "one
53 hundred percent".

54 (ii) Separate returns. In the case of a husband and wife who file
55 separate returns pursuant to subdivision (b) of section 11-1751 of this
56 chapter for the taxable year for which the amount of the installment is

1 being determined, clause (i) of this subparagraph shall be applied by
2 substituting "seventy-five thousand dollars" for "one hundred fifty
3 thousand dollars".

4 (4) Annualized income installment. (A) In general. In the case of
5 any required installment, if the individual establishes that the annual-
6 ized income installment determined under subparagraph (B) of this para-
7 graph is less than the amount determined under paragraph three of this
8 subdivision, the annualized income installment shall be the required
9 installment. Any reduction in a required installment resulting from the
10 application of this subparagraph shall be recaptured by increasing the
11 amount of the next required installment determined under paragraph three
12 of this subdivision by the amount of such reduction, and by increasing
13 successive required installments as necessary to effect full recapture.

14 (B) Determination of annualized income installment. In the case of
15 any required installment, the annualized income installment is the
16 excess, if any, of an amount equal to the applicable percentage of the
17 tax for the taxable year computed by placing on an annualized basis the
18 taxable income for months in the taxable year ending before the due date
19 for the installment, over the aggregate amount of any prior required
20 installments for the taxable year. The applicable percentage of the tax
21 shall be twenty-two and one-half percent in the case of the first
22 installment, forty-five percent in the case of the second installment,
23 sixty-seven and one-half percent in the case of the third installment
24 and ninety percent in the case of the fourth installment, and shall be
25 computed without regard to any increase in the rates applicable to the
26 taxable year unless such increase was enacted at least thirty days prior
27 to the due date of the installment.

28 (5) Definitions and special rules. (A) Definition of the term tax
29 and application of credits against tax. For purposes of this subdivi-
30 sion and subdivision (d) of this section, the term "tax" means the tax
31 imposed under this chapter minus the credits against tax allowed under
32 this chapter, other than the credit under section 11-1773 of this chap-
33 ter, relating to tax withheld on wages. The credit allowed under
34 section 11-1773 of this chapter for the taxable year shall be deemed a
35 payment of estimated tax, and an equal part of such amount shall be
36 deemed paid on each installment due date for such taxable year, unless
37 the taxpayer establishes the dates on which all amounts were actually
38 withheld, in which case the amounts so withheld shall be deemed payments
39 of estimated tax on the dates on which such amounts were actually with-
40 held.

41 (B) Special rule where return filed on or before January thirty-first.
42 If, on or before January thirty-first of the following taxable year,
43 the taxpayer files a return for the taxable year and pays in full the
44 amount computed on the return as payable, then no addition to tax shall
45 be imposed under paragraph one of this subdivision with respect to any
46 underpayment of the fourth required installment for the taxable year.

47 (C) Special rules for farmers and fishermen. For purposes of this
48 subdivision, if an individual is a farmer or fisherman for any taxable
49 year there shall be only one required installment for the taxable year,
50 due on January fifteenth of the following taxable year in an amount
51 equal to the required annual payment determined under paragraph three of
52 this subdivision by substituting sixty-six and two-thirds percent for
53 ninety percent and without regard to subparagraph (C) of paragraph three
54 of this subdivision. Subparagraph (B) of this paragraph shall be applied
55 by substituting March first for January thirty-first and by treating the
56 required installment under this subparagraph as the fourth required

1 installment. An individual is a farmer or fisherman for any taxable year
2 if the individual's federal gross income from farming or fishing,
3 including oyster farming, for the taxable year is at least two-thirds of
4 the total federal gross income from all sources for the taxable year or
5 if such individual's federal gross income from farming or fishing,
6 including oyster farming, shown on the return of the individual for the
7 preceding taxable year is at least two-thirds of the total federal gross
8 income from all sources shown on such return.

9 (D) Fiscal years. In applying this subdivision to a taxable year
10 beginning on any date other than January first, there shall be substi-
11 tuted, for the months specified in this subdivision, the months which
12 correspond thereto.

13 (E) Short taxable year. This subdivision shall be applied to taxable
14 years of less than twelve months in accordance with regulations
15 prescribed by the tax commission.

16 (F) Joint estimated tax of husband and wife. A husband and wife may
17 make the required annual payment determined under paragraph three of
18 this subdivision as if they were one taxpayer, in which case the liabil-
19 ity under paragraph one of this subdivision with respect to the esti-
20 mated tax shall be joint and several. No such joint payment may be made
21 if husband and wife are separated under a decree of divorce or separate
22 maintenance, or if they have different taxable years. If a joint
23 payment is made but husband and wife determine their taxes under this
24 chapter separately, the estimated tax for such year may be treated as
25 the estimated tax of either husband or wife, or may be divided between
26 them, as they may elect.

27 (6) Trusts and certain estates. (A) General. This subdivision shall
28 apply to any trust or estate except as provided in subparagraphs (B) and
29 (C) of this paragraph.

30 (B) Exception for estates and certain trusts. This subdivision shall
31 not apply with respect to any taxable year ending before the date two
32 years after the date of the decedent's death to (i) the estate of such
33 decedent or (ii) any trust all of which was treated, under subpart E of
34 part I of subchapter J of chapter one of the internal revenue code, as
35 owned by the decedent and to which the residue of the decedent's estate
36 will pass under his will, or, if no will is admitted to probate, which
37 is the trust primarily responsible for paying debts, taxes and expenses
38 of administration.

39 (C) Special rule for annualizations. In the case of any estate or
40 trust, subparagraph (B) of paragraph four of this subdivision shall be
41 applied by substituting "ending before the date one month before the due
42 date for the installment" for "ending before the due date for the
43 installment".

44 (D) In the case of a trust, the trustee may elect to treat any portion
45 of a payment of estimated tax made by such trust for any taxable year of
46 the trust as a payment made by a beneficiary of such trust. Any amount
47 so treated shall be treated as paid or credited to the beneficiary on
48 the last day of such taxable year, and for purposes of this subdivision,
49 the amount so treated shall not be treated as a payment of estimated tax
50 made by the trust, but shall be treated as a payment of estimated tax
51 made by such beneficiary on the January fifteenth following the end of
52 the trust's taxable year.

53 (E) An election under subparagraph (D) of this paragraph shall be made
54 on or before the sixty-fifth day after the close of the taxable year and
55 in such manner as the commissioner of taxation and finance may
56 prescribe.

1 (F) Extension to last year of estate. In the case of a taxable year
2 reasonably expected to be the last taxable year of an estate, any refer-
3 ence in subparagraph (D) of this paragraph to a trust shall be treated
4 as including a reference to an estate, and the fiduciary of the estate
5 shall be treated as the trustee.

6 (d) Exceptions to addition to tax for failure to pay estimated income
7 tax.

8 (1) Where tax is small amount. No addition to tax shall be imposed
9 under subdivision (c) of this section for any taxable year if the tax
10 shown on the return for such taxable year, or, if no return is filed,
11 the tax, reduced by the credit allowable under section 11-1773 of this
12 chapter, is less than one hundred dollars.

13 (2) Where no tax liability for preceding taxable year. No addition to
14 tax shall be imposed under subdivision (c) of this section for any taxa-
15 ble year if the preceding taxable year was a taxable year of twelve
16 months, the individual did not have any liability for tax under this
17 chapter for the preceding taxable year and throughout the preceding
18 taxable year the individual was a resident of this city or a nonresident
19 who had city adjusted gross income.

20 (3) Installment due on or after individual's death. No addition to
21 tax shall be imposed under subdivision (c) of this section with respect
22 to any installment due on or after the individual's death.

23 (4) Waiver in certain cases. (A) In general. No addition to tax
24 shall be imposed under subdivision (c) of this section with respect to
25 any underpayment to the extent the tax commission determines that by
26 reason of casualty, disaster or other unusual circumstances the imposi-
27 tion of such addition to tax would be against equity and good
28 conscience.

29 (B) Newly retired or disabled individuals. No addition to tax shall
30 be imposed under subdivision (c) of this section with respect to any
31 underpayment if the tax commission determines that in the taxable year
32 for which estimated payments were required to be made or in the taxable
33 year preceding such taxable year the taxpayer retired after having
34 attained age sixty-two or became disabled, and that such underpayment
35 was due to reasonable cause and not to willful neglect.

36 (e) Deficiency due to fraud. (1) If any part of a deficiency is due
37 to fraud, there shall be added to the tax an amount equal to fifty
38 percent of the deficiency.

39 (2) There shall be added to the tax, in addition to the amount deter-
40 mined under paragraph one of this subdivision, an amount equal to fifty
41 percent of the interest payable under section 11-1784 of this subchapter
42 with respect to the portion of the underpayment described in such para-
43 graph one which is attributable to fraud, for the period beginning on
44 the last day prescribed by law for payment of such underpayment, deter-
45 mined without regard to any extension, and ending on the date of the
46 assessment of the tax, or, if earlier, the date of the payment of the
47 tax.

48 (3) The addition to tax under this subdivision shall be in lieu of any
49 other addition to tax imposed by subdivision (a) or (b) of this section.

50 (4) In the case of a joint return under section 11-1751 of this chap-
51 ter, this subdivision shall not apply with respect to the tax of a
52 spouse unless some part of the underpayment is due to the fraud of such
53 spouse.

54 (f) Non-willful failure to pay withholding tax. If any employer,
55 without intent to evade or defeat any tax imposed by this chapter or the
56 payment thereof, shall fail to make a return and pay a tax withheld by

1 him or her at the time required by or under the provisions of section
2 11-1774 of this chapter, such employer shall be liable for such tax and
3 shall pay the same together with interest thereon and the addition to
4 tax provided in subdivision (a) of this section, and such interest and
5 addition to tax shall not be charged to or collected from the employee
6 by the employer. The tax commission shall have the same rights and
7 powers for the collection of such tax, interest and addition to tax
8 against such employer as are now prescribed by this chapter for the
9 collection of tax against an individual taxpayer.

10 (g) Willful failure to collect and pay over tax. Any person required
11 to collect, truthfully account for, and pay over the tax imposed by this
12 chapter who willfully fails to collect such tax or truthfully account
13 for and pay over such tax or willfully attempts in any manner to evade
14 or defeat the tax or the payment thereof, shall, in addition to other
15 penalties provided by law, be liable to a penalty equal to the total
16 amount of the tax evaded, or not collected, or not accounted for and
17 paid over. No addition to tax under subdivision (b) or (e) of this
18 section shall be imposed for any offense to which this subdivision
19 applies. The tax commission shall have the power, in its discretion, to
20 waive, reduce or compromise any penalty under this subdivision.

21 (h) Failure to file certain information returns. (1) Except as other-
22 wise provided in this paragraph, in case of each failure to file a
23 statement of a payment to another person, required under authority of
24 subdivision (d) of section 11-1758 of this chapter, relating to informa-
25 tion at source, including the duplicate statement of tax withheld on
26 wages, on the date prescribed therefor, determined with regard to any
27 extension of time for filing, unless it is shown that such failure is
28 due to reasonable cause and not to willful neglect, there shall, upon
29 notice and demand by the tax commission and in the same manner as tax,
30 be paid by the person so failing to file the statement, a penalty of
31 fifty dollars for each statement not so filed, but the total amount
32 imposed on the delinquent person for all such failures during any calen-
33 dar year shall not exceed ten thousand dollars.

34 (2) If any partnership or S corporation required to file a return or
35 report under subdivision (c) of section 11-1758 of this chapter or under
36 section 11-1759 of this chapter for any taxable year fails to file such
37 return or report at the time prescribed therefor, determined with regard
38 to any extension of time for filing, or files a return or report which
39 fails to show the information required under such subdivision (c) or
40 section 11-1759 of this chapter, unless it is shown that such failure is
41 due to reasonable cause and not due to willful neglect, there shall,
42 upon notice and demand by the commissioner and in the same manner as
43 tax, be paid by the partnership or S corporation a penalty for each
44 month, or fraction thereof, during which such failure continues, but not
45 to exceed five months. The amount of such penalty for any month is the
46 product of fifty dollars, multiplied by the number of partners in the
47 partnership or shareholders in the S corporation during any part of the
48 taxable year who were subject to tax under this chapter during any part
49 of such taxable year.

50 (i) Additional penalty. Any person who with fraudulent intent shall
51 fail to pay, or to deduct or withhold and pay, any tax, or to make,
52 render, sign or certify any return, or to supply any information within
53 the time required by or under this chapter, shall be liable to penalty
54 of not more than one thousand dollars, in addition to any other amounts
55 required under this chapter, to be imposed, assessed and collected by
56 the tax commission. The tax commission shall have the power, in its

1 discretion, to waive, reduce or compromise any penalty under this subdi-
2 vision.

3 (j) Fraudulent statement or failure to furnish statement to employee.
4 In addition to any criminal penalties provided by law, any person
5 required under the provisions of section 11-1772 of this chapter to
6 furnish a statement to an employee, who willfully furnishes a false or
7 fraudulent statement, or who willfully fails to furnish a statement in
8 the manner, at the time, and showing the information required under
9 section 11-1772 of this chapter, or regulations prescribed thereunder,
10 shall for each such failure be subject to a penalty under this chapter
11 of fifty dollars.

12 (k) Failure to supply identifying numbers. If any person who is
13 required by regulations prescribed under subdivision (b) of section
14 11-1758 of this chapter:

15 (1) to include his or her identifying number in any return, state-
16 ment, or other document;

17 (2) to furnish his or her identifying number to another person; or
18 (3) to include in any return, statement or other document made with
19 respect to another person the identifying number of such other person,
20 fails to comply with such requirement at the time prescribed by such
21 regulations, such person shall, unless it is shown that such failure is
22 due to reasonable cause and not due to willful neglect, pay a penalty of
23 five dollars for each such failure described in paragraph one of this
24 subdivision and fifty dollars for each such failure described in para-
25 graph two of this subdivision, and this paragraph, except that the total
26 amount imposed on such person for all such failures during any calendar
27 year shall not exceed ten thousand dollars; except that for failure to
28 include his or her own identification number in any return, statement or
29 other document, such penalty shall not be imposed unless such person
30 shall have failed to supply his or her identification number to the tax
31 commission within thirty days after demand therefor.

32 (1) Additions treated as tax. The additions to tax and penalties
33 provided by this section shall be paid upon notice and demand and shall
34 be assessed, collected and paid in the same manner as taxes, and any
35 reference in this chapter to income tax or tax imposed by this chapter,
36 shall be deemed also to refer to the additions to tax and penalties
37 provided by this section. For purposes of section 11-1781 of this
38 subchapter, this subdivision shall not apply to:

39 (1) any addition to tax under subdivision (a) of this section except
40 as to that portion attributable to a deficiency;

41 (2) any addition to tax under subdivision (c) of this section;

42 (3) any penalty under subdivision (h) of this section and any addi-
43 tional penalty under subdivision (i) of this section; and

44 (4) any penalties under subdivisions (j), (k), (q), (r), (s) and (t)
45 of this section.

46 (m) Determination of deficiency. For purposes of subdivisions (b) and
47 (e) of this section, the amount shown as the tax by the taxpayer upon
48 his or her return shall be taken into account in determining the amount
49 of the deficiency only if such return was filed on or before the last
50 day prescribed for the filing of such return, determined with regard to
51 any extension of time for such filing.

52 (n) Person defined. For purposes of subdivisions (g), (i), (o), (q)
53 and (r) of this section, the term person includes an individual, corpo-
54 ration, partnership or limited liability company or an officer or
55 employee of any corporation, including a dissolved corporation, or a
56 member or employee of any partnership, or a member, manager or employee

1 of a limited liability company, who as such officer, employee, manager
2 or member is under a duty to perform the act in respect of which the
3 violation occurs.

4 (o) Failure to make deposits of taxes. In case of failure by any
5 person required by this chapter, or by regulations of the tax commission
6 under this chapter, to deposit on the date prescribed therefor any
7 amount of tax imposed by this chapter in a depository authorized pursu-
8 ant to subdivision (a) of section 11-1792 of this subchapter to receive
9 such deposits, unless it is shown that such failure is due to reasonable
10 cause and not due to willful neglect, there shall be imposed on such
11 person a penalty of five percent of the amount of the underpayment. For
12 purposes of this subdivision the term "underpayment" means the excess of
13 the amount of the tax required to be so deposited over the amount, if
14 any, thereof, deposited on or before the date prescribed therefor.

15 (p) Substantial understatement of liability. If there is a substantial
16 understatement of income tax for any taxable year, there shall be added
17 to the tax an amount equal to ten percent of the amount of any underpay-
18 ment attributable to such understatement. For purposes of this subdivi-
19 sion, there is a substantial understatement of income tax for any taxa-
20 ble year if the amount of the understatement for the taxable year
21 exceeds the greater of ten percent of the tax required to be shown on
22 the return for the taxable year, or two thousand dollars. For purposes
23 of this subdivision, the term "understatement" means the excess of the
24 amount of the tax required to be shown on the return for the taxable
25 year, over the amount of the tax imposed which is shown on the return
26 reduced by any rebate, within the meaning of subdivision (g) of section
27 11-1781 of this subchapter. The amount of such understatement shall be
28 reduced by that portion of the understatement which is attributable to
29 the tax treatment of any item by the taxpayer if there is or was
30 substantial authority for such treatment, or any item with respect to
31 which the relevant facts affecting the item's tax treatment are
32 adequately disclosed in the return or in a statement attached to the
33 return. The tax commission may waive all or any part of the addition to
34 tax provided by this subdivision on a showing by the taxpayer that there
35 was reasonable cause for the understatement, or part thereof, and that
36 the taxpayer acted in good faith.

37 (q) Frivolous tax returns. If any individual files what purports to
38 be a return of any tax imposed by this chapter but which does not
39 contain information on which the substantial correctness of the self-as-
40 sessment may be judged, or contains information that on its face indi-
41 cates that the self-assessment is substantially incorrect; and such
42 conduct is due to a position which is frivolous, or an intent, which
43 appears on the purported return, to delay or impede the administration
44 of this chapter, then such individual shall pay a penalty not exceeding
45 five hundred dollars. This penalty shall be in addition to any other
46 penalty provided by law.

47 (r) Aiding or assisting in the giving of fraudulent returns, reports,
48 statements or other documents. (1) Any person who, with the intent that
49 tax be evaded, shall, for a fee or other compensation or as an incident
50 to the performance of other services for which such person receives
51 compensation, aid or assist in, or procure, counsel, or advise the prep-
52 aration or presentation under, or in connection with any matter arising
53 under this chapter of any return, report, declaration, statement or
54 other document which is fraudulent or false as to any material matter,
55 or supply any false or fraudulent information, whether or not such
56 falsity of fraud is with the knowledge or consent of the person author-

1 ized or required to present such return, report, declaration, statement
2 or other document shall pay a penalty not exceeding one thousand
3 dollars.

4 (2) For purposes of paragraph one of this subdivision, the term
5 "procures" includes ordering, or otherwise causing, a subordinate to do
6 an act, and knowing of, and not attempting to prevent, participation by
7 a subordinate in an act. The term "subordinate" means any other person,
8 whether or not a director, officer, employee, or agent of the taxpayer
9 involved, over whose activities the person has direction, supervision or
10 control.

11 (3) For purposes of paragraph one of this subdivision, a person
12 furnishing typing, reproducing, or other mechanical assistance with
13 respect to a document shall not be treated as having aided or assisted
14 in the preparation of such document by reason of such assistance.

15 (4) The penalty imposed by this subdivision shall be in addition to
16 any other penalty provided by law.

17 (s) False information with respect to withholding. In addition to any
18 criminal penalty provided by law, if any individual makes a statement
19 under section 11-1771 of this chapter which results in a decrease in the
20 amounts deducted and withheld under this chapter, and as of the time
21 such statement was made, there was no reasonable basis for such state-
22 ment, such individual shall pay a penalty of five hundred dollars for
23 such statement. The tax commission shall waive the penalty imposed
24 under this subdivision if the taxes imposed with respect to the individ-
25 ual under this chapter for the taxable year are equal to or less than
26 the sum of the credits against such taxes allowed by this chapter, and
27 the payments of estimated tax which are considered payments on account
28 of such taxes.

29 (t) Failure of tax return preparer to conform to certain requirements.

30 (1) Failure to sign return or claim for refund. Any individual who is a
31 tax return preparer with respect to any return or claim for refund, who
32 is required pursuant to paragraph one of subdivision (g) of section
33 11-1758 of this chapter to sign such return or claim for refund, and who
34 fails to comply with such requirement with respect to such return or
35 claim for refund, shall be subject to a penalty of fifty dollars for
36 each such failure, unless it is shown that such failure is due to
37 reasonable cause and not due to willful neglect. The maximum penalty
38 imposed under this paragraph on any person with respect to returns or
39 claims for refund filed during any calendar year shall not exceed twenty-
40 five thousand dollars.

41 (2) Failure to furnish identifying number. If any identifying number
42 required to be included on any return or claim for refund pursuant to
43 paragraph two of subdivision (g) of section 11-1758 of this chapter is
44 not so included, the person who is the tax return preparer with respect
45 to such return or claim for refund shall be subject to a penalty of
46 fifty dollars with respect to such return or claim for refund unless it
47 is shown that such failure is due to reasonable cause and not willful
48 neglect. For purposes of this paragraph, where an employer and one or
49 more employees of such employer are tax return preparers with respect to
50 the same return or claim for refund or where a partnership and one or
51 more partners in such partnership are tax return preparers with respect
52 to the same return or claim for refund, such employer or such partner-
53 ship shall be deemed to be the sole tax return preparer with respect to
54 such return or claim for refund. The maximum penalty imposed under this
55 paragraph on any person with respect to returns or claims for refund

1 filed during any calendar year shall not exceed twenty-five thousand
2 dollars.

3 (3) Failure to furnish copy to taxpayer. Any person who is a tax
4 return preparer with respect to any return or claim for refund, who is
5 required under paragraph three of subdivision (g) of section 11-1758 of
6 this chapter to furnish a copy of such return or claim for refund to the
7 taxpayer, and who fails to comply with such provision with respect to
8 such return or claim for refund shall be subject to a penalty of fifty
9 dollars for each such failure, unless it is shown that such failure is
10 due to reasonable cause and not due to willful neglect. The maximum
11 penalty imposed under this paragraph on any person with respect to
12 returns or claims for refund filed during any calendar year shall not
13 exceed twenty-five thousand dollars.

14 (4) Failure to retain copy or list. Any person who is a tax return
15 preparer with respect to any return or claim for refund, who is required
16 under paragraph four of subdivision (g) of section 11-1758 of this chap-
17 ter to: (i) retain a copy of such return or claim for refund or retain
18 on a list the name and taxpayer identifying number of the taxpayer for
19 whom such return or claim for refund was prepared and (ii) make such
20 copy or list available for inspection upon request by the commissioner
21 of taxation and finance, and who fails to comply with the retention
22 requirement or who complies with the retention requirement but fails to
23 comply with such request by the commissioner, shall be subject to a
24 penalty of fifty dollars for each such failure, unless it is shown that
25 such failure is due to reasonable cause and not due to willful neglect.
26 The maximum penalty imposed under this paragraph on any person with
27 respect to any calendar year shall not exceed twenty-five thousand
28 dollars.

29 (5) Failure to electronically file. If a tax return preparer is
30 required to file returns electronically pursuant to paragraph ten of
31 subdivision (g) of section 11-1758 of this chapter, and such preparer
32 fails to file one or more of such returns electronically, then such
33 preparer shall be subject to a penalty of fifty dollars for each such
34 failure to electronically file a return, unless it is shown that such
35 failure is due to reasonable cause and not due to willful neglect. For
36 purposes of this paragraph, reasonable cause shall include, but not be
37 limited to, a taxpayer's election not to electronically file his or her
38 return.

39 § 11-1786 Overpayment. (a) General. The state commissioner of taxa-
40 tion and finance, within the applicable period of limitations, may cred-
41 it an overpayment of income tax and interest on such overpayment against
42 any liability in respect of any tax imposed by this chapter or by chap-
43 ter nineteen of this title on the person who made the overpayment or any
44 other tax imposed on such person pursuant to the authority of the tax
45 law or any other law if such tax is administered by the state commis-
46 sioner of taxation and finance, against any liability in respect of any
47 tax imposed on such person by the tax law and, as provided in sections
48 one hundred seventy-one-c, one hundred seventy-one-d, one hundred seven-
49 ty-one-e, one hundred seventy-one-f and one hundred seventy-one-l of the
50 tax law, against past-due support, against a past-due legally enforcea-
51 ble debt, against a city of New York tax warrant judgment debt and
52 against the amount of a default in repayment of a guaranteed student,
53 state university or city university loan. The balance shall be refunded
54 by the state comptroller out of the proceeds of the tax retained by him
55 or her for such general purpose. Any refund under this section shall be
56 made only upon the filing of a return and upon a certificate of the

1 state commissioner of taxation and finance approved by the state comp-
2 troller. The state comptroller, as a condition precedent to the approval
3 of such a certificate, may examine into the facts as disclosed by the
4 return of the person who made the overpayment and other information and
5 data available in the files of the state commissioner of taxation and
6 finance.

7 (b) Excessive withholding. If the amount allowable as a credit for
8 tax withheld from the taxpayer exceeds his or her tax to which the cred-
9 it relates, the excess shall be considered an overpayment.

10 (c) Overpayment by employer. If there has been an overpayment of tax
11 required to be deducted and withheld under section 11-1771 of this chap-
12 ter, refund shall be made to the employer only to the extent that the
13 amount of the overpayment was not deducted and withheld by the employer.

14 (d) Overpayment by a deceased person. Notwithstanding section thir-
15 teen hundred ten of the surrogate's court procedure act, any overpayment
16 by a decedent not in excess of one thousand dollars may be refunded to
17 the decedent's surviving spouse unless the return for the decedent was
18 filed by his or her executor or administrator.

19 (e) Credits against estimated tax. The commissioner of taxation and
20 finance may prescribe regulations providing for the crediting against
21 the estimated income tax for any taxable year of the amount determined
22 to be an overpayment of the income tax for a preceding taxable year. If
23 any overpayment of income tax is so claimed as a credit against esti-
24 mated tax for the succeeding taxable year, such amount shall be consid-
25 ered as a payment of the income tax for the succeeding taxable year, and
26 no claim for credit or refund of such overpayment shall be allowed for
27 the taxable year for which the overpayment arises, except upon request
28 to the commissioner of taxation and finance on or before the last day
29 prescribed for the filing of the return for the succeeding taxable year,
30 determined with regard to any extension of time granted. If good cause
31 is shown for reversing the credit, the commissioner of taxation and
32 finance may, in his or her discretion, credit the overpayment against a
33 liability or refund the overpayment without interest. Provided, the
34 person who made the overpayment will not be relieved of liability for
35 any penalty imposed for a consequent underpayment of estimated tax for
36 the succeeding taxable year. The decision of the commissioner of taxa-
37 tion and finance to grant or deny the request is final and not subject
38 to further administrative or judicial review.

39 (f) Rule where no tax liability. If there is no tax liability for a
40 period in respect of which an amount is paid as income tax, such amount
41 shall be considered an overpayment.

42 (g) Assessment and collection after limitation period. If any amount
43 of income tax is assessed or collected after the expiration of the peri-
44 od of limitations properly applicable thereto, such amount shall be
45 considered an overpayment.

46 (h) Cross reference. For provision barring application of article
47 fifty-two of the civil practice law and rules to any amount to be
48 refunded or credited to a taxpayer, see section seven of the tax law.

49 § 11-1787 Limitations on credit or refund. (a) General. Claim for
50 credit or refund of an overpayment of income tax shall be filed by the
51 taxpayer within three years from the time the return was filed or two
52 years from the time the tax was paid, whichever of such periods expires
53 the later, or if no return was filed, within two years from the time the
54 tax was paid. If the claim is filed within the three year period, the
55 amount of the credit or refund shall not exceed the portion of the tax
56 paid within the three years immediately preceding the filing of the

1 claim plus the period of any extension of time for filing the return.
2 If the claim is not filed within the three year period, but is filed
3 within the two year period, the amount of the credit or refund shall not
4 exceed the portion of the tax paid during the two years immediately
5 preceding the filing of the claim. Except as otherwise provided in this
6 section, if no claim is filed, the amount of a credit or refund shall
7 not exceed the amount which would be allowable if a claim had been filed
8 on the date the credit or refund is allowed.

9 (b) Extension of time by agreement. If an agreement under the
10 provisions of paragraph two of subdivision (c) of section 11-1783 of
11 this subchapter, extending the period for assessment of income tax, is
12 made within the period prescribed in subdivision (a) of this section
13 for the filing of a claim for credit or refund, the period for filing a
14 claim for credit or refund, or for making credit or refund if no claim
15 is filed, shall not expire prior to six months after the expiration of
16 the period within which an assessment may be made pursuant to the agree-
17 ment or any extension thereof. The amount of such credit or refund
18 shall not exceed the portion of the tax paid after the execution of the
19 agreement and before the filing of the claim or the making of the credit
20 or refund, as the case may be, plus the portion of the tax paid within
21 the period which would be applicable under subdivision (a) of this
22 section if a claim had been filed on the date the agreement was
23 executed.

24 (c) Notice of federal change or correction. A claim for credit or
25 refund of any overpayment of tax attributable to a federal change or
26 correction required to be reported pursuant to section 11-1759 of this
27 chapter shall be filed by the taxpayer within two years from the time
28 the notice of such change or correction or such amended return was
29 required to be filed with the commissioner of taxation and finance. If
30 the report or amended return required by section 11-1759 of this chapter
31 is not filed within the ninety day period therein specified, no interest
32 shall be payable on any claim for credit or refund of the overpayment
33 attributable to the federal change or correction. The amount of such
34 credit or refund shall not exceed the amount of the reduction in tax
35 attributable to such federal change, correction or items amended on the
36 taxpayer's amended federal income tax return. This subdivision shall
37 not affect the time within which or the amount for which a claim for
38 credit or refund may be filed apart from this subdivision.

39 (d) Overpayment attributable to net operating loss carryback. A claim
40 for credit or refund of so much of an overpayment as is attributable to
41 the application to the taxpayer of a net operating loss carryback shall
42 be filed within three years from the time the return was due, including
43 extensions thereof, for the taxable year of the loss, or within the
44 period prescribed in subdivision (b) of this section in respect of such
45 taxable year, or within the period prescribed in subdivision (c) of this
46 section, where applicable, in respect of the taxable year to which the
47 net operating loss is carried back, whichever expires the latest.

48 (e) Failure to file claim within prescribed period. No credit or
49 refund shall be allowed or made, except as provided in subdivision (f)
50 of this section or subdivision (d) of section 11-1790 of this subchap-
51 ter, after the expiration of the applicable period of limitation speci-
52 fied in this chapter, unless a claim for credit or refund is filed by
53 the taxpayer within such period. Any later credit shall be void and any
54 later refund erroneous. No period of limitations specified in any other
55 law shall apply to the recovery by a taxpayer of moneys paid in respect
56 of taxes under this chapter.

1 (f) Effect of petition to tax commission. If a notice of deficiency
2 for a taxable year has been mailed to the taxpayer under section 11-1781
3 of this subchapter and if the taxpayer files a timely petition with the
4 tax commission under section 11-1789 of this subchapter, it may deter-
5 mine that the taxpayer has made an overpayment for such year, whether or
6 not it also determines a deficiency for such a year. No separate claim
7 for credit or refund for such year shall be filed, and no credit or
8 refund for such year shall be allowed or made, except:

9 (1) as to overpayments determined by a decision of the tax commission
10 which has become final; and

11 (2) as to any amount collected in excess of an amount computed in
12 accordance with the decision of the tax commission which has become
13 final; and

14 (3) as to any amount collected after the period of limitation upon the
15 making of levy for collection has expired; and

16 (4) as to any amount claimed as a result of a change or correction
17 described in subdivision (c) of this section.

18 (g) Limit on amount of credit or refund. The amount of overpayment
19 determined under subdivision (f) of this section shall, when the deci-
20 sion of the tax commission has become final, be credited or refunded in
21 accordance with subdivision (a) of section 11-1786 of this subchapter
22 and shall not exceed the amount of tax which the tax commission deter-
23 mines as part of its decision was paid:

24 (1) after the mailing of the notice of deficiency, or

25 (2) within the period which would be applicable under subdivision (a),
26 (b) or (c) of this section, if on the date of the mailing of the notice
27 of deficiency a claim had been filed, whether or not filed, stating the
28 grounds upon which the tax commission finds that there is an overpay-
29 ment.

30 (h) Early return. For purposes of this section, any return filed
31 before the last day prescribed for the filing thereof shall be consid-
32 ered as filed on such last day, determined without regard to any exten-
33 sion of time granted the taxpayer.

34 (i) Prepaid income tax. For purposes of this section, any tax paid by
35 the taxpayer before the last day prescribed for its payment, any income
36 tax withheld from the taxpayer during any calendar year, and any amount
37 paid by the taxpayer as estimated income tax for a taxable year shall be
38 deemed to have been paid by him or her on the fifteenth day of the
39 fourth month following the close of his or her taxable year with respect
40 to which such amount constitutes a credit or payment.

41 (j) Return and payment of withholding tax. Notwithstanding subdivi-
42 sion (h) of this section, for purposes of this section with respect to
43 any withholding tax:

44 (1) if a return for any period ending with or within a calendar year
45 is filed before April fifteenth of the succeeding calendar year, such
46 return shall be considered filed on April fifteenth of such succeeding
47 calendar year; and

48 (2) if a tax with respect to remuneration paid during any period
49 ending with or within a calendar year is paid before April fifteenth of
50 the succeeding calendar year, such tax shall be considered paid on April
51 fifteenth of such succeeding calendar year.

52 (k) Running of periods of limitation suspended while taxpayer is
53 unable to manage financial affairs due to disability. (1) In the case of
54 an individual taxpayer, the running of the periods specified in subdivi-
55 sions (a), (b), and (c) of this section shall be suspended during any
56 period of such individual's life that such individual is financially

1 disabled. For purposes of this subdivision, an individual taxpayer is an
2 individual who is subject to the tax imposed under this chapter.

3 (2) For purposes of paragraph one of this subdivision, an individual
4 taxpayer is financially disabled if such individual is unable to manage
5 his or her financial affairs by reason of a medically determinable phys-
6 ical or mental impairment of that individual which can be expected to
7 result in death or which has lasted or can be expected to last for a
8 continuous period of not less than twelve months. An individual shall
9 not be considered to have such impairment unless proof of the existence
10 thereof is furnished in such form and manner as the commissioner of
11 taxation and finance may require.

12 (3) An individual taxpayer shall not be treated as financially disa-
13 bled during any period that such individual's spouse or any other person
14 is authorized to act on behalf of such individual in financial matters.

15 (1) Cross reference. For provision barring refund of overpayment
16 credited against tax of a succeeding year, see subdivision (e) of
17 section 11-1786 of this subchapter.

18 § 11-1788 Interest on overpayment. (a) General. Notwithstanding the
19 provisions of section sixteen of the state finance law, interest shall
20 be allowed and paid as follows at the overpayment rate set by the
21 commissioner of taxation and finance pursuant to section 11-1797 of this
22 subchapter, or if no rate is set, at the rate of six percent per annum
23 upon any overpayment in respect of the tax imposed by this chapter:

24 (1) from the date of the overpayment to the due date of an amount
25 against which a credit is taken;

26 (2) from the date of the overpayment to a date, to be determined by
27 the commissioner of taxation and finance, preceding the date of a refund
28 check by not more than thirty days, whether or not such refund check is
29 accepted by the taxpayer after tender of such check to the taxpayer. The
30 acceptance of such check shall be without prejudice to any right of the
31 taxpayer to claim any additional overpayment and interest thereon.

32 (3) Late and amended returns and claims for credit or refund.
33 Notwithstanding paragraph one or two of this subdivision, in the case of
34 an overpayment claimed on a return of tax which is filed after the last
35 date prescribed for filing such return, determined with regard to exten-
36 sions, or claimed on an amended return of tax or claimed on a claim for
37 credit or refund, no interest shall be allowed or paid for any day
38 before the date on which such return or claim is filed.

39 (4) Interest on certain refunds. To the extent provided for in regu-
40 lations promulgated by the commissioner of taxation and finance, if an
41 item of income, gain, loss, deduction or credit is changed from the
42 taxable year or period in which it is reported to the taxable year or
43 period in which it belongs and the change results in an underpayment in
44 a taxable year or period and an overpayment in some other taxable year
45 or period, the provisions of paragraph three of this subdivision with
46 respect to an overpayment shall not be applicable to the extent that the
47 limitation in such paragraph on the right to interest would result in a
48 taxpayer not being allowed interest for a length of time with respect to
49 an overpayment while being required to pay interest on an equivalent
50 amount of the related underpayment. However, this paragraph shall not be
51 construed as limiting or mitigating the effect of any statute of limita-
52 tions or any other provision of law relating to the authority of such
53 commissioner to issue a notice of deficiency or to allow a credit or
54 refund on an overpayment.

55 (5) Amounts of less than one dollar. No interest shall be allowed or
56 paid if the amount thereof is less than one dollar.

1 (b) Advance payment of tax, payment of estimated tax, and credit for
2 income tax withholding. The provisions of subdivisions (h) and (i) of
3 section 11-1787 of this subchapter applicable in determining the date of
4 payment of tax for purposes of determining the period of limitations on
5 credit or refund, shall be applicable in determining the date of payment
6 for purposes of this section.

7 (c) Income tax refund within forty-five days of claim for overpayment.
8 If any overpayment of tax imposed by this chapter is credited or
9 refunded within forty-five days after the last date prescribed, or
10 permitted by extension of time, for filing the return of such tax on
11 which such overpayment was claimed or within forty-five days after such
12 return was filed, whichever is later, or within forty-five days after an
13 amended return was filed claiming such overpayment or within forty-five
14 days after a claim for credit or refund was filed on which such overpay-
15 ment was claimed, within six months after a demand is filed pursuant to
16 paragraph six of subsection (b) of section six hundred fifty-one of the
17 tax law, no interest shall be allowed under this section on any such
18 overpayment. For purposes of this subdivision, any amended return or
19 claim for credit or refund filed before the last day prescribed, or
20 permitted by extension of time, for the filing of the return of tax for
21 such year shall be considered as filed on such last day.

22 (d) Refund of income tax caused by carryback. For purposes of this
23 section, if any overpayment of tax imposed by this chapter results from
24 a carryback of a net operating loss, such overpayment shall be deemed
25 not to have been made prior to the filing date for the taxable year in
26 which such net operating loss arises. Such filing date shall be deter-
27 mined without regard to extensions of time to file. For purposes of
28 subdivision (c) of this section any overpayment described herein shall
29 be treated as an overpayment for the loss year and such subdivision
30 shall be applied with respect to such overpayment by treating the return
31 for the loss year as not filed before claim for such overpayment is
32 filed. The term "loss year" means the taxable year in which such loss
33 arises.

34 (e) No interest until return in processible form.

35 (1) For purposes of subdivisions (a) and (c) of this section, a return
36 shall not be treated as filed until it is filed in processible form.

37 (2) For purposes of paragraph one of this subdivision, a return is in
38 a processible form if:

39 (A) such return is filed on a permitted form, and

40 (B) such return contains:

41 (i) the taxpayer's name, address, and identifying number and the
42 required signatures, and

43 (ii) sufficient required information, whether on the return or on
44 required attachments, to permit the mathematical verification of tax
45 liability shown on the return.

46 (f) Overpayment credited against past-due support, or against a past-
47 due legally enforceable debt, or a city of New York tax warrant judgment
48 debt, or defaulted guaranteed student, state university or city univer-
49 sity loans. If interest is payable pursuant to this section on that
50 portion of an overpayment of tax imposed by this chapter which is certi-
51 fied by the state commissioner of taxation and finance to the state
52 comptroller as the amount to be credited against past-due support, or
53 against a past-due legally enforceable debt, or a city of New York tax
54 warrant judgment debt, or the amount of a default in repayment of a
55 guaranteed student, state university or city university loan, as the
56 case may be, pursuant to the provisions of sections one hundred seven-

1 ty-one-c, one hundred seventy-one-d, one hundred seventy-one-e, one
2 hundred seventy-one-f and one hundred seventy-one-l of the tax law, such
3 portion of such an overpayment shall cease to bear interest on the date
4 of such certification.

5 (g) Cross-reference. For provision with respect to interest after
6 failure to file notice of federal change under section 11-1759 of this
7 chapter, see subdivision (c) of section 11-1787 of this subchapter.

8 § 11-1789 Petition to tax commission. (a) General. The form of a
9 petition to the tax commission, and further proceedings before the tax
10 commission in any case initiated by the filing of a petition, shall be
11 governed by such rules as the tax commission shall prescribe. No peti-
12 tion shall be denied in whole or in part without opportunity for a hear-
13 ing on reasonable prior notice. Such hearing shall be conducted by one
14 or more members of the tax commission, or by a hearing officer desig-
15 nated by the tax commission to take evidence and report to the tax
16 commission. The tax commissioners shall, acting as a body, jointly
17 decide the case as quickly as practicable. Notice of the decision shall
18 be mailed promptly to the taxpayer by certified or registered mail at
19 his or her last known address, and such notice shall set forth the tax
20 commission's findings of fact and a brief statement of the grounds of
21 decision in each case decided in whole or in part adversely to the
22 taxpayer.

23 (b) Petition for redetermination of a deficiency. Within ninety days,
24 or one hundred fifty days if the notice is addressed to a person outside
25 of the United States, after the mailing of the notice of deficiency
26 authorized by section 11-1781 of this subchapter, the taxpayer may file
27 a petition with the tax commission for a redetermination of the defi-
28 ciency. Such petition may also assert a claim for refund for the same
29 taxable year or years, subject to the limitations of subdivision (g) of
30 section 11-1787 of this subchapter.

31 (c) Petition for refund. A taxpayer may file a petition with the tax
32 commission for the amounts asserted in a claim for refund if:

33 (1) the taxpayer has filed a timely claim for refund with the tax
34 commission,

35 (2) the taxpayer has not previously filed with the tax commission a
36 timely petition under subdivision (b) of this section for the same
37 taxable year unless the petition under this subdivision relates to a
38 separate claim for credit or refund properly filed under subdivision (f)
39 of section 11-1787 of this subchapter, and

40 (3) either: (A) six months have expired since the claim was filed, or
41 (B) the tax commission has mailed to the taxpayer, by registered or
42 certified mail, a notice of disallowance of such claim in whole or in
43 part.

44 No petition under this subdivision shall be filed more than two years
45 after the date of mailing of a notice of disallowance, unless prior to
46 the expiration of such two year period it has been extended by written
47 agreement between the taxpayer and the tax commission. If a taxpayer
48 files a written waiver of the requirement that he or she be mailed a
49 notice of disallowance, the two year period prescribed by this subdivi-
50 sion for filing a petition for refund shall begin on the date such waiv-
51 er is filed.

52 (d) Assertion of deficiency after filing petition.

53 (1) Petition for redetermination of deficiency. If a taxpayer files
54 with the tax commission, a petition for redetermination of a deficiency,
55 the tax commission shall have power to determine a greater deficiency
56 than asserted in the notice of deficiency and to determine if there

1 should be assessed any addition to tax or penalty provided in section
2 11-1785 of this subchapter, if claim therefor is asserted at or before
3 the hearing under rules of the tax commission.

4 (2) Petition for refund. If the taxpayer files with the tax commis-
5 sion a petition for credit or refund for a taxable year, the tax commis-
6 sion may:

7 (A) determine a deficiency for such year as to any amount of defi-
8 ciency asserted at or before the hearing under rules of the tax commis-
9 sion, and within the period in which an assessment would be timely under
10 section 11-1783 of this subchapter, or

11 (B) deny so much of the amount for which credit or refund is sought
12 in the petition, as is offset by other issues pertaining to the same
13 taxable year which are asserted at or before the hearing under rules of
14 the tax commission.

15 (3) Opportunity to respond. A taxpayer shall be given a reasonable
16 opportunity to respond to any matters asserted by the tax commission
17 under this subdivision.

18 (4) Restriction on further notices of deficiency. If the taxpayer
19 files a petition with the tax commission under this section, no notice
20 of deficiency under section 11-1781 of this subchapter may thereafter be
21 issued by the tax commission for the same taxable year, except in case
22 of fraud or with respect to a change or correction required to be
23 reported under section 11-1759 of this chapter.

24 (e) Burden of proof. In any case before the tax commission under this
25 chapter, the burden of proof shall be upon the petitioner except for the
26 following issues, as to which the burden of proof shall be upon the tax
27 commission:

28 (1) whether the petitioner has been guilty of fraud with intent to
29 evade tax;

30 (2) whether the petitioner is liable as the transferee of property of
31 a taxpayer, but not to show that the taxpayer was liable for the tax;

32 (3) whether the petitioner is liable for any increase in a deficiency
33 where such increase is asserted initially after a notice of deficiency
34 was mailed and a petition under this section filed, unless such increase
35 in deficiency is the result of a change or correction required to be
36 reported under section 11-1759 of this chapter, and of which change or
37 correction the tax commission had no notice at the time it mailed the
38 notice of deficiency; and

39 (4) whether any person is liable for a penalty under subdivision (q)
40 or (r) of section 11-1785 of this subchapter.

41 (f) Evidence of related federal determination. Evidence of a federal
42 determination relating to issues raised in a case before the tax commis-
43 sion under this section shall be admissible, under rules established by
44 the tax commission.

45 (g) Jurisdiction over other years. The tax commission shall consider
46 such facts with relation to the taxes for other years as may be neces-
47 sary correctly to determine the tax for the taxable year, but in so
48 doing shall have no jurisdiction to determine whether or not the tax for
49 any other year has been overpaid or underpaid.

50 § 11-1790 Review of tax commission decision. (a) General. A decision
51 of the tax commission shall be subject to judicial review at the
52 instance of any taxpayer effected thereby in the manner provided by law
53 for the review of a final decision or action of administrative agencies
54 of the state. An application by a taxpayer for such review must be made
55 within four months after notice of the decision is sent by certified or
56 registered mail to the taxpayer.

1 (b) Judicial review exclusive remedy of taxpayer. The review of a
2 decision of the tax commission provided by this section shall be the
3 exclusive remedy available to any taxpayer for the judicial determi-
4 nation of the liability of the taxpayer for the taxes imposed by this
5 chapter.

6 (c) Assessment pending review; review bond. Irrespective of any
7 restrictions on the assessment and collection of deficiencies, the tax
8 commission may assess a deficiency after the expiration of the period
9 specified in subdivision (a) of this section, notwithstanding that an
10 application for judicial review in respect of such deficiency has been
11 duly made by the taxpayer, unless the taxpayer, at or before the time
12 his or her application for review is made, has paid the deficiency, has
13 deposited with the tax commission the amount of the deficiency, or has
14 filed with the tax commission a bond, which may be a jeopardy bond under
15 subdivision (h) of section 11-1794 of this subchapter, in the amount of
16 the portion of the deficiency, including interest and other amounts, in
17 respect of which the application for review is made and all costs and
18 charges which may accrue against him or her in the prosecution of the
19 proceeding, including costs of all appeals, and with surety approved by
20 a justice of the supreme court of the state of New York, conditioned
21 upon the payment of the deficiency, including interest and other
22 amounts, as finally determined and such costs and charges. If as a
23 result of a waiver of the restrictions on the assessment and collection
24 of a deficiency any part of the amount determined by the tax commission
25 is paid after the filing of the review bond, such bond shall, at the
26 request of the taxpayer, be proportionately reduced.

27 (d) Credit, refund or abatement after review. If the amount of a
28 deficiency determined by the tax commission is disallowed in whole or in
29 part by the court of review, the amount so disallowed shall be credited
30 or refunded to the taxpayer, without the making of claim therefor, or,
31 if payment has not been made, shall be abated.

32 (e) Date of finality of tax commission decision. A decision of the
33 tax commission shall become final upon the expiration of the period
34 specified in subdivision (a) of this section for making an application
35 for review, if no such application has been duly made within such time,
36 or if such application has been duly made, upon expiration of the time
37 for all further judicial review, or upon the rendering by the tax
38 commission of a decision in accordance with the mandate of the court on
39 review, provided, however, for the purpose of making an application for
40 review, the decision of the tax commission shall be deemed final on the
41 date the notice of decision is sent by certified or registered mail to
42 the taxpayer.

43 § 11-1791 Mailing rules; holidays; miscellaneous. (a) Timely mail-
44 ing. (1) If any return, claim, statement, notice, petition, or other
45 document required to be filed, or any payment required to be made, with-
46 in a prescribed period or on or before a prescribed date under authority
47 of any provision of this chapter is, after such period or such date,
48 delivered by United States mail to the tax commission, bureau, office,
49 officer or person with which or with whom such document is required to
50 be filed, or to which or to whom such payment is required to be made,
51 the date of the United States postmark stamped on the envelope shall be
52 deemed to be the date of delivery. This subdivision shall apply only if
53 the postmark date falls within the prescribed period or on or before the
54 prescribed date for the filing of such document, or for making the
55 payment, including any extension granted for such filing or payment, and
56 only if such document or payment was deposited in the mail, postage

1 prepaid, properly addressed to the tax commission, bureau, office, offi-
2 cer or person with which or with whom the document is required to be
3 filed or to which or to whom such payment is required to be made. If any
4 document or payment is sent by United States registered mail, such
5 registration shall be prima facie evidence that such document or payment
6 was delivered to the tax commission, bureau, office, officer or person
7 to which or to whom addressed. To the extent that the tax commission
8 shall prescribe by regulation, certified mail may be used in lieu of
9 registered mail under this section. This subdivision shall apply in the
10 case of postmarks not made by the United States post office only if and
11 to the extent provided by regulations of the tax commission.

12 (2)(A) Any reference in paragraph one of this subdivision to the
13 United States mail shall be treated as including a reference to any
14 delivery service designated by the secretary of the treasury of the
15 United States pursuant to section seventy-five hundred two of the Inter-
16 nal Revenue Code and any reference in paragraph one of this subdivision
17 to a postmark by the United States mail shall be treated as including a
18 reference to any date recorded or marked in the manner described in
19 section seventy-five hundred two of the Internal Revenue Code by a
20 designated delivery service. If the commissioner of taxation and finance
21 finds that any delivery service designated by such secretary is inade-
22 quate for the needs of the state, such commissioner may withdraw such
23 designation for purposes of this article. Such commissioner may also
24 designate additional delivery services meeting the criteria of section
25 seventy-five hundred two of the Internal Revenue Code for purposes of
26 this article, or may withdraw any such designation if such commissioner
27 finds that a delivery service so designated is inadequate for the needs
28 of the state. Any reference in paragraph one of this subdivision to the
29 United States mail shall be treated as including a reference to any
30 delivery service designated by such commissioner and any reference in
31 paragraph one of this subdivision to a postmark by the United States
32 mail shall be treated as including a reference to any date recorded or
33 marked in the manner described in section seventy-five hundred two of
34 the Internal Revenue Code by a delivery service designated by the
35 commissioner.

36 (B) Any equivalent of registered or certified mail designated by the
37 United States secretary of the treasury, or as may be designated by the
38 commissioner of taxation and finance pursuant to the same criteria used
39 by the secretary for such designation pursuant to section seventy-five
40 hundred two of the Internal Revenue Code, shall be included within the
41 meaning of registered or certified mail as used in paragraph one of this
42 subdivision. If such commissioner finds that any equivalent of regis-
43 tered or certified mail designated by such secretary or such commission-
44 er is inadequate for the needs of the state, such commissioner may with-
45 draw such designation for purposes of this article.

46 (b) Last known address. For purposes of this chapter, a taxpayer's
47 last known address shall be the address given in the last return filed
48 by such taxpayer, unless subsequent to the filing of such return the
49 taxpayer shall have notified the tax commission of a change of address.

50 (c) Last day a Saturday, Sunday or legal holiday. When the last day
51 prescribed under authority of this chapter, including any extension of
52 time, for performing any act falls on Saturday, Sunday, or a legal holi-
53 day in the state of New York, the performance of such act shall be
54 considered timely if it is performed on the next succeeding day which is
55 not a Saturday, Sunday or a legal holiday.

1 (d) Certificate; unfiled return. For purposes of this chapter, the
2 certificate of the tax commission to the effect that a tax has not been
3 paid, that a return has not been filed, or that information has not been
4 supplied, as required by or under the provisions of this chapter, shall
5 be prima facie evidence that such tax has not been paid, that such
6 return has not been filed, or that such information has not been
7 supplied.

8 (e) Attorney general; jurisdiction. The attorney general shall have
9 concurrent jurisdiction with any district attorney in the prosecution of
10 any offenses arising under article thirty-seven of the tax law with
11 respect to the tax imposed under this chapter.

12 § 11-1792 Collection, levy and liens. (a) Collection procedures. The
13 taxes imposed by this chapter shall be collected by the tax commission,
14 and it may establish the mode or time for the collection of any amount
15 due it under this chapter if not otherwise specified. The tax commis-
16 sion shall, upon request, give a receipt for any sum collected under
17 this chapter. The tax commission may authorize banks or trust companies
18 which are depositaries or financial agents of the state to receive and
19 give a receipt for any tax imposed under this chapter in such manner, at
20 such times, and under such conditions as the tax commission may
21 prescribe; and the tax commission shall prescribe the manner, times and
22 conditions under which the receipt of such tax by such banks and trust
23 companies is to be treated as payment of such tax to the tax commission.

24 (b) Notice and demand for tax. The tax commission shall as soon as
25 practicable give notice to each person liable for any amount of tax,
26 addition to tax, penalty or interest, which has been assessed but
27 remains unpaid, stating the amount and demanding payment thereof. Such
28 notice shall be left at the dwelling or usual place of business of such
29 person or shall be sent by mail to such person's last known address.
30 Except where the tax commission determines that collection would be
31 jeopardized by delay, if any tax is assessed prior to the last date,
32 including any date fixed by extension, prescribed for payment of such
33 tax, payment of such tax shall not be demanded until after such date.

34 (c) Issuance of warrant after notice and demand. If any person liable
35 under this chapter for the payment of any tax, addition to tax, penalty
36 or interest neglects or refuses to pay the same within twenty-one calen-
37 dar days after notice and demand therefor is given to such person under
38 subdivision (b) of this section, ten business days if the amount for
39 which such notice and demand is made equals or exceeds one hundred thou-
40 sand dollars, the commissioner of taxation and finance may within six
41 years after the date of such assessment issue a warrant under such
42 commissioner's official seal directed to the sheriff of any county of
43 the state, or to any officer or employee of the department of taxation
44 and finance, commanding him or her to levy upon and sell such person's
45 real and personal property for the payment of the amount assessed, with
46 the cost of executing the warrant, and to return such warrant to such
47 commissioner and pay to him or her the money collected by virtue thereof
48 within sixty days after the receipt of the warrant. If such commissioner
49 finds that the collection of the tax or other amount is in jeopardy,
50 notice and demand for immediate payment of such tax may be made by such
51 commissioner and upon failure or refusal to pay such tax or other amount
52 such commissioner may issue a warrant without regard to the twenty-one
53 day period, or ten-day period if applicable, provided in this subdivi-
54 sion.

55 (d) Copy of warrant to be filed and lien to be created. Any sheriff
56 or officer or employee who receives a warrant under subdivision (c) of

1 this section shall within five days thereafter file a copy with the
2 clerk of the appropriate county. The clerk shall thereupon enter in the
3 judgment docket, in the column for judgment debtors, the name of the
4 taxpayer mentioned in the warrant, and in appropriate columns the tax or
5 other amounts for which the warrant is issued and the date when such
6 copy is filed; and such amount shall thereupon be a lien upon the title
7 to and interest in real, personal and other property of the taxpayer.
8 Such lien shall not apply to personal property unless such warrant is
9 filed in the department of state.

10 (e) Judgment. When a warrant has been filed with the county clerk
11 the tax commission shall, in the right of the city, be deemed to have
12 obtained judgment against the taxpayer for the tax or other amounts.

13 (f) Execution. The sheriff or officer or employee shall thereupon
14 proceed upon the warrant in all respects, with like effect, and in the
15 same manner prescribed by law in respect to executions issued against
16 property upon judgments of a court of record, and a sheriff shall be
17 entitled to the same fees for his or her services in executing the
18 warrant, to be collected in the same manner. An officer or employee of
19 the department of taxation and finance may proceed in any county or
20 counties of this state and shall have all the powers of execution
21 conferred by law upon sheriffs, but shall be entitled to no fee or
22 compensation in excess of actual expenses paid in connection with the
23 execution of the warrant.

24 (g) Taxpayer not a resident. Where a notice and demand under subdivi-
25 sion (b) of this section shall have been given to a taxpayer who is
26 not then a resident, and it appears to the tax commission that it is not
27 practicable to find in this state property of the taxpayer sufficient to
28 pay the entire balance of tax or other amount owing by such taxpayer who
29 is not then a resident, the tax commission may, in accordance with
30 subdivision (c) of this section, issue a warrant directed to an officer
31 or employee of the department of taxation and finance, a copy of which
32 warrant shall be mailed by certified or registered mail to the taxpayer
33 at his or her last known address, subject to the rules for mailing
34 provided in subdivision (a) of section 11-1781 of this subchapter. Such
35 warrant shall command the officer or employee to proceed in Albany coun-
36 ty, and he or she shall, within five days after receipt of the warrant,
37 file the warrant and obtain a judgment in accordance with this section.
38 Thereupon the tax commission may authorize the institution of any action
39 or proceeding to collect or enforce the judgment in any place and by any
40 procedure that a civil judgment of the supreme court of the state of New
41 York could be collected or enforced. The tax commission may also, in
42 its discretion, designate agents or retain counsel for the purpose of
43 collecting, outside the state of New York, any unpaid taxes, additions
44 to tax, penalties or interest which have been assessed under this chap-
45 ter against taxpayers who are not residents of this state, may fix the
46 compensation of such agents and counsel to be paid out of money appro-
47 priated or otherwise lawfully available for payment thereof, and may
48 require of them bonds or other security for the faithful performance of
49 their duties, in such form and in such amount as the tax commission
50 shall deem proper and sufficient.

51 (h) Action by state for recovery of taxes. Action may be brought by
52 the attorney general at the instance of the tax commission in the name
53 of the city or both to recover the amount of any unpaid taxes, additions
54 to tax, penalties or interest which have been assessed under this chap-
55 ter within six years prior to the date the action is commenced.

1 (i) Release of lien. The tax commission, if it finds that the inter-
2 ests of the city will not thereby be jeopardized, and upon such condi-
3 tions as it may require, may release any property from the lien of any
4 warrant for unpaid taxes, additions to tax, penalties and interest filed
5 pursuant to this section, and such release may be recorded in the office
6 of any recording officer in which such warrant has been filed.

7 § 11-1793 Transferees. (a) General. The liability, at law or in
8 equity, of a transferee of property of a taxpayer for any tax, additions
9 to tax, penalty or interest due under this chapter, shall be assessed,
10 paid, and collected in the same manner and subject to the same
11 provisions and limitations as in the case of the tax to which the
12 liability relates, except that the period of limitations for assessment
13 against the transferee shall be extended by one year for each successive
14 transfer, in order, from the original taxpayer to the transferee
15 involved, but not by more than three years in the aggregate. The term
16 transferee includes donee, heir, legatee, devisee and distributee.

17 (b) Exceptions.

18 (1) If before the expiration of the period of limitations for assess-
19 ment of liability of the transferee, a claim has been filed by the tax
20 commission in any court against the original taxpayer or the last
21 preceding transferee based upon the liability of the original taxpayer,
22 then the period of limitation for assessment of liability of the trans-
23 feree shall in no event expire prior to one year after such claim has
24 been finally allowed, disallowed or otherwise disposed of.

25 (2) If, before the expiration of the time prescribed in subdivision
26 (a) or the immediately preceding paragraph of this subdivision for the
27 assessment of the liability, the tax commission and the transferee have
28 both consented in writing to its assessment after such time, the liabil-
29 ity may be assessed at any time prior to the expiration of the period
30 agreed upon. The period so agreed upon may be extended by subsequent
31 agreements in writing made before the expiration of the period previous-
32 ly agreed upon. For the purpose of determining the period of limitation
33 on credit or refund to the transferee of overpayments of tax made by
34 such transferee or overpayments of tax made by the transferor as to
35 which the transferee is legally entitled to credit or refund, such
36 agreement and any extension thereof shall be deemed an agreement and
37 extension thereof referred to in subdivision (b) of section 11-1787 of
38 this subchapter. If the agreement is executed after the expiration of
39 the period of limitation for assessment against the original taxpayer,
40 then in applying the limitations under subdivision (b) of section
41 11-1787 of this subchapter on the amount of the credit or refund, the
42 periods specified in subdivision (a) of section 11-1787 of this subchap-
43 ter shall be increased by the period from the date of such expiration to
44 the date of the agreement.

45 (c) Deceased transferor. If any person is deceased, the period of
46 limitation for assessment against such person shall be the period that
47 would be in effect if he or she had lived.

48 (d) Evidence. Notwithstanding the provisions of subdivision (e) of
49 section 11-1797 of this subchapter the tax commission shall use its
50 powers to make available to the transferee evidence necessary to enable
51 the transferee to determine the liability of the original taxpayer and
52 of any preceding transferees, but without undue hardship to the original
53 taxpayer or preceding transferee. See subdivision (e) of section
54 11-1789 of this subchapter for rule as to burden of proof.

55 § 11-1794 Jeopardy assessment. (a) Authority for making. If the tax
56 commission believes that the assessment or collection of a deficiency

1 will be jeopardized by delay, it shall, notwithstanding the provisions
2 of sections 11-1781 and 11-1796 of this subchapter, immediately assess
3 such deficiency, together with all interest, penalties and additions to
4 tax provided for by law, and notice and demand shall be made by the tax
5 commission for the payment thereof.

6 (b) Notice of deficiency. If the jeopardy assessment is made before
7 any notice in respect of the tax to which the jeopardy assessment
8 relates has been mailed under section 11-1781 of this subchapter, then
9 the tax commission shall mail a notice under such section within sixty
10 days after the making of the assessment.

11 (c) Amount assessable before decision of tax commission. The jeopardy
12 assessment may be made in respect of a deficiency greater or less than
13 that of which notice is mailed to the taxpayer and whether or not the
14 taxpayer has theretofore filed a petition with the tax commission. The
15 tax commission may, at any time before rendering its decision, abate
16 such assessment, or any unpaid portion thereof, to the extent that it
17 believes the assessment to be excessive in amount. The tax commission
18 may in its decision redetermine the entire amount of the deficiency and
19 of all amounts assessed at the same time in connection therewith.

20 (d) Amount assessable after decision of tax commission. If the
21 jeopardy assessment is made after the decision of the tax commission is
22 rendered, such assessment may be made only in respect of the deficiency
23 determined by the tax commission in its decision.

24 (e) Expiration of right to assess. A jeopardy assessment may not be
25 made after the decision of the tax commission has become final or after
26 the taxpayer has made an application for review of the decision of the
27 tax commission.

28 (f) Collection of unpaid amounts. When a petition has been filed with
29 the tax commission and when the amount which should have been assessed
30 has been determined by a decision of the tax commission which has become
31 final, then any unpaid portion, the collection of which has been stayed
32 by bond, shall be collected as part of the tax upon notice and demand
33 from the tax commission, and any remaining portion of the assessment
34 shall be abated. If the amount already collected exceeds the amount
35 determined as the amount which should have been assessed, such excess
36 shall be credited or refunded to the taxpayer as provided in section
37 11-1786 of this subchapter without the filing of claim therefor. If the
38 amount determined as the amount which should have been assessed is
39 greater than the amount actually assessed, then the difference shall be
40 assessed and shall be collected as part of the tax upon notice and
41 demand from the tax commission.

42 (g) Abatement if jeopardy does not exist. The tax commission may
43 abate the jeopardy assessment if it finds that jeopardy does not exist.
44 Such abatement may not be made after a decision of the tax commission in
45 respect of the deficiency has been rendered or, if no petition is filed
46 with the tax commission, after the expiration of the period for filing
47 such petition. The period of limitation on the making of assessments
48 and levy or a proceeding for collection, in respect of any deficiency,
49 shall be determined as if the jeopardy assessment so abated had not been
50 made, except that the running of such period shall in any event be
51 suspended for the period from the date of such jeopardy assessment until
52 the expiration of the tenth day after the day on which such jeopardy
53 assessment is abated.

54 (h) Bond to stay collection. The collection of the whole or any
55 amount of any jeopardy assessment may be stayed by filing with the tax
56 commission, within such time as may be fixed by regulation, a bond in an

1 amount equal to the amount as to which the stay is desired, conditioned
2 upon the payment of the amount, together with interest thereon, the
3 collection of which is stayed at the time at which, but for the making
4 of the jeopardy assessment, such amount would be due. Upon the filing
5 of the bond the collection of so much of the amount assessed as is
6 covered by the bond shall be stayed. The taxpayer shall have the right
7 to waive such stay at any time in respect of the whole or any part of
8 the amount covered by the bond, and if as a result of such waiver any
9 part of the amount covered by the bond is paid, then the bond shall at
10 the request of the taxpayer, be proportionately reduced. If any portion
11 of the jeopardy assessment is abated, or if a notice of deficiency under
12 section 11-1781 of this subchapter is mailed to the taxpayer in a lesser
13 amount, the bond shall, at the request of the taxpayer, be proportion-
14 ately reduced.

15 (i) Petition to tax commission. If the bond is given before the
16 taxpayer has filed his or her petition under section 11-1789 of this
17 subchapter, the bond shall contain a further condition that if a peti-
18 tion is not filed within the period provided in such section, then the
19 amount, the collection of which is stayed by the bond, will be paid on
20 notice and demand at any time after the expiration of such period,
21 together with interest thereon from the date of the jeopardy notice and
22 demand to the date of notice and demand under this subdivision. The
23 bond shall be conditioned upon the payment of so much of such assess-
24 ment, collection of which is stayed by the bond, as is not abated by a
25 decision of the tax commission which has become final. If the tax
26 commission determines that the amount assessed is greater than the
27 amount which should have been assessed, then the bond shall, at the
28 request of the taxpayer, be proportionately reduced when the decision of
29 the tax commission is rendered.

30 (j) Stay of sale of seized property pending tax commission decision.
31 Where a jeopardy assessment is made, the property seized for the
32 collection of the tax shall not be sold:

33 (1) if subdivision (b) of this section is applicable, prior to the
34 issuance of the notice of deficiency and the expiration of the time
35 provided in section 11-1789 of this subchapter for filing a petition
36 with the tax commission, and

37 (2) if a petition is filed with the tax commission, whether before or
38 after the making of such jeopardy assessment, prior to the expiration of
39 the period during which the assessment of the deficiency would be
40 prohibited if subdivision (a) of this section were not applicable.

41 Such property may be sold if the taxpayer consents to the sale, or if
42 the tax commission determines that the expenses of conservation and
43 maintenance will greatly reduce the net proceeds, or if the property is
44 perishable.

45 (k) Interest. For the purpose of subdivision (a) of section 11-1784
46 of this subchapter, the last date prescribed for payment shall be deter-
47 mined without regard to any notice and demand for payment issued under
48 this section prior to the last date otherwise prescribed for such
49 payment.

50 (l) Early termination of taxable year. If the tax commission finds
51 that a taxpayer designs quickly to depart from this state or to remove
52 his or her property therefrom, or to conceal himself or herself or his
53 or her property therein, or to do any other act tending to prejudice or
54 to render wholly or partly ineffectual proceedings to collect the city
55 personal income tax for the current or the preceding taxable year unless
56 such proceedings be brought without delay, the tax commission shall

1 declare the taxable period for such taxpayer immediately terminated, and
2 shall cause notice of such finding and declaration to be given the
3 taxpayer, together with a demand for immediate payment of the tax for
4 the taxable period so declared terminated and of the tax for the preced-
5 ing taxable year or so much of such tax as is unpaid, whether or not the
6 time otherwise allowed by law for filing return and paying the tax has
7 expired; and such taxes shall thereupon become immediately due and paya-
8 ble. In any proceeding brought to enforce payment of taxes made due and
9 payable by virtue of the provisions of this subdivision, the finding of
10 the tax commission made as herein provided, whether made after notice to
11 the taxpayer or not, shall be for all purposes presumptive evidence of
12 jeopardy.

13 (m) Reopening of taxable period. Notwithstanding the termination of
14 the taxable period of the taxpayer by the tax commission, as provided in
15 subdivision (1) of this section, the tax commission may reopen such
16 taxable period each time the taxpayer is found by the tax commission to
17 have received income, within the current taxable year, since the termi-
18 nation of such period. A taxable period so terminated by the tax
19 commission may be reopened by the taxpayer if he or she files with the
20 tax commission a true and accurate return of taxable income and credits
21 allowed under this chapter for such taxable period, together with such
22 other information as the tax commission may by regulations prescribe.

23 (n) Furnishing of bond where taxable year is closed by the tax
24 commission. Payment of taxes shall not be enforced by any proceedings
25 under the provisions of subdivision (1) of this section prior to the
26 expiration of the time otherwise allowed for paying such taxes if the
27 taxpayer furnishes, under regulations prescribed by the tax commission,
28 a bond to insure the timely making of returns with respect to, and
29 payment of, such taxes or any city personal income taxes for prior
30 years.

31 § 11-1795 Criminal penalties; cross-reference. For criminal penal-
32 ties, see article thirty-seven of the tax law.

33 § 11-1796 Income taxes of members of armed forces and victims of
34 certain terrorist attacks. (a) Time to be disregarded. In the case of
35 an individual serving in the armed forces of the United States, or serv-
36 ing in support of such armed forces, in an area designated by the presi-
37 dent of the United States by executive order as a "combat zone" at any
38 time during the period designated by the president by executive order as
39 the period of combatant activities in such zone, or hospitalized inside
40 or outside the state as a result of injury received while serving in
41 such an area during such time, the period of service in such area, plus
42 the period of continuous hospitalization inside or outside the state
43 attributable to such injury, and the next one hundred eighty days there-
44 after, shall be disregarded in determining, under this chapter, in
45 respect of the city personal income tax liability, including any inter-
46 est, penalty, or addition to the tax, of such individual:

47 (1) Whether any of the following acts was performed within the time
48 prescribed therefor:

49 (A) filing any return of income tax, except withholding tax;

50 (B) payment of any income tax, except withholding tax, or any install-
51 ment thereof or of any other liability in respect thereof;

52 (C) filing a petition with the tax commission for credit or refund or
53 for redetermination of a deficiency, or application for review of a
54 decision rendered by the tax commission;

55 (D) allowance of a credit or refund of city personal income tax;

56 (E) filing a claim for credit or refund of city personal income tax;

1 (F) assessment of city personal income tax;

2 (G) giving or making any notice or demand for the payment of any city

3 personal income tax, or with respect to any liability to the city in

4 respect of such income tax;

5 (H) collection, by the tax commission, by levy or otherwise of the

6 amount of any liability in respect of such income tax;

7 (I) bringing suit by the city, the state, or any officer, on their

8 behalf, in respect of any liability in respect of such income tax; and

9 (J) any other act required or permitted under this chapter or speci-

10 fied in regulations prescribed under this section by the tax commission.

11 (2) The amount of any credit or refund.

12 (b) Special rule for overpayments. (1) Subdivision (a) of this section

13 shall not apply for purposes of determining the amount of interest on

14 any overpayment of tax.

15 (2) If an individual is entitled to the benefits of subdivision (a) of

16 this section with respect to any return, amended return, or claim for

17 credit or refund, and such return, amended return or claim is timely

18 filed, determined after the application of such subdivision, paragraph

19 three of subdivision (a) and subdivision (c) of section 11-1788 of this

20 subchapter of this title shall not apply.

21 (c) Action taken before ascertainment of right to benefits. The

22 assessment or collection of the tax imposed by this chapter or of any

23 liability in respect of such tax, or any action or proceeding by or on

24 behalf of the city in connection therewith, may be made, taken, begun,

25 or prosecuted in accordance with law, without regard to the provisions

26 of subdivision (a) of this section, unless prior to such assessment,

27 collection, action, or proceeding it is ascertained that the person

28 concerned is entitled to the benefits of subdivision (a) of this

29 section.

30 (d) Members of armed forces dying in action. In the case of any person

31 who dies while in active service as a member of the armed forces of the

32 United States, if such death occurred while serving in a combat zone

33 during a period of combatant activities in such zone, as described in

34 subdivision (a) of this section, or as a result of wounds, disease or

35 injury incurred while so serving, the tax imposed by this chapter shall

36 not apply with respect to the taxable year in which falls the date of

37 his or her death, or with respect to any prior taxable year ending on or

38 after the first day so served in a combat zone, and no returns shall be

39 required in behalf of such person or his or her estate for such year;

40 and the tax for any such taxable year which is unpaid at the date of

41 death, including interest, additions to tax and penalties, if any, shall

42 not be assessed and, if assessed, the assessment shall be abated and, if

43 collected, shall be refunded to the legal representative of such estate

44 if one has been appointed and has qualified, or, if no legal represen-

45 tative has been appointed or has qualified, to the surviving spouse.

46 (e) Treatment of individuals performing Desert Shield services. (1)

47 Any individual who performed Desert Shield services shall be entitled to

48 the benefits of subdivisions (a) and (b) of this section in the same

49 manner as if such services were services referred to in subdivision (a)

50 of this section.

51 (2) For purposes of this subdivision, the term "Desert Shield

52 services" means any services in the armed forces of the United States or

53 in support of such armed forces if

54 (A) such services are performed in the area designated by the presi-

55 dent of the United States as the "Persian Gulf Desert Shield area", and

1 (B) such services are performed during the period beginning on August
2 second, nineteen hundred ninety, and ending on the date on which any
3 portion of the area referred to in subparagraph (A) of this paragraph is
4 designated by the president as a combat zone pursuant to section one
5 hundred twelve of the internal revenue code.

6 (f) Relief for personnel under hostile fire. For purposes of this
7 section, members of the armed forces of the United States who perform
8 military service in an area outside an area designated by the president
9 of the United States by executive order as a "combat zone", which
10 service is in direct support of military operations in such zone and is
11 performed under conditions which qualify such members for hostile fire
12 pay, as authorized under subdivision (a) of section nine of the federal
13 uniformed services pay act of nineteen hundred sixty-three, shall,
14 during the period of such qualifying service, be deemed to have served
15 in such combat zone.

16 (g) Application to spouse. The provisions of subdivisions (a), (b),
17 (c), (e) and (f) of this section shall apply to the spouse of any indi-
18 vidual entitled to the benefits of subdivision (a) of this section;
19 provided, however, that such subdivisions shall not apply for any spouse
20 for any taxable year beginning more than two years after the date desig-
21 nated under section one hundred twelve of the internal revenue code as
22 the date of termination of combatant activities in a combat zone.

23 (h) Individuals dying as a result of certain attacks. (1) General. In
24 the case of a specified terrorist victim, any tax imposed by this chap-
25 ter shall not apply: (A) with respect to the taxable year in which
26 falls the date of death; and (B) with respect to any prior taxable year
27 in the period beginning with the last taxable year ending before the
28 taxable year in which the wounds or injury referred to in paragraph
29 three of this subdivision were incurred.

30 (2) Taxation of certain benefits. Paragraph one of this subdivision
31 shall not apply to the amount of any tax imposed by this chapter which
32 would be computed by only taking into account the items of income, gain,
33 or other amounts determined by the United States secretary of the treas-
34 ury to be taxable pursuant to paragraph three of subdivision (d) of
35 section six hundred ninety-two of the internal revenue code.

36 (3) Specified terrorist victim. For purposes of this subdivision, the
37 term "specified terrorist victim" means any decedent who dies as a
38 result of wounds or injury incurred as a result of the terrorist attacks
39 against the United States on September eleventh, two thousand one,
40 provided, however, such term shall not include any individual identified
41 by the attorney general of the United States to have been a participant
42 or conspirator in any such attack or a representative of such an indi-
43 vidual.

44 § 11-1797 General powers of tax commission. (a) General. The tax
45 commission shall administer and enforce the tax imposed by this chapter
46 and it is authorized to make such rules and regulations, and to require
47 such facts and information to be reported, as it may deem necessary to
48 enforce the provisions of this chapter.

49 (b) Examination of books and witnesses. (1) The tax commission for the
50 purpose of ascertaining the correctness of any return, or for the
51 purpose of making an estimate of taxable income of any person, shall
52 have power to examine or to cause to have examined, by any agent or
53 representative designated by it for that purpose, any books, papers,
54 records or memoranda bearing upon the matters required to be included in
55 the return, and may require the attendance of the person rendering the
56 return or any officer or employee of such person, or the attendance of

1 any other person having knowledge in the premises, and may take testimo-
2 ny and require proof material for its information, with power to admin-
3 ister oaths to such person or persons.

4 (2) The tax commission may take any action under paragraph one of this
5 subdivision to inquire into the commission of any offense connected with
6 the administration or enforcement of this chapter, provided, however,
7 that notwithstanding the provisions of section 11-1774 of this chapter
8 no such action shall be taken after a referral by the department or the
9 tax commission to the attorney general, a district attorney or any other
10 prosecutorial agency is in effect.

11 (c) Abatement authority. The tax commission, of its own motion, may
12 abate any small unpaid balance of an assessment of city personal income
13 tax, or any liability in respect thereof, if the tax commission deter-
14 mines under uniform rules prescribed by it that the administration and
15 collection costs involved would not warrant collection of the amount
16 due. It may also abate, of its own motion, the unpaid portion of the
17 assessment of any tax or any liability in respect thereof, which is
18 excessive in amount, or is assessed after the expiration of the period
19 of limitation properly applicable thereto, or is erroneously or illegal-
20 ly assessed. No claim for abatement under this subdivision shall be
21 filed by a taxpayer.

22 (d) Special refund authority. Where no questions of fact or law are
23 involved and it appears from the records of the tax commission that any
24 moneys have been erroneously or illegally collected from any taxpayer or
25 other person, or paid by such taxpayer or other person under a mistake
26 of facts, pursuant to the provisions of this chapter, the tax commission
27 at any time, without regard to any period of limitations, shall have the
28 power, upon making a record of its reasons therefor in writing, to cause
29 such moneys so paid and being erroneously and illegally held to be
30 refunded and to issue therefor its certificate to the comptroller.

31 (e) Secrecy requirement and penalties for violation. (1) Except in
32 accordance with proper judicial order or as otherwise provided by law,
33 it shall be unlawful for the tax commission, any tax commissioner, any
34 officer or employee of the department of taxation and finance, any
35 person engaged or retained by such department on an independent contract
36 basis, any depository to which any return may be delivered as provided
37 in subdivision (h) or (i) of this section, any officer or employee of
38 such depository, or any person who, pursuant to this section, is permit-
39 ted to inspect any report or return or to whom a copy, an abstract or a
40 portion of any report or return is furnished, or to whom any information
41 contained in any report or return is furnished, to divulge or make known
42 in any manner the amount of income or any particulars set forth or
43 disclosed in any report or return required under this chapter.

44 (2) The officers charged with the custody of such reports and returns
45 shall not be required to produce any of them or evidence of anything
46 contained in them in any action or proceeding in any court, except on
47 behalf of the tax commission in an action or proceeding under the
48 provisions of this chapter, the tax law or in any other action or
49 proceeding involving the collection of a tax due under this chapter or
50 such tax law to which the city, state or the tax commission is a party
51 or a claimant, or on behalf of any party to any action or proceeding
52 under the provisions of this chapter when the reports, returns or facts
53 shown thereby are directly involved in such action or proceeding, in any
54 of which events the court may require the production of, and may admit
55 in evidence, so much of said reports, returns or of the facts shown
56 thereby, as are pertinent to the action or proceeding and no more. The

1 tax commission may, nevertheless, publish a copy or a summary of any
2 decision rendered after the hearing required under section 11-1789 of
3 this subchapter.

4 (3) Nothing in this section shall be construed to prohibit the deliv-
5 ery by the state commissioner of taxation and finance to the county
6 clerk of a county within the city of New York of a mailing list of indi-
7 viduals to whom income tax forms are mailed by the state commissioner of
8 taxation and finance for the sole purpose of compiling a list of
9 prospective jurors as provided in article sixteen of the judiciary law.
10 Provided, however, such delivery shall only be made pursuant to an order
11 of the chief administrator of the courts, appointed pursuant to section
12 two hundred ten of such law. No such order may be issued unless such
13 chief administrator is satisfied that such mailing list is needed to
14 compile a proper list of prospective jurors for the county for which
15 such order is sought and that, in view of the responsibilities imposed
16 by the various laws of the state on the department of taxation and
17 finance, it is reasonable to require the state commissioner of taxation
18 and finance to furnish such list. Such order shall provide that such
19 list shall be used for the sole purpose of compiling a list of prospec-
20 tive jurors and that such county clerk shall take all necessary steps to
21 insure that the list is kept confidential and that there is no unauthor-
22 ized use or disclosure of such list. Furthermore, nothing in this
23 section shall be construed to prohibit the delivery to a taxpayer or his
24 or her duly authorized representative of a certified copy of any return
25 or report filed in connection with his or her tax or to prohibit the
26 publication of statistics so classified as to prevent the identification
27 of particular reports or returns and the items thereof, or the
28 inspection by the attorney general or other legal representatives of the
29 state or city of the report or return of any taxpayer who shall bring
30 action to set aside or review the tax based thereon, or against whom an
31 action or proceeding under this chapter has been recommended by the
32 commissioner of taxation and finance, the corporation counsel or the
33 attorney general or has been instituted, or the inspection of the
34 reports or returns required under this chapter by the comptroller or
35 duly designated officer or employee of the state department of audit and
36 control, for purposes of the audit of a refund of any tax paid by a
37 taxpayer under this chapter, or the furnishing to the state department
38 of social services of the amount of an overpayment of tax and interest
39 thereon certified to the comptroller to be credited against past-due
40 support pursuant to section one hundred seventy-one-c of the tax law and
41 of the name and social security number of the taxpayer who made such
42 overpayment or the furnishing to the New York state higher education
43 services corporation of the amount of an overpayment of tax and interest
44 thereon certified to the comptroller to be credited against the amount
45 of a default in repayment of a guaranteed student loan pursuant to
46 section one hundred seventy-one-d of the tax law and of the name and
47 social security number of the taxpayer who made such overpayment or the
48 furnishing to the state university of New York or the city university of
49 New York or the attorney general on behalf of such state or city univer-
50 sity the amount of an overpayment of tax and interest thereon certified
51 to the comptroller to be credited against the amount of a default in
52 repayment of a state university loan or city university loan pursuant to
53 section one hundred seventy-one-e of the tax law and of the name and
54 social security number of the taxpayer who made such overpayment, or the
55 disclosing to a state agency, pursuant to section one hundred seventy-

4 disclosing to the commissioner of finance of the city of New York,
5 pursuant to section one hundred seventy-one-1 of the tax law, of the

8 debt and of the name and social security number of the taxpayer who made
9 such overpayment. Reports and returns shall be preserved for three years
10 and thereafter until the state commissioner of taxation and finance
11 orders them to be destroyed.

12 (3-a) Notwithstanding the provisions of paragraph one of this subdivi-
13 sion, the state commissioner of taxation and finance or the commissioner
14 of finance may disclose to a taxpayer or a taxpayer's related member, as
15 defined in subdivision (t) of section 11-1712 of this chapter, informa-

17 or related member to or from the other, including the treatment of such
18 payments by the taxpayer or the related member in any report or return
19 transmitted to the state commissioner of taxation and finance under this
20 chapter or the New York state tax law or the commissioner of finance
21 under this title.

22 (4) (A) Any officer or employee of the state, who willfully violates

26 (B) Cross-reference: For criminal penalties, see article thirty-seven
27 of the tax law.

28 (f) Cooperation with the United States and other states. Notwith-
29 standing the provisions of subdivision (e) of this section, the tax
30 commission may permit the secretary of the treasury of the United States
31 or his or her delegates, or the proper tax officer of any state imposing
32 an income tax upon the incomes of individuals, or the authorized repre-
33 sentative of either such officer, to inspect any return filed under this
34 chapter, or may furnish to such officer or his or her authorized repre-
35 sentative an abstract of any such return or supply him or her with
36 information concerning an item contained in any such return, or
37 disclosed by any investigation of tax liability under this chapter, but
38 such permission shall be granted or such information furnished to such
39 officer or his or her representative only if the laws of the United
40 States or of such other state, as the case may be, grant substantially
41 similar privileges to the commission or officer of this state charged
42 with the administration of the tax imposed by this chapter and such
43 information is to be used for tax purposes only; and provided further
44 the commissioner of taxation and finance may furnish to the commissioner
45 of internal revenue or his or her authorized representative such returns
46 filed under this chapter and other tax information, as he or she may
47 consider proper, for use in court actions or proceedings under the
48 internal revenue code, whether civil or criminal, where a written
49 request therefor has been made to the commissioner of taxation and
50 finance by the secretary of the treasury of the United States or his or
51 her delegates, provided the laws of the United States grant substantial-

53 or his or her delegates. Where the commissioner of taxation and finance
54 has so authorized use of returns and other information in such actions
55 or proceedings, officers and employees of the department of taxation and

1 finance may testify in such actions or proceedings in respect to such
2 returns or other information.

3 (g) Cooperation with the cities of the state of New York. Notwith-

6 of New York imposing a personal income tax upon the incomes of resi-

8 nonresidents, or the authorized representative of any such officer, to
9 inspect any return filed under this chapter, or may furnish to such
10 officer or his or her authorized representative an abstract of any such
11 return or supply him or her with information concerning an item
12 contained in any such return, or disclosed by any investigation of tax
13 liability under this chapter, but such permission shall be granted or
14 such information furnished to such officer or his or her representative
15 only if the local laws of such city grant substantially similar privi-
16 leges to the commission or officer of this state charged with the admin-
17 istration of the tax imposed by this chapter and such information is to
18 be used for tax purposes only; and provided further the commissioner of
19 taxation and finance may furnish to such city officer or the legal
20 representative of such city such returns filed under this chapter and
21 other tax information, as he or she may consider proper, for use in
22 court actions or proceedings under such local law, whether civil or

28 other information in such actions or proceedings, officers and employees
29 of the department of taxation and finance may testify in such actions or
30 proceedings in respect to such returns or other information.

31 (h) Withholding returns. Notwithstanding the provisions of subdivision

35 filed by such employers as provided in section 11-1774 of this chapter,
36 for the purpose of insuring that all money so deposited shall be
37 correctly credited to taxpayers' accounts.

38 (i) Filing returns and making payments to depository banks. Notwith-
39 standing the provisions of subdivision (e) of this section, the tax
40 commission, in its discretion, may require or permit any or all individ-
41 uals, estates or trusts liable for any tax imposed by this chapter, to
42 make payments on account of estimated tax and payment of any tax, penal-
43 ty or interest imposed by this chapter to banks, banking houses or trust
44 companies designated by the tax commission and to file reports and
45 returns with such banks, banking houses or trust companies as agents of
46 the tax commission, in lieu of making any such payment to the tax
47 commission. However, the tax commission shall designate only such banks,
48 banking houses or trust companies as are or shall be designated by the
49 comptroller as depositories pursuant to section 11-1798 of this subchap-
50 ter.

51 (j) (1) Authority to set interest rates. The commissioner of taxation
52 and finance shall set the overpayment and underpayment rates of interest
53 to be paid pursuant to sections 11-1784, 11-1785 and 11-1788 of this
54 subchapter, but if no such rates of interest are set, such overpayment
55 rate shall be deemed to be set at six percent per annum and the under-
56 payment rate shall be deemed to be set at seven and one-half per annum.

1 Such rates shall be the rates prescribed by paragraphs two and four of
2 this subdivision, but shall not be less than seven and one-half percent
3 per annum. Any such rates set by such commissioner shall apply to taxes,
4 or any portion thereof, which remain or become due or overpaid on or
5 after the date on which such rates become effective and shall apply only
6 with respect to interest computed or computable for periods or portions
7 of periods occurring in the period during which such rates are in
8 effect.

9 (1) Authority to set interest rates. The commissioner of taxation and
10 finance shall set the overpayment and underpayment rates of interest to
11 be paid pursuant to sections 11-1784, 11-1785 and 11-1788 of this
12 subchapter, but if no such rates of interest are set, such rates shall
13 be deemed to be set at six percent per annum. Such rates shall be the
14 rates prescribed by paragraphs two and four of this subdivision, but the
15 underpayment rate shall not be less than six percent per annum. Any such
16 rates set by such commissioner shall apply to taxes, or any portion
17 thereof, which remain or become due or overpaid on or after the date on
18 which such rates become effective and shall apply only with respect to
19 interest computed or computable for periods or portions of periods
20 occurring in the period during which such rates are in effect.

21 (2) Rates of interest. (A) Overpayment rate. The overpayment rate of
22 interest set under this subdivision shall be the sum of (i) the federal
23 short-term rate as provided under paragraph three of this subdivision,
24 plus (ii) two percentage points.

25 (B) Underpayment rate. The underpayment rate of interest set under
26 this subdivision shall be the sum of (i) the federal short-term rate as

30 (A) The federal short-term rate for any month shall be the federal
31 short-term rate determined by the United States secretary of the treas-
32 ury during such month in accordance with subsection (d) of section
33 twelve hundred seventy-four of the internal revenue code for use in
34 connection with section six thousand six hundred twenty-one of the
35 internal revenue code. Any such rate shall be rounded to the nearest
36 full percent, or, if a multiple of one-half of one percent, such rate
37 shall be increased to the next highest full percent.

38 (B) Period during which rate applies.

39 (i) In general. Except as provided in clauses (ii) and (iii) of this
40 subparagraph, the federal short-term rate for the first month in each
41 calendar quarter shall apply during the first calendar quarter beginning
42 after such month.

43 (ii) Special rule for individual estimated tax. In determining the
44 addition to tax under subdivision (c) of section 11-1785 of this
45 subchapter for failure to pay estimated tax for any taxable year, the
46 federal short-term rate which applies during the third month following
47 the taxable year shall also apply during the first fifteen days of the
48 fourth month following such taxable year.

49 (iii) Special rule for the month of September, nineteen hundred eight-
50 y-nine. The federal short-term rate for the month of April, nineteen
51 hundred eighty-nine shall apply with respect to setting the rate of
52 interest for the month of September, nineteen hundred eighty-nine.

53 (4) Notwithstanding the provisions of paragraph two of this subdivi-

55 with respect to income taxes required to be withheld and paid over by
56 him or her pursuant to the provisions of subchapter four of this chapter

1 and with respect to interest payable to an employer pursuant to subdivi-
2 sion (c) of section 11-1786 of this subchapter, the rates of interest
3 prescribed by this section shall be the overpayment and underpayment
4 rates of interest prescribed in paragraph two of subsection (e) of
5 section one thousand ninety-six of the tax law.

6 (5) In computing the amount of any interest required to be paid under
7 this article by the commissioner of taxation and finance or by the
8 taxpayer, or any other amount determined by reference to such amount of
9 interest, such interest and such amount shall be compounded daily. The
10 provisions of this paragraph shall not apply for purposes of computing
11 the amount of any addition to tax for failure to pay estimated tax under
12 subdivision (c) of section 11-1785 of this subchapter.

13 (6) Publication of interest rates. The commissioner of taxation and
14 finance shall cause to be published in the section for miscellaneous
15 notices in the state register, and give other appropriate general notice
16 of, the interest rates to be set under this subdivision no later than
17 twenty days preceding the first day of the calendar quarter during which
18 such interest rates apply. The setting and publication of such interest
19 rates shall not be included within paragraph (a) of subdivision two of
20 section one hundred two of the state administrative procedure act relat-
21 ing to the definition of a rule.

22 (7) Cross-reference. For provisions relating to the power of the
23 commissioner of taxation and finance to abate small amounts of interest,
24 see subdivision (c) of this section.

25 (k) Disclosure of collection activities with respect to joint return.
26 Notwithstanding the provisions of subdivision (e) of this section, if
27 any deficiency of tax with respect to a joint return is assessed and the
28 individuals filing such return are no longer married or no longer reside
29 in the same household, upon request in writing by either of such indi-
30 viduals, the commissioner of taxation and finance shall disclose in
31 writing to the individual making the request whether such commissioner
32 has attempted to collect such deficiency from such other individual, the
33 general nature of such collection activities, and the amount collected.

34 The opening paragraph of this subdivision shall not apply to any defi-

36 which to issue a warrant under subdivision (c) of section 11-1792 of
37 this subchapter or within which to collect such tax by execution and
38 levy or by court proceeding.

39 (l) Disclosure of certain information where more than one person is
40 subject to penalty. If the commissioner of taxation and finance deter-
41 mines that a person is liable for a penalty under subdivision (g) of
42 section 11-1785 of this subchapter with respect to any failure, upon
43 request in writing of such person, such commissioner shall disclose in
44 writing to such person (1) the name of any other person whom such
45 commissioner has determined to be liable for such penalty with respect
46 to such failure, and (2) whether such commissioner has attempted to
47 collect such penalty from such other person, the general nature of such
48 collection activities, and the amount collected.

49 (m) (1) Notwithstanding the provisions of subdivision (e) of this
50 section, upon written request from the chairperson of the committee on
51 ways and means of the United States House of Representatives, the chair-
52 person of the committee on finance of the United States Senate, or the
53 chairperson of the joint committee on taxation of the United States
54 Congress, the commissioner of taxation and finance shall furnish such
55 committee with any current or prior year returns specified in such
56 request that were filed under this article by the president of the

1 United States, vice-president of the United States, member of the United
2 States Congress representing New York state, or any person who served in
3 or was employed by the executive branch of the government of the United
4 States on the executive staff of the president, in the executive office
5 of the president, or in an acting or confirmed capacity in a position
6 subject to confirmation by the United States senate; or, in New York
7 state: a statewide elected official, as defined in paragraph (a) of
8 subdivision one of section seventy-three-a of the public officers law; a
9 state officer or employee, as defined in subparagraph (i) of paragraph
10 (c) of subdivision one of such section seventy-three-a; a political
11 party chairperson, as defined in paragraph (h) of subdivision one of
12 such section seventy-three-a; a local elected official, as defined in
13 subdivisions one and two of section eight hundred ten of the general

16 defined in subdivisions one and two of section eight hundred ten of the
17 general municipal law; a member of the state legislature; or a judge or
18 justice of the unified court system; provided however that, prior to
19 furnishing any return, the commissioner shall redact any copy of a
20 federal return, or portion thereof, attached to, or any information on a
21 federal return that is reflected on, such return, and any social securi-
22 ty numbers, account numbers and residential address information.

23 (2) No returns shall be furnished pursuant to this subdivision unless
24 the chairperson of the requesting committee certifies in writing that
25 such returns have been requested related to, and in furtherance of, a
26 legitimate task of the Congress, that the requesting committee has made
27 a written request to the United States secretary of the treasury for
28 related federal reports or returns or report or return information,
29 pursuant to 26 U.S.C. Section 6103(f), and that if such requested
30 returns are inspected by and/or submitted to another committee, to the
31 United States House of Representatives, or to the United States Senate,
32 then such inspection and/or submission shall occur in a manner consist-
33 ent with federal law as informed by the requirements and procedures
34 established in 26 U.S.C. Section 6103(f).

35 § 11-1798 Deposit and disposition of revenues. All revenue collected
36 by the state commissioner of taxation and finance from the taxes imposed
37 pursuant to this chapter or chapter nineteen of this title shall be
38 deposited daily with such responsible banks, banking houses or trust
39 companies, as may be designated by the state comptroller, to the credit
40 of the comptroller, in trust for the city. Such deposits shall be kept
41 in trust and separate and apart from all other moneys in the possession
42 of the comptroller. The state comptroller shall require adequate securi-

44 commissioner of taxation and finance. The state comptroller shall retain
45 in his or her hands such amounts as the commissioner of taxation and
46 finance may determine to be necessary for refunds in respect to the
47 taxes imposed by this chapter and such chapter nineteen and for reason-
48 able costs of the state commissioner of taxation and finance in adminis-
49 tering, collecting and distributing such taxes, out of which the comp-
50 troller shall pay any refunds of such taxes to which taxpayers shall be
51 entitled under this chapter and such chapter nineteen and except further
52 that he or she shall pay to a non-obligated spouse that amount of over-
53 payment of tax imposed pursuant to the authority of article thirty of
54 the tax law or former article two-E of the general city law and the
55 interest on such amount which has been credited pursuant to section one
56 hundred seventy-one-c, one hundred seventy-one-d, one hundred seventy-

1 one-e, one hundred seventy-one-f or one hundred seventy-one-l of the tax
2 law and which is certified to him or her by the commissioner of taxation
3 and finance as the amount due such non-obligated spouse pursuant to
4 paragraph six of subsection (b) of section six hundred fifty-one of the
5 tax law, and he or she shall deduct a like amount which he shall pay
6 into the treasury to the credit of the general fund from amounts subse-
7 quently payable to the department of social services, the state univer-
8 sity of New York, the city university of New York, the higher education
9 services corporation, or to the revenue arrearage account or special
10 offset fiduciary account pursuant to section ninety-one-a or
11 ninety-one-c of the state finance law, as the case may be, whichever had
12 been credited the amount originally withheld from such overpayment and,
13 with respect to amounts originally withheld from such overpayment pursu-
14 ant to section one hundred seventy-one-l of the tax law and paid to the
15 city of New York, the comptroller shall collect a like amount from the
16 city of New York. The state comptroller, after reserving such refund
17 fund and such costs shall, on or before the fifteenth day of each month,
18 pay to the chief fiscal officer of the city the balance of such taxes
19 collected, to be paid into the treasury of the city to the credit of the
20 general fund except that he or she shall pay to the state department of
21 social services that amount of overpayments of the taxes imposed pursu-

23 on such amount which is certified to him or her by the state commission-
24 er of taxation and finance as the amount to be credited against past-due
25 support pursuant to subdivision six of section one hundred seventy-one-c
26 of the tax law and except that he or she shall pay to the New York state
27 higher education services corporation that amount of overpayments of the
28 taxes imposed pursuant to this chapter or chapter nineteen of this title
29 and the interest on such amount which is certified to him or her by the
30 state commissioner of taxation and finance as the amount to be credited
31 against the amount of defaults in repayment of guaranteed student loans
32 pursuant to subdivision five of section one hundred seventy-one-d of the
33 tax law and except that he or she shall pay to the state university of
34 New York or the city university of New York, respectively, that amount
35 of overpayments of the taxes imposed pursuant to this chapter or chapter
36 nineteen of this title and the interest on such amount which is certi-
37 fied to him or her by the state commissioner of taxation and finance as
38 the amount to be credited against the amount of defaults in repayment of
39 state university or city university loans pursuant to subdivision six of
40 section one hundred seventy-one-e of the tax law, and except further
41 that, notwithstanding any other provision of law, he or she shall credit
42 to the revenue arrearage account, pursuant to section ninety-one-a of
43 the state finance law, that amount of overpayments of the taxes imposed
44 pursuant to this chapter or chapter nineteen of this title and the
45 interest on such amount which is certified to him or her by the state
46 commissioner of taxation and finance as the amount to be credited
47 against a past-due legally enforceable debt owed to a state agency
48 pursuant to paragraph (a) of subdivision six of section one hundred
49 seventy-one-f of the tax law, provided, however, he or she shall credit
50 to the special offset fiduciary account, pursuant to section
51 ninety-one-c of the state finance law, any such amount creditable as a
52 liability as set forth in paragraph (b) of subdivision six of section
53 one hundred seventy-one-f of the tax law, and except further that he or
54 she shall pay to the city of New York that amount of overpayments of tax
55 imposed pursuant to this chapter or chapter nineteen of this title and
56 the interest on such amount which is certified to him or her by the

1 state commissioner of taxation and finance as the amount to be credited
2 against city of New York tax warrant judgment debt pursuant to section
3 one hundred seventy-one-1 of the tax law. The amount deducted for admin-
4 istering, collecting and distributing such taxes during such monthly
5 period shall be paid by the state comptroller into the general fund of
6 the state treasury to the credit of the state purposes fund therein. The
7 first payment to such chief fiscal officer shall be made on or before
8 March fifteenth, nineteen hundred seventy-six, which payment shall
9 represent the balance of revenue after provision for refund and such
10 reasonable costs, with respect to taxes collected from January first,
11 nineteen hundred seventy-six through February twenty-ninth, nineteen
12 hundred seventy-six. Subsequent payments shall be made on or before
13 April fifteenth, nineteen hundred seventy-six and on or before the
14 fifteenth day of each succeeding month thereafter, and shall represent
15 the balance of revenue with respect to taxes collected the preceding
16 calendar month. The amounts so payable shall be certified to the state
17 comptroller by the state commissioner of taxation and finance or his or
18 her delegate, either of whom shall not be held liable for any inaccuracy
19 in such certificate. Where the amount so paid over to such chief fiscal
20 officer is more or less than the amount then due such city, the amount
21 of overpayment or underpayment shall be certified to the state comp-
22 troller by the state commissioner of taxation and finance or his or her
23 delegate, either of whom shall not be held liable for any inaccuracy in
24 such certificate. The amount of overpayment or underpayment shall be so
25 certified to the state comptroller as soon after the discovery of the
26 overpayment or underpayment as reasonably possible and subsequent
27 payments by the state comptroller to such chief fiscal officer shall be
28 adjusted by subtracting the amount of any such overpayment from, or by
29 adding the amount of any such underpayment to such number of subsequent
30 payments and distributions as the state comptroller and the state
31 commissioner of taxation and finance shall consider reasonable in view
32 of the amount of the overpayment or underpayment and all other facts and
33 circumstances.

34 § 11-1800 Enforcement with other taxes. (a) If there is assessed a
35 tax under this chapter and there is also assessed a tax or taxes against
36 the same taxpayer pursuant to article twenty-two of the tax law or under
37 chapter nineteen of this title and if the tax commission takes action
38 under such article twenty-two or under such chapter nineteen with
39 respect to the enforcement and collection of the tax or taxes assessed
40 under such articles or chapter, the tax commission shall, wherever
41 possible, accompany such action with a similar action under similar
42 enforcement and collection provisions of this chapter.

43 (b) Any moneys collected as a result of such joint action shall be
44 deemed to have been collected in proportion to the amounts due, includ-
45 ing tax, penalties, interest and additions to tax, under article twen-
46 ty-two of the tax law and this city income tax.

47 (c) Whenever the tax commission takes any action with respect to a
48 deficiency of income tax under article twenty-two of the tax law or
49 under chapter nineteen of this title, other than the action set forth in
50 subdivision (a) of this section, it may in its discretion accompany such
51 action with a similar action under such city income tax.

52 § 11-1801 Administration, collection and review. (a) Except as other-
53 wise provided in this chapter, any tax imposed by this chapter shall be
54 administered and collected by the tax commission in the same manner as
55 the tax imposed by article twenty-two of the tax law is administered and
56 collected by such commission. Whenever there is joint collection of

1 state and city personal income taxes, it shall be deemed that such
2 collections shall represent proportionately the applicable state and
3 city personal income taxes in determining the amount to be remitted to
4 the city.

5 (b) The tax commission, in its discretion, may require or permit any
6 or all persons liable for any tax imposed by this chapter to make
7 payments on account of estimated tax and payment of any tax, penalty or
8 interest to such banks, banking houses or trust companies designated by
9 the tax commission and to file returns with such banks, banking houses
10 or trust companies, as agent of the tax commission, in lieu of paying a
11 tax imposed by this chapter directly to the tax commission. However,
12 the tax commission shall designate only such banks, banking houses or
13 trust companies which are designated by the comptroller as depositories
14 of the state.

15 (c) Notwithstanding any other provisions of this chapter, the tax
16 commission may require:

17 (1) the filing of any or all of the following:

18 (A) a combined return which, in addition to the return provided for in
19 section 11-1751 of this chapter, may also include any or both of the
20 returns required to be filed by a resident individual of New York state
21 pursuant to the provisions of section six hundred fifty-one of the tax
22 law and which may be required to be filed by such individual pursuant to
23 chapter nineteen of this title and

24 (B) a combined employer's return which, in addition to the employer's
25 return provided for by this chapter, may also include any or both of the
26 employer's returns required to be filed by the same employer pursuant to
27 the provisions of section six hundred seventy-four of such law and
28 required to be filed by such employer pursuant to such chapter nineteen
29 of this title and

30 (2) where a combined return or employer's return is required, and with
31 respect to the payment of estimated tax, the tax commission may also
32 require the payment to it of a single amount which shall equal the total
33 of the amounts which would have been required to be paid with the
34 returns or employer's returns or in payment of estimated tax pursuant to
35 the provisions of article twenty-two of the tax law, and the provisions
36 of this chapter as if no combined return or employer's return were
37 required.

38 § 11-1802 Construction. This chapter shall be construed and enforced
39 in conformity with article thirty of the tax law, as added to such law
40 by chapter eight hundred eighty-one of the laws of nineteen hundred
41 seventy-five, pursuant to which article it is enacted.

2 section of such code.

3 (c) "Commissioner of finance" means the commissioner of finance of the
4 city.

5 (d) "This state" means the state of New York.

6 (e) "Wages" means wages as defined in subsection (a) of section thir-
7 ty-four hundred one of the internal revenue code, except that (1) wages
8 shall not include payments for active service as a member of the armed
9 forces of the United States and shall not include, in the case of a
10 nonresident individual or partner of a partnership doing an insurance
11 business as a member of the New York insurance exchange described in
12 section six thousand two hundred one of the insurance law, any item of
13 income, gain, loss or deduction of such business which is such individ-
14 ual's distributive or pro rata share for federal income tax purposes or
15 which such individual is required to take into account separately for
16 federal income tax purposes, and (2) wages shall include (i) the amount
17 of member or employee contributions to a retirement system or pension
18 fund picked up by the employer pursuant to subdivision f of section five
19 hundred seventeen or subdivision d of section six hundred thirteen of
20 the retirement and social security law or section 13-225.1, 13-327.1,
21 13-125.1, 13-125.2 or 13-521.1 of title thirteen of the code of the
22 preceding municipality or subdivision nineteen of section twenty-five
23 hundred seventy-five of the education law, (ii) the amount deducted or
24 deferred from an employee's salary under a flexible benefits program
25 established pursuant to section twenty-three of the general municipal
26 law or section twelve hundred ten-a of the public authorities law, (iii)
27 the amount by which an employee's salary is reduced pursuant to the
28 provisions of subdivision b of section 12-126.1 and subdivision b of
29 section 12-126.2 of title twelve of the code of the preceding munic-
30 ipality, and (iv) the amount of member or employee contributions to a
31 retirement system or pension fund picked up or paid by the employer for
32 members of the Manhattan and Bronx surface transportation authority
33 pension plan and treated as employer contributions in determining income
34 tax treatment under subdivision (h) of section four hundred fourteen of
35 the Internal Revenue Code.

36 (f) "Net earnings from self-employment" means the same as net earnings
37 from self-employment as defined in subsection (a) of section fourteen
38 hundred two of the internal revenue code, except that the deduction for
39 wages and salaries paid or incurred for the taxable year which is not
40 allowed pursuant to section two hundred eighty-c of such code shall be
41 allowed, and except that an estate or trust shall be deemed to have net
42 earnings from self-employment determined in the same manner as if it
43 were an individual subject to the tax on self-employment income imposed
44 by section fourteen hundred one of the internal revenue code diminished
45 by: (1) the amount of any deduction allowed by subsection (c) of
46 section six hundred forty-two of the internal revenue code and (2) the
47 deductions allowed by sections six hundred fifty-one and six hundred
48 sixty-one of such code to the extent that they represent distributions
49 or payments to a resident of the city. However, "trade or business" as
50 used in subsection (a) of section fourteen hundred two of such code
51 shall mean the same as trade or business as defined in subsection (c) of
52 section fourteen hundred two of such code, except that paragraphs four,
53 five and six of such subsection shall not apply in determining net earn-
54 ings from self-employment taxable under this chapter. Provided, however,
55 in the case of a nonresident individual or partner of a partnership
56 doing an insurance business described in section six thousand two

1 hundred one of the insurance law, any item of income, gain, loss or
2 deduction of such business which is the individual's distributive or pro
3 rata share for federal income tax purposes or which the individual is
4 required to take into account separately for federal income tax purposes
5 shall not be considered to be "net earnings from self-employment".

6 (g) "Taxable year" means the taxpayer's taxable year for federal
7 income tax purposes.

8 (h) Resident individual. A resident individual means an individual:

9 (1) who is domiciled in the city, unless (A) he or she maintains no
10 permanent place of abode in the city, maintains a permanent place of
11 abode elsewhere, and spends in the aggregate not more than thirty days
12 of the taxable year in the city, or (B) (i) within any period of five
13 hundred forty-eight consecutive days he or she is present in a foreign
14 country or countries for at least four hundred fifty days, and (ii)
15 during such period of five hundred forty-eight consecutive days he or
16 she is not present in the city for more than ninety days and does not
17 maintain a permanent place of abode in the city at which his or her
18 spouse, unless such spouse is legally separated, or minor children are
19 present for more than ninety days, and (iii) during any period of less
20 than twelve months which would be treated as a separate taxable period
21 pursuant to section 11-1919 of this chapter, and which period is
22 contained within such period of five hundred forty-eight consecutive
23 days, he or she is present in the city for a number of days which does
24 not exceed an amount which bears the same ratio to ninety as the number
25 of days contained in such period of less than twelve months bears to
26 five hundred forty-eight, or

27 (2) who is not domiciled in the city but maintains a permanent place
28 of abode in the city and spends in the aggregate more than one hundred
29 eighty-three days of the taxable year in the city, unless such individ-
30 ual is in active service in the armed forces of the United States.

31 (i) Nonresident individual. A nonresident individual means an individ-
32 ual who is not a resident.

33 (j) Resident estate or trust. A resident estate or trust means:

34 (1) the estate of a decedent who at his or her death was domiciled in
35 the city,

36 (2) a trust, or a portion of a trust, consisting of property trans-
37 ferred by will of a decedent who at his or her death was domiciled in
38 the city, or

39 (3) a trust, or portion of a trust, consisting of the property of:

40 (A) a person domiciled in the city at the time such property was
41 transferred to the trust, if such trust or portion of a trust was then
42 irrevocable, or if it was then revocable and has not subsequently become
43 irrevocable; or

44 (B) a person domiciled in the city at the time such trust, or portion
45 of a trust, became irrevocable, if it was revocable when such property
46 was transferred to the trust but has subsequently become irrevocable.

47 For the purposes of this subdivision, a trust or portion of a trust is
48 revocable if it is subject to a power, exercisable immediately or at any
49 future time, to revest title in the person whose property constitutes
50 such trust or portion of a trust, and a trust or portion of a trust
51 becomes irrevocable when the possibility that such power may be exer-
52 cised has been terminated.

53 (k) Nonresident estate or trust. A nonresident estate or trust means
54 an estate or trust which is not a resident.

55 (l) Unless a different meaning is clearly required, any terms used in
56 this chapter shall have the same meaning as when used in a comparable

1 context in the laws of the United States relating to federal taxes but
2 such meaning shall be subject to the exceptions or modifications
3 prescribed in or pursuant to article two-E of the general city law or by
4 the laws of this state. Any reference in this chapter to the internal
5 revenue code, the internal revenue code of nineteen hundred eighty-six
6 or to the laws of the United States shall mean the provisions of the
7 internal revenue code of nineteen hundred eighty-six, unless a reference
8 to the internal revenue code of nineteen hundred fifty-four is clearly
9 intended, and amendments thereto, and other provisions of the laws of
10 the United States relating to federal taxes, as the same are included in
11 the appendix and supplement to the appendix to this chapter. The quota-
12 tion of such laws of the United States is intended to make them a part
13 of this chapter and to avoid constitutional uncertainties which might
14 result if such laws were merely incorporated by reference. The quota-
15 tion of a provision of the federal internal revenue code or of any other
16 law of the United States shall not necessarily mean that it is applica-
17 ble to or has relevance to this chapter.

18 (m) With respect to any taxable year beginning in nineteen hundred
19 seventy, until and including the thirty-first day of December, nineteen
20 hundred seventy-one, "administrator" shall be read as "state tax commis-
21 sion"; "administrative agencies of the city" shall be read as "adminis-
22 trative agencies of the state"; "depositories or financial agents of the
23 city" shall be read as "depositories or financial agents of the state";
24 "officers or employees of the department of finance of the city" shall
25 be read as "officers or employees of the state department of taxation
26 and finance"; in sections 11-1934, 11-1936, 11-1939, and 11-1942 of this
27 chapter "city" shall be read as "state"; "corporation counsel or other
28 appropriate officer of the city" or "corporation counsel of the city"
29 shall be read as "state attorney general"; and the words "it" or "its"
30 shall apply instead of the pronouns used where the reference is to tax
31 commission. Provided, however, with respect to declarations of estimated
32 tax and payments of such tax and the withholding tax requirements, until
33 and including the thirty-first day of December, nineteen hundred seven-
34 ty-one, any such terms shall be so read with respect to any taxable year
35 or other period beginning in nineteen hundred seventy-one.

36 (n) The term "partnership" shall include, unless a different meaning
37 is clearly required, a subchapter K limited liability company. The term
38 "subchapter K limited liability company" shall mean a limited liability
39 company classified as a partnership for federal income tax purposes. The
40 term "limited liability company" means a domestic limited liability
41 company or a foreign limited liability company, as defined in section
42 one hundred two of the limited liability company law, a limited liabil-
43 ity investment company formed pursuant to section five hundred seven of
44 the banking law, or a limited liability trust company formed pursuant to
45 section one hundred two-a of the banking law.

46 § 11-1902 Persons subject to tax. (a) Imposition of tax. (1) A tax is
47 hereby imposed for each taxable year ending on or after July first,
48 nineteen hundred sixty-six and on or before December thirty-first, nine-
49 teen hundred seventy and for each taxable year beginning after December
50 thirty-first, nineteen hundred ninety-nine, on the wages earned and net
51 earnings from self-employment, within the city, of every nonresident
52 individual, estate and trust which shall comprise: (i) A tax at the
53 rate of one-fourth of one percent on all wages.

54 (ii) A tax at the rate of three-eighths of one percent on all net
55 earnings from self-employment.

(2) For each taxable year beginning on or after January first, nineteen hundred seventy-one and ending on or before December thirty-first, nineteen hundred ninety-nine, a tax is hereby imposed on the wages earned, and net earnings from self-employment, within the city, of every nonresident individual, estate and trust which shall comprise: (i) A tax at the rate of forty-five hundredths of one percent on all wages.

(ii) A tax at the rate of sixty-five hundredths of one percent on all net earnings from self-employment.

(3) For each taxable year beginning in nineteen hundred seventy and ending in nineteen hundred seventy-one, two tentative taxes shall be computed, the first as provided in paragraph one of this subdivision and the second as provided in paragraph two of this subdivision, and the tax for each such year shall be the sum of that proportion of each tentative tax which the number of days in nineteen hundred seventy and the number of days in nineteen hundred seventy-one, respectively, bears to the number of days in the entire taxable year.

(4) For each taxable year beginning in nineteen hundred ninety-nine and ending in two thousand, two tentative taxes shall be computed, the first as provided in paragraph two of this subdivision and the second as provided in paragraph one of this subdivision, and the tax for each such year shall be the sum of that proportion of each tentative tax which the number of days in nineteen hundred ninety-nine and the number of days in two thousand, respectively, bears to the number of days in the entire taxable year.

(b) Exclusion. (1) In computing the amount of wages and net earnings from self-employment taxable under subdivision (a) of this section, there shall be allowed an exclusion against the total of wages and net earnings from self-employment in accordance with the following table:

Total of wages and net earnings	
from self-employment	Exclusion allowable
Not over \$10,000	\$3,000
Over \$10,000 but not over \$20,000	\$2,000
Over \$20,000 but not over \$30,000	\$1,000
Over \$30,000	None

(2) The exclusion allowable shall be applied pro rata against wages and net earnings from self-employment.

(3) For taxable periods of less than one year, the exclusion allowable shall be prorated pursuant to regulations of the commissioner.

(c) Limitation. In no event shall a taxpayer be subject to the tax under this chapter in an amount greater than such taxpayer would be required to pay if such taxpayer were a resident of the city and subject to a tax on personal income of residents of the city adopted by the city pursuant to authority granted by the general city law or the tax law.

§ 11-1903 Taxable years to which tax imposed by this chapter applies; tax for taxable years beginning prior to and ending after July first, nineteen hundred sixty-six. (a) General. The tax imposed by this chapter is imposed for each taxable year beginning with taxable years ending on or after July first, nineteen hundred sixty-six.

(b) Alternate methods for determining tax for taxable years ending on or after July first, nineteen hundred sixty-six. (1) The tax for any taxable year ending on or after July first, nineteen hundred sixty-six and on or before June thirtieth, nineteen hundred sixty-seven, shall be the same part of the tax which would have been imposed had this chapter been in effect for the entire taxable year as the number of months, or

1 major portions thereof, of the taxable year occurring after July first,
2 nineteen hundred sixty-six is of the number of months, or major portions
3 thereof, in the taxable year.

4 (2)(i) In lieu of the method of computation of tax prescribed in para-
5 graph one of this subdivision, if the taxpayer maintains adequate
6 records for any taxable year ending on or after July first, nineteen
7 hundred sixty-six and on or before June thirtieth, nineteen hundred
8 sixty-seven, the tax for such taxable year, at the election of the
9 taxpayer, may be computed on the basis of the wages which the taxpayer
10 would have reported had he or she filed a federal income tax return for
11 a taxable year beginning July first, nineteen hundred sixty-six, and
12 ending with the close of such taxable year ending on or before June
13 thirtieth, nineteen hundred sixty-seven, and the net earnings from self-
14 employment which the taxpayer would have reported for federal income tax
15 purposes had he or she filed a self-employment tax return for a taxable
16 year beginning July first, nineteen hundred sixty-six and ending with
17 the close of such taxable year ending on or before June thirtieth, nine-
18 teen hundred sixty-seven.

19 (ii) For purposes of this paragraph, the exclusions allowable under
20 section 11-1902 of this subchapter shall be reduced by a fraction, the
21 numerator of which is the number of months, or major portions thereof,
22 of the taxable year occurring before July first, nineteen hundred
23 sixty-six, and the denominator of which is the number of months, or
24 major portions thereof, in the taxable year. Except as provided in this
25 paragraph, the tax for such period ending on or before June thirtieth,
26 nineteen hundred sixty-seven, shall be computed in accordance with the
27 other provisions of this chapter.

28 § 11-1904 Allocation to the city. (a) General. If net earnings from
29 self-employment are derived from services performed, or from sources,
30 within and without the city, there shall be allocated to the city a fair
31 and equitable portion of such earnings.

32 (b) Allocation of net earnings from self-employment.

33 (1) Place of business. If a taxpayer has no regular place of business
34 outside the city all of his or her net earnings from self-employment
35 shall be allocated to the city.

36 (2) Allocation by taxpayer's books. The portion of net earnings from
37 self-employment allocable to the city may be determined from the books
38 and records of a taxpayer's trade or business, if the methods used in
39 keeping such books and the accuracy thereof are approved by the commis-
40 sioner as fairly and equitably reflecting net earnings from self-employ-
41 ment within the city.

42 (3) Allocation by formula. If paragraph two of this subdivision does
43 not apply to the taxpayer, the portion of net earnings from self-employ-
44 ment allocable to the city shall be determined by multiplying (A) net
45 earnings from self-employment within and without the city, by (B) the
46 average of the following three percentages:

47 (i) Property percentage. The percentage computed by dividing (A) the
48 average of the value, at the beginning and end of the taxable year, of
49 real and tangible personal property connected with net earnings from
50 self-employment and located within the city, by (B) the average of the
51 value, at the beginning and end of the taxable year, of all real and
52 tangible personal property connected with the net earnings from self-em-
53 ployment and located both within and without the city. For this
54 purpose, real property shall include real property whether owned or
55 rented.

1 (ii) Payroll percentage. The percentage computed by dividing (A) the
2 total wages, salaries and other personal service compensation paid or
3 incurred during the taxable year to employees in connection with the net
4 earnings from self-employment derived from a trade or business carried
5 on within the city, by (B) the total of all wages, salaries and other
6 personal service compensation paid or incurred during the taxable year
7 to employees in connection with the net earnings from self-employment
8 derived from a trade or business carried on both within and without the
9 city.

10 (iii) Gross income percentage. The percentage computed by dividing
11 (A) the gross sales or charges for services performed by or through an
12 agency located within the city, by (B) the total of all gross sales or
13 charges for services performed within and without the city. The sales
14 or charges to be allocated to the city shall include all sales negoti-
15 ated or consummated, and charges for services performed, by an employee,
16 agent, agency or independent contractor chiefly situated at, connected
17 by contract or otherwise with, or sent out from, offices or other agen-
18 cies of the trade or business from which a taxpayer is deriving net
19 earnings from self-employment, situated within the city.

20 (c) Other allocation methods. The portion of net earnings from self-
21 employment allocable to the city shall be determined in accordance with
22 rules and regulations of the commissioner if it shall appear to the
23 commissioner that the net earnings from self-employment are not fairly
24 and equitably reflected under the provisions of subdivision (b) of this
25 section.

26 (d) Special rules for real estate. Income and deductions from the
27 rental of real property and gain and loss from the sale, exchange or
28 other disposition of real property, shall not be subject to allocation
29 under subdivision (b) or (c) of this section, but shall be considered as
30 entirely derived from or connected with the place in which such property
31 is located.

32 § 11-1905 Accounting periods and methods. (a) Accounting periods. A
33 taxpayer's taxable year under this chapter shall be the same as his or
34 her taxable year for federal income tax purposes.

35 (b) Change of accounting periods. If a taxpayer's taxable year is
36 changed for federal income tax purposes, his or her taxable year for
37 purposes of this chapter shall be similarly changed. If a taxable peri-
38 od of less than twelve months results from a change of taxable year, the
39 exclusion allowable under section 11-1902 of this subchapter shall be
40 prorated under regulations of the commissioner.

41 (c) Accounting methods. A taxpayer's method of accounting under this
42 chapter shall be the same as his or her method of accounting for federal
43 income tax purposes. In the absence of any method of accounting for
44 federal income tax purposes, net earnings from self-employment within
45 the city shall be computed under such method as in the opinion of the
46 commissioner clearly reflects net earnings from self-employment within
47 the city.

48 (d) Change of accounting methods. (1) If a taxpayer's method of
49 accounting is changed for federal income tax purposes, his or her method
50 of accounting for purposes of this chapter shall be similarly changed.

51 (2) If a taxpayer's method of accounting is changed, other than from
52 an accrual to an installment method, any additional tax which results
53 from adjustments determined to be necessary solely by reason of the
54 change shall not be greater than if such adjustments were ratably allo-
55 cated and included for the taxable year of the change and the preceding
56 taxable years, beginning after July first, nineteen hundred sixty-six,

1 not in excess of two, during which the taxpayer used the method of
2 accounting from which the change is made.

3 (3) If a taxpayer's method of accounting is changed from an accrual to
4 an installment method, any additional tax for the year of such change of
5 method and for any subsequent year which is attributable to the receipt
6 of installment payments properly accrued in a prior year, shall be
7 reduced by the portion of tax for any prior taxable year attributable to
8 the accrual of such installment payments, in accordance with regulations
9 of the commissioner.

10 § 11-1908 Withholding of tax on wages. On or after the first payroll
11 period beginning August twenty-seventh, nineteen hundred sixty-six,
12 every employer maintaining an office or transacting business within this
13 state and making payment of any wages taxable under this chapter shall
14 deduct and withhold from such wages for each payroll period a tax
15 computed in such manner as to result, so far as practicable, in with-
16 holding from the employee's wages during each calendar year an amount
17 substantially equivalent to the tax reasonably estimated to be due from
18 the employee under this chapter. The method of determining the amount to
19 be withheld shall be prescribed by regulations of the commissioner.

20 § 11-1909 Withholding of tax on wages for taxable periods commencing
21 on or after January first, nineteen hundred seventy-six. The provisions
22 contained in sections 11-1908, 11-1910, 11-1911, 11-1912, 11-1913 and
23 11-1914 of this subchapter shall not be applicable to taxes imposed for
24 taxable periods commencing on or after January first, nineteen hundred
25 seventy-six provided however, with respect to such periods, the
26 provisions contained in part V of article twenty-two of the tax law
27 shall be applicable with the same force and effect as if those
28 provisions had been incorporated in full in this section except that the
29 term "aggregate amount" contained in paragraphs one, two and three of
30 subsection (a) of section six hundred seventy-four of the tax law shall
31 mean the aggregate amounts of New York state personal income tax, city
32 earnings tax on nonresidents and city personal income tax on residents
33 authorized pursuant to article thirty of the tax law required to be
34 deducted and withheld and provided, however, that the provisions of such
35 paragraphs shall not be applicable to employer's returns required to be
36 filed with respect to taxes required to be deducted and withheld during
37 the calendar year nineteen hundred seventy-six, but such returns shall
38 be required to be filed with the tax commission at the times and in the
39 manner provided for in subdivision (a) of section 11-1912 of this
40 subchapter, except the term "commission" in such subdivision shall be
41 read as "tax commission." This section shall not apply to payments by
42 the United States for service in the armed forces of the United States
43 so long as the right to require deduction and withholding of tax from
44 such payments is prohibited by the laws of the United States. Service in
45 the armed forces of the United States shall have the same meaning as
46 when used in a comparable context in the laws of the United States
47 relating to withholding of city income taxes.

48 § 11-1910 Information statement for employee. Every employer required
49 to deduct and withhold tax under this chapter from the wages of an
50 employee, shall furnish to each such employee in respect of the wages
51 paid by such employer to such employee during the calendar year on or
52 before February fifteenth of the succeeding year, or, if his or her
53 employment is terminated before the close of such calendar year, within
54 thirty days from the date on which the last payment of the wages is
55 made, a written statement as prescribed by the commissioner showing the
56 total amount of wages paid by the employer to the employee, the amount

1 of wages paid for services performed within the city, the amount
2 deducted and withheld as tax, and such other information as the commis-
3 sioner may prescribe. The written statement required under this
4 section may be furnished to such employee in an electronic format.

5 § 11-1911 Credit for tax withheld. Wages upon which tax is required to
6 be withheld shall be taxable under this chapter as if no withholding
7 were required, but any amount of tax actually deducted and withheld
8 under this chapter in any calendar year shall be deemed to have been
9 paid on behalf of the employee from whom withheld, and such employee
10 shall be credited with having paid that amount of tax in such calendar
11 year. For a taxable year of less than twelve months, the credit shall be
12 made under regulations of the commissioner.

13 § 11-1912 Employer's return and payment of withheld taxes. (a) Gener-
14 al. On or after the first payroll period beginning August twenty-sev-
15 enth, nineteen hundred sixty-six, every employer required to deduct and
16 withhold tax under this chapter shall, for each calendar month, on or
17 before the fifteenth day of the month following the close of such calen-
18 dar month file a withholding return as prescribed by the commissioner
19 and pay over to the commissioner or to the depository designated by the
20 commissioner, the taxes so required to be deducted and withheld, except
21 that for the month of December in any year the returns shall be filed
22 and the taxes paid on or before January thirty-first of the succeeding
23 year. Where the aggregate amount required to be deducted and withheld
24 by any employer under this chapter and under chapter seventeen of this
25 title is less than twenty-five dollars in a calendar month and the
26 aggregate of such taxes for the semi-annual period ending on June thir-
27 tieth and December thirty-first can reasonably be expected to be less
28 than one hundred fifty dollars, the commissioner may, by regulation,
29 permit an employer to file a return on or before July thirty-first for
30 the semi-annual period ending on June thirtieth and on or before January
31 thirty-first for the semi-annual period ending on December thirty-first.
32 The commissioner may, if he or she believes such action necessary for
33 the protection of the revenues, require any employer to make a return
34 and pay to him or her the tax deducted and withheld at any time, or from
35 time to time. Where the amount of wages paid by an employer is not
36 sufficient under this chapter and under chapter seventeen of this title
37 to require the withholding of tax from the wages of any of his or her
38 employees, the commissioner may, by regulation, permit such employer to
39 file an annual return on or before February twenty-eighth of the follow-
40 ing calendar year.

41 (b) Combined returns. The commissioner may by regulation provide for
42 the filing of one return which shall include the return required to be
43 filed under this section, together with the employer's return required
44 to be filed under chapter seventeen of this title.

45 (c) Deposit in trust for city. Whenever any employer fails to collect,
46 truthfully account for, pay over the tax, or make returns of the tax as
47 required in this section, the commissioner may serve a notice requiring
48 such employer to collect the taxes which become collectible after
49 service of such notice, to deposit such taxes in a bank approved by the
50 commissioner, in a separate account, in trust for the city and payable
51 to the commissioner, and to keep the amount of such tax in such account
52 until payment over to the commissioner. Such notice shall remain in
53 effect until a notice of cancellation is served by the commissioner.

54 § 11-1913 Employer's liability for withheld taxes. Every employer
55 required to deduct and withhold the tax under this chapter is hereby
56 made liable for such tax. For purposes of assessment and collection,

1 any amount required to be withheld and paid over to the commissioner,
2 and any additions to tax, penalties and interest with respect thereto
3 shall be considered the tax of the employer. Any amount of tax actually
4 deducted and withheld under this chapter shall be held to be a special
5 fund in trust for the city. No employee shall have any right of action
6 against his or her employer in respect to any monies deducted and with-
7 held from his or her wages and paid over to the commissioner in compli-
8 ance or in intended compliance with this chapter.

9 § 11-1914 Employer's failure to withhold. If an employer fails to
10 deduct and withhold the tax, as required, and thereafter the tax against
11 which such tax may be credited is paid, the tax so required to be
12 deducted and withheld shall not be collected from the employer, but the
13 employer shall not be relieved from liability for any penalties, inter-
14 est or additions to the tax otherwise applicable in respect of such
15 failure to deduct and withhold.

16 § 11-1915 Combined returns, employer's returns and payments. The
17 state tax commission may require:

18 (1) The filing of any or all of the following:

19 (A) A combined return which in addition to the return provided for in
20 this chapter may also include returns required to be filed under a law
21 authorized by article thirty of the tax law and under article twenty-two
22 of the tax law.

23 (B) A combined employer's return which in addition to the employer's
24 return provided for by this chapter may also include employer's returns
25 required to be filed under a law authorized by article thirty of the tax
26 law and under article twenty-two of the tax law.

27 (2) Where a combined return or employer's return is required, and
28 with respect to the payment of estimated tax, the state tax commission
29 may also require payment of a single amount which shall be the total of
30 the amounts, total taxes less any credits or refunds, required to be
31 paid with the returns or employer's returns or in payment of estimated
32 tax pursuant to the provisions of this chapter, a law authorized by
33 article thirty of the tax law and pursuant to the provisions of article
34 twenty-two of the tax law.

35 SUBCHAPTER 2

36 RETURNS AND PAYMENT OF TAX

37 § 11-1916 Returns and payment of tax. (a) General. On or before the
38 fifteenth day of the fourth month following the close of the taxable
39 year, every person subject to the tax shall make and file a return and
40 any balance of the tax shown due on the face of such return shall be
41 paid therewith. The commissioner may, by regulation, provide for the
42 filing of returns and payment of the tax at such other times as he or
43 she deems necessary for the proper enforcement of this chapter. The
44 commissioner may also provide by regulation that any return otherwise
45 required to be made and filed under this chapter by any nonresident
46 individual need not be made and filed if such nonresident individual
47 had, during the taxable year to which the return would relate, no net
48 earnings from self-employment within the city. Any regulation allowing
49 such waiver of return may provide for additional limitations on and
50 conditions and prerequisites to the privilege of not filing a return.

51 (b) Decedents. The return for any deceased individual shall be made
52 and filed by his or her executor, administrator, or other person charged
53 with his or her property. If a final return of a decedent is for a
54 fractional part of a year, the due date of such return shall be the

1 fifteenth day of the fourth month following the close of the twelve-
2 month period which began with the first day of such fractional part of
3 the year.

4 (c) Individuals under a disability. The return for an individual who
5 is unable to make a return by reason of minority or other disability
6 shall be made and filed by his or her guardian, committee, fiduciary or
7 other person charged with the care of his or her person or property,
8 other than a receiver in possession of only a part of his or her proper-
9 ty, or by his or her duly authorized agent.

10 (d) Estates and trust. The return for an estate or trust shall be made
11 and filed by the fiduciary.

12 (e) Joint fiduciaries. If two or more fiduciaries are acting jointly,
13 the return may be made by any one of them.

14 (f) Cross reference. For provisions as to information returns by part-
15 nerships, employers and other persons, see section 11-1921 of this
16 subchapter.

17 § 11-1917 Time and place for filing returns and paying tax. A person
18 required to make and file a return under this chapter shall, without
19 assessment, notice or demand, pay any tax due thereon to the commis-
20 sioner on or before the date fixed for filing such return, determined with-
21 out regard to any extension of time for filing the return. The commis-
22 sioner shall prescribe by regulation the place for filing any return,
23 statement, or other document required pursuant to this chapter and for
24 payment of any tax.

25 § 11-1918 Signing of returns and other documents. (a) General. Any
26 return, statement or other document required to be made pursuant to this
27 chapter shall be signed in accordance with regulations or instructions
28 prescribed by the commissioner. The fact that an individual's name is
29 signed to a return, statement, or other document, shall be prima facie
30 evidence for all purposes that the return, statement or other document
31 was actually signed by such individual.

32 (b) Partnerships. Any return, statement or other document required of
33 a partnership shall be signed by one or more partners. The fact that a
34 partner's name is signed to a return, statement, or other document,
35 shall be prima facie evidence for all purposes that such partner is
36 authorized to sign on behalf of the partnership.

37 (c) Certifications. The making or filing of any return, statement or
38 other document or copy thereof required to be made or filed pursuant to
39 this chapter, including a copy of a federal return, shall constitute a
40 certification by the person making or filing such return, statement or
41 other document or copy thereof that the statements contained therein are
42 true and that any copy filed is a true copy.

43 § 11-1919 Change of residence status during year. (a) General. If an
44 individual changes his or her status during his or her taxable year from
45 resident to nonresident, or from nonresident to resident, he or she
46 shall file a return as a nonresident for the portion of the year during
47 which he or she is a nonresident if he or she is subject to the tax
48 imposed by this chapter or, if not subject to such tax, an information
49 return for the portion of the year during which he or she is a nonresi-
50 dent, subject to such exceptions as the commissioner may prescribe by
51 regulation. Such information return shall be due at the same time as
52 the return required by chapter seventeen of this title for the portion
53 of the year during which such individual is a resident.

54 (b) City taxable wages and net earnings from self-employment for
55 portion of year individual is a nonresident. The city taxable wages and
56 net earnings from self-employment for the portion of the year during

1 which he or she is a nonresident shall be determined, except as provided
2 in subdivision (c) of this section, under this chapter as if his or her
3 taxable year for federal income tax purposes were limited to the period
4 of his or her nonresident status.

5 (c) Special accruals. (1) If an individual changes his or her status
6 from resident to nonresident, he or she shall, regardless of his or her
7 method of accounting, accrue for the portion of the taxable year prior
8 to such change of status any items of income, gain, loss or deduction
9 accruing prior to the change of status, if not otherwise properly inclu-
10 dible, whether or not because of an election to report on an installment
11 basis, or allowable for city earnings tax purposes for such portion of
12 the taxable year for a prior taxable year. The amounts of such accrued
13 items shall be determined as if such accrued items were includible or
14 allowable for federal self-employment tax purposes.

15 (2) If an individual changes his or her status from nonresident to
16 resident, he or she shall, regardless of his or her method of account-
17 ing, accrue for the portion of the taxable year prior to such change of
18 status any items of income, gain, loss or deduction accruing prior to
19 the change of status, if not otherwise properly includible, whether or
20 not because of an election to report on an installment basis, or allow-
21 able for federal self-employment tax purposes for such portion of the
22 taxable year or for prior taxable year. The amounts of such accrued
23 items shall be determined if such accrued items were includible or
24 allowable for federal self-employment tax purposes.

25 (3) No item of income, gain, loss or deduction which is accrued under
26 this subdivision shall be taken into account in determining city
27 adjusted wages earned, or net earnings from self-employment, within the
28 city, for any subsequent taxable period.

29 (4) Where an individual changes his or her status from resident to
30 nonresident, the accruals under this subdivision shall not be required
31 if the individual files with the commissioner a bond or other security
32 acceptable to the commissioner, conditioned upon the inclusion of
33 amounts accruable under this subdivision in city adjusted gross income
34 under chapter seventeen of this title for one or more subsequent taxable
35 years as if the individual has not changed his or her resident status.
36 In such event, the tax under this chapter shall not apply to such
37 amounts.

38 (d) Prorations. Where an individual changes his or her status during
39 his or her taxable year from resident to nonresident or from nonresident
40 to resident, the exclusion allowable under subdivision (b) of section
41 11-1902 of this chapter shall be prorated, under regulations of the
42 commissioner, to reflect the portions of the entire taxable year during
43 which the individual was a resident and a nonresident.

44 § 11-1920 Extension of time. (a) General. The commissioner may grant a
45 reasonable extension of time for payment of tax or estimated tax, or any
46 installment, or for filing any return, statement, or other document
47 required pursuant to this chapter, on such terms and conditions as he or
48 she may require. Except for a taxpayer who is outside the United States
49 or who intends to claim nonresident status pursuant to subparagraphs
50 (i), (ii) and (iii) of paragraph one of subdivision (h) of section
51 11-1901 of this chapter, no such extension for filing any return, state-
52 ment or other document, shall exceed six months.

53 (b) Furnishing of security. If any extension of time is granted for
54 payment of any amount of tax, the commissioner may require the taxpayer
55 to furnish a bond or other security in an amount not exceeding twice the

1 amount for which the extension of time for payment is granted, on such
2 terms and conditions as the commissioner may require.

3 § 11-1921 Requirements concerning returns, notices, records and state-
4 ments. (a) General. The commissioner may prescribe regulations as to the
5 keeping of records, the content and form of returns and statements, and
6 the filing of copies of federal income tax returns and determinations.
7 The commissioner may require any person, by regulation or notice served
8 upon such person, to make such returns, render such statements, or keep
9 such records, as the commissioner may deem sufficient to show whether or
10 not such person is liable under this chapter for tax or for collection
11 of tax.

12 (b) Partnerships. Every partnership doing business in the city and
13 having no partners who are residents shall make a return for the taxable
14 year setting forth all items of income, gain, loss and deduction and
15 such other pertinent information as the commissioner may by regulations
16 and instructions prescribe. Such return shall be filed on or before the
17 fifteenth day of the fourth month following the close of each taxable
18 year. For purposes of this subdivision, "taxable year" means year or
19 period which would be a taxable year of the partnership if it were
20 subject to tax under this chapter.

21 (c) Information at source. The commissioner may prescribe regulations
22 and instructions requiring returns of information to be made and filed
23 on or before February twenty-eighth of each year as to the payment or
24 crediting in any calendar year of amounts of six hundred dollars or more
25 to any taxpayer under this chapter. Such returns may be required of any
26 person, including lessees or mortgagors of real or personal property,
27 fiduciaries, employers, and all officers and employees of this state, or
28 any municipal corporation or political subdivision of this state, having
29 the control, receipt, custody, disposal or payment of interest, rents,
30 salaries, wages, premiums, annuities, compensations, remunerations,
31 emoluments or other fixed or determinable gains, profits or income,
32 except interest coupons payable to bearer. A duplicate of the statement
33 as to tax withheld on wages, required to be furnished by an employer to
34 an employee, shall constitute the return of information required to be
35 made under this section with respect to such wages.

36 (d) Notice of qualification as receiver, etc. Every receiver, trustee
37 in bankruptcy, assignee for benefit of creditors, or other like fiduci-
38 ary shall give notice of his or her qualifications as such to the
39 commissioner, as may be required by regulation.

40 § 11-1922 Report of change in federal or New York state taxable
41 income. If the amount of a taxpayer's federal or New York state taxable
42 income or self-employment income reported on his or her federal or New
43 York state tax return for any taxable year is changed or corrected by
44 the United States internal revenue service or the New York state commis-
45 sioner of taxation and finance or other competent authority, or as the
46 result of a renegotiation of a contract or subcontract with the United
47 States or New York state or if a taxpayer, pursuant to subsection (d) of
48 section six thousand two hundred thirteen of the internal revenue code,
49 executes a notice of waiver of the restrictions provided in subsection
50 (a) of said section or if a taxpayer, pursuant to subdivision (f) of
51 section six hundred eighty-one of the tax law executes a notice of waiv-
52 er of the restrictions provided in subdivision (c) of said section, or
53 if any tax on self-employment income in addition to that shown on his or
54 her return is assessed, the taxpayer shall report such change or
55 correction in federal or New York state taxable income or such execution
56 of such notice of waiver or such assessment and the changes or

1 corrections of his or her federal or New York state taxable income or
2 self-employment income on which it is based, within ninety days after
3 the final determination of such change, correction, or renegotiation, or
4 such execution of such notice of waiver or the making of such assessment
5 as otherwise required by the commissioner, and shall concede the accuracy
6 of such determination or state wherein it is erroneous. Any taxpayer
7 filing an amended federal or New York state income or self-employment
8 income tax return shall also file within ninety days thereafter an
9 amended return under this chapter, and shall give such information as
10 the commissioner may require. The commissioner may by regulation
11 prescribe such exceptions to the requirements of this section as he or
12 she deems appropriate. For purposes of this section, (i) the term
13 "taxpayer" shall include a partnership having any income derived from
14 city sources, and (ii) the term "federal income tax return" shall
15 include the returns of income required under section six thousand thirty-
16 ty-one of the internal revenue code. Reports made under this section by
17 a partnership shall indicate the portion of the change in each item of
18 income, gain, loss or deduction allocable to each partner and shall set
19 forth such identifying information with respect to such partner as may
20 be prescribed by the commissioner.

SUBCHAPTER 3
PROCEDURE AND ADMINISTRATION

23 § 11-1923 Notice of deficiency. (a) General. If upon examination of a
24 taxpayer's return under this chapter the commissioner determines that
25 there is a deficiency of tax, he or she may mail a notice of deficiency
26 to the taxpayer. If a taxpayer fails to file a return required under
27 this chapter, the commissioner is authorized to estimate the taxpayer's
28 wages and net earnings from self-employment or the wages from which
29 taxes are required to be deducted and withheld and the tax thereon, from
30 any information in the commissioner's possession, and to mail a notice
31 of deficiency to the taxpayer. A notice of deficiency shall be mailed
32 by certified or registered mail to the taxpayer at such taxpayer's last
33 known address in or out of the city. If the taxpayer is deceased last
34 under a legal disability, a notice of deficiency may be mailed to his or
35 her last known address in or out of the city, unless the commissioner
36 has received notice of the existence of a fiduciary relationship with
37 respect to the taxpayer.

38 (b) Notice of deficiency as assessment. The notice of deficiency shall
39 be an assessment of the amount of tax specified in such notice, together
40 with the interest, additions to tax and penalties stated in such notice.

41 (c) Restrictions on collection and levy. No notice and demand for
42 payment of an assessment of a deficiency in tax made by a notice of
43 deficiency and no levy or proceeding in court for its collection shall
44 be made, begun or prosecuted, except as otherwise provided in section
45 11-1937 of this subchapter, until the expiration of the time for filing
46 a petition contesting such notice, nor, if a petition with respect to
47 the taxable year has been filed with the commissioner, until the deci-
48 sion of the commissioner has become final. After a petition has been
49 filed the restriction provided herein shall not apply to such part of
50 the deficiency as is not contested by the petition. For exception in
51 the case of judicial review of the decision of the commissioner, see
52 subdivision (c) of section 11-1932 of this subchapter.

53 (d) Exceptions for mathematical errors. If a mathematical error
54 appears on a return, including an overstatement of the credit for tax

1 withheld at the source or of the amount paid as estimated tax, the
2 commissioner shall notify the taxpayer that an amount of tax in excess
3 of that shown upon the return is due, and that such excess has been
4 assessed. Such notice shall not be considered as a notice of deficiency
5 for the purposes of this section, subdivision (f) of section 11-1929 of
6 this subchapter, limiting credits or refunds after petition to the
7 commissioner, or subdivision (b) of section 11-1931 of this subchapter,
8 authorizing the filing of a petition with the commissioner based on a
9 notice of deficiency, nor shall collection of such assessment be prohib-
10 ited by the provisions of subdivision (c) of this section.

11 (e) Exception where change in federal or New York state taxable income
12 is not reported (1) If the taxpayer fails to comply with section 11-1922
13 of this chapter in not reporting a change or correction increasing his
14 or her federal or New York state taxable income or self-employment
15 income as reported on such taxpayer's federal or New York state tax
16 return or in not reporting a change or correction which is treated in
17 the same manner as if it were a deficiency for federal or New York state
18 tax purposes or in not filing an amended return or in not reporting the
19 execution of a notice of waiver or an assessment described in such
20 section, instead of the mode and time of assessment and collection
21 provided for in subdivision (b) of this section, the commissioner may
22 assess a deficiency based upon such changed or corrected federal or New
23 York state taxable income or self-employment income by mailing to the
24 taxpayer a notice of additional tax due specifying the amount of the
25 deficiency, and such deficiency, together with the interest, additions
26 to tax and penalties stated in such notice, shall be deemed assessed and
27 subject to collection procedures on the date such notice is mailed
28 unless within thirty days after the mailing of such notice a report of
29 the federal or New York state change or correction or an amended return,
30 where such return was required by section 11-1922 of this chapter is
31 filed accompanied by a statement showing wherein such federal or New
32 York state determination of such notice of additional tax due are erro-
33 neous.

34 (2) Such notice shall not be considered as a notice of deficiency for
35 the purposes of this section, subdivision (f) of section 11-1929 of this
36 subchapter, limiting credits or refunds after petition to the commis-
37 sioner, or subdivision (b) of section 11-1931 of this subchapter,
38 authorizing the filing of a petition with the commissioner based on a
39 notice of deficiency, nor shall the collection of such assessment be
40 prohibited by the provisions of subdivision (c) of this section.

41 If the taxpayer is deceased or under a legal disability, a notice of
42 additional tax due may be mailed to his or her last known address in or
43 out of the city, unless the commissioner has received notice of the
44 existence of a fiduciary relationship with respect to the taxpayer.

45 (f) Waiver of restrictions. The taxpayer shall at any time have the
46 right to waive the mailing of a notice of deficiency or restriction on
47 collection of the whole or any part of the deficiency, or both, by a
48 signed notice in writing filed with the commissioner.

49 (g) Deficiency defined. For purposes of this chapter, a deficiency
50 means the amount of the tax imposed by this chapter, less (1) the amount
51 shown as the tax upon the taxpayer's return, whether the return was made
52 or the tax computed by the taxpayer or by the commissioner, and less,
53 (2) the amounts previously assessed, or collected without assessment, as
54 a deficiency and plus (3) the amount of any rebates. For the purpose of
55 this definition, the tax imposed by this chapter and the tax shown on
56 the return shall both be determined without regard to payments on

1 account of estimated tax or the credit for withholding tax; and a rebate
2 means so much of an abatement, refund or other repayment, whether or not
3 erroneous, made on the ground that the amounts entering into the defi-
4 nition of a deficiency showed a balance in favor of the taxpayer.

5 § 11-1924 Assessment. (a) Assessment date. The amount of tax which a
6 return shows to be due, or the amount of tax which a return would have
7 shown to be due but for a mathematical error, shall be deemed to be
8 assessed on the date of filing of the return, including any amended
9 return showing an increase of tax. In the case of a return properly
10 filed without computation of tax, the tax computed by the commissioner
11 shall be deemed to be assessed on the date on which payment is due. If
12 a notice of deficiency has been mailed, the amount of the deficiency
13 shall be deemed to be assessed on the date on which it is mailed. If an
14 amended return or report filed pursuant to section 11-1922 of this chap-
15 ter concedes the accuracy of a federal or New York state adjustment,
16 change or correction, any deficiency in tax under this chapter resulting
17 therefrom shall be deemed to be assessed on the date of filing such
18 report or amended return, and such assessment shall be timely notwith-
19 standing section 11-1925 of this subchapter. If a notice of additional
20 tax due, as prescribed in subdivision (e) of section 11-1923 of this
21 subchapter, has been mailed, the amount of the deficiency shall be
22 deemed to be assessed on the date specified in such subdivision unless
23 within thirty days after the mailing of such notice a report of the
24 federal or New York state change or correction or an amended return,
25 where such return was required by section 11-1922 of this chapter, is
26 filed accompanied by a statement showing wherein such federal or New
27 York state determination and such notice of additional tax due are erro-
28 neous. Any amount paid as a tax or in respect of a tax, other than
29 amounts withheld at the source or paid as estimated income tax, shall be
30 deemed to be assessed upon the date of receipt of payment, notwithstand-
31 ing any other provisions.

32 (b) Other assessment powers. If the mode or time for the assessment
33 of any tax under this chapter, including interest, additions to tax and
34 assessable penalties, is not otherwise provided for, the commissioner
35 may establish the same by regulations.

36 (d) Supplemental assessment. The commissioner may, at any time within
37 the period prescribed for assessment, make a supplemental assessment,
38 subject to the provisions of section 11-1923 of this subchapter where
39 applicable, whenever it is ascertained that any assessment is imperfect
40 or incomplete in any material respect.

41 (e) Cross reference. For assessment in case of jeopardy, see section
42 11-1937 of this subchapter.

43 § 11-1925 Limitations on assessment. (a) General. Except as otherwise
44 provided in this section, any tax under this chapter shall be assessed
45 within three years after the return was filed, whether or not such
46 return was filed on or after the date prescribed.

47 (b) Exceptions. (1) Assessment at any time. The tax may be assessed at
48 any time if:

49 (A) no return is filed,

50 (B) a false or fraudulent return is filed with intent to evade tax, or

51 (C) the taxpayer fails to comply with section 11-1922 of this chapter
52 in not reporting a change or correction increasing his or her federal or
53 New York state taxable income or self-employment income as reported on
54 the taxpayer's federal or New York state tax return, or the execution of
55 a notice of waiver and the changes or corrections on which it is based
56 or in not reporting an assessment or a change or correction which is

1 treated in the same manner as if it were a deficiency for federal or New
2 York state income tax purposes, or in not filing an amended return.

3 (2) Extension by agreement. Where, before the expiration of the time
4 prescribed in this section for the assessment of tax, both the commis-
5 sioner and the taxpayer have consented in writing to its assessment
6 after such time, the tax may be assessed at any time prior to the expi-
7 ration of the period agreed upon. The period so agreed upon may be
8 extended by subsequent agreements in writing made before the expiration
9 of the period previously agreed upon.

10 (3) Report of changed or corrected federal or New York state income.
11 If the taxpayer shall, pursuant to section 11-1922 of this chapter,
12 report a change or correction or file an amended return increasing the
13 taxpayer's federal or New York state taxable income or earnings from
14 self-employment or report an assessment or a change or correction which
15 is treated in the same manner as if it were a deficiency for federal or
16 New York state income tax purposes, the assessment, if not deemed to
17 have been made upon the filing of the report or amended return, may be
18 made at any time within two years after such report or amended return
19 was filed. The amount of such assessment of tax shall not exceed the
20 amount of the increase in city tax on earnings attributable to such
21 federal or New York state change or correction. The provisions of this
22 paragraph shall not affect the time within which or the amount for which
23 an assessment may otherwise be made.

24 (4) Recovery of erroneous refund. An erroneous refund shall be consid-
25 ered an underpayment of tax on the date made, and an assessment of a
26 deficiency arising out of an erroneous refund may be made at any time
27 within two years from the making of the refund, except that the assess-
28 ment may be made within five years from the making of the refund if it
29 appears that any part of the refund was induced by fraud or misrepresen-
30 tation of a material fact.

31 (5) Request for prompt assessment. If a return is required for a dece-
32 dent or for the decedent's estate during the period of administration,
33 the tax shall be assessed within eighteen months after written request
34 therefor, made after the return is filed, by the executor, administrator
35 or other person representing the estate of such decedent, but not more
36 than three years after the return was filed, except as otherwise
37 provided in this subdivision and subdivision (c) of this section.

38 (c) Omission of income on return. The tax may be assessed at any time
39 within six years after the return was filed if a taxpayer omits from a
40 return an amount properly includible therein which is in excess of twen-
41 ty-five per centum of the amount of the gross income derived by the
42 taxpayer from any trade or business.

43 For purposes of this subdivision there shall not be taken into account
44 any amount which is omitted in the return if such amount is disclosed in
45 the return, or in a statement attached to the return, in a manner
46 adequate to apprise the commissioner of the nature and amount of such
47 item.

48 (d) Suspension of running of period of limitation. The running of the
49 period of limitations on or collection of tax or other amount, or of a
50 transferee's liability, shall, after the mailing of a notice of defi-
51 ciency, be suspended for the period during which the commissioner is
52 prohibited under subdivision (c) of section 11-1923 of this subchapter
53 collecting by levy or proceeding in court.

54 § 11-1926 Interest on underpayment. (a) General. If any amount of tax
55 is not paid on or before the last date prescribed in this chapter for
56 payment, interest on such amount at the appropriate rates prescribed for

1 underpayments of tax under chapter seventeen of this title shall be paid
2 for the period from such last date to the date paid, whether or not any
3 extension of time for payment was granted. Interest under this subdivi-
4 sion shall not be paid if the amount thereof is less than one dollar.
5 If the time for filing a return of tax withheld by an employer is
6 extended, the employer shall pay interest for the period for which the
7 extension is granted and may not charge such interest to the employee.

8 (c) Exception for mathematical error. No interest shall be imposed on
9 any underpayment of tax due solely to mathematical error if the taxpayer
10 files a return within the time prescribed in this chapter, including any
11 extension of time, and pays the amount of underpayment within three
12 months after the due date of such return, as it may be extended.

13 (d) No interest on interest. No interest under this chapter shall be
14 imposed on any interest provided by this chapter.

15 (e) Suspension of interest on deficiencies. If a waiver of
16 restrictions on collection of an assessment of a deficiency has been
17 filed by the taxpayer, and if notice and demand by the commissioner for
18 payment of such assessed deficiency is not made within thirty days after
19 the filing of such waiver, interest shall not be imposed on such defi-
20 ciency for the period beginning immediately after such thirtieth day and
21 ending with the date of notice and demand.

22 (f) Interest treated as tax. Interest under this section shall be
23 paid upon notice and demand and shall be assessed, collected and paid in
24 the same manner as tax. Any reference in this chapter to the tax
25 imposed by this chapter shall be deemed also to refer to interest
26 imposed by this section on such tax.

27 (g) Interest on penalties or additions to tax. Interest shall be
28 imposed under subdivision (a) of this section in respect of any assess-
29 able penalty or addition to tax only if such assessable penalty or addi-
30 tion to tax is not paid within ten days from the date of the notice and
31 demand therefor under subdivision (b) of section 11-1934 of this
32 subchapter, and in such case interest shall be imposed only for the
33 period from such date of the notice and demand to the date of payment.

34 (h) Payment prior to notice of deficiency. If, prior to the mailing
35 to the taxpayer of a notice of deficiency under subdivision (b) of
36 section 11-1923 of this subchapter, the commissioner mails to the
37 taxpayer a notice of proposed increase of tax and within thirty days
38 after the date of the notice of proposed increase the taxpayer pays all
39 amounts shown on the notice to be due to the commissioner, no interest
40 under this section on the amount so paid shall be imposed for the period
41 after the date of such notice of proposed increase.

42 (i) Payment within ninety days after notice of deficiency. If a
43 notice of deficiency under section 11-1923 of this subchapter is mailed
44 to the taxpayer, and the total amount specified in such notice is paid
45 on or before the ninetieth day after the date of mailing, interest under
46 this section shall not be imposed for the period after the date of the
47 notice.

48 (j) Payment within ten days after notice and demand. If notice and
49 demand is made for payment of any amount under subdivision (b) of
50 section 11-1934 of this subchapter, and if such amount is paid within
51 ten days after the date of such notice and demand, interest under this
52 section on the amount so paid shall not be imposed for the period after
53 the date of such notice and demand.

54 (k) Limitation on assessment and collection. Interest prescribed
55 under this section may be assessed and collected at any time during the

1 period within which the tax or other amount to which such interest
2 relates may be assessed and collected, respectively.

3 (l) Interest on erroneous refund. Any portion of tax or other amount
4 which has been erroneously refunded, and which is recoverable by the
5 commissioner, shall bear interest at the rate of six per centum per
6 annum from the date of the payment of the refund, but only if it appears
7 that any part of the refund was induced by fraud or a misrepresentation
8 of a material fact.

9 (m) Satisfaction by credits. If any portion of a tax is satisfied by
10 credit of an overpayment, then no interest shall be imposed under this
11 section on the portion of the tax so satisfied for any period during
12 which, if the credit had not been made, interest would have been allow-
13 able with respect to such overpayment.

14 § 11-1927 Additions to tax and civil penalties. (a) Failure to file
15 tax return. In case of failure to file a tax return under this chapter
16 on or before the prescribed date, determined with regard to any exten-
17 sion of time for filing, unless it is shown that such failure is due to
18 reasonable cause and not due to willful neglect, there shall be added to
19 the amount required to be shown as tax on such return five percent of
20 the amount of such tax if the failure is for not more than one month,
21 with an additional five percent for each additional month or fraction
22 thereof during which such failure continues, not exceeding twenty-five
23 percent in the aggregate. For this purpose, the amount of tax required
24 to be shown on the return shall be reduced by the amount of any part of
25 the tax which is paid on or before the date prescribed for payment of
26 the tax and by the amount of any credit against the tax which may be
27 claimed upon the return.

28 (b) Deficiency due to negligence. If any part of a deficiency is due
29 to negligence or intentional disregard of this chapter or rules or regu-
30 lations hereunder, but without intent to defraud, there shall be added
31 to the tax an amount equal to five percent of the deficiency.

32 (c) Failure to file declaration or underpayment of estimated tax. If
33 any taxpayer fails to file a declaration of estimated tax or fails to
34 pay all or any part of an installment of estimated tax, the taxpayer
35 shall be deemed to have made an underpayment of estimated tax. There
36 shall be added to the tax for the taxable year an amount at the rate of
37 six per centum upon the amount of the underpayment for the period of the
38 underpayment but not beyond the fifteenth day of the fourth month
39 following the close of the taxable year. The amount of underpayment
40 shall be the excess of the amount of the installment which would be
41 required to be paid if the estimated tax were equal to seventy percent
42 of the tax attributable to net earnings from self employment shown on
43 the tax return for the taxable year, or if no return was filed, of the
44 tax so attributable for such year, over the amount, if any, of the
45 installment paid on or before the last day prescribed for such payment.
46 No underpayment shall be deemed to exist with respect to a declaration
47 or installment otherwise due on or after the taxpayer's death.

48 (d) Exception to addition for underpayment of estimated tax. The addi-
49 tion to tax under subdivision (c) of this section with respect to any
50 underpayment of any installment shall not be imposed if the total amount
51 of all payments of estimated tax made on or before the last date
52 prescribed for the payment of such installment equals or exceeds which-
53 ever of the following is the lesser:

54 (1) The amount which would have been required to be paid on or before
55 such date if the estimated tax were whichever of the following is the
56 lesser:

1 (A) The tax attributable to net earnings from self-employment shown on
2 the return of the individual for the preceding taxable year, if a return
3 showing a liability for tax was filed by the individual for the preced-
4 ing taxable year and such preceding year was a taxable year of twelve
5 months, or

6 (B) An amount equal to seventy percent of the tax so attributable for
7 the taxable year computed by placing on an annualized basis the taxable
8 net earnings from self-employment for the months in the taxable year
9 ending before the month in which the installment is required to be paid.

10 For purposes of this subparagraph, the taxable net earnings from self-
11 employment shall be placed on an annualized basis by:

12 (i) multiplying by twelve, or, in the case of a taxable year of less
13 than twelve months, the number of months in the taxable year, the taxa-
14 ble net earnings from self-employment for the months in the taxable year
15 ending before the month in which the installment is required to be
16 paid,

17 (ii) dividing the resulting amount by the number of months in the
18 taxable year ending before the month in which such installment date
19 falls, and

20 (iii) deducting from such amount the proper proportion of the exclu-
21 sion allowable for the taxable year by subdivision (b) of section
22 11-1902 of this chapter; or

23 (2) An amount equal to ninety percent of the tax computed, at the
24 rates applicable to the taxable year, on the basis of the actual taxable
25 net earnings from self-employment for the months in the taxable year
26 ending before the month in which the installment is required to be paid.

27 (e) Deficiency due to fraud. If any part of a deficiency is due to
28 fraud, there shall be added to the tax an amount equal to fifty percent
29 of the deficiency. This amount shall be in lieu of any other addition
30 to tax imposed by subdivision (a) or (b) of this section.

31 (f) Non-willful failure to pay withholding tax. If any employer, with-
32 out intent to evade or defeat any tax imposed by this chapter or the
33 payment thereof, shall fail to make a return and pay a tax withheld by
34 him or her at the time required by or under provisions of section
35 11-1912 of this chapter, such employer shall be liable for such tax and
36 shall pay the same together with interest thereon and the addition to
37 tax provided in subdivision (a) of this section, and such interest and
38 addition to tax shall not be charged to or collected from the employee
39 by the employer. The commissioner shall have the same rights and powers
40 for the collection of such tax, interest and addition to tax against
41 such employer as are now prescribed by this chapter for the collection
42 of tax against an individual taxpayer.

43 (g) Willful failure to collect and pay over tax. Any person required
44 to collect, truthfully account for, and pay over the tax imposed by this
45 chapter who willfully fails to collect such tax or truthfully account
46 for and pay over such tax or willfully attempts in any manner to evade
47 or defeat the tax or the payment thereof, shall, in addition to other
48 penalties provided by law, be liable to a penalty equal to the total
49 amount of the tax evaded, or not collected, or not accounted for and
50 paid over. No addition to tax under subdivision (b) or (e) of this
51 section shall be imposed for any offense to which this subdivision
52 applies.

53 (h) Failure to file certain information returns. In case of each fail-
54 ure to file a statement of a payment to another person, required under
55 authority of subdivision (c) of section 11-1921 of this chapter, relat-
56 ing to information at source, including the duplicate statement of tax

1 withheld on wages, on the date prescribed therefor, determined with
2 regard to any extension of time for filing, unless it is shown that such
3 failure is due to reasonable cause and not willful neglect, there shall,
4 upon notice and demand by the commissioner and in the same manner as
5 tax, be paid by the person so failing to file the statement, a penalty
6 of one dollar for each statement not so filed, but the total amount
7 imposed on the delinquent person for all such failures during any calen-
8 dar year shall not exceed one thousand dollars.

9 (i) Additional penalty. Any person who with fraudulent intent shall
10 fail to pay, or to deduct or withhold and pay, any tax, or to make,
11 render, sign or certify any return or declaration of estimated tax, or
12 to supply any information within the time required by or under this
13 chapter, shall be liable to a penalty of not more than one thousand
14 dollars, in addition to any other amounts required under this chapter,
15 to be imposed, assessed and collected by the commissioner. The commis-
16 sioner shall have the power, in his or her discretion, to waive, reduce
17 or compromise any penalty under this subdivision.

18 (j) Additions treated as tax. The additions to tax and penalties
19 provided by this section shall be paid upon notice and demand and shall
20 be assessed, collected and paid in the same manner as taxes, and any
21 reference in this chapter to tax or tax imposed by this chapter, shall
22 be deemed also to refer to the additions to tax and penalties provided
23 by this section. For purposes of section 11-1923 of this subchapter,
24 this subdivision shall not apply to:

25 (1) any addition to tax under subdivision (a) of this section except
26 as to that portion attributable to a deficiency;

27 (2) any addition to tax under subdivision (c) of this section; and

28 (3) any additional penalty under subdivision (i) of this section.

29 (k) Determination of deficiency. For purposes of subdivisions (b) and
30 (e) of this section, the amount shown as the tax by the taxpayer upon
31 his or her return shall be taken into account in determining the amount
32 of the deficiency only if such return was filed on or before the last
33 day prescribed for the filing of such return, determined with regard to
34 any extension of time for such filing.

35 (l) Person defined. For purposes of subdivisions (g) and (i) of this
36 section, the term "person" includes an individual, corporation or part-
37 nership or an officer or employee of any corporation, including a
38 dissolved corporation, or a member or employee of any partnership, who
39 as such officer, employee, or member is under a duty to perform the act
40 in respect of which the violation occurs.

41 § 11-1928 Overpayment. (a) General. The commissioner, within the
42 applicable period of limitations, may credit an overpayment of tax and
43 interest on such overpayment against any liability in respect of any tax
44 imposed by this chapter or by another chapter or chapters of this title
45 on the person who made the overpayment, and the balance shall be
46 refunded. Any refund under this section shall be made only upon the
47 filing of a return.

48 (b) Excessive withholding. If the amount allowable as a credit for tax
49 withheld from the taxpayer exceeds his or her tax to which the credit
50 relates, the excess shall be considered an overpayment.

51 (c) Overpayment by employer. If there has been an overpayment of tax
52 required to be deducted and withheld under section 11-1908 of this chap-
53 ter, refund shall be made to the employer only to the extent that the
54 amount of the overpayment was not deducted and withheld by the employer.

55 (d) Credits against estimated tax. The commissioner may prescribe
56 regulations providing for the crediting against the estimated tax for

1 any taxable year of the amount determined to be an overpayment of the
2 tax for a preceding taxable year. If any overpayment of tax is so
3 claimed as a credit against estimated tax for the succeeding taxable
4 year, such amount shall be considered as a payment of the tax for the
5 succeeding taxable year, whether or not claimed as a credit in the
6 declaration of estimated tax for such succeeding taxable year, and no
7 claim for credit or refund of such overpayment shall be allowed for the
8 taxable year for which the overpayment arises.

9 (e) Rule where no tax liability. If there is no tax liability for a
10 period in respect of which an amount is paid as tax, such amount shall
11 be considered an overpayment.

12 (f) Assessment and collection after limitation period. If any amount
13 of tax is assessed or collected after the expiration of the period of
14 limitations properly applicable thereto, such amount shall be considered
15 an overpayment.

16 (g) Notwithstanding any provision of law in article fifty-two of the
17 civil practice law and rules to the contrary, the procedures for the
18 enforcement of money judgments shall not apply to the department of
19 finance, or to any officer or employee of the department of finance, as
20 a garnishee, with respect to any amount of money to be refunded or cred-
21 ited to a taxpayer under this chapter.

22 § 11-1929 Limitations on credit or refund. (a) General. Claim for
23 credit or refund of an overpayment of tax shall be filed by the taxpayer
24 within three years from the time the return was filed or two years from
25 the time the tax was paid, whichever of such periods expires the later,
26 or if no return was filed, within two years from the time the tax was
27 paid. If the claim is filed within the three year period, the amount of
28 the credit or refund shall not exceed the portion of the tax paid within
29 the three years immediately preceding the filing of the claim plus the
30 period of any extension of time for filing the return. If the claim is
31 not filed within the three year period, but is filed within the two year
32 period, the amount of the credit or refund shall not exceed the portion
33 of the tax paid during the two years immediately preceding the filing of
34 the claim. Except as otherwise provided in this section, if no claim is
35 filed, the amount of a credit or refund shall not exceed the amount
36 which would be allowable if a claim had been filed on the date the cred-
37 it or refund is allowed.

38 (b) Extension of time by agreement. If an agreement under the
39 provisions of paragraph two of subdivision (b) of section 11-1925 of
40 this subchapter, extending the period for assessment of tax, is made
41 within the period prescribed in subdivision (a) of this section for the
42 filing of a claim for credit or refund, the period for filing a claim
43 for credit or refund, or for making credit or refund if no claim is
44 filed, shall not expire prior to six months after the expiration of the
45 period within which an assessment may be made pursuant to the agreement
46 or any extension thereof. The amount of such credit or refund shall not
47 exceed the portion of the tax paid after the execution of the agreement
48 and before the filing of the claim or the making of the credit or
49 refund, as the case may be, plus the portion of the tax paid within the
50 period which would be applicable under subdivision (a) of this section
51 if a claim had been filed on the date the agreement was executed.

52 (c) Notice of change or correction of federal or New York state
53 income. If a taxpayer is required by section 11-1922 of this chapter to
54 report a change or correction in federal or New York state taxable
55 income or self-employment income reported on his or her federal or New
56 York state tax return, or to report an assessment or a change or

1 correction which is treated in the same manner as if it were an overpay-
2 ment for federal or New York state income tax purposes, or to file an
3 amended return with the commissioner, claim for credit or refund of any
4 resulting overpayment of tax shall be filed by the taxpayer within two
5 years from the time the notice of such change or correction or such
6 amended return was required to be filed with the commissioner. If the
7 report or amended return required by section 11-1922 of this chapter is
8 not filed within the ninety day period therein specified, interest on
9 any resulting refund or credit shall cease to accrue after such nineti-
10 eth day. The amount of such credit or refund shall not exceed the
11 amount of the reduction in tax attributable to such federal or New York
12 state change, correction or items amended on the taxpayer's amended
13 federal or New York state income tax or self-employment tax return.
14 This subdivision shall not affect the time within which or the amount
15 for which a claim for credit or refund may be filed apart from this
16 subdivision.

17 (d) Failure to file claim within prescribed period. No credit or
18 refund shall be allowed or made, except as provided in subdivision (e)
19 of this section or subdivision (d) of section 11-1932 of this subchapter
20 after the expiration of the applicable period of limitation specified in
21 this chapter unless a claim for credit or refund is filed by the taxpay-
22 er within such period. Any later credit shall be void and any later
23 refund erroneous. No period of limitations specified in any other law
24 shall apply to the recovery by a taxpayer of moneys paid in respect of
25 taxes under this chapter.

26 (e) Effect of petition to commissioner. If a notice of deficiency for
27 a taxable year has been mailed to the taxpayer under section 11-1923 of
28 this subchapter and if the taxpayer files a timely petition with the
29 commissioner under section 11-1931 of this subchapter, the commissioner
30 may determine that the taxpayer has made an overpayment for such year,
31 whether or not the commissioner also determines a deficiency for such
32 year. No separate claim for credit or refund for such year shall be
33 filed, and no credit or refund for such year shall be allowed or made,
34 except:

35 (1) as to overpayments determined by a decision of the commissioner
36 which has become final;

37 (2) as to any amount collected in excess of an amount computed in
38 accordance with the decision of the commissioner which has become final;

39 (3) as to any amount collected after the period of limitation upon the
40 making of levy for collection has expired; and

41 (4) as to any amount claimed as a result of a change or correction
42 described in subdivision (c) of this section.

43 (f) Limit on amount of credit or refund. The amount of overpayment
44 determined under subdivision (e) of this section shall, when the deci-
45 sion of the commissioner has become final, be credited or refunded in
46 accordance with subdivision (a) of section 11-1928 of this subchapter
47 and shall not exceed the amount of tax which the commissioner determines
48 as part of his or her decision was paid:

49 (1) after the mailing of the notice of deficiency, or

50 (2) within the period which would be applicable under subdivision (a),
51 (b) or (c) of this section, if on the date of the mailing of the notice
52 of deficiency a claim has been filed, whether or not filed, stating the
53 grounds upon which the commissioner finds that there is an overpayment.

54 (g) Early return. For purposes of this section, any return filed
55 before the last day prescribed for the filing thereof shall be consid-

1 ered as filed on such last day, determined without regard to any exten-
2 sion of time granted the taxpayer.

3 (h) Prepaid tax. For purposes of this section, any tax paid by the
4 taxpayer before the last day prescribed for its payment, any tax with-
5 held from the taxpayer during any calendar year, and any amount paid by
6 the taxpayer as estimated tax for a taxable year shall be deemed to have
7 been paid by the taxpayer on the fifteenth day of the fourth month
8 following the close of his or her taxable year with respect to which
9 such amount constitutes a credit or payment.

10 (i) Return and payment of withholding tax. Notwithstanding subdivision
11 (g) of this section, for purposes of this section with respect to any
12 withholding tax:

13 (1) if a return for any period ending with or within a calendar year
14 is filed before April fifteenth of the succeeding calendar year, such
15 return shall be considered filed on April fifteenth of such succeeding
16 calendar year; and

17 (2) if a tax with respect to remuneration paid during any period
18 ending with or within a calendar year is paid before April fifteenth of
19 the succeeding calendar year, such tax shall be considered paid on April
20 fifteenth of such succeeding calendar year.

21 (j) Cross reference. For provision barring refund of overpayment cred-
22 ited against tax of a succeeding year, see subdivision (d) of section
23 11-1928 of this subchapter.

24 § 11-1930 Interest on overpayment. (a) General. Notwithstanding the
25 provisions of section three-a of the general municipal law, interest
26 shall be allowed and paid as follows at the appropriate rates prescribed
27 for overpayments of tax under chapter seventeen of this title upon any
28 overpayment in respect of the tax imposed by this chapter:

29 (1) from the date of the overpayment to the due date of an amount
30 against which a credit is taken; or

31 (2) from the date of the overpayment to a date, to be determined by
32 the commissioner, preceding the date of a refund check by not more than
33 thirty days, whether or not such refund check is accepted by the taxpay-
34 er after tender of such check to the taxpayer. The acceptance of such
35 check shall be without prejudice to any right of the taxpayer to claim
36 any additional overpayment and interest thereon.

37 No interest shall be allowed or paid if the amount thereof is less
38 than one dollar.

39 (b) Advance payment of tax, payment of estimated tax, and credit for
40 tax withholding. The provisions of subdivisions (g), (h) and (i) of
41 section 11-1929 of this subchapter applicable in determining the date of
42 payment of tax for purposes of determining the period of limitations on
43 credit or refund, shall be applicable in determining the date of payment
44 for purposes of this section.

45 (c) Refund within three months of due date of tax. If any overpayment
46 of tax imposed by this chapter is refunded within three months after the
47 last date prescribed, or permitted by extension of time, for filing the
48 return of such tax or within three months after the return was filed,
49 whichever is later, no interest shall be allowed under this section on
50 such overpayment.

51 (d) Cross-reference. For provision terminating interest after failure
52 to file notice of federal or New York state change under section 11-1922
53 of this chapter, see subdivision (c) of 11-1929 of this subchapter.

54 § 11-1931 Petition to commissioner. (a) General. The form of a peti-
55 tion to the commissioner, and further proceedings before the commission-
56 er in any case initiated by the filing of a petition, shall be governed

1 by such rules as the commissioner shall prescribe. No petition shall be
2 denied in whole or in part without opportunity for a hearing on reason-
3 able prior notice. Such hearing shall be conducted by the commissioner,
4 or by a hearing officer designated by the commissioner to take evidence
5 and report to the commissioner. The commissioner shall decide the case
6 as quickly as practicable. Notice of the decision shall be mailed
7 promptly to the taxpayer by certified or registered mail at his or her
8 last known address and such notice shall set forth the commissioner's
9 findings of fact and a brief statement of the grounds of decision in
10 each case decided in whole or in part adversely to the taxpayer. Any
11 portion of an assessment of a deficiency disallowed by the commission-
12 er's decision, shall be forthwith abated, or if paid, credited or
13 refunded to the taxpayer without the making of a claim therefor.

14 (b) Petition for redetermination of a deficiency. Within ninety days,
15 or one hundred fifty days if the notice is addressed to a person outside
16 of the United States, after the mailing of the notice of deficiency
17 authorized by section 11-1923 of this subchapter, the taxpayer may file
18 a petition with the commissioner for a redetermination of the deficien-
19 cy. Such petition may also assert a claim for refund for the same taxa-
20 ble year or years, subject to the limitations of subdivision (f) of
21 section 11-1929 of this subchapter.

22 (c) Petition for refund. A taxpayer may file a petition with the
23 commissioner for the amounts asserted in a claim for refund if:

24 (1) the taxpayer has filed a timely claim for refund with the commis-
25 sioner,

26 (2) the taxpayer has not previously filed with the commissioner a
27 timely petition under subdivision (b) of this section for the same
28 taxable year unless the petition under this subdivision relates to a
29 separate claim for credit or refund properly filed under subdivision (e)
30 of section 11-1929 of this subchapter, and

31 (3) either: (A) six months have expired since the claim was filed, or
32 (B) the commissioner has mailed to the taxpayer, by registered or certi-
33 fied mail, a notice of disallowance of such claim in whole or in part.
34 No petition under this subdivision shall be filed more than two years
35 after the date of mailing of a notice of disallowance, unless prior to
36 the expiration of such a two-year period it has been extended by writ-
37 ten agreement between the taxpayer and the commissioner. If a taxpayer
38 files a written waiver of the requirement that he or she be mailed a
39 notice of disallowance, the two year period prescribed by this subdivi-
40 sion for filing a petition for refund shall begin on the date such waiv-
41 er is filed.

42 (d) Assertion and assessment of deficiency after filing petition.

43 (1) Petition for redetermination of deficiency. If a taxpayer files
44 with the commissioner a petition for redetermination of a deficiency,
45 the commissioner shall have power to determine and assess a greater
46 deficiency than asserted in the notice of deficiency and to determine
47 and assess any addition to tax or penalty provided in section 11-1927 of
48 this subchapter, if claim therefor is asserted at or before the hearing
49 and within the period in which an assessment would be timely under
50 section 11-1925 of this subchapter under the rules of the commissioner.

51 (2) Petition for refund. If the taxpayer files with the commissioner a
52 petition for credit or refund for a taxable year, the commissioner may:

53 (A) determine and assess a deficiency for such year as to any amount
54 of deficiency claim, which shall be an assessment, for which is asserted
55 at or before the hearing under rules of the commissioner, and within the

1 period in which an assessment would be timely under section 11-1925 of
2 this subchapter, or

3 (B) deny so much of the amount for which credit or refund is sought in
4 the petition, as is offset by other issues pertaining to the same taxa-
5 ble year which are asserted at or before the hearing under rules of the
6 commissioner.

7 (3) Opportunity to respond. A taxpayer shall be given a reasonable
8 opportunity to respond to any matters asserted by the commissioner under
9 this subdivision.

10 (4) Restriction on further notices of deficiency. If the taxpayer
11 files a petition with the commissioner under this section, no notice of
12 deficiency under section 11-1923 of this subchapter may thereafter be
13 issued by the commissioner for the same taxable year, except in case of
14 fraud or with respect to a change or correction in federal or New York
15 state taxable income or self-employment income required to be reported
16 under section 11-1922 of this chapter.

17 (e) Burden of proof. In any case before the commissioner under this
18 chapter, the burden of proof shall be upon the petitioner except for the
19 following issues, as to which the burden of proof shall be upon the
20 commissioner:

21 (1) whether the petitioner has been guilty of fraud with intent to
22 evade tax;

23 (2) whether the petitioner is liable as the transferee of property of
24 a taxpayer, except where the petitioner's liability arises by reason of
25 section 11-1936 of this subchapter, but not to show that the taxpayer
26 was liable for the tax; and

27 (3) whether the petitioner is liable for any increase in a deficiency
28 where such increase is asserted initially after a notice of deficiency
29 was mailed and a petition under this section filed, unless such increase
30 in deficiency is the result of a change or correction of federal or New
31 York state taxable income or self-employment income required to be
32 reported under section 11-1922 of this chapter, and of which change or
33 correction the commissioner had no notice at the time he or she mailed
34 the notice of deficiency.

35 (f) Evidence of related federal determination. Evidence of a federal
36 determination relating to issues raised in a case before the commission-
37 er under this section shall be admissible, under rules established by
38 the commissioner.

39 (g) Jurisdiction over other years. The commissioner shall consider
40 such facts with relation to the taxes for other years as may be neces-
41 sary correctly to determine the tax for the taxable year, but in so
42 doing shall have no jurisdiction to determine whether or not the tax for
43 any other year has been overpaid or underpaid.

44 § 11-1932 Review of commissioner's decision. (a) General. A decision
45 of the commissioner shall be subject to judicial review for error, ille-
46 gality or unconstitutionality at the instance of any taxpayer affected
47 thereby in the manner provided by law for the review of a final decision
48 or action of administrative agencies of the city. An application by a
49 taxpayer for such review must be made within four months after notice of
50 the decision is sent by certified or registered mail to the taxpayer.

51 (b) Judicial review exclusive remedy of taxpayer. The review of a
52 decision of the commissioner provided by this section shall be exclusive
53 remedy available to any taxpayer for the judicial determination of the
54 liability of the taxpayer for the taxes imposed by this chapter.

55 (c) Collection pending review; review bond. Irrespective of any
56 restrictions on the collection of assessments for deficiencies, the

1 commissioner may collect by levy or, otherwise any assessment of a defi-
2 ciency after the expiration of the period specified in subdivision (a)
3 of this section, notwithstanding that an application for judicial review
4 in respect of such deficiency has been duly made by the taxpayer, unless
5 the taxpayer, at or before the time his or her application for review is
6 made, has paid the assessed deficiency, has deposited with the commis-
7 sioner the amount of the assessed deficiency, or has filed with the
8 commissioner a bond, which may be a jeopardy bond under subdivision (h)
9 of section 11-1937 of this subchapter, in the amount of the portion of
10 the assessed deficiency, including interest and other amounts, in
11 respect of which the application for review is made with surety approved
12 by a justice of the supreme court of the state of New York, conditioned
13 upon the payment of the assessed deficiency, including interest and
14 other amounts, as finally determined. If as a result of a waiver of the
15 restrictions on the collection of a deficiency any part of the amount
16 determined by the commissioner is paid after the filing of the review
17 bond, such bond shall, at the request of the taxpayer, be proportionate-
18 ly reduced. A similar bond for all costs and charges which may accrue
19 against the taxpayer in the prosecution of such judicial review proceed-
20 ing must be filed with the commissioner before any such proceeding is
21 instituted.

22 (d) Credit, refund or abatement after review. If the amount of a defi-
23 ciency assessed and determined by the commissioner is disallowed in
24 whole or in part by the court of review, the amount so disallowed shall
25 be credited or refunded to the taxpayer, without the making of claim
26 therefor, or, if payment has not been made, shall be abated.

27 (e) Date of finality of commissioner's decision. A decision of the
28 commissioner shall become final upon the expiration of the period speci-
29 fied in subdivision (a) of this section for making an application for
30 review, if no such application has been duly made within such time, or
31 if such application has been duly made, upon expiration of the time for
32 all further judicial review, or upon the rendering by the commissioner
33 of a decision in accordance with the mandate of the court on review.
34 Provided, however, for the purpose of making an application for review,
35 the decision of the commissioner shall be deemed final on the date the
36 notice of decision is sent by certified or registered mail to the
37 taxpayer.

38 § 11-1933 Mailing rules; holidays. (a) Timely mailing. If any claim,
39 statement, notice, petition, or other document, including to the extent
40 authorized by the commissioner, a return or declaration of estimated
41 tax, required to be filed within a prescribed period or on or before a
42 prescribed date under authority of any provision of this chapter is,
43 after such period or such date, delivered by the United States mail to
44 the commissioner, bureau, office, officer or person with which or with
45 whom such document is required to be filed, the date of the United
46 States postmark stamped on the envelope shall be deemed to be the date
47 of delivery. This subdivision shall apply only if the postmark date
48 falls within the prescribed period or on or before the prescribed date
49 for the filing of such document, determined with regard to any extension
50 granted for such filing, and only if such document was deposited in the
51 mail, postage prepaid, properly addressed to the commissioner, bureau,
52 office, officer or person with which or with whom the document is
53 required to be filed. If any document is sent by United States regis-
54 tered mail, such registration shall be prima facie evidence that such
55 document was delivered to the commissioner, bureau, office, officer or
56 person to which or to whom addressed. To the extent that the commis-

1 sioner shall prescribe by regulation, certified mail may be used in lieu
2 of registered mail under this section. This subdivision shall apply in
3 the case of postmarks not made by the United States post office only if
4 and to the extent provided by regulations of the commissioner.

5 (b) Last known address. For purposes of this chapter, a taxpayer's
6 last known address shall be the address given in the last return filed
7 by the taxpayer, unless subsequent to the filing of such return the
8 taxpayer shall have notified the commissioner of a change of address.

9 (c) Last day a Saturday, Sunday or legal holiday. When the last day
10 prescribed under authority of this chapter, including any extension of
11 time, for performing any act falls on Saturday, Sunday, or a legal holi-
12 day in the state of New York, the performance of such act shall be
13 considered timely if it is performed on the next succeeding day which is
14 not a Saturday, Sunday or a legal holiday.

15 § 11-1934 Collection, levy and liens. (a) Collection procedures. The
16 taxes imposed by this chapter shall be collected by the commissioner,
17 and he or she may establish the mode or time for the collection of any
18 amount due the commissioner under this chapter if not otherwise speci-
19 fied. The commissioner shall, upon request, give a receipt for any sum
20 collected under this chapter. The commissioner may authorize banks or
21 trust companies which are depositories or financial agents of the city
22 to receive and give a receipt for any tax imposed under this chapter in
23 such manner, at such times, and under such conditions as the commis-
24 sioner may prescribe; and the commissioner shall prescribe the manner, times
25 and conditions under which the receipt of such tax by such banks and
26 trust companies is to be treated as payment of such tax to the commis-
27 sioner.

28 (b) Notice and demand for tax. The commissioner shall as soon as prac-
29 ticable and, in the case of an assessment the collection of which is
30 restricted by the provisions of subdivision (c) of section 11-1923 of
31 this subchapter, as soon as practicable after the expiration of such
32 restrictions give notice to each person liable for any amount of tax,
33 addition to tax, penalty or interest, which has been assessed but
34 remains unpaid, stating the amount and demanding payment thereof. Such
35 notice shall be left at the dwelling or usual place of business of such
36 person or shall be sent by mail to such person's last known address.
37 Except where the commissioner determines that collection would be jeop-
38 ardized by delay, if any tax is assessed prior to the last date, includ-
39 ing any date fixed by extension, prescribed for payment of such tax,
40 payment of such tax shall not be demanded until after such date.

41 (c) Issuance of warrant after notice and demand. If any person liable
42 under this chapter for the payment of any tax, addition to tax, penalty
43 or interest neglects or refuses to pay the same within ten days after
44 notice and demand therefor is given to such person under subdivision (b)
45 of this section, the commissioner may within six years after the date of
46 the expiration of the period of restriction on the collection of such
47 assessment issue a warrant directed to the sheriff of any county of the
48 state, or to any officer or employee of the department of finance of the
49 city, commanding the sheriff or such officer or employee to levy upon
50 and sell such person's real and personal property for the payment of the
51 amount assessed, with the cost of executing the warrant, and to return
52 such warrant to the commissioner and pay to him or her the money
53 collected by virtue thereof within sixty days after the receipt of the
54 warrant. If the commissioner finds that the collection of tax or other
55 amount is in jeopardy, notice and demand for immediate payment of such
56 tax may be made by the commissioner and upon failure or refusal to pay

1 such tax or other amount the commissioner may issue a warrant without
2 regard to the ten-day period provided in this subdivision.

3 (d) Copy of warrant to be filed and lien to be created. Any sheriff or
4 officer or employee who receives a warrant under subdivision (c) of this
5 section shall within five days thereafter file a copy with the clerk of
6 the appropriate county. The clerk shall thereupon enter in the judgment
7 docket, in the column for judgment debtors, the name of the taxpayer
8 mentioned in the warrant, and in appropriate columns the tax or other
9 amounts for which the warrant is issued and the date when such copy is
10 filed; and such amount shall thereupon be a binding lien upon the real,
11 personal and other property of the taxpayer.

12 (e) Judgment. When a warrant has been filed with the county clerk the
13 commissioner shall, on behalf of the city, be deemed to have obtained
14 judgment against the taxpayer for the tax or other amounts.

15 (f) Execution. The sheriff or officer or employee shall thereupon
16 proceed upon the judgment in all respects, with like effect, and in the
17 same manner prescribed by law in respect to executions issued against
18 property upon judgments of a court of record, and a sheriff shall be
19 entitled to the same fees for such sheriff's services in executing the
20 warrant, to be collected in the same manner. An officer or employee of
21 the department of finance of the city may proceed in any county or coun-
22 ties of this state and shall have all the powers of execution conferred
23 by law upon sheriffs, but shall be entitled to no fee or compensation in
24 excess of actual expenses paid in connection with the execution of the
25 warrant.

26 (g) Taxpayer not then a resident. Where a notice and demand under
27 subdivision (b) of this section shall have been given to a taxpayer who
28 is not then a resident of this state, and it appears to the commissioner
29 that it is not practicable to find in this state property of the taxpay-
30 er sufficient to pay the entire balance of tax or other amount owing by
31 such taxpayer who is not then a resident of this state, the commissioner
32 may, in accordance with subdivision (c) of this section, issue a warrant
33 directed to an officer or employee of the department of finance of the
34 city a copy of which warrant shall be mailed by certified or registered
35 mail to the taxpayer at his or her last known address, subject to the
36 rules for mailing provided in subdivision (a) of section 11-1933 of this
37 subchapter. Such warrant shall command the officer or employee to
38 proceed in the city, and such officer or employee shall, within five
39 days after receipt of the warrant, file the warrant and obtain a judg-
40 ment in accordance with this section. Thereupon the commissioner may
41 authorize the institution of any action or proceeding to collect or
42 enforce the judgment in any place and by any procedure where and by
43 which a civil judgment of the supreme court of the state of New York
44 could be collected or enforced. The commissioner may also, in his or
45 her discretion, designate agents or retain counsel for the purpose of
46 collecting, outside the state of New York, any unpaid taxes, additions
47 to tax, penalties or interest which have been assessed under this chap-
48 ter against taxpayers who are not then residents of this state, may fix
49 the compensation of such agents and counsel to be paid out of money
50 appropriated or otherwise lawfully available for payment thereof, and
51 may require of them bonds or other security for the faithful performance
52 of their duties, in such form and in such amount as the commissioner
53 shall deem proper and sufficient.

54 (h) Action by the city for recovery of taxes. Action may be brought by
55 the corporation counsel or other appropriate officer of the city at the
56 insistence of the commissioner to recover the amount of any unpaid

1 taxes, additions to tax, penalties or interest which have been assessed
2 under this chapter within six years prior to the date the action is
3 commenced. The period during which collection of any assessment is
4 prohibited by subdivision (c) of section 11-1923 of this subchapter,
5 shall be added to such six years.

6 (i) Release of lien. The commissioner, if he or she finds that the
7 interest of the city will not thereby be jeopardized, and upon such
8 conditions as may require, may release any property from the lien of any
9 warrant for unpaid taxes, additions to tax, penalties and interest filed
10 pursuant to this section, and such release may be recorded in the office
11 of any recording officer in which such warrant has been filed.

12 § 11-1935 Transferees. (a) General. The liability, at law or in equi-
13 ty, of a transferee of property of a taxpayer for any tax, additions to
14 tax, penalty or interest due to the city under this chapter, shall be
15 assessed, paid, and collected in the same manner and subject to the same
16 provisions and limitations as in the case of the tax to which liability
17 relates, except that the period of limitations for assessment against
18 the transferee shall be extended by one year for each successive trans-
19 fer, in order, from the original taxpayer to the transferee involved,
20 but not by more than three years in the aggregate. The term "transfer-
21 ee" includes donee, heir, legatee, devisee and distributee; and also
22 includes a person liable for the amount of any tax, additions to tax,
23 penalty or interest under the provisions of section 11-1936 of this
24 subchapter.

25 (b) Exceptions. (1) If before the expiration of the period of limita-
26 tions for assessment of liability of the transferee, a claim has been
27 filed by the commissioner in any court against the original taxpayer or
28 the last preceding transferee based upon the liability of the original
29 taxpayer, then the period of limitation for assessment of liability of
30 the transferee shall in no event expire prior to one year after such
31 claim has been finally allowed, disallowed or otherwise disposed of.

32 (2) If, before the expiration of the time prescribed in subdivision
33 (a) of this section or paragraph one of this subdivision for the assess-
34 ment of the liability, the commissioner and the transferee have both
35 consented in writing to its assessment after such time, the liability
36 may be assessed at any time prior to the expiration of the period agreed
37 upon. The period so agreed upon may be extended by subsequent agree-
38 ments in writing made before the expiration of the period previously
39 agreed upon. For the purpose of determining the period of limitation on
40 credit or refund to the transferee of overpayments of tax made by such
41 transferee or overpayments of tax made by the transferor as to which the
42 transferee is legally entitled to credit or refund, such agreement and
43 any extension thereof shall be deemed an agreement and extension thereof
44 referred to in subdivision (b) of section 11-1929 of this subchapter.
45 If the agreement is executed after the expiration of the period of limi-
46 tation for assessment against the original taxpayer, then in applying
47 the limitations under subdivision (b) of section 11-1929 of this
48 subchapter on the amount of the credit or refund, the periods specified
49 in subdivision (a) of section 11-1929 of this subchapter shall be
50 increased by the period from the date of such expiration to the date of
51 the agreement.

52 (c) Deceased transferor. If any person is deceased, the period of
53 limitation for assessment against such person shall be the period that
54 would be in effect if he or she had lived.

55 (d) Evidence. Notwithstanding the provisions of section 11-1942 of
56 this subchapter, the commissioner shall use his or her powers to make

1 available to the transferee evidence necessary to enable the transferee
2 to determine the liability of the original taxpayer and of any preceding
3 transferees, but without undue hardship to the original taxpayer or
4 preceding transferee. See subdivision (e) of section 11-1931 of this
5 subchapter for rule as to burden of proof.

6 § 11-1936 Liability of bulk transferees. Whenever there is made a
7 sale, transfer or assignment in bulk of any part or the whole of a stock
8 of merchandise or of fixtures, or merchandise and of fixtures pertaining
9 to the conducting of the business of the seller, transferor or assignor,
10 otherwise than in the ordinary course of trade and in the regular prose-
11 cution of said business, the purchaser, transferee or assignee shall at
12 least ten days before taking possession of such merchandise, fixtures,
13 or merchandise and fixtures, or paying therefor, notify the commissioner
14 by registered mail of the proposed sale and of the price, terms and
15 conditions thereof, whether or not the seller, transferor or assignor,
16 has represented to, or informed the purchaser, transferee or assignee,
17 that it owes any tax pursuant to this chapter, whether or not the
18 purchaser, transferee or assignee has knowledge that such taxes are
19 owing, and whether or not any such taxes are in fact owing.

20 Whenever the purchaser, transferee or assignee shall fail to give the
21 notice to the commissioner required by this section, or whenever the
22 commissioner shall inform the purchaser, transferee or assignee that a
23 possible claim for such tax or taxes exists, any sums of money, property
24 or choses in action, or other consideration, which the purchaser, trans-
25 feree or assignee is required to transfer over to the seller, transferor
26 or assignor shall be subject to a first priority right and lien for any
27 such taxes theretofore or thereafter determined to be due from the sell-
28 er, transferor or assignor to the city, and the purchaser, transferee or
29 assignee is forbidden to transfer to the seller, transferor or assignor
30 any such sums of money, property or choses in action to the extent of
31 the amount of the city's claim. For failure to comply with the
32 provisions of this subdivision the purchaser, transferee or assignee, in
33 addition to being subject to the liabilities and remedies imposed under
34 the provisions of article six of the uniform commercial code, shall be
35 personally liable for the payment to the city of any such taxes, there-
36 tofore or thereafter determined to be due to the city from the seller,
37 transferor or assignor and such liability may be assessed and enforced
38 in the same manner as the liability for tax is imposed under this chap-
39 ter.

40 § 11-1937 Jeopardy determination or assessment. (a) Authority for
41 making. If the commissioner believes that the assessment or collection
42 of a deficiency will be jeopardized by delay, he or she shall, notwith-
43 standing the provisions of sections 11-1923 and 11-1939 of this subchap-
44 ter, immediately assess or proceed to collect such deficiency, together
45 with all interest, penalties and additions to tax provided for by law,
46 and notice and demand shall be made by the commissioner for the payment
47 thereof.

48 (b) Notice of deficiency. If the jeopardy assessment is made before
49 any notice in respect of the tax to which the jeopardy assessment
50 relates has been mailed under section 11-1923 of this subchapter, then
51 the commissioner shall mail a notice under such section within sixty
52 days after making of the assessment.

53 (c) Amount assessable before decision of commissioner. The jeopardy
54 assessment may be made in respect of a deficiency greater or less than
55 that of which notice is mailed to the taxpayer and whether or not the
56 taxpayer has therefor filed a petition with the commissioner. The

1 commissioner may, at any time before rendering his or her decision,
2 abate such assessment or any unpaid portion thereof, to the extent that
3 he or she believes the assessment to be excessive in amount. The
4 commissioner may in his or her decision redetermine the entire amount of
5 the deficiency and of all amounts assessed at the same time in
6 connection therewith.

7 (d) Amount assessable after decision of commissioner. If the jeopardy
8 assessment of determination of jeopardy is made after the decision of
9 the commissioner is rendered, such assessment or determination may be
10 made only in respect of the deficiency determined by the commissioner in
11 his or her decision.

12 (e) Expiration of right to assess. A jeopardy determination may not be
13 made after the decision of the commissioner has become final or after
14 the taxpayer has made an application for review of the decision of the
15 commissioner.

16 (f) Collection of unpaid amounts. When a petition has been filed with
17 the commissioner and when the amount which should have been assessed has
18 been determined by a decision of the commissioner which has become
19 final, then any unpaid portion, the collection of which has been stayed
20 by bond, shall be collected as part of the tax upon notice and demand
21 from the commissioner, and any remaining portion of the assessment shall
22 be abated. If the amount already collected exceeds the amount deter-
23 mined as the amount which should have been assessed, such excess shall
24 be credited or refunded to the taxpayer as provided in section 11-1928
25 of this subchapter without the filing of claim therefor. If the amount
26 determined as the amount which should have been assessed is greater than
27 the amount actually assessed, then the difference shall be assessed and
28 shall be collected as part of the tax upon notice and demand from the
29 commissioner.

30 (g) Abatement if jeopardy does not exist. The commissioner may abate
31 the jeopardy determination if he or she finds that jeopardy does not
32 exist. Such abatement may not be made after a decision of the commis-
33 sioner in respect of the deficiency has been rendered or, if no petition
34 is filed with the commissioner, after the expiration of the period for
35 filing such petition. The period of limitation on the making of a levy
36 or a proceeding for collection, in respect of any deficiency, shall be
37 determined as if the jeopardy assessment so abated has not been made,
38 except that the running of such period shall in any event be suspended
39 for the period from the date of such jeopardy determination until the
40 expiration of the tenth day after the day on which such jeopardy deter-
41 mination is abated.

42 (h) Bond to stay collection. The collection of the whole or any amount
43 of any assessment determined to be in jeopardy may be stayed by filing
44 with the commissioner, within such time as may be fixed by regulation, a
45 bond in an amount equal to the amount as to which the stay is desired
46 conditioned upon the payment of the amount, together with interest ther-
47 eon, the collection of which is stayed at the time at which, but for the
48 making of the jeopardy assessment, such amount would be due. Upon the
49 filing of the bond, the collection of so much of the amount assessed as
50 is covered by the bond shall be stayed. The taxpayer shall have the
51 right to waive such stay at any time in respect of the whole or any part
52 of the amount covered by the bond and, if as a result of such waiver any
53 part of the amount covered by the bond is paid, then the bond shall, at
54 the request of the taxpayer, be proportionately reduced. If any portion
55 of the jeopardy assessment is abated, or if a notice of deficiency under
56 section 11-1923 of this subchapter is mailed to the taxpayer in a lesser

1 amount, the bond shall, at the request of the taxpayer, be proportion-
2 ately reduced.

3 (i) Petition to commissioner. If the bond is given before the taxpayer
4 has filed his or her petition under section 11-1931 of this subchapter,
5 the bond shall contain a further condition that if a petition is not
6 filed within the period provided in such section, then the amount, the
7 collection of which is stayed by the bond, will be paid on notice and
8 demand at any time after the expiration of such period, together with
9 interest thereon from the date of the jeopardy notice and demand to the
10 date of notice and demand under this subdivision. The bond shall be
11 conditioned upon the payment of so much of such assessment, collection
12 of which is stayed by the bond, as is not abated by a decision of the
13 commissioner which has become final. If the commissioner determines
14 that the amount assessed is greater than the amount which should have
15 been assessed, then the bond shall, at the request of the taxpayer, be
16 proportionately reduced when the decision of the commissioner is
17 rendered.

18 (j) Stay of sale of seized property pending commissioner's decision.
19 Where a jeopardy assessment or a determination of jeopardy is made, the
20 property seized for the collection of the tax shall not be sold:

21 (1) if subdivision (b) of this section is applicable, prior to the
22 issuance of the notice of deficiency and the expiration of the time
23 provided in section 11-1931 of this subchapter for filing a petition
24 with the commissioner, and

25 (2) if a petition is filed with the commissioner, whether before or
26 after the making of such jeopardy assessment or determination, prior to
27 the expiration of the period during which the collection of the defi-
28 ciency assessed would be prohibited if subdivision (a) of this section
29 were not applicable.

30 Such property may be sold if the taxpayer consents to the sale, or if
31 the commissioner determines that the expenses of conservation and main-
32 tenance will greatly reduce the net proceeds, or if the property is
33 perishable.

34 (k) Interest. For the purpose of subdivision (a) of section 11-1926 of
35 this subchapter, the last date prescribed for payment shall be deter-
36 mined without regard to any notice and demand for payment issued under
37 this section prior to the last date otherwise prescribed for such
38 payment.

39 (l) Early termination of taxable year. If the commissioner finds that
40 a taxpayer designs quickly to depart from this state or to remove his or
41 her property therefrom, or to conceal himself or herself or his or her
42 property therein, or to do any other act tending to prejudice or to
43 render wholly or partly ineffectual proceedings to collect the tax for
44 the current or the preceding taxable year unless such proceedings be
45 brought without delay, the commissioner shall declare the taxable period
46 for such taxpayer immediately terminated, and shall cause notice of such
47 finding and declaration to be given the taxpayer, together with a demand
48 for immediate payment of the tax for the taxable period so declared
49 terminated and of the tax for the preceding taxable year or so much of
50 such tax as is unpaid, whether or not the time otherwise allowed by law
51 for filing return and paying the tax has expired; and such taxes shall
52 thereupon become immediately due and payable. In any proceeding brought
53 to enforce payment of taxes made due and payable by virtue of the
54 provisions of this subdivision, the finding of the commissioner made as
55 herein provided, whether made after notice to the taxpayer or not, shall
56 be for all purposes presumptive evidence of jeopardy.

1 (m) Reopening of taxable period. Notwithstanding the termination of
2 the taxable period of the taxpayer by the commissioner as provided in
3 subdivision (1) of this section, the commissioner may reopen such taxa-
4 ble period each time the taxpayer is found by the commissioner to have
5 received wages or net earnings from self-employment, within the current
6 taxable year, since the termination of such period. A taxable period so
7 terminated by the commissioner may be reopened by the taxpayer if he or
8 she files with the commissioner a true and accurate return of taxable
9 wages and net earnings from self-employment under this chapter for such
10 taxable period, together with such other information as the commissioner
11 may by regulation prescribe.

12 (n) Furnishing of bond where taxable year is closed by the commis-
13 sioner. Payment of taxes shall not be enforced by any proceedings under
14 the provisions of subdivision (1) of this section prior to the expira-
15 tion of the time otherwise allowed for paying such taxes if the taxpayer
16 furnishes, under regulations prescribed by the commissioner, a bond to
17 insure the timely making of returns with respect to, and payment of,
18 such taxes or any taxes for prior years.

19 § 11-1938 Criminal penalties. (a) Attempt to evade tax. Any individ-
20 ual, corporation or partnership or any officer or employee of any corpo-
21 ration, or member or employee of any partnership, who, with intent to
22 evade any tax or any requirement of this chapter or any lawful require-
23 ment of the commissioner thereunder, shall fail to pay the tax, or to
24 make, render, sign or certify any return or declaration of estimated
25 tax, or to supply any information within the time required by or under
26 the provisions of this chapter, or who, with like intent, shall make,
27 render, sign or certify any false or fraudulent return, declaration or
28 statement, or shall supply any false or fraudulent information, or who
29 shall fail to comply with the provisions of subdivision (b) of section
30 11-1912 of this chapter after the service of a notice by the commis-
31 sioner thereunder, shall be guilty of a misdemeanor and shall, upon
32 conviction, be fined not to exceed five thousand dollars or be impris-
33 oned not to exceed one year, or both, at the discretion of the court.

34 (b) Limitations. Notwithstanding the provisions of section 30.10 of
35 the criminal procedure law or of any other law of this state, a prose-
36 cution for any offense under this section may be commenced at any time
37 not later than three years after the commission of such offense provided
38 that, if such offense is the failure to do an act required by or under
39 any provision of this chapter to be done before a certain date, a prose-
40 cution for such offense may be commenced not later than three years
41 after such date.

42 (c) Willful failure to withhold. Any individual, corporation or part-
43 nership or any officer or employee of any corporation, including a
44 dissolved corporation, or member or employee of any partnership, who
45 willfully fails to collect or pay over any withholding tax as required,
46 shall, in addition to other penalties provided by law, be guilty of a
47 misdemeanor, and, upon conviction thereof, shall be fined not to exceed
48 five thousand dollars or imprisoned not to exceed one year, or both.

49 (d) Two or more charges. In the prosecution of offenses under this
50 section, if there are two or more charges against any person or corpo-
51 ration, involving a violation or violations of any provision or
52 provisions of this chapter, whether for the same or different taxable
53 years, instead of returning several indictments or filing several infor-
54 mations, all of such charges may be joined in one indictment or informa-
55 tion, in separate counts, and if two or more indictments are found, or
56 two or more informations are filed, the court may order them to be

1 consolidated. If a person or corporation shall be convicted of two or
2 more offenses constituting different crimes set forth in different
3 counts of one indictment or information, or in separate indictments or
4 informations consolidated as hereinbefore provided, the court may impose
5 a separate sentence for each offense, and if imprisonment is imposed,
6 the court may order any of such sentences to be served concurrently or
7 consecutively.

8 (e) Miscellaneous rules. Any prosecution under this section may be
9 conducted in any county where the person or corporation to whose tax
10 liability the proceeding relates resides, or has a place of business, or
11 in any county in which any such crime is committed. The corporation
12 counsel of the city shall have concurrent jurisdiction with any district
13 attorney in the prosecution of any offense under this section. If the
14 provisions of this section conflict with those contained in any other
15 law, this section shall control. The certificate of the commissioner to
16 the effect that a tax has not been paid, that a return or declaration of
17 estimated tax has not been filed, or that information has not been
18 supplied, as required by or under the provisions of this chapter, shall
19 be prima facie evidence that such tax has not been paid, that such
20 return or declaration has not been filed, or that such information has
21 not been supplied. All fines levied under this section shall be paid to
22 the commissioner and deposited in the same manner as revenues collected
23 or received under this chapter.

24 § 11-1939 Armed forces relief provisions. (a) Time to be disregarded.
25 In the case of an individual serving in the armed forces of the United
26 States or serving in support of such armed forces, in an area designated
27 by the president of the United States by executive order as a "combat
28 zone" at any time during the period designated by the president by exec-
29 utive order as the period of combatant activities in such zone, or
30 hospitalized outside the state as a result of injury received while
31 serving in such an area during such time, the period of service in such
32 area, plus the period of continuous hospitalization outside the state
33 attributable to such injury, and the next one hundred eighty days there-
34 after, shall be disregarded in determining, under this chapter in
35 respect of the tax liability, including any interest, penalty, or addi-
36 tion to the tax, of such individual:

37 (1) Whether any of the following acts was performed within the time
38 prescribed therefor:

39 (A) filing any return of tax, except withholding tax;

40 (B) payment of any tax, except withholding tax, or any installment
41 thereof or of any other liability to the commissioner, in respect there-
42 of;

43 (C) filing a petition with the commissioner for credit or refund or
44 for redetermination of a deficiency, or application for review of a
45 decision rendered by the commissioner;

46 (D) allowance of a credit or refund of tax;

47 (E) filing a claim for credit or refund of tax;

48 (F) giving or making any notice or demand for the payment of any tax,
49 or with respect to any liability to the commissioner in respect of tax;

50 (G) collection, by the commissioner, by levy or otherwise of the
51 amount of any liability in respect of tax;

52 (H) bringing suit by the city, or any officer, on its behalf, in
53 respect of any liability in respect of tax; and

54 (I) any other act required or permitted under this chapter or speci-
55 fied in the regulations prescribed under this section by the commission-
56 er.

1 (2) The amount of any credit or refund, including interest.

2 (b) Action taken before ascertainment of right to benefits. The
3 collection of the tax imposed by this chapter or of any liability to the
4 commissioner in respect of such tax, or any action or proceeding by or
5 on behalf of the commissioner in connection therewith, may be made,
6 taken, begun, or prosecuted in accordance with law, without regard to
7 the provisions of subdivision (a) of this section, unless prior to such
8 collection, action, or proceeding it is ascertained that the person
9 concerned is entitled to the benefit of subdivision (a) of this section.

10 (c) Members of armed forces dying in action. In the case of any person
11 who dies while in active service as a member of the armed forces of the
12 United States, if such death occurred while serving in a combat zone
13 during a period of combatant activities in such zone, as described in
14 subdivision (a) of this section, or as a result of wounds, disease or
15 injury incurred while so serving, the tax imposed by this chapter shall
16 not apply with respect to the taxable year in which falls the date of
17 his or her death, or with respect to any prior taxable year ending on or
18 after the first day so served in a combat zone, and no returns shall be
19 required in behalf of such person or his or her estate for such year;
20 and the tax for any such taxable year which is unpaid at the date of
21 death, including interest, additions to tax and penalties, if any, shall
22 not be assessed and, if assessed, the assessment shall be abated and, if
23 collected, shall be refunded to the legal representative of such estate
24 if one has been appointed and has qualified, or, if no legal represen-
25 tative has been appointed or has qualified, to the surviving spouse.

26 § 11-1940 General powers of commissioner. (a) General. The commission-
27 er shall administer and enforce the tax imposed by this chapter and the
28 commissioner is authorized to make such rules and regulations, and to
29 require such facts and information to be reported, as the commissioner
30 may deem necessary to enforce the provisions of this chapter and the
31 commissioner may delegate his or her powers and functions under all
32 subchapters of this chapter to one of his or her deputies or to any
33 employee or employees of his or her department.

34 (b) Examination of books and witnesses. The commissioner for the
35 purpose of ascertaining the correctness of any return, or for the
36 purpose of making an estimate of taxable wages and net earnings from
37 self-employment of any person, shall have power to examine or to cause
38 to have examined, by any agent or representative designated by him or
39 her for that purpose, any books, papers, records or memoranda bearing
40 upon the matters required to be included in the return, and may require
41 the attendance of the person rendering the return or any officer or
42 employee of such person, or the attendance of any other person having
43 knowledge in the premises, may take testimony and require proof material
44 for the commissioner's information, with power to administer oaths to
45 such person or persons and may issue commissions for the examination of
46 witnesses who are out of the state or unable to attend before the
47 commissioner or excused from attendance, and for the production of
48 books, papers, records or memoranda.

49 (c) Abatement authority. The commissioner, of his or her own motion,
50 may abate any small unpaid balance of an assessment of tax, or any
51 liability in respect thereof, if the commissioner determines under
52 uniform rules prescribed by him or her that the administration and
53 collection costs involved would not warrant collection of the amount
54 due. The commissioner may also abate, of his or her own motion, the
55 unpaid portion of the assessment of any tax or any liability in respect
56 thereof, which is excessive in amount, or is assessed after the expira-

1 tion of the period of limitation properly applicable thereto, or is
2 erroneously or illegally assessed. No claim for abatement under this
3 subdivision shall be filed by a taxpayer.

4 (d) Special refund authority. Where no questions of fact or law are
5 involved and it appears from the records of the commissioner that any
6 moneys have been erroneously or illegally collected from any taxpayer or
7 other person, or paid by such taxpayer or other person under a mistake
8 of facts, pursuant to the provisions of this chapter, the commissioner
9 at any time, without regard to any period of limitations, shall have the
10 power, upon making a record of his or her reasons therefor in writing,
11 to cause such moneys so paid and being erroneously and illegally held to
12 be refunded.

13 (e) Cooperation with the United States and other states. Notwith-
14 standing the provisions of section 11-1942 of this subchapter, the
15 commissioner may permit the secretary of the treasury of the United
16 States or such secretary's delegates, or the proper tax officer of any
17 other state imposing an income tax upon the income of individuals, or
18 the authorized representative of either such officer, to inspect any
19 return filed under this chapter, or may furnish to such officer or his
20 or her authorized representative an abstract of any such return or
21 supply him or her with information concerning an item contained in any
22 such return, or disclosed by any investigation of tax liability under
23 this chapter, but such permission shall be granted or such information
24 furnished to such officer or his or her representative only if the laws
25 of the United States or of such state, as the case may be, grant
26 substantially similar privileges to the commissioner and such informa-
27 tion is to be used for tax purposes only; and provided further the
28 commissioner may furnish to the commissioner of internal revenue or his
29 or her authorized representative such returns filed under this chapter
30 and other tax information as he or she may consider proper for the use
31 in court actions or proceedings under the internal revenue code, whether
32 civil or criminal, where a written request therefor has been made to the
33 commissioner by the secretary of the treasury of the United States or by
34 his or her delegates, provided the laws of the United States grant
35 substantially similar powers to the secretary of the treasury of the
36 United States or such secretary's delegates. Where the commissioner has
37 so authorized use of returns and other information in such actions or
38 proceedings, officers and employees of the department of taxation and
39 finance may testify in such actions or proceedings in respect to such
40 returns or other information.

41 § 11-1941 Joint enforcement. (1) If there is assessed a tax under this
42 chapter and there is also assessed a tax or taxes against the same
43 taxpayer pursuant to article twenty-two of the tax law and if the
44 commissioner of the tax imposed by this chapter takes action under the
45 tax law with respect to the enforcement and collection of the tax or
46 taxes assessed under such tax law, the commissioner shall, wherever
47 possible, accompany such action with a similar action under similar
48 enforcement and collection provisions of this chapter.

49 (2) Any monies collected as a result of such joint action shall be
50 deemed to have been collected in proportion in the amounts due, includ-
51 ing tax, penalties, interest and additions to tax under article twenty-
52 two of the tax law and under this chapter.

53 (3) Whenever the commissioner takes any action with respect to a defi-
54 ciency of personal income tax, under article twenty-two of the tax law
55 other than the action set forth in subdivision one of this section the

1 commissioner may, in his or her discretion, accompany such action with a
2 similar action under this chapter.

3 § 11-1942 Secrecy requirement and penalties for violation. 1. Except
4 in accordance with proper judicial order or as otherwise provided by
5 law, it shall be unlawful for the commissioner or any other officer or
6 employee of the department of finance of the city, any person engaged or
7 retained by such commissioner or department on an independent contract
8 basis, any depository to which any return may be delivered as provided
9 in subdivision two of this section, any officer or employee of such
10 depository, or any person who, pursuant to this section, is permitted to
11 inspect any report or return or to whom a copy, an abstract or a portion
12 of any report or return is furnished, or to whom any information
13 contained in any report or return is furnished, to divulge or make known
14 in any manner the amount of wages or earnings or any particulars set
15 forth or disclosed in any report or return required under this chapter.
16 The commissioner or any other officer and employee charged with the
17 custody of such reports and returns shall not be required to produce any
18 of them or evidence of anything contained in them in any action or
19 proceeding in any court, except on behalf of the city in an action or
20 proceeding under the provisions of this chapter or in any other action
21 or proceeding involving the collection of a tax due under this chapter
22 to which the city is a party or a claimant, or on behalf of any party to
23 any action or proceeding under the provisions of this chapter when the
24 reports, returns or facts shown thereby are directly involved in such
25 action or proceeding, in any of which events the court may require the
26 production of, and may admit in evidence, so much of said reports,
27 returns or of the facts shown thereby, as are pertinent to the action or
28 proceeding and no more; except as provided in subdivision (e) of section
29 11-1940 of this subchapter. The commissioner may, nevertheless, publish
30 a copy or a summary of any determination or decision rendered after the
31 hearing required under section 11-1931 of this subchapter of this chap-
32 ter. Nothing in this section shall be construed to prohibit the deliv-
33 ery to a taxpayer or the taxpayer's duly authorized representative of a
34 certified copy of any return or report filed in connection with his or
35 her tax or to prohibit the publication of statistics so classified as to
36 prevent the identification of particular reports or returns and the
37 items thereof, or the inspection by the legal representatives of the
38 city of the report or return of any taxpayer who shall bring action to
39 set aside or review the tax based thereon, or against whom an action or
40 proceeding under this chapter has been recommended by the commissioner.
41 Reports and returns shall be preserved for three years and thereafter
42 until the commissioner orders them to be destroyed. Any violation of
43 the provisions of this section shall be punished by a fine not exceeding
44 one thousand dollars or by imprisonment not exceeding one year, or both,
45 at the discretion of the court, and if the offender be the commissioner
46 or any other officer or employee of the city, he or she shall be
47 dismissed from office and be incapable of holding any public office in
48 the city or the state for a period of five years thereafter.

49 2. Notwithstanding the provisions of subdivision one of this section,
50 the commissioner of finance, in his or her discretion, may require or
51 permit any or all individuals, estates or trusts, liable for any tax
52 imposed by this chapter, to make payments on account of estimated tax
53 and payment of any tax, penalty or interest imposed by this chapter to
54 banks, banking houses or trust companies designated by the commissioner
55 of finance and to file declarations of estimated tax and reports and
56 returns with such banks, banking houses or trust companies as agents of

1 the commissioner of finance, in lieu of making any such payment directly
 2 to the commissioner of finance. However, the commissioner of finance
 3 shall designate only such banks, banking houses or trust companies as
 4 are depositories or financial agents of Staten Island.

5 § 11-1943 Provisions not applicable. The provisions contained in this
 6 subchapter shall not be applicable with respect to taxes imposed for
 7 taxable periods commencing on or after January first, nineteen hundred
 8 seventy-six but, with respect to the tax imposed for such periods the
 9 provisions contained in part VI of article twenty-two of the tax law and
 10 sections six hundred fifty-three, six hundred fifty-eight, six hundred
 11 sixty-two and thirteen hundred eleven of the tax law including the
 12 provisions of judicial review by a proceeding under article seventy-
 13 eight of the civil practice law and rules shall be applicable with the
 14 same force and effect as if those provisions had been incorporated in
 15 full in this section except where inconsistent with the provisions of
 16 this chapter.

17 § 11-1944 Deposit and disposition of revenues by commissioner. All
 18 taxes, penalties and interest imposed under this chapter which are paid
 19 to or collected by the commissioner of finance shall be deposited by the
 20 commissioner of finance in the general fund of the city.

21 § 11-1945 Effect of invalidity in part; inconsistencies with other
 22 laws. (a) If any clause, sentence, paragraph, subdivision, section,
 23 provision or other portion of this chapter or the application thereof to
 24 any person or circumstances shall be held to be invalid, such holding
 25 shall not affect, impair or invalidate the remainder of this chapter or
 26 the application of such portion held invalid, to any other person or
 27 circumstances, but shall be confined in its operation to the clause,
 28 sentence, paragraph, subdivision, section, provision or other portion
 29 thereof directly involved in such holding or to the person and circum-
 30 stances therein involved.

31 (b) If any provision of this chapter is inconsistent with, in conflict
 32 with, or contrary to any other provision of law, such provision of this
 33 chapter shall prevail over such other provision and such other provision
 34 shall be deemed to have been amended, superseded or repealed to the
 35 extent of such inconsistency, conflict or contrariety.

29 law relating or applicable to the taxes imposed by this section, includ-
30 ing the applicable definitions, transitional provisions, limitations,
31 special provisions, exemptions, exclusions, refunds, credits and admin-

48 provision thereof directly involved in the controversy in which such
49 judgment shall have been rendered and the application of such provision
50 to other persons or circumstances shall not be affected thereby.

51 § 11-2002 Imposition of special sales taxes. (a) There are hereby
52 imposed and there shall be paid sales taxes at the rate of four and

 22 by this section with the same force and effect as if those provisions
 23 had been incorporated in full into this section and had expressly

30 § 11-2043 Refunds or credits based on proof of certain uses. A refund
31 or credit equal to the amount of the sales or compensating use tax
32 imposed by section eleven hundred seven of the tax law or by section
33 11-2001 of this chapter, as the case may be, and paid on the sale or use
34 of tangible personal property which is later used by such purchaser in
35 performing a service subject to tax under this subchapter shall be
36 allowed such purchaser against the tax imposed by this subchapter and
37 collected by such person on the sale of such services if such property
38 has become a physical component part of the property upon which the
39 service is performed or has been transferred to the purchaser of the
40 service in conjunction with the performance of the service subject to
41 tax; provided, however, that any such refund or credit shall be without
42 interest.

43 § 11-2044 Administration and collection. The taxes imposed by section
44 11-2040 of this subchapter shall be administered and collected by the
45 tax commission in the same manner as the taxes imposed by article twen-

47 sion. All of the provisions of such article relating to or applicable
48 to the administration and collection of the taxes imposed by that arti-
49 cle shall apply to the taxes imposed by this subchapter, including
50 sections eleven hundred one, eleven hundred eleven, and sections eleven
51 hundred thirty-one through eleven hundred forty-seven inclusive, with
52 the same force and effect as if those provisions had been incorporated
53 in full into this subchapter and had expressly referred to the taxes
54 imposed by this subchapter, except as otherwise provided in section
55 twelve hundred fifty of the tax law. For purposes of this subchapter,

1 the term "tax" in part IV of such article twenty-eight of the tax law

4 shall deposit daily to the credit of the comptroller of the state of New
5 York, all taxes, penalties and interest collected under this subchapter
6 in such responsible banks, banking houses or trust companies as may be
7 designated by the comptroller. Such deposits shall be kept in trust for
8 the city and separate and apart from all other monies in the possession
9 of the comptroller. The comptroller shall require adequate security
10 from all such depositories. Of the revenue collected under this subchap-
11 ter the comptroller shall retain in his or her hands such amount as the
12 commissioner of taxation and finance of the state of New York may deter-
13 mine to be necessary for refunds under this subchapter and for reason-
14 able costs of the tax commission in administering, collecting and
15 distributing the taxes under this subchapter, out of which the comp-

17 ter. The comptroller, after reserving such refund fund and such costs,

20 under this subchapter and remaining to the comptroller's credit in such
21 banks, banking houses or trust companies at the close of business on the
22 last day of the preceding month, provided, however, that the comptroller
23 shall on or before the last day of June and December make a partial
24 payment consisting of the collections made during and including the
25 first twenty-five days of said months to the commissioner of finance of
26 this city. The amount so payable shall be certified to the comptroller
27 by the president of the tax commission or such president's delegate, who
28 shall not be held liable for any inaccuracy in such certificate. Where
29 the amount so paid over in any such distribution is more or less than
30 the amount then due to this city, the amount of the overpayment or
31 underpayment shall be certified to the comptroller by the president of
32 the tax commission or such president's delegate, who shall not be held
33 liable for any inaccuracy in such certificate. The amount of the over-
34 payment shall be so certified to the comptroller as soon after the
35 discovery of the overpayment or underpayment as reasonably possible and
36 subsequent payments and distributions by the comptroller to this city
37 shall be adjusted by subtracting the amount of any such overpayment from
38 or by adding the amount of any such underpayment to such number of
39 subsequent payments and distributions as the comptroller and the presi-
40 dent of the state tax commission shall consider reasonable in view of
41 the amount of the overpayment or underpayment and all other facts and
42 circumstances.

43 (b) All payments to the commissioner of finance pursuant to subdivi-
44 sion (a) of this section shall be credited to and deposited in the

46 unless appropriated in the annual budget of this city.

47 § 11-2046 Construction and enforcement. This subchapter shall be
48 construed and enforced in conformity with articles twenty-eight and
49 twenty-nine of the tax law of the state of New York pursuant to which it

55 to such date.

On and after September first, nineteen hundred eighty, there is hereby imposed within the city of New York, and there shall be paid, a tax at the rate of eight percent on receipts from every sale of the service of providing parking, garaging or storing for motor vehicles by persons operating a garage, other than a garage which is part of premises occupied solely as a private one or two family dwelling, parking lot or other place of business engaged in providing parking, garaging or storing for motor vehicles, in every county within the city of New York with a population density in excess of fifty thousand persons per square mile, as determined by reference to the latest federal census; provided, however, that receipts for such services paid to a homeowner's association by its members or receipts paid by members of a homeowner's association to a person leasing the parking facility from the homeowner's association shall not be subject to the tax imposed by this section. For purposes of this section, a homeowner's association is an association, including a cooperative housing or apartment corporation, (i) the membership of which is comprised exclusively of owners or residents of residential dwelling units, including owners of units in a condominium, and including shareholders in a cooperative housing or apartment corporation, where such units are located in a defined geographical area such as a housing development or subdivision; and (ii) which owns or operates a garage, parking lot or other place of business engaged in providing parking, garaging or storing for motor vehicles located in such area for use, whether or not exclusive, by such owners or residents. The tax imposed on the receipts described in this section is in addition to the tax imposed on such receipts under subchapter one

1 of this chapter or section eleven hundred seven of the tax law, as the
2 case may be.

3 § 11-2050 Transitional provisions. The taxes imposed by this subchap-
4 ter shall be paid with respect to receipts from all sales of services on
5 or after September first, nineteen hundred eighty although rendered or
6 agreed to be rendered under a prior contract. Where a service is sold
7 on a monthly, quarterly, yearly or other term basis, the charge for such
8 service shall be subject to tax under this subchapter to the extent that
9 such charge is applicable to any period on or after September first,
10 nineteen hundred eighty, and such charge shall be apportioned on the
11 basis of the ratio of the number of days falling within such period to
12 the total number of days in the full term or period.

13 § 11-2051 Exempt organizations and individuals. (a) Except as other-
14 wise provided in this section, any sale by or to any of the following
15 shall not be subject to the taxes imposed by this subchapter:

16 (1) The state of New York, or any of its agencies, instrumentalities,
17 public corporations, including a public corporation created pursuant to
18 agreement or compact with another state or Canada, or political subdivi-

20 vendor of services of a kind not ordinarily sold by private persons;

21 (2) The United States of America, and any of its agencies and instru-
22 mentalities, insofar as it is immune from taxation where it is the
23 purchaser, user or consumer or where it sells services of a kind not
24 ordinarily sold by private persons;

25 (3) The United Nations or any international organization of which the
26 United States of America is a member where it is the purchaser, user or
27 consumer, or where it sells services of a kind not ordinarily sold by
28 private persons;

29 (4) Any corporation, association, trust, or community chest, fund or
30 foundation, organized and operated exclusively for religious, charita-
31 ble, scientific, testing for public safety, literary or educational
32 purposes, or to foster national or international amateur sports competi-
33 tion, but only if no part of its activities involve the provision of
34 athletic facilities or equipment, or for the prevention of cruelty to
35 children or animals, no part of the net earnings of which inures to the
36 benefit of any private shareholder or individual, no substantial part of
37 the activities of which is carrying on propaganda, or otherwise attempt-
38 ing to influence legislation, except as otherwise provided in subsection
39 (h) of section five hundred one of the United States internal revenue
40 code of nineteen hundred fifty-four, as amended, and which does not
41 participate in, or intervene in, including the publishing or distribut-
42 ing of statements, any political campaign on behalf of any candidate for
43 public office;

44 (5) A post or organization of past or present members of the armed
45 forces of the United States, or an auxiliary unit or society of, or a
46 trust or foundation for, any such post or organization:

47 (A) organized in this state,

48 (B) at least seventy-five percent of the members of which are past or
49 present members of the armed forces of the United States and substan-
50 tially all of the other members of which are individuals who are cadets
51 or are spouses, widows or widowers of past or present members of the
52 armed forces of the United States or of cadets, and

53 (C) no part of the net earnings of which inures to the benefit of any
54 private shareholder or individual;

55 (6) The following Indian nations or tribes residing in New York state:

4 organization subject to the provisions of article forty-four of the
5 public health law; and

6 (8) Cooperative and foreign corporations doing business in this state
7 pursuant to the rural electric cooperative law.

8 (b) Nothing in this section shall exempt sales of the service of
9 providing parking, garaging or storing for motor vehicles by an organ-
10 ization described in paragraph four or paragraph five of subdivision (a)
11 of this section operating a garage, other than a garage which is part of
12 premises occupied solely as a private one-family or two-family dwelling,
13 parking lot or other place of business engaged in providing parking,
14 garaging or storing for motor vehicles.

15 (c) (1) For purposes of paragraph four of subdivision (a) of this
16 section, in the case of a qualified amateur sports organization (A) the
17 requirement of such paragraph that no part of its activities involve the
18 provision of athletic facilities or equipment shall not apply, and (B)
19 such organization shall not fail to meet the requirement of such para-
20 graph merely because its membership is local or regional in nature.

21 (2) For purposes of this subdivision, the term "qualified amateur
22 sports organization" means any organization organized and operated
23 exclusively to foster national or international amateur sports competi-
24 tion if such organization is also organized and operated primarily to
25 conduct national or international competition in sports or to support
26 and develop amateur athletes for national or international competition
27 in sports.

28 (d) The tax imposed by this subchapter shall not apply to any sale of
29 services to an individual resident of the county in which such tax is
30 imposed when such services are rendered on a monthly or longer-term
31 basis at the principal location for the parking, garaging or storing of
32 a motor vehicle owned or leased, but only in the case of a lease for a
33 term of one year or more, by such individual resident. For purposes of
34 this subdivision, the term "individual resident" means a natural person
35 who maintains in such county a permanent place of abode which is such
36 person's primary residence; the term "motor vehicle" means a motor vehi-
37 cle which is registered pursuant to the vehicle and traffic law at the
38 address of the primary residence referred to in this subdivision, or
39 which is registered pursuant to the vehicle and traffic law and leased
40 to an individual resident at the address of the primary residence
41 referred to in this subdivision, and which is not used in carrying on
42 any trade, business or commercial activity; and the term "lease for a
43 term of one year or more" shall not include any lease the term of which
44 is less than one year, irrespective of the fact that the cumulative
45 period for which such lease may be in effect is one year or more as the
46 result of the right to exercise an option to renew or other like
47 provision.

48 § 11-2052 Administration and collection; penalties; refunds. (a) The
49 taxes imposed by this subchapter shall be administered and collected by
50 the tax commission in the same manner as the taxes imposed by article
51 twenty-eight of the tax law are administered and collected by such
52 commission. All of the provisions of such article relating to or appli-
53 cable to the administration and collection of the taxes imposed by that
54 article shall apply to the taxes imposed by this subchapter, including
55 section eleven hundred one and sections eleven hundred thirty-one
56 through eleven hundred forty-seven inclusive, with the same force and

1 effect as if those provisions had been incorporated in full into this
2 subchapter and had expressly referred to the taxes imposed by this
3 subchapter, except to the extent that any provisions of such article
4 twenty-eight are either inconsistent with a provision of this subchap-
5 ter, or of article twenty-nine of the tax law, or are not relevant to
6 this subchapter or to article twenty-nine of the tax law. For purposes
7 of this subchapter, the term "tax" in part IV of such article twenty-
8 eight of the tax law shall include the taxes imposed by this subchapter.

9 (b) Notwithstanding subdivision (a) of this section or any other
10 provision of law to the contrary, the tax commission shall, subject to
11 such terms and conditions as it may consider necessary, delegate to the
12 commissioner of finance the power and authority to develop and adminis-
13 ter reasonable and necessary procedures, including the use of exemption
14 certificates for presentation to vendors, for determining entitlement to
15 exemption from tax under subdivision (d) of section 11-2051 of this
16 subchapter, and to prescribe, subject to the approval of the tax commis-
17 sion, rules and regulations necessary and appropriate in carrying out
18 such responsibilities.

19 (c) Any person who, in violation of any provision of subdivision (d)
20 of section 11-2051 of this subchapter or any rule or regulation promul-
21 gated thereunder, obtains or uses a certificate of exemption relating to
22 the exemption allowed by such subdivision, shall, if such violation was
23 due to negligence or intentional disregard of such provision or rule or
24 regulation, but without intent to defraud, be liable for a penalty of
25 not more than one hundred dollars for each such violation, and, if such
26 violation was due to fraud, be liable for a penalty of not more than
27 five hundred dollars for each such violation. The commissioner of
28 finance shall have the power, in his or her discretion, to waive, reduce
29 or compromise any penalty imposed pursuant to this subdivision. The
30 penalties authorized by this subdivision shall be in addition to any
31 penalty provided by section eleven hundred forty-five of the tax law,
32 and shall be paid and disposed of, and, if unpaid, shall be determined,
33 assessed, collected and enforced, in the same manner as the taxes
34 imposed by this subchapter.

35 (d) Notwithstanding subdivision (d) of section 11-2051 of this
36 subchapter, section eleven hundred thirty-nine of the tax law or any
37 other provision of law to the contrary, an individual resident shall not
38 be entitled to a refund or credit with respect to any amount of tax
39 which was paid to a vendor prior to the date such individual resident
40 presented to the vendor a valid certificate of exemption from such tax.

41 § 11-2053 Deposit and disposition of revenue. (a) The tax commission
42 shall deposit daily to the credit of the comptroller of the state of New
43 York, all taxes, penalties and interest collected under this subchapter
44 in such responsible banks, banking houses or trust companies as may be
45 designated by the comptroller. Such deposits shall be kept in trust for
46 the city and separate and apart from all other monies in the possession
47 of the comptroller. The comptroller shall require adequate security
48 from all such depositories. Of the revenue collected under this
49 subchapter the comptroller shall retain in his or her hands such amount
50 as the commissioner of taxation and finance of the state of New York may
51 determine to be necessary for refunds under this subchapter and for
52 reasonable costs of the tax commission in administering, collecting and
53 distributing the taxes under this subchapter, out of which the comp-
54 troller shall pay any refunds made under the provisions of this subchap-
55 ter. The comptroller, after reserving such refund fund and such costs
56 shall, on or before the twelfth day of each month, pay to the commis-

1 sioner of finance of this city all taxes, interest and penalties
2 collected under this subchapter during the next preceding calendar month
3 and remaining to the comptroller's credit in such banks, banking houses
4 or trust companies at the close of business on the last day of such
5 preceding month, provided, however, that the comptroller shall on or
6 before the last day of June and December make a partial payment consist-
7 ing of the collections made during and including the first twenty-five
8 days of said months to the commissioner of finance of this city. The
9 amount so payable shall be certified to the comptroller by the president
10 of the tax commission or such president's delegate, who shall not be
11 held liable for any inaccuracy in such certificate. Provided, however,
12 any such certification may be based on such information as may be avail-
13 able to the tax commission at the time such certificate must be made
14 under this section and may be estimated on the basis of percentages or
15 other indices calculated from distributions for prior periods. Where the
16 amount so paid over in any such distribution is more or less than the
17 amount then due to this city, the amount of the overpayment or underpay-
18 ment shall be certified to the comptroller by the president of the tax
19 commission or such president's delegate, who shall not be held liable
20 for any inaccuracy in such certificate. The amount of the overpayment or
21 underpayment shall be so certified to the comptroller as soon after the
22 discovery of the overpayment or underpayment as reasonably possible and
23 subsequent payments and distributions by the comptroller to this city
24 shall be adjusted by subtracting the amount of any such overpayment from
25 or by adding the amount of any such underpayment to such number of
26 subsequent payments and distributions as the comptroller and the presi-
27 dent of the tax commission shall consider reasonable in view of the
28 amount of the overpayment or underpayment and all other facts and
29 circumstances.

30 (b) All payments to the commissioner of finance pursuant to subdivi-
31 sion (a) of this section shall be credited to and deposited in the
32 general fund of this city.

33 § 11-2054 Construction and enforcement. This subchapter shall be
34 construed and enforced in conformity with articles twenty-eight and
35 twenty-nine of the tax law of the state of New York pursuant to which it
36 is enacted.

43 14. "Tax commission." The tax commission of the state of New York.

44 15. Unless a different meaning is clearly required, any term used in
45 this subchapter shall have the same meaning as when used in a comparable
46 context in the laws of the state of New York relating to taxes on alco-
47 holic beverages.

48 § 11-2056 Imposition of tax. (a) There are hereby imposed on a
49 distributor and a noncommercial importer excise taxes at the following
50 rates:

51 (1) twelve cents per gallon upon beers; and

52 (2) twenty-six and four-tenths cents per liter upon liquors, when sold
53 or used within this city, except when sold or used under such circum-
54 stances that this city is without power to impose such tax or when sold
55 to the United States, and except beers when sold to or by a voluntary
56 unincorporated organization of the armed forces of the United States

1 operating a place for the sale of goods pursuant to regulations promul-
2 gated by the appropriate executive agency of the United States, and
3 except when sold to professional foreign consuls-general, consuls and
4 vice-consuls who are nationals of the state appointing them and who are
5 assigned to foreign consulates in this city provided that American
6 consular officers of equal rank who are citizens of the United States
7 and who exercise their official functions at American consulates in such
8 foreign country are granted reciprocal exemptions; provided, however,
9 that the tax commission may permit the sale of alcohol without tax to a
10 holder of any industrial alcohol permit, alcohol permit or alcohol
11 distributor's permit, issued by the state liquor authority, and by the
12 holder of an alcohol distributor's permit, class A, issued by such
13 authority to a holder of a distiller's license, class B, or a winery
14 license, issued by such authority and may also permit the use of alcohol
15 for any purpose other than the production of alcoholic beverages by such
16 holders without tax.

17 Notwithstanding any other provision of this subchapter, the tax
18 commission may permit the purchase of liquors without tax by a holder of
19 a distiller's license issued by the state liquor authority from another
20 holder of a distiller's license by such authority, in which event the
21 liquors so purchased shall be subject to the tax imposed by this
22 subchapter in the hands of the purchaser in the same manner and to the
23 same extent as if such purchaser had imported or caused the same to be
24 imported into this city or had produced, distilled, manufactured,
25 brewed, compounded, mixed or fermented the same within this city.

26 (b) There is also imposed on each person, other than a distributor
27 within the meaning of this subchapter, who, on August first, nineteen
28 hundred eighty, owns and possesses for the purposes of sale beers or
29 liquors, a floor tax at the rates applicable under subdivision (a) upon
30 such beer in excess of one hundred gallons and upon such liquor in
31 excess of four hundred liters. Such floor tax shall be due and payable
32 on the twentieth day of the month succeeding the month of August, nine-
33 teen hundred eighty.

34 (c) If, prior to August first, nineteen hundred eighty, a contract of
35 sale of alcoholic beverages was made, and delivery thereof pursuant to
36 such contract is made within this city on or after August first, nine-
37 teen hundred eighty, the vendor shall be deemed a distributor for the
38 purposes of this subchapter, and such alcoholic beverages shall be
39 deemed to be sold, and shall be subject to such taxes, at the time of
40 such delivery.

41 (d) In any case where the quantity of alcoholic beverages taxable
42 pursuant to this subchapter is a fractional part of one liter, or one
43 gallon in the case of beers, or an amount greater than a whole multiple
44 of liters, or gallons in the case of beers, the amount of tax levied and
45 imposed on such fractional part of one liter, or one gallon in the case
46 of beers, or fractional part of a liter, or gallon, in excess of a whole
47 multiple of liters or gallons shall be such fractional part of the rate
48 imposed by subdivisions (a) and (b) of this section.

49 (e) Notwithstanding any other provisions of this subchapter, there
50 shall be exempt from the taxes imposed under this subchapter, per month,
51 one quart of alcoholic beverages, or one gallon of such beverages in the
52 case of a person arriving directly from American Samoa, Guam or the
53 Virgin Islands of the United States not more than one quart of which
54 shall have been acquired elsewhere than in such insular possessions:

55 (1) purchased outside this city as an incident to a journey from which
56 the purchaser is returning and

1 (2) not to be offered for sale or used for any commercial purpose,
2 provided such alcoholic beverages accompany such person on his or her
3 return to this city and provided, further, that in the case of a person
4 arriving in this city from other than a state of the United States,
5 including the District of Columbia, the Virgin Islands of the United
6 States or a contiguous country maintaining a free zone or free port,
7 such person shall have remained beyond the territorial limits of the
8 United States for a period of not less than forty-eight hours.

9 Provided, however, where the amounts purchased outside the city or
10 brought in exceed the amounts specified in this subdivision but are not
11 in excess of one liter in the case of the references to one quart or
12 four liters in the case of the reference to one gallon, and where no
13 duty is required by the laws of the United States to be paid on such
14 amounts, such metric standards of fill shall be substituted for one
15 quart and one gallon, respectively, and such amounts shall be exempt
16 from tax under the conditions provided for in this subdivision.

17 § 11-2057 Manner of administration and collection. All the provisions
18 of article eighteen of the tax law shall apply to the taxes imposed by
19 subdivision (a) of section 11-2056 of this subchapter, and the
20 provisions of sections four hundred twenty, four hundred twenty-six,
21 four hundred twenty-nine through four hundred thirty-four, four hundred
22 thirty-six and four hundred thirty-seven of the tax law shall apply to
23 the tax imposed by subdivision (b) of section 11-2056 of this subchap-
24 ter, so far as such sections can be made applicable to the taxes imposed
25 by this subchapter with such limitations as set forth in section four
26 hundred forty-five of the tax law and such modifications as may be
27 necessary in order to adapt such language to the taxes imposed by this
28 subchapter.

29 § 11-2058 State tax commission; administration. The taxes imposed by
30 this subchapter shall be administered and collected by the tax commis-
31 sion in the same manner as the taxes imposed under sections four hundred
32 twenty-four and four hundred twenty-five of the tax law subject to all
33 provisions of that article as may be applicable. The tax commission may
34 make such provisions as it deems necessary for the joint administration
35 and collection of the state and local taxes imposed and authorized by
36 article eighteen of the tax law and this subchapter. Nothing in such
37 article eighteen or this subchapter which requires payment of both state
38 and local taxes to the tax commission shall be construed as the payment
39 of either tax more than once.

40 § 11-2059 Disposition of revenues. All taxes, penalties and interest
41 imposed by this subchapter, which are collected by the tax commission,
42 shall be deposited daily with such responsible banks, banking houses or
43 trust companies, as may be designated by the state comptroller, to the
44 credit of the comptroller, in trust for this city. Such deposits shall
45 be kept in trust and separate and apart from all other monies in the
46 possession of the comptroller. The comptroller shall require adequate
47 security from all such depositories of such revenues collected by the
48 tax commission. The comptroller shall retain in his or her hands such
49 amount as the commissioner of taxation and finance may determine to be
50 necessary for refunds in respect of the taxes imposed by this subchap-
51 ter, and for reasonable costs of the state tax commission in administer-
52 ing, collecting and distributing such taxes, out of which the comp-
53 troller shall pay any refunds of such taxes to which taxpayers shall be
54 entitled under the provisions of this subchapter. The comptroller, after
55 reserving such refund and such costs shall, on or before the twelfth day
56 of each month, pay to the commissioner of finance the taxes, penalties

1 and interest imposed by this subchapter, collected by the state tax
2 commission pursuant to this subchapter during the next preceding calen-
3 dar month. The amount so payable shall be certified to the comptroller
4 by the president of the state tax commission or his or her delegate, who
5 shall not be held liable for any inaccuracy in such certificate. Where
6 the amount so paid over to the city in any such distribution is more or
7 less than the amount then due to the city, the amount of the overpayment
8 or underpayment shall be certified to the comptroller by the president
9 of the state tax commission or his or her delegate, who shall not be
10 held liable for any inaccuracy in such certificate. The amount of the
11 overpayment or underpayment shall be so certified to the comptroller as
12 soon after the discovery of the overpayment or underpayment as reason-
13 ably possible and subsequent payments and distributions by the comp-
14 troller to the city shall be adjusted by subtracting the amount of any
15 such overpayment from or by adding the amount of any such underpayment
16 to such number of subsequent payments and distributions as the comp-
17 troller and the president of the state tax commission shall consider
18 reasonable in view of the amount of the overpayment or underpayment and
19 all other facts or circumstances.

20 § 11-2060 Construction. This subchapter shall be construed and
21 enforced in conformity with section four hundred forty-five of the tax
22 law, pursuant to which it is enacted.

15 grant of a leasehold interest shall be only such amount as is not
16 considered rent for purposes of the tax imposed by chapter seven of this

49 (ii) at the rate of one and four hundred twenty-five thousandths of
50 one percent of the consideration for the granting, assignment or surren-

53 and six hundred twenty-five thousandths of one percent of the consider-

55 of such a leasehold interest is more than five hundred thousand dollars;
56 and

1 (iii) provided, however, that for purposes of subparagraphs (i) and
2 (ii) of this paragraph, the amount subject to tax in the case of a grant
3 of a leasehold interest shall be only such amount as is not considered
4 rent for purposes of the tax imposed by chapter seven of this title.

5 Where any real property is situated partly within and partly without
6 the boundaries of the city of Staten Island the consideration and net
7 consideration subject to tax shall be such part of the total consider-
8 ation and total net consideration attributable to that portion of such
9 real property situated within the city of Staten Island or to the inter-
10 est in such portion.

11 b. (1) In addition to the taxes imposed by subdivision a of this
12 section, there is hereby imposed a tax on each instrument or trans-
13 action, unless evidenced by a deed subject to tax under subdivision a of
14 this section, at the time of the transfer, whereby any economic interest
15 in real property is transferred by a grantor to a grantee, where the
16 consideration exceeds twenty-five thousand dollars.

17 (A) With respect to such transfers made on or after July thirteenth,
18 nineteen hundred eighty-six and before August first, nineteen hundred
19 eighty-nine, the tax shall be (i) at the rate of one percent of the
20 consideration where the real property the economic interest in which is
21 transferred is a one, two or three-family house, an individual cooper-
22 ative apartment, an individual residential condominium unit or an indi-
23 vidual dwelling unit in a dwelling which is to be occupied or is occu-
24 pied as the residence or home of four or more families living
25 independently of each other, or where the consideration for the transfer
26 is less than five hundred thousand dollars, and (ii) at the rate of two
27 percent of the consideration with respect to all other transfers.

28 (B) With respect to such transfers made on or after August first,
29 nineteen hundred eighty-nine, the tax shall be at the following rates:

30 (i) at the rate of one percent of the consideration where the real
31 property, the economic interest in which is transferred, is a one, two
32 or three-family house, an individual cooperative apartment, an individ-
33 ual residential condominium unit or an individual dwelling unit in a
34 dwelling which is to be occupied or is occupied as the residence or home
35 of four or more families living independently of each other and where
36 the consideration for such transfer of an economic interest in such real
37 property is five hundred thousand dollars or less, and at the rate of
38 one and four hundred twenty-five thousandths of one percent of the
39 consideration where the consideration for such transfer of an economic
40 interest in such property is more than five hundred thousand dollars,
41 and

42 (ii) at the rate of one and four hundred twenty-five thousandths of
43 one percent of the consideration with respect to all other transfers of
44 an economic interest in real property where the consideration is five
45 hundred thousand dollars or less, and at the rate of two and six hundred
46 twenty-five thousandths of one percent of the consideration where the
47 consideration for such transfers is more than five hundred thousand
48 dollars.

49 (C) Where any real property, the economic interest in which is trans-
50 ferred, is situated partly within and partly without the boundaries of
51 the city of Staten Island, the consideration subject to tax shall be
52 such part of the consideration as is attributable to that portion of
53 such real property which is situated within the city of Staten Island.

54 (2) Notwithstanding the definition of "controlling interest" contained
55 in subdivision eight of section 11-2101 of this chapter or anything to
56 the contrary contained in subdivision seven of such section, in the case

1 of any transfer of shares of stock in a cooperative housing corporation
2 in connection with the grant or transfer of a proprietary leasehold, the
3 tax imposed by this subdivision shall apply to (i) the original transfer
4 of such shares of stock by the cooperative corporation or cooperative
5 plan sponsor, and (ii) any subsequent transfer of such shares of stock
6 by the owner thereof. Notwithstanding any provision of this chapter to
7 the contrary, in the case of a transfer described in clause (ii) of this
8 subparagraph which relates to an individual residential unit, the
9 consideration for such transfer shall not include any portion of the
10 unpaid principal of any mortgage on the real property of the cooperative
11 housing corporation. In determining the tax on a transfer described in
12 clause (i) of this subparagraph, a credit shall be allowed for a propor-
13 tionate part of the amount of any tax paid upon the conveyance to the
14 cooperative housing corporation of the land and building or buildings
15 comprising the cooperative dwelling or dwellings. Such proportionate
16 part shall be the amount determined by multiplying the amount of tax
17 paid upon the conveyance to the cooperative housing corporation by a
18 fraction, the numerator of which shall be the number of shares of stock
19 transferred in a transaction described in clause (i) of this subpara-
20 graph and the denominator of which shall be the total number of
21 outstanding shares of stock of the cooperative housing corporation,
22 including any stock held by the corporation. In no event, however, shall
23 such credit reduce the tax on a transfer described in clause (i) of this
24 subparagraph below zero, nor shall any such credit be allowed for any
25 tax paid more than twenty-four months prior to the date on which occurs
26 the first in a series of transfers of shares of stock in an offering of
27 cooperative housing corporation shares described in clause (i) of this
28 subparagraph. For purposes of this paragraph, the term "cooperative
29 housing corporation" shall not include a housing company organized and
30 operating pursuant to the provisions of article two, four, five or elev-
31 en of the private housing finance law.

32 (3) Notwithstanding the definition of "controlling interest" contained
33 in paragraph eight of section 11-2101 of this chapter or anything to the
34 contrary contained in paragraph seven of such section, in the case of a
35 corporation, other than a cooperative housing corporation, partnership,
36 association, trust or other entity formed for the purpose of cooperative
37 ownership of real property, the tax imposed by this subdivision shall
38 apply to each transfer of shares of stock in such corporation, interest
39 in such partnership, association or other entity or beneficial interest
40 in such trust, in connection with the grant or transfer of a proprietary
41 leasehold. Notwithstanding any provision of this chapter to the contra-
42 ry, in the case of a transfer described in this paragraph which relates
43 to an individual residential unit, other than the original transfer of
44 such a unit by the cooperative entity or cooperative plan sponsor, the
45 consideration for such transfer shall not include any portion of the
46 unpaid principal of any mortgage on the real property of such corpo-
47 ration, partnership, association, trust or other entity. Notwithstanding
48 any other provision of law to the contrary, all revenues arising from
49 the tax imposed pursuant to this paragraph shall be credited to and
50 deposited in the general fund of the city, but no part of such revenues
51 may be expended unless appropriated in the annual budget of the city.

52 c. (1) Anything to the contrary notwithstanding, in the case of any
53 conveyance or transfer of real property or any economic interest therein
54 in complete or partial liquidation of a corporation, partnership, asso-
55 ciation, trust or other entity, the taxes imposed by this section shall
56 be measured by (i) the consideration for such conveyance or transfer, or

1 (ii) the value of the real property or economic interest therein, which-
2 ever is greater.

3 (2) If, within twenty-four months following the transfer of an econom-
4 ic interest in real property which is subject to the tax imposed by this
5 chapter, the corporation, partnership, association, trust or other enti-
6 ty owning the real property the economic interest in which was so trans-
7 ferred, is liquidated, and such real property is conveyed to the grantee
8 or grantees of such economic interest, a credit shall be allowed against
9 the tax imposed by this chapter upon such conveyance in liquidation to
10 such grantee or grantees. The amount of such credit shall be equal to
11 the amount of the tax paid upon the prior transfer of the economic
12 interest in such real property, but shall in no event be greater than
13 the tax payable upon the conveyance in liquidation.

14 d. In the case of a transfer of an economic interest in any entity
15 that owns assets in addition to real property or interest therein, the
16 consideration subject to tax shall be deemed equal to the fair market
17 value of the real property or interest therein apportioned based on the
18 percentage of the ownership interest in the entity transferred.

19 e. (1) Notwithstanding anything contained in this section, the tax
20 imposed under subdivisions a and b of this section on any deed or other
21 instrument or transaction conveying or transferring real property or an
22 economic interest therein, that qualifies as a real estate investment
23 trust transfer, as defined below, shall be imposed at a rate equal to
24 fifty percent of the otherwise applicable rate.

25 (2) For purposes of this subdivision, a real estate investment trust
26 transfer shall mean (A) any deed or other instrument or transaction
27 conveying or transferring real property or an economic interest therein
28 to a real estate investment trust as defined in section eight hundred
29 fifty-six of the internal revenue code (a "REIT") or to a partnership or
30 corporation in which a REIT owns a controlling interest immediately
31 following the transaction; and (B) any issuance or transfer of an inter-
32 est in a REIT, or in a partnership or corporation in which a REIT owns a
33 controlling interest immediately following the issuance or transfer in
34 connection with a transaction described in subparagraph (A) of this
35 paragraph.

36 Provided, however, a transaction described in the opening paragraph
37 of this paragraph shall not constitute a real estate investment trust
38 transfer unless (i) it occurs in connection with the initial formation
39 of the REIT and the conditions described in subparagraphs (C) and (D) of
40 this paragraph are satisfied, or (ii) in the case of any real estate
41 investment trust transfer occurring on or after July thirteenth, nine-
42 teen hundred ninety-six and before September first, two thousand twen-
43 ty-six, the transaction is described in subparagraph (E) of this para-
44 graph in which case the provision of such subparagraph shall apply.

45 (C) The value of the ownership interests in the REIT, or in a partner-
46 ship or corporation in which the REIT owns a controlling interest,
47 received by the grantor as consideration for such conveyance or transfer
48 must be equal to an amount not less than forty percent of the value of
49 the equity interest in the real property or economic interest therein
50 conveyed or transferred by the grantor to the grantee and such ownership
51 interests must be retained by the grantor or owners of the grantor for a
52 period of not less than two years following the date of such conveyance
53 or transfer; provided, however, that in the case of the death of the
54 grantor or an owner of the grantor within such two year period, this two
55 year retention requirement shall be deemed to be satisfied notwithstand-
56 ing any conveyance or transfer of such ownership interests held by such

1 individual as a result of such death. The value of the equity interest
2 in such real property or economic interest therein shall be computed by
3 subtracting from the consideration for the conveyance or transfer of the
4 real property or economic interest therein the unpaid balance of any
5 loans secured by mortgages or other encumbrances which are liens on the
6 real property or economic interest therein immediately before the
7 conveyance or transfer. For purposes of this computation, in the case of
8 a conveyance or transfer of real property other than a conveyance or
9 transfer of an economic interest in real property, the amount of the
10 unpaid balance of any loans secured by mortgages or other encumbrances
11 to be subtracted from consideration is determined by multiplying the
12 total unpaid balance of any loans secured by mortgages or other encum-
13 brances on the real property by the percentage of the ownership interest
14 in the real property being conveyed or transferred to the grantee. In
15 the case of a transfer of an economic interest in real property, such
16 amount to be subtracted is equal to the sum of the following amounts:
17 (i) a reasonable apportionment to the interests in real property owned
18 by the entity of the amount of any loans secured by encumbrances on the
19 ownership interests in the entity which are being conveyed or trans-
20 ferred and (ii) the amount of any loans secured by mortgages or other
21 encumbrances on the real property of the entity multiplied by the
22 percentage interest in the entity which is being conveyed or trans-
23 ferred.

24 Provided, however, that for purposes of the computation made pursuant
25 to this subparagraph, any mortgages or other encumbrances on the real
26 property or economic interest therein which are created in contemplation
27 of the initial formation of the REIT or in contemplation of the convey-
28 ance or transfer of such real property or economic interest therein to
29 the REIT or to a partnership or corporation in which the REIT owns a
30 controlling interest immediately following the conveyance or transfer
31 shall not be considered.

32 (D) Seventy-five percent or more of the cash proceeds received by such
33 REIT from the sale of ownership interests in such REIT upon its initial
34 formation must be used: (i) to make payments on loans secured by any
35 interest in real property, including an ownership interest in an entity
36 owning real property, which is owned directly or indirectly by such
37 REIT; (ii) to pay for capital improvements to real property or any
38 interest therein owned directly or indirectly by such REIT; (iii) to pay
39 brokerage fees and commissions, professional fees and payments to or on
40 behalf of a tenant as an inducement to enter into a lease or sublease
41 incurred in connection with the creation of a leasehold or sublease
42 pertaining to real property or any interest therein owned directly or
43 indirectly by such REIT; (iv) to acquire any interest in real property,
44 including an ownership interest in any entity owning real property,
45 apart from any acquisition to which a reduced rate of tax is applicable
46 pursuant to this subdivision, without regard to this subparagraph; or
47 (v) for reserves established for any of the purposes described in clause
48 (i), (ii) or (iii) of this subparagraph. For purposes of this subpara-
49 graph, the term real property shall include real property wherever
50 located.

51 (E) If a transaction otherwise described in subparagraph (A) or (B) of
52 this paragraph occurs other than in connection with the initial forma-
53 tion of a REIT, the condition set forth in subparagraph (D) shall be
54 disregarded and such transaction shall constitute a "real estate invest-
55 ment trust transfer" if the condition set forth in subparagraph (C)

1 would be satisfied if "fifty percent" is substituted for "forty percent"
2 therein.

3 (3) For purposes of determining the consideration for a real estate
4 investment trust transfer taxable under this subdivision the value of
5 the real property or interest therein shall be equal to the estimated
6 market value as determined by the commissioner of finance for real prop-
7 erty tax purposes as reflected on the most recent notice of assessment
8 issued by such commissioner, or such other value as the taxpayer may
9 establish to the satisfaction of such commissioner.

10 (4) This subdivision shall only apply to real estate investment trust
11 transfers occurring on or after the effective date of this subdivision.

12 f. Notwithstanding any other provision of this chapter, in determining
13 the tax imposed by this chapter with respect to a deed, instrument or
14 transaction conveying or transferring a one, two or three-family house,
15 an individual residential condominium unit, an individual residential
16 cooperative apartment, or an interest therein, the consideration for
17 such conveyance or transfer shall exclude, to the extent otherwise
18 included therein, the amount of any mortgage or other lien or encum-
19 brance on the real property or interest therein that existed before the
20 delivery of the deed or the transfer and remains thereon after the date
21 of delivery of the deed or the transfer, other than any mortgage, lien
22 or encumbrance placed on the property or interest in connection with, or
23 in anticipation of, the conveyance or transfer, or by reason of deferred
24 payments of the purchase price whether represented by notes or other-
25 wise. Provided, however, that this subdivision shall not apply to a
26 conveyance or transfer (1) to a mortgagee, lienor or encumbrancer,
27 regardless of whether the grantor or transferor is or was personally
28 liable for the indebtedness secured by the mortgage, lien or encumbrance
29 or whether the mortgage, lien or encumbrance is canceled of record, or
30 (2) which qualifies as a "real estate investment trust transfer" as
31 defined in subdivision e of this section.

32 § 11-2103 Presumptions and burden of proof. For the purpose of the
33 proper administration of this chapter and to prevent evasion of the tax
34 hereby imposed, it shall be presumed that all deeds and transfers of
35 economic interests in real property are taxable. Where the consider-
36 ation includes property other than money, it shall be presumed that the
37 consideration is the value of the real property or interest therein.
38 Such presumptions shall prevail until the contrary is established and
39 the burden of proving the contrary shall be on the taxpayer. The burden
40 of proving that a lien or encumbrance existed on the real property or
41 interest therein before the delivery of the deed and remained thereon
42 thereafter and the burden of proving the amount of such lien or encum-
43 brance at the time of the delivery of the deed shall be on the taxpayer.

44 § 11-2104 Payment. The tax imposed hereunder shall be paid by the
45 grantor to the commissioner of finance at the office of the register in
46 the county where the deed is or would be recorded within thirty days
47 after the delivery of the deed by the grantor to the grantee but before
48 the recording of such deed, or, in the case of a tax on the transfer of
49 an economic interest in real property, at such place as the commissioner
50 of finance shall designate, within thirty days after the transfer. The
51 grantee shall also be liable for the payment of such tax in the event
52 that the amount of tax due is not paid by the grantor or the grantor is
53 exempt from tax. All moneys received as such payments by the register
54 during the preceding month shall be transmitted to the commissioner of
55 finance on the first day of each month or on such other day as is mutu-
56 ally agreeable to the commissioner of finance and the register. From the

1 moneys so received by him or her, the commissioner of finance shall set
2 said in a special account:

3 (1) the total amount of taxes imposed pursuant to the provisions of
4 paragraph three of subdivision a of section 11-2102 of this chapter
5 including any interest or penalties thereon;

6 (2) fifty percent of the total amount of taxes imposed pursuant to the
7 provisions of paragraph four of subdivision a of section 11-2102 of this
8 chapter, including fifty percent of any interest or penalties thereon,
9 provided, however, that where such tax is measured by the consideration
10 for a conveyance without deduction for the amount of any mortgage or
11 other lien or encumbrance on the real property or interest therein which
12 existed before the delivery of the deed and remains thereon after the
13 delivery of the deed, the entire amount of tax imposed at the rate of
14 one percent on the portion of the consideration ascribable to such
15 nondeductible mortgage, lien or other encumbrance, including any inter-
16 est or penalties thereon, and fifty percent of the tax on the balance of
17 the consideration, including fifty percent of any interest or penalties
18 thereon, shall be set aside in such special account;

19 (3) fifty percent of the total amount of taxes imposed pursuant to the
20 provisions of subparagraph (iii) of paragraph seven of subdivision a of
21 section 11-2102 of this chapter, including fifty percent of any interest
22 or penalties thereon;

23 (4) fifty percent of the total amount of taxes imposed pursuant to the
24 provisions of paragraph eight of subdivision a of section 11-2102 of
25 this chapter, including fifty percent of any interest or penalties ther-
26 eon;

27 (5) fifty percent of the total amount of taxes imposed at the rate of
28 two percent pursuant to the provisions of clause (ii) of subparagraph A
29 of paragraph one of subdivision b of section 11-2102 of this chapter
30 including fifty percent of any interest or penalties thereon;

31 (6) with respect to any conveyance of real property, transfer of an
32 economic interest therein, or any grant, assignment or surrender of a
33 leasehold interest in real property, made on or after August first,
34 nineteen hundred eighty-nine and taxable under this chapter, in each
35 instance where the tax rate is in excess of two percent, a portion of
36 the tax received equal to one percent of the consideration subject to
37 the tax plus any interest or penalty attributable to such portion of the
38 tax; and

39 (7) notwithstanding anything in subdivision six of this section to the
40 contrary, in each instance where the tax rate imposed pursuant to subdivi-
41 sion e of section 11-2102 of this chapter is in excess of one percent,
42 a portion of the tax received equal to one-half of one percent of the
43 total consideration for the real property or economic interest therein
44 conveyed or transferred, plus any interest or penalty attributable to
45 such portion of the tax.

46 Moneys in such account shall be used for payment by such commissioner
47 to the state comptroller for deposit in the urban mass transit operating
48 assistance account of the mass transportation operating assistance fund
49 of any amount of insufficiency certified by the state comptroller pursu-
50 ant to the provisions of subdivision six of section eighty-eight-a of
51 the state finance law, and, on the fifteenth day of each month, the
52 commissioner of finance shall transmit all funds in such account on the
53 last day of the preceding month, except the amount required for the
54 payment of any amount of insufficiency certified by the state comp-
55 troller and such amount as he or she deems necessary for refunds and
56 such other amounts necessary to finance the New York City transportation

1 disabled committee and the New York City paratransit system as estab-
2 lished by section fifteen-b of the transportation law, provided, howev-
3 er, that such amounts shall not exceed six percent of the total funds in
4 the account but in no event be less than one hundred seventy-five thou-
5 sand dollars beginning April first, nineteen hundred eighty-six, and
6 further that beginning November fifteenth, nineteen hundred eighty-four
7 and during the entire period prior to operation of such system, the
8 total of such amounts shall not exceed three hundred seventy-five thou-
9 sand dollars for the administrative expenses of such committee and fifty
10 thousand dollars for the expenses of the agency designated pursuant to
11 paragraph b of subdivision five of such section, and other amounts
12 necessary to finance the operating needs of the private bus companies
13 franchised by the city of New York and eligible to receive state operat-
14 ing assistance under section eighteen-b of the transportation law,
15 provided, however, that such amounts shall not exceed four percent of
16 the total funds in the account, to the New York city transit authority
17 for mass transit within the city.

18 § 11-2105 Returns. a. A joint return shall be filed by both the
19 grantor and the grantee for each deed whether or not a tax is due there-
20 on. Such return shall be filed with the commissioner of finance within
21 thirty days after the delivery of the deed by the grantor to the grantee
22 but before the recording of such deed. The commissioner of finance may,
23 by rule, require that such returns be filed electronically.

24 Filing shall be accomplished by delivering the return to the register
25 for transmittal to the commissioner of finance or, where required by the
26 commissioner of finance, by electronic filing of the return in a manner
27 designated by the commissioner of finance. In the case of a transfer of
28 an economic interest in real property, a joint return shall be filed in
29 the above manner by both the grantor and the grantee for each instrument
30 or transaction by which such transfer is effected, whether or not a tax
31 is due thereon. Such return shall be filed with the commissioner of
32 finance, at such place and in such manner as he or she may designate
33 within thirty days after the transfer. The commissioner of finance shall
34 prescribe the form of the return and the information which it shall
35 contain. The return shall be signed by both the grantor or the grantor's
36 agent and the grantee or the grantee's agent. Where the commissioner of
37 finance requires electronic filing, the return shall be signed electron-
38 ically. Upon the filing of such return for a deed, evidence of the
39 filing shall be affixed to the deed by the register. The commissioner of
40 finance may provide for the use of stamps as evidence of payment and
41 that they shall be affixed to the deed before it is recorded. Where
42 either the grantor or grantee has failed to sign the return, it shall be
43 accepted as a return, but the party who has failed to sign the return or
44 file a separate return shall be subject to the penalties applicable to a
45 person who has failed to file a return and the period of limitations for
46 assessment of tax or of additional tax shall not apply to such party.
47 For good cause, the commissioner of finance may waive any rule requiring
48 electronic filing and may permit a return to be filed in such other
49 manner as the commissioner of finance may designate.

50 b. Returns shall be preserved for three years and thereafter until
51 the commissioner of finance permits them to be destroyed.

52 c. The commissioner of finance may require amended returns to be filed
53 within twenty days after notice and to contain the information specified
54 in the notice.

55 d. If a return required by this chapter is not filed or if a return
56 when filed is incorrect or insufficient on its face the commissioner of

1 finance shall take the necessary steps to enforce the filing of such a
2 return or of a corrected return.

3 e. Where a deed, or instrument or transaction has more than one gran-
4 tor or more than one grantee, the return may be signed by any one of the
5 grantors and by any one of the grantees, provided, however, that those
6 not signing shall not be relieved of any liability for the tax imposed
7 by this chapter.

8 f. The payment of, and the filing of returns relating to, the taxes
9 imposed hereunder, shall be required as a condition precedent to the
10 recording or filing of a deed, lease, assignment or surrender of lease
11 or other instrument effecting a conveyance or transfer subject to such
12 taxes.

13 g. Every cooperative housing corporation shall be required to file an
14 information return with the commissioner of finance as follows: such
15 information return shall be filed by February fifteenth of the year two
16 thousand and of each year thereafter, covering the reporting period
17 beginning on January sixth of the year preceding the filing and ending
18 on January fifth of the year of the filing. For reporting periods begin-
19 ning before January sixth, nineteen hundred ninety-nine, such informa-
20 tion return shall be filed by July fifteenth of each year covering the
21 preceding period of January first through June thirtieth and by January
22 fifteenth of each year covering the preceding period of July first
23 through December thirty-first provided, however, that for the reporting
24 period from January first through June thirtieth, nineteen hundred
25 eighty-nine, such information return shall be filed by July thirty-
26 first, nineteen hundred eighty-nine. The return shall contain such
27 information regarding the transfer of shares of stock in the cooperative
28 housing corporation as the commissioner may deem necessary, including
29 but not limited to, the names, addresses and employer identification
30 numbers or social security numbers of the grantor and the grantee, the
31 number of shares transferred, the date of the transfer and the consider-
32 ation paid for such transfer, provided, however, that if such cooper-
33 ative housing corporation elects that such information return be deemed
34 an application for an abatement pursuant to paragraph (f) of subdivision
35 three of section four hundred sixty-seven-a of the real property tax
36 law, such return shall contain the information required pursuant to
37 paragraph (d) of subdivision three of such section. The commissioner of
38 finance may enter into an agreement with the commissioner of taxation
39 and finance of the state of New York to provide that a single informa-
40 tion return may be filed for purposes of the tax imposed by this chapter
41 and the real estate transfer tax imposed by article thirty-one of the
42 tax law.

43 h. Returns with respect to the conveyance of a one- or two-family
44 dwelling will not be accepted for filing unless accompanied by an affi-
45 davit signed by the grantor and grantee indicating that the premises is
46 equipped with an approved and operational smoke detecting device as
47 provided in article six of subchapter seventeen of chapter one of title
48 twenty-seven of this code.

49 i. When the grantor or grantee of a deed for a building used as resi-
50 dential real property containing up to four family dwelling units is a
51 limited liability company, the joint return shall not be accepted for
52 filing unless it is accompanied by a document which identifies the names
53 and business addresses of all members, managers, and any other author-
54 ized persons, if any, of such limited liability company and the names
55 and business addresses or, if none, the business addresses of all share-
56 holders, directors, officers, members, managers and partners of any

1 limited liability company or other business entity that are to be the
2 members, managers or authorized persons, if any, of such limited liabil-
3 ity company. The identification of such names and addresses shall not be
4 deemed an unwarranted invasion of personal privacy pursuant to article
5 six of the public officers law. If any such member, manager or author-
6 ized person of the limited liability company is itself a limited liabil-
7 ity company or other business entity other than a publicly traded enti-
8 ty, a REIT, an UPREIT, or a mutual fund, the names and addresses of the
9 shareholders, directors, officers, members, managers and partners of the
10 limited liability company or other business entity shall also be
11 disclosed until full disclosure of ultimate ownership by natural persons
12 is achieved. For purposes of this subdivision, the terms "members",
13 "managers", "authorized person", "limited liability company" and "other
14 business entity" shall have the same meaning as those terms are defined
15 in section one hundred two of the limited liability company law.

16 § 11-2106 Exemptions. a. The following shall be exempt from the
17 payment of the tax imposed by this chapter and from filing a return:

18 1. The state of New York, or any of its agencies, instrumentalities,
19 public corporations, including a public corporation created pursuant to
20 agreement or compact with another state or the Dominion of Canada, or
21 political subdivisions;

22 2. The United States of America, and any of its agencies and instru-
23 mentalities, insofar, as they are immune from taxation, provided, howev-
24 er, that the exemption of such governmental bodies or persons shall not
25 relieve a grantee from them of liability for the tax or from filing a
26 return.

27 b. The tax imposed by this chapter shall not apply to any of the
28 following deeds, instruments or transactions:

29 1. A deed, instrument or transaction conveying or transferring real
30 property or an economic interest therein by or to the United Nations or
31 other world-wide international organizations of which the United States
32 of America is a member;

33 2. A deed, instrument or transaction conveying or transferring real
34 property or an economic interest therein by or to any corporation, or
35 association, or trust, or community chest, fund or foundation, organized
36 or operated exclusively for religious, charitable, or educational
37 purposes, or for the prevention of cruelty to children or animals, and
38 no part of the net earnings of which inures to the benefit of any
39 private shareholder or individual and no substantial part of the activ-
40 ities of which is carrying on propaganda, or otherwise attempting to
41 influence legislation; provided, however, that nothing in this paragraph
42 shall include an organization operated for the primary purpose of carry-
43 ing on a trade or business for profit, whether or not all of its profits
44 are payable to one or more organizations described in this paragraph;

45 3. A deed, instrument or transaction conveying or transferring real
46 property or an economic interest therein to any governmental body or
47 person exempt from payment of the tax pursuant to subdivision a of this
48 section;

49 4. A deed delivered pursuant to a contract made prior to May first,
50 nineteen hundred fifty-nine;

51 5. A deed delivered by any governmental body or person exempt from
52 payment of the tax pursuant to subdivision a of this section as a result
53 of a sale at a public auction held in accordance with the provisions of
54 a contract made prior to May first, nineteen hundred fifty-nine;

55 6. A deed or instrument given solely as security for, or a transaction
56 the sole purpose of which is to secure, a debt or obligation or a deed

1 or instrument given, or a transaction entered into, solely for the
2 purpose of returning such security;

3 7. A deed, instrument or transaction conveying or transferring real
4 property or an economic interest therein from a mere agent, dummy, straw
5 man or conduit to his principal or a deed, instrument or transaction
6 conveying or transferring real property or an economic interest therein
7 from the principal to his agent, dummy, straw man or conduit.

8 8. A deed, instrument or transaction conveying or transferring real
9 property or an economic interest therein that effects a mere change of
10 identity or form of ownership or organization to the extent the benefi-
11 cial ownership of such real property or economic interest therein
12 remains the same, other than a conveyance to a cooperative housing
13 corporation of the land and building or buildings comprising the cooper-
14 ative dwelling or dwellings. For purposes of this paragraph, the term
15 "cooperative housing corporation" shall not include a housing company
16 organized and operating pursuant to the provisions of article two, four,
17 five or eleven of the private housing finance law.

18 9. A deed, instrument or transaction conveying or transferring real
19 property or an economic interest therein by or to any housing develop-
20 ment fund company organized pursuant to article eleven of the private
21 housing finance law or to an entity, the controlling interest of which
22 is held by such a company, if at the time of such conveyance or trans-
23 fer, such real property is subject to, or simultaneously with such
24 conveyance or transfer is made subject to, a regulatory agreement with
25 the state of New York, a municipal corporation or any other public
26 corporation created by or pursuant to any law of the state of New York
27 that: encumbers the real property for thirty years or more, requires
28 mutual consent for revocation or amendment, restricts more than fifty
29 percent of the floor area, other than common areas, to residential real
30 property, and restricts at least sixty-six and two-thirds percent of
31 such residential real property to purchase, lease, license or other use
32 by persons of low income and families of low income within the meaning
33 of section two of the private housing finance law; provided, however,
34 that if such regulatory agreement restricts less than one hundred
35 percent of the floor area, other than common areas, to purchase, lease,
36 license or other use by persons of low income and families of low income
37 within the meaning of section two of the private housing finance law,
38 the tax shall apply to the consideration less the product of the consid-
39 eration and a fraction, the numerator of which is the floor area that
40 such regulatory agreement restricts to purchase, lease, license or other
41 use by persons of low income and families of low income within the mean-
42 ing of section two of the private housing finance law and the denomina-
43 tor of which is the entire floor area, minus the floor area of common
44 areas; provided further, that if such real property is made subject to a
45 regulatory agreement that meets the terms of this paragraph within two
46 years of the conveyance or transfer then the commissioner of finance may
47 issue a refund based on the application of this paragraph pursuant to
48 the provisions of section 11-2108 of this chapter, treating the transfer
49 or conveyance as if such real property were subject to such regulatory
50 agreement as of the date of such transfer or conveyance, if, notwith-
51 standing any other time limitation set forth in section 11-2108 of this
52 chapter, application to the commissioner of finance for such refund is
53 made within twelve months of the effective date of such regulatory
54 agreement.

55 c. Notwithstanding any provision of this chapter to the contrary,
56 where stock of a cooperative housing corporation and the appurtenant

1 proprietary leasehold are transferred to such cooperative housing corpo-
2 ration or a wholly owned subsidiary of such housing corporation, or to
3 the holder of a mortgage on the real property of such cooperative hous-
4 ing corporation or a wholly owned subsidiary of such holder of a mort-
5 gage on the real property of such cooperative housing corporation, such
6 cooperative housing corporation or its wholly owned subsidiary, or such
7 mortgage holder or its wholly owned subsidiary, shall not be liable as
8 grantee for the tax determined to be due under this chapter from the
9 grantor in such transfer, provided that such transfer occurred pursuant
10 to, as the result of, or in connection with an action, proceeding, or
11 other procedure to which such cooperative housing corporation is a
12 party, to enforce a lien, security interest or other rights on or in
13 such stock and proprietary leasehold, including but not limited to
14 rights under the proprietary lease. This subdivision shall apply to
15 transfers occurring on or after June sixteenth, nineteen hundred nine-
16 ty-two.

17 § 11-2107 Determination of tax. If a return required by this chapter
18 is not filed, or if a return when filed is incorrect or insufficient,
19 the amount of tax due shall be determined by the commissioner of finance
20 from such information as may be obtainable, including the assessed valu-
21 ation of the real property or interest therein. Notice of such determi-
22 nation shall be given to the person liable for the tax. Such determi-
23 nation shall finally and irrevocably fix the tax unless the person
24 against whom it is assessed, within ninety days after the giving of
25 notice of such determination, or, if the commissioner of finance has
26 established a conciliation procedure pursuant to section 11-124 of the
27 code of the preceding municipality and the taxpayer has requested a
28 conciliation conference in accordance therewith, within ninety days from
29 the mailing of a conciliation decision or the date of the commissioner's
30 confirmation of the discontinuance of the conciliation proceeding, both
31 (1) serves a petition upon the commissioner of finance and (2) files a
32 petition with the tax appeals tribunal for a hearing, or, unless the
33 commissioner of finance of his or her own motion shall redetermine the
34 same. Such hearing and any appeal to the tax appeals tribunal sitting en
35 banc from the decision rendered in such hearing shall be conducted in
36 the manner and subject to the requirements prescribed by the tax appeals
37 tribunal pursuant to sections one hundred sixty-eight through one
38 hundred seventy-two of the charter of the preceding municipality as it
39 existed January first, nineteen hundred ninety-four. After such hearing
40 the tax appeals tribunal shall give notice of its decision to the person
41 against whom the tax is assessed and to the commissioner of finance. A
42 decision of the tax appeals tribunal sitting en banc shall be reviewable
43 for error, illegality or unconstitutionality or any other reason whatso-
44 ever by a proceeding under article seventy-eight of the civil practice
45 law and rules if application therefor is made to the supreme court by
46 the person against whom the tax was assessed within four months after
47 the giving of the notice of such tax appeals tribunal decision. A
48 proceeding under article seventy-eight of the civil practice law and
49 rules shall not be instituted by a taxpayer unless: (a) the amount of
50 any tax sought to be reviewed, with penalties and interest thereon, if
51 any, shall be first deposited with the commissioner of finance and there
52 shall be filed with the commissioner of finance an undertaking, issued
53 by a surety company authorized to transact business in this state and
54 approved by the superintendent of insurance of this state as to solvency
55 and responsibility, in such amount and with such sureties as a justice
56 of the supreme court shall approve, to the effect that if such proceed-

1 ing be dismissed or the tax confirmed, the taxpayer will pay all costs
2 and charges which may accrue in the prosecution of the proceeding; or
3 (b) at the option of the taxpayer such undertaking filed with the
4 commissioner of finance may be in a sum sufficient to cover the taxes,
5 penalties and interest thereon stated in such decision plus the costs
6 and charges which may accrue against it in the prosecution of the
7 proceeding, in which event the taxpayer shall not be required to deposit
8 such taxes, penalties and interest as a condition precedent to the
9 application.

10 § 11-2108 Refunds. a. In the manner provided in this section the
11 commissioner of finance shall refund or credit, without interest, any
12 tax, penalty or interest erroneously, illegally or unconstitutionally
13 collected or paid if application to the commissioner of finance for such
14 refund shall be made within one year from the payment thereof. Whenever
15 a refund is made or denied by the commissioner of finance, the commis-
16 sioner shall state his or her reason therefor and give notice thereof to
17 the taxpayer in writing. Such application may be made by the grantor,
18 grantee or other person who has actually paid the tax. The commissioner
19 of finance may, in lieu of any refund required to be made, allow credit
20 therefor on payments due from the applicant.

21 b. Any determination of the commissioner of finance denying a refund
22 or credit pursuant to subdivision a of this section shall be final and
23 irrevocable unless the applicant for such refund or credit, within nine-
24 ty days from the mailing of notice of such determination, or, if the
25 commissioner of finance has established a conciliation procedure pursu-
26 ant to section 11-124 of the code of the preceding municipality and the
27 applicant has requested a conciliation conference in accordance there-
28 with, within ninety days from the mailing of a conciliation decision or
29 the date of the commissioner's confirmation of the discontinuance of the
30 conciliation proceeding, both (1) serves a petition upon the commission-
31 er of finance and (2) files a petition with the tax appeals tribunal for
32 a hearing. Such petition for a refund or credit made as herein provided
33 shall be deemed an application for a revision of any tax, penalty or
34 interest complained of. Such hearing and any appeal to the tax appeals
35 tribunal sitting en banc from the decision rendered in such hearing
36 shall be conducted in the manner and subject to the requirements
37 prescribed by the tax appeals tribunal pursuant to sections one hundred
38 sixty-eight through one hundred seventy-two of the charter of the
39 preceding municipality as it existed January first, nineteen hundred
40 ninety-four. After such hearing, the tax appeals tribunal shall give
41 notice of its decision to the applicant and the commissioner of finance.
42 The applicant shall be entitled to review such decision of the tax
43 appeals tribunal sitting en banc by a proceeding pursuant to article
44 seventy-eight of the civil practice law and rules, provided such
45 proceeding is instituted within four months after the giving of notice
46 of such decision, and provided, in the case of an application by a
47 taxpayer, that a final determination of tax due was not previously made.
48 Such a proceeding shall not be instituted by a taxpayer unless an under-
49 taking is filed with the commissioner of finance in such amount and with
50 such sureties as a justice of the supreme court shall approve to the
51 effect that if such proceeding be dismissed or the tax confirmed, the
52 taxpayer will pay all costs and charges which may accrue in the prose-
53 cution of such proceeding.

54 c. A person shall not be entitled to a revision, refund or credit
55 under this section of a tax, interest or penalty which had been deter-
56 mined to be due pursuant to the provisions of section 11-2107 of this

1 chapter where he or she has had a hearing or an opportunity for a hear-
2 ing, as provided in said section, or has failed to avail himself or
3 herself of the remedies therein provided. No refund or credit shall be
4 made of a tax, interest or penalty paid after a determination by the
5 commissioner of finance made pursuant to section 11-2107 of this chapter
6 unless it be found that such determination was erroneous, illegal or
7 unconstitutional or otherwise improper, by the tax appeals tribunal
8 after a hearing, or on the commissioner of finance's own motion, or, if
9 such tax appeals tribunal affirms in whole or in part the determination
10 of the commissioner of finance, in a proceeding under article seventy-
11 eight of the civil practice law and rules, pursuant to the provisions of
12 said section, in which event refund or credit without interest shall be
13 made of the tax, interest or penalty found to have been overpaid.

14 § 11-2109 Reserves. In cases where the grantor or grantee has
15 applied for a refund and has instituted a proceeding under article
16 seventy-eight of the civil practice law and rules to review a determi-
17 nation adverse to him or her on his or her application for refund, the
18 comptroller shall set up appropriate reserves to meet any decision
19 adverse to the city.

20 § 11-2110 Remedies exclusive. The remedies provided by sections
21 11-2107 and 11-2108 of this chapter shall be exclusive remedies avail-
22 able to any person for the review of tax liability imposed by this chap-
23 ter; and no determination or proposed determination of tax or determi-
24 nation on any application for refund shall be enjoined or reviewed by an
25 action for declaratory judgment, an action for money had and received or
26 by any action or proceeding other than a proceeding in the nature of a
27 certiorari proceeding under article seventy-eight of the civil practice
28 law and rules; provided, however, that a taxpayer may proceed by declar-
29 atory judgment if he or she institutes suit within thirty days after a
30 deficiency assessment is made and pays the amount of the deficiency
31 assessment to the commissioner of finance prior to the institution of
32 such suit and posts a bond for costs as provided in section 11-2107 of
33 this chapter.

34 § 11-2111 Proceedings to recover tax. a. Whenever any grantor or
35 grantee shall fail to pay any tax, penalty or interest imposed by this
36 chapter as herein provided, the corporation counsel shall, upon the
37 request of the commissioner of finance bring or cause to be brought an
38 action to enforce the payment of the same on behalf of the city of
39 Staten Island in any court of the state of New York or of any other
40 state or of the United States. If, however, the commissioner of finance
41 in his or her discretion believes that any such grantor or grantee
42 subject to the provisions of this chapter is about to cease business,
43 leave the state or remove or dissipate the assets out of which the tax
44 or penalty might be satisfied, and that any such tax or penalty will not
45 be paid when due, such commissioner may declare such tax or penalty to
46 be immediately due and payable and may issue a warrant immediately.

47 b. As an additional or alternate remedy, the commissioner of finance
48 may issue a warrant, directed to the city sheriff commanding him or her
49 to levy upon and sell the real and personal property of the grantor,
50 grantee or other person liable for the tax which may be found within the
51 city, for the payment of the amount thereof, with any penalty and inter-
52 est, and the cost of executing the warrant, and to return such warrant
53 to the commissioner of finance and to pay to him or her the money
54 collected by virtue thereof within sixty days after the receipt of such
55 warrant. The city sheriff shall within five days after the receipt of
56 the warrant file with the county clerk a copy thereof, and thereupon

1 such clerk shall enter in the judgment docket the name of the person
2 mentioned in the warrant and the amount of the tax, penalty and interest
3 for which the warrant is issued and the date when such copy is filed.
4 Thereupon the amount of such warrant so docketed shall become a lien
5 upon the title to and the interest in real and personal property of the
6 person against whom the warrant is issued. The city sheriff shall then
7 proceed upon the warrant in the same manner, and with like effect, as
8 that provided by law in respect to executions issued against property
9 upon judgments of a court of record and for services in executing the
10 warrant he or she shall be entitled to the same fees, which such sheriff
11 may collect in the same manner. In the discretion of the commissioner
12 of finance a warrant of like terms, force and effect may be issued and
13 directed to an officer or employee of the department of finance, and in
14 the execution thereof such officer or employee shall have all the powers
15 conferred by law upon sheriffs, but shall be entitled to no fee or
16 compensation in excess of the actual expenses paid in the performance of
17 such duty. If a warrant is returned not satisfied in full, the commis-
18 sioner of finance may from time to time issue new warrants and shall
19 also have the same remedies to enforce the amount due thereunder as if
20 the city had recovered judgment therefor and execution thereon had been
21 returned unsatisfied.

22 c. The commissioner of finance, if he or she finds that the interests
23 of the city will not thereby be jeopardized, and upon such conditions as
24 the commissioner of finance may require, may release any property from
25 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
26 tions to tax, penalties and interest filed pursuant to subdivision b of
27 this section, and such release or vacating of the warrant may be
28 recorded in the office of any recording officer in which such warrant
29 has been filed. The clerk shall thereupon cancel and discharge as of the
30 original date of docketing the vacated warrant.

31 § 11-2112 General powers of the commissioner of finance. In addition
32 to the powers granted to the commissioner of finance in this chapter, he
33 or she is hereby authorized and empowered:

34 1. To make, adopt and amend rules and regulations appropriate to the
35 carrying out of this chapter and the purposes thereof;

36 2. To extend, for cause shown, the time for filing any return for a
37 period not exceeding thirty days; and to compromise disputed claims in
38 connection with the taxes hereby imposed;

39 3. To request information from the tax commission of the state of New
40 York or the treasury department of the United States relative to any
41 person; and to afford returns, reports and other information to such tax
42 commission or such treasury department relative to any person, any other
43 provision of this chapter to the contrary notwithstanding;

44 4. To delegate his or her functions under this section to a deputy
45 commissioner of finance or any employee or employees of the department
46 of finance;

47 5. To prescribe the methods for determining the consideration and net
48 consideration attributable to that portion of real property located
49 partly within and partly without the city of Staten Island which is
50 located within the city of Staten Island or any interest therein;

51 6. To require any grantor or grantee to keep such records, and for
52 such length of time as may be required for the proper administration of
53 this chapter and to furnish such records to the commissioner of finance
54 upon request;

55 7. To assess, determine, revise and adjust the taxes imposed under
56 this chapter.

1 § 11-2113 Administration of oaths and compelling testimony. a. The
2 commissioner of finance, his or her employees or agents duly designated
3 and authorized by him or her, the tax appeals tribunal and any of its
4 duly designated and authorized employees or agents shall have power to
5 administer oaths and take affidavits in relation to any matter or
6 proceeding in the exercise of their powers and duties under this chap-
7 ter. The commissioner of finance and the tax appeals tribunal shall have
8 power to subpoena and require the attendance of witnesses and the
9 production of books, papers and documents to secure information perti-
10 nent to the performance of the duties of the commissioner or of the tax
11 appeals tribunal under this chapter and of the enforcement of this chap-
12 ter and to examine them in relation thereto, and to issue commissions
13 for the examination of witnesses who are out of the state or unable to
14 attend before such commissioner or the tax appeals tribunal or excused
15 from attendance.

16 b. A justice of the supreme court either in court or at chambers shall
17 have power summarily to enforce by proper proceedings the attendance and
18 testimony of witnesses and the production and examination of books,
19 papers and documents called for by the subpoena of the commissioner of
20 finance or the tax appeals tribunal under this chapter.

21 c. Cross-reference; criminal penalties. For failure to obey subpoenas
22 or for testifying falsely, see section 11-4007 of this title; for
23 supplying false or fraudulent information, see section 11-4009 of this
24 title.

25 d. The officers who serve the summons or subpoena of the commissioner
26 of finance or the tax appeals tribunal and witnesses attending in
27 response thereto shall be entitled to the same fees as are allowed to
28 officers and witnesses in civil cases in courts of record, except as
29 herein otherwise provided. Such officers shall be the city sheriff and
30 his or her duly appointed deputies or any officers or employees of the
31 department of finance or the tax appeals tribunal, designated to serve
32 such process.

33 § 11-2114 Interest and penalties. (a) Interest on underpayments. If
34 any amount of tax is not paid on or before the last date prescribed for
35 payment, without regard to any extension of time granted for payment,
36 interest on such amount at the rate set by the commissioner of finance
37 pursuant to subdivision (g) of this section, or, if no rate is set, at
38 the rate of seven and one-half percent per annum, shall be paid for the
39 period from such last date to the date of payment. In computing the
40 amount of interest to be paid, such interest shall be compounded daily.
41 Interest under this subdivision shall not be paid if the amount thereof
42 is less than one dollar.

43 (b) (1) Failure to file return. (A) In case of failure to file a
44 return under this chapter on or before the prescribed date, determined
45 with regard to any extension of time for filing, unless it is shown that
46 such failure is due to reasonable cause and not due to willful neglect,
47 there shall be added to the amount required to be shown as tax on such
48 return five percent of the amount of such tax if the failure is for not
49 more than one month, with an additional five percent for each additional
50 month or fraction thereof during which such failure continues, not
51 exceeding twenty-five percent in the aggregate.

52 (B) In the case of a failure to file a return of tax within sixty days
53 of the date prescribed for filing of such return, determined with regard
54 to any extension of time for filing, unless it is shown that such fail-
55 ure is due to reasonable cause and not due to willful neglect, the addi-
56 tion to tax under subparagraph (A) of this paragraph shall not be less

1 than the lesser of one hundred dollars or one hundred percent of the
2 amount required to be shown as tax on such return.

3 (C) For purposes of this paragraph, the amount of tax required to be
4 shown on the return shall be reduced by the amount of any part of the
5 tax which is paid on or before the date prescribed for payment of the
6 tax and by the amount of any credit against the tax which may be claimed
7 upon the return.

8 (2) Failure to pay tax shown on return. In case of failure to pay the
9 amount shown as tax on a return required to be filed under this chapter
10 on or before the prescribed date, determined with regard to any exten-
11 sion of time for payment, unless it is shown that such failure is due to
12 reasonable cause and not due to willful neglect, there shall be added to
13 the amount shown as tax on such return one-half of one percent of the
14 amount of such tax if the failure is not for more than one month, with
15 an additional one-half of one percent for each additional month or frac-
16 tion thereof during which such failure continues, not exceeding twenty-
17 five percent in the aggregate. For the purpose of computing the addition
18 for any month the amount of tax shown on the return shall be reduced by
19 the amount of any part of the tax which is paid on or before the begin-
20 ning of such month and by the amount of any credit against the tax which
21 may be claimed upon the return. If the amount of tax required to be
22 shown on a return is less than the amount shown as tax on such return,
23 this paragraph shall be applied by substituting such lower amount.

24 (3) Failure to pay tax required to be shown on return. In case of
25 failure to pay any amount in respect of any tax required to be shown on
26 a return required to be filed under this chapter which is not so shown,
27 including a determination made pursuant to section 11-2107 of this chap-
28 ter, within ten days of the date of a notice and demand therefor, unless
29 it is shown that such failure is due to reasonable cause and not due to
30 willful neglect, there shall be added to the amount of tax stated in
31 such notice and demand one-half of one percent of such tax if the fail-
32 ure is not for more than one month, with an additional one-half of one
33 percent for each additional month or fraction thereof during which such
34 failure continues, not exceeding twenty-five percent in the aggregate.
35 For the purpose of computing the addition for any month, the amount of
36 tax stated in the notice and demand shall be reduced by the amount of
37 any part of the tax which is paid before the beginning of such month.

38 (4) Limitations on additions.

39 (A) With respect to any return, the amount of the addition under para-
40 graph one of this subdivision shall be reduced by the amount of the
41 addition under paragraph two of this subdivision for any month to which
42 an addition applies under both paragraphs one and two of this subdivi-
43 sion. In any case described in subparagraph (B) of paragraph one of this
44 subdivision, the amount of the addition under such paragraph one shall
45 not be reduced below the amount provided in such subparagraph.

46 (B) With respect to any return, the maximum amount of the addition
47 permitted under paragraph three of this subdivision shall be reduced by
48 the amount of the addition under paragraph one of this subdivision,
49 determined without regard to subparagraph (B) of such paragraph one,
50 which is attributable to the tax for which the notice and demand is made
51 and which is not paid within ten days of such notice and demand.

52 (c) Underpayment due to negligence. (1) If any part of an underpayment
53 of tax is due to negligence or intentional disregard of this chapter or
54 any rules or regulations hereunder, but without intent to defraud, there
55 shall be added to the tax a penalty equal to five percent of the under-
56 payment.

1 (2) There shall be added to the tax, in addition to the amount deter-
2 mined under paragraph one of this subdivision, an amount equal to fifty
3 percent of the interest payable under subdivision (a) of this section
4 with respect to the portion of the underpayment described in such para-
5 graph one which is attributable to the negligence or intentional discre-
6 gard referred to in such paragraph one, for the period beginning on the
7 last date prescribed by law for payment of such underpayment, determined
8 without regard to any extension, and ending on the date of the assess-
9 ment of the tax, or, if earlier, the date of the payment of the tax.

10 (d) Underpayment due to fraud. (1) If any part of an underpayment of
11 tax is due to fraud, there shall be added to the tax a penalty equal to
12 fifty percent of the underpayment.

13 (2) There shall be added to the tax, in addition to the penalty deter-
14 mined under paragraph one of this subdivision, an amount equal to fifty
15 percent of the interest payable under subdivision (a) of this section
16 with respect to the portion of the underpayment described in such para-
17 graph one which is attributable to fraud, for the period beginning on
18 the last day prescribed by law for payment of such underpayment, deter-
19 mined without regard to any extension, and ending on the date of the
20 assessment of the tax, or, if earlier, the date of the payment of the
21 tax.

22 (3) The penalty under this subdivision shall be in lieu of any other
23 addition to tax imposed by subdivision (b) or (c) of this section.

24 (e) Additional penalty. Any person who, with fraudulent intent, shall
25 fail to pay any tax imposed by this chapter, or to make, render, sign or
26 certify any return, or to supply any information within the time
27 required by or under this chapter, shall be liable for a penalty of not
28 more than one thousand dollars, in addition to any other amounts
29 required under this chapter to be imposed, assessed and collected by the
30 commissioner of finance. The commissioner of finance shall have the
31 power, in his or her discretion, to waive, reduce or compromise any
32 penalty under this subdivision.

33 (f) The interest and penalties imposed by this section shall be paid
34 and disposed of in the same manner as other revenues from this chapter.
35 Unpaid interest and penalties may be enforced in the same manner as the
36 tax imposed by this chapter.

37 (g)(1) Authority to set interest rates. The commissioner of finance
38 shall set the rate of interest to be paid pursuant to subdivision (a) of
39 this section, but if no such rate of interest is set, such rate shall be
40 deemed to be set at seven and one-half percent per annum. Such rate
41 shall be the rate prescribed in paragraph two of this subdivision but
42 shall not be less than seven and one-half percent per annum. Any such
43 rate set by the commissioner of finance shall apply to taxes, or any
44 portion thereof, which remain or become due on or after the date on
45 which such rate becomes effective and shall apply only with respect to
46 interest computed or computable for periods or portions of periods
47 occurring in the period in which such rate is in effect.

48 (2) General rule. The rate of interest set under this subdivision
49 shall be the sum of (i) the federal short-term rate as provided under
50 paragraph three of this subdivision, plus (ii) seven percentage points.

51 (3) Federal short-term rate. For purposes of this subdivision:

52 (A) The federal short-term rate for any month shall be the federal
53 short-term rate determined by the United States secretary of the treas-
54 ury during such month in accordance with subsection (d) of section
55 twelve hundred seventy-four of the internal revenue code for use in
56 connection with section six thousand six hundred twenty-one of the

1 internal revenue code. Any such rate shall be rounded to the nearest
2 full percent, or, if a multiple of one-half of one percent, such rate
3 shall be increased to the next highest full percent.

4 (B) Period during which rate applies.

5 (i) In general. Except as provided in clause (ii) of this subpara-
6 graph, the federal short-term rate for the first month in each calendar
7 quarter shall apply during the first calendar quarter beginning after
8 such month.

9 (ii) Special rule for the month of September, nineteen hundred eight-
10 y-nine. The federal short-term rate for the month of April, nineteen
11 hundred eighty-nine shall apply with respect to setting the rate of
12 interest for the month of September, nineteen hundred eighty-nine.

13 (4) Publication of interest rate. The commissioner of finance shall
14 cause to be published in the City Record, and give other appropriate
15 general notice of, the interest rate to be set under this subdivision no
16 later than twenty days preceding the first day of the calendar quarter
17 during which such interest rate applies. The setting and publication of
18 such interest rate shall not be included within paragraph (a) of subdi-
19 vision five of section one thousand forty-one of the city charter of the
20 preceding municipality as it existed January first, nineteen hundred
21 ninety-four relating to the definition of a rule.

22 (h) Miscellaneous. (1) The certificate of the commissioner to the
23 effect that a tax has not been paid or that information has not been
24 supplied pursuant to the provisions of this chapter shall be presumptive
25 evidence thereof.

26 (2) Cross-reference: For criminal penalties, see chapter forty of
27 this title.

28 (i) Failure to file information return. If a cooperative housing
29 corporation fails to file an information return required under subdivi-
30 sion g of section 11-2105 of this chapter on or before the prescribed
31 date, determined with regard to any extension of time for filing, unless
32 it is shown that such failure is due to reasonable cause and not due to
33 willful neglect, there shall be imposed on such cooperative housing
34 corporation a penalty of one hundred dollars for each such failure.

35 § 11-2115 Returns to be secret. a. Except in accordance with proper
36 judicial order, or as otherwise provided by law, it shall be unlawful
37 for the commissioner of finance, register or tax appeals tribunal or any
38 officer or employee of the department of finance, register or tax
39 appeals tribunal to divulge or make known in any manner any information
40 contained in or relating to any return provided for by this chapter. The
41 officers charged with the custody of such returns shall not be required
42 to produce any of them or evidence of anything contained in them in any
43 action or proceeding in any court, except on behalf of the commissioner
44 of finance in an action or proceeding under the provisions of this chap-
45 ter, or on behalf of any party to an action or proceeding under the
46 provisions of this chapter when the returns or facts shown thereby are
47 directly involved in such action or proceeding, in either of which
48 events the court may require the production of, and may admit in
49 evidence, so much of said returns or of the facts shown thereby, as are
50 pertinent to the action or proceeding and no more. Nothing in this
51 section shall be construed to prohibit the delivery to a grantor or
52 grantee of a deed or to any subsequent owner of the real property
53 conveyed by such deed or to the duly authorized representative of any of
54 them of a certified copy of any return filed in connection with the tax
55 on such deed; nor to prohibit the delivery of such a certified copy of
56 such return or of any information contained in or relating thereto to

1 the United States of America or any department thereof, the state of New
2 York or any department thereof, the city of Staten Island or any depart-
3 ment thereof provided the same is required for official business; nor to
4 prohibit the inspection for official business of such returns by the
5 register, the corporation counsel or other legal representatives of the
6 city or by the district attorney of Richmond county; nor to prohibit the
7 publication of statistics so classified as to prevent the identification
8 of particular returns or items thereof.

9 b. (1) Any officer or employee of the city who willfully violates the
10 provisions of subdivision a of this section shall be dismissed from
11 office and be incapable of holding any public office in this city for a
12 period of five years thereafter.

13 (2) Cross-reference: For criminal penalties, see chapter forty of
14 this title.

15 c. This section shall be deemed a state statute for purposes of para-
16 graph (a) of subdivision two of section eighty-seven of the public offi-
17 cers law.

18 d. Notwithstanding anything in subdivision a of this section to the
19 contrary, if a taxpayer has petitioned the tax appeals tribunal for
20 administrative review as provided in section one hundred seventy of the
21 charter of the preceding municipality as it existed January first, nine-
22 teen hundred ninety-four, the commissioner of finance shall be author-
23 ized to present to the tribunal any report or return of such taxpayer,
24 or any information contained therein or relating thereto, which may be
25 material or relevant to the proceeding before the tribunal. The tax
26 appeals tribunal shall be authorized to publish a copy or a summary of
27 any decision rendered pursuant to section one hundred seventy-one of the
28 charter of the preceding municipality as it existed January first, nine-
29 teen hundred ninety-four.

30 e. This section shall not apply to any information contained in or
31 relating to a return filed on or after the first day of January, two
32 thousand three with respect to a transaction or transfer occurring on or
33 after that date; provided, however, that this section shall continue to
34 apply to any social security account number contained in any report or
35 return pursuant to this chapter.

36 § 11-2116 Notices and limitations of time. a. Any notice authorized
37 or required under the provisions of this chapter may be given by mailing
38 the same to the person for whom it is intended in a postpaid envelope
39 addressed to such person at the address given in the last return filed
40 by him or her pursuant to the provisions of this chapter in any applica-
41 tion made by him or her, or in any deed or instrument which is the
42 subject of the notice, or, if no return has been filed or application
43 made or address stated in the deed or instrument, then to such address
44 as may be obtainable. The mailing of such notice shall be presumptive
45 evidence of the receipt of the same by the person to whom addressed.
46 Any period of time which is determined according to the provisions of
47 this chapter by the giving of notice shall commence to run from the date
48 of mailing of such notice.

49 b. The provisions of the civil practice law and rules or any other law
50 relative to limitations of time for the enforcement of a civil remedy
51 shall not apply to any proceeding or action taken by the city to levy,
52 appraise, assess, determine or enforce the collection of any tax or
53 penalty provided by this chapter. However, except in the case of a
54 wilfully false or fraudulent return with intent to evade the tax, no
55 assessment of additional tax shall be made after the expiration of more
56 than three years from the date of the filing of a return; provided,

1 however, that where no return has been filed as provided by law the tax
2 may be assessed at any time.

3 c. Where, before the expiration of the period prescribed in this
4 section for the assessment of an additional tax, a taxpayer has
5 consented in writing that such period be extended, the amount of such
6 additional tax due may be determined at any time within such extended
7 period. The period so extended may be further extended by subsequent
8 consents in writing made before the expiration of the extended period.

9 d. Except as otherwise provided in this subdivision, if any return,
10 claim, statement, notice, application, or other document required to be
11 filed, or any payment required to be made, within a prescribed period or
12 on or before a prescribed date under authority of any provision of this
13 chapter is, after such period or such date, delivered by United States
14 mail to the commissioner of finance, the tax appeals tribunal, bureau,
15 office, officer or person with which or with whom such document is
16 required to be filed, or to which or to whom such payment is required to
17 be made, the date of the United States postmark stamped on the envelope
18 shall be deemed to be the date of delivery. This subdivision shall apply
19 only if the postmark date falls within the prescribed period or on or
20 before the prescribed date for the filing of such document, or for
21 making the payment, including any extension granted for such filing or
22 payment, and only if such document or payment was deposited in the mail,
23 postage prepaid, properly addressed to the commissioner of finance, the
24 tax appeals tribunal, bureau, office, officer or person with which or
25 with whom the document is required to be filed or to which or to whom
26 such payment is required to be made. If any document is sent by United
27 States registered mail, such registration shall be prima facie evidence
28 that such document was delivered to the commissioner of finance, the tax
29 appeals tribunal, bureau, office, officer or person to which or to whom
30 addressed, and the date of registration shall be deemed the postmark
31 date. The commissioner of finance and, where relevant, the tax appeals
32 tribunal are authorized to provide by regulation the extent to which the
33 provisions of the preceding sentence with respect to prima facie
34 evidence of delivery and the postmark date shall apply to certified
35 mail. Except as provided in subdivision f of this section, this subdivi-
36 sion shall apply in the case of postmarks not made by the United States
37 postal service only if and to the extent provided by regulation of the
38 commissioner of finance or, where relevant, the tax appeals tribunal.
39 Any return filed electronically shall be deemed to be filed on the date
40 of issuance by the commissioner of finance of a confirmation.

41 e. When the last day prescribed under authority of this chapter,
42 including any extension of time, for performing any act falls on a
43 Saturday, Sunday or legal holiday in the state, the performance of such
44 act shall be considered timely if it is performed on the next succeeding
45 day which is not a Saturday, Sunday or legal holiday.

46 f. (1) Any reference in subdivision d of this section to the United
47 States mail shall be treated as including a reference to any delivery
48 service designated by the secretary of the treasury of the United States
49 pursuant to section seventy-five hundred two of the internal revenue
50 code and any reference in subdivision d of this section to a United
51 States postmark shall be treated as including a reference to any date
52 recorded or marked in the manner described in section seventy-five
53 hundred two of the internal revenue code by a designated delivery
54 service. If the commissioner of finance finds that any delivery service
55 designated by such secretary is inadequate for the needs of the city,
56 the commissioner of finance may withdraw such designation for purposes

1 of this title. The commissioner of finance may also designate additional
2 delivery services meeting the criteria of section seventy-five hundred
3 two of the internal revenue code for purposes of this title, or may
4 withdraw any such designation if the commissioner of finance finds that
5 a delivery service so designated is inadequate for the needs of the
6 city. Any reference in subdivision d of this section to the United
7 States mail shall be treated as including a reference to any delivery
8 service designated by the commissioner of finance and any reference in
9 subdivision d of this section to a United States postmark shall be
10 treated as including a reference to any date recorded or marked in the
11 manner described in section seventy-five hundred two of the internal
12 revenue code by a delivery service designated by the commissioner of
13 finance, provided, however, any withdrawal of designation or additional
14 designation by the commissioner of finance shall not be effective for
15 purposes of service upon the tax appeals tribunal, unless and until such
16 withdrawal of designation or additional designation is ratified by the
17 president of the tax appeals tribunal.

18 (2) Any equivalent of registered or certified mail designated by the
19 United States secretary of the treasury, or as may be designated by the
20 commissioner of finance pursuant to the same criteria used by such
21 secretary for such designations pursuant to section seventy-five hundred
22 two of the internal revenue code, shall be included within the meaning
23 of registered or certified mail as used in subdivision d of this
24 section. If the commissioner of finance finds that any equivalent of
25 registered or certified mail designated by such secretary or the commis-
26 sioner of finance is inadequate for the needs of the city, the commis-
27 sioner of finance may withdraw such designation for purposes of this
28 title, provided, however, any withdrawal of designation or additional
29 designation by the commissioner of finance shall not be effective for
30 purposes of service upon the tax appeals tribunal, unless and until such
31 withdrawal of designation or additional designation is ratified by the
32 president of the tax appeals tribunal.

33 § 11-2117 Construction and enforcement. This chapter shall be
34 construed and enforced in conformity with chapter ninety-three of the
35 laws of nineteen hundred sixty-five, as amended.

36 § 11-2118 Disposition of revenues. Except as otherwise provided, all
37 revenues resulting from the imposition of the tax under this chapter
38 shall be paid into the treasury of the city and shall be credited to and
39 deposited in the general fund of the city. Except as otherwise
40 provided, no part of such revenues may be expended unless appropriated
41 in the annual budget of the city.

42 § 11-2119 Foreclosure proceedings. Where the conveyance consists of a
43 transfer of property made as a result of an order of the court in a
44 foreclosure proceeding ordering the sale of such property, the referee
45 or sheriff effectuating the transfer shall not be liable for any inter-
46 est or penalties authorized by this chapter or chapter forty of this
47 title.

48 this subdivision.

49 § 11-2204 Payment of tax and evidence of tax payment. Every owner of
50 a motor vehicle subject to tax under this chapter shall pay the tax
51 thereon to the commissioner of motor vehicles of the state of New York
52 on or before the date upon which he or she registers or renews his or
53 her registration thereof or is required to register or renew his or her
54 registration thereof pursuant to section four hundred one of the vehicle
55 and traffic law.

1 Notwithstanding the provisions of section four hundred of the vehicle
2 and traffic law to the contrary, the payment of such tax shall be a
3 condition precedent to the registration or renewal thereof of such motor
4 vehicle and to the issuance of any certificate of registration and
5 plates or removable tag specified in subdivision three of section four
6 hundred one and in sections four hundred three and four hundred four of
7 the vehicle and traffic law, and no such certificate of registration,
8 plates or tag shall be issued unless such tax has been paid. The

12 sioner of motor vehicles, that such tax has been paid, or is not due,
13 with respect to such motor vehicle. The commissioner of motor vehicles,
14 upon the payment of such tax or upon the application of any person
15 exempt therefrom, shall furnish to each taxpayer paying the tax a
16 receipt for such tax and to each such taxpayer or exempt person a state-
17 ment, document or other form approved by the commissioner of motor vehi-
18 cles, showing that such tax has been paid or is not due, with respect to
19 such motor vehicle.

20 § 11-2205 Returns. a. At the time the payment of the tax imposed by
21 this chapter becomes due, every person subject to tax under this chapter
22 shall file a return with the commissioner of motor vehicles in form and
23 containing such information as may be prescribed by such commissioner of
24 motor vehicles. The taxpayer's application for registration or the
25 renewal of registration shall constitute the return required under this
26 chapter, unless the commissioner of motor vehicles, by regulation, shall
27 otherwise provide.

28 b. Returns shall be preserved for three years and thereafter until
29 the commissioner of motor vehicles permits them to be destroyed.

30 c. The commissioner of motor vehicles may require amended returns or
31 certificates of facts to be filed within twenty days after notice and to
32 contain the information specified in the notice. Any such certificate
33 shall be deemed to be part of the return required to be filed.

34 d. If a return required by this chapter is not filed or if a return
35 when filed is incorrect or insufficient on its face the commissioner of
36 motor vehicles or the commissioner of finance if designated as his or
37 her agent shall take the necessary steps to enforce the filing of such a
38 return or of a corrected return.

39 § 11-2206 Determination of tax. If a return required by this chapter
40 is not filed or if a return when filed is incorrect or insufficient, or
41 if a tax or any part thereof due pursuant to this chapter be not paid
42 when required, the amount of tax due shall be determined by the commis-
43 sioner of motor vehicles or by the commissioner of finance if designated
44 as his or her agent, from such information as may be obtainable, includ-
45 ing motor vehicle registration with the department of motor vehicles of
46 the state of New York or other factors. Notice of such determination
47 shall be given to the person liable for the tax. Such a determination by
48 the commissioner of motor vehicles shall finally and irrevocably fix the
49 tax unless the person against whom it is assessed, within ninety days
50 after the giving of notice of such determination, shall apply to the
51 commissioner of motor vehicles for a hearing, or unless such commission-
52 er of his or her own motion shall redetermine the same. If the commis-
53 sioner of finance is designated as the agent of the commissioner of
54 motor vehicles, such a determination by the commissioner of finance
55 shall finally and irrevocably fix the tax unless the person against whom
56 it is assessed, within ninety days after the giving of such determi-

1 nation, or, if the commissioner of finance has established a concil-
2 iation procedure pursuant to section 11-124 of the code of the preceding
3 municipality and the taxpayer has requested a conciliation conference in
4 accordance therewith, within ninety days from the mailing of a concil-
5 iation decision or the date of the commissioner's confirmation of the
6 discontinuance of the conciliation proceeding, both (1) serves a peti-
7 tion upon the commissioner of finance and (2) applies to the tax appeals
8 tribunal for a hearing by filing a petition, or unless the commissioner
9 of finance of his or her own motion shall redetermine the same. A hear-
10 ing following a petition to the tax appeals tribunal and any appeal to
11 the tax appeals tribunal sitting en banc from the decision rendered in
12 such hearing shall be conducted in the manner and subject to the
13 requirements prescribed by the tax appeals tribunal pursuant to sections
14 one hundred sixty-eight through one hundred seventy-two of the charter
15 of the preceding municipality as it existed January first, nineteen
16 hundred ninety-four. After such hearing by the commissioner of motor
17 vehicles or the tax appeals tribunal, the commissioner of motor vehi-
18 cles, if he or she holds the hearing, or the tax appeals tribunal if the
19 tax appeals tribunal holds the hearing, shall give notice of the deter-
20 mination or decision to the person against whom the tax is assessed and
21 in the case of a tax appeals tribunal decision, to the commissioner of
22 finance. Such determination by the commissioner of motor vehicles, or a
23 decision of the tax appeals tribunal sitting en banc shall be reviewable
24 for error, illegality or unconstitutionality or any other reason whatso-
25 ever by a proceeding under article seventy-eight of the civil practice
26 law and rules if application therefor is made to the supreme court by
27 the person against whom the tax was assessed within four months after
28 the giving of the notice of such determination or tax appeals tribunal
29 decision. A proceeding under article seventy-eight of the civil prac-
30 tice law and rules shall not be instituted by a taxpayer unless (a) the
31 amount of any tax sought to be reviewed, with penalties and interest
32 thereon, if any, shall be first deposited with the commissioner of motor
33 vehicles and there shall be filed with the commissioner of motor vehi-
34 cles an undertaking, issued by a surety company authorized to transact
35 business in this state and approved by the superintendent of insurance
36 of this state as to solvency and responsibility, in such amount as a
37 justice of the supreme court shall approve, to the effect that if such
38 proceeding be dismissed or the tax confirmed, the taxpayer will pay all
39 costs and charges which may accrue in the prosecution of the proceeding;
40 or (b) at the option of the taxpayer such undertaking filed with the
41 commissioner of motor vehicles may be in a sum sufficient to cover the
42 taxes, penalties and interest thereon stated in such determination or
43 decision, plus the costs and charges which may accrue against it in the
44 prosecution of the proceeding, in which event the taxpayer shall not be
45 required to deposit such taxes, penalties and interest as a condition
46 precedent to the application.

47 § 11-2207 Refunds for certain unused registrations. Whenever any fee
48 or portion of a fee paid for the registration of a motor vehicle under
49 the provisions of the vehicle and traffic law is refunded pursuant to
50 the provisions of subdivision one of section four hundred twenty-eight
51 of the vehicle and traffic law, the amount of any tax paid pursuant to
52 this chapter upon such registration shall also be refunded by the
53 commissioner.

54 § 11-2208 Refunds. a. In the manner provided in this section the
55 commissioner of motor vehicles shall refund or credit, without interest,
56 any tax, penalty or interest erroneously, illegally or unconstitu-

1 tionally collected or paid if application for such refund shall be made
2 within one year from the payment thereof to the commissioner of motor
3 vehicles or to the commissioner of finance if designated as his or her
4 agent. Whenever a refund is made or denied, the reasons therefor shall
5 be stated in writing by the commissioner of motor vehicles or by the
6 commissioner of finance, as the case may be, who in lieu of any refund,
7 may allow credit therefor on payments due from the applicant.

8 b. (1) If the commissioner of motor vehicles has not designated the
9 commissioner of finance as his or her agent, application for a refund or
10 credit made as provided under this section shall be deemed an applica-
11 tion for a revision of any tax, penalty or interest complained of and
12 the commissioner of motor vehicles shall hold a hearing and receive
13 evidence with respect thereto. After such hearing, the commissioner of
14 motor vehicles shall give notice of the determination of such applica-
15 tion to the applicant who shall be entitled to review such determination
16 by a proceeding pursuant to article seventy-eight of the civil practice
17 law and rules, provided such proceeding is instituted within four months
18 after the giving of notice of such determination, and provided that a
19 final determination of tax due was not previously made. Such a proceed-
20 ing shall not be instituted unless an undertaking is filed with the
21 commissioner of motor vehicles in such amount and with such sureties as
22 a justice of the supreme court shall approve, to the effect that if such
23 proceeding be dismissed or the tax confirmed, the petitioner will pay
24 all costs and charges which may accrue in the prosecution of such
25 proceeding.

26 (2) If the commissioner of motor vehicles has designated the commis-
27 sioner of finance as his or her agent, a determination of the commis-
28 sioner of finance denying a refund or credit pursuant to subdivision a
29 of this section shall be final and irrevocable unless the applicant for
30 such refund or credit, within ninety days from the mailing of notice of
31 such determination, or, if the commissioner of finance has established a
32 conciliation procedure pursuant to section 11-124 of the code of the
33 preceding municipality and the applicant has requested a conciliation
34 conference in accordance therewith, within ninety days from the mailing
35 of a conciliation decision or the date of the commissioner's confirma-
36 tion of the discontinuance of the conciliation proceeding, both (1)
37 serves a petition upon the commissioner of finance and (2) files a peti-
38 tion with the tax appeals tribunal for a hearing. Such petition for a
39 refund or credit, made as provided under this section, shall be deemed
40 an application for a revision of any tax, penalty or interest complained
41 of. Such hearing and any appeal to the tax appeals tribunal sitting en
42 banc from the decision rendered in such hearing shall be conducted in
43 the manner and subject to the requirements prescribed by the tax appeals
44 tribunal pursuant to sections one hundred sixty-eight through one
45 hundred seventy-two of the charter of the preceding municipality as it
46 existed January first, nineteen hundred ninety-four. After such hearing,
47 the tax appeals tribunal shall give notice of its decision to the appli-
48 cant and to the commissioner of finance. The applicant shall be entitled
49 to institute a proceeding pursuant to article seventy-eight of the civil
50 practice law and rules to review a decision of the tax appeals tribunal
51 sitting en banc if application to the supreme court be made therefor
52 within four months after the giving of notice of such decision, and
53 provided, in the case of an application by a taxpayer, that a final
54 determination of tax due was not previously made. Such a proceeding
55 shall not be instituted by a taxpayer unless an undertaking shall first
56 be filed with the commissioner of motor vehicles, in such amount and

1 with such sureties as a justice of the supreme court shall approve, to
2 the effect that if such proceeding be dismissed or the tax confirmed,
3 the taxpayer will pay all costs and charges which may accrue in the
4 prosecution of such proceeding.

5 c. A person shall not be entitled to a revision, refund or credit
6 under this section of a tax, interest or penalty which has been deter-
7 mined to be due pursuant to the provisions of section 11-2206 of this
8 chapter where he or she has had a hearing or an opportunity for a hear-
9 ing, as provided in such section, or has failed to avail himself or
10 herself of the remedies provided in such section. No refund or credit
11 shall be made of a tax, interest or penalty paid after a determination
12 made pursuant to section 11-2206 of this chapter, unless it be found
13 that such determination was erroneous, illegal or unconstitutional or
14 otherwise improper after a hearing, or on his or her own motion, by the
15 commissioner of motor vehicles or after a hearing by the tax appeals
16 tribunal, or on his or her own motion by the commissioner of finance, as
17 the case may be, or in a proceeding under article seventy-eight of the
18 civil practice law and rules, pursuant to the provisions of said
19 section, in which event refund or credit without interest shall be made
20 of the tax, interest or penalty found to have been overpaid.

21 § 11-2209 Reserves. In cases where a taxpayer has applied for a
22 refund and has instituted a proceeding under article seventy-eight of
23 the civil practice law and rules to review a determination adverse to
24 such taxpayer on his or her application for refund, the commissioner of
25 motor vehicles shall set up appropriate reserves to meet any decision
26 adverse to the city.

27 § 11-2210 Remedies exclusive. The remedies provided by sections
28 11-2206 and 11-2208 of this chapter shall be the exclusive remedies
29 available to any person for the review of tax liability imposed by this
30 chapter; and no determination or proposed determination of tax or deter-
31 mination on any application for refund by the commissioner of motor
32 vehicles or by the commissioner of finance, nor any decision by the tax
33 appeals tribunal or any of its administrative law judges, shall be
34 enjoined or reviewed by an action for declaratory judgment, an action
35 for money had and received or by any action or proceeding other than, in
36 the case of a final determination by the commissioner of motor vehicles
37 or a decision by the tax appeals tribunal sitting en banc, a proceeding
38 in the nature of a certiorari proceeding under article seventy-eight of
39 the civil practice law and rules; provided, however, that a taxpayer may
40 proceed by declaratory judgment if he or she institutes suit within
41 thirty days after a deficiency assessment is made and pays the amount of
42 the deficiency assessment to the commissioner of motor vehicles prior to
43 the institution of such suit and posts a bond for costs as provided in
44 section 11-2206 of this chapter.

45 § 11-2211 Proceedings to recover tax. a. Whenever any person shall
46 fail to pay any tax, penalty or interest imposed by this chapter, the
47 corporation counsel, upon the request of the commissioner of motor vehi-
48 cles or of the commissioner of finance if designated as his or her
49 agent, shall bring or cause to be brought an action to enforce the
50 payment of the same on behalf of the city of Staten Island in any court
51 of the state of New York or of any other state of the United States.
52 However, if in his or her discretion the commissioner of motor vehicles,
53 or the commissioner of finance if designated as his or her agent,
54 believes that any such person subject to the provisions of this chapter
55 is about to cease business, leave the state or remove or dissipate the
56 assets out of which the tax or penalty might be satisfied, and that any

1 such tax or penalty will not be paid when due, he or she may declare
2 such tax or penalty to be immediately due and payable and may issue a
3 warrant immediately.

4 b. As an additional or alternate remedy, the commissioner of motor
5 vehicles, or the commissioner of finance if designated as his or her
6 agent, may issue a warrant, directed to the city sheriff commanding him
7 or her to levy upon and sell the real and personal property of the
8 person liable for the tax which may be found within the city, for the
9 payment of the amount thereof, with any penalty and interest, and the
10 cost of executing the warrant, and to return such warrant to the person
11 who issued it and to pay to him or her the money collected by virtue
12 thereof within sixty days after the receipt of such warrant. The city
13 sheriff shall within five days after the receipt of the warrant file
14 with the county clerk a copy thereof, and thereupon such clerk shall
15 enter in the judgment docket the name of the person mentioned in the
16 warrant and the amount of the tax, penalty and interest for which the
17 warrant is issued and the date when such copy is filed. Thereupon the
18 amount of such warrant so docketed shall become a lien upon the title to
19 and the interest in real and personal property of the person against
20 whom the warrant is issued. The city sheriff shall then proceed upon
21 the warrant in the same manner, and with like effect, as that provided
22 by law in respect to executions issued against property upon judgments
23 of a court of record and for services in executing the warrant such
24 sheriff shall be entitled to the same fees, which he or she may collect
25 in the same manner. In the discretion of the commissioner of motor
26 vehicles, or of the commissioner of finance if designated as his or her
27 agent, a warrant of like terms, force and effect may be issued and
28 directed to an officer or employee of the department of finance of the
29 city, and in the execution thereof such officer or employee shall have
30 all the powers conferred by law upon sheriffs, but shall be entitled to
31 no fee or compensation in excess of the actual expenses paid in the
32 performance of such duty. If a warrant is returned not satisfied in
33 full, the commissioner of motor vehicles or the commissioner of finance,
34 as the case may be, may from time to time issue new warrants and shall
35 also have the same remedies to enforce the amount due thereunder as if
36 he or she had recovered judgment therefor and execution thereon had been
37 returned unsatisfied.

38 c. The commissioner of finance, if he or she finds that the interests
39 of the city will not thereby be jeopardized, and upon such conditions as
40 the commissioner of finance may require, may release any property from
41 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
42 tions to tax, penalties and interest filed pursuant to subdivision b of
43 this section, and such release or vacating of the warrant may be
44 recorded in the office of any recording officer in which such warrant
45 has been filed. The clerk shall thereupon cancel and discharge as of the
46 original date of docketing the vacated warrant.

47 § 11-2212 General powers of the commissioner of motor vehicles. In
48 addition to the powers granted to the commissioner of motor vehicles in
49 this chapter, he or she is hereby authorized and empowered:

50 1. To make, adopt and amend rules and regulations appropriate to the
51 carrying out of this chapter and the purposes thereof;

52 2. For cause shown, to remit penalties; and to compromise disputed
53 claims in connection with the taxes imposed under this chapter;

54 3. To request information concerning motor vehicles and persons
55 subject to the provisions of this chapter from the department of motor
56 vehicles of any other state or the treasury department of the United

1 States, or any city or county of the state of New York; and to afford
2 such information to such other state, treasury department, city or coun-
3 ty, any provision of this chapter to the contrary notwithstanding;

4 4. To delegate his or her functions under this section to a deputy
5 commissioner in the department of motor vehicles or any employee or
6 employees of his or her department or to any county clerk or other offi-
7 cer who acts as the agent of such commissioner in the registration of
8 motor vehicles;

9 5. To prescribe methods for determining the tax;

10 6. To require all persons owning motor vehicles subject to tax to
11 keep such records as he or she may prescribe and to furnish such infor-
12 mation upon his or her request;

13 7. To request the police department of the city to assist in the
14 enforcement of the provisions of this chapter.

15 § 11-2213 Administration of oaths and compelling testimony. a. The
16 commissioner of motor vehicles or his or her employees or agents duly
17 designated and authorized by such commissioner, and the tax appeals
18 tribunal, shall have power to administer oaths and take affidavits in
19 relation to any matter or proceeding in the exercise of the powers and
20 duties under this chapter. The commissioner of motor vehicles, or the
21 commissioner of finance if designated as his or her agent or the tax
22 appeals tribunal, shall have the power to subpoena and require the
23 attendance of witnesses and the production of books, papers and docu-
24 ments to secure information pertinent to the performance of the duties
25 of the commissioner of motor vehicles, the commissioner of finance or
26 the tax appeals tribunal pursuant to this chapter and of the enforcement
27 of this chapter and to examine them in relation thereto, and to issue
28 commissions for the examination of witnesses who are out of the state or
29 unable to attend before him or her or the tax appeals tribunal or
30 excused from attendance.

31 b. A justice of the supreme court either in court or at chambers shall
32 have power summarily to enforce by proper proceedings the attendance and
33 testimony of witnesses and production and examination of books, papers
34 and documents called for by the subpoena of the commissioner of motor
35 vehicles, or, if the commissioner of finance is designated as his or her
36 agent under this chapter, of the commissioner of finance and the tax
37 appeals tribunal.

38 c. Cross-reference; criminal penalties. For failure to obey subpoenas
39 or for testifying falsely, see section 11-4007 of this title; for
40 supplying false or fraudulent information, see section 11-4009 of this
41 title.

42 d. The officers who serve the summons or subpoena of the commissioner
43 of motor vehicles, or the commissioner of finance if designated as his
44 or her agent, or the tax appeals tribunal if the commissioner of finance
45 is designated as the agent of the commissioner of motor vehicles, and
46 witnesses attending in response thereto shall be entitled to the same
47 fees as are allowed to officers and witnesses in civil cases in courts
48 of record, except as otherwise provided in this section. Such officers
49 shall be the city sheriff and his or her duly appointed deputies, or any
50 officers or employees of the department of motor vehicles designated by
51 the commissioner of motor vehicles to serve such process or any officers
52 or employees of the department of finance of the city designated by the
53 commissioner of finance to serve such process or any officers or employ-
54 ees of the tax appeals tribunal designated to serve such process.

55 § 11-2214 Penalties and interest. a. Any person failing to file a
56 return or to pay any tax or any portion thereof within the time required

1 by this chapter shall be subject to a penalty of five times the amount
2 of the tax due, plus interest of five percent of such tax for each month
3 of delay or fraction thereof, but the commissioner of motor vehicles, or
4 the commissioner of finance if designated as his or her agent, if satis-
5 fied that the delay was excusable, may remit all or any part of such
6 penalty, but not interest at the rate of six percent per year. Penal-
7 ties and interest shall be paid and disposed of in the same manner as
8 other revenues under this chapter. Unpaid penalties and interest may be
9 enforced in the same manner as the tax imposed by this chapter.

10 b. The certificate of the commissioner of motor vehicles or of the
11 commissioner of finance if designated as his or her agent to the effect
12 that a tax has not been paid, or that a return required by this chapter
13 has not been filed, or that information has not been supplied pursuant
14 to the provisions of this chapter shall be presumptive evidence thereof.

15 c. Cross-reference: For criminal penalties, see chapter forty of this
16 title.

17 § 11-2215 Returns to be secret. a. Except in accordance with proper
18 judicial order or as otherwise provided by law, it shall be unlawful for
19 the commissioner of motor vehicles, any officer or employee of the
20 department of motor vehicles, the commissioner of finance, any officer
21 or employee of the department of finance, the tax appeals tribunal, any
22 commissioner or employee of such tribunal, any agent of the commissioner
23 of motor vehicles, or any person who, pursuant to this section, is
24 permitted to inspect any return or to whom a copy, an abstract or
25 portion of any return is furnished, or to whom any information contained
26 in any return is furnished to divulge or make known in any manner any
27 information contained in or relating to any return provided for by this
28 chapter. The officers charged with the custody of such returns shall
29 not be required to produce any of them or evidence of anything contained
30 in them in any action or proceeding in any court, except on behalf of
31 the commissioner of motor vehicles or the commissioner of finance in an
32 action or proceeding under the provisions of this chapter, or on behalf
33 of any party to an action or proceeding under the provisions of this
34 chapter when the returns or facts shown thereby are directly involved in
35 such action or proceeding, in either of which events the court may
36 require the production of, and may admit in evidence, so much of said
37 returns or of the facts shown thereby, as are pertinent to the action or
38 proceeding and no more. The commissioner of motor vehicles may, never-
39 theless, publish a copy or a summary of any determination or decision
40 rendered after a formal hearing held pursuant to section 11-2206 or
41 11-2208 of this chapter. Nothing under this section shall be construed
42 to prohibit the delivery to a person or his or her duly authorized
43 representative of a certified copy of any return filed by him or her
44 pursuant to this chapter, or of the receipt, document or other form
45 issued pursuant to section 11-2204 of this chapter, or a duplicate copy
46 thereof; nor to prohibit the delivery of such a certified copy of such
47 return or of any information contained in or relating thereto, to the
48 United States of America or any department thereof, the state of New
49 York or any department thereof, the city of Staten Island or any depart-
50 ment thereof provided the same is required for official business; nor to
51 prohibit the inspection for official business of such returns by the
52 corporation counsel or other legal representatives of the city or by the
53 district attorney of Richmond county; nor to prohibit the publication of
54 statistics so classified as to prevent the identification of particular
55 returns or items thereof.

1 b. (1) Any officer or employee of the state of New York or the city
2 who willfully violates the provisions of subdivision a of this section
3 shall be dismissed from office and be incapable of holding any public
4 office in the state of New York or this city for a period of five years
5 thereafter.

6 (2) Cross-reference: For criminal penalties, see chapter forty of this
7 title.

8 c. This section shall be deemed a state statute for purposes of para-
9 graph (a) of subdivision two of section eighty-seven of the public offi-
10 cers law.

11 d. Notwithstanding anything in subdivision a of this section to the
12 contrary, if a taxpayer has petitioned the tax appeals tribunal for
13 administrative review as provided in section one hundred seventy of the
14 charter of the preceding municipality as it existed January first, nine-
15 teen hundred ninety-four, the commissioner of finance shall be author-
16 ized to present to the tax appeals tribunal any report or return of such
17 taxpayer, or any information contained therein or relating thereto,
18 which may be material or relevant to the proceeding before the tax
19 appeals tribunal. The tax appeals tribunal shall be authorized to
20 publish a copy or a summary of any decision rendered pursuant to section
21 one hundred seventy-one of the charter of the preceding municipality as
22 it existed January first, nineteen hundred ninety-four.

23 § 11-2216 Notices and limitations of time. a. Any notice authorized or
24 required under the provisions of this chapter may be given by mailing
25 the same to the person for whom it is intended in a postpaid envelope
26 addressed to such person at the address given in the last return filed
27 by him or her pursuant to the provisions of this chapter, in any appli-
28 cation made by him or her, or in any application for registration made
29 by him or her pursuant to section four hundred one of the vehicle and
30 traffic law or, if no return has been filed or application made, then to
31 such address as may be obtainable. The mailing of such notice shall be
32 presumptive evidence of the receipt of the same by the person to whom
33 addressed. Any period of time which is determined according to the
34 provisions of this chapter by the giving of notice shall commence to run
35 from the date of mailing of such notice.

36 b. The provisions of the civil practice law and rules or any other law
37 relative to limitations of time for the enforcement of a civil remedy
38 shall not apply to any proceeding or action taken by the commissioner of
39 motor vehicles, or the commissioner of finance if designated as his or
40 her agent, to levy, appraise, assess, determine or enforce the
41 collection of any tax or penalty provided by this chapter. However,
42 except in the case of a wilfully false or fraudulent return with intent
43 to evade the tax, no assessment of additional tax shall be made after
44 the expiration of more than three years from the date of the filing of a
45 return; provided, however, that where no return has been filed as
46 provided by law the tax may be assessed at any time.

47 c. Where, before the expiration of the period prescribed under this
48 section for the assessment of an additional tax, a taxpayer has
49 consented in writing that such period be extended, the amount of such
50 additional tax may be determined at any time within such extended peri-
51 od. The period so extended may be further extended by subsequent
52 consents in writing made before the expiration of the extended period.

53 d. If any return, claim, statement, notice, application, or other
54 document required to be filed, or any payment required to be made, with-
55 in a prescribed period or on or before a prescribed date under authority
56 of any provision of this title is, after such period or such date,

1 delivered by United States mail to the commissioner of motor vehicles,
2 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
3 cer or person with which or with whom such document is required to be
4 filed, or to which or to whom such payment is required to be made, the
5 date of the United States postmark stamped on the envelope shall be
6 deemed to be the date of delivery. This subdivision shall apply only if
7 the postmark date falls within the prescribed period or on or before the
8 prescribed date for the filing of such document, or for making the
9 payment, including any extension granted for such filing or payment, and
10 only if such document or payment was deposited in the mail, postage
11 prepaid, properly addressed to the commissioner of motor vehicles,
12 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
13 cer or person with which or with whom the document is required to be
14 filed or to which or to whom such payment is required to be made. If any
15 document is sent by United States registered mail, such registration
16 shall be prima facie evidence that such document was delivered to the
17 commissioner of motor vehicles, commissioner of finance, the tax appeals
18 tribunal, bureau, office, officer or person to which or to whom
19 addressed, and the date of registration shall be deemed the postmark
20 date. The commissioner of motor vehicles is authorized to provide by
21 regulation the extent to which, such provisions with respect to prima
22 facie evidence of delivery and the postmark date, shall apply to certi-
23 fied mail. This subdivision shall apply in the case of postmarks not
24 made by the United States Postal Service only if and to the extent
25 provided by regulation of the commissioner of motor vehicles.

26 e. When the last day prescribed under authority of this title, includ-
27 ing any extension of time, for performing any act falls on a Saturday,
28 Sunday or legal holiday in the state of New York, the performance of
29 such act shall be considered timely if it is performed on the next
30 succeeding day which is not a Saturday, Sunday or legal holiday.

31 § 11-2217 Commissioner of finance as agent. The commissioner of motor
32 vehicles is hereby authorized to designate the commissioner of finance
33 as his or her agent to exercise any or all of his or her functions and
34 powers specified or provided for in subdivision (d) of section 11-2205
35 and in sections 11-2206, 11-2208, 11-2211, 11-2213, 11-2214 and 11-2216
36 of this chapter. Where the commissioner of finance has been so desig-
37 nated as agent, the commissioner of finance, in addition to the powers
38 elsewhere granted to him or her in this chapter, is hereby authorized
39 and empowered:

40 1. To delegate such functions and powers to a commissioner or deputy
41 commissioner in the department of finance or to any employee or employ-
42 ees of the department of finance;

43 2. For cause shown, to remit penalties and to compromise disputed
44 claims in connection with the taxes hereby imposed;

45 3. To request information concerning motor vehicles and persons
46 subject to the provisions of this chapter from the department of motor
47 vehicles of any other state or the treasury department of the United
48 States, or any city or county of the state of New York; and to afford
49 such information to such other state, treasury department, city or coun-
50 ty, any provision of this chapter to the contrary notwithstanding;

51 4. To request the police department of the city to assist in the
52 enforcement of the provisions of this chapter.

53 § 11-2218 Agreement between commissioner of finance and commissioner
54 of motor vehicles. The commissioner of finance is hereby authorized and
55 empowered to enter into an agreement with the commissioner of motor
56 vehicles to govern the administration and collection of the taxes

1 imposed by this chapter, which agreement shall provide for the exclusive
2 method of collection of such taxes, custody and remittal of the proceeds
3 of such tax; for the payment by the city of the reasonable expenses
4 incurred by the department of motor vehicles in collecting and adminis-
5 tering such tax; and for the audit, upon request of the commissioner of
6 finance or his or her delegate, of the accuracy of the payments,
7 distributions and remittances to the commissioner of finance pursuant to
8 the provisions of this chapter, to be conducted at a time agreed upon by
9 the state comptroller and to be allowed not more frequently than once in
10 each calendar year. Such agreement shall have the force and effect of a
11 rule or regulation of the commissioner of motor vehicles, and shall be
12 filed and published in accordance with any statutory requirements relat-
13 ing thereto.

14 § 11-2219 Notification to corporation counsel. The commissioner of
15 motor vehicles shall promptly notify the corporation counsel of the city
16 of any litigation instituted against him or her which challenges the
17 constitutionality or validity of any provision of this chapter, or of
18 the enabling act pursuant to which it was adopted, or which attempts to
19 limit or question the applicability of either such law, and such notifi-
20 cation shall include a copy of the papers served upon him or her.

21 § 11-2220 Construction and enforcement. This chapter shall be
22 construed and enforced in conformity with subdivisions (g) and (h) of
23 section twelve hundred one of the tax law, pursuant to which it is
24 enacted.

25 § 11-2221 Disposition of revenues. All revenues resulting from the
26 imposition of the tax under this chapter shall be paid into the treasury
27 of the city and shall be credited to and deposited in the general fund
28 of the city, but no part of such revenues may be expended unless appro-
29 priated in the annual budget of the city.

30 CHAPTER 23-A
31 ENHANCED 911 TELEPHONE SURCHARGE

32 § 11-2321 Short title. This chapter shall be known and may be cited as
33 the "enhanced 911 telephone surcharge act."

34 § 11-2322 Definitions. When used in this chapter the following terms
35 shall mean:

36 (a) "E911 system" means an enhanced emergency telephone service which
37 automatically connects a person dialing the digits 9-1-1 to the answer-
38 ing point established within the city of Staten Island police depart-
39 ment, and which shall include, but not be limited to, selective routing,
40 automatic number identification and automatic location identification.

41 (b) "Lifeline" means a discounted or low-priced telephone service
42 available to eligible low-income residential customers.

43 (c) "Access line" means a communications circuit that connects a
44 customer location to a facility housing the switching system and related
45 equipment that provides telephone service.

46 (d) "911 service area" means the area within the geographic boundaries
47 of the city of Staten Island.

48 (e) "Municipality" means any New York city agency, or any public bene-
49 fit corporation, local development corporation or other governmental
50 entity the majority of whose members or governing body is appointed by a
51 city official.

52 (f) "Public safety agency" means a public safety agency as defined in
53 subdivision five of section three hundred one of the county law.

1 (g) "Service supplier" means a service supplier as defined in subdivi-
2 sion seven of section three hundred one of the county law that provides
3 service within the 911 service area.

4 (h) "System costs" means the costs associated with obtaining and main-
5 taining the telecommunication equipment, all operations and maintenance
6 costs and the telephone services costs necessary to establish and
7 provide an E911 system.

8 (i) "Voice over internet protocol service" or "VOIP service" shall
9 mean any service that (1) enables real-time, two-way voice communi-
10 cations; (2) requires a broadband connection from the user's location;
11 (3) requires internet protocol compatible customer premises equipment
12 (CPE); and (4) permits users generally to receive calls that originate
13 on the public switched telephone network and to terminate calls to the
14 public switched telephone network.

15 § 11-2323 Establishment of surcharge for E911 system. (a) In accord-
16 ance with the provisions of article six of the county law, as amended,
17 there is hereby established a surcharge of one dollar per telephone
18 access line, or equivalent, per month on the customers of every service
19 supplier within the city of New York.

20 (b) The surcharge imposed by subdivision (a) of this section shall be
21 used to pay for the costs associated with obtaining, operating and main-
22 taining the telecommunication equipment and telephone services needed to
23 provide an enhanced 911 emergency telephone system to serve the city of
24 New York.

25 (c) All service suppliers that provide local access service within the
26 911 service area in the city of New York shall begin to add the monthly
27 surcharge of one dollar per telephone access line per month as provided
28 in subdivision (a) of this section to all service bills no later than
29 the forty-fifth day after the effective date of the local law that
30 increased such surcharge to one dollar per telephone access line per
31 month. Notwithstanding the provisions of this subdivision, all provid-
32 ers of voice over internet protocol service that provide such service
33 within the 911 service area shall begin to add the monthly surcharge of
34 one dollar per telephone access line, or equivalent, per month as
35 provided in subdivision (a) of this section to all service bills no
36 later than September fifth, two thousand ten.

37 § 11-2324 Application; limitations; exemptions. (a) The surcharge
38 established pursuant to the provisions of section 11-2323 of this chap-
39 ter shall be imposed on a per access line basis on all current bills
40 rendered for local exchange access service within the 911 service area.

41 (b) No such surcharge shall be imposed upon:

42 (1) more than seventy-five exchange access lines per customer per
43 location;

44 (2) any lifeline customers of a local telephone service supplier; or

45 (3) a public safety agency; or

46 (4) any municipality, as defined in subdivision (e) of section 11-2322
47 of this chapter.

48 § 11-2325 Collection of surcharge. (a) The appropriate service suppli-
49 er or suppliers serving the city of Staten Island 911 service area shall
50 act as collection agents for the city and shall remit the funds
51 collected as the surcharge to the commissioner of finance each month.
52 Such funds shall be remitted no later than thirty days after the last
53 business day of such period.

54 (b) The service supplier shall be entitled to retain as an administra-
55 tive fee an amount equal to two per cent of its collections of the
56 surcharge.

1 (c) The surcharge required to be collected by the service supplier
2 shall be added to and stated separately in its billings to the customer.

3 (d) The service supplier shall annually provide to the commissioner of
4 finance an accounting of the surcharge amounts billed and collected.

5 § 11-2326 Liability for surcharge. (a) Each service supplier who is
6 subject to the provisions of this chapter shall be liable to the city
7 for the surcharge until it has been paid to the city, except that
8 payment to a service supplier is sufficient to relieve the customer from
9 further liability for such surcharge.

10 (b) The service supplier customer shall have no obligation to take any
11 legal action to enforce the collection of any surcharge. However, when-
12 ever the service supplier remits the funds collected as the surcharge to
13 the city, it shall also provide the city with the name and address of
14 any customer refusing or failing to pay the surcharge imposed by this
15 chapter and shall state the amount of such surcharge remaining unpaid.

16 § 11-2327 System revenues; adjustment of surcharge. (a) All surcharge
17 monies remitted to the commissioner of finance by a service supplier and
18 all other monies dedicated to the payment of system costs from whatever
19 source derived or received by the city of Staten Island shall be
20 expended only upon authorization of the council, and only for payment of
21 system costs as permitted by this chapter. The finance commissioner and
22 the director of the office of management and budget shall separately
23 account for and keep adequate records of the amount and source of all
24 such revenues and of the amount and object or purpose of all expendi-
25 tures thereof.

26 (b) If at the end of any fiscal year the total amount of all such
27 revenues exceeds the amount necessary for payment of system costs in
28 such fiscal year, such excess shall be reserved and carried over for the
29 payment of system costs in the following fiscal year. However, if at the
30 end of any fiscal year in conformance with applicable law, such E911
31 reserved fund balance exceeds an amount equal to five per cent of that
32 necessary for the payment of system costs in such fiscal year, the coun-
33 cil shall by local law reduce the surcharge for the following fiscal
34 year to a level that more adequately reflects the system cost require-
35 ments of its E911 system. The council may also reestablish or increase
36 such surcharge, subject to the provisions of section three hundred three
37 of the county law, if the revenues generated by such surcharge and by
38 any other source are not adequate to pay for system costs.

39 CHAPTER 23-B

40 WIRELESS COMMUNICATIONS SERVICE SURCHARGE

41 § 11-2341 Short title. This chapter shall be known and may be cited as
42 the "wireless communications service surcharge act."

43 § 11-2342 Definitions. (a) "Wireless communications device" means any
44 equipment used to access a wireless communications service.

45 (b) "Wireless communications service" means all commercial mobile
46 services, as that term is defined in subdivision (d) of section three
47 hundred thirty-two of title forty-seven of the United States Code, as
48 amended from time to time, including, but not limited to, all broadband
49 personal communications services, wireless radio telephone services,
50 geographic area specialized and enhanced specialized mobile radio
51 services, and incumbent-wide area specialized mobile radio licensees,
52 which offer real time, two-way voice or data service that is intercon-
53 nected with the public switched telephone network or otherwise provides
54 access to emergency communications services.

55 (c) "Wireless communications service supplier" means any commercial
56 entity that operates a wireless communications service.

1 (d) "Place of primary use" means the street address that is represen-
2 tative of where the customer's use of the wireless communications
3 service primarily occurs, which address must be either the residential
4 street address or the primary business street address of the customer;
5 and within the licensed service area of the wireless communications
6 service provider.

7 § 11-2343 Establishment of surcharge for wireless communications
8 devices. (a) In accordance with the provisions of article six of the
9 county law, as amended, there is hereby established a surcharge of thir-
10 ty cents per month on wireless communications service in the city of New
11 York. The surcharge shall be imposed on each wireless communications
12 device and shall be reflected and made payable on bills rendered for
13 wireless communications service that is provided to a customer whose
14 place of primary use is within the city of New York.

15 (b) The surcharge imposed by subdivision (a) of this section shall be
16 used to pay for the costs associated with the design, construction,
17 operation, maintenance, and administration of public safety communi-
18 cations networks serving the city of New York.

19 (c) All wireless communications service suppliers that provide service
20 to customers whose place of primary use is within the city of New York
21 shall begin to add the monthly surcharge as provided in subdivision (a)
22 of this section to all service bills no later than the forty-fifth day
23 after the effective date of the local law that added this chapter.

24 (d) Notwithstanding any provision of law to the contrary, no surcharge
25 shall be imposed pursuant to this chapter on or after December first,
26 two thousand seventeen.

27 § 11-2344 Collection of surcharge. (a) Each wireless communications
28 service supplier serving the city of New York shall act as collection
29 agent for the city of Staten Island and shall remit the funds collected
30 pursuant to the surcharge imposed under the provisions of this chapter
31 to the commissioner of finance each month. Such funds shall be remitted
32 no later than thirty days after the last business day of the month.

33 (b) Each wireless communications service supplier shall be entitled to
34 retain, as an administrative fee, an amount equal to two per cent of its
35 collections of the surcharge.

36 (c) The surcharge required to be collected by the wireless communi-
37 cations service supplier shall be added to and stated separately in its
38 billings to customers.

39 (d) Each wireless communications service supplier shall annually
40 provide to the city of Staten Island an accounting of the surcharge
41 amounts billed and collected.

42 § 11-2345 Liability for surcharge. (a) Each wireless communications
43 service customer who is subject to the provisions of this chapter shall
44 be liable to the city of Staten Island for the surcharge until it has
45 been paid to the city except that payment to a wireless communications
46 service supplier is sufficient to relieve the customer from further
47 liability for such surcharge.

48 (b) No wireless communications service supplier shall have a legal
49 obligation to enforce the collection of any surcharge imposed under the
50 provisions of this chapter, provided, however, that whenever the wire-
51 less communications service supplier remits the funds collected to the
52 city of Staten Island, it shall also provide the city with the name and
53 address of any customer refusing or failing to pay the surcharge and
54 shall state the amount of such surcharge remaining unpaid.

55 § 11-2346 Systems revenues; adjustment of surcharge. (a) All surcharge
56 monies remitted to the city of Staten Island by a wireless communi-

1 cations service supplier shall be expended only upon authorization of
2 the council and only for payment of system costs or other costs associ-
3 ated with the design, construction, operation, maintenance, and adminis-
4 tration of public safety communications networks serving the city of
5 Staten Island. The finance commissioner and the director of the office
6 of management and budget shall separately account for and keep adequate
7 books and records of the amount and source of all such monies and of the
8 amount and object or purpose of all expenditures thereof.

9 (b) If, at the end of any fiscal year, the total amount of all such
10 monies exceeds the amount necessary for payment of the above mentioned
11 costs in such fiscal year, such excess shall be reserved and carried
12 over for the payment of those costs in the following fiscal year.

13 CHAPTER 23-C

19 as such surcharge is described in paragraph (b) of subdivision two of
20 section one hundred eighty-six-g of the tax law.

21 (b) Such surcharge shall be imposed at the rate of thirty cents per
22 month on each wireless communications device in service during any part

38 teen.

39 CHAPTER 24

13 wine or beer at retail, for on or off premises consumption, within the
14 city of Staten Island, there is hereby imposed and there shall be paid
15 annually for each tax year, commencing with the tax year beginning June
16 first, nineteen hundred eighty, a tax to be paid by each retail licensee
17 in an amount equal to twenty-five percent of the license fees payable
18 under the state alcoholic beverage control law by such retail licensee
19 for the license year in effect at the commencement of the tax year under
20 this chapter. A retail licensee who obtains a license subsequent to the
21 commencement of a tax year shall pay the tax based upon fees payable
22 under the state alcoholic beverage control law by such licensee for the
23 license year in effect at the time such license is issued. This tax
24 shall be in addition to any and all other taxes paid by such retail
25 licensee.

26 § 11-2403 Exemptions. The tax imposed by this chapter shall not apply
27 to the following:

28 (a) The state of New York, or any of its agencies, instrumentalities,
29 public corporations, including a public corporation created pursuant to
30 agreement or compact with another state or Canada, or political subdivi-
31 sions;

32 (b) The United States of America, and any of its agencies and instru-

34 (c) The United Nations or other international organizations of which
35 the United States of America is a member; and

36 (d) Any corporation, or association, or trust, or community chest,
37 fund or foundation, organized and operated exclusively for religious,

39 children or animals, and no part of the net earnings of which inures to
40 the benefit of any private shareholder or individual, and no substantial
41 part of the activities of which is carrying on propaganda, or otherwise
42 attempting to influence legislation; provided, however, that nothing in
43 this paragraph shall include an organization operated for the primary
44 purpose of carrying on a trade or business for profit, whether or not
45 all of its profits are payable to one or more organizations described in
46 this subdivision.

47 § 11-2404 Records to be kept. Every retail licensee shall keep such
48 records of its business and in such form as the commissioner may by
49 regulation require. Such records shall be offered for inspection and
50 examination at any time upon demand by the commissioner or his or her
51 duly authorized agent or employee and shall be preserved for a period of
52 three years, except that the commissioner may consent to their
53 destruction within that period or may require that they be kept longer.

54 § 11-2405 Returns. a. On or before the twenty-fifth day of June in
55 each tax year, every person subject to tax under this chapter shall file
56 a return with the commissioner on a form prescribed by the commissioner.

1 A retail licensee who obtains a license subsequent to the commencement
2 of a tax year shall file a return for such tax year on or before the
3 twenty-fifth day of the month following the month in which such license
4 was obtained.

5 b. The return shall state the amount of license fees paid to the
6 state under the alcoholic beverage control law and the date when a
7 license under such law was issued to the retail licensee and shall
8 contain any other information which the commissioner may deem necessary
9 for the proper administration of this chapter. The commissioner may
10 require amended returns to be filed within twenty days after notice and
11 to contain the information specified in the notice.

12 c. If a return required by this chapter is not filed or if a return
13 when filed is incorrect or insufficient on its face, the commissioner
14 shall take the necessary steps to enforce the filing of such a return or
15 of a corrected return.

16 d. The return otherwise required to be filed on or before June twen-
17 ty-fifth, nineteen hundred eighty under the provisions of subdivision a
18 of this section, shall be made and filed on or before August twenty-
19 fifth, nineteen hundred eighty.

20 § 11-2406 Payment of tax. At the time of filing a return each person
21 shall pay to the commissioner the tax imposed under this chapter. Such
22 tax shall be due and payable on the last day on which such return is
23 required to be filed, regardless of whether a return is filed or whether
24 the return which is filed correctly indicates the amount of tax due.

25 § 11-2407 Determination of tax. If a return required by this chapter
26 is not filed, or if a return when filed is incorrect or insufficient,
27 the commissioner shall determine the amount of tax due from such infor-
28 mation as may be obtainable and, if necessary, may estimate the tax on
29 the basis of external indices. Notice of such determination shall be
30 given to the person liable for the payment of the tax. Such determi-
31 nation shall finally and irrevocably fix the tax unless the person
32 against whom it is assessed, within ninety days after the giving of
33 notice of such determination, or, if the commissioner of finance has
34 established a conciliation procedure pursuant to section 11-124 of the
35 code of the preceding municipality and the taxpayer has requested a
36 conciliation conference in accordance therewith, within ninety days from
37 the mailing of a conciliation decision or the date of the commissioner's
38 confirmation of the discontinuance of the conciliation proceeding, both
39 (1) serves a petition upon the commissioner of finance and (2) files a
40 petition with the tax appeals tribunal for a hearing, or unless the
41 commissioner of his or her own motion shall redetermine the same. Such
42 hearing and any appeal to the tax appeals tribunal sitting en banc from
43 the decision rendered in such hearing shall be conducted in the manner
44 and subject to the requirements prescribed by the tax appeals tribunal
45 pursuant to sections one hundred sixty-eight through one hundred seven-
46 ty-two of the charter of the preceding municipality as it existed Janu-
47 ary first, nineteen hundred ninety-four. After such hearing the tax
48 appeals tribunal shall give notice of its decision to the person against
49 whom the tax is assessed and to the commissioner of finance. A decision
50 of the tax appeals tribunal sitting en banc shall be reviewable for
51 error, illegality or unconstitutionality or any other reason whatsoever
52 by a proceeding under article seventy-eight of the civil practice law
53 and rules if application therefor is made to the supreme court by the
54 person against whom the tax was assessed within four months after the
55 giving of the notice of such tax appeals tribunal decision. A proceed-
56 ing under article seventy-eight of the civil practice law and rules

1 shall not be instituted by a taxpayer unless: (a) the amount of any tax
2 sought to be reviewed, with penalties and interest thereon, if any,
3 shall be first deposited with the commissioner and there shall be filed
4 with the commissioner an undertaking issued by a surety company author-
5 ized to transact business in this state and approved by the superinten-
6 dent of insurance of this state as to solvency and responsibility, in
7 such amount as a justice of the supreme court shall approve, to the
8 effect that if such proceeding be dismissed or the tax confirmed, the
9 taxpayer will pay all costs and charges which may accrue in the prose-
10 cution of the proceedings or (b) at the option of the taxpayer, such
11 undertaking may be in a sum sufficient to cover the taxes, interest and
12 penalties stated in such decision, plus the costs and charges which may
13 accrue against it in the prosecution of the proceeding, in which event
14 the taxpayer shall not be required to pay such taxes, interest or penal-
15 ties as a condition precedent to the application.

16 § 11-2408 Refunds. a. In the manner provided in this section, the
17 commissioner shall refund or credit, without interest, any tax, penalty
18 or interest erroneously, illegally or unconstitutionally collected or
19 paid, if written application to the commissioner for such refund shall
20 be made within one year from the payment thereof. Whenever a refund or
21 credit is made or denied, the commissioner shall state his or her reason
22 therefor and give notice thereof to the taxpayer in writing. The commis-
23 sioner may, in lieu of any refund required to be made, allow credit
24 therefor on payments due from the applicant.

25 b. Any determination of the commissioner of finance denying a refund
26 or credit pursuant to subdivision a of this section shall be final and
27 irrevocable unless the applicant for such refund or credit, within nine-
28 ty days from the mailing of notice of such determination, or, if the
29 commissioner of finance has established a conciliation procedure pursu-
30 ant to section 11-124 of the code of the preceding municipality and the
31 applicant has requested a conciliation conference in accordance there-
32 with, within ninety days from the mailing of a conciliation decision or
33 the date of the commissioner's confirmation of the discontinuance of the
34 conciliation proceeding, both (1) serves a petition upon the commission-
35 er of finance and (2) files a petition with the tax appeals tribunal for
36 a hearing. Such petition for a refund or credit made as provided in this
37 section shall be deemed an application for a revision of any tax, penal-
38 ty or interest complained of. Such hearing and any appeal to the tribu-
39 nal sitting en banc from the decision rendered in such hearing shall be
40 conducted in the manner and subject to the requirements prescribed by
41 the tax appeals tribunal pursuant to sections one hundred sixty-eight
42 through one hundred seventy-two of the charter of the preceding munici-
43 pality as it existed January first, nineteen hundred ninety-four. After
44 such hearing, the tax appeals tribunal shall give notice of its decision
45 to the applicant and to the commissioner of finance. The applicant shall
46 be entitled to institute a proceeding pursuant to article seventy-eight
47 of the civil practice law and rules to review a decision of the tax
48 appeals tribunal sitting en banc if application to the supreme court be
49 made therefor within four months after the giving of notice of such
50 decision, and provided, in the case of an application by a taxpayer,
51 that a final determination of tax due was not previously made. Such a
52 proceeding shall not be instituted by a taxpayer unless an undertaking
53 shall first be filed with the commissioner, in such amount and with such
54 sureties as a justice of the supreme court shall approve, to the effect
55 that if such proceeding be dismissed or the tax confirmed, the taxpayer

1 will pay all costs and charges which may accrue in the prosecution of
2 the proceeding.

3 c. A person shall not be entitled to a revision, refund or credit
4 under this section, of a tax, interest or penalty which had been deter-
5 mined to be due pursuant to the provisions of section 11-2407 of this
6 chapter where such person has had a hearing or an opportunity for a
7 hearing, as provided in such section or has failed to avail himself or
8 herself of the remedies as provided in such section. No refund or cred-
9 it shall be made of a tax, interest or penalty paid after a determi-
10 nation by the commissioner made pursuant to section 11-2407 of this
11 chapter unless it be found that such determination was erroneous, ille-
12 gal or unconstitutional or otherwise improper, by the tax appeals tribu-
13 nal after a hearing or of the commissioner's own motion, or, if such tax
14 appeals tribunal affirms in whole or in part the determination of the
15 commissioner of finance, in a proceeding under article seventy-eight of
16 the civil practice law and rules, pursuant to the provisions of said
17 section in which event refund or credit without interest shall be made
18 of the tax, interest or penalty found to have been overpaid.

19 § 11-2409 Remedies exclusive. The remedies provided by this chapter
20 shall be the exclusive remedies available to any person for the review
21 of tax liability imposed by this chapter; and no determination or
22 proposed determination of tax or determination on any application for
23 refund by the commissioner of finance, nor any decision by the tax
24 appeals tribunal or any of its administrative law judges, shall be
25 enjoined or reviewed by an action for declaratory judgment, an action
26 for money had and received or by any action or proceeding other than, in
27 the case of a decision by the tax appeals tribunal sitting en banc, a
28 proceeding under article seventy-eight of the civil practice law and
29 rules; provided, however, that a taxpayer may proceed by declaratory
30 judgment if such taxpayer institutes suit within thirty days after a
31 deficiency assessment is made and pays the amount of the deficiency
32 assessment to the commissioner prior to the institution of such suit and
33 posts a bond for costs as provided in section 11-2407 of this chapter.

34 § 11-2410 Reserves. In cases where the taxpayer has applied for a
35 refund and has instituted a proceeding under article seventy-eight of
36 the civil practice law and rules to review a determination adverse to
37 such taxpayer on his or her application for refund, the city comptroller
38 shall set up appropriate reserves to meet any decision adverse to the
39 city.

40 § 11-2411 Proceedings to recover tax. a. Whenever any person shall
41 fail to pay any tax or penalty or interest imposed by this chapter, the
42 corporation counsel shall, upon the request of the commissioner, bring
43 or cause to be brought an action to enforce payment of the same against
44 the person liable for the same on behalf of the city of Staten Island in
45 any court of the state of New York or of any other state or of the
46 United States. If, however, the commissioner in his or her discretion
47 believes that a taxpayer subject to the provisions of this chapter is
48 about to cease business, leave the state or remove or dissipate the
49 assets out of which tax or penalties or interest might be satisfied and
50 that any such tax or penalty or interest will not be paid when due, he
51 or she may declare such tax or penalty or interest to be immediately due
52 and payable and may issue a warrant immediately.

53 b. As an additional or alternate remedy, the commission may issue a
54 warrant, directed to the city sheriff, commanding such sheriff to levy
55 upon and sell the real and personal property of such person which may be
56 found within the city, for the payment of the amount thereof, with any

1 penalties and interest, and the cost of executing the warrant, and to
2 return such warrant to the commissioner and to pay to him or her the
3 money collected by virtue thereof within sixty days after receipt of
4 such warrant. The city sheriff shall, within five days after the
5 receipt of the warrant, file with the county clerk a copy thereof, and
6 thereupon such clerk shall enter in the judgment docket the name of the
7 person mentioned in the warrant and the amount of the tax, penalties and
8 interest for which the warrant is issued and the date when such copy is
9 filed. Thereupon the amount of such warrant so docketed shall become a
10 lien upon the title to and interest in real and personal property of the
11 person against whom the warrant is issued. The city sheriff shall then
12 proceed upon the warrant in the same manner and with like effect as that
13 provided by law in respect to executions issued against property upon
14 judgments of a court of record, and for services in executing the
15 warrant such sheriff shall be entitled to the same fees which he or she
16 may collect in the same manner. In the discretion of the commissioner a
17 warrant of like terms, force and effect may be issued and directed to
18 any officer or employee of the department of finance, and in the
19 execution thereof such officer or employee shall have all the powers
20 conferred by law upon sheriffs, but he or she shall be entitled to no
21 fee for compensation in excess of the actual expenses paid in the
22 performance of such duty. If a warrant is returned not satisfied in
23 full, the commissioner may from time to time issue new warrants and
24 shall also have the same remedies to enforce the amount due thereunder
25 as if the city had recovered judgment therefor and execution thereon had
26 been returned unsatisfied.

27 c. Whenever there is made a sale, transfer or assignment in bulk of
28 any part or the whole of a stock of merchandise or of fixtures, or
29 merchandise and of fixtures pertaining to the conducting of the business
30 of the seller, transferor or assignor, otherwise than in the ordinary
31 course of trade and in the regular prosecution of said business, the
32 purchaser, transferee or assignee shall at least ten days before taking
33 possession of such merchandise, fixtures, or merchandise and fixtures,
34 or paying therefor, notify the commissioner by registered mail of the
35 proposed sale and of the price, terms and conditions thereof whether or
36 not the seller, transferor or assignor, has represented to, or informed
37 the purchaser, transferee or assignee that it owes any tax pursuant to
38 this chapter and whether or not the purchaser, transferee or assignee
39 has knowledge that such taxes are owing, and whether any such taxes are
40 in fact owing.

41 Whenever the purchaser, transferee or assignee shall fail to give
42 notice to the commissioner as required by the opening paragraph of this
43 subdivision, or whenever the commissioner shall inform the purchaser,
44 transferee or assignee that a possible claim for such tax or taxes
45 exists, any sums of money, property or choses in action, or other
46 consideration, which the purchaser, transferee or assignee is required
47 to transfer over to the seller, transferor or assignor shall be subject
48 to a first priority right and lien for any such taxes theretofore or
49 thereafter determined to be due from the seller, transferor or assignor
50 to the city, and the purchaser, transferee or assignee is forbidden to
51 transfer to the seller, transferor or assignor any such sums of money,
52 property or choses in action to the extent of the amount of the city's
53 claim. For failure to comply with the provisions of this subdivision,
54 the purchaser, transferee or assignee, in addition to being subject to
55 the liabilities and remedies imposed under the provisions of article six
56 of the uniform commercial code, shall be personally liable for the

1 payment to the city of any such taxes theretofore or thereafter deter-
2 mined to be due to the city from the seller, transferor or assignor, and
3 such liability may be assessed and enforced in the same manner as the
4 liability for tax under this chapter.

5 d. The commissioner of finance, if he or she finds that the interests
6 of the city will not thereby be jeopardized, and upon such conditions as
7 the commissioner of finance may require, may release any property from
8 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
9 tions to tax, penalties and interest filed pursuant to subdivision b of
10 this section, and such release or vacating of the warrant may be
11 recorded in the office of any recording officer in which such warrant
12 has been filed. The clerk shall thereupon cancel and discharge as of the
13 original date of docketing the vacated warrant.

14 § 11-2412 General powers of the commissioner. In addition to all
15 other powers granted to the commissioner in this chapter, he or she is
16 hereby authorized and empowered:

17 1. To make, adopt and amend rules and regulations appropriate to the
18 carrying out of this chapter and the purposes thereof; and to prescribe
19 the form of blanks, reports and other records relating to the enforce-
20 ment and administration of this chapter;

21 2. To extend, for cause shown, the time for filing any return for a
22 period not exceeding thirty days; and to compromise disputed claims in
23 connection with the taxes hereby imposed;

24 3. To request information from the department of taxation and finance
25 of the state of New York or the state liquor authority or the officials
26 of any political subdivision of this state or the treasury department of
27 the United States relative to any person; and to afford information to
28 such department of taxation and finance, liquor authority, officials or
29 treasury department relative to any person, any other provision of this
30 chapter to the contrary notwithstanding;

31 4. To delegate his or her functions under this section to a deputy or
32 assistant or other employee or employees of his or her department;

33 5. To assess, reassess, determine, revise and readjust the taxes
34 imposed under this chapter;

35 6. To provide by regulation for granting a refund of an appropriate
36 portion of the tax where the retail licensee ceases to do business
37 during the course of the tax year under circumstances which result in,
38 or would entitle such licensee to, a refund of license fee by the state
39 liquor authority. The provisions of section 11-2408 of this chapter
40 shall be applicable to such refunds.

41 § 11-2413 Administration of oaths and compelling testimony. a. The
42 commissioner, his or her employees duly designated and authorized by the
43 commissioner, the tax appeals tribunal and any of its duly designated
44 and authorized employees shall have power to administer oaths and take
45 affidavits in relation to any matter or proceeding in the exercise of
46 their powers and duties under this chapter. The commissioner and the tax
47 appeals tribunal shall have power to subpoena and require the attendance
48 of witnesses and the production of books, papers and documents to secure
49 information pertinent to the performance of the duties of the commis-
50 sioner or the tax appeals tribunal under this chapter and of the
51 enforcement of this chapter and to examine them in relation thereto, and
52 to issue commissions for the examination of witnesses who are out of the
53 state or unable to attend before the commissioner or the tax appeals
54 tribunal or excused from attendance.

55 b. A justice of the supreme court either in court or at chambers shall
56 have power summarily to enforce by proper proceedings the attendance and

1 testimony of witnesses and the production and examination of books,
2 papers and documents called for by the subpoena of the commissioner or
3 the tax appeals tribunal under this chapter.

4 c. Cross-reference; criminal penalties. For failure to obey subpoenas
5 or for testifying falsely, see section 11-4007 of this title; for
6 supplying false or fraudulent information, see section 11-4009 of this
7 title.

8 d. The officers who serve the summons or subpoena of the commissioner
9 of finance or the tax appeals tribunal under this chapter and witnesses
10 attending in response thereto shall be entitled to the same fees as are
11 allowed to officers and witnesses in civil cases in courts of record,
12 except as otherwise provided in this chapter. Such officers shall be
13 the city sheriff, and his or her duly appointed deputies or any officers
14 or employees of the department of finance or the tax appeals tribunal,
15 designated to serve such process.

16 § 11-2414 Interest and penalties. (a) Interest on underpayments. If
17 any amount of tax is not paid on or before the last date prescribed for
18 payment, without regard to any extension of time granted for payment,
19 interest on such amount at the rate set by the commissioner of finance
20 pursuant to subdivision (g) of this section, or, if no rate is set, at
21 the rate of seven and one-half percent per annum, shall be paid for the
22 period from such last date to the date of payment. In computing the
23 amount of interest to be paid, such interest shall be compounded daily.
24 Interest under this subdivision shall not be paid if the amount thereof
25 is less than one dollar.

26 (b) (1) Failure to file return. (A) In case of failure to file a
27 return under this chapter on or before the prescribed date, determined
28 with regard to any extension of time for filing, unless it is shown that
29 such failure is due to reasonable cause and not due to willful neglect,
30 there shall be added to the amount required to be shown as tax on such
31 return five percent of the amount of such tax if the failure is for not
32 more than one month, with an additional five percent for each additional
33 month or fraction thereof during which such failure continues, not
34 exceeding twenty-five percent in the aggregate.

35 (B) In the case of a failure to file a return of tax within sixty days
36 of the date prescribed for filing of such return, determined with regard
37 to any extension of time for filing, unless it is shown that such fail-
38 ure is due to reasonable cause and not due to willful neglect, the addi-
39 tion to tax under subparagraph (A) of this paragraph shall not be less
40 than the lesser of one hundred dollars or one hundred percent of the
41 amount required to be shown as tax on such return.

42 (C) For purposes of this paragraph, the amount of tax required to be
43 shown on the return shall be reduced by the amount of any part of the
44 tax which is paid on or before the date prescribed for payment of the
45 tax and by the amount of any credit against the tax which may be claimed
46 upon the return.

47 (2) Failure to pay tax shown on return. In case of failure to pay the
48 amount shown as tax on a return required to be filed under this chapter
49 on or before the prescribed date, determined with regard to any exten-
50 sion of time for payment, unless it is shown that such failure is due to
51 reasonable cause and not due to willful neglect, there shall be added to
52 the amount shown as tax on such return one-half of one percent of the
53 amount of such tax if the failure is not for more than one month, with
54 an additional one-half of one percent for each additional month or frac-
55 tion thereof during which such failure continues, not exceeding twenty-
56 five percent in the aggregate. For the purpose of computing the addition

1 for any month the amount of tax shown on the return shall be reduced by
2 the amount of any part of the tax which is paid on or before the begin-
3 ning of such month and by the amount of any credit against the tax which
4 may be claimed upon the return. If the amount of tax required to be
5 shown on a return is less than the amount shown as tax on such return,
6 this paragraph shall be applied by substituting such lower amount.

7 (3) Failure to pay tax required to be shown on return. In case of
8 failure to pay any amount in respect of any tax required to be shown on
9 a return required to be filed under this chapter which is not so shown,
10 including a determination made pursuant to section 11-2407 of this chap-
11 ter, within ten days of the date of a notice and demand therefor, unless
12 it is shown that such failure is due to reasonable cause and not due to
13 willful neglect, there shall be added to the amount of tax stated in
14 such notice and demand one-half of one percent of such tax if the fail-
15 ure is not for more than one month, with an additional one-half of one
16 percent for each additional month or fraction thereof during which such
17 failure continues, not exceeding twenty-five percent in the aggregate.
18 For the purpose of computing the addition for any month, the amount of
19 tax stated in the notice and demand shall be reduced by the amount of
20 any part of the tax which is paid before the beginning of such month.

21 (4) Limitations on additions.

22 (A) With respect to any return the amount of the addition under para-
23 graph one of this subdivision shall be reduced by the amount of the
24 addition under paragraph two of this subdivision for any month to which
25 an addition applies under both paragraphs one and two. In any case
26 described in subparagraph (B) of paragraph one of this subdivision, the
27 amount of the addition under such paragraph one shall not be reduced
28 below the amount provided in such subparagraph.

29 (B) With respect to any return, the maximum amount of the addition
30 permitted under paragraph three of this subdivision shall be reduced by
31 the amount of the addition under paragraph one of this subdivision,
32 determined without regard to subparagraph (B) of such paragraph one,
33 which is attributable to the tax for which the notice and demand is made
34 and which is not paid within ten days of such notice and demand.

35 (c) Underpayment due to negligence. (1) If any part of an underpay-
36 ment of tax is due to negligence or intentional disregard of this chap-
37 ter or any rules or regulations relating thereto, but without intent to
38 defraud, there shall be added to the tax a penalty equal to five percent
39 of the underpayment.

40 (2) There shall be added to the tax, in addition to the amount deter-
41 mined under paragraph one of this subdivision, an amount equal to fifty
42 percent of the interest payable under subdivision (a) of this section
43 with respect to the portion of the underpayment described in such para-
44 graph one which is attributable to the negligence or intentional disre-
45 gard referred to in such paragraph one, for the period beginning on the
46 last date prescribed by law for payment of such underpayment, determined
47 without regard to any extension, and ending on the date of the assess-
48 ment of the tax, or, if earlier, the date of the payment of the tax.

49 (d) Underpayment due to fraud. (1) If any part of an underpayment of
50 tax is due to fraud, there shall be added to the tax a penalty equal to
51 fifty percent of the underpayment.

52 (2) There shall be added to the tax, in addition to the penalty deter-
53 mined under paragraph one of this subdivision, an amount equal to fifty
54 percent of the interest payable under subdivision (a) of this section
55 with respect to the portion of the underpayment described in such para-
56 graph one which is attributable to fraud, for the period beginning on

1 the last day prescribed by law for payment of such underpayment, deter-
2 mined without regard to any extension, and ending on the date of the
3 assessment of the tax, or, if earlier, the date of the payment of the
4 tax.

5 (3) The penalty under this subdivision shall be in lieu of any other
6 addition to tax imposed by subdivision (b) or (c) of this section.

7 (e) Additional penalty. Any person who, with fraudulent intent, shall
8 fail to pay any tax imposed by this chapter, or to make, render, sign or
9 certify any return, or to supply any information within the time
10 required by or under this chapter, shall be liable for a penalty of not
11 more than one thousand dollars, in addition to any other amounts
12 required under this chapter to be imposed, assessed and collected by the
13 commissioner of finance. The commissioner of finance shall have the
14 power, in his or her discretion, to waive, reduce or compromise any
15 penalty under this subdivision.

16 (f) The interest and penalties imposed by this section shall be paid
17 and disposed of in the same manner as other revenues from this chapter.
18 Unpaid interest and penalties may be enforced in the same manner as the
19 tax imposed by this chapter.

20 (g)(1) Authority to set interest rates. The commissioner of finance
21 shall set the rate of interest to be paid pursuant to subdivision (a) of
22 this section, but if no such rate of interest is set, such rate shall be
23 deemed to be set at seven and one-half percent per annum. Such rate
24 shall be the rate prescribed in paragraph two of this subdivision but
25 shall not be less than seven and one-half percent per annum. Any such
26 rate set by the commissioner of finance shall apply to taxes, or any
27 portion thereof, which remain or become due on or after the date on
28 which such rate becomes effective and shall apply only with respect to
29 interest computed or computable for periods or portions of periods
30 occurring in the period in which such rate is in effect.

31 (2) General rule. The rate of interest set under this subdivision
32 shall be the sum of (i) the federal short-term rate as provided under
33 paragraph three of this subdivision, plus (ii) seven percentage points.

34 (3) Federal short-term rate. For purposes of this subdivision:

35 (A) The federal short-term rate for any month shall be the federal
36 short-term rate determined by the United States secretary of the treas-
37 ury during such month in accordance with subsection (d) of section
38 twelve hundred seventy-four of the internal revenue code for use in
39 connection with section six thousand six hundred twenty-one of the
40 internal revenue code. Any such rate shall be rounded to the nearest
41 full percent, or, if a multiple of one-half of one percent, such rate
42 shall be increased to the next highest full percent.

43 (B) Period during which rate applies.

44 (i) In general. Except as provided in clause (ii) of this subpara-
45 graph, the federal short-term rate for the first month in each calendar
46 quarter shall apply during the first calendar quarter beginning after
47 such month.

48 (ii) Special rule for the month of September, nineteen hundred eight-
49 y-nine. The federal short-term rate for the month of April, nineteen
50 hundred eighty-nine shall apply with respect to setting the rate of
51 interest for the month of September, nineteen hundred eighty-nine.

52 (4) Publication of interest rate. The commissioner of finance shall
53 cause to be published in the City Record, and give other appropriate
54 general notice of, the interest rate to be set under this subdivision no
55 later than twenty days preceding the first day of the calendar quarter
56 during which such interest rate applies. The setting and publication of

1 such interest rate shall not be included within paragraph (a) of subdivi-
2 sion five of section one thousand forty-one of the city charter of the
3 preceding municipality as it existed January first, nineteen hundred
4 ninety-four relating to the definition of a rule.

5 (h) Miscellaneous. (1) The certificate of the commissioner of finance
6 to the effect that a tax has not been paid, that a return has not been
7 filed, that information has not been supplied pursuant to the provisions
8 of this chapter or that records have not been retained pursuant to the
9 provisions of this chapter shall be prima facie evidence thereof.

10 (2) Cross-reference: For criminal penalties, see chapter forty of this
11 title.

12 § 11-2415 Returns to be secret. (a) Except in accordance with proper
13 judicial order, or as otherwise provided by law, it shall be unlawful
14 for the commissioner, the tax appeals tribunal or any officer or employ-
15 ee of the city to divulge or make known in any manner any information
16 relating to the business of a taxpayer contained in any return required
17 under this chapter. The officers charged with the custody of such
18 returns shall not be required to produce any of them or evidence of
19 anything contained in them in any action or proceeding in any court,
20 except on behalf of the commissioner in an action or proceeding under
21 the provisions of this chapter, or on behalf of any party to any action
22 or proceeding under the provisions of this chapter when the returns or
23 facts shown thereby are directly involved in such action or proceeding,
24 in either of which events the court may require the production of, and
25 may admit in evidence, so much of said returns or of the facts shown
26 thereby, as are pertinent to the action or proceeding and no more.
27 Nothing under this section shall be construed to prohibit the delivery
28 to a taxpayer or the taxpayer's duly authorized representative of a
29 certified copy of any return filed in connection with his or her tax nor
30 to prohibit the publication of statistics so classified as to prevent
31 the identification of particular returns and the items thereof, or the
32 inspection by the corporation counsel or other legal representatives of
33 the city, or by the district attorney of Richmond county, of the return
34 of any taxpayer who shall bring action to set aside or review the tax
35 based thereon, or against whom an action or proceeding under this chap-
36 ter may be instituted. Returns shall be preserved for three years and
37 thereafter until the commissioner permits them to be destroyed.

38 (b) (1) Any officer or employee of the city who willfully violates the
39 provisions of subdivision (a) of this section shall be dismissed from
40 office and be incapable of holding any public office in this city for a
41 period of five years thereafter.

42 (2) Cross-reference: For criminal penalties, see chapter forty of this
43 title.

44 (c) This section shall be deemed a state statute for purposes of
45 paragraph (a) of subdivision two of section eighty-seven of the public
46 officers law.

47 (d) Notwithstanding anything in subdivision (a) of this section to the
48 contrary, if a taxpayer has petitioned the tax appeals tribunal for
49 administrative review as provided in section one hundred seventy of the
50 charter of the preceding municipality as it existed January first, nine-
51 teen hundred ninety-four, the commissioner of finance shall be author-
52 ized to present to the tribunal any report or return of such taxpayer,
53 or any information contained therein or relating thereto, which may be
54 material or relevant to the proceeding before the tribunal. The tax
55 appeals tribunal shall be authorized to publish a copy or a summary of
56 any decision rendered pursuant to section one hundred seventy-one of the

1 charter of the preceding municipality as it existed January first, nine-
2 teen hundred ninety-four.

3 § 11-2416 Notices and limitations of time. a. Any notice authorized
4 or required under the provisions of this chapter may be given by mailing
5 the same to the person for whom it is intended in a postpaid envelope
6 addressed to such person at the address given in the last return filed
7 by him or her pursuant to the provisions of this chapter or in any
8 application made by him or her, or, if no return has been filed or
9 application made, then to such address as may be obtainable. The mailing
10 of such notice shall be presumptive evidence of the receipt of the same
11 by the person to whom addressed. Any period of time which is determined
12 according to the provisions of this chapter by the giving of notice
13 shall commence to run from the date of mailing of such notice.

14 b. The provisions of the civil practice law and rules or any other law
15 relative to limitations of time for the enforcement of a civil remedy
16 shall not apply to any proceeding or action taken by the city to levy,
17 appraise, assess, determine or enforce the collection of any tax or
18 penalty or interest provided by this chapter. However, except in the
19 case of a wilfully false or fraudulent return with intent to evade the
20 tax, no assessment of additional tax shall be made after the expiration
21 of more than three years from the date of the filing of a return,
22 provided, however, that where no return has been filed as provided by
23 law the tax may be assessed at any time.

24 c. Where, before the expiration of the period prescribed in this
25 section for the assessment of an additional tax, a taxpayer has
26 consented in writing that such period be extended, the amount of such
27 additional tax due may be determined at any time within such extended
28 period. The period so extended may be further extended by subsequent
29 consents in writing made before the expiration of the extended period.

30 d. If any return, claim, statement, notice, application, or other
31 document required to be filed, or any payment required to be made, with-
32 in a prescribed period or on or before a prescribed date under authority
33 of any provision of this chapter is, after such period or such date,
34 delivered by United States mail to the commissioner of finance, the tax
35 appeals tribunal, bureau, office, officer or person with which or with
36 whom such document is required to be filed, or to which or to whom such
37 payment is required to be made, the date of the United States postmark
38 stamped on the envelope shall be deemed to be the date of delivery. This
39 subdivision shall apply only if the postmark date falls within the
40 prescribed period or on or before the prescribed date for the filing of
41 such document, or for making the payment, including any extension grant-
42 ed for such filing or payment, and only if such document or payment was
43 deposited in the mail, postage prepaid, properly addressed to the
44 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
45 cer or person with which or with whom the document is required to be
46 filed or to which or to whom such payment is required to be made. If any
47 document is sent by United States registered mail, such registration
48 shall be prima facie evidence that such document was delivered to the
49 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
50 cer or person to which or to whom addressed, and the date of registra-
51 tion shall be deemed the postmark date. The commissioner of finance and,
52 where relevant, the tax appeals tribunal are authorized to provide by
53 regulation the extent to which, such provisions with respect to prima
54 facie evidence of delivery and the postmark date, shall apply to certi-
55 fied mail. Except as provided in subdivision f of this section, this
56 subdivision shall apply in the case of postmarks not made by the United

1 States postal service only if and to the extent provided by regulation
2 of the commissioner of finance or, where relevant, the tax appeals
3 tribunal.

4 e. When the last day prescribed under authority of this chapter,
5 including any extension of time, for performing any act falls on a
6 Saturday, Sunday or legal holiday in the state, the performance of such
7 act shall be considered timely if it is performed on the next succeeding
8 day which is not a Saturday, Sunday or legal holiday.

9 f. (1) Any reference in subdivision d of this section to the United
10 States mail shall be treated as including a reference to any delivery
11 service designated by the secretary of the treasury of the United States
12 pursuant to section seventy-five hundred two of the internal revenue
13 code and any reference in subdivision d of this section to a United
14 States postmark shall be treated as including a reference to any date
15 recorded or marked in the manner described in section seventy-five
16 hundred two of the internal revenue code by a designated delivery
17 service. If the commissioner of finance finds that any delivery service
18 designated by such secretary is inadequate for the needs of the city,
19 the commissioner of finance may withdraw such designation for purposes
20 of this title. The commissioner of finance may also designate additional
21 delivery services meeting the criteria of section seventy-five hundred
22 two of the internal revenue code for purposes of this title, or may
23 withdraw any such designation if the commissioner of finance finds that
24 a delivery service so designated is inadequate for the needs of the
25 city. Any reference in subdivision d of this section to the United
26 States mail shall be treated as including a reference to any delivery
27 service designated by the commissioner of finance and any reference in
28 subdivision d of this section to a United States postmark shall be
29 treated as including a reference to any date recorded or marked in the
30 manner described in section seventy-five hundred two of the internal
31 revenue code by a delivery service designated by the commissioner of
32 finance, provided, however, any withdrawal of designation or additional
33 designation by the commissioner of finance shall not be effective for
34 purposes of service upon the tax appeals tribunal, unless and until such
35 withdrawal of designation or additional designation is ratified by the
36 president of the tax appeals tribunal.

37 (2) Any equivalent of registered or certified mail designated by the
38 United States secretary of the treasury, or as may be designated by the
39 commissioner of finance pursuant to the same criteria used by such
40 secretary for such designations pursuant to section seventy-five hundred
41 two of the internal revenue code, shall be included within the meaning
42 of registered or certified mail as used in subdivision d of this
43 section. If the commissioner of finance finds that any equivalent of
44 registered or certified mail designated by such secretary or the commis-
45 sioner of finance is inadequate for the needs of the city, the commis-
46 sioner of finance may withdraw such designation for purposes of this
47 title, provided, however, any withdrawal of designation or additional
48 designation by the commissioner of finance shall not be effective for
49 purposes of service upon the tax appeals tribunal, unless and until such
50 withdrawal of designation or additional designation is ratified by the
51 president of the tax appeals tribunal.

52 § 11-2417 Construction and enforcement. This chapter shall be
53 construed and enforced in conformity with article twenty-nine of the tax
54 law, pursuant to which it is enacted.

1 not a permanent resident with respect to a room for which such person
2 has the rights of a room remarketer.

3 § 11-2502 Imposition of tax. a. (1) On and after July first, nineteen
4 hundred seventy until and including August thirty-first, nineteen
5 hundred eighty, there is hereby imposed and there shall be paid a tax
6 for every occupancy of each room in a hotel in the city of Staten Island
7 at the rates set forth in, and determined in accordance with the follow-
8 ing table:

9	If the rent per day for the room is:	The tax is:
10	Less than \$10	\$.25 per day
11	\$10 or more, but less than \$15	\$.50 per day
12	\$15 or more, but less than \$20	\$.75 per day
13	\$20 or more	\$1.00 per day

14 (2) On and after September first, nineteen hundred eighty, there is
15 hereby imposed and there shall be paid a tax for every occupancy of each
16 room in a hotel in the city of Staten Island at the rates set forth in,
17 and determined in accordance with, the following table:

18	If the rent per day for the room is:	The tax is:
19	\$10 or more, but less than \$20	\$.50 per day
20	\$20 or more, but less than \$30	\$1.00 per day
21	\$30 or more, but less than \$40	\$1.50 per day
22	\$40 or more	\$2.00 per day

23 Where a person occupies a room for less than a full day and pays less
24 than the rent for a full day, the tax shall nevertheless be the same
25 amount as would be due had such person occupied the room for a full day
26 at the rent for a full day.

27 (3) In addition to the tax imposed by paragraph two of this subdivi-
28 sion, there is hereby imposed and there shall be paid a tax for every
29 occupancy of each room in a hotel in the city (A) at the rate of five
30 percent of the rent or charge per day for each such room up to and
31 including August thirty-first, nineteen hundred ninety, (B) at the rate
32 of six percent of the rent or charge per day for each such room on and
33 after September first, nineteen hundred ninety and before December
34 first, nineteen hundred ninety-four, (C) at the rate of five percent of
35 the rent or charge per day for each such room on and after December
36 first, nineteen hundred ninety-four and before March first, two thousand
37 nine, (D) at the rate of five and seven-eighths percent of the rent or
38 charge per day for each such room on and after March first, two thousand
39 nine and before December first, two thousand thirteen, (E) at the rate
40 of five percent of the rent or charge per day for each such room on and
41 after December first, two thousand thirteen and before December twenti-
42 eth, two thousand thirteen, (F) at the rate of five and seven-eighths
43 percent of the rent or charge per day for each such room on and after
44 December twentieth, two thousand thirteen and before December first, two
45 thousand twenty-three, and (G) at the rate of five percent of the rent
46 or charge per day for each such room on and after December first, two
47 thousand twenty-three.

48 (4) (A) When occupancy is provided, for a single consideration, with
49 property, services, amusement charges, or any other items, the separate
50 sale of which is not subject to tax under this chapter, and the rent
51 paid for such occupancy does not qualify for the exemption in this
52 subdivision, the entire consideration shall be treated as rent subject
53 to tax under paragraph one of this subdivision; provided, however, that
54 where the amount of the rent for occupancy is stated separately from the
55 price of such property, services, amusement charges or other items on
56 any sales slip, invoice, receipt, or other statement given the occupant

1 and such rent is reasonable in relation to the value of such property,
2 services, amusement charges, or other items, only such separately stated
3 rent will be subject to tax under this subdivision. (B) In regard to
4 the collection of tax on occupancies by remarketers, when occupancy is
5 provided, for a single consideration, with property, services, amusement
6 charges, or any other items, whether or not such other items are taxa-
7 ble, the rent portion of the consideration for such sale shall be
8 computed as follows: the total consideration for the sale multiplied by
9 a fraction, the numerator of which shall be the consideration paid to
10 the hotel for the occupancy and the denominator of which shall be the
11 consideration paid to the hotel for the occupancy plus the consideration
12 paid to the providers of the other items being sold, or by any other
13 reasonable method pursuant to which the rent portion of consideration
14 would be no less than the computation of rent portion of consideration
15 under subparagraph (A) of this paragraph. Nothing in this subdivision
16 shall be construed to subject to tax or exempt from tax any service or
17 property or amusement charge or other items otherwise subject to tax or
18 exempt from tax under this chapter.

19 (5) A room remarketer shall be allowed a refund or credit against the
20 taxes collected and required to be remitted pursuant to section 11-2505
21 of this chapter in the amount of the tax it paid to the operator of the
22 hotel or another room remarketer under this subdivision. Provided,
23 however, that in order to qualify for a refund or credit under this
24 paragraph with respect to any quarterly period, as described in subdivi-
25 sion a of section 11-2504 of this chapter, the room remarketer must,
26 with respect to such quarter, (A) be registered for hotel room occupancy
27 tax purposes under section 11-2514 of this chapter, and (B) collect the
28 taxes imposed by paragraphs two and three of this subdivision. Subject
29 to the conditions and limitations of this paragraph, the provisions of
30 section 11-2507 of this chapter shall apply to refunds or credits under
31 this paragraph.

32 (6) Where the rent is paid or charged or billed, or falls due on
33 either a weekly, monthly or other term basis, the daily rent upon which
34 the tax is determined shall be the result obtained by dividing the rent
35 for such term by the number of days in such term. Where the rent is for
36 more than one room, including but not limited to a suite of rooms, the
37 daily rent per room upon which tax is determined shall be calculated by
38 multiplying the daily rent for the group of rooms by a fraction, the
39 numerator of which shall be the daily rent for the particular room, or a
40 similar room, when such room is rented alone with similar bath facili-
41 ties, and the denominator of which shall be the total of the daily rent
42 for the individual rooms in the group of rooms, or similar rooms, when
43 such rooms are rented alone with similar bath facilities. In any case in
44 which it is not possible to determine the daily rent per room in the
45 manner described under this paragraph, the commissioner of finance shall
46 prescribe methods for making such determination.

47 b. (1) No tax shall be imposed under this chapter upon a permanent
48 resident.

49 (2) For purposes of this subdivision, an occupant who is eligible to
50 request and has requested a lease pursuant to the provisions of para-
51 graph two of subdivision (a) of section 2522.5 of the rent stabilization
52 regulations promulgated by the division of housing and community renewal
53 of the state of New York, shall tentatively be accorded the status of
54 permanent resident as of the date of such request, notwithstanding that
55 such occupant has not met the one hundred eighty-consecutive-day
56 requirement contained in subdivision eight of section 11-2501 of this

1 chapter as of such date. In the case of such an occupant, the operator
2 or room remarketer shall not collect the taxes imposed by this chapter
3 for any day, commencing with the date such lease is requested, which
4 falls within a period of continuous occupancy by such occupant of a room
5 or rooms in the hotel. Provided, however, if such occupant ceases to
6 occupy a room or rooms in the hotel prior to the completion of one
7 hundred eighty consecutive days of occupancy, any taxes not collected
8 theretofore by reason of the provisions of this paragraph shall become
9 immediately due and payable on the date of cessation of occupancy and
10 shall be collected by the operator or room remarketer from such occu-
11 pant. In the event, however, that the operator or room remarketer is
12 unable to collect such taxes from the occupant, the operator or room
13 remarketer shall not be liable to the city for such taxes. The
14 provisions of this paragraph shall apply with respect to leases
15 requested on or after September first, nineteen hundred ninety.

16 c. No tax shall be imposed under this chapter upon any organization
17 described in subdivision (a) of section eleven hundred sixteen of the
18 tax law to the extent such organization is not subject to the tax
19 imposed under subdivision (e) of section eleven hundred five of the tax
20 law.

21 d. (1) No tax shall be imposed under this chapter upon any person
22 occupying any room or rooms in a hotel solely and directly as a result
23 of such person's involuntary displacement from premises by the attack on
24 the World Trade Center on September eleventh, two thousand one, provided
25 such premises were not subject to the tax imposed by this section or the
26 tax imposed under section eleven hundred seven of the tax law.

27 (2) Where an occupant claims exemption from the tax under the
28 provisions of paragraph one of this subdivision, the rent shall be
29 deemed taxable under this chapter unless the operator shall receive from
30 the occupant claiming such exemption a signed written statement describ-
31 ing the specific circumstances providing the basis for such claim and
32 containing such other information as the commissioner of finance may
33 require. The operator shall retain such statement and provide it to the
34 commissioner of finance upon request.

35 e. Where any corporation, or association, or trust, or community
36 chest, fund or foundation, organized and operated exclusively for reli-
37 gious, charitable, or educational purposes, or for the prevention of
38 cruelty to children or animals, and no part of the net earnings of which
39 inures to the benefit of any private shareholder or individual and no
40 substantial part of the activities of which is carrying on propaganda,
41 or otherwise attempting to influence legislation, carries on its activ-
42 ities in furtherance of any of the purposes for which it was organized,
43 in premises in which, as part of said activities, it operates a hotel,
44 occupancy of rooms in said premises and rents therefrom received by such
45 corporation or association shall not be subject to tax under this chap-
46 ter. Nothing in this subdivision shall be deemed to include an organ-
47 ization operated for the primary purpose of carrying on a trade or busi-
48 ness for profit, whether or not all of its profits are payable to one or
49 more organizations described in this subdivision.

50 f. The tax to be collected shall be stated and charged separately from
51 the rent and shown separately on any record thereof, at the time when
52 the occupancy is arranged or contracted for and charged for and upon
53 every evidence of occupancy or any bill or statement or charge made for
54 said occupancy issued or delivered by the operator or room remarketer.

55 (1) Where an occupant rents a room directly from an operator, the tax
56 shall be paid by the occupant to the operator as trustee for and on

1 account of the city, and the operator shall be liable for the collection
2 of the tax on the rent and for the payment of the tax on the rent.

3 (2) The operator or room remarketer and any officer of any corporate
4 operator or room remarketer shall be personally liable for the portion
5 of the tax collected or required to be collected under this chapter, and
6 the operator shall have the same right in respect to collecting the tax
7 from the occupant, or in respect to nonpayment of the tax by the occu-
8 pant as if the tax were a part of the rent for the occupancy payable at
9 the time such tax shall become due and owing, including all rights of
10 eviction, dispossession, repossession and enforcement of any innkeeper's
11 lien that he or she may have in the event of nonpayment of rent by the
12 occupant; provided however, that the commissioner of finance shall be
13 joined as a party in any action or proceeding brought by the operator to
14 collect or enforce collection of the tax.

15 g. Where the occupant has failed to pay and the operator or room
16 remarketer has failed to collect a tax as imposed by this chapter, then
17 in addition to all other rights, obligations and remedies provided, such
18 tax shall be payable by the occupant directly to the commissioner of
19 finance, and it shall be the duty of the occupant to file a return ther-
20 eof with the commissioner of finance and to pay the tax imposed therein
21 to the commissioner of finance within fifteen days after such tax was
22 due.

23 h. The commissioner of finance may, wherever he or she deems it neces-
24 sary for the proper enforcement of this chapter, provide by regulation
25 that the occupant shall file returns and pay directly to the commission-
26 er of finance the tax imposed by this chapter, at such times as returns
27 are required to be filed and payment over made by the operator or room
28 remarketer.

29 i. The tax imposed by this chapter shall be paid upon any occupancy on
30 and after July first, nineteen hundred seventy, although such occupancy
31 is had pursuant to a contract, lease or other arrangement made prior to
32 such effective date. Where rent is paid, or charged or billed, or falls
33 due on either a weekly, monthly, or other term basis, the rent so paid,
34 charged, billed or falling due shall be subject to the tax imposed by
35 this chapter to the extent that it covers any portion of the period on
36 and after July first, nineteen hundred seventy, and such payment, bill,
37 charge or rent due shall be apportioned on the basis of the ratio of the
38 number of days falling within said period, to the total number of days
39 covered thereby. Where any tax has been paid pursuant to this chapter
40 upon any rent which has been ascertained to be worthless, the commis-
41 sioner of finance may by regulation provide for credit or refund of the
42 amount of such tax upon application therefor as provided in section
43 11-2507 of this chapter.

44 j. For the purpose of the proper administration of this chapter and to
45 prevent evasion of the tax hereby imposed, it shall be presumed that all
46 rents are subject to tax until the contrary is established, and the
47 burden of proving that a rent for occupancy is not taxable under this
48 chapter shall be upon the operator, the room remarketer, or the occu-
49 pant. Where an occupant claims exemption from the tax under the
50 provisions of subdivision c of this section, the rent shall be deemed
51 taxable under this chapter unless the operator or room remarketer shall
52 receive from the occupant claiming such exemption a copy of the exempt
53 organization certificate that is necessary to obtain exemption from the
54 tax imposed under subdivision (e) of section eleven hundred five of the
55 tax law, together with a certificate duly executed by the organization
56 named in such certificate certifying that the occupant is its agent,

1 representative or employee and that his or her occupancy is paid or to
2 be paid by, and is necessary or required in the course of or in
3 connection with the affairs of said organization.

4 k. No operator or room remarketer shall advertise or hold out to the
5 public in any manner, directly or indirectly, that the tax imposed by
6 this chapter is not considered as a mandatory addition to the rent
7 charged to the occupant.

8 1. An occupancy that an operator conveys or furnishes to a room
9 remarketer that the room remarketer intends to convey or furnish,
10 directly or indirectly, to an occupant for rent shall be exempt from the
11 taxes imposed by this section, provided that such room remarketer
12 furnishes the operator with a certificate in such form and containing
13 such information as may be prescribed by the commissioner of finance.
14 The operator shall retain such statement and provide it to the commis-
15 sioner of finance upon request.

16 § 11-2503 Records to be kept. a. Every operator and every room
17 remarketer shall keep records of every occupancy and of all rent paid,
18 charged or due thereon and of the tax payable thereon, in such form as
19 the commissioner of finance may by regulation require. Such records
20 shall be available for inspection and examination at any time upon
21 demand by the commissioner of finance or his or her duly authorized
22 agent or employee and shall be preserved for a period of three years,
23 except that the commissioner of finance may consent to their destruction
24 within that period or may require that they be kept longer.

25 b. Notwithstanding the provisions of sections three hundred five and
26 three hundred nine of the state technology law or any other law, the
27 commissioner may require any person who has elected to maintain in an
28 electronic format any portion of the records required to be maintained
29 by that person under this chapter, to make the electronic records avail-
30 able and accessible to the commissioner, notwithstanding that the
31 records are also maintained in a hard copy format.

32 § 11-2504 Returns. a. Every operator and every room remarketer shall
33 file with the commissioner of finance a return of occupancy and of
34 rents, and of the taxes payable thereon, for the quarterly periods
35 ending on the last day of February, May, August and November of each
36 year. Such returns shall be filed within twenty days after the end of
37 the quarterly period covered thereby. The commissioner of finance may
38 permit or require returns to be made by other periods and upon such
39 dates as he or she may specify. If the commissioner of finance deems it
40 necessary in order to insure the payment of the tax imposed by this
41 chapter, he or she may require returns to be made for shorter periods
42 than those prescribed pursuant to the provisions of this subdivision and
43 upon such dates as he or she may specify.

44 b. The forms of returns shall be prescribed by the commissioner of
45 finance and shall contain such information as he or she may deem neces-
46 sary for the proper administration of this chapter. The commissioner of
47 finance may require amended returns to be filed within twenty days after
48 notice and to contain the information specified in the notice.

49 c. If a return required by this chapter is not filed or if a return
50 when filed is incorrect or insufficient on its face the commissioner of
51 finance shall take the necessary steps to enforce the filing of such a
52 return or a corrected return.

53 § 11-2505 Payment of tax. At the time of filing a return of occupancy
54 and of rents each operator and room remarketer shall pay to the commis-
55 sioner of finance the taxes imposed by this chapter upon the rents
56 required to be included in such return, as well as all other moneys

1 collected by the operator or room remarketer acting or purporting to act
2 under the provisions of this chapter, even though it be judicially
3 determined that the tax collected is invalidly imposed. All the taxes
4 for the period for which a return is required to be filed shall be due
5 from the operator or room remarketer and payable to the commissioner of
6 finance on the date limited for the filing of the return for such peri-
7 od, without regard to whether a return is filed or whether the return
8 which is filed correctly shows the amount of rents and the taxes due
9 thereon. Where the commissioner of finance in his or her discretion
10 deems it necessary to protect revenues to be obtained under this chapter
11 he or she may require any operator or room remarketer required to
12 collect the tax imposed by this chapter to file with him or her a bond,
13 issued by a surety company authorized to transact business in this state
14 and approved by the superintendent of insurance of this state as to
15 solvency and responsibility, in such amount as the commissioner of
16 finance may fix, to secure the payment of any tax or penalties and
17 interest due or which may become due from such operator or room remark-
18 eter. In the event that the commissioner of finance determines that an
19 operator or room remarketer is to file such bond he or she shall give
20 notice to such operator or room remarketer to that effect specifying the
21 amount of the bond required. The operator or room remarketer shall file
22 such bond within five days after the giving of such notice unless within
23 such five days the operator or room remarketer shall request in writing
24 a hearing before the commissioner of finance at which the necessity,
25 propriety and amount of the bond shall be determined by the commissioner
26 of finance. Such determination shall be final and shall be complied with
27 within fifteen days after the giving of notice thereof. In lieu of such
28 bond, securities approved by the commissioner of finance or cash in such
29 amount as he or she may prescribe, may be deposited which shall be kept
30 in the custody of the commissioner of finance who may at any time with-
31 out notice to the depositor apply them to any tax or interest or penal-
32 ties due, and for that purpose the securities may be sold by him or her
33 at public or private sale without notice to the depositor thereof.

34 § 11-2506 Determination of tax. If a return required by this chapter
35 is not filed, or if a return when filed is incorrect or insufficient,
36 the amount of tax due shall be determined by the commissioner of finance
37 from such information as may be obtainable and, if necessary, the tax
38 may be estimated on the basis of external indices, such as number of
39 rooms, location, scale of rents, comparable rents, type of accommo-
40 dations and service, number of employees or other factors. Notice of
41 such determination shall be given to the person liable for the
42 collection and/or payment of the tax. Such determination shall finally
43 and irrevocably fix the tax unless the person against whom it is
44 assessed, within ninety days after giving of notice of such determi-
45 nation, or, if the commissioner of finance has established a concil-
46 iation procedure pursuant to section 11-124 of the code of the preceding
47 municipality and the taxpayer has requested a conciliation conference in
48 accordance therewith, within ninety days from the mailing of a concil-
49 iation decision or the date of the commissioner's confirmation of the
50 discontinuance of the conciliation proceeding, both (1) serves a peti-
51 tion upon the commissioner of finance and (2) files a petition with the
52 tax appeals tribunal for a hearing, or unless the commissioner of
53 finance of his or her own motion shall redetermine the same. Such hear-
54 ing and any appeal to the tax appeals tribunal sitting en banc from the
55 decision rendered in such hearing shall be conducted in the manner and
56 subject to the requirements prescribed by the tax appeals tribunal

1 pursuant to sections one hundred sixty-eight through one hundred seven-
2 ty-two of the charter of the preceding municipality as it existed Janu-
3 ary first, nineteen hundred ninety-four. After such hearing the tax
4 appeals tribunal shall give notice of its decision to the person against
5 whom the tax is assessed. A decision of the tax appeals tribunal
6 sitting en banc shall be reviewable for error, illegality or unconstitu-
7 tionality or any other reason whatsoever by a proceeding under article
8 seventy-eight of the civil practice law and rules if application there-
9 for is made to the supreme court by the person against whom the tax was
10 assessed, within four months after the giving of the notice of such tax
11 appeals tribunal decision. A proceeding under article seventy-eight of
12 the civil practice law and rules shall not be instituted by a person
13 liable for the tax unless: (a) the amount of any tax sought to be
14 reviewed, with penalties and interest thereon, if any, shall be first
15 deposited with the commissioner of finance and there shall be filed with
16 the commissioner of finance an undertaking, issued by a surety company
17 authorized to transact business in this state and approved by the super-
18 intendent of insurance of this state as to solvency and responsibility,
19 in such amount as a justice of the supreme court shall approve, to the
20 effect that if such proceeding be dismissed or the tax confirmed, such
21 person will pay all costs and charges which may accrue in the prose-
22 cution of the proceeding; or (b) at the option of such person such
23 undertaking filed with the commissioner of finance may be in a sum
24 sufficient to cover the taxes, penalties and interest thereon stated in
25 such decision plus the costs and charges which may accrue against it in
26 the prosecution of the proceeding, in which event such person shall not
27 be required to deposit such taxes, penalties and interest as a condition
28 precedent to the application.

29 § 11-2507 Refunds. a. In the manner provided in this section the
30 commissioner of finance shall refund or credit, without interest, any
31 tax, penalty or interest erroneously, illegally or unconstitutionally
32 collected or paid if written application to the commissioner of finance
33 for such refund shall be made within one year from the payment thereof.
34 Whenever a refund or credit is made or denied by the commissioner of
35 finance, he or she shall state his or her reasons therefor and give
36 notice thereof to the taxpayer in writing. Such application may be made
37 by the occupant, operator, room remarketer or other person who has actu-
38 ally paid the tax to the commissioner of finance. Such application may
39 also be made by an operator or room remarketer who has collected and
40 paid over such tax to the commissioner of finance provided that the
41 application is made within one year of the payment by the occupant to
42 the operator or room remarketer, but no actual refund of moneys shall be
43 made to such operator or room remarketer until he or she shall first
44 establish to the satisfaction of the commissioner of finance, under such
45 regulations as the commissioner of finance may prescribe, that he or she
46 has repaid to the occupant the amount for which the application for
47 refund is made. The commissioner of finance may, in lieu of any refund
48 required to be made, allow credit therefor on payments due from the
49 applicant.

50 b. Any determination of the commissioner of finance denying a refund
51 or credit pursuant to subdivision a of this section shall be final and
52 irrevocable unless the applicant for such refund or credit, within nine-
53 ty days from the mailing of notice of such determination, or, if the
54 commissioner of finance has established a conciliation procedure pursu-
55 ant to section 11-124 of the code of the preceding municipality and the
56 applicant has requested a conciliation conference in accordance there-

1 with, within ninety days from the mailing of a conciliation decision or
2 the date of the commissioner's confirmation of the discontinuance of the
3 conciliation proceeding, both (1) serves a petition upon the commission-
4 er of finance and (2) files a petition with the tax appeals tribunal for
5 a hearing. Such petition for a refund or credit, made as provided in
6 this section, shall be deemed an application for a revision of any tax,
7 penalty or interest complained of. Such hearing and any appeal to the
8 tax appeals tribunal sitting en banc from the decision rendered in such
9 hearing shall be conducted in the manner and subject to the requirements
10 prescribed by the tax appeals tribunal pursuant to sections one hundred
11 sixty-eight through one hundred seventy-two of the charter of the
12 preceding municipality as it existed January first, nineteen hundred
13 ninety-four. After such hearing, the tax appeals tribunal shall give
14 notice of its decision to the applicant and to the commissioner of
15 finance. The applicant shall be entitled to review such decision of the
16 tax appeals tribunal sitting en banc by a proceeding pursuant to article
17 seventy-eight of the civil practice law and rules, provided such
18 proceeding is instituted within four months after the giving of the
19 notice of such decision, and provided, in the case of an application by
20 a person liable for the tax, that a final determination of tax was not
21 previously made. Such a proceeding shall not be instituted by a person
22 liable for the tax unless an undertaking is filed with the commissioner
23 of finance in such amount and with such sureties as a justice of the
24 supreme court shall approve to the effect that if such proceeding be
25 dismissed or the tax confirmed, such person will pay all costs and
26 charges which may accrue in the prosecution of such proceeding.

27 c. A person shall not be entitled to a revision, refund or credit
28 under this section of a tax, interest or penalty which had been deter-
29 mined to be due pursuant to the provisions of section 11-2506 of this
30 chapter where he or she has had a hearing or an opportunity for a hear-
31 ing, as provided in said section, or has failed to avail himself or
32 herself of the remedies therein provided. No refund or credit shall be
33 made of a tax, interest or penalty paid after a determination by the
34 commissioner of finance made pursuant to section 11-2506 of this chapter
35 unless it be found that such determination was erroneous, illegal or
36 unconstitutional or otherwise improper, by the tax appeals tribunal
37 after a hearing or of the commissioner of finance's own motion, or, if
38 such tax appeals tribunal affirms in whole or in part the determination
39 of the commissioner of finance, in a proceeding under article seventy-
40 eight of the civil practice law and rules, pursuant to the provision of
41 said section, in which event refund or credit without interest shall be
42 made of the tax, interest or penalty found to have been overpaid.

43 § 11-2508 Reserves. In cases where the occupant, operator or room
44 remarketer has applied for a refund and has instituted a proceeding
45 under article seventy-eight of the civil practice law and rules to
46 review a determination adverse to such occupant, operator or room
47 remarketer on his or her application for refund, the comptroller shall
48 set up appropriate reserves to meet any decision adverse to the city.

49 § 11-2509 Remedies exclusive. The remedies provided by sections
50 11-2506 and 11-2507 of this chapter shall be the exclusive remedies
51 available to any person for the review of tax liability imposed by this
52 chapter; and no determination or proposed determination of tax or deter-
53 mination on any application for refund by the commissioner of finance,
54 nor any decision by the tax appeals tribunal or any of its administra-
55 tive law judges, shall be enjoined or reviewed by an action for declara-
56 tory judgment, and action for money had and received or by any action or

1 proceeding other than, in the case of a decision by the tax appeals
2 tribunal sitting en banc, a proceeding in the nature of a certiorari
3 proceeding under article seventy-eight of the civil practice law and
4 rules; provided, however, that a taxpayer may proceed by declaratory
5 judgment if he or she institutes suit within thirty days after a defi-
6 ciency assessment is made and pays the amount of the deficiency assess-
7 ment to the commissioner of finance prior to the institution of such
8 suit and posts a bond for costs as provided in section 11-2506 of this
9 chapter.

10 § 11-2510 Proceedings to recover tax. a. Whenever any operator or room
11 remarketer or any officer of a corporate operator or room remarketer or
12 any occupant or other person shall fail to collect and pay over any tax
13 and/or to pay any tax, penalty or interest imposed by this chapter as
14 provided, the corporation counsel shall, upon the request of the commis-
15 sioner of finance bring or cause to be brought an action to enforce the
16 payment of the same on behalf of the city of Staten Island in any court
17 of the state of New York or of any other state or of the United States.
18 If, however, the commissioner of finance in his or her discretion
19 believes that any such operator, or room remarketer, officer, occupant
20 or other person is about to cease business, leave the state or remove or
21 dissipate the assets out of which the tax, penalties or interest might
22 be satisfied, and that any such tax, penalty or interest will not be
23 paid when due, he or she may declare such tax, penalty or interest to be
24 immediately due and payable and may issue a warrant immediately.

25 b. As an additional or alternate remedy, the commissioner of finance
26 may issue a warrant, directed to the city sheriff commanding him or her
27 to levy upon and sell the real and personal property of the operator or
28 room remarketer or officer of a corporate operator or room remarketer or
29 of the occupant or other person liable for the tax, which may be found
30 within the city for the payment of the amount thereof, with any penal-
31 ties and interest, and the cost of executing the warrant, and to return
32 such warrant to the commissioner of finance and to pay to him or her the
33 money collected by virtue thereof within sixty days after the receipt of
34 such warrant. The city sheriff shall within five days after the receipt
35 of the warrant file with the county clerk a copy thereof, and thereupon
36 such clerk shall enter in the judgment docket the name of the person
37 mentioned in the warrant and the amount of the tax, penalties and inter-
38 est for which the warrant is issued and the date when such copy is
39 filed. Thereupon the amount of such warrant so docketed shall become a
40 lien upon the title to and interest in real and personal property of the
41 person against whom the warrant is issued. The city sheriff shall then
42 proceed upon the warrant, in the same manner, and with like effect, as
43 that provided by law in respect to executions issued against property
44 upon judgments of a court of record, and for services in executing the
45 warrant such sheriff shall be entitled to the same fees, which he or she
46 may collect in the same manner. In the discretion of the commissioner of
47 finance a warrant of like terms, force and effect may be issued and
48 directed to any officer or employee of the department of finance, and in
49 the execution thereof such officer or employee shall have all the powers
50 conferred by law upon sheriffs, but shall be entitled to no fee or
51 compensation in excess of the actual expenses paid in the performance of
52 such duty. If a warrant is returned not satisfied in full, the commis-
53 sioner of finance may from time to time issue new warrants and shall
54 also have the same remedies to enforce the amount due thereunder as if
55 the city had recovered judgment therefor and execution thereon had been
56 returned unsatisfied.

1 c. Whenever an operator shall make a sale, transfer, or assignment in
2 bulk of any part or the whole of such operator's hotel or of his or her
3 lease, license or other agreement or right to possess or operate such
4 hotel, or of the equipment, furnishings, fixtures, supplies or stock of
5 merchandise, or of the said premises or lease, license or other agree-
6 ment or right to possess or operate such hotel and the equipment,
7 furnishings, fixtures, supplies and stock of merchandise pertaining to
8 the conduct or operation of said hotel, otherwise than in the ordinary
9 and regular prosecution of business, the purchaser, transferee or assign-
10 nee shall at least ten days before taking possession of the subject of
11 said sale, transfer or assignment, or paying therefor, notify the
12 commissioner of finance by registered mail of the proposed sale and of
13 the price, terms and conditions thereof whether or not the seller,
14 transferor or assignor, has represented to, or informed the purchaser,
15 transferee or assignee that it owes any tax pursuant to this chapter,
16 and whether or not the purchaser, transferee or assignee has knowledge
17 that such taxes are owing, and whether any such taxes are in fact owing.

18 Whenever the purchaser, transferee or assignee shall fail to give
19 notice to the commissioner of finance as required by the opening para-
20 graph of this subdivision, or whenever the commissioner of finance shall
21 inform the purchaser, transferee or assignee that a possible claim for
22 such tax or taxes exists, any sums of money, property or choses in
23 action, or other consideration, which the purchaser, transferee or
24 assignee is required to transfer over to the seller, transferor or
25 assignor shall be subject to a first priority right and lien for any
26 such taxes theretofore or thereafter determined to be due from the sell-
27 er, transferor or assignor to the city, and the purchaser, transferee or
28 assignee is forbidden to transfer to the seller, transferor or assignor
29 any such sums of money, property or choses in action to the extent of
30 the amount of the city's claim. For failure to comply with the
31 provisions of this subdivision, the purchaser, transferee or assignee,
32 in addition to being subject to the liabilities and remedies imposed
33 under the provisions of article six of the uniform commercial code,
34 shall be personally liable for the payment to the city of any such taxes
35 theretofore or thereafter determined to be due to the city from the
36 seller, transferor or assignor, and such liability may be assessed and
37 enforced in the same manner as the liability for tax under this chapter.

38 d. The commissioner of finance, if he or she finds that the interests
39 of the city will not thereby be jeopardized, and upon such conditions as
40 the commissioner of finance may require, may release any property from
41 the lien of any warrant or vacate such warrant for unpaid taxes, addi-
42 tions to tax, penalties and interest filed pursuant to subdivision b of
43 this section, and such release or vacating of the warrant may be
44 recorded in the office of any recording officer in which such warrant
45 has been filed. The clerk shall thereupon cancel and discharge as of the
46 original date of docketing the vacated warrant.

47 § 11-2511 General powers of the commissioner of finance. In addition
48 to the powers granted to the commissioner of finance in this chapter, he
49 or she is hereby authorized and empowered:

51 carrying out of this chapter and the purposes thereof;

52 2. To extend, for cause shown, the time for filing any return for a
53 period not exceeding thirty days; and to compromise disputed claims in
54 connection with the taxes hereby imposed;

55 3. To request information from the tax commission of the state of New
56 York or the treasury department of the United States relative to any

1 person; and to afford information to such tax commission or such treas-
2 ury department relative to any person, any other provision of this chap-
3 ter to the contrary notwithstanding;

4 4. To delegate his or her functions under this section to a commis-
5 sioner or deputy commissioner in the department of finance or to any
6 employee or employees of the department of finance;

7 5. To prescribe methods for determining the rents for occupancy and to
8 determine the taxable and non-taxable rents;

9 6. To require any operator within the city to keep detailed records of
10 the nature and type of hotel maintained and the nature and type of
11 service rendered, and to require any operator or room remarketer to keep
12 detailed records of the rooms available and rooms occupied daily, leases
13 or occupancy contracts or arrangements, rents received, charged and
14 accrued, the names and addresses of the occupants, whether or not any
15 occupancy is claimed to be subject to the tax imposed by this chapter,
16 and to furnish such information upon request to the commissioner of
17 finance;

18 7. To assess, determine, revise and readjust the taxes imposed under
19 this chapter.

20 § 11-2512 Administration of oaths and compelling testimony. a. The
21 commissioner of finance, his or her employees or agents duly designated
22 and authorized by him or her, the tax appeals tribunal and any of its
23 duly designated and authorized employees or agents shall have power to
24 administer oaths and take affidavits in relation to any matter or
25 proceeding in the exercise of their powers and duties under this chap-
26 ter. The commissioner of finance and the tax appeals tribunal shall
27 have power to subpoena and require the attendance of witnesses and the
28 production of books, papers and documents to secure information perti-
29 nent to the performance of the duties of the commissioner or the tax
30 appeals tribunal under this chapter and of the enforcement of this chap-
31 ter and to examine them in relation thereto, and to issue commissions
32 for the examination of witnesses who are out of the state or unable to
33 attend before such commissioner or tax appeals tribunal or excused from
34 attendance.

35 b. A justice of the supreme court either in court or at chambers shall
36 have power summarily to enforce by proper proceedings the attendance and
37 testimony of witnesses and the production and examination of books,
38 papers and documents called for by the subpoena of the commissioner of
39 finance or the tax appeals tribunal under this chapter.

40 c. Cross-reference; criminal penalties. For failure to obey subpoenas
41 or for testifying falsely, see section 11-4007 of this title; for
42 supplying false or fraudulent information, see section 11-4009 of this
43 title.

44 d. The officers who serve the summons or subpoena of the commissioner
45 of finance or the tax appeals tribunal and witnesses attending in
46 response thereto shall be entitled to the same fees as are allowed to
47 officers and witnesses in civil cases in courts of record, except as
48 otherwise provided under this section. Such officers shall be the city
49 sheriff and his or her duly appointed deputies or any officers or
50 employees of the department of finance or the tax appeals tribunal,
51 designated to serve such process.

52 § 11-2513 Reference to tax. Whenever reference is made in placards
53 or advertisements or in any other publication to this tax, such refer-
54 ence shall be substantially in the following form: "city tax on occupan-
55 cy of hotel rooms", except that in any bill, receipt, statement or other

1 evidence or memorandum of occupancy or rent charge issued or employed by
2 the operator the words "city tax" will suffice.

3 § 11-2514 Registration. By June thirtieth, nineteen hundred seventy,
4 or in the case of operators or room remarketers commencing business or
5 opening new hotels after such date, within three days after such
6 commencement or opening, every operator or room remarketer shall file
7 with the commissioner of finance a certificate of registration in a form
8 prescribed by the commissioner of finance. The commissioner of finance
9 shall within five days after such registration issue without charge to
10 each operator or room remarketer a certificate of authority empowering
11 such operator or room remarketer to collect the tax from the occupant
12 and duplicate thereof for each additional hotel of such operator or room
13 remarketer. Each certificate or duplicate shall state the hotel to
14 which it is applicable. Such certificates of authority shall be promi-
15 nently displayed by the operator or room remarketer in such manner that
16 it may be seen and come to the notice of all occupants and persons seek-
17 ing occupancy. Such certificates shall be non-assignable and nontrans-
18 ferable and shall be surrendered immediately to the commissioner of
19 finance upon the cessation of business at the hotel named or upon its
20 sale or transfer, or upon cessation of business of the named room
21 remarketer.

22 § 11-2515 Interest and penalties. (a) Interest on underpayments. If
23 any amount of tax is not paid or paid over on or before the last date
24 prescribed for payment, without regard to any extension of time granted
25 for payment, interest on such amount at the rate set by the commissioner
26 of finance pursuant to subdivision (g) of this section, or, if no rate
27 is set, at the rate of seven and one-half percent per annum, shall be
28 paid for the period from such last date to the date of payment. In
29 computing the amount of interest to be paid, such interest shall be
30 compounded daily. Interest under this subdivision shall not be paid if
31 the amount thereof is less than one dollar.

32 (b) (1) Failure to file return. (A) In case of failure to file a
33 return under this chapter on or before the prescribed date, determined
34 with regard to any extension of time for filing, unless it is shown that
35 such failure is due to reasonable cause and not due to willful neglect,
36 there shall be added to the amount required to be shown as tax on such
37 return five percent of the amount of such tax if the failure is for not
38 more than one month, with an additional five percent for each additional
39 month or fraction thereof during which such failure continues, not
40 exceeding twenty-five percent in the aggregate.

41 (B) In the case of a failure to file a return of tax within sixty days
42 of the date prescribed for filing of such return, determined with regard
43 to any extension of time for filing, unless it is shown that such fail-
44 ure is due to reasonable cause and not due to willful neglect, the addi-
45 tion to tax under subparagraph (A) of this paragraph shall not be less
46 than the lesser of one hundred dollars or one hundred percent of the
47 amount required to be shown as tax on such return.

48 (C) For purposes of this paragraph, the amount of tax required to be
49 shown on the return shall be reduced by the amount of any part of the
50 tax which is paid on or before the date prescribed for payment of the
51 tax and by the amount of any credit against the tax which may be claimed
52 upon the return.

53 (2) Failure to pay tax shown on return. In case of failure to pay the
54 amount shown as tax on a return required to be filed under this chapter
55 on or before the prescribed date, determined with regard to any exten-
56 sion of time for payment, unless it is shown that such failure is due to

1 reasonable cause and not due to willful neglect, there shall be added to
2 the amount shown as tax on such return one-half of one percent of the
3 amount of such tax if the failure is not for more than one month, with
4 an additional one-half of one percent for each additional month or frac-
5 tion thereof during which such failure continues, not exceeding twenty-
6 five percent in the aggregate. For the purpose of computing the addition
7 for any month the amount of tax shown on the return shall be reduced by
8 the amount of any part of the tax which is paid on or before the begin-
9 ning of such month and by the amount of any credit against the tax which
10 may be claimed upon the return. If the amount of tax required to be
11 shown on a return is less than the amount shown as tax on such return,
12 this paragraph shall be applied by substituting such lower amount.

13 (3) Failure to pay tax required to be shown on return. In case of
14 failure to pay any amount in respect of any tax required to be shown on
15 a return required to be filed under this chapter which is not so shown,
16 including a determination made pursuant to section 11-2506 of this chap-
17 ter, within ten days of the date of a notice and demand therefor, unless
18 it is shown that such failure is due to reasonable cause and not due to
19 willful neglect, there shall be added to the amount of tax stated in
20 such notice and demand one-half of one percent of such tax if the fail-
21 ure is not for more than one month, with an additional one-half of one
22 percent for each additional month or fraction thereof during which such
23 failure continues, not exceeding twenty-five percent in the aggregate.
24 For the purpose of computing the addition for any month, the amount of
25 tax stated in the notice and demand shall be reduced by the amount of
26 any part of the tax which is paid before the beginning of such month.

27 (4) Limitations on additions.

28 (A) With respect to any return, the amount of the addition under para-
29 graph one of this subdivision shall be reduced by the amount of the
30 addition under paragraph two of this subdivision for any month to which
31 an addition applies under both paragraphs one and two. In any case
32 described in subparagraph (B) of paragraph one of this subdivision, the
33 amount of the addition under such paragraph one shall not be reduced
34 below the amount provided in such paragraph.

35 (B) With respect to any return, the maximum amount of the addition
36 permitted under paragraph three of this subdivision shall be reduced by
37 the amount of the addition under paragraph one of this subdivision,
38 determined without regard to subparagraph (B) of such paragraph one,
39 which is attributable to the tax for which the notice and demand is made
40 and which is not paid within ten days of such notice and demand.

41 (c) Underpayment due to negligence. (1) If any part of an underpayment
42 of tax is due to negligence or intentional disregard of this chapter or
43 any rules or regulations related thereto, but without intent to defraud,
44 there shall be added to the tax a penalty equal to five percent of the
45 underpayment.

46 (2) There shall be added to the tax, in addition to the amount deter-
47 mined under paragraph one of this subdivision, an amount equal to fifty
48 percent of the interest payable under subdivision (a) of this section
49 with respect to the portion of the underpayment described in such para-
50 graph one which is attributable to the negligence or intentional disre-
51 gard referred to in such paragraph one, for the period beginning on the
52 last date prescribed by law for payment of such underpayment, determined
53 without regard to any extension, and ending on the date of the assess-
54 ment of the tax, or, if earlier, the date of the payment of the tax.

1 (d) Underpayment due to fraud. (1) If any part of an underpayment of
2 tax is due to fraud, there shall be added to the tax a penalty equal to
3 two times of the underpayment.

4 (2) The penalty under this subdivision shall be in lieu of any other
5 addition to tax imposed by subdivision (b) or (c) of this section.

6 (e) Additional penalty. Any person who, with fraudulent intent, shall
7 fail to pay any tax imposed by this chapter, or to make, render, sign or
8 certify any return, or to supply any information within the time
9 required by or under this chapter, shall be liable for a penalty of not
10 more than one thousand dollars, in addition to any other amounts
11 required under this chapter to be imposed, assessed and collected by the
12 commissioner of finance. The commissioner of finance shall have the
13 power, in his or her discretion, to waive, reduce or compromise any
14 penalty under this subdivision.

15 (f) The interest and penalties imposed by this section shall be paid
16 and disposed of in the same manner as other revenues from this chapter.
17 Unpaid interest and penalties may be enforced in the same manner as the
18 tax imposed by this chapter.

19 (g)(1) Authority to set interest rates. The commissioner of finance
20 shall set the rate of interest to be paid pursuant to subdivision (a) of
21 this section, but if no such rate of interest is set, such rate shall be
22 deemed to be set at seven and one-half percent per annum. Such rate
23 shall be the rate prescribed in paragraph two of this subdivision but
24 shall not be less than seven and one-half percent per annum. Any such
25 rate set by the commissioner of finance shall apply to taxes, or any
26 portion thereof, which remain or become due on or after the date on
27 which such rate becomes effective and shall apply only with respect to
28 interest computed or computable for periods or portions of periods
29 occurring in the period in which such rate is in effect.

30 (2) General rule. The rate of interest set under this subdivision
31 shall be the sum of (i) the federal short-term rate as provided under
32 paragraph three of this subdivision, plus (ii) seven percentage points.

33 (3) Federal short-term rate. For purposes of this subdivision:

34 (A) The federal short-term rate for any month shall be the federal
35 short-term rate determined by the United States secretary of the treas-
36 ury during such month in accordance with subsection (d) of section
37 twelve hundred seventy-four of the internal revenue code for use in
38 connection with section six thousand six hundred twenty-one of the
39 internal revenue code. Any such rate shall be rounded to the nearest
40 full percent, or, if a multiple of one-half of one percent, such rate
41 shall be increased to the next highest full percent.

42 (B) Period during which rate applies.

43 (i) In general. Except as provided in clause (ii) of this subpara-
44 graph, the federal short-term rate for the first month in each calendar
45 quarter shall apply during the first calendar quarter beginning after
46 such month.

47 (ii) Special rule for the month of September, nineteen hundred eight-
48 y-nine. The federal short-term rate for the month of April, nineteen
49 hundred eighty-nine shall apply with respect to setting the rate of
50 interest for the month of September, nineteen hundred eighty-nine.

51 (4) Publication of interest rate. The commissioner of finance shall
52 cause to be published in the City Record, and give other appropriate
53 general notice of, the interest rate to be set under this subdivision no
54 later than twenty days preceding the first day of the calendar quarter
55 during which such interest rate applies. The setting and publication of
56 such interest rate shall not be included within paragraph (a) of subdi-

1 vision five of section one thousand forty-one of the city charter of the
2 preceding municipality as it existed January first, nineteen hundred
3 ninety-four relating to the definition of a rule.

4 (h) Miscellaneous. (1) Officers of a corporate operator or room
5 remarketer and partners in a partnership which is an operator or room
6 remarketer shall be personally liable for the tax collected or required
7 to be collected by such corporation or partnership under this chapter,
8 and subject to the penalties and interest imposed by this section.

9 (2) The certificate of the commissioner of finance to the effect that
10 a tax has not been paid, that a return, bond or registration certificate
11 has not been filed, or that information has not been supplied pursuant
12 to the provisions of this chapter, shall be presumptive evidence there-
13 of.

14 (3) Cross-reference: For criminal penalties, see chapter forty of this
15 title.

16 (i) Any person required to make or maintain records under this chapter
17 who fails to make or maintain or make available to the commissioner
18 these records is subject to a penalty not to exceed one thousand dollars
19 for the first quarterly period or part thereof for which the failure
20 occurs and not to exceed five thousand dollars for each additional quar-
21 terly period or part thereof for which the failure occurs. This penalty
22 is in addition to any other penalty provided for in this chapter but may
23 not be imposed and collected more than once for failures for the same
24 quarterly period or part thereof. If the commissioner determines that a
25 failure to make or maintain or make available records in any quarterly
26 period was entirely due to reasonable cause and not to willful neglect,
27 the commissioner must remit the penalty imposed for that quarterly peri-
28 od. These penalties will be paid and disposed of in the same manner as
29 other revenues from this chapter. These penalties will be determined,
30 assessed, collected, paid and enforced in the same manner as the tax
31 imposed by this chapter, and all the provisions of this chapter relating
32 to tax will be deemed also to apply to the penalties imposed by this
33 subdivision. For purposes of the penalty imposed by this subdivision, a
34 person will be considered to have failed to make or maintain the
35 required records when the commissioner of finance determines that the
36 records made or maintained by that person for a quarterly period do not
37 enable the commissioner to verify occupancy or the amounts received for
38 such occupancy or the taxability of that occupancy and to conduct a
39 complete audit.

40 (j) Any person required to make or maintain records under this chapter
41 who fails to present and make available these records in an auditable
42 form is subject to a penalty not to exceed one thousand dollars for each
43 quarterly period or part thereof for which records maintained by that
44 person are not presented and made available by that person in auditable
45 form, even if these records are adequate to verify credits, receipts,
46 and the taxability thereof and to perform a complete audit. This penal-
47 ty is in addition to any other penalty provided for in this chapter, but
48 will not be imposed and collected more than once for these failures for
49 the same quarterly period or part thereof. If the commissioner deter-
50 mines that any failure described in this subdivision for a quarterly
51 period was entirely due to reasonable cause and not to willful neglect,
52 the commissioner must remit the penalty imposed for that quarter. The
53 penalties imposed by this subdivision will be paid and disposed of in
54 the same manner as other revenues from this chapter. These penalties
55 will be determined, assessed, collected, paid and enforced in the same
56 manner as the tax imposed by this chapter, and all the provisions of

1 this chapter relating to tax will be deemed also to apply to the penal-
2 ties imposed by this subdivision. For purposes of the penalty imposed by
3 this subdivision, a person will be considered to have failed to present
4 and make records available in auditable form when the records presented
5 by that person for that quarter lack sufficient organization, such as by
6 date, invoice number, sales receipts, or sequential numbering, or are
7 otherwise inadequate, without reorganizing, reordering or otherwise
8 rearranging the records into an auditable form, to permit direct recon-
9 ciliation of the receipts, invoices or other source documents with the
10 entries for the quarterly period in the books and records and on the
11 returns of that person.

12 (k) Any person who, having elected to maintain in an electronic format
13 any portion or all of the records he or she is required to make and
14 maintain by this chapter, fails to present and make these records avail-
15 able and accessible to the commissioner in electronic format, is subject
16 to a penalty not to exceed five thousand dollars for each quarterly
17 period or part thereof for which these electronic records are not
18 presented and made available and accessible upon request, notwithstand-
19 ing that the records may also be maintained and available in hard copy
20 format. This penalty is in addition to any other penalty provided for in
21 this chapter, but may not be imposed and collected more than once for a
22 failure for the same quarterly period or part thereof. Provided, howev-
23 er, nothing in this subdivision will prevent the separate imposition, if
24 applicable, of any penalty imposed by subdivision (i) or (j) of this
25 section for the same quarterly period or part thereof. If the commis-
26 sioner determines that the failure to present and make electronically
27 maintained records available and accessible for a quarterly period was
28 entirely due to reasonable cause and not to willful neglect, the commis-
29 sioner must remit the penalty imposed for that quarter. These penalties
30 will be paid and disposed of in the same manner as other revenues from
31 this chapter. These penalties will be determined, assessed, collected,
32 paid and enforced in the same manner as the tax imposed by this chapter,
33 and all the provisions of this chapter relating to tax will be deemed
34 also to apply to the penalty imposed by this subdivision. For purposes
35 of the penalty imposed by this subdivision, a failure to present and
36 make available and accessible a record maintained in electronic format
37 includes not only the denial of access to the requested records that
38 were maintained electronically, but also the failure to make available
39 to the commissioner the information, knowledge, or means necessary to
40 access and otherwise use the electronically maintained records in the
41 inspection and examination of these records.

42 (l) Aiding or assisting in the giving of fraudulent returns, reports,
43 statements or other documents. Any person who, with the intent that tax
44 be evaded, for a fee or other compensation or as an incident to the
45 performance of other services for which that person receives compen-
46 sation, aids or assists in, or procures, counsels, or advises the prepa-
47 ration or presentation under this chapter, or in connection with any
48 matter arising under this chapter, of any return, report, declaration,
49 statement or other document that is fraudulent or false as to any mate-
50 rial matter, or supplies any false or fraudulent information, whether or
51 not such falsity or fraud is with the knowledge or consent of the person
52 authorized or required to present that return, report, declaration,
53 statement or other document, will pay a penalty not exceeding five thou-
54 sand dollars. The definitions in subsection (l) of section one thousand
55 eighty-five of the tax law apply for the purposes of this penalty.

1 (m) False or fraudulent document penalty. Any taxpayer that submits a
2 false or fraudulent document to the department will be subject to a
3 penalty of one hundred dollars per document submitted, or five hundred
4 dollars per tax return submitted. This penalty will be in addition to
5 any other penalty provided by law.

6 § 11-2516 Returns to be secret. a. Except in accordance with proper
7 judicial order, or as otherwise provided by law, it shall be unlawful
8 for the commissioner of finance, any officer or employee of the depart-
9 ment of finance, any person engaged or retained on an independent
10 contract basis, the tax appeals tribunal, any commissioner or employee
11 of such tribunal, or any person who, pursuant to this section, is
12 permitted to inspect any return or to whom a copy, an abstract or a
13 portion of any return is furnished, or to whom any information contained
14 in any return is furnished, to divulge or make known in any manner the
15 rents or other information relating to the business of a taxpayer
16 contained in any return required under this chapter. The officers
17 charged with the custody of such returns shall not be required to
18 produce any of them or evidence of anything contained in them in any
19 action or proceeding in any court, except on behalf of the commissioner
20 of finance in an action or proceeding under the provisions of this chap-
21 ter or on behalf of any party to any action or proceeding under the
22 provisions of this chapter when the returns or facts shown thereby are
23 directly involved in such action or proceeding, in either of which
24 events the court may require the production of, and may admit in
25 evidence, so much of said returns or of the facts shown thereby, as are
26 pertinent to the action or proceeding and no more. Nothing in this
27 section shall be construed to prohibit the delivery to a taxpayer or his
28 or her duly authorized representative of a certified copy of any return
29 filed in connection with his or her tax; nor to prohibit the delivery of
30 such a certified copy of such return or of any information contained in
31 or relating thereto, to the United States of America or any department
32 thereof, to the state of New York or any department thereof, or to any
33 agency or department of the city of Staten Island, provided the same is
34 requested for official business; nor to prohibit the inspection for
35 official business of such returns by the corporation counsel or other
36 legal representatives of the city or by the district attorney of any
37 county within the city; nor to prohibit the publication of statistics so
38 classified as to prevent the identification of particular returns and
39 the items thereof. Returns shall be preserved for three years and ther-
40 eafter until the commissioner of finance permits them to be destroyed.

41 b. (1) Any officer or employee of the city who willfully violates the
42 provisions of subdivision a of this section shall be dismissed from
43 office and be incapable of holding any public office for a period of
44 five years thereafter.

45 (2) Cross-reference: For criminal penalties, see chapter forty of this
46 title.

47 c. This section shall be deemed a state statute for purposes of para-
48 graph (a) of subdivision two of section eighty-seven of the public offi-
49 cers law.

50 d. Notwithstanding anything in subdivision a of this section to the
51 contrary, if a taxpayer has petitioned the tax appeals tribunal for
52 administrative review as provided in section one hundred seventy of the
53 charter of the preceding municipality as it existed January first, nine-
54 teen hundred ninety-four, the commissioner of finance shall be author-
55 ized to present to the tribunal any report or return of such taxpayer,
56 or any information contained therein or relating thereto, which may be

1 material or relevant to the proceeding before the tribunal. The tax
2 appeals tribunal shall be authorized to publish a copy or a summary of
3 any decision rendered pursuant to section one hundred seventy-one of the
4 charter of the preceding municipality as it existed January first, nine-
5 teen hundred ninety-four.

6 § 11-2517 Notices and limitations of time. a. Any notice authorized or
7 required under the provisions of this chapter may be given by mailing
8 the same to the person for whom it is intended in a postpaid envelope
9 addressed to such person at the address given in the last return filed
10 by him or her pursuant to the provisions of this chapter or in any
11 application made by him or her or, if no return has been filed or appli-
12 cation made, then to such address as may be obtainable. The mailing of
13 such notice shall be presumptive evidence of the receipt of the same by
14 the person to whom addressed. Any period of time which is determined
15 according to the provisions of this chapter by the giving of notice
16 shall commence to run from the date of mailing of such notice.

17 b. The provisions of the civil practice law and rules or any other law
18 relative to limitations of time for the enforcement of a civil remedy
19 shall not apply to any proceeding or action taken by the city to levy,
20 appraise, assess, determine or enforce the collection of any tax or
21 penalty provided by this chapter. However, except in the case of a
22 wilfully false or fraudulent return with intent to evade the tax, no
23 assessment of additional tax shall be made after the expiration of more
24 than three years from the date of the filing of a return; provided,
25 however, that where no return has been filed as provided by law the tax
26 may be assessed at any time.

27 c. Where, before the expiration of the period prescribed in this
28 section for the assessment of an additional tax, a taxpayer has
29 consented in writing that such period be extended, the amount of such
30 additional tax due may be determined at any time within such extended
31 period. The period so extended may be further extended by subsequent
32 consents in writing made before the expiration of the extended period.

33 d. If any return, claim, statement, notice, application, or other
34 document required to be filed, or any payment required to be made, with-
35 in a prescribed period or on or before a prescribed date under authority
36 of any provision of this chapter is, after such period or such date,
37 delivered by United States mail to the commissioner of finance, the tax
38 appeals tribunal, bureau, office, officer or person with which or with
39 whom such document is required to be filed, or to which or to whom such
40 payment is required to be made, the date of the United States postmark
41 stamped on the envelope shall be deemed to be the date of delivery. This
42 subdivision shall apply only if the postmark date falls within the
43 prescribed period or on or before the prescribed date for the filing of
44 such document, or for making the payment, including any extension grant-
45 ed for such filing or payment, and only if such document or payment was
46 deposited in the mail, postage prepaid, properly addressed to the
47 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
48 cer or person with which or with whom the document is required to be
49 filed or to which or to whom such payment is required to be made. If any
50 document is sent by United States registered mail, such registration
51 shall be prima facie evidence that such document was delivered to the
52 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
53 cer or person to which or to whom addressed, and the date of registra-
54 tion shall be deemed the postmark date. The commissioner of finance and,
55 where relevant, the tax appeals tribunal are authorized to provide by
56 regulation the extent to which, such provisions with respect to prima

1 facie evidence of delivery and the postmark date, shall apply to certi-
2 fied mail. Except as provided in subdivision f of this section, this
3 subdivision shall apply in the case of postmarks not made by the United
4 States postal service only if and to the extent provided by regulation
5 of the commissioner of finance or, where relevant, the tax appeals
6 tribunal.

7 e. When the last day prescribed under authority of this chapter,
8 including any extension of time, for performing any act falls on a
9 Saturday, Sunday or legal holiday in the state, the performance of such
10 act shall be considered timely if it is performed on the next succeeding
11 day which is not a Saturday, Sunday or legal holiday.

12 f. (1) Any reference in subdivision d of this section to the United
13 States mail shall be treated as including a reference to any delivery
14 service designated by the secretary of the treasury of the United States
15 pursuant to section seventy-five hundred two of the internal revenue
16 code and any reference in subdivision d of this section to a United
17 States postmark shall be treated as including a reference to any date
18 recorded or marked in the manner described in section seventy-five
19 hundred two of the internal revenue code by a designated delivery
20 service. If the commissioner of finance finds that any delivery service
21 designated by such secretary is inadequate for the needs of the city,
22 the commissioner of finance may withdraw such designation for purposes
23 of this title. The commissioner of finance may also designate additional
24 delivery services meeting the criteria of section seventy-five hundred
25 two of the internal revenue code for purposes of this title, or may
26 withdraw any such designation if the commissioner of finance finds that
27 a delivery service so designated is inadequate for the needs of the
28 city. Any reference in subdivision d of this section to the United
29 States mail shall be treated as including a reference to any delivery
30 service designated by the commissioner of finance and any reference in
31 subdivision d of this section to a United States postmark shall be
32 treated as including a reference to any date recorded or marked in the
33 manner described in section seventy-five hundred two of the internal
34 revenue code by a delivery service designated by the commissioner of
35 finance, provided, however any withdrawal of designation or additional
36 designation by the commissioner of finance shall not be effective for
37 purposes of service upon the tax appeals tribunal, unless and until such
38 withdrawal of designation or additional designation is ratified by the
39 president of the tax appeals tribunal.

40 (2) Any equivalent of registered or certified mail designated by the
41 United States secretary of the treasury, or as may be designated by the
42 commissioner of finance pursuant to the same criteria used by such
43 secretary for such designations pursuant to section seventy-five hundred
44 two of the internal revenue code, shall be included within the meaning
45 of registered or certified mail as used in subdivision d of this
46 section. If the commissioner of finance finds that any equivalent of
47 registered or certified mail designated by such secretary or the commis-
48 sioner of finance is inadequate for the needs of the city, the commis-
49 sioner of finance may withdraw such designation for purposes of this
50 title, provided, however, any withdrawal of designation or additional
51 designation by the commissioner of finance shall not be effective for
52 purposes of service upon the tax appeals tribunal, unless and until such
53 withdrawal of designation or additional designation is ratified by the
54 president of the tax appeals tribunal.

55 § 11-2518 Construction and enforcement. This chapter shall be
56 construed and enforced in conformity with chapter one hundred sixty-one

1 of the laws of nineteen hundred seventy, as amended by chapter one
2 hundred sixty-two of the laws of nineteen hundred seventy, pursuant to
3 which it is enacted.
4 § 11-2519 Tourism and convention fund. Notwithstanding any provision
5 of law to the contrary, with respect to the additional tax imposed at
6 the rate of six percent on and after September first, nineteen hundred
7 ninety and before December first, nineteen hundred ninety-four pursuant
8 to subparagraph (B) of paragraph three of subdivision a of section
9 11-2502 of this chapter, four and one-sixth percent of the total reven-
10 ues resulting from the imposition of such tax, including four and one-
11 sixth percent of any interest or penalties thereon, shall be credited to
12 and deposited in a special tourism and convention fund, which shall be
13 used solely for the purpose of promoting tourism and conventions in the
14 city. Seven-eighths of the moneys in such fund shall be made available
15 to the New York Convention and Visitor's Bureau, Inc. pursuant to an
16 annual contract with the city which may specify, among other things, the
17 services which shall be provided by such bureau with such moneys and the
18 content and number of reports which will have to be provided by such
19 bureau to the city concerning the expenditure of such moneys, and
20 provided that the annual budget and business plan of such bureau is
21 approved by the mayor of the city or his or her designee. The remaining
22 one-eighth of the fund shall be spent for promoting tourism and
23 conventions which may include, at the mayor's discretion, moneys spent

33 debt or obligation which is, or under any contingency may be secured at
34 the date of execution thereof or at any time thereafter by a mortgage on
35 real property situated within the city and recorded on or after August
36 first, nineteen hundred seventy-one and prior to February first, nine-
37 teen hundred eighty-two, is hereby imposed on each such mortgage and
38 shall be collected and paid as provided in this chapter. If the princi-
39 pal debt or obligation which is or by any contingency may be secured by
40 such mortgage is less than one hundred dollars, a tax of fifty cents is
41 hereby imposed on such mortgage, and shall be collected and paid as
42 provided in this chapter.

43 b. With respect to: (1) one, two or three-family houses, individual
44 cooperative apartments and individual residential condominium units, and
45 (2) real property securing a principal debt or obligation of less than
46 five hundred thousand dollars, a tax of fifty cents, and with respect to
47 all other real property a tax of one dollar and twelve and one-half
48 cents, for each one hundred dollars and each remaining major fraction
49 thereof of principal debt or obligation which is, or under any contin-
50 gency may be secured at the date of execution thereof or at any time
51 thereafter by a mortgage on such real property situated within the city
52 and recorded on or after February first, nineteen hundred eighty-two and
53 before July first, nineteen hundred eighty-two, is hereby imposed on
54 each such mortgage and shall be collected and paid as provided in this

1 chapter. If the principal debt or obligation which is or by any contin-
2 gency may be secured by such mortgage is less than one hundred dollars,
3 a tax of one dollar is hereby imposed on such mortgage, and shall be
4 collected and paid as provided in this chapter.

5 c. With respect to: (1) real property securing a principal debt or
6 obligation of less than five hundred thousand dollars, a tax of fifty
7 cents, (2) with respect to one, two or three-family houses, individual
8 cooperative apartments and individual residential condominium units
9 securing a principal debt or obligation of five hundred thousand dollars
10 or more, a tax of sixty-two and one-half cents, and (3) with respect to
11 all other real property, a tax of one dollar and twenty-five cents, for
12 each one hundred dollars and each remaining major fraction thereof of
13 principal debt or obligation which is, or under any contingency may be
14 secured at the date of execution thereof or at any time thereafter by a
15 mortgage on such real property situated within the city and recorded on
16 or after July first, nineteen hundred eighty-two and before August
17 first, nineteen hundred ninety, is hereby imposed on each such mortgage
18 and shall be collected and paid as provided in this chapter. If the
19 principal debt or obligation which is or by any contingency may be
20 secured by such mortgage is less than one hundred dollars, a tax of one
21 dollar is hereby imposed on such mortgage and shall be collected and
22 paid as provided in this chapter.

23 d. With respect to: (1) real property securing a principal debt or
24 obligation of less than five hundred thousand dollars, a tax of one
25 dollar, (2) with respect to one, two or three-family houses and individ-
26 ual residential condominium units securing a principal debt or obli-
27 gation of five hundred thousand dollars or more, a tax of one dollar and
28 twelve and one-half cents, and (3) with respect to all other real prop-
29 erty, a tax of one dollar and seventy-five cents, for each one hundred
30 dollars and each remaining major fraction thereof of principal debt or
31 obligation which is, or under any contingency may be secured at the date
32 of execution thereof, or at anytime thereafter by a mortgage on such
33 real property situated within the city and recorded on or after August
34 first, nineteen hundred ninety, is hereby imposed on each such mortgage
35 and shall be collected and paid as provided in this chapter. If the
36 principal debt or obligation which is or by any contingency may be
37 secured by such mortgage is less than one hundred dollars, a tax of one
38 dollar is hereby imposed on such mortgage and shall be collected and
39 paid as provided in this chapter.

40 e. (1) For the purpose of determining whether a mortgage is subject to
41 the tax imposed by subdivision b or c of this section at a rate in
42 excess of fifty cents, or by subdivision d of this section at a rate in
43 excess of one dollar, for each one hundred dollars and each remaining
44 major fraction thereof of principal debt or obligation, the principal
45 debt or obligation which is or under any contingency may be secured at
46 the date of execution thereof, or at any time thereafter, by such mort-
47 gage shall be aggregated with the principal debt or obligation which is
48 or under any contingency may be secured at the date of execution there-
49 of, or at any time thereafter, by any other mortgage, where such mort-
50 gages form part of the same or related transactions and have the same or
51 related mortgagors. If the commissioner of taxation and finance finds
52 that a mortgage transaction or mortgage transactions have been formu-
53 lated for the purpose of avoiding or evading a rate of tax imposed under
54 this section in excess of the lowest such rate, rather than solely for
55 an independent business or financial purpose, such commissioner shall
56 treat all of the mortgages forming part of such transaction or trans-

1 actions as a single mortgage for the purpose of determining the applica-
2 ble rate of tax. For the purposes of this subdivision, all mortgages
3 having the same or related mortgagors offered for recording within a
4 period of twelve consecutive months shall be presumed to form part of a
5 related transaction, unless clear and convincing evidence is offered to
6 the contrary. The commissioner of taxation and finance may require such
7 affidavits and forms, and may prescribe such rules and regulations, as
8 he or she determines to be necessary to enforce the provisions of this
9 subdivision.

10 (2) The term "related", when used in this subdivision with reference
11 to mortgagors, shall include, but shall not be limited to, the following
12 relationships:

13 (i) members of a family, including spouses, ancestors, lineal descend-
14 ants, and brothers and sisters, whether by the whole or half blood;

15 (ii) a shareholder and a corporation more than fifty percent of the
16 value of the outstanding stock of which is owned or controlled directly
17 or indirectly by such shareholder;

18 (iii) a partner and a partnership more than fifty percent of the capi-
19 tal or profits interest in which is owned or controlled directly or
20 indirectly by such partner;

21 (iv) a beneficiary and a trust more than fifty percent of the benefi-
22 cial interest in which is owned or controlled directly or indirectly by
23 such beneficiary;

24 (v) two or more corporations, partnerships, associations, or trusts,
25 or any combination thereof, which are owned or controlled, either
26 directly or indirectly, by the same person, corporation or other entity,
27 or interests; and

28 (vi) a grantor of a trust and such trust.

29 f. Notwithstanding any provision to the contrary in paragraph (a) of
30 subdivision one of section two hundred fifty-five of the tax law, the
31 taxes imposed by subdivision c or d of this section shall also apply to
32 principal indebtedness or obligation secured by or which under any
33 contingency may be secured by a supplemental instrument or additional
34 mortgage, whether or not there is any new or further indebtedness or
35 obligation other than the principal indebtedness or obligation secured
36 by a recorded primary mortgage, where (1) the supplemental instrument or
37 additional mortgage imposes the lien of a recorded mortgage upon real
38 property situated within the city not previously subject to the mortgage
39 or where an additional mortgage upon such additional property is
40 recorded as additional or substitute security for indebtedness or obli-
41 gation already secured by a recorded mortgage and (2) the recorded
42 primary mortgage was on real property outside the city and recorded
43 without payment of the city tax.

44 § 11-2602 Payment and payment over of taxes. The taxes imposed by
45 this chapter shall be payable on the recording of each mortgage of real
46 property subject to taxes pursuant to such chapter. Such taxes shall be
47 paid to the recording officer of the county in which the real property
48 or any part thereof is situated, except where real property is situated
49 within and without the city, the recording officer of the county in
50 which the mortgage is first recorded shall collect the tax imposed by
51 this chapter, as required by subdivision three of section two hundred
52 fifty-three-a of the tax law. It shall be the duty of such recording
53 officer to indorse upon each mortgage a receipt for the amount of the
54 tax so paid. Any mortgage so endorsed may thereupon or thereafter be
55 recorded by any recording officer and the receipt for such tax indorsed
56 upon each mortgage shall be recorded therewith. The record of such

1 receipt shall be conclusive proof that the amount of tax stated therein
2 has been paid upon such mortgage. Upon the first day of each month the
3 city register and the recording officer of Richmond county shall pay
4 over to the commissioner of finance of the city for credit to the gener-
5 al fund of such city, the balance of the moneys received during the
6 preceding month upon account of taxes paid to him or her as prescribed
7 in this section, after deducting the necessary expenses of his or her
8 office as provided in section two hundred sixty-two of the tax law,
9 except taxes paid upon mortgages which are first to be apportioned by
10 the commissioner of taxation and finance, which taxes and money shall be
11 paid over by him or her as provided by the determination of the said
12 commissioner of taxation and finance, provided, however, in each
13 instance where the tax imposed pursuant to section 11-2601 of this chap-
14 ter is one dollar and twenty-five cents for each one hundred dollars and
15 each remaining major fraction thereof of such principal debt or obli-
16 gation, fifty percent of the total amount of such tax, including fifty
17 percent of any interest or penalties thereon, shall be set aside in a
18 special account by the commissioner of finance, and in each instance
19 where the tax imposed pursuant to that section is one dollar and seven-
20 ty-five cents for each one hundred dollars and each remaining major
21 fraction thereof of such principal debt or obligation, thirty-five and
22 seven-tenths percent of the total amount of such tax, including thirty-
23 five and seven-tenths percent of any interest or penalties thereon,
24 shall also be set aside in such special account. Moneys in such account
25 shall be used for payment by such commissioner to the state comptroller
26 for deposit in the urban mass transit operating assistance account of
27 the mass transportation operating assistance fund of any amount of
28 insufficiency certified by the state comptroller pursuant to the
29 provisions of subdivision six of section eighty-eight-a of the state
30 finance law, and on the fifteenth day of each month, such commissioner
31 shall transmit all funds in such account at the end of the preceding
32 month, except the amount required for the payment of any amount of
33 insufficiency certified by the state comptroller and such amount as he
34 or she deems necessary for refunds and such other amounts necessary as to
35 finance the city transportation disabled committee and the city para-
36 transit system as established by section fifteen-b of the transportation
37 law, provided, however, that such amounts shall not exceed six percent
38 of the total funds in the account but in no event be less than two
39 hundred twenty-five thousand dollars beginning April first, nineteen
40 hundred eighty-six, and further that beginning November fifteenth, nine-
41 teen hundred eighty-four and during the entire period prior to operation
42 of such system, the total of such amounts shall not exceed three hundred
43 seventy-five thousand dollars for the administrative expenses of such
44 committee and fifty thousand dollars for the expenses of the agency
45 designated pursuant to paragraph b of subdivision five of such section,
46 and other amounts necessary to finance the operating needs of the
47 private bus companies franchised by the city of Staten Island and eligi-
48 ble to receive state operating assistance under section eighteen-b of
49 the transportation law, provided, however, that such amounts shall not
50 exceed four percent of the total funds in the account, to the New York
51 city transit authority for mass transit within the city.

52 § 11-2603 Manner of administration and collection. The taxes imposed
53 under this chapter shall be administered and collected in the same
54 manner as the taxes imposed under subdivision one of section two hundred
55 fifty-three and subdivision one of section two hundred fifty-five of the
56 tax law. All the provisions of article eleven of the tax law relating

1 to or applicable to the administration and collection of the taxes
2 imposed by subdivision one of section two hundred fifty-three and subdi-
3 vision one of section two hundred fifty-five of the tax law shall apply
4 to the taxes imposed under this chapter with the same force and effect
5 as if those provisions had been set forth in full in this chapter except
6 to the extent that any such provision is either inconsistent with a
7 provision of this chapter or not relevant to the tax imposed by this
8 chapter. For purposes of this chapter any reference in article eleven
9 of the tax law to the tax or taxes imposed by such article shall be
10 deemed to refer to a tax imposed by this chapter, and any reference to
11 the phrase "within this state" shall be read as "within this city"
12 unless a different meaning is clearly required. Whenever real property
13 covered by the mortgage is partly within and partly without the city of
14 Staten Island, the portion of the mortgage taxable under this chapter
15 shall be determined in the manner prescribed in the first paragraph of
16 section two hundred sixty of the tax law where the property without the
17 city is located within the state and, in the manner prescribed in the
18 second paragraph of such section of the tax law, where the property
19 without the city is located without the state.

20 § 11-2604 Tax additional. The tax imposed by this chapter shall be
21 in addition to any taxes imposed by section two hundred fifty-three of
22 the tax law.

12 (c) The annual vault charge imposed by this section shall be due from,
13 and shall be paid by, the person who is the owner of the premises imme-

15 6. Any vault to the extent that it is used, occupied or maintained
16 pursuant to a revocable consent granted pursuant to section three
17 hundred seventy-four of the charter of the preceding municipality as it
18 existed January first, nineteen hundred ninety-four.

19 7. Any vault immediately adjoining a building or structure designed
20 for and used exclusively as a single-family or a two-family dwelling
21 house or any other real property which is classified as class one real
22 property pursuant to section eighteen hundred two of the real property
23 tax law.

24 8. Any street occupancy usable solely and exclusively for the melting
25 of snow and ice, or for delivery into the immediately adjoining prem-
26 ises, of coal, oil or other fuel for the heating thereof.

27 9. Any vault occupying no more than thirty-six square feet in plane or
28 surface area, irrespective of the depth of such vault.

29 § 11-2704 Filing of returns. a. Every person subject to the annual
30 vault charge under this chapter shall, on or before the first day of
31 August, nineteen hundred sixty-two, and on or before the fifteenth day
32 of July of every year thereafter, file with the commissioner of finance
33 a return showing the dimensions of the vault as to length, width and
34 depth, except that the return required to be filed on or before July
35 fifteenth, nineteen hundred seventy-two shall be filed on or before June
36 fifteenth, nineteen hundred seventy-two and those due in later years
37 shall be required to be filed on or before June fifteenth of such years.
38 The commissioner of finance, if he or she deems it necessary to insure
39 adequate information with regard to the proper charge to be imposed, may
40 require information returns from other persons, including the owners of
41 real property regardless of whether a vault has been extended therefrom,
42 the users or lessees of the vault or lessees or tenants of the property
43 adjoining the vault.

44 b. The forms of returns shall be prescribed by the commissioner of
45 finance and shall contain such information as he or she may deem neces-
46 sary for the proper administration of this chapter; and the commissioner
47 of finance or his or her duly authorized agents or employees shall be
48 empowered to require supplemental returns. If a return required by this
49 chapter is not filed or if the return when filed is incorrect or insuf-
50 ficient on its face, the commissioner of finance shall take the neces-
51 sary steps to enforce the filing of such a return or of a corrected
52 return. Upon failure to comply with a notice to furnish a return or a
53 sufficient return, the commissioner of finance may require the filing of
54 a certificate signed by a city surveyor specifying the dimensions of the
55 vault.

1 c. For each annual vault charge year beginning on or after June first,
2 nineteen hundred eighty-nine, the commissioner of finance shall, at
3 least thirty days prior to the commencement of such year, mail to each
4 person who has filed an annual vault charge return for the immediately
5 preceding year an annual vault charge return form on which shall be
6 shown the amount of the charge for such immediately preceding year. Such
7 return form shall be accompanied by instructions which explain in clear
8 and simple terms how to determine the dimensions and extent of street
9 occupancy of a vault, how to calculate the amount of the charge, and
10 such other matters as the commissioner considers necessary or helpful to
11 an understanding of the requirements of this chapter, provided, however,
12 neither the failure of the commissioner to mail such return form and
13 instructions nor the failure of any person to receive the same shall
14 relieve any person of the obligation to file any return required under
15 this section or of liability for the charge, interest or penalties
16 imposed by this chapter.

17 d. If no form or other notice has previously been sent to a person
18 subject to the annual vault charge with respect to the amount of vault
19 charge owed for any year, the commissioner of finance shall notify such
20 person of the amount owed as soon as practicable after discovering that
21 such amount is owed.

22 § 11-2705 Payment of vault charges. a. At the time of filing a return
23 as required by this chapter the person subject to the annual vault
24 charge shall pay to the commissioner of finance the charge imposed by
25 this chapter. Such charge shall be due and payable on the last day on
26 which such return is required to be filed, without regard to whether a
27 return is filed or whether the return which is filed correctly shows the
28 amount due.

29 b. The charge otherwise required to be paid with the return due on or
30 before June fifteenth, nineteen hundred eighty shall be paid in two
31 equal installments as follows: one-half of the charge shall be paid with
32 the return on or before June fifteenth, nineteen hundred eighty, and
33 one-half of the charge shall be paid on or before September fifteenth,
34 nineteen hundred eighty.

35 § 11-2706 Presumption and burden of proof. For the purpose of the
36 proper administration of this chapter and to prevent evasion of the
37 annual vault charge hereby imposed, it shall be presumed, except where
38 the depth of a vault exceeds twelve feet, that the size of the vault as
39 indicated upon the license therefor originally issued by the former
40 borough president of Staten Island up to and including December thirty-
41 first, nineteen hundred sixty-two, and the commissioner of transporta-
42 tion thereafter is a proper measure of the charge until the contrary is
43 established, and the burden of proving that the size of the vault is not
44 accurately stated upon the license shall be upon the person so claiming.
45 In cases where no license of record has been issued for a vault or where
46 the depth of a vault exceeds twelve feet, the burden of proving the
47 actual size of the vault shall be upon the person liable for the vault
48 charge.

49 § 11-2707 Determination of vault charge. If a return required by this
50 chapter is not filed or if a return when filed is incorrect or insuffi-
51 cient, the amount of the vault charge due shall be determined by the
52 commissioner of finance from such information as may be obtainable and,
53 if necessary, the charge may be estimated on the basis of external
54 indices, including but not limited to the records of the department of
55 transportation, the reports of tax assessors, the reports of inspectors
56 and investigators in the offices of the commissioner of finance and

1 commissioner of transportation, or other information or factors. Notice
2 of such determination shall be given to the person liable for the
3 payment thereof. Such determination shall finally and irrevocably fix
4 the vault charge unless the person against whom it is assessed shall,
5 within ninety days after the giving of notice of such determination, or,
6 if the commissioner of finance has established a conciliation procedure
7 pursuant to section 11-124 of the code of the preceding municipality and
8 such person has requested a conciliation conference in accordance there-
9 with, within ninety days from the mailing of a conciliation decision or
10 the date of the commissioner's confirmation of the discontinuance of the
11 conciliation proceeding, both (1) serves a petition upon the commission-
12 er of finance and (2) files a petition with the tax appeals tribunal, or
13 unless the commissioner of finance of his or her own motion shall rede-
14 termine the same. Upon such hearing the tax appeals tribunal may
15 require the filing of a certificate signed by a city surveyor specifying
16 the dimensions of the vault. After such hearing the tax appeals tribu-
17 nal shall give notice of its decision to the person against whom the
18 vault charge is assessed. A decision of the tax appeals tribunal
19 sitting en banc shall be reviewable for error, illegality or unconstitu-
20 tionality or any other reason whatsoever by a proceeding under article
21 seventy-eight of the civil practice law and rules if application there-
22 for is made to the supreme court by the person against whom the vault
23 charge was assessed within four months after the giving of the notice of
24 such tax appeals tribunal decision. A proceeding under article seventy-
25 eight of the civil practice law and rules shall not be instituted by a
26 person against whom the vault charge is assessed unless (a) the amount
27 of any vault charge sought to be reviewed, with penalties and interest
28 thereon, if any, shall be first deposited with the commissioner of
29 finance and there shall be filed with the commissioner of finance an
30 undertaking in such amount and with such sureties as a justice of the
31 supreme court shall approve, to the effect that if such proceeding be
32 dismissed or the vault charge confirmed the person against whom the
33 vault charge is assessed will pay all costs and charges which may accrue
34 in the prosecution of the proceeding, or (b) at the option of such
35 person, such undertaking filed with the commissioner of finance may be
36 in a sum sufficient to cover the vault charge, penalties and interest
37 thereon stated in such decision plus the costs and charges which may
38 accrue against him or her in the prosecution of the proceeding, in which
39 event such person shall not be required to deposit such vault charge,
40 penalties and interest as a condition precedent to the application.

41 § 11-2708 Refunds. a. In the manner provided in this section, the
42 commissioner of finance shall refund or credit, without interest, any
43 vault charge, penalty or interest erroneously, illegally or unconstitu-
44 tionally collected or paid if application to the commissioner of finance
45 for such refund shall be made within one year from the payment thereof.
46 Whenever a refund is made or denied by the commissioner of finance, he
47 or she shall state his or her reason therefor and give notice thereof to
48 the applicant in writing. Such application may be made by the owner of
49 the premises, or other person, who has actually paid the vault charge.
50 The commissioner of finance may, in lieu of any refund required to be
51 made, allow credit therefor on payments due from the applicant.

52 b. Any determination of the commissioner of finance denying a refund
53 or credit pursuant to subdivision a of this section shall be final and
54 irrevocable unless the applicant for such refund or credit, within nine-
55 ty days from the mailing of notice of such determination, or, if the
56 commissioner of finance has established a conciliation procedure pursu-

1 ant to section 11-124 of the code of the preceding municipality and the
2 applicant has requested a conciliation conference in accordance there-
3 with, within ninety days from the mailing of a conciliation decision or
4 the date of the commissioner's confirmation of the discontinuance of the
5 conciliation proceeding, both (1) serves a petition upon the commission-
6 er of finance and (2) files a petition with the tax appeals tribunal for
7 a hearing. Such petition for a refund or credit, made as provided in
8 this section, shall be deemed an application for a revision of any vault
9 charge, penalty or interest complained of. Such hearing and any appeal
10 to the tax appeals tribunal sitting en banc from the decision rendered
11 in such hearing shall be conducted in the manner and subject to the
12 requirements prescribed by the tax appeals tribunal pursuant to sections
13 one hundred sixty-eight through one hundred seventy-two of the charter
14 of the preceding municipality as it existed January first, nineteen
15 hundred ninety-four. After such hearing, the tax appeals tribunal shall
16 give notice of its decision to the applicant and to the commissioner of
17 finance. The applicant shall be entitled to review such decision of the
18 tax appeals tribunal sitting en banc by a proceeding pursuant to article
19 seventy-eight of the civil practice law and rules, provided such
20 proceeding is instituted within four months after the giving of the
21 notice of such decision, and provided, in the case of an application by
22 a person against whom the vault charge is assessed, that a final deter-
23 mination of the vault charge due was not previously made. Such a
24 proceeding shall not be instituted by a person against whom the vault
25 charge is assessed unless an undertaking is filed with the commissioner
26 of finance in such amount and with such sureties as a justice of the
27 supreme court shall approve to the effect that if such proceeding be
28 dismissed or the vault charge confirmed, such person will pay all costs
29 and charges which may accrue in the prosecution of such proceeding.

30 c. A person shall not be entitled to a revision, refund or credit
31 under this section of a vault charge, interest or penalty which had been
32 determined to be due pursuant to the provisions of section 11-2707 of
33 this chapter where he or she has had a hearing or an opportunity for a
34 hearing, as provided in said section, or has failed to avail himself or
35 herself of the remedies therein provided. No refund or credit shall be
36 made of annual vault charge, interest or penalty paid after a determi-
37 nation by the commissioner of finance made pursuant to section 11-2707
38 of this chapter unless it be found that such determination was errone-
39 ous, illegal or unconstitutional or otherwise improper, by the tax
40 appeals tribunal after a hearing or on the commissioner's own motion,
41 or, if such tax appeals tribunal affirms in whole or in part the deter-
42 mination of the commissioner of finance, in a proceeding under article
43 seventy-eight of the civil practice law and rules, pursuant to the
44 provisions of said section, in which event refund or credit without
45 interest shall be made of the vault charge, interest or penalty found to
46 have been overpaid.

47 § 11-2709 Reserves. In cases where the person or persons liable for
48 the vault charge imposed by this chapter has applied for a refund and
49 has instituted a proceeding under article seventy-eight of the civil
50 practice law and rules to review a determination adverse to him or her
51 on his or her application for refund, the comptroller shall set up
52 appropriate reserves to meet any decision adverse to the city.

53 § 11-2710 Remedies exclusive. The remedies provided by sections
54 11-2707 and 11-2708 of this chapter shall be the exclusive remedies
55 available to any person for the review of the liability imposed under
56 this chapter, and no determination or proposed determination of an annu-

1 al vault charge or determination on any application for refund by the
2 commissioner of finance, nor any decision by the tax appeals tribunal or
3 any of its administrative law judges, shall be enjoined or reviewed by
4 an action for declaratory judgment, an action for money had and received
5 or by any action or proceeding other than, in the case of a decision by
6 the tax appeals tribunal sitting en banc, a proceeding in the nature of
7 a certiorari proceeding under article seventy-eight of the civil prac-
8 tice law and rules; provided, however, that a person liable for the
9 annual vault charge may proceed by declaratory judgment if he or she
10 institutes suit within thirty days after a deficiency assessment is made
11 and pays the amount of the deficiency assessment to the commissioner of
12 finance prior to the institution of such suit and posts a bond for costs
13 as provided in section 11-2707 of this chapter.

14 § 11-2711 Proceedings to recover annual vault charge. a. Whenever any
15 person shall fail to pay any vault charge, penalty or interest imposed
16 by this chapter as provided in this chapter, the corporation counsel
17 shall, upon the request of the commissioner of finance bring, or cause
18 to be brought, an action to enforce the payment of the same on behalf of
19 the city of Staten Island in any court of the state of New York or of
20 any other state or of the United States.

21 b. As an additional remedy or as an alternate remedy, the commissioner
22 of finance may issue a warrant, directed to the city sheriff, commanding
23 him or her to levy upon and sell the real and personal property of the
24 person liable for vault charges which may be found within the city for
25 the payment of the amount thereof, with any penalties and interest, and
26 the cost of executing the warrant, and to return such warrant to the
27 commissioner of finance and to pay to him or her the money collected by
28 virtue thereof within sixty days after the receipt of such warrant. The
29 city sheriff shall within five days after the receipt of the warrant
30 file with the county clerk a copy thereof, and thereupon such clerk
31 shall enter in the judgment docket the name of the person mentioned in
32 the warrant and the amount of the vault charge, penalty and interest for
33 which the warrant is issued and the date when such copy is filed. Ther-
34 eupon the amount of such warrant so docketed shall become a lien upon
35 the title to and interest in real and personal property of the person
36 against whom the warrant is issued. The city sheriff shall then proceed
37 upon the warrant in the same manner, and with like effect, as that
38 provided by law in respect to executions issued against property upon
39 judgments of a court of record and for services in executing the warrant
40 he or she shall be entitled to the same fees, which he or she may
41 collect in the same manner. In the discretion of the commissioner of
42 finance a warrant of like terms, force and effect may be issued and
43 directed to an officer or employee of the department of finance, and in
44 the execution thereof such officer or employee shall have all the powers
45 conferred by law upon sheriffs, but shall be entitled to no fee or
46 compensation in excess of the actual expenses paid in the performance of
47 such duty. If a warrant is returned not satisfied in full, the commis-
48 sioner of finance may from time to time issue new warrants and shall
49 also have the same remedies to enforce the amount due thereunder as if
50 the city had recovered judgment therefor and execution thereon had been
51 returned unsatisfied.

52 c. In addition to any other lien provided for in this section, the
53 annual vault charge imposed by this chapter shall become a lien, binding
54 upon the premises immediately adjoining such vault, on the date such
55 charge is required to be paid until the same is paid in full.

1 d. The commissioner of finance, if he or she finds that the interests
2 of the city will not thereby be jeopardized, and upon such conditions as
3 the commissioner of finance may require, may release any property from
4 the lien of any warrant or vacate such warrant for unpaid vault charges,
5 additions to vault charges, penalties and interest filed pursuant to
6 subdivision b of this section, and such release or vacating of the
7 warrant may be recorded in the office of any recording officer in which
8 such warrant has been filed. The clerk shall thereupon cancel and
9 discharge as of the original date of docketing the vacated warrant.

10 § 11-2712 General powers of the commissioner of finance. In addition
11 to all other powers granted to the commissioner of finance in this chap-
12 ter, he or she is hereby authorized and empowered:

13 1. To make, adopt and amend rules and regulations appropriate to the
14 carrying out of this chapter and the purpose thereof;

15 2. To extend, for cause shown, the time for filing any return for a
16 period not exceeding sixty days; and to compromise disputed claims in
17 connection with the vault charges imposed under this chapter;

18 3. To delegate his or her functions under this chapter to a deputy
19 commissioner of finance or any employee or employees of the department
20 of finance;

21 4. To prescribe methods for determining the size, dimensions, depth
22 and extent of street occupancy of a vault; to set forth the manner of
23 computing the vault charges under this chapter; to prescribe standards
24 or methods, by regulation or otherwise, for determining whether a vault
25 has been made unavailable for use or occupancy; and the commissioner of
26 finance or his or her designated employees or agents shall have power to
27 inspect premises for the purpose of determining the extent, if any, of
28 liability imposed by this chapter.

29 5. To require any owner of premises or licensee or other person using,
30 occupying or maintaining a vault to obtain from the commissioner of
31 finance a certificate stating the dimensions and depth of the vault and
32 that the vault charge thereon has been paid and to exhibit the same to
33 duly authorized employees at the premises or real property adjoining the
34 said vault, and to keep such records, and for such length of time, as
35 may be required for the proper administration of this chapter, and to
36 furnish such records to the commissioner of finance upon request;

37 6. To assess, reassess, determine, revise and readjust the vault
38 charges imposed under this chapter;

39 7. Where he or she has exercised his or her authorized power to
40 require the filing of a certificate signed by a city surveyor specifying
41 the dimensions of a vault and the owner of the premises has failed to
42 comply, he or she may obtain such certificate and, in such situation,
43 the necessary expense of obtaining such certificate shall constitute a
44 lien against such premises until paid.

45 8. The commissioner of finance or his or her designated employees or
46 agents shall have power to inspect premises for the purpose of determin-
47 ing the extent, if any, of liability imposed by this chapter.

48 § 11-2713 Administration of oaths and compelling testimony. a. The
49 commissioner of finance, his or her employees duly designated and
50 authorized by the commissioner, the tax appeals tribunal and any of its
51 duly designated and authorized employees shall have power to administer
52 oaths and take affidavits in relation to any matter or proceeding in the
53 exercise of their powers and duties under this chapter. The commissioner
54 of finance and the tax appeals tribunal shall have power to subpoena and
55 require the attendance of witnesses and the production of books, papers
56 and documents to secure information pertinent to the performance of the

1 duties of the commissioner or of the tax appeals tribunal under this
2 chapter and of the enforcement of this chapter and to examine them in
3 relation thereto, and to issue commissions for the examination of
4 witnesses who are out of the state or unable to attend before such
5 commissioner or the tax appeals tribunal or excused from attendance.

6 b. A justice of the supreme court either in court or at chambers shall
7 have power summarily to enforce by proper proceedings the attendance and
8 testimony of witnesses and the production and examination of books,
9 papers and documents called for by the subpoena of the commissioner of
10 finance or the tax appeals tribunal under this chapter.

11 c. Cross-reference; criminal penalties. For failure to obey subpoenas
12 or for testifying falsely, see section 11-4007 of this title; for
13 supplying false or fraudulent information, see section 11-4009 of this
14 title.

15 d. The officers who serve the summons or subpoena of the commissioner
16 of finance or the tax appeals tribunal under this chapter and witnesses
17 attending in response thereto shall be entitled to the same fees as are
18 allowed to officers and witnesses in civil cases in courts of record,
19 except as otherwise provided under this chapter. Such officers shall be
20 the city sheriff and his or her duly appointed deputies or any officers
21 or employees of the department of finance or the tax appeals tribunal,
22 designated to serve such process.

23 § 11-2714 Interest and penalties. (a) Interest on underpayments. If
24 any annual vault charge is not paid on or before the last date
25 prescribed for payment, without regard to any extension of time granted
26 for payment, interest on such amount at the rate set by the commissioner
27 of finance pursuant to subdivision (g) of this section, or, if no rate
28 is set, at the rate of seven and one-half percent per annum, shall be
29 paid for the period from such last date to the date of payment. In
30 computing the amount of interest to be paid, such interest shall be
31 compounded daily. Interest under this subdivision shall not be paid if
32 the amount thereof is less than one dollar.

33 (b) (1) Failure to file return. (A) In case of failure to file a
34 return under this chapter on or before the prescribed date, determined
35 with regard to any extension of time for filing, unless it is shown that
36 such failure is due to reasonable cause and not due to willful neglect,
37 there shall be added to the amount required to be shown as vault charge
38 on such return five percent of the amount of such charge if the failure
39 is for not more than one month, with an additional five percent for each
40 additional month or fraction thereof during which such failure contin-
41 ues, not exceeding twenty-five percent in the aggregate.

42 (B) In the case of a failure to file a vault charge return within
43 sixty days of the date prescribed for filing of such return, determined
44 with regard to any extension of time for filing, unless it is shown that
45 such failure is due to reasonable cause and not due to willful neglect,
46 the addition to the vault charge under subparagraph (A) of this para-
47 graph shall not be less than the lesser of one hundred dollars or one
48 hundred percent of the amount required to be shown as vault charge on
49 such return.

50 (C) For purposes of this paragraph, the amount of vault charge
51 required to be shown on the return shall be reduced by the amount of any
52 part of the charge which is paid on or before the date prescribed for
53 payment of the charge and by the amount of any credit against the charge
54 which may be claimed upon the return.

55 (2) Failure to pay vault charge shown on return. In case of failure to
56 pay the amount shown as vault charge on a return required to be filed

1 under this chapter on or before the prescribed date, determined with
2 regard to any extension of time for payment, unless it is shown that
3 such failure is due to reasonable cause and not due to willful neglect,
4 there shall be added to the amount shown as vault charge on such return
5 one-half of one percent of the amount of such charge if the failure is
6 not for more than one month, with an additional one-half of one percent
7 for each additional month or fraction thereof during which such failure
8 continues, not exceeding twenty-five percent in the aggregate. For the
9 purpose of computing the addition for any month the amount of vault
10 charge shown on the return shall be reduced by the amount of any part of
11 the charge which is paid on or before the beginning of such month and by
12 the amount of any credit against the charge which may be claimed upon
13 the return. If the amount of vault charge required to be shown on a
14 return is less than the amount shown as such charge on such return, this
15 paragraph shall be applied by substituting such lower amount.

16 (3) Failure to pay vault charge required to be shown on return. In
17 case of failure to pay any amount in respect of any vault charge
18 required to be shown on a return required to be filed under this chapter
19 which is not so shown, including a determination made pursuant to
20 section 11-1106 of this title, within ten days of the date of a notice
21 and demand therefor, unless it is shown that such failure is due to
22 reasonable cause and not due to willful neglect, there shall be added to
23 the amount of vault charge stated in such notice and demand one-half of
24 one percent of such charge if the failure is not for more than one
25 month, with an additional one-half of one percent for each additional
26 month or fraction thereof during which such failure continues, not
27 exceeding twenty-five percent in the aggregate. For the purpose of
28 computing the addition for any month, the amount of vault charge stated
29 in the notice and demand shall be reduced by the amount of any part of
30 the charge which is paid before the beginning of such month.

31 (4) Limitations on additions.

32 (A) With respect to any return, the amount of the addition under para-
33 graph one of this subdivision shall be reduced by the amount of the
34 addition under paragraph two of this subdivision for any month to which
35 an addition applies under both paragraphs one and two. In any case
36 described in subparagraph (B) of paragraph one of this subdivision, the
37 amount of the addition under such paragraph one shall not be reduced
38 below the amount provided in such subparagraph.

39 (B) With respect to any return, the maximum amount of the addition
40 permitted under paragraph three of this subdivision shall be reduced by
41 the amount of the addition under paragraph one of this subdivision,
42 determined without regard to subparagraph (B) of such paragraph one,
43 which is attributable to the charge for which the notice and demand is
44 made and which is not paid within ten days of such notice and demand.

45 (c) Underpayment due to negligence. (1) If any part of an underpayment
46 of a vault charge is due to negligence or intentional disregard of this
47 chapter or any rules or regulations pursuant thereto, but without intent
48 to defraud, there shall be added to the charge a penalty equal to five
49 percent of the underpayment.

50 (2) There shall be added to the charge, in addition to the amount
51 determined under paragraph one of this subdivision, an amount equal to
52 fifty percent of the interest payable under subdivision (a) of this
53 section with respect to the portion of the underpayment described in
54 such paragraph one which is attributable to the negligence or inten-
55 tional disregard referred to in such paragraph one, for the period
56 beginning on the last date prescribed by law for payment of such under-

1 payment, determined without regard to any extension, and ending on the
2 date of the assessment of the charge, or, if earlier, the date of the
3 payment of the charge.

4 (d) Underpayment due to fraud. (1) If any part of an underpayment of a
5 vault charge is due to fraud, there shall be added to the charge a
6 penalty equal to fifty percent of the underpayment.

7 (2) There shall be added to the charge, in addition to the penalty
8 determined under paragraph one of this subdivision, an amount equal to
9 fifty percent of the interest payable under subdivision (a) of this
10 section with respect to the portion of the underpayment described in
11 such paragraph one which is attributable to fraud, for the period begin-
12 ning on the last day prescribed by law for payment of such underpayment,
13 determined without regard to any extension, and ending on the date of
14 the assessment of the charge, or, if earlier, the date of the payment of
15 the charge.

16 (3) The penalty under this subdivision shall be in lieu of any other
17 addition to the vault charge imposed by subdivision (b) or (c) of this
18 section.

19 (e) Additional penalty. Any person who, with fraudulent intent, shall
20 fail to pay any vault charge imposed by this chapter, or to make,
21 render, sign or certify any return, or to supply any information within
22 the time required by or under this chapter, shall be liable for a penal-
23 ty of not more than one thousand dollars, in addition to any other
24 amounts required under this chapter to be imposed, assessed and
25 collected by the commissioner of finance. The commissioner of finance
26 shall have the power, in his or her discretion, to waive, reduce or
27 compromise any penalty under this subdivision.

28 (f) The interest and penalties imposed by this section shall be paid
29 and disposed of in the same manner as other revenues from this chapter.
30 Unpaid interest and penalties may be enforced in the same manner as the
31 vault charge imposed by this chapter.

32 (g)(1) Authority to set interest rates. The commissioner of finance,
33 shall set the rate of interest to be paid pursuant to subdivision (a) of
34 this section, but if no such rate of interest is set, such rate shall be
35 deemed to be set at seven and one-half percent per annum. Such rate
36 shall be the rate prescribed in paragraph two of this subdivision but
37 shall not be less than seven and one-half percent per annum. Any such
38 rate set by the commissioner of finance shall apply to vault charges, or
39 any portion thereof, which remain or become due on or after the date on
40 which such rate becomes effective and shall apply only with respect to
41 interest computed or computable for periods or portions of periods
42 occurring in the period in which such rate is in effect.

43 (2) General rule. The rate of interest set under this subdivision
44 shall be the sum of (i) the federal short-term rate as provided under
45 paragraph three of this subdivision, plus (ii) five percentage points.

46 (3) Federal short-term rate. For purposes of this subdivision:

47 (A) The federal short-term rate for any month shall be the federal
48 short-term rate determined by the United States secretary of the treas-
49 ury during such month in accordance with subsection (d) of section
50 twelve hundred seventy-four of the internal revenue code for use in
51 connection with section six thousand six hundred twenty-one of the
52 internal revenue code. Any such rate shall be rounded to the nearest
53 full percent, or, if a multiple of one-half of one percent, such rate
54 shall be increased to the next highest full percent.

55 (B) Period during which rate applies.

1 (i) In general. Except as provided in clause (ii) of this subpara-
2 graph, the federal short-term rate for the first month in each calendar
3 quarter shall apply during the first calendar quarter beginning after
4 such month.

5 (ii) Special rule for the month of September, nineteen hundred eight-
6 y-nine. The federal short-term rate for the month of April, nineteen
7 hundred eighty-nine shall apply with respect to setting the rate of
8 interest for the month of September, nineteen hundred eighty-nine.

9 (4) Publication of interest rate. The commissioner of finance shall
10 cause to be published in the City Record, and give other appropriate
11 general notice of, the interest rate to be set under this subdivision no
12 later than twenty days preceding the first day of the calendar quarter
13 during which such interest rate applies. The setting and publication of
14 such interest rate shall not be included within paragraph (a) of subdi-
15 vision five of section one thousand forty-one of the city charter of the
16 preceding municipality as it existed January first, nineteen hundred
17 ninety-four relating to the definition of a rule.

18 (h) Miscellaneous. (1) The certificate of the commissioner of finance
19 to the effect that a vault charge has not been paid, that a vault has
20 not been licensed, that a return has not been filed, that access has not
21 been allowed, or that information has not been supplied pursuant to the
22 provisions of this chapter, shall be presumptive evidence thereof.

23 (2) Cross-reference: For criminal penalties, see chapter forty of this
24 title.

25 § 11-2715 Notices and limitations of time. a. Any notice authorized
26 or required under the provisions of this chapter may be given to the
27 person for whom it is intended by mailing it in a postpaid envelope
28 addressed to such person at the address given in the return filed by him
29 or her pursuant to the provisions of this chapter or in any application
30 made by him or her or, if no such return has been filed or application
31 made, then to the address of the premises immediately adjoining the
32 vault. The mailing of a notice as in this subdivision provided, shall
33 be presumptive evidence of the receipt of the same by the person to whom
34 addressed. Any period of time which is determined according to the
35 provisions of this chapter by the giving of notice shall commence to run
36 from the date of mailing of such notice as in this subdivision provided.

37 b. The provisions of the civil practice law and rules or any other law
38 relative to limitations of time for the enforcement of a civil remedy
39 shall not apply to any proceeding or action taken by the city to
40 appraise, assess, determine, levy or enforce the collection of any vault
41 charge or penalty provided by this chapter. However, except in the case
42 of a wilfully false or fraudulent return with intent to evade the vault
43 charge, no assessment shall be made after the expiration of more than
44 three years from the date of such return; provided, however, that where
45 no return has been filed as provided by law, the annual vault charge may
46 be assessed at any time.

47 c. Where, before the expiration of the period prescribed in this
48 section for the assessment of an additional vault charge, a person has
49 consented in writing that such period be extended, the amount of such
50 additional vault charge due may be determined at any time within such
51 extended period. The period so extended may be further extended by
52 subsequent consents in writing made before the expiration of the
53 extended period.

54 d. If any return, claim, statement, notice, application, or other
55 document required to be filed, or any payment required to be made, with-
56 in a prescribed period or on or before a prescribed date under authority

1 of any provision of this chapter is, after such period or such date,
2 delivered by United States mail to the commissioner of finance, the tax
3 appeals tribunal, bureau, office, officer or person with which or with
4 whom such document is required to be filed, or to which or to whom such
5 payment is required to be made, the date of the United States postmark
6 stamped on the envelope shall be deemed to be the date of delivery.
7 This subdivision shall apply only if the postmark date falls within the
8 prescribed period or on or before the prescribed date for the filing of
9 such document, or for making the payment, including any extension grant-
10 ed for such filing or payment, and only if such document or payment was
11 deposited in the mail, postage prepaid, properly addressed to the
12 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
13 cer or person with which or with whom the document is required to be
14 filed or to which or to whom such payment is required to be made. If any
15 document is sent by United States registered mail, such registration
16 shall be prima facie evidence that such document was delivered to the
17 commissioner of finance, the tax appeals tribunal, bureau, office, offi-
18 cer or person to which or to whom addressed, and the date of registra-
19 tion shall be deemed the postmark date. The commissioner of finance and,
20 where relevant, the tax appeals tribunal are authorized to provide by
21 regulation the extent to which, such provisions with respect to prima
22 facie evidence of delivery and the postmark date, shall apply to certi-
23 fied mail. This subdivision shall apply in the case of postmarks not
24 made by the United States postal service only if and to the extent
25 provided by regulation of the commissioner of finance or, where rele-
26 vant, the tax appeals tribunal.

27 e. When the last day prescribed under authority of this chapter,
28 including any extension of time, for performing any act falls on a
29 Saturday, Sunday or legal holiday in the state, the performance of such
30 act shall be considered timely if it is performed on the next succeeding
31 day which is not a Saturday, Sunday or legal holiday.

32 § 11-2715.1 Vault charge amnesty program. a. Notwithstanding any other
33 provision of law to the contrary, there is hereby established a nine-
34 month amnesty program, beginning January first, nineteen hundred eight-
35 y-nine and ending September thirtieth, nineteen hundred eighty-nine
36 (hereinafter referred to as the "amnesty period"), for all persons owing
37 the annual vault charge imposed by this chapter. Such amnesty program
38 shall be administered by the commissioner of finance and shall apply to
39 liabilities for annual vault charge years ending prior to June first,
40 nineteen hundred eighty-nine.

41 b. (1) A person seeking amnesty pursuant to this section must, during
42 the amnesty period, file a written application therefor with the commis-
43 sioner of finance, on a form prescribed by the commissioner, and must
44 provide such information as the commissioner may require. In order to
45 qualify for amnesty, such person must pay all annual vault charges for
46 which he or she is liable. Upon payment by such person to the commis-
47 sioner of all such charges as provided in this subdivision, the commis-
48 sioner shall waive any applicable penalties and interest, and no civil,
49 administrative or criminal action or proceeding shall be brought against
50 such person with respect to the charges so paid. In addition, the
51 commissioner shall release the lien binding upon the premises immedi-
52 ately adjoining the vault pursuant to subdivision c of section 11-2711 of
53 this chapter for charges which became payable prior to the time such
54 person acquired title to the premises. Failure to pay all charges as
55 provided in this subdivision shall invalidate any amnesty granted pursu-
56 ant to this section.

1 (2) In the case of any vault adjoining premises owned by a person who
2 (A) prior to January first, nineteen hundred eighty-nine, paid all annu-
3 al vault charges and interest and penalties for which he or she was
4 liable, and (B) is otherwise in full compliance with this chapter, the
5 commissioner of finance shall release the lien binding upon the premises
6 immediately adjoining the vault pursuant to subdivision c of section
7 11-2711 of this chapter for charges which became payable prior to the
8 time such person acquired title to the premises.

9 c. Amnesty shall not be granted to any person subject to the annual
10 vault charge who is a party to any civil litigation which is pending on
11 the date of such person's application in any court of this state or the
12 United States for nonpayment or other delinquency in relation to the
13 annual vault charge. A civil litigation shall not be deemed to be pend-
14 ing if such person withdraws from such litigation prior to the granting
15 of amnesty.

16 d. No refund or credit shall be granted of any penalty or interest
17 paid prior to the time the person subject to the annual vault charge
18 makes a request for amnesty pursuant to subdivision b of this section.

19 e. Unless the commissioner of finance on his or her own motion rede-
20 termines the amount of the annual vault charge, no refund or credit
21 shall be granted of any charges paid under this section.

22 f. The commissioner of finance shall formulate such regulations as are
23 necessary, issue forms and instructions, and take any and all other
24 actions necessary to implement the provisions of this section. Further-
25 more, prior to and throughout the duration of the amnesty period, the
26 commissioner of finance shall implement a plan for prominently announc-
27 ing and explaining the amnesty program. Such plan shall be reasonably
28 calculated to inform all property owners who may be liable for vault
29 charges and may include written announcements sent in tax bills and
30 other mailings done by the city of Staten Island to property owners,
31 public service announcements, advertisements in newspapers of general
32 circulation and notification of community boards. The plan shall
33 include, but not be limited to, information which explains the determi-
34 nation of vault size and charge.

35 § 11-2715.3 Severability. If any clause, sentence, paragraph, section
36 or part of this chapter or the application thereof to any person or
37 circumstance shall for any reason be adjudged by a court of competent
38 jurisdiction to be invalid, such judgment shall not affect, impair or
39 invalidate the remainder of this chapter or the application thereof to
40 other persons or circumstances, but shall be confined in its operation
41 to the clause, sentence, paragraph, section or part thereof directly
42 involved in the controversy in which such judgment shall have been
43 rendered and to the person or circumstance involved.

44 § 11-2716 Construction and enforcement. This chapter shall be
45 construed and enforced in conformity with chapter nine hundred forty-
46 nine of the laws of nineteen hundred sixty-two, pursuant to which it is
47 enacted.

48 § 11-2717 Effective date. This chapter shall take effect July first,
49 nineteen hundred sixty-two and shall remain in effect so long as the
50 power of the city to adopt such laws for revenue purposes shall exist.

4 (a) "Commissioner" means the commissioner of finance.

5 (b) "Real property" means property upon which there is erected any
6 residential, commercial or industrial building or structure except a one
7 or two family residential structure.

8 (c) "Lien" means any lien including liens for taxes, special ad valo-
9 rem levies, special assessments and municipal charges arising by opera-
10 tion of law against property in favor of the city and remaining undisc-

12 (d) "Board" means the board created by subdivision five of this
13 section.

15 to this chapter and chapter seven hundred thirty-eight of the laws of
16 nineteen hundred seventy-seven.

17 (f) "Fund" means the fire insurance proceeds fund created pursuant to
18 subdivision ten of this section.

19 2. The commissioner shall file a notice of intention to claim against
20 the proceeds of fire insurance policies pursuant to section twenty-two
21 of the general municipal law with the state superintendent of insurance
22 for entry in the index of liens maintained by him or her as provided in
23 section three hundred thirty-one of the insurance law.

24 3. Prior to the payment of any proceeds of a policy of insurance for
25 damages caused by fire to real property, which policy insures the inter-
26 est of an owner and is issued on real property located within the city,
27 and following notification to the commissioner by an insurer of the
28 filing of a claim for payment of such proceeds, the commissioner shall
29 claim, by serving a certificate of lien, against such proceeds to the
30 extent of any lien, including interest and penalties to the date of the
31 claim, thereon, which claim when made and perfected in the manner
32 provided for in section twenty-two of the general municipal law and
33 section three hundred thirty-one of the insurance law, shall constitute
34 a special lien against such proceeds and shall, as to such proceeds, be
35 prior to all other liens and claims except the claim of a mortgagee of
36 record named in such policy. Notice of the service of the certificate
37 of the special lien shall be given to the insured by certified mail.

38 4. The provisions of this chapter shall not be deemed or construed to
39 alter or impair the right of the city to acquire or enforce any lien
40 against property but shall be in addition to any other power provided by
41 law to acquire or enforce such right.

42 5. The fire insurance proceeds claims board is hereby established to
43 administer the provisions of subdivisions six through thirteen of this
44 section. The board shall consist of the first deputy mayor, who shall
45 be chairperson, the commissioner of buildings, the commissioner of hous-
46 ing preservation and development, and the commissioner of finance, each
47 of whom shall have the power to designate an alternate to represent him
48 or her at board meetings with all the rights and powers, including the
49 right to vote, reserved to all board members, provided that such desig-
50 nation shall be in writing to the chairperson. So far as practicable and
51 subject to the approval of the mayor, the services of all other city
52 departments and agencies shall be made available by their respective
53 heads to the board for the carrying out of its functions. Each member
54 shall serve without additional compensation except for expenses actually
55 incurred.

1 6. Whenever the proceeds of policy of fire insurance which will be or
2 has been paid to the city instead of an insured, all or part of such
3 proceeds may be paid or released to the insured if the insured satisfies
4 the board that the affected premises have been or will be repaired or
5 restored, that such repairs or restoration are in the public interest,
6 and the insured is issued and complies with a certificate of the board
7 pursuant to this chapter. To secure such payment or release of proceeds
8 the insured must notify the board within forty-five days after the mail-
9 ing to the insured of a notice of the service of the certificate of
10 special lien pursuant to subdivision three of this section, of the
11 intention to restore or repair the affected premises and must file with
12 the board a completed application with all required supporting documen-
13 tation pursuant to subdivision seven of this section within sixty days
14 thereafter, unless the board grants an extension for a stated period of
15 time.

16 7. The release or return to the insured of any amounts to which he or
17 she or it would otherwise be entitled to claim shall be subject to the
18 following conditions:

19 (a) Such release or return shall be subject to the repair or restora-
20 tion of the affected premises, in accordance with applicable building
21 laws, to the condition it was in prior to the time the lien of the city
22 arose, or to an improved condition.

23 (b) The insured shall file with the board an application in affidavit
24 form, with such supporting documentation as the board shall require,
25 containing the following:

26 (i) A complete description of the nature and extent of the damage to
27 the insured premises and of the condition of the premises prior to the
28 time the lien of the city arose;

29 (ii) A complete description of the nature of the repairs or restora-
30 tion to be undertaken and the cost thereof;

31 (iii) A statement as to the source of funds needed to complete such
32 repairs or restoration if the insurance proceeds are not sufficient
33 therefor;

34 (iv) The name and address of each contractor who will effect such
35 repairs or restoration;

36 (v) An estimated time schedule showing how long the repairs or resto-
37 ration, and each phase thereof, will take; and

38 (vi) Such other information as may be required by the board to enable
39 it to determine whether the repairs or restoration are in the public
40 interest and will be or have been timely and properly made.

41 (c) Upon a preliminary approval by the board of an application pursu-
42 ant to paragraph (b) of this subdivision, the board may issue a certif-
43 icate, to be signed by the chairperson or his or her designee; evidenc-
44 ing the right of release to the insured of amounts representing
45 insurance proceeds, upon such conditions as may be set forth therein.
46 The repairs or restoration required by the board shall be completed in
47 compliance with the terms and conditions of the certificate prior to the
48 release or return of any part of the insurance proceeds, provided howev-
49 er that the board may, upon the written request of the insured and in
50 its sole discretion, approve a prior release of such proceeds or a
51 portion thereof, in a lump sum or in installments, where the insured
52 certifies and demonstrates that such release is required to permit such
53 repairs or restoration to go forward. Any such insurance proceeds
54 released or returned prior to the completion of the repairs or restora-
55 tion required by the board may be paid directly to the contractor or
56 contractors responsible for making such repairs or restoration. Such

1 payment shall, to the extent thereof, release the board from further
2 liability to the insured.

3 8. If the insured: (i) fails to notify the city of his or her or its
4 intention to repair or restore the affected premises as required in
5 subdivision six of this section, (ii) fails to file a completed applica-
6 tion pursuant to this chapter, or (iii) fails to obtain a certificate
7 from the board or comply therewith within the time set forth, the right
8 of the insured to assert a claim against the insurance proceeds, except
9 to the extent they exceed the amount of the lien, shall terminate.

10 9. Until such termination, any insurance proceeds received by the city
11 shall be deposited in a special fund and shall be retained therein.
12 Upon termination of the insured's right to claim against the proceeds,
13 the proceeds and any interest accrued thereon shall be applied to the
14 liens affecting the premises in a manner determined by the board and may
15 be transferred to the general fund.

16 10. There shall be established in the office of the commissioner a
17 fund for the deposit of fire insurance proceeds to be held and applied
18 in accordance with this chapter. Such funds shall not be held together
19 with the general tax levies in the general fund.

20 11. The lien or liens against the affected premises upon which the
21 special lien against proceeds is based shall continue in full force and
22 effect except to the extent that such lien or liens are or have been
23 paid.

24 12. The board may, pursuant to this chapter, release, compromise or
25 adjust the special lien upon insurance proceeds created by this chapter.
26 Any certificate issued by such board pursuant to this chapter shall be
27 for the purpose of preserving and evidencing the right of release of the
28 special lien created by this chapter, shall be subject solely to the
29 provisions of this chapter, and shall not be deemed to be a contract
30 subject to city regulation. Any repair or restoration performed in
31 anticipation of a release of insurance proceeds shall not be deemed to
32 be a public work or municipal project nor to have been done pursuant to
33 a municipal contract.

34 13. The board shall be empowered to promulgate rules and regulations
35 and to adopt approved forms to be used by applicants.

46 law, acting pursuant to his or her special duties, shall discover any
47 cigarettes subject to any tax provided by chapter thirteen of this
48 title, and upon which the tax has not been paid or the stamps not
49 affixed as required by such chapter, they are hereby authorized and
50 empowered forthwith to seize and take possession of such cigarettes,
51 together with any vending machine or receptacle in which they are held
52 for sale. Such cigarettes, vending machine or receptacle seized by a
53 police officer or such peace officer shall be turned over to the commis-
54 sioner of finance.

55 (b) The seized cigarettes and any vending machine or receptacle seized
56 therewith, but not the money contained in such vending machine or recep-

2 whom the seizure is made, or the owner of such seized cigarettes, vend-

4 such property, shall within ten days of such seizure, apply to the
5 commissioner of finance for a hearing to determine the propriety of the
6 seizure, or unless the commissioner of finance shall on his or her own
7 motion release the seized cigarettes, vending machine or receptacle.
8 After such hearing the commissioner of finance shall give notice of his
9 or her decision to the petitioner. The decision of the commissioner
10 shall be reviewable for error, illegality, unconstitutionality or any
11 other reason whatsoever by a proceeding under article seventy-eight of
12 the civil practice law and rules if application therefor is made to the
13 supreme court within thirty days after the giving of the notice of such

15 first be filed with the commissioner of finance an undertaking, issued
16 by a surety company authorized to transact business in New York state
17 and approved by the superintendent of insurance of New York state as to
18 solvency and responsibility, in such amount as a justice of the supreme

24 publication of a notice to such effect for at least five successive
25 days, in a newspaper published or circulated in the city, sell such
26 forfeited vending machines or receptacles at public sale and pay the
27 proceeds into the treasury of the city to the credit of the general
28 fund. Such seized vending machines or receptacles may be sold prior to
29 forfeiture if the owner of the seized property consents to the sale.
30 Notwithstanding any other provision of this section, the commissioner of
31 finance may enter into an agreement with the state tax commission to

42 successive days, prior to destruction, in a newspaper published or
43 circulated in the city, destroy such forfeited cigarettes. Such commis-

47 such cigarettes.

48 (d) In the alternative, the commissioner of finance, on reasonable
49 notice by mail or otherwise, may permit the person from whom said ciga-
50 rettes were seized to redeem the said cigarettes, and any vending
51 machine or receptacle seized therewith, or may permit the owner of any
52 such cigarettes, vending machine or receptacle to redeem the same, by
53 the payment of the tax due, plus a penalty of fifty percent thereof,
54 plus interest on the amount of tax due for each month or fraction there-
55 of after such tax became due, determined without regard to any extension
56 of time for filing or paying, at the rate applicable under subdivision d

1 of section 11-1317 of this title and the costs incurred in such proceed-
2 ing, which total payment shall not be less than five dollars; provided,
3 however, that such seizure and sale or redemption shall not be deemed to
4 relieve any person from fine or imprisonment provided for in this chap-
5 ter for violation of any provisions of this chapter or chapter thirteen
6 of this title.

7 (e) In the alternative, the commissioner of finance may dispose of any
8 cigarettes seized pursuant to this section, except those that violate,
9 or are suspected of violating, federal trademark laws or import laws, by
10 transferring them to the department of correction for sale to or use by
11 incarcerated individuals in such institutions.

12 § 11-4022 Filing of documents. For purposes of the prosecution of
13 offenses under the provisions of this title, reports, returns, state-
14 ments, other documents or other information required to be filed with or
15 delivered to the commissioner of finance shall include such items which
16 under the provisions of this title are required to be recorded or filed
17 with, served upon or delivered to another person, including, but not
18 limited to, a recording officer of any county within the state, county

20 capacity as an agent of the commissioner of finance.

21 § 11-4023 Authority to seal premises. (a) If any person has been
22 finally determined to have engaged in the acts described in subdivision
23 (b) of this section, the commissioner of finance shall be authorized to
24 order:

25 (1) the sealing of any premises operated by such person where such
26 acts occurred; and

27 (2) the removal, sealing or making inoperable of any devices, items or
28 goods used in connection with any of such acts.

29 (b) The following acts shall serve as the basis for a sealing order
30 pursuant to this section:

34 (2) the violation of any provision of chapter thirteen of this title
35 or any of sections 17-703, 17-703.2, 17-704, 17-705, subdivision a or b
36 of section 17-706, 17-715 or 20-202 of the code of the preceding munici-
37 pality on at least three occasions within a three-year period; or

39 the preceding municipality on at least two occasions within a three-year
40 period.

41 (c) Orders of the commissioner to seal premises. (1) Orders of the
42 commissioner issued pursuant to this section shall be posted at the
43 premises at which the acts described in subdivision (b) of this section

47 1.20 of the criminal procedure law and peace officers employed by the
48 department of finance, including but not limited to the sheriff, under-
49 sheriff and deputy sheriffs of the city of New York designated as peace
50 officers in subdivision two of section 2.10 of the criminal procedure
51 law, are authorized to act upon and enforce such orders.

52 (3) Any devices, items or goods removed pursuant to this section,
53 shall be stored in a garage, pound or other place of safety and the
54 owner or other person lawfully entitled to the possession of such
55 devices, items or goods may be charged with reasonable costs for removal

1 and storage payable prior to the release of such devices, items or goods
2 to such owner or such other person.

3 (4) The owner or other person lawfully entitled to reclaim the
4 devices, items or goods described in paragraph three of this subdivision
5 shall reclaim such devices, items or goods. If such owner or such other
6 person does not reclaim such devices, items or goods within ninety days
7 of their removal, such devices, items or goods shall be subject to
8 forfeiture upon notice and judicial determination in accordance with
9 provisions of law. Upon forfeiture the department shall, upon a public
10 notice of at least five days, sell such forfeited devices, items or
11 goods at public sale. The net proceeds of such sale, after deduction of
12 the lawful expenses incurred, shall be paid into the general fund of the
13 city.

14 (d) Unsealing of premises. The commissioner shall order that any prem-
15 ises which are sealed pursuant to this section shall be unsealed and
16 that any devices, items or goods removed, sealed or otherwise made inop-
17 erable pursuant to this section shall be released, unsealed or made
18 operable upon:

19 (1) payment of all outstanding cigarette taxes and civil penalties and
20 all reasonable costs for removal and storage; and

21 (2) the expiration of a period of time from the date of enforcement of
22 the order to be determined by the commissioner not to exceed sixty days.

23 (e) Any person aggrieved by an order issued pursuant to this section
24 may seek judicial review of such order through a proceeding pursuant to
25 article seventy-eight of the civil practice law and rules.

26 (f) Removal of seal. Any person who removes the seal on any premises
27 or removes the seal on or makes operable any devices, items or goods
28 sealed or otherwise made inoperable in accordance with an order of the
29 commissioner shall be guilty of a misdemeanor.

30 § 11-4024 Seizure and forfeiture of taxed and lawfully stamped ciga-
31 rettes sold or possessed by unlicensed retail or wholesale dealers,
32 flavored tobacco products, flavored electronic cigarettes and flavored

52 (b) The seized cigarettes or flavored tobacco product and any vending
53 machine or receptacle seized therewith, but not the money contained in
54 such vending machine or receptacle, shall thereupon be forfeited to the
55 city, unless the person from whom the seizure is made, or the owner of
56 such seized cigarettes, flavored tobacco product, vending machine or

1 receptacle, or any other person having an interest in such property,
2 shall within ten days of such seizure, apply to the commissioner of
3 finance for a hearing to determine the propriety of the seizure, or
4 unless the commissioner of finance shall on his or her own motion
5 release the seized cigarettes, flavored tobacco product, vending machine

14 five successive days, in a newspaper published or circulated in the
15 city, sell such forfeited vending machine or receptacle at public sale
16 and pay the proceeds into the general fund of the city. Such seized

Chapter 3
CITYWIDE RECYCLING PROGRAM

20 § 16-305 Recycling of department-managed solid waste. 1. a. The
21 following recycling percentage goals are established for the recycling
22 of department-managed solid waste:

23 i. by July first, two thousand eleven, sixteen percent of department-
24 managed solid waste;

25 ii. by July first, two thousand thirteen, nineteen percent of depart-
26 ment-managed solid waste;

27 iii. by July first, two thousand fourteen, twenty-one percent of
28 department-managed solid waste;

29 iv. by July first, two thousand sixteen, twenty-four percent of
30 department-managed solid waste;

31 v. by July first, two thousand eighteen, twenty-seven percent of
32 department-managed solid waste;

33 vi. by July first, two thousand nineteen, thirty percent of depart-
34 ment-managed solid waste; and

35 vii. by July first, two thousand twenty, thirty-three percent of
36 department-managed solid waste.

37 b. In addition, the following recycling goals are established for
38 curbside and containerized waste collected by the department:

39 i. By July first, two thousand eleven, sixteen percent of curbside and
40 containerized waste collected by the department;

41 ii. By July first, two thousand thirteen, eighteen percent of curbside
42 and containerized waste collected by the department;

43 iii. By July first, two thousand fourteen, nineteen percent of curb-
44 side and containerized waste collected by the department;

45 iv. By July first, two thousand sixteen, twenty-one percent of curb-
46 side and containerized waste collected by the department;

47 v. By July first, two thousand eighteen, twenty-three percent of curb-
48 side and containerized waste collected by the department;

49 vi. By July first, two thousand nineteen, twenty-four percent of curb-
50 side and containerized waste collected by the department; and

51 vii. By July first, two thousand twenty, twenty-five percent of curb-
52 side and containerized waste collected by the department.

53 2. The commissioner shall adopt and implement rules designating at
54 least six recyclable materials, including plastics to the extent

1 required in subdivision three of this section and yard waste to the
2 extent required in section 16-308 of this chapter and organic waste to
3 the extent required in section 16-308.1 of this chapter, contained in
4 department-managed solid waste and requiring households to source sepa-
5 rate such designated materials.

6 3. a. Prior to commencing delivery of department-managed recyclable
7 materials to the designated recycling processing facility at the South
8 Brooklyn Marine Terminal, the commissioner shall designate as recyclable
9 materials, and require the source separation of, rigid plastic contain-
10 ers.

11 b. If the commissioner, in his or her discretion, determines that the
12 cost to the city of recycling rigid plastic containers required to be
13 designated as recyclable materials pursuant to paragraph a of this
14 subdivision is not reasonable in comparison with the cost of recycling
15 only metal, glass and plastic and have been designated as recyclable
16 materials, the commissioner shall within ten business days notify and
17 provide documentation to the council of the factors relied upon to make
18 such determination and shall not be required to designate any such rigid
19 plastic containers as recyclable materials.

20 c. If the commissioner determines that the cost to the city of recycl-
21 ing rigid plastic containers is not reasonable in comparison with the
22 cost of recycling only metal, glass and plastic that have been desig-
23 nated as recyclable materials, the commissioner shall annually reeval-
24 ate the cost to the city of designating such rigid plastic containers as
25 recyclable materials, and shall annually make a new determination as to
26 whether the cost of designating such containers as recyclable materials
27 is reasonable in comparison with the cost of recycling only metal, glass
28 and plastic that have been designated as recyclable materials and shall
29 report such evaluations to the council. The department shall not
30 promulgate rules designating rigid plastic containers as recyclable
31 materials, and need not conduct outreach or education relating thereto
32 if, pursuant to paragraph b of this subdivision, the commissioner deter-
33 mines that the cost to the city of recycling rigid plastic containers is
34 not reasonable in comparison with the cost of recycling only metal,
35 glass and plastic that have been designated as recyclable materials.

36 d. Immediately following the promulgation of rules designating rigid
37 plastic containers as recyclable materials, the department shall under-
38 take outreach and education, in cooperation with any other agency or
39 entity designated for that purpose by the commissioner, to inform resi-
40 dents of such new designation and to provide instruction on compliance
41 with the requirements of this subdivision and the rules promulgated
42 pursuant thereto.

43 4. The commissioner shall adopt and implement rules establishing
44 procedures requiring the placement of the designated materials at the
45 curbside, in specialized containers, or in any other manner the commis-
46 sioner determines, to facilitate the collection of such materials in a
47 manner that enables them to be recycled. Under such rules, no person
48 shall be liable for incorrectly placing a non-designated rigid plastic
49 container in the recycling stream.

50 5. Where the department provides solid waste collection services to a
51 building containing at least four and no more than eight dwelling units,
52 the commissioner shall adopt and implement rules requiring the owner,
53 net lessee or person in charge of such building to:

54 a. provide for the residents, where practicable, a designated area
55 and, where appropriate, containers in which to store the source sepa-

1 rated or other designated recyclable materials to be collected by the
2 department; and

3 b. inform all residents of the requirements of this chapter and the
4 rules promulgated pursuant thereto by, at a minimum, posting
5 instructions on source separation in or near the designated recycling
6 area and making available to each resident at the inception of a lease,
7 where applicable, a department-issued guide to recycling, which shall be
8 made available to the owner, net lessee or person in charge of such
9 building by the department pursuant to section 16-315 of this chapter in
10 print form or on the department's website, or in an alternative guide
11 containing similar information to the guide required by section 16-315
12 of this chapter.

13 If reasonably accessible space for the storage of source separated or
14 other designated recyclable materials is not available in such building,
15 and such space is available behind the building's property line, such
16 space behind the property line may be designated as the area for the
17 storage of source separated or other designated recyclable materials. If
18 no such space is available, the owner, net lessee or person in charge of
19 such building shall post instructions on recycling and source separation
20 in or near a designated area that is visible to all residents in the
21 building.

22 With respect to solid waste generated by households in the aforesaid
23 buildings, the obligations of an owner, net lessee or person in charge
24 of such building under this chapter shall be limited to those set forth
25 in this subdivision and subdivisions four and seven of this section or
26 rules promulgated pursuant to such subdivisions.

27 6. Where the department provides solid waste collection services to a
28 building containing nine or more dwelling units, the commissioner shall
29 adopt and implement rules requiring the owner, net lessee or person in
30 charge of such building to:

31 a. provide for the residents a designated area and, where appropriate,
32 containers in which to store the source separated or other designated
33 recyclable materials to be collected by the department;

34 b. inform all residents of the requirements of this chapter and the
35 rules promulgated pursuant thereto by, at a minimum, posting
36 instructions on source separation in or near the designated recycling
37 area, and making available to each resident at the inception of a lease,
38 a department-issued guide to recycling, which shall be made available to
39 the owner, net lessee or person in charge of such building by the
40 department pursuant to section 16-315 of this chapter in print form or
41 on the department's website, or in an alternative guide containing simi-
42 lar information to the guide required by section 16-315 of this chapter;
43 and

44 c. remove non-designated materials from the containers of designated
45 source separated recyclable materials before such containers are placed
46 at the curbside for collection and ensure that the designated materials
47 are placed at the curbside in the manner prescribed by the department.

48 With respect to solid waste generated by households in the aforesaid
49 buildings, the obligations of an owner, net lessee or person in charge
50 of such building under this chapter shall be limited to those set forth
51 in this subdivision and subdivisions four and seven of this section or
52 rules promulgated pursuant to such subdivisions.

53 7. The commissioner shall adopt and implement rules for any building
54 containing four or more dwelling units in which the amount of designated
55 materials placed out for collection is significantly less than what can
56 reasonably be expected from such building. These rules shall require

1 residential generators, including tenants, owners, net lessees or
2 persons in charge of such building to use transparent bags or such other
3 means of disposal the commissioner deems appropriate to dispose of solid
4 waste other than the designated recyclable materials. Upon request of
5 the owner, net lessee or person in charge of such building, and if the
6 commissioner determines that such owner, net lessee or person in charge
7 of such building has complied with this subdivision, subdivision four of
8 this section and, as applicable, subdivision five or subdivision six of
9 this section or rules promulgated pursuant to such subdivisions and that
10 the amount of designated materials placed out for collection remains
11 significantly less than what can reasonably be expected from such build-
12 ing, the department may develop a schedule to conduct random inspections
13 to facilitate compliance with the provisions of this chapter by tenants
14 of such building, provided that lawful inspections may occur at reason-
15 able times without notice to ensure compliance by the tenants, owner,
16 net lessee or person in charge of such building.

17 8. a. In calculating the extent to which the department has met the
18 recycling percentage goals set forth in paragraph a of subdivision one
19 of this section, the department shall include in its calculations all
20 curbside and institutional recycling it collects, including materials
21 collected from households, schools, not-for-profit institutions and city
22 agencies, and all recyclable materials collected as part of the public
23 space recycling program pursuant to section 16-310 of this chapter, and
24 may include yard waste collected pursuant to section 16-308 of this
25 chapter and any other material collected for composting pursuant to this
26 chapter, Christmas trees collected pursuant to section 16-309 of this
27 chapter, clothing and textiles donated or collected pursuant to section
28 16-310.1 of this chapter, household hazardous waste diverted pursuant to
29 section 16-310.3 of this chapter, rechargeable batteries collected
30 pursuant to chapter four of title eleven of the code of the preceding
31 municipality, beverage containers returned within the city pursuant to
32 title ten of article twenty-seven of the environmental conservation law,
33 electronic waste collected within the city or otherwise diverted from
34 the city's waste stream, including such waste collected or diverted
35 pursuant to title twenty-six of article twenty-seven of the environ-
36 mental conservation law, and plastic bags collected within the city or
37 otherwise diverted from the city's waste stream, including such plastic
38 bags collected or diverted pursuant to title twenty-seven of article
39 twenty-seven of the environmental conservation law. Only recyclable
40 materials specifically enumerated in this paragraph shall be counted for
41 purposes of calculating the extent to which the department has met the
42 recycling percentage goals set forth in paragraph a of subdivision one
43 of this section.

44 b. In calculating the extent to which the department has met the recy-
45 cling percentage goals set forth in paragraph b of subdivision one of
46 this section, the department shall include in its calculations all curb-
47 side and institutional recycling it collects, including materials
48 collected from households, schools, not-for-profit institutions and city
49 agencies, and all recyclable materials collected as part of the public
50 space recycling program pursuant to section 16-310 of this chapter.

51 c. In calculating the extent to which the department has met the recy-
52 cling percentage goals set forth in paragraphs a and b of subdivision
53 one of this section, the department shall not include recycling of aban-
54 doned vehicles or recycling from lot cleaning operations, asphalt and
55 mill tailings, construction and demolition debris or other commercial
56 recycling programs. The commissioner shall not designate any such mate-

1 rials as recyclable materials under this section for purposes of calcu-
2 lating the extent to which the department has met such recycling
3 percentage goals.

4 d. In calculating the percent of the department-managed solid waste
5 stream recycled in connection with the percentage goals set forth in
6 paragraph a of subdivision one of this section, the department shall
7 ensure that any quantity of material counted as recycled must be fully
8 included in the calculation of the city's total department-managed solid
9 waste stream.

10 e. All data used to make calculations pursuant to paragraphs a and b
11 of this subdivision shall be made available on the department's website
12 in raw form disaggregated by material type and using a non-proprietary
13 format on a monthly basis, or, if such data is not generated by the
14 department, within one month from the date that the department receives
15 reports of such information.

16 9. In the event that the department does not meet any recycling
17 percentage goal set forth in paragraphs a or b of subdivision one of
18 this section by the dates specified therein, the department shall, with-
19 in sixty days of the date for meeting such goal, expand recycling
20 outreach and education and shall take such other appropriate measures
21 including, but not limited to, directing such outreach and education to
22 the neighborhoods and community districts in which recycling diversion
23 rates fall below the median city recycling diversion rate and consulting
24 with the council to explore additional measures to meet the recycling
25 percentage goals set forth in such subdivision. In expanding recycling
26 outreach and education, the department may work with other agencies or
27 entities designated for that purpose by the commissioner.

28 10. In the event that the department is unable to achieve two consec-
29 utive recycling percentage goals set forth in paragraphs a and b of
30 subdivision one of this section by the dates specified therein, in addi-
31 tion to the requirements of subdivision nine of this section, the
32 commissioner shall retain a special advisor, who shall be selected by
33 the mayor and the speaker, provided that the commissioner need not
34 retain such special advisor more than once every three years. Within one
35 hundred twenty days of such retention, such adviser shall submit a
36 report to the mayor and council recommending additional measures that
37 may be taken by the city following such report in order to meet such
38 recycling percentage goals.

39 § 16-305.1 Weekly collection of designated recyclable materials. 1.
40 Weekly collection of designated recyclable materials shall be maintained
41 in all local service delivery districts.

42 2. Effective July first, two thousand nine, and notwithstanding any
43 inconsistent provision of this chapter, the department shall be author-
44 ized, by written order of the commissioner, to implement and maintain
45 alternate week collection of designated recyclable materials in all
46 local service delivery districts, provided that the department may, by
47 written order of the commissioner, provide for more frequent collection
48 of designated recyclable materials in designated local service delivery
49 districts. Any such written order of the commissioner implementing
50 alternate week collection shall expire no later than March thirty-first,
51 two thousand ten.

52 3. For purposes of this section "designated recyclable materials"
53 shall mean solid waste that has been designated by the commissioner as
54 recyclable pursuant to section 16-305, section 16-307, or section
55 16-308.1 of this chapter.

1 4. Nothing in this section shall be construed to require collection of
2 designated recyclable materials in such parts of the city or during such
3 times of the year that such materials are not otherwise collected.

4 § 16-306 Private carter-collected waste. 1. The commissioner shall
5 adopt and implement rules designating recyclable materials that consti-
6 tute in the aggregate at least one-half of all solid waste collected by
7 private carters, and additional materials if the commissioner determines
8 that economic markets exist for them. Pursuant to subdivision two of
9 this section, such rules shall require generators of private carter-col-
10 lected waste to source separate some or all of the designated materials
11 and to arrange for lawful collection for recycling, reuse or sale for
12 reuse by private carters or persons other than private carters of such
13 source separated materials. With regard to designated materials that are
14 not required by such rules to be source separated, generators of private
15 carter-collected waste may source separate these designated materials
16 and, in any event, shall arrange for their lawful collection for recycl-
17 ing, reuse or sale for reuse by private carters or persons other than
18 private carters. If a generator of private carter-collected waste has
19 source separated the designated materials in accordance with the rules
20 and arranged for the lawful collection for recycling, reuse or sale for
21 reuse by private carters or persons other than private carters of such
22 source separated materials and, with regard to designated materials that
23 are not required by such rules to be source separated, arranged for
24 lawful collection for recycling, reuse or sale for reuse by private
25 carters or persons other than private carters, such arrangement shall
26 constitute an affirmative defense to any proceeding brought against the
27 generator pursuant to section 16-324 of this title.

28 2. (a) The rules promulgated pursuant to subdivision one of this
29 section shall require that generators of waste collected by businesses
30 required to be licensed pursuant to section 16-505 of the code of the
31 preceding municipality source separate the designated materials in such
32 manner and to such extent as the commissioner determines to be necessary
33 to minimize contamination and maximize the marketability of such materi-
34 als. However, in promulgating such rules the commissioner shall not
35 require source separation of a material unless the commissioner has
36 determined that an economic market exists for such material. For the
37 purpose of this section, the term "economic market" refers to instances
38 in which the full avoided costs of proper collection, transportation and
39 disposal of source separated materials are equal to or greater than the
40 cost of collection, transportation and sale of said materials less the
41 amount received from the sale of said materials.

42 (b) (i) Any designated carter that collects source separated desig-
43 nated materials in a commercial waste zone pursuant to section 16-1002
44 of the code of the preceding municipality shall provide for the
45 collection of, and ensure the continued separation of, designated mate-
46 rials that have been source separated, provide for the separation of all
47 other designated materials, and provide for recycling of all the desig-
48 nated materials in accordance with the rules of the department and the
49 terms of any agreement entered into pursuant to section 16-1002 of the
50 code of the preceding municipality under which such designated carter is
51 providing such service.

52 (ii) Any person registered by the business integrity commission to
53 remove, collect, or dispose of trade waste generated in the course of
54 operation of such person's business pursuant to subdivision b of section
55 16-505 of the code of the preceding municipality shall provide for the
56 collection of, and ensure the continued separation of, designated mate-

1 rials that have been source separated, provide for the separation of all
2 other designated materials, and provide for recycling of all the desig-
3 nated materials in accordance with the rules promulgated by the business
4 integrity commission pursuant to this section and subject to the penal-
5 ties provided in subdivision a of section 16-515 of the code of the
6 preceding municipality.

7 (c) The commissioner and the chair of the business integrity commis-
8 sion shall have the authority to issue notices of violation for any
9 violation of any rules promulgated pursuant to this section and such
10 notices of violation shall be returnable in a civil action brought in
11 the name of the commissioner or the chair of the business integrity
12 commission before the environmental control board which shall impose a
13 penalty not to exceed ten thousand dollars for each such violation.

14 3. The department shall complete a study of commercial recycling in
15 the city no later than January first, two thousand twelve. Such commer-
16 cial recycling study shall focus on the putrescible portion of the
17 commercial waste stream, and shall include, but need not be limited to,
18 the following: (a) an integration of all data on commercial waste in the
19 city collected and transported through transfer stations and recycling
20 processors; (b) an assessment of current practices, operations and
21 compliance with applicable local laws and rules, consistent with the
22 scope of study set forth in the two thousand six Solid Waste Management
23 Plan; (c) estimates of waste composition and recycling diversion rates
24 from research conducted with respect to other jurisdictions; (d) a
25 computer-based model to measure the amount and composition of waste
26 generated by different commercial sectors; (e) recommendations of meth-
27 ods to encourage waste prevention, reuse, recycling and composting for
28 each of the commercial sectors studied, including any recommended chang-
29 es to applicable law; and (f) an assessment of the efficiency of the
30 transportation of commercial waste within the commercial system by,
31 among other things, mapping and monitoring routes along which commercial
32 waste and recycling trucks travel, including long-haul carriers within
33 and outside the city. Following completion of the commercial recycling
34 study, the commissioner shall determine whether any additional studies
35 are necessary in order to improve commercial recycling practices in the
36 city and shall promptly report such determination to the mayor and the
37 council.

38 4. Notwithstanding any other provision of law, nothing in this section
39 shall be construed to (a) supersede, amend or eliminate any obligation
40 of an awardee or designated carter, as such terms are defined in section
41 16-1000 of the code of the preceding municipality, to meet the require-
42 ments set forth in any applicable agreement entered into pursuant to
43 section 16-1002 of the code of the preceding municipality, or (b) other-
44 wise amend or supersede any term of such agreement.

45 § 16-306.1 Organic waste. 1. When used in this section or section
46 16-324 of this chapter:

47 a. "Arena" means an establishment or facility that hosts live sporting
48 or entertainment events.

49 b. "Capacity" means the combined capacity of facilities that are capa-
50 ble of accepting and processing, consistent with the terms of this
51 section and exceeding a nominal amount, organic waste expected to be
52 generated by and collected from designated covered establishments.

53 c. "Catering establishment" means any room, place or space in the
54 city, which is used, leased or hired out for the business of serving
55 food or beverages for a particular function, occasion or event, to which

1 the public is not invited or admitted and wherein music or entertainment
2 is permitted.

3 d. "Covered establishment" means:

4 (i) any location at which a food manufacturer has a floor area of at
5 least twenty-five thousand square feet;

6 (ii) any location at which a food wholesaler has a floor area of at
7 least twenty thousand square feet;

8 (iii) any location at which a retail food store has a floor area of at
9 least ten thousand square feet, or any retail food store that is part of
10 a chain of three or more retail food stores that have a combined floor
11 area space of at least ten thousand square feet and that operate under
12 common ownership or control and receive waste collection from the same
13 private carter;

4 temporary public events.

5 b. Any covered establishment that arranges for the collection by a

12 designated recyclable materials as the commissioner deems appropriate,
13 in all offices and buildings occupied by agencies that receive
14 collection service from the department and, to the extent practicable,
15 in those that receive private carter collection. Such plans shall
16 provide for the source separation of designated recyclable materials in

18 collection, unless the placement of bins for the source separation of
19 designated recyclable materials would be in violation of any other
20 provision of law, and, to the extent practicable, in the lobbies of such
21 offices or buildings that receive private carter collection. Each agency
22 shall designate a lead recycling or sustainability coordinator to over-
23 see implementation of such plans. If an agency has offices in more than

7 of law, and in locations within schools where food and beverages are
8 routinely consumed.

9 3. The principal of each school under the jurisdiction of the depart-
10 ment of education shall designate a sustainability coordinator for his
11 or her school who shall be responsible for implementing his or her
12 school's waste prevention, reuse and recycling plan. The principal or
13 the sustainability coordinator shall complete, and submit to the depart-
14 ment of education sustainability director and to the chancellor, an

28 site-specific waste prevention, reuse and recycling plan. Each such plan
29 shall be implemented by January first, two thousand eleven. Such plan
30 shall include, at a minimum, a requirement that each room used primarily
31 as a classroom for students between kindergarten and the twelfth grade
32 maintain a separate receptacle, container or bin for the collection of
33 designated recyclable paper, and that such receptacle, container or bin
34 be appropriately labeled or decorated with recycling information. Such
35 plan shall also provide that separate receptacles, containers or bins
36 for the collection of designated metal, glass and plastic be appropri-

38 close as practicable to school entrances, unless the placement of such
39 bins would be in violation of any other provision of law. Such bins
40 shall also be placed in centralized locations within such schools where
41 food and beverages are routinely consumed, other than classrooms, such
42 as cafeterias and lunchrooms, or, if such school lacks a cafeteria or

22 be processed into usable compost pursuant to this section.

23 4. Reporting. The department shall report by weight the total amount
24 of organic waste diverted pursuant to this section during the previous

15 operates or makes available to the public an organic waste drop off
16 site.

17 b. Community scale composting facility. The term "community scale
18 composting facility" means a physical location operated by a not-for-
19 profit organization that engages in composting, through a registration
20 or agreement with the department, but that is not of sufficient size so
21 as to be required to obtain a permit for the operation of such facility
22 from the New York state department of environmental conservation.

23 c. Organic waste drop off site. The term "organic waste drop off site"
24 means a physical location for the collection of organic waste from
25 members of the public.

26 2. Except as provided in subdivision three of this section, no later
27 than April first, two thousand twenty-four, the department, in consulta-
28 tion with community partners, shall ensure that no less than thirty
29 organic waste drop off sites are established and operational throughout
30 the city, provided that no less than three such sites are established in
31 each borough. Each such site shall have a minimum of twenty hours avail-
32 able per week for individuals to drop off organic waste, except that
33 organic waste drop off sites operated by community partners shall be
34 open for a minimum of five hours per week, and each such organic waste
35 drop off site shall be located in a geographic area that is easily
36 accessible, including for persons with disabilities, and in close prox-
37 imity to public transportation, provided, however, an organic waste drop
38 off site operated by a community partner may be operated on a seasonal
39 basis.

40 3. For the purposes of subdivision two of this section, an organic
41 waste drop off site may be a community scale composting facility or a
42 drop off site operated by the department, including co-location with a

45 4. No later than January first, two thousand twenty-six, the depart-
46 ment shall review the requirements of subdivision two of this section
47 and submit to the mayor and the speaker of the council a recommendation
48 as to whether such drop off sites should be continued.

49 5. Site information. The department shall post on its website informa-
50 tion about each organic waste drop off site established pursuant to this
51 section. Such information shall include each such site's address,
52 contact information, hours of operation and services provided. Where
53 applicable, such information shall also be clearly posted in a publicly
54 visible location at the entrance to each such site.

55 6. Education and outreach. The department, in consultation with any
56 agency or office designated by the mayor, shall develop an education and

1 outreach program to inform residents about the organic waste drop off
2 sites and community scale composting facilities established pursuant to
3 this section. Such education and outreach shall include the information
4 set forth in subdivision five of this section. Any educational or
5 outreach materials developed pursuant to this section, as well as any
6 other educational materials on recycling that the commissioner deems
7 relevant, shall be available in all designated citywide languages, as
8 defined in section 23-1101 of the code of the preceding municipality,
9 and supplied to each organic waste drop off site. The department shall

12 engage in opportunities to work with the department to open and operate
13 organic waste drop off sites and community scale composting facilities.

14 7. Reporting. The department shall report annually on the operation of
15 organic waste drop off sites. Such report shall be included as part of
16 the department's annual zero waste report required pursuant to section
17 16-316.5 of the code of the preceding municipality. Such report shall
18 include, at a minimum, the following information, disaggregated by
19 organic waste drop off site where feasible:

20 a. The total amount of material collected at such site;

21 b. The number of individuals who used such site during the reporting
22 period;

23 c. The number of full-time and part-time staff members working at such
24 site, if any; and

25 d. Where the organic waste collected at such site was processed
26 following collection.

27 § 16-309 Christmas trees. The commissioner shall establish and imple-
28 ment a curbside collection system for Christmas trees during a minimum
29 of two weeks in January of each year and provide for the composting or
30 recycling of the Christmas trees the department collects or receives for
31 disposal.

32 § 16-310 Public space recycling. 1. The department shall expand its
33 public space recycling program by increasing the number of public space
34 recycling receptacles for the collection of recyclable materials includ-
35 ing, but not limited to, metal, glass, plastic and paper designated as
36 recyclable materials by the commissioner, to a cumulative total of at
37 least five hundred public space recycling receptacles, and to a cumula-
38 tive total of at least one thousand public space recycling receptacles,
39 at public locations in the city, which shall be in or near public parks,
40 transit hubs, or commercial locations with high-pedestrian traffic. As
41 part of such expansion, the department shall place public space recycl-
42 ing receptacles in all business improvement districts that provide
43 public litter basket maintenance. Whenever practicable, public space
44 recycling receptacles placed pursuant to this section shall be placed
45 adjacent to public litter baskets.

46 2. Notwithstanding the provisions of subdivision one of this section,
47 the department shall not be required to expand the public space recycl-
48 ing program beyond existing or newly-established collection routes that
49 can be efficiently serviced by the department. The commissioner shall
50 have the authority to remove any public space recycling receptacle
51 placed pursuant to this section, provided that the department replaces
52 any such public space recycling receptacle, within thirty days of
53 removal, with additional public space recycling receptacles at the same

5 locations in which they were placed. Such report shall be included as
6 part of the department's annual zero waste report required pursuant to
7 subdivision b of section 16-316.5 of the code of the preceding municipi-
8 pality.

9 5. The department may enter into sponsorship or partnership agreements

16 wide textile reuse and recycling program that shall, at a minimum,
17 provide for the recovery of textiles by placing department-approved
18 publicly accessible textile drop-off bins at appropriate locations on
19 city property or property maintained by the city and organizing public
20 textile reuse and recycling sites throughout the city that provide
21 convenient drop-off locations for all city residents. In addition, the
22 commissioner shall explore opportunities to work cooperatively with
23 private entities, including, but not limited to, not-for-profit corpo-
24 rations and religious institutions, to promote expanded siting of
25 publicly accessible textile drop-off bins on private property throughout
26 the city. The department shall consider using department personnel or
27 facilities in order to implement the provisions of this section.

28 2. No publicly accessible textile drop-off bin placed pursuant to this
29 section shall be placed on city property or property maintained by the
30 city, or on a public sidewalk or roadway, unless otherwise authorized by
31 the city. No publicly accessible textile drop-off bin shall be placed on
32 private property without the written permission of the property owner or
33 the property owner's authorized agent. The owner or other person respon-
34 sible for each such bin shall report at least every three months to the
35 department the amount of textiles collected in such bin by weight. Each
36 publicly accessible textile drop-off bin shall prominently display on
37 the front and on at least one other side of the bin, the name, address
38 and telephone number of the owner or other person responsible for the
39 bin. This information shall be printed in characters that are plainly
40 visible. In no event shall a post office box be considered an acceptable

53 paint and retail establishments that sell, or offer for sale, architec-
54 tural paint in the city, may establish a collection or other reclamation
55 system to collect architectural paint from consumers for reuse, recycl-
56 ing or environmentally sound disposal.

1 2. The commissioner shall provide assistance or guidance to partic-
2 ipating architectural paint manufacturers, distributors and retail
3 establishments in developing and implementing strategies to reduce the
4 quantity of architectural paint in the waste stream, promote the reuse
5 of architectural paint that would otherwise be discarded and disseminate
6 information regarding options to recycle architectural paint including,
7 but not limited to, posting information regarding the voluntary paint
8 stewardship program on the department's website.

9 § 16-310.3 Community recycling. 1. Community recycling centers. No

12 established and operational in each borough. Each such center shall be
13 available for drop offs at least twenty-four hours per week, including
14 weekends. Such centers shall be located in geographic areas that are
15 easily accessible, including for persons with disabilities, and shall be

21 host no less than one community recycling event in each community
22 district. Each such event shall be located in a geographic area that is
23 easily accessible, including for persons with disabilities, and in close
24 proximity to public transportation and public housing developments,
25 where practicable. Such events may be co-located with other sanitation
26 services. Community recycling events required by this subdivision shall
27 be in addition to any recycling event operated by an entity or organiza-
28 tion other than the department, provided that any recycling event oper-

27 establish procedures and standards for processing recyclable materials
28 designated pursuant to section 16-305 of this chapter in city owned or

33 to conform to the requirements of the marketplace.

34 § 16-313 Marketing recyclable materials. The department shall estab-

39 buyers, and reviewing and making any necessary changes in collecting or
40 processing the materials to improve their marketability.

41 § 16-314 Recycling program revisions. The commissioner shall annually
42 review the recycling program and all rules promulgated thereunder, and
43 shall make the necessary revisions to improve the efficiency of collect-
44 ing, processing, marketing and selling the materials recycled pursuant
45 to this title. These revisions may include designating additional
46 recyclable materials. The commissioner shall not delete designated mate-
47 rials without designating additional materials so that the total quanti-

50 Where the commissioner determines that it is appropriate to delete a
51 designated material, the department shall provide notice of such
52 deletion to the mayor and the council, including the reason for such
53 deletion, and shall provide any relevant data supporting such decision.

54 § 16-315 Notice, education and research programs. 1. In addition to

22 publication as prescribed by chapter forty-five of the charter of the
23 preceding municipality. In addition, notwithstanding the provisions of
24 chapter forty-five of such charter, prior to adoption by the commission-

26 forty-three of such charter, and after consideration of relevant
27 comments presented pursuant to subdivision d of such section, the
28 commissioner shall submit to the council the text of the final rule
29 proposed to be published in the city record. The council shall have
30 thirty days from the date of such submission to comment upon such text.
31 The final rule may include revisions in response to comments from the
32 council and shall not be published in the city record before the thir-
33 ty-first day after such submission, unless the speaker of the council
34 authorizes earlier publication.

35 § 16-324 Enforcement. 1. Subject to the provisions of subdivision two
36 of this section, any person who violates this chapter, except section
37 16-306.1 of this title, subdivision seven of section 16-308 of this
38 title, section 16-310.1 of this title or section 16-329 of the code of
39 the preceding municipality, or any rule promulgated pursuant thereto,
40 shall be liable for a civil penalty recoverable in a civil action
41 brought in the name of the commissioner or in a proceeding returnable
42 before the environmental control board, as follows:

43 a. For residential buildings containing fewer than nine dwelling
44 units, the civil penalty shall be in an amount of twenty-five dollars
45 for the first violation, fifty dollars for the second violation commit-
46 ted on a different day within a period of twelve months, and one hundred
47 dollars for the third and each subsequent violation committed on a
48 different day within a period of twelve months, provided that the court
49 before which such civil action is brought or such board may waive the
50 penalty for the first violation upon a showing of good cause.

51 b. For residential buildings containing nine or more dwelling units
52 and commercial, manufacturing or industrial buildings, the civil penalty
53 shall be in an amount of one hundred dollars for the first violation,
54 two hundred dollars for the second violation committed on a different

1 day within a period of twelve months, and four hundred dollars for the

9 a period of six months shall be classified as a persistent violator.

10 c. For persistent violators only, each container or bag containing
11 solid waste that has not been source separated or placed out for
12 collection in accordance with the rules promulgated by the commissioner
13 pursuant to this chapter shall constitute a separate violation, provided
14 that no more than twenty separate violations are issued on a per bag or

16 any such notices of violation to a persistent violator on a per bag or
17 per container basis, the commissioner shall give such violator a reason-
18 able opportunity to correct the condition constituting the violation.

19 d. There shall be a rebuttable presumption that the number of dwelling
20 units designated on a notice of violation issued pursuant to this
21 section reflects the number of dwelling units in the residential build-
22 ing for which the notice of violation was issued. Where such presumption
23 is rebutted, the number of dwelling units on such notice of violation
24 shall be deemed modified accordingly, and in no event shall such notice
25 of violation be dismissed solely on the ground that the number of dwell-
26 ing units on the original notice of violation was incorrectly stated.

27 e. The commissioner or the commissioner's designee shall establish a
28 recycling training program for owners or employees of residential build-
29 ings of nine or more dwelling units for which at least three notices of
30 violation for failing to properly source separate designated recyclable
31 material have been issued within a twelve-month period and which the
32 commissioner determines to be in need of recycling training. Such
33 training program shall require the building owner, or an employee who is
34 primarily responsible for waste disposal or janitorial services for any
35 such building, to attend a training program established by the commis-
36 sioner or the commissioner's designee designed to improve recycling
37 practices at such building and a fee may be imposed on any owner or
38 employee who participates in such training program. Such training
39 program may be held in any location designated by the commissioner or
40 the commissioner's designee, including, in order to facilitate tenant
41 participation, at such building.

42 2. Any person who violates subdivision seven of section 16-308 of this
43 title or any rules promulgated pursuant thereto shall be liable for a
44 civil penalty in the amount of two hundred fifty dollars for the first

55 tainable, shall be notified by the department by certified mail, return
56 receipt requested, that such publicly accessible textile drop-off bin

1 must be removed within thirty days from the mailing of such notice. A
2 copy of such notice, regardless of whether the address of such owner or
3 other responsible person is ascertainable, shall also be affixed to the
4 publicly accessible textile drop-off bin. This notice shall state that
5 if the address of the owner or other responsible person is not ascer-
6 tainable and notice is not mailed by the department, such publicly
7 accessible textile drop-off bin shall be removed within thirty days from
8 the affixing of such notice. This notice shall also state that the fail-
9 ure to remove the publicly accessible textile drop-off bin within the
10 designated time period will result in the removal and disposal of the
11 publicly accessible textile drop-off bin by the department. This notice
12 shall also state that if the owner or other responsible person objects
13 to removal on the grounds that the publicly accessible textile drop-off
14 bin is not on city property, or property maintained by the city, or on
15 any public sidewalk or roadway, such owner or other responsible person
16 may send written objection to the department at the address indicated on
17 the notice within twenty days from the mailing of such notice or, if the
18 address of such owner or other responsible person is not ascertainable
19 and notice is not mailed by the department, within twenty days from the
20 affixing of such notice, with proof that the publicly accessible textile
21 drop-off bin is not on city property, or property maintained by the
22 city, or on any public sidewalk or roadway. Proof that the publicly
23 accessible textile drop-off bin is not on city property, or property
24 maintained by the city, or on any public sidewalk or roadway shall
25 include, but not be limited to, a survey of the property prepared by a
26 licensed surveyor that is certified by the record owner of such proper-

32 textile drop-off bin is not on city property, or property maintained by
33 the city, or on any public sidewalk or roadway pursuant to paragraph a
34 of this subdivision, shall be liable for a civil penalty in the amount
