IN ASSEMBLY

January 13, 2023

Introduced by M. of A. WEPRIN, DeSTEFANO -- read once and referred to the Committee on Consumer Affairs and Protection

AN ACT to amend the civil service law, in relation to safe staffing for public employees of institutional settings

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. It is in the interest and the responsibility of the state and local governments to provide for a safe, stable and humane environment for residents and staff of the custodial facilities within the state of New York. The maintenance of order, security, safety and care for all in custodial facilities currently falls upon a workforce stretched beyond its limits. Recruitment and retention of staff is at a crisis at all levels and in all facilities within the state. Double and triple shifts are the norm, creating unsafe conditions for residents and staff. Therefore, it is in the interest of the state to set maximum overtime levels to ensure staff safety and a humane environment for residents of custodial facilities.

2 § 2. The civil service law is amended by adding a new section 137 to read as follows:

3 § 137. Safe staffing for public employees of institutional settings.
4 1. This section shall apply to and cover the following facilities:

5 (a) Correctional facilities, as defined by subdivision four of section two of the correction law.

6 (b) Local correctional facilities, as defined by subdivision sixteen of section two of the correction law.

7 (c) Facilities regulated by the office of mental health pursuant to section 7.17 of the mental hygiene law.

8 (d) Juvenile offender and adolescent offender facilities pursuant to section five hundred eight of the executive law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

17 Nothing in this section is intended to prohibit an employee from volun-
18 tarily working overtime.

20 graph (a) of this subdivision:

27 seven consecutive days without at least one consecutive twenty-four hour
28 period off duty within that time.

29 3. A work shift schedule or overtime program established pursuant to a
30 collective bargaining agreement negotiated on behalf of the healthcare

34 sive fatigue on the part of the affected employees.

35 4. The administrators of a facility covered under this section shall
36 file a report on a quarterly basis to the executive officer, legislative
37 body of the political subdivision of such facility and the head of such
38 facility's collective bargaining units, who shall, upon review, make
39 such reports available to the public on the facility's or governing
40 agency's website. Such quarterly report shall include the following:

54 5. The provisions of this section are intended as a remedial measure
55 to ensure staff safety and a humane environment for residents of custo-
56 dial facilities, and shall not be construed to diminish or waive any

1 rights of any employee pursuant to any other law, regulation, or collec-
2 tive bargaining agreement.
3 § 3. This act shall take effect on the sixtieth day after it shall
4 have become a law.
