STATE OF NEW YORK

10701

IN ASSEMBLY

August 28, 2024

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Durso) -- read once and referred to the Committee on Energy

AN ACT directing the New York state energy research and development authority to conduct a feasibility study on sewage thermal energy

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The New York state energy research and development authority, in conjunction with the department of environmental conservation, shall conduct a feasibility study and prepare a report on the benefits and implementation of sewage thermal energy. Such study will analyze the potential impacts and costs of sewage thermal energy.

§ 2. Within one year of the effective date of this act, the New York state energy research and development authority shall issue a report of the findings of the feasibility study to the governor, the temporary president of the senate and the speaker of the assembly.

§ 3. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
