AN ACT to amend the public authorities law, in relation to the Long Island Rail Road weekend reduced fare program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known as the "Long Island Rail Road Fare Act".

§ 2. Legislative findings. The New York state legislature has found that on the weekends the Long Island Rail Road, a subsidiary of the Metropolitan Transportation Authority, provides reduced fare between the hours of 12:01 AM Saturday until 11:59 AM Sunday at certain station locations. Passengers traveling to and from locations within New York city should not forfeit their enjoyment of such reduced fare because their train happens to pass through Nassau county.

§ 3. Section 1266 of the public authorities law is amended by adding a new subdivision 14-a to read as follows:

14-a. Notwithstanding any other provisions of law or the terms of any contract, the Long Island Rail Road shall include Far Rockaway Station in its New York City weekend reduced fare program. Such station shall enjoy the same benefits as all other stations included in such program.

§ 4. This act shall take effect on the first of April next succeeding the date on which it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
