The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivisions 1, 11, and 19 of section 14-200-a of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

1. "authorized committee" means the single political committee designated by a candidate pursuant to ~~[these recommendations]~~ this title to receive contributions and make expenditures in support of the candidate's campaign for such election.

11. (a) "matchable contribution" means a contribution not less than five dollars and not more than an aggregate of two hundred fifty dollars~~[, for a candidate for public office to be voted on by the voters of the entire state or for nomination to any such office, a contribution for any covered elections held in the same election cycle, made by a natural person who is a resident in the state of New York to a participating candidate, and for a candidate for election to the state assembly or state senate or for nomination to any such office, a contribution for any covered elections held in the same election cycle, made by a natural person who is also a resident of such state assembly or state senate district from which such candidate is seeking nomination or election,~~ per unique contributor, made to a participating candidate for any covered election held in the same election cycle, that has been reported in full to the PCFB in accordance with sections 14-102 and 14-104 of this article by the candidate's authorized committee ~~[and],~~ has been contributed on or before the day of the applicable primary, general, runoff, or special election, and: (i) is for a candidate for public office to be voted on by the voters of the entire state or for

nomination to any such office, and has been made by a natural person who is a resident in the state of New York; or (ii) is for a candidate for election to the state assembly or state senate or for nomination to any such office, and has been made by a natural person who is also a resident of such state assembly or state senate district for which such candidate is seeking nomination or election. Any contribution, contributions, or a portion of a contribution determined to be invalid for matching funds by the PCFB may not be treated as a matchable contribution for any purpose.

(b) The following contributions are not matchable:

- (i) loans;
- (ii) in-kind contributions of property, goods, or services;
- (iii) contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value;
- (iv) transfers from a party or constituted committee;
- (v) anonymous contributions;
- (vi) contributions whose source is not itemized as required by ~~[these recommendations]~~ this title;
- (vii) contributions gathered during a previous election cycle;
- (viii) illegal contributions;
- (ix) contributions from minors;
- (x) contributions from vendors for campaigns hired by the candidate for such election cycle;
- (xi) contributions from lobbyists registered pursuant to subdivision (a) of section one-c of the legislative law; and
- (xii) any portion of a contribution when the aggregate contributions within the election cycle are in excess of two hundred fifty dollars from any one contributor to such participating candidate for nomination or election.

19. "surplus" means those funds where the total sum of contributions received and public ~~[matchable]~~ matching funds received by a participating candidate and his or her authorized committee exceeds the total campaign expenditures of such candidate and authorized committee for all covered elections held in the same calendar year or for a special election to fill a vacancy.

§ 2. Subparagraphs (iii), (iv), and (v) of paragraph (i) of subdivision 1 and subdivision 2 of section 14-203 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

(iii) Nothing in this section shall be interpreted to require a candidate who retains funds raised during any previous election cycle to forfeit such funds. Funds raised during a previous election cycle may be retained and used by the candidate for the candidate's campaign in the next election cycle but funds shall not qualify for satisfying the threshold for participating in the public campaign finance program established in this title nor shall they be eligible to be matched. ~~[The PCFB shall adopt regulations to ensure that contributions that would satisfy the applicable contribution limits authorized in this title shall be transferred into the appropriate campaign account.]~~ Only contributions that would satisfy the applicable contribution limits authorized by this title shall be transferred into the appropriate campaign account. The PCFB shall adopt regulations to ensure compliance with this subparagraph.

(iv) Contributions received and expenditures made by the candidate or an authorized committee of the candidate prior to the effective date of this title shall not constitute a violation of this title. Unexpended

contributions shall be treated the same as ~~[campaign surpluses]~~ funds raised during a previous election cycle under subparagraph (iii) of this paragraph. Nothing in this recommendation shall be construed to limit, in any way, any candidate or public official from expending any portion of pre-existing campaign funds for any lawful purpose other than those related to his or her campaign.

(v) A candidate who has raised matchable contributions but, in the case of a covered primary, general or special election, is not opposed by another candidate on the ballot who is not a write-in candidate, or who chooses not to accept ~~[matchable]~~ matching funds, may retain such contributions and apply them in accord with this title to the candidate's next campaign, should there be one, in the next election cycle.

2. Threshold for eligibility. (a) The threshold for eligibility for public funding for participating candidates shall be in the case of:

(i) governor, not less than five hundred thousand dollars in contributions ~~[including at least five thousand matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the state of New York, including matchable contributions from at least five thousand unique contributors;

(ii) lieutenant governor, attorney general and comptroller, not less than one hundred thousand dollars in contributions ~~[including at least one thousand matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the state of New York, including matchable contributions from at least one thousand unique contributors;

(iii) state senator, except as otherwise provided in paragraph (c) of this subdivision, not less than twelve thousand dollars in contributions ~~[including at least one hundred fifty matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the district in which the seat is to be filled, including matchable contributions from at least one hundred fifty unique contributors; and

(iv) member of the assembly, except as otherwise provided in paragraph (c) of this subdivision, not less than six thousand dollars in contributions ~~[including at least seventy-five matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the district in which the seat is to be filled, including matchable contributions from at least seventy-five unique contributors.

(b) However, solely for purposes of achieving the monetary thresholds in paragraph (a) of this subdivision, the first two hundred fifty dollars of any contribution of more than two hundred fifty dollars to a candidate or a candidate's committee which would otherwise be matchable except that it comes from a contributor who has contributed more than two hundred fifty dollars to such candidate or candidate's committee, is deemed to be a matchable contribution and shall count toward satisfying such monetary threshold but shall not otherwise be considered a matchable contribution.

(c) With respect to the minimum dollar threshold for participating candidates for state senate and state assembly, in such districts where ~~[average median income ("AMI") is below the AMI as determined by the United States Census Bureau three years before such election for which public funds are sought]~~ the average of the district's median income as determined by the bureau of the census of the United States department of commerce for the three years prior to such election is below the median income for the state according to the most recent census data available, such minimum dollar threshold for eligibility shall be reduced by one-third. The PCFB shall make public which districts are

1 subject to such reduction no later than two years before the first  
2 primary election for which funding is sought.

3 (d) Any participating candidate meeting the threshold for eligibility  
4 in a primary election for one of the foregoing offices shall be  
5 ~~[applied]~~ deemed to satisfy the threshold for eligibility for such  
6 office in any other subsequent election held in the same calendar year.  
7 Any participating candidate who is nominated in a primary election and  
8 has participated in the public financing program set forth in this  
9 title~~[, must]~~ shall also participate in the public financing program in  
10 the general election for such office.

11 § 3. Subdivisions 2 and 4 of section 14-205 of the election law, as  
12 added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are  
13 amended to read as follows:

14 2. Calculation of payment. (a) In any election for a public office to  
15 be voted on by the voters of the entire state or for nomination to any  
16 such office, if the threshold for eligibility is met, the participating  
17 candidate's authorized committee shall receive payment for qualified  
18 campaign expenditures of six dollars of public matching funds for each  
19 one dollar of matchable contributions, obtained and reported to the PCFB  
20 in accordance with the provisions of this title. The maximum payment of  
21 public matching funds shall be limited to the amounts set forth in  
22 ~~[this]~~ section 14-204 of this title for the covered election.

23 (b) In any election for state senate or state assembly or for nomi-  
24 nation to any such office, if the threshold for eligibility is met, the  
25 participating candidate's authorized committee shall receive payment for  
26 qualified campaign expenditures for matchable contributions of eligible  
27 private funds per contributor, obtained, and reported to the PCFB here-  
28 in, of: twelve dollars of public matching funds for each of the first  
29 fifty dollars of matchable contributions; nine dollars of public match-  
30 ing funds for each of the next one hundred dollars of public matchable  
31 contributions; and eight dollars for ~~[the]~~ each of the next one hundred  
32 dollars of public matchable contributions. The maximum payment of public  
33 matching funds shall be limited to the amounts set forth in this section  
34 for the covered election.

35 4. Notwithstanding any provision of this section to the contrary, the  
36 amount of public funds payable to a participating candidate on the  
37 ballot in any covered election shall not exceed one-quarter of the maxi-  
38 mum public funds payment otherwise applicable ~~[and no participating~~  
39 ~~candidate shall be eligible to receive a disbursement of public funds~~  
40 ~~prior to two weeks after the last day to file designating petitions for~~  
41 ~~a primary election]~~ unless the participating candidate is opposed by a  
42 competitive candidate. The PCFB shall, by regulation, set forth objec-  
43 tive standards to determine whether a candidate is competitive and the  
44 procedures for qualifying for the payment of public funds.

45 § 4. Subdivisions 1 and 2 of section 14-207 of the election law, as  
46 added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are

50 payments. Such committee shall first utilize [~~the surplus~~] any excess  
51 payments of the public matching funds for repayment of such sums and  
52 then such other funds as it may have. Provided, however, that if the  
53 erroneous payment was the result of an error by the PCFB, then the erro-  
54 neous payment will be deducted from any future payment, if any, and if  
55 no future payment is to be made then neither the candidate nor the  
56 committee shall be liable to repay the excess amount to the PCFB. The

2 severally liable for any repayments to the PCFB.

3 3. Rules and regulations. (a) The PCFB shall promulgate regulations
