- 2. No health care professional licensed, certified, or authorized under title eight of the education law shall:
- (a) perform a drug, cannabis or alcohol test on a person who is pregnant or up to one year postpartum unless:
- (i) the pregnant or postpartum individual gives prior written and oral informed consent specific to the drug, cannabis or alcohol test; and
- (ii) the performance of the drug, cannabis or alcohol test is within the scope of medical care being provided to the individual, cannabis.
- 11 (b) perform a drug, cannabis or alcohol screen in a hospital on a 12 person who is pregnant or up to one year postpartum unless:
- 13 <u>(i) the pregnant or postpartum individual gives prior written and</u> 14 <u>oral informed consent specific to the drug, cannabis or alcohol screen;</u> 15 <u>and</u>
 - (ii) the performance of the drug, cannabis or alcohol screen is within the scope of medical care being provided to the individual.
- 18 <u>(c) perform a drug, cannabis or alcohol screen outside a hospital on a</u> 19 <u>person who is pregnant or up to one year postpartum unless:</u>
 - (i) the pregnant or postpartum individual gives prior oral informed consent specific to the drug, cannabis or alcohol screen; and
 - (ii) the performance of the drug, cannabis or alcohol screen is within the scope of medical care being provided to the individual.
 - 3. No health care professional licensed, certified or authorized under title eight of the education law shall:
 - (a) perform a drug, cannabis or alcohol test on a newborn unless:
 - (i) the individual authorized to consent for the newborn, as defined by subdivision two of section twenty-five hundred four of this title, gives prior written and oral informed consent specific to the drug, cannabis or alcohol test; and
- 31 <u>(ii) the performance of the drug, cannabis or alcohol test is within</u>
 32 <u>the scope of medical care being provided to the newborn;</u>
- 33 <u>(b) perform a drug, cannabis or alcohol screen in a hospital on a</u> 34 newborn unless:
 - (i) the individual authorized to consent for the newborn, as defined by subdivision two of section twenty-five hundred four of this title, gives prior written and oral informed consent specific to the drug, cannabis or alcohol screen; and
- 39 <u>(ii) the performance of the drug, cannabis or alcohol screen is</u>
 40 <u>within the scope of medical care being provided to the newborn;</u>
- 41 (c) perform a drug, cannabis or alcohol screen outside a hospital on a 42 newborn unless:

influence, and shall consist of oral authorization and written authorization that is dated, signed and includes the following:

- (a) a statement explaining that consenting to a drug, cannabis or alcohol test or drug, cannabis or alcohol screen is voluntary and requires written and oral informed consent, except when conditions under subdivision five of this section are met;
- (b) a statement that testing or screening positive for drugs, cannabis or alcohol could have legal consequences, including, but not limited to, a report to a local child protective services agency, and that the individual may want to consult with legal counsel prior to or after consenting to a drug, cannabis or alcohol test or drug, cannabis or alcohol screen;
- 13 (c) a statement explaining the extent of confidentiality of the test 14 or screen results;
 - (d) a statement of the medical purpose of the test or screen; and
 - (e) a general description of the test or screen.
- 17 5. Drug, cannabis or alcohol testing or drug, cannabis or alcohol screening may be performed without consent of the patient or the indi-18 vidual authorized to consent for a newborn when, in the health care 19 20 professional's judgment, an emergency exists and the patient or newborn is in immediate need of medical attention, and an attempt to secure 21 22 consent would result in delay of treatment that could increase the risk to the patient's or newborn's life or health. In the case that drug, 23 cannabis or alcohol testing or drug or alcohol screening is performed 24 25 under these circumstances, the test or screen results shall be discussed with the patient or the individual authorized to consent for the 26 27 newborn, in language understandable to the patient or individuals authorized to consent for the newborn and shall consist of oral notifi-28 cation and written notification that is dated, signed and includes the 29 30 following:
 - (a) a statement that testing or screening positive for drugs, cannabis or alcohol could have legal consequences, including but not limited to a potential report to a local child protective services agency, and that the patient or individual authorized to consent for the newborn may want to consult with legal counsel;
- 36 (b) a statement in the medical record with a description of the emer-37 gency that necessitated unconsented drug, cannabis or alcohol testing or 38 drug, cannabis or alcohol screening; and
 - (c) a statement explaining the extent of confidentiality of the test or screen results.
- 6. No health care professional licensed, certified, or authorized under title eight of the education law shall refuse to treat an individual who is pregnant or up to one year postpartum or a newborn because of the patient or individuals authorized to consent for the newborn's refusal to submit to a drug, cannabis or alcohol test or drug, cannabis or alcohol screen.
- 7. Nothing in this section shall diminish any other requirement to
 btain informed consent for a drug, cannabis or alcohol test or drug,
 cannabis or alcohol screen or any other procedure.
 - § 2. This act shall take effect immediately.
