26 C. Individuals not residing in a Member State shall continue to be
27 able to apply for a Member State's Single-State License as provided
28 under the laws of each Member State. However, the Single-State License
29 granted to these individuals shall not be recognized as granting a
30 Multistate License to provide services in any other Member State.

31 D. Nothing in this Compact shall affect the requirements established
32 by a Member State for the issuance of a Single-State License.

33 E. A Multistate License issued to a Licensee by a Home State to a
34 resident of that State shall be recognized by each Member State as
35 authorizing a Licensee to practice Cosmetology in each Member State.

36 F. At no point shall the Commission have the power to define the
37 educational or professional requirements for a license to practice
38 Cosmetology. The Member States shall retain sole jurisdiction over the
39 provision of these requirements.

40 ARTICLE 4 - MULTISTATE LICENSE

41 A. To be eligible to apply to their Home State's State Licensing
42 Authority for an initial Multistate License under this Compact, a Licen-

48 ments for a Multistate License under this Compact.

49 C. If an applicant meets the requirements for a Multistate License
50 under this Compact and any applicable Rules of the Commission, the State
51 Licensing Authority in receipt of the application shall, within a
52 reasonable time, grant a Multistate License to that applicant, and
53 inform all Member States of the grant of said Multistate License.

1 D. A Multistate License to practice Cosmetology issued by a Member
2 State's State Licensing Authority shall be recognized by each Member
3 State as authorizing the practice thereof as though that Licensee held a
4 Single-State License to do so in each Member State, subject to the
5 restrictions herein.

6 E. A Multistate License granted pursuant to this Compact may be effec-
7 tive for a definite period of time, concurrent with the licensure
8 renewal period in the Home State.

9 F. To maintain a Multistate License under this Compact, a Licensee
10 must:

11 1. Agree to abide by the rules of the State Licensing Authority, and

19 practice laws governing Cosmetology Services in that State.

20 H. The Practice of Cosmetology under a Multistate License granted
21 pursuant to this Compact will subject the Licensee to the jurisdiction
22 of the State Licensing Authority, the courts, and the laws of the Member
23 State in which the Cosmetology Services are provided.

24 ARTICLE 5 - REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME STATE

25 A. A Licensee may hold a Multistate License, issued by their Home
26 State, in only one Member State at any given time.

27 B. If a Licensee changes their Home State by moving between two Member
28 States:

29 1. The Licensee shall immediately apply for the reissuance of their
30 Multistate License in their new Home State. The Licensee shall pay all
31 applicable fees and notify the prior Home State in accordance with the
32 Rules of the Commission.

33 2. Upon receipt of an application to reissue a Multistate License, the
34 new Home State shall verify that the Multistate License is active, unen-
35 cumbered and eligible for reissuance under the terms of the Compact and
36 the Rules of the Commission. The Multistate License issued by the prior
37 Home State will be deactivated and all Member States notified in accord-
38 ance with the applicable Rules adopted by the Commission.

39 3. If required for initial licensure, the new Home State may require a
40 Background Check as specified in the laws of that State, or the compli-
41 ance with any Jurisprudence Requirements of the new Home State.

42 4. Notwithstanding any other provision of this Compact, if a Licensee
43 does not meet the requirements set forth in this Compact for the reissu-
44 ance of a Multistate License by the new Home State, then the Licensee
45 shall be subject to the new Home State requirements for the issuance of
46 a Single-State License in that State.

47 C. If a Licensee changes their primary state of residence by moving
48 from a Member State to a non-Member State, or from a non-Member State to
49 a Member State, then the Licensee shall be subject to the State require-
50 ments for the issuance of a Single-State License in the new Home State.

51 D. Nothing in this Compact shall interfere with a Licensee's ability
52 to hold a Single-State License in multiple States; however, for the
53 purposes of this Compact, a Licensee shall have only one Home State, and
54 only one Multistate License.

1 E. Nothing in this Compact shall interfere with the requirements
2 established by a Member State for the issuance of a Single-State
3 License.

4 ARTICLE 6 - AUTHORITY OF THE COMPACT COMMISSION AND MEMBER STATE
5 LICENSING AUTHORITIES

6 A. Nothing in this Compact, nor any Rule or regulation of the Commis-
7 sion, shall be construed to limit, restrict, or in any way reduce the
8 ability of a Member State to enact and enforce laws, regulations, or
9 other rules related to the Practice of Cosmetology in that State, where
10 those laws, regulations, or other rules are not inconsistent with the
11 provisions of this Compact.

12 B. Insofar as practical, a Member State's State Licensing Authority
13 shall cooperate with the Commission and with each entity exercising
14 independent regulatory authority over the Practice of Cosmetology
15 according to the provisions of this Compact.

16 C. Discipline shall be the sole responsibility of the State in which
17 Cosmetology Services are provided. Accordingly, each Member State's
18 State Licensing Authority shall be responsible for receiving complaints
19 about individuals practicing Cosmetology in that State, and for communi-
20 cating all relevant Investigative Information about any such Adverse
21 Action to the other Member States through the Data System in addition to
22 any other methods the Commission may by Rule require.

23 ARTICLE 7 - ADVERSE ACTIONS

24 A. A Licensee's Home State shall have exclusive power to impose an
25 Adverse Action against a Licensee's Multistate License issued by the
26 Home State.

27 B. A Home State may take Adverse Action on a Multistate License based
28 on the Investigative Information, Current Significant Investigative
29 Information, or Adverse Action of a Remote State.

30 C. In addition to the powers conferred by State law, each Remote
31 State's State Licensing Authority shall have the power to:

32 1. Take Adverse Action against a Licensee's Authorization to Practice
33 Cosmetology through the Multistate License in that Member State,
34 provided that:

35 a. Only the Licensee's Home State shall have the power to take Adverse
36 Action against the Multistate License issued by the Home State; and

37 b. For the purposes of taking Adverse Action, the Home State's State
38 Licensing Authority shall give the same priority and effect to reported
39 conduct received from a Remote State as it would if such conduct had
40 occurred within the Home State. In so doing, the Home State shall apply
41 its own State laws to determine the appropriate action.

42 2. Issue cease and desist orders or impose an Encumbrance on a
43 Licensee's Authorization to Practice within that Member State.

44 3. Complete any pending investigations of a Licensee who changes their
45 primary state of residence during the course of such an investigation.
46 The State Licensing Authority shall also be empowered to report the
47 results of such an investigation to the Commission through the Data
48 System as described herein.

49 4. Issue subpoenas for both hearings and investigations that require
50 the attendance and testimony of witnesses, as well as the production of
51 evidence. Subpoenas issued by a State Licensing Authority in a Member
52 State for the attendance and testimony of witnesses or the production of

evidence from another Member State shall be enforced in the latter State by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings before it. The issuing State Licensing Authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the State in which the witnesses or evidence are located.

5. If otherwise permitted by State law, recover from the affected Licensee the costs of investigations and disposition of cases resulting from any Adverse Action taken against that Licensee.

6. Take Adverse Action against the Licensee's Authorization to Practice in that State based on the factual findings of another Remote State.

D. A Licensee's Home State shall complete any pending investigation(s) of a Cosmetologist who changes their primary state of residence during the course of the investigation(s). The Home State shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the Data System.

E. If an Adverse Action is taken by the Home State against a Licensee's Multistate License, the Licensee's Authorization to Practice in all other Member States shall be deactivated until all Encumbrances have been removed from the Home State license. All Home State disciplinary orders that impose an Adverse Action against a Licensee's Multistate License shall include a statement that the Cosmetologist's Authorization to Practice is deactivated in all Member States during the pendency of the order.

F. Nothing in this Compact shall override a Member State's authority to accept a Licensee's participation in an Alternative Program in lieu of Adverse Action. A Licensee's Multistate License shall be suspended for the duration of the Licensee's participation in any Alternative Program.

G. Joint Investigations

1. In addition to the authority granted to a Member State by its respective scope of practice laws or other applicable State law, a Member State may participate with other Member States in joint investigations of Licensees.

2. Member States shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the Compact.

ARTICLE 8 - ACTIVE MILITARY MEMBERS AND THEIR SPOUSES

Active Military Members, or their spouses, shall designate a Home State where the individual has a current license to practice Cosmetology in good standing. The individual may retain their Home State designation during any period of service when that individual or their spouse is on active duty assignment.

ARTICLE 9 - ESTABLISHMENT AND OPERATION OF THE COSMETOLOGY LICENSURE COMPACT COMMISSION

A. The Compact Member States hereby create and establish a joint government agency whose membership consists of all Member States that have enacted the Compact known as the Cosmetology Licensure Compact Commission. The Commission is an instrumentality of the Compact Member States acting jointly and not an instrumentality of any one State. The

1 Commission shall come into existence on or after the effective date of
2 the Compact as set forth in Article 13.

3 B. Membership, Voting, and Meetings

4 1. Each Member State shall have and be limited to one (1) delegate
5 selected by that Member State's State Licensing Authority.

6 2. The delegate shall be an administrator of the State Licensing
7 Authority of the Member State or their designee.

8 3. The Commission shall by Rule or bylaw establish a term of office
9 for delegates and may by Rule or bylaw establish term limits.

10 4. The Commission may recommend removal or suspension of any delegate
11 from office.

16 voted on by the Commission.

17 7. The Commission shall meet at least once during each calendar year.

36 but not limited to, employees of a Member State;

37 10. Conduct an annual financial review;

38 11. Hire employees, elect or appoint officers, fix compensation,
39 define duties, grant such individuals appropriate authority to carry out
40 the purposes of the Compact, and establish the Commission's personnel
41 policies and programs relating to conflicts of interest, qualifications
42 of personnel, and other related personnel matters;

43 12. As set forth in the Commission Rules, charge a fee to a Licensee
44 for the grant of a Multistate License and thereafter, as may be estab-
45 lished by Commission Rule, charge the Licensee a Multistate License
46 renewal fee for each renewal period. Nothing herein shall be construed
47 to prevent a Home State from charging a Licensee a fee for a Multistate
48 License or renewals of a Multistate License, or a fee for the jurispru-
49 dence requirement if the Member State imposes such a requirement for the
50 grant of a Multistate License;

51 13. Assess and collect fees;

52 14. Accept any and all appropriate gifts, donations, grants of money,

22 achieve the purposes of this Compact.

39 notice shall include the mechanism for access to the meeting.

40 4. The Commission may convene in a closed, non-public meeting for the
41 Commission to discuss:

42 a. Non-compliance of a Member State with its obligations under the
43 Compact;

45 tices or procedures related to specific employees or other matters
46 related to the Commission's internal personnel practices and procedures;

48 by a Member State's Licensing Authority;

49 d. Current, threatened, or reasonably anticipated litigation;

50 e. Negotiation of contracts for the purchase, lease, or sale of goods,
51 services, or real estate;

52 f. Accusing any person of a crime or formally censuring any person;

53 g. Trade secrets or commercial or financial information that is privi-
54 leged or confidential;

55 h. Information of a personal nature where disclosure would constitute
56 a clearly unwarranted invasion of personal privacy;

- 1 i. Investigative records compiled for law enforcement purposes;
2 j. Information related to any investigative reports prepared by or on
3 behalf of or for use of the Commission or other committee charged with
4 responsibility of investigation or determination of compliance issues
5 pursuant to the Compact;
6 k. Legal advice;
7 l. Matters specifically exempted from disclosure to the public by
8 federal or Member State law; or
9 m. Other matters as promulgated by the Commission by Rule.

10 5. If a meeting, or portion of a meeting, is closed, the presiding
11 officer shall state that the meeting will be closed and reference each
12 relevant exempting provision, and such reference shall be recorded in
13 the minutes.

14 6. The Commission shall keep minutes that fully and clearly describe
15 all matters discussed in a meeting and shall provide a full and accurate
16 summary of actions taken, and the reasons therefore, including a
17 description of the views expressed. All documents considered in
18 connection with an action shall be identified in such minutes. All
19 minutes and documents of a closed meeting shall remain under seal,
20 subject to release only by a majority vote of the Commission or order of
21 a court of competent jurisdiction.

22 G. Financing of the Commission

23 1. The Commission shall pay, or provide for the payment of, the
24 reasonable expenses of its establishment, organization, and ongoing
25 activities.

26 2. The Commission may accept any and all appropriate sources of reven-
27 ue, donations, and grants of money, equipment, supplies, materials, and
28 services.

29 3. The Commission may levy on and collect an annual assessment from
30 each Member State and impose fees on Licensees of Member States to whom
31 it grants a Multistate License to cover the cost of the operations and
32 activities of the Commission and its staff, which must be in a total
33 amount sufficient to cover its annual budget as approved each year for
34 which revenue is not provided by other sources. The aggregate annual
35 assessment amount for Member States shall be allocated based upon a
36 formula that the Commission shall promulgate by Rule.

37 4. The Commission shall not incur obligations of any kind prior to
38 securing the funds adequate to meet the same; nor shall the Commission
39 pledge the credit of any Member States, except by and with the authority
40 of the Member State.

41 5. The Commission shall keep accurate accounts of all receipts and
42 disbursements. The receipts and disbursements of the Commission shall be
43 subject to the financial review and accounting procedures established
44 under its bylaws. All receipts and disbursements of funds handled by the
45 Commission shall be subject to an annual financial review by a certified
46 or licensed public accountant, and the report of the financial review
47 shall be included in and become part of the annual report of the Commis-
48 sion.

49 H. Qualified Immunity, Defense, and Indemnification

50 1. The members, officers, executive director, employees and represen-
51 tatives of the Commission shall be immune from suit and liability, both
52 personally and in their official capacity, for any claim for damage to
53 or loss of property or personal injury or other civil liability caused
54 by or arising out of any actual or alleged act, error, or omission that
55 occurred, or that the person against whom the claim is made had a
56 reasonable basis for believing occurred within the scope of Commission

1 employment, duties or responsibilities; provided that nothing in this
2 paragraph shall be construed to protect any such person from suit or
3 liability for any damage, loss, injury, or liability caused by the
4 intentional or willful or wanton misconduct of that person. The procure-
5 ment of insurance of any type by the Commission shall not in any way
6 compromise or limit the immunity granted hereunder.

7 2. The Commission shall defend any member, officer, executive direc-
8 tor, employee, and representative of the Commission in any civil action
9 seeking to impose liability arising out of any actual or alleged act,
10 error, or omission that occurred within the scope of Commission employ-
11 ment, duties, or responsibilities, or as determined by the Commission
12 that the person against whom the claim is made had a reasonable basis
13 for believing occurred within the scope of Commission employment,
14 duties, or responsibilities; provided that nothing herein shall be
15 construed to prohibit that person from retaining their own counsel at
16 their own expense; and provided further, that the actual or alleged act,
17 error, or omission did not result from that person's intentional or
18 willful or wanton misconduct.

19 3. The Commission shall indemnify and hold harmless any member, offi-
20 cer, executive director, employee, and representative of the Commission
21 for the amount of any settlement or judgment obtained against that
22 person arising out of any actual or alleged act, error, or omission that
23 occurred within the scope of Commission employment, duties, or responsi-
24 bilities, or that such person had a reasonable basis for believing
25 occurred within the scope of Commission employment, duties, or responsi-
26 bilities, provided that the actual or alleged act, error, or omission
27 did not result from the intentional or willful or wanton misconduct of
28 that person.

29 4. Nothing herein shall be construed as a limitation on the liability
30 of any Licensee for professional malpractice or misconduct, which shall
31 be governed solely by any other applicable State laws.

32 5. Nothing in this Compact shall be interpreted to waive or otherwise
33 abrogate a Member State's State action immunity or State action affirma-
34 tive defense with respect to antitrust claims under the Sherman Act,
35 Clayton Act, or any other State or federal antitrust or anticompetitive
36 law or regulation.

37 6. Nothing in this Compact shall be construed to be a waiver of sover-
38 ign immunity by the Member States or by the Commission.

39 ARTICLE 10 - DATA SYSTEM

40 A. The Commission shall provide for the development, maintenance,
41 operation, and utilization of a coordinated database and reporting
42 system.

43 B. The Commission shall assign each applicant for a Multistate License
44 a unique identifier, as determined by the Rules of the Commission.

45 C. Notwithstanding any other provision of State law to the contrary, a
46 Member State shall submit a uniform data set to the Data System on all
47 individuals to whom this Compact is applicable as required by the Rules
48 of the Commission, including:

49 1. Identifying information;

50 2. Licensure data;

51 3. Adverse Actions against a license and information related thereto;

52 4. Non-confidential information related to Alternative Program partic-
53 ipation, the beginning and ending dates of such participation, and other
54 information related to such participation;

1 5. Any denial of application for licensure, and the reason(s) for such
2 denial (excluding the reporting of any criminal history record informa-
3 tion where prohibited by law);

4 6. The existence of Investigative Information;

5 7. The existence of Current Significant Investigative Information; and

6 8. Other information that may facilitate the administration of this
7 Compact or the protection of the public, as determined by the Rules of
8 the Commission.

9 D. The records and information provided to a Member State pursuant to
10 this Compact or through the Data System, when certified by the Commis-
11 sion or an agent thereof, shall constitute the authenticated business
12 records of the Commission, and shall be entitled to any associated hear-
13 say exception in any relevant judicial, quasi-judicial or administrative
14 proceedings in a Member State.

15 E. The existence of Current Significant Investigative Information and
16 the existence of Investigative Information pertaining to a Licensee in
17 any Member State will only be available to other Member States.

18 F. It is the responsibility of the Member States to monitor the data-
19 base to determine whether Adverse Action has been taken against such a
20 Licensee or License applicant. Adverse Action information pertaining to
21 a Licensee or License applicant in any Member State will be available to
22 any other Member State.

23 G. Member States contributing information to the Data System may
24 designate information that may not be shared with the public without the
25 express permission of the contributing State.

26 H. Any information submitted to the Data System that is subsequently
27 expunged pursuant to federal law or the laws of the Member State
28 contributing the information shall be removed from the Data System.

29 ARTICLE 11 - RULEMAKING

30 A. The Commission shall promulgate reasonable Rules in order to effec-
31 tively and efficiently implement and administer the purposes and
32 provisions of the Compact. A Rule shall be invalid and have no force or
33 effect only if a court of competent jurisdiction holds that the Rule is
34 invalid because the Commission exercised its rulemaking authority in a
35 manner that is beyond the scope and purposes of the Compact, or the
36 powers granted hereunder, or based upon another applicable standard of
37 review.

38 B. The Rules of the Commission shall have the force of law in each
39 Member State, provided however that where the Rules of the Commission
40 conflict with the laws of the Member State that establish the Member
41 State's scope of practice laws governing the Practice of Cosmetology as
42 held by a court of competent jurisdiction, the Rules of the Commission
43 shall be ineffective in that State to the extent of the conflict.

44 C. The Commission shall exercise its rulemaking powers pursuant to the
45 criteria set forth in this Article and the Rules adopted thereunder.
46 Rules shall become binding as of the date specified by the Commission
47 for each Rule.

48 D. If a majority of the legislatures of the Member States rejects a
49 Rule or portion of a Rule, by enactment of a statute or resolution in
50 the same manner used to adopt the Compact within four (4) years of the
51 date of adoption of the Rule, then such Rule shall have no further force
52 and effect in any Member State or to any State applying to participate
53 in the Compact.

1 E. Rules shall be adopted at a regular or special meeting of the
2 Commission.

3 F. Prior to adoption of a proposed Rule, the Commission shall hold a
4 public hearing and allow persons to provide oral and written comments,
5 data, facts, opinions, and arguments.

6 G. Prior to adoption of a proposed Rule by the Commission, and at
7 least thirty (30) days in advance of the meeting at which the Commission
8 will hold a public hearing on the proposed Rule, the Commission shall
9 provide a notice of proposed rulemaking:

10 1. On the website of the Commission or other publicly accessible plat-
11 form;

12 2. To persons who have requested notice of the Commission's notices of
13 proposed rulemaking; and

14 3. In such other way(s) as the Commission may by Rule specify.

15 H. The notice of proposed rulemaking shall include:

16 1. The time, date, and location of the public hearing at which the
17 Commission will hear public comments on the proposed Rule and, if
18 different, the time, date, and location of the meeting where the Commis-
19 sion will consider and vote on the proposed Rule;

20 2. If the hearing is held via telecommunication, video conference, or
21 other electronic means, the Commission shall include the mechanism for
22 access to the hearing in the notice of proposed rulemaking;

23 3. The text of the proposed Rule and the reason therefor;

24 4. A request for comments on the proposed Rule from any interested
25 person; and

26 5. The manner in which interested persons may submit written comments.

27 I. All hearings will be recorded. A copy of the recording and all
28 written comments and documents received by the Commission in response to
29 the proposed Rule shall be available to the public.

30 J. Nothing in this Article shall be construed as requiring a separate
31 hearing on each Rule. Rules may be grouped for the convenience of the
32 Commission at hearings required by this Article.

33 K. The Commission shall, by majority vote of all members, take final
34 action on the proposed Rule based on the rulemaking record and the full
35 text of the Rule.

36 1. The Commission may adopt changes to the proposed Rule provided the
37 changes do not enlarge the original purpose of the proposed Rule.

38 2. The Commission shall provide an explanation of the reasons for
39 substantive changes made to the proposed Rule as well as reasons for
40 substantive changes not made that were recommended by commenters.

41 3. The Commission shall determine a reasonable effective date for the
42 Rule. Except for an emergency as provided in Article 11.L, the effective
43 date of the Rule shall be no sooner than forty-five (45) days after the
44 Commission issuing the notice that it adopted or amended the Rule.

45 L. Upon determination that an emergency exists, the Commission may
46 consider and adopt an emergency Rule with five (5) days' notice, with
47 opportunity to comment, provided that the usual rulemaking procedures
48 provided in the Compact and in this Article shall be retroactively
49 applied to the Rule as soon as reasonably possible, in no event later
50 than ninety (90) days after the effective date of the Rule. For the
51 purposes of this provision, an emergency Rule is one that must be
52 adopted immediately to:

53 1. Meet an imminent threat to public health, safety, or welfare;

54 2. Prevent a loss of Commission or Member State funds;

55 3. Meet a deadline for the promulgation of a Rule that is established
56 by federal law or rule; or

1 4. Protect public health and safety.

2 M. The Commission or an authorized committee of the Commission may
3 direct revisions to a previously adopted Rule for purposes of correcting
4 typographical errors, errors in format, errors in consistency, or gram-
5 matical errors. Public notice of any revisions shall be posted on the
6 website of the Commission. The revision shall be subject to challenge by
7 any person for a period of thirty (30) days after posting. The revision
8 may be challenged only on grounds that the revision results in a materi-
9 al change to a Rule. A challenge shall be made in writing and delivered
10 to the Commission prior to the end of the notice period. If no challenge
11 is made, the revision will take effect without further action. If the
12 revision is challenged, the revision may not take effect without the
13 approval of the Commission.

14 N. No Member State's rulemaking requirements shall apply under this
15 Compact.

16 ARTICLE 12 - OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

17 A. Oversight

18 1. The executive and judicial branches of State government in each
19 Member State shall enforce this Compact and take all actions necessary
20 and appropriate to implement the Compact.

21 2. Venue is proper and judicial proceedings by or against the Commis-
22 sion shall be brought solely and exclusively in a court of competent
23 jurisdiction where the principal office of the Commission is located.
24 The Commission may waive venue and jurisdictional defenses to the extent
25 it adopts or consents to participate in alternative dispute resolution
26 proceedings. Nothing herein shall affect or limit the selection or
27 propriety of venue in any action against a Licensee for professional
28 malpractice, misconduct or any such similar matter.

29 3. The Commission shall be entitled to receive service of process in
30 any proceeding regarding the enforcement or interpretation of the
31 Compact and shall have standing to intervene in such a proceeding for
32 all purposes. Failure to provide the Commission service of process
33 shall render a judgment or order void as to the Commission, this
34 Compact, or promulgated Rules.

35 B. Default, Technical Assistance, and Termination

36 1. If the Commission determines that a Member State has defaulted in
37 the performance of its obligations or responsibilities under this
38 Compact or the promulgated Rules, the Commission shall provide written
39 notice to the defaulting State. The notice of default shall describe the
40 default, the proposed means of curing the default, and any other action
41 that the Commission may take, and shall offer training and specific
42 technical assistance regarding the default.

43 2. The Commission shall provide a copy of the notice of default to the
44 other Member States.

45 3. If a State in default fails to cure the default, the defaulting
46 State may be terminated from the Compact upon an affirmative vote of a
47 majority of the delegates of the Member States, and all rights, privi-
48 leges and benefits conferred on that State by this Compact may be termi-
49 nated on the effective date of termination. A cure of the default does
50 not relieve the offending State of obligations or liabilities incurred
51 during the period of default.

52 4. Termination of membership in the Compact shall be imposed only
53 after all other means of securing compliance have been exhausted. Notice
54 of intent to suspend or terminate shall be given by the Commission to

1 the governor, the majority and minority leaders of the defaulting
2 State's legislature, the defaulting State's State Licensing Authority
3 and each of the Member States' State Licensing Authority.

4 5. A State that has been terminated is responsible for all assess-
5 ments, obligations, and liabilities incurred through the effective date
6 of termination, including obligations that extend beyond the effective
7 date of termination.

8 6. Upon the termination of a State's membership from this Compact,
9 that State shall immediately provide notice to all Licensees who hold a
10 Multistate License within that State of such termination. The terminated
11 State shall continue to recognize all licenses granted pursuant to this
12 Compact for a minimum of one hundred eighty (180) days after the date of
13 said notice of termination.

14 7. The Commission shall not bear any costs related to a State that is
15 found to be in default or that has been terminated from the Compact,
16 unless agreed upon in writing between the Commission and the defaulting
17 State.

18 8. The defaulting State may appeal the action of the Commission by
19 petitioning the United States District Court for the District of Colum-
20 bia or the federal district where the Commission has its principal
21 offices. The prevailing party shall be awarded all costs of such liti-
22 gation, including reasonable attorney's fees.

23 C. Dispute Resolution

24 1. Upon request by a Member State, the Commission shall attempt to
25 resolve disputes related to the Compact that arise among Member States
26 and between Member and non-Member States.

27 2. The Commission shall promulgate a Rule providing for both mediation
28 and binding dispute resolution for disputes as appropriate.

29 D. Enforcement

30 1. The Commission, in the reasonable exercise of its discretion, shall
31 enforce the provisions of this Compact and the Commission's Rules.

32 2. By majority vote as provided by Commission Rule, the Commission may
33 initiate legal action against a Member State in default in the United
34 States District Court for the District of Columbia or the federal
35 district where the Commission has its principal offices to enforce
36 compliance with the provisions of the Compact and its promulgated Rules.
37 The relief sought may include both injunctive relief and damages. In the
38 event judicial enforcement is necessary, the prevailing party shall be
39 awarded all costs of such litigation, including reasonable attorney's
40 fees. The remedies herein shall not be the exclusive remedies of the
41 Commission. The Commission may pursue any other remedies available under
42 federal or the defaulting Member State's law.

43 3. A Member State may initiate legal action against the Commission in
44 the United States District Court for the District of Columbia or the
45 federal district where the Commission has its principal offices to
46 enforce compliance with the provisions of the Compact and its promulgat-
47 ed Rules. The relief sought may include both injunctive relief and
48 damages. In the event judicial enforcement is necessary, the prevailing
49 party shall be awarded all costs of such litigation, including reason-
50 able attorney's fees.

51 4. No individual or entity other than a Member State may enforce this
52 Compact against the Commission.

53 ARTICLE 13 - EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

1 A. The Compact shall come into effect on the date on which the Compact
2 statute is enacted into law in the seventh Member State.

3 1. On or after the effective date of the Compact, the Commission shall
4 convene and review the enactment of each of the Charter Member States to
5 determine if the statute enacted by each such Charter Member State is
6 materially different than the model Compact statute.

7 a. A Charter Member State whose enactment is found to be materially
8 different from the model Compact statute shall be entitled to the
9 default process set forth in Article 12.

10 b. If any Member State is later found to be in default, or is termi-
11 nated or withdraws from the Compact, the Commission shall remain in
12 existence and the Compact shall remain in effect even if the number of
13 Member States should be less than seven (7).

14 2. Member States enacting the Compact subsequent to the Charter Member
15 States shall be subject to the process set forth in Article 9.C.24 to
16 determine if their enactments are materially different from the model
17 Compact statute and whether they qualify for participation in the
18 Compact.

19 3. All actions taken for the benefit of the Commission or in further-
20 ance of the purposes of the administration of the Compact prior to the
21 effective date of the Compact or the Commission coming into existence
22 shall be considered to be actions of the Commission unless specifically
23 repudiated by the Commission.

24 4. Any State that joins the Compact shall be subject to the Commis-
25 sion's Rules and bylaws as they exist on the date on which the Compact
26 becomes law in that State. Any Rule that has been previously adopted by
27 the Commission shall have the full force and effect of law on the day
28 the Compact becomes law in that State.

29 B. Any Member State may withdraw from this Compact by enacting a stat-
30 ute repealing that State's enactment of the Compact.

31 1. A Member State's withdrawal shall not take effect until one hundred
32 eighty (180) days after enactment of the repealing statute.

33 2. Withdrawal shall not affect the continuing requirement of the with-
34 drawing State's State Licensing Authority to comply with the investi-
35 gative and Adverse Action reporting requirements of this Compact prior
36 to the effective date of withdrawal.

37 3. Upon the enactment of a statute withdrawing from this Compact, a
38 State shall immediately provide notice of such withdrawal to all Licen-
39 sees within that State. Notwithstanding any subsequent statutory enact-
40 ment to the contrary, such withdrawing State shall continue to recognize
41 all licenses granted pursuant to this Compact for a minimum of one
42 hundred eighty (180) days after the date of such notice of withdrawal.

43 C. Nothing contained in this Compact shall be construed to invalidate
44 or prevent any licensure agreement or other cooperative arrangement
45 between a Member State and a non-Member State that does not conflict
46 with the provisions of this Compact.

47 D. This Compact may be amended by the Member States. No amendment to
48 this Compact shall become effective and binding upon any Member State
49 until it is enacted into the laws of all Member States.

50 ARTICLE 14 - CONSTRUCTION AND SEVERABILITY

51 A. This Compact and the Commission's rulemaking authority shall be
52 liberally construed so as to effectuate the purposes, and the implemen-
53 tation and administration of the Compact. Provisions of the Compact
54 expressly authorizing or requiring the promulgation of Rules shall not

1 be construed to limit the Commission's rulemaking authority solely for
2 those purposes.

3 B. The provisions of this Compact shall be severable and if any
4 phrase, clause, sentence or provision of this Compact is held by a court
5 of competent jurisdiction to be contrary to the constitution of any
6 Member State, a State seeking participation in the Compact, or of the
7 United States, or the applicability thereof to any government, agency,
8 person or circumstance is held to be unconstitutional by a court of
9 competent jurisdiction, the validity of the remainder of this Compact
10 and the applicability thereof to any other government, agency, person or
11 circumstance shall not be affected thereby.

12 C. Notwithstanding Article 14.B, the Commission may deny a State's
13 participation in the Compact or, in accordance with the requirements of
14 Article 12, terminate a Member State's participation in the Compact, if
15 it determines that a constitutional requirement of a Member State is a
16 material departure from the Compact. Otherwise, if this Compact shall be
17 held to be contrary to the constitution of any Member State, the Compact
18 shall remain in full force and effect as to the remaining Member States
19 and in full force and effect as to the Member State affected as to all
20 severable matters.

21 ARTICLE 15 - CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

22 A. Nothing herein shall prevent or inhibit the enforcement of any
23 other law of a Member State that is not inconsistent with the Compact.

24 B. Any laws, statutes, regulations, or other legal requirements in a
25 Member State in conflict 845 with the Compact are superseded to the
26 extent of the conflict.

27 C. All permissible agreements between the Commission and the Member
28 States are binding in accordance with their terms.

29 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
30 sion, section, or part of this act shall be adjudged by any court of
31 competent jurisdiction to be invalid, such judgment shall not affect,
32 impair, or invalidate the remainder thereof, but shall be confined in
33 its operation to the clause, sentence, paragraph, subdivision, section,
34 or part thereof directly involved in the controversy in which such judg-
35 ment shall have been rendered. It is hereby declared to be the intent of
36 the legislature that this act would have been enacted even if such
37 invalid provisions had not been included herein.

38 § 3. This act shall take effect immediately; provided, however, that
39 section one of this act shall take effect as specifically set forth in
40 such section and section two of this act shall take effect on the thir-
41 tieth day after it shall have become a law. Effective immediately, the
42 addition, amendment and/or repeal of any rule or regulation necessary
43 for the implementation of this act on its effective date are authorized
44 to be made and completed on or before such effective date.
