and performing groups shall have no more than forty students per class 1 at all levels. Each year of the plan, an additional twenty percent of 2 3 the classrooms in the city school district, excluding special education 4 classes, shall be in compliance with the class size targets such that 5 the city school district is in full compliance by [two thousand twenty-6 seven] two thousand twenty-eight and all classes should maintain the target class size. The class size reduction plan shall prioritize 7 8 schools serving populations with higher poverty levels.

9 (G) the schools that have made insufficient progress toward achieving 10 the class size reduction targets set forth in the approved class size 11 reduction plan pursuant to subparagraph (ii) of this paragraph and a 12 detailed description of the actions that will be taken to reduce class 13 sizes in such schools.

14 The report shall be submitted to the commissioner on or before Novem-15 ber fifteenth two thousand twenty-three and on or before November **<u>fifteenth</u>** of each year <u>thereafter</u> and made available to the public by 16 17 such date on the city school district's website. If the department determines that the November fifteenth report does not demonstrate 18 sufficient decreases in class size, the department shall issue a letter 19 making that determination public on its website and the city school 20 21 district shall immediately submit a plan for corrective action, which 22 shall be developed in collaboration with the collective bargaining units representing the teachers and the principals and signed off on by the 23 chancellor and the president of each collective bargaining unit. The 24 25 city school district's corrective action plan shall also be made avail-26 able to the public on the city school district's website upon submission 27 to the department. The final corrective action plan shall be made avail-28 able to the public upon approval by the department. The report shall also be certified by the state or city comptroller that the city school 29 30 district's capital and education funding plans will provide sufficient 31 space and staffing for the reduction in class size set forth in this 32 paragraph and, if not, what measures and/or funding should be added to 33 the plan to achieve such targets.

(v) In addition to the annual reports, the city school district shall submit a financial impact statement on November fifteenth, [two thousand twenty four] two thousand twenty-five. The financial impact statement may recommend a pause of the class size reduction plan, but in no event may it result in a roll back or increase in class sizes.

39 § 2. Section 6 of a chapter of the laws of 2022 amending the education 40 law relating to the contract for excellence in a city school district in 41 a city having a population of one million or more inhabitants, as 42 proposed in legislative bills numbers S. 9460 and A. 10498, is amended 43 to read as follows:
