June 20, 2024

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Rozic) --  
read once and referred to the Committee on Environmental Conservation

AN ACT to amend the public authorities law, the environmental conserva-  
tion law and the public health law, in relation to the allocation of  
funds from the clean water state revolving fund and the drinking  
water revolving fund by the environmental facilities corporation

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Paragraph (a) of subdivision 1 of section 1285-j of the  
2 public authorities law, as amended by chapter 262 of the laws of 2007,  
3 is amended to read as follows:

4 (a) The corporation shall undertake and provide assistance in support  
5 of the program to make financial assistance available to municipalities  
6 to encourage and support the planning, development and construction of  
7 municipal water pollution control projects in accordance with the  
8 provisions of this section, section 17-1909 of the environmental conser-  
9 vation law, and to make financial assistance available to eligible  
10 borrowers through linked deposits made in accordance with article  
11 sixteen of the state finance law. Moneys of the fund shall be allocated  
12 to municipalities for eligible projects in proportion to the population  
13 of such municipality and shall not be subject to a dollar amount limita-  
14 tion.

15 § 2. Paragraph g of subdivision 1 of section 17-1909 of the environ-  
16 mental conservation law, as amended by chapter 262 of the laws of 2007,  
17 is amended to read as follows:

18 g. "Intended use plan" means the plan prepared pursuant to subdivision  
19 two of this section, identifying the intended uses of the amounts avail-  
20 able in the fund, including but not limited to: (i) a list of those  
21 projects for construction of publicly owned treatment works on the  
22 priority list developed pursuant to subdivision two of this section;  
23 (ii) a list of projects developed pursuant to subdivision two of this  
24 section anticipated to be financed by the fund through the water  
25 pollution control linked deposit program; (iii) a description of the  
26 short and long term goals and objectives of the fund; (iv) information  
27 on the activities to be supported, including a description of project  
28 categories, discharge requirements under the Federal Water Pollution  
29 Control Act, terms of financial assistance, and eligible borrowers

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 pursuant to the water pollution control linked deposit program served;  
2 (v) the criteria and method established for the distribution of funds;  
3 and (vi) the amount of moneys from the fund[~~, not to exceed ten million~~  
4 ~~dollars annually,~~] to be made available for linked loans under the water  
5 pollution control linked deposit program during the period covered by  
6 such intended use plan.

7 § 3. Paragraph a of subdivision 3 of section 17-1909 of the environ-  
8 mental conservation law, as amended by chapter 259 of the laws of 2021,  
9 is amended to read as follows:

10 a. The corporation is authorized to promulgate regulations, developed  
11 in consultation with the commissioner and the director of the division  
12 of the budget, for the purpose of carrying out its responsibilities  
13 under this section, including establishing criteria and standards for  
14 determining the amount of financial assistance to a municipality for an  
15 eligible project; provided, however, that such regulations shall provide  
16 that moneys of the fund shall be allocated to municipalities for eligi-  
17 ble projects in proportion to the population of such municipality and  
18 shall not be subject to a dollar amount limitation. To the extent finan-  
19 cial assistance to a municipality for an eligible project is provided as  
20 a loan from the proceeds of bonds or notes of the corporation, the  
21 amount of an allocation applicable to the portion of such eligible  
22 project financed with such loan shall be, subject to such maximum finan-  
23 cial limitations as may otherwise be necessary and prescribed by the  
24 commissioner and the director of the division of the budget, thirty-  
25 three and one-third percent of the principal amount of such loan  
26 outstanding at any time for such eligible project, to the extent reason-  
27 ably practicable, and subject to such deviation as may be necessary, in  
28 connection with the administration and investment of moneys in the fund,  
29 unless allocations in differing amounts are necessary to preclude a  
30 determination by the commissioner or the corporation pursuant to para-  
31 graph e of subdivision eight of this section or unless an allocation in  
32 a differing amount is required for an innovative technology demon-  
33 stration project; provided, however, that in the case of any municipi-  
34 pality which has, during the period commencing on June first, nineteen  
35 hundred ninety-two and ending on September thirtieth, two thousand twen-  
36 ty-four, (i) submitted an application for financial assistance in the  
37 form of such a loan for an eligible project, which application has been  
38 accepted by the corporation, (ii) closed on such loan, and (iii)  
39 commenced construction of such eligible project, the allocation applica-  
40 ble to the portion of such project financed with such loan shall be,  
41 subject to maximum financial limitations as may otherwise be necessary  
42 and prescribed by the commissioner and the director of the division of  
43 the budget, fifty percent of the principal balance outstanding on such  
44 loan at any time for such eligible project, to the extent reasonably  
45 practicable, and subject to such deviation as may be necessary, in  
46 connection with the administration and investment of moneys in the fund,  
47 unless allocations in differing amounts are necessary to preclude a  
48 determination by the commissioner or the corporation pursuant to para-  
49 graph e of subdivision eight of this section or unless an allocation in  
50 a differing amount is required for an innovative technology demon-  
51 stration project.

52 § 4. Subdivision 1 of section 1162 of the public health law, as  
53 amended by chapter 134 of the laws of 2007, is amended to read as  
54 follows:

55 1. The corporation is authorized to promulgate regulations, developed  
56 in consultation with the commissioner and the director of the division

1 of the budget, for the purpose of carrying out its responsibilities  
2 under this title, including establishing criteria and standards for  
3 determining the amount and kind of financial assistance to a recipient  
4 for an eligible project. To the extent financial assistance to a recipi-  
5 ent for an eligible project is provided from the proceeds of bonds or  
6 notes of the corporation, the amount of an allocation applicable to the  
7 portion of such eligible project financed with such financial assistance  
8 shall be determined by the corporation in accordance with such regu-  
9 lations, if any; provided, however, that such regulations shall provide  
10 that moneys of the fund shall be allocated to municipalities for eligi-  
11 ble projects in proportion to the population of such municipality and  
12 shall not be subject to a dollar amount limitation.

13 § 5. Paragraph (b) of subdivision 1 of section 1285-m of the public  
14 authorities law, as added by chapter 134 of the laws of 2007, is amended  
15 to read as follows:

16 (b) There is hereby established in the custody of the corporation a  
17 special fund to be known as the drinking water revolving fund. Except as  
18 otherwise provided by this paragraph, moneys in the drinking water  
19 revolving fund shall be segregated from all other funds of or in the  
20 custody of the corporation subject to any rights of holders of corpo-  
21 ration bonds or notes issued for the purposes of this section. Moneys  
22 in the drinking water revolving fund shall only be used in accordance  
23 with the provisions of this section and title four of article eleven of  
24 the public health law; provided that, in addition, to the extent permit-  
25 ted by federal or state law, moneys in the drinking water revolving fund  
26 may be transferred to and used for the purposes authorized for the water  
27 pollution control revolving fund, and moneys in the water pollution  
28 control revolving fund may be transferred to and used for the purposes  
29 authorized for the drinking water revolving fund. The moneys in the  
30 drinking water revolving fund shall be applied to or paid out for  
31 authorized purposes of such fund in accordance with subdivision four of  
32 this section and title four of article eleven of the public health law.  
33 To the extent approved by the commissioner of health and the commission-  
34 er of environmental conservation and notwithstanding the provisions of  
35 paragraph (a) of this subdivision, moneys in the drinking water revolv-  
36 ing fund and in the water pollution control revolving fund may be held  
37 together; provided that all such moneys are segregated from all other  
38 funds of or in the custody of the corporation subject to any rights of  
39 holders of corporation bonds or notes issued for the purposes of this  
40 section; provided further, that the corporation shall establish and  
41 maintain or cause there to be established and maintained a system of  
42 tracking the application of such moneys to the purposes of this section.  
43 The corporation may establish within the drinking water revolving fund  
44 additional accounts or subaccounts and specify any conditions applicable  
45 to the transfer of moneys between such accounts or subaccounts. With  
46 respect to each eligible project, the corporation shall establish and  
47 maintain a record of the allocation provided for the benefit of such  
48 project in accordance with the terms of the applicable financing agree-  
49 ment. Moneys of the fund shall be allocated to municipalities for eligi-  
50 ble projects in proportion to the population of such municipality and  
51 shall not be subject to a dollar amount limitation.

52 § 6. This act shall take effect immediately.
