Introduced by COMMITTEE ON RULES -- (at request of M. of A. Durso) --
read once and referred to the Committee on Energy

AN ACT directing the New York state energy research and development
authority to conduct a feasibility study on sewage thermal energy

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

- 1 Section 1. The New York state energy research and development authori-
2 ty, in conjunction with the department of environmental conservation,
3 shall conduct a feasibility study and prepare a report on the benefits
4 and implementation of sewage thermal energy. Such study will analyze the
5 potential impacts and costs of sewage thermal energy.
6 § 2. Within one year of the effective date of this act, the New York
7 state energy research and development authority shall issue a report of
8 the findings of the feasibility study to the governor, the temporary
9 president of the senate and the speaker of the assembly.
10 § 3. This act shall take effect immediately.
