Introduced by M. of A. SHIMSKY -- read once and referred to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to a residential parking system in the village of Sleepy Hollow in the county of Westchester

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature finds that  
2 many residential areas in the village of Sleepy Hollow, including Sleepy  
3 Hollow Manor, Philipse Manor, Downtown Sleepy Hollow, and Webber Park,  
4 lack sufficient parking for residents of the village. Sleepy Hollow is a  
5 densely populated village, with a population of 4,452.1 persons per  
6 square mile, and the residential areas named lack sufficient off-street  
7 parking to accommodate residents' needs. This issue is further exacer-  
8 bated by the proximity of these residential areas to the Philipse Manor  
9 train station and the Tarrytown train station, where many non-residents  
10 find parking in order to take public transportation to and from work. In  
11 addition, Sleepy Hollow has a historical connection to Halloween, with  
12 it being a critical aspect of the milieu set by Washington Irving in his  
13 ubiquitous novel "The Legend of Sleepy Hollow", and the village has  
14 become a tourist destination with an estimated 100,000 visitors annual-  
15 ly, most of whom take up parking spots needed by residents. This lack of  
16 residential parking has resulted in traffic hazards, congestion, and air  
17 and noise pollution posing a hazard to residents and other pedestrians  
18 in these areas.

19 The legislature further finds that a residential parking system will  
20 reduce such hazards and will reduce pollution levels. The legislature,  
21 therefore, declares the necessity of this act to authorize the village  
22 of Sleepy Hollow to adopt a residential parking system in accordance  
23 with the provisions of this act.

24 § 2. The vehicle and traffic law is amended by adding a new section  
25 1640-s to read as follows:

26 § 1640-s. Residential parking system in the village of Sleepy Hollow  
27 in the county of Westchester. 1. Notwithstanding the provisions of any

5 accordance with the provisions of this section.
