

STATE OF NEW YORK

10030

IN ASSEMBLY

May 1, 2024

Introduced by M. of A. TANNOUSIS, REILLY, PIROZZOLO -- read once and referred to the Committee on Cities

AN ACT to incorporate the city of Staten Island; to enact a charter for the city of Staten Island; to provide a period of transition prior to the establishment of the city of Staten Island; to amend the education law, in relation to the establishment of the city school district of the city of Staten Island; to amend the education law, in relation to the transfer of the college of Staten Island of the city university of New York to the state university of New York; to amend the judiciary law, in relation to providing for the judiciary within the city of Staten Island; to amend the public housing law, the education law, the public authorities law and the private housing finance law, in relation to providing membership on certain authorities for the city of Staten Island; to amend the executive law, the elder law and the social services law, in relation to probation and social services within the city of Staten Island; to amend the county law, in relation to the treatment of the county of Richmond in similar fashion to counties within a city having a population of one million or more; to amend the election law, the state finance law and the surrogate's court procedure act, in relation to making conforming changes relating to the establishment of the city of Staten Island; to amend the general municipal law, in relation to the city of Staten Island industrial development agency; to amend the local emergency housing rent control act, the emergency tenant protection act of nineteen seventy-four, the general business law and the real property tax law, in relation to the continuation of existing housing regulations for the city of Staten Island; to amend the tax law, the state finance law, the public authorities law and the New York state financial emergency act for the city of New York, in relation to applicability of the authority of the financial control board; to amend the general city law, chapter 772 of the laws of 1966 relating to imposition of a city business tax and the tax law, in relation to providing authority for the city of Staten Island to continue presently applicable taxes within such city; to enact the administrative code of the city of Staten Island, in relation to procedures and administration of essential city services and the authority of such city to impose taxes; and making appropri-

44		the city of Staten Island.
45	15-002	Appropriation; city school district of the city of Staten

1 Island.

2 16-001 Severability.

3 17-001 Effective date.

4 Section 1-001. Short title. This act shall be known and may be cited
5 as "The City of Staten Island Act".

6 § 1-002. Legislative history, findings and intent and statement of
7 purposes. 1. The legislature hereby finds, determines and declares:

8 (a) that Article IX, section 1 of the New York State Constitution
9 states that "effective local self-government and intergovernmental coop-
10 eration are purposes of the people of the state" and subdivision (a) of
11 section 2 of Article IX, further declares that "the legislature shall
12 provide for the creation and organization of local government;"

13 (b) that consistent with these constitutional provisions and in order
14 to provide for an effective republican form of government in accordance
15 with the constitution of the United States of America, the people of the
16 state of New York, represented in the senate and assembly, did enact
17 chapter 773 of the laws of 1989, as amended by chapter 17 of the laws of
18 1990, which authorized the borough of Staten Island, upon approval by
19 referendum to consider formally separating from its existing municipal
20 government, authorized the creation of a charter commission for the city
21 of Staten Island, authorized, upon approval of a subsequent referendum,
22 the adoption of a charter, and most importantly, required that within
23 three months of adoption of the charter by the voters of Staten Island,
24 the charter commission submit to the governor and the legislature,
25 proposed legislation enabling the borough of Staten Island to disengage
26 and separate from its existing municipal government, and that only upon
27 enactment of such enabling legislation, could the charter for the city
28 of Staten Island take effect;

29 (c) that the legislature, in requiring the subsequent enactment of
30 enabling legislation before a charter for the city of Staten Island
31 could take effect, reaffirmed its paramount constitutional authority to
32 distribute the powers of local government, as between city and county
33 governments, as it deems best;

34 (d) that preserving historical and natural boundaries, as well as the
35 integrity of political subdivisions of the state, and providing meaning-
36 ful representation of the smaller boroughs in the city of New York
37 affairs, are among those legitimate state interests and policies which
38 have been validated by the federal courts;

39 (e) that the people of the state of New York enacted chapter 773 of
40 the laws of 1989, as subsequently amended, to provide a process by which
41 the people of Staten Island could carefully study and consider the legal
42 disengagement and separation of the borough of Staten Island from the
43 city of New York as an acceptable means of implementing the substantial
44 state interest in providing effective local self-government for the
45 citizens of Staten Island; and

46 (f) that the issues of legal disengagement and separation of the
47 borough of Staten Island from the city of New York raise concerns of
48 statewide importance, not limited to Staten Island residents or New York
49 city residents.

50 2. The legislature further finds, determines and declares:

51 (a) that the New York State Constitution entitles the people of Staten
52 Island to "effective local self-government;"

53 (b) that the existing charter of the city of New York does not provide
54 meaningful representation to the borough of Staten Island, therefore
55 precluding "effective local self-government;"

1 (c) that given the constraints of the United States Supreme Court
2 articulated in Board of Estimate of the City of New York v. Beverly
3 Morris, 489 US 103 (1989), the only viable alternative to providing
4 "effective local self-government" is legal disengagement and separation
5 from the city of New York and the creation of the new city of Staten
6 Island;

7 (d) that such legal separation of Staten Island from the city of New
8 York is economically feasible, with minimal fiscal impact on the state
9 of New York;

10 (e) that the city of New York should have a meaningful role and the
11 opportunity to provide significant input in the process by which Staten
12 Island legally disengages and separates from the city of New York,
13 including participation in a transition period, but the city of New York
14 should not in the exercise of the aforesaid role, be permitted to unila-
15 terally prevent the legal disengagement and separation of Staten Island;
16 and

17 (f) that in connection with the process of legal disengagement and
18 separation, there is hereby specifically delegated to a group of repre-
19 sentatives from both the city of New York and the proposed city of
20 Staten Island the task of evaluating and accounting for the allocation
21 of all assets and liabilities, as well as the provision of municipal
22 services during the transition period, all of which shall be determined
23 in the context of the overall best interest of the state of New York.

24 3. The legislature further finds, determines and declares:

25 (a) that by virtue of the authority vested in the legislature by the
26 New York State Constitution to provide for the "creation and organiza-
27 tion of local governments" as well as for "effective local self-govern-
28 ment" and "intergovernmental cooperation," the interests of the people
29 of the state would be served and promoted by the separation and creation
30 of a new municipality to be called the city of Staten Island; and

31 (b) that in furtherance of such purposes, the recommendations of the
32 charter commission shall be implemented in connection with the creation
33 of the city of Staten Island.

34 4. The legislature further finds, determines and declares that the
35 establishment of the city of Staten Island is authorized by the New York
36 State Constitution, constitutes a state purpose for the benefit of the
37 people of the state of New York and therefore the city of Staten Island
38 Act is hereby enacted.

39 § 1-003. Definitions. As used in this act, the following terms shall
40 have the following meanings:

41 1. "Effective date of this charter" shall mean the first of November
42 next succeeding the date on which this act shall have become a law.

43 2. "Date of incorporation of the city of Staten Island" or "date of
44 incorporation" shall mean the date on which the city of Staten Island is
45 incorporated, the first of January next succeeding the date on which
46 this act shall have become a law.

47 3. "Date of establishment of the city of Staten Island" or "date of
48 establishment" shall mean the date on which the city of Staten Island is
49 first authorized to exercise full municipal authority, except for judi-
50 cial authority, over the citizens and territory of the city of Staten
51 Island, the first of July in the second year next succeeding the year in
52 which this act shall have become a law.

53 4. "Transition period" shall mean the period of time between the date
54 of incorporation and the first of July in the second year next succeed-
55 ing the year in which this act shall have become a law from and includ-
56 ing the date of incorporation until the date of establishment.

1 5. "Preceding municipality" shall mean the city government for the
 2 geographical area of the city of Staten Island existing immediately
 3 prior to the incorporation of the city of Staten Island and which shall
 4 exercise full municipal powers and duties for such area during the tran-
 5 sition period.

6 6. "Judiciary transition period" shall mean the period of time between
 7 the date of incorporation of the city of Staten Island and December
 8 thirty-first in the fifth year following such incorporation or until the
 9 provisions of article 5-C of the judiciary law are specifically super-
 10 seded by state law. At the conclusion of the judiciary transition peri-
 11 od, the city of Staten Island shall be authorized to exercise full judi-
 12 cial authority over the citizens and territory of the city of Staten
 13 Island.

14 § 1-004. Incorporation. The city of Staten Island is hereby incorpo-
 15 rated on the first of January next succeeding the date on which this act
 16 shall have become a law. The boundaries of such city shall be as
 17 described in section 1-02 of the charter of the city of Staten Island as
 18 set forth in section 2-001 of this act. During the transition period
 19 such city shall not have the powers or duties of a municipality except
 20 those which are provided for pursuant to this act to provide for the
 21 transition of government and the establishment of such city. During the
 22 transition period, the preceding municipality shall possess and exercise
 23 full municipal powers and duties for the area to become the city of
 24 Staten Island except for those powers and duties as may be provided by
 25 the provisions of this act. Powers and duties of the city of Staten
 26 Island not yet in effect shall remain with the preceding municipality
 27 until such time as those powers and duties are transferred to the city
 28 of Staten Island pursuant to the provisions of this act. Except as
 29 otherwise provided by this act, full powers and duties shall devolve to
 30 the city of Staten Island on the first of July in the second year next
 31 succeeding the date on which this act shall have become a law. The
 32 following powers, duties and functions regarding the judiciary during
 33 the judicial transition period and other matters as jointly determined
 34 by the city of Staten Island and the preceding municipality in accord-
 35 ance with the provisions as outlined elsewhere in this act, will be
 36 shared by both municipalities. The city of Staten Island shall be estab-
 37 lished on the first of July in the second year next succeeding the date
 38 on which this act shall have become a law, on which date the city of
 39 Staten Island shall possess full municipal powers and duties as are
 40 provided under law and the preceding municipality shall cease to possess
 41 municipal powers and duties regarding the city of Staten Island.

42 § 2-001. Charter of the city of Staten Island. The city charter of
 43 the city of Staten Island is enacted to read as follows:

44 Charter of the City of Staten Island

8 CHARTER OF THE CITY OF STATEN ISLAND

9 Preamble

10 The People of Staten Island, exercising their right to propose a
11 government of their choosing through which all people can be effectively
12 represented, do hereby adopt this Charter.

13 The birth of a city, must, of necessity, take place in an aura of
14 excitement and great expectations. When it occurs at a time when society
15 is experiencing strong institutional challenges in a climate of skepti-
16 cism, it places heavy burdens on those responsible for leadership to
17 sustain a commitment by the people to live and function together as a
18 community.

19 The provision of a structure of governance at the local level is an
20 extraordinary and crucial responsibility. Sophocles wisely observed that
21 "the city is the people." The City of Staten Island must place a high
22 premium on assuring meaningful participation of its citizenry in the
23 governmental decisions affecting their lives.

24 We must respect the principles of equality and of the social dignity
25 of all of our residents and provide for the complete development of the
26 individual, promoting actions which favor the advancement of men and
27 women in realizing their fullest potential. We must embrace policies
28 that promote and give effectiveness to the rights of every person, with
29 particular attention to those who face special challenges, in striving
30 for a full life.

31 We must assert a policy of favoring equal opportunity employment for
32 all women and men. We must foster a culture that is peaceful and non-
33 violent and that safeguards the rights of all inhabitants to carry out
34 their lawful activities on Staten Island.

35 We should give strong supportive efforts for the conservation and
36 defense of the environment along with the advancement of the cultural
37 and natural values that sustain them. We consent to be governed by the
38 new municipality in the belief that a smaller, localized city government
39 may effectively and responsibly balance the needs of the people with the
40 cost of providing municipal services.

41 The City of Staten Island can serve as a model for the promotion of
42 the common welfare, the guarantor of individual liberties and the guard-
43 ian of the social, spiritual, economic and cultural concerns of its
44 inhabitants.

45 We believe this act of self determination to be in the best interests
46 of the people of Staten Island and the people of the City of New York
47 and we hope that together, as sister cities, we can work cooperatively
48 in efforts of regional concern and for the betterment of New York State.

49 Chapter 1

50 General Provisions

51 § 1-01. Incorporation.

52 The citizens of the State of New York from time to time inhabitants of
53 the territory in the County of Richmond, included in the boundaries set
54 forth in section 1-02 of this chapter, shall be known as the City of

1 Staten Island, and shall be a municipal corporation in perpetuity under
2 the name of "The City of Staten Island."

3 § 1-02. Boundaries.

4 The City of Staten Island shall consist of all the territory known as
5 Richmond county, which shall contain all that part of the state, bounded
6 on the north by the center line of the Kill Van Kull which center line
7 would extend easterly to the extension of the center line of North River
8 and Upper New York Bay, then on the east by the extension of the afore-
9 mentioned center line of Upper New York Bay running southerly through
10 the Narrows between Richmond county and Kings county and continuing
11 through Lower New York Bay to the Atlantic Ocean, and bounded on the
12 south east by the Atlantic Ocean to the boundary of the state of New
13 York and the state of New Jersey at Raritan Bay, and on the west follow-
14 ing the center line of the Kill Van Kull and the center line of the
15 Arthur Kill which is the boundary between the state of New York and the
16 state of New Jersey, including Staten Island, Island of Meadows, Pralls
17 Island, Hoffman Island, Swinburne Island, that part of Shooters Island
18 within the state of New York, and all other islands or parts thereof
19 situated within the aforescribed bounds.

20 Chapter 2

21 Powers of the City

22 § 2-01. Powers.

23 The city shall have and may exercise all powers necessary for local
24 self-government and any additional powers and authority which are now or
25 may be hereafter granted to it under the Constitution or laws of this
26 State, as fully and completely as though such powers were specifically
27 enumerated in this Charter and no enumerations of particular powers in
28 this Charter shall be held to be exclusive but shall be held to be in
29 addition to this general grant of powers.

30 § 2-02. Purposes.

31 All city powers shall be used to serve and advance the general
32 welfare, health, happiness, safety and aspirations of its inhabitants,
33 present and future, and to encourage their full participation in the
34 process of governance.

35 Chapter 3

36 Mayor

37 § 3-01. Executive power.

38 The executive power of the city shall be vested in and exercised by
39 the mayor as chief executive officer.

40 § 3-02. Election; term.

41 The mayor shall be elected at the first general election following the
42 effective date of this charter and every fourth year thereafter. The
43 mayor shall hold office for a term of four years commencing on the first
44 of January after each such election.

45 § 3-03. Qualifications.

46 The mayor shall be a citizen of the United States, a qualified elector
47 of the city, and shall have been a resident of the city for at least one
48 year immediately preceding his/her election.

49 § 3-04. Deputy mayor.

50 The mayor shall appoint and at pleasure remove a deputy mayor who
51 shall have such powers and duties as may be assigned by the mayor and
52 who shall act temporarily as mayor in case of the mayor's temporary
53 inability, absence or illness as is provided by this charter.

54 § 3-05. Removal of the mayor.

55 The mayor may be removed from office by the governor upon charges and
56 after service upon him or her of a copy of the charges and an opportu-

1 nity to be heard in his or her defense. Pending the preparation and
2 disposition of charges, the governor may suspend the mayor for a period
3 not exceeding thirty days.

4 § 3-06. Succession.

5 (a) In case of the suspension of the mayor from office, the mayor's
6 temporary inability to discharge the powers and duties of the office of
7 mayor by reason of sickness or otherwise, or the mayor's absence from
8 the city, the powers and duties of the office of mayor shall devolve
9 upon the deputy mayor or an acting mayor in case of a vacancy in the
10 office of deputy mayor pending a special election to fill the vacancy in
11 the office of mayor as provided in subdivision (c) of this section.
12 While so acting temporarily as mayor the deputy mayor or acting mayor
13 shall not exercise any power of appointment to or removal from office;
14 and shall not, until such suspension, inability or absence shall have
15 continued nine days, sign, approve or disapprove any local law or resolu-
16 tion, unless the period during which the mayor can act thereon would
17 expire during said nine days in which case the deputy mayor or acting
18 mayor in case of a vacancy in the office of deputy mayor shall have the
19 power to disapprove the same within forty-eight hours before the time to
20 act expires.

21 (b) In case of a failure of a person elected as mayor to qualify, or a
22 vacancy in the office caused by the mayor's resignation, removal, death
23 or permanent inability to discharge the powers and duties of the office
24 of mayor, such powers shall devolve upon the deputy mayor or acting
25 mayor in case of a vacancy in the office of deputy mayor pending a
26 special election to fill the vacancy for the remainder of the unexpired
27 term in the office of mayor as provided in subdivision (c) of this
28 section, such special election to take place thirty days after the procla-
29 mation that such vacancy exists.

30 (c) Within seven days of the occurrence of a vacancy in the office of
31 mayor, the council shall proclaim the date for the special election to
32 fill the vacancy required by this subdivision and such election shall
33 take place thirty days after said proclamation. The council shall
34 provide notice of such proclamation to the city clerk and board of
35 elections and publish notice thereof, and the board of elections shall
36 mail notice of such election to all registered voters within the city
37 and shall conduct such special election thirty days after the proclama-
38 tion.

39 (d) A party nomination of a candidate for the special election to fill
40 a vacancy in the office of mayor for the remainder of the unexpired term
41 shall be made in the manner prescribed by the rules of the party.

42 (e) An independent nominating petition for the nomination of candi-
43 dates to fill the vacancy must be signed by registered voters numbering
44 five per centum of the total number of votes cast for governor at the
45 last gubernatorial election in the city of Staten Island, excluding
46 blank and void votes, except that not more than two thousand signatures
47 shall be required upon any such petition.

48 (f) Any vacancy in the office of mayor that occurs after July tenth
49 and on or before September nineteenth in any year shall be filled at the
50 general election held in such year.

51 (g) Any vacancy that occurs on or after September twentieth in any
52 year and not later than thirty-seven days before the first Tuesday in
53 December shall be filled at a special election to be held on the first
54 Tuesday in December in such year.

1 A person elected to fill a vacancy in the office of mayor at a special
2 election shall take office immediately upon qualification and fill the
3 vacancy for the remainder of the unexpired term.

4 § 3-07. Appointment and removal of officers and employees.

5 (a) The mayor shall appoint the heads of administrations, departments,
6 all commissioners, and all other officers not elected by the people
7 including a city clerk, except as otherwise provided in this charter or
8 by law.

9 (b) The mayor, whenever in his or her judgment the public interest
10 shall so require, may remove from office any public officer holding
11 office by appointment from a mayor of the city, except officers for
12 whose removal other provision is made by law. No public officer shall
13 hold his or her office for any specific term, except as otherwise
14 provided by law.

15 § 3-08. General Powers.

16 (a) The mayor, subject to this charter, shall exercise all the powers
17 vested in the city, except as otherwise provided by law.

18 (b) The mayor shall have the power:

19 1. to supervise, direct and control, subject to law, the administra-
20 tive services and departments of government;

21 2. to see that the ordinances of the city and laws of the city and
22 state are properly administered and enforced;

23 3. to prepare and submit to the council an annual report of his or her
24 work, which shall be made public and which shall include a summary of
25 agency service goals, performance measures and actual performance rela-
26 tive to goals for each service delivery program and an appendix of those
27 programs which provide abatements or reductions of taxes for businesses
28 in the city;

29 4. to prepare and submit a budget message and an expense budget and
30 capital budget annually to the council for its consideration and neces-
31 sary action in accordance with this charter and the city code;

32 5. to call special sessions of the council;

33 6. to approve or to veto acts of the council in the manner prescribed
34 by this charter;

35 7. to inquire into the conduct of any city department, agency, board
36 or commission, except elected officials and their offices; and to make
37 investigation as to municipal affairs and, for that purpose, may subpoe-
38 na witnesses, administer oaths and compel production of books, papers
39 and other evidence. Failure to obey such subpoena or to produce books,
40 papers or evidence as ordered under this section shall be punishable as
41 a misdemeanor;

42 8. to create or abolish bureaus, divisions or positions within the
43 executive office of the mayor or city departments as he or she may deem
44 necessary to fulfill mayoral duties;

45 9. to delegate to or withdraw from any member of said office, speci-
46 fied functions, powers and duties, except the mayor's power to act on
47 local laws or resolutions of the council or to appoint or remove offi-
48 cials;

49 10. to perform all such duties as may be presented for the mayor in
50 this charter, or other law, or by act of the council.

51 (c) Notwithstanding any other provision of law, the mayor shall have
52 the powers of a finance board under the local finance law and may exer-
53 cise such powers without regard to any provision of law prescribing the
54 voting strength required for a resolution or action of such finance
55 board, provided, however, that whenever the mayor determines that obli-
56 gations should be issued and the amount thereof, the mayor shall certify

1 such determination to the comptroller who shall thereupon determine the
2 nature and term of such obligations and shall arrange for the issuance
3 thereof.

4 Chapter 4
5 Common Council

6 § 4-01. Legislative power.

7 The legislative power of the city shall be vested in and exercised by
8 the common council, hereinafter referred to as the council, except as
9 otherwise provided by this charter.

10 § 4-02. Number, election and terms of office of council members.

11 (a) The council shall consist of fifteen members each elected from
12 separate council districts. Eight council members shall be elected from
13 districts denominated "A" districts and seven council members shall be
14 elected from districts denominated "B" districts. The eight council
15 members who represent "A" districts shall be elected at the general
16 election to be held in the years ending in seven, one and five. The
17 seven council members who represent "B" districts shall be elected at
18 the general election to be held in the years ending in seven, nine and
19 three.

20 (b) The boundaries and designations of the council districts shall be
21 drawn and specified pursuant to section 5 of chapter 773 of the laws of
22 1989 and shall remain in effect until altered or changed in accordance
23 with the provisions of this charter. Council members shall be elected at
24 the first general election following the effective date of this charter,
25 except as otherwise provided by transition provisions. The term of
26 office of a council member shall begin on January first following such
27 election and shall be for either a four-year or two-year period as
28 provided in subdivision (a) of this section or until a successor is duly
29 elected and qualified.

30 § 4-03. Qualifications.

31 Each council member shall be a citizen of the United States and shall
32 have been resident of the city for one year immediately preceding his or
33 her election and shall reside in the district from which elected while
34 serving as a council member. Removal of residence from the city or from
35 the council district following election or during the term of office
36 shall constitute immediate forfeiture of office and a vacancy shall
37 exist in the district from which the council member was elected.

38 § 4-04. Organization.

39 The council shall determine the rules of its own proceedings at the
40 first stated meeting of the council in each year. The council by majori-
41 ty vote of all its members shall elect one member as speaker and such
42 other officers as it deems appropriate.

43 § 4-05. Vacancy.

44 (a) The office of a council member shall become vacant upon the
45 member's death, resignation, removal from office or forfeiture of office
46 in any manner authorized by law. A council member shall forfeit that
47 office if the council member violates any express prohibition of this
48 charter or lacks at any time during the term of office for which he or
49 she was elected any qualification for the office prescribed by the char-
50 ter or by law.

51 (b) Within seven days of the occurrence of a vacancy in the council,
52 the mayor shall proclaim the date for a special election to fill the
53 vacancy required by this subdivision and such election shall take place
54 thirty days after said proclamation. The mayor shall provide notice of
55 such proclamation to the city clerk and board of elections and publish
56 notice thereof, and the board of elections shall mail notice of such

1 election to all registered voters within the district in which the
2 vacancy has occurred and shall conduct such special election thirty days
3 after the proclamation.

4 (c) A party nomination of a candidate for the special election to fill
5 a vacancy in the council for the remainder of the unexpired term shall
6 be made in the manner prescribed by the rules of the party.

7 (d) An independent nominating petition for the nomination of candi-
8 dates to fill the vacancy must be signed by voters numbering five per
9 centum of the total number of votes cast in the district for governor at
10 the last gubernatorial election in the city, excluding blank and void
11 votes, or as provided by the New York state election law.

12 (e) Any vacancy that occurs in the council after July tenth and on or
13 before September nineteenth in any year shall be filled at the general
14 election held in such year.

15 (f) Any vacancy that occurs on or after September twentieth in any
16 year and not later than thirty-seven days before the first Tuesday in
17 December shall be filled at a special election to be held on the first
18 Tuesday in December in such year.

19 A person elected to fill a vacancy in the council at a special
20 election shall take office immediately upon qualification and fill the
21 vacancy for the remainder of the unexpired term.

22 § 4-06. Powers.

23 (a) All legislative power shall be vested in a council.

24 (b) The council shall have the following additional powers:

25 1. to employ or retain its own staff and consultants including a clerk
26 of the council;

27 2. to conduct investigations in accordance with the provisions of this
28 charter;

29 3. to designate an acting mayor within seventy-two hours of the occur-
30 rence of a vacancy in both the office of mayor and the office of deputy
31 mayor;

32 4. to approve appointments as provided in this charter, except as
33 otherwise mandated by law;

34 5. to exercise the power of removal as provided in this charter;

35 6. to override the veto of a mayor by a two-thirds vote of all the
36 members;

37 7. to disapprove within thirty days any proposed designation by the
38 department of city planning of a landmark, landmark site, interior land-
39 mark, scenic landmark or historic district, provided however, that in
40 the absence of any such disapproval the proposed designation shall
41 become effective thirty days after having been referred to the council
42 by the department of city planning;

43 8. to call a meeting at any time between the council and the mayor
44 jointly to discuss legislation or business of the city in general, and
45 by a two-thirds vote of all the members to compel the attendance of the
46 mayor at a council hearing; and

47 9. to exercise other powers conferred by this charter.

48 § 4-07. Clerk of the council.

49 (a) The council shall appoint a clerk who shall perform such duties as
50 may be prescribed by law. The clerk so appointed shall be the clerk of
51 the council and shall serve at the pleasure of the council. The clerk
52 shall attend the meetings of the council, keep a journal of its
53 proceedings and discharge such other duties as may be prescribed by this
54 charter or other law.

55 (b) The clerk shall keep each local law passed in a book provided for
56 that purpose, with proper indices, which book shall be deemed a public

1 record of such local laws, and each local law shall be attested by said
2 clerk. The clerk shall cause to be published all notices, advertising
3 matters or proceedings as required by the provisions of this charter or
4 by other law. It shall be the duty of the clerk to keep open for
5 inspection at all reasonable times the records and minutes of the
6 proceedings of the council.

7 § 4-08. Investigations.

8 The council shall have the power to investigate any matters within its
9 jurisdiction relating to the property, affairs, or government of the
10 city, or to any other powers of the council, or to the effectuation of
11 the purposes or provisions of this charter or any laws relating to the
12 city, and to incur expenses therefor which shall be a general city
13 charge in the absence of an appropriation. The council shall have the
14 power to require the attendance and examine and take testimony under
15 oath of such persons as it may deem necessary and to require the
16 production of books, accounts, papers and other evidence relative to the
17 inquiry kept by any person which may relate to such investigation or the
18 attendance of any person having knowledge of the subject matter of the
19 investigation.

20 § 4-09. Local laws.

21 (a) Except as otherwise provided by law, all legislative action by the
22 council shall be by local law. Every local law shall contain only one
23 subject. The title shall clearly refer to the subject matter.

24 (b) The council shall take no final action on any legislation until a
25 minimum of three days, exclusive of Sundays, has elapsed from the date
26 of its introduction, unless the mayor shall have certified as to the
27 necessity for its immediate passage and such local law be passed by the
28 affirmative vote of two-thirds of all the council members; provided
29 however that general plans, development plans and amendments and
30 revisions thereto shall not be so certified.

31 (c) Every local law passed by the council shall be certified by the
32 clerk of the council and shall be presented to the mayor for approval
33 prior to its effective date. The mayor shall sign the legislation within
34 ten days if approved, but, if not, shall return it to the council
35 together with a written statement of his or her objections. The council,
36 within thirty days may reconsider any legislation disapproved by the
37 mayor and may pass it by a two-thirds vote of all the members. If the
38 mayor fails to sign or return legislation to the council with reasons
39 for disapproval, it shall become law as of its effective date, thirty
40 days after submission to the mayor.

41 (d) No proposed local law or budget modification shall be voted on by
42 a council committee or the council unless it is accompanied by a fiscal
43 impact statement containing the following information:

44 1. the fiscal year in which the proposed law or modification would
45 first become effective and the first fiscal year in which the full
46 fiscal impact of the law or modification is expected to occur;

47 2. an estimate of the fiscal impact of the law or modification on the
48 revenues and expenditures of the city during the fiscal year in which
49 the law or modification is to first become effective, during the
50 succeeding fiscal year, and during the first fiscal year in which the
51 full fiscal impact of the law or modification is expected to occur; and

52 3. a list of sources of information used in its preparation.

53 (e) All agency heads shall promptly provide to any council committee
54 any information that it requests to assist it in preparing a fiscal
55 impact statement.

56 § 4-10. Districting commission.

1 (a) There shall be a districting commission consisting of seven
2 members appointed as provided in this section.

3 (b) Each member of the commission shall be a citizen of the United
4 States and shall have been a resident of the city for one year imme-
5 diately preceding his or her appointment.

6 (c) The majority leader in the council shall appoint three members of
7 the commission.

8 (d) The minority leader in the council shall appoint two members of
9 the commission.

10 (e) If only one political party has a council delegation, then the
11 chairpersons of the county committees of the political party with no
12 council delegation which, at the time of the last general election for
13 council preceding the time at which such appointments are required to be
14 made, had the second and third highest number of votes cast in that
15 election, shall each appoint one member of the commission.

16 (f) The mayor shall appoint two additional members who shall not be
17 members of the same political party.

18 (g) In the event of a vacancy by death, resignation or otherwise, a
19 new member enrolled in the same political party from which his or her
20 predecessor was selected shall be appointed in the same manner as the
21 member whose departure from the commission created the vacancy and shall
22 serve for the balance of the term remaining.

23 (h) The members of the commission shall elect one of the seven members
24 to serve as the chair of the commission.

25 § 4-11. Powers of the districting commission.

26 (a) Following each decennial census, the commission shall prepare a
27 plan for dividing the city into districts for the election of council
28 members.

29 (b) The commission shall submit its plan to the council for its final
30 adoption and such plan shall not be subject to any mayoral action in
31 order to become effective.

32 § 4-12. Community advisory boards.

33 (a) The common council is hereby authorized to create, by local law,
34 one or more community advisory board districts and corresponding commu-
35 nity advisory boards to consider the needs of such districts, and to
36 cooperate with, consult, assist and advise members of the common coun-
37 cil, as well as any public officer, agency, and local administrators of
38 such agencies, with respect to any matter relating to the welfare of the
39 residents of such districts.

40 (b) The number of community advisory boards and the number of members
41 appointed to serve on such board or boards shall be determined by the
42 common council as it deems appropriate.

43 (c) In addition, the boundary lines of the community advisory board
44 districts created hereunder shall be coterminous with the boundary lines
45 of one or more council districts so that no council district shall be
46 included in more than one community advisory board district.

47 (d) Members of the community advisory boards shall serve without
48 compensation and shall serve for not more than two (2) consecutive two-
49 year terms so as to maximize the opportunities for meaningful partic-
50 ipation in local government for all city residents, and to preserve the
51 spirit and long-standing tradition of excellent voluntarism on Staten
52 Island.

53 Chapter 5
54 Comptroller

55 § 5-01. Election; term.

1 The comptroller shall be elected by the electors of the city at the
2 same time and for the same term as this charter prescribes for the
3 mayor. The comptroller shall serve for a term of four years commencing
4 on the first of January following such election and until a successor is
5 elected and qualified.

6 § 5-02. Powers and duties.

7 (a) The comptroller shall have the following powers and duties:

8 1. to advise the mayor and the council on the financial condition of
9 the city or any phase thereof;

10 2. to make recommendations, comments and criticisms in regard to the
11 operations, fiscal policies and financial transactions of the city as he
12 or she may deem advisable;

13 3. to audit and investigate all matters relating to or affecting the
14 finances of the city, including without limitation the performance of
15 contracts and the receipt and expenditure of city funds, and for such
16 purpose shall have the power to require the attendance and examine and
17 take the testimony under oath of such persons as the comptroller may
18 deem necessary;

19 4. to submit an annual report to the mayor and the council showing
20 revenues, receipts and expenditures, the sources from which the revenues
21 and funds are derived and how they have been disbursed;

22 5. to inspect, revise and prescribe the form of reports and accounts
23 of the agencies, trusts, the council and units of government;

24 6. to audit all agencies, trusts, the council and units of government
25 whenever the comptroller decides it is necessary or is directed to
26 conduct such an audit either by the mayor or by the council. The comp-
27 troller shall be entitled to obtain access to agency records required by
28 law to be kept confidential, other than records which are protected by
29 the privileges for attorney-client communications, attorney work
30 products, or material prepared for litigation, upon a representation by
31 the comptroller that necessary and appropriate steps will be taken to
32 protect the confidentiality of such records.

33 (b) The comptroller shall establish a regular auditing cycle to ensure
34 that one or more of the programs or activities of each city agency, or
35 one or more aspects of each agency's operations, is audited at least
36 once every four years. The audits conducted by the comptroller shall
37 comply with generally accepted government auditing standards. In accord-
38 ance with such standards, and before any draft or final audit or audit
39 report, or portion thereof, may be made public, the comptroller shall
40 send a copy of the draft audit or audit report to the head of the audit-
41 ed agency and provide the agency, in writing, with a reasonable deadline
42 for its review and response. The comptroller shall include copies of any
43 such agency response in any draft or final audit or audit report, or
44 portion thereof, which is made public. The comptroller shall send copies
45 of all final audits and audit reports to the mayor and the council.

46 (c) The comptroller shall establish for his or her office and for all
47 city agencies a uniform system of accounting and reporting based on
48 generally accepted accounting principles.

49 (d) The comptroller shall perform such other functions and duties as
50 may be required by other provisions of this charter or by law.

51 § 5-03. Qualifications.

52 The comptroller shall be a citizen of the United States, a qualified
53 elector of the city, and shall have been a resident of the city for at
54 least one year immediately preceding his or her election.

55 § 5-04. Deputy comptroller.

1 The comptroller shall appoint and at pleasure remove a deputy comp-
2 troller who in case of a vacancy in the office or in case of the illness
3 or inability of the comptroller to act shall have the same powers and
4 perform the same duties as the comptroller. The qualifications of the
5 nominee for the position of deputy comptroller shall be submitted to the
6 council by the comptroller and the nominee may be requested to appear in
7 person before the council to respond to questions concerning those qual-
8 ifications.

9 § 5-05. Vacancy.

10 (a) Any vacancy in the office of comptroller shall be filled by
11 special election in accordance with the provisions of this charter. In
12 the event of a vacancy in the office of the comptroller or whenever by
13 reason of sickness, absence from the city or suspension from office, the
14 comptroller shall be prevented from attending to the duties of the
15 office, the deputy comptroller shall act as comptroller.

16 (b) Within seven days of the occurrence of a vacancy in the office of
17 comptroller, the mayor shall proclaim the date for the special election
18 required by this subdivision and such election shall take place thirty
19 days after said proclamation. The mayor shall provide notice of such
20 proclamation to the city clerk and board of elections and publish notice
21 thereof, and the board of elections shall mail notice of such election
22 to all registered voters within the city and shall conduct such special
23 election thirty days after the proclamation.

24 (c) A party nomination of a candidate for the special election to fill
25 a vacancy in the office of comptroller for the remainder of the unex-
26 pired term shall be made in the manner prescribed by the rules of the
27 party.

28 (d) An independent nominating petition for the nomination of candi-
29 dates to fill the vacancy must be signed by registered voters numbering
30 five per centum of the total number of votes cast for governor at the
31 last gubernatorial election in the city, excluding blank and void votes,
32 except that not more than two thousand signatures shall be required upon
33 any such petition.

34 (e) Any vacancy in the office of comptroller that occurs after July
35 tenth and on or before September nineteenth in any year shall be filled
36 at the general election held in such year.

37 (f) Any vacancy that occurs on or after September twentieth in any
38 year and not later than thirty-seven days before the first Tuesday in
39 December shall be filled at a special election to be held on the first
40 Tuesday in December in such year.

41 A person elected to fill a vacancy in the office of comptroller at a
42 special election shall take office immediately upon qualification and
43 fill the vacancy for the remainder of the unexpired term.

44 Chapter 6

45 The Budgetary Process:

46 Expense and Capital

47 § 6-01. Budgetary responsibilities of the mayor.

48 (a) The mayor shall annually prepare and submit to the council prelim-
49 inary and executive budgets, each of which shall present a complete
50 financial plan for the city and its agencies for the ensuing fiscal year
51 and the three succeeding fiscal years. Each such budget shall consist of
52 three parts: the expense budget, which shall set forth proposed appro-
53 priations for the operating expenses of the city including debt service,
54 and interfund transfers; the capital budget and program, which shall set
55 forth proposed appropriations for capital projects; and the revenue

1 budget, which shall set forth the estimated and anticipated revenues and
2 receipts of the city, as well as any other anticipated sources and uses
3 of funds.

4 (b) The mayor shall appoint the director of the budget who shall
5 assist the mayor in the preparation and the administration of the budg-
6 et. The director shall perform all such duties in regard to the budget
7 and related matters as the mayor may direct. The director shall have the
8 power personally or through representatives, to survey each agency for
9 the purpose of ascertaining its budgetary requirements. The director may
10 require any agency, or any officer or employee, to furnish data and
11 information and to answer inquiries pertinent to the exercise of any of
12 the director's duties in regard to the budget and related matters.

13 § 6-02. Spending pursuant to appropriations.

14 (a) No money, except for grants or gifts from private entities, shall
15 be paid from any fund under the management of the city, or any fund
16 under the management of any agency or officer of the city, or any other
17 entity the majority of the members of whose board are city officials or
18 are appointed directly or indirectly by city officials, except in
19 pursuance of an appropriation by the council or other specific legal
20 authorization provided, however, that:

21 1. if at any time the council shall fail to make an appropriation for
22 the payment of debt service on any debts of the city as they fall due,
23 or for the payments to the several sinking funds, the officer responsi-
24 ble for the collection of taxes shall set apart, from the first revenues
25 thereafter received applicable to the general fund of the city, a sum
26 sufficient to pay such amounts and shall so apply such sum; and

27 2. money, the ownership and equitable title of which belongs to an
28 individual, corporation, organization or government other than the city
29 and which is being held by any agency or officer of the city pending
30 transfer of such money to such individual, corporation, organization or
31 government in accordance with the terms and conditions pursuant to which
32 it was placed in the custody of such agency or officer, may be trans-
33 ferred to such individual, corporation, organization or government by
34 such agency or officer without an appropriation by law provided such
35 transfers are made in accordance with such terms and conditions; and

36 3. money or other financial resources may only be transferred from one
37 fund to another without specific statutory authorization for such a
38 transfer if that money or those other financial resources are being
39 loaned temporarily to such other fund and an accurate accounting and
40 reporting of the balance of financial resources in each fund and of the
41 amount due by each fund to each other fund is made at the end of each
42 month; and

43 4. grants or gifts from private entities exempt from the requirements
44 of this section, and expenditures of such funds, shall be subject to
45 disclosure, at least annually, by the responsible agency, officer or
46 entity in a form and containing such information as the mayor shall
47 prescribe for this purpose by rule.

48 (b) The head of each agency of the city, and each entity the majority
49 of the members of whose board are city officials or individuals
50 appointed directly or indirectly by city officials, shall, on or before
51 the fifteenth of October in each year, submit to the mayor and the coun-
52 cil, in such form as the mayor shall prescribe, a statement of the
53 sources, amounts and disposition of all money received by such agency or
54 entity, or by a unit or officer of such agency during the preceding
55 fiscal year, other than money appropriated for the use of such agency or
56 entity by the council, or money paid by such agency or entity into the

1 city treasury and reported in the annual report of the comptroller for
2 such fiscal year. The mayor shall ensure that copies of such statements
3 are available for public inspection, and shall designate a city officer
4 to maintain copies of such statements for such purpose.

5 § 6-03. Fiscal year.

6 The fiscal year of the city shall commence on July first in each year
7 and shall terminate at midnight on the ensuing June thirtieth.

8 § 6-04. Budgetary process and timeline.

9 Except where noted otherwise, each step should be taken not later than
10 the dates indicated below.

11 (a) Ten-year capital strategy.

12 1. Draft: November first in each even-numbered year.

13 2. Report and hearing on the first draft: January sixteenth in each
14 odd numbered year.

15 3. Mayor's issuance: April twenty-sixth in each odd numbered year.

16 4. Comparison of adopted budget and ten-year capital strategy: thirty
17 days after the budget is adopted in each year.

18 (b) Revenue estimation report of the comptroller and mayor.

19 1. The comptroller shall certify to the mayor the actual revenues for
20 the previous fiscal year: October thirty-first.

21 2. The mayor shall report comparing actual revenues to estimated
22 revenues in the budget as adopted for the previous fiscal year: November
23 fifteenth.

24 (c) Departmental estimates and the mayor's preliminary budget public
25 hearings: such date as the mayor may direct.

26 (d) Report of the comptroller on capital debt and obligations: Decem-
27 ber first.

28 (e) Report of the comptroller on the state of the city's finances to
29 the council: December fifteenth.

30 (f) Preliminary certificate of the mayor on capital debt and obli-
31 gations to the council and comptroller: January sixteenth. At any time
32 up to the submission of the executive capital budget to the council, the
33 mayor may amend such preliminary certificate.

34 (g) Preliminary budget submitted to the council: January sixteenth.

35 (h) Finance commissioner's estimate of assessed valuation, and state-
36 ment of taxes due and uncollected submitted to the mayor and council:
37 February fifteenth.

38 (i) Comptroller's statement of debt service: March first.

39 (j) The council's operating budget. March tenth: the council shall
40 approve and submit to the mayor estimates of its financial needs for the
41 ensuing fiscal year.

42 (k) Council committees' preliminary budget hearings on:

43 1. program objectives and fiscal implications of preliminary budget,
44 draft ten year capital strategy, city planning director's report on the
45 draft strategy, and the status of capital projects and expense appropri-
46 ations previously authorized; and

47 2. recommendations for any changes in the unit of appropriation struc-
48 ture, or any change in the memorandum of understanding of the terms and
49 conditions regarding such units of appropriations; and

50 3. the council's findings and the net effect of the changes recom-
51 mended on the preliminary capital budget shall not exceed the maximum
52 amount set forth in the preliminary certificate: March twenty-fifth.

53 (l) Executive budget, the four-year financial plan and budget message
54 with any accompanying reports and schedules submission for the ensuing
55 fiscal year: April twenty-sixth.

1 (m) Proposed local laws and home rule requests necessary to implement
2 the recommendations made in the executive budget: as soon after April
3 twenty-sixth as is practicable.

4 (n) Executive budget hearings: the council shall hold public hearings
5 on the budget as presented by the mayor between May sixth and twenty-
6 fifth.

7 (o) Amendment and adoption of the executive budget: by June fifth.

8 1. The council may alter the contents of the budget within the total
9 revenues estimated by the mayor and the maximum debt for capital, except
10 for the amounts set aside for the repayment of debt.

11 2. The budget when adopted by the council shall become effective imme-
12 diately, except appropriations for the council or appropriations added
13 to the mayor's executive budget by the council or any changes in terms
14 and conditions or in the memorandum of understanding regarding such
15 terms and conditions shall be subject to the mayor's veto.

16 3. If an expense budget has not been adopted by the fifth of June, the
17 expense budget and tax rate adopted as modified for the current fiscal
18 year shall be deemed to have been extended for the new fiscal year until
19 such time as a new expense budget has been adopted.

20 4. If a capital budget and a capital program have not been adopted by
21 the fifth of June the unutilized portion of all prior capital appropri-
22 ations shall be deemed reappropriated.

23 (p) Veto of the mayor.

24 1. The mayor, not later than the fifth day after the council has acted
25 upon the budget or capital program submitted with the executive budget,
26 may disapprove:

27 (i) any increase or addition to any such bill or program;

28 (ii) any change in any term or condition of the budget;

29 (iii) any change in a memorandum of understanding regarding the terms
30 and conditions; or

31 (iv) any item, term, condition, or provision of a memorandum included
32 in the budget. The mayor's objections shall be returned in writing to
33 the council by such date.

34 2. The council by a two-thirds vote of all the members may override
35 any disapproval of the mayor; however, if no action by the council is
36 taken within ten days of such disapproval, the expense budget shall be
37 deemed adopted as modified by the mayor's disapprovals.

38 (q) Statement of the amount of the budget and estimate by the mayor.

39 1. The mayor shall submit to the council, immediately upon the
40 adoption of a budget, a statement of the amount of the budget as
41 approved by the council for the ensuing fiscal year and the mayor shall
42 prepare and submit to the council not later than the fifth of June an
43 estimate of the probable amount of:

44 (i) receipts into the city treasury during the ensuing fiscal year
45 from all the sources of revenue of the general fund; and

46 (ii) all receipts other than those of the general fund and taxes on
47 real property. The mayor may include in the statement of the amount of
48 the budget as approved by the council a confirmation of such amount, and
49 thereby waive mayoral veto power.

50 2. If, as a result of the exercise of the mayor's veto, the amount of
51 the budget for the ensuing fiscal year differs from the amount of the
52 budget approved by the council, not later than two days after the budget
53 is finally adopted the mayor shall prepare and submit to the council a
54 statement setting forth the amount of the budget for the ensuing fiscal
55 year, and the council shall, if necessary, fix new annual tax rates.

1 3. The mayor, prior to establishing the final estimate of revenues for
2 the ensuing fiscal year as required by this section, shall consider any
3 alternative estimate of revenues and which is accompanied by a statement
4 of the methodologies and assumptions upon which such estimate is based
5 in such detail as is necessary to facilitate official and public under-
6 standing of such estimates.

7 4. Any person or organization may, prior to May fifteenth, submit to
8 the mayor an official alternative estimate of revenues for consideration
9 by the mayor. Such estimate shall be in a form prescribed by the mayor.

10 (r) Fixing of tax rates.

11 1. The council shall fix the annual tax rates immediately upon the
12 approval of the budget. The council shall deduct the total amount of
13 receipts as estimated by the mayor from the amount of the budget, for
14 the ensuing fiscal year, and shall cause to be raised by tax on real
15 property such sum as shall be as nearly as possible but not less than,
16 the balance so arrived at, by fixing tax rates in cents and thousandths
17 of a cent upon each dollar of assessed valuation. The tax rates shall be
18 such as to produce a balanced budget within generally accepted account-
19 ing principles for municipalities.

20 2. If a budget has not been adopted by the fifth of June, the tax
21 rates adopted for the current fiscal year shall be deemed to have been
22 extended for the new fiscal year until such time as a new budget is
23 adopted.

24 3. In the event the mayor exercises the veto power, the council shall,
25 if necessary, fix new annual rates not later than the date the budget is
26 finally adopted, in accordance with the requirements of paragraph one of
27 subdivision (s) of this section.

28 (s) Completing the assessment rolls and fixing of tax rates.

29 Notwithstanding the provisions of the above subdivisions or any other
30 provisions of law to the contrary:

31 1. if the city council has not fixed the tax rates for the ensuing
32 fiscal year on or before the fifth of June, the commissioner of finance
33 shall be authorized to complete the assessment rolls using estimated
34 rates and to collect the sums therein mentioned according to law. The
35 estimated rates shall equal the tax rates for the current fiscal year;

36 2. if, subsequent to the fifth of June, the council shall, fix the tax
37 rates for the ensuing fiscal year at percentages differing from the
38 estimated rates, real estate tax payments shall nevertheless be payable
39 in accordance with paragraph one of this subdivision at the estimated
40 rates. However, in such event, prior to the first of January in such
41 fiscal year, the commissioner of finance shall cause the completed
42 assessment rolls to be revised to reflect the tax rates fixed by the
43 council, and an amended bill for the installment or installments for
44 such fiscal year due and payable on or after the first of January shall
45 be submitted to each taxpayer in which whatever adjustment may be
46 required as a result of the estimated bill previously submitted to the
47 taxpayer shall be reflected.

48 (t) Appropriation, certification and publication.

49 Not later than the day after the budget is finally adopted the budget
50 and the several amounts therein specified as appropriations or units of
51 appropriation shall be and become appropriated to the several purposes
52 therein named. The budget shall thereupon be filed in the offices of the
53 comptroller and the city clerk, and shall be published forthwith.

54 (u) Council completion of assessment rolls.

55 At such annual meeting to adopt the budget the council shall cause to
56 be set down in the assessment rolls, opposite to the several sums set

1 down as the valuation of real property, the respective sums, in dollars
2 and cents, to be paid as tax thereon, rejecting the fractions of a cent.
3 It shall also cause to be added and set down the aggregate valuations of
4 the real property, and shall transmit to the comptroller of the state by
5 mail a certificate of such aggregate valuation.

6 (v) Collection of real property tax.

7 1. Immediately upon the completion of the assessment rolls, the city
8 clerk shall produce the proper warrants authorizing and requiring the
9 commissioner to collect the several sums therein mentioned according to
10 law. Such warrants need be signed only by the speaker of the council and
11 countersigned by the city clerk. Immediately thereafter and on or
12 before the thirtieth of June, the assessment rolls of the city as
13 corrected according to law and finally completed, or a fair copy there-
14 of, shall be delivered by the speaker to the commissioner with the prop-
15 er warrants, so signed and counter signed, annexed thereto. At the same
16 time the speaker shall notify the comptroller of the amount of taxes in
17 each book of the assessment rolls so delivered.

18 2. The commissioner upon receiving the assessment rolls and warrants
19 shall immediately cause the assessment rolls and warrants to be filed
20 with the city clerk.

21 (w) Mayor's financial plan update: thirty days after budget adopted.

22 § 6-05. Format of expense budget departmental estimates, preliminary
23 expense budget, and executive expense budget.

24 (a) The expense budget departmental estimates, the preliminary expense
25 budget, and the executive expense budget for each year shall consist of
26 proposed units of appropriation for personal service and proposed units
27 of appropriation for other than personal service for the ensuing fiscal
28 year.

29 (b) Each agency head, for the departmental estimates, and the mayor,
30 for the executive budget, shall submit:

31 1. a statement of the impact of the proposed units of appropriation on
32 the level of services to be provided during the ensuing fiscal year; and

33 2. for each community within the city as identified in the council's
34 hearings on local and neighborhood budget needs, a written response to
35 each of the expense budget priorities included in the committee's recom-
36 mendations of budget priorities submitted in accordance with provisions
37 of this charter, including the disposition of each such priority and a
38 meaningful explanation of any disapprovals contained in such estimates
39 or budget.

40 (c) Each proposed unit of appropriation shall represent the amount
41 requested for personal service or for other than personal service for a
42 particular program, purpose, or activity within an agency, department,
43 organization or institution; provided, however, that a single unit of
44 appropriation for personal service or a single unit of appropriation for
45 other than personal service may represent the amount requested for more
46 than one particular program, purpose, or activity for an agency, depart-
47 ment, organization or institution if the council has adopted, on the
48 recommendation of the mayor, or if the council has adopted on its own
49 initiative and the mayor has approved, a resolution setting forth the
50 names, and a statement of the programmatic objectives, of each program,
51 purpose, or activity for an agency, department, organization, or insti-
52 tution to be included in such a single unit of appropriation. Copies of
53 such resolutions must be included as an appendix to any preliminary
54 budget, executive budget, and adopted budget to which they apply. If,
55 in accordance with such a resolution, a proposed unit of appropriation
56 for other than personal service shall represent the total amount

1 requested for other than personal service for more than one proposed
2 unit of appropriation for personal service, the amount of such unit of
3 appropriation for other than personal service which is allocable to each
4 unit of appropriation for personal service shall be set forth for infor-
5 mational purposes at the end of each such unit of appropriation for
6 personal service. If, in accordance with such a resolution, a proposed
7 unit of appropriation for personal service shall represent the total
8 amount requested for personal service for more than one proposed unit of
9 appropriation for other than personal service, the amount of such unit
10 of appropriation for personal service which is allocable to each unit of
11 appropriation for other than personal service shall be set forth for
12 informational purposes at the end of each such unit of appropriation for
13 other than personal service.

14 (d) Each proposed unit of appropriation contained in the departmental
15 estimates, the preliminary expense budget and the executive expense
16 budget shall be accompanied by a statement of the programmatic objec-
17 tives of the program, purpose, activity for the agency, department,
18 organization or institution involved.

19 (e) Each proposed unit of appropriation contained in the departmental
20 estimates and the executive budget shall be supported by line items
21 showing how the total amount of such unit is determined.

22 (f) The departmental estimates shall be in such form and contain such
23 further information as may be required by the mayor or by law. Such
24 departmental estimates shall be public records and which shall at all
25 reasonable times be open to public inspection.

26 (g) For each city agency that has local service districts within
27 communities as defined by local law, where practicable, shall contain a
28 statement of proposed direct expenditures in meaningful categories of
29 information, in each such service district.

30 § 6-06. Preliminary expense budget.

31 The preliminary expense budget shall contain proposed expenditures and
32 a forecast of revenues for the ensuing fiscal year, including, for each
33 tax revenue source which represents five percent or more of the total
34 forecast of tax revenues, a detailed statement of the methodology and
35 assumptions used to determine the forecast of revenues estimated to be
36 received from such source in sufficient detail to facilitate official
37 and public understanding of the manner in which such forecasts are made,
38 shall indicate proposed units of appropriations for personal service and
39 for other than personal service, shall include a financial plan covering
40 estimates of expenditures and revenues for the four ensuing fiscal years
41 in such years, shall include the departmental estimates of agency
42 expenditures for the ensuing fiscal year together with proposed sources
43 of revenue for each unit of appropriation specified therein and shall
44 present a plan to ensure balance between the expense and revenue budgets
45 during the ensuing fiscal year.

46 § 6-07. Contents of the executive expense budget.

47 (a) There shall be included in the budget:

48 1. Units of appropriation, prepared according to this chapter, in such
49 amounts and upon such terms and conditions as may be determined by the
50 mayor. Such appropriations shall include:

51 (i) the amounts required by law to be appropriated to the several
52 sinking funds as certified by the comptroller;

53 (ii) the amount required to pay the interest and principal of city
54 obligations as certified by the comptroller;

55 (iii) an amount, as certified by the comptroller, equal to the average
56 of all expenditures during each of the five preceding fiscal years for

1 the payment of the expense of the removal of snow and ice, exclusive of
2 salaries and wages of regular employees of the city except for overtime
3 work and for work on Sundays and holidays, and exclusive of the purchase
4 of equipment;

5 (iv) the several amounts which are payable from sources other than the
6 real estate tax levy, provided however that amounts appropriated pursu-
7 ant to chapter nine of this charter which are allocable to a particular
8 program, purpose, activity or institution, shall be included for infor-
9 mational purposes only;

10 (v) such other amounts as may be required by law;

11 (vi) such amounts as shall be determined in the manner provided in
12 this chapter to be necessary to pay the expenses of conducting the busi-
13 ness of the city for the ensuing fiscal year and for other lawful public
14 purposes; and

15 (vii) a reserve for unanticipated contingencies.

16 2. An identification of the proposed appropriations, being proposed by
17 agency and project type and, within project type, by personal service
18 and other than personal service, for the maintenance of all major
19 portions of the capital plant, as such terms are defined in section 6-16
20 of this chapter.

21 3. The terms and conditions under which appropriations shall be admin-
22 istered.

23 (b) All such units of appropriation and other amounts shall be set
24 forth without deduction of revenues from any source except as otherwise
25 provided by law.

26 (c) The budget message, which shall not be deemed a part of the budg-
27 et, shall include:

28 1. an explanation;

29 2. itemized information and supporting schedules;

30 3. recommendations for any changes in revenue sources and fiscal oper-
31 ations;

32 4. an itemized statement of the actual revenues and receipts and
33 accruals of the general fund and of all other revenue sources;

34 5. a listing of the sources and amounts of all revenues and other
35 monies of a nonrecurring nature;

36 6. a four-year financial plan, containing:

37 (i) for each agency, for all existing programs, forecasts of expendi-
38 tures for the ensuing fiscal year and the succeeding three fiscal years
39 at existing levels of service;

40 (ii) forecasts of revenue by source from existing sources of revenue
41 for the ensuing fiscal year and the succeeding three fiscal years; and

42 (iii) for each new or expanded program, an indication of when such
43 program is projected to be fully implemented and a forecast of the annu-
44 al recurring costs for such program or program expansion after it is
45 fully implemented;

46 7. for each agency, a comparison of the proposed appropriations for
47 the ensuing fiscal year;

48 8. an explanation of principal changes in performance goals and indi-
49 cators;

50 9. an itemized statement, covering the city's entire capital plant,
51 except for those portions of the capital plant which have been committed
52 to the care and control of the board of education;

53 10. a presentation of the maintenance activities proposed by the mayor
54 to be completed during the ensuing fiscal year;

55 11. a statement of any substantive changes in the methodology and
56 assumptions used to determine the revenue estimates;

1 12. a statement of the implications for the orderly development of the
2 city; and

3 13. a certificate setting forth the maximum amount of debt and
4 reserves.

5 § 6-08. Adoption of expense budget and memorandum of understanding.

6 Adoption of expense budget with regard to a memorandum of understand-
7 ing contained in the terms and conditions.

8 (a) The council may increase, decrease, add or omit any amount in the
9 expense budget as submitted by the mayor, or change any terms and condi-
10 tions of the amount in that category, as stipulated in this chapter; the
11 mayor may disapprove any increase or addition to the amounts in the
12 categories, or any change in any term and condition of the budget, as
13 stipulated in this chapter, the mayor's disapproval may be overridden by
14 a two-thirds vote of all of the members of the council. As part of these
15 procedures the final adopted budget shall have within its terms and
16 conditions a memorandum of understanding, the final format and/or the
17 actual character of which shall be determined jointly by the actions of
18 the council and mayor consistent with the provisions for adopting a
19 local law. Such memorandum of understanding may include the provisions
20 by which the executive may have to schedule the timing and amounts of
21 expenditure or delay of expenditure and in what ways those expenditures
22 may be scheduled or delayed and if agreed to through the normal
23 provisions of adopting the budget, the priority of re-scheduling and or
24 delaying those appropriated expenditures or any part thereof those units
25 of appropriations. These details of the memorandum of understanding are
26 not to preclude or substitute for normal budget modification procedures
27 as detailed below; they are intended to deal with those circumstances
28 not covered by budget modification and/or normal impoundment procedures
29 as detailed below.

30 (b) All spending for services shall be in accordance with the terms
31 and conditions of the expense budget as adopted; provided, however, that
32 during any fiscal year the mayor shall notify the council of any
33 proposed modification of such a term or condition, at least thirty days
34 before the intended effective date of the modification in the term or
35 condition. These provisions are not to affect, hinder or substitute for
36 the normal procedures regarding budget modification or impoundment as
37 stipulated elsewhere in this chapter.

38 § 6-09. Appropriations for goods, services or construction.

39 Appropriations for the procurement of goods, services or construction
40 or the provision of services, utilities, or facilities by a department
41 responsible for general services for other agencies and institutions in
42 accordance with the authority of a department responsible for general
43 services under the provisions of this charter shall be made to a depart-
44 ment responsible for general services but shall be segregated under the
45 name of the agency or institution for which they are intended and shall
46 be considered and accounted for as appropriated for such agency or
47 institution. Nothing herein contained shall prevent the designation of
48 part of such appropriations as a general stores account or under other
49 appropriate designation to enable a department responsible for general
50 services to maintain a stock in anticipation of requirements or to
51 provide services, utilities or facilities for joint use by more than one
52 agency or institution.

53 § 6-10. Expense budget administration.

54 (a) Except as otherwise provided by law, no unit of appropriation
55 shall be available for expenditure by any city agency until schedules
56 fixing positions and salaries and setting forth other expenses within

1 the units of appropriation are established pursuant to the adopted budg-
2 et, the administration of which is subject to the provisions of this
3 chapter, the state civil service law, and other applicable law.

4 (b) The mayor shall establish and may modify for each agency:

5 1. quarterly spending allotments for each unit of appropriation and

6 2. aggregate position and salary limits for each unit of appropri-
7 ation, which shall be made available for public review upon adequate
8 notice. No agency shall expend any sum in excess of such quarterly
9 spending allotments, or exceed aggregate position and salary limits. The
10 mayor may set aside specified sums as necessary reserves which shall not
11 be included in the quarterly spending allotments until released by the
12 mayor. Each agency shall administer all monies appropriated or available
13 for programs and purposes of the agency in accordance with quarterly
14 allotment plans proposed by the agency and approved or modified by the
15 mayor. Each such plan shall set forth by units of appropriation for the
16 quarter of the fiscal year during which it is to remain in effect:

17 (i) rates of expenditures for personal services and other than
18 personal services;

19 (ii) ceilings on the total number of uniformed, civilian and pedagog-
20 ical employees; and

21 (iii) the total amount of funds to be spent or committed by the agency
22 during such quarter.

23 (c) The mayor shall keep informed during the course of each fiscal
24 year, of the progress of expenditures and the receipt of revenues, and
25 it shall be the duty of all agencies, when requested by the mayor, to
26 supply all information needed for this purpose.

27 (d) The mayor may assume direct responsibility for the administration
28 of the schedule required to be filed by the agency head pursuant to
29 subdivision (a) of this section when in the mayor's judgment the fiscal
30 condition of the city so requires or when an agency:

31 1. is expending funds in excess of the quarterly spending allotments;

32 2. is otherwise not complying with spending allotments or aggregate
33 position and salary limits; or

34 3. is not maintaining adequate accounts pursuant to requirements of
35 this charter.

36 (e) Whenever the mayor determines, pursuant to the provisions of this
37 charter or other relevant statutes, that the full amount of any appro-
38 priation should not be available for expenditure during the fiscal year,
39 the mayor shall notify the council of such determination and the impli-
40 cations and consequences of those impoundments for service levels and
41 programmatic goals affected. The mayor shall respond in writing to a
42 request by the council for an explanation of why an appropriation should
43 not be expended.

44 (f) The head of each agency shall establish the procedure by which
45 charges and liabilities may be incurred on behalf of the agency. Such
46 procedures shall ensure that no officer or employee, on behalf of or in
47 the name of the agency, shall incur a liability or an expense for any
48 purpose in excess of the amount appropriated or otherwise authorized
49 therefor, and no charge, claim or liability shall exist or arise against
50 the city for any sum in excess of the amount appropriated or otherwise
51 authorized for the particular purpose.

52 § 6-11. Budget modification.

53 (a) Subject to the quarterly spending allotments and aggregate posi-
54 tion and salary limits established pursuant to applicable provisions of
55 this charter, of the state civil service law and of other law, changes
56 in schedules, within units of appropriation, may be made by the head of

1 each agency. Any such changes shall be reported to the mayor and the
2 comptroller not more than ten days after the effective date thereof, and
3 shall be made available for public review upon adequate notice.

4 (b) The mayor during any fiscal year may transfer part or all of any
5 unit of appropriation to another unit of appropriation, except that when
6 any such transfer:

7 1. shall be from one agency to another; or

8 2. shall result in any unit of appropriation having been increased or
9 decreased by more than five per centum or fifty thousand dollars, which-
10 ever is greater, from the budget as adopted for such unit of appropri-
11 ation, the mayor shall notify the council of the proposed action. Within
12 thirty days after the first stated meeting of the council following the
13 receipt of such notice, the council may disapprove the proposed action.
14 Written notice of any transfer pursuant to this subdivision shall be
15 given to the comptroller and shall be published as soon as possible
16 after such transfer.

17 (c) The provisions of this section shall not be deemed to authorize
18 any transfer from appropriations required by law.

19 (d) The council may during any fiscal year transfer part or all of any
20 unit of appropriation within the council appropriation to any other
21 council unit of appropriation for any of its programs or projects or for
22 any other purpose, solely by adoption of a council resolution. Each such
23 transfer shall be published and written notice thereof shall be given to
24 the mayor and to the comptroller not less than ten days before the
25 effective date thereof.

26 (e) The procedures and required approvals pursuant to the amendment,
27 adoption of the budget, veto of the mayor and appropriation, certifi-
28 cation and publication of the budget, without regard to the dates spec-
29 ified therein, shall be followed in the case of:

30 1. any proposed amendment to the budget respecting the creation of new
31 units of appropriation,

32 2. the appropriation of new revenues from any source except for reven-
33 ues from federal, state or private sources in regard to the use of which
34 the city has no discretion provided, however, that the mayor shall give
35 notice to the council of the receipt and proposed utilization of any
36 such revenues, or

37 3. the proposed use by the city of previously unappropriated funds
38 received from any source. Any request by the mayor respecting an amend-
39 ment to the budget that involves an increase in the budget shall be
40 accompanied by a statement of the source of current revenues or other
41 identifiable and currently available funds required for the payment of
42 such additional amounts.

43 § 6-12. Quarterly account of council budget.

44 The council shall be required to publish quarterly accounting of its
45 actual and planned expenditures, in sufficient detail to indicate the
46 positions and their purposes which have been funded, as well as the
47 activities and categories of materials and supplies purchased.

48 § 6-13. General fund.

49 All revenues of the city, of every administration, department, board,
50 office and commission thereof, and of every other division of government
51 within the city, from whatsoever source except taxes on real estate, not
52 required by law to be paid into any other fund or account shall be paid
53 into a fund to be termed the "general fund."

54 § 6-14. Expenditure reports.

55 Any public or private agency, authority, corporation, board or commis-
56 sion which receives city funds and is not otherwise subject to the

1 requirements of section 6-10 of this chapter shall submit quarterly
2 reports of the expenditure of such funds to the mayor in such form and
3 detail as the mayor may prescribe.

4 § 6-15. Self-dealing among members of the governing boards of charita-
5 ble institutions.

6 (a) Any charitable institution which receives any payment from the
7 city of Staten Island charitable institutions budget shall pass and
8 implement by-laws which will:

9 1. require disclosure to the agency responsible for the administration
10 of charitable institutions budget and approval by such agency of the
11 material terms of any contract or transaction, direct or indirect,
12 between an institution and any member of its governing board, any part-
13 nership of which he or she is a member or any corporation in which he or
14 she holds ten per centum or more of the outstanding common stock;

15 2. preclude any member of the governing board of any institution from
16 sharing, participating or benefiting, directly or indirectly, in the
17 proceeds from any contract or transaction entered into between the
18 institution and any third party unless such participation or benefit has
19 been approved in advance by the agency and the governing board of the
20 institution has approved the transaction by a two-thirds majority
21 excluding the vote of member to be benefitted;

22 3. require each member of its governing board to submit to the agency
23 each year a disclosure statement including such member's name, home
24 address, principal occupation and business interests from which such
25 member or such member's spouse received income equal to or greater than
26 ten percent of their aggregate gross income during the previous year.

27 (b) At the discretion of the agency, any payment or any portion of any
28 payment may be withheld from any institution which has failed to pass
29 and implement such by-laws.

30 § 6-16. Definitions of capital projects and budget terms.

31 As used in this charter:

32 (a) The term "capital project" shall mean:

33 1. a project which provides for the construction, reconstruction,
34 acquisition or installation of a physical public betterment or improve-
35 ment which would be classified as a capital asset under generally
36 accepted accounting principles for municipalities or any preliminary
37 studies and surveys relative thereto or any underwriting or other costs
38 incurred in connection with the financing thereof;

39 2. the acquisition of property of a permanent nature including wharf
40 property;

41 3. the acquisition of any furnishings, machinery, apparatus or equip-
42 ment for any public betterment or improvement when such betterment or
43 improvement is first constructed or acquired;

44 4. any public betterment involving either a physical improvement or
45 the acquisition of real property for a physical improvement consisting
46 in, including or affecting:

47 (i) streets and parks;

48 (ii) bridges and tunnels;

49 (iii) receiving basins, inlets and sewers, including intercepting
50 sewers, plants or structures for the treatment, disposal or filtration
51 of sewage, including grit chambers, sewer tunnels and all necessary
52 accessories thereof;

53 (iv) the fencing of vacant lots and the filling of sunken lots;

54 (v) any other project allowed to be financed by the local finance law,
55 with the approval of the mayor and the comptroller; or

56 (vi) any combination of the above.

1 (b) The term "pending" shall mean not yet completed.

2 (c) The term "standards" for each category of capital projects to
3 which they apply shall include: maximum gross and net areas allowed;
4 types of programs which may be operated in the facility; performance
5 requirements for environmental systems; allowable materials and
6 finishes; maximum areas allowed for different functions and activities;
7 approximate cost limits per square foot of construction; and such other
8 items designated by the mayor or by resolution of the council.

9 (d) The term "scope of project" or "proposed scope of project" shall
10 mean a description of a capital project included in the capital budget
11 that contains specific guidelines for the design and implementation of
12 such project consistent with the standards for the appropriate category
13 of capital projects and includes each of the following items of informa-
14 tion which are relevant to the capital project involved:

- 15 1. purposes and public to be served;
- 16 2. programs to be conducted in the facility;
- 17 3. gross and net amounts of space and bulk for any building or struc-
18 ture and for areas for different functions and activities;
- 19 4. identification of required architectural, engineering or other
20 consultants and estimated fees for such consultants;
- 21 5. estimated completion dates for scope, design and construction;
- 22 6. total estimated project costs, including costs for site acquisi-
23 tion, preparation and tenant relocation, design, construction and equip-
24 ment;
- 25 7. estimated expenditures for the project for each fiscal year until
26 its completion;
- 27 8. estimated annual costs to operate programs within the facility when
28 fully staffed and to maintain the facility; and
- 29 9. such other information as shall be required by the mayor or by
30 resolution of the council.

31 (e) The term "cost" shall include the contract liabilities and expend-
32 iture incurred for work in carrying out the physical improvement and
33 interest thereon, and the compensation to be made to the owner of any
34 real property acquired for the improvement as determined by a court or
35 by agreement, and interest thereon.

36 (f) The term "expenses" shall mean any expenses incurred in relation
37 to an assessable improvement exclusive of cost and of damages assessed
38 by the board of assessors.

39 (g) The term "street," as used in this chapter, shall include street,
40 avenue, road, alley, lane, highway, boulevard, concourse, parkway,
41 driveway, culvert, sidewalk, crosswalk, boardwalk, and viaduct, and
42 every class of public road, square and place, except marginal streets.

43 (h) The term "real property" shall include all lands and improvements,
44 lands under water, waterfront property, the water of any lake, pond or
45 stream, all easements and hereditament, corporeal or incorporeal, and
46 every estate, interest and right, legal or equitable, in lands or water,
47 and right, interest, privilege, easement and franchise relating to the
48 same, including terms for years and liens by way of judgment, mortgage
49 or otherwise.

50 (i) The terms "maintenance" or "maintain" shall denote those activ-
51 ities necessary to keep the relevant portion of the capital plant in
52 good repair so as to preserve its structural integrity and to prevent
53 its deterioration.

54 (j) The term "major portion of the capital plant" shall mean:

- 55 1. any capital asset

1 (i) which is a capital facility or system comprising a component of
2 the public domain or infrastructure general fixed assets of the city or
3 a building comprising a component of the general fixed assets of the
4 city; and

5 (ii) which, as of the effective date of this charter, or, as a result
6 of any reconstruction or expansion after such date, has a replacement
7 cost of at least ten million dollars and a useful life of at least ten
8 years, or if purchased or constructed after such date has an original
9 cost of at least ten million dollars and an original useful life of at
10 least ten years; and

11 2. any other capital asset of the city designated by the mayor for the
12 purposes of this section; provided, however, that it shall not include
13 any asset which is leased to or otherwise under the cognizance and
14 control of a public benefit corporation or which is otherwise covered,
15 pursuant to state law, by requirements which are substantially similar
16 to the requirements of this section.

17 § 6-17. Format of departmental estimates for capital projects, prelim-
18 inary capital budget and executive capital budget.

19 The departmental estimates for capital projects and the executive
20 capital budget shall consist of a detailed estimate of all capital
21 projects pending or which the agency head, for departmental estimates,
22 or the mayor, for the executive budget, believes should be undertaken
23 within the ensuing fiscal year and the three succeeding fiscal years.
24 Each agency head, and the mayor, for the executive budgets, shall submit
25 a written response to each of the capital budget priorities included in
26 the council's recommendation of budget priorities for local and neigh-
27 borhood needs submitted in accordance with the section on preliminary
28 budget hearings of this chapter. Such responses shall include the
29 response of the agency head and the mayor, as appropriate, regarding the
30 disposition of each such priority and meaningful explanations of any
31 disapprovals contained in such estimates or budget.

32 § 6-18. Preliminary capital budget.

33 The preliminary capital budget statements shall consist of:

34 (a) a financial plan covering estimates of capital expenditures for
35 the four ensuing fiscal years;

36 (b) departmental estimates for capital projects as provided in section
37 6-19 of this chapter together with the cash flow requirements and
38 proposed sources of funding for each project included in such estimates;

39 (c) a capital program status report which sets forth the appropri-
40 ations for each project included in the capital budget for the current
41 fiscal year together with the expenditures to date; and

42 (d) a summary description of the purpose of each capital project and
43 the needs it will fulfill, the schedule for beginning and constructing
44 the project, its period of probable usefulness and an appropriate main-
45 tenance schedule.

46 § 6-19. Executive capital budget.

47 (a) The executive capital budget shall set forth separately each capi-
48 tal project, and shall include:

49 1. a brief description and the location of each project; the total
50 estimated cost of the project; the appropriations which have been previ-
51 ously adopted for this project; the amount of appropriations recommended
52 to be adopted for the ensuing fiscal year the aggregate amount of which
53 shall not exceed the amount in the mayor's certificate; the amount of
54 appropriations required thereafter to complete the project; the sources
55 of funds for the project including state, federal, private and other
56 funds; the period of probable usefulness; the estimated additional annu-

1 al maintenance and operation costs; and any terms and conditions of the
2 project; the estimated dates of completion of final scope, final design
3 and final construction; and

4 2. a listing of all pending projects; and any recommendations that any
5 pending projects be modified, rescinded or postponed accompanied by a
6 statement of the budgetary impact of any such action.

7 (b) The executive capital program shall set forth for both program
8 categories and individual projects:

9 1. a statement for each of the three succeeding fiscal years of the
10 total dollar amounts necessary to complete projects initiated in prior
11 years and projects proposed in the executive budget the amounts neces-
12 sary for projects proposed to be initiated in future years and the
13 amounts necessary for amendments and contingencies; and

14 2. a statement of the likely impact on the expense budget of staffing,
15 maintaining and operating the capital projects included in or contem-
16 plated by the capital program.

17 § 6-20. Amendment.

18 (a) Upon receipt of a recommendation in writing from the mayor in
19 manner specified herein, the council may amend the capital budget or
20 capital program in the same manner as the adoption of the capital budget
21 and capital program including the right to approve the proposed amend-
22 ment as submitted or to increase or decrease the amounts of funds
23 proposed to be appropriated thereby, but only if funds are available
24 within the capital budget and the applicable program category of the
25 capital program, provided, however that the mayor may only recommend
26 such an amendment relating to an appropriation included in the capital
27 budget pursuant to this charter.

28 (b) Upon the adoption of any such amendment by the council, it shall
29 be certified by the mayor, the speaker of the council and the city clerk
30 and the capital budget shall be amended accordingly.

31 (c) Not later than five days after such certification such amendment
32 shall be filed in the office of the comptroller and shall be published
33 forthwith.

34 § 6-21. Restrictions on capital projects.

35 (a) No obligations of the city shall be issued or authorized for or on
36 account of any capital project not included in a capital budget, or for
37 which funds have not been reserved in an appropriate program category of
38 the capital program for any year of such program in which it is project-
39 ed that funds will be expended for the completion of the project, or in
40 excess of the maximum amount of obligations which may be issued on
41 account of such project as fixed in such capital budget; and no amount
42 may be expended on account of any capital project in excess of the
43 amount appropriated for such purposes in a capital budget, except that
44 the amount appropriated for such purposes may be increased by the mayor
45 by not more than fifteen per centum thereof in order to meet any costs
46 required to advance such project. Notice of any such increase shall be
47 provided to the council together with a statement of identifiable funds
48 available for payment of the increase.

49 (b) Funds included in the capital budget for a capital project that
50 are not obligated or committed during the fiscal year in which appropri-
51 ated shall not be obligated or committed in the subsequent fiscal year
52 unless reappropriated in a subsequent capital budget or an amendment
53 thereto. A capital project included in a capital budget that is not
54 initiated by the expenditure of funds within two years after its inclu-
55 sion in the budget shall be eliminated from the budget.

1 (c) The city may issue capital debt only to finance capital projects
2 as defined in this charter. The capital budget may not include expense
3 items that are properly includable only in the expense budget, as deter-
4 mined in accordance with the accounting principles set forth in the
5 state comptroller's uniform system of accounts for municipalities, as
6 the same may be modified by the state comptroller, in consultation with
7 the city comptroller, for application to the city.

8 (d) No capital project shall be included in the proposed executive
9 capital budget or otherwise adopted as part of the capital budget or as
10 an amendment thereto unless sufficient funds are available within the
11 appropriate general program category of the capital program for any year
12 of such program in which it is projected that additional appropriations
13 will be necessary for the completion of the project.

14 § 6-22. Site selection.

15 (a) The selection of sites for capital projects shall be pursuant to
16 local law.

17 (b) To the maximum extent feasible, final approval of a site for a
18 capital project shall occur prior to or simultaneously with the approval
19 of the scope of the project pursuant to this chapter.

20 § 6-23. Project initiation; commitment plan.

21 (a) The inclusion of a capital project in the capital budget as
22 adopted or amended shall constitute a direction and order to the agency
23 to proceed with the preparation of a scope of project pursuant to this
24 chapter unless sufficient planning funds for such purpose have not been
25 appropriated in the capital budget. The head of the agency shall notify
26 the comptroller of the amount of appropriated planning funds to be
27 encumbered for such purpose.

28 (b) The approval of a scope of project for a capital project pursuant
29 to this chapter, including the amount of obligations necessary to
30 finance the design and construction of the project, shall constitute a
31 direction and order to the agency to design the project, unless suffi-
32 cient funds for such purpose have not been appropriated in the capital
33 budget or are otherwise not available within the appropriate program
34 category of the capital program. Such approval shall constitute notifi-
35 cation to the comptroller of the comptroller's authorization to expend
36 appropriated design funds.

37 (c) The approval of the final design for a capital project pursuant to
38 this chapter shall constitute a direction and order to the agency
39 responsible for construction to prepare bid and award documents and to
40 proceed to bid, unless sufficient funds for such purpose have not been
41 appropriated in the capital budget or are otherwise not available within
42 each year of the capital program in which it is projected that funds
43 will be expended for the completion of the project. Such approval shall
44 constitute notification to the comptroller of the comptroller's authori-
45 zation to expend appropriated construction funds.

46 (d) The mayor shall require each agency to prepare and submit periodic
47 reports, in regard to the progress of its capital projects, including
48 schedules and clear explanations of any delays for particular projects
49 and summary information on each agency's record on such matters. Such
50 reports shall be published at least three times each year: within ninety
51 days of the adoption of the capital budget; with the preliminary capital
52 budget; and with the executive capital budget, copies of such reports
53 shall be transmitted by the mayor to the council. Such reports shall
54 include, for each project, the dates set in the adopted capital budget
55 for the completion of scope, design, and construction and any changes in
56 such dates.

1 1. The report issued with the executive budget shall include, for each
2 new capital project being proposed in the executive budget, a
3 description of the project including, to the extent practicable, the
4 information required to be included in a scope of project.

5 2. The report issued following the adoption of the budget shall
6 include, for each capital project added to the budget, a description of
7 the project including, to the extent practicable, the information
8 required to be included in a scope of project.

9 3. The report issued following the adoption of the budget shall
10 include, for each capital project for which a substantial change was
11 made, a revised description of the project including, to the extent
12 practicable, the information required to be included in a scope of
13 project.

14 (e) Any capital project which results in the acquisition or
15 construction of a capital asset which will be subject to the require-
16 ments of this charter shall contain a provision requiring a comprehen-
17 sive manual setting forth the useful life of the asset and explaining
18 the activities necessary to maintain the asset throughout such useful
19 life.

20 (f) The mayor may issue directives and adopt rules and regulations in
21 regard to the execution of capital projects, consistent with the
22 requirements of subdivisions (a), (b), (c) and (d) of this section,
23 which shall be binding upon all agencies.

24 § 6-24. Improvements payable other than by city.

25 Any owner of real property or any other person interested may apply to
26 the council to authorize an improvement referred to in paragraph one of
27 subdivision (a) of section 6-16 of this chapter, not included in the
28 capital budget. The council may authorize such improvement to be made by
29 the city or by such owner or other person interested upon compliance
30 with the following conditions:

31 (a) such owner or group or other persons interested shall enter into
32 an agreement with the city, whereby they will either authorize the city,
33 or themselves agree, to perform such work in accordance with such plans
34 and specifications approved by the agencies having jurisdiction there-
35 over and under their supervision;

36 (b) all of such work shall be done for the account of or at the sole
37 cost and expense of the person or persons applying for permission to do
38 the same, who shall furnish to the city such security and in such amount
39 as may be required to secure the payment of such cost and expense or the
40 proper performance of the said work in the time and in the manner agreed
41 upon, and shall further secure the city, in the latter case, against
42 latent defects in such work for a period of two years;

43 (c) such improvement shall be approved by the city planning department
44 and reviewed pursuant to local law and charter provisions; and

45 (d) any agreement providing for the performance of such work and the
46 furnishing of such security, shall be first approved by the council
47 before the same shall become effective.

48 § 6-25. Standards for capital projects.

49 The mayor shall prepare general standards and cost limits for catego-
50 ries of capital projects and standards for the preparation of the scope
51 of project for capital projects of various types. Such standards and
52 limits shall be submitted by the mayor to the council for review. The
53 proposed standards shall become effective thirty days after they have
54 been filed with the council unless within that time the council modifies
55 or disapproves them or part of them, after conducting a public hearing.
56 Any modification by the council shall be subject to disapproval by the

1 mayor in accordance with provisions of this charter and any such disap-
2 proval shall be subject to override by the council in accordance with
3 this charter.

4 § 6-26. Scope of project.

5 (a) Each agency, with respect to a capital project under its jurisdic-
6 tion included in a capital budget, shall prepare a proposed scope of
7 project within appropriated planning funds. The proposed scope of
8 project, or, in the case of a delay, an explanation for such delay along
9 with a revised schedule, shall be submitted to the mayor and the coun-
10 cil, by the date specified in the adopted capital budget in which the
11 capital project is included. Such proposed scope shall identify all
12 substantial differences between the guidelines for the capital project
13 as contained in such scope and the description of the capital project
14 contained in the report issued pursuant to this charter at the time such
15 project was proposed in the executive budget or following the budget
16 adoption in which such project was added to the capital budget.

17 (b) Not later than sixty days after receipt of the proposed scope of
18 project from an agency pursuant to subdivision (a) of this section, the
19 mayor shall approve, modify, or disapprove the proposed scope of project
20 and notify the agency and the council. In the case of a scope approved
21 by the mayor with modifications, such notification shall include a copy
22 of the scope as approved.

23 (c) No scope of project shall be approved by the mayor unless:

24 1. it contains the information required by paragraph four of subdivi-
25 sion (d) of section 6-16 of this chapter and it conforms to the applica-
26 ble standards for the type of project adopted pursuant to this chapter,
27 and

28 2. funds are available within the appropriate program category of the
29 capital program that can be reserved for each fiscal year required to
30 complete the project.

31 § 6-27. Design of capital project.

32 (a) The proposed design and final design for a capital project shall
33 be made available for review by the council. The mayor or the mayor's
34 representative shall review the final design to determine its conform-
35 ance with the approved scope of project pursuant to this chapter.

36 (b) Works of art may be provided for each capital project which
37 involves the construction or the substantial reconstruction of a city-
38 owned public building or structure the intended use of which requires
39 that it be accessible to the public generally or to members of the
40 public participating in, requiring or receiving programs, services or
41 benefits provided thereat. For the purposes of this section a police
42 precinct house and a firehouse shall be deemed to be such buildings.

43 Chapter 7

44 Planning Department

45 § 7-01. Planning department.

46 There shall be a department of city planning consisting of a planning
47 director and such subordinate employees as are required to administer
48 the planning program described herein.

49 § 7-02. Planning director.

50 The mayor shall appoint and shall have the power to remove the plan-
51 ning director, who shall have had at least five years of appropriate
52 professional land use experience. The planning director shall be the
53 head of the planning department, and shall be responsible for the proper
54 conduct of the affairs of the department and for the execution of the

1 planning program prescribed in this charter and in local laws and rules
2 consistent herewith.

3 § 7-03. Powers, duties and functions.

4 (a) The planning director, through the planning department, shall:

5 1. advise and assist the mayor and the council in regard to the phys-
6 ical planning and public improvement aspects of the development of the
7 city and on all matters related to the planning program prescribed in
8 this charter and in local law and rules consistent herewith;

9 2. prepare the general plan and revisions thereof, and development
10 plans at least every four years in the year following the mayoral
11 election and annual reviews thereof, for the improvement and development
12 of the city;

13 3. establish procedures for processing revisions to the general plan
14 and to the four-year and one-year development plans;

15 4. hold public hearings on such plans and revisions thereof and trans-
16 mit them, with findings and recommendations thereon, through the mayor
17 to the council for its consideration and action;

18 5. prepare zoning resolutions, maps and rules and regulations and any
19 revision or amendments thereto in accordance with the general plan;

20 6. prepare local laws or resolutions and rules and regulations govern-
21 ing the subdivision of lands within the city and any revisions or amend-
22 ments thereto;

23 7. administer the zoning and subdivision local laws or resolutions and
24 rules and regulations adopted thereunder and any regulatory laws or
25 resolutions which may be adopted to supplement or replace such resol-
26 utions;

27 8. recommend periodic amendments to zoning resolutions and subdivision
28 laws or regulations, and provide opportunity for taxpayers to recommend
29 periodic amendments to zoning resolutions and subdivision laws or regu-
30 lations;

31 9. hold public hearings on land subdivision and zoning resolutions and
32 amendments thereto, transmit such proposed resolutions, with findings
33 and recommendations thereon, through the mayor to the council for its
34 consideration and action;

35 10. establish procedures for the review of land utilization applica-
36 tions;

37 11. review subdivision plats and zoning petitions;

38 12. approve applications for special permits and variances within the
39 jurisdiction of the department of city planning under the zoning resol-
40 ution;

41 13. collect data on population, housing and other relevant social and
42 economic indicators to serve as a basis for planning recommendations;
43 and may conduct continuous studies and policy analyses on economic
44 development, urban design, capital improvements, environmental impact
45 assessment and such other subjects as the mayor or council may from time
46 to time request;

47 14. be custodian of the city map and thereon record all changes legal-
48 ly authorized;

49 15. administer the program prescribed by law with respect to the
50 establishment and regulation of landmarks, portions of landmarks, land-
51 mark sites, interior landmarks, scenic landmarks and historic districts;

52 16. hold public hearings on a proposed designation of a landmark,
53 landmark site, interior landmark, scenic landmark or historic district,
54 after notice of the proposed designation, notice of the hearing, and an
55 opportunity for comment to the affected property owner or owners;

1 17. submit to the council a report on the impact of any such desig-
2 nation whether of a district or a landmark to the zoning resolution,
3 projected public improvements, and any plans for the development,
4 growth, improvement or renewal of the area involved, and a recommenda-
5 tion for council action with respect to any such designation;

6 18. review the executive capital program and budget for conformance to
7 the purposes of the general plan and development plans prior to
8 submission of the executive capital program and budget to the council
9 and make a written report of his or her findings to the mayor and coun-
10 cil at the time of submission of such executive capital program and
11 budget;

12 19. prepare, in consultation with the director of the budget, the
13 draft ten-year capital strategy, and hold hearings on such draft, and
14 report his or her findings to the mayor and to the council;

15 20. consult with the appropriate State officials concerned with plan-
16 ning and environmental quality to assure compliance with State guide-
17 lines and oversee implementation of laws that require environmental
18 reviews of actions taken by the city; and

19 21. perform such other functions as are assigned by the mayor or other
20 provisions of law.

21 § 7-04. General plan.

22 The general plan shall set forth the city's broad policies for the
23 long range development of the city. It shall contain statements of the
24 general social, economic, environmental and design objectives to be
25 achieved for the general welfare and prosperity of the people of the
26 city through government action, city, state or federal. The statements
27 shall include, but not be limited to, policy and development objectives
28 to be achieved with respect to the distribution of social benefits, the
29 most desirable uses of land within the city, the overall circulation
30 pattern and the most desirable population densities within the several
31 areas of the city. In conformance with such development objectives and
32 policies the plan shall identify the general location, character, and
33 extent of streets and thoroughfares, parks, recreation facilities, sites
34 for public buildings and structures, city and privately owned utilities,
35 transportation systems and facilities, housing, community facilities,
36 future land use for all classifications and such other elements,
37 features and policies as will provide for the improvement of the city
38 over the next ten years.

39 § 7-05. Development plans.

40 Development plans shall present detailed means for implementing and
41 accomplishing the development objectives and policies of the general
42 plan within the several parts of the city. The mayor shall have a
43 comprehensive four-year development plan which shall recommend a gener-
44 alized land use development pattern to guide the growth of the city over
45 the succeeding four-year period and a one-year development plan that
46 delineates the city's proposed land use development pattern for a
47 succeeding twelve month period and is based upon the development goals
48 and objectives specified in the city's four-year development plan.

49 § 7-06. Adoption of the general plan and development plans.

50 (a) The mayor shall submit annually to the council such plans that
51 will include a general plan, four-year and one-year development plans
52 for all property within the city limits. The council shall adopt the
53 general plan or revisions thereof and development plans or amendments
54 thereto by local law. Any local law or resolution adopting or revising
55 the general plan shall be laid over for at least two weeks after intro-
56 duction. The mayor shall not certify as to the necessity for the immedi-

1 ate consideration of any general plan, development plans, or revisions
2 or amendments thereto. Public notice shall be provided at least ten days
3 before adoption by the council. Upon adoption, every local law or
4 resolution shall be presented to the mayor, and the mayor may approve or
5 disapprove it pursuant to applicable provisions governing the approval
6 or disapproval of a local law or resolution. If the mayor approves the
7 local law, the mayor shall sign it and return it to the clerk; it shall
8 then be deemed to have been adopted. If the mayor disapproves it, he or
9 she shall return it to the council with his or her objections stated in
10 writing. The council at its next regular meeting may reconsider the same
11 and if the votes of two-thirds of all the council members be cast in
12 favor of repassing such local law, it shall be deemed adopted, notwith-
13 standing the objections of the mayor.

14 (b) The general plan and all development plans shall be kept on file
15 in the department of city planning.

16 (c) The approved general plan and development plans shall be used as a
17 guide for the preparation of the city's capital improvement program and
18 capital budget.

19 (d) The mayor shall maintain an up-to-date zoning map of all proper-
20 ties within the city limits.

21 (e) Following the annual updating and adoption of the city's develop-
22 ment plans, the council shall amend the city's zoning ordinance to
23 conform it to the updated development plans in accordance with proce-
24 dures prescribed by general law.

25 § 7-07. Board of Appeals.

26 (a) There shall be a board of appeals which shall consist of five
27 members to be termed commissioners, three of whom shall be appointed by
28 the mayor and two appointed by the council. Members shall serve a stag-
29 gered term of five years.

30 (b) Commissioners shall be chosen for their independence, integrity
31 and civic commitment and for their professional competence in such areas
32 as planning, architecture, and engineering. The mayor shall designate
33 one of the members to serve as chair and one of the members to serve as
34 vice-chair who shall act as chair in the absence of the chair or in the
35 event that a vacancy exists in the office of chair.

36 (c) Every member of the board shall receive a salary, which shall not
37 be reduced during his or her term of office except in case of a general
38 reduction of salaries and in proportion to reductions of salaries of
39 other officers with similar salaries. A member shall not engage in any
40 other occupation, profession or employment. Members shall attend the
41 hearings and executive sessions of the board, and shall perform such
42 other duties as may be required by the chair.

43 (d) Vacancies shall be filled in the same manner as for an original
44 appointment for the unexpired term of the member whose place has become
45 vacant and with a person having his or her qualifications.

46 (e) Any member may be removed by the mayor on proof of official
47 misconduct, or of negligence in official duties, inability to perform
48 his or her duties; but before removal he or she shall receive a copy of
49 the charges and shall be entitled to a hearing before the mayor and to
50 the assistance of counsel at such hearing.

51 § 7-08. Meetings.

52 Meetings of the board shall be held at the call of the chair and at
53 such other times as the board may determine. The chair, or in his or her
54 absence the acting chair, may administer oaths and compel the attendance
55 of witnesses. All hearings before the board shall be open to the public
56 and shall be before at least three members of the board, and a concur-

1 ring vote of at least three members shall be necessary to a decision to
2 grant an application or an appeal, to revoke or modify a variance,
3 special permit or other decision of the board, or to make, amend or
4 repeal a rule or regulation. The board shall keep minutes of its
5 proceedings, showing the vote of each member upon every question, or if
6 absent or failing to vote, indicating such fact, and shall also keep
7 records of its examinations and other official action. Such minutes and
8 such records shall be public records.

9 § 7-09. Powers and duties.

10 The board shall have the power:

11 (a) to hear and determine appeals from the actions of the planning
12 director in the administration of the zoning and subdivision resolutions
13 and any rules and regulations adopted pursuant thereto, which appeal
14 shall be sustained only if the board finds that the director's action
15 was based on an erroneous finding of a material fact, or that the direc-
16 tor had acted in an arbitrary or capricious manner or had manifestly
17 abused discretion;

18 (b) to hear and determine appeals from the actions of the planning
19 director on petitions for varying the application of the zoning resol-
20 ution with respect to a specific parcel of land and may grant such a
21 variance upon the ground of unnecessary hardship if the record shows
22 that:

23 1. the applicant would be deprived of the reasonable use of such land
24 or building if it were used only for the purpose allowed in that zone;

25 2. the request of the applicant is due to unique circumstances and not
26 the general conditions in the neighborhood, so that the reasonableness
27 of the neighborhood zoning is not drawn into question; and

28 3. the use sought to be authorized by the variance will not alter the
29 essential character of the locality, provided however that the board
30 shall specify the particular evidence which supports the granting of a
31 variance;

32 (c) to hear and determine appeals from and review any recommendation
33 by the planning director to designate a landmark, landmark site, interi-
34 or landmark, scenic landmark or historic district;

35 (d) to make, amend and repeal rules and regulations for carrying into
36 effect the provisions of the laws, resolutions, rules and regulations in
37 respect to any subject-matter jurisdiction whereof is conferred by law
38 upon the board, and to include in such rules and regulations provisions
39 applying to specific conditions and prescribing means and methods of
40 practice to effectuate such provisions and for carrying into effect the
41 powers of the board;

42 (e) to review, upon motion of any member of the board, any rule, regu-
43 lation, amendment or repeal thereof, and any order, requirement, deci-
44 sion or determination from which an appeal may be taken to the board
45 under the provisions of this chapter or of any law, or of any rule,
46 regulation or decision of the board; but no such review shall prejudice
47 the rights of any person who has in good faith acted thereon before it
48 is reversed or modified; and

49 (f) to revoke or modify, upon due notice and hearing, variances and
50 special permits previously granted under the zoning resolution if the
51 terms and conditions of such grants have been violated.

52 § 7-10. Procedure on appeals.

53 (a) An appeal may be taken by an aggrieved party.

54 (b) Such appeal may be taken within such time as shall be prescribed
55 by the board by general rule, by filing with the officer from whom the
56 appeal is taken and with the board a notice of appeal, specifying the

1 grounds thereof. The officer from whom the appeal is taken shall forth-
2 with transmit to the board all the papers constituting the record upon
3 which the action appealed from was taken.

4 (c) The board shall fix a reasonable time for the hearing of appeals,
5 and give due notice thereof to the parties, and decide the same within a
6 reasonable time. If the appeal is from an order revoking a permit or
7 approval, the hearing shall be no later than at the third scheduled
8 hearing of the board following the date of filing of the appeal, or five
9 weeks following such date, whichever is sooner, and the decision of the
10 board shall be rendered expeditiously. Upon the hearing any party may
11 appear in person or by agent and/or attorney.

12 (d) Any decision of the board under this section may be reviewed as
13 provided by law.

14 Chapter 8
15 Franchises

16 § 8-01. Franchises.

17 All franchises, revocable consents and concessions shall be awarded in
18 accordance with the following procedures:

19 (a) The council shall have the power to grant, renew or extend any
20 franchise, revocable consent or concession which extends for a period of
21 three or more years, provided, however, that any franchise, revocable
22 consent or concession which extends for a period of ten years or more
23 shall require the approval of two-thirds of all the members; and

24 (b) The mayor shall have the power to enter into an agreement to
25 grant, renew or extend a franchise, revocable consent or concession
26 which extends for a period of less than thirty-six months.

27 Chapter 9
28 Contracting

29 § 9-01. Procurement.

30 Except as otherwise provided in this charter or by statute, all goods,
31 services or construction to be paid for out of the city treasury or out
32 of monies under the control of or assessed or collected by the city
33 shall be procured as prescribed in this chapter.

34 § 9-02. Conditions.

35 The circumstances under which procurement may be used for the
36 provision of technical, consultant or personal services, shall include
37 circumstances where the use of procurement is:

- 38 (a) cost effective or necessary to obtain special expertise;
39 (b) necessary to provide a service not needed on a long-term basis;
40 (c) necessary to avoid a conflict of interest; or
41 (d) where personnel or expertise is not available in city government.

42 § 9-03. Procedures.

43 All contracts shall be awarded in accordance with the following proce-
44 dures:

45 (a) The mayor as the chief elected executive shall through his or her
46 appointees have the power to enter into contracts on behalf of the city
47 of Staten Island.

48 (b) The comptroller shall, in accordance with provisions of this char-
49 ter and with practices promulgated by state law, certify all contracts,
50 within thirty days of receipt of such contract, provided there is no
51 cause not to certify. If the comptroller determines that a contract
52 cannot be certified, he or she shall so notify the mayor and the common
53 council within thirty days of receipt of such contract. Reasons not to
54 certify shall include but not be limited to debarment of

1 vendors/contractors, unreasonable and/or onerous terms and conditions,
2 financial problems or inconsistencies, and any other major cause not
3 advantageous to the city that the comptroller can identify and justify
4 through appropriate documentation.

5 (c) All contracts above ten thousand dollars, shall be let by compet-
6 itive bidding, in compliance with current rules, regulations, guidelines
7 and practices set forth by an appropriate national government procure-
8 ment officers professional association or the conventions set forth in
9 the generally accepted accounting practices or procedures as promulgated
10 by the New York State comptroller's office, as agreed to by the mayor,
11 the comptroller and approved by the common council; except that, when an
12 emergency as defined by local law is declared by the mayor to exist and
13 is certified by the comptroller, expedited rules as promulgated by the
14 mayor or the mayor's designee shall apply.

15 (d) Contracts of ten thousand dollars or less may be let by sole
16 source bid when an agency by rule determines that there is only one
17 source for the required good, service or construction. The agency
18 contract file shall contain a written determination that only one source
19 is available for the required good, service or construction, including
20 the process by which the agency made such determination. The agency
21 shall provide to the comptroller written documentation to support its
22 intention to let a sole source contract. This documentation shall
23 include, but not be limited to, the qualifications of the vendor and the
24 specific requirements of the contract.

25 (e) If, for any contract above ten thousand dollars, there is an
26 alteration, renewal, or change in the terms and conditions or the scope
27 of work which results in an increase or decrease of greater than five
28 per centum of the original contract amount, then those contract changes
29 must be certified by the comptroller.

30 § 9-04. Notification of contract opportunities and awards.

31 Each agency shall publish in the appropriate publication and in news-
32 papers of city, state or national distribution and trade publications,
33 notice of:

34 (a) the solicitation of bids or proposals pursuant to this chapter
35 where the value of a contract for goods, services or construction is
36 estimated to be above ten thousand dollars;

37 (b) the award of a contract for goods, services or construction
38 exceeding ten thousand dollars in value. Each such notice of award shall
39 indicate the name of the contractor, the dollar value of the contract,
40 the procurement method by which the contract was let;

41 (c) the comptroller shall promulgate rules providing for the publica-
42 tion and content of notices of contract actions required by this chap-
43 ter. Such rules shall include but not be limited to provisions regarding
44 the timing and frequency of notices, the required duration of solicita-
45 tion periods, and the form and content of notices.

46 § 9-05. Agency contract files.

47 Each agency shall maintain files containing all information pertaining
48 to the solicitation, award and management of each contract of the agen-
49 cy. The agency contract files shall contain copies of each determi-
50 nation, writing or filing required by this chapter pertaining to a
51 contract including the circumstances under which the procurement was let
52 in accordance with section 9-02 of this chapter, and copies of all costs
53 effectiveness analyses. Agency contract files shall be open to public
54 inspection with adequate protection for information which is confiden-
55 tial.

56 § 9-06. Centralized contract and contractor information.

1 The mayor shall ensure that copies of all city contracts and other
2 standard information regarding city contracts and contractors are
3 located in a central place which is accessible to the public. Such
4 information shall include:

5 (a) a copy of the contract;

6 (b) information regarding the method by which the contract was let;

7 (c) such standard documents as the contractor is required to submit,
8 which shall be updated regularly;

9 (d) information regarding the contractor's qualifications and perform-
10 ance;

11 (e) any evaluations of the contractor and any contractor responses to
12 such evaluation;

13 (f) any audits of the contract and any contractor responses to such
14 audits;

15 (g) any decisions regarding the suspension or debarment of the
16 contractor; and

17 (h) any analysis and determination of cost effectiveness.

18 The mayor shall ensure adequate public access to the information on
19 contracts and contractors which shall be maintained in a manner to
20 facilitate public review, with due consideration for the need to
21 protect, where appropriate, the confidentiality of any such information.

22 § 9-07. Adverse impact on public employees.

23 In the event that a proposed contract for goods, services or
24 construction may adversely affect public employees, the public employees
25 union, if any, shall be advised no later than three months in advance of
26 the contract being let of the nature, scope, and approximate dates, of
27 the contract, and the reasons therefor. Except that, when an emergency
28 as defined in subdivision (c) of section 9-03 of this chapter is in
29 effect, some or all of the provisions of this section may be omitted or
30 suspended for the period of the emergency, but only for those contracts
31 directly relevant to the management of that emergency or as a result of
32 the emergency.

33 The public employer will provide such union as soon as practicable,
34 with information, in sufficient detail, so that the union may prepare a
35 proposal designed to demonstrate the cost effectiveness of keeping the
36 work in-house. Such information shall include, but not be limited to,
37 applicable solicitation to vendors, winning bids, descriptions of
38 services to be provided by vendors, and the agency's estimated direct
39 operating and administrative costs of contracting out the work.

40 Not less than thirty days prior to the award of the contract, the
41 union shall have the opportunity to make a formal proposal to the public
42 employer demonstrating that it is cost effective or that it is in the
43 best interest of the public employer to continue to perform such work
44 in-house. The public employer shall consider such proposal before making
45 a final determination.

46 Chapter 10

47 Referendum and Amendment

48 § 10-01. Referendum on pending legislation.

49 (a) The people of the city of Staten Island reserve to themselves the
50 right to require the council to vote on proposed laws and amendments to
51 the local laws as hereinafter provided.

52 (b) The people shall have the power to require the council to vote on
53 proposed bills and resolutions by initiative petition. Each initiative
54 petition shall support a bill or resolution which has been introduced in

1 the council and shall be signed by five per centum of the total votes
2 cast on Staten Island at the previous general election.

3 (c) An initiative petition when signed by the requisite number of
4 voters shall be submitted to the Staten Island board of elections which
5 shall promptly determine whether the petition meets the requirements of
6 subdivision (b) of this section. If the Staten Island board of elections
7 determines those requirements are satisfied it shall certify to the
8 speaker of the council that the bill or resolution supported by the
9 petition is required to be considered in the council with the vote of
10 each member present recorded.

11 (d) No petition shall be certified to the council after May first in
12 any year. A petition which is not certified by the Staten Island board
13 of elections before May first shall be certified to the council on the
14 first day of the next legislative session.

15 (e) The council shall have sixty days from receipt of a certified
16 petition to vote on the bill or resolution which is the subject of the
17 petition. If the council fails to vote on such bill or resolution within
18 sixty days, such bill or resolution shall be deemed to have passed.

19 (f) City funds, facilities or employees may not be used to solicit
20 signatures on an initiative petition or to support or oppose the signing
21 of such a petition provided, however, that elected officials may solicit
22 such signatures or oppose the signing of such a petition.

23 (g) The council shall, by local law, prescribe the form and content
24 of, and the procedures for, initiative petitions consistent with this
25 section. The council may, by local law, provide for the reporting of the
26 identity of any person who expends money to affect any initiative peti-
27 tion and the amount of any money so expended.

28 § 10-02. Charter amendment.

29 (a) Amendments to this charter shall be adopted by referendum only,
30 except for those changes that are syntax and/or spelling changes which
31 may be effected, altered or amended by local law as adopted by the coun-
32 cil and the mayor as provided for in this charter. The council may
33 place an amendment on the ballot by a vote of two-thirds of all the
34 members.

35 (b) Referendum in order to amend the charter shall take place as a
36 ballot issue to be decided by affirmative vote of the majority of the
37 qualified electors of the city voting thereon, it shall take effect as
38 prescribed in such referendum.

39 (c) The referendum shall be placed on the ballot by petition of quali-
40 fied electors of not less than five per centum of the total vote cast in
41 the city of Staten Island at the last gubernatorial general election.
42 The petition shall be filed in the office of the clerk of the city of
43 Staten Island for the submission to the electors of the city at the next
44 general election therein held not less than sixty days after such
45 filing. The proposed amendment shall be set forth in full in such peti-
46 tion which may be made upon separate sheets and the signatures of each
47 shall be authenticated in the manner provided by the New York state
48 election law. If within ten days after the filing of such petition a
49 written objection thereto be filed with the office of the city clerk and
50 the board of elections, the Supreme Court or any justice thereof of the
51 appropriate judicial district shall determine any question arising ther-
52 eunder and make such order as justice may require as prescribed in the
53 state election law.

1 § 11-01. Inalienable property.

2 The rights of the city in and to its water front, ferries, wharf prop-
3 erty, bridges, land under water, public landings, wharves, docks,
4 streets, avenues, highways, parks, waters, waterways and all other
5 public places are hereby declared to be inalienable; but upon closing or
6 discontinuance of any street, avenue, park or other public place, the
7 property may be sold or otherwise disposed of as may be provided by law,
8 and leases of land under water, wharf property, wharves, docks and piers
9 may be made as may be provided by law.

10 § 11-02. Authority to acquire real property.

11 (a) The city may acquire title in fee to real property or any interest
12 therein whenever required for any public or municipal use or purpose or
13 for the promotion of public utility, comfort, health, enjoyment or
14 adornment. Such title or interest shall be acquired according to law by
15 purchase, gift, devise, lease, condemnation or otherwise, and, subject
16 to the provisions of this charter or other law may sell, lease, mort-
17 gage, hold, manage, and control such property as may now or hereafter be
18 owned by it.

19 (b) The council by local law shall prescribe the procedures for all
20 acquisitions of real and personal property by the city, including proce-
21 dures for determining compensation and for appealing from such determi-
22 nation without prejudice to the appellant. In addition to all other
23 requirements of law, written notice of the application to have compen-
24 sation for real property ascertained in any proceeding brought by the
25 city to acquire title to real property shall be given to the owners of
26 all property affected by the proceeding to such application. Such notice
27 shall state the purpose for which the property is to be acquired and the
28 date when such application will be presented and shall be made public
29 not less than ten days prior to such proceeding. Any owner whose proper-
30 ty has been taken in any such proceeding which has not been used for the
31 purpose stated in the proceeding for acquisition shall have the right of
32 first refusal to repurchase such property from the city after the expi-
33 ration of a five-year period from the date of the entry of the final
34 decree in the proceeding for the price paid plus simple interest.

35 § 11-03. Disposal of property of the city.

36 No real property of the city may be sold, leased, exchanged or other-
37 wise disposed of except as specifically provided by law.

38

Chapter 12

39

Personnel Management

40 § 12-01. Declaration of intent.

41 (a) The personnel policies and practices of the city government in
42 furtherance of this charter, the state civil service law and rules and
43 other applicable law shall:

44 1. preserve and promote merit and fitness in city employment;
45 2. ensure that appointments and promotions in city service are made,
46 and that wages are set, without regard to political affiliation, and
47 without unlawful discrimination based on sex, race, color, religion,
48 religious observance, national origin, disability, age, marital status,
49 citizenship status or sexual orientation; and promote and support the
50 efficient and effective delivery of services to the public.

51 (b) Consistent with subdivision (a) of this section, the heads of city
52 agencies shall have such powers, duties and responsibilities for person-
53 nel management as they shall require to administer their agencies effec-
54 tively and to supervise, evaluate, motivate, discipline, provide incen-
55 tives for and improve the skills of employees of the city.

1 § 12-02. Department; personnel director.

2 There shall be a department of personnel, the head of which shall be
3 the personnel director. The personnel director shall have all the powers
4 and duties of a municipal civil service commission provided in the state
5 civil service law or in any other statute or local law other than such
6 powers and duties as are by this chapter assigned to the mayor, the city
7 civil service commission or the heads of city agencies.

8 § 12-03. City civil service commission.

9 (a) There shall be a city civil service commission, consisting of
10 three members, not more than two of whom shall be members of the same
11 political party. Members shall be appointed by the mayor, from a list of
12 nominations provided by the screening committee established pursuant to
13 subdivision (b) of this section, for overlapping terms of six years. Of
14 the members first appointed, one shall serve for two years and one for
15 four years and one for six years. The members shall be removable in the
16 manner provided for members of a municipal civil service commission in
17 the state civil service law. A vacancy in such commission shall be
18 filled in the same manner as regular appointments for the balance of the
19 unexpired term. The mayor shall designate a member as chair and vice
20 chair, respectively, for one-year terms. Within appropriations for such
21 purposes, the members of the commission shall be reimbursed on a per
22 diem basis for attendance at regularly scheduled meetings and hearings
23 of the commission.

24 (b) There shall be a screening committee which shall submit to the
25 mayor a list of nominees, which shall include persons with knowledge or
26 experience of the state civil service system, or personnel management,
27 or compensation practices, from which the mayor shall make appointments
28 to the city civil service commission. Such screening committee shall
29 consist of six members, of whom three shall be appointed by the mayor
30 and three shall be appointed by the municipal labor committee. The
31 screening committee shall submit the list of nominees upon the occur-
32 rence of any vacancy on the commission or at least three months prior to
33 the expiration of the term of any incumbent member.

34 (c) The commission shall appoint a counsel, who shall not be employed
35 or retained by any other city agency, and may appoint a secretary and
36 such other subordinates as may be necessary within the appropriation
37 therefor.

38 (d) The civil service commission shall have the power to hear and
39 determine appeals by any person aggrieved by any action or determination
40 of the personnel director made pursuant to section 12-04 of this chapter
41 and may order such relief as it deems appropriate or necessary in
42 accordance with this charter or the state civil service law. Any such
43 appeal shall be taken by application in writing to the commission within
44 thirty days after the action or determination appealed from. The commis-
45 sion shall also have the powers and responsibilities of a municipal
46 civil service commission under section seventy-six of the state civil
47 service law. In accordance with the requirements of this charter, the
48 commission shall promulgate rules of procedure, including rules estab-
49 lishing time schedules, for the hearings and determinations authorized
50 by this section.

51 (e) The commission shall have the power and duty to conduct reviews,
52 studies, or analyses of the administration of personnel in the city,
53 including the classification of titles by the personnel director.

54 (f) The commission shall prepare and transmit directly to the mayor
55 departmental estimates as required by this charter. The mayor shall
56 include such proposed appropriations for the commission as a separate

1 agency in the preliminary and executive budgets as are sufficient for
2 the commission to fulfill the obligations assigned to it by this charter
3 or other law.

4 § 12-04. Personnel director; powers and duties.

5 (a) The personnel director shall have the following powers and duties
6 in addition to the powers and duties of a municipal civil service
7 commission provided in the state civil service law, and those vested in
8 the personnel director as the head of the department, except where any
9 specific power or duty is assigned to the mayor, heads of city agencies
10 or the civil service commission pursuant to this chapter:

11 1. to recruit personnel;

12 2. to make studies in regard to the grading and classifying of posi-
13 tions in the civil service, establish criteria and guidelines for allo-
14 cating positions to an existing class of positions, and grade and estab-
15 lish classes of positions;

16 3. to schedule and conduct examinations for positions in the civil
17 service;

18 4. to establish, promulgate and certify eligible lists in the manner
19 provided in the state civil service law, and the rules of the personnel
20 director;

21 5. to determine the appropriateness of eligible lists for the filling
22 of vacancies in the manner provided in the state civil service law and
23 the rules of the personnel director;

24 6. to investigate applicants for positions in the civil service; to
25 review their qualifications, and to revoke or rescind any certification
26 or appointment by reason of the disqualification of the applicant or
27 appointee under the provisions of the state civil service law, and the
28 rules of the personnel director or any other law;

29 7. to review any appointment of persons as provisional employees with-
30 in sixty days after appointment to assure compliance with this charter,
31 the state civil service law, and any rule or regulation issued pursuant
32 to this charter or state civil service law;

33 8. to certify payrolls in accordance with the provisions of the state
34 civil service law and the rules of the personnel director;

35 9. to keep records regarding candidates for appointment to the civil
36 service and officers and employees in the civil service;

37 10. to develop and recommend to the mayor standard rules governing
38 working conditions, vacations and leaves of absence; and career, salary
39 and wage plans providing for the creation, abolition and modification of
40 positions and grades and fixing salaries of persons paid from the city
41 treasury, subject to the provisions of this charter, the state civil
42 service law, other applicable statutes and collective bargaining agree-
43 ments;

44 11. to administer the city-wide incentive, training and development,
45 and other such personnel programs of the city;

46 12. to establish and enforce uniform procedures and standards to be
47 utilized by city agencies in establishing measures, programs and plans
48 to ensure a fair and effective affirmative employment plan for equal
49 employment opportunity for minority group members and women who are
50 employed by, or who seek employment with, city agencies. Such procedures
51 shall include a time schedule for the development of such plans which
52 provides for the preparation by each agency of a draft plan, the review
53 of such draft plan by the department of personnel, the equal employment
54 practices commission, and such other agency as the mayor requires, and
55 the consideration by the agency of any comments received on such draft

1 plans prior to the adoption of a final plan as required by section 12-05
2 of this chapter;

3 13. to establish a uniform format to be utilized by all city agencies
4 in the preparation of the quarterly reports required by section 12-05 of
5 this chapter. Such format shall provide for the presentation of statis-
6 tical information regarding total employment, new hiring and promotions
7 in a manner which facilitates understanding of an agency's efforts to
8 provide fair and effective equal opportunity employment for minority
9 group members, women and members of other groups who are employed by, or
10 who seek employment with, city agencies;

11 14. to develop, in conjunction with other city agencies, a clearing-
12 house for information on employment and educational programs and
13 services for minority group members and women; and

14 15. to provide assistance to minority group members and women employed
15 by, or interested in being employed by, city agencies to ensure that
16 such minority group members and women benefit, to the maximum extent
17 possible, from city employment and educational assistance programs.

18 (b) The personnel director shall have the following powers and duties
19 with respect to the personnel management functions assigned to city
20 agencies pursuant to subdivisions (a), (b), (c), and (d) of section
21 12-05 of this chapter:

22 1. to aid in the development of effective and efficient personnel
23 programs and professional personnel staffs in the agencies of the city;
24 and to convene the personnel officers of the agencies from time to time
25 as a personnel council to consider personnel matters of inter-agency or
26 of city-wide concern;

27 2. to approve agency plans and programs pursuant to section 12-05 of
28 this chapter;

29 3. to establish and enforce standards, guidelines and criteria for the
30 personnel management functions assigned to the agencies and to audit
31 performance by the agencies of such personnel functions;

32 4. to reverse or rescind any agency personnel action or decision
33 pursuant to an assignment or delegation of authority in this chapter,
34 upon a finding of abuse after notification to the agency and an opportu-
35 nity to be heard;

36 5. to hear and determine appeals by any person aggrieved by any action
37 or determination of the head of an agency made pursuant to section 12-05
38 of this chapter, subject to review by the civil service commission as
39 provided in subdivision (e) of section 12-03 of this chapter;

40 6. to delegate to the head of an agency personnel management functions
41 assigned to the personnel director where such delegation is not other-
42 wise prohibited by the state civil service law, and pursuant to terms
43 and conditions prescribed by the director;

44 7. to administer personnel programs of a city-wide nature or common to
45 two or more departments where administration by separate agencies would
46 be impracticable and uneconomical;

47 8. to annually publish and submit to the mayor, council and the
48 commission on equal employment practices a report on the activities of
49 the department of personnel and city agencies to provide fair and effec-
50 tive affirmative employment practices to ensure equal employment oppor-
51 tunity for minority group members and women who are employed by, or who
52 seek employment with, city agencies. Such report shall include, but not
53 be limited to, an analysis of the city government workforce and appli-
54 cants for such employment by agency, title and classification; a
55 description of each agency's employment practices, policies and
56 programs; an analysis of the effectiveness of the city's efforts to

1 provide fair and effective affirmative employment practices to ensure
2 equal employment opportunity for minority group members and women who
3 are employed by, or who seek employment with, city agencies; and such
4 legislative, programmatic and budgetary recommendations for the develop-
5 ment, implementation or improvement of such activities as the personnel
6 director deems appropriate.

7 (c) The personnel director shall promulgate rules and regulations
8 relating to the personnel policies, programs and activities of city
9 government in furtherance of and consistent with the state civil service
10 law and this chapter. The personnel director shall transmit to the state
11 civil service commission each proposed rule which must be submitted to
12 such commission, including any which establishes or reclassifies titles
13 in the non-competitive or exempt class, within sixty days after the
14 public hearing has been held on such rule.

15 (d) The personnel director shall, at the time requested by the city
16 civil service commission or the equal employment practices commission,
17 provide each commission with all the information which such commission
18 deems necessary to fulfill the duties assigned to it by the charter. The
19 provisions of this subdivision shall not apply to any information which
20 is required by law to be kept confidential or which is protected by the
21 privileges for attorney-client communications, attorney work products,
22 or material prepared for litigation.

23 (e) The personnel director shall submit a quarterly report to the
24 mayor, the council, the civil service commission and the equal employ-
25 ment practices commission. Such report shall specify, by agency and by
26 title, including temporary titles:

27 1. the number of provisional employees at the end of the second month
28 of the quarter;

29 2. the length of time such provisional employees have served in their
30 positions; and

31 3. the actions taken by the city to reduce the number of such provi-
32 sional employees and the length of their service in such positions. Such
33 reports shall be submitted by the last day of March, June, September,
34 and December of each year.

35 § 12-05. Agency heads; powers and duties.

36 (a) Subject to the state civil service law and applicable provisions
37 of this charter, heads of city agencies shall have the following powers
38 and duties essential for the management of their agencies in addition to
39 powers and duties vested in them pursuant to this charter or other
40 applicable law:

41 1. to recruit personnel;

42 2. to participate with the personnel department in job analyses for
43 the classification of positions;

44 3. to allocate individual positions to existing civil service titles;

45 4. to allocate individual managerial or executive positions to manage-
46 rial assignment levels;

47 5. to assist the personnel department in the determination of minimum
48 qualifications for classes of positions and to review and evaluate qual-
49 ifications of candidates for positions in the civil service;

50 6. to assist the personnel director in the planning and preparation of
51 open competitive examinations;

52 7. to schedule and conduct tests other than written tests for
53 promotion to competitive class positions;

54 8. to determine whether to hold an open competitive or promotion exam-
55 ination to fill positions in the civil service subject to disapproval of
56 the personnel director within thirty days;

- 1 9. to plan and administer employee incentive and recognition programs;
- 2 10. to fill vacant positions within quarterly spending allotments and
- 3 personnel controls pursuant to this charter;
- 4 11. to administer and certify eligible lists for classes of positions
- 5 unique to the agency;
- 6 12. to make appointments to competitive positions from eligible lists
- 7 pursuant to subdivision one of section sixty-one of the state civil
- 8 service law, which authority shall not be abridged or modified by local
- 9 law or in any other manner;
- 10 13. to establish and administer performance evaluation programs to be
- 11 used during the probationary period and for promotions, assignments,
- 12 incentives and training;
- 13 14. to conduct training and development programs to improve the
- 14 skills, performance and career opportunities of employees;
- 15 15. to ensure and promote equal opportunity for all persons in
- 16 appointment, payment of wages, development and advancement;
- 17 16. to administer employee safety programs;
- 18 17. to maintain personnel records;
- 19 18. to perform such other personnel management functions as are deleg-
- 20 ated by the personnel director pursuant to this chapter or that are not
- 21 otherwise assigned by this chapter;
- 22 19. to establish measures and programs to ensure a fair and effective
- 23 affirmative employment plan to provide equal employment opportunity for
- 24 minority group members and women who are employed by, or who seek
- 25 employment with, the agency and, in accordance with the uniform proce-
- 26 dures and standards established by the department of personnel for this
- 27 purpose, to adopt and implement an annual plan to accomplish this objec-
- 28 tive. Copies of such plans shall be filed with the mayor, council,
- 29 department of personnel, equal employment practices commission, and city
- 30 civil service commission and shall be made available for reasonable
- 31 public inspection; and
- 32 20. to provide assistance to minority group members and women inter-
- 33 ested in being employed by city agencies to ensure that such minority
- 34 group members and women benefit, to the maximum extent possible, from
- 35 city employment and educational assistance programs.
- 36 (b) Within one year from the effective date of this charter, the head
- 37 of each agency shall prepare and submit to the mayor and the personnel
- 38 director a plan and schedule for the discharge of the powers and duties
- 39 assigned in this section. No such plan shall take effect until approved
- 40 by the mayor.
- 41 (c) The mayor may modify, suspend, or withdraw for cause any power or
- 42 duty assigned or delegated to the head of an agency pursuant to this
- 43 section.
- 44 (d) Notification prior to each action or decision of an agency pursu-
- 45 ant to this chapter which changes the status of an individual employee,
- 46 a position, or a class of positions shall be provided to the personnel
- 47 director. The head of each agency shall certify on each payroll that all
- 48 personnel actions and transactions of the agency conform with the
- 49 provisions of the state civil service law and this chapter, the rules of
- 50 the personnel director and other applicable law.
- 51 (e) Before any new position in the city service shall be created, the
- 52 agency head shall furnish the commissioner of finance with a certificate
- 53 stating the title of the class of positions to which the position is to
- 54 be allocated. If the position is to be allocated to a new class of posi-
- 55 tions, the agency head shall request of the personnel director, and the
- 56 personnel director shall furnish to the agency head and the commissioner

1 of finance, a certificate stating the appropriate civil service title
2 for the proposed position, the range of salary of comparable civil
3 service positions and a statement of the class specifications and line
4 of promotion into which such new position will be placed and any such
5 new position shall be created only with the title approved by the
6 personnel director.

7 (f) The heads of all agencies shall, except as otherwise provided by
8 law, have power to appoint and remove, subject to the provisions of the
9 state civil service law, all chiefs of bureaus and all other officers,
10 employees and subordinates in their respective administrations, depart-
11 ments or offices, without reference to the tenure of office of any
12 appointee and to assign them their duties. Nothing herein shall be
13 construed to preclude the mayor from entering into a collective bargain-
14 ing agreement which provides for a procedure governing the discipline of
15 employees, including their removal.

16 (g) The heads of city agencies or their designated representatives
17 shall fulfill the requirements for agency participation in matters
18 affecting the management of the agency in advance of collective bargain-
19 ing negotiations affecting employees.

20 (h) The head of each city agency shall ensure that such agency does
21 not discriminate against employees or applicants for employment pursuant
22 to federal, state and local law.

23 (i) The head of each city agency shall quarterly publish and submit to
24 the mayor, council, department of personnel, and the equal employment
25 practices commission a report on the agency's efforts during the previ-
26 ous quarter to implement the plan adopted pursuant to this section.

27 (j) The head of each city agency shall include in all employment
28 retention, recruitment, training and promotional program literature,
29 advertisements, solicitations and job applications, such language as may
30 be necessary to effectuate the purpose of this chapter.

31 (k) The head of each city agency shall require each employment agency,
32 or authorized representative of workers with which it has a collective
33 bargaining or other agreement or understanding and which is involved in
34 the performance of recruitment and retention with the agency to furnish
35 a written statement that such employment agency, labor union or repre-
36 sentative shall not discriminate against employees or applicants for
37 employment pursuant to federal, state or local law and that such union
38 or representative will cooperate in the implementation of the agency's
39 obligations pursuant to this chapter.

40 § 12-06. Management service.

41 (a) The personnel director, in consultation with the heads of agen-
42 cies, shall develop and submit to the mayor a city-wide plan and sched-
43 ule for the development of qualified and competent technical, profes-
44 sional, management, administrative, and, supervisory personnel in the
45 civil service to meet the managerial needs of city government. The
46 mayor shall approve, disapprove or modify the plan within one year after
47 the effective date of this charter.

48 (b) The city-wide plan shall establish a management service for city
49 agencies and shall provide for:

50 1. membership in the service of employees with significant policy,
51 administrative, supervisory, managerial or professional duties that
52 require the exercise of independent judgment in the scheduling and
53 assignment of work, program management or planning, evaluation of
54 performance or allocation of resources;

55 2. preference for appointment into management service shall be given
56 to qualified civil service employees pursuant to promotional examina-

1 tions administered in a manner consistent with the requirements of the
2 state civil service law;

3 3. assessments of capacity and potential to perform managerial duties
4 as part of competitive tests for entry into the service and assignments
5 within the service;

6 4. a single managerial class of positions for each occupational series
7 within the service with assignment levels within each such class;

8 5. a plan for achieving equitable pay scales for members of the
9 service consonant with their duties and responsibilities;

10 6. merit increases, incentive awards, and recognition programs for
11 members of the services;

12 7. performance evaluations for members of the service to be used for
13 assignments, incentive awards, probationary period review, and discipli-
14 nary action;

15 8. a probationary period not to exceed one year for members of the
16 service;

17 9. management intern programs; and

18 10. training and career development programs.

19 (c) The personnel director shall conduct city-wide programs and func-
20 tions related to the management service; assist agencies in the imple-
21 mentation of the management service plan; and review and evaluate agency
22 performance under the plan.

23 § 12-07. Appointments and promotions.

24 (a) All appointments, promotions and changes in status of persons in
25 the public service of the city shall be made in the manner prescribed by
26 the constitution of the state and in accordance with the provisions of
27 the state civil service law and other provisions of law not inconsistent
28 therewith nor with this charter.

29 (b) Whenever qualifications for the appointment of persons to public
30 office are prescribed by law, the appointing officer shall, upon making
31 such appointment, file with the civil service commission a certificate
32 that such appointment complies with such law.

33 § 12-08. Power of investigation.

34 The personnel director and the city civil service commission shall
35 have the power to make investigations concerning all matters touching
36 the enforcement and effect of the provisions of the state civil service
37 law insofar as it applies to the city and the rules and regulations
38 prescribed thereunder, or concerning the actions of any examiner or
39 subordinate of the department, or of any officer or employee of the city
40 or of any county within the city, in respect to the execution of the
41 state civil service law; and in the course of such investigations the
42 personnel director of the city civil service commission shall have the
43 power to administer oaths, to compel the attendance of witnesses, and to
44 examine such persons as deemed necessary.

45 § 12-09. No compensation to unauthorized employees.

46 No officer of the city whose duty is to sign or countersign warrants
47 shall draw, sign or issue, or authorize the drawing, signing or issuing
48 of any warrant on the commissioner of finance or other disbursing offi-
49 cer of the city for payment of salary to any person in its service whose
50 appointment or retention has not been in accordance with the state civil
51 service law and the valid rules in force thereunder.

52 § 12-10. Examination for licenses.

53 The personnel director shall, unless otherwise provided by law, have
54 power, upon request of any person charged with the duty of issuing
55 licenses or permits, to conduct, under rules and regulations to be
56 established by the personnel director, examinations and tests to deter-

1 mine the qualifications of persons applying for such licenses or
2 permits. The personnel director shall certify to the person having power
3 to issue the license or permit the result of any such examination or
4 test.

5 § 12-11. Officers or employees designated to serve in exempt civil
6 service positions.

7 (a) Notwithstanding any provision in this charter to the contrary, the
8 mayor or head of an agency may designate any officer or employee occupy-
9 ing a position in the competitive class of the civil service to serve in
10 a position in the exempt class, and in such case, the officer or employ-
11 ee so designated shall thereupon enter upon and exercise all the powers
12 and duties and receive the salary of such exempt position, and shall
13 retain all the rights, privileges and status of such officer or employ-
14 ee's position in the competitive class.

15 (b) The appointment of any person chosen to fill the position thus
16 left vacant shall be temporary and shall terminate upon the return of
17 such officer or employee to such position as provided in subdivision (e)
18 of this section.

19 (c) Such designation shall be in writing and shall be filed and remain
20 of record in the office of such agency, in the office of the personnel
21 director and in the office of the mayor and shall remain in force until
22 revoked by the mayor or head of such agency, as the case may be.

23 (d) Service in such position in the exempt class shall be credited as
24 service in the competitive class and the status of such officer or
25 employee in respect to pensions or otherwise shall not be adversely
26 affected by such designation.

27 (e) Upon the termination of the officer or employee's services in such
28 exempt position, except by dismissal for cause in the manner provided in
29 section seventy-five of the state civil service law, such officer or
30 employee shall immediately and without further application return to the
31 position in the competitive class with the status, rights, privileges
32 and salary enjoyed immediately prior to the designation to the position
33 in the exempt class as if service in the competitive position had been
34 continuous.

35 § 12-12. Residency exemption.

36 Any employee who was previously employed by the city of New York, and
37 who is appointed, reassigned or transferred to city employment, without
38 a break in service shall be exempt from any residency requirement in
39 connection with his or her employment or subsequent promotion, demotion,
40 reassignment, transfer or other personnel change. For the purpose of
41 this section, a break in service shall be defined as a period of more
42 than one year.

43 Chapter 13

44 Equal Employment Practices Commission

45 § 13-01. Equal employment practices commission.

46 (a) There shall be an equal employment practices commission which
47 shall review, evaluate and monitor the employment procedures, practices
48 and programs of any city agency and the department of personnel to main-
49 tain an effective affirmative employment program of equal employment
50 opportunity for minority group members and women who are employed by or
51 who seek employment with city agencies.

52 (b) The commission shall consist of three members who shall be compen-
53 sated on a per diem basis. The mayor, the council, and the comptroller
54 shall each appoint one member. The mayor shall appoint a member to serve
55 as the chair.

56 (c) Members shall be appointed for four-year terms.

1 (d) The commission may, within the appropriations available therefor,
2 appoint an executive director and such deputies, assistants, and other
3 employees as may be needed for the performance of the duties prescribed
4 herein.

5 (e) The commission may meet as necessary to implement the provisions
6 of this chapter provided that the commission shall meet at least once
7 every eight weeks.

8 § 13-02. Duties and powers of the equal employment practices commis-
9 sion.

10 (a) The commission:

11 1. shall monitor the employment policies, programs and practices of
12 each city agency; and

13 2. monitor the coordination and implementation of any city affirmative
14 employment program of equal employment opportunity for minority group
15 members and women who are employed by or who seek employment with city
16 agencies, including the activities of the department of personnel, and
17 the civil service commission, pursuant to chapter twelve of this char-
18 ter, and any other agency designated by the mayor to assist in the
19 implementation or coordination of such efforts, and all city agencies
20 required by section 12-05 of this charter to establish agency program.

21 (b) The commission may request and shall receive from any city agency
22 such information, other than information which is required by law to be
23 kept confidential or which is privileged as attorney client communi-
24 cations, attorney work products or material prepared for litigation, and
25 such assistance as may be necessary to carry out the provisions of this
26 chapter.

27 (c) The commission shall communicate to any appropriate authority any
28 information regarding suspected or alleged violations of this chapter.

29 (d) The commission shall have the following powers and duties:

30 1. to review the uniform standards, procedures, and programs of the
31 department of personnel pursuant to section 12-04 of this charter, and
32 to review the plans adopted by city agencies in accordance with the
33 provisions of section 12-05 of this charter, and to provide any such
34 agency or the department of personnel with such comments and suggestions
35 as the commission deems necessary and appropriate;

36 2. to recommend to the department of personnel, all city agencies, or
37 any one or more particular agencies, procedures, approaches, measures,
38 standards and programs to be utilized by such agencies in their efforts
39 to ensure a fair and effective affirmative employment program of equal
40 employment opportunity for minority group members and women who are
41 employed by or seek employment with city agencies;

42 3. to recommend to any city agency actions which such agency should
43 consider including in its next annual plan as required by section 12-05
44 of this charter;

45 4. to advise and, if requested, assist city agencies in their efforts
46 to increase employment of minority group members and women who are
47 employed by or who seek employment with city agencies;

48 5. to audit and evaluate the employment practices and procedures of
49 each city agency and their efforts to ensure fair and effective equal
50 employment opportunity for minority group members and women at least
51 once every four years and whenever requested by the civil service
52 commission or the human rights commission or whenever otherwise deemed
53 necessary by this commission;

54 6. to make such policy, legislative and budgetary recommendations to
55 the mayor, council, the department of personnel or any city agency as

1 the commission deems necessary to ensure equal employment opportunity
2 for minority group members and women;

3 7. to publish by the fifteenth of February of each year a report to
4 the mayor and the council on the activities of the commission and the
5 effectiveness of each city agency's affirmative employment efforts and
6 the efforts by the department of personnel to ensure equal employment
7 opportunity for minority group members and women who are employed by or
8 seek to be employed by city agencies;

9 8. to establish appropriate advisory committees;

10 9. to serve with such other agencies or officials as shall be desig-
11 nated by the mayor as the city liaison to federal, state and local agen-
12 cies responsible for compliance with equal employment opportunity for
13 minority group members and women who are employed by or who seek to be
14 employed by city agencies; and

15 10. to take such other actions as are appropriate to effectuate the
16 provisions and purposes of this chapter.

17 § 13-03. Compliance procedures.

18 (a) The commission shall conduct such study or investigations and hold
19 such hearings as may be necessary to determine whether agencies are in
20 compliance with the equal employment opportunity requirements of this
21 chapter and chapter twelve of this charter.

22 (b) For the purpose of ascertaining facts in connection with any study
23 or investigation authorized by this chapter, the commission shall have
24 power to compel the attendance of witnesses, to administer oaths and to
25 examine such persons as they may deem necessary. The commission or any
26 agent or employee thereof duly designated in writing by them for such
27 purposes may administer oaths or affirmations, examine witnesses in
28 public or private hearing, receive evidence and preside at or conduct
29 any such study or investigation.

30 (c) If the commission makes a preliminary determination pursuant to
31 section 13-02 of this chapter, that any plan, program, procedure,
32 approach, measures or standard adopted or utilized by any city agency or
33 the department of personnel does not provide equal employment opportu-
34 nity; and/or if the commission makes a preliminary determination pursu-
35 ant to this chapter and chapter twelve of this charter, that an agency
36 has not provided equal employment opportunity the commission shall noti-
37 fy the agency in writing of this determination and provide an opportu-
38 nity for the agency to respond. If the commission, after consideration
39 of any such response and after consulting with the agency, concludes
40 that the corrective actions, if any, taken or planned by the agency are
41 not sufficient to correct the non-compliance identified in the prelimi-
42 nary determination, it should make a final determination in writing,
43 including such recommended corrective action as the commission may deem
44 appropriate. The agency shall within thirty days thereafter respond to
45 the commission on any corrective action it intends to make and shall
46 make monthly reports to such commission on the progress of such correc-
47 tive action. If the commission, after a period not to exceed six months,
48 determines that the agency has not taken appropriate and effective
49 corrective action, the commission shall notify the agency in writing of
50 this determination and the commission may thereafter publish a report
51 and recommend to the mayor whatever appropriate corrective action the
52 commission deems necessary to ensure compliance with equal employment
53 opportunity pursuant to the requirements of this chapter and chapter
54 twelve of this charter. Within thirty days of such determination the
55 agency shall submit a written response to the commission and the mayor.
56 The mayor after reviewing the commission's findings and the agency's

1 response, if any, shall order and publish such action as he or she deems
2 appropriate.

3 Chapter 14

4 Collective Bargaining

5 § 14-01. Office of collective bargaining; director.

6 There shall be an office of collective bargaining, the head of which
7 shall be the director of such office, who shall be the person holding
8 the office of chairman of the board of collective bargaining. The
9 director may appoint, and at pleasure remove, two deputies.

10 § 14-02. Board of collective bargaining.

11 There shall be in the office of collective bargaining a board of
12 collective bargaining, which shall consist of five members. Two members
13 of the board shall be city members, two members of the board shall be
14 labor members, and one impartial member who shall be the chair. The
15 mayor shall have the power to appoint the city members of the board to
16 serve at the mayor's pleasure, and the labor members of the board from
17 designations by the municipal labor committee. Each labor and city
18 member shall have an alternate, who shall be appointed and removed in
19 the same manner as the member for whom he or she is the alternate. The
20 chair shall be elected by the unanimous vote of the city and labor
21 members, and shall serve for three year terms.

22 Notwithstanding any other provision of law, a labor member may not be
23 removed from the board except upon request of the municipal labor
24 committee, or except for cause, as hereinafter provided. Any member may
25 be removed for cause by a majority of the entire board, including at
26 least one city member and one labor member, after having been given a
27 copy of the charges against him and an opportunity to be heard in person
28 or by counsel in his or her defense upon not less than ten days notice.
29 Vacancies in the office of a city member or a labor member shall be
30 filled in the same manner as herein provided for appointment. Vacancies
31 in the office of an impartial member occurring otherwise than by expira-
32 tion of term shall be filled by unanimous vote of the city and labor
33 members for the unexpired balance of the term.

34 § 14-03. Bureau of certification.

35 There shall be in the office of collective bargaining a bureau of
36 certification, which shall be administered by the impartial member of
37 the board of collective bargaining.

38 § 14-04. Powers and duties.

39 The office of collective bargaining, the board of collective bargain-
40 ing and the bureau of certification shall have such powers and duties
41 with respect to labor relations and collective bargaining as shall be
42 prescribed by law and which shall be substantially equivalent to chapter
43 3 of title 12 of the New York city administrative code as it existed on
44 the date this charter was submitted pursuant to subdivision c of section
45 4 of chapter 773 of the laws of 1989 and shall also provide for a Staten
46 Island municipal labor committee.

47 § 14-05. Compensation.

48 (a) Board of collective bargaining; bureau of certification director.
49 The city members and the labor members of the board of collective
50 bargaining and their alternates shall serve without compensation. The
51 director shall be salaried for his or her services as director, chair of
52 the board of collective bargaining, and administrator of the bureau
53 certification. The director and all members of both such boards and
54 their alternates shall be entitled to receive a per diem fee and
55 reimbursement for their actual and necessary expenses incurred in the
56 performance of their duties. Fifty percent of the salary, fees, and

1 expenses provided for in this subdivision shall be paid by the members
2 of the municipal labor committee, under rules and regulations issued by
3 the board of collective bargaining, which rules may provide how such
4 costs shall be distributed among such members.

5 (b) Members of mediation and impasse panels; arbitrators. Members of
6 mediation and impasse panels, and arbitrators, shall be paid a per diem
7 fee to be determined by the board of collective bargaining, unless the
8 parties to the particular dispute shall have agreed to a different fee,
9 and shall be reimbursed for their actual and necessary expenses incurred
10 in the performance of their duties. The public employer and public
11 employee organization which are parties to the particular negotiation or
12 grievance shall each pay fifty percent of such fees and expenses and
13 related expenses incidental to the handling of deadlocked negotiations
14 and unresolved grievances.

15 (c) Appointment of counsel and attorneys. The director may appoint a
16 counsel and attorneys, who, at the direction of the bureau of certifi-
17 cation or the board of collective bargaining may appear for and repre-
18 sent the office of collective bargaining or either of the aforesaid
19 boards in any legal proceeding.

20 § 14-06. Publication of collective bargaining agreements.

21 Not later than sixty calendar days after the execution of a collective
22 bargaining agreement, a copy shall be published in a newspaper of gener-
23 al circulation in the city together with a statement by the mayor:

24 (a) of the total costs and current and future budgetary and economic
25 consequences of the agreement, and

26 (b) of the implications and likely impact of the agreement on the
27 efficient management of city agencies and the productivity of city
28 employees.

29 § 14-07. Budgeting for agreements.

30 (a) So far as practicable, each collective bargaining agreement cover-
31 ing city employees shall be executed prior to the commencement of the
32 fiscal year during which its provisions shall first be in effect.

33 (b) No part of any retroactive wage or salary settlement shall be
34 charged to the capital budget.

35 Chapter 15

36 Transitory Provisions

37 § 15-01. Rights of officers and employees of the city of New York
38 preserved.

39 (a) Nothing in this charter contained shall affect or impair the
40 rights or privileges of officers or employees of the city of New York
41 who are transferred, reassigned, appointed or otherwise employed by the
42 city in relation to the personnel, appointment, salaries, ranks, grades,
43 tenure of office, promotion, removal, pension and retirement rights,
44 civil rights or any other rights or privileges of officers or employees
45 of the city generally or officers or employees of any agency.

46 (b) There shall be no layoffs of officers or employees of the city of
47 New York classified municipal civil service as a result of transfer of
48 functions or work currently being performed by employees or officers of
49 the city of New York to the city of Staten Island. The city shall guar-
50 antee the continued employment of all officers and employees of the city
51 of New York who are performing duties and functions related to any
52 municipal governmental operation affecting the city of Staten Island at
53 the time this charter takes effect.

54 § 15-02. Transfer of officers and employees in case of transfer of
55 functions.

1 Wherever by any provision of this charter functions, powers or duties
2 are assigned to any agency which have been heretofore exercised by the
3 city of New York, its agencies, boards, corporations or other related
4 entities, all officers and employees in the classified municipal civil
5 service who at the time when such charter provisions shall take effect
6 are engaged in the performance of such functions, powers or duties shall
7 be transferred to the agency to which such functions, powers or duties
8 are assigned by this charter, without examination and without affecting
9 existing compensation or pension or retirement rights, privileges or
10 obligations of such officers and employees. Furthermore, any employee to
11 be transferred to the city pursuant to this charter shall be given the
12 option to remain in the employ of the city of New York without diminu-
13 tion of rights, privileges, salary and benefits. Any employee not
14 included in such transfer shall be able to protest the decision pursuant
15 to the procedures set forth in section seventy of the civil service law.

16 § 15-03. Continuity of employee representation.

17 Employees transferred from the city of New York to the city except for
18 those designated managerial or confidential shall be included in employ-
19 er - employee negotiating units comparable to existing units in the city
20 of New York. With respect to employees to be placed in such negotiating
21 units, the public employee organization recognized or certified to
22 represent the employees in comparable city of New York negotiating units
23 shall be recognized as the city unit representative.

24 § 15-04. Continuity of collectively bargained benefits.

25 All rights, privileges and benefits provided by collectively bargained
26 agreements to city of New York employees shall be continued for such
27 employees transferred, reappointed or otherwise employed by the city
28 until such time as successor collective bargaining agreements are nego-
29 tiated.

30 § 15-05. Future alterations of the negotiating units.

31 Future alterations of the city negotiating units shall be made pursu-
32 ant to article fourteen of the state civil service law and office of
33 collective bargaining implementing legislation.

34 § 15-06. Establishment of new titles.

35 (a) The city shall consult and bargain on all terms and conditions of
36 employment with the appropriate public employee organization with
37 respect to the establishment of any new titles which are similar to or
38 reasonably related to titles already represented by such public employee
39 organizations in the city or in the city of New York.

40 (b) Any such titles for which terms and conditions are bargained
41 pursuant to subdivision (a) of this section shall be deemed to be
42 successor titles within the meaning of applicable law. So long as the
43 responsibilities of employees in these titles are reasonably related to
44 the responsibilities of employees currently represented by public
45 employee organizations, such titles shall be accredited or placed in a
46 negotiating unit represented by such public employee organizations.

47 § 15-07. Dispute resolution.

48 If a dispute arises, the office of collective bargaining shall deter-
49 mine which public employee organization is appropriate to represent
50 transferees, other hires, or employees in a new title on the basis of
51 the title's community of interest with titles in the city and the city
52 of New York.

53 § 15-08. Existing rights and remedies preserved.

54 No existing right or remedy of any character shall be lost or impaired
55 or affected by reason of the adoption of this charter.

Chapter 16
Labor Relations

§ 16-01. Department; commissioner.

(a) There is established a department of labor relations, the head of which shall be the commissioner of labor relations.

(b) The commissioner of labor relations is hereby authorized to represent the mayor in the conduct of all relations between the city and labor unions, associations, or other organizations representing employees of the city. The commissioner of labor relations shall be responsible for the conduct of all relations and she or he shall establish broad city wide policy governing them.

(c) The appropriate city staff agencies shall render advice to the commissioner of labor relations on questions of law, finance, personnel policy, operations and management.

§ 16-02. Powers and duties.

(a) The commissioner of labor relations is authorized to negotiate labor agreements with the unions certified as representing the various groups of city employees, and to prepare and sign labor agreements on behalf of the mayor.

(b) The heads of all city departments and agencies and the staff of the office of the mayor shall cooperate fully with the commissioner of labor relations in carrying out his or her responsibilities. This cooperation shall include, but not be limited to the following:

1. notice and transmittal to the commissioner of labor relations of all inquiries and requests from labor unions, associations or other organizations representing employees of the city soliciting interpretation of any agreement;

2. actions by city departments or agencies based upon interpretations of collective bargaining agreement shall not be taken without prior consultation with the commissioner of labor relations;

3. agreements, contracts or understandings, verbal or written, shall be consummated between the head of any city department or agency or one of his or her subordinates, and a union or organization representing employees of that agency, only after prior consultation and review by the commissioner of labor relations;

4. grievance and dispute settlement procedures such as arbitration, mediation, fact-finding and labor-management conference discussions relating to city employee labor disputes or grievances, either advisory or binding, shall be entered into by city departments or agencies only after prior consultation and review of the commissioner of labor relations. Such settlement procedures shall be processed through and handled by the department of labor relations;

5. city departments and agencies shall not unilaterally change, in a substantial way, the working conditions of their employees without prior consultation with the commissioner of labor relations;

6. city departments and agencies shall not take disciplinary action against any employee or group of employees involved in a labor relations dispute without prior consultation with the commissioner of labor relations;

7. city departments and agencies shall provide the commissioner of labor relations with all necessary information needed in the conduct of labor negotiations affecting employees in their departments and shall participate with the commissioner of labor relations in the negotiations as, in the opinion of the commissioner of labor relations, may be necessary from time to time;

1 8. heads of city departments and agencies and the staff of the office
2 of the mayor shall give notice to the commissioner of labor relations of
3 all meetings held with labor unions, associations, or other organiza-
4 tions representing city employees;

5 9. heads of city departments and agencies and the staff of the mayor
6 shall consult with the commissioner of labor relations prior to the
7 issuance of any public or press statement relating to labor relations
8 with city employees;

9 10. the labor relations officer of each city department and agency
10 shall act as liaison with the department of labor relations and shall
11 keep that department informed of employee relations problems in his or
12 her department or agency. In particular, he or she shall immediately
13 notify the department of labor relations of any threatened or actual
14 strike, work stoppage, job action, mass resignation or picketing by
15 employees of his or her department or agency.

16 § 3-001. Legislative findings and declaration of purposes.

17 The legislature hereby finds and declares that it is essential that a
18 municipal corporation of the city of Staten Island be authorized to
19 represent the interests of the city of Staten Island during the transi-
20 tion period prior to the date of establishment of the city, provide
21 preparation for the operations of the city and provide financing for
22 such transition period and initial funding for the city.

23 § 3-002. Elections.

24 1. The board of elections of the city of New York shall provide for
25 the election of a mayor, a city comptroller and a common council, as
26 provided for in chapter 773 of the laws of 1989, as amended, for a poli-
27 tical subdivision of the state to be known as the city of Staten Island,
28 at the general election to be held in November next succeeding the date
29 on which this section shall have become a law in the county of Richmond.
30 Such expenses for such election will be reimbursed by the state from
31 those moneys to be allocated as general state aid to a city of Staten
32 Island. Chapter 7 of title 3 of the administrative code of the city of
33 New York, known as the "New York City Campaign Finance Act", shall not
34 apply to such elections.

35 2. The Mayor elect and common council elect of the city of Staten
36 Island, upon the constitutional oath of office, are hereby authorized to
37 represent the interests of the city of Staten Island, and as govern-
38 mental officers of the city of Staten Island are authorized to enter
39 into negotiations as provided under this act and enter into such
40 purchase or employment contracts as would be authorized for such city
41 subsequent to the date of establishment. Any such contracts or agree-
42 ments from such negotiations shall be binding upon the city of Staten
43 Island.

44 3. The mayor elect, the comptroller elect and the common council elect
45 shall take the oath of office on the first of January next succeeding
46 the date on which this act shall have become a law, at which time the
47 city shall be incorporated. The mayor, city comptroller and common coun-
48 cil shall establish accounts according to the provisions of the charter
49 of the city of Staten Island and appoint such other city officers as may
50 be necessary in accordance with the provisions of the city charter.

51 § 3-003. Staten Island city government-transition.

52 1. Short title. This section may be cited as the "Staten Island City
53 Government-Transition Act".

54 2. Definitions. For the purposes of this section:

55 (a) "City" means the city of Staten Island.

1 (b) "Director of management and budget" means the director of manage-
2 ment and budget of the city of Staten Island.

3 (c) "Corporation" means the municipal corporation as created by this
4 section.

5 (d) "Mayor" means the mayor of the city of Staten Island.

6 (e) "Comptroller" means the comptroller of the city of Staten Island.

7 (f) "State" means the state of New York.

8 (g) "Bonds" and "notes" means revenue bonds and notes respectively,
9 issued by the corporation pursuant to this section.

10 (h) "Revenues" means all aid, rents, fees, charges, payments and other
11 income and receipts paid or payable to the municipal corporation for the
12 account of the city of Staten Island, including any payment required to
13 be made to the corporation by this section.

14 (i) "Operating expenses" means all expenses incurred by the government
15 in the administration of the municipal corporation including but not
16 limited to salaries, administrative expenses, insurance premiums, audit-
17 ing and legal expenses and fees and expenses incurred for professional
18 consultants and fiduciaries.

19 (j) "Capital reserve fund requirement" means as of any particular date
20 of computation, an amount of money equal to the amount required, for the
21 then current fiscal year of the municipal corporation, to pay interest
22 during such fiscal year on all bonds of the corporation outstanding on
23 said date of computation, the principal amount of all bonds of the
24 corporation outstanding on said date of computation which matures during
25 such fiscal year and the amount of sinking fund payments payable during
26 such fiscal year with respect to any bonds of the corporation outstand-
27 ing on said date of computation.

28 (k) "Sinking fund payment" means the amount of money specified in the
29 resolution authorizing bonds as payable into a sinking fund during a
30 particular fiscal year for the retirement of term bonds which mature
31 after such fiscal year, but shall not include any amount payable by
32 reason only of the maturity of the bond.

33 3. General powers as a municipal corporation. The city shall have the
34 following powers in addition to those specially conferred elsewhere in
35 this act: (a) to sue and be sued; (b) to have a seal and alter the same
36 at pleasure; (c) to make and alter by-laws for its organization and
37 internal management and, subject to agreements with noteholders or bond-
38 holders, to make rules and regulations governing the use of its property
39 and facilities; (d) to make and execute contracts, leases, subleases and
40 all other instruments or agreements necessary or convenient for the
41 exercise of its powers and functions under this section; (e) to purchase
42 real or personal property necessary and convenient for its municipal
43 purposes; to execute and deliver deeds for real property held in its own
44 name; and to sell or otherwise to dispose of such real or personal prop-
45 erty that, in the judgment of the city, is no longer necessary for its
46 municipal purposes; (f) to appoint officers, agents and employees,
47 prescribe their duties and qualifications and fix their compensation;
48 (g) to commence any action to protect or enforce any right conferred
49 upon it by any law, contract or other agreement; (h) to borrow money and
50 to issue negotiable notes or bonds or other obligations and to fund or
51 refund the same, and to provide for the rights of the holders of its
52 obligations; (i) subject to the provisions of any contract with note-
53 holders or bondholders, to invest any funds held in reserves or sinking
54 funds, or any funds not required for immediate use or disbursement, at
55 the discretion of the city, in obligations of the state or federal
56 government, obligations the principal of and interest on which are guar-

1 anteed by the state or federal government, or obligations of agencies of
2 the federal government which may, from time to time, be legally
3 purchased by savings banks of the state as investments of funds belong-
4 ing to them or in their control and which have been approved by the
5 state comptroller or in secured time deposits or other interest bearing
6 accounts secured by such obligations; (j) subject to the provisions of
7 any contract with noteholders or bondholders, to purchase notes or bonds
8 of the city; (k) to procure insurance against any loss in such amounts
9 and from such insurers as it deems desirable; (l) to engage the services
10 of consultants on a contract basis for rendering professional and tech-
11 nical assistance and advice; (m) to contract for and to accept any gifts
12 or grants or loans of funds or property or financial or other aid in any
13 form from the federal government or any agency or instrumentality there-
14 of, or from any other source and to comply with the terms and conditions
15 thereof; (n) as security for the payment of the principal of and inter-
16 est on any bonds so issued and any agreements made in connection there-
17 with, to pledge all or any part of its revenues; (o) to enact such local
18 laws to take effect on the date of establishment as shall be necessary
19 to provide for effective transition of government; and (p) to do any and
20 all things necessary or convenient to carry out its purposes and exer-
21 cise the powers expressly given and granted in this act.

22 4. Notes and bonds of the city. The city shall have power and is here-
23 by authorized from time to time to issue its negotiable notes and bonds
24 in conformity with applicable provisions of the uniform commercial code,
25 the local finance law and the state finance law.

26 § 3-004. Employees of the city of Staten Island.

27 1. Notwithstanding any inconsistent provisions of this act, the
28 appointment and promotion of all employees of and for the city shall be
29 made in accordance with the provisions of the state civil service law
30 and shall be subject to the jurisdiction of the state civil service
31 commission and the compensation for such employees shall be fixed by the
32 city.

33 2. Any municipality and the city shall have the power to agree to
34 provide for the transfer to the city of agents, employees and facilities
35 of such municipality to enable the city to fulfill its municipal
36 purposes. Employees of such municipality to be transferred to the city
37 pursuant to this act shall be automatically appointed and transferred to
38 the city in the same or equivalent classification and position they hold
39 at the time of the transfer. The city, its officers and employees,
40 shall be subject to article fourteen of the state civil service law and
41 for all purposes the city shall remain and be deemed "public employer".
42 Employees who are members or beneficiaries of any existing pension or
43 retirement system shall continue to have such rights, privileges, obli-
44 gations or status with respect to such system as are prescribed by law
45 on the date this act takes effect, and all such employees who have been
46 appointed to positions in municipal service in accordance with the
47 provisions of the state civil service law under the rules of the city
48 civil service commission shall have the same status with respect thereto
49 in the service of the city as they had in prior municipal service.

50 3. Transfer rights. Notwithstanding any other provision of law, there
51 shall be no layoffs of officers or employees of the preceding municipi-
52 pality, its agencies, authorities, boards, corporations or other related
53 entities as a result of the transfer of functions or work currently
54 performed by these officers and employees to the city of Staten Island.
55 All such employees who have been assigned to work on Staten Island or
56 who have been substantially engaged in the performance of a function to

1 be transferred to the city of Staten Island shall be transferred to
2 positions in employment by the city of Staten Island upon the establish-
3 ment of the city of Staten Island and shall retain all rights, privi-
4 leges, benefits and salaries to which any such employee was previously
5 entitled as an employee of the preceding municipality. Notice that an
6 employee is subject to transfer shall be given to an employee no less
7 than twenty days prior to the effective date of transfer. Any employee
8 so notified may opt to remain in his or her employment by the preceding
9 municipality rather than be transferred by so informing his or her
10 employer ten days prior to the transfer date. Such employee shall be
11 retained in employment by the preceding municipality and retain all
12 rights, privileges, benefits and salaries to which the employee was
13 entitled prior to the establishment of the city of Staten Island.

14 4. Transfer mechanism. The mechanism for the transfer of the employees
15 to the city of Staten Island shall be the subject of negotiations among
16 the preceding municipality, the city of Staten Island and the appropri-
17 ate public employee organizations. The parties shall negotiate an
18 appeals process for employees aggrieved by their exclusion from the
19 transfer. If the parties are unable to reach agreement as to transfer
20 issues, the parties shall submit such issues to mediation and, if neces-
21 sary, impasse panels to be appointed in accordance with the collective
22 bargaining provisions of the administrative code of the preceding muni-
23 cipality. Transferees represented by the public employee organizations
24 shall be entitled to all rights and benefits which they were entitled to
25 prior to transfer including, but not limited to, seniority and accrued
26 annual and sick leave time.

27 5. Vacancies. Any employee of the preceding municipality not subject
28 to the transfer set forth in subdivision three of this section shall be
29 eligible to transfer to a vacant position in a title in the city of
30 Staten Island requiring the same, similar or related duties to duties
31 actually performed in the preceding municipality title by submitting
32 written notice of intent to transfer to the city of Staten Island direc-
33 tor of personnel within six months of the establishment of the city of
34 Staten Island. The preceding municipality shall inform in writing
35 employees who are residents of Staten Island of their right to apply for
36 transfer. Immediately upon receipt of any notice to transfer, the direc-
37 tor of personnel shall establish for each city of Staten Island title
38 two lists of eligible employees who give timely notice in order of the
39 employees' preceding municipality seniority in the title requiring the
40 same, similar or related duties. The first list shall include the names
41 of transfer applicants who are domiciled in the city of Staten Island on
42 the date of the submission of the notice. The second list shall include
43 the names of transfer applicants not domiciled in the city of Staten
44 Island. Appointments to any vacant positions in these titles shall be
45 made from the Staten Island domicile list and, when that list is
46 exhausted, from the second list until such lists are exhausted or until
47 a period of four years from the date of the establishment of the indi-
48 vidual list has expired.

49 6. Residency exemption. Any employee of the preceding municipality
50 appointed, reassigned or transferred to city of Staten Island employment
51 without a break in service shall be exempt from any residency require-
52 ment in connection with his or her employment or subsequent promotion,
53 demotion, reassignment, transfer or other personnel change. For the
54 purpose of this section, a break in service shall be defined as a period
55 of more than one year. Notwithstanding any other provision of law, any
56 Staten Island resident employed by the preceding municipality or on

1 leave of absence from such employment on the date of the establishment
2 of the city of Staten Island shall be exempt from any residency require-
3 ment in connection with his or her preceding municipality employment or
4 subsequent preceding municipality promotion, demotion, reassignment,
5 transfer or other personnel change.

6 7. Retirement. The city of Staten Island shall participate in the
7 State's retirement systems.

8 (a) On and after the date of the establishment of the city of Staten
9 Island, employees of the preceding municipality who are transferred to
10 employment in the city of Staten Island shall thereupon become members
11 of the appropriate state retirement system to the extent permitted or
12 required by the provisions of the retirement and social security law,
13 the education law or local law, as appropriate, and the employees'
14 reserves in any other retirement system shall be transferred to the
15 appropriate New York state retirement system without request by them or
16 notice to the retirement systems, except that any such employee who is a
17 member of one of the retirement systems of the preceding municipality
18 may elect to continue membership in such system. Any election pursuant
19 to this subdivision shall be made no later than the one hundred twenti-
20 eth day succeeding the date on which the provisions of this section
21 become effective, by filing a written notice thereof with the adminis-
22 trative head of the appropriate New York state, preceding municipality
23 and city of Staten Island retirement systems, as appropriate, and once
24 made and filed, shall be irrevocable. Upon the retirement of an employee
25 who has made such an election, the calculation of final average salary
26 by the retirement system of the preceding municipality shall be
27 performed as if the salary earned as a city of Staten Island employee on
28 and after the effective date of this section was earned in employment of
29 the preceding municipality. In the case of an employee who remains or
30 becomes a member of a New York state employees' retirement system pursu-
31 ant to this subdivision, the retirement system of the preceding munici-
32 pality shall make a transfer of reserves, contributions and credits to
33 such New York state employees' retirement system, in the manner required
34 by section 43 of the retirement and social security law.

35 (b) The comptroller of the preceding municipality shall certify to the
36 comptroller of the city of Staten Island and the state comptroller or
37 other chief officer of a state pension system the amount of money
38 required to be paid by the city of Staten Island for pension costs
39 resulting from elections made pursuant to paragraph (a) of this subdivi-
40 sion and the comptroller of the city of Staten Island shall pay to the
41 retirement system of the preceding municipality upon approval by the
42 state comptroller or other chief officer of a state pension system, the
43 amounts so certified by the comptroller of the preceding municipality.
44 The comptroller of the preceding municipality shall also certify to the
45 comptroller of the city of Staten Island and the state comptroller or
46 other chief officer of a state pension system the amount of money
47 required to be contributed by such employees. The comptroller of the
48 city of Staten Island shall be authorized to provide for the withholding
49 or withhold the contribution of such employees and the payment of that
50 amount to the retirement system of the preceding municipality. The
51 amount so certified pursuant to this paragraph shall be the same as the
52 amounts required to be contributed for similarly situated city employees
53 by the preceding municipality and by employees of the preceding munici-
54 pality.

55 8. Health insurance coverage. Health insurance coverage for city of
56 Staten Island employees, persons retired from city of Staten Island

1 employment and dependents of such employees and retirees shall be
2 provided in accordance with the personnel and labor, health insurance
3 coverage for municipal employees, persons retired from municipal employ-
4 ment and dependents of such employees and retirees provisions of the
5 administrative code of the preceding municipality unless the duly recog-
6 nized public employee representative negotiates altered terms.

7 9. Quasi-public entities. Rights and benefits of employees currently
8 employed by public authorities, boards, corporations and other quasi-
9 public entities of the preceding municipality shall be preserved upon
10 any transfer of functions resulting from the establishment of the city
11 of Staten Island.

12 § 3-005. Assistance to the city of Staten Island.

13 With the consent of any municipality, the city of Staten Island may
14 use agents, employees and facilities of such municipality, paying to the
15 municipality its agreed proportion of the compensation or costs.

16 § 3-006. Provision of municipal services in the city of Staten Island.

17 During the transition period the mayor and comptroller of the city of
18 Staten Island and the mayor and comptroller of the preceding munici-
19 pality are authorized to enter into agreements as to the provision of
20 municipal services by the preceding municipality to the city of Staten
21 Island to be provided on or after the date of establishment of the city
22 of Staten Island and the terms and conditions thereof.

23 § 3-007. Debt, property, obligations and other allocations.

24 1. (a) Proportion of debt to be assumed by the city of Staten Island.
25 The proportion of the debt of the preceding municipality which shall be
26 assumed by the city of Staten Island, as constituted by this act, shall
27 be determined in the following manner: The mayor and the comptroller of
28 the city of Staten Island, as representing the city of Staten Island and
29 the mayor and the comptroller of the preceding municipality, are hereby
30 authorized and empowered to agree if they can, as to the amount of the
31 debt of the preceding municipality, which should equitably and properly
32 be assumed by the city of Staten Island. If the mayor and the comp-
33 troller of the city of Staten Island and the mayor and the comptroller
34 of the preceding municipality shall be unable to agree within six months
35 after this section takes effect as to the proportion of said debt of the
36 preceding municipality to be assumed by the city of Staten Island, the
37 supreme court of the third judicial district shall have power to deter-
38 mine the proportion of said debt of the preceding municipality to be
39 assumed by the city of Staten Island, and to enforce such award, deci-
40 sion and determination as shall be made in an action to be brought by
41 and in the name of either of said parties not less than six months nor
42 more than one year after this section takes effect. Nothing herein
43 contained shall impair the obligation of any contract; and the property
44 and inhabitants of such part of the preceding municipality as is by this
45 act included within the city of Staten Island, shall continue liable to
46 the existing creditors of the said preceding municipality, in like
47 manner, as if this act had not been passed. But from and after the
48 taking effect of this section, the preceding municipality shall have no
49 power to issue any bond, obligation or other evidence of indebtedness
50 which shall bind or render liable the property or inhabitants of any
51 part of said municipality included within the city of Staten Island as
52 hereby constituted. The apportionment of the debt of the preceding muni-
53 cipality shall be determined according to the relative assessed valu-
54 ation of the real property included in, or remaining without the city of
55 Staten Island.

1 (b) Proportion of obligations other than debt to be assumed by the
2 city of Staten Island. The proportion of the obligations other than debt
3 of the preceding municipality which shall be assumed by the city of
4 Staten Island, as constituted by this act, shall be determined in the
5 following manner: The mayor and the comptroller of the city of Staten
6 Island, as representing the city of Staten Island and the mayor and the
7 comptroller of the preceding municipality, are hereby authorized and
8 empowered to agree if they can, as to the amount of the obligations
9 other than debt of the preceding municipality, which should equitably
10 and properly be assumed by the city of Staten Island. If the mayor and
11 the comptroller of the city of Staten Island and the mayor and the comp-
12 troller of the preceding municipality shall be unable to agree within
13 six months after this section takes effect as to the proportion of said
14 obligations other than debt of the preceding municipality to be assumed
15 by the city of Staten Island, the supreme court of the third judicial
16 district shall have power to determine the proportion of said obli-
17 gations other than debt of the preceding municipality to be assumed by
18 the city of Staten Island, and to enforce such award, decision and
19 determination as shall be made in an action to be brought by and in the
20 name of either of said parties not less than six months nor more than
21 one year after this section takes effect. Nothing herein contained shall
22 impair the obligation of any contract; and the property and inhabitants
23 of such part of the preceding municipality as is by this act included
24 within the city of Staten Island, shall continue liable to the existing
25 obligees of the said preceding municipality, in like manner, as if this
26 act had not been passed. But from and after the taking effect of this
27 section, the preceding municipality shall have no power to bind or
28 render liable the property or inhabitants of any part of said munici-
29 pality included within the city of Staten Island as hereby constituted.

30 (c) Disposition of real and personal property owned by or held in
31 trust for the preceding municipality. All the real property owned by the
32 preceding municipality and situated in that part of said municipality
33 included within the city of Staten Island, as constituted by this act,
34 is hereby vested in the said city of Staten Island and divested out of
35 the preceding municipality, and all of the real property owned by the
36 preceding municipality and situated elsewhere in said municipality is
37 hereby vested in the preceding municipality and divested out of the said
38 city of Staten Island. All of the property owned by the preceding muni-
39 cipality other than real property, including money, investments, securi-
40 ties on investments and money held in trust for the benefit of said
41 municipality, directly or indirectly, shall be divided between the
42 preceding municipality and the city of Staten Island, as constituted by
43 this act, and the proportion of the same to which each shall, in equity
44 and good conscience, be entitled to receive upon such division, shall be
45 ascertained and determined by agreement by and between the mayor and
46 comptroller of the preceding municipality, upon the one side, and the
47 mayor and the comptroller of the said city of Staten Island, upon the
48 other side, and in the case of their inability to agree upon such divi-
49 sion within six months after this section shall take effect, the supreme
50 court in the third judicial district is hereby empowered to divide the
51 same between them and to ascertain and award to each its equitable
52 proportion thereof, and to enforce its determination thereon, and either
53 of the said municipalities may institute and prosecute, in its own name,
54 an action in said court for that purpose after the expiration of six
55 months and before the expiration of one year after this section takes
56 effect.

1 (d) Documents. The preceding municipality shall provide the city of
2 Staten Island with all books, papers, documents and files held by such
3 municipality which apply primarily to the area of the city of Staten
4 Island and shall make available for copying by the city of Staten Island
5 any other books, papers, documents and files which such city shall
6 request as pertaining to such city in any other manner.

7 2. (a) Proportion of debt to be assumed by the city school district of
8 the city of Staten Island. The proportion of the debt of the city school
9 district of the preceding municipality which shall be assumed by the
10 city school district of the city of Staten Island, as constituted by
11 this act, shall be determined in the following manner: The board of
12 education of the city school district of the city of Staten Island and
13 the board of education of the city school district of the preceding
14 municipality, are hereby authorized and empowered to agree if they can,
15 as to the amount of the debt of the city school district of the preced-
16 ing municipality, which should equitably and properly be assumed by the
17 city school district of the city of Staten Island. If the board of
18 education of the city school district of the city of Staten Island and
19 the board of education of the city school district of the preceding
20 municipality shall be unable to agree within six months after this
21 section takes effect as to the proportion of said debt of the city
22 school district of the preceding municipality to be assumed by the city
23 school district of the city of Staten Island, the supreme court of the
24 third judicial district shall have power to determine the proportion of
25 said debt of the city school district of the preceding municipality to
26 be assumed by the city school district of the city of Staten Island, and
27 to enforce such award, decision and determination as shall be made in an
28 action to be brought by and in the name of either of said parties not
29 less than six months nor more than one year after this section takes
30 effect. Nothing herein contained shall impair the obligation of any
31 contract; and the property and inhabitants of such part of the city
32 school district of the preceding municipality as is by this act included
33 within the city school district of the city of Staten Island, shall
34 continue liable to the existing creditors of the city school district of
35 the said preceding municipality, in like manner, as if this act had not
36 been passed. But from and after the taking effect of this section, the
37 city school district of said preceding municipality shall have no power
38 to issue any bond, obligation or other evidence of indebtedness which
39 shall bind or render liable the property or inhabitants of any part of
40 the city school district of said municipality included within the city
41 school district of the city of Staten Island as hereby constituted. The
42 apportionment of the debt of the city school district of the preceding
43 municipality shall be determined according to the relative assessed
44 valuation of the real property included in, or remaining without the
45 city school district of the city of Staten Island.

46 (b) Disposition of real and personal property owned by or held in
47 trust for the city school district of the preceding municipality. All
48 the real property owned by the city school district of the preceding
49 municipality and situated in that part of the city school district of
50 said municipality included within the city school district of the city
51 of Staten Island, as constituted by this act, is hereby vested in the
52 city school district of the city of Staten Island and divested out of
53 the city school district of the preceding municipality, and all of the
54 real property owned by the city school district of the preceding muni-
55 cipality and situated elsewhere in the city school district of the preced-
56 ing municipality is hereby vested in the city school district of the

1 preceding municipality and divested out of the city school district of
2 the city of Staten Island. All of the property owned by the city school
3 district of the preceding municipality other than real property, includ-
4 ing money, investments, securities on investments and money held in
5 trust for the benefit of the city school district of the preceding muni-
6 cipality, directly or indirectly, shall be divided between the city
7 school district of the preceding municipality and the city school
8 district of the city of Staten Island, as constituted by this act, and
9 the proportion of the same to which each shall, in equity and good
10 conscience, be entitled to receive upon such division, shall be ascer-
11 tained and determined by agreement by and between the board of education
12 of the city school district of the preceding municipality, upon the one
13 side, and the board of education of the city school district of the city
14 of Staten Island, upon the other side, and in the case of their inabili-
15 ty to agree upon such division within six months after this section
16 shall take effect, the supreme court in the third judicial district is
17 hereby empowered to divide the same between them and to ascertain and
18 award to each its equitable proportion thereof, and to enforce its
19 determination thereon, and either of the said school districts may
20 institute and prosecute, in its own name, an action in said court for
21 that purpose after the expiration of six months and before the expira-
22 tion of one year after this section takes effect.

23 (c) Documents. The city school district of the preceding municipality
24 shall provide the city school district of the city of Staten Island with
25 all books, papers, documents and files held by such school district
26 which apply primarily to the area of the city school district of the
27 city of Staten Island, including its property, faculty and students, and
28 shall make available for copying by the city school district of the city
29 of Staten Island any other books, papers, documents and files which the
30 city school district of the city of Staten Island shall request as
31 pertaining to the city school district of the city of Staten Island in
32 any other manner.

33 § 3-008. Continuance of municipal services.

34 The preceding municipality shall be obligated to continue to maintain
35 during the transition period all municipal services and related equip-
36 ment and supplies at a level materially equivalent to that level of
37 municipal services and related equipment and supplies for the geograph-
38 ical area of the city of Staten Island as existing on the first of July
39 in the year in which this act shall have become a law subject to exist-
40 ing budget restraints of the preceding municipality.

41 § 3-009. Powers of the city of Staten Island to adopt and amend local
42 laws.

43 Notwithstanding the provisions of any other law, the common council of
44 the city of Staten Island shall have the power to adopt local laws in
45 accordance with the provisions of section 10 of the municipal home rule
46 law; provided, however, that no such local law adopted during the tran-
47 sition period shall be effective until the date of establishment of the
48 city of Staten Island.

49 § 3-010. Powers of the city of Staten Island relating to home rule
50 powers.

51 In accordance with the provisions of article IX of the constitution,
52 the city of Staten Island during the transition period shall have all of
53 the rights, powers, privileges and immunities granted to local govern-
54 ments with respect to the power of the legislature to act in relation to
55 the property or affairs of the city of Staten Island.

56 § 4-001. City school district of the city of Staten Island.

1 1. The territory of the city of Staten Island in the county of Rich-
2 mond, on the date when this act shall take effect, shall be and is here-
3 by constituted a city school district, and shall be known as the city
4 school district of the city of Staten Island and shall have and enjoy
5 all the powers and duties of a city school district under the provisions
6 of the education law.

7 2. Such district shall be under the control of a board of education,
8 which shall be composed pursuant to the provisions of article 52 of the
9 education law.

10 § 4-002. Section 2550 of the education law, as amended by chapter 65
11 of the laws of 1972, is amended to read as follows:

12 § 2550. Application of article. This article shall apply to the city
13 school districts of the following cities only: New York, Buffalo,
14 Rochester, Syracuse, Staten Island and Yonkers.

15 § 4-003. Section 2552 of the education law is amended by adding a new
16 subdivision e to read as follows:

17 e. City school district of the city of Staten Island: nine members.

18 § 4-004. Subdivisions 1, 2, 4, 5 and 6 of section 2553 of the educa-
19 tion law, subdivision 1 as separately amended by chapters 211 and 441 of
20 the laws of 1980, subdivisions 2, 4 and 5 as added by chapter 242 of the
21 laws of 1974 and subdivision 6 as amended by chapter 211 of the laws of
22 1980, are amended to read as follows:

23 1. No person shall be eligible to the office of member of a board of
24 education who is not a citizen of the United States, who is not quali-
25 fied to register for or vote at an election in accordance with the
26 provisions of section 5-106 of the election law, and who, in the case of
27 the city school district of the city of Yonkers, has not been a resident
28 of the city school district for which he or she is chosen for a period
29 of at least three years immediately preceding the date of his or her
30 election or appointment and who, in the case of the city school district
31 of the city of Buffalo, in the case of a member to be elected at large
32 is not a qualified voter of such city school district and who has not
33 been a resident of such district for a period of at least three years
34 immediately preceding the date of his or her election and in the case of
35 a member elected from a city school subdistrict is not a qualified voter
36 of such city school subdistrict and has not been a resident of the city
37 school district for three years and a resident of the city school
38 subdistrict which he or she represents or seeks to represent for a peri-
39 od of one year immediately preceding the date of his or her election,
40 and who, in the case of the city school district of the city of Roches-
41 ter, is not a qualified voter under section 5-102 of the election law of
42 such city school district; and who, in the case of the city school
43 district of the city of Staten Island has been a qualified voter under
44 section 5-102 of the election law of such city school district for at
45 least ninety days immediately preceding the date of his or her election
46 or appointment; and who in the case of the city school district of the
47 city of Syracuse has not been a qualified voter under section 5-102 of
48 the election law of such city school district for at least ninety days
49 immediately preceding the date of his or her election or appointment.

50 2. In the city school districts of the cities of Rochester and Syra-
51 cuse the members of such board of education shall be chosen by the
52 voters at large at either a general or municipal election, or at both.
53 In the city school district of the city of Staten Island the members of
54 such board of education shall be chosen pursuant to the provisions of
55 subdivision eleven of this section. In the city school district of the

1 city of Buffalo the members of such board of education shall be chosen
2 pursuant to the provisions of subdivision ten of this section.

3 4. In the city school districts of the following cities, the terms of
4 such members shall be as follows:

5 a. Rochester: Four Years;

6 b. Syracuse: Four Years;

7 c. Yonkers: Five Years; and

8 d. Staten Island: Three Years.

9 5. The terms of one-fifth of all the members of a board of education,
10 or of a fraction as close to one-fifth thereof as possible, shall expire
11 annually on the first Tuesday in May, except in the city school
12 districts of the cities of Buffalo, Rochester, Staten Island and Syra-
13 cuse.

14 6. If a vacancy occurs other than by expiration of term in the office
15 of a member of a board of education in a district in which such members
16 are elected at a general or municipal election, such vacancy shall be
17 filled by appointment by the mayor until the next general or municipal
18 election is held, and such vacancy shall then be filled at such election
19 for the unexpired portion of such term, except that in the city school
20 district of the city of Rochester any such vacancy shall be filled
21 pursuant to the provisions of subdivision nine of this section and
22 except further that any such vacancy on the board of education of the
23 city school district of the city of Buffalo shall be filled pursuant to
24 the provisions of subdivision ten of this section and except that any
25 vacancy on the board of education of the city school district of the
26 city of Staten Island shall be filled pursuant to the provisions of
27 subdivision eleven of this section.

28 § 4-005. Section 2553 of the education law is amended by adding a new
29 subdivision 11 to read as follows:

30 11. a. The members of the board of education of the city school
31 district of the city of Staten Island shall be elected by the qualified
32 voters of such city as provided herein.

33 b. The members of the board of education shall be elected at large
34 throughout the city as provided for in this subdivision.

35 c. (1) Every registered voter residing in the city school district of
36 the city of Staten Island and every parent of a child of school age
37 under the jurisdiction of such school district who is a resident of the
38 city of Staten Island for at least ninety days immediately preceding
39 such election and at least eighteen years of age shall be eligible to
40 vote at such election for members of the board of education.

41 (2) Each candidate for member of the board of education of the city
42 school district of the city of Staten Island shall be required to file
43 petitions containing at least five hundred signatures. No petition shall
44 contain any political party or independent body name or label. Each
45 petition shall contain the name of only one candidate and such petition
46 shall be filed with the clerk of the board of elections of the county of
47 Richmond not earlier than the fifth Tuesday and not later than the
48 fourth Tuesday preceding the date on which an election shall be held. A
49 certificate of acceptance or declination of any individual so nominated
50 shall be filed not later than the third day after the fourth Tuesday
51 preceding the election.

52 d. No person shall be eligible for the office of member of such board
53 of education who is not a qualified voter under section 5-102 of the
54 election law of such city school district. No person shall hold at the
55 same time the office of member of the board of education and any other
56 elective office nor shall any holder of an elective office be a candi-

1 date for the office of member of such board of education. No employee of
2 the city school district of the city of Staten Island shall be a member
3 of the board of education.

4 e. The term of office of each member of the board of education of the
5 city school district of the city of Staten Island shall be three years.
6 Voting will be by means of cumulative voting. Each voter may cast up to
7 nine votes for the candidate or candidates of his or her choice by cast-
8 ing all of his or her votes for a single candidate, by casting one vote
9 for each of nine candidates, or by allocating any combination of nine
10 whole votes among the candidates. The maximum number of votes each voter
11 may cast shall not exceed nine. Nothing in this paragraph requires that
12 a voter cast more than one vote for any one candidate. The nine candi-
13 dates receiving the greatest number of votes cast shall be elected.

14 f. (1) Such election for such office shall be governed by the
15 provisions of the election law in the same manner as candidates for
16 office generally to be elected by the voters of the city of Staten
17 Island except, as the case may be, as to the date of the election; and,
18 further provided, however, that each such candidate for election as a
19 member of such board of education shall be required to file a petition
20 containing signatures of at least five hundred voters of such city
21 school district.

22 (2) For the election held in May, in the year next succeeding the
23 date on which this subdivision shall have become a law, such petition
24 shall be deemed to be timely filed for such election if filed with the
25 clerk of the board of elections of Richmond county on or before April
26 ninth, in the year next succeeding the date on which this subdivision
27 shall have become a law. A petition sent by mail in an envelope post-
28 marked prior to midnight on April ninth, in the year next succeeding the
29 date on which this subdivision shall have become a law, shall be deemed
30 to be timely filed when received. Written objection to such petition
31 shall be filed within two days after the final date for filing of such
32 petition and specifications of the grounds of the objections shall be
33 filed with the board within one day after the filing of the objection
34 and institution of court proceedings relating thereto shall be commenced
35 not later than May second, in the year next succeeding the date on which
36 this subdivision shall have become a law.

37 g. Petitions for the nomination of members of such school board shall
38 be on white paper containing the required signatures of qualified voters
39 of the city of Staten Island. The sheets of such petition shall be
40 numbered consecutively, beginning with number one, at the foot of each
41 sheet. Such a petition must set forth in every instance the correct
42 date of signing, the full name of the signer and his or her present
43 residence. A signer need not himself or herself fill in the date or
44 residence.

45 h. Each sheet of such a petition shall be signed in ink and shall be
46 substantially in the following form:

47 I, the undersigned, do hereby state that I am a duly qualified voter
48 of the city of Staten Island, that my present place of residence is
49 truly stated opposite my signature hereto, I intend to support at the
50 ensuing election and I do hereby nominate the following named person as
51 a candidate for nomination (for the public office of member of the board
52 of education of the city school district of the city of Staten Island at
53 large.....day of.....,) (for the city school
54 district.....day of.....,)

55 In witness whereof, I have hereunto set my hand the day and year
56 placed opposite my signature.

	<u>Date</u>	<u>Name of Signer</u>	<u>Present Residence</u>	<u>Assembly District</u>	<u>Election District</u>
3
4
5

The petition shall be authenticated by witnesses. Such statement shall be accepted for all purposes as the equivalent of an affidavit, and if false shall subject the witness to the same penalties as if he/she had been duly sworn. The form of such statement shall be substantially as follows:

STATEMENT OF WITNESS

I,....., (name of witness), state: I am a duly qualified voter of the state of New York, and now reside in the city, town or village of....., in such state, at(fill in street and house number and post office) therein. I know each of the voters whose names are subscribed to this petition sheet containing (fill in number).....signatures and each of them subscribed the same in my presence and upon so subscribing declared to me that the foregoing statement, made and subscribed by him/her, was true.

.....
Signature of witness
Date.....

i. The board of elections shall refuse to accept such petitions signed by an insufficient number of qualified voters, or petitions which are not timely or petitions bearing a political party or independent body, name or emblem or which contain the name of more than one candidate.

j. Except as it may be modified by the provisions of paragraph f of this subdivision, the provisions of the election law with respect to acceptances by candidates nominated by independent nominating petitions shall apply to candidates nominated by petitions for members of such board of education.

k. Objections to petitions for the nomination of members of such board of education and procedures and remedies applicable to such objections shall be the same as those applicable to independent nominating petitions under the election law, except as it may be modified by the provisions of paragraph d of this subdivision.

l. The board of elections shall cause to be printed official ballots containing the names of all candidates as above provided, except that the board may refuse to have the names of ineligible candidates placed on such ballots. The names of the candidates shall be arranged according to lot, and shall not bear the designation of any political party or independent body, name or emblem. Blank spaces shall be provided so that voters may vote for candidates who have not been nominated for the offices to be filled at such elections. The form of such ballots shall conform substantially to the form of ballots used at general elections as prescribed in the election law.

m. Voting for the election of members of such board of education shall be by voting machine, if practicable, and shall be governed by the applicable provisions of the election law with respect to voting machines.

n. If a candidate, after a petition in his or her behalf shall have been duly filed with the clerk of the board of elections, and prior to the date of the election, shall decline to accept the nomination, die,

1 remove from the school district, accept or be a candidate for another
2 elective office, or become otherwise disqualified for such city school
3 district office, a further petition may be filed with such clerk, nomi-
4 nating another candidate in his or her place and stead. Such further
5 petition shall in all respects comply with the provisions of paragraphs
6 f, g and i of this subdivision, except that it may be filed at any time
7 up to and including the fifteenth day preceding the date of the election
8 pursuant to the provisions of this subdivision and the time within which
9 to accept or object to such further petition shall be computed from the
10 date of filing or said fifteenth day, whichever is earlier.

11 o. Whenever a vacancy shall occur or exist in the office of member of
12 the board of education except by reason of expiration of term or
13 increase in the number of members of such board, the candidate who has
14 received the next highest total number of votes in the preceding school
15 board election as certified by the board of elections shall be selected
16 to fill the vacancy. In the event that no candidate is available, then
17 the mayor of the city of Staten Island shall appoint a person to fill
18 the vacancy for the remainder of the unexpired term.

19 p. The members so elected to the board of education shall convene on
20 the first business day in July of each year at the time of the commence-
21 ment of their term of office and select from their members a president
22 who shall serve for a term of one year or such other term, not exceeding
23 the term of his or her office, as may be fixed by the rules and regu-
24 lations of the board.

25 q. The election of members of the board of education of the city
26 school district of the city of Staten Island shall take place on May
27 second, two thousand twenty-five and on the first Tuesday in May every
28 third year thereafter. Such election shall be conducted by the board of
29 elections of the county of Richmond in the same manner as general
30 elections are conducted by it.

31 r. Polls shall be open for voting for the hours prescribed by section
32 8-100 of the election law for primary elections. The results of such
33 elections, after canvassing, shall be certified and reported by the
34 board of elections to the city clerk and the board of education of such
35 city.

36 § 4-006. Subdivision 2 of section 2554 of the education law, as
37 amended by chapter 27 of the laws of 2012, is amended to read as
38 follows:

39 2. [~~Te~~] Except as provided in subdivision one of section two thousand
40 five hundred seventy-three of this article, to create, abolish, maintain
41 and consolidate such positions, divisions, boards or bureaus as, in its
42 judgment, may be necessary for the proper and efficient administration
43 of its work; to appoint a superintendent of schools, such associate,
44 assistant, district and other superintendents, examiners, directors,
45 supervisors, principals, teachers, lecturers, special instructors,
46 medical inspectors, nurses, auditors, attendance officers, secretaries,
47 clerks, custodians, janitors and other employees and other persons or
48 experts in educational, social or recreational work or in the business
49 management or direction of its affairs as said board shall determine
50 necessary for the efficient management of the schools and other educa-
51 tional, social, recreational and business activities; provided, however,
52 that in the city school districts of the cities of Buffalo, Rochester,
53 and Syracuse appointment of associate, assistant and district super-
54 intendents, and other supervising staff who are excluded from the right
55 to bargain collectively pursuant to article fourteen of the civil
56 service law shall, within the amounts budgeted for such positions, be by

1 the superintendent of such city school district; and to determine their
2 duties except as otherwise provided herein.

3 § 4-007. Subdivision 8 of section 2554 of the education law, as
4 amended by chapter 576 of the laws of 1964, is amended to read as
5 follows:

6 8. To dispose of, in the city of New York and the city of Staten
7 Island, to the best advantage of the city of New York or the city of
8 Staten Island, either by sale or on the basis of money allowance for
9 waste paper all books delivered to the several public schools of such
10 city that have been discarded either by reason of being obsolete, no
11 longer required by the course of study, worn by long usage or mutilated
12 by accident. If disposal is made by sale it shall be to the highest
13 bidder and the money realized shall be paid into the city treasury and
14 shall at once be appropriated by the city to the special school fund of
15 the board of education entitled "supplies". If disposal is made on the
16 basis of money allowance for waste paper, it shall be to the highest
17 bidder. Such discarded books may be disposed of without public adver-
18 tisement or entry into a formal contract. Should the discarded books be
19 in such condition that no sale or exchange can be made, or should there
20 be reason to believe that such discarded books have become infected
21 through disease among the pupils, or should the superintendent of
22 schools certify that such discarded books contain erroneous, inaccurate,
23 obsolete or antiquated subject matter, illustrations, maps, charts or
24 other material, the committee on supplies of the board of education, if
25 such books cannot be sold, given away or otherwise salvaged as waste
26 paper without danger to the public health, may authorize their
27 destruction by fire, in which event the superintendent of school
28 supplies shall obtain and file in his office a certificate that such
29 books have been so destroyed, signed by the principal of the school in
30 which the books are located.

31 § 4-008. Subdivision 14 of section 2554 of the education law, such
32 section as renumbered by chapter 762 of the laws of 1950, is amended to
33 read as follows:

34 14. To provide in the schools administered by the board of education
35 of the city of New York or the city of Staten Island, the proper book or
36 books, in form as required by the by-laws of the board of education of
37 such city, in which it shall cause the class teachers under the direc-
38 tion and supervision of the principal to enter the names, ages and resi-
39 dences of the pupils attending the school, the name of the parent or
40 guardian of each pupil and the days on which the pupils shall have
41 attended respectively, and the aggregate attendance of each pupil during
42 the year, and also the day upon which the school shall have been visited
43 by the superintendent of schools or by an associate superintendent of
44 schools or by an assistant superintendent, or by members of the board of
45 education, or by members of the local school board, or by any of them,
46 which entry shall be verified by such oath or affirmation of the princi-
47 pal as may be prescribed by the board of education of such city. Such
48 books shall be preserved as the property of such board of education and
49 shall at all times be open to inspection by members of such board of
50 education, by members of the local school boards and by the superinten-
51 dent of schools, or by any associate superintendent of schools, or by
52 the assistant superintendents.

53 § 4-009. Subdivision 15 of section 2554 of the education law is
54 amended by adding a new paragraph b-1 to read as follows:

55 b-1. In the city of Staten Island, the board of education shall make
56 rules and regulations for the conduct, operation and maintenance of

1 extra classroom activities and for the safeguarding, accounting and
2 audit of all moneys received and derived therefrom. In the case of any
3 extra classroom activity as it shall deem proper, and notwithstanding
4 the provisions of section twenty-five hundred thirty of this title, it
5 may direct that the moneys received or derived from the conduct, opera-
6 tion or maintenance of such an extra classroom activity be deposited
7 with the chief fiscal officer of the board of education, who in such
8 event shall be the treasurer of such an extra classroom activity, the
9 moneys of which are required to be so deposited. In the procurement of
10 articles and services for the conduct, operation and maintenance of a
11 cafeteria or restaurant service, the board of education shall be subject
12 to the provisions of subdivision ten of section twenty-five hundred
13 fifty-six of this article, except that said board of education need not
14 have duly advertised for estimates in order to contract for such arti-
15 cles or services in an amount exceeding one thousand dollars. In such
16 city, the board of education shall also have power to assign any of its
17 officers or employees to perform such duties as it may prescribe in
18 connection with an extra classroom activity and to designate such of its
19 officers and employees when so assigned from whom a bond shall be
20 required for faithful performance of their duties and to fix the sum in
21 which each such bond shall be given.

22 § 4-010. Section 2554 of the education law is amended by adding two
23 new subdivisions 29 and 30 to read as follows:

24 29. To assign, in its discretion, one or more employees of the board
25 in the city of Staten Island to serve as trial examiner with power to
26 conduct investigations and hearings on behalf of such board. Each trial
27 examiner shall report the result of any such investigation or hearing to
28 the board.

29 30. To employ a superintendent of the city of Staten Island school
30 district by contract for a four-year term of office, subject to removal
31 for cause, at a salary to be fixed within the budgetary allocation
32 therefor.

33 § 4-011. Subdivision 5 of section 2556 of the education law, as
34 amended by chapter 480 of the laws of 2014, is amended to read as
35 follows:

36 5. It shall be unlawful for a schoolhouse to be constructed in the
37 city of New York or the city of Staten Island without an open-air play-
38 ground attached to or used in connection with the same. Existing play-
39 grounds shall not be sold, leased or transferred, or permanently author-
40 ized for other uses such as school building construction, renovation,
41 placement or storage of building materials for such work that would
42 eliminate the use of such playground space for outdoor recreational
43 activities unless a plan is established and implemented to provide suit-
44 able and adequate physical activities or space to accommodate the phys-
45 ical and recreational needs of the pupils of such building. The
46 provisions of this subdivision shall not apply to school construction or
47 renovation activities that occur on or require the use of such play-
48 grounds for a duration of no more than one year.

49 § 4-012. Section 2556 of the education law is amended by adding a new
50 subdivision 6-a to read as follows:

51 6-a. After a site has been selected and plans and specifications for a
52 building thereon have been approved as provided herein, the board of
53 education of the city school district of the city of Staten Island may,
54 in its discretion, by regulation deliver such plans and specifications
55 to the common council or other local legislative body which may thereup-
56 on, in its discretion, award a contract for the erection of such build-

1 ing in the same manner and in accordance with the provisions of law
2 regulating the awarding of contracts for the construction of municipal
3 buildings of such city.

4 § 4-013. Section 2556 of the education law is amended by adding three
5 new subdivisions 10-b, 11-a and 13-a to read as follows:

6 10-b. In the city of Staten Island if the several parts of the work or
7 labor to be done and/or the supplies, materials and equipment to be
8 furnished shall together involve an expenditure of not more than ten
9 thousand dollars, the same may be procured in compliance with the proce-
10 dures on contracting provided in chapter nine of the charter of the city
11 of Staten Island.

12 11-a. In all contracts by the board of education of the city school
13 district of the city of Staten Island, for the construction, repair,
14 alteration or remodeling of buildings or for the purchase of supplies,
15 furniture or equipment, a stipulation may be inserted for liquidated
16 damages for any breach, failure or delay in the performance thereof; and
17 such board of education is authorized and empowered to remit the whole
18 or any part of such damages as in its discretion may be just and equita-
19 ble; and in all suits commenced on any such contracts or on any bond
20 given in connection therewith it shall not be necessary for such board,
21 whether plaintiff or defendant, to prove actual or specific damages
22 sustained by reason of any such breach, failure or delay, but such stip-
23 ulation for liquidated damages shall be conclusive and binding upon all
24 parties.

25 13-a. The board of education of the city school district of the city
26 of Staten Island may through its duly designated officers, agents or
27 employees enter upon public or private property for the purpose of
28 making surveys, soundings or test borings necessary for the exercise of
29 the powers or the performance of the duties, of such board of education,
30 provided, however, that the mayor had formally approved the acquisition
31 of the real property as a school site.

32 § 4-014. The education law is amended by adding three new sections
33 2560-a, 2561-a, and 2562-a to read as follows:

34 § 2560-a. Liability of board of education of the city school district
35 of the city of Staten Island. 1. Notwithstanding any inconsistent
36 provision of law, general, special or local, or the limitation contained
37 in the provisions of any city charter, any duly appointed member of the
38 board of education of the city school district of the city of Staten
39 Island, the members of the school board of such city, the teaching or
40 supervising staff, officer, or employee of such board, member of a
41 committee on special education or subcommittee thereof or authorized
42 participant in the school volunteer program in such city shall be enti-
43 tled to legal representation and indemnification pursuant to the
44 provisions of, and subject to the conditions, procedures and limitations
45 contained in section fifty-k of the general municipal law, except that
46 any judgment or settlement pursuant to this section shall be payable
47 from the moneys of the board of education.

48 2. Notwithstanding any inconsistent provision of law, general, special
49 or local, or limitations contained in the provision of any city charter,
50 it shall not be within the power of the board of education of the city
51 of Staten Island to require a volunteer participating in any school
52 activities to execute a waiver of responsibility in favor of that board
53 as a condition, either express or implied, of such participation. Such
54 waiver would include, but not be limited to, a release of any party
55 against whom the volunteer may have rights under any existing provision
56 of law for personal injuries incurred during the performance of author-

1 ized volunteer duties by an authorized participant in a school volunteer
2 program.

3 § 2561-a. Liability of certain officers and employees of the board of
4 education of the city school district of the city of Staten Island. If,
5 in order to furnish needy children or minors with food, shoes, clothing,
6 and other necessities to enable them to attend school as contemplated by
7 law and to benefit from instruction, such board of education shall have
8 required, imposed or permitted, the performance of duties by any of its
9 officers and employees, because of which it became necessary or expedi-
10 ent for any such officer or employee to act for such board of education,
11 or to act for or in cooperation with any other agency of government,
12 federal, state or municipal, then irrespective of the fact that the
13 authority to require, impose or permit the performance of such duties
14 may not have been specifically conferred upon said board of education by
15 provisions of this chapter, such board of education shall be liable for
16 and shall assume liability to the extent that it shall save harmless any
17 such officers or employees for damages arising out of the negligence of
18 any such officer or employee while actually engaged in the performance
19 of such required or permitted duties, provided the officer or employee
20 at the time was acting within the scope of his or her duties or employ-
21 ment.

22 § 2562-a. Presentation of claims against the board of education of
23 the city school district of the city of Staten Island to be pleaded. 1.
24 No action or special proceeding, for any cause whatever, shall be prose-
25 cuted or maintained against the board of education of the city school
26 district of the city of Staten Island, unless it shall appear by and as
27 an allegation in the complaint or necessary moving papers that at least
28 thirty days have elapsed since the demand, claim or claims upon which
29 such action or special proceeding is founded were presented to the said
30 board of education for adjustment, and that the officer or body having
31 the power to adjust or pay said claim has neglected or refused to make
32 an adjustment or payment thereof for thirty days after such presentment.

33 2. The said board of education may require any person presenting for
34 settlement an account or claim for any cause whatever against it to be
35 sworn before it or a committee thereof, or before the auditor, or before
36 any person designated by said board, touching such account or claim, and
37 when so sworn, to answer orally as to any facts relative to the justness
38 of such account or claim. A member of the board, the auditor, or any
39 other person designated as hereinbefore stated, shall have the power to
40 administer an oath to any person who shall give testimony to the just-
41 ness of such account or claim, and for the purpose of securing such
42 testimony may issue subpoenas for the attendance of witnesses. Wilful
43 false swearing before the said board of education, a committee thereof,
44 the auditor, or before any person designated as hereinbefore stated, is
45 perjury and punishable as such.

46 § 4-015. Section 2566 of the education law is amended by adding a new
47 subdivision 3-a to read as follows:

48 3-a. In the city of Staten Island, to exercise the administrative and
49 ministerial powers of the board of education.

50 § 4-016. The education law is amended by adding two new sections
51 2567-a and 2568-a to read as follows:

52 § 2567-a. Protection of rights exercised under licenses issued by a
53 board of education in the city of Staten Island. No person shall
54 forfeit any right given to him or her under a license issued by such
55 board of education, pursuant to this chapter, because of absence while
56 in service in the armed forces of the United States or in the service of

1 the American Red Cross. Any person may at any time within six months
2 after his or her discharge from service in the armed forces of the
3 United States or the American Red Cross make application to the license
4 issuing authority by affidavit setting forth that he or she has been in
5 service in the armed forces of the United States or the American Red
6 Cross and has been discharged from such service and that he or she
7 desires the license theretofore issued to him or to her to be reissued
8 as of the date of such application, and it shall be the duty of the
9 licensing authority to reinstate such license as of the date on which
10 application is made.

11 § 2568-a. Superintendent of schools authorized to require medical
12 examination of certain employees of the board of education of the city
13 school district of the city of Staten Island. The superintendent of
14 schools shall be empowered to require any person employed by the board
15 of education of the city school district of the city of Staten Island to
16 submit to a medical examination by a physician or school medical inspec-
17 tor of the board, in order to determine the mental or physical capacity
18 of such person to perform his or her duties, whenever it has been recom-
19 ended in a report in writing that such examination should be made.
20 Such report to the superintendent may be made only by a person under
21 whose supervision or direction the person recommended for such medical
22 examination is employed. The person required to submit to such medical
23 examination shall be entitled to be accompanied by a physician or other
24 person of his or her own choice. The findings upon such examination
25 shall be reported to the superintendent of schools and may be referred
26 to and considered for the evaluation of service of the person examined
27 or for disability retirement.

28 § 4-017. Subdivision 1 of section 2573 of the education law, as
29 amended by section 3 of subpart D of part EE of chapter 56 of the laws
30 of 2015, subparagraph ii of paragraph (a) as amended by chapter 201 of
31 the laws of 2022 and subparagraph ii of paragraph (b) as amended by
32 chapter 345 of the laws of 2019, is amended to read as follows:

33 1. (a) i. ~~Teachers~~ Except as otherwise provided for in paragraph (c)
34 of this subdivision, teachers and all other members of the teaching
35 staff, appointed prior to July first, two thousand fifteen and author-
36 ized by section twenty-five hundred fifty-four of this article, shall be
37 appointed by the board of education, upon the recommendation of the
38 superintendent of schools, for a probationary period of three years,
39 except that in the case of a teacher who has rendered satisfactory
40 service as a regular substitute for a period of two years or as a
41 seasonally licensed per session teacher of swimming in day schools who
42 has served in that capacity for a period of two years and has been
43 appointed to teach the same subject in day schools on an annual salary,
44 the probationary period shall be limited to one year; provided, however,
45 that in the case of a teacher who has been appointed on tenure in ano-
46 ther school district within the state, the school district where currently
47 employed, or a board of cooperative educational services, and who was
48 not dismissed from such district or board as a result of charges brought
49 pursuant to subdivision one of section three thousand twenty-a or
50 section three thousand twenty-b of this chapter, the probationary period
51 shall not exceed two years; provided, however, that in cities with a
52 population of one million or more, a teacher appointed under a newly
53 created license, for teachers of reading and of the emotionally hand-
54 icated, to a position which the teacher has held for at least two years
55 prior to such appointment while serving on tenure in another license
56 area who was not dismissed as a result of charges brought pursuant to

1 subdivision one of section three thousand twenty-a or section three
2 thousand twenty-b of this chapter, the probationary period shall be one
3 year. The service of a person appointed to any of such positions may be
4 discontinued at any time during such probationary period, on the recom-
5 mendation of the superintendent of schools, by a majority vote of the
6 board of education. Each person who is not to be recommended for
7 appointment on tenure shall be so notified by the superintendent of
8 schools in writing not later than sixty days immediately preceding the
9 expiration of his or her probationary period. In city school districts
10 having a population of four hundred thousand or more, persons with
11 licenses obtained as a result of examinations announced subsequent to
12 the twenty-second day of May, nineteen hundred sixty-nine appointed upon
13 conditions that all announced requirements for the position be fulfilled
14 within a specified period of time, shall not acquire tenure unless and
15 until such requirements have been completed within the time specified
16 for the fulfillment of such requirements, notwithstanding the expiration
17 of any probationary period. In all other city school districts subject
18 to the provisions of this article, failure to maintain certification as
19 required by this article and by the regulations of the commissioner
20 shall be cause for removal within the meaning of subdivision five of
21 this section.

22 ii. [~~Teachers~~] Except as otherwise provided for in paragraph (c) of
23 this subdivision, teachers and all other members of the teaching staff
24 appointed on or after July first, two thousand fifteen and authorized by
25 section twenty-five hundred fifty-four of this article, shall be
26 appointed by the board of education, upon the recommendation of the
27 superintendent of schools, for a probationary period of four years,
28 except that in the case of a teacher who has rendered satisfactory
29 service as a regular substitute for a period of two years and, if a
30 classroom teacher, has received annual professional performance review
31 ratings in each of those years, or has rendered satisfactory service as
32 a seasonally licensed per session teacher of swimming in day schools who
33 has served in that capacity for a period of two years and has been
34 appointed to teach the same subject in day schools on an annual salary,
35 the teacher shall be appointed for a probationary period of two years;
36 provided, however, that in the case of a teacher who has been appointed
37 on tenure in another school district within the state, the school
38 district where currently employed, or a board of cooperative educational
39 services, and who was not dismissed from such district or board as a
40 result of charges brought pursuant to subdivision one of section three
41 thousand twenty-a or section three thousand twenty-b of this chapter,
42 the teacher shall be appointed for a probationary period of three years;
43 provided that, in the case of a classroom teacher, the teacher demon-
44 strates that he or she received an annual professional performance
45 review rating pursuant to section three thousand twelve-c or section
46 three thousand twelve-d of this chapter in his or her final year of
47 service in such other school district or board of cooperative educa-
48 tional services; provided, however, that, in the case of a classroom
49 teacher who has been appointed for a probationary period during the two
50 thousand twenty--two thousand twenty-one, the two thousand twenty-one--
51 two thousand twenty-two or the two thousand twenty-two--two thousand
52 twenty-three school year and who has been appointed on tenure in another
53 school district within the state, the school district where currently
54 employed, board of cooperative educational services or state school for
55 the blind or deaf, and who was not dismissed from such district, board
56 or state school for the blind or deaf as a result of charges brought

1 pursuant to section three thousand twenty-a or section three thousand
2 twenty-b of this chapter, such teacher shall be appointed for a proba-
3 tionary period of three years; provided that, in the case of a classroom
4 teacher, such teacher demonstrates that he or she received an annual
5 professional performance review rating pursuant to section three thou-
6 sand twelve-c or section three thousand twelve-d of this chapter in the
7 two thousand seventeen--two thousand eighteen or two thousand eighteen-
8 -two thousand nineteen school year in such other school district, board
9 of cooperative educational services or state school for the blind or
10 deaf; provided further, however, that in cities with a population of one
11 million or more, a teacher appointed under a newly created license, for
12 teachers of reading and of the emotionally handicapped, to a position
13 which the teacher has held for at least two years prior to such appoint-
14 ment while serving on tenure in another license area who was not
15 dismissed as a result of charges brought pursuant to subdivision one of
16 section three thousand twenty-a or section three thousand twenty-b of
17 this chapter, the teacher shall be appointed for a probationary period
18 of two years. The service of a person appointed to any of such posi-
19 tions may be discontinued at any time during such probationary period,
20 on the recommendation of the superintendent of schools, by a majority
21 vote of the board of education. Each person who is not to be recommended
22 for appointment on tenure shall be so notified by the superintendent of
23 schools in writing not later than sixty days immediately preceding the
24 expiration of his or her probationary period. In all city school
25 districts subject to the provisions of this article, failure to maintain
26 certification as required by this article and by the regulations of the
27 commissioner shall be cause for removal within the meaning of subdivi-
28 sion five of this section.

29 (b) i. ~~Administrators~~ Except as otherwise provided for in paragraph
30 (c) of this subdivision, administrators, directors, supervisors, princi-
31 pals and all other members of the supervising staff, except executive
32 directors, associate, assistant, district and community superintendents
33 and examiners, appointed prior to July first, two thousand fifteen and
34 authorized by section twenty-five hundred fifty-four of this article,
35 shall be appointed by the board of education, upon the recommendation of
36 the superintendent or chancellor of schools, for a probationary period
37 of three years. The service of a person appointed to any of such posi-
38 tions may be discontinued at any time during the probationary period on
39 the recommendation of the superintendent of schools, by a majority vote
40 of the board of education.

41 ii. ~~Administrators~~ Except as otherwise provided for in paragraph (c)
42 of this subdivision, administrators, directors, supervisors, principals
43 and all other members of the supervising staff, except executive direc-
44 tors, associate, assistant, district and community superintendents and
45 examiners, appointed on or after July first, two thousand fifteen and
46 authorized by section twenty-five hundred fifty-four of this article,
47 shall be appointed by the board of education, upon the recommendation of
48 the superintendent or chancellor of schools, for a probationary period
49 of four years provided that such probationary period may be extended in
50 accordance with paragraph (b) of subdivision five of this section;
51 provided, however, that in the case of a principal, administrator,
52 supervisor, or other member of the supervising staff who has been
53 appointed on tenure pursuant to this chapter as an administrator within
54 an authorized administrative tenure area in another school district
55 within the state, the school district where currently employed, or a
56 board of cooperative educational services, and who was not dismissed

1 from such district or board as a result of charges brought pursuant to
2 subdivision one of section three thousand twenty-a or section three
3 thousand twenty-b of this chapter, the principal, administrator, super-
4 visor or other member of the supervising staff shall be appointed for a
5 probationary period of three years. The service of a person appointed to
6 any of such positions may be discontinued at any time during the proba-
7 tionary period on the recommendation of the superintendent of schools,
8 by a majority vote of the board of education.

9 (c) Notwithstanding the provisions of paragraphs (a) and (b) of this
10 subdivision, the superintendent of the city school district of the city
11 of Staten Island shall have the authority to appoint, with the approval
12 of the school board, principals and city wide administrators. Such
13 superintendent may appoint assistant principals and other clerical and
14 administrative staff without the approval of the school board. Such
15 assistant principals, clerical and administrative staff shall serve in
16 accordance with the provisions of paragraphs (a) and (b) of this subdivi-
17 vision.

18 § 4-018. Section 2576 of the education law is amended by adding a new
19 subdivision 4-a to read as follows:

20 4-a. In the city of Staten Island such estimate shall be filed with
21 the officer authorized to receive other department estimates and the
22 same acted on by such officer and by the common council of such city in
23 the same manner and with the same effect as other department estimates.
24 The common council is also authorized, in its discretion, to include in
25 such budget a sum for any of the purposes enumerated in paragraph c of
26 subdivision one of this section, and any further amount for such
27 purposes as may be authorized by a tax election held in such city pursu-
28 ant to the provisions of this chapter. After the adoption of such budget
29 the common council shall cause the amount thereof to be included in the
30 tax and assessment roll of the city and the same shall be collected in
31 the same manner and at the same time as other taxes of the city are
32 collected, and placed to the credit of the board of education of the
33 city school district of such city.

34 § 4-019. Section 2579 of the education law is amended by adding a new
35 subdivision 4 to read as follows:

36 4. If the city of Staten Island shall issue obligations to defray, in
37 whole or in part, the expense of the construction, improvement and
38 equipment of school buildings or the purchase or acquisition of school
39 sites, the proceeds of the sale of such bonds shall be paid into the
40 treasury of the city and placed to the credit of the board of education
41 of the city school district of such city. As such obligations become
42 due the municipal authorities of the city shall include in the tax levy,
43 and assess upon the property of the city, the amount necessary to pay
44 such bonds and interest thereon.

45 § 4-020. Additional transitory provisions relating to the city school
46 district of the city of Staten Island. 1. The board of education of the
47 city school district of the city of Staten Island shall possess those
48 powers and duties as are authorized for a city school district pursuant
49 to article 52 of the education law, as amended by this act. In further-
50 ance of such powers and duties the board shall confer with the mayor,
51 the comptroller and the common council of the city of Staten Island and
52 the board of education of the preceding municipality for the purpose of
53 preparing for submission and implementation of a budget for the school
54 year commencing on the first of July in the second year next succeeding
55 the date on which this act shall have become a law and to take such
56 other actions as may be necessary and appropriate to provide for the

1 operation of the city school district of the city of Staten Island on
2 and after the date of establishment of the city of Staten Island.

3 2. Fiscal and regulatory authority pertaining to the public schools to
4 be contained within the city school district of the city of Staten
5 Island shall remain with the board of education of the city school
6 district of the preceding municipality until the date of establishment
7 of the city of Staten Island.

8 3. All employees of the board of education of the city school district
9 of the preceding municipality and such other employees of any other
10 public entity as may be transferred pursuant to the provisions of this
11 act shall retain all rights, privileges, benefits and salaries to which
12 the employee was previously entitled as an employee of the board of
13 education of the preceding municipality. Transfers of employment to the
14 city school district of the city of Staten Island shall be conducted in
15 the same manner as is provided by for the city of Staten Island as
16 provided in this act. Such employees shall not suffer a loss of employ-
17 ment by reason of such transfer within a period of three years from the
18 effective date of such transfer nor shall any such employees be subject
19 to any additional employment probationary period by reason of such
20 transfer.

21 4. During the transition period as defined in section 1-003 of this
22 act, the city school district of the city of Staten Island may retain
23 the services of a superintendent of schools, a chief financial officer
24 and such other staff as to which funding shall have been provided by the
25 mayor and the common council of the city of Staten Island.

26 5. All actions deemed necessary and proper to implement the provisions
27 of sections 4-001 through 4-019 of this act are hereby authorized.

28 § 5-001. Transfer of the college of Staten Island. 1. The legislature
29 finds that due to the establishment of the city of Staten Island, the
30 transfer of the college of Staten Island from the city university of New
31 York to the state university of New York is a public purpose. Such
32 transfer shall not affect the title to the real property of the college
33 of Staten Island which shall continue to be held by the state of New
34 York, except that notwithstanding the provisions of paragraph b of
35 subdivision 1 of section 6219 of the education law if such real property
36 ceases to be used for college purposes, title to such property shall
37 revert to the city of Staten Island as successor in interest to the
38 prior municipal government of the geographical area of Staten Island.
39 The college of Staten Island is hereby transferred to the state univer-
40 sity of New York. Such transfers shall include all furnishings, equip-
41 ment, records and all other property normally allocated to the college
42 of Staten Island by the city university of New York.

43 2. The college of Staten Island is hereby transferred from the city
44 university of New York to the state university of New York. The college
45 of Staten Island shall continue to offer a full range of baccalaureate
46 degree programs and associate degree programs, selected masters degree
47 programs and provide faculty participation in research and doctoral
48 programs at the graduate center of the city university of New York. The
49 city of Staten Island shall serve as local sponsor for the two year
50 component of the college of Staten Island and such component shall be
51 subject to the provisions of section 6304 of the education law. Such two
52 year component shall be a part of the state university of New York and
53 shall not be governed by a community college board of trustees.

54 3. (a) Whenever the term "city university of New York" is referred to
55 or designated in any law, general, special or local, contract, lease,
56 judgment, decision or document pertaining to the functions, powers and

1 duties relating to the college of Staten Island hereby continued in,
2 transferred and assigned to, or devolved upon, the state university of
3 New York, such reference or designation shall be deemed to refer to and
4 include the state university of New York, so far as such law, contract,
5 lease, judgment, decision or document pertains to matters which are
6 within its jurisdiction by reason of the redesignation, continuation,
7 transfer, assignment and devolution of functions, powers and duties made
8 by this act.

9 (b) All contracts, leases and other agreements entered into by the
10 city university of New York relating to the college of Staten Island
11 before the effective date of this section shall be conducted and
12 completed by the state university of New York in the same manner and
13 under the same terms and conditions and with the same effect as if the
14 same had been conducted and completed by the state university of New
15 York. In addition, any contracts, leases and other agreements entered
16 into by the state university of New York prior to the effective date of
17 this section shall remain in full force and effect and shall be
18 conducted and completed by the state university of New York.

19 (c) All rights, title and interest in personal property used for
20 educational or administrative purposes of the college of Staten Island
21 of the city university of New York vested in the city university of New
22 York on the effective date of this section are hereby transferred,
23 assigned and devolved upon the state university of New York.

24 (d) No existing right or remedy of any character shall be lost,
25 impaired or affected, nor shall any new right or remedy of any character
26 accrue to or for the benefit of any person by reason of the transfer of
27 the college of Staten Island pursuant to the provisions of this act.

28 (e) No action or proceeding based upon a cause of action which arose
29 prior to the effective date of this section brought by or against the
30 board of trustees of the city university of New York, the city universi-
31 ty construction fund, the board of trustees of the state university of
32 New York or the college of Staten Island shall be affected by any
33 provision of this act.

34 (f) Any lease entered into by the city university of New York for the
35 purposes of the college of Staten Island before the effective date of
36 this section is hereby transferred, assigned and devolved upon the state
37 university of New York, notwithstanding any provision that may be
38 contained therein providing for the nonassignability of such lease and
39 any such provision shall be deemed to be void as against the public
40 policy of the state and of no force and effect.

41 4. A council for the college of Staten Island is hereby established
42 pursuant to section 356 of the education law. It shall consist of ten
43 members, nine of whom shall be appointed by the governor and one of whom
44 shall be elected by and from among the students of the institution. Such
45 voting members shall be subject to every provision of any general,
46 special or local law, ordinance, charter, code, rule or regulation
47 applying to the voting members of such board with respect to the
48 discharge of their duties including, but not limited to those provisions
49 setting forth codes of ethics, disclosure requirements and prohibiting
50 business and professional activities. The election of the student member
51 shall be conducted in accordance with rules and regulations promulgated
52 by the respective representative campus student association in accord-
53 ance with guidelines established by the state university trustees. One
54 member shall be designated by the governor as chairman. Vacancies shall
55 be filled for the unexpired term in the same manner as original
56 selections. The term of office for each council member shall be seven

1 years. The term of office for the student member shall be one year. In
2 the event the student member ceases to be a student at the institution
3 such member shall be required to resign. Members appointed by the gover-
4 nor may be removed by the governor. Members elected by the students of
5 the institution may be removed by such students in accordance with rules
6 and regulations promulgated by the respective representative campus
7 student association in accordance with guidelines promulgated by the
8 state university trustees. Members of such council shall receive no
9 compensation for their services but shall be reimbursed for the expenses
10 actually and necessarily incurred by them in the performance of their
11 duties hereunder.

12 5. All employees of the college of Staten Island of the city universi-
13 ty of New York shall be transferred to employment in the state universi-
14 ty of New York and shall retain all rights, privileges, benefits and
15 salaries to which the employee was previously entitled as an employee of
16 the city university of New York.

17 Employees of the college of Staten Island of the city university of
18 New York transferred to employment in the state university of New York
19 pursuant to the provisions of this act shall not be involuntarily
20 assigned to work outside the geographical boundaries of the city of
21 Staten Island nor shall any such employees suffer a loss of employment
22 by reason of such transfer within a period of three years from the
23 effective date of such transfer nor shall any such employees be subject
24 to any additional employment probationary period by reason of their
25 transfer.

26 Employees transferred from the college of Staten Island of the city
27 university of New York to employment in the state university of New
28 York except for those designated managerial or confidential shall be
29 included in employer - employee negotiating units comparable to existing
30 units in the city university of the city of New York. With respect to
31 employees to be placed in such negotiating units, the public employee
32 organization recognized or certified to represent the employees in
33 comparable city university of the city of New York negotiating units
34 shall be recognized as the unit representative.

35 All rights, privileges and benefits provided by collectively bargained
36 agreements to employees of the city university of the city of New York
37 shall be continued for such employees transferred, reappointed or other-
38 wise employed until such time as successor collective bargaining agree-
39 ments are negotiated.

40 The state university of New York shall consult and bargain on all
41 terms and conditions of employment with the appropriate public employee
42 organization with respect to the establishment of any new titles which
43 are similar to or reasonably related to titles already represented by
44 such public employee organizations in the city university of the city of
45 New York.

46 Any such titles for which terms and conditions are bargained pursuant
47 to this subdivision shall be deemed to be successor titles within the
48 meaning of applicable law. So long as the responsibilities of employees
49 in these titles are reasonably related to the responsibilities of
50 employees currently represented by public employee organizations, such
51 titles shall be accredited or placed in a negotiating unit represented
52 by such public employee organizations.

53 If a dispute arises, the office of collective bargaining shall deter-
54 mine which public employee organization is appropriate to represent
55 transferees, other hires, or employees in a new title on the basis of

1 the title's community of interest with titles in the state university of
2 New York and the city university of the city of New York.

3 No existing right or remedy of any character shall be lost or impaired
4 or affected by reason of the adoption of this charter.

5 6. On and after the first of July in the second year next succeeding
6 the date on which this act shall have become a law, officers and employ-
7 ees who become employees of the state pursuant to this act shall become
8 members of the New York state employees' retirement system to the extent
9 permitted or required by the provisions of the retirement and social
10 security law, except that any employee who is a member of the New York
11 city employees' retirement system may elect to continue membership in
12 the New York city employees' retirement system. Any election pursuant to
13 this section shall be made no later than the one hundred twentieth day
14 after the effective date of this section, by filing a written notice
15 thereof with the administrative head of the New York state employees'
16 retirement system and the New York city employees' retirement system
17 and, once made and filed, shall be irrevocable. Upon the retirement of
18 an employee who has made such an election, the calculation of final
19 average salary by the New York city employees' retirement system shall
20 be performed as if the salary earned as a state employee on and after
21 such effective date were earned in New York city employment. In the case
22 of an employee who becomes a member of the New York state employees'
23 retirement system pursuant to this section, the New York city employees'
24 retirement system shall make a transfer of reserves, contributions and
25 credits to the New York state employees' retirement system, in the
26 manner required by section 43 of the retirement and social security law.

27 The comptroller of the city of New York shall certify to the state
28 administrator the amount of money required to be paid by the state of
29 New York for pension costs resulting from elections made pursuant to
30 this section. The comptroller of the state of New York shall pay to the
31 New York city employees' retirement system, upon approval by the state
32 administrator, the amounts so certified by the comptroller of the city
33 of New York. The comptroller of the city of New York shall also certify
34 to the state administrator the amount of money required to be contrib-
35 uted by each of such employees. The comptroller of the state of New
36 York shall be authorized to withhold the contributions of such employees
37 and pay that amount to the New York city employees' retirement system.
38 The amount so certified shall be the same as the amounts required to be
39 contributed for similarly situated city employees by the city of New
40 York and by employees of the city of New York.

41 § 5-002. Subdivision 3 of section 352 of the education law, as amended
42 by chapter 13 of the laws of 2021, is amended to read as follows:

43 3. The state university shall consist of the four university centers
44 at Albany, Binghamton, Buffalo and Stony Brook, the designated colleges
45 of arts and sciences at Brockport, Buffalo, Cortland, Fredonia, Geneseo,
46 New Paltz, Old Westbury, Oneonta, Oswego, Plattsburgh, Potsdam ~~[and]~~,
47 Purchase and Staten Island, empire state college, the agricultural and
48 technical colleges at Alfred, Canton, Cobleskill, Delhi, Farmingdale and
49 Morrisville, downstate medical center, upstate medical center, the
50 college of optometry, the college of environmental science and forestry,
51 maritime college, the college of technology at Utica/Rome, the statutory
52 or contract colleges at Cornell university and Alfred university, and
53 such additional universities, colleges and other institutions, facili-
54 ties and research centers as have been or hereafter may be acquired,
55 established, operated or contracted to be operated for the state by the
56 state university trustees.

1 § 5-003. Paragraphs (f) and (g) of subdivision 2 and paragraph (d) of
 2 subdivision 3 of section 6204 of the education law, paragraph (f) of
 3 subdivision 2 as amended by chapter 306 and paragraph (g) of subdivision
 4 2 as added by chapter 305 of the laws of 1979, and paragraph (d) of
 5 subdivision 3 as amended by chapter 98 of the laws of 2010, are amended
 6 to read as follows:

7 (f) The five trustees appointed by the mayor shall include at least
 8 one resident of each of the [~~five~~] boroughs of the city of New York.

9 (g) The trustees appointed by the governor shall include at least one
 10 resident of each of the [~~five~~] boroughs of the city of New York.

11 (d) (i) The board of trustees shall hold at least one public hearing
 12 each year in each of the [~~five~~] boroughs of the city of New York. The
 13 purpose of such hearing shall be to receive testimony and statements
 14 from concerned individuals about university issues.

15 (ii) The board of trustees shall fix the time, place, duration and
 16 format of each hearing.

17 (iii) At least thirty days notice of the hearing shall be given by the
 18 chairperson of the board of trustees to all of the trustees, to all
 19 presidents of educational units, to the chair of faculty-senate bodies
 20 of educational units, to all student government presidents of educa-
 21 tional units, to the borough president, the members of the city council,
 22 the members of the board of estimate, the local community boards of the
 23 borough where the hearing is to be held and to the media. The notice
 24 shall contain the time, place and date of the public hearing. Such
 25 information shall be made electronically available on the city universi-
 26 ty of New York website. Any such meeting of the board of trustees shall
 27 be conducted in accordance with article seven of the public officers
 28 law.

29 (iv) At least three trustees shall attend each hearing.

30 § 6-001. The judiciary law is amended by adding a new article 5-C to
 31 read as follows:

32 ARTICLE 5-C

33 INTERIM COURT STRUCTURE FOR THE CITY OF STATEN ISLAND

34 Section 178. Declaration of legislative findings and intent.

35 178-a. Continuation of court proceedings.

36 178-b. Judicial transition.

37 178-c. Judiciary jurisdiction.

38 178-d. Judiciary; family court.

39 178-e. Judiciary; criminal court.

40 178-f. Judiciary; civil court.

41 178-g. Judicial transition; structure.

42 178-h. Unified court system; services.

43 178-i. Judicial transition services.

44 178-j. Effect of existing collective bargaining agreements.

45 § 178. Declaration of legislative findings and intent. The interim
 46 court structure established for the city of Staten Island by this arti-
 47 cle is being enacted in the exercise of the legislature's constitutional
 48 authority to provide for the creation and organization of units of local
 49 government. The legislature finds that it is not possible to create,
 50 fund and staff a new and jurisdictionally distinct court structure for
 51 the city of Staten Island which would be fully operational on the effec-
 52 tive date of such city's incorporation. The legislature also finds that
 53 the creation of a jurisdictionally distinct court structure for the city
 54 of Staten Island would likely disrupt the orderly administration of
 55 justice in such city and the county of Richmond, unnecessarily inconven-
 56 ience and confuse litigants, and increase significantly the cost of

1 conducting litigation within such city and county. The purpose of this
2 article is to prevent an interregnum in the operations of the unified
3 court system in connection with the incorporation of the city of Staten
4 Island and its organization as a functional unit of local government. By
5 establishing an interim court structure for such city, the legislature
6 intends to relieve taxpayers and litigants of the expense, inconven-
7 ience, confusion, and delay that would be occasioned by the creation of
8 a new court structure for such city. By preserving the existing trial
9 court structure in the county of Richmond during the period of govern-
10 mental reorganization following the incorporation of the city of Staten
11 Island, the legislature intends that all inhabitants of such county and
12 city will continue to possess the same rights and access to the unified
13 court system that they possessed immediately prior to the incorporation
14 of such city.

15 § 178-a. Continuation of court proceedings. The incorporation of the
16 city of Staten Island shall not alter the jurisdiction of any court
17 existing in the county of Richmond immediately prior to the effective
18 date of such city's incorporation. All courts in such county are contin-
19 ued, and no civil or criminal appeal, action or proceeding pending
20 before any court or any judge or justice on the effective date of incor-
21 poration shall abate or be impaired; and every such appeal, action or
22 proceeding shall be continued in the court in which such appeal, action
23 or proceeding was pending immediately prior to such effective date.

24 § 178-b. Judicial transition. There is established a judicial transi-
25 tion period for the city of Staten Island. Such period shall commence
26 on the effective date of such city's incorporation and terminate on
27 December thirty-first in the fifth year following such incorporation or
28 until the provisions of this article are specifically superseded by
29 state law.

30 § 178-c. Judiciary jurisdiction. During the judicial transition peri-
31 od:

32 (1) the county of Richmond shall be deemed to be a county within the
33 city of New York for all purposes of article six of the state constitu-
34 tion;

35 (2) the county of Richmond shall be deemed to be a county within the
36 city of New York for the purposes of section five hundred two of this
37 chapter;

38 (3) the city of Staten Island shall be deemed to be a part of the city
39 of New York for the purposes of section one hundred fifty-five and arti-
40 cles two-A and two-B of title two of the vehicle and traffic law; and

41 (4) the judge of the surrogate's court in the county of Richmond shall
42 be deemed to be a judge of a surrogate's court within the city of New
43 York for the purposes of subdivision c of section twelve of article six
44 of the state constitution.

45 § 178-d. Judiciary; family court. Notwithstanding section one hundred
46 twenty-one of the family court act, the county of Richmond shall be
47 deemed to be a county within the city of New York during the judicial
48 transition period, and there shall be no fewer than three judges of such
49 court who shall be residents of the county of Richmond. A vacancy occur-
50 ring in the office of any such judge during the judicial transition
51 period shall be filled by the mayor of the city of New York upon the
52 recommendation of the mayor of the city of Staten Island consistent with
53 the provisions of section two hundred sixteen-a of the family court act.

54 § 178-e. Judiciary; criminal court. Notwithstanding the provisions of
55 sections twenty and twenty-two of the New York city criminal court act,
56 the city of Staten Island shall be deemed to be part of the city of New

1 York during the judicial transition period, and there shall be no fewer
2 than three judges of such court who shall be residents of the city of
3 Staten Island. A vacancy occurring in the office of such judge during
4 the judicial transition period shall be filled by the mayor of the city
5 of New York upon the recommendation of the mayor of the city of Staten
6 Island consistent with the provisions of section twenty-two of the New
7 York city criminal court act.

8 § 178-f. Judiciary; civil court. Notwithstanding the provisions of
9 section one hundred two-a of the New York city civil court act, the city
10 of Staten Island shall be deemed to be part of the city of New York
11 during the judicial transition period, and there shall be no fewer than
12 three judges of such court who shall be residents of the city of Staten
13 Island. A vacancy occurring in the office of such judge otherwise than
14 by expiration of term during the judicial transition period shall be
15 filled by the mayor of the city of New York upon the recommendation of
16 the mayor of the city of Staten Island consistent with the provisions of
17 section one hundred two-a of the New York city civil court act.

18 § 178-g. Judicial transition; structure. The mayor and the common
19 council of the city of Staten Island, in consultation with the chief
20 administrator of the courts, shall develop a plan for an appropriate
21 court structure for the city of Staten Island following the judicial
22 transition period. Such plan shall include recommendations for the
23 jurisdiction of each court, the number of judges needed, a personnel
24 structure for nonjudicial officers and employees, necessary physical
25 facilities, and a fiscal analysis of each component of the plan. Such
26 plan shall be submitted to the governor, the legislature and to the
27 chief judge of the state, no later than three years following commence-
28 ment of the judicial transition period.

29 § 178-h. Unified court system; services. The chief administrator of
30 the courts is authorized to do all things necessary to continue the
31 efficient operation of the unified court system within the county of
32 Richmond and the city of Staten Island during and after the judicial
33 transition period.

34 § 178-i. Judicial transition services. During the judicial transition
35 period, the mayor and the comptroller of the city of Staten Island and
36 the mayor and the comptroller of the city of New York are authorized to
37 enter into agreements relating to the provision of municipal services
38 for the courts within the city of Staten Island. Such municipal services
39 may include, but shall not be limited to, correctional services.

40 § 178-j. Effect of existing collective bargaining agreements.
41 Notwithstanding any other provision of law:

42 (1) The provisions of this article shall not alter any existing
43 collective negotiating unit of nonjudicial employees or any provision of
44 a collective negotiating agreement in effect on the effective date of
45 this article.

46 (2) To the extent permitted by the state constitution, where a judi-
47 cial or nonjudicial officer or employee of the unified court system is
48 required as a condition of his or her continued employment to reside in
49 the city of New York and, on the effective date of this article, he or
50 she resides in the county of Richmond, such officer or employee shall be
51 deemed to reside in the city of New York for so long as he or she
52 remains in his or her position, provided he or she continues to reside
53 in the county or in the city of New York.

54 (3) The nonjudicial personnel of the courts affected by this article
55 in office on the effective date of this article shall, to the extent
56 practicable, be continued without diminution of salaries and with the

1 same status and rights in the courts continued in the county of Rich-
2 mond.

3 § 7-001. Section 31 of the public housing law, as amended by chapter
4 829 of the laws of 1947, is amended to read as follows:

5 § 31. Scope of authority's jurisdiction. The territorial jurisdic-
6 tion of an authority established for a city or village shall be cotermi-
7 nous with the territorial limits of such city or village, and the terri-
8 torial jurisdiction of an authority established for a town shall include
9 all such town, except that such territorial jurisdiction shall not
10 include any territory that lies within the boundaries of any village,
11 whether such village has or has not established an authority. The
12 members of such town authority shall if they consent and when authorized
13 by resolutions of the town board and the village board, act as the
14 authority in and for said village, the same as if it had been created
15 especially for said village.

16 The foregoing notwithstanding, the New York city housing authority,
17 the creation and establishment of which was validated pursuant to
18 section four hundred of this chapter, shall continue to have territorial
19 jurisdiction for the five counties which had constituted parts of the
20 city of New York prior to the establishment of the city of Staten
21 Island.

22 § 7-002. Subdivision 3 of section 402 of the public housing law, as
23 added by chapter 96 of the laws of 2013, is amended to read as follows:

24 3. a. The authority shall consist of seven members appointed by the
25 mayor, one of whom shall be designated by the mayor as [~~chairman~~] chair-
26 person removable at his or her pleasure. The term of office of each
27 member other than the [~~chairman~~] chairperson shall be three years,
28 provided, however, that the initial appointments of the six members
29 other than the [~~chairman~~] chairperson shall be as follows: two shall be
30 appointed for one-year terms, two shall be appointed for two-year terms,
31 and two shall be appointed for three-year terms. The mayor shall file
32 with the commissioner of housing a certificate of appointment of the
33 [~~chairman~~] chairperson and of each member. Any member other than the
34 [~~chairman~~] chairperson may be removed by the mayor upon filing in the
35 office of the commissioner of citywide administrative services and serv-
36 ing upon the member the reasons therefor. Such document setting forth
37 the reasons shall be made available to the general public, which shall
38 include but not be limited to publishing the reasons on the New York
39 city housing authority's website. Three of such members shall be a
40 tenant of record or an authorized member of the tenant household, in
41 good standing, residing in one of the federal projects owned or operated
42 by the authority, provided, however, that for the initial appointments
43 of the three such members, one shall be among the members initially
44 appointed for one-year terms, one shall be among the members initially
45 appointed for two-year terms, and one shall be among the members
46 initially appointed for three-year terms. A vacancy in the office of a
47 member other than the [~~chairman~~] chairperson occurring otherwise than by
48 expiration of term shall be filled for the unexpired term. Further, any
49 vacancy in the office of a tenant member shall only be filled by the
50 appointment of an eligible tenant member, and such appointment shall be
51 made within ninety days of such vacancy.

52 b. Notwithstanding paragraph a of this subdivision, upon the estab-
53 lishment of a city of Staten Island and for so long as the New York city
54 housing authority shall have territorial jurisdiction in the city of
55 Staten Island, such authority shall consist of eight members, the eighth
56 of whom shall be appointed by the mayor of Staten Island and shall serve

1 for a five-year term. The mayor of the city of Staten Island shall file
2 with the commissioner of housing and the chairperson of the New York
3 city housing authority a certificate of appointment of such member. Such
4 member may be removed by the mayor of Staten Island for cause after a
5 public hearing. Such member may be of any political party. A vacancy in
6 the office of such member occurring other than by expiration of a term
7 shall be filled for the unexpired term.

8 § 7-003. Section 455 of the education law, as amended by chapter 724
9 of the laws of 1976, is amended to read as follows:

10 § 455. Relationship with the board of education and the city of New
11 York. 1. In order most effectively to carry out its corporate purposes,
12 the fund shall cooperate with the director of management and budget and
13 the board of education of the city of New York in matters relating to
14 land acquisition and capital planning for school buildings and facili-
15 ties. During the course of construction, reconstruction, rehabilitation
16 and improvement of combined occupancy structures the fund shall consult
17 with personnel of such board as the work progresses in matters relating
18 to space requirements, site plans, architectural concept, and substan-
19 tial changes in the plans and specifications therefor, and in matters
20 relating to the original furnishings, equipment, machinery and apparatus
21 needed to furnish and equip the school portion of such buildings and
22 structures, upon the completion of work. The board, on its part, shall
23 perform such functions and services for the fund as may be requested and
24 the fund shall pay to the board, from any monies of the fund available
25 for such purpose, the reasonable cost of such functions and services.

26 2. Notwithstanding subdivision one of this section, upon the estab-
27 lishment of a city of Staten Island, with respect to any fund activities
28 to take place within such city of Staten Island, the fund shall cooper-
29 ate with the mayor and comptroller of such city of Staten Island and the
30 board of education of the city school district of the city of Staten
31 Island in matters relating to land acquisition and capital planning for
32 school buildings and facilities to the same extent as with the respec-
33 tive officials of the city of New York.

34 § 7-004. Paragraph (c) of subdivision 1 of section 462 of the educa-
35 tion law, as separately amended by chapters 724 and 729 of the laws of
36 1976, is amended to read as follows:

37 (c) (i) To assure the continued operation and solvency of the capital
38 reserve fund for the carrying out of the public purposes of this arti-
39 cle, provision is made in paragraph (a) of this subdivision for the
40 accumulation in the capital reserve fund of an amount equal to the maxi-
41 mum amount of principal and interest maturing and becoming due and sink-
42 ing fund payments required to be made in any succeeding fiscal year on
43 all bonds of the fund then outstanding secured by the capital reserve
44 fund. In order further to assure such maintenance of the capital
45 reserve fund, the board of education shall annually request from the
46 city of New York and pay over to the fund, for deposit in the capital
47 reserve fund, such sum, if any, as shall be certified by the [~~chairman~~]
48 chairperson of the fund to the board, the mayor and the director of
49 management and budget of the city of New York as necessary to restore
50 the capital reserve fund to an amount equal to the maximum amount of
51 principal and interest maturing and becoming due and sinking fund
52 payments required to be made in the next succeeding fiscal year on the
53 bonds of the fund then outstanding secured by the capital reserve fund;
54 provided, however, that such sum shall have been first appropriated by
55 the city to the board or shall otherwise have been made lawfully avail-
56 able to the board for such purpose. The [~~chairman~~] chairperson of the

1 fund shall annually, not later than the fifteenth day of February in
2 each year, make and deliver to the board, the mayor and the director of
3 management and budget his or her certificate stating the amount, if any,
4 required to restore the capital reserve fund to the amount aforesaid and
5 the amount so stated, if any, shall be paid to the fund by the board
6 during the then current fiscal year of the fund. In the event of the
7 failure or inability of the board to pay over the stated amount to the
8 fund on or before August first of the same year, the [~~chairman~~] chair-
9 person of the fund shall forthwith make and deliver to the comptroller
10 of the state of New York and the mayor and comptroller of the city of
11 Staten Island a further certificate restating the amount so required
12 and, after the comptroller of the state of New York shall have given
13 written notice to the commissioner of education, the mayor and director
14 of management and budget and the mayor and comptroller of the city of
15 Staten Island, such amount shall be paid over to the fund by the comp-
16 troller of the state of New York out of the next payment of state aid
17 apportioned, first, to the city of New York on behalf of the city school
18 district of the city of New York for the support of common schools or
19 such other aid or assistance payable in support of common schools as
20 shall supersede or supplement such state aid for the support of common
21 schools, including federal moneys apportioned by the state to the city
22 of New York on behalf of the city school district for the support of
23 common schools and, thereafter, if such amounts are insufficient, from
24 such similar aid payable to the city of Staten Island. Any amount so
25 paid over to the fund shall be deducted from the corresponding appor-
26 tionment of state education aid or other aid or assistance for education
27 otherwise credited to the board of education for its purposes and shall
28 not obligate the state to make or entitle the city or the board of
29 education or city of Staten Island to receive any additional or
30 increased apportionment or payment of state aid for school purposes.

31 (ii) Notwithstanding subparagraph (i) of this paragraph, on or after
32 the first of January next succeeding the date on which this subparagraph
33 shall have become a law, the fund shall not issue any bonds, notes or
34 other obligations secured by a capital reserve fund into which state aid
35 or other aid otherwise payable to the city of Staten Island is to be
36 deposited pursuant to this paragraph, provided, however, the fund may
37 issue refunding bonds to pay bonds previously issued, which refunding
38 bonds may be so secured if the fund gives reasonable adequate notice of
39 its intention to issue such refunding bonds to the mayor of the city of
40 Staten Island and the comptroller of the city of Staten Island and both
41 such officials are given a reasonable opportunity to participate at the
42 meeting or meetings of the board of the fund at which action is taken to
43 issue such refunding bonds.

44 § 7-005. Paragraph (c) of subdivision 3 of section 462 of the educa-
45 tion law, as amended by chapter 474 of the laws of 1996, is amended to
46 read as follows:

47 (c) (i) To assure the continued operation and solvency of the fund for
48 the carrying out of the public purposes of this article, provision is
49 made in paragraph (a) of this subdivision for the accumulation in a debt
50 service reserve fund of an amount equal to the debt service reserve fund
51 requirement on all bonds of the fund then outstanding secured by a debt
52 service or debt service reserve fund. In order further to assure such
53 maintenance of a debt service reserve fund, the board of education shall
54 annually request from the city of New York and pay over to the fund
55 after making the payment required by paragraph (c) of subdivision one of
56 this section for deposit in a debt service reserve fund, such sum, if

1 any, as shall be certified by the [~~chairman~~] chairperson of the fund to
2 the board, the mayor and the director of the budget of the city of New
3 York as necessary to restore such debt service reserve fund to an amount
4 equal to the debt service reserve fund requirement for the bonds of the
5 fund secured by such debt service reserve fund; provided, however, that
6 such sum shall have been first appropriated by the city to the board or
7 shall otherwise have been made lawfully available to the board for such
8 purpose. The [~~chairman~~] chairperson of the fund shall annually, not
9 later than the fifteenth day of February in each year, make and deliver
10 to the board, the mayor and the director of the budget his or her
11 certificate stating the amount, if any, required to restore a debt
12 service reserve fund to the amount aforesaid and the amount so stated
13 after making the payment required by paragraph (c) of subdivision one of
14 this section if any, shall be paid to the fund by the board during the
15 then current fiscal year of the fund. In the event of the failure or
16 inability of the board to pay over the stated amount to the fund on or
17 before August first of the same year, the [~~chairman~~] chairperson of the
18 fund shall forthwith make and deliver to the comptroller of the state of
19 New York and the mayor and comptroller of the city of Staten Island a
20 further certificate restating the amount so required and, after the
21 comptroller of the state of New York shall have given written notice to
22 the commissioner, the mayor and director of the budget and the mayor and
23 comptroller of the city of Staten Island, such amount after making the
24 payment required by paragraph (c) of subdivision one of this section
25 shall be paid over to the fund by the comptroller of the state of New
26 York out of the next payment of state aid apportioned, first, to the
27 city of New York on behalf of the city school district of the city of
28 New York for the support of common schools or such other aid or assist-
29 ance payable in support of common schools as shall supercede or supple-
30 ment such state aid for the support of common schools, including federal
31 moneys apportioned by the state to the city of New York on behalf of the
32 city school district for the support of common schools and, thereafter,
33 if such amounts are insufficient, from such similar aid payable to the
34 city of Staten Island. Any amount so paid over to the fund under para-
35 graph (c) of subdivision one of this section shall be deducted from the
36 corresponding apportionment of state education aid or other aid or
37 assistance for education otherwise credited to the board of education or
38 the city of Staten Island for its purposes and shall not obligate the
39 state to make or entitle the city or the board of education or the city
40 of Staten Island to receive any additional or increased apportionment or
41 payment of state aid for school purposes.

42 (ii) Notwithstanding subparagraph (i) of this paragraph, on or after
43 the first of January next succeeding the date on which this subparagraph
44 shall have become a law, the fund shall not issue any bonds, notes or
45 other obligations secured by a debt service reserve fund into which
46 state aid or other aid otherwise payable to the city of Staten Island is
47 to be deposited pursuant to this paragraph, provided, however, the fund
48 may issue refunding bonds to pay bonds previously issued, which refund-
49 ing bonds may be so secured if the fund gives reasonable adequate notice
50 of its intention to issue such refunding bonds to the mayor of the city
51 of Staten Island and the comptroller of the city of Staten Island and
52 both such officials are given a reasonable opportunity to participate at
53 the meeting or meetings of the board of the fund at which action is
54 taken to issue such refunding bonds.

1 § 7-006. Subdivision 1 of section 1045-c of the public authorities
2 law, as added by chapter 513 of the laws of 1984, is amended to read as
3 follows:

4 1. A corporation known as the New York city municipal water finance
5 authority is hereby created for public purposes and charged with the
6 duties and having the powers provided in this title. The authority shall
7 be a body corporate and politic constituting a public benefit corpo-
8 ration. It shall be administered by a board of directors consisting of
9 [~~seven~~] eight members as follows: the commissioner of environmental
10 protection of the city, the state commissioner of environmental conser-
11 vation, the director of management and budget of the city, the commis-
12 sioner of finance of the city, two public members to be appointed by the
13 mayor, one public member to be appointed by the mayor of Staten Island
14 and one public member to be appointed by the governor. One public
15 member appointed by the mayor shall serve for a term of one year, one
16 public member appointed by the mayor shall serve for a term of two
17 years, and the public [~~member~~] members appointed by the governor and
18 mayor of Staten Island shall serve for a term of two years from January
19 first next succeeding the date of their appointment. Their successors
20 shall serve for terms of two years each. Members shall continue in
21 office until their successors have been appointed and qualified. The
22 mayor, mayor of Staten Island or the governor shall fill any vacancy
23 which may occur by reason of death, resignation or otherwise in a manner
24 consistent with the original appointment. A public member may be
25 removed by the mayor, mayor of Staten Island, or the governor, whichever
26 appointed him or her, for cause, but not without an opportunity to be
27 heard in person or by counsel, in his or her defense, upon not less than
28 ten days' notice. The mayor shall select a [~~chairman~~] chairperson from
29 among the directors appointed by him or her who shall serve in such
30 capacity at his or her pleasure. The [~~chairman~~] chairperson shall
31 preside over all meetings of the board of directors and shall have such
32 other duties as may be prescribed by the board.

33 § 7-007. Subdivision 2 of section 1045-f of the public authorities
34 law, as added by chapter 513 of the laws of 1984, is amended to read as
35 follows:

36 2. The water board shall consist of seven members, six of which shall
37 be appointed by the mayor and, the seventh of which shall be appointed
38 by the mayor of Staten Island. The mayor of Staten Island shall fill
39 the earlier of the first expiration of a term or the first vacancy
40 occurring after the date of establishment of the city of Staten Island
41 and any successor thereto. Terms of office of the members shall be two
42 years except that the terms of four of the board members first appointed
43 shall be one year. At least one member shall have experience in the
44 science of water resource development. No member shall be a director of
45 the authority. The mayor shall appoint a [~~chairman~~] chairperson from
46 among the members of the board. All members shall continue to hold
47 office until their successors are appointed and qualified. Vacancies
48 shall be filled in the manner provided for original appointments. Vacan-
49 cies, occurring otherwise than by expiration of term of office, shall be
50 filled in the same manner as original appointments for the unexpired
51 terms.

52 § 7-008. Subdivision 5 of section 1045-f of the public authorities
53 law, as added by chapter 513 of the laws of 1984, is amended to read as
54 follows:

55 5. The appointing mayor may remove any member for inefficiency,
56 neglect of duty or misconduct in office after giving such member a copy

1 of the charges against such member and an opportunity to be heard and
2 defended, in person or by counsel, upon not less than ten days' notice.
3 If any member shall be so removed, the appointing mayor shall file in
4 the office of the clerk of the city a complete statement of charges
5 against such member, and the appointing mayor's findings thereon,
6 together with a complete record of the proceedings.

7 § 7-009. Paragraphs e and f of subdivision 1 of section 656 of the
8 private housing finance law, as amended by chapter 174 of the laws of
9 1992, are amended to read as follows:

10 e. (i) To assure the continued operation and solvency of the corpo-
11 ration for the carrying out of its corporate purposes, provision is made
12 in paragraph a of this subdivision for the accumulation in each capital
13 reserve fund of an amount equal to the maximum capital reserve fund
14 requirement. In order further to assure such maintenance of each capital
15 reserve fund, there shall be paid by the city to the corporation for
16 deposit in each capital reserve fund on or before the first day of
17 April, in each year, such amount, if any, needed for the purpose of
18 restoring each such capital reserve fund to the maximum capital reserve
19 fund requirement for such fund, as shall be certified by the chairperson
20 of the corporation to the mayor and the director of management and budg-
21 et on or before the first day of December next preceding; provided that
22 any such amount shall have been first appropriated by or on behalf of
23 the city for such purpose or shall have been otherwise made available
24 from the proceeds of notes or bonds of the city authorized and issued
25 pursuant to the local finance law for such purpose, which is hereby
26 determined to be a specific object or purpose having a period of proba-
27 ble usefulness of five years. In the event of the failure or inability
28 of the city to pay over to the corporation, in full, on or before such
29 first day of April the amount so certified the chairperson of the corpo-
30 ration shall forthwith certify to the comptroller of the state of New
31 York the amount remaining unpaid and thereupon the state comptroller
32 shall pay to the corporation, out of the first moneys available for the
33 next succeeding payments of ~~[(+)]~~ (A) state aid apportioned to the city
34 of New York and, to the extent the amounts available therefor are insuf-
35 ficient, state aid apportioned to the city of Staten Island, as per
36 capita aid for the support of local government pursuant to section
37 fifty-four of the state finance law or ~~[(+)]~~ (B) such other aid or
38 assistance payable by the state to the city and to the extent the
39 amounts available therefor are insufficient, such aid or assistance
40 payable by the state to the city of Staten Island and not otherwise
41 allocated as shall supersede or supplement such state per capita aid,
42 including federal moneys apportioned to the city and, to the extent the
43 amounts available therefor are insufficient, such moneys apportioned to
44 the city of Staten Island by the state, such amount remaining unpaid,
45 after giving written notice to the director of management and budget of
46 each amount to be paid out of such state aid, until the amount in each
47 such capital reserve fund is restored to the maximum capital reserve
48 fund requirement thereof; provided, however, that prior to the issuance
49 of any notes or bonds of the corporation pursuant to this article the
50 city shall have enacted a local law authorizing payments from such
51 sources into such a fund so long as any notes or bonds of the corpo-
52 ration shall be outstanding and unpaid, and provided further that
53 moneys, if any, payable to the city university construction fund pursu-
54 ant to the provisions of the city university construction fund act shall
55 be paid, in full, to such fund, prior to any payments therefrom to the
56 corporation. Any amount so paid over to the corporation shall be

1 deducted from the corresponding apportionment of such per capita state
2 aid otherwise payable to the city of New York or the city of Staten
3 Island, as applicable, and shall not obligate the state to make nor
4 entitle the city or the city of Staten Island to receive any additional
5 apportionment or payment of per capita state aid. All amounts paid over
6 to the corporation as provided in this [~~paragraph~~] subparagraph, includ-
7 ing amounts paid by the state comptroller out of payments of such state
8 aid, shall constitute and be accounted for as non-interest bearing loans
9 by the city or the city of Staten Island, as applicable to the corpo-
10 ration and, subject, subordinate and junior to the rights of the holders
11 of any notes or bonds of the corporation theretofore or thereafter
12 issued, shall be repaid to the city from [~~(i)~~] (A) moneys in such capi-
13 tal reserve fund in excess of the maximum capital reserve fund require-
14 ment thereof or [~~(ii)~~] (B) any moneys of the corporation not required
15 for any other of its corporate purposes.

16 (ii) Notwithstanding subparagraph (i) of this paragraph, on or after
17 the first of January next succeeding the date on which this subparagraph
18 shall have become a law, the corporation shall not issue any bonds,
19 notes or other obligations secured by a capital reserve fund into which
20 per capita state aid or other aid otherwise payable to the city of
21 Staten Island is to be deposited pursuant to this subparagraph,
22 provided, however, the corporation may issue refunding bonds to pay
23 bonds previously issued, which refunding bonds may be so secured if the
24 corporation gives reasonable adequate notice of its intention to issue
25 such refunding bonds to the mayor of the city of Staten Island and the
26 comptroller of the city of Staten Island and both such officials are
27 given a reasonable opportunity to participate at the meeting or meetings
28 of the board of the corporation at which action is taken to issue such
29 refunding bonds.

30 f. In the event the chairperson of the corporation shall certify to
31 the mayor and director of management and budget or to the state comp-
32 troller any amount necessary to restore a capital reserve fund to the
33 maximum capital reserve fund requirement thereof pursuant to subdivision
34 e of this section, the chairperson shall simultaneously deliver to the
35 mayor of the city of Staten Island and the comptroller of the city of
36 Staten Island and additionally to such persons a statement of the cause
37 or causes of such capital reserve fund deficiency and the measures to be
38 taken by the corporation or the department of housing preservation and
39 development to insure repayment of any loans made by the city or the
40 city of Staten Island to the corporation, including amounts paid by the
41 state comptroller out of payments of state aid, for the purpose of
42 restoring such capital reserve fund to the maximum capital reserve fund
43 requirement thereof and to prevent the recurrence of any such deficien-
44 cy.

45 § 7-010. Subdivision 4 of section 1680-b of the public authorities
46 law, as amended by chapter 62 of the laws of 1988, is amended to read as
47 follows:

48 4. In the event that a participating municipality fails to pay to the
49 authority when due all or part of the rentals and other payments payable
50 pursuant to any lease, sublease or agreement with the authority, the
51 chairman or another officer of the authority shall certify at the times
52 provided in this subdivision the amount of rentals and other payments
53 then due from such participating municipality and unpaid. The state
54 comptroller, upon receipt of such certificate, shall deduct the amount
55 of such rentals and other payments as remains unpaid to the authority
56 first from the aid payable to such participating municipality from the

1 court facilities incentive aid fund established by section ninety-four
2 of the state finance law and, then, from the next succeeding payments of
3 state aid apportioned to such participating municipality, as revenue
4 sharing, per capita aid, and any other aid pursuant to section fifty-
5 four of the state finance law and, then, from the next succeeding
6 payments of state aid for any local governmental administrative costs
7 that are reimbursable to the participating municipality pursuant to
8 state law and, then, from the next succeeding payments of state aid from
9 moneys appropriated pursuant to section six hundred eight of the public
10 health law and pursuant to section ten-c of the highway law; provided,
11 however, that the right of the authority to the payment of any amount
12 deducted by the state comptroller pursuant to this section from per
13 capita aid apportioned to the city of New York or, to the extent insuf-
14 ficient, the city of Staten Island shall be subject and subordinate to
15 the rights of the city university construction fund pursuant to section
16 sixty-two hundred seventy-nine of the education law, the New York city
17 housing development corporation pursuant to section six hundred fifty-
18 six of the private housing finance law, the trustees of the police
19 pension fund pursuant to paragraph e of subdivision seven of section
20 fifty-four of the state finance law, and the municipal assistance corpo-
21 ration for the city of New York pursuant to section three thousand thir-
22 ty-six-a of this chapter and subdivision one of section ninety-two-e of
23 the state finance law. In order to insure that the amount of rentals
24 and other payments due and unpaid by a participating municipality are
25 paid, the authority on or within thirty days prior to January twenty-
26 fifth, April twenty-fifth, July twenty-fifth and October twenty-fifth of
27 each year shall certify to the state comptroller the amount of rentals
28 and other payments then due and unpaid by each participating munici-
29 pality pursuant to any lease, sublease or other agreement. The amount
30 required to be deducted by the state comptroller pursuant to this subdivi-
31 sion shall be deducted from such aid, whether or not the state aid
32 from which such deduction is to be made is then payable to the partic-
33 ipating municipality, and thereupon paid to the authority. The amount of
34 state aid payable to such participating municipality shall be reduced by
35 the amount deducted by the state comptroller notwithstanding the amount
36 appropriated and apportioned by the state to such participating munici-
37 pality, and the state shall not be obligated to make and the participat-
38 ing municipality shall not be entitled to receive any additional appor-
39 tionment or payment of such state aid. Nothing shall be construed to
40 create an obligation upon the state to appropriate moneys, to preclude
41 the state from reducing the amount of moneys appropriated or level of
42 assistance provided, or to preclude the state from altering or modifying
43 the manner in which it provides for or provides assistance.

44 § 7-011. Section 1727 of the public authorities law is amended by
45 adding a new subdivision 9 to read as follows:

46 9. Notwithstanding the provisions of this section or any other
47 provision of law to the contrary, the authority shall continue its
48 corporate existence regardless of the alteration of the composition of
49 the board of education of the city school district of the city of New
50 York caused by the incorporation of the city of Staten Island and the
51 establishment of the city school district of the city of Staten Island.

52 § 8-001. Subdivision 1 of section 23 of the executive law, as amended
53 by chapter 385 of the laws of 2017, is amended to read as follows:

54 1. Each county, except Richmond county and those counties contained
55 within the city of New York, and each city with a population of one
56 million or more, shall prepare a comprehensive emergency management

1 plan. Each city with a population of less than one million, town and
2 village is authorized to prepare a comprehensive emergency management
3 plan. The disaster preparedness commission shall provide assistance and
4 advice for the development of such plans. Each city with a population of
5 less than one million, town and village plan shall be coordinated with
6 the county plan.

7 § 8-002. Subdivision 1 of section 101-b of the executive law, as
8 added by chapter 1214 of the laws of 1971, is amended to read as
9 follows:

10 1. Definitions. As used in this section,

11 a. "Agency" means any state board, bureau, commission, department,
12 division or officer authorized by law to adopt rules.

13 b. "Rule" means the whole or part of each agency statement of general
14 applicability or regulation or code that implements or applies law,
15 including the amendment, suspension or repeal thereof.

16 c. "Municipal corporation" means [~~a~~] any county outside the [~~city~~]
17 cities of New York and Staten Island, a city, a town, a village or a
18 school district.

19 d. "Governing body" means:

20 (1) In a county, a board of supervisors, county legislature or other
21 body vested by its charter, other law or other valid enactment with
22 jurisdiction to enact local laws;

23 (2) In a city, the board of aldermen, a common council, commission or
24 other body vested by its charter or other law with jurisdiction to enact
25 ordinances or local laws;

26 (3) In a town, the town board;

27 (4) In a village, the board of trustees; and

28 (5) In a school district, the board of education, board of trustees or
29 sole trustee.

30 § 8-003. Intentionally omitted.

31 § 8-004. Subdivisions 1, 2, 3, 4 and 6 of section 246 of the executive
32 law, subdivisions 1, 2 and 3 as amended by section 10 of part D of chap-
33 ter 56 of the laws of 2010, subdivision 4 as amended by section 102 of
34 part WWW of chapter 59 of the laws of 2017, and subdivision 6 as added
35 by chapter 479 of the laws of 1970 and as renumbered by chapter 813 of
36 the laws of 1985, are amended to read as follows:

37 1. The program of state aid to county probation services shall be
38 administered by the division of criminal justice services with the
39 advice of the state probation commission and the director of the office
40 of probation and correctional alternatives. Funds appropriated to the
41 division for distribution as state aid to county probation services
42 [~~and~~], to the probation services of New York city and to the probation
43 services of the city of Staten Island shall be distributed by the divi-
44 sion in accordance with rules and regulations adopted by the commis-
45 sioner of the division of criminal justice services after consultation with
46 the state probation commission and the director of the office of
47 probation and correctional alternatives.

48 2. State aid shall be granted to the city of New York, the city of
49 Staten Island and the respective counties outside [~~the city of New York~~]
50 such cities for expenditures to be incurred by the county or [~~city~~] such
51 cities in maintaining and improving local probation services subject to
52 amounts appropriated for this purpose. State aid grants shall not be
53 used for expenditures for capital additions or improvements, or for debt
54 service costs for capital improvements.

55 State aid shall be granted by the commissioner of the division of
56 criminal justice services after consultation with the state probation

1 commission and the director of the office of probation and correctional
2 alternatives, provided the respective counties or the city of Staten
3 Island or the city of New York conform to standards relating to the
4 administration of probation services as adopted by the commissioner of
5 the division of criminal justice services after consultation with the
6 state probation commission and the director of the office of probation
7 and correctional alternatives.

8 3. Applications from counties or the city of Staten Island or the city
9 of New York for state aid under this section shall be made by filing
10 with the division of criminal justice services, a detailed plan, includ-
11 ing cost estimates covering probation services for the fiscal year or
12 portion thereof for which aid is requested. Included in such estimates
13 shall be clerical costs and maintenance and operation costs as well as
14 salaries of probation personnel and such other pertinent information as
15 the commissioner of the division of criminal justice services may
16 require. Items for which state aid is requested under this section shall
17 be duly designated in the estimates submitted. The commissioner of the
18 division of criminal justice services, after consultation with the state
19 probation commission and the director of the office of probation and
20 correctional alternatives, shall approve such plan if it conforms to
21 standards relating to the administration of probation services as speci-
22 fied in the rules adopted by him or her.

23 4. An approved plan and compliance with standards relating to the
24 administration of probation services promulgated by the commissioner of
25 the division of criminal justice services shall be a prerequisite to
26 eligibility for state aid.

27 The commissioner of the division of criminal justice services may take
28 into consideration granting additional state aid from an appropriation
29 made for state aid for county probation services for counties or the
30 city of Staten Island or the city of New York when a county or the city
31 of Staten Island or the city of New York demonstrates that additional
32 probation services were dedicated to intensive supervision programs and
33 intensive programs for sex offenders. The commissioner shall grant addi-
34 tional state aid from an appropriation dedicated to juvenile risk inter-
35 vention services coordination by probation departments which shall
36 include, but not be limited to, probation services performed under arti-
37 cle three of the family court act. The administration of such additional
38 grants shall be made according to rules and regulations promulgated by
39 the commissioner of the division of criminal justice services. Each
40 county and the city of Staten Island and the city of New York shall
41 certify the total amount collected pursuant to section two hundred
42 fifty-seven-c of this chapter. The commissioner of the division of crim-
43 inal justice services shall thereupon certify to the comptroller for
44 payment by the state out of funds appropriated for that purpose, the
45 amount to which the county or the city of Staten Island or the city of
46 New York shall be entitled under this section. The commissioner shall,
47 subject to an appropriation made available for such purpose, establish
48 and provide funding to probation departments for a continuum of
49 evidence-based intervention services for youth alleged or adjudicated
50 juvenile delinquents pursuant to article three of the family court act
51 or for eligible youth before or sentenced under the youth part in
52 accordance with the criminal procedure law. Such additional state aid
53 shall be made in an amount necessary to pay one hundred percent of the
54 expenditures for evidence-based practices and juvenile risk and
55 evidence-based intervention services provided to youth sixteen years of
56 age or older when such services would not otherwise have been provided

1 absent the provisions of [~~a~~] part WWW of chapter fifty-nine of the laws
2 of two thousand seventeen [~~that increased the age of juvenile jurisdic-~~
3 ~~tion~~].

4 6. The director, after consultation with the state probation commis-
5 sion, may authorize or require the comptroller to withhold the payment
6 of state aid to any county, or the city of Staten Island or the city of
7 New York, in the event that such county, or the city of Staten Island or
8 the city of New York, (a) fails to conform to standards of probation
9 administration as formulated by the director pursuant to this section,
10 (b) discontinues or fails to follow an approved plan, or (c) fails to
11 enforce in a satisfactory manner rules promulgated pursuant to this
12 section, or laws now in effect or hereafter adopted which relate in any
13 manner to the administration of probation services.

14 § 8-004-a. The second undesignated paragraph of subdivision 4 of
15 section 246 of the executive law, as amended by section 103 of part WWW
16 of chapter 59 of the laws of 2017, is amended to read as follows:

17 The commissioner of the division of criminal justice services may take
18 into consideration granting additional state aid from an appropriation
19 made for state aid for county probation services for counties or the
20 city of Staten Island or the city of New York when a county or the city
21 of Staten Island or the city of New York demonstrates that additional
22 probation services were dedicated to intensive supervision programs and
23 intensive programs for sex offenders. The commissioner shall grant addi-
24 tional state aid from an appropriation dedicated to juvenile risk inter-
25 vention services coordination by probation departments which shall
26 include, but not be limited to, probation services performed under arti-
27 cle three of the family court act. The administration of such additional
28 grants shall be made according to rules and regulations promulgated by
29 the commissioner of the division of criminal justice services. Each
30 county and the city of Staten Island and the city of New York shall
31 certify the total amount collected pursuant to section two hundred
32 fifty-seven-c of this chapter. The commissioner of the division of crim-
33 inal justice services shall thereupon certify to the comptroller for
34 payment by the state out of funds appropriated for that purpose, the
35 amount to which the county or the city if Staten Island or the city of
36 New York shall be entitled under this section. The commissioner shall,
37 subject to an appropriation made available for such purpose, establish
38 and provide funding to probation departments for a continuum of
39 evidence-based intervention services for youth alleged or adjudicated
40 juvenile delinquents pursuant to article three of the family court act
41 or for eligible youth before or sentenced under the youth part in
42 accordance with the criminal procedure law.

43 § 8-005. Subdivision 1 of section 255 of the executive law, as added
44 by chapter 603 of the laws of 1973, is amended to read as follows:

45 1. There is hereby created a department of probation in and for the
46 city of New York to have charge of all probation work in the supreme,
47 family and criminal courts in the counties of Bronx, Kings, New York[~~7~~]
48 and Queens [~~and Richmond~~].

49 § 8-006. The executive law is amended by adding a new section 255-a to
50 read as follows:

51 § 255-a. Probation in the city of Staten Island. 1. There is hereby
52 created a department of probation in and for the city of Staten Island
53 to have charge of all probation work in the supreme, family and other
54 criminal courts in the county of Richmond.

55 2. The head of such department shall be a director of probation
56 appointed by the mayor of the city of Staten Island to serve during the

1 pleasure of the mayor. The director shall have charge of the adminis-
2 tration of the department and shall be responsible for carrying out the
3 functions of the department including intake, investigation, super-
4 vision, conciliation and pre-disposition social treatment in cases
5 coming to the courts referred to in this section. The director may,
6 from time to time, create, abolish, transfer and consolidate bureaus and
7 other units within the department as he or she may determine necessary
8 for efficient operation thereof. The director also shall have the power
9 to appoint and remove such deputy directors, assistants, probation offi-
10 cers and other employees as may be needed for the performance of the
11 duties of the department and may prescribe their duties and fix their
12 compensation, within appropriations made available therefor by the city
13 of Staten Island and subject to all applicable civil service laws and
14 rules and regulations. The director may, in his or her discretion,
15 appoint volunteer probation officers, when necessary, provided they have
16 the qualifications required of salaried officers, but no such volunteer
17 probation officer shall receive pay from the public funds for his or her
18 services. The city of Staten Island shall make the necessary appropri-
19 ation for the salaries of the director and of all officers and employees
20 of the department as referred to herein, as well as for the expenses
21 actually and necessarily incurred by such director, officers and employ-
22 ees in the performance of their duties.

23 3. The director shall discharge his or her powers and responsibil-
24 ities in accordance with all laws and rules applicable to probation and
25 with the general rules regulating methods and procedure in the adminis-
26 tration of probation as adopted from time to time pursuant to section
27 two hundred forty-three of this chapter. The director may adopt depart-
28 mental rules, not inconsistent with law or the aforesaid general rules,
29 to regulate the policies, programs, standards, and methods of procedure
30 in relation to probation and the powers and duties of officers and
31 employees as in the director's judgment are deemed proper.

32 4. Notwithstanding any other provision of law or of the Staten Island
33 city charter or administrative code, any duly appointed officer or
34 employee of such probation department may reside in any county within
35 the state.

36 § 8-007. Subdivisions 1 and 4 of section 257-c of the executive law,
37 as added by chapter 55 of the laws of 1992, are amended to read as
38 follows:

39 1. Notwithstanding any other provision of law, every county, the city
40 of Staten Island and the city of New York, may adopt a local law requir-
41 ing individuals currently serving or who shall be sentenced to a period
42 of probation upon conviction of any crime under article thirty-one of
43 the vehicle and traffic law to pay to the local probation department
44 with the responsibility of supervising the probationer an administrative
45 fee of thirty dollars per month. The department shall waive all or part
46 of such fee where, because of the indigence of the offender, the payment
47 of said surcharge would work an unreasonable hardship on the person
48 convicted, his or her immediate family, or any other person who is
49 dependent on such person for financial support.

50 4. In the event of non-payment of any fees which have not been waived
51 by the local probation department, the county, the city of Staten Island
52 or the city of New York may seek to enforce payment in any manner
53 permitted by law for enforcement of a debt.

54 § 8-008. Subdivision 3 of section 262 of the executive law, as amended
55 by section 28 of part A of chapter 56 of the laws of 2010, is amended to
56 read as follows:

1 3. Upon approval by the board, by a majority of its members, any coun-
2 ty outside the [~~city~~] cities of New York and Staten Island acting
3 through its county executive, and upon approval of the local legislative
4 body, may submit a proposed service plan to the office for approval. The
5 city of New York acting through the mayor and upon approval by the board
6 of estimate and the city of Staten Island acting through the mayor and
7 upon approval by the common council may submit a proposed service plan
8 to the office for approval.

9 § 8-009. Subdivisions 1 and 2 of section 266 of the executive law, as
10 added by chapter 338 of the laws of 1989, are amended to read as
11 follows:

12 1. Counties and the [~~city~~] cities of New York and Staten Island may
13 submit approved amendments for alcohol and substance abuse programs as
14 defined in this article as part of or in addition to an approved plan.
15 In accordance with this article, nothing in this section shall prohibit
16 the development of regional alcohol and substance abuse programs by two
17 or more counties, the city of Staten Island or cities with a population
18 of one million or more.

19 2. Such approved amendments shall include a statement by the county or
20 the city of New York or the city of Staten Island indicating such
21 municipality's understanding that funding for eligible alcohol and
22 substance abuse programs shall be in accordance with subdivision four of
23 this section and the municipality's commitment to meet the funding
24 requirements as set forth in such subdivision.

25 § 8-010. Section 267 of the executive law, as amended by section 33 of
26 part A of chapter 56 of the laws of 2010, is amended to read as follows:

27 § 267. Office reports. The office shall submit to the governor, the
28 temporary president of the senate, the speaker of the assembly, the
29 [~~chairman~~] chairperson of the senate crime and correction committee and
30 the [~~chairman~~] chairperson of the assembly committee on codes by October
31 first of each year its evaluation and assessment of this alternatives
32 planning and programming effort by the counties. Such report shall
33 include, but not be limited to, the status of the development of such
34 plans, the approval and implementation of such plans, the success of the
35 programs, in terms of their utilization, effect on jail population,
36 results of the analyses provided counties and the [~~city~~] cities of New
37 York and Staten Island on the relationship between alcohol, drugs and
38 crime and the success of the eligible alcohol and substance abuse
39 programs and sentencing decisions together with any recommendations with
40 respect to the proper operation or improvement of planning and implemen-
41 tation of effective alternatives to detention and alternatives to incar-
42 ceration programs in counties.

43 § 8-011. Subdivisions 1 and 7 of section 530 of the executive law,
44 subdivision 1 as amended by section 4 of subpart B of part Q of chapter
45 58 of the laws of 2011, subdivision 7 as amended by section 21 of part K
46 of chapter 56 of the laws of 2019, are amended to read as follows:

47 1. Definitions. As used in this section, the term "municipality" shall
48 mean a county, the city of Staten Island or a city having a population
49 of one million or more.

50 7. The agency administering detention for each county and the city of
51 Staten Island and the city of New York shall submit to the office of
52 children and family services, at such times and in such form and manner
53 and containing such information as required by the office of children
54 and family services, an annual report on youth remanded pursuant to
55 article three or seven of the family court act who are detained during
56 each calendar year including, commencing January first, two thousand

1 twelve, the risk level of each detained youth as assessed by a detention
2 risk assessment instrument approved by the office of children and family
3 services provided, however, that the report due January first, two thou-
4 sand twenty-one and thereafter shall not be required to contain any
5 information on youth who are subject to article seven of the family
6 court act. The office may require that such data on detention use be
7 submitted to the office electronically. Such report shall include, but
8 not be limited to, the reason for the court's determination in accord-
9 ance with section 320.5 or seven hundred thirty-nine of the family court
10 act to detain the youth; the offense or offenses with which the youth is
11 charged; and all other reasons why the youth remains detained. The
12 office shall submit a compilation of all the separate reports to the
13 governor and the legislature.

14 § 8-012. Subdivisions 1, 2 and 4 of section 214 of the elder law are
15 amended to read as follows:

16 1. Definitions. As used in this section, the following words shall
17 have the following meanings:

18 (a) "Designated agency" shall mean an agency which is designated by
19 the chief executive officer of the county if there be one, or otherwise
20 the governing board of such county, or the chief executive officer of
21 the city of New York or the mayor of the city of Staten Island, or the
22 governing board of an Indian tribal council; which is either a unit of
23 county government or the city of New York or the city of Staten Island
24 or an Indian tribal organization or a private non-profit agency, and
25 which is the area agency on aging created pursuant to the federal older
26 Americans act of 1965.

27 (b) "Elderly person" shall mean a person sixty years of age or older.

28 (c) "County" shall mean a county, as defined in section three of the
29 county law, except that the city of New York shall be considered one
30 county.

31 (d) "Base year expenditures" and "base year services" shall mean the
32 level of expenditures and services in the year prior to the first year
33 for which a county plan is submitted or in such county's two thousand
34 five fiscal year, whichever is greater.

35 (e) "Community services" shall mean services for elderly persons which
36 are provided by a public or governmental agency or non-profit agency,
37 and which are provided in the home of an elderly person or in community
38 settings such as senior citizens centers, housing projects, or agency
39 offices. Such services shall not include any services provided pursuant
40 to the public health law other than home care services.

41 (f) "Community service projects" shall mean community services
42 financed pursuant to paragraph (b) of subdivision four of this section.

43 (g) "County plan" shall mean a plan for community services prepared by
44 a county pursuant to this section.

45 (h) "Non-profit agency" shall mean a corporation organized or existing
46 pursuant to the not-for-profit corporation law.

47 (i) "Program year" shall mean the period from April first through
48 March thirty-first of the following calendar year.

49 (j) "First program year" for a county shall mean the initial year for
50 which the county has received approval for its county plan.

51 2. County plans for improving the availability of community services
52 to the elderly. (a) Counties with a designated agency are required to
53 submit a county plan for a two-, three-, or four-year period determined
54 by the director, with an annual update containing a budget request for
55 the forthcoming program year and such other information as shall be
56 required by the director, for improving the delivery of community

1 services for elderly persons in the format prescribed by the director.
2 The plan for the city of New York or the plan for the city of Staten
3 Island shall specifically address the needs of each county within such
4 city. Such plan shall be a comprehensive description of the manner in
5 which the county intends to address the needs of elderly persons living
6 in the county through improved coordination of existing community
7 services and by the development of any new or expanded community service
8 projects which will improve the delivery of services to the elderly.

9 Such plan shall contain:

10 (1) a statement of goals and objectives for addressing the needs of
11 elderly persons in the county, an assessment of the needs of elderly
12 persons residing in the county, a description of public and private
13 resources that currently provide community services to elderly persons
14 within the county, a description of intended actions to consolidate and
15 coordinate existing community services administered by county govern-
16 ment, a description of the intended actions to coordinate congregate
17 services programs for the elderly operated within the county pursuant to
18 section two hundred seventeen of this title with other community
19 services for the elderly, a description of the means to coordinate other
20 community services for elderly persons in the county with those adminis-
21 tered by county government, and a statement of the priorities for the
22 provision of community services during the program period covered by
23 such plan;

24 (2) an identification of community service projects to be developed to
25 improve the delivery of services, a budget request for approval for the
26 forthcoming year which individually identifies each community service
27 project to be funded pursuant to paragraph (b) of subdivision four of
28 this section, letters of comment from the appropriate local agencies on
29 the relationship and expected impact of the proposed community service
30 projects, assurances that community service projects will provide
31 services to those most in need, an indication of fee schedules by which
32 elderly persons participating in community service projects may contrib-
33 ute to the costs of such projects, and an indication of how the effec-
34 tiveness of such community service projects will be evaluated;

35 (3) an identification of planning, coordination, and administrative
36 activities necessary to achieve the goals and objectives of the plan,
37 together with a budget request for such activities for approval for the
38 forthcoming year to be funded pursuant to paragraph (a) of subdivision
39 four of this section, and assurances by the county that it will comply
40 with the requirements of state and federal law; and

41 (4) such other components as may be required pursuant to regulations
42 promulgated by the director.

43 (b) Such county plan for community services or annual update shall be
44 prepared by the designated agency and approved by the chief executive
45 officer of the county, if there be one, or otherwise the governing board
46 of the county, or the chief executive of the city of New York or the
47 mayor of the city of Staten Island and submitted to the director no
48 later than ninety days prior to the beginning of the program period
49 covered by such plan or annual update. Prior to a submission of a coun-
50 ty plan or annual update to the director for approval, the designated
51 agency shall conduct such public hearings as may be required by regu-
52 lations of the director, provided that there shall be at least one such
53 hearing, and one in each county contained within the city of New York or
54 the city of Staten Island.

55 (c) The director shall review such county plan and may approve or
56 disapprove such plan, or any part, program, or project within such plan,

1 and shall propose such modifications and conditions as are deemed appro-
2 priate and necessary. Compliance with paragraphs (a) and (b) of this
3 subdivision shall be the basis for approval of a county plan. The direc-
4 tor shall establish by regulation the dates for notifying the designated
5 agency of approval or disapproval of a county plan. In the event the
6 director shall disapprove the proposed county plan, the county submit-
7 ting such application shall be afforded an opportunity for an adjudica-
8 tory hearing, as prescribed by article three of the state administrative
9 procedure act.

10 (d) Notwithstanding any provision of this section, nothing contained
11 in this section shall give the director or a designated agency any
12 administrative, fiscal, supervisory, or other authority whatsoever over
13 any plans, programs or expenditures authorized pursuant to titles eigh-
14 teen, nineteen and twenty of the federal social security act, or over
15 any unit of state or local government.

16 (e) Counties with a designated agency may submit to the director a
17 letter of intent, in the form and by the date prescribed by the director
18 with the approval of the director of the budget, evidencing the commit-
19 ment of the county to develop a county home care plan for functionally
20 impaired elderly.

21 (f) Within the amounts appropriated therefor, counties submitting an
22 approved letter of intent pursuant to paragraph (e) of this subdivision
23 shall be eligible for reimbursement of one hundred percent of the
24 approved expenditures for preparing a county home care plan for func-
25 tionally impaired elderly. Such a grant-in-aid shall be available to a
26 county only once and shall be limited to one-half the amount available
27 to such county pursuant to subparagraph one of paragraph (a) of subdivi-
28 sion four of this section; provided however that in either of the two
29 years immediately following its first submission of a home care plan for
30 functionally impaired elderly, a county which does not receive state aid
31 during such year for expanded non-medical in-home services, non-institu-
32 tional respite services, case management services, and ancillary
33 services pursuant to paragraph (j) of subdivision four of this section,
34 may apply for reimbursement of one hundred percent of the approved
35 expenditures for revising such home care plan, limited to one-quarter
36 the amount available to such county pursuant to subparagraph one of
37 paragraph (a) of subdivision four of this section.

38 (g) County home care plans for functionally impaired elderly prepared
39 pursuant to this subdivision shall include a comprehensive description
40 of all aspects of home care, non-institutional respite, case management,
41 and ancillary services available to elderly persons in the county; a
42 description of intended actions to coordinate such home care, non-insti-
43 tutional respite, case management, and ancillary services to func-
44 tionally impaired elderly persons in their county provided under this
45 section with other services to elderly persons; a proposal for expanded
46 non-medical in-home services, non-institutional respite services, case
47 management services, and ancillary services for functionally impaired
48 elderly persons with unmet needs to support such persons' continued
49 residence in their homes; and such other components as may be required
50 pursuant to regulations promulgated by the director, including how the
51 proposed expanded non-medical in-home services, non-institutional
52 respite services, case management services, and ancillary services will
53 be delivered to unserved or underserved populations.

54 (h) Such county home care plan for functionally impaired elderly shall
55 be prepared by the designated agency after consultation with the social
56 services district and the local public health agency, and shall be

1 approved by the chief executive officer of the county, if there be one,
2 or otherwise the governing board of the county, or the chief executive
3 of the city of New York or the mayor of the city of Staten Island, and
4 submitted to the director for approval by such date as may be specified
5 by regulation. The director shall not approve such county home care plan
6 for functionally impaired elderly unless it complies with the standards
7 and regulations issued pursuant to this section.

8 4. State aid. (a) County plans for improving the availability of
9 community services to the elderly:

10 (1) within the amounts appropriated therefor, counties with an
11 approved county plan shall be eligible for reimbursement of one hundred
12 percent of the annual approved expenditures for the preparation and
13 revision of such county plan, evaluation of projects contained within
14 such county plan, execution of interagency agreements necessary to carry
15 out the plan, actions to consolidate, combine or collocate services
16 within the county, and such other costs of the designated agency neces-
17 sary to implement such county plan, provided that the total annual
18 amount payable to a county pursuant to this subparagraph shall not
19 exceed the sum of one dollar for each elderly person residing in the
20 county, or seventy-five thousand dollars, whichever is less, and further
21 provided that for the city of New York or the city of Staten Island such
22 amount shall not exceed one dollar for each elderly person residing in
23 [~~the~~] such city or three hundred seventy-five thousand dollars, whichev-
24 er is less. Notwithstanding the foregoing limitations, counties with a
25 population of less than twenty thousand elderly persons shall be eligi-
26 ble for reimbursement of one hundred percent of such annual approved
27 expenditures provided that the total annual amount of such reimbursement
28 per county shall not exceed twenty thousand dollars.

29 (2) within the amounts appropriated therefor, a county may receive a
30 grant-in-aid of up to twenty-five per centum of the total annual amount
31 that such county is eligible to receive pursuant to subparagraph one of
32 this paragraph for the cost of preparing an initial county plan in
33 accordance with this section. Such a grant-in-aid shall be available to
34 a county only once and shall be in addition to the reimbursement
35 received by the county pursuant to subparagraph one of this paragraph
36 for the first program year. A request for such a grant-in-aid shall be
37 accompanied by a letter of intent in the form prescribed by the director
38 evidencing the commitment of the county to develop a county plan for
39 community services and shall be submitted to the director at least six
40 months prior to the beginning of the first program year.

41 (b) Community service projects:

42 (1) within the amounts appropriated therefor, counties having an
43 approved county plan shall be eligible for reimbursement by the state
44 for expenditures for approved community service projects pursuant to
45 this section. Such state reimbursement shall not exceed thirty-three
46 thousand six hundred dollars or four dollars twenty cents for each
47 elderly person residing in the county, whichever is greater. The annual
48 state reimbursement eligibility shall be at a rate of seventy-five
49 percent of the total annual expenditures for such approved programs.

50 (2) the director shall provide by regulation that certain non-county
51 moneys and in-kind equivalents may be used to comprise the county share
52 of such total annual approved expenditures, provided that such county
53 share shall not include cost-sharing received from elderly persons
54 receiving expanded non-medical in-home services, non-institutional
55 respite services, case management services, and ancillary services
56 pursuant to paragraph (k) of this subdivision or moneys received from

1 the federal government for services for the elderly allocated to the
2 states or local governments according to population or other such non-
3 competitive basis.

4 (3) the director shall provide by regulation the requirements for any
5 participant contributions and fee schedules used for community service
6 projects and the manner for the accounting and use of any such revenue.

7 (c) Reimbursement pursuant to this section shall not be available for
8 expenditures for base year services otherwise provided without cost, or
9 to replace base year expenditures made by the county or any other
10 service provider irrespective of the source of funds for such services.

11 (d) Reimbursement shall not be available to community services
12 projects funded pursuant to paragraph (b) of this subdivision or to
13 expanded non-medical in-home services, non-institutional respite
14 services, case management services, and ancillary services funded pursu-
15 ant to paragraph (j) of this subdivision for services provided to elder-
16 ly persons who are eligible for or are receiving services to meet their
17 needs pursuant to titles eighteen, nineteen or twenty of the federal
18 social security act or any other governmental programs or for services
19 provided to residents in adult residential care facilities which had
20 previously been provided by the facility or which are required by law to
21 be provided by such facility.

22 (e) For the purpose of determining the amount of state reimbursement
23 for which a county is eligible pursuant to this section, the last
24 preceding federal census or other census data approved by the comp-
25 troller shall be used. Funds appropriated by the state for the purpose
26 of reimbursement for community services pursuant to this section shall
27 be apportioned among the counties pursuant to the formula set forth in
28 paragraph (b) of this subdivision by the director. Funds appropriated by
29 the state for the purpose of reimbursement for expanded non-medical
30 in-home services, non-institutional respite services, case management
31 services, and ancillary services pursuant to this section shall be
32 apportioned among the counties by the director pursuant to the formula
33 set forth in paragraph (j) of this subdivision.

34 (f) The comptroller may withhold the payment of state aid to any coun-
35 ty in the event that such county alters or discontinues the operations
36 approved by the director pursuant to this section or otherwise fails to
37 comply with the regulations or requirements of the director.

38 (g) Counties shall submit claims for reimbursement after the end of
39 each month or each quarter as required by and in accordance with proce-
40 dures prescribed by the director. Reimbursement shall be available for
41 approved expenditures incurred in accordance with an approved county
42 plan for community services.

43 (h) Reimbursement pursuant to subparagraph one of paragraph (b) or
44 paragraph (j) of this subdivision shall not be available for expendi-
45 tures for community or expanded non-medical in-home services, non-insti-
46 tutional respite services, case management services, and ancillary
47 services to elderly persons in the city of New York and in the city of
48 Staten Island unless expenditures for such services are apportioned for
49 services in each of the counties contained within such city in a manner
50 which the director has determined by regulation substantially reflects
51 the proportion that the number of elderly persons in that county bears
52 to the total number of elderly persons in [~~the~~ such city as a whole. In
53 determining whether reimbursement shall be available under paragraph (g)
54 of this subdivision, the director shall ensure that expenditures were
55 apportioned in accordance with the provisions of this paragraph.

1 (i) The director, within the amounts appropriated therefor and with
2 the approval of the director of the budget, may authorize a county which
3 has an approved home care plan for functionally impaired elderly to
4 provide expanded non-medical in-home services, non-institutional respite
5 services, case management services, and ancillary services pursuant to
6 such plan. Such services shall be limited to those services necessary to
7 meet otherwise unmet needs and which support such elderly persons'
8 continued residence in their homes. Needs will be determined pursuant to
9 a standardized evaluation of functional impairment, available resources
10 and such other relevant factors specified pursuant to regulations
11 promulgated by the director. No expanded non-medical in-home services,
12 non-institutional respite services, or ancillary services shall be
13 provided to any individual pursuant to this section unless such expanded
14 non-medical in-home services, non-institutional respite services, or
15 ancillary services are accompanied by ongoing case management services
16 in accordance with regulations promulgated by the director.

17 (j) Within the amounts appropriated therefor, counties authorized to
18 provide expanded non-medical in-home services, non-institutional respite
19 services, case management services, and ancillary services pursuant to
20 paragraph (i) of this subdivision shall be eligible for reimbursement by
21 the state of up to seventy-five percent of allowable expenditures for
22 approved services pursuant to this section up to the level authorized by
23 the director. The director shall not authorize a level of state
24 reimbursement pursuant to this paragraph which exceeds the sum of nine-
25 ty-one thousand two hundred fifty dollars or seven dollars thirty cents
26 for each elderly person residing in the county, whichever is greater,
27 and shall proportionately reduce such sum for each county in any years
28 for which appropriations are not sufficient to fully fund approved
29 expanded non-medical in-home services, non-institutional respite
30 services, case management services, and ancillary services for func-
31 tionally impaired elderly in all counties with approved home care plans;
32 provided however that in state fiscal years beginning on or after the
33 first day of April, two thousand five, the director, with the approval
34 of the director of the budget, may authorize state reimbursement in
35 excess of these levels to the extent appropriations are available there-
36 for.

37 (k) The director, with the approval of the director of the budget,
38 shall provide by regulation the extent of cost-sharing to be required of
39 elderly persons receiving expanded non-medical in-home services, non-in-
40 stitutional respite services, case management services, and ancillary
41 services pursuant to this section, which shall reflect such recipients'
42 means to pay for such services and which will not affect their ability
43 to remain in their homes; provided however that the director shall not
44 authorize or direct the withholding of state aid pursuant to paragraph
45 (f) of this subdivision prior to the first day of April, two thousand
46 five, based on any county's failure or inability to comply with regu-
47 lations promulgated pursuant to this paragraph. The full amount of cost-
48 sharing actually received by any county from elderly persons receiving
49 expanded non-medical in-home services, non-institutional respite
50 services, case management services, and ancillary services shall be used
51 by such county to expand either such county's program of community
52 services or such county's program of expanded non-medical in-home
53 services, non-institutional respite services, case management services,
54 and ancillary services pursuant to this section.

55 (l) Reimbursement pursuant to paragraph (j) of this subdivision shall
56 not be available for expenditures for base year services otherwise

1 provided without cost, or to replace base year expenditures made by the
2 county or any other service provider irrespective of the source of
3 funds, or to replace community services expenditures pursuant to para-
4 graph (b) of this subdivision.

5 (m) Counties shall submit claims for reimbursement for expanded
6 in-home services, non-institutional respite services, case management
7 services, and ancillary services to functionally impaired elderly as
8 required by and in accordance with procedures prescribed by the direc-
9 tor. Reimbursement shall be available for approved expenditures
10 incurred in accordance with an approved county home care plan for func-
11 tionally impaired elderly to the extent the director has authorized
12 state aid for such services pursuant to paragraph (i) of this subdivi-
13 sion.

14 (n) The director shall provide by regulation that certain non-county
15 moneys and in-kind equivalents may be used in part to compose the county
16 share of total allowable expenditures pursuant to paragraph (j) of this
17 subdivision, provided that such county share shall not include cost-
18 sharing received from elderly persons receiving expanded non-medical
19 in-home services, non-institutional respite services, case management
20 services, and ancillary services pursuant to paragraph (k) of this
21 subdivision or moneys received from the federal government for services
22 for the elderly allocated to the states or local governments according
23 to population or other such non-competitive basis.

24 § 8-013. Subdivision 9 of section 140 of the executive law, as amended
25 by chapter 861 of the laws of 1960, is amended to read as follows:

26 9. The clerks of the counties of New York, Kings, Queens, Richmond
27 and Bronx shall each keep a book or card index file in which shall be
28 registered the signature of the commissioners so filing such certifi-
29 cates; and the county clerk of any county in the city with whom such
30 commissioner has filed a certificate of appointment shall, upon demand
31 and upon payment of the sum of fifty cents, authenticate a certificate
32 of acknowledgment or proof of oath taken before such commissioner of
33 deeds, without regard to the county in the city in which such [~~acknowledg-~~
34 ~~ment~~] acknowledgment or proof was taken or oath administered, by
35 subjoining or attaching to the original certificate of acknowledgment or
36 proof or oath a certificate under his hand and official seal specifying
37 that at the time of taking the acknowledgment or proof or oath the offi-
38 cer taking it was duly authorized to take the same; that the authenti-
39 cating officer is acquainted with the former's handwriting, or has
40 compared the signature on the certificate of acknowledgment, proof or
41 oath with the autograph signature deposited in his office by such offi-
42 cer, and that he verily believes the signature is genuine.

43 § 8-014. Any person who resides in or maintains an office or other
44 place of business in the city of Staten Island and who resides in the
45 county of Richmond on the date of establishment of the city of Staten
46 Island who holds an appointment as a commissioner of deeds from the
47 preceding municipality shall be deemed to hold the appointment as
48 commissioner of deeds from the common council of the city of Staten
49 Island in accordance with the provisions of section 139 of the executive
50 law. Such person shall continue to hold such office until his original
51 appointment expires or is revoked pursuant to law.

52 § 8-015. Section 56 of the social services law, as amended by chapter
53 863 of the laws of 1977, is amended to read as follows:

54 § 56. City social services districts. The city of New York and the
55 city of Staten Island shall have all the powers and duties of a social
56 services district insofar as consistent with the provisions of the

1 special and local laws relating to such [~~city~~] cities. The officers
2 thereof charged with the administration of public assistance and care
3 shall have additional powers and duties of a commissioner of social
4 services not inconsistent with the laws relating to said [~~city~~] cities.

5 § 8-016. Section 57 of the social services law, as amended by chapter
6 863 of the laws of 1977, is amended to read as follows:

7 § 57. Cities in county social services districts. Each city, other
8 than the city of New York and the city of Staten Island, shall form part
9 of the county social services district of the county in which it is
10 situated and shall not assume any powers and responsibilities for the
11 administration or expense of public assistance and care, in addition to
12 those specified in subdivision two of section sixty-nine, except pursu-
13 ant to the provisions of sections seventy-four and seventy-four-a of
14 this chapter.

15 § 8-017. Section 61 of the social services law is amended by adding a
16 new subdivision 1-a to read as follows:

17 1-a. The city of Staten Island is hereby constituted a city social
18 services district.

19 § 8-018. Subdivision 1 of section 74 of the social services law, as
20 added by chapter 863 of the laws of 1977, is amended to read as follows:

21 1. Each city, other than the city of New York and the city of Staten
22 Island, which is responsible for one or more types of public assistance
23 and care on the date this section becomes effective shall function under
24 section seventy-four-a of this chapter.

25 § 8-019. Section 86-a of the social services law, as amended by chap-
26 ter 655 of the laws of 1978, is amended to read as follows:

27 § 86-a. City public welfare funds. The taxes levied for public
28 assistance and care in a city, or in a city public welfare district,
29 shall be paid to the city treasurer, [~~ex~~] the commissioner of finance in
30 the city of New York or the comptroller in the city of Staten Island,
31 and disbursed in accordance with the provisions of law relating to such
32 city for the payment of bills and claims, provided such provisions of
33 law are not inconsistent with the provisions of this chapter.

34 § 8-020. Intentionally omitted.

35 § 8-021. Subdivision 2 of section 209 of the social services law, as
36 amended by chapter 71 of the laws of 1983, paragraphs (a), (b), (c),
37 (d), (e) and (f) as amended by section 2 of part Z of chapter 56 of the
38 laws of 2023, is amended to read as follows:

39 2. The following amounts shall be the standard of monthly need for
40 determining eligibility for and the amount of additional state payments,
41 depending on the type of living arrangement and the geographic area in
42 which the eligible individual or the eligible couple resides:

43 (a) On and after January first, two thousand twenty-three, for an
44 eligible individual living alone, \$1,001.00; and for an eligible couple
45 living alone, \$1,475.00.

46 (b) On and after January first, two thousand twenty-three, for an
47 eligible individual living with others with or without in-kind income,
48 \$937.00; and for an eligible couple living with others with or without
49 in-kind income, \$1,417.00.

50 (c) On and after January first, two thousand twenty-three, (i) for an
51 eligible individual receiving family care, \$1,180.48 if he or she is
52 receiving such care in the city of New York, the city of Staten Island
53 or the county of Nassau, Suffolk, Westchester or Rockland; and (ii) for
54 an eligible couple receiving family care in the city of New York, the
55 city of Staten Island or the county of Nassau, Suffolk, Westchester or
56 Rockland, two times the amount set forth in subparagraph (i) of this

1 paragraph; or (iii) for an eligible individual receiving such care in
2 any other county in the state, \$1,142.48; and (iv) for an eligible
3 couple receiving such care in any other county in the state, two times
4 the amount set forth in subparagraph (iii) of this paragraph.

5 (d) On and after January first, two thousand twenty-three, (i) for an
6 eligible individual receiving residential care, \$1,349.00 if he or she
7 is receiving such care in the city of New York, the city of Staten
8 island or the county of Nassau, Suffolk, Westchester or Rockland; and

9 (ii) for an eligible couple receiving residential care in the city of
10 New York, the city of Staten Island or the county of Nassau, Suffolk,
11 Westchester or Rockland, two times the amount set forth in subparagraph
12 (i) of this paragraph; or (iii) for an eligible individual receiving
13 such care in any other county in the state, \$1,319.00; and (iv) for an
14 eligible couple receiving such care in any other county in the state,
15 two times the amount set forth in subparagraph (iii) of this paragraph.

16 (e) On and after January first, two thousand twenty-three, (i) for an
17 eligible individual receiving enhanced residential care, \$1,608.00; and
18 (ii) for an eligible couple receiving enhanced residential care, two
19 times the amount set forth in subparagraph (i) of this paragraph.

20 (f) The amounts set forth in paragraphs (a) through (e) of this
21 subdivision shall be increased to reflect any increases in federal
22 supplemental security income benefits for individuals or couples which
23 become effective on or after January first, two thousand twenty-four but
24 prior to June thirtieth, two thousand twenty-four.

25 § 8-022. Subdivision 1 of section 368-e of the social services law, as
26 amended by section 55 of part B of chapter 58 of the laws of 2009, is
27 amended to read as follows:

28 1. The department of health shall review claims for expenditures made
29 by counties, the city of Staten Island and the city of New York for
30 medical care, services and supplies which are furnished to preschool
31 children with handicapping conditions or such preschool children
32 suspected of having handicapping conditions, as such children are
33 defined in the education law. If approved by the department, payment for
34 such medical care, services and supplies which would otherwise qualify
35 for reimbursement under this title and which are furnished in accordance
36 with this title and the regulations of the department to such children,
37 shall be made in accordance with the department's approved medical
38 assistance fee schedules by payment to such county or [~~city~~] cities
39 which furnished the care, services or supplies either directly or by
40 contract. Notwithstanding any provisions of law, rule or regulation to
41 the contrary, any clinic or diagnostic and treatment center licensed
42 under article twenty-eight of the public health law, which as determined
43 by the state education department, in conjunction with the department of
44 health, has a less than arms length relationship with the provider
45 approved under section forty-four hundred ten of the education law
46 shall, subject to the approval of the department and based on standards
47 developed by the department, be authorized to directly submit such
48 claims for medical assistance, services or supplies so furnished for any
49 period beginning on or after July first, nineteen hundred ninety-seven.
50 The actual full cost of the individualized education program (IEP)
51 related services incurred by the clinic shall be reported on the New
52 York State Consolidated Fiscal Report in the education law section
53 forty-four hundred ten program cost center in which the student is
54 placed and the associated medical assistance revenue shall be reported
55 in the same manner.

1 § 8-023. Subdivision 13 of section 390 of the social services law, as
2 amended by chapter 160 of the laws of 2003, is amended to read as
3 follows:

4 13. Notwithstanding any other provision of law, this section[~~, except~~
5 ~~for paragraph (a-1) of subdivision two-a of this section,~~] shall not
6 apply to child day care centers in the city of New York or in the city
7 of Staten Island.

8 § 9-001. Subdivision 1 of section 214 of the county law, as amended by
9 chapter 967 of the laws of 1973, is amended to read as follows:

10 1. Concurrent resolutions, election notices and official canvass.
11 The members of the county legislative body, whether such body be denomi-
12 nated board of supervisors, county legislature or otherwise, or, in the
13 [~~city~~] cities of New York and Staten Island, of the council of each such
14 city representing respectively each of the two principal political
15 parties into which the people of the state are divided, shall designate
16 annually the newspaper published within the county to publish the
17 concurrent resolutions of the legislature. Such designation shall be in
18 writing and signed by a majority of the members representing each of
19 said political parties. In making such designation, consideration shall
20 be given to the newspapers advocating the principles of such political
21 party, the support of its nominees and the extent of the circulation in
22 the county. However the fact that a newspaper is an independent newspa-
23 per not advocating the principles of any political party shall not
24 disqualify it from consideration. If there be but one newspaper
25 published in the county, such newspaper shall be designated. The desig-
26 nation shall be filed with the clerk of the county legislative body or,
27 in the [~~city~~] cities of New York and Staten Island, with the clerk of
28 the council of each such city, who shall not later than January tenth
29 cause notice of the name and address of such newspaper or newspapers to
30 be forwarded to the secretary of state. In like manner the members of
31 the county legislative body or, in the [~~city~~] cities of New York and
32 Staten Island, of the council of each such city representing each of the
33 two principal political parties into which the people of the state are
34 divided, shall designate the newspaper published within the county to
35 publish the election notices issued by the secretary of state and the
36 newspaper to publish the official canvass. In the event of a failure so
37 to designate in any year, or if either of such political parties has no
38 representatives among the body or, in the [~~city~~] cities of New York and
39 Staten Island, council membership, the last newspaper designated by the
40 members of such party shall be deemed duly designated.

41 § 9-002. Section 226-a of the county law, as added by chapter 80 of
42 the laws of 1969, is amended to read as follows:

43 § 226-a. Patriotic observances. The county legislature and/or board
44 of supervisors, as the case may be, of any county or borough outside the
45 city of New York or the city of Staten Island, is hereby authorized to
46 appropriate and set aside each year such sums it may deem proper for the
47 purpose of providing for the due and proper observance of any legal
48 holiday, including Columbus day.

49 § 9-003. Section 361-a of the county law, as amended by chapter 359 of
50 the laws of 1989, is amended to read as follows:

51 § 361-a. Expenses of boards of elections outside New York City and the
52 city of Staten Island; apportionment of. The board of elections in each
53 county, outside of the [~~city~~] cities of New York and Staten Island, on
54 or before the fifteenth day of December and not earlier than the first
55 day of October, in each year, shall certify to the clerk of the legisla-
56 tive body of the county, the total amount of the expenses of such board

1 of elections, including salaries for the preceding year, and, if the
2 legislative body of any county shall so direct, shall certify to such
3 clerk the portions of such expenses which under provisions of law are to
4 be borne by any city or cities in said county and the portion thereof
5 which is to be borne by the rest of such county and such clerk shall
6 thereupon notify the proper local official or officials, who, in spread-
7 ing upon the assessment-rolls the taxes to be levied upon the taxable
8 property in the city or any such cities, and in the rest of the county,
9 shall include in the amount so spread the amounts certified by the board
10 of elections to be borne by such city or cities, respectively, and in
11 the amount spread upon the assessment-rolls of the taxable property in
12 the several towns or other political subdivisions of the rest of the
13 county the amount so certified by said board of elections to be borne by
14 such towns or political subdivisions respectively. Whenever any addi-
15 tional expenses either for salaries or supplies in addition to the regu-
16 lar county-wide primary and election expenses are incurred by a board of
17 elections incidental to any election in any city, town or village, such
18 board of elections shall certify to the county legislative body a
19 detailed statement of such expenses and said county legislative body may
20 cause the amount thereof to be levied against such city, town or village
21 or may certify the amount thereof to such city, town or village and such
22 city, town or village shall upon such certification, include the amount
23 so certified in the next budget and tax levy and shall pay the same to
24 the county.

25 § 9-004. Subdivision 2 of section 390 of the county law, as added by
26 chapter 1 of the laws of 1951, is amended to read as follows:

27 2. Whenever a patient admitted to said hospital has local residence,
28 as defined in the public health law, in the county in which the hospital
29 is situated, he shall be a charge upon such county. If such patient
30 admitted to said hospital has local residence in some other county or in
31 the city of New York or the city of Staten Island, he shall be a charge
32 upon such other county or the city of New York or the city of Staten
33 Island, as the case may be, and the superintendent shall send a bill for
34 such charge to the clerk of the board of supervisors of such other coun-
35 ty or to the comptroller of the city of New York or of the city of
36 Staten Island. Such charge shall be at a rate to be fixed by the board
37 of managers, which shall not exceed the per diem per capita cost of care
38 and treatment in said hospital, and if the county operating said hospi-
39 tal is currently receiving state aid for the care and treatment of
40 tuberculosis patients pursuant to the public health law, such charge may
41 be an amount for each day of such patient's care equivalent to the
42 balance of the total per diem per capita cost of operating such hospital
43 during the preceding fiscal year, as computed and approved by the state
44 commissioner of health [~~pursuant to subdivision three of section fifty-~~
45 ~~four of the public health law~~]. Such bill shall be audited and paid by
46 the board of supervisors of said county, except that a bill so submitted
47 to the city of New York or the city of Staten Island shall be paid by
48 such city after audit and upon warrant of the comptroller of such city.
49 Any patient admitted to said hospital may pay for his care and treatment
50 in whole or in part if he volunteers to do so.

51 § 9-005. Section 391 of the county law, as added by chapter 1 of the
52 laws of 1951, is amended to read as follows:

53 § 391. Admission of out of county patients. 1. Exclusive of the
54 city of New York and the city of Staten Island, and exclusive of coun-
55 ties served by state tuberculosis hospitals, any person in a county not
56 having a county hospital for the care and treatment of persons suffering

1 from tuberculosis may apply in person to the clerk of the board of
2 supervisors of such county or to the state commissioner of health for
3 admission to a tuberculosis hospital, providing that such person submit
4 with such application a statement signed by a reputable physician that
5 such physician has, within the ten days preceding the date of such
6 application, examined such person and that, in his opinion, such person
7 is suffering from tuberculosis or is suspected of having tuberculosis
8 and is in need of care and treatment therefor. Upon receipt of such
9 application, the clerk of the board of supervisors or the state commis-
10 sioner of health, as the case may be, shall forward the same to the
11 superintendent of any state, county or city hospital for the care and
12 treatment of tuberculosis.

13 2. Whenever the superintendent of such a hospital shall receive an
14 application for the admission of a patient in accordance with the
15 provisions of subdivision one of this section, if it appear from such
16 application that the person therein referred to is suffering from tuber-
17 culosis or is suspected of having tuberculosis and is in need of care
18 and treatment therefor, the superintendent shall notify said person to
19 appear in person at the hospital, provided there be a vacancy in such
20 hospital and there be no pending application from a patient living in
21 the county in which the hospital is located. If, upon personal examina-
22 tion of the patient, the superintendent is satisfied that such patient
23 is in need of care and treatment for tuberculosis, he shall admit him to
24 the hospital. Every patient so admitted shall be a charge against the
25 county in which he was living immediately prior to such admission. Such
26 charge shall be at a rate to be fixed by the board of managers, which
27 shall not exceed the per diem per capita cost of maintenance therein and
28 any cost of transportation to or from the hospital, except that if the
29 county operating said hospital is currently receiving state aid for the
30 care and treatment of tuberculosis patients pursuant to the public
31 health law, such charge shall be an amount for each day of such
32 patient's care equivalent to the balance of the total per diem per capi-
33 ta cost of operating such hospital during the preceding fiscal year, as
34 computed and approved by the state commissioner of health [~~pursuant to~~
35 ~~subdivision three of section fifty-four of the public health law~~]; and
36 the bill therefor shall be audited and paid by the board of supervisors
37 of the said county. However, if such patient has local residence, as
38 defined in the public health law, in some county other than the one in
39 which he was living immediately prior to such admission or in the city
40 of New York or the city of Staten Island, he shall be a charge upon such
41 other county or the city of New York or the city of Staten Island, as
42 the case may be, and in this event any amounts for the cost of such care
43 and treatment which shall have been paid by the county from which he was
44 admitted shall be charged back and reimbursed to such county by the
45 aforesaid other county or the city of New York or the city of Staten
46 Island in which the patient has local residence. Any patient admitted
47 to a hospital in accordance with the provisions of subdivision one of
48 this section may pay for his care and treatment in whole or in part if
49 he volunteers to do so.

50 § 9-006. Section 901 of the county law is amended by adding a new
51 subdivision 1-a to read as follows:

52 1-a. The commissioner of corrections of the city of Staten Island
53 shall have custody of the civil jails and persons lawfully committed to
54 his or her custody and such jails shall be kept by him or her, or by
55 keepers appointed by him or her, for whose acts he or she shall be
56 responsible.

1 § 9-007. Subdivision 1 of section 902 of the county law, as amended by
2 chapter 950 of the laws of 1956, is amended to read as follows:

3 1. The offices of the county clerk in the counties constituting the
4 city of New York and the office of the Richmond county clerk shall
5 remain open for the transaction of business from nine o'clock in the
6 forenoon to four o'clock in the afternoon every day except Saturdays,
7 Sundays and holidays and except in the months of July and August when
8 said offices shall remain open for the transaction of business from nine
9 o'clock in the forenoon to two o'clock in the afternoon except Satur-
10 days, Sundays and holidays.

11 § 9-008. Section 904 of the county law, as amended by chapter 655 of
12 the laws of 1978, is amended to read as follows:

13 § 904. Court and trust fund register and liability of officers. The
14 county clerks of the counties comprising the city of New York and the
15 Richmond county clerk shall perform the same duties and shall be subject
16 to the same penalties imposed by the provisions of this chapter upon
17 other county clerks of the state with relation to court and trust fund
18 registers and the delivery of property or moneys to the commissioner of
19 finance in pursuance of any judgment, decree or order of a court of
20 record of this state.

21 § 9-009. The county law is amended by adding a new section 905-a to
22 read as follows:

23 § 905-a. Liability for loss of court and trust funds in the city of
24 Staten Island. The officer responsible for collection and management of
25 public funds for the city of Staten Island and such officer's surety or
26 sureties shall be liable in the same manner as county treasurers are
27 made liable under the provisions of this chapter for the loss of court
28 and trust funds.

29 § 9-010. The county law is amended by adding a new section 906-a to
30 read as follows:

31 § 906-a. Liability of city of Staten Island for loss of court and
32 trust funds. The city of Staten Island shall be responsible for all
33 property or moneys deposited with the officer responsible for collection
34 and management of public funds for the city of Staten Island by virtue
35 of any judgment, decree or order of a court of record in this state
36 provided, however, that the city shall not be held liable for any loss
37 due to the depreciated value of an investment legal at the time of its
38 purchase and which continued to be a legal investment during the period
39 of the trust. An action to recover any loss to or of such fund may be
40 brought against the city by any party aggrieved or by the state comp-
41 troller in a court of competent jurisdiction.

42 § 9-011. The county law is amended by adding a new section 931-a to
43 read as follows:

44 § 931-a. Employees of the district attorney of the county of Rich-
45 mond. The district attorney of Richmond county is vested with the power
46 to appoint any person to any position for which there is now provision
47 by appropriation or which shall hereafter be established. All positions
48 in the district attorney's office of Richmond county for which there is
49 now provision by appropriation shall be continued, except that the mayor
50 of the city of Staten Island may with the consent of the district attor-
51 ney increase or decrease the number of positions and the term, grade,
52 salary and compensation of any position.

53 § 9-012. The county law is amended by adding a new section 944 to read
54 as follows:

55 § 944. Applicability of article to the county of Richmond. For the
56 purposes of continuing the application of this article within the city

1 of Staten Island on and after the date of establishment of the city of
2 Staten Island, the county of Richmond shall be deemed to continue as a
3 county within the city of New York for the purposes of exercising those
4 powers and duties devolved upon said county of Richmond pursuant to this
5 article.

6 § 9-013. Subdivision 2 and paragraphs (a) and (c) of subdivision 3 of
7 section 9-124 of the election law, subdivision 2 as amended by chapter
8 437 of the laws of 2019, paragraphs (a) and (c) of subdivision 3 as
9 amended by chapter 481 of the laws of 2023, are amended to read as
10 follows:

11 2. Each box, envelope, or container containing the ballots and stubs,
12 if any, and all items described in subdivision one of this section shall
13 be deposited by an inspector designated for that purpose with the offi-
14 cer or board from whom or which the board of inspectors received it. In
15 the city of New York and the city of Staten Island, every such box,
16 envelope, or container shall be delivered at the polling place to police
17 or peace officers designated by the police commissioner of such [~~city~~]
18 cities, who shall deposit them with the appropriate board of elections.

19 (a) Except in the city of New York or the city of Staten Island, the
20 registration poll records or computer generated registration lists, the
21 returns of canvass with results tapes and tally sheets, if any, annexed,
22 the voted ballots, stubs, opened packages of unused ballots and ballot
23 envelopes, any early mail, absentee, military, special federal, or
24 special presidential ballots which may have been delivered to the poll
25 site during election day, the challenge report records, keys and the
26 package of protested and void ballots shall be filed with the appropri-
27 ate board of elections.

28 (c) In the city of New York and the city of Staten Island, the board
29 of inspectors shall deliver to police or peace officers designated by
30 the police commissioner of such [~~city~~] cities, at the polling place the
31 registration poll records or computer generated registration lists,
32 challenge report, records, keys, other election supplies, including two
33 copies of the returns of the canvass and any early mail, absentee, mili-
34 tary, special federal, or special presidential ballots which may have
35 been delivered to the poll site during election day, voted ballots,
36 stubs, open packages of unused ballots and ballot envelopes. Such police
37 or peace officers shall file the returns, the package of void and
38 protested ballots, if any, and the early mail, absentee, military,
39 special federal, or special presidential ballots which may have been
40 delivered to the poll site during election day; and emergency ballots,
41 stubs and ballot envelopes, if any, within twenty-four hours after the
42 close of the polls, in the office of the appropriate board of elections
43 or its branch office within the borough, as the case may be.

44 § 9-014. Subdivision 3 of section 9-124 of the election law is amended
45 by adding a new paragraph (d) to read as follows:

46 (d) In the city of Staten Island the board of inspectors, shall deliv-
47 er to the police or peace officer at the polling place the registration
48 poll records or computer generated registration lists, challenge report,
49 records, keys, the flag, other election supplies, the returns of the
50 canvass and the absentee and military, special federal, special presi-
51 dential and emergency ballots, stubs and ballot envelopes. The police
52 or peace officer shall file the returns, the package of void, protested
53 and wholly blank ballots, if any, and the absentee and military, special
54 federal, special presidential and emergency ballots, stubs and ballot
55 envelopes, if any, within twenty-four hours after the close of the
56 polls, in the office of the board of elections.

1 § 9-015. Section 88-b of the state finance law, as added by chapter 13
2 of the laws of 1987, subdivisions 2 and 6 as amended by chapter 65 of
3 the laws of 1988, is amended to read as follows:

4 § 88-b. Suburban transportation fund. 1. There is hereby established
5 in the joint custody of the commissioner of taxation and finance and the
6 comptroller a fund to be known as the "suburban transportation fund".

7 2. The suburban transportation fund shall consist of moneys from the
8 commuter railroad account of the metropolitan transportation authority
9 special assistance fund required to be paid by such authority to the
10 suburban transportation fund pursuant to subdivision three of section
11 twelve hundred seventy-a of the public authorities law and any moneys
12 from the metropolitan transportation authority Dutchess, Orange and
13 Rockland fund transferred pursuant to subdivision four of section twelve
14 hundred seventy-a of the public authorities law.

15 3. Moneys in the suburban transportation fund shall be kept separate
16 from and shall not be commingled with any other moneys in the custody of
17 the commissioner of taxation and finance and the comptroller. All depos-
18 its of such money shall, if required by the comptroller, be secured by
19 obligations of the United States or of the state of market value equal
20 at all times to the amount of the deposit and all banks and trust compa-
21 nies are authorized to give such securities for such deposits.

22 4. Moneys of the fund shall be made available for financing any of the
23 following types of capital projects within the counties comprising the
24 metropolitan commuter transportation district, except those counties
25 comprising the city of New York or the city of Staten Island, but only
26 to the extent that such projects are on an adopted transportation plan
27 and approved by a designated transportation coordinating committee, if
28 one exists, or by the metropolitan planning organization as created
29 pursuant to section fifteen-a of the transportation law if no designated
30 transportation coordinating committee exists: capacity and infrastruc-
31 ture improvements to state, county, town, city, village roads, highways,
32 parkways and bridges; or state, county, town, city or village mass
33 transportation projects; provided, however, that in Nassau and Suffolk
34 counties such moneys shall be available only for capacity improvements
35 to state roads, highways, parkways and bridges. The amount of state
36 funds historically appropriated statewide, other than bond funds, for
37 transportation capital purposes from other sources shall not be reduced
38 because of the availability of such moneys made available pursuant to
39 this chapter, nor shall such moneys be used to match federal aid. Prior
40 to the allocation of state advance funds appropriated pursuant to this
41 section, the municipality responsible for the project shall certify to
42 the commissioner of transportation that the amount of funds appropriated
43 for transportation capital purposes by that municipality shall not be
44 reduced because of the availability of such state advance funds, and
45 that such moneys shall not be used to match federal aid.

46 The designated transportation coordinating committee, if one exists,
47 or the metropolitan planning organization if no designated transporta-
48 tion coordinating committee exists, shall notify the municipalities
49 within its jurisdiction of which projects it has approved.

50 5. In the event that any county withdraws from the metropolitan commu-
51 ter transportation district, the withdrawing county shall pay to the
52 state comptroller any amount that is required so that the state is fully
53 reimbursed for funds advanced in anticipation of reimbursement from the
54 suburban transportation fund. In the event that any withdrawing county
55 shall fail to make a payment pursuant to this subdivision, the state
56 comptroller shall withhold and pay to the capital projects fund an

1 amount equal to the amount owed from the next general or specific state
2 aid payment and scheduled to be paid to that county.

3 6. Moneys in the suburban transportation fund transferred pursuant to
4 section twelve hundred seventy-a of the public authorities law shall be
5 made available to the state department of transportation for capital
6 projects in the counties of Nassau, Suffolk, Westchester, Putnam, Dutch-
7 ess, Orange and Rockland on the basis of each county's average pro rata
8 share of the mortgage recording tax receipts raised in such counties
9 pursuant to subdivision one of section two hundred sixty-one of the tax
10 law during the period January first, nineteen hundred eighty-four
11 through December thirty-first, nineteen hundred eighty-six as certified
12 by the metropolitan transportation authority. Moneys transferred to the
13 suburban transportation fund at the request of Dutchess, Orange or Rock-
14 land county pursuant to subdivision three of section twelve hundred
15 seventy-b of the public authorities law shall be used by the state
16 department of transportation to increase the proportionate share of such
17 capital projects in such county. Such projects shall be financed by
18 means of a state advance to be reimbursed by the New York state thruway
19 authority, or its successor agency, through the issuance of its bonds or
20 notes in the manner set forth in subdivision seven of this section, or
21 by means of a state advance to be reimbursed directly from the suburban
22 transportation fund.

23 7. (a) For projects funded by the suburban transportation fund, the
24 state department of transportation may enter into an agreement with the
25 New York state thruway authority, or its successor agency, for the
26 purpose of having the thruway authority, or its successor agency, issue
27 bonds or notes to pay the capital costs of such project. Such agreement
28 shall be subject to approval by the director of the division of the
29 budget.

30 (b) For projects funded pursuant to this subdivision, the affected
31 municipality shall enter into an agreement with the department of trans-
32 portation for the conveyance of all affected real property including
33 highways, roads and bridges to the thruway authority, or its successor
34 agency, for the term of the bonds or notes issued by the thruway author-
35 ity, or its successor agency, for such project or for such lesser period
36 that such bonds or notes are outstanding. During the period of such
37 conveyance to the thruway authority, or its successor agency, the
38 department of transportation or the municipality shall agree to maintain
39 the facility in a state of good repair, the responsibility for which
40 shall be with the state, or municipality, which had jurisdiction over
41 said facility prior to such agreement.

42 (c) Upon the final retirement of all bonds and notes issued by the
43 thruway authority, or its successor agency, for such purpose, such prop-
44 erty shall automatically revert to the conveying entity.

45 8. Payments to the thruway authority, or its successor agency, pursu-
46 ant to this section shall be subject to appropriation from the suburban
47 transportation fund. The thruway authority, or its successor agency,
48 shall utilize such moneys to pay the debt service on such bonds or notes
49 and to meet administrative costs in connection therewith.

50 § 9-016. Section 2302 of the surrogate's court procedure act, as
51 amended by chapter 460 of the laws of 1999, is amended to read as
52 follows:

53 § 2302. Award of costs and allowances

54 1. Upon a motion the court may award costs to any party in such
55 amount as it determines not exceeding \$20 to each party, except in coun-

1 ties within the City of New York and in the city of Staten Island, where
2 such amount shall not exceed \$40.

3 2. Upon rendering a decree or in granting or denying an application
4 to vacate a decree the court may award as costs such sum as it deems
5 reasonable to the petitioner and to any other party who has succeeded in
6 whole or in part in a contest or whose attorney, in the absence of a
7 contest, has rendered services of substantial benefit to him, her or it,
8 or to the estate, not exceeding

9 (a) in counties within the City of New York and in the city of Staten
10 Island:

11 (i) \$100 where there has not been a contest, or

12 (ii) \$300 where there has been a contest and \$300 for each day, less
13 one, necessarily occupied in the trial or hearing and in addition \$100
14 for each day necessarily occupied in preparing therefore and \$100 addi-
15 tional if a motion for a new trial is granted.

16 (b) in all other counties:

17 (i) \$50 where there has not been a contest, or

18 (ii) \$150 where there has been a contest and \$150 for each day, less
19 one, necessarily occupied in the trial or hearing and in addition \$50
20 for each day necessarily occupied in preparing therefore and \$50 addi-
21 tional if a motion for a new trial is granted.

22 3. In a contested probate proceeding:

23 (a) Costs payable out of the estate or otherwise may be awarded (1) to
24 an unsuccessful contestant only if he, she or it be a guardian ad litem
25 or guardian, committee or conservator of a person under disability; (2)
26 to an unsuccessful proponent named as executor in the will when
27 propounded by him, her or it in good faith as the last will of the dece-
28 dent; and (3) to a person named as executor in a prior will on file in
29 the court that is not admitted to probate when such person participates
30 in the proceeding in good faith. Such nominated executor, guardian ad
31 litem, guardian, committee or conservator, whether successful or not may
32 be awarded costs and an allowance in such sum as the court deems reason-
33 able for his, her or its counsel fees and other expenses incurred in the
34 contest or attempt to sustain the will. The court may direct that such
35 costs and allowances in whole or in part be payable by an unsuccessful
36 contestant except that an award of the successful proponent's counsel's
37 fees may only be allowed where the court finds that the contest was
38 brought in bad faith or was frivolous.

39 (b) Either before or after the decree granting probate the court may
40 order that a copy of the minutes of the trial be furnished to a contes-
41 tant for the purposes of appeal and charge the expense thereof initially
42 to the estate if satisfied that the contest is in good faith. If the
43 contestant be unsuccessful upon the appeal and he, she or it is not the
44 guardian of an infant, the committee of an incompetent, the conservator
45 of a conservatee or a guardian ad litem he, she or it shall refund to
46 the estate any amount so paid by the estate for the minutes.

47 4. In a proceeding for probate of a will when the public administra-
48 tor or county treasurer has been directed to probate a will or continue
49 the proceedings for the probate thereof, the court may award to either
50 of them such sum as it deems reasonable for his, her or its counsel fees
51 and other expenses necessarily incurred therein.

52 5. After appeal, pursuant to the direction of the appellate court the
53 court may award a fiduciary such sum as it deems reasonable for counsel
54 fees and other expenses necessarily incurred on the appeal.

55 6. In a proceeding to construe a will or after appeal in such a
56 proceeding, pursuant to the direction of the appellate court the court

1 may award to a fiduciary or any party to the proceeding such sum as it
2 deems reasonable for his, her or its counsel fees and other expenses
3 necessarily incurred in the proceeding or on the appeal.

4 7. Upon a final or intermediate judicial settlement a fiduciary may
5 be awarded for his, her or its expenses and counsel fees such sum as the
6 court deems reasonable not exceeding:

7 (a) within the counties of the City of New York and in the city of
8 Staten Island: \$100 for each day necessarily occupied in preparing the
9 account and in drawing, entering and executing the decree. Any sum so
10 awarded may be in addition to any costs, allowances or commissions
11 otherwise authorized and awarded by the court.

12 (b) in all other counties: \$ 50 for each day necessarily occupied in
13 preparing the account and in drawing, entering and executing the decree.
14 Any sum so awarded may be in addition to any costs, allowances or
15 commissions otherwise authorized and awarded by the court.

16 8. In a proceeding for disposition of real property a fiduciary may
17 be awarded out of the proceeds of sale his, her or its commissions and
18 such sum as the court deems reasonable for counsel fees and expenses
19 necessarily incurred in the proceeding.

20 § 9-017. The general municipal law is amended by adding a new section
21 929 to read as follows:

22 § 929. City of Staten Island industrial development agency. (a)
23 Legislative intent. It is the policy and intent of the city of Staten
24 Island to promote the economic welfare of its inhabitants and to active-
25 ly promote, attract, encourage and develop economically sound commerce
26 and industry through governmental action for the purpose of preventing
27 unemployment and economic deterioration by the creation of a city of
28 Staten Island industrial development agency. It is recognized that the
29 viability and integrity of the residential communities in the city of
30 Staten Island should be protected and maintained so that no person be
31 deprived of his or her place of residence by any condemnation for
32 economic or industrial development undertaken pursuant to this article.

33 (b) For the purpose of this section "city" means the city of Staten
34 Island.

35 (c) For the benefit of the city and the inhabitants thereof an indus-
36 trial development agency, to be known as the city of Staten Island
37 industrial development agency, is hereby established for the accomplish-
38 ment of any or all of the purposes specified in title one of this arti-
39 cle, except that it shall not have the power to construct or rehabili-
40 tate any residential facility or housing of any nature and kind
41 whatsoever, nor shall it use any of its funds to further the
42 construction or rehabilitation of any residential facility or housing of
43 any nature and kind whatsoever. It shall constitute a body corporate
44 and politic, and be perpetual in duration. It shall only have the
45 powers and duties conferred by title one of this article upon industrial
46 development agencies as of January first, nineteen hundred seventy-three
47 except it shall not have the power of condemnation. In the exercise of
48 the powers conferred upon such agency with respect to the acquisition of
49 real property by this article such agency shall be limited to the
50 geographical jurisdictional limits of the city.

51 (d) It shall be organized in a manner prescribed by and be subject to
52 the provisions of title one of this article, except that its board shall
53 consist of ten members. Among its membership shall be the city comp-
54 troller, the city commissioner of economic development, the corporation
55 counsel of such city and the director of the city planning commission of
56 such city, each of whom shall have the power to designate an alternate

1 to represent them at board meetings with all the rights and powers,
2 including the right to vote, reserved to all board members, provided
3 that such designation be in writing to the chairperson of the board.
4 The remaining six members shall be appointed by the mayor of such city.

5 (e) The mayor shall designate the chairperson of the board, who shall
6 serve at the pleasure of the mayor.

7 (f) The terms of the directors first appointed by the mayor, other
8 than the chairperson of the board shall be as follows:

9 (1) two shall serve for terms of one year each;

10 (2) two shall serve for terms of two years each;

11 (3) two shall serve for terms of three years each, thereafter the
12 successors of all such directors shall serve for terms of three years
13 each. The mayor shall fill any vacancy which may occur by reason of
14 death, resignation, or otherwise in a manner consistent with the
15 original appointment. Members may be removed by the mayor for cause
16 after a hearing upon ten days' written notice. Such members shall
17 receive no compensation for their services but shall be entitled to the
18 necessary expenses, including traveling expenses, incurred in the
19 discharge of their duties.

20 (g) The chief executive officer of the agency shall be appointed by a
21 two-thirds vote of the board of directors.

22 (h) The agency, its members, officers, and employees, shall be
23 subject to article fourteen of the civil service law and for all such
24 purposes the agency shall be deemed the "public employer" and its
25 members, officers and employees shall be deemed "public employees".

26 (i) The city shall have the power to make, or contract to make grants
27 or loans including, but not limited to grants or loans of money, to the
28 agency in such amounts, upon such terms and conditions and for such
29 period or periods of time as in the judgment of the city and the agency
30 are necessary or appropriate for the accomplishment of any of the
31 purposes of the agency.

32 (j) The city shall have the power to condemn property for transfer to
33 the city of Staten Island industrial development agency under title one
34 of this article upon the request of two-thirds of the members of the
35 board of directors of the city of Staten Island industrial development
36 agency. No property shall be condemned on behalf of the agency which is
37 zoned "residential" as defined in the zoning resolution of the city, if
38 any, or which is occupied in whole or in part as a dwelling or resi-
39 dence.

40 (k) For the purpose of this section "governing body" as used in title
41 one of this article shall mean the mayor of the city. Except as other-
42 wise provided in this section, the agency, its members, officers and
43 employees, and its operations and activities shall be governed by the
44 provisions of title one of this article.

45 (l) The city shall save harmless and indemnify any person who is
46 serving or has served as a director or officer or as employee of the
47 city of Staten Island industrial development agency against any finan-
48 cial loss arising out of or in connection with any claim, demand, suit
49 or judgment, based on a cause of action involving allegations that pecu-
50 niary harm was sustained by any person as a result of any transaction,
51 act or omission to act of the city of Staten Island industrial develop-
52 ment agency or of any action or inaction or vote of any director, offi-
53 cer or employee of such agency unless such individual is found by a
54 final judicial determination not to have acted in good faith for a
55 purpose such individual reasonably believed to be in the best interests
56 of the agency or not to have had reasonable cause to believe that such

1 conduct was lawful. Provided, however, that such individual must trans-
2 mit to the corporation counsel of the city of Staten Island any notice
3 of claim, summons or complaint or other analogous paper served on such
4 individual within ten days of its receipt unless prevented from doing so
5 by compelling circumstances. The corporation counsel shall, without
6 charge, represent any such individual unless unable to do so by reason
7 of conflict of interest. In the event that the corporation counsel is
8 unable to give such representation, the city of Staten Island shall
9 indemnify the individual for any reasonable litigation expense incurred
10 by such individual.

11 § 10-001. Legislative findings. It is the intention of the legisla-
12 ture that the incorporation of the city of Staten Island shall not alter
13 the existing landlord-tenant relationships within such city and that the
14 state and local laws regulating landlord-tenant relationships such as
15 legal regulated rents, maximum rents and tenancy issues shall continue
16 to provide such regulation until superseded by state law or local law of
17 the city of Staten Island and in accordance with such intent, such laws
18 and regulations are hereby continued. It is further provided that all
19 real property tax exemptions provided under article 4 of the real prop-
20 erty tax law shall be continued as shall all rent regulations and other
21 regulations and duties imposed on the owners of property receiving
22 exemptions pursuant to such article until superseded by state law or
23 local law of the city of Staten Island.

24 § 10-002. Section 1 of chapter 21 of the laws of 1962, constituting
25 the local emergency housing rent control act, is amended by adding a new
26 subdivision 2-a to read as follows:

27 2-a. Applicability. For the purposes of this act, a city which is
28 incorporated on or after the first of January next succeeding the date
29 on which this subdivision shall have become a law and which is comprised
30 of a geographical area with respect to which provisions of this act were
31 in effect on the date immediately prior to such incorporation and which
32 city had been wholly contained within a city with a population of one
33 million or more shall continue to be treated as a city with a population
34 of one million or more.

35 § 10-003. Section 4 of section 4 of chapter 576 of the laws of 1974,
36 constituting the emergency tenant protection act of nineteen seventy-
37 four, is amended by adding a new subdivision f to read as follows:

38 f. In the city of Staten Island, the rent guidelines board shall be
39 the rent guidelines board established pursuant to the local law enacted
40 as a successor to the New York city rent stabilization law of nineteen
41 hundred sixty-nine and provided with such powers under such local law.

42 § 10-004. Subdivision b of section 14 of section 4 of chapter 576 of
43 the laws of 1974, constituting the emergency tenant protection act of
44 nineteen seventy-four, is relettered subdivision c and a new subdivision
45 b is added to read as follows:

46 b. in the city of Staten Island; provided that for the purposes of
47 this act, the city of Staten Island shall continue to be treated as a
48 city with a population of one million or more and the reference to any
49 local law applicable to the geographical area of such city prior to its
50 incorporation shall refer to the appropriate successor legislation
51 enacted by the city of Staten Island; and

52 § 10-005. The section heading and subdivision 8 of section 352-eeee of
53 the general business law, as amended by section 1 of part N of chapter
54 36 of the laws of 2019, are amended to read as follows:

55 Conversions to cooperative or condominium ownership in the city of New
56 York or in the city of Staten Island.

1 8. The provisions of this section shall only be applicable in the city
2 of New York and the city of Staten Island.

3 § 10-006. Section 467-b of the real property tax law is amended by
4 adding a new subdivision 14 to read as follows:

5 14. For the purposes of this section, the city of Staten Island shall
6 continue to be treated as a city with a population of one million or
7 more and any reference to a local law enacted pursuant to the local
8 emergency housing rent control act shall also refer to the successor
9 local law enacted by the city of Staten Island.

10 § 10-007. The real property tax law is amended by adding a new section
11 498 to read as follows:

12 § 498. City of Staten Island. For the purposes of this article, the
13 city of Staten Island shall continue to be treated as a city with a
14 population of one million or more and the reference to any local law
15 applicable to the geographical area of such city prior to its incorpo-
16 ration shall be deemed to refer to the appropriate successor legislation
17 enacted by the city of Staten Island.

18 § 10-008. Applicability. It is the intention of the legislature that
19 the state and local laws regulating landlord-tenant relationships such
20 as legal regulated rents, maximum rents and tenancy issues shall contin-
21 ue to provide such regulation; provided, however, that within one
22 hundred twenty days after the date of establishment of the city of
23 Staten Island, the common council of such city must make a determination
24 of whether or not a public emergency exists requiring the continuation
25 of such regulations.

26 § 11-001. Legislative findings. The legislature recognizes that the
27 formation of the city of Staten Island was not contemplated in the
28 establishment of the constitutional real property tax limitations. To
29 the greatest extent practicable, the establishment of the city of Staten
30 Island is formulated to preserve existing local laws, regulations and
31 instrumentalities of government to preserve the status quo and prevent a
32 disruption of government injurious to the public good.

33 The unique factor which determined the establishment of the constitu-
34 tional real property tax limits for the city of New York was the inclu-
35 sion of counties wholly within the city with the city assuming the
36 responsibilities and expenditures for functions normally exercised by
37 the counties in areas outside the city of New York. Staten Island will
38 now share this unique factor with New York city, as the county of Rich-
39 mond is wholly contained within the city of Staten Island.

40 Real property located in cities outside the city of New York is
41 subject to a real property tax limit of four percent, of which two
42 percent is city tax and two percent is county tax. Real property located
43 within New York city is subject to a more restrictive real property tax
44 limit of two and one-half percent, all of which is city tax. County real
45 property tax is not permitted within the city of New York.

46 The people of the city of Staten Island and county of Richmond and the
47 New York state legislature have adopted a charter for the city of Staten
48 Island which continues the New York city form of government placing
49 governmental responsibility on the city rather than the county. The
50 county of Richmond has not assumed new responsibilities justifying an
51 interpretation of the constitutional real property tax limits which
52 would permit the county of Richmond to impose a real property tax. Like-
53 wise the maintenance of the New York city form of government with the
54 usual county responsibilities being a function of city government when
55 combined with the prohibition of a county real property tax, requires an

1 interpretation providing a city real property tax limit of two and one-
2 half percent for the city of Staten Island.

3 Therefore the legislature finds and declares that the existing more
4 restrictive real property tax limits for real property located within
5 the county of Richmond remain in effect, providing a city real property
6 tax limit of two and one-half percent for the city of Staten Island and
7 prohibiting the imposition of a real property tax by the county of Rich-
8 mond.

9 § 12-001. Subdivision (a) of section 1107 of the tax law, as amended
10 by section 1 of part C of chapter 407 of the laws of 1999, is amended to
11 read as follows:

12 (a) General. On the first day of the first month following the month
13 in which a municipal assistance corporation is created under article ten
14 of the public authorities law for a city of one million or more, in
15 addition to the taxes imposed by sections eleven hundred five and eleven
16 hundred ten, there is hereby imposed on such date, within the territo-
17 rial limits of such city (including, in the case of the municipal
18 assistance corporation for the city of New York, the city of Staten
19 Island), and there shall be paid, additional taxes, at the rate of four
20 percent, which except as provided in subdivision (b) of this section,
21 shall be identical to the taxes imposed by sections eleven hundred five
22 and eleven hundred ten. Such sections and the other sections of this
23 article, including the definition and exemption provisions, shall apply
24 for purposes of the taxes imposed by this section in the same manner and
25 with the same force and effect as if the language of those sections had
26 been incorporated in full into this section and had expressly referred
27 to the taxes imposed by this section.

28 § 12-002. Subdivision (c) of section 1107 of the tax law, as amended
29 by chapter 588 of the laws of 2000, is amended to read as follows:

30 (c) Tax on sale of service of parking, garaging or storing of motor
31 vehicles. On the first day of the first month following the month in
32 which a municipal assistance corporation is created under article ten of
33 the public authorities law for a city of one million or more, in addi-
34 tion to the taxes imposed by sections eleven hundred five, eleven
35 hundred ten and subdivision (a) of this section, there is hereby imposed
36 on such date, within the territorial limits of such city (including, in
37 the case of the municipal assistance corporation for the city of New
38 York, the city of Staten Island), and there shall be paid, additional
39 taxes at the rate of six percent on receipts from every sale of the
40 service of providing parking, garaging or storing for motor vehicles by
41 persons operating a garage (other than a garage which is part of prem-
42 ises occupied solely as a private one or two family dwelling), parking
43 lot or other place of business engaged in providing parking, garaging or
44 storing of motor vehicles provided, however, that this subdivision shall
45 not apply to such facilities owned and operated by such city or an agen-
46 cy or instrumentality of such city or a public corporation the majority
47 of whose members are appointed by the chief executive officer of such
48 city or the legislative body of such city or both of them; provided,
49 however, that receipts for such services paid to a homeowner's associ-
50 ation by its members or receipts paid by members of a homeowner's asso-
51 ciation to a person leasing the parking facility from the homeowner's
52 association shall not be subject to the tax imposed by this subdivision.
53 For purposes of this subdivision, a homeowner's association is an asso-
54 ciation (including a cooperative housing or apartment corporation) (i)
55 the membership of which is comprised exclusively of owners or residents
56 of residential dwelling units, including owners of units in a condomin-

1 ium, and including shareholders in a cooperative housing or apartment
2 corporation, where such units are located in a defined geographical area
3 such as a housing development or subdivision; and (ii) which owns or
4 operates a garage, parking lot or other place of business engaged in
5 providing parking, garaging or storing for motor vehicles located in
6 such area for use (whether or not exclusive) by such owners or resi-
7 dents. All provisions set forth in this article applicable to the taxes
8 imposed under section eleven hundred five, including the definition and
9 exemption provisions of this article, shall apply with respect to a tax
10 imposed under this subdivision, except as to rate and except as other-
11 wise provided herein. The transitional provisions contained in section
12 eleven hundred six shall not apply to the taxes imposed by this section.

13 § 12-003. Intentionally omitted.

14 § 12-004. Section 1210 of the tax law is amended by adding two new
15 subdivisions (k) and (l) to read as follows:

16 (k) In the case of the municipal assistance corporation for the city
17 of New York the power of the city of Staten Island to adopt and amend
18 local laws, ordinances or resolutions imposing taxes pursuant to the
19 authority of such section shall, notwithstanding any provisions of arti-
20 cle twenty-nine of this chapter to the contrary, be suspended until all
21 the notes and bonds of such municipal assistance corporation shall have
22 been fully paid and discharged together with interest on unpaid install-
23 ments of interest.

24 (l) Notwithstanding the provisions of subdivision (k) of this section,
25 the city of Staten Island is hereby authorized and empowered to adopt
26 and amend local laws, imposing taxes, at a rate not to exceed two
27 percent on the receipts of sales from the services of laundering, dry-
28 cleaning, tailoring, weaving, pressing, shoe repairing and shoe shining,
29 and charges to a patron for admission to, or use of, facilities for
30 sporting activities in which the patron is to be a participant such as
31 bowling alleys and swimming pools. Such taxes shall be administered,
32 collected and distributed by the state tax commission as provided in
33 subpart B of part three and in part four of this article.

34 § 12-005. Subdivisions 3 and 4 of section 92-d of the state finance
35 law, subdivision 3 as amended by section 4 of part A of chapter 88 of
36 the laws of 2000 and subdivision 4 as amended by section 11 of part SS1
37 of chapter 57 of the laws of 2008, are amended to read as follows:

38 3. The taxes, interest and penalties imposed, pursuant to sections
39 eleven hundred seven or eleven hundred eight (as the case may be) of the
40 tax law within the territorial limits of a city in aid of which a munic-
41 ipal assistance corporation has been created (including, in the case of
42 the municipal assistance corporation for the city of New York, the city
43 of Staten Island), and received by the commissioner of taxation and
44 finance, after deducting the amount which the commissioner of taxation
45 and finance shall determine to be necessary for reasonable costs of the
46 commissioner of taxation and finance in administering, collecting and
47 distributing such taxes, shall be appropriated (i) to the municipal
48 assistance corporation which has been created in aid of such city in
49 order to enable such corporation to fulfill the terms of any agreements
50 made with the holders of its notes and bonds and to carry out its corpo-
51 rate purposes, including the maintenance of the capital reserve fund,
52 and (ii) the balance, if any, to the city in aid of which such corpo-
53 ration has been created, or to a public benefit corporation to which the
54 tax may be otherwise payable pursuant to law, as hereinafter provided.
55 Notwithstanding the provisions of this subdivision, in the case of the
56 municipal assistance corporation for the city of New York, such balance,

1 if any, shall be divided between the city of New York and the city of
2 Staten Island and paid, as hereinafter provided.

3 4. On or before the twelfth day of each month, the commissioner of
4 taxation and finance shall certify to the comptroller the amount of all
5 revenues so received during the prior month as a result of the taxes,
6 interest and penalties so imposed and in addition on or before the last
7 day of June the commissioner shall certify the amount of such revenues
8 received during and including the first twenty-five days of June. In
9 the case of the municipal assistance corporation for the city of New
10 York, the commissioner of taxation and finance shall certify separately
11 the amounts of such revenues received from within the territorial limits
12 of the city of New York and the territorial limits of the city of Staten
13 Island. The amount of revenues so certified shall be deposited by the
14 comptroller in the municipal assistance tax fund and the amount attrib-
15 utable to the taxes, interest and penalties imposed within the territo-
16 rial limits of a city in aid of which a municipal assistance corporation
17 has been created including, in the case of the municipal assistance
18 corporation for the city of New York, the city of Staten Island shall be
19 credited to a special account established in such fund for such corpo-
20 ration. Notwithstanding the foregoing provisions, the commissioner of
21 taxation and finance may prorate revenue attributable to the first or
22 last quarterly return period during which the taxes imposed by section
23 eleven hundred seven or eleven hundred eight (as the case may be) of the
24 tax law apply so as to separate from the revenue collected for that
25 quarter pursuant to such taxes the revenue collected pursuant to local
26 legislation adopted by a city pursuant to section twelve hundred ten or
27 twelve hundred twelve-A of the tax law. Such a proration by the commis-
28 sioner of taxation and finance shall be made on the basis of the ratio
29 of the number of months during which such taxes were imposed during such
30 quarterly return period to the total number of months in such quarterly
31 return period when such proration is reasonably necessary to ascertain
32 the amount of such money which must be deposited by the comptroller in
33 such special account and the amount of such money which must be deposit-
34 ed pursuant to section twelve hundred sixty-one of the tax law. The
35 commissioner of taxation and finance shall not be held liable for any
36 inaccuracy in any certification under this subdivision.

37 § 12-006. Subdivision 6 of section 92-d of the state finance law, as
38 amended by section 4 of part A of chapter 88 of the laws of 2000, is
39 amended to read as follows:

40 6. Upon receipt by the comptroller of a certificate or certificates
41 from the [~~chairman~~] chairperson of a municipal assistance corporation
42 that such corporation requires a payment or payments in order to comply
43 with any agreement with the holders of its notes and bonds and to carry
44 out its corporate purposes, including the maintenance of the capital
45 reserve fund, from the special account established for such corporation,
46 each of which certificates shall specify the required payment or
47 payments and the date when the payment or payments is required, the
48 comptroller shall pay from such special account on or before the speci-
49 fied date or within thirty days after such receipt, whichever is later,
50 to such corporation, as the [~~chairman~~] chairperson thereof may direct in
51 any such certificate, the amount or amounts so certified. In the case
52 of the municipal assistance corporation for the city of New York, each
53 amount so paid shall be comprised of revenues attributable to receipts
54 from both the city of New York and the city of Staten Island in the same
55 proportion that such revenues were received during the period covered by
56 each such certification. The [~~chairman~~] chairperson of such corporation

1 shall furnish the commissioner of taxation and finance with copies of
2 such certificates. The comptroller shall from time to time, but in no
3 event later than the fifteenth day of October, January and April and the
4 last day of June of each fiscal year, pay over and distribute to the
5 chief fiscal officer of the city in aid of which such municipal assist-
6 ance corporation has been created to be paid into the treasury of such
7 city to the credit of the general fund, or pay over and distribute to a
8 public benefit corporation to which the tax may otherwise be payable
9 pursuant to law, all revenues in the special account established for
10 such corporation in the municipal assistance tax fund, if any, in excess
11 of the aggregate amount which the [~~chairman~~] chairperson of such corpo-
12 ration has certified to the comptroller and which has been previously
13 appropriated and paid to such corporation as hereinabove authorized.
14 Notwithstanding the provisions of this subdivision, in the case of the
15 municipal assistance corporation for the city of New York, the comp-
16 troller shall from time to time, but in no event later than the
17 fifteenth of October, January, and April and the last day of June of
18 each fiscal year, (a) apportion between the city of New York and the
19 city of Staten Island the revenues, if any, in the special account
20 established for such corporation in the municipal assistance tax fund on
21 the basis of the locus of their receipt and (b) pay over and distribute
22 to the chief fiscal officers of such cities to pay into their respective
23 treasuries to the credit of the general fund all such respective reven-
24 ues in excess of the aggregate amount which the chairperson of such
25 corporation has certified to the comptroller and which has been previ-
26 ously appropriated and paid to such corporation as hereinabove author-
27 ized. In no event shall the comptroller pay over and distribute any
28 revenues (other than the amount to be deducted for administering,
29 collecting and distributing such sales and compensating use taxes) to
30 any person other than the municipal assistance corporation unless and
31 until the aggregate of all payments certified to the comptroller as
32 required by such corporation as of such date in order to comply with its
33 agreements with the holders of its notes and bonds and to carry out its
34 corporate purposes, including the maintenance of the capital reserve
35 fund, which remain unappropriated or unpaid to such corporation shall
36 have been appropriated to such corporation and shall have been paid in
37 full; provided, however, that no person, including such corporation or
38 the holders of its notes or bonds shall have any lien on such revenues
39 and such agreement shall be executory only to the extent of such reven-
40 ues available to the state in such special account. On the day on which
41 the comptroller pays over and distributes to the chief fiscal officer of
42 such city or cities any revenues from such special account the commis-
43 sioner of taxation and finance shall certify to the comptroller the
44 amount to be deducted for administering, collecting and distributing the
45 tax imposed pursuant to section eleven hundred seven or eleven hundred
46 eight (as the case may be) of the tax law within the territorial limits
47 of such city or cities since he or she last certified such amount and
48 the comptroller shall pay such amount into the general fund of the state
49 treasury to the credit of the state purposes fund therein.

50 § 12-007. Subdivision 3 of section 92-e of the state finance law, as
51 amended by chapter 187 of the laws of 1995, is amended to read as
52 follows:

53 3. Such amounts, including per capita aid apportioned to a city in aid
54 of which a municipal assistance corporation has been created (including,
55 in the case of the municipal assistance corporation for the city of New
56 York, the city of Staten Island), shall be deposited by the comptroller

1 to the credit of the special account established for the municipal
2 assistance corporation which has been created in aid of such city in
3 order to enable such corporation to fulfill the terms of any agreements
4 made with the holders of its notes and bonds and to carry out its corpo-
5 rate purposes, including the maintenance of the capital reserve fund
6 securing such bonds and notes, and, subject to the provisions of section
7 fifty-four of this chapter, and subdivisions five and five-a of this
8 section, the balance, if any, shall be paid to the chief fiscal officer
9 of the city in aid of which such corporation has been created as herein-
10 after provided. Notwithstanding the provisions of this subdivision, in
11 the case of the municipal assistance corporation for the city of New
12 York, such balance, if any, shall be divided between the city of New
13 York and the city of Staten Island and paid, as hereinafter provided.

14 § 12-008. Subdivision 5 of section 92-e of the state finance law, as
15 amended by chapter 55 of the laws of 1992, is amended to read as
16 follows:

17 5. Upon receipt by the comptroller of a certificate or certificates
18 from the [~~chairman~~] chairperson of a municipal assistance corporation
19 that such corporation requires a payment or payments in order to comply
20 with any agreement with the holders of its notes and bonds and to carry
21 out its corporate purposes, including the maintenance of the capital
22 reserve fund securing such bonds, from the appropriate special account
23 established for such corporation, each of which certificates shall spec-
24 ify the required payment or payments and the date when the payment or
25 payments is required, the comptroller shall pay from such special
26 account on or before the specified date or within thirty days after
27 receipt of such certificate or certificates, whichever is later, to such
28 corporation, as the [~~chairman~~] chairperson thereof may direct in any
29 such certificate, the amount or amounts so certified. In the case of
30 the municipal assistance corporation for the city of New York, each
31 amount so paid shall be comprised of per capita aid apportioned to the
32 city of New York and the city of Staten Island in the same proportion
33 that such amounts were so apportioned during the period covered by each
34 such certification. The comptroller shall from time to time, but in no
35 event later than the fifteenth day of October, January and April and the
36 last day of June of each fiscal year, pay over and distribute to the
37 chief fiscal officer of the city in aid of which such municipal assist-
38 ance corporation has been created to be paid into the treasury of such
39 city to the credit of the general fund all revenues in the special
40 account established for such corporation in the municipal assistance
41 state aid fund, if any, in excess of (i) the aggregate amount which the
42 [~~chairman~~] chairperson of such corporation has certified to the comp-
43 troller and which has been previously paid to such corporation as herein
44 above authorized, and (ii) amounts to be refunded to the general fund of
45 the state of New York pursuant to subdivision five-a of this section.
46 Notwithstanding the provisions of this subdivision, in the case of the
47 municipal assistance corporation for the city of New York, the comp-
48 troller shall from time to time, but in no event later than the
49 fifteenth of October, January and April and the last day of June of each
50 fiscal year, (a) apportion between the city of New York and the city of
51 Staten Island the revenues, if any, in the special account established
52 for such corporation in the municipal assistance state aid fund on the
53 basis of the amounts apportioned to each such city pursuant to section
54 fifty-four of this chapter and (b) pay over and distribute to the chief
55 fiscal officers of such cities to be paid into their respective treas-
56 uries to the credit of the general fund all such respective revenues in

1 excess of the aggregate amount which the chairperson of such corporation
2 has certified to the comptroller and which has been previously paid to
3 such corporation as hereinabove authorized. In no event shall the comp-
4 troller pay over and distribute any revenues to any person other than
5 the municipal assistance corporation unless and until the aggregate of
6 all payments certified to the comptroller as required by such corpo-
7 ration as of such date in order to comply with its agreements with the
8 holders of its notes and bonds and to carry out its corporate purposes,
9 including the maintenance of the capital reserve fund securing such
10 bonds, which remain unpaid to such corporation shall have been paid in
11 full to such corporation; provided, however, that no person, including
12 such corporation or the holders of its notes or bonds shall have any
13 lien on such revenues and such agreement shall be executory only to the
14 extent of such revenues available to the state in such special account.

15 § 12-009. Paragraph c of subdivision 6 of section 54 of the state
16 finance law, as added by chapter 430 of the laws of 1997, is amended to
17 read as follows:

18 c. Upon such certification of the amounts payable to counties, cities,
19 villages and towns for town-wide and town outside village purposes, such
20 per capita aid shall be apportioned and paid to the chief fiscal officer
21 of each such locality pursuant to this section on audit and warrant of
22 the state comptroller out of moneys appropriated by the legislature for
23 such purpose to the credit of the local assistance account in the gener-
24 al fund of the state treasury; provided however that upon such certifi-
25 cation of amounts payable to the city of New York or, the city of
26 Staten Island, if applicable, such per capita aid shall be apportioned
27 and paid as follows: (i) any amounts required to be paid to the city
28 university construction fund pursuant to the city university
29 construction fund act, (ii) any amounts required to be paid to the New
30 York city housing development corporation pursuant to the New York city
31 housing development corporation act, (iii) any amounts required to be
32 paid by the city to the New York city transit authority pursuant to the
33 provisions of chapter seven of the laws of nineteen hundred seventy-two,
34 (iv) any amounts required to be paid by the city to the state to repay
35 an advance made in nineteen hundred seventy-four to subsidize the fare
36 of the New York city transit authority, (v) five hundred thousand
37 dollars to the chief fiscal officer of the city of New York for payment
38 to the trustees of the police pension fund of such city pursuant to the
39 provisions of paragraph e of this subdivision, (vi) eighty million
40 dollars to the special account for the municipal assistance corporation
41 for the city of New York in the municipal assistance tax fund created
42 pursuant to section ninety-two-d of this chapter to the extent that such
43 amount has been included by the municipal assistance corporation for the
44 city of New York in any computation for the issuance of bonds on a pari-
45 ty with outstanding bonds pursuant to a contract with the holders of
46 such bonds prior to the issuance of any other bonds secured by payments
47 from the municipal assistance state aid fund created pursuant to section
48 ninety-two-e of this chapter, (vii) the balance to the special account
49 for the municipal assistance corporation for the city of New York in the
50 municipal assistance state aid fund created pursuant to section ninety-
51 two-e of this chapter, and (viii) any amounts to be refunded to the
52 general fund of the state of New York pursuant to the annual appropri-
53 ation enacted for the municipal assistance state aid fund. Notwithstand-
54 ing any existing law, no payments of per capita aid payable to the city
55 of New York shall be paid to the state of New York municipal bond bank
56 agency, the New York state sports authority or the transit construction

1 fund so long as amounts of such aid are required to be paid into the
2 municipal assistance state aid fund, and thereafter, after payment of
3 the amounts described in subparagraphs (i) through (viii) of this para-
4 graph the balance shall be paid (A) to the state in repayment of the
5 appropriation of two hundred fifty million dollars made to the city
6 pursuant to chapter two hundred fifty-seven of the laws of nineteen
7 hundred seventy-five providing emergency financial assistance to the
8 city of New York at the extraordinary session held in such year, as
9 amended, (B) to the state of New York municipal bond bank agency to the
10 extent provided by section twenty-four hundred thirty-six of the public
11 authorities law, (C) to the New York state sports authority to the
12 extent provided by section twenty-four hundred sixty-three of the public
13 authorities law, (D) to the transit construction fund to the extent
14 provided by section twelve hundred twenty-five-i of the public authori-
15 ties law, and thereafter (E) to the city of New York.

16 § 12-010. Subparagraphs 1 and 2 of paragraph d of subdivision 6 of
17 section 54 of the state finance law, as added by chapter 430 of the laws
18 of 1997, are amended to read as follows:

19 (1) to the city of New York and the city of Staten Island, on the
20 twenty-fifth days of April, June, October and February;

21 (2) to every county, city, village or town, other than the city of
22 New York and the city of Staten Island, whose fiscal year commences on
23 the first day of June or July, on the twenty-fifth days of April, May,
24 September and December;

25 § 12-011. Subdivisions 1 and 2 of section 3034 of the public authori-
26 ties law, as added by chapter 169 of the laws of 1975, are amended to
27 read as follows:

28 1. The corporation shall be administered by a board of directors,
29 consisting of nine directors, none of whom shall be officers or employ-
30 ees of the federal government or of the state or political subdivisions
31 thereof. All of the directors shall be appointed by the governor with
32 the advice and consent of the senate, provided that four of such direc-
33 tors shall be appointed upon written recommendation of the mayor. Of
34 the directors initially appointed upon the written recommendation of the
35 mayor, one shall serve for a term ending December thirty-first, nineteen
36 hundred seventy-six; one shall serve for a term ending December thirty-
37 first, nineteen hundred seventy-seven; one shall serve for a term ending
38 December thirty-first, nineteen hundred seventy-eight; and one shall
39 serve for a term ending December thirty-first, nineteen hundred seven-
40 ty-nine. The provisions of this subdivision notwithstanding, of the
41 directors appointed upon the recommendation of the mayor, the director
42 whose term expires on the December thirty-first next preceding the
43 establishment of a city of Staten Island, and any successor thereto,
44 shall be appointed only upon the written recommendation of the mayor of
45 the city of Staten Island. Of the remaining directors initially
46 appointed by the governor, one shall serve for a term ending December
47 thirty-first, nineteen hundred seventy-six; one shall serve for a term
48 ending December thirty-first, nineteen hundred seventy-seven; one shall
49 serve for a term ending December thirty-first, nineteen hundred seven-
50 ty-eight; and two shall serve for a term ending December thirty-first,
51 nineteen hundred seventy-nine. Each director shall hold office until
52 his or her successor has been appointed and qualified. Thereafter each
53 director appointed by the governor shall serve a term of four years,
54 except that any director appointed to fill a vacancy shall serve only
55 until the expiration of his predecessor's term.

1 2. The speaker and the minority leader of the assembly, the president
2 pro-tem and the minority leader of the senate, the city board of esti-
3 mate acting by majority vote, [~~and~~] the [~~vice-chairman~~] vice-chairperson
4 of the city council, the comptroller of the city of Staten Island and
5 the common council of the city of Staten Island shall each be entitled
6 to appoint a representative to the board of directors. Each such
7 representative shall be entitled to receive notice of and to attend all
8 meetings of the board of directors but shall not be entitled to vote.
9 No representative shall be an employee or officer of the federal, state
10 or city governments. Each representative shall serve at the pleasure of
11 the appointing official or body, shall be eligible for reappointment,
12 and shall hold office until his or her successor has been appointed.

13 § 12-012. Subdivision 1 of section 3036 of the public authorities law,
14 as amended by chapter 201 of the laws of 1978, is amended to read as
15 follows:

16 1. Not less than one hundred twenty days before the beginning of each
17 fiscal year of the corporation (but not later than July 1, 1975 for the
18 fiscal year ending June 30, 1976), the [~~chairman~~] chairperson of the
19 board of directors of the corporation shall certify to the state comp-
20 troller and to the mayor a schedule setting forth the cash requirements
21 of the corporation for such fiscal year and the time or times when such
22 cash is required. The total amount so certified by such [~~chairman~~]
23 chairperson for such fiscal year shall be equal to: (i) the amounts
24 which are required to be deposited in the capital reserve fund author-
25 ized to be created and established pursuant to subdivision three of this
26 section during such fiscal year in order to maintain such capital
27 reserve fund of the corporation at the level required in accordance with
28 subdivision five of this section; (ii) the amounts required to be depos-
29 ited in the debt service fund of the corporation to pay all interest and
30 all payments of principal and redemption premium, if any, on notes and
31 bonds secured by such debt service fund maturing or otherwise coming due
32 during such fiscal year; and (iii) the amounts required to be deposited
33 in the operating fund of the corporation, as determined by the corpo-
34 ration, to meet the operating requirements and other expenses of the
35 corporation during such fiscal year. If any increase shall occur in the
36 cash requirements specified above, or if payments are required at a time
37 or times earlier than previously certified or if the city shall for any
38 reason fail to make timely payment of the principal and accrued interest
39 due on any obligation issued by the city to the corporation and maturing
40 within the same fiscal year, such [~~chairman~~] chairperson shall certify a
41 revised schedule of cash requirements for such fiscal year to the state
42 comptroller and to the mayor. The schedule accompanying each certifi-
43 cation (or revision thereof) shall provide for such payment dates as
44 the corporation deems appropriate to assure that sufficient funds will
45 be available from the sources identified below to enable it to meet its
46 current obligations as they come due. Upon receipt of such certifi-
47 cation, or any revision thereof, the state comptroller shall pay such
48 amount to the corporation for deposit in the appropriate funds, in
49 accordance with such certification from the special account established
50 for the corporation in the municipal assistance tax fund, in accordance
51 with subdivision one of section ninety-two-d of the state finance law,
52 including any amount transferred to the municipal assistance tax fund
53 from the stock transfer tax fund pursuant to subdivision four of section
54 [~~92-b~~] ninety-two-b of the state finance law. Any such payment shall
55 be made within thirty days of receipt of the certification or at the
56 time specified in the certification, whichever is later; provided that

1 any such amounts shall have been first appropriated by the state for
2 such purpose or shall have been otherwise made available. Any amount so
3 paid to the corporation shall be deducted from the amount otherwise
4 payable to the city or the city of Staten Island, as the case may be,
5 from the municipal assistance tax fund established by section ninety-
6 two-d of the state finance law and shall not obligate the state to make,
7 nor entitle the city or the city of Staten Island, as the case may be,
8 to receive, any additional payments.

9 § 12-013. Subdivision 1 of section 3036-a of the public authorities
10 law, as amended by chapter 55 of the laws of 1992, is amended to read as
11 follows:

12 1. In addition to the total amount certified by such [~~chairman~~] chair-
13 person for such fiscal year, all as referred to in subdivision one of
14 section three thousand thirty-six, the [~~chairman~~] chairperson shall at
15 the same time certify to the state comptroller and to the mayor a sched-
16 ule setting forth additional cash requirements of the corporation which
17 shall be equal to: (i) the amounts which are required to be deposited in
18 the capital reserve fund authorized to be created and established pursu-
19 ant to subdivision two of this section (in this section called the capi-
20 tal reserve fund) during such fiscal year in order to maintain the capi-
21 tal reserve fund at the level required in accordance with subdivision
22 four of this section; (ii) the amounts required to be deposited in the
23 bond service fund of the corporation to pay all interest and all
24 payments of principal and redemption premium, if any, on notes and bonds
25 payable from the sources hereinafter identified in this section and
26 maturing or otherwise coming due during such fiscal year; and (iii) the
27 amounts required to be deposited in the operating fund of the corpo-
28 ration heretofore established, as determined by the corporation, to meet
29 the operating requirements and other expenses of the corporation during
30 such fiscal year. If any increase shall occur in such additional cash
31 requirements specified above, or if payments are required at a time or
32 times earlier than previously certified or if the city shall for any
33 reason fail to make timely payment of the principal and accrued interest
34 due on any obligation issued by the city to the corporation and maturing
35 within the same fiscal year, such [~~chairman~~] chairperson shall certify a
36 revised schedule of such additional cash requirements for such fiscal
37 year to the state comptroller and to the mayor. The schedule accompany-
38 ing each certification (or revision thereof) shall provide for such
39 payment dates as the corporation deems appropriate to assure that suffi-
40 cient funds will be available from the sources identified below to
41 enable it to meet its current obligations under this section as they
42 come due. Upon receipt of such certification, or any revision thereof,
43 the state comptroller shall pay such amount to the corporation for
44 deposit in the appropriate funds referred to in this section, in accord-
45 ance with such certification from the special account established for
46 the corporation in the municipal assistance state aid fund in accord-
47 ance with subdivision one of section ninety-two-e of the state finance
48 law and, subject to agreements with outstanding bond and note holders of
49 the corporation, from the special account established for the corpo-
50 ration in the municipal assistance tax fund, in accordance with subdivi-
51 sion one of section ninety-two-d of the state finance law, including any
52 amount transferred to the municipal assistance tax fund from the stock
53 transfer tax fund pursuant to subdivision four of section ninety-two-b
54 of the state finance law. Any such payment shall be made within thirty
55 days of receipt of the certification or at the time specified in the
56 certification, whichever is later; provided that any such amounts shall

1 have been first appropriated by the state for such purpose or shall have
2 been otherwise made available. Any amount paid to the corporation from
3 such municipal assistance state aid fund shall be deducted from the
4 amount otherwise payable to the city or the city of Staten Island, as
5 the case may be, as per capita aid pursuant to sections fifty-four and
6 ninety-two-e of the state finance law and shall not obligate the state
7 to make, nor entitle the city or the city of Staten Island, to receive,
8 any additional payments of per capita aid. Any amount so paid to the
9 corporation from the municipal assistance tax fund shall, in addition to
10 the amount deducted pursuant to subdivision one of section three thou-
11 sand thirty-six, be deducted from the amount otherwise payable to the
12 city or the city of Staten Island, as the case may be, from the munici-
13 pal assistance tax fund and shall not obligate the state to make, nor
14 entitle the city or the city of Staten Island to receive, any additional
15 payments from such municipal assistance tax fund.

16 § 12-014. Subdivision 1 of section 3036-b of the public authorities
17 law, as amended by chapter 55 of the laws of 1992, is amended to read as
18 follows:

19 1. In addition to the total amount certified by such [~~chairman~~] chair-
20 person for such fiscal year, all as referred to in subdivision one of
21 each of sections three thousand thirty-six and three thousand thirty-
22 six-a of this title, the [~~chairman~~] chairperson shall at the same time
23 certify to the state comptroller and to the mayor a schedule setting
24 forth additional cash requirements of the corporation which shall be
25 equal to: (i) the amounts required to be deposited in the bond payment
26 fund of the corporation to pay all interest and all payments of princi-
27 pal and redemption premium, if any, on bonds and notes payable from the
28 sources hereinafter identified in this section and maturing or otherwise
29 coming due during such fiscal year; (ii) the amounts required to be
30 deposited in the operating fund of the corporation heretofore estab-
31 lished, as determined by the corporation, to meet the operating require-
32 ments and other expenses of the corporation during such fiscal year to
33 the extent not otherwise provided for; and (iii) the amounts required to
34 be deposited in the bond reserve fund created and established pursuant
35 to the agreements of the corporation made with the holders of its bonds
36 or notes issued pursuant to subdivision two-b of section three thousand
37 thirty-three of this title during such fiscal year in order to maintain
38 the bond reserve fund at the level required in accordance with the
39 agreements of the corporation made with the holders of its bonds or
40 notes issued pursuant to subdivision two-b of section three thousand
41 thirty-three of this title. If any increase shall occur in such addi-
42 tional cash requirements specified above, or if payments are required at
43 a time or times earlier than previously certified or if the city shall,
44 for any reason, fail to make timely payment of the principal and accrued
45 interest due on any obligation issued by the city to the corporation and
46 maturing within the same fiscal year, such [~~chairman~~] chairperson shall
47 certify a revised schedule of such additional cash requirements for such
48 fiscal year to the state comptroller and to the mayor. The schedule
49 accompanying each certification, or revision thereof, shall provide for
50 such payment dates as the corporation deems appropriate to assure that
51 sufficient funds will be available from the sources identified below to
52 enable it to meet its current obligations under this section as they
53 come due. Upon receipt of such certification, or any revision thereof,
54 the state comptroller shall pay such amount to the corporation for
55 deposit in the appropriate funds referred to in this section, in accord-
56 ance with such certification and subject to agreements with holders of

1 outstanding bonds and notes of the corporation, from the special account
2 established for the corporation in the municipal assistance state aid
3 fund in accordance with subdivision one of section ninety-two-e of the
4 state finance law and from the special account established for the
5 corporation in the municipal assistance tax fund in accordance with
6 subdivision one of section ninety-two-d of the state finance law,
7 including any amount transferred to the municipal assistance tax fund
8 from the stock transfer tax fund pursuant to subdivision four of section
9 ninety-two-b of the state finance law. Any such payment shall be made
10 within thirty days of receipt of the certification or at the time speci-
11 fied in the certification, whichever is later; provided that any such
12 amounts shall have been first appropriated by the state for such purpose
13 or shall have been otherwise made available. Any amount paid to the
14 corporation from such municipal assistance state aid fund, in addition
15 to the amount deducted pursuant to subdivision one of section three
16 thousand thirty-six-a of this title, shall be deducted from the amount
17 otherwise payable to the city or the city of Staten Island, as the case
18 may be, as per capita aid pursuant to sections fifty-four and ninety-
19 two-e of the state finance law and shall not obligate the state to make,
20 nor entitle the city or the city of Staten Island to receive, any addi-
21 tional payments of per capita aid. Any amount so paid to the corporation
22 from the municipal assistance tax fund, in addition to the amount
23 deducted pursuant to subdivision one of each of section three thousand
24 thirty-six or three thousand thirty-six-a of this title, shall be
25 deducted from the amount otherwise payable to the city or the city of
26 Staten Island, as the case may be, from the municipal assistance tax
27 fund and shall not obligate the state to make, nor entitle the city or
28 the city of Staten Island to receive, any additional payments from such
29 municipal assistance tax fund.

30 § 12-015. Section 6 of section 2 of chapter 868 of the laws of 1975,
31 constituting the New York state financial emergency act for the city of
32 New York, subdivision 1 as amended by chapter 777 of the laws of 1978,
33 subdivision 3 as amended by chapter 869 of the laws of 1975 and subdivi-
34 sion 4 as amended by chapter 201 of the laws of 1978, is amended to read
35 as follows:

36 § 6. Administration of the board. 1. The membership of the board
37 shall be the governor, the state comptroller (pursuant to [~~his~~] such
38 official's authority to supervise the accounts of any political subdivi-
39 sion of the state), the mayor, the city comptroller, the mayor of the
40 city of Staten Island, the comptroller of the city of Staten Island, and
41 three members appointed by the governor with the advice and consent of
42 the senate. At least two of the appointed members shall be residents of
43 the city or have their principal place of business in the city. The
44 mayor of the city of Staten Island may recommend to the governor the
45 appointment of one such appointed member. Such appointed members shall
46 serve at the pleasure of the governor. The governor shall be the [~~chair-~~
47 ~~man~~] chairperson of the board and the governor or [~~his~~] the governor's
48 representative shall preside over all meetings of the board. The board
49 shall act by majority vote of the entire board, provided, however, on
50 matters affecting only the city, as determined by the governor, the
51 state comptroller and the appointed members, the mayor of the city of
52 Staten Island and the comptroller of the city of Staten Island shall not
53 vote, and on matters affecting only the city of Staten Island, as deter-
54 mined by the governor, the state comptroller and the appointed members,
55 the mayor and the city comptroller shall not vote. Such officials not
56 voting shall not be considered members of the board for determining a

1 majority. The board shall maintain a record of its proceedings in such
2 form as it may determine, but such record shall indicate attendance and
3 all votes cast by each member. Every member of the board, who is other-
4 wise an elected official of the state or city, shall be entitled to
5 designate a representative to attend, in [~~his~~] such official's place,
6 meetings of the board and to vote or otherwise act in [~~his~~] such offi-
7 cial's behalf. Written notice of such designation shall be furnished to
8 the board by the designating member prior to any meeting attended by
9 [~~his~~] such official's representative. Any such representative shall
10 serve at the pleasure of the designating member. No such representative
11 shall be authorized to delegate any of [~~his~~] such representative's
12 duties or functions to any other person. The lieutenant governor,
13 temporary president of the senate, the minority leader of the senate,
14 speaker and minority leader of the assembly, the president of the coun-
15 cil of the city of New York, the city board of estimate acting by major-
16 ity vote, the speaker and the minority leader of the common council of
17 the city of Staten Island and the [~~vice-chairman~~] vice-chairperson and
18 the minority leader of the council of the city of New York, shall each
19 be entitled to appoint a representative to the board. Each such repre-
20 sentative shall be entitled to receive notice of and to attend all meet-
21 ings of the board but shall not be entitled to vote. No representative
22 shall be an employee or officer of the federal, state or city govern-
23 ments. Each representative shall serve at the pleasure of the appoint-
24 ing official or body, shall be eligible for reappointment, and shall
25 hold office until [~~his~~] such representative's successor has been
26 appointed.

27 2. Notwithstanding any inconsistent provisions of law, general,
28 special or local, no officer or employee of the state, or political
29 subdivision of the state, any governmental entity operating any public
30 school or college or other public agency or instrumentality or unit of
31 government which exercises governmental powers under the laws of the
32 state, shall forfeit [~~his~~] such person's office or employment by reason
33 of [~~his~~] such person's acceptance or appointment as a member, represen-
34 tative, officer, employee or agent of the board nor shall service as
35 such member, representative, officer, employee or agent of the board be
36 deemed incompatible or in conflict with such office or employment.

37 3. The members of the board appointed by the governor and all repre-
38 sentatives designated by members of the board shall serve without salary
39 or per diem allowance but shall be entitled to reimbursement for actual
40 and necessary expenses incurred in the performance of official duties
41 under this act, provided however that such members and representatives
42 are not, at the time such expenses are incurred, public employees other-
43 wise entitled to such reimbursement.

44 4. The governor and the mayor, jointly, shall appoint an executive
45 director of the board who shall serve at the pleasure of the board and
46 may be removed by the board. The board may delegate to the executive
47 director or to one or more of its other officers, employees or agents,
48 such powers and duties as the board may deem proper, except any duties
49 inconsistent with the duties and functions prescribed by any other
50 office or position any such person may hold.

51 § 12-016. Section 7 of section 2 of chapter 868 of the laws of 1975,
52 constituting the New York state financial emergency act for the city of
53 New York, paragraphs a, b, c, e, f and g of subdivision 1, paragraphs
54 (b) and (f) of subdivision 3 and subdivisions 4 and 6 as amended and
55 subdivision 7 as added by chapter 777 of the laws of 1978, paragraph h
56 of subdivision 1 as amended by chapter 870 of the laws of 1975, para-

1 graphs d and i of subdivision 1 as amended by chapter 830 of the laws of
2 1987, subdivisions 3 and 5 as added by chapter 201 of the laws of 1978,
3 and paragraph (i) of subdivision 3 as amended by chapter 285 of the laws
4 of 1985, is amended to read as follows:

5 § 7. Functions of the board. 1. In carrying out the purposes of this
6 act, the board shall perform the following functions:

7 a. In accordance with the provisions of section eight of this act, the
8 board shall (i) consult with the city and the covered organizations and
9 to the extent it deems it necessary or appropriate to accomplish the
10 purposes of this act, the city of Staten Island, in the preparation of
11 the financial plan, and certify to the city the revenue estimates
12 approved therein, (ii) prescribe the form of the financial plan and the
13 supporting information required in connection therewith, and (iii) exer-
14 cise the rights of approval, disapproval and modification with respect
15 to the financial plan, including but not limited to the revenue esti-
16 mates contained therein.

17 b. The board, to the extent it deems it necessary or appropriate in
18 order to accomplish the purposes of this act, shall establish and adopt
19 procedures with respect to the (i) proper maintenance of the board fund,
20 (ii) the deposit and investment of revenues in such fund and (iii)
21 disbursement of monies from such fund.

22 c. The board shall, from time to time and to the extent it deems
23 necessary or appropriate in order to accomplish the purposes of this
24 act, (i) review the operations, management, efficiency and productivity
25 of such city operations and of such covered organizations or of the city
26 of Staten Island or portions thereof as the board may determine, and
27 make reports thereon; (ii) audit compliance with the financial plan in
28 such areas as the board may determine; (iii) recommend to the city, the
29 city of Staten Island and the covered organizations such measures relat-
30 ing to their operations, management, efficiency and productivity as it
31 deems appropriate to reduce costs and improve services so as to advance
32 the purposes of this act; and (iv) obtain information of the financial
33 condition and needs of the city, the city of Staten Island and the
34 covered organizations. Nothing herein shall diminish the powers of the
35 comptroller otherwise provided by law and the board may request the
36 assistance of the comptroller in performing the above functions.

37 d. The board (i) shall receive from the city and review the reports to
38 be prepared by or on behalf of the city pursuant to section seven-a;
39 (ii) shall receive from the city, the city of Staten Island and the
40 covered organizations and from the deputy comptroller, and shall review
41 such financial statements and projections, budgetary data and informa-
42 tion, and management reports and materials as the board deems necessary
43 or desirable to accomplish the purposes of this act; and (iii) shall
44 inspect, copy and audit such books and records of the city, the city of
45 Staten Island and the covered organizations as the board deems necessary
46 or desirable to accomplish the purposes of this act.

47 e. All contracts entered into by the city or any covered organization
48 and, to the extent the board deems necessary or desirable to accomplish
49 the purposes of this act, by the city of Staten Island must be consist-
50 ent with the provisions of this act and must comply with the require-
51 ments of the financial plan as approved by the board. With respect to
52 all contracts or other obligations to be entered into by the city or any
53 covered organization after October fifteenth, nineteen hundred seventy-
54 five, requiring the payment of funds or the incurring of costs by the
55 city or any covered organization:

1 (i) Within twenty days from the effective date of this act the mayor
2 shall present to the board proposed regulations respecting the cate-
3 gories and types of contracts and other obligations required to be
4 reviewed by the board pursuant to this subdivision [e]. Within thirty
5 days from the effective date of this act, the board shall approve or
6 modify and approve such proposed regulations or promulgate its own in
7 the event that such proposed regulations are not submitted to it within
8 the twenty days as provided for herein. Such regulations may thereafter
9 be modified by the board from time to time on not less than thirty days
10 notice to the mayor and the mayor may from time to time propose modifi-
11 cations to the board. Unless expressly disapproved or modified by the
12 board within thirty days from the date of submission by the mayor, any
13 such proposed regulations or modifications shall be deemed approved by
14 the board;

15 (ii) Prior to entering into any contract or other obligations subject
16 to review of the board under its regulations, the city or any covered
17 organization and, to the extent the board deems necessary or desirable
18 to accomplish the purposes of this act, the city of Staten Island shall
19 submit a copy of such contract or other obligation to the board accompa-
20 nied by an analysis of the projected costs of such contract or other
21 obligation and a certification that performance thereof will be in
22 accordance with the financial plan, all in such form and with such addi-
23 tional information as the board may prescribe. The board shall promptly
24 review the terms of such contract or other obligation and the supporting
25 information in order to determine compliance with the financial plan;

26 (iii) During a control period the board shall, by order, disapprove
27 any contract or other obligation reviewed by it only upon a determi-
28 nation that, in its judgment, the performance of such contract or other
29 obligation would be inconsistent with the financial plan and the city,
30 the city of Staten Island or covered organization shall not enter into
31 such contract or other obligation;

32 (iv) During a control period if the board approves the terms of a
33 reviewed contract or other obligation, the city or covered organization
34 and, to the extent the board deems necessary or desirable to accomplish
35 the purposes of this act, the city of Staten Island may enter into such
36 contract or other obligation upon the terms submitted to the board.
37 Failure of the board to notify the city, the city of Staten Island or
38 covered organization within thirty days (or such additional time not
39 exceeding thirty days as the board shall have notified the city or
40 covered organization, that it requires to complete its review and analy-
41 sis) after submission to it of a contract or other obligation that such
42 contract or other obligation has been disapproved shall be deemed to
43 constitute board approval thereof.

44 f. Upon submission thereof by the city, the board shall review the
45 terms of each proposed long-term and short-term borrowing by the city
46 and any covered organization to be effected during a control period but
47 after October fifteenth, nineteen hundred seventy-five, and no such
48 borrowing shall be made unless approved by the board. To the extent the
49 board deems necessary or desirable to accomplish the purposes of this
50 act, during a control period, the city of Staten Island shall submit and
51 the board shall review the terms of each proposed long-term and short-
52 term borrowing by the city of Staten Island and no such borrowing shall
53 be made unless approved by the board. Each such proposed borrowing by a
54 covered organization shall be submitted to the city by the covered
55 organization before it may be considered by the board. Not more than
56 thirty days after any such submission by a covered organization the city

1 shall transmit any such proposed terms of borrowing to the board together with the certification of the city as to whether such proposed terms of borrowing are in accordance with the financial plan and are consistent with the objectives and purposes of this act. Any such submission to the city shall be accompanied by a certification of the covered organization that the terms thereof are in accordance with the financial plan and are consistent with the objectives or purposes of this act. The transmittal by the city to the board shall include a recommendation by the city for the approval or disapproval of such proposed terms of borrowing pursuant to the terms of this paragraph. In the event the city does not make such transmittal within such thirty day period, such covered organization may submit such proposed borrowing directly to the board. The board shall disapprove any borrowing if it determines that such borrowing is inconsistent with the financial plan or the objectives or purposes of this act. The board shall consult and coordinate with the municipal assistance corporation for the city of New York with respect to borrowings of the city and any covered organization and shall receive reports from the ~~municipal~~ municipal assistance corporation for the city of New York on its review of borrowings by the city. No covered organizations shall be prohibited from issuing bonds or notes to pay outstanding bonds or notes.

22 g. The board and the comptroller shall receive quarterly reports from the city comptroller setting forth the debt service requirements on all bonds and notes of the city and the covered organizations for the following quarter, which reports shall be in such form and contain such information as the board shall determine. Such reports shall be issued no later than sixty days prior to the start of the quarter to which they pertain and shall be updated immediately upon each issuance of bonds or notes after the date of such report to reflect any change in debt service requirements as a result of such issuance. The board also shall receive from the city monthly and quarterly financial reports, which reports shall be in such form and contain such information as the board shall determine and shall be made available by the city to the public. In order to avoid duplicative reports and reporting requirements, to the extent that the city is required to submit monthly or quarterly financial reports to the department of the treasury pursuant to any agreement or arrangement made in connection with federal guarantees of notes or boards issued by the city or a state financing agency, copies of such reports shall be submitted to the board in satisfaction of the monthly and quarterly reporting requirements set forth above, together with such additional information as the board may require. Each monthly and quarterly report herein required to be submitted to the board must indicate any variance between actual and budgeted revenues, expenses or cash for the period covered by such report. During a control period, to the extent the board deems necessary or desirable to accomplish the purposes of this act, the city of Staten Island shall be subject to the same reporting requirements as the city.

48 h. The board shall issue, to the appropriate officials of the city, the city of Staten Island and the covered organizations, such orders as it deems necessary to accomplish the purposes of this act, including but not limited to timely and satisfactory implementation of an approved financial plan. Any order so issued shall be binding upon the official to whom it was issued and failure to comply with such order shall subject the official to the penalties described in section eleven of this act.

1 i. The board shall coordinate with the municipal assistance corpo-
2 ration for the city of New York and the deputy comptroller with respect
3 to the performance of its review and monitoring of the revenues and
4 expenditures of the city and the covered organizations.

5 2. In the event of any default by the city on its outstanding bonds or
6 notes, and so long as such default has not been cured by the city, the
7 board may, any provisions of this act notwithstanding, take any action
8 that it is authorized to take pursuant to title six-A of article two of
9 the local finance law, and may direct the city to take any action that
10 the city is authorized to take under such law.

11 3. (a) Notwithstanding any provision of the New York City Collective
12 Bargaining Law, codified as chapter [~~fifty-four~~ three of title twelve
13 of the New York city administrative code, or any general or special law
14 to the contrary, any report or recommendation of an impasse panel
15 constituted pursuant to such chapter which provides for an increase in
16 wages or fringe benefits of any employee of the city or covered organ-
17 ization, in addition to considering any standard or factor required to
18 be considered by applicable law, including the standards enumerated in
19 section [~~1173-7.0~~ 12-311](c)(3)(b) of such chapter, shall also take into
20 consideration and accord substantial weight to the financial ability of
21 the city and or covered organization to pay the cost of such increase in
22 wages or fringe benefits.

23 (b) The board of collective bargaining constituted pursuant to such
24 chapter, when reviewing such report or recommendation before proceeding
25 to other issues, shall make a threshold determination as to whether such
26 report or recommendation for an increase in wages or fringe benefits is
27 within the city's and or covered organization's financial ability to
28 pay. If the threshold determination is in the negative, the matter shall
29 be remitted to the impasse panel for further consideration. If the
30 threshold determination is in the affirmative, the further review of the
31 report or recommendation with respect to other issues, if any, shall
32 proceed as provided by law. Unless the parties stipulate otherwise, the
33 threshold determination shall be made within thirty days after
34 submission of the report or recommendation to the board of collective
35 bargaining.

36 (c) Any determination pursuant to article eight of the labor law or
37 any agreement or stipulation entered into in lieu thereof which provides
38 for an increase in wages or fringe benefits of any employee of the city
39 or covered organization shall, in addition to considering any standard
40 or factor required to be considered by applicable law, also take into
41 consideration and accord substantial weight to the financial ability of
42 the city and or covered organization to pay the cost of such increase.

43 (d) Any report or recommendation of a fact finding or similar type
44 panel or any interest arbitration award which provides for an increase
45 in wages or fringe benefits of any employee of the city or covered
46 organization not subject to the provisions of the New York City Collec-
47 tive Bargaining Law, codified as chapter [~~fifty-four~~ three of title
48 twelve] of the New York city administrative code, shall, in addition to
49 considering any standard or factor required to be considered by applica-
50 ble law, also take into consideration and accord substantial weight to
51 the financial ability of the city and or covered organization to pay the
52 cost of such increase.

53 (e) Any party to a proceeding before the board of collective bargain-
54 ing as described in paragraph (b) or other body as described in para-
55 graphs (c) or (d) [~~hereof~~ of this subdivision] may commence a special
56 proceeding in the appellate division, first department, supreme court,

1 state of New York, to review the threshold determination as to the city
2 and/or covered organization's financial ability to pay. Such proceeding
3 shall be commenced not later than thirty days after the final determi-
4 nation has been made by the board of collective bargaining in the case
5 of paragraph (b) or other body in the case of paragraphs (c) or (d) of
6 this subdivision. Such proceeding shall have preference over all other
7 causes in such appellate division, other than causes relating to the
8 election law.

9 (f) The court shall make a de novo review of the record solely for the
10 purpose of determining whether an award of an increase in wages or
11 fringe benefits was within the city's and or covered organization's
12 financial ability to pay. The court's findings as to such issue shall be
13 based upon a preponderance of all the evidence set forth in the record.
14 Unless the parties stipulate otherwise, arguments or submission shall be
15 had within fifteen days after commencement of the special proceeding and
16 the court shall render its decision within fifteen days thereafter. All
17 questions, other than the question relating to the threshold determi-
18 nation, shall be reviewed by the appellate division in the same proceed-
19 ing in the manner provided by articles seventy-five or seventy-eight of
20 the civil practice law and rules as may be appropriate, notwithstanding
21 that the issue would otherwise have been cognizable in the first
22 instance before a special or trial term of the supreme court. If an
23 appeal shall otherwise lie from such determination of the appellate
24 division to the court of appeals, notice of such appeal shall be filed
25 within thirty days after the entry of the final order or judgment of the
26 appellate division if such appeal is of right or within ten days after
27 entry of an order granting leave to appeal and such appeal shall have
28 preference over all other appeals other than appeals relating to the
29 election law.

30 (g) At any stage of any proceeding under paragraphs (a), (b), (c), (d)
31 and (e) hereof or any appeal from an order or judgment therefrom, the
32 board may intervene as a party on the issue of the financial ability of
33 the city and or covered organization to pay the cost of an increase in
34 wages or fringe benefits.

35 (h) For the purposes of this subdivision, financial ability to pay
36 shall mean the financial ability of the city and or covered organization
37 to pay the cost of any increase in wages or fringe benefits without
38 requiring an increase in the level of city taxes existing at the time of
39 the commencement of a proceeding under paragraph (a), (c) or (d) hereof.

40 ~~[(i) The provisions of this subdivision shall terminate on June thir-~~
41 ~~tieth, nineteen hundred eighty six.]~~

42 4. During a control period, except upon approval by the board in
43 accordance with the provisions of paragraph e or f of subdivision one of
44 this section, as the board shall determine, neither the city nor a
45 covered organization nor, to the extent the board deems necessary or
46 desirable to accomplish the purposes of this act, the city of Staten
47 Island shall enter any agreement or other arrangement, whether or not it
48 creates a debt of the city, the city of Staten Island or a covered
49 organization, pursuant to which the revenues or credit of the city or
50 the city of Staten Island may be directly or indirectly pledged, encum-
51 bered, committed or promised, contingently or otherwise, for the payment
52 of obligations of a public benefit corporation. Nothing in this subdivi-
53 sion shall limit the right of the city to comply with the provisions of
54 any existing agreement or other arrangement in respect of the obli-
55 gations of a public benefit corporation.

1 5. The board may employ such consultants as it may deem necessary to
2 assist it in performing its functions required under this act.

3 6. The board shall have the authority to make and execute agreements
4 and all other instruments which the board deems necessary for the exer-
5 cise of its powers and functions including, in connection with any
6 agreement by the federal government or any agency or instrumentality
7 thereof to guarantee the payment of the principal of or interest on
8 bonds or notes issued by the city or by a state financing agency, to
9 enter into one or more agreements containing terms and conditions
10 required by the secretary of the treasury pursuant to the New York City
11 Loan Guarantee Act of 1978, Public Law 95-339 with the federal govern-
12 ment or any agency or instrumentality thereof with respect to such guar-
13 antee or any matters related thereto and to comply with such terms and
14 conditions.

15 7. The board may appoint qualified individuals to participate as
16 members of such audit, productivity or similar committees or councils as
17 the city may from time to time establish in consultation with the board.
18 Such individuals, however, shall not be deemed to be officers, employees
19 or agents of the board. The board shall review and report on, not less
20 than annually, the development and implementation of methods for enhanc-
21 ing the productivity of the city's labor force proposed by any such
22 committee or council.

23 § 12-017. Section 8 of section 2 of chapter 868 of the laws of 1975,
24 constituting the New York state financial emergency act for the city of
25 New York, subdivisions 1, 2, 4, 5 and 6 as amended by chapter 201 of the
26 laws of 1978, the opening paragraph and paragraph c of subdivision 1,
27 subdivisions 2-a and 3 as amended by chapter 777 of the laws of 1978,
28 paragraph a of subdivision 1 as amended by chapter 118 of the laws of
29 2020, is amended to read as follows:

30 § 8. Development of the financial plan. 1. Pursuant to the proce-
31 dures contained in subdivision three of this section, each year the
32 city and to the extent the board deems necessary or desirable to accom-
33 plish the purposes of this act, the city of Staten Island shall develop,
34 and may from time to time modify, with the approval of the board during
35 a control period, a four year financial plan covering the city and the
36 covered organizations or the city of Staten Island, as applicable.

37 Each such financial plan and financial plan modification shall comply
38 with the requirements of subdivision four of this section and shall,
39 except as otherwise provided pursuant to subdivision two-a of this
40 section, conform to the following standards:

41 a. For its fiscal years ending June thirtieth, nineteen hundred seven-
42 ty-nine through June thirtieth, nineteen hundred eighty-one, the city's
43 budget covering all expenditures other than capital items shall be
44 prepared and balanced so that the results thereof would not show a defi-
45 cit when reported in accordance with the accounting principles set forth
46 in the state comptroller's uniform system of accounts for municipi-
47 palities, as the same may be modified by the comptroller, in consulta-
48 tion with the city comptroller, for application to the city; subject to
49 the provision of subdivision four of section three thousand thirty-eight
50 of the public authorities law with respect to contributions by the city
51 or other public employer to any retirement system or pension fund and
52 subject to the provision of paragraph (c) of subdivision five of section
53 three thousand thirty-eight of the public authorities law with respect
54 to expense items included in the capital budget of the city. For the
55 fiscal year ending June thirtieth, nineteen hundred eighty-two, and for
56 each fiscal year thereafter, the city's budget covering all expenditures

1 other than capital items shall be prepared and balanced so that the
2 results thereof would not show a deficit when reported in accordance
3 with generally accepted accounting principles and would permit compar-
4 ison of the budget with the report of actual financial results prepared
5 in accordance with generally accepted accounting principles. With
6 respect to financial plans that include the fiscal years ending June
7 thirtieth, nineteen hundred seventy-nine through June thirtieth, nine-
8 teen hundred eighty-one, the city's budget covering all expenditures
9 other than capital items shall be prepared in accordance with generally
10 accepted accounting principles and there shall be substantial progress
11 in each such fiscal year towards achieving a city budget covering all
12 expenditures other than capital items the results of which would not
13 show a deficit when reported in accordance with generally accepted
14 accounting principles. The city shall eliminate expense items from its
15 capital budget not later than the commencement of the fiscal year ending
16 June thirtieth, nineteen hundred eighty-two. For the fiscal year ending
17 June thirtieth, nineteen hundred eighty-nine, and for each fiscal year
18 thereafter, the budgets covering all expenditures other than capital
19 items of each of the covered organizations shall be prepared and
20 balanced so that the results thereof would not show a deficit when
21 reported in accordance with generally accepted accounting principles;
22 and for each fiscal year prior thereto, there shall be substantial
23 progress towards such goal. Notwithstanding the foregoing and the
24 provisions of any general or special state law or local law to the
25 contrary, including but not limited to the New York city charter: (i)
26 all costs that would be capital costs in accordance with generally
27 accepted accounting principles, but for the application of governmental
28 accounting standards board statement number forty-nine, shall be deemed
29 to be capital costs for purposes of this act and any other provision of
30 state or local law, including but not limited to the New York city char-
31 ter, relevant to the treatment of such costs; and (ii) the determination
32 as to the existence of a deficit pursuant to this act and any other
33 provision of state or local law, including but not limited to the New
34 York city charter, shall be made without regard to changes in restricted
35 fund balances, as defined by the governmental accounting standards
36 board, where restrictions in relation to such fund balances are imposed
37 by state or federal law or regulation, or otherwise by private or
38 governmental parties other than the city of New York, and without regard
39 to funds held in the health stabilization fund, the school crossing
40 guards health insurance fund, any revenue stabilization fund established
41 pursuant to section fifteen hundred twenty-eight of the New York city
42 charter and the management benefits fund established by the city of New
43 York. Deposits into any such revenue stabilization fund shall be deemed
44 to be expenses of such city in the fiscal year in which such deposits
45 are made, and withdrawals from such fund shall be deemed to be revenues
46 of such city in the year in which such withdrawals are made; provided
47 however, that surpluses of such city, whether accumulated from fiscal
48 years ending prior to the effective date of the chapter of the laws of
49 two thousand twenty that amended this paragraph or existing at the close
50 of any fiscal year ending after such effective date, shall be deposited
51 into such revenue stabilization fund as soon as practicable, and such
52 deposits shall not be deemed expenses of the city in the fiscal year in
53 which such deposits are made.

54 b. The limitations on its outstanding short-term obligations required
55 by subdivision nine of section three thousand thirty-eight of the public

1 authorities law and by section nine-b of this act shall be observed at
2 all times, as each is amended from time to time.

3 c. Provision shall be made for the payment in full of the debt
4 service on all bonds and notes of the city and the covered organizations
5 (other than notes held by the municipal assistance corporation for the
6 city of New York to the extent that such corporation has evidenced its
7 intention not to present such notes for payment during the fiscal year
8 in which the determination is made provided that such notes were held by
9 such corporation on June thirtieth, nineteen hundred seventy-eight or
10 were issued in exchange for or in refunding or renewal of notes held by
11 such corporation on such date) and to the extent the board deems neces-
12 sary or desirable to accomplish the purposes of this act, the city of
13 Staten Island, for the adequate funding of programs of the city, the
14 city of Staten Island, if applicable and the covered organizations which
15 are mandated by state or federal law and for which obligations are going
16 to be incurred during the fiscal year and for payment of a guarantee fee
17 or any other amounts required by the United States of America or any
18 agency or instrumentality thereof in connection with the guarantee of
19 the payment of the principal of or interest on bonds or notes issued by
20 the city.

21 d. All projections of revenues and expenditures contained in a finan-
22 cial plan shall be based on reasonable and appropriate assumptions and
23 methods of estimation. All cash flow projections shall be based upon
24 reasonable and appropriate assumptions as to sources and uses of cash
25 (including but not limited to the timing thereof), and shall provide for
26 operations of the city, the city of Staten Island, if applicable and
27 covered organizations to be conducted within the cash resources so
28 projected.

29 e. The city shall provide a general reserve for each fiscal year to
30 cover potential reductions in its projected revenues or increases in its
31 projected expenditures during each such fiscal year. The amount
32 provided for such general reserve shall be estimated by the city in
33 accordance with paragraph d of this subdivision, but in no event shall
34 it be less than one hundred million dollars at the beginning of any
35 fiscal year.

36 f. For financial plans beginning with the fiscal year ending June
37 thirtieth, nineteen hundred eighty-three or any succeeding fiscal year,
38 the first fiscal year included in any financial plan shall make
39 provision for the repayment of any deficit incurred by the city during
40 the preceding fiscal year.

41 2. In developing the financial plan the city shall seek to achieve a
42 stabilized work force for the city and, to the extent a reduction in the
43 work force is required, primary recourse shall be had to the attrition
44 process to accomplish such reduction.

45 2-a. The city and the board shall confer concerning the projected
46 effect on the budgets of the city and the covered organizations of any
47 change in generally accepted accounting principles, or change in the
48 application of generally accepted accounting principles to the city and
49 the covered organizations, made after the effective date of this act.
50 If the board determines that immediate compliance with such change will
51 have a material effect on such budgets over a time period insufficient
52 to accommodate the effect without a substantial adverse impact on the
53 delivery of essential services, the board may authorize and approve a
54 method of phasing the requirements of such change into such budgets over
55 such reasonably expeditious time period as the board deems appropriate.

1 3. The financial plan shall be developed and, during a control peri-
2 od, shall be approved, and may from time to time be modified, in accord-
3 ance with the following procedures:

4 a. The city shall, by June first, nineteen hundred seventy-eight,
5 prepare and submit a financial plan to the board covering the four year
6 period which begins with the fiscal year ending June thirtieth, nineteen
7 hundred seventy-nine. Thereafter, at least fifty days prior to the
8 beginning of each fiscal year or on such other date as the board may
9 approve upon the request of the city or the city of Staten Island, if
10 applicable, the city, and, during a control period, to the extent the
11 board deems necessary or desirable to accomplish the purposes of this
12 act, the city of Staten Island shall prepare and submit a financial plan
13 to the board covering the four year period beginning with such fiscal
14 year. On such dates the mayor shall also submit to the board the city's
15 executive expense, revenue and capital budgets for the ensuing fiscal
16 year and a certificate of the mayor stating that such budgets are
17 consistent with the financial plan submitted therewith, that projections
18 contained in the budgets and financial plan are based upon reasonable
19 and appropriate assumptions and methods of estimation, and that opera-
20 tion within the budgets is feasible.

21 b. (i) During a control period the board shall promptly review each
22 financial plan and financial plan modification submitted by the city or,
23 the city of Staten Island, if applicable. Not more than forty-five days
24 after submission of a financial plan or more than thirty days after
25 submission of a financial plan modification the board shall determine
26 whether the financial plan or financial plan modification is complete
27 and complies with the standards set forth in subdivision one of this
28 section and shall approve or disapprove the financial plan or financial
29 plan modification in accordance with the provisions of this section. If
30 the board determines that the financial plan or financial plan modifica-
31 tion is complete and complies with the standards set forth in subdivi-
32 sion one of this section, the board shall approve the financial plan or
33 financial plan modification. Upon making such determination the board
34 shall make a certification to the city or, the city of Staten Island, if
35 applicable, setting forth revenue estimates approved by the board in
36 accordance with such determination.

37 (ii) At all times other than during a control period the board shall
38 promptly review each financial plan and financial plan modification
39 submitted by the city. If the board determines after such review that
40 the financial plan or financial plan modification submitted by the city
41 is not in accordance with the standards set forth in subdivision one of
42 this section, the board shall promptly so notify the city and may take
43 such other action under this act as it deems appropriate.

44 c. The board shall disapprove a financial plan or financial plan
45 modification if during a control period it determines that the financial
46 plan or financial plan modification is incomplete or fails to comply
47 with the provisions of subdivision one of this section. In disapproving
48 a financial plan or a financial plan modification the board may order
49 that one or more of the following actions be taken:

50 (i) expenditures or reserves to assure availability of amounts
51 required for debt service requirements on all bonds and notes of the
52 city, the city of Staten Island, if applicable and the covered organiza-
53 tions or expenditures required for adequate funding of programs of the
54 city, the city of Staten Island, if applicable and the covered organiza-
55 tions mandated by state or federal law and for which obligations are

1 going to be incurred during the fiscal year, be increased to the levels
2 required to provide for their payment in full;

3 (ii) the revenue projections (or any item thereof) during any period
4 be adjusted to comply with the standards set forth in subdivision one of
5 this section; and

6 (iii) the aggregate expenditures projected for any period be reduced
7 to conform to revenue estimates certified by the board in order to
8 comply with the standards set forth in subdivision one of this section.

9 d. During a control period in the event that the city or the city of
10 Staten Island, if applicable shall, for any reason, fail to submit a
11 financial plan prior to the beginning of a fiscal year, as required by
12 paragraph a of this subdivision, or in the event that the board has not,
13 for any reason permitted under this act, approved a financial plan
14 submitted by the city or the city of Staten Island, if applicable prior
15 to the beginning of a fiscal year, the board shall formulate and adopt a
16 financial plan to be effective until the board approves a financial plan
17 submitted by the city or the city of Staten Island, if applicable. Any
18 financial plan so formulated by the board shall comply with the stand-
19 ards set forth in subdivision one of this section. The budgets and
20 operations of the city or the city of Staten Island, if applicable and
21 the covered organizations at all times shall be in conformance and
22 compliance with the respective financial plan then in effect.

23 e. After the initial adoption by the city, or the approval by the
24 board during a control period, or, during a control period, to the
25 extent the board deems necessary or desirable to accomplish the purposes
26 of this act, the initial adoption by the city of Staten Island, of a
27 financial plan, projections of revenues and expenditures and other esti-
28 mates contained in the financial plan shall be reexamined by the board
29 at least quarterly in consultation with the city and the covered organ-
30 izations, and during a control period the city or the city of Staten
31 Island, as applicable shall prepare and submit to the board financial
32 plan modifications at such times, in such detail and within such time
33 periods as the board may require in order to modify the respective
34 financial plan to conform to the standards set forth in subdivision one
35 of this section. During a control period in the event the board deter-
36 mines that (i) revenue estimates (or any item thereof) must be adjusted
37 to ensure compliance with the standards set forth in subdivision one of
38 this section, or (ii) that the city or a covered organization or the
39 city of Staten Island, as applicable is expending funds at a rate that
40 would cause expenditures to exceed the aggregate expenditure limitation
41 for the city or covered organization or the city of Staten Island, as
42 applicable provided for in the financial plan then in effect, prior to
43 the expiration of the fiscal year, the city or the city of Staten
44 Island, as applicable shall submit a financial plan modification to
45 effect such adjustments in revenue estimates and reductions in total
46 expenditures as may be necessary to conform to such standards or aggre-
47 gate expenditure limitations. If during a control period the city fails
48 to submit such modification after such determination as to adjustments
49 in revenue estimates or such determination as to rates of expenditures,
50 or to submit a financial plan modification in the detail or within the
51 time period specified by the board, or if such modification is disap-
52 proved by the board as not conforming to the standards set forth in
53 subdivision one of this section, the board may formulate and adopt such
54 financial plan modification as it deems appropriate to ensure that the
55 financial plan with respect to such entity continues to meet such stand-
56 ards. Such modification shall become effective on its adoption.

1 Notwithstanding the provisions of this section, in the event the city or
2 the city of Staten Island, as applicable shall determine that, due to
3 unforeseen events during a fiscal year, compliance with the standards
4 set forth in paragraph a of subdivision one of this section would result
5 in a material adverse impact upon the delivery of essential services,
6 the city or the city of Staten Island, as applicable shall notify the
7 board of such determination, together with such information, projections
8 or analyses relating thereto as the board may require, and shall submit
9 a modification to the financial plan reflecting such determination.
10 During a control period the board shall disapprove any such modification
11 unless it finds that (i) [~~the city's~~] such determination is supported by
12 information, projections and analyses which the board deems substantial-
13 ly accurate in all material respects and (ii) such events, in its judg-
14 ment, warrant such modification to the financial plan to avoid such
15 adverse impact on the delivery of essential services.

16 f. The city or the city of Staten Island may, from time to time,
17 submit financial plan modifications to each plan for review by the
18 board. During a control period the board shall approve such modifica-
19 tions unless it determines that such modifications would constitute
20 grounds for disapproval of the financial plan pursuant to paragraph c of
21 this subdivision, or if applicable, pursuant to paragraph e of this
22 subdivision.

23 g. Anything contained in this act to the contrary notwithstanding,
24 during a control period the board may at any time disapprove or after
25 consultation with the city or the city of Staten Island, as appropriate,
26 revise the revenue estimates (or any item thereof) prepared by the city
27 or the city of Staten Island in connection with the preparation of a
28 financial plan or any modification thereto and determined by the board
29 not to be based on assumptions and methods of estimation which are
30 reasonable and appropriate under the circumstances and in view of the
31 objectives and purposes of the act. The board may after consultation
32 with the city or the city of Staten Island, as appropriate, determine
33 the estimated revenues of the city or the city of Staten Island, as
34 appropriate, and the covered organizations provided, however, that any
35 revenues estimated by the board shall be based on reasonable and appro-
36 priate assumptions and methods of estimation.

37 4. Each financial plan shall be in such form and shall contain such
38 information for each year during which the financial plan is in effect
39 as the board may specify, and shall, in such detail as the board may
40 from time to time prescribe, include projections of all revenues,
41 expenditures and cash flows (including but not limited to projected
42 capital expenditures and debt issuances) and a schedule of projected
43 capital commitments of the city or the city of Staten Island, as appro-
44 priate, and except in such instances as the board may deem appropriate
45 each of the covered organizations. In addition, each financial plan and
46 financial plan modification shall include a statement of the significant
47 assumptions and methods of estimation used in arriving at the projec-
48 tions contained therein, set forth in such form and in such detail as
49 the board may from time to time prescribe.

50 5. The city and the covered organizations and during a control period
51 to the extent the board deems necessary or desirable to accomplish the
52 purposes of this act, the city of Staten Island shall promptly furnish
53 the board with any information which the board may request to satisfy
54 itself that (i) projected employment levels, collective bargaining
55 agreements and other action relating to employee costs, capital
56 construction and such other matters as the board may specify, are

1 consistent with the provisions made for such costs in the financial
2 plan, (ii) the city and the covered organizations or the city of Staten
3 Island, as appropriate are taking whatever action is necessary with
4 respect to programs mandated by state and federal law to ensure that
5 expenditures for such programs are limited to and covered by the expend-
6 itures stated in the financial plan, and (iii) adequate reserves are
7 provided to maintain programs mandated by state and federal law and for
8 which obligations are going to be incurred in the fiscal year and other
9 essential programs in the event revenues have been overestimated or
10 expenditures underestimated for any period.

11 6. For each financial plan and financial plan modification to be
12 prepared and submitted by the city to the board pursuant to the
13 provisions of this section, the covered organizations shall submit to
14 the city such information with respect to their projected expenditures,
15 revenues, cash flows and a schedule of projected capital commitments
16 for each year covered by such financial plan or modification as the city
17 shall determine. Notwithstanding any other provision of law limiting
18 the authority of the city with respect to any covered organization, the
19 city, in the preparation and submission of the financial plan and
20 modifications thereof, shall (except for debt service or for other
21 expenditures to the extent that such expenditures are required by law)
22 have the power to determine the aggregate expenditures to be allocated
23 to any covered organization in the financial plan and any modifications
24 thereto.

25 § 12-018. Section 9 of section 2 of chapter 868 of the laws of 1975,
26 constituting the New York state financial emergency act for the city of
27 New York, as amended by chapter 201 of the laws of 1978 and the section
28 heading and subdivisions 1 and 4 as amended by chapter 777 of the laws
29 of 1978, is amended to read as follows:

30 § 9. Establishment and application of the board fund. 1. There is
31 hereby established a fund designated the board fund. Commencing on
32 October twentieth, nineteen hundred seventy-five, and for the duration
33 of a control period, all revenues received or to be received by the city
34 or any covered organization and to the extent the board deems necessary
35 or desirable to accomplish the purposes of this act, the city of Staten
36 Island shall, unless exempted by order of the board, be revenues of the
37 board fund and shall be for the account of the city, the city of Staten
38 Island or the appropriate covered organizations, except (i) to the
39 extent expressly prohibited by federal law, (ii) where revenues of the
40 city are deposited in the general debt service fund, the TAN debt
41 service account or the RAN debt service account, or (iii) where such
42 revenues are pledged to the payment of any outstanding bonds, notes or
43 other obligations of covered organizations or state public authorities
44 as defined in section two hundred one of the civil service law.
45 Disbursement from the board fund shall be made by the board in accord-
46 ance with the approved financial plan except as provided in subdivision
47 five of this section nine. Commencing on October twentieth, nineteen
48 hundred seventy-five, and for the duration of a control period, all
49 funds and accounts established or thereafter established by the city,
50 the city of Staten Island or the covered organizations shall, unless
51 exempted by order of the board, thereafter be funds and accounts of the
52 board fund except to the extent expressly prohibited by federal law or
53 to the extent pledged by covenants or agreements relating to any
54 outstanding bonds, notes or other obligations of covered organizations
55 or public authorities as defined in section two hundred one of the civil
56 service law; and no monies or funds held in the general debt service

1 fund, the TAN debt service account or the RAN debt service account shall
2 be part of the board fund. All such accounts of the board shall have
3 such captions and entries as the board shall determine to be necessary
4 to credit the foregoing revenues and receipts to the board fund. The
5 monies of the fund shall not be deemed to be money of the state or money
6 under its control.

7 2. The deposit of revenues into the board fund and the investment or
8 deposit of monies therein shall be made in accordance with and pursuant
9 to procedures established by the board.

10 3. In order to assure compliance with the financial plan, the board
11 shall from time to time adopt procedures controlling the disbursement of
12 monies from the board fund. The board shall authorize the city or, if
13 applicable, the city of Staten Island to make all disbursements of
14 [~~city~~] such entity's revenues from the board fund, which disbursements
15 shall be made in accordance with the approved financial plan; provided,
16 that the board may withdraw such authorization if it determines that (a)
17 any disbursements made or to be made by the city or, if applicable, the
18 city of Staten Island have not been or are likely not to be in compli-
19 ance with the approved financial plan, (b) the city or, if applicable,
20 the city of Staten Island has violated any other provisions of this act,
21 or (c) the city has violated an agreement with any holder or guarantor
22 of bonds or notes issued by the city or a state financing agency.

23 4. Within the board fund there is hereby established a special
24 account designated the debt service repayment account. The board shall
25 from time to time direct, in accordance with procedures adopted by the
26 board, the deposit in the debt service repayment account of such amounts
27 as the board shall, in its discretion, determine to be sufficient to
28 meet the debt service requirements of the covered organizations on their
29 bonds and notes (other than bonds and notes of covered organizations
30 payable from revenues not included in the board fund) as they become
31 due. Amounts in the debt service repayment account shall be used to
32 meet such debt service requirements of the covered organizations.

33 5. If at any time the board determines that the amount then held in
34 the board fund or the amount estimated by the board to be held in the
35 board fund is or will be insufficient to meet the expenditures in the
36 amounts and at the times required by the financial plan, the board shall
37 require disbursements from the board fund to be made in the following
38 order or priority unless otherwise required by law of the United States
39 of America: (i) the payment of amounts from the appropriate account of
40 the board fund to the debt service repayment account, the general debt
41 service fund, the TAN debt service account and the RAN debt service
42 account, to maintain therein the amount required, to meet debt service
43 requirements of the city, the city of Staten Island, if appropriate and
44 the covered organizations on their bonds and notes as they may become
45 due, (ii) the payment of other liabilities having statutory or contrac-
46 tual priority over remaining liabilities of the city, the city of
47 Staten Island, if appropriate and the covered organizations whose monies
48 are included in the board fund, and (iii) the payment of other obli-
49 gations on an allocated basis as specified by the city or, the city of
50 Staten Island, if appropriate, for expenditures in accordance with the
51 financial plan provided that, in the event that the city or, the city of
52 Staten Island, if appropriate, fails to so specify, the board may with-
53 hold payment of any of such other obligations or may direct their
54 payment pro rata.

1 6. The board shall cause to be performed such pre-audit and post-au-
2 dit reviews of the board funds and disbursements therefrom as it may
3 determine.

4 § 12-019. Section 9-a of section 2 of chapter 868 of the laws of 1975,
5 constituting the New York state financial emergency act for the city of
6 New York, as added by chapter 201 of the laws of 1978, subdivisions 1,
7 2, 3, 4, 6, 7, 8, 9 and 11 as amended, subdivision 10 as renumbered and
8 amended and subdivision 12 as added by chapter 777 of the laws of 1978,
9 is amended to read as follows:

10 § 9-a. Establishment and application of a general debt service fund.

11 1. Commencing on the first day of the first full fiscal quarter subse-
12 quent to the first sale of a federally guaranteed city obligation, the
13 city shall establish a general debt service fund for the purpose of
14 paying debt service due or becoming due in the then current fiscal year
15 and in subsequent fiscal years until the later of (i) the termination
16 date of this act or (ii) the date when all general obligation bonds of
17 the city outstanding as of the establishment of the city of Staten
18 Island have been paid or payment therefor has been provided for in
19 accordance with their terms. All monies in the fund shall be held by
20 the comptroller, who shall administer and maintain the fund in accord-
21 ance with the provisions of this section.

22 2. All payments of or on account of real estate taxes or assessments
23 due to the city or the city of Staten Island, other than the proceeds of
24 tax anticipation notes, shall be immediately upon receipt deposited in
25 an account designated for the municipality to which payment was due
26 established in such fund. The comptroller shall retain, disburse and
27 apply monies in the fund during each month as follows:

28 a. During the first month of each fiscal quarter, there shall be
29 retained in the fund, subject to the provisions of subdivision three of
30 this section, all real estate tax payments deposited in the fund until
31 there shall have been retained from monies so deposited during such
32 month in the applicable account an amount equal to the total monthly
33 debt service, computed as of the date of any disbursement of money from
34 the fund, for the second and third months of such fiscal quarter;
35 provided that such amount shall be reduced by any amount already on
36 deposit in the fund which may be used to pay the monthly debt service
37 for such months.

38 Amounts to be on deposit in such accounts shall be determined as
39 follows: (i) with respect to the account of the city, debt service shall
40 include payments with respect to (a) all bonds and notes of the city
41 issued on or after the date of establishment of the city of Staten
42 Island and (b) all bonds or notes of the city prior thereto multiplied
43 by a fraction, the numerator of which is the total assessed valuation of
44 all taxable real property located in the city as of the date of such
45 establishment and the denominator of which is the total assessed valu-
46 ation of all taxable real property located in the city and the city of
47 Staten Island combined as of the date of such establishment and (ii)
48 with respect to the account of the city of Staten Island, debt service
49 shall include payments with respect to (a) all bonds or notes of the
50 city of Staten Island and (b) all bonds or notes of the city issued
51 prior to the establishment of the city of Staten Island multiplied by a
52 fraction, the numerator of which is the total assessed valuation of all
53 taxable real property located in the city of Staten Island as of the
54 date of such establishment and the denominator of which is the same as
55 in clause (b) of subparagraph (i) of this paragraph. To the extent
56 either account contains insufficient amounts to make payments on the

1 respective allocable portion of city bonds or notes issued prior to the
2 establishment of the city of Staten Island and such municipalities own
3 bonds or notes issued subsequent thereto, amounts on deposit in the
4 account of the other municipality in excess of the amounts required to
5 provide for payment of such latter municipality's own bonds or notes
6 issued subsequent to such establishment and allocable portion of city
7 bonds or notes issued prior thereto, shall be retained in such account
8 and applied to the payment of bonds or notes of the city issued prior to
9 such establishment to the extent of any insufficiency in such accounts.

10 For purposes of this section, fiscal quarter shall mean the three-
11 month period beginning July first, October first, January first or April
12 first, and monthly debt service shall mean, as of any date of computa-
13 tion, the amount of monies equal to the aggregate of (i) all interest
14 payable during such month on bonds and notes of the city or the city of
15 Staten Island, as applicable, plus (ii) the amount of principal (includ-
16 ing payments into sinking funds) maturing or otherwise coming due during
17 such month on all bonds of the city or the city of Staten Island, as
18 applicable, (excluding principal payments made from sinking funds
19 required by the terms of certain city or the city of Staten Island, as
20 applicable, bonds), plus (iii) the amount of principal to be paid on
21 notes of the city or the city of Staten Island, as applicable, during
22 such month from sources other than the proceeds of bonds or renewal
23 notes (exclusive of revenue anticipation notes and tax anticipation
24 notes or renewals thereof issued less than two years prior to the date
25 of computation).

26 b. During the second and third months of each fiscal quarter, there
27 shall be retained in the fund, subject to the provisions of subdivision
28 three of this section, all real estate tax payments deposited in the
29 fund until there shall have been retained from monies so deposited
30 during such month an amount equal to the total monthly debt service,
31 computed as of the date of any disbursement of monies from the fund, for
32 the first month of the next succeeding fiscal quarter; provided that
33 such amount shall be reduced by any amount already on deposit in the
34 fund which may be used to pay the monthly debt service for such month.

35 c. During any month of a fiscal quarter, after the retentions
36 required by paragraphs a and b of this subdivision have been made for
37 such month, the comptroller shall deposit any remaining balance of real
38 estate taxes received during such month, first into the TAN debt service
39 account to the extent required under subdivision six of this section,
40 and second into the board fund to be applied in accordance with proce-
41 dures of the board.

42 d. The city may at any time pay into the fund any monies required by
43 law to be used to pay monthly debt service and any other monies avail-
44 able for such purpose.

45 3. The board may approve, subject to agreements made with the holders
46 or guarantors of outstanding notes or bonds issued by or for the benefit
47 of the city after the effective date of this act, criteria for calculat-
48 ing a proportion of real estate tax receipts to be retained in the fund
49 in order to provide for the retention of amounts required by the
50 provisions of subdivision two of this section in lieu of the retention
51 of all initial receipts as required by such subdivision; provided, that
52 if the board at any time determines that retentions in the fund pursuant
53 to the provisions of such subdivision are or are likely to be insuffi-
54 cient to provide for the payment of monthly debt service when due, in
55 order to ensure that the amounts on deposit in the fund will be suffi-
56 cient to pay monthly debt service when due, the board shall require (i)

1 that real estate tax receipts be retained in the fund in greater amounts
2 or at earlier dates than the provisions of such subdivision require, or
3 (ii) that other revenues or cash resources of the city be paid into the
4 fund. The board shall consider the impact of earlier or larger
5 retention of real estate tax receipts on the city's seasonal borrowing
6 requirements when determining whether it shall require such additional
7 retention or that other revenues or cash resources of the city be paid
8 into the fund. Prior to the issuance by the city of any bonds or notes,
9 the board shall review any criteria then in effect which determine the
10 proportion of real estate tax receipts to be retained in the fund to
11 determine whether the proposed debt service schedule for such bonds or
12 notes is consistent with the monies which will be available therefor or
13 whether such criteria should be revised. The board shall from time to
14 time take such action as it determines is necessary, including disap-
15 proval of a proposed issue pursuant to paragraph f of subdivision one of
16 section seven, so that the monies in the fund shall be adequate to meet
17 debt service requirements.

18 4. Commencing on the first day of the second month of the first full
19 fiscal quarter subsequent to the first sale of a federally guaranteed
20 city obligation, the payment of monthly debt service shall be made,
21 first, from amounts retained in the fund. Amounts retained in the fund
22 shall be used only to pay debt service of the city.

23 5. Upon the issuance of any tax anticipation notes following the
24 effective date of this act, the comptroller shall establish and, so long
25 as any tax anticipation notes shall be outstanding, shall maintain a tax
26 anticipation note debt service account within the fund for the purpose
27 of paying the principal of tax anticipation notes.

28 6. The city shall determine the date on which the principal due or to
29 become due on an outstanding issue of tax anticipation notes shall equal
30 ninety percent of the available tax levy with respect to such issue, and
31 upon reasonable notice thereof the comptroller shall commence on such
32 date to pay into the TAN debt service account from collections of such
33 taxes and assessments, after retaining amounts required to be deposited
34 in the fund, amounts sufficient to pay when due, the principal of such
35 issue of tax anticipation notes. The payments of the principal of tax
36 anticipation notes shall be made, first, from amounts retained in the
37 TAN debt service account.

38 7. Upon the issuance of any revenue anticipation notes following the
39 effective date of this act, the comptroller shall establish and, so long
40 as any revenue anticipation notes shall be outstanding, shall maintain a
41 revenue anticipation note debt service account within the fund for the
42 purpose of paying the principal of revenue anticipation notes. Each
43 specific type of revenue in anticipation of which such notes are issued
44 and available for such purpose shall be deposited in such account imme-
45 diately upon receipt by the city. Where such revenue consists of state
46 aid or other revenue to be paid to the city by the comptroller, on the
47 date such revenue is payable to the city, the comptroller shall deposit
48 such revenue directly into such account in lieu of payment to the city.
49 All revenues deposited in the RAN debt service account shall be paid
50 immediately into the board fund except as otherwise provided in subdivi-
51 sion eight of this section.

52 8. The city shall determine the date on which the principal due or to
53 become due on an outstanding issue of revenue anticipation notes shall
54 equal ninety percent of the total amount of revenue against which such
55 notes were issued remaining to be paid to the city on or before the
56 fifth day prior to the maturity date of such notes and upon reasonable

1 notice thereof the comptroller shall commence on such date to retain in
2 the RAN debt service account from amounts deposited or to be deposited
3 therein of each specific type of revenue in anticipation of which revenue
4 such anticipation notes were issued, an amount sufficient to pay,
5 when due, the principal of such revenue anticipation notes. Monies
6 retained in such account shall vest immediately in the comptroller in
7 trust for the benefit of the holders of the revenue anticipation notes
8 in anticipation of which such notes were issued. No person having any
9 claim of any kind in tort, contract or otherwise against such city shall
10 have any right to or claim against any monies of the state appropriated
11 by the state and in anticipation of which such notes have been issued,
12 other than a claim for payment by the holders of such notes, and such
13 monies shall not be subject to any order, judgment, lien, execution,
14 attachment, setoff or counter-claim by any such person; provided, however,
15 that nothing contained in this paragraph shall be construed to
16 limit, impair, impede or otherwise adversely affect in any manner the
17 rights or remedies of the purchasers and holders and owners of any bonds
18 or notes of the state or any agency, instrumentality, public benefit
19 corporation or political subdivision thereof, including the city of New
20 York, under which such purchasers and holders and owners have any right
21 of payment of such bonds or notes by recourse to state aid or local
22 assistance monies held by the state or for the payment of which bonds or
23 notes state aid or local assistance monies are a designated source. The
24 payment of the principal of revenue anticipation notes shall be made
25 first from amounts retained in the RAN debt service account.

26 9. Whenever the amount contained in the TAN debt service account or
27 the RAN debt service account exceeds the amount required to be retained
28 in such account such excess monies, including earnings on investments of
29 monies in the fund, shall be withdrawn from such account and paid into
30 the board fund.

31 10. Subject to agreements made with holders or guarantors of
32 outstanding notes or bonds issued by or for the benefit of the city
33 after the effective date of this act, the comptroller shall invest the
34 monies retained in the fund in accordance with law.

35 11. The limitations imposed upon the city by this section shall be in
36 addition to any limitations imposed upon the city or the city of Staten
37 Island under the local finance law. In the event any provisions of the
38 local finance law shall be inconsistent with the provisions of this
39 section, the provisions of this section shall prevail. The requirements
40 of this section shall not apply to any note of the city held by the
41 municipal assistance corporation for the city of New York to the extent
42 that such corporation has evidenced its intention not to present such
43 notes for payment during the fiscal year in which the determination is
44 made provided that such notes were held by such corporation on June
45 thirtieth, nineteen hundred seventy-eight or were issued in exchange for
46 or in refunding or renewal of notes held by such corporation on such
47 date.

48 12. Notwithstanding any other provision of this section, the city and
49 the city of Staten Island, if applicable, may, at any time, subject to
50 approval by the comptroller, designate a trust company or bank having
51 its principal place of business in the state of New York and having the
52 powers of a trust company in the state of New York to hold all or any
53 part of the monies in the fund and to administer and maintain the monies
54 so held in accordance with the applicable provisions of this section and
55 any agreements made pursuant thereto.

1 § 12-020. Section 11 of section 2 of chapter 868 of the laws of 1975,
2 constituting the New York state financial emergency act for the city of
3 New York, subdivisions 1 and 3 as amended by chapter 777 of the laws of
4 1978, is amended to read as follows:

5 § 11. Prohibitions; penalties. 1. During a control period, (i) no
6 officer or employee of the city or of any of the covered organizations
7 or to the extent the board deems necessary or desirable to accomplish
8 the purposes of this act, the city of Staten Island shall make or
9 authorize an obligation or other liability in excess of the amount
10 available therefor under the financial plan as then in effect; (ii) no
11 officer or employee of the city or of any of the covered organizations
12 or the city of Staten Island shall involve the city, the city of Staten
13 Island, if applicable or any of the covered organizations in any
14 contract or other obligation or liability for the payment of money for
15 any purpose required to be approved by the board unless such contract,
16 obligation or liability has been so approved or deemed to be approved as
17 provided in paragraphs e and f of subdivision one of section seven and
18 unless such contract or obligation or liability is in compliance with
19 the financial plan as then in effect.

20 2. No officer or employee of the city or any of the covered organiza-
21 tions, or, the city of Staten Island, if applicable, shall take any
22 action in violation of any valid order of the board or shall fail or
23 refuse to take any action required by any such order or shall prepare,
24 present or certify any information (including any projections or esti-
25 mates) or report for the board or any of its agents that is false or
26 misleading, or, upon learning that any such information is false or
27 misleading, shall fail promptly to advise the board or its agents there-
28 of.

29 3. In addition to any penalty or liability under other law, any offi-
30 cer or employee of the city or any of the covered organizations, or, the
31 city of Staten Island, if applicable, who shall knowingly and willfully
32 violate subdivision one or two of this section shall be subject to
33 appropriate administrative discipline, including, when circumstances
34 warrant, suspension from duty without pay or removal from office by
35 order of either the governor or the mayor or the mayor of the city of
36 Staten Island, if applicable, and shall, upon conviction, be guilty of a
37 misdemeanor.

38 4. In the case of a violation of subdivision one or two of this
39 section by an officer or employee of the city, or, the city of Staten
40 Island, if applicable, or any of the covered organizations, the mayor or
41 the mayor of the city of Staten Island, if applicable, or the chief
42 executive officer of such covered organization shall immediately report
43 to the board all pertinent facts together with a statement of the action
44 taken thereon.

45 § 13-001. Section 25-a of the general city law is amended by adding a
46 new undesignated paragraph to read as follows:

47 For the purposes of this article, a city which is incorporated on or
48 after the first of January next succeeding the date on which this para-
49 graph shall have become a law and which is comprised of a geographical
50 area which on the date immediately prior to such incorporation had been
51 wholly contained within a city with a population of one million or more
52 shall continue to be treated as a city with a population of one million
53 or more.

54 § 13-002. Section 25-w of the general city law is amended by adding a
55 new subdivision (g) to read as follows:

1 (g) For the purposes of this article, a city which is incorporated on
2 or after the first of January next succeeding the date on which this
3 subdivision shall have become a law and which is comprised of a
4 geographical area which on the date immediately prior to such incorpo-
5 ration had been wholly contained within a city with a population of one
6 million or more shall continue to be treated as a city with a population
7 of one million or more.

8 § 13-003. Section 1 of chapter 772 of the laws of 1966 relating to
9 imposition of a city business tax is amended by adding a new undesig-
10 nated paragraph to read as follows:

11 For the purposes of this section, a city which is incorporated on or
12 after the first of January next succeeding the date on which this para-
13 graph shall have become a law and which is comprised of a geographical
14 area which on the date immediately prior to such incorporation had been
15 wholly contained within a city with a population of one million or more
16 shall continue to be treated as a city with a population of one million
17 or more.

18 § 13-004. Section 2 of chapter 772 of the laws of 1966 relating to
19 imposition of a city business tax is amended by adding a new undesig-
20 nated paragraph to read as follows:

21 For the purposes of this section, a city which is incorporated on or
22 after the first of January next succeeding the date on which this para-
23 graph shall have become a law and which is comprised of a geographical
24 area which on the date immediately prior to such incorporation had been
25 wholly contained within a city with a population of one million or more
26 shall continue to be treated as a city with a population of one million
27 or more.

28 § 13-005. Section 1301 of the tax law is amended by adding a new
29 subsection (f) to read as follows:

30 (f) For the purposes of this article, a city which is incorporated on
31 or after the first of January next succeeding the date on which this
32 subsection shall have become a law and which is comprised of a geograph-
33 ical area which on the date immediately prior to such incorporation had
34 been wholly contained within a city with a population of one million or
35 more shall continue to be treated as a city with a population of one
36 million or more.

37 § 14-001. The administrative code of the city of Staten Island is
38 enacted to read as follows:

39 Title 6 - General Services and Contracting

40 § 6-101 Definitions. As used in this title:

41 1. "Commissioner" shall mean the commissioner of the department of
42 general services and contracting.

43 2. "Department" shall mean the department of general services and
44 contracting.

45 § 6-102 Commissioner. The head of the department shall be the commis-
46 sioner.

47 § 6-103 Powers and duties. The commissioner shall have the power and
48 it shall be his or her duty to perform all the functions and operations
49 of the city of Staten Island relating to the construction, maintenance
50 and care of public buildings and facilities; the procurement of goods
51 and other personal property; the disposition of surplus property; the
52 providing to city agencies of services other than personal services; the
53 acquisition, disposition and management by the city of real property
54 other than housing; the providing of automotive, communication, energy
55 and data processing services including without limitation:

1 1. Procurement of goods, other personal property and services. With
2 respect to the procurement and disposal of goods and other personal
3 property and the procurement of services other than personal services,
4 the commissioner shall have the following power and duties:

5 (a) to purchase, inspect, store and distribute all goods, supplies,
6 materials, equipment and other personal property required by any city
7 agency, except as otherwise provided by law, or by any office of any
8 county wholly included in the city for which supplies, materials or
9 equipment are required, payment for which is made from the city treas-
10 ury;

11 (b) to establish and maintain one or more city storehouses, operating
12 therein a modern system of stores control to supply the estimated
13 current needs of the agencies for which the commissioner is authorized
14 to purchase. All purchases other than such purchases for stock for
15 estimated needs and all deliveries from such stock shall be upon justi-
16 fied requisitions. The commissioner shall also oversee the establish-
17 ment of efficient and economical systems of stores control in other city
18 agencies and review the operations of such storehouses to assure their
19 efficient and economical management;

20 (c) to receive all surplus and obsolete personal property not required
21 by any agency for which the commissioner has the power to make purchases
22 and all such agencies shall surrender such property to the commissioner
23 who shall dispose thereof pursuant to rules promulgated by him or her
24 governing its redistribution, exchange, transfer, sale or other disposi-
25 tion;

26 (d) to procure, supply and manage contractual services other than
27 personal or professional services for the use of city agencies;

28 (e) to promulgate rules governing the purchase, payment, storage, and
29 delivery of goods, supplies, materials and equipment by agencies of the
30 city and the disposal of surplus and obsolete materials, and to super-
31 vise their enforcement; and

32 (f) to classify all goods, supplies, materials and equipment.

33 2. Energy; gas and electricity. The commissioner shall have charge and
34 control of furnishing the city or any part thereof, by contract or
35 otherwise, with gas, electricity, steam, hot water or other energy
36 source, except such functions as are exercised by the public utility
37 service of the city.

38 3. Data processing services; information technology and telecommuni-
39 cations. (a) For purposes of this title "telecommunications" shall mean
40 transmission of writings, signals, pictures, numbers and sounds or
41 intelligence of all kinds by and of wire, cable, optical fiber, radio,
42 satellite, electromagnetic wave, microwave or other like connection
43 between points of origin and reception of such transmission, including
44 all instrumentalities, facilities, apparatus and services incidental to
45 such transmission.

46 (b) The commissioner shall provide data processing support, program-
47 ming, and computer systems analysis services for city agencies when
48 necessary or desirable, in accordance with executive orders promulgated
49 by the mayor.

50 (c) In addition, the commissioner shall have further powers and
51 duties:

52 (i) to plan, formulate, coordinate and advance information technology
53 and telecommunications policy for the city;

54 (ii) to develop, maintain and implement a long range telecommuni-
55 cations strategy;

1 (iii) to administer, subject to the approval of the council where
2 applicable, all franchises and revocable consents relating to telecommu-
3 nications including without limitation, proposing authorizing resol-
4 utions for telecommunications, franchises, developing and issuing
5 requests for proposals or other solicitations of proposals for telecom-
6 munications franchises, selecting telecommunications franchises, review-
7 ing and approving petitions for revocable consents relating to telecom-
8 munications, negotiating the terms of contracts or other agreements
9 relating to telecommunications franchises and revocable consents,
10 enforcing the terms and conditions of such agreements;

11 (iv) to develop municipal uses of cable television and coordinate
12 interagency uses of cable television and other telecommunications;

13 (v) to ensure that priority is given on at least one municipal channel
14 to the cable casting of the public proceedings of the council and its
15 committees, the city planning commission and other state and city agen-
16 cies;

17 (vi) to provide to city agencies such land-based and wireless voice,
18 data, video or other communication facilities, and technical assistance
19 or other assistance with respect to such facilities, as they may require
20 for the effective discharge of their responsibilities;

21 (vii) to participate in developing, maintaining and implementing a
22 long-range computer system and data communications strategy for the
23 city;

24 (viii) to assist in providing interagency coordination on matters
25 related to data communications activities and interfacing of computers;

26 (ix) to provide appropriate, reliable, cost-effective and responsive
27 computer and data communications services to agencies that require such
28 services by purchasing and maintaining hardware, software and such other
29 goods and services as may be necessary to effectively discharge the
30 powers and duties of the department;

31 (x) to provide assistance to agencies in meeting their data processing
32 and data communications objectives;

33 (xi) to provide agencies using or proposing to use the services of
34 this department with technical assistance in determining feasibility and
35 resource requirements;

36 (xii) to simplify access to shared information, reduce communication
37 costs and provide access to multiple computer systems by connecting
38 computers and terminals of various city agencies, and of other public
39 entities requesting such connection where such provision to such other
40 entities would in the judgment of the commissioner be in the city's
41 interests;

42 (xiii) to plan and provide telecommunications coordination in support
43 of disaster recovery;

44 (xiv) to ensure security for data and other information handled by
45 this department;

46 (xv) to institute procedures to assure restrictions of access to
47 information to the appropriate individuals, where such restrictions are
48 required by law; and

49 (xvi) to perform such other responsibilities with respect to informa-
50 tion technology and telecommunications matters, including responsibil-
51 ities delegated elsewhere by the code, as the mayor shall direct.

52 4. Automotive services. The commissioner shall acquire by purchase,
53 lease or otherwise, vehicles and other automotive equipment for the use
54 of city agencies; manage, maintain, store and operate a fleet of motor
55 vehicles; assign fleets to agencies in accordance with the direction of
56 the mayor and ensure the effective operation of all shops, yards,

1 garages, fuel depots and other facilities required for the maintenance
2 of fleets operated by agencies; and ensure the maintenance of records
3 for all city owned vehicles.

4 5. Right of entry. The commissioner, officers and employees of the
5 department may, in accordance with law, enter upon public or private
6 property for the purpose of making surveys, borings or other investi-
7 gations necessary for the exercise of powers or the performance of the
8 duties of the commissioner and the department. Refusal to permit such
9 entry shall be a misdemeanor punishable by not more than thirty days
10 imprisonment or by a fine of not more than \$50.00, or both.

11 § 6-104 Emergency communications systems of other agencies. With
12 respect to emergency communications systems and emergency communications
13 facilities administered by another agency or another municipality, the
14 department shall exercise its powers and duties only as the mayor shall
15 direct or at the request of such agency.

16 § 6-105 Records and information services. Within the department there
17 shall be a division of records and information services which shall
18 include, but not be limited to, municipal archives, a municipal refer-
19 ence and research center and a municipal records management division.

20 1. The division shall be responsible for the maintenance, access to
21 and preservation of records of the city. In addition, the division shall
22 develop and promulgate standards and procedures to effectively perform
23 those duties.

24 The division shall provide appropriate information and assistance to
25 the mayor and to members of the council. It shall also provide, within
26 reasonable limits, access to the public to records, books and documents
27 within its care and control.

28 2. The division is authorized to arrange for the exchange, sale,
29 purchase and loan of information materials from and with legislative
30 research services, libraries and institutions in other municipalities,
31 governmental bodies and public authorities.

32 3. The division shall:

33 (a) provide for the distribution of publications of the city, where
34 such authority is not vested in another city agency, and issue at regu-
35 lar intervals, no less than quarterly, a bulletin describing its facili-
36 ties and resources;

37 (b) institute actions in replevin to recover any historical and/or
38 other documents properly owned by, or originating from, the county of
39 Richmond prior to the creation of the preceding municipality;

40 (c) report annually by the thirtieth of September to the mayor, and
41 council on the powers and duties herein-mentioned including, but not
42 limited to, the cost of savings effectuated by the division during the
43 preceding fiscal year.

44 § 6-106 Departmental libraries. The commissioner shall analyze the
45 needs of each city agency, except the law department, with respect to
46 the establishment and maintenance of any library or research facility
47 therein, and make such recommendations as may be appropriate in the
48 circumstances. Any libraries or research facilities so established
49 shall, among any of its other duties, be responsible for the mainte-
50 nance, access to and preservation of records within its care and
51 control.

52 Title 7 - Legal Affairs

53 § 7-102 Department; corporation counsel. 1. There shall be a law
54 department the head of which shall be the corporation counsel.

55 2. The first assistant corporation counsel, appointed by the corpo-
56 ration counsel, during absence, disability or the vacancy of the office

1 of the corporation counsel, shall assume all powers and perform all
2 duties of the corporation counsel and shall act as corporation counsel
3 until a new appointment is made.

4 3. The corporation counsel may empower, by written authority filed
5 and remaining on record in the department, any of the assistants to
6 perform certain duties of the corporation counsel.

7 § 7-103 Powers and duties. The corporation counsel shall:

8 1. be attorney and counsel for the city and every agency thereof and
9 shall have charge of and conduct all the law business of the city and
10 its agencies;

11 2. have charge of and conduct the legal proceedings necessary in open-
12 ing, widening, altering and closing streets and in acquiring real estate
13 or in city condemnation proceedings;

14 3. have charge of and conduct the preparation of all leases, deeds,
15 contracts, bonds and all other legal papers for the city or connected
16 agency or officer thereof; and the corporation counsel shall approve the
17 form of all such deeds, bonds, contracts, leases and legal papers;

18 4. have the right to institute actions in law or equity to maintain,
19 defend and establish the rights, interests, revenues, property, privi-
20 leges, franchises or demands of the city or the people thereof, and to
21 collect any money, debts, fines or penalties or enforce the laws;

22 5. not be empowered to compromise, settle or adjust any rights,
23 claims, demands or causes of action in favor of or against the city, to
24 offer or confess judgment against the city or accept any offer of judg-
25 ment in favor of the city without the approval of the comptroller; and

26 6. have the authority to assign one or more assistants to any agency;
27 and the head of each agency may employ staff counsel to assist in legal
28 affairs of the agency.

29 § 7-104 Legal authority. 1. All actions and proceedings for the
30 recovery of penalties for the violation of any law shall be brought in
31 the name of the city and not in that of any agency.

32 2. The mayor may delegate to any agency, after consultation with the
33 corporation counsel and head of the agency, responsibility for the
34 conduct of routine legal affairs of the agency.

35 3. The mayor may assign or transfer attorneys from the law department
36 of the agency to assist in such delegated functions.

37 4. The corporation counsel shall monitor and evaluate on a regular
38 basis the exercise of authority delegated.

39 5. The mayor, upon recommendation of the corporation counsel, may
40 suspend or withdraw any delegated authority whenever in his or her judg-
41 ment the interests of the city justify such action.

42 § 7-105 City sheriff; powers and duties. 1. There shall be a city
43 sheriff who shall be appointed by the mayor.

44 2. Except as otherwise provided by law, the functions, powers and
45 duties formerly exercised by the sheriff of the preceding municipality
46 as of the date of establishment of the city of Staten Island shall
47 remain with the city sheriff.

48 § 7-106 City clerk; powers and duties. The city clerk shall:

49 1. be the chief archivist of the city and shall advise the mayor and
50 council on those matters concerning the preservation of the city's
51 historical documentation;

52 2. act as the chief reference and research librarian for the mayor and
53 council and shall ensure that all significant materials pertaining to
54 operations of the city be preserved and readily available for use;

55 3. act as the chief public records officer for the mayor and council
56 and shall, except as otherwise provided by law, establish standards for

1 the proper records management in any agency or government instrumentali-
2 ty funded in whole or in part from local tax levy monies; and
3 4. have the power formerly exercised or delegate any of the functions
4 and duties vested in such city clerk by law of the preceding municipi-
5 pality as it existed on the date of establishment.

6 Title 8 - Reserved

7 Title 9 - Criminal Justice

8 Chapter 1

9 Department of Corrections

10 § 9-101 Definitions. As used in this title:

11 1. "Commissioner" shall mean the commissioner of the department of
12 corrections.

13 2. "Department" shall mean the department of corrections.

14 3. "Division" shall mean the division of juvenile justice.

15 § 9-102 Commissioner. The head of the department shall be the commis-
16 sioner of corrections.

17 § 9-103 Powers and duties of commissioner. 1. The commissioner shall
18 have:

19 a. charge and management of all institutions of the city (including
20 all hospital wards) for the care and custody of felons; misdemeanants;
21 all prisoners under arrest and waiting arraignment (including those who
22 require hospital care and/or psychiatric observation or treatment);
23 violators of ordinances or local laws and for the detention of any
24 witnesses who are unable to furnish security for their appearance in
25 criminal proceedings;

26 b. sole power and authority concerning the care, custody and control
27 of all court pens for the detention of prisoners while in custody of the
28 state of New York within the city of Staten Island, the family court of
29 the state of New York, the supreme court in the county of Richmond and
30 of all vehicles employed in the transportation of prisoners who have
31 been sentenced, are awaiting trial or being held for other cause;

32 c. charge and management of persons or any other institution of the
33 city placed under his or her jurisdiction;

34 d. all authority concerning the care and custody of felons, misdemea-
35 ants or violators of local laws held in institutions under his or her
36 jurisdiction;

37 e. all authority in relation to the custody and transportation of
38 persons held for any criminal proceedings, all prisoners under arrest
39 and waiting arraignment (including those requiring hospital care and/or
40 psychiatric treatment) in the city; and

41 f. supervision and responsibility for the planning and implementation
42 of re-training, counseling, and rehabilitative programs for felons,
43 misdemeanants and violators of local laws who are held in institutions
44 under his or her charge.

45 2. The commissioner shall maintain and operate buildings and struc-
46 tures under his or her jurisdiction and may construct additions and make
47 repairs to such buildings by use of the labor of persons under his or
48 her care and custody.

49 § 9-104 Labor of prisoners. 1. Every inmate of an institution under
50 the authority of the commissioner shall be employed in some form of
51 industry, farming operations or other employment and any products there-

1 of shall be utilized in the institutions under the commissioner's juris-
 2 diction.
 3 2. Any persons held for trial may be employed in the same manner as
 4 sentenced prisoners; however, such sentenced prisoners must give their
 5 consent in writing.
 6 3. Inmates and/or prisoners held for trial may be detailed by the
 7 commissioner to perform work or service on the grounds, buildings, or on
 8 any public improvement under the charge of any other agency.

9 Chapter 2

10 Division of Juvenile Justice

11 § 9-201 The division of juvenile justice; director. 1. There shall be
 12 within the department of corrections a division of juvenile justice.
 13 2. The head of the division shall be the director of juvenile justice.
 14 § 9-202 Powers and duties of director. The director shall:
 15 1. establish, initiate, control, maintain and operate secure and non-
 16 secure facilities for the temporary care and maintenance of children
 17 alleged to be or adjudicated as juvenile delinquents.
 18 2. have the power to contract with other public and private agencies
 19 for services in order to ensure adequate, suitable and accessible accom-
 20 modations and that proper care will be available when required for
 21 detention.
 22 3. establish regulations for the operation of secure and non-secure
 23 detention facilities and shall provide or secure the availability of
 24 accessible and adequate non-secure detention facilities certified by
 25 the state division of youth.
 26 4. develop, implement and maintain systems to collect, store and
 27 disseminate information concerning juvenile delinquency, juvenile crime
 28 and the juvenile justice system.
 29 5. participate with other city agencies in development, implementation
 30 and maintenance of juvenile justice information.

31 Title 10 - Reserved

32 TITLE 11

33 TAXATION AND FINANCE

34 CHAPTER 1

35 DEPARTMENT OF FINANCE

36 § 11-001 Definitions and applicability. Any terms in this title refer-
 37 ring to a governmental entity of the preceding municipality shall be
 38 deemed to refer to such entity of the preceding municipality or its
 39 successor entity under the city of Staten Island. Any action taken in
 40 compliance with the provisions of this title prior to the incorporation
 41 of the city of Staten Island shall be deemed to comply with the require-
 42 ments of this title. For the purposes of this title, the term preceding
 43 municipality shall mean the city government for the geographical area of
 44 the city of Staten Island which existed immediately prior to the incor-
 45 poration of the city of Staten Island.

46 § 11-101 Power of department of finance to adopt a seal. The depart-
 47 ment of finance is authorized to adopt a seal.

48 § 11-102 Finance department; records; copies when in evidence. A
 49 copy of any paper, record, book, document or map, filed in the depart-
 50 ment of finance, or the minutes, records or proceedings, or any portion
 51 thereof, of any board or commission of which the commissioner of
 52 finance, is or may become a member, when certified by the commissioner
 53 of finance, or a deputy commissioner of finance, to be a correct copy of

1 the original, shall be admissible in evidence in any trial, investi-
2 gation, hearing or proceeding in any court, or before any commissioner,
3 board or tribunal, with the same force and effect as the original.
4 Whenever a subpoena is served upon the commissioner of finance, or any
5 member of a board or commission of which the commissioner of finance is
6 a member, or upon any officer or employee of the department of finance,
7 or upon any officer or employee of such boards or commissions, requiring
8 the production upon any trial or hearing of an original paper, document,
9 book, map, record, minutes or proceedings, the commissioner of finance,
10 in his or her discretion, may furnish a copy certified as herein
11 provided, unless the subpoena be accompanied by an order of the court or
12 other tribunal before which trial or hearing is had requiring the
13 production of such original.

14 § 11-102.1 Authorization to require identifying numbers. a. The
15 commissioner of finance in the proper discharge of his or her duties in
16 the administration and collection of taxes, assessments, arrears or
17 other charges payable to the city may require any person to furnish such
18 identifying number as the commissioner may prescribe for securing proper
19 identification of such person including, but not limited to, a social
20 security account number or federal employer identification number.

21 b. Any person who fails to supply such identifying number within thir-
22 ty days after written demand therefor shall be liable for a civil penal-
23 ty of not more than one thousand dollars. Upon application in writing
24 and for good cause shown, the commissioner of finance may extend the
25 time for compliance with such written demand.

26 c. The civil penalty prescribed by this section shall be recovered by
27 the corporation counsel in an action or proceeding in any court of
28 competent jurisdiction. In addition, the corporation counsel may insti-
29 tute any other action or proceeding in any court of competent jurisdic-
30 tion that may be appropriate or necessary for the enforcement of the
31 provisions of this section.

32 § 11-103 Bond of commissioner of finance. The commissioner of
33 finance, within ten days after receiving notice of his or her appoint-
34 ment and before such commissioner enters upon his or her office, shall
35 give a bond to the city and to the people of the state of New York in
36 the sum of three hundred thousand dollars, with not less than four
37 sufficient sureties to be approved by the comptroller, conditioned that
38 he or she will faithfully discharge the duties of the commissioner's
39 office and all trusts imposed on him or her by law in virtue of the
40 commissioner's office, including all duties in connection with the tax
41 on mortgages as prescribed by article eleven of the tax law. Such bond
42 shall be deemed to extend to the faithful execution of the duties of the
43 office until a new appointment shall be made and confirmed, and the
44 person so appointed enters upon the performance of the commissioner's
45 duties. In case of any official misconduct or default on the part of
46 such commissioner of finance, or his or her subordinates, an action upon
47 such bond may be begun and prosecuted to judgment by the city, which,
48 after first paying therefrom the expenses of the litigation, shall cause
49 the proceeds of such judgment to be distributed as shall be lawful and
50 equitable among the persons and objects injured or defrauded by such
51 official misconduct or default of the commissioner of finance or any of
52 his or her subordinates.

53 § 11-104 Commissioner of finance to keep accounts. a. The commission-
54 er of finance shall keep books showing the receipts of moneys from all
55 sources, and designating the sources of same, and also showing the

1 amounts paid from time to time on account of the several appropriations,
2 the forms of which shall be prescribed by the comptroller.

3 b. The city collector or the deputy collector in receiving moneys
4 payable to the city, from whatever source derived, shall not issue a
5 receipt to the payor for a payment made by personal, business or corpo-
6 rate check unless specifically requested.

7 § 11-105 Agreements with financing agencies or card issuers; payment
8 of fines, civil penalties, taxes, fees, rates, rent, charges or other
9 amounts by credit card. 1. As used in this section, the following terms
10 shall have the following meanings:

11 a. "Card issuer" shall mean an issuer of a credit card, charge card or
12 other value transfer device.

13 b. "Credit card" means any credit card, credit plate, charge card,
14 charge plate, courtesy card, debit card or other identification card or
15 device issued by a person to another person which may be used to obtain
16 a cash advance or a loan or credit, or to purchase or lease property or
17 services on the credit of the person issuing the credit card or a person
18 who has agreed with the issuer to pay obligations arising from the use
19 of a credit card issued another person.

20 c. "Financing agency" means a person engaged, in whole or in part, in
21 the business of purchasing retail installment contracts, obligations or
22 credit agreements or indebtedness of buyers under credit agreements from
23 one or more retail sellers or entering into credit agreements with
24 retail buyers but shall not include a retail seller. The term includes
25 but is not limited to a bank, trust company, private banker, industrial
26 bank or investment company, if so engaged, but shall not include a
27 retail seller.

28 d. "Person" means an individual, partnership, corporation or any other
29 legal or commercial entity.

30 2. The city may enter into agreements with one or more financing agen-
31 cies or card issuers to provide for the acceptance by the city of credit
32 cards as an alternate means of payment of fines, civil penalties, taxes,
33 fees, rent, rates, charges or other amounts owed by a person to the
34 city. Any such agreement shall govern the terms and conditions upon
35 which a credit card proffered as a means of payment of a fine, civil
36 penalty, tax, fee, rent, rate, charge or other amount shall be accepted
37 or declined and the manner in and conditions upon which the financing
38 agency or card issuer shall pay to the city the amount of fines, civil
39 penalties, taxes, fees, rent, rates, charges or other amounts paid by
40 means of credit cards pursuant to such agreement. Any such agreement may
41 provide for the payment by the city to such financing agency or card
42 issuer of fees for the services rendered by such financing agency or
43 card issuer pursuant to such agreement, which fees may consist of a
44 discount deducted from or payable in respect of the amount of each such
45 fine, civil penalty, tax, fee, rent, rate, charge or other amount or
46 otherwise as the agreement may provide.

47 3. Notwithstanding any other provision of law to the contrary, any
48 agency or department of the city which, pursuant to an agreement entered
49 into under this section, accepts credit cards as a means of payment of
50 fines, civil penalties, taxes, fees, rent, rates, charges or other
51 amounts owed by a person to the city shall be authorized to charge and
52 collect from any person offering a credit card as a means of payment of
53 a fine a reasonable and uniform fee as a condition of accepting such
54 credit card in payment of a fine, civil penalty, tax, fee, rent, rate,
55 charge or other amount. Such fee shall not exceed the cost incurred by
56 the agency or department in connection with such credit card trans-

1 action, which cost shall include any fee payable by the city to the
2 financing agency.

3 § 11-106 Weekly reports by commissioner of finance to mayor and comp-
4 troller. The commissioner of finance shall report weekly in writing to
5 the mayor and to the comptroller all moneys received by the commission-
6 er, the amount of all warrants paid by him or her since the commission-
7 er's last report, and the amount remaining to the credit of the city.

8 § 11-107 Report to comptroller. The commissioner of finance, when
9 required by the comptroller, shall furnish to him or her such informa-
10 tion as the comptroller may demand in relation to the finances of the
11 city, within such reasonable time as the commissioner may direct.

12 § 11-108 Rules in signing warrants. No warrant shall be signed by
13 the comptroller or countersigned by the commissioner of finance, except
14 upon vouchers for the expenditures of the amount named therein, duly
15 prepared and audited according to the methods prescribed by the comp-
16 troller, and filed with the comptroller, except in the case of judg-
17 ments, in which case a transcript thereof shall be filed.

18 § 11-109 Commissioner of finance to exhibit bank book. The commis-
19 sioner of finance shall exhibit his or her bank book to the comptroller
20 on the first Tuesday of every month and more often when required.

21 § 11-110 When commissioner of finance to close accounts. The accounts
22 of the commissioner of finance shall be annually closed on the last day
23 of June.

24 § 11-111 Withdrawal of moneys by heads of agencies. Notwithstanding
25 any provision of the charter, any city treasury or sinking fund moneys
26 which have been duly withdrawn from any bank or trust company upon prop-
27 er warrant and check to the order of the head or heads of any agency or
28 agencies may be redeposited by such head or heads of such agency or
29 agencies in a properly designated deposit bank and thereafter such rede-
30 posited moneys may be withdrawn upon check signed by him or her or them
31 without additional warrant.

32 § 11-112 Authorization of subordinates to sign checks and warrants.
33 Notwithstanding any provision of the charter, the comptroller or commis-
34 sioner of finance may designate and authorize any deputies, assistant
35 deputies, or employees to sign, each in his or her own name and in place
36 of and for the comptroller or commissioner of finance, respectively, any
37 or all checks or warrants, including those issued against sinking fund
38 and trust fund bank accounts. A warrant or check so signed shall be of
39 the same force and effect as if signed by the comptroller or commission-
40 er of finance, respectively. The designation or designations of depu-
41 ties shall be made in writing in the manner set forth in section nine-
42 ty-four of the charter of the preceding municipality as it existed
43 January first, nineteen hundred ninety-four. The designation or desig-
44 nations of assistant deputies or employees shall be in writing, signed
45 in duplicate by the comptroller or the commissioner of finance, respec-
46 tively, and shall be duly filed and remain of record in the office of
47 the comptroller and the department of finance. The period for which
48 each such designation of deputies, assistant deputies and employees
49 shall continue in force shall be specified therein and may be terminated
50 by the comptroller or commissioner of finance, respectively, at any time
51 by filing in the same office or offices in which the designation has
52 been filed a written notice of such termination signed by the comp-
53 troller or commissioner of finance, respectively.

54 § 11-113 Acceptance of facsimile signatures by banks or trust compa-
55 nies. Notwithstanding any provision of the charter, checks drawn upon
56 any bank or trust company for payment of payrolls or disbursements for

1 relief, required to be signed by the head of an agency or his or her
2 authorized designee, may be signed by the facsimile signature or signa-
3 tures of the person or persons authorized to sign such checks, if the
4 head of such agency so authorizes by an instrument in writing signed by
5 the head of such agency and filed with the comptroller; and, in such
6 event, any bank or trust company shall, acting in good faith and without
7 notice of any defect or invalidity, be authorized to pay and be
8 protected in paying any checks bearing or purporting to bear the facsim-
9 ile signature or signatures of the person or persons duly authorized to
10 sign such checks, regardless of the person by whom or the means by which
11 the actual or purported facsimile signature or signatures thereon may
12 have been affixed thereto, if such facsimile signature or signatures
13 closely resemble the facsimile specimens from time to time filed with
14 such banks or trust companies by the head of the agency in question;
15 provided, however, that nothing herein contained shall release such bank
16 or trust company from any liability arising from any cause or fact other
17 than the fact that such facsimile signature is not a genuine facsimile
18 signature affixed with appropriate authority.

19 § 11-115 City collector; appointment; bond. The mayor shall appoint
20 the city collector. The city collector, before entering upon the duties
21 of his or her office, shall enter into a bond to the city of Staten
22 Island to be approved by the commissioner of finance and comptroller in
23 the penal sum of twenty-five thousand dollars, which bond shall be
24 conditioned for the faithful performance of the duties of the office by
25 the officer giving such bond. Such bond shall be a lien on all the real
26 estate held by the collector executing the same, or any surety thereto,
27 in the city at the time of the filing thereof, unless there be named and
28 described in or on any such bond, real estate in such city equal in
29 value to the amount of such bond and owned by a surety, in which case
30 the bond shall be a lien on such real estate so described and upon all
31 the real estate of such city collector, and no other, and shall continue
32 to be such lien until the condition, together with all costs and charges
33 which may accrue by the prosecution thereof, shall be fully satisfied,
34 or until such lien be released, not to exceed, however, the period of
35 ten years after the time when the officer who has given such bond shall
36 have ceased to hold his or her office, unless an action thereon has been
37 commenced and shall then be pending.

38 § 11-116 Deputies to give bond; duties. The city collector shall
39 take from each deputy a bond, in such penal sum and with such sureties
40 as may be approved by the city collector and by the comptroller and
41 commissioner of finance, which bond shall run to the city collector, the
42 city and to whom it may concern, and shall be conditioned for the faith-
43 ful performance of the duties of such deputy. Each bond taken in
44 pursuance of the provisions of this section shall be filed with the
45 comptroller. Each deputy collector shall have all the powers and be
46 subject to all the duties of the city collector in respect to the
47 collection and receipt of taxes, assessments, water rents and arrears.

48 § 11-117 Renewal of bond. If at any time during the continuance in
49 office of the city collector or deputy collectors the comptroller or
50 commissioner of finance shall deem any surety of them to be insuffi-
51 cient, he or she may require the city collector or deputy collectors to
52 enter into a new bond to be approved in like manner as prescribed in
53 section 11-115 of this chapter, within such time as the comptroller may
54 direct, not being less than ten days after requiring such new bond to be
55 given. In case of the neglect or refusal of any such officer to furnish

1 such bond within the time so directed, the comptroller or commissioner
2 of finance may declare his or her office vacant.

3 § 11-118 Bureau of city collections; duties. The duties of the bureau
4 of city collections shall also include the collection of water rents,
5 charges, fines and penalties in connection with the water supply,
6 including arrears, sewer rents, sewer surcharges, charges, fines and
7 penalties in connection with the sewer system as defined in sections
8 24-514 and 24-523 of the code of the preceding municipality, including
9 arrears, interest on bonds and mortgages and revenue arising from the
10 sale of property belonging to or managed by the city.

11 § 11-119 City collector; absence; suspension of. a. In case of
12 inability of the city collector to perform the duties of his or her
13 office by reason of sickness or absence from the city, the mayor shall
14 designate some suitable person to perform the duties of the city collec-
15 tor's office during such inability or absence, and shall, if the comp-
16 troller so requires, take from such person a bond, with sufficient sure-
17 ties, in the manner hereinafter prescribed.

18 b. If the city collector or any deputy collector shall on any day omit
19 or neglect to furnish to the commissioner of finance or to the comp-
20 troller, respectively, the statements and vouchers required in section
21 11-121 of this chapter, or to make the prescribed daily payments, it
22 shall be the duty of the commissioner of finance forthwith to suspend
23 him or her from office. In case of such suspension, the commissioner of
24 finance shall appoint a suitable person to perform the duties of the
25 officer so suspended, who shall continue to act as such officer until
26 the person suspended shall be restored or another person shall have been
27 appointed. On making such temporary appointment, the commissioner of
28 finance shall be required to take from the person so appointed a bond,
29 with two sufficient sureties, to be approved by the comptroller and
30 filed with the comptroller, in such penal sum as the comptroller may
31 deem just, conditioned for the faithful performance of the duties of the
32 office during the continuance of the person appointed therein; and all
33 the provisions of law prescribing the duties of the city collector and
34 deputy collectors shall apply to the person or persons so appointed.

35 § 11-120 Bond of city collector to be filed. The bond given by the
36 city collector shall be filed and remain in the office of the comp-
37 troller, and true copies thereof, certified by the comptroller, shall be
38 filed in the office of the clerk, and shall be public records. In case
39 a certificate of the adjustment of the accounts of the city collector be
40 made, a true copy thereof, certified by the comptroller, shall be filed
41 in each of the offices in which a copy of the bond of the city collector
42 shall have been filed.

43 § 11-121 City collector; daily statements and accounts. a. The city
44 collector or the deputy collector shall enter upon accounts, to be main-
45 tained in each such office for each parcel of property, the payment of
46 taxes, assessments, sewer rents or water rents thereon, the amount
47 therefor, and the date when paid. The city collector shall daily enter
48 into suitable books to be kept for the purpose of such accounts, such
49 payments and the respective parcels on account of which the same were
50 paid.

51 b. At close of office hours each day, the city collector shall render
52 to the commissioner of finance a statement of the sums so received, and
53 at the same time pay over to such commissioner of finance, the amount
54 received on such day. The city collector shall thereupon receive from
55 such commissioner of finance a voucher for the payment of such sums

1 which he or she shall exhibit to the comptroller not later than the next
2 succeeding business day.

3 c. At the close of office hours each day, the city collector shall
4 also furnish a statement to the comptroller who shall file the same in
5 his or her office. Such statement shall indicate in detail such sums so
6 received and the respective parcels on account of which the same were
7 paid. The comptroller shall, on each day, immediately after receiving
8 such statement, compare it with a voucher furnished to him or her by the
9 commissioner of finance indicating the sums which have been paid on such
10 day to the commissioner of finance and if the aggregate amounts thereof
11 shall correspond, shall credit the city collector in his or her books
12 with such amount.

13 § 11-122 Exemption from taxes granted to REMICs. An entity that is
14 treated for federal income tax purposes as a real estate mortgage
15 investment conduit, hereinafter referred to as a REMIC, as such term is
16 defined in section 860D of the internal revenue code, shall be exempt
17 from all taxation under chapters five and six of this title. A REMIC
18 shall not be treated as a corporation, partnership or trust for purposes
19 of chapter six of this title. The assets of a REMIC shall not be
20 included in the calculation of any tax liability under chapter six. This
21 provision does not exempt the holders of regular or residual interests,
22 as defined in section 860G of the internal revenue code, in a REMIC from
23 tax on or measured by such regular or residual interests, or on income
24 from such interests.

25 § 11-123 Interest compounded daily.

26 In computing the amount of any interest required to be paid under
27 section 11-224 (except subdivision j thereof), 11-224.1, 11-264, 11-306,
28 11-307, 11-312, 11-313, 17-151, 19-152, 24-317, 24-512, 24-605, 26-128,
29 26-517.1, 27-2144 or 27-4029.1 of the code, such interest shall be
30 compounded daily.

31 § 11-124 Conciliation conferences. a. The commissioner of finance may
32 establish a procedure for providing conciliation conferences for
33 purposes of settling contested determinations of taxes or charges or
34 denials of refunds or credits with respect to taxes or charges imposed
35 under chapter five, six, seven, eight, nine, eleven, twelve, thirteen,
36 fourteen, fifteen, twenty-one, twenty-two, twenty-four, twenty-five or
37 twenty-seven of this title, or for the purpose of settling disputes
38 arising from the notification of the refusal to grant, the suspension or
39 the revocation of a license issued pursuant to chapter thirteen of this
40 title. If such a procedure is established, a conciliation conference
41 shall be provided at the option of any taxpayer or any other person
42 subject to the provisions of any of such chapters. For purposes of this
43 subdivision, if the commissioner of finance fails to act with respect to
44 a refund application before the expiration of the time period after
45 which the taxpayer may file a petition for refund with the tax appeals
46 tribunal established by section one hundred sixty-eight of the charter
47 of the preceding municipality as it existed January first, nineteen
48 hundred ninety-four pursuant to subdivision (c) of section 11-529 or
49 subdivision three of section 11-680 of the code, such failure shall be
50 deemed to be the denial of a refund.

51 b. A request for a conciliation conference shall be made in the manner
52 set forth in rules promulgated by the commissioner of finance and,
53 notwithstanding any provision of law to the contrary, shall suspend the
54 running of the period of limitations for the filing of a petition with
55 such tax appeals tribunal under chapter five, six, seven, eight, nine,
56 eleven, twelve, thirteen, fourteen, fifteen, twenty-one, twenty-two,

1 twenty-four, twenty-five or twenty-seven of this title until such time
2 as a conciliation decision is rendered by the commissioner of finance,
3 or until the person who requested the conciliation conference makes a
4 written request to discontinue or withdraw from the conciliation
5 proceeding.

6 c. Nothing contained herein shall prevent any taxpayer or any other
7 person who has received a notice of determination, notice of deficiency
8 or notice of denial of a claim for refund from filing a petition with
9 such tax appeals tribunal if the time for filing such a petition has not
10 elapsed.

11 d. The commissioner of finance is authorized and empowered to make,
12 adopt and amend rules appropriate to the carrying out of this section
13 and the purposes thereof.

14 § 11-126 Definitions. When used in this title, the term "partnership"
15 shall mean an entity classified as a partnership for federal income tax
16 purposes, including a subchapter K limited liability company, and the
17 term "partner" or the term "member" when used in relation to a partner-
18 ship shall include a member of a subchapter K limited liability company,
19 unless the context requires otherwise. The term "subchapter K limited
20 liability company" shall mean a limited liability company classified as
21 a partnership for federal income tax purposes. The term "limited liabil-
22 ity company" means a domestic limited liability company or a foreign
23 limited liability company, as defined in section one hundred two of the
24 state limited liability company law, a limited liability investment
25 company formed pursuant to section five hundred seven of the banking
26 law, or a limited liability trust company formed pursuant to section one
27 hundred two-a of the banking law. Notwithstanding anything herein to
28 the contrary, this section shall not apply for purposes of chapter
29 seventeen or nineteen of this title.

30 § 11-128 Payment of real property taxes by electronic funds transfer.

31 a. Definition. "Electronic funds transfer" shall mean any transfer of
32 funds, other than a transaction originated by check, draft or similar
33 paper instrument, which is initiated through an electronic terminal,
34 telephonic instrument or computer or magnetic tape so as to order,
35 instruct or authorize a financial institution to debit or credit an
36 account.

37 b. Authority. Notwithstanding any provision of law to the contrary,
38 the department of finance may accept and, as authorized by this section,
39 require payment of real property taxes by electronic funds transfer, and
40 may authorize a designee to accept such payments. The department of
41 finance, or its designee, may take all actions necessary to complete and
42 administer such transactions, including but not limited to requesting
43 and collecting necessary information and the debiting of specified
44 accounts as provided for by this section.

45 c. Participation. Notwithstanding any provision of law to the contra-
46 ry, the commissioner may require the payment of real property taxes by
47 electronic funds transfer for properties with annual real property tax
48 liability equal to or greater than three hundred thousand dollars. The
49 owner of any such real property, or the person or entity authorized by
50 such owner to pay real property taxes on such real property, shall be
51 required to enroll in an electronic payment program to make such
52 payments, including any arrears in real property taxes on such real
53 property, by electronic funds transfer, either by payment initiated by
54 the taxpayer as described in paragraph one of subdivision d of this
55 section or by authorizing the department of finance to debit the rele-

1 vant account as described in paragraph two of subdivision d of this
2 section.

3 1. Notwithstanding any other provision of this section, where a
4 taxpayer pays real property taxes for more than one property by a single
5 payment, and the total annual real property tax liability for such prop-
6 erties is equal to or greater than three hundred thousand dollars, the
7 total annual real property tax liability for such properties shall be
8 used to determine whether the taxes for a property must be paid by elec-
9 tronic funds transfer.

10 2. (i) Where real property taxes are paid for more than one taxpayer
11 by a single bill or paid by a single entity, including but not limited
12 to a mortgage escrow agent as defined in subparagraph (ii) of this para-
13 graph, if the total amount paid is equal to or greater than three
14 hundred thousand dollars annually, such amount shall be used to deter-
15 mine whether the taxpayer or entity is required to participate in an
16 electronic funds transfer program.

17 (ii) For purposes of this paragraph, the term "mortgage escrow agent"
18 shall include every banking organization, federal savings bank, federal
19 savings and loan association, federal credit union, bank, trust company,
20 licensed mortgage banker, savings bank, savings and loan association,
21 credit union, insurance corporation organized under the laws of any
22 state other than New York, or any other person, entity or organization
23 which, in the regular course of its business, requires, maintains or
24 services escrow accounts in connection with mortgages on real property
25 located in the city.

26 d. Electronic payment program. The owner of real property, or other
27 person or entity authorized by such owner to pay real property taxes on
28 real property for which payment must be made by electronic funds trans-
29 fer under this section, may choose between participating in a taxpayer
30 initiated payment program or an automatic debit program, as set forth in
31 this subdivision and described in rules promulgated by the commissioner
32 of finance.

33 1. Taxpayer initiated program. In such a program, taxpayers initiate
34 payment by electric funds transfer, including payment by fedwire.

35 2. Automatic debit program. In such a program, taxpayers authorize the
36 department of finance, or the department's designee as determined by the
37 commissioner of finance, to debit the taxpayer's account for the amounts
38 due.

39 e. Notification of participation requirements. For taxpayers or enti-
40 ties subject to this section, the department of finance shall mail
41 notice of such requirement to the property owner or other party who has
42 been designated to receive real property tax bills on an owner's regis-
43 tration card filed by such owner. Such notice shall include the date by
44 which the owner or other party designated by such owner to pay real
45 property taxes on the property must enroll in the electronic payment
46 program.

47 f. Authorization. To administer the payment of real property taxes by
48 electronic funds transfer by automatic debit as described in paragraph
49 two of subdivision d of this section, the department of finance may
50 require that the party responsible for the payment of real property
51 taxes:

52 1. execute an electronic funds transfer agreement with the department
53 of finance or its designee, on a form approved by the department of
54 finance. Such form may be in a format designated by the commissioner,
55 including an electronic format. The agreement shall require that the
56 taxpayer authorize the department of finance or its designee to debit

1 such account on the last date by which the real property taxes may be
2 paid without the accrual of interest in accordance with applicable law;
3 and

4 2. furnish the department of finance or its designee with information
5 to enable the department of finance to complete the electronic funds
6 transfer transaction. Such information shall include, but not be limited
7 to, the name and address of the bank from which an electronic funds
8 transfer shall be authorized, the account number from which the payment
9 shall be authorized, the American Bankers Association (ABA) routing
10 number of the bank where the taxpayer maintains an account and the
11 borough, block and lot of the real property for which such payments are
12 authorized.

13 g. Timely payment. Notwithstanding any provision of law to the contra-
14 ry, where real property taxes are required to be made by electronic
15 funds transfer pursuant to subdivision c of this section, payment of
16 real property tax by electronic funds transfer shall be deemed timely
17 and not subject to interest charges if:

18 1. for taxpayers enrolled in a taxpayer initiated program pursuant to
19 paragraph one of subdivision d of this section, (i) the taxpayer proper-
20 ly initiates payment on the last date by which the real property taxes
21 may be paid without the accrual of interest in accordance with applica-
22 ble law; and (ii) on the last date by which the real property taxes may
23 be paid without the accrual of interest in accordance with applicable
24 law, such account contains sufficient funds to enable the successful
25 completion of the electronic funds transfer; or

26 2. for taxpayers enrolled in an automatic debit program pursuant to
27 paragraph two of subdivision d of this section, (i) the department of
28 finance or its designee has been authorized to debit the taxpayer's
29 account on the last date by which the real property taxes may be paid
30 without the accrual of interest in accordance with applicable law; (ii)
31 such account is properly identified; and (iii) on the date such payment
32 is due, such account contains sufficient funds to enable the successful
33 completion of the electronic funds transfer.

34 h. Charge on returned payments. Where the department of finance or its
35 designee attempts to debit a taxpayer's account pursuant to a valid
36 electronic funds transfer agreement and is unable to successfully
37 complete the electronic funds transfer due to insufficient funds or
38 other cause not attributable to the department of finance or its desig-
39 nee, in addition to any interest accruing from the late payment of taxes
40 in accordance with applicable law, the same fee that is imposed for a
41 dishonored check pursuant to section eighty-five of the general municip-
42 al law shall be imposed on the affected real property, and such fee may
43 be collected in the manner provided in such section.

44 i. Hardship. If a taxpayer is unable to enroll in the electronic
45 payment program required by subdivision c of this section or subsequent
46 to enrollment becomes unable to make payments by electronic funds trans-
47 fer as required by this section, the taxpayer may seek a waiver by writ-
48 ten application to the department of finance that sets forth the reason
49 for such inability. Such waiver may be granted in the discretion of the
50 commissioner of finance, who may consider such criteria as:

51 1. the hardship, whether financial or practical, created by partic-
52 ipation in the electronic funds transfer program for the taxpayer seek-
53 ing the waiver;

54 2. the length of time for which the waiver is requested; and

55 3. any other factors that the commissioner may deem relevant.

1 The commissioner shall issue a determination, in writing, within ten
2 days of the department of finance's receipt of a waiver request pursuant
3 to this subdivision, but no waiver shall be granted with respect to the
4 payment of any installment of real property taxes that is due within
5 thirty days of the date of the request for a waiver.

6 j. Confidentiality. The department of finance shall assure the confi-
7 dentiality of information supplied by taxpayers in effecting electronic
8 funds transfers in accordance with applicable provisions of law. The
9 provisions of article six of the public officers law shall not apply to
10 any such information furnished by taxpayers subject to the requirements
11 of this section.

12 k. Failure to pay by electronic funds transfer. 1. With respect to any
13 real property as to which real property taxes are required to be paid by
14 electronic funds transfer under this section, but for which an install-
15 ment of real property taxes is not paid by electronic funds transfer and
16 is paid instead by any other method, including payment by check, (i)
17 with respect to the first installment that is paid by any other method,
18 including payment by check, the department of finance shall mail a warn-
19 ing notice to the taxpayer setting forth the requirement to make payment
20 by electronic funds transfer and the penalties for failure to do so; and
21 (ii) with respect to each and every subsequent installment that is paid
22 by any other method, including payment by check, the department of
23 finance shall impose a penalty charge in the amount of one percent of
24 the amount of the tax installment that was required under this section
25 to be paid by electronic funds transfer.

26 2. Any penalty charge imposed under this subdivision shall be a lien
27 against the real property for which the taxpayer failed to make a
28 payment in the manner required by this section, and shall accrue inter-
29 est at the same rate as is imposed on a delinquent tax on real property,
30 to be calculated to the date of payment from the date of entry. Such
31 lien shall be a tax lien within the meaning of sections 11-319 and
32 11-401 and may be sold, enforced or foreclosed in the manner provided in
33 chapters three and four of this title.

34 l. Rules. The commissioner may promulgate rules necessary to implement
35 this section.

36 CHAPTER 2

37 REAL PROPERTY ASSESSMENT, TAXATION AND CHARGES

38 SUBCHAPTER 1

39 ASSESSMENT ON REAL PROPERTY

40 § 11-201 Assessments on real property; general powers of finance
41 department. The commissioner of finance shall be charged generally with
42 the duty and responsibility of assessing all real property subject to
43 taxation within the city.

44 § 11-202 Maps and records; surveyor. The commissioner of finance
45 shall appoint a surveyor who shall make the necessary surveys and
46 corrections of the block or ward maps, and also make all new tax maps
47 which may be required.

48 § 11-203 Maps and records; tax maps. a. As used in the charter of
49 the city of Staten Island and in this code, the term "tax maps" shall
50 mean and include the block map of taxes and assessments to the extent
51 that the territory within the city of Staten Island is or shall be
52 embraced in such map, such ward or land maps as embrace the remainder of
53 such city, and also such maps as may be prepared under and pursuant to
54 subdivision d of this section.

1 b. Each separately assessed parcel shall be indicated on the tax maps
2 by a parcel number or by an identification number. A separate identifi-
3 cation number shall be entered upon the tax maps in such manner as
4 clearly to indicate each separately assessed parcel of real property not
5 indicated by parcel numbering. Real property indicated by a single
6 identification number shall be deemed to be a separately assessed
7 parcel.

8 In the case of a newly created parcel with any building thereon, no
9 tax lot number or identification number shall be assigned to such parcel
10 unless the commissioner of the department of buildings has certified
11 that the newly created parcel complies with all applicable zoning laws.

12 c. Parcel numbers shall designate each parcel by the use of three or
13 more numbers, of which one shall be a section or ward number, another a
14 block, district or plat number, and another a lot number. The depart-
15 ment of finance may from time to time change the form of the section and
16 blocks, and also the numbers thereof, on the tax maps filed in its
17 office whenever such change of form has been caused pursuant to section
18 one hundred ninety-nine of the charter of the preceding municipality as
19 it existed on the first of January in the year next succeeding the
20 effective date of this section and there shall thereafter be delineated
21 and entered upon such maps such new additional sections and blocks and
22 their numbers as necessity may require. Such administration may from
23 time to time change the form of the lots or parcels comprised within any
24 block, and also the numbers thereof, and cause to be shown on such maps
25 the separate lots or parcels of land contained in any new block added
26 thereto and also the lot numbers thereof, according to the general plan
27 employed in the making of such maps.

28 d. Each separately assessed parcel indicated by an identification
29 number shall be shown by a description, or by inscription of such number
30 on the block map of taxes and assessments, or by other map and
31 description. Such numbers may be altered in the same manner as provided
32 in subdivision c of this section for the alteration of parcel numbers.

33 e. New tax maps shall be certified by the department of finance and
34 filed in its main office. All changes and alterations made in the tax
35 maps shall be transmitted within thirty days after such change or alter-
36 ation to such office.

37 § 11-204 Tax maps; block references; alterations and corrections. The
38 word "block", as used in this section designates a plot or parcel of
39 land such as is commonly so designated in the city, wholly embraced
40 within the continuous lines of streets, or streets and waterfront taken
41 together where water forms one of the boundaries of a block, and such
42 other parcels of land or land under water as may be indicated by the
43 department of finance upon such tax maps by block numbers as constitut-
44 ing blocks.

45 § 11-205 Maps and records; public inspection; evidential value. a. The
46 books, maps, assessment-rolls, files and records of the department of
47 finance shall be kept in such of the offices of the department of
48 finance as may be most convenient to the taxpayers of the city and suit-
49 able to the proper discharge of the business of the department of
50 finance. They shall be public records and shall at all reasonable times
51 be open to public inspection.

52 b. Copies of all such records and transcripts thereof, certified by
53 the commissioner of finance or an assessor or by an officer or employee
54 of the department of finance designated by the commissioner of finance,
55 and under the seal of the department of finance, shall be admissible in
56 evidence in all courts and places in the same manner and for the same

1 purposes as books, papers or documents similarly authenticated by the
2 clerk of a county.

3 § 11-206 Power of the commissioner of finance to correct errors. The
4 commissioner of finance may correct any assessment or tax which is erro-
5 neous due to a clerical error or to an error of description contained in
6 the several books of annual record of assessed valuations, or in the
7 assessments-rolls. If the taxes computed on such erroneous assessment
8 have been paid, the commissioner of finance is authorized to refund or
9 credit the difference between the taxes computed on the erroneous and
10 corrected assessments.

11 § 11-207 Duties of assessors in assessing property. a. In performing
12 their assessment duties, the assessors shall personally examine each
13 parcel of taxable real estate during at least every third assessment
14 cycle, and shall personally examine each parcel of real estate that is
15 not taxable during at least every fifth assessment cycle, as measured
16 from the last preceding assessment cycle during which such parcel was
17 personally examined, provided, however, the assessors shall revalue,
18 reassess or update the assessment of each parcel of taxable or nontaxa-
19 ble real estate during each assessment cycle, irrespective of whether
20 such parcel was personally examined during each assessment cycle.

21 b. The persons having charge of the assessment office shall furnish to
22 the commissioner of finance, under oath, a detailed statement of all
23 taxable real estate in the city. Such statement shall contain the
24 street, the section or ward, the block and lot and map or identification
25 numbers of such real estate embraced within such city; the sum for
26 which, in their judgment, each separately assessed parcel of real estate
27 would sell under ordinary circumstances if it were wholly unimproved
28 and, separately stated, the sum for which the same parcel would sell
29 under ordinary circumstances with the improvements, if any, thereon,
30 such sums to be determined with regard to the limitations contained in
31 the state real property tax law. Such statement shall include such
32 other information as the commissioner of finance may, from time to time,
33 require.

34 § 11-208 Special right of entry; certificate of the commissioner of
35 finance. A right of entry upon real property and into buildings and
36 structures at all reasonable times to ascertain the character of the
37 property shall not be allowed to any person acting in behalf of the
38 department of finance, other than the officials mentioned in sections
39 one hundred fifty-six and one thousand five hundred twenty-one of the
40 charter of the preceding municipality as it existed on the first of
41 January in the year next succeeding the effective date of this section,
42 unless a certificate therefor, executed in writing and signed by the
43 commissioner of finance, is presented by such person to the owner,
44 lessee, or occupant of the premises or his or her agent before entry
45 thereon is made.

46 § 11-208.1 Income and expense statements. a. Where real property is
47 income-producing property, the owner shall be required to submit annual-
48 ly to the department not later than the first of September a statement
49 of all income derived from and all expenses attributable to the opera-
50 tion of such property as follows:

51 (1) Where the owner's books and records reflecting the operation of
52 the property are maintained on a calendar year basis, the statement
53 shall be for the calendar year preceding the date the statement shall be
54 filed.

55 (2) Where the owner's books and records reflecting the operation of
56 the property are maintained on a fiscal year basis for federal income

1 tax purposes, the statement shall be for the last fiscal year concluded
2 as of the first of August preceding the date the statement shall be
3 filed.

4 (3) Notwithstanding the provisions of paragraphs one and two of this
5 subdivision, where the owner of the property has not operated the prop-
6 erty and is without knowledge of the income and expenses of the opera-
7 tion of the property for a consecutive twelve month period concluded as
8 of the first of August preceding the date of the statement shall be
9 filed, then the statement shall be for the period of ownership.

10 (4) The commissioner may for good cause shown extend the time for
11 filing an income and expense statement by a period not to exceed thirty
12 days.

13 b. Such statements shall contain the following declaration: "I certify
14 that all information contained in this statement is true and correct to
15 the best of my knowledge and belief. I understand that the willful
16 making of any false statement of material fact herein will subject me to
17 the provisions of law relevant to the making and filing of false instru-
18 ments and will render this statement null and void."

19 c. The form on which such statement shall be submitted shall be
20 prepared by the commissioner and copies of such form shall be made
21 available at the offices of the department in the county in which the
22 property is located. The commissioner may, by rule, require such state-
23 ment to be submitted electronically in such form and such manner as the
24 commissioner may determine. For good cause, the commissioner may waive
25 any rule requiring electronic filing and may permit a statement to be
26 filed in such other manner as the commissioner may designate.

27 d. (1) In the event that an owner of income-producing property fails
28 to file an income and expense statement within the time prescribed in
29 subdivision a of this section (determined with regard to any extension
30 of time for filing), such owner shall be subject to a penalty in an
31 amount not to exceed three percent of the assessed value of such
32 income-producing property determined for the current fiscal year in
33 accordance with section fifteen hundred six of the charter of the
34 preceding municipality as it existed on the first of January in the year
35 next succeeding the effective date of this section provided, however,
36 that if such statement is not filed by the thirty-first of December, the
37 penalty shall be in an amount not to exceed four percent of such
38 assessed value. If, in the year immediately following the year in which
39 an owner fails to file by the thirty-first of December, the owner again
40 fails to file an income and expense statement within the time prescribed
41 in subdivision a of this section (determined with regard to any exten-
42 sion of time for filing), such owner shall be subject to a penalty in an
43 amount not to exceed five percent of the assessed value of such property
44 determined for the current fiscal year. Such owner shall also be subject
45 to a penalty of up to five percent of such assessed value in any year
46 immediately succeeding a year in which a penalty of up to five percent
47 could have been imposed, if in such succeeding year the owner fails to
48 file an income and expense statement within the time prescribed in
49 subdivision a of this section (determined with regard to any extension
50 of time for filing). The penalties prescribed in this paragraph shall be
51 determined by the commissioner after notice and an opportunity to be
52 heard.

53 (2) The tax commission shall deny a hearing on any objection to the
54 assessment of property for which an income and expense statement is
55 required and has not been timely filed.

1 (3) Where an income and expense statement required under the
2 provisions of this section has not been timely filed, the commissioner
3 may compel by subpoena the production of the books and records of the
4 owner relevant to the income and expenses of the property, and may also
5 make application to any court of competent jurisdiction for an order
6 compelling the owner to furnish the required income and expense state-
7 ment.

8 e. As used in this section, the term "income-producing property" means
9 property owned for the purpose of securing an income from the property
10 itself, but shall not include property with an assessed value of forty
11 thousand dollars or less, or residential property containing ten or
12 fewer dwelling units or property classified in class one or two as
13 defined in article eighteen of the real property tax law containing six
14 or fewer dwelling units and one retail store.

15 f. Except in accordance with proper judicial order or as otherwise
16 provided by law, it shall be unlawful for the commissioner, any officer
17 or employee of the department, the president or a commissioner or
18 employee of the tax commission, any person engaged or retained by the
19 department or the tax commission on an independent contract basis, or
20 any person, who, pursuant to this section, is permitted to inspect any
21 income and expense statement or to whom a copy, an abstract or a portion
22 of any such statement is furnished, to divulge or make known in any
23 manner except as provided in this subdivision, the amount of income
24 and/or expense or any particulars set forth or disclosed in any such
25 statement required under this section. The commissioner, the president
26 of the tax commission, or any commissioner or officer or employee of the
27 department or the tax commission charged with the custody of such state-
28 ments shall not be required to produce any income and expense statement
29 or evidence of anything contained in them in any action or proceeding in
30 any court, except on behalf of the department or the tax commission.
31 Nothing herein shall be construed to prohibit the delivery to an owner
32 or his or her duly authorized representative of a certified copy of any
33 statement filed by such owner pursuant to this section or to prohibit
34 the publication of statistics so classified as to prevent the identifi-
35 cation of particular statements and the items thereof, or making known
36 aggregate income and expense information disclosed with respect to prop-
37 erty classified as class four as defined in article eighteen of the real
38 property tax law without identifying information about individual leas-
39 es, or making known a range as determined by the commissioner within
40 which the income and expenses of a property classified as class two
41 falls, or the inspection by the legal representatives of the department
42 or of the tax commission of the statement of any owner who shall bring
43 an action to correct the assessment. Any violation of the provisions of
44 this subdivision shall be punished by a fine not exceeding one thousand
45 dollars or by imprisonment not exceeding one year, or both, at the
46 discretion of the court, and if the offender be an officer or employee
47 of the department or the tax commission, the offender shall be dismissed
48 from office.

49 g. The commissioner shall be authorized to promulgate rules and regu-
50 lations necessary to effectuate the purposes of this section.

51 h. Subdivision f of this section shall be deemed a state statute for
52 purposes of paragraph (a) of subdivision two of section eighty-seven of
53 the public officers law.

54 § 11-209 Taxable status of building in course of construction. a. A
55 building in the course of construction, commenced since the preceding
56 fifth day of January and not ready for occupancy on the fifth day of

1 January following, shall not be assessed unless it shall be ready for
2 occupancy or a part thereof shall be occupied prior to the fifteenth of
3 April.

4 b. (1) A commercial building in the course of construction, commenced
5 since the fifth day of January one year preceding the taxable status
6 date and not ready for occupancy or partially occupied on the taxable
7 status date, shall not be assessed unless it shall be ready for occupan-
8 cy or a part thereof shall be occupied prior to the fifteenth day of
9 April following the taxable status date.

10 (2) A commercial building in the course of construction, commenced
11 since the fifth day of January two years preceding the taxable status
12 date and not ready for occupancy or partially occupied on the taxable
13 status date, shall not be assessed unless it shall be ready for occupan-
14 cy or a part thereof shall be occupied prior to the fifteenth day of
15 April following the taxable status date.

16 (3) A commercial building in the course of construction, commenced
17 since the fifth day of January three years preceding the taxable status
18 date and not ready for occupancy or partially occupied on the taxable
19 status date, shall not be assessed unless it shall be ready for occupan-
20 cy or a part thereof shall be occupied prior to the fifteenth day of
21 April following the taxable status date.

22 c. For purposes of this section, a "commercial building" shall mean a
23 building that is intended to be used, and upon completion is used,
24 exclusively for buying, selling or otherwise providing goods or
25 services, or for other lawful business, commercial or manufacturing
26 activities, excluding hotel services, except that a commercial building
27 may contain a residential component other than a hotel, provided (i)
28 that such residential component is receiving or has applied for and is
29 eligible to receive a partial exemption from real property taxes pursu-
30 ant to section four hundred twenty-one-a of the real property tax law,
31 or (ii) that such residential component in its entirety, both land and
32 building, is receiving or has applied for and is eligible to receive a
33 full exemption from real property taxes, provided, however, a "commer-
34 cial building" shall not include any building that is constructed on
35 block 1049, lot 29 as shown on the tax map of the city of New York for
36 the borough of Manhattan as such map was in effect for the assessment
37 roll published in calendar year two thousand.

38 d. Subdivision b of this section shall not apply to a tax lot that
39 constitutes a part of a building unless the building viewed as a whole
40 is a commercial building as defined in subdivision c of this section.

41 e. Any building that receives the benefit conferred pursuant to subdivi-
42 sion b of this section that is subsequently determined not to have
43 been a commercial building as defined in subdivision c of this section
44 for any year in which it received such benefit shall have its assessment
45 corrected for any such year. Taxes shall be imposed in the amount that
46 would have applied had the corrected taxable assessed value appeared on
47 the final assessment roll.

48 § 11-210 Books of annual record of assessed valuation of real estate
49 indicated by parcel numbers; form and contents. a. There shall be kept
50 in the office of the department of finance, books of the annual record
51 of the assessed valuation of real estate to be called "the annual record
52 of the assessed valuation of real estate indicated by parcel numbers in
53 the Staten Island", in which shall be entered in detail the assessed
54 valuation of each separately assessed parcel indicated by a parcel
55 number within the limits of Staten Island.

1 b. The assessed valuation of each such parcel shall be set down in
2 such books in two columns. In the first column shall be stated, oppo-
3 site each such parcel, the sum for which such parcel would sell under
4 ordinary circumstances if wholly unimproved; and in the second column,
5 the sum for which such parcel would sell under ordinary circumstances
6 with the improvements, if any thereon.

7 c. Such books shall be prepared in such manner that the assessed valu-
8 ations entered therein shall be under sections and block headings as may
9 be most convenient for use in connection with the tax maps described in
10 section 11-203 of this chapter.

11 § 11-211 Books of annual record of assessed valuation of real estate
12 indicated by identification numbers. a. The assessed valuation of all
13 taxable real property indicated by identification numbers shall be
14 entered in the office of the department of finance.

15 b. The assessors in the city shall furnish to the commissioner of
16 finance at the office of the department of finance, a detailed statement
17 under oath of the assessable real property indicated by an identifica-
18 tion number in such city.

19 c. There shall be kept in the office of the department of finance,
20 books of the annual record of the assessed valuation of real estate to
21 be known as "the annual record of the assessed valuation of real estate
22 indicated by identification numbers", in which shall be entered the
23 assessed valuations of the real property mentioned in this section.

24 § 11-212 Power of the commissioner of finance to equalize assessments
25 before opening books. a. Before opening the several books of annual
26 record of assessed valuation for public inspection, the commissioner of
27 finance shall fix the valuations of property for the purpose of taxation
28 throughout the city at such sums as will, in the commissioner's judg-
29 ment, establish a just and equal relation between the valuations of
30 property throughout the entire city.

31 b. To this end the assessors are required to transmit to the commis-
32 sioner of finance in each year a report of the assessed valuation of
33 real property at such time prior to the fifteenth of January as such
34 commissioner may prescribe.

35 § 11-213 Errors in annual records or assessment-rolls. The omission
36 from the several books of annual record of assessed valuations or from
37 the assessment-rolls in respect to the entry therein of the name of the
38 rightful owner or owners of real estate, whether individuals or corpo-
39 rations, shall not invalidate any tax or assessment. In such case,
40 however, no tax shall be collected except from the real estate so
41 assessed.

42 § 11-214 Procedure on apportionment of assessment. a. The commissioner
43 of finance may apportion any assessment in such manner as he or she
44 shall deem just and equitable, and forthwith cause such assessment to be
45 cancelled and new assessments, equal in the aggregate to the cancelled
46 assessment, to be made on the proper books and rolls. Within five days
47 thereafter the commissioner of finance shall cause written notice of the
48 new assessments to be mailed to the owners of record of the real estate
49 so assessed at their last known residence or business address, and an
50 affidavit of the mailing of such notice to be filed in the office of the
51 department of finance.

52 b. When such notice is mailed after the first of February such owners
53 may apply for correction of such assessments within twenty days after
54 the mailing of such notice with the same force and effect as if such
55 application were made on or before the first of March in such year.

1 § 11-215 Entry of corrections made by tax commission. Upon receiving
2 notice of a correction of an assessment made by the tax commission, the
3 commissioner of finance shall cause the amount of the assessment as
4 corrected to be entered upon the proper books of annual record and the
5 assessment-rolls for the year for which such correction is made.

6 § 11-216 Reduction in assessments; publication. a. There shall be
7 published annually in the City Record a list of all reductions in real
8 property assessments granted by the tax commission identifying the name
9 of the property owner, the address and the amount of reduction.

10 b. No reduction shall be granted for an income-producing property
11 unless there is submitted to the tax commission a statement of income
12 and expenses in the form prescribed by the tax commission and which
13 shall be, in the case of property valued at one million dollars or more
14 certified by a certified public accountant. The commissioner granting
15 such reduction in assessment shall state in a short memorandum the basis
16 upon which the reduction is granted.

17 c. In all cases where the reduction in assessment for the current year
18 is for fifty thousand dollars or more, the concurrence of the president
19 of the tax commission shall be required.

20 § 11-217 Assessment-rolls; form and contents. Assessment-rolls shall
21 be so arranged with respect to number of columns and shall contain such
22 entries as the commissioner of finance shall prescribe, sufficient to
23 identify the property assessed and to show its total assessed valuation.
24 Real estate shall be described therein by the numbers by which such
25 property is designated on the tax maps and in the several books of the
26 annual record of the assessed valuation of real estate, and such numbers
27 shall import into the assessment-rolls any necessary identifying
28 description shown by the tax maps.

29 § 11-218 Assessment-rolls; delivery to council or city clerk. a. The
30 council shall meet at noon, on the day of delivery of the rolls, other
31 than a Saturday, Sunday, or legal holiday, at the city hall or usual
32 place of meeting for the purpose of receiving the assessment-rolls and
33 performing such other duties in relation thereto as are prescribed by
34 law.

35 b. If the council fails to meet as herein prescribed, the rolls shall
36 be delivered to the city clerk with the same effect as if delivered to
37 the council.

38 § 11-219 Books of annual record; delivery for publication. Within two
39 weeks after the delivery of the assessment-rolls to the council, the
40 commissioner of finance shall furnish to the director of the City Record
41 a copy of the several books of the annual record of the assessed valu-
42 ation of real estate, omitting, however, the two columns headed respec-
43 tively "size of house" and "houses on lot."

44 § 11-220 Council; date of meeting to fix tax rate. The council shall
45 meet on a day other than a Saturday, Sunday or legal holiday, to fix the
46 annual tax rate.

47 § 11-221 Extension of tax on assessment-rolls or upon assessment-roll
48 cards. The respective sums to be paid as taxes on the valuation of real
49 property, may be set down in the assessment-rolls, or upon assessment-
50 roll cards.

51 § 11-222 Tax account of the commissioner of finance. Upon notification
52 from the public advocate of the amount of taxes mentioned in such
53 assessment-rolls and tax warrants, the comptroller shall cause the prop-
54 er sum to be charged to the commissioner of finance for collection.

55 § 11-223 Apportionment of taxes. a. If a sum of money in gross has
56 been or shall be taxed upon any lands or premises, any person or persons

1 claiming any dividend or undivided part thereof may pay such part of
2 such sum so taxed and of any interest and charges due or charged there-
3 on, as the commissioner of finance may deem to be just and equitable.

4 b. The commissioner of finance shall apportion the assessed valuation
5 of such lands or premises.

6 c. The remainder of the sum of money so taxed and the interest and
7 charges shall be a lien upon the residue of the land and premises only,
8 and the tax lien upon such residue may be sold to satisfy such tax,
9 interest or charges thereon, in the same manner as though the residue of
10 said tax had been imposed only upon such residue of such lands or prem-
11 ises.

12 § 11-224 Interest on unpaid taxes. a. If any tax on real estate which
13 shall have become due and payable prior to January first, nineteen
14 hundred thirty-four, is unpaid in whole or in part, the commissioner of
15 finance shall charge, receive and collect interest upon the amount of
16 such tax or such part thereof, to be calculated to the date of payment
17 at the rate of seven per centum per annum from the date when such tax or
18 such part thereof became due and payable to January first, nineteen
19 hundred thirty-four, at the rate of ten per centum per annum from Janu-
20 ary first, nineteen hundred thirty-four to May first, nineteen hundred
21 thirty-seven, or at the rate of seven per centum per annum for such
22 period if the comptroller and the commissioner of finance, in their
23 discretion, both determine that the payment of any tax arrears at such
24 reduced rate of interest may operate to save the property upon which
25 such taxes are in arrears from foreclosure or encourage its development
26 or is otherwise in the public interest, at the rate of seven per centum
27 per annum from May first, nineteen hundred thirty-seven to August first,
28 nineteen hundred sixty-nine, and from August first, nineteen hundred
29 sixty-nine to December thirty-first, nineteen hundred seventy-six, at
30 the rate of seven per centum per annum if the annual tax on a parcel is
31 two thousand dollars or less, and at the rate of one per centum per
32 month if the annual tax on a parcel is more than two thousand dollars
33 or, irrespective of the annual tax, if a parcel consists of vacant or
34 unimproved land, and from January first, nineteen hundred seventy-seven
35 at the rate of seven per centum per annum if the annual tax on a parcel
36 is two thousand dollars or less, and at the rate of fifteen per centum
37 per annum if the annual tax on a parcel is more than two thousand
38 dollars or, irrespective of the annual tax, if a parcel consists of
39 vacant or unimproved land.

40 b. If any tax on real estate which shall have become due and payable
41 after January first, nineteen hundred thirty-four and prior to April
42 first, nineteen hundred thirty-seven, is unpaid in whole or in part, the
43 commissioner of finance shall charge, receive and collect interest upon
44 the amount of such tax or such part thereof, to be calculated to the
45 date of payment at the rate of ten per centum per annum from the date on
46 which such tax or such part thereof became due and payable to May first,
47 nineteen hundred thirty-seven, or at the rate of seven per centum per
48 annum for such period if the comptroller and the commissioner of
49 finance, in their discretion, both determine that the payment of any tax
50 arrears at such reduced rate of interest may operate to save the proper-
51 ty upon which such taxes are in arrears from foreclosure or encourage
52 its development or is otherwise in the public interest, at the rate of
53 seven per centum per annum from May first, nineteen hundred thirty-seven
54 to August first, nineteen hundred sixty-nine, from August first, nine-
55 teen hundred sixty-nine to December thirty-first, nineteen hundred
56 seventy-six, at the rate of seven per centum per annum if the annual tax

1 on a parcel is two thousand dollars or less, and at the rate of one per
2 centum per month if the annual tax on a parcel is more than two thousand
3 dollars or, irrespective of the annual tax, if a parcel consists of
4 vacant or unimproved land, and from January first, nineteen hundred
5 seventy-seven, at the rate of seven per centum per annum if the annual
6 tax on a parcel is two thousand dollars or less, and at the rate of
7 fifteen per centum per annum if the annual tax on a parcel is more than
8 two thousand dollars or, irrespective of the annual tax, if a parcel
9 consists of vacant or unimproved land.

10 c. If any tax on real estate which shall have become due and payable
11 on or after April first, nineteen hundred thirty-seven and prior to
12 August first, nineteen hundred sixty-nine is unpaid in whole or in part,
13 the commissioner of finance shall charge, receive and collect interest
14 upon the amount of such tax or such part thereof, to be calculated to
15 the date of payment at the rate of seven per centum per annum from the
16 day on which such tax or such part thereof became due and payable to
17 August first, nineteen hundred sixty-nine, from August first, nineteen
18 hundred sixty-nine to December thirty-first, nineteen hundred seventy-
19 six, at the rate of seven per centum per annum if the annual tax on a
20 parcel is two thousand dollars or less, and at the rate of one per
21 centum per month if the annual tax on a parcel is more than two thousand
22 dollars or, irrespective of the annual tax, if a parcel consists of
23 vacant or unimproved land, and from January first, nineteen hundred
24 seventy-seven at the rate of seven per centum per annum if the annual
25 tax on a parcel is two thousand dollars or less, and at the rate of
26 fifteen per centum per annum if the annual tax on a parcel is more than
27 two thousand dollars or, irrespective of the annual tax, if a parcel
28 consists of vacant or unimproved land.

29 d. If any tax on real estate which shall have become due and payable
30 on or after August first, nineteen hundred sixty-nine and prior to
31 December thirty-first, nineteen hundred seventy-six, is unpaid in whole
32 or in part, the commissioner of finance shall charge, receive and
33 collect interest upon the amount of such tax or such part thereof, to be
34 calculated from the date on which such tax or such part thereof became
35 due and payable to December thirty-first, nineteen hundred seventy-six,
36 at the rate of seven per centum per annum if the annual tax on a parcel
37 is two thousand dollars or less, and at the rate of one per centum per
38 month if the annual tax on a parcel is more than two thousand dollars
39 or, irrespective of the annual tax, if a parcel consists of vacant or
40 unimproved land, and from January first, nineteen hundred seventy-seven
41 at the rate of seven per centum per annum if the annual tax on a parcel
42 is two thousand dollars or less, and at the rate of fifteen per centum
43 per annum if the annual tax on a parcel is more than two thousand
44 dollars or, irrespective of the annual tax, if a parcel consists of
45 vacant or unimproved land.

46 e. If any tax on real estate which shall become due and payable at any
47 time on or after January first, nineteen hundred seventy-seven, shall
48 remain unpaid in whole or in part on the fifteenth day following the
49 date on which the same shall become due and payable, the commissioner of
50 finance shall charge, receive and collect interest upon the amount of
51 such tax or such part thereof remaining unpaid on that date, to be
52 calculated from the day on which such tax or such part thereof became
53 due and payable to the date of payment at the rate of seven per centum
54 per annum if the annual tax on a parcel is two thousand dollars or less,
55 and at the rate of fifteen per centum per annum if the annual tax on a

1 parcel is more than two thousand dollars or, irrespective of the annual
2 tax, if a parcel consists of vacant or unimproved land.

3 f. If any tax on real estate which shall become due and payable at any
4 time on or after July first, nineteen hundred seventy-nine, shall remain
5 unpaid in whole or in part on the fifteenth day following the date on
6 which the same shall become due and payable, or if any tax on real
7 estate which became due and payable prior to July first, nineteen
8 hundred seventy-nine shall remain unpaid on that date, the commissioner
9 of finance shall charge, receive and collect interest upon the amount of
10 such tax or such part thereof remaining unpaid, to be calculated, in the
11 case of any tax which shall become due and payable on or after July
12 first, nineteen hundred seventy-nine, from the day on which such tax or
13 such part thereof became due and payable, and in the case of any tax
14 which became due and payable prior to July first, nineteen hundred
15 seventy-nine, from July first, nineteen hundred seventy-nine, to the
16 date of payment at the rate of seven per centum per annum if the annual
17 tax on a parcel is two thousand seven hundred fifty dollars or less, and
18 at the rate of fifteen per centum per annum if the annual tax on a
19 parcel is more than two thousand seven hundred fifty dollars or, irre-
20 spective of the annual tax, if a parcel consists of vacant or unimproved
21 land. Any interest accrued prior to July first, nineteen hundred seven-
22 ty-nine, pursuant to subdivisions a through e of this section shall be
23 unaffected by the provisions of this subdivision.

24 g. No later than the twenty-fifth day of May of each year, the banking
25 commission shall transmit a written recommendation to the council of a
26 proposed interest rate to be charged for nonpayment of taxes on real
27 estate in those cases where the annual tax on a parcel is more than two
28 thousand seven hundred fifty dollars or where, irrespective of the annu-
29 al tax, a parcel consists of vacant or unimproved land. In making such
30 recommendations the commission shall consider the prevailing interest
31 rates charged for commercial loans extended to prime borrowers by
32 commercial banks operating in the city and shall propose a rate of at
33 least six per centum per annum greater than such rates. The council may
34 by resolution adopt an interest rate to be applicable to the foremen-
35 tioned parcels and may specify in such resolution the date on which such
36 interest rate is to take effect.

37 h. Notwithstanding anything to the contrary contained in the recommen-
38 dation transmitted by the banking commission to the council relative to
39 the proposed rate of interest to be charged during the fiscal year of
40 the city commencing July first, nineteen hundred seventy-nine in the
41 case of nonpayment of real estate taxes, or contained in the resolution
42 adopted by the council in accordance with such recommendation, the coun-
43 cil hereby sets the interest rate to be charged during the fiscal year
44 of the city commencing July first, nineteen hundred seventy-nine for
45 nonpayment of real estate taxes at eighteen per centum per annum where
46 the annual tax on a parcel is more than two thousand seven hundred fifty
47 dollars or where the parcel consists of vacant or unimproved land.

48 i. The interest mentioned in subdivisions a through h of this section
49 shall be paid over and accounted for from time to time by such commis-
50 sioner of finance as a part of the tax collected by him or her.

51 j. When an installment agreement has been entered into pursuant to any
52 of the provisions of chapter four of this title, during the period
53 beginning on the date this subdivision takes effect and ending April
54 thirtieth, nineteen hundred eighty-two, the commissioner of finance
55 shall, notwithstanding any higher rate of interest prescribed pursuant
56 to applicable law, and unless a lower rate of interest is applicable to

1 a parcel covered by such an agreement, charge, collect and receive
2 interest on the arrears due and payable under such agreement, to be
3 calculated at the rate of ten percent per annum from May first, nineteen
4 hundred eighty-two to the date of payment of each installment. Any
5 interest accrued or accruing prior to May first, nineteen hundred eight-
6 y-two shall not be affected by the provisions of this subdivision but
7 shall be charged, collected and received in the manner and at the rates
8 prescribed pursuant to applicable law. Such ten percent rate of inter-
9 est shall be applicable only if, as of May first, nineteen hundred
10 eighty-two, (i) there has been no default in such agreement, and (ii)
11 all current taxes, assessments or other legal charges are paid as they
12 become due or within the period of grace provided by law. Where an
13 installment agreement has been entered into prior to May fifth, nineteen
14 hundred eighty-two pursuant to the provisions of either paragraph three
15 of subdivision a of section 11-413 of chapter four of this title prior
16 to March fourteenth, nineteen hundred seventy-nine or of subdivision a
17 of section 11-405 or subdivision h of section 11-409 of chapter four of
18 this title and said agreement is current as to both installment payments
19 and current taxes, assessments and other legal charges, the commissioner
20 of finance, on application of the party who entered into such agreement,
21 may cancel said agreement and enter into a new agreement containing the
22 terms provided on May fifth, nineteen hundred eighty-two. If any such
23 prior agreement is not cancelled as herein provided, any installments
24 due and payable under such agreement on or after May first, nineteen
25 hundred eighty-two shall be subject to interest at the rate and under
26 the conditions set forth above. In the event of any subsequent default
27 or failure to make timely payment of any installment payment or current
28 tax, assessment or other legal charge, the ten percent rate of interest
29 specified in this subdivision shall thereupon cease to be applicable and
30 the commissioner of finance shall thereafter charge, collect and receive
31 interest in the manner and at the rates prescribed pursuant to applica-
32 ble law.

33 k. 1. Notwithstanding any other provision of this section to the
34 contrary, but subject to the exception contained in paragraph two of
35 this subdivision, in the case of an installment of tax on real property
36 described in paragraph b of subdivision four of section fifteen hundred
37 nineteen of the city charter of the preceding municipality as it existed
38 on the first of January in the year next succeeding the effective date
39 of this section, interest shall be charged, received and collected at
40 the rate established pursuant to this section if such installment shall
41 remain unpaid in whole or in part on the date on which it shall become
42 due and payable.

43 2. If the tax rate for any fiscal year of the city has not been set by
44 the fifteenth of June preceding the start of such fiscal year, interest
45 shall not be charged, received and collected with respect to the first
46 installment of tax which is due and payable on the first of July in such
47 fiscal year if such installment is paid on or before the extended
48 payment date. For this purpose, the term "extended payment date" means
49 the date which falls the same number of days after the first of July in
50 such fiscal year as the number of days the date such tax rate is set
51 falls after such fifteenth of June.

52 1. No later than the fifth day following the effective date of this
53 subdivision and no later than May twenty-fifth of each succeeding year,
54 the banking commission shall transmit a written recommendation to the
55 council of proposed interest rates to be charged for nonpayment of taxes
56 on real property in those cases in which the annual tax on a parcel,

1 other than a parcel which consists of vacant or unimproved land, is not
2 more than two thousand seven hundred fifty dollars. In making such
3 recommendations, the banking commission shall consider the prevailing
4 interest rates charged for commercial loans extended to prime borrowers
5 by commercial banks operating in the city. In the case of any such
6 parcel with respect to which the real property taxes are held in escrow
7 and paid to the commissioner of finance by a "mortgage escrow agent," as
8 that term is defined in section fifteen hundred nineteen of the city
9 charter of the preceding municipality as it existed on the first of
10 January in the year next succeeding the effective date of this section,
11 the proposed rate shall be at least six percent per annum greater than
12 such prevailing prime rate, and in the case of all other such parcels,
13 the proposed rate shall be at least equal to such prevailing prime rate.
14 The council may by resolution adopt interest rates to be applicable to
15 the aforementioned parcels and may specify in such resolution the dates
16 on which such interest rates are to take effect. In the event the coun-
17 cil does not adopt interest rates as provided in this subdivision, the
18 interest rates otherwise specified in this section shall be applicable.

19 § 11-224.1 Interest on unpaid real property tax.

20 (a) For real property with an assessed value of eighty thousand
21 dollars or less, if an installment of tax due and payable is not paid by
22 July fifteenth, October fifteenth, January fifteenth or April fifteenth,
23 interest shall be imposed on such unpaid amounts.

24 (b) For real property with an assessed value of over eighty thousand
25 dollars, if an installment of tax due and payable is not paid by July
26 first or January first, interest shall be imposed on such unpaid
27 amounts.

28 (c) If the council does not adopt interest rates by July first, two
29 thousand twenty-five, the rates shall be (i) for real property with an
30 assessed value of eighty thousand dollars or less, seven percent per
31 annum; and (ii) for real property with an assessed value of over eighty
32 thousand dollars, fifteen percent per annum.

33 (d) (i) Any tax or part of a tax that became due before July first,
34 two thousand five and remains unpaid after June thirtieth, two thousand
35 twenty-five, shall continue to accrue interest until paid at the rate
36 applicable under this section.

37 (ii) This section shall not apply to interest accrued before July
38 first, two thousand twenty-five.

39 (e) By May twenty-fifth of each year, the banking commission shall
40 send a written recommendation to the council of a proposed interest rate
41 to be charged for nonpayment of taxes on real property. The commission
42 shall consider the prevailing interest rates charged for commercial
43 loans extended to prime borrowers by commercial banks operating in the
44 city and:

45 (i) for real property with an assessed value of eighty thousand
46 dollars or less, shall propose a rate at least equal to such prevailing
47 prime rate;

48 (ii) for real property with an assessed value of over eighty thousand
49 dollars, shall propose a rate of at least six percent per annum greater
50 than such prevailing prime rate.

51 The council may by resolution adopt interest rates to be applicable to
52 the aforementioned properties and may specify in such resolution the
53 date that such rates will take effect.

54 (f) If the tax rate for any fiscal year of the city is not set by the
55 fifteenth of June preceding the start of such fiscal year, interest
56 shall not be charged for the first installment of tax which is due on

1 the first day of July in such fiscal year if such installment is paid on
2 or before the extended payment date. For this purpose, the term
3 "extended payment date" means the date which falls the same number of
4 days after the first day of July in such fiscal year as the number of
5 days the date such tax rate is set falls after such fifteenth day of
6 June.

7 (g) For purposes of this section, property held in the cooperative
8 form of ownership shall not be deemed to have an assessed value of over
9 eighty thousand dollars if the property's assessed value divided by the
10 number of residential dwelling units is eighty thousand dollars or less
11 per unit.

12 § 11-225 Power of tax commission to remit or reduce taxes. The tax
13 commission shall have power to remit or reduce a tax imposed upon real
14 property where lawful cause therefor is shown or where such tax is found
15 to be excessive or otherwise erroneous, but such remission or reduction
16 shall be made only with respect to an assessment for which an applica-
17 tion for correction has been made pursuant to section one hundred
18 sixty-three of the charter, and no such remission or reduction shall be
19 made when a claim to correct the assessment or recover the tax would be
20 barred by passage of time or other adequate defense, or when, at the
21 time that the determination is rendered, applications for correction or
22 other proceedings are pending to review the assessment of such property
23 for more than one subsequent fiscal year, provided, however, the tax
24 commission shall have no power to remit or reduce a tax pursuant to this
25 section more than five years after the last day on which an application
26 for correction could have been filed to appeal the unlawful or erroneous
27 assessment upon which such tax was based. If such tax shall have been
28 paid the commissioner of finance is authorized to refund or credit the
29 amount of any such remission or reduction granted pursuant to this
30 section. When the correction results from an application for correction
31 made by the board of managers of a condominium, a refund may be paid to
32 the board of managers for distribution to the individual unit owners
33 with the consent of such board and on such conditions as the commission-
34 er deems appropriate.

35 § 11-226 Special right of entry; certificate of president. A right of
36 entry upon real property and into buildings and structures at all
37 reasonable times to ascertain the character of the property shall not be
38 allowed to any person acting in behalf of the tax commission, other than
39 the officials mentioned in sections one hundred fifty-six and fifteen
40 hundred twenty-one of the charter of the preceding municipality as it
41 existed on the first of January in the year next succeeding the effec-
42 tive date of this section, unless a certificate therefor, executed in
43 writing and signed by the president of the tax commission, is presented
44 by such person to the owner, lessee or occupant of the premises or his
45 agent before entry thereon is made.

46 § 11-227 Duties of authorized employees in examining applicants. a.
47 Employees of the tax commission, when authorized to take testimony on
48 application, shall reduce such testimony to writing.

49 b. Within ten days after the evidence on any application is taken,
50 they shall transmit the application and testimony so taken, with their
51 recommendation, to the tax commission at its main office or such other
52 office as the commission may prescribe.

53 § 11-228 Testimony taken on application to constitute part of record.
54 All written testimony taken by the tax commission, by a commissioner, or
55 by an employee of the commission authorized to take testimony on appli-

1 cations, shall constitute part of the record of the proceedings upon any
2 assessment.

3 § 11-229 Solicitation of retainers prohibited. It shall be unlawful
4 for any person or his or her or its agents or employee, or any person
5 acting on his or her or its behalf, to solicit, or procure through
6 solicitation, either directly or indirectly, any retainer or agreement:

7 (a) Authorizing such person, or his or her or its agent, employee or
8 any person acting on his or her or its behalf, to make application to
9 the commissioner of finance or tax commission for the correction of a
10 tentative or final assessed valuation of real property on behalf of an
11 owner of such property or other person claiming to be aggrieved, or

12 (b) Authorizing such person, or his or her or its agent, employee or
13 any person acting on his or her or its behalf, to appear for such
14 purpose or represent such owner or aggrieved person before such commis-
15 sion or a commissioner or any other officer or employee authorized by
16 law to act upon such application, examine applicants, take testimony,
17 make or recommend the making of a correction of any such assessed valu-
18 ation, or take any other official action in relation to any such
19 correction. Any violation of this section shall be a misdemeanor.

20 § 11-230 Issuance of final determination; limitation of time. Except
21 as otherwise provided in section one hundred sixty-five of the charter
22 of the preceding municipality as it existed on the first of January in
23 the year next succeeding the effective date of this section, the final
24 determination of the tax commission upon any application for the
25 correction of an assessment and upon the evidence taken thereunder
26 shall, where the evidence is taken by the commission or by a commis-
27 sioner, be rendered within thirty days after the hearing of such application
28 is closed. Where the evidence is taken by an employee of the tax commis-
29 sion authorized to take testimony on applications, the final determi-
30 nation shall be rendered within thirty days after the application and
31 the testimony hereon shall have been filed with the commission at its
32 main office.

33 Immediately upon making a correction of an assessment, the tax commis-
34 sion shall notify the commissioner of finance thereof.

35 § 11-231 Proceeding to review tax assessment; contents of petition. a.
36 Any person or corporation claiming to be aggrieved by the assessed valu-
37 ation of real property may commence a proceeding to review or correct on
38 the merits a final determination of the tax commission by serving on the
39 president of the tax commission, or his or her duly authorized agent, a
40 copy of a verified petition as prescribed by law. No such petition shall
41 be accepted unless, prior to the service thereof, an index number has
42 been obtained from the county clerk. Within ten days after a proceeding
43 has been commenced as hereinbefore provided, the original verified peti-
44 tion with proof of service shall be filed in the office of the clerk of
45 the court in which the proceeding is to be heard.

46 b. Such review shall be allowed only on one or more of the following
47 grounds, which must be specified in such petition:

48 1. That the assessment is illegal, and stating the particulars of the
49 alleged illegality, or

50 2. That the assessment is erroneous by reason of over-valuation, or

51 3. That the assessment is erroneous by reason of inequality, in that
52 it has been made at a higher proportionate valuation than the assessment
53 of other real property on the assessment rolls of the city for the same
54 year, and for assessments made after December thirty-first, nineteen
55 hundred eighty-one, other real property within the same class as defined
56 in section eighteen hundred two of the real property tax law, specifying

1 the instances in which such inequality exists and the extent thereof,
2 and stating that the petitioner is or will be injured thereby, or

3 4. That the real property is misclassified, and stating the class in
4 which it is claimed the property should be classified.

5 c. The proceeding shall be maintained against the tax commission
6 either by naming the president and the commissioners of the tax commis-
7 sion individually, or by naming the tax commission of the city of Staten
8 Island generally.

9 d. Such proceeding to review and all proceedings thereunder shall be
10 brought at a special term of the supreme court in the judicial district
11 where the real property so assessed is situated.

12 e. The justice or referee before whom such proceeding shall be heard
13 may inspect the real property which is the subject of the proceeding.

14 § 11-232 Comptroller; rates of interest on taxes and assessments. The
15 comptroller shall not reduce the rate of interest upon any taxes or
16 assessments below the amount fixed by law.

17 § 11-233 Cancellation of unpaid taxes. When it shall appear to the
18 comptroller that the unpaid taxes or assessments, or both, together with
19 the interest and penalties thereon which may have been levied upon a
20 parcel of real estate subject to easements which were in existence prior
21 to the levying of such taxes or assessments, equal or exceed the sum for
22 which, under ordinary circumstances, such parcel of real estate would
23 sell subject to such easements, the comptroller, with the written
24 approval of the corporation counsel, may settle and adjust such unpaid
25 taxes or assessments, or both, with the interest and penalties thereon,
26 and when it shall appear to the comptroller that such parcel of real
27 estate would sell under ordinary circumstances subject to such easements
28 for only a nominal sum, then the comptroller with the written approval
29 of the corporation counsel may cancel such unpaid taxes and assessments
30 together with the interest and penalties thereon.

31 § 11-235 Board of estimate; power to cancel taxes, assessments and
32 water rents. The board of estimate, upon the written certificate of the
33 comptroller approving the same, with whom application for relief under
34 this section shall be filed, in its discretion and upon such terms as it
35 may deem proper, by unanimous vote, may cancel and annul all taxes,
36 assessments and water rents and sales to the city of any or all of the
37 same which now are or may hereafter become a lien against any real
38 estate owned by any corporation, entitled to exemption of such real
39 estate owned by it from local taxation under the provisions of the real
40 property tax law formerly contained in subdivision six of section four
41 of the tax law, provided that all taxes and water rents from which
42 relief is asked be apportioned as of the date such corporation took
43 title to such real estate, and that such taxes and water rents so appor-
44 tioned to the period before such date, and all assessments which became
45 a lien before such date, be paid. The commissioner of finance shall mark
46 the city's books and rolls of taxes, assessments and water rents in
47 accordance with the determination of the board of estimate in every case
48 in which action shall be taken under the provisions of this section.

49 § 11-236 Powers of board of estimate to cancel taxes, water rents and
50 assessments. The council by local law may authorize the board of esti-
51 mate, by a unanimous vote, upon the written consent of the comptroller,
52 to cancel and annul any taxes, water rents and assessments constituting
53 a lien against any real property owned by a corporation whose property
54 is exempt from taxation under the provisions of the real property tax
55 law, notwithstanding that such taxes, water rents or assessments shall
56 have become a lien against such real property while owned by a person or

1 corporation not exempt under such section. The commissioner of finance
2 shall mark the city's books and rolls of taxes and assessments in
3 accordance with the determination of the board of estimate under such
4 local law.

5 § 11-237 Cancellation of assessments, water and sewer rents on real
6 property acquired by tax enforcement foreclosure proceedings. Upon the
7 cancellation of unpaid assessments, water and sewer rents by the city
8 collector pursuant to section 11-353 of this title, the comptroller
9 shall charge the unpaid amounts for assessments for local improvements,
10 so cancelled, to the surplus in the appropriate assessment fund; the
11 unpaid amounts for water charges, meter setting and repair, meter glass-
12 es and sewer rents, so cancelled, shall be deducted from the accounts
13 receivable of the appropriate fund.

14 § 11-238 Real property tax surcharge on absentee landlords. a. Impo-
15 sition of surcharge. A real property tax surcharge is hereby imposed on
16 class one property, as defined in section eighteen hundred two of the
17 real property tax law, excluding vacant land, that provides rental
18 income and is not the primary residence of the owner or owners of such
19 class one property, or the primary residence of the parent or child of
20 such owner or owners, in an amount equal to zero percent of the net real
21 property taxes for fiscal years beginning on or after the first of July
22 in the second year next succeeding the effective date of this section.
23 As used in this section, "net real property tax" means the real property
24 tax assessed on class one property after deduction for any exemption or
25 abatement received pursuant to the real property tax law or this title.

26 b. Rental income, primary residence and/or relationship to owner or
27 owners. The property shall be deemed to be the primary residence of the
28 owner or owners thereof, if such property would be eligible to receive
29 the real property tax exemption pursuant to section four hundred twen-
30 ty-five of the real property tax law, regardless of whether such owner
31 or owners has filed an application for, or the property is currently
32 receiving, such exemption. Proof of primary residence and the resident's
33 or residents' relationship to the owner or owners and the absence of
34 rental income shall be in the form of a certification as required by the
35 rules of the commissioner.

36 c. Rules. The department of finance shall have, in addition to any
37 other functions, powers and duties which have been or may be conferred
38 on it by law, the power to make and promulgate rules to carry out the
39 purposes of this section, including, but not limited to, rules related
40 to the timing, form and manner of any certification required to be
41 submitted under this section.

42 d. Penalties. 1. Notwithstanding any provision of any general, special
43 or local law to the contrary, an owner or owners shall be personally
44 liable for any taxes owed pursuant to this section whenever such owner
45 or owners fail to comply with this section or the rules promulgated
46 hereunder, or makes a false or misleading statement or omission and the
47 commissioner determines that such act was due to the owner or owners'
48 willful neglect, or that under such circumstances such act constituted a
49 fraud on the department. The remedy provided herein for an action in
50 person shall be in addition to any other remedy or procedure for the
51 enforcement of collection of delinquent taxes provided by general,
52 special or local law.

53 2. If the commissioner should determine, within three years from the
54 filing of an application or certification pursuant to this section, that
55 there was a material misstatement on such application or certification,

1 he or she shall impose a penalty tax against the property of five
2 hundred dollars, in accordance with the rules promulgated hereunder.

3 e. Cessation of use. In the event that a property granted an exemption
4 from taxation pursuant to this section ceases to be used as the primary
5 residence of such owner or owners or his, her or their parent or child,
6 or produces rental income, such owner or owners shall so notify the
7 commissioner.

8 SUBCHAPTER 2

9 EXEMPTIONS FROM REAL PROPERTY TAXATION

10 PART 1

11 EXEMPTIONS FOR CERTAIN RESIDENTIAL PROPERTY

12 § 11-241 Discrimination in tax exempt projects. No exemption from
13 taxation, for any project, other than a project hitherto agreed upon or
14 contracted for, shall be granted to a housing company, insurance compa-
15 ny, redevelopment company or redevelopment corporation, which shall
16 directly or indirectly, refuse, withhold from, or deny to any person any
17 of the dwelling or business accommodations in such project or property,
18 or the privileges and services incident to occupancy thereof, on account
19 of the race, color or creed of any such person.

20 Any exemption from taxation hereafter granted shall terminate sixty
21 days after a finding by the supreme court of the state of New York that
22 such discrimination is being or has been practiced in such project or
23 property; if within sixty days such discrimination shall have been
24 ended, then the exemption shall not terminate.

25 § 11-242 Exemption and tax abatement in regard to improvements of
26 substandard dwellings. a. As used in this section, the following terms
27 shall have the following meanings: 1. "Alteration" and "improvement": a
28 physical change in an existing dwelling other than painting, ordinary
29 repairs, normal replacements or maintenance items.

30 2. "Existing dwelling": a class A multiple dwelling in existence prior
31 to the commencement of alterations for which tax exemption and abatement
32 is claimed under the terms of this section and for which a valuation
33 appears on the annual record of assessed valuation of the city for the
34 fiscal year nineteen hundred fifty-five--nineteen hundred fifty-six.

35 3. "Start" on alteration or improvement: begin any physical operation
36 undertaken for the purpose of making alterations or improvements to an
37 existing dwelling.

38 4. "Complete" an alteration or improvement: conclude or terminate any
39 physical operation such as is referred to in subparagraph three of this
40 paragraph, to an extent or degree which renders such building capable of
41 use for the purpose for which the improvements or alterations were
42 intended.

43 5. "Multiple dwelling": multiple dwellings as that term is defined in
44 section four of the multiple dwelling law.

45 b. Any increase in assessed valuation resulting from alterations and
46 improvements to existing dwellings to eliminate presently existing
47 unhealthy or dangerous conditions in any existing dwelling or to replace
48 inadequate and obsolete sanitary facilities in any such dwelling, any of
49 which represent fire or health hazards, or to provide central or other
50 appropriate and approved heating, except insofar as the gross cubic
51 content of the building is increased thereby, shall be exempt from taxa-
52 tion for local purposes for a period of twelve years after the taxable
53 status date immediately following the completion of the alterations and
54 improvements, to the extent that such increase in assessed valuation
55 result from the reasonable cost of such alterations and improvements,
56 providing that construction is started after March first, nineteen

1 hundred fifty-five and completed before December thirty-first, nineteen
2 hundred fifty-nine. The assessed valuation allocated to such dwelling
3 after such alterations and improvements during such period of twelve
4 years, exclusive of the increase in valuation which is exempted, shall
5 not exceed the valuation of the previously existing dwelling appearing
6 on the assessment rolls after the taxable status date immediately
7 preceding the commencement of such alterations and improvements. The
8 assessed valuation of the land occupied by such dwelling and any
9 increase in valuation resulting from alterations and improvements other
10 than those made pursuant to this section, shall not be affected by the
11 provisions of this section.

12 c. The taxes upon any such property, including the land, shall be
13 abated and reduced by an amount equal to eight and one-third per centum
14 of the reasonable cost of such alterations and improvements each year
15 for a period of nine years commencing with the first tax bill for the
16 first tax year in which the exemption herein provided is effective, but
17 such abatement of taxes in any consecutive twelve-month period shall in
18 no event exceed the amount of taxes payable in such period.

19 d. The department of buildings shall determine and certify the reason-
20 able cost of any such alterations and improvements and for that purpose
21 may adopt rules and regulations, administer oaths to and take testimony
22 of any person, including but not limited to the owner of such property,
23 may issue subpoenas requiring the attendance of such persons and the
24 production of such books, papers or other documents as the department
25 shall deem necessary, may make preliminary estimates of the maximum
26 reasonable cost of such alterations and improvements, may establish
27 maximum allowable costs for specified units, fixtures or work in such
28 alterations or improvements, and may require the submission of plans and
29 specifications of such alteration and improvements before the start
30 thereof. Application forms for the benefits of this section shall be
31 filed with the tax commission between February first and March fifteenth
32 and the tax commission shall certify to the city collector the amount of
33 taxes to be abated and reduced, pursuant to the certification of the
34 commissioner of buildings as herein provided. No such application shall
35 be accepted unless accompanied by copies of certificates of the city
36 planning commission and the commissioner of buildings, as provided in
37 this subdivision and in subdivision e of this section.

38 e. To the end that alterations and improvements in such property shall
39 interfere as little as practicable with urgently needed public improve-
40 ments, and the clearance and rebuilding of substandard and insanitary
41 areas, and shall be confined to multiple dwellings which are struc-
42 turally sound, comply with applicable provisions of law, and are
43 provided with adequate central or other appropriate and approved heating
44 exemption or abatement from taxation hereunder shall be restricted to
45 dwellings which: (1) the city planning commission certify will not undu-
46 ly interfere with projected public improvements or the clearance and
47 rebuilding of substandard and insanitary areas which certification shall
48 be evidenced by a certificate describing the property involved and shall
49 be issued upon application to such city planning commission in such
50 manner and in such form as may be prescribed by such city planning
51 commission, and (2) which the department of buildings shall certify to
52 be structurally sound, comply with applicable provisions of law and
53 provide central or other appropriate and approved heating, which certif-
54 ication shall be evidenced by a certificate describing the property
55 involved and shall be issued upon application to the department of
56 buildings in such manner and in such form as may be prescribed by such

1 department. Where the improvements and alterations include or benefit
2 that part of a building which is occupied by stores or used for commer-
3 cial purposes, the cost shall be apportioned so that the benefits of
4 this section shall not be provided for the cost of the improvements or
5 alterations made for store or commercial purposes.

6 f. Notwithstanding the provisions of the multiple dwelling law, or any
7 local law, ordinance, provisions of this code, rule or regulation, any
8 dwelling to which alterations and improvements are made pursuant to this
9 section and which did not require a certificate of occupancy on April
10 second, nineteen hundred forty-five, may be occupied lawfully after such
11 date upon the completion of such alterations and improvements without
12 such a certificate being obtained, provided, however, that such alter-
13 ations and improvements shall have been made in conformity with law and
14 the applicable provisions for fire protection required by articles six
15 and seven of the multiple dwelling law.

16 g. No owner of a dwelling to which the benefits of this section shall
17 be applied nor any agent, employee, manager or officer of such owner
18 shall directly or indirectly deny to any person because of race, color,
19 creed, or religion any of the dwelling accommodations in such property
20 or any of the privileges or services incident to occupancy therein.

21 h. Each agency to which functions are assigned by this section may
22 adopt rules and regulations for the effectuation of the purposes of this
23 section, and a copy, for each member of the council, of such rules and
24 regulations shall be filed with the clerk of the council prior to
25 promulgation.

26 i. Any person who shall knowingly and wilfully make any false state-
27 ment as to any material matter in any application for the benefits of
28 this section shall be guilty of an offense punishable by a fine of not
29 more than five hundred dollars or imprisonment for not more than ninety
30 days, or both.

31 j. The benefits of this section shall not apply to any multiple dwell-
32 ing which is not subject to the provisions of the emergency housing rent
33 control law or its successor statute for the city of Staten Island,
34 provided that this subdivision shall not operate to rescind any benefits
35 granted by the tax commission under this section prior to July first,
36 nineteen hundred fifty-eight; and further provided that where the bene-
37 fits herein provided were or are granted by the tax commission on or
38 after July first, nineteen hundred fifty-eight to any multiple dwelling
39 which is decontrolled subsequent to the granting of such benefits, the
40 tax commission shall withdraw such benefits, effective upon the
41 commencement of the first tax year following the tax year in which such
42 multiple dwelling is decontrolled.

43 § 11-243 Reextension of exemption and tax abatement in regard to
44 improvements of substandard dwellings. a. As used in this section, the
45 following terms shall have the following meanings:

46 1. "Alteration" and "improvement": a physical change in an existing
47 dwelling other than painting, ordinary repairs, normal replacement of
48 maintenance items, provided, however, that ordinary repairs and normal
49 replacement of maintenance items, as defined by rules adopted by the
50 department of housing preservation and development pursuant to subdivi-
51 sion m of this section, shall be eligible for tax exemption and tax
52 abatement under this section provided that repairs and maintenance
53 items:

54 (1) were started and completed within a twelve-month period,

55 (2) were made to any common area of the dwelling premises concurrently
56 with a major capital improvement thereto, as defined by rules adopted by

1 the department of housing preservation and development pursuant to
2 subdivision m of this section,

3 (3) require the issuance of a permit for at least one item thereof by
4 any city agency, and

5 (4) the amount of money expended thereon shall not exceed two times
6 the amount expended on the major capital improvement performed concu-
7 rently therewith.

8 "Alteration" and "improvement" shall also mean "an abatement" of lead-
9 based paint hazards, as defined in part 745 of title forty of the code
10 of federal regulations or any successor regulations in any existing
11 dwelling including any common areas, and shall include an "inspection"
12 and "risk assessment" for lead-based paint hazards, as defined in such
13 part, in a dwelling unit whether such unit is vacant or occupied but
14 shall not include any work performed to comply with a notice of
15 violation issued for a violation of article fourteen of subchapter two
16 of chapter two of title 27 of the administrative code of the city of New
17 York. For purposes of this paragraph, the term, "targeted area" shall
18 mean the geographical area of New York city that is determined by the
19 department of health and mental hygiene to have high rates of children
20 with environmental intervention blood lead levels. The department of
21 housing preservation and development shall establish two schedules of
22 certified reasonable costs for items that are included in an abatement
23 of lead-based paint hazards, one covering such abatement that is
24 performed in an eligible dwelling unit or common area located in the
25 targeted area, and one covering such abatement that is performed in an
26 eligible dwelling unit or common area that is not located in the target-
27 ed area. The first such schedules shall be promulgated by the department
28 of housing preservation and development within 180 days of the effective
29 date of this section and shall be used for any such abatements that are
30 commenced on or after August 2, 2004. Such schedules shall be reviewed
31 by such department biennially following their effective dates and
32 amended as necessary. Notwithstanding any other provision of law or
33 rule, an owner who performs an abatement of lead-based paint hazards
34 pursuant to this paragraph shall not be required to comply with subdivi-
35 sion y of this section which provides for filing of a notice of intent
36 form prior to the commencement of work, and no additional fee or penalty
37 shall be due and owing the department at the time of issuance of a
38 certificate of eligibility and reasonable cost for failure to file such
39 notice of intent.

40 2. "Existing dwelling": except as hereinafter provided in subdivision
41 d of this section, a class A multiple dwelling or a building consisting
42 of one or two dwelling units over space used for commercial occupancy in
43 existence prior to the commencement of alterations for which tax
44 exemption and abatement is claimed under the terms of this section and
45 for which a valuation appears on the annual record of assessed valuation
46 of the city for the fiscal year immediately preceding the commencement
47 of such alterations and improvements.

48 3. "Start" an alteration or improvement: begin any physical operation
49 undertaken for the purpose of making alterations or improvements to an
50 existing dwelling.

51 4. "Complete" an alteration or improvement: conclude or terminate any
52 physical operation such as is referred to in paragraph three of this
53 subdivision, to an extent or degree which renders such building capable
54 of use for the purpose for which the improvements or alterations were
55 intended.

1 5. "Multiple dwelling": multiple dwellings as that term is defined in
2 section four of the multiple dwelling law.

3 6. "Moderate rehabilitation": shall mean a scope of work which

4 (a) includes a building-wide replacement of a major component of one
5 of the following systems:

6 (1) Elevator

7 (2) Heating

8 (3) Plumbing

9 (4) Wiring

10 (5) Window; and

11 (b) has a certified reasonable cost of not less than twenty-five
12 hundred dollars, exclusive of any certified reasonable cost for ordinary
13 repairs, for each dwelling unit in existence at the commencement of the
14 rehabilitation; except that the department of housing preservation and
15 development may establish a minimum certified reasonable cost to be
16 greater than twenty-five hundred dollars per dwelling unit pursuant to
17 subdivision m of this section.

18 7. "Substantially occupied": shall mean an occupancy of not less than
19 sixty percent of all dwelling units immediately prior and during reha-
20 bilitation, except that the department of housing preservation and
21 development may establish higher percentages of occupancy pursuant to
22 subdivision m of this section.

23 8. "Private dwelling" shall mean any building or structure designed
24 and occupied for residential purposes by not more than two families.
25 Private dwellings shall also be deemed to include a series of one-family
26 or two-family dwelling units each of which faces or is accessible to a
27 legal street or public thoroughfare, if each such dwelling unit is
28 equipped as a separate dwelling unit with all essential services, and if
29 each such unit is arranged so that it may be approved as a legal one-fa-
30 mily or two-family dwelling.

31 b. Subject to the limitations provided in subdivision d of this
32 section and the restrictions in this section on conversion of buildings
33 used in whole or in part for single room occupancy, any increase in the
34 assessed valuation of real property shall be exempt from taxation for
35 local purposes to the extent such increase results from the reasonable
36 cost of: (1) the conversion of a class B multiple dwelling to a class A
37 multiple dwelling except insofar as the gross cubic content of such
38 building is increased thereby; or (2) the conversion of any nonresiden-
39 tial building or structure situated in the county of Richmond to a class
40 A multiple dwelling except insofar as the gross cubic content of such
41 building or structure is increased thereby; or (3) alterations or
42 improvements to the exterior of an otherwise eligible building or struc-
43 ture visible from a public street pursuant to a permit issued by the
44 landmarks commission with respect to a designated historic or landmark
45 site or structure; or (4) alterations or improvements constituting a
46 moderate rehabilitation of a substantially occupied class A multiple
47 dwelling except insofar as the gross cubic content of such building or
48 structure is increased thereby; or (5) alterations or improvements to an
49 otherwise eligible building or structure commenced after January first,
50 nineteen hundred eighty designed to conserve the use of fuel, electric-
51 ity or other energy sources or to reduce demand for electricity, includ-
52 ing the installation of meters for purposes of measuring the amount of
53 electricity consumed for each dwelling unit, and conversions of direct
54 metering to a system that includes a master meter and submeters in any
55 cooperative, condominium, or housing development fund company organized
56 under article eleven of the private housing finance law; or (6) alter-

1 ations or improvements to existing dwellings to eliminate existing
2 unhealthy or dangerous conditions in any such existing dwelling or
3 replace inadequate and obsolete sanitary facilities in any such existing
4 dwelling, any of which represents fire or health hazards, including as
5 improvements asbestos abatement to the extent such asbestos abatement is
6 required by federal, state or local law, except insofar as the gross
7 cubic content of such existing dwelling is increased thereby; or (7)
8 conversion of residential units qualified for the protection of article
9 seven-C of the multiple dwelling law in buildings or portions thereof
10 registered with the New York city loft board as interim multiple dwell-
11 ings pursuant to such article to units which are in compliance with the
12 standards of safety and fire protection set forth in article seven-B of
13 the multiple dwelling law or to units which have a certificate of occu-
14 pancy as class A multiple dwellings; or (8) alterations or improvements
15 commenced on or after September first, nineteen hundred eighty-seven
16 constituting a substantial rehabilitation of a class A multiple dwell-
17 ing, or a conversion of a building or structure into a class A multiple
18 dwelling, as part of a program to provide housing for low and moderate
19 income households as defined by the department of housing preservation
20 and development pursuant to the rules and regulations promulgated pursu-
21 ant to subdivision m of this section, provided that such alterations or
22 improvements or conversions shall be aided by a grant, loan or subsidy
23 from any federal, state or local agency or instrumentality, including,
24 in the discretion of the department of housing preservation and develop-
25 ment, a subsidy in the form of a below market sale from the city of New
26 York; or (9) alterations or improvements to any private dwelling or
27 conversion of any private dwelling to a multiple dwelling or conversion
28 of any multiple dwelling to a private dwelling, provided that such
29 alterations, improvements or conversions are part of a project that has
30 applied for or is receiving benefits pursuant to this section and shall
31 be aided by a grant, loan or subsidy from any federal, state or local
32 agency or instrumentality. Such conversions, alterations or improvements
33 shall be completed within thirty-six months after the date on which same
34 shall be started except that such thirty-six month limitation shall not
35 apply to conversions of residential units which are registered with the
36 loft board in accordance with article seven-C of the multiple dwelling
37 law pursuant to paragraph eight of this subdivision. Provided, however,
38 a sixty-month period for completion shall be available for alterations
39 or improvements undertaken by a housing development fund company organ-
40 ized pursuant to article eleven of the private housing finance law,
41 which are carried out with the substantial assistance of grants, loans
42 or subsidies from any federal, state or local governmental agency or
43 instrumentality or which are carried out in a property transferred from
44 the city of New York or the city of Staten Island if alterations and
45 improvements are completed within seven years after the date of trans-
46 fer. In addition, the department of housing preservation and development
47 may grant an extension of the period of completion for any project
48 carried out with the substantial assistance of grants, loans or subsi-
49 dies from any federal, state or local governmental agency or instrumen-
50 tality, if such alterations, improvements or conversions are completed
51 within sixty months from commencement of construction. Provided,
52 further, that such conversions, alterations or improvements shall in any
53 event be completed prior to the thirty-first of December in the third
54 year next succeeding the effective date of this section. Exemption for
55 conversions, alterations or improvements pursuant to paragraph one, two,
56 three, four, six, seven, eight or ten of this subdivision shall continue

1 for a period not to exceed fourteen years and begin no sooner than the
2 first tax period immediately following the completion of such conver-
3 sions, alterations or improvements. Exemption for alterations or
4 improvements pursuant to paragraph five or nine of this subdivision
5 shall continue for a period not to exceed thirty-four years and shall
6 begin no sooner than the first tax period immediately following the
7 completion of such alterations or improvements. Such exemption shall be
8 equal to the increase in the valuation, which is subject to exemption in
9 full or proportionally under this subdivision for ten or thirty years,
10 whichever is applicable. After such period of time, the amount of such
11 exempted assessed valuation of such improvements shall be reduced by
12 twenty percent in each succeeding year until the assessed value of the
13 improvements is fully taxable. Provided, however, exemption for any
14 conversions, alterations or improvements, which are aided by a loan or
15 grant under article eight, eight-A, eleven, twelve, fifteen, or twenty-
16 two of the private housing finance law, section six hundred ninety-six-a
17 or section ninety-nine-h of the general municipal law, or section three
18 hundred twelve of the housing act of nineteen hundred sixty-four (42
19 U.S.C.A. 1452b), or the Cranston-Gonzalez national affordable housing
20 act, (42 U.S.C.A. 12701 et. seq.), or started after July first, nineteen
21 hundred eighty-three by a housing development fund company organized
22 pursuant to article eleven of the private housing finance law which are
23 carried out with the substantial assistance of grants, loans or subsi-
24 dies from any federal, state or local governmental agency or instrumen-
25 tality or which are carried out in a property transferred from the city
26 of New York and where alterations and improvements are completed within
27 seven years after the date of transfer may commence at the beginning of
28 any tax period subsequent to the start of such conversions, alterations
29 or improvements and prior to the completion of such conversions, alter-
30 ations or improvements. The assessed valuation of the land occupied by
31 such dwelling and any increase in assessed valuation resulting from
32 conversions, alterations, or improvements other than those made pursuant
33 to this section shall not be affected by the provisions of this section.

34 b-1. Notwithstanding the provisions of subdivision b of this section,
35 alterations, improvements or conversions of any building or structure
36 that are eligible for benefits pursuant to subdivision b of this section
37 except insofar as the gross cubic content of such building or structure
38 is increased thereby shall be eligible for such benefits insofar as the
39 gross cubic content of such building or structure is increased thereby
40 provided that:

41 (1) for all tax lots now existing or hereafter created, at least fifty
42 percent of the floor area of the completed building or structure
43 consists of the pre-existing building or structure that was converted,
44 altered or improved in accordance with subdivision b of this section,
45 and

46 (2) for tax lots now existing or hereafter created within the follow-
47 ing area in the borough of Manhattan, such conversions, alterations or
48 improvements are aided by a grant, loan or subsidy from any federal,
49 state or local agency or instrumentality: beginning at the intersection
50 of the United States pierhead line in the Hudson river and the center
51 line of Chambers street extended, thence easterly to the center line of
52 Chambers street and continuing along the center line of Chambers street
53 to the center line of Centre street, thence southerly along the center
54 line of Centre street to the center line of the Brooklyn Bridge to the
55 intersection of the Brooklyn Bridge and the United States pierhead line
56 in the East river, thence northerly along the United States pierhead

1 line in the East river to the intersection of the United States pierhead
2 line in the East river and the center line of one hundred tenth street
3 extended, thence westerly to the center line of one hundred tenth street
4 and continuing along the center line of one hundred tenth street to its
5 westerly terminus, thence westerly to the intersection of the center
6 line of one hundred tenth street extended and the United States pierhead
7 line in the Hudson river, thence southerly along the United States pier-
8 head line in the Hudson river to the point of beginning.

9 (3) For purposes of this subdivision, "floor area" shall mean the
10 horizontal areas of the several floors or any portion thereof of a
11 dwelling or dwellings and accessory structures on a lot measured from
12 the exterior faces of exterior walls or from the center line of party
13 walls.

14 (4) Nothing in this subdivision shall be construed to provide tax
15 abatement benefits pursuant to subdivision c of this section for the
16 costs attributable to the increased cubic content in any such building
17 or structure.

18 c. (1) Except as provided in paragraphs two, three and four of this
19 subdivision, the taxes upon any real property, including the land, may
20 be abated each year for a period of not more than twenty years by an
21 amount no greater than eight and one-third per centum of the reasonable
22 cost of eligible conversions, alterations or improvements provided in
23 paragraphs one through eight and paragraph ten of subdivision b of this
24 section provided that the abatement in taxes in any consecutive twelve-
25 month period shall in no event exceed the amount of taxes payable in
26 such twelve-month period; and provided further that alterations or
27 improvements pursuant to paragraph four of subdivision b of this section
28 shall only receive the benefits of this section if construction
29 commenced after January first, nineteen hundred seventy-eight and that
30 in no event shall the aggregate abatement exceed ninety per centum of
31 the reasonable cost of conversions, alterations or improvements provided
32 in paragraphs one, three, four, six, seven, and ten of subdivision b of
33 this section, or exceed fifty per centum of the reasonable cost of
34 conversions pursuant to paragraph one of subdivision b of this section
35 if construction commenced after January first, nineteen hundred eighty-
36 two or exceed fifty per centum of the reasonable cost of conversions
37 pursuant to paragraphs two and eight of subdivision b of this section,
38 or exceed one hundred per centum of the reasonable cost of alterations
39 or improvements pursuant to paragraph five of subdivision b of this
40 section provided that where alterations or improvements pursuant to
41 paragraphs four and six of subdivision b of this section are done in
42 conjunction with a conversion pursuant to paragraph two of subdivision b
43 of this section, the aggregate abatement shall not exceed fifty per
44 centum of the reasonable cost. Notwithstanding the foregoing, the taxes
45 upon real property, including the land may be abated for a period of not
46 more than twenty years at eight and one-third per centum of the reason-
47 able cost of conversions where construction actually commenced in good
48 faith prior to July first, nineteen hundred eighty pursuant to an alter-
49 ation permit issued by the department of buildings prior to July first,
50 nineteen hundred eighty provided that the aggregate abatement shall not
51 exceed ninety per centum of the reasonable cost thereof and provided
52 further that in no event shall the abatement in taxes in any twelve-
53 month period exceed the amount of taxes payable in such twelve-month
54 period. In no event, however, shall the aggregate abatement for conver-
55 sions, alterations or improvements pursuant to subdivision b of this
56 section exceed such dollar limit per existing class A dwelling unit or

1 additional unit created by conversion to a class A multiple dwelling as
2 may be established pursuant to rules and regulations promulgated by the
3 department of housing preservation and development pursuant to subdivi-
4 sion m of this section. Only those items of work set forth in the item-
5 ized cost breakdown schedule contained in rules and regulations promul-
6 gated by the department of housing preservation and development pursuant
7 to subdivision m of this section shall be eligible for tax abatement.
8 Such abatement shall commence on the later of July first, nineteen
9 hundred seventy-eight or the first day of the first tax quarter follow-
10 ing the completion of such construction and the filing for benefits as
11 provided in subdivision h of this section except that such period of
12 abatement may commence on the later of the first day of the first tax
13 quarter following commencement of any conversion, alteration or improve-
14 ment or (i) July first, nineteen hundred seventy-six, if aided by a loan
15 pursuant to article eight of the private housing finance law and
16 completed after December thirty-first, nineteen hundred seventy-five; or
17 (ii) July first, nineteen hundred seventy-seven, if aided by a loan
18 pursuant to article fifteen of the private housing finance law; or (iii)
19 July first, nineteen hundred eighty, if aided by a loan pursuant to
20 article eight-A of the private housing finance law; or (iv) July first,
21 nineteen hundred eighty, if aided by a loan pursuant to section three
22 hundred twelve of the housing act of nineteen hundred sixty-four (42
23 U.S.C.A. §1452b); or (v) July first, nineteen hundred ninety-two, if
24 started after such date and aided by a loan or grant under article elev-
25 en, twelve, or twenty-two of the private housing finance law, section
26 six hundred ninety-six-a or section ninety-nine-h of the general municip-
27 al law, or the Cranston-Gonzalez national affordable housing act (42
28 U.S.C.A. 12701 et seq.); or (vi) July first, nineteen hundred eighty-
29 eight, if started after such date by or on behalf of a company not qual-
30 ified under any of the above provisions, which is a not-for-profit
31 corporation qualified pursuant to section 501(c)(3) of the internal
32 revenue code and which has entered into a regulatory agreement with the
33 local housing agency requiring operation of the property as housing for
34 low and moderate income persons and families.

35 (2) In the case of alterations or improvements pursuant to paragraph
36 five of subdivision b of this section which are carried out with the
37 substantial assistance of grants, loans or subsidies from any federal,
38 state or local agency or instrumentality or any not-for-profit philan-
39 thropic organization one of whose primary purposes is providing low or
40 moderate income housing or financed with mortgage insurance by the New
41 York city residential mortgage insurance corporation or the state of New
42 York mortgage agency or pursuant to a program established by the federal
43 housing administration for rehabilitation of existing multiple dwellings
44 in a neighborhood strategy area as defined by the United States depart-
45 ment of housing and urban development, the abatement of taxes on such
46 property, including the land, shall not exceed the lesser of the actual
47 cost of the alterations or improvements or one hundred fifty per centum
48 of the certified reasonable cost of the alterations or improvements, as
49 determined under regulations of the department of housing preservation
50 and development, and the annual abatement of taxes shall not exceed
51 twelve and one-half per centum of such certified reasonable cost,
52 provided that such abatement shall not be effective for more than twenty
53 years and the annual abatement of taxes in any consecutive twelve-month
54 period shall in no event exceed the amount of taxes payable in such
55 twelve-month period.

1 (3) In the case of alterations or improvements carried out with the
2 substantial assistance of grants, loans or subsidies from any federal,
3 state or local agency or instrumentality or any not-for-profit philan-
4 thropic organization one of whose primary purposes is providing low or
5 moderate income housing, or financed with mortgage insurance by the New
6 York city residential mortgage insurance corporation or the state of New
7 York mortgage agency or pursuant to a program established by the federal
8 housing administration for rehabilitation of existing multiple dwellings
9 in a neighborhood strategy area as defined by the United States depart-
10 ment of housing and urban development where such alterations or improve-
11 ments are done on property located in census tracts in which seventy-
12 five percent or more of the population live in households which earn
13 fifty percent or less of the median household income of the city, the
14 abatement of taxes on such property, including the land, shall not
15 exceed the lesser of the actual cost of the alterations or improvements
16 or one hundred fifty per centum of the certified reasonable cost of the
17 alterations or improvements, as determined under regulations of the
18 department of housing preservation and development, and the annual
19 abatement of taxes shall not exceed twelve and one-half per centum of
20 such certified reasonable cost, provided that such abatement shall not
21 be effective for more than twenty years and the annual abatement of
22 taxes in any consecutive twelve-month period shall in no event exceed
23 the amount of taxes payable in such twelve-month period.

24 (4) In the case of alterations, improvements or conversions pursuant
25 to paragraph eight of subdivision b of this section, the abatement of
26 taxes on such property, including the land, shall not exceed the lesser
27 of the actual cost of the alterations or improvements or one hundred
28 fifty per centum of the certified reasonable cost of the alterations or
29 improvements, as determined under regulations of the department of hous-
30 ing preservation and development, and the annual abatement of taxes
31 shall not exceed twelve and one-half per centum of such certified
32 reasonable cost, provided that such abatement shall not be effective for
33 more than twenty years and the annual abatement of taxes in any consec-
34 utive twelve-month period shall in no event exceed the amount of taxes
35 payable in such twelve-month period.

36 d. The benefits of this section shall apply:

37 (1) to any multiple dwelling which is altered, improved or increased
38 in valuation with aid of a loan provided by the city of New York or the
39 city of Staten Island, the New York city housing development corporation
40 or the United States department of housing and urban development for the
41 elimination of conditions dangerous to human life or detrimental to
42 health, including nuisances as defined in section three hundred nine of
43 the multiple dwelling law, or other rehabilitation or improvement wheth-
44 er or not all of the units thereof were in existence prior to rehabili-
45 tation pursuant to the provisions of: (i) article two, eight or eight-A
46 of the private housing finance law provided that such dwelling is made
47 available solely to persons or families of low income as defined in said
48 articles, (ii) article twelve of the private housing finance law, (iii)
49 article fifteen of the private housing finance law or (iv) any federal
50 law where the multiple dwelling is supervised or regulated by the United
51 States department of housing and urban development.

52 (2) except as hereinafter provided, to any building or structure which
53 is converted to a class A multiple dwelling or to any existing dwelling
54 which is substantially rehabilitated, and further provided that the
55 rents subsequent to conversion or substantial rehabilitation shall not
56 exceed such amount as may be fixed: (i) by the United States department

1 of housing and urban development, (ii) pursuant to the private housing
2 finance law of the state of New York, or (iii) pursuant to chapter three
3 or chapter four of title twenty-six of the code of the preceding munici-
4 pality, provided that the initial legal regulated rent for the dwelling
5 units shall be the rent charged and paid by the initial tenant and
6 registered with the New York state division of housing and community
7 renewal. Buildings or structures which are converted to class A multiple
8 dwellings and existing dwellings which are substantially rehabilitated
9 shall contain bedrooms in a number equal to at least fifty percent of
10 the apartments created where an alteration permit has been issued by the
11 department of buildings prior to April first, nineteen hundred eighty
12 and seventy-five percent of the apartments created where an alteration
13 permit has been issued by the department of buildings on or after April
14 first, nineteen hundred eighty provided, however, that if a building or
15 structure is converted from a non-residential use to a class A multiple
16 dwelling and the units therein contain an average floor area of one
17 thousand square feet, such requirement as to the number of bedrooms
18 shall not be applicable and if an existing dwelling is substantially
19 rehabilitated, the seventy-five percent bedroom requirement shall be
20 reduced to the extent its application would necessitate a reduction in
21 the number of units which are contained in the existing dwelling prior
22 to commencement of substantial rehabilitation.

23 (3) to any multiple dwelling, building or structure otherwise eligible
24 for any of the benefits of this section which:

25 (i) is operated exclusively for the benefit of persons or families who
26 are or will be entitled to occupancy by reason of ownership of stock or
27 membership in the corporate owner, or for the benefit of such persons or
28 families and other persons or families entitled to occupancy under
29 applicable provisions of law without ownership of stock or membership in
30 the corporate owner, or (ii) is owned as a condominium and is occupied
31 as the residence or home of three or more families living independently
32 of each other; provided, however, that, in addition to all other condi-
33 tions of eligibility for the benefits of this section, except for multi-
34 ple dwellings in which units have been newly created by substantial
35 rehabilitation of vacant buildings or conversions of non-residential
36 buildings, the availability of benefits under this section for such
37 multiple dwellings, buildings or structures shall be conditioned on the
38 following: (a) alterations or improvements to at least one building-wide
39 system are part of the application for benefits, and (b) (i) the
40 assessed valuation of such multiple dwelling, building, or structure,
41 including land, shall not exceed an average of thirty thousand dollars
42 per dwelling unit at the time of the commencement of the alterations or
43 improvements, and (ii) during the three years immediately preceding the
44 commencement of the alterations or improvements the average per room
45 sale price of the dwelling units or the stock allocated to such dwelling
46 units shall have been no greater than thirty-five percent of the maximum
47 mortgage amount for a single family home eligible for purchase by the
48 Federal National Mortgage Association; provided that if less than ten
49 percent of the dwelling units or an amount of stock less than the amount
50 allocable to ten percent of such dwelling units was not transferred
51 during such preceding three year period, eligibility for benefits shall
52 be conditioned upon the multiple dwelling, building, or structure having
53 an assessed valuation per dwelling unit of no more than twenty-five
54 thousand dollars at the time of the commencement of the alterations or
55 improvements. Provided, further, that such benefits shall be available

1 only for alterations or improvements commenced on or after June first,
2 nineteen hundred eighty-six.

3 Notwithstanding the foregoing, the benefits of this section shall be
4 available for any alterations or improvements commenced after August
5 seventh, two thousand eight for such multiple dwellings, buildings or
6 structures and shall be conditioned on the following: (1) the applica-
7 tion for benefits may include any item of work designated in the rules
8 adopted by the department of housing preservation and development as a
9 major capital improvement or asbestos abatement to the extent such
10 asbestos abatement is required by federal, state and local law; and (2)
11 (i) the assessed valuation of such multiple dwelling, building or struc-
12 ture, including land, shall not exceed an average of forty thousand
13 dollars per dwelling unit at the time of the commencement of the alter-
14 ations or improvements; and (ii) the average per room sale price of the
15 dwelling units or the stock allocated to such dwelling units shall have
16 been no greater than thirty-five percent of the maximum mortgage amount
17 for a single family home eligible for purchase by the Federal National
18 Mortgage Association during the three years immediately preceding the
19 commencement of the alterations or improvements; provided that if less
20 than ten percent of the dwelling units or an amount of stock less than
21 the amount allocable to ten percent of such dwelling units was not
22 transferred during such preceding three-year period, eligibility for
23 benefits shall be conditioned upon the multiple dwelling, building, or
24 structure having an assessed valuation per dwelling unit of no more than
25 forty thousand dollars at the time of the commencement of the alteration
26 or improvement. Provided, however, benefits shall also be available
27 under this section for work completed in any such multiple dwelling,
28 building or structure within the first three years of its conversion to
29 cooperative or condominium ownership, as evidenced by the date on which
30 the first closing in a condominium to a bona fide purchaser occurs or in
31 the case of a cooperative, the date on which the shares allocable to a
32 unit are conveyed to a bona fide purchaser, provided, however, that the
33 availability of such benefits for conversions, alterations or improve-
34 ments commenced prior to June first, nineteen hundred eighty-six, except
35 with respect to governmentally assisted projects as defined in regu-
36 lations issued by the department of housing preservation and develop-
37 ment, shall be conditioned upon the completion of such conversions,
38 alterations or improvements within three years after acceptance for
39 filing of the prospectus to establish such cooperative or condominium
40 entity by the attorney general of the state of New York. The maximum
41 amount of tax abatement which may be received in any tax period under
42 this section by any such multiple dwelling, building or structure for
43 any alterations and improvements commenced three or more years after its
44 initial conversion to cooperative or condominium ownership shall be
45 limited to an amount not in excess of two thousand five hundred dollars
46 per dwelling unit of the certified reasonable cost of the alterations or
47 improvements as determined under regulations of the department of hous-
48 ing preservation and development.

49 (3-a) Notwithstanding any contrary provision of paragraph three of
50 this subdivision, the availability of any benefits under this section to
51 any multiple dwelling, building or structure owned and operated by a
52 limited-profit housing company established pursuant to article two of
53 the private housing finance law shall not be conditioned upon the
54 assessed valuation of such multiple dwelling, building or structure,
55 including land, as calculated as an average dollar amount per dwelling
56 unit, at the time of the commencement of the alterations or improve-

1 ments; provided, however, that such limited-profit housing company (i)
2 is organized and operating as a mutual company, (ii) continues to be
3 organized and operating as a mutual company and to own and operate the
4 multiple dwelling, building or structure receiving such benefits, and
5 (iii) has entered into a binding and irrevocable agreement with the
6 commissioner of housing of the state of New York, the supervising agen-
7 cy, the New York city housing development corporation, or the New York
8 state housing finance agency prohibiting the dissolution or reconsti-
9 tution of such limited-profit housing company pursuant to section thir-
10 ty-five of the private housing finance law for not less than fifteen
11 years from the commencement of such benefits. For the purposes of this
12 paragraph, the terms "mutual company" and "supervising agency" shall
13 have the same meanings as set forth in section two of the private hous-
14 ing finance law.

15 (4) provided that, in the case of any building or structure: (i) in
16 which conversion, alteration or improvement commences on or after Janu-
17 ary first, nineteen hundred eighty-two, and (ii) which is located within
18 an area designated herein as a minimum tax zone, the benefits of this
19 section shall not be applied to abate or reduce the taxes upon the land
20 portion of such real property, which shall continue to be taxed based
21 upon the assessed valuation of the land and the applicable tax rate at
22 the time such taxes are levied; provided, however, that the foregoing
23 limitation with respect to abatement of taxes shall not apply:

24 (A) to any multiple dwelling which is eligible for benefits based upon
25 moderate rehabilitation pursuant to paragraph four of subdivision b of
26 this section, or (B) to any multiple dwelling which is governmentally
27 assisted as such term is defined in regulations to be promulgated by the
28 department of housing preservation and development pursuant to subdivi-
29 sion m of this section.

30 (5) provided that, in the case of any building or structure: (i) in
31 which conversion, alteration or improvement commences on or after Janu-
32 ary first, nineteen hundred eighty-two, and (ii) which is located within
33 an area designated herein as a tax abatement exclusion zone, the bene-
34 fits of this section shall not be applied to abate or reduce the taxes
35 upon such real property, which shall continue to be taxed based upon the
36 assessed valuation of the land and the improvements and the applicable
37 tax rate at the time such taxes are levied; provided, however, that the
38 foregoing limitation shall not deprive such real property of any bene-
39 fits of exemption from taxation of an increase in assessed valuation to
40 which it is entitled pursuant to this section; provided, however, that
41 the foregoing limitation with respect to abatement of taxes shall not
42 apply:

43 (A) to any alteration or improvement designated as a major capital
44 improvement, by the regulations promulgated by the department of housing
45 preservation and development pursuant to subdivision m of this section,
46 provided that the maximum amount of tax abatement which may be received
47 in any tax period under this section by any such multiple dwelling,
48 building or structure for any alterations and improvements shall be
49 limited to an amount not in excess of twenty-five hundred dollars per
50 dwelling unit of the certified reasonable cost of the alterations and
51 improvements as determined under regulations of the department of hous-
52 ing preservation and development, or (B) to any multiple dwelling which
53 is governmentally assisted as such term is defined by said regulations.

54 (8) Limitation on benefits. (a) The provisions of this paragraph shall
55 apply to all conversions, alterations and improvements except the
56 following:

1 (i) alterations or improvements under paragraphs three, five and six
2 of subdivision b of this section, where carried out:

3 (A) with the substantial assistance of grants, loans or subsidies from
4 any federal, state or local agency or instrumentality, or any not-for-
5 profit philanthropic organization one of whose primary purposes is
6 providing low or moderate incoming housing; or

7 (B) with mortgage insurance by the New York city residential mortgage
8 insurance corporation or the state of New York mortgage agency; or

9 (C) in the areas bounded and described as follows:

10 AREAS IN THE COUNTY OF RICHMOND:

11 PORT RICHMOND--The area bounded by the Kill Van Kull; Jewett Avenue
12 and its prolongation; Forest Avenue; and, the Willow Brook Expressway.

13 NEW BRIGHTON--The area bounded by the Kill Van Kull; Westervelt
14 Avenue; Brook Street; Castleton Avenue; and, North Randall Avenue and
15 its prolongation.

16 STAPLETON--The area bounded by Victory Boulevard; the Upper New York
17 Bay; Vanderbilt Avenue; Van Duzer Street; Cebra Avenue; and, St. Pauls
18 Avenue.

19 FOX HILLS--The area bounded by Vanderbilt Avenue; the Upper New York
20 Bay; the Staten Island Rapid Transit Railway right of way; and, the
21 Staten Island Expressway.

22 (D) pursuant to a program established by the federal housing adminis-
23 tration, federal national mortgage association, federal home loan mort-
24 gage corporation or government national mortgage association for the
25 rehabilitation of existing multiple dwellings for persons of low or
26 moderate income, or a program of mortgage insurance for the rehabili-
27 tation of existing multiple dwellings pursuant to section two hundred
28 twenty-three-f of the national housing act, as amended, or a program of
29 mortgage insurance established by the federal housing administration for
30 the rehabilitation of existing multiple dwellings for persons of low or
31 moderate income; provided that properties receiving benefits under such
32 programs are located in a neighborhood strategy area, as defined, by the
33 United States department of housing and urban development, or in one of
34 the areas listed in subparagraph (C) of this paragraph.

35 (ii) alterations or improvements under paragraph four of subdivision b
36 of this section; and

37 (iii) conversion of residential units qualified for the protection of
38 article seven-C of the multiple dwelling law under paragraph seven of
39 subdivision b of this section.

40 (b) Abatement limitations. (i) The amount of abatement under subdivi-
41 sion c of this section shall not exceed the certified reasonable cost of
42 the conversion, alteration or improvement, as determined under regu-
43 lations of the department of housing preservation and development,
44 provided that the amount of certified reasonable cost eligible for
45 abatement under this section shall not exceed fifteen thousand dollars
46 for a dwelling unit of three and one-half rooms, as determined under the
47 applicable zoning resolution, and a comparable amount for dwelling units
48 of other sizes, determined under regulations of the department of hous-
49 ing preservation and development, and further provided that the amount
50 of certified reasonable cost eligible for abatement under this section
51 may exceed fifteen thousand dollars or such comparable amount per dwell-
52 ing unit, but not more than twenty-five percent above such amount, upon
53 application of the property owner and a determination by the department
54 of housing preservation and development that:

1 (A) in the case of a conversion under paragraph one or two of subdivi-
2 sion b of this section, the increased cost is necessary to comply with
3 applicable law;

4 (B) in the case of an alteration or improvement under paragraph six of
5 subdivision b of this section, the increased cost is necessary to elimi-
6 nate the unhealthy or dangerous conditions or replace the inadequate and
7 obsolete facilities in a satisfactory manner;

8 (C) in the case of an alteration or improvement under paragraph five
9 of subdivision b of this section, the increased cost is necessary to
10 conserve energy in a satisfactory manner; or

11 (D) in the case of an alteration or improvement under paragraph three
12 of subdivision b of this section, the increased cost, to the extent such
13 cost is not offset by any and all tax credits received as a result of
14 the alteration or improvement, is necessary to comply with any provision
15 of law regulating historic or landmark buildings or structures.

16 (ii) Notwithstanding any other provisions of this subparagraph, and in
17 addition to all other conditions of eligibility for the benefits of this
18 section, the availability of abatements pursuant to subdivision c of
19 this section for any multiple dwellings, buildings or structures not
20 owned as a condominium or cooperative, except for multiple dwellings in
21 which units have been newly created by substantial rehabilitation of
22 vacant buildings or conversions of non-residential buildings, shall be
23 conditioned on the assessed valuation of such multiple dwelling, build-
24 ing or structure, including land, not exceeding an average of thirty
25 thousand dollars per dwelling unit at the time of commencement of the
26 alterations or improvements, provided, however, that such average shall
27 not exceed forty thousand dollars per dwelling unit at the time of
28 commencement of the alteration or improvement for alterations or
29 improvements commenced after the effective date of this paragraph.

30 (c) Exemption limitations. (i) The increase in assessed valuation of
31 the real property resulting from the conversion, alteration or improve-
32 ment under subdivision b of this section, shall be exempt from taxation
33 as provided in this section, only to the extent provided in this subpar-
34 agraph, provided that this subparagraph shall not apply to any conver-
35 sions, alterations or improvements commenced on or after June first,
36 nineteen hundred eighty-six. The amount of the increased assessed valu-
37 ation that is exempt from taxation shall depend on the amount of the
38 total assessed value per dwelling unit calculated by dividing the amount
39 of the total assessed valuation of the property, as determined under the
40 real property tax law, by the number of dwelling units in the building
41 after completion of the conversion, alteration or improvement. The
42 amount of increased assessed valuation that will be exempt from taxation
43 for buildings with total assessed valuation per dwelling unit of less
44 than thirty-eight thousand dollars shall be calculated pursuant to the
45 following formula: (A) any portion of total assessed valuation of the
46 property attributable to the first eighteen thousand dollars of total
47 assessed valuation per dwelling unit, to the extent it represents
48 increased assessed valuation, shall be one hundred percent exempt; (B)
49 any portion of total assessed valuation attributable to the next four
50 thousand dollars of total assessed valuation per dwelling unit, to the
51 extent it represents increased assessed valuation, shall be seventy-five
52 percent exempt; (C) any portion of total assessed valuation attributable
53 to the next four thousand dollars of total assessed valuation per dwell-
54 ing unit, to the extent it represents increased assessed valuation,
55 shall be fifty percent exempt; (D) any portion of total assessed valu-
56 ation attributable to the next four thousand dollars of total assessed

1 valuation per dwelling unit, to the extent it represents increased
2 assessed valuation, shall be twenty-five percent exempt; and (E) any
3 portion of total assessed valuation attributable to the next eight thou-
4 sand dollars of total assessed valuation per dwelling unit, to the
5 extent it represents increased assessed valuation per dwelling unit,
6 shall be fully taxable. Property with a total assessed valuation per
7 dwelling unit of thirty-eight thousand dollars or more shall not be
8 eligible for a tax exemption under this section.

9 (ii) In calculating the amount of increased assessed valuation that
10 will be exempt from taxation pursuant to the formula in clause (i) of
11 this subparagraph, the full amount of total assessed valuation that does
12 not represent increased assessed valuation shall be applied in such
13 formula prior to the inclusion of any amount of increased assessed valu-
14 ation.

15 (iii) Where the real property is occupied in part for residential
16 purposes and in part for non-residential purposes, the assessed valu-
17 ation of the property shall be appropriately allocated between the resi-
18 dential and non-residential portions. In computing the total assessed
19 valuation per dwelling unit under this subparagraph, only the amount of
20 valuation so allocated to the residential portion shall be considered.

21 (iv) Commencing with the assessment roll for the year nineteen hundred
22 eighty-four, where there has been a change in the level of assessment
23 from the assessment roll of the prior year of properties receiving
24 exemptions under this section, the department of finance may petition
25 the state board to certify the percentage of such change for the
26 purposes of this section. In such petition, the department of finance
27 shall submit such information as the state board shall require in order
28 to certify the percentage of such change. The state board may also make
29 such a certification on its own motion. Upon receipt of such certif-
30 ication from the state board, the department of housing preservation and
31 development may modify the dollar values of total assessed valuation per
32 dwelling unit in clause (i) of this subparagraph to reflect the percent-
33 age change in the level of assessment as shown in such certification. As
34 used in this subparagraph, the term "change in the level of assessment"
35 means the net increase or decrease in the assessed valuation of proper-
36 ties in the assessing unit that received exemptions under this section
37 in the current year as compared to those that received exemptions under
38 this section in the prior year as a result of assessing such properties
39 at a higher or lower ratio of full value.

40 (v) (A) Notwithstanding the provisions of clause (i) of this subpara-
41 graph, the department of housing preservation and development may reduce
42 or remove the limitations on the exemption from taxation provided in
43 such clause with respect to a particular property undergoing alteration
44 or improvement, upon application of the property owner and a determi-
45 nation by such department that the increased benefit will increase the
46 number of dwelling units that will be affordable to persons of low and
47 moderate income, and the increased benefit is necessary to make econom-
48 ically viable units or improvement in the quality of dwelling units that
49 will be affordable to persons of low or moderate income.

50 (B) As used in this subparagraph, the term "persons of low or moderate
51 income" shall mean persons who would qualify for housing subsidies
52 pursuant to section two hundred thirty-five of the national housing act,
53 as amended, at one hundred thirty-five percent of the income limitations
54 provided therein.

55 (C) Upon receiving an application under this subparagraph in proper
56 form, the department of housing preservation and development shall imme-

1 diately submit it to the community board for the area in which the
2 project is located, which may, within forty-five days of receiving it
3 and after a public hearing, make recommendations to the department as to
4 the application. The department shall act on the application within
5 sixty days of receiving it from the property owner in proper form, but
6 not before expiration of the time for the community board to make its
7 recommendations, unless the board has acted sooner.

8 (d) The department of housing preservation and development may set
9 forth preliminarily the terms of a determination under subparagraph (b)
10 or (c) of this paragraph prior to the commencement of the conversion,
11 alteration or improvement. Any such determination shall take effect
12 after completion of the work in accordance with the terms of the appli-
13 cation made by the property owner.

14 (e) Any determination of the department of housing preservation and
15 development to increase an abatement under subparagraph (b) of this
16 paragraph, or to reduce or remove the exemption limitations under
17 subparagraph (c) of this paragraph shall state the basis for the deter-
18 mination and the data on which the determination was based. Such deter-
19 mination shall be published in the City Record for five consecutive days
20 after the determination is rendered.

21 e. Notwithstanding any provision of this section or any other section
22 of the code to the contrary, where such dwelling is in an area where a
23 plan of redevelopment, program of neighborhood improvement, housing
24 maintenance, demonstration rehabilitation or concentrated code enforce-
25 ment is being carried out, the rents subsequent to conversion, alter-
26 ation or improvement may exceed the maximum amount allowable pursuant to
27 chapter four of title twenty-six of the code of the preceding munici-
28 pality where necessity for the adjustment of such rents is certified by
29 the department of housing preservation and development.

30 f. Subject to the provisions of subdivision d of this section, the
31 department of housing preservation and development shall determine and
32 certify the reasonable cost of any such conversions, alterations or
33 improvements and eligibility for the benefits of this section and for
34 that purpose may adopt rules and regulations, administer oaths to and
35 take the testimony of any person, including but not limited to the owner
36 of such property, may issue subpoenas requiring the attendance of such
37 persons and the production of such bills, books, papers or other docu-
38 ments as it shall deem necessary, may make preliminary estimates of the
39 maximum reasonable cost of such conversions, alterations or improve-
40 ments, may establish maximum allowable costs of specified units,
41 fixtures or work in such conversions, alterations or improvements, and
42 may require the submission of plans and specifications of such conver-
43 sions, alterations or improvements, and may require the submission of
44 plans and specifications of such conversions, alterations or improve-
45 ments before the start thereof. Applications for certification shall
46 include all bills and other documents showing the cost of construction
47 or such other evidence of such cost as shall be satisfactory to the
48 department of housing preservation and development, including, without
49 limitation, certification of cost by a certified public accountant in
50 accordance with generally accepted accounting principles. Applications
51 for certification for a building eligible for benefits pursuant to para-
52 graph three of subdivision d of this section, for alterations or
53 improvements completed more than three years after its conversion to
54 cooperative or condominium ownership, shall include such documentation
55 of the sale price of dwelling units or stock allocated to such dwelling
56 units as may be required by the department of housing preservation and

1 development, including but not limited to certification of sales price
2 by a certified public accountant. In addition, such applications shall
3 contain the consent of the applicant to allow the department of housing
4 preservation and development access to records, including but not limit-
5 ed to other tax records, as the department may deem appropriate to
6 enforce such conditions of eligibility. Applications for certification
7 filed on or after January first, nineteen hundred seventy-nine pursuant
8 to paragraphs one through six and paragraph eight of subdivision b of
9 this section shall be made after completion and within forty-eight
10 months following the start of construction of the conversion, alteration
11 or improvement, except that applications for certification for alter-
12 ations or improvements undertaken by a housing development fund company
13 organized pursuant to article eleven of the private housing finance law,
14 which are carried out with the substantial assistance of grants, loans
15 or subsidies from any federal, state or local governmental agency or
16 instrumentality or which are carried out in a property transferred from
17 the city of New York or city of Staten Island shall be made after
18 completion and within seventy-two months following the start of the
19 construction of the alteration or improvement. Provided, however, the
20 department of housing preservation and development is empowered to grant
21 an extension of the period for application for any project carried out
22 with the substantial assistance of loans, grants or subsidies from any
23 federal, state or local governmental agency or instrumentality, if such
24 application is made within seventy-two months from commencement of
25 construction. Applications for certification pursuant to paragraph seven
26 of subdivision b of this section shall be filed within twelve months of
27 the date of completion as provided by such subdivision.

28 g. To the end that conversions, alterations or improvements in such
29 property shall interfere as little as practicable with the clearance,
30 rehabilitation or rebuilding of sub-standard and insanitary areas and
31 shall be confined to buildings and structures which are structurally
32 sound and comply with applicable provisions of law, eligibility for the
33 benefits of this section shall be restricted to such buildings and
34 structures which the department of housing preservation and development
35 shall certify:

36 (1) to be structurally sound and to comply with applicable provisions
37 of law, as determined by the department of buildings, which certif-
38 ication shall be evidenced by a certificate describing the property
39 involved;

40 (2) if in an area for which a final plan of clearance, replanning,
41 reconstruction, rehabilitation, or redevelopment has been approved
42 pursuant to article fifteen of the general municipal law, or if in an
43 area for which an urban renewal plan or tests, studies or demonstrations
44 have been approved pursuant to article fifteen of the general municipal
45 law, to be improved in conformity with such replanning, reconstruction,
46 rehabilitation, redevelopment, tests, studies, demonstrations or plan;
47 and

48 (3) if in an area where a program of local neighborhood improvement or
49 housing maintenance is being carried out, to be in conformity with such
50 program.

51 h. Application forms for the benefits of this section shall be filed
52 with the department of finance within the time periods to be established
53 by rules and regulations promulgated by the department of housing pres-
54 ervation and development pursuant to subdivision m of this section. The
55 department of finance shall certify the amount of taxes to be abated,
56 pursuant to the certification of the department of housing preservation

1 and development as herein provided. No such application shall be
2 accepted unless accompanied by a copy of the certificate of the depart-
3 ment of housing preservation and development both as to reasonable cost
4 and as to eligibility as provided in subdivision f of this section.

5 i. The benefits of this section shall not apply:

6 (1) except as provided in subdivision d of this section, to any exist-
7 ing dwelling which is not subject to the provisions of the emergency
8 housing rent control law or to the city rent and rehabilitation law or
9 to the city rent stabilization law or to the private housing finance law
10 or to any federal law providing for supervision or regulation by the
11 United States department of housing and urban development;

12 (2) to any private dwelling, notwithstanding any other provision of
13 this section, unless it is in an area where a plan of redevelopment or
14 program of neighborhood improvement, housing maintenance, demonstration
15 rehabilitation or concentrated code enforcement is being carried out and
16 the department of housing preservation and development finds that the
17 conversion, alteration or improvement is in conformity with such plan of
18 redevelopment, or program of neighborhood improvement, housing mainte-
19 nance, demonstration rehabilitation or concentrated code enforcement;
20 provided that, however, for the purposes of this section, a class A
21 multiple dwelling may be deemed to include any garden-type maisonette
22 dwelling project consisting of a series of dwelling units which together
23 and in their aggregate were arranged or designed to provide three or
24 more apartments and are provided as a group collectively with all essen-
25 tial services such as, but not limited to, water supply, house sewers
26 and heat, and which are in existence and operated as a unit under single
27 ownership on the date upon which an application for the benefits of this
28 section is received by the department of housing preservation and devel-
29 opment, even though certificates of occupancy were issued for portions
30 thereof as private dwellings;

31 (3) to any property receiving tax exemption or abatement concurrently
32 for rehabilitation or new construction under any other provision of New
33 York state, city of New York or city of Staten Island law with the
34 exception of any alteration or improvement to property receiving such
35 tax exemption or abatement under the provisions of the private housing
36 finance law, provided, however, that the benefits of this section shall
37 not apply to any alterations or improvements done in connection with the
38 refinancing, pursuant to section 223f of the national housing act, as
39 amended, of a housing project organized pursuant to article two and
40 article four of the private housing finance law;

41 (4) to any multiple dwelling for ordinary repairs and normal replace-
42 ment of maintenance items, as provided in paragraph one of subdivision
43 a, hereof in the event that the dwelling thereof is receiving the bene-
44 fits of this section for other ordinary repairs and normal replacement
45 of maintenance items as of the December thirty-first preceding the date
46 of application;

47 (5) to the conversion of any building or structure, or portion there-
48 of:

49 (i) which is located in the city of Staten Island where residential
50 conversion as of right is not permitted by the zoning resolution;

51 (ii) where such benefits are eliminated by regulations to be promul-
52 gated by the department of housing preservation and development pursuant
53 to subdivision m of this section, unless, in the case of a building or
54 structure in Richmond county, construction actually commenced prior to
55 October first, nineteen hundred eighty-three, pursuant to an alteration
56 permit. A copy of any proposed regulation pursuant to this paragraph

1 shall be transmitted to the city council not less than sixty days prior
2 to its publication in the City Record, pursuant to section eleven
3 hundred five of the charter of the preceding municipality as it existed
4 on the first of January, in the year next succeeding the effective date
5 of this section; and

6 (iii) provided that the provisions of this paragraph shall not apply
7 to conversions pursuant to paragraph seven of subdivision b of this
8 section.

9 (6) to any conversion of or alteration or improvement, commenced on or
10 after July first, nineteen hundred eighty-two, to any class B multiple
11 dwelling or class A multiple dwelling used in whole or in part for
12 single room occupancy, regardless of the status or use of the building
13 after the conversion, alteration or improvement unless such conversion,
14 alteration or improvement is carried out with the substantial assistance
15 of grants, loans or subsidies from any federal, state or local agency or
16 instrumentality.

17 (7) to any conversion of or alteration or improvement, commenced on or
18 after the effective date of this paragraph, to any property classified
19 under the zoning resolution as a non-profit institution with sleeping
20 accommodations, regardless of the status or use of the building after
21 the conversion, alteration or improvement unless such conversion, alter-
22 ation or improvement is carried out with the substantial assistance of
23 grants, loans or subsidies from any federal, state or local agency or
24 instrumentality.

25 j. Notwithstanding the provisions of the multiple dwelling law, or any
26 local law, ordinance, provisions of this code, rule or regulation, any
27 dwelling to which alterations and improvements are made pursuant to this
28 section and which did not require a certificate of occupancy on April
29 second, nineteen hundred forty-five, may be occupied lawfully after such
30 date upon the completion of such alterations and improvements without
31 such a certificate being obtained, provided, however, that such alter-
32 ations and improvements shall have been made in conformity with law and
33 the applicable provisions for fire protection required by articles six
34 and seven of the multiple dwelling law.

35 k. No owner of a dwelling to which the benefits of this section shall
36 be applied, nor any agent, employee, manager or officer of such owner
37 shall directly or indirectly deny to any person because of race, color,
38 creed, national origin, gender, sexual orientation, disability, marital
39 status, age, religion, alienage or citizenship status, or the use of,
40 participation in, or being eligible for a governmentally funded housing
41 assistance program, including, but not limited to, the section 8 housing
42 voucher program and the section 8 housing certificate program, 42 U.S.C.
43 1437 et seq., or the senior citizen rent increase exemption program,
44 pursuant to either chapter seven of title twenty-six of the code of the
45 preceding municipality or section 26-509 of such code, any of the dwell-
46 ing accommodations in such property or any of the privileges or services
47 incident to occupancy therein. The term "disability" as used in this
48 subdivision shall have the meaning set forth in section 8-102 of the
49 code of the preceding municipality. Nothing in this subdivision shall
50 restrict such consideration in the development of housing accommodations
51 for the purpose of providing for the special needs of a particular
52 group.

53 l. Any person who shall knowingly and willfully make any false state-
54 ment as to any material matter in any application for the benefits of
55 this section shall be guilty of an offense punishable by a fine of not
56 more than five hundred dollars or imprisonment for not more than ninety

1 days, or both. The commissioner of the department of housing preserva-
2 tion and development may reduce or revoke past and future exemption or
3 tax abatement authorized pursuant to this section if the application for
4 tax exemption or tax abatement contains a false statement or false
5 information as to a material matter or omits a material matter.

6 m. Each agency or department to which functions are assigned by this
7 section may adopt and promulgate rules and regulations for the effectua-
8 tion of the purpose of this section.

9 n. The department of housing preservation and development may require
10 a filing fee in an amount as provided by the rules and regulations
11 promulgated by the department of housing preservation and development
12 pursuant to subdivision m of this section.

13 o. Any tax abatement granted for a period of nine years to a multiple
14 dwelling aided by a loan provided by the city of New York prior to Janu-
15 ary first, nineteen hundred seventy-one, shall upon application therefor
16 be adjusted to extend for a period of up to twenty years, provided that
17 the total abatement before and after such adjustment shall not exceed
18 the total abatement to which such property was initially entitled under
19 this section.

20 p. This section is enacted pursuant to the provisions of section four
21 hundred eighty-nine of the real property tax law and subdivision two of
22 section four hundred five of the private housing finance law.

23 q. No application for the benefits of this section shall be accepted
24 by the department of finance if there are outstanding real estate taxes
25 or water and sewer charges or payments in lieu of taxes which were due
26 and owing as of the last day of the tax period preceding the date of
27 such filing with the department of finance, provided that an applicant
28 aided by article eight or article fifteen of the private housing finance
29 law shall have such application accepted by the department of finance if
30 there are no outstanding real estate taxes or water and sewer charges
31 due and owing as of the last day of the tax period preceding commence-
32 ment of construction.

33 r. In the event that any building or structure receiving the benefits
34 of this section shall become operated exclusively for commercial, hotel
35 or transient hotel use, the tax commission shall withdraw benefits
36 granted herein prospectively.

37 s. The benefits of this section shall not apply to alterations or
38 improvements to existing dwellings in existence on December thirty-
39 first, nineteen hundred seventy-five where (i) such alterations or
40 improvements were completed on or before December thirty-first, nineteen
41 hundred seventy-five, and (ii) no dwelling units thereof on December
42 thirty-first, nineteen hundred seventy-five had rentals which were
43 subject to control by the city rent agency pursuant to chapter four of
44 title twenty-six of the code of the preceding municipality. This subdi-
45 vision shall not apply to alterations or improvements to any building or
46 structure which is benefitted by mortgage insurance pursuant to section
47 two hundred thirteen of the national housing act for applications filed
48 prior to January first, nineteen hundred seventy-nine.

49 t. Notwithstanding any law to the contrary, the owner of any building
50 or structure eligible for any of the benefits of this section which is
51 converted to a class A multiple dwelling, completed, or substantially
52 rehabilitated on or after January one, nineteen hundred seventy-four,
53 shall register the initial rent for each dwelling unit in such building
54 or structure with the New York state division of housing and community
55 renewal. After such registration, the rents of such dwelling units shall
56 be fully subject to regulations under chapter four of title twenty-six

1 of the code of the preceding municipality so long as the benefits of
2 this section are in effect or for such longer period as may be provided
3 by law.

4 u. Any tax exemption or tax abatement authorized pursuant to this
5 section may be revoked retroactively by the commissioner of department
6 of housing preservation and development or the department of finance at
7 any time during the authorized term of such tax exemption or tax abate-
8 ment if real estate taxes or water and sewer charges due to the city of
9 New York or city of Staten Island remain unpaid for one year after the
10 same are due and payable. In no event shall revocation be effective
11 prior to the date such taxes or charges were first due and payable.

12 v. Where alterations, improvements, or conversions include or benefit
13 that part of a building which is not occupied for dwelling purposes but
14 is occupied by stores or otherwise used for commercial purposes or
15 community facilities, the increase in assessed valuation and the cost of
16 the alteration shall be apportioned so that the benefits of this title
17 shall not be provided for alterations, improvements or conversions made
18 for other than dwelling purposes.

19 w. If any provision of this section or its application to any person
20 shall be held invalid, the remainder of this section and the applicabil-
21 ity of its provisions to other persons or circumstances shall not be
22 affected thereby.

23 x. Notwithstanding any provision of this section, no benefit pursuant
24 to paragraph four of subdivision b of this section shall be granted for
25 work commenced after January first, nineteen hundred eighty, unless the
26 applicant establishes that the department of housing preservation and
27 development and tenants of such class A multiple dwelling were given
28 notice of (i) the proposed work prior to commencement of such work, (ii)
29 the identity of the owner's representative, and (iii) the tenants'
30 rights under applicable law with respect to such work, provided that, in
31 the case of a loan program supervised by such department, notice to the
32 department shall be unnecessary, and further provided that the depart-
33 ment may itself provide the required notice to the tenants.

34 y. Applicants for benefits under the provisions of this section shall
35 file with the department of finance a form supplied by said department
36 which (i) states an intention to file for benefits under the provisions
37 of this section, (ii) describes the work for which tax benefits will be
38 claimed and (iii) estimates the cost of such work which will be eligible
39 for benefits. Such form shall be filed prior to the commencement of such
40 work. If the scope of such work or the estimated cost thereof changes
41 materially, applicant shall file a revised statement. Applicants who
42 fail to comply with the requirements of this subdivision shall be
43 subject to a penalty not to exceed one hundred percent of the filing fee
44 otherwise payable pursuant to subdivision n of this section.

45 z. A former tenant or former subtenant of premises in a non-residen-
46 tial building which is the subject of an application for an alteration
47 permit for conversion to a class A multiple dwelling, prior to the
48 application for any tax exemption or abatement benefits for such build-
49 ing pursuant to this section, and as a condition to the grant thereof,
50 shall be entitled to a relocation award under the terms and conditions
51 set forth below:

52 (1) As used in this subdivision, the term "eligible tenant" shall mean
53 any former tenant or former subtenant who:

54 (i) leased and used the vacated premises to conduct a manufacturing,
55 warehousing, or wholesaling business for not less than two consecutive
56 years immediately prior to vacating;

1 (ii) vacated such premises on or after April first, nineteen hundred
2 eighty-one for any reason other than eviction for non-payment of rent;

3 (iii) vacated such premises (a) no earlier than twenty-four months
4 prior to the filing date of an application for such alteration permit
5 and (b) no later than the completion of the conversion as evidenced by
6 the issuance of a permanent certificate of occupancy for a class A
7 multiple dwelling;

8 (iv) either purchased or leased for a term of not less than eighteen
9 months other premises within the city of Staten Island with a floor area
10 not less than one-third of the floor area of the vacated premises;

11 (v) relocated their business to such other premises within one year of
12 vacating the vacated premises; and

13 (vi) paid all commercial rent or occupancy tax for the vacated prem-
14 ises. A subtenant shall be eligible to receive a relocation award
15 notwithstanding any lack of eligibility of its prime tenant;

16 (2) the relocation award shall not exceed the greater of (i) the
17 aggregate base rent which accrued and was paid by the eligible tenant
18 during the final twenty-four months of its occupancy of the vacated
19 premises or (ii) four dollars for each square foot that the eligible
20 tenant occupied in the vacated premises during the final twenty-four
21 months of its occupancy of the vacated premises. As used in this subdivi-
22 sion, base rent shall be calculated in the same manner as base rent is
23 calculated for purposes of commercial rent or occupancy tax in the city
24 of Staten Island. However, the aggregate award payable to a prime tenant
25 and/or any subtenants of such prime tenant shall not exceed the amount
26 which would have been payable to the prime tenant had the prime tenant
27 been eligible for an award based on the entire floor area it leased from
28 the owner; and if such limitation applies, the awards shall be prorated
29 based upon the total floor area used and occupied by each eligible
30 tenant;

31 (3) the relocation award shall become due and payable to an eligible
32 tenant at the time the eligible tenant (i) either purchases or leases
33 other premises in accordance with paragraph one of this subdivision, and
34 (ii) certifies eligibility to, and demands payment of, the award from
35 the owner of the vacated building. If the relocation award is not paid
36 within thirty days of such certification and demand, interest shall
37 accrue on the relocation award from the date of the certification and
38 demand at the rate of twenty-four percent per annum;

39 (4) at any time after such certification and demand and prior to the
40 date of the filing of an application for tax exemption or abatement for
41 the vacated building pursuant to this section, an eligible tenant who
42 has not received a relocation award shall have a right to file a notice
43 of claim. Such notice of claim shall be filed with the county clerk of
44 the county and shall verify the claimant's name, its compliance with
45 eligibility requirements, the address of the vacated premises, the floor
46 area it occupied, the name of the prime tenant if the claimant is a
47 subtenant, and all the base rent that accrued and was paid by the claim-
48 ant during the final twenty-four months of its occupancy;

49 (5) a notice of claim, filed in accordance with paragraph four of this
50 subdivision, may be discharged by the filing of an undertaking with the
51 county clerk in an amount equal to the amount claimed and in accordance
52 with the procedures set forth in subdivision four of section nineteen of
53 the lien law, or by the payment into court of such amount in accordance
54 with the procedures set forth in section fifty-five of such law;

55 (6) no tax exemption or abatement shall be granted pursuant to this
56 section unless the department of housing preservation and development

1 receives an affidavit from the applicant for benefits of this section
2 which verifies that:

3 (i) the applicant has caused to be published a notice in a newspaper
4 of general circulation within the city of Staten Island, no later than
5 sixty days prior to filing of an application for tax exemption or abate-
6 ment pursuant to this section, which advises former tenants and subten-
7 ants of their rights pursuant to this subdivision; and

8 (ii) no notice of claim has been filed or all claims have been
9 released by the claimants, or secured in accordance with the provisions
10 of paragraph five of this subdivision, or discharged as an improper
11 claim by court order;

12 (7) the affidavit required pursuant to the provisions of paragraph six
13 of this subdivision shall be considered part of the application for
14 benefits pursuant to this section;

15 (8) if an eligible tenant has duly filed a notice of claim pursuant to
16 paragraph four of this subdivision and did not receive a relocation
17 award as provided herein, it may commence an action against any appli-
18 cant who filed a false affidavit pursuant to paragraph six of this
19 subdivision or any security posted by such applicant pursuant to para-
20 graph five of this subdivision, within three years of such filing. In
21 any action to enforce a claim pursuant to this subdivision, if the court
22 finds that the claimant has wilfully exaggerated the amount of the
23 claim, the claimant may be held liable in damages for an amount not to
24 exceed the proper relocation award. An eligible tenant in whose favor a
25 judgment is entered shall be entitled to costs and reasonable legal fees
26 and disbursements provided that such judgment is in excess of the amount
27 which the applicant or owner offered to pay the eligible tenant; and

28 (9) any lease or other rental agreement provision exempting, waiving,
29 releasing or discharging the obligation to pay a relocation award pursu-
30 ant to this subdivision shall be void as against public policy and whol-
31 ly unenforceable.

32 aa. Harassment. (1) The provisions of this subdivision apply to and
33 are additional requirements for claiming or receiving:

34 (a) any tax exemption under this section; or

35 (b) any tax abatement under this section where the certified reason-
36 able cost per dwelling unit of the conversion, alteration or improvement
37 (including the cost of any conversion, alteration or improvement for
38 which an abatement was approved within four years prior to commencement
39 of the conversion, alteration or improvement) exceeds seven thousand
40 five hundred dollars.

41 (2) The owner of the property shall file with the department of hous-
42 ing preservation and development, not less than thirty days before the
43 commencement of the conversion, alteration or improvement (hereinafter
44 referred to as the "cut-off date"), an affidavit, or, where any informa-
45 tion referred to in paragraph one of this subdivision changes prior to
46 applying for or claiming any benefit under this section, an amending
47 affidavit, setting forth the following information:

48 (a) every owner of record and owner of a substantial interest in the
49 property or entity owning the property or sponsoring the conversion,
50 alteration or improvement;

51 (b) a statement that none of such persons had, within the five years
52 prior to the cut-off date, been found to have harassed or unlawfully
53 evicted tenants by judgment or determination of a court or agency
54 (including a non-governmental agency having appropriate legal jurisdic-
55 tion) under the penal law, any state or local law regulating rents or

1 any state or local law relating to harassment of tenants or unlawful
2 eviction; and

3 (c) any change in the information required to be set forth.

4 (3) No conversion, alteration or improvement subject to this subdivi-
5 sion shall be eligible for tax exemption or tax abatement under this
6 section where:

7 (a) any affidavit required under this subdivision has not been filed;

8 (b) any such affidavit contains a willful misrepresentation or omis-
9 sion of any material fact; or

10 (c) any person referred to in subparagraph (a) of paragraph two of
11 this subdivision has been found to have harassed or unlawfully evicted
12 tenants as described in that paragraph, until and unless the finding is
13 reversed on appeal, provided that any such finding after the cut-off
14 date shall not apply to or affect any tax abatement or exemption for the
15 conversion, alteration or improvement covered by the affidavit.

16 (4) The department of housing preservation and development and the
17 department of finance shall maintain a list of affidavits as described
18 in paragraph two of this subdivision. Each agency shall review that list
19 with respect to each application or claim for benefits subject to this
20 subdivision.

21 (5) "Substantial interest" as used in subparagraph (a) of paragraph
22 two of this subdivision shall mean ownership of an interest of ten per
23 centum or more in the property or entity owning the property or sponsor-
24 ing the conversion, alteration or improvement.

25 (6) Where the conversion, alteration or improvement is commenced
26 before August first, nineteen hundred eighty-three, the cut-off date
27 shall be as set forth in this subdivision, but no affidavit shall be
28 required to be filed until thirty days after the effective date of this
29 subdivision.

30 bb. Notwithstanding any contrary provision of the private housing
31 finance law, the benefits of this section shall apply to any limited
32 profit housing company as provided in this section. Such multiple dwell-
33 ing, building or structure shall be eligible for benefits where at least
34 one building-wide improvement or alteration is part of the application
35 for benefits. Furthermore, to the extent that such alterations or
36 improvements are financed with grants, loans or subsidies from any
37 federal, state, or local agency or instrumentality, such multiple dwell-
38 ing, building or structure shall be eligible for benefits only if the
39 limited profit housing company has entered into a binding and irrev-
40 ocable agreement with the commissioner of housing of the state of New
41 York, the supervising agency, as such term is defined in section two of
42 the private housing finance law, the New York city housing development
43 corporation, or the New York state housing finance agency prohibiting
44 the dissolution or reconstitution of such limited profit housing company
45 pursuant to section thirty-five of the private housing finance law for
46 not less than fifteen years from the commencement of benefits. The
47 abatement of taxes on such property, including the land, shall not be an
48 amount greater than ninety per centum of the certified reasonable cost
49 of such alterations or improvements, as determined under regulations of
50 the department of housing preservation and development, nor greater than
51 eight and one-third percent of such certified reasonable cost in any
52 twelve-month period, nor be effective for more than twenty years. The
53 annual abatement of taxes in any twelve-month period shall in no event
54 exceed fifty percent of the amount of taxes payable in such twelve-month
55 period pursuant to the applicable exemption granted pursuant to article
56 two of the private housing finance law or other applicable laws or fifty

1 percent of payments required to be made in lieu of taxes in such twelve-
2 month period. Provided, however, the annual abatement of taxes for
3 alterations or improvements commenced prior to June first, nineteen
4 hundred eighty-six may not be applied to reduce the amount of taxes
5 payable or the amount of payments required to be made in lieu of taxes
6 in any twelve-month period to an amount less than the minimum amount of
7 taxes required to be paid pursuant to section thirty-three of the
8 private housing finance law.

9 cc. The commissioner of the department of housing preservation and
10 development and the commissioner of the department of finance shall
11 prepare an annual report which shall be submitted to the Mayor and the
12 council on or before the first of July next succeeding the year to which
13 the report pertains, regarding the exemptions and abatements granted
14 pursuant to this section and shall include, but not be limited to the
15 following information: (i) the amount of real property tax that would
16 have been paid in the aggregate by the owners of real property granted
17 an exemption or abatement if the property were fully taxable and the
18 amount of tax actually paid in the aggregate by such owners, (ii) the
19 geographic distribution of exemptions and abatements granted pursuant to
20 this section, and (iii) a distribution by type of eligible categories as
21 delineated in paragraphs one through nine of subdivision b of this
22 section.

23 dd. Partial waiver of rent adjustments attributable to major capital
24 improvements. (1) The provisions of this subdivision apply to and are
25 additional requirements for claiming or receiving any tax abatement
26 under this section, except as provided in paragraphs three and four of
27 this subdivision.

28 (2) The owner of the property shall file with the department of hous-
29 ing preservation and development, on the date any application for bene-
30 fits is made, a declaration stating that in consideration of any tax
31 abatement benefits which may be received pursuant to such application
32 for alterations or improvements constituting a major capital improve-
33 ment, such owner agrees to waive the collection of a portion of the
34 total annual amount of any rent adjustment attributable to such major
35 capital improvement which may be granted by the New York state division
36 of housing and community renewal pursuant to the rent stabilization code
37 or its successor statute for the city of Staten Island equal to one-half
38 of the total annual amount of the tax abatement benefits which the prop-
39 erty receives pursuant to such application with respect to such alter-
40 ations or improvements. Such waiver shall commence on the date of the
41 first collection of such rent adjustment, provided that, in the event
42 that such tax abatement benefits were received prior to such first
43 collection, the amount waived shall be increased to account for such tax
44 abatement benefits so received. Following the expiration of a tax abate-
45 ment for alterations or improvements constituting a major capital
46 improvement for which a rent adjustment has been granted by such divi-
47 sion, the owner may collect the full amount of annual rent permitted
48 pursuant to such rent adjustment. A copy of such declaration shall be
49 filed simultaneously with the New York state division of housing and
50 community renewal. Such declaration shall be binding upon such owner,
51 and his or her successors and assigns.

52 (3) The provisions of this subdivision shall not apply to substantial
53 rehabilitation of buildings vacant when alterations or improvements are
54 commenced or to buildings rehabilitated with the substantial assistance
55 of city, state or federal subsidies.

1 (4) The provisions of this subdivision shall apply only to alterations
2 and improvements commenced after the effective date of such subdivision.
3 § 11-244 Tax exemption and abatement for rehabilitated buildings. a.
4 As used in this section, the following terms shall have the following
5 meanings:

6 1. "Eligible real property" shall mean:

7 (i) any class B multiple dwelling;

8 (ii) any class A multiple dwelling used for single room occupancy
9 pursuant to section two hundred forty-eight of the multiple dwelling law
10 which contains no more than twenty-five percent class A dwelling units
11 which contain lawful sanitary and kitchen facilities within the dwelling
12 unit, provided that in the case of a multiple dwelling containing ten
13 dwelling units or less, up to forty percent of the dwelling units may be
14 class A units; and

15 (iii) not-for-profit institutions with sleeping accommodations.

16 Notwithstanding the foregoing, eligible real property shall not
17 include college and school dormitories, club houses, or residences whose
18 occupancy is restricted to an institutional use such as housing intended
19 for use primarily or exclusively by the employees of a single company or
20 institution. A building is an eligible real property only if it quali-
21 fies as such after completion of the eligible improvements, but need not
22 have been an eligible real property prior to the eligible improvements.

23 2. "Eligible improvements" shall be limited to the following catego-
24 ries of work, provided further that such work shall be in conformity
25 with all applicable laws:

26 (i) replacement of a boiler or burner or installation of an entire new
27 heating system;

28 (ii) replacement or upgrading of electrical system;

29 (iii) replacement or upgrading of elevators;

30 (iv) installation or replacement or upgrading of the plumbing system,
31 including water main and risers;

32 (v) replacement or installation of walls, ceilings, floors or trim
33 where necessary;

34 (vi) replacement or upgrading of doors, installation of security
35 devices and systems;

36 (vii) installation, replacement or upgrading of smoke detectors, fire
37 alarms, fire escapes or sprinkler systems;

38 (viii) replacement or repair of roof, leaders and gutters;

39 (ix) replacement or installation of bathroom facilities;

40 (x) installation of wall and pipe insulation;

41 (xi) replacement or upgrading of street connections for water or sewer
42 services;

43 (xii) replacement or installation of windows, or installation of
44 window gates or guards;

45 (xiii) installation or replacement of boiler smoke stack;

46 (xiv) pointing, waterproofing and cleaning of entire building exterior
47 surface;

48 (xv) improvements designed to conserve the use of fuel, electricity or
49 other energy sources;

50 (xvi) work necessary to effect compliance with all applicable laws
51 including, but not limited to the multiple dwelling law, the city hous-
52 ing maintenance code or its successor statute for the city of Staten
53 Island and the building code; and

54 (xvii) improvements unique to congregate living facilities, as defined
55 by rules and regulations promulgated by the department of housing pres-
56 ervation and development.

1 3. "Existing dwelling" shall mean any eligible real property in exist-
2 ence prior to the commencement of eligible improvements, for which tax
3 exemption and abatement is claimed under the terms of this section and
4 for which a valuation appears on the annual record of assessed valuation
5 of the city for the fiscal year immediately preceding the commencement
6 of construction of such eligible improvements.

7 4. "Commencement of eligible improvement" shall mean the beginning of
8 any physical operation undertaken for the purpose of making eligible
9 improvements to eligible real property.

10 5. "Completion of eligible improvement" shall mean the conclusion or
11 termination of any physical operation referred to in the preceding para-
12 graph, to an extent or degree which renders an eligible property capable
13 of use for the purpose for which the improvements were intended.

14 6. "Permanent resident" shall mean a person who has resided in eligi-
15 ble real property for six months or more; has a lease or other rental
16 agreement for a term of six or more months; or has requested a lease
17 pursuant to the provisions of the rent stabilization code or its succes-
18 sor statute for the city of Staten Island for housing accommodations
19 located in hotels.

20 b. Any increase in the assessed valuation of eligible real property
21 shall be exempt from taxation for local purposes for a period of thir-
22 ty-two years to the extent such increase results from eligible improve-
23 ments, provided that:

24 (i) the eligible improvements are commenced after July first, nineteen
25 hundred eighty, and prior to the thirty-first of December in the year
26 next succeeding the effective date of this section, and are completed
27 within thirty-six months from commencement;

28 (ii) the department of housing preservation and development determines
29 and certifies the cost, qualification and eligibility of any improvement
30 for benefits of this section;

31 (iii) the exemption may commence no sooner than the July first follow-
32 ing the filing with the department of finance of a certification of
33 eligibility issued by the department of housing preservation and devel-
34 opment for benefits of this section; provided, however, that if the
35 rehabilitation is carried out with substantial government assistance as
36 part of a program for affordable housing the exemption may commence no
37 sooner than the July first following the commencement of construction of
38 eligible improvements;

39 (iv) immediately prior to, and during, the construction of eligible
40 improvements, not less than fifty percent of the dwelling units in such
41 eligible real property are occupied by permanent residents; provided
42 that such occupancy requirement shall not apply to a vacant, govern-
43 mentally owned multiple dwelling which had been vacant for not less than
44 two years prior to the commencement of construction of eligible improve-
45 ments, nor to a vacant multiple dwelling where the eligible improvements
46 are carried out with the substantial assistance of grants, loans or
47 subsidies from any federal, state or local agency or instrumentality or
48 any not-for-profit philanthropic organization one of whose primary
49 purposes is providing low or moderate income housing;

50 (v) no outstanding real estate taxes, water and sewer charges,
51 payments in lieu of taxes or other municipal charges are due and owing
52 as of the tax quarter immediately preceding the commencement of tax
53 exemption pursuant to this section; provided that an applicant aided
54 pursuant to the provisions of the private housing finance law shall have
55 such application accepted by the tax commission if there are no
56 outstanding real estate, water and sewer taxes due and owing as of the

1 last day of the tax quarter preceding commencement of construction of
2 eligible improvements;

3 (vi) except in the case of eligible real property which is receiving
4 or has received assistance pursuant to a governmental rent subsidy
5 program or which is owned by a not-for-profit corporation or by a wholly
6 owned subsidiary of a not-for-profit corporation and which is receiving
7 or has received assistance pursuant to a governmental loan subsidy
8 program, as defined by the rules and regulations promulgated by the
9 department of housing preservation and development, for the construction
10 of eligible improvements, the initial rent after completion of eligible
11 improvements, for ninety percent of the total number of dwelling units
12 occupied by permanent residents in a class A or class B multiple dwell-
13 ing other than apartments shall not exceed the greater of either the
14 amount of any governmental rental assistance received by an occupant or
15 seventy-five percent of the rent which is permitted to be charged for
16 zero-bedroom units on the moderate rehabilitation fair market rent sche-
17 dule as determined by the United States department of housing and urban
18 development for the housing assistance payments program under section
19 eight of the national housing act;

20 (vii) no person residing in eligible real property prior to or during
21 the construction of eligible improvements shall be required by the owner
22 to vacate the eligible real property solely in order to perform the
23 eligible improvements or any related work.

24 c. Eligible real property which qualifies for exemption from taxation
25 for local purposes for eligible improvements shall also be eligible for
26 an annual abatement of real property taxes in an amount not to exceed
27 twelve and one-half percent of the reasonable cost of eligible improve-
28 ments certified by the department of housing preservation and develop-
29 ment, which abatement may commence on the first day of the first tax
30 quarter following the filing with the department of finance of a certifi-
31 cation of eligibility issued by the department of housing preservation
32 and development for benefits of this section; provided, however, that if
33 the rehabilitation is carried out with substantial government assistance
34 as part of a program for affordable housing the abatement may commence
35 no sooner than the first day of the first tax quarter following the
36 commencement of construction of eligible improvements, provided further
37 that:

38 (i) the annual abatement shall not exceed the amount of taxes other-
39 wise payable in the corresponding year;

40 (ii) the period during which such abatement is effective shall not
41 exceed twenty consecutive years from the date such abatement first
42 becomes effective; and

43 (iii) the total abatement shall not exceed the lesser of one hundred
44 fifty percent of the certified reasonable costs of eligible improvements
45 or the actual costs as determined by the department of housing preserva-
46 tion and development pursuant to its rules and regulations.

47 d. During the period of tax exemption or abatement pursuant to this
48 section, each of the following shall be a condition precedent to the
49 continuation of the exemption and/or abatement:

50 (i) compliance with all applicable provisions of law, including, but
51 not limited to the multiple dwelling law, the building code and the
52 housing maintenance code of the preceding municipality;

53 (ii) all dwelling units, except owner occupied units, shall be subject
54 to the emergency housing rent control law or the local housing rent
55 control act or the tenant protection act of nineteen hundred seventy-
56 four, or any local laws enacted pursuant thereto or the rent stabiliza-

1 tion law of nineteen hundred sixty-nine or their successor statutes for
2 the city of Staten Island; provided, however, that the department of
3 housing preservation and development may exempt from this requirement
4 dwelling units that are not occupied by permanent residents in those
5 buildings owned by a not-for-profit corporation and which are improved
6 with the aid of a rehabilitation loan from any government agency or
7 instrumentality or operated pursuant to a contract with a governmental
8 entity.

9 (iii) eligible real property receiving tax exemption or tax abatement
10 benefits under this section shall not receive tax exemption or tax
11 abatement for new construction or rehabilitation under any other
12 provision of law;

13 (iv) the eligible improvements shall not be used as the basis for any
14 application for rent increases and the owner shall file a statement to
15 such effect with the department of housing preservation and development
16 and with any appropriate rent regulatory agency, provided, however, that
17 rents of units improved with the aid of a rehabilitation loan from any
18 governmental agency or instrumentality may within the limitations estab-
19 lished by this section be increased pursuant to the rules and regu-
20 lations of the department of housing preservation and development; and

21 (v) a minimum of seventy-five percent of the dwelling units shall be
22 rental units occupied by permanent residents; provided, however that the
23 department of housing preservation and development may exempt from this
24 requirement those buildings improved with the aid of a rehabilitation
25 loan from any governmental agency or instrumentality or operated pursu-
26 ant to a contract with a governmental entity.

27 e. During the period of tax exemption or abatement pursuant to this
28 section, the owner shall submit an annual certification to the depart-
29 ment of housing preservation and development in the form prescribed by
30 such department. Failure to submit such certification in any given year
31 may result in the revocation of benefits. The certification shall
32 include the following:

33 (i) the total number of dwelling units within the eligible real prop-
34 erty and the total number of dwelling units occupied by permanent resi-
35 dents;

36 (ii) the number of dwelling units subject to the provisions of the
37 emergency housing rent control act, the emergency tenant protection act
38 of nineteen seventy-four or any local laws enacted pursuant thereto; the
39 emergency housing rent control law or the rent stabilization law of
40 nineteen hundred sixty-nine or their successor statutes applicable to
41 the city of Staten Island; and

42 (iii) all such other information required by the department of housing
43 preservation and development.

44 f. Any tax exemption or tax abatement authorized pursuant to this
45 section may be revoked or reduced by the department of housing preserva-
46 tion and development or by the department of finance at any time during
47 the authorized term of such tax exemption or tax abatement upon a find-
48 ing by either department that:

49 (i) the application for benefits pursuant to this section or the annu-
50 al certification required hereunder contains a false statement or false
51 information as to a material matter, or omits a material matter, in
52 which case the revocation or reduction may be retroactive to the
53 commencement of benefits pursuant to this section;

54 (ii) real estate taxes, water, sewer or other municipal charges, or
55 payments in lieu of said taxes or charges are, and have remained, due
56 and owing for more than one year, in which case the revocation or

1 reduction may be retroactive to the commencement of benefits pursuant to
2 this section, provided that in no event shall revocation be effective
3 prior to the date such taxes or charges were first due and payable; or

4 (iii) the eligible real property fails to comply with one or more of
5 the provisions or requirements of this section.

6 g. Application forms for the benefits of this section shall be filed
7 with the tax commission within the time periods to be established by
8 rules and regulations promulgated by the department of housing preserva-
9 tion and development, pursuant to subdivision i of this section. The tax
10 commission shall certify to the department of finance the amount of
11 taxes to be abated, pursuant to the certification of the department of
12 housing preservation and development as herein provided. No such appli-
13 cation shall be accepted unless accompanied by a copy of the certificate
14 of the department of housing preservation and development both as to
15 reasonable cost and as to eligibility as provided in subdivision b of
16 this section.

17 h. No owner of a dwelling to which the benefits of this section apply,
18 nor any agent, employee, manager or officer of such owner shall directly
19 or indirectly deny to any person because of race, color, creed, national
20 origin, sex, disability, marital status, age, religion, military status,
21 gender identity or expression or sexual orientation any of the dwelling
22 accommodations in such property or any of the privileges or services
23 incident to occupancy therein. The term "disability" as used in this
24 subdivision shall mean a physical, mental or medical impairment result-
25 ing from anatomical, physiological, or neurological conditions which
26 prevents the exercise of a normal bodily function or is demonstrable by
27 medically accepted clinical or laboratory diagnostic techniques. Nothing
28 in this subdivision shall restrict such consideration in the availabili-
29 ty of housing accommodations for the purpose of providing for the
30 special needs of a particular group.

31 i. The department of housing preservation and development shall deter-
32 mine and certify the reasonable cost of any such conversions, alter-
33 ations or improvements and eligibility for the benefits of this section
34 and for that purpose may adopt rules and regulations, administer oaths
35 to and take the testimony of any person, including, but not limited to
36 the owner of such property, may issue subpoenas requiring the attendance
37 of such persons and the production of such bills, books, papers or other
38 documents as it shall deem necessary, may make preliminary estimates of
39 the maximum reasonable cost of such conversions, alterations or improve-
40 ments, may establish maximum allowable costs of specified units,
41 fixtures or work in such conversions, alterations or improvements, and
42 may require the submission of plans and specifications of such conver-
43 sions, alterations or improvements before the start thereof. Applica-
44 tions for certification shall include all bills and other documents
45 showing the cost of construction or such other evidence of such cost as
46 shall be satisfactory to the department of housing preservation and
47 development, including, without limitation, certification of cost by a
48 certified public accountant in accordance with generally accepted
49 accounting principles. Each additional agency to which functions are
50 assigned by this section may adopt and promulgate rules and regulations
51 for the effectuation of the purposes of this section.

52 j. The department of housing preservation and development may require
53 a filing fee in an amount as provided by the rules and regulations
54 promulgated by the department of housing preservation and development
55 pursuant to subdivision i of this section.

1 k. Any person who shall knowingly and wilfully make any false state-
2 ments as to any material matter in any application for the benefits of
3 this section shall be guilty of an offense punishable by a fine of not
4 more than five hundred dollars or imprisonment for not more than ninety
5 days, or both.

6 l. If any provision of this section or its application to any person
7 shall be held invalid, the remainder of this section and the applicabil-
8 ity of its provisions to other persons or circumstances shall not be
9 affected thereby.

10 § 11-245.1 Site eligibility limitations on benefits pursuant to
11 section four hundred twenty-one-a of the real property tax law.

12 (a) Where eligibility for benefits under section four hundred twenty-
13 one-a of the real property tax law is sought for any construction
14 commenced on or after November twenty-ninth, nineteen hundred eighty-
15 five and before May twelfth, two thousand on the basis that such
16 construction shall take place on land which, on the date thirty-six
17 months prior to the commencement of such construction, was improved with
18 a nonresidential building or buildings and was under-utilized, the
19 under-utilization of the land must have been such that each building or
20 buildings:

21 (1) contained no more than the permissible floor area ratio for
22 nonresidential buildings in the zoning district in question and a
23 floor area ratio which was twenty percent or less of the maximum
24 floor area ratio for residential buildings,

25 (2) had an assessed valuation equal to or less than twenty percent
26 of the assessed valuation of the land on which the building or
27 buildings were situated, or

28 (3) by reason of the configuration of the building, or substantial
29 structural defects not brought about by deferred maintenance prac-
30 tices or intentional conduct, could no longer be functionally or
31 economically utilized in the capacity in which it was formerly
32 utilized.

33 For purposes of this subdivision and subdivisions (a-1) through (a-4)
34 of this section, construction shall be deemed to have commenced on the
35 date immediately following the issuance by the department of buildings
36 of a new building permit for an entire new building (based upon archi-
37 tectural, plumbing and structural plans approved by such department) on
38 which the excavation and the construction of initial footings and foun-
39 dations commences in good faith, on vacant land and for the entire
40 project site, as certified by an architect or professional engineer
41 licensed in the state, provided that installation of footings and foun-
42 dations is similarly certified by such architect or engineer to have
43 been completed without undue delay.

44 (a-1) Except as provided in subdivision (a-2) of this section, where
45 eligibility for benefits under section four hundred twenty-one-a of the
46 real property tax law is sought for any construction commenced on or
47 after May twelfth, two thousand and before the effective date of subdi-
48 visions (a-3) and (a-4) of this section on the basis that such
49 construction shall take place on land which, on the date thirty-six
50 months prior to the commencement of such construction, was improved with
51 a nonresidential building or buildings and was under-utilized, the
52 under-utilization of the land must have been such that each building or
53 buildings:

54 (1) contained no more than the permissible floor area ratio for
55 nonresidential buildings in the zoning district in question and a

1 floor area ratio which was seventy-five percent or less of the maxi-
2 mum floor area ratio for residential buildings,

3 (2) had an assessed valuation equal to or less than seventy-five
4 percent of the assessed valuation of the land on which the building
5 or buildings were situated, or

6 (3) by reason of the configuration of the building, or substantial
7 structural defects not brought about by deferred maintenance prac-
8 tices or intentional conduct, could no longer be functionally or
9 economically utilized in the capacity in which it was formerly
10 utilized.

11 For purposes of this subdivision, construction shall be deemed to have
12 commenced as provided in subdivision (a) of this section.

13 (a-2) Where eligibility for benefits under section four hundred twen-
14 ty-one-a of the real property tax law is sought for any construction on
15 any tax lot now existing or hereafter created which is located south of
16 or adjacent to either side of one hundred tenth street in the borough of
17 Manhattan which construction commenced on or after May twelfth, two
18 thousand and before the effective date of subdivisions (a-3) and (a-4)
19 of this section on the basis that such construction shall take place on
20 land which, on the date thirty-six months prior to the commencement of
21 such construction, was improved with a nonresidential building or build-
22 ings and was under-utilized, the under-utilization of the land must have
23 been such that each building or buildings:

24 (1) contained no more than the permissible floor area ratio for
25 nonresidential buildings in the zoning district in question and a
26 floor area ratio which was fifty percent or less of the maximum
27 floor area ratio for residential buildings,

28 (2) had an assessed valuation equal to or less than fifty percent of
29 the assessed valuation of the land on which the building or build-
30 ings were situated, or

31 (3) by reason of the configuration of the building, or substantial
32 structural defects not brought about by deferred maintenance prac-
33 tices or intentional conduct, could no longer be functionally or
34 economically utilized in the capacity in which it was formerly
35 utilized.

36 For purposes of this subdivision, construction shall be deemed to have
37 commenced as provided in subdivision (a) of this section.

38 (a-3) Except as provided in subdivision (a-4) of this section, where
39 eligibility for benefits under section four hundred twenty-one-a of the
40 real property tax law is sought for any construction commenced on or
41 after the effective date of this subdivision on the basis that such
42 construction shall take place on land which, on the date thirty-six
43 months prior to the commencement of such construction, was improved with
44 a nonresidential building or buildings and was under-utilized, the
45 under-utilization of the land must have been such that each building or
46 buildings:

47 (1) contained no more than the permissible floor area ratio for
48 nonresidential buildings in the zoning district in question and
49 either (i) had a floor area ratio which was seventy-five percent or
50 less of the maximum floor area ratio for residential buildings in
51 such zoning district, or (ii) if the land was not zoned to permit
52 residential use on the date thirty-six months prior to the commence-
53 ment of construction, had a floor area ratio which was seventy-five
54 percent or less of the floor area ratio of the residential building
55 which replaces such non-residential building,

1 (2) had an assessed valuation equal to or less than seventy-five
2 percent of the assessed valuation of the land on which the building
3 or buildings were situated, or

4 (3) by reason of the configuration of the building, or substantial
5 structural defects not brought about by deferred maintenance prac-
6 tices or intentional conduct, could no longer be functionally or
7 economically utilized in the capacity in which it was formerly
8 utilized.

9 For purposes of this subdivision, construction shall be deemed to have
10 commenced as provided in subdivision (a) of this section.

11 (a-4) Where eligibility for benefits under section four hundred twenty-
12 one-a of the real property tax law is sought for any construction on
13 any tax lot now existing or hereafter created which is located south of
14 or adjacent to either side of one hundred tenth street in the borough of
15 Manhattan which construction commenced on or after the effective date of
16 this subdivision on the basis that such construction shall take place on
17 land which, on the date thirty-six months prior to the commencement of
18 such construction, was improved with a nonresidential building or build-
19 ings and was under-utilized, the under-utilization of the land must have
20 been such that each building or buildings:

21 (1) contained no more than the permissible floor area ratio for
22 nonresidential buildings in the zoning district in question and
23 either (i) had a floor area ratio which was fifty percent or less of
24 the maximum floor area ratio for residential buildings in such
25 zoning district, or (ii) if the land was not zoned to permit resi-
26 dential use on the date thirty-six months prior to the commencement
27 of construction, had a floor area ratio which was fifty percent or
28 less of the floor area ratio of the residential building which
29 replaces such non-residential building,

30 (2) had an assessed valuation equal to or less than fifty percent of
31 the assessed valuation of the land on which the building or build-
32 ings were situated, or

33 (3) by reason of the configuration of the building, or substantial
34 structural defects not brought about by deferred maintenance prac-
35 tices or intentional conduct, could no longer be functionally or
36 economically utilized in the capacity in which it was formerly
37 utilized.

38 For purposes of this subdivision, construction shall be deemed to have
39 commenced as provided in subdivision (a) of this section.

40 (b) The department of housing preservation and development may promul-
41 gate rules and regulations for the effectuation of the purposes of this
42 section.

43 (c) The limitations on benefits contained in this section shall be in
44 addition to those contained in any other law or regulation.

45 § 11-245.1-a Boundary review commission. (a) There shall be estab-
46 lished a boundary review commission consisting of eleven members,
47 including the commissioner of finance, the commissioner of housing pres-
48 ervation and development, the commissioner of buildings, the chairperson
49 of the department of city planning, the director of the office of
50 management and budget, the executive director of the board of standards
51 and appeals and five members chosen by the speaker of the council. The
52 appointees of the speaker of the council shall serve at the pleasure of
53 the speaker. The commission shall elect a chairperson from among its
54 members.

55 (b) The boundary review commission shall undertake a biennial review
56 of the tax benefit program established pursuant to section four hundred

1 twenty-one-a of the real property tax law to determine whether the areas
2 for which the tax benefits are restricted pursuant to those provisions
3 of the administrative code which relate to such program should be
4 revised in any manner.

5 (c) In conducting a review to determine whether geographic exclusion
6 zones restricting benefits provided pursuant to section four hundred
7 twenty-one-a of the real property tax law should be revised, the commis-
8 sion shall review measurers of housing activity and housing market
9 conditions throughout the city including (i) the amount of new develop-
10 ment; (ii) values in land sales, residential sales prices and rents;
11 (iii) trends in land sales, residential sales prices and rents and other
12 development trend data including land use trends, lot consolidation and
13 board of standards and appeals actions; (iv) development potential; (v)
14 relationship between volume of potential development and existing hous-
15 ing; and (vi) financial feasibility of development with and without the
16 benefits provided pursuant to section four hundred twenty-one-a of the
17 real property tax law.

18 (d) On or before December first of each even numbered year following
19 the effective date of this section, such commission shall submit a
20 report to the speaker of the council and the mayor on its deliberations
21 and shall include recommendations for revisions to such boundaries that
22 it deems appropriate or why no revisions were recommended, including the
23 methodology by which it applied the criteria in subdivision (c) of this
24 section to arrive at its recommendations, and all data used to make such
25 recommendations. Any recommendations shall be consistent with the
26 provisions of section four hundred twenty-one-a of the real property tax
27 law.

28 § 11-245.1-b Limitations on benefits pursuant to section four hundred
29 twenty-one-a of the real property tax law. (a) As used in this section,
30 the following terms shall have the following meanings:

31 (1) "Residential tax lot" shall mean a tax lot that contains dwelling
32 units.

33 (2) "Non-residential tax lot" shall mean a tax lot that does not
34 contain any dwelling units.

35 (3) "Annual limit" shall mean sixty-five thousand dollars, which
36 amount shall be increased by three percent, compounded annually, on each
37 taxable status date following the first anniversary of the effective
38 date of the local law that added this section.

39 (4) "Certificate of occupancy" shall mean the first certificate of
40 occupancy covering all residential areas of the building on or contain-
41 ing a tax lot.

42 (5) "Unit count" shall mean (i) in the case of a residential tax lot
43 that does not contain any commercial, community facility or accessory
44 use space, the number of dwelling units in such tax lot, and (ii) in the
45 case of a residential tax lot that contains commercial, community facil-
46 ity or accessory use space, the number of dwelling units in such tax lot
47 plus one.

48 (6) "Exemption cap" shall mean the unit count multiplied by the annual
49 limit.

50 (b) The provisions of this section shall apply only to projects that
51 commence construction on or after the effective date of this section.

52 (c) No benefits under section four hundred twenty-one-a of the real
53 property tax law shall be conferred for any multiple dwelling containing
54 fewer than four dwelling units, as set forth in the certificate of occu-
55 pancy, unless the construction of such multiple dwelling is carried out
56 with substantial assistance of grants, loans or subsidies from any

1 federal, state or local agency or instrumentality where such assistance
2 is provided pursuant to a program for the development of affordable
3 housing.

4 (d) The portion of the assessed valuation of any residential tax lot
5 exempted from real property taxation in any year pursuant to section
6 four hundred twenty-one-a of the real property tax law shall not exceed
7 the exemption cap on or after the first taxable status date after the
8 building on or containing such tax lot receives its certificate of occu-
9 pancy unless, in accordance with a regulatory agreement with or approved
10 by the department of housing preservation and development that is appli-
11 cable to such tax lot, (1) the construction of such building is carried
12 out with substantial assistance of grants, loans or subsidies from any
13 federal, state or local agency or instrumentality and such assistance is
14 provided pursuant to a program for the development of affordable hous-
15 ing, or (2) the department of housing preservation and development has
16 imposed a requirement or has certified that twenty per cent of the units
17 be restricted income units. All such restricted income units must be
18 situated onsite. For the purposes of this section, "onsite" shall mean
19 that restricted income units shall be situated within the building or
20 buildings for which benefits pursuant to section four hundred twenty-
21 one-a of the real property tax law are being granted. A dwelling unit
22 that is located in two or more tax lots shall be ineligible to receive
23 any benefits under section four hundred twenty-one-a of the real proper-
24 ty tax law. The portion of the assessed valuation of all non-residential
25 tax lots in the building on or containing such non-residential tax lots
26 exempted from real property taxation in any year pursuant to section
27 four hundred twenty-one-a of the real property tax law shall not exceed
28 a cumulative total equal to the annual limit on or after the first taxa-
29 ble status date after the building on or containing such non-residential
30 tax lots receives its certificate of occupancy.

31 (e) A new multiple dwelling that is situated in (1) a neighborhood
32 preservation program area as determined by the department of housing
33 preservation and development as of June first, nineteen hundred eighty-
34 five, (2) a neighborhood preservation area as determined by the New York
35 city planning commission as of June first, nineteen hundred eighty-five,
36 (3) an area that was eligible for mortgage insurance provided by the
37 rehabilitation mortgage insurance corporation as of May first, nineteen
38 hundred ninety-two, or (4) an area receiving funding for a neighborhood
39 preservation project pursuant to the neighborhood reinvestment corpo-
40 ration act (42 U.S.C. §§ 8101 et seq.) as of June first, nineteen
41 hundred eighty-five, shall only be eligible for the benefits available
42 pursuant to subparagraph (iii) of paragraph (a) of subdivision two of
43 section four hundred twenty-one-a of the real property tax law if:

44 a. the construction is carried out with substantial assistance of
45 grants, loans or subsidies from any federal, state or local agency or
46 instrumentality and such assistance is provided pursuant to a program
47 for the development of affordable housing, or

48 b. the department of housing preservation and development has imposed
49 a requirement or has certified that twenty percent of the units be
50 restricted income units. All such restricted income units must be situ-
51 ated onsite.

52 (f) The department of housing preservation and development may promul-
53 gate rules and regulations to effectuate the purposes of this section.

54 (g) The limitations on eligibility for benefits contained in this
55 section shall be in addition to those contained in any other law, rule
56 or regulation.

1 (h) Notwithstanding anything to the contrary contained herein, the
2 limitations on eligibility for benefits contained in this section shall
3 not apply to a covered project as defined in subparagraph (i) of para-
4 graph a of subdivision six of section four hundred twenty-one-a of the
5 real property tax law.

6 § 11-245.2 Exemption for real property of certain water-works corpo-
7 rations. Real property owned by a water-works corporation subject to the
8 provisions of the public service law and used exclusively for the sale,
9 furnishing and distribution of water for domestic, commercial and public
10 purposes, shall not be taxable.

11 § 11-245.3 Exemption for persons sixty-five years of age or over. 1.
12 Real property owned by one or more persons, each of whom is sixty-five
13 years of age or over, or real property owned by husband and wife or by
14 siblings, one of whom is sixty-five years of age or over, or real prop-
15 erty owned by one or more persons, some of whom qualify under this
16 section and section 11-245.4 of this part shall be exempt from taxes on
17 real estate to the extent of fifty per centum of the assessed valuation
18 thereof. For the purposes of this section, siblings shall mean a brother
19 or a sister, whether related through halfblood, whole blood or adoption.

20 2. Exemption from taxation for school purposes shall not be granted in
21 the case of real property where a child resides if such child attends a
22 public school of elementary or secondary education.

23 3. No exemption shall be granted:

24 (a) if the income of the owner or the combined income of the owners of
25 the property exceeds the sum of twenty-six thousand dollars beginning
26 July first, two thousand six, twenty-seven thousand dollars beginning
27 July first, two thousand seven, twenty-eight thousand dollars beginning
28 July first, two thousand eight, twenty-nine thousand dollars beginning
29 July first, two thousand nine, and fifty thousand dollars beginning July
30 first, two thousand seventeen for the income tax year immediately
31 preceding the date of making application for exemption. Income tax year
32 shall mean the twelve-month period for which the owner or owners filed a
33 federal personal income tax return, or if no such return is filed, the
34 calendar year. Where title is vested in either the husband or the wife,
35 their combined income may not exceed such sum, except where the husband
36 or wife, or ex-husband or ex-wife is absent from the property as
37 provided in subparagraph (ii) of paragraph (d) of this subdivision, then
38 only the income of the spouse or ex-spouse residing on the property
39 shall be considered and may not exceed such sum. Such income shall
40 include social security and retirement benefits, interest, dividends,
41 total gain from the sale or exchange of a capital asset which may be
42 offset by a loss from the sale or exchange of a capital asset in the
43 same income tax year, net rental income, salary or earnings, and net
44 income from self-employment, but shall not include gifts, inheritances,
45 a return of capital, payments made to individuals because of their
46 status as victims of Nazi persecution as defined in P.L. 103-286, monies
47 earned through employment in the federal foster grandparent program, and
48 veterans disability compensation as defined in title 38 of the United
49 States Code, and any such income shall be offset by all medical and
50 prescription drug expenses actually paid which were not reimbursed or
51 paid for by insurance. In computing net rental income and net income
52 from self-employment no depreciation deduction shall be allowed for the
53 exhaustion, wear and tear of real or personal property held for the
54 production of income.

55 (b) unless the title of the property shall have been vested in the
56 owner or one of the owners of the property for at least twelve consec-

1 utive months prior to the date of making application for exemption,
2 provided, however, that in the event of the death of either husband or
3 wife in whose name title of the property shall have been vested at the
4 time of death and then becomes vested solely in the survivor by virtue
5 of devise by or descent from the deceased husband or wife, the time of
6 ownership of the property by the deceased husband or wife shall be
7 deemed also a time of ownership by the survivor and such ownership shall
8 be deemed continuous for the purposes of computing such period of twelve
9 consecutive months, and provided further, that in the event of a trans-
10 fer by either husband or wife to the other spouse of all or part of the
11 title to the property, the time of ownership of the property by the
12 transferer spouse shall be deemed also a time of ownership by the trans-
13 feree spouse and such ownership shall be deemed continuous for the
14 purposes of computing such period of twelve consecutive months, and
15 provided further, that where property of the owner or owners has been
16 acquired to replace property formerly owned by such owner or owners and
17 taken by eminent domain or other involuntary proceeding, except a tax
18 sale, and where a residence is sold and replaced with another within one
19 year and both are within the state, the period of ownership of the
20 former property shall be combined with the period of ownership of the
21 property for which application is made for exemption and such periods of
22 ownership shall be deemed to be consecutive for purposes of this
23 section. Where the owner or owners transfer title to property which as
24 of the date of transfer was exempt from taxation under the provisions of
25 this section, the reacquisition of title by such owner or owners within
26 nine months of the date of transfer shall be deemed to satisfy the
27 requirement of this paragraph that the title of the property shall have
28 been vested in the owner or one of the owners for such period of twelve
29 consecutive months. Where, upon or subsequent to the death of an owner
30 or owners, title to property which as of the date of such death was
31 exempt from taxation under such provisions, becomes vested, by virtue of
32 devise or descent from the deceased owner or owners, or by transfer by
33 any other means within nine months after such death, solely in a person
34 or persons who, at the time of such death, maintained such property as a
35 primary residence, the requirement of this paragraph that the title of
36 the property shall have been vested in the owner or one of the owners
37 for such period of twelve consecutive months shall be deemed satisfied;

38 (c) unless the property is used exclusively for residential purposes,
39 provided, however, that in the event any portion of such property is not
40 so used exclusively for residential purposes but is used for other
41 purposes, such portion shall be subject to taxation and the remaining
42 portion only shall be entitled to the exemption provided by this
43 section;

44 (d) unless the property is the legal residence of and is occupied in
45 whole or in part by the owner or by all of the owners of the property;
46 except where, (i) an owner is absent from the residence while receiving
47 health-related care as an inpatient of a residential health care facili-
48 ty, as defined in section twenty-eight hundred one of the public health
49 law, provided that any income accruing to that person shall be income
50 only to the extent that it exceeds the amount paid by such owner,
51 spouse, or co-owner for care in the facility, and provided further, that
52 during such confinement such property is not occupied by other than the
53 spouse or co-owner of such owner; or, (ii) the real property is owned by
54 a husband and/or wife, or an ex-husband and/or an ex-wife, and either is
55 absent from the residence due to divorce, legal separation or abandon-
56 ment and all other provisions of this section are met provided that

1 where an exemption was previously granted when both resided on the prop-
 2 erty, then the person remaining on the real property shall be sixty-two
 3 years of age or over.

4 4. Application for such exemption must be made by the owner, or all of
 5 the owners of the property, on forms prescribed by the state board to be
 6 furnished by the department of finance and shall furnish the information
 7 and must be executed in the manner required or prescribed in such form
 8 and shall be filed in the department of finance in the borough in which
 9 the real property is located between the fifteenth day of January and
 10 the fifteenth day of March. Notwithstanding any other provision of law,
 11 any person otherwise qualifying under this section shall not be denied
 12 the exemption under this section if he or she becomes sixty-five years
 13 of age after the taxable status date and on or before December thirty-
 14 first of the same year.

15 5. At least sixty days prior to the fifteenth day of January the
 16 department of finance shall mail to each person who was granted
 17 exemption pursuant to this section on the latest completed assessment
 18 roll an application form and a notice that such application must be
 19 filed between the fifteenth day of January and the fifteenth day of
 20 March every two years from the year in which such exemption was granted
 21 and be approved in order for the exemption to be granted. The department
 22 of finance shall, within three days of the completion and filing of the
 23 tentative assessment roll, notify by mail any applicant who has included
 24 with his application at least one self-addressed, prepaid envelope, of
 25 the approval or denial of the application; provided, however, where an
 26 applicant has included two such envelopes, the department of finance
 27 shall, upon the filing of the application, send by mail, notice of
 28 receipt of that application. Where an applicant is entitled to notice of
 29 denial provided herein, such notice shall state the reasons for such
 30 denial and shall further state that such determination is reviewable in
 31 a manner provided by law. Failure to mail any such application form or
 32 notices or the failure of such person to receive any or all of the same
 33 shall not prevent the levy, collection and enforcement of the payment of
 34 the taxes on property owned by such person.

35 6. Any conviction of having made any willful false statement in the
 36 application for such exemption shall be punishable by a fine of not more
 37 than one hundred dollars and shall disqualify the applicant or appli-
 38 cants from further exemption for a period of five years.

39 7. Notwithstanding the maximum income exemption eligibility level
 40 provided in subdivision three of this section, an exemption, subject to
 41 all other provisions of this section, shall be granted as indicated in
 42 the following schedule:

43	Annual Income	Percentage Assessed Valuation
44	as of July 1, 2006	Exempt From Taxation
45	More than \$26,000 but less than \$27,000	45 per centum
46	\$27,000 or more but less than \$28,000	40 per centum
47	\$28,000 or more but less than \$29,000	35 per centum
48	\$29,000 or more but less than \$29,900	30 per centum
49	\$29,900 or more but less than \$30,800	25 per centum
50	\$30,800 or more but less than \$31,700	20 per centum
51	\$31,700 or more but less than \$32,600	15 per centum
52	\$32,600 or more but less than \$33,500	10 per centum
53	\$33,500 or more but less than \$34,400	5 per centum

	Percentage Assessed Valuation Exempt From Taxation
1	
2	Annual Income as of July 1, 2007
3	More than \$27,000 but less than \$28,000 45 per centum
4	\$28,000 or more but less than \$29,000 40 per centum
5	\$29,000 or more but less than \$30,000 35 per centum
6	\$30,000 or more but less than \$30,900 30 per centum
7	\$30,900 or more but less than \$31,800 25 per centum
8	\$31,800 or more but less than \$32,700 20 per centum
9	\$32,700 or more but less than \$33,600 15 per centum
10	\$33,600 or more but less than \$34,500 10 per centum
11	\$34,500 or more but less than \$35,400 5 per centum

	Percentage Assessed Valuation Exempt From Taxation
12	
13	Annual Income as of July 1, 2008
14	More than \$28,000 but less than \$29,000 45 per centum
15	\$29,000 or more but less than \$30,000 40 per centum
16	\$30,000 or more but less than \$31,000 35 per centum
17	\$31,000 or more but less than \$31,900 30 per centum
18	\$31,900 or more but less than \$32,800 25 per centum
19	\$32,800 or more but less than \$33,700 20 per centum
20	\$33,700 or more but less than \$34,600 15 per centum
21	\$34,600 or more but less than \$35,500 10 per centum
22	\$35,500 or more but less than \$36,400 5 per centum

	Percentage Assessed Valuation Exempt From Taxation
23	
24	Annual Income as of July 1, 2009
25	More than \$29,000 but less than \$30,000 45 per centum
26	\$30,000 or more but less than \$31,000 40 per centum
27	\$31,000 or more but less than \$32,000 35 per centum
28	\$32,000 or more but less than \$32,900 30 per centum
29	\$32,900 or more but less than \$33,800 25 per centum
30	\$33,800 or more but less than \$34,700 20 per centum
31	\$34,700 or more but less than \$35,600 15 per centum
32	\$35,600 or more but less than \$36,500 10 per centum
33	\$36,500 or more but less than \$37,400 5 per centum

	Percentage Assessed Valuation Exempt From Taxation
34	Annual Income as of July 1, 2017
35	
36	More than \$50,000 but less than \$51,000 45 per centum
37	\$51,000 or more but less than \$52,000 40 per centum
38	\$52,000 or more but less than \$53,000 35 per centum
39	\$53,000 or more but less than \$53,900 30 per centum
40	\$53,900 or more but less than \$54,800 25 per centum
41	\$54,800 or more but less than \$55,700 20 per centum
42	\$55,700 or more but less than \$56,600 15 per centum
43	\$56,600 or more but less than \$57,500 10 per centum
44	\$57,500 or more but less than \$58,400 5 per centum

45 8. Any exemption provided by this section shall be computed after all
 46 partial exemptions allowed by law have been subtracted from the total
 47 amount assessed.

1 9. Exemption from taxation as provided in this section on real proper-
2 ty owned by husband and wife, one of whom is sixty-five years of age or
3 older, once granted, shall not be rescinded solely because of the death
4 of the older spouse so long as the surviving spouse is at least sixty-
5 two years of age.

6 10. a. For the purposes of this section, title to that portion of real
7 property owned by a cooperative apartment corporation in which a
8 tenant-stockholder of such corporation resides and which is represented
9 by his or her share or shares of stock in such corporation as determined
10 by its or their proportional relationship to the total outstanding stock
11 of the corporation, including that owned by the corporation, shall be
12 deemed to be vested in such tenant-stockholder. That proportion of the
13 assessment of real property owned by a cooperative apartment corpo-
14 ration, determined by the relationship of such real property vested in
15 such tenant-stockholder to such entire parcel and the buildings thereon
16 owned by such cooperative apartment corporation in which such tenant-
17 stockholder resides, shall be subject to exemption from taxation pursu-
18 ant to this section and any exemption so granted shall be credited by
19 the department of finance against the assessed valuation of such real
20 property; the reduction in real property taxes realized thereby shall be
21 credited by the cooperative apartment corporation against the amount of
22 such taxes otherwise payable by or chargeable to such tenant-stockhold-
23 er. Each cooperative apartment corporation shall notify each tenant-
24 stockholder in residence thereof of such provisions as are set forth in
25 this section.

26 b. Notwithstanding any other provision of law, a tenant-stockholder
27 who resides in a dwelling which is subject to the provisions of either
28 article two, four, five or eleven of the private housing finance law and
29 who is eligible for a rent increase exemption pursuant to chapter seven
30 of title twenty-six of the code of the preceding municipality shall not
31 be eligible for an exemption pursuant to this subdivision. Notwithstand-
32 ing any other provision of law, a tenant-stockholder who resides in a
33 dwelling which is subject to the provisions of either article two, four,
34 five or eleven of the private housing finance law and who is not eligi-
35 ble for a rent increase exemption pursuant to chapter seven of title
36 twenty-six of this code but who meets the requirements for eligibility
37 for an exemption pursuant to this section shall be eligible for such
38 exemption provided that such exemption shall be in an amount determined
39 by multiplying the exemption otherwise allowable pursuant to this
40 section by a fraction having a numerator equal to the amount of real
41 property taxes or payments in lieu of taxes that were paid with respect
42 to such dwelling and a denominator equal to the full amount of real
43 property taxes that would have been owed with respect to such dwelling
44 had it not been granted an exemption or abatement of real property taxes
45 pursuant to any provision of law, provided, however, that any reduction
46 in real property taxes received with respect to such dwelling pursuant
47 to chapter seven of title twenty-six of this code or pursuant to this
48 section shall not be considered in calculating such numerator. Any
49 tenant-stockholder who resides in a dwelling which was or continues to
50 be subject to a mortgage insured or initially insured by the federal
51 government pursuant to section two hundred thirteen of the national
52 housing act, as amended, and who is eligible for both a rent increase
53 exemption pursuant to chapter seven of title twenty-six of this code and
54 an exemption pursuant to this subdivision, may apply for and receive
55 either a rent increase exemption pursuant to such chapter or an
56 exemption pursuant to this subdivision, but not both.

1 11. Exemption Option. Notwithstanding any provision of this part to
2 the contrary, real property owned by one or more persons where one of
3 such owners qualifies for a real property tax exemption pursuant to this
4 section or section 11-245.4 of this part, and another of such owners
5 qualifies for a different tax exemption pursuant to such sections of
6 this part as authorized by state law, such owners shall have the option
7 of choosing the one exemption which is most beneficial to such owners.
8 Such owners shall not be prohibited from taking one such exemption sole-
9 ly on the basis that such owners qualify for more than one exemption and
10 therefore are not eligible for any exemptions.

11 § 11-245.4 Exemption for persons with disabilities. 1. (a) Real prop-
12 erty owned by one or more persons with disabilities, or real property
13 owned by a husband, wife, or both, or by siblings, at least one of whom
14 has a disability, or real property owned by one or more persons, some of
15 whom qualify under this section and section 11-245.3 of this part, and
16 whose income, as hereafter defined, is limited by reason of such disa-
17 bility, shall be exempt from taxes on real estate to the extent of fifty
18 per centum of the assessed valuation thereof as hereinafter provided.
19 For purposes of this section, sibling shall mean a brother or a sister,
20 whether related through half blood, whole blood or adoption.

21 (b) For purposes of this section, a person with a disability is one
22 who has a physical or mental impairment, not due to current use of alco-
23 hol or illegal drug use, which substantially limits such person's abili-
24 ty to engage in one or more major life activities, such as caring for
25 one's self, performing manual tasks, walking, seeing, hearing, speaking,
26 breathing, learning and working, and who (i) is certified to receive
27 social security disability insurance (SSDI) or supplemental security
28 income (SSI) benefits under the federal social security act, or (ii) is
29 certified to receive railroad retirement disability benefits under the
30 federal railroad retirement act, or (iii) has received a certificate
31 from the state commission for the blind and visually handicapped stating
32 that such person is legally blind, or (iv) is certified to receive a
33 United States postal service disability pension. An award letter from
34 the social security administration or the railroad retirement board or a
35 certificate from the state commission for the blind and visually hand-
36 icapped or an award letter from the United States postal service shall
37 be submitted as proof of disability.

38 2. Exemption from taxation for school purposes shall not be granted in
39 the case of real property where a child resides if such child attends a
40 public school of elementary or secondary education.

41 3. No exemption shall be granted:

42 (a) if the income of the owner or the combined income of the owners of
43 the property for the income tax year immediately preceding the date of
44 making application for exemption exceeds the sum of twenty-six thousand
45 dollars beginning July first, two thousand six, twenty-seven thousand
46 dollars beginning July first, two thousand seven, twenty-eight thousand
47 dollars beginning July first, two thousand eight, twenty-nine thousand
48 dollars beginning July first, two thousand nine, and fifty thousand
49 dollars beginning July first, two thousand seventeen. Income tax year
50 shall mean the twelve-month period for which the owner or owners filed a
51 federal personal income tax return, or if no such return is filed, the
52 calendar year. Where title is vested in either the husband or the wife,
53 their combined income may not exceed such sum, except where the husband
54 or wife, or ex-husband or ex-wife is absent from the property due to
55 divorce, legal separation or abandonment, then only the income of the
56 spouse or ex-spouse residing on the property shall be considered and may

1 not exceed such sum. Such income shall include social security and
 2 retirement benefits, interest, dividends, total gain from the sale or
 3 exchange of a capital asset which may be offset by a loss from the sale
 4 or exchange of a capital asset in the same income tax year, net rental
 5 income, salary or earnings, and net income from self-employment, but
 6 shall not include a return of capital, gifts, inheritances or monies
 7 earned through employment in the federal foster grandparent program and
 8 any such income shall be offset by all medical and prescription drug
 9 expenses actually paid which were not reimbursed or paid for by insur-
 10 ance. In computing net rental income and net income from self-employment
 11 no depreciation deduction shall be allowed for the exhaustion, wear and
 12 tear of real or personal property held for the production of income;

13 (b) unless the property is used exclusively for residential purposes,
 14 provided, however, that in the event any portion of such property is not
 15 so used exclusively for residential purposes but is used for other
 16 purposes, such portion shall be subject to taxation and the remaining
 17 portion only shall be entitled to the exemption provided by this
 18 section;

19 (c) unless the real property is the legal residence of and is occupied
 20 in whole or in part by the disabled person; except where the disabled
 21 person is absent from the residence while receiving health-related care
 22 as an inpatient of a residential health care facility, as defined in
 23 section twenty-eight hundred one of the public health law, provided that
 24 any income accruing to that person shall be considered income for
 25 purposes of this section only to the extent that it exceeds the amount
 26 paid by such person or spouse or sibling of such person for care in the
 27 facility.

28 4. Application for such exemption must be made annually by the owner,
 29 or all of the owners of the property, on forms prescribed by the state
 30 board, and shall be filed with the department of finance on or before
 31 the fifteenth day of March of the appropriate year; provided, however,
 32 proof of a permanent disability need be submitted only in the year
 33 exemption pursuant to this section is first sought or the disability is
 34 first determined to be permanent.

35 5. At least sixty days prior to the fifteenth day of March of the
 36 appropriate year, the department of finance shall mail to each person
 37 who was granted exemption pursuant to this section on the latest
 38 completed assessment roll an application form and a notice that such
 39 application must be filed on or before the fifteenth day of March and be
 40 approved in order for the exemption to continue to be granted. Failure
 41 to mail such application form or the failure of such person to receive
 42 the same shall not prevent the levy, collection and enforcement of the
 43 payment of the taxes on property owned by such person.

44 6. Notwithstanding the maximum income exemption eligibility level
 45 provided in subdivision three of this section, an exemption, subject to
 46 all other provisions of this section, shall be granted as indicated in
 47 the following schedule:

48 49 Annual Income as of July 1, 2006	Percentage Assessed Valuation Exempt From Taxation
50 More than \$26,000 but less than \$27,000	45 per centum
51 \$27,000 or more but less than \$28,000	40 per centum
52 \$28,000 or more but less than \$29,000	35 per centum
53 \$29,000 or more but less than \$29,900	30 per centum
54 \$29,900 or more but less than \$30,800	25 per centum

1	\$30,800 or more but less than \$31,700	20 per centum
2	\$31,700 or more but less than \$32,600	15 per centum
3	\$32,600 or more but less than \$33,500	10 per centum
4	\$33,500 or more but less than \$34,400	5 per centum
5		
6	Annual Income as of July 1, 2007	Percentage Assessed Valuation Exempt From Taxation
7	More than \$27,000 but less than \$28,000	45 per centum
8	\$28,000 or more but less than \$29,000	40 per centum
9	\$29,000 or more but less than \$30,000	35 per centum
10	\$30,000 or more but less than \$30,900	30 per centum
11	\$30,900 or more but less than \$31,800	25 per centum
12	\$31,800 or more but less than \$32,700	20 per centum
13	\$32,700 or more but less than \$33,600	15 per centum
14	\$33,600 or more but less than \$34,500	10 per centum
15	\$34,500 or more but less than \$35,400	5 per centum
16		
17	Annual Income as of July 1, 2008	Percentage Assessed Valuation Exempt From Taxation
18	More than \$28,000 but less than \$29,000	45 per centum
19	\$29,000 or more but less than \$30,000	40 per centum
20	\$30,000 or more but less than \$31,000	35 per centum
21	\$31,000 or more but less than \$31,900	30 per centum
22	\$31,900 or more but less than \$32,800	25 per centum
23	\$32,800 or more but less than \$33,700	20 per centum
24	\$33,700 or more but less than \$34,600	15 per centum
25	\$34,600 or more but less than \$35,500	10 per centum
26	\$35,500 or more but less than \$36,400	5 per centum
27		
28	Annual Income as of July 1, 2009	Percentage Assessed Valuation Exempt From Taxation
29	More than \$29,000 but less than \$30,000	45 per centum
30	\$30,000 or more but less than \$31,000	40 per centum
31	\$31,000 or more but less than \$32,000	35 per centum
32	\$32,000 or more but less than \$32,900	30 per centum
33	\$32,900 or more but less than \$33,800	25 per centum
34	\$33,800 or more but less than \$34,700	20 per centum
35	\$34,700 or more but less than \$35,600	15 per centum
36	\$35,600 or more but less than \$36,500	10 per centum
37	\$36,500 or more but less than \$37,400	5 per centum
38		
39	Annual Income as of July 1, 2017	Percentage Assessed Valuation Exempt From Taxation
40	More than \$50,000 but less than \$51,000	45 per centum
41	\$51,000 or more but less than \$52,000	40 per centum
42	\$52,000 or more but less than \$53,000	35 per centum
43	\$53,000 or more but less than \$53,900	30 per centum
44	\$53,900 or more but less than \$54,800	25 per centum
45	\$54,800 or more but less than \$55,700	20 per centum
46	\$55,700 or more but less than \$56,600	15 per centum

1	\$56,600 or more but less than \$57,500	10 per centum
2	\$57,500 or more but less than \$58,400	5 per centum

3 7. Any exemption provided by this section shall be computed after all
 4 other partial exemptions allowed by law have been subtracted from the
 5 total amount assessed; provided, however, that no parcel may receive an
 6 exemption pursuant to both this section and section 11-245.3.

7 8. (a) For purposes of this section, title to that portion of real
 8 property owned by a cooperative apartment corporation in which a
 9 tenant-stockholder of such corporation resides, and which is represented
 10 by his or her share or shares of stock in such corporation as determined
 11 by its or their proportional relationship to the total outstanding stock
 12 of the corporation, including that owned by the corporation, shall be
 13 deemed to be vested in such tenant-stockholder. That proportion of the
 14 assessment of such real property owned by a cooperative apartment corpo-
 15 ration determined by the relationship of such real property vested in
 16 such tenant-stockholder to such entire parcel and the buildings thereon
 17 owned by such cooperative apartment corporation in which such tenant-
 18 stockholder resides shall be subject to exemption from taxation pursuant
 19 to this section and any exemption so granted shall be credited by the
 20 department of finance against the assessed valuation of such real prop-
 21 erty; the reduction in real property taxes realized thereby shall be
 22 credited by the cooperative apartment corporation against the amount of
 23 such taxes otherwise payable by or chargeable to such tenant-stockhold-
 24 er.

25 (b) Notwithstanding any other provision of law, a tenant-stockholder
 26 who resides in a dwelling which is subject to the provisions of either
 27 article two, four, five or eleven of the private housing finance law
 28 shall not be eligible for an exemption pursuant to this subdivision.

29 9. Notwithstanding any other provision of law to the contrary, the
 30 provisions of this section shall apply to real property held in trust
 31 solely for the benefit of a person or persons who would otherwise be
 32 eligible for a real property tax exemption, pursuant to subdivision one
 33 of this section, were such person or persons the owner or owners of such
 34 real property.

35 10. Exemption Option. Notwithstanding any provision of this part to
 36 the contrary, real property owned by one or more persons where one of
 37 such owners qualifies for a real property tax exemption pursuant to this
 38 section or section 11-245.3 of this part, and another of such owners
 39 qualifies for a different tax exemption pursuant to such sections of
 40 this part as authorized by state law, such owners shall have the option
 41 of choosing the one exemption which is most beneficial to such owners.
 42 Such owners shall not be prohibited from taking one such exemption sole-
 43 ly on the basis that such owners qualify for more than one exemption and
 44 therefore are not eligible for any exemptions.

45 § 11-245.45 Exemption for veterans. Pursuant to paragraph (d) of
 46 subdivision eight of section four hundred fifty-eight of the real prop-
 47 erty tax law, the city hereby authorizes real property owned by a coop-
 48 erative apartment corporation to be exempt from taxation in accordance
 49 with such section and any local laws adopted pursuant to such section
 50 beginning July first, nineteen hundred ninety-eight.

51 § 11-245.46 Exemption for veterans; taxes for school purposes
 52 exempted. Pursuant to paragraph three of subdivision one of section
 53 four hundred fifty-eight of the real property tax law, the city hereby
 54 provides that the exemption authorized pursuant to such section shall be
 55 applicable to taxes for school purposes.

1 § 11-245.5 Alternative exemption for veterans. Pursuant to paragraph
2 (d) of subdivision six of section four hundred fifty-eight-a of the real
3 property tax law, the city hereby authorizes real property owned by a
4 cooperative apartment corporation to be exempt from taxation in accord-
5 ance with such section and any local laws adopted pursuant to such
6 section beginning July first, nineteen hundred ninety-eight.

7 § 11-245.6 Alternative exemption for veterans; maximum exemptions
8 allowable. Pursuant to subparagraph (ii) of paragraph (d) of subdivision
9 two of section four hundred fifty-eight-a of the real property tax law,
10 the city hereby increases the maximum exemptions allowable in paragraphs
11 (a), (b) and (c) of subdivision two of section four hundred
12 fifty-eight-a of the real property tax law. The maximum exemption allow-
13 able in such paragraph (a) shall be fifteen percent of the assessed
14 value of the qualifying residential real property; provided, however,
15 that such exemption shall not exceed forty-eight thousand dollars or the
16 product of forty-eight thousand dollars multiplied by the latest class
17 ratio, whichever is less. In addition to the exemption provided by such
18 paragraph (a), as increased by this section, the maximum exemption
19 allowable in such paragraph (b) shall be ten percent of the assessed
20 value of the qualifying residential real property; provided, however,
21 that such exemption shall not exceed thirty-two thousand dollars or the
22 product of thirty-two thousand dollars multiplied by the latest class
23 ratio, whichever is less. In addition to the exemptions provided by such
24 paragraphs (a) and (b), as increased by this section, the maximum
25 exemption allowable in such paragraph (c) shall be the product of the
26 assessed value of the qualifying residential real property multiplied by
27 fifty percent of the veteran's disability rating; provided, however,
28 that such exemption shall not exceed one hundred sixty thousand dollars
29 or the product of one hundred sixty thousand dollars multiplied by the
30 latest class ratio, whichever is less. The maximum exemptions allowable
31 in such paragraphs (a), (b) and (c), as increased by this section, shall
32 not apply to any assessment roll completed and filed prior to the first
33 day of January, two thousand six.

34 § 11-245.7 Alternative exemption for veterans; gold star parent.
35 Pursuant to paragraph (b) of subdivision seven of section four hundred
36 fifty-eight-a of the real property tax law, and in accordance with such
37 section and any local laws adopted pursuant thereto, the city hereby
38 includes a gold star parent within the definition of "qualified owner"
39 as provided in paragraph (c) of subdivision one of such section, and
40 includes property owned by a gold star parent within the definition of
41 "qualifying residential real property" as provided in paragraph (d) of
42 subdivision one of such section, provided that such property is the
43 primary residence of the gold star parent.

44 § 11-245.75 Alternative exemption for veterans; school district taxa-
45 tion exempted. Pursuant to subparagraph (i) of paragraph (d) of subdivi-
46 sion two of section four hundred fifty-eight-a of the real property tax
47 law, the city hereby provides that the exemptions allowable in para-
48 graphs (a), (b) and (c) of subdivision two of section four hundred
49 fifty-eight-a of the real property tax law shall be applicable to school
50 district taxation.

51 § 11-245.8 ENERGY STAR appliances. a. For the purposes of this
52 section, the following definitions shall apply in conjunction with the
53 definitions found in sections 27-232 and 27-2004 of this code:

54 (1) The term "ENERGY STAR" shall mean a designation from the United
55 States environmental protection agency or department of energy indicat-

1 ing that a product meets the energy efficiency standards set forth by
2 the agency for compliance with the ENERGY STAR program.

3 (2) The term "household appliance" shall mean any refrigerator, room
4 air conditioner, dishwasher or clothes washer, within a dwelling unit in
5 a multiple dwelling that is provided by the owner of such multiple
6 dwelling. This definition shall also include any boiler or furnace that
7 provides heat or hot water for any dwelling unit in a multiple dwelling.

8 b. For any building for which any benefit is conferred pursuant to
9 four hundred eighty-nine of the real property tax law, whenever any
10 household appliance in any dwelling unit, or any household appliance
11 that provides heat or hot water for any dwelling unit in a multiple
12 dwelling, is installed or replaced with a new household appliance, such
13 new appliance shall be certified as Energy Star.

14 c. For any building for which any benefit is conferred pursuant to
15 section four hundred twenty-one-a of the real property tax law, whenever
16 any household appliance in any dwelling unit, or any household appliance
17 that provides heat or hot water for any dwelling unit in a multiple
18 dwelling, is installed or replaced with a new household appliance, such
19 new appliance shall be certified as Energy Star.

20 d. The commissioner may enact rules requiring additional energy
21 conservation measures for any building for which any benefit is
22 conferred pursuant to section four hundred eighty-nine of the real prop-
23 erty tax law or section four hundred twenty-one-a of the real property
24 tax law.

25 e. The commissioner shall inform applicants for any benefits affected
26 by this section of the requirements of this section.

27 f. The requirements of subdivisions b and c of this section shall not
28 apply where:

29 1) an ENERGY STAR certified household appliance of appropriate size is
30 not manufactured, such that movement of walls or fixtures would be
31 necessary to create sufficient space for such appliance; or

32 2) an ENERGY STAR certified boiler or furnace of sufficient capacity
33 is not manufactured.

34 § 11-245.9 Notice of residential property tax exemptions. a. The
35 commissioner of finance, or his or her designee, shall provide a notice
36 relating to the lien sale process to all property owners included with
37 the notice of value sent to property owners by the department of finance
38 and, in addition, no later than October thirty-first of each year, to
39 any property owner who is delinquent in the payment of any real property
40 taxes, assessments, or any other charges that are made a lien subject to
41 the provisions of chapter three of this title, except sewer rents, sewer
42 charges and water rents, if such delinquency, in the aggregate, equals
43 or exceeds the sum of one thousand dollars. This notice shall include,
44 but not be limited to, actions homeowners can take if a lien is sold on
45 such property; the type of debt that can be sold in a lien sale; a time-
46 line of statutory notifications required pursuant to section 11-320 of
47 this title; a clear, concise explanation of the consequences of the sale
48 of a tax lien; the telephone number and electronic mail address of the
49 employee or employees designated pursuant to subdivision f of section
50 11-320 of this title; a conspicuous statement that an owner of any class
51 of property may enter into a payment plan for the satisfaction of delin-
52 quent real property taxes, assessments, sewer rents, sewer surcharges,
53 water rents, and any other charges that are made a lien subject to the
54 provisions of chapter three of this title, or exclusion from the tax
55 lien sale; credits and property tax exemptions that may exclude certain
56 class one real property from a tax lien sale; and clear and concise

1 instructions on how an owner of any class of property may register to
2 receive information from the department, through electronic mail,
3 regarding outreach sessions relating to the sale of tax liens conducted
4 pursuant to subdivision j of section 11-320 of this title. Such notice
5 shall also include information on the following real property tax cred-
6 its or real property tax exemptions:

7 1. the senior citizen homeowner exemption pursuant to section 11-245.3
8 of this part;

9 2. the exemption for persons with disabilities pursuant to section
10 11-245.4 of this part;

11 3. the exemptions for veterans pursuant to sections four hundred
12 fifty-eight and four hundred fifty-eight-a of the real property tax law;

13 4. the school tax relief (STAR) exemption pursuant to section four
14 hundred twenty-five of the real property tax law;

15 5. the enhanced school tax relief (STAR) exemption pursuant to subdi-
16 vision four of section four hundred twenty-five of the real property tax
17 law;

18 6. the state circuit breaker income tax credit pursuant to subsection
19 (e) of section six hundred six of the tax law; and

20 7. any other credit or residential real property tax exemption, which,
21 in the discretion of the commissioner, should be included in such
22 notice.

23 Upon such property owner's written request, or verbal request to 311
24 or any employee designated pursuant to subdivision f of section 11-320
25 of this title, a Chinese, Korean, Russian or Spanish translation of such
26 notice shall be provided promptly to such property owner.

27 b. The notice required pursuant to this section shall include:

28 1. a brief description of each exemption program; and

29 2. a phone number at the department and a website address where
30 taxpayers can obtain additional information on the exemption programs
31 and all necessary forms and applications.

32 c. The notice that is required, pursuant to this section, to be
33 provided by the commissioner of finance or his or her designee no later
34 than October thirty-first of each year shall include contact information
35 for the office of financial empowerment at the department of consumer
36 and worker protection.

37 § 11-245.10 Alternative exemption for veterans; transfer of title. 1.
38 Pursuant to subdivision eight of section four hundred fifty-eight-a of
39 the real property tax law, where a veteran, the spouse of a veteran or
40 unremarried surviving spouse already receiving an exemption pursuant to
41 such section sells the property receiving such exemption and purchases
42 property within the city, the department of finance shall transfer and
43 prorate, for the remainder of the fiscal year, the exemption received.
44 The prorated exemption shall be based upon the date the veteran, the
45 spouse of the veteran or unremarried surviving spouse obtains title to
46 the new property and shall be calculated by multiplying the tax rate for
47 which taxes were levied, on the appropriate tax roll used for the fiscal
48 year during which the transfer occurred, multiplied by the previously
49 granted exempt amount, multiplied by the fraction of each fiscal year
50 remaining subsequent to the transfer of title.

51 2. Nothing in this section shall be construed to remove the require-
52 ment that any such veteran, the spouse of the veteran or unremarried
53 surviving spouse transferring an exemption pursuant to subdivision one
54 of this section shall reapply for the exemption authorized pursuant to
55 section four hundred fifty-eight-a of the real property tax law on or
56 before the following taxable status date, in the event such veteran, the

1 spouse of the veteran or unremarried surviving spouse wishes to receive
2 the exemption in future fiscal years.

3 PART 2

4 EXEMPTION FOR CERTAIN NONPROFIT ORGANIZATIONS

5 § 11-246 Taxation of property of nonprofit organizations, pharmaceu-
6 tical societies and dental societies. 1. a. Pursuant to the requirements
7 of sections four hundred twenty-a and four hundred forty-six of the real
8 property tax law, real property owned by a corporation or association
9 which is organized or conducted exclusively for religious, charitable,
10 hospital, educational or cemetery purposes, or for the purposes of the
11 moral or mental improvement of men, women or children or for two or more
12 such purposes shall not be taxable.

13 b. Real property owned by a corporation or association which is organ-
14 ized or conducted exclusively for Bible, tract, benevolent, missionary,
15 infirmary, public playground, scientific, literary, library, patriotic
16 or historical purposes, for the development of good sportsmanship for
17 persons under the age of eighteen years through the conduct of super-
18 vised athletic games, or for the enforcement of laws relating to chil-
19 dren or animals, or for two or more such purposes, and used exclusively
20 for carrying out thereupon one or more of such purposes either by the
21 owning corporation or association, or by another such corporation or
22 association as provided in section four hundred twenty-b of the real
23 property tax law shall not be taxable. Any corporation or association
24 which uses real property exempted from taxation pursuant to this para-
25 graph shall make available to the council, the commissioner of finance
26 and the public a report, in such form as may be prescribed by the
27 commissioner of finance, setting forth the efforts of such corporation
28 or association undertaken in the previous calendar year to provide
29 assistance to city programs and city residents, by filing such report
30 with the city clerk not later than June first of each year.

31 c. Real property owned by a corporation or association which is organ-
32 ized or conducted exclusively for bar association or medical society
33 purposes, or both such purposes, and used exclusively for carrying out
34 thereupon one or both such purposes either by the owning corporation or
35 association, or by another such corporation or association shall be
36 taxable pursuant to the authority contained in section four hundred
37 twenty-b of the real property tax law.

38 2. Real property from which no rent is derived and which is owned by
39 an incorporated pharmaceutical society which is either wholly or partly
40 within the city, which society has heretofore been or may hereafter be
41 authorized and empowered by act of the legislature to establish and
42 which has established or may hereafter establish a college of pharmacy
43 in this city shall be taxable.

44 3. Real property from which no income is derived which is owned by a
45 dental society of any judicial district which judicial district is whol-
46 ly or partly within the city, which dental society was incorporated
47 under the education law shall be taxable.

48 4. Real property previously exempt from taxation but made taxable
49 pursuant to this section as of the first of January, nineteen hundred
50 seventy-two shall be taxed for the period from the first of January to
51 and including the thirtieth of June, nineteen hundred seventy-two by
52 applying one-half of the tax rate for the fiscal year nineteen hundred
53 seventy-one, seventy-two to the assessments made and exemptions claimed
54 with reference to the taxable status date falling on the twenty-fifth of

1 January, nineteen hundred seventy-two. The taxes thus computed for the
2 period from the first of January to and including the thirtieth of June,
3 nineteen hundred seventy-two shall be due and payable on the first of
4 June, nineteen hundred seventy-two.

5 5. Real property which is taxable under this section shall be subject
6 to any special ad valorem levies and special assessments which are
7 imposed to defray the cost of improvements or services furnished by the
8 city.

9 § 11-246.1 Denial; information required. The commissioner of finance
10 shall include, in any written communication with a property owner
11 related to the denial of a real property tax exemption pursuant to
12 section four hundred twenty-a, four hundred twenty-b, four hundred
13 forty-six, or four hundred sixty-two of the real property tax law,
14 information on actions a property owner can take, upon notice of a sale
15 of a tax lien of property of such owner, that may prevent the sale of
16 such tax lien.

17 PART 3

18 TAX EXEMPTION FOR CERTAIN INDUSTRIAL AND
19 COMMERCIAL PROPERTIES

20 § 11-247 Definitions. When used in this part:

21 a. "Applicant" means any person or corporation obligated to pay real
22 property taxes on the property for which an exemption is sought, or in
23 the case of exempt property, the record owner thereof, provided, howev-
24 er, that such property is not commercial property located in an area
25 designated as excluded pursuant to section 11-249 of this part;

26 b. "Board" means the industrial and commercial incentive board;

27 c. "Commercial" means any non-residential property used primarily for
28 the buying, selling or otherwise providing of goods or services,
29 provided that the use of such property has not been designated as a
30 restricted commercial use pursuant to section 11-249 of this part;

31 d. "Construction" means the building of new industrial or commercial
32 structures on vacant or predominantly vacant land, or the modernization,
33 rehabilitation or expansion or other improvements of an existing commer-
34 cial structure where such modernization, rehabilitation, expansion or
35 other improvement is not physically or functionally integrated with the
36 existing structure or results in additional usable square footage fifty
37 per centum greater than the square footage of the existing structure;

38 e. "Industrial" means property used primarily for the manufacturing or
39 assembling of goods or the processing of raw materials;

40 f. "Predominantly vacant land" means land, including land under water,
41 on which not more than fifteen percent of the lot area contains
42 enclosed, permanent improvements; in addition, such land may include
43 existing foundations. A fence, shed, garage, attendant's booth, paving,
44 pier, bulkhead, lighting fixtures, and similar items, or any improvement
45 having an assessed value of less than two thousand dollars shall not
46 constitute an enclosed, permanent improvement;

47 g. "Reconstruction" means the modernization, rehabilitation, expansion
48 or other improvement of an existing commercial or industrial structure
49 where the total proposed project cost is in an amount equal to at least
50 twenty per centum of the assessed value of the property at the time an
51 application for a certificate of eligibility pursuant to this part is
52 made, and where such modernization, rehabilitation, expansion or other
53 improvement is physically and functionally integrated with the existing
54 structure and does not create additional usable square footage greater

1 than fifty per centum of the usable square footage of the existing
2 structure except in a case where the existing structure has been
3 substantially destroyed by fire or other casualty;

4 h. "Residential property" shall mean property, other than property
5 used for hotel purposes, on which will exist upon completion of
6 construction a building or structure containing more than one independ-
7 ent dwelling unit or where more than one-third of the total square
8 footage of said structure is to be used for residential purposes; it
9 shall also mean, in the case of reconstruction, property on which exists
10 or will exist upon completion of the reconstruction a building or struc-
11 ture where more than one-third of the total square footage is used or is
12 to be used for dwelling purposes;

13 i. "Vacant land" means land, including land under water, which
14 contains no enclosed, permanent improvement. A fence, shed, garage,
15 attendant's booth, paving, pier, bulkhead, lighting fixtures, and simi-
16 lar items, or any improvement having an assessed value of less than two
17 thousand dollars shall not constitute an enclosed, permanent improve-
18 ment.

19 § 11-248 Industrial and commercial incentive board. There shall be an
20 industrial and commercial incentive board to consist of the deputy mayor
21 who shall be chairperson of the board, the commissioner of finance, the
22 director of planning and the director of budget, each of whom shall have
23 the power to designate an alternate to represent him or her at board
24 meetings with all the rights and powers, including the right to vote,
25 reserved to all board members, provided that such designation be in
26 writing to the chairperson of the board, and three other members to be
27 appointed by the mayor. The members of the board who shall be agents,
28 officers, or employees of the city shall serve without compensation but
29 shall be reimbursed for expenses necessarily incurred in the performance
30 of their duties. The members of the board who are not agents, officers,
31 or employees of the city shall receive as compensation for their
32 services one hundred dollars per diem, provided, however, that the total
33 compensation paid to any such member shall not exceed twelve hundred
34 dollars for any calendar year. Four members of the board shall consti-
35 tute a quorum.

36 § 11-249 Functions, powers and duties of the board; annual desig-
37 nation of exemption areas and restricted commercial uses. a. The
38 members of the board shall have the following functions, powers and
39 duties:

40 1. to receive and review applications for certificates of eligibility
41 pursuant to the charter and pursuant to subdivision thirteen of section
42 11-604 and subdivision (e) of section 11-503 of this title;

43 2. to make findings and determinations on the qualifications of
44 applicants for certificates of eligibility pursuant to this part and
45 subdivision (e) of section 11-503 of this title;

46 3. to issue certificates of eligibility and amendments thereto;

47 4. to make recommendations to the tax commission on the termination of
48 a tax exemption pursuant to section 11-253 of this part;

49 5. to designate annually, pursuant to subdivision b of this section,
50 areas in which exemptions for commercial construction or reconstruction
51 shall be granted as of right, areas from which such exemptions shall be
52 excluded and commercial uses for which the granting of exemptions shall
53 be restricted; and

54 6. to make and promulgate rules and regulations to carry out the
55 purposes of the board.

1 b. (1) Not later than October first of each year the board shall
2 publish a notice at least once in the official paper or a newspaper of
3 general circulation in the city setting forth: (i) the proposed bounda-
4 ries of areas in which commercial construction or reconstruction shall
5 be granted exemptions as of right, proposed boundaries of areas from
6 which exemptions for commercial construction or reconstruction shall be
7 excluded and proposed restricted commercial uses; and (ii) the date, not
8 earlier than ten nor later than thirty days following the publication of
9 such notice, on which the board will hold a public hearing to hear all
10 persons interested in the designation of such boundaries and restricted
11 commercial uses.

12 (2) Not earlier than ten nor later than thirty days following the
13 conclusion of the public hearing provided for in paragraph one of this
14 subdivision, the board shall designate the boundaries of areas in which
15 exemptions for commercial construction or reconstruction shall be grant-
16 ed as of right and areas from which such exemptions shall be excluded
17 and shall also designate restricted commercial uses. Such designations
18 shall be made upon the following determinations:

19 (i) With respect to areas in which exemption for commercial
20 construction or reconstruction shall be granted as of right, the board
21 shall determine that market conditions in each area are such that
22 exemptions are required to attract commercial construction or recon-
23 struction to the area and that attracting such construction or recon-
24 struction, and the granting of exemptions therefor, are in the public
25 interest. In making such determination, the board may consider, among
26 other factors, that the area is experiencing economic distress or is
27 characterized by an unusually large number of vacant, underutilized,
28 unsuitable or substandard structures, or by other substandard, unsani-
29 tary, deteriorated or deteriorating conditions, with or without tangible
30 blight, or that commercial development in the area will be beneficial to
31 the city's economy.

32 (ii) With respect to areas from which exemptions for commercial
33 construction or reconstruction are to be excluded, the board shall
34 determine that market conditions in each area are such that exemptions
35 are not required to attract commercial construction or reconstruction to
36 the area, or that it is not in the public interest to grant exemptions
37 for commercial construction or reconstruction in the area. No applica-
38 tions for exemptions for commercial construction or reconstruction shall
39 be accepted from such areas.

40 (iii) With respect to restricted commercial uses, the board shall
41 determine that it is not in the public interest to grant exemptions for
42 such uses unless the board further determines that in certain areas
43 designated pursuant to this subdivision, such uses will have an espe-
44 cially positive impact on the area's economy. All applications for
45 exemptions for restricted commercial uses shall be determined pursuant
46 to paragraphs two and three of subdivision b of section 11-251 of this
47 part.

48 (3) Designations made pursuant to this subdivision shall be effective
49 on the first of January of each year.

50 c. So far as practicable and subject to the approval of the mayor, the
51 services of all other city departments and agencies shall be made avail-
52 able by their respective heads to the board for the carrying out of the
53 functions stated in this part. The head of any department or agency
54 shall furnish information in the possession of such department or agency
55 when the board, after consultation with the mayor, so requests.

1 § 11-250 Real property tax exemption. a. A real property tax
 2 exemption pursuant to this part shall be granted to an applicant who,
 3 within a period of thirty-six months, or following an extension pursuant
 4 to section 11-254 of this part within a period of forty-eight months,
 5 from the date of issuance of a certificate of eligibility has completed
 6 reconstruction or construction work in accordance with the plans
 7 approved by the board in the certificate of eligibility. The amount of
 8 the tax exemption shall be determined as follows:

9 (1) In the case of an applicant who has completed industrial
 10 construction or reconstruction work, or commercial reconstruction work
 11 designated as of right pursuant to section 11-249 of this part or as
 12 specially needed pursuant to section 11-251 of this part, the tax
 13 exemption shall continue for nineteen tax years in an amount decreasing
 14 by five per centum each year from an exemption of ninety-five per centum
 15 of the exemption base, as defined in paragraph four of this subdivision.

16 (2) In the case of an applicant who has completed other commercial
 17 reconstruction work, or new commercial construction work designated as
 18 of right pursuant to section 11-249 of this part or as specially needed
 19 pursuant to section 11-251 of this part, the tax exemption shall contin-
 20 ue for ten tax years, in an amount decreasing by five per centum each
 21 year from an exemption of fifty per centum of the exemption base.

22 (3) In the case of an applicant who has completed other new commercial
 23 construction work, the exemption shall continue for five tax years in an
 24 amount decreasing by ten per centum each year from an exemption of fifty
 25 per centum of the exemption base.

26 (4) The term "exemption base" shall mean the difference between the
 27 final assessed value of the property as determined upon completion of
 28 the construction or reconstruction work and the lesser of (i) the
 29 assessed value of the property at the time an application for certif-
 30 icate of eligibility pursuant to this part is made, or (ii) the assessed
 31 value as may thereafter be reduced pursuant to application to the tax
 32 commission.

33 The tax exemption shall be computed according to the following tables:

34 CONSTRUCTION OR RECONSTRUCTION OF INDUSTRIAL STRUCTURES OR
 35 RECONSTRUCTION OF AS OF RIGHT OR SPECIALLY NEEDED COMMERCIAL STRUCTURES

38 b. The taxes payable during the period from the issuance of a certifi-
39 cate of eligibility to the approval of the tax exemption pursuant to
40 section 11-252 of this part shall be paid on the lesser of:

- 41 (1) the assessed value of the property at the time an application for
- 42 a certificate of eligibility pursuant to this part is made, or
- 43 (2) the assessed value as may thereafter be reduced pursuant to appli-
- 44 cation to the tax commission, provided, however, that if reconstruction
- 45 or construction is not completed in accordance with the plans approved
- 46 in the certificate of eligibility including any amendments thereto,
- 47 taxes shall be due and payable retroactively as otherwise required by
- 48 law.

49 c. In all cases where the board shall have issued a certificate of
50 eligibility prior to January first, nineteen hundred eighty-two, the
51 exemption percentage shall apply to any subsequent increase in the

1 assessed valuation of the property during the tenure of the exemption.
2 Where the board has issued a certificate of eligibility on or after
3 January first, nineteen hundred eighty-two, the exemption percentage
4 shall apply to any subsequent increase in the assessed valuation of the
5 property during the first two years after approval of the tax exemption
6 pursuant to section 11-252 of this part. Commencing two years after
7 approval of the tax exemption pursuant to section 11-252 of this part,
8 the exemption percentage shall apply to any subsequent increase in
9 assessed valuation of the property only to the extent such increase is
10 attributable to the construction or reconstruction work approved in the
11 certificate of eligibility.

12 d. The provisions of this part shall not apply to any increase in
13 assessed value resulting from the construction or reconstruction of a
14 residential structure on any property receiving an exemption under the
15 provisions of this part. The provisions of this part shall apply exclu-
16 sively to those structures and the lands underlying them which were
17 identified explicitly in the certificate of eligibility.

18 e. The provisions of this part shall not apply if any new or rehabili-
19 tated construction displaces or replaces a building or buildings
20 containing more than twenty-five occupied dwelling units in existence on
21 the date an application for certificate of eligibility is submitted for
22 preliminary approval pursuant to section 11-251 of this part, which are
23 administered under the local emergency housing rent control act, the
24 rent stabilization law of nineteen hundred sixty-nine or the emergency
25 tenant protection act of nineteen seventy-four, or their successor stat-
26 utes applicable to the city of Staten Island, unless a certificate of
27 eviction has been issued for any of the displaced or replaced units
28 pursuant to the powers granted by the city rent and rehabilitation law.

29 f. The provisions of this part shall not apply to an applicant who
30 has commenced construction or reconstruction work prior to the granting
31 of a certificate of eligibility except where applicant, having filed an
32 application for a certificate of eligibility, receives written permis-
33 sion to commence from the board or its designated representative prior
34 to the granting of a certificate of eligibility. Demolition of existing
35 structures, site preparation limited to grading, filling or clearing, or
36 the curing of a safety or sanitary hazard shall not be deemed to be
37 commencement of construction or reconstruction work.

38 g. Any property enjoying the benefits of a tax exemption approved by
39 the board shall be ineligible for any subsequent or additional tax
40 exemption pursuant to the provisions of this part until the expiration
41 of the original exemption period or earlier termination of the existing
42 exemption by action of the tax commission.

43 § 11-251 Applications for certificates of eligibility. a. Applica-
44 tions for a certificate of eligibility pursuant to this part shall be
45 submitted for preliminary approval to the office for economic develop-
46 ment commencing immediately after March first, nineteen hundred eighty-
47 two and continuing until the thirty-first of January, nineteen hundred
48 eighty-six, on such form or forms as shall be prescribed by the board.
49 In addition to any other information required by the board, the applica-
50 tion shall include plans for reconstruction or construction that have
51 been certified by a professional engineer or an architect of the appli-
52 cant's choice and cost estimates or bids for the proposed reconstruction
53 or construction. Upon a finding by such office that the application
54 satisfies the requirements of reconstruction or construction as defined
55 in this part, the application shall be presented to the board for evalu-

1 ation and written notice thereof shall be given to the community board
2 of the district in which the application site is located.

3 b. (1) In the case of an application for construction or recon-
4 struction of an industrial structure or a commercial structure located
5 in an area designated as of right, the board shall issue a certificate
6 of eligibility upon determining that the application satisfies the
7 requirements of construction or reconstruction as defined in this part,
8 that the applicant has obtained plans for construction or reconstruction
9 certified by a professional engineer or architect, and that the appli-
10 cant has otherwise complied with the provisions of this part and other
11 applicable provisions of law.

12 (2) In the case of an application for construction or reconstruction
13 of a commercial structure not located in an as of right area, or involv-
14 ing a restricted commercial use, the board shall issue a certificate of
15 eligibility upon making the determination specified in paragraph one of
16 this subdivision and upon making the further determination that the
17 granting of a tax exemption for the construction or reconstruction of
18 such a structure in the proposed location is in the public interest. In
19 making such determination, the board shall make findings that there is a
20 need in the area for the services the enterprise will provide, that the
21 enterprise will generate or retain employment in the area, and that a
22 tax incentive is required to attract construction or reconstruction of
23 such a structure to the area. In addition, the board shall consider the
24 economic impact such commercial structure will have in the area.

25 (3) In the case of an application for construction or reconstruction
26 of a commercial structure not located in an as of right area, or involv-
27 ing a restricted commercial use, the board may make a further determi-
28 nation that special circumstances warrant designating the proposed
29 construction or reconstruction as "specially needed". In making such
30 determination, the board shall make findings that the commercial
31 services to be provided will have an especially positive impact on the
32 area's or the city's economy and that the applicant has demonstrated
33 that the project cannot go forward without the greater exemption granted
34 by such designation.

35 c. Any meeting of the board at which an application for a certificate
36 of eligibility is to be considered shall be open to the public, and
37 notice of such meeting shall be given at least two weeks prior thereto
38 by publication in a newspaper of general circulation within the city.

39 d. The burden of proof shall be on the applicant to show by clear and
40 convincing evidence that the requirements for granting a tax exemption
41 pursuant to this part have been satisfied, and the board shall have the
42 authority to require that statements made in consideration of the appli-
43 cation be taken under oath.

44 e. After the issuance of a certificate of eligibility the applicant
45 shall apply to the city tax commission, during the period provided by
46 law for filing applications for corrections of assessed valuations, for
47 a tax exemption as provided for in section 11-250 of this part. The
48 application shall be accompanied by a copy of the certificate of eligi-
49 bility.

50 § 11-252 Approval of tax exemption. On completion of the recon-
51 struction or construction work the applicant shall notify the board in
52 writing of said completion. The board shall determine the eligibility
53 of the applicant for the tax exemption as provided in section 11-250 of
54 this part and shall notify the tax commission of such determination. If
55 the applicant is determined to be qualified the commission shall approve
56 the tax exemption.

1 § 11-253 Continuation of tax exemption; termination of tax exemption.
2 The tax exemption approved by the board shall continue in accordance
3 with this part, provided that the applicant files an annual certificate
4 of continuing use stating that the structure and property continue to be
5 used for the industrial or commercial purposes justifying the issuance
6 of the certificate of eligibility. The certificate of continuing use
7 shall be filed with the tax commission on such form or forms and
8 containing such information as shall be prescribed by the tax commis-
9 sion. The tax commission shall have authority to terminate a tax
10 exemption on failure of an applicant to file an annual certificate of
11 continuing use or on the recommendation of the commissioner of finance
12 who, in reviewing the certificate filed by an applicant, has determined
13 that the structure or property has ceased to be used for the industrial
14 or commercial purposes justifying the issuance of the certificate of
15 eligibility.

16 § 11-254 Extension of time for completion. Where an applicant has
17 received a certificate of eligibility but has not completed or will not
18 be able to complete the construction or reconstruction work within thir-
19 ty-six months, the board shall, upon application, extend to forty-eight
20 months, from the time of issuance of such certificate, the time for
21 completion of the construction or reconstruction work; provided the
22 applicant has completed not less than two-thirds of the work as speci-
23 fied in the certified plans previously filed with the application at the
24 time of such application for extension.

25 § 11-255 Prior certificates of eligibility. Any project for which a
26 certificate of eligibility has been approved by the board prior to the
27 enactment of this section shall be eligible for a tax exemption computed
28 according to the tax exemption tables and formulae in effect on the date
29 of such approval.

30 PART 4
31 TAX EXEMPTION AND DEFERRAL OF TAX
32 PAYMENT FOR CERTAIN
33 INDUSTRIAL AND COMMERCIAL PROPERTIES

34 § 11-256 Definitions. When used in this part:

35 a. "Applicant" means any person obligated to pay real property taxes
36 on the property for which an exemption from or abatement or deferral of
37 real property tax payments is sought, or in the case of exempt property,
38 the record owner or lessee thereof.

39 b. "Approved plans" means plans submitted to and approved by the
40 department of buildings in connection with the applicant's building
41 permit, including any amendments to such plans approved by such depart-
42 ment before final inspection of the work for which such permit was
43 issued.

44 c. "Benefit period" means the period of time when a recipient is
45 eligible to receive benefits pursuant to this part including in the case
46 of a recipient of a certificate of eligibility for commercial
47 construction work in a deferral area, the period of time when tax
48 payments are to be deferred, the interim period when no tax payments are
49 to be deferred and no deferred tax payments are required to be made, and
50 the period of time when the deferred tax payments are to be made.

51 d. "Commission" means the temporary commercial incentive area boundary
52 commission.

53 e. "Commercial construction work" means the construction of a new
54 building or structure, or portion thereof, or the modernization, reha-

1 bilitation, expansion, or other improvement of an existing building or
2 structure, or portion thereof, for use as commercial property.

3 f. "Commercial property" means nonresidential property: (1) on which
4 will exist after completion of commercial construction work, a building
5 or structure used for the buying, selling or otherwise providing of
6 goods or services including hotel services, or for other lawful busi-
7 ness, commercial or manufacturing activities; and (2) (a) where, except
8 as provided in subparagraph (b) of this paragraph and paragraph (3) of
9 this subdivision, not more than fifteen per centum of the total net
10 square footage of any building or structure on such property was used
11 for manufacturing activities at any one or more times during the twen-
12 ty-four months immediately preceding the date of application for a
13 certificate of eligibility or (b) where not more than fifteen per centum
14 of the total net square footage of any building or structure on such
15 property was used for manufacturing activities at any one or more times
16 during the sixty months immediately preceding the date of application
17 for a certificate of eligibility if such property is located, in whole
18 or in part, in the area in the borough of Manhattan lying south of the
19 center line of 96th Street; and (3) in the commercial revitalization
20 area, and with respect to an application for a certificate of eligibil-
21 ity filed on or after July first, two thousand, "commercial property"
22 means nonresidential property on which will exist after completion of
23 commercial construction work, a building or structure used for the
24 buying, selling or otherwise providing of goods or services including
25 hotel services, or for other lawful business, commercial or manufactur-
26 ing activities.

27 f-1. "Commercial revitalization area" means any district that is zoned
28 C4, C5, C6, M1, M2 or M3 in accordance with the zoning resolution in any
29 area of the city.

30 g. "Deferral area" means an area in which deferral of payment of real
31 property taxes in accordance with section 11-257 of this part shall be
32 available to a recipient who has performed commercial construction work.

33 h. "Excluded area" means each area specified in paragraphs (1), (2)
34 and (3) of subdivision d of section 11-258 of this part.

35 i. "Exemption base". (1) For purposes of computing the exemption
36 pursuant to subdivision a, b, c or d of section 11-257 of this part,
37 "exemption base" shall mean, with respect to property that is the
38 subject of a certificate of eligibility with an effective date of June
39 thirtieth, nineteen hundred ninety-two or before: (a) for the first,
40 second and third taxable years following the effective date of a certif-
41 icate of eligibility, the assessed value of improvements made since the
42 effective date of such certificate which are attributable exclusively to
43 commercial or industrial construction work described in approved plans;
44 and (b) for all other years, the assessed value of such improvements
45 which have been made before the fourth taxable status date following the
46 effective date of such certificate.

47 (2) For purposes of computing the exemption pursuant to subdivision c,
48 d or e of section 11-257 of this part, "exemption base" shall mean, with
49 respect to property that is the subject of a certificate of eligibility
50 with an effective date of July first, nineteen hundred ninety-two or
51 after: (a) for the first through fifth taxable years following the
52 effective date of a certificate of eligibility, the assessed value of
53 improvements made since the effective date of such certificate which are
54 attributable exclusively to commercial or renovation construction work
55 described in approved plans; and (b) for all other years, the assessed

1 value of such improvements which have been made before the sixth taxable
2 status date following the effective date of such certificate.

3 (3) For purposes of computing the exemption pursuant to subdivision a
4 or b of section 11-257 of this part, "exemption base" shall mean, with
5 respect to property that is the subject of a certificate of eligibility
6 with an effective date of July first, nineteen hundred ninety-two or
7 after: (a) for the first through fifth taxable years following the
8 effective date of a certificate of eligibility, the assessed value of
9 improvements made since the effective date of such certificate which are
10 attributable exclusively to commercial or industrial construction work
11 described in approved plans plus any equalization increases or minus any
12 equalization decreases in the assessed value of the property so improved
13 (excluding the land) occurring subsequent to the effective date of such
14 certificate; and (b) for all other years, the assessed value of such
15 improvements made before the sixth taxable status date following the
16 effective date of such certificate plus any equalization increases or
17 minus any equalization decreases in the assessed value of the property
18 so improved (excluding the land) occurring subsequent to the effective
19 date of such certificate but before the fourteenth taxable status date
20 following the effective date of such certificate. For purposes of the
21 preceding sentence: no adjustment shall be made to the assessed value of
22 the improvements referred to in subparagraphs (a) and (b) of this para-
23 graph for any portion of an equalization increase or decrease which is
24 being phased in pursuant to section eighteen hundred five of the real
25 property tax law subsequent to the effective date of the certificate of
26 eligibility if such increase or decrease occurred prior to such effec-
27 tive date; with respect to any taxable year, an adjustment for an equal-
28 ization increase or decrease shall reflect only the portion of such
29 increase or decrease which is being phased in during such taxable year
30 or which was phased in during a prior taxable year; no adjustment for an
31 equalization decrease shall reduce the exemption base to an amount less
32 than the assessed value of the improvements referred to in subparagraphs
33 (a) and (b) of this paragraph, and, to the extent that any such decrease
34 would reduce the exemption base below such amount, such decrease shall
35 reduce the taxable portion of the assessed value; and no adjustment
36 shall be made for an equalization increase or decrease if the improve-
37 ments referred to in subparagraphs (a) and (b) of this paragraph do not
38 result in a physical increase in the assessed value of the property.

39 (4) Notwithstanding paragraph one of this subdivision, for purposes of
40 computing the exemption pursuant to subdivision a of section 11-257 of
41 this part, "exemption base" shall mean, with respect to industrial prop-
42 erty that is located in the area in Staten Island; and that is the
43 subject of a certificate of eligibility with an effective date after
44 December thirty-first, nineteen hundred eighty-nine and before July
45 first, nineteen hundred ninety-two: (a) for the first, second and third
46 taxable years following the effective date of a certificate of eligibil-
47 ity, the assessed value of improvements made since the effective date of
48 such certificate which are attributable exclusively to industrial
49 construction work described in approved plans; and (b) for all other
50 years, the assessed value of such improvements made before the fourth
51 taxable status date following the effective date of such certificate
52 plus any equalization increases or minus any equalization decreases in
53 the assessed value of the property so improved (excluding the land)
54 occurring subsequent to the fourth taxable status date following the
55 effective date of such certificate but before the fourteenth taxable
56 status date following the effective date of such certificate. For

1 purposes of the preceding sentence: no adjustment shall be made to the
2 assessed value of the improvements referred to in subparagraphs (a) and
3 (b) of this paragraph for any portion of an equalization increase or
4 decrease which is being phased in pursuant to section eighteen hundred
5 five of the real property tax law subsequent to the effective date of
6 the certificate of eligibility if such increase or decrease occurred
7 prior to such effective date; with respect to any taxable year, an
8 adjustment for an equalization increase or decrease shall reflect only
9 the portion of such increase or decrease which is being phased in during
10 such taxable year or which was phased in during a prior taxable year; no
11 adjustment for an equalization decrease shall reduce the exemption base
12 to an amount less than the assessed value of the improvements referred
13 to in subparagraphs (a) and (b) of this paragraph, and, to the extent
14 that any such decrease would reduce the exemption base below such
15 amount, such decrease shall reduce the taxable portion of the assessed
16 value; and no adjustment shall be made for an equalization increase or
17 decrease if the improvements referred to in subparagraphs (a) and (b) of
18 this paragraph do not result in a physical increase in the assessed
19 value of the property.

20 (5) For purposes of computing the exemption: (a) pursuant to subdivi-
21 sion e.1 of section 11-257 of this part, "exemption base" shall mean,
22 with respect to property that is the subject of a certificate of eligi-
23 bility with an effective date of July first, nineteen hundred ninety-
24 five or after and that is located in the new construction exemption area
25 specified in paragraph one of subdivision e of section 11-258 of this
26 part: for any taxable year following the effective date of a certificate
27 of eligibility, the assessed value of improvements made since the effec-
28 tive date of such certificate which are attributable exclusively to the
29 construction of a new building or structure that meets the requirements
30 set forth in subdivision i of section 11-259 of this part as described
31 in approved plans, provided such improvements are made within thirty-six
32 months of the effective date of such certificate or by December thirty-
33 first, nineteen hundred ninety-nine, whichever is earlier; and (b)
34 pursuant to subdivision e.1 of section 11-257 of this part, "exemption
35 base" shall mean, with respect to property that is the subject of a
36 certificate of eligibility with an effective date of July first, nine-
37 teen hundred ninety-five or after and that is located in the new
38 construction exemption area specified in paragraph two of subdivision e
39 of section 11-258 of this part: for any taxable year following the
40 effective date of a certificate of eligibility, the assessed value of
41 improvements made since the effective date of such certificate which are
42 attributable exclusively to the construction of a new building or struc-
43 ture that meets the requirements set forth in subdivision i of section
44 11-259 of this part as described in approved plans, provided such
45 improvements are made within forty-two months of the effective date of
46 such certificate.

47 (6) For purposes of this subdivision "equalization increase or
48 decrease" means an increase or decrease in the assessed value of proper-
49 ty which is not attributable to construction work, fire, demolition,
50 destruction or other change in the physical characteristics of the prop-
51 erty (excluding gradual physical deterioration or obsolescence), or to a
52 change in the description or boundaries of the property.

53 j. "Industrial construction work" means the construction of a new
54 building or structure or the modernization, rehabilitation, expansion or
55 improvement of an existing building or structure for use as industrial
56 property.

1 k. "Industrial property" means nonresidential property on which will
2 exist after completion of industrial construction work a building or
3 structure wherein at least seventy-five per centum of the total net
4 square footage is used or immediately available and held out for use for
5 manufacturing activities involving the assembly of goods or the fabri-
6 cation or processing of raw materials.

7 l. "Initial assessed value" means the lesser of: (1) the taxable
8 assessed value of real property appearing on the books of the annual
9 record of the assessed valuation of real property on the effective date
10 of a recipient's certificate of eligibility; or (2) the assessed value
11 to which such assessment is thereafter reduced pursuant to application
12 to the tax commission or court order. Where the real property is used
13 for both residential and nonresidential purposes on the effective date
14 of such certificate of eligibility, the initial assessed value of such
15 real property, determined as provided in the preceding sentence, shall
16 be apportioned between the residential and nonresidential portions ther-
17 eof in such manner as shall properly reflect the initial assessed value
18 of each such portion. Such apportionment shall be in accordance with
19 rules promulgated by the department of finance.

20 m. "Manufacturing activity" means an activity involving the assembly
21 of goods or the fabrication or processing of raw materials.

22 n. "Minimum required expenditure" means expenditure for commercial,
23 renovation or industrial construction work in an amount equal to twenty
24 per centum of the initial assessed value; provided, however, that with
25 respect to a recipient who filed an application on or after July first,
26 nineteen hundred ninety-five for a certificate of eligibility for indus-
27 trial construction work or for commercial construction work in a special
28 exemption area or a regular exemption area, minimum required expenditure
29 means expenditure for such work in an amount equal to ten per centum of
30 the initial assessed value; provided, however, that with respect to a
31 recipient who filed an application on or after July first, nineteen
32 hundred ninety-five for a certificate of eligibility for industrial
33 construction work and for the purpose of receiving an abatement of real
34 property taxes in accordance with paragraph (3) of subdivision a of
35 section 11-257 of this part, minimum required expenditure means expendi-
36 ture for such work in an amount equal to twenty-five per centum of the
37 initial assessed value; and provided further that if the department of
38 finance, after consultation with the deputy mayor for finance and
39 economic development, determines that a greater expenditure is required
40 to encourage significant industrial and commercial development it may
41 establish by rule a higher percentage of initial assessed value, not to
42 exceed fifty per centum thereof, as the minimum required expenditure.
43 Expenditure for residential construction work shall not be included in
44 the minimum required expenditure; provided, however, that for mixed-use
45 property, expenditures for construction work related to the common areas
46 and systems of such property shall be allocated, in accordance with
47 rules promulgated by the department of finance, between the residential
48 and nonresidential portions of the property. If real property was used
49 for both residential and nonresidential purposes on the effective date
50 of the certificate of eligibility, the initial assessed value of such
51 real property, for purposes of this subdivision, shall be the initial
52 assessed value apportioned to the nonresidential portions thereof.

53 o. "Person" means an individual, corporation, partnership, associ-
54 ation, agency, trust, estate, foreign or domestic government or subdivi-
55 sion thereof, or other entity.

1 p. "Recipient" means an applicant to whom a certificate of eligibility
2 has been issued pursuant to this part, or the successor in interest of
3 such applicant, provided that where a person who has entered into a
4 lease or purchase agreement with the owner or lessee of exempt property
5 has been a co-applicant, such person or the successor in interest of
6 such person shall be the recipient.

7 q. "Regular exemption area" means an area in which a regular exemption
8 from taxes in accordance with section 11-257 of this part shall be
9 available to a recipient who performs commercial construction work.

10 r. "Residential construction work" means any construction, moderniza-
11 tion, rehabilitation, expansion or improvement of dwelling units other
12 than dwelling units in a hotel.

13 s. "Residential property" means property, other than property used for
14 hotel purposes, on which exists, or will exist upon completion of
15 construction work, a building or structure used for residential
16 purposes.

17 t. "Restricted activity" means any entertainment activity which the
18 department of finance has identified in regulations promulgated pursuant
19 to this part as an activity which, in the public interest, should not be
20 encouraged through the benefits of this part.

21 u. "Special exemption area" means an area in which the commission has
22 determined that a special exemption from real property taxes in accord-
23 ance with subdivision b of section 11-257 of this part shall be avail-
24 able to a recipient who performs commercial construction work and, in
25 addition, means the area specified in paragraph four of subdivision c of
26 section 11-258 of this part.

27 v. "Mixed-use property" means property on which exists, or will exist
28 upon completion of construction work, a building or structure used for
29 both residential and nonresidential purposes.

30 w. "Renovation construction work" means the modernization, rehabili-
31 tation, expansion or improvement of an existing building or structure,
32 or portion thereof, for use as commercial property in a renovation
33 exemption area where such modernization, rehabilitation, expansion or
34 improvement is physically and functionally integrated with the existing
35 building or structure, or portion thereof, does not increase the bulk of
36 the existing building or structure by more than thirty per centum and
37 does not increase the height of the existing building or structure by
38 more than thirty per centum.

39 x. "Renovation exemption area" means the area specified in paragraph
40 (4) of subdivision d of section 11-258 of this part in which a reno-
41 vation exemption from taxes in accordance with subdivision e of section
42 11-257 of this part shall be available to a recipient who performs reno-
43 vation construction work.

44 y. "New construction exemption areas" means the areas specified in
45 subdivision e of section 11-258 of this part in which an exemption from
46 real property taxes in accordance with subdivision e.1 of section 11-257
47 of this part shall be available to a recipient who constructs a new
48 building or structure that meets the requirements set forth in subdivi-
49 sion i of section 11-259 of this part.

50 § 11-257 Real property tax exemption; deferral of tax payments. The
51 city shall be divided into six classes of areas as provided in this part
52 and pursuant to designation of areas to be made by the temporary commer-
53 cial incentive area boundary commission. Within such areas, the follow-
54 ing benefits shall be available to qualified recipients:

55 a. (1) A recipient who, following the effective date of a certificate
56 of eligibility, has performed industrial construction work in any area

1 of the city shall be eligible for an exemption from real property taxes
 2 as follows: For the first thirteen tax years, the recipient shall be
 3 exempt from taxation on one hundred per centum of the exemption base.
 4 For the following nine tax years, the recipient shall be exempt from
 5 taxation on a percentage of the exemption base beginning at ninety per
 6 centum thereof in the fourteenth tax year and decreasing by ten per
 7 centum of said exemption base each year.

8 The following table shall illustrate the computation of the exemption
 9 for industrial construction work:

10	Tax year following effective	
11	date of certificate	
12	of eligibility:	Amount of exemption:
13	1 through 13	Tax on 100% of exemption base
14	14	Tax on 90% of exemption base
15	15	Tax on 80% of exemption base
16	16	Tax on 70% of exemption base
17	17	Tax on 60% of exemption base
18	18	Tax on 50% of exemption base
19	19	Tax on 40% of exemption base
20	20	Tax on 30% of exemption base
21	21	Tax on 20% of exemption base
22	22	Tax on 10% of exemption base

23 (2) Notwithstanding paragraph one of this subdivision, a recipient who
 24 filed an application for a certificate of eligibility for industrial
 25 construction work in any area of such city on or after July first, nine-
 26 teen hundred ninety-five, and who, following the effective date of such
 27 certificate of eligibility, has performed such industrial construction
 28 work shall be eligible for an exemption from real property taxes as
 29 follows: for the first sixteen tax years, the recipient shall be exempt
 30 from taxation on one hundred per centum of the exemption base. For the
 31 following nine tax years, the recipient shall be exempt from taxation on
 32 a percentage of the exemption base beginning at ninety per centum there-
 33 of in the seventeenth tax year and decreasing by ten per centum of said
 34 exemption base each year.

35 The following table shall illustrate the computation of the exemption
 36 for industrial construction work pursuant to this paragraph:

37	Tax year following effective	
38	date of certificate of	
39	eligibility:	Amount of exemption:
40	1 through 16.....	Tax on 100% of exemption base
41	17	Tax on 90% of exemption base
42	18	Tax on 80% of exemption base
43	19	Tax on 70% of exemption base
44	20	Tax on 60% of exemption base
45	21	Tax on 50% of exemption base
46	22	Tax on 40% of exemption base
47	23	Tax on 30% of exemption base
48	24	Tax on 20% of exemption base
49	25	Tax on 10% of exemption base

50 (3)(a) A recipient who filed an application for a certificate of
 51 eligibility for industrial construction work in any area of such city on
 52 or after July first, nineteen hundred ninety-five, and who, following

1 the effective date of such certificate of eligibility, both commenced
2 and completed such work, shall be eligible for an abatement of real
3 property taxes as follows: for the first tax year immediately following
4 completion of such work, and for the second, third and fourth tax years
5 following completion of such work, the abatement shall equal fifty per
6 centum of the real property tax that was imposed on the property which
7 is the subject of the certificate of eligibility for the tax year imme-
8 diately preceding the effective date of such certificate of eligibility,
9 provided, however, that if such property was fully or partially exempt
10 from real property taxes during such tax year, then the abatement shall
11 equal fifty per centum of the real property tax that would have been
12 imposed on such property but for such full or partial exemption. For the
13 fifth and sixth tax years, the abatement shall equal forty per centum of
14 such amount; for the seventh and eighth tax years, the abatement shall
15 equal thirty per centum of such amount; for the ninth and tenth tax
16 years, the abatement shall equal twenty per centum of such amount; and
17 for the eleventh and twelfth tax years, the abatement shall equal ten
18 per centum of such amount. Notwithstanding any inconsistent provision of
19 this paragraph, a recipient shall not be eligible for an abatement for
20 the first tax year following completion of such work, unless the recipi-
21 ent submits proof satisfactory to the department of finance that such
22 work was completed on or before the taxable status date for such first
23 tax year no later than thirty days after such taxable status date. Where
24 the recipient fails to submit such proof in accordance with the forego-
25 ing sentence, a recipient shall not be eligible for an abatement until
26 the second tax year following completion of such work. In such case, a
27 recipient shall submit proof satisfactory to the department of finance
28 that such work was completed on or before the taxable status date for
29 such first tax year no later than thirty days after the taxable status
30 date for such second tax year. A recipient whose abatement begins in the
31 second tax year following completion of such work shall not thereby have
32 his or her twelve-year benefit period shortened.

33 The following table shall illustrate the computation of the abatement
34 for industrial construction work pursuant to this paragraph:

35 Tax year following completion	
36 of industrial construction	
37 work:	Amount of abatement:
38 1	50%
39 2	50%
40 3	50%
41 4	50%
42 5	40%
43 6	40%
44 7	30%
45 8	30%
46 9	20%
47 10	20%
48 11	10%
49 12	10%

50 (b) If, due to a determination of the department of finance or tax
51 commission of such city or a court, the real property tax imposed on
52 such property for the tax year immediately preceding the effective date
53 of such certificate of eligibility is changed, then any abatement that
54 was granted in accordance with this paragraph prior to such reduction

1 shall be recalculated and any abatement to be granted in accordance with
2 this paragraph shall be based on the real property tax imposed on such
3 property for the tax year immediately preceding the effective date of
4 such certificate of eligibility, as changed by such determination. The
5 amount equal to the difference between the abatement originally granted
6 and the abatement as so recalculated shall be deducted from any refund
7 otherwise payable or remission otherwise due as a result of a change due
8 to such determination, and any balance of such amount remaining unpaid
9 after making any such deduction shall be paid to the department of
10 finance within thirty days from the date of mailing by the department of
11 finance of a notice of the amount payable. Such amount payable shall
12 constitute a tax lien on such property as of the date of such notice
13 and, if not paid within such thirty-day period, penalty and interest at
14 the rate applicable to delinquent taxes on such property shall be
15 charged and collected on such amount from the date of such notice to the
16 date of payment.

17 (c) No property which is the subject of a certificate of eligibility
18 pursuant to this part shall receive more than one abatement pursuant to
19 this part and no abatement shall exceed one consecutive twelve-year
20 period as specified in subparagraph (a) of this paragraph.

21 (d) In no event shall an abatement granted pursuant to this part
22 exceed in any tax year the real property taxes imposed on the property
23 which is the subject of a certificate of eligibility pursuant to this
24 part.

25 (e) For the purpose of calculating an abatement of real property taxes
26 pursuant to this part, where a tax lot contains more than one building
27 or structure and not all of the buildings or structures comprising such
28 tax lot are the subject of a certificate of eligibility for industrial
29 construction work pursuant to this part, the real property taxes imposed
30 on such tax lot for the year immediately preceding the effective date of
31 such certificate of eligibility shall be apportioned among the build-
32 ings, structures and land comprising such tax lot and only such real
33 property taxes as are allocable to the property which is the subject of
34 the certificate of eligibility pursuant to this part shall be abated in
35 accordance with this paragraph. Such apportionment shall be in accord-
36 ance with rules promulgated by the department of finance.

37 (f) A recipient who filed an application for a certificate of eligi-
38 bility for industrial construction work in the commercial revitalization
39 area on or after July first, two thousand, and who, following the effec-
40 tive date of such certificate of eligibility, both commenced and
41 completed such work, shall be eligible for an abatement of real property
42 taxes in accordance with subparagraph (a) of this paragraph, provided,
43 however, that where the total net square footage of the industrial prop-
44 erty used or immediately available and held out for use for manufactur-
45 ing activities involving the assembly of goods or the fabrication or
46 processing of raw materials is less than seventy-five per centum of the
47 total net square footage of the industrial property, the abatement of
48 real property taxes shall be determined in accordance with rules promul-
49 gated by the department of finance. Notwithstanding the foregoing
50 sentence, no such abatement shall be allowed where the total net square
51 footage of the industrial property used or immediately available and
52 held out for use for such manufacturing activities after completion of
53 industrial construction work is less than the total net square footage
54 used or immediately available and held out for use for such manufactur-
55 ing activities before the commencement of such construction work. For
56 purposes of this subparagraph only, the term "industrial construction

1 work" shall mean the modernization, rehabilitation, expansion or
 2 improvement of an existing building or structure for use as industrial
 3 property and the term "industrial property" shall mean nonresidential
 4 property on which will exist after completion of industrial construction
 5 work a building or structure wherein at least twenty-five per centum of
 6 the total net square footage is used or immediately available and held
 7 out for use for manufacturing activities involving the assembly of goods
 8 or the fabrication or processing of raw materials.

9 b. (1) A recipient who, following the effective date of a certificate
 10 of eligibility, has performed commercial construction work in a special
 11 exemption area shall be eligible for an exemption from real property
 12 taxes as follows: For the first thirteen tax years, the recipient shall
 13 be exempt from taxation on one hundred per centum of the exemption base.
 14 For the following nine tax years, the recipient shall be exempt from
 15 taxation on a percentage of the exemption base beginning at ninety per
 16 centum thereof in the fourteenth tax year and decreasing by ten per
 17 centum of said exemption base each year.

18 The following table shall illustrate the computation of the exemption
 19 for commercial construction work in a special exemption area:

20	Tax year following effective	
21	date of certificate	
22	of eligibility:	Amount of exemption:
23	1 through 13	Tax on 100% of exemption base
24	14	Tax on 90% of exemption base
25	15	Tax on 80% of exemption base
26	16	Tax on 70% of exemption base
27	17	Tax on 60% of exemption base
28	18	Tax on 50% of exemption base
29	19	Tax on 40% of exemption base
30	20	Tax on 30% of exemption base
31	21	Tax on 20% of exemption base
32	22	Tax on 10% of exemption base

33 (2) Notwithstanding paragraph one of this subdivision, a recipient who
 34 filed an application for a certificate of eligibility for commercial
 35 construction work in a special exemption area on or after July first,
 36 nineteen hundred ninety-five, and who, following the effective date of
 37 such certificate of eligibility, has performed such commercial
 38 construction work shall be eligible for an exemption from real property
 39 taxes as follows: For the first sixteen tax years, the recipient shall
 40 be exempt from taxation on one hundred per centum of the exemption base.
 41 For the following nine tax years, the recipient shall be exempt from
 42 taxation on a percentage of the exemption base beginning at ninety per
 43 centum thereof in the seventeenth tax year and decreasing by ten per
 44 centum of said exemption base each year.

45 The following table shall illustrate the computation of the exemption
 46 for commercial construction work in a special exemption area pursuant to
 47 this paragraph:

48	Tax year following effective	
49	date of certificate	
50	of eligibility:	Amount of exemption:
51	1 through 16	Tax on 100% of exemption base
52	17	Tax on 90% of exemption base
53	18	Tax on 80% of exemption base

1	19	Tax on 70% of exemption base
2	20	Tax on 60% of exemption base
3	21	Tax on 50% of exemption base
4	22	Tax on 40% of exemption base
5	23	Tax on 30% of exemption base
6	24	Tax on 20% on exemption base
7	25	Tax on 10% of exemption base

8 c. (1) A recipient who, following the effective date of a certificate
9 of eligibility, has performed commercial construction work in a regular
10 exemption area shall be eligible for an exemption from real property
11 taxes as follows: For the first eight tax years, the recipient shall be
12 exempt from taxation on one hundred per centum of the exemption base.
13 For the following four tax years, the recipient shall be exempt from
14 taxation on a percentage of the exemption base beginning at eighty per
15 centum thereof in the ninth tax year and decreasing by twenty per centum
16 of said exemption base each year.

17 The following table shall illustrate the computation of the exemption
18 for commercial construction work in a regular exemption area:

19	Tax year following effective	
20	date of certificate	
21	of eligibility:	Amount of exemption:
22	1 through 8	Tax on 100% of exemption base
23	9	Tax on 80% of exemption base
24	10	Tax on 60% of exemption base
25	11	Tax on 40% of exemption base
26	12	Tax on 20% of exemption base

27 (2) Notwithstanding paragraph one of this subdivision, a recipient who
28 filed an application for a certificate of eligibility for commercial
29 construction work in a regular exemption area on or after July first,
30 nineteen hundred ninety-five, and who, following the effective date of
31 such certificate of eligibility, has performed such commercial
32 construction work shall be eligible for an exemption from real property
33 taxes as follows: For the first eleven tax years, the recipient shall be
34 exempt from taxation on one hundred per centum of the exemption base.
35 For the following four tax years, the recipient shall be exempt from
36 taxation on a percentage of the exemption base beginning at eighty per
37 centum thereof in the twelfth tax year and decreasing by twenty per
38 centum of said exemption base each year.

39 The following table shall illustrate the computation of the exemption
40 for commercial construction work in a regular exemption area pursuant to
41 this paragraph:

42	Tax year following effective	
43	date of certificate	
44	of eligibility:	Amount of exemption:
45	1 through 11	Tax on 100% of exemption base
46	12	Tax on 80% of exemption base
47	13	Tax on 60% of exemption base
48	14	Tax on 40% of exemption base
49	15	Tax on 20% of exemption base

50 d. Except as provided in paragraphs two and three of subdivision d of
51 section 11-258 of this part, a recipient who, following the effective

1 date of a certificate of eligibility, has performed commercial
 2 construction work in a deferral area shall be eligible for a deferral of
 3 tax payments as follows: For the first three tax years following the
 4 effective date of a certificate of eligibility, the tax payment on one
 5 hundred per centum of the exemption base shall be deferred. For the
 6 following four tax years, the tax payment on a percentage of the
 7 exemption base beginning at eighty per centum thereof in the fourth tax
 8 year and decreasing by twenty per centum each year shall be deferred.
 9 The total amount of tax payments deferred pursuant to this part shall be
 10 paid subsequently over the course of ten tax years as follows: Commenc-
 11 ing in the eleventh tax year following the effective date of the certif-
 12 icate of eligibility, through and including the twentieth tax year
 13 following such effective date, an amount equal to ten per centum of the
 14 total amount of tax payments deferred pursuant to this section shall be
 15 added to the amount of tax otherwise assessed and payable in each such
 16 tax year on the property subject to such deferral.

17 The following table shall illustrate the computation of deferral and
 18 payment of taxes for commercial construction work in a deferral area:

19	Tax year following	
20	effective date of	
21	certificate of	
22	eligibility:	Amount of tax payments to be deferred or paid:
23	1 through 3	Deferral of tax payment on 100% of the exemption base
24	4	Deferral of tax payment on 80% of the exemption base
25	5	Deferral of tax payment on 60% of the exemption base
26	6	Deferral of tax payment on 40% of the exemption base
27	7	Deferral of tax payment on 20% of the exemption base
28	8 through 10	No tax payments are to be deferred and no deferred
29		tax payments are required to be made
30	11 through 20	Payment each year of 10% of total dollar amount of
31		tax payments deferred pursuant to this part

32 e. A recipient who, following the effective date of a certificate of
 33 eligibility, has performed renovation construction work in a renovation
 34 exemption area shall be eligible for an exemption from real property
 35 taxes as follows: For the first eight tax years, the recipient shall be
 36 exempt from taxation on one hundred per centum of the exemption base.
 37 For the following four tax years, the recipient shall be exempt from
 38 taxation on a percentage of the exemption base beginning at eighty per
 39 centum thereof in the ninth tax year and decreasing by twenty per centum
 40 of said exemption base each year.

41 The following table shall illustrate the computation of the exemption
 42 for renovation construction work in a renovation exemption area:

43	Tax year following effective	
44	date of certificate	
45	of eligibility:	Amount of exemption:
46	1 through 8	Tax on 100% of exemption base
47	9	Tax on 80% of exemption base
48	10	Tax on 60% of exemption base
49	11	Tax on 40% of exemption base
50	12	Tax on 20% of exemption base

51 e.1. A recipient who, following the effective date of a certificate of
 52 eligibility, constructs a new building or structure that meets the

1 requirements set forth in subdivision i of section 11-259 of this part
 2 in the new construction exemption area specified in paragraph one, two
 3 or three of subdivision e of section 11-258 of this part shall be eligi-
 4 ble for an exemption from real property taxes as follows: for the first
 5 four tax years, the recipient shall be exempt from taxation on one
 6 hundred per centum of the exemption base. For the following four tax
 7 years, the recipient shall be exempt from taxation on a percentage of
 8 the exemption base beginning at eighty per centum thereof in the fifth
 9 tax year and decreasing by twenty per centum of said exemption base each
 10 year.

11 The following table shall illustrate the computation of the exemption
 12 for the construction of a new building or structure that meets the
 13 requirements set forth in subdivision i of section 11-259 of this part
 14 in the new construction exemption area specified in paragraph one, two
 15 or three of subdivision e of section 11-258 of this part:

16 Tax year following effective	Amount of exemption:
17 date of certificate	
18 of eligibility:	
19 1 through 4	Tax on 100% of exemption base
20 5	Tax on 80% of exemption base
21 6	Tax on 60% of exemption base
22 7	Tax on 40% of exemption base
23 8	Tax on 20% of exemption base

24 f. There shall be no exemption from or deferral of payment of real
 25 property taxes available pursuant to this part to any person who
 26 performs commercial or renovation construction work in an excluded area.

27 g. The benefits of this part shall be granted exclusively for indus-
 28 trial, commercial or renovation construction work described in approved
 29 plans. No benefits shall be granted for residential construction work.
 30 Any parcel which is partly located in an excluded area shall be deemed
 31 to be entirely located in such area.

32 h. No benefits pursuant to this part shall be granted for work which
 33 is the subject of a certificate of eligibility issued pursuant to part
 34 three of this subchapter.

35 § 11-258 Temporary commercial incentive area boundary commission;
 36 classes of area; excluded areas. a. There shall be a temporary commer-
 37 cial incentive area boundary commission to consist of the deputy mayor
 38 for economic development and planning, the commissioner of finance, the
 39 chair of the city planning commission, the director of management and
 40 budget, the borough presidents, the speaker of the city council and a
 41 public member appointed by the mayor to serve at the mayor's pleasure.
 42 Each member except the public member shall have the power to designate
 43 an alternate to represent him or her at commission meetings to exercise
 44 all the rights and powers of such member, including the right to vote,
 45 provided that such designation be made in writing to the chair of the
 46 commission. The deputy mayor for economic development and planning shall
 47 be the chair of the commission. Each borough president shall be entitled
 48 to vote only on the designation of areas within his or her borough.
 49 Commission members who shall be officers or employees of the city shall
 50 serve without compensation but shall be reimbursed for expenses neces-
 51 sarily incurred in the performance of their duties. Any other commission
 52 member shall receive as exclusive compensation for his or her services
 53 one hundred dollars per diem, provided, however, that the total compen-
 54 sation paid to any such member shall not exceed twelve hundred dollars

1 for any calendar year. A majority of members of such commission entitled
2 to vote on a matter shall constitute a quorum for such issue. Decisions
3 shall be made by majority vote of those present entitled to vote on a
4 matter.

5 b. (1) The commission shall meet in nineteen hundred ninety-two, nine-
6 teen hundred ninety-five and nineteen hundred ninety-nine to determine
7 the boundaries of the various areas which it is authorized to designate
8 pursuant to this section. The areas designated by the commission in
9 effect as of December thirty-first, nineteen hundred ninety-one shall
10 remain in effect until the first taxable status date after the city
11 council approves a new designation pursuant to paragraph four of this
12 subdivision.

13 (2) Not later than October first of each year when areas are to be
14 designated, the commission shall publish notice of proposed boundaries
15 of areas to be designated, and the date, not earlier than five nor later
16 than fifteen days following the publication of such notice, on which the
17 commission will hold a public hearing to hear all persons interested in
18 the designation of areas. The notice required by this paragraph shall be
19 published in the City Record and a newspaper of general circulation in
20 the city, and copies thereof shall be forwarded to each council member
21 and community board.

22 (3) The commission shall make such designation, and notify the city
23 council of such designation, not later than November first of each year
24 when areas are to be designated. The designation shall be effective as
25 provided in paragraph four of this subdivision.

26 (4) Within thirty days after the first stated meeting of the city
27 council following the receipt of notice of such designation, the city
28 council may, by majority vote, disapprove such designation. If, within
29 such thirty-day period, the city council fails to act or fails to act by
30 the required vote, the city council shall be deemed to have approved
31 such designation. Such designation shall be effective as of the first
32 taxable status date after the city council approves such designation and
33 shall remain in effect until the first taxable status date after the
34 city council approves a new designation pursuant to this paragraph.

35 c. (1) The commission may designate any area other than the area lying
36 south of the center line of ninety-sixth street in the borough of
37 Manhattan to be a special exemption area if it determines that market
38 conditions in the area are such that the availability of a special
39 exemption is required in order to encourage commercial construction work
40 in such area. In making such determination, the commission shall consid-
41 er, among other factors, the existence in such area of a special need
42 for commercial and job development, high unemployment, economic distress
43 or unusually large numbers of vacant, underutilized, unsuitable or
44 substandard structures, or other substandard, unsanitary, deteriorated
45 or deteriorating conditions, with or without tangible blight.

46 (2) Any area in the city, which the commission has not designated as a
47 special exemption area shall be a regular exemption area.

48 (3) On or after January first, nineteen hundred ninety-two, the
49 commission shall not designate any area to be either a deferral area or
50 an excluded area, nor shall the commission make any new designation in
51 any urban renewal area designated pursuant to article fifteen of the
52 general municipal law so as to reduce the level of benefits available
53 pursuant to this title in such area.

54 (4) Notwithstanding any other provision of this part, any area in the
55 city designated as an empire zone in accordance with article eighteen-b
56 of the general municipal law, which the commission has not designated as

1 a special exemption area, shall be a special exemption area as of July
2 first, nineteen hundred ninety-five or as of the date of the designation
3 of such area as an empire zone, whichever is later.

4 § 11-259 Eligibility for benefits. a. A recipient of a certificate of
5 eligibility with an effective date of June thirtieth, nineteen hundred
6 ninety-two or before must make one-half the minimum required expenditure
7 within eighteen months of the effective date of such recipient's certifi-
8 cate of eligibility, and make the minimum required expenditure within
9 thirty-six months of the effective date of such certificate to be eligi-
10 ble to receive the benefits of this part. A recipient of a certificate
11 of eligibility with an effective date of July first, nineteen hundred
12 ninety-two or after must make one-half the minimum required expenditure
13 within thirty months of the effective date of such recipient's certifi-
14 cate of eligibility, and make the minimum required expenditure within
15 sixty months of the effective date of such certificate to be eligible to
16 receive the benefits of this part. Any recipient who shall fail to make
17 such expenditures shall become ineligible and shall pay, with interest,
18 any taxes for which an exemption or deferral was claimed pursuant to
19 this section. This subdivision shall not apply to the recipient of a
20 certificate of eligibility for construction of a new building or struc-
21 ture that meets the requirements set forth in subdivision i of section
22 11-259 of this part in a new construction exemption area.

23 b. No benefits pursuant to this part shall be granted for construction
24 work on any condominium unit unless such unit is in a building or struc-
25 ture which, if viewed as a whole and as if it were under single owner-
26 ship, would qualify as commercial or industrial property. The minimum
27 required expenditure applicable to any recipient of a certificate of
28 eligibility for construction work on a condominium unit shall be equal
29 to the minimum expenditure which would apply if a certificate of eligi-
30 bility were issued for construction work on the entire property where
31 such unit is located. Nothing in this subdivision shall be construed to
32 prevent owners of condominium units in the same property from forming an
33 association to be a recipient. This subdivision shall not apply to any
34 applicant whose property would be, or recipient whose property is, the
35 subject of a certificate of eligibility with an effective date of July
36 first, nineteen hundred ninety-two or after.

37 c. No benefits pursuant to this part shall be granted for any
38 construction work unless the applicant filed an application for such
39 benefits on or before the date of issuance of a building permit for such
40 work. The requirements of this subdivision may be satisfied where the
41 applicant's architect, contractor or other representative authorized to
42 file the application for such building permit files with the department
43 of finance on behalf of the applicant a preliminary application contain-
44 ing such information as the department of finance shall prescribe by
45 regulation.

46 d. No benefits pursuant to this part shall be granted to any recipient
47 for construction work on property any part of which is to be used for a
48 restricted activity.

49 e. No benefits pursuant to this part shall be granted for any
50 construction work unless the applicant shall file, together with the
51 application, an affidavit setting forth the following information:

52 (1) a statement that within the seven years immediately preceding the
53 date of application for a certificate of eligibility, neither the appli-
54 cant, nor any person owning a substantial interest in the property as
55 defined in paragraph four of this subdivision, nor any officer, director
56 or general partner of the applicant or such person was finally adjudi-

1 cated by a court of competent jurisdiction to have violated section two
2 hundred thirty-five of the real property law or any section of article
3 one hundred fifty of the penal law or any similar arson law of another
4 state with respect to any building, or was an officer, director or
5 general partner of a person at the time such person was finally adjudi-
6 cated to have violated such law;

7 (2) a statement setting forth any pending charges alleging violation
8 of section two hundred thirty-five of the real property law or any
9 section of article one hundred fifty of the penal law or any similar
10 arson law of another jurisdiction with respect to any building by the
11 applicant or any person owning a substantial interest in the property as
12 defined in paragraph four of this subdivision, or any officer, director
13 or general partner of the applicant or such person; and

14 (3) a statement that the applicant has posted notice in a conspicuous
15 place at the premises which are the subject of the application and
16 published notice in a newspaper of general circulation in the city, in
17 such form as shall be prescribed by the department of finance, stating
18 that persons having information concerning any violation by the appli-
19 cant or a person having a substantial interest in the property as
20 defined in paragraph four of this subdivision has violated section two
21 hundred thirty-five of the real property law or any section of article
22 one hundred fifty of the penal law or any similar arson law of another
23 jurisdiction may submit such information to the department of finance to
24 be considered in determining the applicant's eligibility for benefits.

25 (4) "Substantial interest" as used in this subdivision shall mean
26 ownership and control of an interest of ten per centum or more in a
27 property or of any person owning a property.

28 f. If any person described in the statement required by paragraph two
29 of subdivision e of this section is finally adjudicated by a court of
30 competent jurisdiction to be guilty of any charge listed in such state-
31 ment, the recipient shall cease to be eligible for benefits pursuant to
32 this part and shall pay with interest any taxes for which an exemption,
33 abatement or deferral was claimed pursuant to this part.

34 g. In addition to any other qualifications for exemption from or
35 abatement or deferral of payment of taxes set forth in this part, an
36 applicant must be:

37 (1) obligated to pay real property tax on the property for which an
38 exemption, abatement or deferral is sought, whether such obligation
39 arises because of record ownership of such property, or because the
40 obligation to pay such tax has been assumed by contract; or

41 (2) the record owner or lessee of property which is exempt from real
42 property taxation who has entered into an agreement to sell or lease
43 such property to another person. Such person shall be a co-applicant
44 with such owner or lessee.

45 h. A co-applicant with a public entity shall be an eligible recipient
46 pursuant to this part, provided that for such period as the property
47 which is the subject of the certificate of eligibility is exempt from
48 real property taxation because it is owned or controlled by a public
49 entity no benefits shall be available to such recipient pursuant to this
50 part. Such recipient shall receive benefits pursuant to this part when
51 such property ceases to be eligible for exemption pursuant to other
52 provisions of law, as follows: the recipient shall, commencing with the
53 date such tax exemption ceases, and continuing until the expiration of
54 the benefit period pursuant to this part, receive the benefits to which
55 such recipient is entitled in the corresponding tax year pursuant to
56 this part.

1 i. (1) No benefits pursuant to this part shall be granted for
2 construction of a new building or structure in a new construction
3 exemption area unless such building or structure meets the requirements
4 set forth in subparagraphs two and three of this paragraph and, in addi-
5 tion, meets at least two of the five requirements set forth in subpara-
6 graphs four through eight of this paragraph.

7 (2) The height of at least fifty per centum of the floors in such
8 building or structure shall be not less than twelve feet, nine inches
9 measured from the top of the slab comprising the floor to the bottom of
10 the slab comprising the ceiling;

11 (3) Such building or structure shall be served by fiber optic telecom-
12 munications wiring and shall contain vertical penetrations for the
13 distribution of fiber optic cabling to individual tenants on each floor;

14 (4) The total square footage of such building or structure is not less
15 than five hundred thousand gross square feet;

16 (5) A minimum of two hundred thousand gross square feet or twenty-five
17 per centum of such building or structure is comprised of floors of not
18 less than forty thousand gross square feet;

19 (6) At least ten per centum of the gross square footage of such build-
20 ing or structure is comprised of floors that contain no more than eight
21 structural columns, excluding any columns within the core or on the
22 periphery of such building or structure;

23 (7) The electrical capacity of such building or structure is not less
24 than six watts per net square foot;

25 (8) Emergency backup power sufficient to accommodate a need of six
26 watts per net square foot is available in at least two hundred thousand
27 gross square feet or twenty-five per centum of such building or struc-
28 ture.

29 j. No benefits pursuant to this part shall be granted for construction
30 work performed pursuant to a building permit issued after July thirty-
31 first, two thousand eight, except that if a building permit is issued on
32 or before July thirty-first, two thousand eight for construction work on
33 a building or structure described in an application for a certificate of
34 eligibility filed on or before June thirtieth, two thousand eight,
35 construction work performed as described in such application pursuant to
36 any additional building permit issued on or after August first, two
37 thousand eight shall be eligible for benefits pursuant to this part in
38 accordance with this subdivision.

39 (1) Except as provided in paragraph two of this subdivision, all
40 construction work performed pursuant to any such application shall be
41 completed on or before December thirty-first, two thousand thirteen. No
42 benefits shall be granted for construction work performed after such
43 date, and any exemption granted pursuant to this part in relation to
44 property on which such construction work was performed shall not exceed
45 the amount of the exemption in effect for such property on the tax roll
46 for which the taxable status date is January fifth, two thousand four-
47 teen.

48 (2) All construction work performed pursuant to any such application
49 for the construction of a new building or structure in the new
50 construction exemption area specified in paragraph three of subdivision
51 e of section 11-258 of this part shall be completed in accordance with
52 paragraph four of subdivision i of this section and, if not completed in
53 accordance with such subparagraph, shall not be eligible for benefits
54 pursuant to this part.

55 (3) For purposes of this subdivision, construction work as described
56 in an application for a certificate of eligibility shall be deemed

1 completed on the date on which the department of buildings issues a
2 temporary or final certificate of occupancy or, if such construction
3 work does not require the issuance of a certificate of occupancy, the
4 date on which the applicant and the applicant's architect or profes-
5 sional engineer for such construction work submit to the department of
6 finance an affidavit certifying that such construction work has been
7 completed. For purposes of this subdivision, a demolition permit shall
8 be deemed to be a building permit issued for construction work.

9 § 11-260 Application for certificate of eligibility. a. Application
10 for a certificate of eligibility pursuant to this part may be made imme-
11 diately and continuing until June thirtieth, two thousand eight; and
12 provided, further, however, that no benefits pursuant to this part shall
13 be granted for construction work performed pursuant to a building permit
14 issued after July thirty-first, two thousand eight. Such application
15 shall state whether it is for industrial, commercial or renovation
16 construction work, and shall be filed with the department of finance. In
17 addition to any other information required by such department, the
18 application shall include cost estimates or bids for the proposed
19 construction and an affidavit of a professional engineer or architect of
20 the applicant's choice, certifying that detailed plans for the
21 construction work have been submitted to the department of buildings.
22 Such application shall also state that the applicant agrees to comply
23 with and be subject to the rules issued from time to time by the depart-
24 ment of finance to secure compliance with all applicable city, state and
25 federal laws or which implement mayoral directives and executive orders
26 designed to ensure equal employment opportunity. Such application shall
27 also certify that all taxes currently due and owing on the property
28 which is the subject of the application have been paid or are currently
29 being paid in timely installments pursuant to written agreement with the
30 department of finance.

31 b. The burden of proof shall be on the applicant to show by clear and
32 convincing evidence that the requirements for granting an exemption from
33 or abatement or deferral of payment of taxes pursuant to this part have
34 been satisfied. The department of finance shall have the authority to
35 require that statements in connection with the application be made under
36 oath.

37 c. Upon receipt of an application, the department of finance shall
38 send written notice thereof to the council member representing the
39 district where the proposed construction work is to take place.

40 d. The department of finance shall issue a certificate of eligibility
41 upon determining that the applicant satisfies the requirements for
42 industrial, commercial or renovation construction work in an area where
43 benefits are available for such work. Such certificate shall state
44 whether such benefits are to be granted for industrial, commercial or
45 renovation construction work, and in which class of area the property is
46 located. The effective date of such certificate, except as provided in
47 paragraph two or paragraph four of subdivision c of section 11-259 of
48 this part, shall be the earlier of (1) the date on which a building
49 permit for the construction work is issued by the department of build-
50 ings, or (2) the last day before the effective date of any designation
51 of boundaries by the commission which changes the class of area in which
52 the property is located so as to reduce the level of benefits for
53 commercial construction work on such property. Where the effective date
54 of the certificate of eligibility is July first, nineteen hundred nine-
55 ty-two or after, the benefits granted for industrial, commercial or
56 renovation construction work pursuant to this part shall be in accord-

1 ance with the provisions of this part. Where the effective date of the
2 certificate of eligibility is June thirtieth, nineteen hundred ninety-
3 two or before, the benefits granted for industrial or commercial
4 construction work pursuant to this part shall be in accordance with the
5 provisions of this part as it was in effect until June thirtieth, nine-
6 teen hundred ninety-two. No recipient whose property is the subject of
7 a certificate of eligibility for commercial construction work in a
8 deferral area shall be eligible to apply for a certificate of eligibil-
9 ity for renovation construction work on the same property, where the
10 renovation construction work is the same as, or similar to, the commer-
11 cial construction work for which the deferral area certificate was
12 issued, until three years after the effective date of the deferral area
13 certificate. No recipient shall receive a tax deferral and a tax
14 exemption for the same expenditure on eligible construction work.

15 e. A copy of the certificate of eligibility shall be filed by the
16 department of finance in the manner prescribed for recording a mortgage
17 pursuant to section two hundred ninety-one-d of the real property law.

18 f. The department of finance may provide by rule for reasonable admin-
19 istrative charges or fees necessary to defray expenses in administering
20 the benefit program provided by this part.

21 § 11-261 Reporting requirement; termination of benefits. a. Upon
22 approval by the department of buildings of the plans submitted in
23 connection with the building permit and any amendments to such plans,
24 the recipient shall file with the department of finance a narrative
25 description of such approved plans describing the industrial, commercial
26 or renovation construction work for which such recipient seeks benefits
27 pursuant to this part.

28 b. For the duration of the benefit period the recipient shall file
29 annually with the department of finance, on or before the taxable status
30 date, a certificate of continuing use stating the purposes for which the
31 property described in the certificate of eligibility is being used and
32 the net square footage allotted to each such purpose. Such certificate
33 of continuing use shall be on a form prescribed by the department of
34 finance and shall state the total number of workers employed on the
35 property and the number of such workers who are city residents. The
36 department of finance shall have authority to terminate benefits pursu-
37 ant to this part upon failure of a recipient to file such certificate by
38 the taxable status date. The burden of proof shall be on the recipient
39 to establish continuing eligibility for benefits and the department of
40 finance shall have the authority to require that statements made in such
41 certificate shall be made under oath.

42 c. A recipient shall file an amendment to the latest certificate of
43 continuing use prior to (1) converting square footage within property
44 which is the subject of a certificate of eligibility for industrial
45 construction work from use for the manufacturing activities described in
46 such certificate of continuing use where such conversion results in less
47 than sixty-five per centum of total net square footage being used or
48 held out for use for manufacturing activities; or (2) converting any
49 portion of property which is the subject of a certificate of eligibility
50 to use for any restricted activity or as residential property.

51 d. No later than eighteen months after the effective date of a certifi-
52 cate of eligibility with an effective date of June thirtieth, nineteen
53 hundred ninety-two or before, the recipient shall present evidence to
54 the department of finance demonstrating that the recipient has made
55 one-half of the minimum required expenditure. Not later than thirty-six
56 months after the effective date of such certificate, such recipient

1 shall present evidence to such department demonstrating that the recipi-
2 ent has made the minimum required expenditure. Not later than thirty
3 months after the effective date of a certificate of eligibility with an
4 effective date of July first, nineteen hundred ninety-two or after, the
5 recipient shall present evidence to the department of finance demon-
6 strating that the recipient has made one-half of the minimum required
7 expenditure. Such evidence shall be presented in the form and manner
8 prescribed by such department. The burden of proof shall be on the
9 recipient to show by clear and convincing evidence that the required
10 expenditures have been made. This subdivision shall not apply to the
11 recipient of a certificate of eligibility for construction of a new
12 building or structure that meets the requirements set forth in subdivi-
13 sion i of section 11-259 of this part in a new construction exemption
14 area.

15 e. A recipient of a certificate of eligibility for construction of a
16 new building or structure in a new construction exemption area shall
17 present evidence to the department of finance demonstrating that the
18 requirements of subdivision i of section 11-259 of this part have been
19 met. Such evidence shall be presented in the form and manner and at the
20 time prescribed by such department. The burden of proof shall be on the
21 recipient to show by clear and convincing evidence that such require-
22 ments have been met.

23 § 11-262 Conversion of property. a. Any recipient whose property is
24 the subject of a certificate of eligibility for commercial or renovation
25 construction work, and who, prior to the expiration of the benefit peri-
26 od, uses such property as industrial property, shall continue to receive
27 benefits for commercial or renovation construction work as the case may
28 be.

29 b. Any recipient whose property is the subject of a certificate of
30 eligibility for industrial construction work, and who, prior to the
31 expiration of the benefit period, uses such property as commercial prop-
32 erty, shall cease to be eligible for further exemption or abatement for
33 industrial construction work as of the last date to which such recipient
34 proves by clear and convincing evidence that such property was used as
35 industrial property, and shall pay with interest any taxes for which an
36 exemption or abatement was claimed after such date, except that:

37 (1) a recipient of a certificate of eligibility for industrial
38 construction work in a special exemption area who would have been eligi-
39 ble to receive a certificate of eligibility for commercial construction
40 work at the time such recipient applied for benefits shall continue to
41 receive an exemption for industrial construction; and

42 (2) a recipient of a certificate of eligibility for industrial
43 construction work in a regular exemption area who would have been eligi-
44 ble to receive a certificate of eligibility for commercial construction
45 work at the time such recipient applied for benefits shall, commencing
46 with the date of conversion to commercial property and continuing until
47 the expiration of the benefit period for commercial construction work,
48 receive any exemption which such recipient would have received in the
49 corresponding tax year pursuant to a certificate of eligibility for
50 commercial construction work; and

51 (3) a recipient of a certificate of eligibility for industrial
52 construction work in any area of the city on whose property at least
53 sixty-five per centum of the net square footage continues to be used or
54 held out for use for manufacturing activities after conversion to
55 commercial property, shall not be required to pay the pro rata share of

1 tax for which an exemption was claimed during the tax year in which such
2 conversion occurred.

3 c. Except as provided in subdivision d of this section, any recipient
4 whose property is the subject of a certificate of eligibility for
5 commercial, industrial or renovation construction work, and who uses
6 such property as residential property or for any restricted activity
7 prior to the expiration of the benefit period, shall cease to be eligi-
8 ble for further exemption, abatement or deferral as of the date such
9 property was first used as residential property or for any restricted
10 activity. In the case of property in an area that was designated as an
11 exemption area at the time the certificate of eligibility was issued,
12 such recipient shall pay with interest any taxes for which an exemption
13 was claimed after such date, including the pro rata share of tax for
14 which any exemption was claimed during the tax year in which such use
15 occurred. In the case of industrial property, such recipient shall pay
16 with interest any taxes for which an exemption or abatement was claimed
17 after such date, including the pro rata share of tax for which any
18 exemption or abatement was claimed during the tax year in which such use
19 occurred. In the case of property in an area that was designated as a
20 deferral area at the time the certificate of eligibility was issued, all
21 deferred tax payments on the property shall become due and payable im-
22 mediately.

23 d. Notwithstanding subdivision c of this section, any recipient whose
24 property is the subject of a certificate of eligibility for commercial
25 or renovation construction work with an effective date of July first,
26 nineteen hundred ninety-two or after, and who, prior to the expiration
27 of the benefit period, uses a portion of such property as residential
28 property, shall cease to be eligible for further exemption for commer-
29 cial or renovation construction work for that portion of such property
30 used as residential property as of the date such portion of the property
31 was first used as residential property. Such recipient shall pay, with
32 interest, any taxes for which an exemption was claimed after such date
33 attributable to that portion of the property used as residential proper-
34 ty, including the pro rata share of tax for which such exemption was
35 claimed during the tax year in which such use occurred. Such recipient
36 shall continue to receive an exemption for commercial or renovation
37 construction work for that portion of the property which continues to be
38 used as commercial property.

39 § 11-263 Administration of the benefit program. The department of
40 finance shall have, in addition to any other functions, powers and
41 duties which have been or may be conferred on it by law, the following
42 functions, powers and duties:

43 (1) To publicize the availability of benefits pursuant to this part
44 for industrial, commercial and renovation construction work.

45 (2) To receive and review applications for certificates of eligibil-
46 ity, issue such certificates where authorized pursuant to section 11-260
47 of this part, and record the issuance of such certificates as prescribed
48 in such section.

49 (3) To receive evidence of expenditures made for construction, and
50 where such expenditures do not equal the amount required to qualify for
51 exemption from or abatement or deferral of tax payments to take appro-
52 priate action, including but not limited to denying, reducing, suspend-
53 ing, terminating or revoking benefits pursuant to this part.

54 (4) To enter and inspect property to determine whether it is indus-
55 trial or commercial or mixed-use and to determine whether (a) any such
56 property is being used for any restricted use, or (b) any property which

1 is the subject of a certificate of eligibility for industrial
2 construction work is being used as commercial property, or (c) any
3 industrial or commercial property is being used as residential or mixed-
4 use property, or (d) all or part of the nonresidential portion of mixed-
5 use property is being used as residential property.

6 (5) To collect all real property taxes for which payment is deferred
7 pursuant to this part.

8 (6) To collect all real property taxes, with interest, due and owing
9 as a result of reduction, suspension, termination or revocation of any
10 exemption from or abatement or deferral of taxes granted pursuant to
11 this part.

12 (7) To make and promulgate regulations to carry out the purposes of
13 this part including, but not limited to, regulations requiring appli-
14 cants to publish notice of their applications, defining manufacturing
15 and commercial activities and specifying the nature of work for which
16 expenses may be included in the minimum required expenditure, provided,
17 however, that any regulation increasing the minimum required expenditure
18 shall not apply to any person who is a recipient on the effective date
19 of such regulation. Such regulations shall include a requirement that
20 with respect to the construction work recipients and their contractors
21 shall be equal opportunity employers and shall also provide that persons
22 employed in the construction work shall implement a training program for
23 economically disadvantaged persons enrolled or eligible to be enrolled
24 in training programs approved by the department of labor, with partic-
25 ular reference to city residents.

26 § 11-264 Tax lien; interest rate. a. All taxes plus interest required
27 to be paid retroactively pursuant to this part shall constitute a tax
28 lien as of the date it is determined such taxes and interest are owed.
29 All interest shall be calculated from the date the taxes would have been
30 due but for the exemption, abatement or deferral claimed pursuant to
31 this part at three per centum above the applicable rate of interest
32 imposed by the city generally for non-payment of real property tax on
33 such date.

34 b. All taxes for which payment is deferred pursuant to section 11-257
35 of this part shall constitute a tax lien as of the date they are due and
36 payable in accordance with the provisions of that section.

37 § 11-265 Penalties for non-compliance, false statements and omissions.

38 a. The department of finance may deny, reduce, suspend, revoke or termi-
39 nate any exemption from or abatement or deferral of tax payments pursu-
40 ant to this part whenever:

41 (1) a recipient fails to comply with the requirements of this part or
42 the rules and regulations promulgated by the department of finance
43 pursuant thereto; or

44 (2) an application, certificate, report or other document delivered by
45 an applicant or recipient hereunder contains a false or misleading
46 statement as to a material fact or omits to state any material fact
47 necessary in order to make the statements therein not false or mislead-
48 ing, and may declare any applicant or recipient who makes such false or
49 misleading statement or omission to be ineligible for future exemption,
50 abatement or deferral pursuant to this part for the same or other prop-
51 erty.

52 b. Notwithstanding any other law to the contrary, a recipient shall be
53 personally liable for any taxes owed pursuant to this part whenever such
54 recipient fails to comply with such law and rules or makes such false or
55 misleading statement or omission, and the department of finance deter-
56 mines that such act was due to the recipient's willful neglect, or that

1 under the circumstances such act constituted a fraud on the department
2 of finance or a buyer or prospective buyer of the property. The remedy
3 provided herein for an action in personam shall be in addition to any
4 other remedy or procedure for the enforcement of collection of delin-
5 quent taxes provided by any general, special or local law. Any lease
6 provision which obligates a tenant to pay taxes which become due because
7 of willful neglect or fraud by the recipient, or otherwise relieve or
8 indemnify the recipient from any personal liability arising hereunder,
9 shall be void as against public policy except where the imposition of
10 such taxes or liability is occasioned by actions of the tenant in
11 violation of the lease.

12 § 11-266 Code violations; suspension of benefits. a. If a court, or
13 the environmental control board of the preceding municipality with
14 respect to matters within its jurisdiction, finds that at the property
15 which is the subject of a certificate of eligibility there has been a
16 violation of any of the provisions of the building, fire and air
17 pollution control codes of the preceding municipality set forth in
18 subdivision b of this section, all benefits pursuant to such certificate
19 shall be suspended unless within one hundred eighty days after the
20 department of finance has sent notice of such finding to the recipient,
21 and all other persons having a financial interest in the property who
22 have filed a timely request for such notice in such form as may be
23 prescribed by the department of finance, the recipient submits to the
24 department of finance, certification from the department of buildings,
25 the fire department or the department of environmental protection
26 respectively that the underlying code violation has been cured. If the
27 recipient fails to submit the required certification within the one
28 hundred eighty day period, the period of suspension shall be effective
29 retroactively to the time of the finding by the court or the environ-
30 mental control board. The suspension of benefits shall continue until
31 the recipient submits to the department of finance the required certifi-
32 cation that the violation has been cured.

33 If the original finding of violation or the denial of certification is
34 appealed and a court or appropriate governmental agency finally deter-
35 mines that the finding of violation or denial of certification was
36 invalid, any benefits lost pursuant to this section to which the recipi-
37 ent was entitled shall be restored retroactively.

38 As applied to a recipient who is eligible for deferral of tax payments
39 pursuant to subdivision d of section 11-257 of this part, suspension of
40 benefits shall be deferred by operation of such section and interest at
41 the rate charged by the department of finance for overdue taxes shall be
42 charged on the amount of any tax payments already deferred by operation
43 of such section. The interest charged shall accrue from the beginning of
44 the period of suspension.

45 b. The provisions of subdivision a of this section shall apply to
46 violations of the following provision of the code of the preceding muni-
47 cipality:

- 48 (1) section 27-4260 of the preceding municipality;
- 49 (2) section 27-4265 of the preceding municipality;
- 50 (3) section 27-4267 of the preceding municipality;
- 51 (4) section 27-954 of the preceding municipality;
- 52 (5) section 27-339 of the preceding municipality;
- 53 (6) subdivision (c) of section 27-353 of the preceding municipality;
- 54 (7) paragraph twelve of subdivision (f) of section 27-972 of the
55 preceding municipality;

1 (8) paragraph ten of subdivision (g) of section 27-972 of the
2 preceding municipality;

3 (9) subdivision (c) of section 27-975 of the preceding municipality;

4 (10) subdivision (c) of section 27-989 of the preceding munici-
5 pality;

6 (11) the following provisions to the extent applicable to cabarets
7 as defined in article two of subchapter two of the building code of
8 the preceding municipality:

9 (a) section 27-542 of the preceding municipality;

10 (b) subparagraph d of paragraph two of subdivision (b) of section
11 27-547 of the preceding municipality;

12 (c) paragraph three of subdivision (a) of section 27-549 of the
13 preceding municipality;

14 (d) subdivision (b) of section 27-549 of the preceding municipality;

15 (12) section 27-127 of the preceding municipality when the violation
16 concerns an unsafe condition on a facade of a building which exceeds
17 six stories in height;

18 (13) section five hundred one of reference standard 13-1 of the
19 preceding municipality;

20 (14) section one thousand three of reference standard 13-1 of the
21 preceding municipality;

22 (15) paragraph six of subdivision (b) of section 24-178 of the
23 preceding municipality; and

24 (16) section 24-185 of the preceding municipality.

25 § 11-267 Annual report. The department of finance shall submit an
26 annual report to the council, on April first of each year, concerning
27 the status of the program established pursuant to this part and its
28 effects in the city, including information on certificates of eligibil-
29 ity issued and jobs created in each area where benefits are available.

30 CHAPTER 3

31 TAX LIENS AND TAX SALES

32 § 11-301 When taxes, assessments, sewer rents, sewer surcharges and
33 water rents to be liens on land assessed. All taxes and all assessments
34 and all sewer rents, sewer surcharges and water rents, and the interest
35 and charges thereon, which may be laid or may have heretofore been laid,
36 upon any real estate now in the city, shall continue to be, until paid,
37 a lien thereon, and shall be preferred in payment to all other charges.
38 The words "water rents" whenever they are used in this chapter shall
39 include uniform annual charges and extra and miscellaneous charges for
40 the supply of water, charges in accordance with meter rates, minimum
41 charges for the supply of water by meter, annual service charges and
42 charges for meters and their connections and for their setting, repair
43 and maintenance, penalties and fines and all lawful charges for the
44 supply of water imposed pursuant to the New York city municipal water
45 finance authority act, which is set forth in title two-A of article five
46 of the public authorities law. Charges for expense of meters, their
47 connections, setting, repair or maintenance shall not be due or become a
48 charge or lien on the premises where a water meter shall be installed or
49 against which a charge shall be made, until such charge shall have been
50 definitely fixed by the commissioner of environmental protection, and an
51 entry of the amount thereof shall have been made with the date of such
52 entry in the book in which the charges for water supplied by meter
53 against such premises are to be entered. A charge in accordance with
54 meter rates or minimum charges for the supply of water measured by
55 meter, and a service charge shall not be due or become a lien or charge
56 upon the premises where such meter is installed until an entry shall

1 have been made indicating that such premises are metered, with the date
2 of such entry in the book in which the charges for water by meter meas-
3 urement against such premises are to be entered. The words "sewer rents"
4 when used in this chapter shall mean any rents or charges imposed pursu-
5 ant to section 24-514 of the code of the preceding municipality or
6 pursuant to the New York city municipal water finance authority act,
7 which is set forth in title two-A of article five of the public authori-
8 ties law. The words "sewer surcharges" when used in this chapter shall
9 mean the charges imposed pursuant to section 24-523 of the code of the
10 preceding municipality or pursuant to the New York city municipal water
11 finance authority act, which is set forth in title two-A of article five
12 of the public authorities law. Whenever an increase in the amount of
13 uniform annual charges or extra or miscellaneous charges shall have been
14 made or a charge shall have been made for water services for any build-
15 ing completed subsequent to the first day of January in each year, the
16 amount of such increase of the charge or new charge for such new build-
17 ing shall not be due or become a lien or charge against the premises
18 until the amounts thereof shall have been entered with the date of such
19 entries, respectively, in the books in which the uniform annual charges
20 and extra or miscellaneous charges against such premises are to be
21 entered. The words "tax lien" when used in this chapter shall mean the
22 lien arising pursuant to the provisions of this chapter or pursuant to
23 the New York city municipal water finance authority act, which is set
24 forth in title two-A of article five of the public authorities law, as a
25 result of the nonpayment of taxes, assessments, sewer rents, sewer
26 surcharges, water rents, any other charges that are made a lien subject
27 to the provisions of this chapter, the costs of any advertisements and
28 notices given pursuant to this chapter, any other charges that are due
29 and payable, a surcharge pursuant to section 11-332 of this chapter if
30 the tax lien is sold, interest and penalties thereon and the right of
31 the city to receive such amounts. The words "tax lien certificate" when
32 used in this chapter shall mean the instrument evidencing a tax lien and
33 executed by the commissioner of finance or his or her designee at such
34 time as such lien is transferred to a purchaser upon sale of such lien
35 by the city.

36 § 11-302 Interest rates not to be reduced. The commissioner of
37 finance shall not reduce the rate of interest upon any taxes or assess-
38 ment below the amount fixed by law.

39 § 11-302.1 Error in record of payment of tax or assessment. (a) If the
40 records of the department of finance show a charge as paid due to a
41 misapplied payment or other error, and the department later corrects the
42 records, interest shall not be imposed until after the department (i)
43 corrects the error and (ii) sends a statement of account or other simi-
44 lar bill or notice stating the amount due and when the charge must be
45 paid to avoid the accrual of interest.

46 (b) The provisions of this section shall not apply to an installment
47 of tax or an assessment for which payment, made electronically, by
48 check, or by other means, was dishonored.

49 (c) The provisions of this section shall not apply where the error in
50 the records of the department was made as a result of fraud or other
51 criminal conduct by the taxpayer or any person acting on his or her
52 behalf or at his or her request.

53 § 11-303 Arrears to be provided for in assessment rolls. There shall
54 be ruled in the yearly assessment rolls of the taxes in each section or
55 ward, a column headed "arrears," in which the commissioner of finance
56 shall annually before any taxes for the year are collected, cause to be

1 entered the word "arrears" opposite to the ward, lot, town, block and
2 map numbers on which any arrears of taxes, sewer rents, sewer surcharges
3 or water rents shall be due, or on which any assessment shall remain
4 unpaid which was due or confirmed one month prior to the first of July,
5 then last past.

6 § 11-304 Bills for taxes to show arrears. There shall be ruled a
7 column for "arrears" in every bill rendered for taxes for lots on which
8 such arrears or assessments, sewer rents, sewer surcharges or water
9 rents, and interest and penalties thereon, may be due as aforesaid, or
10 may have been sold and yet be redeemable, in which shall be written in a
11 conspicuous place, "arrears". The columns for arrears indicate lots
12 sold for arrears, or to be sold therefor; arrears to be paid and lots
13 redeemed at the office of the city collector.

14 § 11-305 Commissioner of finance to publish notice of confirmation of
15 assessments. It shall be the duty of the commissioner of finance to
16 give public notice, by advertisement, for at least ten days, in the City
17 Record and as soon as practicable and within ten days after the confir-
18 mation of any assessment, that the same has been confirmed, specifying
19 the title of such assessment, and the date of its confirmation, and also
20 the date of entry in the record of titles of assessments kept in the
21 department of finance, addressed as a class to all persons, owners of
22 property affected by any such assessment, that unless the amount
23 assessed for benefit on any person or property shall be paid within
24 ninety days after the date of the entry of any such assessment, interest
25 shall be thereafter collected thereon as provided in section 11-306 of
26 this chapter.

27 § 11-306 Interest to be charged if assessments unpaid for ninety days;
28 payment in installments. If any assessment shall remain unpaid for the
29 period of ninety days after the date of the entry thereof on the record
30 of titles of assessments, it shall be the duty of the commissioner of
31 finance or his or her designee to charge, collect and receive interest
32 thereon, at the rate of seven percent per annum, to be calculated to the
33 date of payment from the date when such assessment became a lien as
34 provided by section three hundred fourteen of the New York city charter
35 in force at the time of the adoption of the New York city charter by
36 referendum in the year nineteen hundred sixty-one, provided, however,
37 that the city collector shall accept and credit as payments on account
38 of assessments now or hereafter levied against any parcel or plot of
39 property, such sums of money not less than twenty-five dollars or multi-
40 ples thereof in amount as may be tendered for payment on account of any
41 assessment now or hereafter levied against any property. Upon requis-
42 ition by the commissioner of finance for the assessed valuation of the
43 property affected by any assessment, the president of the tax commis-
44 sion, or any tax commissioner duly assigned by him or her, shall forth-
45 with certify the same to the commissioner of finance.

46 § 11-307 Payments in installments of assessments heretofore or here-
47 after confirmed. Upon the application in writing of the owner of a
48 parcel of real property affected by an unpaid assessment heretofore or
49 hereafter confirmed the amount of which is one hundred dollars or more,
50 the commissioner of finance shall divide the assessment upon such parcel
51 into fifteen parts or, if the application so requests, into five parts,
52 as nearly equal as may be, or if the amount of such assessment is fifty
53 dollars or more but less than one hundred dollars the commissioner of
54 finance shall divide the assessment upon such parcel into five parts as
55 nearly equal as may be. One part thereof in any event shall be due and
56 payable, and in each case as many more of such parts shall be due and

1 payable as years may have elapsed since the entry of such original
2 assessment for collection. Such parts thereof with interest at the rate
3 of seven percent per annum on the amount of the assessment unpaid shall
4 be paid at the time of application as a condition of the extension of
5 time of payment of the remainder as provided in this section. Upon
6 payment of such parts and interests, the balance of such assessments
7 shall cease to be a lien upon such real property except as hereinafter
8 provided; and the remaining parts shall be paid in annual installments
9 as herein provided. Of such installments the first, with interest at
10 the rate of four percent thereon, and on the installments thereafter to
11 become due, from the date of payment of the parts of such assessment
12 paid as hereinbefore provided, shall become due and payable and be a
13 lien on the real property assessed, on the next ensuing anniversary of
14 the date of entry of the assessment in the record of titles of assess-
15 ments confirmed; and one, with interest at the rate of four percent per
16 annum thereon and on the installments thereafter to become due shall
17 become due and payable and be a lien upon the real property assessed,
18 annually thereafter. After the time herein specified for annual
19 installments and interest to become due, the amount of the lien thereon
20 shall bear interest at the rate of seven percent per annum. Any
21 installment assessment shall not be further divided into installments.
22 The first installment of an assessment divided within the ninety-day
23 period provided by section 11-306 of this chapter during which assess-
24 ment may be paid without interest shall not be subject to interest, but
25 the second installment with interest at the rate of four percent per
26 annum from the original date of entry shall become due and payable and
27 be a lien upon the real property on the anniversary date of entry of the
28 assessment and the remaining installments with interest shall become due
29 and payable and be a lien on the real property as hereinbefore provided.
30 The installments not due with interest at the rate of four percent per
31 annum to the date of payment may be paid at any time. The provisions of
32 this chapter with reference to the sale of tax liens shall apply to the
33 several unpaid installments and the interest thereon in the same manner
34 as if each installment and the interest thereon had been imposed as an
35 assessment payable in one payment, at the time such installment became a
36 lien. In the event of the acquisition by condemnation by the city for
37 public purposes any property upon which there are installments not due,
38 such installments shall become due as of the date of the entry of the
39 final order of the supreme court or the confirmation of the report of
40 the commissioners in the condemnation proceedings, and shall be set off
41 against an award that may be made for the property acquired.

42 When an award for damage shall accrue to the same person who is or was
43 at the time the assessment was confirmed liable for the assessments for
44 benefit on the abutting property in the same proceedings, only the
45 portion of the assessment in excess of such award may be considered in
46 levying in installments under the provisions of this section. Except as
47 provided in this section, no such annual installment shall be a lien or
48 deemed to be an encumbrance upon the title to the real property assessed
49 until it becomes due as herein provided.

50 § 11-308 Apportionment of assessment. If a sum of money in gross has
51 been or shall be assessed upon any lands or premises in the city, any
52 person or persons claiming any divided or undivided part thereof may pay
53 such part of the sums of money so assessed, also of the interest and
54 charges due or charged thereon, as the commissioner of finance may deem
55 to be just and equitable. The remainder of the sum of money so
56 assessed, together with the interest and charges, shall be a lien upon

1 the residue of the land and premises only, and the tax lien upon such
2 residue may be sold in pursuance of the provisions of this chapter, to
3 satisfy the residue of such assessment, interest, or charges thereon, in
4 the same manner as though the residue of such assessment had been
5 imposed upon such residue of such land or premises.

6 § 11-309 Notifying taxpayers of assessments. a. The owner of any lot,
7 piece or parcel of land in the city of Staten Island or any person
8 interested in such lot, piece or parcel, may file with the department of
9 finance, a statement containing a brief description of such land,
10 together with the section, block and lot number thereof, or such other
11 identifying information as at the time is established by the department
12 of finance, and a statement of the applicant's interest therein, togeth-
13 er with a written request that such lot, piece or parcel of land be
14 registered in the name of the applicant. In such statement the applicant
15 shall designate a post office address to which notifications addressed
16 to such applicant shall be sent. A brief description of such lot, piece
17 or parcel of land corresponding to the description thereof in the state-
18 ment so filed, together with the name of the applicant and his or her
19 post office address and the date of such application, shall thereupon be
20 registered in the department of finance.

21 b. As soon as any assessment for a local improvement shall have been
22 confirmed, including assessments confirmed by a court of record, and the
23 list thereof shall have been entered and filed in the department of
24 finance, such assessment list shall be examined and thereupon, within
25 twenty days after such entry there shall be mailed a notice addressed to
26 each person in whose name any lot, piece or parcel of land, affected by
27 such assessment, is registered, at the post office address registered in
28 the records of the department of finance, which notice shall contain the
29 brief description of the lot, piece or parcel of land registered in the
30 name of the person to whom such notice is addressed, together with the
31 amount assessed thereon, date of entry, and title of the improvement for
32 which such assessment is made, and a statement of the rate of interest
33 or penalty imposed for the nonpayment of such assessment, and the date
34 from which the interest or penalty will be computed. Failure to comply
35 with the provisions herein however, shall in no manner affect the valid-
36 ity or collectability of any assessment heretofore or hereafter
37 confirmed, nor shall any claim arise or exist against the comptroller,
38 the commissioner of finance, or any officer of the city by reason of
39 such failure.

40 c. The commissioner of finance or his or her designee shall for the
41 purpose of this section provide appropriate records for each section of
42 the city, included within the respective boroughs, as the same shall
43 appear upon the tax maps of the city.

44 § 11-310 Water charges and sewer rents to be transmitted to commis-
45 sioner of finance. The commissioner of environmental protection shall
46 cause to be transmitted to the commissioner of finance an account of all
47 water rents, charges, fines and penalties and all sewer rents, charges,
48 fines and penalties as the same become due or accrue.

49 § 11-311 Sewer surcharges to be transmitted to commissioner of
50 finance. The commissioner of environmental protection shall cause to be
51 transmitted to the commissioner of finance an account of all sewer
52 surcharges, fines and penalties as the same become due or accrue.

53 § 11-312 Water rents; when payable; penalty for nonpayment. a. One-
54 half (i) the uniform annual water charges and extra and miscellaneous
55 charges for water not metered and (ii) annual service charges shall
56 become due and payable, in advance if entered on January first, nineteen

1 hundred seventy-four for the period commencing January first, nineteen
2 hundred seventy-four and ending June thirtieth, nineteen hundred seven-
3 ty-four. Commencing on June thirtieth, nineteen hundred seventy-four,
4 uniform annual water charges and extra and miscellaneous charges for
5 water not metered and annual service charges shall be due and payable in
6 advance on the thirtieth day of June in each year, if entered. If any of
7 such rents and charges which become due and payable on or before June
8 thirtieth, nineteen hundred seventy-six shall not have been paid to the
9 commissioner of finance or his or her designee on or before the last day
10 of the month following the month of entry, it shall be the duty of the
11 commissioner of finance or his or her designee to charge, collect and
12 receive interest thereon to be calculated at the rate of seven percent
13 per annum from the date when such rents and charges became due and paya-
14 ble to December thirty-first, nineteen hundred seventy-six, and at the
15 rate of fifteen percent per annum from January first, nineteen hundred
16 seventy-seven to the date of payment. If any of such rents and charges
17 which shall become due and payable on or after June thirtieth, nineteen
18 hundred seventy-seven are not paid to the commissioner of finance or his
19 or her designee on or before the last day of the month following the
20 month of entry, it shall be the duty of the commissioner of finance or
21 his or her designee to charge, collect and receive interest thereon to
22 be calculated at the rate of fifteen percent per annum from the date
23 when such rents and charges became due and payable to the date of
24 payment. If not so entered and payable, but entered at any time subse-
25 quent thereto, they shall be due and payable when entered and notice
26 thereof shall be mailed within five days of such entry to the premises
27 against which they are imposed addressed to either the owner or the
28 occupant and, if entered on or before December thirty-first, nineteen
29 hundred seventy-six but not paid on or before the last day of the month
30 following the month of entry, it shall be the duty of the commissioner
31 of finance or his or her designee to charge, collect and receive inter-
32 est thereon to be calculated at the rate of seven percent per annum from
33 the date of entry to December thirty-first, nineteen hundred seventy-
34 six, and at the rate of fifteen percent per annum from January first,
35 nineteen hundred seventy-seven to the date of payment; if entered on or
36 after January first, nineteen hundred seventy-seven but not paid on or
37 before the last day of the month following the month of entry, it shall
38 be the duty of the commissioner of finance or his or her designee to
39 charge, collect and receive interest thereon to be calculated at the
40 rate of fifteen percent per annum from the date of entry to the date of
41 payment.

42 b. All charges for meters and their connections and for their setting,
43 repair and maintenance, and all charges in accordance with meter rates
44 for supply of water measured by meter, including minimum charges for the
45 supply of water measured by meter, shall be due and payable when
46 entered, and notice thereof shall be mailed within five days of such
47 entry stating the amount due and the nature of the rent or charge to the
48 last known address of the person whose name appears on the record of
49 such rents and charges as being the owner, occupant or agent or, where
50 no name appears, to the premises addressed to either the owner or the
51 occupant, and if entered on or before December thirty-first, nineteen
52 hundred seventy-six but not paid on or before the last day of the month
53 following the month of entry, it shall be the duty of the commissioner
54 of finance or his or her designee to charge, collect and receive inter-
55 est thereon to be calculated at the rate of seven percent per annum from
56 the date of entry to December thirty-first, nineteen hundred seventy-

1 six, and at the rate of fifteen percent per annum from January first,
2 nineteen hundred seventy-seven to the date of payment; if entered on or
3 after January first, nineteen hundred seventy-seven but not paid on or
4 before the thirtieth day following the date of entry, it shall be the
5 duty of the commissioner of finance or his or her designee to charge,
6 collect and receive interest thereon to be calculated at the rate of
7 fifteen percent per annum from the date of entry to the date of payment.

8 § 11-313 Sewer rents; when payable; penalty for nonpayment. a. As used
9 in this section:

10 1. The term "metered premises" shall mean premises, or any part there-
11 of, (a) to which water is supplied by the municipal water supply system
12 or by a private water company, and (b) at which the quantity of water
13 supplied is measured by a water meter.

14 2. The term "unmetered premises" shall mean premises, or any part
15 thereof, (a) to which water is supplied by the municipal water supply
16 system or by a private water company, and (b) at which the quantity of
17 water supplied is not measured by a water meter.

18 b. The sewer rents charged against metered premises in accordance with
19 the provisions of paragraphs two and three of subdivision b of section
20 24-514 of the code of the preceding municipality and the rules duly
21 promulgated pursuant to such section, including the minimum rents for
22 the use of the sewer system, charged pursuant to such section and rules,
23 and the sewer rents charged against any premises in accordance with the
24 provisions of paragraphs four and five of subdivision b of section
25 24-514 of the code of the preceding municipality and rules duly promul-
26 gated pursuant to such section, including the minimum rents for the use
27 of the sewer system, charged pursuant to such section and rules shall
28 become due and shall become a charge or lien on the premises when the
29 amount thereof shall have been fixed by the commissioner of environ-
30 mental protection, and an entry thereof shall have been made against
31 such premises with the date of such entry, in the book in which sewer
32 rents are to be entered. The sewer surcharges charged against any prem-
33 ises pursuant to section 24-523 of the code of the preceding municipi-
34 pality shall become due and shall become a charge or lien on the prem-
35 ises when the amount thereof shall have been fixed by the commissioner
36 of environmental protection and an entry thereof shall have been made
37 against such premises in the book in which sewer surcharges are to be
38 entered. A notice thereof, stating the amount due and the nature of the
39 rent, surcharge or charge shall be mailed, within five days after such
40 entry, to the last known address of the person whose name appears upon
41 the records in the office of the department of finance as being the
42 owner, occupant or agent or, where no name appears, to the premises
43 addressed to either the owner or the occupant. If such rent, surcharge
44 or charge shall have been entered on or before December thirty-first,
45 nineteen hundred seventy-six but not paid on or before the last day of
46 the month following the month of entry, it shall be the duty of the
47 commissioner of finance or his or her designee to charge, collect and
48 receive interest thereon to be calculated at the rate of seven percent
49 per annum from the date of entry to December thirty-first, nineteen
50 hundred seventy-six, and at the rate of fifteen percent per annum from
51 January first, nineteen hundred seventy-seven to the date of payment; if
52 entered on or after January first, nineteen hundred seventy-seven but
53 not paid on or before the thirtieth day following the date of entry, it
54 shall be the duty of the commissioner of finance or his or her designee
55 to charge, collect and receive interest thereon to be calculated at the
56 rate of fifteen percent per annum from the date of entry to the date of

1 payment. The rents or charges for the use of the sewer system charged
2 during any specified period of time pursuant to the provisions of
3 section 24-514 of the code of the preceding municipality and the rules
4 promulgated thereunder shall be computed, in accordance with the
5 provisions of such section and the rules duly promulgated thereunder, on
6 the basis of water rents or charges computed for the same period.

7 c. Sewer rents charged against unmetered premises in accordance with
8 the provisions of paragraphs two and three of subdivision b of section
9 24-514 of the code of the preceding municipality and the rules duly
10 promulgated pursuant to such section, for the use of the sewer system
11 during the one-year period commencing on the first day of July of each
12 year, shall be due and payable and shall become a charge or lien on the
13 premises on the first day of January following such first day of July,
14 if entered, except that commencing on June thirtieth, nineteen hundred
15 seventy-four such sewer rents shall be due and payable in advance on the
16 thirtieth day of June in each year, if entered, and shall become a
17 charge or lien on the premises on such date. If any of such rents or
18 charges which became due and payable on or before June thirtieth, nine-
19 teen hundred seventy-six shall not have been paid to the commissioner of
20 finance or his or her designee within thirty days after such first day
21 of January, or, commencing on the thirtieth day of June, nineteen
22 hundred seventy-four, on or before the last day of the month following
23 the month of entry, it shall be the duty of the commissioner of finance
24 or his or her designee to charge, collect and receive interest thereon
25 to be calculated at the rate of seven percent per annum from the date
26 when such charges became due and payable to December thirty-first, nine-
27 teen hundred seventy-six, and at the rate of fifteen percent per annum
28 from January first, nineteen hundred seventy-seven to the date of
29 payment. If any of such rents or charges which shall become due and
30 payable on or after June thirtieth, nineteen hundred seventy-seven are
31 not paid to the commissioner of finance or his or her designee on or
32 before the last day of the month following the month of entry, it shall
33 be the duty of the commissioner of finance or his or her designee to
34 charge, collect and receive interest thereon to be calculated at the
35 rate of fifteen percent per annum from the date when such rents or
36 charges became due and payable to the date of payment. If not so entered
37 and payable, but entered at any time subsequent thereto, they shall be
38 due and payable and shall become a charge or lien on the premises when
39 entered and notice thereof shall be mailed within five days after such
40 entry, to the last known address of the person whose name appears upon
41 the records in the department of finance as the owner or the occupant or
42 if no name appears, to the premises addressed to either the owner or
43 occupant. If any of such rents or charges which were entered on or
44 before December thirty-first, nineteen hundred seventy-six but not paid
45 on or before the last day of the month following the month of entry, it
46 shall be the duty of the commissioner of finance or his or her designee
47 to charge, collect and receive interest thereon to be calculated at the
48 rate of seven percent per annum from the date of entry to December thir-
49 ty-first, nineteen hundred seventy-six, and at the rate of fifteen
50 percent per annum from January first, nineteen hundred seventy-seven to
51 the date of payment; if entered on or after January first, nineteen
52 hundred seventy-seven but not paid on or before the last day of the
53 month following the month of entry, it shall be the duty of the commis-
54 sioner of finance or his or her designee to charge, collect and receive
55 interest thereon to be calculated at the rate of fifteen percent per
56 annum from the date of entry to the date of payment. The sewer rents

1 charged against unmetered premises for the use of the sewer system
2 during the one-year period commencing on the first day of July of each
3 year shall be computed in accordance with the provisions of section
4 24-514 of the code of the preceding municipality and the rules duly
5 promulgated thereunder, upon the basis of water rents or charges
6 computed for the same period.

7 d. Whenever an increase in the amount of the sewer rent charged
8 against unmetered premises shall have been made or a charge shall have
9 been made for sewer services for any building completed subsequent to
10 the first day of July in each year, the amount of such increase of the
11 charge or new charge for such new building shall not be due or become a
12 lien or charge against the premises until the amounts thereof shall have
13 been entered with the date of such entries, respectively, in the books
14 in which sewer rents charged against such premises are to be entered.

15 e. No later than the twenty-fifth day of May in each year, the banking
16 commission shall transmit a written recommendation to the council of a
17 proposed interest rate to be charged for nonpayment of sewer rents. In
18 making such recommendations the commission shall consider the prevailing
19 interest rates charged for commercial loans extended to prime borrowers
20 by commercial banks operating in the city and shall propose a rate of at
21 least six per centum per annum greater than such rates. The council may
22 by resolution adopt an interest rate to be charged for nonpayment of
23 sewer rents pursuant to section 11-224 of the code and, for nonpayment
24 of sewer rents that become due and payable on or after July first, two
25 thousand five, pursuant to section 11-224.1 of the code, and may specify
26 in such resolution the date on which such interest rate is to take
27 effect.

28 § 11-314 Notice of rules and regulations; penalty for nonpayment;
29 water supply cut off. The rates and charges for supply of water, the
30 annual service charges and minimum charges, the sewer rents, the sewer
31 surcharges, the rules and regulations concerning the use of water, all
32 other rules and regulations affecting users of water or concerning
33 charges for supply of water, restrictions of the use of water, installa-
34 tion of meters, and all rules and regulations affecting property
35 connected with the sewer system, penalties and fines for violations of
36 rules and regulations shall be printed on each bill and permit so far as
37 in the judgment of the commissioner of environmental protection they are
38 applicable. This section and such printing and the printing of this
39 section on such bills and permits shall be sufficient notice to owners,
40 tenants or occupants of premises to authorize the imposition and recov-
41 ery of any charges, surcharges and fines imposed under such rules and
42 regulations and of any penalties imposed in pursuance of this chapter in
43 addition to cutting off the supply of water. Where water charges payable
44 in advance or sewer rents or charges payable as provided in subdivision
45 c of section 11-313 of this chapter, are not paid within the period
46 covered by such charges or rents, and a notice of such nonpayment is
47 mailed by the commissioner of finance to the premises addressed to
48 "owner or occupant," the commissioner of environmental protection may
49 shut off the supply of water to such premises. Where water charges not
50 payable in advance or sewer rents, sewer surcharges or charges payable
51 as provided in subdivisions b and d of section 11-313 of this chapter
52 have been made by the department and remain unpaid for more than thirty
53 days or where the commissioner of environmental protection has certified
54 that there is a flagrant and continued violation of a provision or
55 provisions of section 24-523 of the code or of any rule or regulation
56 promulgated pursuant thereto or of any order of the commissioner of

1 environmental protection issued pursuant thereto, after notice thereof
2 mailed to the premises addressed to "owner or occupant," the commission-
3 er of environmental protection may shut off the supply of water to the
4 premises.

5 § 11-315 Enforcement of collection of sewer rents, sewer surcharges
6 and water rents. Sewer rents, sewer surcharges, charges, penalties and
7 fines, and interest thereon, and water rents, charges, penalties and
8 fines, and interest thereon, shall after they are payable to the commis-
9 sioner of finance or his or her designee be enforced in the manner
10 provided in this chapter and chapter four of this title. In addition to
11 collecting sewer rents, sewer surcharges, charges, penalties and fines
12 and interest thereon and water rents, charges, penalties and fines and
13 interest thereon in the manner provided in this chapter and chapter four
14 of this title, the city may maintain an action for their recovery
15 against the person for whose benefit or by whom the water is taken or
16 used or for whose benefit or by whom sewer service is used.

17 § 11-316 Bills of arrears of taxes, assessments, sewer rents, sewer
18 surcharges and water rents, any other charges that are made a lien
19 subject to the provisions of this chapter, and interest and penalties
20 thereon to be furnished when requested. The commissioner of finance or
21 his or her designee, upon the written request of the owner, the proposed
22 vendee under a contract of sale, a mortgagee, any person having a vested
23 or contingent interest in any lot or lots or their duly authorized
24 agent, or any person who has made a filing pursuant to section 11-309 of
25 this chapter shall furnish a bill of all arrears of taxes on any lot or
26 lots due prior to the first of September, then last past, of sewer
27 rents, sewer surcharges and water rents, assessments, any other charges
28 that are made a lien subject to the provisions of this chapter, and
29 interest and penalties thereon, which are due and payable. Upon the
30 payment of such bill which shall be called a bill of arrears the receipt
31 of the commissioner of finance or his or her designee thereon shall be
32 conclusive evidence of such payment. The commissioner of finance or his
33 or her designee shall cause to be kept an account of amounts so
34 collected, and the certificate of the commissioner of finance or his or
35 her designee, that there are no tax liens on such lot or lots, shall
36 forever free such lot or lots from all liens of taxes, sewer rents,
37 sewer surcharges or water rents, assessments, any other charges that are
38 made a lien subject to the provisions of this chapter, and interest and
39 penalties thereon that are due and payable prior to the date of such
40 receipt or certificate, but not from the lien of any tax lien duly sold
41 and not theretofore satisfied.

42 § 11-317 Fees for searches to be added to bills. Fees for such search-
43 es shall be included in the bills mentioned in section 11-316 of this
44 chapter, and also charges for certificates, which shall be given by the
45 commissioner of finance or his or her designee respecting lots on which
46 there may be no arrears when searches are required. Such fees shall be
47 regulated by local law.

48 § 11-318 Fee for certified search and bill of arrears. A fee of twen-
49 ty-five dollars shall be paid to and collected by the commissioner of
50 finance or his or her designee on his or her furnishing a certified
51 search and bill of arrears on each lot or piece of property mentioned or
52 referred to in the written request therefor. The commissioner of finance
53 shall be authorized to waive or reduce such fee in connection with any
54 sale of a tax lien or tax liens pursuant to this chapter.

55 § 11-319 Sales of tax liens. a. A tax lien or tax liens on a property
56 or any component of the amount thereof may be sold by the city as

1 authorized by subdivision b of this section, when such tax lien or tax
2 liens shall have remained unpaid in whole or in part for one year,
3 provided, however, that a tax lien or tax liens on any class one proper-
4 ty or any class two property that is a residential condominium or resi-
5 dential cooperative, as such classes of property are defined in subdivi-
6 sion one of section eighteen hundred two of the real property tax law,
7 may be sold by the city only when the real property tax component of
8 such tax lien or tax liens shall have remained unpaid in whole or in
9 part for three years and, in the case of any such class one property
10 that is not vacant land or any such class two property that is a resi-
11 dential condominium or residential cooperative, as such classes of prop-
12 erty are defined in subdivision one of section eighteen hundred two of
13 the real property tax law, equals or exceeds the sum of five thousand
14 dollars, or, in the case of any class two residential property owned by
15 a company organized pursuant to article eleven of the private housing
16 finance law that is not a residential condominium or a residential coop-
17 erative, as such classes of property are defined in subdivision one of
18 section eighteen hundred two of the real property tax law, for two
19 years, and equals or exceeds the sum of five thousand dollars, or, in
20 the case of abandoned class one property or abandoned class two property
21 that is a residential condominium or residential cooperative, for eigh-
22 teen months, and after such sale, shall be transferred, in the manner
23 provided by this chapter, and provided, further, however, that (i) the
24 real property tax component of such tax lien may not be sold pursuant to
25 this subdivision on any: (A) residential real property in class one that
26 is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of
27 this title, or pursuant to section four hundred fifty-eight of the real
28 property tax law with respect to real property purchased with payments
29 received as prisoner of war compensation from the United States govern-
30 ment, or pursuant to paragraph (b) or (c) of subdivision two of section
31 four hundred fifty-eight-a of the real property tax law, or where the
32 owner of such residential real property in class one is receiving bene-
33 fits in accordance with department of finance memorandum 05-3, or any
34 successor memorandum thereto, relating to active duty military person-
35 nel, or where the owner of such residential real property in class one
36 has been allowed a credit pursuant to subsection (e) of section six
37 hundred six of the tax law for the calendar year in which the date of
38 the first publication, pursuant to subdivision a of section 11-320 of
39 this chapter, of the notice of sale, occurs or for the calendar year
40 immediately preceding such date; or (B) real property that was granted
41 an exemption pursuant to section four hundred twenty-a, four hundred
42 twenty-b, four hundred forty-six, or four hundred sixty-two of the real
43 property tax law in one of the two fiscal years preceding the date of
44 such sale, provided that: (1) such exemption was granted to such real
45 property upon the application of a not-for-profit organization that owns
46 such real property on or after the date on which such real property was
47 conveyed to such not-for-profit organization; (2) the real property tax
48 component of such lien arose on or after the date on which such real
49 property was conveyed to such not-for-profit organization; and (3) such
50 not-for-profit organization is organized or conducted for one of the
51 purposes described in paragraph a or paragraph b of subdivision one of
52 section 11-246 of this title, and (ii) the sewer rents component, sewer
53 surcharges component or water rents component of such tax lien may not
54 be sold pursuant to this subdivision on any one family residential real
55 property in class one or on any two or three family residential real
56 property in class one that is receiving an exemption pursuant to section

1 11-245.3 or 11-245.4 of this title, or pursuant to section four hundred
2 fifty-eight of the real property tax law with respect to real property
3 purchased with payments received as prisoner of war compensation from
4 the United States government, or pursuant to paragraph (b) or (c) of
5 subdivision two of section four hundred fifty-eight-a of the real prop-
6 erty tax law, or where the owner of any two or three family residential
7 real property in class one is receiving benefits in accordance with
8 department of finance memorandum 05-3, or any successor memorandum ther-
9 eto, relating to active duty military personnel, or where the owner of
10 any two or three family residential real property in class one has been
11 allowed a credit pursuant to subsection (e) of section six hundred six
12 of the tax law for the calendar year in which the date of the first
13 publication, pursuant to subdivision a of section 11-320 of this chap-
14 ter, of the notice of sale, occurs or for the calendar year immediately
15 preceding such date. A tax lien or tax liens on any property classified
16 as a class two property, except a class two property that is a residen-
17 tial condominium or residential cooperative, or a class two residential
18 property owned by a company organized pursuant to article eleven of the
19 private housing finance law that is not a residential condominium or a
20 residential cooperative, or class three property, as such classes of
21 property are defined in subdivision one of section eighteen hundred two
22 of the real property tax law, shall not be sold by the city unless such
23 tax lien or tax liens include a real property tax component as of the
24 date of the first publication, pursuant to subdivision a of section
25 11-320 of this chapter, of the notice of sale. Notwithstanding any
26 provision of this subdivision to the contrary, any such tax lien or tax
27 liens that remain unpaid in whole or in part after such date may be sold
28 regardless of whether such tax lien or tax liens include a real property
29 tax component. A tax lien or tax liens on a property classified as a
30 class four property, as such class of property is defined in subdivision
31 one of section eighteen hundred two of the real property tax law, shall
32 not be sold by the city unless such tax lien or tax liens include a real
33 property tax component or sewer rents component or sewer surcharges
34 component or water rents component or emergency repair charges compo-
35 nent, where such emergency repair charges accrued on or after January
36 first, two thousand six and are made a lien pursuant to section 27-2144
37 of this code, as of the date of the first publication, pursuant to
38 subdivision a of section 11-320 of this chapter, of the notice of sale,
39 provided, however, that any tax lien or tax liens that remain unpaid in
40 whole or in part after such date may be sold regardless of whether such
41 tax lien or tax liens include a real property tax component, sewer rents
42 component, sewer surcharges component, water rents component or emergen-
43 cy repair charges component. For purposes of this subdivision, the words
44 "real property tax" shall not include an assessment or charge upon prop-
45 erty imposed pursuant to section 25-411 of this code. A sale of a tax
46 lien or tax liens shall include, in addition to such lien or liens that
47 have remained unpaid in whole or in part for one year, or, in the case
48 of any class one property or class two property that is a residential
49 condominium or residential cooperative, when the real property tax
50 component of such lien or liens has remained unpaid in whole or in part
51 for three years, or, in the case of any class two residential property
52 owned by a company organized pursuant to article eleven of the private
53 housing finance law that is not a residential condominium or a residen-
54 tial cooperative, when the real property tax component of such lien or
55 liens has remained unpaid in whole or in part for two years, and equals
56 or exceeds the sum of five thousand dollars, any taxes, assessments,

1 sewer rents, sewer surcharges, water rents, any other charges that are
2 made a lien subject to the provisions of this chapter, the costs of any
3 advertisements and notices given pursuant to this chapter, any other
4 charges that are due and payable, a surcharge pursuant to section 11-332
5 of this chapter, and interest and penalties thereon or such component of
6 the amount thereof as shall be determined by the commissioner of
7 finance. The commissioner of finance may promulgate rules defining
8 "abandoned" property, as such term is used in this subdivision.

9 a-1. A subsequent tax lien or tax liens on a property or any component
10 of the amount thereof may be sold by the city pursuant to this chapter,
11 provided, however, that notwithstanding any provision in this chapter to
12 the contrary, such tax lien or tax liens may be sold regardless of
13 whether such tax lien or tax liens have remained unpaid in whole or in
14 part for one year and, notwithstanding any provision in this chapter to
15 the contrary, in the case of any class one property or class two proper-
16 ty that is a residential condominium or residential cooperative or,
17 beginning January first, two thousand twelve, in the case of any class
18 two residential property owned by a company organized pursuant to arti-
19 cle eleven of the private housing finance law that is not a residential
20 condominium or a residential cooperative, such tax lien or tax liens may
21 be sold if the real property tax component of such tax lien or tax liens
22 has remained unpaid in whole or in part for one year, and provided,
23 further, however, that (i) the real property tax component of such tax
24 lien may not be sold pursuant to this subdivision on any residential
25 real property in class one that is receiving an exemption pursuant to
26 section 11-245.3 or 11-245.4 of this title, or pursuant to section four
27 hundred fifty-eight of the real property tax law with respect to real
28 property purchased with payments received as prisoner of war compen-
29 sation from the United States government, or pursuant to paragraph (b)
30 or (c) of subdivision two of section four hundred fifty-eight-a of the
31 real property tax law, or where the owner of such residential real prop-
32 erty in class one is receiving benefits in accordance with department of
33 finance memorandum 05-3, or any successor memorandum thereto, relating
34 to active duty military personnel, or where the owner of such residen-
35 tial real property in class one has been allowed a credit pursuant to
36 subsection (e) of section six hundred six of the tax law for the calen-
37 dar year in which the date of the first publication, pursuant to subdi-
38 vision a of section 11-320 of this chapter, of the notice of sale,
39 occurs or for the calendar year immediately preceding such date and (ii)
40 the sewer rents component, sewer surcharges component or water rents
41 component of such tax lien may not be sold pursuant to this subdivision
42 on any one family residential real property in class one or on any two
43 or three family residential real property in class one that is receiving
44 an exemption pursuant to section 11-245.3 or 11-245.4 of this title, or
45 pursuant to section four hundred fifty-eight of the real property tax
46 law with respect to real property purchased with payments received as
47 prisoner of war compensation from the United States government, or
48 pursuant to paragraph (b) or (c) of subdivision two of section four
49 hundred fifty-eight-a of the real property tax law, or where the owner
50 of any two or three family residential real property in class one is
51 receiving benefits in accordance with department of finance memorandum
52 05-3, or any successor memorandum thereto, relating to active duty mili-
53 tary personnel, or where the owner of any two or three family residen-
54 tial real property in class one has been allowed a credit pursuant to
55 subsection (e) of section six hundred six of the tax law for the calen-
56 dar year in which the date of the first publication, pursuant to subdi-

1 vision a of section 11-320 of this chapter, of the notice of sale,
2 occurs or for the calendar year immediately preceding such date. For
3 purposes of this subdivision, the term "subsequent tax lien or tax
4 liens" shall mean any tax lien or tax liens on property that become such
5 on or after the date of sale of any tax lien or tax liens on such prop-
6 erty that have been sold pursuant to this chapter, provided that the
7 prior tax lien or tax liens remain unpaid as of the date of the first
8 publication, pursuant to subdivision a of section 11-320 of this chap-
9 ter, of the notice of sale of the subsequent tax lien or tax liens. A
10 subsequent tax lien or tax liens on any property classified as a class
11 two property, except a class two property that is a residential condo-
12 minium or residential cooperative, or a class two residential property
13 owned by a company organized pursuant to article eleven of the private
14 housing finance law that is not a residential condominium or a residen-
15 tial cooperative, or class three property, as such classes of property
16 are defined in subdivision one of section eighteen hundred two of the
17 real property tax law, shall not be sold by the city unless such tax
18 lien or tax liens include a real property tax component as of the date
19 of the first publication, pursuant to subdivision a of section 11-320 of
20 this chapter, of the notice of sale. Notwithstanding any provision of
21 this subdivision to the contrary, any such tax lien or tax liens that
22 remain unpaid in whole or in part after such date may be sold regardless
23 of whether such tax lien or tax liens include a real property tax compo-
24 nent. A subsequent tax lien or tax liens on a property classified as a
25 class four property, as such class of property is defined in subdivision
26 one of section eighteen hundred two of the real property tax law, shall
27 not be sold by the city unless such tax lien or tax liens include a real
28 property tax component or sewer rents component or sewer surcharges
29 component or water rents component or emergency repair charges compo-
30 nent, where such emergency repair charges accrued on or after January
31 first, two thousand six and are made a lien pursuant to section 27-2144
32 of this code, as of the date of the first publication, pursuant to
33 subdivision a of section 11-320 of this chapter, of the notice of sale,
34 provided, however, that any tax lien or tax liens that remain unpaid in
35 whole or in part after such date may be sold regardless of whether such
36 tax lien or tax liens include a real property tax component, sewer rents
37 component, sewer surcharges component, water rents component or emergen-
38 cy repair charges component. For purposes of this subdivision, the words
39 "real property tax" shall not include an assessment or charge upon prop-
40 erty imposed pursuant to section 25-411 of this code. Nothing in this
41 subdivision shall be deemed to limit the rights conferred by section
42 11-332 of this chapter on the holder of a tax lien certificate with
43 respect to a subsequent tax lien.

44 a-2. In addition to any sale authorized pursuant to subdivision a or
45 subdivision a-1 of this section and notwithstanding any provision of
46 this chapter to the contrary, beginning on December first, two thousand
47 seven, the water rents, sewer rents and sewer surcharges components of
48 any tax lien on any class of real property, as such real property is
49 classified in subdivision one of section eighteen hundred two of the
50 real property tax law, may be sold by the city pursuant to this chapter,
51 where such water rents, sewer rents or sewer surcharges component of
52 such tax lien, as of the date of the first publication, pursuant to
53 subdivision a of section 11-320 of this chapter, of the notice of sale:
54 (i) shall have remained unpaid in whole or in part for one year and (ii)
55 equals or exceeds the sum of one thousand dollars or, beginning on March
56 first, two thousand eleven, in the case of any two or three family resi-

1 dential real property in class one, for one year, and equals or exceeds
2 the sum of two thousand dollars, or, beginning on January first, two
3 thousand twenty-one, in the case of any two or three family residential
4 real property in class one, for one year, and equals or exceeds the sum
5 of three thousand dollars, or, beginning on January first, two thousand
6 twelve, in the case of any class two residential property owned by a
7 company organized pursuant to article eleven of the private housing
8 finance law that is not a residential condominium or a residential coop-
9 erative, as such class of property is defined in subdivision one of
10 section eighteen hundred two of the real property tax law, for two
11 years, and equals or exceeds the sum of five thousand dollars; provided,
12 however, that such water rents, sewer rents or sewer surcharges compo-
13 nent of such tax lien may not be sold pursuant to this subdivision on
14 any one family residential real property in class one or on any two or
15 three family residential real property in class one that is receiving an
16 exemption pursuant to section 11-245.3 or 11-245.4 of this title, or
17 pursuant to section four hundred fifty-eight of the real property tax
18 law with respect to real property purchased with payments received as
19 prisoner of war compensation from the United States government, or
20 pursuant to paragraph (b) or (c) of subdivision two of section four
21 hundred fifty-eight-a of the real property tax law, or where the owner
22 of any two or three family residential real property in class one is
23 receiving benefits in accordance with department of finance memorandum
24 05-3, or any successor memorandum thereto, relating to active duty mili-
25 tary personnel, or where the owner of any two or three family residen-
26 tial real property in class one has been allowed a credit pursuant to
27 subsection (e) of section six hundred six of the tax law for the calen-
28 dar year in which the date of the first publication, pursuant to subdivi-
29 sion a of section 11-320 of this chapter, of the notice of sale,
30 occurs or for the calendar year immediately preceding such date. After
31 such sale, any such water rents, sewer rents or sewer surcharges compo-
32 nent of such tax lien may be transferred in the manner provided by this
33 chapter.

34 a-3. In addition to any sale authorized pursuant to subdivision a or
35 subdivision a-1 of this section and notwithstanding any provision of
36 this chapter to the contrary, beginning on December first, two thousand
37 seven, a subsequent tax lien on any class of real property, as such real
38 property is classified in subdivision one of section eighteen hundred
39 two of the real property tax law, may be sold by the city pursuant to
40 this chapter, regardless of whether such subsequent tax lien, or any
41 component of the amount thereof, shall have remained unpaid in whole or
42 in part for one year, and regardless of whether such subsequent tax
43 lien, or any component of the amount thereof, equals or exceeds the sum
44 of one thousand dollars or beginning on March first, two thousand elev-
45 en, in the case of any two or three family residential real property in
46 class one, a subsequent tax lien on such property may be sold by the
47 city pursuant to this chapter, regardless of whether such subsequent tax
48 lien, or any component of the amount thereof, shall have remained unpaid
49 in whole or in part for one year, and regardless of whether such subse-
50 quent tax lien, or any component of the amount thereof, equals or
51 exceeds the sum of two thousand dollars, or, beginning on January first,
52 two thousand twenty-one, in the case of any two or three family residen-
53 tial real property in class one, a subsequent tax lien on such property
54 may be sold by the city pursuant to this chapter, regardless of whether
55 such subsequent tax lien, or any component of the amount thereof, shall
56 have remained unpaid in whole or in part for one year, and regardless of

1 whether such subsequent tax lien, or any component of the amount there-
2 of, equals or exceeds the sum of three thousand dollars, or, beginning
3 on January first, two thousand twelve, in the case of any class two
4 residential property owned by a company organized pursuant to article
5 eleven of the private housing finance law that is not a residential
6 condominium or a residential cooperative, as such class of property is
7 defined in subdivision one of section eighteen hundred two of the real
8 property tax law, a subsequent tax lien on such property may be sold by
9 the city pursuant to this chapter, regardless of whether such subsequent
10 tax lien, or any component of the amount thereof, shall have remained
11 unpaid in whole or in part for two years, and regardless of whether such
12 subsequent tax lien, or any component of the amount thereof, equals or
13 exceeds the sum of five thousand dollars; provided, however, that such
14 subsequent tax lien may not be sold pursuant to this subdivision on any
15 one family residential real property in class one or on any two or three
16 family residential real property in class one that is receiving an
17 exemption pursuant to section 11-245.3 or 11-245.4 of this title, or
18 pursuant to section four hundred fifty-eight of the real property tax
19 law with respect to real property purchased with payments received as
20 prisoner of war compensation from the United States government, or
21 pursuant to paragraph (b) or (c) of subdivision two of section four
22 hundred fifty-eight-a of the real property tax law, or where the owner
23 of any two or three family residential real property in class one is
24 receiving benefits in accordance with department of finance memorandum
25 05-3, or any successor memorandum thereto, relating to active duty mili-
26 tary personnel, or where the owner of any two or three family residen-
27 tial real property in class one has been allowed a credit pursuant to
28 subsection (e) of section six hundred six of the tax law for the calen-
29 dar year in which the date of the first publication, pursuant to subdivi-
30 sion a of section 11-320 of this chapter, of the notice of sale,
31 occurs or for the calendar year immediately preceding such date. After
32 such sale, any such subsequent tax lien, or any component of the amount
33 thereof, may be transferred in the manner provided by this chapter. For
34 purposes of this subdivision, the term "subsequent tax lien" shall mean
35 the water rents, sewer rents or sewer surcharges component of any tax
36 lien on property that becomes such on or after the date of sale of any
37 water rents, sewer rents or sewer surcharges component of any tax lien
38 on such property that has been sold pursuant to this chapter, provided
39 that the prior tax lien remains unpaid as of the date of the first
40 publication, pursuant to subdivision a of section 11-320 of this chap-
41 ter, of the notice of sale of the subsequent tax lien. Nothing in this
42 subdivision shall be deemed to limit the rights conferred by section
43 11-332 of this chapter on the holder of a tax lien certificate with
44 respect to a subsequent tax lien.

45 a-4. In addition to any sale authorized pursuant to subdivision a,
46 a-1, a-2 or a-3 of this section and notwithstanding any provision of
47 this chapter to the contrary, beginning on March first, two thousand
48 eleven, the emergency repair charges component or alternative enforce-
49 ment expenses and fees component, where such emergency repair charges
50 accrued on or after January first, two thousand six and are made a lien
51 pursuant to section 27-2144 of this code, or where such alternative
52 enforcement expenses and fees are made a lien pursuant to section
53 27-2153 of this code, of any tax lien on any class of real property, as
54 such real property is defined in subdivision one of section eighteen
55 hundred two of the real property tax law, may be sold by the city pursu-
56 ant to this chapter, where such emergency repair charges component or

1 alternative enforcement expenses and fees component of such tax lien, as
2 of the date of the first publication, pursuant to subdivision a of
3 section 11-320 of this chapter, of the notice of sale: (i) shall have
4 remained unpaid in whole or in part for one year and (ii) equals or
5 exceeds the sum of one thousand dollars or, beginning on January first,
6 two thousand twelve, in the case of any class two residential property
7 owned by a company organized pursuant to article eleven of the private
8 housing finance law that is not a residential condominium or a residen-
9 tial cooperative, as such class of property is defined in subdivision
10 one of section eighteen hundred two of the real property tax law, for
11 two years, and equals or exceeds the sum of five thousand dollars;
12 provided, however, that such emergency repair charges component or
13 alternative enforcement expenses and fees component of such tax lien may
14 only be sold pursuant to this subdivision on any one, two or three fami-
15 ly residential real property in class one, where such one, two or three
16 family residential property in class one is not the primary residence of
17 the owner. After such sale, any such emergency repair charges component
18 or alternative enforcement expenses and fees component of such tax lien
19 may be transferred in the manner provided by this chapter.

20 a-5. In addition to any sale authorized pursuant to subdivision a,
21 a-1, a-2 or a-3 of this section and notwithstanding any provision of
22 this chapter to the contrary, beginning on March first, two thousand
23 eleven, a subsequent tax lien on any class of real property, or begin-
24 ning on January first, two thousand twelve in the case of any class two
25 residential property owned by a company organized pursuant to article
26 eleven of the private housing finance law that is not a residential
27 condominium or a residential cooperative, a subsequent tax lien on such
28 property, may be sold by the city pursuant to this chapter, regardless
29 of the length of time such subsequent tax lien, or any component of the
30 amount thereof, shall have remained unpaid, and regardless of the amount
31 of such subsequent tax lien. After such sale, any such subsequent tax
32 lien, or any component of the amount thereof, may be transferred in the
33 manner provided by this chapter. For purposes of this subdivision, the
34 term "subsequent tax lien" shall mean the emergency repair charges
35 component or alternative enforcement expenses and fees component, where
36 such emergency repair charges accrued on or after January first, two
37 thousand six and are made a lien pursuant to section 27-2144 of this
38 code, or where such alternative enforcement expenses and fees are made a
39 lien pursuant to section 27-2153 of this code, of any tax lien on prop-
40 erty that becomes such on or after the date of sale of any emergency
41 repair charges component or alternative enforcement expenses and fees
42 component, of any tax lien on such property that has been sold pursuant
43 to this chapter, provided that the prior tax lien remains unpaid as of
44 the date of the first publication, pursuant to subdivision a of section
45 11-320 of this chapter, of the notice of sale of the subsequent tax
46 lien. Nothing in this subdivision shall be deemed to limit the rights
47 conferred by section 11-332 of this chapter on the holder of a tax lien
48 certificate with respect to a subsequent tax lien.

49 a-6. Notwithstanding any provision of this chapter to the contrary,
50 beginning on September first, two thousand seventeen, a lien that
51 includes civil penalties for a violation of section 28-201.1 of this
52 code where such civil penalties accrued on or after July first, two
53 thousand seventeen, and became a lien pursuant to section 28-204.6.6 of
54 this code, may be sold by the city pursuant to this chapter, where such
55 civil penalties component of such lien, as of the date of the first
56 publication, pursuant to subdivision a of section 11-320 of this chap-

1 ter, of the notice of sale (i) shall have remained unpaid in whole or in
2 part for one year or more and (ii) equals or exceeds the sum of one
3 thousand dollars. After such sale, any such civil penalties component of
4 such lien may be transferred in the manner provided by this chapter.

5 b. The commissioner of finance, on behalf of the city, may sell tax
6 liens, either individually, in combinations, or in the aggregate, pursu-
7 ant to the procedures provided herein. The commissioner of finance shall
8 establish the terms and conditions of a sale of a tax lien or tax liens.

9 1. (i) The commissioner of finance may, in his or her discretion, sell
10 a tax lien or tax liens through a competitive sale. In addition to the
11 advertisement and notice required to be provided pursuant to section
12 11-320 of this chapter, the commissioner of finance or his or her desig-
13 nee shall cause to be published a notice of intention to sell a tax lien
14 or tax liens through a competitive sale, which notice shall include the
15 terms and conditions for such sale, the criteria by which bids shall be
16 evaluated, and a request for any other information or documents that the
17 commissioner of finance may require. Such notice shall be published in
18 one newspaper of general circulation in the city, not less than fifteen
19 days prior to the date designated by the commissioner for the submission
20 of bids.

21 (ii) The commissioner of finance may, in his or her discretion, estab-
22 lish criteria for the eligibility of bidders pursuant to section
23 11-321.1 of this chapter.

24 (iii) The commissioner of finance may reject any or all bids, or may
25 accept any combination of bids in a competitive sale.

26 2. (i) The commissioner of finance may, in his or her discretion, sell
27 a tax lien or tax liens through a negotiated sale. In addition to the
28 advertisement and notice required to be provided pursuant to section
29 11-320 of this chapter, the commissioner of finance or his or her desig-
30 nee shall cause to be published a notice of intention to sell a tax lien
31 or tax liens through a negotiated sale, which notice shall advise that a
32 request for statements of interest is available at the office of the
33 department of finance, and which may require the submission of any
34 information or documents that the commissioner deems appropriate,
35 provided, however, that if the negotiated sale is to a trust or other
36 entity created by the city or in which the city has an ownership or
37 residual interest, then the requirement that the notice advise that a
38 request for statements of interest is available at the office of the
39 department of finance shall not apply. Such notice shall be published in
40 one newspaper of general circulation in the city, not less than fifteen
41 days prior to the date designated by the commissioner for the receipt of
42 statements of interest, or if the negotiated sale is to such trust or
43 other entity, then such notice shall be published not less than fifteen
44 days prior to the date of sale. For purposes of this subparagraph, the
45 words "date of sale" shall have the same meaning provided in subdivision
46 e of section 11-320 of this chapter.

47 (ii) The commissioner of finance may engage in a negotiated sale in
48 accordance with criteria to be established pursuant to section 11-321.1
49 of this chapter.

50 (iii) The commissioner of finance may execute a purchase and sale
51 agreement and other necessary agreements with a designated purchaser or
52 purchasers to complete a negotiated sale.

53 3. The commissioner of finance may establish a minimum price for the
54 sale of tax liens that may be at a discount from or premium to the lien
55 amount. Notwithstanding the preceding sentence, the commissioner of
56 finance may not establish a minimum price for the sale of an individual

1 tax lien that is at a discount from the lien amount. The commissioner of
2 finance shall sell such tax liens at a purchase price that, in the
3 determination of such commissioner, is in the best interests of the
4 city. The commissioner of finance, in his or her discretion, may accept
5 cash or cash equivalent in immediately available funds, or other consid-
6 eration acceptable to the commissioner, or any combination thereof in
7 payment for a tax lien or tax liens.

8 4. The amount of a tax lien that is sold pursuant to this chapter
9 shall be the unpaid amount of the lien as of the date of sale, including
10 any interest and penalties thereon, any taxes, assessments, sewer rents,
11 sewer surcharges, water rents, any other charges that are made a lien
12 subject to the provisions of this chapter, the costs of any advertise-
13 ments and notices given pursuant to this chapter, any other charges that
14 are due and payable, any surcharge pursuant to section 11-332 of this
15 chapter, and interest and penalties thereon, or such component of the
16 amount thereof as shall be determined by the commissioner of finance,
17 notwithstanding the amount paid for purchase of the tax lien or compo-
18 nent of the amount thereof. For purposes of this paragraph, the words
19 "date of sale" shall have the same meaning provided in subdivision y of
20 section 11-320 of this chapter.

21 5. (i) The commissioner of finance may, subsequent to the offer for
22 sale of any tax lien or tax liens and the failure to complete such sale,
23 offer such tax lien or tax liens for sale again to any other person or
24 persons who satisfied the terms and conditions of the sale without
25 providing any additional advertisements or notices pursuant to this
26 chapter.

27 (ii) Notwithstanding subparagraph (i) of this paragraph, any tax lien
28 that was noticed for sale pursuant to this chapter, but was not sold on
29 the original date of sale, may be sold without any additional advertise-
30 ments or notices pursuant to this chapter if the subsequent date of sale
31 is within six months of the second publication, pursuant to subdivision
32 a of section 11-320 of this chapter, of the notice of the original date
33 of sale. If the subsequent date of sale is more than six months after
34 the second publication, pursuant to subdivision a of section 11-320 of
35 this chapter, of the notice of the original date of sale, then the
36 commissioner of finance, or his or her designee, shall provide notice of
37 the subsequent date of sale pursuant to subdivision b of section 11-320
38 of this chapter. No other additional advertisements or notices shall be
39 necessary prior to the date of sale.

40 6. The rate of interest on any tax lien certificate shall be the rate
41 adopted for nonpayment of taxes on real property, pursuant to subdivi-
42 sion (e) of section 11-224.1 of this title, that is in effect on January
43 first of the year in which the tax lien is sold.

44 7. It is the intent of the city that a sale of a tax lien or tax liens
45 pursuant to this chapter shall be a sale and not a borrowing.

46 8. Whenever any tax lien purchased at a tax lien sale is found to be
47 invalid, void or defective in whole or in part, or not to conform to any
48 representation or warranty with respect thereto, made by the commis-
49 sioner of finance in connection with the sale thereof, by judgment or decree
50 of a court of competent jurisdiction or by determination of the commis-
51 sioner of finance, the commissioner of finance may, in his or her
52 discretion, substitute for such tax lien or portion thereof another tax
53 lien that has a value equivalent to the value of the tax lien or portion
54 thereof found to be invalid, void, defective, or not to so conform, or
55 may refund such value of the tax lien or portion thereof found to be
56 invalid, void, defective, or not to so conform, or may use a combination

1 of substitution and refund. No other remedy shall be available to a
2 purchaser of a tax lien which is found to be invalid, void, defective,
3 or not to conform to a representation or warranty with respect thereto
4 made by the commissioner of finance in connection with the sale thereof,
5 in whole or in part. Whenever a tax lien of such equivalent value is to
6 be substituted for a tax lien that has been found invalid, void, defec-
7 tive, or not to so conform, in whole or in part, pursuant to this
8 section, the commissioner of finance or his or her designee shall
9 provide mailed notice of the intention to substitute such lien of such
10 equivalent value to any person required to be notified pursuant to
11 section 11-320(b) of this chapter.

12 9. The commissioner of finance may establish requirements for a
13 purchaser of a tax lien to provide any information and documents that
14 the commissioner of finance deems necessary, including information
15 concerning the collection and enforcement of tax liens. The commission-
16 er of finance shall require the purchaser of a tax lien to provide the
17 owner of property on which a tax lien has been sold pursuant to this
18 chapter a detailed itemization of taxes, interest, surcharges, and fees
19 charged to such owner on all tax lien statements of amounts due or bill
20 of charges. Such fees shall be bona fide, reasonable and, in the case of
21 attorneys' fees, customary.

22 10. (i) On and after January first, two thousand twelve, no tax lien
23 shall be sold pursuant to this chapter on any class two residential
24 property owned by a company organized pursuant to article eleven of the
25 private housing finance law that is a residential condominium or resi-
26 dential cooperative. If, notwithstanding the foregoing sentence, any
27 such tax lien is sold in error pursuant to this chapter on and after
28 January first, two thousand twelve on such property, then the provisions
29 of paragraph eight of this subdivision shall apply to such sale, includ-
30 ing the authority of the commissioner of finance to substitute for such
31 tax lien another tax lien that has a value equivalent to the value of
32 such tax lien or to refund the value of such tax lien. For the purposes
33 of this paragraph, property owned by such company shall be limited to
34 property owned for the purpose, as set forth in section five hundred
35 seventy-one of the private housing finance law, of providing housing for
36 families and persons of low income.

37 (ii) No later than May first, two thousand eleven, the commissioner of
38 finance, in consultation with the commissioner of housing preservation
39 and development, shall notify by mail any class two residential property
40 owned by a company organized pursuant to article eleven of the private
41 housing finance law that is not a residential condominium or residential
42 cooperative, of the authority of the commissioner of finance to sell the
43 tax liens on such property. Such notification shall include information
44 relating to the lien sale process, including, but not limited to,
45 actions homeowners can take if a lien is sold on such property; the type
46 of debt that can be sold in a lien sale; a timeline of statutory notifi-
47 cations required pursuant to section 11-320 of this chapter; a clear,
48 concise explanation of the consequences of the sale of a tax lien; the
49 telephone number and electronic mail address of the employee or employ-
50 ees designated pursuant to subdivision f of section 11-320 of this chap-
51 ter; a conspicuous statement that the owner of the property may enter
52 into a payment plan for exclusion from the tax lien sale; and credits
53 and property tax exemptions that may exclude a property from a tax lien
54 sale and any other credit or residential real property tax exemption
55 information, which, in the discretion of the commissioner of finance,
56 should be included in such notification.

1 Upon such property owner's written request, or verbal request to 311
2 or any employee designated pursuant to subdivision f of section 11-320
3 of this chapter, a Chinese, Korean, Russian or Spanish translation of
4 such notice shall be provided promptly to such property owner.

5 11. No later than the first of September in the year next succeeding
6 the effective date of this section, the appropriate agency shall promul-
7 gate rules identifying or describing any existing procedures governing
8 challenges to the validity of any real property tax, sewer rent, sewer
9 surcharge, water rent, emergency repair charge or alternative enforce-
10 ment expense or fee.

11 12. On or after January first, two thousand fifteen and before January
12 first, two thousand seventeen, no tax lien shall be sold pursuant to
13 this chapter on the following properties: (i) properties enrolled in the
14 city's Build It Back Program; and (ii) properties defined as "eligible
15 real property" pursuant to subdivision three of section four hundred
16 sixty-seven-g of the real property tax law. If, notwithstanding the
17 foregoing sentence, any such tax lien is sold in error pursuant to this
18 chapter during such time period on properties described in subparagraph
19 (i) or (ii) of this paragraph, then the provisions of paragraph eight of
20 this subdivision shall apply to such sale, including the authority of
21 the commissioner of finance to substitute for such tax lien another tax
22 lien that has a value equivalent to the value of such tax lien or to
23 refund the value of such lien.

24 13. Notwithstanding any provision of this chapter to the contrary, no
25 tax lien shall be sold pursuant to this chapter on any of the following
26 properties: (i) any real property for which the owner in good faith has
27 submitted an application that is pending with the department of finance
28 for a real property tax exemption pursuant to section four hundred twen-
29 ty-a, four hundred twenty-b, four hundred forty-six, or four hundred
30 sixty-two of the real property tax law; and (ii) any real property for
31 which the owner has in good faith filed an appeal with the tax commis-
32 sion of a denial of any such application and such appeal is pending.
33 There shall be a rebuttable presumption that an application or an appeal
34 referenced in the preceding sentence was not submitted in good faith
35 where, within the twenty-four months preceding the submission of such
36 application or such appeal, the period for the filing of an appeal of a
37 denial by the department of finance of a previous application for a real
38 property tax exemption pursuant to section four hundred twenty-a, four
39 hundred twenty-b, four hundred forty-six, or four hundred sixty-two of
40 the real property tax law has expired.

41 § 11-320 Notice of sale to be advertised and mailed. a. 1. The tax
42 lien on property in the city shall not be sold pursuant to section
43 11-319 of this chapter unless notice of such sale as provided herein has
44 been published twice, the first publication to be in a newspaper of
45 general circulation in the city, not less than ninety days preceding the
46 date of the sale, and the second publication to be in a publication
47 designated by the commissioner of finance, not less than ten days
48 preceding the date of the sale. Such publication shall include a
49 description by block and lot or by such other identification as the
50 commissioner of finance may deem appropriate, of the property upon which
51 the tax lien exists that may be included in the sale, and a statement
52 that a list of the tax liens that may be included in the sale is avail-
53 able for inspection in the office of the city register and the office of
54 the county clerk. The commissioner of finance shall file such list in
55 the office of the city register and the office of the county clerk not
56 less than ninety days prior to the date of sale.

1 2. Not less than ninety days preceding the date of the sale, the
2 commissioner of finance shall post online, to the extent such informa-
3 tion is available, the borough, block and lot of any property on which a
4 lien has been or will be noticed for sale in accordance with paragraph
5 one of this subdivision and that, in one or more of the five fiscal
6 years preceding the date of the sale, was in receipt of a real property
7 tax exemption pursuant to section four hundred twenty-a, four hundred
8 twenty-b, four hundred forty-six or four hundred sixty-two of the real
9 property tax law and, in addition, shall post online, to the extent such
10 information is available, the borough, block and lot of any vacant land
11 classified as class one or class four pursuant to section eighteen
12 hundred two of the real property tax law on which a lien has been or
13 will be noticed for sale in accordance with paragraph one of this subdivi-
14 sion. Any failure to comply with this paragraph shall not affect the
15 validity of any sale of tax liens pursuant to this chapter.

16 b. 1. A tax lien shall not be sold unless the commissioner of finance,
17 or his or her designee, notifies the owner of record at the address of
18 record and any other person who has registered pursuant to section
19 11-309 of this chapter, or pursuant to section 11-416 or 11-417 of this
20 title, by first class mail, of the intention to sell the tax lien. If no
21 such registrations have been filed then such commissioner, or his or her
22 designee, shall notify the person whose name and address, if any,
23 appears in the latest annual record of assessed valuations, by first
24 class mail, of the intention to sell the tax lien. Such mailed notice
25 shall include a description of the property by block and lot and such
26 other identifying information as the commissioner of finance may deem
27 appropriate, the amount of the tax lien, including all taxes, assess-
28 ments, sewer rents, sewer surcharges, water rents, any other charges
29 that are made a lien subject to the provisions of this chapter, as well
30 as an estimate of the costs of any advertisements and notices given
31 pursuant to this chapter, any other charges that are due and payable on
32 the date specified in such publication, a surcharge pursuant to section
33 11-332 of this chapter if the tax lien is sold, and interest and penal-
34 ties thereon, and shall be mailed to such owner and such other persons
35 four times: not less than ninety, sixty, thirty and ten days prior to
36 the date of sale. Such notice shall state that if default continues to
37 be made in payment of the amounts due on such property, the tax lien on
38 such property shall be sold as provided in section 11-319 of this chap-
39 ter. If, notwithstanding such notice, the owner shall continue to refuse
40 or neglect to pay the amounts due on such property, the commissioner of
41 finance may sell the tax lien on such property as provided in section
42 11-319 of this chapter.

43 2. (i) Such notices shall also include, with respect to any property
44 owner in class one or class two, as such classes of property are defined
45 in subdivision one of section eighteen hundred two of the real property
46 tax law, an exemption eligibility checklist. The exemption eligibility
47 checklist shall also be posted on the website of the department of
48 finance no later than the first business day after March fifteenth of
49 every year prior to the date of sale, and shall continue to be posted on
50 such website until ten days prior to the date of sale. Within ten busi-
51 ness days of receipt of a completed exemption eligibility checklist from
52 such property owner, provided that such receipt occurs prior to the date
53 of sale of any tax lien or tax liens on his or her property, the depart-
54 ment of finance shall review such checklist to determine, based on the
55 information provided by the property owner, whether such property owner
56 could be eligible for any exemption, credit or other benefit that would

1 entitle them to be excluded from a tax lien sale and, if the department
2 determines that such property owner could be eligible for any such
3 exemption, credit or other benefit, shall mail such property owner an
4 application for the appropriate exemption, credit or other benefit. If,
5 within twenty business days of the date the department mailed such
6 application, the department of finance has not received a completed
7 application from such property owner, such department shall mail such
8 property owner a second application, and shall telephone the property
9 owner, if the property owner has included his or her telephone number on
10 the exemption eligibility checklist.

11 (ii) Any such property owner who returns to the department of finance
12 a completed exemption eligibility checklist prior to the date of sale of
13 any tax lien or tax liens on his or her property and who subsequently
14 submits a completed application for the appropriate exemption, credit or
15 other benefit either prior to, on or up to ninety days after such sale,
16 shall have his or her application reviewed by the department of finance.
17 If, prior to the date of sale, the department of finance determines that
18 such property owner is qualified for such exemption, credit or other
19 benefit or will be qualified as of the date of sale, then the tax lien
20 or tax liens on his or her property shall not be sold on such date. If,
21 on or after the date of sale, the department of finance determines that
22 such property owner is or was qualified for such exemption, credit or
23 other benefit as of the date of sale, then any tax lien or tax liens on
24 his or her property that were sold shall be deemed defective.

25 (iii) Not later than thirty days prior to such date of sale, the
26 department of finance shall submit to the council a list, disaggregated
27 by council district, of all properties for which property owners
28 returned a completed eligibility checklist to the department of finance
29 at least thirty-five days prior to the date of sale, but for which prop-
30 erty owners have not yet submitted a completed application for the
31 appropriate exemption, credit or other benefit.

32 (iv) Not later than thirty days after such date of sale, the depart-
33 ment of finance shall submit to the council a list, disaggregated by
34 council district, of all properties for which property owners returned a
35 completed eligibility checklist to the department of finance prior to
36 the date of sale, but for which property owners have not yet submitted a
37 completed application for the appropriate exemption, credit or other
38 benefit.

39 (v) Upon the written or verbal request of such property owner, the
40 department of finance shall provide prompt assistance to such property
41 owner in completing an application for the appropriate exemption, credit
42 or other benefit.

43 2-a. If, prior to the date of sale, the department of finance confirms
44 that a property is the subject of (i) a judicial proceeding or (ii) an
45 investigation or a prosecution by any agency or office of the United
46 States or any state or subdivision thereof with regard to the ownership
47 of such property arising from the fraudulent transmittal of a deed
48 relating to such property, such department shall remove such property
49 from the sale, provided that the owner of such property has provided an
50 affidavit to such department and any such other documentation required
51 by such department to establish that such property is the subject of
52 such a proceeding, investigation or prosecution. Any such removal shall
53 relate only to the sale of a tax lien or tax liens for which the owner
54 has received notice pursuant to paragraph one of subdivision b of this
55 section. Failure by the department of finance to remove such property

1 shall not affect the validity of any sale of tax liens pursuant to this
2 chapter.

3 3. The notice provided not less than ninety days prior to the date of
4 sale shall also include information relating to the lien sale process,
5 including, but not limited to, actions homeowners can take if a lien is
6 sold on such property; the type of debt that can be sold in a lien sale;
7 a timeline of statutory notifications required pursuant to this section;
8 a clear, concise explanation of the consequences of the sale of a tax
9 lien; the telephone number and electronic mail address of the employee
10 or employees designated pursuant to subdivision f of this section; a
11 conspicuous statement that the owner of the property may enter into a
12 payment plan for exclusion from the tax lien sale; and credits and prop-
13 erty tax exemptions that may exclude certain class one real property
14 from a tax lien sale. Such notice shall also include information on the
15 following real property tax exemptions, credits or other benefits:

16 (i) the senior citizen homeowner exemption pursuant to section
17 11-245.3 of this title;

18 (ii) the exemption for persons with disabilities pursuant to section
19 11-245.4 of this title;

20 (iii) the exemption for veterans pursuant to section four hundred
21 fifty-eight of the real property tax law, with respect to real property
22 purchased with payments received as prisoner of war compensation from
23 the United States government;

24 (iv) the exemption for veterans pursuant to paragraph (b) or (c) of
25 subdivision two of section four hundred fifty-eight-a of the real prop-
26 erty tax law;

27 (v) the state circuit breaker income tax credit pursuant to subsection
28 (e) of section six hundred six of the tax law; and

29 (vi) the active duty military personnel benefit pursuant to department
30 of finance memorandum 05-3, or any successor memorandum thereto.

31 Upon such property owner's written request, or verbal request to 311
32 or any employee designated pursuant to subdivision f of this section, a
33 Chinese, Korean, Russian or Spanish translation of such notice shall be
34 provided promptly to such property owner.

35 4. Such notice shall also include, with respect to a property that was
36 in receipt of a real property tax exemption pursuant to section four
37 hundred twenty-a, four hundred twenty-b, four hundred forty-six, or four
38 hundred sixty-two of the real property tax law in one or more of the
39 three fiscal years preceding the date of the notice provided not less
40 than ninety days prior to the date of sale, or with respect to a proper-
41 ty in class four, as such class of property is defined in subdivision
42 one of section eighteen hundred two of the real property tax law, infor-
43 mation relating to the initial application and renewal process for such
44 property tax exemptions, and other actions available to the owner of
45 such property in the event such property is noticed for sale pursuant to
46 this subdivision, including, if available, an adjustment or cancellation
47 of back taxes. Upon request of the owner of such property, a translation
48 of such notice in any of the top ten languages most commonly spoken
49 within the city as determined by the department of city planning shall
50 be provided to such owner.

51 5. The department of finance and the department of environmental
52 protection shall, to the extent practicable, contact by telephone or
53 electronic mail any person who (i) has registered their telephone number
54 or electronic mail address with such departments and (ii) has received
55 the ninety-day notice described in paragraph one of this subdivision.
56 Any such contact shall be made within a time period reasonably proximate

1 to the mailing of such notice, shall inform such person of the intention
2 to sell a tax lien and shall provide such other information as the
3 respective commissioner deems appropriate, which may include, but need
4 not be limited to, the telephone numbers and electronic mail addresses
5 of the employees designated pursuant to subdivision f of this section.
6 The department of finance shall contact by electronic mail any person
7 who has registered pursuant to subdivision a of section 11-245.8 of this
8 title to receive information about the outreach sessions described in
9 subdivision j of this section and provide such information within a time
10 period reasonably proximate to the scheduled outreach session. Failure
11 by the department of finance or the department of environmental
12 protection to contact any such person by telephone or electronic mail
13 shall not affect the validity of any sale of tax liens pursuant to this
14 chapter.

15 c. Such notices shall advise the owner of such property of his or her
16 continued obligation to pay the amounts due on such property. No other
17 notices or demands shall be required to be made to the owner of such
18 property to authorize the sale of a tax lien or tax liens on such prop-
19 erty pursuant to section 11-319 of this chapter.

20 c-1. Where a tax lien on property in the city has been noticed for
21 sale pursuant to subdivision b of this section and such lien, prior to
22 the date of sale, has been paid or is otherwise determined by the
23 commissioner of finance not to be eligible to be sold, such commissioner
24 shall promptly provide written notification to the owner of such proper-
25 ty that such lien will not be or was not included in such sale and the
26 reason therefor.

27 d. 1. The commissioner of finance or his or her designee shall, within
28 ninety days after the delivery of the tax lien certificate, notify any
29 person who was required to be notified of such sale pursuant to subdivi-
30 sion (b) of section 11-320 of this chapter, by first class mail, that
31 such sale has occurred. Such notice shall state the date of the sale of
32 the tax lien, the name and address of the purchaser of the tax lien, the
33 amount of such lien, a description of the property by block and lot and
34 such other identifying information as the commissioner of finance or his
35 or her designee shall deem appropriate, and the terms and conditions of
36 the tax lien certificate, including the right to satisfy the lien within
37 the time periods specified in this chapter. Such notice shall also
38 include the telephone number and electronic mail address of the employee
39 or employees designated pursuant to subdivision f of this section.

40 2. Any written communication from the purchaser of the tax lien or
41 liens to an owner of property, on which a tax lien has been sold pursu-
42 ant to the provisions of this chapter, shall include the following
43 information:

44 (i) an explanation of the roles of the purchaser of the tax lien and
45 the employee or employees designated pursuant to subdivision f of this
46 section;

47 (ii) the names and contact information, including the telephone
48 number, electronic mail and mailing addresses of such persons; and

49 (iii) a statement informing such owner that he or she may be eligible
50 to enter into a forbearance agreement with the purchaser of such tax
51 lien.

52 3. The requirement to send such written communication shall be subject
53 to federal, state and local debt collection laws.

54 4. Failure to provide notice pursuant to this subdivision shall not
55 affect the validity of any sale of a tax lien or tax liens pursuant to
56 this chapter.

1 e. The words "date of sale" when used in this section shall mean:

2 (1) for a negotiated sale, the date of signing of the tax lien
3 purchase agreement, and (2) for a competitive sale, the date designated
4 by the commissioner of finance for the submission of bids.

5 f. The commissioner of finance shall designate an employee of the
6 department to respond to inquiries from owners of property for which a
7 tax lien has been sold or noticed for sale pursuant to subdivision a of
8 this section and shall designate an employee of the department to
9 respond to inquiries from owners sixty-five years of age or older of
10 property for which a tax lien has been sold or noticed for sale pursuant
11 to subdivision a of this section. The commissioner of environmental
12 protection shall designate at least one employee of the department of
13 environmental protection to respond to inquiries from owners of property
14 for which a tax lien containing a water rents, sewer rents or sewer
15 surcharges component has been sold or noticed for sale pursuant to
16 subdivision a of this section. The telephone numbers and electronic mail
17 addresses of employees designated pursuant to this subdivision shall be
18 posted online and shall be included on all publications and notices
19 required by subdivisions a and b of this section. Failure to include
20 such numbers and addresses on all such publications and notices shall
21 not affect the validity of any sale of tax liens pursuant to this chap-
22 ter.

23 g. No later than one hundred twenty days after the tax lien sale, the
24 commissioner of finance shall submit to the council a list of all prop-
25 erties, identified by block and lot, noticed for sale pursuant to subdi-
26 vision b of this section. Such list shall also include a description of
27 the disposition of such properties that shall include, but not be limit-
28 ed to, whether an owner entered into a payment plan with the city pursu-
29 ant to section 11-322 or 11-322.1 of this chapter, whether an owner
30 satisfied the tax lien or liens, whether ownership of the property was
31 transferred, provided that such information is available to the city, or
32 whether the property was distressed, as defined in subdivision four of
33 section 11-401 of this title, or removed from the sale pursuant to the
34 discretion of the commissioner of housing preservation and development.

35 h. 1. On a quarterly basis, a purchaser of tax liens shall provide to
36 the council a list of all properties on which tax liens have been sold
37 where, subsequent to such sale, there has been a transfer of ownership
38 of the property, provided that a purchaser of tax liens has knowledge of
39 such transfers, for the following groups:

40 (i) all properties on which liens for emergency repair charges or
41 alternative enforcement expenses and fees have been sold to such
42 purchaser pursuant to subdivision a-4 of section 11-319 of this chapter;
43 and

44 (ii) all class two residential property owned by a company organized
45 pursuant to article eleven of the private housing finance law that is
46 not a residential condominium or a residential cooperative on which any
47 tax lien has been sold pursuant to subdivision a, a-2 or a-4 of section
48 11-319 of this chapter.

49 2. When available, a purchaser of tax liens shall include the names
50 and contact information of the new owners of record of such properties.

51 i. On a quarterly basis, a purchaser of tax liens shall provide to the
52 council a property status report. For each property, such report shall
53 include: (1) information about such property, including property tax
54 class; property type; description of the tax lien or tax liens that have
55 been sold to such purchaser on such property pursuant to this chapter,
56 including the amount of the tax lien or tax liens, the costs of any

1 advertisements and notices given pursuant to this chapter; the amount of
2 the surcharge pursuant to section 11-332 of this chapter; and the amount
3 of interest and penalties thereon; and (2) the status of the tax lien or
4 tax liens, including foreclosure information, if applicable; whether the
5 property owner entered into an installment agreement; whether the prop-
6 erty owner is current on such installment agreement; and whether the tax
7 lien or tax liens on such property have been deemed defective, and, if
8 so, the reason any such lien or liens were deemed defective. Each prop-
9 erty listed in the report shall be identified by block and lot.

10 j. (1) At the request of a council member, the commissioner of
11 finance, in consultation with the commissioner of housing preservation
12 and development and the commissioner of environmental protection, may
13 conduct outreach sessions in the district of such council member,
14 provided, however, that, the commissioner of finance shall conduct such
15 outreach sessions in the ten council districts with the greatest number
16 of properties for which a notice of intention to sell a tax lien has
17 been mailed ninety days prior to the date of sale pursuant to paragraph
18 one of subdivision b of this section, and provided, further, however,
19 that, such commissioner shall conduct additional outreach sessions in
20 the five council districts with the greatest number of properties for
21 which a notice of intention to sell a tax lien has been mailed ninety
22 days prior to the date of sale pursuant to such paragraph. To the extent
23 practicable, the commissioner of finance shall schedule the outreach
24 sessions in the five council districts described in the preceding
25 sentence such that one occurs prior to the mailing of the notice of
26 intention to sell a tax lien that is required to be mailed thirty days
27 prior to the date of sale pursuant to paragraph one of subdivision b of
28 this section and one occurs subsequent to such mailing. The scope of
29 such outreach sessions shall include, but need not be limited to, (i)
30 actions property owners can take if a lien is sold on such property;
31 (ii) the type of tax lien or tax liens that can be sold in a tax lien
32 sale; (iii) installment agreement information, including informing
33 attendees in such outreach sessions of their option to enter into an
34 installment agreement for exclusion from the tax lien sale with no down
35 payment, with options for income-based installment agreements or
36 installment agreements with a term of up to ten years; (iv) credits and
37 property tax exemptions that may exclude a property from a tax lien
38 sale; (v) distribution of a customer survey to property owners who have
39 received notice of the intention to sell a tax lien on their property,
40 in order to determine the circumstances that led to the creation of the
41 lien; and (vi) any other credit or residential real property tax
42 exemption information, which, in the discretion of the commissioner of
43 finance, should be included in such outreach sessions. (2) The commis-
44 sioner of finance shall make a good faith effort to have a financial
45 counselor available at such outreach sessions. No later than ninety days
46 after the tax lien sale, the commissioner of finance shall submit to the
47 council a report on the number of outreach sessions performed in each
48 council district during the ninety-day period preceding the tax lien
49 sale. Such report shall include: (i) the number of installment agree-
50 ments begun by property owners or, as defined in subdivision b of
51 section 11-322 of this chapter, other eligible persons acting on behalf
52 of property owners at each outreach session; (ii) the number of property
53 tax exemption applications begun at each outreach session; (iii) the
54 total number of attendees at each outreach session; (iv) the number of
55 outreach sessions at which a financial counselor was available; (v) the
56 number of property owners, or other eligible persons acting on behalf of

1 property owners, who consulted a financial counselor at each outreach
2 session at which a financial counselor was available; and (vi) the
3 results of such surveys. Such report and the results of each outreach
4 session shall be disaggregated by council district.

5 k. The commissioner of finance shall post online the information
6 reported to the council pursuant to subdivisions h and i of this
7 section, provided that no information shall be posted online that
8 specifically identifies any property or property owner, except by zip
9 code and a randomly generated identifier.

10 § 11-321 Continuation of sale; notice required. A sale of a tax lien
11 or tax liens may be continued from time to time, if necessary, until all
12 the tax liens on the property so advertised and noticed shall be sold
13 unless such sale is canceled or postponed in accordance with section
14 11-322 or 11-322.1 of this chapter. If a sale of a tax lien or tax liens
15 is continued, the commissioner of finance, or his or her designee, shall
16 give such notice as is practicable of such continuation.

17 § 11-322 Postponement or cancellation of sales; installment agree-
18 ments. a. It shall be lawful for the commissioner of finance, or his or
19 her designee, to postpone or cancel any proposed sale of a tax lien or
20 tax liens on property that shall have been advertised and noticed for
21 sale prior to the date of sale. For purposes of this section, the words
22 "date of sale" shall have the same meaning provided in subdivision e of
23 section 11-320 of this chapter. The city shall not be liable for any
24 damages as a result of cancellation or postponement of a proposed sale
25 of a tax lien or tax liens, nor shall any cause of action arise from
26 such cancellation or postponement.

27 b. In accordance with rules promulgated by the commissioners of
28 finance and environmental protection, a property owner, or other eligi-
29 ble person, as defined by rule, acting on behalf of an owner, may enter
30 into agreements with the departments of finance and environmental
31 protection for the payment in installments of any delinquent real prop-
32 erty taxes, assessments, sewer rents, sewer surcharges, water rents, or
33 any other charges that are made a lien subject to the provisions of this
34 chapter. The proposed sale of a tax lien or tax liens on property shall
35 be cancelled when a property owner, or other eligible person acting on
36 behalf of an owner, enters into an agreement with the respective agency
37 for the payment of any such lien. Such rules shall also provide that
38 such property owners or such other eligible persons be given information
39 regarding eligibility for real property tax exemption programs prior to
40 entering into such agreements. As used in this subdivision, the term
41 "other eligible person" shall include a fiduciary, as defined in para-
42 graph three of subdivision (a) of section 11-1.1 of the estates, powers
43 and trusts law, acting with respect to the administration of the proper-
44 ty of an estate of a decedent who owned the real property as to which an
45 agreement under this subdivision is sought, or on behalf of a benefici-
46 ary of such real property from such estate. Any rules promulgated in
47 accordance with this subdivision defining "other eligible person" shall
48 include in such definition the means by which a beneficiary of real
49 property of the estate of a decedent who owned real property as to which
50 an agreement under this subdivision is sought meets the definition of
51 "other eligible person". Such means shall include the furnishing of any
52 death certificates or other relevant documents that substantiate the
53 claim of a beneficiary that they are the legal owner of the property.
54 Notwithstanding any other provision of this section, no more than one
55 such agreement with each respective agency may be in effect for a prop-
56 erty at any one time.

1 1. If payments required from a property owner, or other eligible
2 person acting on behalf of an owner, pursuant to such an agreement are
3 not made for a period of six months, such property owner, or such other
4 eligible person, shall be in default of such agreement, and the tax lien
5 or tax liens on the subject property may be sold, provided, however,
6 that such default may be cured upon such property owner's, or such other
7 eligible person's, bringing all installment payments and all current
8 charges that are outstanding at the time of the default to a current
9 status, which shall include, but not be limited to, any outstanding
10 interest and fees, prior to the date of sale, provided, however, that
11 such property owner, or such other eligible person, may elect to cure
12 such default by entering into a new installment agreement with a down
13 payment of twenty percent or more, of all delinquent real property
14 taxes, assessments, sewer rents, sewer surcharges, water rents and other
15 charges that are made a lien subject to the provisions of this chapter,
16 including any outstanding interest and fees, prior to the date of sale.
17 If such default is not cured prior to the date of sale, such property
18 owner, and any other eligible person acting on behalf of an owner, shall
19 not be eligible to enter into an installment agreement for the subject
20 property for five years, unless there is a finding of extenuating
21 circumstances by the department that entered into the installment agree-
22 ment with the property owner or such other eligible person. Notwith-
23 standing the prohibition against entering into an installment agreement
24 for the subject property for five years, a property owner, or such other
25 eligible person, who has defaulted on an installment agreement and whose
26 lien has been sold and, subsequent to the sale of the lien, whose prop-
27 erty on which the lien was sold is subject to another tax lien that is
28 eligible to be sold, may elect to enter into another installment agree-
29 ment with respect to such other lien before the end of such five-year
30 period, provided that such property owner, or such other eligible
31 person, makes a down payment of twenty percent or more, of all delin-
32 quent real property taxes, assessments, sewer rents, sewer surcharges,
33 water rents and other charges that are made a lien subject to the
34 provisions of this chapter, including any outstanding interest and fees,
35 prior to the date of the sale. No such property owner, or such other
36 eligible person, may make the election that is authorized pursuant to
37 this paragraph to enter into an installment agreement with a down
38 payment more than once for the subject property. The standards relating
39 to defaults and cures of defaults of installment agreements set forth in
40 this paragraph apply to installment agreements entered into pursuant to
41 such election.

42 2. An installment agreement shall provide for payments by the property
43 owner, or other eligible person acting on behalf of an owner, on a quar-
44 terly or monthly basis, for a period not less than eight years and not
45 more than ten years, provided that a property owner, or other eligible
46 person acting on behalf of an owner, may elect a period less than eight
47 years. Except as provided in paragraph one of this subdivision, there
48 shall be no down payment required upon the property owner's, or such
49 other eligible person's, entering into the installment agreement with
50 the respective department, but the property owner, or other eligible
51 person acting on behalf of an owner, may elect to make a down payment.
52 With respect to installment agreements with the commissioner of environ-
53 mental protection, the determination of whether payments shall be on a
54 quarterly or monthly basis shall be in the discretion of such commis-
55 sioner, except as provided in paragraph three of this subdivision. With
56 respect to installment agreements with the commissioner of finance, the

1 determination of whether payments shall be on a quarterly or monthly
2 basis shall be in the discretion of the property owner, or other eligi-
3 ble person acting on behalf of an owner.

4 3. Beginning on January first, two thousand twelve, any property owner
5 who has entered into an installment agreement with the commissioner of
6 environmental protection pursuant to this subdivision and who has auto-
7 mated meter reading shall receive a consolidated monthly bill for
8 current sewer rents, sewer surcharges and water rents and any payment
9 due under such installment agreement.

10 4. No later than September first, two thousand eleven, the commission-
11 ers of finance and environmental protection shall promulgate rules
12 governing installment agreements, including but not limited to, the
13 terms and conditions of such agreements, the payment schedules, and the
14 definition and consequences of default; no later than June first, two
15 thousand fourteen, the commissioners of finance and environmental
16 protection shall promulgate rules governing eligibility of owners or
17 other eligible persons acting on behalf of owners to enter into install-
18 ment agreements.

19 5. All installment agreements executed on or after March first, two
20 thousand fifteen shall include a conspicuous statement that if payments
21 required from a property owner pursuant to such an agreement are not
22 made for a period of six months, such property owner shall be in default
23 of such agreement, and the tax lien or tax liens on the subject property
24 may be sold, provided, however, that such default may be cured upon such
25 property owner's bringing all installment payments and all current
26 charges that are outstanding at the time of the default to a current
27 status, which shall include, but not be limited to, any outstanding
28 interest and fees, prior to the date of sale. Such statement shall also
29 include a notification that if such default is not cured prior to the
30 date of sale, such property owner shall not be eligible to enter into an
31 installment agreement for the subject property for five years, unless
32 there is a finding of extenuating circumstances in accordance with rules
33 promulgated by the department that entered into the installment agree-
34 ment with the property owner. Such statement shall include the defi-
35 nition of extenuating circumstances. All installment agreements shall
36 also include a statement describing the conditions under which the prop-
37 erty owner, or any other eligible person acting on behalf of an owner,
38 may be eligible, after default, to enter into another installment agree-
39 ment after such default, in accordance with paragraph one of this subdivi-
40 sion.

41 6. If a property owner, or other eligible person acting on behalf of
42 an owner, who has entered into an installment agreement with the depart-
43 ment of finance, fails to make a payment pursuant to such agreement,
44 then the department of finance shall, after the first missed payment,
45 mail a letter to the property owner, or other eligible person acting on
46 behalf of an owner, stating that such owner, or other eligible person,
47 is at risk of being in default of such agreement. The letter shall be
48 mailed after the first missed payment if the department has not received
49 payment within two weeks of the due date.

50 c. No later than January thirty-first, two thousand twenty-four, and
51 no later than every January thirty-first thereafter, the department of
52 finance shall submit a report to the mayor and to the speaker of the
53 council on real property with an assessed value of two hundred fifty
54 thousand dollars or less for which: (A) the owner of such real property
55 has entered into an agreement pursuant to this section for the payment
56 in installments of real property taxes, assessments or other charges

1 that are made a lien subject to the provisions of chapter three of this
2 title other than water rents, sewer rents, or sewer surcharges; and (B)
3 such unpaid taxes are subject to the interest rate described in subdivi-
4 sion e of section 11-313 of this chapter for the preceding calendar
5 year, including, but not limited to the following data:

6 1. the number of such agreements executed during the preceding calen-
7 dar year;

8 2. the number of such agreements that were in effect on December thir-
9 ty-first of the preceding calendar year;

10 3. the number of applications for such agreements that were received
11 during the preceding calendar year, and the number of such applications
12 that were not approved;

13 4. the average amount of property taxes and charges subject to such
14 agreements; and

15 5. the number of such agreements that entered into default and the
16 number of defaults that were cured.

17 § 11-322.1 Hardship installment agreements. a. Definitions. For
18 purposes of this section, the following terms have the following mean-
19 ings:

20 1. Applicant. The term "applicant" means a property owner who files an
21 application for an installment agreement under this section. Such term
22 includes a property owner who has entered into an installment agreement
23 after filing such an application.

24 2. Default. The term "default" means that an installment payment
25 required under the installment agreement entered into under this section
26 remains unpaid in whole or in part for six months from the date pay-
27 ment is required to be made, or any other tax or charge that becomes due on
28 the property during the term of such agreement remains unpaid in whole
29 or in part for six months.

30 3. Department. The term "department" means the department of finance.

31 4. Dwelling unit. The term "dwelling unit" means a unit in a condomi-
32 nium used primarily for residential purposes.

33 5. Fair market value. The term "fair market value" means the fair
34 market value of property as determined by the department or the fair
35 market value as determined by an appraisal obtained by the applicant
36 pursuant to paragraph four of subdivision g of this section, provided
37 that such appraisal shall be subject to review, and may be rejected, by
38 the department.

39 6. Income. The term "income" means the adjusted gross income for
40 federal income tax purposes as reported on an applicant's federal or
41 state income tax return for the applicable income tax year, subject to
42 any subsequent amendments or revisions; provided that if no such return
43 was filed for the applicable income tax year, "income" means the
44 adjusted gross income that would have been so reported if such a return
45 had been filed.

46 7. Income tax year. The term "income tax year" means the most recent
47 calendar year or fiscal year for which an applicant filed a federal or
48 state income tax return.

49 8. Net equity. The term "net equity" means the fair market value of
50 property minus any liabilities outstanding against such property, such
51 as mortgages, outstanding property taxes, water and sewer charges, and
52 any other liens on such property.

53 9. Property. The term "property" means real property classified as
54 class one pursuant to section eighteen hundred two of the real property
55 tax law or a dwelling unit in a condominium.

1 10. Property owner. The term "property owner" means an owner of real
2 property classified as class one pursuant to section eighteen hundred
3 two of the real property tax law or of a dwelling unit in a condominium,
4 or other eligible person, as defined in subdivision (i) of section 40-03
5 of title nineteen of the rules of the city of New York, acting on behalf
6 of such owner.

7 b. A property owner who satisfies the requirements described in subdivi-
8 sion c and d, e or f of this section may enter into an agreement with
9 the department pursuant to this section for the payment in installments
10 of real property taxes, assessments or other charges that are made a
11 lien subject to the provisions of this chapter, except for sewer rents,
12 sewer surcharges or water rents. The entry into an installment agreement
13 pursuant to this section shall not suspend the accrual of interest
14 charged against the property pursuant to section 11-301 of this chapter.
15 A property owner may only have one installment agreement with the
16 department in effect at any one time.

17 c. Eligibility requirements for an installment agreement under this
18 section. To be eligible to enter into an installment agreement pursuant
19 to this section, an applicant must demonstrate that the following
20 requirements are met:

21 1. The applicant is a property owner.

22 2. The property shall have been the primary residence of the applicant
23 for an uninterrupted period of not less than one year immediately
24 preceding the date the application for the installment agreement is
25 submitted and continues to be the primary residence of the applicant
26 through the date the installment agreement is entered into. Hospitali-
27 zation or a temporary stay in a nursing home or rehabilitation facility
28 for a period of not more than three years shall not be considered a
29 change in primary residence.

30 3. The combined income of the applicant and of all the additional
31 property owners may not exceed eighty-six thousand four hundred dollars
32 for the income tax year immediately preceding the date of the applica-
33 tion for the installment agreement. The department shall promulgate
34 rules that establish a process for an applicant to seek an exception
35 from the requirement that income information from all additional proper-
36 ty owners be provided in cases of hardship.

37 d. Eligibility requirement for senior low-income installment agree-
38 ment. In addition to the requirements set forth in subdivision c of this
39 section, to be eligible to enter into a senior low-income installment
40 agreement pursuant to subdivision l of this section, an applicant must
41 be sixty-five years of age or older when the application is submitted.

42 e. Eligibility requirement for fixed length income-based installment
43 agreement. To be eligible to enter into a fixed length income-based
44 installment agreement pursuant to subdivision m of this section, an
45 applicant must satisfy the requirements set forth in subdivision c of
46 this section.

47 f. Eligibility requirements for extenuating circumstances income-based
48 installment agreement. In addition to the requirements set forth in
49 subdivision c of this section, for an applicant to be eligible to enter
50 into an extenuating circumstances income-based installment agreement
51 pursuant to subdivision n of this section, the department must make a
52 finding of extenuating circumstances pursuant to the process described
53 in paragraph four of subdivision (e) of section 40-03 of title nineteen
54 of the rules of the city of New York.

55 g. Initial application procedure. 1. An initial application for an
56 installment agreement under this section shall include:

1 (a) for installment agreements that provide for the payment of taxes
2 and charges that will accrue after the date of the installment agree-
3 ment, a title search identifying all mortgages and other liens on the
4 property; and

5 (b) the signature of a primary resident of the property, and if such
6 primary resident does not hold an ownership interest of at least fifty
7 percent in the subject property, the signature of any other owner of the
8 property who, in combination with such primary resident, holds an owner-
9 ship interest of at least fifty percent in such property, consenting to
10 the application for an installment agreement.

11 2. A complete application must be submitted to, and approved by, the
12 department.

13 3. An applicant may select a monthly or quarterly payment schedule and
14 may also select the amount that is required to be paid under the appli-
15 cable installment agreement pursuant to the options available pursuant
16 to subdivision l, m or n of this section.

17 4. An applicant who is the property owner of a dwelling unit in a
18 condominium may submit an appraisal obtained by such applicant of the
19 fair market value of such dwelling unit provided that:

20 (a) the valuation date of such appraisal is a date within, and such
21 appraisal shall have been prepared no more than, twelve months prior to
22 submission of an application;

23 (b) the cost of such appraisal shall be borne by such applicant; and

24 (c) the cost of such appraisal may not be included in the amount
25 subject to the installment agreement.

26 h. Renewal. 1. An installment agreement under this section shall
27 terminate unless an applicant files a renewal application each year. At
28 least sixty days before one year from the date such installment agree-
29 ment was entered into or renewed, the department shall mail each appli-
30 cant a renewal application, provided, however, that upon any such
31 renewal application being made by the applicant, any installment agree-
32 ment then in effect with respect to such applicant shall be deemed
33 renewed until such time as the department shall have found such appli-
34 cant to be either eligible or ineligible for the renewal of the install-
35 ment agreement but in no event for more than six additional months.

36 2. To renew an installment agreement under this section, an applicant
37 must submit a renewal application to the department on or before one
38 year from the date such installment agreement was entered into and each
39 year thereafter for which renewal is sought. To be eligible to renew
40 such agreement, an applicant must demonstrate that:

41 (a) the property continues to be the primary residence of such appli-
42 cant and such residence has been uninterrupted since the date the
43 initial installment agreement was entered into; and

44 (b) the combined income of such applicant and of all the additional
45 property owners does not exceed fifty-eight thousand three hundred nine-
46 ty-nine dollars for the income tax year immediately preceding the date
47 of the renewal of such installment agreement, except that an applicant
48 for the renewal of a fixed length income-based installment agreement
49 pursuant to subdivision m of this section is not required to submit
50 income information.

51 i. Effects of installment agreement on tax lien and tax lien sale. 1.
52 The execution of an installment agreement pursuant to this section shall
53 not suspend the accrual of liens, interest and other charges against the
54 property, which continue to accrue in accordance with applicable law.

55 2. A property for which an application has been submitted that
56 contains proof of income and, for a senior low-income installment agree-

1 ment described in subdivision l of this section, proof of age, and that
2 is signed, but is otherwise incomplete, shall be withdrawn from the next
3 tax lien sale. Such property, however, may be included in the tax lien
4 sale subsequent to the next tax lien sale if a completed application is
5 not submitted within forty-five days from the date of the additional
6 information request notice sent to the applicant by the department or if
7 the completed application is denied.

8 j. Amount subject to installment agreement. 1. Each approved install-
9 ment agreement shall set forth terms of repayment, including (a) the
10 frequency of payments, (b) the percentage of the taxes and charges that
11 forms the basis of the required payment for the senior low-income
12 installment agreement described in subdivision l of this section, or the
13 percentage of the combined income of the property owners for the income
14 tax year immediately preceding the initial application that forms the
15 basis of the required payment for the installment agreement for the
16 fixed length income-based and the extenuating circumstances income-based
17 installment agreements described in subdivisions m and n respectively,
18 (c) the payment schedule, and (d) the payment amount.

19 2. A lien sold in a tax lien sale before the date of an application
20 for an installment agreement is not eligible to be included in an
21 installment agreement under this section.

22 3. The applicant may choose to include the cost of the title search
23 required to be submitted with an application pursuant to subparagraph
24 (a) of paragraph one of subdivision g of this section in the amount
25 subject to the installment agreement. If an applicant chooses to include
26 such cost, the applicant may either select a title company to conduct
27 the required search and present documentation to the department of the
28 cost, or direct the department to use a title company selected by the
29 department. The department shall pay the cost of the title search and be
30 reimbursed by the applicant through the addition of the cost to the
31 amount subject to the installment agreement. The applicant shall make
32 such reimbursement in the first year of the installment agreement, in
33 monthly or quarterly payments, consistent with the payment frequency
34 selected for the installment agreement. The cost of the title search
35 shall bear interest at the same rate as the interest on unpaid real
36 property tax as provided in section 11-224.1 of this title.

37 4. (a) Any time the amount of the liens on a property subject to an
38 installment agreement under this section exceeds twenty-five percent of
39 the net equity in such property, the applicant shall pay all taxes and
40 charges imposed against the property that exceed twenty-five percent of
41 the net equity in the property as such taxes and charges become due, in
42 addition to the payment amount set forth in the installment agreement.

43 (b) Notwithstanding subparagraph (a) of this paragraph and provided
44 that section five hundred eighty-one of the real property tax law is in
45 effect in the same form as such section was in effect as of the effec-
46 tive date of this section, for property that is a dwelling unit in a
47 condominium subject to an installment agreement under this section and
48 for which an appraisal has not been obtained pursuant to paragraph four
49 of subdivision g of this section, any time the amount of the liens
50 subject to such agreement exceeds fifty percent of the net equity in
51 such property, the applicant shall pay all taxes and charges imposed
52 against such property that exceed fifty percent of the net equity in
53 such property as such taxes and charges become due, in addition to the
54 payment amount set forth in the installment agreement. For property that
55 is a dwelling unit in a condominium and for which an appraisal has been
56 obtained pursuant to paragraph four of subdivision g of this section,

1 any time the amount of the liens subject to an installment agreement
2 under this section exceeds the higher of (i) fifty percent of the net
3 equity in such property based on the fair market value determined by the
4 department; or (ii) twenty-five percent of the net equity in such prop-
5 erty based on the fair market value determined by the appraisal obtained
6 by the applicant, the applicant shall pay all taxes and charges imposed
7 against such property that exceed the higher of the amounts described by
8 clauses (i) and (ii) of this subparagraph as such taxes and charges
9 become due, in addition to the payment amount set forth in the install-
10 ment agreement.

11 (c) The department shall provide each applicant with a written projec-
12 tion at the time the installment agreement is entered into as to when
13 the twenty-five or fifty percent threshold, as determined pursuant to
14 subparagraphs (a) and (b) of this paragraph, will be exceeded. The
15 department shall also notify each property owner in writing when the
16 amount of the liens exceeds such threshold. Failure by the department to
17 provide an applicant with such projection or to notify a property owner
18 when the amount of the liens exceeds the applicable threshold, however,
19 shall not affect the validity of the installment agreement that has been
20 entered into, nor shall any claim arise or exist against the commission-
21 er of finance or any officer or agency of the city by reason of such
22 failure to provide such projection or such notification.

23 5. If at any time the department determines that the fair market value
24 of a property subject to an installment agreement under this section has
25 increased, an applicant may request that the net equity in such property
26 be recalculated and the net equity amount included in such installment
27 agreement be adjusted to reflect the recalculated net equity in such
28 property.

29 6. If the combined income of all of the property owners exceeds
30 fifty-eight thousand three hundred ninety-nine dollars for the income
31 tax year immediately preceding the date of making a renewal application
32 pursuant to subdivision h of this section, the applicant shall pay all
33 taxes and charges imposed against the property after the date of such
34 renewal application as such taxes and charges become due, in addition to
35 the payment amount set forth in such installment agreement.

36 k. Termination of installment agreement. 1. An installment agreement
37 shall be terminated when any of the following occurs:

38 (a) The property whose liens are the subject of such installment
39 agreement is no longer the primary residence of the applicant. An appli-
40 cant whose installment agreement has been terminated because of such
41 reason may apply to enter into an installment agreement pursuant to
42 section 11-322 of this chapter.

43 (b) The fixed term of the installment agreement expires. An applicant
44 whose installment agreement has been terminated because of such expira-
45 tion may apply to enter into an installment agreement pursuant to
46 section 11-322 of this chapter or to this section.

47 (c) The applicant is deceased.

48 (d) The applicant opts out of an installment agreement without a fixed
49 term as described in paragraph one of subdivision 1 of this section. An
50 applicant who opts out of such agreement may apply to enter into an
51 installment agreement pursuant to section 11-322 of this chapter or to
52 this section.

53 (e) The applicant does not file a timely renewal application in
54 accordance with the provisions of subdivision h of this section.

1 (f) The applicant is in default and has not cured such default as
2 provided in subparagraph (a) of paragraph three of this subdivision
3 prior to the next tax lien sale.

4 (g) The applicant has defaulted on the installment agreement and has
5 cured such default by entering into a new installment agreement pursuant
6 to clause two or three of subparagraph (a) of paragraph three of this
7 subdivision.

8 2. If an installment agreement is terminated, all taxes and charges
9 that accrued before such termination are required to be paid. If such
10 taxes and charges are not paid within nine months of such termination,
11 the tax lien or tax liens on such property may be sold. Notwithstanding
12 the preceding sentence, if an agreement is terminated pursuant to
13 subparagraph (c) of paragraph one of this subdivision, a surviving
14 spouse has eighteen months from the death of the applicant to pay all
15 taxes and charges on such property before the tax lien or tax liens on
16 such property may be sold. If such surviving spouse is a property owner
17 he or she may enter into a separate installment agreement pursuant to
18 section 11-322 of this chapter or subdivision l, m or n of this section,
19 as long as he or she meets the eligibility requirements for the respec-
20 tive installment agreement.

21 3. (a) An applicant may cure a default by:

22 (i) bringing all installment payments and all current charges, includ-
23 ing but not limited to any interest and fees, that are outstanding at
24 the time of the default to a current status prior to the date of the tax
25 lien sale;

26 (ii) entering into a new installment agreement with a down payment of
27 twenty percent or more, of all delinquent real property taxes, assess-
28 ments, sewer rents, sewer surcharges, water rents and other charges that
29 are made a lien subject to the provisions of this chapter, including any
30 outstanding interest and fees, prior to the date of such sale; or

31 (iii) entering into a new installment agreement under this section if
32 the department has made a finding of extenuating circumstances pursuant
33 to the process described in paragraph four of subdivision (e) of section
34 40-03 of title nineteen of the rules of the city of New York.

35 (b) If a default is not cured prior to the date of the tax lien sale,
36 such applicant shall not be eligible to enter into an installment agree-
37 ment for the subject property for five years, unless the department has
38 made a finding of extenuating circumstances pursuant to the process
39 described in paragraph four of subdivision (e) of section 40-03 of title
40 nineteen of the rules of the city of New York.

41 (c) Notwithstanding the prohibition in subparagraph (b) of this para-
42 graph against entering into an installment agreement for the subject
43 property for five years, an applicant who has defaulted on an install-
44 ment agreement and whose lien has been sold and, after the sale of the
45 lien, whose property on which the lien was sold is subject to another
46 tax lien that is eligible to be sold, may apply to enter into another
47 installment agreement with respect to such other lien before the end of
48 such five-year period, provided that such applicant makes a down payment
49 of twenty percent or more, of all delinquent real property taxes,
50 assessments, sewer rents, sewer surcharges, water rents and other charg-
51 es that are made a lien subject to the provisions of this chapter,
52 including any outstanding interest and fees, prior to the date of the
53 tax lien sale. An applicant shall not be eligible to enter an install-
54 ment agreement with a down payment under this subparagraph more than
55 once for the subject property.

1 (d) If a property owner who has entered into an installment agreement
2 with the department pursuant to this section fails to make a payment
3 pursuant to such agreement, the department shall, after the first missed
4 payment, mail a letter or send an email, when such address is known, to
5 the property owner stating that such owner is at risk of being in
6 default of such agreement. The letter or email shall be sent after the
7 first missed payment if the department has not received payment within
8 two weeks of the due date. Failure by the department to mail such letter
9 or send such email, however, shall not affect the validity of the
10 installment agreement that has been entered into, nor shall any claim
11 arise or exist against the commissioner of finance or any officer or
12 agency of the city by reason of such failure to mail such letter or send
13 such email.

14 1. Senior low-income installment agreement. 1. At the option of the
15 applicant, a senior low-income installment agreement may provide for
16 payments for a fixed period of time or for payments without a fixed
17 period of time. If the applicant selects an installment agreement with a
18 fixed time period, the applicant may select the term of the agreement.
19 The applicant may switch from an installment agreement without a fixed
20 time period to an installment agreement with a fixed time period, or
21 from an installment agreement with a fixed time period to an installment
22 agreement without a fixed time period, at any point.

23 2. A senior low-income installment agreement shall provide for the
24 payment of both a percentage of taxes and charges that have accrued, if
25 any, and a percentage of taxes and charges that will accrue after the
26 date of the installment agreement. The applicant may elect to pay an
27 installment amount based on zero percent, twenty-five percent, fifty
28 percent or seventy-five percent of the annual taxes and charges that
29 have accrued, if any, and that will accrue. If the applicant selects an
30 agreement with a fixed time period, the required payment shall be based
31 on the percentage selected and the term selected. If the applicant
32 selects an agreement without a fixed time period, the required payment
33 shall be based on the percentage selected for prospective taxes and
34 charges and a partial or full payment of the percentage of taxes and
35 charges that have accrued, if any. The applicant may adjust the payment
36 percentage at any point during the installment agreement, but may not
37 make more than one such adjustment during any six-month period.

38 m. Fixed length income-based installment agreement. 1. At the option
39 of the applicant, a fixed length income-based installment agreement
40 pursuant to this subdivision may provide for the payment of (a) only
41 taxes and charges that have accrued or (b) taxes and charges that have
42 accrued and taxes and charges that will accrue over the next fiscal
43 year. If option (a) is selected, the applicant shall pay all taxes and
44 charges that become due on the property after the installment agreement
45 is entered into in addition to the payment schedule provided in the
46 installment agreement. If option (b) is selected, the applicant shall
47 pay all taxes and charges that will accrue on the property after the
48 installment agreement has been in effect for one year in addition to the
49 payment schedule provided in the installment agreement.

50 2. The annual payment amount required pursuant to an installment
51 agreement described by this subdivision shall be based on a percentage
52 of the combined income of all of the property owners for the income tax
53 year immediately preceding the initial application for such installment
54 agreement. The applicant may select a percentage of two percent, four
55 percent, six percent or eight percent of such combined income. The
56 installment payment shall be calculated by dividing the annual payment

1 amount by twelve or four, depending on whether a monthly or quarterly
2 payment schedule is selected. The term of the agreement shall be calcu-
3 lated by dividing the taxes and charges included in the agreement pursu-
4 ant to paragraph one of this subdivision by the installment payment
5 determined by the calculation described in this paragraph.

6 3. An applicant may adjust the payment percentage at any point during
7 the installment agreement, but may not make more than one such adjust-
8 ment during any six-month period.

9 n. Extenuating circumstances income-based installment agreement. 1.
10 An extenuating circumstances income-based installment agreement shall
11 provide for the payment, during the period of such agreement, of a
12 percentage of taxes and charges that have accrued on the property and
13 taxes and charges that accrue after the date of the installment agree-
14 ment.

15 2. The annual payment amount required pursuant to an installment
16 agreement described by this subdivision shall be based on a percentage
17 of the combined income of all of the property owners for the income tax
18 year immediately preceding the initial application for an installment
19 agreement. The applicant may select a percentage of two percent, four
20 percent, six percent, or eight percent of such combined income. Such
21 installment payment shall be calculated by dividing the annual payment
22 amount by twelve or four, depending on whether a monthly or quarterly
23 payment schedule is selected. The installment agreement shall be for a
24 term of one year but may be extended on a yearly basis if the department
25 determines that the extenuating circumstances continue.

26 3. An applicant may adjust the payment percentage at any point during
27 the installment agreement, but may not make more than one such adjust-
28 ment during any six-month period.

29 o. After an applicant has entered into an installment agreement with
30 the department pursuant to this section, the department shall record the
31 entry of such agreement on the automated city register information
32 access system. Failure by the department to record such agreement,
33 however, shall in no manner affect the validity of such agreement, nor
34 shall any claim arise or exist against the commissioner of finance or
35 any officer or agency of the city by reason of such failure to record.

36 p. All installment agreements executed pursuant to this section on or
37 after the effective date of this subdivision shall include:

38 1. a statement that if payments required from an applicant pursuant to
39 such an agreement are not made for a period of six months, such appli-
40 cant shall be in default of such agreement, and the tax lien or tax
41 liens on the subject property may be sold, provided, however, that such
42 default may be cured upon such applicant's bringing all installment
43 payments and all current charges that are outstanding at the time of the
44 default to a current status, which shall include, but not be limited to,
45 any outstanding interest and fees, prior to the date of the tax lien
46 sale;

47 2. a notification that if such default is not cured prior to the date
48 of the tax lien sale, such property owner shall not be eligible to enter
49 into an installment agreement for the subject property for five years,
50 unless a finding of extenuating circumstances has been made by the
51 department pursuant to the process described in paragraph four of subdi-
52 vision (e) of section 40-03 of title nineteen of the rules of the city
53 of New York;

54 3. the definition of extenuating circumstances pursuant to such para-
55 graph;

1 4. a statement describing the conditions under which the property
2 owner may be eligible, after default, to enter into another installment
3 agreement in accordance with paragraph three of subdivision k of this
4 section; and

5 5. the date by which the applicant must submit a renewal application
6 each year.

7 q. Every January thirty-first, the department shall submit to the
8 speaker of the council a report on the usage of the installment agree-
9 ments set forth in this section in the prior calendar year, including,
10 but not limited to the following data, disaggregated by installment
11 agreement type:

12 1. the number of new installment agreements executed;

13 2. the number of installment agreements in effect on December thirty-
14 first of each year;

15 3. the number of applications for installment agreements received, the
16 number of applications not approved, and the reasons for disapproval;

17 4. for the senior low-income installment agreements, the number of new
18 installment agreements executed at zero percent, twenty-five percent,
19 fifty percent and seventy-five percent;

20 5. for the fixed length and extenuating circumstances income-based
21 installment agreements, the number of new installment agreements
22 executed at two percent, four percent, six percent or eight percent;

23 6. the average amount of property taxes and charges addressed by the
24 installment agreement;

25 7. the number of installment agreements that entered into default, the
26 number of defaults that were cured and the method by which they were
27 cured;

28 8. the number of installment agreements that were terminated, by
29 reason of termination;

30 9. the number of installment agreements that were renewed, including
31 whether such renewal occurred before or during the six-month period
32 described in paragraph one of subdivision h of this section; and

33 10. the number of installment agreements where the amount of liens on
34 the subject property exceeded the applicable percent of the net equity
35 in such property.

36 r. The department shall publicize the availability of the installment
37 agreements set forth in this section so as to maximize public awareness
38 of such agreements.

39 § 11-323 Commissioner of finance to conduct sale. The commissioner of
40 finance or his or her designee shall conduct the sales hereinbefore
41 provided to be made, or the commissioner may, in his or her discretion,
42 contract with any other person to conduct competitive sales of tax
43 liens.

44 § 11-324 Deposits and forfeits. The commissioner of finance may
45 require from each purchaser of a tax lien or tax liens, in cash or cash
46 equivalent in immediately available funds in the discretion of such
47 commissioner, a deposit of at least five per cent of the cash portion of
48 the sale price of the tax lien or tax liens purchased by him or her, as
49 liquidated damages, on a date determined by the commissioner of finance.
50 The balance shall be paid to the commissioner of finance in cash or cash
51 equivalent in immediately available funds or such other consideration
52 acceptable to the commissioner of finance or any combination thereof, in
53 his or her discretion. For purposes of this chapter "cash equivalent"
54 shall mean a cashier's check, bank check, certified check, money order,
55 or such other paper instrument as the commissioner of finance shall
56 prescribe. Such deposit and balance may also be paid by electronic funds

1 transfer. For purposes of this chapter, "electronic funds transfer"
2 shall mean any transfer of funds, other than a transaction originated by
3 check, draft or similar paper instrument, which is initiated using a
4 format prescribed by the commissioner of finance. A tax lien certificate
5 shall be made and delivered to the purchaser upon payment of the sale
6 price. In case any purchaser shall default in any obligation under the
7 terms and conditions of the tax lien sale, then the amount deposited by
8 the purchaser shall be forfeited to the city, and the tax lien or tax
9 liens upon the property affected by such purchase may be sold again at
10 the discretion of the commissioner of finance pursuant to section 11-319
11 of this chapter. All deposits forfeited as aforesaid shall be paid into
12 the general fund.

13 § 11-327 Tax lien certificates; operation. A tax lien certificate
14 shall operate to transfer and assign the tax lien upon the property
15 described therein for the taxes, assessments, sewer rents, sewer
16 surcharges, water rents, any other charges that are made a lien subject
17 to the provisions of this chapter, the costs of any notices and adver-
18 tisements given pursuant to this chapter, any other charges that are due
19 and payable, a surcharge pursuant to section 11-332 of this chapter, and
20 interest and penalties thereon.

21 § 11-328 Contents of a tax lien certificate. A tax lien certificate
22 shall contain a transfer and assignment by the city of the tax lien sold
23 to the purchaser, the date of the sale, the aggregate amount of the tax
24 lien so transferred, and the items of taxes, assessments, sewer rents,
25 sewer surcharges, water rents, any other charges that are made a lien
26 subject to the provisions of this chapter, the costs of any advertise-
27 ments and notices given pursuant to this chapter, any other charges that
28 are due and payable, a surcharge pursuant to section 11-332 of this
29 chapter, and interest and penalties thereon comprising the tax lien, the
30 rate of interest which the tax lien certificate will bear, the date when
31 the amounts under such tax lien are due pursuant to section 11-332 of
32 this chapter, and a description of the property affected by the tax
33 lien, which description shall include the designation of such property
34 on the tax map, by its lot number and the number of the block in which
35 it is contained, and such other identifying information as the commis-
36 sioner of finance or his or her designee may deem proper to add. For
37 purposes of this section, the words "date of sale" shall have the same
38 meaning provided in subdivision (e) section 11-320 of this chapter. Each
39 tax lien certificate shall be executed by the commissioner of finance or
40 his or her designee by manual or facsimile signature and shall be
41 acknowledged by the manual or facsimile signature of the officer
42 subscribing the same in the manner in which a deed is required to be
43 acknowledged to be recorded in the county in which the property affected
44 is situated. The commissioner of finance may designate an agent for
45 purposes of authenticating any such signature.

46 § 11-330 Record of tax lien certificates. The commissioner of finance
47 or his or her designee, shall keep in his or her office a public record
48 of sales of tax liens, and a copy of each tax lien certificate issued by
49 such commissioner or his or her designee. Assignments of tax lien
50 certificates duly acknowledged may be filed and recorded in the office
51 of the commissioner of finance or his or her designee. A tax lien
52 certificate and any assignment thereof, duly acknowledged, shall be
53 deemed conveyances under article eight of the real property law, and may
54 be recorded in the office of the recording officer of any county in
55 which the real property which it affects is situated. Tax lien certif-
56 icates and all assignments thereof shall be recorded by recording offi-

1 cers in the same manner as mortgages and assignments thereof, but with-
2 out payment of tax under article eleven of the tax law. Neither the tax
3 lien nor the rights transferred or created by a tax lien certificate
4 shall be impaired by failure of a recording officer to record a tax lien
5 certificate made by the city through the commissioner of finance or his
6 or her designee.

7 § 11-331 Records to be competent evidence. The record in the office of
8 the commissioner of finance or his or her designee of sales of tax
9 liens, of a tax lien certificate, and of a copy of a tax lien certifi-
10 cate, and of an assignment of a tax lien certificate, a record of a tax
11 lien certificate in the office of a recording officer, and of an assign-
12 ment of a tax lien certificate, duly acknowledged, in the office of a
13 recording officer, shall each be evidence in any court in the state
14 without further proof. A transcript of any record enumerated in this
15 section, duly certified, shall be evidence in any court in the state
16 with like effect as the original instrument of record.

17 § 11-332 Rights of purchaser of tax lien. a. Any purchaser of a tax
18 lien or tax liens shall stand in the same position as the city and shall
19 have all the rights and remedies that the city would have had if the tax
20 lien or tax liens had not been sold.

21 b. The aggregate amount of each tax lien transferred pursuant to this
22 chapter shall be due and payable one year from the date of the sale.
23 Until such aggregate amount is fully paid and discharged, the holder of
24 the tax lien certificate shall be entitled to receive interest on such
25 aggregate amount from the date of sale, and semi-annually at the rate of
26 interest applicable in accordance with section 11-319 of this chapter.
27 If such aggregate amount is partially paid, the holder of the tax lien
28 certificate shall be entitled to receive interest only on the amount
29 that remains unpaid. Notwithstanding the foregoing sentence, the holder
30 of the tax lien certificate shall be entitled to receive and retain a
31 surcharge equal to five percent of the lien arising pursuant to the
32 provisions of this chapter as a result of the nonpayment of taxes,
33 assessments, sewer rents, sewer surcharges, water rents, any other
34 charges that are made a lien subject to the provisions of this chapter,
35 the costs of any advertisements and notices given pursuant to this chap-
36 ter, any other charges that are due and payable, and interest and penal-
37 ties thereon. Any amounts due shall be paid directly to the holder of
38 the tax lien certificate. At the option of the holder of any tax lien
39 certificate the aggregate amount thereof shall become subject to fore-
40 closure after default in the payment of interest for thirty days or
41 after default for six months after the date of sale stated in the tax
42 lien certificate in accordance with subdivision (d) of section 11-320
43 and section 11-328 of this chapter in the payment of any taxes, assess-
44 ments, sewer rents, sewer surcharges, water rents, any other charges
45 that are made a lien subject to the provisions of this chapter, or the
46 interest or penalties thereon which become a lien on or after the date
47 of sale of the tax lien transferred by such tax lien certificate. At his
48 or her option, the holder of the tax lien certificate may satisfy any
49 such subsequent tax lien on the same property, and shall, by virtue of
50 such satisfaction, be deemed to be in the same position as if he or she
51 were a purchaser of a tax lien certificate for such subsequent tax lien,
52 provided, however, that such holder shall not be entitled to receive a
53 five percent surcharge on such subsequent tax lien pursuant to this
54 section. The rate of interest on such subsequent lien shall be the rate
55 of interest applicable to tax lien certificates pursuant to section
56 11-319 of this chapter. The commissioner of finance or his or her desig-

1 nee, at the request of the purchaser of such subsequent lien, shall
2 issue a tax lien certificate for such lien pursuant to sections 11-327
3 and 11-328 of this chapter. Upon issuance of such certificate, the
4 commissioner of finance or his or her designee shall provide such notice
5 as is required pursuant to section 11-320(d) of this chapter. Failure to
6 provide notice pursuant to this subdivision shall not affect the validi-
7 ty of any transfer of a subsequent tax lien or tax liens pursuant to
8 this subdivision. Any person having a legal or beneficial interest in
9 property affected by a tax lien certificate may satisfy the same at any
10 time upon payment of the amounts due with interest at the rate applica-
11 ble in accordance with section 11-319 of this chapter. Upon satisfaction
12 of the tax lien, the holder thereof shall issue to the person who satis-
13 fied such tax lien a certificate of discharge, certifying that the tax
14 lien has been paid or has been otherwise satisfied, in such recordable
15 form as has been approved by the commissioner of finance. For purposes
16 of this section, the words "date of sale" shall have the same meaning
17 provided in subdivision (e) of section 11-320 of this chapter.

18 § 11-333 Discharge of tax lien. A tax lien sold pursuant to the
19 provisions of this chapter may be discharged by presenting the certif-
20 icate of discharge issued by the holder of the tax lien pursuant to
21 section 11-332 of this chapter to the recording officer of the county in
22 which the real property that it affects is situated, and any recording
23 officer to whom such certificate of discharge is presented shall record
24 the same.

25 § 11-334 Exemption from taxation. Tax liens and tax lien certificates
26 shall be exempt from taxation by the state or any local subdivisions
27 thereof, except from the taxes imposed by article ten of the tax law.
28 The real property affected by any tax lien shall not be exempt from
29 taxation by reason of this section.

30 § 11-335 Foreclosure of tax liens. If the amount of any tax lien which
31 shall have been transferred by a tax lien certificate shall not be paid
32 when under its terms and the provisions of section 11-332 of this chap-
33 ter such amount shall be due, the holder of such tax lien certificate
34 may maintain an action in the supreme court to foreclose such tax lien.
35 The holder of such tax lien certificate shall notify the commissioner of
36 finance or his or her designee in writing whenever he or she commences
37 such action at the time of filing of such action, and shall notify the
38 commissioner of finance in writing of the resolution of such action,
39 including any settlement of such action, within thirty days of such
40 resolution. In an action to foreclose a tax lien any person shall be a
41 proper party of whom the plaintiff alleges that such person has or may
42 have or that the plaintiff has reason to believe that such person has or
43 may have an interest in or claim upon the property affected by the tax
44 lien. A plaintiff in an action to foreclose a tax lien shall recover
45 reasonable attorney's fees for maintaining such action. Except as other-
46 wise provided in this chapter an action to foreclose a tax lien shall be
47 regulated by the provisions of the civil practice law and rules and by
48 all other provisions of law, and rules of practice applicable to actions
49 to foreclose mortgages on real property. The people of the state of New
50 York or the city of Staten Island may be made party to an action to
51 foreclose a tax lien in the same manner as a natural person. Where the
52 people of the state of New York or the city of Staten Island are made a
53 party defendant the complaint shall set forth, in addition to the other
54 matters required to be set forth by law, detailed facts showing the
55 particular nature of the interest in or the lien on such property of the
56 people of the state of New York or the city of Staten Island, and

1 detailed facts showing the particular nature of the interest in or the
2 lien on such property which plaintiff has reason to believe that the
3 people of the state of New York or the city of Staten Island have or may
4 have in such property, and the reason for making the people of the state
5 of New York or the city of Staten Island a party defendant. Upon failure
6 to state such facts the complaint shall be dismissed as to the people of
7 the state or the city of Staten Island.

8 § 11-336 Pleading tax lien certificate. Whenever a cause of action,
9 defense or counterclaim, is for the foreclosure of a tax lien, or is in
10 any manner founded upon a tax lien or a tax lien certificate, the
11 production in evidence of an instrument executed by the commissioner of
12 finance or his or her designee in the form prescribed in section 11-328
13 of this chapter for a tax lien certificate subscribed by or in behalf of
14 the commissioner of finance or his or her designee shall be presumptive
15 evidence that the lien purported to be transferred by such an instrument
16 was a valid and enforceable lien, and that it has been duly assigned to
17 the purchaser, and it shall not be necessary to plead or prove any act,
18 proceeding, notice or action, preceding the delivery of such tax lien
19 certificate nor to establish the validity of the tax lien transferred by
20 such tax lien certificate. If a party or person in interest in any such
21 action or proceeding claims that a tax lien is irregular or invalid, or
22 that there is any defect therein or that a tax lien certificate is
23 irregular, invalid or defective, such invalidity, irregularity or defect
24 must be specifically pleaded or set forth, and must be established
25 affirmatively by the party or person pleading or setting forth the same.

26 § 11-337 Judgment upon tax lien. In every action for the foreclosure
27 of a tax lien, and in every action or proceeding in which a cause of
28 action, defense or counterclaim is in any manner founded upon a tax lien
29 or a tax lien certificate, such tax lien certificate and the tax lien
30 which it transfers shall be presumed to be regular and valid and effec-
31 tual to transfer to the purchaser named therein a valid and enforceable
32 tax lien. Unless in such an action or proceeding such tax lien or tax
33 lien certificate be found to be invalid, they shall be adjudged to be
34 enforceable and valid, for the amount thereof and the interest to which
35 the holder may be entitled and a tax lien transferred by a tax lien
36 certificate effectual to transfer such tax lien to the purchaser named
37 therein.

38 § 11-338 Judgment of foreclosure of tax lien; sale. In an action to
39 foreclose a tax lien, unless the defendants obtain judgment, the plain-
40 tiff shall be entitled to a judgment establishing the validity of the
41 tax lien so far as the same shall not be adjudged invalid and of the tax
42 lien certificate and directing the sale of the real, personal or mixed
43 property affected thereby, or such part thereof as shall be sufficient
44 to discharge the tax lien, or such items thereof as shall not be
45 adjudged invalid together with the expense of the sale, and the costs of
46 the action.

47 § 11-339 City may purchase at sale. At a sale pursuant to judgment in
48 an action to foreclose a tax lien or at any sale free of tax liens, the
49 city, without authorization other than hereby given, may purchase any
50 property that is the subject of the sale.

51 § 11-340 Effect of judgment foreclosing tax lien. Every final judg-
52 ment in an action to foreclose a tax lien shall be binding upon, and
53 every conveyance upon a sale pursuant thereto, shall transfer to and
54 vest in the purchaser all the right, title, interest and estate in and
55 claim upon the real property affected by such judgment, of the plain-
56 tiff, each defendant upon whom the summons is served, each person claim-

1 ing from, through or under such a defendant by title accruing after the
2 filing of notice of pendency of the action or after the entry of judg-
3 ment and filing of the judgment roll in the proper county clerk's
4 office, and each person not in being when the judgment is rendered, who
5 afterwards may become entitled to a beneficial interest attaching to, or
6 an estate or interest in such real property or any portion thereof,
7 provided that the person presumptively entitled to such beneficial
8 interest, estate or interest is a party to such action or bound by such
9 judgment. So much of section three hundred seventeen of the civil prac-
10 tice law and rules as requires the court to allow a defendant to defend
11 an action after final judgment shall not apply to an action to foreclose
12 a tax lien. Delivery of the possession of real property affected by a
13 judgment to foreclose a tax lien may be compelled in the manner
14 prescribed in section two hundred twenty-one of the real property
15 actions and proceedings law.

16 § 11-341 Surplus. Any surplus of the proceeds of the sale, after
17 paying the expenses of the sale, and all taxes, assessments, sewer
18 rents, sewer surcharges, water rents, any other charges made a lien
19 subject to the provisions of this chapter, the costs of any advertise-
20 ments and notices given pursuant to this chapter, any other charges that
21 are due and payable, any surcharge pursuant to section 11-332 of this
22 chapter and interest and penalties thereon, including such amounts which
23 accrued or became a lien on and after the date of sale of the tax lien
24 or tax liens and up to and including the date of the sale of the proper-
25 ty in foreclosure, and satisfying the amount of such tax lien or tax
26 liens and interest and the costs of the action, must be paid into court,
27 for the use of the person or persons entitled thereto. If any part of
28 the surplus remains in court for the period of three months, and no
29 application has been made therefor, the court must, and, if an applica-
30 tion therefor is pending, the court may direct such surplus to be
31 invested at interest, for the benefit of the person or persons entitled
32 thereto, to be paid upon the direction of the court.

33 § 11-342 Foreclosed tax lien not arrears. Any party to an action to
34 foreclose a tax lien or any purchaser or any party in interest may give
35 notice of such foreclosure to the city collector and after such notice
36 the items which constituted the tax lien thus foreclosed shall not be
37 entered by the city collector in any yearly assessment-roll, so long as
38 the judgment of foreclosure of such lien remains in force.

39 § 11-347 Corporation counsel to protect city in all proceedings relat-
40 ing to tax liens. It shall be the duty of the corporation counsel to
41 protect the interest of the city in all matters, actions and proceedings
42 relating to tax liens and tax lien certificates; to intervene on behalf
43 of the city or to make the city a party to any action in which the
44 corporation counsel believes it to be to the interest of the city so to
45 do, by reason of any matter arising under or relating to any tax lien or
46 tax lien certificate, or advertisement of sale of tax liens. The corpo-
47 ration counsel in his or her discretion may represent the purchaser of a
48 tax lien or the holder of a tax lien certificate in any action in which
49 the corporation counsel believes it to be in the interest of the city so
50 to do, by reason of any matter arising under or relating to any tax lien
51 or tax lien certificate, or advertisement of sale of tax liens. All
52 costs recovered in any action or proceeding conducted or defended by the
53 corporation counsel pursuant to this section shall belong to the city
54 and shall be collected, applied and disposed of in the same manner as
55 are other costs recovered by the city.

1 § 11-349 Lost tax lien certificate; delivery of duplicate in case of.
2 Whenever any tax lien certificate given by the commissioner of finance
3 or his or her designee, as in this chapter provided, shall be lost, the
4 commissioner of finance or his or her designee may receive evidence of
5 such loss, and on satisfactory proof of the fact may direct the
6 execution and delivery of a duplicate to such person or persons who
7 shall appear entitled thereto, and may also, in the commissioner's
8 discretion, require a bond of indemnity to the city.

9 § 11-350 Affidavits of publication and mailing of necessary notices to
10 be preserved. It shall be the duty of the commissioner of finance or his
11 or her designee to procure, preserve and register at the department of
12 finance, affidavits of the publication and mailing of all the advertise-
13 ments and notices by this chapter required to be published and mailed,
14 and such affidavits shall be presumptive proof of such publication and
15 mailing in all the courts of this state.

16 § 11-353 Cancellation of taxes, assessments, water rents, sewer rents,
17 sewer surcharges, any charges that are made a lien subject to the
18 provisions of this chapter, the costs of any advertisements and notices
19 given pursuant to this chapter, any other charges that are due and paya-
20 ble, a surcharge pursuant to section 11-332 of this chapter, and inter-
21 est and penalties thereon. Whenever the city has heretofore or shall
22 hereafter become vested with title to property acquired by virtue of tax
23 enforcement foreclosure proceedings, or by deed in lieu thereof, the
24 commissioner of finance, or his or her designee, shall cancel all unpaid
25 real estate taxes, tax lien certificates, assessments, water rents,
26 sewer rents, sewer surcharges, any charges that are made a lien subject
27 to the provisions of this chapter, the costs of any advertisements and
28 notices given pursuant to this chapter, any other charges that are due
29 and payable, a surcharge pursuant to section 11-332 of this chapter, and
30 interest and penalties thereon upon which the foreclosure action was
31 predicated. Upon the sale of such property and the conveyance of the
32 title thereof by the city, the commissioner of finance, or his or her
33 designee, shall cancel all unpaid real estate taxes, assessments, water
34 rents, sewer rents, sewer surcharges, any charges that are made a lien
35 subject to the provisions of this chapter, the costs of any advertise-
36 ments and notices given pursuant to this chapter, any other charges that
37 are due and payable, a surcharge pursuant to section 11-332 of this
38 chapter, and interest and penalties thereon that shall have accrued
39 during the period between the date of the last unpaid item upon which
40 the foreclosure action was predicated and the date of conveyance of
41 title. The commissioner of finance, or his or her designee, shall enter
42 notations of such cancellations in the appropriate records for each such
43 parcel of property.

44 § 11-354 Additional method to enforce payment of tax liens held by the
45 city. (a) Notwithstanding any other provision of law and notwithstanding
46 any omission to hold a tax lien sale, whenever any tax, assessment,
47 sewer rent, sewer surcharge, water rent, any charge that is made a lien
48 subject to the provisions of this chapter or chapter four of this title,
49 or interest and penalties thereon, has been due and unpaid for a period
50 of at least one year from the date on which the tax, assessment or other
51 legal charge represented thereby became a lien, or in the case of any
52 class one property or any class two property that is a residential
53 condominium or residential cooperative, as such classes of property are
54 defined in subdivision one of section eighteen hundred two of the real
55 property tax law, or in the case of a multiple dwelling owned by a
56 company organized pursuant to article eleven of the private housing

1 finance law with the consent and approval of the department of housing
2 preservation and development, for a period of at least three years from
3 the date on which the tax, assessment or other legal charge became a
4 lien, the city, as owner of a tax lien, may maintain an action in the
5 supreme court to foreclose such lien. Such action shall be governed by
6 the procedures set forth in section 11-335 of this chapter; provided,
7 however, that such parcel shall only be sold to the highest responsible
8 bidder. Such purchaser shall be deemed qualified as a responsible bidder
9 pursuant to such criteria as are established in rules promulgated by the
10 commissioner of finance after consultation with the commissioner of
11 housing preservation and development.

12 (b) At a sale pursuant to a judgment in an action brought pursuant to
13 subdivision (a) of this section to foreclose a tax lien, the city may
14 purchase property subject to such lien in accordance with the provisions
15 of section 11-339 of this chapter.

16 (c) The provisions of this section shall not affect any existing reme-
17 dy or procedure for the enforcement or foreclosure of tax liens provided
18 for in this code or any other law, but the remedy provided herein for
19 foreclosure of tax liens shall be in addition to any other remedies or
20 procedures provided by any general, special or local law. Notwithstand-
21 ing any other provision of this code, the commissioner of finance shall
22 be authorized to agree to forebear to commence an in rem action against
23 property which has an outstanding and unredeemed tax lien certificate
24 previously sold by the city and held by a third party pursuant to this
25 chapter.

26 § 11-355 Reporting. The commissioner of finance shall submit an annual
27 report to the council concerning the sale or sales of tax liens during
28 the preceding year pursuant to this chapter. Such report shall include
29 the following information regarding such sale or sales: a list of prop-
30 erties for which a tax lien or tax liens has or have been sold, includ-
31 ing identification of the particular tax lien or tax liens sold; the
32 proceeds received from the sale or sales of tax liens; identification of
33 the purchaser of and servicer for the tax lien or tax liens sold; a
34 report of servicer activities during the immediately preceding year; the
35 redemption rate for tax liens that have been sold; the delinquency rate
36 for real property taxes for the immediately preceding year; and any
37 other information pertinent to the sale of tax liens that may be
38 requested by the council and which is not made confidential pursuant to
39 section 11-208.1 of this code. Upon request by the council, information
40 provided in such report shall be arranged by community board. In addi-
41 tion to such report, the commissioner of finance shall from time to time
42 provide any other information pertinent to the sale of tax liens that
43 may be requested by the council and which is not made confidential
44 pursuant to section 11-208.1 of the code, including updated information
45 regarding the sale or sales of tax liens pursuant to this chapter. In
46 addition to such report, no later than August thirty-first, two thousand
47 twenty, the commissioner shall provide to the council a report listing
48 all properties on which liens have been sold during the period from
49 January first, two thousand fifteen through December thirty-first, two
50 thousand nineteen. The report shall indicate, based on records in the
51 office of the register, whether a transfer of or mortgage recorded on
52 any of such properties has occurred during such period after the sale of
53 any tax lien sold during such period.

54
55

1 § 11-401 Definitions. Whenever used in this chapter, the following
2 terms shall mean:

3 1. "Tax lien." The lien arising as a result of the nonpayment of
4 taxes, assessments, sewer rents, sewer surcharges, water rents, any
5 other charges that are made a lien subject to the provisions of this
6 chapter or chapter three of this title, interest and penalties thereon,
7 and the right of the city to receive such amounts.

8 2. "Court." The supreme court.

9 3. "Class." Any class of real property defined in subdivision one of
10 section eighteen hundred two of the real property tax law, and any
11 subclassification of class two real property where such subclassifica-
12 tion is established by rule of the commissioner of finance promulgated
13 pursuant to this subdivision.

14 4. "Distressed property." Any parcel of class one or class two real
15 property that is subject to a tax lien or liens that result from an
16 environmental control board judgment against the owner of such parcel
17 for a building code violation with a lien or liens to value ratio, as
18 determined by the commissioner of finance, equal to or greater than
19 twenty-five percent or any parcel of class one or class two real proper-
20 ty that is subject to a tax lien or liens with a lien or liens to value
21 ratio, as determined by the commissioner of finance, equal to or greater
22 than fifteen percent and that meets one of the following two criteria:

23 i. such parcel has an average of five or more hazardous or immediately
24 hazardous violations of record of the housing maintenance code per
25 dwelling unit; or

26 ii. such parcel is subject to a lien or liens for any expenses
27 incurred by the department of housing preservation and development for
28 the repair or the elimination of any dangerous or unlawful conditions
29 therein, pursuant to section 27-2144 of this code, in an amount equal to
30 or greater than one thousand dollars.

31 § 11-401.1 Procedures for distressed property. a. The commissioner of
32 finance shall, not less than sixty days preceding the date of the sale
33 of a tax lien or tax liens, submit to the commissioner of housing pres-
34 ervation and development a description by block and lot, or by such
35 other identification as the commissioner of finance may deem appropri-
36 ate, of any parcel of class one or class two real property on which
37 there is a tax lien that may be foreclosed by the city. The commissioner
38 of housing preservation and development shall determine, and direct the
39 commissioner of finance, not less than ten days preceding the date of
40 the sale of a tax lien or tax liens, whether any such parcel is a
41 distressed property as defined in subdivision four of section 11-401 of
42 this chapter. Any tax lien on a parcel so determined to be a distressed
43 property shall not be included in such sale. In connection with a subse-
44 quent sale of a tax lien or tax liens, the commissioner of finance may,
45 not less than sixty days preceding the date of the sale, resubmit to the
46 commissioner of housing preservation and development a description by
47 block and lot, or by such other identification as the commissioner of
48 finance may deem appropriate, of any parcel of class one or class two
49 real property that was previously determined to be a distressed property
50 pursuant to this paragraph and on which there is a tax lien that may be
51 included in such sale. The commissioner of housing preservation and
52 development shall determine, and direct the commissioner of finance, not
53 less than ten days preceding the date of the sale, whether such parcel
54 remains a distressed property. If the commissioner of housing preserva-
55 tion and development determines that the parcel is not a distressed
56 property, then the tax lien on the parcel may be included in the sale.

1 b. The commissioner of housing preservation and development may peri-
2 odically review whether a parcel of class one or class two real property
3 that is subject to subdivision c of this section or subdivision j of
4 section 11-412.1 of this chapter remains a distressed property. If the
5 commissioner determines that the parcel is not a distressed property as
6 defined in subdivision four of section 11-401 of this chapter, then the
7 parcel shall not be subject to such subdivisions.

8 c. Any parcel so determined to be a distressed property shall be
9 subject to an in rem foreclosure action, or in the case where the
10 commissioner of finance does not commence such action the commissioner
11 of housing preservation and development shall evaluate such parcel and
12 take such action as he or she deems appropriate under the programs,
13 existing at the time of such evaluation, that are designed to encourage
14 the rehabilitation and preservation of existing housing, and shall moni-
15 tor or cause to be monitored the status of the property. The commission-
16 er of housing preservation and development, in his or her discretion,
17 shall cause an inspection to be conducted on any parcel so determined to
18 be a distressed property. In addition, the commissioner of housing pres-
19 ervation and development shall submit to the council a list of all
20 parcels so determined to be a distressed property within thirty days
21 from the date such parcels are identified as a distressed property.

22 § 11-402 Applicability of procedure of foreclosure in rem. a. The
23 provisions of this chapter shall be applicable only to tax liens owned
24 by the city.

25 b. The provisions of this chapter shall not affect any existing remedy
26 or procedure for the enforcement or foreclosure of tax liens provided
27 for in this code or any other law, but the remedy provided herein for
28 foreclosure by action in rem shall be in addition to any other remedies
29 or procedures provided by any general, special or local law.

30 c. The provisions of this chapter shall not affect pending actions or
31 proceedings, provided, however, that any pending action or proceeding
32 for the enforcement or foreclosure of tax liens may be discontinued, and
33 a new action may be instituted pursuant to the provisions of this chap-
34 ter, in respect to any such tax lien.

35 § 11-402.1 Inapplicability of article eleven of the real property tax
36 law to the enforcement of the collection of delinquent taxes. In accord-
37 ance with section six of chapter six hundred two of the laws of nineteen
38 hundred ninety-three and subdivision two of section eleven hundred four
39 of the real property tax law, it is hereby provided that the collection
40 of delinquent taxes shall continue to be enforced pursuant to chapters
41 three and four of title eleven of this code and other related provisions
42 of the charter and this code as such chapters three and four and such
43 related provisions may from time to time be amended and that article
44 eleven of the real property tax law shall not be applicable to the city.

45 § 11-403 Jurisdiction. The supreme court shall have jurisdiction of
46 actions authorized by this chapter.

47 § 11-404 Foreclosure by action in rem. a. Whenever it shall appear
48 that a tax lien or tax liens has or have been due and unpaid for a peri-
49 od of at least one year from the date on which the tax, assessment or
50 other legal charge represented thereby became a lien, such tax lien or
51 tax liens, except as provided in subdivision b of this section or other-
52 wise provided by this chapter, may be summarily foreclosed in the manner
53 provided in this chapter, notwithstanding the provisions of any general,
54 special or local law and notwithstanding any omission to hold a sale of
55 a tax lien or tax liens prior to such foreclosure. A bill of arrears or
56 any other instrument evidencing such tax lien or tax liens shall be

1 evidence of the fact that the tax lien or tax liens represented thereby
2 has not or have not been paid to the city or sold by it.

3 b. A tax lien on any class one property or any class two property that
4 is a residential condominium or residential cooperative, as such classes
5 of property are defined in subdivision one of section eighteen hundred
6 two of the real property tax law, and on any multiple dwelling owned by
7 a company organized pursuant to article eleven of the private housing
8 finance law with the consent and approval of the department of housing
9 preservation and development, shall not be foreclosed in the manner
10 provided in this chapter until such tax lien has been due and unpaid for
11 a period of at least three years from the date on which the tax, assess-
12 ment or other legal charge represented thereby became a lien.

13 § 11-405 Preparation and filing of lists of delinquent taxes. a. The
14 commissioner of finance from time to time shall prepare a list, to be
15 known as a "list of delinquent taxes", of all parcels, or all parcels
16 within a particular class or classes, that are within a particular
17 section of a tax map or portion of a section of a tax map of the city
18 and on which there are tax liens subject to foreclosure pursuant to this
19 chapter, provided, however, that no such portion shall be smaller than a
20 block, as defined in subdivision d of section 11-204 of subchapter one
21 of chapter two of this title. Every such list shall bear a caption
22 containing the in rem action number of the city's tax foreclosure
23 proceeding, the section of a tax map or portion of a section of a tax
24 map, and where the action covers less than all parcels in a section of a
25 tax map or portion of a section of a tax map, the particular class or
26 classes, and shall contain a statement of the rate or rates at which
27 interest and penalties will be computed for the various liens it
28 includes.

29 b. Every such list shall set forth the parcels it includes separately
30 and number them serially. For each parcel it shall contain (1) a brief
31 description sufficient to identify the parcel, including section, block
32 and lot numbers, and the street and street number, if any, or in the
33 absence of such information the parcel or tract identification number
34 shown on a tax map or on a map filed in the county clerk's or register's
35 office and (2) a statement of the amounts and dates of all unpaid tax
36 liens which are subject to foreclosure under this chapter and of those
37 which have accrued thereafter.

38 c. (1) The commissioner of finance may exclude or thereafter remove
39 from such list any parcels (i) as to which questions the commissioner
40 deems meritorious have been raised regarding the validity of the liens,
41 (ii) as to which all the taxes and other charges which rendered said
42 parcels eligible for inclusion in said list have been paid, or (iii)
43 which are owned by an entity other than a company organized pursuant to
44 article eleven of the private housing finance law with the consent and
45 approval of the department of housing preservation and development and
46 which are not owner-occupied residential buildings of not more than five
47 residential units and as to which an agreement has been duly made,
48 executed and filed with such commissioner for the payment of the delin-
49 quent taxes, assessments or other legal charges, interest and penalties
50 in installments. The first installment shall be paid upon the filing of
51 the installment agreement with the commissioner and shall be in an
52 amount of not less than fifteen percent of such delinquent taxes,
53 assessments or other legal charges, interest and penalties. The remain-
54 ing installments, which shall be twice the number of unpaid quarters of
55 real estate taxes or the equivalent thereof but which shall in no event
56 exceed thirty-two in number, shall be payable quarterly on the first day

1 of July, October, January and April. For the purposes of calculating the
2 number of such remaining installments unpaid real estate taxes which
3 are, on and after July first, nineteen hundred eighty-two, due and paya-
4 ble on an other than quarterly basis shall be deemed to be payable on a
5 quarterly basis.

6 (2) The commissioner of finance may also exclude or thereafter remove
7 from such list any parcels which are owned by a company organized pursu-
8 ant to article eleven of the private housing finance law with the
9 consent and approval of the department of housing preservation and
10 development, and (i) as to which an agreement has been duly made,
11 executed and filed with said commissioner for the payment of the delin-
12 quent taxes, assessments or other legal charges incurred prior to the
13 ownership of said parcel by said article eleven company, and the inter-
14 est and penalties thereon, in installments. The first installment there-
15 of shall be paid upon the filing of the installment agreement with the
16 commissioner and shall be in an amount of not less than ten percent of
17 such delinquent taxes, assessments or other legal charges and the inter-
18 est and penalty thereon. The remaining installments, which shall be
19 three times the number of unpaid quarters of real estate taxes or the
20 equivalent thereof but which shall in no event exceed forty-eight in
21 number shall be payable quarterly on the first days of July, October,
22 January and April. For the purposes of calculating the number of such
23 remaining installments unpaid real estate taxes which are, on and after
24 July first, nineteen hundred eighty-two due and payable on an other than
25 quarterly basis shall be deemed to be payable on a quarterly basis; and

26 (ii) as to which an agreement has been duly made, executed and filed
27 with said commissioner, for the payment of the delinquent taxes, assess-
28 ments or other legal charges incurred after the ownership of said parcel
29 by said article eleven company on the same terms as are provided in
30 paragraph one of this subdivision.

31 (3) The commissioner of finance may also exclude or thereafter remove
32 from such list any parcels which are owner-occupied residential build-
33 ings of not more than five residential units as to which an agreement
34 has been duly made, executed and filed with said commissioner for the
35 payment of the delinquent taxes, assessments, or other legal charges and
36 the interest and penalties thereon, in installments. The first install-
37 ment thereof shall be paid upon the filing of the installment agreement
38 with the commissioner and shall be in an amount not less than ten
39 percent of such delinquent taxes, assessment or other legal charges and
40 the interest and penalty thereon. The remaining installments, which
41 shall be three times the number of unpaid quarters of real estate taxes
42 or the equivalent thereof but which shall in no event exceed forty-eight
43 in number, shall be payable quarterly on the first days of July, Octo-
44 ber, January and April. For purposes of calculating the number of such
45 remaining installments unpaid real estate taxes which are, on and after
46 July first, nineteen hundred eighty-two, due and payable on an other
47 than quarterly basis shall be deemed to be payable on a quarterly basis.

48 (4) Notwithstanding paragraph one, two or three of this subdivision,
49 with respect to installment agreements duly made, executed and filed on
50 or after the date on which this paragraph takes effect, the commissioner
51 of finance may also exclude or thereafter remove from such list any
52 parcel that is (i) (A) a residential building containing not more than
53 five residential units, (B) a residential condominium unit, (C) a resi-
54 dential building held in a cooperative form of ownership, or (D) owned
55 by a company organized pursuant to article eleven of the state private
56 housing finance law with the consent and approval of the department of

1 housing preservation and development, and (ii) as to which an agreement
2 has been duly made, executed and filed with such commissioner for the
3 payment of the delinquent taxes, assessments or other legal charges, and
4 the interest and penalties thereon, in installments. The first install-
5 ment thereof shall be paid upon the filing of the installment agreement
6 with the commissioner and shall be in an amount equal to not less than
7 ten percent of the total amount of such delinquent taxes, assessments or
8 other legal charges and the interest and penalties thereon. The remain-
9 ing installments, which shall be three times the number of unpaid quar-
10 ters of real estate taxes or the equivalent thereof, but which shall in
11 no event exceed thirty-two in number, shall be payable quarterly on the
12 first days of July, October, January and April. For the purposes of
13 calculating the number of such remaining installments, unpaid real
14 estate taxes that are due and payable on other than a quarterly basis
15 shall be deemed to be payable on a quarterly basis.

16 (5) Notwithstanding paragraph one, two or three of this subdivision,
17 with respect to installment agreements duly made, executed and filed on
18 or after the date on which this paragraph takes effect, the commissioner
19 of finance may also exclude or thereafter remove from such list any
20 parcel of class one or class two real property, other than a parcel
21 described in paragraph four of this subdivision, as to which an agree-
22 ment has been duly made, executed and filed with such commissioner for
23 the payment of the delinquent taxes, assessments or other legal charges,
24 and the interest and penalties thereon, in installments. The first
25 installment thereof shall be paid upon the filing of the installment
26 agreement with the commissioner and shall be in an amount equal to not
27 less than fifteen percent of the total amount of such delinquent taxes,
28 assessments or other legal charges and the interest and penalties there-
29 on. The remaining installments, which shall be twice the number of
30 unpaid quarters of real estate taxes or the equivalent thereof, but
31 which shall in no event exceed thirty-two in number, shall be payable
32 quarterly on the first days of July, October, January and April. For the
33 purposes of calculating the number of such remaining installments,
34 unpaid real estate taxes that are due and payable on other than a quar-
35 terly basis shall be deemed to be payable on a quarterly basis.

36 (6) Notwithstanding paragraph one, two or three of this subdivision,
37 with respect to installment agreements duly made, executed and filed on
38 or after the date on which this paragraph takes effect, the commissioner
39 of finance may also exclude or thereafter remove from such list any
40 parcel of class three or class four real property as to which an agree-
41 ment has been duly made, executed and filed with such commissioner for
42 the payment of the delinquent taxes, assessments or other legal charges,
43 and the interest and penalties thereon, in installments. The first
44 installment thereof shall be paid upon the filing of the installment
45 agreement with the commissioner and shall be in an amount equal to not
46 less than fifteen percent of the total amount of such delinquent taxes,
47 assessments or other legal charges and the interest and penalties there-
48 on. The remaining installments, which shall be twice the number of
49 unpaid quarters of real estate taxes or the equivalent thereof, but
50 which shall in no event exceed twenty in number, shall be payable quar-
51 terly on the first days of July, October, January and April. For the
52 purposes of calculating the number of such remaining installments,
53 unpaid real estate taxes that are due and payable on other than a quar-
54 terly basis shall be deemed to be payable on a quarterly basis.

55 (7) A parcel for which any such installment agreement or agreements
56 have been filed with the commissioner shall be excluded or removed from

1 the list of delinquent taxes before the commencement of the in rem
2 action based upon such list only if the amounts paid pursuant to such
3 agreement exceed the amount required to pay all taxes and charges which
4 render said parcel eligible for inclusion in the in rem action and there
5 has been no default in such agreement prior to the commencement of said
6 action as to either quarterly installments or current taxes, assessments
7 or other legal charges.

8 (8) As a condition to entering into any agreement under this section
9 or section 11-409 of this chapter, the commissioner shall have received
10 from the applicant, an affidavit stating that each tenant located on the
11 parcel has been notified by certified mail that an application for an
12 installment agreement will be made and that a copy of a standard agree-
13 ment form has been included with such notification. Any false statement
14 in such affidavit shall not be grounds to cancel the agreement or affect
15 its validity in any way.

16 d. Two duplicate originals thereof, verified by the commissioner of
17 finance or a subordinate designated by the commissioner, shall be filed
18 in the office of the clerk of the county in which the parcels listed
19 therein are situated. Such filing shall constitute and have the same
20 force and effect as the filing and recording in such office of an indi-
21 vidual and separate notice of pendency of action and as the filing in
22 the supreme court in such county of an individual and separate complaint
23 by the city as to each parcel described in said list, to enforce the
24 payment of the delinquent taxes, assessments or other lawful charges
25 which have accumulated and become liens against such parcels.

26 e. Each county clerk with whom such a list of delinquent taxes is
27 filed shall, on the date of said filing, place and thereafter maintain
28 one duplicate original copy thereof, as separately and permanently bound
29 by the commissioner of finance, adjacent to and together with the block
30 index of notices of pendency of action and each county clerk shall, on
31 the date of said filing or as soon thereafter as with due diligence is
32 practicable, docket the parcels contained in the list of delinquent
33 taxes in said block index of notices of pendency of action, which shall
34 constitute due filing, recording and indexing of the separate notices
35 constituting said list of delinquent taxes in lieu of any other require-
36 ment under rule sixty-five hundred eleven of the civil practice law and
37 rules or otherwise.

38 f. The commissioner of finance shall file a copy of each list of
39 delinquent taxes, certified as such copy by him or her or a subordinate
40 designated by the commissioner, in the office of the corporation coun-
41 sel.

42 g. The validity of any proceeding hereunder shall not be affected by
43 any omission or error of the commissioner of finance in including or
44 excluding parcels from any such list or in the designation of a street
45 or street number or by any other similar omission or error.

46 § 11-406 Public notice of foreclosure. a. Upon the filing of a list of
47 delinquent taxes in the office of the county clerk, the commissioner of
48 finance forthwith shall cause a notice of foreclosure to be published at
49 least once a week for six successive weeks in the City Record and,
50 subject to section ninety-one of the judiciary law, in two newspapers,
51 one of which may be a law journal, to be designated by the commissioner
52 of finance, which are published in and are circulated throughout the
53 county in which the affected property is located. If there are no news-
54 papers published in such county, the commissioner of finance may desig-
55 nate newspapers published in the city of Staten Island which are circu-
56 lated throughout the affected county.

1 b. Such notice shall clearly indicate that it is a notice of foreclo-
2 sure of tax liens; the section of a tax map or portion of a section of a
3 tax map in which the properties subject to foreclosure are located and
4 where the area affected by the action includes less than all parcels in
5 a section of a tax map or portion of a section of a tax map, the partic-
6 ular class or classes contained therein, and by a general description
7 which need not contain measurements and direction; where and when the
8 list of delinquent taxes was filed; the general nature of the informa-
9 tion contained in the list; that the filing of the list constitutes
10 commencement of a foreclosure action by the city in the supreme court
11 for the particular county and a notice of pendency of action against
12 each parcel listed; that such action is against the property only and no
13 personal judgment will be entered; that the list will be available for
14 inspection at the city collector's central office and at the borough
15 office of the city collector in which said property is located until a
16 specified date at least ten weeks after the date of first publication;
17 that until such date a parcel may be redeemed by paying all taxes and
18 charges contained in said list of delinquent taxes together with inter-
19 est and penalties thereon; that during said period of redemption and for
20 an additional period of twenty days after said last date for redemption
21 any person having any interest in or lien upon a parcel on the list may
22 file with the appropriate county clerk and serve upon the corporation
23 counsel a verified answer setting forth in detail the full name of said
24 answering party, the nature and amount of his or her interest or lien
25 and any legal defense against foreclosure; and that in the absence of
26 redemption or answer a judgment of foreclosure may be taken by default.

27 c. On or before the date of the first publication of such notice, the
28 commissioner of finance shall cause a copy of the notice to be mailed to
29 all owners, mortgagees, lienors or encumbrancers, who may be entitled to
30 receive such notice by virtue of any owner's registration or in rem card
31 filed in the office of the city collector pursuant to section 11-416 or
32 11-417 of this chapter. If such owner's registration or in rem cards
33 have not been filed in the office of the city collector then said notice
34 shall be mailed to the name and address, if any, appearing in the latest
35 annual record of assessed valuations. The commissioner of finance shall
36 cause to be inserted with such notice a statement substantially in the
37 following form:

38 "To the party to whom the enclosed notice is addressed: You are the
39 presumptive owner or lienor of one or more of the parcels mentioned and
40 described in the list referred to in the attached notice. Unless the
41 taxes and assessments and all other legal charges are paid, or an answer
42 is interposed; or an arrangement is made for payment of such taxes and
43 assessments and all other legal charges in installments, as provided by
44 statute, the ownership of said property will in due course pass to the
45 city of Staten Island as provided by the administrative code of the city
46 of Staten Island."

47 The failure of the commissioner of finance to mail such notice shall
48 not affect the validity of any proceeding brought pursuant to this chap-
49 ter as to any parcel other than the parcel with respect to which notice
50 was not mailed.

51 d. The commissioner of finance shall cause a copy of such notice to be
52 posted in the office of the commissioner of finance, in the county
53 courthouse of the county in which the property subject to such tax lien
54 is situated and at three other conspicuous places in the city in which
55 the affected properties are located.

1 § 11-407 Redemption. a. After the filing of a list of delinquent taxes
2 and until a date at least ten weeks after the first publication of the
3 public notice of foreclosure, as determined by the commissioner of
4 finance and specified in the said notice, a person claiming to have an
5 interest in any parcel in said list may redeem it by paying all taxes
6 and charges contained in said list of delinquent taxes together with
7 interest and penalties thereon.

8 b. Upon such redemption the commissioner of finance shall deliver to
9 the corporation counsel a certificate of redemption. The corporation
10 counsel shall file such certificate with the clerk of the county in
11 which said list was filed. The filing of such certificate shall consti-
12 tute and be deemed a discontinuance of the in rem action as to the
13 affected parcel, and the county clerk shall thereupon note such redemp-
14 tion and discontinuance in the copy of the list of delinquent taxes
15 maintained by him or her adjacent to the county clerk's block index of
16 notices of pendency of action and shall cancel and discharge any
17 notations of the filing of said list of delinquent taxes as to said
18 parcel that may appear in any other books, records, indices and dockets
19 maintained in said clerk's office. The commissioner of finance shall
20 also deliver a duplicate original certificate of redemption to the
21 person who has redeemed.

22 c. When the time to redeem in an in rem tax foreclosure action has
23 expired, any person claiming to have an interest in a parcel included in
24 said action shall have the right to make a late redemption payment to
25 the commissioner of finance. Such late redemption payment shall consist
26 of all taxes and charges owing on said parcel, the lawful interest ther-
27 eon to the date of payment and a penalty of five percent of said payment
28 of taxes, charges and interest, which penalty may not exceed one thou-
29 sand dollars as to each parcel on which a late redemption payment is
30 being made. Such late redemption payment shall be made in cash or by
31 certified or bank check and shall be accepted by the commissioner of
32 finance at any time after the last day to redeem up to the date on which
33 the commissioner is advised by the corporation counsel that the prepara-
34 tion of the judgment of foreclosure in the in rem action has been
35 commenced. Upon receipt of such late redemption payment, the commission-
36 er of finance shall issue a certificate of withdrawal pursuant to the
37 provisions of section 11-413 of this chapter.

38 § 11-408 Filing of affidavits. All affidavits of filing, publication,
39 posting, mailing or other acts required by this chapter shall be made by
40 the person or persons performing such acts and shall be filed in the
41 office of the county clerk of the county in which the property subject
42 to such tax lien is situated and shall together with all other documents
43 required by this chapter to be filed in the office of such county clerk,
44 constitute and become a part of the judgment roll in such foreclosure
45 action.

46 § 11-409 Severance and trial of issues where answer is interposed;
47 installment agreements authorized after action commenced. a. If a duly
48 verified answer is served upon the corporation counsel not later than
49 twenty days after the last date for redemption, the answering defendant
50 shall have the right to a severance of the action, as to any parcel in
51 which the defendant has pleaded an interest, upon written demand there-
52 for filed with or made a part of his or her answer.

53 b. When such answer is interposed, the court shall summarily hear and
54 determine the issues raised by the complaint and answer in the same
55 manner as it hears and determines other actions, except as herein other-
56 wise provided. Proof that the taxes which made said property subject to

1 foreclosure hereunder together with interest and penalties thereon, were
2 paid before filing of the list of delinquent taxes or that the property
3 was not subject to tax shall constitute a complete defense.

4 c. No counterclaim may be asserted in an answer interposed in an
5 action brought pursuant to this chapter. Where a counterclaim is
6 asserted in an in rem answer the city may disregard that portion of the
7 answer and shall suffer no legal penalty or impediment in the prose-
8 cution of its in rem action for its failure to reply or respond thereto.
9 Where an answer contains only a counterclaim and no other defenses the
10 city may proceed to judgment of foreclosure against the property
11 affected without the need for moving against the answer.

12 d. When a verified answer alleges a substantial equity over the city's
13 lien for taxes, the defendant may demand additional time in which to pay
14 the taxes and interest or to have the property sold with all taxes and
15 interest to be paid out of the proceeds of such sale. Upon such demand a
16 defendant shall have the right to an extension of time for such purpose
17 not in excess of six months from the last day to interpose an answer.
18 Where a mortgagee or lienor who has interposed such answer commences a
19 proceeding to foreclose his or her mortgage or lien and it appears that
20 with due diligence such proceeding cannot be concluded in time to allow
21 the payment of taxes within the aforesaid six month period, the court
22 may, on application before the end of said six month period, authorize
23 an additional period during which such proceeding may be concluded and
24 the taxes, together with interest and penalties, paid.

25 e. Where an answer of the type described in subdivision d of this
26 section is interposed and taxes are paid within the period set forth in
27 such subdivision, the commissioner of finance shall issue a certificate
28 of withdrawal as to the property on which such payment has been made
29 pursuant to the provisions of section 11-413 of this chapter. When taxes
30 are not paid within the period set forth in subdivision d of this
31 section, it shall be deemed that there was no equity over the city's tax
32 liens and the answer shall be deemed to be without merit. The city in
33 that event may proceed to judgment of foreclosure against such property
34 without moving against the answer.

35 f. All answers interposed in an action hereunder and all affidavits
36 and other papers pertaining to any litigation involving such answers or
37 to any proceeding brought pursuant to this chapter involving less than
38 an entire action shall bear a caption containing the in rem action
39 number of the city's tax foreclosure proceeding, the section of a tax
40 map or portion of a section of a tax map affected, and if the action
41 covers less than all parcels in the section of a tax map or portion of a
42 section of a tax map, the particular class or classes, and the serial,
43 section, block and lot numbers of the parcel or parcels in issue.

44 g. The corporation counsel, when submitting an in rem judgment roll
45 pursuant to the provisions of this chapter, may request a severance as
46 to any parcel on which an in rem answer or litigation is pending, or as
47 to which, before the preparation of said in rem judgment roll is
48 commenced, an agreement was duly made, executed and filed with the
49 commissioner of finance for the payment of the delinquent taxes, assess-
50 ments or other legal charges and interest and penalties in installments
51 as provided in subdivision c of section 11-405 of this chapter and there
52 has been no default in such agreement as to either quarterly install-
53 ments or current taxes, assessments or other legal charges. Where such
54 an agreement is entered into subsequent to the last date for redemption
55 specified in subdivision a of section 11-407 of this chapter, there
56 shall be paid to the commissioner of finance at the time the aforesaid

1 agreement is executed an amount equal to the penalty which would have
2 been payable under subdivision c of section 11-407 of this chapter had
3 the person executing the agreement made a late redemption payment. Such
4 amount shall be in addition to any installment payments required to be
5 made under the agreement and shall not be credited against any such
6 installment payments. Where a default occurs in such agreement as to
7 either quarterly installments or current taxes, assessments or other
8 legal charges, all payments made under the agreement shall be forfeited
9 and the city shall be entitled to acquire the parcel as to which the
10 default occurred. Where such default occurs before the submission of the
11 judgment roll, the parcels as to which such default occurs shall be
12 included in said judgment roll among the parcels to be acquired by the
13 city. Where such default has occurred as to a parcel severed pursuant to
14 this subdivision, the corporation counsel shall cause to be entered a
15 supplemental judgment of foreclosure as to such parcel immediately on
16 notification by the commissioner of finance of such default. Where such
17 installment agreement is paid in full the commissioner of finance shall
18 discontinue the in rem action from which said parcel was severed by
19 issuing a certificate of withdrawal as to said parcel pursuant to the
20 provisions of section 11-413 of this chapter.

21 h. A party who has interposed an answer as to any parcel included in
22 an in rem tax foreclosure action, or any other party interested in such
23 parcel, shall have the right, at any time prior to the final disposition
24 of a motion to strike said answer, to pay all taxes, assessments and
25 other legal charges and interest owing on said parcel. An answering
26 party who makes such payment shall not be required to pay any penalty.
27 Where such payment is made by other than an answering party after the
28 expiration of the period of redemption, there shall be paid to the
29 commissioner of finance an additional amount equal to the penalty paya-
30 ble under subdivision c of section 11-407 of this chapter. Where all
31 delinquent taxes, assessments and other legal charges together with
32 lawful interest thereon and penalties, where required, are paid, the
33 commissioner of finance shall issue a certificate of withdrawal as to
34 said parcel pursuant to the provisions of section 11-413 of this chap-
35 ter. Said parties may also pay such taxes, assessments and other legal
36 charges and interest by an installment agreement. Where such agreement
37 is requested before the preparation of the aforesaid in rem judgment
38 roll is commenced, the terms of said agreement shall be consistent with
39 the provisions of subdivision g or i of this section, whichever is
40 applicable. Where such agreement is requested after judgment of foreclo-
41 sure has been entered in the in rem action in which the aforesaid answer
42 was interposed, said agreement shall require a first installment of
43 fifty percent of all taxes, assessments and other legal charges and
44 interest owing on said parcel, a penalty of five percent of all such
45 taxes, assessments and other legal charges and interest, which penalty
46 may not exceed one thousand dollars, and the payment of the balance of
47 such taxes, assessments and other legal charges and interest in four
48 equal quarterly installments together with all current taxes, assess-
49 ments and other legal charges that accrue during such period. The
50 request of an answering party for an installment agreement shall consti-
51 tute a withdrawal of such party's answer. An installment agreement
52 requested by an interested party other than the answering party shall
53 require the consent of said answering party which shall also constitute
54 a withdrawal of such party's answer. The severance provided for in this
55 section shall be continued during the term of all installment agreements
56 entered into pursuant to the provisions of this subdivision. Where a

1 default has occurred as to a parcel severed pursuant to this subdivi-
2 sion, the corporation counsel shall cause to be entered a supplemental
3 judgment of foreclosure as to such parcel immediately on notification by
4 the commissioner of finance of such default. Where such installment
5 agreement is paid in full, the commissioner of finance shall discontinue
6 the in rem action from which said parcel was severed by issuing a
7 certificate of withdrawal as to said parcel pursuant to the provisions
8 of section 11-413 of this chapter.

9 i. (1) Notwithstanding subdivision g of this section, this subdivision
10 shall apply with respect to installment agreements made, executed and
11 filed with the commissioner of finance on or after the date on which
12 this subdivision takes effect. An installment agreement pursuant to this
13 subdivision may be made, executed and filed with such commissioner
14 during the period beginning on the date on which an action is commenced
15 as provided in subdivision d of section 11-405 of this chapter with
16 respect to the parcel that is the subject of such agreement and ending
17 on the date on which such commissioner is advised by the corporation
18 counsel that the preparation of the judgment of foreclosure in such in
19 rem action has been commenced. Notwithstanding anything to the contrary,
20 and except to the extent provided in paragraph two of this subdivision,
21 the provisions of paragraphs one through six of subdivision c of section
22 11-405 of this chapter shall not apply to any installment agreement
23 requested on or after the date on which this subdivision takes effect
24 and on or after the date on which an action is commenced as provided in
25 subdivision d of such section 11-405 with respect to the parcel that is
26 the subject of such requested agreement.

27 (2) An agreement entered into pursuant to this subdivision shall
28 provide for the payment in installments of the delinquent taxes, assess-
29 ments and other legal charges, and the interest and penalties thereon,
30 due and owing as of the date on which such agreement is requested.
31 Unless an eligible owner or other interested person requests an agree-
32 ment pursuant to the provisions of paragraph three of this subdivision,
33 the terms of such agreement with respect to a parcel shall be the same
34 as the terms that would be applicable to such parcel under paragraph
35 four, five or six, as the case may be, of subdivision c of section
36 11-405 of this chapter, except that, for purposes of the agreement
37 pursuant to this paragraph, the amount of the first installment shall be
38 equal to: (i) fifteen percent of the total amount due in the case of a
39 parcel described in paragraph four of subdivision c of section 11-405 of
40 this chapter; (ii) twenty percent of the total amount due in the case of
41 a parcel described in paragraph five of subdivision c of section 11-405
42 of this chapter; and (iii) twenty-five percent of the total amount due
43 in the case of a parcel described in paragraph six of subdivision c of
44 section 11-405 of this chapter.

45 (3) Instead of an agreement pursuant to paragraph two of this subdivi-
46 sion, an eligible owner or other interested party may request an agree-
47 ment pursuant to the following provisions:

48 (i) With respect to a parcel that is owned by a company organized
49 pursuant to article eleven of the state private housing finance law with
50 the consent and approval of the department of housing preservation and
51 development, such agreement shall provide for the payment in install-
52 ments of the delinquent taxes, assessments and other legal charges, and
53 the interest and penalties thereon, due and owing as of the date on
54 which such agreement is requested. The first installment thereof shall
55 be paid upon the filing of the installment agreement with the commis-
56 sioner of finance and shall be in an amount at least equal to, at the

1 applicant's election, either thirty-five percent or fifty percent of the
2 total amount of such delinquent taxes, assessments or other legal charg-
3 es and the interest and penalties thereon. The remaining installments,
4 which shall be three times the number of unpaid quarters of real estate
5 taxes or the equivalent thereof, but which shall in no event exceed
6 thirty-two in number, shall be payable quarterly on the first days of
7 July, October, January and April, together with interest at the rate or
8 rates determined as provided in subparagraph (iv) of this paragraph. For
9 the purposes of calculating the number of such remaining installments,
10 unpaid real estate taxes that are due and payable on other than a quar-
11 terly basis shall be deemed to be payable on a quarterly basis.

12 (ii) With respect to a parcel, other than a parcel described in
13 subparagraph (i) of this paragraph, that is a residential building
14 containing not more than five residential units, a residential condomin-
15 ium unit or a residential building held in a cooperative form of owner-
16 ship, such agreement shall provide for the payment in installments of
17 the delinquent taxes, assessments and other legal charges, and the
18 interest and penalties thereon, due and owing as of the date on which
19 such agreement is requested. The first installment thereof shall be paid
20 upon the filing of the installment agreement with the commissioner of
21 finance and shall be in an amount at least equal to, at the applicant's
22 election, either twenty-five percent or fifty percent of the total
23 amount of such delinquent taxes, assessments or other legal charges and
24 the interest and penalties thereon. The remaining installments, which
25 shall be three times the number of unpaid quarters of real estate taxes
26 or the equivalent thereof, but which shall in no event exceed twenty in
27 number, shall be payable quarterly on the first days of July, October,
28 January and April together with interest at the rate or rates determined
29 as provided in subparagraph (iv) of this paragraph. For the purposes of
30 calculating the number of such remaining installments, unpaid real
31 estate taxes that are due and payable on other than a quarterly basis
32 shall be deemed to be payable on a quarterly basis.

33 (iii) With respect to any parcel of class one or class two real prop-
34 erty, other than a parcel described in subparagraph (i) or (ii) of this
35 paragraph, such agreement shall provide for the payment in installments
36 of the delinquent taxes, assessments and other legal charges, and the
37 interest and penalties thereon, due and owing as of the date on which
38 such agreement is requested. The first installment thereof shall be paid
39 upon the filing of the installment agreement with the commissioner of
40 finance and shall be in an amount at least equal to, at the applicant's
41 election, either thirty-five percent or fifty percent of the total
42 amount of such delinquent taxes, assessments or other legal charges and
43 the interest and penalties thereon. The remaining installments, which
44 shall be twice the number of unpaid quarters of real estate taxes or the
45 equivalent thereof, but which shall in no event exceed twenty in number,
46 shall be payable quarterly on the first days of July, October, January
47 and April, together with interest at the rate or rates determined as
48 provided in subparagraph (iv) of this paragraph. For the purposes of
49 calculating the number of such remaining installments, unpaid real
50 estate taxes that are due and payable on other than a quarterly basis
51 shall be deemed to be payable on a quarterly basis.

52 (iv) (A) Notwithstanding any higher rate of interest prescribed pursu-
53 ant to applicable law, and unless a lower rate of interest is applicable
54 to a delinquent amount owing on a parcel that is the subject of an
55 agreement pursuant to this paragraph, the interest payable together with
56 the remaining installments due under such agreement shall be:

1 (I) with respect to an agreement for which a twenty-five percent or
2 thirty-five percent down payment was made, calculated at a rate equal to
3 the sum of (a) the rate prescribed for the applicable period pursuant to
4 paragraph (i) of subdivision e of section 11-224.1 of this title and (b)
5 one-half of the difference between such rate and the rate prescribed for
6 such period pursuant to paragraph (ii) of subdivision e of section
7 11-224.1 of this title; or

8 (II) with respect to an agreement for which a fifty percent down
9 payment was made, calculated at a rate equal to the rate prescribed for
10 the applicable period pursuant to paragraph (i) of subdivision e of
11 section 11-224.1 of this title.

12 (B) If a default occurs in any agreement executed pursuant to this
13 paragraph as to either quarterly installments or current taxes, assess-
14 ments or other legal charges, the rates of interest determined under
15 this subparagraph shall thereupon cease to be applicable and the commis-
16 sioner of finance shall thereafter charge, collect and receive interest
17 in the manner and at the rates otherwise prescribed pursuant to law.

18 (4) The corporation counsel, when submitting an in rem judgment roll
19 pursuant to the provisions of this chapter, may request a severance as
20 to any parcel as to which, before the preparation of said in rem judg-
21 ment roll is commenced, an agreement was duly made, executed and filed
22 with the commissioner of finance for the payment of all delinquent
23 taxes, assessments and other legal charges and interest and penalties in
24 installments as provided in this subdivision, and there has been no
25 default in such agreement as to either quarterly installments or current
26 taxes, assessments or other legal charges. Where such an agreement is
27 entered into subsequent to the last date for redemption specified in
28 subdivision a of section 11-407 of this chapter, there shall be paid to
29 the commissioner of finance at the time such agreements are executed an
30 amount equal to the penalty that would have been payable under subdivi-
31 sion c of section 11-407 of this chapter had the person executing the
32 agreement made a late redemption payment. Such amount shall be in addi-
33 tion to any installment payments required to be made under the agreement
34 and shall not be credited against any such installment payments. Where a
35 default occurs in such agreement as to either quarterly installments or
36 current taxes, assessments or other legal charges, all payments made
37 under the agreement shall be forfeited and the city shall be entitled to
38 obtain a judgment hereunder as to the parcel as to which the default
39 occurred. Where such default occurred before the submission of the judg-
40 ment roll, the parcels as to which such default occurs shall be included
41 in said judgment roll amount the parcels to be acquired by the city or
42 by a third party. Where such default has occurred as to a parcel severed
43 pursuant to this subdivision, the corporation counsel shall cause to be
44 entered a supplemental judgment of foreclosure as to such parcel imme-
45 diately on notification by the commissioner of finance of such default.
46 Where such installment agreement is paid in full, the commissioner of
47 finance shall discontinue the in rem action from which such parcel was
48 severed by issuing a certificate of withdrawal as to such parcel pursu-
49 ant to the provisions of section 11-413 of this chapter.

50 § 11-410 Preference over other actions. a. Any action brought pursuant
51 to this chapter shall be given preference over all other causes and
52 actions.

53 b. Actions brought pursuant to this chapter shall take precedence over
54 any proceeding brought to foreclose a mortgage or other lien involving
55 the same property. A parcel included in a list of delinquent taxes
56 which is sold in a mortgage foreclosure sale held after said list is

1 filed may not be sold subject to taxes even if judgment has not yet been
2 entered in the tax foreclosure action. All unpaid taxes and interest and
3 penalties thereon must be paid, in full or by installment agreement
4 pursuant to the provisions of this chapter, out of the proceeds of such
5 sale regardless of whether the mortgage foreclosure lis pendens was
6 filed before or after the filing of the tax foreclosure action, regard-
7 less of whether any party to the mortgage foreclosure proceeding has
8 interposed an answer in the tax foreclosure action and regardless of any
9 terms to the contrary in the judgment in the mortgage foreclosure
10 proceeding.

11 § 11-411 Presumption of validity. It shall not be necessary for the
12 city to plead or prove the various steps, procedures and notices for the
13 assessment and levy of the taxes, assessments or other lawful charges
14 against the parcels set forth in the list of delinquent taxes and all
15 such taxes, assessments or other lawful charges and the lien thereof
16 shall be presumed to be valid. A defendant alleging any jurisdictional
17 defect or invalidity in such taxes, assessments or other lawful charges
18 or in the foreclosure thereof must particularly specify in his or her
19 answer such jurisdictional defect or invalidity and must affirmatively
20 establish such defense. A judgment of foreclosure granted in any
21 proceeding brought pursuant to this chapter, which contains recitals
22 that any acts were done or proceedings had which were necessary to give
23 the court jurisdiction or power to grant such judgment of foreclosure,
24 shall be presumptive evidence that such acts were duly performed or
25 proceedings duly had, if such judgment of foreclosure shall have been
26 duly entered or filed in the office of the clerk of the county in which
27 the proceeding was pending and wherein such judgment was granted. The
28 provisions of this chapter shall apply to and be valid and effective
29 with respect to all defendants even though one or more of them be
30 infants, incompetents, absentees or non-residents of the state of New
31 York.

32 § 11-412 Final judgment. a. The court shall determine upon proof and
33 shall make finding upon such proof whether there has been due compliance
34 by the city with the provisions of this chapter.

35 b. The court shall make a final judgment awarding to the city the
36 possession of any parcel described in the list of delinquent taxes not
37 redeemed or withdrawn as provided in this chapter and as to which no
38 answer is interposed as provided herein. In addition thereto, such judg-
39 ment shall contain a direction to the commissioner of finance to
40 prepare, execute and cause to be recorded a deed conveying to the city
41 full and complete title to such lands. Upon the execution of such deed,
42 the city shall be seized of an estate in fee simple absolute in such
43 land and all persons, including the state of New York, infants, incompe-
44 tents, absentees and non-residents who may have had any right, title,
45 interest, claim, lien or equity of redemption in or upon such lands
46 shall be barred and forever foreclosed of all such right, title, inter-
47 est, claim, lien or equity of redemption, except as otherwise provided
48 in section 11-424 of this chapter. The appointment and tenure of receiv-
49 ers, trustees or any other persons, including administrators under arti-
50 cle seven-A of the real property actions and proceedings law, appointed
51 by an order of a court to manage real property, shall terminate when
52 title to such property vests in the city pursuant to the provisions of
53 this chapter. After such termination, said receivers, trustees or admin-
54 istrators shall be accountable to the courts that appointed them for the
55 faithful performance of their fiduciary obligations during the term of
56 their appointment and to the city for any rents and income received by

1 them for any period subsequent to the date of the vesting of title in
2 the city.

3 If the city serves a tenant in possession of a dwelling unit with
4 notice of termination of tenancy on grounds other than non-payment of
5 rent, the acceptance of rent for the first forty-five days after termi-
6 nation of tenancy by anyone other than an employee of the department
7 designated by the department to receive such rent shall not be deemed or
8 construed as a waiver of the city's right to initiate and prosecute a
9 proceeding to terminate the tenancy for good cause.

10 c. Every deed given pursuant to the provisions of this section shall
11 be presumptive evidence that the action and all proceedings therein and
12 all proceedings prior thereto from and including the assessment of the
13 lands affected and all notices required by law were regular and in
14 accordance with all provisions of law relating thereto. After two years
15 from the date of the recording of such deed, the presumption shall be
16 conclusive, unless at the time that this subdivision takes effect the
17 two year period since the recording of the deed has expired or less than
18 six months of such period of two years remains unexpired, in which case
19 the presumption shall become conclusive six months after this subdivi-
20 sion takes effect. No action to set aside such deed may be maintained
21 unless the action is commenced and a notice of pendency of the action is
22 filed in the office of the proper county clerk prior to the time that
23 the presumption becomes conclusive as aforesaid.

24 § 11-412.1 Special procedures relating to final judgment and release
25 of class one and class two real property. Notwithstanding any other
26 provision of law to the contrary:

27 a. The court shall determine upon proof and shall make a finding upon
28 such proof whether there has been due compliance by the city with the
29 applicable provisions of this chapter.

30 b. (1) The court shall make a final judgment authorizing the award of
31 possession of any parcel of class one or class two real property
32 described in the list of delinquent taxes not redeemed or withdrawn as
33 provided in this chapter and as to which no answer is interposed as
34 provided herein, and authorizing the commissioner of finance to prepare,
35 execute and cause to be recorded a deed conveying either to the city or
36 to a third party deemed qualified and designated by the commissioner of
37 housing preservation and development full and complete title to such
38 lands. Any such conveyance to a third party shall be for an existing
39 use.

40 (2) Such third party shall be deemed qualified and shall be designated
41 pursuant to such criteria as are established in rules promulgated by the
42 commissioner of housing preservation and development, provided, however,
43 that such criteria shall include but not be limited to: residential
44 management experience; financial ability; rehabilitation experience;
45 ability to work with government and community organizations; neighbor-
46 hood ties; and that the commissioner shall consider whether the third
47 party is a responsible legal tenant, not-for-profit organization or
48 neighborhood-based-for-profit individual or organization. The commis-
49 sioner shall not deem qualified any third party who has been finally
50 adjudicated by a court of competent jurisdiction, within seven years of
51 the date on which such third party would otherwise be deemed qualified,
52 to have violated any section of article one hundred fifty, one hundred
53 seventy-five, one hundred seventy-six, one hundred eighty, one hundred
54 eighty-five or two hundred of the penal law or any similar laws of
55 another jurisdiction, or who has been suspended or debarred from
56 contracting with the city or any agency of the city pursuant to section

1 335 of the charter during the period of such suspension or debarment.
2 The rules promulgated by the commissioner pursuant to this paragraph may
3 establish other bases for disqualification of a third party.

4 c. Following the expiration of the four-month period prescribed in
5 subdivision d of this section, but not more than eight months after the
6 date on which, pursuant to subdivision b of this section, the final
7 judgment authorizing the award of possession of a parcel of class one or
8 class two real property was entered, the commissioner of finance may
9 execute a deed, pursuant to subdivision b of this section, with respect
10 to such parcel. The owner of said parcel shall continue to have all of
11 the rights, liabilities, responsibilities, duties and obligations of an
12 owner of such parcel, including, but not limited to, maintaining such
13 parcel in compliance with the housing maintenance, building and fire
14 codes, and all other applicable laws, unless and until the commissioner
15 of finance has prepared and executed a deed conveying to the city or to
16 a third party full and complete title to such parcel. Upon the execution
17 of such deed, the city or the third party shall be seized of an estate
18 in fee simple absolute in such land and all persons, including the state
19 of New York, infants, incompetents, absentees and non-residents who may
20 have had any right, title, interest, claim, lien or equity of redemption
21 in or upon such lands shall be barred and forever foreclosed of all such
22 right, title, interest, claim, lien or equity of redemption, except as
23 otherwise provided in subdivisions e and f of this section. The appoint-
24 ment and tenure of receivers, trustees or any other persons, including
25 administrators under article seven-A of the real property actions and
26 proceedings law, appointed by an order of a court to manage real proper-
27 ty, shall terminate when title to such property vests in the city or a
28 third party pursuant to the provisions of this chapter. After such
29 termination, said receivers, trustees or administrators shall be
30 accountable to the courts that appointed them for the faithful perform-
31 ance of their fiduciary obligations during the term of their appointment
32 and to the city or such third party for any rents and income received by
33 them for any period subsequent to the date of the vesting of title in
34 the city or such third party.

35 If the city serves a tenant in possession of a dwelling unit with
36 notice of termination of tenancy on grounds other than nonpayment of
37 rent, the acceptance of rent for the first forty-five days after termi-
38 nation of tenancy by anyone other than an employee of the department
39 designated by the department to receive such rent shall not be deemed or
40 construed as a waiver of the city's right to initiate and prosecute a
41 proceeding to terminate the tenancy for good cause.

42 d. Within four months after the date on which, pursuant to subdivision
43 b of this section, the final judgment authorizing the award of
44 possession of a parcel of class one or class two real property was
45 entered, any person claiming to have an interest in such parcel shall
46 have the right to make a payment to the commissioner of finance consist-
47 ing of all taxes, assessments and other legal charges owing on said
48 parcel, the lawful interest thereon to the date of payment and a penalty
49 of five percent of said payment of taxes, assessments and other legal
50 charges and interest, which penalty may not exceed one thousand dollars.
51 Such payment shall be made in cash or by certified or bank check. Within
52 such four-month period, such interested person may also request an
53 installment agreement from the commissioner of finance. Such agreement
54 shall require, in addition to full payment of the penalty specified in
55 this subdivision at the time such agreement is entered into, the payment
56 at such time of a first installment equal to fifty percent of all taxes,

1 assessments and other legal charges, and the lawful interest thereon,
2 then owing on such parcel, and the payment of the balance of such taxes,
3 assessments and other legal charges and interest in four equal quarterly
4 installments together with all current taxes, assessments and other
5 legal charges that accrue during such period. Upon receipt of payment in
6 full of the amount specified in this subdivision, the commissioner of
7 finance shall direct the corporation counsel to prepare and cause to be
8 entered an order discontinuing the in rem tax foreclosure action as to
9 said property, cancelling the notice of pendency of such action as to
10 said property and vacating and setting aside the final judgment. Upon
11 the execution of an installment agreement and payment of the amounts due
12 at the time such agreement is executed as provided in this subdivision,
13 the commissioner of finance shall direct the corporation counsel to
14 prepare and cause to be entered an order vacating and setting aside the
15 final judgment. The entry of either such order shall restore all
16 parties, including owners, mortgagees and any and all lienors, receivers
17 and administrators and encumbrancers, to the status they held immediate-
18 ly before such final judgment was entered. Where the commissioner of
19 finance approves an application requesting an installment agreement
20 pursuant to this subdivision, the order vacating and setting aside the
21 final judgment shall provide that in the event of any default as to the
22 payment of either quarterly installments or current taxes, assessments
23 or other legal charges during the term of such agreement, all payments
24 under said agreement shall be forfeited and the corporation counsel,
25 immediately upon notification by the commissioner of finance of such
26 default, shall cause to be entered as to such property a supplemental
27 judgment of foreclosure in the in rem action which authorizes the
28 commissioner of finance to prepare, execute and cause to be recorded a
29 deed conveying either to the city or to a third party full and complete
30 title to such lands. Upon the entry of such supplemental judgment, the
31 provisions of subdivisions c through i of this section shall apply in
32 the same manner as such subdivisions would have applied had no payment
33 been made nor installment agreement executed during the four-month peri-
34 od specified in this subdivision.

35 e. 1. If the commissioner of finance has prepared, executed and caused
36 to be recorded a deed conveying to the city full and complete title to a
37 parcel of class one or class two real property acquired by in rem tax
38 foreclosure, the city's interest in such parcel may be released pursuant
39 to this subdivision on the application of any party who has an interest
40 in said parcel as either owner, mortgagee, lienor, or encumbrancer at
41 the time of the city's acquisition thereof where such application is
42 made at any time up to sixteen months from the date on which the deed by
43 which the city acquired title to said parcel was recorded.

44 2. Any such application shall be made in writing to the commissioner
45 of general services and shall be verified. It shall contain the informa-
46 tion required pursuant to paragraph one of subdivision b of section
47 11-424 of this chapter, the documents required by subdivision c of such
48 section, and shall be accompanied by the fees required by paragraphs
49 three and six of subdivision b of such section. The fee required by
50 paragraph three of subdivision b of section 11-424 of this chapter shall
51 not be refundable.

52 3. The city's interest in any such parcel shall be released only after
53 payment of the sums of money specified in subdivision d of section
54 11-424 of this chapter.

55 4. The provisions contained in subdivision g of section 11-424 of this
56 chapter shall govern such an application, except as follows:

1 (a) where such provisions are inconsistent with the provisions
2 contained in this subdivision, the provisions contained in this subdivi-
3 sion shall govern such application; and

4 (b) where the in rem foreclosure release board denies a written
5 request for an installment agreement that was filed in connection with
6 an application for release of the city's interest in a parcel of class
7 one or class two real property and such application was filed within
8 thirty days of the date of the city's acquisition of the property sought
9 to be released, the board may, in its discretion, authorize a release of
10 the city's interest, provided that the applicant thereafter pays all the
11 amounts required to be paid pursuant to subdivision d of section 11-424
12 of this chapter within thirty days of the date on which a letter
13 requesting such payment is mailed or delivered to such applicant.

14 5. Upon receipt of all the amounts required to be paid pursuant to
15 this subdivision, the commissioner of finance shall direct the corpo-
16 ration counsel to prepare and cause to be entered an order discontinuing
17 the in rem tax foreclosure action as to said property, cancelling the
18 notice of pendency of such action as to said property and vacating and
19 setting aside the final judgment entered pursuant to subdivision b of
20 this section and the deed executed and recorded pursuant to such final
21 judgment as to said property. The entry of such order shall restore all
22 parties, including owners, mortgagees and any and all lienors, receivers
23 and administrators and encumbrancers, to the status they held immedi-
24 ately before the final judgment was entered, as if the in rem tax foreclo-
25 sure had never taken place, and shall render said property liable for
26 all taxes, deficiencies, management fees and liens which shall accrue
27 subsequent to those paid in order to obtain the release provided for in
28 this subdivision, or which were, for whatever reason, omitted from the
29 payment made to obtain said release.

30 f. If the commissioner of finance has prepared, executed and caused to
31 be recorded a deed conveying to the city full and complete title to a
32 parcel of class one or class two real property acquired by in rem tax
33 foreclosure and such parcel is entitled to an exemption under any of the
34 provisions of article four of the real property tax law during all or
35 part of the period covered by the tax items appearing on a list of
36 delinquent taxes, the owner of such parcel may apply for a release of
37 the city's interest in such exempt property under the provisions of
38 subdivision e of this section during the period of time set forth in
39 paragraph one of such subdivision and for an additional period up to ten
40 years from the date on which the deed by which the city acquired title
41 to said property was recorded. The application of such owner shall be
42 accompanied by the nonrefundable fee required by paragraph four of
43 subdivision b of section 11-424 of this chapter and shall contain, in
44 addition to the statements, searches and proofs required by subdivision
45 e of this section, a statement that an exemption under the real property
46 tax law is being claimed. Such application shall also state either that
47 it is accompanied by the written certificate of the comptroller setting
48 forth the precise period during which said property, while owned by such
49 application, and during the period after the city's acquisition up to
50 the date of the certificate if said property was still being used for an
51 exempt purpose after said acquisition, was entitled to an exemption and
52 the exact nature and extent of such exemption or that an application for
53 such written certificate has been filed with the comptroller. On issuing
54 such written certificate, the comptroller shall cancel those tax items
55 which have accrued during the period covered by the certificate to the
56 extent the applicant is entitled to an exemption as set forth in the

1 certificate. A release of the city's interest may be authorized only at
2 the discretion of the in rem foreclosure release board and, except as
3 otherwise provided in paragraph four of subdivision e of this section,
4 subject to all the restrictions set forth in subdivision g of section
5 11-424 of this chapter. A release to an exempt applicant shall be
6 effected only after said applicant has paid all of the amounts required
7 to be paid by subdivision d of section 11-424 of this chapter, except
8 for those tax items which have been canceled, in whole or in part,
9 pursuant to the comptroller's certificate, within thirty days of the
10 date on which the letter requesting payment is mailed or delivered to
11 the applicant.

12 g. If the commissioner of finance has prepared, executed and caused to
13 be recorded a deed conveying to the city or to a third party full and
14 complete title to a parcel of class one or class two real property
15 acquired by in rem tax foreclosure, the provisions contained in subdivi-
16 sions f and i of section 11-424 of this chapter for the release of prop-
17 erty so acquired shall not be available. If the commissioner of finance
18 has prepared, executed and caused to be recorded a deed conveying to a
19 third party full and complete title to a parcel of class one or class
20 two real property acquired by in rem tax foreclosure, the provisions
21 contained in subdivisions e and f of this section for the release of
22 property so acquired shall not be available.

23 h. Every deed given pursuant to the provisions of this section shall
24 be presumptive evidence that the action and all proceedings therein and
25 all proceedings prior thereto from and including the assessment of the
26 lands affected and all notices required by law were regular and in
27 accordance with all provisions of law relating thereto. After four
28 months from the date of entry of the final judgment authorizing the
29 award of possession of any parcel of class one or class two real prop-
30 erty pursuant to the provisions of this section, the presumption shall be
31 conclusive. No action to set aside such deed may be maintained unless
32 the action is commenced and a notice of pendency of the action is filed
33 in the office of the property county clerk prior to the time that the
34 presumption becomes conclusive as aforesaid. Should any lawsuit or
35 proceeding be commenced to set aside a deed conveying to a third party a
36 parcel of class one or class two real property pursuant to the
37 provisions of this section, such third party shall send to the corpo-
38 ration counsel within ten days of their receipt a copy of any papers
39 served on such third party in such lawsuit or proceeding.

40 i. If the commissioner of finance does not execute a deed conveying to
41 the city or to a third party a parcel of class one or class two real
42 property within eight months after the entry of final judgment authoriz-
43 ing the award of possession of such parcel pursuant to subdivision b of
44 this section, the commissioner of finance shall direct the corporation
45 counsel to prepare and cause to be entered an order discontinuing the in
46 rem foreclosure action as to said property, canceling the notice of
47 pendency of such action as to said property and vacating and setting
48 aside said final judgment. The entry of such order shall restore all
49 parties, including owners, mortgagees and any and all lienors, receivers
50 and administrators and encumbrancers, to the status they held immedi-
51 ately before such final judgment was entered.

52 j. If the commissioner of finance directs the corporation counsel,
53 pursuant to subdivision i of this section, to prepare and cause to be
54 entered an order discontinuing the in rem foreclosure action with
55 respect to a parcel of class one or class two real property determined
56 to be distressed pursuant to section 11-401.1 of this chapter, the

1 commissioner of housing preservation and development shall evaluate the
2 parcel determined to be distressed and take such action as he or she
3 deems appropriate under the programs, existing at the time of such eval-
4 uation, that are designed to encourage the rehabilitation and preserva-
5 tion of existing housing, and shall monitor or cause to be monitored the
6 status of the property. The commissioner of housing preservation and
7 development shall maintain a register of properties determined to be
8 distressed.

9 § 11-412.2 Council review of conveyance to a third party. The commis-
10 sioner of finance shall, prior to the execution of a deed conveying full
11 and complete title of any parcel of class one or class two real property
12 to a third party pursuant to subdivision c of section 11-412.1 of this
13 chapter, notify the council of the proposed conveyance. Within forty-
14 five days of such notification, the council may act by local law disap-
15 proving the proposed conveyance. In the event the council does not act
16 by local law within such forty-five day period, the council shall be
17 deemed to have approved the proposed conveyance. During such forty-five
18 day period or, if the city council acts by local law pursuant to this
19 section, during the period of time from the notification of the council
20 to the presentation to the mayor of such local law and during any addi-
21 tional period of time prescribed in section 37 of the charter, the
22 eight-month period provided in subdivisions c and i of section 11-412.1
23 of this chapter shall be tolled.

24 § 11-413 Withdrawal of parcels from foreclosure. a. The commissioner
25 of finance may, prior to final judgment, withdraw a parcel from a
26 proceeding under this chapter for any of the following reasons, (1) a
27 question which the commissioner deems meritorious has been raised as to
28 the validity of the tax liens affecting the parcel, (2) the city collec-
29 tor has accepted a payment of all taxes and interest which rendered the
30 parcel subject to foreclosure hereunder because the records in the
31 commissioner's office indicated that the principal amount of such taxes
32 was exceeded by the principal amount of subsequent taxes which would not
33 have rendered the parcel subject to foreclosure hereunder and which had
34 been paid prior to the commencement of said proceeding or (3) in cases
35 where the tax foreclosure action cannot be maintained such as, but not
36 limited thereto, where the charges which rendered a parcel subject to
37 foreclosure hereunder have been cancelled or were paid before the
38 commencement of the foreclosure proceeding but such payment was not
39 reported or did not clear for payment until after the commencement of
40 said proceeding, or where a name and address appearing on an owner's
41 registration card or an in rem card filed pursuant to section 11-416 or
42 11-417 of this chapter and contained in the files of the city collector
43 did not appear in the mailing list used by the commissioner of finance
44 for mailing notices of foreclosure in such proceeding.

45 b. To effectuate such withdrawal the commissioner of finance shall
46 deliver a certificate of withdrawal to the corporation counsel who shall
47 file it in the office of the county clerk in which the list of delin-
48 quent taxes was filed. The filing of such certificate with such county
49 clerk shall effect a discontinuance of the tax foreclosure action as to
50 the affected parcel, and the county clerk shall thereupon note such
51 withdrawal and discontinuance in the copy of the list of delinquent
52 taxes maintained by him or her adjacent to the county clerk's block
53 index of notices of pendency of action and shall cancel and discharge
54 any and all notations of the filing of said list of delinquent taxes as
55 to said parcel that may appear in any other books, records, indices and
56 dockets maintained in said clerk's office.

1 c. The commissioner of finance shall also deliver a duplicate original
2 certificate of withdrawal to the person entitled to such withdrawal.

3 d. The commissioner of finance shall recite the parcels so withdrawn
4 and the reasons for withdrawal in an affidavit of regularity to be
5 submitted by the commissioner in each action brought pursuant to this
6 chapter.

7 e. The commissioner of finance shall issue a certificate of withdrawal
8 whenever taxes and interest are paid, cancelled, liquidated or otherwise
9 lawfully disposed of as to any parcel which was previously severed
10 pursuant to section 11-409 of this chapter because an answer or liti-
11 gation was pending.

12 § 11-414 Right of redemption not diminished. The period of time in
13 which any owner of, or other person having an interest in a parcel of
14 property may redeem from a sale of a transfer of tax lien is not hereby
15 diminished nor shall such period of time be diminished by the commence-
16 ment of any action brought pursuant to this chapter.

17 § 11-415 Priority of liens. Tax liens shall rank in priority as may
18 now, or as may hereafter, be provided by law.

19 § 11-416 Owner's registration cards; mailing tax bills and notices to
20 registered owners or their designees. a. The commissioner of finance
21 shall maintain a file of owner's registration cards submitted by owners
22 of real property. Each such owner's registration card shall be signed by
23 the owner or a duly authorized representative and shall state the date
24 on which it was filed, the owner's full name and post office address and
25 a description of the premises by reference to the section, block, and
26 lot numbers on the tax map.

27 b. The commissioner of finance shall mail bills for taxes, charges and
28 assessments to all owners who have filed owner's registration cards as
29 herein provided, but the failure of the commissioner of finance so to
30 mail such bill shall not invalidate or otherwise affect the tax, charge
31 or assessment represented thereby nor prevent the accruing of any inter-
32 est or penalty imposed for the non-payment thereof, nor prevent or stay
33 proceedings under this chapter, nor effect the title of the plaintiff or
34 any purchaser under such proceedings.

35 c. The commissioner of finance shall also mail notice of foreclosure
36 and any other process required by this chapter to all owners who have
37 filed owner's registration cards whenever the parcels as to which such
38 cards were filed are included in a list of delinquent taxes filed pursu-
39 ant to this chapter. The failure to receive such notice or process as
40 herein provided shall not affect the validity of any action or proceed-
41 ing brought pursuant to this chapter.

42 d. An owner who files an owner's registration card may also designate
43 thereon the full name and post office address of a mortgagee, lienor or
44 other person to receive bills and notices. Where such designation is
45 made, the commissioner of finance shall not mail any bills and notices
46 to the owner but shall mail all bills and notices to the owner's desig-
47 nee.

48 § 11-417 In rem cards; mailing notices to other interested persons.

49 a. The commissioner of finance shall, in addition to the file maintained
50 by him or her pursuant to section 11-416 of this chapter, maintain a
51 file of in rem cards submitted by any person having an interest in real
52 property who is not entitled to have tax bills mailed to him or her by
53 the commissioner of finance, including mortgagees, lienors, encumbranc-
54 ers and owners who have filed owner's registration cards designating
55 someone else to receive bills and notices. Each such in rem card shall
56 be signed by the person filing such card or a duly authorized represen-

1 tative, shall contain a description of the premises by reference to the
2 section, block and lot numbers on the tax map and shall state the date
3 on which said card was filed, the full name and post office address of
4 the person filing said card and the nature of the interest said person
5 has in said premises.

6 b. The commissioner of finance shall mail a notice of foreclosure and
7 any other process required by this chapter to each person who has filed
8 an in rem card whenever the parcels to which such cards refer are
9 included in a list of delinquent taxes filed pursuant to this chapter.
10 However, failure to receive such notice or process shall not affect the
11 validity of any proceeding brought pursuant to this chapter.

12 § 11-418 Writ of assistance. The city, after acquiring title to prem-
13 ises under and pursuant to the terms and provisions of this chapter,
14 shall be entitled to a writ of assistance, with the same force and
15 effect as if the city had acquired the property by virtue of a mortgage
16 foreclosure.

17 § 11-419 Consolidation of actions. Actions or proceedings pending in
18 the courts, or otherwise, to cancel a sale of a tax lien on lands a lien
19 upon which is being foreclosed by action under this chapter, shall be
20 terminated upon the institution of a foreclosure action pursuant to this
21 chapter, and the rights and remedies of the parties in interest to such
22 pending actions or proceedings shall be determined by the court in such
23 foreclosure action.

24 § 11-420 Lands held for public use; right of sale. Whenever the city
25 shall become vested with the title to lands by virtue of a foreclosure
26 proceeding brought pursuant to the provisions of this chapter, such
27 lands shall, unless actually used for other than municipal purposes, be
28 deemed to be held by the city for a public use but for a period of not
29 more than three years from the date of the final judgment. The city is
30 hereby authorized to sell and convey such lands in the manner provided
31 by law for the sale and conveyance of other real property held and owned
32 by the city and not otherwise.

33 § 11-421 Certificate of sale as evidence. The transfer of tax lien or
34 any other written instrument representing a tax lien shall be presump-
35 tive evidence in all courts in all proceedings under this chapter by and
36 against the purchaser and his or her representatives, heirs and assigns,
37 of the truth of the statements therein, of the title of the purchaser to
38 the property therein described, and of the regularity and validity of
39 all proceedings had in reference to the taxes, assessments or other
40 legal charges for the nonpayment of which the tax lien was sold and the
41 sale thereof. After two years from the issuance of such certificate or
42 other written instrument, no evidence shall be admissible in any court
43 in a proceeding under this chapter to rebut such presumption unless the
44 holder thereof shall have procured such transfer of tax lien or such
45 other written instrument by fraud or had previous knowledge that it was
46 fraudulently made or procured.

47 § 11-422 Deed in lieu of foreclosure. The city may when authorized by
48 resolution of the successor agency, officer or employee of the former
49 board of estimate and in lieu of prosecuting an action to foreclose a
50 tax lien on any parcel pursuant to this chapter accept a conveyance of
51 the interest of any person having any right, title, interest, claim,
52 lien or equity of redemption in or to such parcel.

53 § 11-423 Sales and foreclosures of tax liens. Notwithstanding any of
54 the provisions of this chapter the city may continue to sell tax liens,
55 transfer the same to purchasers and become the purchaser at such sales
56 of tax liens in the manner provided by this title.

1 § 11-424 Application to the city for release of property acquired by
2 in rem tax foreclosure. a. (1) The city's interest in property acquired
3 by in rem tax foreclosure may be released pursuant to this section on
4 the application of any party who had an interest in said property as
5 either owner, mortgagee, lienor or encumbrancer at the time of the
6 city's acquisition thereof where such application is made at any time up
7 to two years from the date on which the deed by which the city acquired
8 title to said property was recorded.

9 (2) Notwithstanding any inconsistent provision of paragraph one of
10 this subdivision to the contrary, the city's interest in property
11 acquired by in rem tax foreclosure may be released pursuant to this
12 section upon application of any party who had an interest in said prop-
13 erty as either owner, mortgagee, lienor or encumbrancer at the time of
14 the city's acquisition thereof where such application is made more than
15 two years after the date on which the deed by which the city acquired
16 title to said property was recorded provided such application is author-
17 ized by the council as hereinafter provided. An application for such
18 release and the documents required by subdivision c of this section in
19 support thereof shall be filed with the department of citywide adminis-
20 trative services in the manner provided in subdivision b of this
21 section. The department of citywide administrative services shall give
22 the council written notice of the receipt of each such filing. After
23 review and approval of the application by the corporation counsel as to
24 form and eligibility of the applicant, the department of citywide admin-
25 istrative services shall send a copy of such application to the in rem
26 foreclosure release board and to the council. Upon receipt of such
27 application, the in rem foreclosure release board shall take no further
28 action on such application unless the council adopts a resolution within
29 one hundred twenty days following the first stated meeting of the coun-
30 cil after receipt of such application authorizing the board to consider
31 such application. If the council fails to adopt a resolution within such
32 one hundred twenty-day period, the council shall be deemed to have
33 denied its authorization for the board to consider such application. A
34 resolution of the council pursuant to this paragraph shall describe the
35 property for which release is sought by borough, tax map, block and lot
36 number and shall specify that release of the city's interest in such
37 property is subject to the approval of the in rem foreclosure release
38 board and to all the conditions and restrictions set forth in this
39 section.

40 b. 1. Any such application shall be made in writing to the commission-
41 er of citywide administrative services and shall be verified. It shall
42 contain the name and address of the applicant and shall state the date
43 on which and the in rem action by which the city acquired title to the
44 property sought to be released. It shall also contain a statement speci-
45 fying the nature of the applicant's interest in the property and a full
46 description of the instrument from which the applicant's interest
47 derives including the date of execution, the date and place of the
48 recording or entry of said instrument and the parties thereto. In the
49 event the applicant's interest arises by reason of the death of a prior
50 owner, mortgagee, lienor or encumbrancer, then the application shall
51 also state the applicant's relationship to said decedent and shall
52 include whatever additional information may be necessary to prove the
53 applicant's right to make such application.

54 2. A fee of two hundred seventy-five dollars shall be paid on the
55 submission of any such application which is subject to the provisions of
56 subdivision f of this section, except that the fee for any such applica-

1 tion for the release of property improved by a one or two-family dwell-
2 ing shall be one hundred dollars.

3 3. A fee of five hundred fifty dollars shall be paid on the submission
4 of any such application which is subject to the provisions of subdivi-
5 sion g of this section, except that the fee for any such application for
6 the release of property improved by a one or two-family dwelling shall
7 be one hundred dollars.

8 4. A fee of two hundred seventy-five dollars shall be paid on the
9 submission of any such application which is subject to the provisions of
10 subdivision h of this section within four months from the date on which
11 the deed by which the city acquired title to the subject property was
12 recorded, and a fee of five hundred and fifty dollars shall be paid on
13 the submission of any such application which is subject to the
14 provisions of such subdivision not within four months from such date;
15 except that the fee for any such application which is subject to the
16 provisions of such subdivision for the release of property improved by a
17 one or two-family dwelling shall be one hundred dollars.

18 5. The fees payable pursuant to paragraphs two, three and four of this
19 subdivision shall not be refundable.

20 6. In addition to the fees specified in paragraphs two, three and four
21 of this subdivision, there shall be paid on the submission of any appli-
22 cation which is subject to this section an amount at least equal to the
23 lesser of nine hundred dollars or the sum specified in paragraph one of
24 subdivision d of this section, which amount shall not be refundable, but
25 shall be applied in reduction of the sum specified in paragraph one of
26 subdivision d of this section; provided, however, that if a release
27 requires the authorization of the in rem foreclosure release board, and
28 such authorization is not given, such additional amount shall be
29 refunded to the applicant.

30 c. Each application shall be supported by the certified search of the
31 city register or by an official letter, certificate or certified search
32 of any title insurance or abstract company, organized and doing business
33 under the laws of this state. Such supporting instruments shall recite
34 the recording data both as to the deed by which the city acquired title
35 to the parcel sought to be released and the instrument from which the
36 applicant's interest derives. In the event the applicant's interest does
37 not appear of record but is derived by the death of an owner, mortgagee,
38 lienor or encumbrancer of record, then the application shall also be
39 supported by the affidavit of the applicant or other person having
40 information thereof, or by the duly written certificate or certification
41 of the county clerk or the clerk of any surrogate's or other court of
42 record, or by any other instrument or document required by the corpo-
43 ration counsel to substantiate the applicant's right to file such appli-
44 cation in compliance with the provisions of this section.

45 d. The city's interest shall be released only after payment, as to
46 each parcel to be released, of the following sums of money:

47 1. The principal amount due on all unpaid taxes, assessments, water
48 charges and sewer rents appearing on the list of delinquent taxes and
49 accruing thereafter together with interest at the rate or rates provided
50 by law.

51 2. Five percent of the amount paid pursuant to the preceding paragraph
52 but not exceeding one thousand dollars for each parcel.

53 3. Any deficiency which may result to the city after all payments made
54 by it for the repair, maintenance, and operation of the lands, real
55 estate or real property shall have been charged or debited in the appro-
56 priate accounts of the city and all rents, license fees and other moneys

1 collected by the city as a result of its operation of the said lands,
2 real estate or real property shall have been credited in such accounts.
3 Any contract for repair, maintenance, management or operation made by
4 the city on which it shall be liable, although payment thereon shall not
5 have been made, shall be deemed a charge or debit to such accounts as
6 though payment had been made. The amounts paid and collected by the city
7 as shown in its accounts and the necessity for making the several
8 payments and contracts to be charged as herein provided shall be conclu-
9 sive upon the applicant. Where a deficiency under this subdivision shall
10 be created or increased by the failure of the city to collect rents,
11 license fees or other moneys to which the city may have been entitled,
12 the right to collect or to bring action for the same shall be assigned,
13 transferred and set over to the applicant by an instrument in writing.

14 4. Any and all costs and disbursements which shall have been awarded
15 to the city or to which it may have become entitled by operation of law
16 or which it may have paid or become liable for payment in connection
17 with any litigation between it and the applicant or any person having an
18 estate or interest in the lands, real estate or real property to be
19 released resulting directly or indirectly from the foreclosure by action
20 in rem of the delinquent taxes affecting said lands, real estate or real
21 property.

22 5. A reasonable monthly fee to be determined by the city, through the
23 department of citywide administrative services, for management services
24 and operations of the lands, real estate or real property by the city
25 prior to the release of said lands, real estate or property.

26 6. The city, through the department of citywide administrative
27 services, shall also require as additional consideration for such
28 release, the payment of all arrears on mortgages held by the city and
29 all liens accruing to it by operation of law including but not limited
30 to relocation and emergency repair liens.

31 e. The corporation counsel shall effect the release of the city's
32 interest in property acquired by in rem tax foreclosure, as provided for
33 in this section, by preparing and causing to be entered an order discon-
34 tinuing the in rem tax foreclosure action as to said property, cancel-
35 ling the notice of pendency of such action as to said property and
36 vacating and setting aside the in rem judgment of foreclosure and the
37 deed executed and recorded pursuant to such judgment of foreclosure as
38 to said property. The entry of such order shall restore all parties,
39 including owners, mortgagees and any and all lienors, receivers and
40 administrators and encumbrancers, to the status they held at the time
41 the city acquired title to said property, as if the in rem tax foreclo-
42 sure had never taken place, and shall render said property liable for
43 all taxes, deficiencies, management fees and liens which shall accrue
44 subsequent to those paid in order to obtain the release provided for in
45 this section, or which were, for whatever reason, omitted from the
46 payment made to obtain said release.

47 f. If an application pursuant to this section, and the documents
48 required by subdivision c of this section in support thereof, are filed
49 within four months after the date of the city's acquisition of the
50 subject property, said application shall be granted providing the corpo-
51 ration counsel approves the application as to form, timeliness and
52 eligibility of the applicant and providing the applicant has paid all
53 amounts required to be paid by subdivision d of this section within
54 thirty days of the date on which a letter requesting applicant to make
55 such payment is mailed or delivered to the applicant. The city shall not
56 sell or assign any property acquired by in rem tax foreclosure within

1 four months of said acquisition but this provision shall not prevent the
2 city from authorizing condemnation of such property or vesting title
3 thereto in a condemnation proceeding during said four month period. In
4 the event an application pursuant to this section is filed within four
5 months of the city's acquisition by in rem tax foreclosure and title to
6 the subject property vests in condemnation before the city's interest
7 therein has been released by the vacate order provided for herein, the
8 applicant shall be entitled to the condemnation award for such property
9 without the entry of such vacate order, providing the corporation coun-
10 sel has approved the application as aforesaid and providing that the
11 amounts specified in subdivision d of this section, if not previously
12 paid, are deducted from said condemnation award, with taxes apportioned
13 to the date of the condemnation title vesting.

14 g. If an application for a release of the city's interest in property
15 acquired by in rem tax foreclosure, and the documents required by subdivi-
16 sion c of this section in support thereof, have been filed within the
17 time allowed in paragraph one of subdivision a of this section, but more
18 than four months after the date of the city's acquisition or if an
19 application for such release has been authorized by a resolution of the
20 council pursuant to paragraph two of subdivision a of this section and
21 such application and the documents required by subdivision c of this
22 section in support thereof have been filed, the in rem foreclosure
23 release board may, in its discretion, authorize the release of the
24 city's interest in said property pursuant to this section, provided that
25 the application has been approved by the corporation counsel as to form,
26 timeliness and eligibility of the applicant and provided that the city
27 has not sold or otherwise disposed of said property and provided,
28 further, that said property has not been condemned or assigned to any
29 agency of the city and is not the subject of contemplated use for any
30 capital or urban renewal project of the city. The corporation counsel
31 shall effect such discretionary release only where the applicant, after
32 the board's authorization of the release, has paid all the amounts
33 required to be paid by subdivision d of this section within thirty days
34 of the date on which a letter requesting the applicant to make such
35 payment is mailed or delivered to the applicant. The in rem foreclosure
36 release board may also, in its discretion, authorize a release of the
37 city's interest in such property, pursuant to the above provisions,
38 whenever an application for such release, approved as to form, timeli-
39 ness and eligibility by the corporation counsel, has been filed at any
40 time during the period allowed in subdivision a of this section in which
41 the applicant has requested an installment agreement of the commissioner
42 of citywide administrative services for the payment of the amounts
43 required to be paid by subdivision d of this section provided that said
44 commissioner has approved such request. The commissioner of citywide
45 administrative services shall not approve any such request unless the
46 applicant shall have given notice by certified mail to each tenant
47 located on the parcel, of the request and shall have given such commis-
48 sioner an affidavit stating that such notice has been provided, within
49 thirty days after the request. Any false statement in such affidavit
50 shall not in any way affect the validity of the agreement, be grounds
51 for its cancellation or in any way affect the release of the city's
52 interest in the parcel. Such agreement shall require, in addition to
53 full payment of the amounts due under paragraphs two, three, four, five
54 and six of subdivision d of this section, a first installment of fifty
55 percent of the amount due under paragraph one of said subdivision d with
56 the balance of said amount to be paid in four equal quarterly install-

1 ments together with all current taxes, assessments or other legal charg-
2 es that accrue during such period; provided, however, that: (i) whenever
3 a request for an installment agreement is made of the commissioner of
4 citywide administrative services by a company organized pursuant to
5 article eleven of the private housing finance law with the consent and
6 approval of the department of housing preservation and development or
7 for a parcel which is an owner-occupied residential building of not more
8 than five residential units, the commissioner of citywide administrative
9 services may, as to that portion of the amounts due under paragraph one
10 of subdivision d of this section which became due prior to the acquisi-
11 tion by the article eleven company of its interest in the property and
12 as to the amount due under paragraph one of subdivision d of this
13 section in the case of such an owner-occupied building, approve a
14 reduction of such first installment to an amount not less than ten
15 percent of the amount due under paragraph one of subdivision d of this
16 section and an increase in the number of the following equal quarterly
17 installments to a number which shall be equal to three times the number
18 of unpaid quarters of real estate taxes or the equivalent thereof but
19 which shall in no event exceed forty-eight, and (ii) notwithstanding
20 clause (i) of this paragraph, whenever an installment agreement is
21 requested on or after the date on which this clause takes effect with
22 respect to a parcel that, immediately prior to the city's acquisition
23 thereof by in rem tax foreclosure, was owned by a company organized
24 pursuant to article eleven of the state private housing finance law with
25 the consent and approval of the department of housing preservation and
26 development, or with respect to a parcel that is a residential building
27 containing not more than five residential units, a residential condomin-
28 ium unit or a residential building held in a cooperative form of owner-
29 ship, the commissioner of general services may, as to the amount due
30 under paragraph one of subdivision d of this section, approve an
31 installment agreement containing the terms relating to the required
32 percentage payment for the first installment and the required number of
33 subsequent quarterly installments, that would be applicable to such
34 parcel under paragraph two (but without regard to any reference therein
35 to paragraph three) of subdivision i of section 11-409 of this chapter.
36 For purposes of calculating the number of such following equal quarterly
37 installments, unpaid real estate taxes or the equivalent which are, on
38 and after July first, nineteen hundred eighty-two, due and payable on an
39 other than quarterly basis shall be deemed to be payable on a quarterly
40 basis. Where the in rem foreclosure release board denies an application
41 requesting an installment agreement the board shall authorize a release
42 of the city's interest, provided that the applicant thereafter pays all
43 the amounts required to be paid by subdivision d of this section within
44 thirty days of the date on which a letter requesting such payment is
45 mailed or delivered to the applicant only when said application and the
46 documents required by subdivision c of this section in support thereof
47 were filed within thirty days of the date of the city's acquisition of
48 the property sought to be released. Where the in rem foreclosure
49 release board denies an application requesting an installment agreement
50 which was filed more than thirty days after the date of the city's
51 acquisition, the board may, in its discretion, authorize a release of
52 the city's interest, provided that the applicant thereafter pays all the
53 amounts required to be paid by subdivision d of this section within
54 thirty days of the date on which a letter requesting such payment is
55 mailed or delivered to the applicant. Where the in rem foreclosure
56 release board approves an application requesting an installment agree-

1 ment, the order releasing the city's interest shall provide that in the
2 event of any default as to the payment of either quarterly installments
3 or current taxes, assessments or other legal charges during the term of
4 such agreement, as set forth in the board's resolution, all payments
5 made under said agreement shall be forfeited and the city shall be enti-
6 tled to reacquire the property so released. The corporation counsel
7 shall effect such reacquisition by causing to be entered as to such
8 property a supplemental judgment of foreclosure in the in rem action by
9 which said property was originally acquired immediately on notification
10 by the commissioner of finance of such default.

11 h. An owner of property entitled to an exemption under any of the
12 provisions of article four of the real property tax law during all or
13 part of the period covered by the tax items appearing on a list of
14 delinquent taxes may apply for a release of the city's interest in such
15 exempt property under the provisions of this section during the periods
16 of time set forth herein and for an additional period up to ten years
17 from the date of the city's acquisition of said property by in rem fore-
18 closure. The application of such owner shall contain, in addition to the
19 statements, searches and proofs required by this section, a statement
20 that an exemption under the real property tax law is being claimed. Such
21 application shall also state either that it is accompanied by the writ-
22 ten certificate of the comptroller setting forth the precise period
23 during which said property, while owned by such applicant, and during
24 the period after the city's acquisition up to the date of the certif-
25 icate if said property was still being used for an exempt purpose after
26 said acquisition, was entitled to an exemption and the exact nature and
27 extent of such exemption or that an application for such written certif-
28 icate has been filed with the comptroller. On issuing such written
29 certificate, the comptroller shall cancel those tax items which have
30 accrued during the period covered by the certificate to the extent the
31 applicant is entitled to an exemption as set forth in the certificate.
32 Where an application by an exempt owner is filed more than four months
33 after the date of the city's acquisition of the subject property, a
34 release of the city's interest may be issued only at the discretion of
35 the in rem foreclosure release board and subject to all the restrictions
36 set forth in subdivision g of this section. A release to an exempt
37 applicant shall be effected only after said applicant has paid all the
38 amounts required to be paid by subdivision d of this section, except for
39 those tax items which have been cancelled, in whole or in part, pursuant
40 to the comptroller's certificate, within thirty days of the date on
41 which a letter requesting payment is mailed or delivered to the appli-
42 cant.

43 i. The corporation counsel shall also effect the release of the city's
44 interest in property acquired by in rem foreclosure, as provided for in
45 this action, whenever the commissioner of finance shall accept as to any
46 parcel so acquired, the payment provided for in paragraph two of subdivi-
47 sion a of section 11-413 of this chapter. Said commissioner may accept
48 such payment at any time within four months of the date of the city's
49 acquisition and may further, subject to the approval of the in rem fore-
50 closure release board, accept such payment at any time more than four
51 months after the date of the city's acquisition but less than two years
52 from the date on which the city's deed was recorded providing said prop-
53 erty has not been sold or otherwise disposed of nor condemned or
54 assigned to any agency of the city and is not the subject of contem-
55 plated use of any capital or urban renewal project of the city.

1 § 11-424.1 In rem foreclosure release board. There shall be an in rem
2 foreclosure release board consisting of the mayor, the speaker of the
3 city council, the borough president, the corporation counsel and the
4 commissioner of finance. Members of the board may, by written authority
5 filed with the board and with the city clerk, appoint delegates to act
6 on their behalf as members of the board. The board shall have the power,
7 acting by resolution, to authorize the release of the city's interest in
8 property acquired by in rem tax foreclosure in accordance with sections
9 11-412.1 and 11-424 of the code based upon a determination, in its
10 discretion, that such release would be in the best interests of the
11 city. The board shall act after a meeting at which the public has been
12 provided an opportunity to comment on the proposed action. A resolution
13 of the board authorizing a release of the city's interest in any proper-
14 ty shall be adopted only upon the affirmative vote of not less than a
15 majority of all the members of the board. The board may consider any
16 information it deems relevant to a determination. The board shall not be
17 required to state the reasons for its determination.

18 § 11-425 Agreements for payment of delinquent taxes and charges in
19 installments. a. During the period beginning on May ninth, nineteen
20 hundred seventy-seven and ending on June thirtieth, nineteen hundred
21 seventy-seven, the commissioner of finance or, when so specified herein-
22 after, the commissioner of general services, shall be authorized and
23 empowered to make and execute agreements in the circumstances and
24 subject to the terms, conditions and limitations set forth in this
25 section; provided, however, that if the commissioner of finance or,
26 where applicable, the commissioner of general services determines in his
27 or her sole discretion that good cause exists, he or she may make and
28 execute such agreements during an additional period ending not later
29 than July thirty-first, nineteen hundred seventy-seven.

30 b. (1) Whenever it shall appear that a tax lien on a parcel has been
31 due and unpaid for a period of at least six months from the date on
32 which the tax, assessment or other legal charge represented thereby
33 became a lien, the commissioner of finance may enter into an agreement
34 with the owner of such parcel or other person claiming to have an inter-
35 est therein providing for the payment of such delinquent taxes, assess-
36 ments or other legal charges and interest and penalties in installments,
37 the first of which shall be equal to at least fifteen percent of such
38 arrears and shall be payable upon the execution of such agreement. Each
39 remaining installment shall be equal to at least an amount produced by
40 dividing the balance of such arrears by a factor determined by multiply-
41 ing the number of quarters of such arrears by two hundred percent;
42 provided, however, in no event shall such factor be in excess of thir-
43 ty-two. Each such remaining installment shall be payable quarterly on
44 the first of July, October, January and April.

45 (2) If an agreement authorized by paragraph one of this subdivision is
46 executed prior to the time the commissioner of finance files in the
47 office of the county clerk a list of delinquent taxes covering the city
48 or portion of the city in which the subject parcel is located, such
49 parcel shall be excluded from such list of delinquent taxes, provided,
50 at the time such list is filed, there is no default in the agreement and
51 all current taxes, assessments or other legal charges have been paid as
52 they became due or within the period of grace provided by law. In the
53 event of any default in the agreement or any failure to make timely
54 payment of any current item, the parcel shall, if then delinquent for
55 the applicable period specified in section 11-404 of this chapter, be
56 eligible for inclusion in any list of delinquent taxes thereafter filed.

1 (3) If an in rem foreclosure action has been commenced against any
2 parcel prior to May ninth, nineteen hundred seventy-seven, the commis-
3 sioner of finance may, notwithstanding the provisions of paragraph three
4 of subdivision a of section 11-413 of this chapter, enter into an agree-
5 ment authorized and described in the foregoing provisions of this
6 section with respect to such parcel. However, if such an agreement is
7 entered into subsequent to the last date for redemption specified in
8 subdivision a of section 11-407 of this chapter, there shall be paid to
9 the commissioner of finance at the time said agreement is executed an
10 amount equal to the penalty which would have been payable under subdivi-
11 sion c of section 11-407 of this chapter had the person executing the
12 agreement made a late redemption payment. Such amount shall be in addi-
13 tion to any installment payments required to be made under the agreement
14 and shall not be credited against any such installment payments. Any
15 parcel which is the subject of an agreement made pursuant to this para-
16 graph may, prior to final judgment, be withdrawn from the action,
17 provided there has been no default in the agreement, and provided
18 further that all current taxes, assessments or other legal charges are
19 paid when they become due or within the period of grace provided by law.
20 Such withdrawal shall be effected by the commissioner of finance in the
21 manner provided in section 11-413 of this chapter.

22 (4) Any person who, prior to May ninth, nineteen hundred seventy-sev-
23 en, has made, executed and filed with the commissioner of finance an
24 agreement pursuant to the provisions of paragraph three of subdivision a
25 of section 11-413 of this chapter, shall be permitted to make applica-
26 tion to the commissioner of finance for the purpose of having such
27 agreement cancelled and a new agreement executed as hereinabove
28 provided.

29 If an agreement executed prior to May ninth, nineteen hundred seven-
30 ty-seven is not cancelled as herein provided, any installments due and
31 payable under such agreement on or after July first, nineteen hundred
32 seventy-seven shall be subject to interest at the rate specified in
33 paragraph five of this subdivision, but only if, as of July first, nine-
34 teen hundred seventy-seven, there is no default in the agreement and all
35 current taxes, assessments or other legal charges have been paid within
36 the time allowed by law. Such rate of interest shall be calculated in
37 the manner and shall be subject to all the conditions provided in said
38 paragraph five.

39 (5) When an agreement has been entered into pursuant to this subdivi-
40 sion, the commissioner of finance shall, notwithstanding the rates of
41 interest prescribed in section 11-224, 11-312 or 11-313 of this title,
42 charge, collect and receive interest on the arrears due and payable
43 under such agreement, to be calculated at the rate of seven percent per
44 annum from July first, nineteen hundred seventy-seven to the date of
45 payment of each installment. Any interest accrued or accruing prior to
46 July first, nineteen hundred seventy-seven shall not be affected by the
47 provisions of this paragraph, but shall be charged, collected and
48 received in the manner and at the rates specified in section 11-224,
49 11-312 or 11-313 of this title. The seven percent rate of interest spec-
50 ified in this paragraph shall be applicable only if (i) there is no
51 default in the agreement entered into as provided in this section, and
52 (ii) all current taxes, assessments or other legal charges are paid as
53 they become due or within the period of grace provided by law. In the
54 event of any default or failure to make timely payment of any current
55 item, the seven percent rate of interest specified in this paragraph
56 shall thereupon cease to be applicable and the commissioner of finance

1 shall thereafter charge, collect and receive interest in the manner and
2 at the rates otherwise specified in this title.

3 (6) In addition to the terms and conditions required by the preceding
4 paragraphs of this subdivision to be included in agreements authorized
5 by this section, the commissioner of finance may in his or her
6 discretion include in such agreements such additional terms and condi-
7 tions, not inconsistent with this section, as he or she determines to be
8 necessary in order to properly carry out the provisions of this section.
9 The commissioner may also adopt such rules and regulations as may be
10 necessary to carry out the provisions of this section.

11 c. (1) If, pursuant to the provisions of section 11-424 of this chap-
12 ter, an application for the release of property acquired by the city
13 through in rem tax foreclosure is made within the four-month period
14 specified in subdivision f of section 11-424 of this chapter, and
15 provided such application is made during the period specified in subdivi-
16 sion a of this section, the provisions of this subdivision shall, at
17 the election of the applicant, apply with respect to such application
18 and the release sought thereby.

19 (2) At the time of filing the application for release, an applicant
20 who elects to have the provisions of this subdivision apply to him or
21 her, shall pay to the city the amounts specified in paragraphs two,
22 three and four of subdivision d of section 11-424 of this chapter, for
23 this purpose, the amount specified in paragraph two thereof shall be
24 deemed to be the amount which would have been required to be paid there-
25 under had this section not been in effect. Concurrent with the making of
26 such payment, the applicant shall enter into an agreement with the
27 commissioner of general services providing for the payment of all
28 current taxes, assessments or other legal charges on the property as
29 they become due or within the grace period provided by law, and, in
30 addition, providing for the payment of the amount specified in paragraph
31 one of subdivision d of section 11-424 of this chapter in installments,
32 the first of which shall be equal to at least twenty-five percent of
33 such amount and shall be payable upon the execution of such agreement.
34 The balance of such amount shall be payable in twelve equal quarterly
35 installments, each of which shall be paid quarterly on the first of
36 July, October, January and April.

37 (3) Pending approval by the corporation counsel of an application for
38 release as to form, timeliness and eligibility of the applicant, all
39 payments made pursuant to the preceding paragraph shall be held in
40 escrow; in the event the corporation counsel disapproves the applica-
41 tion, such payments shall be returned to the applicant, and the agree-
42 ment executed by the applicant shall thereupon be cancelled.

43 (4) In the case of any agreement made and executed pursuant to para-
44 graph two hereof, interest on any installment due and payable thereunder
45 shall, notwithstanding the rates of interest prescribed in section
46 11-224, 11-312 or 11-313 of this title, be charged, collected and
47 received at the rate of seven percent per annum from July first, nine-
48 teen hundred seventy-seven to the date of payment of each installment.
49 Any interest accrued or accruing prior to July first, nineteen hundred
50 seventy-seven shall not be affected by the provisions of this paragraph,
51 but shall be charged, collected and received in the manner and at the
52 rates specified in section 11-224, 11-312 or 11-313 of this title. The
53 seven percent rate of interest specified in this paragraph shall be
54 applicable only if (i) there is no default in the agreement entered into
55 as provided in this subdivision, and (ii) all current taxes, assessments

1 or other legal charges are paid as they become due or within the period
2 of grace provided by law.

3 (5) No release for which application has been made pursuant to this
4 subdivision shall be granted until the final payment under the agreement
5 herein provided is received by the city. Upon receipt of such final
6 payment by the city the corporation counsel shall effect the release in
7 the manner provided in section 11-424 of this chapter. In the event of
8 any default in an agreement executed as provided in this subdivision or
9 any failure to pay current taxes, assessments or other legal charges as
10 they become due or within the grace period provided by law, such agree-
11 ment shall thereupon become void, the release process shall be termi-
12 nated, and all payments theretofore made shall be forfeited to the city.

13 (6) In addition to the terms and conditions required by the preceding
14 paragraphs of this subdivision to be included in agreements authorized
15 thereby, the commissioner of general services may in his or her
16 discretion include in such agreements such additional terms and condi-
17 tions, not inconsistent with this subdivision, as the commissioner
18 determines to be necessary in order to properly carry out the provisions
19 hereof. The commissioner of general services may also adopt such rules
20 and regulations as may be necessary to carry out the provisions of this
21 subdivision.

22 § 11-426 Agreements for payment of delinquent taxes and charges in
23 installments. a. During the period beginning on December second, nine-
24 teen hundred seventy-seven and ending on March thirty-first, nineteen
25 hundred seventy-eight, the commissioner of finance, or, when so speci-
26 fied hereinafter, the commissioner of general services, shall be author-
27 ized and empowered to make and execute agreements in the circumstances
28 and subject to the terms, conditions and limitations set forth in this
29 section.

30 b. (1) Whenever it shall appear that a tax lien on a parcel has been
31 due and unpaid for a period of at least six months from the date on
32 which the tax, assessment or other legal charge represented thereby
33 became a lien, the commissioner of finance may enter into an agreement
34 with the owner of such parcel or other person claiming to have an inter-
35 est therein providing for the payment of such delinquent taxes, assess-
36 ments or other legal charges and interest and penalties in installments,
37 the first of which shall be equal to at least fifteen percent of such
38 arrears and shall be payable upon the execution of such agreement. Each
39 remaining installment shall be equal to at least an amount produced by
40 dividing the balance of such arrears by a factor determined by multiply-
41 ing the number of quarters of such arrears by two hundred percent. In no
42 event, however, shall the factor referred to in the preceding sentence
43 be in excess of thirty-two. Each such remaining installment shall be
44 payable quarterly on the first of July, October, January and April.

45 (2) If an agreement authorized by paragraph one of this subdivision is
46 executed prior to the time the commissioner of finance files in the
47 office of the county clerk a list of delinquent taxes covering the city
48 or portion of the city in which the subject parcel is located, such
49 parcel shall be excluded from such list of delinquent taxes, provided,
50 at the time such list is filed, there is no default in the agreement and
51 all current taxes, assessments or other legal charges have been paid as
52 they became due or within the period of grace provided by law. In the
53 event of any default in the agreement or any failure to make timely
54 payment of any current item, the parcel shall, if then delinquent for
55 the applicable period specified in section 11-404 of this chapter, be
56 eligible for inclusion in any list of delinquent taxes thereafter filed.

1 (3) If an in rem foreclosure action has been commenced against any
2 parcel prior to December second, nineteen hundred seventy-seven, the
3 commissioner of finance may, notwithstanding the provisions of paragraph
4 three of subdivision a of section 11-413 of this chapter, enter into an
5 agreement authorized and described in the foregoing provisions of this
6 section with respect to such parcel. However, if such an agreement is
7 entered into subsequent to the last date for redemption specified in
8 subdivision a of section 11-407 of this chapter, there shall be paid to
9 the commissioner of finance at the time said agreement is executed an
10 amount equal to the penalty which would have been payable under subdivi-
11 sion c of section 11-407 of this chapter had the person executing the
12 agreement made a late redemption payment. Such amount shall be in addi-
13 tion to any installment payments required to be made under the agreement
14 and shall not be credited against any such installment payments. Any
15 parcel which is the subject of an agreement made pursuant to this para-
16 graph may, prior to final judgment, be withdrawn from the action,
17 provided there has been no default in the agreement, and provided
18 further that all current taxes, assessments or other legal charges are
19 paid when they become due or within the period of grace provided by law.
20 Such withdrawal shall be effected by the commissioner of finance in the
21 manner provided in section 11-413 of this chapter.

22 (4) Any person who, prior to December second, nineteen hundred seven-
23 ty-seven, has made, executed and filed with the commissioner of finance
24 an agreement pursuant to the provisions of paragraph three of subdivi-
25 sion a of section 11-413 of this chapter, shall be permitted to make
26 application to the commissioner of finance for the purpose of having
27 such agreement cancelled and a new agreement executed as hereinabove
28 provided.

29 If an agreement executed prior to December second, nineteen hundred
30 seventy-seven is not cancelled as herein provided, any installments due
31 and payable under such agreement on or after April first, nineteen
32 hundred seventy-eight shall be subject to interest at the rate specified
33 in paragraph five of this subdivision, but only if, as of April first,
34 nineteen hundred seventy-eight, there is no default in the agreement and
35 all current taxes, assessments or other legal charges have been paid
36 within the time allowed by law. Such rate of interest shall be calcu-
37 lated in the manner and shall be subject to all the conditions provided
38 in said paragraph five.

39 (5) When an agreement has been entered into pursuant to this subdivi-
40 sion, the commissioner of finance shall, notwithstanding the rates of
41 interest prescribed in section 11-224, 11-312 or 11-313 of this title,
42 charge, collect and receive interest on the arrears due and payable
43 under such agreement to be calculated at the rate of seven percent per
44 annum from April first, nineteen hundred seventy-eight to the date of
45 payment of each installment. Any interest accrued or accruing prior to
46 April first, nineteen hundred seventy-eight shall not be affected by the
47 provisions of this paragraph, but shall be charged, collected and
48 received in the manner and at the rates specified in section 11-224,
49 11-312 or 11-313 of this title. The seven percent rate of interest spec-
50 ified in this paragraph shall be applicable only if (i) there is no
51 default in the agreement entered into as provided in this section, and
52 (ii) all current taxes, assessments or other legal charges are paid as
53 they become due or within the period of grace provided by law. In the
54 event of any default or failure to make timely payment of any current
55 item, the seven percent rate of interest specified in this paragraph
56 shall thereupon cease to be applicable and the commissioner of finance

1 shall thereafter charge, collect and receive interest in the manner and
2 at the rates otherwise specified in this title.

3 (6) In addition to the terms and conditions required by this subdivi-
4 sion to be included in agreements authorized by this section, the
5 commissioner of finance may, in his or her discretion, include in such
6 agreements such additional terms and conditions, not inconsistent with
7 this section, as such commissioner determines to be necessary in order
8 to properly carry out the provisions of this section. The commissioner
9 of finance may also adopt such rules and regulations as may be necessary
10 to carry out the provisions of this section.

11 c. (1) If, pursuant to the provisions of section 11-424 of this chap-
12 ter, an application for the release of property acquired by the city
13 through in rem tax foreclosure is made within the four-month period
14 specified in subdivision f of section 11-424 of this chapter, and
15 provided such application is made during the period specified in subdivi-
16 sion a of this section, the following provisions of this subdivision
17 shall, at the election of the applicant, apply with respect to such
18 application and the release sought thereby.

19 (2) At the time of filing the application for release, an applicant
20 who elects to have the provisions of this subdivision apply to him or
21 her, shall pay to the city the amounts specified in paragraphs two,
22 three and four of subdivision d of section 11-424 of this chapter, for
23 this purpose, the amount specified in such paragraph two shall be deemed
24 to be the amount which would have been required to be paid thereunder
25 had this section not been in effect. Concurrent with the making of such
26 payment, the applicant shall enter into an agreement with the commis-
27 sioner of general services providing for the payment of all current
28 taxes, assessments or other legal charges on the property as they become
29 due or within the grace period provided by law, and, in addition,
30 providing for the payment of the amount specified in paragraph one of
31 subdivision d of section 11-424 of this chapter in installments, the
32 first of which shall be equal to at least twenty-five percent of such
33 amount and shall be payable upon the execution of such agreement. The
34 balance of such amount shall be payable in twelve equal quarterly
35 installments, each of which shall be paid quarterly on the first of
36 July, October, January and April.

37 (3) Pending approval by the corporation counsel of an application for
38 release as to form, timeliness and eligibility of the applicant, all
39 payments made pursuant to the preceding paragraph shall be held in
40 escrow; in the event the corporation counsel disapproves the applica-
41 tion, such payments shall be returned to the applicant, and the agree-
42 ment executed by him or her shall thereupon be cancelled.

43 (4) In the case of any agreement made and executed pursuant to such
44 paragraph two, interest on any installment due and payable thereunder
45 shall, notwithstanding the rates of interest prescribed in section
46 11-224, 11-312 or 11-313 of this title, be charged, collected and
47 received at the rate of seven percent per annum from April first, nine-
48 teen hundred seventy-eight to the date of payment of each installment.
49 Any interest accrued or accruing prior to April first, nineteen hundred
50 seventy-eight shall not be affected by the provisions of this paragraph,
51 but shall be charged, collected and received in the manner and at the
52 rates specified in section 11-224, 11-312 or 11-313 of this title. The
53 seven percent rate of interest specified in this paragraph shall be
54 applicable only if (i) there is no default in the agreement entered into
55 as provided in this subdivision, and (ii) all current taxes, assessments

1 or other legal charges are paid as they become due or within the period
2 of grace provided by law.

3 (5) No release for which application has been made pursuant to this
4 subdivision shall be granted until the final payment under the agreement
5 herein provided is received by the city. Upon receipt of such final
6 payment by the city the corporation counsel shall effect the release in
7 the manner provided in section 11-424 of this chapter. In the event of
8 any default in an agreement executed as provided in this subdivision or
9 any failure to pay current taxes, assessments or other legal charges as
10 they become due or within the grace period provided by law, such agree-
11 ment shall thereupon become void, the release process shall be termi-
12 nated, and all payments theretofore made shall be forfeited to the city.

13 (6) In addition to the terms and conditions required by this subdivi-
14 sion to be included in agreements authorized thereby, the commissioner
15 of general services may, in his or her discretion, include in such
16 agreements such additional terms and conditions, not inconsistent with
17 this subdivision, as the commissioner determines to be necessary in
18 order to properly carry out the provisions hereof. The commissioner of
19 general services may also adopt such rules and regulations as may be
20 necessary to carry out the provisions of this subdivision.

21 § 11-427 Agreements for payment of delinquent taxes and charges in
22 installments. a. During the period beginning September first, nineteen
23 hundred seventy-eight and ending December thirty-first, nineteen hundred
24 seventy-eight, the commissioner of finance, or, when so specified here-
25 inafter, the commissioner of general services, shall be authorized and
26 empowered to make and execute agreements in the circumstances and
27 subject to the terms, conditions and limitations set forth in this
28 section; provided, however, that if the commissioner of finance or,
29 where applicable, the commissioner of general services, determines in
30 his or her sole discretion that good cause exists, he or she may make
31 and execute such agreements during an additional period ending not later
32 than January thirty-first, nineteen hundred seventy-nine.

33 b. (1) (i) Whenever it shall appear that a tax lien on a parcel has
34 been due and unpaid for a period of at least six months from the date on
35 which the tax, assessment or other legal charge represented thereby
36 became a lien, the commissioner of finance may enter into an agreement
37 with the owner of such parcel or other person claiming to have an inter-
38 est therein providing for the payment of such delinquent taxes, assess-
39 ments or other legal charges and interest and penalties in installments,
40 the first of which shall be equal to at least fifteen percent of such
41 arrears and shall be payable upon the execution of such agreement. Each
42 remaining installment shall be equal to at least an amount produced by
43 dividing the balance of such arrears by a factor determined by multiply-
44 ing the number of quarters of such arrears by two.

45 (ii) In no event, however, shall the factor referred to in subpara-
46 graph (i) of this paragraph be in excess of thirty-two. Each such
47 remaining installment shall be payable quarterly on the first of July,
48 October, January and April.

49 (2) If an agreement authorized by paragraph one of this subdivision is
50 executed prior to the time the commissioner of finance files in the
51 office of the county clerk a list of delinquent taxes covering the city
52 or portion of the city in which the subject parcel is located, such
53 parcel shall be excluded from such list of delinquent taxes, provided,
54 at the time such list is filed, there is no default in the agreement and
55 all current taxes, assessments or other legal charges were paid as they
56 became due or within the period of grace provided by law. In the event

1 of any default in the agreement or any failure to make timely payment of
2 any current item, the parcel shall, if then delinquent for the applica-
3 ble period specified in section 11-404 of this chapter, be eligible for
4 inclusion in any list of delinquent taxes thereafter filed.

5 (3) If an in rem foreclosure action has been commenced against any
6 parcel prior to September first, nineteen hundred seventy-eight, the
7 commissioner of finance may, notwithstanding the provisions of paragraph
8 three of subdivision a of section 11-413 of this chapter, enter into an
9 agreement authorized and described in the foregoing provisions of this
10 section with respect to such parcel. However, if such an agreement is
11 entered into subsequent to the last date for redemption specified in
12 subdivision a of section 11-407 of this chapter, there shall be paid to
13 the commissioner of finance at the time said agreement is executed an
14 amount equal to the penalty which would have been payable under subdivi-
15 sion c of section 11-407 of this chapter had the person executing the
16 agreement made a late redemption payment. Such amount shall be in addi-
17 tion to any installment payments required to be made under the agreement
18 and shall not be credited against any such installment payments. Any
19 parcel which is the subject of an agreement made pursuant to this para-
20 graph may, prior to final judgment, be withdrawn from the action,
21 provided there has been no default in the agreement, and provided
22 further that all current taxes, assessments or other legal charges are
23 paid when they become due or within the period of grace provided by law.
24 Such withdrawal shall be effected by the commissioner of finance in the
25 manner provided in section 11-413 of this chapter.

26 (4) Any person who, prior to September first, nineteen hundred seven-
27 ty-eight, has made, executed and filed with the commissioner of finance
28 an agreement pursuant to the provisions of paragraph three of subdivi-
29 sion a of section 11-413 of this chapter, shall be permitted to make
30 application to the commissioner of finance for the purpose of having
31 such agreement cancelled and a new agreement executed as hereinabove
32 provided.

33 If an agreement executed prior to September first, nineteen hundred
34 seventy-eight is not cancelled as herein provided, any installments due
35 and payable under such agreement on or after February first, nineteen
36 hundred seventy-nine shall be subject to interest at the rate specified
37 in paragraph six of this subdivision, but only if, as of February first,
38 nineteen hundred seventy-nine, there is no default in the agreement and
39 all current taxes, assessments or other legal charges have been paid
40 within the time allowed by law. Such rate of interest shall be calcu-
41 lated in the manner and shall be subject to all the conditions provided
42 in paragraph six of this subdivision.

43 (5) Notwithstanding the preceding paragraphs of this subdivision, no
44 owner of, or other person claiming to have an interest in, any parcel
45 shall be eligible to enter into an agreement authorized by such para-
46 graphs where such parcel was included in an in rem foreclosure action
47 but was severed therefrom pursuant to the judgment of foreclosure in
48 such action because an answer was still pending as to such parcel. The
49 commissioner of finance may, however, on notice to the corporation coun-
50 sel, enter into an agreement with such owner or other interested person
51 providing for the payment of all current taxes, assessments or other
52 legal charges on the parcel as they become due or within the grace peri-
53 od provided by law, and, in addition, providing for payment of the
54 amount of all delinquent taxes, assessments or other legal charges and
55 interest due as of the date the agreement is executed in installments,
56 the first of which shall be equal to at least twenty-five percent of

1 such amount and shall be payable upon the execution of such agreement,
2 and the balance of which shall be payable in twelve equal quarterly
3 installments, each of which shall be paid on the first of July, October,
4 January and April. In addition, there shall be paid to the commissioner
5 of finance at the time such agreement is executed a penalty equal to
6 five percent of the amount of the delinquent taxes, assessments or other
7 legal charges and interest due as of the date of the agreement, which
8 penalty shall not exceed five hundred dollars. Any installments due and
9 payable on or after February first, nineteen hundred seventy-nine under
10 an agreement described in this paragraph shall be subject to interest at
11 the rate specified in paragraph six of this subdivision, but only if, as
12 of February first, nineteen hundred seventy-nine, there is no default in
13 the agreement and all current taxes, assessments or other legal charges
14 have been paid within the time allowed by law. Such rate of interest
15 shall be calculated in the manner and shall be subject to all the condi-
16 tions provided in paragraph six of this subdivision.

17 Upon receipt of the final payment due under an agreement executed
18 pursuant to this paragraph, the commissioner of finance shall discontin-
19 ue the in rem action pending with respect to the parcel which is the
20 subject of such agreement, and shall cancel the lis pendens pertaining
21 thereto by issuing a certificate of withdrawal pursuant to section
22 11-413 of this chapter. In the event of any default in such agreement or
23 any failure to pay current taxes, assessments or other legal charges as
24 they become due or within the grace period provided by law, such agree-
25 ment and the answer which was the basis for the severance of the subject
26 parcel from the in rem action shall both be deemed null and void and the
27 city shall be entitled to acquire title to such parcel by entry of an
28 appropriate supplemental judgment of foreclosure in such in rem action
29 without further notice to the answering party.

30 (6) When an agreement has been entered into pursuant to this subdivi-
31 sion, the commissioner of finance shall, notwithstanding the rates of
32 interest prescribed in section 11-224, 11-312 or 11-313 of this title,
33 charge, collect and receive interest on the arrears due and payable
34 under such agreement, to be calculated at the rate of seven percent per
35 annum from February first, nineteen hundred seventy-nine to the date of
36 payment of each installment. Any interest accrued or accruing prior to
37 February first, nineteen hundred seventy-nine shall not be affected by
38 the provisions of this paragraph, but shall be charged, collected and
39 received in the manner and at the rates specified in section 11-224,
40 11-312 or 11-313 of this title. The seven percent rate of interest spec-
41 ified in this paragraph shall be applicable only if (i) there is no
42 default in the agreement entered into as provided in this section, and
43 (ii) all current taxes, assessments or other legal charges are paid as
44 they become due or within the period of grace provided by law. In the
45 event of any default or failure to make timely payment of any current
46 item, the seven percent rate of interest specified in this paragraph
47 shall thereupon cease to be applicable and the commissioner of finance
48 shall thereafter charge, collect and receive interest in the manner and
49 at the rates otherwise specified in this chapter.

50 (7) In addition to the terms and conditions required by this subdivi-
51 sion to be included in agreements authorized by this section, the
52 commissioner of finance may, in his or her discretion, include in such
53 agreements such additional terms and conditions, not inconsistent with
54 this section, as the commissioner determines to be necessary in order to
55 properly carry out the provisions of this section. The commissioner may

1 also adopt such rules and regulations as may be necessary to carry out
2 the provisions of this section.

3 c. (1) If, pursuant to the provisions of section 11-424 of this chap-
4 ter, an application for the release of property acquired by the city
5 through in rem tax foreclosure has been filed within the four-month
6 period specified in subdivision f of such section, and the sixty-day
7 period for payment referred to in such subdivision has not expired prior
8 to the commencement of the period specified in subdivision a of this
9 section, the provisions of this subdivision shall, at the election of
10 the applicant, apply with respect to such application and the release
11 sought thereby, provided notice of such election is given to the commis-
12 sioner of general services during the period specified in subdivision a
13 of this section, but in no event later than the last day of the sixty-
14 day period referred to in subdivision f of section 11-424 of this chap-
15 ter.

16 (2) An applicant who elects to have the provisions of this subdivision
17 apply to him or her, shall, at the time such applicant notifies the
18 commissioner of general services of his or her election, pay to the city
19 the amounts specified in paragraphs two, three and four of subdivision d
20 of section 11-424 of this chapter; for this purpose, the amount speci-
21 fied in paragraph two thereof shall be deemed to be the amount which
22 would have been required to be paid thereunder had this section not been
23 in effect. Concurrent with the making of such payment, the applicant
24 shall enter into an agreement with the commissioner of general services
25 providing for the payment of all current taxes, assessments or other
26 legal charges on the property as they become due or within the grace
27 period provided by law, and, in addition, providing for the payment of
28 the amount specified in paragraph one of subdivision d of section 11-424
29 of this chapter in installments, the first of which shall be equal to at
30 least twenty-five percent of such amount and shall be payable upon the
31 execution of such agreement. The balance of such amount shall be payable
32 in twelve equal quarterly installments, each of which shall be paid
33 quarterly on the first of July, October, January and April.

34 (3) Pending approval by the corporation counsel of an application for
35 release as to form, timeliness and eligibility of the applicant, all
36 payments made pursuant to paragraph three of this subdivision shall be
37 held in escrow; in the event the corporation counsel disapproves the
38 application, such payments shall be returned to the applicant, and the
39 agreement executed by him or her shall thereupon be cancelled.

40 (4) In the case of any agreement made and executed pursuant to para-
41 graph two of this subdivision, interest on any installment due and paya-
42 ble thereunder shall, notwithstanding the rates of interest prescribed
43 in section 11-224, 11-312 or 11-313 of this title, be charged, collected
44 and received at the rate of seven percent per annum from February first,
45 nineteen hundred seventy-nine to the date of payment of each install-
46 ment. Any interest accrued or accruing prior to February first, nineteen
47 hundred seventy-nine shall not be affected by the provisions of this
48 paragraph, but shall be charged, collected and received in the manner
49 and at the rates specified in section 11-224, 11-312 or 11-313 of this
50 title. The seven percent rate of interest specified in this paragraph
51 shall be applicable only if (i) there is no default in the agreement
52 entered into as provided in this subdivision, and (ii) all current
53 taxes, assessments or other legal charges are paid as they become due or
54 within the period of grace provided by law.

55 (5) No release for which application has been made pursuant to subdi-
56 vision f of section 11-424 of this chapter shall be granted until the

1 final payment under the agreement herein provided is received by the
2 city. Upon receipt of such final payment by the city the corporation
3 counsel shall effect the release in the manner provided in section
4 11-424 of this chapter. In the event of any default in an agreement
5 executed as provided in this subdivision or any failure to pay current
6 taxes, assessments or other legal charges as they become due or within
7 the grace period provided by law, such agreement shall thereupon become
8 void, the release process shall be terminated and all payments thereto-
9 fore made shall be forfeited to the city.

10 (6) In addition to the terms and conditions required by this subdivi-
11 sion to be included in agreements authorized thereby, the commissioner
12 of general services may, in his or her discretion, include in such
13 agreements such additional terms and conditions, not inconsistent with
14 this subdivision, as the commissioner determines to be necessary in
15 order to properly carry out the provisions hereof. The commissioner of
16 general services may also adopt such rules and regulations as may be
17 necessary to carry out the provisions of this subdivision.

18 § 11-428 Disposition of proceeds of sales of properties acquired by
19 city through tax enforcement foreclosure proceedings. The proceeds of
20 the sale of real property acquired through tax enforcement foreclosure
21 proceedings, or by deed in lieu thereof, including subsequent receipts
22 in diminution of purchase money mortgages accepted at the time of sale,
23 shall be applied as follows:

24 a. The amount of the unpaid real estate taxes accrued against such
25 property from the first of January or the first of July, whichever first
26 immediately precedes the date on which title vested in the city to the
27 date of conveyance of title by the city, without interest or penalties
28 thereon, shall be credited to the tax deficiency account.

29 b. The balance, if any, remaining after deduction of the amount speci-
30 fied in paragraph a hereof, shall be paid into the funds hereinafter
31 specified in the following order:

32 1. A sum equal to the amount of the unpaid assessments for local
33 improvements accrued against such property at the date of commencement
34 of the foreclosure proceeding and up to the date of conveyance of title
35 by the city, without interest or penalties thereon, shall be paid into
36 the appropriate assessment funds.

37 2. A sum equal to the amount of unpaid sewer rents, including interest
38 and penalties thereon, accrued against such property at the date of
39 commencement of the foreclosure proceedings and up to the date of
40 conveyance of title by the city shall be paid into the sewer fund.

41 3. The amount of the brokerage fee and other expenses expended by the
42 city in connection with such sale shall be paid into the fund or code to
43 which such fee was charged.

44 4. The balance of such proceeds, if any, and the interest on any
45 purchase money mortgage accepted by the city at the time of such sale
46 shall be paid into the general fund. In the event that any part of such
47 balance is represented by bonds and mortgages, such bonds and mortgages
48 may be deposited in the tax appropriation and general fund stabilization
49 reserve fund and a sum equal to the amount of the cash represented by
50 such bonds and mortgages shall in such event be transferred from the tax
51 appropriation and general fund stabilization reserve fund to the general
52 fund.

53 CHAPTER 5

54 CITY UNINCORPORATED BUSINESS INCOME TAX

1 § 11-501 Meaning of terms. (a) General. Unless a different meaning is
2 clearly required, any term used in this chapter shall have the same
3 meaning as when used in a comparable context in the laws of the United
4 States relating to federal income taxes, and any reference in this chap-
5 ter to the laws of the United States shall mean the provisions of the
6 internal revenue code of nineteen hundred fifty-four, and amendments
7 thereto, and other provisions of the laws of the United States relating
8 to federal income taxes, as the same are included in this chapter as an
9 appendix or as included by reference to an appendix of another chapter
10 enacted by the same law as enacts this chapter. (The quotation of the
11 aforesaid laws of the United States is intended to make them a part of
12 this chapter and to avoid constitutional uncertainties which might
13 result if such laws were merely incorporated by reference. The quotation
14 of a provision of the federal internal revenue code or of any other law
15 of the United States shall not necessarily mean that it is applicable to
16 or has relevance to this chapter.)

17 (b) "State", "this state" or "the state" when used in this chapter
18 shall mean the state of New York.

19 (c) "Local income taxes", when used in this chapter shall mean an
20 income tax imposed by a political subdivision of a state.

21 (d) "Commissioner of finance" when used in this chapter shall mean the
22 commissioner of finance of the city.

23 (e) "Department of finance" when used in this chapter shall mean the
24 department of finance of the city.

25 (f) "Tax appeals tribunal" when used in this chapter shall mean the
26 tax appeals tribunal established by section one hundred sixty-eight of
27 the charter of the preceding municipality as it existed January first,
28 two thousand nine.

29 (g) "Unincorporated business entire net income" when used in this
30 chapter shall mean the excess of the unincorporated business gross
31 income of an unincorporated business over its unincorporated business
32 deductions.

33 (h) "Investment capital" when used in this chapter shall mean invest-
34 ments of the unincorporated business in stocks, bonds and other securi-
35 ties, corporate and governmental (excluding governmental stocks, bonds
36 and other securities the interest or dividends from which are fully
37 exempt from tax under this chapter, other than any such governmental
38 stock, bond or other security which is sold or otherwise disposed of
39 during the taxable year in a transaction which results in a gain or loss
40 which is included in computing unincorporated business entire net income
41 for the taxable year), not held for sale to customers in the regular
42 course of business, provided, however, that in the discretion of the
43 commissioner of finance, there shall be deducted from investment capital
44 any liabilities of the unincorporated business which are directly or
45 indirectly attributable to investment capital.

46 (i) "Investment income" when used in this chapter shall mean income,
47 gains and losses from investment capital, to the extent included in
48 computing unincorporated business entire net income, less, in the
49 discretion of the commissioner of finance, any deductions allowable in
50 computing unincorporated business entire net income which are directly
51 or indirectly attributable to investment capital or investment income,
52 provided, however, that in no case shall investment income exceed unin-
53 corporated business entire net income.

54 (j) "Business capital" when used in this chapter shall mean all assets
55 of the unincorporated business other than investment capital, less
56 liabilities of the unincorporated business not deducted from investment

1 capital, except that cash on hand and on deposit shall be treated as
2 investment capital or as business capital as the taxpayer may elect.

3 (k) "Business income" when used in this chapter shall mean unincorpo-
4 rated business entire net income minus investment income.

5 (l) "Dealer" when used in this chapter shall mean an individual or
6 unincorporated entity that (A) holds or disposes of property that is
7 stock in trade of the taxpayer, inventory or is otherwise held for sale
8 to customers in the ordinary course of the taxpayer's trade or business,
9 or (B) regularly offers to enter into, assume, offset, assign or other-
10 wise terminate positions in property with customers in the ordinary
11 course of the taxpayer's trade or business, provided, however, an indi-
12 vidual or unincorporated entity shall not be treated as a dealer based
13 solely on such individual's or entity's ownership of an interest in an
14 entity that is a dealer, and provided, further, that an unincorporated
15 entity shall not be treated as a dealer based solely on the ownership by
16 a dealer of an interest in that unincorporated entity.

17 (m) "Unincorporated entity" when used in this chapter shall include an
18 entity classified as a partnership for federal income tax purposes
19 regardless of whether the entity is formed as a corporation, joint-stock
20 company, joint-stock association, body corporate or body politic or
21 whether the entity is organized under a federal or state statute, or
22 under a statute of a federally recognized Indian tribe, or under a stat-
23 ute of a country other than the United States that describes or refers
24 to the entity as incorporated.

25 § 11-502 Unincorporated business defined. (a) General. An unincorpo-
26 rated business means any trade, business, profession or occupation
27 conducted, engaged in or being liquidated by an individual or unincorpo-
28 rated entity, including a partnership, a fiduciary, a corporation in
29 liquidation or an unincorporated entity that has made the election
30 permitted under paragraph (b) of subdivision one of section 11-602 of
31 this title (but only for the period during which such election is in
32 effect), but not including any entity subject to tax under chapter six
33 of this title and not including any entity doing an insurance business
34 as a member of the New York insurance exchange described in paragraph
35 one of subsection (b) of section six thousand two hundred one of the
36 insurance law. Unincorporated businesses subject to tax under a local
37 law of the city imposing a tax on utilities shall not be subject to tax
38 under this chapter; provided, however, that unincorporated businesses,
39 other than (1) utility businesses subject to the supervision of the
40 state department of public service and (2) for taxable years beginning
41 on or after August first, two thousand two, utilities as defined in
42 subdivision six of section 11-1101 of this title, which are subject to
43 tax under a local law of the city imposing a tax on vendors of utility
44 services shall be subject to tax under this chapter on that percentage
45 of their entire net income allocable to the city under section 11-508 of
46 this chapter which their receipts other than those taxable under such
47 local law taxing vendors of utility services is of their total receipts.
48 If an individual or an unincorporated entity carries on wholly or partly
49 in the city two or more unincorporated businesses, all such businesses
50 shall be treated as one unincorporated business for the purposes of this
51 chapter. For purposes of this chapter, an unincorporated entity shall be
52 treated as carrying on any trade, business, profession or occupation
53 carried on in whole or in part in the city by any other unincorporated
54 entity in which the first unincorporated entity owns an interest, and
55 the ownership by an unincorporated entity of an interest in another
56 unincorporated entity that is not carrying on any trade, business,

1 profession, or occupation in whole or in part in the city shall not be
2 deemed the conduct of an unincorporated business by the first unincorpo-
3 rated entity. Notwithstanding anything to the contrary in the preceding
4 sentence, for taxable years beginning on or after August first, two
5 thousand two, an unincorporated business that is a partner in a partner-
6 ship subject to tax under a local law of the city imposing a tax on
7 utilities, as defined in subdivision six of section 11-1101 of this
8 title, shall not be considered to be carrying on the trade, business,
9 profession or occupation carried on by such partnership.

10 (b) Services as employee. The performance of services by an individual
11 as an employee or as an officer or director of a corporation, society,
12 association, or political entity, or as a fiduciary, shall not be deemed
13 an unincorporated business, unless such services constitute part of a
14 business regularly carried on by such individual.

15 (c) Purchase and sale for own account. (1) Definitions. (A) Property.
16 For purposes of this subdivision, property shall mean real and personal
17 property, including but not limited to, property qualifying as invest-
18 ment capital within the meaning of subdivision (h) of section 11-501 of
19 this chapter, other stocks, notes, bonds, debentures, or other evidences
20 of indebtedness, interest rate, currency, or equity notional principal
21 contracts, foreign currencies, interests in, or derivative financial
22 instruments (including options, forward or futures contracts, short
23 positions, and similar financial instruments) in any property described
24 above, and any commodity traded on or subject to the rules of a board of
25 trade or commodity exchange, provided, however, property shall not
26 include: (i) debt instruments issued by the taxpayer; (ii) accounts
27 receivable held by a factor; (iii) property held as stock in trade,
28 inventory or otherwise held for sale to customers in the ordinary course
29 of the taxpayer's trade or business; (iv) debt instruments acquired in
30 the ordinary course of the taxpayer's trade or business for funds
31 loaned, services rendered or for the sale, rental or other transfer of
32 property by the taxpayer; (v) interests in unincorporated entities; or
33 (vi) positions in property described above entered into, assumed,
34 offset, assigned or terminated by a dealer with respect to such posi-
35 tions in property.

36 (B) Investor. For purposes of this subdivision, a taxpayer shall be
37 treated as acquiring, holding or disposing of an interest in an unincor-
38 porated entity as an investor if: (i) the unincorporated entity meets
39 the requirements of subparagraph (B) of paragraph four of this subdivi-
40 sion and the taxpayer does not receive a distributive share of such
41 entity's income, gain, loss, deduction, credit and basis from a business
42 carried on in whole or in part in the city that is materially greater
43 than its distributive share of any other item of income, gain, loss
44 deduction, credit or basis of such entity; or (ii) with respect to any
45 other unincorporated entity, the taxpayer is neither a general partner
46 nor authorized under the entity's governing instrument to manage or
47 participate in, nor managing, nor participating in, the day-to-day busi-
48 ness of the unincorporated entity.

49 (2) An individual or other unincorporated entity, except a dealer as
50 defined in subdivision (1) of section 11-501 of this chapter, shall not
51 be deemed engaged in an unincorporated business solely by reason of (A)
52 the purchase, holding and sale for his, her or its own account of prop-
53 erty, as defined in paragraph one of this subdivision, or the entry
54 into, assumption, offset, assignment, or other termination of a position
55 in any property so defined, or both, (B) the acquisition, holding or
56 disposition, other than in the ordinary course of a trade or business,

1 of interests in unincorporated entities engaged solely in activities
2 described in subparagraph (A), (B) or (C) of this paragraph, or (C) any
3 combination of the activities described in subparagraphs (A) and (B) of
4 this paragraph and any other activity not otherwise constituting the
5 conduct of an unincorporated business subject to the tax imposed by this
6 chapter, but this paragraph shall not apply if the unincorporated entity
7 is taxable as a corporation for federal income tax purposes.

8 (3) Notwithstanding anything to the contrary, the receipt by an indi-
9 vidual or other unincorporated entity of twenty-five thousand dollars or
10 less of gross receipts during the taxable year (determined without
11 regard to any deductions) from an unincorporated business wholly or
12 partly carried on within the city by such individual or unincorporated
13 entity shall not cause such individual or other unincorporated entity to
14 be treated as not engaged solely in the activities described in subpara-
15 graph (A), (B) or (C) of paragraph two of this subdivision.

16 (4) (A) If a taxpayer that is an unincorporated entity is primarily
17 engaged in (i) activities described in subparagraph (A), (B) or (C) of
18 paragraph two of this subdivision, or (ii) the acquisition, holding or
19 disposition, other than in the ordinary course of a trade or business,
20 of interests as an investor in unincorporated entities carrying on any
21 unincorporated business in whole or in part in the city, or both, the
22 activities described in subparagraph (A), (B), or (C) of paragraph two
23 of this subdivision carried on by the taxpayer or by any unincorporated
24 entity primarily engaged in the activities described in clause (i) or
25 (ii) of this subparagraph in which the taxpayer owns an interest shall
26 not be deemed an unincorporated business carried on by the taxpayer.

27 (B) For purposes of subparagraph (A) of this paragraph, an unincorpo-
28 rated entity will be treated as primarily engaged in activities
29 described in clause (i) or (ii) of subparagraph (A) of this paragraph,
30 or both, if at least ninety percent of the value of its total assets is
31 represented by assets described in subparagraph (C) of this paragraph.

32 (C) For purposes of subparagraph (B) of this paragraph, assets
33 described in this subparagraph include:

34 (i) property as defined in paragraph one of this subdivision;

35 (ii) interests in unincorporated entities not carrying on any unincor-
36 porated business in whole or in part in the city; and

37 (iii) interests in unincorporated entities carrying on an unincorpo-
38 rated business in whole or in part in the city held by the taxpayer as
39 an investor, as defined in paragraph one of this subdivision.

40 (D) For purposes of determining whether a taxpayer meets the require-
41 ments of subparagraph (B) of this paragraph, the value of assets
42 described in subparagraph (C) of this paragraph shall be the average
43 monthly gross value of the assets of the taxpayer. For purposes of this
44 paragraph, the value of assets of the taxpayer that consist of real
45 property or marketable securities shall be the fair market value thereof
46 and the value of assets other than real property or marketable securi-
47 ties shall be the value thereof shown on the books and records of the
48 taxpayer in accordance with generally accepted accounting principles. In
49 case it shall appear to the commissioner of finance that the use of
50 gross value in determining whether the requirements of subparagraph (B)
51 of this paragraph are met, improperly or inaccurately reflects the
52 taxpayer's primary activities, the commissioner of finance is authorized
53 in his or her discretion and in such manner as he or she may determine,
54 to reduce the gross value of the taxpayer's assets by liabilities
55 attributable thereto or to eliminate assets, so as to properly and accu-
56 rately reflect the taxpayer's primary activities.

1 (d) Holding, leasing or managing real property. An owner of real prop-
2 erty, a lessee or a fiduciary shall not be deemed engaged in an unincor-
3 porated business solely by reason of holding, leasing or managing real
4 property. If an owner of real property or lessee or fiduciary (except a
5 dealer holding real property primarily for sale to customers in the
6 ordinary course of his or her trade or business) who is holding, leasing
7 or managing real property is also carrying on an unincorporated business
8 in whole or in part in the city, whether or not such unincorporated
9 business is carried on at or is connected with such real property, such
10 holding, leasing or managing of real property shall not be deemed an
11 unincorporated business if, and only to the extent that, such real prop-
12 erty is held, leased or managed for the purpose of producing rental
13 income from such real property or gain upon the sale or other disposi-
14 tion of such real property. For purposes of this subdivision, the
15 conduct by such owner, lessee or fiduciary, at such real property, of a
16 trade, business, profession or occupation, including, but not limited
17 to, a garage, restaurant, laundry or health club, shall be deemed to be
18 an incident to the holding, leasing or managing of such real property,
19 and shall not be deemed the conduct of an unincorporated business, if
20 such trade, business, profession or occupation is conducted solely for
21 the benefit of tenants at such real property, as an incidental service
22 to such tenants, and is not open or available to the general public,
23 provided, however, if any such owner, lessee or fiduciary operates a
24 garage, parking lot or other similar facility at such real property that
25 is open or available to the general public, the provision by any such
26 owner, lessee or fiduciary of the service of parking, garaging or stor-
27 ing of motor vehicles on a monthly or longer term basis shall be deemed
28 to be an incident to the holding, leasing or managing of such real prop-
29 erty, and shall not be deemed the conduct of an unincorporated business
30 if, and only to the extent that, such monthly or longer term parking,
31 garaging or storing service is provided to tenants at such real property
32 as an incidental service to such tenants. If an owner, lessee or fiduci-
33 ary holding, leasing or managing real property operates at such real
34 property a garage, parking lot or other similar facility that is open or
35 available to the public, each such owner, lessee or fiduciary shall
36 file, together with and as a part of the returns required under section
37 11-514 of this chapter, a report or schedule for each such garage, park-
38 ing lot or other similar facility, or in the discretion of the commis-
39 sioner, make a separate entry on such returns, identifying the specific
40 location and address, license number and licensed capacity of each such
41 garage, parking lot or other similar facility, and shall include such
42 additional information, data and other matters relating to the provision
43 of such monthly or longer term parking, garaging or storing service to
44 tenants as shall be prescribed by the commissioner of finance. If the
45 separate information required to be reported by any owner, lessee or
46 fiduciary holding, leasing or managing real property for any garage,
47 parking lot or other similar facility at such real property that is open
48 or available to the public is not contained in the returns required
49 under section 11-514 of this chapter, or in any amended returns, in any
50 material respect, the provision of parking, garaging or storing service
51 to tenants at such real property shall be deemed the conduct of an unin-
52 corporated business and not incident to the holding, leasing or managing
53 of such real property.

54 (e) Sales representative. An individual, other than one who maintains
55 an office or who employs one or more assistants or who otherwise regu-
56 larly carries on a business, shall not be deemed engaged in an unincor-

1 porated business solely by reason of selling goods, wares, merchandise
2 or insurance for more than one enterprise. For purposes of this subdi-
3 vision, space utilized solely for the display of merchandise and/or for
4 the maintenance and storage of records normally used in the course of
5 business shall not be deemed an office, and the employment of clerical
6 and secretarial assistance shall not be deemed the employment of assist-
7 ants.

8 (f) Exempt trusts and organizations. A trust or other unincorporated
9 organization which by reason of its purposes or activities is exempt
10 from federal income tax shall not be deemed an unincorporated business
11 regardless of whether subject to federal income tax on unrelated busi-
12 ness taxable income.

13 § 11-503 Imposition of tax. (a) General. A tax at the rate of four
14 percent is hereby imposed for each taxable year, beginning with taxable
15 years ending after January first, nineteen hundred sixty-six, on the
16 unincorporated business taxable income of every unincorporated business
17 wholly or partly carried on within the city. This tax shall be in addi-
18 tion to any other taxes imposed.

19 (b) Credit against tax. (1) For each taxable year beginning after
20 nineteen hundred eighty-six but before nineteen hundred ninety-six:

21 (A) if the tax computed under subdivision (a) of this section is six
22 hundred dollars or less, a credit shall be allowed for the entire amount
23 of such tax;

24 (B) if the tax computed under subdivision (a) of this section exceeds
25 six hundred dollars but is less than eight hundred dollars, a credit
26 shall be allowed in the amount determined by multiplying such tax by a
27 fraction the numerator of which is eight hundred dollars minus the
28 amount of such tax and the denominator of which is two hundred dollars;
29 or

30 (C) if the tax computed under subdivision (a) of this section is eight
31 hundred dollars or more, no credit shall be allowed.

32 (2) For each taxable year beginning in nineteen hundred ninety-six:

33 (A) if the tax computed under subdivision (a) of this section is eight
34 hundred dollars or less, a credit shall be allowed for the entire amount
35 of such tax;

36 (B) if the tax computed under subdivision (a) of this section exceeds
37 eight hundred dollars but is less than one thousand dollars, a credit
38 shall be allowed in the amount determined by multiplying such tax by a
39 fraction the numerator of which is one thousand dollars minus the amount
40 of such tax and the denominator of which is two hundred dollars; or

41 (C) if the tax computed under subdivision (a) of this section is one
42 thousand dollars or more, no credit shall be allowed.

43 (3) For each taxable year beginning after nineteen hundred ninety-six
44 but before two thousand nine:

45 (A) if the tax computed under subdivision (a) of this section is one
46 thousand eight hundred dollars or less, a credit shall be allowed for
47 the entire amount of such tax;

48 (B) if the tax computed under subdivision (a) of this section exceeds
49 one thousand eight hundred dollars but is less than three thousand two
50 hundred dollars, a credit shall be allowed in the amount determined by
51 multiplying such tax by a fraction the numerator of which is three thou-
52 sand two hundred dollars minus the amount of such tax and the denomina-
53 tor of which is one thousand four hundred dollars; or

54 (C) if the tax computed under subdivision (a) of this section is three
55 thousand two hundred dollars or more, no credit shall be allowed.

56 (3-a) For each taxable year beginning after two thousand eight:

1 (A) if the tax computed under subdivision (a) of this section is three
2 thousand four hundred dollars or less, a credit shall be allowed for the
3 entire amount of such tax;

4 (B) if the tax computed under subdivision (a) of this section exceeds
5 three thousand four hundred dollars but is less than five thousand four
6 hundred dollars, a credit shall be allowed in the amount determined by
7 multiplying such tax by a fraction the numerator of which is five thou-
8 sand four hundred dollars minus the amount of such tax and the denomina-
9 tor of which is two thousand dollars; or

10 (C) if the tax computed under subdivision (a) of this section is five
11 thousand four hundred dollars or more, no credit shall be allowed.

12 (4) If separate partnerships, joint ventures or other unincorporated
13 entities have substantially the same partners or members, each of such
14 partners or members has substantially the same interest in each of such
15 partnerships, joint ventures or other unincorporated entities, and such
16 partnerships, joint ventures or other unincorporated entities are
17 engaged in substantially the same business or businesses or in substan-
18 tially related businesses, all of such partnerships, joint ventures or
19 other unincorporated entities shall be treated as one unincorporated
20 business for purposes of this subdivision. The provisions of this para-
21 graph shall not be construed to limit or affect the meaning or applica-
22 tion of any other provision of this chapter.

23 (5) Notwithstanding anything to the contrary, the credit allowable
24 under this subdivision shall be taken prior to any other credit allowed
25 by this section.

26 (c) Credit relating to stock transfer tax. (1) In addition to any
27 other credit permitted under this section, a taxpayer shall be allowed a
28 credit, to be credited or refunded in the manner hereinafter provided in
29 this subdivision, against the tax imposed by this chapter after the
30 allowance of any other credit under this section. The amount of such
31 credit shall be fifty percent of the tax incurred in market making tran-
32 sactions under the provisions of article twelve of the tax law on such
33 transactions subject to such tax occurring on and after August first,
34 nineteen hundred seventy-six and paid by such taxpayer, except when such
35 tax shall have been paid pursuant to section two hundred seventy-nine-a
36 of the tax law.

37 (2) For purposes of this subdivision:

38 a. the term "taxpayer" shall mean any unincorporated business subject
39 to tax under this chapter registered with the United States securities
40 and exchange commission in accordance with subsection (b) of section
41 fifteen of the securities exchange act of nineteen hundred thirty-four,
42 as amended, and acting as a dealer in a transaction described in subpar-
43 agraph b of this paragraph, and

44 b. the term "market making transaction" shall mean any transaction
45 involving a sale, including a short sale, by a dealer of shares or
46 certificates subject to the tax imposed by article twelve of the tax
47 law, provided such shares or certificates are sold:

48 (i) as stock in trade or inventory or as property held for sale in the
49 ordinary course of such dealer's trade or business including transfers
50 which are part of an underwriting,

51 (ii) in (a) a bona fide arbitrage transaction; (b) a bona fide hedge
52 transaction involving a long or short position in any equity security
53 and a long or short position in a security entitling the holder to
54 acquire or sell such equity security; or (c) a risk arbitrage trans-
55 action in connection with a merger, acquisition, tender offer, recap-
56 italization, reorganization, or similar transaction, or

1 (iii) to offset a transaction made in error.

2 Provided, however, that, except as to subclause (c) of clause (ii) of
3 subparagraph b of this paragraph, the term "market making transaction"
4 shall not include any sale of shares or certificates identified in such
5 dealer's records as a security held for investment within the meaning of
6 section twelve hundred thirty-six of the internal revenue code.

7 (3) The credit allowed under this subdivision for any taxable year
8 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
9 ited or refunded in accordance with the provisions of section 11-526 of
10 this chapter, except as otherwise provided in subdivision (g) of
11 sections 11-512 and 11-514 of this chapter; provided, however, that the
12 provisions of this chapter notwithstanding, the amount to be refunded
13 pursuant to this subdivision shall not be paid prior to the first day of
14 the eighth month following the close of the taxable year, and the
15 provisions of subdivision (c) of section 11-528 of this chapter notwith-
16 standing, interest shall be allowed and paid on the overpayment of the
17 credit under this subdivision from the first day of the eleventh month
18 following the close of the taxable year, or three months after a claim
19 for the credit or refund provided for in this subdivision has been
20 filed, whichever is later.

21 (4) Provided, however, that the credit provided under this subdivi-
22 sion shall be allowed only to the extent that the amount of credit
23 allowable with respect to market making transactions under the
24 provisions of this subdivision (determined without regard to the
25 provisions of this paragraph) exceeds fifty percent of all rebates
26 (provided for under the provisions of section two hundred eighty-a of
27 article twelve of the tax law) allowed for such taxes incurred in the
28 same market making transactions with respect to which the credit is
29 determined. No credit shall be allowed under this subdivision with
30 respect to any tax incurred in market making transactions occurring on
31 or after October first, nineteen hundred eighty-one.

32 (d) Credit relating to certain sales and compensating use taxes. (1)
33 In addition to the credits allowed by subdivisions (b) and (c) of this
34 section, a taxpayer shall be allowed a credit against the tax imposed by
35 this chapter to be credited or refunded in the manner hereinafter
36 provided in this section. The amount of such credit shall be the excess
37 of (A) the amount of sales and compensating use taxes imposed by section
38 eleven hundred seven of the tax law during the taxpayer's taxable year
39 which became legally due on or after and was paid on or after July
40 first, nineteen hundred seventy-seven, less any credit or refund of such
41 taxes, with respect to the purchase or use by the taxpayer of machinery
42 or equipment for use or consumption directly and predominantly in the
43 production of tangible personal property, gas, electricity, refriger-
44 ation or steam for sale, by manufacturing, processing, generating,
45 assembling, refining, mining or extracting, or telephone central office
46 equipment or station apparatus or comparable telegraph equipment for use
47 directly and predominantly in receiving at destination or initiating and
48 switching telephone or telegraph communication, but not including parts
49 with a useful life of one year or less or tools or supplies used in
50 connection with such machinery, equipment or apparatus over (B) the
51 amount of any credit for such sales and compensating use taxes allowed
52 or allowable against the taxes imposed by subchapter two of chapter six
53 of this title, for any periods embraced within the taxable year of the
54 taxpayer under this chapter.

55 (2) The credit allowed under this section for any taxable year shall
56 be deemed to be an overpayment of tax by the taxpayer to be credited or

1 refunded, without interest, in accordance with the provisions of section
2 11-526 of this chapter.

3 (3) Where the taxpayer receives a refund or credit of any tax imposed
4 under section eleven hundred seven of the tax law for which the taxpayer
5 had claimed a credit under the provisions of this section in a prior
6 taxable year, the amount of such tax refund or credit shall be added to
7 the tax imposed by this section, and such amount shall be subtracted in
8 computing unincorporated business taxable income for the taxable year.

9 (e) Credit relating to the annual increase in certain payments to a
10 landlord by a taxpayer relocating industrial and commercial employment
11 opportunities. (1) In addition to any other credit allowed by this
12 section, a taxpayer shall be allowed a credit against the tax imposed by
13 this chapter to be credited or refunded, without interest, in the manner
14 hereinafter provided in this section.

15 (A) Where a taxpayer shall have relocated to the city from a location
16 outside the state, and by such relocation shall have created a minimum
17 of one hundred industrial or commercial employment opportunities, and
18 where such taxpayer shall have entered into a written lease for the
19 relocation premises, the terms of which lease provide for increased
20 additional payments to the landlord which are based solely and directly
21 upon any increase or addition in real estate taxes imposed on the leased
22 premises, the taxpayer upon approval and certification by the industrial
23 and commercial incentive board as hereinafter provided shall be entitled
24 to a credit against the tax imposed by this chapter. The amount of such
25 credit shall be: An amount equal to the annual increased payments actu-
26 ally made by the taxpayer to the landlord which are solely and directly
27 attributable to an increase or addition to the real estate tax imposed
28 upon the leased premises. Such credit shall be allowed only to the
29 extent that the taxpayer has not otherwise claimed said amount as a
30 deduction against the tax imposed by this chapter.

31 The industrial and commercial incentive board in approving and certi-
32 fying to the qualifications of the taxpayer to receive the tax credit
33 provided for herein shall first determine that the applicant has met the
34 requirements of this section, and further, that the granting of the tax
35 credit to the applicant is in the "public interest." In determining
36 that the granting of the tax credit is in the public interest, the board
37 shall make affirmative findings that: the granting of the tax credit to
38 the applicant will not effect an undue hardship on similar taxpayers
39 already located within the city; the existence of this tax incentive has
40 been instrumental in bringing about the relocation of the applicant to
41 the city; and the granting of the tax credit will foster the economic
42 recovery and economic development of the city.

43 The tax credit, if approved and certified by the industrial and
44 commercial incentive board, must be utilized annually by the taxpayer
45 for the length of the term of the lease or for a period not to exceed
46 ten years from the date of relocation, whichever period is shorter.

47 (B) Definitions: When used in this section, "Employment opportunity"
48 means the creation of a full time position of gainful employment for an
49 industrial or commercial employee and the actual hiring of such employee
50 for the said position.

51 "Industrial employee" means one engaged in the manufacture or assembl-
52 ing of tangible goods or the processing of raw materials.

53 "Commercial employee" means one engaged in the buying, selling or
54 otherwise providing of goods or services other than on a retail basis.

55 "Retail" means the selling or otherwise disposing or furnishing of
56 tangible goods or services directly to the ultimate user or consumer.

1 "Full time position" means the hiring of an industrial or commercial
2 employee in a position of gainful employment where the number of hours
3 worked by such employee is not less than thirty hours during any given
4 week.

5 "Industrial and commercial incentive board" means the board created
6 pursuant to subchapter two of chapter two of this title.

7 (2) The credit allowed under this section for any taxable year shall
8 be deemed to be an overpayment of tax by the taxpayer to be credited or
9 refunded, without interest, in accordance with the provisions of section
10 11-526 of this chapter.

11 (f) Credit relating to certain expenses involved in the cost of relo-
12 cating industrial and commercial employment opportunities. (1) In
13 addition to any other credit allowed by this section, a taxpayer shall
14 be allowed a credit against the tax imposed by this chapter to be cred-
15 ited or refunded in the manner hereinafter provided in this section.
16 The amount of such credit shall be:

17 (A) A maximum of three hundred dollars for each commercial employment
18 and a maximum of five hundred dollars for each industrial employment
19 opportunity relocated to the city from an area outside the state. Such
20 credit shall be allowed to a taxpayer who relocates a minimum of ten
21 employment opportunities. The credit shall be allowed against employment
22 opportunity relocation costs incurred by the taxpayer. Such credit shall
23 be allowed only to the extent that the taxpayer has not claimed a
24 deduction for allowable employment opportunity relocation costs. The
25 credit allowed hereunder may be taken by the taxpayer in whole or in
26 part in the year in which the employment opportunity is relocated by
27 such taxpayer or either of the two years succeeding such event;
28 provided, however, that no credit shall be allowed under this subdivi-
29 sion to a taxpayer for industrial employment opportunities relocated to
30 premises (i) that are within an industrial business zone established
31 pursuant to section 22-626 of the code of the preceding municipality and
32 (ii) for which a binding contract to purchase or lease was first entered
33 into by the taxpayer on or after July first, two thousand five.

34 The commissioner of finance is empowered to promulgate rules and regu-
35 lations and to prescribe the form of application to be used.

36 (B) Definitions: When used in this section, "Employment Opportunity"
37 means the creation of a full time position of gainful employment for an
38 industrial or commercial employee and the actual hiring of such employee
39 for the said position.

40 "Industrial Employee" means one engaged in the manufacture or assembl-
41 ing of tangible goods or the processing of raw materials.

42 "Commercial Employee" means one engaged in the buying, selling or
43 otherwise providing of goods or services other than on a retail basis.

44 "Retail" means the selling or otherwise disposing of tangible goods
45 directly to the ultimate user or consumer.

46 "Full Time Position" means the hiring of an industrial or commercial
47 employee in a position of gainful employment where the number of hours
48 worked by such employee is not less than thirty hours during any given
49 work week.

50 "Employment Opportunity Relocation Costs" means the costs incurred by
51 the taxpayer in moving furniture, files, papers and office equipment
52 into the city from a location outside the state; the costs incurred by
53 the taxpayer in the moving from a location outside the state; the costs
54 of installation of telephones and other communications equipment
55 required as a result of the relocation to the city from a location
56 outside the state; the cost incurred in the purchase of office furniture

1 and fixtures required as a result of the relocation to the city from a
2 location outside the state; and the cost of renovation of the premises
3 to be occupied as a result of the relocation provided, however, that
4 such renovation costs shall be allowable only to the extent that they do
5 not exceed seventy-five cents per square foot of the total area utilized
6 by the taxpayer in the occupied premises.

7 (2) The credit allowed under this section for any taxable year shall
8 be deemed to be an overpayment of tax by the taxpayer to be credited or
9 refunded without interest, in accordance with the provisions of section
10 11-526 of this chapter.

11 (i) Relocation and employment assistance credit. (1) In addition to
12 any other credit allowed by this section, a taxpayer that has obtained
13 the certifications required by chapter six-B of title twenty-two of the
14 code of the preceding municipality shall be allowed a credit against the
15 tax imposed by this chapter. The amount of the credit shall be the
16 amount determined by multiplying five hundred dollars or, in the case of
17 a taxpayer that has obtained pursuant to chapter six-B of such title
18 twenty-two a certification of eligibility dated on or after July first,
19 nineteen hundred ninety-five, one thousand dollars or, in the case of an
20 eligible business that has obtained pursuant to chapter six-B of such
21 title twenty-two a certification of eligibility dated on or after July
22 first, two thousand, for a relocation to eligible premises located with-
23 in a revitalization area defined in subdivision (n) of section 22-621 of
24 the code of the preceding municipality, three thousand dollars, by the
25 number of eligible aggregate employment shares maintained by the taxpay-
26 er during the taxable year with respect to particular premises to which
27 the taxpayer has relocated; provided, however, with respect to a relo-
28 cation for which no application for a certificate of eligibility is
29 submitted prior to July first, two thousand three, to eligible premises
30 that are not within a revitalization area, if the date of such relo-
31 cation as determined pursuant to subdivision (j) of section 22-621 of
32 the code of the preceding municipality is before July first, nineteen
33 hundred ninety-five, the amount to be multiplied by the number of eligi-
34 ble aggregate employment shares shall be five hundred dollars, and with
35 respect to a relocation for which no application for a certificate of
36 eligibility is submitted prior to July first, two thousand three, to
37 eligible premises that are within a revitalization area, if the date of
38 such relocation as determined pursuant to subdivision (j) of such
39 section is before July first, nineteen hundred ninety-five, the amount
40 to be multiplied by the number of eligible aggregate employment shares
41 shall be five hundred dollars, and if the date of such relocation as
42 determined pursuant to subdivision (j) of such section is on or after
43 July first, nineteen hundred ninety-five, and before July first, two
44 thousand, one thousand dollars; provided, however, that no credit shall
45 be allowed for the relocation of any retail activity or hotel services;
46 provided, further, that no credit shall be allowed under this subdivi-
47 sion to any taxpayer that has elected pursuant to subdivision (d) of
48 section 22-622 of the code of the preceding municipality to take such
49 credit against a gross receipts tax imposed under chapter eleven of this
50 title; and provided that in the case of an eligible business that has
51 obtained pursuant to chapter six-B of such title twenty-two certifi-
52 cations of eligibility for more than one relocation, the portion of the
53 total amount of eligible aggregate employment shares to be multiplied by
54 the dollar amount specified in this paragraph for each such certifi-
55 cation of a relocation shall be the number of total attributed eligible
56 aggregate employment shares determined with respect to such relocation

1 pursuant to subdivision (o) of section 22-621 of the code of the preced-
2 ing municipality. For purposes of this subdivision, the terms "eligible
3 aggregate employment shares," "relocate," "retail activity" and "hotel
4 services" shall have the meanings ascribed by section 22-621 of the code
5 of the preceding municipality.

6 (2) The credit allowed under this subdivision with respect to eligible
7 aggregate employment shares maintained with respect to particular prem-
8 ises to which the taxpayer has relocated shall be allowed for the first
9 taxable year during which such eligible aggregate employment shares are
10 maintained with respect to such premises and for any of the twelve
11 succeeding taxable years during which eligible aggregate employment
12 shares are maintained with respect to such premises; provided that the
13 credit allowed for the twelfth succeeding taxable year shall be calcu-
14 lated by multiplying the number of eligible aggregate employment shares
15 maintained with respect to such premises in the twelfth succeeding taxa-
16 ble year by the lesser of one and a fraction the numerator of which is
17 such number of days in the taxable year of relocation less the number of
18 days the eligible business maintained employment shares in the eligible
19 premises in the taxable year of relocation and the denominator of which
20 is the number of days in such twelfth succeeding taxable year during
21 which such eligible aggregate employment shares are maintained with
22 respect to such premises. Except as provided in paragraph four of this
23 subdivision, if the amount of the credit allowable under this subdivi-
24 sion for any taxable year exceeds the tax imposed for such year, the
25 excess may be carried over, in order, to the five immediately succeeding
26 taxable years and, to the extent not previously deductible, may be
27 deducted from the taxpayer's tax for such years.

28 (3) The credit allowable under this subdivision shall be deducted
29 after the credits allowed by subdivisions (b) and (j) of this section,
30 but prior to the deduction of any other credit allowed by this section.

31 (4) In the case of a taxpayer that has obtained a certification of
32 eligibility pursuant to chapter six-B of title twenty-two of the code of
33 the preceding municipality dated on or after July first, two thousand
34 for a relocation to eligible premises located within the revitalization
35 area defined in subdivision (n) of section 22-621 of the code of the
36 preceding municipality, the credits allowed under this subdivision, or
37 in the case of a taxpayer that has relocated more than once, the portion
38 of such credits attributed to such certification of eligibility pursuant
39 to paragraph one of this subdivision, against the tax imposed by this
40 chapter for the taxable year of such relocation and for the four taxable
41 years immediately succeeding the taxable year of such relocation, shall
42 be deemed to be overpayments of tax by the taxpayer to be credited or
43 refunded, without interest, in accordance with the provisions of section
44 11-526 of this chapter. For such taxable years, such credits or portions
45 thereof may not be carried over to any succeeding taxable year;
46 provided, however, that this paragraph shall not apply to any relocation
47 for which an application for a certification of eligibility was not
48 submitted prior to July first, two thousand three, unless the date of
49 such relocation is on or after July first, two thousand.

50 (j) (1) If a partner in an unincorporated business is taxable under
51 this chapter and is required to include in unincorporated business taxa-
52 ble income his, her or its distributive share of income, gain, loss and
53 deductions of, or guaranteed payments from, such unincorporated busi-
54 ness, such partner shall be allowed a credit against the tax imposed by
55 this chapter equal to the lesser of the amounts determined in subpara-
56 graphs (A) and (B) of this paragraph:

1 (A) The amount determined in this subparagraph is the product of (i)
2 the sum of (I) the tax imposed by this chapter on the unincorporated
3 business for its taxable year ending within or with the taxable year of
4 the partner and paid by the unincorporated business and (II) the amount
5 of any credit or credits taken by the unincorporated business under this
6 section (except the credit allowed by subdivision (b) of this section)
7 for its taxable year ending within or with the taxable year of the part-
8 ner, to the extent that such credits do not reduce such unincorporated
9 business's tax below zero, and (ii) a fraction, the numerator of which
10 is the net total of the partner's distributive share of income, gain,
11 loss and deductions of, and guaranteed payments from, the unincorporated
12 business for such taxable year, and the denominator of which is the sum,
13 for such taxable year, of the net total distributive shares of income,
14 gain, loss and deductions of, and guaranteed payments to, all partners
15 in the unincorporated business for whom or which such net total, as
16 separately determined for each partner, is greater than zero.

17 (B) The amount determined in this subparagraph is the difference
18 between (i) the tax computed pursuant to this chapter on the unincorpo-
19 rated business taxable income of the partner, without allowance of any
20 credits allowed by this section, and (ii) the tax so computed, deter-
21 mined as if the partner had no such distributive share or guaranteed
22 payments with respect to the unincorporated business, provided, however,
23 that the amounts computed in clauses (i) and (ii) of this subparagraph
24 shall be computed with the following modifications:

25 (I) such amounts shall be computed without taking into account any
26 carryforward or carryback by the partner of a net operating loss;

27 (II) if, prior to taking into account any distributive share or guar-
28 anteed payments from any unincorporated business or any net operating
29 loss carryforward or carryback, the unincorporated business taxable
30 income of the partner is less than zero, such unincorporated business
31 taxable income shall be treated as zero; and

32 (III) if such partner's net total distributive share of income, gain,
33 loss and deductions of, and guaranteed payments from, any unincorporated
34 business is less than zero, such net total shall be treated as zero. The
35 amount determined in this subparagraph shall not be less than zero.

36 (2) (A) Notwithstanding anything to the contrary in paragraph one of
37 this subdivision, the credit or the sum of the credits that may be taken
38 by a partner for a taxable year under this subdivision with respect to
39 an unincorporated business or unincorporated businesses in which he, she
40 or it is a partner shall not exceed the tax imposed on the unincorporat-
41 ed business taxable income of such partner under this chapter for such
42 taxable year reduced by the credit allowed under subdivision (b) of this
43 section. If the credit allowed under paragraph one of this subdivision
44 or the sum of such credits exceeds such tax as so reduced, the amount of
45 the excess may be carried forward, in order, to each of the seven imme-
46 diately succeeding taxable years and, to the extent not previously
47 taken, shall be allowed as a credit in each of such years, provided, the
48 credit determined for the taxable year under paragraph one of this
49 subdivision shall be taken before taking any credit carryforward pursu-
50 ant to this paragraph and the credit carryforward attributable to the
51 earliest taxable year shall be taken before taking a credit carryforward
52 attributable to a subsequent taxable year.

53 (B) Notwithstanding anything to the contrary in subparagraph (A) of
54 this paragraph, in the case of a partner which is a partnership, no
55 credit carryforward to any taxable year shall be allowed unless one or
56 more of the partners therein during such taxable year were persons

1 having a proportionate interest or interests, amounting to at least
2 eighty percent of all such interests, in the unincorporated business
3 gross income and unincorporated business deductions of the partnership
4 which was allowed the credit for which a carryforward is claimed. In
5 such event, the carryforward allowable on account of such credit shall
6 not exceed the percentage of the amount otherwise allowable, determined
7 by dividing (i) the sum of the proportionate interests in the unincorpo-
8 rated business gross income and unincorporated business deductions of
9 the partnership, for the year to which the credit is carried forward,
10 attributable to such partners, by (ii) the sum of such proportionate
11 interests owned by all partners for such taxable year. The amount by
12 which the carryforward otherwise allowable exceeds the amount allowable
13 pursuant to this subparagraph shall not be a carryforward to any other
14 taxable year.

15 (3) The credit allowed under this subdivision shall not be allowed to
16 a partner in an unincorporated business with respect to any tax paid by
17 the unincorporated business under this chapter for any taxable year
18 beginning before July first, nineteen hundred ninety-four.

19 (4) Notwithstanding anything to the contrary, the credit allowable
20 under this subdivision shall be taken after the credit allowed by subdivi-
21 sion (b) of this section is taken, but before any other credit allowed
22 by this section is taken.

23 (5) The commissioner of finance of the city of Staten Island shall
24 convene a working group, consisting of representatives of the department
25 of finance of the city of Staten Island and representatives of affected
26 industries, and other persons the commissioner deems appropriate, to
27 study the treatment under the unincorporated business tax of income from
28 investment and real estate activities and the impact of the credit
29 permitted by this subdivision, including but not limited to cases where
30 interests in a taxpayer are held by another taxpayer subject to tax on
31 unincorporated business taxable income and the first taxpayer is enti-
32 tled to claim a deduction for a net operating loss carryover and the
33 second is not entitled to a corresponding deduction with the result, in
34 certain cases, that the net income allocated to the second taxpayer may
35 be subject to an effective rate of tax in excess of the rate imposed by
36 this chapter. In addition, the working group shall also study the tax
37 treatment of parking garages which are open or available to the general
38 public and which also provide available space to tenants. In conducting
39 such study, such working group shall take into account such factors as
40 economic development, tax administration and other goals of tax policy
41 and shall consider alternatives that would reduce disincentives for
42 investing in corporations and other entities engaged in business in the
43 city of Staten Island, such as exempting income from investment activ-
44 ities from the tax on unincorporated business taxable income. The
45 commissioner shall prepare a report based on the deliberations of the
46 working group on or before April fifteenth, nineteen hundred ninety-
47 five.

48 (k) Credit relating to certain sales and compensating use taxes on
49 certain services. (1) In addition to any other credit allowed by this
50 section, a taxpayer shall be allowed a credit against the tax imposed by
51 this chapter to be credited or refunded in the manner hereinafter
52 provided in this subdivision. The amount of such credit shall be equal
53 to the amount of sales and compensating use taxes imposed by section
54 eleven hundred seven of the tax law during the taxpayer's taxable year,
55 and the amount of any interest imposed in connection therewith, which
56 was paid after January first, nineteen hundred ninety-five, less any

1 credit or refund of such taxes (or such interest), with respect to the
2 purchase or use by the taxpayer of the services described in subdivision
3 (b) of section eleven hundred five-b of the tax law.

4 (2) The credit allowed under this subdivision for any taxable year
5 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
6 ited or refunded, without interest, in accordance with the provisions of
7 section 11-526 of this chapter.

8 (3) Where the taxpayer receives a refund or credit of any tax imposed
9 under section eleven hundred seven of the tax law, or of any interest
10 imposed in connection therewith, for which the taxpayer had claimed a
11 credit under this subdivision in a prior taxable year, the amount of
12 such tax, or such interest, refund or credit shall be added to the tax
13 imposed by this chapter, and such amount shall be subtracted in comput-
14 ing unincorporated business taxable income for the taxable year.

15 (1) Lower Manhattan relocation and employment assistance credit. (1)
16 In addition to any other credit allowed by this section, a taxpayer that
17 has obtained the certifications required by chapter six-C of title twen-
18 ty-two of the code of the preceding municipality shall be allowed a
19 credit against the tax imposed by this chapter. The amount of the credit
20 shall be the amount determined by multiplying three thousand dollars by
21 the number of eligible aggregate employment shares maintained by the
22 taxpayer during the taxable year with respect to eligible premises to
23 which the taxpayer has relocated; provided, however, that no credit
24 shall be allowed for the relocation of any retail activity or hotel
25 services; provided, further, that no credit shall be allowed under this
26 subdivision to any taxpayer that has elected pursuant to subdivision (d)
27 of section 22-624 of the code of the preceding municipality to take such
28 credit against a gross receipts tax imposed under chapter eleven of this
29 title. For purposes of this subdivision, the terms "eligible aggregate
30 employment shares", "eligible premises", "relocate", "retail activity"
31 and "hotel services" shall have the meanings ascribed by section 22-623
32 of the code of the preceding municipality.

33 (2) The credit allowed under this subdivision with respect to eligible
34 aggregate employment shares maintained with respect to eligible premises
35 to which the taxpayer has relocated shall be allowed for the taxable
36 year of the relocation and for any of the twelve succeeding taxable
37 years during which eligible aggregate employment shares are maintained
38 with respect to eligible premises; provided that the credit allowed for
39 the twelfth succeeding taxable year shall be calculated by multiplying
40 the number of eligible aggregate employment shares maintained with
41 respect to eligible premises in the twelfth succeeding taxable year by
42 the lesser of one and a fraction the numerator of which is such number
43 of days in the taxable year of relocation less the number of days the
44 taxpayer maintained employment shares in eligible premises in the taxa-
45 ble year of relocation and the denominator of which is the number of
46 days in such twelfth succeeding taxable year during which such eligible
47 aggregate employment shares are maintained with respect to such prem-
48 ises.

49 (3) Except as provided in paragraph four of this subdivision, if the
50 amount of the credit allowable under this subdivision for any taxable
51 year exceeds the tax imposed for such year, the excess may be carried
52 over, in order, to the five immediately succeeding taxable years and, to
53 the extent not previously deductible, may be deducted from the taxpay-
54 er's tax for such years.

55 (4) The credits allowed under this subdivision, against the tax
56 imposed by this chapter for the taxable year of the relocation and for

1 the four taxable years immediately succeeding the taxable year of such
2 relocation, shall be deemed to be overpayments of tax by the taxpayer to
3 be credited or refunded, without interest, in accordance with the
4 provisions of section 11-526 of this chapter. For such taxable years,
5 such credits or portions thereof may not be carried over to any succeed-
6 ing taxable year.

7 (5) The credit allowable under this subdivision shall be deducted
8 after the credits allowed by subdivisions (b), (i) and (j) of this
9 section, but prior to the deduction of any other credit allowed by this
10 section.

11 (n) Industrial business zone tax credit. (1) For taxable years begin-
12 ning on or after January first, two thousand six, in addition to any
13 other credit allowed by this section, an eligible business that first
14 enters into a binding contract on or after July first, two thousand five
15 to purchase or lease eligible premises to which it relocates shall be
16 allowed a one-time credit against the tax imposed by this chapter to be
17 credited or refunded in the manner hereinafter provided in this subdivi-
18 sion. The amount of such credit shall be one thousand dollars per full-
19 time employee; provided, however, that the amount of such credit shall
20 not exceed the lesser of actual relocation costs or one hundred thousand
21 dollars.

22 (2) When used in this subdivision, the following terms shall have the
23 following meanings:

24 "Eligible business" means any business subject to tax under this chap-
25 ter that (A) has been conducting substantial business operations and
26 engaging primarily in industrial and manufacturing activities at one or
27 more locations within the city of Staten Island or outside the state of
28 New York continuously during the twenty-four consecutive full months
29 immediately preceding relocation, (B) has leased the premises from which
30 it relocates continuously during the twenty-four consecutive full months
31 immediately preceding relocation, (C) first enters into a binding
32 contract on or after July first, two thousand five to purchase or lease
33 eligible premises to which such business will relocate, and (D) will be
34 engaged primarily in industrial and manufacturing activities at such
35 eligible premises.

36 "Eligible premises" means premises located entirely within an indus-
37 trial business zone. For any eligible business, an industrial business
38 zone tax credit shall not be granted with respect to more than one
39 eligible premises.

40 "Full-time employee" means (A) one person gainfully employed in an
41 eligible premises by an eligible business where the number of hours
42 required to be worked by such person is not less than thirty-five hours
43 per week; or (B) two persons gainfully employed in an eligible premises
44 by an eligible business where the number of hours required to be worked
45 by each such person is more than fifteen hours per week but less than
46 thirty-five hours per week.

47 "Industrial business zone" means an area within the city of Staten
48 Island established pursuant to section 22-626 of the code of the preced-
49 ing municipality.

50 "Industrial business zone tax credit" means a credit, as provided for
51 in this subdivision, against a tax imposed under this chapter.

52 "Industrial and manufacturing activities" means activities involving
53 the assembly of goods to create a different article, or the processing,
54 fabrication, or packaging of goods. Industrial and manufacturing activ-
55 ities shall not include waste management or utility services.

1 "Relocation" means the physical relocation of furniture, fixtures,
2 equipment, machinery and supplies directly to an eligible premises, from
3 one or more locations of an eligible business, including at least one
4 location at which such business conducts substantial business operations
5 and engages primarily in industrial and manufacturing activities. For
6 purposes of this subdivision, the date of relocation shall be (A) the
7 date of the completion of the relocation to the eligible premises or (B)
8 ninety days from the commencement of the relocation to the eligible
9 premises, whichever is earlier.

10 "Relocation costs" means costs incurred in the relocation of such
11 furniture, fixtures, equipment, machinery and supplies, including, but
12 not limited to, the cost of dismantling and reassembling equipment and
13 the cost of floor preparation necessary for the reassembly of the equip-
14 ment. Relocation costs shall include only such costs that are incurred
15 during the ninety-day period immediately following the commencement of
16 the relocation to an eligible premises. Relocation costs shall not
17 include any costs for structural or capital improvements or items
18 purchased in connection with the relocation.

19 (3) The credit allowed under this subdivision for any taxable year
20 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
21 ited or refunded without interest, in accordance with the provisions of
22 section 11-526 of this chapter.

23 (4) The number of full-time employees for the purposes of calculating
24 an industrial business zone tax credit shall be the average number of
25 full-time employees, calculated on a weekly basis, employed in the
26 eligible premises by the eligible business in the fifty-two week period
27 immediately following relocation.

28 (5) The credit allowed under this subdivision must be taken by the
29 taxpayer in the taxable year in which such fifty-two week period ends.

30 (6) For the purposes of calculating entire net income in the taxable
31 year that an industrial business zone tax credit is allowed, a taxpayer
32 must add back the amount of the credit allowed under this subdivision,
33 to the extent of any relocation costs deducted in the current taxable
34 year or a prior taxable year in calculating federal taxable income.

35 (7) The credit allowed under this subdivision shall not be granted for
36 an eligible business for more than one relocation. Notwithstanding the
37 foregoing, an industrial business zone tax credit allowed under this
38 subdivision shall not be granted if the eligible business receives bene-
39 fits pursuant to chapter six-B or six-C of title twenty-two of the code
40 of the preceding municipality, through a grant program administered by
41 the business relocation assistance corporation, or through the Staten
42 Island city printers relocation fund grant.

43 (8) The commissioner of finance is authorized to promulgate rules and
44 regulations and to prescribe forms necessary to effectuate the purposes
45 of this subdivision.

46 The commissioner of finance is empowered to promulgate rules and regu-
47 lations and to prescribe the form of application to be used.

48 (B) Definitions: When used in this section, "Employment Opportunity"
49 means the creation of a full time position of gainful employment for an
50 industrial or commercial employee and the actual hiring of such employee
51 for the said position.

52 "Industrial Employee" means one engaged in the manufacture or assembl-
53 ing of tangible goods or the processing of raw materials.

54 "Commercial Employee" means one engaged in the buying, selling or
55 otherwise providing of goods or services other than on a retail basis.

1 "Retail" means the selling or otherwise disposing of tangible goods
2 directly to the ultimate user or consumer.

3 "Full Time Position" means the hiring of an industrial or commercial
4 employee in a position of gainful employment where the number of hours
5 worked by such employee is not less than thirty hours during any given
6 work week.

7 "Employment Opportunity Relocation Costs" means the costs incurred by
8 the taxpayer in moving furniture, files, papers and office equipment
9 into the city from a location outside the state; the costs incurred by
10 the taxpayer in the moving from a location outside the state; the costs
11 of installation of telephones and other communications equipment
12 required as a result of the relocation to the city from a location
13 outside the state; the cost incurred in the purchase of office furniture
14 and fixtures required as a result of the relocation to the city from a
15 location outside the state; and the cost of renovation of the premises
16 to be occupied as a result of the relocation provided, however, that
17 such renovation costs shall be allowable only to the extent that they do
18 not exceed seventy-five cents per square foot of the total area utilized
19 by the taxpayer in the occupied premises.

20 (2) The credit allowed under this section for any taxable year shall
21 be deemed to be an overpayment of tax by the taxpayer to be credited or
22 refunded without interest, in accordance with the provisions of section
23 11-526 of this chapter.

24 (o) Biotechnology credit. (a)(1) A taxpayer that is a qualified emerg-
25 ing technology company, engages in biotechnologies, and meets the eligi-
26 bility requirements of this subdivision, shall be allowed a credit
27 against the tax imposed by this subchapter. The amount of credit shall
28 be equal to the sum of the amounts specified in subparagraphs three,
29 four and five of this paragraph, subject to the limitations in subpara-
30 graph seven of this paragraph and paragraph (b) of this subdivision. For
31 the purposes of this subdivision, "qualified emerging technology compa-
32 ny" shall mean a company located in city: (A) whose primary products or
33 services are classified as emerging technologies and whose total annual
34 product sales are ten million dollars or less; or (B) a company that has
35 research and development activities in city and whose ratio of research
36 and development funds to net sales equals or exceeds the average ratio
37 for all surveyed companies classified as determined by the National
38 Science Foundation in the most recent published results from its Survey
39 of Industry Research and Development, or any comparable successor survey
40 as determined by the department, and whose total annual product sales
41 are ten million dollars or less. For the purposes of this subdivision,
42 the definition of research and development funds shall be the same as
43 that used by the National Science Foundation in the aforementioned
44 survey. For the purposes of this subdivision, "biotechnologies" shall
45 mean the technologies involving the scientific manipulation of living
46 organisms, especially at the molecular and/or the sub-molecular genetic
47 level, to produce products conducive to improving the lives and health
48 of plants, animals, and humans; and the associated scientific research,
49 pharmacological, mechanical, and computational applications and services
50 connected with these improvements. Activities included with such appli-
51 cations and services shall include, but not be limited to, alternative
52 mRNA splicing, DNA sequence amplification, antigenetic switching bioaug-
53 mentation, bioenrichment, bioremediation, chromosome walking, cytogenet-
54 ic engineering, DNA diagnosis, fingerprinting, and sequencing, electro-
55 poration, gene translocation, genetic mapping, site-directed

1 mutagenesis, bio-transduction, bio-mechanical and bio-electrical engi-
2 neering, and bio-informatics.

3 (2) An eligible taxpayer shall (A) have no more than one hundred full-
4 time employees, of which at least seventy-five percent are employed in
5 the city, (B) have a ratio of research and development funds to net
6 sales, as referred to in section thirty-one hundred two-e of the public
7 authorities law, which equals or exceeds six percent during the calendar
8 year ending with or within the taxable year for which the credit is
9 claimed, and (C) have gross revenues, along with the gross revenues of
10 its "affiliates" and "related members" not exceeding twenty million
11 dollars for the calendar year immediately preceding the calendar year
12 ending with or within the taxable year for which the credit is claimed.
13 For the purposes of this subdivision, "affiliates" shall mean those
14 corporations that are members of the same affiliated group, as defined
15 in section fifteen hundred four of the internal revenue code, as the
16 taxpayer. For the purposes of this subdivision, "related members" shall
17 mean a person, corporation, or other entity, including an entity that is
18 treated as a partnership or other pass-through vehicle for purposes of
19 federal taxation, whether such person, corporation or entity is a
20 taxpayer or not, where one such person, corporation or entity, or set of
21 related persons, corporations or entities, directly or indirectly owns
22 or controls a controlling interest in another entity. Such entity or
23 entities may include all taxpayers under chapters six, eleven and seven-
24 teen of this title, and subchapters two and three of this chapter. A
25 controlling interest shall mean, in the case of a corporation, either
26 thirty percent or more of the total combined voting power of all classes
27 of stock of such corporation, or thirty percent or more of the capital,
28 profits or beneficial interest in such voting stock of such corporation;
29 and in the case of a partnership, association, trust or other entity,
30 thirty percent or more of the capital, profits or beneficial interest in
31 such partnership, association, trust or other entity.

32 (3) An eligible taxpayer shall be allowed a credit for eighteen per
33 centum of the cost or other basis for federal income tax purposes of
34 research and development property that is acquired by the taxpayer by
35 purchase as defined in section 179(d) of the internal revenue code and
36 placed in service during the calendar year that ends with or within the
37 taxable year for which the credit is claimed. Provided, however, for the
38 purposes of this paragraph only, an eligible taxpayer shall be allowed a
39 credit for such percentage of the (A) cost or other basis for federal
40 income tax purposes for property used in the testing or inspection of
41 materials and products, (B) the costs or expenses associated with quali-
42 ty control of the research and development, (C) fees for use of sophis-
43 ticated technology facilities and processes, (D) fees for the production
44 or eventual commercial distribution of materials and products resulting
45 from the activities of an eligible taxpayer as long as such activities
46 fall under activities relating to biotechnologies. The costs, expenses
47 and other amounts for which a credit is allowed and claimed under this
48 paragraph shall not be used in the calculation of any other credit
49 allowed under this subchapter. For the purposes of this subdivision,
50 "research and development property" shall mean property that is used for
51 purposes of research and development in the experimental or laboratory
52 sense. Such purposes shall not be deemed to include the ordinary testing
53 or inspection of materials or products for quality control, efficiency
54 surveys, management studies, consumer surveys, advertising, promotions,
55 or research in connection with literary, historical or similar projects.

1 (4) An eligible taxpayer shall be allowed a credit for nine per centum
2 of qualified research expenses paid or incurred by the taxpayer in the
3 calendar year ending with or within the taxable year for which the cred-
4 it is claimed. For the purposes of this subdivision, "qualified research
5 expenses" shall mean expenses associated with in-house research and
6 processes, and costs associated with the dissemination of the results of
7 the products that directly result from such research and development
8 activities; provided, however, that such costs shall not include adver-
9 tising or promotion through media. In addition, costs associated with
10 the preparation of patent applications, patent application filing fees,
11 patent research fees, patent examinations fees, patent post allowance
12 fees, patent maintenance fees, and grant application expenses and fees
13 shall qualify as qualified research expenses. In no case shall the cred-
14 it allowed under this paragraph apply to expenses for litigation or the
15 challenge of another entity's intellectual property rights, or for
16 contract expenses involving outside paid consultants.

17 (5) An eligible taxpayer shall be allowed a credit for qualified high-
18 technology training expenditures as described in this paragraph paid or
19 incurred by the taxpayer during the calendar year that ends with or
20 within the taxable year for which the credit is claimed.

21 (A) The amount of credit shall be one hundred percent of the training
22 expenses described in subparagraph (C) of this paragraph, subject to a
23 limitation of no more than four thousand dollars per employee per calen-
24 dar year for such training expenses.

25 (B) Qualified high-technology training shall include a course or
26 courses taken and satisfactorily completed by an employee of the taxpay-
27 er at an accredited, degree granting post-secondary college or universi-
28 ty in city that (i) directly relates to biotechnology activities, and
29 (ii) is intended to upgrade, retrain or improve the productivity or
30 theoretical awareness of the employee. Such course or courses may
31 include, but are not limited to, instruction or research relating to
32 techniques, meta, macro, or micro-theoretical or practical knowledge
33 bases or frontiers, or ethical concerns related to such activities. Such
34 course or courses shall not include classes in the disciplines of
35 management, accounting or the law or any class designed to fulfill the
36 discipline specific requirements of a degree program at the associate,
37 baccalaureate, graduate or professional level of these disciplines.
38 Satisfactory completion of a course or courses shall mean the earning
39 and granting of credit or equivalent unit, with the attainment of a
40 grade of "B" or higher in a graduate level course or courses, a grade of
41 "C" or higher in an undergraduate level courses or courses, or a similar
42 measure of competency for a course that is not measured according to a
43 standard grade formula.

44 (C) Qualified high-technology training expenditures shall include
45 expenses for tuition and mandatory fees, software required by the insti-
46 tution, fees for textbooks or other literature required by the institu-
47 tion offering the course or courses, minus applicable scholarships and
48 tuition or fee waivers not granted by the taxpayer or any affiliates of
49 the taxpayer, that are paid or reimbursed by the taxpayer. Qualified
50 high-technology expenditures do not include room and board, computer
51 hardware or software not specifically assigned for such course or cours-
52 es, late-charges, fines or membership dues and similar expenses. Such
53 qualified expenditures shall not be eligible for the credit provided by
54 this section unless the employee for whom the expenditures are disbursed
55 is continuously employed by the taxpayer in a full-time, full-year posi-
56 tion primarily located at a qualified site during the period of such

1 coursework and lasting through at least one hundred eighty days after
2 the satisfactory completion of the qualifying course-work. Qualified
3 high-technology training expenditures shall not include expenses for
4 in-house or shared training outside of a city higher education institu-
5 tion or the use of consultants outside of credit granting courses,
6 whether such consultants function inside of such higher education insti-
7 tution or not.

8 (D) If a taxpayer relocates from an academic business incubator facil-
9 ity partnered with an accredited post-secondary education institution
10 located within city, which provides space and business support services
11 to taxpayers, to another site, the credit provided in this subdivision
12 shall be allowed for all expenditures referenced in subparagraph (C) of
13 this paragraph paid or incurred in the two preceding calendar years that
14 the taxpayer was located in such an incubator facility for employees of
15 the taxpayer who also relocate from said incubator facility to such city
16 site and are employed and primarily located by the taxpayer in city.
17 Such expenditures in the two preceding years shall be added to the
18 amounts otherwise qualifying for the credit provided by this subdivision
19 that were paid or incurred in the calendar year that the taxpayer relo-
20 cates from such a facility. Such expenditures shall include expenses
21 paid for an eligible employee who is a full-time, full-year employee of
22 said taxpayer during the calendar year that the taxpayer relocated from
23 an incubator facility notwithstanding (i) that such employee was
24 employed full or part-time as an officer, staff-person or paid intern of
25 the taxpayer when such taxpayer was located at such incubator facility
26 or (ii) that such employee was not continuously employed when such
27 taxpayer was located at the incubator facility during the one hundred
28 eighty day period referred to in subparagraph (C) of this paragraph,
29 provided such employee received wages or equivalent income for at least
30 seven hundred fifty hours during any twenty-four month period when the
31 taxpayer was located at the incubator facility. Such expenditures shall
32 include payments made to such employee after the taxpayer has relocated
33 from the incubator facility for qualified expenditures if such payments
34 are made to reimburse an employee for expenditures paid by the employee
35 during such two preceding years. The credit provided under this para-
36 graph shall be allowed in any taxable year that the taxpayer qualifies
37 as an eligible taxpayer.

38 (E) For purposes of this subdivision the term "academic year" shall
39 mean the annual period of sessions of a post-secondary college or
40 university.

41 (F) For the purposes of this subdivision the term "academic incubator
42 facility" shall mean a facility providing low-cost space, technical
43 assistance, support services and educational opportunities, including
44 but not limited to central services provided by the manager of the
45 facility to the tenants of the facility, to an entity located in city.
46 Such entity's primary activity must be in biotechnologies, and such
47 entity must be in the formative stage of development. The academic incu-
48 bator facility and the entity must act in partnership with an accredited
49 post-secondary college or university located in city. An academic incu-
50 bator facility's mission shall be to promote job creation, entrepreneur-
51 ship, technology transfer, and provide support services to incubator
52 tenants, including, but not limited to, business planning, management
53 assistance, financial-packaging, linkages to financing services, and
54 coordinating with other sources of assistance.

55 (6) An eligible taxpayer may claim credits under this subdivision for
56 three consecutive years. In no case shall the credit allowed by this

1 subdivision to a taxpayer exceed two hundred fifty thousand dollars per
2 calendar year for eligible expenditures made during such calendar year.

3 (7) The credit allowed under this subdivision for any taxable year
4 shall not reduce the tax due for such year to less than the amount
5 computed in subdivision (a) of this section. Provided, however, if the
6 amount of credit allowed under this subdivision for any taxable year
7 reduces the tax to such amount, any amount of credit not deductible in
8 such taxable year shall be treated as an overpayment of tax to be cred-
9 ited or refunded in accordance with the provisions of section 11-526 of
10 this chapter; provided, however, that notwithstanding the provisions of
11 section 11-528 of this chapter, no interest shall be paid thereon.

12 (8) The credit allowed under this subdivision shall only be allowed
13 for taxable years beginning on or after January first, two thousand ten
14 and before January first, two thousand nineteen.

15 (b)(1) The percentage of the credit allowed to a taxpayer under this
16 subdivision in any calendar year shall be:

17 (A) If the average number of individuals employed full time by a
18 taxpayer in the city during the calendar year that ends with or within
19 the taxable year which the credit is claimed is at least one hundred
20 five percent of the taxpayer's base year employment, one hundred
21 percent, except that in no case shall the credit allowed under this
22 clause exceed two hundred fifty thousand dollars per calendar year.
23 Provided, however, the increase in base year employment shall not apply
24 to a taxpayer allowed a credit under this subdivision that was (I)
25 located outside of the city, (II) not doing business, or (III) did not
26 have any employees, in the year preceding the first year that the credit
27 is claimed. Any such taxpayer shall be eligible for one hundred percent
28 of the credit for the first calendar year that ends with or within the
29 taxable year for which the credit is claimed, provided that such taxpay-
30 er locates in the city, begins doing business in the city or hires
31 employees in the city during such calendar year and is otherwise eligi-
32 ble for the credit pursuant to the provisions of this subdivision.

33 (B) If the average number of individuals employed full time by a
34 taxpayer in the city during the calendar year that ends with or within
35 the taxable year for which the credit is claimed is less than one
36 hundred five percent of the taxpayer's base year employment, fifty
37 percent, except that in no case shall the credit allowed under this
38 clause exceed one hundred twenty five thousand dollars per calendar
39 year. In the case of an entity located in city receiving space and busi-
40 ness support services by an academic incubator facility, if the average
41 number of individuals employed full time by such entity in the city
42 during the calendar year in which the credit allowed under this subdivi-
43 sion is claimed is less than one hundred five percent of the taxpayer's
44 base year employment, the credit shall be zero.

45 (2) For the purposes of this subdivision, "base year employment" means
46 the average number of individuals employed full-time by the taxpayer in
47 the city in the year preceding the first calendar year that ends with or
48 within the taxable year for which the credit is claimed.

49 (3) For the purposes of this subdivision, average number of individ-
50 uals employed full-time shall be computed by adding the number of such
51 individuals employed by the taxpayer at the end of each quarter during
52 each calendar year or other applicable period and dividing the sum so
53 obtained by the number of such quarters occurring within such calendar
54 year or other applicable period.

55 (4) Notwithstanding anything contained in this section to the contra-
56 ry, the credit provided by this subdivision shall be allowed against the

1 taxes authorized by this chapter for the taxable year after reduction by
2 all other credits permitted by this chapter.

3 (p) Beer production credit. (1) A taxpayer subject to tax under this
4 chapter, that is registered as a distributor under article eighteen of
5 the tax law, and that produces sixty million or fewer gallons of beer in
6 this state in the taxable year, shall be allowed a credit against the
7 tax imposed by this chapter in the amount specified in paragraph two of
8 this subdivision. Provided, however, that no credit shall be allowed for
9 any beer produced in excess of fifteen million five hundred thousand
10 gallons in the taxable year. Notwithstanding anything in this title to
11 the contrary, if a partnership is allowed a credit under this subdivi-
12 sion, a taxpayer that is a partner in such partnership shall not be
13 allowed a credit under this subdivision for any taxable year that
14 includes the last day of the taxable year for which the partnership is
15 allowed such credit.

16 (2) The amount of the credit per taxpayer per taxable year for each
17 gallon of beer produced in the city on or after January first, two thou-
18 sand seventeen shall be determined as follows:

19 (i) for the first five hundred thousand gallons of beer produced in
20 the city in the taxable year, the credit shall equal twelve cents per
21 gallon; and

22 (ii) for each gallon of beer produced in the city in the taxable year
23 in excess of five hundred thousand gallons, the credit shall equal three
24 and eighty-six one hundredths cents per gallon. The credit allowed under
25 this subdivision for any taxable year shall be treated as an overpayment
26 of tax to be credited or refunded in accordance with the provisions of
27 section 11-526 of this chapter; provided, however, that notwithstanding
28 the provisions of section 11-528 of this chapter, no interest shall be
29 paid thereon.

30 (q) Credit for the provision of child care. In addition to any other
31 credit allowed under this section, a taxpayer whose application for a
32 credit authorized by section 11-144 of this title has been approved by
33 the department of finance shall be allowed a credit against the tax
34 imposed by this chapter. The amount of the credit shall be determined as
35 provided in such section. To the extent the amount of the credit allowed
36 by this subdivision exceeds the amount of tax due pursuant to this chap-
37 ter, as calculated without such credit, such excess amount shall be
38 treated as an overpayment of tax to be credited or refunded in accord-
39 ance with the provisions of section 11-526 of this chapter, provided,
40 however, that notwithstanding the requirements of section 11-528 of this
41 chapter to the contrary, no interest shall be paid thereon.

42 § 11-504 Taxable years to which tax applies; tax for taxable years
43 beginning prior to and ending after January first, nineteen hundred
44 sixty-six. (a) General. The tax imposed by section 11-503 of this
45 chapter, with any modification permitted by subdivision (b) of this
46 section, is imposed for each taxable year beginning with taxable years
47 ending on or after January first, nineteen hundred sixty-six.

48 (b) Alternate methods for determining tax for taxable years ending on
49 or after January first, nineteen hundred sixty-six. (1) The tax for any
50 taxable year ending on or after January first, nineteen hundred sixty-
51 six and before December thirty-first, nineteen hundred sixty-six, shall
52 be an amount equal to the tax which would have been imposed had section
53 11-503 of this chapter been in effect for the entire taxable year,
54 multiplied by the number of months, or major portions thereof, in such
55 taxable year which occur after December thirty-first, nineteen hundred

1 sixty-five and divided by the number of months, or major portions there-
2 of, in such taxable year.

3 (2) In lieu of the method of computation of tax prescribed in para-
4 graph one of this subdivision, if the taxpayer maintained adequate
5 records for the portion of any taxable year ending on or after January
6 first, nineteen hundred sixty-six, and before December thirty-first,
7 nineteen hundred sixty-six, which falls within the calendar year nine-
8 teen hundred sixty-six, the tax for such taxable year at the election of
9 the taxpayer may be computed on the basis of the unincorporated business
10 taxable income which the taxpayer would have reported had he or she
11 filed a federal income tax return for a taxable year beginning January
12 first, nineteen hundred sixty-six and ending with the close of such
13 taxable year ending before December thirty-first, nineteen hundred
14 sixty-six. Such taxable year beginning January first, nineteen hundred
15 sixty-six and ending before December thirty-first, nineteen hundred
16 sixty-six shall be deemed, unless clearly indicated otherwise, to be the
17 taxable year of the taxpayer. For purposes of this paragraph, the unin-
18 corporated business exemptions allowable under section 11-510 of this
19 chapter, the credit allowable under subdivision (b) of section 11-503 of
20 this chapter and any net operating loss deduction as modified pursuant
21 to subdivision (b) of section 11-507 of this chapter shall each be
22 reduced by the same part of such exemptions, credit, or net operating
23 loss deduction, as the case may be, as the number of months, or major
24 portions thereof, in the taxable year occurring before January first,
25 nineteen hundred sixty-six is of the number of months, or major portions
26 thereof, in such taxable year. Except as provided in paragraph two, the
27 tax for such period ending before December thirty-first, nineteen
28 hundred sixty-six, shall be computed in accordance with the other
29 provisions of this chapter.

30 § 11-505 Unincorporated business taxable income. The unincorporated
31 business taxable income of an unincorporated business shall be the
32 excess of its unincorporated business entire net income allocated to the
33 city, less the amount of:

34 (1) Its deductions under section 11-509 of this chapter not subject to
35 allocation; and

36 (2) Its unincorporated business exemptions under section 11-510 of
37 this chapter.

38 § 11-506 Unincorporated business gross income. (a) (1) General.
39 Unincorporated business gross income of an unincorporated business means
40 the sum of the items of income and gain of the business, of whatever
41 kind and in whatever form paid, includible in gross income for the taxa-
42 ble year for federal income tax purposes, including income and gain from
43 any property employed in the business, or from liquidation of the busi-
44 ness, or from collection of installment obligations of the business, or
45 from the sale or other disposition by an unincorporated entity of an
46 interest in another unincorporated entity if and to the extent such
47 income or gain is attributable to a trade, business, profession or occu-
48 pation carried on in whole or in part in the city by such other unincor-
49 porated entity, with the modifications specified in this section.

50 (2) The character of a partner's distributive share of gross income,
51 gains, losses and deductions of an unincorporated entity shall be deter-
52 mined as if such gross income, gains, losses and deductions were real-
53 ized directly by such partner regardless of how the interest in the
54 unincorporated entity was acquired and regardless of whether the
55 distributive share is proportionate to the partner's capital interest in
56 the unincorporated entity, provided, however, this paragraph shall not

1 apply to payments to a partner treated as occurring between the unincor-
2 porated entity and one who is not a partner under section seven hundred
3 seven of the internal revenue code, and provided, further, this para-
4 graph shall not affect the determination of whether gross income, gains,
5 losses or deductions of an unincorporated entity are subject to the tax
6 imposed by this chapter as realized from an unincorporated business.

7 (b) Modifications increasing federal gross income. There shall be
8 added to federal gross income of the business the following items
9 attributable to the business:

10 (1) Interest income on obligations of any state other than this state,
11 or of a political subdivision of any such other state unless created by
12 compact or agreement to which this state is a party.

13 (2) Interest or dividend income on obligations or securities of any
14 authority, commission, or instrumentality of the United States, which
15 the laws of the United States exempt from federal income tax but not
16 from state or local income taxes.

17 (3) In the case of a taxpayer who has exercised the election permitted
18 by subdivision (b) of section 11-509 of this chapter, if the property to
19 which such election relates was sold or otherwise disposed of during the
20 taxable year, the amount required by such subdivision to be added to
21 federal gross income.

22 (4) The entire amount allowable as an exclusion or deduction for stock
23 transfer taxes imposed by article twelve of the tax law in determining
24 federal gross income but only to the extent that such taxes are incurred
25 and paid in market making transactions.

26 (5) The amount allowed as an exclusion or deduction for sales and use
27 taxes imposed by section eleven hundred seven of the tax law in deter-
28 mining federal gross income but only such portion of such exclusion or
29 deduction which is not in excess of the amount of the credit allowed
30 pursuant to subdivision (d) of section 11-503 of this chapter.

31 (6) The amount allowed as an exclusion or deduction as rent in deter-
32 mining federal gross income but only such portion of such exclusion or
33 deduction which is not in excess of the amount of the credit allowed
34 pursuant to subdivision (e) of section 11-503 of this chapter.

35 (7) The amount allowed as an exclusion or deduction in determining
36 federal gross income but only such portion of such exclusion or
37 deduction which is not in excess of the amount of the credit allowed
38 pursuant to subdivision (f) of section 11-503 of this chapter.

39 (8) For taxable years beginning after December thirty-first, nineteen
40 hundred eighty-one, except with respect to property which is a qualified
41 mass commuting vehicle described in subparagraph (D) of paragraph eight
42 of subsection (f) of section one hundred sixty-eight of the internal
43 revenue code, relating to qualified mass commuting vehicles, any amount
44 which would properly be includible for federal income tax purposes had
45 the taxpayer not made the election permitted pursuant to such paragraph
46 eight as it was in effect for agreements entered into prior to January
47 first, nineteen hundred eighty-four.

48 (9) Upon the disposition of property to which subdivision (o) of
49 section 11-507 of this chapter applies, the amount, if any, by which the
50 aggregate of the amounts described in such subdivision fifteen attribut-
51 able to such property exceeds the aggregate of the amounts described in
52 subdivision (n) of section 11-507 of this chapter attributable to such
53 property.

54 (10) The amount allowed as an exclusion or deduction for sales and use
55 taxes imposed by section eleven hundred seven of the tax law in deter-
56 mining federal gross income, but only such portion of such exclusion or

1 deduction which is not in excess of the amount of the credit allowed
2 pursuant to subdivision (g) of section 11-503 of this chapter.

3 (12) The amount allowed as an exclusion or deduction for sales and use
4 taxes imposed by section eleven hundred seven of the tax law, or for any
5 interest imposed in connection therewith, in determining federal gross
6 income, but only such portion of such exclusion or deduction which is
7 not in excess of the amount of the credit allowed pursuant to subdivi-
8 sion (k) of section 11-503 of this chapter.

9 (13) Notwithstanding any other provision of this chapter to the
10 contrary, the amount allowed as an exclusion or deduction in determining
11 federal gross income of any loss, including but not limited to, losses
12 from notional principal contracts, losses, other than as a dealer, from
13 the holding, sale, disposition, assumption, offset or termination of a
14 position in, property, as defined in paragraph one of subdivision (c) of
15 section 11-502 of this chapter, or other substantially similar losses
16 from ordinary and routine trading or investment activity to the extent
17 determined by the commissioner of finance, realized in connection with
18 activities described in paragraph two of subdivision (c) of section
19 11-502 of this chapter if, and to the extent that, such activities are
20 not deemed an unincorporated business carried on by the taxpayer pursu-
21 ant to the provisions of subdivision (c) of section 11-502 of this chap-
22 ter.

23 (14) Notwithstanding any other provision of this chapter to the
24 contrary, in the case of a taxpayer that is an unincorporated entity
25 described in subparagraph (B) of paragraph four of subdivision (c) of
26 section 11-502 of this chapter, the amount allowed as an exclusion or
27 deduction in determining federal gross income of any loss realized from
28 the sale or other disposition of an interest in another unincorporated
29 entity if, and to the extent that, such loss is attributable to activ-
30 ities of such other unincorporated entity not deemed an unincorporated
31 business carried on by the taxpayer pursuant to the provisions of subdivi-
32 sion (c) of section 11-502 of this chapter.

33 (15) Notwithstanding any other provision of this chapter to the
34 contrary, the amount allowed as an exclusion or deduction in determining
35 federal gross income of any loss realized from the holding, leasing or
36 managing of real property if, and to the extent that, such holding,
37 leasing or managing of real property is not deemed an unincorporated
38 business carried on by the taxpayer pursuant to the provisions of subdivi-
39 sion (d) of section 11-502 of this chapter.

40 (16) Notwithstanding any other provision of this chapter to the
41 contrary, the amount allowed as an exclusion or deduction in determining
42 federal gross income of any loss realized from the provision by an
43 owner, lessee or fiduciary holding, leasing or managing real property of
44 the service of parking, garaging or storing of motor vehicles on a
45 monthly or longer term basis to tenants at such real property if, and to
46 the extent that, the provision of such services to such tenants is not
47 deemed an unincorporated business carried on by the taxpayer pursuant to
48 the provisions of subdivision (d) of section 11-502 of this chapter.

49 (17) For taxable years beginning in two thousand nineteen and two
50 thousand twenty, the amount of the increase in the federal interest
51 deduction allowed pursuant to section 163(j)(10) of the internal revenue
52 code.

53 (18) Notwithstanding any other provision of this chapter to the
54 contrary, for taxable years beginning before January first, two thousand
55 twenty-one, the amount of increase in the federal deduction allowed

1 pursuant to any amendment to section 461(l) of the internal revenue code
2 made after March first, two thousand twenty.

3 (c) Modifications reducing federal gross income. There shall be
4 subtracted from federal gross income of the business the following items
5 attributable to the business:

6 (1) Interest income on obligations of the United States and its
7 possessions to the extent includible in gross income for federal income
8 tax purposes;

9 (2) Interest or dividend income on obligations or securities of any
10 authority, commission or instrumentality of the United States to the
11 extent includible in gross income for federal income tax purposes but
12 exempt from state or local income taxes under the laws of the United
13 States;

14 (3) Interest or dividend income on obligations or securities to the
15 extent exempt from income tax under the laws of the city or this state
16 authorizing the issuance of such obligations or securities but includi-
17 ble in gross income for federal income tax purposes;

18 (3-a) Fifty percent of dividends to the extent includible in gross
19 income for federal income tax purposes and not subtracted under para-
20 graph two or three of this subdivision, provided, however, that there
21 shall be no subtraction pursuant to this paragraph for any portion of a
22 dividend from stock with respect to which a dividend deduction would be
23 disallowed by subsection (c) of section two hundred forty-six of the
24 internal revenue code if the unincorporated business were a corporation;

25 (4) The amount of any refund or credit for overpayment of income taxes
26 imposed by the city, this state or any other taxing jurisdiction, or the
27 tax imposed by article thirteen-A of the tax law, to the extent properly
28 included in gross income for federal tax purposes;

29 (5) With respect to gain derived from the sale or other disposition of
30 any property acquired prior to January first, nineteen hundred sixty-
31 six, except property described in subsections one and four of section
32 twelve hundred twenty-one of the internal revenue code, the difference
33 between:

34 (a) the amount of gain included in federal gross income with respect
35 to each such property, and

36 (b) the amount of gain, if smaller than the amount described in
37 subparagraph (a) of this paragraph, that would be included in federal
38 gross income with respect to each such property if the federal adjusted
39 basis of such property on the date of the sale or other disposition had
40 been equal to its fair market value on January first, nineteen hundred
41 sixty-six, or the date of its sale or other disposition prior to January
42 first, nineteen hundred sixty-six, plus or minus all adjustments to
43 basis made with respect to such property for federal income tax purposes
44 for periods on and after January first, nineteen hundred sixty-six;
45 provided, however, that the total modification provided by this subpara-
46 graph shall not exceed the taxpayer's net gain from the sale or other
47 disposition of all such property.

48 (6) For taxable years beginning after December thirty-first, nineteen
49 hundred eighty-one, except with respect to property which is a qualified
50 mass commuting vehicle described in subparagraph (D) of paragraph eight
51 of subsection (f) of section one hundred sixty-eight of the internal
52 revenue code, relating to qualified mass commuting vehicles, any amount
53 properly includible in federal gross income solely as a result of an
54 election made pursuant to the provisions of such paragraph eight as it
55 was in effect for agreements entered into prior to January first, nine-
56 teen hundred eighty-four.

1 (7) Upon the disposition of property to which subdivision (o) of
2 section 11-507 of this chapter applies, the amount, if any, by which the
3 aggregate of the amounts described in subdivision (n) of section 11-507
4 of this chapter attributable to such property exceeds the aggregate of
5 the amounts described in subdivision (o) of section 11-507 of this chap-
6 ter attributable to such property.

7 (8) Notwithstanding any other provision of this chapter to the contra-
8 ry, the amount of any income or gain, to the extent includible in gross
9 income for federal income tax purposes, realized from the holding, leas-
10 ing or managing of real property if, and to the extent that, such hold-
11 ing, leasing or managing of real property is not deemed an unincorporat-
12 ed business carried on by the taxpayer pursuant to the provisions of
13 subdivision (d) of section 11-502 of this chapter.

14 (9) Notwithstanding any other provision of this chapter to the contra-
15 ry, the amount of any income or gain, to the extent includible in gross
16 income for federal income tax purposes, including but not limited to,
17 dividends, interest, payments with respect to securities loans, income
18 from notional principal contracts, or income and gains, other than as a
19 dealer, from the holding, sale, disposition, assumption, offset or
20 termination of a position in, property, as defined in paragraph one of
21 subdivision (c) of section 11-502 of this chapter, or other substantial-
22 ly similar income from ordinary and routine trading or investment activ-
23 ity to the extent determined by the commissioner of finance, realized in
24 connection with activities described in paragraph two of subdivision (c)
25 of section 11-502 of this chapter if, and to the extent that, such
26 activities are not deemed an unincorporated business carried on by the
27 taxpayer pursuant to the provisions of subdivision (c) of section 11-502
28 of this chapter.

29 (10) Notwithstanding any other provision of this chapter to the
30 contrary, in the case of a taxpayer that is an unincorporated entity
31 described in subparagraph (B) of paragraph four of subdivision (c) of
32 section 11-502 of this chapter, the amount of any income or gain, to the
33 extent includible in gross income for federal income tax purposes, real-
34 ized from the sale or other disposition of an interest in another unin-
35 corporated entity if, and to the extent that, such income or gain is
36 attributable to activities of such other unincorporated entity not
37 deemed an unincorporated business carried on by the taxpayer pursuant to
38 the provisions of subdivision (c) of section 11-502 of this chapter.

39 (11) Notwithstanding any other provision of this chapter to the
40 contrary, the amount of any income or gain, to the extent includible in
41 gross income for federal income tax purposes, realized from the
42 provision by an owner, lessee or fiduciary holding, leasing or managing
43 real property of the service of parking, garaging or storing of motor
44 vehicles on a monthly or longer term basis to tenants at such real prop-
45 erty if, and to the extent that, the provision of such services to such
46 tenants is not deemed an unincorporated business pursuant to the
47 provisions of subdivision (d) of section 11-502 of this chapter.

48 (12) The amount of any grant received through either the COVID-19
49 pandemic small business recovery grant program, pursuant to section
50 sixteen-ff of the New York state urban development corporation act, or
51 the small business resilience grant program administered by the depart-
52 ment of small business services, to the extent the amount of either such
53 grant is included in federal taxable income.

54 (d) Upon the disposition of property to which subdivisions (t) and (u)
55 of section 11-507 of this chapter apply, the amount of any gain or loss

1 includible in entire net income shall be adjusted to reflect the modifi-
2 cations provided in such subdivisions attributable to such property.

3 (e) Related members expense add back. (1) Definitions. (A) Related
4 member. "Related member" means a related person as defined in subpara-
5 graph (c) of paragraph three of subsection (b) of section four hundred
6 sixty-five of the internal revenue code, except that "fifty percent"
7 shall be substituted for "ten percent".

8 (B) Effective rate of tax. "Effective rate of tax" means, as to any
9 city, the maximum statutory rate of tax imposed by the city on or meas-
10 ured by a related member's net income multiplied by the apportionment
11 percentage, if any, applicable to the related member under the laws of
12 said jurisdiction. For purposes of this definition, the effective rate
13 of tax as to any city is zero where the related member's net income tax
14 liability in said city is reported on a combined or consolidated return
15 including both the taxpayer and the related member where the reported
16 transactions between the taxpayer and the related member are eliminated
17 or offset. Also, for purposes of this definition, when computing the
18 effective rate of tax for a city in which a related member's net income
19 is eliminated or offset by a credit or similar adjustment that is
20 dependent upon the related member either maintaining or managing intan-
21 gible property or collecting interest income in such city, the maximum
22 statutory rate of tax imposed by such city shall be decreased to reflect
23 the statutory rate of tax that applies to the related member as effec-
24 tively reduced by such credit or similar adjustment.

25 (C) Royalty payments. Royalty payments are payments directly connected
26 to the acquisition, use, maintenance or management, ownership, sale,
27 exchange, or any other disposition of licenses, trademarks, copyrights,
28 trade names, trade dress, service marks, mask works, trade secrets,
29 patents and any other similar types of intangible assets as determined
30 by the commissioner of finance, and include amounts allowable as inter-
31 est deductions under section one hundred sixty-three of the internal
32 revenue code to the extent such amounts are directly or indirectly for,
33 related to or in connection with the acquisition, use, maintenance or
34 management, ownership, sale, exchange or disposition of such intangible
35 assets.

36 (D) Valid business purpose. A valid business purpose is one or more
37 business purposes, other than the avoidance or reduction of taxation,
38 which alone or in combination constitute the primary motivation for some
39 business activity or transaction, which activity or transaction changes
40 in a meaningful way, apart from tax effects, the economic position of
41 the taxpayer. The economic position of the taxpayer includes an increase
42 in the market share of the taxpayer, or the entry by the taxpayer into
43 new business markets.

44 (2) Royalty expense add backs. (A) For the purpose of computing unin-
45 corporated business entire net income, a taxpayer must add back royalty
46 payments directly or indirectly paid, accrued, or incurred in connection
47 with one or more direct or indirect transactions with one or more
48 related members during the taxable year to the extent deductible in
49 calculating federal taxable income.

50 (B) Exceptions. (i) The adjustment required in this subdivision shall
51 not apply to the portion of the royalty payment that the taxpayer estab-
52 lishes, by clear and convincing evidence of the type and in the form
53 specified by the commissioner of finance, meets all of the following
54 requirements: (I) the related member was subject to tax in this city or
55 another city within the United States or a foreign nation or some combi-
56 nation thereof on a tax base that included the royalty payment paid,

1 accrued or incurred by the taxpayer; (II) the related member during the
2 same taxable year directly or indirectly paid, accrued or incurred such
3 portion to a person that is not a related member; and (III) the trans-
4 action giving rise to the royalty payment between the taxpayer and the
5 related member was undertaken for a valid business purpose.

6 (ii) The adjustment required in this subdivision shall not apply if
7 the taxpayer establishes, by clear and convincing evidence of the type
8 and in the form specified by the commissioner of finance, that: (I) the
9 related member was subject to tax on or measured by its net income in
10 this city or another city within the United States, or some combination
11 thereof; (II) the tax base for said tax included the royalty payment
12 paid, accrued or incurred by the taxpayer; and (III) the aggregate
13 effective rate of tax applied to the related member in those jurisdic-
14 tions is no less than eighty percent of the statutory rate of tax that
15 applied to the taxpayer under section 11-503 of this chapter for the
16 taxable year.

17 (iii) The adjustment required in this subdivision shall not apply if
18 the taxpayer establishes, by clear and convincing evidence of the type
19 and in the form specified by the commissioner of finance, that: (I) the
20 royalty payment was paid, accrued or incurred to a related member organ-
21 ized under the laws of a country other than the United States; (II) the
22 related member's income from the transaction was subject to a comprehen-
23 sive income tax treaty between such country and the United States; (III)
24 the related member was subject to tax in a foreign nation on a tax base
25 that included the royalty payment paid, accrued or incurred by the
26 taxpayer; (IV) the related member's income from the transaction was
27 taxed in such country at an effective rate of tax at least equal to that
28 imposed by this city; and (V) the royalty payment was paid, accrued or
29 incurred pursuant to a transaction that was undertaken for a valid busi-
30 ness purpose and using terms that reflect an arm's length relationship.

31 (iv) The adjustment required in this subdivision shall not apply if
32 the taxpayer and the commissioner of finance agree in writing to the
33 application or use of alternative adjustments or computations. The
34 commissioner of finance may, in his or her discretion, agree to the
35 application or use of alternative adjustments or computations when he or
36 she concludes that in the absence of such agreement the income of the
37 taxpayer would not be properly reflected.

38 (f) Upon the disposition of property to which subdivisions (w) and (x)
39 of section 11-507 of this chapter apply, the amount of any gain or loss
40 includible in unincorporated business gross income shall be adjusted to
41 reflect the modifications provided in such subdivisions attributable to
42 such property.

43 § 11-507 Unincorporated business deductions. The unincorporated busi-
44 ness deductions of an unincorporated business means the items of loss
45 and deduction directly connected with or incurred in the conduct of the
46 business, which are allowable for federal income tax purposes for the
47 taxable year, including losses and deductions connected with any proper-
48 ty employed in the business, with the following modifications:

49 (a) A deduction shall be allowed for charitable contributions of the
50 unincorporated business, to the extent that such contributions would be
51 deductible for federal income tax purposes if made by a corporation, but
52 not in excess of five per centum of the amount by which the unincorpo-
53 rated business gross income exceeds the sum of (A) the unincorporated
54 business deductions computed without the benefit of any deduction for
55 charitable contributions and (B) the deduction allowed under subdivision

1 (b) of section 11-509 of this chapter, where the election permitted by
2 such subdivision has been exercised.

3 (b) (1) A deduction shall be allowed for net operating losses incurred
4 by the unincorporated business, except as otherwise provided by para-
5 graph two of this subdivision, in an amount computed in the same manner
6 as the net operating loss deduction which would be allowed for the taxa-
7 ble year for federal income tax purposes if the unincorporated business
8 were an individual taxpayer, but determined solely by reference to the
9 unincorporated business gross income and unincorporated business
10 deductions, allocated to the city, of the unincorporated business;
11 provided, however, that such net operating loss deduction which would be
12 allowed for the taxable year for federal income tax purposes shall for
13 purposes of this paragraph be determined as if the unincorporated busi-
14 ness had elected under section one hundred seventy-two of the internal
15 revenue code to relinquish the entire carryback period with respect to
16 net operating losses, except with respect to the first ten thousand
17 dollars of each of such losses, sustained during taxable years ending
18 after June thirtieth, nineteen hundred eighty-nine. Such deduction shall
19 not include any net operating loss sustained during any taxable year
20 beginning prior to January first, nineteen hundred sixty-six and for the
21 purposes of this paragraph a net operating loss shall be determined
22 without regard to any deductions allowed pursuant to subdivision (b) of
23 section 11-509 of this chapter and any net operating loss for a taxable
24 year beginning in nineteen hundred eighty-one shall be computed without
25 regard to the deduction allowed with respect to recovery property under
26 section one hundred sixty-eight of the internal revenue code; in lieu of
27 such deduction, a taxpayer shall be allowed for such taxable year with
28 respect to such property the depreciation deduction allowable under
29 section one hundred sixty-seven of such internal revenue code as such
30 section was in full force and effect on December thirty-first, nineteen
31 hundred eighty.

32 (2) In the case of a partnership, no net operating loss carryback or
33 carryover to any taxable year shall be allowed unless one or more of the
34 partners during such taxable year were persons having a proportionate
35 interest or interests, amounting to at least eighty percent of all such
36 interests, in the unincorporated business gross income and unincorporat-
37 ed business deductions of the partnership which sustained the loss for
38 which a carryback or carryover is claimed. In such event, the carryback
39 or carryover allowable on account of such loss shall not exceed the
40 percentage of the amount otherwise allowable, determined by dividing (A)
41 the sum of the proportionate interests in the unincorporated business
42 gross income and unincorporated business deductions of the partnership,
43 for the year to which the loss is carried back or carried over, attrib-
44 utable to such partners, by (B) the sum of such proportionate interests
45 owned by all partners for such taxable year. The amount by which the
46 carryback or carryover otherwise allowable exceeds the amount allowable
47 pursuant to the preceding sentence shall not be a carryback or carryover
48 to any other taxable year.

49 (3) Notwithstanding any other provision of this chapter to the contra-
50 ry, for taxable years beginning before January first, two thousand twen-
51 ty-one, any amendment to section one hundred seventy-two of the internal
52 revenue code made after March first, two thousand twenty shall not apply
53 to this chapter.

54 (c) No deduction shall be allowed, except as provided in section
55 11-509 of this chapter for amounts paid or incurred to a proprietor or
56 partner for services or for use of capital.

1 (d) No deduction shall be allowed for income taxes imposed by the
2 city, this state or any other taxing jurisdiction, or the tax imposed by
3 article thirteen-A of the tax law.

4 (e) No deduction shall be allowed for (A) interest on indebtedness
5 incurred or continued to purchase or carry obligations or securities the
6 interest on which is exempt from tax under this chapter; (B) expenses
7 paid or incurred for the production or collection of such income or the
8 management, conservation or maintenance of property held for the
9 production of such income; or (C) the amortizable bond premium on any
10 bond the interest income from which is so exempt.

11 (f) No deduction shall be allowed in respect of the excess of net
12 long-term capital gain over net short-term capital loss, but capital
13 losses incurred in the unincorporated business shall be treated as ordi-
14 nary losses and shall be allowed in full.

15 (g) In the case of a taxpayer who has exercised the election permitted
16 by subdivision (b) of section 11-509 of this chapter, no deduction shall
17 be allowed for expenditures with reference to the property to which such
18 election relates, or for depreciation of such property, except as
19 permitted by said subdivision.

20 (h) A deduction shall be allowed, to the extent not allowable for
21 federal income tax purposes, for (A) interest on indebtedness incurred
22 or continued to purchase or carry obligations or securities the interest
23 on which is subject to tax under this chapter but exempt from federal
24 income tax; (B) ordinary and necessary expenses paid or incurred during
25 the taxable year for the production or collection of such income or the
26 management, conservation or maintenance of property held for the
27 production of such income; and (C) the amortizable bond premium for the
28 taxable year on any bond the interest on which is subject to tax under
29 this chapter but exempt from federal income tax.

30 (i) At the election of the taxpayer, a deduction shall be allowed for
31 expenditures paid or incurred during the taxable year for the
32 construction, reconstruction, erection or improvement of industrial
33 waste treatment facilities and air pollution control facilities.

34 (1) (A) The term "industrial waste treatment facilities" shall mean
35 facilities for the treatment, neutralization or stabilization of indus-
36 trial waste, as the term "industrial waste" is defined in section
37 17-0105 of the environmental conservation law, from a point immediately
38 preceding the point of such treatment, neutralization or stabilization
39 to the point of disposal, including the necessary pumping and transmit-
40 ting facilities, but excluding such facilities installed for the primary
41 purpose of salvaging materials which are usable in the manufacturing
42 process or are marketable.

43 (B) The term "air pollution control facilities" shall mean facilities
44 which remove, reduce, or render less noxious air contaminants emitted
45 from an air contamination source, as the terms "air contaminant" and
46 "air contamination source" are defined in section 19-0107 of the envi-
47 ronmental conservation law, from a point immediately preceding the point
48 of such removal, reduction or rendering to the point of discharge of
49 air, meeting emission standards as established by the air pollution
50 control board, but excluding such facilities installed for the primary
51 purpose of salvaging materials which are usable in the manufacturing
52 process or are marketable and excluding those facilities which rely for
53 their efficacy on dilution, dispersion or assimilation of air contam-
54 inants in the ambient air after emission.

55 (2) However, such deduction shall be allowed only (A) with respect to
56 tangible property which is depreciable, pursuant to section one hundred

1 sixty-seven of the internal revenue code, having a situs in the city and
2 used in the taxpayer's trade or business, the construction, recon-
3 struction, erection or improvement of which, in the case of industrial
4 waste treatment facilities, is initiated on or after January first,
5 nineteen hundred sixty-six, and only for expenditures paid or incurred
6 prior to January first, nineteen hundred seventy-two, or which, in the
7 case of air pollution control facilities, is initiated on or after Janu-
8 ary first, nineteen hundred sixty-six, and

9 (B) on condition that such facilities have been certified by the state
10 commissioner of environmental conservation or his or her designated
11 representative, in the same manner as provided in either section 17-0707
12 or 19-0309 of the environmental conservation law, as applicable, as
13 complying with the provision of the environmental conservation law, the
14 sanitary code and regulations, permits or orders promulgated pursuant
15 thereto, and

16 (C) on condition that for the taxable year and all succeeding taxable
17 years, no deduction for such expenditures or for depreciation of the
18 same property allowed for federal income tax purposes shall be allowed
19 under this chapter, except to the extent that the basis of the property
20 may be attributable to factors other than such expenditures, or in case
21 a deduction is allowable pursuant to this subdivision, for only a part
22 of such expenditures, on condition that any deduction allowed for feder-
23 al income tax purposes for such expenditures or for depreciation of the
24 same property be proportionately reduced in computing unincorporated
25 business deductions for the taxable year and all succeeding taxable
26 years, and

27 (D) where the election provided for in subdivision (b) of section
28 11-509 of this chapter has not been exercised in respect to the same
29 property.

30 (3) (A) If expenditures in respect to an industrial waste treatment
31 facility or an air pollution control facility have been deducted as
32 provided herein and if within ten years from the end of the taxable year
33 in which such deduction was allowed such property or any part thereof is
34 used for the primary purpose of salvaging materials which are usable in
35 the manufacturing process or are marketable, the taxpayer shall report
36 such change of use in its return for the first taxable year during which
37 it occurs, and the commissioner of finance may recompute the tax for the
38 year or years for which such deduction was allowed and any carryback or
39 carryover year, and may assess any additional tax resulting from such
40 recomputation within the time fixed by paragraph eight of subdivision
41 (c) of section 11-523 of this chapter.

42 (B) If a deduction is allowed as herein provided for expenditures paid
43 or incurred during any taxable year on the basis of a temporary certif-
44 icate of compliance issued pursuant to the public health law, and if the
45 taxpayer fails to obtain a permanent certificate of compliance upon
46 completion of the facilities with respect to which such temporary
47 certificate was issued, the taxpayer shall report such failure in its
48 report for the taxable year during which such facilities are completed,
49 and the commissioner of finance may recompute the tax for the year or
50 years for which such deduction was allowed and any carryback or carry-
51 over year, and may assess any additional tax resulting from such recom-
52 putation within the time fixed by paragraph eight of subdivision (c) of
53 section 11-523 of this chapter.

54 (4) In any taxable year when property is sold or otherwise disposed
55 of, with respect to which a deduction has been allowed pursuant to this
56 subdivision, such deduction shall be disregarded in computing gain or

1 loss, and the gain or loss on the sale or other disposition of such
2 property shall be the gain or loss allowable for federal income tax
3 purposes for such taxable year.

4 (j) In the case of mines, oil and gas wells and other natural depos-
5 its, no deduction of any allowance for percentage depletion pursuant to
6 section six hundred thirteen or section six hundred thirteen A of the
7 internal revenue code of nineteen hundred fifty-four, as amended, shall
8 be allowed. However, an allowance for depletion with respect to such
9 property shall be deductible in the amount which would be allowable
10 under section six hundred eleven of such internal revenue code if such
11 deduction were computed without reference to such section six hundred
12 thirteen or section six hundred thirteen A of such code. With respect to
13 the computation of depletion pursuant to this section, the basis for
14 such computation for taxable years beginning in nineteen hundred seven-
15 ty-two shall be the federal basis. For subsequent taxable years, the
16 basis of such computation shall be reduced only by the deduction for the
17 allowance for depletion deductible pursuant to this section. In any
18 taxable year when any such property is sold or otherwise disposed of,
19 with respect to which a deduction has been allowed pursuant to this
20 subdivision, the gain or loss thereon entering into the computation of
21 federal taxable income shall be disregarded in computing unincorporated
22 business taxable income and there shall be added to or subtracted from
23 federal gross income, so modified, the gain or loss upon such sale or
24 other disposition. In computing such gain or loss, the basis of the
25 property sold or disposed of shall be adjusted to reflect the deduction
26 allowed with respect to such property pursuant to this subdivision.

27 (k) A deduction shall be allowed for that portion of wages and sala-
28 ries paid or incurred for the taxable year for which a deduction is not
29 allowed pursuant to the provisions of section two hundred eighty-C of
30 the internal revenue code.

31 (l) For taxable years beginning after December thirty-first, nineteen
32 hundred eighty-one, except with respect to property which is a qualified
33 mass commuting vehicle described in subparagraph (D) of paragraph eight
34 of subsection (f) of section one hundred sixty-eight of the internal
35 revenue code, relating to qualified mass commuting vehicles, a deduction
36 shall be allowed for any amount which the taxpayer could have excluded
37 for purposes of this chapter had it not made the election provided for
38 in such paragraph eight as it was in effect for agreements entered into
39 prior to January first, nineteen hundred eighty-four.

40 (m) For taxable years beginning after December thirty-first, nineteen
41 hundred eighty-one, except with respect to property which is a qualified
42 mass commuting vehicle described in subparagraph (D) of paragraph eight
43 of subsection (f) of section one hundred sixty-eight of the internal
44 revenue code, relating to qualified mass commuting vehicles, no
45 deduction shall be allowed for any amount deductible for federal income
46 tax purposes solely as a result of an election made pursuant to the
47 provisions of such paragraph eight as it was in effect for agreements
48 entered into prior to January first, nineteen hundred eighty-four.

49 (n) In the case of property placed in service in taxable years begin-
50 ning before nineteen hundred ninety-four, for taxable years beginning
51 after December thirty-first, nineteen hundred eighty-one, except with
52 respect to property subject to the provisions of section two hundred
53 eighty-F of the internal revenue code and property subject to the
54 provisions of section one hundred sixty-eight of the internal revenue
55 code which is placed in service in this state in taxable years beginning
56 after December thirty-first, nineteen hundred eighty-four, no deduction

1 shall be allowed for the amount allowable as a deduction determined
2 under section one hundred sixty-eight of the internal revenue code.

3 (o) In the case of property placed in service in taxable years begin-
4 ning before nineteen hundred ninety-four, for taxable years beginning
5 after December thirty-first, nineteen hundred eighty-one, except with
6 respect to property subject to the provisions of section two hundred
7 eighty-F of the internal revenue code and property subject to the
8 provisions of section one hundred sixty-eight of the internal revenue
9 code which is placed in service in this state in taxable years beginning
10 after December thirty-first, nineteen hundred eighty-four, and provided
11 a deduction has not been disallowed pursuant to subdivision (m) of this
12 section, a taxpayer shall be allowed with respect to property which is
13 subject to the provisions of section one hundred sixty-eight of the
14 internal revenue code the depreciation deduction allowable under section
15 one hundred sixty-seven of the internal revenue code as such section
16 would have applied to property placed in service on December thirty-
17 first, nineteen hundred eighty.

18 (p) Notwithstanding any other provision of this chapter to the contra-
19 ry, no deduction shall be allowed for interest, depreciation or any
20 other expense directly or indirectly attributable to the holding, leas-
21 ing or managing of real property or to income or gain therefrom if, and
22 to the extent that, such holding, leasing or managing of real property
23 is not deemed an unincorporated business carried on by the taxpayer
24 pursuant to the provisions of subdivision (d) of section 11-502 of this
25 chapter.

26 (q) Notwithstanding any other provision of this chapter to the contra-
27 ry, no deduction shall be allowed for any expenses directly or indirect-
28 ly attributable to activities described in paragraph two of subdivision
29 (c) of section 11-502 of this chapter if, and to the extent that, such
30 activities are not deemed an unincorporated business carried on by the
31 taxpayer pursuant to the provisions of subdivision (c) of section 11-502
32 of this chapter.

33 (r) Notwithstanding any other provision of this chapter to the contra-
34 ry, in the case of a taxpayer that is an unincorporated entity described
35 in subparagraph (B) of paragraph four of subdivision (c) of section
36 11-502 of this chapter, no deduction shall be allowed for any losses or
37 expenses directly or indirectly attributable to the sale or other dispo-
38 sition of an interest in another unincorporated entity if, and to the
39 extent that, such losses or expenses are attributable to activities of
40 such other unincorporated entity not deemed an unincorporated business
41 carried on by the taxpayer pursuant to the provisions of subdivision (c)
42 of section 11-502 of this chapter.

43 (s) Notwithstanding any other provision of this chapter to the contra-
44 ry, no deduction shall be allowed for interest, depreciation or any
45 other expense directly or indirectly attributable to the provision by an
46 owner, lessee or fiduciary holding, leasing or managing real property of
47 the service of parking, garaging or storing of motor vehicles on a
48 monthly or longer term basis to tenants at such real property if, and to
49 the extent that, the provision of such services to such tenants is not
50 deemed an unincorporated business pursuant to the provisions of subdivi-
51 sion (d) of section 11-502 of this chapter.

52 (t) For taxable years ending after September tenth, two thousand one,
53 in the case of qualified property described in paragraph two of
54 subsection k of section one hundred sixty-eight of the internal revenue
55 code, other than qualified New York Liberty Zone property described in
56 paragraph two of subsection b of section fourteen hundred L of the

1 internal revenue code, without regard to clause (i) of subparagraph (C)
2 of such paragraph, no deduction shall be allowed for the amount allow-
3 able as a deduction under section one hundred sixty-seven of the inter-
4 nal revenue code.

5 (u) For taxable years ending after September tenth, two thousand one,
6 in the case of qualified property described in paragraph two of
7 subsection k of section one hundred sixty-eight of the internal revenue
8 code other than qualified New York Liberty Zone property described in
9 paragraph two of subsection b of section fourteen hundred L of the
10 internal revenue code, without regard to clause (i) of subparagraph (C)
11 of such paragraph, a deduction shall be allowed with respect to such
12 property equal to the depreciation deduction allowable under section one
13 hundred sixty-seven of the internal revenue code as such section would
14 have applied to such property had it been acquired by the taxpayer on
15 September tenth, two thousand one, provided, however, that for taxable
16 years beginning on or after January first, two thousand four, in the
17 case of a passenger motor vehicle or a sport utility vehicle subject to
18 the provisions of subdivision (w) of this section, the limitation under
19 clause (i) of subparagraph (A) of paragraph one of subdivision (a) of
20 section two hundred eighty-F of the internal revenue code applicable to
21 the amount allowed as a deduction under this paragraph shall be deter-
22 mined as of the date such vehicle was placed in service and not as of
23 September tenth, two thousand one.

24 (v) For taxable years beginning on or after January first, two thou-
25 sand four, in the case of a taxpayer that is not an eligible farmer as
26 defined in subsection (n) of section six hundred six of the tax law, no
27 deduction shall be allowed for the amounts allowable as a deduction
28 under sections one hundred seventy-nine, one hundred sixty-seven and one
29 hundred sixty-eight of the internal revenue code with respect to a sport
30 utility vehicle that is not a passenger automobile as defined in para-
31 graph five of subsection (d) of section two hundred eighty-F of the
32 internal revenue code.

33 (w) For taxable years beginning on or after January first, two thou-
34 sand four, in the case of a taxpayer that is not an eligible farmer as
35 defined in subsection (n) of section six hundred six of the tax law, a
36 deduction shall be allowed with respect to a sport utility vehicle that
37 is not a passenger automobile as defined in paragraph five of subsection
38 (d) of section two hundred eighty-F of the internal revenue code equal
39 to the amounts allowable as a deduction under sections one hundred
40 seventy-nine, one hundred sixty-seven and one hundred sixty-eight of the
41 internal revenue code, determined as if such sport utility vehicle were
42 a passenger automobile as defined in such paragraph five.

43 § 11-508 Allocation to the city. (a) General; allocation of business
44 income. If an unincorporated business is carried on both within and
45 without the city, as determined under regulations of the commissioner of
46 finance, there shall be allocated to the city, in the manner provided in
47 subdivision (b), (c) or (d) of this section, a fair and equitable
48 portion of its business income. For taxable years beginning before July
49 first, nineteen hundred ninety-six, if the unincorporated business has
50 no regular place of business outside the city, all of such business
51 income shall be allocated to the city.

52 (b) (1) Allocation by taxpayer's books. For taxable years beginning
53 before January first, two thousand five, the portion allocable to the
54 city may be determined from the books of the business if the methods
55 used in keeping such books are approved by the commissioner of finance
56 as fairly and equitably reflecting the income from the city.

1 (2)(i) If a taxpayer determines the portion of business income to be
2 allocated to the city using the method prescribed in paragraph one of
3 this subdivision on a timely filed original return with respect to each
4 of the two taxable years, each of which must consist of twelve months,
5 immediately preceding the taxpayer's first taxable year beginning on or
6 after January first, two thousand five, the taxpayer may make a one-time
7 election to continue to use that method for taxable years beginning on
8 or after January first, two thousand five and before January first, two
9 thousand twelve. Such election shall be made by using the method
10 prescribed in paragraph one of this subdivision on an original timely
11 filed return with respect to the first taxable year beginning on or
12 after January first, two thousand five and before January first, two
13 thousand six. Such election may not be made, or if made, shall be deemed
14 revoked as of the beginning of the taxable year if, for either of the
15 two taxable years immediately preceding the year in which the election
16 is made, the commissioner of finance has determined the methods used in
17 keeping such books do not fairly and equitably reflect the income from
18 the city.

19 (ii) (A) A taxpayer that has made the election provided for in subpar-
20 agraph (i) of this paragraph may revoke it by filing an original or
21 amended return using an allocation method permitted by this section
22 other than the method prescribed in paragraph one of this subdivision
23 unless the commissioner of finance has determined that such method does
24 not fairly and equitably reflect the income from the city.

25 (B) The election provided for in subparagraph (i) of this paragraph
26 shall be deemed to have been revoked as of the beginning of the taxable
27 year if, for any taxable year during which the election is intended to
28 be in effect, the commissioner of finance has determined that the meth-
29 ods used in keeping the taxpayer's books do not fairly and equitably
30 reflect the income from the city.

31 (C) In the case of a taxpayer that is a partnership or other unincor-
32 porated entity, the election provided for in subparagraph (i) of this
33 paragraph shall be deemed to have been revoked as of the beginning of
34 the taxable year unless one or more of the persons having a propor-
35 tionate interest or interests, amounting to more than fifty percent of
36 all such interests, in the taxpayer's unincorporated business gross
37 income and unincorporated business deductions for such taxable year were
38 persons having a proportionate interest or interests, amounting to more
39 than fifty percent of all such interests, in the taxpayer's unincorpo-
40 rated business gross income and unincorporated business deductions at
41 the end of the taxpayer's last taxable year beginning before January
42 first, two thousand five. For purposes of this clause, a transfer of an
43 ownership interest in unincorporated business gross income or unincorpo-
44 rated business deductions upon the death of a partner or owner to such
45 deceased partner's or owner's estate shall be disregarded but transfers
46 by such decedent's estate shall not be disregarded.

47 (D) Once the election provided for in subparagraph (i) of this para-
48 graph has been revoked by the taxpayer pursuant to clause (A) or deemed
49 revoked pursuant to clauses (B) or (C) of this subparagraph, the taxpay-
50 er shall be barred from using the method prescribed in paragraph one of
51 this subdivision for the taxable year in which the election has been
52 revoked or deemed revoked and any subsequent taxable year.

53 (c) Allocation by formula. If subdivision (b) does not apply to the
54 taxpayer, the portion allocable to the city shall be determined by
55 multiplying (A) the business income by (B) a business allocation
56 percentage to be determined by adding together the percentages computed

1 under paragraphs one, two and three of this subdivision, and dividing
2 the result by the number of percentages; provided, however, that for
3 taxable years beginning on or after July first, nineteen hundred nine-
4 ty-six, a taxpayer that is a "manufacturing business," as defined in
5 subdivision (g) of this section, may determine its business allocation
6 percentage as provided in such subdivision (g):

7 (1) Property percentage. The percentage computed by dividing (A) the
8 average of the value, at the beginning and end of the taxable year, of
9 real and tangible personal property connected with the unincorporated
10 business and located within the city, by (B) the average of the value,
11 at the beginning and end of the taxable year, of all real and tangible
12 personal property connected with the unincorporated business and located
13 both within and without the city. For this purpose, for taxable years
14 beginning before January first, two thousand five, real property shall
15 include real property rented to the unincorporated business and, for
16 this purpose, for taxable years beginning on and after January first,
17 two thousand five, real and tangible personal property shall include
18 real and tangible personal property rented to the unincorporated busi-
19 ness and the value of such real and tangible personal property rented to
20 the unincorporated business shall mean the product of (i) eight and (ii)
21 the gross rents payable for the rental of such property during the taxa-
22 ble year.

23 (2) Payroll percentage. The percentage computed by dividing (A) the
24 total wages, salaries and other personal service compensation paid or
25 incurred during the taxable year to employees in connection with the
26 unincorporated business carried on within the city, by (B) the total of
27 all wages, salaries and other personal service compensation paid or
28 incurred during the taxable year to employees in connection with the
29 unincorporated business carried on both within and without the city.

30 (3) Gross income percentage. The percentage computed by dividing (A)
31 the gross sales or charges for services performed by or through an agen-
32 cy located within the city, by (B) the total of all gross sales or
33 charges for services performed within and without the city. The sales or
34 charges to be allocated to the city shall include all sales negotiated
35 or consummated, and charges for services performed, by an employee,
36 agent, agency or independent contractor chiefly situated at, connected
37 by contract or otherwise with, or sent out from, offices of the unincor-
38 porated business, or other agencies, situated within the city; provided,
39 however, that for taxable years beginning on or after July first, nine-
40 teen hundred ninety-six, sales of tangible personal property shall not
41 be allocated to the city as provided in this paragraph, but shall be
42 allocated to the city only where shipments are made to points within the
43 city, and provided, further, that:

44 (A) for taxable years beginning on or after July first, two thousand
45 five, for taxpayers having gross receipts for the taxable year, deter-
46 mined without regard to any deductions, of less than one hundred thou-
47 sand dollars, charges for services performed shall be allocated to the
48 city to the extent that the services are performed within the city;

49 (B) for taxable years beginning on or after July first, two thousand
50 six, for taxpayers having gross receipts for the taxable year, deter-
51 mined without regard to any deductions, of less than three hundred thou-
52 sand dollars, charges for services performed shall be allocated to the
53 city to the extent that the services are performed within the city; and

54 (C) for taxable years beginning on or after July first, two thousand
55 seven, for all other taxpayers, charges for services performed shall be

1 allocated to the city to the extent that the services are performed
2 within the city.

3 (d) Other allocation methods. The portion allocable to the city shall
4 be determined in accordance with rules and regulations of the commis-
5 sioner of finance if it shall appear to the commissioner of finance that
6 the income from the city is not fairly and equitably reflected under the
7 provisions of either subdivision (b) or subdivision (c) of this section.

8 (e) Special rules for real estate. Income and deductions from the
9 rental of real property, and gain and loss from the sale, exchange or
10 other disposition of real property, shall not be subject to allocation
11 under subdivision (b), (c), or (d) of this section, but shall be consid-
12 ered as entirely derived from or connected with the state, other than
13 this state, in which such property is located or, if such property is
14 located in this state, the political subdivision thereof. To the extent
15 that anything in this subdivision is inconsistent with any provision of
16 subdivision (d) of section 11-502, subdivision (c) of section 11-506 or
17 subdivision (p) of section 11-507 of this chapter, the provisions of
18 such subdivisions shall take precedence over the provisions of this
19 subdivision.

20 (e-1) Special rules for publishers and broadcasters. (1) Notwithstand-
21 ing anything in paragraph three of subdivision (c) of this section to
22 the contrary and except as provided in paragraph four of this subdivi-
23 sion, in the case of a taxpayer engaged in the business of publishing
24 newspapers or periodicals, there shall be allocated to the city, for
25 purposes of such paragraph three, the gross sales or charges for
26 services arising from sales of subscriptions to, and advertising
27 contained in, such newspapers or periodicals, to the extent that such
28 newspapers or periodicals are delivered to points within the city.

29 (2) Notwithstanding anything in paragraph three of subdivision (c) of
30 this section to the contrary and except as provided in paragraph four of
31 this subdivision, in the case of a taxpayer engaged in the business of
32 broadcasting radio or television programs, whether through the public
33 airwaves or by cable, direct or indirect satellite transmission, or any
34 other means of transmission, there shall be allocated to the city, for
35 purposes of such paragraph three, a portion of the gross sales or charg-
36 es for services arising from the sale of subscriptions to such programs
37 or from the broadcasting of such programs and of commercial messages in
38 connection therewith, such portion to be determined according to the
39 number of listeners or viewers within and without the city.

40 (3) Notwithstanding anything in this section, other than subdivision
41 (e) of this section, to the contrary, in the case of a taxpayer that is
42 substantially engaged, in the aggregate, in any combination of the busi-
43 nesses referred to in paragraphs one, two and four of this subdivision,
44 the portion of business income allocable to the city shall be determined
45 in accordance with the provisions of subdivision (c) of this section, as
46 modified by paragraphs one, two and four of this subdivision, unless the
47 commissioner of finance determines that the business income from the
48 city is not fairly and equitably reflected under the provisions of such
49 subdivision (c), in which event the provisions of subdivision (d) of
50 this section shall apply in determining the portion of business income
51 allocable to the city and the provisions of subdivision (b) of this
52 section shall not apply. For purposes of this subdivision, a taxpayer
53 shall be deemed to be substantially engaged in a business or businesses
54 referred to in such paragraphs one and two if more than ten percent of
55 the taxpayer's gross receipts for the taxable year are attributable to
56 such business or businesses.

1 (4) Notwithstanding anything in paragraph one or two of this subdivi-
2 sion to the contrary, for taxable years beginning on or after January
3 first, two thousand two, in the case of a taxpayer engaged in the busi-
4 ness of publishing newspapers or periodicals, or broadcasting radio or
5 television programs, whether through the public airwaves or by cable,
6 direct or indirect satellite transmission, or any other means of trans-
7 mission, there shall be allocated to the city, for purposes of paragraph
8 three of subdivision (c) of this section, the gross sales or charges to
9 subscribers located in the city for subscriptions to such newspapers,
10 periodicals, or program services. For purposes of this paragraph, a
11 subscriber shall be deemed located in the city if, in the case of news-
12 papers and periodicals, the mailing address for the subscription is
13 within the city and, in the case of program services, the billing
14 address for the subscription is within the city. For purposes of this
15 clause, "subscriber" shall mean a member of the general public who
16 receives such newspapers, periodicals or program services and does not
17 further distribute them.

18 (e-2) Rules for receipts from certain services to investment compa-
19 nies. (1) For taxable years beginning on or after January first, two
20 thousand one, for purposes of paragraph three of subdivision (c) of this
21 section, the portion of receipts received from an investment company
22 arising from the sale of management, administration or distribution
23 services to such investment company determined in accordance with para-
24 graph two of this subdivision shall be deemed to arise from services
25 performed within the city, such portion referred to herein as the Staten
26 Island city portion.

27 (2) The Staten Island city portion shall be the product of the total
28 of such receipts from the sale of such services and a fraction. The
29 numerator of that fraction is the sum of the monthly percentages, as
30 defined hereinafter, determined for each month of the investment compa-
31 ny's taxable year for federal income tax purposes which taxable year
32 ends within the taxable year of the taxpayer, but excluding any month
33 during which the investment company had no outstanding shares. The
34 monthly percentage for each such month is determined by dividing the
35 number of shares in the investment company which are owned on the last
36 day of the month by shareholders that are domiciled in the city by the
37 total number of shares in the investment company outstanding on that
38 date. The denominator of the fraction is the number of such monthly
39 percentages.

40 (3)(A) For purposes of this subdivision the term "domicile", in the
41 case of an individual shall have the meaning ascribed to it under chap-
42 ter seventeen of this title; an estate or trust is domiciled in the city
43 if it is a city resident estate or trust as defined in paragraph three
44 of subdivision (b) of section 11-1705 of the code of the proceeding
45 municipality; a business entity is domiciled in the city if the location
46 of the actual seat of management or control is in the city. It shall be
47 presumed that the domicile of a shareholder, with respect to any month,
48 is his, her or its mailing address on the records of the investment
49 company as of the last day of such month.

50 (B) For purposes of this subdivision, the term "investment company"
51 means a regulated investment company, as defined in section eight
52 hundred fifty-one of the internal revenue code, and a partnership to
53 which subdivision (a) of section seven thousand seven hundred four of
54 the internal revenue code applies, by virtue of paragraph three of
55 subdivision (c) of section seven thousand seven hundred four of such
56 code, and that meets the requirements of subdivision (b) of section

1 eight hundred fifty-one of such code. The provisions of this subpara-
2 graph shall be applied to the taxable year for federal income tax
3 purposes of the business entity that is asserted to constitute an
4 investment company that ends within the taxable year of the taxpayer.

5 (C) For purposes of this subdivision, the term "receipts from an
6 investment company" includes amounts received directly from an invest-
7 ment company as well as amounts received from the shareholders in such
8 investment company in their capacity as such.

9 (D) For purposes of this subdivision, the term "management services"
10 means the rendering of investment advice to an investment company,
11 making determinations as to when sales and purchases of securities are
12 to be made on behalf of an investment company, or the selling or
13 purchasing of securities constituting assets of an investment company,
14 and related activities, but only where such activity or activities are
15 performed pursuant to a contract with the investment company entered
16 into pursuant to subdivision (a) of section fifteen of the federal
17 investment company act of nineteen hundred forty, as amended.

18 (E) For purposes of this subdivision, the term "distribution services"
19 means the services of advertising, servicing investor accounts, includ-
20 ing redemptions, marketing shares or selling shares of an investment
21 company, but, in the case of advertising, servicing investor accounts,
22 including redemptions, or marketing shares, only where such service is
23 performed by a person who is, or was, in the case of a closed end compa-
24 ny, also engaged in the service of selling such shares. In the case of
25 an open end company, such service of selling shares must be performed
26 pursuant to a contract entered into pursuant to subdivision (b) of
27 section fifteen of the federal investment company act of nineteen
28 hundred forty, as amended.

29 (F) For purposes of this subdivision, the term "administration
30 services" includes clerical, accounting, bookkeeping, data processing,
31 internal auditing, legal and tax services performed for an investment
32 company but only if the provider of such service or services during the
33 taxable year in which such service or services are sold also sells
34 management or distribution services, as defined in this subdivision, to
35 such investment company.

36 (e-3) Rules for receipts for services performed by registered securi-
37 ties or commodities brokers or dealers. (1) For taxable years beginning
38 after two thousand eight, in the case of a taxpayer which is a regis-
39 tered securities or commodities broker or dealer, for purposes of para-
40 graph three of subdivision (c) of this section, the receipts specified
41 in subparagraphs (A) through (G) of this paragraph shall be deemed to
42 arise from services performed within the city to the extent set forth in
43 such subparagraphs.

44 (A) Receipts constituting brokerage commissions derived from the
45 execution of securities or commodities purchase or sales orders for the
46 accounts of customers shall be deemed to arise from services performed
47 at the mailing address in the records of the taxpayer of the customer
48 who is responsible for paying such commissions.

49 (B) Receipts constituting margin interest earned on behalf of broker-
50 age accounts shall be deemed to arise from services performed at the
51 mailing address in the records of the taxpayer of the customer who is
52 responsible for paying such margin interest.

53 (C) Gross income, including any accrued interest or dividends, from
54 principal transactions for the purchase or sale of stocks, bonds,
55 foreign exchange and other securities or commodities, including futures
56 and forward contracts, options and other types of securities or commod-

1 ities derivatives contracts, shall be deemed to arise from services
2 performed within the city either (i) to the extent that production cred-
3 its are awarded to branches, offices or employees of the taxpayer within
4 the city as a result of such principal transactions or (ii) if the
5 taxpayer so elects, to the extent that the gross proceeds from such
6 principal transactions, determined without deduction for any cost
7 incurred by the taxpayer to acquire the securities or commodities, are
8 generated from sales of securities or commodities to customers within
9 the city based upon the mailing addresses of such customers in the
10 records of the taxpayer. For purposes of clause (ii) of this subpara-
11 graph, the taxpayer shall separately calculate such gross income from
12 principal transactions by type of security or commodity. For purposes of
13 this subparagraph, gross income from principal transactions shall be
14 determined after the deduction of any cost incurred by the taxpayer to
15 acquire the securities or commodities. For purposes of this subdivision,
16 the term "production credits" means credits granted pursuant to the
17 internal accounting system used by the taxpayer to measure the amount of
18 revenue that should be awarded to a particular branch or office or
19 employee of the taxpayer which is based, at least in part, on the
20 branch's, the office's or the employee's particular activities. Upon
21 request, the taxpayer shall be required to furnish a detailed explana-
22 tion of such internal accounting system to the department.

23 (D) (i) Receipts constituting fees earned by the taxpayer for advisory
24 services to a customer in connection with the underwriting of securities
25 for such customer, such customer being the entity which is contemplating
26 issuing or is issuing securities, or fees earned by the taxpayer for
27 managing an underwriting shall be deemed to arise from services
28 performed at the mailing address in the records of the taxpayer of such
29 customer who is responsible for paying such fees.

30 (ii) Receipts constituting the primary spread or selling concession
31 from underwritten securities shall be deemed to arise from services
32 performed within the city to the extent that production credits are
33 awarded to branches, offices or employees of the taxpayer within the
34 city as a result of the sale of the underwritten securities.

35 (iii) The term "primary spread" means the difference between the price
36 paid by the taxpayer to the issuer of the securities being marketed and
37 the price received from the subsequent sale of the underwritten securi-
38 ties at the initial public offering price, less any selling concession
39 and any fees paid to the taxpayer for advisory services or any manager's
40 fees, if such fees are not paid by the customer to the taxpayer sepa-
41 rately. The term "public offering price" means the price agreed upon by
42 the taxpayer and the issuer at which the securities are to be offered to
43 the public. The term "selling concession" means the amount paid to the
44 taxpayer for participating in the underwriting of a security where the
45 taxpayer is not the lead underwriter.

46 (E) Receipts constituting interest earned by the taxpayer on loans and
47 advances made by the taxpayer to an entity affiliated with the taxpayer
48 shall be deemed to arise from services performed at the principal place
49 of business of such affiliated entity. For purposes of this subpara-
50 graph, an entity shall be considered affiliated with the taxpayer if
51 such entity and the taxpayer have eighty percent or more common direct
52 or indirect, actual or beneficial ownership.

53 (F) Receipts constituting account maintenance fees shall be deemed to
54 arise from services performed at the mailing address in the records of
55 the taxpayer of the customer who is responsible for paying such account
56 maintenance fees.

1 (G) Receipts constituting fees for management or advisory services,
2 including fees for advisory services in relation to merger or acquisi-
3 tion activities, but excluding fees paid for services described in para-
4 graph one of subdivision (e-2) of this section, shall be deemed to arise
5 from services performed at the mailing address in the records of the
6 taxpayer of the customer who is responsible for paying such fees.

7 (2) For purposes of this subdivision, the term "securities" shall have
8 the same meaning as in paragraph two of subdivision (c) of section four
9 hundred seventy-five of the internal revenue code and the term "commod-
10 ities" shall have the same meaning as in paragraph two of subdivision
11 (e) of section four hundred seventy-five of such code. The term "regis-
12 tered securities or commodities broker or dealer" means a broker or
13 dealer registered as such by the securities and exchange commission or
14 the commodities futures trading commission, and shall include an OTC
15 derivatives dealer as defined under regulations of the securities and
16 exchange commission at title seventeen, part two hundred forty, section
17 3b-12 of the code of federal regulations (17 CFR 240.3b-12).

18 (3) If the taxpayer receives any of the receipts enumerated in para-
19 graph one of this subdivision as a result of a securities correspondent
20 relationship such taxpayer has with another registered securities or
21 commodities broker or dealer with the taxpayer acting in this relation-
22 ship as the clearing firm, such receipts shall be deemed to arise from
23 services performed within the city to the extent set forth in each of
24 the subparagraphs in paragraph one of this subdivision. The amount of
25 such receipts shall exclude the amount the taxpayer is required to pay
26 to the correspondent firm for such correspondent relationship. If the
27 taxpayer receives any of the receipts enumerated in paragraph one of
28 this subdivision as a result of a securities correspondent relationship
29 such taxpayer has with another registered securities or commodities
30 broker or dealer with the taxpayer acting in this relationship as the
31 introducing firm, such receipts shall be deemed to arise from services
32 performed within the city to the extent set forth in each of the subpar-
33 agraphs in paragraph one of this subdivision.

34 (4) If, for purposes of subparagraph (A), (B), (F), or (G) of para-
35 graph one of this subdivision, and clause (i) of subparagraph (C) of
36 paragraph one of this subdivision, the taxpayer is unable from its
37 records to determine the mailing address of the customer, the receipts
38 described in any of such subparagraphs and such clause shall be deemed
39 to arise from services performed at the branch or office of the taxpayer
40 that generates the transaction for the customer that generated such
41 receipts.

42 (f) Allocation of investment income. (1) The investment income of an
43 unincorporated business shall be allocated to the city by multiplying
44 such investment income by an investment allocation percentage to be
45 determined as follows:

46 (A) multiply the amount of its investment capital invested in each
47 stock, bond or other security, other than governmental securities,
48 during the period covered by its return by the issuer's allocation
49 percentage, determined as provided in paragraph two of this subdivision,
50 of the issuer or obligor thereof:

51 (B) add together the products so obtained; and

52 (C) divide the sum so obtained by the total of its investment capital
53 invested during such period in stocks, bonds and other securities;
54 provided, however, that in case any investment capital is invested in
55 any stock, bond or other security during only a portion of the period
56 covered by the return, only such portion of such capital shall be taken

1 into account; and provided, further, that if a taxpayer's investment
2 allocation percentage is zero, interest received on bank accounts shall
3 be allocated in the manner provided in subdivision (b), (c) or (d) of
4 this section.

5 (2) (A) In the case of an issuer or obligor subject to tax under
6 subchapter two or three-A of chapter six of this title, or subject to
7 tax as a utility corporation under chapter eleven of this title, the
8 issuer's allocation percentage shall be the percentage of the appropri-
9 ate measure which is required to be allocated within the city on the
10 report or reports, if any, required of the issuer or obligor under chap-
11 ter six or eleven of this title for the preceding year. The appropriate
12 measure referred to in this subparagraph shall be: in the case of an
13 issuer or obligor subject to subchapter two of chapter six of this
14 title, entire capital; and in the case of an issuer or obligor subject
15 to chapter eleven of this title as a utility corporation, gross income.

16 (B) In the case of an issuer or obligor subject to tax under part four
17 of subchapter three of chapter six of this title, the issuer's allo-
18 cation percentage shall be determined as follows:

19 (i) In the case of a banking corporation described in paragraphs one
20 through eight of subdivision (a) of section 11-640 of this title which
21 is organized under the laws of the United States, this state or any
22 other state of the United States, the issuer's allocation percentage
23 shall be its alternative entire net income allocation percentage, as
24 defined in subdivision (c) of section 11-642 of this title, for the
25 preceding year. In the case of such a banking corporation whose alterna-
26 tive entire net income for the preceding year is derived exclusively
27 from business carried on within the city, its issuer's allocation
28 percentage shall be one hundred percent.

29 (ii) In the case of a banking corporation described in paragraph two
30 of subdivision (a) of section 11-640 of this title which is organized
31 under the laws of a country other than the United States, the issuer's
32 allocation percentage shall be determined by dividing (I) the amount
33 described in clause (i) of subparagraph (A) of paragraph two of subdivi-
34 sion (a) of section 11-642 of this title with respect to such issuer or
35 obligor for the preceding year, by (II) the gross income of such issuer
36 or obligor from all sources within and without the United States, for
37 such preceding year, whether or not included in alternative entire net
38 income for such year.

39 (iii) In the case of an issuer or obligor described in paragraph nine
40 of subdivision (a) or in paragraph two of subdivision (d) of section
41 11-640 of this title, the issuer's allocation percentage shall be deter-
42 mined by dividing the portion of the entire capital of the issuer or
43 obligor allocable to the city for the preceding year by the entire capi-
44 tal, wherever located, of the issuer or obligor for the preceding year.

45 (C) Provided, however, that if a report or reports for the preceding
46 year are not filed, or if filed do not contain information which would
47 permit the determination of such issuer's allocation percentage, then
48 the issuer's allocation percentage to be used shall, at the discretion
49 of the commissioner of finance, be either (i) the issuer's allocation
50 percentage derived from the most recently filed report or reports of the
51 issuer or obligor or (ii) a percentage calculated, by the commissioner
52 of finance, reasonably to indicate the degree of economic presence in
53 the city of the issuer or obligor during the preceding year.

54 (3) For purposes of this subdivision, investment capital shall be
55 determined by taking the average value of the gross assets included
56 therein, less liabilities deductible therefrom pursuant to the

1 provisions of subdivision (h) of section 11-501 of this chapter. The
2 value of investment capital which consists of marketable securities
3 shall be the fair market value thereof and the value of investment capi-
4 tal other than marketable securities shall be the value thereof shown on
5 the books and records of the unincorporated business in accordance with
6 generally accepted accounting principles.

7 (g) Special rules for manufacturing businesses. (1) For taxable years
8 beginning on or after July first, nineteen hundred ninety-six and before
9 January first, two thousand eleven, a manufacturing business may elect
10 to determine its business allocation percentage by adding together the
11 percentages determined under paragraphs one, two and three of subdivi-
12 sion (c) of this section and an additional percentage equal to the
13 percentage determined under paragraph three of subdivision (c) of this
14 section, and dividing the result by the number of percentages so added
15 together.

16 (2) An election under this subdivision must be made on a timely filed
17 (determined with regard to extensions granted) original return for the
18 taxable year. Once made for a taxable year, such election shall be irre-
19 vocable for that taxable year. A separate election must be made for each
20 taxable year. A manufacturing business that has failed to make an
21 election as provided in this paragraph shall be required to determine
22 its business allocation percentage without regard to the provisions of
23 this subdivision. Notwithstanding anything in this paragraph to the
24 contrary, the commissioner of finance may permit a manufacturing busi-
25 ness to make or revoke an election under this subdivision, upon such
26 terms and conditions as the commissioner may prescribe, where the
27 commissioner determines that such permission should be granted in the
28 interests of fairness and equity due to a change in circumstances
29 resulting from an audit adjustment.

30 (3) As used in this subdivision, the term "manufacturing business"
31 means an unincorporated business primarily engaged in the manufacturing
32 and sale thereof of tangible personal property; and the term "manufac-
33 turing" includes the process, including the assembly process (i) of
34 working raw materials into wares suitable for use or (ii) which gives
35 new shapes, new qualities or new combinations to matter which already
36 has gone through some artificial process, by the use of machinery,
37 tools, appliances and other similar equipment. An unincorporated busi-
38 ness shall be deemed to be primarily engaged in the activities described
39 in the preceding sentence if more than fifty percent of its gross
40 receipts for the taxable year are attributable to such activities.

41 (h) Notwithstanding subdivision (d) of this section, if it shall
42 appear to the commissioner of finance that any business or investment
43 allocation percentage determined pursuant to this section does not prop-
44 erly reflect the activity, business, or income of a taxpayer within the
45 city, the commissioner of finance shall be authorized in his or her
46 discretion, in the case of a business allocation percentage, to adjust
47 it by (1) excluding one or more of the factors therein; (2) including
48 one or more factors, such as expenses, purchases, contract values, minus
49 subcontract values; (3) excluding one or more assets in computing such
50 allocation percentage, provided the income therefrom is also excluded in
51 determining unincorporated business entire net income, or (4) any other
52 similar or different method calculated to effect a fair and proper allo-
53 cation of the income reasonably attributable to the city, and in the
54 case of an investment allocation percentage, to adjust it by excluding
55 one or more assets in computing such percentage; provided the income
56 therefrom is also excluded in determining unincorporated business entire

1 net income. The commissioner of finance from time to time shall publish
2 all rulings of general public interest with respect to any application
3 of the provisions of this subdivision.

4 (i) Notwithstanding subdivision (c) of this section, but subject to
5 subdivision (g) of this section, the business allocation percentage
6 shall be computed in the manner set forth in this subdivision.

7 (1) For taxable years beginning in two thousand nine, the business
8 allocation percentage shall be determined by adding together the follow-
9 ing percentages:

10 (A) the product of thirty percent and the percentage determined under
11 paragraph one of subdivision (c) of this section,

12 (B) the product of thirty percent and the percentage determined under
13 paragraph two of subdivision (c) of this section, and

14 (C) the product of forty percent and the percentage determined under
15 paragraph three of subdivision (c) of this section.

16 (2) For taxable years beginning in two thousand ten, the business
17 allocation percentage shall be determined by adding together the follow-
18 ing percentages:

19 (A) the product of twenty-seven percent and the percentage determined
20 under paragraph one of subdivision (c) of this section,

21 (B) the product of twenty-seven percent and the percentage determined
22 under paragraph two of subdivision (c) of this section, and

23 (C) the product of forty-six percent and the percentage determined
24 under paragraph three of subdivision (c) of this section.

25 (3) For taxable years beginning in two thousand eleven, the business
26 allocation percentage shall be determined by adding together the follow-
27 ing percentages:

28 (A) the product of twenty-three and one-half percent and the percent-
29 age determined under paragraph one of subdivision (c) of this section,

30 (B) the product of twenty-three and one-half percent and the percent-
31 age determined under paragraph two of subdivision (c) of this section,
32 and

33 (C) the product of fifty-three percent and the percentage determined
34 under paragraph three of subdivision (c) of this section.

35 (4) For taxable years beginning in two thousand twelve, the business
36 allocation percentage shall be determined by adding together the follow-
37 ing percentages:

38 (A) the product of twenty percent and the percentage determined under
39 paragraph one of subdivision (c) of this section,

40 (B) the product of twenty percent and the percentage determined under
41 paragraph two of subdivision (c) of this section, and

42 (C) the product of sixty percent and the percentage determined under
43 paragraph three of subdivision (c) of this section.

44 (5) For taxable years beginning in two thousand thirteen, the business
45 allocation percentage shall be determined by adding together the follow-
46 ing percentages:

47 (A) the product of sixteen and one-half percent and the percentage
48 determined under paragraph one of subdivision (c) of this section,

49 (B) the product of sixteen and one-half percent and the percentage
50 determined under paragraph two of subdivision (c) of this section, and

51 (C) the product of sixty-seven percent and the percentage determined
52 under paragraph three of subdivision (c) of this section.

53 (6) For taxable years beginning in two thousand fourteen, the business
54 allocation percentage shall be determined by adding together the follow-
55 ing percentages:

1 (A) the product of thirteen and one-half percent and the percentage
2 determined under paragraph one of subdivision (c) of this section,

3 (B) the product of thirteen and one-half percent and the percentage
4 determined under paragraph two of subdivision (c) of this section, and

5 (C) the product of seventy-three percent and the percentage determined
6 under paragraph three of subdivision (c) of this section.

7 (7) For taxable years beginning in two thousand fifteen, the business
8 allocation percentage shall be determined by adding together the follow-
9 ing percentages:

10 (A) the product of ten percent and the percentage determined under
11 paragraph one of subdivision (c) of this section,

12 (B) the product of ten percent and the percentage determined under
13 paragraph two of subdivision (c) of this section, and

14 (C) the product of eighty percent and the percentage determined under
15 paragraph three of subdivision (c) of this section.

16 (8) For taxable years beginning in two thousand sixteen, the business
17 allocation percentage shall be determined by adding together the follow-
18 ing percentages:

19 (A) the product of six and one-half percent and the percentage deter-
20 mined under paragraph one of subdivision (c) of this section,

21 (B) the product of six and one-half percent and the percentage deter-
22 mined under paragraph two of subdivision (c) of this section, and

23 (C) the product of eighty-seven percent and the percentage determined
24 under paragraph three of subdivision (c) of this section.

25 (9) For taxable years beginning in two thousand seventeen, the busi-
26 ness allocation percentage shall be determined by adding together the
27 following percentages:

28 (A) the product of three and one-half percent and the percentage
29 determined under paragraph one of subdivision (c) of this section,

30 (B) the product of three and one-half percent and the percentage
31 determined under paragraph two of subdivision (c) of this section, and

32 (C) the product of ninety-three percent and the percentage determined
33 under paragraph three of subdivision (c) of this section.

34 (10) For taxable years beginning after two thousand seventeen, the
35 business allocation percentage shall be the percentage determined under
36 paragraph three of subdivision (c) of this section.

37 (11) The commissioner shall promulgate rules necessary to implement
38 the provisions of this subdivision under such circumstances where any of
39 the percentages to be determined under paragraph one, two or three of
40 subdivision (c) of this section cannot be determined because the taxpay-
41 er has no property, payroll or gross receipts from sales or services
42 within or without the city.

43 § 11-509 Deductions not subject to allocation. (a) In computing
44 unincorporated business taxable income, there shall be allowed, without
45 allocation under section 11-508 of this chapter, deductions for reason-
46 able compensation for taxable years beginning before January first, two
47 thousand seven, not in excess of five thousand dollars, and for taxable
48 years beginning on or after January first, two thousand seven, not in
49 excess of ten thousand dollars, for personal services of the proprietor
50 and each partner actively engaged in the unincorporated business, but
51 the aggregate of such deductions shall not exceed twenty per centum of
52 the unincorporated business taxable income computed without the benefit
53 of any deductions under this subdivision or the unincorporated business
54 exemptions under section 11-510 of this chapter.

55 (b) Subject to the conditions provided in paragraphs three and four of
56 this subdivision at the election of the taxpayer there shall also be

1 allowed, without allocation under section 11-508 of this chapter, either
2 or both of the items set forth in paragraphs one and two of this subdivi-
3 sion, except that only one of the items shall be allowed with respect
4 to any one item of property.

5 (1) Depreciation with respect to any property such as described in
6 paragraphs three or four of this subdivision, and subject to the condi-
7 tions provided therein, not exceeding twice the depreciation allowed
8 with respect to the same property for federal income tax purposes. Such
9 deduction shall be allowed only upon condition that no deduction shall
10 be allowed pursuant to section 11-507 of this chapter for depreciation
11 of the same property, and the total of all deductions allowed pursuant
12 to this paragraph in any taxable year or years with respect to any prop-
13 erty shall not exceed its cost or other basis and, in the case of an
14 unincorporated business carried on both within and without this city,
15 with respect to property described in paragraph four of this subdivi-
16 sion, such total shall not exceed its cost or other basis multiplied by
17 (A) the percentage of the excess of the taxpayer's unincorporated busi-
18 ness gross income over its unincorporated business deductions allocated
19 to this city, or (B) the percentage of the taxpayer's business income
20 allocated to this city, whichever is applicable, which percentage shall
21 be determined under section 11-508 of this chapter for the first year
22 such depreciation is deducted.

23 (2) Expenditures paid or incurred during the taxable year for the
24 construction, reconstruction, erection or acquisition of any property
25 such as described in paragraph three or four of this subdivision, and
26 subject to the conditions provided therein, which is used or to be used
27 for purposes of research or development in the experimental or laborato-
28 ry sense. Such purposes shall not be deemed to include the ordinary
29 testing or inspection of materials or products for quality control,
30 efficiency surveys, management studies, consumer surveys, advertising,
31 promotions or research in connection with literary, historical or simi-
32 lar projects. Such deduction shall be allowed only on condition that, in
33 the case of an unincorporated business carried on both within and with-
34 out this city, with respect to property described in paragraph four of
35 this subdivision, such deduction does not exceed the expenditures multi-
36 plied by (A) the percentage of the excess of the taxpayer's unincorpo-
37 rated business gross income over its unincorporated business deductions
38 allocated to this city, or (B) the percentage of the taxpayer's business
39 income allocated to this city, whichever is applicable, which percentage
40 shall be determined under section 11-508 of this chapter for the first
41 year such depreciation is deducted, and that, for the taxable year and
42 all succeeding taxable years, no deduction shall be allowed pursuant to
43 section 11-507 of this chapter on account of such expenditures or on
44 account of depreciation of the same property, except to the extent that
45 its basis may be attributable to factors other than such expenditures,
46 or in case a deduction is allowable pursuant to this paragraph for only
47 a part of such expenditures, on condition that any deduction allowable
48 for federal income tax purposes on account of such expenditures or on
49 account of depreciation of the same property shall be proportionately
50 reduced in determining the deductions allowable pursuant to section
51 11-507 of this chapter for the taxable year and all succeeding taxable
52 years. With respect to property which is used or to be used for research
53 and development only in part, or during only part of its useful life,
54 the deduction allowable pursuant to this paragraph shall be limited to a
55 proportionate part of the expenditures relating thereto. If a deduction
56 shall have been allowed pursuant to this paragraph for all or part of

1 such expenditures with respect to any property, and such property is
2 used for purposes other than research and development to a greater
3 extent than originally reported, the taxpayer shall report such use in
4 the taxpayer's return for the first taxable year during which it occurs,
5 and the commissioner of finance may recompute the tax for the year or
6 years for which such deduction was allowed, and may assess any addi-
7 tional tax resulting from such recomputation within the time fixed by
8 subdivision (c) of section 11-523 of this chapter.

9 (3) For purposes of this paragraph, such deduction shall be allowed
10 only with respect to tangible property which is depreciable pursuant to
11 section one hundred sixty-seven of the internal revenue code, having a
12 situs in the city and used in the taxpayer's trade or business, (A)
13 constructed, reconstructed or erected after December thirty-first, nine-
14 teen hundred sixty-five, pursuant to a contract which was, on or before
15 December thirty-first, nineteen hundred sixty-seven, and at all times
16 thereafter, binding on the taxpayer or, property, the physical
17 construction, reconstruction or erection of which began on or before
18 December thirty-first, nineteen hundred sixty-seven or which began after
19 such date pursuant to an order placed on or before December thirty-
20 first, nineteen hundred sixty-seven, and then only with respect to that
21 portion of the basis thereof or the expenditure relating thereto which
22 is properly attributable to such construction, reconstruction or
23 erection after December thirty-first, nineteen hundred sixty-five, or
24 (B) acquired after December thirty-first, nineteen hundred sixty-five,
25 pursuant to a contract which was, on or before December thirty-first,
26 nineteen hundred sixty-seven, and at all times thereafter, binding on
27 the taxpayer or pursuant to an order placed on or before December thir-
28 ty-first, nineteen hundred sixty-seven, by purchase as defined in
29 section one hundred seventy-nine (d) of the internal revenue code, if
30 the original use of such property commenced with the taxpayer, commenced
31 in the city and commenced after December thirty-first, nineteen hundred
32 sixty-five or (C) acquired, constructed, reconstructed, or erected
33 subsequent to December thirty-first, nineteen hundred sixty-seven, if
34 such acquisition, construction, reconstruction or erection is pursuant
35 to a plan of the taxpayer which was in existence December thirty-first,
36 nineteen hundred sixty-seven and not thereafter substantially modified,
37 and such acquisition, construction, reconstruction or erection would
38 qualify under the rules in paragraph four, five or six of subsection (h)
39 of section forty-eight of the internal revenue code provided all refer-
40 ences in such paragraphs four, five and six to the dates October nine,
41 nineteen hundred sixty-six, and October ten, nineteen hundred sixty-six,
42 shall be read as December thirty-first, nineteen hundred sixty-seven. A
43 taxpayer shall be allowed a deduction under subparagraph (A), (B) or (C)
44 of this paragraph only if the tangible property shall be delivered or
45 the construction, reconstruction or erection shall be completed on or
46 before December thirty-first, nineteen hundred sixty-nine, except in the
47 case of tangible property which is acquired, constructed, reconstructed
48 or erected pursuant to a contract which was, on or before December thir-
49 ty-first, nineteen hundred sixty-seven, and at all times thereafter,
50 binding on the taxpayer. However, for any taxable year beginning on or
51 after January first, nineteen hundred sixty-eight, a taxpayer shall not
52 be allowed a deduction under paragraph one of this subdivision with
53 respect to tangible personal property leased to any other person or
54 corporation, provided, any contract or agreement to lease or rent or for
55 a license to use such property shall be considered a lease. With
56 respect to property which a taxpayer uses for purposes other than leas-

1 ing for part of a taxable year and leases for a part of a taxable year,
2 a deduction under paragraph one of this subdivision may be taken in
3 proportion to the part of the year such property is used by the taxpay-
4 er.

5 (4) For purposes of this paragraph, such deductions shall be allowed
6 only with respect to tangible property which is depreciable pursuant to
7 section one hundred sixty-seven of the internal revenue code, having a
8 situs in this city and used in the taxpayer's trade or business, (A) the
9 construction, reconstruction, or erection of which is completed after
10 December thirty-first, nineteen hundred sixty-seven, and then only with
11 respect to that portion of the basis thereof or the expenditures relat-
12 ing thereto which is properly attributable to such construction, recon-
13 struction or erection after December thirty-first, nineteen hundred
14 sixty-three, or (B) acquired after December thirty-first, nineteen
15 hundred sixty-seven, by purchase as defined in section one hundred
16 seventy-nine (d) of the internal revenue code, if the original use of
17 such property commenced with the taxpayer, commenced in this city and
18 commenced after December thirty-first, nineteen hundred sixty-five.
19 Provided, however, a deduction under paragraph one of this subdivision
20 shall be allowed with respect to property described in this paragraph
21 only on condition that such property shall be principally used by the
22 taxpayer in the production of goods by manufacturing; processing; assem-
23 bling; refining; mining; extracting; farming; agriculture; horticulture;
24 floriculture; viticulture or commercial fishing, provided, manufacturing
25 shall mean the process of working raw materials into wares suitable for
26 use or which gives new shapes, new qualities or new combinations to
27 matter which already has gone through some artificial process by the use
28 of machinery, tools, appliances, and other similar equipment. Property
29 used in the production of goods shall include machinery, equipment or
30 other tangible property which is principally used in the repair and
31 service of other machinery, equipment or other tangible property used
32 principally in the production of goods and shall include all facilities
33 used in the manufacturing operation, including storage of material to be
34 used in manufacturing and of the products that are manufactured. At the
35 option of the taxpayer, air and water pollution control facilities which
36 qualify for elective deductions under subdivision (i) of section 11-507
37 of this chapter may be treated, for purposes of this paragraph, as
38 tangible property principally used in the production of goods by manu-
39 facturing; processing; assembling; refining; mining; extracting; farm-
40 ing; agriculture; horticulture; floriculture; viticulture or commercial
41 fishing, in which event, a deduction shall not be allowed under subdivi-
42 sion (i) of section 11-507 of this chapter. However, for any taxable
43 year beginning on or after January first, nineteen hundred sixty-eight,
44 a taxpayer shall not be allowed a deduction under paragraph one of this
45 subdivision with respect to tangible personal property leased to any
46 other person or corporation, provided, any contract or agreement to
47 lease or rent or for a license to use such property shall be considered
48 a lease. With respect to property which a taxpayer uses for purposes
49 other than leasing for part of a taxable year and leases for a part of a
50 taxable year, a deduction under paragraph one shall be allowed in
51 proportion to the part of the year such property is used by the taxpay-
52 er.

53 (5) If the deductions allowable for any taxable year pursuant to this
54 subdivision exceed the taxpayer's unincorporated business taxable
55 income, determined without the allowance of such deductions, the excess
56 may be carried over to the following taxable year or years and may be

1 deducted, without allocation under section 11-508 of this chapter, in
2 computing unincorporated business taxable income for such year or years.

3 (6) In any taxable year when property is sold or otherwise disposed
4 of, with respect to which a deduction has been allowed pursuant to para-
5 graph one or two of this subdivision, the basis of such property shall
6 be adjusted to reflect the deductions so allowed, and if the basis as so
7 adjusted is lower than the adjusted basis of the same property for
8 federal income tax purposes, there shall be added to federal gross
9 income the amount of the difference between such adjusted bases.

10 § 11-510 Unincorporated business exemptions. In computing unincorpo-
11 rated business taxable income, there shall be allowed, without allo-
12 cation under section 11-508 of this chapter:

13 (a) an unincorporated business exemption of five thousand dollars,
14 prorated for taxable years of less than twelve months under regulations
15 of the commissioner of finance;

16 (b) if a partner in an unincorporated business is taxable under this
17 chapter or under any local law imposed pursuant to section one of chap-
18 ter seven hundred seventy-two of the laws of nineteen hundred sixty-six,
19 an exemption for the amount of the partner's proportionate interest in
20 the excess of the unincorporated business gross income over the
21 deductions allowed under sections 11-507 and 11-509 of this chapter, but
22 this exemption shall be limited to the amount which is included in the
23 partner's unincorporated business taxable income allocable to the city,
24 or included in a corporate partner's net income allocable to the city,
25 provided, however, no such exemption shall be allowed to an unincorpo-
26 rated business for any taxable year of the unincorporated business
27 beginning after June thirtieth, nineteen hundred ninety-four.

28 § 11-511 Declarations of estimated tax. (a) Requirement of declara-
29 tion. Except as provided in subdivision (j) of this section, every
30 unincorporated business shall make a declaration of its estimated tax
31 for the taxable year, containing such information as the commissioner of
32 finance may prescribe by regulations or instruction, if: (1) for taxable
33 years beginning after nineteen hundred eighty-six but before nineteen
34 hundred ninety-six, its unincorporated business taxable income can
35 reasonably be expected to exceed fifteen thousand dollars; (2) for taxa-
36 ble years beginning in nineteen hundred ninety-six, its unincorporated
37 business taxable income can reasonably be expected to exceed twenty
38 thousand dollars; (3) for taxable years beginning after nineteen hundred
39 ninety-six but before two thousand nine, its estimated tax can reason-
40 ably be expected to exceed one thousand eight hundred dollars; and (4)
41 for taxable years beginning after two thousand eight, its estimated tax
42 can reasonably be expected to exceed three thousand four hundred
43 dollars.

44 (b) Definition of estimated tax. The term "estimated tax" means the
45 amount which an unincorporated business estimates to be its tax under
46 this chapter for the taxable year, less the amount which it estimates to
47 be the sum of any credits allowable against the tax other than the cred-
48 it allowable under subdivision (c) of section 11-503 of this chapter.

49 (c) Time for filing declaration. Except as hereinafter provided, a
50 declaration of estimated tax required under this section shall be filed
51 on or before April fifteenth of the taxable year provided, however, that
52 if the requirements of subdivision (a) of this section are first met:

53 (1) after April first and before June second of the taxable year, the
54 declaration shall be filed on or before June fifteenth, or

55 (2) after June first and before September second of the taxable year,
56 the declaration shall be filed on or before September fifteenth, or

1 (3) after September first of the taxable year, the declaration shall
2 be filed on or before January fifteenth of the succeeding year.

3 (d) Filing of declarations on or before January fifteenth.

4 (1) A declaration of estimated tax by an unincorporated business
5 having an estimated unincorporated business taxable income from farming,
6 including oyster farming, for the taxable year which is at least two-
7 thirds of its total estimated unincorporated business taxable income for
8 the taxable year may be filed at any time on or before January fifteenth
9 of the succeeding year.

10 (2) For taxable years beginning before nineteen hundred ninety-seven,
11 a declaration of estimated tax under this section of forty dollars or
12 less for the taxable year may be filed at any time on or before January
13 fifteenth of the succeeding year under regulations of the commissioner
14 of finance.

15 (e) Amendments of declaration. An unincorporated business may amend a
16 declaration under regulations of the commissioner of finance.

17 (f) Return as declaration or amendment. If on or before February
18 fifteenth of the succeeding taxable year an unincorporated business
19 subject to the estimated tax requirements of this section files its
20 return for the taxable year for which the declaration is required, and
21 pays on or before such date the full amount of the tax shown to be due
22 on the return:

23 (1) such return shall be considered as its declaration if no declara-
24 tion was required to be filed during the taxable year, but is otherwise
25 required to be filed on or before January fifteenth of the succeeding
26 year, and

27 (2) such return shall be considered as the amendment permitted by
28 subdivision (e) of this section to be filed on or before January
29 fifteenth if the tax shown on the return is greater than the estimated
30 tax shown in a declaration previously made.

31 (g) Fiscal year. This section shall apply to a taxable year other
32 than a calendar year by the substitution of the months of such fiscal
33 year for the corresponding months specified in this section.

34 (h) Short taxable year. An unincorporated business subject to the
35 estimated tax requirements of this section and having a taxable year of
36 less than twelve months shall make a declaration in accordance with
37 regulations of the commissioner of finance.

38 (i) Declaration of unincorporated business under a disability. The
39 declaration of estimated tax for an unincorporated business which is
40 unable to make a declaration for any reason shall be made and filed by
41 the committee, fiduciary or other person charged with the care of the
42 property of such unincorporated business, other than a receiver in
43 possession of only a part of such property, or by his or her duly
44 authorized agent.

45 (j) Declaration of estimated tax for taxable years beginning prior to
46 July thirteenth, nineteen hundred sixty-six. Notwithstanding subdivision
47 (c) of this section, no declaration of estimated tax required by subdivi-
48 sion (a) of this section need be filed until September twelfth, nine-
49 teen hundred sixty-six.

50 § 11-512 Payments of estimated tax. (a) General. The estimated tax
51 with respect to which a declaration is required shall be paid as
52 follows:

53 (1) If the declaration is filed on or before April fifteenth of the
54 taxable year, the estimated tax shall be paid in four equal install-
55 ments. The first installment shall be paid at the time of the filing of
56 the declaration, and the second, third and fourth installments shall be

1 paid on the following June fifteenth, September fifteenth, and January
2 fifteenth, respectively.

3 (2) If the declaration is filed after April fifteenth and not after
4 June fifteenth of the taxable year, and is not required to be filed on
5 or before April fifteenth of the taxable year, the estimated tax shall
6 be paid in three equal installments. The first installment shall be
7 paid at the time of the filing of the declaration, and the second and
8 third installments shall be paid on the following September fifteenth
9 and January fifteenth, respectively.

10 (3) If the declaration is filed after June fifteenth and not after
11 September fifteenth of the taxable year, and is not required to be filed
12 on or before June fifteenth of the taxable year, the estimated tax shall
13 be paid in two equal installments. The first installment shall be paid
14 at the time of the filing of the declaration, and the second shall be
15 paid on the following January fifteenth.

16 (4) If the declaration is filed after September fifteenth of the taxa-
17 ble year, and is not required to be filed on or before September
18 fifteenth of the taxable year, the estimated tax shall be paid in full
19 at the time of the filing of the declaration.

20 (5) If the declaration is filed after the time prescribed therefor, or
21 after the expiration of any extension of time therefor, paragraphs two,
22 three and four of this subdivision shall not apply, and there shall be
23 paid at the time of such filing all installments of estimated tax paya-
24 ble at or before such time, and the remaining installments shall be paid
25 at the times at which, and in the amounts in which, they would have been
26 payable if the declaration had been filed when due.

27 (b) Amendments of declaration. If any amendment of a declaration is
28 filed, the remaining installments, if any, shall be ratably increased or
29 decreased, as the case may be, to reflect any increase or decrease in
30 the estimated tax by reason of such amendment, and if any amendment is
31 made after September fifteenth of the taxable year, any increase in the
32 estimated tax by reason thereof shall be paid at the time of making such
33 amendment.

34 (c) Application to short taxable year. This section shall apply to a
35 taxable year of less than twelve months in accordance with regulations
36 of the commissioner of finance.

37 (d) Fiscal year. This section shall apply to a taxable year other
38 than a calendar year by the substitution of the months of such fiscal
39 year for the corresponding months specified in this section.

40 (e) Installments paid in advance. An unincorporated business may elect
41 to pay any installment of its estimated tax prior to the date prescribed
42 for the payment thereof.

43 (f) Cross reference. For unincorporated businesses with taxable years
44 beginning prior to July thirteenth, nineteen hundred sixty-six, see
45 subdivision (j) of section 11-511 of this chapter.

46 (g) Taxpayers with credit relating to stock transfer tax. The portion
47 of an overpayment attributable to a credit allowable pursuant to subdivi-
48 sion (c) of section 11-503 of this chapter may not be credited against
49 any payment due under this section.

50 § 11-513 Accounting periods and methods. (a) Accounting periods. A
51 taxpayer's taxable year under this chapter shall be the same as the
52 taxpayer's taxable year for federal income tax purposes.

53 (b) Accounting methods. A taxpayer's method of accounting under this
54 chapter shall be the same as the taxpayer's method of accounting for
55 federal income tax purposes. In the absence of any method of accounting
56 for federal income tax purposes, unincorporated business taxable income

1 shall be computed under such method as in the opinion of the commission-
2 er of finance clearly reflects income.

3 (c) Change of accounting period or method. (1) If a taxpayer's taxa-
4 ble year or method of accounting is changed for federal income tax
5 purposes, the taxable year or method of accounting for purposes of this
6 chapter shall be similarly changed.

7 (2) If a taxpayer's method of accounting is changed, other than from
8 an accrual to an installment method, any additional tax which results
9 from adjustments determined to be necessary solely by reason of the
10 change shall not be greater than if such adjustments were ratably allo-
11 cated and included for the taxable year of the change and the preceding
12 taxable years, not in excess of two, beginning after January first,
13 nineteen hundred sixty-six, during which the taxpayer used the method of
14 accounting from which the change is made.

15 (3) If a taxpayer's method of accounting is changed from an accrual
16 to an installment method, any additional tax for the year of such change
17 of method and for any subsequent year, which is attributable to the
18 receipt of installment payments properly accrued in a prior year, shall
19 be reduced by the portion of tax for any prior taxable year attributable
20 to the accrual of such installment payments, in accordance with regu-
21 lations of the commissioner of finance.

22 § 11-514 Returns, payment of tax. (a) General. An unincorporated
23 business income tax return shall be made and filed, and the balance of
24 any tax shown on the face of such return, not previously paid as
25 installments of estimated tax, shall be paid, on or before the fifteenth
26 day of the fourth month following the close of a taxable year, except
27 that in the case of an unincorporated business classified as a partner-
28 ship for federal income tax purposes, such return shall be made and
29 filed and such balance shall be paid on or before the fifteenth day of
30 the third month following the close of a taxable year for taxable years
31 beginning on or after January first, two thousand sixteen, by or for
32 every:

33 (1) unincorporated business, for taxable years beginning after nine-
34 teen hundred eighty-six but before nineteen hundred ninety-seven, having
35 unincorporated business gross income, determined for purposes of this
36 subdivision without any deduction for the cost of goods sold or services
37 performed, of more than ten thousand dollars, or having any amount of
38 unincorporated business taxable income;

39 (2) partnership, for taxable years beginning after nineteen hundred
40 ninety-six, having unincorporated business gross income, determined for
41 purposes of this subdivision without any deduction for the cost of goods
42 sold or services performed, of more than twenty-five thousand dollars,
43 or having unincorporated business taxable income of more than fifteen
44 thousand dollars;

45 (3) unincorporated business other than a partnership, for taxable
46 years beginning after nineteen hundred ninety-six, having unincorporated
47 business gross income, determined for purposes of this subdivision with-
48 out any deduction for the cost of goods sold or services performed, of
49 more than seventy-five thousand dollars, or having unincorporated busi-
50 ness taxable income of more than thirty-five thousand dollars; and

51 (4) unincorporated business, for taxable years beginning after two
52 thousand eight, having unincorporated business gross income, determined
53 for purposes of this subdivision without any deduction for the cost of
54 goods sold or services performed, of more than ninety-five thousand
55 dollars.

1 (b) Decedents. The return for any deceased individual shall be made
2 and filed by his or her executor, administrator, or other person charged
3 with his or her property. If a final return of a decedent is for a
4 fractional part of a year, the due date of such return shall be the
5 fifteenth day of the fourth month following the close of the twelve-
6 month period which began with the first day of such fractional part of
7 the year.

8 (c) Individuals under a disability. The return for an individual who
9 is unable to make a return by reason of minority or other disability
10 shall be made and filed by such individual's guardian, committee, fidu-
11 ciary or other person charged with the care of his or her person or
12 property, other than a receiver in possession of only a part of his or
13 her property, or by such individual's duly authorized agent.

14 (d) Estates and trusts. The return for an estate or trust shall be
15 made and filed by the fiduciary.

16 (e) Joint fiduciaries. If two or more fiduciaries are acting jointly,
17 the return may be made by any one of them.

18 (f) Returns for taxable years ending prior to December thirty-first,
19 nineteen hundred sixty-six. With respect to taxable years ending prior
20 to December thirty-first, nineteen hundred sixty-six, the returns
21 required to be made and filed pursuant to this section shall be made and
22 filed on or before the fifteenth day of the fourth month following the
23 close of such taxable year or September twelfth, nineteen hundred
24 sixty-six, whichever is later.

25 (g) Taxpayers with credit relating to stock transfer tax. Subdivision
26 (a) of this section shall apply to a taxpayer which has a right to a
27 credit pursuant to subdivision (c) of section 11-503 of this chapter,
28 except that the tax, or balance thereof, payable to the commissioner of
29 finance in full pursuant to subdivision (a) of this section, at the time
30 the report is required to be filed, shall be calculated and paid at such
31 time as if the credit provided for in subdivision (c) of section 11-503
32 of this chapter were not allowed.

33 § 11-515 Time and place for filing returns and paying tax. A person
34 required to make and file a return under this chapter shall, without
35 assessment, notice or demand, pay any tax due thereon to the commission-
36 er of finance on or before the date fixed for filing such return, deter-
37 mined without regard to any extension of time for filing the return.
38 The commissioner of finance shall prescribe by regulation the place for
39 filing any return, declaration, statement, or other document required
40 pursuant to this chapter and for payment of any tax.

41 § 11-516 Signing of returns and other documents. (a) General. Any
42 return, declaration, statement or other document required to be made
43 pursuant to this chapter shall be signed in accordance with regulations
44 or instructions prescribed by the commissioner of finance. The fact
45 that an individual's name is signed to a return, declaration, statement,
46 or other document, shall be prima facie evidence for all purposes that
47 the return, declaration, statement or other document was actually signed
48 by such individual.

49 (b) Partnerships. Any return, statement or other document required of
50 a partnership shall be signed by one or more partners. The fact that a
51 partner's name is signed to a return, statement, or other document,
52 shall be prima facie evidence for all purposes that such partner is
53 authorized to sign on behalf of the partnership.

54 (c) Certifications. The making or filing of any return, declaration,
55 statement or other document or copy thereof required to be made or filed
56 pursuant to this chapter, including a copy of a federal return, shall

1 constitute a certification by the person making or filing such return,
2 declaration, statement or other document or copy thereof that the state-
3 ments contained therein are true and that any copy filed is a true copy.

4 § 11-517 Extensions of time. (a) General. The commissioner of
5 finance may grant a reasonable extension of time for payment of tax or
6 estimated tax, or any installment, or for filing any return, declara-
7 tion, statement, or other document required pursuant to this chapter, on
8 such terms and conditions as it may require. Except for a taxpayer who
9 is outside the United States, no such extension for filing any return,
10 declaration, statement or other document, shall exceed six months.

11 (b) Furnishing of security. If any extension of time is granted for
12 payment of any amount of tax, the commissioner of finance may require
13 the taxpayer to furnish a bond or other security in an amount not
14 exceeding twice the amount for which the extension of time for payment
15 is granted, on such terms and conditions as the commissioner of finance
16 may require.

17 § 11-518 Requirements concerning returns, notices, records and state-
18 ments. (a) General. The commissioner of finance may prescribe regu-
19 lations as to the keeping of records, the content and forms of returns
20 and statements, and the filing of copies of federal income tax returns
21 and determinations. The commissioner of finance may require any person,
22 by regulation or notice served upon such person, to make such returns,
23 render such statements, or keep such records, as the commissioner of
24 finance may deem sufficient to show whether or not such person is liable
25 under this chapter for tax or for collection of tax.

26 (b) Notice of qualification as receiver, etc. Every receiver, trustee
27 in bankruptcy, assignee for benefit of creditors, or other like fiduci-
28 ary shall give notice of his or her qualification as such to the commis-
29 sioner of finance, as may be required by regulation.

30 § 11-519 Report of change in federal or New York state taxable
31 income. If the amount of a taxpayer's federal or New York state taxable
32 income reported on his or her federal or New York state income tax for
33 any taxable year is changed or corrected by the United States internal
34 revenue service or the New York state tax commission or other competent
35 authority, or as the result of a renegotiation of a contract or subcon-
36 tract with the United States or the state of New York, or if a taxpayer,
37 pursuant to subsection (d) of section sixty-two hundred thirteen of the
38 internal revenue code, executes a notice of waiver of the restrictions
39 provided in subsection (a) of said section, or if a taxpayer, pursuant
40 to subsection (f) of section six hundred eighty-one of the tax law,
41 executes a notice or waiver of the restrictions provided in subsection
42 (c) of such section of the tax law, the taxpayer shall report such
43 change or correction in federal or New York state taxable income or such
44 execution of such notice of waiver and the changes or corrections of the
45 taxpayer's federal or New York state taxable income on which it is
46 based, within ninety days after the final determination of such change,
47 correction, or renegotiation, or such execution of such notice of waiv-
48 er, or as otherwise required by the commissioner of finance, and shall
49 concede the accuracy of such determination or state wherein it is erro-
50 neous. Any taxpayer filing an amended federal or New York state income
51 tax return shall also file within ninety days thereafter an amended
52 return under this chapter, and shall give such information as the
53 commissioner of finance may require. The commissioner of finance may by
54 regulation prescribe such exceptions to the requirements of this section
55 as the commissioner deems appropriate.

1 § 11-519.1 Report of change of state sales and compensating use tax
2 liability. Where the state tax commission changes or corrects a taxpay-
3 er's sales and compensating use tax liability with respect to the
4 purchase or use of items for which a sales or compensating use tax cred-
5 it against the tax imposed by this chapter was claimed, the taxpayer
6 shall report such change or correction to the commissioner of finance
7 within ninety days of the final determination of such change or
8 correction, or as required by the commissioner of finance, and shall
9 concede the accuracy of such determination or state wherein it is erro-
10 neous. Any taxpayer filing an amended return or report relating to the
11 purchase or use of such items shall also file within ninety days there-
12 after a copy of such amended return or report with the commissioner of
13 finance.

14 § 11-520 Change of election. Any election expressly authorized by
15 this chapter, other than the election authorized by section 11-506 of
16 this chapter, may be changed on such terms and conditions as the commis-
17 sioner of finance may prescribe by regulation.

18 § 11-521 Notice of deficiency. (a) General. If upon examination of a
19 taxpayer's return under this chapter the commissioner of finance deter-
20 mines that there is a deficiency of income tax, the commissioner may
21 mail a notice of deficiency to the taxpayer. If a taxpayer fails to file
22 a return required under this chapter, the commissioner of finance is
23 authorized to estimate the taxpayer's city unincorporated business taxa-
24 ble income and tax thereon, from any information in the commissioner's
25 possession, and to mail a notice of deficiency to the taxpayer. A notice
26 of deficiency shall be mailed by certified or registered mail to the
27 taxpayer at his or her last known address in or out of the city. If the
28 taxpayer is deceased or under a legal disability, a notice of deficiency
29 may be mailed to his or her last known address in or out of the city,
30 unless the commissioner of finance has received notice of the existence
31 of a fiduciary relationship with respect to the taxpayer.

32 (b) Notice of deficiency as assessment. After ninety days from the
33 mailing of a notice of deficiency or, if the commissioner of finance has
34 established a conciliation procedure pursuant to section 11-124 of this
35 title and the taxpayer has requested a conciliation conference in
36 accordance therewith, after ninety days from the mailing of the concil-
37 iation decision or the date of the commissioner's confirmation of the
38 discontinuance of the conciliation proceeding, such notice shall be an
39 assessment of the amount of tax specified therein, together with the
40 interest, additions to tax and penalties stated in such notice, except
41 only for any such tax or other amounts as to which the taxpayer has
42 within such ninety day period filed with the tax appeals tribunal a
43 petition under section 11-529 of this chapter. If the notice of defi-
44 ciency or conciliation decision is addressed to a person outside of the
45 United States, such period shall be one hundred fifty days instead of
46 ninety days.

47 (c) Restrictions on assessment and levy. No assessment of a deficiency
48 in tax and no levy or proceeding in court for its collection shall be
49 made, begun or prosecuted, except as otherwise provided in section
50 11-534 of this chapter, until a notice of deficiency has been mailed to
51 the taxpayer, nor until the expiration of the time for filing a petition
52 with the tax appeals tribunal contesting such notice, nor, if a petition
53 with respect to the taxable year has been both served upon the commis-
54 sioner of finance and filed with the tax appeals tribunal, until the
55 decision of the tax appeals tribunal has become final. For exception in

1 the case of judicial review of the decision of the tax appeals tribunal,
2 see subdivision (c) of section 11-530 of this chapter.

3 (d) Exceptions for mathematical errors. If a mathematical error
4 appears on a return, including an overstatement of the amount paid as
5 estimated tax, the commissioner of finance shall notify the taxpayer
6 that an amount of tax in excess of that shown upon the return is due,
7 and that such excess has been assessed.

8 Such notice shall not be considered as a notice of deficiency for the
9 purposes of this section, subdivision (f) of section 11-527 of this
10 chapter, limiting credits or refunds after petition to the tax appeals
11 tribunal, or subdivision (b) of section 11-529 of this chapter, author-
12 izing the filing of a petition with the tax appeals tribunal based on a
13 notice of deficiency, nor shall such assessment or collection be prohib-
14 ited by the provisions of subdivision (c) of this section.

15 (e) Exception where change in federal or New York state taxable income
16 is not reported.

17 (1) If the taxpayer fails to comply with section 11-519 of this chap-
18 ter in not reporting a change or correction increasing or decreasing the
19 taxpayer's federal or New York state taxable income as reported on the
20 taxpayer's federal or New York state return or in not reporting a change
21 or correction which is treated in the same manner as if it were a defi-
22 ciency for federal or New York state income tax purposes or in not
23 filing an amended return or in not reporting the execution of a notice
24 of waiver described in such section, instead of the mode and time of
25 assessment provided for in subdivision (b) of this section, the commis-
26 sioner of finance may assess a deficiency based upon such changed or
27 corrected federal or New York state taxable income by mailing to the
28 taxpayer a notice of additional tax due specifying the amount of the
29 deficiency, and such deficiency, together with the interest, additions
30 to tax and penalties stated in such notice, shall be deemed assessed on
31 the date such notice is mailed unless within thirty days after the mail-
32 ing of such notice a report of the federal or New York state change or
33 correction or an amended return, where such return was required by
34 section 11-519 of this chapter, is filed accompanied by a statement
35 showing wherein such federal or New York state determination and such
36 notice of additional tax due are erroneous.

37 (2) Such notice shall not be considered as a notice of deficiency for
38 the purposes of this section, subdivision (f) of section 11-527 of this
39 chapter, limiting credits or refunds after petition to the tax appeals
40 tribunal, or subdivision (b) of section 11-529 of this chapter, author-
41 izing the filing of a petition with the tax appeals tribunal based on a
42 notice of deficiency, nor shall such assessment or collection thereof be
43 prohibited by the provisions of subdivision (c) of this section.

44 (3) If the taxpayer is deceased or under a legal disability, a notice
45 of additional tax due may be mailed to his or her last known address in
46 or out of the city, unless the commissioner of finance has received
47 notice of the existence of a fiduciary relationship with respect to the
48 taxpayer.

49 (f) Waiver of restrictions. The taxpayer shall at any time, whether or
50 not a notice of deficiency has been issued, have the right to waive the
51 restrictions on assessment and collection of the whole or any part of
52 the deficiency by a signed notice in writing filed with the commissioner
53 of finance.

54 (g) Deficiency defined. For purposes of this chapter, a deficiency
55 means the amount of the tax imposed by this chapter, less (i) the amount
56 shown as the tax upon the taxpayer's return, whether the return was made

1 or the tax computed by the taxpayer or by the commissioner of finance,
2 and less, (ii) the amounts previously assessed, or collected without
3 assessment, as a deficiency and plus (iii) the amount of any rebates.
4 For the purpose of this definition, the tax imposed by this chapter and
5 the tax shown on the return shall both be determined without regard to
6 payments on account of estimated tax; and a rebate means so much of an
7 abatement, credit, refund or other repayment, whether or not erroneous,
8 made on the ground that the amounts entering into the definition of a
9 deficiency showed a balance in favor of the taxpayer.

10 (h) Exception where change or correction of sales and compensating use
11 tax liability is not reported. (1) If a taxpayer fails to comply with
12 section 11-519.1 of this chapter in not reporting a change or correction
13 of his or her sales and compensating use tax liability or in not filing
14 a copy of an amended return or report relating to his or her sales and
15 compensating use tax liability, instead of the mode and time of assess-
16 ment provided for in subdivision (b) of this section, the commissioner
17 of finance may assess a deficiency based upon such changed or corrected
18 sales and compensating use tax liability, as same relates to credits
19 claimed under this chapter by mailing to the taxpayer a notice of addi-
20 tional tax due specifying the amount of the deficiency, and such defi-
21 ciency, together with the interest, additions to tax and penalties stat-
22 ed in such notice, shall be deemed assessed on the date such notice is
23 mailed unless within thirty days after the mailing of such notice a
24 report of the state change or correction or a copy of an amended return
25 or report, where such copy was required by section 11-519.1 of this
26 chapter, is filed accompanied by a statement showing where such state
27 determination and such notice of additional tax due are erroneous.

28 (2) Such notice shall not be considered as a notice of deficiency for
29 the purposes of this section, subdivision (f) of section 11-527 of this
30 chapter, limiting credits or refunds after petition to the tax appeals
31 tribunal, or subdivision (b) of section 11-529 of this chapter, author-
32 izing the filing of a petition with the tax appeals tribunal based on a
33 notice of deficiency, nor shall such assessment or the collection there-
34 of be prohibited by the provisions of subdivision (c) of this section.

35 (3) If the taxpayer is deceased or under a legal disability, a notice
36 of additional tax due may be mailed to his or her last known address in
37 or out of the city, and such notice shall be sufficient for purposes of
38 this chapter. If the commissioner of finance has received notice that a
39 person is acting for the taxpayer in a fiduciary capacity, a copy of
40 such notice shall also be mailed to the fiduciary named in such notice.

41 § 11-522 Assessment. (a) Assessment date. The amount of tax which a
42 return shows to be due, or the amount of tax which a return would have
43 shown to be due but for a mathematical error, shall be deemed to be
44 assessed on the date of filing of the return, including any amended
45 return showing an increase of tax. In the case of a return properly
46 filed without computation of tax, the tax computed by the commissioner
47 of finance shall be deemed to be assessed on the date on which payment
48 is due. If a notice of deficiency has been mailed, the amount of the
49 deficiency shall be deemed to be assessed on the date specified in
50 subdivision (b) of section 11-521 of this chapter if no petition is both
51 served on the commissioner of finance and filed with the tax appeals
52 tribunal, or if a petition is filed, then upon the date when a decision
53 of the tax appeals tribunal establishing the amount of the deficiency
54 becomes final.

55 If an amended return or report filed pursuant to section 11-519 of
56 this chapter concedes the accuracy of a federal or New York state

1 adjustment, change or correction, any deficiency in tax under this chap-
2 ter resulting therefrom shall be deemed to be assessed on the date of
3 filing such report or amended return, and such assessment shall be time-
4 ly notwithstanding section 11-523 of this chapter.

5 If a report or amended return or report filed pursuant to section
6 11-519.1 of this chapter concedes the accuracy of a state change or
7 correction of sales and compensating use tax liability, any deficiency
8 in tax under this chapter resulting therefrom shall be deemed assessed
9 on the date of filing such report, and such assessment shall be timely
10 notwithstanding section 11-523 of this chapter.

11 If a notice of additional tax due, as prescribed in subdivision (e) of
12 section 11-521 of this chapter has been mailed, the amount of the defi-
13 ciency shall be deemed to be assessed on the date specified in such
14 subdivision unless within thirty days after the mailing of such notice a
15 report of the federal or New York state change or correction or an
16 amended return, where such return was required by section 11-519 of this
17 chapter is filed accompanied by a statement showing wherein such federal
18 or New York state determination and such notice of additional tax due
19 are erroneous.

20 If a notice of additional tax due, as prescribed in subdivision (h) of
21 section 11-521 of this chapter, has been mailed, the amount of the defi-
22 ciency shall be deemed to be assessed on the date specified in such
23 subdivision unless within thirty days after the mailing of such notice a
24 report of the state change or correction, or a copy of an amended return
25 or report, where such copy was required by section 11-519.1 of this
26 chapter, is filed accompanied by a statement showing wherein such state
27 determination and such notice of additional tax due are erroneous.

28 Any amount paid as a tax or in respect of a tax, other than amounts
29 paid as estimated income tax, shall be deemed to be assessed upon the
30 date of receipt of payment, notwithstanding any other provisions.

31 (b) Other assessment powers. If the mode or time for the assessment of
32 any tax under this chapter, including interest, additions to tax and
33 assessable penalties, is not otherwise provided for, the commissioner of
34 finance may establish the same by regulations.

35 (c) Estimated income tax. No unpaid amount of estimated tax under
36 section one hundred sixteen shall be assessed.

37 (d) Supplemental assessment. The commissioner of finance may, at any
38 time within the period prescribed for assessment, make a supplemental
39 assessment, subject to the provisions of section 11-521 of this chapter
40 where applicable, whenever it is ascertained that any assessment is
41 imperfect or incomplete in any material respect.

42 (e) Cross-reference. For assessment in case of jeopardy, see section
43 11-534 of this chapter.

44 § 11-523 Limitations on assessment. (a) General. Except as otherwise
45 provided in this section, any tax under this chapter shall be assessed
46 within three years after the return was filed, whether or not such
47 return was filed on or after the date prescribed.

48 (b) Time return deemed filed. For purposes of this section a return
49 of tax filed before the last day prescribed by law or by regulations
50 promulgated pursuant to law for the filing thereof, shall be deemed to
51 be filed on such last day.

52 (c) Exceptions. (1) Assessment at any time. The tax may be assessed
53 at any time if:

54 (A) no return is filed,

55 (B) a false or fraudulent return is filed with intent to evade tax,

1 (C) the taxpayer fails to comply with section 11-519 of this chapter
2 in not reporting a change or correction increasing or decreasing the
3 taxpayer's federal or New York state taxable income as reported on the
4 taxpayer's federal or New York state income tax return, or the execution
5 of a notice of waiver and the changes or corrections on which it is
6 based or in not reporting a change or correction which is treated in the
7 same manner as if it were a deficiency for federal or New York state
8 income tax purposes, or in not filing an amended return, or

9 (D) the taxpayer fails to file a report or amended return or report
10 required under section 11-519.1 of this chapter, in respect of a change
11 or correction of sales and compensating use tax liability, relating to
12 the purchase or use of items for which a sales or compensating use tax
13 credit against the tax imposed by this chapter was claimed.

14 (2) Extension by agreement. Where, before the expiration of the time
15 prescribed in this section for the assessment of tax, both the commis-
16 sioner of finance and the taxpayer have consented in writing to its
17 assessment after such time, the tax may be assessed at any time prior to
18 the expiration of the period agreed upon. The period so agreed upon may
19 be extended by subsequent agreements in writing made before the expira-
20 tion of the period previously agreed upon.

21 (3) Report of changed or corrected federal or New York state income.
22 If the taxpayer shall, pursuant to section 11-519 of this chapter,
23 report a change or correction or file an amended return increasing or
24 decreasing federal or New York state taxable income or report the
25 execution of a notice of waiver and the changes and corrections on which
26 it is based, or a change or correction which is treated in the same
27 manner as if it were a deficiency for federal or New York state income
28 tax purposes, the assessment, if not deemed to have been made upon the
29 filing of the report or amended return, may be made at any time within
30 two years after such report or amended return was filed. The amount of
31 such assessment of tax shall not exceed the amount of the increase in
32 city tax attributable to such federal or New York state change or
33 correction. The provisions of this paragraph shall not affect the time
34 within which or the amount for which an assessment may otherwise be
35 made.

36 (4) Deficiency attributable to net operating loss carryback. If a
37 deficiency is attributable to the application to the taxpayer of a net
38 operating loss carryback, it may be assessed at any time that a defi-
39 ciency for the taxable year of the loss may be assessed.

40 (5) Recovery of erroneous refund. An erroneous refund shall be
41 considered an underpayment of tax on the date made, and an assessment of
42 a deficiency arising out of an erroneous refund may be made at any time
43 within two years from the making of the refund, except that the assess-
44 ment may be made within five years from the making of the refund if it
45 appears that any part of the refund was induced by fraud or misrepresen-
46 tation of a material fact.

47 (6) Request for prompt assessment. If a return is required for a
48 decedent or for his or her estate during the period of administration,
49 the tax shall be assessed within eighteen months after written request
50 therefor, made after the return is filed, by the executor, administrator
51 or other person representing the estate of such decedent, but not more
52 than three years after the return was filed, except as otherwise
53 provided in this subdivision and subdivision (d) of this section.

54 (7) Report on use of certain property. Under the circumstances
55 described in paragraph two of subdivision (b) of section 11-509 of this
56 chapter, the tax may be assessed within three years after the filing of

1 a return reporting that property has been used for purposes other than
2 research and development to a greater extent than originally reported.

3 (8) Report concerning waste treatment facility. Under the circum-
4 stances described in paragraph (i) of section 11-507 of this chapter,
5 the tax may be assessed within three years after the filing of the
6 return containing the information required by such paragraph.

7 (9) Report of changed or corrected sales and compensating use tax
8 liability. If the taxpayer files a report or amended return or report
9 required under section 11-519.1 of this chapter, in respect of a change
10 or correction of sales and compensating use tax liability, the assess-
11 ment, if not deemed to have been made upon the filing of the report, may
12 be made at any time within two years after such report or amended return
13 or report was filed. The amount of such assessment of tax shall not
14 exceed the amount of the increase in city tax attributable to such state
15 change or correction. The provisions of this paragraph shall not affect
16 the time within which or the amount for which an assessment may other-
17 wise be made.

18 (d) Omission of income on return. The tax may be assessed at any time
19 within six years after the return was filed if (1) a taxpayer omits from
20 his or her city unincorporated business gross income an amount properly
21 includible therein which is in excess of twenty-five per centum of the
22 amount of city unincorporated business gross income stated in the
23 return, or (2) an estate or trust omits income from its return in an
24 amount in excess of twenty-five percent of its income determined as if
25 it were an individual.

26 For purposes of this subdivision there shall not be taken into account
27 any amount which is omitted in the return if such amount is disclosed in
28 the return, or in a statement attached to the return, in a manner
29 adequate to apprise the commissioner of finance of the nature and amount
30 of such item.

31 (e) Suspension of running of period of limitation. The running of the
32 period of limitations on assessment or collection of tax or other
33 amount, or of a transferee's liability, shall, after the mailing of a
34 notice of deficiency, be suspended for the period during which the
35 commissioner of finance is prohibited under subdivision (c) of section
36 11-521 of this chapter from making the assessment or from collecting by
37 levy.

38 § 11-524 Interest on underpayment. (a) General. If any amount of tax
39 is not paid on or before the last date prescribed in this chapter for
40 payment, interest on such amount at the underpayment rate set by the
41 commissioner of finance pursuant to section 11-537 of this chapter, or,
42 if no rate is set, at the rate of seven and one-half percent per annum
43 shall be paid for the period from such last date to the date paid,
44 whether or not any extension of time for payment was granted. Interest
45 under this subdivision shall not be paid if the amount thereof is less
46 than one dollar.

47 (b) Exception as to estimated tax. This section shall not apply to
48 any failure to pay estimated tax under section 11-512 of this chapter.

49 (c) Exception for mathematical error. No interest shall be imposed on
50 any underpayment of tax due solely to mathematical error if the taxpayer
51 files a return within the time prescribed in this chapter, including any
52 extension of time, and pays the amount of underpayment within three
53 months after the due date of such return, as it may be extended.

54 (d) Suspension of interest on deficiencies. If a waiver of
55 restrictions on assessment of a deficiency has been filed by the taxpay-
56 er, and if notice and demand by the commissioner of finance for payment

1 of such deficiency is not made within thirty days after the filing of
2 such waiver, interest shall not be imposed on such deficiency for the
3 period beginning immediately after such thirtieth day and ending with
4 the date of notice and demand.

5 (e) Tax reduced by carryback. If the amount of tax for any taxable
6 year is reduced by reason of a carryback of a net operating loss, such
7 reduction in tax shall not affect the computation of interest under this
8 section for the period ending with the filing date for the taxable year
9 in which the net operating loss arises. Such filing date shall be deter-
10 mined without regard to extensions of time to file.

11 (f) Interest treated as tax. Interest under this section shall be
12 paid upon notice and demand and shall be assessed, collected and paid in
13 the same manner as tax. Any reference in this chapter to the tax
14 imposed by this chapter shall be deemed also to refer to interest
15 imposed by this section on such tax.

16 (g) Interest on penalties or additions to tax. Interest shall be
17 imposed under subdivision (a) of this section in respect of any assessa-
18 ble penalty or addition to tax only if such assessable penalty or addi-
19 tion to tax is not paid within ten days from the date of the notice and
20 demand therefor under subdivision (b) of section 11-532 of this chapter,
21 and in such case interest shall be imposed only for the period from such
22 date of the notice and demand to the date of payment.

23 (h) Payment within ten days after notice and demand. If notice and
24 demand is made for payment of any amount under subdivision (b) of
25 section 11-532 of this chapter, and if such amount is paid within ten
26 days after the date of such notice and demand, interest under this
27 section on the amount so paid shall not be imposed for the period after
28 the date of such notice and demand.

29 (i) Limitation on assessment and collection. Interest prescribed
30 under this section may be assessed and collected at any time during the
31 period within which the tax or other amount to which such interest
32 relates may be assessed and collected, respectively.

33 (j) Interest on erroneous refund. Any portion of tax or other amount
34 which has been erroneously refunded, and which is recoverable by the
35 commissioner of finance, shall bear interest at the underpayment rate
36 set by the commissioner of finance pursuant to section 11-537 of this
37 chapter, or, if no rate is set, at the rate of seven and one-half
38 percent per annum from the date of the payment of the refund, but only
39 if it appears that any part of the refund was induced by fraud or a
40 misrepresentation of a material fact.

41 (k) Satisfaction by credits. If any portion of a tax is satisfied by
42 credit of an overpayment, then no interest shall be imposed under this
43 section on the portion of the tax so satisfied for any period during
44 which, if the credit had not been made, interest would have been allow-
45 able with respect to such overpayment.

46 § 11-525 Additions to tax and civil penalties. (a) (1) Failure to
47 file tax return. (A) In case of failure to file a tax return under this
48 chapter on or before the prescribed date, determined with regard to any
49 extension of time for filing, unless it is shown that such failure is
50 due to reasonable cause and not due to willful neglect, there shall be
51 added to the amount required to be shown as tax on such return five
52 percent of the amount of such tax if the failure is for not more than
53 one month, with an additional five percent for each additional month or
54 fraction thereof during which such failure continues, not exceeding
55 twenty-five percent in the aggregate.

1 (B) In the case of a failure to file a tax return within sixty days of
2 the date prescribed for filing of such return, determined with regard to
3 any extension of time for filing, unless it is shown that such failure
4 is due to reasonable cause and not due to willful neglect, the addition
5 to tax under subparagraph (A) of this paragraph shall not be less than
6 the lesser of one hundred dollars or one hundred percent of the amount
7 required to be shown as tax on such return.

8 (C) For purposes of this paragraph, the amount of tax required to be
9 shown on the return shall be reduced by the amount of any part of the
10 tax which is paid on or before the date prescribed for payment of the
11 tax and by the amount of any credit against the tax which may be claimed
12 upon the return.

13 (2) Failure to pay tax shown on return. In case of failure to pay the
14 amounts shown as tax on any return required to be filed under this chap-
15 ter on or before the prescribed date, determined with regard to any
16 extension of time for payment, unless it is shown that such failure is
17 due to reasonable cause and not due to willful neglect, there shall be
18 added to the amount shown as tax on such return one-half of one percent
19 of the amount of such tax if the failure is not for more than one month,
20 with an additional one-half of one percent for each additional month or
21 fraction thereof during which such failure continues, not exceeding
22 twenty-five percent in the aggregate. For the purpose of computing the
23 addition for any month, the amount of tax shown on the return shall be
24 reduced by the amount of any part of the tax which is paid on or before
25 the beginning of such month and by the amount of any credit against the
26 tax which may be claimed upon the return. If the amount of tax required
27 to be shown on a return is less than the amount shown as tax on such
28 return, this paragraph shall be applied by substituting such lower
29 amount.

30 (3) Failure to pay tax required to be shown on return. In case of
31 failure to pay any amount in respect of any tax required to be shown on
32 a return required to be filed under this chapter which is not so shown,
33 including an assessment made pursuant to subdivision (a) of section
34 11-522 of this chapter, within ten days of the date of a notice and
35 demand therefor, unless it is shown that such failure is due to reason-
36 able cause and not due to willful neglect, there shall be added to the
37 amount of tax stated in such notice and demand one-half of one percent
38 of such tax if the failure is not for more than one month, with an addi-
39 tional one-half of one percent for each additional month or fraction
40 thereof during which such failure continues, not exceeding twenty-five
41 percent in the aggregate. For the purpose of computing the addition for
42 any month, the amount of tax stated in the notice and demand shall be
43 reduced by the amount of any part of the tax which is paid before the
44 beginning of such month.

45 (4) Limitations on additions. (A) With respect to any return the
46 amount of the addition under paragraph one of this subdivision shall be
47 reduced by the amount of the addition under paragraph two of this subdivi-
48 sion for any month to which an addition applies under both paragraphs
49 one and two of this subdivision. In any case described in subparagraph
50 (B) of paragraph one of this subdivision, the amount of the addition
51 under such paragraph one shall not be reduced below the amount provided
52 in such subparagraph.

53 (B) With respect to any return, the maximum amount of the addition
54 permitted under paragraph three of this subdivision shall be reduced by
55 the amount of the addition under paragraph one of this subdivision,
56 determined without regard to subparagraph (B) of such paragraph one,

1 which is attributable to the tax for which the notice and demand is made
2 and which is not paid within ten days of such notice and demand.

3 (b) Deficiency due to negligence. (1) If any part of a deficiency is
4 due to negligence or intentional disregard of this chapter or rules or
5 regulations hereunder, but without intent to defraud, there shall be
6 added to the tax an amount equal to five percent of the deficiency.

7 (2) There shall be added to the tax, in addition to the amount deter-
8 mined under paragraph one of this subdivision, an amount equal to fifty
9 percent of the interest payable under subdivision (a) of section 11-524
10 with respect to the portion of the deficiency described in such para-
11 graph one which is attributable to the negligence or intentional disre-
12 gard referred to in such paragraph one, for the period beginning on the
13 last date prescribed by law for payment of such deficiency, determined
14 without regard to any extension, and ending on the date of the assess-
15 ment of the tax, or, if earlier, the date of the payment of the tax.

16 (3) If any payment is shown on a return made by a payor with respect
17 to dividends, patronage dividends and interest under subsection (a) of
18 section six thousand forty-two, subsection (a) of section six thousand
19 forty-four or subsection (a) of section six thousand forty-nine of the
20 internal revenue code of nineteen hundred fifty-four, respectively, and
21 the payee fails to include any portion of such payment in unincorporated
22 business gross income, as that term is defined in section 11-506, any
23 portion of a deficiency attributable to such failure shall be treated,
24 for purposes of this subdivision, as due to negligence in the absence of
25 clear and convincing evidence to the contrary. If any addition to tax is
26 imposed under this subdivision by reason of this paragraph, the amount
27 of the addition to tax imposed by paragraph one of this subdivision
28 shall be five percent of the portion of the deficiency which is attrib-
29 utable to the failure described in this paragraph.

30 (c) Failure to file declaration or underpayment of estimated tax. If
31 any taxpayer fails to file a declaration of estimated tax or fails to
32 pay all or any part of an installment of estimated tax, the taxpayer
33 shall be deemed to have made an underpayment of estimated tax. There
34 shall be added to the tax for the taxable year an amount at the under-
35 payment rate set by the commissioner of finance pursuant to section
36 11-537 of this chapter, or, if no rate is set, at the rate of seven and
37 one-half percent per annum upon the amount of the underpayment for the
38 period of the underpayment but not beyond the fifteenth day of the
39 fourth month following the close of the taxable year. The amount of the
40 underpayment shall be the excess of the amount of the installment which
41 would be required to be paid if the estimated tax were equal to ninety
42 percent of the tax shown on the return for the taxable year, or if no
43 return was filed, ninety percent of the tax for such year, over the
44 amount, if any, of the installment paid on or before the last day
45 prescribed for such payment. No underpayment shall be deemed to exist
46 with respect to a declaration or installment otherwise due on or after
47 the taxpayer's death. In any case in which there would be no underpay-
48 ment if this subdivision were applied by substituting "eighty percent"
49 for "ninety percent" where it appears in this subdivision, the addition
50 to tax under this subdivision shall be equal to seventy-five percent of
51 the amount otherwise determined under this subdivision.

52 (d) Exception to addition for underpayment of estimated tax. The addi-
53 tion to tax under subdivision (c) of this section with respect to any
54 underpayment of any installment shall not be imposed if the total amount
55 of all payments of estimated tax made on or before the last date

1 prescribed for the payment of such installment equals or exceeds which-
2 ever of the following is the lesser:

3 (1) The amount which would have been required to be paid on or before
4 such date if the estimated tax were whichever of the following is the
5 least:

6 (A) The tax shown on the return of the taxpayer for the preceding
7 taxable year, if a return showing a liability for tax was filed by the
8 taxpayer for the preceding taxable year and such preceding year was a
9 taxable year of twelve months, or

10 (B) An amount equal to the tax computed, at the rates applicable to
11 the taxable year, but otherwise on the basis of the facts shown on the
12 taxpayer's return for, and the law applicable to, the preceding taxable
13 year, or

14 (C) An amount equal to ninety percent of the tax for the taxable year
15 computed by placing on an annualized basis the unincorporated business
16 taxable income for the months in the taxable year ending before the
17 month in which the installment is required to be paid. For purposes of
18 this subparagraph, the unincorporated business taxable income shall be
19 placed on an annualized basis by:

20 (i) multiplying by twelve, or, in the case of a taxable year of less
21 than twelve months, the number of months in the taxable year, the unin-
22 corporated business taxable income for the months in the taxable year
23 ending before the month in which the installment is required to be paid,
24 and

25 (ii) dividing the resulting amount by the number of months in the
26 taxable year ending before the month in which such installment date
27 falls, or

28 (D)(i) If the base period percentage for any six consecutive months of
29 the taxable year equals or exceeds seventy percent, an amount equal to
30 ninety percent of the tax determined in the following manner:

31 (I) take the unincorporated business taxable income for all months
32 during the taxable year preceding the filing month,

33 (II) divide such amount by the base period percentage for all months
34 during the taxable year preceding the filing month,

35 (III) determine the tax on the amounts determined under subclause (II)
36 of this clause, and

37 (IV) multiply the tax determined under subclause (III) of this clause
38 by the base period percentage for the filing month and all months during
39 the taxable year preceding the filing month.

40 (ii) For purposes of clause (i) of this subparagraph:

41 (I) the base period percentage for any period of months shall be the
42 average percent which the unincorporated business taxable income for the
43 corresponding months in each of the three preceding years bears to the
44 unincorporated business taxable income for the three preceding taxable
45 years. The commissioner of finance may by regulations provide for the
46 determination of the base period percentage in the case of new unincor-
47 porated businesses and other similar circumstances, and

48 (II) the term "filing month" means the month in which the installment
49 is required to be paid;

50 (2) An amount equal to ninety percent of the tax computed, at the
51 rates applicable to the taxable year, on the basis of the actual unin-
52 corporated business taxable income for the months in the taxable year
53 ending before the month in which the installment is required to be paid.

54 (e)(1) Except as provided in paragraph two of this subdivision,
55 subparagraphs (A) and (B) of paragraph one of subdivision (d) of this
56 section shall not apply in the case of any taxpayer which had unincorpo-

1 rated business taxable income, or the portion thereof allocated within
2 the city, of one million dollars or more for any taxable year during the
3 three taxable years immediately preceding the taxable year involved.

4 (2) The amount treated as the estimated tax under subparagraphs (A)
5 and (B) of paragraph one of subdivision (d) of this section shall in no
6 event be less than seventy-five percent of the tax shown on the return
7 for the taxable year beginning in nineteen hundred eighty-three or, if
8 no return was filed, seventy-five percent of the tax for such year.

9 (f) Deficiency due to fraud. (1) If any part of a deficiency is due to
10 fraud, there shall be added to the tax an amount equal to two times of
11 the deficiency.

12 (2) The addition to tax under this subdivision shall be in lieu of any
13 other addition to tax imposed by subdivision (a) or (b) of this section.

14 (g) Additional penalty. Any taxpayer who with fraudulent intent shall
15 fail to pay any tax, or to make, render, sign or certify any return or
16 declaration of estimated tax, or to supply any information within the
17 time required by or under this chapter shall be liable to a penalty of
18 not more than one thousand dollars, in addition to any other amounts
19 required under this chapter, to be imposed, assessed and collected by
20 the commissioner of finance. The commissioner of finance shall have the
21 power, in his or her discretion, to waive, reduce or compromise any
22 penalty under this subdivision.

23 (h) Additions treated as tax. The additions to tax and penalties
24 provided by this section shall be paid upon notice and demand and shall
25 be assessed, collected and paid in the same manner as taxes, and any
26 reference in this chapter to tax or tax imposed by this chapter, shall
27 be deemed also to refer to the additions to tax and penalties provided
28 by this section. For purposes of section 11-521, this subdivision shall
29 not apply to:

30 (1) any addition to tax under subdivision (a) of this section except
31 as to that portion attributable to a deficiency;

32 (2) any addition to tax under subdivision (c) of this section; and

33 (3) any additional penalties under subdivisions (g) and (k) of this
34 section.

35 (i) Determination of deficiency. For purposes of subdivisions (b) and
36 (c) of this section, the amounts shown as the tax by the taxpayer upon
37 his or her return shall be taken into account in determining the amount
38 of the deficiency only if such return was filed on or before the last
39 day prescribed for the filing of such return, determined with regard to
40 any extension of time for such filing.

41 (j) Substantial understatement of liability. If there is a substantial
42 understatement of tax for any taxable year, there shall be added to the
43 tax an amount equal to ten percent of the amount of any underpayment
44 attributable to such understatement. For purposes of this subdivision,
45 there is a substantial understatement of tax for any taxable year if the
46 amount of the understatement for the taxable year exceeds the greater of
47 ten percent of the tax required to be shown on the return for the tax-
48 able year, or five thousand dollars. For purposes of the this subdivi-
49 sion, the term "understatement" means the excess of the amount of the
50 tax required to be shown on the return for the taxable year, over the
51 amount of the tax imposed which is shown on the return, reduced by any
52 rebate, within the meaning of subdivision (g) of section 11-521 of this
53 chapter. The amount of such understatement shall be reduced by that
54 portion of the understatement which is attributable to the tax treatment
55 of any item by the taxpayer if there is or was substantial authority for
56 such treatment, or any item with respect to which the relevant facts

1 affecting the item's tax treatment are adequately disclosed in the
2 return or in a statement attached to the return. The commissioner of
3 finance may waive all or any part of the addition to tax provided by
4 this subdivision on a showing by the taxpayer that there was reasonable
5 cause for the understatement, or part thereof, and that the taxpayer
6 acted in good faith.

7 (k) Aiding or assisting in the giving of fraudulent returns, reports,
8 statements or other documents. (1) Any person who, with the intent that
9 tax be evaded, shall, for a fee or other compensation or as an incident
10 to the performance of other services for which such person receives
11 compensation, aid or assist in, or procure, counsel, or advise the prep-
12 aration or presentation under, or in connection with any matter arising
13 under this chapter of any return, report, declaration, statement or
14 other document which is fraudulent or false as to any material matter,
15 or supply any false or fraudulent information, whether or not such
16 falsity or fraud is with the knowledge or consent of the person author-
17 ized or required to present such return, report, declaration, statement
18 or other document shall pay a penalty not exceeding ten thousand
19 dollars.

20 (2) For purposes of paragraph one of this subdivision, the term
21 "procures" includes ordering, or otherwise causing, a subordinate to do
22 an act, and knowing of, and not attempting to prevent, participation by
23 a subordinate in an act. The term "subordinate" means any other person,
24 whether or not a member, employee, or agent of the taxpayer involved,
25 over whose activities the person has direction, supervision, or control.

26 (3) For purposes of paragraph one of this subdivision, a person
27 furnishing typing, reproducing, or other mechanical assistance with
28 respect to a document shall not be treated as having aided or assisted
29 in the preparation of such document by reason of such assistance.

30 (4) The penalty imposed by this subdivision shall be in addition to
31 any other penalty provided by law.

32 (1) False or fraudulent document penalty. Any taxpayer that submits a
33 false or fraudulent document to the department shall be subject to a
34 penalty of one hundred dollars per document submitted, or five hundred
35 dollars per tax return submitted. Such penalty shall be in addition to
36 any other penalty or addition provided by law.

37 § 11-526 Overpayment. (a) General. The commissioner of finance,
38 within the applicable period of limitations, may credit an overpayment
39 of tax and interest on such overpayment against any liability in respect
40 of any tax imposed by this title, on the person who made overpayment,
41 and the balance shall be refunded. Such credit of an overpayment shall
42 be applied before such overpayment, or any portion thereof, is paid to
43 the state commissioner of taxation and finance pursuant to section one
44 hundred seventy-one-m of the tax law.

45 (b) Credits against estimated tax. The commissioner of finance may
46 prescribe regulations providing for the crediting against the estimated
47 tax for any taxable year of the amount determined to be an overpayment
48 of the tax for a preceding taxable year. If any overpayment of tax is
49 so claimed as a credit against estimated tax for the succeeding taxable
50 year, such amount shall be considered as a payment of the tax for the
51 succeeding taxable year, whether or not claimed as a credit in the
52 declaration of estimated tax for such succeeding taxable year, and no
53 claim for credit or refund of such overpayment shall be allowed for the
54 taxable year for which the overpayment arises.

1 (c) Rule where no tax liability. If there is no tax liability for a
2 period in respect of which an amount is paid as tax, such amount shall
3 be considered an overpayment.

4 (d) Assessment and collection after limitation period. If any amount
5 of income tax is assessed or collected after the expiration of the peri-
6 od of limitations properly applicable thereto, such amount shall be
7 considered an overpayment.

8 (e) Notwithstanding any provision of law in article fifty-two of the
9 civil practice law and rules to the contrary, the procedures for the
10 enforcement of money judgments shall not apply to the department of
11 finance, or to any officer or employee of the department of finance, as
12 a garnishee, with respect to any amount of money to be refunded or cred-
13 ited to a taxpayer under this chapter.

14 § 11-527 Limitation on credit or refund. (a) General. Claim for credit
15 or refund of an overpayment of tax shall be filed by the taxpayer within
16 three years from the time the return was filed or two years from the
17 time the tax was paid, whichever of such periods expires the later, or
18 if no return was filed, within two years from the time the tax was paid.
19 If the claim is filed within the three year period, the amount of the
20 credit or refund shall not exceed the portion of the tax paid within the
21 three years immediately preceding the filing of the claim plus the peri-
22 od of any extension of time for filing the return. If the claim is not
23 filed within the three year period, but is filed within the two year
24 period, the amount of the credit or refund shall not exceed the portion
25 of the tax paid during the two years immediately preceding the filing of
26 the claim. Except as otherwise provided in this section, if no claim is
27 filed, the amount of a credit or refund shall not exceed the amount
28 which would be allowable if a claim had been filed on the date the cred-
29 it or refund is allowed.

30 (b) Extension of time by agreement. If an agreement under the
31 provisions of paragraph two of subdivision (c) of section 11-523 of this
32 chapter, extending the period for assessment of income tax, is made
33 within the period prescribed in subdivision (a) of this section for the
34 filing of a claim for credit or refund the period for filing a claim for
35 credit or refund, or for making credit or refund if no claims filed,
36 shall not expire prior to six months after the expiration of the period
37 within which an assessment may be made pursuant to the agreement or any
38 extension thereof. The amount of such credit or refund shall not exceed
39 the portion of the tax paid after the execution of the agreement and
40 before the filing of the claim or the making of the credit or refund, as
41 the case may be, plus the portion of the tax paid within the period
42 which would be applicable under subdivision (a) of this section if a
43 claim had been filed on the date the agreement was executed.

44 (c) Notice of change or correction of federal or New York state taxa-
45 ble income. If a taxpayer is required by section 11-519 of this chapter
46 to report a change or correction in federal or New York state taxable
47 income reported on the taxpayer's federal or New York state income tax
48 return, or to report a change or correction which is treated in the same
49 manner as if it were an overpayment for federal or New York state income
50 tax purposes, or to file an amended return with the commissioner of
51 finance, claim for credit or refund of any resulting overpayment of tax
52 shall be filed by the taxpayer within two years from the time the notice
53 of such change or correction or such amended return was required to be
54 filed with the commissioner of finance. If the report or amended return
55 required by section 11-519 of this chapter is not filed within the nine-
56 ty day period therein specified, no interest shall be payable on any

1 claim for credit or refund of the overpayment attributable to the feder-
2 al or New York state change or correction. The amount of such credit or
3 refund shall not exceed the amount of the reduction in tax attributable
4 to such federal or New York state change, correction or items amended on
5 the taxpayer's amended federal or New York state income tax return. This
6 subdivision shall not affect the time within which or the amount for
7 which a claim for credit or refund may be filed apart from this subdivi-
8 sion.

9 (d) Overpayment attributable to net operating loss carryback. A claim
10 for credit or refund of so much of an overpayment as is attributable to
11 the application to the taxpayer of a net operating loss carryback shall
12 be filed within three years from the time the return was due for the
13 taxable year of the loss, or within the period prescribed in subdivision
14 (b) of this section in respect of such taxable year, or within the peri-
15 od prescribed in subdivision (c) of this section, where applicable in
16 respect of the taxable year to which the net operating loss is carried
17 back, whichever expires the latest.

18 (e) Failure to file claim within prescribed period. No credit or
19 refund shall be allowed or made, except as provided in subdivision (f)
20 of this section or subdivision (d) of section 11-530 of this chapter
21 after the expiration of the applicable period of limitation specified in
22 this chapter unless a claim for credit or refund is filed by the taxpay-
23 er within such period. Any later credit shall be void and any later
24 refund erroneous. No period of limitations specified in any other law
25 shall apply to the recovery by a taxpayer of moneys paid in respect of
26 taxes under this chapter.

27 (f) Effect of petition to tax appeals tribunal. If a notice of defi-
28 ciency for a taxable year has been mailed to the taxpayer under section
29 11-521 of this chapter and if the taxpayer files a timely petition with
30 the tax appeals tribunal under section 11-529 of this chapter, the tax
31 appeals tribunal may determine that the taxpayer has made an overpayment
32 for such year, whether or not it also determines a deficiency for such
33 year. No separate claim for credit or refund for such year shall be
34 filed, and no credit or refund for such year shall be allowed or made,
35 except:

36 (1) as to overpayments determined by a decision of the tax appeals
37 tribunal which has become final;

38 (2) as to any amount collected in excess of an amount computed in
39 accordance with the decision of the tax appeals tribunal which has
40 become final;

41 (3) as to any amount collected after the period of limitation upon the
42 making of levy for collection has expired; and

43 (4) as to any amount claimed as a result of a change or correction
44 described in subdivision (c) of this section.

45 (g) Limit on amount of credit or refund. The amount of overpayment
46 determined under subdivision (f) of this section shall, when the deci-
47 sion of the tax appeals tribunal has become final, be credited or
48 refunded in accordance with subdivision (a) of section 11-526 of this
49 chapter and shall not exceed the amount of tax which the tax appeals
50 tribunal determines as part of its decision was paid:

51 (1) after the mailing of the notice of deficiency, or

52 (2) within the period which would be applicable under subdivision (a),
53 (b) or (c) of this section, if on the date of the mailing of the notice
54 of deficiency a claim has been filed, whether or not filed, stating the
55 grounds upon which the tax appeals tribunal finds that there is an over-
56 payment.

1 (h) Early return. For purposes of this section, any return filed
2 before the last day prescribed for the filing thereof shall be consid-
3 ered as filed on such last day, determined without regard to any exten-
4 sion of time granted the taxpayer.

5 (i) Prepaid tax. For purposes of this section, any tax paid by the
6 taxpayer before the last day prescribed for its payment and any amount
7 paid by the taxpayer as estimated tax for a taxable year shall be deemed
8 to have been paid by the taxpayer on the fifteenth day of the fourth
9 month following the close of his or her taxable year with respect to
10 which such amount constitutes a credit or payment, except that for taxa-
11 ble years beginning on or after January first, two thousand sixteen, in
12 the case of a taxpayer classified as a partnership for federal income
13 tax purposes, such amount shall be deemed to have been paid on the
14 fifteenth day of the third month following the close of his or her taxa-
15 ble year with respect to which such amount constitutes a credit or
16 payment.

17 (j) Cross reference. For provision barring refund of overpayment cred-
18 ited against tax of a succeeding year, see subdivision (d) of section
19 11-526 of this chapter.

20 (k) Notice of change or correction of sales and compensating use tax
21 liability. If a taxpayer is required by section 11-519.1 of this chapter
22 to file a report or amended return or report in respect of a change or
23 correction of his or her sales and compensating use tax liability, claim
24 for credit or refund of any resulting overpayment of tax shall be filed
25 by the taxpayer within two years from the time such report or amended
26 return or report was required to be filed with the commissioner of
27 finance. The amount of such credit or refund shall be computed without
28 change of the allocation of income upon which the taxpayer's return, or
29 any additional assessment, was based, and shall not exceed the amount of
30 the reduction in tax attributable to such change or correction of sales
31 and compensating use tax liability.

32 This subdivision shall not affect the time within which or the amount
33 for which a claim for credit or refund may be filed apart from this
34 subdivision.

35 § 11-528 Interest on overpayment. (a) General. Notwithstanding the
36 provisions of section three-a of the general municipal law, interest
37 shall be allowed and paid as follows at the overpayment rate set by the
38 commissioner of finance pursuant to section 11-537 of this chapter, or,
39 if no rate is set, at the rate of six percent per annum upon any over-
40 payment in respect of the tax imposed by this chapter:

41 (1) from the date of the overpayment to the due date of an amount
42 against which a credit is taken; or

43 (2) from the date of the overpayment to a date, to be determined by
44 the commissioner of finance, preceding the date of a refund check by not
45 more than thirty days, whether or not such refund check is accepted by
46 the taxpayer after tender of such check to the taxpayer. The acceptance
47 of such check shall be without prejudice to any right of the taxpayer to
48 claim any additional overpayment and interest thereon.

49 (3) Late and amended returns and claims for credit or refund.
50 Notwithstanding paragraph one or two of this subdivision, in the case of
51 an overpayment claimed on a return of tax which is filed after the last
52 date prescribed for filing such return, determined with regard to exten-
53 sions, or claimed on an amended return of tax or claimed on a claim, for
54 credit or refund, no interest shall be allowed or paid for any day
55 before the date on which such return or claim is filed.

1 (4) Interest on certain refunds. To the extent provided for in regu-
2 lations promulgated by the commissioner of finance, if an item of
3 income, gain, loss, deduction or credit is changed from the taxable year
4 or period in which it is reported to the taxable year or period in which
5 it belongs and the change results in an underpayment in a taxable year
6 or period and an overpayment in some other taxable year or period, the
7 provisions of paragraph three of this subdivision with respect to an
8 overpayment shall not be applicable to the extent that the limitation in
9 such paragraph on the right to interest would result in a taxpayer not
10 being allowed interest for a length of time with respect to an overpay-
11 ment while being required to pay interest on an equivalent amount of the
12 related underpayment. However, this paragraph shall not be construed as
13 limiting or mitigating the effect of any statute of limitations or any
14 other provisions of law relating to the authority of such commissioner
15 to issue a notice of deficiency or to allow a credit or refund of an
16 overpayment.

17 (5) Amounts of less than one dollar. No interest shall be allowed or
18 paid if the amount thereof is less than one dollar.

19 (b) Advance payment of tax and payment of estimated tax. The
20 provisions of subdivisions (h) and (i) of section 11-527 of this chapter
21 applicable in determining the date of payment of tax for purposes of
22 determining the period of limitations on credit or refund, shall be
23 applicable in determining the date of payment for purposes of this
24 section.

25 (c) Refund within three months of claim for overpayment. If any over-
26 payment of tax imposed by this chapter is credited or refunded within
27 three months after the last date prescribed, or permitted by extension
28 of time, for filing the return of such tax on which such overpayment was
29 claimed or within three months after such return was filed, whichever is
30 later, or within three months after an amended return was filed claiming
31 such overpayment or within three months after a claim for credit or
32 refund was filed on which such overpayment was claimed, no interest
33 shall be allowed under this section on any such overpayment. For
34 purposes of this subdivision, any amended return or claim for credit or
35 refund filed before the last day prescribed, or permitted by extension
36 of time, for the filing of the return of tax for such year shall be
37 considered as filed on such last day.

38 (d) Refund of tax caused by carryback. For purposes of this section,
39 if any overpayment of tax imposed by this chapter results from a carry-
40 back of a net operating loss, such overpayment shall be deemed not to
41 have been made prior to the filing date for the taxable year in which
42 such net operating loss arises. Such filing date shall be determined
43 without regard to extensions of time to file. For purposes of subdivi-
44 sion (c) of this section any overpayment described herein shall be
45 treated as an overpayment for the loss year and such subdivision shall
46 be applied with respect to such overpayment by treating the return for
47 the loss year as not filed before claim for such overpayment is filed.
48 The term "loss year" means the taxable year in which such loss arises.

49 (e) No interest until return in processible form. (1) For purposes of
50 subdivisions (a) and (c) of this section, a return shall not be treated
51 as filed until it is filed in processible form.

52 (2) For purposes of paragraph one of this subdivision, a return is in
53 a processible form if:

54 (A) such return is filed on a permitted form, and

55 (B) such return contains:

1 (i) the taxpayer's name, address, and identifying number and the
2 required signatures, and

3 (ii) sufficient required information, whether on the return or on
4 required attachments, to permit the mathematical verification of tax
5 liability shown on the return.

6 (f) Cross-reference. For provision with respect to interest after
7 failure to file notice of federal or New York state change under section
8 11-519 of this chapter, see subdivision (c) of section 11-527 of this
9 chapter.

10 § 11-529 Petition to tax appeals tribunal. (a) General. The form of a
11 petition to the tax appeals tribunal, and further proceedings before the
12 tax appeals tribunal in any case initiated by the filing of a petition,
13 shall be governed by such rules as the tax appeals tribunal shall
14 prescribe. No petition shall be denied in whole or in part without
15 opportunity for a hearing on reasonable prior notice. Such hearing and
16 any appeal to the tribunal sitting en banc from the decision rendered in
17 such hearing shall be conducted in the manner and subject to the
18 requirements prescribed by the tax appeals tribunal pursuant to sections
19 one hundred sixty-eight through one hundred seventy-two of the charter
20 of the preceding municipality as it existed January first, nineteen
21 hundred ninety-four. A decision of the tax appeals tribunal shall be
22 rendered, and notice thereof shall be given, in the manner provided by
23 section one hundred seventy-one of the charter of the preceding munici-
24 pality.

25 (b) Petition for redetermination of a deficiency. Within ninety days,
26 or one hundred fifty days if the notice is addressed to a person outside
27 of the United States, after the mailing of the notice of deficiency
28 authorized by section 11-521 of this chapter, or if the commissioner of
29 finance has established a conciliation procedure pursuant to section
30 11-124 of this title and the taxpayer has requested a conciliation
31 conference in accordance therewith, within ninety days from the mailing
32 of the conciliation decision or the date of the commissioner's confirma-
33 tion of the discontinuance of the conciliation proceeding, the taxpayer
34 may file a petition with the tax appeals tribunal for a redetermination
35 of the deficiency. Such petition may also assert a claim for refund for
36 the same taxable year or years, subject to the limitations of subdivi-
37 sion (g) of section 11-527 of this chapter.

38 (c) Petition for refund. A taxpayer may file a petition with the tax
39 appeals tribunal for the amounts asserted in a claim for refund if:

40 (1) the taxpayer has filed a timely claim for refund with the commis-
41 sioner of finance,

42 (2) the taxpayer has not previously filed with the tax appeals tribu-
43 nal a timely petition under subdivision (b) of this section for the same
44 taxable year unless the petition under this subdivision relates to a
45 separate claim for credit or refund properly filed under subdivision (f)
46 of section 11-527 of this chapter, and

47 (3) either: (A) six months have expired since the claim was filed, or
48 (B) the commissioner of finance has mailed to the taxpayer, by regis-
49 tered or certified mail, a notice of disallowance of such claim in whole
50 or in part. No petition under this subdivision shall be filed more than
51 two years after the date of mailing of a notice of disallowance, unless
52 prior to the expiration of such two year period it has been extended by
53 written agreement between the taxpayer and the commissioner of finance.
54 If a taxpayer files a written waiver of the requirement that he or she
55 be mailed a notice of disallowance, the two year period prescribed by

1 this subdivision for filing a petition for refund shall begin on the
2 date such waiver is filed.

3 (4) If the commissioner of finance has established a conciliation
4 procedure pursuant to section 11-124 of this title, a taxpayer who is
5 eligible to file a petition for refund with the tax appeals tribunal
6 pursuant to this subdivision may request a conciliation conference prior
7 to filing such petition, provided the request is made within the time
8 prescribed for filing the petition. Notwithstanding anything in this
9 subdivision to the contrary, if the taxpayer has requested a concil-
10 iation conference in accordance with the procedure established pursuant
11 to section 11-124 of this title, a petition for refund may be filed no
12 later than ninety days from the mailing of the conciliation decision or
13 the date of the commissioner's confirmation of the discontinuance of the
14 conciliation proceeding.

15 (d) Assertion of deficiency after filing petition. (1) Petition for
16 redetermination of deficiency. If a taxpayer files with the tax appeals
17 tribunal a petition for redetermination of a deficiency, the tax appeals
18 tribunal shall have power to determine a greater deficiency than
19 asserted in the notice of deficiency and to determine if there should be
20 assessed any addition to tax or penalty provided in section 11-525 of
21 this chapter, if claim therefor is asserted at or before the hearing
22 under the rules of the tax appeals tribunal.

23 (2) Petition for refund. If the taxpayer files with the tax appeals
24 tribunal a petition for credit or refund for a taxable year, the tax
25 appeals tribunal may:

26 (A) determine a deficiency for such year as to any amount of deficien-
27 cy asserted at or before the hearing under rules of the tax appeals
28 tribunal, and within the period in which an assessment would be timely
29 under section 11-523 of this chapter, or

30 (B) deny so much of the amount for which credit or refund is sought in
31 the petition, as is offset by other issues pertaining to the same taxa-
32 ble year which are asserted at or before the hearing under rules of the
33 tax appeals tribunal.

34 (3) Opportunity to respond. A taxpayer shall be given a reasonable
35 opportunity to respond to any matters asserted by the commissioner of
36 finance under this subdivision.

37 (4) Restriction on further notices of deficiency. If the taxpayer
38 files a petition with the tax appeals tribunal under this section, no
39 notice of deficiency under section 11-521 of this chapter may thereafter
40 be issued by the commissioner of finance for the same taxable year,
41 except in case of fraud or with respect to a change or correction in
42 federal or New York state taxable income required to be reported under
43 section 11-519 of this chapter or with respect to a state change or
44 correction of sales and compensating use tax liability to be reported
45 under section 11-519.1 of this chapter.

46 (e) Burden of proof. In any case before the tax appeals tribunal under
47 this chapter, the burden of proof shall be upon the petitioner except
48 for the following issues, as to which the burden of proof shall be upon
49 the commissioner of finance:

50 (1) whether the petitioner has been guilty of fraud with intent to
51 evade tax;

52 (2) whether the petitioner is liable as the transferee of property of
53 a taxpayer, but not to show that the taxpayer was liable for the tax;

54 (3) whether the petitioner is liable for any increase in a deficiency
55 where such increase is asserted initially after a notice of deficiency
56 was mailed and a petition under this section filed, unless such increase

1 in deficiency is the result of a change or correction of federal or New
2 York state taxable income required to be reported under section 11-519
3 of this chapter, and of which change or correction the commissioner of
4 finance had no notice at the time he or she mailed the notice of defi-
5 ciency or unless such increase in deficiency is the result of a change
6 or correction of sales and compensating use tax liability required to be
7 reported under section 11-519.1 of this title, and of which change or
8 correction the commissioner of finance had no notice at the time he or
9 she mailed the notice of deficiency; and

10 (4) whether any person is liable for a penalty under subdivision (k)
11 of section 11-525 of this chapter.

12 (f) Evidence of related federal or state determination. Evidence of a
13 federal or state determination relating to issues raised in a case
14 before the tax appeals tribunal under this section shall be admissible,
15 under rules established by the tax appeals tribunal.

16 (g) Jurisdiction over other years. The tax appeals tribunal shall
17 consider such facts with relation to the taxes for other years as may be
18 necessary correctly to determine the tax for the taxable year, but in so
19 doing shall have no jurisdiction to determine whether or not the tax for
20 any other year has been overpaid or underpaid.

21 § 11-530 Review of tax appeals tribunal's decision. (a) General. A
22 decision of the tax appeals tribunal sitting en banc shall be subject to
23 judicial review at the instance of any taxpayer affected thereby in the
24 manner provided by law for the review of a final decision or action of
25 administrative agencies of the city. An application by a taxpayer for
26 such review must be made within four months after notice of the decision
27 is sent by certified mail, return receipt requested, to the taxpayer and
28 the commissioner of finance.

29 (b) Judicial review exclusive remedy. The review of a decision of the
30 tax appeals tribunal provided by this section shall be the exclusive
31 remedy available to any taxpayer for the judicial determination of the
32 liability of the taxpayer for the taxes imposed by this chapter.

33 (c) Assessment pending review; review bond. Irrespective of any
34 restrictions on the assessment and collection of deficiencies, the
35 commissioner of finance may assess a deficiency determined by the tax
36 appeals tribunal in a decision rendered pursuant to section one hundred
37 seventy-one of the charter of the preceding municipality as it existed
38 January first, nineteen hundred ninety-four after the expiration of the
39 period specified in subdivision (a) of this section, notwithstanding
40 that an application for judicial review in respect of such deficiency
41 has been duly made by the taxpayer, unless the taxpayer, at or before
42 the time his or her application for review is made, has paid the defi-
43 ciency, has deposited with the commissioner of finance the amount of the
44 deficiency, or has filed with the commissioner of finance a bond, which
45 may be a jeopardy bond under subdivision (h) of section 11-534 of this
46 chapter, in the amount of the portion of the deficiency, including
47 interest and other amounts, in respect of which the application for
48 review is made and all costs and charges which may accrue against such
49 taxpayer in the prosecution of the proceeding, including costs of all
50 appeals, and with surety approved by a justice of the supreme court of
51 the state of New York, conditioned upon the payment of the deficiency,
52 including interests and other amounts, as finally determined and such
53 costs and charges. If, as a result of a waiver of the restrictions on
54 the assessment and collection of a deficiency, any part of the amount
55 determined by the tax appeals tribunal is paid after the filing of the

1 review bond, such bond shall, at the request of the taxpayer, be propor-
2 tionately reduced.

3 (d) Credit, refund or abatement after review. If the amount of a defi-
4 ciency determined by the tax appeals tribunal is disallowed in whole or
5 in part by the court of review, the amount so disallowed shall be cred-
6 ited, or refunded to the taxpayer, without the making of claim therefor,
7 or, if payment has not been made, shall be abated.

8 (e) Date of finality of tax appeals tribunal's decision. A decision of
9 the tax appeals tribunal shall become final upon the expiration of the
10 period specified in subdivision (a) of this section for making an appli-
11 cation for review, if no such application has been duly made within such
12 time, or if such application has been duly made, upon expiration of the
13 time for all further judicial review, or upon the rendering by the tax
14 appeals tribunal of a decision in accordance with the mandate of the
15 court on review. Notwithstanding the provisions of this subdivision,
16 for the purpose of making an application for review, the decision of the
17 tax appeals tribunal shall be deemed final on the date the notice of
18 decision is sent by certified mail to the taxpayer and the commissioner
19 of finance.

20 § 11-531 Mailing rules; holidays; miscellaneous. (a) Timely mailing.
21 (1) If any return, declaration of estimated tax, claim, statement,
22 notice, petition, or other document required to be filed, or any payment
23 required to be made, within a prescribed period or on or before a
24 prescribed date under authority of any provision of this chapter is,
25 after such period or such date, delivered by the United States mail to
26 the commissioner of finance, tax appeals tribunal, bureau, office, offi-
27 cer or person with which or with whom such document is required to be
28 filed, or to which or to whom such payment is required to be made, the
29 date of the United States postmark stamped on the envelope shall be
30 deemed to be the date of delivery. This subdivision shall apply only if
31 the postmark date falls within the prescribed period or on or before the
32 prescribed date for the filing of such document, or for making the
33 payment, including any extension granted for such filing or payment, and
34 only if such document or payment was deposited in the mail, postage
35 prepaid, properly addressed to the commissioner of finance, tax appeals
36 tribunal, bureau, office, officer or person with which or with whom the
37 document is required to be filed or to which or to whom such payment is
38 required to be made. If any document is sent by United States registered
39 mail, such registration shall be prima facie evidence that such document
40 was delivered to the commissioner of finance, tax appeals tribunal,
41 bureau, office, officer or person to which or to whom addressed. To the
42 extent that the commissioner of finance or, where relevant, the tax
43 appeals tribunal shall prescribe by regulation, certified mail may be
44 used in lieu of registered mail under this section. Except as provided
45 in paragraph two of this subdivision, this subdivision shall apply in
46 the case of postmarks not made by the United States postal service only
47 if and to the extent provided by regulations of the commissioner of
48 finance or, where relevant, the tax appeals tribunal.

49 (2) (A) Any reference in paragraph one of this subdivision to the
50 United States mail shall be treated as including a reference to any
51 delivery service designated by the secretary of the treasury of the
52 United States pursuant to section seventy-five hundred two of the inter-
53 nal revenue code and any reference in paragraph one of this subdivision
54 to a United States postmark shall be treated as including a reference to
55 any date recorded or marked in the manner described in section seventy-
56 five hundred two of the internal revenue code by a designated delivery

1 service. If the commissioner of finance finds that any delivery service
2 designated by such secretary is inadequate for the needs of the city,
3 the commissioner may withdraw such designation for purposes of this
4 title. The commissioner may also designate additional delivery services
5 meeting the criteria of section seventy-five hundred two of the internal
6 revenue code for purposes of this title, or may withdraw any such designa-
7 tion if the commissioner of finance finds that a delivery service so
8 designated is inadequate for the needs of the city. Any reference in
9 paragraph one of this subdivision to the United States mail shall be
10 treated as including a reference to any delivery service designated by
11 the commissioner of finance and any reference in paragraph one of this
12 subdivision to a United States postmark shall be treated as including a
13 reference to any date recorded or marked in the manner described in
14 section seventy-five hundred two of the internal revenue code by a
15 delivery service designated by the commissioner of finance. Notwith-
16 standing the provisions of this paragraph, any withdrawal of designation
17 or additional designation by the commissioner of finance shall not be
18 effective for purposes of service upon the tax appeals tribunal, unless
19 and until such withdrawal of designation or additional designation is
20 ratified by the president of the tax appeals tribunal.

21 (B) Any equivalent of registered or certified mail designated by the
22 United States secretary of the treasury, or as may be designated by the
23 commissioner of finance pursuant to the same criteria used by such
24 secretary for such designations pursuant to section seventy-five hundred
25 two of the internal revenue code, shall be included within the meaning
26 of registered or certified mail as used in paragraph one of this subdivi-
27 sion. If the commissioner of finance finds that any equivalent of
28 registered or certified mail designated by such secretary or the commis-
29 sioner of finance is inadequate for the needs of the city, the commis-
30 sioner of finance may withdraw such designation for purposes of this
31 title. Notwithstanding the provisions of this paragraph, any withdrawal
32 of designation or additional designation by the commissioner of finance
33 shall not be effective for purposes of service upon the tax appeals
34 tribunal, unless and until such withdrawal of designation or additional
35 designation is ratified by the president of the tax appeals tribunal.

36 (b) Last known address. For purposes of this chapter, a taxpayer's
37 last known address shall be given in the last return filed by the
38 taxpayer, unless subsequently to the filing of such return the taxpayer
39 shall have notified the commissioner of finance of a change of address.

40 (c) Last day a Saturday, Sunday or legal holiday. When the last day
41 prescribed under authority of this chapter, including any extension of
42 time, for performing any act falls on Saturday, Sunday, or a legal holi-
43 day in the state of New York, the performance of such act shall be
44 considered timely if it is performed on the next succeeding day which is
45 not a Saturday, Sunday or legal holiday.

46 (d) Certificate: unfiled return. For purposes of this chapter and
47 sections one hundred sixty-eight through one hundred seventy-two of the
48 charter of the preceding municipality, the certificate of the commis-
49 sioner of finance to the effect that a tax has not been paid, that a
50 return or declaration of estimated tax has not been filed, or that
51 information has not been supplied, as required by or under the
52 provisions of this title, shall be prima facie evidence that such tax
53 has not been paid, that such return or declaration has not been filed,
54 or that such information has not been supplied.

55 § 11-532 Collection, levy and liens. (a) Collection procedures. The
56 taxes imposed by this chapter shall be collected by the commissioner of

1 finance, and the commissioner may establish the mode or time for the
2 collection of any amount due it under this chapter if not otherwise
3 specified. The commissioner of finance shall, upon request, give a
4 receipt for any sum collected under this chapter. The commissioner of
5 finance may authorize banks or trust companies which are depositories or
6 financial agents of the city to receive and give a receipt for any tax
7 imposed under this chapter in such manner, at such times, and under such
8 conditions as the commissioner of finance may prescribe; and the commis-
9 sioner of finance shall prescribe the manner, times and conditions under
10 which the receipt of such tax by such banks and trust companies is to be
11 treated as payment of such tax to the commissioner of finance.

12 (b) Notice and demand for tax. The commissioner of finance shall as
13 soon as practicable give notice to each person liable for any amount of
14 tax, addition to tax, penalty or interest, which has been assessed but
15 remains unpaid, stating the amount and demanding payment thereof. Such
16 notice shall be left at the dwelling or usual place of business of such
17 person or shall be sent by mail to such person's last known address.
18 Except where the commissioner of finance determines that collection
19 would be jeopardized by delay, if any tax is assessed prior to the last
20 date, including any date fixed by extension, prescribed for payment of
21 such tax, payment of such tax shall not be demanded until after such
22 date.

23 (c) Issuance of warrant after notice and demand. If any person liable
24 under this chapter for the payment of any tax, addition to tax, penalty
25 or interest neglects or refuses to pay the same within the ten days
26 after notice and demand herefor is given to such person under subdivi-
27 sion (b) of this section, the commissioner of finance may within six
28 years after the date of such assessment issue a warrant directed to the
29 sheriff of any county of the state, or to any officer or employee of the
30 department of finance, commanding such person to levy upon and sell such
31 person's real and personal property for the payment of the amount
32 assessed, with the cost of executing the warrant, and to return such
33 warrant to the commissioner of finance and pay to the commissioner the
34 money collected by virtue thereof within sixty days after the receipt of
35 the warrant. If the commissioner of finance finds that the collection
36 of the tax or other amount is in jeopardy, notice and demand for immedi-
37 ate payment of such tax may be made by the commissioner of finance and
38 upon failure or refusal to pay such tax or other amount the commissioner
39 of finance may issue a warrant without regard to the ten-day period
40 provided in this subdivision.

41 (d) Copy of warrant to be filed and lien to be created. Any sheriff
42 or officer or employee who receives a warrant under subdivision (c) of
43 this section shall within five days thereafter file a copy with the
44 clerk of the appropriate county. The clerk shall thereupon enter in the
45 judgment docket, in the column for judgment debtors, the name of the
46 taxpayer mentioned in the warrant, and in appropriate columns the tax or
47 other amounts for which the warrant is issued and the date when such
48 copy is filed; and such amount shall thereupon be a binding lien upon
49 the real, personal and other property of the taxpayer.

50 (e) Judgment. When a warrant has been filed with the county clerk the
51 commissioner of finance shall, on behalf of the city, be deemed to have
52 obtained judgment against the taxpayer for the tax or other amounts.

53 (f) Execution. The sheriff or officer or employee shall thereupon
54 proceed upon the judgment in all respects, with like effect, and in the
55 same manner prescribed by law in respect to executions issued against
56 property upon judgments of a court of record, and a sheriff shall be

1 entitled to the same fees for the sheriff's services in executing the
2 warrant, to be collected in the same manner. An officer or employee of
3 the department of finance may proceed in any county or counties of this
4 state and shall have all the powers of execution conferred by law upon
5 sheriffs, but shall be entitled to no fee or compensation in excess of
6 actual expenses paid in connection with the execution of the warrant.

7 (g) Taxpayer not a resident of this state. Where a notice and demand
8 under subdivision (b) of this section shall have been given to a taxpay-
9 er who is not then a resident of this state, and it appears to the
10 commissioner of finance that it is not practicable to find in this state
11 property of the taxpayer sufficient to pay the entire balance of tax or
12 other amount owing by such taxpayer who is not then a resident of this
13 state, the commissioner of finance may, in accordance with subdivision
14 (c) of this section, issue a warrant directed to an officer or employee
15 of the department of finance, a copy of which warrant shall be mailed by
16 certified or registered mail to the taxpayer at the taxpayer's last
17 known address, subject to the rules for mailing provided in subdivision
18 (a) of section 11-521 of this chapter. Such warrant shall command the
19 officer or employee to proceed in Richmond county, and such officer or
20 employee shall, within five days after receipt of the warrant, file the
21 warrant and obtain a judgment in accordance with this section. Thereup-
22 on the commissioner of finance may authorize the institution of any
23 action or proceeding to collect or enforce the judgment in any place and
24 by any procedure that a civil judgment of the supreme court of the state
25 of New York could be collected or enforced. The commissioner of finance
26 may also, in the commissioner's discretion, designate agents or retain
27 counsel for the purpose of collecting, outside the state of New York,
28 any unpaid taxes, additions to tax, penalties or interest which have
29 been assessed under this chapter against taxpayers who are not residents
30 of this state, may fix the compensation of such agents and counsel to be
31 paid out of money appropriated or otherwise lawfully available for
32 payment thereof, and may require of them bonds or other security for the
33 faithful performance of their duties, in such form and in such amount as
34 the commissioner of finance shall deem proper and sufficient.

35 (h) Action by city for recovery of taxes. Action may be brought by
36 the corporation counsel of the city at the instance of the commissioner
37 of finance as agent and trustee for the city to recover the amount of
38 any unpaid taxes, additions to tax, penalties or interest which have
39 been assessed under this chapter within six years prior to the date the
40 action is commenced.

41 (i) Release of lien or vacating warrant. The commissioner of finance,
42 if he or she finds that the interests of the city will not thereby be
43 jeopardized, and upon such conditions as the commissioner may require,
44 may release any property from the lien of any warrant or vacate such
45 warrant for unpaid taxes, additions to tax, penalties and interest filed
46 pursuant to subdivision (d) or (g) of this section, and such release or
47 vacating of the warrant may be recorded in the office of any recording
48 officer in which such warrant has been filed. The clerk shall thereupon
49 cancel and discharge as of the original date of docketing the vacated
50 warrant.

51 § 11-533 Transferees. (a) General. The liability, at law or in equity,
52 of a transferee of property of a taxpayer for any tax, additions to tax,
53 penalty or interest due the commissioner of finance under this chapter,
54 shall be assessed, paid, and collected in the same manner and subject to
55 the same provisions and limitations as in the case of the tax to which
56 the liability relates, except that the period of limitations for assess-

1 ment against the transferee shall be extended by one year for each
2 successive transfer, in order, from the original taxpayer to the trans-
3 feree involved, but not by more than three years in the aggregate. The
4 term "transferee" includes donee, heir, legatee, devisee and distribu-
5 tee.

6 (b) Exceptions. (1) If before the expiration of the period of limi-
7 tations for assessment of liability of the transferee, a claim has been
8 filed by the commissioner of finance in any court against the original
9 taxpayer or the last preceding transferee based upon the liability of
10 the original taxpayer, then the period of limitation for assessment of
11 liability of the transferee shall in no event expire prior to one year
12 after such claim has been finally allowed, disallowed or otherwise
13 disposed of.

14 (2) If, before the expiration of the time prescribed in subdivision
15 (a) of this section or the immediately preceding paragraph of this
16 subdivision for the assessment of the liability, the commissioner of
17 finance and the transferee have both consented in writing to its assess-
18 ment after such time, the liability may be assessed at any time prior to
19 the expiration of the period agreed upon. The period so agreed upon may
20 be extended by subsequent agreements in writing made before the expira-
21 tion of the period previously agreed upon. For the purpose of determin-
22 ing the period of limitation on credit or refund to the transferee of
23 overpayments of tax made by such transferee or overpayments of tax made
24 by the transferor as to which the transferee is legally entitled to
25 credit or refund, such agreement and any extension thereof shall be
26 deemed an agreement and extension thereof referred to in subdivision (b)
27 of section 11-527 of this chapter. If the agreement is executed after
28 the expiration of the period of limitation for assessment against the
29 original taxpayer, then in applying the limitations under subdivision
30 (b) of section 11-527 of this chapter on the amount of the credit or
31 refund, the periods specified in subdivision (a) of section 11-527 of
32 this chapter shall be increased by the period from the date of such
33 expiration to the date of agreement.

34 (c) Deceased transferor. If any person is deceased, the period of
35 limitation for assessment against such person shall be the period that
36 would be in effect if such person had lived.

37 (d) Evidence. Notwithstanding the provisions of subdivision (e) of
38 section 11-537 of this chapter the commissioner of finance shall use his
39 or her powers to make available to the transferee evidence necessary to
40 enable the transferee to determine the liability of the original taxpay-
41 er and of any preceding transferees, but without undue hardship to the
42 original taxpayer or preceding transferee. See subdivision (e) of
43 section 11-529 of this chapter for rules as to burden of proof.

44 § 11-534 Jeopardy assessment. (a) Authority for making. If the commis-
45 sioner of finance believes that the assessment or collection of a defi-
46 ciency will be jeopardized by delay, the commissioner shall, notwith-
47 standing the provision of sections 11-521 and 11-536 of this chapter,
48 and immediately assess such deficiency, together with all interest,
49 penalties and additions to tax provided for by law, and notice and
50 demand shall be made by the commissioner of finance for the payment
51 thereof.

52 (b) Notice of deficiency. If the jeopardy assessment is made before
53 any notice in respect to the tax to which the jeopardy assessment
54 relates has been mailed under section 11-521 of this chapter, then the
55 commissioner of finance shall mail a notice under such section within
56 sixty days after the making of the assessment.

1 (c) Amount assessable before decision of tax appeals tribunal. The
2 jeopardy assessment may be made in respect of a deficiency greater or
3 less than that of which notice is mailed to the taxpayer and whether or
4 not the taxpayer has heretofore filed a petition with the tax appeals
5 tribunal. The commissioner of finance may, at any time before the tax
6 appeals tribunal renders its decision, abate such assessment, or any
7 unpaid portion thereof, to the extent that the commissioner believes the
8 assessment to be excessive in amount. The tax appeals tribunal may in
9 its decision redetermine the entire amount of the deficiency and of all
10 amounts assessed at the same time in connection therewith.

11 (d) Amount assessable after decision of tax appeals tribunal. If the
12 jeopardy assessment is made after the decision of the tax appeals tribu-
13 nal is rendered, such assessment may be made only in respect of the
14 deficiency determined by the tax appeals tribunal in its decision.

15 (e) Expiration of right to assess. A jeopardy assessment may not be
16 made after the decision of the tax appeals tribunal has become final or
17 after the taxpayer has made an application for review of the decision of
18 the tax appeals tribunal.

19 (f) Collection of unpaid amounts. When a petition has been filed with
20 the tax appeals tribunal and when the amount which should have been
21 assessed has been determined by a decision of the tax appeals tribunal
22 which has become final, then any unpaid portion, the collection of which
23 has been stayed by bond, shall be collected as part of the tax upon
24 notice and demand from the commissioner of finance, and any remaining
25 portion of the assessment shall be abated. If the amount already
26 collected exceeds the amount determined as the amount which should have
27 been assessed, such excess shall be credited or refunded to the taxpayer
28 as provided in section 11-526 of this chapter without the filing of
29 claim therefor. If the amount determined as the amount which should have
30 been assessed is greater than the amount actually assessed, then the
31 difference shall be assessed and shall be collected as part of the tax
32 upon notice and demand from the commissioner of finance.

33 (g) Abatement if jeopardy does not exist. The commissioner of finance
34 may abate the jeopardy assessment if the commissioner finds that jeopar-
35 dy does not exist. Such abatement may not be made after a decision of
36 the tax appeals tribunal in respect of the deficiency has been rendered
37 or, if no petition is filed with the tax appeals tribunal, after the
38 expiration of the period for filing such petition. The period of limita-
39 tion on the making of assessments and levy or a proceeding for
40 collection, in respect of any deficiency, shall be determined as if the
41 jeopardy assessment so abated had not been made, except that the running
42 of such period shall in any event be suspended for the period from the
43 date of such jeopardy assessment until the expiration of the tenth day
44 after the day on which such jeopardy assessment is abated.

45 (h) Bond to stay collection. The collection of the whole or any amount
46 of any jeopardy assessment may be stayed by filing with the commissioner
47 of finance, within such time as may be fixed by regulation, a bond in an
48 amount equal to the amount as to which the stay is desired, conditioned
49 upon the payment of the amount, together with interest thereon, the
50 collection of which is stayed at the time at which, but for the making
51 of the jeopardy assessment, such amount would be due. Upon the filing of
52 the bond the collection of so much of the amount assessed as is covered
53 by the bond shall be stayed. The taxpayer shall have the right to waive
54 such stay at any time in respect of the whole or any part of the amount
55 covered by the bond, and if as a result of such waiver any part of the
56 amount covered by the bond is paid, then the bond shall at the request

1 of the taxpayer, be proportionately reduced. If any portion of the
2 jeopardy assessment is abated, or if a notice or deficiency under
3 section 11-521 of this chapter is mailed to the taxpayer in a lesser
4 amount, the bond shall, at the request of the taxpayer, be proportion-
5 ately reduced.

6 (i) Petition to tax appeals tribunal. If the bond is given before the
7 taxpayer has filed his or her petition under section 11-529 of this
8 chapter, the bond shall contain a further condition that if a petition
9 is not filed within the period provided in such section, then the amount
10 the collection of which is stayed by the bond, will be paid on notice
11 and demand at any time after the expiration of such period, together
12 with interest thereon from the date of the jeopardy notice and demand to
13 the date of notice and demand under this subdivision. The bond shall be
14 conditioned upon the payment of so much of such assessment, collection
15 of which is stayed by the bond, as is not abated by a decision of the
16 tax appeals tribunal which has become final. If the tax appeals tribunal
17 determines that the amount assessed is greater than the amount which
18 should have been assessed, then the bond shall, at the request of the
19 taxpayer, be proportionately reduced when the decision of the tax
20 appeals tribunal is rendered.

21 (j) Stay of sale of seized property pending tax appeals tribunal deci-
22 sion. Where a jeopardy assessment is made, the property seized for the
23 collection of the tax shall not be sold:

24 (1) if subdivision (b) of this section is applicable, prior to the
25 issuance of the notice of deficiency and the expiration of the time
26 provided in section 11-529 of this chapter for filing a petition with
27 the tax appeals tribunal, and

28 (2) if a petition is filed with the tax appeals tribunal, whether
29 before or after the making of such jeopardy assessment, prior to the
30 expiration of the period during which the assessment of the deficiency
31 would be prohibited if subdivision (a) of this section were not applica-
32 ble.

33 Such property may be sold if the taxpayer consents to the sale, or if
34 the commissioner of finance determines that the expenses of conservation
35 and maintenance will greatly reduce the net proceeds, or if the property
36 is perishable.

37 (k) Interest. For the purpose of subdivision (a) of section 11-524 of
38 this chapter, the last date prescribed for payment shall be determined
39 without regard to any notice and demand for payment issued under this
40 section prior to the last date otherwise prescribed for such payment.

41 (l) Early termination of taxable year. If the commissioner of finance
42 finds that a taxpayer designs quickly to depart from this state or to
43 remove his or her property therefrom, or to conceal himself or herself
44 or his or her property therein, or to do any other act tending to preju-
45 dice or to render wholly or partly ineffectual proceedings to collect
46 the income tax for the current or the preceding taxable year unless such
47 proceedings be brought without delay, the commissioner of finance shall
48 declare the taxable period for such taxpayer immediately terminated, and
49 shall cause notice of such finding and declaration to be given to the
50 taxpayer, together with a demand for immediate payment of the tax for
51 the taxable period so declared terminated and of the tax for the preced-
52 ing taxable year or so much of such tax as is unpaid, whether or not the
53 time otherwise allowed by law for filing return and paying the tax has
54 expired; and such taxes shall thereupon become immediately due and paya-
55 ble. In any proceeding brought to enforce payment of taxes made due and
56 payable by virtue of the provisions of this subdivision, the finding of

1 the commissioner of finance, whether made after notice to the taxpayer
2 or not, shall be for all purposes presumptive evidence of jeopardy.

3 (m) Reopening of taxable period. Notwithstanding the termination of
4 the taxable period of the taxpayer by the commissioner of finance as
5 provided in subdivision (l) of this section, the commissioner of finance
6 may reopen such taxable period each time the taxpayer is found by the
7 commissioner of finance to have received income, within the current
8 taxable year, since the termination of such period. A taxable period so
9 terminated by the commissioner of finance may be reopened by the taxpay-
10 er if the taxpayer files with the commissioner of finance a true and
11 accurate return of taxable income and credits allowed under this chapter
12 for taxable period, together with such other information as the commis-
13 sioner of finance may by regulations prescribe.

14 (n) Furnishing of bond where taxable year is closed by the commis-
15 sioner of finance. Payment of taxes shall not be enforced by any proceedings
16 under the provisions of subdivision (l) of this section prior to the
17 expiration of the time otherwise allowed for paying such taxes if the
18 taxpayer furnishes, under regulations prescribed by the commissioner of
19 finance, a bond to insure the timely making of returns with respect to,
20 and payment of, such taxes or any taxes under this chapter for prior
21 years.

22 § 11-535 Criminal penalties; cross-reference. For criminal penalties,
23 see chapter forty of this title.

24 § 11-536 Armed forces relief provisions. (a) Time to be disregarded.
25 In the case of an individual serving in the armed forces of the United
26 States or serving in support of such armed forces, in an area designated
27 by the president of the United States by executive order as a "combat
28 zone" at any time during the period designated by the president by exec-
29 utive order as the period of combatant activities in such zone, or
30 hospitalized outside the state as a result of injury received while
31 serving in such an area during such time, the period of service in such
32 area, plus the period of continuous hospitalization outside the state
33 attributable to such injury, and the next one hundred eighty days there-
34 after, shall be disregarded in determining, under this chapter, in
35 respect of the tax liability, including any interest, penalty, or addi-
36 tion to the tax, of such individual:

37 (1) Whether any of the following acts was performed within the time
38 prescribed therefor:

39 (A) filing any return of tax;

40 (B) payment of any tax or any installment thereof or of any other
41 liability to the commissioner of finance, in respect thereof;

42 (C) filing a petition with the tax appeals tribunal for credit or
43 refund or for redetermination of a deficiency, or application for review
44 of a decision rendered by the tax appeals tribunal;

45 (D) allowance of a credit or refund of tax;

46 (E) filing a claim for credit or refund of tax;

47 (F) assessment of tax;

48 (G) giving or making any notice or demand for the payment of any tax,
49 or with respect to any liability to the commissioner of finance in
50 respect of tax;

51 (H) collection, by the commissioner of finance, by levy or otherwise
52 of the amount of any liability in respect of tax;

53 (I) bringing suit by the city, or any officer, on its behalf, in
54 respect of any liability in respect of tax; and

1 (J) any other act required or permitted under this chapter or speci-
2 fied in regulations prescribed under this section by the commissioner of
3 finance.

4 (2) The amount of any credit or refund (including interest).

5 (b) Action taken before ascertainment of right to benefits. The
6 assessment or collection of the tax imposed by this chapter or of any
7 liability to the commissioner of finance in respect of such tax, or any
8 action or proceeding by or on behalf of the commissioner of finance in
9 connection therewith, may be made, taken, begun, or prosecuted in
10 accordance with law, without regard to the provisions of subdivision (a)
11 of this section, unless prior to such assessment, collection, action, or
12 proceeding it is ascertained that the person concerned is entitled to
13 the benefit of subdivision (a) of this section.

14 (c) Members of armed forces dying in action. In the case of any person
15 who dies during an induction period while in active service as a member
16 of the armed forces of the United States, if such death occurred while
17 serving in a combat zone during a period of combatant activities in such
18 zone, as described in subdivision (a) of this section, or as a result of
19 wounds, disease or injury incurred while so serving, the tax imposed by
20 this chapter shall not apply with respect to the taxable year in which
21 falls the date of such person's death, or with respect to any prior
22 taxable year ending on or after the first day he or she so served in a
23 combat zone, and no returns shall be required in behalf of such person
24 or such person's estate for such year; and the tax for any such taxable
25 year which is unpaid at the date of his or her death, including inter-
26 est, additions to tax and penalties, if any, shall not be assessed and
27 if assessed, the assessment shall be abated and, if collected, shall be
28 refunded to the legal representative of such person's estate if one has
29 been appointed and has qualified, or, if no legal representative has
30 been appointed or has qualified, to such person's surviving spouse.

31 § 11-537 General powers of commissioner of finance. (a) General. The
32 commissioner of finance shall administer and enforce the tax imposed by
33 this chapter and the commissioner is authorized to make such rules and
34 regulations, and to require such facts and information to be reported,
35 as the commissioner may deem necessary to enforce the provision of this
36 chapter; and the commissioner may delegate his or her powers and func-
37 tions under all parts of this chapter to one of the commissioner's depu-
38 ties or to any employee or employees of the commissioner's department.

39 (b) Examination of books and witnesses. The commissioner of finance
40 for the purpose of ascertaining the correctness of any return, or for
41 the purpose of making an estimate of tax of any person, shall have power
42 to examine or to cause to have examined, by any agent or representative
43 designated by the commissioner for that purpose, any books, papers,
44 records or memoranda bearing upon the matters required to be included in
45 the return, and may require the attendance of the person rendering the
46 return or any officer or employee of such person, or the attendance of
47 any other person having knowledge in the premises, and may take testimo-
48 ny and require proof material for the commissioner's information, with
49 power to administer oaths to such person or persons.

50 (c) Abatement authority. The commissioner of finance, of his or her
51 own motion, may abate any small unpaid balance of an assessment of tax
52 under this part, or any liability in respect thereof, if the commis-
53 sioner of finance determines under uniform rules prescribed by the
54 commissioner that the administration and collection costs involved would
55 not warrant collection of the amount due. The commissioner may also
56 abate, of his or her own motion, the unpaid portion of the assessment of

1 any tax or any liability in respect thereof, which is excessive in
2 amount, or is assessed after the expiration of the period of limitation
3 properly applicable thereto, or is erroneously or illegally assessed.
4 No claim for abatement under this subdivision shall be filed by a
5 taxpayer.

6 (d) Special refund authority. Where no questions of fact or law are
7 involved and it appears from the records of the commissioner of finance
8 that any moneys have been erroneously or illegally collected from any
9 taxpayer or other person, or paid by such taxpayer or other person under
10 a mistake of facts, pursuant to the provisions of this chapter, the
11 commissioner of finance at any time, without regard to any period of
12 limitations, shall have the power, upon making a record of his or her
13 reasons therefor in writing, to cause such moneys so paid and being
14 erroneously and illegally held to be refunded.

15 (e) Cooperation with the United States, this state and other states.
16 Notwithstanding the provisions of section 11-538 of this chapter, the
17 commissioner of finance may permit the secretary of the treasury of the
18 United States or the secretary's delegates, or the proper officer of
19 this or any other state imposing an income tax upon the incomes of indi-
20 viduals, or the authorized representative of any such officer, to
21 inspect any return filed under this chapter or may furnish to such offi-
22 cer or his or her authorized representative an abstract of any such
23 return or supply such officer with information concerning an item
24 contained in any such return, or disclosed by any investigation of tax
25 liability under this chapter, but such permission shall be granted or
26 such information furnished to such officer or such officer's represen-
27 tative only if the laws of the United States or of such state, as the
28 case may be, grant substantially similar privileges to the commissioner
29 of finance and such information is to be used for tax purposes only; and
30 provided further the commissioner of finance may furnish to the secre-
31 tary of the treasury of the United States or the secretary's delegates
32 or to the tax commission of the state of New York or its delegates such
33 returns filed under this chapter and other tax information, as he or she
34 may consider proper for use in court actions or proceedings under the
35 internal revenue code or the tax law of the state of New York, whether
36 civil or criminal, where a written request therefor has been made to the
37 commissioner of finance by the secretary of the treasury or by such tax
38 commission or by their delegates, provided the laws of the United States
39 or the laws of the state of New York grant substantially similar powers
40 to the secretary of the treasury of the United States or the secretary's
41 delegates or to such tax commission or its delegates. Where the commis-
42 sioner of finance has so authorized use of returns or other information
43 in such actions or proceedings, officers and employees of the department
44 of finance may testify in such actions or proceedings in respect to such
45 returns or other information.

46 (f) (1) Authority to set interest rates. The commissioner of finance
47 shall set the overpayment and underpayment rates of interest to be paid
48 pursuant to sections 11-524, 11-525 and 11-528 of this chapter, but if
49 no such rate or rates of interest are set, such overpayment rate shall
50 be deemed to be set at six percent per annum and such underpayment rate
51 shall be deemed to be set at seven and one-half percent per annum. Such
52 overpayment and underpayment rates shall be the rates prescribed in
53 paragraph two of this subdivision, but the underpayment rate shall not
54 be less than seven and one-half percent per annum. Any such rates set by
55 the commissioner of finance shall apply to taxes, or any portion there-
56 of, which remain or become due or overpaid on or after the date on which

1 such rates become effective and shall apply only with respect to inter-
2 est computed or computable for periods or portions of periods occurring
3 in the period during which such rates are in effect.

4 (2) General rule. (A) Overpayment rate. The overpayment rate set under
5 this subdivision shall be the sum of (i) the federal short-term rate as
6 provided under paragraph three of this subdivision, plus (ii) two
7 percentage points.

8 (B) Underpayment rate. The underpayment rate set under this subdivi-
9 sion shall be the sum of (i) the federal short-term rate as provided
10 under paragraph three of this subdivision, plus (ii) seven percentage
11 points.

12 (3) Federal short-term rate. For purposes of this subdivision:

13 (A) The federal short-term rate for any month shall be the federal
14 short-term rate determined by the United States secretary of the treas-
15 ury during such month in accordance with subsection (d) of section
16 twelve hundred seventy-four of the internal revenue code for use in
17 connection with section six thousand six hundred twenty-one of the
18 internal revenue code. Any such rate shall be rounded to the nearest
19 full percent, or, if a multiple of one-half of one percent, such rate
20 shall be increased to the next highest full percent.

21 (B) Period during which rate applies.

22 (i) In general. Except as provided in clause (ii) of this subpara-
23 graph, the federal short-term rate for the first month in each calendar
24 quarter shall apply during the first calendar quarter beginning after
25 such month.

26 (ii) Special rule for the month of September, nineteen hundred eight-
27 y-nine. The federal short-term rate for the month of April, nineteen
28 hundred eighty-nine shall apply with respect to setting the overpayment
29 and underpayment rates for the month of September, nineteen hundred
30 eighty-nine.

31 (4) Publication of interest rates. The commissioner of finance shall
32 cause to be published in the City Record, and give other appropriate
33 general notice of, the interest rates to be set under this subdivision
34 no later than twenty days preceding the first day of the calendar quar-
35 ter during which such interest rates apply. The setting and publication
36 of such interest rates shall not be included within paragraph (a) of
37 subdivision five of section one thousand forty-one of the city charter
38 of the preceding municipality as it existed January first, nineteen
39 hundred ninety-four relating to the definition of a rule.

40 (5) Cross-reference. For provisions relating to the power of the
41 commissioner of finance to abate small amounts of interest, see subdivi-
42 sion (c) of this section.

43 (g) In computing the amount of any interest required to be paid under
44 this chapter by the commissioner of finance or by the taxpayer, or any
45 other amount determined by reference to such amount of interest, such
46 interest and such amount shall be compounded daily. The provisions of
47 this subdivision shall not apply for purposes of computing the amount of
48 any addition to tax for failure to pay estimated tax under subdivision
49 (c) of section 11-525 of this chapter.

50 § 11-538 Secrecy requirement and the penalties for violation. 1.
51 Except in accordance with proper judicial order or as otherwise provided
52 by law, it shall be unlawful for the commissioner of finance, the
53 department of finance of the city, any officer or employee of the
54 department of finance of the city, any person engaged or retained by
55 such department on an independent contract basis, any depository to
56 which any return may be delivered as provided in subdivision four of

1 this section, any officer or employee of such depository, the tax
2 appeals tribunal, any commissioner or employee of such tribunal, or any
3 person who, pursuant to this section, is permitted to inspect any report
4 or return or to whom a copy, an abstract or a portion of any report or
5 return is furnished, or to whom any information contained in any report
6 or return is furnished, to divulge or make known in any manner the
7 amount of income or any particulars set forth or disclosed in any report
8 or return required under this chapter. The officers charged with the
9 custody of such reports and returns shall not be required to produce any
10 of them or evidence of anything contained in them in any action or
11 proceeding in any court, except on behalf of the city in an action or
12 proceeding under the provisions of this chapter or in any other action
13 or proceeding involving the collection of a tax due under this chapter
14 to which the city is a party or a claimant, or on behalf of any party to
15 any action or proceeding under the provisions of this chapter when the
16 reports, returns or facts shown thereby are directly involved in such
17 action or proceeding, in any of which events the court may require the
18 production of, and may admit in evidence, so much of said reports,
19 returns or of the facts shown thereby, as are pertinent to the action or
20 proceeding and no more. Nothing herein shall be construed to prohibit
21 the delivery to a taxpayer or to the taxpayer's duly authorized repre-
22 sentative of a certified copy of any return or report filed in
23 connection with his or her tax or to prohibit the publication of statis-
24 tics so classified as to prevent the identification of particular
25 reports or returns and the items thereof, or the inspection by the
26 corporation counsel or other legal representatives of the city of the
27 report or return of any taxpayer who shall bring action to set aside or
28 review the tax based thereon, or against whom an action or proceeding
29 under this chapter has been recommended by the commissioner of finance
30 or the corporation counsel or has been instituted, or the inspection of
31 the reports or returns required under this chapter by the duly desig-
32 nated officers or employees of the city for purposes of an audit under
33 this chapter or an audit authorized by the enacting of this chapter.
34 Reports and returns shall be preserved for three years and thereafter
35 until the commissioner of finance orders them to be destroyed.

36 2. Any officer or employee of the city or the state who willfully
37 violates the provisions of subdivision one of this section shall be
38 dismissed from office and be incapable of holding any public office in
39 the city or the state for a period of five years thereafter.

40 3. Cross-reference: For criminal penalties, see chapter forty of this
41 title.

42 4. Notwithstanding the provisions of subdivision one of this section,
43 the commissioner of finance, in his or her discretion, may require or
44 permit any or all persons liable for any tax imposed by this chapter, to
45 make payments on account of estimated tax and payment of any tax, penal-
46 ty or interest imposed by this chapter to banks, banking houses or trust
47 companies designated by the commissioner of finance and to file declara-
48 tions of estimated tax and reports and returns with such banks, banking
49 houses or trust companies as agents of the commissioner of finance, in
50 lieu of making any such payment directly to the commissioner of finance.
51 However, the commissioner of finance shall designate only such banks,
52 banking houses or trust companies as are depositories or financial
53 agents of the city.

54 5. This section shall be deemed a state statute for purposes of para-
55 graph (a) of subdivision two of section eighty-seven of the public offi-
56 cers law.

1 6. Notwithstanding anything in subdivision one of this section to the
2 contrary, if a taxpayer has petitioned the tax appeals tribunal for
3 administrative review as provided in section one hundred seventy of the
4 charter of the preceding municipality as it existed January first, nine-
5 teen hundred ninety-four, the commissioner of finance shall be author-
6 ized to present to the tribunal any report or return of such taxpayer,
7 or any information contained therein or relating thereto, which may be
8 material or relevant to the proceeding before the tribunal. The tax
9 appeals tribunal shall be authorized to publish a copy or a summary of
10 any decision rendered pursuant to section one hundred seventy-one of the
11 charter of the preceding municipality as it existed January first, nine-
12 teen hundred ninety-four.

13 7. Notwithstanding anything in subdivision one of this section, the
14 commissioner of finance may disclose to a taxpayer or a taxpayer's
15 related member, as defined in subdivision (e) of section 11-506 of this
16 chapter, information relating to any royalty paid, incurred or received
17 by such taxpayer or related member to or from the other, including the
18 treatment of such payments by the taxpayer or the related member in any
19 report or return transmitted to the commissioner of finance under this
20 title.

21 § 11-539 Inconsistencies with other laws. If any provision of this
22 chapter is inconsistent with, in conflict with, or contrary to any other
23 provision of law, such provision of this chapter shall prevail over such
24 other provision and such other provision shall be deemed to have been
25 amended, superseded or repealed to the extent of such inconsistency,
26 conflict or contrariety.

27 § 11-540 Disposition of revenues. All revenues resulting from the
28 imposition of the taxes under this chapter shall be paid into the treas-
29 ury of the city and shall be credited to and deposited in the general
30 fund of the city, but no part of such revenues may be expended unless
31 appropriated in the annual budget of the city.

32 CHAPTER 6
33 CITY BUSINESS
34 TAXES
35 SUBCHAPTER 1
36 GENERAL PROVISIONS

37 § 11-601 Definitions. When used in subchapters one through five:

38 1. "Taxpayer" means any corporation, association or other entity or
39 individual subject to tax under this chapter;

40 2. "State", "the state" or "this state" means the state of New York;

41 3. "Tax law", "insurance law", "private housing finance law", "envi-
42 ronmental conservation law", "public housing law", "state finance law",
43 "general municipal law", "public service law", "workers' compensation
44 law", "business corporation law", "civil practice law and rules", "crim-
45 inal procedure law", and "banking law" refer to laws of the state;

46 4. "Superintendent of insurance", and "commissioner of health" refer
47 to officials of the state;

48 5. "Commissioner of finance" means the commissioner of finance of the
49 city;

50 6. "Department of finance" means the department of finance of the
51 city;

52 7. "Domestic corporation" means a corporation organized under the laws
53 of the state; and

1 8. "Tax appeals tribunal" means the tax appeals tribunal established
2 by section one hundred sixty-eight of the charter of the preceding muni-
3 cipality as it existed January first, nineteen hundred ninety-four.

4 9. "REIT" means a real estate investment trust as defined in section
5 eight hundred fifty-six of the internal revenue code.

6 10. "RIC" means a regulated investment company as defined in section
7 eight hundred fifty-one of the internal revenue code.

8 11. "Captive REIT" means a REIT (a) that is not regularly traded on an
9 established securities market, and (b) more than fifty percent of the
10 voting stock of which is owned or controlled, directly or indirectly, by
11 a single corporation that is not exempt from federal income tax and is
12 not a REIT. Any voting stock in a REIT that is held in a segregated
13 asset account of a life insurance corporation, as described in section
14 eight hundred seventeen of the internal revenue code, shall not be taken
15 into account for purposes of determining whether a REIT is a captive
16 REIT.

17 12. "Captive RIC" means a RIC (a) that is not regularly traded on an
18 established securities market, and (b) more than fifty percent of the
19 voting stock of which is owned or controlled, directly or indirectly, by
20 a single corporation that is not exempt from federal income tax and is
21 not a RIC. Any voting stock in a RIC that is held in a segregated asset
22 account of a life insurance corporation, as described in section eight
23 hundred seventeen of the internal revenue code, shall not be taken into
24 account for purposes of determining whether a RIC is a captive RIC.

25 13. Unless a different meaning is clearly required, any term used in
26 this chapter shall have the same meaning as when used in a comparable
27 context in the laws of the United States relating to federal income
28 taxes, and any reference to the laws of the United States shall mean the
29 provisions of the internal revenue code of nineteen hundred fifty-four,
30 and amendments thereto, and other provisions of the laws of the United
31 States relating to federal income taxes, as the same are included in the
32 appendix to this chapter. The quotation of the aforesaid laws of the
33 United States is intended to make them a part of any appropriate chapter
34 and to avoid constitutional uncertainties which might result if such
35 laws were merely incorporated by reference. The quotation of a
36 provision of the federal internal revenue code or of any other law of
37 the United States shall not necessarily mean that it is applicable to or
38 has relevance to any of the chapters.

39 SUBCHAPTER 2
40 GENERAL CORPORATION TAX

41 § 11-602 Definitions. When used in this subchapter:

42 1. (a) "Corporation" includes (1) an association within the meaning of
43 paragraph three of subsection (a) of section seventy-seven hundred one
44 of the internal revenue code, including a limited liability company, (2)
45 a joint-stock company or association, (3) a publicly traded partnership
46 treated as a corporation for purposes of the internal revenue code
47 pursuant to section seventy-seven hundred four thereof and (4) any busi-
48 ness conducted by a trustee or trustees wherein interest or ownership is
49 evidenced by certificate or other written instrument;

50 (b) (1) Notwithstanding paragraph (a) of this subdivision, an unincor-
51 porated organization that (i) is described in subparagraph one or three
52 of such paragraph (a) and (ii) was subject to the provisions of chapter
53 five of this title for its taxable year beginning in nineteen hundred
54 ninety-five, may make a one-time election not to be treated as a corpo-

1 ration and, instead, to continue to be subject to the provisions of
2 chapter five of this title for its taxable years beginning in nineteen
3 hundred ninety-six and thereafter. Such election shall be made on the
4 return prescribed pursuant to such chapter five for such electing organ-
5 ization's taxable year beginning in nineteen hundred ninety-six, which
6 shall be filed on or before the due date, determined with regard to
7 extensions, for filing such return.

8 (2) An election under this paragraph shall continue to be in effect
9 until revoked by the unincorporated organization. An election under this
10 paragraph shall be revoked by the filing of a return under this subchap-
11 ter for the first taxable year with respect to which such revocation is
12 to be effective, which return shall be filed on or before the due date,
13 determined with regard to extensions, for filing such return. In no
14 event shall such election or revocation be for a part of a taxable year.

15 (c) Notwithstanding paragraph (a) of this subdivision, a corporation
16 shall not include an entity classified as a partnership for federal
17 income tax purposes.

18 2. "Subsidiary" means a corporation of which over fifty per centum of
19 the number of shares of stock entitling the holders thereof to vote for
20 the election of directors or trustees is owned by the taxpayer;

21 3. "Subsidiary capital" means investments in the stock of subsidiaries
22 and any indebtedness from subsidiaries, exclusive of accounts receivable
23 acquired in the ordinary course of trade or business for services
24 rendered or for sales of property held primarily for sale to customers,
25 whether or not evidenced by written instrument, on which interest is not
26 claimed and deducted by the subsidiary for purposes of taxation under
27 this subchapter or subchapter three of this chapter, provided, however,
28 that, in the discretion of the commissioner of finance, there shall be
29 deducted from subsidiary capital any liabilities which are directly or
30 indirectly attributable to subsidiary capital;

31 4. "Investment capital" means investments in stocks, bonds and other
32 securities, corporate and governmental, not held for sale to customers
33 in the regular course of business, exclusive of subsidiary capital and
34 stock issued by the taxpayer, provided, however, that, in the discretion
35 of the commissioner of finance, there shall be deducted from investment
36 capital any liabilities which are directly or indirectly attributable to
37 investment capital; and provided, further, that investment capital shall
38 not include any such investments the income from which is excluded from
39 entire net income pursuant to the provisions of paragraph (c-1) of
40 subdivision eight of this section, and that investment capital shall be
41 computed without regard to any liabilities directly or indirectly
42 attributable to such investments, but only if air carriers organized in
43 the United States and operating in the foreign country or countries in
44 which the taxpayer has its major base of operations and in which it is
45 organized, resident or headquartered, if not in the same country as its
46 major base of operations, are not subject to any tax based on or meas-
47 ured by capital imposed by such foreign country or countries or any
48 political subdivision thereof, or if taxed are provided an exemption,
49 equivalent to that provided for herein, from any tax based on or meas-
50 ured by capital imposed by such foreign country or countries and from
51 any such tax imposed by any political subdivision thereof;

52 5. "Investment income" means income, including capital gains in excess
53 of capital losses, from investment capital to the extent included in
54 computing entire net income, less, (a) in the discretion of the commis-
55 sioner of finance, any deductions allowable in computing entire net
56 income which are directly or indirectly attributable to investment capi-

1 tal or investment income, and (b) such portion of any net operating loss
2 deduction allowable in computing entire net income, as the investment
3 income, before such deduction, bears to entire net income, before such
4 deduction, provided, however, that in no case shall investment income
5 exceed entire net income;

6 6. (a) "Business capital" means all assets, other than subsidiary
7 capital, investment capital and stock issued by the taxpayer, less
8 liabilities not deducted from subsidiary or investment capital except
9 that cash on hand and on deposit shall be treated as investment capital
10 or as business capital as the taxpayer may elect;

11 (b) Provided, however, "business capital" shall not include assets to
12 the extent employed for the purpose of generating income which is
13 excluded from entire net income pursuant to the provisions of paragraph
14 (c-1) of subdivision eight of this section and shall be computed without
15 regard to liabilities directly or indirectly attributable to such
16 assets, but only if air carriers organized in the United States and
17 operating in the foreign country or countries in which the taxpayer has
18 its major base of operations and in which it is organized, resident or
19 headquartered, if not in the same country as its major base of oper-
20 ations, are not subject to any tax based on or measured by capital
21 imposed by such foreign country or countries or any political subdivi-
22 sion thereof, or if taxed, are provided an exemption, equivalent to that
23 provided for herein, from any tax based on or measured by capital
24 imposed by such foreign country or countries and from any such tax
25 imposed by any political subdivision thereof.

26 7. "Business income" means entire net income minus investment income;

27 8. "Entire net income" means total net income from all sources, which
28 shall be presumably the same as the entire taxable income, but not
29 alternative minimum taxable income,

30 (i) which the taxpayer is required to report to the United States
31 treasury department, or

32 (ii) which the taxpayer would have been required to report to the
33 United States treasury department if it had not made an election under
34 subchapter s of chapter one of the internal revenue code, or

35 (iii) which the taxpayer, in the case of a corporation which is exempt
36 from federal income tax, other than the tax on unrelated business taxa-
37 ble income imposed under section five hundred eleven of the internal
38 revenue code, but which is subject to tax under this subchapter, would
39 have been required to report to the United States treasury department
40 but for such exemption, or

41 (iv) which the taxpayer would have been required to report to the
42 United States treasury department if no election had been made to treat
43 the taxpayer as a qualified subchapter s subsidiary under paragraph
44 three of subsection (b) of section thirteen hundred sixty-one of the
45 internal revenue code, except as provided in this paragraph, and subject
46 to any modification required by paragraphs (d) and (e) of subdivision
47 three of section 11-604 of this subchapter.

48 (a) Entire net income shall not include:

49 (1) income, gains and losses from subsidiary capital which do not
50 include the amount of a recovery in respect of any war loss;

51 (2) fifty percent of dividends other than from subsidiaries, except
52 that entire net income shall include one hundred percent of dividends on
53 shares of stock with respect to which a dividend deduction is disallowed
54 by subsection (c) of section two hundred forty-six of the internal
55 revenue code;

1 (2-a) any amounts treated as dividends pursuant to section seventy-
2 eight of the internal revenue code and not otherwise deductible under
3 subparagraphs one and two of this paragraph;

4 (3) bona fide gifts;

5 (4) income and deductions with respect to amounts received from school
6 districts and from corporations and associations, organized and operated
7 exclusively for religious, charitable or educational purposes, no part
8 of the net earnings of which inures to the benefit of any private share-
9 holder or individual, for the operation of school buses;

10 (5) any refund or credit of a tax imposed under this chapter, or
11 imposed by article nine or nine-A or thirty-two of the tax law as such
12 article was in effect on December thirty-first, two thousand fourteen,
13 for which tax no exclusion or deduction was allowed in determining the
14 taxpayer's entire net income under this subchapter or subchapter three
15 of this chapter for any prior year;

16 (6) in the case of a taxpayer who is separately or as a partner of a
17 partnership doing an insurance business as a member of the New York
18 insurance exchange described in section six thousand two hundred one of
19 the insurance law, any item of income, gain, loss or deduction of such
20 business which is the taxpayer's distributive or pro rata share for
21 federal income tax purposes or which the taxpayer is required to take
22 into account separately for federal income tax purposes;

23 (7) that portion of wages and salaries paid or incurred for the taxa-
24 ble year for which a deduction is not allowed pursuant to the provisions
25 of section two hundred eighty C of the internal revenue code;

26 (8) for taxable years beginning after December thirty-first, nineteen
27 hundred eighty-one, except with respect to property which is a qualified
28 mass commuting vehicle described in subparagraph (D) of paragraph eight
29 of subsection (f) of section one hundred sixty-eight of the internal
30 revenue code, relating to qualified mass commuting vehicles, and proper-
31 ty of a taxpayer principally engaged in the conduct of an aviation,
32 steamboat, ferry or navigation business, or two or more of such busi-
33 nesses, which is placed in service before taxable years beginning in
34 nineteen hundred eighty-nine, any amount which is included in the
35 taxpayer's federal taxable income solely as a result of an election made
36 pursuant to the provisions of such paragraph eight as it was in effect
37 for agreements entered into prior to January first, nineteen hundred
38 eighty-four;

39 (9) for taxable years beginning after December thirty-first, nineteen
40 hundred eighty-one, except with respect to property which is a qualified
41 mass commuting vehicle described in subparagraph (D) of paragraph eight
42 of subsection (f) of section one hundred sixty-eight of the internal
43 revenue code, relating to qualified mass commuting vehicles, and proper-
44 ty of a taxpayer principally engaged in the conduct of an aviation,
45 steamboat, ferry or navigation business, or two or more of such busi-
46 nesses, which is placed in service before taxable years beginning in
47 nineteen hundred eighty-nine, any amount which the taxpayer could have
48 excluded from federal taxable income had it not made the election
49 provided for in such paragraph eight as it was in effect for agreements
50 entered into prior to January first, nineteen hundred eighty-four;

51 (10) the amount deductible pursuant to paragraph (j) of this subdivi-
52 sion;

53 (11) upon the disposition of property to which paragraph (j) of this
54 subdivision applies, the amount, if any, by which the aggregate of the
55 amounts described in subparagraph eleven of paragraph (b) of this subdivi-
56 sion attributable to such property exceeds the aggregate of the

1 amounts described in paragraph (j) of this subdivision attributable to
2 such property;

3 (12) for taxable years ending after September tenth, two thousand one,
4 the amount deductible pursuant to paragraph (k) of this subdivision;

5 (13) the amount deductible pursuant to paragraph (o) of this subdivi-
6 sion;

7 (14) any amount excepted, for purposes of subsection (a) of section
8 one hundred eighteen of the internal revenue code, from the term
9 "contribution to the capital of the taxpayer" by paragraph two of
10 subsection (b) of section one hundred eighteen of the internal revenue
11 code;

12 (15) the amount of any gain added back to determine entire net income
13 in a previous taxable year pursuant to subparagraph nineteen of para-
14 graph (b) of this subdivision that is included in federal gross income
15 for the taxable year; and

16 (16) the amount of any grant received through either the COVID-19
17 pandemic small business recovery grant program, pursuant to section
18 sixteen-ff of the New York state urban development corporation act, or
19 the small business resilience grant program administered by the depart-
20 ment of small business services, to the extent the amount of either such
21 grant is included in federal taxable income.

22 (a-1) Notwithstanding any other provision of this subchapter, for
23 taxable years beginning on or after August first, two thousand two, in
24 the case of a taxpayer that is a partner in a partnership subject to the
25 tax imposed by chapter eleven of this title as a utility, as defined in
26 subdivision six of section 11-1101 of such chapter, entire net income
27 shall not include the taxpayer's distributive or pro rata share for
28 federal income tax purposes of any item of income, gain, loss or
29 deduction of such partnership, or any item of income, gain, loss or
30 deduction of such partnership that the taxpayer is required to take into
31 account separately for federal income tax purposes.

32 (b) Entire net income shall be determined without the exclusion,
33 deduction or credit of:

34 (1) the amount of any specific exemption or credit allowed in any law
35 of the United States imposing any tax on or measured by the income of
36 any corporation,

37 (2) any part of any income from dividends or interest on any kind of
38 stock, securities, or indebtedness, except as provided in clauses one
39 and two of paragraph (a) of this subdivision,

40 (3) taxes on or measured by profits or income paid or accrued to the
41 United States, any of its possessions or to any foreign country, includ-
42 ing taxes in lieu of any of the foregoing taxes otherwise generally
43 imposed by any foreign country or by any possession of the United
44 States, or taxes on or measured by profited or income paid or accrued to
45 the state or any subdivision thereof, including taxes paid or accrued
46 under article nine, nine-A, thirteen-A, twenty-four-A, or twenty-four-B
47 of the tax law or under article thirty-two of the tax law as such arti-
48 cle was in effect on December thirty-first, two thousand fourteen,

49 (3-a) taxes on or measured by profits or income, or which include
50 profits or income as a measure, paid or accrued to any other state of
51 the United States, or any political subdivision thereof, or to the
52 District of Columbia, including taxes expressly in lieu of any of the
53 foregoing taxes otherwise generally imposed by any other state of the
54 United States, or any political subdivision thereof, or the District of
55 Columbia;

56 (4) taxes imposed under this chapter,

1 (4-a) (A) the entire amount allowable as an exclusion or deduction for
2 stock transfer taxes imposed by article twelve of the tax law in deter-
3 mining the entire taxable income which the taxpayer is required to
4 report to the United States treasury department but only to the extent
5 that such taxes are incurred and paid in market making transactions, and

6 (B) the amount allowed as an exclusion or deduction for sales and use
7 taxes imposed by section eleven hundred seven of the tax law in deter-
8 mining the entire taxable income which the taxpayer is required to
9 report to the United States treasury department but only such portion of
10 such exclusion or deduction which is not in excess of the amount of the
11 credit allowed pursuant to subdivision twelve of section 11-604 of this
12 subchapter,

13 (4-b) the amount allowed as an exclusion or a deduction imposed by the
14 tax law in determining the entire taxable income which the taxpayer is
15 required to report to the United States treasury department but only
16 such portion of such exclusion or deduction which is not in excess of
17 the amount of the credit allowed pursuant to subdivision thirteen of
18 section 11-604 of this subchapter,

19 (4-c) the amount allowed as an exclusion or a deduction imposed by the
20 tax law in determining the entire taxable income which the taxpayer is
21 required to report to the United States treasury department but only
22 such portion of such exclusion or deduction which is not in excess of
23 the amount of the credit allowed pursuant to subdivision fourteen of
24 section 11-604 of this subchapter,

25 (4-d) the amount allowed as an exclusion or deduction for sales and
26 use taxes imposed by section eleven hundred seven of the tax law in
27 determining the entire taxable income which the taxpayer is required to
28 report to the United States Treasury Department, but only such portion
29 of such exclusion or deduction which is not in excess of the amount of
30 the credit allowed pursuant to subdivision fifteen of section 11-604 of
31 this chapter,

32 (4-g) The amount allowed as an exclusion or deduction for sales and
33 use taxes imposed by section eleven hundred seven of the tax law, or for
34 any interest imposed in connection therewith, in determining the entire
35 taxable income which the taxpayer is required to report to the United
36 States treasury department but only such portion of such exclusion or
37 deduction which is not in excess of the amount of the credit allowed
38 pursuant to subdivision seventeen-a of section 11-604 of this subchap-
39 ter.

40 (6) in the discretion of the commissioner of finance, any amount of
41 interest directly or indirectly and any other amount directly or indi-
42 rectly attributable as a carrying charge or otherwise to subsidiary
43 capital or to income, gains or losses from subsidiary capital,

44 (7) any amount by reason of the granting, issuing or assuming of a
45 restricted stock option, as defined in the internal revenue code of
46 nineteen hundred fifty-four, or by reason of the transfer of the share
47 of stock upon the exercise of the option, unless such share is disposed
48 of by the grantee of the option within two years from the date of the
49 granting of the option or within six months after the transfer of such
50 share to the grantee,

51 (8) in the case of a taxpayer who is separately or as a partner of a
52 partnership doing an insurance business as a member of the New York
53 insurance exchange described in section six thousand two hundred one of
54 the insurance law, such taxpayer's distributive or pro rata share of the
55 allocated entire net income of such business as determined under
56 sections fifteen hundred three and fifteen hundred four of the tax law,

1 provided however, in the event such allocated entire net income is a
2 loss, such taxpayer's distributive or pro rata share of such loss shall
3 not be subtracted from federal taxable income in computing entire net
4 income under this subdivision,

5 (9) for taxable years beginning after December thirty-first, nineteen
6 hundred eighty-one, except with respect to property which is a qualified
7 mass commuting vehicle described in subparagraph (D) of paragraph eight
8 of subsection (f) of section one hundred sixty-eight of the internal
9 revenue code, relating to qualified mass commuting vehicles, and proper-
10 ty of a taxpayer principally engaged in the conduct of an aviation,
11 steamboat, ferry or navigation business, or two or more of such busi-
12 nesses, which is placed in service before taxable years beginning in
13 nineteen hundred eighty-nine, any amount which the taxpayer claimed as a
14 deduction in computing its federal taxable income solely as a result of
15 an election made pursuant to the provisions of such paragraph eight as
16 it was in effect for agreements entered into prior to January first,
17 nineteen hundred eighty-four,

18 (10) for taxable years beginning after December thirty-first, nineteen
19 hundred eighty-one, except with respect to property which is a qualified
20 mass commuting vehicle described in subparagraph (D) of paragraph eight
21 of subsection (f) of section one hundred sixty-eight of the internal
22 revenue code, relating to qualified mass commuting vehicles, and proper-
23 ty of a taxpayer principally engaged in the conduct of an aviation,
24 steamboat, ferry or navigation business, or two or more of such busi-
25 nesses, which is placed in service before taxable years beginning in
26 nineteen hundred eighty-nine, any amount which the taxpayer would have
27 been required to include in the computation of its federal taxable
28 income had it not made the election permitted pursuant to such paragraph
29 eight as it was in effect for agreements entered into prior to January
30 first, nineteen hundred eighty-four,

31 (11) in the case of property placed in service in taxable years begin-
32 ning before nineteen hundred ninety-four, for taxable years beginning
33 after December thirty-first, nineteen hundred eighty-one, except with
34 respect to property subject to the provisions of section two hundred
35 eighty-F of the internal revenue code, property subject to the
36 provisions of section one hundred sixty-eight of the internal revenue
37 code which is placed in service in this state in taxable years beginning
38 after December thirty-first, nineteen hundred eighty-four and property
39 of a taxpayer principally engaged in the conduct of an aviation, steam-
40 boat, ferry or navigation business, or two or more of such businesses,
41 which is placed in service before taxable years beginning in nineteen
42 hundred eighty-nine, the amount allowable as a deduction determined
43 under section one hundred sixty-eight of the internal revenue code,

44 (12) upon the disposition of property to which paragraph (j) of this
45 subdivision applies, the amount, if any, by which the aggregate of the
46 amounts described in such paragraph (j) attributable to such property
47 exceeds the aggregate of the amounts described in subparagraph eleven of
48 this paragraph attributable to such property,

49 (13) for taxable years ending after September tenth, two thousand one,
50 in the case of qualified property described in paragraph two of
51 subsection k of section one hundred sixty-eight of the internal revenue
52 code, other than qualified resurgence zone property described in para-
53 graph (m) of this subdivision, and other than qualified New York Liberty
54 Zone property described in paragraph two of subsection b of section
55 fourteen hundred L of the internal revenue code, without regard to
56 clause (i) of subparagraph (C) of such paragraph, the amount allowable

1 as a deduction under section one hundred sixty-seven of the internal
2 revenue code,

3 (14) for taxable years beginning on or after January first, two thou-
4 sand four, in the case of a taxpayer that is not an eligible farmer as
5 defined in subsection (n) of section six hundred six of the tax law, the
6 amount allowable as a deduction under sections one hundred seventy-nine,
7 one hundred sixty-seven and one hundred sixty-eight of the internal
8 revenue code with respect to a sport utility vehicle that is not a
9 passenger automobile as defined in paragraph five of subsection (d) of
10 section two hundred eighty F of the internal revenue code,

11 (15) the amount of any deduction allowed pursuant to section one
12 hundred ninety-nine of the internal revenue code,

13 (16) the amount of any federal deduction for taxes imposed under arti-
14 cle twenty-three of the tax law,

15 (17) the amount of any federal deduction that would have been allowed
16 pursuant to subparagraph (A) of paragraph one of subdivision (a) of
17 section two hundred fifty of the internal revenue code if the taxpayer
18 had not made an election under subchapter s of chapter one of the inter-
19 nal revenue code,

20 (18) for taxable years beginning in two thousand nineteen and two
21 thousand twenty, the amount of the increase in the federal interest
22 deduction allowed pursuant to paragraph ten of subdivision (j) of
23 section one hundred sixty-three of the internal revenue code, and

24 (19) the amount of any gain excluded from federal gross income for the
25 taxable year by subparagraph (A) of paragraph (1) of subsection (a) of
26 section one thousand four hundred Z-two of the internal revenue code.

27 (c) Entire net income shall include income within and without the
28 United States;

29 (c-1)(1) Notwithstanding any other provision of this subchapter, in
30 the case of a taxpayer which is a foreign air carrier holding a foreign
31 air carrier permit issued by the United States department of transporta-
32 tion pursuant to section four hundred two of the federal aviation act of
33 nineteen hundred fifty-eight, as amended, and which is qualified under
34 subparagraph two of this paragraph, entire net income shall not include,
35 and shall be computed without the deduction of, amounts directly or
36 indirectly attributable to, (i) any income derived from the interna-
37 tional operation of aircraft as described in and subject to the
38 provisions of section eight hundred eighty-three of the internal revenue
39 code, (ii) income without the United States which is derived from the
40 operation of aircraft, and (iii) income without the United States which
41 is of a type described in subdivision (a) of section eight hundred
42 eighty-one of the internal revenue code except that it is derived from
43 sources without the United States. Entire net income shall include
44 income described in clauses (i), (ii) and (iii) of this subparagraph in
45 the case of taxpayers not described in this subparagraph.

46 (2) A taxpayer is qualified under this subparagraph if air carriers
47 organized in the United States and operating in the foreign country or
48 countries in which the taxpayer has its major base of operations and in
49 which it is organized, resident or headquartered, if not in the same
50 country as its major base of operations, are not subject to any income
51 tax or other tax based on or measured by income or receipts imposed by
52 such foreign country or countries or any political subdivision thereof,
53 or if so subject to such tax, are provided an exemption from such tax
54 equivalent to that provided for in this paragraph.

55 (d) The commissioner of finance may, whenever necessary in order prop-
56 erly to reflect the entire net income of any taxpayer, determine the

1 year or period in which any item of income or deduction shall be
2 included, without regard to the method of accounting employed by the
3 taxpayer;

4 (e) The entire net income of any bridge commission created by act of
5 congress to construct a bridge across an international boundary means
6 its gross income less the expense of maintaining and operating its prop-
7 erties, the annual interest upon its bonds and other obligations, and
8 the annual charge for the retirement of such bonds or obligations at
9 maturity;

10 (f) A net operating loss deduction shall be allowed which shall be the
11 same as the net operating loss deduction allowed under section one
12 hundred seventy-two of the internal revenue code or which would have
13 been allowed if the taxpayer had not made an election under subchapter s
14 of chapter one of the internal revenue code, except that in every
15 instance where such deduction is allowed under this subchapter:

16 (1) any net operating loss included in determining such deduction
17 shall be adjusted to reflect the inclusions and exclusions from entire
18 net income pursuant to paragraphs (a), (b), (g) and (h) of this subdivi-
19 sion,

20 (2) such deductions shall not include any net operating loss sustained
21 during any taxable year in which the taxpayer was not subject to the tax
22 imposed by this subchapter,

23 (3) such deduction shall not exceed the deduction for the taxable year
24 allowed under section one hundred seventy-two of the internal revenue
25 code, or the deduction for the taxable year which would have been
26 allowed if the taxpayer had not made an election under subchapter s of
27 chapter one of the internal revenue code,

28 (4) any net operating loss for a taxable year beginning in nineteen
29 hundred eighty-one shall be computed without regard to the deduction
30 allowed with respect to recovery property under section one hundred
31 sixty-eight of the internal revenue code; in lieu of such deduction, a
32 taxpayer shall be allowed for such taxable year with respect to such
33 property the depreciation deduction allowable under section one hundred
34 sixty-seven of such code as such section was in full force and effect on
35 December thirty-first, nineteen hundred eighty, and

36 (5) the net operating loss deduction allowed under section one hundred
37 seventy-two of the internal revenue code shall for purposes of this
38 paragraph be determined as if the taxpayer had elected under such
39 section to relinquish the entire carryback period with respect to net
40 operating losses, except with respect to the first ten thousand dollars
41 of each of such losses, sustained during taxable years ending after June
42 thirtieth, nineteen hundred eighty-nine.

43 (6) Notwithstanding any other provision of this subchapter to the
44 contrary, for taxable years beginning before January first, two thousand
45 twenty-one, any amendment to section one hundred seventy-two of the
46 internal revenue code made after March first, two thousand twenty shall
47 not apply to this subchapter.

48 (g) At the election of the taxpayer, a deduction shall be allowed for
49 expenditures paid or incurred during the taxable year for the
50 construction, reconstruction, erection or improvement of industrial
51 waste treatment facilities and air pollution control facilities.

52 (1)(A) The term "industrial waste treatment facilities" shall mean
53 facilities for the treatment, neutralization or stabilization of indus-
54 trial waste, as the term "industrial waste" is defined in section
55 17-0105 of the environmental conservation law, from a point immediately
56 preceding the point of such treatment, neutralization or stabilization

1 to the point of disposal, including the necessary pumping and transmit-
2 ting facilities, but excluding such facilities installed for the primary
3 purpose of salvaging materials which are usable in the manufacturing
4 process or are marketable.

5 (B) The term "air pollution control facilities" shall mean facilities
6 which remove, reduce, or render less noxious air contaminants emitted
7 from an air contamination source, as the terms "air contaminant" and
8 "air contamination source" are defined in section 19-0107 of the envi-
9 ronmental conservation law, from a point immediately preceding the point
10 of such removal, reduction or rendering to the point of discharge of
11 air, meeting emission standards as established by the air pollution
12 control board, but excluding such facilities installed for the primary
13 purpose of salvaging materials which are usable in the manufacturing
14 process or are marketable and excluding those facilities which rely for
15 their efficacy on dilution, dispersion or assimilation of air contam-
16 inants in the ambient air after emission.

17 (2) However, such deduction shall be allowed only (A) with respect to
18 tangible property which is depreciable, pursuant to section one hundred
19 sixty-seven of the internal revenue code, having a situs in the city and
20 used in the taxpayer's trade or business, the construction, recon-
21 struction, erection or improvement of which, in the case of industrial
22 waste treatment facilities, is initiated on or after January first,
23 nineteen hundred sixty-six, and only for expenditures paid or incurred
24 prior to January first, nineteen hundred seventy-two, or which, in the
25 case of air pollution control facilities, is initiated on or after Janu-
26 ary first, nineteen hundred sixty-six, and

27 (B) on condition that such facilities have been certified by the state
28 commissioner of environmental conservation or the state commissioner's
29 designated representative, in the same manner as provided for in section
30 17-0707 or 19-0309 of the environmental conservation law, as applicable,
31 as complying with applicable provisions of the environmental conserva-
32 tion law, the state sanitary code and regulations, permits or orders
33 issued pursuant thereto, and

34 (C) on condition that entire net income for the taxable year and all
35 succeeding taxable years be computed without any deductions for such
36 expenditures or for depreciation of the same property other than the
37 deductions allowed by this paragraph except to the extent that the basis
38 of the property may be attributable to factors other than such expendi-
39 tures, or in case a deduction is allowable pursuant to this paragraph
40 for only a part of such expenditures, on condition that any deduction
41 allowed for federal income tax purposes for such expenditures or for
42 depreciation of the same property be proportionately reduced in comput-
43 ing entire net income for the taxable year and all succeeding taxable
44 years, and

45 (D) where the election provided for in paragraph (d) of subdivision
46 three of section 11-604 of this subchapter has not been exercised in
47 respect to the same property.

48 (3)(A) If expenditures in respect to an industrial waste treatment
49 facility or an air pollution control facility have been deducted as
50 provided herein and if within ten years from the end of the taxable year
51 in which such deduction was allowed such property or any part thereof is
52 used for the primary purpose of salvaging materials which are usable in
53 the manufacturing process or are marketable, the taxpayer shall report
54 such change of use in its report for the first taxable year during which
55 it occurs, and the commissioner of finance may recompute the tax for the
56 year or years for which such deduction was allowed and any carryback or

1 carryover year, and may assess any additional tax resulting from such
2 recomputation within the time fixed by paragraph (h) of subdivision
3 three of section 11-674 of this chapter.

4 (B) If a deduction is allowed as herein provided for expenditures paid
5 or incurred during any taxable year on the basis of a temporary certifi-
6 cate of compliance issued pursuant to the environmental conservation
7 law and if the taxpayer fails to obtain a permanent certificate of
8 compliance upon completion of the facilities with respect to which such
9 temporary certificate was issued, the taxpayer shall report such failure
10 in its report for the taxable year during which such facilities are
11 completed, and the commissioner of finance may recompute the tax for the
12 year or years for which such deduction was allowed and any carryback or
13 carryover year, and may assess any additional tax resulting from such
14 recomputation within the time fixed by paragraph (h) of subdivision
15 three of section 11-674 of this chapter.

16 (4) In any taxable year when property is sold or otherwise disposed
17 of, with respect to which a deduction has been allowed pursuant to this
18 paragraph, such deduction shall be disregarded in computing gain or
19 loss, and the gain or loss on the sale or other disposition of such
20 property shall be the gain or loss entering into the computation of
21 entire taxable income which the taxpayer is required to report to the
22 United States treasury for such taxable year;

23 (h) With respect to gain derived from the sale or other disposition of
24 any property acquired prior to January first, nineteen hundred sixty-
25 six; which had a federal adjusted basis on such date, or on the date of
26 its sale or other disposition prior to January first, nineteen hundred
27 sixty-six, lower than its fair market value on January first, nineteen
28 hundred sixty-six or the date of its sale or other disposition prior
29 thereto, except property described in subsections one and four of
30 section twelve hundred twenty-one of the internal revenue code, there
31 shall be deducted from entire net income, the difference between (1) the
32 amount of the taxpayer's federal taxable income, and (2) the amount of
33 the taxpayer's federal taxable income, if smaller than the amount
34 described in subparagraph one of this paragraph computed as if the
35 federal adjusted basis of each such property on the sale or other dispo-
36 sition of which gain was derived, on the date of the sale or other
37 disposition had been equal to either (A) its fair market value on Janu-
38 ary first, nineteen hundred sixty-six or the date of its sale or other
39 disposition prior to January first, nineteen hundred sixty-six, plus or
40 minus all adjustments to basis made with respect to such property for
41 federal income tax purposes for periods on and after January first,
42 nineteen hundred sixty-six or (B) the amount realized from its sale or
43 disposition, whichever is lower; provided, however, that the total
44 modification provided by this paragraph shall not exceed the amount of
45 the taxpayer's net gain from the sale or other disposition of all such
46 property.

47 (i) If the period covered by a report under this subchapter is other
48 than the period covered by the report of the United States treasury
49 department, entire net income shall be determined by multiplying the
50 federal taxable income, as adjusted pursuant to the provisions of this
51 subchapter, by the number of calendar months or major parts thereof
52 covered by the report under this subchapter and dividing by the number
53 of calendar months or major parts thereof covered by the report to such
54 department.

55 If it shall appear that such method of determining entire net income
56 does not properly reflect the taxpayer's income during the period

1 covered by the report under this subchapter, the commissioner of finance
2 shall be authorized in his or her discretion to determine such entire
3 net income solely on the basis of the taxpayer's income during the peri-
4 od covered by its report under this subchapter.

5 (j) In the case of property placed in service in taxable years begin-
6 ning before nineteen hundred ninety-four, for taxable years beginning
7 after December thirty-first, nineteen hundred eighty-one, except with
8 respect to property subject to the provisions of section two hundred
9 eighty-F of the internal revenue code and property subject to the
10 provisions of section one hundred sixty-eight of the internal revenue
11 code which is placed in service in this state in taxable years beginning
12 after December thirty-first, nineteen hundred eighty-four, and provided
13 a deduction has not been excluded from entire net income pursuant to
14 subparagraph nine of paragraph (b) of this subdivision, a taxpayer shall
15 be allowed with respect to property which is subject to the provisions
16 of section one hundred sixty-eight of the internal revenue code the
17 depreciation deduction allowable under section one hundred sixty-seven
18 of the internal revenue code as such section would have applied to prop-
19 erty placed in service on December thirty-first, nineteen hundred
20 eighty. This paragraph shall not apply to property of a taxpayer princi-
21 pally engaged in the conduct of an aviation, steamboat, ferry or naviga-
22 tion business, or two or more of such businesses, which is placed in
23 service before taxable years beginning in nineteen hundred eighty-nine.

24 (k) for taxable years ending after September tenth, two thousand one,
25 in the case of qualified property described in paragraph two of
26 subsection k of section one hundred sixty-eight of the internal revenue
27 code, other than qualified resurgence zone property described in para-
28 graph (m) of this subdivision, and other than qualified New York Liberty
29 Zone property described in paragraph two of subsection b of section
30 fourteen hundred L of the internal revenue code, without regard to
31 clause (i) of subparagraph (C) of such paragraph, the depreciation
32 deduction allowable under section one hundred sixty-seven as such
33 section would have applied to such property had it been acquired by the
34 taxpayer on September tenth, two thousand one, provided, however, that
35 for taxable years beginning on or after January first, two thousand
36 four, in the case of a passenger motor vehicle or a sport utility vehi-
37 cle subject to the provisions of paragraph (o) of this subdivision, the
38 limitation under clause (i) of subparagraph (A) of paragraph one of
39 subdivision (a) of section two hundred eighty-F of the internal revenue
40 code applicable to the amount allowed as a deduction under this para-
41 graph shall be determined as of the date such vehicle was placed in
42 service and not as of September tenth, two thousand one.

43 (l) for taxable years ending after September tenth, two thousand one,
44 upon the disposition of property to which paragraph (k) of this subdivi-
45 sion applies, the amount of any gain or loss includible in entire net
46 income shall be adjusted to reflect the inclusions and exclusions from
47 entire net income pursuant to subparagraph twelve of paragraph (a) and
48 subparagraph thirteen of paragraph (b) of this subdivision attributable
49 to such property.

50 (m) for purposes of this paragraph and paragraph (l) of this subdivi-
51 sion, qualified resurgence zone property shall mean qualified property
52 described in paragraph two of subsection k of section one hundred
53 sixty-eight of the internal revenue code substantially all of the use of
54 which is in the resurgence zone, as defined in this paragraph, and is in
55 the active conduct of a trade or business by the taxpayer in such zone,
56 and the original use of which in the resurgence zone commences with the

1 taxpayer after September tenth, two thousand one. The resurgence zone
2 shall mean the area of New York county bounded on the south by a line
3 running from the intersection of the Hudson River with the Holland
4 Tunnel, and running thence east to Canal Street, then running along the
5 centerline of Canal Street to the intersection of the Bowery and Canal
6 Street, running thence in a southeasterly direction diagonally across
7 Manhattan Bridge Plaza, to the Manhattan Bridge, and thence along the
8 centerline of the Manhattan Bridge to the point where the centerline of
9 the Manhattan Bridge would intersect with the easterly bank of the East
10 River, and bounded on the north by a line running from the intersection
11 of the Hudson River with the Holland Tunnel and running thence north
12 along West Avenue to the intersection of Clarkson Street then running
13 east along the centerline of Clarkson Street to the intersection of
14 Washington Avenue, then running south along the centerline of Washington
15 Avenue to the intersection of West Houston Street, then east along the
16 centerline of West Houston Street, then at the intersection of the
17 Avenue of the Americas continuing east along the centerline of East
18 Houston Street to the easterly bank of the East River.

19 (n) Related members expense add back.

20 (1) Definitions. (A) Related member. "Related member" means a related
21 person as defined in subparagraph (c) of paragraph three of subsection
22 (b) of section four hundred sixty-five of the internal revenue code,
23 except that "fifty percent" shall be substituted for "ten percent".

24 (B) Effective rate of tax. "Effective rate of tax" means, as to any
25 city, the maximum statutory rate of tax imposed by the city on or meas-
26 ured by a related member's net income multiplied by the apportionment
27 percentage, if any, applicable to the related member under the laws of
28 said jurisdiction. For purposes of this definition, the effective rate
29 of tax as to any city is zero where the related member's net income tax
30 liability in said city is reported on a combined or consolidated return
31 including both the taxpayer and the related member where the reported
32 transactions between the taxpayer and the related member are eliminated
33 or offset. Also, for purposes of this definition, when computing the
34 effective rate of tax for a city in which a related member's net income
35 is eliminated or offset by a credit or similar adjustment that is
36 dependent upon the related member either maintaining or managing intan-
37 gible property or collecting interest income in that city, the maximum
38 statutory rate of tax imposed by said city shall be decreased to reflect
39 the statutory rate of tax that applies to the related member as effec-
40 tively reduced by such credit or similar adjustment.

41 (C) Royalty payments. Royalty payments are payments directly connected
42 to the acquisition, use, maintenance or management, ownership, sale,
43 exchange, or any other disposition of licenses, trademarks, copyrights,
44 trade names, trade dress, service marks, mask works, trade secrets,
45 patents and any other similar types of intangible assets as determined
46 by the commissioner of finance, and include amounts allowable as inter-
47 est deductions under section one hundred sixty-three of the internal
48 revenue code to the extent such amounts are directly or indirectly for,
49 related to or in connection with the acquisition, use, maintenance or
50 management, ownership, sale, exchange or disposition of such intangible
51 assets.

52 (D) Valid business purpose. A valid business purpose is one or more
53 business purposes, other than the avoidance or reduction of taxation,
54 which alone or in combination constitute the primary motivation for some
55 business activity or transaction, which activity or transaction changes
56 in a meaningful way, apart from tax effects, the economic position of

1 the taxpayer. The economic position of the taxpayer includes an increase
2 in the market share of the taxpayer, or the entry by the taxpayer into
3 new business markets.

4 (2) Royalty expense add backs. (A) For the purpose of computing entire
5 net income or other applicable taxable basis, a taxpayer must add back
6 royalty payments directly or indirectly paid, accrued, or incurred in
7 connection with one or more direct or indirect transactions with one or
8 more related members during the taxable year to the extent deductible in
9 calculating federal taxable income.

10 (B) (i) The adjustment required in this paragraph shall not apply to
11 the portion of the royalty payment that the taxpayer establishes, by
12 clear and convincing evidence of the type and in the form specified by
13 the commissioner of finance, meets all of the following requirements:

14 (I) the related member was subject to tax in this city or another city
15 within the United States or a foreign nation or some combination thereof
16 on a tax base that included the royalty payment paid, accrued or
17 incurred by the taxpayer; (II) the related member during the same tax-
18 able year directly or indirectly paid, accrued or incurred such portion
19 to a person that is not a related member; and (III) the transaction
20 giving rise to the royalty payment between the taxpayer and the related
21 member was undertaken for a valid business purpose.

22 (ii) The adjustment required in this paragraph shall not apply if the
23 taxpayer establishes, by clear and convincing evidence of the type and
24 in the form specified by the commissioner of finance, that: (I) the
25 related member was subject to tax on or measured by its net income in
26 this city or another city within the United States, or some combination
27 thereof; (II) the tax base for said tax included the royalty payment
28 paid, accrued or incurred by the taxpayer; and (III) the aggregate
29 effective rate of tax applied to the related member in those jurisdic-
30 tions is no less than eighty percent of the statutory rate of tax that
31 applied to the taxpayer under section 11-604 of this subchapter for the
32 taxable year.

33 (iii) The adjustment required in this paragraph shall not apply if the
34 taxpayer establishes, by clear and convincing evidence of the type and
35 in the form specified by the commissioner of finance, that: (I) the
36 royalty payment was paid, accrued or incurred to a related member organ-
37 ized under the laws of a country other than the United States; (II) the
38 related member's income from the transaction was subject to a comprehen-
39 sive income tax treaty between such country and the United States; (III)
40 the related member was subject to tax in a foreign nation on a tax base
41 that included the royalty payment paid, accrued or incurred by the
42 taxpayer; (IV) the related member's income from the transaction was
43 taxed in such country at an effective rate of tax at least equal to that
44 imposed by this city; and (V) the royalty payment was paid, accrued or
45 incurred pursuant to a transaction that was undertaken for a valid busi-
46 ness purpose and using terms that reflect an arm's length relationship.

47 (iv) The adjustment required in this paragraph shall not apply if the
48 taxpayer and the commissioner of finance agree in writing to the appli-
49 cation or use of alternative adjustments or computations. The commis-
50 sioner of finance may, in his or her discretion, agree to the applica-
51 tion or use of alternative adjustments or computations when he or she
52 concludes that in the absence of such agreement the income of the
53 taxpayer would not be properly reflected.

54 (o) For taxable years beginning on or after January first, two thou-
55 sand four, in the case of a taxpayer that is not an eligible farmer as
56 defined in subsection (n) of section six hundred six of the tax law, the

1 deductions allowable under sections one hundred seventy-nine, one
2 hundred sixty-seven and one hundred sixty-eight of the internal revenue
3 code with respect to a sport utility vehicle that is not a passenger
4 automobile as defined in paragraph five of subsection (d) of section two
5 hundred eighty-F of the internal revenue code, determined as if such
6 sport utility vehicle were a passenger automobile as defined in such
7 paragraph five. For purposes of paragraph (k) and subparagraph thirteen
8 of paragraph (b) of this subdivision, the terms qualified resurgence
9 zone property and qualified New York Liberty Zone property described in
10 paragraph two of subsection b of section fourteen hundred-L of the
11 internal revenue code shall not include any sport utility vehicle that
12 is not a passenger automobile as defined in paragraph five of subsection
13 (d) of section two hundred eighty-F of the internal revenue code.

14 (p) Upon the disposition of property to which paragraph (o) of this
15 subdivision applies, the amount of any gain or loss includible in entire
16 net income shall be adjusted to reflect the inclusions and exclusions
17 from entire net income pursuant to subparagraph thirteen of paragraph
18 (a) and subparagraph fourteen of paragraph (b) of this subdivision
19 attributable to such property.

20 9. (a) The term "calendar year" means a period of twelve calendar
21 months, or any shorter period beginning on the date the taxpayer becomes
22 subject to the tax imposed by this subchapter, ending on the thirty-
23 first day of December, provided the taxpayer keeps its books on the
24 basis of such period or on the basis of any period ending on any day
25 other than the last day of a calendar month, or provided the taxpayer
26 does not keep books, and includes, in case the taxpayer changes the
27 period on the basis of which it keeps its books from a fiscal year to a
28 calendar year, the period from the close of its last old fiscal year up
29 to and including the following December thirty-first.

30 (b) The term "fiscal year" means a period of twelve calendar months,
31 or any shorter period beginning on the date the taxpayer becomes subject
32 to the tax imposed by this subchapter, ending on the last day of any
33 month other than December, provided the taxpayer keeps its books on the
34 basis of such period, and includes, in case the taxpayer changes the
35 period on the basis of which it keeps its books from a calendar year to
36 a fiscal year or from one fiscal year to another fiscal year, the period
37 from the close of its last old calendar or fiscal year up to the date
38 designated as the close of its new fiscal year.

39 10. The term "tangible personal property" means corporeal personal
40 property, such as machinery, tools, implements, goods, wares and
41 merchandise, and does not mean money, deposits in banks, shares of
42 stock, bonds, notes, credits or evidence of an interest property and
43 evidences of debt.

44 § 11-603 Imposition of tax; exemptions. 1. For the privilege of doing
45 business, or of employing capital, or of owning or leasing property in
46 the city in a corporate or organized capacity, or of maintaining an
47 office in the city, for all or any part of each of its fiscal or calen-
48 dar years, every domestic or foreign corporation, except corporations
49 specified in subdivision four of this section, shall annually pay a tax,
50 upon the basis of its entire net income, or upon such other basis as may
51 be applicable as provided by this section, for such fiscal or calendar
52 year or part thereof, on a report which shall be filed, except as
53 provided by this section, on or before the fifteenth day of March next
54 succeeding the close of each such year, or, in the case of a taxpayer
55 which reports on the basis of a fiscal year, within two and one-half

1 months after the close of such fiscal year, and shall be paid as
2 provided by this section.

3 2. A corporation shall not be deemed to be doing business, employing
4 capital, owning or leasing property, or maintaining an office in the
5 city, for the purposes of this subchapter, by reason of (a) the mainte-
6 nance of cash balances with banks or trust companies in the city, or (b)
7 the ownership of shares of stock or securities kept in the city, if kept
8 in a safe deposit box, safe, vault or other receptacle rented for the
9 purpose, or if pledged as collateral security, or if deposited with one
10 or more banks or trust companies, or brokers who are members of a recog-
11 nized security exchange, in safekeeping or custody accounts, or (c) the
12 taking of any action by any such bank or trust company or broker, which
13 is incidental to the rendering of safekeeping or custodian service to
14 such corporation, or (d) the maintenance of an office in the city by one
15 or more officers or directors of the corporation who are not employees
16 of the corporation if the corporation otherwise is not doing business in
17 the city, and does not employ capital or own or lease property in the
18 city, or (e) the keeping of books or records of a corporation in the
19 city if such books or records are not kept by employees of such corpo-
20 ration and such corporation does not otherwise do business, employ capi-
21 tal, own or lease property or maintain an office in the city, or (f) any
22 combination of the activities described in this subdivision.

23 2-a. An alien corporation shall not be deemed to be doing business,
24 employing capital, owning or leasing property, or maintaining an office
25 in the city, for the purposes of this subchapter, if its activities in
26 the city are limited solely to (a) investing or trading in stocks and
27 securities for its own account within the meaning of clause (ii) of
28 subparagraph (A) of paragraph (2) of subsection (b) of section eight
29 hundred sixty-four of the internal revenue code or (b) investing or
30 trading in commodities for its own account within the meaning of clause
31 (ii) of subparagraph (B) of paragraph (2) of subsection (b) of section
32 eight hundred sixty-four of the internal revenue code or (c) any combi-
33 nation of activities described in paragraphs (a) and (b) of this subdivi-
34 sion. For purposes of this subdivision, an alien corporation is a
35 corporation organized under the laws of a country, or any political
36 subdivision thereof, other than the United States.

37 3. Any receiver, referee, trustee, assignee or other fiduciary, or
38 any officer or agent appointed by any court, who conducts the business
39 of any corporation, shall be subject to the tax imposed by this subchap-
40 ter in the same manner and to the same extent as if the business were
41 conducted by the agents or officers of such corporation. A dissolved
42 corporation which continues to conduct business shall also be subject to
43 the tax imposed by this subchapter.

44 4. (a) Corporations subject to tax under subchapter three of this
45 chapter or under chapter eleven of this title, any trust company organ-
46 ized under a law of this state all of the stock of which is owned by not
47 less than twenty savings banks organized under a law of this state, bank
48 holding companies filing a combined return in accordance with subdivi-
49 sion (f) of section 11-646 of this chapter, a captive REIT or a captive
50 RIC filing a combined return under subdivision (f) of section 11-646 of
51 this chapter, housing companies organized and operating pursuant to the
52 provisions of article two of the private housing finance law, housing
53 development fund companies organized pursuant to the provisions of arti-
54 cle eleven of the private housing finance law, corporations described in
55 section three of the tax law, a corporation principally engaged in the
56 operation of marine vessels whose activities in the city are limited

1 exclusively to the use of property in interstate or foreign commerce,
2 provided, however, such a corporation will not be subject to tax under
3 this subchapter solely because it maintains an office in the city, or
4 employs capital in the city, in connection with such use of property, a
5 corporation principally engaged in the conduct of a ferry business and
6 operating between any of the boroughs of the city under a lease granted
7 by the city and a corporation principally engaged in the conduct of an
8 aviation, steamboat, ferry or navigation business, or two or more of
9 such businesses, all of the capital stock of which is owned by a munici-
10 pal corporation of this state, shall not be subject to tax under this
11 subchapter; provided, however, that any corporation, other than (1) a
12 utility corporation subject to the supervision of the state department
13 of public service, and (2) for taxable years beginning on or after
14 August first, two thousand two, a utility as defined in subdivision six
15 of section 11-1101 of this title, which is subject to tax under chapter
16 eleven of this title as a vendor of utility services shall be subject to
17 tax under this subchapter, but in computing the tax imposed by this
18 section pursuant to the provisions of clause one of subparagraph (a) of
19 paragraph A of subdivision one of section 11-604 of this subchapter,
20 business income allocated to the city pursuant to paragraph (a) of
21 subdivision three of such section shall be reduced by the percentage
22 which such corporation's gross operating income subject to tax under
23 chapter eleven of this title is of its gross operating income.

24 (b) The term "gross operating income", when used in paragraph (a) of
25 this subdivision, means receipts received in or by reason of any trans-
26 action had and consummated in the city, including cash, credits and
27 property of any kind or nature, whether or not such transaction is made
28 for profit, without any deduction therefrom on account of the cost of
29 the property sold, the cost of materials used, labor or other services,
30 delivery costs or any other costs whatsoever, interest or discount paid
31 or any other expenses whatsoever.

32 (c) If it shall appear to the commissioner of finance that the appli-
33 cation of the proviso of paragraph (a) of this subdivision, does not
34 fairly and equitably reflect the portion of the taxpayer's business
35 income allocable to the city which is attributable to its city activ-
36 ities which are not taxable under chapter eleven of this title, the
37 commissioner may prescribe other means or methods of determining such
38 portion, including the use of the books and records of the taxpayer, if
39 the commissioner finds that such means or methods used in keeping them
40 fairly and equitably reflect such portion.

41 5. The tax imposed by subdivision one of this section, with the
42 modifications provided by subdivision six of this section, is imposed
43 for each calendar or fiscal year beginning with calendar or fiscal years
44 ending in or with the calendar year nineteen hundred sixty-six.

45 6. (a) The tax for any taxable year ending prior to December thirty-
46 first, nineteen hundred sixty-six shall be an amount equal to the tax
47 imposed by subdivision one of this section for such taxable year, multi-
48 plied by the number of months, or major portions thereof, in such taxa-
49 ble year which occur after December thirty-first, nineteen hundred
50 sixty-five and divided by the number of months, or major portions there-
51 of, in such taxable year.

52 (b) In lieu of the method of computation of tax prescribed in para-
53 graph (a) of this subdivision, if the taxpayer maintained adequate
54 records for the portion of any taxable year ending prior to December
55 thirty-first, nineteen hundred sixty-six, which portion falls within the
56 calendar year nineteen hundred sixty-six, it may elect to compute the

1 tax for such taxable year by determining entire net income on the basis
2 of the entire taxable income which it would have reported for federal
3 income tax purposes had it filed a federal income tax return for a taxa-
4 ble year beginning January first, nineteen hundred sixty-six and ending
5 with the close of its actual taxable year and such taxable year begin-
6 ning January first, nineteen hundred sixty-six, shall be deemed to be
7 the period covered by its report, except that in computing such tax any
8 portion of a capital loss which results from a capital loss carryover
9 and any net operating loss deduction, as modified pursuant to paragraph
10 (f) of subdivision eight of section 11-602 of this subchapter, shall be
11 reduced by the same part of such portion of such capital loss or of such
12 net operating loss deduction, as the case may be, as the number of
13 months, or major portions thereof, in the taxable year occurring before
14 January first, nineteen hundred sixty-six is of the number of months, or
15 major portions thereof, in such taxable year.

16 7. For any taxable year of a real estate investment trust as defined
17 in section eight hundred fifty-six of the internal revenue code in which
18 such trust is subject to federal income taxation under section eight
19 hundred fifty-seven of such code, such trust shall be subject to a tax
20 computed under either clause one of subparagraph (a) of paragraph A of
21 subdivision one of section 11-604 of this subchapter with respect to its
22 entire net income, or clause four of such subparagraph, whichever is
23 greater, and shall not be subject to any tax under subchapter three of
24 this chapter, except for a captive REIT required to file a combined
25 return under subdivision (f) of section 11-646 of this chapter. In the
26 case of such a real estate investment trust, including a captive REIT as
27 defined in section 11-601 of this chapter, the term "entire net income"
28 means "real estate investment trust taxable income" as defined in para-
29 graph two of subdivision (b) of section eight hundred fifty-seven, as
30 modified by section eight hundred fifty-eight, of the internal revenue
31 code plus the amount taxable under paragraph three of subdivision (b) of
32 section eight hundred fifty-seven of such code, subject to the modifica-
33 tion required by subdivision eight of section 11-602 of this subchapter,
34 other than the modification required by clause two of paragraph (a) and
35 by paragraph (f) thereof, including the modifications required by para-
36 graphs (d) and (e) of subdivision three of section 11-604 of this
37 subchapter.

38 8. For any taxable year beginning on or after January first, nineteen
39 hundred eighty-one of a regulated investment company, as defined in
40 section eight hundred fifty-one of the internal revenue code, in which
41 such company is subject to federal income taxation under section eight
42 hundred fifty-two of such code, such company shall be subject to a tax
43 computed under clause one or four of subparagraph (a) of paragraph E of
44 subdivision one of section 11-604 of this subchapter, whichever is
45 greater, and such company shall not be subject to any tax under subchap-
46 ter three of this chapter. The term "entire net income" used in subdivi-
47 sion one of this section means "investment company taxable income" as
48 defined in paragraph two of subdivision (b) of section eight hundred
49 fifty-two, as modified by section eight hundred fifty-five, of the
50 internal revenue code plus the amount taxable under paragraph three of
51 subdivision (b) of section eight hundred fifty-two of such code subject
52 to the modifications required by subdivision eight of section 11-602 of
53 this subchapter, other than the modification required by clause two of
54 paragraph (a) and by paragraph (f) of such subdivision, including the
55 modification required by paragraphs (d) and (e) of subdivision three of
56 section 11-604 of this subchapter.

1 9. For any taxable year beginning on or after January first, nineteen
2 hundred eighty-seven, an organization described in paragraph two or
3 twenty-five of subdivision (c) of section five hundred one of the inter-
4 nal revenue code of nineteen hundred eighty-six shall be exempt from all
5 taxes imposed by this chapter.

6 § 11-604 Computation of tax. 1. A. For taxable years beginning on or
7 after January first, nineteen hundred seventy-one and ending on or
8 before December thirty-first, nineteen hundred seventy-four, and for
9 taxable years beginning on or after January first, nineteen hundred
10 seventy-six, the tax imposed by subdivision one of section 11-603 of
11 this subchapter shall be, in the case of each taxpayer: (a) a tax (1)
12 computed at the rate of six and seven-tenths per centum of its entire
13 net income, or the portion of such entire net income allocated within
14 the city as provided in this section, subject to any modification
15 required by paragraphs (d) and (e) of subdivision three of this section,
16 or (2) computed at one mill for each dollar of its total business and
17 investment capital, or the portion thereof allocated within the city, as
18 provided in this section, except that in the case of a cooperative hous-
19 ing corporation as defined in the internal revenue code, or in the case
20 of a housing company organized and operating pursuant to the provisions
21 of article four of the private housing finance law, the applicable rates
22 shall be one-quarter of one mill, or (3) computed at the rate of six and
23 seven-tenths per centum on thirty per centum of the taxpayer's entire
24 net income plus salaries and other compensation paid to the taxpayer's
25 elected or appointed officers and to every stockholder owning in excess
26 of five per centum of its issued capital stock minus fifteen thousand
27 dollars, except as provided in this section, and any net loss for the
28 reported year, or on the portion of any such sum allocated within the
29 city as provided in this section for the allocation of entire net
30 income, subject to any modification required by paragraphs (d) and (e)
31 of subdivision three of this section, or (4) twenty-five dollars, which-
32 ever is greatest, plus (b) a tax computed at the rate of one-half mill
33 for each dollar of the portion of its subsidiary capital allocated with-
34 in the city as provided in this section. In the case of a taxpayer
35 which is not subject to tax for an entire year, the exemption allowed in
36 clause three of subparagraph (a) of this paragraph shall be prorated
37 according to the period such taxpayer was subject to tax.

38 B. For taxable years beginning on or after January first, nineteen
39 hundred seventy-five and before January first nineteen hundred seventy-
40 seven, the tax imposed by subdivision one of section 11-603 of this
41 subchapter shall be, in the case of each taxpayer: (a) a tax (1)
42 computed at the rate of ten and five one-hundredths per centum of its
43 entire net income, or the portion of such entire net income allocated
44 within the city as provided in this paragraph, subject to any modifica-
45 tion required by paragraphs (d) and (e) of subdivision three of this
46 section, or (2) computed at one and one-half mills for each dollar of
47 its total business and investment capital, or the portion thereof allo-
48 cated within the city, as provided in this paragraph, except that in the
49 case of a cooperative housing corporation as defined in the internal
50 revenue code, or in the case of a housing company organized and operat-
51 ing pursuant to the provisions of article four of the private housing
52 finance law, the applicable rate shall be four-tenths of one mill, or
53 (3) computed at the rate of ten and five one-hundredths per centum on
54 thirty per centum of the taxpayer's entire net income plus salaries and
55 other compensation paid to the taxpayer's elected or appointed officers
56 and to every stockholder owning in excess of five per centum of its

1 issued capital stock minus fifteen thousand dollars, except as provided
2 in this paragraph, and any net loss for the reported year, or on the
3 portion of any such sum allocated within the city as provided in this
4 paragraph for the allocation of entire net income, subject to any
5 modification required by paragraphs (d) and (e) of subdivision three of
6 this section, or (4) one hundred twenty-five dollars, whichever is
7 greatest, plus (b) a tax computed at the rate of three-quarters of a
8 mill for each dollar of the portion of its subsidiary capital allocated
9 within the city as provided in this paragraph. In the case of a taxpay-
10 er which is not subject to tax for an entire year, the exemption allowed
11 in clause three of subparagraph (a) of this paragraph shall be prorated
12 according to the period such taxpayer was subject to tax.

13 C. For each taxable year beginning in nineteen hundred seventy-four
14 and ending in nineteen hundred seventy-five, two tentative taxes shall
15 be computed, the first as provided in paragraph A and the second as
16 provided in paragraph B of this subdivision, and the tax for each such
17 year shall be the sum of that proportion of each tentative tax which the
18 number of days in nineteen hundred seventy-four and the number of days
19 in nineteen hundred seventy-five, respectively, bears to the number of
20 days in the entire taxable year.

21 D. For taxable years beginning on or after January first, nineteen
22 hundred seventy-seven and before January first, nineteen hundred seven-
23 ty-eight, the tax imposed by subdivision one of section 11-603 of this
24 subchapter shall be, in the case of each taxpayer: (a) a tax (1)
25 computed at the rate of nine and one-half per centum of its entire net
26 income, or the portion of such entire net income allocated within the
27 city as provided in this paragraph, subject to any modification required
28 by paragraphs (d) and (e) of subdivision three of this section, or (2)
29 computed at one and one-half mills for each dollar of its total business
30 and investment capital, or the portion thereof allocated within the
31 city, as provided in this paragraph, except that in the case of a coop-
32 erative housing corporation as defined in the internal revenue code, the
33 applicable rate shall be four-tenths of one mill, or (3) computed at the
34 rate of nine and one-half per centum on thirty per centum of the taxpay-
35 er's entire net income plus salaries and other compensation paid to the
36 taxpayer's elected or appointed officers and to every stockholder owning
37 in excess of five per centum of its issued capital stock minus fifteen
38 thousand dollars, except as provided in this paragraph, and any net loss
39 for the reported year, or on the portion of any such sum allocated with-
40 in the city as provided in this paragraph for the allocation of entire
41 net income, subject to any modification required by paragraphs (d) and
42 (e) of subdivision three of this section, or (4) one hundred twenty-five
43 dollars, whichever is greatest, plus (b) a tax computed at the rate of
44 three-quarters of a mill for each dollar of the portion of its subsid-
45 iary capital allocated within the city as provided in this paragraph. In
46 the case of a taxpayer which is not subject to tax for an entire year,
47 the exemption allowed in clause three of subparagraph (a) of this para-
48 graph shall be prorated according to the period such taxpayer was
49 subject to tax.

50 E. For taxable years beginning on or after January first, nineteen
51 hundred seventy-eight but before January first, two thousand twenty-sev-
52 en, the tax imposed by subdivision one of section 11-603 of this
53 subchapter shall be, in the case of each taxpayer:

54 (a) whichever of the following amounts is the greatest:

55 (1) an amount computed, for taxable years beginning before nineteen
56 hundred eighty-seven, at the rate of nine per centum, and for taxable

1 years beginning after nineteen hundred eighty-six, at the rate of eight
 2 and eighty-five one-hundredths per centum, of its entire net income or
 3 the portion of such entire net income allocated within the city as
 4 provided in this paragraph, subject to any modification required by
 5 paragraphs (d) and (e) of subdivision three of this section,

6 (2) an amount computed at one and one-half mills for each dollar of
 7 its total business and investment capital, or the portion thereof allo-
 8 cated within the city, as provided in this paragraph, except that in the
 9 case of a cooperative housing corporation as defined in the internal
 10 revenue code, the applicable rate shall be four-tenths of one mill,

11 (3) an amount computed, for taxable years beginning before nineteen
 12 hundred eighty-seven, at the rate of nine per centum, and for taxable
 13 years beginning after nineteen hundred eighty-six, at the rate of eight
 14 and eighty-five one-hundredths per centum, on thirty per centum of the
 15 taxpayer's entire net income plus salaries and other compensation paid
 16 to the taxpayer's elected or appointed officers and to every stockholder
 17 owning in excess of five per centum of its issued capital stock minus
 18 fifteen thousand dollars, subject to proration as provided in this para-
 19 graph, and any net loss for the reported year, or on the portion of any
 20 such sum allocated within the city as provided in this paragraph for the
 21 allocation of entire net income, subject to any modification required by
 22 paragraphs (d) and (e) of subdivision three of this section, provided,
 23 however, that for taxable years beginning on or after July first, nine-
 24 teen hundred ninety-six, the provisions of paragraph H of this subdivi-
 25 sion shall apply for purposes of the computation under this clause, or

26 (4) for taxable years ending on or before June thirtieth, nineteen
 27 hundred eighty-nine, one hundred twenty-five dollars, for taxable years
 28 ending after June thirtieth, nineteen hundred eighty-nine and beginning
 29 before two thousand nine, three hundred dollars, and for taxable years
 30 beginning after two thousand eight:

31 If city	Fixed dollar
32 receipts are:	minimum tax is:
33 Not more than \$100,000	\$25
34 More than \$100,000 but not over \$250,000	\$75
35 More than \$250,000 but not over \$500,000	\$175
36 More than \$500,000 but not over \$1,000,000	\$500
37 More than \$1,000,000 but not over \$5,000,000	\$1,500
38 More than \$5,000,000 but not over \$25,000,000	\$3,500
39 Over \$25,000,000	\$5,000

40 For purposes of this clause, city receipts are the receipts computed in
 41 accordance with subparagraph two of paragraph (a) of subdivision three
 42 of this section for the taxable year. For taxable years beginning after
 43 two thousand eight, if the taxable year is less than twelve months,
 44 the amount prescribed by this clause shall be reduced by twenty-five
 45 percent if the period for which the taxpayer is subject to tax is more
 46 than six months but not more than nine months and by fifty percent if
 47 the period for which the taxpayer is subject to tax is not more than six
 48 months. If the taxable year is less than twelve months, the amount of
 49 city receipts for purposes of this clause is determined by divid-
 50 ing the amount of the receipts for the taxable year by the number of
 51 months in the taxable year and multiplying the result by twelve plus;

1 (b) an amount computed at the rate of three-quarters of a mill for
2 each dollar of the portion of its subsidiary capital allocated within
3 the city as provided in this paragraph.

4 In the case of a taxpayer which is not subject to tax for an entire
5 year, the exemption allowed in clause three of subparagraph (a) of this
6 paragraph shall be prorated according to the period such taxpayer was
7 subject to tax. Provided, however, that this paragraph shall not apply
8 to taxable years beginning after December thirty-first, two thousand
9 twenty-six. For the taxable years specified in this subparagraph, the
10 tax imposed by subdivision one of section 11-603 of this subchapter
11 shall be, in the case of each taxpayer, determined as specified in para-
12 graph A of this subdivision, provided, however, that the provisions of
13 paragraphs G and H of this subdivision shall apply for purposes of the
14 computation under clause three of subparagraph (a) of such paragraph.

15 F. Notwithstanding any other provision of this subdivision to the
16 contrary, for taxable years beginning after nineteen hundred eighty-sev-
17 en and before two thousand nine the amount of tax computed on the basis
18 of the taxpayer's total business and investment capital, or the portion
19 thereof allocated within the city, shall in no event exceed three
20 hundred fifty thousand dollars and for taxable years beginning after two
21 thousand eight the amount of tax computed on the basis of the taxpayer's
22 total business and investment capital, or the portion thereof allocated
23 within the city, shall in no event exceed one million dollars.

24 G. In the case of a foreign air carrier described in subparagraph one
25 of paragraph (c-1) of subdivision eight of section 11-602 of this
26 subchapter, there shall be excluded from the computation of the tax
27 under clause three of subparagraph (a) of paragraph E of this subdivi-
28 sion salaries and other compensation described therein which are direct-
29 ly attributable to the generation of income excluded from entire net
30 income for the taxable year pursuant to the provisions of paragraph
31 (c-1) of subdivision eight of section 11-602 of this subchapter.

32 H. For taxable years beginning on or after July first, nineteen
33 hundred ninety-six, the computation under clause three of subparagraph
34 (a) of paragraph E of this subdivision shall be subject to the following
35 modifications:

36 (a) (1) For taxable years beginning on or after July first, nineteen
37 hundred ninety-six but before July first, nineteen hundred ninety-eight,
38 only seventy-five percent of the total salaries and other compensation
39 paid to the taxpayer's elected or appointed officers shall be added to
40 the entire net income entering into such computation; for taxable years
41 beginning on or after July first, nineteen hundred ninety-eight but
42 before July first, nineteen hundred ninety-nine, only fifty percent of
43 such salaries and other compensation shall be added to such entire net
44 income; and for taxable years beginning on or after July first, nineteen
45 hundred ninety-nine, no part of such salaries and other compensation
46 shall be added to such entire net income.

47 (2) Notwithstanding anything in clause one of this subparagraph to the
48 contrary, the full amount of the salary or other compensation paid to
49 any such elected or appointed officer shall be added to entire net
50 income as provided in clause three of subparagraph (a) of paragraph E of
51 this subdivision if such officer was, at any time during the taxable
52 year, a stockholder owning more than five percent of taxpayer's issued
53 capital stock.

54 (b) For taxable years beginning on or after July first, nineteen
55 hundred ninety-seven but before July first, nineteen hundred ninety-
56 eight, the fixed dollar amount entering into the computation under

1 clause three of subparagraph (a) of paragraph E of this subdivision
2 shall be thirty thousand dollars instead of fifteen thousand dollars;
3 and for taxable years beginning on or after July first, nineteen hundred
4 ninety-eight, such fixed dollar amount shall be forty thousand dollars.

5 (c) For taxable years beginning on or after January first, two thou-
6 sand seven and before January first, two thousand eight the per centum
7 entering into the computation under clause three of subparagraph (a) of
8 paragraph E of this subdivision shall be twenty-six and one-fourth per
9 centum instead of thirty per centum, for taxable years beginning on or
10 after January first, two thousand eight and before January first, two
11 thousand nine such per centum shall be twenty-two and one-half per
12 centum, for taxable years beginning on or after January first, two thou-
13 sand nine and before January first, two thousand ten such per centum
14 shall be eighteen and three-fourths per centum and for taxable years
15 beginning on or after January first, two thousand ten such per centum
16 shall be fifteen per centum.

17 I. Notwithstanding any provision of this subdivision to the contrary,
18 for taxable years beginning on or after January first, two thousand
19 seven for any corporation that:

20 (a) has a business allocation percentage for the taxable year, as
21 determined under paragraph (a) of subdivision three of this section, of
22 one hundred percent;

23 (b) has no investment capital or income at any time during the taxable
24 year;

25 (c) has no subsidiary capital or income at any time during the taxable
26 year; and

27 (d) has gross income, as defined in section sixty-one of the internal
28 revenue code, less than two hundred fifty thousand dollars for the taxa-
29 ble year:

30 the tax imposed by subdivision one of section 11-603 of this subchap-
31 ter shall be the greater of the tax on entire net income computed under
32 clause one of subparagraph (a) of paragraph E of this subdivision and
33 the fixed dollar minimum tax specified in clause four of subparagraph
34 (a) of paragraph E of this subdivision.

35 For purposes of this paragraph, for taxable years beginning before
36 January first, two thousand fifteen, any corporation for which an
37 election under subsection (a) of section six hundred sixty of the tax
38 law is not in effect for the taxable year may elect to treat as entire
39 net income the sum of:

40 (i) entire net income as determined under section two hundred eight of
41 the tax law; and

42 (ii) any deductions taken for the taxable year in computing federal
43 taxable income for Staten Island city taxes paid or accrued under this
44 chapter.

45 2. The amount of subsidiary capital, investment capital and business
46 capital shall each be determined by taking the average value of the
47 gross assets included therein, less liabilities deductible therefrom
48 pursuant to the provisions of subdivisions three, four and six of
49 section 11-602 of this subchapter, and, if the period covered by the
50 report is other than a period of twelve calendar months, by multiplying
51 such value by the number of calendar months or major parts thereof
52 included in such period, and dividing the product thus obtained by
53 twelve. For purposes of this subdivision, real property and marketable
54 securities shall be valued at fair market value and the value of
55 personal property other than marketable securities shall be the value

1 thereof shown on the books and records of the taxpayer in accordance
2 with generally accepted accounting principles.

3 3. The portion of the entire net income of a taxpayer to be allocated
4 within the city shall be determined as follows:

5 (a) multiply its business income by a business allocation percentage
6 to be determined by:

7 (1) ascertaining the percentage which the average value of the taxpay-
8 er's real and tangible personal property, whether owned or rented to it,
9 within the city during the period covered by its report bears to the
10 average value of all the taxpayer's real and tangible personal property,
11 whether owned or rented to it, wherever situated during such period. For
12 the purpose of this subparagraph, the term "value of the taxpayer's real
13 and tangible personal property" shall mean the adjusted bases of such
14 properties for federal income tax purposes, except that in the case of
15 rented property such value shall mean the product of (A) eight and (B)
16 the gross rents payable for the rental of such property during the taxa-
17 ble year; provided, however, that the taxpayer may make a one-time,
18 revocable election, pursuant to regulations promulgated by the commis-
19 sioner of finance to use fair market value as the value of all of its
20 real and tangible personal property, provided that such election is made
21 on or before the due date for filing a report under section 11-605 of
22 this subchapter for the taxpayer's first taxable year commencing on or
23 after January first, nineteen hundred eighty-eight and provided that
24 such election shall not apply to any taxable year with respect to which
25 the taxpayer is included on a combined report unless each of the taxpay-
26 ers included on such report has made such an election which remains in
27 effect for such year;

28 (2) ascertaining the percentage which the receipts of the taxpayer,
29 computed on the cash or accrual basis according to the method of
30 accounting used in the computation of its entire net income, arising
31 during such period from:

32 (A) except as otherwise provided in subparagraph nine of this para-
33 graph, sales of its tangible personal property where shipments are made
34 to points within the city;

35 (B) services performed within the city, provided, however, that (i) in
36 the case of a taxpayer engaged in the business of publishing newspapers
37 or periodicals, receipts arising from sales of advertising contained in
38 such newspapers and periodicals shall be deemed to arise from services
39 performed within the city to the extent that such newspapers and period-
40 icals are delivered to points within the city, (ii) receipts received
41 from an investment company arising from the sale of management, adminis-
42 tration or distribution services to such investment company shall be
43 deemed to arise from services performed within the city to the extent
44 set forth in subparagraph five of this paragraph, (iii) in the case of
45 taxpayers principally engaged in the activity of air freight forwarding
46 acting as principal and like indirect air carriage, receipts arising
47 from such activity shall be deemed to arise from services performed
48 within the city as follows: one hundred percent of such receipts if both
49 the pickup and delivery associated with such receipts are made in the
50 city and fifty percent of such receipts if either the pickup or delivery
51 associated with such receipts is made in the city, (iv) for taxable
52 years beginning on or after January first, two thousand two, in the case
53 of a taxpayer engaged in the business of publishing newspapers or peri-
54 odicals, or broadcasting radio or television programs, whether through
55 the public airwaves or by cable, direct or indirect satellite trans-
56 mission, or any other means of transmission, receipts arising from sales

1 of subscriptions, advertising or broadcasting shall be deemed to arise
2 from services performed within the city to the extent provided in
3 subparagraph nine of this paragraph, and (v) for taxable years beginning
4 after two thousand eight, in the case of a taxpayer which is a regis-
5 tered securities or commodities broker or dealer, the receipts specified
6 in subparagraph ten of this paragraph shall be deemed to arise from
7 services performed within the city to the extent set forth in such
8 subparagraph ten;

9 (C) rentals from property situated and royalties from the use of
10 patents or copyrights, within the city;

11 (D) all other business receipts earned within the city, bear to the
12 total amount of the taxpayer's receipts, similarly computed, arising
13 during such period from all sales of its tangible personal property,
14 services, rentals, royalties and all other business transactions, wheth-
15 er within or without the city; and

16 (E) notwithstanding any other provision of this paragraph, net global
17 intangible low-taxed income shall be included in the receipts fraction
18 as provided in this clause. Receipts constituting net global intangible
19 low-taxed income shall not be included in the numerator of the receipts
20 fraction. Receipts constituting net global intangible low-taxed income
21 shall be included in the denominator of the receipts fraction. For
22 purposes of this clause, the term "net global intangible low-taxed
23 income" means the amount that would have been required to be included in
24 the taxpayer's federal gross income pursuant to subsection (a) of
25 section nine hundred fifty-one-A of the internal revenue code less the
26 amount of the deduction that would have been allowed under clause (i) of
27 subparagraph (B) of paragraph one of subdivision (a) of section two
28 hundred fifty of such code if the taxpayer had not made an election
29 under subchapter s of chapter one of the internal revenue code;

30 (3) ascertaining the percentage of the total wages, salaries and other
31 personal service compensation, similarly computed, during such period of
32 employees within the city, except general executive officers, to the
33 total wages, salaries and other personal service compensation, similarly
34 computed, during such period of all the taxpayer's employees within and
35 without the city, except general executive officers; and

36 (4) adding together the percentages so determined and dividing the
37 result by the number of percentages; provided, however, that for taxable
38 years beginning on or after July first, nineteen hundred ninety-six, a
39 taxpayer that is a "manufacturing corporation," as defined in subpara-
40 graph eight of this paragraph, may determine its business allocation
41 percentage as provided in such subparagraph eight; and provided,
42 further, however, that for taxable years beginning before July first,
43 nineteen hundred ninety-six, if the taxpayer does not have a regular
44 place of business outside the city other than a statutory office, the
45 business allocation percentage shall be one hundred per centum.

46 (5) Rules for receipts from certain services to investment companies.

47 (A) For purposes of subclause (ii) of clause (B) of subparagraph two of
48 this paragraph, the portion of receipts received from an investment
49 company arising from the sale of management, administration or distrib-
50 ution services to such investment company determined in accordance with
51 clause (B) of this subparagraph shall be deemed to arise from services
52 performed within the city, such portion referred to as the Staten Island
53 city portion.

54 (B) The Staten Island city portion shall be the product of (a) the
55 total of such receipts from the sale of such services and (b) a frac-
56 tion. The numerator of that fraction is the sum of the monthly percent-

1 ages, as defined, determined for each month of the investment company's
2 taxable year for federal income tax purposes which taxable year ends
3 within the taxable year of the taxpayer, but excluding any month during
4 which the investment company had no outstanding shares. The monthly
5 percentage for each such month is determined by dividing (a) the number
6 of shares in the investment company which are owned on the last day of
7 the month by shareholders which are domiciled in the city by (b) the
8 total number of shares in the investment company outstanding on that
9 date. The denominator of the fraction is the number of such monthly
10 percentages.

11 (C) (i) For purposes of this subparagraph, the term "domicile", in the
12 case of an individual, shall have the meaning ascribed to it under chap-
13 ter seventeen of this title; an estate or trust is domiciled in the city
14 if it is a city resident estate or trust as defined in paragraph three
15 of subdivision (b) of section 11-1705 of the code of the preceding muni-
16 cipality; a business entity is domiciled in the city if the location of
17 the actual seat of management or control is in the city. It shall be
18 presumed that the domicile of a shareholder, with respect to any month,
19 is his, her or its mailing address on the records of the investment
20 company as of the last day of such month.

21 (ii) For purposes of this subparagraph, the term "investment company"
22 means a regulated investment company, as defined in section eight
23 hundred fifty-one of the internal revenue code, and a partnership to
24 which subdivision (a) of section seven thousand seven hundred four of
25 the internal revenue code applies, by virtue of paragraph three of
26 subdivision (c) of section seven thousand seven hundred four of such
27 code, and that meets the requirements of subdivision (b) of section
28 eight hundred fifty-one of such code. The provisions of this subpara-
29 graph shall be applied to the taxable year for federal income tax
30 purposes of the business entity that is asserted to constitute an
31 investment company that ends within the taxable year of the taxpayer.

32 (iii) For purposes of this subparagraph, the term "receipts from an
33 investment company" includes amounts received directly from an invest-
34 ment company as well as amounts received from the shareholders in such
35 investment company in their capacity as such.

36 (iv) For purposes of this subparagraph, the term "management services"
37 means the rendering of investment advice to an investment company,
38 making determinations as to when sales and purchases of securities are
39 to be made on behalf of an investment company, or the selling or
40 purchasing of securities constituting assets of an investment company,
41 and related activities, but only where such activity or activities are
42 performed pursuant to a contract with the investment company entered
43 into pursuant to subdivision (a) of section fifteen of the federal
44 investment company act of nineteen hundred forty, as amended.

45 (v) For purposes of this subparagraph, the term "distribution
46 services" means the services of advertising, servicing investor
47 accounts, including redemptions, marketing shares or selling shares of
48 an investment company, but, in the case of advertising, servicing inves-
49 tor accounts, including redemptions, or marketing shares, only where
50 such service is performed by a person who is, or was, in the case of a
51 closed end company, also engaged in the service of selling such shares.
52 In the case of an open end company, such service of selling shares must
53 be performed pursuant to a contract entered into pursuant to subdivision
54 (b) of section fifteen of the federal investment company act of nineteen
55 hundred forty, as amended.

1 (vi) For purposes of this subparagraph, the term "administration
2 services" includes (1) clerical, accounting, bookkeeping, data process-
3 ing, internal auditing, legal and tax services performed for an invest-
4 ment company but only (2) if the provider of such service or services
5 during the taxable year in which such service or services are sold also
6 sells management or distribution services, as defined in this paragraph,
7 to such investment company.

8 (6) (A) Provided, further, however, that a taxpayer principally
9 engaged in the conduct of aviation, other than as provided in clause (C)
10 of this subparagraph, shall, notwithstanding subparagraphs one through
11 five of this paragraph, determine the portion of entire net income to be
12 allocated within the city by multiplying its business income by a busi-
13 ness allocation percentage which is equal to the arithmetic average of
14 the following three percentages:

15 (i) the percentage determined by dividing aircraft arrivals and depar-
16 tures within the city by the taxpayer during the period covered by its
17 report by the total aircraft arrivals and departures within and without
18 the city during such period; provided, however, arrivals and departures
19 solely for maintenance or repair, refueling, where no debarkation or
20 embarkation of traffic occurs, arrivals and departures of ferry and
21 personnel training flights or arrivals and departures in the event of
22 emergency situations shall not be included in computing such arrival and
23 departure percentage; provided, further, the commissioner of finance may
24 also exempt from such percentage aircraft arrivals and departures of all
25 non-revenue flights including flights involving the transportation of
26 officers or employees receiving air transportation to perform mainte-
27 nance or repair services or where such officers or employees are trans-
28 ported in conjunction with an emergency situation or the investigation
29 of an air disaster, other than on a scheduled flight; provided, however,
30 that arrivals and departures of flights transporting officers and
31 employees receiving air transportation for purposes other than specified
32 above, without regard to remuneration, shall be included in computing
33 such arrival and departure percentage;

34 (ii) the percentage determined by dividing the revenue tons handled by
35 the taxpayer at airports within the city during such period by the total
36 revenue tons handled by it at airports within and without the city
37 during such period; and

38 (iii) the percentage determined by dividing the taxpayer's originating
39 revenue within the city for such period by its total originating revenue
40 within and without the city for such period.

41 (B) As used herein, the term "aircraft arrivals and departures" means
42 the number of landings and takeoffs of the aircraft of the taxpayer and
43 the number of air pickups and deliveries by the aircraft of such taxpay-
44 er; the term "originating revenue" means revenue to the taxpayer from
45 the transportation of revenue passengers and revenue property first
46 received by the taxpayer either as originating or connecting traffic at
47 airports; and the term "revenue tons handled" by the taxpayer at
48 airports means the weight in tons of revenue passengers, at two hundred
49 pounds per passenger, and revenue cargo first received either as origi-
50 nating or connecting traffic or finally discharged by the taxpayer at
51 airports;

52 (C) A foreign air carrier described in subparagraph one of paragraph
53 (c-1) of subdivision eight of section 11-602 of this subchapter shall
54 determine its business allocation percentage pursuant to the provisions
55 of subparagraphs one through four of this paragraph, except that the
56 numerators and denominators involved in such computation shall exclude

1 property to the extent employed in generating income excluded from
2 entire net income pursuant to the provisions of paragraph (c-1) of
3 subdivision eight of section 11-602 of this subchapter, exclude such
4 receipts as are excluded from entire net income for the taxable year
5 pursuant to the provisions of paragraph (c-1) of subdivision eight of
6 section 11-602 of this subchapter, and exclude wages, salaries or other
7 personal service compensation which are directly attributable to the
8 generation of income excluded from entire net income for the taxable
9 year pursuant to the provisions of paragraph (c-1) of subdivision eight
10 of section 11-602 of this subchapter.

11 (7) Provided, further, however, that a taxpayer principally engaged in
12 the operation of vessels shall, notwithstanding subparagraphs one
13 through six of this paragraph, determine the portion of entire net
14 income to be allocated within the city by multiplying its business
15 income by a business allocation percentage determined by dividing the
16 aggregate number of working days of the vessels it owns or leases in
17 territorial waters of the city during the period covered by its report
18 by the aggregate number of working days of all the vessels it owns or
19 leases during such period.

20 (8) (A) For taxable years beginning on or after July first, nineteen
21 hundred ninety-six and before January first, two thousand eleven, a
22 manufacturing corporation may elect to determine its business allocation
23 percentage by adding together the percentages determined under subpara-
24 graphs one, two and three of this paragraph and an additional percentage
25 equal to the percentage determined under subparagraph two of this para-
26 graph, and dividing the result by the number of percentages so added
27 together.

28 (B) An election under this subparagraph must be made on a timely
29 filed, determined with regard to extensions granted, original report for
30 the taxable year. Once made for a taxable year, such election shall be
31 irrevocable for that taxable year. A separate election must be made for
32 each taxable year. A manufacturing corporation that has failed to make
33 an election as provided in this clause shall be required to determine
34 its business allocation percentage without regard to the provisions of
35 this subparagraph. Notwithstanding anything in this clause to the
36 contrary, the commissioner of finance may permit a manufacturing corpo-
37 ration to make or revoke an election under this subparagraph, upon such
38 terms and conditions as the commissioner may prescribe, where the
39 commissioner determines that such permission should be granted in the
40 interests of fairness and equity due to a change in circumstances
41 resulting from an audit adjustment.

42 (C) As used in this subparagraph, the term "manufacturing corporation"
43 means a corporation primarily engaged in the manufacturing and sale
44 thereof of tangible personal property; and the term "manufacturing"
45 includes the process, including the assembly process, (i) of working raw
46 materials into wares suitable for use or (ii) which gives new shapes,
47 new qualities or new combinations to matter which already has gone
48 through some artificial process, by the use of machinery, tools, appli-
49 ances and other similar equipment. A corporation shall be deemed to be
50 primarily engaged in the activities described in the provisions of this
51 subparagraph if more than fifty percent of its gross receipts for the
52 taxable year are attributable to such activities.

53 (D) Notwithstanding anything to the contrary, if a taxpayer that is
54 otherwise eligible to make the election authorized by this subparagraph
55 is required or permitted to make a report on a combined basis with one
56 or more other corporations pursuant to subdivision four of section

1 11-605 of this chapter, the taxpayer shall be permitted to make an
2 election under this subparagraph only if such taxpayer and such other
3 corporation or corporations would be a manufacturing corporation if they
4 were treated as a single corporation. In making such determination,
5 intercorporate transactions shall be eliminated. Where such election has
6 been made by the taxpayer for a taxable year, each of the other corpo-
7 rations included in the combined report shall also be deemed to have
8 made a proper election under this subparagraph for such taxable year.

9 (9) Special rules for publishers and broadcasters. (A) Notwithstanding
10 anything in subparagraph two of this paragraph to the contrary and
11 except as provided in clause (C) of this subparagraph, in the case of a
12 taxpayer engaged in the business of publishing newspapers or period-
13 icals, there shall be allocated to the city, for purposes of subpara-
14 graph two of this paragraph, the gross sales or charges for services
15 arising from sales of advertising contained in such newspapers or peri-
16 odicals, to the extent that such newspapers or periodicals are delivered
17 to points within the city.

18 (B) Notwithstanding anything in subparagraph two of this paragraph to
19 the contrary and except as provided in clause (C) of this subparagraph,
20 in the case of a taxpayer engaged in the business of broadcasting radio
21 or television programs, whether through the public airwaves or by cable,
22 direct or indirect satellite transmission, or any other means of trans-
23 mission, there shall be allocated to the city, for purposes of subpara-
24 graph two of this paragraph, a portion of the gross sales or charges for
25 services arising from the broadcasting of such programs and of commer-
26 cial messages in connection therewith, such portion to be determined
27 according to the number of listeners or viewers within and without the
28 city.

29 (C) Notwithstanding anything in clause (A) or (B) of this subparagraph
30 to the contrary, in the case of a taxpayer engaged in the business of
31 publishing newspapers or periodicals, or broadcasting radio or tele-
32 vision programs, whether through the public airwaves or by cable, direct
33 or indirect satellite transmission, or any other means of transmission,
34 there shall be allocated to the city, for purposes of subparagraph two
35 of this paragraph, the gross sales or charges to subscribers located in
36 the city for subscriptions to such newspapers, periodicals, or program
37 services. For purposes of this clause, a subscriber shall be deemed
38 located in the city if, in the case of newspapers and periodicals, the
39 mailing address for the subscription is within the city and, in the case
40 of program services, the billing address for the subscription is within
41 the city. For purposes of this clause, "subscriber" shall mean a member
42 of the general public who receives such newspapers, periodicals or
43 program services and does not further distribute them.

44 (10) Notwithstanding subparagraphs one through five of this paragraph,
45 but subject to subparagraph eight of this paragraph, the business allo-
46 cation percentage, to the extent that it is computed by reference to the
47 percentages determined under subparagraphs one, two and three of this
48 paragraph, shall be computed in the manner set forth in this subpara-
49 graph.

50 (A) For taxable years beginning in two thousand nine, the business
51 allocation percentage shall be determined by adding together the follow-
52 ing percentages:

53 (i) the product of thirty percent and the percentage determined under
54 subparagraph one of this paragraph,

55 (ii) the product of forty percent and the percentage determined under
56 subparagraph two of this paragraph, and

1 (iii) the product of thirty percent and the percentage determined
2 under subparagraph three of this paragraph.

3 (B) For taxable years beginning in two thousand ten, the business
4 allocation percentage shall be determined by adding together the follow-
5 ing percentages:

6 (i) the product of twenty-seven percent and the percentage determined
7 under subparagraph one of this paragraph,

8 (ii) the product of forty-six percent and the percentage determined
9 under subparagraph two of this paragraph, and

10 (iii) the product of twenty-seven percent and the percentage deter-
11 mined under subparagraph three of this paragraph.

12 (C) For taxable years beginning in two thousand eleven, the business
13 allocation percentage shall be determined by adding together the follow-
14 ing percentages:

15 (i) the product of twenty-three and one-half percent and the percent-
16 age determined under subparagraph one of this paragraph,

17 (ii) the product of fifty-three percent and the percentage determined
18 under subparagraph two of this paragraph, and

19 (iii) the product of twenty-three and one-half percent and the
20 percentage determined under subparagraph three of this paragraph.

21 (D) For taxable years beginning in two thousand twelve, the business
22 allocation percentage shall be determined by adding together the follow-
23 ing percentages:

24 (i) the product of twenty percent and the percentage determined under
25 subparagraph one of this paragraph,

26 (ii) the product of sixty percent and the percentage determined under
27 subparagraph two of this paragraph, and

28 (iii) the product of twenty percent and the percentage determined
29 under subparagraph three of this paragraph.

30 (E) For taxable years beginning in two thousand thirteen, the business
31 allocation percentage shall be determined by adding together the follow-
32 ing percentages:

33 (i) the product of sixteen and one-half percent and the percentage
34 determined under subparagraph one of this paragraph,

35 (ii) the product of sixty-seven percent and the percentage determined
36 under subparagraph two of this paragraph, and

37 (iii) the product of sixteen and one-half percent and the percentage
38 determined under subparagraph three of this paragraph.

39 (F) For taxable years beginning in two thousand fourteen, the business
40 allocation percentage shall be determined by adding together the follow-
41 ing percentages:

42 (i) the product of thirteen and one-half percent and the percentage
43 determined under subparagraph one of this paragraph,

44 (ii) the product of seventy-three percent and the percentage deter-
45 mined under subparagraph two of this paragraph, and

46 (iii) the product of thirteen and one-half percent and the percentage
47 determined under subparagraph three of this paragraph.

48 (G) For taxable years beginning in two thousand fifteen, the business
49 allocation percentage shall be determined by adding together the follow-
50 ing percentages:

51 (i) the product of ten percent and the percentage determined under
52 subparagraph one of this paragraph,

53 (ii) the product of eighty percent and the percentage determined under
54 subparagraph two of this paragraph, and

55 (iii) the product of ten percent and the percentage determined under
56 subparagraph three of this paragraph.

1 (H) For taxable years beginning in two thousand sixteen, the business
2 allocation percentage shall be determined by adding together the follow-
3 ing percentages:

4 (i) the product of six and one-half percent and the percentage deter-
5 mined under subparagraph one of this paragraph,

6 (ii) the product of eighty-seven percent and the percentage determined
7 under subparagraph two of this paragraph, and

8 (iii) the product of six and one-half percent and the percentage
9 determined under subparagraph three of this paragraph.

10 (I) For taxable years beginning in two thousand seventeen, the busi-
11 ness allocation percentage shall be determined by adding together the
12 following percentages:

13 (i) the product of three and one-half percent and the percentage
14 determined under subparagraph one of this paragraph,

15 (ii) the product of ninety-three percent and the percentage determined
16 under subparagraph two of this paragraph, and

17 (iii) the product of three and one-half percent and the percentage
18 determined under subparagraph three of this paragraph.

19 (J) For taxable years beginning after two thousand seventeen, the
20 business allocation percentage shall be the percentage determined under
21 subparagraph two of this paragraph.

22 (K) The commissioner shall promulgate rules necessary to implement the
23 provisions of this subparagraph under such circumstances where any of
24 the percentages to be determined under subparagraph one, two or three of
25 this paragraph cannot be determined because the taxpayer has no proper-
26 ty, receipts or wages within or without the city.

27 (11) (A) In the case of a taxpayer which is a registered securities or
28 commodities broker or dealer, the receipts specified in items (i)
29 through (vii) of this clause shall be deemed to arise from services
30 performed within the city to the extent set forth in each of such items.

31 (i) Receipts constituting brokerage commissions derived from the
32 execution of securities or commodities purchase or sales orders for the
33 accounts of customers shall be deemed to arise from services performed
34 at the mailing address in the records of the taxpayer of the customer
35 who is responsible for paying such commissions.

36 (ii) Receipts constituting margin interest earned on behalf of broker-
37 age accounts shall be deemed to arise from services performed at the
38 mailing address in the records of the taxpayer of the customer who is
39 responsible for paying such margin interest.

40 (iii) Gross income, including any accrued interest or dividends, from
41 principal transactions for the purchase or sale of stocks, bonds,
42 foreign exchange and other securities or commodities, including futures
43 and forward contracts, options and other types of securities or commod-
44 ities derivatives contracts, shall be deemed to arise from services
45 performed within the city either (I) to the extent that production cred-
46 its are awarded to branches, offices or employees of the taxpayer within
47 the city as a result of such principal transactions or (II) if the
48 taxpayer so elects, to the extent that the gross proceeds from such
49 principal transactions, determined without deduction for any cost
50 incurred by the taxpayer to acquire the securities or commodities, are
51 generated from sales of securities or commodities to customers within
52 the city based upon the mailing addresses of such customers in the
53 records of the taxpayer. For purposes of subitem (II) of this item, the
54 taxpayer shall separately calculate such gross income from principal
55 transactions by type of security or commodity. For purposes of this
56 item, gross income from principal transactions shall be determined after

1 the deduction of any cost incurred by the taxpayer to acquire the secu-
2 rities or commodities. For purposes of this subparagraph, the term
3 "production credits" means credits granted pursuant to the internal
4 accounting system used by the taxpayer to measure the amount of revenue
5 that should be awarded to a particular branch or office or employee of
6 the taxpayer which is based, at least in part, on the branch's, the
7 office's or the employee's particular activities. Upon request, the
8 taxpayer shall be required to furnish a detailed explanation of such
9 internal accounting system to the department.

10 (iv) (I) Receipts constituting fees earned by the taxpayer for advi-
11 sory services to a customer in connection with the underwriting of secu-
12 rities for such customer, such customer being the entity which is
13 contemplating issuing or is issuing securities, or fees earned by the
14 taxpayer for managing an underwriting shall be deemed to arise from
15 services performed at the mailing address in the records of the taxpayer
16 of such customer who is responsible for paying such fees.

17 (II) Receipts constituting the primary spread or selling concession
18 from underwritten securities shall be deemed to arise from services
19 performed within the city to the extent that production credits are
20 awarded to branches, offices or employees of the taxpayer within the
21 city as a result of the sale of the underwritten securities.

22 (III) The term "primary spread" means the difference between the price
23 paid by the taxpayer to the issuer of the securities being marketed and
24 the price received from the subsequent sale of the underwritten securi-
25 ties at the initial public offering price, less any selling concession
26 and any fees paid to the taxpayer for advisory services or any manager's
27 fees, if such fees are not paid by the customer to the taxpayer sepa-
28 rately. The term "public offering price" means the price agreed upon by
29 the taxpayer and the issuer at which the securities are to be offered to
30 the public. The term "selling concession" means the amount paid to the
31 taxpayer for participating in the underwriting of a security where the
32 taxpayer is not the lead underwriter.

33 (v) Receipts constituting interest earned by the taxpayer on loans and
34 advances made by the taxpayer to a corporation affiliated with the
35 taxpayer but with which the taxpayer is not permitted or required to
36 file a combined report pursuant to subdivision four of section 11-605 of
37 this subchapter shall be deemed to arise from services performed at the
38 principal place of business of such affiliated corporation.

39 (vi) Receipts constituting account maintenance fees shall be deemed to
40 arise from services performed at the mailing address in the records of
41 the taxpayer of the customer who is responsible for paying such account
42 maintenance fees.

43 (vii) Receipts constituting fees for management or advisory services,
44 including fees for advisory services in relation to merger or acquisi-
45 tion activities but excluding fees paid for services described in item
46 (ii) of clause (B) of subparagraph two of this paragraph, shall be
47 deemed to arise from services performed at the mailing address in the
48 records of the taxpayer of the customer who is responsible for paying
49 such fees.

50 (B) For purposes of this subparagraph, the term "securities" shall
51 have the same meaning as in paragraph two of subdivision (c) of section
52 four hundred seventy-five of the internal revenue code and the term
53 "commodities" shall have the same meaning as in paragraph two of subdi-
54 vision (e) of section four hundred seventy-five of the internal revenue
55 code. The term "registered securities or commodities broker or dealer"
56 means a broker or dealer registered as such by the securities and

1 exchange commission or the commodities futures trading commission, and
2 shall include an over-the-counter derivatives dealer as defined under
3 regulations of the securities and exchange commission at title 17, part
4 240, section 3b-12 of the code of federal regulations (17 CFR
5 240.3b-12).

6 (C) If the taxpayer receives any of the receipts enumerated in clause
7 (A) of this subparagraph as a result of a securities correspondent
8 relationship such taxpayer has with another registered securities or
9 commodities broker or dealer with the taxpayer acting in this relation-
10 ship as the clearing firm, such receipts shall be deemed to arise from
11 services performed within the city to the extent set forth in each of
12 the items of clause (A) of this subparagraph. The amount of such
13 receipts shall exclude the amount the taxpayer is required to pay to the
14 correspondent firm for such correspondent relationship. If the taxpayer
15 receives any of the receipts enumerated in clause (A) of this subpara-
16 graph as a result of a securities correspondent relationship such
17 taxpayer has with another registered securities or commodities broker or
18 dealer with the taxpayer acting in this relationship as the introducing
19 firm, such receipts shall be deemed to arise from services performed
20 within the city to the extent set forth in each of the items of clause
21 (A) of this subparagraph.

22 (D) If, for purposes of item (i) or (ii), subitem (I) of item (iv), or
23 item (vi), or (vii) of clause (A) of this subparagraph, the taxpayer is
24 unable from its records to determine the mailing address of the custom-
25 er, the receipts enumerated in any of such items shall be deemed to
26 arise from services performed at the branch or office of the taxpayer
27 that generates the transaction for the customer that generated such
28 receipts.

29 (b) multiply its investment income by an investment allocation
30 percentage to be determined by:

31 (1) multiplying the amount of its investment capital invested in each
32 stock, bond or other security, other than governmental securities,
33 during the period covered by its report by the issuer's allocation
34 percentage of the issuer or obligor thereof.

35 (i) In the case of an issuer or obligor subject to tax under this
36 subchapter, subchapter three-A or subchapter four of this chapter, or
37 subject to tax as a utility corporation under chapter eleven of this
38 title, the issuer's allocation percentage shall be the percentage of the
39 appropriate measure, which is required to be allocated within the city
40 on the report or reports, if any, required of the issuer or obligor
41 under this title for the preceding year. The "appropriate measure" shall
42 be defined as: in the case of an issuer or obligor subject to this
43 subchapter or subchapter three-A, entire capital; in the case of an
44 issuer or obligor subject to subchapter four of this chapter, issued
45 capital stock; in the case of an issuer or obligor subject to chapter
46 eleven of this title as a utility corporation, gross income.

47 (ii) In the case of an issuer or obligor subject to tax under part
48 four of subchapter three of this chapter, the issuer's allocation
49 percentage shall be determined as follows:

50 (A) In the case of a banking corporation described in paragraphs one
51 through eight of subdivision (a) of section 11-640 of this chapter which
52 is organized under the laws of the United States, this state or any
53 other state of the United States, the issuer's allocation percentage
54 shall be its alternative entire net income allocation percentage, as
55 defined in subdivision (c) of section 11-642 of this chapter, for the
56 preceding year. In the case of such a banking corporation whose alterna-

1 tive entire net income for the preceding year is derived exclusively
2 from business carried on within the city, its issuer's allocation
3 percentage shall be one hundred percent.

4 (B) In the case of a banking corporation described in paragraph two of
5 subdivision (a) of section 11-640 of this chapter which is organized
6 under the laws of a country other than the United States, the issuer's
7 allocation percentage shall be determined by dividing (I) the amount
8 described in clause (i) of subparagraph (A) of paragraph two of subdivi-
9 sion (a) of section 11-642 of this chapter with respect to such issuer
10 or obligor for the preceding year, by (II) the gross income of such
11 issuer or obligor from all sources within and without the United States,
12 for such preceding year, whether or not included in alternative entire
13 net income for such year.

14 (C) In the case of an issuer or obligor described in paragraph nine of
15 subdivision (a) or in paragraph two of subdivision (d) of section 11-640
16 of this chapter, the issuer's allocation percentage shall be determined
17 by dividing the portion of the entire capital of the issuer or obligor
18 allocable to the city for the preceding year by the entire capital,
19 wherever located, of the issuer or obligor for the preceding year.

20 (iii) Provided, however, that if a report or reports for the preceding
21 year are not filed, or if filed do not contain information which would
22 permit the determination of such issuer's allocation percentage, then
23 the issuer's allocation percentage to be used shall, at the discretion
24 of the commissioner of finance, be either (A) the issuer's allocation
25 percentage derived from the most recently filed report or reports of the
26 issuer or obligor or (B) a percentage calculated, by the commissioner of
27 finance, reasonably to indicate the degree of economic presence in the
28 city of the issuer or obligor during the preceding year.

29 (2) adding together the sum so obtained, and

30 (3) dividing the result so obtained by the total of its investment
31 capital invested during such period in stocks, bonds and other securi-
32 ties; provided, however, that in case any investment capital is invested
33 in any stock, bond or other security during only a portion of the period
34 covered by the report, only such portion of such capital shall be taken
35 into account; and provided further, that if a taxpayer's investment
36 allocation percentage is zero, interest received on bank accounts shall
37 be multiplied by its business allocation percentage; and

38 (c) add the products so obtained.

39 (d) Except as provided in subparagraph three of this paragraph or in
40 paragraph (e) of this subdivision, at the election of the taxpayer there
41 shall be deducted from the portion of its entire net income allocated
42 within the city either or both of the items set forth in subparagraphs
43 one and two of this paragraph, except that only one of such deductions
44 shall be allowed with respect to any one item of property.

45 (1) Depreciation with respect to any property such as described in
46 subparagraph three of this paragraph, not exceeding twice the depreci-
47 ation allowed with respect to the same property for federal income tax
48 purposes. Such deduction shall be allowed only upon condition that
49 entire net income be computed without any deduction for the depreciation
50 of the same property, and the total of all deductions allowed in any
51 taxable year or years with respect to the depreciation of any such prop-
52 erty shall not exceed its cost or other basis.

53 (2) Expenditures paid or incurred during the taxable year for the
54 construction, reconstruction, erection or acquisition of any property
55 such as described in subparagraph three of this paragraph which is used
56 or to be used for purposes of research and development in the exper-

1 imental or laboratory sense. Such purposes shall not be deemed to
2 include the ordinary testing or inspection of materials or products for
3 quality control, efficiency surveys, management studies, consumer
4 surveys, advertising, promotions or research in connection with liter-
5 ary, historical or similar projects. Such deduction shall be allowed
6 only on condition that entire net income for the taxable year and all
7 succeeding taxable years be computed without the deduction of any such
8 expenditures and without any deduction for depreciation of the same
9 property, except to the extent that its basis may be attributable to
10 factors other than such expenditures, or in case a deduction is allow-
11 able pursuant to this subparagraph for only a part of such expenditures,
12 on condition that any deduction allowed for federal income tax purposes
13 on account of such expenditures or on account of depreciation of the
14 same property be proportionately reduced in computing entire net income
15 for the taxable year and all succeeding taxable years. With respect to
16 property which is used or to be used for research and development only
17 in part, or during only part of its useful life, a proportionate part of
18 such expenditures shall be deductible. If all or part of such expendi-
19 tures with respect to any property shall have been deducted as provided
20 in this subparagraph, and such property is used for purposes other than
21 research and development to a greater extent than originally reported,
22 the taxpayer shall report such use in its report for the first taxable
23 year during which it occurs, and the commissioner of finance may recom-
24 pute the tax for the year or years for which such deduction was allowed,
25 and may assess any additional tax resulting from such recomputation
26 regardless of the time limitations set forth in section 11-674 of this
27 chapter.

28 (3) Such deductions shall be allowed only with respect to tangible
29 property which is depreciable pursuant to section one hundred sixty-sev-
30 en of the internal revenue code, having a situs in the city and used in
31 the taxpayer's trade or business, (A) constructed, reconstructed or
32 erected after December thirty-first, nineteen hundred sixty-five, pursu-
33 ant to a contract which was, on or before December thirty-first, nine-
34 teen hundred sixty-seven, and at all times thereafter, binding on the
35 taxpayer or, property, the physical construction, reconstruction or
36 erection of which began on or before December thirty-first, nineteen
37 hundred sixty-seven or which began after such date pursuant to an order
38 placed on or before December thirty-first, nineteen hundred sixty-seven,
39 and then only with respect to that portion of the basis thereof or the
40 expenditures relating thereto which is properly attributable to such
41 construction, reconstruction or erection after December thirty-first,
42 nineteen hundred sixty-five, or (B) acquired after December thirty-
43 first, nineteen hundred sixty-five, pursuant to a contract which was, on
44 or before December thirty-first, nineteen hundred sixty-seven, and at
45 all times thereafter, binding on the taxpayer or pursuant to an order
46 placed on or before December thirty-first, nineteen hundred sixty-seven,
47 by purchase as defined in section one hundred seventy-nine (d) of the
48 internal revenue code, if the original use of such property commenced
49 with the taxpayer, commenced in the city and commenced after December
50 thirty-first, nineteen hundred sixty-five, or (C) acquired, constructed,
51 reconstructed, or erected subsequent to December thirty-first nineteen
52 hundred sixty-seven, if such acquisition, construction, reconstruction
53 or erection is pursuant to a plan of the taxpayer which was in existence
54 December thirty-first, nineteen hundred sixty-seven and not thereafter
55 substantially modified, and such acquisition, construction, recon-
56 struction or erection would qualify under the rules in paragraphs four,

1 five or six of subsection (h) of section forty-eight of the internal
2 revenue code provided all references in such paragraphs four, five and
3 six to the dates October nine, nineteen hundred sixty-six, and October
4 ten, nineteen hundred sixty-six, shall be read as December thirty-first,
5 nineteen hundred sixty-seven. A taxpayer shall be allowed a deduction
6 under clauses (A), (B) or (C) of this subparagraph only if the tangible
7 property shall be delivered or the construction, reconstruction or
8 erection shall be completed on or before December thirty-first, nineteen
9 hundred sixty-nine, except in the case of tangible property which is
10 acquired, constructed, reconstructed or erected pursuant to a contract
11 which was, on or before December thirty-first, nineteen hundred sixty-
12 seven, and at all times thereafter, binding on the taxpayer. Provided,
13 however, for any taxable year beginning on or after January first, nine-
14 teen hundred sixty-eight, a taxpayer shall not be allowed a deduction
15 under this paragraph with respect to tangible personal property leased
16 by it to any other person or corporation. Accordingly, any contract or
17 agreement to lease or rent or for a license to use such property shall
18 be considered a lease. With respect to property which the taxpayer uses
19 itself for purposes other than leasing for part of a taxable year and
20 leases for a part of a taxable year, the taxpayer shall be allowed a
21 deduction under this paragraph in proportion to the part of the year it
22 uses such property.

23 (4) If the deductions allowable for any taxable year, pursuant to this
24 subdivision, exceed the portion of the taxpayer's entire net income
25 allocated to the city for such year, the excess may be carried over to
26 the following taxable year or years and may be deducted from the portion
27 of the taxpayer's entire net income allocated to the city for such year
28 or years.

29 (5) In any taxable year when property is sold or otherwise disposed
30 of, with respect to which a deduction has been allowed pursuant to
31 subparagraph one or two of this paragraph, the gain or loss thereon
32 entering into the computation of federal taxable income shall be disre-
33 garded in computing entire net income, and there shall be added to or
34 subtracted from the portion of entire net income allocated within the
35 city the gain or loss upon such sale or other disposition. In computing
36 such gain or loss the basis of the property sold or disposed of shall be
37 adjusted to reflect the deduction allowed with respect to such property
38 pursuant to subparagraph one or two of this paragraph. Provided, howev-
39 er, that no loss shall be recognized for the purposes of this subpara-
40 graph with respect to a sale or other disposition of property to a
41 person whose acquisition thereof is not a purchase as defined in section
42 one hundred seventy-nine (d) of the internal revenue code.

43 (e) At the election of the taxpayer there shall be deducted from the
44 portion of its entire net income allocated within the city either or
45 both of the items set forth in subparagraphs one and two of this para-
46 graph, except that only one of such deductions shall be allowed with
47 respect to any one item of property.

48 (1) Depreciation with respect to any property such as described in
49 subparagraphs three and four of this paragraph, not exceeding twice the
50 depreciation allowed with respect to the same property for federal
51 income tax purposes. Such deduction shall be allowed only upon condition
52 that entire net income be computed without any deduction for the depre-
53 ciation of the same property, and the total of all deductions allowed in
54 any taxable year or years with respect to the depreciation of any such
55 property shall not exceed its cost or other basis multiplied by the
56 taxpayer's business allocation percentage determined under this subdivi-

1 sion for the first year it deducts such depreciation under this para-
2 graph.

3 (2) Expenditures paid or incurred during the taxable year for the
4 construction, reconstruction, erection or acquisition of any property
5 such as described in subparagraph three of this paragraph which is used
6 or to be used for purposes of research and development in the exper-
7 imental or laboratory sense. Such purposes shall not be deemed to
8 include the ordinary testing or inspection of materials or products for
9 quality control, efficiency surveys, management studies, consumer
10 surveys, advertising, promotions or research in connection with liter-
11 ary, historical or similar projects. Such deductions shall be allowed
12 only on condition that it does not exceed the amount of the expenditures
13 multiplied by the taxpayer's business allocation percentage determined
14 under this subdivision for the year the expenditures are paid or
15 incurred and that entire net income for the taxable year and all
16 succeeding taxable years be computed without the deduction of any such
17 expenditures and without any deduction for depreciation of the same
18 property, except to the extent that its basis may be attributable to
19 factors other than such expenditures, or in case a deduction is allow-
20 able pursuant to this subparagraph for only a part of such expenditures,
21 on condition that any deduction allowed for federal income tax purposes
22 on account of such expenditures or on account of depreciation of the
23 same property be proportionately reduced in computing entire net income
24 for the taxable year and all succeeding taxable years. With respect to
25 property which is used or to be used for research and development only
26 in part, or during only part of its useful life, a proportionate part of
27 such expenditures shall be deductible. If all or part of such expendi-
28 tures with respect to any property shall have been deducted as provided
29 in this subparagraph, and such property is used for purposes other than
30 research and development to a greater extent than originally reported,
31 the taxpayer shall report such use in its report for the first taxable
32 year during which it occurs, and the commissioner of finance may recom-
33 pute the tax for the year or years for which such deduction was allowed,
34 and may assess any additional tax resulting from such recomputation
35 regardless of the time limitations set forth in section 11-674 of this
36 chapter.

37 (3) Such deduction shall be allowed only with respect to tangible
38 property which is depreciable pursuant to section one hundred sixty-sev-
39 en of the internal revenue code, having a situs in the city and used in
40 the taxpayer's trade or business (A) the construction, reconstruction or
41 erection of which is completed after December thirty-first, nineteen
42 hundred sixty-seven, and then only with respect to that portion of the
43 basis thereof or the expenditures relating thereto which is properly
44 attributable to such construction, reconstruction or erection after
45 December thirty-first, nineteen hundred sixty-five, or (B) acquired
46 after December thirty-first, nineteen hundred sixty-seven by purchase or
47 defined in section one hundred seventy-nine (d) of the internal revenue
48 code, if the original use of such property commenced with the taxpayer,
49 commenced in this state and commenced after December thirty-first nine-
50 teen hundred sixty-five. Provided, however, for any taxable year begin-
51 ning on or after January first, nineteen hundred sixty-eight, a taxpayer
52 shall not be allowed a deduction under this paragraph with respect to
53 tangible personal property leased by it to any other person or corpo-
54 ration. Accordingly, any contract or agreement to lease or rent or for a
55 license to use such property shall be considered a lease. With respect
56 to property which the taxpayer uses itself for purposes other than leas-

1 ing for part of a taxable year and leases for a part of a taxable year,
2 the taxpayer shall be allowed a deduction under this paragraph in
3 proportion to the part of the year it uses such property.

4 (4) A deduction under subparagraph one of this paragraph shall be
5 allowed with respect to tangible property described in subparagraph
6 three only if such property is principally used by the taxpayer in the
7 production of goods by manufacturing; processing; assembling; refining;
8 mining; extracting; farming; agriculture; horticulture; floriculture;
9 viticulture or commercial fishing. For purposes of this subparagraph,
10 manufacturing shall mean the process of working raw materials into wares
11 suitable for use or which gives new shapes, new qualities or new combi-
12 nations to matter which already has gone through some artificial process
13 by the use of machinery, tools, appliances and other similar equipment.
14 Property used in the production of goods shall include machinery, equip-
15 ment or other tangible property which is principally used in the repair
16 and service of other machinery, equipment or other tangible property
17 used principally in the production of goods and shall include all facil-
18 ities used in the manufacturing operation, including storage of material
19 to be used in manufacturing and of the products that are manufactured.
20 At the option of the taxpayer, air and water pollution control facili-
21 ties which qualify for elective deductions under paragraph (g) of subdi-
22 vision eight of section 11-602 of this subchapter may be treated, for
23 purposes of this paragraph, as tangible property principally used in the
24 production of goods by manufacturing; processing; assembling; refining;
25 mining; extracting; farming; agriculture; horticulture; floriculture;
26 viticulture; or commercial fishing, in which event, a deduction shall
27 not be allowed under such paragraph (g).

28 (5) Subject to the limitation imposed by subparagraphs one and two of
29 this paragraph, if the deductions allowable for any taxable year, pursu-
30 ant to this subdivision, exceed the portion of the taxpayer's entire net
31 income allocated to the city for such year, the excess may be carried
32 over to the following taxable year or years and may be deducted from the
33 portion of the taxpayer's entire net income allocated to the city for
34 such year or years.

35 (6) In any taxable year when property is sold or otherwise disposed
36 of, with respect to which a deduction has been allowed pursuant to
37 subparagraph one or two of this paragraph, the gain or loss thereon
38 entering into the computation of federal taxable income shall be disre-
39 garded in computing entire net income, and there shall be added to or
40 subtracted from the portion of entire net income allocated within the
41 city the gain or loss upon such sale or other disposition. In computing
42 such gain or loss the basis of the property sold or disposed of shall be
43 adjusted to reflect the deduction allowed with respect to such property
44 pursuant to subparagraph one or two of this paragraph. Provided, howev-
45 er, that no loss shall be recognized for the purposes of this subpara-
46 graph with respect to a sale or other disposition of property to a
47 person whose acquisition thereof is not a purchase as defined in section
48 one hundred seventy-nine (d) of the internal revenue code.

49 4. The portion of the business capital of a taxpayer to be allocated
50 within the city shall be determined by multiplying the amount thereof by
51 the business allocation percentage determined as provided for in this
52 subdivision. Provided, however, such business allocation percentage, for
53 purposes of allocating business capital, shall (a) for taxable years
54 beginning before nineteen hundred ninety-four, be determined without
55 regard to clause (C) of subparagraph six of paragraph (a) of subdivision
56 three of this section and (b) for taxable years beginning after nineteen

1 hundred ninety-three, be determined with regard to such clause (C) but
2 only in the case of a taxpayer subject to the provisions of paragraph
3 (b) of subdivision six of section 11-602 of this subchapter.

4 5. The portion of the investment capital of a taxpayer to be allocated
5 within the city shall be determined by multiplying the amount thereof by
6 the investment allocation percentage determined as provided in this
7 subdivision.

8 7. The portion of the subsidiary capital of a taxpayer to be allocated
9 within the city shall be determined by (a) multiplying the amount of its
10 subsidiary capital invested in each subsidiary during the period covered
11 by its report, or, in the case of any such capital so invested during
12 only a portion of such period, such portion of such capital, by the
13 issuer's allocation percentage, as defined in subparagraph one of para-
14 graph (b) of subdivision three of this section, of each such subsidiary
15 and (b) adding together the sums so obtained.

16 8. If it shall appear to the commissioner of finance that any business
17 or investment allocation percentage determined as provided in this
18 subdivision does not properly reflect the activity, business, income or
19 capital of a taxpayer within the city, the commissioner of finance shall
20 be authorized in his or her discretion, in the case of a business allo-
21 cation percentage, to adjust it by (a) excluding one or more of the
22 factors therein, (b) including one or more other factors, such as
23 expenses, purchases, contract values, minus subcontract values, (c)
24 excluding one or more assets in computing such allocation percentage,
25 provided the income therefrom is also excluded in determining entire net
26 income, or (d) any other similar or different method calculated to
27 effect a fair and proper allocation of the income and capital reasonably
28 attributable to the city, and in the case of an investment allocation
29 percentage to adjust it by excluding one or more assets in computing
30 such percentage provided the income therefrom is also excluded in deter-
31 mining entire net income. The commissioner of finance from time to time
32 shall publish all rulings of general public interest with respect to any
33 application of the provisions of this subdivision.

34 9. If it shall appear to the commissioner of finance that any business
35 allocation percentage determined as provided in subdivisions one through
36 eight of this section does not properly reflect the activity, business,
37 income or capital of a taxpayer within the city, the commissioner of
38 finance shall be authorized in his or her discretion to adjust it by (a)
39 excluding one or more of the factors therein, (b) including one or more
40 other factors, such as expenses, purchases, contract values, minus
41 subcontract values, (c) excluding one or more assets in computing such
42 allocation percentage, provided the income therefrom, is also excluded
43 in determining entire net income, or (d) any other similar or different
44 method calculated to effect a fair and proper allocation of the income
45 and capital reasonably attributable to the city, and in the case of an
46 investment allocation percentage, to adjust it by excluding one or more
47 assets in computing such percentage provided the income therefrom is
48 also excluded in determining entire net income. The commissioner of
49 finance from time to time shall publish all rulings of general public
50 interest with respect to any application of the provisions of this
51 subdivision.

52 11. (a) A taxpayer shall be allowed a credit, to be refunded in the
53 manner as provided in this subdivision, against the tax imposed by this
54 chapter. The amount of such credit shall be fifty percent of the tax
55 incurred in market making transactions under the provisions of article
56 twelve of the tax law on such transactions subject to such tax occurring

1 on and after August first, nineteen hundred seventy-six and paid by such
2 taxpayer, except when such tax shall have been paid pursuant to section
3 two hundred seventy-nine-a of such tax law.

4 (b) For purposes of this subdivision:

5 (1) the term "taxpayer" shall mean any corporation subject to tax
6 under this chapter registered with the United States securities and
7 exchange commission in accordance with subsection (b) of section fifteen
8 of the securities exchange act of nineteen hundred thirty-four, as
9 amended, and acting as a dealer in a transaction described in subpara-
10 graph two of this paragraph, and

11 (2) the term "market making transaction" shall mean any transaction
12 involving a sale, including a short sale, by a dealer of shares or
13 certificates subject to the tax imposed by article twelve of the tax
14 law, provided such shares or certificates are sold:

15 (i) as stock in trade or inventory or as property held for sale in the
16 ordinary course of such dealer's trade or business, including transfers
17 which are part of an underwriting,

18 (ii) in (a) a bona fide arbitrage transaction; (b) a bona fide hedge
19 transaction involving a long or short position in any equity security
20 and a long or short position in a security entitling the holder to
21 acquire or sell such equity security; or (c) a risk arbitrage trans-
22 action in connection with a merger, acquisition, tender offer, recap-
23 italization, reorganization, or similar transaction, or

24 (iii) to offset a transaction made in error.

25 Provided, however, that, except as to subclause (c) of clause (ii) of
26 this paragraph, the term "market making transaction" shall not include
27 any sale of shares or certificates identified in such dealer's records
28 as a security held for investment within the meaning of section twelve
29 hundred thirty-six of the internal revenue code.

30 (c) The credit allowed under this subdivision for any taxable year
31 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
32 ited or refunded in accordance with the provisions of section 11-677 of
33 this chapter, except as otherwise provided in subdivision three of
34 section 11-606 and subdivision eleven of section 11-608; provided,
35 however, that the provisions of this title notwithstanding, the amount
36 to be refunded pursuant to this subdivision shall not be paid prior to
37 the first day of the eighth month following the close of the taxable
38 year, and the provisions of subdivision three of section 11-679 of this
39 chapter notwithstanding interest shall be allowed and paid on the over-
40 payment of the credit under this subdivision from the first day of the
41 eleventh month following the close of the taxable year, or three months
42 after a claim for the credit or refund provided for in this subdivision
43 has been filed, whichever is later.

44 (d) Provided, however, that the credit provided under this subdivision
45 shall be allowed only to the extent that the amount of credit allowable
46 with respect to market making transactions under the provisions of this
47 subdivision, determined without regard to the provisions of this para-
48 graph, exceeds fifty percent of all rebates, provided for under the
49 provisions of section two hundred eighty-a of the tax law, allowed for
50 such taxes incurred in the same market making transactions with respect
51 to which the credit is determined. No credit shall be allowed under this
52 subdivision with respect to any tax incurred in market making trans-
53 actions occurring on or after October first, nineteen hundred eighty-
54 one.

55 12. (a) In addition to the credit allowed by subdivision eleven of
56 this section, a taxpayer shall be allowed a credit against the tax

1 imposed by this subchapter to be credited or refunded in the manner
2 provided in this section. The amount of such credit shall be the excess
3 of (A) the amount of sales and compensating use taxes imposed by section
4 eleven hundred seven of the tax law during the taxpayer's taxable year
5 which became legally due on or after and was paid on or after July
6 first, nineteen hundred seventy-seven, less any credits or refunds of
7 such taxes, with respect to the purchase or use by the taxpayer of
8 machinery or equipment for use or consumption directly and predominantly
9 in the production of tangible personal property, gas, electricity,
10 refrigeration or steam for sale, by manufacturing, processing, generat-
11 ing, assembling, refining, mining or extracting, or telephone central
12 office equipment or station apparatus or comparable telegraph equipment
13 for use directly and predominantly in receiving at destination or initi-
14 ating and switching telephone or telegraph communication, but not
15 including parts with a useful life of one year or less or tools or
16 supplies used in connection with such machinery, equipment or apparatus
17 over (B) the amount of any credit for such sales and compensating use
18 taxes allowed or allowable against the taxes imposed by subchapter two
19 of chapter eleven of this title for any periods embraced within the
20 taxable year of the taxpayer under this subchapter.

21 (b) The credit allowed under this subdivision for any taxable year
22 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
23 ited or refunded, without interest, in accordance with the provisions of
24 section 11-677 of this chapter.

25 (c) Where the taxpayer receives a refund or credit of any tax imposed
26 under section eleven hundred seven of the tax law for which the taxpayer
27 had claimed a credit under the provisions of this subdivision in a prior
28 taxable year, the amount of such tax refund shall be added to the tax
29 imposed by subdivision one of section 11-603 of this subchapter, and
30 such amount shall be subtracted in computing entire net income for the
31 taxable year.

32 13. (a) In addition to any other credit allowed by this section, a
33 taxpayer shall be allowed a credit against the tax imposed by this
34 subchapter to be credited or refunded without interest, in the manner
35 provided in this section.

36 (1) Where a taxpayer shall have relocated to the city from a location
37 outside the state, and by such relocation shall have created a minimum
38 of one hundred industrial or commercial employment opportunities; and
39 where such taxpayer shall have entered into a written lease for the
40 relocation premises, the terms of which lease provide for increased
41 additional payments to the landlord which are based solely and directly
42 upon any increase or addition in real estate taxes imposed on the leased
43 premises, the taxpayer upon approval and certification by the industrial
44 and commercial incentive board shall be entitled to a credit against the
45 tax imposed by this subchapter. The amount of such credit shall be: An
46 amount equal to the annual increased payments actually made by the
47 taxpayer to the landlord which are solely and directly attributable to
48 an increase or addition to the real estate tax imposed upon the leased
49 premises. Such credit shall be allowed only to the extent that the
50 taxpayer has not otherwise claimed said amount as a deduction against
51 the tax imposed by this subchapter.

52 The industrial and commercial incentive board in approving and certi-
53 fying to the qualifications of the taxpayer to receive the tax credit
54 provided for in this subdivision shall first determine that the appli-
55 cant has met the requirements of this section, and further, that the
56 granting of the tax credit to the applicant is in the "public interest".

1 In determining that the granting of the tax credit is in the public
2 interest, the board shall make affirmative findings that: the granting
3 of the tax credit to the applicant will not effect an undue hardship on
4 similar taxpayers already located within the city; the existence of this
5 tax incentive has been instrumental in bringing about the relocation of
6 the applicant to the city; and the granting of the tax credit will
7 foster the economic recovery and economic development of the city.

8 The tax credit, if approved and certified by the industrial and
9 commercial incentive board, must be utilized annually by the taxpayer
10 for the length of the term of the lease or for a period not to exceed
11 ten years from the date of relocation whichever period is shorter.

12 (2) When used in this section, the following terms shall have the
13 following meanings:

14 (i) "Employment opportunity" means the creation of a full time posi-
15 tion of gainful employment for an industrial or commercial employee and
16 the actual hiring of such employee for the said position.

17 (ii) "Industrial employee" means one engaged in the manufacture or
18 assembling of tangible goods or the processing of raw materials.

19 (iii) "Commercial employee" means one engaged in the buying, selling
20 or otherwise providing of goods or services other than on a retail
21 basis.

22 (iv) "Retail" means the selling or otherwise disposing or furnishing
23 of tangible goods or services directly to the ultimate user or consumer.

24 (v) "Full time position" means the hiring of an industrial or commer-
25 cial employee in a position of gainful employment where the number of
26 hours worked by such employees is not less than thirty hours during any
27 given work week.

28 (vi) "Industrial and commercial incentive board" means the board
29 created pursuant to part three of subchapter two of chapter two of this
30 title.

31 (b) The credit allowed under this subdivision for any taxable year
32 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
33 ited or refunded, without interest, in accordance with the provisions of
34 section 11-677 of this chapter.

35 14. (a) In addition to any other credit allowed by this section, a
36 taxpayer shall be allowed a credit against the tax imposed by this
37 subchapter to be credited or refunded without interest, in the manner
38 provided in this section. The amount of such credit shall be:

39 (1) A maximum of three hundred dollars for each commercial employment
40 opportunity and a maximum of five hundred dollars for each industrial
41 employment opportunity relocated to the city from an area outside the
42 state. Such credit shall be allowed to a taxpayer who relocates a mini-
43 mum of ten employment opportunities. The credit shall be allowed against
44 employment opportunity relocation costs incurred by the taxpayer. Such
45 credit shall be allowed only to the extent that the taxpayer has not
46 claimed a deduction for allowable employment opportunity relocation
47 costs. Such credit may be taken by the taxpayer in whole or in part in
48 the year in which the employment opportunity is relocated by such
49 taxpayer or either of the two years succeeding such event, provided,
50 however, no credit shall be allowed under this subdivision to a taxpayer
51 for industrial employment opportunities relocated to premises (A) that
52 are within an industrial business zone established pursuant to section
53 22-626 of this code and (B) for which a binding contract to purchase or
54 lease was first entered into by the taxpayer on or after July first, two
55 thousand five.

1 The commissioner of finance is empowered to promulgate rules and regu-
2 lations and to prescribe the form of application to be used by a taxpay-
3 er seeking such credit.

4 (2) When used in this section: (i) "Employment opportunity" means the
5 creation of a full time position of gainful employment for an industrial
6 or commercial employee and the actual hiring of such employee for the
7 said position.

8 (ii) "Industrial employee" means one engaged in the manufacture or
9 assembling of tangible goods or the processing of raw materials.

10 (iii) "Commercial employee" means one engaged in the buying, selling
11 or otherwise providing of goods or services other than on a retail
12 basis.

13 (iv) "Retail" means the selling or otherwise disposing of tangible
14 goods directly to the ultimate user or consumer.

15 (v) "Full time position" means the hiring of an industrial or commer-
16 cial employee in a position of gainful employment where the number of
17 hours worked by such employee is not less than thirty hours during any
18 given work week.

19 (vi) "Employment opportunity relocation costs" means the costs
20 incurred by the taxpayer in moving furniture, files, papers and office
21 equipment into the city from a location outside the state; the costs
22 incurred by the taxpayer in the moving and installation of machinery and
23 equipment into the city from a location outside the state; the costs of
24 installation of telephones and other communications equipment required
25 as a result of the relocation to the city from a location outside the
26 state; the cost incurred in the purchase of office furniture and
27 fixtures required as a result of the relocation to the city from a
28 location outside the state; and the cost of renovation of the premises
29 to be occupied as a result of the relocation provided, however, that
30 such renovation costs shall be allowable only to the extent that they do
31 not exceed seventy-five cents per square foot of the total area utilized
32 by the taxpayer in the occupied premises.

33 (b) The credit allowed under this section for any taxable year shall
34 be deemed to be an overpayment of tax by the taxpayer to be credited or
35 refunded without interest in accordance with the provisions of section
36 11-677 of this chapter.

37 17. (a) In addition to any other credit allowed by this section, a
38 taxpayer that has obtained the certifications required by chapter six-B
39 of title twenty-two of the preceding municipality code shall be allowed
40 a credit against the tax imposed by this subchapter. The amount of the
41 credit shall be the amount determined by multiplying five hundred
42 dollars or, in the case of a taxpayer that has obtained pursuant to
43 chapter six-B of such title twenty-two a certification of eligibility
44 dated on or after July first, nineteen hundred ninety-five, one thousand
45 dollars or, in the case of an eligible business that has obtained pursu-
46 ant to chapter six-B of such title twenty-two a certification of eligi-
47 bility dated on or after July first, two thousand, for a relocation to
48 eligible premises located within a revitalization area defined in subdivi-
49 sion (n) of section 22-621 of the code of the preceding municipality,
50 three thousand dollars, by the number of eligible aggregate employment
51 shares maintained by the taxpayer during the taxable year with respect
52 to particular premises to which the taxpayer has relocated; provided,
53 however, with respect to a relocation for which no application for a
54 certificate of eligibility is submitted prior to July first, two thou-
55 sand three, to eligible premises that are not within a revitalization
56 area, if the date of such relocation as determined pursuant to subdivi-

1 sion (j) of section 22-621 of the code of the preceding municipality is
2 before July first, nineteen hundred ninety-five, the amount to be multi-
3 plied by the number of eligible aggregate employment shares shall be
4 five hundred dollars, and with respect to a relocation for which no
5 application for a certificate of eligibility is submitted prior to July
6 first, two thousand three, to eligible premises that are within a revi-
7 talization area, if the date of such relocation as determined pursuant
8 to subdivision (j) of such section is before July first, nineteen
9 hundred ninety-five, the amount to be multiplied by the number of eligi-
10 ble aggregate employment shares shall be five hundred dollars, and if
11 the date of such relocation as determined pursuant to subdivision (j) of
12 such section is on or after July first, nineteen hundred ninety-five,
13 and before July first, two thousand, one thousand dollars; provided,
14 however, that no credit shall be allowed for the relocation of any
15 retail activity or hotel services; provided, further, that no credit
16 shall be allowed under this subdivision to any taxpayer that has elected
17 pursuant to subdivision (d) of section 22-622 of the code of the preced-
18 ing municipality to take such credit against a gross receipts tax
19 imposed by chapter eleven of this title; and provided that in the case
20 of an eligible business that has obtained pursuant to chapter six-B of
21 such title twenty-two certifications of eligibility for more than one
22 relocation, the portion of the total amount of eligible aggregate
23 employment shares to be multiplied by the dollar amount specified in
24 this subdivision for each such certification of a relocation shall be
25 the number of total attributed eligible aggregate employment shares
26 determined with respect to such relocation pursuant to subdivision (o)
27 of section 22-621 of the code of the preceding municipality. For
28 purposes of this subdivision, the terms "eligible aggregate employment
29 shares," "relocate," "retail activity" and "hotel services" shall have
30 the meanings ascribed by section 22-621 of the code of the preceding
31 municipality.

32 (b) The credit allowed under this subdivision with respect to eligible
33 aggregate employment shares maintained with respect to particular prem-
34 ises to which the taxpayer has relocated shall be allowed for the first
35 taxable year during which such eligible aggregate employment shares are
36 maintained with respect to such premises and for any of the twelve
37 succeeding taxable years during which eligible aggregate employment
38 shares are maintained with respect to such premises; provided that the
39 credit allowed for the twelfth succeeding taxable year shall be calcu-
40 lated by multiplying the number of eligible aggregate employment shares
41 maintained with respect to such premises in the twelfth succeeding taxa-
42 ble year by the lesser of one and a fraction the numerator of which is
43 such number of days in the taxable year of relocation less the number of
44 days the eligible business maintained employment shares in the eligible
45 premises in the taxable year of relocation and the denominator of which
46 is the number of days in such twelfth succeeding taxable year during
47 which such eligible aggregate employment shares are maintained with
48 respect to such premises. Except as provided in paragraph (d) of this
49 subdivision, if the amount of the credit allowable under this subdivi-
50 sion for any taxable year exceeds the tax imposed for such year, the
51 excess may be carried over, in order, to the five immediately succeeding
52 taxable years and, to the extent not previously deductible, may be
53 deducted from the taxpayer's tax for such years.

54 (c) The credit allowable under this subdivision shall be deducted
55 after the credit allowed by subdivision eighteen of this section, but
56 prior to the deduction of any other credit allowed by this section.

1 (d) In the case of a taxpayer that has obtained a certification of
2 eligibility pursuant to chapter six-B of title twenty-two of the code of
3 the preceding municipality dated on or after July first, two thousand
4 for a relocation to eligible premises located within the revitalization
5 area defined in subdivision (n) of section 22-621 of the code of the
6 preceding municipality, the credits allowed under this subdivision, or
7 in the case of a taxpayer that has relocated more than once, the portion
8 of such credits attributed to such certification of eligibility pursuant
9 to paragraph (a) of this subdivision, against the tax imposed by this
10 chapter for the taxable year of such relocation and for the four taxable
11 years immediately succeeding the taxable year of such relocation, shall
12 be deemed to be overpayments of tax by the taxpayer to be credited or
13 refunded, without interest, in accordance with the provisions of section
14 11-677 of this chapter. For such taxable years, such credits or portions
15 thereof may not be carried over to any succeeding taxable year;
16 provided, however, that this paragraph shall not apply to any relocation
17 for which an application for a certification of eligibility was not
18 submitted prior to July first, two thousand three, unless the date of
19 such relocation is on or after July first, two thousand.

20 17-a. (a) In addition to any other credit allowed by this section, a
21 taxpayer shall be allowed a credit against the tax imposed by this
22 subchapter to be credited or refunded in the manner provided in this
23 subdivision. The amount of such credit shall be equal to the amount of
24 sales and compensating use taxes imposed by section eleven hundred seven
25 of the tax law during the taxpayer's taxable year, and the amount of any
26 interest imposed in connection therewith, which was paid after January
27 first, nineteen hundred ninety-five, less any credit or refund of such
28 taxes, or such interest, with respect to the purchase or use by the
29 taxpayer of the services described in subdivision (b) of section eleven
30 hundred five-b of the tax law.

31 (b) The credit allowed under this subdivision for any taxable year
32 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
33 ited or refunded, without interest, in accordance with the provisions of
34 section 11-677 of this chapter.

35 (c) Where the taxpayer receives a refund or credit of any tax imposed
36 under section eleven hundred seven of the tax law, or of any interest
37 imposed in connection therewith, for which the taxpayer had claimed a
38 credit under the provisions of this subdivision in a prior taxable year,
39 the amount of such tax, or such interest, refund or credit shall be
40 added to the tax imposed by subdivision one of section 11-603 of this
41 subchapter, and such amount shall be subtracted in computing entire net
42 income for the taxable year.

43 17-b. (a) For taxable years beginning on or after January first, two
44 thousand six, in addition to any other credit allowed by this section,
45 an eligible business that first enters into a binding contract on or
46 after July first, two thousand five to purchase or lease eligible prem-
47 ises to which it relocates shall be allowed a one-time credit against
48 the tax imposed by this subchapter to be credited or refunded in the
49 manner hereinafter provided in this subdivision. The amount of such
50 credit shall be one thousand dollars per full-time employee; provided,
51 however, that the amount of such credit shall not exceed the lesser of
52 actual relocation costs or one hundred thousand dollars.

53 (b) When used in this subdivision, the following terms shall have the
54 following meanings:

55 (i) "Eligible business" means any business subject to tax under this
56 subchapter that (1) has been conducting substantial business operations

1 and engaging primarily in industrial and manufacturing activities at one
2 or more locations within the city of Staten Island or outside the state
3 of New York continuously during the twenty-four consecutive full months
4 immediately preceding relocation, (2) has leased the premises from which
5 it relocates continuously during the twenty-four consecutive full months
6 immediately preceding relocation, (3) first enters into a binding
7 contract on or after July first, two thousand five to purchase or lease
8 eligible premises to which such business will relocate, and (4) will be
9 engaged primarily in industrial and manufacturing activities at such
10 eligible premises.

11 (ii) "Eligible premises" means premises located entirely within an
12 industrial business zone. For any eligible business, an industrial busi-
13 ness zone tax credit shall not be granted with respect to more than one
14 eligible premises.

15 (iii) "Full-time employee" means (1) one person gainfully employed in
16 an eligible premises by an eligible business where the number of hours
17 required to be worked by such person is not less than thirty-five hours
18 per week; or (2) two persons gainfully employed in an eligible premises
19 by an eligible business where the number of hours required to be worked
20 by each such person is more than fifteen hours per week but less than
21 thirty-five hours per week.

22 (iv) "Industrial business zone" means an area within the city of
23 Staten Island established pursuant to section 22-626 of the code of the
24 preceding municipality.

25 (v) "Industrial business zone tax credit" means a credit, as provided
26 for in this subdivision, against a tax imposed under this subchapter.

27 (vi) "Industrial and manufacturing activities" means activities
28 involving the assembly of goods to create a different article, or the
29 processing, fabrication, or packaging of goods. Industrial and manufac-
30 turing activities shall not include waste management or utility
31 services.

32 (vii) "Relocation" means the physical relocation of furniture,
33 fixtures, equipment, machinery and supplies directly to an eligible
34 premises, from one or more locations of an eligible business, including
35 at least one location at which such business conducts substantial busi-
36 ness operations and engages primarily in industrial and manufacturing
37 activities. For purposes of this subdivision, the date of relocation
38 shall be (1) the date of the completion of the relocation to the eligi-
39 ble premises or (2) ninety days from the commencement of the relocation
40 to the eligible premises, whichever is earlier.

41 (viii) "Relocation costs" means costs incurred in the relocation of
42 such furniture, fixtures, equipment, machinery and supplies, including,
43 but not limited to, the cost of dismantling and reassembling equipment
44 and the cost of floor preparation necessary for the reassembly of the
45 equipment. Relocation costs shall include only such costs that are
46 incurred during the ninety-day period immediately following the
47 commencement of the relocation to an eligible premises. Relocation costs
48 shall not include costs for structural or capital improvements or items
49 purchased in connection with the relocation.

50 (c) The credit allowed under this subdivision for any taxable year
51 shall be deemed to be an overpayment of tax by the taxpayer to be cred-
52 ited or refunded without interest, in accordance with the provisions of
53 section 11-677 of this chapter.

54 (d) The number of full-time employees for the purposes of calculating
55 an industrial business tax credit shall be the average number of full-
56 time employees, calculated on a weekly basis, employed in the eligible

1 premises by the eligible business in the fifty-two week period imme-
2 diately following the earlier of (1) the date of the completion of the
3 relocation to eligible premises or (2) ninety days from the commencement
4 of the relocation to the eligible premises.

5 (e) The credit allowed under this subdivision must be taken by the
6 taxpayer in the taxable year in which such twelve-month period selected
7 by the taxpayer ends.

8 (f) For the purposes of calculating entire net income in the taxable
9 year that an industrial business tax credit is allowed, a taxpayer must
10 add back the amount of the credit allowed under this subdivision, to the
11 extent of any relocation costs deducted in the current taxable year or a
12 prior taxable year in calculating federal taxable income.

13 (g) The credit allowed under this subdivision shall not be granted for
14 an eligible business for more than one relocation, provided, however, an
15 industrial business tax credit shall not be granted if the eligible
16 business receives benefits pursuant to chapter six-B or six-C of title
17 twenty-two of the code of the preceding municipality, through a grant
18 program administered by the business relocation assistance corporation,
19 or through the New York city printers relocation fund grant.

20 (h) The commissioner of finance is authorized to promulgate rules and
21 regulations and to prescribe forms necessary to effectuate the purposes
22 of this subdivision.

23 18. (a) If a corporation is a partner in an unincorporated business
24 taxable under chapter five of this title, and is required to include in
25 entire net income its distributive share of income, gain, loss and
26 deductions of, or guaranteed payments from, such unincorporated busi-
27 ness, such corporation shall be allowed a credit against the tax imposed
28 by this subchapter equal to the lesser of the amounts determined in
29 subparagraphs one and two of this paragraph:

30 (1) The amount determined in this subparagraph is the product of (A)
31 the sum of (i) the tax imposed by chapter five of this title on the
32 unincorporated business for its taxable year ending within or with the
33 taxable year of the corporation and paid by the unincorporated business
34 and (ii) the amount of any credit or credits taken by the unincorporated
35 business under section 11-503 of this title, except the credit allowed
36 by subdivision (b) of such section, for its taxable year ending within
37 or with the taxable year of the corporation, to the extent that such
38 credits do not reduce such unincorporated business's tax below zero, and
39 (B) a fraction, the numerator of which is the net total of the corpo-
40 ration's distributive share of income, gain, loss and deductions of, and
41 guaranteed payments from, the unincorporated business for such taxable
42 year, and the denominator of which is the sum, for such taxable year, of
43 the net total distributive shares of income, gain, loss and deductions
44 of, and guaranteed payments to, all partners in the unincorporated busi-
45 ness for whom or which such net total, as separately determined for each
46 partner, is greater than zero.

47 (2) The amount determined in this subparagraph is the product of (A)
48 the excess of (i) the tax computed under clause one of subparagraph (a)
49 of paragraph E of subdivision one of this section, without allowance of
50 any credits allowed by this section, over (ii) the tax so computed,
51 determined as if the corporation had no such distributive share or guar-
52 anteed payments with respect to the unincorporated business, and (B) a
53 fraction, the numerator of which is four and the denominator of which is
54 eight and eighty-five one-hundredths, provided, however, that the
55 amounts computed in clauses (i) and (ii) of this subparagraph shall be
56 computed with the following modifications:

1 (I) such amounts shall be computed without taking into account any
2 carryforward or carryback by the partner of a net operating loss;

3 (II) if, prior to taking into account any distributive share or guar-
4 anteed payments from any unincorporated business or any net operating
5 loss carryforward or carryback, the entire net income of the partner is
6 less than zero, such entire net income shall be treated as zero; and

7 (III) if such partner's net total distributive share of income, gain,
8 loss and deductions of, and guaranteed payments from, any unincorporated
9 business is less than zero, such net total shall be treated as zero. The
10 amount determined in this subparagraph shall not be less than zero.

11 (b)(1) Notwithstanding anything to the contrary in paragraph (a) of
12 this subdivision, in the case of a corporation that, before the applica-
13 tion of this subdivision or any other credit allowed by this section, is
14 liable for the tax on entire net income under clause one of subparagraph
15 (a) of paragraph E of subdivision one of this section, the credit or the
16 sum of the credits that may be taken by such corporation for a taxable
17 year under this subdivision with respect to an unincorporated business
18 or unincorporated businesses in which it is a partner shall not exceed
19 the tax so computed, without allowance of any credits allowed by this
20 section, multiplied by a fraction the numerator of which is four and the
21 denominator of which is eight and eighty-five one-hundredths. If the
22 credit allowed under this subdivision or the sum of such credits exceeds
23 the product of such tax and such fraction, the amount of the excess may
24 be carried forward, in order, to each of the seven immediately succeed-
25 ing taxable years and, to the extent not previously taken, shall be
26 allowed as a credit in each of such years. Accordingly, the credit
27 determined for the taxable year under paragraph (a) of this subdivision
28 shall be taken before taking any credit carryforward pursuant to this
29 paragraph and the credit carryforward attributable to the earliest taxa-
30 ble year shall be taken before taking a credit carryforward attributable
31 to a subsequent taxable year.

32 (2) Notwithstanding anything to the contrary in paragraph (a) of this
33 subdivision, in the case of a corporation that, before the application
34 of this subdivision or any other credit allowed by this section, is
35 liable for the tax on entire net income plus certain salaries and other
36 compensation under clause three of subparagraph (a) of paragraph E of
37 subdivision one of this section, the maximum credit that may be taken in
38 any taxable year is the amount that will reduce the tax so computed,
39 without allowance of any credits allowed by this section, to zero. For
40 purposes of this paragraph each dollar of credit shall be applied so as
41 to reduce such tax for taxable years beginning before January first, two
42 thousand seven by sixty-six and thirty-eight one-hundredths cents; for
43 taxable years beginning on or after January first, two thousand seven
44 and before January first, two thousand eight by fifty-eight and eight
45 one-hundredths cents; for taxable years beginning on or after January
46 first, two thousand eight and before January first, two thousand nine by
47 forty-nine and seventy-eight one-hundredths cents; for taxable years
48 beginning on or after January first, two thousand nine and before Janu-
49 ary first, two thousand ten by forty-one and forty-eight one-hundredths
50 cents; and for taxable years beginning on or after January first, two
51 thousand ten by thirty-three and nineteen one-hundredths cents. If the
52 amount of credit allowed under this subdivision or the sum of such cred-
53 its exceeds the amount that may be taken against such tax, the amount of
54 the excess may be carried forward, in order, to each of the seven imme-
55 diately succeeding taxable years and, to the extent not previously
56 taken, shall be allowed as a credit in each of such years. Accordingly,

1 the credit determined for the taxable year under paragraph (a) of this
2 subdivision shall be taken before taking any credit carryforward pursu-
3 ant to this paragraph and the credit carryforward attributable to the
4 earliest taxable year shall be taken before taking a credit carryforward
5 attributable to a subsequent taxable year.

6 (3) No credit allowed under this subdivision may be taken in a taxable
7 year by a taxpayer that, in the absence of such credit, would be liable
8 for the tax computed on the basis of business and investment capital
9 under clause two of subparagraph (a) of paragraph E of subdivision one
10 of this section or the fixed-dollar minimum tax under clause four of
11 subparagraph (a) of paragraph E of subdivision one of this section. No
12 credit allowed under this subdivision may be taken against the tax
13 computed on the basis of subsidiary capital under subparagraph (b) of
14 paragraph E of subdivision one of this section.

15 (c) For corporations that file a report on a combined basis pursuant
16 to subdivision four of section 11-605 of this chapter, the credit
17 allowed by this subdivision shall be computed as if the combined group
18 were the partner in each unincorporated business from which any of the
19 members of such group had a distributive share or guaranteed payments,
20 provided, however, if more than one member of the combined group is a
21 partner in the same unincorporated business, for purposes of the calcu-
22 lation required in subparagraph one of paragraph (a) of this subdivi-
23 sion, the numerator of the fraction described in clause (B) of such
24 subparagraph one shall be the sum of the net total distributive shares
25 of income, gain, loss and deductions of, and guaranteed payments from,
26 the unincorporated business of all of the partners of the unincorporated
27 business within the combined group for which such net total, as sepa-
28 rately determined for each partner, is greater than zero, and the denom-
29 inator of such fraction shall be the sum of the net total distributive
30 shares of income, gain, loss and deductions of, and guaranteed payments
31 from, the unincorporated business of all partners in the unincorporated
32 business for whom or which such net total, as separately determined for
33 each partner, is greater than zero.

34 (d) The credit allowed by this subdivision shall not be allowed to a
35 partner in an unincorporated business with respect to any tax paid by
36 the unincorporated business under chapter five of this title for any
37 taxable year beginning before July first, nineteen hundred ninety-four.

38 (e) Notwithstanding any other provision of this subchapter, the credit
39 allowable under this subdivision shall be taken prior to the taking of
40 any other credit allowed by this section. Notwithstanding any other
41 provision of this subchapter, the application of this subdivision shall
42 not change the basis on which the taxpayer's tax is computed under para-
43 graph E of subdivision one of this section.

44 19. Lower Manhattan relocation and employment assistance credit. (a)
45 In addition to any other credit allowed by this section, a taxpayer that
46 has obtained the certifications required by chapter six-C of title twen-
47 ty-two of the code of the preceding municipality shall be allowed a
48 credit against the tax imposed by this chapter. The amount of the credit
49 shall be the amount determined by multiplying three thousand dollars by
50 the number of eligible aggregate employment shares maintained by the
51 taxpayer during the taxable year with respect to eligible premises to
52 which the taxpayer has relocated; provided, however, that no credit
53 shall be allowed for the relocation of any retail activity or hotel
54 services; provided, further, that no credit shall be allowed under this
55 subdivision to any taxpayer that has elected pursuant to subdivision (d)
56 of section 22-624 of the code of the preceding municipality to take such

1 credit against a gross receipts tax imposed under chapter eleven of this
2 title. For purposes of this subdivision, the terms "eligible aggregate
3 employment shares," "eligible premises," "relocate," "retail activity"
4 and "hotel services" shall have the meanings ascribed by section 22-623
5 of the code of the preceding municipality.

6 (b) The credit allowed under this subdivision with respect to eligible
7 aggregate employment shares maintained with respect to eligible premises
8 to which the taxpayer has relocated shall be allowed for the taxable
9 year of the relocation and for any of the twelve succeeding taxable
10 years during which eligible aggregate employment shares are maintained
11 with respect to eligible premises; provided that the credit allowed for
12 the twelfth succeeding taxable year shall be calculated by multiplying
13 the number of eligible aggregate employment shares maintained with
14 respect to eligible premises in the twelfth succeeding taxable year by
15 the lesser of one and a fraction the numerator of which is such number
16 of days in the taxable year of relocation less the number of days the
17 taxpayer maintained employment shares in eligible premises in the tax-
18 able year of relocation and the denominator of which is the number of
19 days in such twelfth taxable year during which such eligible aggregate
20 employment shares are maintained with respect to such premises.

21 (c) Except as provided in paragraph (d) of this subdivision, if the
22 amount of the credit allowable under this subdivision for any taxable
23 year exceeds the tax imposed for such year, the excess may be carried
24 over, in order, to the five immediately succeeding taxable years and, to
25 the extent not previously deductible, may be deducted from the taxpay-
26 er's tax for such years.

27 (d) The credits allowed under this subdivision, against the tax
28 imposed by this chapter for the taxable year of the relocation and for
29 the four taxable years immediately succeeding the taxable year of such
30 relocation, shall be deemed to be overpayments of tax by the taxpayer to
31 be credited or refunded, without interest, in accordance with the
32 provisions of section 11-677 of this chapter. For such taxable years,
33 such credits or portions thereof may not be carried over to any succeed-
34 ing taxable year.

35 (e) The credit allowable under this subdivision shall be deducted
36 after the credits allowed by subdivisions seventeen and eighteen of this
37 section, but prior to the deduction of any other credit allowed by this
38 section.

39 20. Film production credit. (a)(1) allowance of credit. A taxpayer
40 which is a qualified film production company, and which is subject to
41 tax under this subchapter, shall be allowed a credit against such tax,
42 pursuant to the provisions in paragraph (c) of this subdivision, to be
43 computed as provided in this subdivision.

44 (2) The amount of the credit shall be the product of five percent and
45 the qualified production costs paid or incurred in the production of a
46 qualified film, provided that the qualified production costs, excluding
47 post production costs, paid or incurred which are attributable to the
48 use of tangible property or the performance of services at a qualified
49 film production facility in the production of such qualified film equal
50 or exceed seventy-five percent of the production costs, excluding post
51 production costs, paid or incurred which are attributable to the use of
52 tangible property or the performance of services at any film production
53 facility within and without the city of Staten Island in the production
54 of such qualified film. However, if the qualified production costs,
55 excluding post production costs, which are attributable to the use of
56 tangible property or the performance of services at a qualified film

1 production facility in the production of such qualified film are less
2 than three million dollars, then the portion of the qualified production
3 costs attributable to the use of tangible property or the performance of
4 services in the production of such qualified film outside of a qualified
5 film production facility shall be allowed only if the shooting days
6 spent in the city of Staten Island outside of a film production facility
7 in the production of such qualified film equal or exceed seventy-five
8 percent of the total shooting days spent within and without the city of
9 Staten Island outside of a film production facility in the production of
10 such qualified film. The credit shall be allowed for the taxable year in
11 which the production of such qualified film is completed.

12 (3) No qualified production costs used by a taxpayer either as the
13 basis for the allowance of the credit provided for under this subdivi-
14 sion or used in the calculation of the credit provided for under this
15 subdivision shall be used by such taxpayer to claim any other credit
16 allowed pursuant to this title.

17 (b) Definitions. As used in this subdivision, the following terms
18 shall have the following meanings:

19 (1) "Qualified production costs" means production costs only to the
20 extent such costs are attributable to the use of tangible property or
21 the performance of services within the city of New York directly and
22 predominantly in the production, including pre-production and post
23 production, of a qualified film.

24 (2) "Production costs" means any costs for tangible property used and
25 services performed directly and predominantly in the production, includ-
26 ing pre-production and post production, of a qualified film.
27 "Production costs" shall not include (i) costs for a story, script or
28 scenario to be used for a qualified film and (ii) wages or salaries or
29 other compensation for writers, directors, including music directors,
30 producers and performers, other than background actors with no scripted
31 lines. "Production costs" generally include technical and crew
32 production costs, such as expenditures for film production facilities,
33 or any part thereof, props, makeup, wardrobe, film processing, camera,
34 sound recording, set construction, lighting, shooting, editing and
35 meals.

36 (3) "Qualified film" means a feature-length film, television film,
37 television pilot and/or each episode of a television series, regardless
38 of the medium by means of which the film, pilot or episode is created or
39 conveyed. "Qualified film" shall not include (i) a documentary film,
40 news or current affairs program, interview or talk program, "how-to"
41 (i.e., instructional) film or program, film or program consisting prima-
42 rily of stock footage, sporting event or sporting program, game show,
43 award ceremony, film or program intended primarily for industrial,
44 corporate or institutional end-users, fundraising film or program,
45 daytime drama (i.e., daytime "soap opera"), commercials, music videos or
46 "reality" program, or (ii) a production for which records are required
47 under section 2257 of title 18, United States code, to be maintained
48 with respect to any performer in such production, reporting of books,
49 films, etc. with respect to sexually explicit conduct.

50 (4) "Film production facility" shall mean a building and/or complex of
51 buildings and their improvements and associated back-lot facilities in
52 which films are or are intended to be regularly produced and which
53 contain at least one sound stage.

54 (5) "Qualified film production facility" shall mean a film production
55 facility in the city of Staten Island, which contains at least one sound

1 stage having a minimum of seven thousand square feet of contiguous
2 production space.

3 (6) "Qualified film production company" shall mean a corporation which
4 is principally engaged in the production of a qualified film and
5 controls the qualified film during production.

6 (c) Application of credit. (1) The credit allowed under this subdivi-
7 sion for any taxable year shall not reduce the tax due for such year to
8 less than the amount prescribed in clause four of subparagraph (a) of
9 paragraph E of subdivision one of this section. Provided, however, that
10 if the amount of the credit allowable under this subdivision for any
11 taxable year reduces the tax to such amount, fifty percent of the excess
12 shall be treated as an overpayment of tax to be credited or refunded in
13 accordance with the provisions of section 11-677 of this chapter;
14 provided, however, the provisions of section 11-679 of this chapter
15 notwithstanding, no interest shall be paid thereon. The balance of such
16 credit not credited or refunded in such taxable year may be carried over
17 to the immediately succeeding taxable year and may be credited against
18 the taxpayer's tax for such year. The excess, if any, of the amount of
19 the credit over the tax for such succeeding year shall be treated as an
20 overpayment of tax to be credited or refunded in accordance with the
21 provisions of section 11-677 of this chapter. Provided, however, the
22 provisions of section 11-679 of this chapter notwithstanding, no inter-
23 est shall be paid thereon.

24 (2) Notwithstanding anything contained in this section to the contra-
25 ry, the credit provided by this subdivision shall be allowed against the
26 taxes authorized by this chapter for the taxable year after reduction by
27 all other credits permitted by this chapter.

28 21. Biotechnology credit. (a) (1) A taxpayer that is a qualified
29 emerging technology company, engages in biotechnologies, and meets the
30 eligibility requirements of this subdivision, shall be allowed a credit
31 against the tax imposed by this subchapter. The amount of credit shall
32 be equal to the sum of the amounts specified in subparagraphs three,
33 four, and five of this paragraph, subject to the limitations in subpara-
34 graph seven of this paragraph and paragraph (b) of this subdivision. For
35 the purposes of this subdivision, "qualified emerging technology compa-
36 ny" shall mean a company located in a city: (A) whose primary products
37 or services are classified as emerging technologies and whose total
38 annual product sales are ten million dollars or less; or (B) a company
39 that has research and development activities in city and whose ratio of
40 research and development funds to net sales equals or exceeds the aver-
41 age ratio for all surveyed companies classified as determined by the
42 National Science Foundation in the most recent published results from
43 its Survey of Industry Research and Development, or any comparable
44 successor survey as determined by the department, and whose total annual
45 product sales are ten million dollars or less. For the purposes of this
46 subdivision, the definition of research and development funds shall be
47 the same as that used by the National Science Foundation in the afore-
48 mentioned survey. For the purposes of this subdivision, "biotechnolo-
49 gies" shall mean the technologies involving the scientific manipulation
50 of living organisms, especially at the molecular and/or the sub-molecu-
51 lar genetic level, to produce products conducive to improving the lives
52 and health of plants, animals, and humans; and the associated scientific
53 research, pharmacological, mechanical, and computational applications
54 and services connected with these improvements. Activities included with
55 such applications and services shall include, but not be limited to,
56 alternative mRNA splicing, DNA sequence amplification, antigenetic

1 switching bioaugmentation, bioenrichment, bioremediation, chromosome
2 walking, cytogenetic engineering, DNA diagnosis, fingerprinting, and
3 sequencing, electroporation, gene translocation, genetic mapping, site-
4 directed mutagenesis, bio-transduction, bio-mechanical and bio-electri-
5 cal engineering, and bio-informatics.

6 (2) An eligible taxpayer shall (A) have no more than one hundred full-
7 time employees, of which at least seventy-five percent are employed in
8 the city, (B) have a ratio of research and development funds to net
9 sales, as referred to in section thirty-one hundred two-e of the public
10 authorities law, which equals or exceeds six percent during the calendar
11 year ending with or within the taxable year for which the credit is
12 claimed, and (C) have gross revenues, along with the gross revenues of
13 its "affiliates" and "related members" not exceeding twenty million
14 dollars for the calendar year immediately preceding the calendar year
15 ending with or within the taxable year for which the credit is claimed.
16 For the purposes of this subdivision, "affiliates" shall mean those
17 corporations that are members of the same affiliated group, as defined
18 in section fifteen hundred four of the internal revenue code, as the
19 taxpayer. For the purposes of this subdivision, the term "related
20 members" shall mean a person, corporation, or other entity, including an
21 entity that is treated as a partnership or other pass-through vehicle
22 for purposes of federal taxation, whether such person, corporation or
23 entity is a taxpayer or not, where one such person, corporation or enti-
24 ty, or set of related persons, corporations or entities, directly or
25 indirectly owns or controls a controlling interest in another entity.
26 Such entity or entities may include all taxpayers under chapters five,
27 eleven and seventeen of this title, and subchapters two and three of
28 this chapter. A controlling interest shall mean, in the case of a corpo-
29 ration, either thirty percent or more of the total combined voting power
30 of all classes of stock of such corporation, or thirty percent or more
31 of the capital, profits or beneficial interest in such voting stock of
32 such corporation; and in the case of a partnership, association, trust
33 or other entity, thirty percent or more of the capital, profits or bene-
34 ficial interest in such partnership, association, trust or other entity.

35 (3) An eligible taxpayer shall be allowed a credit for eighteen per
36 centum of the cost or other basis for federal income tax purposes of
37 research and development property that is acquired by the taxpayer by
38 purchase as defined in subdivision (d) of section one hundred seventy-
39 nine of the internal revenue code and placed in service during the
40 calendar year that ends with or within the taxable year for which the
41 credit is claimed. Provided, however, for the purposes of this paragraph
42 only, an eligible taxpayer shall be allowed a credit for such percentage
43 of the (A) cost or other basis for federal income tax purposes for prop-
44 erty used in the testing or inspection of materials and products, (B)
45 the costs or expenses associated with quality control of the research
46 and development, (C) fees for use of sophisticated technology facilities
47 and processes, and (D) fees for the production or eventual commercial
48 distribution of materials and products resulting from the activities of
49 an eligible taxpayer as long as such activities fall under activities
50 relating to biotechnologies. The costs, expenses and other amounts for
51 which a credit is allowed and claimed under this paragraph shall not be
52 used in the calculation of any other credit allowed under this subchap-
53 ter. For the purposes of this subdivision, "research and development
54 property" shall mean property that is used for purposes of research and
55 development in the experimental or laboratory sense. Such purposes shall
56 not be deemed to include the ordinary testing or inspection of materials

1 or products for quality control, efficiency surveys, management studies,
2 consumer surveys, advertising, promotions, or research in connection
3 with literary, historical or similar projects.

4 (4) An eligible taxpayer shall be allowed a credit for nine per centum
5 of qualified research expenses paid or incurred by the taxpayer in the
6 calendar year that ends with or within the taxable year for which the
7 credit is claimed. For the purposes of this subdivision, "qualified
8 research expenses" shall mean expenses associated with in-house research
9 and processes, and costs associated with the dissemination of the
10 results of the products that directly result from such research and
11 development activities; provided, however, that such costs shall not
12 include advertising or promotion through media. In addition, costs asso-
13 ciated with the preparation of patent applications, patent application
14 filing fees, patent research fees, patent examinations fees, patent post
15 allowance fees, patent maintenance fees, and grant application expenses
16 and fees shall qualify as qualified research expenses. In no case shall
17 the credit allowed under this subparagraph apply to expenses for liti-
18 gation or the challenge of another entity's intellectual property
19 rights, or for contract expenses involving outside paid consultants.

20 (5) An eligible taxpayer shall be allowed a credit for qualified high-
21 technology training expenditures as described in this subparagraph paid
22 or incurred by the taxpayer during the calendar year that ends with or
23 within the taxable year for which the credit is claimed.

24 (A) The amount of credit shall be one hundred percent of the training
25 expenses described in clause (C) of this subparagraph, subject to a
26 limitation of no more than four thousand dollars per employee per calen-
27 dar year for such training expenses.

28 (B) Qualified high-technology training shall include a course or
29 courses taken and satisfactorily completed by an employee of the taxpay-
30 er at an accredited, degree granting post-secondary college or universi-
31 ty in a city that (i) directly relates to biotechnology activities, and
32 (ii) is intended to upgrade, retrain or improve the productivity or
33 theoretical awareness of the employee. Such course or courses may
34 include, but are not limited to, instruction or research relating to
35 techniques, meta, macro, or micro-theoretical or practical knowledge
36 bases or frontiers, or ethical concerns related to such activities. Such
37 course or courses shall not include classes in the disciplines of
38 management, accounting or the law or any class designed to fulfill the
39 discipline specific requirements of a degree program at the associate,
40 baccalaureate, graduate or professional level of these disciplines.
41 Satisfactory completion of a course or courses shall mean the earning
42 and granting of credit or equivalent unit, with the attainment of a
43 grade of "B" or higher in a graduate level course or courses, a grade of
44 "C" or higher in an undergraduate level course or courses, or a similar
45 measure of competency for a course that is not measured according to a
46 standard grade formula.

47 (C) Qualified high-technology training expenditures shall include
48 expenses for tuition and mandatory fees, software required by the insti-
49 tution, fees for textbooks or other literature required by the institu-
50 tion offering the course or courses, minus applicable scholarships and
51 tuition or fee waivers not granted by the taxpayer or any affiliates of
52 the taxpayer, that are paid or reimbursed by the taxpayer. Qualified
53 high-technology expenditures do not include room and board, computer
54 hardware or software not specifically assigned for such course or cours-
55 es, late-charges, fines or membership dues and similar expenses. Such
56 qualified expenditures shall not be eligible for the credit provided by

1 this section unless the employee for whom the expenditures are disbursed
2 is continuously employed by the taxpayer in a full-time, full-year posi-
3 tion primarily located at a qualified site during the period of such
4 coursework and lasting through at least one hundred eighty days after
5 the satisfactory completion of the qualifying course-work. Qualified
6 high-technology training expenditures shall not include expenses for
7 in-house or shared training outside of a city higher education institu-
8 tion or the use of consultants outside of credit granting courses,
9 whether such consultants function inside of such higher education insti-
10 tution or not.

11 (D) If a taxpayer relocates from an academic business incubator facil-
12 ity partnered with an accredited post-secondary education institution
13 located within city, which provides space and business support services
14 to taxpayers, to another site, the credit provided in this subdivision
15 shall be allowed for all expenditures referenced in clause (C) of this
16 subparagraph paid or incurred in the two preceding calendar years that
17 the taxpayer was located in such an incubator facility for employees of
18 the taxpayer who also relocate from said incubator facility to such city
19 site and are employed and primarily located by the taxpayer in city.
20 Such expenditures in the two preceding years shall be added to the
21 amounts otherwise qualifying for the credit provided by this subdivision
22 that were paid or incurred in the calendar year that the taxpayer relo-
23 cates from such a facility. Such expenditures shall include expenses
24 paid for an eligible employee who is a full-time, full-year employee of
25 said taxpayer during the calendar year that the taxpayer relocated from
26 an incubator facility notwithstanding (i) that such employee was
27 employed full or part-time as an officer, staff-person or paid intern of
28 the taxpayer when such taxpayer was located at such incubator facility
29 or (ii) that such employee was not continuously employed when such
30 taxpayer was located at the incubator facility during the one hundred
31 eighty day period referred to in clause (C) of this subparagraph,
32 provided such employee received wages or equivalent income for at least
33 seven hundred fifty hours during any twenty-four month period when the
34 taxpayer was located at the incubator facility. Such expenditures shall
35 include payments made to such employee after the taxpayer has relocated
36 from the incubator facility for qualified expenditures if such payments
37 are made to reimburse an employee for expenditures paid by the employee
38 during such two preceding years. The credit provided under this para-
39 graph shall be allowed in any taxable year that the taxpayer qualifies
40 as an eligible taxpayer.

41 (E) For purposes of this subdivision the term "academic year" shall
42 mean the annual period of sessions of a post-secondary college or
43 university.

44 (F) For the purposes of this subdivision the term "academic incubator
45 facility" shall mean a facility providing low-cost space, technical
46 assistance, support services and educational opportunities, including
47 but not limited to central services provided by the manager of the
48 facility to the tenants of the facility, to an entity located in city.
49 Such entity's primary activity must be in biotechnologies, and such
50 entity must be in the formative stage of development. The academic incu-
51 bator facility and the entity must act in partnership with an accredited
52 post-secondary college or university located in city. An academic incu-
53 bator facility's mission shall be to promote job creation, entrepreneur-
54 ship, technology transfer, and provide support services to incubator
55 tenants, including, but not limited to, business planning, management

1 assistance, financial-packaging, linkages to financing services, and
2 coordinating with other sources of assistance.

3 (6) An eligible taxpayer may claim credits under this subdivision for
4 three consecutive years. In no case shall the credit allowed by this
5 subdivision to a taxpayer exceed two hundred fifty thousand dollars per
6 calendar year for eligible expenditures made during such calendar year.

7 (7) The credit allowed under this subdivision for any taxable year
8 shall not reduce the tax due for such year to less than the amount
9 prescribed in clause four of subparagraph (a) of paragraph E of subdivi-
10 sion one of this section. Provided, however, if the amount of credit
11 allowed under this subdivision for any taxable year reduces the tax to
12 such amount, any amount of credit not deductible in such taxable year
13 shall be treated as an overpayment of tax to be credited or refunded in
14 accordance with the provisions of section 11-677 of this chapter;
15 provided, however, that notwithstanding the provisions of section 11-679
16 of this chapter, no interest shall be paid thereon.

17 (8) The credit allowed under this subdivision shall only be allowed
18 for taxable years beginning on or after January first, two thousand ten
19 and before January first, two thousand nineteen.

20 (b) (1) The percentage of the credit allowed to a taxpayer under this
21 subdivision in any calendar year shall be:

22 (A) If the average number of individuals employed full time by a
23 taxpayer in the city during the calendar year that ends with or within
24 the taxable year for which the credit is claimed is at least one hundred
25 five percent of the taxpayer's base year employment, one hundred
26 percent, except that in no case shall the credit allowed under this
27 clause exceed two hundred fifty thousand dollars per calendar year.
28 Provided, however, the increase in base year employment shall not apply
29 to a taxpayer allowed a credit under this subdivision that was, (i)
30 located outside of the city, (ii) not doing business, or (iii) did not
31 have any employees, in the year preceding the first year that the credit
32 is claimed. Any such taxpayer shall be eligible for one hundred percent
33 of the credit for the first calendar year that ends with or within the
34 taxable year for which the credit is claimed, provided that such taxpay-
35 er locates in the city, begins doing business in the city or hires
36 employees in the city during such calendar year and is otherwise eligi-
37 ble for the credit pursuant to the provisions of this subdivision.

38 (B) If the average number of individuals employed full time by a
39 taxpayer in the city during the calendar year that ends with or within
40 the taxable year for which the credit is claimed is less than one
41 hundred five percent of the taxpayer's base year employment, fifty
42 percent, except that in no case shall the credit allowed under this
43 clause exceed one hundred twenty-five thousand dollars per calendar
44 year. In the case of an entity located in city receiving space and busi-
45 ness support services by an academic incubator facility, if the average
46 number of individuals employed full time by such entity in the city
47 during the calendar year in which the credit allowed under this subdivi-
48 sion is claimed is less than one hundred five percent of the taxpayer's
49 base year employment, the credit shall be zero.

50 (2) For the purposes of this subdivision, "base year employment" means
51 the average number of individuals employed full-time by the taxpayer in
52 the city in the year preceding the first calendar year that ends with or
53 within the taxable year for which the credit is claimed.

54 (3) For the purposes of this subdivision, average number of individ-
55 uals employed full-time shall be computed by adding the number of such
56 individuals employed by the taxpayer at the end of each quarter during

1 each calendar year or other applicable period and dividing the sum so
2 obtained by the number of such quarters occurring within such calendar
3 year or other applicable period.

4 (4) Notwithstanding anything contained in this section to the contra-
5 ry, the credit provided by this subdivision shall be allowed against the
6 taxes authorized by this chapter for the taxable year after reduction by
7 all other credits permitted by this chapter.

8 22. Beer production credit. (a) A taxpayer subject to tax under this
9 subchapter, that is registered as a distributor under article eighteen
10 of the tax law, and that produces sixty million or fewer gallons of beer
11 in this state in the taxable year, shall be allowed a credit against the
12 tax imposed by this subchapter in the amount specified in paragraph (b)
13 of this subdivision. Provided, however, that no credit shall be allowed
14 for any beer produced in excess of fifteen million five hundred thousand
15 gallons in the taxable year. Notwithstanding anything in this title to
16 the contrary, if a partnership is allowed a credit under subdivision (p)
17 of section 11-503 of this title, a taxpayer that is a partner in such
18 partnership shall not be allowed a credit under this subdivision for any
19 taxable year that includes the last day of the taxable year for which
20 the partnership is allowed such credit.

21 (b) The amount of the credit per taxpayer per taxable year for each
22 gallon of beer produced in the city of New York on or after January
23 first, two thousand seventeen shall be determined as follows:

24 (1) for the first five hundred thousand gallons of beer produced in
25 the city of New York in the taxable year, the credit shall equal twelve
26 cents per gallon; and

27 (2) for each gallon of beer produced in the city of New York in the
28 taxable year in excess of five hundred thousand gallons, the credit
29 shall equal three and eighty-six one-hundredths cents per gallon. In no
30 event shall the credit allowed under this subdivision for any taxable
31 year reduce the tax due for such year to less than the amount prescribed
32 in clause four of subparagraph (a) of paragraph E of subdivision one of
33 this section. However, if the amount of credit allowed under this subdivi-
34 sion for any taxable year reduces the tax to such amount, any amount
35 of credit thus not deductible in such taxable year shall be treated as
36 an overpayment of tax to be credited or refunded in accordance with the
37 provisions of section 11-677 of this chapter; provided, however, that
38 notwithstanding the provisions of section 11-679 of this chapter, no
39 interest shall be paid thereon.

40 23. Credit for the provision of child care. In addition to any other
41 credit allowed under this section, a taxpayer whose application for a
42 credit authorized by section 11-144 of this title has been approved by
43 the department of finance shall be allowed a credit against the tax
44 imposed by this chapter. The amount of the credit shall be determined as
45 provided in such section. To the extent the amount of the credit allowed
46 by this subdivision exceeds the amount of tax due pursuant to this
47 subchapter, as calculated without such credit, such excess amount shall
48 be treated as an overpayment of tax to be credited or refunded in
49 accordance with the provisions of section 11-677 of this chapter,
50 provided, however, that notwithstanding the requirements of section
51 11-679 of this chapter to the contrary, no interest shall be paid there-
52 on.

53 § 11-605 Reports. 1. Every corporation having an officer, agent or
54 representative within the city, shall annually on or before March
55 fifteenth, transmit to the commissioner of finance a report in a form
56 prescribed by the commissioner, except that a corporation which reports

1 on the basis of a fiscal year shall transmit its report within two and
2 one-half months after the close of its fiscal year, setting forth such
3 information as the commissioner of finance may prescribe and every
4 taxpayer which ceases to do business in the city or to be subject to the
5 tax imposed by this subchapter shall transmit to the commissioner of
6 finance a report on the date of such cessation or at such other time as
7 the commissioner may require covering each year or period for which no
8 report was theretofore filed. Every taxpayer shall also transmit such
9 other reports and such facts and information as the commissioner of
10 finance may require in the administration of this subchapter. The
11 commissioner of finance may grant a reasonable extension of time for
12 filing reports whenever good cause exists.

13 With respect to taxable years ending prior to December thirty-first,
14 nineteen hundred sixty-six, the returns required to be made and filed
15 pursuant to this section shall be made and filed on or before the
16 fifteenth day of the third month following the close of such taxable
17 year or September eleventh, nineteen hundred sixty-six, whichever is
18 later.

19 An automatic extension of six months for the filing of its annual
20 report shall be allowed any taxpayer if, within the time prescribed by
21 either of the preceding paragraphs, whichever is applicable, such
22 taxpayer files with the commissioner of finance an application for
23 extension in such form as the commissioner may prescribe by regulation
24 and pays on or before the date of such filing the amount properly esti-
25 mated as its tax.

26 2. Every report shall have annexed thereto a certification by the
27 president, vice-president, treasurer, assistant treasurer, chief
28 accounting officer or another officer of the taxpayer duly authorized so
29 to act to the effect that the statements contained therein are true. In
30 the case of an association, within the meaning of paragraph three of
31 section (a) of section seventy-seven hundred one of the internal revenue
32 code, a publicly-traded partnership treated as a corporation for
33 purposes of the internal revenue code pursuant to section seventy-seven
34 hundred four thereof and any business conducted by a trustee or trustee
35 wherein interest or ownership is evidenced by certificates or other
36 written instruments, such certification shall be made by any person duly
37 authorized so to act on behalf of such association, publicly-traded
38 partnership or business. The fact that an individual's name is signed on
39 a certification of the report shall be prima facie evidence that such
40 individual is authorized to sign and certify the report on behalf of the
41 corporation. Blank forms of reports shall be furnished by the commis-
42 sioner of finance, on application, but failure to secure such a blank
43 shall not release any corporation from the obligation of making any
44 report required by this subchapter.

45 2-a. The commissioner of finance may prescribe regulations and
46 instructions requiring returns of information to be made and filed in
47 conjunction with the reports required to be filed pursuant to this
48 section, relating to payments made to shareholders owning, directly or
49 indirectly, individually or in the aggregate, more than fifty percent of
50 the issued capital stock of the taxpayer, where such payments are treat-
51 ed as payments of interest in the computation of entire net income
52 reported on such reports.

53 3. If the amount of taxable income, alternative minimum taxable income
54 or other basis of tax for any year of any taxpayer, or of any sharehold-
55 er of any taxpayer which has elected to be taxed under subchapter s of
56 chapter one of the internal revenue code or of any shareholder of any

1 taxpayer with respect to which an election has been made to be treated
2 as a qualified subchapter s subsidiary under paragraph three of
3 subsection (b) of section thirteen hundred sixty-one of the internal
4 revenue code, as returned to the United States treasury department or
5 the New York state commissioner of taxation and finance is changed or
6 corrected by the commissioner of internal revenue or other officer of
7 the United States or the New York state commissioner of taxation and
8 finance or other competent authority, or where a renegotiation of a
9 contract or subcontract with the United States or the state of New York
10 results in a change in taxable income, alternative minimum taxable
11 income or other basis of tax, or where a recovery of a war loss results
12 in a computation or recomputation of any tax imposed by the United
13 States or the state of New York, or if a taxpayer or such shareholder of
14 a taxpayer, pursuant to subsection (d) of section sixty-two hundred
15 thirteen of the internal revenue code, executes a notice of waiver of
16 the restrictions provided in subsection (a) of said section, or if a
17 taxpayer, or such shareholder of a taxpayer, pursuant to subsection (f)
18 of section one thousand eighty-one of the tax law, executes a notice of
19 waiver of the restrictions provided in subsection (c) of said section,
20 such taxpayer shall report such changed or corrected taxable income,
21 alternative minimum taxable income or other basis of tax, or the results
22 of such renegotiation, or such computation, or recomputation, or such
23 execution of such notice of waiver and the changes or corrections of the
24 taxpayer's federal or New York state taxable income, alternative minimum
25 taxable income or other basis of tax on which it is based, within ninety
26 days, or one hundred twenty days, in the case of a taxpayer making a
27 combined report under this subchapter for such year, after such
28 execution or the final determination of such change or correction or
29 renegotiation, or such computation, or recomputation, or as required by
30 the commissioner of finance, and shall concede the accuracy of such
31 determination or state wherein it is erroneous. The allowance of a
32 tentative carryback adjustment based upon a net operating loss carryback
33 or net capital loss carryback pursuant to section sixty-four hundred
34 eleven of the internal revenue code shall be treated as a final determi-
35 nation for purposes of this subdivision. Any taxpayer filing an amended
36 return with such department shall also file within ninety days thereaft-
37 er an amended report with the commissioner of finance.

38 4. (a) Any taxpayer which owns or controls either directly or indi-
39 rectly substantially all the capital stock of one or more other corpo-
40 rations, or substantially all the capital stock of which is owned or
41 controlled either directly or indirectly by one or more other corpo-
42 rations or by interests which own or control either directly or indi-
43 rectly substantially all the capital stock of one or more other corpo-
44 rations, hereinafter referred to in this paragraph as "related
45 corporations", shall make a combined report covering any related corpo-
46 rations if there are substantial intercorporate transactions among the
47 related corporations, regardless of the transfer price for such inter-
48 corporate transactions. It is not necessary that there be substantial
49 intercorporate transactions between any one corporation and every other
50 related corporation. It is necessary, however, that there be substantial
51 intercorporate transactions between the taxpayer and a related corpo-
52 ration or, collectively, a group of such related corporations. The
53 report shall set forth such information as the commissioner of finance
54 may require.

55 In determining whether there are substantial intercorporate trans-
56 actions, the commissioner shall consider and evaluate all activities and

1 transactions of the taxpayer and its related corporations. Activities
2 and transactions that will be considered include, but are not limited
3 to: manufacturing, acquiring goods or property, or performing services,
4 for related corporations; selling goods acquired from related corpo-
5 rations; financing sales of related corporations; performing related
6 customer services using common facilities and employees for related
7 corporations; incurring expenses that benefit, directly or indirectly,
8 one or more related corporations; and transferring assets, including
9 such assets as accounts receivable, patents or trademarks from one or
10 more related corporations.

11 (1) No taxpayer may be permitted to make a report on a combined basis
12 covering any such other corporations where such taxpayer or any such
13 other corporation allocates in accordance with clause (A) of subpara-
14 graph six of paragraph (a) of subdivision three of section 11-604 of
15 this subchapter and such taxpayer or any such other corporation does not
16 so allocate.

17 (2) No taxpayer may be permitted to make a report on a combined basis
18 covering any such other corporations where such taxpayer or any such
19 other corporation allocates in accordance with subparagraph seven of
20 paragraph (a) of subdivision three of section 11-604 of this subchapter
21 and such taxpayer or any such other corporation does not so allocate.

22 (3) Except as provided in the first undesignated paragraph of this
23 subdivision, no combined report covering any corporation not a taxpayer
24 shall be required unless the commissioner of finance deems such a report
25 necessary, because of inter-company transactions or some agreement,
26 understanding, arrangement or transaction referred to in subdivision
27 five of this section, in order properly to reflect the tax liability
28 under this subchapter.

29 (4) A corporation organized under the laws of a country other than the
30 United States shall not be required or permitted to make a report on a
31 combined basis.

32 (5)(i) For purposes of this subparagraph, the term "closest control-
33 ling stockholder" means the corporation that indirectly owns or controls
34 over fifty percent of the voting stock of a captive REIT or captive RIC,
35 is subject to tax under this subchapter or otherwise required to be
36 included in a combined report under this subchapter, and is the fewest
37 tiers of corporations away in the ownership structure from the captive
38 REIT or captive RIC. The commissioner is authorized to prescribe by
39 regulation or published guidance the criteria for determining the clos-
40 est controlling stockholder.

41 (ii) A captive REIT or a captive RIC must be included in a combined
42 report with the corporation that directly owns or controls over fifty
43 percent of the voting stock of the captive REIT or captive RIC if that
44 corporation is subject to tax or required to be included in a combined
45 report under this subchapter.

46 (iii) If over fifty percent of the voting stock of a captive REIT or
47 captive RIC is not directly owned or controlled by a corporation that is
48 subject to tax or required to be included in a combined report under
49 this subchapter, then the captive REIT or captive RIC must be included
50 in a combined report with the corporation that is the closest control-
51 ling stockholder of the captive REIT or captive RIC. If the closest
52 controlling stockholder of the captive REIT or captive RIC is subject to
53 tax or otherwise required to be included in a combined report under this
54 subchapter, then the captive REIT or captive RIC must be included in a
55 combined report under this subchapter.

1 (iv) If the corporation that directly owns or controls the voting
2 stock of the captive REIT or captive RIC is described in subparagraph
3 one, two or four of this paragraph as a corporation not permitted to
4 make a combined report, then the provisions in clause (iii) of this
5 subparagraph must be applied to determine the corporation in whose
6 combined report the captive REIT or captive RIC should be included. If,
7 under clause (iii) of this subparagraph, the corporation that is the
8 closest controlling stockholder of the captive REIT or captive RIC is
9 described in subparagraph one, two or four of this paragraph as a corpo-
10 ration not permitted to make a combined report, then that corporation is
11 deemed to not be in the ownership structure of the captive REIT or
12 captive RIC, and the closest controlling stockholder will be determined
13 without regard to that corporation.

14 (v) If a captive REIT owns the stock of a qualified REIT subsidiary,
15 as defined in paragraph two of subsection (i) of section eight hundred
16 fifty-six of the internal revenue code, then the qualified REIT subsid-
17 iary must be included in a combined report with the captive REIT.

18 (vi) If a captive REIT or a captive RIC is required under this subpar-
19 agraph to be included in a combined report with another corporation, and
20 that other corporation is also required to be included in a combined
21 report with another related corporation or corporations under this para-
22 graph, then the captive REIT or the captive RIC must be included in that
23 combined report with those corporations.

24 (vii) If a captive REIT or a captive RIC is not required to be
25 included in a combined report with another corporation under clause (ii)
26 or (iii) of this subparagraph, or in a combined return under the
27 provisions of subparagraph (v) of paragraph two of subdivision (f) of
28 section 11-646 of this chapter, then the captive REIT or captive RIC is
29 subject to the opening provisions of this paragraph and the provisions
30 of subparagraph three of this paragraph. The captive REIT or captive RIC
31 must be included in a combined report under this subchapter with another
32 corporation if either the substantial intercorporate transactions
33 requirement in the opening provisions of this paragraph or the inter-
34 company transactions or agreement, understanding, arrangement or trans-
35 action requirement of subparagraph three of this paragraph is satisfied
36 and more than fifty percent of the voting stock of the captive REIT or
37 the captive RIC and substantially all of the capital stock of that other
38 corporation are owned and controlled, directly or indirectly, by the
39 same corporation.

40 (b)(1)(i) In the case of a combined report the tax shall be measured
41 by the combined entire net income or combined capital of all the corpo-
42 rations included in the report, including any captive REIT or captive
43 RIC; provided, however, in no event shall the tax measured by combined
44 capital exceed the limitation provided for in paragraph F of subdivision
45 one of section 11-604 of this subchapter.

46 (ii) In the case of a captive REIT or captive RIC required under this
47 subdivision to be included in a combined report, entire net income must
48 be computed as required under subdivision seven, in the case of a
49 captive REIT, or subdivision eight, in the case of a captive RIC, of
50 section 11-603 of this chapter. However, the deduction under the inter-
51 nal revenue code for dividends paid by the captive REIT or captive RIC
52 to any member of the affiliated group that includes the corporation that
53 directly or indirectly owns over fifty percent of the voting stock of
54 the captive REIT or captive RIC shall not be allowed for taxable years
55 beginning on or after January first, two thousand nine. The term "affil-
56 iated group" means "affiliated group" as defined in section fifteen

1 hundred four of the internal revenue code, but without regard to the
2 exceptions provided for in subsection (b) of that section.

3 (2) In computing combined entire net income intercorporate dividends
4 shall be eliminated, in computing combined business and investment capi-
5 tal intercorporate stock holdings and intercorporate bills, notes and
6 accounts receivable and payable and other intercorporate indebtedness
7 shall be eliminated and in computing combined subsidiary capital inter-
8 corporate stockholdings shall be eliminated.

9 5. In case it shall appear to the commissioner of finance that any
10 agreement, understanding or arrangement exists between the taxpayer and
11 any other corporation or any person or firm, whereby the activity, busi-
12 ness, income or capital of the taxpayer within the city is improperly or
13 inaccurately reflected, the commissioner of finance is authorized and
14 empowered, in its discretion and in such manner as it may determine, to
15 adjust items of income, deductions and capital, and to eliminate assets
16 in computing any allocation percentage provided only that any income
17 directly traceable thereto be also excluded from entire net income, so
18 as equitably to determine the tax. Where (a) any taxpayer conducts its
19 activity or business under any agreement, arrangement or understanding
20 in such manner as either directly or indirectly to benefit its members
21 or stockholders, or any of them, or any person or persons directly or
22 indirectly interested in such activity or business, by entering into any
23 transaction at more or less than a fair price which, but for such agree-
24 ment, arrangement or understanding, might have been paid or received
25 therefor, or (b) any taxpayer, a substantial portion of whose capital
26 stock is owned either directly or indirectly by another corporation,
27 enters into any transaction with such other corporation on such terms as
28 to create an improper loss or net income, the commissioner of finance
29 may include in the entire net income of the taxpayer the fair profits,
30 which, but for such agreement, arrangement or understanding, the taxpay-
31 er might have derived from such transaction.

32 6. An action may be brought at any time by the corporation counsel at
33 the instance of the commissioner of finance to compel the filing of
34 reports due under this subchapter.

35 7. Reports shall be preserved for five years, and thereafter until the
36 commissioner of finance orders them to be destroyed.

37 8. Where the state tax commission changes or corrects a taxpayer's
38 sales and compensating use tax liability with respect to the purchase or
39 use of items for which a sales or compensating use tax credit against
40 the tax imposed by this chapter was claimed, the taxpayer shall report
41 such change or correction to the commissioner of finance within ninety
42 days of the final determination of such change or correction, or as
43 required by the commissioner of finance, and shall concede the accuracy
44 of such determination or state wherein it is erroneous. Any taxpayer
45 filing an amended return or report relating to the purchase or use of
46 such items shall also file within ninety days thereafter a copy of such
47 amended return or report with the commissioner of finance.

48 § 11-606 Payment and lien of tax. 1. To the extent the tax imposed by
49 section 11-603 of this subchapter shall not have been previously paid
50 pursuant to section 11-608 of this subchapter,

51 (a) such tax, or the balance thereof, shall be payable to the commis-
52 sioner of finance in full at the time the report is required to be
53 filed, and

54 (b) such tax, or the balance thereof, imposed on any taxpayer which
55 ceases to do business in the city or to be subject to the tax imposed by
56 this subchapter shall be payable to the commissioner of finance at the

1 time the report is required to be filed; all other taxes of any such
2 taxpayer, which pursuant to the provisions of this section would other-
3 wise be payable subsequent to the time such report is required to be
4 filed, shall nevertheless be payable at such time.

5 If the taxpayer, within the time prescribed by section 11-605 of this
6 subchapter, shall have applied for an automatic extension of time to
7 file its annual report and shall have paid to the commissioner of
8 finance on or before the date such application is filed an amount prop-
9 erly estimated as provided by said section, the only amount payable in
10 addition to the tax shall be interest at the underpayment rate set by
11 the commissioner of finance pursuant to section 11-687 of this chapter,
12 or, if no rate is set, at the rate of seven and one-half percent per
13 annum upon the amount by which the tax, or the portion thereof payable
14 on or before the date the report was required to be filed, exceeds the
15 amount so paid. For purposes of this paragraph:

16 (1) an amount so paid shall be deemed properly estimated if it is
17 either: (A) not less than ninety percent of the tax as finally deter-
18 mined, computed without regard to any credit allowable under subdivision
19 eleven of section 11-604 of this subchapter, or (B) not less than the
20 tax shown, computed without regard to any credit allowable under subdivi-
21 sion eleven of section 11-604 of this subchapter, on the taxpayer's
22 report for the preceding taxable year, if such preceding year was a
23 taxable year of twelve months; and

24 (2) the time when a report is required to be filed shall be determined
25 without regard to any extension of time for filing such report.

26 2. The commissioner of finance may grant a reasonable extension of
27 time for payment of any tax imposed by this subchapter under such condi-
28 tions as it deems just and proper.

29 3. Subdivision one of this section shall apply to a taxpayer which has
30 a right to a credit pursuant to subdivision eleven of section 11-604 of
31 this subchapter, except that the tax, or balance thereof, payable to the
32 commissioner of finance in full pursuant to subdivision one of this
33 section, at the time the report is required to be filed, shall be calcu-
34 lated and paid at such time as if the credit provided for in subdivision
35 eleven of section 11-604 of this subchapter were not allowed.

36 § 11-607 Declaration of estimated tax. 1. Every taxpayer subject to
37 the tax imposed by section 11-603 of this subchapter shall make a decla-
38 ration of its estimated tax for the current privilege period, containing
39 such information as the commissioner of finance may prescribe by regu-
40 lations or instructions, if such estimated tax can reasonably be
41 expected to exceed one thousand dollars.

42 2. The term "estimated tax" means the amount which a taxpayer esti-
43 mates to be the tax imposed by section 11-603 of this subchapter for the
44 current privilege period, less the amount which it estimates to be the
45 sum of any credits allowable against the tax other than the credit
46 allowable under subdivision eleven of section 11-604 of this subchapter.

47 3. In the case of a taxpayer which reports on the basis of a calendar
48 year, a declaration of estimated tax shall be filed on or before June
49 fifteenth of the current privilege period, except that if the require-
50 ments of subdivision one are first met:

51 (a) after May thirty-first and before September first of such
52 current privilege period, the declaration shall be filed on or before
53 September fifteenth, or

54 (b) after August thirty-first and before December first of such
55 current privilege period, the declaration shall be filed on or before
56 December fifteenth.

1 4. A taxpayer may amend a declaration under regulations of the
2 commissioner of finance.

3 5. If, on or before February fifteenth of the succeeding year in the
4 case of a taxpayer which reports on the basis of a calendar year, a
5 taxpayer files its report for the year for which the declaration is
6 required, and pays therewith the balance, if any, of the full amount
7 of the tax shown to be due on the report,

8 (a) such report shall be considered as its declaration if no decla-
9 ration is required to be filed during the calendar or fiscal year for
10 which the tax was imposed, but is otherwise required to be filed on or
11 before December fifteenth pursuant to subdivision three of this
12 section, and

13 (b) such report shall be considered as the amendment permitted by
14 subdivision four of this section to be filed on or before December
15 fifteenth if the tax shown on the report is greater than the estimated
16 tax shown on a declaration previously made.

17 6. This section shall apply to privilege periods of twelve months
18 other than a calendar year by the substitution of the months of such
19 fiscal year for the corresponding months specified in this section.

20 7. If the privilege period for which a tax is imposed by section
21 11-603 of this subchapter is less than twelve months, every taxpayer
22 required to make a declaration of estimated tax for such privilege
23 period shall make such a declaration in accordance with regulations of
24 the commissioner of finance.

25 8. The commissioner of finance may grant a reasonable extension of
26 time, not to exceed three months, for the filing of any declaration
27 required pursuant to this section, on such terms and conditions as it
28 may require.

29 § 11-608 Payments on account of estimated tax. 1. Every taxpayer
30 subject to the tax imposed by section 11-603 of this subchapter shall
31 pay with the report required to be filed for the preceding privilege
32 period, if any, or with an application for extension of the time and
33 filing such report, an amount equal to twenty-five per centum of the
34 preceding year's tax, computed without regard to the credit provided for
35 in subdivision twelve of section 11-604 of this subchapter, if such
36 preceding year's tax exceeded one thousand dollars.

37 2. The estimated tax with respect to which a declaration for such
38 privilege period is required shall be paid, in the case of a taxpayer
39 which reports on the basis of a calendar year, as follows:

40 (a) If the declaration is filed on or before June fifteenth, the esti-
41 mated tax shown thereon, after applying thereto the amount, if any, paid
42 during the same privilege period pursuant to subdivision one of this
43 section, shall be paid in three equal installments. One of such
44 installments shall be paid at the time of the filing of the declaration,
45 one shall be paid on the following September fifteenth, and one on the
46 following December fifteenth.

47 (b) If the declaration is filed after June fifteenth and not after
48 September fifteenth of such privilege period, and is not required to be
49 filed on or before June fifteenth of such period, the estimated tax
50 shown on such declaration, after applying thereto the amount, if any,
51 paid during the same privilege period pursuant to subdivision one of
52 this section, shall be paid in two equal installments. One of such
53 installments shall be paid at the time of the filing of the declaration
54 and one shall be paid on the following December fifteenth.

55 (c) If the declaration is filed after September fifteenth of such
56 privilege period, and is not required to be filed on or before September

1 fifteenth of such privilege period, the estimated tax shown on such
2 declaration, after applying thereto the amount, if any, paid in respect
3 to such privilege period pursuant to subdivision one of this section,
4 shall be paid in full at the time of the filing of the declaration.

5 (d) If the declaration is filed after the time prescribed therefor, or
6 after the expiration of any extension of time therefor, paragraphs (b)
7 and (c) of this subdivision shall not apply, and there shall be paid at
8 the time of such filing all installments of estimated tax payable at or
9 before such time, and the remaining installments shall be paid at the
10 times at which, and in the amounts in which, they would have been paya-
11 ble if the declaration had been filed when due.

12 3. If any amendment of a declaration is filed, the remaining install-
13 ments, if any, shall be ratably increased or decreased, as the case may
14 be, to reflect any increase or decrease in the estimated tax by reason
15 of such amendment, and if any amendment is made after September
16 fifteenth of the privilege period, any increase in the estimated tax by
17 reason thereof shall be paid at the time of making such amendment.

18 4. Any amount paid shall be applied after payment as a first install-
19 ment against the estimated tax of the taxpayer for the current privilege
20 period shown on the declaration required to be filed pursuant to section
21 11-607 of this subchapter or, if no declaration of estimated tax is
22 required to be filed by the taxpayer to such section, any such amount
23 shall be considered a payment on account of the tax shown on the report
24 required to be filed by the taxpayer for such privilege period.

25 5. Notwithstanding the provisions of section 11-679 of this chapter or
26 of section three-a of the general municipal law, if an amount paid
27 pursuant to subdivision one of this section exceeds the tax shown on the
28 report required to be filed by the taxpayer for the privilege period
29 during which the amount was paid, interest shall be allowed and paid on
30 the amount by which the amount so paid pursuant to such subdivision
31 exceeds such tax, at the overpayment rate set by the commissioner of
32 finance pursuant to section 11-687 of this chapter, or, if no rate is
33 set, at the rate of four percent per annum from the date of payment of
34 the amount so paid pursuant to such subdivision to the fifteenth day of
35 the third month following the close of the privilege period, provided,
36 however, that no interest shall be allowed or paid under this subdivi-
37 sion if the amount thereof is less than one dollar or if such interest
38 becomes payable solely because of a carryback of a net operating loss in
39 a subsequent privilege period.

40 6. As used in this section, "the preceding year's tax" means the tax
41 imposed upon the taxpayer by section 11-603 of this subchapter for the
42 preceding calendar or fiscal year, or, for purposes of computing the
43 first installment of estimated tax when an application has been filed
44 for extension of the time for filing the report required to be filed for
45 such preceding calendar or fiscal year, the amount properly estimated
46 pursuant to section 11-607 of this subchapter as the tax imposed upon
47 the taxpayer for such calendar or fiscal year.

48 7. This section shall apply to a privilege period of less than twelve
49 months in accordance with regulations of the commissioner of finance.

50 8. The provisions of this section shall apply to privilege periods of
51 twelve months other than a calendar year by the substitution of the
52 months of such fiscal year for the corresponding months specified in
53 such provisions.

54 9. The commissioner of finance may grant a reasonable extension of
55 time, not to exceed six months, for payment of any installment of esti-
56 mated tax required pursuant to this section, on such terms and condi-

1 tions as the commissioner may require including the furnishing of a bond
2 or other security by the taxpayer in an amount not exceeding twice the
3 amount for which any extension of time for payment is granted, provided
4 however that interest at the underpayment rate set by the commissioner
5 of finance pursuant to section 11-687 of this chapter, or, if no rate is
6 set, at the rate of seven and one-half percent per annum for the period
7 of the extension shall be charged and collected on the amount for which
8 any extension of time for payment is granted under this subdivision.

9 10. A taxpayer may elect to pay any installment of estimated tax prior
10 to the date prescribed in this section for payment thereof.

11 11. The portion of an overpayment attributable to a credit allowable
12 pursuant to subdivision eleven of section 11-604 of this subchapter may
13 not be credited against any payment due under this section.

14 § 11-609 Collection of taxes. Every foreign corporation, other than
15 a moneyed corporation, subject to the provisions of this subchapter,
16 except a corporation having authority to do business by virtue of
17 section thirteen hundred five of the business corporation law, shall
18 file in the department of state a certificate of designation in its
19 corporate name, signed and acknowledged by its president or a vice-pre-
20 sident or its secretary or treasurer, under its corporate seal, desig-
21 nating the secretary of state as its agent upon whom process in any
22 action provided for by this subchapter may be served within this state,
23 and setting forth an address to which the secretary of state shall mail
24 a copy of any such process against the corporation which may be served
25 upon the secretary of state. In case any such corporation shall have
26 failed to file such certificate of designation, it shall be deemed to
27 have designated the secretary of state as its agent upon whom such proc-
28 ess against it may be served; and until a certificate of designation
29 shall have been filed, the corporation shall be deemed to have directed
30 the secretary of state to mail copies of process served upon him or her
31 to the corporation at its last known office address within or without
32 the state. When a certificate of designation has been filed by such
33 corporation the secretary of state shall mail copies of process there-
34 after served upon the secretary of state to the address set forth in
35 such certificate. Any such corporation, from time to time, may change
36 the address to which the secretary of state is directed to mail copies
37 of process, by filing a certificate to that effect executed, signed and
38 acknowledged in like manner as a certificate of designation as provided
39 in this section. Service of process upon any such corporation or upon
40 any corporation having authority to do business by virtue of section
41 thirteen hundred five of the business corporation law, in any action
42 commenced at any time pursuant to the provisions of this subchapter, may
43 be made by either: (a) personally delivering to and leaving with the
44 secretary of state, a deputy secretary of state or with any person
45 authorized by the secretary of state to receive such service duplicate
46 copies thereof at the office of the department of state in the city of
47 Albany, in which event the secretary of state shall forthwith send by
48 registered mail, return receipt requested, one of such copies to the
49 corporation at the address designated by it or at its last known office
50 address within or without the state, or (b) personally delivering to and
51 leaving with the secretary of state, a deputy secretary of state or with
52 any person authorized by the secretary of state to receive such service,
53 a copy thereof at the office of the department of state in the city of
54 Albany and by delivering a copy thereof to, and leaving such copy with,
55 the president, vice-president, secretary, assistant secretary, treasur-
56 er, assistant treasurer, or cashier of such corporation, or the officer

1 performing corresponding functions under another name, or a director or
2 managing agent of such corporation, personally without the state. Proof
3 of such personal service without the state shall be filed with the clerk
4 of the court in which the action is pending within thirty days after
5 such service, and such service shall be complete ten days after proof
6 thereof is filed.

7 § 11-610 Limitations of time. The provisions of the civil practice
8 law and rules relative to the limitation of time enforcing a civil reme-
9 dy shall not apply to any proceeding or action taken to levy, appraise,
10 assess, determine or enforce the collection of any tax or penalty
11 prescribed by this subchapter, provided, however, that as to real estate
12 in the hands of persons who are owners thereof who would be purchasers
13 in good faith but for such tax or penalty and as to the lien on real
14 estate of mortgages held by persons who would be holders thereof in good
15 faith but for such tax or penalty, all such taxes and penalties shall
16 cease to be a lien on such real estate as against such purchasers or
17 holders after the expiration of ten years from the date such taxes
18 became due and payable. The limitations provided for in this section
19 shall not apply to any transfer from a corporation to a person or corpo-
20 ration with intent to avoid payment of any taxes, or where with like
21 intent the transfer is made to a grantee corporation, or any subsequent
22 grantee corporation, controlled by such grantor or which has any commu-
23 nity of interest with it, either through stock ownership or otherwise.

24 SUBCHAPTER 3
25 FINANCIAL CORPORATION TAX
26 PART 1

27 TAX ON STATE BANKS, TRUST COMPANIES, FINANCIAL
28 CORPORATIONS AND SAVINGS AND LOAN ASSOCIATIONS

29 § 11-611 Definitions. When used in this part:

30 1. The term "financial corporation" means every corporation doing a
31 banking business as defined in this section, other than a national bank-
32 ing association, a trust company all of the capital stock of which is
33 owned by not less than twenty savings banks organized under a law of
34 this state, or a corporation taxable under subchapter two of this chap-
35 ter, and shall include the mortgage facilities corporation created by
36 chapter five hundred sixty-four of the laws of nineteen hundred fifty-
37 six and any corporation eighty percent or more of whose voting stock is
38 beneficially owned by a corporation or corporations subject to article
39 three or article three-a of the banking law or a national banking asso-
40 ciation or associations, provided the corporation whose voting stock is
41 so owned is principally engaged in business which might be lawfully
42 conducted by a corporation subject to article three of the banking law
43 or a national banking association.

44 2. The word "paid", for the purpose of the deductions and credits
45 under this part, means "paid or accrued" or "paid or incurred," and the
46 terms "paid or incurred" and "paid or accrued" shall be construed
47 according to the method of accounting upon the basis of which the net
48 income is computed, under this part. The term "received," for the
49 purpose of the computation of net income under this part means "received
50 or accrued" and the term "received or accrued" shall be construed
51 according to the method of accounting upon the basis of which the net
52 income is computed under this part.

1 3. The word "dividend" means any distribution made by a corporation to
2 its shareholders or members, out of its earnings or profits, whether in
3 cash, or in property other than stock of the corporation.

4 4. The words "doing a banking business" means doing such business as a
5 corporation may be created to do under articles three, five, five-a, and
6 six of the banking law, or doing any business which a corporation is
7 authorized by such articles to do.

8 5. The words "foreign banker doing a banking business" in the city,
9 include every foreign corporation doing a banking business in the city,
10 except a national banking association.

11 6. The words "savings and loan association" mean every corporation
12 doing such business as a corporation may be created to do under article
13 ten of the banking law, including every federal savings and loan associ-
14 ation organized under authority of the United States.

15 § 11-612 Tax based on net income; imposition; minimum tax; new incor-
16 porations; dissolution; consolidations; mergers, etc.

17 1. For the privilege of doing business in the city:

18 (a) Every bank and savings and loan association organized under the
19 authority of this state;

20 (b) Every trust company incorporated, organized or formed under, by or
21 pursuant to a law of the state, other than a trust company all of the
22 stock of which is owned by not less than twenty savings banks organized
23 under a law of the state, and every domestic corporation authorized to
24 do a trust company's business solely or in connection with any other
25 business, under a general or special law of the state;

26 (c) Every other domestic financial corporation;

27 (d) Every incorporated foreign banker doing a banking business and
28 every other foreign financial corporation; and

29 (e) Every federal savings and loan association located within the
30 city, shall annually pay a tax at the rate of four and one-half per
31 centum except that for the years nineteen hundred seventy-one and those
32 following, the rate shall be five and sixty-three one hundredths per
33 centum, to be computed as provided in this part, upon the basis of its
34 net income for each calendar year, beginning with the calendar year
35 nineteen hundred sixty-six, next preceding the date when such tax
36 becomes due, if the taxpayer is required to file a declaration of esti-
37 mated tax and to make payments on account of such estimated tax as
38 provided by section 11-636 of this subchapter, upon the basis of its net
39 income for the calendar year with respect to which such declaration is
40 required to be filed.

41 2. Every such corporation for the privilege of doing business in the
42 city and every federal savings and loan association located in the city
43 shall be subject to a minimum tax of not less than ten dollars and not
44 less than one mill except that for the years nineteen hundred seventy-
45 one and those following such minimum tax shall be not less than twelve
46 and one-half dollars and not less than one and one-quarter mills upon
47 each dollar of such a part of its issued capital stock on the last day
48 of the calendar year preceding that in which such tax becomes due, at
49 its face value, as the gross income of such corporation derived from
50 business carried on within the city during such calendar year, bears to
51 its gross income derived from all business, both within and without the
52 city, during said year, but if such a corporation has stock without par
53 value, such stock shall be taken at its actual or market value, and not
54 less than five dollars per share, as may be determined by the commis-
55 sioner of finance; except that a savings bank and savings and loan asso-
56 ciation shall be subject to a minimum tax of not less than an amount

1 equal to two per centum of the amount of interest or dividends credited
2 by it to depositors or shareholders during the calendar year preceding
3 that in which such tax becomes due except that for the years nineteen
4 hundred seventy-one and those following such minimum tax shall be not
5 less than twelve and one-half dollars and not less than an amount equal
6 to two and one-half per centum of the amount of interest or dividends
7 credited by it to depositors or shareholders during the calendar year
8 preceding that in which such tax becomes due, provided that, in deter-
9 mining such amount each interest or dividend credit to a depositor or
10 shareholder shall be deemed to be the interest or dividend actually
11 credited or the interest or dividend which would have been credited if
12 it had been computed and credited at the rate of two per centum per
13 annum whichever is less and except also that in the case of a trust
14 company or savings bank incorporated in the calendar year preceding that
15 in which its first return under this part shall be due and after the
16 thirtieth day of June in such year, the minimum tax, computed as in this
17 subdivision provided, shall be reduced one-twelfth for each month, or
18 major portion thereof, subsequent to said thirtieth day of June during
19 which such trust company or savings bank did not exercise the privilege
20 of doing business in the city.

21 3. For the privilege of doing business in the city, every such domes-
22 tic corporation, except trust companies and savings banks, shall be
23 subject to a tax for the calendar year in which its organization certif-
24 icate is filed, and, for the privilege of doing business in the city,
25 every such foreign corporation shall be subject to a tax for the calen-
26 dar year in which it first does business in the city, and, every federal
27 savings and loan association located within the city shall be subject to
28 a tax for the calendar year in which it first becomes located within the
29 city, computed in the same manner and at the same rate as the minimum
30 tax under subdivision two of this section, except that the income form-
31 ing the basis for proration shall be the income for such calendar year,
32 and the issued capital stock shall be taken as of the last day of such
33 calendar year; provided, however, that the tax so computed shall be
34 reduced one-twelfth for each month, or major portion thereof, in such
35 calendar year, during which such corporation was not doing business in
36 the city, or, if a federal savings and loan association, was not located
37 in the city, and in no event shall the tax be less than ten dollars
38 except that for the year nineteen hundred seventy-one and those follow-
39 ing, in no event shall the tax be less than twelve and one-half dollars.

40 4. For the privilege of doing business in the city, every such trust
41 company and savings bank which shall become incorporated between the
42 thirty-first day of December and the succeeding first day of July, shall
43 be subject to a tax for such period, computed in the same manner and at
44 the same rate as the minimum tax under subdivision two of this section,
45 except that the income forming the basis for proration shall be the
46 income for such period; and the issued capital stock, or interest cred-
47 ited to depositors of a savings bank, shall be taken as of the last day
48 of such period; provided, however, that the tax so computed shall be
49 reduced one-half and an additional one-twelfth for each month, or major
50 portion thereof, in such period, during which such trust company or
51 savings bank was not doing business in the city, and in no event shall
52 the tax be less than ten dollars except that for the year nineteen
53 hundred seventy-one and those following, in no event shall the tax be
54 less than twelve and one-half dollars.

55 5. For the privilege of doing business in the city, every such corpo-
56 ration, except trust companies and savings banks, which shall be

1 dissolved between the thirty-first day of December and the succeeding
2 second day of September, and shall not become merged or consolidated
3 with another corporation taxable under this part and, every such foreign
4 corporation which shall cease to do business in the city during the same
5 period, and every federal savings and loan association which ceases to
6 be located in the city during the same period, and shall not become
7 merged or consolidated with another corporation taxable under this part,
8 shall pay a tax for the period from the thirty-first day of December up
9 to the time of dissolution, ceasing to do business in the city, or ceas-
10 ing to be located in the city, as the case may be, equal to that which
11 would have been payable had it not been dissolved, ceased to do business
12 in the city, or ceased to be located in the city, except that such tax
13 shall be reduced one-third and an additional one-twelfth for each month,
14 or major portion thereof, prior to such succeeding second day of Septem-
15 ber, during which such corporation was not doing business in the city,
16 or was not located in the city, and in no event shall the tax be less
17 than ten dollars except that for the year nineteen hundred seventy-one
18 and those following, in no event shall the tax be less than twelve and
19 one-half dollars. If such dissolution or cessation occurs between the
20 fifteenth day of March and the second day of September, and if such
21 corporation shall have filed its return on or before the fifteenth day
22 of March as required by section 11-633 of this subchapter, it may file a
23 claim for refund as provided in section 11-678 of this chapter, showing
24 any reduction in tax to which it may be entitled as provided in the
25 preceding sentence; and if it shall be made to appear that the amount of
26 tax due is less than the amount as computed on the basis of the original
27 return, the commissioner of finance shall adjust the computation of tax
28 accordingly. If the amount of tax as so adjusted shall be less than the
29 amount theretofore paid, the excess shall be refunded by the commission-
30 er of finance as provided in subdivision one of section 11-677 of this
31 chapter.

32 6. Every such trust company and savings bank, which shall be
33 dissolved, and shall not become merged or consolidated with another
34 corporation taxable under this part, shall, if dissolution takes place
35 between the thirtieth day of June and the succeeding first day of Janu-
36 ary, be subject to a tax, for that part of such period in which it had
37 been doing business, computed in the same manner and at the same rate as
38 the minimum tax under subdivision two of this section, except that the
39 income forming the basis for proration shall be the income for the
40 calendar year in which such dissolution occurs; and the issued capital
41 stock, or interest credited to depositors of a savings bank, shall be
42 taken as of the date of dissolution; provided, however, that the tax so
43 computed shall be reduced one-half and an additional one-twelfth for
44 each month, or major portion thereof, between the date of dissolution
45 and the succeeding first day of January. If dissolution occurs between
46 the thirty-first day of December and the succeeding sixteenth day of
47 March, such trust company and savings bank shall be subject to the same
48 tax that would have been due from it on or before the fifteenth day of
49 March had it not been dissolved, except that such tax shall be reduced
50 one-twelfth for each month, or major portion thereof, from the date of
51 dissolution to the succeeding first day of July, and shall be for the
52 period beginning on the preceding first day of July and ending on the
53 date of dissolution. In no event shall the tax under this subdivision
54 be less than ten dollars except that for the year nineteen hundred
55 seventy-one and those following, in no event shall the tax under this
56 subdivision be less than twelve and one-half dollars.

1 7. In the case of a consolidation or merger of taxpayers, or in case a
2 national bank taxable under part two of this subchapter shall be consol-
3 idated or merged with a taxpayer under this part, or in case of a series
4 of such transactions, there shall be added to the net income of the
5 taxpayer resulting from such consolidations or mergers the net income of
6 the taxpayers which are consolidated or merged for the period for which
7 the taxpayer resulting from such consolidation or merger is required to
8 render any return under this part, and if such resulting taxpayer is a
9 savings bank or savings and loan association, there shall be added to
10 the interest or dividends credited by it to depositors or shareholders
11 the amount of interest or dividends credited to depositors or sharehold-
12 ers during such period by the taxpayers which are consolidated or
13 merged, except that net income, interest or dividends shall not be
14 included if they have already been used as the basis for a tax under
15 this part, and the tax payable on filing such return shall be based upon
16 the entire net income reported therein or upon the entire amount of
17 interest or dividends so reported, as the case may be. The acquisition
18 by a taxpayer, directly or indirectly, of the assets or franchises of
19 another taxpayer or national bank shall be deemed a merger for the
20 purposes of this section.

21 8. The tax imposed by this part shall be for the calendar year next
22 preceding the year in which it becomes due; except that with respect to
23 corporations subject to a tax imposed under subdivision three, four,
24 five or six of this section, the tax shall be for the period therein
25 specified, and except that with respect to corporations required to file
26 a declaration of estimated tax and to make payments on account of such
27 estimated tax as provided by section 11-636 of this subchapter, all
28 payments of tax within a calendar year, whether computed on the basis of
29 net income for the current calendar year or on the basis of net income
30 for the preceding calendar year, shall be for the calendar year in which
31 the payments are required to be made.

32 9. In the event that it shall be finally determined by a court of
33 competent jurisdiction that the taxes imposed on national banking asso-
34 ciations by part two of this subchapter are unconstitutional or invalid
35 for the reason that they are not in conformity with the provisions of
36 section fifty-two hundred nineteen of the United States revised stat-
37 utes, then, in lieu of the taxes imposed by the provisions of this part,
38 every corporation that otherwise would have been subject to tax under
39 this part shall be subject to the tax imposed under subchapter two as of
40 July thirteenth, nineteen hundred sixty-six, and all of the provisions
41 of subchapter two, unless clearly inappropriate, shall be applicable
42 except subdivision four of section 11-603 of this chapter; and, in such
43 event, any payments made, reports or returns filed or any act of the
44 commissioner of finance or of a taxpayer purportedly under this subchap-
45 ter shall be treated as though made, filed or done pursuant to subchap-
46 ter two.

47 10. Cross reference. For years for which tax is imposed, see section
48 11-613 of this part.

49 § 11-613 Years for which imposed. 1. The tax imposed by section
50 11-612 of this part is imposed for each calendar year included within
51 the period beginning January first, nineteen hundred sixty-six and
52 ending December thirty-first, nineteen hundred seventy-two.

53 2. Cross reference. For tax imposed for years or periods subsequent to
54 nineteen hundred seventy-two, see part four of this subchapter.

55 § 11-614 Ascertainment of gain or loss. 1. For the purpose of ascer-
56 taining the gain derived or loss sustained from the sale or other dispo-

1 sition of property, real, personal or mixed, the basis shall be the cost
2 thereof, or the inventoried value if the inventory is made in accordance
3 with section 11-617 of this part.

4 2. Notwithstanding subdivision one of this section, with respect to
5 gain derived from the sale or other disposition of any property acquired
6 prior to January first, nineteen hundred sixty-six, except stock in
7 trade of the taxpayer or other property of a kind which would properly
8 be included in the inventory of the taxpayer if on hand at the close of
9 the taxable year, or property held by the taxpayer primarily for sale to
10 customers in the ordinary course of its trade or business, and accounts
11 or notes receivable acquired in the ordinary course of trade or business
12 from the sale of such stock in trade or property, or for services
13 rendered, net income shall not include:

14 (a) That portion of the gain included in determining net income pursu-
15 ant to subdivision one of this section with respect to each such proper-
16 ty, which exceeds:

17 (b) The amount of gain that would be included in determining net
18 income pursuant to subdivision one of this section with respect to each
19 such property if the basis of such property on the date of sale or other
20 disposition were equal to its fair market value on January first, nine-
21 teen hundred sixty-six, plus or minus all adjustments to basis made with
22 respect to each such property in computing net income for periods on or
23 after January first, nineteen hundred sixty-six provided that the total
24 adjustment to net income provided by this subdivision shall not exceed
25 the amount of the taxpayer's net gain from the sale or other disposition
26 of all such property, as determined pursuant to subdivision one of this
27 section.

28 3. In the case of any bond, with respect to which a deduction for
29 amortizable bond premium is allowable under subdivision nine of section
30 11-621 of this part, the basis for determining gain or loss shall be
31 reduced by the total amount of such deductions so allowable.

32 § 11-615 Exchange of property. Upon the sale or exchange of property
33 the entire amount of the gain or loss, determined under section 11-614
34 of this part, shall be recognized, except as provided in this section:

35 1. No gain or loss shall be recognized if common stock in a corpo-
36 ration is exchanged solely for common stock in the same corporation, or
37 if preferred stock in a corporation is exchanged solely for preferred
38 stock in the same corporation;

39 2. No gain or loss shall be recognized if stock or securities in a
40 corporation, a party to a reorganization are, in pursuance of the plan
41 or reorganization, exchanged solely for stock or securities in such
42 corporation or in another corporation a party to such reorganization;

43 3. No gain or loss shall be recognized if a taxpayer, a party to a
44 reorganization, exchanges property, in pursuance of the plan of reorgan-
45 ization, solely for stock or securities in another corporation a party
46 to such reorganization; and

47 4. No gain or loss shall be recognized if property is transferred to a
48 corporation by a taxpayer solely in exchange for stock or securities in
49 such corporation, and immediately after the exchange such taxpayer is in
50 control of the corporation; but in the case of an exchange by a taxpayer
51 and one or more other corporations or persons this subdivision shall
52 apply only if the amount of the stock and securities received by each is
53 substantially in proportion to its interest in the property prior to the
54 exchange.

55 5. If property, as a result of its destruction in whole or in part,
56 theft or seizure, or an exercise of the power of requisition or condem-

1 nation, or the threat of imminence thereof, is compulsorily or involun-
2 tarily converted into property similar or related in service or use to
3 the property so converted, or into money which is forthwith in good
4 faith, under regulations prescribed by the commissioner of finance,
5 expended in the acquisition of other property similar or related in
6 service or use to the property so converted, or in the acquisition of
7 control of a corporation owning such other property, or in the estab-
8 lishment of a replacement fund, no gain or loss shall be recognized. If
9 any part of the money is not so expended, the gain, if any, shall be
10 recognized, but in an amount not in excess of the money which is not so
11 expended.

12 6. If there is distributed, in pursuance of a plan of reorganization,
13 to a taxpayer shareholder in a corporation a party to the reorganiza-
14 tion, stock or securities in such corporation or in another corporation
15 a party to the reorganization, without the surrender by such taxpayer
16 shareholder of stock or securities in such a corporation, no gain to the
17 distributee from the receipt of such stock or securities shall be recog-
18 nized.

19 7. If an exchange would be within the provisions of subdivision one,
20 two, or four of this section if it were not for the fact that the prop-
21 erty received in exchange consists not only of property permitted by
22 such subdivision to be received without the recognition of gain, but
23 also of other property or money, then the gain, if any, to the recipient
24 shall be recognized, but in an amount not in excess of the sum of such
25 money and the fair market value of such other property.

26 8. If an exchange would be within the provisions of subdivision three
27 of this section if it were not for the fact that the property received
28 in exchange consists not only of stock or securities permitted by such
29 subdivision to be received without the recognition of gain, but also of
30 other property or money, then:

31 (a) If the taxpayer receiving such other property or money distributes
32 it in pursuance of the plan of reorganization, no gain to the taxpayer
33 shall be recognized from the exchange, but

34 (b) If the taxpayer receiving such other property or money does not
35 distribute it in pursuance of the plan of reorganization, the gain, if
36 any, to the taxpayer shall be recognized, but in an amount not in excess
37 of the sum of such money and the fair market value of such other prop-
38 erty so received, which is not so distributed.

39 9. If an exchange would be within the provisions of subdivision one,
40 two, three, or four of this section if it were not for the fact that the
41 property received in exchange consists not only of property permitted by
42 such subdivision to be received without the recognition of gain or loss,
43 but also of other property or money, then no loss from the exchange
44 shall be recognized.

45 10. As used in this section:

46 (a) The term "reorganization" means (i) a merger or consolidation,
47 including the acquisition by one corporation of at least a majority of
48 the voting stock and at least a majority of the total number of shares
49 of all other classes of stock of another corporation, or substantially
50 all the properties of another corporation, or (ii) a transfer by a
51 corporation of all or a part of its assets to another corporation if
52 immediately after the transfer the transferor or its stockholders or
53 both are in control of the corporation to which the assets are trans-
54 ferred, or (iii) a recapitalization, or (iv) a mere change in identity,
55 form or place of organization, however effected;

1 (b) The term "a party to a reorganization" includes a corporation
2 resulting from a reorganization and includes both corporations in the
3 case of an acquisition by one corporation of at least a majority of the
4 voting stock and at least a majority of the total number of shares of
5 all other classes of stock of another corporation; and

6 (c) The term "control" means the ownership of at least eighty per
7 centum of the voting stock and at least eighty per centum of the total
8 number of shares of all other classes of stock of the corporation.

9 11. No gain or loss shall be recognized upon the receipt by a taxpayer
10 of property distributed in complete liquidation of a corporation. For
11 the purposes of this subdivision a distribution shall be considered to
12 be in complete liquidation only if:

13 (a) the taxpayer receiving such property was, on the date of the
14 adoption of the plan of liquidation, and has continued to be at all
15 times until the receipt of the property, the owner of stock, in such
16 corporation, possessing at least eighty per centum of the total combined
17 voting power of all classes of stock entitled to vote and the owner of
18 at least eighty per centum of the total number of shares of all other
19 classes of stock, except non-voting stock which is limited and preferred
20 as to dividends, and was at no time on or after the date of the adoption
21 of the plan of liquidation and until the receipt of the property the
22 owner of a greater percentage of any class of stock than the percentage
23 of such class owned at the time of the receipt of the property; and
24 either:

25 (b) the distribution is by such corporation in complete cancellation
26 or redemption of all its stock, and the transfer of all the property
27 occurs within the base year; in such case the adoption by the sharehold-
28 ers of the resolution under which is authorized the distribution of all
29 the assets of the corporation in complete cancellation or redemption of
30 all its stock, shall be considered an adoption of a plan of liquidation,
31 even though no time for the completion of the transfer of the property
32 is specified on such resolution; or

33 (c) such distribution is one of a series of distributions by such
34 corporation in complete cancellation or redemption of all its stock in
35 accordance with a plan of liquidation under which the transfer of all
36 the property under the liquidation is to be completed within three years
37 from the close of the year during which is made the first of the series
38 of distributions under the plan, except that if such transfer is not
39 completed within such period, or if the taxpayer does not continue qual-
40 ified under paragraph (a) of this subdivision until the completion of
41 such transfer, no distribution under the plan shall be considered a
42 distribution in complete liquidation.

43 If such transfer of all the property does not occur within the year,
44 the commissioner of finance may require of the taxpayer such bond, or
45 waiver of the statute of limitations on assessment and collection, or
46 both, as the commissioner may deem necessary to insure, if the transfer
47 of the property is not completed within such three year period, or if
48 the taxpayer does not continue qualified under paragraph (a) of this
49 subdivision until the completion of such transfer, the assessment and
50 collection of all taxes then imposed under this part for such year or
51 subsequent years, to the extent attributable to property so received. A
52 distribution otherwise constituting a distribution in complete liqui-
53 dation within the meaning of this paragraph shall not be considered as
54 not constituting such a distribution merely because it does not consti-
55 tute a distribution or liquidation within the meaning of the corporate
56 law under which the distribution is made; and for the purposes of this

1 paragraph a transfer of property of such corporation to the taxpayer
2 shall not be considered as not constituting a distribution, or one of a
3 series of distributions, in complete cancellation or redemption of all
4 the stock of such corporation, merely because the carrying out of the
5 plan involves: (1) the transfer under the plan to the taxpayer by such
6 corporation of property, not attributable to shares owned by the taxpay-
7 er, upon an exchange described in subdivision three of this section, and
8 (2) the complete cancellation or redemption under the plan, as a result
9 of exchanges described in subdivision two of this section, of the shares
10 not owned by the taxpayers.

11 § 11-616 Exchange of property when no gain or loss is realized. When
12 property is exchanged for other property and no gain or loss is realized
13 under the provisions of the preceding section, the property received
14 shall be treated as taking the place of the property exchanged therefor.
15 Where no gain or loss is realized under the provisions of subdivision
16 eleven of section 11-615 of this part, the basis of the property
17 received shall be the same as it would be in the hands of the transferor
18 determined in accordance with the provisions of section 11-614 of this
19 part.

20 § 11-617 Inventory. Whenever in the opinion of the commissioner of
21 finance the use of inventories is necessary in order clearly to deter-
22 mine the income of any taxpayer, inventory shall be taken by such
23 taxpayer upon such basis as the commissioner of finance may prescribe,
24 conforming as nearly as may be to the best accounting practice in the
25 banking business most clearly reflecting the income.

26 § 11-618 Net income defined. The term "net income" means the gross
27 income of a taxpayer less the deductions allowed by this part.

28 § 11-619 Computation of net income. The net income shall be computed
29 in accordance with the method of accounting regularly employed in keep-
30 ing the books of such taxpayer; but if no such method of accounting has
31 been so employed, or if the method employed does not clearly reflect the
32 income, the computation shall be made upon such basis and in such manner
33 as in the opinion of the commissioner of finance does clearly reflect
34 the income. In determining net income, war losses, taxation of property
35 recovered, and basis of property shall be treated in substantially the
36 same manner as such losses, recoveries and basis are treated under the
37 applicable provisions of section thirteen hundred thirty-one of the
38 internal revenue code.

39 § 11-620 Gross income defined. 1. The term "gross income" includes
40 gains, profits and income derived from the business, of whatever kind
41 and in whatever form paid, including gains, profits or income from deal-
42 ings in property, whether real or personal, or gains, profits or income
43 received as compensation for services, as interest, rents, commissions,
44 brokerage or other fees, or otherwise in carrying on such business,
45 including all dividends received on stocks and all interest received
46 from federal, state, municipal or other bonds.

47 2. If the gross income of a taxpayer is derived from business carried
48 on both within and without the city, "gross income" means that propor-
49 tion thereof which is derived from business carried on within the city,
50 to be allocated and determined on the basis of separate accounting for
51 each office or branch or, at the election of the taxpayer, under rules
52 and regulations prescribed by the commissioner of finance.

53 3. "Gross income" of a savings bank shall include the amount received
54 by it in any taxable year as a distribution in liquidation of the mutual
55 savings bank fund.

1 § 11-621 Deductions. In computing net income there shall be allowed as
2 deductions:

3 1. All the ordinary and necessary expenses paid or incurred during the
4 year in carrying on business, including a reasonable allowance for sala-
5 ries or other compensation for personal services actually rendered, and
6 including rentals or other payments required to be made as a condition
7 to the continued use or possession for business purposes of property to
8 which the taxpayer has not taken or is not taking title or in which such
9 taxpayer has no equity.

10 2. All interest paid or accrued during the year on indebtedness.

11 3. Taxes, other than taxes on income or profits paid or accrued within
12 the year, imposed, first, by the authority of the United States, or of
13 any of its possessions, or, second, by the authority of any state, or
14 territory, or any county, school district, municipality, or other taxing
15 subdivisions of any state or territory, not including those assessed
16 against local benefits of a kind tending to increase the value of the
17 property assessed, or, third, by the authority of any foreign govern-
18 ment.

19 4. Losses sustained during the year and not compensated for by insur-
20 ance or otherwise, if incurred in business; unless in order to clearly
21 reflect the income the losses should in the opinion of the commissioner
22 of finance be accounted for as of a different period. No deduction shall
23 be allowed for any loss claimed to have been sustained in any sale or
24 other disposition of shares of stock or securities where it appears that
25 within thirty days before or after the date such sale or other disposi-
26 tion the taxpayer has acquired substantially identical property, and the
27 property so acquired is held by the taxpayer for any period after such
28 sale or other disposition, unless such claim is made with respect to a
29 transaction made in the ordinary course of business. If such acquisi-
30 tion is to the extent of part only of substantially identical property,
31 only a proportionate part of the loss shall be disallowed.

32 5. Debts ascertained to be worthless and charged off within the year;
33 or in the discretion of the commissioner of finance a reasonable addi-
34 tion to a reserve for bad debts. When satisfied that a debt is recovera-
35 ble only in part, the commissioner of finance may allow such debt to be
36 charged off in part.

37 6. A reasonable allowance for the exhaustion, wear and tear of proper-
38 ty used in business, including a reasonable allowance for obsolescence.
39 In the case of any such property acquired before January first, nineteen
40 hundred sixty-six, the amount of such deduction shall be equal to the
41 deduction properly taken for such property in reporting the tax due
42 pursuant to the former article nine-b of the tax law. With respect to
43 property such as described in subdivision twelve of this section, this
44 deduction may be computed and allowed as provided therein.

45 7. If the gross income be derived from business carried on within and
46 without the city, the deductions allowed by this section shall be allo-
47 cated and determined on the basis of separate accounting for each office
48 or branch or, at the election of the taxpayer, under rules and regu-
49 lations to be prescribed by the commissioner of finance.

50 8. In the case of any taxpayer who establishes or maintains a pension
51 trust to provide for the payment of reasonable pensions to its employ-
52 ees, there shall be allowed as a deduction, in addition to the contrib-
53 utions to such trust during the taxable year to cover the pension
54 liability accruing during the year, allowed as a deduction under subdi-
55 vision one of this section, a reasonable amount transferred or paid into
56 such trust during the taxable year in excess of such contributions, but

1 only if such amount (a) has not theretofore been allowable as a
2 deduction, and (b) is apportioned in equal parts over a period of ten
3 consecutive years beginning with the year in which the transfer or
4 payment is made or, under regulations of the commissioner of finance,
5 covers not more than one-tenth of the total pension liability with
6 respect to services rendered prior to such taxable year; provided that
7 said deduction shall be allowable only with respect to a taxable year,
8 whether the year of the transfer or payment or a subsequent year, of the
9 taxpayer ending within or with a taxable year of the trust with respect
10 to which the trust, by reason of its purposes or activities, is exempt
11 from federal income tax.

12 9. The amount of the amortizable bond premium on a bond for the year
13 shall be allowed as a deduction as hereinafter provided. In computing
14 such deduction: (a) the amount of the bond premium shall be determined
15 with reference to the amount of the basis, for determining loss on sale
16 or exchange, of such bond, and with reference to the amount payable on
17 maturity or on earlier call date, with adjustments proper to reflect
18 unamortized bond premium with respect to the bond, for the period prior
19 to July thirteenth, nineteen hundred sixty-six with respect to the
20 taxpayer with respect to such bond, and (b) the amortizable bond premium
21 of the year shall be the amount of the bond premium attributable to such
22 year. Accordingly, such determination shall be made in accordance with
23 the method of amortizing bond premium regularly employed by the holder
24 of such bond, if such method is reasonable, and in all other cases in
25 accordance with regulations of the commissioner of finance prescribing
26 reasonable methods of amortizing bond premium. This subdivision shall
27 apply only if the taxpayer shall so elect, in accordance with regu-
28 lations of the commissioner of finance, and such election shall be made
29 separately with respect to (1) bonds, the interest of which is wholly
30 taxable, and (2) bonds, the interest of which is wholly or partially tax
31 exempt, for purposes of the income tax imposed by chapter one of the
32 internal revenue code. If such election is made with respect to any bond
33 of the taxpayer described in clauses one or two of this subdivision, it
34 shall also apply to all bonds in the same class held by the taxpayer at
35 the beginning of the first year to which the election applies and to all
36 such bonds thereafter acquired by it and shall be binding for all subse-
37 quent years with respect to all such bonds of the taxpayer, unless upon
38 the application by the taxpayer, the commissioner of finance permits the
39 taxpayer, subject to such conditions as the commissioner of finance
40 deems necessary, to revoke such election. As used in this subdivision
41 the term "bond" means any bond, debenture, note or certificate or other
42 evidence of indebtedness, issued by any corporation and bearing inter-
43 est, including any like obligation issued by a government or political
44 subdivision thereof, with interest coupons or in registered form, but
45 does not include any such obligation which constitutes stock in trade of
46 the taxpayer or any such obligation of a kind which would properly be
47 included in the inventory of the taxpayer if on hand at the close of the
48 year, or any such obligation held by the taxpayer primarily for sale to
49 customers in the ordinary course of its trade or business.

50 10. In the case of a savings bank and savings and loan association,
51 amounts paid or credited to depositors or holders of accounts as inter-
52 est or dividends on their deposits or withdrawable accounts, if such
53 amounts are withdrawable on demand subject only to customary notice of
54 intention to withdraw.

55 11. A savings bank and savings and loan association may deduct in any
56 taxable year the amount of the repayment of any loan or advance from the

1 mutual savings bank fund in computing its net income and the amount of
2 interest or dividends subject to the minimum tax under subdivision three
3 of section 11-612 of this part.

4 12. (a) At the election of the taxpayer there shall be deducted from
5 gross income, or if gross income is derived from business carried on
6 within and without this city, from the portion thereof allocated within
7 the city, depreciation with respect to any property such as described in
8 paragraph (b) of this subdivision, not exceeding twice the depreciation
9 allowed with respect to the same property for federal income tax
10 purposes.

11 (b) Such deduction shall be allowed only with respect to tangible
12 property which is depreciable pursuant to section one hundred sixty-sev-
13 en of the internal revenue code, having a situs in this city and used in
14 the taxpayer's business, (i) constructed, reconstructed or erected after
15 December thirty-first, nineteen hundred sixty-five, pursuant to a
16 contract which was on or before December thirty-first, nineteen hundred
17 sixty-seven, and at all times thereafter, binding on the taxpayer or,
18 property, the physical construction, reconstruction or erection of which
19 began on or before December thirty-first, nineteen hundred sixty-seven
20 or which began after such date pursuant to an order placed on or before
21 December thirty-first, nineteen hundred sixty-seven, and then only with
22 respect to that portion of the basis thereof which is properly attribut-
23 able to such construction, reconstruction or erection after December
24 thirty-first, nineteen hundred sixty-five, or (ii) acquired after Decem-
25 ber thirty-first, nineteen hundred sixty-five, pursuant to a contract
26 which was, on or before December thirty-first, nineteen hundred sixty-
27 seven, and at all times thereafter, binding on the taxpayer or pursuant
28 to an order placed on or before December thirty-first, nineteen hundred
29 sixty-seven, by purchase as defined in section one hundred seventy-nine
30 (d) of the internal revenue code, if the original use of such property
31 commenced with the taxpayer, commenced in this city and commenced after
32 December thirty-first, nineteen hundred sixty-five, or (iii) acquired,
33 constructed, reconstructed or erected subsequent to December thirty-
34 first, nineteen hundred sixty-seven, if such acquisition, construction,
35 reconstruction or erection is pursuant to a plan of the taxpayer which
36 was in existence December thirty-first, nineteen hundred sixty-seven and
37 not thereafter substantially modified, and such acquisition,
38 construction, reconstruction or erection would qualify under the rules
39 in paragraph four, five or six of subsection (h) of section forty-eight
40 of the internal revenue code provided all references in such paragraphs
41 four, five and six to the dates October nine, nineteen hundred sixty-six
42 and October ten, nineteen hundred sixty-six shall be read as December
43 thirty-first, nineteen hundred sixty-seven. A taxpayer shall be allowed
44 a deduction under clause (i), (ii) or (iii) of this paragraph only if
45 the tangible property shall be delivered or the construction, recon-
46 struction or erection shall be completed on or before December thirty-
47 first, nineteen hundred sixty-nine, except in the case of tangible prop-
48 erty which is acquired, constructed, reconstructed or erected pursuant
49 to a contract which was, on or before December thirty-first, nineteen
50 hundred sixty-seven, and at all times thereafter, binding on the taxpay-
51 er. Provided, however, for any taxable year beginning on or after Janu-
52 ary first, nineteen hundred sixty-eight, a taxpayer shall not be allowed
53 a deduction under paragraph (a) of this subdivision with respect to
54 tangible personal property leased by it to any other person or corpo-
55 ration. Accordingly, any contract or agreement to lease or rent or for a
56 license to use such property shall be considered a lease. With respect

1 to property which the taxpayer uses itself for purposes other than leas-
2 ing for part of a taxable year and leases for a part of a taxable year,
3 the taxpayer shall be allowed a deduction under paragraph (a) of this
4 subdivision in proportion to the part of the year it uses such property.

5 (c) If the deduction allowable for any taxable year pursuant to this
6 subdivision exceeds the taxpayer's net income computed without the
7 allowance of such deduction and without the allowance of any deduction
8 pursuant to subdivision six of this section with references to the same
9 property, the excess may be carried over to the following taxable year
10 or years and may be deducted in computing net income for such year or
11 years.

12 (d) In any taxable year when property is sold or otherwise disposed
13 of, with respect to which a deduction has been allowed pursuant to this
14 subdivision, the gain or loss thereon shall be computed by adjusting the
15 basis of such property to reflect the deductions so allowed, and if the
16 taxpayer's gross income is derived from business carried on both within
17 and without the city, shall be allocated within the city. Provided,
18 however, that no loss shall be recognized for the purposes of this para-
19 graph with respect to a sale or other disposition of property to a
20 person whose acquisition thereof is not a purchase as defined in section
21 one hundred seventy-nine (d) of the internal revenue code.

22 § 11-622 Items not deductible. In computing net income no deduction
23 shall in any case be allowed in respect of:

24 (a) Any amount paid out for new buildings or for permanent improve-
25 ments or betterments made to increase the value of any property.

26 (b) Any amount expended in restoring property or in making good the
27 exhaustion thereof for which an allowance is or has been made.

28 PART 2

29 TAX ON NATIONAL BANKING ASSOCIATIONS
30 AND PRODUCTION CREDIT ASSOCIATIONS

31 § 11-623 Imposition of tax. 1. Pursuant to the authority conferred by
32 section fifty-two hundred nineteen of the United States revised statutes
33 and in conformity with the provisions contained in subdivision c of
34 clause one of such section, every national banking association organized
35 under authority of the United States and located within the city, shall
36 annually pay a tax, measured by its net income, to be computed, as
37 provided in this part, at the rate of four and one-half per centum
38 except that for the year nineteen hundred seventy-one and those follow-
39 ing the rate shall be five and sixty-three one hundredths per centum,
40 upon the basis of its net income for the calendar year next preceding
41 the date when such tax becomes due. Such tax shall be for the calendar
42 year next preceding the year in which it becomes due; except that with
43 respect to national banking associations required to file a declaration
44 of estimated tax and to make payments on account of such estimated tax
45 in accordance with the provisions of section 11-636 of this subchapter,
46 all payments of tax within a calendar year, whether computed on the
47 basis of net income for the current calendar year or on the basis of net
48 income for the preceding calendar year, shall be for the calendar year
49 in which the payments are required to be made. If, however, such a
50 national banking association shall be dissolved between the thirty-first
51 day of December and the succeeding second day of September, and shall
52 not become merged or consolidated with a corporation taxable under part
53 one of this subchapter, it shall pay a tax for the period from the thir-
54 ty-first day of December up to the time of dissolution equal to that

1 which would have been payable had it not been dissolved, except that
2 such tax shall be reduced by one-third and an additional one-twelfth for
3 each month, or major portion thereof, prior to such succeeding second
4 day of September, during which such corporation was so dissolved. If
5 such dissolution occurs between the fifteenth day of March and the
6 second day of September, and if such corporation shall have filed its
7 return on or before the fifteenth day of March as required by sections
8 11-630 and 11-633 of this subchapter, it may file a claim for refund as
9 provided in section 11-678 of this chapter, showing any reduction in tax
10 to which it may be entitled as provided by this section; and if it shall
11 be made to appear that the amount of tax due is less than the amount as
12 computed on the basis of the original return, the commissioner of
13 finance shall adjust the computation of tax accordingly. If the amount
14 of tax as so adjusted shall be less than the amount theretofore paid,
15 the excess shall be refunded by the commissioner of finance as provided
16 in subdivision one of section 11-677 of this chapter.

17 2. In the event that the taxes imposed by this part shall be finally
18 determined to be unconstitutional or invalid for the reason that they do
19 not conform with the provisions of section fifty-two hundred nineteen of
20 the United States revised statutes, then, in lieu of the taxes imposed
21 by the provisions of this part, every national banking association and
22 every production credit association that otherwise would have been
23 subject to tax under this part shall be subject to the tax imposed under
24 subchapter two as of July thirteenth, nineteen hundred sixty-six, and
25 all of the provisions of subchapter two, unless clearly inappropriate,
26 shall be applicable except subdivision four of section 11-603 of this
27 chapter; and, in such event, any payments made, reports or returns filed
28 or any act of the commissioner of finance or of a taxpayer purportedly
29 under this subchapter shall be treated as though made, filed or done
30 pursuant to subchapter two.

31 3. Cross reference. For years for which tax is imposed, see section
32 11-624 of this part.

33 § 11-624 Years for which imposed. 1. The tax imposed by section
34 11-623 of this part is imposed for each calendar year included within
35 the period beginning January first, nineteen hundred sixty-six and
36 ending December thirty-first, nineteen hundred seventy-two.

37 2. Cross reference. For tax imposed for years or periods subsequent to
38 nineteen hundred seventy-two, see part four of this subchapter.

39 § 11-625 Ascertainment of gain or loss; exchange of property. 1.
40 For the purpose of ascertaining the gain derived or loss sustained from
41 the sale or other disposition of property, real, personal or mixed, the
42 basis shall be the cost thereof, or the inventoried value if the inven-
43 tory is made in accordance with section 11-626 of this part.

44 2. Notwithstanding subdivision one of this section, with respect to
45 gain derived from the sale or other disposition of any property acquired
46 prior to January first, nineteen hundred sixty-six, except stock in
47 trade of the taxpayer or other property of a kind which would properly
48 be included in the inventory of the taxpayer if on hand at the close of
49 the taxable year, or property held by the taxpayer primarily for sale to
50 customers in the ordinary course of its trade or business and accounts
51 or notes receivable acquired in the ordinary course of trade or business
52 from the sale of such stock in trade or property, or for services
53 rendered, net income shall not include:

54 (a) That portion of the gain included in determining net income pursu-
55 ant to subdivision one of this section with respect to each such proper-
56 ty which exceeds:

1 (b) The amount of gain, if any, that would be included in determining
2 net income pursuant to subdivision one of this section with respect to
3 each such property if the basis of such property on the date of sale or
4 other disposition were equal to its fair market value on January first,
5 nineteen hundred sixty-six, plus or minus all adjustments to basis made
6 with respect to each such property in computing net income for periods
7 on or after January first, nineteen hundred sixty-six; provided that the
8 total adjustment to net income provided by this subdivision shall not
9 exceed the amount of the taxpayer's net gain from the sale or other
10 disposition of all such property, as determined pursuant to subdivision
11 one of this section.

12 3. Upon the sale or exchange of property the amount of the gain or
13 loss shall be determined in the manner prescribed by section 11-615 of
14 this subchapter and the basis of such property shall be determined in
15 the manner prescribed by section 11-616 of this subchapter.

16 4. In the case of any bond, with respect to which a deduction for
17 amortizable bond premium is allowable under paragraph (i) of subdivision
18 one of section 11-629 of this part, the basis for determining gain or
19 loss shall be reduced by the total amount of such deductions so allow-
20 able.

21 § 11-626 Inventory. Whenever in the opinion of the commissioner of
22 finance the use of inventories is necessary in order clearly to deter-
23 mine the income of any taxpayer, inventory shall be taken by such
24 taxpayer upon such basis as the commissioner of finance may prescribe,
25 conforming as nearly as may be to the best accounting practice in the
26 banking business and most clearly reflecting the income.

27 § 11-627 Net income defined; computation. The term "net income"
28 means the gross income of a taxpayer less the deductions allowed by this
29 part. The net income shall be computed in accordance with the method of
30 accounting regularly employed in keeping the books of such taxpayer; but
31 if no such method of accounting has been so employed, or if the method
32 employed does not clearly reflect the income, the computation shall be
33 made upon such basis and in such manner as in the opinion of the commis-
34 sioner of finance does clearly reflect the income. In determining net
35 income, war losses, taxation of property recovered, and basis of proper-
36 ty shall be treated in substantially the same manner as such losses,
37 recoveries and basis are treated under the applicable provisions of
38 section thirteen hundred thirty-one of the internal revenue code.

39 § 11-628 Gross income defined. 1. The term "gross income" includes
40 gains, profit and income derived from the business, of whatever kind and
41 in whatever form paid, including gains, profits or income from dealings
42 in property, whether real or personal, or gains, profits, or income
43 received as compensation for services, as interest, rents, commissions,
44 brokerage or other fees, or otherwise in carrying on such business,
45 including all dividends received on stocks and all interest received
46 from federal, state, municipal or other bonds.

47 2. If the gross income of such an association is derived from business
48 carried on both within and without the city, "gross income" means that
49 proportion thereof which is derived from business carried on within the
50 city, to be allocated and determined on the basis of separate accounting
51 for each office or branch or, at the election of the taxpayer, under
52 rules and regulations prescribed by the commissioner of finance.

53 § 11-629 Deductions. 1. In computing net income there shall be
54 allowed as deductions:

55 (a) All the ordinary and necessary expenses paid or incurred during
56 the year in carrying on business, including a reasonable allowance for

1 salaries or other compensation for personal services actually rendered,
2 and including rentals or other payments required to be made as a condi-
3 tion to the continued use or possession for business purposes of proper-
4 ty to which the taxpayer has not taken or is not taking title or in
5 which such taxpayer has no equity;

6 (b) All interest paid or accrued during the year on indebtedness;

7 (c) Taxes, other than taxes on income or profits paid or accrued with-
8 in the year, imposed, first, by the authority of the United States, or
9 of any of its possessions, or, second, by the authority of any state, or
10 territory, or any county, school district, municipality, or other taxing
11 subdivisions of any state or territory, not including those assessed
12 against local benefits of a kind tending to increase the value of the
13 property assessed, or, third, by the authority of any foreign govern-
14 ment;

15 (d) Losses sustained during the year and not compensated for by insur-
16 ance or otherwise, if incurred in business; unless in order to clearly
17 reflect the income the losses should in the opinion of the commissioner
18 of finance be accounted for as of a different period. No deduction
19 shall be allowed for any loss claimed to have been sustained in any sale
20 or other disposition of shares of stock or securities where it appears
21 that within thirty days before or after the date of such sale or other
22 disposition the taxpayer has acquired substantially identical property,
23 and the property so acquired is held by the taxpayer for any period
24 after such sale or other disposition, unless such claim is made with
25 respect to a transaction made in the ordinary course of business. If
26 such acquisition is to the extent of part only of substantially identi-
27 cal property, only a proportionate part of the loss shall be disallowed;

28 (e) Debts ascertained to be worthless and charged off within the year;
29 or in the discretion of the commissioner of finance a reasonable addi-
30 tion to a reserve for bad debts. When satisfied that a debt is recover-
31 able only in part, the commissioner of finance may allow such debt to be
32 charged off in part;

33 (f) A reasonable allowance for the exhaustion, wear and tear of prop-
34 erty used in business, including a reasonable allowance for obsoles-
35 cence. In the case of any such property acquired before January first,
36 nineteen hundred sixty-six, the amount of such deduction shall be equal
37 to the deduction properly taken for such property in reporting the tax
38 due. With respect to property such as described in paragraph (j) of
39 this subdivision, this deduction may be computed and allowed as provided
40 therein;

41 (g) If the gross income be derived from business carried on within and
42 without the city, the deductions allowed by this section shall be allo-
43 cated and determined on the basis of separate accounting for each office
44 or branch or, at the election of the taxpayer, under rules and regu-
45 lations to be prescribed by the commissioner of finance;

46 (h) In the case of any taxpayer, who establishes or maintains a
47 pension trust to provide for the payment of reasonable pensions to its
48 employees, there shall be allowed as a deduction, in addition to the
49 contributions to such trust during the taxable years, to cover the
50 pension liability accruing during the year, allowed as a deduction under
51 paragraph (a) of this subdivision, a reasonable amount transferred or
52 paid into such trust during the taxable year in excess of such contrib-
53 utions, but only if such amount: (1) has not theretofore been allowable
54 as a deduction, and (2) is apportioned in equal parts over a period of
55 ten consecutive years beginning with the year in which the transfer of
56 payment is made; provided that said deduction shall be allowable only

1 with respect to a taxable year, whether the year of the transfer or
2 payment or a subsequent year, of the taxpayer ending within or with a
3 taxable year of the trust with respect to which the trust, by reason of
4 its purposes or activities is exempt from federal income tax;

5 (i) The amount of the amortizable bond premium on a bond for the year
6 shall be allowed as a deduction as provided in this paragraph. In
7 computing such deduction, (a) the amount of the bond premium shall be
8 determined with reference to the amount of the basis, for determining
9 loss on sale or exchange, of such bond, and with reference to the amount
10 payable on maturity or on earlier call date, with adjustments proper to
11 reflect unamortized bond premium with respect to the bond, for the peri-
12 od prior to July thirteenth, nineteen hundred sixty-six with respect to
13 the taxpayer with respect to such bond, and (b) the amortizable bond
14 premium of the year shall be the amount of the bond premium attributable
15 to such year. Such determinations shall be made in accordance with the
16 method of amortizing bond premium regularly employed by the holder of
17 such bond, if such method is reasonable, and in all other cases in
18 accordance with regulations of the commissioner of finance prescribing
19 reasonable methods of amortizing bond premium. This paragraph shall
20 apply only if the taxpayer shall so elect, in accordance with regu-
21 lations of the commissioner of finance, and such election shall be made
22 separately with respect to: (1) bonds, the interest of which is wholly
23 taxable, and (2) bonds, the interest of which is wholly or partially tax
24 exempt, for purposes of the income tax imposed by chapter one of the
25 internal revenue code. If such election is made with respect to any bond
26 of the taxpayer described in clauses one or two of this subparagraph, it
27 shall also apply to all bonds in the same class held by the taxpayer at
28 the beginning of the first year to which the election applies and to all
29 such bonds thereafter acquired by it and shall be binding for all subse-
30 quent years with respect to all such bonds of the taxpayer, unless, upon
31 application by the taxpayer, the commissioner of finance permits the
32 taxpayer, subject to such conditions as the commissioner of finance
33 deems necessary, to revoke such election. As used in this paragraph,
34 the term "bond" means any bond, debenture, note, or certificate or other
35 evidence of indebtedness, issued by any corporation and bearing inter-
36 est, including any like obligation issued by a government or political
37 subdivision thereof, with interest coupons or in registered form, but
38 does not include any such obligation which constitutes stock in trade of
39 the taxpayer or any such obligation of a kind which would properly be
40 included in the inventory of the taxpayer if on hand at the close of the
41 year, or any such obligation held by the taxpayer primarily for sale to
42 customers in the ordinary course of its trade or business; and

43 (j) (1) At the election of the taxpayer there shall be deducted from
44 gross income, or if gross income is derived from business carried on
45 within and without this city, from the portion thereof allocated within
46 the city, depreciation with respect to any property such as described in
47 subparagraph two of this paragraph, not exceeding twice the depreciation
48 allowed with respect to the same property for federal income tax
49 purposes.

50 (2) Such deduction shall be allowed only with respect to tangible
51 property which is depreciable pursuant to section one hundred sixty-sev-
52 en of the internal revenue code, having a situs in this city and used in
53 the taxpayer's business, (i) constructed, reconstructed or erected after
54 December thirty-first, nineteen hundred sixty-five, pursuant to a
55 contract which was, on or before December thirty-first, nineteen hundred
56 sixty-seven, and at all times thereafter, binding on the taxpayer or

1 pursuant to an order placed on or before December thirty-first, nineteen
2 hundred sixty-seven, by purchase as defined in section one hundred
3 seventy-nine (d), of the internal revenue code, if the original use of
4 such property commenced with the taxpayer, commenced in this city and
5 commenced after December thirty-first, nineteen hundred sixty-five or
6 (ii) acquired, constructed, reconstructed, or erected subsequent to
7 December thirty-first, nineteen hundred sixty-seven, if such acquisi-
8 tion, construction, reconstruction or erection is pursuant to a plan of
9 the taxpayer which was in existence December thirty-first, nineteen
10 hundred sixty-seven and not thereafter substantially modified, and such
11 acquisition, construction, reconstruction or erection would qualify
12 under the rules in paragraph four, five or six of subsection (h) of
13 section forty-eight of the internal revenue code provided all references
14 in such paragraphs four, five and six to the dates October nine, nine-
15 teen hundred sixty-six, and October ten, nineteen hundred sixty-six,
16 shall read as December thirty-first, nineteen hundred sixty-seven. A
17 taxpayer shall be allowed a deduction under clause (i) or (ii) of this
18 subparagraph only if the tangible property shall be delivered or the
19 construction, reconstruction or erection shall be completed on or before
20 December thirty-first, nineteen hundred sixty-nine, except in the case
21 of tangible property which is acquired, constructed, reconstructed or
22 erected pursuant to a contract which was, on or before December thirty-
23 first, nineteen hundred sixty-seven, and at all times thereafter, bind-
24 ing on the taxpayer. Provided, however, for any taxable year beginning
25 on or after January first, nineteen hundred sixty-eight, a taxpayer
26 shall not be allowed a deduction under paragraph (a) of this subdivision
27 with respect to tangible personal property leased by it to any other
28 person or corporation. Any such contract or agreement to lease or rent
29 or for a license to use such property shall be considered a lease. With
30 respect to property which the taxpayer uses itself for purposes other
31 than leasing for part of a taxable year and leases for a part of a taxa-
32 ble year, the taxpayer shall be allowed a deduction under paragraph (a)
33 of this subdivision in proportion to the part of the year it uses such
34 property.

35 (3) If the deduction allowable for any taxable year pursuant to this
36 subdivision exceeds the taxpayer's net income computed without the
37 allowance of such deduction and without the allowance of any deduction
38 pursuant to paragraph (f) of this subdivision with reference to the same
39 property, the excess may be carried over to the following taxable year
40 or years and may be deducted in computing net income for such year or
41 years.

42 (4) In any taxable year when property is sold or otherwise disposed
43 of, with respect to which a deduction has been allowed pursuant to this
44 paragraph, the gain or loss thereon shall be computed by adjusting the
45 basis of such property to reflect the deductions so allowed, and if the
46 taxpayer's gross income is derived from business carried on both within
47 and without the city, shall be allocated within the city. Provided,
48 however, that no loss shall be recognized for the purposes of this para-
49 graph with respect to a sale or other disposition of property to a
50 person whose acquisition thereof is not a purchase as defined in section
51 one hundred seventy-nine (d) of the internal revenue code.

52 2. In computing net income no deduction shall in any case be allowed
53 in respect of:

54 (a) Any amount paid out for new buildings or for permanent improve-
55 ments or betterments made to increase the value of any property.

1 (b) Any amount expended in restoring or in making good the exhaustion
2 thereof for which an allowance is or has been made.

3 § 11-630 Administration; procedure; provisions of law applicable.
4 For the purpose of carrying into effect the provisions of this part, and
5 except as otherwise provided in this part, income shall be computed,
6 gain or loss ascertained, deductions made, apportionments and allo-
7 cations determined, at the same time and subject to the same limitations
8 and conditions, in so far as practicable, as is provided by part one of
9 this subchapter in relation to the tax imposed by such part.

10 § 11-631 Tax on production credit associations. Pursuant to the
11 authority conferred by the federal farm credit act of nineteen hundred
12 thirty-three, every production credit association organized under the
13 authority of the United States and located within the city after the
14 stock held in it by the federal production credit corporation has been
15 retired shall annually pay a tax measured by its net income, which shall
16 be computed in the same manner as the tax imposed upon national banking
17 associations by section 11-623 of this part and shall be subject to the
18 provisions of sections 11-624 of this part to 11-630 of this part inclu-
19 sive.

20 § 11-632 Applicability of part three. 1. This part shall be applica-
21 ble only to the taxes imposed by parts one and two of this subchapter.

22 2. Cross reference. For years for which parts one and two of this
23 subchapter impose a tax, see sections 11-613 and 11-624 of this subchap-
24 ter.

25 PART 3

26 ADMINISTRATION FOR PARTS 1 AND 2

27 § 11-633 Taxpayer's returns. 1. Every taxpayer, on or before March
28 fifteenth of each year, beginning with the year nineteen hundred sixty-
29 seven and ending with the year nineteen hundred seventy-three, shall
30 make a return subscribed by the taxpayer and affirmed by the taxpayer to
31 be true under the penalties of perjury to the commissioner of finance,
32 for the calendar year next preceding, as to the business or that portion
33 of the business of such taxpayer the income from which is the basis of
34 taxation under part one or two of this subchapter, except that every
35 trust company and savings bank which shall become incorporated between
36 the thirty-first day of December and the succeeding first day of July,
37 shall make its return for such period on or before September first, and
38 every taxpayer, other than a trust company and savings bank, which shall
39 commence to do business in the city or become located in the city, shall
40 make its return for the calendar year in which it commences to do busi-
41 ness or becomes located, on or before the twentieth day of January of
42 the year succeeding such calendar year, and except that every taxpayer,
43 other than a trust company and savings bank, which shall be dissolved,
44 cease to do business in the city or cease to be located in the city,
45 between the thirty-first day of December and the succeeding sixteenth
46 day of March and shall not become merged or consolidated with another
47 corporation taxable under the same part, shall make its return for such
48 period on or before the date of such dissolution, or cessation of busi-
49 ness, and every trust company and savings bank which shall be dissolved,
50 and shall not become merged or consolidated with another corporation
51 taxable under the same part, shall make its return, for the period for
52 which it is taxable under subdivision six of section 11-612 of this
53 subchapter on or before the date of such dissolution. Such return shall
54 be in such form and contain such information as the commissioner of

1 finance may require for the purpose of making any computation or other-
2 wise performing its duty under parts one, two, and three of this
3 subchapter. Such return shall state specifically the items of gross
4 income derived from such business and the deductions allowed by the part
5 for which the return is filed, the net income which is the basis of the
6 tax, and the amount of tax due. The return shall be subscribed by the
7 president, vice-president, treasurer, assistant treasurer, chief
8 accounting officer or any other officer of the taxpayer duly authorized
9 so to act. The fact that an individual's name is signed on the return
10 shall be prima facie evidence that such individual is authorized to
11 subscribe and affirm the return on behalf of the corporation. Blank
12 forms of return shall be furnished by the commissioner of finance upon
13 application, but failure to secure the form shall not relieve any
14 taxpayer from the obligation of making any return herein required. An
15 automatic extension of three months for the filing of its annual return
16 shall be allowed for any taxpayer if, within the time prescribed under
17 this subdivision for the filing thereof, such taxpayer files with the
18 commissioner of finance an application for extension in such form as the
19 commissioner of finance may prescribe by regulation and pays on or
20 before the date of such filing the amount properly estimated as its tax.
21 The commissioner of finance may grant a reasonable extension of time for
22 filing a return, which may be in addition to any three-month automatic
23 extension allowed, whenever in the commissioner's judgment good cause
24 exists and shall keep a record of every such extension and the reason
25 therefor. No such extension or extensions shall aggregate more than
26 three months, exclusive of any automatic extension.

27 2. If the amount of taxable income for any year of any taxpayer as
28 returned to the United States treasury department or the New York state
29 tax department is changed or corrected by the commissioner of internal
30 revenue or other officer of the United States or the New York state tax
31 commission or other competent authority; or if a taxpayer, pursuant to
32 subsection (d) of section sixty-two hundred thirteen of the internal
33 revenue code, executes a notice of waiver of the restrictions provided
34 in subsection (a) of such section, or if a taxpayer, pursuant to subdi-
35 vision (f) of section one thousand eighty-one of the tax law, executes a
36 notice of waiver of the restrictions provided in subdivision (c) of such
37 section, such taxpayer shall report such change or corrected taxable
38 income or such execution of such notice of waiver and the changes or
39 corrections of such taxpayer's federal or New York state taxable income
40 on which it is based, within ninety days after such execution or the
41 final determination of such change or correction, or as required by the
42 commissioner of finance, and shall concede the accuracy of such determi-
43 nation or state wherein it is erroneous. Any taxpayer filing an amended
44 return with such department shall also file within ninety days thereaft-
45 er an amended return with the commissioner of finance which shall
46 contain such information as it shall require.

47 § 11-634 Consolidated returns. Corporations which are affiliated
48 may, if authorized, and shall, if required, by the commissioner of
49 finance, under regulations prescribed by the commissioner of finance,
50 make a consolidated return for the purpose of parts one, two and three
51 of this subchapter. The commissioner of finance may, in his or her
52 discretion, authorize bank holding companies as defined in article
53 three-a of the banking law to make a consolidated return with affiliated
54 corporations taxable under part one and under part two of this subchap-
55 ter in which case the consolidated tax will be computed in accordance
56 with the provisions of part one of this subchapter. In all other cases

1 in which a corporation taxable under part two of this subchapter makes a
2 consolidated return with corporations taxable under part one of this
3 subchapter, the consolidated tax will be computed in accordance with the
4 provisions of part one of this subchapter. In any case in which a tax is
5 assessed upon the basis of a consolidated return, the total tax shall be
6 computed in the first instance as a unit and shall then be assessed upon
7 the respective affiliated corporations in such proportions as may be
8 agreed upon among them, or in the absence of any such agreement, then on
9 the basis of the net income properly assignable to each.

10 § 11-635 Payment of tax. Each taxpayer shall, at the time of filing
11 its return, pay to the commissioner of finance:

12 (a) the amount of tax payable under part one or two of this subchapter
13 as the same shall appear from the face of the return, or

14 (b) if payments of estimated tax have been made pursuant to section
15 11-636 of this part, the balance, if any, of the tax payable under part
16 one or two of this subchapter, as the same shall appear from the face of
17 the return, after applying thereto any payments made pursuant to said
18 section.

19 If the time for filing the return shall be extended, the taxpayer
20 shall pay in addition interest at the rate of six per centum per annum
21 from the time when the return was originally required to be filed to the
22 time of payment upon the amount by which the tax, or the portion thereof
23 payable when the return was required to be filed, exceeds the amount
24 then paid:

25 (1) a payment made on or before the date of filing of an application
26 for an automatic extension shall be deemed properly estimated if its
27 either: (A) not less than ninety per centum of the tax as finally
28 determined, or (B) not less than the tax shown on the taxpayer's return
29 for the preceding taxable year, if such preceding year was a taxable
30 year of twelve months; and

31 (2) the time when a return is required to be filed shall be determined
32 without regard to any extension of time for filing such return.

33 § 11-636 Declaration of estimated tax; payments on account of esti-
34 mated tax. 1. Every taxpayer subject to the tax imposed by part one or
35 two of this subchapter shall make a declaration of the estimated tax
36 upon the basis of its net income for the current calendar year, contain-
37 ing such information as the commissioner of finance may prescribe by
38 regulations or instructions, if such estimated tax can reasonably be
39 expected to exceed one thousand dollars.

40 2. The term "estimated tax" means the amount which a taxpayer esti-
41 mates to be the tax imposed upon it by part one or two of this subchap-
42 ter upon the basis of its net income for the current calendar year, less
43 the amount which it estimates to be the sum of any credits allowable
44 against the tax.

45 3. A declaration of estimated tax shall be filed on or before June
46 fifteenth of the calendar year upon the net income of which the tax is
47 based, except that if the requirements of subdivision one of this
48 section are first met:

49 (a) after June first and before October second of such calendar year,
50 the declaration shall be filed on or before October fifteenth, or

51 (b) after October first of such calendar year, the declaration shall
52 be filed on or before January fifteenth of the succeeding calendar year.

53 Notwithstanding any other provision of this subdivision, no declara-
54 tion need be filed prior to September eleventh, nineteen hundred sixty-
55 six.

1 4. A taxpayer may amend a declaration under regulations of the commis-
2 sioner of finance.

3 5. If, on or before February fifteenth of the succeeding year, a
4 taxpayer files its return for the calendar year upon the net income of
5 which the declaration is required to be based, and pays therewith the
6 balance, if any, of the full amount of the tax shown to be due on the
7 return,

8 (a) such return shall be considered as its declaration if no declara-
9 tion was required to be filed during such calendar year, but is other-
10 wise required to be filed on or before January fifteenth of the succeed-
11 ing year pursuant to subdivision three of this section,

12 (b) such return shall be considered as an amendment permitted by
13 subdivision four of this section to be filed on or before January
14 fifteenth if the tax shown on the return is greater than the estimated
15 tax shown on a declaration previously made.

16 6. The commissioner of finance may grant a reasonable extension of
17 time, not to exceed three months, for the filing of any declaration
18 required pursuant to this section, on such terms and conditions as the
19 commissioner may require.

20 7. Every taxpayer subject to the tax imposed by part one or two of
21 this subchapter shall pay with the return of tax, if any, required to be
22 filed upon the basis of its net income for the preceding calendar year,
23 or with an application for extension of the time for filing such return,
24 an amount equal to twenty-five per centum of the preceding year's tax,
25 if such preceding year's tax exceeded one thousand dollars.

26 8. The estimated tax with respect to which a declaration for such
27 calendar year is required pursuant to this section shall be paid as
28 follows:

29 (a) If the declaration is filed on or before June fifteenth, the esti-
30 mated tax shown thereon, after applying thereto the amount if any, paid
31 during the same calendar year pursuant to subdivision seven of this
32 section, shall be paid in three equal installments. One of such
33 installments shall be paid at the time of the filing of the declaration,
34 one shall be paid on the following October fifteenth, and one on the
35 following January fifteenth.

36 (b) If the declaration is filed after June fifteenth, and not after
37 October fifteenth of such calendar year, and is not required to be filed
38 on or before June fifteenth of such calendar year, the estimated tax
39 shown on such declaration, after applying thereto the amount, if any,
40 paid during the same calendar year pursuant to subdivision seven of this
41 section, shall be paid in two equal installments. One of such install-
42 ments shall be paid at the time of the filing of the declaration and one
43 shall be paid on the following January fifteenth.

44 (c) If the declaration is filed after October fifteenth of such calen-
45 dar year, and is not required to be filed on or before October fifteenth
46 of such calendar year, the estimated tax shown on such declaration,
47 after applying thereto the amount, if any, paid in respect of such
48 calendar year pursuant to subdivision seven of this section, shall be
49 paid in full at the time of the filing of the declaration.

50 (d) If the declaration is filed after the time prescribed therefor, or
51 after the expiration of any extension of time therefor, paragraphs (b)
52 and (c) of this subdivision shall not apply, and there shall be paid at
53 the time of such filing all installments of estimated tax payable at or
54 before such time, and the remaining installments shall be paid at the
55 times at which, and in the amounts in which, they would have been paya-
56 ble if the declaration had been filed when due.

1 9. If any amendment of a declaration is filed, the remaining install-
2 ments, if any, shall be ratably increased or decreased, as the case may
3 be, to reflect any increase or decrease in the estimated tax by reason
4 of such amendment, and if any amendment is made after October fifteenth
5 of the calendar year, any increase in the estimated tax by reason there-
6 of shall be paid at the time of making such amendment.

7 10. Any amount paid pursuant to subdivision seven of this section
8 shall be applied after payment as a first installment against the esti-
9 mated tax of the taxpayer shown on the declaration next required to be
10 filed pursuant to this section or, if no declaration of estimated tax is
11 required to be filed by the taxpayer pursuant to this section, any such
12 amount shall be considered a payment on account of the tax shown on the
13 return of tax required to be filed by the taxpayer upon the basis of its
14 net income for the calendar year during which such amount was paid.

15 11. Notwithstanding the provisions of section 11-679 of this chapter
16 or of section three-a of the general municipal law, if any amount paid
17 pursuant to subdivision seven of this section, exceeds the tax shown on
18 the return required to be filed by the taxpayer upon the basis of its
19 net income for the calendar year during which the amount was paid,
20 interest shall be allowed and paid on the amount by which the amount so
21 paid pursuant to such subdivision exceeds such tax, at the rate of six
22 per centum per annum from the date of payment of the amount so paid
23 pursuant to such subdivision to March fifteenth of the succeeding calen-
24 dar year, provided, however, that no interest shall be allowed or paid
25 under this subdivision if the amount thereof is less than one dollar.

26 12. As used in this section, "the preceding year's tax" means the tax
27 imposed upon the taxpayer by part one or two of this subchapter upon the
28 basis of its net income for the preceding calendar year, or, for
29 purposes of computing the first installment of estimated tax when an
30 application has been filed for extension of time for filing the return
31 required to be filed for such preceding calendar year, the amount prop-
32 erly estimated pursuant to section 11-635 of this part as the tax
33 imposed upon the basis of its net income for such calendar year.

34 13. This section shall apply to an income period of less than twelve
35 months in accordance with regulations of the commissioner of finance.

36 14. The commissioner of finance may grant a reasonable extension of
37 time, not to exceed six months, for payment of any installment of esti-
38 mated tax required pursuant to this section, on such terms and condi-
39 tions as the commissioner may require, including the furnishing of a
40 bond or other security by the taxpayer in an amount not exceeding twice
41 the amount for which any extension of time for payment is granted,
42 provided however, that interest at the rate of six per centum per annum
43 for the period of the extension shall be charged and collected on the
44 amount for which any extension of time for payment is granted under this
45 subdivision.

46 15. A taxpayer may elect to pay any installment of estimated tax prior
47 to the date prescribed in this section for payment thereof.

48 § 11-637 Real property taxable. Nothing in this subchapter shall be
49 construed to exempt the real property of any taxpayer from taxation to
50 the same extent, according to its value, as other real property is
51 taxed.

52 PART 4

53 BANKING CORPORATION TAX

54 § 11-638 General definitions. As used in this part:

1 (a) The word "taxpayer" means a corporation or association subject to
2 a tax imposed by this part.

3 (b) The phrase "taxable year" means the taxpayer's taxable year for
4 federal income tax purposes, or the part thereof during which the
5 taxpayer is subject to the tax imposed by this part.

6 (c) The term "international banking facility" shall mean an interna-
7 tional banking facility located in New York state and shall have the
8 same meaning as is set forth in the New York state banking law or regu-
9 lations of the New York state banking department or as is set forth in
10 the laws of the United States or regulations of the board of governors
11 of the federal reserve system.

12 (d) The term "subsidiary" means a corporation or association of which
13 over fifty percent of the number of shares of stock entitling the hold-
14 ers thereof to vote for the election of directors or trustees is owned
15 by the taxpayer.

16 (e) The term "subsidiary capital" means investments in the stock of
17 subsidiaries and any indebtedness from subsidiaries, exclusive of
18 accounts receivable acquired in the ordinary course of trade or business
19 for services rendered or for sales of property held primarily for sale
20 to customers, whether or not evidenced by written instrument, on which
21 interest is not claimed and deducted by the subsidiary for purposes of
22 taxation under this part or subchapter two of this chapter, provided,
23 however, there shall be deducted from subsidiary capital any liabilities
24 payable by their terms on demand or within one year from the date
25 incurred, other than loans or advances outstanding for more than a year
26 as of any date during the year covered by the return, which are attrib-
27 utable to subsidiary capital.

28 (f) The term "financial holding company" means a corporation that,
29 pursuant to subsection (1) of section four of the federal bank holding
30 company act of nineteen hundred fifty-six, as amended, has filed with
31 the federal reserve board a written declaration that the corporation
32 elects to be a financial holding company and whose election has not been
33 found to be ineffective by the federal reserve board.

34 § 11-639 Imposition of tax. (a) (1) For the privilege of doing busi-
35 ness in the city in a corporate or organized capacity, a tax, computed
36 under section 11-643 of this part, is hereby annually imposed on every
37 banking corporation for each of its taxable years, or any part thereof,
38 beginning on or after January first, nineteen hundred seventy-three and
39 before January first, two thousand fifteen.

40 (2) For the privilege of doing business in the city in a corporate or
41 organized capacity, a tax, computed under section 11-643 of this part,
42 is hereby annually imposed on every banking corporation for each taxable
43 year, or any part thereof, commencing on or after January first, two
44 thousand fifteen, where such banking corporation (i) has an election in
45 effect under subsection (a) of section thirteen hundred sixty-two of the
46 internal revenue code of 1986, as amended, or (ii) is a qualified
47 subchapter S subsidiary within the meaning of paragraph three of
48 subsection (b) of section thirteen hundred sixty-one of the internal
49 revenue code of nineteen eighty-six, as amended.

50 (b) In the case of a taxpayer whose taxable year is other than a
51 calendar year, there is hereby imposed a tax for the privilege of doing
52 business in the city in a corporate or organized capacity for the period
53 beginning January first, nineteen hundred seventy-three and extending
54 through the subsequent part of its first such taxable year ending after
55 such date. Such tax shall be computed under section 11-643 of this part
56 on the basis of such taxpayer's entire net income, or other applicable

1 basis as the case may be, for such period and shall be paid with a
2 return which shall be separately filed with the department of finance
3 not later than the fifteenth day of the third month succeeding the close
4 of such period. The requirements of sections 11-644 and 11-645 of this
5 part, relating to declarations and payments of estimated tax, except
6 subdivision (a) of section 11-645 of this part, shall not be applicable
7 to the tax imposed by this subdivision.

8 (c) For taxable years beginning on or after January first, two thou-
9 sand eleven, (1) a banking corporation is doing business in the city in
10 a corporate or organized capacity if (i) it has issued credit cards to
11 one thousand or more customers who have a mailing address within the
12 city as of the last day of its taxable year, or (ii) it has merchant
13 customer contracts with merchants and the total number of locations
14 covered by those contracts equals one thousand or more locations in the
15 city to whom the banking corporation remitted payments for credit card
16 transactions during the taxable year, or (iii) it has receipts of one
17 million dollars or more in the taxable year from its customers who have
18 been issued credit cards by the banking corporation and have a mailing
19 address within the city, or (iv) it has receipts of one million dollars
20 or more arising from merchant customer contracts with merchants relating
21 to locations in the city, or (v) the sum of the number of customers
22 described in subparagraph (i) of this paragraph plus the number of
23 locations covered by its contracts described in subparagraph (ii) of
24 this paragraph equals one thousand or more, or the amount of its
25 receipts described in subparagraphs (iii) and (iv) of this paragraph
26 equals one million dollars or more. For purposes of this paragraph,
27 receipts from processing credit card transactions for merchants include
28 merchant discount fees received by the banking corporation.

29 (2) As used in this subdivision, the term "credit card" includes bank,
30 credit, travel and entertainment cards.

31 (d) Cross-Reference. For the taxation of corporations that are not
32 described in paragraph two of subdivision (a) of this section, that were
33 taxable under this subchapter for tax years beginning before January
34 first, two thousand fifteen, see subchapter three-A of this chapter.

35 § 11-640 Banking, corporation defined; exempt corporations. (a) For
36 the purpose of this part, a banking corporation means:

37 (1) every corporation or association organized under the laws of this
38 state which is authorized to do a banking business or which is doing a
39 banking business;

40 (2) every corporation or association organized under the laws of any
41 other state or country which is doing a banking business;

42 (3) every national banking association organized under the authority
43 of the United States which is doing a banking business;

44 (4) every federal savings bank which is doing a banking business;

45 (5) every federal savings and loan association which is doing a bank-
46 ing business;

47 (6) a production credit association organized under the federal farm
48 credit act of nineteen hundred thirty-three, which is doing a banking
49 business and all of whose stock held by the federal production credit
50 corporation has been retired;

51 (7) every other corporation or association organized under the author-
52 ity of the United States which is doing a banking business;

53 (8) the mortgage facilities corporation created in article seven of
54 the private housing finance law;

55 (9) any corporation sixty-five percent or more of whose voting stock
56 is owned or controlled, directly or indirectly, by a corporation or

1 corporations subject to article three-a of the banking law, or regis-
2 tered under the federal bank holding company act of nineteen hundred
3 fifty-six, as amended, or registered as a savings and loan holding
4 company, but excluding a diversified savings and loan holding company,
5 under the federal national housing act, as amended, or by a corporation
6 or corporations described in paragraphs one through eight of this subdivi-
7 sion, provided the corporation whose voting stock is so owned or
8 controlled is principally engaged in a business, regardless of where
9 conducted, which (i) might be lawfully conducted by a corporation
10 subject to article three of the banking law or by a national banking
11 association or (ii) is so closely related to banking or managing or
12 controlling banks as to be a proper incident thereto, as set forth in
13 paragraph eight of subsection (c) or subparagraph (F) of paragraph four
14 of subsection (k) of section four of the federal bank holding company
15 act of nineteen hundred fifty-six, as amended, or (iii) holds and
16 manages investment assets, including but not limited to bonds, notes,
17 debentures and other obligations for the payment of money, stocks, part-
18 nership interests or other equity interests, and other investment secu-
19 rities, and which is not a business described in subparagraph (i) or
20 (ii) of this paragraph.

21 (b) Banking business defined. The words "banking business" as used in
22 this section mean such business as a corporation or association may be
23 created to do under article three, three-B, five, five-A, six or ten of
24 the banking law or any business which a corporation or association is
25 authorized by such article to do. However, with respect to a national
26 banking association organized under the authority of the United States,
27 a federal savings bank, a federal savings and loan association or a
28 production credit association, the words "banking business" as used in
29 this section mean such business as a national banking association,
30 federal savings bank, federal savings and loan association or production
31 credit association, respectively, may be created to do or is authorized
32 to do under the laws of the United States or this state. The words
33 "banking business" as used in this section shall also mean such business
34 as any corporation or association organized under the authority of the
35 United States or organized under the laws of any other state or country
36 has authority to do which is substantially similar to the business which
37 a corporation or association may be created to do under article three,
38 three-B, five, five-A, six or ten of the banking law or any business
39 which a corporation or association is authorized by such article to do.

40 (c) Exempt corporations. A trust company all of whose capital stock is
41 owned by twenty or more savings banks organized under New York law shall
42 be exempt from the tax under this part.

43 (d) Corporations taxable under subchapter two. Notwithstanding the
44 provisions of this part, all corporations of classes now or heretofore
45 taxable under subchapter two of this chapter shall continue to be taxa-
46 ble under subchapter two of this chapter, except: (1) corporations
47 organized under article five-A of the banking law; (2) corporations
48 subject to article three-A of the banking law, or registered under the
