AN ACT in relation to authorizing the state university of New York at  
Farmingdale to lease certain lands to the Farmingdale state develop-  
ment corporation

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that the state  
2 university of New York at Farmingdale ("Farmingdale") seeks to use  
3 approximately 9.26 acres of underutilized land on Farmingdale's campus  
4 for the purpose of multi-purpose facilities to support housing needs and  
5 supporting amenities, fulfilling a necessary and vital public purpose.  
6 The legislature further finds that granting the trustees of the state  
7 university of New York ("Trustees") the authority and power to lease and  
8 otherwise contract to make available grounds and facilities of the Farm-  
9 ingdale campus will ensure such land is utilized for the benefit of  
10 Farmingdale, the surrounding community, and the general public.

11 § 2. Notwithstanding any other law to the contrary, the state univer-  
12 sity Trustees are authorized and empowered, without any public bidding,  
13 to lease and otherwise contract to make available to Farmingdale state  
14 development corporation, a not-for-profit corporation (the "ground  
15 lessee"), a portion of the lands of the university generally described  
16 in this act for the purpose of developing, constructing, maintaining and  
17 operating multi-purpose facilities to support housing needs and support-  
18 ing amenities. Such lease or contract shall be for a period not exceed-  
19 ing ninety-nine years without any fee simple conveyance and otherwise  
20 upon terms and conditions determined by such Trustees, subject to the  
21 approval of the director of the division of the budget, the attorney  
22 general and the state comptroller. In the event that the real property  
23 that is the subject of such lease or contract shall cease to be used for  
24 the purpose described in this act, such lease or contract shall imme-  
25 diately terminate and the real property and any improvements thereon

20 for construction, demolition, reconstruction, excavation, rehabili-  
21 tation, repair, renovation, alteration or improvement shall be deemed  
22 public work and shall be subject to and performed in accordance with the  
23 provisions of article 8 of the labor law to the same extent and in the  
24 same manner as a contract of the state, and compliance with all the  
25 provisions of article 8 of the labor law shall be required of any  
26 lessee, sublessee, contractor or subcontractor on the project, including

37 in the displacement of any currently employed state worker or the loss  
38 of position (including partial displacement such as reduction in the  
39 hours of non-overtime, wages or employment benefits), or result in the  
40 impairment of existing contracts for services or collective bargaining  
41 rights pursuant to existing agreements. All positions currently at the  
42 state university of New York in the unclassified service of the civil  
43 service law shall remain in the unclassified service. No services or

6 negotiated agreement with the labor organization can perform project  
7 work.

8 § 7. Nothing in this act shall be deemed to waive or impair any rights  
9 or benefits of employees of the state university of New York that other-  
10 wise would be available to them pursuant to the terms of agreements  
11 between the certified representatives of such employees and the state of  
12 New York pursuant to article 14 of the civil service law; all work  
13 performed on such property that ordinarily would be performed by employ-  
14 ees subject to article 14 of the civil service law shall continue to be  
15 performed by such employees.
