1. The economic well-being of the county and the general welfare of its people require adequate, and accessible performing arts centers, athletic fields, educational facilities, and residential facilities.

2. The preservation and safeguarding of facilities at risk of being underutilized and becoming blighted is a matter of vital importance not only to the residents of the capital district but to all the state's residents and is, therefore, a matter of state concern.

3. In order to ensure a healthy economy for such area and to promote the general welfare of its residents, it is necessary to maintain and improve the college of Saint Rose facilities and services in the county of Albany in such a manner as to stimulate and promote a healthy economy.

4. The general health and welfare of the state's residents requires coordinated operation of the college of Saint Rose facilities and services in the county of Albany by a public benefit authority.

5. The purposes of such authority shall be: (a) to promote accessible, efficient and economically productive use of the facilities; (b) to acquire, construct, reconstruct, continue, develop, equip, expand, improve, maintain, finance, and operate the college of Saint Rose facilities and services within the county of Albany; (c) to stimulate and promote economic development; and (d) to make contracts and leases and to execute all instruments necessary or convenient for its corporate purposes.

6. Such purposes are in all respects public purposes for the benefit of the people of the state of New York and for which public funds may be expended and both the county and the authority in carrying out their respective powers and duties under this title shall be deemed to be acting in a governmental capacity. The acquisition, construction, reconstruction, development, expansion, improvement, equipping, operation and maintenance of any project financed or undertaken by the authority or the county shall be deemed to be the performance of an essential governmental function by the authority or the county acting in its governmental capacity, whether such project shall be owned or operated by the authority or by any person or public corporation.

7. It is hereby found and declared that it has been and remains the policy of the state of New York to promote equal opportunity in employment for all persons, without discrimination on account of race, creed, color, national origin, sex, age, disability or marital status, to promote equality of economic opportunity for minority group members and women, and minority and women-owned business enterprises.

15 the principal of and interest on any general obligations bonds, notes,  
16 or other evidence of indebtedness of the county issued for or allocable  
17 to any project of the authority as the same shall become due and payable  
18 and any reserves therefor; (b) the cost of administering, maintaining,  
19 repairing and operating any project of the authority; (c) the cost of  
20 constructing capital improvements thereto pursuant to any agreement  
21 between the county and the authority; (d) any liabilities incurred for  
22 or allocable to any project of the authority including any liabilities  
23 of the county assumed by the authority pursuant to any agreement between  
24 the county and the authority, as the same become due and payable; (e)  
25 any requirements of any agreement including those relating to the estab-  
26 lishment of reserves for renewal and replacement and for uncollected  
27 rentals, rates, charges, and fees and covenants respecting rates and  
28 debt service and earnings coverage ratios; (f) all other reasonable and  
29 necessary expenses of the authority; and (g) the cost of such additional  
30 projects as may be at the time of the effective date of this title or  
31 hereafter authorized, by law and agreed to by the authority.

32 4. The authority may establish and, in the case of joint service  
33 arrangements, join with others in the establishment of such schedules  
34 and standards of operations and such other rules and regulations includ-  
35 ing but not limited to rules and regulations governing the conduct,  
36 safety, and security of the public as it may deem necessary, convenient,  
37 or desirable for the use, operation, and management of any project and  
38 related services operated or managed by the authority or under contract,  
39 lease or other arrangement, including joint service arrangements, with  
40 the authority. Such rules and regulations governing the conduct, safety,  
41 and security of the public shall be filed with the department of state  
42 in the manner provided by section one hundred two of the executive law.  
43 In the case of any conflict between any such rule or regulation of the  
44 authority governing the conduct, safety, and security of the public and  
45 any local law, ordinance, rule, or regulation, such rule or regulation  
46 of the authority shall prevail.

47 5. The authority may do all things it deems necessary, convenient, or  
48 desirable to manage, control, and direct the maintenance and operation  
49 of the college of Saint Rose facilities, equipment, or property operated  
50 by or under contract, lease, or other arrangement with the authority.  
51 Except as agreed to pursuant to any agreement between the authority and  
52 any public corporation and except as hereinafter specially provided, no  
53 municipality except for the county, shall have jurisdiction over any  
54 facilities of the authority or any of its activities or operations. The  
55 authority shall provide for such facilities police, fire, and health  
56 protection services.

1 6. The authority may accept unconditional grants of money or property  
2 from any municipality where the whole or any part of such municipality  
3 is served or is to be served by a facility operated by the authority.  
4 Such grants of money or property shall be for the purpose of assisting  
5 the authority in meeting its capital or operating expenses. The accept-  
6 ance of any such grant shall not operate to make the authority an agency  
7 of the municipality making such grant.

8 7. In any instance where the county is required by law, with respect  
9 to any of the college of Saint Rose facilities, to conduct a public  
10 hearing in connection with a contract, lease, joint service arrangement,  
11 charge, rental, or fee, the authority shall not enter into such  
12 contract, lease, joint service arrangement, or establish, fix, revise,  
13 or levy any charge, rental, concession fee, or other fee unless and  
14 until the authority has held a public hearing at which interested  
15 persons have had an opportunity to be heard concerning the same,  
16 provided, however, if the county has conducted a public hearing in  
17 connection with such contract, lease, joint service agreement, charge,  
18 rental, or fee, the authority shall not be required to hold a public  
19 hearing. Notice of such public hearing shall be published by the author-  
20 ity at least ten days before the date set therefor, in at least one  
21 newspaper of general circulation in the county. Such notice shall set  
22 forth the date, time, and place of such hearing and shall include a  
23 brief description of the matters to be considered at such meeting. At  
24 all such hearings, any interested persons shall have an opportunity to  
25 be heard concerning the matters under consideration. Any decision of the  
26 authority on matters considered at such public hearing shall be in writ-  
27 ing and be made available in the office of the authority for public  
28 inspection during regular office hours.

29 § 2676-h. Bonds of the authority. 1. The authority shall have the  
30 power and is hereby authorized from time to time to issue bonds, notes  
31 or other obligations to pay the cost of any project or for any other  
32 corporate purpose, including the establishment of reserves to secure the  
33 bonds, the payment of principal of, premium, if any, and interest on the  
34 bonds and the payment of incidental expenses in connection therewith.  
35 The aggregate principal amount of such bonds, notes, or other obli-  
36 gations outstanding shall not exceed eighty million dollars, excluding  
37 bonds, notes, or other obligations issued to refund or otherwise repay  
38 bonds, notes, or other obligations theretofore issued for such purposes;  
39 provided, however, that upon any such refunding or repayment the total  
40 aggregate principal amount of outstanding bonds, notes, or other obli-  
41 gations may be greater than eighty million dollars only if the present  
42 value of the aggregate debt service of the refunding or repayment bonds,  
43 notes, or other obligations to be issued shall not exceed the present  
44 value of the aggregate debt service of the bonds, notes, or other obli-  
45 gations so to be refunded or repaid. For purposes hereof, the present  
46 values of the aggregate debt service of the refunding or repayment  
47 bonds, notes, or other obligations and of the aggregate debt service of  
48 the bonds, notes, or other obligations so refunded or repaid, shall be  
49 calculated by utilizing the effective interest rate of the refunding or  
50 repayment bonds, notes, or other obligations, which shall be that rate  
51 arrived at by doubling the semi-annual interest rate (compounded semi-  
52 annually) necessary to discount the debt service payments on the refund-  
53 ing or repayment bonds, notes, or other obligations from the payment  
54 dates thereof to the date of issue of the refunding or repayment bonds,  
55 notes, or other obligations and to the price bid including estimated  
56 accrued interest or proceeds received by the authority including esti-

1 mated accrued interest from the sale thereof. The authority shall have  
2 power and is hereby authorized to enter into such agreements and perform  
3 such acts as may be required under any applicable federal legislation to  
4 secure a federal guarantee of any bonds.

5 2. The authority shall have power from time to time to renew bonds or  
6 to issue renewal bonds for such purpose, to issue bonds to pay bonds,  
7 and, whenever it deems refunding expedient, to refund any bond by the  
8 issuance of new bonds, whether the bonds to be refunded have or have not  
9 matured, and may issue bonds partly to refund bonds then outstanding and  
10 partly for any other corporate purpose of the authority. Bonds, other  
11 than notes or other evidence of indebtedness, issued for refunding  
12 purposes, which have a final maturity date longer than the maturity of  
13 the bonds being refunded, shall be approved by a resolution of the coun-  
14 ty legislature adopted by a majority vote and approved by the county  
15 executive. Bonds issued for refunding purposes shall be sold and the  
16 proceeds applied to the purchase, redemption, or payment of the bonds or  
17 notes to be refunded.

18 3. Bonds issued by the authority may be general obligations of the  
19 authority or may be special obligations payable solely out of particular  
20 revenues or other moneys as may be designated in the proceedings of the  
21 authority under which the bonds shall be authorized to be issued,  
22 subject as to priority only to any agreements with the holders of  
23 outstanding bonds pledging any particular property, revenues, or moneys.  
24 The authority may also enter into loan agreements, lines of credit and  
25 other security agreements and obtain for or on its behalf letters of  
26 credit, insurance, guarantees, or other credit enhancements to the  
27 extent now or hereafter available, in each case for securing its bonds  
28 or to provide direct payment of any costs which the authority is author-  
29 ized to pay.

30 4. (a) Bonds shall be authorized by resolution of the authority, be in  
31 such denominations and bear such date or dates and mature at such time  
32 or times, as such resolution may provide, provided that bonds and  
33 renewals thereof shall mature within forty years from the date of  
34 original issuance of any such bonds.

35 (b) Bonds shall be subject to such terms of redemption, bear interest  
36 at such rate or rates, be payable at such times, be in such form, either  
37 coupon or registered, carry such registration privileges, be executed in  
38 such manner, be payable in such medium of payment at such place or plac-  
39 es, and be subject to such terms and conditions as such resolution may  
40 provide. Notwithstanding any other provision of law, the bonds of the  
41 authority issued pursuant to this section shall be sold to the bidder  
42 offering the lowest true interest cost, taking into consideration any  
43 premium or discount not less than four nor more than fifteen days,  
44 Sundays excepted, after a notice of such sale has been published at  
45 least once in a newspaper of general circulation in the area served by  
46 the authority, which shall state the terms of the sale. The terms of the  
47 sale shall not change unless notice of such change is published in such  
48 newspaper at least one day prior to the date of the sale as set forth in  
49 the original notice of sale. Advertisements shall contain a provision to  
50 the effect that the authority, in its discretion, may reject any or all  
51 bids made in pursuance of such advertisements, and in the event of such  
52 rejection, the authority is authorized to negotiate a private or public  
53 sale or readvertise for bids in the form and manner above described as  
54 many times as, in its judgment, may be necessary to effect satisfactory  
55 sale.

1 (c) Notwithstanding paragraph (b) of this subdivision, whenever in the  
2 judgment of the authority the interests of the authority will be served  
3 thereby, the members of the authority, on the written recommendation of  
4 the chairperson, may authorize the sale of such bonds at private or  
5 public sale on a negotiated basis or on either a competitive or negoti-  
6 ated basis. The authority shall set guidelines governing the terms and  
7 conditions of any such private or public sales. The private or public  
8 bond sale guidelines set by the authority shall include, but not be  
9 limited to, a requirement that where the interests of the authority will  
10 be served by a private or public sale of bonds, the authority shall  
11 select underwriters for each private or public bond sale conducted  
12 pursuant to a request for proposal process and consideration of  
13 proposals from qualified underwriters taking into account, among other  
14 things, qualifications of underwriters as to experience, their ability  
15 to structure and sell authority bond issues, anticipated costs to the  
16 authority, the prior experience of the authority with the firm, if any,  
17 the capitalization of such firms, participation of qualified minority  
18 and women-owned business enterprise firms in such private or public  
19 sales of bonds of the authority and the experience and ability of firms  
20 under consideration to work with minority and women-owned business  
21 enterprises so as to promote and assist participation by such enter-  
22 prises.

23 (d) The authority shall have the power from time to time to amend such  
24 private bond sale guidelines in accordance with the provisions of this  
25 subdivision.

26 (e) No private or public bond sale on a negotiated basis shall be  
27 conducted by the authority without prior approval of the state comp-  
28 troller and the county comptroller. The authority shall annually prepare  
29 and approve a bond sale report which shall include the private or public  
30 bond sale guidelines as specified in this subdivision, amendments to  
31 such guidelines since the last private or public bond sale report, an  
32 explanation of the bond sale guidelines and amendments, and the results  
33 of any sale of bonds conducted during the fiscal year. Such bond sale  
34 report may be a part of any other annual report that the authority is  
35 required to make.

36 (f) The authority shall annually submit its bond sale report to the  
37 state comptroller and the county comptroller and copies thereof to the  
38 senate finance committee and the assembly ways and means committee.

39 (g) The authority shall make available to the public copies of its  
40 bond sale report upon reasonable request thereof.

41 (h) Nothing contained in this subdivision shall be deemed to alter,  
42 affect the validity of, modify the terms of or impair any contract or  
43 agreement made or entered into in violation of, or without compliance  
44 with, the provisions of this subdivision.

45 5. Any resolution or resolutions authorizing bonds or any issue of  
46 bonds may contain provisions which may be a part of the contract with  
47 the holders of the bonds thereby authorized as to:

48 (a) pledging all or part of the revenues, other monies or property of  
49 the authority to secure the payment of the bonds, or any costs of issu-  
50 ance thereof, including but not limited to any contracts, earnings, or  
51 proceeds of any grant to the authority received from any private or  
52 public source subject to such agreements with bond holders as may then  
53 exist;

54 (b) the setting aside of reserves and the creation of sinking funds  
55 and the regulation and disposition thereof;

1 (c) limitations on the purpose to which the proceeds from the sale of  
2 bonds may be applied;

3 (d) the rates, rents, fees, and other charges to be fixed and  
4 collected by the authority and the amount to be raised in each year  
5 thereby and the use and disposition of revenues;

6 (e) limitations on the right of the authority to restrict and regulate  
7 the use of the project or part thereof in connection with which bonds  
8 are issued;

9 (f) limitations on the issuance of additional bonds, the terms upon  
10 which additional bonds may be issued and secured and the refunding of  
11 outstanding or other bonds;

12 (g) the procedure, if any, by which the terms of any contract with  
13 bond holders shall be amended or abrogated, the amount of bonds the  
14 holders of which shall consent thereto, and the manner in which such  
15 consent shall be given;

16 (h) the creation of special funds into which any revenues or monies  
17 shall be deposited;

18 (i) the terms and provisions of any trust, mortgage, deed or indenture  
19 securing the bonds under which the bond shall be issued;

20 (j) vesting in a trustee or trustees such properties, rights, powers,  
21 and duties in trust as the authority may determine which may include any  
22 or all of the rights, powers, and duties of the trustees appointed by  
23 the bond holders to appoint a trustee pursuant to this title or limiting  
24 the rights, duties, and powers of such trustee;

25 (k) defining the acts or omissions to act which shall constitute a  
26 default in the obligations and duties of the authority to the bond hold-  
27 ers and providing for the rights and remedies of the bond holders in the  
28 event of such default, including as a matter of right appointment of a  
29 receiver, provided, however, that such rights and remedies shall not be  
30 inconsistent with the general laws of the state and other provisions of  
31 this title;

32 (l) limitations on the power of the authority to sell or otherwise  
33 dispose of any project or any part thereof;

34 (m) limitations on the amount of revenues and other monies to be  
35 expended for operating, administrative or other expenses of the authori-  
36 ty;

37 (n) the payment of the proceeds of bonds, revenues, and other monies  
38 to a trustee or other depository, and for the method of disbursement  
39 thereof with such safeguards and restrictions as the authority may  
40 determine; and

41 (o) any other matters of like or different character which in any way  
42 affect the security or protection of the bonds or the rights and reme-  
43 diaries of bondholders.

44 6. In addition to the powers conferred upon the authority to secure  
45 its bonds under this section, the authority shall have power in  
46 connection with the issuance of bonds to adopt resolutions and enter  
47 into such trust indentures, agreements or other instruments as the  
48 authority may deem necessary, convenient or desirable concerning the use  
49 or disposition of its revenues or other monies or property, including  
50 the mortgaging of any property and the entrusting, pledging, or creation  
51 of any other security interest in any such revenues, monies, or property  
52 and the doing of any act, including refraining from doing any act which  
53 the authority would have the right to do in the absence of such resol-  
54 utions, trust indentures, agreements, or other instruments. The authori-  
55 ty shall have power to enter into amendments of any such resolutions,  
56 trust indentures, agreements, or other instruments. The provisions of

1 any such resolutions, trust indentures, agreements, or other instruments  
2 may be made a part of the contract with the holders of bonds of the  
3 authority.

4 7. Notwithstanding any provision of the uniform commercial code to the  
5 contrary, any pledge of or other security interest in revenues, monies,  
6 accounts, contract rights, general intangibles, or other personal prop-  
7 erty made or created by the authority shall be valid, binding, and  
8 perfected from the time when such pledge is made or other security  
9 interest attaches without any physical delivery of the collateral or  
10 further act, and the lien of any such pledge or other security interest  
11 shall be valid, binding, and perfected against all parties having claims  
12 of any kind in tort, contract, or otherwise against the authority irre-  
13 spective of whether or not such parties have notice thereof. No instru-  
14 ment by which such a pledge or security interest is created, nor any  
15 financing statement need be recorded or filed.

16 8. Regardless of whether the bonds are of such form and character as  
17 to be negotiable instruments under the terms of the uniform commercial  
18 code, the bonds are hereby made negotiable instruments within the mean-  
19 ing of and for all the purposes of the uniform commercial code, subject  
20 only to the provisions of the bonds for registration.

21 9. Neither the members of the authority nor any person executing its  
22 bonds shall be liable personally on its bonds or be subject to any  
23 personal liability or accountability by reason of the issuance thereof.

24 10. Subject to such agreements with bondholders as may then exist, the  
25 authority shall have power out of any funds available therefor to  
26 purchase bonds of the authority, which shall thereupon be cancelled, at  
27 a price not exceeding (a) if the bonds are then redeemable, the redemp-  
28 tion price then applicable plus accrued interest to the next interest  
29 payment date; or (b) if the bonds are not then redeemable, the redemp-  
30 tion price applicable on the first date after such purchase upon which  
31 the bonds become subject to redemption plus accrued interest to the next  
32 interest payment date. Bonds so purchased shall thereupon be cancelled.

33 § 2676-i. Remedies of bondholders. Subject to any resolution or resol-  
34 utions adopted pursuant to this title:

35 1. In the event that the authority shall default in the payment of  
36 principal or of interest on any issue of bonds, after the same shall  
37 become due, whether at maturity or upon call for redemption, and such  
38 default shall continue for a period of thirty days, or in the event that  
39 the authority shall fail or refuse to comply with the provisions of this  
40 title or shall default in any agreement made with the holders of any  
41 issue of bonds, the holders of twenty-five per centum in aggregate prin-  
42 cipal amount of the bonds of such issue then outstanding, by instrument  
43 or instruments filed in the office of the clerk of the county in which  
44 the principal office of the authority is located and proved or acknowl-  
45 edged in the same manner as a deed to be recorded, may appoint a trustee  
46 to represent the holders of such bonds for the purpose provided under  
47 this section.

48 2. Such trustee may, and upon written request of the holders of twen-  
49 ty-five per centum in principal amount of such bonds outstanding shall,  
50 in such trustee's own name:

51 (a) by action or proceeding in accordance with the civil practice law  
52 and rules, enforce all rights of the bondholders, including the right to  
53 require the authority to collect rents, rates, fees, and charges  
54 adequate to carry out any agreement as to, or pledge of, such rents,  
55 rates, fees, and charges and to require the authority to carry out any

1 other agreements with the holders of such bonds to perform its duties  
2 under this title;

3 (b) bring an action or proceeding upon such bonds;

4 (c) by action or proceeding, require the authority to account as if it  
5 were the trustee of an express trust for the holders of such bonds;

6 (d) by action or proceeding, enjoin any acts or things which may be  
7 unlawful or in violation of the rights of the holders of such bonds; and

8 (e) declare all such bonds due and payable, and if all defaults shall  
9 be made good, then with the consent of the holders of the twenty-five  
10 per centum of the principal amount of such bonds then outstanding, to  
11 annul such declaration and its consequences.

12 3. Such trustee shall in addition to the provisions of subdivisions  
13 one and two of this section, have and possess all of the powers neces-  
14 sary or appropriate for the exercise of any functions specifically set  
15 forth under this section or incident to the general representation of  
16 bond holders in the enforcement and protection of their rights.

17 4. The supreme court shall have jurisdiction of any action or proceed-  
18 ing by the trustee on behalf of such bond holders. The venue of any such  
19 action or proceeding shall be laid in the county.

20 5. Before declaring the principal of bonds due and payable the trustee  
21 shall first give thirty days notice in writing to the authority.

22 6. (a) Any such trustee, whether or not the issue of bonds represented  
23 by such trustee has been declared due and payable, shall be entitled as  
24 of right to the appointment of any receiver of any part or parts of the  
25 project, the revenues of which are pledged for the security of bonds of  
26 such issue, and such receiver may enter and take possession of such part  
27 or parts of the project and, subject to any pledge or agreement with the  
28 holders of such bonds, shall take possession of all monies and other  
29 property derived from such part or parts of the project and proceed with  
30 any construction thereon or the acquisition of any property, real or  
31 personal, in connection therewith that the authority is under obligation  
32 to do, and operate, maintain, and reconstruct such part or parts of the  
33 project and collect and receive all revenues thereafter arising there  
34 from subject to any pledge or agreement with bond holders relating ther-  
35 eto and perform the public duties and carry out the agreements and obli-  
36 gations of the authority under the direction of the court.

37 (b) In any suit, action or proceeding by the trustee, the fees, coun-  
38 cil fees, and expenses of the trustee and of the receiver, if any, shall  
39 constitute taxable disbursements and all costs and disbursements allowed  
40 by the court shall be a first charge on any revenues derived from the  
41 project.

42 § 2676-j. State and county not liable on authority bonds. Neither the  
43 state, the county, nor the city shall be liable on the bonds of the  
44 authority and such bonds shall not be a debt of the state, the county or  
45 the city, and such bonds shall contain on the face thereof a statement  
46 to such effect.

47 § 2676-k. Monies of the authority. All monies of the authority from  
48 whatever source derived shall be paid to the treasurer of the authority  
49 and shall be deposited forthwith in a bank or banks designated by the  
50 authority. The monies in such accounts shall be paid out on check of the  
51 treasurer upon requisition by such person or persons as the authority  
52 may authorize to make such requisitions. All deposits of such monies  
53 shall be secured by obligations of the United States or of the state or  
54 of any municipality of a market value equal at all times to the amount  
55 on deposit, and all banks and trust companies shall be authorized to  
56 give such security for such deposits. To the extent practicable,

1 consistent with the cash requirements of the authority, all such monies  
2 shall be deposited in interest bearing accounts. The authority shall  
3 have power, notwithstanding the provisions of this section, to contract  
4 with the holders of any bonds as to the custody, collection, security,  
5 investment and payment of any monies of the authority or any monies held  
6 in trust or otherwise for the payment of bonds or any way to secure  
7 bonds, and carry out any such contract notwithstanding that such  
8 contract may be inconsistent with the provisions of this section. Monies  
9 held in trust or otherwise for the payment of bonds or in any way to  
10 secure bonds and deposits of such monies may be secured in the same  
11 manner as monies of the authority and all banks and trust companies are  
12 authorized to give such security for such deposits. Any monies of the  
13 authority not required for immediate use or disbursement may, at the  
14 discretion of the authority, be invested in those obligations specified  
15 pursuant to the provision of section ninety-eight-a of the state finance  
16 law. Subject to the provisions of any contract with bond holders and  
17 with the approval of the state comptroller, the authority shall  
18 prescribe a system of accounts.

19 § 2676-l. Bonds legal investment for fiduciaries. The bonds of the  
20 authority are hereby made securities in which all public officers and  
21 bodies of the state and all municipalities, all insurance companies and  
22 associations and other persons carrying on an insurance business, all  
23 banks, bankers, trust companies, savings banks and savings associations,  
24 including savings and loan associations, building and loan associations,  
25 investment companies and other persons carrying on a banking business,  
26 and administrators, guardians, executors, trustees and other fiduciar-  
27 ies, and all other persons whatsoever, who are upon the effective date  
28 of this title, or thereafter, authorized to invest in bonds or other  
29 obligations of the state may properly and legally invest funds including  
30 capital in their control or belonging to them. Notwithstanding other  
31 provisions of law, the bonds are also hereby made securities which may  
32 be deposited with and may be received by all public officers and bodies  
33 of the state and all municipalities for any purposes for which the  
34 deposit of bonds or other obligations of this state is upon the effec-  
35 tive date of this title, or thereafter authorized.

36 § 2676-m. Agreement with state. The state does hereby pledge to and  
37 agree with the holders of any bonds issued by the authority pursuant to  
38 this title and with those persons or public corporations who may enter  
39 into contracts with the authority pursuant to the provisions of this  
40 title that the state will not alter, limit or impair the rights hereby  
41 vested in the authority to purchase, construct, own and operate, main-  
42 tain, repair, improve, reconstruct, renovate, rehabilitate, enlarge,  
43 increase and extend, or dispose of any project, or any part or parts  
44 thereof for which bonds of the authority shall have been issued, to  
45 establish and collect rates, rents, fees, and other charges referred to  
46 in this title, to fulfill the terms of any contracts or agreements made  
47 with or for the benefit of the holders of bonds or with any person or  
48 public corporation with reference to such project or part thereof, or in

2 and agree with the holders of any bonds issued by the authority pursuant  
3 to this title and with those persons or public corporations who may  
4 enter into contracts with the authority pursuant to the provisions of  
5 this title that the county will not alter, limit or impair the rights  
6 hereby vested in the authority to purchase, construct, own and operate,  
7 maintain, repair, improve, reconstruct, renovate, rehabilitate, enlarge,  
8 increase and extend, or dispose of any project, or any part or parts  
9 thereof, for which bonds of the authority shall have been issued, to  
10 establish and collect rates, rents, fees and other charges referred to  
11 in this title, to fulfill the terms of any agreements made with the  
12 holders of the bonds or with any public corporation or person with  
13 reference to such project or part thereof, or in any way impair the  
14 rights and remedies of the holders of bonds, until the bonds, together  
15 with interest thereon, including interest on any unpaid installments of

29 ing the previous sentence, the authority shall be required to pay water  
30 and pure water fees or charges as may be negotiated by any public corpo-  
31 ration. The authority shall at all times be exempt from any filing,  
32 mortgage recording, or transfer fees or taxes in relation to instruments  
33 filed, recorded, or transferred by it or on its behalf. The  
34 construction, use, occupation, or possession of any property owned by  
35 the authority or the county, including improvements thereon, by any  
36 person or public corporation under a lease, lease and sublease, or any  
37 other agreement shall not operate to abrogate or limit the foregoing  
38 exemption, notwithstanding that the lessee, user, occupant, or person in  
39 possession shall claim ownership for federal income tax purposes.

40 2. Any bonds issued pursuant to this title together with the income  
41 therefrom as well as the property of the authority shall at all times be

48 the payment of such bonds shall at all times be free from taxation,  
49 except for transfer and estate taxes.

53 personal injury or damage to real or personal property alleged to have  
54 been sustained by reason of the negligence, tort, or wrongful act of the  
55 authority or of any member, officer, agent, or employee thereof, unless  
56 (a) a notice of claim shall have been made and served upon the authority

1 within the time limit set by and in compliance with section fifty-e of  
2 the general municipal law; (b) it shall appear by and as an allegation  
3 in the complaint or moving papers that at least thirty days have elapsed  
4 since the service of such notice and that adjustment or payment thereof  
5 has been neglected or refused; (c) the action or special proceeding  
6 shall be commenced within one year and ninety days after the happening  
7 of the event upon which the claim is based; and (d) an action against  
8 the authority for wrongful death shall be commenced in accordance with  
9 the notice of claim and time limitation provisions of title eleven of  
10 article nine of this chapter.

13 occurrence and extent of the injuries or damages for which claim is  
14 made, in accordance with the provisions of section fifty-h of the gener-  
15 al municipal law.

16 3. The authority may require any person presenting for settlement an  
17 account or claim for any cause whatever against the authority to be  
18 sworn before a member, counsel, or an attorney, officer, or employee of  
19 the authority designated for such purpose, concerning such account or  
20 claim and, when so sworn, to answer orally as to any facts relative to  
21 such account or claim. The authority shall have power to settle or  
22 adjust all claims in favor of or against the authority.

23 4. Any action or proceeding to which the authority or the people of  
24 the state may be parties, in which any question arises as to the validi-  
25 ty of this title, shall be preferred over all other civil causes of  
26 action or cases, except election causes of action or cases, in all  
27 courts of the state and shall be heard and determined in preference to  
28 all other civil business pending therein except election causes, irre-

45 2. The authority may, in its discretion, assign contracts for super-  
46 vision and coordination to the successful bidder for any subdivision of  
47 work for which the authority receives bids. The authority shall not  
48 award any construction contract except to the lowest bidder who, in its  
49 opinion, is qualified to perform the work required and who is responsi-  
50 ble and reliable. The authority may, however, reject any or all bids or  
51 waive any informality in a bid if it believes that the public interest  
52 will be promoted thereby. The authority may reject any bid if, in its  
53 judgment, the business and technical organization, plant, resources,  
54 financial standing, or experience of the bidder justifies such rejection  
55 in view of the work to be performed.

2 term "authority employee" shall mean any member, officer, or employee of

8 proper discharge of such authority employee's duties in the public  
9 interest.

17 position or authority.

18 (c) No authority employee shall disclose confidential information  
19 acquired by such authority employee in the course of such authority

24 exemptions for such authority employee or others.

25 (e) No authority employee shall engage in any transaction as represen-  
26 tative or agent of the authority with any business entity in which such  
27 authority employee has a direct or indirect financial interest that  
28 might reasonably tend to conflict with the proper discharge of such  
29 authority employee's official duties.

30 (f) An authority employee shall not by such authority employee's  
31 conduct give reasonable basis for the impression that any person can  
32 improperly influence such authority employee or unduly enjoy such  
33 authority employee's favor in the performance of such authority employ-  
34 ee's official duties, or that such authority employee is affected by the  
35 kinship, rank, position or influence of any party or person.

36 (g) An authority employee shall abstain from making personal invest-  
37 ments in enterprises which such authority employee has reason to believe  
38 may be directly involved in decisions to be made by such authority  
39 employee or which will otherwise create substantial conflict between  
40 such authority employee's duty in the public interest and such authority  
41 employee's private interest.

42 (h) An authority employee shall endeavor to pursue a course of conduct  
43 which will not raise suspicion among the public that such authority  
44 employee is likely to be engaged in acts that are in violation of such  
45 authority employee's trust.

46 (i) No authority employee employed on a full-time basis nor any firm  
47 or association of which such authority employee is a member nor corpo-  
48 ration a substantial portion of the stock of which is owned or  
49 controlled directly or indirectly by such authority employee, should  
50 sell goods or services to any person, firm, corporation or association  
51 which is licensed or whose rates are fixed by the authority in which  
52 such authority employee serves or is employed.

53 (j) If any authority employee shall have a financial interest, direct  
54 or indirect, having a value of ten thousand dollars or more in any  
55 activity which is subject to the jurisdiction of a regulatory agency,  
56 such authority employee shall file with the secretary of state a written

6 fined, suspended, or removed from office or employment.

7 § 2676-s. Agreements relating to payment in lieu of taxes. 1. In order  
8 to assure that municipalities shall not suffer undue loss of taxes or  
9 assessments in the event that the authority acquires any facility from  
10 the county, any person paying real property taxes or assessments as of  
11 the date of the transfer of title from the county to the authority on  
12 any property located within any such facility shall make payments in  
13 lieu of taxes in an amount equal to the sums which would ordinarily be  
14 imposed as taxes by any municipality in which such property is located,  
15 pursuant to the prevailing method of determining taxes and assessments.

16 2. Subject to any agreement with bond holders, the authority may, with  
17 the approval of the county, but shall not be required to, enter into  
18 agreements with any municipality of the state to pay annual sums in lieu  
19 of taxes to any such municipality in respect of any real property which  
20 is owned by the authority is located in such municipality and is used  
21 for public purposes. For the purposes of this section, such public

23 tional facilities, performing arts facilities, or residential facili-  
24 ties.

25 3. (a) In the event that any real property owned by the authority is  
26 used by the authority or a lessee thereof for purposes other than public  
27 purposes, the authority, or lessee thereof, as the case may be, may,  
28 with the approval of the county, enter into agreements with any muni-  
29 cipality of the state to pay annual sums in lieu of taxes in respect of  
30 such real property located in such municipality. For the purposes of  
31 this section, such purposes other than public purposes shall include  
32 without limitation, athletic facilities, educational facilities,  
33 performing arts facilities, residential facilities, or office buildings

38 (b) The authority shall determine (i) the amount of such annual  
39 payments in lieu of taxes; (ii) whether the use of such property is for  
40 purposes other than public purposes; and (iii) the extent to which such  
41 property is used for purposes other than public purposes. In making such  
42 determinations the authority shall take into consideration the recommen-  
43 dations, if any, of the county.

44 § 2676-t. Audit and annual report. In conformity with the provisions  
45 of section five of article ten of the state constitution, the accounts  
46 of the authority shall be subject to the supervision of the state comp-  
47 troller and an annual audit shall be performed by an independent certi-  
48 fied accountant. The authority shall annually submit to the county comp-  
49 troller, county legislature, county executive, governor, the state  
50 comptroller, the chairperson of the senate finance committee, and the

11 with the federal government, or any other public corporation shall inure  
12 to and for the benefit of the authority to the same extent and in the

15 shall be deemed a party thereto, to the extent not prohibited by any  
16 federal law. Any license, approval, permit, determination, finding,  
17 award, or decision heretofore or thereafter issued or granted pursuant  
18 to or as a result of any such application, review, process or proceeding  
19 shall inure to the benefit of and be binding upon the authority and  
20 shall be assigned and transferred by the county to the authority unless  
21 such assignment and transfer is prohibited by federal law.

22 2. All such applications, proceedings, licenses, approvals, permits,  
23 determinations, findings, awards, and decisions shall further inure to  
24 and for the benefit of and be binding upon any person leasing, acquir-  
25 ing, financing, constructing, maintaining, operating, using, or occupy-  
26 ing any facility financed in whole or in part by the authority.

27 § 2676-w. Separability. If any clause, sentence, paragraph, section,  
28 or part of this title shall be adjudged by any court of competent juris-

30 date the remainder thereof, but shall be confined in its operation to  
31 the clause, sentence, paragraph, section, or part thereof involved in  
32 the controversy in which such judgment shall have been rendered.

33 § 2676-x. Effect of inconsistent provisions. In so far as the  
34 provisions of this title are inconsistent with the provisions of any  
35 other act, general or special, or of the county charter or any local  
36 law, charter, ordinance or resolution of the county or another munici-  
37 pality, the provisions of this title shall be controlling. Nothing  
38 contained in this section shall be held to supplement or otherwise  
39 expand the powers or duties of the authority otherwise set forth in this  
40 title. Except as specifically provided for in this title, in the  
41 performance of any of its functions, powers and duties, the authority  
42 shall be subject to all applicable general or special laws of the state,  
43 the county charter, and any local law, ordinance or resolution of the  
44 county.

45 § 2. This act shall take effect immediately.
