AN ACT to amend the agriculture and markets law, in relation to fees
related to liquified petroleum

The People of the State of New York, represented in Senate and Assem-

Section 1. Section 192-e of the agriculture and markets law is amended

purposes of this section, "special usage fee" shall mean a fee charged
to a consumer for using less than the minimum amount of liquified petro-
leum gas as established by the seller. No special usage fee shall be
charged except for when: (i) the consumer's usage of liquified petroleum
gas is low enough that the seller would otherwise be unable to make a
reasonable return on investment for providing liquified petroleum gas
service to that consumer; (ii) the special usage fee shall be disclosed
in the contract between the seller and the consumer; and (iii) a
description of the fee shall be provided on the consumer's bill pursuant
to subdivision twelve of this section;

(b) a fee for liquified petroleum gas that is not actually delivered
to a consumer;

(c) a fee related to termination of liquified petroleum gas service at
the agreed upon end of contract between the seller and the consumer,
including a fee:

2 the cost of labor;

3 (e) a tank rental fee for any period of time after the service has
4 been disconnected by the seller or the consumer has notified the seller
5 that the seller's equipment is no longer connected;

6 (f) any amounts for the repair of equipment or for any special trip
7 related to the repair of equipment if the equipment owned by a seller
8 malfunctions through no fault of a consumer or other person authorized
9 to be on the premises;

10 (g) a delivery fee if the seller fails to make a delivery through no

14 statute or rule.

15 11. A seller shall provide a rebate to a consumer equal to the price
16 paid by that consumer for liquified petroleum gas that is removed from a
17 liquified petroleum gas tank by the seller and resold.

19 description of the nature and purpose of each fee that is being charged.

20 13. The fiscal impact of being compliant with any governmental, regu-
21 latory, or environmental requirement shall not be borne by liquified
22 petroleum gas consumers and shall not be added to bills rendered by a
23 company selling liquified petroleum gas; provided, however, that this
24 subdivision shall not limit the per-gallon price charged by sellers or
25 prohibit collection of any tax allowable under state law.
