

STATE OF NEW YORK

2053

2023-2024 Regular Sessions

IN ASSEMBLY

January 23, 2023

Introduced by M. of A. JOYNER -- read once and referred to the Committee on Higher Education

AN ACT to amend the civil service law, the tax law and the education law, in relation to enacting the "New York state nurse employment, enhancement and dignity act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "New York state nurse employment, enhancement and dignity act".

3 § 2. Legislative Findings. The profession of nursing is critical to
4 the general health and safety of the residents of the state of New York
5 and the need for nurses has been exacerbated by the COVID-19 pandemic.
6 The nursing shortage and high attrition rates for nursing titles nega-
7 tively impacts patients and staff and serves to undermine the quality of
8 care in this state. The educational requirements for licensure into
9 certain nursing titles has served as a practical and financial barrier
10 to too many aspiring health care professionals. As an employer and the
11 entity charged with the care of the state's most vulnerable, New York
12 state must lead the way in making this profession more accessible and
13 attractive so as to ensure the quality and continuity of care for New
14 York's most at-risk citizens.

15 § 3. Subdivision 14 of section 130 of the civil service law is renum-
16 bered subdivision 15 and a new subdivision 14 is added to read as
17 follows:

18 14. Hazard duty payments to nurses during a state emergency disaster
19 declaration. (a) Any professional or practical nurse, nurse practi-
20 tioner, or clinical nurse specialist recognized in accordance with
21 sections six thousand nine hundred five, six thousand nine hundred six,
22 six thousand nine hundred ten and six thousand nine hundred eleven of
23 the education law who is employed by the state and provides services in
24 a licensed medical care or other state-operated agency or facility

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
