30 Multistate License to provide services in any other Member State.

31 D. Nothing in this Compact shall affect the requirements established  
32 by a Member State for the issuance of a Single-State License.

33 E. A Multistate License issued to a Licensee by a Home State to a  
34 resident of that State shall be recognized by each Member State as  
35 authorizing a Licensee to practice Cosmetology in each Member State.

36 F. At no point shall the Commission have the power to define the  
37 educational or professional requirements for a license to practice  
38 Cosmetology. The Member States shall retain sole jurisdiction over the

40 ARTICLE 4 - MULTISTATE LICENSE

41 A. To be eligible to apply to their Home State's State Licensing  
42 Authority for an initial Multistate License under this Compact, a Licen-

48 ments for a Multistate License under this Compact.

49 C. If an applicant meets the requirements for a Multistate License  
50 under this Compact and any applicable Rules of the Commission, the State  
51 Licensing Authority in receipt of the application shall, within a  
52 reasonable time, grant a Multistate License to that applicant, and  
53 inform all Member States of the grant of said Multistate License.

1 D. A Multistate License to practice Cosmetology issued by a Member  
2 State's State Licensing Authority shall be recognized by each Member  
3 State as authorizing the practice thereof as though that Licensee held a  
4 Single-State License to do so in each Member State, subject to the  
5 restrictions herein.

6 E. A Multistate License granted pursuant to this Compact may be effec-  
7 tive for a definite period of time, concurrent with the licensure

10 must:

18 G. A Licensee practicing in a Member State is subject to all scope of  
19 practice laws governing Cosmetology Services in that State.

20 H. The Practice of Cosmetology under a Multistate License granted  
21 pursuant to this Compact will subject the Licensee to the jurisdiction  
22 of the State Licensing Authority, the courts, and the laws of the Member  
23 State in which the Cosmetology Services are provided.

#### 24 ARTICLE 5 - REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME STATE

25 A. A Licensee may hold a Multistate License, issued by their Home  
26 State, in only one Member State at any given time.

27 B. If a Licensee changes their Home State by moving between two Member  
28 States:

29 1. The Licensee shall immediately apply for the reissuance of their  
30 Multistate License in their new Home State. The Licensee shall pay all  
31 applicable fees and notify the prior Home State in accordance with the  
32 Rules of the Commission.

33 2. Upon receipt of an application to reissue a Multistate License, the  
34 new Home State shall verify that the Multistate License is active, unen-  
35 cumbered and eligible for reissuance under the terms of the Compact and  
36 the Rules of the Commission. The Multistate License issued by the prior  
37 Home State will be deactivated and all Member States notified in accord-  
38 ance with the applicable Rules adopted by the Commission.

39 3. If required for initial licensure, the new Home State may require a  
40 Background Check as specified in the laws of that State, or the compli-  
41 ance with any Jurisprudence Requirements of the new Home State.

42 4. Notwithstanding any other provision of this Compact, if a Licensee  
43 does not meet the requirements set forth in this Compact for the reissu-  
44 ance of a Multistate License by the new Home State, then the Licensee  
45 shall be subject to the new Home State requirements for the issuance of  
46 a Single-State License in that State.

47 C. If a Licensee changes their primary state of residence by moving  
48 from a Member State to a non-Member State, or from a non-Member State to  
49 a Member State, then the Licensee shall be subject to the State require-  
50 ments for the issuance of a Single-State License in the new Home State.

51 D. Nothing in this Compact shall interfere with a Licensee's ability  
52 to hold a Single-State License in multiple States; however, for the  
53 purposes of this Compact, a Licensee shall have only one Home State, and  
54 only one Multistate License.

1 E. Nothing in this Compact shall interfere with the requirements  
2 established by a Member State for the issuance of a Single-State  
3 License.

4 ARTICLE 6 - AUTHORITY OF THE COMPACT COMMISSION AND MEMBER STATE  
5 LICENSING AUTHORITIES

6 A. Nothing in this Compact, nor any Rule or regulation of the Commis-  
7 sion, shall be construed to limit, restrict, or in any way reduce the  
8 ability of a Member State to enact and enforce laws, regulations, or  
9 other rules related to the Practice of Cosmetology in that State, where  
10 those laws, regulations, or other rules are not inconsistent with the  
11 provisions of this Compact.

12 B. Insofar as practical, a Member State's State Licensing Authority  
13 shall cooperate with the Commission and with each entity exercising  
14 independent regulatory authority over the Practice of Cosmetology  
15 according to the provisions of this Compact.

16 C. Discipline shall be the sole responsibility of the State in which  
17 Cosmetology Services are provided. Accordingly, each Member State's  
18 State Licensing Authority shall be responsible for receiving complaints  
19 about individuals practicing Cosmetology in that State, and for communi-  
20 cating all relevant Investigative Information about any such Adverse  
21 Action to the other Member States through the Data System in addition to  
22 any other methods the Commission may by Rule require.

23 ARTICLE 7 - ADVERSE ACTIONS

24 A. A Licensee's Home State shall have exclusive power to impose an  
25 Adverse Action against a Licensee's Multistate License issued by the  
26 Home State.

27 B. A Home State may take Adverse Action on a Multistate License based  
28 on the Investigative Information, Current Significant Investigative  
29 Information, or Adverse Action of a Remote State.

30 C. In addition to the powers conferred by State law, each Remote  
31 State's State Licensing Authority shall have the power to:

32 1. Take Adverse Action against a Licensee's Authorization to Practice  
33 Cosmetology through the Multistate License in that Member State,  
34 provided that:

35 a. Only the Licensee's Home State shall have the power to take Adverse  
36 Action against the Multistate License issued by the Home State; and

37 b. For the purposes of taking Adverse Action, the Home State's State  
38 Licensing Authority shall give the same priority and effect to reported  
39 conduct received from a Remote State as it would if such conduct had  
40 occurred within the Home State. In so doing, the Home State shall apply  
41 its own State laws to determine the appropriate action.

42 2. Issue cease and desist orders or impose an Encumbrance on a  
43 Licensee's Authorization to Practice within that Member State.

44 3. Complete any pending investigations of a Licensee who changes their  
45 primary state of residence during the course of such an investigation.  
46 The State Licensing Authority shall also be empowered to report the  
47 results of such an investigation to the Commission through the Data  
48 System as described herein.

49 4. Issue subpoenas for both hearings and investigations that require  
50 the attendance and testimony of witnesses, as well as the production of  
51 evidence. Subpoenas issued by a State Licensing Authority in a Member  
52 State for the attendance and testimony of witnesses or the production of

1 evidence from another Member State shall be enforced in the latter State  
2 by any court of competent jurisdiction, according to the practice and  
3 procedure of that court applicable to subpoenas issued in proceedings  
4 before it. The issuing State Licensing Authority shall pay any witness  
5 fees, travel expenses, mileage, and other fees required by the service  
6 statutes of the State in which the witnesses or evidence are located.

7 5. If otherwise permitted by State law, recover from the affected  
8 Licensee the costs of investigations and disposition of cases resulting  
9 from any Adverse Action taken against that Licensee.

10 6. Take Adverse Action against the Licensee's Authorization to Prac-  
11 tice in that State based on the factual findings of another Remote  
12 State.

13 D. A Licensee's Home State shall complete any pending investigation(s)  
14 of a Cosmetologist who changes their primary state of residence during  
15 the course of the investigation(s). The Home State shall also have the  
16 authority to take appropriate action(s) and shall promptly report the  
17 conclusions of the investigations to the Data System.

18 E. If an Adverse Action is taken by the Home State against a  
19 Licensee's Multistate License, the Licensee's Authorization to Practice  
20 in all other Member States shall be deactivated until all Encumbrances  
21 have been removed from the Home State license. All Home State discipli-  
22 nary orders that impose an Adverse Action against a Licensee's Multi-  
23 state License shall include a statement that the Cosmetologist's Author-  
24 ization to Practice is deactivated in all Member States during the  
25 pendency of the order.

26 F. Nothing in this Compact shall override a Member State's authority  
27 to accept a Licensee's participation in an Alternative Program in lieu  
28 of Adverse Action. A Licensee's Multistate License shall be suspended  
29 for the duration of the Licensee's participation in any Alternative  
30 Program.

#### 31 G. Joint Investigations

32 1. In addition to the authority granted to a Member State by its  
33 respective scope of practice laws or other applicable State law, a  
34 Member State may participate with other Member States in joint investi-  
35 gations of Licensees.

36 2. Member States shall share any investigative, litigation, or compli-  
37 ance materials in furtherance of any joint or individual investigation  
38 initiated under the Compact.

### 39 ARTICLE 8 - ACTIVE MILITARY MEMBERS AND THEIR SPOUSES

40 Active Military Members, or their spouses, shall designate a Home  
41 State where the individual has a current license to practice Cosmetology  
42 in good standing. The individual may retain their Home State designation  
43 during any period of service when that individual or their spouse is on  
44 active duty assignment.

### 45 ARTICLE 9 - ESTABLISHMENT AND OPERATION OF THE COSMETOLOGY LICENSURE 46 COMPACT COMMISSION

47 A. The Compact Member States hereby create and establish a joint  
48 government agency whose membership consists of all Member States that  
49 have enacted the Compact known as the Cosmetology Licensure Compact

51 States acting jointly and not an instrumentality of any one State. The

1 Commission shall come into existence on or after the effective date of  
2 the Compact as set forth in Article 13.

3 B. Membership, Voting, and Meetings

4 1. Each Member State shall have and be limited to one (1) delegate

27 this Compact, the Commission's Rules, and the bylaws;

42 of personnel, and other related personnel matters;

43 12. As set forth in the Commission Rules, charge a fee to a Licensee  
44 for the grant of a Multistate License and thereafter, as may be estab-  
45 lished by Commission Rule, charge the Licensee a Multistate License  
46 renewal fee for each renewal period. Nothing herein shall be construed  
47 to prevent a Home State from charging a Licensee a fee for a Multistate  
48 License or renewals of a Multistate License, or a fee for the jurispru-  
49 udence requirement if the Member State imposes such a requirement for the  
50 grant of a Multistate License;

22 achieve the purposes of this Compact.

23 D. The Executive Committee

47 members:

48 a. The chair and vice chair of the Commission and any other members of

51 b. Other than the chair, vice-chair, secretary and treasurer, the  
52 Commission shall elect three voting members from the current membership  
53 of the Commission.

54 c. The Commission may elect ex officio, nonvoting members from a  
55 recognized national Cosmetology professional association as approved by

2 seeking to appoint an ex officio member exceeds the number of members  
3 specified in this Article.

4 3. The Commission may remove any member of the Executive Committee as  
5 provided in the Commission's bylaws.

6 4. The Executive Committee shall meet at least annually.

7 a. Annual Executive Committee meetings, as well as any Executive  
8 Committee meeting at which it does not take or intend to take formal  
9 action on a matter for which a Commission vote would otherwise be  
10 required, shall be open to the public, except that the Executive Commit-  
11 tee may meet in a closed, non-public session of a public meeting when  
12 dealing with any of the matters covered under Article 9.F.4.

13 b. The Executive Committee shall give five business days advance  
14 notice of its public meetings, posted on its website and as determined  
15 to provide notice to persons with an interest in the public matters the  
16 Executive Committee intends to address at those meetings.

21 c. Protect public health and safety.

22 E. The Commission shall adopt and provide to the Member States an  
23 annual report.

24 F. Meetings of the Commission

25 1. All meetings of the Commission that are not closed pursuant to  
26 Article 9.F.4 shall be open to the public. Notice of public meetings  
27 shall be posted on the Commission's website at least thirty (30) days  
28 prior to the public meeting.

29 2. Notwithstanding Article 9.F.1, the Commission may convene an emer-  
30 gency public meeting by providing at least twenty-four (24) hours prior  
31 notice on the Commission's website, and any other means as provided in  
32 the Commission's Rules, for any of the reasons it may dispense with  
33 notice of proposed rulemaking under Article 11.L. The Commission's legal  
34 counsel shall certify that one of the reasons justifying an emergency  
35 public meeting has been met.

36 3. Notice of all Commission meetings shall provide the time, date, and  
37 location of the meeting, and if the meeting is to be held or accessible  
38 via telecommunication, video conference, or other electronic means, the  
39 notice shall include the mechanism for access to the meeting.

40 4. The Commission may convene in a closed, non-public meeting for the  
41 Commission to discuss:

42 a. Non-compliance of a Member State with its obligations under the

53 g. Trade secrets or commercial or financial information that is privi-  
54 leged or confidential;

55 h. Information of a personal nature where disclosure would constitute  
56 a clearly unwarranted invasion of personal privacy;

- 1 i. Investigative records compiled for law enforcement purposes;  
2 j. Information related to any investigative reports prepared by or on  
3 behalf of or for use of the Commission or other committee charged with  
4 responsibility of investigation or determination of compliance issues

7 l. Matters specifically exempted from disclosure to the public by  
8 federal or Member State law; or  
9 m. Other matters as promulgated by the Commission by Rule.

10 5. If a meeting, or portion of a meeting, is closed, the presiding  
11 officer shall state that the meeting will be closed and reference each  
12 relevant exempting provision, and such reference shall be recorded in  
13 the minutes.

14 6. The Commission shall keep minutes that fully and clearly describe  
15 all matters discussed in a meeting and shall provide a full and accurate  
16 summary of actions taken, and the reasons therefore, including a  
17 description of the views expressed. All documents considered in  
18 connection with an action shall be identified in such minutes. All  
19 minutes and documents of a closed meeting shall remain under seal,  
20 subject to release only by a majority vote of the Commission or order of  
21 a court of competent jurisdiction.

22 G. Financing of the Commission

23 1. The Commission shall pay, or provide for the payment of, the  
24 reasonable expenses of its establishment, organization, and ongoing  
25 activities.

26 2. The Commission may accept any and all appropriate sources of reven-  
27 ue, donations, and grants of money, equipment, supplies, materials, and  
28 services.

29 3. The Commission may levy on and collect an annual assessment from  
30 each Member State and impose fees on Licensees of Member States to whom  
31 it grants a Multistate License to cover the cost of the operations and  
32 activities of the Commission and its staff, which must be in a total  
33 amount sufficient to cover its annual budget as approved each year for  
34 which revenue is not provided by other sources. The aggregate annual  
35 assessment amount for Member States shall be allocated based upon a  
36 formula that the Commission shall promulgate by Rule.

37 4. The Commission shall not incur obligations of any kind prior to  
38 securing the funds adequate to meet the same; nor shall the Commission  
39 pledge the credit of any Member States, except by and with the authority  
40 of the Member State.

41 5. The Commission shall keep accurate accounts of all receipts and  
42 disbursements. The receipts and disbursements of the Commission shall be  
43 subject to the financial review and accounting procedures established  
44 under its bylaws. All receipts and disbursements of funds handled by the  
45 Commission shall be subject to an annual financial review by a certified  
46 or licensed public accountant, and the report of the financial review  
47 shall be included in and become part of the annual report of the Commis-  
48 sion.

49 H. Qualified Immunity, Defense, and Indemnification

50 1. The members, officers, executive director, employees and represen-  
51 tatives of the Commission shall be immune from suit and liability, both  
52 personally and in their official capacity, for any claim for damage to  
53 or loss of property or personal injury or other civil liability caused  
54 by or arising out of any actual or alleged act, error, or omission that  
55 occurred, or that the person against whom the claim is made had a  
56 reasonable basis for believing occurred within the scope of Commission

1 employment, duties or responsibilities; provided that nothing in this  
2 paragraph shall be construed to protect any such person from suit or  
3 liability for any damage, loss, injury, or liability caused by the  
4 intentional or willful or wanton misconduct of that person. The procure-  
5 ment of insurance of any type by the Commission shall not in any way  
6 compromise or limit the immunity granted hereunder.

7 2. The Commission shall defend any member, officer, executive direc-  
8 tor, employee, and representative of the Commission in any civil action  
9 seeking to impose liability arising out of any actual or alleged act,  
10 error, or omission that occurred within the scope of Commission employ-  
11 ment, duties, or responsibilities, or as determined by the Commission  
12 that the person against whom the claim is made had a reasonable basis  
13 for believing occurred within the scope of Commission employment,  
14 duties, or responsibilities; provided that nothing herein shall be  
15 construed to prohibit that person from retaining their own counsel at  
16 their own expense; and provided further, that the actual or alleged act,  
17 error, or omission did not result from that person's intentional or  
18 willful or wanton misconduct.

19 3. The Commission shall indemnify and hold harmless any member, offi-  
20 cer, executive director, employee, and representative of the Commission  
21 for the amount of any settlement or judgment obtained against that  
22 person arising out of any actual or alleged act, error, or omission that  
23 occurred within the scope of Commission employment, duties, or responsi-  
24 bilities, or that such person had a reasonable basis for believing  
25 occurred within the scope of Commission employment, duties, or responsi-  
26 bilities, provided that the actual or alleged act, error, or omission  
27 did not result from the intentional or willful or wanton misconduct of  
28 that person.

29 4. Nothing herein shall be construed as a limitation on the liability  
30 of any Licensee for professional malpractice or misconduct, which shall  
31 be governed solely by any other applicable State laws.

32 5. Nothing in this Compact shall be interpreted to waive or otherwise  
33 abrogate a Member State's State action immunity or State action affirma-  
34 tive defense with respect to antitrust claims under the Sherman Act,  
35 Clayton Act, or any other State or federal antitrust or anticompetitive  
36 law or regulation.

37 6. Nothing in this Compact shall be construed to be a waiver of sover-  
38 ign immunity by the Member States or by the Commission.

39 ARTICLE 10 - DATA SYSTEM

40 A. The Commission shall provide for the development, maintenance,  
41 operation, and utilization of a coordinated database and reporting  
42 system.

43 B. The Commission shall assign each applicant for a Multistate License  
44 a unique identifier, as determined by the Rules of the Commission.

45 C. Notwithstanding any other provision of State law to the contrary, a  
46 Member State shall submit a uniform data set to the Data System on all  
47 individuals to whom this Compact is applicable as required by the Rules  
48 of the Commission, including:

49 1. Identifying information;

50 2. Licensure data;

51 3. Adverse Actions against a license and information related thereto;

52 4. Non-confidential information related to Alternative Program partic-  
53 ipation, the beginning and ending dates of such participation, and other  
54 information related to such participation;

1 5. Any denial of application for licensure, and the reason(s) for such  
2 denial (excluding the reporting of any criminal history record informa-  
3 tion where prohibited by law);

4 6. The existence of Investigative Information;

5 7. The existence of Current Significant Investigative Information; and

6 8. Other information that may facilitate the administration of this  
7 Compact or the protection of the public, as determined by the Rules of  
8 the Commission.

9 D. The records and information provided to a Member State pursuant to  
10 this Compact or through the Data System, when certified by the Commis-  
11 sion or an agent thereof, shall constitute the authenticated business  
12 records of the Commission, and shall be entitled to any associated hear-  
13 say exception in any relevant judicial, quasi-judicial or administrative  
14 proceedings in a Member State.

15 E. The existence of Current Significant Investigative Information and  
16 the existence of Investigative Information pertaining to a Licensee in  
17 any Member State will only be available to other Member States.

18 F. It is the responsibility of the Member States to monitor the data-  
19 base to determine whether Adverse Action has been taken against such a  
20 Licensee or License applicant. Adverse Action information pertaining to  
21 a Licensee or License applicant in any Member State will be available to  
22 any other Member State.

23 G. Member States contributing information to the Data System may  
24 designate information that may not be shared with the public without the  
25 express permission of the contributing State.

26 H. Any information submitted to the Data System that is subsequently  
27 expunged pursuant to federal law or the laws of the Member State  
28 contributing the information shall be removed from the Data System.

29 ARTICLE 11 - RULEMAKING

30 A. The Commission shall promulgate reasonable Rules in order to effec-  
31 tively and efficiently implement and administer the purposes and  
32 provisions of the Compact. A Rule shall be invalid and have no force or  
33 effect only if a court of competent jurisdiction holds that the Rule is  
34 invalid because the Commission exercised its rulemaking authority in a  
35 manner that is beyond the scope and purposes of the Compact, or the  
36 powers granted hereunder, or based upon another applicable standard of  
37 review.

38 B. The Rules of the Commission shall have the force of law in each  
39 Member State, provided however that where the Rules of the Commission  
40 conflict with the laws of the Member State that establish the Member  
41 State's scope of practice laws governing the Practice of Cosmetology as  
42 held by a court of competent jurisdiction, the Rules of the Commission  
43 shall be ineffective in that State to the extent of the conflict.

44 C. The Commission shall exercise its rulemaking powers pursuant to the  
45 criteria set forth in this Article and the Rules adopted thereunder.  
46 Rules shall become binding as of the date specified by the Commission  
47 for each Rule.

48 D. If a majority of the legislatures of the Member States rejects a  
49 Rule or portion of a Rule, by enactment of a statute or resolution in  
50 the same manner used to adopt the Compact within four (4) years of the  
51 date of adoption of the Rule, then such Rule shall have no further force  
52 and effect in any Member State or to any State applying to participate  
53 in the Compact.

1 E. Rules shall be adopted at a regular or special meeting of the  
2 Commission.

3 F. Prior to adoption of a proposed Rule, the Commission shall hold a  
4 public hearing and allow persons to provide oral and written comments,  
5 data, facts, opinions, and arguments.

6 G. Prior to adoption of a proposed Rule by the Commission, and at  
7 least thirty (30) days in advance of the meeting at which the Commission  
8 will hold a public hearing on the proposed Rule, the Commission shall  
9 provide a notice of proposed rulemaking:

10 1. On the website of the Commission or other publicly accessible plat-  
11 form;

12 2. To persons who have requested notice of the Commission's notices of  
13 proposed rulemaking; and

14 3. In such other way(s) as the Commission may by Rule specify.

15 H. The notice of proposed rulemaking shall include:

16 1. The time, date, and location of the public hearing at which the  
17 Commission will hear public comments on the proposed Rule and, if  
18 different, the time, date, and location of the meeting where the Commis-  
19 sion will consider and vote on the proposed Rule;

20 2. If the hearing is held via telecommunication, video conference, or  
21 other electronic means, the Commission shall include the mechanism for  
22 access to the hearing in the notice of proposed rulemaking;

23 3. The text of the proposed Rule and the reason therefor;

24 4. A request for comments on the proposed Rule from any interested  
25 person; and

26 5. The manner in which interested persons may submit written comments.

27 I. All hearings will be recorded. A copy of the recording and all  
28 written comments and documents received by the Commission in response to  
29 the proposed Rule shall be available to the public.

30 J. Nothing in this Article shall be construed as requiring a separate  
31 hearing on each Rule. Rules may be grouped for the convenience of the  
32 Commission at hearings required by this Article.

33 K. The Commission shall, by majority vote of all members, take final  
34 action on the proposed Rule based on the rulemaking record and the full  
35 text of the Rule.

36 1. The Commission may adopt changes to the proposed Rule provided the  
37 changes do not enlarge the original purpose of the proposed Rule.

38 2. The Commission shall provide an explanation of the reasons for  
39 substantive changes made to the proposed Rule as well as reasons for  
40 substantive changes not made that were recommended by commenters.

41 3. The Commission shall determine a reasonable effective date for the  
42 Rule. Except for an emergency as provided in Article 11.L, the effective  
43 date of the Rule shall be no sooner than forty-five (45) days after the  
44 Commission issuing the notice that it adopted or amended the Rule.

45 L. Upon determination that an emergency exists, the Commission may  
46 consider and adopt an emergency Rule with five (5) days' notice, with  
47 opportunity to comment, provided that the usual rulemaking procedures  
48 provided in the Compact and in this Article shall be retroactively  
49 applied to the Rule as soon as reasonably possible, in no event later  
50 than ninety (90) days after the effective date of the Rule. For the  
51 purposes of this provision, an emergency Rule is one that must be  
52 adopted immediately to:

53 1. Meet an imminent threat to public health, safety, or welfare;

54 2. Prevent a loss of Commission or Member State funds;

55 3. Meet a deadline for the promulgation of a Rule that is established  
56 by federal law or rule; or

1 4. Protect public health and safety.

2 M. The Commission or an authorized committee of the Commission may  
3 direct revisions to a previously adopted Rule for purposes of correcting  
4 typographical errors, errors in format, errors in consistency, or gram-  
5 matical errors. Public notice of any revisions shall be posted on the  
6 website of the Commission. The revision shall be subject to challenge by  
7 any person for a period of thirty (30) days after posting. The revision  
8 may be challenged only on grounds that the revision results in a materi-  
9 al change to a Rule. A challenge shall be made in writing and delivered  
10 to the Commission prior to the end of the notice period. If no challenge  
11 is made, the revision will take effect without further action. If the  
12 revision is challenged, the revision may not take effect without the  
13 approval of the Commission.

14 N. No Member State's rulemaking requirements shall apply under this  
15 Compact.

16 ARTICLE 12 - OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

17 A. Oversight

18 1. The executive and judicial branches of State government in each  
19 Member State shall enforce this Compact and take all actions necessary  
20 and appropriate to implement the Compact.

21 2. Venue is proper and judicial proceedings by or against the Commis-  
22 sion shall be brought solely and exclusively in a court of competent  
23 jurisdiction where the principal office of the Commission is located.  
24 The Commission may waive venue and jurisdictional defenses to the extent  
25 it adopts or consents to participate in alternative dispute resolution  
26 proceedings. Nothing herein shall affect or limit the selection or  
27 propriety of venue in any action against a Licensee for professional  
28 malpractice, misconduct or any such similar matter.

29 3. The Commission shall be entitled to receive service of process in  
30 any proceeding regarding the enforcement or interpretation of the  
31 Compact and shall have standing to intervene in such a proceeding for  
32 all purposes. Failure to provide the Commission service of process  
33 shall render a judgment or order void as to the Commission, this  
34 Compact, or promulgated Rules.

35 B. Default, Technical Assistance, and Termination

36 1. If the Commission determines that a Member State has defaulted in  
37 the performance of its obligations or responsibilities under this  
38 Compact or the promulgated Rules, the Commission shall provide written  
39 notice to the defaulting State. The notice of default shall describe the  
40 default, the proposed means of curing the default, and any other action  
41 that the Commission may take, and shall offer training and specific  
42 technical assistance regarding the default.

43 2. The Commission shall provide a copy of the notice of default to the  
44 other Member States.

45 3. If a State in default fails to cure the default, the defaulting  
46 State may be terminated from the Compact upon an affirmative vote of a  
47 majority of the delegates of the Member States, and all rights, privi-  
48 leges and benefits conferred on that State by this Compact may be termi-  
49 nated on the effective date of termination. A cure of the default does  
50 not relieve the offending State of obligations or liabilities incurred  
51 during the period of default.

52 4. Termination of membership in the Compact shall be imposed only  
53 after all other means of securing compliance have been exhausted. Notice  
54 of intent to suspend or terminate shall be given by the Commission to

1 the governor, the majority and minority leaders of the defaulting  
2 State's legislature, the defaulting State's State Licensing Authority  
3 and each of the Member States' State Licensing Authority.

4 5. A State that has been terminated is responsible for all assess-  
5 ments, obligations, and liabilities incurred through the effective date  
6 of termination, including obligations that extend beyond the effective  
7 date of termination.

8 6. Upon the termination of a State's membership from this Compact,  
9 that State shall immediately provide notice to all Licensees who hold a  
10 Multistate License within that State of such termination. The terminated  
11 State shall continue to recognize all licenses granted pursuant to this  
12 Compact for a minimum of one hundred eighty (180) days after the date of  
13 said notice of termination.

14 7. The Commission shall not bear any costs related to a State that is  
15 found to be in default or that has been terminated from the Compact,  
16 unless agreed upon in writing between the Commission and the defaulting  
17 State.

18 8. The defaulting State may appeal the action of the Commission by  
19 petitioning the United States District Court for the District of Colum-  
20 bia or the federal district where the Commission has its principal  
21 offices. The prevailing party shall be awarded all costs of such liti-  
22 gation, including reasonable attorney's fees.

#### 23 C. Dispute Resolution

24 1. Upon request by a Member State, the Commission shall attempt to  
25 resolve disputes related to the Compact that arise among Member States  
26 and between Member and non-Member States.

27 2. The Commission shall promulgate a Rule providing for both mediation  
28 and binding dispute resolution for disputes as appropriate.

#### 29 D. Enforcement

30 1. The Commission, in the reasonable exercise of its discretion, shall  
31 enforce the provisions of this Compact and the Commission's Rules.

32 2. By majority vote as provided by Commission Rule, the Commission may  
33 initiate legal action against a Member State in default in the United  
34 States District Court for the District of Columbia or the federal  
35 district where the Commission has its principal offices to enforce  
36 compliance with the provisions of the Compact and its promulgated Rules.  
37 The relief sought may include both injunctive relief and damages. In the  
38 event judicial enforcement is necessary, the prevailing party shall be  
39 awarded all costs of such litigation, including reasonable attorney's  
40 fees. The remedies herein shall not be the exclusive remedies of the  
41 Commission. The Commission may pursue any other remedies available under  
42 federal or the defaulting Member State's law.

43 3. A Member State may initiate legal action against the Commission in  
44 the United States District Court for the District of Columbia or the  
45 federal district where the Commission has its principal offices to  
46 enforce compliance with the provisions of the Compact and its promulgat-  
47 ed Rules. The relief sought may include both injunctive relief and  
48 damages. In the event judicial enforcement is necessary, the prevailing  
49 party shall be awarded all costs of such litigation, including reason-  
50 able attorney's fees.

51 4. No individual or entity other than a Member State may enforce this  
52 Compact against the Commission.

### 53 ARTICLE 13 - EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

1 A. The Compact shall come into effect on the date on which the Compact  
2 statute is enacted into law in the seventh Member State.

3 1. On or after the effective date of the Compact, the Commission shall  
4 convene and review the enactment of each of the Charter Member States to  
5 determine if the statute enacted by each such Charter Member State is  
6 materially different than the model Compact statute.

7 a. A Charter Member State whose enactment is found to be materially  
8 different from the model Compact statute shall be entitled to the  
9 default process set forth in Article 12.

10 b. If any Member State is later found to be in default, or is termi-  
11 nated or withdraws from the Compact, the Commission shall remain in  
12 existence and the Compact shall remain in effect even if the number of  
13 Member States should be less than seven (7).

14 2. Member States enacting the Compact subsequent to the Charter Member  
15 States shall be subject to the process set forth in Article 9.C.24 to  
16 determine if their enactments are materially different from the model  
17 Compact statute and whether they qualify for participation in the  
18 Compact.

19 3. All actions taken for the benefit of the Commission or in further-  
20 ance of the purposes of the administration of the Compact prior to the  
21 effective date of the Compact or the Commission coming into existence  
22 shall be considered to be actions of the Commission unless specifically  
23 repudiated by the Commission.

24 4. Any State that joins the Compact shall be subject to the Commis-  
25 sion's Rules and bylaws as they exist on the date on which the Compact  
26 becomes law in that State. Any Rule that has been previously adopted by  
27 the Commission shall have the full force and effect of law on the day  
28 the Compact becomes law in that State.

29 B. Any Member State may withdraw from this Compact by enacting a stat-  
30 ute repealing that State's enactment of the Compact.

31 1. A Member State's withdrawal shall not take effect until one hundred  
32 eighty (180) days after enactment of the repealing statute.

33 2. Withdrawal shall not affect the continuing requirement of the with-  
34 drawing State's State Licensing Authority to comply with the investi-  
35 gative and Adverse Action reporting requirements of this Compact prior  
36 to the effective date of withdrawal.

37 3. Upon the enactment of a statute withdrawing from this Compact, a  
38 State shall immediately provide notice of such withdrawal to all Licen-  
39 sees within that State. Notwithstanding any subsequent statutory enact-  
40 ment to the contrary, such withdrawing State shall continue to recognize  
41 all licenses granted pursuant to this Compact for a minimum of one  
42 hundred eighty (180) days after the date of such notice of withdrawal.

43 C. Nothing contained in this Compact shall be construed to invalidate  
44 or prevent any licensure agreement or other cooperative arrangement  
45 between a Member State and a non-Member State that does not conflict  
46 with the provisions of this Compact.

47 D. This Compact may be amended by the Member States. No amendment to  
48 this Compact shall become effective and binding upon any Member State  
49 until it is enacted into the laws of all Member States.

50 ARTICLE 14 - CONSTRUCTION AND SEVERABILITY

51 A. This Compact and the Commission's rulemaking authority shall be  
52 liberally construed so as to effectuate the purposes, and the implemen-  
53 tation and administration of the Compact. Provisions of the Compact  
54 expressly authorizing or requiring the promulgation of Rules shall not

1 be construed to limit the Commission's rulemaking authority solely for  
2 those purposes.

3 B. The provisions of this Compact shall be severable and if any  
4 phrase, clause, sentence or provision of this Compact is held by a court  
5 of competent jurisdiction to be contrary to the constitution of any  
6 Member State, a State seeking participation in the Compact, or of the  
7 United States, or the applicability thereof to any government, agency,

33 its operation to the clause, sentence, paragraph, subdivision, section,  
34 or part thereof directly involved in the controversy in which such judg-  
35 ment shall have been rendered. It is hereby declared to be the intent of  
36 the legislature that this act would have been enacted even if such  
37 invalid provisions had not been included herein.

39 section one of this act shall take effect as specifically set forth in  
40 such section and section two of this act shall take effect on the thir-
