Notwithstanding any of the foregoing provisions of this section, if the basic annual salary of such annual salaried unit members to whom the provisions of this section apply is identical with the hiring rate, performance advance step one, two, three, four, or five, the job rate, the ten-year longevity step, the fifteen-year longevity step, the twenty-year longevity step, or the twenty-five-year longevity step of the salary grade of their position on the effective dates of the increases provided by this section, respectively, for such unit members to whom the provisions of this section apply on the institutional or administrative payroll, such basic annual salary shall be increased to the hiring rate, performance advance step one, two, three, four or five, the job rate, the ten-year longevity step, the fifteen-year longevity step, the twenty-year longevity step or the twenty-five-year longevity step of such salary grade as contained in paragraph f of subdivision 1 of section 130 of the civil service law, as added by section one of this act, to take effect on the dates provided in paragraph f of subdivision

8. If an unencumbered position is one, which if encumbered, would be subject to the provisions of this section, the salary of such position shall be increased by the salary increase amounts specified in this section. If a position is created and is filled by the appointment of such unit members to whom the provisions of this section apply, the salary otherwise provided for such position shall be increased in the same manner as though such position had been in existence but unencumbered. Notwithstanding the provisions of this section, the director of the division of the budget may reduce the salary of any such position, which is or becomes vacant.

9. The director of the budget shall issue certificates which shall contain schedules of positions and the salaries thereof for which adjustments are made pursuant to the provisions of this subdivision, and a copy of each such certificate shall be filed with the state comptroller, the department of civil service, the chair of the senate finance committee and the chair of the assembly ways and means committee.

12. Notwithstanding any of the foregoing provisions of this section, any increase in compensation may be withheld in whole or in part from any such unit members to whom the provisions of this section apply when, in the opinion of the director of the division of the budget and the director of employee relations, such increase is not warranted or is not appropriate for any reason.

The aforementioned appropriations shall be available for payment of any liabilities or obligations incurred prior to April 1, 2024, in addition to current liabilities.

§ 23. Notwithstanding any provision of the state finance law or any other provision of law to the contrary, the sum of $252,000,000 is hereby appropriated in the general fund/state purposes account (10050) in miscellaneous-all state departments and agencies solely for apportionment/transfer by the director of the budget for use by any state department or agency in any fund for the period April 1, 2023 through March 31, 2025 to supplement appropriations for personal service, other than personal service and fringe benefits, and to carry out the provisions of this act. No money shall be available for expenditure from this appropriation until a certificate of approval has been issued by the director of the budget and a copy of such certificate or any amendment thereto has been filed with the state comptroller, the chair of the senate finance committee and the chair of the assembly ways and means committee. The monies hereby appropriated are available for payment of any liabilities or obligations incurred prior to or during the period April 1, 2023 through March 31, 2025. For this purpose, the

monies appropriated shall remain in full force and effect for the payment of liabilities incurred on or before March 31, 2025.
